## Russo Appointment Approved By State

By Ed Capparucci

After months of controversy and public outcry, Belleville finally has a permanent welfare director.

The appointment of Carol Ann Russo as director of the welfare department was approved by the state last week, according to a letter received by Ralph Risoli, chairman of the Local Assistance Board. It was the assistance board which appointed Russo to the welfare post March 21.

Risoli, during a meeting of the board Monday morning, read a letter written last week by Richard H. Parla, chief of the state bureau of local operations, confirming Russo's appointment.

"Your letter of April 6, 1984, advised us that the Belleville Local Assistance Board has appointed Carol Ann Russo as director of welfare for a five-year term effective March 26, 1984. This (letter) will convey our approval of Ms. Russo's appointment and we shall mark our records accordingly."

Russo's appointment — which sparked heated discussion between Public Affairs Commissioner Michael Pizzi and angry citizens during recent town meetings — led to the resignation of Michael Ippolito, who served as Belleville's welfare investigator for 10 years.

Ippolito, who was one of the candidates for the director post, claimed the assistance board's decision in March to change the director's post from full-time to part-time was devised to force him out of the running for the job.

Pizzi claimed the change was to save taxpayer money, since Belleville "no longer needs a full-time director."

At Monday's meeting of the Local Assistance Board, Risoli made public his reasons for not voting Ippolito to the post.

# Teachers Continue Job Action As School Board Files Charges

By Linda Telesco

The Board of Education filed an unfair labor practice Monday against the system's teachers for their recent job action over stagnated contract talks.

Reading from a prepared statement at the board's business meeting, President Grace Purdue announced the panel's action while denving charges made against the board by the Belleville Education Association (BEA) that the board has a "negative attitude" and is "stalling the negotiations."

"This is false," said Purdue, who noted that both the BEA and the board agreed April 19 to an impasse and to jointly requesting a mediator from the Public Employment Relations Commission.

Although the three parties are slated to meet May 23 according to the board, teachers began a job action last week to protest what they call Belleville's "bottom of the pay scale" position in comparison to the county's other school districts.

With its contract due to expire in June, the BEA — which represents Belleville's 335 teachers — took action to spur the negotiations ongoing since December.

The board contended Monday its original offer to the BEA was "most reasonable." Teachers were offered, but refused, a two-year package calling for a 5.5 percent increase this year and a 7.5 percent hike next year. Purdue denied rumors that dental coverage would be dropped from the contract. Previously, Testa said teachers were protesting proposed cuts in that coverage.

Purdue said the BEA has demanded nearly 25 percent more for the same two-year period.

She also assailed the teachers for their job action by which, she said, they are "violating their present contract by not reporting or leaving when they are supposed to."

The president of the board also said the strikers were "hurting the kids by refusing to take part in any activities with the children if they are not being paid for them."

Though she said the board "deplores the use of children in this manner," Purdue affirmed the panel's agreement not to "how to this pressure."

Commenting on the dispute was Bernadette Nasso, president of the Consolidated — an alliance of the district's various PTAs and home and school associations.

"The Consolidated remains neutral in this matter," she stated. Spokespersons for Schools 10, 8, and the Middle School Home and School associations agreed with the Consolidated consensus.

A spokeswoman for the School 7 Organization of Parents and Educators said the group was not part of the Consolidated consensus and labeled the resolution as "premature."

**They Want More** — Elementary teachers at School 8 were out picketing before school opened last Friday morning, as part of their job action against the Board of Education. Teachers throughout the district are upset with the board's stalled contract talks and have been taking part in the job action since last Tuesday.

## Township's Garbage Rates Suffer Whopping Increase

The cost of keeping Belleville clean rose a whopping \$1,700 a week as a result of landfill rate hikes won by the Hackensack Meadowlands Development Commission (HMDC) last month.

"This is an outrage," shouted Public Works Commissioner Joseph Grande at Commissioners' May 7 caucus.

"Something has to be done. The state is raping the taxpayers of Belleville," he continued, angered over the recent decision of the state Board of Public Utilities to grant HMDC the rate increase requested.

According to an April 19 letter from HMDC executive Director Anthony Scardino, the rate hikes were to offset costs connected with "environmental improvements" at the I-C landfill in Kearny and with an expanded bafefill in North

Arlington.

Grande said PUC approved the request April 23 and Belleville has been paying the higher rates which took effect that day.

Grande said the cost for Belleville's truck for the township's five-yard dump truck soared from \$1.25 to \$18 per load.

In addition, the price for the compacted 25-yard truck rose from \$21 to \$90.25 per load and the township sends two daily loads.

"This outrage will leave my budget short \$90,000 this year," said the commissioner, who urged his colleagues to protest the charges.

"If Gov. Kean wants to benefit the people with the surplus monies in the state budget, he should take care of the Meadowlands Commission," said Grande.

He added, "Taxpayers of Bel-

leville and other Essex County municipalities should not be expected to finance beautification of a park that will benefit Hudson and Bergen counties," Grande said.

The commissioner also feared the hikes could push Belleville's garbage collection costs up four times the present \$598,425 one-year contract with BFI of North Jersey.

With that contract due to expire in September, Grande and Township Attorney Frank Zinna agreed to begin preparations for bidding a new compact.

Zinna also advised Grande, despite doubts that anything could be done about the present HMDC hikes, to petition Trenton for some action on controlling landfill rates.

## Kiwanis' Card Party

The Belleville Kiwanis Club will host its annual card party Thursday, May 17 at the Amvets Hall, 100 Newark Ave., starting at 7 p.m.

The Kiwanis Club is anticipating raising \$4,500 to help handicapped and underprivileged children of Belleville. The Kiwanis Club also offers a scholarship every year.

The chairman for the event is John Ianuzzi. Committee members are: Gene Reilly, ads; Nino Buc-ciarelli, food; Frank Pitt, ads; Mike Marotti, tickets; and Tony Peda, gifts.

Tickets are priced at \$6 and include food and beverages. Tickets are available at the door.

## Cub Scout Pack 350 Hosting Flea Market

Cub Scout Pack 350 will hold a flea market May 19, from 9 a.m. to 5 p.m., at 142 Holmes St.

The money raised at the flea market will be used to support the functions and trips for the pack during the coming year. Everyone is invited to come and pick up bargains and help the cub scouts.

## Strumolo Says He'll Run Again in 1987

Some politicians are of the perennial variety. They keep coming back. Despite his second failure to regain a seat on the Board of Commissioners, Vincent Strumolo refuses to say die. "I definitely will run again next time," he said in a recent interview. "I'll run in 1987 or before that if there is another special election."

Strumolo, who has 19 years as a local commissioner and councilman to his credit, took second place in the May 8 special election held to fill the unexpired term of former Public Safety Commissioner Matthew Pica who resigned last March.

Out of a field of five contenders for the single seat, Strumolo pulled 2,094 votes, but it was not enough to beat victor Ralph DiRuggiero who gathered 2,263 votes in his first attempt at elected office.

The May 8 election represented Strumolo's attempt to regain the commission seat he lost last year during the regular commission election.

With all five seats up in 1983, Strumolo was one of eight candidates vying for the full four-year terms.

He came in a close sixth to Pica, resulting in the first board in two decades that did not feature the Strumolo stamp.

Many attributed his 1983 defeat to a laid-back, quiet campaign style, a point the Silver Lake resident tried to remedy this time around.

"We worked hard this year and I think we had the people behind us," said Strumolo, a retired local businessman who promoted as a strong asset to his candidacy the fact that he had the time to govern more

efficiently than would an official who also held a regular job.

Certain he will be victorious in his next effort, Strumolo attributes his latest defeat to a political bloc. "There were people on the Commission, the School board and in the county working against me," he said.

**Friendly Officers** — The Friends of the Belleville Public Library installed new officers for the 1984-85 year at a meeting held last Thursday evening. The Friends also presented David Byrant, director of the library, with a check totalling \$600.

I'm growing new hair at age 70. So says Arthur Jackson, formerly of Jolly Cleaners, now a microbiotic nutritional counselor. Jackson has founded the Microbiotic Health Information Center of New Jersey based in North Caldwell. His full head of hair has actually been growing thicker in the past year. "Eating the right foods is the answer. Loss of hair on the forehead is usually from excess sugar consumption, the top of the head is excess red meat, protein, and overeating. Eliminate mucus forming foods such as all dairy products. Chicken without skin, fish, including the head and natural whole grain foods will bring you a healthy head of hair and a healthy body. Sea vegetables are also very important for the hair and skin." Microbiotics are the "new" 5,000-year-old diet from the East. ## Provident Offering New Mortgage Plan

During a recent meeting of the Belleville/Bloomfield/Glen Ridge and Nutley Board of Realtors, guest speaker David Frye, vice president and chief mortgage officer of the Provident Savings Bank, said a new fixed rate, long term mortgage program is available at the bank.

Frye said qualified borrowers may obtain fixed rate mortgages for up to 30 years at competitive rates.

Home mortgage borrowers will receive a \$200 cash gift bonus, deposited into a Provident Savings Bank Save System Statement Savings Account at the time of closing. For borrowers who already have an account at Provident, the \$200 gift bonus will be deposited into their existing account. The program will be offered for a limited time only.

In his talk to the realtors, Frye

referred to a recent warning made by the Federal Reserve Board chairman, Paul Volcker, noted that some adjustable rate mortgages are being sold at artificially low rates in the first year and could cause problems if the buyer did not fully understand the potential for increases in mortgage payments. "A Provident Savings Bank fixed rate mortgage is one a home buyer can live with," said Frye. "There are also other types of mortgages still available at Provident."

The new mortgage program is available to New Jersey Home Buyers by application to Provident which maintains 33 offices in the state with four branches in Belleville and Bloomfield. For information call Provident's Mortgage Department at 743-5000.

## Govel Negotiates Sale Of Valley Property

Govel Realtors, the Belleville-based real estate organization, has negotiated the sublease of 6,000-square-foot of industrial space in Belleville to a former Manhattan-based manufacturing concern.

Ralph B. Giordano, executive vice president of Govel Realtors, and Rick Farano of the Govel organization represented Cabinet Interiors, the original lessee of the space at 357 Cortlandt St. in the transaction.

The 6,000-square-foot were subleased by Salem Manufacturing Company for use as a machine shop. The Salem company is relocating

from 448 Vroom St. in New York City in an economy move.

The aggregate rental value of the transaction is estimated around \$10,000.

"The attractive commercial and industrial leasing costs here in Belleville are convincing many New York City companies to relocate here," Giordano notes. "Not only do we offer a close proximity to the hub of Manhattan, but we feature a qualified labor pool from which these companies can draw."

