School Budget Trimmed \$145,000

School trustees and Town Fathers agreed to trim \$145,000 from the school budget Tuesday night, thus saving taxpayers more than 3 tax points.

After more than two hours of discussion, the two boards reached a compromise, by deciding to reduce the school budget's capital outlay by \$145,000. Capital outlay is used for building repairs.

Originally trustees said that no cuts could be made without having an "adverse effect" on education, while Mayor Michael Marotti called for the trustees to trim \$176,000 from the budget, which was defeated by voters last Tuesday.

"As the chief school administrative officer, I certify to the members of the Belleville Board of Education and the governing body of the Township of Belleville that the school budget presented to the voters on April 3 reflects the absolute minimal educational needs of our community," said Michael Nardiello, superintendent of schools. "We need the monies included in this budget to provide for continued educational growth. This budget was subjected to constant review and revision and the final draft is reasonable and realistic. I very strongly recommend that you allow the budget to stand as presented."

Trustee Gabe Nazzola also asked the Commissioners not to trim the budget.

"When we first sat down with the budget it was \$18.1 million," he said. "It is now at \$16.8. We did a lot of trimming and cutting to get this budget down to the bare bone. We have taken every possible avenue available to save the taxpayers' money, but our interest is also the children of this community. We cannot afford any more cuts."

Grace Purdue Re-elected Board President; D'Agostino Appointed as Vice President

Board Officers — Grace Purdue and Dr. Anthony D'Agostino were elected Monday night as officers for the Belleville Board of Education. Mrs. Purdue was re-elected as president for a second year, while D'Agostino, the board's senior member, was appointed vice president.

By Ed Capparucci

In what could only be termed as a quiet and uneventful reorganizational meeting, trustees re-elected Grace Purdue as president to the School Board for the second consecutive year on Monday night, while Dr. Anthony D'Agostino, the board's senior member, was appointed as vice president.

Three new board trustees were sworn-in at the start of the meeting: Sy Grossman, Phil Linfante and Ernest Zoppi.

Purdue was the only trustee whose name was placed in nomination for the president position as she was elected unanimously by a 7-0 vote.

"Being re-elected is nice for two reasons," said Purdue. "First of all, last year the board went in blind with its appointment of me. You never know how a person is going to do when they are elected. So to be re-

elected is an honor. The second reason is the support I received from Sy Grossman. I worked with him when he was an administrator and I was a trustee, so it is nice to see his confidence in me and for him to give me his support."

Two names were placed into nomination for the vice president post. Dr. D'Agostino and John DiStasi. D'Agostino won by a 4-3 vote, with votes from Zoppi, Grossman, Gabe Nazzola and himself. Purdue, DiStasi and Linfante, who placed DiStasi's name into nomination, voted against D'Agostino's appointment.

"I would like to give my continuing support that this board will continue with its positive accomplishments," said D'Agostino, who is serving as the board's vice president for a second time. "With all the accomplishments which have taken place, especially in the past four years, I believe we will continue with the force and courage to move on. We have made many positive steps forward and Belleville is now on the way and moving."

All three new trustees had words of thanks to share with the large crowd which turned out at the high school Monday night.

"Candidates do not win elections, people do and I would like to thank all the people who supported me last Tuesday," said Zoppi, who had served on the board as a trustee from 1978-81.

"I sit here with six good people and I believe that this school system can only go forward. And I will be happy to be a part of it."

"I would like to extend my gratitude and thanks to the residents of Belleville who elected me and have shown they have confidence in my abilities," said Sy Grossman, who will be no stranger to Board of Education meetings, having served as assistant superintendent of schools for 10 years, before his retirement last July. "I want people to remember that the children will be foremost in my mind and everything else is secondary."

The final newcomer to offer his thanks was Linfante, who was the top vote-getter in the election.

"I would just like to thank everyone for the turnout and for supporting me during Tuesday's elec-

Cherry Blossoms Scheduled For Arrival During Next 2 Weeks at Belleville Park

By Linda Telesco

Spring has finally arrived and Belleville will take on the season's rosy glow this weekend when Cherry Blossom Land officially opens in Branch Brook Park.

Thousands of locals and tourists each year visit the spectacular collection of 2,700 pink, lavender, and white Japanese trees, considered one of the finest collections in the world.

"We expect this year's display to be a very good one," said Lisa Lopusznik, a public information officer for Essex County Parks system which oversees the park that spans both Belleville and neighboring Newark.

Despite the extreme weather conditions of March, which can affect these delicate trees, officials anticipate that all 28 varieties of cherry blossoms will show their beauty this month.

To celebrate, the county has a full schedule of events centered around the theme "East Meets West," a festival of Japanese culture that will feature Japanese and American performing arts, visits by Japanese dignitaries, and other special displays both in the park and in the Newark museum, most of them free of charge.

April 15 is the day the trees are expected to blossom and visitors can enjoy the display which runs primarily along Mill Street from Washington Avenue to Newark.

Special programs on Sunday include a performance by the Soh Daiko Drummers at 2 p.m. and a demonstration of traditional Shima dance by Shigemohu Tanabe at 3 p.m.

All performances will be held in the park area across from Clara Maass Medical Center. Visitors are encouraged to bring their own chairs, blankets and picnics.

Also on Sunday, visitors can enjoy a recreated Japanese spring afternoon by wandering to the picnic area on Mill Street near the park bridge. There, beneath the pink and white boughs, poets will recite English "haiku" — a form of Japanese poetry.

On April 21, a van tour of the cherry blossom stands will be offered between 10 a.m. and 3 p.m. The tour costs \$2.50 per person and pre-registration is required. Call 228-2210.

For a Japanese flavored Easter Sunday, stroll to the performance

area and see Kazuko Moriaki demonstrate Shima dance at 1 p.m.

At 3 p.m., the Sacred Heart Cathedral Concert Orchestra, under the direction of Maestro Thomas Michalak, will give a concert featuring springtime symphonic dances.

The festival culminates on April 29 when the fourth annual Cherry Blossom Run begins at 10 a.m. with an anticipated 2,000 runners expected to cover the 6.2-mile course.

Later that day, Tadashi Nakamura demonstrates Seido Karate at 1 p.m. and at 2 p.m. the Garden State Concert Band, under the direction of Dominick Ferrara, will play a spring medley that includes themes from "Madame But-

Belleville Businessman Arrested on Drug Charge

Belleville businessman Frank Polizzi was one of 38 persons arrested by federal agents Monday in a major bust of an international drug trafficking ring that distributed heroin in the United States.

Polizzi, 49, was considered by officials to be an "essential figure" in dealings between the New York and New Jersey factions of the ring, which distributed the drug through pizza parlors in various states.

Polizzi is the owner of the Washington Avenue restaurant Casa Polizzi. He also operates the Belleville Motor Lodge at the same location and owns Polizzi Builders in Belleville.

He was arrested 6:30 a.m. at his home on Linn Road in Nutley last Monday, according to Mike McDonald, a special agent for the FBI in Newark.

Polizzi was one of five New Jerseyans arrested Monday in connection with the ring. All were charged with violation of federal drug laws relating to the possession of drugs with intent to distribute and

the importation of controlled dangerous substances.

Arraigned Monday afternoon in Newark before U.S. Magistrate Robert Cowen, Polizzi was being held that night at Metropolitan Corrections Center in New York, along with two other arrested Jerseyans, on \$10 million bail each.

An April 19 hearing before Judge Cowen in Newark is slated.

The arrests were the result of a 13-month investigation in New Jersey, according to W. Hunt Dumont, the state's U.S. Attorney.

New Jersey is one of seven states involved in what authorities consider one of the most important cases developed by the government against organized crime drug trafficking.

Officials report the ring imported at least 330 pounds of Southwest Asian heroin annually, valued at \$1.5 billion.

The heroin was imported, officials said, from various European and South American locations and

Christ Church Hosting Dinner Friday, April 13

The Christ Church will be serving a fish and chips dinner by Thompson's, Friday, April 13, from 5 p.m. until 7 p.m. at the church, 393 Washington Ave.

The cost for the dinner, which includes coffee or tea and dessert, is \$5 for adults, \$4.50 for senior citizens and \$3 for children under 12. Tickets are still available on a limited basis and can be purchased at the door that night.

As an added attraction, a free raffle ticket for a Cabbage Patch Kid will be given with each dinner that is served. Raffle tickets can be purchased for \$1 each, for anyone not planning to attend dinner, but would like to adopt Stanley, the Cabbage Patch Kid. The drawing will take place at 7 p.m.

Construction Starts At Bellevue Court

Construction is now under way on Bellevue Court, the new condominiums being built on the site of the former Parillo's Restaurant on Harrison Street.

Govel Realtors, the Belleville-based real estate organization that is sales representative for the new condominiums, reports Bellevue Court is slated for completion in June.

"Reservations and deposits began being formally accepted the latter part of March," says Herb Greenhalgh, vice president of Govel Realtors, "although we already have a list of more than 150 prospective purchasers." The keen interest in the new condominium development has led Govel Realtors to predict a complete sell-out of all 16 condominium units prior to completion of construction.

Priced from the high \$70,000s, the two-bedroom condominiums, half of them featuring game rooms, offer such standard features as

balconies, air-conditioning, wall-to-wall carpeting, energy efficiency, garages and work-saver kitchens with all modern appliances.

Located at the intersections of Harrison, Brighton and Bellevue avenues, Bellevue Court also offers an exceptionally convenient location within easy commuting distance to Manhattan, the New Jersey Meadowlands and in close proximity to all major highways.

"Bellevue Court is offering luxurious, well-designed condominiums well within the financial grasp of today's average homebuyer," Greenhalgh says. "This fact helps explain the phenomenal interest in these condominiums."

Govel Realtors anticipates occupancy of the condominiums to begin this summer. At present, all information regarding Bellevue Court can be obtained through Govel Realtors, 727 Joralemon St.

Harry Ford Promoted At Autronica Marine

Former Belleville resident, Harry S. Ford has been promoted to vice president and director of technical services at Autronica Marine U.S.A.

Autronica Marine U.S.A. represents the Norwegian companies Autronica A/S and Moland Automation A/S, covering a broad range of marine electronic monitoring and alarm systems.

Ford's extensive background in the electronic and marine field includes consulting, electronic systems design, marketing, and field service engineering. He has been involved with shipboard computerized controls, diesel engine condition monitoring systems, engine controls, automation equipment, and monitoring systems.

Ford obtained his B.S. in electrical engineering and his M.B.A. in management (for executives) from Fairleigh Dickinson University, Rutherford. His continuing education includes a microcomputer systems course at Massachusetts Institute of Technology, Dale Carnegie Leadership Course, and has traveled worldwide for marine systems training.

Jim Cozzarelli of Irvine-Cozzarelli Memorial Home at 276 Washington Ave., will be appearing on WPIX, Channel 11, Thursday, April 26, at 10:30 a.m. The topic to be discussed will be consumerism, the attitude of the public dealing with funeral expenses and services.

Jim is a firm believer in fairness and supplying the bereaved a service they can afford. His beliefs are explained in an article, "The Other Side of Joy," which he wrote in The Forum, a professional journal published each month. He has appeared on numerous radio talk shows such as WABC, WOR and WJNY.

