Welfare Situation Draws Exchange Of Heated Words

By Linda Telesco

Public Affairs Commissioner Michael Pizzi declared the recent controversies in his welfare department "put to sleep" but angry citizens at Monday's township meeting showed they will not let the matters rest.

Pizzi exchanged heated words with Henry Chazewski of Joralemon Street, who charged Pizzi with dishonesty in the recent hiring of new welfare director Carol Ann Russo and general mis-handling of the Public Affairs office, which he has held since last May.

"You're a disgrace to Belleville," shouted Chazewski, who complained of the recent hiring of a new welfare investigator and Pizzi's decision not to fill the clerical post Russo vacated when she won the director's job last month.

Russo, who was a clerk for four months in Pizzi's department, was elected welfare director by the Local Assistance Board which is composed of four welfare department workers and Pizzi.

She filled the position vacated last June when Ceil O'Toole retired.

Russo's election sparked the resignation of Michael Ippolito who served as Belleville's welfare investigator for 10 years.

One of several candidates for the director's post, Ippolito was serving as acting director while doing his own job since June. He charged that Pizzi was arranging the matter to ensure the top position for Russo, who served as his campaign manager last May.

Ippolito claimed the assistance board's decision last month to change the director's post from full-time to part-time was devised to force him out of the running.

Pizzi claimed the change was to save taxpayer's money since Belleville "no longer needs a full-time director." He also repeatedly fought criticisms that Russo has fewer qualifications for the post than Ippolito or even other candidates.

"As far as I'm concerned," he told Chazewski Monday, "the best person got the job." He noted Russo has been having problems from co-workers who will not cooperate with her efforts to learn the job. "One person called in sick indefinitely," Pizzi said.

The Commissioner also said he hired a new investigator to replace Ippolito this week. "The job has to be done," he told the inquiring citizen.

Disatisfied with Pizzi's evasive reply, Chazewski asked the Commissioner if he planned to fill Russo's former clerical position now that she has a new job.

When Pizzi said the post would remain vacant because it "was not necessary to fill it," Chazewski accused him of unnecessarily hiring Russo in the first place.

Obviously angered by the remarks, Pizzi shouted at the citizen, "Belleville doesn't need people like you," drawing some approval from the audience.

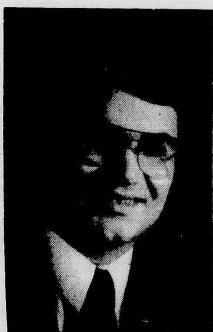

When asked for information about the new employee after the meeting, Pizzi told reporters, "I don't have his name," and evaded other questions.

Assistance board chairman Ralph Risoli said Tuesday the new investigator is Stephen A. Sched, a resident of Essex Street and a 16-year investigator for Newark's Welfare Department.

Risoli said Sched will be paid "approximately \$17,000" annually, a salary only somewhat lower than what was paid Ippolito, according to department officials.

Zoppi Gains One-Year Term

Linfante, Grossman Capture Seats; School Budget Narrowly Defeated

New School Trustees — From left to right: Ernest Zoppi, Phil Linfante and Sy Grossman, were elected to the Board of Education Tuesday night. Linfante and Grossman captured the two three-year seats, while Zoppi won the one-year term.

Belleville voters made their voices heard loudly Tuesday as they defeated the School Board budget and voted out two incumbents.

When the Belleville Board of Education convenes Monday evening for its reorganizational meeting, there will be three new trustees, including two new faces.

St. Peter's Elementary School teacher Phil Linfante and former assistant superintendent of schools Sy Grossman were elected to three-year seats, while former School Board president Ernest Zoppi, won election to the one-year seat, by a wide margin.

Incumbents Thomas Spillane and Donna Rainone finished third and fourth respectively. Both were seeking re-election to a second term.

The voting figures are as follows: Linfante, 1,968; Grossman, 1,454; Spillane, 1,221 and Rainone, 1,206.

In the battle for the one-year seat left vacant by Charles Miele, Zoppi defeated Richard Melham by a 2-1 margin. The final totals in that race were: Zoppi, 1,690; and Melham, 789.

The \$16.9 million budget went down to defeat by a narrow margin, much to the displeasure of trustees.

"What can you say about the budget failing," said Trustee Gabe Nazzola, who served as chairman of the board's budget committee. "The irony is that the school (the Middle School) we were going to spend the most money on doing repairs, defeats the capital outlay portion of the budget and approves the current expense part. I am upset about the budget defeat."

The current expense portion of the budget was defeated 890 to 1,094, while the capital outlay went down, 838 to 1,111.

Commissioners Postpone Again A New Rent Control Ordinance

A dispute over the wording of a new vacancy decontrol measure for Belleville apartments prompted Commissioners to postpone introducing an amended Rent Control Ordinance to next month.

The decontrol amendment was intended to permit landlords to increase rent by 15 per cent on any apartment vacated in a given year.

However, Commissioner Joseph Grande questioned the "vague wording" which might permit a landlord to obtain not only a vacancy decontrol increase, but the regular 6 per cent rent hike allowed by Belleville law each year to owners of rent controlled apartments.

"They could be getting 21 per cent in a single year," noted Grande. "That's outrageous."

As example, Grande said much depended on timing. If the anniversary date for a given apartment is

January, a landlord can raise all rents by 6 per cent. However, if an apartment becomes vacated in March, the present wording of the ordinance, Grande said, would allow for another 15 per cent on the same unit.

"A landlord should not be allowed any more than the 15 per cent in a given year," said Grande.

Sitting in for Township Attorney Frank Zinna, legal assistant Frank Cozzarelli said the wording would be revised to reflect that restriction.

Other changes on the amended ordinance include requirements for certificate of occupancy on vacated apartments, and for landlords to file annual statements with the municipality.

The ordinance will be introduced May 6.

In other business, Commissioners approved a resolution opposing a federal bill that would raise disposal fees of municipalities in the Passaic Valley Sewage System which includes Belleville.

The bill, HR4364, proposes to dispose municipal sludge in the Atlantic Ocean and will set up special disposal fees for affected municipalities.

The fees would cost PV users \$3,480,250 in 1984; \$4,571,643 in 1985; and \$7,656,597 for each subsequent year, according to the resolution which labels such rate on top of present charges, "an extreme hardship on the Township of Belleville and other municipalities in the Passaic Valley District."

The measure also calls the bill unfair in singling out municipal sludge but overlooking industrial sludge or dredge material from the corps of engineers.

Lenten Breakfasts Continue Wednesday

Fewsmith Memorial Presbyterian Church will continue its series of seven Lenten breakfasts in the church hall at 444 Union Ave., April 11.

The breakfasts, which are held Wednesday mornings, began Ash Wednesday and will continue through to April 18. They will run from 6:50-7:30 a.m. and will feature 10-minute talks by guest speakers on the theme: "Whither Christianity?"

This week's guest speaker will be Charles T. Leber Jr., Executive, Newark Presbyterian Church. Last week's speaker was Rev. James Henkel of the Bethany Presbyterian Church, Bloomfield.

Other speakers have been: Rev. David Newson of the Watching Presbyterian Church, Rev. June Hewitt of the Wesley Methodist Church, Rev. Howard Day of the Montgomery Presbyterian Church, and Rev. Kenneth Ironside of Bloomfield's Church on the Green. The final breakfast is scheduled for April 18 and will be hosted by Rev. Alfred Stone, Fewsmith Memorial Presbyterian Church.

Reservations will need to be made by the preceding Sunday and the fee is \$3 per adult and \$1.50 for students. There is no charge for children aged

6 and under. Kindly contact the church office between 9 a.m. and noon at 759-6869.

Chamber Concert Is Scheduled For April 26

Lee Estrada, with his "Tribute to Elvis," will be the opening act for "A Night of Nostalgia," sponsored by the Belleville Chamber of Commerce. The one-show concert will be held 8 p.m., Thursday, April 26 in the Belleville High School auditorium.

Estrada recently finished an SRO engagement at the Club Bene in Morganville. Also appearing that evening will be the teenage singing idol "Dion and the Belmonts." The finale will spotlight "Freddie Parrish and the Five Satins." Lou Cicenia of Charles Jewelers is chairman of the concert committee.

Cicenia reminds people that this is a one-time only show and reservations should be made early. Proceeds will be used to support community activities of the chamber. For information on tickets, which are priced at \$10 per person, call the chamber office, open daily 10 a.m.-2:30 p.m., 759-4848 or Lou Cicenia, 759-2468.

Valley Water Main Pipes Will Undergo Inspection

Residents of the Cortlandt Street area in the Valley section of town, will be without water for periods this Saturday and Sunday as the Department of Public Works begins testing on a project to overhaul the area's water main pipes.

Commissioners approved a bond ordinance recently appropriating \$50,000 for the project which is also funded by an Essex County Community Development Block Grant of \$160,000.

"We want to correct the problems that will make the system in that area operable," said Public Works Commissioner Joseph Grande.

Known as the Cortlandt Street Water Main Project, the improvements include cleaning and relining of foot long water mains in Cortlandt Street from Joralemon to Mill Streets; cleaning and relin-

ing of 6-inch water mains in Rutgers Street from Cortlandt to Valley Streets; and construction and installation of a water pressure reducing regulator and water vault in William Street; the replacement of defective valves and fixtures in the targeted area.

According to Grande, Rutgers Street factories have complained they cannot get enough water pressure to operate efficiently.

The Commissioner said the tests scheduled for this weekend will test the shut-off valves to see if they work.

"If they don't work, they'll have to be replaced before the rest of the work gets started," said Grande.

Residents have been notified by mail of the anticipated water cut-off during testing. The tests will affect Valley residents between Joralemon and Mill Streets.

Once testing is completed, the Commissioner said the improve-

ments should begin as soon as possible. "I'd like to see these completed before summer," he noted.

High School Presenting 'Pippin' This Weekend

Belleville High School's Class of 1984 will present the hit musical "Pippin" this weekend, April 5, 6 and 7 in the school auditorium. All performances start at 8 p.m.

The contemporary musical is the story of a band of players who travel and perform a play based on the life of the son of Charlemagne, who seeks fulfillment through adventures in war, politics and with women. Hit tunes from the musical include "Corner of the Sky," "No Time At All," "Morning Glow," and "On The Right Track."