Cabinet Interiors, a full-service, custom-design, interior furniture manufacturer, is retaining 4,000-square-foot of space at the Cortlandt Street building.

## Spencers' Vacation Clubs Open

Charles R. Duess, president of Spencer Savings and Loan Association, has announced that the institution's new 1985 vacation club is now open for membership at all offices.

According to Duess, the club is highlighted by an attractive free gift and a bonus payment. Anyone opening a club for \$5, \$10 or \$20 weekly will receive a lovely two-tier wind chime, absolutely free. In addition, a full week's bonus will be paid on all completed clubs next year.

"We hope everyone will come in and start the club account that best suits their individual vacation needs," Duess added.

Spencer Savings maintains offices in Belleville, Garfield, Lodi, Wallington, Saddle Brook, Clifton and Lyndhurst, and is a member of the Federal Savings and Loan Insurance Corporation (FSLIC).

## Little League Parents Offered Free Wash

### HEALTH WISE

By Ralph J. DiMaio D.C.

Spinal curvature is all too common in school children. A youngster may sit in a slumped posture for five or six hours each day in school, then come home and slump in front of the TV for more hours. Constant poor posture causes the spinal vertebrae to take a permanent curvature.

A curved spine means that some vertebrae are pressed too closely together in some places. The nerves that leave the spinal column at these places may be pinched and thus unable to carry vital nerve energy to muscles, organs and glands. Poor health is the probable result.

Let chiropractic correct spinal curvature and restore good health. Phone today.

## Volunteer Program Still Going Strong Candystripers Still a Popular Sight At the Clara Maass Medical Center

By Michelle Jeannotte

With all the youth-related crime and drug problems we hear about everyday through newspapers and

television, it is encouraging to know there are some teenagers who unselfishly devote their time to worthy causes.

**Aiding the Community** — Laura De Simone (l) and Donna Marie Giunta, are just two of the many young ladies who serve as volunteers for the Clara Maass Medical Center. Here the girls are shown signing in flowers.

"I became a volunteer because I enjoy helping people," said Laura De Simone, a candystriper in Clara Maass Medical Center's junior volunteer program. Donna Marie Giunta, another candystriper at Clara Maass, shared De Simone's feelings. "It's fun meeting people," she added.

De Simone and Giunta, both sophomores at Belleville High School, are two of the 33 teenagers from Belleville involved in this program.

According to Holly Bauer, director of Volunteer Services at Clara Maass, there are approximately 100 volunteers from surrounding communities.

"We have volunteers from Belleville, Nutley, Clifton, Newark, and even one all the way from North Caldwell," she said. "The junior volunteers are a fun group to work with. They really enjoy helping people."

The junior volunteer program, which began in 1957, is for teenagers 14-17 years of age. Their duties include delivering flowers and mail, working in admitting, the emergency room, Tel-Med room, and at the information desk. The volunteers are supervised by Bauer, along with volunteer coordinators, Susan

Poslusznyn and Mary Taylor.

"Most of the volunteers come in after school for a few hours and sometimes even during the weekends," said Bauer. "If they work four hours or more, we give them a free lunch." The program runs seven days a week, including holidays.

Both De Simone and Giunta entered the program in 1982 and have accumulated 325 and 278 hours, respectively. Besides being volunteers, both are also involved in the high school band and color guard.

"I always knew it (Clara Maass) had a volunteer program, but I had to wait until I was old enough," said Giunta, who is considering law as a profession. De Simone, who wants to be a physical therapist, heard about the program through a friend.

"Most of the time information about our program reaches the teenagers by word of mouth," said Bauer. "But we plan to start recruiting volunteers especially with the summer months approaching."

Anyone interested in the junior volunteer program can contact the volunteer department at Clara Maass Medical Center by calling 450-2150.

If you experience side effects from a prescribed medicine, it may not always be due to the active ingredient. Pharmaceutical manufacturers use coatings, binders, fillers, colorings and flavorings when making pills and liquids. The law does not require that these ingredients be listed on the package label. Even physicians may not be aware of these "extra" ingredients. According to a recent issue of the New England Journal of Medicine, many of these substances can cause adverse reactions. If you suspect this as a problem with your medication, ask your doctor or pharmacist if an inactive ingredient could be responsible for your reaction. There may be an similar, equally effective medication with different inactive ingredients.

## Prayer For Today

To me, God is no stranger, I meet Him everywhere, On a lovely path in the garden Or a busy thoroughfare. In the stars that appear in the heaven, In the morning drops of dew; In the floating clouds, a flowing stream His spirit comes into view. To me, God is no stranger For whatever I may see He whispers, "I am the Faith, the Light, You, too, are a part of me."

## Ralph DiRuggiero

Approximately 40 percent of Belleville's registered voters bothered to go to the polls last Tuesday to elect a commissioner to fill the vacancy created by the resignation of former Public Safety Commissioner Matthew Pica.

In a hotly contested election, Ralph DiRuggiero scored a solid victory in a five-man field.

Veteran office-holder, former Commissioner Vincent Strumolo finished a couple hundred votes behind DiRuggiero. It was clearly a two-man race, with Joe Dasaro, Joe Fornarotto, and Sam Papa trailing far behind DiRuggiero and Strumolo.

For Dasaro and Papa, campaigning was a new experience. For Joe Fornarotto, his poor showing must have been a disappointment since only last May, he received four times the votes that he garnered last week.

Commissioner DiRuggiero brings outstanding credentials to the job. In the history of Belleville, native-born DiRuggiero probably brings to the township commission a background of governmental experience se-

cond to none. At the county level, DiRuggiero has one of the most important and responsible jobs. At the township level, DiRuggiero brings to the township commission a rich knowledge of the community that gave him birth, and which benefitted from the services of his late father, Dr. Frank DiRuggiero, who served as president of the Belleville Board of Education for many years.

And so, the campaign is ended this year, with Belleville enriched by the experience, and the public voting into office a competent public servant whose integrity is beyond question. Belleville should be better because of the addition of Ralph DiRuggiero to the township commission.

## Gerard Gruenfelder

Last week Gerard Gruenfelder, secretary-business administrator for the Belleville Board of Education, announced he would not accept a new contract with the board, but instead take over a similar post in the East Orange school system.

grateful for.

A soft-spoken man, Jerry has made many friends in Belleville and members of the Board of Education will be sorry to see him leave.

Gruenfelder's departure from the Board of Education in Belleville will be an unfortunate blow to the school system. During his short two-year stay in Belleville, Jerry has proved to be a valuable asset to the system. His management of funding has saved the taxpayers of this community a substantial amount of money — which is something they should be very

But the East Orange school system is a troubled one, in need of a man who possesses many of Gruenfelder's qualities. Accepting a post in a system which has been burdened as much as East Orange is a remarkable challenge for any man. But we believe that Jerry Gruenfelder will have the patience needed to turn the East Orange system around.

## Letters in Print

### Citizens' Tax Union Did Much For Town

To the editor:

Upon reading the letter to the editor printed in The Belleville Times on May 3, written by a Mrs. Welgos and entitled "What Happened to the Citizens' Tax Union?", I must admit that my first impression was one of personal affront. Mrs. Welgos most probably is alarmed by the expectation of a large property tax increase, as well she should be. However, that does not give her the right to cast undocumented aspersions upon the characters of those men and women who took an active part in the leadership of the Citizen's Union of Belleville (CUB).

For the record, our first organized effort at a municipal budget hearing resulted in a reduction of approximately 26 points in the budget. The next year our efforts caused a reduction of 10 points. Another of our major efforts contributed to the change of form in the Essex County government. Any knowledgeable person would, without hesitation, state that the CUB demonstrated an excellent track record in its short period of activity. I ask Mrs. Welgos, and any interested taxpayer, to check back and see how much (or little) their county taxes have increased in proportion to municipal and school taxes before and since the change of county government.

As far as the "characters" in question in Mrs. Welgos' letter, all of them are good, upstanding, dedicated members of this community whose honesty and integrity are unimpeachable. In view of the time and effort they devoted, without compensation, they do not deserve to be referred to in such an outrageous and disrespectful manner. Also, in reference to the monetary donations mentioned by Mrs. Welgos, she is undoubtedly unaware that the very people she denigrated, donated not only much of their knowledge, time and efforts, but from \$20 to \$100 to finance the postage and literature necessary for our efforts to educate the public concerning the vital issues at hand.

Mrs. Welgos was absolutely correct on one point, that of the diminishing attendance at meetings. The CUB leaders

realized the fact that the wheels of politics and government move very slowly. Tax budgets are introduced only once each year. Therefore, it would have been redundant and a waste of time and energy to have meetings of the CUB on a monthly basis. We arranged meetings only when deemed necessary so as not to inconvenience our members. However, when it was observed that attendance was falling off, it was decided to attempt monthly meetings in the hope of rekindling interest. We even posted the meeting notices in The Belleville Times. It then seemed to us that the taxpayers public was as interested in protecting their interests as they seem to be in availing themselves to the right to vote; sadly apathetic. Upon observing after many months that only 15 or 20 members were attending the monthly meetings, a vote was taken and it was decided to cancel future meetings. Like a hibernating bear, the CUB has been dormant for about two years. The funds remaining in our treasury (approximately \$25) was voted to be donated to one of the senior citizen clubs in Belleville. I hope that this satisfies Mrs. Welgos' curiosity.

Angelo M. Veneziano  
CUB President

### Ernie Zoppi Thanks Voters

To the editor:

I would like to express my deepest thanks to all the citizens of Belleville who have elected me to the Board of Education. It was in the past and will be a great privilege to help the children and school system of Belleville. I would like to thank all my supporters, and my family who worked so hard for my election. I will strive to be everything that the children and citizens of the Township of Belleville need in their board members.

Sincerely,  
E. Zoppi

### More Questions About Welfare Director Post

To the editor:

It is difficult to understand what Commissioner Michael Pizzi is trying to tell us in his recent approval to reduce the hours of a full-time welfare director's hours to a part-time position. It is nice to save the taxpayers money for a change but:

Is the commissioner saying the taxpayers were assessed with extra expense all these years?

Is the commissioner saying the previous director was incompetent and needed more hours? I think not. Mrs. O'Toole did a fine job and I cannot see how an inexperienced part-time director will take on the duties of an experienced full-time and do as fine a job.

How soon will the present part-time position change back to a full-time one?

Sincerely,  
Frances Schiavo

### Knights of Columbus Club Thanks Many Contributors

To the editor:

The Belleville Knights of Columbus Council conducted one of the most charitable undertakings in its annual drive to raise funds for "Retarded Citizens." This drive was conducted with the cooperation of Larry Dempsey, scoutmaster of Belleville Boy Scout Troop 364, a special unit for boys who are mentally handicapped, Cub Scout Pack 377, Ladies Women Auxiliary K of C Council 835 and other volunteers from the St. Peter's Parish and Mal Condon Canteen.

