Highly-Rated Bucs Face B. Catholic Here Friday Night

By Mike Lamberti
Following the Belleville Buccaneers' final scrimmage of the 1984 season, head coach John Senesky expressed happiness with his team's offense but was somewhat concerned with the Bucs' defensive effort and the lack of quality tackling. The Bucs' opener last weekend, against Don Bosco, looked to be an offensive struggle between a pass-happ hall club and a run-oriented team which featured a solid offensive line.

which featured a solid ottensive line.

So much for pre-game analysis. The Bucs, ranked number three in New Jersey by The Star-Ledger, used a bruising delense and an opportunistic of-fense to stop Don Bosco, 140 last weekend at beautiful Don Bosco

Prep in Ramsey. The game, played on a very warm day, was a line start for the Buccaneers, who will battle another tough opponent. Bergen Catholic, this weekend starting at 7:30 pm. Kickoff is Saturday at Municipal Stadium, and Senesky is quite wary of the big Bergen Catholic team.

As for the Don Bosco game, the head coach was very happy. "Our backfield is coming along," on the final scrimmage (versus Livingston) and we worked on improving that aspect of our game. There were some good drives on the offense and I was

Anyone interested in participating in the parade or its preparation, or as a sponsor, should contact either Jay Taranton, Erne Zoppi or Gabe Nazziola by culting 159-1123.

There are already twelve marching band contingents invited to participate including the Belleville High School Band, the Nutley High School Band and the Lyndhurst High School Band and the Lyndhurst High School Band as well as the Belleville Soundations. There will be marching units from all over Essex County from fraternal, service and veterans organizations and youth groups such as cub scouts and boy scouts, girl scouts and brownie troops.

Teacher contract ratified

25.5%Pay hike over 3 years

By Linda Telesco
The Board of Education voted
Monday to ratify a new three-year
contract with the Belleville Education Association which grants
salary increases of 7 percent this
school year, 9 percent next year,
and 9.5 percent for the 1986-87
school year.

The measure passed the board The measure passed the poard with six members approving. The seventh trustee, John DiStasi, abstained from voting because, he said, he had no part in the negotiations of the agreement.

According to the new salary guide, a step one teacher who holds a bachelor's degree will earn this year \$15,350, up from last year's \$14,250.

That salary increases to \$16,800 next year and \$18,250 the ar after

A teacher at the highest level on the bachelor's degree scale, step 17, earned \$26,100 last year and will make \$27,275 this year, \$29,200 next year, and \$29,850 in the 1986-87 school year.

For step one teachers who hold a muster's degree, last year's salary of \$15,800 rises to \$16,925 this year, \$18,350 next year, and \$19,900 in the last contract year. A step 18 teacher with a master's earned \$28,600 last year and will make \$30,000 this year, \$32,050 next year, and \$33,575 in 1986-87.

New salary adjustments were also made for teachers who have earned 32 credits beyond the master's degree.

Those teachers at step one earned \$17,000 last year and will make \$21,450 by the end of the contract term.

Step 19 teachers in the same category earned \$30,900 last year and will see that increase to \$36,700 in three years.

Rates for psychologists in the salary guide indicates a step one pay of \$19,125 for 1984-85, up from last year's \$18,500. The 1986-87 pay for step one psychologists is \$23,900.

Step 13 psychologists who earned \$29,600 last year will make \$31,125 this year and reach \$35,900 by the final contract year.

Monday's ratification followed Monday s ratification followed some six months of negotiation. The contract then went to mediator Joel Weisblatt of the South Jersey area, according to BEA chief negotiatior Jerry Ken-

When asked if the union was satisfied with the contract, Ken-nelly replied, "The association agreed to the contract, but by no means was it unanimous."

President got a 400 plus electoral vote, a balanced budget amendment, a line item veto authority and a Republican-controlled House, it wouldn't make any difference. cur during the current fiscal year. Who's to blame? Was it the Congress in 1981 that cut taxes by too much and spending was not enough? Was it a federal reserve that was too tight in 1981 and early 1982? Or was it a White House that put the whole thing in motion and doesn't want to mentionit until after election? Solution? The inescapable truth looks like a taxing solution. If you want to keep much of the butter and agree with the guns, then don't holler when your taxes go up, regardless who's elected.

Prayer For Today

O Lord, the Lord whose ways are right, keep us in Thy mercy from lip-service and empty forms; from having a name that we live, but being dead.