Jim is a family man, with his lovely wife Betty Ann and their two children, Tara Ann, 4, and James III, 19 months.

Congratulations to Sal Melillo who owns Flowerama, 180 Washington Ave. Sal was presented with the American Floral Service Award. This award is presented annually by Herman Minder, the president of A.F.S., honoring the top 100 florists in the entire nation. The plaque, made of solid walnut and brass, can be seen at Flowerama. Sal will be more than happy to show it off.

On Feb. 10 at 1:30 a.m. there was a resounding crash heard on Washington Avenue. A car smashed through the front window of the C & D Deli at 116 Washington Ave., damaging the front of the building and air conditioning unit inside.

The proprietor, George Baker, was summoned from a sound sleep and had to stay at the deli all night until firemen could board up the window area. George rebounded quickly from the shock, made the necessary repairs and now it's business as usual. Bravo George.

Baker, besides owning a great deli, is the president of the "Soundations," a very well known junior drum and bugle corps in Belleville.

Pharmacy Footnotes

Vincent Cozzarelli Reg. Ph.

A closer relationship between the consumer and pharmacist is coming back into vogue. In fact it is only relatively recently that the two have lost contact, since the 1930s and 40s. At that time colleges of pharmacy determined that it was inappropriate for pharmacists to advise patients, and people began to rely more heavily on their doctors for medical advice. Also at that time pharmacies began to be built with imposing designs—raised prescription booths and glass partitions—which inhibited communication. These conditions are changing however. Unlike a doctor, a pharmacist is not trained to diagnose, but if a patient can safely identify his symptoms, the pharmacist can usually recommend non-prescription products and certainly monitor multiple drug therapy.

Part of your pharmacist's responsibility is as the interpreter of your physician's prescription for you. For prompt service on prescriptions come to REDSMOORE PHARMACY, 338 Washington Ave., 759-1908, 759-1956. We are Medicare and Blue Cross approved. See our fine selection of greeting cards, cosmetics and toiletries for Easter gifts. Hours: 9am-10pm daily, 9am-9pm Sundays.

ToughLove Program Helps Parents Cope With Their Problem Children

By Ed Capparucci

As all parents know, bringing up children can be a troublesome at times, but rearing kids who are involved with drug or alcohol abuse can be a horrifying experience to all family members.

A child involved with drugs or alcohol disrupts the entire household

'Our parent support self-help group is designed for parents who are having problems with their kids. The child is disturbing the home and winning the game. We deal with behavior problems, drug and alcohol abuse and help the parents assess the situation' — Debbie Linder, Livingston ToughLove representative.

and causes anxieties not only between the child and his parents, but between the husband and wife themselves. That is why the ToughLove program was formed years ago.

ToughLove, which has chapters throughout the country — including one in neighboring Nutley — is a program consisting of parents who are having problems handling their child's drug or alcohol problem. It is a group self-help organization, which teaches parents how to cope with the children's problems and pull their family life back together once again.

Now several parents in Belleville are looking to form a ToughLove program here.

"I believe there is quite a large

problem with drug and alcohol abuse in the township of Belleville," said Marleen Cetrulo, who along with her husband, has started the drive to bring a ToughLove chapter to Belleville. "We belonged to the ToughLove group in Nutley and had the idea to start our own chapter here in Belleville. There are many parents whose children are suffering from drug and alcohol abuse, but the parents are afraid to go for help because they do not want to publicly announce it. They feel like they are failures in bringing up their kids."

The push to start a Belleville ToughLove got under way several weeks ago with a meeting held at the Montgomery Presbyterian Church, which included guest speakers from Integrity House, the Essex County Prosecutor's Office and a ToughLove group representative.

"This meeting was called together by folks who are concerned with the things going on in our community," said Rev. Howard Day, who hosted the program. "There are all kinds of sad stories we hear everyday about children who become the victims of drug and alcohol abuse, but we are here to change all this."

Debbie Linder, from the Livingston ToughLove Chapter, told the small group of parents who attended the meeting about the ToughLove organization.

"Our parent support self-help group is designed for parents who are having problems with their kids. The child is disturbing the home and winning the game," she said. "We deal with behavior problems, drug and alcohol abuse and help the parents assess the situation."

"Everything is confidential and once parents begin to accept the problem, they are no longer embarrassed by it. The major problem is getting parents to admit there is a

problem in their home and they are having trouble handling it," she continued. "It hurts to see kids going down the tube, because it makes parents feel like failures. But

out here tonight you have shown that you give a darn."

Despite a small turnout at the meeting, Mrs. Cetrulo is confident that the program will grow in Bel-

Parents Who Care — Debbie Linder, a representative of the Livingston ToughLove program, explains to Belleville parents about the organization and its benefits. The ToughLove program helps parents cope with their children who are involved with drug or alcohol abuse, or are suffering any other behavior problem.

children have to learn that they are responsible for their behavior and parents must establish a bottom line.

"We will help you set up a plan on how you can help your child, and sometimes it gets very tough," she said. "For example, once the child turns 18, there may come a point where you will have to lock the door behind him. It is either straighten out or else. But you must remember, it is not your choice whether your child straightens out, it is his. What you need is to get your self-respect back because if you can't respect yourself, how will your child?"

Joseph Pariso, who works for the Essex County Prosecutor's Office, and tours the county giving lectures to parents and children on the dangers of drug abuse, told the group the ToughLove program is one that works.

"There is a great need for groups like this and if people say you are crazy for trying to get tough with your children, you're not," Pariso said. "And if you have a problem with your kid and are afraid to reach out to someone for help, then shame on you. You can't always look the other way, you must confront your problem for your sake and the sake of your family."

"In my nine years lecturing on drug abuse to parents and children, I have done a better service to my community than when I was out arresting people," he continued. "We are not alone in facing drug and alcohol problems faced by our children. There are a lot of people in the same boat as you, but by coming

leville.

"I was disappointed with the small group which turned out for our meeting, but I think the speakers did an excellent job," she said. "We have about five members at the present time and are still looking for more."

Anyone interested in joining the Belleville ToughLove group or is looking for more information, should call 751-2683 after 4 p.m.

Prayer For Today

We thank Thee, Lord, for the glory of the late days and the excellent face of Thy sun. We thank Thee for good news received. We thank Thee for the pleasures we have enjoyed and for those we have been able to confer. And now, when the clouds gather and the rain impends, permit us not to be cast down; let us not lose the savor of past mercies and past pleasures; but, like the voice of a bird singing in the rain, let grateful memory survive in the hour of darkness. If there be in front of us any painful duty, strengthen us with the grace of courage; if any act of mercy, teach us tenderness and patience.

— Robert Louis Stevenson

School Board Election

A strange thing happened on the way to the school board polls. Two competent incumbents were defeated by two extremely qualified successors.

School Board member Donna Rainone and Vice President Tom Spillane lost their re-election bids. They served only one term and believed their service entitled them to the support of community voters. The juggernauts they ran up against were two unusually qualified challengers — former assistant superintendent of schools, Seymour Grossman, and educator, Phil Linfante — both of whom were extremely popular and active in the life of the community.

Former president, Ernie Zoppi, won re-election to the one-year, unexpired term of former trustee Charles Miele.

It is a sad occasion when two good school board members lose their bid for re-election. The consolation for the community is that the successful candidates are top-drawer material — with the best qualifications for service on the school board. We congratulate the winners upon their successful efforts and thank the losers

for their dedicated service to improve the quality of education available to Belleville students.

The school budget was defeated and that is always a sorry event because the message sent beyond our borders is misinterpreted by outsiders. Belleville voters are basically frugal people — and that translates into a tough time for school board budgets.

The reorganizational meeting of the new board saw President Grace Purdue re-elected for another term by a unanimous vote. It also saw Dr. Anthony D'Agostino elected to the vice president post by a 4-3 vote, a signal that block voting may be the order of the day. We hope not — however, there is a perception among sophisticated students of school board politics that a block vote is developing. Again — we express the hope that time will prove this conclusion wrong.

Township Commission Election

The seat on the Township Commission made vacant by the retirement of Public Safety Director Matthew Pica has attracted the candidacy of well qualified individuals. The April School Board election, together with the late April Easter, will abort the campaign time required for candidates to develop and articulate their positions.

Therefore, it is incumbent upon voters to pay more attention to the Township Commission campaign in order to cast a more educated vote. The Township Commission election should not be simply one of popularity. It should be a decision based upon the experience and qualifications of the candidates. Political pros expect only 40 percent turnout of voters at the May 8 election. This amounts to approximately

6,500-7,000 votes. Such a result translates into a need for a candidate to obtain 3,000 votes to win.

When one considers there are 16,700 qualified voters, 3,000 votes required to declare a winner would be a blot upon our democratic process. Since no candidate is an incumbent seeking re-election, it is extremely difficult for candidates to develop a meaningful issue. Again — the final judgment will depend upon the experience and qualifications of the candidate. A discerning public should do the right thing by itself as well as by the community which it loves.

Removatron Machine Receives Poor Review

To the editor:

I was shocked as I read your newspaper's article promoting the Removatron (hair removal) system.

I cannot believe the Belleville High School students (and the public) are being told that this electronic tweezer can remove hair permanently. It certainly cannot!

I suggest that you advise your readers to contact the Food and Drug Administration for its findings on this matter. The agency has found it to be not only ineffective, but also unsafe. No wonder "ours is the only school, both public and private, to have this machine," everyone else checked its credentials. It is unfortunate that an enterprising company is able to use our school system to pawn this useless equipment.

The article was also filled with untruths regarding electrolysis.

The American Medical Association recognizes electrolysis as the only

method of permanent hair removal. Many health insurance companies cover payments for electrolysis treatments. Even the Internal Revenue Service (and we all know how hard they are to please) recognizes electrolysis as a tax deduction under medical expenses. Why then are our BHS students and the public being misinformed?

As a practicing electrologist in Belleville for the past five years, I've seen positive results time after time, even in the most difficult cases. I resent the ignorant and derogatory statements about my profession. I will use my resources to see that our educators are given the proper information and access to the proper authorities so that this matter can be corrected before any more harm is done.

Very truly yours,
Janet Estelle,

Resident Remembers Mike Chieffo's Work

To the editor:

Mike Chieffo served Belleville well. First we knew him as a fine student-athlete at Belleville High School, and then as an entrepreneur and a member of the Board of Education. The poem below is written in tribute to him.

Chief

So many came to know him.
They each have their sweet thought.
Of Mike in just whatever he did,
Battles he gallantly fought.
In basketball at B.H.S.,

That jump shot from the side.
No not on his accomplishments.
But ours his heart would ride.
No matter where you met him.
He'd ask for family friends.

Oh yes, he was in business.
But sincerity was his end.
To serve his town was his own choice.
The Board of Ed his perch.
An honest point of view he brought.
He learned that in his church.
He hustled and he scratched for goals.

But always still the same.
Without him, where'd the Broncos be
Or the Belleville Hall of Fame?
Mistakes he made like all of us,
But his heart never changed.
"Together we can do big things!"
We loved when this he claimed.
And then he got the news he feared.

His time was running out.
For friends and foes of the past,
"Forgive!" was his Lord's shout.
And when the priests and men of God
Came with their words of hope,
They felt a glow from his weak heart,
Stronger than theirs in scope.