Daren Sneddon is featured as

Pippin, Robin Wallace as Fastrada, Chris Paladino as Charlemagne, Anna Turano as Catherine, Robert Contaldi as Lewis, Eric Nazzola as Theo, and Carmen Cerretto appears as the leading players.

BHS faculty member R.W. Lefebvre is the director of "Pippin." The choreographer is Janice Lynn Lefebvre, who along with Susan Silbert, serves as vocal director as well.

Tickets for "Pippin" are available at the door and from senior class members. Admission is \$3.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Malo

Mrs. R. of Nutley asks, "What causes gum disease and is it hereditary?" No, Mrs. R., it is not hereditary, but it is caused in the following way. Any food, especially sticky and sugary kinds, left on the teeth after brushing, serve as a place for bacteria to live and grow. This place is called plaque, which eventually gets pushed under the gum (gingiva) when other meals are eaten.

Plaque under the gum acts much the same as a splinter left under the skin. The gum gets swollen, red, tender, and in addition, bleeds easily and could cause bad breath. These are all signs of an infection, and the gum disease is called Gingivitis.

When recognized, and caught in its early stages, Gingivitis can be cured by proper oral care and healthier changes in eating habits. Your dentist should be consulted if any of the aforementioned signs should appear. Left untreated, gum disease does not disappear by itself, but rather spreads to the live bone, causing looseness, loss of teeth and a general unhealthy feeling.

So remember, Mrs. R., use proper brushing techniques, eat nutritiously, and consult your dentist for evaluation of your oral care.

Thank you.

Donofrio, Greten Promoted At Provident Savings Bank

Carol Donofrio was named as assistant vice president and Cheryl Greten an assistant secretary, it was announced by Kenneth F.X. Albers, chairman of the board and chief executive officer of the Provident Savings Bank.

Donofrio joined Provident in 1965 as a teller. She held positions in the payroll department, supervised the Christmas Club Division and was appointed as administrative assistant and later named to the office of assistant treasurer. A career banker, Donofrio currently handles a variety of duties in the personnel department. She holds a basic certificate from the American Institute of Banking and is an active member.

Cheryl Greten came to Provident as a teller trainee in 1978. Twice she was awarded the Distinguished Teller of the Quarter Award. She also served as a customer service representative.

Since 1982 Greten has been assigned to Provident's Leonia office where she is now branch manager. She attended the Stuart School of Business and holds membership in the American Institute of Banking.

David Dacey Passes Accountant Exam

Weiner and Company, a certified public accounting firm with offices in Morristown and New York City, announced the successful completion of the CPA Exam by eight members of the professional staff, including David R. Dacey of Belleville.

"We are proud of the accomplishments of the individuals and believe that they reflect the emphasis we place on the quality of our professional staff. As we continue to grow, our ability to attract and develop highly skilled technicians with good

business acumen is critical in servicing our clients," explained Ronald G. Weiner, managing partner.

Consulting services are provided through the accounting process. This enables Weiner and Company to assist small and medium size businesses to develop the capacity for accelerated growth. Clients include virtually all areas of business such as manufacturing and service industries. Special expertise at Weiner and Company includes real estate, tax and high technology.

Lectures Given On Income Tax

Jim Devine, a certified public accountant from Belleville, has recently given lectures before senior citizen organizations on income taxes.

He spoke before the Essex County Council of Senior Citizens at the Bloomfield Civic Center on Jan. 16, the Nutley Chapter of The American Association of Retired Persons at the Nutley Recreation Building on March 8, and the Nutley Old Guard at the Dutch Reformed Church on March 23.

His speech was entitled "Personal Income Tax Planning for Senior Citizens" and covered federal and New Jersey filing requirements, taxability and non-taxability of various types of income: exemptions, income averaging, sale of personal residence, lump-sum distributions from qualified plans, individuals retirement accounts and other matters of current interest.

Vincent Cozzarelli Reg. Ph.

The digitalis group of drugs is probably the most effective and impressive set of cardiovascular agents in existence. It is the drug group most often used to strengthen the heart in failure, that is, when either one or both sides are not pumping hard enough. It is historically interesting to note that an ancient Chinese remedy, consisting of dried toad skin, was probably an effective ancient remedy for a failing heart because it contained a digitalis like chemical. In Western medicine, digitalis was used by ancient Welsh physicians in an extract of foxglove, a common flower. The "digit" part of digitalis means "finger" in Latin.

Part of our service is carrying a wide selection of drugs in order to have them available when needed. Bring all your prescriptions to ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. Cosmetics, toiletries, baby needs and other articles are handled. We also have Russell Stover candy and greeting cards for your Easter needs. Open: Daily 9am-10pm, Sundays 9am-9pm.

HANDY HINT:
The primary action of digitalis is to increase the strength of each heartbeat.

Prayer For Today

Lord, though I am a miserable and wretched creature, I am in Covenant with Thee through grace. And I may, I will, come to Thee, for Thy People. Thou hast made me, though very unworthy, a mean instrument to do them some good, and Thee service; and many of them have set too high a value upon me, though others wish and would be glad of my death; Lord, however Thou dost dispose of me, continue and go on to do good for them. Give them consistency of judgment, one heart, and mutual love. Teach those who look too much on Thy instruments, to depend more upon Thyself. Pardon such as desire to trample upon the dust of a poor worm, for they are Thy people too. And pardon the folly of this short Prayer.

— Oliver Cromwell

John P. Dailey

Belleville lost a valuable citizen in the recent death of John P. Dailey, chairman of the board of First DeWitt Savings and Loan Association.

John Dailey's dedication to the civic good made him a legend in his time. A Navy veteran of World War I, he was appointed by President Franklin D. Roosevelt to the New Jersey Selective Service System and later to the Selective Service Appeals Board where he served as administrator through World War II and the Korean conflict.

In 1951 President Harry S. Truman awarded John Dailey the Presidential Selective Service Medal of Honor for his patriotic service and civic contributions on behalf of the nation. A graduate of Seton Hall University, John Dailey was highly respected in the financial community having served for more than 27 years as officer, director, president, chief executive officer and chairman of the board of First DeWitt Sav-

ings and Loan. In the twilight of his years, Mr. Dailey was very much involved in the activities of the Belleville Chamber of Commerce and the Belleville Manufacturers Association.

John Dailey was a kind, decent and compassionate gentleman. He was always ready with a friendly smile and an extended hand to help those among us who were less fortunate than he.

The world is richer because John Dailey walked among us. The lives he touched were enriched by his association. A man of humility and character, John Dailey's presence will be missed by those among us who were fortunate to call him friend.

Frank J. Trecher

Michael Chieffo

Death recently claimed a young man who had much to live for, Michael Chieffo.

At age 39, Michael Chieffo was too young to die. At any age, death is unwelcome — especially so at age 39. A legacy for those he left behind is the work Michael Chieffo performed as a member of the Board of Education for six years. Michael Chieffo was a dedicated board member, concerned with the education of our youth — determined to get the best bang for the buck.

A graduate of Fairleigh Dickinson University, he was an active person in sports. He promoted organized charity

basketball games, founder of the Belleville Broncos Junior Football organization, and founder of a pee wee touch football team.

Chieffo was also founder of the Belleville High School Hall of Fame. In the short span of life that was granted to him, Michael Chieffo made his mark in the life of the community fortunate to be the beneficiary of his dedication.

Frank J. Trecher

Letters in Print

Resident is Insulted By Welfare Incident

To the editor:

Hurray to Commissioner Michael P. Pizzi. He is a man of his word. He is a man who ran for an election in the Township of Belleville and has said on many occasions, his interest is the welfare of the Township of Belleville and his recent appointment of his campaign manager illustrates that he has the township at heart.

With 11 candidates applying for the position of welfare director, some of whom had years of experience, some had a college degree, Commissioner Pizzi chose to select his campaign manager, Carol Russo, a woman with no experience in welfare, and no college background. If this is how Commissioner Pizzi thinks that this is the way he repays the people of Belleville, then I think the Township of Belleville deserves a lot more. This is a sad day when a man has the audacity to embarrass the people of this community with a statement that, "in February he was looking to save money," when four short months earlier, he hired his campaign manager to a clerk's position at

\$14,000 per year and then elevated her to an administrative post under the guise that he was looking to save the township money.

I would just like Commissioner Pizzi to know that there are many, many people in the community who are very, very insulted by this recent situation.

Anthony LaVista,
President
Belleville PBA

Misunderstanding Led To Center's Objection

To the editor:

I find it very unfortunate that some of the Belleville residents object to the creation of an alcohol rehabilitation center in Belleville. Would these residents object if it were a diabetic rehabilitation center — for alcoholism, like diabetes, are both diseases.

I don't believe it is a matter of hostility but one of misunderstanding. Many people's conception of the alcoholic is one of the run down "bawdy bum" type. However, having opportunities to visit certain rehabs through my college studies, I have come across many alcoholics in treatment and none has met the criteria mentioned

above. The people I have come in contact with come from professional lives such as a school administrator, a lawyer, construction worker and a dentist.

The disease of alcoholism affects all walks of life; it is not choosy about its victims. Just like cancer, heart disease and diabetes, alcoholism is a disease that anyone could get.

I ask the residents who object, why not visit some rehabs in the state such as Morristown, Princeton and some other lovely communities.

Thank you.

Frank Dulla Riva, Jr.
1000 E. 10th St. 07109

Reader Suggests Changes In Present U.S. Tax System

To the editor:

The state income tax law should be changed to allow a single person a fair deal at tax time: a single person with an income of \$3,000 pays no taxes.

If that same person earns \$3,500 he must pay on \$2,500. There are many deductions that the state does not allow.

I feel the first \$3,000 should be tax exempt, and only the balance over \$3,000 should be taxed. I hope some in power would give this matter serious consideration like they did with my idea

of the homestead act for all homeowners.

A school boy or girl who has a part-time job to help pay for their education, and earns over \$3,000, takes it on the chin.

This change would be a blessing for all part-time workers, and should be changed. I hope those in power get the message.

Sincerely yours,
Albert Guglicelli
75 Lake St.

Golden's Loud Protesting On District Plan Draws Boo

To the editor:

The March 1 issue of The Belleville Times News carried a "Letter to the Editor" by James R. Golden. The writer discusses the court ordered and approved redistricting plan for New Jersey.

He calls the plan "an affront to the dignity of the self-respecting people of Belleville." He rages on to describe it "unprecedented, ridiculous, bizarre, unpardonable and an anomalous, incongruous arrangement, a fatuous, fantastic error of law."

