Local Officials Join Forces To Clean Township Water

Three local officials have joined forces in seeking a court solution to dirty water in Belleville and Bloomfield, even though the Newark Water Co., target of their activity has consistently defied court orders since 1972.

Belleville Commissioner Joseph Grande and Bloomfield Councilman Ralph Colasanti have agreed with Assemblyman Buddy Fortunato (D-30) to seek an order requiring Newark to begin construction immediately of a water filtration plant at the Pequannock Watershed.

Assemblyman Stephen Aduabato, who also serves the 30th District, declined to join the action because, he said, Newark has been under state order since 1972 to construct the plant and has yet to even draw up a blueprint.

Meantime the legislators and Sen. Carmen Orechio have initiated action in Trenton that seeks to speed up the process by providing funds in varying amounts and under varying plans.

The controversy grows out of continuing and growing complaints of dirty water being piped into homes and businesses in Belleville, Bloomfield and other towns served by Newark. Filtration is believed to be the remedy for the problem.

Senator Orechio last week introduced a bill to appropriate \$8

million in state funds toward construction of the Newark filtration plant.

The appropriation represents 20 percent of \$40 million construction costs now estimated by Newark officials.

A similar bill was co-sponsored in the State Assembly by Aduabato and Fortunato.

Previously, Aduabato sought to secure the full \$40 million in funding from the state, but the proposal died without support by state water officials.

John Gaston, director of the state Department of Environmental protection's division of water quality met with Aduabato last week to find an alternative route to the full funding.

According to Aduabato's office, Gaston agreed the DEP would request the \$8 million grant request bill.

Aduabato also said he "respects the efforts" of Grande, Colasanti, and Fortunato to take Newark to court, but said he wants control of constructing the plant to be taken out of Newark's hands.

"The city has ignored previous court orders to construct a plant and I don't see any reason why this year should be any different," Aduabato said.

Newark was ordered by the state in 1972 to begin building the Pequannock plant, but never has. Senator Orechio has introduced

legislation that would authorize construction of the plant by private enterprise at an estimated savings of \$10 million.

Although Fortunato favors forcing Newark to follow the state's orders, he plans to introduce legislation to put a spending cap of \$21 million on construction.

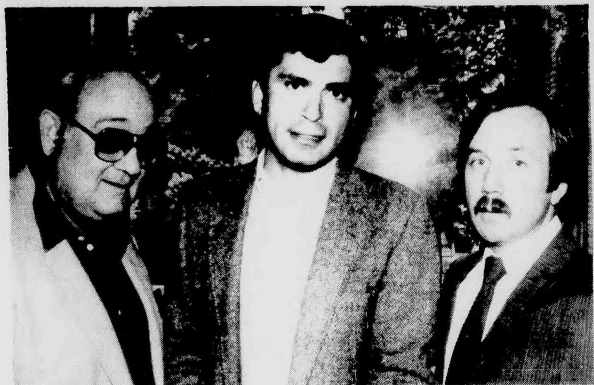

According to a spokesperson at Fortunato's office, the assemblyman set the cap at the figure originally estimated for the construction costs 18 years ago.

Since then, estimates have risen to \$40 million. "I cannot understand why Belleville and Bloomfield water users should pay for Newark's failure to abide by the mandate," said Fortunato.

In fact, the assemblyman introduced a companion bill that would limit to \$16 million the amount that may be passed on to consumers, regardless of construction costs.

Fortunato and Aduabato are joined by legislators from other districts on a state aid bill to provide \$5 million to the North Jersey Water Supply Commission to expand the Wanauque South Reservoir Filtration Plant.

Fortunato has introduced a bill to appropriate \$70 million to loan to NJWS to partially finance construction of Monksville Reservoir of the Wanauque South Water Supply project.

An Order for Clean Water — Commissioner Joseph Grande (left) along with Assemblyman Buddy Fortunato (center) and Bloomfield councilman Ralph Colasanti are going to court to force Newark to purify water for Pequannock System customers.

School Curriculum Questioned By Angered High School Parent

By Linda Telesco

School officials defended their curriculum Monday night when a parent launched an attack against subject matter taught to his daughter.

Voicing the complaint he has recently brought before the Township Commission, Henry Charzewski of Joramelon Street demanded the right to "object to certain subjects being taught in the classrooms."

Specifically, Charzewski complained that his daughter, a student at BHS, was assigned to write an essay detailing the differing points of view expressed by President Reagan and presidential candidate Walter Mondale on the subject of abortion.

"I find this subject outrageous and unfit for a high school student's essay," Charzewski stated. "Political groups are in an uproar over an issue like this. Even the Supreme Court doesn't know what to say. How can a high school student be expected to deal with moral issues of this magnitude?" the parent continued.

Charzewski asked if school officials oversee teachers to be certain they do not deviate from the standard curriculum.

He also demanded the schools attempt to notify parents in advance of controversial topics that may be part of classroom lessons in order to permit parents an opportunity to object before the students are exposed to the material.

The parent also complained of material distributed in his daughter's classes containing advocating violence or overt sexual behavior.

His other complaints were against classroom use of lyrics from popular rock songs advocating violence or overt sexual behavior.

School Board President Grace Purdue assured the parent that no "obscene material" is ever presented in a Belleville classroom, her reaction to the Charzewski's use of that word.

She further noted that state mandates require all New Jersey school districts to teach Family Life courses in grades kindergarten through 12.

"Some of the Family Life curriculum contains what might be called sex education material geared to the level of maturity expected of students in a certain grade," Purdue said, adding that the topics Charzewski objected to were included in the program for the high school level student.

When he asked if it was necessary to give a high school

freshman information about avoiding venereal disease, Purdue replied "Unfortunately, yes. This is the situation today and we are required by law to teach what the state thinks is necessary for the students at that level to learn."

Responding to the parent's other questions, Schools Superintendent Michael Nardello confirmed that all teachers

keep lesson plans which are checked weekly by department supervisors.

Nardello said teachers keep to recommended and required subject material. "Family Life classes face the issues that face the nation today," said Nardello in defense of educational practices. "Where are we going to expose our youth

(Please see 'School' on page 14)

Telecommunications Bid Awarded to Atlanticom

A bid for new telecommunications system that may save the township over \$25,000 annually was awarded last week to Bell Atlanticom Systems, Inc.

According to the resolution approved unanimously by commissioners, the firm will receive \$31,688 for equipment purchase and \$9,375 for installation. Other charges associated with additional equipment may bring the total project cost to a range of \$50,000 to \$60,000.

Overall cost was estimated by Walter Garrigan, the president of Garrigan Consulting Associates, Inc., a Clifton firm that won the job last spring of studying and implementing the system for Belleville.

According to the executive, Belleville stands to save approximately \$25,000 annually in service and equipment under the new arrangement.

He said the township previously spent about \$60,000 a year on equipment services and should see that bill drop to \$40,000.

The new system allows 125 telephone instruments to the

township, a reduction of about 15 instruments the Garrigan study deemed unnecessary and costly.

In addition, the new communications system provided added features designed, the executive said, to provide more efficient service to citizens.

Callers may now call directly to various township departments bypassing the switchboard if they already know the number of the party they wish to reach.

Switchboard service will be maintained to provide phone numbers for those who need them.

Also, the 911 emergency alert number will be installed in the municipal system for the first time.

Under the new arrangement, Belleville will purchase its telephones from Bell Atlanticom, a subsidiary of Bell Atlantic — the holding company that owns New Jersey Bell.

The executive said installation should begin soon and the new system may be operating by January.

Career Night Program Nov. 14 Features College Representatives

Make plans to look into your future on Wednesday, Nov. 14 when Belleville High School runs its annual Career Night program from 7:30-9 p.m.

"We encourage all high school students and interested community members to attend," said Phil Esposito of the BHS guidance department.

The event features representatives from a wide variety of career paths who meet with students and residents in an informal atmosphere to discuss what different fields can offer those interested.

"We want to expose our students and anyone interested in learning about other career opportunities to as wide a field as possible," explained Esposito.

He noted the event is designed to benefit the student who is uncertain of career choices or the adult contemplating a career change.

"Our aim is to present students with a wide variety of choices. We want to get away from the notion that college is the only alternative

open to high school graduates, particularly those who do not wish to attend a traditional college," said the counselor.

To achieve diversity, BHS has invited representatives from nearly 100 institutions including colleges, business and trade schools, professional schools, and branches of the U.S. Armed Forces.

Representatives from both New Jersey and out of state colleges are expected to attend. According to Esposito, all state colleges will be sending representatives.

Among private colleges that have accepted BHS invitations are Upsala College, Drew University, and for the first time in Career Night history, Princeton University will be attending.

Out of state colleges expected are New York University, Penn State University, and Moravian College of Pennsylvania among others.

Leading names in business schools attending include, the Berkeley Schools, Robert Walsh,

and the Taylor Business Institute.

A wide range of technical subject matter will be explained by representatives from the Stevens Institute of Technology, the School of Paralegal Studies, Teletoro School of Aeronautics, and various travel schools.

The artistically inclined may wish learn more about the Newark School of Fine and Industrial Arts or the Joe Kubert School of Cartooning.

The fashion and beauty industry will be represented by the Capri School of hairstyling and the Barbizon School of Modeling. (Please see 'High' on page 8)

W & T Plant Workers Go Back to Work

A 10-day strike by production workers at Wallace and Tiernan ended Tuesday, according to company officials.

According to Bill Reinhold, the firm's personnel director, members of the Industrial Union of Electrical Workers, which represents some 500 production workers at Wallace and Tiernan, walked off the job Oct. 19 in what he termed "an economic dispute over wages and benefits."

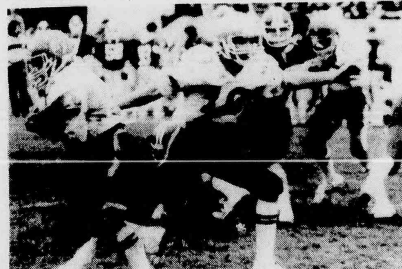

The workers' contract expired on the day the strike began, according to Reinhold.

He declined to detail the terms of the new contract but said it included "a wage increase and essentially the same benefit's package with some improvements."

The director denied reports that the dispute centered on threats by Wallace and Tiernan to cut off the employees' hospital benefits as of Nov. 1.

"That was not true. It was simply a wage and benefits dispute," he restated.

(Please see 'W & T' on page 9)

Stretching It Out — Quarterback Mark Walsh (10) of Belleville hands off to fullback Michael Gibbons during last Saturday's contest with the Clifton Mustangs. The Bucs defeated the highly ranked Mustangs, 7-3, to boost their team record to 5-1. Walsh was marvelous in the game, throwing for over 100 yards on offense and intercepting a pass on defense. Belleville will travel to Paterson this Saturday to face Kennedy, starting at 2 p.m.

Home Energy Assistance Program Beginning Nov. 6

Commissioner Michael P. Pizzi announces the beginning of the Home Energy Assistance Program (HEAP) for the 1984-85 heating season, which will benefit all eligible Belleville residents.

Beginning Monday, Nov. 6, every Monday thereafter, the County of Essex, Department of Citizen Services will provide a representative at the Belleville Municipal Welfare Department, 383 Washington Ave., to process applications between 9 a.m. - 3 p.m. Applications may be made by calling the Welfare Department. Once your appointment is scheduled, instructions will be sent to you advising what is required at the time of your appointment.

Income eligibility limits are as follows: 1-member household, \$5,519 monthly gross income limit; 2-member, \$7,000; 3-member, \$8,881; 4-member, \$11,062; 5-member, \$12,433; 6-member, \$14,424; 7-member, \$16,605; 8-member, \$17,866; 9-member, \$19,967; 10-member, \$22,148; For each additional member add \$181.

Howard Savings Bank Reports Net Income

The Howard Savings Bank reported net income of \$4.7 million, or 84 cents per share, for the quarter ended Sept. 30, according to Donald F. McCormick, chairman and chief executive officer. This compares with net income of \$1.1 million, or 22 cents per share, for the same period in 1983.

"Our third quarter financial results continued to demonstrate the effectiveness of our management strategies," McCormick said, "as we repeated the improved earnings performance that characterized our second quarter."

McCormick also pointed out that increased loan production, which produced substantial income from fees and service charges, contributed significantly to the bank's third quarter earnings, as did income from retail and commercial banking and trust services.

Net income for the nine months ended Sept. 30 was \$8.4 million, or \$1.50 per share, compared to \$4.3 million for the first nine months of 1983, or \$1.28 per share. This represents a per share increase of 17 percent for 1984. McCormick noted that the nine months earnings comparison for 1983 was calculated on a pro-forma basis since the Howard converted from a mutual savings bank to a shareholder-owned institution in July 1983.

The Howard's assets at Sept. 30 were \$3.7 billion, up \$132 million over year-end 1983. Deposits at the same date were \$3.2 billion, an increase of \$130 million for the first nine months of 1984.

Howard Savings Bank has a branch location in the Pathmark Shopping Center on Washington Avenue.