Because Mike had since made his peace
With his God from above.
Jesus, his Lord, into his heart
Came with a love to love.
Don't be confused where Mike is now,
Most judgments are a bore.
He's with the Lord, He welcomed Chief.

As he passed through that door.
A Friend

The Knights of Columbus Conducting Charity Work

To the editor:

One of the most favored charitable undertakings of the Belleville Council No. 835 Knights of Columbus and other councils located in the state of New Jersey is the annual drive to raise funds for the "retarded citizens."

Since you and I cannot personally assist each and every "special person" in God's select group, we sponsor this fund raiser to try to make their lives and the lives of their families happier and more comfortable.

Belleville Council sponsors the Mal Condon Canteen for retarded people, held in our council hall on Thursday evenings. We are also a sponsor both of Camp Fatima for retarded children (a camp staffed only by qualified volunteers who give their vacation time each year out of love), and a local Boy Scout troop, made up of retarded boys from the Essex County area.

The monies pledged enable these youngsters to participate in field trips,

camping, museum visits and to attend summer camp all to earn merit badges of their choice. These same funds help to refurbish the camp living quarters and to purchase needed provisions. We have also donated from time to time to individuals in need of financial assistance.

In the past all of this has been accomplished through your generosity and benevolence in providing the much needed financial support. Therefore, we are again asking you for your help in supporting the 1984 campaign. Won't you please consider sending a donation to help "God's special people"? Any amount you give will be greatly appreciated. Remember it is tax deductible. Donations should be sent to: Belleville Council No. 835 Retarded Children, 94 Bridge St., Belleville, N.J. 07109.

Thank you,
Frank Corbo,

Vincent Strumolo Receives Vote For Commission Seat

To the editor:

As a friend to the people for many years, I am appealing to them to vote for Mr. Strumolo. He is one of the best commissioners Belleville ever had. He has been solving problems here with head and heart. His record as a public servant speaks for itself.

He gave us the best health program in the state, a senior citizens' bus service. It was Mr. Strumolo who stopped the politicians from taking away the homes in Silver Lake, and the valley for high rise buildings so they could relocate 2,000 families from the slum areas of Newark so they could elect a white mayor.

Belleville was selected as the dumping grounds, thanks to Mr. Strumolo it failed.

Please vote for Mr. Strumolo, and fight back with me to protect what we have. Your votes can make him a winner. I would deeply appreciate it. My only hope is to protect you, and your future against future rip offs and make the town a better place to live. We need a watch dog to look after our interest. Mr. Strumolo is that man. I do hope the people get the message, and pull the right switch.

Sincerely yours,
Albert Guglicelli

Marriage Supported

To the editor:

Since 1970 the out-of-wedlock births we nearly doubled — from 400,000 to 700,000.

In 1950 only 4 percent were born outside of marriage; in 1970, 20 years later, 10 percent and in 1982, 12 years later, to double again, almost 20 percent of all babies were born to unmarried women.

This trend is the highest of any other nation in the world. The reasons are several, but the main one is the increasing number of young men and women who, upon completing their education, move out of their parental home, and go on to live in their own apartments, small as they may be.

This gives them freedom to choose their companions of the opposite sex and live together and have children without marriage.

This trend, which is continuing and increasing from year to year, is not good for America. We have the unity and sanctity of the family only when a man and a woman are legally married.

Ronnie Reagan Is Criticized

To the editor:

President Reagan has nothing but bad apples in his administration. He gives them high salary government jobs, his friends and families, and so many were accused of misconduct, and fraud, were investigated, incriminated and had to resign. He tries hard to protect them even though he is well aware they are guilty.

That is the way with the foxy, crooked Republicans.

They are too greedy! The more they have, the more they want! Until they get caught. Thank God for justice!

The President's good friend, Senator Dole, draws an exceptional high salary, so does his wife, \$40,000 per year, yet he is the hatchet man who is so eager to cut the poor. The President has him do the dirty work for him. Therefore, we have to get rid of this administration. Our best bet is with Walter Mondale.

We all know by his campaign that he is the most honest, humble and sincere, good man. I consider myself a good judge of character. Believe me, his policy will be the best for all people.

Sincerely,
Stella Draghi

Family Says Thanks You

To the editor:

Our family would like to express their thanks to the members of the Belleville Ambulance Squad, Clara Maass Medical Team, and the Belleville Police Department for their efforts to help our mother.

When mom became ill, our doctor sent for the ambulance squad, who, when they saw how sick she was, called for the Paramedics. They exerted every effort for over an hour to try to help our mother before taking her to the hospital.

We thank them all for their fast, efficient service and their care for our mother and our family.

Sincerely,
Jack Hammel

Police Are Thanked

To the editor:

A special word of thanks to the Belleville Police Department. Our car and a neighbor's car were parked on Greylock Parkway when hit by a hit and run driver. In a matter of days the driver was found and charged.

We are very pleased with the success and efficiency of the police in this case. We commend Detective Tortorello and the officer who arrived on the scene.

Sincerely,
Mary and Joseph Paton

Golden Comments

By James Golden

The by-passing of Michael Ippolito as local welfare director by the Local Assistance Board — which is comprised of town-employed personnel, exclusively working within the Public Affairs Department under Commissioner Michael Pizzi — to replace retired Ceil O'Toole with recently hired Carol Ann Russo, who was Commissioner Pizzi's campaign manager in last year's town election, has ruffled more than a few feathers throughout town.

Mr. Ippolito has been serving as acting welfare director since Mrs. O'Toole's retirement, having served as chief investigator of the local welfare department for the past 10 years and held civil service status.

Allegedly, an unpublishing meeting was held by this internal Public Affairs employee group, designated as the Local Assistance Board, on Wednesday, March 14, at which the board voted to reduce the welfare director post to a part-time status, with the Health Officer abstaining to produce a 4-1 vote...without the proper advanced public notice of this meeting any action taken would be invalid because of a breach of the "sunshine law."

The following day, a small legal notice appeared in The Belleville Times indicating a public meeting of the Local Assistance Board at 8:45 p.m. Friday, March 16, at the Public Affairs office — an unusual time to hold a public meeting.

A series of sessions continued the following Tuesday, including interviews, etc., in a perfunctory manner, giving the impression of fair and equal job opportunity, then early the morning of the following day, Wednesday, the die was cast...the commissioner's campaign manager got the job. The plaintive cry reverberated throughout the stately halls of town hall of foul...favoritism had bypassed the logical choice of Mr. Ippolito, who, in indignation at the slight, resigned his post the next day as chief investigator of the local welfare department with the knowledge that the local health officer, Thomas Longo, had supported his appointment. Indeed a sad loss to the community.

Without attempting to pass judgment upon the motivation, merits or prejudices which may have produced this awkward situation which has set tongues wagging; we find it necessary to call for the end of the present set-up of the Local Assistance Board which is nothing more than a solely political employee-type under the direction of the Commissioner of Public Affairs.

We cannot accept the propriety of having employees, working under the jurisdiction of their superior who controls their salary, work assignments and duties, serving on the Local Assistance Board which selects the welfare director...could they not be intimidated into doing the bidding of their boss?

The Local Assistance Board should be composed of five outstanding local citizens who are removed from politics and include the group's representative of the clergy, minority, family service and social service oriented individuals. Not public employees under control of a commissioner.

Genealogy constitutes a record or account of one's ancestry...perhaps it would be wise for the town fathers to hire a genealogist to check into just how many relatives of elected local officials have been placed upon the township's payroll down through the years. We're of the view that our hard-pressed taxpayers would be astounded.

It would appear that almost every time a newly elected Belleville officeholder takes office, the ugly hand of nepotism takes over and we have a new influx of town employees who are either friends or relatives of the new commissioner...civil service protects the old timers on the town pad and the township payroll grows with the newly hired friends and relatives of the new incumbents as the old "spoils system" like topsy grows and grows and where it stops, nobody knows...The great game of American politics...get on the merry-go-round...the ride is expensive, but they make you love it.

Politics, not unlike the open market, will charge as much as the traffic will bear, then when the price becomes too high, a boycott sets in and the exorbitant prices recede...with both local and school board taxes, along with the county's share, soaring for Belleville taxpayers...isn't it about time to consider a boycott to call a halt to this nefarious practice of loading the township payroll with political sycophants and relatives?

If you believe so, speak up. Write letters to the editor. Go to town meetings. Tell the commissioners how you feel about town matters. Study the published town budget. Go to the public hearing on it. It's your money they're spending...you're vote put them there...they should respond to your pleas. It's your town, they don't own it...they only represent you.

Spillane's Lost Disappointing

Well the School Board election is a thing of the past, but the outcome has to be slightly disappointing, especially the defeat of incumbent board vice president Thomas Spillane.

Spillane, who was seeking his second term on the board, placed third behind newcomers Phil Linfante and Sy Grossman, and thus ended his short, but productive tenure as a trustee for the Belleville Board of Education.

There are two types of School Board members: the active and the inactive. Spillane was definitely an active member. For the past two years Tom served as vice president of the board, while serving on the School Board's budget committee for three years. He also headed the board's transportation committee last year, making an attempt to establish board policy on the issue of transporting students to and from school. And that was only the tip of the iceberg. Spillane also was a member of the Urban Boards Committee, and the Belleville representative to the Athletic Advisory Council and Special Education Council.

But most importantly Tom Spillane was his own man, who voted with his heart and conscience, and finding board members like that is a very difficult assignment. Tom Spillane was not always right, but he admitted his mistakes along the way. He was popular in the community and truly did an excellent job in serving his community while on the board.

So why did he lose? Some would say he did not get his message out to the people, while others will say that a change was needed. But the real reason was that Thomas Spillane did not belong to any political interest groups, where he could capitalize on the bullet voting procedure.

If any of you do not know what bullet voting means, it is when a resident will vote for only one candidate, even though several seats may be available. For example, let's say there are candidates A, B and C running for two dog catcher positions. Voter 1 cast his votes for A and B. Voter 2 cast her votes for A and C. And Voter 3 cast his votes for B and C. Now all three candidates have two votes each and here comes Voter 4. But instead of voting for two candidates, Voter 4 cast a lone vote for A, thus making A the winner, while the other two candidates are tied. That is a small example of bullet voting and it is used by political organizations looking to back one candidate.

Tom Spillane did not have that type of backing and it is really too bad, not only for Spillane, who wanted to continue to serve his community, but for the residents of Belleville, who lost a damn good trustee.

What more can be said about the budget. It is obvious that the residents of this community do not trust the members of the School Board and the manner in which they spend the taxpayers' money. So now the budget goes on to the commissioners for trimming. But think about this. The Board of Commissioners had introduced a budget calling for a 24-point increase, isn't it ironic that they will be responsible for cutting the School Board's budget, which calls for only a 16-point tax increase. And did you know that throughout the state 77 percent of the school budget gained approval, including 12 out of 17 communities in Essex County.

The Belleville Planning Board will be holding its public hearing to

discuss the blight proposal of a section of Washington Avenue. The hearing will take place Thursday, May 3 at 7:30 p.m. at Township Hall and letters have been sent to all residents in the considered area. The blight proposal under consideration is Mill Street to Jorammon Street, the east and west side of Washington Avenue. Anyone who is affected by the proposal or has objections should make an effort to attend this hearing. Once the Planning Board and Development Agency makes a decision then it is too late. This is a critical matter, which is facing the township and residents are urged to attend.

