# The Belleville Times

Serving Belleville Since 1909

Thursday, May 9, 1985

35¢

## School 9 principal resigns post

Joseph Grosch, principal of School 9, will resign from his post effective June 30. Grosch has served in the Belleville Public School System since Sept. 1, 1946, serving the last 10 years as principal of School 9.

## Police search for hit and run car

The Belleville Police Department is conducting a search for any possible witnesses to a hit and run accident early Sunday morning that left a man in critical condition.

A pedestrian, Donald Grewcock, 48, of Van Houten Avenue was hit by a car 2 a.m. Sunday on the corner of Washington Avenue and Tappan Street. He was taken to University Hospital in Newark where he was listed in critical condition. He was suffering from head injuries. Police believe the car who struck Grewcock was headed southbound on Washington Avenue. Police say the car is a 1982-84 Pontiac Firebird and can be identified by damage to its right side.

Anyone with any information should call the police at 450-3333.

## Program administrator selected

The Belleville Board of Education has appointed Rocco Cafone, Belleville High School counselor, summer school program administrator.

Cafone will be in charge of the summer school program, for grades 8-12, from June 28-Aug. 9.

## Little League begins Saturday

The Belleville Little League season will begin with opening day festivities Saturday, May 11, at 1 p.m. at the Little League Field on Montgomery Street.

The Belleville Little League is a non-profit organization whose volunteer members help teach fundamentals of baseball and sportsmanship to boys and girls between the ages of 9 and 12. Games are played every night except Saturday at 6 and 8 p.m.

## Matters in Brief

### Sidewalk sale will begin May 23

Members of the business community will sponsor a sidewalk sale Thursday-Saturday, May 23-25.

Businesses involved include First DeWitt Savings and Loan, Belleville Shoes, First Jersey Bank, Nanna's, Pura-Tex, Belleville Motor Lodge, Charles Jewelers, Act II and Sherman's.

The hours are as follows: May 23, 9:30 a.m.-6 p.m.; May 24, 9:30 a.m.-9 p.m.; and May 25, 9:30 a.m.-6 p.m.

### Liability insurance policy extended

The township received a 30-day extension on its liability insurance policy last week when its policyholder declined to renew it.

Insurance Company of North America (INA) did not renew the township's policy when it expired last week because of a high risk factor, Isadore Padula, township treasurer, said. He said that all municipalities are considered high risks and that Belleville's situation was not unusual.

Eugene Reilly Insurance Co. is conducting a search for a new policyholder.

### Sen. Orechio speaks at university

Senate President Carmen A. Orechio addressed Pi Sigma Alpha, Seton Hall University's Chapter of the National Political Science Honor Society April 28. The occasion was a brunch to introduce newly appointed members.

After the induction procedure, the Senator was introduced by Anthony Iacullo, Vice President of the Society. Senator Orechio spoke about several major issues facing New Jersey residents. These included: the present drought situation, New Jersey's new seat belt law, and the increase in the state's drinking age from 19 to 21.

The Senator emphasized the need for awareness and involvement among our youth. He encouraged all present to know their civil rights, and to participate in the legislative process.

## Special education needs growing

By Michelle Jeannotte  
The need for two additional special education classes was emphasized in a presentation made to the Belleville Board of Education Monday night.

The presentation, prepared by Director of Special Services Dr. Anthony P. Chirico, projected special education needs for the 1985-86 school year. Projected student figures show the need for one additional perceptually impaired (PI) class at the high school and one additional preschool handicapped (PSH) class.

An additional 15 students will be enrolled at the high school

have 60 college credits and a county substitute certificate, Chirico said.

In his presentation, Chirico broke down the cost of sending these additional 15 students out of the district as compared to establishing a new class. There are 35 students sent to non-public schools and 51 students sent to public schools in the state as well as Connecticut, Pennsylvania, New York and Washington, D.C., Chirico said.

Costs for sending students out of the district include tuition and transportation for students and child study teams. Child study teams must travel to the out-

Chirico added that furniture and supplies would cost \$4,280, bringing the total cost so far to \$30,000.

Chirico added that the \$30,000 figure would be decreased to \$15,000 because of the state reimbursement. The total cost, therefore, of establishing an additional perceptually impaired class was estimated at \$15,000 - a \$45,000 difference.

"By establishing another class at the high school, students will be attending their own high school, with neighbors and friends," Chirico said. "Students can also participate in extracurricular activities often precluded because of the need to be transported."

Chirico also said that opportunities for jobs through the work study program are greater when a student attends a home high school.

"Most importantly, when handicapped students attend their own home high school, they can be mainstreamed into regular classes when they are ready," he continued. "Out-of-district placements are usually special education schools made up of all handicapped students with no regular classes. They also don't provide opportunities for mainstreaming."