Belleville Business Bureau

By Howard Halpern

With the Presidential election less than a week away, the voter must weigh the important issues very carefully. Many have based their decision on the two presidential debates. Television watchers stare at the tube to be entertained with the highest ratings going to the show with the best theatrics. Our future and the future of our children has nothing to do with "show biz." It's for real. The issues and the two party positions on these vital issues are very clear cut:

Defense/Republicans — Continue to build up resources to deter Soviet threat; Democrats — A defense based on sound planning and realistic assessment of threat.

Spending/Taxes/Republicans — Reject tax increase using methods yet undefined to raise revenue, support balanced budget amendment; Democrats — Wealthier taxpayers to bear burden, balanced budget artificial, oppose amendment.

Central America/Republicans — Continue military support for El Salvador and rebel forces fighting Marxist Nicaragua regime; Democrats — A new policy that fosters economic and political reforms, not in vast military aid.

Jobs/Republicans — Expand incentives for capital that creates jobs, curb regulations that limit employment; Democrats — Stabilize the economy, invest in infrastructure, establish industrial policy and create new training programs.

Education/Republicans — Relieve federal government of big spending by putting more responsibility on state and local governments; Democrats — Feds to give more aid to students and help state and local governments.

The issues described are in capsule form, yet definite in difference. One dangerous fact remains, and that is the huge federal deficit. Regardless who gets elected, we're all going to have to sacrifice something to bring down this deficit. The method used by the administration to accomplish this could have a great impact on our life styles. The key word is "method." If this is not accomplished very soon, the entire nation's economy is in for some very serious consequences. Remember, it's what's behind the television makeup, the jokes, the theatrics that count. Make up your mind, vote with your head. If you're still not sure by Election Day, don't take a chance — Don't Vote!

Gregg Monfett is definitely a "household" name. Many households in and around town have used the name to beautify their homes. Gregg is the owner of Pura-Tex Aluminum Co., 191 Belleville Ave. Pura-Tex is a siding contractor doing business in Belleville for the last 37 years. Working out of five garages on Division Avenue for 32 years and five years at the present location, Gregg's success comes mostly from satisfied customers' referrals. Pura-Tex hires no sub-contractors, all work is done by experienced company men, most with at least 20 years with the same company. I asked Gregg if aluminum or vinyl siding is best for the exterior. "They're both very good, but aluminum might be slightly better because it's neater, has no seams, and doesn't move like vinyl."

Manansala Receives Certificate

Casper Manansala of Belleville has successfully completed the Clara Maass Medical Center Radiography Program and received a certificate in Radiography at the graduation exercises held at the Medical Center Sept. 7.

The Clara Maass Medical Center Radiography Program was founded in 1969. The staff is composed of educational Director and full-time instructors for clinical and didactic education. Along with adjunct lecturers from the medical, nursing and technical staff.

The two-year program is under the administration of Medical Director and Chairman of the Department of Radiologic Services and Education.

Pharmacy Footnotes

Vincent Cozzarelli Reg. Ph.

EXPIRATION DATES

The expiration date on the container and prescription drugs indicates when a product should no longer be used. After that date, the medication begins to chemically break down and lose its effectiveness. Some prescription drugs, such as tetracycline, can actually become toxic. One of the broken-down chemicals in outdated tetracycline can severely damage kidneys. When taking outdated drugs, such as allergy pills, symptoms may not be relieved and your doctor may pursue another, unnecessary treatment. Over-the-counter drugs usually have an expiration date stamped on the box label. Many pharmaceuticals type expiration date and labels of prescription drugs. If not, ask for it.

If you have some medication in your medicine chest and are afraid to use it bring it to us. We will advise you on its safety. All your prescription needs can be handled at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. Conventional aids including walkers, wheel chairs, crutches and canes are rented and sold. We have greeting cards and candy for Thanksgiving and other occasions. Open 9am-10pm daily, 9am-9pm Sundays.

HANDY HINT:

Clean out and dispose of all expired medications from your medicine chest every 12 months.

Jack Reilly Honored By Board of Realtors

Jack Reilly of Belleville was named Realtor-Associate of the Year by the Board of Realtors of Bloomfield, Nutley, Glen Ridge and Belleville.

He is a six-year employee of the Eugene J. Reilly Insurance company, 394 Washington Ave. Reilly is a member of the National Association of Realtors, the trade organization, the Belleville Rotary Club, Rent Leveling Board, and chairman of the Realtors Political Action Committee. He is also involved in cancer related fund raising.

All proceeds of the affair will go to benefit veteran affairs, rehabilitation programs and youth activities.

June Januszewski of Unit 70 will head the event committee which includes Marie Scalinio, Barbara Welter, Roe Mauriello, Ruth Ann Farrell, Louise Schultz, Joan McCarthy, Sandy May, Ann Kerry, Stephanie Grodon, Rose Grisby, Rose Petti, Josephine Marx and Rita Moore.

First National State Now First Fidelity

The affiliate banks of First National State Bancorporation all will become "First Fidelity" banks effective today.

The name changes coincide with the completion of an internal reorganization plan consolidating the two largest affiliate banks in the First National State holding company. These two are First National State Bank, lead bank in the Bancorporation, and Fidelity Union Bank/First National State, the affiliate formed out of the merger last April 5 of First National State and Fidelity Union Bank.

Under the consolidation, these two affiliates will become one bank named First Fidelity Bank. The reorganization measure was approved by the U.S. Comptroller of the Currency July 20.

Robert R. Ferguson, Jr., currently chairman of First National State Bank, and Edward D. Knapp, president and chief executive officer, will retain those positions with the First Fidelity Bank. Peter Cartmell, who was chairman and chief executive officer of Fidelity Union Bank/First National State, remains vice chairman of the parent holding company, First National State

Bancorporation. Ferguson is the president and chief executive officer of Bancorporation and serves as its board chairman. Knapp is senior executive vice president of the parent company.

Ferguson noted that there are no immediate plans to change the name of First National State Bancorporation. There are plans, however, to apply the First Fidelity name to subsidiaries of the holding company. Effective today, Bancorporation's brokerage subsidiary adopts the name, First Fidelity Brokers, Inc. Its Florida trust company also takes a new name on that day: First Fidelity Trust, N.A., Florida. Effective dates will come later for other Bancorporation subsidiaries.

Ferguson announced further developments concerning the consolidation of the two largest banks in the Bancorporations system. Customers will be able to transact their banking business, with some minor exceptions, at any of the branch offices currently operating either as First National State Bank or Fidelity Union Bank/First National State. Nine branch offices in Somerset and Morris Counties which are now part of First Fidelity Bank, N.A., South Jersey, are expected within the next few months to join the branch network of the newly-created First Fidelity Bank. This will give the Newark-based affiliate a total of approximately 140 branch offices operating in 13 counties.

The assets of the consolidated bank will initially be in excess of \$6.7 billion with deposits of approximately \$5.2 billion, placing it among the top 35 banks in the United States in terms of deposits.

First National State Bancorporation is New Jersey's largest banking organization, with \$10.1 billion in assets and 286 branch offices located in every county of the state.

Holy Family Ball

The premier social event of this year, and of the 75th anniversary celebration of Holy Family Church, will be the Diamond Jubilee Ball at the Westmont Country Club Saturday, Nov. 3, 7 p.m.

Invitations have been mailed throughout the parish. If any family did not receive one and needs further information, please contact Mickey Biondi at 661-0760.

She will continue to play key roles in the sales and marketing of LCL properties in New Jersey, Pennsylvania, Florida and throughout the Southwest.

Third Grader Wins Contest

Elizabeth Ann Rizzolo, an 8-year-old Belleville resident, won first prize in the children's division of a photography contest sponsored by Essex County's Turtle Back Zoo Oct. 19.

She received a first place blue ribbon, four free passes to the zoo, and gift certificates from the Millburn and Livingston Camera shops for her 8x10 color photo of a goat in the zoo.

An awards ceremony was held that evening in the zoo's Education Center.

Rizzolo's prize-winning photo, along with those of the other winners, will be displayed in a special exhibit at Turtle Back Zoo this month.

Rizzolo is a third grader in St. Peter's School.

AARP Meets Today at 1 p.m.

The Belleville Chapter 2051, American Association of Retired Persons will meet today, at the Fewsmith Presbyterian Church, 444 Union Ave.

The speaker will be Mr. Irving Falk who is a gem stone specialist. He will tell and show how ordinary stones can be cut, polished and made into something beautiful.

All members are requested to bring packaged or canned food for the needy, so all may have a happy Thanksgiving Day.

The next official board meeting will be held on Friday, Nov. 9.

Hostesses for the November meeting will be Fran Patrick and Helen Luknowiak.

Prayer For Today

O Lord, the Lord whose ways are right, keep us in Thy mercy from lip-service and empty forms; from having a name that we live, but being dead.

Help us to worship Thee by righteous deeds and lives of holiness; that our prayer also may be set forth in Thy sight as the incense, and the lifting up of our hands be as an evening sacrifice.

Election Day Choices

That crucial quadrennial time is upon us. Each voter — possessed with a sense of civic pride, and yes patriotic responsibility — will soon be called upon to exercise their most precious democratic right — casting a ballot for candidates of his or her choice.

RONALD REAGAN

The first office that concerns our electorate is that of President of the United States. The choice is between incumbent President Ronald Reagan and former Vice President Walter Mondale. The world and the nation generally perceive President Reagan as a strong leader who will not be pushed around — at home or abroad.

For most of America, the economy is strong. The political theory is that you don't shoot Santa Claus; hence, a vote for the re-election of Reagan.

Both the Western World leaders and Communist country leaders perceive Ronald Reagan to be a tough, strong leader. This is good for America. True or not, Reagan is perceived by the international community as standing tall and strong. For the Western hemisphere, the Reagan Doctrine has replaced the Monroe Doctrine. While the Reagan budget deficit scares us, the overriding consideration to return Reagan, is that we are respected abroad and strong at home because we have a strong economy. By any measure, we believe President Reagan should be re-elected.

BILL BRADLEY

U.S. Senator Bill Bradley for six years has served the people of our State and our community brilliantly and with distinction. Bill Bradley was elected as a Democrat, but from the very first day he took office, he erased party lines and served all the people equally and fairly. A decent young man, he deserved better from an opponent who daily conducts a smear campaign of falsehoods and misrepresentations against Bill Bradley. He is tall — and he stands tall — tall of character, integrity and ability. We thought the late U.S. Senator Cliff Case served best the interest of our people. Bill Bradley serves in the mold of a Cliff Case — caring, compassionate and trusting. Bill Bradley has earned re-election. To many it becomes a patriotic duty to re-elect Bill Bradley.

BOB ROE

Robert A. Roe has served in the Congress of the United States for fourteen years. Due to a population shift and mandatory Congressional redistricting, Roe's Congressional District now includes Nutley and most of Belleville. Roe is an able successor to Congressman Joe Minish who we lost through the mandatory redistricting. If you liked Joe Minish, there is every reason to believe you will like Bob Roe. They have identical voting records. They are both men of compassion, dedication and ability. Bob Roe deserves to be re-elected.

LARRIE W. STALKS

Essex County Register, Larrie W. Stalks, is seeking re-election to another term. The Register's Office is a depository of many vital documents which require loving, tender care. Mrs. Stalks has served with integrity and confidence. She has earned re-election.

GRECO, GIBLIN, DAVIS
AND CRESCO

There are four seats up for grabs in

the Freeholder at-Large race. Freeholder President Jerome Greco is seeking re-election and so are Thomas Giblin and Adrienne Davis. All three incumbent freeholders work together to provide us with efficient and adequate county government at the lowest possible cost. Their outstanding record of public service entitles them to re-election. The fourth seat should go to Bloomfield's Marion Crecco, who has a lifetime of community involvement which happens to be a family tradition. Indeed, in Marion Crecco we have a businesswoman for the business of government — and that's a good idea.

CHARLES KUCINSKI

Nutley Board of Education Vice President, Charles Kucinski is asking the voters of Nutley and Belleville to elect him for the District Freeholder seat. What Kucinski lacks in showmanship, he more than makes up for with the degree of personal integrity, dedication and ability that he brings to public life. Both in his positions as Nutley School Board Vice President and Executive of Nutley Fire Department, Kucinski's duties are directly involved with taxpayer's money and how it should be spent. There are far greater personal responsibilities than he would be facing as one person on a nine-member board.

Charlie will not make a full time vocation of passing out meaningless resolutions and seeking photo opportunities strictly for publicity purposes. Charlie is the kind of public servant who dedicates himself to the highest calling in public service without blowing his own horn. As a homeowner, Kucinski knows the burden of property tax. As an elected and appointed public official, he has served in a way that is worthy of the voters' trust.

BALLOT QUESTIONS

There are six questions on the ballot. The first provides \$90 million for hi-technology centers and programs. The objective of the bond issues is to act as a center of exchange and creation of hi-technology industry and jobs throughout the State of New Jersey.