I attended my wife's favorite eating place in Belleville last week, the Three Guys From Italy Restaurant, located on Franklin Avenue in the mini-mall. And if you have not been there for a while you should check it out. While the food is excellent, the decor of the place has been remodeled and the atmosphere is delightful. It is nice to see businesses taking more pride in their establishments.

Umberto's Corner

Dear Umberto,

My husband and I have loved each other since high school but now a doubt has risen in my mind.

He doesn't want to use my comb. He has his own comb. I am beginning to think that he is rejecting me. I do have a case of excessive dandruff.

He states that he read in a magazine that dandruff is contagious. Couldn't it be true that I caught dandruff from someone since I never had it before? How do you catch it and what should I do?

The lady from Nutley.

P.S. Why do you praise only Belleville and not Nutley? I know that you have a lot of customers from Nutley. Dear Nutleyville.

Yes, I believe your husband still loves you but he would catch dandruff if he used your comb or brush. Dandruff is a case of dry scalp. You can catch it in a beauty salon if the combs and brushes are not sterilized. To correct the problem, shampoo thoroughly and use an oily or creamy conditioner.

P.S. Sorry about the discrepancy in towns. It was a secretarial error. I love Nutley. It is a town where I have my gems.

Yours,
Umberto

Joe Dasaro Campaign Begins to Heat Up

Joe Dasaro, candidate for Commissioner of Belleville in the upcoming special election being held May 8, has called for a candidate's debate of the issues to be sponsored by the Junior Women's Club of Belleville on Wednesday, April 25 at 8 p.m. at Belleville High School.

This debate will be an excellent opportunity for residents to take a good look at their future, and the way their township will be governed in the coming three years.

Dasaro wants the people of Belleville "to have a choice." His attitude is a very positive one when speaking about his home town. This attitude not only prevails in his business of Belleville Travel Service, 29 Washington Ave., but also in his community involvement through the Redevelopment Agency and the Chamber of Commerce.

"I have not been involved in the political circles of this town, and I am the new guy on the block when it comes to politics, but we are not speaking of politics right now, we are speaking about the future strengths of Belleville," he said. "I have a game plan for the redevelopment of our township, and with the people's support, by being elected on May 8, I will have the opportunity to voice and produce the concepts which have been in the works for the past two years through the diligent efforts of the Belleville Redevelopment Agency."

Future campaign events announced from Dasaro Headquarters are as follows: Sunday, April 29, fund raiser at the Chandelier Restaurant, 7:30 p.m. Tickets \$25. Buffet with entertainment provided.

Day of Prayer Stops Locusts

By Rev. Robert Paul

The other night as I was looking through some of my books, I came across this unusual story.

In the early spring of 1877 Minnesota farmers surveyed their lands, dreading the first hordes of locusts that had caused such widespread destruction the summer before. Another such plague threatened to destroy Minnesota's rich wheatlands, spelling ruin for thousands of families.

Suddenly Gov. John Pillsbury proclaimed April 26 as a day of fasting and prayer, urging that every man, woman and child ask divine help. A strange hush fell over the land as Minnesotans solemnly assembled to pray. Next morning the sun rose in cloudless skies. Temperatures soared to mid-summer heat. The people looked up at the skies in wonder, and to their horror, the warm earth began to stir with the dreaded insects.

This was a strange answer! Three days passed. The unreasonable heat hatched out a vast army of locusts that threatened to engulf the entire Northwest! Then, on the fourth day, the sun went down in a cold sky and that night frost gripped the earth. Most of the locusts were destroyed as surely as if fire had swept them away! When summer came, the wheat waved tall and green. April 26 went down in history as the day on which a people's prayer had been answered.

Prayer in 1620 safely guided the Mayflower with the Pilgrims to a new world. Prayer in 1623 saved the pilgrim fathers from starvation. Prayer in 1777 at Valley Forge saved the Continental Army and won the war for American Independence. Prayer at Philadelphia saved the Constitutional Convention and gave birth to the American way of life. Prayer saved England at Dunkirk. Myriads of fliers and servicemen of all nations lost at sea saved through prayer.

If you are on praying ground, then you can be by saying from your heart, "God be merciful to me, a sinner, and save me now for Jesus's sake. Amen." I tried it and it works, and it will work for you. "For whosoever shall call upon the name of the Lord shall be saved." (Rom. 10:13)

HEALTHWISE

By Ralph J. DiMaio D.C.

Severe low back pain, sufficient to disable the victim and prevent doing normal work, is seldom the result of a single, sudden over-exertion. It is more frequently a condition that develops slowly, with little or no pain, over a period of months or years.

At first, the signs of trouble may be only a "catch" in the back or a tight feeling in the legs or hips. As the defect progresses, it reaches a crucial point where even a slight twist or minor strain can bring on severe pain and disability.

Precautionary chiropractic examinations could help you to avoid low back pain. Phone now for an appointment.

Churches Hosting Series of Activities As Christians Prepare For Holy Week

By Linda Telesco

The most solemn period of the Christian church, Holy Week, begins this weekend on Palm Sunday.

Holy Week recalls the events of the last days in the life of Jesus. It is the final week of Lent, the penitential season that culminates with Easter Sunday, the day Christians affirm their belief that Jesus rose from the dead as promise of eternal life for all humankind.

(Next week the Times will preview church advents taking place on Holy Thursday, Good Friday and Easter Sunday).

Palm Sunday marks the day Jesus, according to the New Testament, entered the city of Jerusalem in triumph.

After a public career of preaching and working miracles, Jesus was accorded a heroic welcome at Jerusalem where crowds cheered his return and, according to the Biblical sources, waved palm branches in his path to honor him.

Only days later, on Good Friday, the very same crowds would call for his execution as a public criminal.

Palm Sunday and Holy Week

religious services are among the most moving and important of the Christian faith.

Belleville churches will be observing Holy Week with special services that include distributing symbolic palm branches to the congregations on Palm Sunday.

Many churches will also hold penitential services in preparation for the Easter feast.

A schedule of planned services follows:

St. Peter's Church on William Street will distribute palm at Masses on Saturday at 5:30 and 7 p.m. and on Sunday at 7, 8, 9:30, and 10:45 a.m. and at noon. A Solemn blessing and procession will precede the 8 a.m. Sunday Mass.

Confessions will be held Monday and Wednesday after the 7 p.m. Mass. A Communal Penance Service is scheduled for 7 p.m. Tuesday.

St. Anthony's Church on Franklin Street. Palm will be blessed Saturday at the 5:30 p.m. Mass. Palm will be distributed at all Masses Sunday: 7:30, 9, 10:30 a.m. and noon.

Confessions will be held on Wednesday from 4-4:30 p.m. and

Penitential Bible Service is scheduled for 7 p.m. Wednesday.

Montgomery Presbyterian Church on Mill Street will distribute palm at the 10 a.m. Sunday service.

Belleville Assembly of God at 174 Holmes St. will hold a Palm Sunday service at 10:45. A communion Service will be held on Wednesday at 7:45 p.m.

Bethany Lutheran Church at Joramelon and New streets has a 10 a.m. Palm Sunday service and a midweek Lenten service at 7:30 p.m. Wednesday.

Christ Episcopal Church at 313 Washington Ave. observes Palm Sunday with Holy Communion at 7:30 a.m. There will be a blessing of palm, Holy Communion and sermon at the 10 a.m. services.

On Wednesday, Holy Communion is held at 10 a.m.

Fewsmith Memorial Presbyterian Church at 444 Union Ave. will dis-

tribute palm at both regular Sunday services at 9:15 and 11 a.m.

The Lenten Breakfast series continues Wednesday.

Grace Baptist Church at 91 Overlook Ave. has Palm Sunday services scheduled for 11 a.m.

Silver Lake Baptist Church will hold Palm Sunday services at 11 a.m.

Belleville Reformed Church at Main and Rutgers streets holds Palm Sunday services at 11 a.m. where the children's choir will sing for the gathering.

Second Baptist Church at 32 Academy St. has an 11 a.m. Palm Sunday service.

Zion A.U.A.M.E. Church at 154 Stephens St. will distribute palm at the 11 a.m. Sunday service.

Wesley Methodist Church at 225 Washington Ave. No schedule available at press time. Church office can be reached at 751-2741.

BHS Spring Concert Is Scheduled April 17

The Belleville High School Music Department announces its annual spring concert Tuesday, April 17, at 8 p.m. in the school's auditorium. Featured on the program will be the concert band, orchestra, chamber orchestra and chorus.

The concert band, under the direction of Andrew Silbert, will perform Purcell's 'Air and March,' Sousa's 'The Stars and Stripes Forever,' excerpts from 'Annie,' and other popular selections. The chamber orchestra, directed by Edwin Black, will perform an 'Allegretto' by Mozart, 'Rondeau' by Henry Purcell, and Sir Arthur Sullivan's 'Minuet' from 'The Sorcerer.' The orchestra, also under Black's direction, will feature the first movement of Haydn's 'London Symphony,' excerpts from Wagner's 'Die Meistersinger,' and selections from 'They're Playing Our Song.'

Finetti, director of the mixed chorus, has selected a varied program for the choral portion of the concert. The opening work, 'Real Good Time Tonight,' is a hot and lively piece with stage band accompaniment. Nine-year-old Andrew Black will then dance soft shoe to the chorus's singing of Kirby Shaw's 'You.' 'Ev'ry Time I Feel the Spirit,' a well-known spiritual and one the students enjoy singing, is the next selection.

The chorus's singing of an arrangement of the popular ballad, 'Mr. Bojangles,' will be interpreted by senior Robert Contaldi dancing to his own choreography in the manner of that great minstrel dancer. The 'First Corinthians 13' highlights the choral section of the concert. This work is a contemporary setting of Paul's Letter to the Corinthians, Chapter 13. As one of the most beautiful and famous pieces of literature on "Love," this setting by William McCrae utilizes not only traditional vocal writing but also such techniques as speech intoning, sliding, and improvisation. Beethoven's 'Hallelujah' from the oratorio 'Mount of Olives,' and

"Life is a Celebration," from 'Fame' follow the 'First Corinthians 13.' The concert will conclude with the famous Wilhousky arrangement of 'The Battle Hymn of the Republic' accompanied by high school orchestra.

This year the music department sponsored a poster contest announcing the spring concert. First place winner, senior Joseph Martinez, will receive a cash prize of \$60 and his design will appear as the cover for the concert's program. Second place winner, Felicia LaVecchia, and third place winner, Cathy Zamora, will be awarded cash prizes of \$25 and \$15, respectively.

A \$2 donation will be accepted at the door.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Mr. K asks, "Why don't some children smile?"

Children that have protruding, unattractive teeth often try not to smile. They avoid social situations, avoiding other children and become loners, as they would rather avoid the teasing about their buck teeth from their playmates.

Teenagers, especially, are sensitive about their appearance. Poorly aligned teeth affect not only the way one smiles, but the shape of the mouth and chin as well.

Research has shown that young adults with misformed jaws or unattractive teeth exhibit a lack of self worth and self confidence. This carries over to their social and vocational lives as they continue to smile infrequently and avoid situations where others look at them on a face-to-face level.

