Belleville Voters Choose Mondale Over Gary Hart

By Linda Telesco

Belleville voters proved in Tuesday's primary election they want a Democrat to sit next in the White House and they want that Democrat to be former vice president Walter Mondale.

With all 24 of the township's districts reporting, Mondale carried a heavy lead of 1,889 votes over his two major contenders for the party's presidential nomination in November's ballot.

His main rival, Senator Gary Hart, gathered some 994 votes while Jesse Jackson drew only 994, mostly from the Valley area. Ultra right-wing candidate Lyndon LaRouche received 69 votes.

On the Republican side, some 569 votes were cast confirming President Reagan's unchallenged bid for reelection.

Despite warm, sunny weather, election officials reported a slow and uneventful day.

In the race for U.S. Senate, incumbent Bill Bradley was the local winner for the Democratic nomination with 2,188 votes. He was challenged by right-wing candidate Elliot Greenspan who gathered only 141 votes.

If the rest of the state goes as Belleville did, Bradley will face as his Republican opponent Mary Mochary, the Montclair mayor, who drew 292 votes for her party's nomination. Her opponent was conservative Robert Morris, a former college president and active Republican, whose 119 votes could not pull ahead of the popular Mochary.

The contest for Congressional representative nominations is a sore point with Belleville Democrats as a result of recent mapping that split Belleville into two districts.

The effect of the split was to weaken the stronghold of veteran Rep. Peter Rodino, whose 10th Congressional block now includes only three of Belleville's local districts.

Rodino won 247 Belleville votes toward securing his party's nomination in November.

His main challenger, Rev. Arthur Jones of Newark, pulled only 16

votes and a curious 4 votes went to Thelma Tyree, a LaRouche Democrat.

Unopposed Republican Howard Berkeley had 33 ballots to his credit.

For the first time in election history, the rest of Belleville is in the

eighth Congressional district, territory of Rep. Robert Roe who gained 1,601 local votes toward securing the Democratic renomination.

Roe's rival, Ronald Taylor, drew (Please see "Belleville Taps" on page three)

Board Vote Maintains Mental Health Service

Commissioners voted unanimously to maintain the township's participation in Community Mental Health Services for Belleville and Nutley.

The board voted recently to continue with the clinic for the period of Jan. 1 to Dec. 31, 1984, renewing the ongoing membership Belleville has held in the agency since 1958.

The township's share for this year's services is \$47,411, an increase of 5 percent over the 1983 fee of \$45,153.

CMHS furnishes psychological and psychiatric diagnosis and treatment of residents from participating municipalities.

A full service mental health clinic, CMHS receives annual financial support from the member com-

munities based on population.

According to agency director Alice Ricci, CMHS served 684 Belleville residents in 1983, up from 596 the prior year. "Some of the people included in that number were seen only once, while others maintained ongoing treatment," the director explained.

Ricci also noted that CMHS treated 510 Belleville outpatients last year and only 420 in 1982.

"Actually," she noted, "We're receiving 5 percent more money from Belleville for this year, but we show a 15 percent increase in numbers treated and a 21 percent rise in the outpatient program."

Funding for CMHS is included annually in the municipal budget.

County Camp Program Will Begin Here July 9

The Essex County Department of Parks, Recreation and Cultural Affairs will be offering its annual summer day camp program at 16 sites throughout the county.

In Belleville, the camp will be held at Belleville Park, Belleville and Columbus avenues.

The camp, which has been a popular event for years, offers a wide range of activities daily in five areas: athletics, crafts, music, drama and new and quiet games. Children will explore these specialty areas through

the weekly theme, conducted by camp supervisors. The themes this year are Nature Rama, Hobby Hysteria, Cosmic Capers, International Journey, Olympic All-Stars and Musical Decade.

There will also be three field trips conducted to Sandy Hook Beach, Yankee Stadium and the Bronx Zoo, according to Donna Drew, of the county parks information department.

Hearing Set Next Tuesday To Limit Meter Park Time

A measure to limit parking time at Washington Avenue metered spaces will be up for public hearing and final vote next Tuesday.

Commissioners approved on first reading an amended ordinance that would prohibit a vehicle from occupying the same metered space for more than two hours at a stretch.

The change, according to Mayor Michael Marotti, reflects requests made by Avenue merchants who

complained that "parking space hogs" occupied the scarce parking space available for customers.

Most meters on the Avenue permit up to two hours parking time for 25 cents. However, there is no limit to the number of times a car owner may deposit enough money to remain for several two-hour periods in a row.

Police Chief George Lister said the new regulations, if adopted, will not allow a vehicle to remain in the same space for consecutive periods.

The changes, he said, will affect all metered spaces on the Avenue reaching from Mill Street to Greynock Parkway during times meters are in commission.

The law will be enforced by police officers checking tires. Meters will not be mechanically altered.

The amended ordinance would

also permit police to issue a violating vehicle separate summonses for each two-hour period parked overtime.

Currently, officers may issue only one summons per day to a vehicle parked overtime in a given space.

Most common among the all-day abusers, according to Lister, are apartment dwellers on Washington Avenue and commuters who park their cars on the main street and ride buses to work in New York.

The chief also noted that although merchants complained of limited parking, many of them are guilty of occupying prime spaces in front of their own businesses.

Lister said police department surveys revealed merchants to be among the abusers of parking spaces.

"If the ordinance passes," the chief said, "we're hoping for compliance from everyone."

Blood Test Available On June 14

The Belleville Health Department will hold a screening for diagnostic blood chemistry, for Belleville residents only, Thursday, June 14. The test is recommended for persons 30 years of age and above.

At that time, blood will be drawn by registered technicians and sent back to a lab for analysis.

Public Affairs Commissioner Michael Pizzi stated that a diagnostic computer (SMAC) will scan 23 elements with complete blood count and differential within the blood to detect any abnormalities.

The commissioner said this screening technique is only a partial indicator of an individual's state of health.

For an accurate health profile, it should be utilized in conjunction with an assessment by your physician.

It is advised that a minimum 12-hour fasting period prior to having blood drawn be observed. One cannot eat or drink anything except water during this time.

The cost of the blood test is \$5. Payments are to be made at time of pre-registration and only checks or money orders will be accepted. Please do not bring cash as payment.

Residents can pre-register at the Public Affairs building, nursing department, 383 Washington Ave., from 9 a.m. to 3 p.m., Thursday, June 7.

Any further questions you may have, please call your local nursing service at 759-0565 or 759-2832.

Girls Crew Wins Medal in Canada

By Mike Lamberti

Concluding a fabulous campaign, the Belleville girls' junior four took a bronze medal at the Canadian National championships held last weekend in Ontario. The third place finish concludes a season for the girls in which they captured a national championship at Delaware in late May and were practically unbeatable during the 1984 season.

"It was a tremendous weekend," said head coach Sam Giuffrida of the Canadian races. "We worked with borrowed equipment and raced in an unfamiliar area and still came away with a bronze medal. I can't say enough, not only for the girls, but for everyone in Canada. They were super people, they treated us so well and the entire weekend was a great success."

The girls won their qualifying heat and then took third in the finals. "We raced as a lightweight four in Canada," Giuffrida said. "That tells you the size of the boats up there. I can't tell you how proud I am of the team. They did a tremendous job."

The races were held at the Waldeon Canal, which separates Lake Erie and Lake Ontario. "There were grandstands there that held about 5,000 people," Giuffrida said. "The course was tremendous, it was the best I've seen in my years of coaching."

The defending national champions in the junior four consist of juniors Stephanie Aiello, Jackie Mele, Maureen Russo and Diane Black. Senior coxswain Elena Gilday rounds out the boat. "P.K. Kirwain High School in Canada hosted us during the weekend," said Giuffrida. "We had a barbeque with them on Sunday and the girls got a chance to make a lot of new friends. The entire experience was unforgettable."

Bob Landolfi has resided in Belleville for the last 39 years. His concern for the rising crime and burglaries to residential neighborhoods has inspired him to open his new office, Life Line Security Systems at 528 Union Ave. Bob was trained by Dynamark, Inc., the nation's leader in residential security. He reported that the most recent FBI Uniform Crime Report, released September 1981, states that over three million burglary offenses were reported in the U.S. and of those, residential property accounted for 67 percent of them. In light of the national statistics, Landolfi feels that home security at a price every household can afford is a "must" and not a luxury. He offers a free home security inspection to Belleville residents.

A new Marriott Hotel is under construction at Newark Airport. A big part of the construction is being done by DelCor Wall Systems, 250 Mill St., Larry Corbo, president.

The First Jersey National Bank of Jersey City has announced that it has agreed to purchase five branch offices now owned by Fidelity Union Bank and four branch offices owned by First National State Bank. The Fidelity Union branch at 144 Washington Ave., corner of Belleville Avenue, is amongst the nine to be purchased. The proposed transaction has been approved by the Controller of the Currency on May 11. First Jersey has a total of 70 banking offices in 12 counties. They have reported a net per share income of \$4.52 up from \$3.63 the previous year.

Good luck and best wishes for success goes out to our newest member, Plaza Men's Store at the Belleville Shopping Plaza, Franklin Avenue and Joralemon Street. Grand opening festivities will take place, Friday, June 8 at 1:30 p.m. with ribbon cutting ceremonies officiated by Mayor Michael Marotti and myself. Owners Carmine Melici and Tom Fehmie are featuring name brands such as Christian Dior, Oleg Cassini, Adolfo, Halston and others.

