Diabetes Test Is Scheduled For Tomorrow

On Friday, June 15, area residents will have the opportunity to participate in a free diabetes screening. Testing services will be provided by Quality Care Nursing of West Oranga, at the Medicine Shoppe, 559 Franklin Ave., Nutley, Screening hours are 10 a.m. to 4 p.m., No appointment is required.

Ten million Americans are victims of diabetes, but most people are unaware that there are two forms of the disease. Juvenile-onset diabetes is the most severe, while adult-onset is the most common.

Juvenile diabetes attacks in dividuals under the age of 40. It normally comes on quickly, with many or all of the symptoms of diabetes. These include blurred vision, excessive or unusual weight loss, abnormal thirst, weakness, fatigue and nausea. Insulin injections are usually required in managing this form of diabetes.

Adult-onset diabetes is much less

betes. Adult-onset diabetes is much less Adult-onset diabetes is much less severe and less understood. Symptoms often occur more slowly, after the age of 40 and to a lesser degree. Usually diet, exercise and medication can keep this type of diabetes in these.

check.
"Many people still fear this disease and fail to be tested for it."
Medicine Shoppe pharmacist Joe
Martinez said. "If diagnosed early
and treated properly, diabetics can
avoid complications that can develop
later like blindness, circulatory
roblems and kidney disorders."
In order for the test to be accurate, people should eat a balanced
meal approximately two hours
before testing, but not sooner than 45
minutes.

Call the Medicine Shoppe for more information on the screening program at 235-0909.

Rev. Benedetto Pascale

Rev. Benedetto Pascale died two weeks ago at 91. With his passing, Belleville truly has lost one of its pioneers. In a community that was perceived almost 100 percent Catholic, the Rev. Pascale founded the the Rev. Pascale founded the Silver Lake Baptist Church in 1914. He was 21 years old when he conceived the idea that Belleville Italians and Italo-Americans could embrace a faith other than the Catholic Church.

One can well impaired the

One can well imagine the treatment afforded a young man at age 21, deep in the Catholic heartland of Silver Lake, establishing a church whose beliefs were alien to the Wow!

That he survived in those early days bears testimony to the character of Rev. Pascale. He obviously had a conviction
— and was determined that no

— and was determined that no force on earth would deter him from his life's calling.

Rev. Pascale was a decent and good human being. The Silver Lake Baptist Church, obviously, filled a need other faiths were unable to accommodate. His daily labors represented the work of a missionary—doing good and not doing good, and not

asking either why or for whom.

In every sense, Rev. Pascale was a son of Belleville. He represented the best traits of

human nature.
Time and the inevitable, took their toil, and now Rev Pascale is no longer with us However, the memory of his presence on earth is embed-ded in the hearts and minds of

ded in the hearts and minds of the people fortunate to call him friend and benefactor. In his passing, Belleville has lost a valuable, priceless asset — a person whose ac-complishments stand as an in-spiration for the weak among us who frequently need to be reminded that the impossible is achievable by the common man determined to reach his goal, no matter what. Belleville mourns the passing of Rev. Pascale. We salute his ac-complishments, and trust that God may grant him eternal

Frank Jeelen

General Jannarone

It is to the credit of Nutley UNICO that two weeks ago, it honored a famous member of a famous Belleville/Nutley family — that person was General John R. Jannarone, General John R. Jannarone, born in Belleville, raised in Nutley, and despite ethnic obstacles, graduating number one in his class. He then went on to distinguish himself with

a tour of duty in the U.S. Army John Jannarone was a member of Genera member of General MacArthur's Senior Staffin the South Pacific, planning strategy which led to the defeat of the Japanese in the islands of the Pacific. He later became the right arm to Major General Groves who was developing the Manhattan project that led to the hydrogen bomb. General

Later, he became dean of ne West Point Military Academy

John did it all - on his own, John did it all — on his own; his father died when he was only 4 years old. His mother, a grand lady, became the breadwinner for the family; and without the benefit of parental guidance, John Jannarone charted his own course in life and became a success by any measure.

John Jannar one is one of the men we admire most in our

He stands as an inspiration

for the youth of today when at times they might feel hopeless and abandon their dreams because high goals seem unat-tainable. John Jannarone is living proof that a poor boy, growing up in a hostile ethnic environment, was able to make it to the top, strictly on his own determination and perseverance and brain power. His heritage permitted John Jannarone to rise above his environment and achieve undreamed goals — but then when you are possessed with the philosophy that anything is possible, it isn't surprising that John Jannarone ended up on the top of the heap.

We congratulate Nutley UNICO for creating the special occasion to honor this great American and brilliant scientist. John Jannarone has brought fame to his alma mater, Nutley High School, and did honor to a fine family name. John, God bless you and keep you in good health.