Adults under orthodontal care are, in most cases, patients who should have had their teeth straightened as children. Aligning teeth and jaws, even in adulthood, bolsters self worth and creates a more attractive and happy person.

'Creative Fingers' Bring Rewards For Hard-working Belleville Artist

Award-winning artist, union chief steward, full-time secretary for the Department of Art and Music at Seton Hall University, graduate student there in the MPA program...

The combination of activities that keeps Marge Marren of Belleville busy would tax the energies of the vast majority of people. But Marge seems to handle it all calmly and competently.

One of her distinctive watercolors hangs on the wall of her office in Seton Hall's Arts Center building. Her painting has evolved to reflect her self, her thoughts, the type of person she is, says Marge.

"I tried just about everything in art. I started in commercial art, renderings of furniture. It was very tight drawing. I like pen and ink sketches, pencil drawings...they're tight. And I'm a tight, controlled person and artist. I've done oils; they're very free. In fact, one of my awards was for oils. But I am trying to master watercolor. It is the hardest of all mediums, but it's my favorite. I think watercolors are slow and deliberate, if you know what I mean, and I love slow, deliberate paintings."

Marge reached an award-winning level with her art: second place in the Faculty-Staff Exhibition at Seton Hall in 1974; the Merit Award at the 20th Annual "Meet the Artist" sidewalk show in South Orange in 1981, but she didn't get there "all at once." It took time.

"I was working in New York as a secretary in 1970," explains Marge. "and I was typing, typing, typing. I was getting frustrated. I finally told my boss that my fingers were meant for more than typing. They were meant to be creative."

He enrolled her in night classes for commercial art and her "creative fingers" began to perform. She did renderings, pencil sketches, and pen and ink. She subsequently went to school full-time and waitressed at night. In 1973 she moved the New Jersey and accepted a secretarial position at Seton Hall. Marge said that she took a \$200 a week pay cut from what she made as a waitress, but that she wanted the education and was delighted the University would give it to her.

Marge did well in New Jersey. In 1975 she was appointed executive secretary and treasurer to the Society of Architectural Historians, New Jersey chapter, based at Seton Hall.

She got her degree in fine arts, cum laude, in 1979, and the next year entered the MPA Program where she is still enrolled.

From 1977 to 1981, she also served as shop steward of Local 153 representing staff employees and was then elected chief shop steward of Local 153, the Office and Professional Employees International Union at Seton Hall. Marge was an award winner there, too. She was given the 1983 Steward Award for the Educational Division of Local 153. Office and Professional Employees International Union, AFL/CIO.

"There is steady, steady paper work in this job," she says, "with the dues, the turnovers, all of that. I mind it, but it's there, and it has to be done. And I like being at Seton Hall."

The only thing...I am finding the graduate program more difficult with all I'm doing."

Another thing Marge is "doing" is preparing for a two-woman art

show for 1984-85.

"I sometimes go to flea markets and museums," she says and then adds, with a shrug, "but not often. I don't have much time."

She Keeps Busy — Marge Marren of Belleville, displays one of her many paintings. Marge, who is a full-time secretary for the Department of Art and Music at Seton Hall University, has won many awards with her paintings.

Belleville's Past

Hello folks, Eddie O'Neil again and I want to fill you in on the Belleville Historical Society's program for the next two months. The months of April and May are the most active months for outside activity for the society.

First of all, we have a house at 155 Main St., which is our headquarters and it will be open every Saturday morning during April and May from 9 a.m. to noon.

All our activities will be held on Saturday morning and our headquarters will be the starting point. Everyone is welcome.

On Sat., April 21, coffee and cake will be served at our headquarters from 9-10:30 a.m. We will then visit the Reformed Church and cemetery at Main and Rutgers streets and the Christ Church cemetery at Main and William streets. It will bring back memories of Belleville's first settlers, such as the Hornblosses, Sanford, Rutherford, Rutgers, Joralemons, Schuylers and many more.

On Saturday, April 28, after coffee from 9-10:30 a.m., a visit to St. Peter's cemetery and its many old Catholic families of Belleville.

On Saturday, May 5, after coffee from 9-10:30 a.m. at our headquarters, a visit to Newark Reservoir on Joralemon Street. Many people have said that they have passed it often but never went in to see it. Now is your opportunity to do so.

On Sat., May 12, after coffee, a visit to Passaic and the bridge where Washington crossed on his retreat from New York.

On Sat., May 19, after coffee, a visit to the old Schuyler copper mine entrance and then to the first schoolhouse in Lyndhurst on River Road.

On Friday, May 18, we are having our annual dinner at the Reformed Church at Rutgers and Main streets at 6:30 p.m. Because the church hall can only hold 100, that's all the tickets we could print. Anyone wishing to attend, please call Isabel Wittinger, 759-2207 or Lil Westcott, 759-1857. Tickets are \$7.

On Saturday morning, May 26, we will visit the first schoolhouse in Nutley on Church Street which is also the home of the Nutley Historical Society.

So that about tells the story of the society right up to the summer vacation, which takes in the months of June, July and August.

If you wish to join the society, dues are \$5 a year. If you want to participate in our activities, just come to our headquarters on Saturday mornings and join in the fun.

Library Officials Awarding Winners Of Picture Book Contest on April 12

"Approximately 178 students entered the Belleville Public Library's Original Picture Book Contest for National Library Week," reported Andrea Cohen, coordinator of the contest for the past five years, and David Bryant, library director. And according to the library officials, "the results this year were amazing — well written, beautifully illustrated books executed by children and adults."

Book prizes and certificates were awarded April 12 at the library at a special awards program, during National Library Week, by Mrs. Richard Shafter, library board secretary, and an active friend of the library. Judges for the contest were Bryant, Cohen, Cindy LaRue, reference and young peoples librarian, and Kathleen Mollica, branch librarian.

First prize, kindergarten level, was earned by Marielena Sargentelli for 'My Favorite Book,' as well as first prize for the best-illustrated book. Joshua Tillery won second place, first grade and first place, best-illustrated book, for 'The Pig That Ran Away.' At the second grade level, David Luongo earned first prize for 'The Missing Martians,' Michael Grippi, second prize for 'The Dream,' and Keith Dvorovic, second place for 'The Fire Demon,' while Kristen Schmid won third place for 'The Unicorn' and Michael Mundy, third place for 'Daily News.'

At the third grade level, Cheryl Esay was tied for first prize for 'Family of Fruits,' with Stephanie Vaccaro's book, 'Special Treats From the Oven.' Colleen Mannion's 'The Snowman and Nancy,' was tied for second place with Lisa San Filippo's 'Daughter of a Queen,' Bonnie Lindgren's 'Grandma's Missing Teeth' and Tommy Tillery's 'World Adventures.' Third place winners, grade three, were Samuel Medina for 'The Great Robot and Megalon,'

and Christina Spina for 'The Apple Tree.' For best illustrated book, grade three, Tommy Tillery won first place for 'World Adventures,' Michael Capozzi, second place for 'Jack and His Friend,' and Fatima Figueroa, third place for 'The Run Away Spelling Book.'

At the fourth grade level, Billy Prospero won first prize for 'The Life of a Worm,' Patricia Doria was tied for second place for her book, 'My Vacation,' with Raju Gadhook who wrote 'Unhappy Fred,' and Michelle Viviani was tied for third place for 'The Best Day of My Life,' with Christine Woolfull's 'My Special Slippers' and Jennifer Kastner's 'The Sorey Skiing Trip.' For best illustrated book, grade four, Christina Alfaro won first prize for 'Treacherous Treasure,' Amy Lo Coco won second place for 'The Biggest Valentine Ever,' and Christopher Vitali won third place.

At the fifth grade level, for best-written book, Joe Fabrizio won first place for 'Why Me?' Mona Santiago won second place for 'I'm a Gerbil' and Frank Ann Buffone won third place for 'Lisa and The Tiger.' Vinie Strumolo, grade five, won second prize for best-illustrated book for 'The Little Big Balloon,' while Joseph Balestracci won third prize for 'Big Thunder.'

Best-written book prizes, grade six, went to Janice Galang, who earned first prize for 'Travel To the Future,' to Subodh Lal, who won second prize for 'The Mysterious Egg,' and to Chantel Hughes, who won third prize for 'Billy Visits Outer Space' and to Kimberly Fraone, who won third place for 'Crystal's Friend,' and to Nicole Keller, for 'Sheila and Michelle.'

Special commendations were given to Sunil Singhal for 'The Mystery of the Messy Room,' Vicki Jarman, 'Joey and the Magic Carpet Ride,' Lisa Banach, 'I Can Talk to

Animals,' Jane Esay, 'Prince Billy and Fantasy,' Brenda Coppola, 'No Food Land,' Jennifer Bridge, 'Handicapped, But Not Handicapped,' Diana Hickey, 'I'm Just As Good,' 'Not Better,' Chris Robe, 'The Quest,' Sue Mulhearn, 'Fantasy Dream,' Bernadette Cerami, 'French Fries and Apple Pie,' Sue Auferio, 'The Magic Mitten,' Jennifer Harrison, 'Welcome to Dreamland,' Michael Rubas, 'The Shipwreck,' David Auferio, 'The 3 Wishes,' Sal Taibi, 'The Invisible Mouse,' Mark Nakashian, 'The Treasure of Bear Island,' and to Jodi Prosperi, 'Sunny's Best Friend.' First place, grade six, best illustrated books, went to Chris Robe, 'The Quest,' to Janice Galang, 'Travel to the Future,' second place, third place to Thomas Spillane, 'A Ghostly Friend,' and Jennifer Bridge, third place, 'Handicapped, But Not Handicapped.'

First place, grade 11, went to Naet Rodriguez, 'My Brother Michael,' while second place, grade eight, went to Mary Ann McGuire for 'Love, Your Daughter.'

First place, grade 11, went to

Elizabeth Akian for 'Anyone Can Learn to Play Piano,' while second place went to Reto Hartmann for 'My Turn.'

First place, grade 12, went to Donna Despenzire and Donna Slonim for 'Precious Treasures' and Carole Salvatore for 'A Basic Guide for Dog Training,' Laurie Scott, second place, 'The Headbanger's Guide to Loud, Annoying Noise,' Kathy Starr, third place, 'Friends Forever,' and Sharon Moccia, 'Just Expressions.'

Special commendations were given to Lisa Marie De Fabrizio for 'Learn to Count,' Varie Caruso, 'Rules to Live By, The Right Stuff.' First place, best illustrated books, went to Sharon Moccia for 'Just Expressions' and Hayat Ileiwt, 'The Frightened Bunny,' second place.

First place for best-written and best-illustrated book went to 'Gouchie Gousto in Kingle Town,' written by Diance Librizzi, and second place to Joann C. Rizzolo for 'Why?' Second place, best-illustrated book, was earned by Hayat Ileiwt for 'The Frightened Bunny.'

Italian-Fiorente Club Elects New Officers

The second meeting of the Women's Auxiliary of the Italian Fiorente Club met on Tuesday, March 20.

Club officers were installed. Elected as president was Viola Narucki; vice president, Dolores Vitiello; secretary, Millie Natulare; and treasurer, Maria Cervasio.

The new officers began their roles by organizing committees of ways and means, hospitality, publicity, program and membership.

