Bucs Defeated, 21-0 By Bergen Catholic

Team Suffers First Shutout Since '81; Game Against Eastside Next Saturday

By Mike Lamberg

There are still seven games left in the regular season, and the expectations are certainly high that those games will produce some victories, but last Saturday, the Belleville Buccaneers suffered a very rare defeat, bowing to a powerful Bergen Catholic squad, 21-0, in the home opener at Municipal Stadium before a large and somewhat disappointed crowd.

The Bucs will look to rebound when they battle Paterson Eastside on Saturday afternoon, starting at 1:30 p.m. from Eastside High School. While Eastside is 0-2, head coach John Senesky is looking for a very difficult game with the Ghosts.

As for the Bergen Catholic tussle, Senesky was quite candid when asked to summarize his team's effort. "We lost to a better team." Certainly, on this night, Bergen Catholic was the better unit. They executed well, made very few mistakes and used their size advantage to the maximum.

"They might be the best team in the NNJL," Senesky said of Bergen Catholic. "They run well, pass well, execute well. I can't say enough good things about them. We executed fairly well, but we made opening day mistakes and against a team like that, you can't make mistakes and expect to win."

Senesky also had some sharp criticism for the Star Ledger and their rankings. "I've said it before and I'll say it now, how does a newspaper rank a team that they haven't seen play before? We lost so much to graduation last year and yet, they rank us third in the state. Every team we play is gunning for us and it takes away an edge that we normally would have. We're not a very big team and we're not very quick, so any edge we can get will certainly help. Those rankings, this early in the season, do not make much sense."

Bergen Catholic, like a well oiled machine, struck early and with a big impact. In the first quarter, the visitors tallied on their first possession when quarterback Bob Neuner found wide receiver John O'Brien on a 36 yard pass. The play climaxed a four play, 48 yard drive following a Dave Long punt. The conversion added, BC led, 7-0.

Belleville turned to the running game, using Michael Gibbons for some impressive runs and driving as far as the BC 33 yard line

before losing the ball on downs. On their next possession, BC struck again, starting from their own 28 and driving 17 yards in eleven plays, finishing the drive when running back Dan Hopkins ran five yards for the score. Following the conversion, Belleville trailed, 14-0.

The Buccaneer defense stiffened at that point, and the offense tried in vain to score against a tough BC defense. Late in the first half, the Bucs started from the BC 29 following a short punt, but a holding penalty and some incomplete passes moved the ball back to mid field, where Belleville was forced to punt. The first half ended, 14-0.

Belleville came out fired up to start the second half and seemed to have an edge. On third and nine from their own 29, Bergen Catholic quarterback Neuner hit Mike Minogue with a desperation pass, good for 21 yards and a first down at midfield. It seemed to be the turning point of the game because the Buccaneer attack wasn't the same after that completion.

The final BC tally of the night game late in the fourth quarter when Neuner hit Mike Sullivan with a 7 yard touchdown pass off a fake field goal attempt. The final conversion was added and Belleville was down, 21-0.

Many questions enter the mind following a set back like this. Will the Belleville players use this contest as a learning experience and grow with it, or will it demoralize them and take away confidence. "The kids will bounce back," Senesky said. "This loss will bring them down to earth, but they can come back. We were confident entering this game, maybe too confident. You read in the paper where we're supposed to win the game and that can have an effect on a young athlete. Hopefully, we'll rebound next week."

There were some good performances turned in by the Bucs. Mark Walsh played a fine game in the secondary. Michael Gibbons was effective in the backfield and the offensive and defensive lines were pretty effective. It was just one of those nights when the opposition was perfect and the end result was a defeat.

NOTES: The shutout was the first against Belleville since the 7-0 loss to Passaic back in 1981. It is just the third shutout against Belleville since 1977. Senesky pointed

(Please see 'Bucs' on page 13)

John S. Lorec

Lorec Elected As AMVETS New Leader

Belleville resident John S. Lorec was unanimously elected National Commander of American Veterans of World War II, Korea and Vietnam at the organization's 40th National Convention held in Knoxville, Tenn.

Lorec took office on Sept. 1 and will serve a one-year term representing the 200,000-member veterans group. Commander Lorec was born in Derby, Conn. and relocated to New Jersey following his service in the U.S. Air Force. He enlisted April 3, 1952 and served in the Air Force's medical division. He was honorably discharged April 2, 1956.

Lorec has been active in AMVETS for more than 25 years and is a life member of Belleville AMVETS Post 26. He is a member of American Legion Post 3299 in Belleville and a life member of the Disabled American War Veterans.

Commander Lorec held all of the elective and appointive offices at the post level and was also state department commander, and member of the National Executive Committee. He had been chairman of the AMVETS Convention held in Atlantic City and active in membership and other programs. He is also active in the Boy Scouts of America, United Way and the Little League. He has been executive secretary of the Belleville Veterans Council.

Lorec is employed by Fireman's Fund Insurance Company in Parsippany and has been with the company for 26 years as a data processing manager. He took a one-year's leave of absence while serving as AMVETS' National Commander.

1975 as a news correspondent. In November 1978 she began her career as co-anchor of Channel 2 News Sunday broadcasts. Prior to coming to Channel 2, Martin was a producer and correspondent for WMAL-TV, now WJLA-TV in Washington, D.C. from May 1973 to October 1975. Before that, she wrote feature articles for the Sunday magazine of the Detroit Free Press from December 1971 to May 1973.

Martin began her career writing public service spots for WJLA-TV, now WDIV-TV, in Detroit, from August 1970 to December 1971. Martin has been honored by her colleagues and by the community she serves. She was named

Major Health Study Shows '83 Chemical Leak Posed No Hazards to Valley Area

By Linda Telesco

A major state and local health study released last week reported no health hazards were posed to Valley area residents or workers from a 1983 chemical leak at a Main Street manufacturing plant.

Belleville Health Officer Tom Longo said he was "absolutely" pleased and satisfied with the results of the study conducted by both the state and local health departments.

"The study was extensive and detailed," said Longo. "I think the state did a fine job."

The study was initiated soon after a May 1983 toxic leak was discovered on the property of Research Organic-Inorganic Chemical Co. at 501 Main St.

The food-flavoring manufacturing plant, ironically, had been closed for operation only days before by local officials who discovered hazardous conditions there.

The May 11 leak of an irritant later identified as benzyl chloride led to the closing of the neighborhood's elementary School 9 for the remainder of the school year and the closing of a number of area businesses during the first two days of the leak.

The incident caused a local furor. Residents complained of skin rashes, irritated eyes, respiratory problems, and general ill feelings.

They reported that the facility frequently emitted troublesome odors which seemed particularly bad the day the leak was discovered.

As the township acted to clean up the situation, the state Health Commissioner Dr. J. Richard Goldstein said a complete study of all health problems reported by area residents and workers would be made.

Some 680 people were examined by a team of physicians sent to the area. Samples were taken of blood and urine to be analyzed for abnormalities.

According to Longo, the report shows no abnormalities attributable to chemical exposure. The irritations, lung complaints, and skin rashes were, he said, judged to be within the range expected from residents living in a heavily industrial area near a major highway.

"We can't really go back in time and see if any of these problems had a cause prior to the chemical leak that year," added Longo.

According to the health of-

ficer, the primary worry of local officials was to protect the site from possible fire or explosion which, he said, would certainly have created chemical pollution.

Since the original incident, the plant has remained closed and its owner Marianne Prater and a head chemist were found guilty of criminal charges involving chemical abuse.

A major cleanup by private firms and state authorities has

removed most of the large containers found at the site, Longo said.

Many of those containers had been unmarked and improperly stored. Some were found to contain toxic and radioactive substances, according to investigation authorities.

The officer said state officials were still working periodically to

(Please see 'Cleanup' on page 13)

Columbus Day Parade Will Step Off Here This Sunday at Noon

The second annual Columbus Day Parade for Nutley and Belleville will be held here this Sunday, with step-off time at noon.

Maria Rossi, daughter of Vreeland Avenue residents Michael and Angela Rossi, had been chosen as queen of the parade.

Angelo R. Bianchi, a Nutley attorney and former N.J. commissioner of banking, will be the grand marshal for the parade. Jack Nosti will serve as general chairman for the parade, which is sponsored by the Nutley Italian-American Civic Association, Public Works Director Joseph Grande will serve as the parade coordinator in Belleville.

A dinner-dance has been slated for tomorrow night in the Nutley Elks Lodge, 242 Chestnut St. Tickets for the affair are priced \$25 per person. The evening will feature a cocktail hour, open bar,

a full course dinner, dancing and live entertainment, coffee and dessert. Call Nosti at 667-7334 for reservations.

Rossi, an active member of Holy Family Church, is a junior at Nutley High School. She is a musician who studies flute and piano and is a member of the NHS junior varsity basketball team. Rossi is a member of the NHS Student Council and plans to attend college for a career in law. She will also serve as "Bella Signorina" for the Italian-American Association for 1985. Rossi is a graduate of Holy Family School.