Golden Under Fire Once Again

To the editor:

Mr. James Golden devoted all of his "Golden Comments" of May 24, 1984 to the well known funding problems of the Social Security system and Medicare program. I welcome these attention getting news releases, provided they are intended to solve the problem with recommendations for sound and equitable solutions for everyone involved, which includes the traxpayer, shouldering the burden, and not just the self-interest of senior citizens, the beneficiaries. Mr. Golden's comments unfortunately condemn every cost saving measure made and proposed for the future.

Mr. Golden reminds us that in 1982. Congress (Democrat controlled, led by

Mr. Golden reminds us that in 1982. Congress (Democrat controlled, led by House Speaker Tip O'Neill) cut \$17 bil-lion from Medicare. Mr. Golden next warns us of "massive additional cuts in-cluded in the President's current budget." Why try and pin the blame on President Reagan? Surely Mr. Golden knows that it is Congress and not the President controlling the pures strings.

budget." Why try and pin the blame on President Reagan? Surely Mr. Golden knows that it is Congress and not the President controlling the purse strings. All the President cand ois sit up and beg, as it were, even the very funds to defend and protect our freedom, while the star-spangled liberal spenders controlling Congress continue to expand the "entitlement" programs.

Mr. Golden apparently does not approve of cost saving measures, such as the (very sensible) delay of six months of a scheduled cost of living increase in Social Security benefit. He objects to all other proposed measures designed to keep Social Security alive and well, and which do not include any actual cuts in current benefit levels as he implies.

For example the very reasonable proposal to include (only) 50 percent of Social Security benefits in taxable incomes of \$25,000 or more for single tax-pavers, with even higher levels for those filing jointly.

Next, to gradually raise the normal retirement age to 68, beginning somewhere between 1990 and the year 2000. This measure also makes sense because people live longer and therefore, pose a tremendous strain on the fund in future years. At the same time, retirement as early as age 62 will still be allowed, but benefits would be reduced to 64 percent of full benefit instead of the current 80 percent. However, since this 64 percent would be based on normal retirement age of 68, would not affect the total retirement benefit. In addition with all this lead time, some 10 to 15 years in fact, it permits ample time for planning an early retirement. One way would be to take advantage of tax-deductible IRAs for instance, in effect Lizegly financing future retirement by paying less federal

taxes now. That corrective steps must be taken to guarantee future Social Security henefits should be obvious to evervone, especially after considering the following facts.

They represent the major forces which have brought about the precarious financial stats of the fund, by drawing tremendous amounts from its assets in the past. Already in 1939, even before the first Social Security retirement was paid, spouse and survivor benefits were added (without increasing the taxes to pay for them). In 1956 disbenefits were added (without increasing the taxes to pay for them). In 1956 dis-ability benefits were added. In 1965 Medicare (perhaps the greatest drain of all) was added, without adequate funding and with (still) ridiculously low premiums to offset some of the cost to To protect the actual purchasing power of the benefit, automatic

the fund.

To protect the actual purchasing power of the benefit, automatic increases were added, which were tied to the Consumer Price Index, resulting in over generous increases in the past, since the CPI overstates our effective rate of inflation. Mr. Golden's comments allude to "a very significant letter from James Roosevelt, son of Franklin D. Roosevelt" received by "several prominent local senior citizens" (perhaps one of them will be so kind to send a photocopy to this lowly citizen). The letter urges a petition to Congress, demanding the preservation of Social Security and Medicare. Hurrahl If the netitioners are sincere, they will welcome the enactment of cost saving measures without complaining and fault finding. Whether enacted by "Democratis" or "Republicans," since it will be done for our benefit. Franklin D. Roosevelt would hardly recognize the Social Security system of today. It has evolved way beyond what was originally envisioned or intended. The bill he signed in 1935 provided modest cash benefits for workers who retired after age 65, and intended as a base on which workers could build over a lifetime to provide for their retirement. Employees and employers paid taxes equal to 1 percent of the first \$3,000 of Employees and employers paid taxes equal to 1 percent of the first \$3,000 of

equal to 1 percent of the first \$3,000 of carnings, or a maximum of only \$30 per vear. That maximum did not change until the vear 1950!

In 1950 Social Security accounted from 1950 Social Security accounted spending. This year the cost will be well in excess of \$200 billion! This represents a good chunk of the 47 percent of all dollars spent by the federal government for "mittlement" represents as a good chunk of the 47 percent of all dollars spent by the federal government for "mittlement" represents or almost the spending that the spending the spending the spending that the spending the spending that the spending the spending that the spending that the spending that t for "entitlement" programs, or almost double the 27 percent spent in defense of our freedom, the truly primary func-

Let us hope and pray that the peti-tion (hopefully to be signed by some 1,000,000 or one out of approximately

16 Social Security beneficiaries) will be heard and heeded with measures enacted to save Social Security and medicare. Some of these measures no doubt will mean some sacrifice to be made by me and other senior citizens.

