Commissioners Appropriate Garbage Funds

Two emergency appropriations totalling \$17,500 were unanimously approved by Commissioners last Monday, as they continued to sift through Belleville's garbage problems.

Monday's allotments bring Belleville's total emergency appropriations for this year up to \$594,546, including funds approved for the Valley area toxic chemical cleanup.

A sum of \$15,000 was earmarked for the Public Affairs Department to cover unforeseen cost increases in this year's scavenger contract with Browning-Ferris Waste Industries Inc. (BFI) of Fairfield.

Presently, BFI serves Belleville under a one-year \$598,425 contract awarded last September 12. That figure was the result of bids submitted by BFI in August, the third time Belleville sought contenders for its scavenger collection this year.

Originally, BFI was awarded a five-year \$2,778,992 contract as the municipal scavenger effective last January 1. The contract was awarded them December 28, 1981.

Three days later, L. Pucillo and Sons, Inc. the scavenger that was serving Belleville at the time, filed suit against the township and BFI claiming there were irregularities in the bidding procedure.

Pucillo was the only other bidder competing against BFI and exceeded the Fairfield firm's proposed price thus losing the municipal contract it had held for over 20 years.

Belleville challenged a March decision of a Newark superior court judge upholding Pucillo's complaints. However, the municipality was unsuccessful and an Appellate Court panel ordered the township in April to rebid its contract.

At the second bidding in July, the same two firms competed with BFI again coming in the low bidders. However, Commissioners were out-

(Please see 'Commissioners' on page 3.)

Belleville's Beauties — Members of the Belleville High School cheerleading squad posed for this picture before the Bucs football game against Ridgewood last Saturday. The captain this year is Jackie Martinez and the two co-captains are, Michele Corbo and Debbie Golub.

Township Will Hand Out Cheese To Needy Thursday

Distribution of butter and cheese to needy residents will be held Thursday, Oct. 27 at the Department of Public Affairs, 383 Washington Ave., starting at 4 p.m.

Eligible persons must be residents of Belleville and show proper identification as listed here: a family of one must have a yearly income of \$8,991 or less; family of two, \$12,099 or less; family of three, \$15,207 or less; family of four, \$18,315 or less;

family of five, \$21,423 or less; family of six, \$24,639 or less; family of seven, \$27,639; family of eight, \$30,747; and for each additional family member over eight, add \$3,108.

Cheese and butter will also be available to recipients of the following programs: supplemental Security Income, General Assistance, NJ Health Services Program, Aid to Families with Dependent Children, Women, Infant and Children

Nutritional Program, Food Stamp Plan and Pharmaceutical Assistance for Aged and Disabled.

Persons over the age of 65 with a family of one earning \$12,000 or less and family of two with a yearly income of \$15,000 or less are also eligible.

Persons knowing anyone who cannot get out to collect their butter and cheese, but who is eligible for the assistance, can collect the dairy product with proper identification.

School 4 Parents Protest Possible Principal Transfer

By Ed Capparucci

More than 30 upset and concerned parents from the School 4 area filed into the Board of Education complex Monday night demanding to know the fate of their school's principal, Pat Forti, who had been rumored to be on the verge of transferring to another school in the district.

For almost an hour parents told board members they would not tolerate the moving of Forti to any other school in the district. Parents claimed that rumors of Forti's transferring to the vice principal position at the Middle School had been circulating in the Silver Lake district since the summer and they demanded to know what, if any moves the trustees had been contemplating.

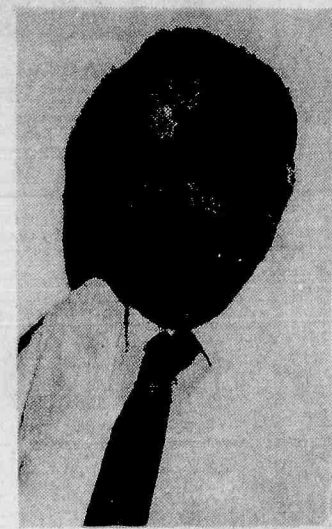

But School Board President Grace Purdue told the parents that the board has been discussing possible transfers of "several administrators" in private and she would not be able to comment of the issue publicly at the moment.

"Transfers are being considered since we are in a budget period and we are discussing anything which can save us a dollar," she said. "The discussion of transfers were made in private session and it behooves me that a rumor during our private discussions would bring you all here tonight and more importantly upset you as it did."

During the course of the hour-long session many of the parents praised Forti for the job he has done since taking over at School 4 four years ago.

"Pat Forti is a good principal and a damn good administrator," said Ray Pisano. "He doesn't sit at his desk all day long, but instead is walking around the hallways and checking into the classrooms. He is a dis-

ciplinarian and he knows how to keep the kids in line. Most parents can attest to the job he has done at School 4 and we respect his rules and regulations. The Board of Education

Pat Forti

Middle School Board?

would be making a grave mistake if they were to move him from his present post."

"Pat Forti has always been very supportive of the parents in School 4," said Doreen Sena, president of the Home and School Association at School 4. "At times he is misunderstood, but he has done an excellent job and none of us would like to see him leave."

Mrs. Purdue told the parents that the board would continue to discuss transfers in private session and she hoped that the trustees would make their decision of personnel changes within the next two weeks.

"We have two positions which

(Please see 'School 4' on page 15.)

The Tradition Behind Halloween Continues On

By Linda Telesco

On October 31, jack-o'-lanterns on doorsteps, scary movies, and little witches ringing doorbells are as American as a Baby Ruth candy bar. But when those trick-or-treaters roam the chilly streets next Monday dressed in spooky garb, they'll be carrying out a 2,000-year-old tradition.

According to most sources,

Parade Set For Sunday

The third annual Halloween parade sponsored by the Junior Woman's Club and Sub-Junior Woman's Club of Belleville will be held Sunday, Oct. 30, from 1-3 p.m. at the senior high school gym. All Belleville children from ages 1 to 12 are invited to attend.

The clubs would like to thank the Belleville Board of Education for its cooperation in allowing use of the gym. Juice and donuts will be supplied by the Parks Department and goody bags will be distributed to all participants of the parade. A panel of distinguished judges will be selecting the winners during the march. Categories for prizes awarded are originality, prettiest, funniest and cutest (ages 1-7). Scariest category will replace cutest from ages 7-12.

the origins of Halloween can be found in the harvest rituals of pagan people who lived in ancient Ireland and Scotland.

The Celts, as they were known, were pre-Christian people who worshipped the forces of nature through the services of their priests called Druids.

Each year on October 31, the Druids observed a festival to honor the god of the dead called "Samhain," which means "end of summer."

They believed that on that night, the god would gather together the souls of all who had died in the past year and pronounce a judgment by deciding what animal form that soul would have to dwell in during the next life.

Because the Druid New Year was celebrated on November 1, the night before became the occasion for bidding goodbye to summer and the old year, giving thanks for the harvest and welcoming the New Year, and remembering the dead.

That is one source of the belief that on Halloween, spirits and ghosts walk the earth in unrest. To ward off the evil spirits, the Irish peoples built bonfires on hilltops.

As Christianity was introduced into the British Isles, many of the pagan customs were adapted to the new faith. In the

9th century, the Christian church proclaimed November 1 as the Feast of All Hallows or All Saints Day, a time honoring the dead who had led exemplary lives.

The night before the feast day, then, became known as All Hallows Eve and was gradually

shortened to Halloween.

The practices associated with Halloween today are derived from both the pagan and Christian sources. Most of the contemporary Halloween customs did not surface in America until the end of the 1800s, coinciding with the stream of Irish im-

Halloween Tips Offered

The American Legion Auxiliary Unit 299 of Belleville, is asking all Belleville residents to leave their porch lights on this Halloween night.

Halloween is usually accompanied by happy thoughts, but in some households this year it will be a sad occasion because of the death or injury of a child member of the family.

Children cross dark streets on "trick or treat" expeditions and many are injured or killed annually by automobiles. Still other types of catastrophes have happened in the past such as candles igniting flammable costumes, tripping and falling due to costumes being too long and children being mischievous against persons who do not treat them.

It is unrealistic to think that Halloween will soon be stopped as a Halloween activity, so why not encourage the children to do this right after school, perhaps from 3 p.m. to 7 p.m. and before the evening meal?

Please do not let young ones go out by themselves. Parents should see that children never eat their treats until they are checked by an adult and anything unwrapped or suspicious is removed.

If children are wearing Halloween costumes, parents should see that these garments are flame resistant. If a costume is treated with fire resistant material and is washed or cleaned, they lose their fire resistant properties. They should be treated after cleaning or discarded.

Do not let small children wear face masks because of the small slits for their eyes. Cosmetics or stage make-up can be used.

Reflective tape should be applied to the arms and legs of costumes so they may be seen by oncoming traffic.

And finally, try to encourage children to stay only within their own neighborhood.

migrants who settled here and brought the traditions with them.

Jack-O'-Lanterns — Some sources say this was a later development of the protective bonfires. Irish believers would hollow out turnips or pumpkins, place a lighted candle inside, and set the lantern in a window to ward off any evil spirits passing in the eerie October night.

Another legend has it that an Irish Jack too wicked for heaven, was also expelled from hell for playing tricks on the devil. He was condemned to walk the earth forever carrying a lighted lantern, hence the name jack-o'-lantern.

Costumes — According to some legends, Druids donned beastly and ghost-like attire as a protection against evil spirits and witches. The costumes were intended to confuse anyone who might try to cast a spell on a human by disguising the people as the evil spirits and charmed animals they were avoiding.

Later, Christians retained the practice by encouraging the faithful to dress on the eve of All Saints Day, as a saint whose life they admired.

Today many churches hold liturgical celebrations for children who select a favorite saint and dress as that personage.

Trick or Treating — This custom also has Irish origins. One version is that the Irish believed that "the little people" played pranks on Halloween and could be appeased only if they received a delectable goody.

Another story is that Irish farmers would go from house to house soliciting food for the village Halloween festival in the name of Muck Olla, an ancient god of the Irish clergy.

Prosperity was promised to cheerful givers and threats made against the stingy ones.

Most of all, Halloween is a night of magic and prediction. Seances, palm reading, ouija boards, and crystal balls are as important as pumpkin pie at any Halloween party.