If you are expanding, opening a new business, office, or service shop, the Chamber of Commerce will be glad to assist you with publicity and grand opening festivities.

First DeWitt Directors Attend Convention

Henrik Tvedt, president of First DeWitt Savings, along with members of the bank's Board of Directors were delegates to the 75th annual convention of the New Jersey Savings League held in Boca Raton, Fla., according to a spokesperson for the institution.

The league, which now consists of approximately 200 member associations throughout New Jersey, held its convention at the Boca Raton Hotel and Club in Boca Raton from May 30 to June 3. Director delegates with Tvedt included Henry F. Albinston, Walter J. Davis, Herman W. Leitow, Clarence Lommerin and John L. Planson.

Tvedt and the association directors attended a variety of seminars and workshops that explored problems and solutions that affect today's thrift associations, particularly those in what is known as the Group Three category with assets exceeding \$200 million. This represented the largest segment in attendance at the affair.

Subjects examined included adjustable and/or fixed rate mortgages, the effect of the national deficit on the housing and thrift industries, new developments in banking services, legal issues, customer relations, capital adequacy, and improving visibility and services.

All First DeWitt delegates at-

tended sessions addressed by various leaders in the state and federal governments as well as officers in the federal banking and insurance boards and the league itself.

Among the speakers were Congressman Joseph G. Minish;

Henrik Tvedt

Michael M. Horn, New Jersey State treasurer; and Edmond V. Lawlor, president of the New Jersey Savings League.

First DeWitt has offices in Belleville, Bloomfield, Cedar Grove and Hoptacong.

Govel Realtors Exceed \$3 Million Sales Mark

Govel Realtors has exceeded the \$3-million mark in residential sales for the first quarter of 1984, the Belleville-based real estate organization reports.

According to Frank Perry, sales manager for the real estate organization, the 1984 sales figures represent a 25 percent increase over figures for the comparable period in 1983.

"Govel Realtors' versatility and understanding of the management market and the exceptional sales staff which we employ have made this milestone possible," Perry said in announcing the first-quarter sales figures.

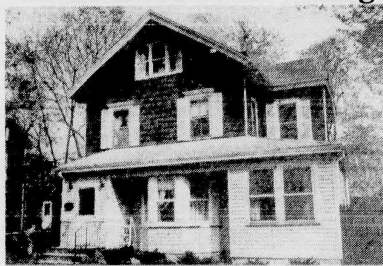

Perry said the increase in sales can also be attributed in part to the

turnaround in the residential market in the past year.

"This time last year the market was weakened somewhat by the higher interest rates and a generally sluggish economy," Perry said. "The fact that we were able to increase sales so dramatically this year is a testament to the vitality of the residential market today. And Govel Realtors has both the professionalism and the inventory to meet all the housing needs of the viable market."

Govel Realtors, 727 Joralemon St., is a member of both the Belleville, Bloomfield, Nutley, Glen Ridge Board of Realtors and the Arlington-Kearny Board of Realtors.

Hypothermia is a life-threatening condition in which body temperature drops far below normal. Although this condition has long been associated with winter cold, it can occur any time that the outside temperature is lower than body temperature, even in the summer. Drugs such as barbiturates, sedatives, tranquilizers and blood-pressure medication can make one susceptible to hypothermia by chemically resetting the body's thermostat to dangerously low temperatures. Or, like alcohol, these drugs can widen blood vessels and draw heat away from the center of the body. Receptors on the skin are affected as well, making a person less able to feel cold.

Belleville Police Chief George Lister Named Head of County Association

By Linda Telesco

George Lister is what might be called a chief's chief. The four-year head of the Belleville Police Department was elected recently the president of the Essex County Chiefs of Police Association.

"It was a real honor to be asked to serve as president," said the soft-spoken Lister during a conversation in his office at Belleville Town Hall.

A 32-year veteran of the local police department, Lister has belonged to the voluntary Essex County association ever since he became a police chief in 1980 and previously served as chairman of the group's membership committee and as sergeant-at-arms.

Composed of 22 chiefs from Essex County police departments, the county prosecutor, sheriff, chief of detectives, and other law enforcement officials, the association aims to secure closer working relationships among enforcement personnel, promote police efficiency, and improve the safety of the general public, according to the new president.

During his one-year term as president, Lister is responsible for many activities at the Essex County Police Academy in Cedar Grove, where he

already has delivered the address at graduation ceremonies.

"The association also provides instructors for the academy," he explained.

One of the important functions of the organization is to promote or oppose government legislation related to public safety issues.

"Many of the problems we discuss on the county level are also experienced by each of the chiefs on the municipal level," said Lister, noting that jail overcrowding was a particularly important dilemma for the Essex officials.

"This is not a problem we can take to the state level because many smaller counties don't have the volume and space problems we have in Essex," he explained.

Lister pointed out that with such large cities as Irvington and Newark in the county, jail overcrowding is an ongoing matter plaguing all Essex police departments.

As county chiefs president, Lister also sits on the executive board of the state's police chiefs association and serves on several state subcommittees.

"Through those positions, I make some valuable contacts and can get a picture of what police face

throughout the state," he said.

Lister said the Essex Association strongly favors legislation that would make training of special police officers mandatory.

He noted that while Belleville has some special police officers, they are not armed and do not perform duties of the regular force.

"That's not the case in all New Jersey communities," he said, citing as example resort towns that rely on their special forces to handle all the duties of regular officers when faced with overwhelming volume of tourists.

"We feel if they have that kind of responsibility, they should be fully trained to handle what any regular officer would handle," the chief said.

The association also seeks to improve the lot of police officers, particularly in favoring pension reform.

Of over 500 police departments in the state, some 200 still categorize their police officials with the municipal public employees and calculate their pension benefits on those terms.

"We want to change that so all the officers are grouped in the police associations and enjoy those benefits," Lister said.

Aiming to improve police efficiency, the new president said the association will also seek changes in the present municipal caps on spending regulations which he thinks "have an adverse effect on police equipment."

Under the spending cap laws, municipalities may not prepare a budget that exceeds their prior year's

only 155 votes here.

The Republican race for eighth district representative gave the lead to Marguerite Page with 349 votes, a wide margin over the 35 cast for challenger William R. Cleveland.

In the contest for the Essex County Board of Freeholders at-large seats, incumbent Democrats Jerome Greco and Thomas Giblin made the strongest showing with 2,133 and 1,849 votes, respectively.

Also on the Democratic party line, Adrienne Davis received 1731 votes while 1686 went to Cardell Cooper.

Republican contenders Sam Angelo and Charles Cummings led their party with 419 and 418 votes, respectively.

Bernice Davis drew 396 votes and John Collins 398 in the Republican race for the board.

The winner of the District 5 Democratic battle for Freeholder nomination was Charles W. Kucinski of Nutley with 1,346 votes. His challenger, Nicholas Nicoletta received 44 votes. Kucinski is a member of the Nutley Board of Education and is the executive officer of that township's Fire Department.

Incumbent Republican Art Clay drew an unchallenged 389 votes.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Diane K. asks: "What is root canal? Why does it have to be done and does it always hurt?"

Well, Diane, endodontics or root canal is performed when the blood supply and the nerve inside the tooth start to become infected, or if there had been an infection before and it is now abscessing.

The blood supply inside the tooth is like a one-way street. If the turn around inside the tooth at the top becomes infected, then the blood cannot return to the bottom and outside the tooth. The cells inside the tooth die and then must be removed. The removal of these dead cells is called "root canal." After the inside cells are removed, the inside space must then be filled up so nothing can leak back inside the tooth. This procedure can be done under novocaine. Once you are fully numb, there should be no pain.

Thank you.

Womb for Rent

As a little boy, we pronounced our "r" with a "w" — and so it was that a "room for rent" became a "womb for rent." Today, the phonetic sound has been given credibility by people who would play God.

In recent months, we have read of cases where childless couples have negotiated with fertile females, and through the process of artificial insemination, arranged for a surrogate mother to bear the couple's child — at a price.

More recently, through artificial insemination, a couple can practically predetermine the sex of their child.

In both cases, human beings are interfering with God's work. Soon, test tube babies will be the order of the day. Never mind the price of renting an apartment — it is the cost of renting a womb — not the dollars involved, but the morality that is disturbing.

When a couple rents another female's womb to produce a

child, we are confronted with both moral and legal problems. The moral question is simple — do we substitute ourselves for God or do we accept God's will? The legal questions could be endless. For instance, the surrogate mother at the last minute decided the keep the child. What then? Would the surrogate mother have visiting rights? As the child arrives at the age of reason, could that child demand to live with her or his real mother? But why bother to answer the legal questions. It's impossible to get around the moral question without committing a sinful act. We think there ought to be a law against the rental of a womb.

Jury Selection

In the selection of jurors, lawyers are permitted to exercise peremptory challenges dismissing prospective jurors without providing a reason for the rejection.

This jury selection procedure inherently provides attorneys for either side with the opportunity to exercise discrimination based upon race, color, or religious creed.

A plaintiff attorney, trying a case against a black defendant, could use his peremptory challenges to reject black jurors. A defendant attorney could resort to a peremptory challenge to eliminate a similar juror who might be perceived to be predisposed toward a similar plaintiff.