I could accept his protest as sincere, were it not for the fact that the intentional gerrymander inflicted on New Jersey voters with the obscene redistricting plan now commonly

known as the "infamous N.J. Fishhook plan," was not worthy of his "talents" (?) in protest then.

So much for an obvious play of hypocrisy.

Cornelis P. Vander Zwan

Clifton Mayor Draws Praise For Prayer Stand

To the editor:

Heartily congratulations to Mayor Gloria Kolodziej of Clifton on her proclamation to its citizens to "take five minutes at 12 (noon)" in order to join in united prayer for the nation on May 3; and her suggestion that the memorable event be accompanied by the ringing of bells and chimes throughout the city.

Since I earnestly would like to actively participate, I plan to ring the set of brass chimes I have hanging in my living room, and will encourage my neighbors to do likewise. Practically everyone has a hand bell or hanging chimes available.

I greatly admire the Mayor's foresight, wisdom and plain guts in issuing this proclamation. I can hear already the criticism and complaints from atheists and other "ornery" citizens who will find something objectionable about the plans. But before they sharpen their pencils, let me remind them that the prayers are for the good of their country, and they are free to say them to God, or Allah, or Mohammed, or "The Great White Spirit," or whoever. Atheists are free to "pray" to Mother Nature, or the sun, or Neptune, (or nothing!), because, since God created all, their prayers would ultimately reach Him anyway!

Mrs. Mario J. Centi
120 Orchard Drive
Clifton

Golden Comments

By James Golden

Despite the casual indifference of the Reagan Administration to the mounting federal deficit and the need for increased revenues and a strong budget process, the Congress putters around, in this election year, with its thoughts on re-election; rather than the devastation to be wreaked by projected \$200-\$300 billion deficits.

The American Association of Retired Persons (AARP) sounds a strong note in its latest Legislative Report by warning "the economy will be in serious jeopardy," as it calls upon its members to contact their elected representatives to: (1) oppose further reductions in Medicare and Social Security; and (2) urge Congress to raise revenues and moderate the growth in defense spending. Saying "This will help to reduce the deficit while protecting those programs on which the elderly depend for health and income security."

Without a strong and prosperous economy, the well-being of this nation's elderly will be threatened in a number of ways...Shrinking tax revenues impair the security of government entitlement programs like Social Security, Medicare, and Medicaid, jeopardizing their ability to pay promised levels of benefits. Bad economic times tend to reduce the income of many older persons who look to rents, shareholdings, interest in business, and self-employment for retirement income. Pension funds find investment income falling, making cost-of-living adjustments less likely and raising the possibility that future payments may be lowered.

Presidential candidate Gary Hart said prior to the New Hampshire Primary election, that if President Reagan were re-elected that he would abolish Social Security...many already fear Mr. Reagan plans to reduce Social Security to a "needs level"...a threshold at the poverty level. That any with income above that level would be denied Social Security entitlement. In other words...to abrogate and annul Social Security to all intents and purposes. Do you want that?

The 1983 Social Security amendments which provide taxation on Social Security benefits, at a threshold level that is exceeded by computing one-half of the benefits received, indicates by projection that most younger wage-earners presently employed will, at the age of retirement, be ensnared into the taxation trap of paying taxes on their Social Security benefits. That was not the original intent of the Social Security plan of the F.D.R. social program.

AARP supporting responsible fiscal policy, advocates sizeable revenue increases coupled with a more moderate rate of growth in defense spending as the most effective means to reduce federal deficits and restore economic health. Given the large reductions in domestic discretionary and entitlement programs which have already occurred, AARP opposes further deep cuts in domestic spending. Further deep cuts in domestic reductions would not only be unable to produce the necessary budget savings but would also result in severe hardship for many of the nation's elderly.

AARP believes that the elderly have done more than their fair share in terms of reducing the budget deficit. In entitlement programs, for example, the 1983 Social Security amendments reduced Social Security spending by approximately \$66 billion through 1989 by delaying cost-of-living adjustments and taxing a portion of Social Security income. Medicare has also sustained \$26 billion in program cuts through 1986 with a result of higher premiums and deductibles for beneficiaries. On the discretionary side, total outlays for domestic discretionary spending through 1988 will have declined by \$37.9 billion since Fiscal Year 1980.

Within the year the average retiree lost \$84 and the average couple lost \$144 in Social Security benefits as a result of the six-month COLA delay contained in the 1983 Social Security Amendments...if COLAs were further reduced by Republican Senator Robert Dole's proposed plan, the average recipient would lose an additional \$5,700 and the average couple would lose an additional \$9,800 over the next decade. The proposed Republican plan to round the COLA to the next whole percentage would significantly reduce the elderly's income. Under this change, the loss to an average retiree over the next 10 years would amount to \$840 while the average couple would lose \$1,596 over the same period.

The proposed co-payments for hospital care would ask virtually all beneficiaries to pay substantially more for hospital care. In fact, for an average stay of 11 days, beneficiary payments would almost double, from \$356 in 1984 to \$727 in 1985. Also the Republican proposal would increase the Medicare Part B premium, deducted from your Social Security benefits, from \$146 in 1983 to \$408/year in 1989 — a 179 percent increase. This is bad news for senior citizens. The many Belleville seniors who will be badly hurt by these changes should promptly write their Congressional representatives telling them how they feel about these harsh changes.

The Rock-and-Roll Problem

"What's The Matter With Kids Today" is the title of a song from the Broadway hit musical "Bye, Bye Birdie." It is also a question which has been passed down from generation to generation since the beginning of time and a question which seems to receive a thousand different responses.

But perhaps of all the reasons given for the continuing rise in juvenile delinquency, runaway children and everyday rebellion against parents, rock-and-roll music is one of the most amusing.

Several weeks ago on a dull Sunday evening, I was watching one of those Christian ministries programs. You know the type — where a reverend shouts and screams out his message and then makes his sorrowing appeal to the audience for money, which is needed to accomplish "God's Work." Well, the program was entitled Rev. James Swaggart Ministries, and it so happens that Rev. Jim was preaching about the horrors of rock-and-roll music and the adverse effect it has on our youth.

"Kids are subconsciously influenced by lyrics of rock-and-roll music," Rev. Jim told us, "and that is the major reason for children rebelling against their parents. There are four areas of bondage created by rock music: illicit sex and perversions, necrophilia (which is an erotic attraction to corpses), homosexuality and drugs."

Rev. Jim called rock-and-roll music, "Something which puts them (children) in caskets, damns their souls and destroys their minds and bodies. Punk rock music concerns itself with rebelling against parents and hanging out in cemeteries. While acid rock concerns itself with drugs, sex, alcohol and general immorality."

Well, I know quite a few persons who listen to rock-and-roll music, and none of them hang around in cemeteries — at least not to my knowledge. And what about persons over the age of 30 who enjoy listening to rock music — and I assure you there are some — do they rebel against their parents and involve themselves in general immorality? (Not to mention hanging in cemeteries.) I would think the majority do not.

But what caught my attention about Rev. Jim's jabberwocky was that rock-and-roll music is nothing more than a conspiracy by the Russians to overtake this nation.

"I want to give you a quote taken from Joseph Stalin in 1935," Rev. Jim said. "If we can corrupt the morality of just one generation of any nation, communism can take over that nation."

So according to Rev. Jim, the Beatles were nothing more than a group of communists who set foot in America in 1964 with just one objec-

tive in mind — destroy the morality of the youths in the United States, thus opening the doors for the flow of communism.

Rev. Jim also believes that the United States should turn the Marines loose on Cuba and destroy the island, since he says high-ranking officials in Cuba are responsible for the flow of drugs into this country.

"We don't know how to act like men," Rev. Jim said. "We are weak and have lost our guts." Spoken like a true conservative. Could you imagine this man occupying the White House?

But while Rev. Jim believes that it is rock-and-roll music which is responsible for the increase in youth-related crimes and runaways — and there is documented proof that there has been a considerable increase in both those areas during the last decade — he is missing the real reason for the increase.

Society has changed over the years, it has to in order to survive. There are more working parents and children are being asked to accept more responsibility for themselves. Years ago the school, church and family all played a part in influencing a child's upbringing. But over the years, there has been an increase in working parents and even more of an increase in single parents. The family doesn't play as important a role in upbringing as it once did, and neither does the church, since so many people have turned their backs to religion. So the pressure has been placed on the school system, and teachers. And basically 98 percent of children turn out as well, if not better than they did years ago. So the school system has been doing an excellent job picking up the slack left by the family and church.

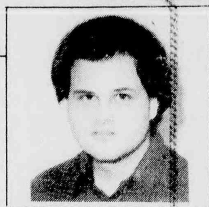

But the children who do turn to drugs, alcohol and sex, as well as the ones who learn away to escape their problems, do not have the same upbringing environment that was around 20, 30 and 50 years ago. And even in the "Good Old Days," there were children who turned out bad. There were drug and alcohol abuse back then, as well as persons who partook in so-called general immorality. So children haven't really changed, society has, along with the amount of pressure now placed on children.

Rock-and-roll is entertainment, perhaps a little loud for some ears, but nevertheless it is still entertain-

ment. And may I add it is not my favorite type of music. But I believe it is people like Rev. Jim and their outcry for censorship and physical violence, which does more harm than good for this country.

♦ ♦ ♦

I received a call from a gentleman who is a member of Holy Family parish, who complained about a letter published two weeks ago from Bill Rundle about the Catholic Church. He said I was irresponsible for printing a letter criticizing the church and then proceeded to start name calling. I told him that if he wanted to write a letter replying to Mr. Rundle's comments about the church, he should write to Mr. Rundle. I also explained to him that Mr. Rundle's views did not reflect those of the Times or myself. He said that we always criticize the church and why don't we write articles about the

work being done by Sister Teresa and Father Ritter. Well, I never had an opportunity to speak with Sister Teresa, but I did write a long article about the work being done by Father Ritter at New York City's Covenant House, a home for runaway children. After I told him that, he called me a nasty man or two and hung up. Two days later he called once again, but I refused to speak to him.

I have nothing against the Catholic Church, in fact, I am a Catholic myself. But I will not play favorites and I will not take part in censorship. And I also believe the gentleman who called me needs to take a few lessons in being polite to others.

Donna Mundy Bride Of Vito Tamborrino

Donna Marie Mundy, daughter of Mr. and Mrs. James Mundy of Belleville and Vito Tamborrino Jr., son of Mr. and Mrs. Vito Tamborrino, also of Belleville, exchanged wedding vows Nov. 13 in St. Peter's Church.