Help us to worship Thee by righteous deeds and lives of holiness; that our prayer also may be set forth in Thy sight as the incense, and the lifting up of our hands be as an evening sacrifice.

Can/Bottle Deposits

A new legislative proposal has been unveiled by a coali-tion of various groups involv-ing a 43-year-old campaign to

ong a 13-year-old campaign to enact a mandatory can and bottle deposit law.

The latest pitch is to take dime_deposits on all cans, plastic containers and bottles of beer, malted beverages, soda and other non-alcoholic

drinks.
Recently, New York's experience with its bottle deposit law was given great publicity. The New York record indicates that its bottle law does very little to eliminate the litter that borders New York's highways, byways, parks and other public areas.

Under the new proposal, consumers would be socked a dime for every purchase they made that involves practically any kind of container. Most people will not "cash in" the empties for the dimes they

may recapture.

Glass manufacturers complain that many of their employees will become unemployed should a bottle deposit law be enacted. New Jersey's glass bottle manufac-turing facilities are the largest

in the nation. in the nation.

The New Jersey Department of Environmental Protection is drafting a mandatory recycling proposal that should become law by year's end. Already in effect are recycling activities carried on by many communities in the State. A total

statewide recycling effort should be given a chance. Last year, proponents of a mandatory bottle deposit law

andatory bottle deposit law were asking for a nickel — this year, it's doubled. Who knows, next year may bring a triple increase. We are opposed to a mandatory can and bottle law because the New York experience leaves much to be desired with such legislation. There are questions that arise but are difficult to answer. Where would empties be taken? Where would pay for the cost of handling? Who would enforce the measure — and who would pay for the enforcement personnel reforcement personnel re-

And last but not least, much of the litter we see along our highways and byways of our state involves items other than cans, bottles and plastic con-

cans, bottles and plastic containers. No one has yet given us an answer as to how that litter could be prevented.

Clean environment means as much to us as to the proponents of the proposed can and bottle law. We fail to see that the alleged advantages of the proposed legislation outweighs the disadvantages.

Gymnasts, Booters, Harriers Look Good in Early Matches

By Michael Lamberti

Some strong performances were turned in by our gymastics, soccer and cross country squads last week as the varsity action picked up full steam for the autumn of 1984.

The Belleville gymnasts lost by four-tenths of a point to Hashrousk Heights, despite the fact that one of their top performers, Jill Lillis, missed the competition due to a spriand ankle. Head coach Ray lanuzzi, in his debut at Belleville High School, was pleased with the performance and is looking for better things as the season progresses.

The girls battleda very good team from Ridgewood on Tuesday and will be in Hackensack tomorrow afternoon, starting at 4 p.m. "I don't like to make alihis," said anuzzi. "But, if we had Jill, we might have pulled the meet out. Our girls did a nice job, nonetheless and the meet went right down to the wire. As a matter of fact, in the final event, the score was tied on a number of occasions."

the score was tied on a number of oc-casions."

The final tally was 63.55 for the locals. Despite the setback, Belleville took a first place in all four events. In the vaulting exercises, Linda Wujack was first with a score of 6.8 while Debbie Battista finished third with a 6.4. Over to the balance beam, Wujack once again took top honors with a score of 6.6. Gina Lemongel-lo, herself hobbled by an injury, came through with a 6.2. good for third place.

In the uneven parallel bars, Alise Davies was first with a score of 5.75. Wujack was once again in the thick of things with a second place showing.

Wujack was once again in the thick of things with a second place showing.

Finally, the floor exercise, traditionally one of Belleville's stronger events, saw Wujack cap off a marvedous day with a first place showing of 7.1.

One of the gutsiest performances of the match came from freshman Laura Nankervis. Competing for the first time. Nankervis put on an impressive show and drew the praise of her coach. "Laura did an excellent job," said Januzzi. "It was her first time out and she wasn't even expecting to compete. We just threw her in there and she tried her best and worked hard. You can't ask for anything more than that."

The match featured the tremendous ability of Wujack and a possible new hero one day in Laura Nankervis. It was a good start for the 1984 season, even though the girls finished on the short end this time around.

The Buccaneer cross country

team is just one runner away from being a serious contender in the NN-JIL. Last week, the team lost a tough 27-32 decision to Bloomfield and dropped an equally difficult 24-35 match to Livingston. Sandwiched and between those matches was a lopsided setback to powerful Eastside, 15-50. On the season, John Tosato's squad is 0-3 and now faces a new problem, injuries, as the squad looks to break the victory column.