The second proposition asks voters to approve a \$60 million bond issue for human service facility construction. The third question is a dedication for 17 years of \$0.25 per gallon of the existing tax on motor fuels to finance maintenance and rehabilitation of our State transportation system. The fourth ballot question authorizes senior citizens' club and associations to conduct raffles. The fifth allows a person to receive both veterans tax reductions and senior citizen tax deduction. The sixth is a constitutional amendment prohibiting the taxation of certain retirement benefits.

We urge voters to vote yes six times because it serves the public interest and either retains or establishes rights to which the affected citizens are entitled.

Frank Orechio

Resident Questions Dispute Over Politics and Religion

To the editor:

Some interesting questions should come to the mind of any thinking person observing the furor over the recent politics and religion controversies:

1. Why is it that we had prayer in public schools for 180 years in this country before the Supreme Court suddenly "discovered" that this violated the First Amendment?

2. Why does each session of Congress open with a prayer?

3. Why do the words "one nation Under God" appear in the Pledge of Allegiance, and "in God" appear on our coins?

The First Amendment was intended to prevent the imposition of national church. History teaches us that this nation has always been a God-fearing one. The extremists who would be happy to expunge any and all mention of God from public life and who, like Walter Mondale and Geraldine Ferraro, urge us to "pray at home" might as well move to Russia, because after all, isn't that the fate to which all religions have been reduced?

Sincerely yours,
Jackie Rega
Belleville

President Reagan's Policies Could Lead to Depression

To the editor:

I was one of the millions of people caught in the Depression of 1929 under Republican President Hoover. President Reagan, with his policies and cutting programs, is leading us down that same road and could create a more serious depression than the one in 1929 when millions of people lost their jobs, homes and money. Many banks not insured at that time, closed their doors. In 1932 the people got together and elected F.D.R., a Democrat. He was a gift from heaven. He had the wisdom of Solomon. He created many programs and put an end to this misery and put this nation back on its feet.

We cannot afford to let the

Republican Party abolish the Social Security Act or any of these programs F.D.R. gave us. Millions of retired people depend on that monthly check to survive. I am a Republican voting the Democratic ticket. I hope the people will do the same and send actor Reagan back to Hollywood where he belongs. In California the people do not believe in the polls. I agree with them. That is a clever political gimmick used by some who are desperate.

Your vote is a powerful weapon. Our future for the next four years is on the line. Vote Democrat all the way.

Albert Guglielmi
75 Lake St.

Medicare, Medicaid Abuses Must Be Stopped

To the Editor:

What is happening to Medicare and Medicaid today? It is a coming tragedy for people who really need it, like the elderly, handicapped and those who are in hospitals, institutions and nursing homes.

Because of not being able to support themselves, they are entirely dependent on government aid. I realize there have been abuses of both programs and this has to be dealt with and stopped.

These two programs are getting so that now it's hard to get anything from them. There are things that you need, but they won't pay for it. There are things you don't need, and they do pay for it. Sounds like a merry-go-round to me. I am sure to many others as well, who are worse off than I am. If these programs are not doing what they are supposed to do, what good are they? Sometimes I think we were better off when the state took care of us.

What is the answer? Well, I've been thinking about this a long time. Residents who are able to work should be allowed to do some kind of work within the institution and get paid for it. This is one way they would be able to support themselves, as well as at the same time, take some of the burdens off the programs already in effect. In that way, you would have better programs that stay and not be jeopardized by fraudulent gangsters or cheats. This type of thing makes it very hard for the honest ones who really need it. Remember, all of us get old and sometimes, some of us get disabled and need help.

There comes a time when men and women must try to help themselves and not depend on government too much. Government comes and goes with different ideas. Some plans are just give-aways. Others are sincere. We have to know

the difference. The human race still stays the same from generation to generation. There's just more problems to tackle in modern society!

Sincerely,
Bill Randle

Casales Thank Art Connolly

To the editor:

Our daughter, Donna, suddenly became seriously ill on Oct. 5 and immediately upon noticing same, my wife called the Belleville Police Department to notify the Emergency Squad of this illness. Within minutes, the Belleville Police and Emergency Squad appeared at my house.

We especially want to thank Patrolman Art Connolly, who was on duty at the time and realized the situation and immediately contacted the Paramedics at Clara Mass Medical Center who arrived at my house within minutes. The fast thinking of Patrolman Connolly saved my daughter's life and our sincere gratitude goes out to him and all of the other fine gentlemen who appeared at my house to help my daughter.*

Sincerely,
Mr. and Mrs. Michael Casale

Sixth Graders Very Attentive

To the editor:

I am a student at the College of Saint Elizabeth, majoring in Food and Nutrition. As a public relations projects, I recently gave a presentation on nutrition to School 7's sixth graders. I discussed topics such as fast food restaurants, nutritional snacking, and weight control.

I was very pleased to see the class attentive and cooperative by participating in the discussion. The Board of Education was kind enough to grant me the permission to make the presentation. I would like to thank Ms. Hawthorne, principal at School 7. A special thanks to Mr. Delia, Mrs. Carson, and the sixth grade classes for making the presentation a success.

Thank you once again.

Sincerely,
Kathleen Petracca
Belleville

1935 BHS Grad Wants Reunion

To the editor:

I wonder if any of your readers who graduated from Belleville High School in 1935 would be interested in planning a reunion in 1985? Don't know how many of us are left, but I think 50 years is an appropriate milestone to mark.

I would be happy to assist in any way I can in letter writing or other details that can be handled at this distance. Anyone interested, please write me at P.O. Box 582, Astor, Fla. 32002.

Edith Petrie Spillers
BHS Class of 1935

Golden Comments

By James R. Golden

The Nov. Presidential election is just a few days away which occasions our commentary upon the disturbing drag, lackluster lack of campaign activity on the part of both the Republican and Democratic parties in fostering the election of their respective parties' candidates at the local level.

What has happened to the hoopla and mass meetings of bygone campaigns? The party headquarters with its bunting and overflowed pictures of the candidates are all missing. It is a sad reflection upon the apathy of the local party leadership of both parties and their followers.

True! Times have changed, media coverage brings a front row seat to the big events of the principals into the living room of homes throughout the country, but as good as it is, it still lacks the emotional excitement that stirs up the adrenalin when we view the candidates seated on the comfortable roof rolled back waving to their followers lined along the main drag while the local Mayor and Congressman sit along side the candidate.

How vividly we recall back in 1928 school superintendent Grady's exclaiming the students early to repair the Town Hall area so that we might see Presidential candidate Herbert Hoover who spoke from the small balcony on the front of Town Hall. Also the 1960 visit of Jack Kennedy prior to his victory that year.

This was real admiration. This was reality, the real thing, no props, no make-up, the real live candidate who spoke his own piece, not that of some speech maker. Polls were ignored. Men like FDR exuded a charismatic charm and a famous smile telling us all that we needed to fear was fear itself.

The individual voter became involved. He or she analyzed their plight and decided to cast their ballot for the candidate they thought best qualified to guide the destinies of our people and their government. It seemed a bit more direct then, the individual did more making up his own mind without spot ads on TV sponsored by both parties' trying to elect their candidate.

Presidential electioneering 1984 style is much more sophisticated and a bit more "hyped up" than in the past. Media coverage, both TV and press, symbolize the concentration upon centralized direction from national headquarters and both major parties' P.M.C. contributions from both labor and corporations has minimized the role of many of the local political leaders and their role in influencing the outcome of state wide elections which determine electoral college results.

Televized debates conclusively indicate the competency of both presidential candidates. The polls, at the time of this writing, indicate a preference from among those polled for Reagan, despite Eisenhower quotes as having said in 1959 that no man over 70 should ever be President. (Parade Oct. 21, 1984).

Mr. Reagan is a personable, likeable man whom many, despite their objections to his policies, especially to the aged and the downtrodden, might be prone to vote for him because of his historic charm and voluble "great communicator" acting talent as carried over from his movie acting days on the screen. Notwithstanding these potentials, many question the sagacity and impetuosity of his moves.

Mr. Mondale has served 12 years in the U.S. Senate and was vice president in an administration that offered little for him to contribute to the policies of that administration, other than to preside over the U.S. Senate. Lacking the ostentatious showmanship qualifications and the cheapskate charm of the actor, it hardly reason to overlook the comparative mental acumen of the two candidates.

When we come down to the nitty-gritty of whom is best qualified to serve as our nation's President for the ensuing four years, let's not be swayed by emotion and showmanship, but, by clear, rational deliberation. Can we realistically sustain a \$200 billion deficit? We think not. Vote intelligently, not emotionally.

Library's November Activities Are Listed; Exhibits, Films and Crafts Are Featured

An art exhibit by Michael Accunzo of Belleville will be on exhibit at the Belleville Public Library, 221 Washington Ave. during the month of November.

A display of arms and armor also by Michael Accunzo will be on exhibit at the library. Both exhibits can be seen during library hours.

Mrs. McGuire is the former Philomena Lorenzo, daughter of Ann Lorenzo of Nutley. Petty Officer McGuire, formerly of Belleville, is the son of Mary McGuire of Union.

Dina Della Volpe

A second child, a daughter, Dina, was born to Mr. and Mrs. Louis Della Volpe of 46 Eugene Place Sept. 6 at Clara Maass Medical Center. Birth weight was eight pounds, 13 ounces. She joins Nicole, two.

Mrs. Della Volpe is the former Susan Silvestri, daughter of Mr. and Mrs. Carmine Silvestri of Belleville. Mr. Della Volpe, son of Mr. and Mrs. Louis Della Volpe of Belleville, is self-employed in construction.

James J. Gray

A first child, a son, James Joseph, was born to Mr. and Mrs. Kenneth Gray of the Kwajalein Islands Sept. 4 at Kwajalein Hospital. Birth weight was eight pounds, three ounces.

Mrs. Gray is the former Janis Richmond, daughter of Mr. and Mrs. James Richmond of Nutley. Mr. Gray, son of Mr. and Mrs. Joseph Gray of Burlington, is an electrical engineer with the RCA Corp., assigned to the Kwajalein Islands on a government job for two years.

Kaitlin E. Kurdyla

A first child, a daughter, Kaitlin Elizabeth, was born to Mr. and Mrs. William Kurdyla of Belleville Oct. 17 at St. Joseph's Hospital. Birth weight was nine pounds, six ounces.

Mrs. Kurdyla is the former Diane Delaney, daughter of Mr. and Mrs. Edward Delaney of Belleville. She is a receptionist at First DeWitt Savings and Loan. Mr. Kurdyla, son of Mr. and Mrs. William Kurdyla of Belleville, is a cost accountant with Crestmont Federal Savings.

Marisa N. Andreottola

A second child, a daughter, Marisa Nicole, was born to Mr. and Mrs. Frank S. Andreottola of 22 DeWitt Ave. Oct. 23 at Clara Maass Medical Center. Birth weight was six pounds, 14 ounces.

Mrs. Andreottola is the former Carol Scelsa, daughter of Mr. and Mrs. Anthony Scelsa of Passaic Park. Mr. Andreottola, son of Mr. and Mrs. Frank M. Andreottola of Belleville, is a draftsman with AT&T Technologies, Kearny.

Art Auction November 9 At Fewsmith

The Junior Woman's Club of Belleville will hold an art auction Nov. 9, 7 p.m., at Fewsmith Memorial Presbyterian Church. The auction, conducted by Marlin Art Inc., will feature oil paintings, watercolors, enamels, woodcuts and modern masters.

Nov. 17, the Juniors will host a craft show at Fewsmith Church from 10 a.m. to 5 p.m. Anyone dealing in crafts who wishes to participate should contact the club.

The Juniors will begin distributing holiday food baskets to needy families in Belleville at the end of the month.

For information on the club and its activities, call 751-4975.

Staying and Going — Joan McCarthy, outgoing president of American Legion Auxiliary, Nutley Unit 70, is shown with her husband, Dave, who will serve another term as post commander.

June Januszewski Heads American Legion Ladies

June Januszewski of Belleville was installed as president of the American Legion Auxiliary, Nutley Unit 70 at ceremonies held Sept. 29 at the Post home.

Other officers include Jeanette Braun, 1st vice president; Sharon Conway, 2nd vice president; Marie Crawford, recording secretary; Joan McCarthy, cor-

responding secretary; Betty Doefinger, treasurer; Sandy May, historian; Louise Shultz, chaplain and Jackie Dille, sergeant at arms. Doefinger, a Belleville resident, also serves as publicity chairman of the auxiliary.

Rose Petti, Essex County president, was the installing officer.

Libraries in Focus Featured Report on Cable Television

The Libraries in Focus program at the Belleville Library recently featured a special report on libraries and their involvement in local access television. The report was prepared by Chuck Marsh of the East Brunswick Library.

Interviewed on the program were Jim Thomas of the Verona Library, Bill Spangler of the Woodbridge Library, Kevin O'Rourke of East Brunswick, Gail Rosenberg of the Metuchen Library and Sue Yoia of Communities on Cable. They discussed the rewards and problems involved in developing programs for cable television.

Libraries in Focus airs each Monday evening at 8:05 on Suburban Cablevision's Channel 32.