Bianchi, a partner in the Nutley law firm of Bianchi and Casale, has served in various government positions. He was state banking commissioner from 1978 to 1982. Bianchi also served

(Please see 'Parade' on page 13)

Town Fathers Approve New Telephone System

Making connections may soon be easier for citizens calling municipal offices.

Commissioners approved a bond ordinance last week appropriating \$900,000 and authorizing issuance of \$85,000 in bonds to finance the installation of a complete new municipal telecommunications system.

"This is something the township really needs," said Mayor Michael Marotti, who noted the present system is too antiquated to be of much use.

The Mayor said the new phones would not only be more efficient, but should save the township about \$1700 monthly on bills.

"Sometimes when I call in myself I can't get through or I lose the connections," he said. "Now when citizens call if they get put on hold, they won't get cut off."

The system is being installed by Garrigan Consulting Associates, a Clifton firm that bid on and won the project last month.

President of the firm, Walter Garrigan, explained his company's bid for the project is approximately "\$75,000 in upfront money," a figure that may change when various phases of the complex job are added.

The Clifton firm won the job after completing an initial study of Belleville's present communications system.

Commissioners hired the Gar-

rian firm last May to conduct a five phase project which began with a \$1500 study of the township's needs.

Phase II, designing an effective and suitable local system costs \$750 and each of the subsequent three steps is priced at \$750 apiece.

In phase III, the firm prepared the specifications so the installation project could go out for bids.

Although, according to Mayor Marotti, two other firms expressed an interest in the project, Garrigan was eventually the only company to submit a formal bid.

Once the bond ordinance is approved, the firm begins Phase IV, installing the system and negotiating contracts for services such as wiring the buildings.

In the final phase, the firm will administer the system and set up procedures for management.

According to Garrigan, the new system should be in operation by the end of the year.

He noted the study led to a recommendation to install 125 telephone instruments in the municipal system, a reduction of about 15 telephones judged unnecessary.

Complications with finding parts to repair breakdowns in Belleville's aging current system as well as the dilemma posed by last year's divestiture of AT&T prompted Commissioners to begin an overhaul of the local telephone system.

CBS's Carol Martin Will Speak Oct. 8

Carol Martin
Channel 2 Co-Anchor

Carol Martin, co-anchor of Channel 2 News at Five, will be the featured speaker next Monday when the Concerned Women of Roche sponsor a dinner program on the subject, "The Changing Image of Women in the Media."

Monday's program is scheduled for 5:30 p.m. at the Armando DiVella, Nutley.

Prior to her assignment on the 5 p.m. WCBS-TV News, Martin previously had anchored Channel 2's news at 6 p.m.

In addition to her anchoring duties, Martin also presents a special weekly segment in which she profiles and out-of-the-ordinary person in the tri-state area.

Martin joined Channel 2 in

1975 as a news correspondent. In November 1978 she began her career as co-anchor of Channel 2 News Sunday broadcasts.

Prior to coming to Channel 2, Martin was a producer and correspondent for WMAL-TV, now WJLA-TV in Washington, D.C. from May 1973 to October 1975. Before that, she wrote feature articles for the Sunday magazine of the Detroit Free Press from December 1971 to May 1973.

Martin began her career writing public service spots for WJLA-TV, now WDIV-TV, in Detroit, from August 1970 to December 1971.

Martin has been honored by her colleagues and by the community she serves. She was named

"Outstanding Woman in Media" by the New York Chapter of American Women in Radio and Television in 1980 and in 1978 was the recipient of a New York Area Emmy Award for "Outstanding Reporting." She was honored for her achievements in communication by the Long Island Chapter of Cerebral Palsy in 1981.

Other honors include the 1977 "Black Achievers in Industry" prize bestowed by the Harlem YMCA, the 1979 Public Service Award from the Anti-Defamation League, B'nai B'rith, a 1980 CEJA Award presented by The World Institute of Black Communicators for her feature

Belleville Business Bureau

The Mood of Our Town Is Positive!

By Howard Halpern

Being a merchant in town and serving the Belleville public for the last 22 years, I consider myself as qualified as anyone to make an assessment of "our" town. Belleville is definitely moving in a progressive direction. The mood of its citizens seems to be changing for the better. The Town Fathers are optimistic, and the various businesses in town are also optimistic. This wasn't the case a few short years ago. I can remember when apathy was the subject, mist, just, the feeling, and suspicion the mood. The so-called "cliques" are vanishing, personality clashes among our politicians is becoming a "let's work together" atmosphere. The school system is improving, roads are being repaired, the police and fire departments, showing compassion, are always there when you need them. The uphill battle for the redevelopment of Belleville's main thoroughfare will become a reality, thanks to the foresight of a group of very dedicated people. Let's keep this mood alive, voice your ideas to the proper authorities, they will listen and they will help. "It's Better in Belleville." It's not just a slogan.

Freedom are hard won and easily lost. The nation's largest and most prestigious business organizations are suddenly conducting voter registration drives. No, not for minority or low income groups. They're being conducted for managers and administrators, 40 percent of which failed to vote in 1982, for physicians, dentists, architects, and lawyers from which 36 percent failed to vote in '82. Those facts are hard to swallow especially amongst the so-called educated and upper income classes. Just remember no matter what your tax bracket is, the first obligation to your country is to vote.

There is a complex of beautiful old buildings reminiscent of an old military or naval base of by-gone years. The silence of these structures are broken by the click of high heel shoes of secretaries who assist the executives in the Belleville office of the Economic Development Corp. of Essex County. It was here in the quiet of the old buildings in Belleville, that occurred the realization that Essex County lagged behind the other counties in the state. The agency was critical of itself for not making available enough development money as the other counties have. This fault was recognized so that now the primary mission of the Essex County Development Corp. is to dedicate themselves to the development of a countywide economic base that provides employment opportunities for its citizens.

It would be wise not to count on your Social Security benefit when you retire. The maximum 1984 retirement benefit for a couple is \$12,654 which will cost you \$3,163 of additional taxes. You would be smart to plan for this tax and replace this lost income by saving more on your own. Since the President favors private investment and savings over government systems, it's an absolute "must" to take advantage of an IRA plan or your going to be in big trouble upon retirement. The President favors a welfare system for retired poor people rather than for those that can afford it. Whether you agree or disagree with him doesn't matter, my advice is to start saving.

Advanced ticket sales for the upcoming Belleville Chamber of Commerce 20th Annual Dinner Dance indicate a sell out. Please order tickets early. The dinner dance will be held Nov. 24 at the Branch Brook Manor, Belleville.

Special Ed Parents Plan Oct. 11 Meeting

The Special Education Parents and Professional Organization will hold its first meeting for the year Thursday, Oct. 11 at 7:30 p.m. at School 5.

Purpose of the organization is to aid parents in dealing with all aspects of special education. School officials, board of education members, administrators, parents, teachers and child study team members have been invited. The meeting is open to the public.

A discussion of the summer program for special students as well as a question and answer period are planned. Refreshments will be served.

Full membership is \$2 and sponsorship is \$1.

Many activities are planned for the coming year including a children's halloween party, a Christmas party and the annual Belleville Special Olympics in the spring.

Mental Health Services To Start Support Unit

Community Mental Health Services for Belleville, Bloomfield, and Nutley is sponsoring a time-limited support group for families of the chronic mentally ill. The group will meet for eight consecutive Monday evenings from 7 to 8:30 p.m. beginning Oct. 15.

Meetings will be held in the agency offices on the grounds of the Essex County Geriatric Center, corner of Belleville and Franklin avenues, Belleville.

The group facilitator will be Charlotte Cohen, M.S.W., of the Community Mental Health Services Outpatient staff. The group will provide support, education, and an opportunity to share concerns. Participating family members may be parents, siblings, spouses or grandparents of a chronically ill family member.

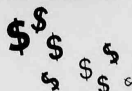

Issues that will be discussed include medication, day treatment programs, dealing with stress and dependency, and other concerns and feelings commonly ex-

perienced by family members.

A fee of \$25 is being charged for the eight sessions. However, arrangements can be made for those who cannot pay.

Please contact Charlotte Cohen, M.S.W. at 450-3100, for further information and registration.

SLEEP ON IT
One in three American adults reports having some problems with insomnia and one in six feels the problem is serious. Before resorting to sleeping pills, assess your sleep habits. Try to avoid an irregular sleep schedule, daytime naps, caffeine and alcohol near bedtime. Avoid using your bedroom as a home office. If you suffer from transient insomnia, as can occur with jet lag, try to wait it out. If you elect to use sleeping pills at such times, do not take them for more than one to three nights. When using sleeping pills, do not take them every night. Most cease to aid sleep after as few as two weeks of regular use. Also, do not stop taking sleeping pills abruptly. Cut back gradually.