The Buse battled Montclair on Tuesday and will take part in the Holmdel Invitational this Saturday. Next Tuesday, the Buses will be in Passaic and next Thursday, will most' Nutley, at Nutley Park, starting at 4 p.m.

The boys' team has been paced in the early going by sophomore Craig Burden, seniors Bill Huamani and Bob Hutchinson. Another senior, Ross DeMeo, is back on the team, but he will need some time to get

Ross DeMeo, is back on the team, but he will need some time to get back into shape. Junior Jeff Tyther is suffering from shin splints, sophomore Mark Huamani is out with a broken nose and senior Bill Huamani has an ear infection which could hamper him this weekend.

Burden led the way against Livingston, winning the race by one second over his Livingston rival. He finished with a personal best of 18:06 on the home course in that race as well. In the Bloomfield race, Burden was third and against Eastside, he didn't finish the race because of an injury.

didn't finish the race because of an injury.

Hutchinson, the team's most consistent performer thus far, was second against Bloomfield, fifth against Livingston and was the first Belleville runner across the wire against Eastside, taking eighth place overall. Tosakt owas very happy with the performance of Hutchinson and sees good things from the upperclassman as the season progresses.

Huamani was fourth versus Bloomfield, ninth against Eastside and sixth in the Livingston race. His time of 18-49 against Livingston was a personal best for the senior.

In the Bloomfield race, Belleville took second, third and fourth place but lost the race by a close margin. A solid fourth runner is the final piece to the puzzle that Tosato is looking for.

for.

The girls' cross country team is 1-1 after defeating Bloomfield, 26-29 and losing to Eastside, 15-44. Joyce Luongo, a freshman, was second in the Bloomfield race while sophomore Donna Lee Daudelin took third.

Anthony De Aquino's soccer team, coming off a 15-6-2 campaign in 1983, has been playing well in the early stages of 1984. The Bucs suffered a tough 2-1 loss at Montelair last weekend and took a 1-3 record

into this week's action. Ozzie Stefanon tallied the only Belleville score of the day in the first half, which was unassisted. Buccaneer goalie Bill Donnerstag did a fine jobing of the beautiful of the properties of the propertie

against Hasbrouck Heights and should be a big factor during the season.

Here is the answer to last week's quiz. The question was, name the divisional playoffs of the 1981 major league baseball season which was interrupted by the strike. The answer Philadelphia and Montreal won in four games. Los Angeles and Houston played in the East, which Montreal won in four games. Los Angeles and Houston played in the West, with LA winning in five-games. In the West, with LA winning in five-games in the East's crown, with the Yanks winning in five games. In the West, the Kansung to the City Royals and Oakland A's played for the crown, with Oakland sweeping in three games.

For this week's quiz, in 1980. Hastingal League Western Division crown came down to a one-game playoff for the championship. Name the two teams which played the one game, the winning pitcher and where the game was played. Also, name the team the conference winner played in the NL championship series.

very happy with our conditioning."

The conditioning might have been the most important factor. Don Bosco, 8-2 last year and Parochial A Champion, is a team that uses a separate offense and defense. Belle ville has eight players going both ways and with the temperature in the high 80s throughout the contest, the heat could have sagged the Bucaneers' chances in the second half, Instead, the local players displayed that Belleville pride and overcame the local players displayed that Belleville pride and overcame the hellem to to post a very impressive victory.

The first half was a defensive struggle. Belleville had one strong drive in the half, which started from its own 40. A pass interference penalty, an II-yard run by quarterback Mark Walsh, a 17-yarder by running back John Oliveri and some strong runs by Michael Gibbons moved the ball to the Don Bosco one, where it was first and goal. At that time, the Bucs' starting center, Ed Stangl, went out with a minor injury and Walsh fumbled the next two snaps from the new center. On both instances, he recovered the ball, but Don Bosco gained some momentum and halted the drive at the DB 20.

In the second quarter, following a fine punt by Dave Long,

Bosco quarterback Rob Nutile, who doesn't know how to hand off, passed to John Morrison, who fumbled at the DB eight. Anthôny Gizzo was alert and advanced the loose ball the final eight yards for the first score of the season. Ralph Chimento added the conversion and Believille led, 7-0.

The heat seemed to have an effect on both teams in the second half. Nutile tried every pass pattern in the books to try and move his club, but Don Bosco never got closer than the Belleville 29. On the day, Nutile, who is considered to be one of the best passers in the area, was 13 of 28 for 150 yast and two interceptions, one by Walsh and the other by Joe Feith.