General Chairman, P.G.K. Frank Corbo and Grand Knight Ralph Wendler don't know how to thank all the brother knights and other volunteer workers who collected in front of local supermarkets, banks, churches, and other places of business especially under extreme adverse weather conditions. Special thanks to the great people of Belleville and vicinity for their generosity in this meaningful drive. Special thanks to The Belleville Times for news coverage and people who sent their donations by mail.

General Chairman Frank Corbo and Co-Chairman Tom Dillon announced that a total of \$10,610.28 was collected during the recent drive which was the most successful ever and will be distributed at a Communion Supper which will be held at the beautiful renovated K of C Hall on Saturday, May 19, at 5:30 p.m., which at that time funds will be

awarded to Mal Condon Canteen, Boy Scout Troop 364 and Camp Fatima. In addition, awards will be distributed to winners of the essay contest, spelling bee, free throw contest and other special awards.

Your generosity in this meaningful drive is greatly appreciated and gives us brother knights a great incentive to carry on this charitable work. Thank you one and all for your wonderful support.

Peter S. Mackiewicz  
Publicity Chairman

### Family Thanks Fire Officers

To the editor:

I would like to take this opportunity to thank the members of the Belleville Fire Department who responded to a house fire on April 1, 1984 at 41 Hornblower Ave.

These men did a great job in confining the blaze to the second floor, and protecting the contents of the first floor.

After this experience, I realize what a great fire department Belleville has. I don't believe any other fire department could have done better.

Sincerely,  
Peter Arancio  
41 Hornblower Ave.

Registration is currently being conducted for the Belleville Public Library's Outdoor Art Show on June 2, at Christ Episcopal Church, 393 Washington Ave.

The show, which will take place from 9:30 a.m. - 1 p.m., is being sponsored by the Junior Woman's Club of Belleville and the Friends of the Belleville Public Library. General chairperson of the show is Mrs. Richard Shafter, a member of the Library Board of Trustees for 25 years and the secretary of the Library Board. Coordinating the show for the library for the ninth year is Adrea Cohen, assistant library director, joined by David Bryant, library director.

## Belleville Times Receives Thanks

To the editor:

Yantacaw Chapter, Daughters of the American Revolution, wishes to express its appreciation for the picture and article in the Jan. 26 Belleville Times. You (Mr. Capparucci) said you would publish the material and you kept your word. Every member thought it was very kind of you to emphasize the DAR — a truly American organization.

We trust our association may continue and that we always find you the dependable person as portrayed this year.

Many, many thanks.

Sincerely,  
(Mrs.) Lenora R. Kenney  
Historian  
Yantacaw Chapter, DAR

## Letter Policy

The Times continues to receive letters on a variety of topics which unfortunately, may never find their way onto our editorial page. That is because they are unsigned.

As a matter of policy, The Times accepts only signed letters. "Signatures" such as "A Concerned Citizen" or "A Worried Parent" will not do. Only names will suffice. However, we will withhold names from publication upon request.

## Golden Comments

By James Golden

Last week's Belleville municipal election to fill the vacant seat on the township governing body for the three-year unexpired term created by Commissioner Pica's resignation once again conclusively demonstrated the pathetic apathy of this community's electorate by their reluctance to exercise their right to vote.

True! Inclement weather played a role. However, it is a sad commentary when out of a total voter registration of close to 17,000, only 6,461 local citizens bothered to vote. Many residents questioned the wisdom of subjecting the taxpayers to the expense of this May's election, since either the open commission office could have remained vacant (it had been for the past two months) or it could have been filled by appointing a commissioner until the November General Election at which a larger voter turnout could be expected...it being a Presidential and U.S. Senator election.

The concept of commission type local government was designed to avoid partisan politics by holding their elections in May, far afield from the fanfare and strife of party politics. Unfortunately, this tenet was largely ignored in this election.

The new Commissioner Ralph DiRuggiero brings a wealth of administrative talent to the town hall. It is to be hoped that his experience in administration will be helpful to his colleagues on the board in offering solutions to many knotty problems, yet, to confront them...One of which is the negotiation of a new and more expensive garbage contract.

Regrettably, the township scavenger contract chosen by the governing body was of short duration and is running out at a time when "dumping" charges to the scavenger companies have been increased. This can only lead to the presumption that it may cost the community an additional \$10-0,000 a year more on any new garbage contract.

The new composition of the local governing body finds a unique admixture of gainful employment with other state, county or educational bodies by all of our commissioners. Mayor Marotti and Commissioner DiRuggiero work for the Passaic Valley Sewage Commission, while Commissioner Grande is an employee of the local Board of Education. Commissioner Pizzi, on a part-time basis, works for the State Motor Vehicle Department, a former employer, where he served as a Motor Vehicle Inspector, a law enforcement officer.

There is nothing improper nor unusual about such employment. In fact, at times, it proves helpful in gaining favorable consideration beneficial to the community. Some may harbor fears of conflicts of interest situations arising, however, with the number of critics that abound in Belleville, it is unlikely that such an untoward incident would get by unscathed.

The special meeting of the local Board of Commissioners at high noon Friday, May 11, confirming Commissioner Ralph DiRuggiero's election and their resolution designating him Director of Public Safety satisfies the theory that the winner of the May 8 election would be named head of the police and fire departments, notwithstanding, persistent rumors that had former Commissioner Strumolo been elected, there would have been a reorganization meeting of the Board of Commissioners denying Strumolo that position.

The surprisingly small voter turnout probably explains the poor showing of the remaining three contestants in this off-year special election, although their combined vote materially reduced the overall vote of the frontrunners in this two-man race.

What the ultimate outcome of this one-on-one race will produce in the way of harmony and a period of relative calm and stability in the political affairs of this community's frenzied turbulent lifestyle remains uncertain. Politics in Belleville are very volatile.

At times the tenure of political dynasties become ephemeral, at the hand of quirks and circumstances beyond the power of even the mightiest of mortals.

## Children Come Before News

Thanks to recent reports in The Times, residents of the community are finally aware of the troubled negotiations which are taking place between Belleville teachers and the School Board. Although both sides usually like to keep negotiations quiet, public awareness can be a strong tool in resolving the matter quickly and efficiently. Perhaps public pressure will encourage both the teachers and School Board members to sit down and continue to discuss the issues at hand. There is no doubt that neither side is pleased with the results of negotiations thus far. The board is faulting the teachers for delaying the negotiating process by rejecting mediators, while the teachers have countercharged the School Board's negotiation team is not being straightforward in offering all it can to the school instructors.

Well The Times will not become involved in this bitter battle. It will report the facts as they occur and that is all the paper will report. We will tell the public if the sides are meeting, what is being offered and what progress—if any. But I refuse to become involved in a situation which could go from bad to worse if the newspaper becomes involved. And I believe both the board and teachers agree with me on this point.

Now you can say this is not good journalism. Perhaps it is not. But there is a lot more at stake here than selling papers. We are talking about education. We are talking about children's futures. We are talking about a responsibility to this community's parents.

There will be no war of words published in The Times and both sides have agreed about that from the beginning. But after just one issue, I have received some nasty comments directed at certain persons involved in the negotiations. I am sorry, but the public will never read them here. Let them say what they want behind closed doors. All I want to hear are facts.

I would like to thank Tom Testa, president of the Belleville Education Association, for making the paper aware of the situation, and also Grace Purdue for her cooperation in this matter. I realize that at times people do not like to talk about sensitive issues like this, but I can promise I will make sure The Times handles it in a professional manner. Once again you may say this isn't good journalism, but we see the kids as taking priority over newspaper sales.

\*\*\*\*\*  
Creed C. Black, president of the American Society of Newspaper Editors, told a group of fellow newspaper persons at their annual convention not to be paralyzed by their

critics, lest their newspaper becomes nothing more than a bulletin board.

"As every editor knows, a newspaper can generally avoid controversy and criticism if it will publish everything that people want published, suppress any news that may be unpleasant to anyone, close its eyes when it sees some wrongdoing and remain silent when vigorous leadership that might offend someone is needed," Black said.

Most of the criticism The Times receives comes from the obnoxious critics who attend the town meetings. They complain about The Times not covering their comments, but as I have said before, their comments are not worth printing most of the time. In fact, half the time they are not worth being made, but unfortunately, they are.

The latest attack on The Times came at the blight hearing and recent Redevelopment Agency meeting when someone brought up the subject of the vacant buildings on Washington Avenue. It was reported in The Times several months ago that there were 36 vacant buildings on the Avenue. We did not make up this number, it was the figure given to us by the private consultant firm which did the study of the Avenue. In fact, he made that comment publicly. Now he denies it and members of the board back him up and The Times looks bad.

Well, here is what the report of Washington Avenue, completed by

Thomas Thomas, reads: "Throughout the Blight Investigation Area, vacant structures and vacant parcels of land are noted on the Land Use Map. It is significant that while the entire Washington Avenue corridor contained 34 vacant lots or vacant structures actually fronting on Washington Avenue 27 or approximately 80 percent occurred in the southern portion of the township within the Blight Investigation Study Area."

If you wish to read it yourself, it is on page 23 of the report. As you can see, the figure is 34. Is it possible the consultant used the figure 36 during his presentation by mistake? Listen folks, we print news and facts.

When we make a mistake—and we have made them—we correct it. This time we did not make a mistake and I refuse to apologize to anyone and I refuse to allow my reporter to sit and listen as officials

deny making comments after we print them.

And you know what is funny about the entire matter? No one from the Redevelopment Agency calls us to complain about the headline which read "36 Vacant Buildings on Washington Avenue." Would you assume if someone doesn't complain, that everything is all right? I would.

I promised myself I would not complain about our critics anymore. But it disgusts me when the paper is attacked in public because no one comes to me and discusses their problems.

### DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Mrs. E. asks: I chipped my tooth while on vacation, what could I have done about the sharp edge?  
Dear Mrs. E: Dental emergencies are best handled by your dentist or a local dentist when not at home. If you were experiencing pain then my advice would be to contact a local dentist. If you had a sharp edge, then some dental wax from a pharmacist or even candle wax to cover the sharp edge until you could get to your regular dentist.  
Another common problem is temporary crowns coming loose. These can quickly be replaced by using a paste made up of denture adhesive mixed with some water. Place the mixture in the temporary and then back in your mouth.  
Remember, your regular dentist should only be a phone call away.

Mr. Farrell, an alumnus of Belleville High School and a Navy veteran, is with Suburban Cablevision, East Orange.

The wedding will be held in May of next year.

