## Belleville School District Receives County's Praise

The Belleville school system received a passing grade from county officials for providing thorough and efficient education to the community's children.

Last Monday night, Elena Scambio, Essex County superintendent of schools, presented to the Board of Education the findings of a monitoring report conducted earlier this year. In the findings, Scambio reported that the Belleville school system had satisfied the 10 essential elements required by the state law.

"It is clear from our visitation that good things are happening both to and for the young people in the schools of Belleville," the county superintendent told School Board members. "Our review clearly indicates that Belleville has met these objectives and hopefully, in March the state board of education will accept my recommendation that Bel-

leville be granted a five-year certification."

The monitoring process, conducted by the county office of education, covered 10 areas: planning, school and community relations, comprehensive curriculum development, student attendance, facilities, professional staff, mandated programs, achievements in state mandated basic skills, equal educational opportunities and finances. In all areas the Belleville school system received a grading of acceptable.

"I am very happy with the report we received from the county concerning the educational process in the Belleville school system," said Michael Nardiello, superintendent of schools. "We received passing marks in all 10 elements, but I am very pleased to see that the county was happy with our curriculum develop-

ment. Overall the report given was most impressive and many residents of this community should be proud of the schools' accomplishments."

"We think that this is just the finishing touch of a lot of hard work and long hours supplied by many persons," said Mrs. Grace Purdie, president of the School Board. "We are just delighted with the county's report and findings."

Highlights of Scambio's report included calling the financial operation of the school system as "top-notch." She added that the district has operated a facility improvement and preventative maintenance program that can serve as a model program for other school systems.

In the area of equal affirmative action, Scambio said, "I believe this district has made much progress with the employment of women and minorities."

## Several Expected To File For Pica's Seat

## New Commission Election Is Scheduled For May 8th

By Linda Telesco

Belleville will hold a special election in May to fill the Board of Commission seat vacated by the recent resignation of Public Safety Director Matthew Pica.

In a unanimous 4-0 vote Monday night, remaining Commissioners agreed that permitting the citizens to select Pica's replacement as soon as possible was worth the cost of holding a special election.

Slated for May 8, the balloting is expected to cost between \$8,000-\$9,000 officials said after examining last year's election costs.

"I'm satisfied with this decision," said Mayor Michael Marotti, who was relieved the board had finally come to agreement in solving the dilemma of the vacant seat.

Ever since Pica announced early this year he intended to resign as of March 1, Commissioners seemed at odds in selecting one of the several alternatives available to them for filling the spot.

The disadvantages of the special election, they noted, was that it would cost extra money.

They could have put candidates' names on the ballot in the November general election which would have saved about \$3,000, but would have to deal with the vacancy until then.

Commissioners Joseph Grande and Michael Pizzi were opposed to appointing a caretaker commissioner until November, even though that alternative is permitted by law.

"I don't care if the seat is vacant for four years," said Grande Monday. "I will never agree to having an appointed commissioner on this board."

Another route would have been for the mayor to oversee two departments until the general elections, but Marotti was opposed to the board's operating for so many months with only four voting members.

"If we need to pass emergency legislation and somebody is out that night, we'll never get anything done," Marotti had said.

Complicating matters, the Commissioners who opposed even temporary appointments said they didn't

want a special election either if that was too expensive.

After examining last year's records with municipal treasurer Isadore Padula, Marotti announced that Belleville spent \$23,000 last year for three elections, predicting that a special balloting this year would probably run about a third of that figure.

Both Grande and Pizzi seemed satisfied with the estimated cost.

Only Commissioner Joseph McGreevy continued to favor the November election, but he went along with the majority vote anyway. "I would have been a sore thumb," he said after the session, illustrating the kind of problem Marotti anticipated from a four-member panel.

Commissioners made their decision. (Please see "Special" on page 9.)

## Drug and Alcohol Seminar, March 15

A drug and alcohol abuse seminar, presented by the Drug Education Program, will be conducted Thursday, March 15 at Montgomery Presbyterian Church, located on the corner of Montgomery Place and Mill Street, starting at 7 p.m.

There will be three guest speakers: Michael Marcone, a counselor from the Integrity House Rehabilitation Center; Joseph Pariso, a representative from the Essex County Prosecutor's office; and Mrs. Debbie Linder, a representative from "Toughlove," a parent self-help group, who will speak on the dangers of drug and alcohol abuse, and what parents can do to prevent their children from becoming involved with drugs and alcohol.

The general public is invited to attend and there is no admission fee.

## Town Fathers Veto Alcohol Clinic Here

A resolution to permit a hospital to establish an alcoholic rehabilitation center in Belleville died without even a vote Monday night.

When Mayor Michael Marotti called for one of his three colleagues to move the measure, no one did. The proposal was automatically defeated.

"I would have opposed it," said Marotti later of the request by Mountside Hospital in Montclair to relocate its alcoholic rehab program on the premises of the Essex County Geriatrics Center on Franklin Avenue.

Commissioners Joseph McGreevy, Joseph Grande, and Michael Pizzi all declared after the meeting that they would have voted negatively on the measure, particularly after hearing public response to the measure during Monday's session.

Surprisingly, Mayor Marotti admitted the board seemed to be receptive to the idea before last night's citizens' hearing, but had a change of heart after hearing public comments and another presentation by a Mountside representative.

The plan was first presented to Commissioners during their Feb. 21 caucus meeting by Joseph Cimerola, Mountside's vice president for administration.

Accompanied by two other hospital officials, Cimerola reiterated Monday the hospital's desire to move the program from Mountside's premises to another site.

"It is too costly to maintain the rehabilitation program in hospital facilities," explained Cimerola, who said the officials made an extensive search for a site that met both their budgetary and operating needs and felt the Belleville location was most suitable.

Mountside proposed to use two floors of the Geriatrics Center's old wing, presently in disuse, to house half the patients in the rehab program, a figure he estimated at about 320.

He said all rehab patients were admitted to the 28-day voluntary program only after completing a five- to seven-day detoxification in the hospital itself.

"These people are not bums," said Cimerola. "They are working people who will return to the workplace following rehabilitation."

He told the crowd at Commission Chambers that 70 percent of the pre-

## Field Narrows To 6 Candidates In Board Race

The field of seven candidates seeking election to the Belleville Board of Education was reduced by one this week, as Ronald Cuomo withdrew from the race.

Cuomo was one of the five candidates seeking one of the two three-year seats available this year. This leaves incumbents Donna Rainone and Thomas Spitalone, along with former assistant superintendent of schools Sy Grossman and Phil Linfante, as the four remaining candidates.

There was also a change in the line positions on the ballot this week involving the two candidates for the one-year post. Richard Melham, who had been assigned the 1-B position, has been changed to 6-B, while Ernest Zoppi was given the 7-B position on the ballot.

The School Board election is scheduled for April 3.

## Christians Begin Lent Celebration

By Linda Telesco

This week marks the beginning of Lent, the solemn 40-day period when Christians, through acts of penance and special devotions, prepare for the feast central to their faith, Easter, which commemorates the resurrection from the dead of Jesus.

Starting this week on Ash Wednesday, Lent continues until Easter Sunday on April 22. The preparation period is a reminder to Christians of the 40 days spent by Jesus in the desert as he prayed, fasted, and prepared himself for a public life of preaching and healing.

Christians consider Lent a time for meditation, special acts of charity or sacrifice, and a chance to make reparation for past misdeeds in order to share in the renewal promises of Easter.

To aid in spiritual preparation, most local churches have added special Lenten programs and services to their regular schedules.

St. Anthony's Church on Franklin Street will conduct Stations of the Cross every Friday of Lent at 7 p.m.

St. Peter's Church on William Street holds Stations of the Cross every Thursday of Lent at 7:30 p.m. in Spanish and on Fridays at 7:30 in English.

St. Peter's will also conduct a Lenten discussion group program called "Ashes to Easter" for parishioners who wish to explore the themes of each Sunday's scriptural readings.

Montgomery Presbyterian Church on Mill Street will hold a Lenten/St. Patrick's Day dinner on Friday, March 16 at 6:30 p.m. Additionally, the church will have a series of special programs on Wednesdays during Lent, all scheduled for 7:30 p.m.

On March 21, Rev. Nadina Stevenson, pastor of the First Presbyterian Church in Irvington, will speak. On March 28, the Belleville church choir director,

Karen Garrett will lead a special music program. On April 4, the Women's Association runs a special program and an adult bible class is slated for April 11.

The Belleville Assembly of God on Holmes Street welcomes this Sunday, March 11, a guest missionary evangelist and singer, Rev. Eddie James, who will address the congregation at the 10:45 a.m. service.

The Assembly of God will also host an address on April 4 at 7:45 p.m. by Judao-Christian speaker Rev. Israel Cohen.

The Belleville Reformed Church at Main and Rutgers streets plans to begin Lent with an Ash Wednesday supper at 6:30 p.m. followed by a viewing of the film, "The Very First Easter."

Each Wednesday following, the church will hold special worship programs at 7:30 p.m.

Special Lenten services at Christ Episcopal Church on Washington Avenue include Holy Communion each Wednesday

morning at 10 a.m. A special Lenten study group conducted by pastor Rev. Frederick Long will be held Sunday mornings following the 9:15 a.m. service.

The sermon topic for Lent, Rev. Long said, will be "The Week That Changed the World."

Rev. Benedetto Pascuale of Silver Lake Baptist Church on Franklin Street, announced special Lenten services on Fridays at 7:30 p.m.