For complete prescription service stop at ROSSAURE PHARMACY, 338 Washington Ave., 750-1968, 750-1956. "Your Doctor Knows Us-Your Doctor Trusts Us". Our stocks include greeting cards, baby needs, transistor radios, Times watches, tobacco and smokers sundries. Open: 9am-10pm daily, 9am-9pm Sundays.

Bellevillites Are Eligible For \$1 Million

Three Belleville residents are finalists in today's first bonus millionaire drawing as part of the New Jersey Lottery's "Pick Six" game.

Today's winners will be selected in a 12:15 p.m. ceremony at the Moorestown Mall in Burlington County.

From Belleville, the three finalists are M. M. Ricciardielli, Alan J. Sierchio and Dorothy Towns.

Lottery Executive Director Hazel Frank Gluck tells The Belleville Times that today's drawing is the first under the new Pick-6 game structure which features a top prize of \$1 million, payable at \$50,000 annually for 20 years. The former top bonus prize was \$200,000 in cash.

Besides the three Belleville residents, there are 217 finalists competing in today's Moorestown drawing.

AARP Meets 1 p.m. Today

The Belleville Chapter 2051 American Association of Retired Persons will meet today at 1 p.m. in the Fewsmith Presbyterian Church, 444 Union Ave.

The speaker will be Dr. Arena. His subject will be podiatry.

Hostesses for the meeting will be Dorothy Walker and Peggy Bergman.

There also will be an official board meeting Thursday, Oct. 11.

Big Band Festival Coming To Belleville High Oct. 23

Belleville High School is sponsoring a marching band competition Tuesday, Oct. 23 at 7 p.m. at

the Municipal Stadium.

The event, sponsored by the Belleville High School Music

Parents Association, will draw participants from Essex, Hudson, Bergen and Union counties. Already scheduled to participate along with Belleville are Kearny, West Essex, Verona, Rutherford and David Brearley (Union) high schools.

Upcoming Events Listed For Belleville Library

On exhibit this month at the Belleville Public Library, 221 Washington Ave., are the works of Otto Zappo of Bloomfield and Nathaniel Caines of East Orange. Both men have studied with Gladys Sherman of the Treasure Gallery of Belleville.

There will also be an Oriental display by Lillian Wescott of Belleville and postcards of pre-World War II London presented by reference librarian, Cindy La Rue. Both displays, as well as the exhibits, can be seen during library hours.

At 10 a.m. today, Oct. 4, a preschool story hour will be conducted by Alice Norris from 10:10-10:45 a.m. at the library's main branch. Preregistration is required. Call the library at 759-9200. This program will also run Oct. 9, 11, 16, 18, 23, 25 and 30.

A videotape, "Reading Readiness and Your Children," developed by the Belleville Public Library in conjunction with Libraries in Focus, will also be shown today starting at 10 a.m.

"Fingerspelling" will be offered by Kathleen Mollica Oct. 8 from 3:30-4 p.m. at the Silver Lake branch, 30 Magnolia St. Also Oct. 15, 22 and 29.

The game, Trivial Pursuit, will be taught Oct. 9 and 11 at the library's main branch starting at 10 a.m.

On Wednesday, Oct. 10, the Community Mental Health Services of Belleville, Bloomfield, and Nutley will offer a workshop for mothers of preschool children at 10:30 a.m. at the Silver Lake branch. This program also runs

Oct. 17 and 31.

A story hour for toddlers, conducted by Alice Norris, will be held Oct. 10, starting at 10 a.m. at the library's main branch. Preregistration is required for this program which also takes place Oct. 17 and 24.

"Ghost Stories," narrated by Alice Norris, will also be presented. The program starts at 3:30 p.m. and will be held Oct. 17 and 24.

A toddler preschool will be conducted by Kathleen Mollica Oct. 10 from 9:15-10:15 a.m. At 10:15 a.m. a preschool for children will be held. Preregistration is required. This program will also run Oct. 17 and 31.

"Making Americana Plaques" will be taught by Adrea Cohen Oct. 16 and 18 at the library's main branch, starting at 10 a.m.

The "Making of the Redfin of the Jeds" will be shown from 3:30-4:30 p.m. Oct. 19 at the Silver Lake branch.

A slide presentation of Israel and Alaska will be shown by Adrea Cohen Oct. 23 and 25 starting at 10 a.m. at the library's main branch.

On Oct. 27 a Halloween party will be held at 10 a.m. in the children's room at the main library.

Trick or treat will take place Oct. 31 starting at 10 a.m. and also at 4 p.m. at the library's main branch. Children are invited to wear their costumes.

For additional information on these and other programs, call the library at 759-9200.

"We are thrilled to be able to hold this event at Belleville High School. The response so far has been most enthusiastic," Robert Current, president of the BHS Music Parents Association, said.

The proceeds of the competition will be used to aid the development of the band at Belleville High School.

"We have been making great strides over the past several years in the development of our band both from the standpoint of enthusiasm and skill. We feel that as parents we must match our children's enthusiasm and offer them any help possible."

Tickets, which cost \$3 for everyone, can be obtained at the gate. The rain date is Wednesday, Oct. 24.

InterAgency Council Opens Fall Season

The Belleville InterAgency Council held its September organizational meeting at the Belleville Public Library, Sept. 24 when a publicity and video committee was established.

Plans were initiated for future workshops, sponsored by the group. Organizations interested in joining the InterAgency Council are asked to call Alice Ricci, executive director of the Community Mental Health Services.

Prayer For Today

Almighty God, comfort us by Thy fullness. Our strength is but weakness, our knowledge is but small, our life but passing away. By Thine eternal wisdom, by Thine unshaken power, Thy constant years, Thine unfailing love, uphold and comfort us, that we, ever feeling that our little lives are altogether in Thee, may look forward to the ending of this mortal life without fear, longing for an entrance into that large abundant life where Thou shalt be all in all.

Janette Nutley Center

Eighty of anything is a long time. Eighty business birthdays is a very long, long time. This month, Janette Nutley Center is celebrating its 80th birthday. How sweet it is!

Janette Nutley Center, JNC the Men's Store, had their humble beginnings on Ferry Street, Newark in 1904. Originally, it offered yard goods and ancillary items such as needles, threads, yarn, buttons, and instead of zippers, they probably offered plackets for sale. From Ferry Street, the business established by Julius Vicaris and Concetta Vicaris was moved to new and larger quarters at 52 Belmont Avenue, Belleville, where it traded as Vicaris's Department Store, offering a greater variety of goods, including a selection of ready made clothes.

In 1928, another move to a more active trading area was made by the Vicaris's. This time to the Tri-City Center at 8 Bloomfield Avenue, Bloomfield.

The driving force behind the budding business was Concetta Vicaris, wife of the founder, Julius Vicaris, who throughout the growth of the business continued his career as a professor and teacher of music. One of his star pupils was Nick Luca, the originator of the song "Tiptoe Through the Tulips."

Shortly before the death of Concetta Vicaris, her eldest son, Salvatore Vicaris, quit the music profession to assume the management of the family store in Bloomfield, which continued under the name of Vicaris's Department Store, in existence today under the management of Victor Vicaris.

Janette Nutley Center was established as Janette Shop at 227 Franklin Avenue, Nutley, in 1938 as a branch of Vicaris's Department by Joseph R. Vicaris.

To permit young Joseph to attend law school, and during his World War II tour of duty with the U.S. Army, Janette Shop was managed by his sisters, Antoinette Peduto, Concetta Ferri and Mary Ann Freudenman. As the years rolled by, Joseph R. Vicaris became an attorney and completed a tour of Army duty, returning home after World War II and moved the business up the street to its present location and modified the store name to Janette Nutley Center where it has flourished ever since.

Today, JNC occupies two floors totalling approximately 28,000 square feet. In addition,

JNC the Men's Store, was established across the street from Janette Nutley Center about eight years ago. JNC also operates a store in Union devoted exclusively to women of larger sizes trading as Mary Stuart Woman by JNC.

Today, the family of JNC affiliates is truly a family establishment catering to the needs of family members of all ages and all sexes, from infants and toddlers to female and male adults. You name it — and JNC has it.

The working family of JNC is in excess of 100 employees. Not only do they look happy, they are happy people. The Executive Vice President and Chief Operating Officer of the JNC empire is Belleville resident, Nicholas Mazzola who has been associated with JNC for 31 years. The customer base for JNC is the tri-town area of Belleville, Nutley and Bloomfield, with a spillover into Kearny and North Arlington to the east, Clifton and Passaic to the north, and Bloomfield, Montclair and Glen Ridge to the west.

JNC's beautiful buildings facing each other on Franklin Avenue have become a Nutley landmark. The establishment has earned a reputation for integrity and fair dealing. Anyone who knows President Joseph R. Vicaris soon comes to the realization he would have it no other way. A businessman of impeccable character, possessed of uncompromising principles, Joseph R. Vicaris has given the Nutley and Belleville area a business facility of which we can all take pride. The business enterprise has produced a convenience for area residents, over 100 jobs for neighborhood people, and attractive buildings at Nutley's four corners.