The Rev. John Denahy performed the ceremony which was followed by a reception at Snuffy's Renaissance, Scotch Plains.

Escorted by her father, the bride wore a silk gown accented with pearls and fashioned with a high illusion neckline and bishop sleeves.

Michele Mundy of Belleville was her sister's maid of honor. Bridesmaids included another sister, Debra Mundy, Shawn McCabe, her cousin, Patricia Mundy, the groom's sister, Gerilyn Tamborrino, all of Belleville and Kristine Rovell of

Philadelphia, Pa. Jamie Lynn Benson of Manahawkin was flower girl.

Michael Soriano of Scotch Plains was best man. Ushers included John Mundy, cousin of the bride and Raymond Sebastiani, both of Belleville and Nicholas, Thomas and Philip Conditto of Newark, cousins of the groom.

Mrs. Tamborrino, a graduate of Belleville High School and Rutgers University, is an accountant for a firm in Secaucus.

Mr. Tamborrino, an alumnus of Belleville High School and New Jersey School of Architecture, is an architect with the firm of Gabriel A. Calanda, A.I.A., Springfield.

The couple honeymooned in St. Maarten and have made their home in Belleville.

Mr. and Mrs. Vito Tamborrino — nee Donna Mundy

VFW Auxiliary Will Sponsor 'Lite-A-Bike' Safety Program

At its regular monthly meeting, VFW Auxiliary to Post 275 heard president Millie McKeen report on the spring conference in New Brunswick honoring national president Harriet Timmons. Mrs. Helen Gonyou, department president, welcomed Timmons whose theme is "We Care America."

McKeen also reported that the drug abuse program held recently was very successful. Det. Anthony LaVista of the Belleville Police Dept. showed films on drugs and the affects of drinking and driving. He also showed marijuana plants found growing in neighborhood homes.

Future plans for the auxiliary include coloring Easter eggs with the youth in the community and sponsoring an Easter egg hunt. A "Lite-A-Bike" program will also be inaugurated. Bikes will be inspected for safety and reflector stickers will be issued.

Umberto's Corner

Dear Umberto,

My husband and I have loved each other since high school but now a doubt has risen in my mind.

He doesn't want to use my comb. He has his own comb. I am beginning to think that he is rejecting me. I do have a case of excessive dandruff.

He states that he read in a magazine that dandruff is contagious. Couldn't it be true that I caught dandruff from someone since I never had it before? How do you catch it and what should I do?

The lady from Nutley P.S. Why do you praise only Belleville and not Nutley? I know that you have a lot of customers from Nutley. Dear Nutleyite.

Yes, I believe your husband still loves you but he would catch dandruff if he used your comb or brush. Dandruff is a case of dry scalp. You can catch it in a beauty salon if the combs and brushes are not sterilized. To correct the problem, shampoo thoroughly and use an oily or creamy conditioner.

P.S. Sorry about the discrepancy in towns. It was a secretarial error. I love Nutley. It is a town where I have my gems.

HEALTH WISE

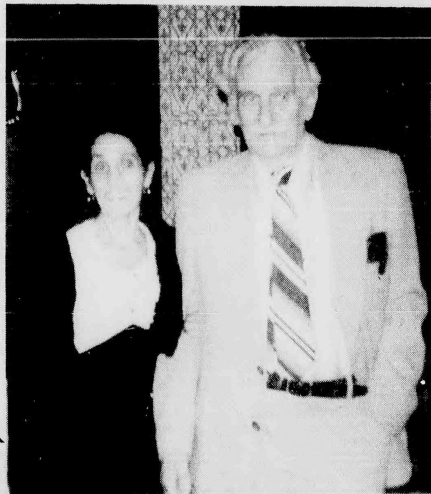

By Ralph J. DiMaio D.C.

A person with badly rounded shoulders or who is severely stooped over is probably one who has simply let minor problems develop into major trouble. In the early stages, symptoms may include soreness and a feeling of fatigue across the top of the shoulders.

Later, this is followed by a burning pain across the shoulders and stiffness of the neck, causing further compression and distortion of the spine. Vertebral misalignments cause the patient to experience pain in the hands, chest, arm, neck and shoulders.

Chiropractic locates and corrects vertebral misalignments. Phone for an appointment.

St. Thomas Church

Fish, Chips Dinner Tomorrow Night

The Rosary Altar Society of St. Thomas the Apostle Church, Bloomfield, will host its annual fish and chips dinner tomorrow night. The Argyle Restaurant of Kearny will prepare the feast at St. Thomas the Apostle School, 60 Byrd Ave.

Seatings will be at 5:15 and 6:15 p.m. with dinners and take-out orders being prepared and served until 7:30 p.m. The fish and chips will be accompanied by tossed salad, beverage, rolls and butter and dessert. Guests are invited to bring their own wine if preferred.

Dinners are \$6 for adults and \$3.50 for children under 12.

Acapulco Honeymoon For The Genuardis

Nancy Alicknovic, daughter of Mr. and Mrs. Anthony Alicknovic of 208 Holmes St., became the bride Oct. 16 of Robert Genuardi, son of Mr. and Mrs. Anthony Genuardi of Clifton. The Rev. Lionelli performed the ceremony in St. Peter's Church. A reception followed at Town and Campus, West Orange.

Escorted by her father, the bride wore a beaded empire gown of tulle and silk fashioned with an illusion neckline with Victorian collar, tapered sleeves, ruffled train and bustle back. A wide brimmed hat trimmed with silk roses held her veil and she carried stephanotis and lilies.

Janice Alicknovic of Belleville was her sister's maid of honor. Bridesmaids included sisters of the bride, Lynn Schulz of Guilford, Conn. and Beryl Boyce of Newton,

the groom's sister, Rosanne Genuardi of Clifton, Debra Garney of Clifton and Debra Rastatter of Ocean Grove, Christina DeLora, cousin of the groom, was flower girl.

They were attired in ruffled lilac gowns with bustle backs and wore wide brimmed hats accented with flowers.

James DeLora of Clifton served his cousin as best man. Ushering were Bryan and Steve Alicknovic of Belleville, brothers of the bride, Joseph Genuardi of Clifton, brother of the groom, John Gorney and Steve Rastatter of Clifton.

Mrs. Genuardi is with Nutley Savings and Loan. The couple honeymooned in Acapulco and have made their home in Clifton.

Mr. and Mrs. Robert Genuardi — nee Nancy Alicknovic

Storks

Community Information Center Opens Doors at Public Library

By Kim Kosko

Anyone who has attempted to gain information from local, county or state county agencies, knows that it is not only time consuming but down right troublesome. But with the help of the Belleville Library, things are changing.

The Belleville Community Information Center was unveiled last

Easter Bunny Making Visit On April 8

The Easter Bunny will be making a special visit to St. Anthony's Church, 55 Franklin Ave., on Sunday, April 8 between 11:30 a.m. and 2:30 p.m.

Children's admission is \$2 and includes an Easter surprise, fruit drink and potato chips. Adults will be admitted free. Photos of children with the Easter Bunny will also be available at \$2.75.

Boys and girls may also write a letter to the Easter Bunny telling him something they did nice. There will be a mailbox available for all letters.

The program is sponsored by Boy Scout Troop 387.

School 5 PTA Will Host Fashion Show

The School 5 Parent-Teacher Association will host its annual dinner-fashion show this Friday, April 6. This event will take place at the Bethwood in Totowa at 6:30 p.m. Tickets are priced at \$14 each. For information or tickets, please call Mrs. Albanese at 759-3693.

week to the public at a ceremony held at the library. The center, which was created by the Belleville Inter-Agency Council, will act as a "human resource clearing house," making available resources in the community, county and state.

"The establishing of the Community Information Center is to create a common depository of information pertaining to human services in Belleville and Essex County, as well as services available statewide," said David Bryant, library director. "We were at times frustrated when people came in seeking information about human service organizations and we did not have the answers. That is where the inter-agency council came in, and after several meetings, we decided the library was the logical place to store the answers to questions we found occurring more and more frequently."

The center contains information concerning organizations such as: Community Mental Health, Family Service Bureau, Welfare Department, and senior citizens groups. There is also information concerning social security, food stamps and tax information, just to name a few.

The Belleville Inter-Agency Council was formed in November of 1982 at the urging of Alice Ricci, director of Community Mental Health Services for Belleville, Bloomfield and Nutley. Ms. Ricci saw the benefit of agencies, each with the commitment to human services in Belleville, to meet on a regular basis.

"When the agencies started to meet, we realized that there wasn't any one place where someone could go to obtain information which is available," Ricci said. "If you ever

tried to call the welfare department or any other government agency, you know the run-around you can get. Considering these problems we had the idea to form the information center and realized the library was the perfect place for the center."

"Essentially we hope to provide residents of Belleville with information on various social service agencies in Belleville itself, so if they need information they can come here to make the connections," said Tony Cuttitta, director of Belleville's Family Service Bureau. "We also felt that the library would be a safe place for people to come to seeking information without feeling threatened."

"The information center is something which the Inter-Agency has been considering for the past year and we have had the input of many groups and organizations from throughout the township, which we believe will make this center a successful project," Cuttitta continued.

The center is accessible during regular library hours and will be staffed by reference librarians and volunteers. The library is located at 221 Washington Ave.

Actor Will Appear At Library in April

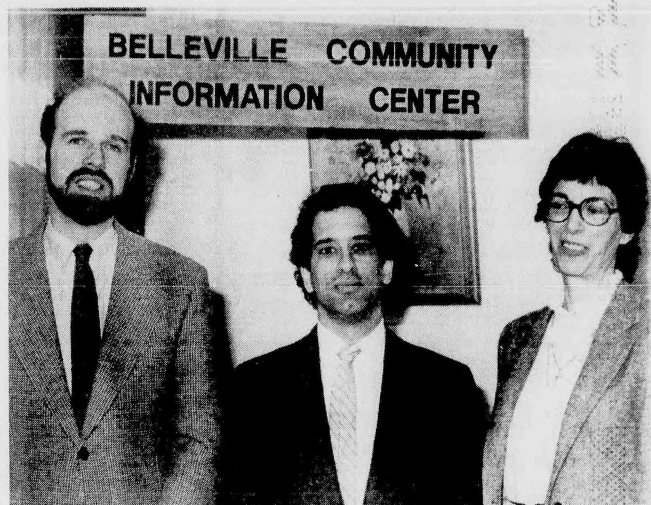

During National Library Week, April 8-14, actor Gerald Fiery will be an actor in residence at the Belleville Public Library.