Since average Social Security taxes have already risen 3.690 percent (!!) since 1950, compared with 570 percent in average income taxes since then, I, personally, cannot in good conscience ask my still laboring fellow citizens to shoulder an even greater burden than they already carry, including the increases in Social Security taxes already enacted for the future, to pay for my benefits.

Remember, when it comes to Social Remember, when it comes to social Security checks, we can't say: "Thank you Payne Webber," but rather, "Thank you my fellow eitzens," because after receiving Social Security for about 12 months, all taxes paid into the system by each recipient will have been recovered, including compounded intense.

So let us be thankful to them and be equitable and not selfish, striving to have measures enacted to save the system for their eventual benefit as well. Cornells P. Vander Zwan — 26 Marion Court

Thank You

To the editor:

I want to express my appreciation to Democratic Party Primary voters of Belleville for coming out on June 5 and renominating me for a third term as the party's candidate for Essex County Freeholder-al-large.

While this was an intra-party contest, I believe my record on behalf of such non-partisan causes as tax reform, public safety, the environment and economic development is one to be proud of and should attract the support of Democrats. Republicans and of Democrats. Republicans and Independents alike this fall.

Independents alike this fall.

County government affects all our lives. I believe it can be a force for creative change, helping to create new wealth and jobs, clean up the environment, and making Essex a safer, better place to live and work.

I look forward to a lively issue-oriented campaign this fall, and hope my opponents will join me in a series of debates focusing on the serious concerns of Essex County voters as we enter the mid-1980s.

Again, my heartfelt thanks to those

Again, my heartfelt thanks to those voters who took the time and effort to get to the polls and give me their vote of confidence

Jerome D. Greco Freeholder President Verona

Fire Department Praised For Work

To the editor: The Belleville Fire Department must

The Belleville Fire Department must be commended for its responsiveness in development of a hazardous chemical response and inspection program (Belleville Times article, May 24, 1984). I am very pleased the Belleville Fire Department has finally realized that its duties and responsibilities in toxic chemical incidents are far greater than it imagined. The seriousness of having a quality fire prevention program, especially in chemical control inspections, cannot be over emphasized.

I am happy our fire department admits to its shortcomings of the past and are now actively addressing its

departmental deficiencies. Deficiencies, may I add, which almost caused a catastrophe in our community. I would like to impress upon our new commissioner, Mr. DiRuggiero, the

I would like to impress upon our new commissioner, Mr. DiRuggiero, the paramount importance of having a good fire code "enforcement" program. He must support, stengthen and fight for stronger implementation of our local fire codes and ordinances. He must advocate a solid fire prevention program be fully implemented without our township. For isn't it true that an ounce of prevention is worth a pound of curre.

Our present fire prevention bureau is staffed by one fire officer. A major dis-

grace for a community our size which is laced with so much industry. If our past public safety commissioner had directed and staffed our fire prevention bureau properly, then the crisis at the Main Street chemical plant need not have happened and the people of the valley need not have lived through a night-mare. Mr. DiRuggiero, we ask you to bring the fire department out of the stone age and into the 20th century. Again, let me praise the firemen who are fighting to rectify a long standing problem which exists in their department. Better late than never!

President's Actions are Defended

To the editor:

Jim Golden has constantly condenned, chided and ridiculed Ronald Reagam. He has labelled Ronald Reagam a war monger, insensitive to welfare programs, a destroyer of Social Security and indifferent to women. In short, he has called Ronald Reagan a bad president. Let us take a look at that bad president. We don't have six to seven million men and women fighting and dying as we did in World War I, World War II, Korea and Vietnam. Has Jim Golden Forgotten who the presidents were when these tragic events occurred? (Wilson, Roosevelt, Truman, Kennedy and Johnson.) Those presidents were all Democrats. Reagan rescued Grenatda from Castro, Nicaragua is asking for peace talks, and China is not threatening war, it is asking for trade. He changed a working woman's Social Security benefits from a partial of her husband's Social Security to her own. Count the women Ronald Reagan has appointed to both

the federal bench and his Cabinet. He gave the overtaxed worker a 25 percent decrease in income tax. (What decrease did the Democrats give us?) He reduced inflation from 20 percent to less than 3 percent. (What reduction did the Democrats give us?) He reduced interest rates from 18 percent to 12.5 percent. (What reduction did the Democrats give us?) When he took office, the unemployment rate was 7.7 Democrats give us?) When he took office, the unemployment rate was 7.7 percent. As of June 2, 1984, it is 7.5 percent. As for those glorious welfare programs. I will let the people decide for themselves. I remember when Jim Golden screamed about income tax, inflation and welfare programs. What happened to Jim Golden's He is now on Social Security and he does not care about most of the matters anymore because he doesn't have to pay for most of them. He cares only about himself and not the future of our great country. Anyone who reads your column and believes in your column is far out of step with reality. After the votes are counted

Letter Policy

The Times continues to receive letters on a variety of topics which unfortunately, may never find their way onto our editorial page. That is because they are unsigned.