Obviously, involved in the jury selection system is the question of fairness. If either the defense or prosecution appears to be rejecting jurors in a

discriminating fashion, a lawyer should have the right to raise an objection with the presiding judge. The New Jersey judicial system is good, but it could use some improvement. The elimination of discriminatory jury selection is one improvement which is long overdue.

On another subject, the municipal court system should be studied. In Florida, that approach has given way to a county level judicial system. A recent experience — favorable at that — leads us to believe that a county level judicial system may be superior. It's worth a study.

Teacher Sets Record Straight

To the editor:

I would have enjoyed the opportunity to have addressed the person who submitted the editorial of May 24, 1984 but your paper failed to provide the name of the writer. This newspaper should be ashamed for allowing any person to submit misinformation, yet not providing for an opportunity to educate the misinformed due to anonymity.

Allow me to attempt to educate on the matter of the BEA "job action." The issue is not "if teachers really care" or our lack of interest in kids, etc., etc. The issue is that we teachers have sacrificed over the last eight years, which has certainly been beneficial to the taxpayers of Belleville, by accepting very low salary ranges in comparison to other teacher organizations in Essex County and in New Jersey.

Even during the high inflation years, Belleville teachers' salaries, percentage wise, were only about half of that related to the inflationary price index. At the end of 1984, our contract with the Belleville Board of Education will expire, and all we're requesting is professional consideration and fair negotiation of a new contract that will bring our salaries to a level that is equivalent to those contracts that have already been settled in other communities in Essex County. At one time salaries of Belleville teachers were at least average to above average, but today we have the dubious distinction of being at the bottom level.

Another area that needs reeducating is the fact that we are scheduled not just for 180 days, that our positions required

a college degree (plus graduate degrees), after school hours, evening work, as well as curriculum development, etc., etc. for which we are not remunerated. This is an area in which the greater segment of the public is ignorant, yet some express their opinion without having the facts.

We, as teachers, do not have to defend ourselves, nor hold ourselves accountable for every minute of the day. How many workers in industry can claim that when they go to work, they are truly working every minute from the time they arrived to dismissal? Example of a normal day: always dealing with students, hall duty, class begins, clear hallways between classes, resume another class, hall duty, study halls, 20-minute lunch period, classes, etc., etc. Heaven forbid if you have an attack of cramps and need to leave the room. I reiterate the fact that prior to anyone questioning the teaching profession, whether "name withheld upon request" or not, every person should attempt to teach school, at any level for at least one week in their lives. What a rude awakening awaits?

I also do not desire to compare my profession with other employees in Belleville because my qualifications must exceed those of the majority of municipal employees.

If municipal employees accept some 6 percent, that is their prerogative, but it doesn't automatically equate with the importance of my profession and never will.

Does the public question the exorbitant fees of doctors, lawyers, dentists, electricians, masons, repairmen (T.V.,

air conditioning, appliances, etc., etc.). In most cases, the answer is no because of the lack of knowledge of those aforementioned areas. Because the public has spent some portion of their lives in a school, they feel knowledgeable to voice their opinion, and I reiterate, "it's only an opinion."

Remember, without good teachers, "name withheld upon request" would not have been able to write his or her editorial!

I will sign my editorial reply!

Thank You

To the editor:

My family and I would like to thank all our friends and neighbors for their kindness and generosity during our time of need.

We don't know how we can ever repay everyone for everything they did for us. Saying "thank you" doesn't seem to be enough, but we don't know what else to say or do.

We feel very honored to live amongst such great friends and neighbors.

Again, may we say thank you for everything.

Sincerely,
The Arancio Family

Fire Chief Questioned Once Again

To the editor:

The following information is submitted regarding the local troublesome toxic waste problem and the questionable role Fire Chief Sbarra played in those problems.

Copies of official departmental correspondence and regulations are hereby submitted.

"To Chief Sbarra from Thomas J. Luongo, April 24, 1980. Subject: Research Organic/Inorganic Chemical Corporation, 507-519 Main St., Belleville, N.J. 07109. This is to inform you of possible fire violation which may exist at the above company. The company stores at the rear of the property 55-gallon drums with extremely flammable liquids. Would you kindly investigate. Thank you, Tom (written)."

The fire division of the Department of Public Safety did advise Mrs. Marion Pratter, owner.

"An inspection of premises known as: Research Organic/Inorganic Chemical Corp., Belleville, N.J., (cellar or what it may be) discloses that the fol-

lowing violations exist: 1) improperly stored flammable materials (Enumerate); 2) improperly stored unidentified industrial waste; and 3) mixed storage of hazardous materials.

"You are hereby ORDERED to correct said violations within ten (10) days after the service of this order. Failure on your part to do so, will result in the matter being referred to the Legal Department for prosecution. Deputy Chief R. Castellano (officer issuing order), April 29, 1980."

Section 20.4: The manufacture, storage, handling and use of hazardous chemicals shall be safeguarded with such protective facilities as public safety requires; b) The Chief of the Bureau of Fire Prevention may require the separation, or isolation of any chemical that in combination with other substances may bring about a fire or explosion or may liberate a flammable or poisonous gas. The Chief of the Bureau of Fire Preven-

tion may require separation from other storage facilities, dwellings, places of assembly, educational occupancies, railroads and public highways, when the quantity stored constitutes a material hazard. Limitations on storage quantities shall be considered with regard to proximity of these exposures and congested commercial and industrial districts.

Why did not Fire Chief Sbarra observe these clearly spelled out regulations in regards to the latest toxic waste violations?

Why does he wait until this late date before submitting his men to training in dealing with hazardous materials and toxic problems?

Jackie Rega
214 Belleville Ave.
P.S. I suggest Chief Sbarra that you stop playing politics and get down to the serious business of your job, okay?

Rockefeller Review

To the editor:

I have just finished reading "The Imperial Rockefeller," a book by Joseph Persico.

He deserves to be congratulated on the excellent quality of his writing about the order and sequence of the life of such an exceptional man. The book has a pleasant, "sovereign" style and a candid approach in relating all observations, events, even if Persico was personally involved, but above all, I compliment the author for his high sense of decency and correctness when he wrote: "As to what went on at the town house in the hour before the attack and the hour after it occurred, only one person has the answer, Megan Marshack, Rockefeller's secretary."

He could have gone further, by adding the thoughts in the minds of mil-

lions, but instead, he nobly restrained himself, held back, kept silent, and for that I admire Persico and, as Nelson's family and friends, I am grateful to him.

In answer to a congratulatory letter I mailed him, Persico said: "The Imperial Rockefeller" received highly favorable reviews in major magazines and newspapers throughout the country. Yet, there is nothing that quite matches an approving letter from a real live, bonafide reader. Thanks again for taking the time to let an author know how you felt about his book. Not enough people do."

More on Risoli

To the editor:

Does Mr. Risoli really believe that the people of Belleville are going to accept his statements about the welfare director's situation when it is obvious to almost everyone that this was a cut and dry political maneuver to appoint Commissioner Michael Pizzi's campaign manager to that post. There were 11 candidates and all were ruled out in favor of Mrs. Russo, who in Commissioner Pizzi's words is a "caring" person. Is Commissioner Pizzi saying to the Township of Belleville that none of the other candidates are caring?

Legislation is Cleaning Up Boxing

To the editor:

Boxing is booming in New Jersey. The sport is becoming a top draw at the Atlantic City casinos. The state used to attract 11 boxing cards each year...each lined up featuring several fighters. Now New Jersey is home to 10 times that number. The income and prestige are great. Regulating the sport is a nightmare.

Recently the State Commission of Investigation issued a scathing report calling for New Jersey to clean up its act on boxing.

Here's the background: The State Athletic Commission was created 53 years ago, and hasn't expanded since. It consists of seven people. That was fine

for 11 boxing cards, but for 139 cards each year, it's an impossible task. The result? Rules and regulations are broken or bent. That hurts the fighters, the sport and the state. For example, New Jersey requires every boxer to be licensed and certified "fit to fight." But any medical doctor may issue that certification. There's no standard. And regulations vary so much from state to state, there is no way boxing officials can verify the identities of fighters who present themselves just before a bout, or verify their fight records. It's no way to run a sport where unqualified participants could be hurt or even killed.

Two New Jersey legislators have a plan to change all that. Assemblyman

"Buddy" Fortunato and William Schuber have proposed restructuring the Athletic Commission, to bring boxing regulation into the 1980s. The most important feature of their legislation? Enough new money and manpower to properly manage the sport.

Boxers in New Jersey would have to carry a "fighters passport," with a current photo, medical history, and fight record. It also calls for a stronger medical advisory committee. We want to see this legislation passed.

The Garden State is fast becoming a boxing capital. Let's make sure it's a safe and fair one.

Golden Comments

By James Golden

Have you ever met someone who radiates ebullient vibrations of charm, not the mawkish sentimentality type, but that indefinable exudation of benevolence which reveals confidence and a feeling of sincerity and a determination for accomplishment in any undertaking.

We have in meeting a wonderful lady who is an experienced fund raiser with many contacts through her position as a regional public relations director for McDonald's...She is Barbara Lightner, the founder of "Joining Hands."