Whether you wish for money, love, or success, the spell of the Three Rings might work for you. Several days before Halloween, hang three rings made of braided grass on bushes outside a window sill. Make a wish on each wreath as it is hung in place. To insure fulfillment of the wish, do not see the rings again until Halloween night. Your wishes will come true if the rings remain undisturbed until then.

That spell and most of the legends included here are listed in "The Book of Festival Holidays," by Marguerite Ickis.

Local Paramedics Meet With High School Kids

Three paramedics from Clara Maass Medical Center were on hand recently to speak with the Students of Belleville High School on the Mobile Intensive Care Unit (MICU) and the responsibilities and training of a paramedic.

The paramedics, James Stevens, Kevin Guy and Les Coley, were invited to Belleville High by Alfred LoBalbo, supervisor of Health and Physical Education, and spoke to students from grades 9 through 12 during the kids' gym and health class periods. The program stressed the importance of having a MICU vehicle within the community and the expert pre-hospital life-support it offers if a family member or friend is

stricken by a serious accident or injury. The program was received enthusiastically by the students and faculty, and the paramedics and MICU vehicle were invited back again next semester.

"This is important information that the kids can bring home to their families," said LoBalbo.

The Clara Maass MICU vehicle, which celebrates its one-year anniversary this month, is on call 24 hours a day. Since its initiation at Clara Maass, the MICU vehicle and highly skilled paramedic team have responded to over 2,000 life-threatening calls from the various surrounding communities.

Health Fair Winner — Commissioner Michael Pizzi, director of the Belleville Department of Public Affairs, presents Alice Theriault with one of the 12 prizes won during a drawing at the mini-health fair last week. The fair was one of the most successful events held in the department, with the largest number of participants in years.

Buddy Fortunato quietly, effectively gets things done.

While others talk about what they'll do.

On Tuesday, November 8th, Let's Re-elect Assemblyman Buddy Fortunato.

Paid for by Friends of Buddy Fortunato, J. Deliso, Treas.

Environment: Authored legislation to fund clean up of dioxin waste site, and co-sponsored legislation to compensate victims of toxic chemical contamination.

Safety: Brought safe streets funds to our towns to increase police patrols in our neighborhoods.

Health: Fought to continue Federal funding of Mobile Intensive Care Units.

Taxes: Voted against increase in State sales and income taxes.

Education: Authored legislation to encourage industry to donate computer equipment for use in our schools.

Neighborhoods: Stopped move to turn suburban streets into major traffic corridors.

Senior Citizens: Aggressively fought to increase senior citizen benefits funded by casino industry revenues.

HEALTH WISE

By Ralph J. DiMaio D.C.

Few people associate the runny noses and watery eyes of hay fever victims with spinal misalignment, yet there is often a close relationship. When spinal segments become misaligned and the nerves that go to the nose, sinuses, throat and lungs are pinched, they cannot function with full efficiency.

Such impairment of nerve efficiency diminishes the ability of the respiratory system to resist irritation. When the air is full of pollen, hay fever is the result.

Chiropractic has no universal cure but, in many cases, a chiropractic adjustment can correct the spinal misalignment that has resulted in hay fever. Phone for an appointment.

Commissioners Appropriate More Funding For Garbage

(Continued from page one.)

raged when BFI's prices soared over their original ones. This time they asked \$3,685,742 for the same five-year contract.

Commissioners threw out the proposals, and held still another round of bidding in August where BFI was the only bidder.

At \$3,498,742, their third five-year bid proposal was somewhat lower than the second, but still unsatisfactory to officials who felt the firm took advantage of the situation.

Reluctantly, Commissioners voted to award the firm only one year in order to maintain public services but decided to seek another scavenger next year.

During the court battle, BFI continued to collect garbage at the per diem rate amounting to \$46,000 per

month.

This week's emergency appropriation covers the difference owed BFI for the final price.

The second emergency allocation of \$2,500 represents interest due the Pucillo Co. on a non-contractual fee of \$125,000 the township originally refused to pay to the firm.

The \$125,000 represented taxes and surcharges imposed on scavengers dumping at the North Arlington landfill. The surcharges resulted from the 1975 Solid Wastes Management Act, enacted after Belleville's last three-year \$1.5 million contract with Pucillo was in place.

Affected scavengers, including Pucillo, were forced to pay added costs at dumps and attempted to recover those costs from their customers by renegotiating contracts.

Belleville was among a small number of municipalities that fought the increase, claiming they had valid contracts with their scavengers and

could not be held responsible for state legislation enacted during the life of the contract.

The township fought a six-month court battle against the December decision of Newark Superior Court Judge Reginald Stanton ordering Belleville to repay Pucillo.

However, the Commissioners decided, upon advice of Township Attorney Frank Zinna, to drop their battle last June when another municipality in a similar position lost their challenge.

"It's best not to accumulate any more interest on this," Zinna had said.

Belleville's last contract with Pucillo expired on December 31, 1982.

Garbage Collection Faces Cancellations

Commissioners were up to their ears in garbage problems last Monday as they faced the dilemma of cancelled collections during the second week of November.

Public Affairs Commissioner Michael Pizzi noted certain neighborhoods that have garbage collection days on Tuesdays and Fridays would suffer a full week of cancellation for legal holidays on November 8, Election Day, and November 11, Veterans' Day.

Garbage collections are cancelled on legal holidays because dumpsites are closed to the scavengers.

"We can't have these people go for 11 days without a collection," said Pizzi.

Commissioner Joseph Grande suggested Pizzi ask the township's scavenger, Browning-Ferris Waster Industries, (BFI) of Fairfield to come the day after the holidays instead.

Pizzi noted that possibility might cost Belleville an astronomical sum. BFI, he said, wants a fee of \$3,196 per day for each extra day of collection performed.

Because the township's contract with BFI states there will be no holiday pickup because of landfill closings, such day after service is considered an extra.

"Besides that, BFI said if they came the next day, they would have to do the collection at one or two o'clock in the morning," Pizzi noted.

He said he didn't know which was worse, to skip the pickup or subject neighborhoods to the nuisance of collections in the middle of the night.

Frustrated, Mayor Michael Marotti and the other Commissioners directed Pizzi to call BFI and request an afternoon pickup on at least one of the days following the legal holidays.

After the age of forty, women are susceptible to a "change in life" known as the climacteric or menopause. At first occurrence, progesterone ceases to be secreted. Then, estrogen production starts a slow decline that lasts for years. Both progesterone and estrogen are the female sex hormones that are responsible for female sexual characteristics. The lower amounts of estrogen secreted by a woman help to bring on the symptoms of menopause which can include hot flashes, irritability and perspiration at inappropriate times. However, they can be treated and usually controlled by administering estrogen from an outside source. Dosage is carefully monitored by a physician.

Let's Give Our Kids The Chance They Deserve...

Dear Friend,

I grew up in Belleville. I went to school there. It was at home that I learned the traditional values we all hold... pride in our neighborhoods, respect for our older residents and the firm belief that each generation should pass on greater opportunities, a better way of life to the next generation.

That's what I want to do. I believe I can go down to Trenton and teach them the values we hold here and it can make all the difference for our children.

• Today Newark gets \$122 million in state aid to schools while we in the 30th District get only \$12 million.

This isn't fair.

I'll work for tax reform aimed at making sure we get back from the bureaucrats in Trenton more of the state tax dollars we send down there.

Those dollars can be used in our schools to pay qualified teachers better salaries, purchase computers and add courses in reading, math and sciences.

• The roads and bridges over which we drive are deteriorating. The pipelines that carry our clean water are rusting away. Should we allow our children to inherit unsafe roads and pipes too old to carry safe drinking water? No, we shouldn't; we can't.

I'll work to start an "Infrastructure Bank." That "bank" will bring federal and state funds to the 30th District to help our local governments pave roads, rebuild bridges and replace our water sewerage systems.

• Each year our taxes go up. For instance, our current State Senator, Carmen Orechio voted last year for an income tax increase that would have made New Jersey residents among the highest taxed in the nation. When does it Stop? Will our children be taxed out of house and home?

I'll work to hold the line on tax increases. And I'll fight equally hard to reduce the size and cost of state government.

Our kids deserve it!

Sincerely,

Ralph J. Salerno

About God

There now comes the National Council of Churches with a new translation of Bible readings designed to eliminate references to God as solely male. The new Bible testament makes God male and female.

The recommendation does violence to the high value Christians place on the Scriptures as the revealed Word of God. The new translation not

only changes language about humanity, but also advocates female imagery in the metaphors used for God. Tinkering with historical biblical references offends us. If we are forbidden to think of God as a male, how then does

one give voice to the Lord's Prayer? Taking the liberty of changing God's sex brutalizes the human race. It's time we spoke out against these non-conformists and this sacrilege while it is in its infancy.

The most profound theological philosopher of our times is Mortimer Adler, and the most inspiring theological philosopher of our day is Dr. Bob Schuller of Garden Grove, California. Both of these outstanding theologians would never perceive God as mother and father.

For us God continues to be, "Our Father Who Art In Heaven..."

Taxpayers — Beware!

State aid to education for the Belleville school system may be reduced by \$2,140,000 if the findings of a Republican-appointed, blue-ribbon panel are adopted by the next legislature. For Belleville taxpayers, the plan means increased property taxes of \$2,140,000 — averaging \$200 per home. The alternative is to cut school programs.

The proposals have been submitted to Gov. Thomas Kean who appointed the blue-ribbon study panel. Our long time friend, Budget Director Alfred Fasola, the Republican official who headed up the study commission says the study is a "cornerstone" of the Republican administration. Fasola further states the Republican administration has a very sincere commitment to "this plan." Fasola also said the study "is not going to be one of those studies that ends up with a glossy report that sits on a shelf."

The plan's proposal to reduce school funding will have a devastating effect on school programs. One hundred and eighty million dollars in aid to handicapped children will be paid for by increased local property taxes, while \$300 million in teacher pension payments, now paid by the state, will be paid for by increased local property taxes.

But that's only the beginning of proposals that adversely affect taxpayers. Under the plan, college students will be asked to pay \$100 million more in tuition. Tuition at Rutgers would increase by \$820, at NJIT by \$880, at the state college by \$560, and at the county colleges by \$385. Medical school tuition would increase by \$3,750. These recommendations are perceived as cost shifting to parents and students who must try to borrow more money or get less education.

Senior citizens are also affected.