As a matter of policy, The Times accepts only signed letters, "Signatures" such as "A Concerned Citzen" or "A Worrice Parent" will not do. Only names will suffice. However, we will withhold names from publication upon request.

Nutley Little Theatre's Production Of 'Hot L Baltimore' is Stifling

Lin Weber Cort was Suzy, a guadify dressed, chie floory, whose high-pitched voice and loose bath towel made her interesting to watch. At times, however, her voice seemed out of character and irritating.

Mary Kate Toomey, who played a streetwalker named April, offered some off-color comic respite. Her outlandish dresses, saucy remarks and brazzen discourse broke up much of Hot L'S tedium.

St. Peter's Changes Schedule

Myer, John M. Byrne, pastor of St. Peter's Church, announced that the impendine transfer of associate pastor. Rev. Anthony Lionelli and the poor health of visiting priest Rev. Genadius Diez, has compelled the parish to reduce the number of scheduled Masses.

The new schedule is as follows: Saturday, 5:30 p.m.; Sunday, 7:30, 9, 10:30 a.m., and noon, Daily Masses will be at 7:30 and 9 a.m., Monday through Friday and 8 a.m. on Saturday. The Miracolous Medal Novena Mass will continue on Mondays at 7.

Mass will continue on Mondays at 7

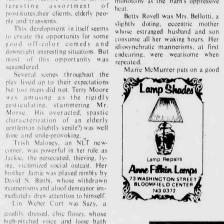

The new Sunday schedule becomes effective June 30 an the new weekday schedule June 25.

Four Failures of Fathers

By Rev. Robert Paul

If you wish to avoid failure, you need to know

what to avoid.

We often hear remarks made concerning the deterioration of our country's moral and spiritual fortitude. There can be no doubt that America's character has weakened drastically. Sins are no longer considered sins, they are an error or a mistake or some other foolish saying. Dishonesty is a sin, but we see so much fraud and corruption in high places that it seems commonplace.

Children are growing up to be professional cheaters by observing parents' action. Children are great imitators, and what they see adults do, they will delate a professional children in life.

great imitators, and what they see adults do, they will do later on in life.

Perhaps the four great failures of fathers which have led to the decline of America are:

1) The failure to be an effective spiritual example. "In all things showing thyself a pattern of good works; in doctrine showing uncorruptness, gravity, sincerity." To teach one thing, then go out and live another, is to show hypocrisy to the children. To spank a child for cursing, and then be guilty of the same offense, is a double standard. "Don't do as I do — do as I say," is a worn out phrase that does not get the job done in character building. Father you must be constantly on guard that your example does not contradict your exhortation.

2) The failure to set proper priorities. "Seek ye first the kingdom of God, and His righteousness." The Almighty God must come before the almighty dollar. Jesus Christ gave His entire life for you, it is not too much for Him to expect you to do the same for Him.

Jesus Christ gave His entire life for you, it is not too much for Him to expect you to do the same for Him. It is imperative that you sit down and work out a system that guarantees the Lord Jesus Christ first place in your family life.

3) The failure to discipline children properly. "Chasten thy son while there is hope, and let not thy soul spare for his crying." Fathers who truly love their children will chasten them when necessary. This is not child abuse, this is love and concern for the development of the child's integrity and character.

4) The failure to be the head of the home. Father 4) The failure to be the head of the home. Father take an active interest in the affairs of your home. Lead your family in daily Bible reading and prayer. Take your children to church, do not send them. Husbands love your wives, even as Christ also loved the church.

Cub Scouts' Olympics Scheduled For June 16

will hold their annual Cub Olympics at the high school field, Saturday, June 16 at 9 a.m.

All registered Belleville Cub All registered Belleville Cub Socuts can compete. Registration will begin at 8:30 a.m. All units will assemble at 8:45 a.m. for the opening ceremony, highlighted by the lighting of the Olympic torch.

The competition will start promptly at 9 a.m. and features six separate, simultaneous events: the long jump, 50-yard dash, shot put, javelin, obstacle course, and softball throw for distance and accuracy.

The boys will be grouped by age (8-10 years old), with the three boys receiving the most overall points presented trophies. The three best Cub Souts in eachevent, in each age group, will receive ribbons and recognition.

Events will be completed by noon Events will be completed by noon, followed by a short lunch break (all boys must provide their own sandwich, but refreshments will be available free). After lunch, each unit representative will select the three, fastest runners, one from each age group, to compete for the perpetual trophy. The competition will feature three 100-yard dashes with baton pass, run against the clock.

The day will close with the awarding of all ribbons and trophies. Each boy competing will receive a patch specifically designed for the event.