Proudly we hail JNC on its 80th birthday. At 80 years young, it still possesses unlimited vitality and energy to meet the expanding needs of its customers. We join the community in extending to President Joseph R. Vicaris, Executive Vice President Nicholas Mazzola, and the JNC staff our best wishes for continued good health and prosperity on this most important occasion.

Frank A. Orechio

Golden Comments

By James Golden

The newsstand price of Time magazine went up to \$1.95 with its October 1 issue, reflecting cost of production and postal charges for delivery to the more than 4,390,000 mail subscribers which continue to increase and it is still a "good buy" in view of the wealth of factual, authoritative information one may glean from its pages.

Even the cogeneity of the Letter to the Editor expressing the views of informed persons on current matters written on subjects from earlier issues is thought provoking and interesting. An illustration of three such letters on the subject of "Re-Educating Rejects" indicates the thinking of the writers on the subject, especially are they interesting since they refer to a company we're familiar with.

Letter 1: Government pressure on Prudential Insurance to train job applicants is once rejected, in order to further affirmative action, is incomprehensible (Economy and Business Sept. 3) President Reagan is wrong if he thinks government is becoming less involved in our daily lives.

Richard Walbert
Tampa

Letter 2: It is too bad Prudential wanted government contracts so badly that it was willing to accept the task of re-educating job applicants it had turned down. The company should have refused on principle to assume the obligation.

Craig Metz
Califon, N.J.

Letter 3: You conclude that by consenting to the Labor Department's proposal, Prudential has made life a little more equitable for everyone. It certainly did not make things more equitable for its

policyholders, who have to fork out \$3 million to teach misfits who could not be educated in school system. Furthermore, it tells minority children, "Do not try. The government will pay you \$3.35 an hour to learn after you get out."

Robert A. Haskell
Long Beach, Calif.

Perhaps the three writers of the above letters are unaware that the Chairman of the Board of Prudential, Mr. Beck, served on the President's commission which recommended the Social Security Act Amendments which taxed Social Security benefits for the first time. Likewise, he is expected to serve on the commission to study Medicare's problems.

A news media story in the Sept. 24, 1984 issue of Newsweek captioned "Is the Press Fair to Ferraro?" which depicts how top editors across the country dispatched investigative reporters to check the background of Geraldine Ferraro and her husband largely because of the unprecedented phenomenon of her becoming the first woman to seek the vice presidential office in the nation.

The question is put "Has Ferraro been the victim of a hit job?" One paragraph reads "But wherever a story appears, the tar baby known as 'mob ties' rolls right over fine-print subtitles for all but the most attentive readers." With similar stories appearing last month in The Philadelphia Inquirer, New York Magazine and elsewhere, Ferraro is particularly vulnerable to hasty conclusions — fueled by her Italian heritage — even though no real mob connection has ever been made to the candidate or her husband.

The article points out that many politicians receive contributions

from sources unknown to them. Another Newsweek paragraph in the article reads, "One example is Sen. Paul Laxalt, who was never as hot a story as Ferraro. The Journal reported in 1983 that Laxalt had accepted \$50,000 for contributions from contributors with mob links. According to the Sacramento Bee, Laxalt, general chairman of the Republican National Committee and one of Ronald Reagan's closest friends and advisers, once co-owned a casino in Carson City, Nev. where illegal gambling was found. A former business partner was, according to authorities, a front man for the late Allen Dorfman, an alleged underworld figure. This year no big paper has yet decided to print a major Laxalt follow-up."

The following week, Oct. 1, 1984, Newsweek inserted in a boxed column the following: "In a story last week about press coverage of alleged connections between organized crime and the family of John Zaccaro, the husband of vice presidential candidate Geraldine Ferraro, Newsweek cited an earlier report in The Sacramento Bee of illegal profit skimming at a casino co-owned by Sen. Paul Laxalt. Newsweek did not intend to adopt as its own the Bee's story on Senator Laxalt or to impugn the senator's reputation. Last Friday the senator filed a libel suit against the McClatchy newspaper chain, which owns the Bee, seeking \$250 million in damages."

It wasn't pornography, but Rachel Welch, 42, looking good when she posed with four gold medalists from the male 4200-meter freestyle relay team for the October issue of Vanity Fair, she called them shy and awfully nice. Not that shy. The boys had dropped their swim trunks. Welch just grinned.

Young GOP Gets New President

To the editor:

I would like to take this opportunity to thank the publisher, editor, and staff of The Belleville Times for so graciously allowing me to introduce myself to you, the people of Belleville. My name is Richard Yanuzzi, and I have been elected chairman of the Belleville Young Republican Organization.

During the coming weeks, the Belleville Young Republicans, in coordination with the Essex County Young Republican Organization, will work toward the re-election of President Reagan and Vice President Bush as well as Republican candidates for local, state, and federal offices. We are deeply committed to preserving the economic prosperity, and foreign security that President Reagan has restored to our country.

Anyone under the age of 40 who is interested in joining the Belleville or Essex County Organization is welcome to contact me at 759-8632. Our membership is strong and growing, but it takes a new dedication and a new political awareness if we are to be successful in November. I look forward to your help and support.

Respectfully,
Richard Yanuzzi
Chairman
Belleville Young Republicans
511 Greylock Parkway
Belleville

Voter Registration Deadline This Weekend in Jersey

To the editor:

New Jersey citizens should mobilize for voting in this very important election coming up in November, and make even a bigger showing than we did at the last Democratic Primary election that made our state of New Jersey so famous. There are many people who never vote. It is a shame! They should make a good patriotic effort to go to the Town Hall and register for voting before Oct. 6. It will make them feel great, like real American citizens.

Senior citizens must vote to protect our Medicare and Social Security which is being threatened. It is a contract that must not be broken by the Reagan administration.

They want us to believe that funds are diminishing. Not true. It is a lie like all their false statements that the towering budget deficit was caused by previous administrations, etc. They have the audacity to insult our intelligence and expect us to believe them. They are the "big spenders!" We have great surplus funds from Atlantic City gambling in New Jersey and also the lottery to help us.

If Walter Mondale is elected, he pledged to propose legislation that would prevent doctors from charging elderly patients more than what Medicare pays for. That is what we

want. Justice and a fair deal with a Democratic administration.

Sincerely,
Siella Draghi

Election Issues Are Paramount

To the editor:

Political experts and consultants are warning the Democrats they can never defeat President Reagan in a "popularity" contest, that the party and its candidates must concentrate on "issues" if they are to have any hope of success in the fall.

Do the Democrats ever reflect on the reasons for President Reagan's popularity — that unemployment and inflation are down, that the economy, fueled by booming auto productions, is up and that, in the words of one liberal-leaning economist, "Americans feel pride in being Americans again?"

President Reagan has restored to the office of the Presidency the prestige it once had. He has demonstrated that a skillful and dedicated chief executive can get the job done. By all means, let's decide this election on the issues.

Very truly yours,
Tom Marone
89 Linden Ave.

Parent-Teacher Association Offended by Our Headlines

To the editor:

Our association, comprised of every school in the Belleville school system, would like to address you regarding the above captioned matter. Headlines which appeared in The Belleville Times on page 5 reads "BHS Scores Fall Far Below State Averages," and on page 9, a different headline for the same article reads "BHS Scores Fall Far Below Other State Student Averages."

We feel that these headlines are sensationalized. A complete reading of the article proves the headlines are unjustified and irrelevant to the subject matter. The parents, the teachers and the students of our school system have been insulted by these headlines.

The author of the article arbitrarily defines a statistical range in comparing Belleville High School

scores to the state scores. The state department has not established any specific ranges on the Minimum Basic Skills and certainly not on the High School Proficiency Tests, since this is the first year of its administration.

Furthermore, the reporter of this article was not present for the entire discussion and therefore, her comments can be viewed as taken out of context and not only inaccurate, but also incomplete.

In addition, we would like to make it perfectly clear that this newspaper, on several occasions, has slanted the reporting on our schools and community.

With reference to the headlines in question, we insist that an apology and retraction be made to rectify whatever doubts or misconceptions the reader might have derived from these inappropriate headlines.

Also, another article appeared in the same edition of this newspaper, on the front page, where a second error was made regarding our high school football game. The headline states — game to take place on Friday. The article reads — kick-off on Saturday.

This certainly could cause confusion to the reader in many ways, wouldn't you agree?

We do hope that in the future, your newspaper and reporters will deal fairly and justly to help our Township of Belleville. We are very proud of our students, our teachers, our education system and our community.

Very truly yours,
Consolidated Associations of
Recognized Organizations of
Parents and Teachers of
Belleville Public Schools

Michael Roberto, 79; Was Retired Plasterer

A Mass for Michael Roberto, 79, of Belleville was offered Sept. 29 at St. Peter's Church, Belleville.