The plan includes the Pharmaceutical Assistance Program,

which is now helping almost 30,000 people to meet the cost of prescription drugs. Under the proposal, senior citizens would be required to pay a 50 percent increase in the cost of their medicine. Lifeline recipients, 300,000 senior citizens and disabled people who receive assistance in paying their utility bills, also will suffer financial loss.

An immediate four-cent per gallon increase in the gas tax is proposed — a second increase later on.

Rail commuters face a proposed fare increase of up to 24 percent.

Republican Assemblyman Leader Dean Gallo and Republican Senate Leader Don DiFrancesco are maintaining an ominous silence regarding these proposals. In contrast, Republican Budget Director Fasola is quite open about future Republican plans as to what will be the party line. To repeat, Fasola observed the study is a "cornerstone" of Republican administration policy. Fasola emphasized that the Republicans have a very sincere commitment to "this plan."

Fortunately, voters in our legislative district have three independent, incumbent legislators, representing both parties, who are opposed to all these measures which would increase property taxes, increase gas tax by four cents per gallon, decrease aid to senior citizens, increase college tuitions and increase rail fares. The legislators opposed to the plan are Senate President Carmen Orechio, Democrat; Assemblyman John Kelly, Republican; and Assemblyman Buddy Fortunato, Democrat.

Election Day, Tuesday, Nov. 8, will give voters an opportunity to send a message to Trenton that they oppose these increases by voting for candidates who have produced, performed, and have the legislative standing and power to stop this outrage.

Letters in Print

Incumbents Backed In Assembly Race

To the editor:

In recent weeks I have received numerous letters, fliers, tabloids, etc., extolling the virtues of the candidates for Assembly in the 30th legislative district. It is now the time to sit back and analyze the choices we are faced with.

I have read a great deal about experience and commitment and agree it is of the utmost importance. Our incumbents, Assemblymen Kelly and Fortunato, have the experience of rising through the ranks and becoming successful in the world of business. They know what it is to be a taxpayer and struggle to raise a family, and they remember that when they are in Trenton. That is the kind of experience I want representing me.

They have shown a real commitment to the people of this district, particularly to the people of Belleville, during

their terms of office. When Belleville experienced its recent toxic waste problem, Assemblyman Kelly brought Governor Kean to the site, and both he and Fortunato spent hours upon hours attending meetings, hearing the concerns of the residents and reassuring them that something would be done. More importantly, upon their return to Trenton, Kelly and Fortunato co-sponsored legislation appropriating \$250,000 to clean up this toxic waste. That is commitment.

We are currently served by two of the finest Assemblymen in New Jersey. It is in the best interest of you, your community and the district to cast your vote on November 8th for two truly experienced and committed men — Assemblymen John V. Kelly and A.J. Buddy Fortunato.

Very truly yours,
John G. Griwert

Reader Believes Adubato Will Do a the Job Right

To the editor:

A young man named Steve Adubato is running for the Assembly in this district. He's got my vote.

Steve came to my door to tell me personally why he wants to be an Assemblyman and what he wants to do when he gets to Trenton. He convinced me that he knows something about the issues of the state and how to use the legislative process to get things done.

Steve has a bachelor's degree from Montclair State and a master's degree from the Eagleton Institute of Politics. Currently, he's an adjunct professor of government at Kean College and before that he worked for the Port Authority

and in Peter Shapiro's office.

Steve is being backed by the New Jersey Environmental Voters Alliance and the League of Conservation Voters. With the toxic waste problems we have in Belleville, I think we need an Assemblyman who is committed to safeguarding our environment.

Steve Adubato impressed me with what he knows and what he wants to do for Belleville and other towns in the district. I think he's a good bet on election day, November 8.

Sincerely,
James P. McCann

Golden Comments

By James R. Golden

A reappraisal of the mid-eastern situation centered around the Lebanese quagmire finds Israel's people weary and its government redeploying its troops from the area surrounding Beirut which had contained the Syrian forces, thus paving the way for the interminable warfare between the Druse and Christians.

Israeli is no longer concerned over Gemayel's remaining in power as Lebanon's president. As far as many Israelis are concerned, Lebanon had become an American headache — and Washington was welcome to it...the final check on Syria is the multinational force and, mainly, the U.S. Marines.

While a direct confrontation between U.S. and Syrian military units in Lebanon is unlikely, it becomes increasingly clear that King Assad may entertain hopes of setting up his country as a new Arab superpower, especially, in view of the aid that the Soviet has offered in the way of war material and military advisors.

Those familiar with Mideast intrigue believe Assad sees the Israeli withdrawal as a sign the Syrian advances in Lebanon will not be opposed. Were Assad to succeed in inflicting such casualties, in sufficient numbers, upon our Marines in the multinational peace force to bring about U.S. disengagement, King Assad would be on the way toward his goal...perhaps with Moscow's blessing.

From a U.S. position that would make a bad situation worse. Not only would it weaken our position in the Middle East, it would create a power vacuum that would almost certainly bring about a war between Israel and Syria within a few years.

Even if a Christian-Druse cease-fire could be affected, U.S. forces would have to stay in Lebanon to prevent the overthrow of Gemayel by strongly anti-American and anti-Israeli forces. One State Department official gloomily said, "There is no way out now. If we pull out, it's probably the end of Gemayel, who came to us for help. If we stay in, we'll probably have to fight." The question remains how many more Marine casualties have to be taken before the United States can extricate itself from this quagmire? How long will the American public and the Congress continue to support this parlous Marine position in the multinational force in Lebanon?

The warning signs of inflation are manifesting the ominous portent of rising prices as food and key raw materials costs soar. Agriculture Department economists predict a rise in food prices of between 4 and 7 percent in 1984. Demand is pushing up prices in industry also; aluminum prices went up 90 percent since last year. Cooper has gone up from 58 cents to 74 cents a pound in the last year and a half, while chemical prices rose about 5 percent and many go higher this fall.

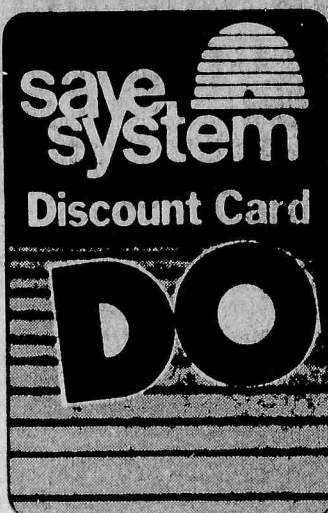

Private economists see price increases of 7 to 8 percent by early 1985. The White House is forecasting a 5 percent increase in consumer prices in 1984. That is ahead of the current rate of about 3 percent, a level that administration experts seem to consider an achievement, even though it only took an inflation rate of just over 4 percent to push President Nixon to order wage and price controls in 1971.

Monetarists say these price increases are just the beginning; the vast increase in the money supply paves the way for this coming burst of inflation in the coming months. Interest rates demanded by buyers of long-term bonds expect an 8 percent inflation rate soon with prices rising at that rate by mid-1985.

As long as wages keep increasing, the cost of the products or services produced or offered to the consumers can be expected to rise. Chrysler, paying a premium to avoid a strike, inked a two-year labor contract with the United Auto Workers worth \$850 million. It will bring Chrysler workers back to near parity with those workers at General Motors who earn \$21.40 per hour and those at Ford Motor who earn \$23.37 per hour, including fringe benefits.

This new Chrysler contract raises the questions: Did Chrysler fall back into the old policy of granting big wage increases to be passed onto the car buyers by higher prices that will make Japanese car prices more attractive? Will this contract and the GM and Ford contracts to be negotiated next year increase inflation further?

True! The Chrysler workers were seeking lost wages during the company's problem days. Nevertheless, it came at a time when average hourly wages have been rising at a modest rate. Only increased production should absorb the wage increase; that isn't likely. So new cars will cost more.

Matthew A. Yannuzzi

A first child, son, Matthew Adam, was born to Mr. and Mrs. Michael Yannuzzi of Parsippany Sept. 14. Birth weight was seven pounds, six ounces.

Grandparents are Lawrence and Mary Yannuzzi and Peter and Trudy Palmieri of Belleville. Mr. Yannuzzi is associated with Integrity Insurance Co., Paramus.

Valeria D. Concepcion

A second child, a daughter, Valerie Diane, was born to Mr. and Mrs. David Concepcion Oct. 14 at Clara Maass Medical Center. Birth weight was seven pounds. She joins Stephanie Jean, two.

Mrs. Concepcion is the former Carol Fitzsimmons, daughter of Mr. and Mrs. William Fitzsimmons of 102 Cedar Hill Ave. Mr. Concepcion is the son of Mr. and Mrs. Angel Concepcion of Irvington.

Umberto's Corner

Dear Umberto,

Q. I have red scaly patches on my hairline so I bought a well known medicated shampoo recommended for this condition, but it doesn't seem to be working. I read your column and have a lot of faith in you...what would you recommend?

Maureen Davey

A. My dear Maureen, Those patches could be caused by a nervous condition or they may be a sign of psoriasis which is also caused by an internal nervousness. If you are moderately nervous those patches can be cured by a shampoo and a vigorous scalp massage, followed by a cold water rinse. This method works better than any medicated shampoo on the market — and it's a lot cheaper! It does, however, take guts to stick your head under the ice cold water tap.

P.S. I thank you for complimenting me on doing something interesting for the ladies of the community, something I enjoy doing so very much. Your comments are always appreciated (good or bad) because listening to you keeps me on my toes.

Mrs. Gerard Galioto — nee Suann Nauyokas

Honeymoon in Hawaii For Mr. and Mrs. Galioto

Suann Nauyokas, daughter of Mr. and Mrs. Alex F. Nauyokas of Toms River, was married Sept. 19 to Gerard Galioto, son of Mr. and Mrs. Salvatore Galioto Sr. of Newark.

The Rev. Benjamin A. Piazza performed the ceremony at St. Francis Xavier Church, Newark. A reception followed at Hanover Manor, East Hanover.

Escorted by her father, the bride wore a white ruffled off-the-shoulder chiffon gown trimmed with lace. Her headpiece was a matching hat and she carried a cascade of yellow roses, white carnations and babies breath.

Gail Maurais of Montclair was maid of honor. Bridesmaids were Lynne Cannon, Patricia Iacullo and Angela Cerniglia. Nikole Rae Constantino, niece of the bride, was flower girl.