## Umberto's Corner

Dear Umberto,

I am the curly haired 10-year-old boy who once wrote doubting that you would answer my question about why I had curly hair.

After you so kindly answered me, my mother took me to you for a haircut. My compliments to you for the best haircut I ever had!

While you were in Italy I had to attend an important affair. My mother took me somewhere else where they cut my hair before cutting. It looked all right after they blew it, but the day after my hair returned to its natural wave and would not keep its shape. Why couldn't a professional person give me a decent haircut? Please answer.

Doubting Curly

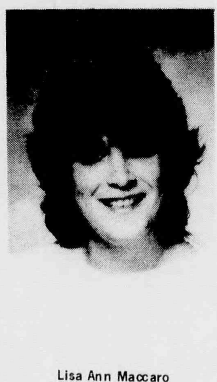

Dear Curly:

Don't doubt me! I answer all inquiries and kids have a very special corner in my heart. Your curly hair needs to be cut dry. Next time, if they won't give you a dry cut, go somewhere else. If I am in Italy, my girls, who are well-trained, could cut your hair.

Please come to my studio. Tell me that you are my 10-year-old friend and will give your hair back to its original shape while we discuss the best ways to maintain your hairstyle.

Susan Ann MacArthur, daughter of Mr. and Mrs. Samuel MacArthur of 64 Charles St., became the bride of Steven C. Slaton, son of Mr. and Mrs. Clyde Slaton of Corbin, Ky.

The Rev. Norbert Burns of the University of Dayton, Dayton, Ohio, performed the candlelight ceremony in Seton Hall University Chapel, South Orange. A reception followed at The Chandelier, Belleville.

Escorted by her father, the bride wore a taffeta gown with a v-neckline. Her headpiece was a wreath of silk flowers and she carried orchids and stephanotis with roses.

Maureen MacArthur of Belleville was her sister's maid of honor. Bridesmaids included other sisters, Kathleen and Maryann MacArthur of Belleville and the bride's cousin, Maria Cifelli of Belleville.

The honor attendant was in a mauve taffeta gown with ruffled sleeves and carried roses, carnations

and daisies. The others were similarly gowned in pink.

James Slaton of Corbin was his brother's best man and vocalist at the ceremony. Ushers included the bride's brother, John MacArthur of Belleville, Bill Davis of Corbin and Keith Kuennen of Dayton.

Mrs. MacArthur chose a blue dress with chiffon jacket and had a corsage of gardenias. The groom's mother was in a lavender dress with long sheer sleeves and wore a white orchid corsage.

Mrs. Slaton, an alumna of the University of Dayton and Harvard Business School, is with T.R.W. Framingham, Mass.

Mr. Slaton, also a graduate of the University of Dayton, is an electrical engineer with Raytheon Co.

The couple honeymooned in the Bahamas and have made their home in Boston, Mass. following the Aug. 19 ceremony.

# 'Belleville Has Own Flood Problems'

## Grande Concerned About Proposal To Lessen Flooding in North Jersey

By Linda Telesco

A proposed plan to control the flood waters that recently devastated North Jersey might get a watering down by officials from Belleville and neighboring communities in a hearing scheduled for this week at Nutley Town Hall.

A series of solutions to the flooding problem proposed by the Army Corps of Engineers all involve constructing a giant underground tunnel which would carry the flood waters from the North Jersey communities to the Nutley-Clifton border where the Third River and Passaic River meet.

Officials are not yet certain what impact the plan, if carried out, would have on Nutley or on communities downstream from the Passaic, such as Belleville, North Arlington and Lyndhurst.

Belleville Public Works Commissioner Joseph Grande said he had

"plenty of questions to ask" the engineers at the special meeting slated for May 16.

"I want to see those people up in Wayne and Parsippany get some relief, but I don't want to create any problems for us down here," said Grande.

He added, "Belleville, in fact, has flooding problems of its own in the Valley and Silver Lake. We've been trying to correct those and to do anything that might increase our chances of getting worse floods would be insane."

The Army Corps developed three alternative plans, all of which call for the 35-40 foot tunnel, as well as levees, flood walls and channel modifications of the river.

Estimated at a cost of \$580 to \$680 million, actual construction would not begin until the 1990s. However, federal and state officials and engineers have launched an ef-

fort to gain support from the 120 municipalities in the Passaic River Basin, Belleville included.

Although engineers said the tunnel would be built 200 feet underground, Nutley officials predict the portion of the construction that reaches Nutley would have to be closer to the ground surface.

Nutley Commissioner Carmen Orsino, who also serves as president of the state Senate, said of the proposal, "If such a tunnel were built, it would have a major effect on properties owned by Nutley people and the dislocation of people is something we would have to address as well."

In addition to Army engineers,

the special meeting this week was expected to attract members of Congress, the state Legislature and area municipal officials.

Reacting to the plan, Freeholder Arthur Clay, who represents both Belleville and Nutley in the Essex County government, urged the Board of Freeholders last week to appoint a committee to monitor all flood control plans that might have negative effects on Essex communities.

"A flood control plan is vital," said Clay in an April 24 letter, "but we should be careful not to move the floods from an area which is flood prone to another area which has not yet experienced serious flooding."

## Veterans Post 275 Installing Officers

Younginger-Alden Jr. Veterans of Foreign Wars Post 275 and the ladies auxiliary will hold a joint installation of officers on Saturday, May 26 at the group's headquarters, 17 Belleville Ave., at 8 p.m.

VFW State Service Officer John B. Woodbury III and Ann Fernicola, past president of the ladies auxiliary will serve as installing officers.

Scheduled to be inducted as commander is Senior Vice Commander Richard McKechan, the second Vietnam veteran to be elected to the commander chair. He served in Vietnam for 14 months with the 101st Airborne Division 1st Battalion 321st Artillery.

McKechan has served on several post committees including chairman of entertainment and the Buddy Poppy sales program. He also completed the prescribed course of instruction for officers at the VFW Officers Training Institute at Fort Dix.

Other officers to be installed are Barry Hodgdon, senior vice commander; John Palmeri, junior vice commander; Stanley Nychay, chaplain; Michael Resciniti, quartermaster; James H. Leary, adjutant; Casper Siciliano, surgeon; Anthony Monte, post advocate; James Cali, three-year trustee; and Richard Fodar, one-year trustee.

Sharon McKechan, wife of the incoming commander will be installed as auxiliary president. Other officers will be elected. Officers include: president, Marie Ann, junior vice president, Josephine Krechel, treasurer, Joyce Schuck, chaplain; Anthony Monte, secretary; Ricki Clarizio, conductress; Margaret Lowenstein, guard; Millie McKechan, three-year trustee; Ann Skidmore, two-year trustee; and Ann Fernicola, one-year trustee.

Refreshments will be served at the conclusion of the installation.

## Is This Success?

By Rev. Robert Paul

In 1923 a group of the world's most successful financiers met at the Edgewater Beach Motel in Chicago, Illinois.

Collectively these tycoons controlled more wealth than there was in the United States Treasury at that time. For years newspapers and magazines had been printing their success stories and urging the youth of the nation to follow their examples.

Twenty-seven years later, their stories were somewhat different.

Charles Schwab, the president of the largest independent steel company, lived on borrowed money the last five years of his life and died penniless.

Arthur Cutten, the greatest wheat speculator, died abroad in solvent.

Richard Whitney, the president of the New York Stock Exchange, was released some time ago from Sing Sing prison.

Albert Fall, the member of the President's Cabinet, was pardoned from prison so he could die at home.

Jesse Livermore, the greatest bear on Wall Street, committed suicide.

Leon Frazer, the president of the Bank of International Settlement, committed suicide.

All these men had learned how to make money, but not one of them learned how to live.

The Bible's prescription for success is found in the book of Joshua: "This book of the law (Bible) shall not depart out of thy mouth; and thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein, for then thou shalt make thy way prosperous, and then thou shalt have good success." Success is not measured in money, but in a person, the Lord Jesus Christ who gave Himself for your sins, who was buried and raised again for your justification. Money cannot buy God's gift of Salvation in Christ. "The just shall live by faith."

Heart disease and stroke can cheat you out of the best years of your life.

Your gift can make a difference.

WHAT IS  
HARDENING  
OF THE ARTERIES?

A common form of hardening of the arteries is atherosclerosis. It occurs when fatty deposits in the blood stream build up on the inner walls of the arteries. People who have atherosclerosis are more likely to suffer a heart attack or stroke. The risk of developing atherosclerosis can be reduced by observing a diet low in saturated fats and cholesterol. Contact your local American Heart Association for more information.

# Middle School Students Preparing To Help Finish Up Your Odd Jobs

Now that spring is once again here, it is time to think about the spring cleaning that may be needed around and in your home.

Perhaps, this year, if you are unable to do the work by yourself, or if you need some assistance, why not call the Belleville Middle School students from the student council for a helping hand? Once again, under the direction of Bill Hollis, the students have volunteered to show their community that they are responsible and worthy youngsters by helping out those people in town who are in need.

The students will be available to babysit, do outside or inside work, go shopping, walk dogs, mow lawns, tutor, paint, clean up or do anything else that needs to be done.

Anyone interested in enlisting the aid of the Middle School students, who are members of the student council, should call 751-3440. Leave

your name, address, and telephone number with a secretary and in no time at all someone will get in contact with you, and make arrangements with you for assistance.

The following students will be involved in the program: Kristina Bonacorsa, Dawn Bell, Gina Carola, Frank Citarella, Michael Dowd, Maria Nardone, Vinnie Baio, Beth Demgard, Michelle Complitano, Michael Domer, Laurie Dondarski, Mary Gibbons, Andre Graham, Georgette Hazel, Steve Iannuzzi, Gus Leming, Denise Lusnia, Scott McDonald, Kelly Marsch, Walter Nieczkowski, Gloria Mullener, Brad Pearson, Robert Pasterchick, Michelle Restaino, Anthony Rodriguez, Michael Senesky, Steve Tice, Joel Veltre, Frank Van Syckel, Stacey Augustine, Tina Bambo, Andrea Cammarato, Nicole Brodsky, Joseph Chafar, Mike Di Biasi, Francine De Munno, P.J. ## Russo Appointment Approved By State

(Continued from page one.)

"I have made a policy not to talk about public employees at public meetings, but since Michael Ippolito no longer works for this department, I would like to give my reasons for not supporting him for the welfare director post," Risoli said. "Records will show that Ippolito served as acting welfare director from the time of Mrs. Ceil O'Toole's retirement until he handed in his resignation on Jan. 16, 1984. For resigning on the spot at that time he was suspended. That letter of resignation came long before we sought the appointment of Carol Russo. During the time of his resignation, there was a person in that department who was on sick leave and one on vacation. His resignation left that department vacant."