Mr. Roberto died Sept. 26 in the Johnese Nutley Home for the Aged, Belleville. He was a plasterer for the Newark & Essex Plaster Co. in Newark for 38 years before retiring as a foreman in 1970. He was a member of the Bricklayers.

Masons & Plasterers Union, Local 13, in Newark and the Belleville Senior Citizens.

Born in Harrison, N.Y., he lived in Newark before moving to Belleville 31 years ago.

Surviving are a son, Alex; a daughter, Mrs. Arlene Russomanno; two sisters, Mrs. Kate Paglia and Mrs. Carmela Petrucic; six grandchildren and two great-grandchildren.

Eileen Kane, 78; Former Resident

Mrs. Eileen P. Kane, 78, of Toms River died Sept. 26 in her home.

Services were held Sept. 29 from the Silverton Memorial Funeral Home, Toms River.

Born in Liverpool, England, Mrs. Kane lived in Belleville before moving to Toms River 16 years ago.

Surviving are her husband, Herbert; a son, Richard Lovell; two daughters, Mrs. Marilyn Howe and Miss Barbara; a stepson, James Lovell; a brother, Arthur Pearson; a sister, Mrs. Margaret Exner, and four grandchildren.

Florence DiSturco; Retired Bookkeeper

Mrs. Florence DiSturco, 80, of Piscataway died Sept. 17 in the Muhlenberg Hospital, Plainfield.

Arthur Weber Of Toms River

Services for Arthur C. Weber, 79, of Toms River were held Tuesday in the Silverton Memorial Funeral Home, Toms River.

Mr. Weber died last Friday in the Point Pleasant Hospital.

He was a technician for the Westinghouse Corp., Bloomfield, for 23 years before retiring in 1970.

Surviving are his wife, Irene R.; a stepson, Leo Jordan; a stepdaughter, Mrs. Margaret DeSanto; a brother, Frederick; a sister, Mrs. Alma Thompson; five grandchildren and six great-grandchildren.

Kitty Kobrin

Mrs. Kitty Kobrin, 78, of Passaic and formerly of Belleville died Sept. 25 in St. Mary's Hospital, Passaic.

Services were held Sept. 26 in Maplewood.

Born in Newark, Mrs. Kobrin lived in Belleville before moving to Passaic 12 years ago.

Surviving are her husband, Arthur; a son, Larry; a sister, Mrs. Anne Ringel; a brother, Irving Jacobs, and two grandchildren.

A Mass was offered Friday in St. Peter's Church, Belleville.

Mrs. DiSturco was a bookkeeper for the Eveready Label Co., Belleville, for 10 years, retiring in 1966. Before that, she worked in Hahne's department store, Newark, for 21 years.

She was a member of the

Piscataway Senior Citizens Club and the Social District 65 of the United Auto Workers and the AFL-CIO Union, both of Woodbridge.

Born in Newark, she lived in Belleville and Oakhurst before moving to Piscataway many years ago.

Surviving are four daughters, Mrs. Lucille Bellavia, Mrs. Phyllis Szesko, Mrs. Florence Bongiorno and Mrs. Betty Della Torre; two sisters, Mrs. Rose Nervine and Mrs. Lena Veneziano; a brother, Joseph Zarro; 16 grandchildren and six great-grandchildren.

Robert Gilbert; Had Retired As Technician

Robert Gilbert, 62, of Belleville died Sept. 17 in the Clara Mass Medical Center, Belleville.

Services were held Sept. 18 in the Johnese Nutley Home for the Aged, Belleville.

Mr. Gilbert was an aerospace lab technician for Western Electric in Newark for 33 years before retiring two years ago.

He served in the Army during World War II.

Born in Newark, he lived in Belleville most of his life.

Surviving are four sisters, Mrs. Eva Miele, Mrs. Margaret Gilbert, Mrs. Elizabeth Kimble and Mrs. Ruth Mowen.

Discover for yourself the exceptional values and flash deliveries---
it will be worth the trip.

Very truly yours,

Rocco, Joe and Bob Ciccolini

Mrs. John Ciccone — nee Ramona Sterlacci

Ramona Sterlacci, John Ciccone Wed

Ramona Sterlacci, daughter of Mr. and Mrs. Anthony Sterlacci of 225 Main St. and John Paul Ciccone, son of Mr. and Mrs. Samuel Ciccone of Bloomfield, were married Sept. 30 in St. Peter's Church, Belleville.

A reception followed at Wayne Manor, Wayne.

The bride, escorted by her

father, had her sister, Mary Beth Sterlacci, as maid of honor. Flower girls were her nieces, Jamie and Lisa Sterlacci.

Stephen Tobia served as best man and the bride's nephew, Anthony Sterlacci, was ringbearer.

The couple have made their home in Warwick, N.Y.

Silver Wedding Party For Mr. and Mrs. Lazaro

Mr. and Mrs. Philip Lazaro Sr. of Belleville celebrated their silver wedding anniversary recently at a surprise party hosted by their children, Philip Jr. and his wife, Gail, daughter Jackie and her fiancé, Doug Long, son Eddie who is in the United States Navy and daughter, Cathy.

The couple were married Sept. 26, 1959 in St. Francis Xavier Church, Newark, by the late

Rev. Vincent J. Bonelli. Mr. Lazaro, son of Mary Lazaro of Union and Edward Lazaro of Belleville, is with the A&P in Bloomfield. Mrs. Lazaro, the former Marlene DeCroce, daughter of Philip and Marie DeCroce of Newark, is with the Belleville Board of Education.

The Lazaros enjoyed a trip to Hawaii.

Donna Cerami Upsala's New Volleyball Coach

The Upsala College athletic department has announced the hiring of Donna Cerami of Belleville as the college's new woman's volleyball coach.

Cerami, who is studying at Upsala for her degree in human resource management, spent four seasons playing spiker for the Lady Vikings. She was also a third baseman for the Upsala woman's softball squad. Her coach in both sports was Pam Pistone.

Cerami was also a successful basketball player at Nutley High

School, where she was coached by Cheryl Restaino, currently Upsala's woman's athletic director. "I'm at an advantage because I not only know most of the women on the team, but I've played alongside them as well," Cerami said. "I'm looking forward to the challenge."

Last winter the Lady Vikings finished their year with an 11-16 record. They opened their 1984 state Sept. 17 in a tri-match with Wilkes College and Kings College in Wilkes-Barre, Pa.

Jim Devine Addresses Jersey City Accountants

Jim Devine, a Belleville certified public accountant based at the Plankboard Inn, Jersey City, Sept. 12 before the Hudson County Chapter of the New Jersey Society of CPAs.

His topic was "Personal Financial Planning," involving

such topics as the Clifford Trust, educational benefit plans, how to shift taxes using gifts, gift-leasebacks, individual retirement accounts, zero coupon bonds, real estate investments and other techniques for saving or making money.

ELECTION NOTICE

If you have not permanently registered to vote or have changed your address, please see your Township Clerk in Town Hall, 152 Washington Avenue, Belleville, as soon as possible.

Regular office hours are 8:30 a.m. to 4:00 p.m. weekdays. For your convenience, the Township Clerk's office will be open from 8:30 a.m. to 9:00 p.m. on Thursday, October 4th, Friday, October 5th and Tuesday, October 9, 1984 which is the last day to register to be eligible to vote in the Presidential Election on November 6, 1984.

Mary Lou Hood
Township Clerk

Happy Apple Fashion Show Oct. 8 at Fiesta

The Happy Apple Nursery School of Belleville will sponsor a fashion show Oct. 8 at the Fiesta, Wood-Ridge.

Twenty-five pre-schoolers will model clothes furnished by Shermans of Nutley and Belleville. Mrs. Shirlee Sherman will be the commentator.

Lion Ladies Card Party October 18

The Women's Auxiliary of the Lions Club of Nutley will hold its annual card party Oct. 18 at the Elks on Chestnut Street.

The affair will begin at 7:30 p.m. All proceeds will benefit the Eyesight Fund. For tickets, call 667-2039 or 667-3440.

Pumpkin Contest Planned Oct. 20 At Christ Church

Christ Church, 393 Washington Ave., will hold a pumpkin decorating contest Oct. 20 for painted and decorated pumpkins. The contest is open to all ages and trophies will be awarded for most original, most traditional, most unusual and funniest.

The contest in being held in conjunction with a soup and salad dinner that night from 5 to 7 p.m. Those attending the dinner will be the judges.

Pumpkins should be painted and decorated in any fashion desired. There are no size restrictions. Entries should be submitted to the church Oct. 19 from 7 to 9 p.m. and each entry must be accompanied by a piece of paper giving the entrant's name, address, telephone number and age.

St. Anthony's Fashion Show Oct. 9 at Fiesta

St. Anthony's School, Kearny, will present a dinner-fashion show Oct. 9 at the Fiesta, Wood-Ridge. "Fashion Forecast" will be presented by United States Apparel, Secaucus.

Tickets are \$17 and may be obtained by calling St. Anthony's School, Monday through Friday, 9 to 11 a.m. and 3 to 5 p.m. The affair begins at 7:30 p.m.