The final Belleville score of the day came late in the fourth quarter when Gibbons took a handoff from Walsh and scooted undured when Gibbons took a handoff from Walsh and scooted undured when Gibbons took a handoff from Walsh and scooted undured when Gibbons took a handoff from Walsh and scooted undured the final point after attempt and Belleville had won its fourth straight opener, sixth in the last eight opener o

Senesky cited the fine play of Jim Caponi, Gibbons, Bob Mozzika, Walsh, Stewe Kimbler, Fetth, Gerald Kraus, John Apicella and Dominick Di Paolo. "Our kids played a tough game," praised the coach. "We played with a lot of intensity and did a good job against a very well-disciplined team that did a lot of passing. It was a good start."

The Bues focus now turns to Bergen Catholic Last season, BC was 7-3, losing the Parchial A playoffs to Don Bosco. This season, BC Started with a 24-0 shellacking of Bloomfield and feature a huge offensive and defensive line. "It will be a tough assignment," said Senesky. "They remind me of the old Steon Hall teams and some of the big Montchir teams we've faced in the past. They have a good passing and running team and should be quite a challenge."

NOTES: Bosco was penalized for 102 yards white Belleville was hit with just 15 yards in penalties. No injuries for Belleville, other than leg cramps to Gizzo. Long did a marvelous job in the punting department, also had be quite a challenge punting Don Bosco deep in its own territory. Walsh did a good job in the running department and will add a new Almension to the Bues backfield with his bootlegs.

BHS scores fall far below all state averages

(Continued from Page 1) tor of student personnel services in Belleville, noted that the MBS scores for local ninth graders have improved steadily over the past five years.

While Belleville students scored in the 40s and 50s on 1973 and 1974 state assessment tests, they now score in the 90s, administrators noted.

However, the educators who spoke at Monday's meeting reminded the board that the MBS test is only a test of the most basic skills and New Jersey students face a much tougher challenge in the new High School Proficiency Test.

Dr. Benninger explained that the HSPT, which is still being administered on a trial basis to ninth

graders statewide, will make its official debut in 1985 and a passing grade will be required before next year's freshmen will be permitted to graduate in 1989. Students who fail the HSPT will be required to take remedial work and repeat the test until achieving a passing score.

Though only an experimental test this year, the scores from the HSPT showed Belleville students, one again, on a fairly even scale with the state and district scores.

The HSPT consists of three

The HSPT consists of three parts, reading, math, and writing. On the reading test, Belleville students scored 75.6 compared with state figures of 77.3 and district average of 68.3.

state figures of 77,3 and district average of 68.3.

Math scores put Belleville as 80,0 state results at 62,6 and the district average at 52.2.

The challenging writing test consists of a multiple choice section with questions on such skills as word recognition and identifying parts of speech as well as an essay section.

On multiple choice, Belleville scores were 76.4, the state was 77.7, and the district was 70.1.

The essay test results for Belleville were 7.8, the state 7.6, and the district 6.5 out of a possible 10 points.

The total of all HSPT scores put Belleville students at 80.8, the state at the same figure and the district at 80.1

district at 80.1
Calling the new test, "pretty tough," Leonard Marciano, the high school English supervisor, outlined the strengths and weaknesses Belleville students displayed on both the MBS and HSPT exams, and made recommendations for improving future performance.

mendations for improving future performance.

On the MBS, he said students were strong in word recognition and in using study skills such as consulting a book's index or table of contents.

consulting a book's index of table of contents.

Weakness showed in control of verb tenses, and in identifying the purpose of an author in long written selections.

A primary recommendation Marciano made in his vigorous report was to reduce class sizes

classes.

Presently, English teachers teach five classes a day averaging about 25 students to the class.

Marciano noted smaller classes would permit teachers to give more writing assignments and spend more time in correcting and evaluating each.

Other recommendations were to encourage teachers in every subject area to focus on reading comprehension and writing skills and to be familiar with the weaknesses common to Belleville students.

students. "There should be a watchdog to around and check that every teacher is teaching writing regardless of the subject writen about," said Marciano. When asked by board trustee Phil Linfante who the watchdog would be, Marciano implied the board should consider naming another individual to the post of writing supervisor.

another individual to the post of writing supervisor. "I already have 33 teachers under my direction," said Marciano, who apparently will not perform those "watchdog" duties In a similar report, Mathematics Supervisor Michael Lemongello also urged the board to consider the challenges posed by the difficult HSPT. On the trial exam, he noted Belleville students scored 58.0, the state results were 62.6 and the district group was 52.2. To prove his point, Lemongello read comparison samples of questions from both the MBS and

HSPT exams. Those from the lat-ter test were much more difficult

To meet the challenges posed, since both Marciano and To meet the challenges posed, and complex.