Fewsmith Memorial Presbyterian Church on Union Avenue will hold a series of seven Lenten breakfasts held on Wednesday mornings from 6:50 to 7:30 a.m.

The breakfasts will feature 10-minute talks each week by guest speakers and reservations must be made by the preceding Sunday.

The fee is \$3 for each adult and \$1.50 for students. There is no charge for children aged 6 and under. (See page 3 of this week's Times for more information.)

## Chamber Members Dine in Washington

Four Belleville Chamber of Commerce members gave the town visibility by attending the 46th annual Congressional Dinner last month at the Sheraton-Washington Hotel in Washington, D.C.

Jaye Tarantino of Tarantino's Restaurant, immediate past president, now chairman of the board; Howard Halpern of Towne Deli, 1984 President; Joseph Dasaro of Belleville Travel, vice president of programs and special projects; and Henrik Tvedt, president of DeWitt Savings and Loan, embarked on a State Chamber of Commerce-sponsored train trip, which took them from Newark to Washington, D.C., to honor New Jersey's Congressional delegation. The event provided a whole new outlook on Chamber involvement in the Legislature, for the first-time attendees.

Howard Halpern said, "I met people I never would have met before; it would have taken me two weeks to meet all those I met in one place at one time. We attended several hospitality suites, and, in the future, we hope to build interest in having an Essex County Hospitality Suite."

Jaye Tarantino repeated Halpern's enthusiasm by acknowledging that it was a "great experience. It's good to meet people to find out what goes on and share concerns. We want to get more people to go next year."

The Congressional Dinner housed nearly 1,800 in the main ballroom of the Sheraton-Washington. Distinguished guests included Gov. Thomas Kean, Senators Bill Bradley and Frank Lautenberg, former Gov. Brendan Byrne and Miss America, Vanessa Williams.

The next Congressional Dinner is scheduled for Feb. 7, 1985.

## Frank Marmo Named In '84 Profile Register

The 1984 edition of "International Register of Profiles," just published by Cambridge Press in England, spotlights the life of world traveler, Frank C. Marmo, a former Belleville resident.

The new edition is an entirely new compilation of the life record of outstanding citizens of the world carefully selected under British Biographical Centre standards based on more than 70 years' experience in publishing biographical directories in library reference service throughout the world.

Marmo, who now resides in Suwannee County, Fla., rose through the ranks of labor and industry and in 1950 was elected, at the age of 21, an executive board delegate for AFL-CIO, International Local 84, Bakery, Confectionary and Tobacco Workers Union, Chicago, Illinois. In the 1960s, he was elected secretary-treasurer of the United Federation of College Teachers, AFL-CIO Local 1841, Fairleigh Dickinson University Chapter.

Professor Marmo has served as a teaching and administrative staff member at numerous colleges in the United States, Mexico, Panama, and Canada. In New Jersey, he has been affiliated with Fairleigh Dickinson University, Rutgers University, Jersey City State College, Newark State College, Edward Williams College, Caldwell College, among others.

In addition to his college and university experience, Marmo has served as a superintendent of schools in Massachusetts, and also served as president of the Essex County Vocational Board of Education and a Commissioner on the Essex County Board of School Estimate.

A man of many talents, Marmo has been an administrator, college professor, journalist, editor, publisher, foreign correspondent, and an international business executive spanning 40 years in four continents: North America, South America, Europe and Australia.

Marmo started his journalism career at the age of 14, with the Italian Tribune in the old First Ward of Newark, under the guidance of the late John Sileo. Marmo later worked for the Newark Sunday Call, the now-defunct Newark Evening News, Oklahoma City Journal, Volusia County Shopping Guide, Florida on Patrol publication, Ormond Beach Publishing Co., Florida Publishing Co., Halifax Reporter, Canadian United Press, Mexico City News Bureau, Jacksonville Journal, Ottawa Journal, Flager County Tribune, among other publications worldwide.

Marmo served as news editor and later editor of the "Newark Stater," graduate publication of Newark State College from 1952 until 1955. Born in Rome, Italy, Marmo served as president of the North Jersey Industrial Corporation from 1955-1970, and was a member of the American Society for Engineering Education, University of Illinois.

From 1971-1978, Marmo served

Frank C. Marmo

as president of the South Florida Publishing Company and received the Archbishop Eckhardt Journalism Award; the Sons of the American Revolutionary War Citizenship Award; and later the Eloy Alfaro Grand Cross of the Republic of Panama, because of his "outstanding achievements in the business, educational, and journalism fields."

Marmo has been spotlighted in the following publications: International Men of Achievement; Director of Florida Writers; Personalities of the South; Community Leaders of America; "Academic Italia"; Who's Who in the Eastern USA and Canada; and International Authors and Writers.

An athletic coach and sports official for many years in the New York Metropolitan area, Marmo umpired in the Florida Senior Majors and the Florida Junior Majors in the 1970s in addition to working for the city of Ormond Beach. Marmo has been a member of the Florida Sheriffs Association since 1978.

It has already been reported that many birth control pills can increase the risk of heart disease. This is especially true if the patient is over thirty-five, overweight and/or smokes. A new survey of pill formulas that contain combinations of the hormones estrogen and progestin, stresses that it is not only the brand, but the formula that makes the difference. The survey, conducted by The Medical Letter on Drugs and Therapeutics, concludes that pills containing more than 20 and less than 50 milligrams of a gram of estrogen, plus a low-potency progestin, "may offer the best combination of effectiveness and safety from serious cardiovascular complications."

# D'Alessio Publicly Opposes Shapiro For Slashing Deputies from Budget

Thomas D'Alessio  
County Budget Unacceptable

By Phil White

Sheriff Tom D'Alessio for the first time since his election two years ago has come out publicly in opposition to his longtime political ally, County Executive Peter Shapiro.

The split came when Shapiro, without consulting D'Alessio first, proposed a county budget slashing funds for 10 sheriff's deputies in the courthouses. Shapiro said the deputies could be replaced by "an emergency buzzer" system, similar to burglar alarms at banks.

D'Alessio, a Nutley resident and chairman of the Democratic County Committee there, said he was "astonished" that Shapiro would move ahead with the "buzzer system" concept without first con-

sulting the Sheriff's Department.

The sheriff is responsible for security not only in the courthouses, but also in the Essex County Jail. Significantly, the Board of Freeholders, caught up in the rift between Shapiro and D'Alessio, have asked the sheriff to review security arrangements at all county-owned facilities — a move which could lead to even more responsibility for the Sheriff's Department.

Shapiro believes a buzzer system could save the salaries of 10 deputies. Shapiro envisions a judge being able to push a button and summon a deputy whenever an emergency developed. Shapiro is asking that D'Alessio's budget be reduced by \$400,000, largely because of the savings he says would result were the buzzers installed.

Aside from the fact that D'Alessio was "astonished" that Shapiro would propose the deputy staff reduction without consulting him first, the sheriff doesn't believe the buzzer system would work in the first place.

"Essex County is unique in the number of prisoners we have, in the number of jurors that attend courts, and the large number of citizens and witnesses that are in our courthouses every day," Sheriff D'Alessio says.

"I believe that when a person comes into one of our courthouses

where judges constantly are dealing with serious criminal cases, we should have adequate security; that's all I am asking," the sheriff said.

During an interview on OBC-TV Cable News, D'Alessio criticized Shapiro for failing to take into consideration the overall security of courthouse and jail operations.

"When any major change in our security plan is proposed, I believe it should have been carefully conceived, written out and discussed by all of us who are responsible for the safety of our citizens," D'Alessio said during the television interview.

Although the buzzer plan advanced by Shapiro was first reported more than two weeks ago, Sheriff D'Alessio said on Sunday he still hasn't confronted Shapiro in person with his objections.

"I haven't had a chance to speak with him," D'Alessio said. "But he knows by position, and so does the Essex County assignment judge," D'Alessio said. Assignment Judge Nicholas Sculara has sided with Sheriff D'Alessio on the need for continued high security in the courthouses.

"The budget (as proposed by Shapiro) is unacceptable not because I don't agree with it, but because it does not face reality," Judge Sculara has told the Board of Freeholders.

## Annual Lenten Breakfasts Continue This Wednesday

Fewsmith Memorial Presbyterian Church will continue its annual series of seven Lenten breakfasts in the church hall at 444 Union Ave., March 14.

## School System Passes

The Belleville Public School System received its report card from the county last week, and the results were not only impressive but very encouraging.

Elena J. Scambio, the Essex County superintendent of schools, praised the Belleville school system and Board of Education by stating, "It is apparent that good things are happening both to and for young people in the Belleville public school system."

Scambio gave the results of the county monitoring report, which reviewed 10 essential elements required by state law. And she was pleased to announce that the Belleville system had met all the elements head-on and would be recommended for state certification for another five years.

In this day and age where we have continually heard horror stories about the decline of the

public school system, it is heartwarming and encouraging to hear the words of praise given by Scambio. The results of the county monitoring report are a tribute to the work being conducted by the school system's administrators,

teachers, guidance counselors, special program director and Board of Education members.

Of the 10 areas reviewed by the county, which included: planning, school and community relations, curriculum, student attendance, physical plants, professional staff credentials, mandated programs, achievement in mandated basic skills, equal affirmative action and finances, the Belleville district was found to be acceptable in each element.

The people of Belleville have made great moves in recent years and the report of the county agrees with that.