"Joining Hands" is a new non-profit corporation founded for the purpose of giving aid, financial assistance and moral encouragement in crisis situations to seriously ill and permanently disabled children as well as forgotten seniors.

The number one priority this year is 2-year-old Kathryn Anne Reilly of Hollidaysburg, Pa., for whom Mrs. Lightner is programming a fund-raising drive to meet a \$150,000 goal to defray the medical costs of little Katie's recent liver transplant so that she may hope to live a normal life.

Originally a small scale request for contributions was undertaken by friends of Mr. and Mrs. Frank Reilly and Katie's grandparents, who live in Nutley, N.J., in local stores and through a letter appeal published in the local newspaper, The Nutley Sun, whose publisher, Frank A. Orechio, in displaying keen interest, brought Mrs. Lightner's talent into the movement.

A live telethon is being prepared by Mrs. Lightner to be telecast June 10 from the Eighth Floor Restaurant in Nutley running from 8 a.m. to 8 p.m. on cable channels 3 and 32 covering the Essex and Middlesex County areas.

A brochure is being profusely circulated seeking sponsors, donations and products to raffle. Talent celebrities and sports figures are sought — with one month to achieve the \$150,000 drive goal. Sponsors for printing and materials are also looked for.

Pledges or donations payable to: "Joining Hands, Inc.," P.O. Box 724, Old Bridge, N.J. 08857. All inquiries phone (201) 591-9581, Barbara Lightner, P.O. Box 724, Old Bridge, N.J. 08857.

The reverse side of the brochure explains the purpose of "Joining Hands, Inc." and its projects, such as "Giving Thanks," which prior to Thanksgiving, seeks out the most deserving and loneliest seniors sought throughout the state and holds a banquet in their honor.

"Giving Holiday Cheer" is a holiday season party for seriously ill or permanently disabled children with trips and prizes distributed.

"Giving Spring Joy" is a day of fun for all handicapped children in wheel chairs or amputees at a huge egg hunt with bunnies and all the trappings of the Easter season.

"Giving the Gift of Love...Life" is undertaken to educate people about organ donations and transplants. The children that will benefit under this program will be transplants, amputees, seriously ill, without regard to age, race, color, national origin, handicap or sex. As long as there is need and it is brought to the attention of "Joining Hands," it will consider the individual to the best of its ability.

The year, 1984, we pledged to assist in raising \$150,000 for a liver transplant for 2-year-old Katie Reilly...Won't you help put this worthy fund-raising telethon over the top? Mrs. Lightner takes pride in the fact that 100 percent of funds contributed to "Joining Hands" for Katie go directly to pay her medical bills.

Being a Trustee is Lonely

One of the funniest sights — which isn't really funny at all — occurs often at Board of Education meetings.

After beginning the weekly Monday meetings with the flag salute and moment of silence, Mrs. Grace Purdue, president of the board, asks if there are any remarks to be made by citizens present.

And then comes the funny part. Because nothing happens, just silence.

You see, reporters are supposed to remain neutral at meetings and not make comments or ask questions until the session is over. And since there is usually no one else in attendance, things can be pretty quiet. What a sight — an editor, seven trustees, three administrators, an attorney, (maybe one parent or two) and a bunch of empty chairs.

Now tell me, what is so funny about seven dedicated trustees devoting their energy and time, talking among themselves in a room full of empty chairs?

I'll be the first to admit that many times the meetings can be drawn out and downright boring. But as parents and taxpayers, I would think the public would be interested in the action these people take. They're spending your money and are directly responsible for your child's education.

I guess you have to assume if the public doesn't attend the board meetings, it must be content with the job trustees are doing. But if that is the case, then why was the budget defeated last April? In fact, only a handful of residents attended the several board presentations conducted in March.

I would say it is an excellent guess to predict more than 85 percent of the parents of school-age children in this community have never attended a School Board meeting. Trustees have encouraged the public to attend. They want your input and comments.

So, how come no one is willing to give any?

The New York Legislature made a foolish decision last week by defeating a measure which would have increased that state's drinking age from 19 to 21.

It will be a decision which will cost both New York and New Jersey lives, since our state has a drinking age of 21. What the New York As-

sembly did was encourage New Jersey youths to travel over to the Big Apple and drink and then head back home on the major freeways after a night of partying.

Another frustrating aspect of the defeat is that if New York would have pushed the drinking age up, most likely neighboring Connecticut would have followed suit. At the present time, Connecticut's drinking age is 20.

If you look at stats involving accidents in the Garden State both before and after the drinking age was increased, I am sure it will show a remarkable decrease. Studies throughout the country have come up with the same conclusion — don't allow youngsters to drink and drive.

So why is it that the New York Assembly defeats such an important measure?

Hopefully with pressure from New York Gov. Mario Cuomo and New Jersey Gov. Thomas Kean, the Assembly across the river will take another look at the bill during the next session.

If increasing the drinking age in New York would have saved just one life, it would have been worth it.

Once again the annual Raymond O. Smith Scholastic Awards dinner, presented at Belleville High School last Wednesday, was a delightful event. Thirty-eight scholarships and awards were presented to students, honoring them for their high

academic and athletic achievements during their high school careers. It is very encouraging to see the youth of this community honored by their teachers, parents and friends.

The answer to last week's Trivial Pursuit question: "What is the most popular cocktail in the U.S.?" A martini. The question for this week comes from the category of sports and leisure: "What are the six murder weapons in the name of Clue?"

Judith Morkevich, Theodore Bargstadt Will Be Married

Mr. and Mrs. Thomas E. Morkevich of Nutley announce the engagement of their daughter, Judith Ellen, to Theodore I. Bargstadt of Belleville, son of Mr. and Mrs. Theodore Bargstadt of Morris Plains.

The troth was made known Easter Sunday. The wedding will be held this autumn.

Miss Morkevich, an alumna of Nutley High School and Bloomsburg College, Penn. and Mr. Bargstadt, an alumnus of Parsippany Hills High School and Upsala College, East Orange, are employed by ITT Avionics Division.

Mrs. W.D. Clark Receives Award As Playwrite

Mrs. W. Douglas Clark, chairman of the fine arts department of the Woman's Club of Belleville was awarded a distinguished and seldom bestowed honor as a playwrite at the New Jersey Federation of Woman's Clubs convention held this month at the Americana Hotel, Great Gorge. She was awarded the Bea Rothwell gold medal for her original one act play, "Dear, Dear Aunt Jane."

Rothwell, a noted New Jersey playwright for 23 years, has encouraged and fostered the difficult art of playwriting. She was unable to attend the presentation and Mrs. Lee J. Malasky, president of the New Jersey Federation of Woman's Clubs, made the announcement and personally honored Clark.

Clark is a writer, drama director, actress and painter. Her original monologues, plays and skits have been given at her church, clubs and district drama festivals. Her paintings have been exhibited many times and she has achieved many awards in the field. Her latest exhibits were at the Belleville Public Library and at Bloomfield College.

"Dear, Dear Aunt Jane" was originally presented at the Belleville club's annual luncheon last October and then submitted to the Federation for judging. The drama department of the Belleville club, under the direction of Mrs. Lorena Clark, enacted the play in its debut.

Update on Area Residents Serving in the Armed Forces

Sgt. 1st Class Patrick Zicaro, son of Mildred Zicaro of 244 Belmont Ave., has been decorated with the second award of the Army Commendation Medal at Fort Bragg, N.C. The Army Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Army.

Zicaro, a communications system specialist with the 1st Corps Support Command, is a 1961 graduate of Belleville High School.

Airman Beverly A. Dellapenna of 134 Linden Ave., recently entered the Air Force delayed enlistment program. A 1984 graduate of Passaic County Adult Learning Center, the airman is scheduled to leave for basic training at Lackland Air Force Base, Texas, Sept. 10 and will receive technical training in the jet engine mechanic career field for which transferrable college credits will be awarded.

Pvt. Crisostomo S. Miranda, son of Edmundo R. Miranda and stepson of Fe T. Miranda of 29 Van Rensselaer St., has completed basic training at Fort Knox, Ky. During the training, students received instruction in drill and ceremonies, weapons, man reading, tactics, military courtesy, military justice, first aid and Army history and traditions. Miranda is a 1982 graduate of Jose Abad Santos High School, San Fernando, Philippines.

Navy Seaman Kathleen E. Sorge, daughter of Catherine H. Sorge of 52

Little St., has reported for duty at the office of the Chief of Naval Operations, Washington, D.C.

Navy Airman Recruit Michael S. Conklin, son of Mr. and Mrs. Chester C. Conklin of 123 Bremont St., has completed recruit training at the Naval Training Center, San Diego, Calif. During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields. During their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in physical education and hygiene.

Airman Fabian A. Mendoza, son of Mr. and Mrs. Carlos A. Mendoza of 141 Beech St., has participated in Global Shield 84, an exercise involving U.S. Air Force, Air Force Reserve, Air National Guard, Navy and Marine Corps units and elements of the Canadian forces. The exercise, coordinated by the Air Force Strategic Air Command, was designed to enhance readiness and the ability of SAC to carry out orders should deterrence fail.

Mendoza is a vehicle operator and dispatcher with the 44th Strategic Missile Wing at Ellsworth Air Force Base, S.D.