Fiery has been a professional actor since his graduation from Yale University in 1968, a founding member of The Whole Theatre Company, a performer on television in "As the World Turns" and "Weekend" and in such films as "Trading Places" and "Roller"

The roles he has played have ranged from Frankie, the zany gangster in "Three Men on a Horse," to Billy Bibbit in "One Flew Over the Cuckoo's Nest," a part which won him the New Jersey Drama Critics' nomination as the best supporting actor in the state. The one-man shows he has performed in 35 different communities in New York, New Jersey, Pennsylvania, Connecticut, and Maine are "Russian Memories," "American Silhouettes," and "The Happy Kidnappers."

On Tuesday, April 10, from 10-11 a.m. and Thursday, April 12, from 10-11 a.m., Fiery will do "Storytelling, Storyacting" for children and parents at the library. On Tuesday, April 10, from 8-9 p.m., he will present, "I Love the New York Theatre." In this presentation, the audience will receive an amusing and vivid critique of the current Broadway and off-Broadway season with enlightening asides about the craft of acting. To register for "I Love New York," call the library's information desk at 759-9200.

The theme for National Library Week in 1984 is "Knowledge Is Real Power," and the Belleville Public Library is bringing this type of program to the community to increase its information about acting and the theatre.

The Place to Know — A new Community Information Center was introduced to the public last week, by members of the Belleville Inter-Agency Council. The center, which will carry information concerning various human service organizations, is located in the Belleville Public Library, 221 Washington Ave. From left to right are: David Bryant, director of the library; Tony Cuttitta, director of Belleville's Family Service Bureau; and Alice Ricci, director of Community Mental Health Services.

Kindergarten Registration Is Scheduled

Any legal resident of Belleville, who will be 5 years of age on or before Dec. 31, 1984, may be enrolled in the township's kindergarten program. Please present proof of age and a complete record of immunization to the principal of the building serving your area.

Formal meetings of parents of registered kindergarten students have been planned. Please check this schedule: School 3, April 18, 10 a.m.; School 4, April 12, 1:30 p.m.; School 5, April 17, 10:45 a.m. and 2:15 p.m.; School 7, April 11, 10 a.m.; School 8, April 17, 9 a.m.; School 9, April 4, 9 a.m.; and School 10, March 30, 10-15 a.m.

Health Service Message Given To Parents

The Surgeon General of the U.S. Public Health Service has issued an advisory to parents: Don't give any drug to children who have chickenpox, influenza or other flu-like illnesses. Although some experts disagree, other experts believe that recent medical research points to a possible association between aspirin and the chance of children developing an illness called Reye (Rye) Syndrome. Although rare, it can be fatal and calls for immediate emergency medical attention. Early symptoms include vomiting, violent headaches and bizarre behavior. Dr. C. Everett Koop, the U.S. Public Health Service Surgeon General, says most childhood illnesses are minor and go away quickly without medication. When questions arise, Dr. Koop and the American Academy of Pediatrics recommend that parents call their physician for advice.

Knight of Columbus Starting Annual Drive

The Belleville Knights of Columbus Council will again sponsor its annual drive for funds to aid the mentally retarded and those with learning disabilities, starting Thursday, April 12 and continuing until Sunday, April 15.

Past Grand Knight Frank Corbo will again be chairman for this worthy cause.

During the drive, the Belleville Knights maintain a blood bank and sponsor a workshop for retarded adults at their own clubhouse. They also raise funds each year, give financial aid to Camp Fatima, a summer camp for retarded children; the Belleville Boys Scouts for retarded children; Mal Condon Canteen for retarded adults; state council programs for the retarded; and sponsor a Belleville Little League baseball team. The Knights also provide assistance for wheelchair patients in veterans hospitals and provide scholarships and student

loans for brother Knights' children.

In 1979 the Belleville Knights helped the Mal Condon Canteen when a dove handicapped were on hand at inaugural night. Since then the Mal Condon members have been meeting in the Knights of Columbus Hall twice a month where they participate in games, have entertainment, and are served refreshments.

The canteen is named for the late Malcom Condon, an active community member who was a member of the Knights of Columbus, St. Peter's Church, St. Peter's Holy Name Society, the Planning Board and the New Jersey Association for Retarded Citizens.

If you cannot assist our cause in some capacity, the Knights appeal to you to send a donation. We are aware some of you live far away or perhaps physically you are unable to be present, so please send your donation to Chairman Frank Corbo, K of C, 94 Bridge St., Belleville.

Christ Church Hosting Cabbage Patch Raffle

Christ Episcopal Church is currently providing temporary care for a Cabbage Patch Kid until someone adopts him through a raffle drawing being held April 13. The drawing will be held in conjunction with the annual fish and chip dinner being served that evening from 5-7 p.m. at the church, 393 Washington Ave. The drawing will take place at 7 p.m.

One free raffle ticket will be provided with each dinner served. Additional tickets are available at \$1

each and can be purchased in advance or that evening. A dinner purchase is not necessary to buy raffle tickets.

The meal is being prepared by Thompson's Fish and Chips. Dinner tickets are \$5 for adults, \$4.50 for senior citizens and \$3 for children under 12. Advance dinner reservations are suggested. Raffle information can be obtained and reservations made by calling 751-8820 after 5 p.m.

For Pete's Sake Eat & Drink

For Pete's Sake Eat & Drink, the home of the overstuffed deli sandwich.

Pete Vacarelli, proprietor, has made this establishment probably the most popular lounge in this area. Quite different from your average shot & beer place, Pete's surrounds you with a friendly, warm atmosphere offering specials daily and on Tuesdays his seafood extravaganza featuring shrimp cocktail, fried calamari, shrimp orreganato, scungilli salad and a variety of other delicacies to choose from. All very moderately priced. Dinner specials are offered every evening. Stop by for lunch, dinner or just a sociable drink. We'll be happy to serve you.

Guide to Dining Out

WILLIE'S DINER

Located at 9 State Street in Bloomfield, Willie's Diner has long been a landmark for delicious food.

They serve scrumptious seafood and appetizers and their fresh salad bar is the favorite of many hungry diners.

Willie's Diner is open 24 hours a day, seven days a week. The Ramundo family thanks you for your continued patronage.

'Little Progression' Gets Papa in Race

Sam Papa Jr., a candidate in the May special commission election, sees the township of Belleville as "lacking progression."

"There really seems to be no progress taking place in Belleville," said Papa, who serves as president of the Bridgebrook Apartment Tenants' Association. "There is no movie theatre in Belleville, no dog pound, and the sight of Washington Avenue really upsets me. I believe that this community is moving backwards instead of forward."

Born and raised in Belleville, Papa attended School 4 and completed two years at Belleville High School, before completing his high school education in New York City at RCA Technical School. He worked for 13 years at Electrical Industries, moving his way up to production manager.

He later became a stockbroker, receiving his training at the New York Institute of Finance and is now a representative of the New York Stock Exchange.

"Belleville has a balance budget and that is something which I am not very happy with," Papa said. "I do not know of a single community which has a budget balance and is progressing forward. The township's finance director Joseph McGreevy is a fine gentleman and I believe he is doing a good job, but I see his thinking as being non-progressive. Belleville is sliding and we need different and new ideas to keep moving ahead."

Papa, 47, sees the housing situation as a major problem facing Belleville.

"There are people in my apartment complex who have moved three and four times, because everywhere

they go apartment houses are turning into condos and they cannot afford to buy. The rent issue in this community is a major one and rent prices are outrageous. People are being forced out of decent and affordable housing not only in Belleville, but in communities throughout the state. Something must be done to correct the situation."

Papa, who is making his first attempt at seeking a public office, says

Sam Papa Jr.

he doesn't really know how he became a candidate.

"I have some stright-lace friends who insisted that I do this," said Papa. "But I have always loved Belleville and I have a strong desire to see it grow with the future. The apathy in this community is terrible and something must be done to correct the situation before it gets worse. I am a candidate because I care about this town and its people."

Vincent Strumolo Seeks Commission

Former Commissioner Vincent T. Strumolo, a 19-year veteran of the township's governing body, said he has a solid record as an administrator and legislator under both the commission and council-manager forms of government.

"In my 16 years as Commissioner of Public Affairs, the health department grew from offering very limited services to one that is modern and meets the needs of the citizens," said Strumolo, who is seeking the Public Safety seat vacated by Matthew Pica last month.

"Nursing services were expanded without the need for extra employees, eye exams, dental services, senior citizen flu shots, blood pressure and other clinical services were offered to Belleville residents for the first time under my leadership of the department," he said.

Transportation services have always been a key concern for Strumolo. In 1974, the Public Affairs Department became the first in the state to run senior citizen bus routes which provide free transportation to shopping areas and other important locations such as hospitals. "The Senior Bus Service is used by hundreds of citizens each week," said Strumolo.

A Transportation Advisory Board was established by Strumolo in 1974 and remained a viable watchdog of New Jersey Transit services and other transportation concerns for his entire tenure as commissioner, he noted. Dial-A-Ride, a van service for emergency social service transportation, was also instituted by Strumolo.

Strumolo noted that township's tax rate for municipal government operations did not increase at all dur-

ing the last two years (1982 and 1983). He said that he always pursued state and federal grant programs that allowed for new or improved services without burdening the local property taxpayer.

A state funded Rodent Control Program along the Second and Third Rivers and an air pollution control contract with the Suburban Regional Health Commission were other innovations of Strumolo's tenure, he added.

"During my first term as commissioner, the Suburban Regional inspectors and myself made closing down all incinerators a top priority and accomplished that in a short time," said Strumolo. "That was in 1968-69 when air pollution control was just being recognized as a national concern. Many local industries had to install air pollution control systems because of the aggressive work of the township and health commission in the early 1970s before air pollution control became a concern that people realized had to be addressed. We made it the first order of business."

A Franklin Street resident, Strumolo has been active for many years in veterans affairs.

Sam Papa Breakfast On April 29

The committee to elect Sam Papa Jr., Commission, will host a breakfast, Sunday, April 29 at 10 a.m. at the Chandler Restaurant, 340 Franklin Ave.

Tickets are priced at \$12 and can be obtained by calling 751-0426.