They were attired in off-the-shoulder chiffon gowns in rainbow colors.

Donald Galioto of Kearny was his brother's best man. Ushers included John Salvatoriello, Michael Saliceti and William Corbett, cousin of the

bride. Donald Galioto Jr., nephew of the groom, was ringbearer.

The couple honeymooned in Hawaii and have made their home in Belleville.

Workshops for Diabetics Set In Essex County

The Essex County Chapter of the American Diabetes Association, in conjunction with the Essex County Medical Society, is holding free public workshops to demonstrate the newest techniques in self blood glucose monitoring for diabetics.

A workshop will be held at each of four different locations in the county to give diabetics an opportunity to try various techniques under supervision of a physician and a nurse educator.

For diabetics who use the simple new techniques to measure their own blood glucose levels by day and night, the most accurate clinical control of diabetes is now possible. Statistical analyses throughout the world have shown a marked improvement in the general health and life expectancy of diabetics treated in this manner.

The two-hour workshops, which will include "hands on" demonstrations of monitoring devices, are under the direction of Dr. Milton Shoshkes, chairman of the Diabetes Committee of the County Medical Society and Mrs. June Tepper, R.N., president of the Essex County Chapter of the ADA.

Workshops will be held Oct. 29, 9:30 a.m., Lecture Hall (Room B5-52) of the Medical Science Building of the New Jersey College of Medicine and Dentistry; Nov. 8, 7:30 p.m., Millburn Public Library; Nov. 9, 7:30 p.m., Student Activities Center, Montclair State College; Nov. 12, 3 p.m., Youth Lounge of the YMCA, Orange.

Barbara Anne DeFilippis Wed to Gregory Molnar

Barbara Anne DeFilippis, daughter of Mr. and Mrs. Mario DeFilippis of Celia Terrace, was married Aug. 26 to Gregory Molnar, son of Mrs. Joseph Molnar Jr. of Lyndhurst.

Rev. Francis Blake performed the ceremony in Holy Family Church. A reception followed at Friar Tuck Inn, Cedar Grove.

Escorted by her father, the bride wore a gown of white taffeta and lace. Her headpiece was of seed pearls and she carried white silk cymbidium orchids, babies breath and lily of the valley.

Lillian DeFilippis of Nutley was her sister-in-law's matron of honor. Rosemary Lotriglio of Wayne was bridesmaid. They wore mint green chiffon gowns with mint green, yellow and white flower combs as headpieces and carried nosegays of cymbidium orchids and yellow tea roses.

Joseph Molnar of Belleville was his brother's best man. Joseph Martinez of Belleville ushered.

Mrs. DeFilippis chose a cloudy blue chiffon gown while the groom's mother was in a green Qiana gown. Corsages were of cymbidium orchids.

Mrs. Molnar, a graduate of Belleville High School, is an executive secretary with New Jersey Bell Telephone Company.

Mr. Molnar, an alumnus of Bergen Technical School, is self-employed.

The couple honeymooned in the Poconos and have made their home in Belleville.

Army Promoted Jennifer Harvey To Captain's Rank

1st Lt. Jennifer V. Harvey, daughter of Mr. and Mrs. Eugene A. Harvey of 10 Quinton St., was recently promoted to captain. Her station of duty is Hawley U.S. Army Community Hospital, Fort Benjamin Harrison, Ind., where she is chief of personnel services.

A member of the Army for four years, Capt. Harvey has additional duties as adjutant administrative aide to the hospital commander. She has received an Army Commendation medal and an Expert Field Medical badge.

An alumna of Belleville High School and Livingston College,

Capt. Jennifer V. Harvey

Capt. Harvey is working towards a master's degree in Indiana.

Nursery School Open House This Saturday

Barbara Sougelas of Belleville and her sister, Joyce Klimaski of Bloomfield, will hold an open house to introduce their new nursery school, Family Schoolhouse, this Saturday from 2 to 6 p.m.

Family Schoolhouse, located at 36 Broughton Ave., Bloomfield, offers full and half day programs year-round from 7:30 a.m. to 5:30 p.m. Children from two and a half to five may be enrolled. The teachers are state licensed and certified and more information may be obtained by calling 429-0870.

Career Awareness Week Activities Highlight November at the Library

An art exhibit by Lorena Clark of Belleville will highlight the list of events and activities which will take place at the Belleville Public Library during the month of November.

Clark's exhibit will be on display at the main branch, 221 Washington Ave., during regular library hours.

A display entitled "Bells" of Anna Rosa Mazur of the Belleville Public Library staff will also be open to the public during the month of November.

A preschool for children conducted by Cindy LaRue will take place in the children's room of the main branch on Nov. 1 starting at 10 a.m. The program will be repeated

on Nov. 8, 15, 22 and 29.

On Nov. 1 and 3 an introduction to the library's services and programs will be discussed by Adrea Cohen starting at 10 a.m. in the main branch.

A sign language course will be taught from 7-9 p.m. at the main branch on Nov. 1. Preregistration is required and the program will be repeated on Nov. 8 and 15.

A preschool for children conducted by Kathleen Mollica will take place on Nov. 2 at the Silver Lake Branch, 30 Magnolia St., starting at 10 a.m. The program will be repeated on Nov. 9, 16, 23 and 30.

The Community Mental Health

Services For Belleville, Bloomfield and Nutley will present a workshop for preschool parents, conducted by Maria Lieberman, on Nov. 2 starting at 10 a.m. in the main branch. The program will be repeated Nov. 9, 16, 23 and 30.

A Thursday preschool for children will be conducted by Cindy LaRue on Nov. 3 at the main branch starting at 10 a.m. The program will be repeated on Nov. 10 and 17.

A spelling bee will take place at 3:15 p.m. at the Silver Lake Branch on Nov. 4.

A library craft program, "Make a Pencil Holder," will take place on Nov. 5 at 10 a.m. in the children's room of the main branch.

Tinsel Prints, a library program will take place on Nov. 8 at the main branch. The program will be directed by Adrea Cohen and start at 10 a.m.

starting at 10 a.m. Please call the library at 759-9200 to register.

An awards program for Career Awareness Week will be held at the main branch starting at 3:30 p.m.

A book bingo will take place at the Silver Lake Branch on Nov. 16 starting at 3:15 p.m.

"Thanksgiving Handicraft," a library program for children, will take place at 10 a.m. in the children's room of the main branch on Nov. 19.

"Light Switch Plates," a library craft program, will take place on Nov. 22 at the main branch starting at 10 a.m. The program will be repeated on Nov. 23.

A movie will shown on Nov. 26 at the main branch starting at 10 a.m. Call the children's room at 759-9200 for the name of the film.

On Nov. 29 "Stained Glass Christmas Ornaments," a library craft program, will be given by Cindy LaRue starting at 10 a.m. at the main branch.

Carmen Orechio has fought too hard for quality education to let them take it away now

Carmen Orechio has fought hard for the state aid necessary to provide quality education for our children. He knows, better than most, that the local property tax can't finance it all without bankrupting the homeowner.

When you first elected Carmen Orechio to the State Senate, Belleville was receiving just **\$236,917** in State Aid to Education. Because Carmen Orechio cares about quality education . . . and is sensitive to the effects of increases in local property taxes, Belleville now receives **\$7,719,228** in State Aid to its schools. Not a single dime of it has been added to your property tax!

His opponent's Republican Administration, on the other hand, is considering a proposal to cut Belleville's school aid by **\$2,141,165!**

Carmen Orechio has vowed this will never happen with him in the State Senate.

Senate President Carmen Orechio will continue to use his clout to make sure quality education continues and gets better . . . and that the full burden of financing it doesn't fall on the shoulders of the homeowner.

Which of these supermarket chains is high priced?

- ☐ PATHMARK
- ☐ SHOPRITE
- ☐ FOOD TOWN
- ☐ GRAND UNION

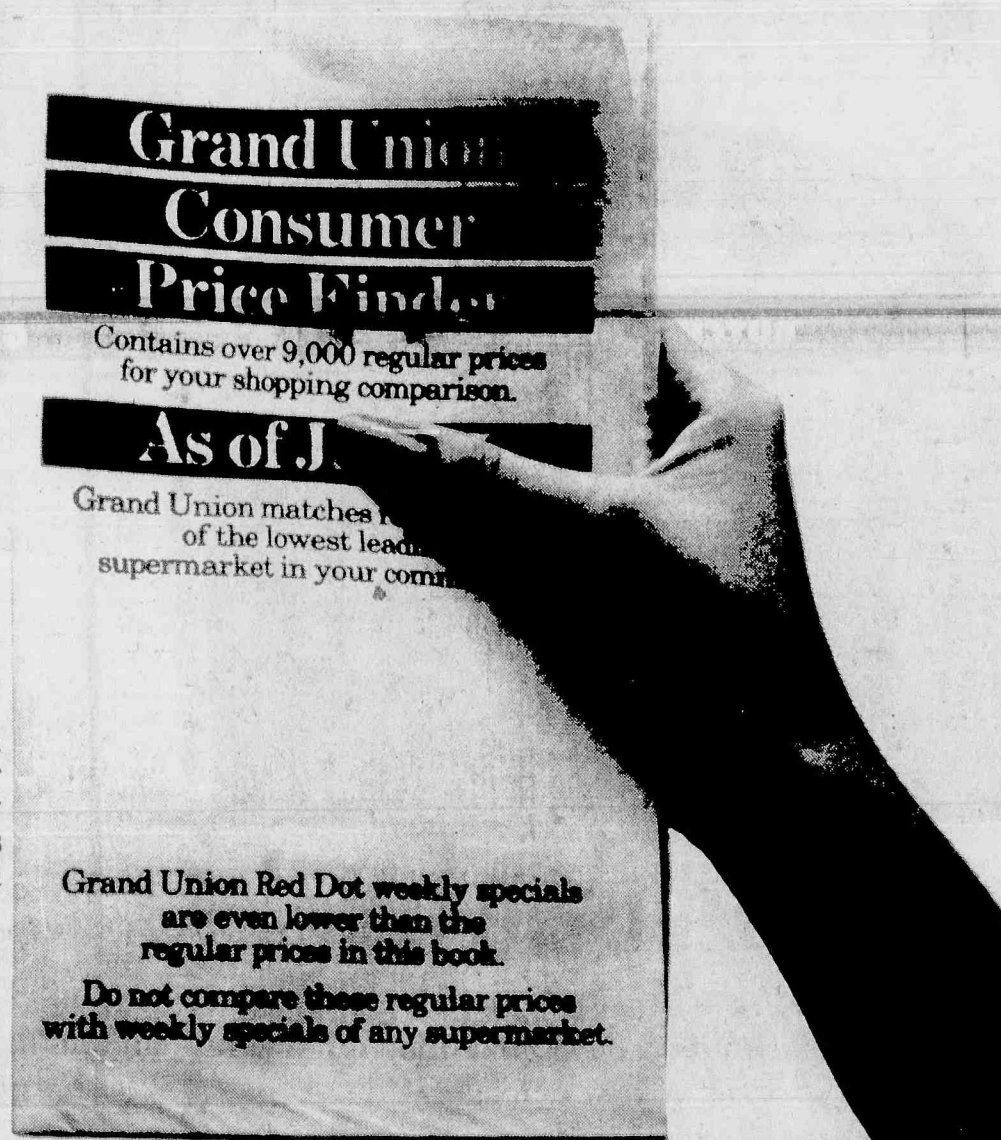

If you picked Grand Union you're wrong.