"In time of battle when you are at the front, you stay at your post," Risoli continued. "But Ippolito left his post at a critical time. With that in mind, how could I in good faith approve his appointment to that post?"

Risoli also attacked a letter written by two Belleville residents to the state seeking an investigation into the appointment.

"There was a very damaging letter sent to the state by Kevin Kennedy, which was written by James Golden, and I know it was written by Mr. Kennedy because I don't think Mr. Kennedy can spell half the words which are in the letter," Risoli said. "This letter was nothing more than a character assassination

against Mrs. Russo by these two men. They know nothing about her or her qualifications. In was totally unfair."

Risoli also took the opportunity to criticize The Belleville Times for its coverage of the issue.

"Never in my 27 years of public service have I seen an appointment like this receive as much coverage in The Times as this one has," said Risoli. "And now that Mrs. Russo has been approved by the state, I wonder if we will receive the same front page headlines that The Times has been giving this matter, or will it be buried on page 10 in a one-column form."

Commissioner Pizzi told the board and public he was relieved that the state has given Mrs. Russo its approval and hoped that the controversy would "cease."

"We have suffered as has the entire town with the coverage this appointment received," said Pizzi, who appointed Russo to a clerical position when first elected. "I hope that with this letter of approval from the state, all this negativism will cease and Belleville and this department can continue to get the job done and move ahead."

"This has been a regrettable situation and I hope that we can continue to do the best job possible for the people of this community," he continued. "I am also happy and proud that Carol Russo has been approved by the state and now can do the job she is capable for the welfare of the people."

## Christ Church Holding Annual Flea Market

The Christ Church, located at 393 Washington Ave., will hold its annual flea market on the front lawn of the church Saturday, June 9, from 9 a.m. to 4 p.m. The rain date will be June 16.

Dealers from all over New Jersey will be at this annual event and there will be bargains of all kinds. There will also be a 50-50 raffle to be drawn at the close of the flea market.

Anyone interested in taking space at the flea market should call 751-8820 for information and contracts.

## Kiwanis Club Holding Election of Officers

The Belleville Kiwanis Club held its annual election of officers and Board of Directors for the 1984-85 year at the club's May 10 meeting.

John Iannuzzi, a member of the organization for over 20 years, was elected as president. He will become the club's 30th president.

Other officers are: Sy Grossman, president-elect; Mike Megaro, second vice president; Armond Russo, treasurer; and Frank Pitt, secretary. Members of the Board of Directors are: Nino Bucciarelli, Joseph Grande, Gene Reilly, Dr. Frank Arena, Michael Marotti, Vince Sorrentino, Tony Peda, John Brunon and Albert "Bucky" Gairo.

Two new members were inducted into the club: Don Tucci and Robert Cassin.

# Belleville Times SPORTS

## Z-100 Radio Playing Softball Game Here

The ZOO is coming. Those zany, flame-throwing radio personalities of hot rocking Z-100 (WHTZ-FM) are coming to Belleville to play softball against the Cancer Conquerors. The game will be held May 27 at Clearman Field starting at noon. Funds raised will go for cancer research. The game is the crowning event of Cancer Awareness Week in Belleville.

The star-studded Z-100 lineup includes the irrepressible Captain Kevin, "Nighthawk" Joe Davis, the lovely and talented Diane Pryor, and the morning Zoo keepers, Scott Shannon and Ross Brittain. Amiable Jack "the Wack" will show Bellevillites why he is feared as Jack "the Whack" at the plate with the swing that has launched Z-100 home runs. Claire Stevens, the gifted newswoman who leads the majors in hearts won, will also be on hand.

Z-100 is the champion of radio give-away with the best prizes. Their generosity knows no bounds. To help out the Cancer Conquerors' cause, Z-100 is bringing t-shirts for a raffle, one highly coveted hot rocking baseball jersey to auction off, and 75 Z-100 baseball caps for the first 75 people to attend the game.

Z-100 plays the music that has everyone listening. This fun loving group of radio disc-jockeys and newsmen are even more enjoyable in person.

Playing for the hometown Conquerors are Barry Dunleavy, Al Amiano and his brother Ralph, Richie Sheridan, Doug Jackson, John Pontrella and Fred Lardaro to name a few.

The Conquerors are also hoping to corral teen idol heart throbs Jerry Giordano and Ken Scarpa to give an encore performance as umpires for this year's game. Maybe with some luck, the two can be convinced to sign autographs after the game.

## Face Nutley Saturday

# Buccaneers Advance On In Essex County Tourney

**Bucs' Backstop** — Anthony Lombardi, is the starting catcher for the Buccaneers this season, and is doing an excellent job behind the plate.

Showing the ability to bounce back from a loss, the Belleville baseball team stopped Passaic and Central High School, the latter victory in round one of the Greater Newark Tournament. The Bucs, now 10-6-2, face a rugged week of action.

For openers, the Bucs battled Ridgewood last Monday. Yesterday, they hosted Hackensack, and this afternoon, will play Hackensack, away, for a makeup game of an earlier rainout. Tomorrow, the Bucs are in Teaneck and on Saturday, will travel to Glen Ridge for the quarter-final round of the Greater Newark Tournament, battling arch rival Nutley. Next Monday, the Bucs visit Passaic.

In addition to the wins over Passaic and Central, Belleville lost a tough contest to Teaneck, 4-2, and St. Joseph's of Montvale, 5-3. Head coach Ralph La Conte was very impressed with St. Joseph's and with their team's ability to come back. "St. Joe's might have been the best team we've seen this year. We were winning the game in the fourth inning but some errors hurt us in its big inning. We came back strong, and had the chance to win."

Belleville started the week with a loss to Teaneck. Frank Tursi started for the Bucs and was locked in a scoreless pitching duel through four innings. In the top of the fifth, Teaneck scored two runs, on two hits

and a Buccaneer error. In the sixth, the Highwaymen tallied twice more to increase the lead to 4-0.

Belleville came back, scoring twice in its half of the sixth. Tursi led off with a walk and went to second on a single by Dave Long. Mario Silvestri walked to load the bases and John Aurimma singled in two runs.

In the bottom of the seventh, the Bucs threatened as Tursi, Joe Mulaney and Long all singled to load the bases. The threat ended there, however, when Anthony Lombardi flied out to end matters. The Bucs managed 11 hits in the game, but couldn't push home the big runs.

The next day, the Bucs faced off with Passaic, another NJHL rival, and rallied to win, 5-2. "Passaic is a much improved club but," said La Conte, "We knew we were in for a tough game."

The Indians tallied once in the third inning and Belleville came back with a run of its own in its half of the third. With two outs, Joe Borrello walked, went to second on a single by Silvestri and scored on a Tursi single. On the day, Tursi went three-for-three.

Tom Reid was the pitcher for Belleville and the junior was strong in a complete game victory. After Passaic regained the lead, 2-1, in the

## Softball Squad Sweeps First Doubleheader

By Mark Foley

Led by senior Tracy Buono's dynamic hitting performances, Belleville swept its first doubleheader and rolled over Millburn in the quarterfinal of the Essex County Tournament improving the team's record to 16-2. The week was also highlighted by coach Carl Corino's 100th career victory.

The senior co-captain earned a week that most players only dream of with a two-home run, five-RBI effort as the Buccaneers rolled into the county semifinal for the third consecutive year, 12-0, against Millburn. Donna Brooks and Cheri Tillman each added two hits and two runs batted in. Dina De Aquino came within two outs of collecting her second no-hitter of the season, striking out four for her third shutout.

Corino's milestone came in the second half of last Wednesday's doubleheader, 18-7 over Lyndhurst in a game filled with 20 errors. Buono

again provided much of the offensive spark, getting four hits in five at-bats, including a fence-clearing blast at Lyndhurst's Little League field, and three RBIs. Desiree Johansen went two-for-five and knocked in a run as Belleville scored in six consecutive innings to pull away from the Golden Bears.

In the first half of the twin bill, freshman hurler Laura Caruso pitched an impressive two-hitter, shutting out Passaic, 3-0. The right-hander, who struck out four batters while walking only two, only allowed two Indians as far as second base. The only run that the Bucs needed came in the first inning when Brooks singled, advanced to third on a force out and a wild pitch, and scored on a groundout. Insurance runs were provided by Cheryl Marion's RBI-single and a two-base hit by Buono.

Looking forward to the ECT

## Crew Team Cheated in Mid-Hudson Regatta; Stotesbury Contest is Set For This Weekend

It was a day of controversy and victory, of an emotional letdown and a desire to come back. For the Belleville crew team, competing in the Mid-Hudson Regatta last weekend will not go down as a 'Day to Remember', rather it will go down as a 'Day to Forget, and the 'Sooner Better.'

The Buccaneers will take part in the big Stotesbury Regatta this

weekend in Philadelphia. Head coach Sam Giuffrida terms the Stotesbury the 'Class' Regatta and a number of his boats are primed for the challenge. The Stotesbury is the final leg before the National Championships on May 25 and 26.

Giuffrida, in terms his team's performance last weekend, said, "it was a good day, and a bad day." Truer words could not have been

spoken. First the good news. The Lightweight Four boat, made up of strictly sophomores, captured the championship, defeating an old nemesis in Upper Merion.

"They are really coming around," said Giuffrida. "They are rowing very well. The boat did not have a good race in the City Championships (held the previous weekend), but they were up to the challenge this time.

All season, we were having our problems with Upper Merion and this time, we were able to defeat them."

The Lightweight Four, which is a boat of athletes 140 pounds or lighter, consists of Dave Siletti at bow, Steve Pasaro, Rick Albanese, Bob Ferucci at stroke and Dennis

(Please see 'Two' on page 15.)

## Belleville Braves Preparing For Another Exciting Season

One year ago, the Belleville Braves entered the Essex County Semi Professional baseball league. They were a young team, possessing some talent, but having no experience on the semi pro level. The competition, to say the least, was tough.

Sal Garilli was named to coach the team. A fine baseball man, Garilli has done scouting work for the Chicago White Sox and is the head baseball coach at Kean College. His enthusiasm and charisma for the game was something his team picked up quickly. Garilli does not like to lose. He also does not like players around him who will not give at least 100 percent towards the game.

Belleville took its lumps in the early going last year. They lost its first five games, some of which were by the blow out version. As a matter of fact, the Braves opened the season with as 16-0 loss. The only place to go was up and slowly, but surely, the Braves started to climb.

From the late stages of May to the early part of August, the Braves did a complete turnaround, rallying from a .350 winning percentage to a 17-20-2 mark, just missing out on the league playoffs. The Essex County baseball league is not new to Belleville, it's just something that was absent from the township for 4 years.