Deborah Sets Fish Dinner October 17

The Belleville-Nutley Chapter of Deborah Hospital will hold fish and chips dinner Oct. 17, 6:30 p.m. at Amvets Hall, Newark Ave., Belleville.

Donation is \$5. Take out orders available. For tickets, call Leona Candura at 759-7709 by Oct. 10.

DENTALLY SPEAKING By Drs. James D. Muglia and Paul N. De Mola

Mrs. K asks: Why are my teeth sensitive after I have fillings done? When decay is removed from a tooth, the nerve inside the tooth is stimulated or waken up. As teeth decay, the decay acts as a protective layer in between the nerve and the outside. No pain is felt till the decay gets very close to the nerve. When this "protective layer" is removed and a fresh filling is put in its place, temperature changes are felt more easily, at least for a few weeks afterward. After a while, depending on how large the filling is the nerve settles down and the sensitivity will go away.

If, however, the sensitivity does not go away in a few weeks there may be a problem, so it is very important to contact your general dentist as soon as possible. If there are any further questions that you're unsure of, just give us a call.

Linda Winship Earns Degree At Virginia

Linda C. Winship has received a doctor of pharmacy degree from the Medical College of Virginia, Virginia Commonwealth University, Richmond. She is now a participant in a fellowship in clinical drug research and drug development sponsored jointly by the School of Pharmacy, University of North Carolina at Chapel Hill and Burroughs Wellcome Co., Research Triangle Park, N.C. Her areas of study and research are hematology and inflammation.

Winship, daughter of Mr. and Mrs. Thomas Winship of Belleville, earned a bachelor of science in pharmacy at the University of North Carolina in 1982. She was valedictorian of the Belleville High School class of 1977.

Eric Wong selected for industry dialogue

Eric Wong, son of Mrs. Heidi Wong of 361 Branch Brook Drive, Belleville was one of nine Hiram (Ohio) College students recently chosen to attend a one day seminar entitled "College-Industry Dialogue" at the College of Wooster along with 52 representatives from major Northern Ohio business. Hiram was one of 15 schools that participated. Wong was chosen on the basis of his academic credentials and ability to contribute and express himself in the subject area.

The members of the discussion panel were Stanley Gault, Chief Executive Officer of Rubbermaid

Inc., Alexander Trowbridge, president of the National Association of Manufacturers, and Tom Barrett, president and chief executive officer of Goodyear Tire and Company. Wooster College President Henry Copeland was moderator.

Umberto's Corner

Dear Umberto,
Permit me to call you again! By the way, I am hooked on you! Umberto's Corner like I have been hooked on you for the past year or so. I find your column very interesting and believe me, I demand that my husband has the paper every week. We have been in Florida. We had decided on the south coast of Florida. I asked like a doctor who gave me the permit who this happened and he couldn't give me an answer. When I asked him what he did to prevent this, he gave me some friendly advice and suggested that I look the doctor's corner. I have been hooked on my newspaper. I want to add to your ideas, system or method. I thank you.

The uncomfortable discomfort tells that I am not satisfied. I tell you the answer to your question. The answer is quite simple. It is not one of those gimmick chemicals or one of those methods which are so effective, however, you may not feel too enthusiastic about it. If you are on the bed, keep your head under a beach umbrella and just expose your body to the rays of the sun. If you are walking on the street, do as they do in Italy and Spain, carry an umbrella. If people ask you if it is sunny, say you have a headache. Umberto

Nutley Falls To BHS In Tennis

The Belleville tennis team had an upbeat week, defeating conference rivals Nutley and Paterson Kennedy and boosting the team record to 3-2.

Karen Fuccello's girls will be in Paterson this afternoon to face Eastside High School and will host Paramus next Monday, starting at 4 p.m. On Tuesday, the girls travel to Teaneck.

The story of the Nutley match was the strong play of the singles players. First singles Cheri Tillman started the match with a two set victory over her Maroon rival. At second singles, Desiree Johansen was a winner and at third singles, Jackie Tillman, Cheri's younger sister, pulled out a victory to clinch the match against the girls biggest rival.

"It's always nice to beat Nutley," commented head coach Karen Fuccello. "It's a satisfying win because both teams play each other so hard."

Versus Paterson Kennedy, the girls were 5-0 victors, however the points did not come easy. Tillman, Johansen and Jackie Tillman were once again victorious in the singles competition, but the matches were hard fought and went down to the wire.

In the doubles competition, Janet Reiman and Mary Kudrack were victorious in the first doubles and Tammy McQueen and Patty Scali came through with a three set victory at second doubles.

Fuccello has been very impressed with the play of Cheri Tillman at first singles. In the Essex County tournament, held last week, the senior played what might have been her best match ever when she defeated her Newark Academy opponent in straight sets. "It was the best I've ever seen her," Fuccello said.

Johansen, playing at second singles, has been showing steady improvement. "Desiree is a natural athlete," said Fuccello, "and she adapts to the game very well. If she had started playing at an earlier age, she would really be tough. She has been improving game by game and with more experience, will be a solid player."

The coach hinted that she is looking for more consistency from her doubles players, but overall has been happy with the teams progress. "We have some tough matches coming up," said Fuccello, pointing to the Teaneck, Paramus and Ridgewood confrontations. "We would like to think we have improved from last season and can cut down some of those 5-0 losses and make them a little more respectable."

Deborah Plans Fish 'n Chips

A Deborah fish and chips dinner will be held Oct. 17 at 7:30 p.m. in the Amvets Hall on Newark Avenue.

Proceeds from the dinner will benefit the Browns Mills hospital for patients with heart disease.

Tickets are \$5 and may be purchased by calling Deborah's co-chairman Kevin Kennedy at 751-1160 before Oct. 10.

Shayer Attends Speech Seminar

Gail W. Shayer, a speech and language pathologist with the Belleville school system, attended a continuing workshop Sept. 18 at the Kessler Institute for Rehabilitation, East Orange.

The conference was titled, "Assertiveness for Personal and Professional Effectiveness."

Shayer is a resident of Whippany.

Oral Cancer Tests Scheduled Oct. 17

Dr. Palmer Burde of Belleville, under the auspices of the American Cancer Society, is participating in the Oral Cancer Screening Program Oct. 17 at 12 sites throughout Essex County.

Because early detection can spell the difference between life and death, members of the Essex County Dental Association, assisted by volunteers of the Essex County Unit of the American

Cancer Society will provide free oral cancer screenings at the Belleville Department of Health, 383 Washington Ave., between 9 a.m. 1 p.m. and 6-8 p.m.

Breakers Advance To Perfect Record

The Belleville Breakers of the Belleville Soccer Association sponsored by Modern Millwork, advanced their record to 4-0 by stopping Ramsey, 3-0.

All three goals were scored by Dennis Dework, who has now tallied 12 goals this season. The Breakers efforts enabled them to move up to a stronger division in their league.

The Kings, sponsored by De Bacco Brothers, improved their record to 2-1 with a 4-1 victory over Allendale. Alex Arya scored for the second week in a row and it was John Loicono who provided the defense that contained Allendale.

Another Belleville squad lost to a tough North Bergen team, 2-0, as did the Blast, despite another goal by Chris Mardantuono. The Kicks, sponsored by Caputo Florist, evened their record with a 3-2 win over Montclair. Chris Ricci had two goals and Angelo Gognara scored the game winner. The unbeaten Flash defeated Haledon earlier in the week, 5-2, behind a defense led by Rich Pretto and the scoring of Frank

Citarella and Franco Vitello. The Arrows and Sting were defeated, as well as the young Bandits 3-0, to South Orange, despite strong play from Victor Meace.

Italian-American Night Ready For October 11

The Friends of the Belleville Public Library have announced an "Italian-American Night" to be held at 7:30 p.m. at the main library, 221 Washington Ave., Thursday, Oct. 11.

The special program will feature two films, "The Cooking of Italy," a gastronomic tour of Italy's regions and cuisines, and "Italian American," a film by Martin Scorsese, in which the famous director interviews his parents and describes his unforgettable life in New York's Little Italy.

There will be a sampling of Italian refreshments, provided by the Friends, and the program is free. The public is encouraged to attend.

Michael Lambert's BUC SHOTS

Cross-Country Runners Do Well In Shore Invitational Races

Enduring a less than spectacular week of action, the Belleville volleyball, cross country and gymnastics teams did battle with some solid competition and came away with some good performances, but sagged a bit in the won-lost column.

The Buccaneer cross country team had a rather quiet week of competition. The Bucs squared off with NNJIL rival Montclair and lost, 20-39. Last weekend, the team competed in the Shore Invitational and had some good individual performances. This week, Belleville was in Passaic on Tuesday and will host arch rival Nutley this afternoon, starting at 4 p.m. Next Tuesday, the Bucs will be in Garret Mountain to face another NNJIL rival, powerful Paterson Kennedy. The gun sounds at 4 p.m. for that match.