Parents of all Belleville Cubs should encourage them to register for the Cub Olympics because it rein-forces the value of good sport-smanship, and gives them an excel-

Belleville's Past

The Hendricks Family Copper for America 1755-1939

Although the business of supplying army sutlers occupied much of Hendricks' time, the war at sea also drew his attention. The colonial shipowners who carried his goods across the Atlantic were turning their trading vessels into privateers — armed crisers that went to sea to prey on enemy shipping. Such prizes as they captured they redeemed for cash and choice merchandise. Shipowners shared these profits with captian, crew and investors in the privateer. Privateering as a and investors in the privateer. Privateering as a profession came into vogue prior to the French and Indian War, but grew in volume during the war because shipowners were attracted to a lucrative field of business. The British sanctioned it

lucrative field of business. The British sanctioned it because it hurt competitive shipping, and it enabled their navy to be deployed elsewhere. It is not known if he was influenced by the ship captains with whom he did business, but whatever the source of his interest, in 1758 Uriah invested in the "Sturdy Beggar," a ship carrying 26 guns and credited with a complement of 200 men and mastered by Captain Robert Troup. He also purchased an interest in another privateer, the "Duke of Cumberland." His venture into privateering was none too successful and he sold his interest in both ships with a small loss.

privateering was none too successful and ne soid his interest in both ships with a small loss. In 1761 he liquidated his business and sailed for England for a visit to his father and family. He returned in 1762 and married Eva Esther Gomez, a third generation colonial who was the grand-daughter of Abraham Haim De Lucena who came to New York at the end of the 17th century. In 1764 land bick entered the most little and he came an Hendricks entered the metal trade and became an iron monger. He also considered the possibility of or monger. He also considered the possibility of moving to quarters that would be spacious and comfortable for his growing family. The area around the Sloat was a busy place, his stock had again begun to increase and he felt crowded. Manhattan was already rich in the striking contrasts that characterized its history. If English was the spoken language of the Sloat, the old Slip Market where Uriah first began business was still a street where Uriah first began business was still a street where it was impossible to shop without a knowledge of Dutch.

Belleville Splits First Four Games

Braves' Catcher Drafted By Chicago White Sox

It was a big week in the short history of the Belleville Braves baseball team. The Braves third garduated from Rahway High baseman and catcher, Mike Murray, School in 1980. He is 21 years old was selected in the 22nd round of the major league draft by the Chicago White Sox and will report to the braves history to lose him, 'said Garilli, "but team's Niagara Falls' squad to start it's not too bad to lose him to the plaving in the New York-Pennsylvania, League. The drafting of Murray highlighted a week in which Belleville split its first four games of the 1984 season.

This is a busy week of action for Sal Garilli and company. The team was in Union last Monday and batted Verona on Tuesday, Tonight the Sav Charles of the Sal Garilli and company. The team was in Union last Monday and batted Verona on Tuesday. Tonight the Braves will host West Orange in a 6 braves will host West Orange in a 6 p.m. start at Belleville High School. They travel to West Orange on Saturday in a rematch with the defending champions. Sunday, the Braves travel to Parsippany for an 8 p.m. start.

Belleville led, 6-4, in the last of

week, drilled a three-run homer off of losing nitcher, Ken Brylinski, to deal the Braves a tough loss. Aiello, a very good athlete, turned down the Indians for now and is attending William and Mary this fall to play football and baseball.

On the day, Jim Tensfeldt was two-for-three and scored twice. The Bellevillite chipped in with two doubles and three runs batted in. Steve Karlick had two hits and a R Bl. while Joe Corbalis had a hit and R Bl.

Scott Lutz had started the game for Belleville. He pitched five-and-two-thirds innings of strong baseball before turning the game over to Brylinski.

The following contest with Verona produced the same results, a lot of runs, but a tough defeat. However, this contest did not please Garilli as much as the opener. "We played very sloppy, it was not a very good indication of how good this team can be."

Anthony Coco started for Bel-

team can be."

Anthony Coco started for Beleville, but the former BHS star did not have his best stuff and vidded five runs over two innings of work. The Braves' hast did their part with Tensfeld cracking a homer and driving home three runs, Grege Weber, Bill Seehan and Mark Roll coming through with two hits each, Roll also drove in two runs on the evening.

Victory number one came at the expense of Millburn, 3-1. Scott Wholrab pitched six-and-one-third innings of solid hell and Brylinski pitched the two-thirds inning to assure the victory, The big hit came from Dominick Vazzano who hit a bases-loaded triple to score Weber, Seehan and Murray in the third inning. "Scott pitched a super game," sid Garilli, "The key to our success will be the pitching, We've got the htting and I think the best depth in the league, Our pitching is what will carry us."

the league. Our pitching is what will carry us."

On Sunday, the Brayes won their second game in a 12-8 conquest of Montelair State College. Actualls, the Brayes held a 12-1 lead in the seventh inning, but MSC made a spirited comeback and had the type arm at the plate before the Brayes.

Softball Squad Eliminated From States; Excellent 24-5 Season Comes to a Close

By Mark Foley
Belleville wrapped up its 1984
softball season last week, finishing
with an impressive 24-5 record. After
winning in the sectional semifinal,
the Buccanettes dropped the state
crown to Union, 7-3, and finished
with a 2-0 defeat at the hands of
Ridgewood in a game that decided
the conference's pennant race.