But in the mid-70's, the Belleville Bruins were the rage of the league. They won championships in 1977 and 1978. At that time the Bruins were led by Dennis Sasso, now the head baseball coach at Nutley High School and a man who is in fine tune with the sport. At the end of the 1979 season, the Bruins folded and Belleville was left without an entry in the league.

This year, the Braves appear to be on the way back to prosperity in the ECBL. "This year," said Garilli, "my biggest concern is that all the players got a good amount of playing time. We have some hit-

ters this year and I've designed a team to the ball park that will be playing in. We'll score runs, no doubt about it. The biggest question will be our pitching. If it holds up, we're in good shape."

The pitching is led by a very familiar name in Belleville baseball, Anthony Coco. Whenever I think of Coco, thoughts of 1981 immediately come back. I remember a period of time in the month of May when Coco went from stardom, to goat, back to stardom and eventually on his way to becoming the second winningest pitcher in Belleville history. Coco was designated by then coach George Zanfani to pitch in the Greater Newark Tournament. In round one, the Bucs routed Cedar Grove, 12-3 with Coco holding a shutout for six innings before allowing three harmless runs in the top half of the seventh frame.

In round two of the GNT, Coco went up against Columbia High School in a game played at Belleville. It was a game that Coco just didn't have it. He went 2/3 of an inning, allowed eight runs and remembers what he thought when Zanfani made the trip to the mound to take Coco out of the game. "I knew we were going to win," Coco said. "For some reason, I was worried."

With Belleville trailing 8-0 after one half inning, the Bucs went on to record one of the greatest come from behind victories in school history. True to Coco's words, Belleville did rally, with Eugene Cancellieri doing a marvelous job on the mound and Frank Fazzini leading the Buccaneer bats. Belleville won, 15-9 and two days later, Coco was back on the mound for a state tourney game with Irvington. In this contest, Coco was back in tune and Belleville won, 4-3. From there, Coco pitched 12 strong innings as Belleville beat Bloomfield, 5-4 in the semi finals of the GNT and was masterful in beating Glen Ridge, 10-4

in the finals. Last summer, Coco was very effective in his first stint with the Braves.

"Coco needed work on his mechanics," said Garilli. "He has very good stuff and is a good strikeout pitcher." Coco also plays baseball for Garilli at Kean College now and should be a very strong hurler this summer.

Also returning to the mound is Scott Lutz, a good performer last year and a new comer, Glen Colatella, a hard thrower from Bloomfield High School. Scott Wohlrab, an All Union County selection at Linden High School a few years back,

## BUC SHOTS

By Michael Lamberti

should add strength, as will Mike Zimno and 6'6" Kevin Purcell.

The infield will see Dominick Vazzano at first base. "Dominick has really come around," said Garilli, who also coaches Vazzano at Kean. "He has professional ability, he could go in the amateur draft."

A position that Garilli felt his team had to improve in was shortstop and the coach feels he has one that with Greg Weber. Mike Murray, a first baseman and catcher should provide help. Garilli also feels that Murray could help in the amateur draft.

Another player with that type of talent is Jim Tensfeldt, a 1979 graduate of Bel-

leville High School. Tensfeldt played his collegiate ball at NJIT and set a number of school records during his four year stay. Tensfeldt could very easily be tapped in the June 8 draft.

Purcell, a pitching candidate, can also play the outfield or be the designated hitter. Garilli coached Purcell at Kean College and likes his power. "He hit 12 homers at Kean and can really help us." The infield should be helped with Mark Roll, a returnee at second base and will be solidified with the return of Joe Corbais at third base. Corbais, like Coco and outfielder Dave Starr, played on the 1981 Belleville High School championship team. Last summer, he showed marvelous improvement during the course of the season and should be solid this year.

The outfield will be anchored by Starr. A good contact hitter with very good speed, Starr also showed tremendous potential last summer and now, with the year of experience, should be a very good player this summer.

Mike Cavuluzzi and Steve Karlick, who hit .355 last year, will round out the roster, although Garilli might add new players as the season progresses.

As for the league, Belleville will be in direct competition with Verona, defending champions West Orange, Montclair State College and Parsippany. The second division will be led by powerful Irvington, two teams from Union and Millburn. The Braves open the season on Saturday, May 26 in Irvington, certainly a good test for the promising squad.

The Braves first home game will be played on the 31st of May, against the Union Jayhawks, at Belleville High School, starting at 6 p.m. Garilli is happy to have home night games at Belleville High School this year, something the team didn't have last summer.

Overall, there will be 40 games during the season, then the playoffs. Andy Gould, who played for the Braves last season, will be Garilli's assistant this year.

"We're hoping for a good turnout this summer," Garilli said. "We have more night games at home this year, which should be convenient for people who would want to see us play. We will have a good team, a club that will score runs. It should be an exciting season."

It should be a very interesting campaign for the Braves. No longer are they a club with little experience. They will be playing some good teams and have the lineup that can beat those clubs. Stay tuned, the early signs are very positive for the Belleville Braves.

The Belleville High School athlete of the week is Anthony Lombardi of the baseball team. The senior catcher drilled a homer in the Bucs 11-3 win over Central High School and has provided stability behind the plate for the Buccaneers, who currently sport a 10-6-2 mark and face a very big week of action.

What more can you say about Tracy Buono. In last week's drilling of Millburn in round one of the Essex County tourney, Buono broke her own school record for homers in a season and is practically unstoppable. The girls hold a 16-2 record and recently gave head coach Carl Corino his 100th career victory. Since Corino took the reins at Belleville High in 1980, the girls hold a mark of 101-24. The records have been 20-8, 18-8, 24-2-2, 23-4 and this year's mark. Add to that two straight Essex County championships and an NJHL title last year, along with a shot at an unprecedented third straight county crown this year and you see why Corino is so successful as coach. He gets a high level of ability from his athletes and his record speaks for itself.

Favored welterweight Marlon Starling, 32-2, of Hartford, Conn., did not disappoint his backers when he won a 12-round decision, as expected, after dominating his opponent, Lupe Aquino, 23-2-1, of Santa Paula, Calif., in 11 of the rounds. Judges of this bout fought at Atlantic City's Playboy, Tuesday. Frank Brunette, Harold Lederman and Lawrence Wallace all scored the one-sided bout 119-109. Aquino fought as if he was under duress, timidly and constantly on the retreat.

Bobby Chacon, who retired for the umpteenth time, has decided to unretire again. Bobby is booked to resume his career against Carlton Sparrow of Las Vegas on May 15 in Chacon's hometown of Sacramento, Calif. Memory jogger: Chacon is fighting since April 17, 1972. He won and lost the WBC featherweight and junior lightweight titles.

Unbeaten in 26 pro starts, Herol Graham of England had to surrender his European and British Commonwealth junior middleweight titles as he admits he no longer can make the weight his manager announced Tuesday, April 17. He canceled his defense of the European title against Said Skouna of France in Toulouse, France, this past April 27. Graham intends to continue in the punch-for-pay business in the middleweight division.

Joseph De Matteo, who fought out of Newark as an amateur boxer in the flyweight class during the early 1940s, took the "long count" at age 62, in Colonia, N.J. Joe won the New Jersey Golden Gloves championship of the flyweight group in 1944.

Former WBA heavyweight champion Michael Dokes, 26-1-2, of Akron, Ohio, is training up in Toronto, Canada. Dokes had been in seclusion since he was kicked by Gerrie Coetzee on Sept. 23, 1983. Carl King, Dokes' manager, plans to have two warm-up fights before attempting to regain the title from Coetzee. That is if Larry Holmes doesn't get there first.

# Golf Squad Drops To Tough Nutley

The Belleville golf team continued its strong play last week, defeating Passaic Valley and losing to powerhouse Nutley. On the season, the Bucs are 7-5 and are closing down on a rebuilding season.

The Bucs battled Paterson Kennedy on Tuesday and will face a tough Cliffon squad this afternoon at Branch Brook Park. Next Monday, Belleville faces Bloomfield at Forest Hill Country Club and on Tuesday, close out the regular season with a battle against Montclair, to be held at Branch Brook. The Bucs will take part in the Essex County championships on May 29 at Forest Hill and the NNJIL individual tourney, to be held at Nobb Hill Country Club on May 31.

Versus Passaic Valley, the linksters were on the short end of a 195-206 count, which in golf means a victory. Senior Jimmy Apple was once again the top golfer for Belleville. Apple tallied a 41 over nine holes and Greg Simone was right behind with a 43. Apple recently had a top honor bestowed upon him. The senior took part in the LPGA Youth Satellite Tournament last Monday at the Montclair Country Club. Apple was partners with a woman pro, although coach Rocco Colucci didn't know which pro Apple would be teamed with.

Against Nutley, the Bucs lost big to the Maroon Raiders, who are un-

defeated and heading for the state tournament. The final count, 167-200, as Nutley had all players coming through with a solid effort. The top Maroon golfer tallied a 38 and on the afternoon, the Maroon averaged a very strong 41 over nine holes. For Belleville, Apple was the leader with a 41, but it wasn't nearly enough to stop the Nutley express.

One more victory in the dual matches will guarantee Belleville another winning season, something that has become synonymous with Belleville golf. At the outset of the campaign, Colucci said that his team would be rebuilding, that 1984 was a learning process. While the players certainly have a great deal of work ahead of them, they are still winning and that kind of rebuilding is pleasing to any coach.

NOTES: Since taking over the team in 1981, Colucci is 34-16 as head coach. The coach is looking forward to the NNJIL tourney on May 31. He feels that Apple has a good chance to place in the top five. Last year, as a junior, Apple was third overall. The Essex County tourney should be a wide open field, although Nutley and West Essex do appear to be the favorites at this time. However, Colucci has said on more than one occasion that golf is a game that can go either way. Who knows what could happen in the county tournament?

Smokin' Joe — Joe Tarbucco, a senior starter for the Bucs, rears back to fire one against Ridgewood on Monday after. The Bucs won the game 7-6.

in a reference to the strong support enjoyed by DiRuggiero, an Essex County administrator and member of the Belleville Zoning Board.

He offered no reason why the bloc should have opposed him.

Strumolo dismissed the suggestion that last year's toxic leak problem in the Valley contributed to his defeat.

The toxic leak at a Main Street plant, brought the Public Affairs Department, formerly headed by Strumolo, under scrutiny. Although the May 1983 leak occurred after Strumolo lost his bid for reelection, he insisted it was under his jurisdiction that the problems went uncorrected, an accusation Strumolo recently denied vehemently.

fifth inning, Belleville tied the game on a Brian Cook single, a walk to Borrello, a single by Silvestri and a second RBI single by Tursi, scoring Cook.