Bloomfield High Class of 1974 Seeks Classmates

Although close to 700 invitations have been mailed, the Bloomfield High School Class of 1974 still has not located the addresses of approximately 50 classmates. Another 50 or so invitations have been returned as undeliverable, meaning almost 100 1974 Bloomfield High School graduates may not get an opportunity to attend their 10 year reunion. Friends and family members are urged to contact graduates and have them send their address and name change if any to The Reunion Committee, P.O. Box 1601, Bloomfield, N.J., 07003.

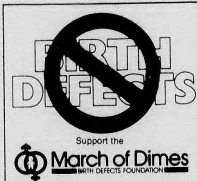

The reunion will be held Nov. 23 at Wayne Manor, Rt. 23 South, Wayne, at 7:30 p.m. Tickets at \$35 will include a prime rib dinner as well as cocktail hour and dessert. Tickets may be obtained through the P.O. Box address.

Adrea Cohen of the Belleville Public Library is chair of Libraries in Focus. The Belleville Library has been actively involved in producing programs for local access cablevision through Libraries in Focus.

Nicholas M. Orgo Completes Course In Jungle Warfare

Marine Lance Cpl. Nicholas M. Orgo, son of Janet Orgo of 81 Rossmore Place, recently graduated from the jungle warfare course at the U.S. Army Jungle Operations Training Center, Fort Sherman, Panama. He is a member of 1st Battalion, 9th Marines, 1st Marine Division, Camp Pendleton, Calif.

The three week course teaches students the skills necessary to successfully conduct tactical operations in a jungle environment. Highlights include instruction in jungle combat techniques, waterborne operations and air assault techniques. The course ends with a battalion field exercise.

Workshop This Saturday For Widowed Catholics

Theos and the Ministry With Widowed Catholics will present a workshop for widows and widowers entitled "Learning to Live Again." Saturday from 9 a.m. to 4 p.m. at Montclair State College, Upper Montclair. The \$10 fee includes lunch.

Keynote speaker will be the Rev. Carl Arico who has been associated with the Archdiocese of Newark for 25 years. The last 12 years, he has worked in ministering to widowed persons and co-authored "And Then Came the Dawn of A New Day."

Two workshopsessions will be held in the morning and two in the afternoon and persons will have the opportunity to attend all four. Workshops include: Pain of

Parting — Patrick Farmer, MS, Pastoral Counseling; Financial Fitness — Judy Rufer, account executive, Prudential Bache and Investors Associates, lecturer/consultant with widowed groups; Getting Started Again — Raymond Aumack, mental health counselor, human resource consultant (with three persons who did); Beginning Experience — a weekend program designed to help widowed persons make a new beginning life through a powerful, intense and positive experience of hope. Conducted by BE team members.

For further information, call Family Life Ministry at 596-3838 from 10 a.m. to 3 p.m. and 667-8394 evenings.

Expectant Parent Classes Ongoing at Clara Maass

The Maternity Department at Clara Maass Medical Center is conducting a series of five two-hour classes for expectant parents to help them better understand the normal processes of pregnancy, labor, delivery, post-partum adjustment and care of the newborn.

The classes will be given in a relaxed, informal atmosphere by specially trained maternity nurses and physicians every Wednesday evening from 7:30 to 9:30 p.m. Classes will be limited to 10 couples and will consist of lectures and discussions, films, practice sessions of body conditioning and relaxation techniques and a tour

of the maternity facilities. The class is also oriented to help the father adjust to his supportive role during this experience.

It is suggested that expectant parents register during the fifth month of pregnancy. Application forms may be obtained from your physician's office or the maternity department at Clara Maass. Verification will be made by phone prior to the date of assigned classes.

For further information, call 450-2194, Monday through Friday from 1 to 2 p.m.

HEALTH WISE

By Ralph J. DiMaio D.C.
We are able to exist because our brains send and receive "signals" to and from every part of our bodies. The spinal cord, the "main artery" of the nerve system, is encased within the hollow vertebrae of our spines. Nerves pass through and between vertebrae as they branch away toward whatever part of the body they control.

When any spinal vertebra becomes misaligned with its neighbors, the nearby nerves may be impinged upon... pinched... and are therefore unable to transmit the flow of nerve energy. Ill health is the result. Chiropractic corrects spinal misalignment to treat disease or pain in any part of the body. Perhaps we can help you. Phone today.

Umberto's
Corner

Dear Umberto,
I loved to see numbers 20 and 40 of Color and my hair color came reddish blonde. Not long ago, I decided to bleach my hair and color. Being 30, I had the first time I used 2 ounces and 1/2. I kept the remaining color which was 1 ounce and 1/2. When I did it the second time I used the same amount. I used a plus 1/2 of an ounce. The color didn't come right. I washed the first time I washed my hair. Why did this happen? Did I put the color on wrong?

Yours,
Unhappyman

Dear Bege,
You didn't do anything wrong by putting the color on. It is simple to do, anybody can put it on. Being 30, I had the first time I used 2 ounces and 1/2. I kept the remaining color which was 1 ounce and 1/2. When I did it the second time I used the same amount. I used a plus 1/2 of an ounce. The color didn't come right. I washed the first time I washed my hair. Why did this happen? Did I put the color on wrong?

Yours,
Unhappyman

Professional Women's Club Luncheon and Fashion Show

Dr. Elissa J. Santoro and Linda Grist Cunningham will be keynote speakers at a luncheon and fashion show sponsored by the New Jersey Federation of Business and Professional Women's Clubs (BPWC) this Saturday, 11 a.m. The event,

which will be held at the Parsippany Hilton Hotel, Parsippany, is chaired by Donna M. Raimone of Belleville. New Jersey State Foundation Chairperson for the BPWC. Proceeds from the affair will benefit the National BPWC foundation, which provides funds to women seeking to advance their careers and educational goals, in the form of scholarships, grants, and information resources.

Dr. Elissa J. Santoro, surgeon-oncologist, has been chosen honorary chairperson. The noted physician is attending doctor in surgery and oncology at St. Barnabas Hospital and Medical Center, Livingston. Recently elected president of the New Jersey Division of the American Cancer Society, Dr. Santoro is considered a leading authority in the field of breast cancer, its diagnosis, treatment and education.

Linda Grist Cunningham has made her mark in the field of journalism. At 33 she is the Executive Editor of The Trenton Times, in addition to being the paper's vice president of news. Prior to her post with The Times, she held similar posts with the Dispatch of Hudson County, The News of Paterson, and The Daily Record in Morristown. Cunningham serves on various state and national journalism committees, most notably the Board of the Journalism Resources Institute of Rutgers University, and the Pulitzer Prize for Journalism jury for 1984 and 1985.

Fashions will be presented by Bamberger's. Tickets are \$20 and can be obtained by calling 759-0661.

New Voters Registered

A record number of new voters, 58,233, have registered in Essex County since June when an aggressive voter registration campaign was initiated. In Belleville there were 18,427 new registered voters.

Essex County Executive Peter Shapiro joined Karla J. Squier, Commissioner of Registration and Superintendent of Elections, who announced the record-breaking results of the registration drive.

Shapiro hailed the effort as "one of the most successful registration drives in the country."

In June, Essex registration was 380,000. Adding registrations and updating books by removing those who have not voted in four years, who have moved, or who have died, puts the official total of registered voters in the county at 421,461 — a net increase of 41,461 over the June primary, said Squier.

The total brings the Essex registration up to its highest level since 1972, when 429,762 people were registered to vote, she said.

Neighborhood Crime Watch Program Nov. 8

Det. Chuck Piken of the Belleville Police Department will lead an open discussion on the Neighborhood Crime Watch Program at the next VFW Post 275 meeting, Nov. 8, 7:30 p.m., at the post home, 17 Belleville Ave.

The meeting is open to the public. A regular group meeting will be held afterwards. At this time, candy will be collected for the needy.

Missionary Director Will Speak

Dr. J. Estep, general director of the Conservative Baptist Home Missionary Society, will be the sponsor at the 11 a.m. worship service this Sunday at the Grace Baptist Church, 89 Overlook Ave.

The Conservative Baptist Home Missionary Society, based in Wheaton, Ill., has been instrumental in starting 14 churches in New Jersey.

Host Pastor, Rev. Robert Paul, along with the members and friends of Grace Baptist Church, extends a welcome to all.

Summer Work — Regina Bliss of Belleville received a \$250 savings bond from Walter Hislop, Chairman of the Essex County Private Industry Council, U.S. Senator Bill Bradley and County Executive Peter Shapiro for her outstanding work in Essex County's summer jobs.

Five Residents Honored For County Work Efforts

Five Belleville residents were recently recognized by U.S. Senator Bill Bradley and Essex County Executive Peter Shapiro for their efforts in Essex County's federally-funded summer jobs program for disadvantaged youth.

Those who participated are Joy Bernaducci, Regina Bliss, Toni Ann Cimolo, Andrew Pascale and Dawn Price.

Each of the participants worked a maximum of 25 hours a week for six to eight weeks and

was paid the national minimum wage of \$3.35 per hour. The youth, between the ages of 14 and 21, worked at a variety of jobs at work sites throughout the county.

Prior to their assigned jobs, each participant completed one week of classroom training known as Labor Market Orientation.

Bliss was one of 10 participants to receive a \$250 savings bond for outstanding performance.

The Essex County Division of Employment Training, which administers this program, contracts with the boards of education in Belleville, East Orange, Irvington, Nutley, Montclair, and Orange to provide jobs and work sites for SYE TP participants.

Holy Family Story Hour

Holy Family School, Nutley, has begun accepting registration for its 1984-85 Pre-Kindergarten Story Hour. The program is open to 3 and 4-year olds in the area and helps acquaint toddlers with the beginnings of regular schooling. Activities will include arts and crafts, stories, and some basic pre-school instruction.

The Story Hour is held one Monday a month, 1:30-2:40 p.m., in the school library. The first session is scheduled for Monday, Nov. 19.

For further information and registration material, call Laura Lehman at 481-2874, or Sister Marie Gagliano, M.P.F., school principal, at 667-2049.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Malo

Mrs. B. asks: "I've heard that my headaches can be related to my bite. Is this true?"

Yes, Mrs. B., this is very true. Some headaches are caused by muscle spasms very similar to "charley horses" that you get in your legs. What happens to a muscle after extended use is that lactic acid builds up inside the muscle, preventing it from functioning properly and then it begins to hurt.

When something causes (the bite to change; either loss of teeth, a fractured jaw, or arthritis in the joint, the teeth begin shifting to adapt to the change. When the teeth shift, some may strike before others. To compensate, the muscle remains tight, always under stress, to avoid hitting the premature tooth. These muscles begin to hurt, and the pain is felt as a headache.

If you are experiencing headaches that you cannot explain, check with your dentist. Perhaps he can help you. Send all inquiries to:

Hospice, Inc. Provides In-Patient Services

Clara Maass Medical Center has announced the signing of a contract with The Hospice, Inc., to provide short term in-patient care to Hospice patients under the new Medicare benefit. Although Hospice is primarily a comprehensive home care program serving the terminally ill, short term in-patient care may be necessary to manage symptoms that cannot be cared for at home.

High School Career Night

(Continued from page 1)

Representatives will also attend from the Mountainside Hospital School of Nursing.

In addition, all branches of the U.S. military forces as well as the U.S. Coast Guard and Navy ROTC will be represented.

Anticipating a successful evening, Esposito said 75 representatives attended last year's Career Night which drew what the counselor called "the best attendance we've ever had."

Esposito noted response from both students and representatives proved the effort was effective in bringing career guidance to the undecided.

"We received many congratulatory notes from representatives who were pleased with the turnout," said the counselor.

Because of the large turnout expected, college representatives will be at tables in the cafeteria. Business and trade schools will be represented in the school gym.

Admission is free.

Originally incorporated in Essex County in March 1981, Hospice has cared for more than 500 patients and their families. Its aim is to provide a comprehensive system of medical, emotional and spiritual support in the home of the terminally ill patient, filling the patient's remaining life with an atmosphere of dignity and love. Clara Maass Medical Center was one of the original founders of the Hospice program.

Every patient and family involved in the program is served by a team of professionals and volunteers in cooperation with the patient's attending physician," said Lorraine Scara, Executive Director of The Hospice, Inc. "We have formalized our relationship in this regard with Clara Maass Medical Center so that we can work more closely with the patient's physician and the hospital staff, and comply with the new Medicare regulations."

Democratic Breakfast Here Sunday

The Belleville Democratic Committee will hold its 20th Annual Breakfast this Sunday, 10 a.m. at the Chandler Restaurant, 340 Franklin Ave. Tickets, which are priced at \$15, are available by contacting Ruth Zimmer at 759-6027.

Hospice, Inc. — Clara Maass Medical Center President Robert S. Curtis signs a contract with Peggie Ross, president of the Board of Trustees of The Hospice, Inc., to provide short term in-patient care to Hospice patients. Looking on are Lorraine Scara, Executive Director of Hospice, and Leslie D. Hirsch, Clara Maass Administrative Assistant and Vice President of The Hospice Board of Trustees.