Senior pitchers Dina DeAquino
of Belleville and Donna O'Connell of
Ridgewood lock ed horns in a classic
mound duel for what would prove to
be the final game for both. With each
walking only one batter while striking out five and seven, respectively,
the outcome boiled down to mistakes, and Belleville made the costly
ones — a passed ball with the bases
loaded and a throwing error on a
stolen base accounted for the stolen base accounted for the Maroon's scoring. The Buccanettes'

best scoring chance came in the first inning when Tracy Bunno cracked a triple to left-center field but was thrown out trying to stretch it into a

thrown out trying to stretch it into a home run.
Plaving at Westfield for the North Jersey Section II. Group IV State Championship, Union quickly jumped out to a 3-Oleda and scened to be on the verge of turning the match into a rout. But Belleville, who had been set down in order in the first two innings, exploded for three runs on singles by Laura Caruso, Tricia Tramudla, Donna Brooks, and Buorno torattle all-state Union pitcher Lisa Reer and tie the contest at three. Reer, however, regained her composure and allowed only one Bue basserumer, on a full-count walk, for the final four frames, Meanwhile, Union destroyed Beleville's title hopes with a four-run

pionship.

Belleville gained the opportunity to play for the crown by defeating Livingston, 3-1, on the previous day. The home team gave DeAquino, who struck out five and walked two, all the runs she would need in the first the runs she would need in the first inning. Brooks started things with a single. Cheryl Marion waked on four pitches, and Buono moved them into scoring with a fly out to deep center field. After Desiree Johansen beat out an infield hit, Liwingston first baseman Kathy Joyce threw wildly to third base in an attempt to pick off Brooks, and both runs scored on the play.

Looking back at Belleville's 1984 softball campaign, it becomes obvious that words such as "excellent," successful," and "slightly disap-

Among the many positive points, the Buccanettes finished with a 24-5 final record, tying both the team and ing the 20-win mark for the fourth time in five years. They reached the championship rounds of both the state sectional and the Essex County state sectional and the Essex County Tournament, and played for the Northern New Jersey's Division II title. At one point, Belleville ran off a record-ving 12-game winning streak while Carl Corino became the first softball conds in BHS history to ac-cumulate 100 victories. The season was also witness to many out-standing individual performances by two of the generate altherts were to two of the greatest athletes ever to represent Belleville High School, DeAquino and Buono.

Yet Belleville was unable to de-

reaching the championship game for

all three.
"Of course, it was disappointing "Of course, it was disappointing to come up empty at the end, but I feel that the kids did the best they could do," said Corino, who, for the first time in three years, will not be raising a championship banner in the school's gwnasium. "We were only beaten by three teams, and two of them — Union and Ridgewood, who hoth beat us twice — were, in my honest opinion, better overall teams than we were. But the one game that bothered me was the county final (an 8-5 loss). Even though Cedar Grove was a good hitting team, and they had a good pitcher in (Lor) Schmitt, we gave them the game. We could have, and really should have, beaten (Please see 'Sotball' on page 12-)

Another Exciting Year Concluded at Belleville High

After nine months of exciting competi-tion, the Belleville High School sports program will take a two-and-a-half-month hiatus before starting it all over again in early September. What these young men and women left behind was a 1983-84 school year with a lot of excitement, some bit witer time, and some heartheasking las-

and women left behind was a 1983-8, some school year with a lot of excitement, some big victories and some hearthreaking losses. All in all, it was a very successful season for the school. The Buccaneers competed in the revamped NNJIL, competing directly with Passaic, Teaneck, Hackensack, St. Joe's and Ridgewood. Next season the Bucs will return to the NNJIL alignment of 1982-83 with teams such as Nutley, Bloomfeld, Paterson Kenedy, Montclair and Passaic.

The school year started last September with the football, soccer, volleyball, cross country, tennis and gymnastics squads competing against some very good competition. For John Senesky and the 1983 football team, the final record was 6-3. The Bucs defeated Nutley, 12-6, Bloomfeld, 14-0, Teaneck, 33-0, St. Joe's, 30-6, Hackensack, 27-0, and Kearny, 28-6. The victory over Nutley was the sixth straight over the Maroon, dating back to 1978. Next season the two will play on Thanksgiying Day in what should be a monumental clash. monumental clash

monumental clash. The team's only losses came to powerful Montclair, 14-6, Passaic, 28-7 (in a very controversial game), and Ridgewood in an upset, 20-14. Montclair and Passaic went on to championships in their respective groups and Passaic was named state champions for 1983. Mike Murphy had a banner vear at running back for the Buccaneers, breaking the 1,000-yard mark for the second straight season. Billy Baber had a good year in the backfield, Mark Walsh

was very impressive at quarterback and a host of sorhmones and innors gave very good performances and should produce a very effective team next fail.