Marine Pfc. Charles P. Auriemma, son of Mr. and Mrs. John V. Auriemma of 80 Mount Prospect Ave., has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C. During the 11-week training cycle, he learned the basics of battlefield survival, was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines. He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Middle School Dance Raises Donation For Statue of Liberty

Approximately 200 seventh and eighth grade students attended a dance April 6 at Belleville Middle School. Sponsored by Mrs. Kathy Mazur, it was held to raise funds for the restoration of the Statue of Liberty. Proceeds from tickets and food totaled \$250.

The red, white and blue tickets were printed by Mr. Hudak in the school's print shop and were sold to students for \$1. Disc jockey Mr. Hollis played all the latest hits and some breakdancing was exhibited. Miss Miele's decorations sparkled around seventh grader Ketan Gima's painting of the Statue of Liberty.

Mrs. Mazur received a letter from co-chairmen Lee Iacora and Gerald Ford thanking them for their donation. A certificate of recognition accompanied the letter. In addition, a permanent marker will be exhibited at the Statue naming all who contributed to its restoration.

Scott W. Watkowski, son of Mr. and Mrs. Stanley Watkowski of 37 Davidson St., has completed recruit training at the Coast Guard Training Center, Cape May. During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training leading toward qualification in one of the Coast Guard's 26 basic occupational fields.

Army Spec. 4 Alan R. Moore, son of Helen D. Moore of North Caldwell and Robert I. Moore of Tampa, Fla., has arrived for duty in Schweinfurt, West Germany. Moore, a fire-control systems repairer with the 3rd Infantry Division, was previously assigned at Fort Riley, Kan. His wife, Lena, is the daughter of Cathy Huggins of 98 Grexlock Ave.

Marine Pvt. Joseph Marino, son of Mr. and Mrs. Gerardo Marino of 12 Fairway Ave., has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C. Umberto's Corner

Dear Umberto:

There is a man here I have been thinking of for a while at the same place. My eyes were full of tears every time they pulled each strand through the cap.

The last two times, I asked my hairdresser if there was another method besides the cap. He said, "Yes, with foil." So I tried the used foil but it was not satisfied because neither was the frosting even nor did it reach the roots. Knowing your vast experience, I am asking you if you know any other method. I liked the results better with the cap!

Yours, Unhappily Frosted

Dear Umberto:

There is a method if you want to go back to the cap. It is my own technique, and since your letter is so charming, I am passing this technique on to you. I don't believe in using foil.

Let your stylist comb your hair the way you usually wear it then put aluminum powder all over your head and cover with a plastic bag. Proceed as usual. You'll see, although it seems foolish, this method works. I had to see girls crying. This why I developed this method.

The Boys Who Served Our Country

Silver Lake Gang Stuck Together During War

By Ed Capparucci

Going to war is a frightening, depressing and often lonely experience. But for the Belleville men who served in the 114th Signal Radio Intelligence Company during World War II, loneliness was probably the last thing many of the veterans had to deal with.

Inducted into that squad in October of 1942 were 28 Belleville men, all from the Silver Lake section of town.

"There were 300 men in our out-

fit and many from the Belleville, Nutley, Bloomfield and Newark areas," said Michael Accunzo, who served with many of his buddies during the fighting of the war in Europe. "It was very usual that so many men from one area of town would start at bootcamp together and stay in the same company throughout the entire war."

The men began their Army careers at a training camp in Missouri called Camp Crowder. They spent three months there getting the basic instruction needed and then moved on to Tennessee for maneuvers.

It was in January of 1944 that they crossed the Atlantic to join in the fighting, landing in England and then heading to France.

"It was frightening going over to Europe where the fighting was taking place," said Accunzo, who served as a radio operator and truck driver for the 114th Company. "One day we are growing up on the streets of Silver Lake, and the next thing you know we are over in Europe fighting for our country."

During their campaign in Europe, the men took part in four major battles, including the one in Ardennes, better known as the Battle of the Bulge which started Dec. 16, 1944.

"That one was the worst of all," said Accunzo. "Our unit had pulled back about 25 miles from the

fighting so we were not to close, but the snow was bad. There were so many dead GI's, they were just piling them up. It was a terrible sight."

Other battles which the unit took part in included one in Northern France during August of 1944 and Central Europe in September of 1944. The last battle they took part in was Rhineland in April of 1945.

It was in October of 1945 that

the unit came back home and the men received their discharge.

"We were all very, very happy to finally get home after spending all that time in Europe," said Accunzo. "And the remarkable part about it was that everyone from our area came home alive. We lost just one person in our entire unit. So we had to consider ourselves very lucky."

Although some members of the fighting unit have since passed

away or moved, Accunzo still runs into one of his buddies occasionally.

"A lot of us became very good friends during our three years together," he said. "And I still keep in contact with some of them every now and then."

The following Belleville men belonged to the Signal Radio Intelligence Company: Joseph S. Cenero, Jerry Longo, John T. Ciallella, Patsy Costello, Samuel Ian-

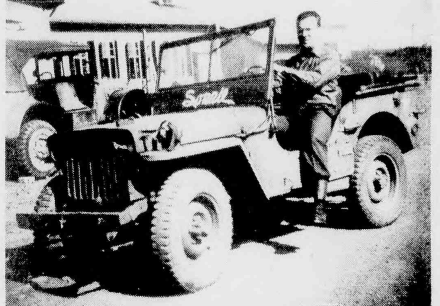

nelli, Frank J. Marotti, Robert W. Engel, Wallace J. Bell, Samuel DeCesoli, Louis F. Labadia, John C. Pico, Jesse Revell, Maurice L. Tupman, Salvatore V. Cocco, Anthony DiMeo, James J. Dolan, Ralph Milano, Domenic Piccolone, Eugene G. Barnett, Sam J. Cifrodello, Peter G. Fazio, John Fiscello, Earl C. Hathaway, Fred W. Issets, John H. Keiferdorf, Peter G. Tobia and Thomas McFadzean.

Buddies — Michael Accunzo (r) poses with Belleville buddy while at a rifle range at Camp Crowder on March 17, 1943. The soldier of the 114th Company, received their training there, before going over to Europe.

They Stuck Together — Some of the Belleville boys from Silver Lake, who became members of the 114th Signal Radio Intelligence Company, posed for this photo in March of 1943 while at Camp Crowder. All of the boys came home after fighting in Europe.

On European Soil — Jack Keiferdorf, who grew up in the Silver Lake section of town, posed for this photo while in Allendorf, Germany, during September of 1945. One month later the boys returned home to Belleville.

Belleville Artist Creates Logo For State's Coalition of the Arts

Robin Meldrum, a 1979 graduate of Belleville High School and currently a senior at the Newark School of Fine and Industrial Art has won the honor of creating the permanent logo design for the Coalition for the Arts and Humanities in New Jersey.

Her graphic design was chosen by the CAHNI committee headed by its president, John Johnston, from the more than 60 design solutions which were submitted by the professional art school's advertising students.

Winning awards is something Robin does often. In fact, she has an enviable record of achievements for an art school student. In addition to the CAHNI logo, this 22-year-old artist's design has recently been chosen to become the new Essex County flag. The new flag was selected by a committee headed by

Essex County Executive Peter Shapiro and is soon to be presented to the Board of Freeholders. It features the official county seal in blue with red letters on a beige ground flanked by bright wedge-shaped blue.

As early as last year Robin began to show her facility to create winning designs when her poster was chosen by Essex County Parks Department officials to publicize a benefit concert for the Turtle Back Zoo, given by the New Jersey Symphony. The poster featured a pair of giraffes with a musical motif.

Robin has been doing free lance artwork to support herself for most her three years at the Newark School of Fine and Industrial Art.

"I can't remember a time when I didn't want to become a professional

artist," Robin readily admits, "and although I'd like to begin my advertising career on the staff of a large New Jersey or New York based company, my ultimate goal is to head up my own graphic design studio someday."

The Newark School of Fine and Industrial Art offers free logo design services to non-profit agencies in this state which are not funded for artwork. For information on this unique service, such agencies should contact Ms. Diane Terhune at the school, 550 Dr. M.L. King Blvd., Newark, N.J. 07102.

N.S.F.I.A. is currently accepting applications for fall of 1984. Interested high school seniors and graduates may contact the school at 733-7390 between the hours of 8:30 a.m. and 2:30 p.m. for information.

'Hot L Baltimore' Tomorrow At Nutley's Little Theatre Barn

Nutley Little Theatre's final production of the season, "Hot L Baltimore," will open tomorrow at 8 p.m. at the NLT Barn, 47 Erie Place.

Directed by Lee Guest-Moore of Glen Ridge, the Lanford Wilson comedy-drama deals with the relationships among the inhabitants of the fading Hotel Baltimore. The director cautions that the subject matter of the Obie Award-winning play is intended for adult audiences.

Included in the cast are Nutley residents Lin Weber-Cort, Joyce Getting, Terry Chalk and David Hall; Betty Rovel of Belleville; David Bimbi and Greg Dowling of Bloomfield; Marie McMurrer of Montclair; Mike Magnifico of East Rutherford; Ray Dreeman of Kearny; Trish Maloney of Jersey City; Mary Kate Toomey of West Caldwell; Elsie Kelly of South Somerville; Stewart O'Hara of

Lyndhurst and Larry Shagawat of Clifton.