In a specific example, the teacher noted an HSPT question Lenguler between the challenges posed, since both Marciano and teacher noted an HSPT question that the forthe HSPT will be higher decimals in fraction form.

While the names Faith Adams and Allison Burden are a thing of the past in Belleville volleyball, the girls' volleyball team continues to excel, winning three matches in their first four attempts. Grace Worley's band of wizards have been particularly impressive in the last five days, sweeping past Montclair and Immaculate Heart after splitting the first two matches with Bloomfield and Passaic Valley. The girls battled Passaic yesterday and travel to Nutley tomorrow afternoon for a 4 p.m. start. On Saturday, the girls travel to William Paterson College for a tournament. On Monday, it's back to conference action with a home match against always tough Paterson Kennedy. Next Wednesday, the girls battle Passaic, also at home.

Respectfully, ADPRINT, INC.

The Passaic Valley match saw excellent play from Debbie Worley and Donna Brooks translate into an impressive victory. "Debbie and Donna are forming a very impressive team," said Worley. "They are both tough up front and both are hitting very well."

After the Bloomfield debacle, Belleville went back to the drawing board and implemented a new offense. "We changed from a 4-2 to a 5-1," recalled Worley. "With the new offense, Debbie is the only setter and everyone has a new position. We practiced on it for two hours on Wednesday and Thursday and used it for our match with Montclair last Friday. It worked very well."

Indeed, Belleville came out in front of the match, sweeping an excellent Mountie team and winning its second match in three tries. Last Monday, the girls boosted their team record to 3-1 with another two-game sweep, this time against Immaculate Heart of Westwood.

In that match, Brooks was awesome at the net and junior Sheri Phelps did a fine job at the net. Worley also noted that sophomore Christine Melillo has come around quite nicely over the

last two weeks. "She has developed a good serve, is getting off her feet and is spiking very well. She has good hits and is blocking well." Meililo's improvement should help Belleville as the season progresses and the competition gets increasingly tougher.

Also doing a fine job has been senior Liz Goldrick. "Liz has good mobility and has been platoning with Chris so far," said Worley. "She gives us a good back line defense and her experience will certainly help us."

Although Worley admits that her team is rebuilding, the

D & M Printing Sweeps Series At Lyndhurst

At Lyndhurst

"It took six seasons, but the wait was worth it," exlaimed a joyous coach John Marx as his teammates from D & M Printing of Belleville shouted "We're number one."

The boys of Belleville crushed Lyndhurst No Respect, 32-7 and Lyndhurst No Respect, 32-7 and Lyndhurst No Respect, 32-7 and Mirst entered the J.D.S.L. in 1979 as Imperials of Newark sponsored by State Senator Anthony Imperiale and changed sponsors to the Nutley Pet Center and High Seas Restaurant before becoming D & M Printing this season.

The World Series matched No Respect of Lyndhurst against Belleville. Lyndhurst and Belleville have always been rivials so the series promised to be competitive and exciting.

This was not the case as D & M, who has led the league in runs scored several times, mauled No Respect.

The World Series took place at

Respect.

The World Series took place at Gunnel Oval in Kearny — a field which has not been kind to D & M. Several years ago, D & M lost to the Lyndhurst Reds in the playoffs at the oval.

D & M exploded for 54 runs in

playoffs at the oval.

D & M exploded for 54 runs in the two-game sweep as Billy Gallagher, selected Most Valuable Player of the World Series, went nine for 10 with two home runs and 11 runs batted in Billy's only out was a strikeout.

Lugi Chimento, the 1983 J.D.S.L. season MVP, hit two tape measure home runs and collected seven RBIs.

Jumy DeAngelis, who was named the 19874 season MVP, collected a homer and six RBIs.

Ray Marx got the win in game one with Mike SanGiacoma picking up the clincher in relief.

Bobby Brave had nine hits and three RBIs and Walt Harris had seven hits, two homers and seven RBIs.

Wizards of Belleville continue to find that winning formula against some very good competition.