Passaic River Buyout Bill Is a Practical Solution

Passaic River buyout legislation, sponsored by Assemblyman Steve Aduhuto (D-30), was approved unanimously by the State's Assembly's Energy and Natural Resource Committee Oct. 11. The bill A-2349, would appropriate \$10 million to the Department of Environmental Protection to purchase flood-prone properties in the Passaic River basin and convert them into open space wetlands.

"The committee's approval of this bill is a victory for people all along the Passaic River," Aduhuto said. "People in Belleville and Nutley support the buyout as much as residents of Wayne and Pequannock, all for good reasons. Belleville and Nutley residents have expressed strong opposition to the tunnel idea since it was proposed last spring."

Aduhuto told the committee that recent flooding in the Central Passaic region had caused tremendous human and financial burdens. "In addition to the human hardships and misery such devastation causes, the taxpayers of New Jersey and the nation are faced with paying millions in public assistance and flood insurance. A fair and practical buyout program is our best alternative. This bill provides a good first step," he said.

To indicate public support for the buyout plan, Aduhuto presented the committee with petitions containing 17,000 signatures favoring his proposal. Four thousand of these signatures came from the Belleville-Nutley area, many of them through the efforts of the Nutley Concerned

Belleville Commissioner Ralph Di Ruggiero praised Aduhuto, saying that he was "extremely happy" with the progress of this legislation.

"Assemblyman Aduhuto is hearing and listening to the people of Belleville and Nutley," he said. "They do not want that tunnel built. But they also want a fair and just solution for people hurt by these floods."

The Passaic River buyout bill went to the Assembly's Revenue, Finance, and Appropriations Committee, where it was heard at its meeting Oct. 25.

Friends to Sponsor N.Y. City Bus Trip

The Friends of the Belleville Public Library will sponsor a trip to The New York Times for a behind-the-scenes look at the creation of the newspaper, Wednesday, Nov. 14.

The bus will depart from the Belleville Public Library, 221 Washington Ave. at 9:30 a.m. The first stop will be a brunch at Junior's Restaurant on Flatbush Avenue in Brooklyn.

The tour of The New York Times will begin at 1 p.m. and include portions of the production,

writing and editing of the newspaper not open to the general public.

Tickets will return to Belleville at approximately 3:15 p.m. Tickets sell for \$8 each and are available at the main library, the Silver Lake branch, or by mail. Ticket price includes all transportation and The Times tour. Brunch will be paid for individually at the restaurant.

For more information, call the library at 759-9200.

Blue Cross, Blue Shield Combine Phone Service

Blue Cross and Blue Shield of New Jersey will consolidate their telephone service units November 5. Beginning that date, anyone with a question about Blue Cross or Blue Shield coverage should call one of these numbers: Florham Park, 966-0088; Paramus, 366-9661; Princeton, 452-8100; or Cherry Hill, 424-

8220.

In the past, subscribers used these numbers exclusively to call a Blue Cross Service Center. Now, callers will be connected to a service representative who is knowledgeable about all forms of Blue Cross and Blue Shield coverage.

Generally, Blue Cross covers the services of hospitals and other facilities. Blue Shield covers the services of physicians and other practitioners. Treatment of many illnesses involves both Blue Cross and Blue Shield services. This consolidation will offer subscribers "one-stop" convenience when they call with inquiries about their coverage.

W&T Strike Is Resolved

(Continued from page 1).

The president of IUE Local 370, Nicholas Sicurello said Tuesday the dispute was caused primarily by "some problems with our medical coverage."

Sicurello explained the firm asked a higher rate of pay from the employees on medical benefits than they found acceptable.

He said through mediation, the new two-year contract provided "significant wage increases" and "straightens out the medical benefits programs."

The president of the local also declined to discuss specifics of the contract terms.

X-Mas Fair At Wesley

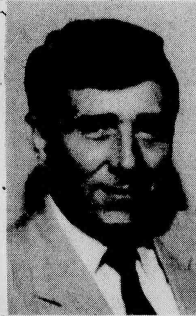

An all-day Christmas Fair will be held Saturday, Nov. 10 at the Wesley Methodist Church, 225 Washington Ave.

There will be many booths featuring stocking gifts, craft items, and homebaked cakes and cookies. There will also be a white elephant table and snack bar.

Everyone is welcome.

Sheriff D'Alessio

Focus

Govel Now Accepting Bellevue Reservations

Govel Realtors, the full-service Belleville-based real estate organization announced reservations are now being accepted for the 16 luxury condominium units of Bellevue Court in Belleville.

According to Nicholas Gisondi, executive marketing director of Govel Realtors, a list of more than 200 potential purchasers of Bellevue Court condominiums already has been compiled. Reservations will be accepted on a first-come, first-served basis, he notes.

Construction of the two-bedroom, two-bath condominiums is now nearing completion. Govel Realtors attributes the strong demand for the condominiums to a number of factors, including the moderate pricing of the units.

Priced from the mid-to-high \$80,000s, the condominiums of Bellevue Court are especially ap-

pealing to prospective purchasers because of the number of outstanding standard features they offer. Each of the condominiums features either a balcony or patio; wall-to-wall carpeting; air-conditioning; all modern, brand-name appliances; and energy-efficient construction.

Chamber to Honor Area Leaders Here

The Belleville Chamber of Commerce will honor Essex County Sheriff Thomas J. D'Alessio and Belleville Board of Education President Grace Purdue at the Chamber's 20th Annual Dinner Dance, Saturday Nov. 24, at the Branch Brook Manor, 13 Washington Ave.

Attending the affair will be many local and county dignitaries. The evening promises to be a fun-filled extravaganza, starting with a sumptuous cocktail hour, followed by a prime rib dinner with two open bars the entire evening, plus door prizes.

Entertainment and dancing will be provided by Focus, a group of talented musicians and singers which just completed an engagement at Resorts International Casino in Atlantic City.

Reservations are open to the public at \$40 per person and may be purchased at the following

locations: the Chamber office, 155A Washington Ave.; Towne Delicatessen, 650 Joralemon St.; Tarantino's Ristorante, 140 Washington Ave.; or Troise Insurance, 165 Washington Ave.

Schonenberger Takes Part In Program

Paul Schonenberger of Belleville who attends St. Peter's Prep in Jersey City participated in Stevens Institute of Technology's Move Ahead Program (MAP) this summer.

High school students were able to earn college credits in math, chemistry and computer science using computer-aided instruction.

Belleville Times SPORTS

Buccaneers Defeat High-Ranked Mustangs Mustangs Handed First Loss; Buccaneers' Record Now 5-1

By Michael Lamberti

Just seven days after dealing the Passaic Indians its first loss, the Belleville Buccaneers were at it again, stopping the Clifton Mustangs, 7-3 and handing the Mustangs its first defeat of the 1984 season and first regular season setback since September 1983.

The competition will not let up this weekend. The Bucs return to Paterson to battle Paterson Kennedy High School, starting at 2 p.m. The kickoff time is one half hour later because of the college boards that will be held that morning. PK will come in with a 2-4 record, but they pulled a big upset last weekend in beating Nutley and Kennedy always presents a problem for its competition.

For Belleville, its victory last weekend over a huge Mustang squad boosted the team record to 5-1 on the 1984 season. Clifton, which had not lost since an opening day setback to Passaic in September 1983, fell to 4-1-1 on the campaign. The victory also put Belleville in good position for the NNJHL crown. Currently, the Bucs are 4-0 in the conference and lead Passaic (3-1), Montclair (3-0-1) and Clifton (2-1-1).

The game was also a big boost for the Buccaneer defense. For the fourth time this season, it held the opposition without a touchdown. On the campaign, the Blue Wall has allowed a grand total of 30 points, 21 of which came in that 21-0 shelling to Bergen Catholic back in week number two. The Bucs have not allowed a touchdown in eight quarters, the last tally coming in the waning seconds of the Bloomfield game, a contest that was well in Belleville's favor when the touchdown occurred.

"There's something inside an athlete that cannot be measured," said head coach John Senesky. "We were up against a very big team in Clifton. They had a size advantage on us, had the home field and started off very well. Our kids met the challenge. It was a great game."

"They were huge," said full-

back Michael Gibbons, who managed 54 yards on the afternoon. "They were bigger than Bergen Catholic. I couldn't believe their size."

The game did not start well for our local heroes. After winning the toss, Belleville started from its own 40-yard line. On the first play, quarterback Mark Walsh, who played a marvelous game on both sides of the line, handed off to Gibbons, who gained 6 yards, then fumbled. The Mustangs pounced on the loose ball at the Buccaneer 48 and Clifton was in business.

Joe Silva was the workhorse of the Mustang running attack. He gained 9 yards on his first three carries, setting up a fourth and one of the Buc 39. The Mustangs used a trick formation that drew the Bucs offside and gave Clifton a first down at the 31. Mike Henry, the Clifton quarterback, found Klineck for 9 yards to the 25 and Silva gained 19 more to the Buc six, setting up a first and goal. Della Ferrer was stopped at the line of scrimmage and Silva gained 2 yards to the four. On third and goal, Henry hit his receiver with a perfect pass in the end zone, but the receiver bobbled the ball and Belleville had new life. Berger came in and kicked a 21-yard field goal, giving Clifton 3-0 lead.

Belleville could not turn on its next possession, but Steve Kimble gave the Bucs hope when he intercepted a Henry pass, putting Belleville at its own 45. On first down, the Bucs were nailed with a holding penalty, moving them back to the 30. From there, Walsh got hot. First he hit John Olivieri with a 13-yard pass to the 43. Walsh then ran for 12 yards, giving the Bucs a first down at the Mustang 45. Gibbons went to work, gaining five yards to the 40 and Anthony Gizzo added three to the 37. After Gibbons was stopped for no gain, Walsh did the job with a 2-yard run for the first down. Gizzo gained four to the 31. Gibbons one to the 30 and Walsh, again, made the big play, running 13 yards to the Mustang 17 for a first down. Gibbons added two yards to the 15 and Olivieri had

two, but the Mustangs were hit with a 15-yard penalty, giving Belleville a first and goal at the seven. Olivieri gained 3 yards to the four, but Walsh was sacked for a 3-yard loss. On third and goal, Walsh rolled out and under a heavy rush hit Olivieri with a touchdown pass. The play was similar to the Bucs' scoring drive against the Passaic Indians a week earlier. Walsh beat a heavy rush and found Olivieri out of the backfield for the score. Jim Dunphy added the conversion and it was 7-3.

Clifton drove as far as the Buccaneer 8-yard line late in the first half, but the Buc defense met the challenge once more and took a four-point lead into the locker room at halftime.

In the second half, the Buccaneers continued to dodge the Mustang bullet, holding off three strong drives, the last coming with less than two minutes left in the game. Belleville had a big drive late in the contest, starting from its own 18 and moving as close as the Clifton 5-yard line. Keying that drive was a 19-yard pass from Walsh to Olivieri, a play in which Olivieri pulled down the ball despite it being deflected. Walsh later found Gibbons with a 29-yard pass from the 50 to the Mustang 21-yard line. On fourth and goal, Walsh looked for his favorite target, Olivieri, on a short pass, but a Mustang defender stepped in at the last moment to break up the pass and keep the Mustangs within reach.

Once again, there were many heroes in the big victory. Chief among them were Walsh, who intercepted a pass, broke up a pass late in the contest to preserve the victory and directed the Buccaneer offense flawlessly. He threw for over 100 yards and his key running kept the Buccaneer scoring drive alive. The "Blue Wall" Buccaneer defense was its solid self once more. In its five victories, the "wall" has allowed nine points and has held Clifton and Passaic to a grand total of three points. The victory over Clifton also marked the second.

(Please see 'Bucs' on page 14)

Line Play — It was a hard hitting affair from the opening whistle last Saturday when Belleville and Clifton got together. The Bucs prevailed and ran their team record to 5-1, 4-0 in the NNJHL. This Saturday, the team will battle Paterson Kennedy, away, at 2 p.m.

Buc Volleyball Squad Wins Three; Possible Seat in State Tournament

With the state tournament in sight, the Belleville volleyball team won three big matches last week, stopping Nutley, Neuman Prep and Paterson Kennedy. The three victories boosted the team record to 13-5 on the season.

The girls closed out the regular season with matches against Clifton and Paterson Eastside earlier this week. The state tournament is set to begin this afternoon, but at press time, it was not known whether Belleville would be participating this afternoon or earlier next week. The team, on the basis of its strong record, has qualified for post season honors.

Against Nutley, Grace Worley's "Wizards" used a strong backline offense to stop the Maroon in three sets, 15-1, 8-15, 16-14. The victory avenged an earlier loss to the Raiders and was a good way to start a big week.

"The difference was the backline offense," said Worley about the Nutley match. "Without the backline, Debbie (Worley) and Donna (Brooks) can't do it. It was a super effort in the first game, but in the second, our backline was terrible and we lost. In the third game, we came back and won a big match."