In the sixth inning, with the game deadlocked at two, Belleville took the lead for good. Auriemma singled and John Guarino walked. Cook hit a sacrifice fly, moving Auriemma to third. Borrello walked to load the bases and Silvestri came through with a single, scoring two runs. Tursi walked to reload the bases and Long walked, forcing home the third run of the inning and extending the Bucs' lead to 5-2.

Once again, Belleville connected on 11 hits and Reid won his second game of the season, against one loss, as Belleville won its ninth game of the year, one more it won for the entire 1983 season.

The next battle for Belleville was St. Joseph's. This was a game that saw the tough Belleville bats limited to just four hits by a very good St. Joe's team. After three scoreless innings, the Bucs tallied twice in the top of the fourth. Lombardi singled and Cook, who is quickly turning into an offensive threat, drilled his first homer of the season.

Mark Palumbo started for Belleville and was hit for a run in the bottom of the fourth. In the fifth inning, the Bucs committed two costly errors and St. Joe's capitalized with a triple, sacrifice fly and home run to score four times and take a 5-2 lead.

Belleville scored once in the seventh when Borrello walked, went to second on a walk by Long and scored on a Mullaney single. The Bucs threatened with the tying runners on base.

Finally, Belleville came through with a good effort in defeating Central of Newark in the first round of the GNT, held at Nutley High

"The people know what was done and where the responsibility should have been," he said. In recent weeks, he blasted the Belleville Fire Department for inadequately following up on the problems uncovered by his health officer during his tenure.

The Fire Department rebutted the attacks which some observers think may have damaged the ex-official's strong candidacy.

Planning to keep his civic association active, Strumolo said he will remain close to the pulse of community activities despite his defeat.

A lifelong resident of Belleville, the 55-year-old Strumolo began his public life in Belleville in 1957 and until last May, stayed at the forefront of municipal government.

# Boys Track Squad Falls to Bloomfield

The Belleville boys track team lost a tough race to Bloomfield, 83-47 and will compete in the Essex County championships this weekend in South Orange. The Buccaneers will also be in Passaic tomorrow afternoon for a dual match.

Last week, the Bucs gave the Bengals of Bloomfield a strong run, but fell short for their eighth loss in eight attempts this spring. Head coach John Tosato did receive strong performances from a number of underclassmen, but did lose a valuable athlete in Tim Daudein, who suffered a knee injury and will miss the remainder of the campaign.

Junior Felix Rodriguez was very effective in the Bloomfield race, winning the pole vault with a jump of 8 1/2 feet and taking second in the triple jump and third in the 100 meters.

Freshman Luong La won the long jump in a personal best of 17-6 1/2. La won the event on his final jump by 1/2 inch. Another freshman, Craig Burden, continues his strong running. Burden who made the scene during cross country, won the two mile in 10:56 and was second in the mile in time of 4:54, just four tenths of a second off the lead.

Junior Mike Siletti continued the underclass success with a second in the low hurdles, a second in the high hurdles and a third place in the high jump. "Mike has been doing an excellent job in those three events," praised Tosato. "All our underclassmen look very strong. They have showed a lot of improvement as the season progresses."

Dennis Bogden, a rare senior on the team, was second in the shot and second in the discus. Bogden's throws were 39-1 in the shot and 113-3 in the discus.

In the county relays, the Buccaneers distance medley team of Billy Huamani, Siletti, Bob Hutchinson and Burden came through with a personal best of 12:17.9, good for tenth place overall. Huamani started it with a 2:18 in the half mile, his best time, before handing off to Siletti. Siletti had his best time in the quarter mile, 57 and gave it to Hutchinson, who was strong in the three quarter mile, finishing in 3:56.

# Lifeguard Is Needed

The Belleville Recreation Department is currently seeking a lifeguard/swim instructor of its 1984 summer Learn-to-Swim Program. The program will run for approximately five to six weeks, beginning in early July at the Friendly House. Qualified applicants must possess either an advanced lifesaving or a water safety instructor certificate. If interested please contact the Belleville Recreation Department at 759-3142 between 8:30 a.m.-4 p.m. Monday through Friday.

## Two Crew Squads Cheated in Regatta

lives at coxswain. The controversy began in the girls junior four race. Entering the Mid-Hudson, the girls had an undefeated record and were considered the favorites in the race. Furthermore, the team was coming off a resounding win in the City Championships and the expectations were high, to say the least.

"We got to the starting line," said Giuffrida, in commenting on the girls race, "and the starter had the girls move to better position the boat. While our girls are doing that, the starter starts the race and we're left at the starting line."

Despite the team's misfortune, the girls battled back and at the end of the race, they finished second, just one half second behind Upper Merion. Following the race, Giuffrida filed a letter of protest in regard to the start of the race.

Unfortunately, the protests were only starting. Next for Belleville was the junior four boys, a boat that was rowing very strong and once again, favored to do quite well. A problem arose following the girls race. Some minor damage was found on the boat and the dock master gave Belleville the allotted time to repair the boat before the start of their race.

"The starter was told not to start the race until we were ready," said Giuffrida. "The dockmaster instructed the starter to hold the start

of the race and instead, the starter starts the race and we miss out."

Needless to say, Giuffrida was upset, not to mention his young team. An official from the USRA (United States Rowing Association) was on the scene and he ruled that Belleville should have the opportunity to row. The officials ruled that the coaches should decide the outcome and the final word was that Belleville could not race in the junior four competition.

"It was a very poorly run regatta," Giuffrida said. "The calls from the officials were very questionable. They should have made the decision, not let the other coaches decide. I'm not the only coach who feels this way, mind you. There are some other schools who are also filing a letter of protest. We have been competing in this Regatta for 30 to 35 years, as a matter of fact, we were one of the founders of this regatta. I feel it could have been handled much better."

The bottom line is that Belleville will enter the Stotesbury Regatta with a lightweight four that is hungry for more, a junior four boys team that is starving to hit the water and a junior four girls squad that is looking for revenge, and then some. "It was a frustrating day," concluded Giuffrida. "But I feel our team will bounce back."

NOTES: Giuffrida terms the Stotesbury, "a big, big race." The

Regatta begins tomorrow afternoon in Philly with the preliminaries and concludes on Saturday afternoon with the finals. A teams result in the Stotes will determine their seeding

for the Nationals the following weekend. In 1976, the Belleville junior four boys won the Regatta and in 1982, the junior four girls were victorious.

## Suburban Girls' Bats Come Alive With Hits

The Belleville Buccanettes of the Junior Suburban Girls' Softball League upped their record to 4-2 by posting three impressive victories this past week.

Last Thursday, the squad blasted Livingston by a score of 26-0. The girls jumped out to an early 8-0 lead in the first inning and scored almost at will from that point on. Raquel Melson, Laura Puleo, Giovanna Mallozzi, Janine Luzzi and Jackie Tillman led a 17-hit attack with Luzzi's grand slam homer being the big hit. Tillman and Nicole Marino combined to pitch a two-hitter.

Last Friday night under the lights, the girls pounded South Orange, 28-4. The hitting attack, which has suddenly exploded, was led once again by Melson, Mallozzi, Luzzi, Tillman and Sandy Brew. Belleville blew the game open with a nine-run second inning. Home runs by Luzzi and Brew keyed the attack, while Tillman pitched the distance for the win.

On Sunday, the squad traveled to Springfield and came home with an easy 24-0 shutout. In this game, pitcher Jackie Tillman pitched the first no-hitter in Belleville's short history in the league. She walked three, struck out three, and looked stronger as the game went on. The girls smacked out 23 hits in the game, and looked especially good in the fourth inning when they scored 10 runs on nine hits. Anne Carucci, starting her first game of the year at third base, had four hits and two RBIs. Giovanna Mallozzi and Janine Luzzi, who are waging an RBI race between them, accounted for eight RBIs. Sandy Brew and Laura Puleo also hit well, and both played fine defensively.

This past Tuesday night, the squad hosted West Caldwell at home. On Saturday, the girls will travel to Milburn for a 1 p.m. start and next Wednesday travel to Verona for a 6 p.m. game.

## Recreation Soccer League Action Heats Up With Victories By Division Teams I and III

### Division I

Randall Lorig's undefeated team took on Morristown United who were also undefeated.

Belleville opened the scoring with Ossie Stephenson taking a picture pass from Fred Calvache. Carlos

Kingaluhua also got to assist. Morristown then tied the game just before the half and the first half ended with a score of 1-1.

In the second half of action, Carlos Kingaluhua scored from 18 yards out on a cross from Stephen

and four minutes later, Ossie Stephenson scored with the assist going to Alberto Chafar. Carlos dedicated his goal to his mother.

Morristown pressed in the final half and scored again but Belleville prevailed, 3-2.

### Division II

Bob Travers' team took on a strong team from Mount Arlington. Belleville played a strong first half, but Mount Arlington played better and led, 1-0.

Omar Bejarano played excellent, stopping 14 shots in the first half and David Gourley shut down the Mount Arlington offense.

The second half was the worst half witnessed. Mount Arlington came out very physical and James Malek, a defensive standout, received a nose injury and goalkeeper Bejarano played with bruised ribs. The play was marred by a lot of foul play and Belleville couldn't gain momentum. Mount Arlington prevailed in a very poor game.

### Division III

Vincent Farina's team played Chester twice over this weekend. On Saturday Belleville went to Chester and won, 6-2.

In the first half, Mike Di Gennaro scored two minutes in the game and

George Dorizas scored two goals within one minute with assists going to Roger Real and Heald Shad. Chester scored before the half, bringing the score to 3-1.

In the second half, Belleville took charge and scored three goals in a span of 30 minutes. Danielle Groeling scored her first goal of the game with the assist going to Scott Quilligan. Scott then scored unassisted and Roger Real scored with less than five minutes with an assist by Di Gennaro. Chester could only muster one more, giving the victory to Belleville, 6-2.

In action on Sunday against Chester, Belleville again trailed, 2-0, 35 minutes into the game, but then the team gained its composure and scored two quick goals in a five-minute span, tying the score.

Nick Kevkurian scored first and then Heald Shad scored with both assists going to Vincent Farina to tie the score. Then the offense got on track and scored seven unanswered goals. Steve Mauro scored two goals. Mike Gennaro, Nick Kevkurian, George Dorizas, Scott Quilligan and Vincent Farina. Tim Writt assisted on one of Steve Mauro's goals and played outstanding on defense and Chris Kastner has played steady and consistent in all the games. Division III is now 4-1.

## Softball Squad Sweeps First Doubleheader

(Continued from page 13.)

semis, Belleville will face Caldwell at Baldwin's Paluski Park on Saturday night. DeAquino dominated the Chiefs in last meeting, tossing a 2-0 no-hitter. Livingston and Cedar Grove will lock horns in the first semifinal.