## Walter Mondale

The faltering campaign of former Vice President Mondale recalls the track records of three automobiles that were good but rejected by the people. Do you remember the Edsel, the Henry J and the DeLorean? All beautiful cars, well packaged — but they had one thing in common — they were rejected by the people.

It looks like Walter Mondale's problem is not U.S. Senator Gary Hart — it's Walter Mondale.

Mondale has been part of the political sidelines for the past three years as an active candidate for the Democratic Presidential nomination. Over the past years all polls indicate a Reagan landslide over Mondale for a Democratic nominee. The most recent poll comparing Gary Hart and Walter Mondale against Ronald Reagan shows a

three-point spread between Hart and Reagan but a landslide win by Reagan over Mondale.

Apparently Democrats are perceiving Mondale as a can't-win-candidate — thus the tremendous shift for Senator Hart. It is up to Mondale to solve his own problem. During the next 10 days he must prove to the Democratic voters throughout the nation that, indeed, he could beat President Reagan. Filling this objective it appears that Walter Mondale will be relegated to the "also ran" status.

## Prayer For Today

When I behold the problems of our world, O Lord, I pray not to be tempted to quick answers. When every tongue declares a different Truth, when every people praises its own Righteousness, let me pause before I speak or praise or hope. Let me look inward seeking to discover eternal truths implanted there by Thee, truths greater than I have heard in the outer multitude of voices and of words. And I will remember always that to be loud is not to be right, to be silent is not to be forbidden, to be new is not to be old, to be ugly is not to be beautiful. Thus let me find truths true live with them, and Thee, and myself, in peace.

# Board Candidate Thanks Followers

To the editor:

I would like to take this moment to thank everyone who signed my petitions endorsing me for being a candidate for the one-year term on the Board of Education.

I, too, would like to express my deepest appreciation to one of the most forgotten groups, without whom a candidate seeking office would find it difficult to win any election, and they are, our district leaders and party organization leaders.

I am becoming more active every day and night, attending different social and political affairs going on in our town.

Recently I attended the meeting on Friday, Feb. 24, 1984 for the positioning of candidates on the ballot. I was picked for the position 6-B.

I attended the Board of Education meeting on Monday, Feb. 27, 1984. I, too, was at the meeting on Thursday night at School 5, which had to do on the budget to see how our tax dollars are being spent and where.

Not only for being a candidate for office, but as a homeowner and parent with children being in the school system for the next nine years, I wanted to know more as to how much is going to education of our children and what is

going to repairs on our school buildings. I think it is the right of every taxpayer in our township to have this at their fingertips.

I myself am interested because of my children and all our children's education for the future. I wish to see more people come out to these meetings on the budget and ask their questions to our board and school staff.

To answer Mr. Zoppi's remarks in last week's paper, March 1, 1984:

In order to have previous experience in any office or position.

A. You should have to be voted there first by the voters.

B. If you do your job right, the voters will put you back for a second term, third term, etc.

This type of position is not fulfilled by appointment, it is still left up to the voters in the township, nowhere else. Hopefully it will stay that way for the future too.

In closing, my only regret is that while I was attending these meetings, I was the only one-year candidate who was there, because I do care in our education system and budget spending.

Thank you,  
Richard Melham

## Candidate Happy With School System's Report

To the editor:

Having read the recent reports that the Belleville school system was monitored and met its objectives made me feel ecstatic since I was the Thorough and Efficient Coordinator for the district since 1976 until I retired in June of this past year.

Everyone presently in the district worked closely with the T and E process.

The present central administration, principals of all schools and teachers were all part of the system receiving passing grades. Let me review what was done for the township schools prior to the final visitation.

I was responsible for the initial committee where we established district goals. Each school principal had his committee set up the goals for his school and then each grade level in every educational area.

The following year we established objectives for the previous year's goals, then came the objectives to the goals, a needs assessment of the program, program review and finally the evaluation. As assistant superintendent during my tenure of office, I received the 10 essential elements of receiving the requirements of the state. Each school teacher, principal, supervisor and the central administration are all to be recognized and I want to thank them for the cooperation they gave to me.

As the assistant superintendent during the T and E mandate, I must say that Belleville educators cooperated to the fullest.

As a candidate for the Board of Education and when elected, I will continue to keep an interest in the education of our Belleville children.

Sincerely,  
Seymour Grossman

## Tenant Organizations Labeled as 'Protection'

To the editor:

In response to an editorial letter by Samuel Geltman, regarding the tenants organizations being responsible for high rents to The Belleville Times dated Feb. 12, 1984, I must disagree with your theory. As a registered member of the New York Stock Exchange, I think I have the qualifications to understand a little about the economics of this country.

I must state loud and clear, tenants organizations are not the reason for high rents in this country. When inflation was running out of control, the Federal Reserve decided money should get very tight to save the dollar. As a result, mortgaging for building became impossible. With the population still growing and no buildings, the rental market became very tight which allowed landlords and real estate brokers to take advantage of the current market. Such as one month's rental fee in advance just to rent an apartment as compared to three months' free rent and rugging. I can go on and on.

Changing times force tenants to organize, therefore, tenants organiza-

tions were born as unions were in the '30s and '40s. This was done to protect themselves from quick money making schemes from landlords and real estate brokers. As far as politicians catering to people for votes, Mr. Geltman, did you ever hear of "We the people for the people," not politicians for the landlords. You landlords may have the money, but we have the voices and the votes. Another reason for tenants organizations.

As far as jobs are concerned, it's the little guy who needs two jobs to meet your rents. What are you trying to do, create another one? Enough said on that subject, I really did not have the time to answer you, but because of the position I'm in, there was an outcry to me to answer your selfish letter. If I thought you could understand this complex problem, I would continue this letter. Mr. Geltman, I don't know you from Adam, but I feel obligated to inform you your theory is out of line.

## Board of Education President Encouraged By System's Grade

To the editor:

I think it has been a while since most of us serving on the Board of Education have received a report card. However, we were fortunate on Monday evening to receive one from the county as a result of its coming into our district to review our certification regarding the mandate of the state's Thorough and Efficient Education Law.

We not only received passing grades but terms such as "top-notch" were used in the report as presented by Dr. Elena Scambio, county superintendent.

She also made mention of the fact that one of the areas could "serve as a model program for other districts." This is a tribute to all of the people who make up the educational system of our town. I want to thank personally our administrators, faculty and staff for the efforts which they put forth, not only during this evaluation period but all year long, to make this possible.

Sincerely,  
Grace Purdue, President  
Belleville Board of Education

## Letter policy

The Times continues to receive letters on a variety of topics which, unfortunately, may never find their way onto our editorial page. That is because they are unsigned.

As a matter of policy, The Times accepts only signed letters. "Signatures" such as "A Concerned Citizen" or "A Worried Parent" will not do. Only names will suffice. However, we will withhold names from publication upon request.

# Golden Comments

By James Golden

There has been evidence of an increasing amount of cleverly devised "rip-off" scams being palmed off on gullible people who, looking for what seems a bargain, are victimized by deceptive and misleading advertising. The schemes range from congratulatory letters or phone calls proclaiming you are a sweepstakes winner, lifetime subscriptions to book club offerings for ridiculously low fees, free gifts if you visit a distant housing development where they try to sell you property, the sale of supposed high powered binoculars that are little more than toys and jewelry that is advertised as having a genuine diamond which turns out to be a trinket with a minuscule diamond chip, obscure publishing outfits singling out suckers they tell have been selected from their computer records for special reduced rates if they subscribe to some little known magazine...all scams designed to bilk the pawns who fall for this "come on" offer which looks so good.

The hipsters who work this nefarious racket gamble on the percentage that those who have "been taken in" will be so embarrassed by their naivete that they will remain silent, absorb their small losses and try to forget the matter.

Unfortunately too many of these victims do just that, allowing these con-artists to sop up their ill-gotten boodle who snicker over the ease they had in working their ploy. Many of those "burned" by this racket are senior citizens who are not hip to the shenanigans of the present day phonies.

There are, fortunately, ways to counteract these vicious schemes if the victims will ignore their embarrassment at falling for the scam and fight back...if the mails had been used in the "come on" inducement, call the Postal Inspector number in the phone book under U.S. Government. They will tell you to whom and where to write; In this area, Chief Regional District Inspector, North Eastern Region, 1633 Broadway, New York, N.Y., 10097. Mark the envelope ATT: FRAUD DEPT.

Many large city newspapers feature columns devoted to helping to cut red tape in finding solutions to many of these snafus by the threat of exposing those outfits that fail to fulfill their commitments. In this area, the N.Y. Daily News has Action Line, Box 5158, New York, N.Y., 10017. Write them.

Likewise, the New York Post has Post Action which offers similar service, write them at Post-Action, P.O. Box 513, Knickerbocker Station, N.Y., N.Y., 10002. Write the Passaic Herald-News; they also offer this service in their "Speak-Up" column.

If you are experiencing difficulty with any New York State company or firm, you should communicate with the chairperson and executive director, New York State Consumer Protection Board, 99 Washington Ave., Albany, New York, 12210 — (518) 474-8583.

If the problem concerns difficulty with a firm in the metropolitan area of New York City, write executive director, New York State Consumer Protection Board, Two World Trade Center, Room 2508, 25th floor, New York, N.Y., 10047 — (212) 488-5666.

These agencies are dedicated to the protection of consumers' interests. Anyone who gets ripped off by the cheats who prey upon innocent people dealing with good faith, should be exposed and punished for their crimes...they will go unpunished unless their misdeeds are brought to the attention of agencies that can bring these crooks to their knees.