Debbie Worley finished the match with 23 sets and Donna Brooks had 12 hits to lead the way. All 12 hits accounted for points to lead the Buccaneer offense. Brooks also had 12 blocks on defense.

Worley made 21 saves in the backline and Sheri Phelps had a good game, finishing with 11 service points. Christine Melillo, a sophomore, had six service points in a row. "We out maneuvered them in the final game," said Grace Worley. "It was a tough match."

Rain date will be Sunday, Nov. 11.

known whether Belleville would be participating this afternoon or earlier next week. The team, on the basis of its strong record, has qualified for post season honors.

Against Nutley, Grace Worley's "Wizards" used a strong backline offense to stop the Maroon in three sets, 15-1, 8-15, 16-14. The victory avenged an earlier loss to the Raiders and was a good way to start a big week.

"The difference was the backline offense," said Worley about the Nutley match. "Without the backline, Debbie (Worley) and Donna (Brooks) can't do it. It was a super effort in the first game, but in the second, our backline was terrible and we lost. In the third game, we came back and won a big match."

Debbie Worley finished the match with 23 sets and Donna Brooks had 12 hits to lead the way. All 12 hits accounted for points to lead the Buccaneer offense. Brooks also had 12 blocks on defense.

Worley made 21 saves in the backline and Sheri Phelps had a good game, finishing with 11 service points. Christine Melillo, a sophomore, had six service points in a row. "We out maneuvered them in the final game," said Grace Worley. "It was a tough match."

Rain date will be Sunday, Nov. 11.

The Bucs had a match

scheduled against Teaneck, but that was canceled due to Teaneck's commitment in the state tourney. It is doubtful whether that match can be rescheduled. Against Neuman Prep, Belleville tried a different offense and came away a winner in two sets, 15-6, 15-2.

"They're a new team," Worley said of Neuman Prep. "We tried a few things that were new in this match. They had a good team and gave us a pretty tough match."

Against Paterson Kennedy last Friday, Belleville breezed in two sets, 15-6, 15-4. Brooks had a big game, collecting 13 hits. Worley had a game high 35 sets and sophomore Renee Pettino had 14 service points to add to the victory.

"When the backline gets the job done, it's elementary," Worley said, sounding a bit like Sherlock Holmes. "When Debbie sets and Donna hits, it can be unbeatable."

The Bucs are looking ahead to the state tournament. Last season, the girls were ousted in the first round by Clifton and would like to make a strong showing this season. A number of major colleges have been watching the play of Brooks and Worley this fall. Among them are Rutgers, Seton

(Please see 'Volleyball' on page 13)

Michael Lamberti's BUC SHOTS

Belleville Soccer Association Continues Play

The action continues to intensify in the Belleville Soccer Association. The Belleville Bandits broke into the winning column for the first time this season with a 2-0 shutout victory over the Wyckoff Torpedos. Eddie Albanese, Jr., scored the Bandits first goal this season on a breakaway mid-way through the first half. Thirty seconds later, co-captain Joe Colucci, who assisted on the first goal, scored the second goal, assisted. Goalie Steve Dieguez, and the Bandit defense led by Jim Florian and Mike Russomano, held on to gain the victory.

The Kicks, sponsored by Caputo Florist, remained the hottest team in the association with a 6-0 victory over Harrison. It was the Kicks fourth win of the season in five tries. Chris Ricci had four goals, giving him 10 for the season and Angelo Bagnara scored his fourth goal of the season. Chris Imperatrice also scored for the Kicks. Goalie Dave Detoma preserved the shutout with defensive help from Brad Davis, Joe De Rigg, Kevin Kalena, Mike Meckler and Dana Gialanella. Jim Landon and Melissa Gialanella also helped offensively.

The Flash won its fourth game of the season, defeating Clifton, 4-1. Again, it was Mike Citarella scoring three goals that led the way. Citarella now has 11 tallies on the season. Donald Wohl also scored for the Flash.

The Kings, sponsored by De Bacco Bros., lost only its second game of the year, 2-1 to undefeated Kearny. Alex Arya scored the lone goal for the Kings.

The improving Sting lost a tough 1-0 game to Garfield, as did the Americans. Sponsored by Peoples Bank, the Americans goalie, Steve Tice, was the defensive standout.

Elgar Aguirre scored for the Belleville Arrows, but it wasn't enough as Clifton defeated the locals, 4-1. The Blast, sponsored by the Lions' Club, came up on the short end of a 2-0 decision to Lyndhurst. The leading scorer in the Belleville Soccer Association, Dennis Dework, added his 13th goal of the season, but his team, the Breakers, came out on the short end of an 8-1 decision to Lyndhurst. The Breakers are sponsored by Modern Milkwork.

How about the Belleville football team and its big victory over Clifton last weekend? For the second straight week, the Bucs defeated a team that was ranked number four in the state of New Jersey. It was accomplished behind the strong play of Mark Walsh and John Olivieri on offense, not to mention Mike Gibbons, Anthony Gizzo and that magnificent offensive line. The "Blue Wall" defense held the opposition without a touchdown for the fourth time this year. Who would have imagined that the Bucs would have stopped Clifton and Passaic on successive weeks without allowing a TD?

Back in 1980, a song by Queen hit the charts that gave a lot of teams inspiration. The song was entitled, "Another One Bites the Dust" and was adopted by the 1980 Bucs en route to the state championship game. It almost seems fitting that four years later, that

song would be a good way to describe the Bucs' play, especially over the last three weeks. For the season, Belleville is 5-1, 4-0 in the NNJHL, Essex Passaic Division, with tough Paterson Kennedy coming up this weekend.

If Belleville does win this weekend, it would put them in good stead for the Group IV, Section II playoffs. Should Belleville be fortunate enough to return to post season play, it would mark the fourth time in the last six years that the Bucs have been to the playoffs. Only Union, which will go for the fifth time in the last six years, has a better showing since 1979.

The Bucs only two misses from the period 1979-83 came in 1981, when the team was 6-2 after eight games, but lost 2-0 to Barringer, which was 6-1-1, despite the fact that Belleville had defeated the Bears, 39-14 in a regular season contest. Last season, the Bucs would have gone to the playoffs had it not been for the upset loss to Ridgewood in week number five. Belleville led, 14-12 late in the game, but lost, 20-14 and missed by one game. Had Belleville taken that contest, they would have been 6-2 after eight games and tied with Nutley for a berth. Belleville then would have gone ahead of Nutley on the basis of a 12-6 Buccaneer victory over the Maroon in week number one of the 1983 season.

The point is to commend John Senesky and his coaching staff for the marvelous consistency year in and year out from this program. The team is 42-9 in regular season play since 1979.

Included in those victories have been some memorable contests, such as the 14-7 win over Morris Knolls in the 1980 playoffs, the 32-7 thriller against Passaic in '82, the 7-0 victory over Passaic two weeks ago, the 7-3 win against Clifton last week and the 7-6 win over Montclair in the downpour of 1980. There have been so many big games over the last six seasons.

Speaking of Union, word out of that town is that Lou Rettino, the Farmers head coach, has the most talented team he's ever had during his long tenure as Union coach. That is certainly saying something. Union, since 1979, missed the playoffs just once and that was in 1980, when the Farmers were "just" 7-2. The team won a state title in 1982, were runners up in 1983, runners up in 1981 and state champs in 1979. This year, they have been nothing short of awesome. Last week, in blanking Elizabeth, the Farmers were "held" to 21 points. Going into the game, Union had averaged 46 points a game. Needless to say, they will be a handful in the playoffs.

The Group IV, Section II format has been somewhat realigned. Nutley has been moved to Group III, because of dropping enrollment. Belleville is near the bottom of the Group IV, Section II pile as far as enrollment is concerned. The Bucs are third from last and could fall to Group III should enrollment continue to drop.

Elizabeth High School leads the way in Group IV, Section II, with an enrollment of 2846. Union is fourth at 1631.

Newark Eastside has 1525, Westfield, 1508, Plainfield, 1486, Bloomfield, 1405 and Montclair, 1367. Belleville is ahead of only Phillipsburg and West Essex in the enrollment standings. The Bucs have an enrollment of 1224.

Next week, the Belleville High School athlete of the month will be profiled for October.

The Belleville High School athlete of the week is Mark Walsh of the football team. He intercepted a pass, threw for over 100 yards and had some key runs to set up the Buccaneer scoring drive.

For this week's quiz, in the Bucs' 14-7 victory over Morris Knolls in the 1980 playoffs, name the players who scored for Belleville, the starting backfield and the other players who came in the Group IV, Section II playoffs that year.

Finally, we'll take a look at David Grant, a freshman at the University of West Virginia who has earned a starting position on the defensive line and is doing an outstanding job. David, a 1983 graduate of Belleville High School, was a super defensive player during his days in the Buccaneer uniform. We'll be profiling David in an upcoming issue.

Buc Gymnasts Lose to Clark; Compete in NNJIL Tomorrow

The Belleville gymnastics team battled Clark last week, but the results were not too favorable for the local gymnasts. Clark took the measure of the Buccaners, 93-55-73.50 and in the process, lowered the team record to 2-7.

Ray Iannuzzi's team is looking to rebound from that loss when they host Kearny this afternoon, starting at 4 p.m. Tomorrow, the girls will travel to Montclair High School to compete in the NNJIL tournament, starting at 6 p.m. The girls will close out the season with a match at Passaic Valley next Tuesday, starting at 4 p.m. "They (Clark) had about three or four club girls," said head coach Ray Iannuzzi in referring to last week's match. "A club athlete is one who competes during the entire year. Clark had a very good team, with a lot more experience."

Senior Linda Wujack took a third place in the vaulting exercise with a score of 7.3. Wujack, coming off a virus, was also effective in the floor exercise, finishing with a score of 7.8.

Senior Gina Lemongello tall-

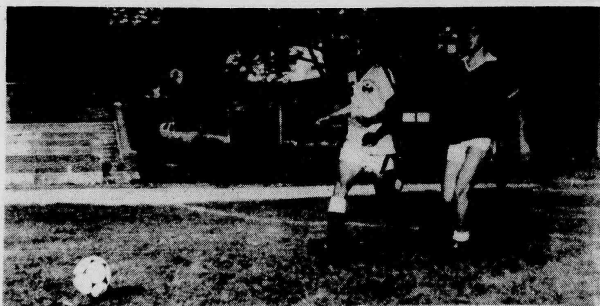

ied a 7.05 in the floor exercise, good for fourth place overall. "It was her best performance of the year," Iannuzzi said, referring to Lemongello's floor exercise. Junior Jill Lillis finished fourth in the balance beam with a score of 6.35. Alise Davies, a sophomore, finished fourth in the uneven parallel bars with a score of 6.30.

The NNJIL match, which will

feature the top three athletes from every school in the Essex-Passaic division, should be a good test for the Bucs. Wujack, who has been solid the entire season, will have a chance for some individual honors and the match should be a big opportunity for Lillis, a junior and Davies, a sophomore. Lemongello, who has been coming around after a slow start, should also see action in the tournament.

Doing His Job — Belleville goalkeeper keeps his Nutley opponents from scoring against the Buc during last Friday's match against Nutley at Clearman Field. Luke Silletti (10) looks on.

Trying to Catch the Ball — Belleville soccer member Angel Poledo (16) tries to outrun a Nutley player in last week's match against Nutley. Belleville lost 5-1.

Heard at Ringside

By Steve H. Frank

Ken Droz, public relations director for Gold Circle Productions of Detroit, announced, Thomas Hearns, 40-1, of Detroit has definitely signed to put his title on the line against John Mugabi, 24-0, of Uganda, now living in Tampa, Florida. "There had conflicting reports about whether Hearns-Mugabi had actually agreed to the match. The bout is scheduled for December," Droz said.

Barry McGuigan, 22, Irishman, who has lost only one of 24 professional fights, has taken another step towards a WBA title fight against featherweight champion Eusebio Pedroza of Panama by knocking out in the 2nd round Columbian Felipe Orozco. Orozco, previously unbeaten, now has a record of 17-1. McGuigan's camp has begun negotiating with Pedroza for a bout in 1985. "Pedroza's management wants \$500,000 plus 25 percent of the TV rights to come to Belfast," said McGuigan's manager, Barney Eastwood, a millionaire businessman.

International Boxing Federation junior middleweight champion Mark Meda of Jersey City, exchanges punches with Carlos Simoes of Puerto Rico in a title bout, Friday, Nov. 2, at New York's Felt Forum. Meda, used three southpaw sparring mates in preparing for Santos, a lefty.

Ed Gersh's contract to manage lightweight Howard Davis, Jr., expired Oct. 21. Davis and two Long Island lawyers tried to ease Gersh out of the picture last year. The court ruled Gersh had a legal agreement that Davis must honor until the expiration date (Oct. 21, 1984). Gersh now manages an undefeated lightweight Adolfo Medel, 20, of Ft. Lauderdale, Florida. Medel clashes with Mario Cusson, Dec. 9, in Cusson's hometown, Montreal, Canada. Gersh said, "After Medel edel destroys Cusson we want Davis."