This free book shows you that Grand Union dropped its regular prices to match the lowest price supermarket chain in your community, which is Pathmark.

Forever.

No matter how low.

This Price Finder proves that Grand Union now has low prices. If Pathmark lowers regular prices even further, Grand Union will respond by dropping its prices. If Pathmark lowers prices again, so will Grand Union. And Grand Union will keep its prices competitively low.

Grand Union is changing.

You won't find Red Dot Specials in our Price Finder Booklet. But you'll find 300 of them in the store.

Residents Are Upset

Buddy Fortunato Tours Section With Major Flooding Problems

Assemblyman Buddy Fortunato, accompanied by Belleville Town Engineer Neil Siciliano, and Associate Engineer Peter Kiernan, toured sites along Tony's Brook with Michael Rybicki and Peter Blum, representatives of the U.S. Army Corps of Engineers.

The excursion, which included stops in both Belleville and Bloomfield, was prompted by complaints of flooding caused by the brook and the sewer lines which feed into it.

"Belleville residents have once again reached out to me and I am responding immediately," Fortunato said.

"At one point along the brook near the Bloomfield line, crumbling and dislodged concrete has fallen and blocked the channel," according to Fortunato.

"It appears as if much reconstruction will be needed in order to clear the channel enough to handle the peak loads that present use demands," Fortunato said.

"My primary concern," Fortunato continued, "is the area around Meadowbrook Sewer. Here,

because the outlet to the Passaic River backs up quickly, local residents suffer incredible damage to their homes and property. This neighborhood is my number one priority.

"The primary purpose of this inspection," Fortunato said, "is to look at the sites and damage enabling the Army Corps of Engineers to investigate improvements that would alleviate the problems."

Fortunato concluded, "Once the Corps determines its jurisdiction over these danger points, I will press as strenuously as I did when money was needed to clean up Belleville's toxic waste site and provide prompt remedial relief."

Sen. Orechio Still Seeking More Funding For Township

Senate President Carmen Orechio announced he has prepared legislation to appropriate another \$250,000 for Belleville to defray the costs of cleaning up and removing the chemicals from the toxic spill site at the Organic-Inorganic Plant on River Road.

Orechio sponsored a similar bill this past June which unanimously passed both the Senate and Assembly, and was signed into law by Gov. Thomas Kean.

"The previous \$250,000 appropriation has unfortunately been exhausted because the clean-up operations were so extensive and lengthy," said Orechio. "That is why I have sponsored this bill to grant Belleville additional money in order to alleviate the huge monetary problem it still faces."

Senator Orechio stated that he will contact Assemblyman Buddy Fortunato so the same legislation can be introduced in the Assembly and so, secure passage as soon as possible.

"I will act swiftly to insure the town receives these essential funds and will call on the Governor to act expeditiously on this important matter so the people of Belleville will not have to worry about paying for the clean-up," Orechio said.

Ridgewood's Passing Stuns Bucs; Travel to Passaic This Saturday

By Mike Lamberti

There is an old saying that goes something like, "On any given day, any one team can defeat another team." It's an old cliché, but something that has been true on more than one occasion in the annals of sports, from the professional level right down to the recreational level.

Last Saturday at Belleville's Municipal Stadium, that old adage was applied and the result was a surprising 20-14 Ridgewood victory over the Buccaneers, dropping the locals to 3-2 and setting up a must win situation with powerful Passaic this Saturday at School Stadium in Passaic. Kickoff time is set for 1:30 p.m. and any fan who knows area football will tell you that the contest should be a dandy. More on the Belleville-Passaic rivalry in Buc Shots.

The mood at the stadium seemed rather festive before kickoff. While

most of the fans knew that Ridgewood had a 2-2 record and were known to be a respectable club, not many gave the club much of a chance against Belleville. Perhaps even the players didn't expect as tough a contest. Many of the Bucs never saw Ridgewood play before and considering the opponent wasn't ranked very highly and weren't too flashy, the temptation might have been to overlook the Bergen County school with Passaic next on the slate. Furthermore, Ridgewood and Belleville never played before in football and thus a natural rivalry between two schools located 40 minutes apart, has not yet been established.

The key to the game was the "never say die" attitude of the Ridgewood squad. Despite being banged around most of the afternoon, the tough school battled hard. "I give them credit," said BHS head coach John Senesky. "They drove 65 yards against our defense late in the game for the winning score. No other team has done that to us this year or for that matter, in a long time. They were a tough team, we knew to expect a tough game. I would say they were the best balanced club we've faced this year."

Indeed, Ridgewood had size, a good passing game and a surprisingly good running game. It lost its starting quarterback early and the second string passer, junior Chris Sullivan, did a super job with some tremendous passing. Despite being hit hard — pummelled was more like it — Sullivan stayed tough and scored the winning touchdown with a little over three minutes left in the game.

Ridgewood, despite a 3-2 record, could easily be 5-0 now. Its only losses came to Montclair (14-7) and to Clifton (20-14). "In both of its losses," said Senesky, "they fumbled away the games. I would say they could handle Montclair right now if the two teams were to play again. Ridgewood is a very well balanced team."

Senesky's point is well taken. Montclair did not possess the offen-

(Please see "Strong" on page 14.)

No Tripping Allowed — Karl Hauschild of the Belleville High School soccer squad, is shown here trying to maintain control of the ball during a game earlier this season. This week the Bucs defeated Irvington to advance in the Essex County Tournament.

Booters Advance In Tournament

The Belleville High School soccer team continued its winning trend this week with a comeback-from-behind victory over a tough Irvington squad, to advance in the Essex County Tournament last Sunday. The Bucs also enjoyed a thrilling 1-0 win over league rival Teaneck on Tuesday.

The 12-2-1 Bucs will be participating in the semi-finals of the county tournament this Sunday against Columbia, at a site and time to be announced later this week. For more information contact the high school athletic director's office.

The boys have five regular season games left including a match this afternoon against St. Joseph's at home and games next Monday at home against Caldwell and Tuesday at Passaic. All contest start at 3:45 p.m.

Against Irvington, which was seeded fourth in the tournament, the Bucs fell behind early during a game which was played in a steady downpour at Irvington.

But Santanigo Borja scored to bring the booters in with one as the halftime whistle blew and things were looking up for the Bucs.

"We played a solid game against Irvington," said head coach Tony DeAquino. "All the kids performed well on the field and in all it was an all round team effort."

The Bucs came out storming at the start of the second half as Mike Silletti scored and Borja later scored the winning goal to advance the Bucs this Sunday. Carlos Kingalahua had two assist for the Bucs while Brian Cook enjoyed another excellent game in the goal making nine saves.

Against division-rival Teaneck the Bucs faced a tough contest and a scoreless tie through the first third quarters before Santiago Borja scored with four minutes left in the game to up the Bucs season mark to 12-2-1 and conference record to 6-0-1.

Borja's goal gives him 20 on the season, setting a school season scoring mark and according to coach DeAquino, the senior scoring wiz has also reached the school's career record.

"He was played well all season long, as has goalie Brian Cook," said DeAquino. "Really all the boys deserve credit for the fine year we are having."

Belleville fans are hoping it continues just a little longer.

Rec Department Now Offering Men's Volleyball

The Belleville Recreation Department is in the process of organizing a men's volleyball league, which will play its games on Tuesday nights at the Friendly House, beginning on Nov. 15.

Six teams are needed to form a league, with each team scheduled to play an opponent in a best-of-three games set every week. A maximum of 12 players will be allowed on each team roster, with each team must be composed of two-thirds Belleville residents. No entrance fee will be required, but teams are recommended to purchase colored team T-shirts for identification and scheduling purposes.

For further information and to obtain a roster form, please contact the Recreation Department at 759-3142. The registration deadline will be Nov. 15, so act now. Only the first six teams who submit completed rosters will be accepted.

Volleyball Squad Suffers Up-Down Week With Two Losses and One Inspiring Win

Battling a mini slump, the Belleville volleyball squad dropped two matches last week, but came up with a big victory to close out the week. For the season, the Wizards are 13-5 with some tough matches on tap this week.

On Monday they were host to Bloomfield and yesterday the girls hosted Passaic. This afternoon they will travel to Benedictine Academy and tomorrow, the girls will close out the regular season with a match in Hackensack.

"It was a so-so week," said head coach Grace Worley. "We lost two tough matches but won one we wanted to win very badly. Our

regular season ends this week and then it's time to get ready for the state tournament. Some big matches are coming up."

Last week the girls lost to Hackensack, 15-12, 6-15 and 8-15. Actually the scores were pretty good when you consider that undefeated Hackensack had not lost a set the entire season coming into the match. "We played an excellent first set," said Worley. "Considering they did not lose a set the entire season, I think we proved we can play with the better teams in the NNJIL."

Versus Teaneck, the girls lost the opening set, 10-15, won the second, 15-13, then lost the decisive set, 13-

15, blowing an 11-2 lead. Teaneck, along with Hackensack and Ridgewood, are all top teams in the NNJIL. Belleville certainly has its hands full and the girls have been doing very well against the competition.