We must all band together to crush this insidious sneak-thief type of confidence game swindler who rips off many credulous individuals who are hoodwinked by these slick operators who skirt the fringes of the law by the reluctance of the victims, who choose to hide their losses rather than admit they had been duped and taken in by the sharpies, to avail themselves of the services they could call upon to put these knaves out of their sneaky businesses.

Learn to subscribe to the adage, "If a thing looks too good to be true, it probably is." If you get stung, fight back...contact one of the agencies mentioned

### Umberto's Corner

**Dear Umberto,**  
My husband is walking around with a rainbow of 3 colors on his head. I feel guilty for the messy color job, but I don't know what to do. He is thirty-three and all grey. I bought chestnut brown and mixed the color with peroxide and applied it. It came out very well. A month went by, his hair grew so I reapplied the same color. There was some difference in the color. I followed the same process the third month. It came out in three different colors. Why did this happen?

Your Reader With the husband with a rainbow on his head

**Dear Reader,**  
Your husband had the hair that I would like to have - grey. If we could exchange I would pay a good sum. First, don't apply that type of a mixture on a man. There are colors on the market which do not contain peroxide, designed for men. If you use those peroxide colors you must apply the color on the roots first. After 15-20 minutes you apply it all over. Try this method and you'll see a vast improvement.

## Religious Viewpoint

By Rev. Robert Paul

Did you ever wonder if Noah's ark really was big enough for all those animals? On the first glance figures can be frightening. At the time of this writing science has classified 1,000,000 different species. With seven of every clean animal and two of every other kind, it would seem we need space for at least 2,500,000 animals on the ark. Can we just take it by faith? First let's note that the ark was no toy boat, but a gigantic barge with a volume of 1,396,000 cubic feet; the ark had a carrying capacity equal to that of 522 standard stockcars.

What about the multitude of animals, you may ask. Most of the list of 1,000,000 are worms, insects, one-cell animals, and sea creatures who would have had no need to be on the ark. In fact, there was need for no more than 35,000 individual vertebrate animals on Noah's ark.

Chipmunk to elephant, let's assume the average size of the animals on the ark to be that of a sheep. Currently a railroad car can fit 120 sheep on a stock car. Doing some fast figuring, the ark needed only to carry 292 stock cars worth of animals, leaving plenty of room for Noah, his family and extra hay. God provided nearly twice as much room as necessary. God provided the room for other men on the ark, if they heeded Noah's message to believe in God.

Today God provides room for all men to find salvation at the cross. Noah pleaded with men to get on board the ark, and they did not understand until the flood came and took them all away. So shall the coming of the Son of Man be.

Today God calls people to repentance. Turn from your evil ways, and invite the Lord Jesus Christ into your life to be your Saviour and Lord. (Acts 3:19.) Those who refused God's message through Noah perished. The same is true today. Those who reject Jesus Christ will perish. (John 3:36.) Come now while you have your opportunity to God's open door of salvation. (St. John's 10:9.)

## Cub Scout Pack 310 Holds Annual Dinner

Cub Scout Pack 310 held its annual Blue and Gold Dinner recently at the Montgomery Presbyterian Church, its sponsoring organization.

Honored guests included Rev. Howard Day, Cub Scout Coordinator Ed Ourganian and his wife, Betty. Rev. Day received a plaque from the pack for his continued and greatly appreciated cooperation with the group.

Cub Master Lew Vitale presented Chairperson Martha Mahoney with a flower arrangement as his special gift for her help during the past year. Cub Scouts attending the dinner were:

Den I — Jeffrey Brunello, Laju Gadhak, Michael Massina, Peter Taibi, Chris Vitale and Steven Vogel.

Den II — Wayne Fahmie, Kenneth Johansen, Devin Johansen, Matthew Kastner, Frank Lenzi,

John Matarazzo and Keith Veltre.

Webelos: Jimmy Cicalese, Steven Coponi, Danny Hywel, Jerry Mahoney, Anthony Papanotoni, Billy Salvatore and Victor Talamini.

Wolf badges, bear badges, gold and silver arrows and webelos pins were awarded to the above scouts. The Webelos and their leader, Jerry Mahoney, presented Treasurer Ginny Hywel with a plaque as a farewell gift in appreciation of her six-year involvement with Pack 310.

The buffet style dinner was catered by Daily's. Entertainment was provided by the Level One Break Dancers, a group of Belleville and Nutley students. The group not only moon walked, windmilled and backspinned through several numbers, but afterwards gave lessons to the scouts on how some of the movements are made.

### A Correction

The Belleville Times recently reported that Belleville attorney Frank Cozzarelli is representing Robert Domenick, construction code official, in an assault case involving a local citizen.

Domenick is actually being represented by Jack Gold of East Orange. Cozzarelli disqualified himself from the case, slated for a hearing in Bloomfield Municipal Court, because of Domenick's status as a municipal employee.

## Card Party, Fashion Show Will Aid Katie Reilly Fund

The Belleville High School Home and School Association will sponsor a benefit card party and fashion show March 23, 7 p.m. in the school gymnasium. The event will raise money to aid Katie Reilly, a 2-year-old in need of a liver transplant.

The association's executive board worked with the Belleville High School Student Council in planning the event. BHS students Dennis Bogden and Christina Hallum approached the association with the idea of a fund raiser for Katie.

The little girl, a resident of Pennsylvania whose grandparents live in Nutley, was examined last month at Children's Hospital, Pittsburgh. According to doctors there, a liver transplant is necessary in order to save her life. A front page story detailing the background of Katie

He noted the technically part-time post as a Belleville Commissioner was actually a full-time responsibility.

To date, those who announced plans to seek the vacant seat are Joseph Formarotto, an activist and two-time Commission candidate; Vincent Strumolo, former commissioner who lost his bid for re-election last year; Joseph Dasaro, a local businessman and member of the Belleville Redevelopment Agency; and Ralph DiRuggiero, an active resident and employee of the Essex County government.

Contenders must file for candidacy by March 22.

Reilly's condition appeared in the Nutley Sun Jan. 5. Angelo's Confessionary, 85 Union Ave., led the effort to raise money for the little girl. Since that issue, merchants throughout Nutley and Belleville have set up displays and programs to raise funds for Katie Reilly. Donations can also be sent to: The Katie Fund, Nutley Savings and Loan Association, 371 Franklin Ave.

Tickets for the Belleville High School fund raiser are \$3. Call 759-7119 for more information on the event.

## Defeat Morris Knolls 75-41

## Girls Advance in States; Apicella Reaches 3,000

The stage was set. A massive crowd was at the Belleville High School gym, there to see Jennifer Apicella do something that no other woman in New Jersey history and only one man in state history had done before, break 3,000 career points. The fans didn't have to wait long. Jenny needed just two points to break the mark and she did it just 31 seconds into the game, taking a pass and hitting a short jumper that seemed to hang on the rim for hours

before finally falling in.

The next few moments have become rather familiar to Apicella. The game was stopped, she was presented the ball from Belleville Athletic Director Jim Silvestri, she received a long ovation and her coach, Karen Fucello, announced to the large crowd that Apicella had, indeed, made history. Then, something unexpected occurred. The Morris Knolls team, whom Belleville was battling in round one of the Group

IV, Section II playoffs, presented Apicella with flowers. "That was a class thing to do," said Fucello later on. "It just goes to show that you can respect someone's talent and not be jealous of them. It was a very nice gesture from a very class team."

After all the fanfare, Apicella went back to work and in workmanlike fashion, dismantled the Morris Knolls team, popping home 39 points to lead the way to a 75-41 win. The girls, now 21-6, advanced to the sectional semis, where they battled Morristown High School last Tuesday. If they win that game, it's off to the sectional finals, either Friday night or Saturday afternoon, probably at Bloomfield High School. The girls have never been to the sectional finals before, but in this year of firsts, Belleville will be striving for yet another goal.

The Morris Knolls game, the final home game for Apicella, Dina De Aquino, Loreli Wells and Tracy Buono, went Belleville's way from the beginning of the second quarter on. "We played pretty well, considering that most of the team was sick early in the week," Fucello said. "We were pretty rusty out there at first, but we managed to get the things done we had to do."

Belleville scored the last four points of the first quarter to lead, 17-8 entering the second frame. The girls boosted their lead to 29-19 at halftime and blew the game open in the second half, using the running game to full advantage. Belleville outdistanced MK, 20-8 in the third quarter and 26-12 in the final frame to breeze to an easy win.

Donna Brooks, the only returning starter for next year, scored a career high 22 points, hitting eight field goals and shooting a perfect four for four from the foul line. "Donna played very well," praised Fucello. "However, Donna is going to have to understand that if she's going to be good, she'll have to be good in every phase of the game. She has to keep her emotions under control as well. She has a good future ahead of her."

Dina De Aquino, playing with a hyperextended knee, continued her

his fine performances all season long, should be up to the challenge.

For Meyler, he, too, lost in the championship round of the regionals. He defeated Mavata of Becton, 10-7, pinned Grosso of Cliffside Park in 3:40 of the second period but lost a tough match to Mike Fano of West Essex, 8-3. "I lost my own match," Meyler said later. "I had him late but tried for points and was taken down."