After the business of the meeting was completed, the ladies joined together for a fun game of Family Feud and refreshments were served.

The re-organization of this club has been very promising thus far. All new members are welcome. Contact one of our membership committee. They are Angie Cozzolino, 759-5097, or Mary Vangieri, 667-5594.

BHS Orientation Program Is Scheduled For April 12

The orientation program for the parents of incoming ninth grade students at Belleville High School will be held Thursday, April 12, in the school auditorium at 8 p.m. The program, originally postponed because of the snow, will offer the same agenda to the parents.

Joseph Ciccone, principal, will discuss the high school program. Dr. Richard Benninger, director of Student Personnel Services, will discuss

graduation requirements and the new state testing program. Mrs. Woods, president of the Home and School Association, will introduce next year's officers.

Guided tours of the building will be conducted by Key Club members. Students may attend, but only if accompanied by a parent. This should be a valuable program and parents are encouraged to attend.

"The contacts that fit your budget may not fit your eyes."

These days you can pay just about anything you want for contact lenses. And most places can have you in and out in no time.

At Pearle, we're not an assembly line. We won't stamp out your contacts and take your money while you take a chance.

Our doctor of optometry will make sure your contacts are right before you walk out our doors. And we'll provide follow-up service until you are completely comfortable with them. When it comes to your eyesight, can you really afford anything less?

Nobody cares for eyes more than Pearle.

We now have United Contact Lenses

Start retiring today.

Build tomorrow's retirement fortune with a tax-sheltered IRA Account at Spencer Savings now!

It's never too early, or too late, to start planning for retirement. And right now the incentives are the best ever!

Today, everyone who works, even those covered by another pension plan, can take advantage of our new Individual Retirement Account (IRA). It makes good sense and lots of money.

Here's why.

Every dollar you contribute to your IRA is tax-deductible, right off the top. Plus, all the interest you earn over the years is tax-sheltered until you retire

(when you should be in a much lower tax bracket). So, you save both ways.

Married working couples can now contribute up to \$4,000 of yearly income. Couples with one working spouse can put away up to \$2,500. And single individuals can contribute a maximum of \$2,000 each year. All tax-deductible. All tax-deferred.

The sooner you start your IRA, the more money you'll have at retirement. It's that simple. Choose the plan that's best for you and start retiring today. You'll enjoy a much richer tomorrow!

Belleville Times SPORTS

Tursi Tosses One-Hit Shutout

Diamondmen Start Season With Win Over Barringer

By Michael Lamberti

Last year the Belleville baseball team opened the season with an 11-3 loss at the hands of Columbia High School. It was a game in which Belleville did not get consistent pitching, played poor defense and didn't get the clutch hits at the right time.

Now, one year later, Belleville

has begun to turn things around. Ralph La Conte's crew started off the 1984 season with a very sharp 2-0 win over Barringer last Tuesday at Belleville High School. The Bucs received a super pitching job from Frank Tursi, played flawless defense and got the key hits at the right time. What a difference a year makes.

Belleville lost two games to the big storm last week, with last week's encounter with Lyndhurst canceled because of the high waters of the Passaic River threatening to crest. The game with Essex Catholic, scheduled for last Tuesday, was washed out. That game was set to be played at Belleville last Tuesday.

Yesterday, the Bucs were in Bloomfield, tomorrow afternoon they travel to Paramus and on Saturday, will be in West Essex. On Monday, the Bucs host arch rival Nutley.

"I was surprised we got the game in," said La Conte. "The field didn't look to be in good shape a few days before the game, but we managed to play it after all. Frank (Tursi) pitched a great game. He was in control from the start. Anthony (Lombardi, the catcher) caught a great game and our defense played very well."

La Conte credited Dean Sternik, the second baseman, for his excellent play and shortstop Joe Borrello, for making some key plays early in the contest. Belleville tallied a run in the first inning when Mario Silvestri singled home Borrello from second with two outs, and another run in the fourth when Dave Long scored from second when John Guarino reached safely on an error.

The key to the game, however, was Tursi. The senior, who was 4-1 last year, allowed just one hit, a Baltimore chop, and didn't allow a runner past first base. He faced just two batters past the minimum and retired the first 13 batters he faced.

Tursi was backed by a double from Lombardi, the single by Silvestri and two walks from Borrello. On the day, Belleville collected just three hits, but they came in big moments. "We got the hits when we needed them," said La Conte. "That's something we didn't do last year. We also ran very well. We stole three bases and Lombardi threw out a potential runner for Barringer."

La Conte also had praise for the Barringer hurler. "Normally, if you allow three hits, you should win," the coach said. "However, Frank pitched a super game and we got the runs when we needed them. Their pitcher threw a very good game."

It was a fine way to start the season, especially after last season's 8-17-1 campaign. "It's still just one game," warned La Conte. "It was a nice way to start the season, but we have to take one game at a time."

Experience the Key For Tennis Squad

The Belleville tennis team began playing varsity competition back in 1977. Its coach was Mike Pollard. The players included Mike Goor, Mike De Meo and Anthony Satriano. Progress, at best, was slow. Tennis in other towns had been hot for years, so Belleville had some distance to make up.

Last year Pollard stepped down and Lenny D'Armiento came in to coach. The Bucs were 6-12 last season and enter 1984 still looking for that elusive winning season. This year, D'Armiento has a team with experience and athletes with a great deal of competitiveness. He is optimistic about the upcoming campaign. "We have high hopes this year. There is stiff competition from the Bergen County schools this year, but we've got some kids who are ready. I'm looking forward to the start of the season."

David Boyd leads the way. The senior is in his fourth year of varsity competition and is battling fellow senior Herb Petrat for the number one singles position. During the winter months, when not playing basketball, Boyd was attending a tennis camp. "He looks strong," said D'Armiento. "He has a good serve, a good forehand and strong backhand. He will battle Herb (Petrat) for that number one position."

Petrat, also a senior and four-year player, has perhaps the best serve on the team. Last year Petrat and Boyd battled for the number one position and this season seems to be the same situation. Petrat is a solid player, with good experience and possesses excellent athletic skills. Whoever wins that number one position will certainly have earned the spot. Also, the number two player for Belleville should be a solid contributor and should give the Bucs a good one-two punch.

Sophomore Jim Petrat, senior Pat Tortorello and sophomore Jeff Tyther are battling for the number three position. All three saw action last season in the doubles position and two will be back in doubles play this year. The tentative lineup will see Tortorello and Tyther playing first doubles with Petrat the tentative third singles player.

Five new men have come to the team this year and D'Armiento is optimistic about their chances. Seniors Joon Huang and Ron Cha both are looking good in the early going. Huang has excellent athletic ability and according to D'Armiento, "is a natural tennis player." Huang and Cha should be the second doubles players this year. Cha, a high honors student, passed up tennis last year but returns to the varsity this season.

Sophomore Vinnie Pucci and freshmen Rob Galante and Jim Hayne round out the team. All three men are first year players and will need time to develop their skills.

The Bucs opened the season with Kearny last Tuesday. Tomorrow afternoon, they will be in Paramus and Monday, will host Nutley. The following day, Belleville will host Orange in a 4 p.m. start.

D'Armiento is looking for a good start from his men. "If we can win some of these early matches, we'll be in good shape. We face some very good teams (Ridgewood, Teaneck and Hackensack among them) and will need every win we can get. We have 23 matches scheduled this year so we'll have plenty of playing time."

Softball Squad Shuts Out Powerful Number 3 Edison

By Mark Foley

In an early season test against a perennial state power, Belleville turned a combination of timely hits, defense, strong pitching and opposition errors into an impressive 7-0 victory over Edison last Saturday. The 2-0 Buccanettes, who squared off against Bloomfield yesterday, will face another very strong challenge this Saturday when Union comes to call for a rematch of last year's sectional final.

"It was a very big win for us," said coach Carl Corino. "It almost felt like a playoff game. We put together a very solid team and the mistakes that we did make were mostly because of inexperience; they can be corrected with time and practice. But to win a game like this, this early in the year, it's just a great feeling."

Belleville took the lead for good in the bottom of the first inning. Following Tracy Buono's double, the first of four Edison miscues allowed the senior to score what would prove to be the winning run. The home team scored once again in the inning as back-to-back walks to Trisha Tramutola and Cheri Tillman forced Desiree Johansen home. They continued the pressure in the next frame when Buono ripped the second of her three hits, bringing in Laura Caruso and Donna Brooks. Dina DeAquino and Tillman added RBI singles in the fourth as Belleville tallied three more

runs to finish the scoring.

Edison, rated as the number three team in New Jersey going into the contest, threatened only in the top of the first when an error, a bunt, and a single loaded the bases with no outs. But Buc pitcher DeAquino came back to strike out fourth and fifth batters in the Edison lineup and shortstop Johansen, playing with a sore arm, made a magnificent catch on a pop-up in short center field to escape the jam.

One of the major factors in the match was that Belleville took advantage of its opportunities while Edison did not. "They just had a bad day, and maybe they were a little overconfident," said co-captain Buono. "Their mistakes were fundamental — dropping throws, missing easy force outs — mistakes that no team should make. But I think that the win is important to us because we're such a young team and they were almost all seniors. It's given us much more confidence in ourselves."

EXTRA BASES. The Buccanettes lost Paramus tomorrow and Union on Saturday before traveling to Nutley for a 4 p.m. match on Monday. They return home next Wednesday against Paramus Catholic. Last Monday's game with John F. Kennedy High School was postponed due to the recent flooding that has plagued much of northern New Jersey. The Paterson school

was being used as a shelter for displaced residents and therefore, closed. No make-up date had been set as of press time. DeAquino passed two pitching milestones against Edison, making her 50th pitching appearance and her 300th inning. Caruso and Tramutola, both freshmen, seem to have settled into the first and third base positions, and according to Buono, "playing Edison may have been the best thing for them, and the rest of the young players. With so much pressure there, a big game later in the year won't come as such a shock to them." There is a chance that Johansen will temporarily move to either first base or designated hitter to rest her ailing arm. The Belleville-Bloomfield game, which was shown on Suburban Cablevision's TV-3 last night, can also be seen tonight at 7:30. Buono is rapidly approaching the 100-hit and 75-single marks, and also collected her 150th total base on Saturday. The junior varsity team, under coach Denise Zarra, was hoping to play its first game yesterday. Inclement weather has forced the cancellation of the previous three scheduled matches. Because of the Monday-Wednesday-Friday-Saturday pattern of the Belleville schedule, it will probably be very difficult to make up the washed-out games of the past two weeks until late May.

Corino Putting Together Successful Coaching Career

Many years ago, three brothers attended Belleville High School and took part in the athletic program that the school offered. Now, some 15 years later, these three young men are using their Belleville roots to establish themselves as successful coaches in the area.

The three men I refer to are Jim, Carl and Mark Corino. Their reign at Belleville High School spanned from 1963, Jimmy's freshman year to 1973, when Mark graduated from BHS. Today, all three men are involved in coaching, in one degree or another, and the bottom line on all three has been success, with a capital S.