Besides tomorrow evening's opening, performance dates are June 9, 15, 16, 17, 22 and 23. All shows begin at 8 p.m., except for June 17, which is a 3 p.m. Sunday matinee. Call 667-0374 for ticket information and reservations. The Little Theatre Barn is located on Erie Place, off Brookfield Avenue and adjacent to Yantacaw School.

Promising Artist — Robin Meldrum, a 1979 graduate of Belleville High School, proudly displays her winning logo design for the Coalition for the Arts and Humanities in New Jersey. Present with Robin are: John Johnston, president of the coalition; and Diane Terhune, graphic artist and instructor at the Newark School of Fine and Industrial Art.

Let Saint Peter's College
Make a Unique Difference in Your Graduate Education this Summer

A typical dictionary definition of the word "unique" is "that which is without like or equal, unmatched, rare." And if you would look carefully at many college advertisements, you would probably see that at least some of them claim that they are indeed unique.

At Saint Peter's College, we don't really claim to be unique, but we do think that we are rather special. Our Graduate Program in Education is staffed by sensible, realistic, experienced professionals who take the time to sit and talk with students on an individual basis. We'll discuss your career goals and match our classes to them. That way, you know that you are getting that special attention that will lead to your satisfaction and your career goals.

Our Graduate Program in Computer Science for Educators is the only one of its kind in the state of New Jersey. That might qualify us as unique, but we would rather call ourselves just a little special and maybe a step ahead of the rest of the pack. We hope that you'll give us a call and then we can tell you how special we really are.

Besides our program in Computer Science, we offer Degree Programs in Administration and Supervision, Reading Specialist, Teacher of Math Certification and other Certification Programs.

FLORLIFT RESIDENTIAL WHEELCHAIR LIFT WITH TRAPDOOR

APPROVED BY INSURANCE COMPANIES

Time Payments Available

Florlift at first floor ready to descend

Florlift is now halfway down. Trap door will open and close automatically.

Florlift has now arrived at the lower level.

The FLORLIFT is one of the safest, easiest to operate, and most inexpensive methods of raising a wheelchair from floor to floor. Its fail-safe construction, maintenance-free features, and extremely low-cost make it a primary installation necessity in new and remodeled residences where a wheelchair must be used.

- FLORLIFT is designed to raise a person in a wheelchair from basement to 1st or 2nd floor.
- FLORLIFT can travel from first floor to basement or to second floor, at 15 feet per min.
- FLORLIFT is custom-built to fit your specific and individual requirements.

FLORLIFTS are manufactured in various models for all residential, commercial, and industrial uses.

If you have a friend or relative that is now using a wheelchair and finds it difficult getting in and out of the house, please send this ad to them.

Girls Crew Wins Medal in Canada
(Continued from page one)

The girls flew to Ontario on Friday afternoon and returned home late Sunday night. In between, they raced some very stiff competition and came away with a very impressive performance. "The entire season was a rousing success," continued Giuffrida, "however, it would not have been that good had it not been for the work of Scott Fabian, my assistant coach, who works a great deal with the girls. Scott deserves special praise, his work with the team made this all possible. He did a very good job."

Future Events

June 15 (Fri.) 8 p.m. Belleville Chamber of Commerce will host a dinner to honor its past presidents. - Knights of Columbus Hall, 94 Bridge St. Tickets are priced at \$20 per person and the reservation deadline is June 1. For tickets or information call 759-4848.

OBC Telethon For Katie Reilly On This Sunday

A telethon to benefit baby Katie Reilly will run on OBC Cable Television, Channel 36, this Sunday, 8 a.m. to 8 p.m.

The program will originate from the Nutley Manor Restaurant, 800 Bloomfield Ave. and will feature an orchestra, a live audience and special guest stars, sports personalities and entertainers. Scheduled to appear are Rocky Graziano, Bobby Rydell, Tony Stevens, Angela Baccari, Charlie Stoddard of the Uncle Floyd Show and Shari Stone, daughter of the Kirby Stone Four.

The public is invited to attend the telethon. Telephone lines for donations will be open during the 12-hour program. Call Carbone at 284-0810 for more information.

Soccer Association Holding Tourney

The Belleville Soccer Association is sponsoring a spring tournament in coordination with Mayor Michael Marotti at the Belleville High School stadium. The tourney is in its second week and has seen some excellent games by the teams involved.

Clubs from Belleville, Newark, and Harrison, among others, are competing in the tourney. Regular scheduled games will be played June 9 and 10 from Municipal Stadium.

The ages are 8-9 (Division 5) and 12-13 (Division 3). Games are played at the varsity football field and the public is invited to watch the young soccer players in competition. "The finals" will be played on Sunday morning, June 17, starting at 10 a.m.

"The contacts that fit your budget may not fit your eyes."

These days you can pay just about anything you want to for contact lenses. And most places can have you in and out in no time.

At Pearle, we're not an assembly line. We won't stamp out your contacts and take your money while you take a chance.

Our doctor of optometry will make sure your contacts are right before you walk out our doors. And we'll provide follow-up service until you are completely comfortable with them. When it comes to your eyesight, can you really afford anything less?

HEALTH WISE

By Ralph J. DiMaio D.C.

High-powered executives may be inclined to treat their ulcers as a status symbol but nobody enjoys the misery an ulcer can cause. Stressful situations are credited with causing the secretion of excess stomach acid and the resulting ulcers.

The level of stomach acidity is regulated by the nerves which supply nerve energy to control the stomach. An uninterrupted flow of nerve energy is essential in the maintenance of the proper amount of acidity.

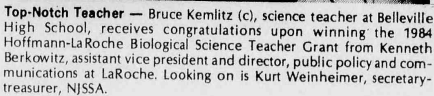

Chiropractic can discover and correct the subluxation that irritates the nerves. When normal control over stomach acidity is restored, ulcers disappear.

Grand Union has changed!

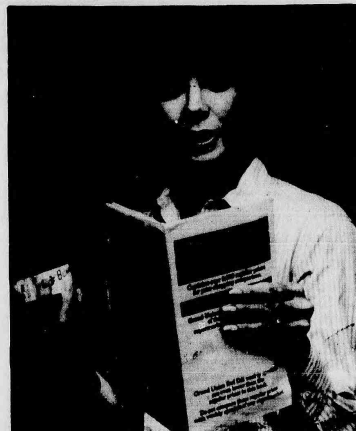

Grand Union has lowered regular prices to match the lowest price supermarket chain in your community. Prove it yourself. The Grand Union Consumer Price Finder, with a weekly listing of over 9000 regular prices is free at every Grand Union store. You can check any supermarket with it.

Red Dot Specials are not in the Price Finder, but they are in the store.

Our Specials are based on our Buyers and Merchandisers getting especially good deals so they can sharply reduce prices. They move fast for the best prices and put on specials immediately, so we can't list them in the Price Finder.

That's why we show these Red Dot Specials in our ads, and mark them with Red Dot signs in the store every week.

Team Finishes 16-9-2; Second in NNJIL

Hard Work by LaConte, Seniors Revives BHS Baseball Program

By Mike Lamberti

Back on December 29, 1983, a mock story appeared in *Buc Shots*, portraying how Ralph LaConte would be fired, rehired, fired and rehired again by George Zanfini in a Yankee land type of story. The column, of course, was just in jest, but LaConte didn't forget it. "Do I still have my job?" LaConte would ask as the season progressed. "I don't want George to get mad at me."

After the 1984 season, even George should be happy. The Buccaneers, coming off a tough 8-17-1 season in 1983, posted a very impressive 16-9-2 season this year, highlighted by a second place finish in the NNJIL, advancement in the Greater Newark Tourney and in the state tournament.

"There were commitments made by the coach and returning seniors, a commitment to turn the program around," recalled LaConte. "It started with the Legion team last summer and continued this spring in practice. The kids wanted to turn it around, especially the seniors. There was a complete attitude change, a

complete overhaul in every phase of the game."

The "new" Buccaneers were a determined team, they weren't going to lose without a fight. Last season, they took their lumps, lost a host of one and two run ball games, but gained a great deal of valuable experience. "The kids came out hungry this year," said LaConte. "We took our experienced seniors, added some talented sophomores and juniors and went to work. I was working to build a program, not only for this year but for the years to come."

The early stages of the season weren't too smooth. Belleville was just 2-3-2 after seven games when LaConte called a team meeting. "We made a few changes, we began to believe in ourselves," LaConte said. "After that, we began to roll."

From a 2-3-2 record, Belleville romped to five victories in a row, scoring 51 runs in those five games and jumping to 7-3-2. It was there that the confidence began to build. "At that point," the coach recalled, "the kids went on the field believing they could not lose."

Belleville's worst loss during the season was a 4-0 setback to Nulley in the quarterfinal round of the GNT and an 11-7 loss early in the campaign to Essex Catholic. It's season came to an end with a 5-4 heartbreaker to Livingston in the second round of the Group IV, Section II playoffs.

Frank Tursi led the way. The senior was unbelievable in the offensive categories. He had 36 hits, two triples, 30 runs batted in, scored 28 runs, was ten for ten in stolen bases, had a .424 batting average, a .588 slugging percentage, two game winning ribbies and a 1,000 fielding percentage in right field. On the mound, Tursi was 5-5, with a 2.49 earned run average. He struck out 70 batters in 64 innings and walked only 17. "Frank pitched in the tough games," said LaConte. "He had an excellent season, he led the team in seven offensive categories."