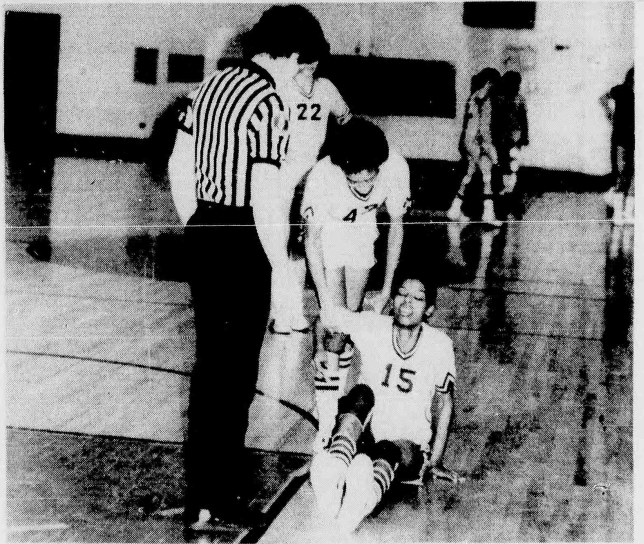

Meyler takes a record of 24-3 into the state tournament and drew Tom Pepe of Pascack Hills in the first round. Pepe came in with a 30-2 record and should provide a stiff test for Meyler. Pascack Hills brings six regional champions to the state tournament.

Dominick Cerreto was knocked out of the regionals by eventual regional champion, Tom Dunn of Lyndhurst. The final count was 6-5. Cerreto had pinned De Feo from Passaic Valley in the first round to earn the bout with Dunn. Had Cerreto earned more points in the districts, which he surely deserved, he would not have faced Dunn until the regional finals and would have assured himself a trip to the states. In any event, Cerreto, at 108 lbs., closed out a very good season with a 23-3 mark and will be back next year.

Aiding Her Teammate — Donna Brooks (43) assists Loreli Wells to her feet, after Wells was involved in a collusion with a Morris Knolls' player. Wells was okay and the Bucs won 75-41.

## Hoopsters Suffered a Year Of Frustration and Losses

March 7, 1983. Belleville High School versus Plainfield High School, round two of the state tournament. Belleville had come off a big win over Weequahic High School in round one and were now battling a team that would later win the Group IV championship and state crown. Plainfield almost never made it out of its own gym as Belleville gave the Cardinals the scare of their lives before losing the game in the late stages.

The feeling on the bus ride home that night was one of high optimism. The nucleus of the Buccaneer team was coming back for the 1983-84 season, the squad was coming off an 11-16 mark and everyone was fired up.

March 8, 1984. The season has been history for two weeks now. What started off as a season of high hopes, ended with a frustrating defeat at the hands of Kearny and a 6-18 regular season mark. The Bucs lost their top scorer, Phil Colafillo,

early in the season to a ruptured appendix, and in the process lost a man who averaged 20 points a game and pulled down 13 rebounds a contest. Mike Schacki, a 6'3" forward, had lower back problems for a good part of the season, then fractured his ankle in the Hackensack game.

Steve Kimble played the season with a bad wrist and Dave Boyd played the Nutley game with a separated shoulder and later suffered torn ligaments in his ankle. "We might have been undermanned," said head coach Joe Papisidero, "but we never believed that we couldn't win."

So, playing against powerhouse teams like Teaneck, Hackensack, Ridgewood, St. Joseph's and Passaic, Belleville battled hard, lost some tough ball games to much bigger teams, sometimes playing with a starting line of 6'0", 5'11" and 5'10".

The key to the team was the backcourt, where Joe Borrello and Danny Ward led the offense. Ward averaged 18.3 ppg., tops on the

squad this year. His two high games both came against St. Joe's, hitting 31 and 30 points in the two games. "Danny played very well for us," said Papisidero. "He was remarkable, he played hard all the time. There wasn't anything he couldn't do for us."

Ward, who became known in that Plainfield game last year, was a fine team player who will be hard to replace. So will Joe Borrello, the three-year point guard for Papisidero. He averaged 12 ppg. and dishd out four assists per contest. He was named honorable mention, NJJIL Division II, joining Ward who was named to the second team.

"Joe did so many things for us," said Papisidero. "He handled other teams' presses, was strong from the foul line and was a solidifying force. I haven't had a guard as smart as Joey since Eddie Aulisi."

Dave Boyd, a senior forward,

(See Hoopsters on page 13.)

## Wells and Ward are Named Athletes of the Month

Four years ago, she was an unsure freshman who didn't quite know her place on the varsity basketball team. Four years ago, he wasn't even playing varsity basketball and now he gets that move as a very successful high school career came to an end two weeks ago.

These two athletes, who rose to become fine high school basketball players are Loreli Wells and Danny Ward. They are the Belleville High School athletes of the month for February. Both players are seniors and both gave a great deal of themselves to their respective programs.

"She's probably the best defensive player I've ever coached," said head coach Karen Fucello of Wells. "She's all over the place, she analyzes defenses better than anyone I've ever seen. She usually draws the toughest defensive assignment, the player who usually scores the most points for the opposition."

Wells has come to play in 1983-84. The senior has shown remarkable ability throughout her career but until this season, never displayed the talent that she is showing now. Her attitude toward the game shows in her play. "I want to win," Wells has said on more than one occasion this season. "I don't care what it takes, I just want to win."

Wells started her career on the jayvee level, along with Dina De Aquino. The two of them got a taste of varsity basketball in their freshman seasons, but with Carolann Salerno, Dawn Ritacco, Rose Leonidis and Barbara Gundry in the lineup, Wells and De Aquino pretty much were relegated to jayvee duty in their freshman seasons.

In her sophomore year, Wells started to show flashes of a solid basketball player. She had a good jump shot, played tenacious defense and was at times, excel-

lent. However, her problem in her junior and sophomore seasons was a lack of consistency, something that she has taken care of this year.

"As good as Jenny (Apicella) is offensively," said Fucello, "Loreli is just as good defensively. It's just that Loreli's work does not show up directly in the box score. A defensive player has to play defense all at times. There is no rest. Loreli can also shoot the ball, but she is very unselfish. Sometimes I have to tell her to take the shot, she seems to enjoy passing the ball more."

As Wells, De Aquino and Apicella continued to improve, so did the Belleville girls' basketball team. In 1981, the team was 15-7, in 1982 it was 17-6, last season, 20-7 and so far this year, 21-6. This season, the team has advanced to the finals of the Essex County tournament for the first time, won its second straight Essex County Holiday championship, won its 21st game, which has never been done before in BHS history and will be making a bid for a first appearance in the Group IV, Section II championship game.

Wells has played the best this season, most notably, Jenny Jenkins, the junior sharpshooter of Montclair Immaculate. Jenkins was "held" to 18 points by a tough Wells "D."

"She was good," said Wells of Jenkins afterwards. "She really has a nice shot and you've got to stay with her at all times. But the bottom line is, we won and that's all that counts."

Winning. It's something that has become very important to Loreli Wells. Her desire to win and be the best that she can has been one of the main reasons for the girls' success this winter. When practice starts again next fall, it will be very dif-

ficult to replace a defensive wizard like Loreli Wells, a true competitor who has paid her dues.

For Danny Ward, the 1983-84 season was not as he pictured it back in early November. "I was hoping to crack the starting lineup and to play in the backcourt as much as I did," What Ward did was lead the Buccaneers in scoring this season, with a solid 18.3 ppg. average. His performance earned him a second team NJJIL Division 2 showing, not bad considering the NJJIL Division 2 consists of Ridgewood, Teaneck, Hackensack, St.

his contribution to our team."

As most fans know by now, the 1983-84 season was supposed to be one of excitement for the Bucs. It was a return to prominence to a team that hadn't seen a winner since 1975. The season started off well, the Bucs having won four of their first seven games. Then, Colafillo went down with ruptured appendicitis. "I remember that day vividly," recalled Ward. "When Phil wasn't in school, I knew something was wrong. He hardly ever missed school, especially the day of a game. Then, when we got on the bus, coach Paps told us that Phil was out. I don't think anyone was up to playing the game after that."

The competition that evening was Bergen Catholic, a tall order on a poor day. Without Colafillo, Belleville lost 59-38. "Without Phil, our first break didn't have that zip in it," said Ward. "Phil would pull down a lot of rebounds for us and get the break started. We weren't able to get the bounds now because we didn't have the height to match up with some of the other teams."

Despite the fact that Belleville was lacking in the height department, the Bucs never quit. "I don't think there ever was a game we didn't think we could win," said Papisidero. "With players like Danny Ward, you always think you could win."

Ward has one regret. "I didn't go out for the team until my junior year. I wish I had played sooner."

When he did come out, Ward played junior varsity for most of the season, then got a big chance when Belleville's starting guard, John Borrello, went out with a separated shoulder in the Plainfield game last March. Ward stepped in and against a team that would go on to win a state title, did a super job, breaking the press and

scoring points.

"That game helped my confidence," Ward said. "It gave me a chance to play with Joe and to learn the system."

Ward is going to miss his days at Belleville High School. He hopes to continue his career at Montclair State College or Kean next fall. He plans to major in business or science. "I can't believe the season is over already," Ward said. "I miss it, even the practices. We might not have won a lot of games, but we had a very close-knit team. I really enjoyed playing. I would also like to wish coach Papisidero and his staff the best of luck next year. He was a great coach. I learned a lot from him."

Danny Ward is the type of player that any coach would love to have on his team. He's a class act and a man that the younger players can always look up to and admire.