Many fans know right away about Carl Corino. Currently the softball coach at Belleville High, Carl has done a marvelous job in turning the program into one of the best in the state. Entering this season, Corino sports a super record of 85-22-2 since taking control of the team back in 1980. His accomplishments include two straight Essex County championships, an NNJIL title last year and currently, his team is 2-0 and defeated Edison, ranked third in the state by the Star Ledger, 7-0 last Saturday at BHS.

Corino's success is not limited to the softball team, however. He was an assistant to George Zanfanti and the varsity baseball team, putting together a fine freshman baseball team during his years on the diamond. Also, Corino was the head coach of perhaps, the best Belleville freshman football team ever. That team, in the autumn of 1978, consisted of Frank Fazzini, Phil Cerza, Jeff Walsh, Angelo Centanni, Robert Woodcock and Danny Palumbo, to name a few. The team would go on to form a solid varsity team at Belleville High, one that would post a 24-6

mark from 1979-81 and earn a shot at the Group IV, Section II championship in 1980.

Jimmy Corino, the eldest of the three brothers, was graduated from Belleville High in 1966. Like Carl, he attended Trenton State College and then took a job in the Lyndhurst High School system. He's been, in the annals of Lyndhurst sports, a legend ever since. In 1979 he was named athletic director of the school. He helped to form the Lyndhurst Hall of Fame. Recently, in an article that appeared in the Herald News, Corino was given credit for turning Lyndhurst into the fine sports town it is now.

What really put Jim on the map was his super basketball coaching, something he still does with tremendous success. Corino took the reigns of a dying program in the early '70s and turned it into a club that would win a Group II, Section II title and later would vie for a state crown.

"I've learned a lot from Jimmy," said Carl. "And I've seen him grow in coaching throughout the years. He has done a lot for the game of basketball in Lyndhurst and has done a lot for that town."

Indeed, Corino has been a big part of Lyndhurst. Two seasons ago, he was offered an assistant coaching job at a division I school, the University of Richmond. He turned down the offer, opting to stay in Lyndhurst. Today, Jimmy and his wife live in Lyndhurst and recently adopted a son. While at Belleville High School, Corino played basketball and football. Today, he is one of the most successful and respected athletic men in the area.

Mark Corino, the youngest of the brothers, was graduated from Belleville High School in 1973. He attended Kean

College and today, is a teacher in the Lyndhurst school system, teaching Industrial Arts. He plans to be married this summer. Corino is the head basketball coach at Bloomfield College, a position he has held for the last two years. His teams have fared very well. Last season they came within a field goal of advancing to the NAIA championships. His club was not very big this season, but Corino kept his team in the game with solid coaching and his ability to get the most out of his players.

Mark was a fine basketball player during his days at Belleville High. Later, before his arrival as head coach at Bloomfield College, Corino did a fine job in helping the Belleville basketball players develop their skills. "I think Mark will stay in coaching, he really enjoys it," said Carl. "I can see him moving up as the years go by, he has the potential to be a very good coach."

Carl also said that the relationship between the three has grown throughout the years. "I think we've been closer the last couple of years than we've ever been. They are always at the softball games and I try to get to their games as much as possible. We have a lot of respect for each other."

Carl sees himself coaching at Belleville High as his future plans. "Right now, I en-

joy it and as long as I enjoy coaching, I'll do it. My future is right here, with my family and the kids."

Corino never pictured himself as head softball coach but doesn't see much of a difference between coaching the girls and the boys. "The philosophy hasn't changed at all. The only difference is you watch what you say a little more and you say things a little differently. But I'll tell you, the girls are just as competitive. They want to win and have developed quite a following."

Carl has also pointed out that sports at Belleville has changed throughout the years. "When I went to Belleville, there were no girls' sports. Now, the sports are more spread out. The interest in the boys' sports is not as high as it used to be because there are more sports to follow and the girls have been doing so well in a number of sports. A team isn't supported as it used to be because there are so many sports to follow now."

As for this season, Corino is very impressed with his team's showing in the early going. The girls, coming off a 23-4 mark last season, started with a 4-1 victory over Queen of Peace, then soundly thrashed Edison High School, always a perennial power, last weekend. "Edison always is ranked in the top 20," Corino said. "That was a big game for it. It showed we could play with the good teams this year and our performance from the Queen of Peace game improved 25 percent. The kids were really surprised."

It has been a sports-minded family from day one. "My father and uncle would take us to games," Carl remembers. "We were always a sports-minded family. We

were lucky enough to take part in a lot of sports."

Carl lives in neighboring Bloomfield and Mark next door in Nutley. Their lives have taken them to different parts of the state, but the men have developed a rapport that is closer now than ever before. Their Belleville upbringing is something that all three look back on with pride. The Corino brothers, Jimmy, Carl and Mark are excellent examples of hard working Belleville people who have gone on to successful careers.

The Belleville High School athlete of the week is Nick Sotomayor of the track team. The junior was a double winner last week, capturing the 800 meters and the high jump.

Congratulations to the baseball and softball teams for starting their seasons off so well. The baseball team, behind Frank Tursi, stopped Barringer, and the softball team, as mentioned, is quickly 2-0. For Tursi, who was 4-1 last season, his one-hitter in the opener has to be a good sign for Ralph La Conte and Company.

Here is the answer to last week's quiz. The question was when was the last time UCLA appeared in the NCAA basketball championship game? Also, name the other three teams in the Final Four last year. The answer: UCLA last appeared in the finals in 1980, losing to Louisville, 59-55. Iowa and Purdue completed the Final Four that season.

For this week's quiz, name the last pitcher to hurl a perfect game, the team he played for and the year he pulled it off. For a bonus question, name the pitcher who did it before the previous pitcher and the team he blanked.

Heard At Ringside

By Steve H. Frank

Hard-punching light heavyweight Alvin Manson of Indianapolis, Ind., was outboxed by Jerry Halseid of Branford, Conn., for four rounds. Manson's cornermen implored him to "snap out of it" or he'll blow the fight. In the fifth round Manson came on like "gangbusters" and knocked Halseid cold by a picture left hook right on the bottom. Manson is now 13-3 with 10 KOs. Halseid has a 23-4-2 with 15 KOs in his record. The bout was co-promoted by Don Elbaum and Ted Menas at Atlantic City's Tropicana, three weeks ago.

Dr. Max Novich, who has a medical practice in Perth Amboy since 1953, came out of the ghetto of Newark. The doctor said he didn't have a cent to his name, but it was boxing that made it possible for him to attend the University of North Carolina. He has written four books, including the popular "Training and Conditioning of Athletes." Dr. Novich founded the Association of Ringside Physicians. He has been assigned to the Olympic Games four times. Dr. Novich is fighting to keep boxing alive and he is a firm supporter of a Federal Boxing Commission. Dr. Novich has received many honors including his induction into Boxing's Hall of Fame.

Undefeated Cincinnati Tony Tucker traveled to Santa Monica, Calif., and continued his winning path by beating Tom Trimm of Houston, Texas, for a second round KO of a scheduled 10-round heavyweight bout. In the semifinal contest, middleweight Carl Jones of Los Angeles scored a knockout in the third round over Mike Sacchetti of Houston, Texas.

Promoters JPD and Cedric Kushner in association with Murad Muhammad insist the fight between former WBC heavyweight champ Larry Holmes and the WBA counterpuncher Gerrie Coetzee is set for June 8. A site is still up for grabs. Two Nevada sites, Las Vegas and Reno, plus New Orleans and Houston were all mentioned to be in the running.

Twenty-year-old Hillsdale welterweight Victor "Flash" Gordon pushed up his ring record to 13-2 by a disqualification victory over Ronald Thermoder, 16-6, of New York when referee Paul Venturi stopped the bout at 2:55 of the fourth round. Venturi had warned Thermoder several times for butting until eventually he disqualified the New Yorker. Gordon is managed by 77-year-old Dave Taub. Taub fought as a light heavyweight 50 years ago. The results of the other bouts on the card at Schuetzen Park, North Bergen, were: Middleweight Richard Brent of New York, and Bruce Starling of Elizabeth, fought a six-round draw; Bertram Berchanian of New York, W-Defc. in six rounds; over Reggie Ford of New York; Middleweight Floyd Peary of New Paltz, N.Y., WTKO in first round; over Marty Johnson of New York; Welterweight Pat Cutaneo of Bayonne, WTKO in first round; over Dave Frazier of New York; Featherweight Fred Reed Hall of New York, WTKO in first round; over Julio Cesar Iba of Union City, and lightweight Mark Farley, W-Defc. in four rounds, over Anthony Hall of Paterson.

United States Boxing Association's middleweight champion, Wilford Scypion of Port Arthur, Texas, could not make the weight (165 lbs.) and had to withdraw from his scheduled 10-round non-title fight with Tony Harrison of Oklahoma City, Okla., in Pasadena, Texas. Charles Campbell of Fort Worth, Texas, was brought in to oppose Harrison in the feature bout to be televised by ESPN Cable. As the fight was non-title, Scypion's title will not be affected.

Light heavyweight Dwight Muhammad Qawi of Camden, won a unanimous decision after 10 rounds against Vic Valentino a/k/a Pat Cutleo of Niagara Falls, Canada, at Harrah's Marina in Atlantic City, Qawi, in raising his record to 21-1-1, did not fight as a contender for champion Michael Spinks' title. He was slow and at times awkward in lowering Valentino's record to 23-9.

Unbeaten Elias Madrid of Sylmar, Calif., kept his string of victories intact by scoring a KO in the third round over Luis Castro of San Bernardo, Calif., in a scheduled 10-round main bout.

Boys Track Team Shows Improvement Despite 82-49 Setback to Livingston

By Michael Lamberti

Champions are not built overnight. It takes work, sweat and a lot of frustration before that winning edge can be achieved. For the game followers of Belleville High School track, a winning season is something that is as scarce as warm weather in January. The last time it was attained came back in 1975 when first year coach Rich Ruffalo led the Bellos to an 8-6 record. Since then, it has been one rebuilding campaign after another. Last season, a new coach arrived on the scene. Now, after one year of hard work and a steady influence, there appears to be light after a long dry spell.

Last week the Bucs opened their 1984 season with an 82-49 setback at the hands of Livingston High School. Same old Bucs, right? Wrong. Last year Belleville lost to the Lancers, 115-14. Last year the Bucs did not score 49 points in a single meet. Last year Belleville was practically nonexistent. Second year man John Tosato began his program in earnest this fall with a good showing on the cross country course. Athletes like Bob Hutchinson, Craig Burden, Billy Humani and Ross De Meo gave hope for the future. The indoor season saw the continued success of Hutchinson and Humani, along with progress from Tim Daudelin and Dennis Bogen.

Now, the outdoor campaign is

upon us and a few new stars are beginning to emerge. In the setback to Livingston last week, Belleville came away with four first place finishes, a couple of second place showings and a few third place finishes. Nick Sotomayer led the onslaught. The junior was a double winner, taking the 800 meters in a time of 2:24.9 and capturing the high jump in 5'4".

Ozzie Stefanon won the high hurdles in 19.1, his best showing ever. Freshman Craig Burden, who had such a marvelous cross country campaign, took off with a victory in the two-mile, capturing that tough event in a very impressive time of 11:24. Burden also was second in the mile run, coming through in 5:05.4.

Senior Karl Hauschild took second place in the 400 meters (62.5) and hard luck limited him to second in the 400-meter high hurdles. Hauschild was leading heading into the final hurdles, but he fell and had to settle for a second place showing in 69.4. "If he didn't fall," said Tosato, "he would have won the race."