The soccerteam, under Anthony DeAquino, had its best season ever. Led by senior Santiago Borja, the Buccaneers won 15 games and list missed out on the NN-JIL. Division It crown. Brian Cook was very impressing from and Cock was very impressing from and control and Cocks. very impressive in goal and Carlo Kingalah uawas a big part of the team's of

ise. Carol Gillfrida's gymnastics squad ent up a gains some very tough competi-

fense.

Carol Giuffida's gymnastics squad went up a gains some very lough competition and fard rather well. Led by Laura Cairo, the girk won two matches and should bring back a good squad next fall. John Tosato's cross country team began a rebuilding stage with a new home track. The Boes now race at Nutley Park after more than 15 years at Belleville Park. Ross De Mea, Bob Huichinson, Bill Huamani and Craig, Burden led the harriers through a tough, but improved season. Only a freshman, Burden was surprising with some very strong runs and could be a very impressive runner before his high school days are through. Senior Party Bliss, a neck of consistency during her four years, had a strong campaign and ranks among the best female runners ever at Belleville light School.

ranks artifolia to each tember funners ever at believitie high School.

Led by Chen Tillman and Dina DeAquino, the girls' tennis team battled through a lough schedule with mostly Bergen. County competition. Desiree Johansen showed marked improvement during the season and will team with Tillman to Formassed markets works have lman to form a good one-two punch next

Grace Worley's volleyball team, behind Faith Adams, Debbie Worley and Donna

Brooks, linshed second in the NNIL. The girls won 16 matches before being eliminated in the state tournament. "Worley's Wizards" were one of the toughest teams in the NNIL. Into the winter months, the action got even hotter. The big story was the amazing performance of the wrestling team and the

BUC SHOTS

By Michael Lamberti

Sports Editor

excitement generated by the Belleville girls' baskebill team.
The graphers, under eighth-year man Gene D'Alessandro, finished 15-0-1, the first undefeated season at BHS in 20 years. Junior Michael Gibbons and senior James Meyler advanced to the state tourney and strong performances were turned in by strong performances were turned in by Mike Giulfrida, Dom and Carmen Cerreto. Jim Racanelli and Jaime Lijo. The future of this team also looks bright. The Bucs return a good nucleus of experienced athletes next winter and the jayvee team, under Joe Nisivoccia, and the freshman team, under Dennis villano, also turned in solid performances. Back on Dec. 12, 1980, the Belleville girls' basketball team defeated Verona High School, S8-39, in the season opener. In that game, a freshman named Jennifer Apricella scored 28 points. That was only the beginning From there, Apicella would go on to become the all-time leading scorer in the state of New Jersey. This past scason, she broke the state scoring record of 2.745 points in a game at Bayonne. In early March, Apicella did something that only one person in state history has done before — break 3,000 career points. In a first round state tourney game at Bellevile, Apicella his a short imper in the early stages of a game against Morris Knolland broke the 3,000-point mark.

The season was one of comebacks for Apicella and her teammates. Everyone knows of her sprained ankles and broken wrist, the latter occurring on a vicious, uncessary push from an Eastside player in an act of frustration. Still in all, Belleville finished with stifnest season ever, a 22-7 mark. Karen Fuccello's team advanced to the finals of the Groupt U. Section II playoffs before bowing to Plainfield. Dira DeAquino, Tracy Buono and Loreli Wells all made solid contributions to the team as did junior Cheryl Marion and Donna Brooks, who will return next year to lead a young team.

The bowling team, coached by Mike atrly was Anthony Paserchia advance to state tourney acting the season and will look to continue their season and wi

SHOP HOURS Mon. thru Fri. 8: 30-5:30 Sat. 9-1 accomplishments of the BHS team during their four-year tenure. In that time, Belleville has made three trips to the county final, taking two files; one NNJIL title and one second-place finish; two trips to the state sectional final; and compiled a record of 89-19-2 for an .824 winning

record of 89-19-21 or an 8.24 winning percentage.
Individually, their statistics speak for themselves. Buono has played in more games (105), batted more times (135), scored more runs (117), gotten more hits (12), there-base hits (12), there-base hits (15), home runs (19), and total bases (242) than amono in BHS history. This year she enioved undoubtedly her finest season ever, with 48 hits, 47 RBIs, five triples. If home runs, 95 total bases, an unbelievable 1.056 slugging percentage. (all single-season bases, an unbelievable 1.086 slugging percentage (all single-season percentage) (all single-season balls, and a 533 batting average. The outstanding scholarathlete, who is sixth in the Class of 1984 and president of the National Homor Society, will be attending Rutgers University, where she will be a member of that school's Division I softball program.