The Belleville High School athletes of the week are James Meyler and Mike Gibbons of the wrestling team. Both men have made it to the state championships for the Belleville wrestling team and have put together tremendous seasons.

Here is the answer to last week's quiz. The question was, name these former teams and the clubs they now represent. The New York Highlanders, the New York Titans, the St. Louis Browns and Kansas City Scouts. The answer: The Highlanders are now the Yankees, the Titans are the Jets, the St. Louis Browns are now the Baltimore Orioles and the Scouts are now the New Jersey Devils.

Joseph's and Passaic.

"Danny Ward was remarkable for us this year," said head coach Joe Papisidero. "Offensively, when we lost Phil (Colafillo), Danny stepped in and did the job. He, along with Joey, carried the offensive burden. They did a super job in the backcourt for us. Both men handled the press very well. It got to the point where other teams wouldn't press us because they knew it wouldn't work."

Papisidero continued by saying, "Danny wouldn't make something happen everytime he had the ball. Just tell him to do something and he did it. He was all for the program and I can't say enough about

# Heard At Ringside

By Steve H. Frank

Lightweight Robin Blake of Levelland, Texas, had a load of potential and appeared headed for a title fight. The youngster suddenly seems to have lost it and having a tough time getting back his winning ways. Mismanagement could be the reason. His manager isn't talking.

If anything should happen to Sugar Ray Leonard's eyes during a fight — as losing vision permanently — who would have to answer? The commission? TV/Cablevision company? Leonard's manager? Doctors? Or Leonard himself?

Representatives of Roberto Duran (Luis Spada) and Tommy Hearns (Emanuel Steward) had Monday morning to arrange a fight for the world junior middleweight crown. Promoter Bob Arum said no agreement has been reached, but the month of June was mentioned if financial differences can be straightened out.

Former WBC heavyweight champion Larry Holmes said he will engage in two more fights. John Tate in March and Gerrie Coetzee in June, and retire after a year of knuckle busting. Holmes, 34, has compiled a record of 45-0 with 32 knockouts. He was born in Culbert, Georgia, on Nov. 3, 1949. For the last 29 years he and his family have been residents of Easton, Pa.

Three more champions balk at the use of thumbless gloves. Tommy Hearns, WBC junior middleweight champ, said he would reject their use. Welterweight champions, WBA's Don Curry and WBC's Milton McCrory, said they are reluctant to defend their titles wearing the thumbless mitts. Manuel Steward, manager of Hearns and McCrory, said, "Leonard had been saying his eyes are 100 percent, yet he won't use regular gloves. If Leonard is that skeptical, he shouldn't be back in boxing." WBA supervisor James Binns added, "A challenger cannot mandate to our champions what equipment will be used."

Former world middleweight champion Jake La Motta's son was mugged in New York City last week. Police say young La Motta was a bit bruised, but you should have seen the other guy brought to the hospital.

Unbeaten John Mugabi of Uganda continued his winning streak by taking a technical knockout at 1:29 of the 10th round over James Green of Irvington, N.J., in a nationally televised (NBC-TV Ch. 4) middleweight war on Sunday at Tampa, Florida's Hyatt Regency. Mugabi had Green's left eye closed going into the ninth stanza and opened a deep cut under the same eye during the ninth when cutman Ace Marotti could not stem the flow of blood. Referee Joe Cortez took the only human action by stopping the fight the next round when Green's face became a bloody mess. Mugabi is now 21, won all by knockouts. Green has a 9-4 record.

On the Mugabi-Green undercard, heavyweight title contender Trevor Berbick of Halifax, Canada, WKO in the sixth round over Mike Cohen; former WBC junior lightweight champion Cornelius Bozo-Edwards of Uganda, WKO in third round over Trevor Evelyn of Brooklyn, N.Y.

With all the talk about the Larry Holmes-Gerrie Coetzee battle for Coetzee's WBA heavyweight title to take place in South Africa, don't be the next one. Holmes is still reluctant about fighting out side of the United States. If the fight takes place, the fight will be in late May or early June.

European welterweight champion Gilles Elbilha, 21-2, ended Nino La Rocco's undefeated string with a sixth-round TKO on Sunday at Capo D'Orlando, Sicily. Elbilha dropped La Rocco in the first round and opened a cut over his left eye that worsened as the contest progressed, finally leading the referee to stop the one-sided contest. La Rocco now sports a 56-1 log.

Former world heavyweight champ and N.Y. State Athletic Commissioner Floyd Paterson traveled over to the Scranton, Pa., area from his home and gymnasium in New Paltz, N.Y., to visit and talk with students at the schools. He made the trip at the request of Sal Algieri, formerly of Lodi, N.J., now counselor at Tunkhannock, Pa. Algieri managed Kathryn "Cat" Davis, former women's lightweight champion.

Bert Sugar, who was fired as editor and publisher of Ring Magazine by the owners, is reported attempting to get financial backers to buy out the magazine, known as the "Bible of Boxing." He was seen in deep conversation with Murray Goodman, publisher for Don King's Promotions. Is there a deal in the works?

Gregg Edelman, one of the most promising young fighters in the East, has been matched with Joey Soler of Elizabeth, N.J., for an eight-rounder Wednesday, March 14, at Atlantic City's Playboy Hotel. Edelman, 18, a junior welterweight out of Merchantville, N.J., is 8-0 with seven KO's to his record. He is trained by Quenzell Mc Call and his father, Marvin. Soler is 4-2 with two KO's. The Edelman-Soler bout will be part of a double window being promoted by Joe Verne and Joe Hand. The other half of the main event features welterweight Roger Stafford, 23-4-1, of Narberth, Pa., and June Nash, 7-0 of Frankfort, Pa. Stafford is trained by former world heavyweight champion Joe Frazier. Nash by Willie Reddish. Gregg's father, Marvin, was a leading middleweight fighter out of Philadelphia in the early 1950s. Publicity for Joe Verne is handled by Sy Roseman.

According to our West Coast correspondent, heavyweight title contender Gerry Cooney's boxing career may be finished if his left hand does not heal. He has been training daily at the Canyon Hotel, Palm Springs, Calif. That is everything a fighter does when preparing for a bout but hit the big-bag and box. Every time he has hit the big-bag or hit a sparring partner, the hand swells up.

WBA lightweight champ Ray "Boom Boom" Mancini is writing his memoirs with writer Barry Steinbeck collaborating. It's difficult to realize how much material a person of 22 years could have for a book.

Lightweight Darryl Tyson of Washington, D.C., boosted his record to 12-1 with six KO's as he off-set the rushes and bullfights by counter-punching to a 10-round unanimous decision over Carlos Santana of Detroit at Atlantic City's Tropicana. The three judges were all in agreement in giving Tyson nine of the 10 rounds to lose Santana's duels to 23-12 with 15 knockouts.

Victor "Flash" Gordon has been signed to make his third successive appearance in a main bout at North Bergen's Scheutzen Park on March 14. The popular Hillside, N.J., welterweight made short work of his last opponent, Manuel Tabrizio, by the KO route of 2:08 of the second round on Wednesday, Feb. 16. Gordon now boasts a 12-2 record with 11 knockouts.

Mike Weaver of Pomona, Calif., former WBA heavyweight champion, will meet washed-up Tommy (Franco) Thomas of Clarksburg, W.Va., on the undercard of the former WBC heavyweight champ Larry Holmes of Easton, Pa., vs. John (Glass Jaw) Tate of Marion City, Arkansas, at Reno, Nev., April 6.

There was no fight card scheduled for Atlantic City's Tropicana, Tuesday, Feb. 28 by co-promoters Don Elbaum and Ted Menas, but the "Tuesday Night Fights" resume March 6 when the promoters bring in the highly publicized light heavyweight Prince Mamah Muhammad, originally from Ghana, now fighting out of Hollywood, Calif., to go against Philadelphia's Jerry Martin in a 10-rounder according to publicist Jim Taylor.

English heavyweight Joe Bugner lost a 10-round split decision to Steffen Tangstad of Norway on Friday in Copenhagen. Bugner was three-time European champion. He fought five times in the U.S.: Nov. 17, 1971, Mike Boswell at Houston, Texas; Feb. 14, 1973, Muhammad Ali at Las Vegas; March 20, 1977, Ron Lyle at Las Vegas; May 8, 1982, Ernie Shavers at Dallas, Texas; and May 4, 1983, Marvin Frazier at Atlantic City.

# Recreation Basketball Leagues Start Playoff Competition With Big Games

## Men's League

The opening round of the Belleville Men's Basketball League took place on Thursday, March 1 with four games.

The Knicks raised their record to 5-7 and moved into a contest against the Martucci Brothers as they beat Mr. Muggs, 72-56. D. Kiel scored 24 points and teammate G. Mastielli added 17 for the winners. Mr. Muggs was led by M. Veniero's 19 points and finished the season at 4-8.

Paced by K. Fisher's 28 points and E. Jernigan's 20, Club 36 East moved into a playoff game against Nutley Pub as it slipped by Suburban Cablevision, 78-64. Finishing the season at 1-12, the losers were paced by R. Johnson (20) and Ron Pennetti (18).

Tony Gordon scored 17 points and teammate P. Blacer scored 13, leading Rocky's Raiders past Ten-Two, 66-49. The winners (8-4) now face For Pete's Sake. K. Smith's 22 points was wasted, as Ten-Two's season ended at 3-9.

With a chance to meet Rosebud's Pub, Tobler rolled over RLM Graphics. The winners were paced by C. Stetson (27) and R. Clark (23). RLM finished winless for the season and hope for a better season next year.