Tursi, who batted .275 last year, is joined by a number of dedicated seniors. Anthony Lombardi, a senior catcher, hit .303, with 89 at bats and eight doubles. His defensive play was outstanding and his all around hustle and determination were a main reason for the Bucs success. Lombardi had a fine campaign in 1983 and will go down as one of the best catchers in school history.

Shortstop Joe Borrello, a .304 hit-

ter last year, batted .330 with a team leading 20 walks, an on base percentage of .526 and 27 hits. Borrello had 61 assists in the field and a .930 fielding percentage. "Joe hit a very quiet .330," said LaConte. "I don't think too many people realized how well he hit."

Centerfielder John Guarino, another senior, batted .300, was seven for seven in stolen bases and had four game winning runs batted in. "I would say that John was one of the better defensive centerfielders in the county," praised LaConte. "He did a very strong job for us."

The same can be said of Brian Cook. The senior first baseman, who did not play last season, finished with a .984 fielding percentage, led the team with seven sacrifices, had two game winning ribbies and chipped in with a .245 batting average. His defense was his forte and it earned him second team, NNJIL Division II honors.

Third baseman Joe Mullaney, who came to the varsity after that 2-

3-2 start, finished with a robust .338 average and tied for the team lead with three homers. Mullaney tied Guarino with four game winning hits and added four doubles and 20 runs batted in. Mullaney, a junior, should be an integral part of next seasons team.

Sophomore Dave Long began the season in leftfield and ended it in leftfield. In between, Long played a very steady outfield and was very impressive at the plate. He hit .350, had an on base percentage of .530, tallied three homers, a fielding average of .967, seven doubles, one triple, 13 runs batted in and was two for two in stolen bases.

Sophomore Mark Palumbo did a good job on the mound. He finished with a 4-2 mark, a 4.45 ERA and according to LaConte, "Has a world of potential." Palumbo pitched in some big games this year and showed the ability to handle varsity pressure. He should be very good next year.

The same can be said of John (Please see "Sluggers" on page 13.)

Young Linksters Finish At 11-5 Under Colucci

When Rocco Colucci writes his memoirs one day, he will probably look back to the 1983-84 school year and reflect on the success the teams he coached came through with. During the winter months, Colucci coached the Belleville suburban basketball team to an 18-1 record and the championship of the league.

This spring, working with a young and inexperienced golf team, Colucci led the Buccaneers to an 11-5 campaign, good for second place in the NNJIL. That's not bad for a "rebuilding" team, but Colucci realizes that there is plenty of work ahead. Colucci's next goal was a bit easier, and thankfully, just as pleasant. His wife, Arminde, gave birth to the couple's second child, a boy, last Wednesday. The newest Colucci is named Steven and joins his 2-year-old brother, Anthony. "I've got a backout now," said Colucci of his two sons. "I've also got a threesome for golf as well."

It's been that kind of year for the personable Colucci. The golf team was not expected to perform that well this spring. Past records of 8-2, 9-4 and 10-5 last season seemed very

difficult to top, but this year's 11-5 campaign even surprised Colucci. "I really didn't expect this kind of success," he said. "The record was very good, but our scores weren't as good last season. We have a young team, the key is to improve during the summer months. The kids have to keep on playing, continue to improve their game. A lot of the teams we faced this season were also in the stage of rebuilding. Next year they will be a lot tougher. The question is, will we be as good?"

The Buccaneers lose just one senior to graduation, but he will be a very difficult man to replace. Jimmy Apple, a four-year player, was a model of consistency this spring. "He's worked tirelessly on his game," noted Colucci. "During his four years here, he's won about 40 matches against some very good golfers. I can't say enough about him. He's a hard worker, a dedicated athlete, a super person to be around, just fantastic. I'm really going to miss him because he's been with the team as long as I've been coaching

(Please see "Golfers" on page 13.)

Annual Belleville Lift-A-Thon This Saturday for Football Team

The annual Belleville High School football Lift-A-Thon will be held this Saturday morning at the Municipal Stadium weight room, starting at 10 a.m. It is the third annual event for the BHS football team and head coach John Senesky is expecting a good turnout.

"We had candidates' night last Friday and about 90 athletes turned out," said Senesky. "We're expecting a strong turnout, it's become a very popular event."

Last June, Michael Murphy was the top weight lifter at 315 pounds for three repetitions. He was followed by Steve Tribuna (300), Mark Walsh (295), Dave and Bob Mozeika (285), Dom Di Palo, John Oliveri and Anthony Torromero (270), Anthony Gizzo (260) and Steve Kimble (240).

The purpose of the Lift-A-Thon is to make Belleville citizens and fans more aware of the weight training program that Belleville has. Through the years, the Buccaneer weight program has drawn excellent reviews

from local newspapers and from other schools. Since Senesky added the idea of steady weight training, Belleville has improved drastically in the standings. "Weight lifting has a lot to do with our success," Senesky said in an article that appeared in the *Star Ledger*. "A stronger athlete is a better athlete. We have a program of four lifts (clean, press, squat and bench press) the kids are on. Last year (1982), 10 kids lifted five times their body weight for the combined lifts. This year, 19 kids did it, and our record has improved every year."

The Bucs' record since 1978 speaks for itself. Last year, Belleville posted a 6-3 mark, in 1982 it was 8-1, in 1981 the Bucs were 7-2, and from 1980 through 1978 the records read 8-1, 8-1 and 6-3. Also included are three playoff appearances (1979, 1980 and 1982) and an appearance in the state championship game in 1980.

In order to sponsor an athlete in this year's Lift-A-Thon, a sponsor

must pledge at least a penny a pound for the number of pounds a player can bench press for three repetitions. No sponsor will be required to pay more than \$5, even if the pledge is greater than this amount. All sponsors will receive a 1984 Belleville football bumper sticker.

Senesky also announced that Phil Galiato has joined his coaching staff for the 1984 season. Galiato was a 1959 graduate of Belleville High School and later attended Florida State University. Galiato will join Joe D'Amola, Michael Welsh, Genaro Russo and Russell Pagano for the 1984 season, although that list is not yet complete.

Anyone interested in sponsoring an athlete can come down to Municipal Stadium on Saturday morning and give their pledge. Coach Senesky and the entire staff will be more than grateful and the program will receive a big lift as the 1984 campaign slowly creeps up on the young athletes.

Top Athletes Selected for Month of May

By Mike Lamberti

It seems the older you get, the faster the years go by. The 1983-84 school year seemed to whizz by in record time and now, with the date June 7 and graduation day rapidly approaching for a number of BHS seniors, this seems a good time to pay homage to a few seniors who made such a big impact on the sporting world this year.

Dina De Aquino, Tracy Bruno, David Boyd, Billy Baber, Herb Petrat, Jimmy Apple and Mark Foley are the Belleville High School athletes of the month for May. They receive this recognition for being seniors at Belleville High School and for also contributing to the sporting program at BHS for the spring season.

All of these athletes are superior students as well. De Aquino, a letterwoman in tennis, basketball and track, is on the verge of completing her softball pitching career. During her tenure on the mound at BHS, Dina won over 50 ball games and set every conceivable pitching record there was. She led the girls to two straight Essex County championships, an NNJIL crown and countless victories, many in the exciting manner.

Words cannot begin to describe the class that this young lady possesses. Having first met her back in December of 1980, I had the opportunity to watch her grow into a very disciplined athlete with a lot of enthusiasm and a never say die attitude. A charming young lady with an infectious smile and a nice word to say to

everyone. De Aquino is the type of athlete that will always be remembered in the annals of BHS sports. She has an excellent rapport with the younger players and has picked up a great deal of respect from her peers. I'm sure I speak for her coaches and friends when I say that she will be missed. A person of her quality is very hard to replace.

Buono, well what more can you say. A straight "A" student, on her way to the Ivy League, a phenomenal catcher, a good basketball player and strong volleyball performer. She is the president of the National Honor Society, a young lady who won the Armed Forces Citizen ship Award and the Hoffmann La Roche award. Her future goal is to be a doctor. Tracy has nothing but the highest respect from her coaches, teachers, friends and opponents. She is a very well spoken individual, well beyond her 18 years. As in the case of De Aquino, the word class best fits her, and once more, replacing her will be a monumental task, to say the least.

Mr. David Boyd has been a part of the sports scene since his freshman year. Boyd is an outstanding basketball player and a very good tennis player. In his senior year, he was the captain of the basketball team and was the first singles performer for the rapidly improving tennis squad. Facing some of the best competition in the state of New Jersey, Boyd posted an outstanding record and the improvement from last year to this year was remarkable. The

improvement came because of hardwork and discipline, something that Boyd is used to.

His work in the classroom speaks for itself as well. A top student, near the top of his class in the final rankings, Boyd is also looking at a number of academically strong colleges next fall. He was the winner of the Armed Forces Citizenship Award, along with Buono, and should do very well on the collegiate level. His basketball coach, Joe Papisidero, had nothing but the highest praise for Boyd. "He was a super leader, a man with a lot of class and a person who kept the team together for the season."

The Bucs went through a rash of injuries this season, but Boyd, who separated his shoulder but didn't miss a game, was the glue that kept the team together. Near the end of the season, he suffered a bad ankle sprain, an injury that was supposed to keep him out for the rest of the season. Just three days later, Boyd was back in the lineup and played a phenomenal game in the Bucs final contest with Kearny.