Promoter Don King, who has been involved in numerous ventures, just made his debut as an actor. The film "Head Office" is being shot in Toronto starring Eddie Albert, Jane Seymour and Danny DeVito with King making a cameo appearance.

The unanimous decision by the World Boxing Council's 22-member executive council to strip Marvellous Marvin Hagler of his middleweight title was court-contested. When contacted at his Brockton, Mass. home, Hagler's co-manager Goody Petronelli, said, "I'll be damned. I don't know if they're acting legally. Morris Goldines of Boston, attorney for Hagler, Goody and Pat Petronelli, said the WBC's decision is in litigation concerning the action and is being heard in U.S. District

Court in Brooklyn, N.Y.

WBC continues to rank as No. 1 light heavyweight contender Dwight (Braxton) Muhammad Qawi of Camden, N.J. although there is no way he can get down to 175-pounds again. Promoter Butch Lewis requested the World Boxing Council to remove Qawi's name as No. 1 contender.

Dan Duva's Main Event Productions have taken over Harrah's in Atlantic City to put on many boxing cards at both the Trump and Marina. Duva promoted two successful shows, Oct. 17 and 31 with more scheduled.

Former rough, tough welterweight Jackie Pough of New Brunswick, N.J. was found dead in Elizabeth, N.J. Whoever committed the crime not only beat up on Pough, they also stabbed and shot him. Jackie had become a prominent trainer in recent years.

It has been known that junior middleweight Sean Mannion has had a drinking problem. Before his miserable showing against Mike McCallum, Jimmy, Mannion's manager, said, "Sean is a changed fighter since he went on the wagon." Asked how long ago did this happen, Connolly replied, "8-weeks ago, when he started to train for this fight.

Rec Activities

Football and Soccer Continue; Leagues and Clinic Forming

The Belleville Recreation Department provides a number of activities for the township's residents. They range from a Peanut Touch Football League, soccer league, clinics, basketball and volleyball leagues. Following is an update on the current activities and a listing of upcoming events.

In the third week of action in the Peanut Touch Football League, the Giants held the Cowboys scoring drive as time ran out to gain an exciting 20-19 "see-saw" victory. The winners (3-0) opened the scoring on their first play from scrimmage as quarterback Kevin Johansen ran a keeper for a 25-yard touchdown. The conversion as good, putting the Giants ahead, 7-0.

Quarterback Jason Gonzalez led the Cowboys to two scores on end arounds to make the score 13-7 before the Giants tied the game on a 25-yard touchdown strike from Kevin Johansen to Mike Puleo.

The last score for the victors came when the quarterback again threw a bomb to Mike Puleo. The extra point was good, bringing the score to 20-13.

Scoring on a 20-yard quarterback run, the Cowboys closed the gap to one point, but the conversion was stopped and their record slipped to 2-1.

Winning for the first time this season, the Jets defeated the Chiefs, 19-12. The victors were led by scores from Ted Reyes, Matt Landolfi and Phil Ayello. The Chiefs' quarterback, Todd Connolly, ran for a touchdown and threw to Bobby Roselli for another.

Standings are as follows:

Giants, 3-0; Cowboys, 2-1; Jets, 1-2; and Chiefs, 0-3.

In last week's action, Jefferey Raibick intercepted a pass and returned it 15 yards for a Cowboys' touchdown. Last week's article stated Mike Raibick.

In recreation soccer Division A, Jose Chafar's Lancers outlasted Antonio Navarro's Aztecs, 5-1.

The Lancers took an early lead with goals from Michael DeGennaro and Ron DePiro. Ketan Nemon scored and closed the gap, 2-1 at halftime. In the second half, Frank Crocco and Nemon had chances to tie the game but failed and the Lancers got goals from De Piro, DeGennaro and Kenny Sainz to put the game away.

Tim Cook played excellent on defense for the Aztecs. Lancers are now 4-0 and Aztecs are 1-3. In other action, Vincent Farina's Toros met Greg Delmonte's Spurs with the Toros prevailing on goals by Bob Willis, John Sciorriola, Emilio Farina and Robert Ricci. The Spurs had excellent play from Frank Citerella, Daniele Groelling and Marie Delmonte.

The Toros' record is now 3-1 and the Spurs are 0-4.

League leading scorers are John Sciorriola (11) and Steve Hywell (11).

In Division B, the Aztecs, coached by Vincent Farina, Jr. took on Steve Vogel's Lancers in a battle of the unbeaten. The Aztecs got five goals from the league's leading scorer, Brian Travers with outstanding play coming from Kevin Ernest, Michael Psonka and the leading goalkeeper, Matt Kastner.

The Lancers had numerous chances early in the second half but could not capitalize. Jeff Vogel, Joe DeMeo, Michael

Mundy and goalkeeper Mark DiMeo had a tremendous game. Aztecs are 4-0 and Lancers are 2-1-1.

The Toros, coached by Frank Jablonski, faced Jorge Escobar's improved Comets.

The Toros scored on an early goal by Javier Swarez of a breakaway and then the defense took over and held off numerous scoring chances from the Comets. Frank Jablonski, Jr. played outstanding in goal, stopping another breakaway and Gary Ceres and Kimberly Flores also played strong in midfield preserving the victory. Cheryl Thomas played excellently for the Comets.

Toros are 1-3 and the Comets are 1-3.

The Cosmos, coached by Bob Jaworski, played the Spurs. The Cosmos dominated play and got goals from Gregory Groelling, Joe Citerella, Beverly Maresse and Brian Aponte. Groelling is second in scoring and combined with fine coaching, the Cosmos will enter next week's game playing for first place against the Aztecs. The Spurs had fine play by David DeToma, the goalkeeper and Jim Landon who scored the lone goal.

League leading scorers are Brian Travers (16) and Greg Groelling (nine).

In recreation football Division A, the Chiefs continued their unbeaten streak by defeating the Rams, 41-6. Nick Turano scored three touchdowns for the Chiefs including an 80-yard run. John Sterneck, Tim Witt and Jo n Stampone also scored touchdowns for the Chiefs. Witt and Kevin Marion added extra points for the Chiefs.

In a battle for first place, the undefeated Chargers defeated the

Bengals, 13-0 by forcing two fumbles and adding two blocked punts. Sean Kimball forced a fumble on the first play of the game that led to a Charger 45-yard scoring drive, capped by a pass from Billy Nehila to Marc Manara. Richie Dowd added the extra point on a pass from Nehila.

Charger quarterback Billy Nehila, who finished the day seven of 10 with two touchdowns, finalized a 40-yard drive in the third quarter with a 15-yard toss to Dowd. Jason Apple and Danny Hywell played fine games offensively. Defensively, Lee Hands and Jason Schaefer played superb.

Standings are as follows: Chiefs, 4-0; Steelers, 3-1; Rams, 1-3; and Giants, 0-4. In Division B, Chargers, 3-0-1; Bengals, 2-1-1; Jets, 2-2; and Falcons, 0-4.

The Recreation Department announces a Color Guard Clinic

for girls ages 8-14. The program introduces the rifle and drill techniques that can be used later on in the high school marching band. The clinic will take place Wednesday nights, 6:30-8 p.m. at School 4 on Magnolia Street. For more information, call the Rec House at 759-3142.

A basketball league for eighth grade boys and girls will take place Monday nights in the Belleville Middle School boys' gym, 6:30-8:30 p.m. through the winter months.

The cost is free. For more information, call the Rec House.

A Men's Volleyball League is being formed to play its games Monday and Tuesday nights at the Friendly House, beginning Nov. 13.

Only the first 12 teams to respond will be scheduled to play. A maximum of 15 players will be al-

lowed on each team roster. Deadline for rosters was Oct. 30, but call the Rec House for more information.

The Rec Department will once again be offering the Men's Open Gym for basketball Saturday afternoons, 1-4 p.m., beginning Dec. 1 at the Belleville Middle School boys' gym.

The program will be limited to Belleville men only who must preregister for the program by going to the Rec House office at 407 Jorammon St. to apply for a photo identification card which will be required to gain admission to the gym.

Registration period starts Wednesday, Nov. 7 through Friday, Dec. 14 between 8:30 a.m. to 4 p.m., Monday through Friday. The office will also be open evenings Nov. 7, 14, 21 and 28 from 7-8 p.m.

School Board Defends Sex Ed Curriculum

(Continued from page 1)

to these issues if not in the controlled environment of the classrooms? How will they learn about them?"

The superintendent also told the parent that if he still finds a

particular matter too objectionable for his child's studies, he could request in writing that his daughter be excused from the particular lessons covering that material and she will not be held responsible by the teacher.

"We will comply with your request, Mr. Charzewski, but don't impose your views on everyone else," Nardiello added.

Charzewski's complaints drew a heated response from Tom Testa, the president of the Belleville Education Association and a middle school teacher.

Speaking on behalf of the Belleville teaching staff, Testa said, "No teacher in this district will ever do anything which goes against the grain. If any teacher does, I want to hear of it and I will be the first to haul him before the School Board," said Testa.

The educator spoke in defense of academic freedom and said the kind of controls Charzewski sought would go contrary to producing the kind of mature and independent thinking in students that most teachers strive for.

Testa further noted that some of the material Charzewski

criticized, such as the rock song lyrics, is often selected for study by the students themselves.

"Part of academic freedom is occasionally allowing students to select certain topics for study with the teacher's approval," said Testa.

Although the meeting drew a fairly large turnout, no other objections were voiced about the curriculum.

In addition, although President Purdue told Charzewski his request that all material intended for classroom purpose be reviewed by parents first was "impossible to grant" because of sheer size, another avenue was explored.

Later in the evening, the board discussed the possibility of establishing a resource library where members of the public could scan copies of the district's curriculum guides.

MAKE MONEY PREPARING INCOME TAXES

H & R BLOCK, America's largest Income Tax Service, has a great need for well trained tax preparers to work during the day for the upcoming tax season throughout Nutley, Belleville, & Bloomfield.

In order to help satisfy this need, H & R BLOCK will be conducting a 40 hour tuition tax school. School attendance requires no special experience in accounting nor prior tax knowledge. The main requirement is simply a desire to learn. The school provides practical training in all aspects of Tax Preparation and students are taught the complexities of Federal, State, and Local Tax codes.

Classes will begin the week of Nov. 5 in either Belleville, Clifton, Montclair, Nutley, or Newark & will meet 3 mornings or afternoons a week for 5 1/2 weeks.

For additional information contact H & R BLOCK by calling 365-0111 between the hours of 9:00am to 5:00pm, Monday to Friday.

Bucs to Face Kennedy Next

(Continued from page 11)

straight week that Belleville has defeated a team that was ranked number four in New Jersey.

Where does the team go from here? Well, there's Paterson Kennedy, a team with a deceiving record. PK has been tough in all its outings and last week, upset 4-1 Nutley, 15-13. Kennedy is a throwing unit and possesses some fast receivers and some good runners out of the backfield. They will pose a very serious threat to the Bucciner playoff chances, which right now look pretty good. Following the game with PK, the Buc will return home for another crucial battle, this time with Montclair High School, starting at 1:30 p.m. The fun is only beginning.

NOTES: Bucs last played Kennedy in 1982, winning 14-0 and clinching a playoff berth in the process. The last time Belleville had played Clifton was also 1982, and Belleville breezed in that one, 37-0. Anthony Pravia, the Bucs' fine lineman, has been hampered with a bad knee since the Eastside game, but feels he is ready to return to the lineup. He might see action against Kennedy, but that is questionable. A magnificent effort was turned in by Dominick Di Paolo. He accounted for 10 tackles at linebacker. John Apicella was also very effective, both at offensive guard and linebacker.

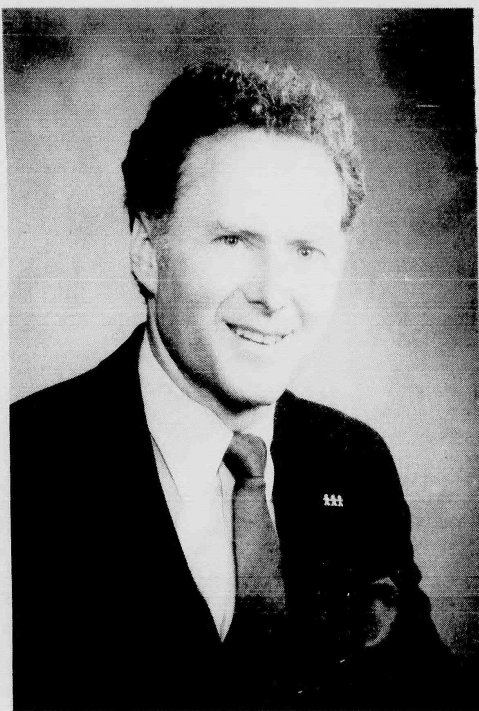

Looking for Space — Running back Jim Dunphy takes a hand-off from Mark Walsh and is looking for running room during last Saturday's game with Clifton. The Bucs won, 7-3, the team's fourth straight victory of the '84 campaign.