Speaking of Ridgewood, the girls needed little motivation to get up for that match. Just one week ago, Belleville had lost to the Ridgewood squad, 2-15, 2-15. "We were blown out of that one," recalled Worley rather bluntly.

This time, the girls were playing hard, aggressive volleyball and prevailed, 15-12, 7-15 and 15-10. "Considering our last match with them, we did a very good job," said

Worley. "The girls worked hard and cut down on the mistakes."

The coach is not too happy that her team lost an 11-2 lead against Teaneck in the decisive set. She is happy with the play of Donna Brooks and Faith Adams at the net, Tracy Buono for her all-around offensive and defensive skills, the marvelous serving of Debbie Worley, the maturing of Sheri Phelps and the platooning of Kathy Kelleher along with Liz Goldrick. The team seems to be jelling in some vital areas and with the states rapidly approaching, the team couldn't have picked a better time.

Passaic-Belleville Rivalry Has Produced Some Fine Games

Ever since they met last October in that memorable 3-2 contest, a lot of anticipation has surrounded the Belleville-Passaic football rivalry. Since 1979, these two teams have engaged in some tough, hard nosed, exciting football games. Every contest has been close and every year, this rivalry seems to burn a little brighter.

The 1983 version of this big game also promises to be hard fought and exciting. Belleville and Passaic are two of the most successful teams in the area. Their records are incredible, their accomplishments, marvelous. In one corner stands Passaic, a record of 32-4 since 1979 in regular season games entering this year. Add their 5-0 mark thus far this year and it doesn't take a mathematician to figure out that a 37-4 record figures into a very high winning percentage (.902). The Indians have captured two straight Group IV, Section I championships, downing Bayonne in 1981 and North Bergen last year. They have graduated some fine athletes over the last few years, most notably Mark Stevens, the gifted quarterback who now is tearing up the field at Utah.

This year, Passaic features an incredible running back in Craig Heyward. He's big (6-2, 235), strong and can run the ball with amazing quickness. He punts, kicks off, kicks point-after attempts and does everything imaginable on the field. "About the only thing he doesn't do," said Belleville coach John Senesky, "is sell tickets and help out on the 50-50 raffle."

Every team has an achilles heal, a weakness that other teams seem to expose. While the Indians have lost just four games since 1979, three of those have come to Belleville. As a matter of fact, Passaic's only victory against the Bucs (7-0 in 1981) was only assured after Belleville had a touchdown called back and a later drive stalled at the Passaic five-yard line.

The Buccaneers are certainly not classified in the "slouch" area either. Over that same four year span, they boast a record of 31-5 and come in with a 3-2 mark this year. Their winning percentage of .829 is one of the best in Essex County, if not the best over that time span. The Bucs have been to the Group IV, Section II playoffs in 1979, 1980 and 1982. They missed out in 1981 by one half game. They have been one of the most consistent teams in the state and play everyone hard. John Senesky's program has drawn a great deal of praise from opposing coaches and players.

Over the last thirteen games, with Passaic, Belleville holds an 8-5 advantage. The last four contests are worth remembering. In 1979, the Bucs and Indians battled at Municipal Stadium. The Bucs were 2-1, having just edged Nutley the week previous and Passaic was unbeaten in three games. The Indians had Stevens at the helm and were favorites to win.

In this contest, Ralph "The Bear" De Pasquale made a tremendous interception of a Stevens pass and the running of Bob La Bruzza paved the way to a 26-14 Buccaneer win. The game put Belleville in line toward the Group IV, Section II playoffs while Passaic went through the rest of the campaign without a defeat but missed out on the playoffs despite an 8-1 record.

Needless to say, the Indians wanted revenge in 1980 and had the home field and a large crowd to cheer them on. Once again, Passaic came in unbeaten (4-0) and the Bucs were struggling at 2-1. The Indians started a sophomore quarterback named Mike Volpe and a freshman running back by the name of Craig Heyward. They were a big squad and had everything, including the referee's to lead them to victory. However, the Bucs were thinking differently. With Frank Fazzini switched to

fullback from halfback, the Belleville running game took on a new dimension. Fazzini bulled for over 100 yards, quarterback John Melillo hit Paul Scheplein with a tremendous touchdown pass and the Bucs won, 13-9. Once again, Passaic would not lose a regular season game the rest of the way. Belleville, went on to the Group

BUC SHOTS

By Michael Lamberti

Sports Editor

IV, Section II championship game before losing to West Essex.

In 1981, the Indians were an awesome bunch. They had experience, youth, size, speed and determination. Coach Tom Elsasser wanted this game for his team, to stop the Belleville jinx that was keeping his team from total perfection. At Belleville High School, these two teams played a whale of a ball game, with the Indians winning 7-0 on an early touchdown. The Bucs had a few opportunities to score in the game, the last coming late in the contest on a first and goal from the nine yard line. The Bucs also had a touchdown called back when John Borrello hit Eugene Cancelliere with a scoring pass but the play

was sent back because Cancelliere had stepped out of bounds at the 20 yard line.

Passaic later went on to an 11-0 record and won its first two straight state titles. Only Belleville was able to hold the Indians to one score in 1981. Many felt the Bucs should have won that game, too.

Last year, of course, was the game that will go down as perhaps the biggest victory in Belleville High School history. At Municipal Stadium, before a packed house, Passaic High came in with a 1-0 record, the number one ranking in the state and were a club headdress as perhaps the best in the country, not to mention the state. Magazines had written this Passaic squad as an awesome squad, practically untouchable. The biggest thing for the opposition would be to come within a touchdown. Beating them was considered next to impossible.

The jokes about how good Passaic was could be heard all over the area. Comments like, "Passaic can play in the Rose Bowl right now", and "Passaic might stay together and form an NFL franchise." The problem was, Passaic forgot that Belleville was a good team too, and the process, had their awesome offense shout down the entire game. The Buccaneer defense blanked Craig Heyward, Volpe and Co., allowing an intentional safety at games end to avoid a possible blocked punt in the end zone.

The Passaic defense did the job as well, not allowing a Belleville touchdown for the second year in a row. The only tally came on a 35-yard field goal from Robert Cancelliere in the second quarter that stood up the rest of the way. The final score, Belleville 3, Passaic 2.

That game has been talked about for months on end. The chances are good that this year's game will not end up 3-2, but the chances are good that this contest will be another classic.

Passaic will be the favorites, on paper. They possess Heyward, a 5-0 record and the home field. Belleville is 3-2, having been upset by Ridgewood last week and everyone knows that a loss here would eliminate the Bucs from any post season consideration. They are a very well drilled ball club and know they are a better club with more talent than that 3-2 mark. It's a good record, no doubt, but the Buc players and coaches are aware that it could be better. As far as I can see it, the Bucs will be facing a team that isn't as big as Montclair or Ridgewood and doesn't possess the all around game that those two teams have.

Further, Passaic has played only one team with a winning record this year, Clifton, and in that contest, the Indians were trailing 7-6 in the fourth quarter before prevailing. The feeling here is that Passaic, while being a solid team, is not as good as the 1981 or 1982 squads. They can be beaten and a solid effort on the part of Belleville can do it. The Bucs have to forget about the Ridgewood game and forge ahead. A victory here will put them right back in the race toward the NNJIL title and possible playoff spot. These players have the talent. They've faced big squads before and have the experience. Try our heroes in this game, they've worked too hard to lie down here. In any event, good luck to the team against Passaic and the rest of the way. Their hard work and spirit is what counts the most.

The Belleville High School athlete of the week is Anthony Gizzo of the football team. Gizzo intercepted two passes and recovered a fumble. On the first interception, Gizzo slipped on his return or he might have scored a touchdown. On the second, he returned it 84 yards for a score, but it was called back because of a clipping penalty. The interception stood, but the score was called back. The Bucs scored a touchdown following Gizzo's interception.

Heard At Ringside

By Steve H. Frank

No major newspapers covered the Greg Page vs. Rick Keller bout, Sat., Oct. 15, in Miami, Florida. As expected (alleged) fight was a "stinko." Top-ranked heavyweight Greg Page of Louisville, Ky., scored a second-round technical knockout of Rick Keller of Council Bluffs, Iowa, in their scheduled 10-rounder.

Hank Kaplan and Ramiro Ortiz should receive more ink by the sportswriters for the way they have brought boxing interest back to Florida. Boxing in the state had been spotty until Hank and Ramiro started to put on regular boxing programs, featuring young "club fighters" at the War Memorial Auditorium in Fort Lauderdale. They are ably assisted by Charlie Sergie, former light heavyweight out of Boston, Mass. Kaplan was formerly co-publisher of the Boxing World magazine with Irv Abramson.

Self-styled fight doctor Freddie Pacheco, who books many of the mismatches for NBC-TV, is very disappointed that middleweight Doug De Witt of Yonkers, N.Y., is pulling out of the Jimmy Kitchen of San Diego, Calif., bout slated for Nov. 19. De Witt is known to have pulled out of other fights booked for NBC.

Manager F. Mac Buckeley of welterweight Marlon Starling, wants a meeting with promoter Bob Arum trying to salvage a title fight with WBA champion Donald Curry. Starling and Curry have a tentative agreement to fight Nov. 26, 1983. When it came time to sign the contracts, Curry was nowhere to be found. Buckeley said, "Curry is hesitating with intent of backing out. My conclusion is that he's scared and chickening out of the fight." Starling lost a split decision to Curry in Atlantic City, in a 12-rounder for the North American Boxing Federation championship, Oct. 23, 1982. It was Starling's only loss in 29 bouts.

Promoter Don King will not promote fight programs in any of the Atlantic City's hotel-casinos for at least one year. He withdrew his application for a casino service industry license, a Casino Control Commissioner said Thursday. State law requires companies and their top executives with large "continuing" financial dealing with the casinos to apply for the license.

Bob Shaughnessy out of Charlestown, Mass., was one of the best lightweights, having fought many top-rung fighters of the day. Had to retire at the prime of his career due to failing eyesight. Bob was met at Mario's Restaurant, located near the Park Plaza Hotel, operated by former great welterweight Al Sacco. On any given day many sports and political figures can be seen at this popular Italian restaurant.

The New Jersey Athletic Commission held its third officiating seminar of the year at the Hamilton Hospital in Trenton, Friday, Oct. 7, conducted by Deputy Athletic Commissioner Robert W. Lee. Mr. Lee said, "During the past four weeks, we have witnessed disparities in scoring that have caused us great concern. Because bad decisions can effectively determine a good boxing program, we must be vigilant and take decisive action to prevent the obvious differences that appear on scorecards of the judges."