Headquarters Open For Joseph Dasaro

Headquarters housing the Committee to Elect Joe Dasaro Commissioner to the Belleville Commission Board opened Sunday, April 1 at 139 Washington Ave.

The committee, headed by chairman Jay Tarantino, owner of Tarantino's Restaurant, is spearheading efforts to elect Joe Dasaro, president of Belleville Travel Service, to the Commission during a special election set for May 8 in Belleville.

Known by his supporters as a man deeply involved in community pride, activities, and service, Dasaro's credentials are varied. He founded Belleville Travel Service, a fully-accredited agency, in 1965. An avid traveler as well, Dasaro has also worked 23 years with New York Airways helicopter service.

Dasaro is involved within Belleville through his support of youth recreational sports teams, charity organizations, local parades, community projects, plus municipal functions and concerns. He presently

serves as member of the Rotary Club of Belleville, Belleville Chamber of Commerce (serving on the Board of Directors as Vice President of Programs and Special Projects), and secretary and board commissioner of Belleville Redevelopment Agency. Dasaro has two sons, Joseph Jr., 18, and Anthony, 12. He and his mother Rose reside at 124 Carpenter St.

Mrs. Tarantino has announced the committee members to elect Joe Dasaro Commissioner are: Adam and Camille Porcelli, Ralph DiMaio, Susan Pizzano, Al Luberto, Tony Iacullo, Pat Diana and Joann Barstosh.

Also, Tom Gammara, Earl Betts, Edith Fleischer, Joe Petrillo, Regina DePalma, Joe Forlini, Debbie Lombardi, J.J. Landolfi and Sharon Kolker.

Mrs. Tarantino said anyone wishing to work in the campaign may contact her at 779-5646 or after 4:30 at 759-1333.

Fornarotto Will Work Saving Taxpayers Money

Belleville's voice of the people, Joseph Fornarotto, is seeking the vacant seat of former commissioner Matt Pica this coming May 8 in a special township election.

Fornarotto received over 3,100 votes last May when five seats were open. Fornarotto, who served in the U.S. Navy 3½ years, was employed by the Township of Belleville serving

in all Divisions of Public Works Department for 10 years, and is presently employed by Essex County as a coordinator for housing, where he has served the people for 10 years.

An avid speaker for the taxpayers of Belleville, Joe saw a need and took the "bull by the horn" representing the people on taxes, waste, economy, attrition, a senior citizen home, renovation of the business area and an equal share of taxes and services for all taxpayers.

Fornarotto believes the township should do their own vehicle repairs and their own sanitation work to save over \$500,000 per year.

Father of four children, Joe and his wife, Jeanne, are life-long residents of Belleville. He is involved with over 15 local civic and veteran organizations striving for a better "tomorrow" and firmly believes the people of Belleville have had enough and should show it Tuesday, May 8, by coming out and voting.

DiRuggiero Hosting Rally On April 5

Ralph J. DiRuggiero, a candidate for commissioner in the special May 8 election, will formally launch his campaign with a free kickoff rally on Thursday, April 5 beginning at 8 p.m. at the Armvets Hall at 100 Newark Ave.

Friends and well-wishers of the candidate have been invited to attend the event, during which DiRuggiero will outline his position on the issues facing Belleville and map out a strategy for the campaign. Refreshments will be served.

DiRuggiero's campaign headquarters at 525 Joramelon St. will also officially open this week. Anyone interested in working on the campaign is asked to stop in any evening after 6 p.m.

Belleville Times SPORTS

DeAquino Jolts Queen of Peace, 4-1

Softball Squad Steps Off With Opening Day Win

By Mark Foley

Starting the season in the right way, the BHS girls' softball team defeated Queen of Peace on Monday by the score of 4-1. The Buccanettes were led by senior Dina DeAquino, who surrendered four hits and three bases on balls while striking out nine Queenswomen in North Arlington.

Two underclassmen, Donna Brooks and Desiree Johansen, provided most of the offense. Brooks went three-for-four with a fifth-inning solo home run, while Johansen recorded three singles in three attempts with a run batted in. Cheryl Marion and Cheri Tillman collected the other two Buc base hits.

Belleville took control of the game in the top of the first inning when Brooks singled, stole second base, and was sacrificed to third by Marion. Tracy Buono then grounded to shortstop Lori Luzzo, who threw the ball away and allowed Brooks to score and Buono to advance to second. Johansen followed with a single up the middle, but Q.P. center fielder, Angela Corsaro, in attempting to throw Buono out at third, also committed an error and allowed her to tally the second run. The other Belleville score came in the third as Brooks came in on Johansen's bases-loaded hit. Jennifer Gruter took the loss for Queen of Peace.

Giuffrida Not Happy With Crews' Showing

It's not too often when head crew coach Sam Giuffrida expresses disappointment in his team's performance. But that's exactly what the coach felt, after last weekend's Upper Merion Invitational at Upper Merion.

The Bucs have a busy week this weekend. This Saturday, Poughkeepsie will race Belleville on the Passaic River. On Sunday, the Bucs take the boats to Philadelphia to compete in the Flicks.

"We didn't row as well as we should have," said Giuffrida about the Upper Merion race. "Even the boats that won did not do that well and the kids knew it. On the way home, they said they were not happy

with the performance and are looking to improve on it this week. That's when the races really get exciting. Right now, the team is working on consistency and are looking to improve with each race."

The boys junior four prevailed by .01 last week and the senior four boat took a third place. The Upper Merion Invitational featured Belleville, North Catholic, Kearny and Upper Merion. The girls' eight did not have a good weekend, losing races to Upper Merion in both shells. The boys lightweight four was second, losing by .02.

"We'll be concentrating on the fours throughout the year," said Giuffrida. "We will race in the eights when we have to, in order to obligate another team, but we do not have the numbers this year and the fours will give us some more chances at the nationals. We put together a senior eight boys boat last weekend and it finished fourth, but just one half length out of second place. It's going to be a year of fours, however."

Giuffrida noted earlier in the season that the Bucs are a team low in quantity but high in the quality area. "I found out that Holy Spirit of Atlantic City had 190 athletes come out for the crew team. That's incredible. I guess it's the area, but those numbers are almost staggering."

Getting back to the race, Giuffrida felt his team was hampered by the bad weather and missed two days of practice leading up to the Upper Merion race. "We have a very young

team, (only four seniors) and we're basically a sophomore team. Our stroke last weekend was too high and we lost valuable seconds. It's something we will work on and should improve on as the season progresses."

If past performances are any indication, Giuffrida's prediction will be true and the Bucs will be back on track and heading towards the Regattas in good shape.

The team plays this afternoon at home against Livingston; although the location of the game was uncertain to wet grounds at press time, it will begin at 4 p.m. They will face a tough Edison squad Saturday at home, 11 a.m., and will take on Paterson Kennedy on Monday at 4 p.m. also. The Bloomfield Bengals, who fell to the Buccanettes on four separate occasions last season, will return to Belleville on Wednesday for a 4 p.m. start.

EXTRA BASES: DeAquino tied her own school record of nine strikeouts in a game, making this the fifth time that she has accomplished the feat. Wednesday's Bloomfield game will be given same-day television coverage by Suburban Cablevision's TV-3. Brooks' home run tied her with Buono for third on the career list with eight four-baggers. Union, who defeated Belleville, 5-2, in last season's North Jersey Section 2, Group IV State Championship game, will face the Bucs in a rematch on Saturday, April 14, at 10 a.m. in Belleville. This year's schedule includes the first doubleheader in BHS history. On May 9, the girls will travel to Passaic for a 4 p.m. game, return home, then head to Lyndhurst for an 8 p.m. match (and then get up for school on Thursday morning).

Scholarship Fund — Vincent Cosenzo (c) presents a check to the Michael Marotti Civic Association Scholarship Fund, from proceeds collected during the annual professional wrestling show held last month. Accepting the check are: Ernest Zoppi, club president; and Mayor Marotti.

Diamondmen are Ready For Season to Commence

At the outset of the week, head coach Ralph La Conte was looking forward to five scrimmages as a final warmup for the regular season, which was supposed to begin last Tuesday. Instead, the Bucs managed one scrimmage and ended the week practicing indoors and losing valuable time.

Belleville was scheduled to open the 1984 season with a game versus Barringer last Tuesday. This afternoon, the Bucs are scheduled to travel to East Orange to battle Essex Catholic. There are problems with that game, however. Essex Catholic does not have access to its field and has requested the game be moved to Belleville. The problem is, Belleville's field might not be ready in time for that game, much less the Barringer game, which was pretty much written off. On Saturday, Belleville will be in Lyndhurst, barring bad weather that game could very well be the season opener. Next Wednesday, Belleville travels to Bloomfield.

"It would have been a very interesting week," mused La Conte in

reference to the four rainouts. "The weather after Tuesday was a disaster and we were forced to practice in the gym, where other teams are also practicing. It's not easy to obtain access to the gym and when you're trying to establish a winning program, it can be tough."

The Bucs did have one scrimmage last week, battling Immaculate Conception and coming away with a good showing. "We made good contact with the ball," La Conte said. "Defensively, we were solid and it was a good way to start the week. Despite the bad storm that hit our area last week, by Saturday, most of the snow was gone and a number of neighborhood teams were back on their fields by the weekend. Belleville, however, has not had that luck. They were practicing at the Four Diamonds in Belleville, but now that field is needed by some of the Newark schools. That brings us to the varsity field at Belleville High School, but that field is not close to being ready and consequently, the Bucs are a varsity team in search of a

varsity field. "I just wish we had a field to get on," said La Conte. "It's tough on the kids, too. They are very optimistic about the season and have a super attitude. However, they are not getting enough playing time outside and maybe, we will leave the gym just in time to play our opener. We need the time outside."

La Conte also brought up a legitimate point in reference to the Bucs' field. Communication between the game and the fans is not very good. If you arrive at a Belleville game after the opening pitch, chances are, you do not know the score of the game, who the players are, or the count to a particular batter. There isn't a scoreboard, or program, to distinguish these facts and the coach feels that a better awareness of the players and game situation usually leads to more interest on the part of the fans.

"Also," said La Conte, "the month of March has always been

(Please see "If Weather" on page 12.)

Grapplers Honored By Wrestling Parents and Friends

Last Friday night at the Branch Brook Manor in Belleville, the Buccanier wrestling team was honored by the Belleville Wrestling Parents and Friends Association, with a big dinner in honor of the amazing 150-1 record the grapplers put together during the 1983-84 season.