## Over 30 League

The final week of the regular season in the Belleville Men's Over 30 Basketball League was held Feb. 29.

Vito Sylvestro's Meat Market lifted its first place record to 10-0 as the team defeated Tobler, 48-38. J. Rush led the way with 19 points and Vito's faced Miele's Caterers in the first round of the playoffs. The losers

finished in second place (7-3) and were led by M. Higgins with 13 points.

In a very close contest, Sally's Auto slipped by the Belleville Knights, 49-44. The winners were paced by D. Dunn who scored 32 points to lift their record to 7-3 and give them a playoff game with Radio Shack. The Knights ended with a season mark of 2-8 and face Tobler.

## Boys' Senior League

The 1983-84 Belleville Recreation Senior Boys' Basketball championship game was held Feb. 28 at the Middle School. The competitors were Walker Transport and Village Video. Finishing with a fabulous 10-0 record and the championship was Walker, as it won 58-50. The winners were paced by Ricky Wells, who poured in 22 points. A. Rock and D. Brooks had 10 apiece. The game was tied at 24 at halftime but Village Video, paced by J. Apicella (19) and P. Dorizas (14), couldn't pull away and eventually ran out of time. The game was beautifully played and the losers (7-3) have much to be pleased about.

## Suburban Boys' League

The Belleville Recreation Department's entry into the Suburban Junior Boys' Basketball League defeated Millburn, 41-37 in the playoff final on Saturday to capture the 1983-84 championship. The Belleville squad, competing for its first year in the league, finished the season with an impressive 14-1 record overall, with its only loss coming at the hands of this same tough Millburn team.

The seventh-eighth grade Buccaneers took an early lead in the final game and never let go. Both teams played well defensively, as indicated

by the low halftime score which tallied less than 30 points combined by the two teams. Belleville, however, played a strong second half, leading at one point by a 14-point margin before Millburn staged a valiant comeback effort which fell short.

Coached by Rocco Colucci, the championship team consisted of Chris Chiarmonte, Frank Citarella, Vito D'Alessio, William Dinnerstein, John Fortunato, John Groome, Jay

Marchese, Kevin Marion, Leon Puentes, Todd Rogers, Ted Suchaski, George Speer, Domenick Straface, Steve Tice, Ray Zamlot and team manager Chris Cantarella.

Meanwhile, in the Suburban Junior Girls' Basketball League, the Belleville seventh-eighth grade Buccaneers (4-6) dropped a 31-23 decision to New Providence (7-3). Belleville was paced by the game's high scorer Judy Nehila with 14 points.

# Applications Available For Rec Spring Sports

The Belleville Recreation Department has announced that applications for all recreation baseball and softball leagues for Belleville children, ages 8 through 15, are now available in each public and parochial school, as well as at the Recreation House.

Children who are 8 years old before Aug. 1, 1984 and who will not be 13 before July 31, 1984, are eligible for organized baseball in either the Peanut, Junior or Little Leagues.

Those children wishing to play in either the Peanut or Junior Leagues must completely fill out their applications and return them in person to the Recreation Department at 407 Joramelon St., before March 16.

# Rec Coaches Are Needed For Spring

The Belleville Recreation Department is seeking coaches for its boys' baseball and girls' softball leagues. Men or women interested in coaching a team in the peanut league baseball for ages 8-9, pee wee league softball for ages 8-9, junior league baseball for ages 10-12, pigtail league softball for ages 10-12, intermediate/senior league baseball for ages 13-15 or in the junior girls' softball league for ages 13-15 are urged to contact the Recreation Department at 759-3142 as soon as possible.

Sportsmanship, basic skills and fun are the objectives of the leagues. Every player on each team who attends required practices will play in every game. Come volunteer your time and share your interest and knowledge with the youngsters in town.

with their birth certificates.

Applications for girls' softball and senior/intermediate baseball are also available. Girls who are 8 years old before Aug. 1, 1984 and whose 10th birthday falls after July 31, 1984, are eligible for Pee Wee League softball; girls 10 years old on Aug. 1 and whose 13th birthday falls after July 31, 1984, are eligible for Pigtail League softball; and girls 13 years old on Aug. 1, 1984 and whose 16th birthday falls after July 31, 1984, are eligible for Junior League softball. High school freshmen or J.V. team players, or Suburban League team players (seventh-eighth grade) are not eligible, however. All applications must be returned to the Rec House with birth certificates by Friday, March 16.

Boys ages 13 through 15 on July 31, 1984 are eligible for Intermediate or Senior League baseball. All applications must be returned with birth certificates to the Rec House by March 16. Boys who are playing organized high school ball are not eligible, however.

In all cases, the applications must be completed in full and signed by a parent, and all returning players must re-apply. Applications accepted after the March 16 deadline will be considered late and will be treated accordingly. The Rec House hours for baseball-softball registration are Monday-Friday 8:30 a.m.-noon and 1-4 p.m. The office will also be open one night a week for registration — call 759-3121 for time and day. All children attending required practices will play in every game. The leagues stress sportsmanship, basic skills and fun.

High school boys who are not involved in interscholastic baseball nor the recreation baseball leagues and who would be interested in playing Senior League softball are urged to contact the Recreation Department for more information.

## Assembly Honors Jenny Apicella For Setting State Scoring Record

Assemblyman Steve Aduato (D-30) sponsored a resolution declaring Feb. 27 Jennifer Apicella Day. Apicella is New Jersey's all-time leading girls' basketball scorer. The resolution passed the Assembly unanimously.

Apicella, who was the Star-Ledger girls' athlete of the month, broke the previous record of 2,745 points by scoring 38 against Bayonne High School on Feb. 9. She currently has 2,998 points and is listed as an All-American as well as one of the top 25 players in the nation by USA Today and Parade Magazine.

Aduato commented on the resolution, "It is my privilege to sponsor this resolution honoring this tremendous athlete who shattered all scoring records in New Jersey High School basketball. Aside from being gifted on the court, Jennifer Apicella is a great individual who her family, the Town of Belleville, and the state can take pride in. I wish her the best of luck in her college career."

Apicella also commented on the resolution bearing her name, "This is one of the biggest thrills of my life. To be recognized on the floor of the Assembly by my parents, coaches, and teammates is something I'll never forget. I would also like to thank Assemblyman Aduato and

the members of the Assembly for making this happen."

Jim Grogan, New Jersey president of the Building and Construction Trades, was on hand to present

trophies to team members.

Also in attendance were Karen Fucello and Debbie Meola, the coaches, and Apicella's parents, Tom and Eileen Apicella.

marvelous passing display, tallying six points, and dishing out eight assists. Lorell Wells scored a season "high" six points, but by now everyone knows that Wells' true forte is her defensive prowess. Cheryl Marion, the hero of the Irvington contest, hit for a field goal for two points.

As the fourth quarter wound down, Fucello removed her seniors one by one and presented them with flowers for their final appearance at Belleville High School. With 1:47 left in the game, the five players on the floor for Belleville represented the core of next year's squad. Sheri Phelps, Sheri Sorrentino, Angel Greco, Desiree Johansen and Marion are the names that you should hear a

great deal about next year. The five seemed a bit in awe, playing in front of a huge crowd in a state playoff game. Along with Brooks, they will be the athletes whom we will be cheering for next year. Let's hope they receive the same support that this year's team has been receiving.

As for Morristown, the girls have not fared well against them in previous encounters. The last time they battled, in 1981, Apicella, then a freshman, scored 35 points in one of her best performances ever, but Belleville lost by 12 points. In 1979, Morristown eliminated Belleville from state competition as well, this time in the first round.

The last two seasons, Belleville has made it to the sectional semis but have lost to Irvington in the semifinals. This year, Belleville has won 21 games for the first time, they advanced to the Essex County finals for the first time and now they will try for the sectional finals for the first time. It would be a fitting conclusion to a marvelous season.

**NOTES:** Apicella tallied point number 1,000 in February 1982 on two foul shots against Nutley, at Belleville High. Number 2,000 came at Belleville High School, versus Shabazz, in the semifinals of the Essex County Tournament, February 1983. The magic points came on a driving layup. For the year, Jenny is averaging 35.6 ppg., Brooks 10.9 ppg. and De Aquino, 9.7 ppg. Jenny shooting 85 percent from the foul line.

counted the most. Had he wrestled in January, he might have been even better for the districts.

For Meyler and Gibbons all the hard work has come down to an appearance in the state championships. Both men stand a good chance of advancing in the states, hoping to bring home a state crown. For the first time since Musmanno won the title in 1980,

round, breezing by George Finkelday of North Bergen, 13-0. Unfortunately the state champ at 115 pounds from 1983 was next. He was Pete Gonzalez of Ridgefield Park and Giuffrida ended up a pin victim at 1:28 of the first round. Giuffrida closed out a very impressive career, with a 17-5-1 record in his senior year.

At 140 pounds, Ralph Zarro lost to Mike Derin of North Bergen, 8-2. Zarro ends his junior season with a record of 15-9-1 and a good deal of experience for next season.

Finally, James Racanelli, wrestling at 148 lbs., defeated Don Butler of Caldwell, 6-0 in overtime. In round two, "Rac" lost to eventual region champ, Bill Blume of Cliffside Park, 20-4. Racanelli ends his varsity career with a 6-6 senior season. It may not be an outstanding record, but "Rac" won when the matches

averaged six points a game and 15 rebounds a game. Boyd's forte was defense and it earned him an honorable mention on the NNJFL team. He was a great team player, a man who played with pain, who gave everything for the team. His best game might have been the season finale when he almost beat Kearny single-handedly, watching his tying field goal at the buzzer being waved off on a very questionable call. Boyd is a top student and should do very well in his collegiate years.