Tony Canzoneri was born in Slidell, Louisiana, Nov. 6, 1908, of Italian parents. The family moved to Brooklyn, N.Y., while Tony was an early age. He started his boxing career as an amateur in the 95-pound class. Tony later fought in the fly and bantamweight classes and won the New York State amateur bantamweight title in 1924. He held a total of eight titles including his amateur championships. As a professional, he was featherweight, junior welterweight and twice wearer of the lightweight crowns. Canzoneri had 181 bouts, winning 138, losing 29, no decisions three, and drew in 11. He fought professional from June 17, 1925 to Nov. 1, 1939. Tony shared Ring's Fighter of the Year Award with Barney Ross in 1934. In 1955 he fronted a restaurant on Broadway at 51st Street. He was elected to Boxing Hall of Fame in 1956. Canzoneri was an easy touch for those in need of a buck. Hence, he died on "Broke Street," alone in a furnished room on Dec. 9, 1959.

Matchmaker Harold Weston for Madison Square Garden said he will feature hard-hitting middleweight Mark Medal of Jersey City against Julian Jackson of the Virgin Islands. Medal with his 20-1 will be swapping haymakers with a "toughie" in Jackson. Jackson is rated No. 6 by WBA and sports a diary of 15-0.

Twentieth-annual New Jersey Golden Gloves amateur boxing tournaments starting Jan. 6, 1984, will be staged in the Masonic Temple, 668 North Broad St., Elizabeth. The state tournament is sponsored by the Elizabeth B.P.O. Elks. The event was held for many years at the Elizabeth Armory. In 1983 it was switched to the Elizabeth Carteret Hotel. Glen Tryon is tournament chairman.

Joseph Di Melfi, a native of Pontenza, Italy, came to America and settled in Brooklyn, N.Y. When he couldn't find a job and things got rough, he started in the fight business. Di Melfi changed his name to Young Zulu Kid. To this day he will not say why he picked that name. He fought throughout this country as a flyweight and bantamweight. A list of his opponents included: Johnny Buff, Pal Moore, Johnny Curtin, Jimmy Wilde, Pete Herman, Sammy Noble, Little Jack Sharkey and many more popular "club fighters." He has a brother, Johnny Di Melfi, residing in Hollywood, Fla.

Unbeaten heavyweight contender Marvis Frazier of Philadelphia will box a six-round exhibition against two opponents on Tuesday at the Rogues Gallery in Virginia Beach, Va. The foes, Norfolk heavyweights James Reed and Rick Lanehart, each will box Frazier for three rounds. Frazier participated in a three-round exhibition Sept. 22 in Philadelphia against former heavyweight title contender Duane Bobick. Frazier has not fought competitively since he defeated Joe Bugner of England on June 4 in Atlantic City. Frazier, 23, is scheduled for a shot at World Boxing Council heavyweight champion Larry Holmes in a 12-round title bout Nov. 24 at a site to be determined. Joe Frazier, ex-world heavyweight champion, and Chuck Verne are co-managers. Joe Verne has promotional rights to Marvis. Sy Roseman handles the public relations for Verne.

Recreation Soccer Action Continues Its Strong Play

The Aztecs, coached by Diane Travers, won their fourth straight game on a controversial goal by Scott Dorey in the third period. The Lancers, coached by Randall Lorig, held the Aztecs to only nine shots on goal and Mike Trupia played excellent on defense in the Aztecs' 1-0 victory.

In other "B" action, the Cosmos again had to settle for a tie against the Spurs. Frank Koch's Cosmos got there lone goal from Renato De Leon and Frank Crocco scored for Choi Dos' Spurs in a contest which concluded as a 1-1 tie.

The Toros, coached by Densley Fletcher, finally got it together

against the Comets, coached by Roman Hupalo and George Escobar. Toros' goals by Chris Marcantuono, four, now leading the league with 11 goals; David Gourley, two, and Gregory Groeling, one.

The standings in the "B" Division are as follows: Aztecs, 4-0; Cosmos, 2-0-2; Toros, 1-1-2; Lancers, 1-2-1; Spurs, 0-2-2; and Comets, 0-3-1.

The top scorers in the "B" Division are: Chris Marcantuono with 11; Brian Travers, eight; David Radziewicz, seven; Renato De Leon, six; and Scott Dorey, five.

The top goalkeepers are: Emilio Nardone; Anthony Thomas and Frank Jablonski.

Season Record Stands At 6-14-1

Tennis Squad Drops Three Contests To Nutley, Kearny and Ridgewood

Riding out a long schedule, the Belleville tennis team lost three matches last week to lower the team record to 6-14-1 for the campaign.

The long season concludes this week when the girls host Hackensack this afternoon starting at 4 p.m. The team has two matches scheduled with Passaic this week also, but the times and dates of those matches are still up in the air.

Last week, the team was on the short end against Nutley (4-1), Kearny (5-0) and Ridgewood (5-0). The girls did post a victory, defeating Kearny, 5-0.

"We had a good chance in beating Nutley," recalled Karen Fuccello. "Our first two singles players were in real tough matches, and both lost in three sets. If we could have pulled

those out, we might have won the match."

Against Nutley, first singles player Cheri Tillman lost the first set, rallied to take the second, then lost in a tie breaker in the decisive set. At second singles, Dina De Aquino lost her first set in the tie breaker, won the second, also in a tie breaker, then lost the decisive set, 1-6.

Desiree Johansen and Mary Kudrack, playing at first doubles, supplied the only victory in the match, winning 6-2, 7-6 (7-3). That combination has been very strong all season long and with both girls returning next year, the possibilities look good for the young squad.

Over to the Kearny match,

everyone came up a winner. Tillman, De Aquino and Janet Reiman all won at the singles position and the doubles team of Johansen-Kudrack and Lori Terrell and Laura Caruso posted wins to blank the Kards.

The team then battled two powerhouses from Bergen County, Holy Family and Ridgewood and came away with two shutout defeats. Fuccello was a little disappointed at first singles against Holy Family where Tillman lost in two sets. Earlier in the season, Cheri had

defeated her opponent from Holy Family and this time, she was beaten, 2-6, 3-6.

The Ridgewood match, as expected, was a one sided affair, with the Belleville girls managing just one victory.

Fuccello was hoping for a .500 season at the mid way point of the campaign. Obviously, that goal is out of reach, but her team has certainly battled some tough clubs and might have gained some valuable experience down the stretch.

Belleville Not Out Of Playoff Picture

By Dino Ibelli

On Saturday, the Belleville Buccaneers were upset by Ridgewood 20-14 in one of the best passing performances ever witnessed in Belleville. Ridgewood's Chris Sullivan passed for 227 yards, two touchdowns, ran for one and completed 60 percent of his passes in just three quarters of playing. Many of the so-called "Belleville Fans" think that the Bucs playoff chances are out the door, Not True.

If the playoffs were to end today the four seeds would go to: Union at 5-0, Livingston at 4-1, Montclair at 4-1, and Scotch Plains at 4-1. The next teams would be, Nutley at 4-1 (believe it or not) and Roxbury at 4-1-1. Belleville is next at 3-2, due to every opponent on the Buccaneers schedule is of Group IV caliber.

Going through the seeds, Union has Westfield coming up this week. Westfield is 1-4 and Union is 5-0. One might say a blowout, but not by any means. Westfield and Union is a tough rivalry and an upset is always possible.

Livingston is 4-1 and face Roxbury 4-1-1. That speaks for itself. A Roxbury win would probably knock Livingston out of the playoffs, due to a couple of Group III schools on the team's schedule.

Montclair is 4-1 and it has Bergen Catholic who hasn't lost in a couple of years. Mike Morgan is one of the three best backs in the State. (Guess who the other two are) Good bye Montclair.

Scotch Plains is 4-1 and will face Irvington who hasn't won a game yet. Scotch Plains should clinch a spot relatively soon.

Nutley at 4-1 will go to the playoffs. Nutley has one of the easiest remaining schedules in the state. Nutley will end up 7-1 and will go to the playoffs like Barringer did in 1981 with a 6-1-1 record of beating a light schedule.

Next is Roxbury at 4-1-1. The school has Livingston yet to play.

Strong Passing Game Leads Ridgewood
By Buccaneers 20-14, Passaic is Next

(Continued from page 11.)

sive charge that the Ridgewood club did. It's been a long time since an opposing team has scored 20 points against the Buccaneers. The last time was in 1982, a 22-2 defeat against Montclair.

In any event, the two teams battled to a scoreless first quarter. Ridgewood did drive to the Buc nine in the first quarter, but starting quarterback Terry Cardew had his pass intercepted by Anthony Gizzo to stop the drive. Had Gizzo not slipped on the interception, he might have gone 91 yards for a touchdown.

The first score of the day came in the second quarter. Following a Ridgewood punt, the Bucs took over on their own 31. They drove 69 yards in 14 plays with key passes by quarterback Mark Walsh to Gerald Kraus for 11 yards and later a Walsh pass to Carmen Cerreto for another 11 yards. Billy Baber added 32 yards in the drive and Mike Murphy added an additional 15 yards, the last four accounting for the touchdown. Steve Mulhearn added the point after attempt and it was 7-0.

Following a Ridgewood punt, the Bucs were back in business again. They started a drive from their 21, advancing to their 38 with Murphy adding 14 big yards in the drive.

However, Baber fumbled and Ridgewood recovered on the Buc 33. It took them just three plays to score when Sullivan hit tight end Stan Laborde with a 28-yard pass. The conversion was blocked and the Bucs were clinging to a 7-6 lead.

In the third quarter, Ridgewood took the lead, driving 75 yards in eight plays. Sullivan was the man of the hour for Ridgewood, passing for 72 of the yards including the 21-yard touchdown strike to running back Damian Ross on a fourth and 21 situation. The conversion failed once again but the visitors were ahead, 12-7.