The Association has been giving the grapplers an annual dinner since the 1976 campaign and it doesn't matter whether the grapplers were 150-1 or 0-15-1. The organization is out to honor the athletes for their hard work, dedication and accomplishments on the mat. For their work, along with the tremendous season the grapplers put together, the Belleville High School athlete of the Month for March goes to everyone associated with the program.

"Everything we do is for the kids, the wrestlers," said Lucille Cerreto, president of the organization who has two sons, Dominic and Carmen, on the team. "Our organization now works with the recreation team and the junior high school team. We raise funds for equipment for the kids that the Board of Education cannot provide. Things like tee shirts, dress shirts, water bottles, knitted ski caps, scarfs and a spotlight for the gym were provided by our organization."

Also, the organization is responsible for the showcase on the gym level of the high school that lists previous Belleville High School wrestlers and their accomplishments. "That showcase draws a lot of raves from opposing schools when they come to wrestle at Belleville High School," said Cerreto. "Of course, we also provide the dinner at the end of the year which always is enjoyable for the kids."

The organization will also give the recreation team a pizza party this year. In order to maintain such high standards, a lot of hard work goes into the program. Cerreto is now in his second term as president. The vice president is Tommy Graziano, a former BHS wrestler and 1982 graduate. Pat Silletti is the former recording secretary with Mary Jane Ardvidson the new recording secretary. The treasurer is Sam Zamlot who will assume that role for another year. The corresponding secretary was Gloria Daudelin with the new secretary now being Fran Padula.

During the wrestling season, the organization meets two Tuesdays of each month. In September, the members get together to start organizing for the new season. "We keep busy," said Cerreto, "there are approximately 140 people in the organization and everyone gives a good deal of time and expresses a great deal of interest. A lot of people do not have sons in the program, but they still come back year in and year out. They do a lot for us."

This year, the "Big Chief" Award, in honor of the late Michael Chieffo, was awarded to Jaime Lijo, the Bucs entry in the 170 pound class. The award, which was presented by Chieffo annually, is given to the wrestler who demonstrates courage and ability on the mat. Lijo had an excellent season on the mat and was a deserving winner.

Another of the big awards given at the dinner is the most valuable wrestler award. This year, it went to senior Mike Giuffrida on his excellent campaign at 122 pounds. Giuffrida was also named the quickest pin of the season, a 17 wipeout of an oppo-

nent during the regular season.

The De Bacco award was presented to James Meyler, a senior at 158 pounds who advanced to the state finals and lost just three matches.

There are a number of fund raisers leading into the season. In September, the group put together a Fish 'n Chips dinner at the Belleville High School cafeteria. For the first time, there was a 50's dance, held at the Belleville Elks hall. "We put that

BUC SHOTS

By Michael Lamberti

Sports Editor

dance together in a month," recalled Cerreto. "It worked out very well and we had a good turnout."

The group also puts together the summer tournament every June at Belleville High School. Currently in the works is something that should appeal to many fans. Cerreto reported that the group is looking to formulate a committee to put together an alumni wrestling team and match that alumni squad against an alumni team from Essex Catholic High School.

"If there are any alumni who would want to wrestle, it would be a very interesting event," said Cerreto. "This is just in the planning stages now, but it would be something to see."

If the idea does come off, and once again, it is only in the planning stages, the match would be held in the fall, and would

be at Belleville High School. Back in the winter of 1975, for instance, Belleville and Essex Catholic engaged in a memorable match with Belleville winning, 25-24 as heavyweight George D'Allesandro, then a sophomore, pinned his man to rally the Bellboys from a 24-19 deficit. The head coach of that squad was Jimmy Silvestri, now the Belleville A.D. It would be something to see a rematch of that bout.

The group has a number of good ideas. It doesn't cost much for anyone interested in joining. Membership fee is \$2.00 per year for an individual and \$3.00 for a husband-wife team. The Belleville Wrestling Parents and Friends Association is a first class organization and the future of Belleville wrestling certainly looks bright with people like Lucille Cerreto leading their time and effort.

As for the young wrestlers who put together the undefeated season and were later named Regional Champ, the entire team led the way. Coached by eighth year man Gene D'Allesandro, the Bucs were paced by Tim Buckley (sophomore, 101 lbs.), Dominic Cerreto (junior, 108 lbs.), Vinnie Capriolone (freshman 155 lbs.), Giuffrida (senior, 122 lbs.), Cam Rispoli (senior, 129 lbs.) and Darren Sneedon (senior, 129 lbs.), Luke Siletti (junior, 135 lbs.), Ralph Zarro (junior, 141 lbs.), Carmen Cerreto (senior, 148 lbs.), Jim Racanelli (senior, 148 lbs.), Meyler (senior, 158 lbs.), Lijo (senior, 170 lbs.), Michael Gibbons (junior, 188 lbs.) and Mark Criscione (freshman, heavyweight). Looking at the lineup, the Bucs will return a solid nucleus next winter. The freshman team, led by the "Rodney Dangerfield" of Belleville sports, Dennis

Villano, was 17-3 and the jayvee team, led by former state champion Joe Nisiovia was 13-1. Gibbons and Meyler both made the states this year and Gibbons will be favored to go even further next winter.

It was a great season, no doubt. Congratulations to everyone associated with the program, from the athletes down to the association. You all deserve the accolades and applause of everyone in town.

The Buccanier Honor Roll will be published in next weeks issue. I should have the ballots back early this week and will have the list in next weeks issue. We had 22 student athletes make our list in the fall semester and were hoping for similar success for the winter.

The Belleville High School athlete of the week award also returns next week, depending on course, if any of the games got started this week. The weather has been a big factor the last week and might hamper some of the sports in the early stages.

Here is the answer to last weeks quiz. The question was, name the teams that defeated Virginia in the NCAA basketball tournament in Ralph Sampson's junior and senior year, denying the 7-4 giant a national title. The answer, In Sampson's junior year, 1982, the Cavaliers lost to the University of Alabama-Birmingham and in his senior year, Virginia was ousted by N.C. State in the West Regional finals.

For this weeks quiz, name the last time U.C.L.A. appeared in the championship game of the NCAA (volleyball) and the results. Also, name the other teams who composed the Final Four that season.

Finally, hello to Barbara Gundry, a good friend and a class person.

Rebuilding Season Awaits BHS Golfers

The season was scheduled to open just Monday and head coach Rocco Colucci is expecting 1984 to be a rebuilding season, a time to start developing players for the future.

"I'm not going to kid anyone," said Colucci. "We have a lot of work ahead of us. We have an excellent player, someone I feel will be one of the best in Essex County (Jim Apple) and a number of competitive players who are working hard but need the experience."

Belleville opened the campaign, weather permitting, with a match at Forest Hill Country Club against Essex Catholic. Next Monday, Bloomfield will be the opposition at Branch Brook Park while Kearny comes to Branch Brook on Tuesday.

This is Colucci's fourth year on the course for Belleville High School. Overall, he owns a very impressive 27-11 record and is coming off a 10-5 record in 1983. "That's the kids who earned the record, not me," said Colucci. "This year, we have some talented kids, but in golf, the game is a constant struggle. There is always room for improvement. Our schedule is competitive, we've had tougher schedules, but we also have had more experienced players."

Apple will be the team's number one player, not only on the scorecard, but in the leadership

department. The senior has been a part of the program since 1981 and Colucci feels he is one of the best.

"He has a great attitude. If he's not practicing with the team, he is out playing on his own. He works hard and should have a very good season. I'm looking for a lot of good things from him."

Junior Greg Simone will fill the number two slot. Simone came on strong in the later stages of 1983 and now will be looked upon as one of the top players on the team and a future leader of the squad.

The same can be said of sophomore Brian De Furia. The number three man on the team, De Furia also showed promise in the later stages of the '83 season and he should be a steady player this spring.

The number four spot is wide open, with Frank Riker the apparent leader. Riker will be challenged by freshman Joe Tower and junior Brian Lewis.

Essex County always boasts a strong golf tradition. West Essex, Caldwell, Bloomfield, Essex Catholic, Verona and Cedar Grove are perennial county powers and Belleville is in excellent company. Colucci is not making predictions, but he is aware that the stiff competition will present his athletes with a learning experience.

Middle School MVP — Judy Nehila was presented with the MVP trophy for the Belleville Girls' Suburban Basketball team, by junior high Principal Mario DiMaggio and coach Sal Mauriello. The eighth grader averaged 22 points per game this season.

(Continued from page 11.)

tough. It's been that way for the 17 years I've been here. The weather is very unpredictable, the conditions and elements are always tough. There are a lot of obstacles to overcome, a lot of them have nothing to do with coaching. If the kids are giving their best, and they are, then are others involved with the program giving their best?"

Nevertheless, La Conte is very optimistic about the season. His team has a nice blend of talent and returns some experienced athletes who are looking to avenge last season's 6-17-1 record.

Tentatively, the opening day lineup that La Conte will employ sees John Guarino leading off in center field, Joe Borrello batting second and playing shortstop. Batting third and catching is Anthony Lombardi, the designated hitter in the cleanup spot is Mario Silvestri. Batting fifth, Frank Tursi, the Bucs' opening day pitcher and also a good right fielder. Allan Ruopp is the sixth hitter, playing third base. Brian Book will bat seventh and play first,

David Long plays left field and bats eighth, while Dean Sternik will play second base and hit ninth.

La Conte is also happy with the team's depth. Joe Feith should see time at second base against left-hand pitching. Anthony Cook will share time with Brian Cook (no relation) at first base. John Aurimemma should see time at the catching position. Luke Siletti looks good in the outfield and the pitching is anchored by Tursi (4-1 last year), Tommy Reid (2-3 in 1983) and sophomore Mark Palumbo, who hurtled the final varsity game last season as a freshman and is looking good in pre-season. Also, seniors Joe Tribuco and Dave Allieri, along with junior Dan Rugiero will see time on the pitching mound.

La Conte also has a "shuttle" system with the jayvee squad and expects a number of jayvee players to see some time on the varsity level. "When they are not playing varsity ball, they will see time on the jayvee level, this way they get a chance to play instead of sitting the bench on the varsity level."