The "other" senior, De Aquino, is presently visiting the University of North Carolina, one of the excellent softball schools she is considering. Wherever she decides to go, she will take outstanding pitching credentials with her. Out of a possible 22 pitching records, DeAquino holds

with her. Out of a possible 22 pitching records, DeAquino holds the school mark in 18 categories. Some of the numerical highlights in-Some of the numerical highlights in-clude 73 appearances, 450 innings pitched, 318 strikeouts, 51 complete games, 54 victories, and a 146 carned run average. In 157 innings this year, she struck out 96 batters while walking only 60, which is a remarkable improvement if one con-siders that, in her freshman year. DeAquino struck out 21 but issued 46 bases on balls in only 24 innings.

Not only were these two the heart of the team as the pitcher and catcher, they were the first official captains since 1979 and provided this sear's squad with leadership in action and words. "What more can be said about Dina and Tracy" asked Corino rhetorically, "I feel bad that they weren't able to go out with a championship, which is great for everybody, but especially for the seniors. They were so important to the championships we won the past two vears, it's too bad they couldn't go out with one of their own. But they have to be two of the greatest players ever to play for Belleville, definitely in Essex County, and in the state. Their individual records speak for themselves, and so do the team's accomplishments."

The 1984 team also, benefitted.

accomplishments."

The 1984 team also benefitted from several kes underclass contributions. Leading the pack was junior. Donna Brooks, who capped her third successful season in the outfield by becoming the third BHS player to surpass the 100-hit plateau, and the first to do it as a junior. As the lead-off batter, she hit. 361, sored 38 times, and stole 19 bases. If she continues her outstanding pace, some of the seemingly unbreakable records set by Buson may be in icopardy next year.

Also playing a key role was sophomore Johansen, who moved from third hase to take over short-stop. Offensively, she batted. 340, scored 24 runs, and was the only player on this year's team not to have been struck out (while recording a record 106a-batts), Junior Cheri Tillman split the year between the first was not designed the tree leas and 1984 team also benefitted

have had on Belleville's softball baseman Marion, who scored 21 program, it is necessary to review the accomplishments of the BHS team Caruso, who received 27 bases on during their four-year tenure, In that time, Belleville has made three trips 1985 season. Also coming back will to the county final, taking two titles; one NNJIL title and one secondard freshman Tramutela, both of whom made important contributio whom made important contributions to this year's team, Performing well for the team in a "pinch" were Maria Garcia, Liz Goldrick, Dineen Rock, Desirce Fazzini, Dena DeMedici and Danielle Richardella, all of whom hope to move into a more permanent role next season.

The toughest task for Corino will be finding a pitcher to replace DeAquino. Several of the underclassmen were able to pitch against varsity competition this year, and hopefully this experience will be beneficial in the future. Belleville's future mound hopes include sophomores Karen Fulda and Debbie Patierno, and freshman Caruso.

Belleville softball will remember 1984 as marking the end of an era, a changing of the guard, as it were. It was a season of highs and lows, both collectively and individually. Intercopect, the only thing that this team truly "failed" to do was to live up to expectations that it, and others, held for itself, But with such a young squad this year, it is not inconceivable that it could come back in 1985 and, in somewhat of a spoiler's role, reach some of the peaks that it came so agonizingly close to this year. Stay tuned. Belleville softball will remember

EXTRA BASES: The all-NNJIL Division II team was announced last week, and Belleville placed eight starters on the squad. Receiving first team honors were DeAquino (p), Buono (c). Tillman (b), Marion (2b), and Brooks (of). Caruso (p) and Johansen (SS) were placed on the (2b), and Brooks (of). Caruso (p) and Johansen (ss) were placed on the se-cond team, and Schuster (of) was given honorable mention. De A-quino and Buono, along with senior manager Mark Foley, were honored by the Varist Club with special awards for their contributions to BHS athleties. The team was also presented with a special award...

Last season, Union defeated Belleville for the Section II title, 5-2...Whippany Park, who Belleville defeated, 4-2, in a non-conference game, won the state Group II championship...In addition to her many school reports there is a possibility. school records, there is a possibility that several of Buono's statistics (especially hits and runs batted in) may be national bests...She also came just short of breaking the school's seasonal batting average mark. Her .5333 (48-for-90) is about school's seasonal batting average mark. Her. 5333 (48-for-90) is about as close as one can come to Nancy Coffey's 1981 figure of .5341 (47-for-88)... This year's team struck out more times (95) than any other team in BHS history. The previous high was 64 in 1981. They also received 164 bases on balls, meaning that three times out of 10, the players did not make contact with the ball... The 12 straight victories in May broke the record of 10 consecutive wins and tied the longest stretch that the team went without a defeat... This year's 24 victories was actually a "new" team record, as the 1982 total included one forfeit... This is this reporter's last article covering the BHS softhall team for The Times, and the past three years have provided many lessons in journalism (and softball) that will hopefully prove to be valuable in the years to come. There are many to thank, but this reporter would especially like to express his gratitude to Coach Corino, Times editor Ed Capparucci, sports editor Michael Lamberti, and to you, for reading this. And, more than anyone else, to God, without whom none of this would have been lossible.