The change of lead seemed to spark the Buccaneers and the locals began to play with a new found drive. On its next drive, Ridgewood had moved to the Buc's 28 where they had the opportunity to break the game open. Instead, Murphy almost broke Sullivan in half, sacking the Ridgewood quarterback with a ferocious hit. At the time of impact, Sullivan was trying to throw a pass. The ball left his hands, but ended up in the arms of Gizzo, who took off down the sidelines, untouched for what appeared to be a 72-yard touchdown. As the Belleville bench and fans celebrated, the referee cited a clipping penalty at the Ridgewood

49 and the play was brought back to the point of infraction with Belleville's possession. The Bucs were now fired up and Murphy ran through the Ridgewood line for two first downs to the visitors' 29. The defense then tightened up and on fourth down, Walsh hit Cerreto with a crucial 17-yard strike to the Ridgewood 10. From there, Murphy carried two yards to the eight, Frank Tursi added four to the four, and Walsh missed on a pass to Murphy to set up another crucial fourth down situation, this time from the four.

Walsh took the snap, rolled around left tackle, found some room in the end zone and dove in for the go ahead score. The stadium erupted as the Bucs regained the lead, 14-12 following Mulhearn's point after conversion.

"I thought we had the game there," recalled Senesky. "I figured with six minutes left, we had things under control."

Normally, they would have, but this Ridgewood team was here to play. Ridgewood took possession on their 28 following the kickoff and used a good combination of running and Sullivan's passing to drive down field. The key play in the drive was a 26-yard strike from Sullivan to Ross that brought the ball from the

Ridgewood 44 to the Buc 30. From there, Sullivan did the job in the air and on the ground, running over from eight yards out for the winning score. The visitors added the two-point conversion when Sullivan (who else) popped over from the three-yard line.

The Bucs tried one last drive, but Walsh had his pass intercepted at the Ridgewood 38 and the game was history.

NOTES: For the fifth straight year, the Bucs will battle Passaic with the Indians holding an undefeated record. In 1979, 1980 and 1982, the Bucs knocked them from the ranks of the unbeaten. In 1981, Passaic won, 7-0, and went on to an

11-0 mark. No injuries to report, thankfully. Passaic is 5-0, but has played only one team with a winning record. Their schedule gets a lot tougher from here on. After Belleville, the Indians will face Ridgewood

and Montclair on Thanksgiving Day. The playoff format in Group IV, Section II is wide open. Union is undefeated while Montclair, Livingston, Scotch Plains and Nutley are all 4-1. A host of teams, including Belleville, West Essex, Morris Knolls and East Orange are 3-2. Stay tuned, it should get interesting in the next two weeks.

Rec Touch
Football

The third week of touch football was an exciting one as two undefeated teams battled one another for sole possession of first place, and two other squads finished in a tie.

Last year's undefeated champs, the Chiefs, had defeated the Cowboys and Giants and were ready for the big games against the Jets, coached by Vin Strumolo, and unbeaten in its first two games. But the Chiefs could not manage to score against the Jets as they lost 25-0. Angelo Torromeo scored three touchdowns, the first on a punt return and then two running touchdowns. The other touchdown was scored on a pass from Arthur Caruso to Jason Apple.

In the other game, the Cowboys and Giants were both looking for their first victory. The score ended in a tie, 19-19, when the Giants scored a touchdown with less than a minute left. Jeff Raibick and Rick Raimo led the scoring for the Cowboys. Giants' scores came on an interception returned for a touchdown by Vic Talamini, and runs by Phil Patuto and Jamie Zigarelli, another outstanding game on offense for the Giants' Mike Puleo.

Cross Country Squad
Drops Two Dual Meets

The Belleville cross country team lost two dual matches last week to Livingston and Hackensack. The double defeats left the team with an 0-12 mark for dual races and pretty well closes the book on the 1983 season.

The Bucs competed in the NNJIL championships on Tuesday at Garrett Mountain and will be at Branch Brook Park tomorrow afternoon for the Essex County championship.

Against Hackensack and Livingston, the Bucs were on the short end of 18-42 scores. They did receive some strong individual performances, but could not overcome some outstanding showings by their strong competition.

Versus Livingston, Bob Hutchinson finished third in a time of 17:35, his best showing of the season. Junior Billy Huamani also posted his best time, coming through at 18:44, good for seventh place. Ross De Meo, also a junior, finished ninth in 18:44.

The Bucs problem was that Livingston was running an outstanding race, with all five of their top runners posting their best times of the season. "We did pretty well in that race," said head coach John Tosato. "Unfortunately, Livingston had their best race of the season and beat us."

The results were pretty much the same against Hackensack. Hutchinson was third in that race in 18:31 and De Meo placed ninth at 19:37. The Hackensack race was run in a steady drizzle over mostly streets and catwalks. It was a different type of course and obviously one that was not too familiar to the Bucs.

Senior harrier Patty Bliss, closing out a fine career, took second in the girls race against Hackensack in a 'slow' time of 22:44. Bliss ran a strong time of 20:49 in the Livingston race as she competed with the boys.

As for the NNJIL and county

BSA Teams
Continue
Winning

The Belleville Suns, sponsored by JNC and Rossi Travel, defeated South Orange 4-1 to even their record at 2-2-1.

Goals were scored by Richie Quine, Chris Ricci, Dennis DeWork and John Del Mauro. Supporting the Suns with outstanding play were Jason Ventola, Alan Constantino and David Liloia.

School 4 Parents Upset Over Possible Transfer

(Continued from page one.)

must be filled at the present moment. The vice principal post at the Middle School and the principalship at School 7," she told the standing room only crowd. "The board must decide whether to consolidate positions or relocate. But we would like you to remember that whatever the board decides, it will be based on what is best for the education of your children. We will give your matter a great deal of consideration."

Forti has been a member of the Belleville school system for the past 24 years, starting as a social studies teacher at the high school. He also taught at the junior high school and on the elementary level. He was named principal of School 1 and four years ago was transferred to School 4, when the School Board voted to close School 1.

Forti would not comment on the meeting Monday night, which he did not attend, but he did say that he was very happy as principal of School 4 and has no desire to be transferred anywhere else in the Belleville school system.

Retirement Dinner Planned For Principal Rosamilia

A retirement dinner for School 7 Principal Michael Rosamilia will be held Thursday, Dec. 8 at the Branch Brook Manor, 13 Washington Ave. The event is being sponsored by the Organization of Parents and Educators of School 7. Reservations will be honored on a first come, first serve basis. For tickets call 759-7152 or 759-2864 from 10 a.m. to 3 p.m. From 4 p.m. to 9 p.m. call 751-8457 or 751-5894.

Rosamilia has served as an educator and administrator in the Belleville school system for the past 34 years, including two years as acting superintendent of schools.

Marotti Association Plans Halloween Party Tonight

The Michael V. Marotti Civic Association will hold its annual Halloween party Thursday, October 27, at the Amvets, 100 Newark Ave., starting at 8 p.m.

Lydia Salzano, president of the club, requests that all members try to come in costume. Prizes will be awarded for different categories, and refreshments of cider, coffee and donuts will be served. Jay Roberts will provide the entertainment for the evening of fun and games.

A short business meeting will precede with the nominating committee presenting the slate of officers to be voted on at the November meeting. Reports on the fish fry and country-western dinner will also be presented at this meeting.

Coming events will include the annual turkey shoot in November, a professional wrestling event in December, as well as the club's annual Christmas party.

Confraternity Will Meet November 7

The Rosary Confraternity of St. Peter's Church will hold their next meeting on Monday, Nov. 7, at 7:45 p.m.

Mrs. Pat Ritter, hostess for the meeting, will have a turkey raffle, and all the members are guaranteed an enjoyable meeting.

Retired Persons Are Meeting

Belleville Chapter of American Association of Retired Persons 2051 will meet on Thursday, Nov. 3, at 1 p.m. at the Fewsmith Presbyterian Church, 444 Union Ave.

Ms. Alice Wohlgenuth, a representative of Hospice, Inc., will be the speaker. She will tell of the program and work being done by the Hospice group.

There will be a November news letter. Members should remember to pick up the news letter at the table when they sign in.

The annual Thanksgiving contributions of money or non-perishable food will be received at this meeting. The filled baskets will be distributed to the needy in the township.

Hostesses for the November meeting will be Phyllis Grainger and Tess Legreid. Next meeting date is December 1.

Wesley Methodist Hosting Annual Christmas Fair

Wesley United Methodist Church is looking forward to and working toward its annual Christmas Fair to be held on Saturday, Nov. 5 from 9:30 a.m.-5 p.m. Wesley's Cheerful Workers have been busy for weeks with their crafts under the direction of Charlotte Buck.

ASK YOUR REALTOR®

By Jan Zepka

If you're thinking about selling your home, then you've probably resigned yourself to the fact that you're about to embark on a very frustrating task. This is not necessarily true.

If you choose the right broker to list your home, your involvement will be minimized. But, you must find an agent you can trust, one who will advise you and communicate with you. Your first choice should be a member of the Board of Realtors of Bloomfield, Glen Ridge, Nutley and Belleville, who is recognized for professionalism, experience and a solid reputation.

You have 66 member offices in this area to choose from, each boasting high regard from lenders, attorneys and former clients.

Once you've selected the firm you wish to represent you, put your agent to a test:

- Call the office and see how long it takes for the broker to return your phone call, as well as how receptive he is to your questions.
- Check the percentage of listings the firm actually sells from the number of listings it carries.
- Question previous clients who have listed their homes with the same firm and see how long their houses were on the market.
- Talk with those clients to see if they felt the broker got them the best deal for their home, if other agents in the firm also pushed the sale of their house, if they showed the house by appointment only, and if they would use the same broker again.

You can also check to see if the firm was active at a time when interest rates were high. If the broker you choose is active, he may have an interested client for your house even before he runs the first ad for you.

The Board of Realtors welcomes your real estate questions. Contact one of our board members by writing or calling:

J. KELLY INC.
General Contractor
310 Washington Ave.
Belleville, N.J. 07109
759-2783
661-0883

Dear Homeowners,
As you may already know, we have been in the home improvement business in this area for several years with 95% of our jobs being acquired strictly on a referral basis. We have found this to be a very rewarding as well as successful method of conducting business, one which has led us to a position where we can now provide our "referral oriented workmanship" as well as handle your financial needs all under one roof. As a result of these positive developments, we have established a small showroom and office, and it would be my pleasure to meet with you there to provide information on the construction methods and materials we shall supply. If it would be more convenient for you to have us visit your home to discuss your home improvement needs, simply call our office to arrange an appointment.
Sincerely,
John Kelly, Inc.
John Kelly, President 4/12