Head coach John Tosato was happy with his teams effort versus Montclair. "It was a very hot day and our runners came through with a good effort. Montclair is a good team, and we ran very well against them."

Sophomore Craig Burden was the first Buc to cross the wire, finishing third overall. Seniors Bob Hutchinson, Bill Huamani and recently returned Ross DeMeo were the next Buccaneers across, finishing fifth, eighth and twelfth respectively. DeMeo's performance was especially pleasing because the senior has not run competitively in a year and his input to the team could help the harriers to victories.

Sophomore Mark Humman closed out the Buc scoring with a 14 place showing on the home course. Overall, it was a good show against a solid Montclair team and would have to be classified as "promising."

Freshmen Joyce Luongo did a nice job in the girls race, finishing in a time of 25:42. "She has been improving race by race," Tosato said. "I'm very happy with her progress."

In the Invitational race held last weekend, Burden, Bill Huamani and Mark Huamani competed in the varsity "B" race and finished with times of 19:35, 20:27 and 24:28 respectively. Senior Bob Hutchinson did not run in the Invitational but will be back in the lineup this weekend.

For the Belleville gymnastics team, the first victory of the young season was a very gratifying one for the teams head coach, Ray Iannuzzi. Against NNJIL rival Hackensack, the girls won with a convincing score of 78.70 to 73.45 for the Lady Comets. The victory boosted the team record to 1-2. This afternoon, the girls will travel to Teaneck for a 4 p.m. match and next Tuesday, will host Bloomfield, starting at 4 p.m.

In the Hackensack match, Iannuzzi said his team dominated the four events and win with the highest score in school history. "We're improving," said the first year coach. "Our goal right now is to break the 80 point mark. To be a consistent winner, you need to score in the mid 90's, but right now, the 80's would be a good goal for us."

As was the case in the opener with Hasbrouck Heights, Linda Wujack was the leader of the Buccaneer attack. Wujack tallied a 7.7 in the vaulting exercise, taking first place. Teammate Jill Lillis was second in the vaulting while Hackensack placed third.

In the uneven parallel bars, Hackensack took first place and Alise Davies was second for Belleville. She tallied a 6.35 and was followed by Lillis, who scored a 5.45.

In the balance beam exercise, Wujack was back on top, winning the even with a 7.1 score. Lillis placed second with a

score of 6.9. Finally, in the floor exercise, Belleville tallied a second place showing when Wujack scored an impressive 7.45.

Talented Gina Lemongello was kept out of the scoring in the Hackensack match but she should be back in form in this weeks matches. Versus Ridgewood earlier this week, Belleville ran into a solid group of athletes and fell by an 89.85-73.10 score. Only Wujack was able to place for Belleville, taking a third place in the floor exercise. Ridgewood took the top three spots in the vaulting, balance beam and parallel bars with a consistent performance that was too much for the younger Belleville squad.

The week, however, was a big success, thanks to the victory against Hackensack. "It was a nice win for us," said Iannuzzi. "It put us in the victory column and now we can shoot for our next match and try to break the 80 point mark."

The Belleville volleyball squad suffered a rare "off" week when they bowed to arch rival Nutley and Passaic. The team did defeat Immaculate Heart in straight sets and took a 3-3 record into this weeks action. The girls battled Paterson Kennedy on Monday and faced off with Paramus yesterday. This afternoon, Belleville will host Clifton, starting at 4 p.m. Next Tuesday, the opponent is powerful Bloomfield, at home, starting at 4 p.m. On Wednesday, the Bucs face Benedictine Academy, on the road, starting at 4 p.m.

Belleville started this week with the victory over Immaculate Heart winning 15-7 and 15-12. The rest of the week, however was disappointing. Versus Passaic, Belleville battled through three grueling sets, winning the opener, 15-13, then losing the next two games by identical 16-14 counts. "There were no easy matches, nothing came easy last week," said coach Grace Worley. "Our kids seemed to lose some concentration in the matches last week, our passes weren't good and our setting wasn't too good. Offensively, we weren't too bad either."

In the Nutley match, Belleville started off with a 15-13 victory, then fell apart at the seams, losing 3-15, 7-15. "It was the same story," said Worley. "Our front line has been playing well, but we're not setting up our passes well and have to make some adjustments."

Worley was happy with the play of seniors Donna Brooks and Debbie Worley, along with Sheri Phelps. Sophomore Renee Pettineo did a solid job on defense, playing on the backline and making some excellent contributions. Another youngster who has been performing well is freshman Carolyn Giffurda. "She performed quite well," the coach said. "Our entire team did a nice job in the tournament. We played Ridgewood (the team eventually lost, 16-14) and received a nice ovation from the other teams following match. I was happy with our intensity and our game."

It's a difficult week of action coming up for the girls and Worley is hoping her club can reverse last weeks performance and get back on the winning track.

Okay, baseball fans, what did you think of the major league season that has just concluded. In the National League, the Cy Young candidates look to be Juanquin Andujar and Bruce Sut-

Energy Saving Tips

At home, set the furnace thermostat at about 65 degrees in the winter and at least five degrees lower when sleeping or away. Higher heating temperatures are recommended where the sick, elderly, or infants reside. In summer, set the air conditioner thermostat at 78 degrees.

A water heater is a major energy user. Try a lower thermostat setting. Install water flow restrictors in shower heads and faucets—they cut hot water use without affecting family comfort. And when replacing a water heater, choose an energy-efficient model.

Clean or replace filters as needed in heating and cooling systems. Close vents in unused rooms and insulate ducts and pipes in unheated spaces. Keep direct sunlight out of living spaces in summer, but let it in during winter; it helps warm the room.

Fully load clothes dryers and dish washers to save energy. Turn off unnecessary lights and appliances.

Attics and their doors should be insulated to the recommended level. Find out what the level is at a store that sells insulation. Check under floors, around basements, crawl spaces, and foundation walls for adequate insulation, too. And exterior walls may need insulation. Consider purchasing storm windows and doors or double-paned glass to keep in heat and air conditioning.

Energy Fact

The most efficient gas ranges have pilotless ignition. The A.G.A. says that 30 percent of the natural gas normally consumed for cooking is saved by eliminating a pilot light.

Firing Off the Line — Steve Tribuna (73) and Steve Kimble (84) get set to attack the Don Bosco offensive line in the Buccaneers' season opener with the Ironmen Sept. 22. The Buc defense was its usual solid self, blanking a very potent Bosco offense, 14-0. However, the defense was lacking in its game against Bergen Catholic this past weekend as the Bucs were defeated, 21-0.

Police Investigating School 9 Area After Discovery of Live Ammunition

By Linda Telesco

Police are investigating the School 9 area seeking clues into two recent discoveries of a pellet gun and live ammunition on nearby property.

An area parent, whose 5-year-old son found the gun last month while playing near the school, implied commissioners at last Tuesday's township meeting to conduct a thorough investigation of the area.

Joanne Ceres of Stephen Street told commissioners, "That property needs a complete investigation and excavation to see what other problems are there."

The mother said her son found the gun Sept. 17 in the early afternoon and took it to a janitor who turned it over to the school principal.

Ceres said police action in the area had been unsatisfactory in response to parents' concerns. "I keep my children out of the school lunch program. I'm afraid to let them stay until the situation down there is cleared up."

Public Safety Commissioner Ralph DiRuggiero told Ceres the police department was "very concerned" about the finding of both the gun and several days later, of ammunition near the Valley area school and was looking into the matter.

He also promised Ceres, and the parents who accompanied her to the meeting, that police would step up patrol in the target area.

Mayor Michael Marotti assured the women that the town was going to cut the bushes on the property where the little boy found the gun.

"After that," said Marotti, "they'll dig the ground up to see if there are any more problems there."

According to Police Chief George Lister, the weapon found by the Ceres child was identified as a .22 caliber pellet gun.

The gun was not loaded, Lister said, at the time it was examined by police.

Noting that the sale of such guns is illegal in New Jersey, Lister said police did not have leads yet on how the gun got there, but the investigation is in progress.

The chief said a week after the gun was found, police also discovered in a spot near the school's baseball diamond 17 rounds of bullets designed for a .30 caliber

Police also found, he said, a 380 bullet suitable for still another type of gun and some cartridges that would fit the pellet gun.

"The bullets could have been hidden there for some time before we discovered them," said Lister. "We don't know if the gun may

also have been in those bushes for awhile."

Lister said police patrols in the area have been stepped up. He also noted that no other findings were yet made on that or any other school property in the community.

Although the chief said the pellet gun is seldom the cause of fatalities, it can be a dangerous weapon.

Lister noted that only hours after the Ceres boy found the gun at School 9, a 19-year-old man lost an eye in an accident on Cortlandt Street when a similar pellet gun was discharged by his friend who was examining the jammed weapon.

Cleanup Crews Still Working

(Continued from page one)

identify what he called, "thousands of small bottles and containers" originally found in the plant's laboratory area.