ELECT CHARLES KUCINSKI

FREEHOLDER/DISTRICT 5

"He'll Speak For You"

**VOTE FOR CHARLES KUCINSKI
LINE A-9**

VOTE DEMOCRATIC - NOVEMBER 6th

ENVIRONMENT

"Protecting our environment is no longer a problem that can be left to the state or federal governments alone. Toxic chemicals left in a plant in Belleville, radon contamination in our neighborhoods in Montclair and Glen Ridge, all point to the need for a regional approach to protecting our environment. I support the creation of a County Environmental Health Agency to monitor and enforce environmental laws in our communities. WE MUST NEVER SIMPLY REACT TO CRISES- WE MUST PREVENT THEM."

PUBLIC SAFETY

"My 20 years as a career professional has been spent in assuring the public safety. As Chief Executive Officer of my local Fire Department I am deeply involved in the round the clock protection of life and property. As Director of Emergency Management and in my work with the county arson investigation program, I know the need to coordinate the work of the local police with the county effort of the prosecutor, sheriff and county police. WE MUST ASSURE THE SAFETY OF OUR NEIGHBORHOODS."

LOWER TAXES

"Though the current county administration has made great strides in streamlining county government, we in Essex County continue to pay the highest property taxes in the state. To significantly reduce our local property taxes I will work to achieve state takeover of mandated county expenses such as court costs and welfare programs. By removing these burdens we can lower local property taxes by 100s of dollars."

EDUCATION

"My experience as the Vice-President of my local Board of Education has shown me that there is need for greater cooperation between local school boards and the county vocational school system. We must prepare our young people for the sophisticated, high tech jobs of the future."

Halloween Parade Features a Variety of Costumes

4-6 Years Old — Winners were: Larel Dunn, most original; Jacqueline Miano and Roxanne De Biasi, prettiest; James Green, funniest; and Tarah Fede and Colleen Wescott, cutest.

7-9 Years Old — Winners were: Jean Serritella and Mindy Hands, most original; Christin Jacobs and Carla Devise, prettiest; John La Mama and Joey Pepe, funniest; and Albert Mezle and Stacy Fantacone, scariest.

Junior Woman's Club Sponsors Parade Held Sunday for Costumed Youngsters

The Junior Woman's Club of Belleville held its annual Halloween Parade Sunday, Oct. 28. Local children between the ages of 1 and 12 years attended this event. Prizes were awarded for the most original, prettiest, funniest, cutest, and scariest costumes.

Refreshments and goody bags were provided for all who attended.

Judging this year's parade of costumes were Kathy Mollica of the Belleville Public Library, Jaye Tarantino of Tarantino's Ristorante and the Chamber of Commerce, Mrs. Lorraine Grande representing Commissioner Joseph Grande, Phil Linfante of the Board of Education, Frank J. Cozzarelli, Esq. of the law firm of Cozzarelli, Maurtone

and Nardachone, Joseph Ciccone, principal of Belleville High School, Commissioner Ralph DiRugiero and Sergeant Adelhelm of the Police Department.

The club wishes to extend its thanks to those who gave up their Sunday afternoon to judge the contest and for those who lent special support and cooperation, including Mayor Michael Marotti, the Board of Education, the Recreation and Parks Department, many local merchants for their donations and WBHS Channel 34 for providing cable television coverage.

For information on the Junior Woman's Club and its activities, phone 751-4975.

10-12 Years Old — Winners were: Darin Sorrentino and Renee Parrillo, most original; Robin Fornarotto and Danielle Spencer, prettiest; Jim Wandling and Louis Bamber, funniest; and Jennifer Best, Duan Sorrentino and Tommy Gialanella, scariest.

Sponsors — Members of the Belleville Junior Woman's Club, along with some young friends, pose for the camera during Sunday's Halloween Parade held in the high school gym. Can you recognize those in costume?

RE-ELECT ART CLAY REPUBLICAN/FREEHOLDER DISTRICT 5

"One Voice That's Making A Difference"

Care for the elderly. Funding for county law enforcement agencies. A safe and clean environment. Careful monitoring of tax spending. Issues that are important to the people of our area. Issues that are important to Freeholder Art Clay.

Art Clay knows your tax dollars are a public trust. His commitment is firm. A no-nonsense, common sense stand on county government. Delivering essential services with limited resources. That's the answer.

Freeholder Art Clay. A record of fiscal restraint. Service to the people of our area. One voice that's making a difference.

Mr. John Plenge, 75, of Upper Montclair died Oct. 19 in the Warren Hospital, Phillipsburg.

Mr. Plenge was president and farm manager of the August Plenge and Son Farm in Asbury. He also owned a farm in Belleville for many years.

He was a member of the Forest Hill Field Club in Bloomfield. Born in Elmhurst, N.Y., he

lived in Belleville and Asbury before moving to Upper Montclair 27 years ago.

Surviving are two sisters, Mrs. Eleanor Turck and Miss Wilma; and four brothers, William, Charles, Fred and Robert.

Services were held in the E. Donald Harrison Funeral Home, Nutley. Interment was in East Ridgeland Cemetery.

Democrats Keep Your Taxes Going Up and Up. Republicans Think Enough is Enough.

The Democratic Essex County Freeholders have raised taxes, increased government spending, and have placed an unfair tax burden on the suburbs.

And it's getting worse.

Under the Democrats, your taxes continue to go up. Spending has increased to record numbers. County Government is growing larger, and is full of waste and inefficiencies. Your representation is growing less and less effective.

What's more, the Democratic Freeholders increased their own salaries this term by 20%. Now they are paid \$18,000 for a part-time position.

The Republican Alternative.

Republicans want to reduce your taxes, cut government spending, and keep your hard-earned tax dollars at the municipal level, where it belongs.

Republicans want to give you effective two party government, providing a system of checks and balances that will stop the Democrats from taking unfair advantage of your tax dollars.

Your Republican candidates — former Freeholder and County Treasurer Samuel J. Angelo, Business Executive and television talk show hostess Marion Crecco, former Essex County Sheriff Chuck Cummings, and Livingston Councilman and former Mayor John Collins — want to put an end to the unfair tax burden on the suburbs. They will be your suburban voice in Essex County government.

Sheriff Chuck Cummings, Governor Tom Kean, Businesswoman Marion Crecco, Councilman Jack Collins, Accounting Officer Andy Ciriaco, and Freeholder Sam Angelo.

Religious Viewpoint

By Rev. Robert Paul

On television on the radio, in magazines — the clever adds of a dozen soap manufacturers all say, "You need our soap!"

A busy housewife bought the one she believed in. It even promised to get out the deepest stains.

The dirty clothing was piled high on the basement floor. "Organized chaos," she thought, looking at the heap before her. Beside the pail sat the detergent with its powerful cleansing agent.

The soap was close. But as long as it just sat there, it had no effect on the dirt.

The phone rang as she picked up the box. She tossed it carelessly on the top of the soiled clothes. When she returned to her chore the clothes were, of course, still dirty. The detergent was close to the dirt, but it still had no effect. She could have left it there all day and the clothes would not have become a bit cleaner.

The soap was close. But unless its power was to work, applied to the stains, the product could have no effect upon the dirt.

The death of Jesus Christ and His resurrection is all you need, but like the soap it must be applied.

Orechio Narcotics Bill Is Signed by Governor

A bill sponsored by Senate President Carmen Orechio (D-Essex) which will permit a sheriff to appoint a director for the Bureau of Narcotics for a one-year term without civil service examination, has been signed into law by Gov. Thomas Kean.

Essex County Sheriff Thomas J. D'Alessio said he will appoint Rocco Pandino the county's first director of the Bureau of Narcotics.

Orechio stated that a director's post is essential for counties to bring "off professionalism" in turning back the growing tide of drug transportation, selling and use. He added the director would also encourage and promote drug education and prevention programs for all segments of the community.

"We must have a constant and full commitment to combat the flow of drug traffic. The influx of narcotics only serves to ravage the lives of people, especially our young, and increases crime and violence which disrupts and endangers our communities," Orechio said.

Orechio pointed out the responsibilities and duties of the director would be to coordinate the efforts of the Bureau of Narcotics with various federal, state and local law enforcement agencies in fighting drug abuse and transportation.

451 Bloomfield Ave., Newark.
7:30 p.m. Master plan committee of the Belleville Planning Board. Open meeting. — 383 Washington Ave.

Future Events

Nov. 10 (Sat.) Belleville Italian American Civic Association's 18th Annual Dinner. Dances. — Wayne Manor, Route 23, Wayne. Cost is \$33 per person. For tickets, call 759-2622, 759-3950, 751-4528 or 759-4722.

Nov. 11 (Sun.) 7-11 p.m. Fall dance sponsored by St. Peter's Rosary Confraternity. — St. Peter's auditorium, William Street. Donation \$10. For further information, call Mrs. Michael Morris, 751-2564.

Nov. 21 (Wed.) 7 p.m. Pre-game football party sponsored by the Belleville-Nutley Italian Fiorente Club. — Clubhouse, 34 Carner Ave. Tickets are priced at \$15 per person and includes hot buffet, wine, beer and soda. Tickets are limited. Call 751-1534.

"A county director of narcotics would be a valuable and vital communications link between federal authorities and local police departments in waging the war on drugs," Orechio said.

Church Forms Youth Group

Any Nutley or Belleville youngster age 11-17 is eligible to join St. Peter's newly formed Youth Ministry Group which meets every Thursday, 7:30-9:30 p.m. in St. Mary's School gym.

The Youth Group which began Oct. 4 is always welcoming new members who can join activities such as volleyball, touch football, half-court basketball, soccer and much more. Every week, the group either briefly discusses a topic of interest or views a film. Future plans include group trips and fund-raising activities in conjunction with the parish.

For more information about the Youth Group, call Youth Ministry Coordinator Angela DiDole at 862-0063 or Youth Ministry volunteer Mike Olanoff at 661-2733.

ADVERTISEMENT FOR BIDD
SEALED proposals will be received by the Belleville Board of Education of the Township of Belleville, County of Essex, New Jersey, at the Administrative Offices, 190 Confortand Street, Belleville, N.J. 07109, on November 15, 1984 at 10:00 a.m. prevailing time for Vocational Auto Shop Equipment, in accordance with the specifications prepared by the Acting Board Secretary.
The Board of Education reserves the right to reject any or all bids and/or to accept the bid that in its judgment will be best for the School District of Belleville and to waive any informalities.
Bidders are required to comply with the requirements of P.L. 1975, c.127, N.J. Law Against Discrimination, Ch. 33 Laws of 1977, and to submit a copy of the State approved form, Affirmative Action, EEO-1.

No bid will be accepted unless accompanied by a certified check or bid bond in the amount of 10% of the bid, made payable to the "Belleville Board of Education."

No bidder may withdraw his bid for a period of thirty (30) after the date set for the opening thereof.

Specifications may be secured upon application to the Office of the Acting Board Secretary, 190 Confortand Street, Belleville, N.J.

By ORDER OF THE BOARD OF EDUCATION, TOWNSHIP OF BELLEVILLE, COUNTY OF ESSEX, NEW JERSEY

Mental Illness Program Nov. 20 at Mountainside

The Mountainside Hospital symposium on prevention of mental illness in children will be held Nov. 20, 8:30 a.m. to 4:30 p.m. in the hospital auditorium.

The theme of this year's program is "Love and Bereavement." Topics to be covered include perinatal bereavement, the impact of perinatal bereavement, the impact of perinatal death on parents and the perinatal health care team and the impact of the death experience on children and adolescents. A panel discussion on "Strategies for Professional Intervention: A Portrait of Family Grief" will follow. There will also be an open question and answer session.

Dr. Glen W. Davidson will be the featured guest speaker. Dr.

Davidson is chairman of the Department of Medical Humanities, professor of psychiatry and chief of thanatology at South Illinois University School of Medicine. He has published many essays and articles on death, and also produced short films dealing with the death of children.

The symposium is sponsored by The Mountainside Hospital's Departments of Psychiatry, Pediatrics and Family Practice. Physicians, counselors, educators and those in related fields are invited to attend. The cost of the program is \$45, which includes a lunch with the guest speakers. Contact the Mountainside Medical Education Office at 429-6191 for more information.

Knights of Columbus — New officers of the Knights of Columbus Council 835 were elected recently at an installation ceremony held in the council room. Kneeling (l-r) are Lou Mattia, lecturer; Joseph Wolf, chancellor; Ralph Lardieri, deputy grand knight; Fred De Fabio, PGK trustee; and Frank Marchesano, lecturer. Standing (l-r) are Joe Corris, trustee; Joseph Vaccaro, trustee; Frank Corbo, district deputy; Tony D'Amico, guard; Rev. John J. La Ferrera, chaplain; Pete Mackiewicz, guard; James Kiernan, grand knight; Joseph Jarmid, insurance. Officers not pictured include Ken Murray, PGK, financial secretary; Don Phillips, guard; Mark Adubato, guard; John Ryan, PGK, trustee; John Burke, advocate; and Robert Nebelung, treasurer.