Billy Baber, a fine football and baseball player, showed remarkable improvement during his high school career. The senior, once again a top student, teamed with Mike Murphy to form a tough backfield this season. Perhaps Baber's biggest thrill of his high school career came in 1982 when he scored the Bucs only touchdown in a 12-7 setback to Union in the Group IV, Section II playoffs.

His senior year was a model of consistency. In a big contest at Montclair, Baber caught a ten yard touchdown pass from Mark Walsh to account for the Bucs only score. He was an excellent pass receiver and finished his high school career with a strong showing in the Kearny game.

The spring saw Baber play second base for Ralph LaConte and the baseball team. Although he did not possess a big bat, Baber was a good defensive player and was very smart on the basepaths. He shared the position with Dean Siernik and both men seemed to improve with the competition.

Herb Petrat, a strong second singles player for the Buccaneer tennis squad, was a mark of consistency during his four years on the courts for BHS. A fine team player, Petrat came through with some big wins during the course of the season and teamed with Boyd to form a good one-two punch. Petrat, once again, is a fine student and a very dedicated athlete. His four years of involvement with the tennis team, especially during the team years of 1981 and 1982 is a tribute to his dedication. Petratt's younger brother, Jim, a sophomore, appears to be carrying on the fine Petrat tradition in tennis. He played a fine third singles this year and could be the number one man next spring.

Jimmy Apple was a coaches delight. His head coach, Rocco Colucci, had nothing but the highest praise for the senior linkster. Apple, playing at the number one position for the Buccaneer

golf team, compiled a very impressive record battling some of the best golfers in New Jersey. His consistent play was a main reason for Belleville's surprising 11-5 record. "What can you say about Apple," questioned Colucci. "He's a super athlete, a tremendous person and a very dedicated golfer. There's no way we would have been 11-5 if it wasn't for Apple."

Apple first came on the scene in 1981, the same year Colucci took the reigns at BHS. "I knew then that Jimmy was a very promising player," remembered Colucci. "He had that special appeal for the game." The coach also feels that Apple's best games are ahead of him. Apple will attend Upsala College next fall and will continue his golfing career. The legacy he left in Belleville will be very hard to replace next year.

Finally, Mark Foley, one of the most talented students at Belleville High School, was the statistician for the soccer, basketball and softball teams. His records are almost as good as some professional public relation firms that handle major league teams. Although he was not in direct competition on the field, Foley was a very vital part to his teams success. Mark had a great deal of respect from his respective coaches, all of which see nothing but a very bright future for the senior.

PROUD MARY'S

If congenial atmosphere, excellent service, superb quality and incredible prices interests you, Proud Mary's is the place to go. Since taking over one year ago, the new management of the Bloomfield restaurant, located at 409 Franklin Street, has introduced a Sunday brunch extravaganza, plus an exciting new menu, while offering many other specials at reasonable prices.

A daily happy hour from 3-7 p.m. and live entertainment Friday and Saturday evenings are also part of the new Proud Mary's. There are daily lunch and dinner specials including a weekend two for one complete prime rib dinner, ranging from \$10.95-\$14.95.

The new menu offers more salads, diners, entrees, appetizers, quiche and more specialty cocktails. There is also an upstairs lounge and catering available for parties and buffets.

Be sure to stop in at one of North Jersey's fastest growing restaurants. Proud Mary's.

Sluggers Earn Second Ranking In NNJIL Baseball Conference

(Continued from page 11.)

Auriemma, who was named to the first team, NNJIL, division II, for his play at designated hitter. Only Auriemma and Tursi made the first team and Auriemma's nomination was unanimous. The sophomore tallied a .354 average, had six doubles, one triple and two homers. Both his homeruns came in the Ridgewood

game when Belleville rallied from a 6-1 deficit in the seventh inning to win, 7-6 on Auriemma's homer in the eighth. Auriemma also drove in 11 runs.

Yet another sophomore, Allan Ruopp, did a good job on the pitchers mound. He was 2-0, with a 3.70 ERA, two saves and seven games pitched. Junior Dean Sternik

and senior Bill Baber shared the second base position and combined had a .933 fielding percentage.

As a team, Belleville batted .325, scored 167 runs and allowed 106 runs (80 of which were earned). The pitching staff had a combined ERA of 2.99, with Tursi posting a 5-5 mark, senior Joe Trabucco posting a 2-0 record, Palumbo finishing 4-2, junior Tommy Reid finishing 3-1 and Ruopp posting a 2-0 mark. Reid should be the leader of the hill next season, joining Ruopp and Palumbo in what should be a very experienced pitching staff. Trabucco posted a very impressive 2.90 ERA and was a very effective pitcher. His hurling will definitely be missed next spring.

All tolled, the Bucs were 6-4 in the NNJIL, Division II, Tursi and Auriemma were named to the first team, NNJIL, Division II, Cook, Borrello and Long were named to the second team and Reid earned honorable mention.

"Finally," said La Conte, "I would like to thank Mike Welsh (javee coach) and Nick Grande (freshman coach) for all their work during the season. Also, Mayor Marotti, Joe Grande, the Board of Education, the Town Maintenance Crew, Joe Scapparatta (the scorekeeper), Nicki Trabucco and Kathy San Filippo for all their help and support during the season. They were all super."

It was a fine season, a tremendous turnaround and what La Conte feels is only the start. The Bucs will once again field an American Legion team this summer, coached by Dan Borgo and Joe Lipoma. Then next season, another experienced crew will take the diamond, and hopefully the results will be just as impressive. If not, Ralph, don't forget, George will be watching and Yogi Berra might be free next spring.

RESOLVED BY THE BOARD OF COMMISSIONERS OF BELLEVILLE, N.J.: THAT, this Board of Commissioners shall meet regularly on the second and fourth Tuesday of each month at 8:00 p.m., with a pre-meeting conference on the same day beginning at 7:00 p.m. excepting the months of

July and August when the regular meeting shall be held on the second Tuesday only; and BE IT RESOLVED that when the time for any regular meeting falls on a legal holiday, as prescribed by law, such meetings shall be held on the next succeeding day which is not a holiday; and

BE IT FURTHER RESOLVED that when the time for any regular meeting of this Board falls on a day of the convention of the New Jersey League of Municipalities, such meeting shall be held at the same hour on a day prescribed by the Board of Commissioners for such meeting by resolution and after

public notice of such day has been given. BE IT FURTHER RESOLVED that this schedule will go into effect with the first meeting of June, which shall be held on Tuesday, June 12, 1984. The Belleville Times June 7, 1984 Fee:

here." Colucci feels that Apple's best seasons are ahead of him. The senior will attend Upsala College in the fall and will continue his golf career there. In his final week of action, Apple fired a 40 and 39 to lead Bucs to victories over Bloomfield and Montclair and assure a second place finish in the NNJIL, losing only to undefeated Nutley.

A strong nucleus will return next spring. Leading the way figures to be junior Greg Simone. Simone was very impressive in the number two position this spring and next year, will attempt to fill the giant shoes of Mr. Apple. Junior Frank Riker will be back, as will sophomore Brian De Furia, freshman Joseph Tower and Frank Greco. Tower put himself on the map this year by winning an Essex County golf tourney at Weequahic Park for 14-year-olds.

"We also have some eighth graders coming up who should be pretty good golfers," said Colucci. "The key to long-term success will be play and practice, play and practice. I can't emphasize that point enough."

The Bucs finished the 1984 season on a down note, finishing 11th out of

14 teams in the Essex County tournament, held last Thursday at Forest Hill Country Club. Montclair Academy was the winner of the tourney, followed by West Essex, Glen Ridge and Nutley. "I didn't expect to finish in the top five," said Colucci, "but I was hoping for a higher finish than 11th place. This will be a good lesson for the kids. They have to know that in order to play with the elite in this county, we have to improve and that comes with practice and time."

Belleville is hoping for one final match this season, that being the NNJIL individual tourney, which was postponed last week due to the rain. At press time, officials are trying to reschedule that match, which would send the top two golfers from each team in the NNJIL to Nobb Hill Country Club. Last year, Apple placed third overall and this season, he will be back strong along with Simone.

"The kids showed a fighting spirit," said Colucci in closing. "We got off slow (2-4 in early May), but we turned it around. It's always nice to go 11-5 in a rebuilding year rather than 5-11. Overall, I can't complain, it was a surprisingly good year. Hopefully, we'll be even better next season."

LAKE MOHAWK-SPARTA-WEST SHORE ASKING \$64,900. 3 bedrooms, fireplace in cathedral LIV. RM., large lot and low taxes.

VERNON-ASKING \$62,900. You can't miss on this 3 bedroom chalet with cathedral ceilings, wrap around deck and walk to swimming. VERY CONVENIENT TO EVERYTHING!

WILL YOU BE SMART ENOUGH TO TAKE THE NEXT STEP?

Step 1. Look at the picture of this house we just listed.
Step 2. BLOOMFIELD - 1st home? This well maintained 3 BR colonial with front and rear porch, back patio and fenced yard is perfect for your young family. At \$68,000.00, it won't last!
Step 3. Consider the fact that prices of homes are only going up and the rumor that land is no longer being made. That is good reason to take the next step.