Those have been moved by the cleanup crews into the nearby shed and will be removed and disposed of after identification is completed.

Longo also said a special fire alarm system was installed in the facility following the cleanup of the lab.

Despite the recent reports, several area residents who attended last week's township meeting were skeptical.

"We still have that smell in the air," said one woman who added, "If the area is so safe, why are the crews working there wearing protective suits?"

According to Longo, the suits are to protect workers from the strong fumes that could result if a bottle was dropped during the clean up process.

"The emissions would not have any effect on people living down the street, but the fumes could certainly affect a worker who dropped a bottle only inches from his body."

Bucs Will Face Eastside Next

(Continued from page one)

out that the Bucs were embarrassed in the home opener against Livingston (36-12) in 1980 then went on to win eight straight games. Neuner was 10 of 13 for 165 yards. His passing was the main difference in the contest. No injuries to report. Walsh suffered a bruised wrist, but he should be okay for the Eastside contest.

Eastside is under a new coach and should be sky high for this contest. The Ghosts have some good size and shouldn't be taken lightly. After the Eastside game, the Bucs will host Bloomfield on October 13, starting at 7:30 p.m.

Parade Highlights Marching Bands

(Continued from page one)

as president and chairman of the Conference of State Bank Supervisors, and was chairman of the N.J. Executive Commission on Ethical Standards and the N.J. Mortgage Finance Agency. Bianchi was assistant prosecutor for Essex County from 1959 to 1964.

The recipient of many awards, Bianchi was named "Man of the Year" by the UNICO chapters of Newark and Maplewood. He is a past governor of the Newark Moose Lodge and past president of Columbian Foundation. He has also served as a trustee for Seton Hall Law School's alumni association.

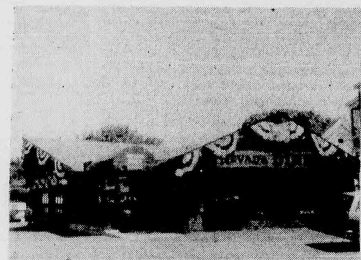

According to Nosti, the general theme of this year's parade will be to expand the march and attract a variety of interesting bands. Last year eight marching bands participated and Nosti said that the parade committee will have 14 this year. Along with the Nutley and Belleville high school cadet marching bands there will be several drum and bugle corps, a bagpipe band

and the Denville String Band.

The parade will kick off at noon in the Belleville High School stadium. The march will file west on Division Street to Passaic Avenue and proceed south to Jorammon Street. The parade will then turn west to Franklin Avenue and proceed south through

Nutley. The reviewing stand will be located at Nutley Savings and Loan, 371 Franklin Ave. The parade will terminate at Adams Court and will use the Park Oval to disembark.

Nosti said that the parade will be a "50-50" effort between the two townships this year.

Martin Speaks Monday night

(Continued from page one)

reporting on "Carol's Corner," the 1982 Roy Wilkins Memorial Award, presented by George Wingate High School in Brooklyn, and in 1983, Martin was named "Woman of the Year," by the Brooklyn Home for the Aged. Most recently, in the spring of 1983, Martin was named an "Outstanding Mother of the Year" by the National Mothers' Day Committee.

Martin was graduated from Wayne State University in June 1970, with a B.A. in mass communications and journalism.

She resides in northern New Jersey with her husband, Fred Adams, and their daughter Courtney.

MVP Choices Named As 1984 Season Concludes

(Continued from page 11)

ter of St. Louis, Rich Sutcliffe of Chicago, Dwight Gooden of the Mets and possibly Charlie Lea of Montreal. The choice here is Andujar. He was 6-16 a year ago and finished 20-14 this year, the only 20 game winner in the majors. He led the league in complete games and innings pitched. Chances are that Sutcliffe will get the award. He was 16-1 since coming from Chicago in June and led the Cubs to a pennant.

The MVP in the National League could be Tony Gwynn of San Diego. He hit .353 with 207 hits for the Padres and was mainly responsible for the Padres rise in the NL West. Gary Carter of Montreal is near the top, but the Expos finished five games under the .500 and MV is usually the one who can help his team to a successful season. Tyne Sandberg of Chicago will also be a strong candidate for MVP. The rookie of the year will either be Gooden or Juan Samuel of Philadelphia. The choice here is Samuel, mainly because he is an every day player.

In the American League, the Rookie of the Year is a lock for Alvin Davis of Seattle. Cy Young award could be Willie Hernandez of Detroit, but Bert Blyleven of Cleveland should get it hands down. This man was 19-7 for a team that finished 74-88. Any pitcher that is successful in Cleveland deserves special credit. The MVP should be Don Mattingly of the Yankees. Manager of the year in the NL should be Davey Johnson of the Mets and Dick Howser of Kansas City deserves the award in the American League.

The Belleville High School athlete of the week is Ozzie Stefanoni of the soccer team. The senior has been a very consistent performer for the booters in the early going. His steady play has been a big story in the Bucs good season.

The answer to last week's quiz. The question was, name the one playoff matchup in 1980 that decided the NL West. The answer: Houston defeated Los Angeles with Joe Niekro the winning pitcher. The game was played in L.A.

For this week, name the last time the Kansas City Royals won the AL West, how they did in the play-offs, and the team's manager.

(Second Reading)

PUBLIC NOTICE

PUBLIC NOTICE is hereby given that the following Ordinance was passed on second and final reading at a meeting of the Board of Commissioners of the Township of Belleville held on Tuesday evening September 25, 1984 having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law. **BOND ORDINANCE PROVIDING FOR THE ACQUISITION OF A NEW HEAVY DUTY TRUCK FOR THE DEPARTMENT OF PUBLIC WORKS IN AND BY THE TOWNSHIP OF BELLEVILLE, ESSEX COUNTY, NEW JERSEY, APPROPRIATING \$40,000.00 THEREOF AND AUTHORIZING THE ISSUANCE OF \$38,000.00 BONDS OR NOTES OF THE TOWNSHIP FOR FINANCING PART OF THE COST THEREOF.** BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE TOWNSHIP OF BELLEVILLE, NEW JERSEY:

Section 1. The improvement described in Section 3 of this bond ordinance has heretofore been and is hereby authorized as a general improvement to be made or acquired by the Township of Belleville, Essex County, New Jersey. For the said improvement or purpose stated in said Section 3, there is hereby appropriated the sum of \$40,000, said sum being inclusive of all appropriations heretofore made therefor and including the sum of \$2,000 as the down payment for said improvement or purpose required by law and now available therefor by virtue of provisions in a previously adopted budget or budgets of the Township for down payment or for capital improvement purposes.

Section 2. For the financing of said improvement or purpose and to meet the part of said \$40,000 appropriation not provided for by application heretofore of said down payment, negotiable bonds of the Township are hereby authorized to be issued in the principal amount of \$38,000 pursuant to the local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose, negotiable notes of the Township in a principal amount not exceeding \$38,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by said law.

Section 3. (a) The improvement hereby authorized and purpose for the financing of which said obligations are to be issued in the Acquisition of a Heavy Duty Truck for the Department of Public Works, as shown on and in accordance with the plans and specifications thereon on file in the office of the Township Clerk and hereby approved. (b) The estimated maximum amount of bonds or notes to be issued for this purpose is \$38,000.

(c) The purpose of the bonds and notes authorized is to finance commitments that may be incurred from the date of adoption of this bond ordinance.

Section 4. The following additional matters are hereby determined, declared, recited and stated:

(a) The said purpose described in Section 3 of this bond ordinance is not a current expense and is a property or improvement which the Township may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited therefor.

(b) The period of usefulness of said purpose within the limitations of said Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is 15 years.

(c) The supplemental debt statement required by said Law has been duly made and filed in the office of the Township Clerk and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and said statement shows that the gross debt of the Township as defined in said Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$38,000, and the said obligations authorized by this bond ordinance will be within all debt limitations imposed by said law.

(d) An aggregate amount not exceeding \$2,000 for interest on said obligations, costs of issuing said obligations, and other items of expense listed in and permitted under Section 40A-2.2 of said law may be included as part of the cost of said improvement and is included in the foregoing estimate thereof.

Section 5. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the Township for the payment of said obligations and interest thereon without limitation of rate or amount.

Section 6. The capital budget of the Township is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistencies herewith.

Section 7. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by said Local Bond Law.

Commissioner Ralph J. Druggiero
Commissioner Joseph A. Grande
Commissioner Joseph F. McGreevey
Commissioner Michael P. Pizzi
Mayor Michael J. Marano
Passed First Reading: Sept. 11, 1984
Passed Second Reading: Sept. 25, 1984
Adopted: Sept. 25, 1984

STATEMENT
The bond ordinance published herewith has been finally adopted and the 20-day period of publication within which a suit, action or proceeding questioning the validity of such ordinance can be commenced, as provided in the Local Bond Law has begun to run from the date of the first publication of this statement.