Senior Brian Cook, the "sixth man" for Papisidero this winter, was a steady influence all season long. "He came off the bench for me and showed a great deal of maturity," said Papisidero. "He put a lot of time into the program and was a very good player."

What can you say about Phil Colalillo. In his junior year, he broke the 1,000 point mark, was the second leading scorer in Essex County, the second leading scorer in the Herald News Area, the first player in BHS boys' history to break 1,000 points in his junior year. This season, he was averaging 20 points a game. "He was just getting into the groove," said Papisidero. "He was right in state." The Blues were 4-3 and facing a tough week with Bergen Catholic, Nutley and Teaneck. Then, the Sunday before the Bergen Catholic game, Colalillo was rushed to the hospital, admitted with a serious appendix problem, his season on the shelf.

Papisidero also praised the work of Joe Scappierotta and Mark Foley, the team managers for the last four years. "They did an excellent job for us, they did so many things that go unnoticed."

As for next year, Steve Kimble, Mike Sochaski, Danny Riordan, and Nick Solomon will be the leaders. The four juniors all received a great deal of playing time and have been with the program since their freshman season. Also expected to see time are sophomore Donald Washington, junior Oswald Stefanon and freshman Lou Ba La.

## Subs 'n' Stuff Capture Rec Title

Subs 'n' Stuff captured the league championship in the Belleville Recreation Men's Volleyball circuit last week as they stormed past Belleville Political and Social Club, 15-10, 15-5. The winners, 12-0 this season, were represented by Greg McTigue, Anthony Ferrentino, Teddy Scerriella, Bob Corda, Mark Morrello, Pete Montesano, Bruce Pigianno, Jim Caruso, Lou La Torre, John Leverich, Dante Pantalone and John Cataldo. BPSC is now 6-6.

DeLorenzo Construction improved to 10-2 as they turned back Perfection Knife Grinding (4-6), 15-9, 16-14. Seifert Distributors (5-7) defeated The Slams 15-10, 15-8; and Miele's Caterers accepted a forfeit from For Pete's Sake.

Also, the Blues' suburban seventh and eighth grade team won the championship of the Suburban League under the leadership of Rocco Colucci and Papisidero believes that many of those players could make an impact on the varsity level within the next year or two.

"It was a season of character building," said Papisidero. "We could have been characters or built our characters. We did the latter. The kids gave everything they had. That's all I can ever ask for."

# Town Fathers Veto Alcohol Clinic Here

(Continued from page one.)

sent program patients come from the area covering Belleville, Bloomfield, Montclair and Glen Ridge.

Cimerola also noted that many patients are referred by employers and must complete the program in order to retain their jobs. He said a number of those were from Belleville, but declined further identification.

During both presentations, Commissioners questioned whether their votes really carried any authority in the matter, since the site in question is owned by the county.

"Even if we turn it down, can the county overrule us and put it there anyway?" Mayor Michael Marotti asked. Commissioners said they tried since last month to get a response from the county regarding jurisdiction in the matter but to no avail.

However, the Mountainside administrator said Monday, "Rest assured, if Mountainside doesn't receive local approval, we won't put a project of this size and expense here."

He noted the hospital would undertake a lengthy and costly renovation of the site if approved.

Cimerola also informed Commissioners that the county had approved Mountainside's program and directed the hospital officials to seek approval by the municipality.

However, objecting citizens made themselves heard publicly for the first time this week.

Joseph Dasaro of the Belleville Redevelopment Agency drew applause from citizens when he strongly opposed the measure.

"It's time we told the county Belleville will no longer be a dumping ground for them," he declared.

In a surprise revelation, Dasaro said that he learned the county plans to divest itself of the property now occupied by the Geriatrics Center.

Dasaro claimed he heard of the plans directly from County Executive Peter Shapiro on a recent trip to Washington.

Although unofficial, the option to seek that property is under consideration by county officials, according to Tom Malcolm, the county's director of public information.

Malcolm said Tuesday the possibility is still "very tentative" and if a decision is made to sell the property, the final transaction would be "years down the road."

Malcolm also stressed the county's position that if the option becomes a more serious possibility, nothing would be done until all the patients in the Geriatrics Center could be accommodated in either a new facility built by the county or some combination of a new facility and private nursing home.

Dasaro noted that such a move could render that property very attractive to developers and predicted it might yield over \$40 million in tax rates.

The Mountainside representative indicated that since the hospital would only be leasing the desired two floors from the county, they would be equally willing to continue as a tenant with any prospective developers.

However, Dasaro urged Commissioners it would be difficult at best to encourage development on a site that housed such a rehab operation.

"We might be able to see a senior citizens' housing or condo developments there, but not with something like this on the site," said Dasaro.

He urged commissioners, "Belleville is on the growth. Don't take a step backwards now."

Several citizens shouted out their disapproval of the plan, fearing threats to the health and safety of their neighborhoods.

Tom Genmaro said, "It's terrible to put something like this in an up and coming town like Belleville." He voiced the fear of several citizens that approval of the alcoholic rehab clinic would open the door to drug clinics as well.

Although assured by Cimerola that would not happen, citizens were unconvinced.

Despite a defeat, the hospital administrator plans to continue the fight for the Belleville site.

"I really think the outcome has been based on too many misconceptions," said Cimerola, who expressed confidence that with additional opportunities to present his case to both citizens and officials, the decision might be reversed.

"We have the highest of recommendations from businesses and numerous panels that handle such affairs," said Cimerola.

In fact, during the Monday caucus, Commissioner Joseph Grande said a spokesman for the Wallace and Tiernan Co. in Belleville had highly recommended the Mountainside program.

"That's good enough for me," said Grande, indicating what seemed to be a receptive attitude that abruptly reversed itself when the matter came to vote.

"I didn't like when he (Cimerola) said Belleville was a last resort site selected and I heard what the people have to say," said McGreevey.

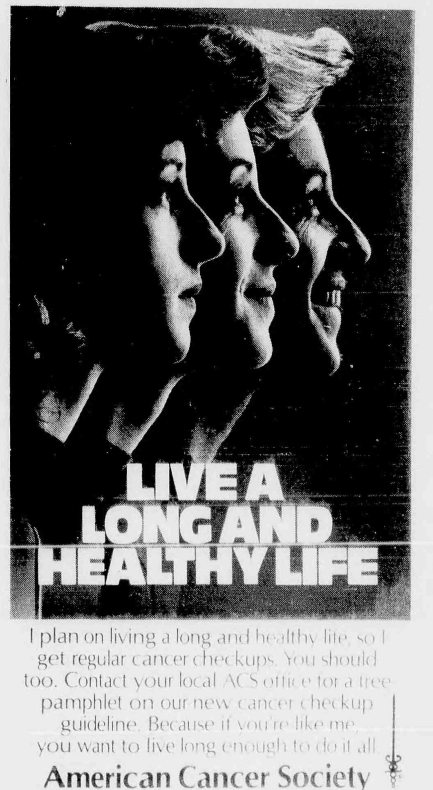

Actually, Cimerola had said Mountainside investigated numerous possible sites, but selected Belleville's because of the proximity to the Montclair hospital, the convenience of Claris Max Hospital which could make use of the program, and because the dormitory arrangement of the Geriatrics Center wing was suitable for its needs.

## "A NIGHT OF NOSTALGIA" TO REMEMBER!

Tickets will be going on sale March 9th for "A NIGHT OF NOSTALGIA" sponsored by the BELLEVILLE CHAMBER OF COMMERCE. "A NIGHT OF NOSTALGIA" will be presented - concert style - at the Belleville High School Auditorium, with one show only at 8 p.m. on Thursday, April 28th, 1984. Lou Cienia of Charles Jewelers on Washington Avenue, chairman of the concert committee for the chamber has announced that featured in this musical gala will be the opening act of LEE ESTRADA - with his Tribute to Elvis. Lee Estrada recently finished a "SRO" engagement at the Club Bene in Morganville; followed by the teenage idol "DION and the BELMONTS" who will be remembered by their many fans for hits such as "Teenager in Love," & "Short-Shorts." The finale will be spotlighting the ever popular group "Freddie PARRIS and the FIVE SATINS" who gave us the hit tune "In The Still Of The Night." CTME Productions of Nutley have customized this array of talent for a fun filled "Night of Nostalgia" for all ages. Proceeds will be used for community activities.

Information and ticket locations throughout Belleville are available by calling the Belleville Chamber of Commerce - 759-4848, Monday through Friday from 10 AM until 2:30 PM or contact Lou Cienia 759-2468. Watch your local newspapers and cable T.V. stations for further announcements....

Dear Homeowners,  
As you may already know, we have been in the home improvement business in this area for several years with 95% of our jobs being acquired strictly on a referral basis. We have found this to be a very rewarding as well as successful method of conducting business, one which has led us to a position where we can now provide our "referral oriented workmanship" as well as handle your financial needs all under one roof. As a result of these positive developments, we have established a small showroom and office, and it would be my pleasure to meet with you there to provide information on the construction methods and materials we shall supply. If it would be more convenient for you to have us visit your home to discuss your home improvement needs, simply call our office to arrange an appointment.  
Sincerely,  
John Kelly, President