Hutchinson, a junior, also was impressive in the opener. He took third in the mile at 5:20 and third in the two-mile, finishing at 11:40.3. J.R. Di Vincenzo, a sophomore, was third in the 100 meters and third in the 200 meters. Dennis Bogen took second in the shot and discus with

throws of 38'6" and 139'3" respectively. Both efforts were personal bests for Bogen. Tim Daudelin took third place in the discus (110'7") and the shot (38'5"). Finally, freshman Luang La came through with a very good showing in the long jump, taking second place with a leap of 17'4".

"It wasn't bad for starters," said Tosato. "It's the most points we have scored in a meet in two years. We've been slow starting in the jumping events because of the weather. We didn't score any points in the pole vault but Felix Rodriguez will come around in that department. We have some tough races coming up, but the experience will be good for the team."

The Bucs hosted Ridgewood last Tuesday. This afternoon they travel to Clifton for a tough meet with an NNJL rival. The following Tuesday, Teaneck, perhaps the class of the conference, comes to Belleville for a co-ed meet. Race time is set for 4 p.m.

Time and patience is the order of the day for Belleville track. Slowly, but surely, there is evidence that the

drought might be ending, that a winning track program is on its way back to Belleville High.

Women Are Needed For Softball

The Belleville Recreation Department is presently looking for any adult Belleville women who would be interested in playing in its Women's Softball League, which plays its games on Tuesday and Thursday mornings at 9:30 a.m. during May and June. The league is designed primarily for housewives and mothers of school-age children. For further information, or if you are interested in playing, please contact the Belleville Recreation Department at 759-3142 Monday-Friday between 8:30 a.m.-4 p.m., or call Karen Giacobbe, league director, at 759-6812 after 6 p.m.

Girls' Track Squad Has Many Questions

Citing "untested quality," the Belleville girls' track team begins the 1984 outdoor season with a lot of question marks and not many answers.

Head coach Karen Fucello, whose team began action last Tuesday at Ridgewood and will host Clifton today at 4 p.m., notes a great deal of inexperience with her young squad. "We've been working hard," the coach said, "it's just the weather has been poor and we have not been able to practice outdoors consistently. Every one is doing a good job in practice, but we've got a very tough season ahead."

Leading the team will be senior Patty Bliss. The distance runner will see plenty of action in the 800, 1500 and 3,000 meters. She has established herself as one of the best runners in this area and should provide her team with a lot of points. Bliss has been running all season long, having started with cross country, continued with indoor track and now working with the outdoor squad.

Nancy Cocco, a returning letterman, will see action in the triple jump, high jump and 400 meters. Cocco, who competed for the indoor team, should provide some valuable experience in those events.

Donna Daudelin and Laurie Herschell will also see time in the distance events, although Fucello hasn't decided where she will use them.

The hurdling events will see Angela Killen and Doreen Sente leading the way. Killen has the potential to be a strong 110- and 400-meter hurdler this season. The same can be said of Sente who has experience in the event.

Maria Massola will see action in middle distance events, anywhere from 400 meters on up. The weight team will feature Tammy McQueen, Sheri Di Piro, Jeanne De Pasquale and Isabelle Gonzalez. Darrell Jackson will compete in the high jump and a running event and Lisette Rodriguez will see action in the jumping and hurdling events.

"Some of our throwers will compete in the running events as well," said Fucello. "We don't have a lot of depth, so everyone will take part in the events. As the season progresses, perhaps we'll know more about the kids."

In the meantime, Belleville is up against a solid NNJL division and will have its hands full. After the Clifton meet this afternoon, the girls will compete in a co-ed match with powerful Teaneck, Tuesday at 4 p.m.

Olympic Bowl Forming New Bowling Leagues

Officials of Brunswick Olympic Bowl, located on Washington Avenue in Belleville, has announced summer leagues are now being formed.

Teams and leagues will be established for men, women and mixed play. There will also be leagues for children and senior citizens.

Teams finishing first and second in their respective league division will win trips to England and Spain. All bowler, in the league will be entitled to a vacation trip to Atlantic City.

Registration will be open from April 15 to May 31. Call 751-2111 or 751-2112 for more information about the summer bowling leagues.

Caesar Romano Named To OBC-TV Position

Frank Orechio, president of OBC Television Channel 36, today announced the appointment of Caesar Romano as vice president and general manager of special projects for OBC-TV.

Romano, a long time elected public official from Belleville, has served as a member of the Belleville Board of Education for 12 years and

was the director of communications for the New Jersey School Boards Association in Trenton and has been the voice of OBC Cable News for many years.

In addition to his varied and diversified background, Romano has produced many programs relating to public issues regarding the CETA program and the Job Training Partnership Act. Romano has also produced commercial messages for radio and television.

"Romano has always been vocal on issues affecting the Essex County Community and as the general manager of special projects, Romano will produce program features on topics relating to education, business, sports, economic development and a special program called "Point of View" on public issues affecting your community," Orechio stated.

ICE-O-RAMA to Debut on April 27

Olympic, World and U.S. Figure Skating competitors will join the Essex Skating Club of New Jersey in its silver anniversary ice show, ICE-O-RAMA, to be presented April 27, 28 and 29 at South Mountain Arena, West Orange.

Entitled "Celebration," ICE-O-RAMA '84 will feature Judy and James Sladky, the official "Campbell Kids" for the 1984 Olympics. The "Kids" were five-time U.S. Dance Champions and former World Dance silver medalists. In addition, the show will include Olympic Team members Elaine Zayak, 1982 World Champion; Brian Boitano, 1984 U.S. Men's silver medalist; Elisa Spitz and Scott Gregory, 1984 U.S. Dance bronze medalists and Jim Watson and Burt Lancon, 1984 U.S. Pairs bronze medalists. Allison Oki, U.S. Junior Ladies Champion will also be featured.

A cast of 100 Essex Skating Club members will join the guest stars. The entire show, choreographed by former Olympic Team members Susan Kelley and Andrew Strouloff, is a benefit for the United

States Figure Skating Association Memorial Fund.

The Memorial Fund was established in 1961 in memory of the U.S. World Figure Skating Team, lost in a tragic plane crash in Belgium enroute to the World Championships in Prague. The Fund provides scholarships to talented young skaters today who may be the U.S., World and Olympic titlists of the future.

ICE-O-RAMA tickets are available at the box office, South Mountain Arena, 560 Northfield Ave., West Orange, N.J., 07052. All seats are reserved. Patron seats (center section, center rows) are \$15. Regular seating for the evening performances, 8 p.m. Friday and Saturday and 7 p.m. Sunday is \$8.50 for adults, \$5.50 for children aged 2 and under. For the matinee performance, Saturday at 2 p.m., regular seating is \$7 for adults and \$4.50 for children aged 12 and under. Group rates are available.

Further information is available at the Arena Box Office, 731-8703.

Grab Your Partner — Loretta and Anthony DeSantis, members of the Essex Skating Club, skate a square dance in the Country Western Celebration of ICE-O-RAMA '84. Tony will also appear in the Silver Anniversary Cake production and Loretta, who is president of the club, will skate with the Essex Blades precision team.

Purdue Re-elected As Board President

(Continued from page one.)

tion," the St. Peter's elementary school teacher said. "It is an honor and privilege to serve on this Board of Education."

The three new trustees were also appointed to various delegate positions Monday night. Linfante will serve as the board's representative to the New Jersey School Boards Association. Sy Grossman is the representative to the Essex County School Boards Association, while Zoppi will serve as representative of

the Essex County Educational Services Commission.

DiStasi also had a few words to say about the board incumbents who were defeated during the election, Donna Rainone and Thomas Spillane.

"I would like to say that it was pleasure to serve with Donna Rainone and Thomas Spillane during the last three years," he said. "I trust they will stay involved in the community and I wish them luck in whatever they do."

Belleville Businessman Arrested on Drug Charge

(Continued from page one.)

delivered to a faction of New York's Bonanno crime family.

In a bizarre operation, the heroin was distributed by way of pizza parlors. The drug would find its way to pizza places as far as the midwest where it would be distributed back to

eastern cities, including Newark and New York.

FBI agents reported that the sale of heroin to an undercover agent in Philadelphia last year was a key event in their case, which was eventually joined by several federal agencies as well as by state and local enforcement agents in the states involved.

School Budget Trimmed \$145,000 By Commission

(Continued from page one.)

derstood the situation of the board, he said cuts had to be made.

"You people say that no cuts can be made anywhere in your budget," the mayor told trustees, "but that is not an answer that I can give the taxpayers when they come here to question us about the budget. We have to work to keep not only your budget, but our budget under control, or else they will continue to get larger and larger each year."

After a brief intermission, the trustees proposed cutting \$88,000 in capital outlay programs, but the mayor and Commissioner Joseph McGreevy, felt it still hasn't enough.

We are asking for \$176,000 in cuts," the mayor said. "I think that you have some ideas where more cuts can be made in our budget. We have to save the taxpayers money wherever we can."

It was then that the trustees made the suggestion to cut an additional \$30,000 from the capital outlay budget.

"What we are cutting is waterproofing work which was to be done at School 8 which would have cost \$80,000, a heating system project at School 7, which would have cost \$30,000 and replacing doors at the Middle School for

a cost of \$40,000," said a disappointed Nuzziola.

There was only one outburst during the lengthy, but quiet session, that coming when trustee John DiStasi, in a moment of disgust, said he was going home.

"If that is going to be your attitude John," said Mayor Marotti, "then the figure of \$176,000 stands. That is what we expect you to cut and I don't care how you do it."

The mayor then quickly left the Commission chambers, but forgot to adjourn the meeting. With members of the School Board and Commission gathered in the hallway outside the chamber hall, stunned by the outburst and wondering what course of action would be next, DiStasi went and apologized to the mayor for his behavior. Moments later the two groups were meeting again, with all forgotten.

"I would like to apologize for my outburst," DiStasi told the mayor and commissioners, after the meeting convened once again. "And I hope that you and the commissioners will continue to negotiate this matter in the best interest of the community."

"There is no need for you to apologize," the mayor responded. "Let us just forget what happened here a few moments ago."

Cherry Blossom Trees To Bloom Very Soon

(Continued from page one.)

terfly," Puccini's Japanese-American flavored opera.

On hand to close the April program will be Miss Tokyo, whose visit to the Cherry Blossom display coincides with the April 29 birthday of the Emperor of Japan.

In addition to the special performances, information booths will be set up in the park where visitors may purchase prints and other keepsakes of the "East Meets West" festival or donate toward the upkeep and replacement of the famous display.

Also Japanese food catered by Benihana of Tokyo, the Edo Restaurant and Miyako Oriental Foods may be purchased from noon to 4 p.m. on April 15, 21 and 29.

Shutterbugs may also want to participate in the county's annual photography contest. Entry blanks may be obtained at a park information booth or by calling 482-6400. Winners will receive gift certificates to local camera shops.

Park roads and parking lots will

be open, but visitors are reminded that parking is at a premium.

In addition to the park events, the Newark Public Library will hold a Japanese film festival and the Newark Museum features Japanese works in special exhibits this month.

For information, call 482-6400.