"The win over Millburn was big," said Corino, "because that was a step toward another county title. Caldwell's going to be tough. They always play us well, but we're just going to have to go out there and play our game."

"Tracy's hitting has been unbelievable, the way she's driving the ball," the coach continued. "She's been playing some great ball, both offensively and defensively. Dina's been pitching well, and we got a really good game out of Laura. We've got to keep hitting the ball, then we'll be all right."

NOTES: Monday's game with second-ranked Ridgewood was canceled due to wet grounds, and no make-up date had been set as of press time. The Buccanettes continued their schedule with home games with Hackensack on Tuesday and Wednesday, home games with Paterson Kennedy today, and Teaneck tomorrow, Caldwell in Bloomfield on Saturday night, and Passaic again at home on Monday. Seedings for the New Jersey State

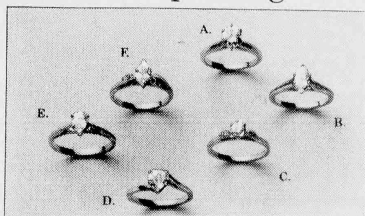

Intercollegiate Association Tournament were announced last week. Belleville has drawn the second spot in North Jersey Section Two, Group Four, behind Union, Livingston and Westfield qualified third and fourth, respectively. Buono will be taking her booming bat to Rutgers University next fall, while her batterymate DeAquino will be attending Montclair State College. Buono broke her own record for home runs in a season, with her seventh and eighth of the year against Millburn. She now has 16 four-baggers in her career. Corino's five-year record is now 101-24-2, which translates into a phenomenal .808 winning percentage. The team has averaged well over 20 victories per season under Corino, who took over for his wife, Eve Corino, in 1980.

## Recreation Softball Results

The first week of action took place in the Belleville Recreation Men's Softball Wednesday Night "A" League with three games. Mr. Dee's Rock Arena turned back De Lorenzo Construction, 10-6. The De Racco Brothers fell short to Rossmore Hess, 11-7, and Burger King accepted a forfeit from Charles Daniels.

The second week of the Belleville Recreation Men's Softball Monday Night "A" League was held on May 7. Printing Techniques lifted its record to 2-0 by squeezing past Supra Bar (0-2) by a score of 4-3. Raising its record to 2-0, For Pete's Sake defeated the 1-1 Suburban Cablevision team, 12-3, and J & R Insulation evened its record to 1-1 by accepting a forfeit from Champion Bumpers (0-2).

# Junior Woman's Club Hosts Poetry Contest

The 11th annual poetry contest sponsored by the Junior Woman's Club of Belleville took place April 23 at 51 Rossmore Place. The theme was "Imagine" and the co-chairmen were Julie Paolella and Georgeann Ventola. This contest was opened to all middle and senior high school students and was supervised by Mr. Leonard Marciano of the English department. Mayor Marotti donated all the trophies and was invited to attend the ceremony. The winners were: first place, Tracey Doyle, 11th grade; second place, Jeannine Amata, 11th grade; and Chris Oese and Catherine Lima, honorable mentions; grade nine, Lori Tirrell, first place, and Meru Ann Matthai, second place; grade 10, Claudia Lara, first place, and Colleen Kelleher and Linda Pissott, honorable mentions; grade 11, Robin Wallace, first place, Debbie Sim, second place, and Jeannette Bowen, honorable mention; grade 12, Donna Slonim, first place, Anthony Lopomo, second place, and Valerie Caruso and Donna Viviani, honorable mentions.

Also presented that night were certificates of appreciation to middle and high school students who painted the Chamber of Commerce windows with Easter scenery for the Junior Woman's Club of Belleville Pictures with the Bunny. Co-chairmen were Joyce Wittish, third vice president, and Ellen Honsinger. They gave out the appreciations and thanked the Chamber of Commerce, Board of Education for supplying the paint, Mayor Marotti and the Board of Commissioners, P.B.A. and Detective Sgt. Escott, Milt's Photo and Thomas Stone for supplying the costume. The student painters were Sue McTeigue, Janet Reiman, Christine Nenninger and Karyn Dunn.

A special award was given to Dennis Borden and Mark Foley as Outstanding Youth of Belleville. Co-chairmen for Home Life Department, Cathy Watson and Joyce Wittish, gave these awards to the seniors of the high school, who were endorsed by their teachers, guidance counselors and coaches for excellence in school activities and outside interests. The co-chairmen would like to thank the staff at the high school for their cooperation in making this project succeed for the Junior Woman's Club of Belleville and congratulate Dennis and Mark.

At the close of the awards night, refreshments were served by hostesses Linda Caputo, Betty Ann Cozzarelli, Karen Cozzarelli, Kathy Decker and Mary Ann Flor.

Missing from the picture is Lori Tirrell.

## "Imagine"

Imagine a walk on the beach at night  
With the stars shining their glittered twilight.  
You forget the things that make you sad  
And think of things that make you glad.  
A rainbow after a stormy day,  
Frisky kittens while at play,  
The singing birds at the break of dawn,  
The gentleness of a tiny fawn.  
All your sorrows seem erased  
When in your mind these things are placed.

## "Imagine"

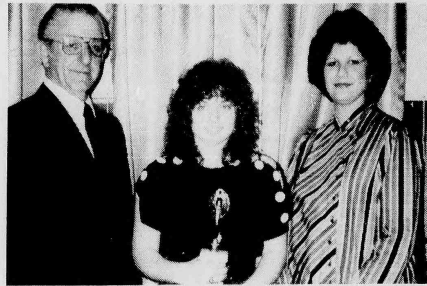

Imagine if the earth was clean,  
No pollution coming from man or machine.  
Imagine if the cities of the world were vandalism free.  
The buildings and walls would stay as they were meant to be.  
Imagine if greed and discrimination didn't persist,  
Maybe true peace in the world could finally exist.  
Imagine every child born absolutely correct,  
Not marred by disease or any birth defect.  
Imagine if all the people of the world decided to care,  
To love one another enough the share.  
Imagine if you could be anything you wish,  
You could become a bird or even a fish.  
Imagine if people always wore a smile like a clown,  
Never shedding a tear or putting on a frown.  
Imagine if life was different, not at all the same,  
We shouldn't take our life for granted as if it is a game.  
Imagine if every day was as sunny as spring,  
If you keep imagining you can imagine almost anything.  
Imagine things that are good, not bad,  
Or things that are happy, but never anything sad.  
Imagining doesn't help us cope with life as some people say,  
It just gives us more hope for tomorrow and the next day.  
Never stop imagining no matter what's the season,  
And if you ask why, there is no specific reason.

## "Imagine"

We often take for granted  
Just how fortunate we are  
We can see the world around us  
We can walk so very far.  
We hear the sounds of ocean waves  
We can sing a special song.  
Physically we're built the same  
Yes, we all know we belong.  
But others think they're outcasts  
They have problems of their own  
Imagine life as a blind man  
Being in darkness all alone.  
Whenever we sit down we know  
That we can get up too.  
Imagine life as a paralyzed man  
Knowing your legs will never move.  
A song played on the radio  
Sounds that come from birds  
Imagine life as a deaf man  
These sounds are never heard.  
We can talk and laugh for hours  
We can dream of treasures while we walk  
Imagine being mute, my friend  
Your dream would be to talk.  
These things we take for granted  
And we very seldom see  
That others lack the precious gifts  
That God gave to you and me.  
So when trivial problems come your way  
Don't feel sorry for yourself  
Be thankful for your blessings  
And imagine life as someone else.

## "Imagine"

When I'm not living up to anyone's satisfaction,  
And from life, I need a pleasant distraction,  
I open my mind in desperation  
And escape to the oasis of my imagination.  
My private refuge, to where I can flee,  
When everyone seems to want so much from me.  
It starts as a thought that begins to beam,  
And I follow that path 'till I'm lost in a dream.  
Some wonder about my constant drifting.  
I need it for a spiritual uplifting.  
I don't like life when it's a fight or debate.  
I need to be someplace where I can create.  
My thoughts are mine, they are all my own.  
They belong to me, and me alone.  
No one can take them; judge them, or grade them,  
Copy them or change them because I made them.  
There are those who interrupt and intrude  
Upon my private interlude  
They wave their hands in front of my face  
To bring me back from my secret place.  
But that's only because they don't understand  
The magic of a fantasy land.  
I consider it a gift, my wild imagination.  
It wasn't good sense that made creation.

## "Imagine"

Imagine if there was no such thing as sadness,  
We would never know the joys of happiness.  
Imagine if there was no such thing as hatred,  
We would never know the pleasures of love.  
Imagine if we never knew the darkness of night,  
We would never appreciate the brightness of day.  
Imagine if we never knew about the anguish of war,  
We would never appreciate the calmness of peace.  
Imagine if we never felt the sorrows of death,  
We would never know the bliss of life.  
Imagine if we didn't know the feeling of loneliness.  
We would never appreciate the feelings of togetherness.  
Imagine!  
And learn to appreciate.

# Fortunato Meets With Students To Discuss a Variety of Topics

Earlier this week, Assemblyman Buddy Fortunato (D-Essex) held a meeting with the student advisory board of the 30th district. The student advisory board is composed of nine students, one representative from each of the high schools within the 30th district. Each high school was responsible for the selection of their own representative. The participating schools include: Belleville, Bloomfield, Memorial High in Cedar Grove, Immaculate Conception of Montclair, Glen Ridge, Montclair High, Nutley, Upper School of Montclair — Kimberly Academy, and Verona.

Representing Belleville was Christina Hallman.

At the meeting, topics such as the presidential primary, the role of government in domestic and international affairs, the role of an assemblyman, and the current educational system of New Jersey were discussed. Students were allowed to present their individual pros and cons of the higher educational system, as well as recommendations on behalf of students, teachers and school administrators.

Assemblyman Fortunato has held these student advisory board meetings in that throughout his years as an elected legislator. The student advisory board is scheduled to meet again during the month of May.

## Ahavath Achim Congregation Hosting Annual Dessert Affair

Samuel Panansky, first vice president in charge of fund raising for the Congregation Ahavath Achim of Belleville, has announced that the congregation's annual affair will be a theatre and dessert party to be held on Sunday evening, May 20.

Members of the congregation will attend a performance of "The Desert Song" by Sigmund Romberg at the Paper Mill Playhouse in Millburn, and the dessert party will be held at the congregation in Sisterhood Hall following the presentation.

Panansky is chairman of the theatre and dessert party and the ad manager, assisted by Mrs. Leona Schreier as co-chairman, Mrs. Frieda Berkowitz is serving as treasurer, Mrs. Hannah Fersko is in charge of reservations and Mrs. Miriam Novik is chairman for the special pages of the journal.