Paserchia Reaches States In Bowling Competition

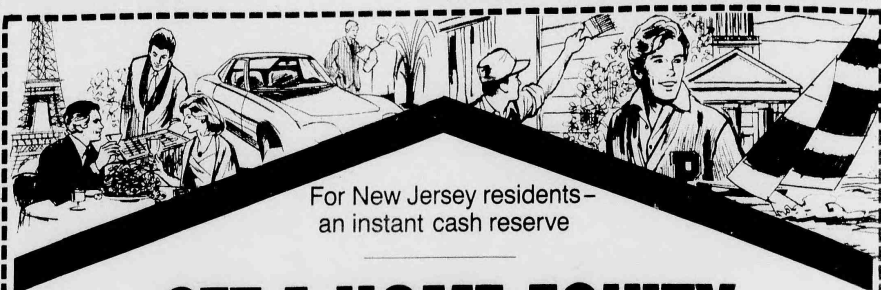

Anthony Paserchia

Another Belleville athlete has reached the ladder of success. This time it is Belleville High School bowler Anthony Paserchia, who reached the state finals bowling championship.

Paserchia, who supported a 180 average in the regular season, finished sixth in the sectional finals held at the Belleclair Lanes in Montclair. This qualified him to move on to the finals which were held at Edison Lanes in Edison.

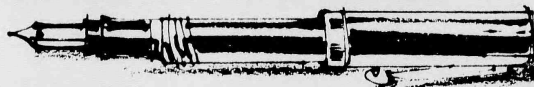

In the state competition Paserchia finished 22nd in the tournament and was the top bowler representing Essex County.

According to Bucs coach Mike Early, it has been a few years since a Belleville bowler made it to the state finals.

For New Jersey residents—
an instant cash reserve

GET A HOME EQUITY LINE OF CREDIT FROM PROVIDENT. THEN WRITE YOURSELF A CHECK WHEN YOU NEED IT.

\$500, \$5,000, \$50,000 - EVEN \$100,000

dependent on your home equity

A new concept in personal money management.

Now, Provident, New Jersey's oldest mutual savings bank, makes your home more valuable than ever because you can turn the equity you have in your home into an instant cash reserve. Once your Home Equity Line of Credit is established, you can draw against it at any time, making the most of your personal worth simply by writing a check. Use it to buy that new auto, finance your children's education, for business investments. The fact is, you may never need to apply for another loan once your Provident line of credit has been established.

Easy Access

Provident's Home Equity Line of Credit supplies you with personalized checks — you write a check in any amount up to your available credit (minimum of \$500) whenever you wish so long as your account is in good standing. No additional approval is necessary to use your line of credit.

Manage your own money profitably

Your monthly statement will detail your account activity, give you current rates in effect and your current available credit, enabling you to evaluate your investment opportunities. You pay Provident's low rate for your loan — loans and interest only when you actually use funds from your cash reserve.

SAVE \$150

We will waive our regular \$150 set-up fee on applications received by June 30th, 1984.

HOT & COLD CATERING - OUR SPECIALTY

We've just made tax and retirement planning easy.

For some people, planning ahead means figuring out what to do next Saturday night. For Metrobankers, it means taking good care of the rest of your life. Saving on this year's taxes — and next year's. And earning tax free high interest on your funds for years to come.

That's what Metroplan IRA's are all about. Making your money do the most for you now. So you can get the most out of life later. And all it takes to get your future started is \$100.

That \$100 will start your Metroplan IRA with a one year C.D., earning 10.30% interest, compounded daily to yield 11.00% annually — tax free. Or a three year C.D. earning 10.74% interest, compounded daily to yield 11.50% annually! Don't wait another day to take care of tomorrow. Start Metroplanning for the future *now*.

1 year IRA certificate	10.30% rate	11.00% yield
3 year IRA certificate	10.74% rate	11.50% yield

Accounts opened by Monday, April 16, 1984 earn full 1983 tax deduction.

Retired Persons Will Meet On April 5

The Belleville Chapter 2051 American Association of Retired Persons will meet on Thursday, April 5, 1 p.m. at the Fewsmith Memorial Presbyterian Church, 444 Union Ave.

A doctor from the Clara Maass Medical Center will be the speaker. His topic will be "Healthy Hearts." There will be a question and answer period.

The hostesses will be Dorothy Walker and Evelyn O'Brien.

The next official board meeting will be held on Friday, April 13.

Attic Sale Set For April 6 At Wesley

A spring attic treasure sale will be held Friday, April 6 at Wesley United Methodist Church, situated on the corner of Washington Avenue and Academy Street. Doors are open from 9:30 a.m. to 3 p.m. Clothes, toys, some furniture and many other items will be there for all. Early birds will have first choice.

PUBLIC NOTICE
This notice is hereby given that the following proposed or-
dinance was introduced and passed on First Reading at a meeting
of the Board of Commissioners of the Township of Belleville held
on Monday evening, April 2, 1984 and further notice is hereby
given that the Second and Final reading of said ordinance will be
held at the Town Hall, 152 Washington Avenue at Belleville
Avenue, Monday evening, April 16, 1984 at eight o'clock p.m.
when all objections to the passing of the same will be heard and
considered.
MAY LOU HOOD
Township Clerk
"AN ORDINANCE TO AMEND THE REVISED GENERAL OR-
DINANCES OF THE TOWNSHIP OF BELLEVILLE, CHAPTER VII,
SECTION 8-2.2 ENTITLED "PARKING PROHIBITED AT ALL
TIMES ON CERTAIN STREETS". Adopted May 23rd, 1977.
BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE
TOWNSHIP OF BELLEVILLE, NEW JERSEY:
SECTION I. In accordance with the provisions of 8-2.2 No Person
shall park a vehicle at any time upon any of the following
described streets in Schedule I is hereby amended by adding:
Name of Street Location From the South-
Township Street Both
of Mill Street curbside
to Railroad tracks.
SECTION II. This Ordinance shall take effect immediately follow-
ing final adoption and publication in accordance with law, and
shall be in full force and effect from the date of its adoption.

Help Your Heart
Kicking the Salt Habit

Most people in the United States consume more salt than they need for good health, and their intake can be safely reduced, says the American Heart Association. Too much salt in the diet may lead to high blood pressure in some people. High blood pressure increases the risk of stroke, heart attack and kidney failure.

What is sodium?
Sodium is a mineral found in nature and in almost all the food we eat. Salt is the common name for sodium chloride, which is about half sodium. You need sodium to live. But you get enough in fresh foods. There's no need to add more. Learn to use pepper and other spices and herbs in place of salt, and to enjoy the natural flavor of food.

Most foods in their natural state contain only a small amount of sodium. On the other hand, food that has been processed is usually high in sodium. More than half of the sodium in the average diet comes from the salt and other sodium compounds that are added to food at home or by the food manufacturer. Table salt is the biggest source.

High-sodium foods
Canned soups, canned vegetables, many baked goods and convenience main dishes are usually high in sodium. However, an increasing number of manufacturers have developed low-sodium and no-sodium-added products. Buy them. Flavor enhancers, preservatives, baking powder, baking soda and monosodium glutamate also contain sodium. A surprising amount of sodium is processed into condiments such as catsup, relishes, pickles, mustard, ketchup, soy sauce, and flavored salts like garlic and onion salts. Avoid salted or smoked varieties of meat such as bacon, ham, sausages, luncheon meats, pork, corned beef and canned fish.

Low-sodium foods
Instead of pickles and catsup, try using lettuce, tomato and a slice of onion on sandwiches. Raw fruits and vegetables, unsalted nuts and popcorn, and unsalted crackers are great low-sodium snack foods. Choose low-sodium meats such as beef, chicken and fish and use less salt in cooking them.

Some labels on food containers state the amount of sodium in a serving. It's important to read labels carefully if you are on a low-sodium diet prescribed by a doctor. If you have high blood pressure, follow your doctor's advice about diet, weight control and medication. If you're taking pills to keep your blood pressure down, keep taking them. Losing weight may help, but your doctor help you decide what's best for you.

Heart Answers
WHAT IS CONGENITAL HEART DISEASE?

Congenital heart disease is the abnormal development of the heart before a child is born. A congenital heart defect may be diagnosed at birth or it may be discovered at some time during childhood in a routine physical examination. Some defects may be caused by drugs taken during pregnancy or exposure to German measles (rubella) during pregnancy. They may be inherited, or the cause may be unknown. Congenital heart defects may require only minimal medical supervision or they may require corrective surgery to avoid complications later in life. Some congenital heart defects can be prevented by vaccination of the mother against rubella prior to pregnancy and by following a doctor's advice while taking medications during pregnancy. Contact your local American Heart Association for more information.

How Green?
Time to call Lawn King

All lawns need an annual program of lawn care and every program must contain both granular and spray. Some chemicals work better when applied in a granular form, and others, like weed controls and post emergent crab grass controls, work better in a liquid form. All lawns also require periodic aeration and seed, but only Lawn King gives all these via LAWN COMBINE & SPRAY - THE BETTER WAY WE KNOW IT'S THE ONLY WAY!

LAWN KING ANNUAL PROGRAM

1. Power Aeration Balanced Fertilization Broadleaf Weed Control Fungus Control Insect Control Pre-Emergent Crabgrass Control Post-Emergent Crabgrass Control	2. Balanced Fertilization Broadleaf Weed Control Fungus Control Insect Control Pre-Emergent Crabgrass Control Post-Emergent Crabgrass Control	3. Balanced Fertilization Broadleaf Weed Control Fungus Control Insect Control Pre-Emergent Crabgrass Control Post-Emergent Crabgrass Control	4. Power Aeration & Rolling Balanced Fertilization Broadleaf Weed Control Fungus Control Insect Control Pre-Emergent Crabgrass Control Post-Emergent Crabgrass Control	5. Balanced Fertilization (Extra Heavy Rate) Pre-Emergent Crabgrass Control
--	--	--	--	---

Someone will call to discuss the lawn with you. There's a one time charge if you need any extra like a preparatory service, extra seed or additional time. We'll tell you what you need. We may not be the cheapest lawn service around but we are the only ones who give you lawn everything it needs at a price you can afford to pay. You can figure your costs from the chart below. No contracts to sign, no guarantees, no promises, no slopes, and no nonsense. Pay from service to service or prepay for a year and we'll give you a 5% discount too!

If you compare our program and prices with any other company, you'll find that either they are charging too much, or we are not charging enough. Look us up, real close and you may even arrive at the conclusion that not only is it better to do business with us - it's cheaper too!

LAWN GONE?