Mainstreaming is also made

easier when students attend their home high school because special education curriculum is developed on the basis of regular curriculum guidelines, Chirico added.

Curriculum offerings projected for next year include general shop period for non-readers (instruction based on demonstration and verbal direction), remedial reading period, general home economic period, two physical education periods. Chirico also stressed the need for guidance services for special education students.

The need for a second preschool handicapped class was also emphasized by Chirico. He said that nine new students are projected for the upcoming school year, reflecting a need for the class.

Chirico also presented the difference in costs of out-of-district and in-district facilities for these preschool-aged children. Out-of-district costs, including tuition and transportation were estimated at \$27,500, while in-district costs were estimated at \$17,000.

If the additional preschool handicapped class is approved by the board, it would probably be housed in School 5 where the one preschool handicapped class is now, Chirico said.

Preparing His Presentation - Dr. Anthony P. Chirico dictates some of his presentation notes to his secretary this past week. Chirico made his presentation before the board of education Monday night. Detailed in his presentation were Belleville's special education needs for the 1985-86 school year.

next year, Chirico said. This number reflects the need for another perceptually impaired class with one teacher of the handicapped and one teacher assistant. A teacher assistant is required because it exceeds the maximum state enrollment (12 students) for perceptually impaired classes, Chirico said.

Perceptually impaired students are those who have specific learning disabilities which affects the ability to listen, think, speak, read, write, spell and/or compute to the extent that special education is necessary.

The class presently at the high school also has 15 students with one teacher of the handicapped and one teacher assistant. A teacher assistant must

district schools in order to conduct annual reviews of the students. Chirico estimated the cost at \$2,000.

Tuition costs were estimated at \$108,500 (15 students at \$7,300) with a 50 percent reimbursement from the state bringing that figure down to \$54,750, he said. Transportation costs for students was estimated at \$3,250. The total cost of sending these students would be \$60,000.

Tuition costs for students in-district would be eliminated as well as the transportation costs, Chirico said, adding that it is the township's responsibility to transport these children.

With an additional class established, one teacher would have to be hired at a cost estimated at \$19,600 as well as a teacher assistant at \$6,120.

## School board approves Special Education Week

The Belleville Board of Education unanimously passed a resolution designating May 12-18 as Special Education Week.

The school board joined the New Jersey School Boards Association and the Association for Schools and Agencies for the Handicapped in setting aside time to recognize the role of special education, Schools Superintendent Michael Nardiel

lo said. More than 164,000 New Jersey children receive special education instruction of which 400 receive services in Belleville.

In passing the resolution, the board called on people to recognize the contribution of public school board members, schools and agencies that work with and educate the handicapped, educators, parents and the students themselves.

## School board changes date

The Belleville Board of Education has postponed its May 13 meeting until Wednesday, May 22.

The meeting will be conducted at 8 p.m. at the school board complex, 190 Cortlandt St.

## SEPPPO hosts party honoring supporters

The Special Education Parent and Professional Organization (SEPPPO) will join in celebrating Special Education Week (May 12-17).

SEPPPO will host a wine and cheese cocktail party Tuesday, May 14, 3:30-5:30 p.m., at the Little League Field House. All special education teachers, aides, speech teachers and child study team members will be honored as well as administrators, principals and civic groups involved in special education.

Each staff person will receive a gift of appreciation and certificate. SEPPPO will also present plaques to outstanding persons and organizations who have been supportive of special education programs. Those who will be honored include Grace Purdue, former school board president, Tom Apicella, owner of The Chandelier, the Michael Marotti Civic Association,

Kiwanis Club of Belleville and Belleville Knights of Columbus.

SEPPPO will also sponsor a family square dance Thursday, May 16, 7:30 p.m. at School 5 on the corner of Greylock Parkway and Adelaide Street. The public is invited to attend. Admission is free. Prizes will be offered for best costumes and dancers.

Nominations for officers for the 1985-86 year will also be conducted the evening of May 16.

Activities sponsored by SEPPPO during the last year have included a barbeque for the summer program students, a Halloween party, a Christmas party featuring Santa Claus and a magician, the annual special olympics and the Olympic Bowling Tournament conducted last week.

Information about SEPPPO and special education programs is available by calling Bernadette Naso at 759-1584 or Lucy Capello at 759-5075.

Double Donation - The Belleville Service Unit of the Salvation Army recently donated two wheelchairs to the Belleville Public Affairs Department. Pictured are Commissioner Michael Pizzi, Stephen A. Schwed, welfare investigator, Carol Ann Russo, welfare director, John Ferreira, Salvation Army field representative, and Donna Rainone, chairman of the Belleville Service Unit. Schwed, Russo and Ferreira are also members of the service unit. - Photo by Michelle Jeannotte.

## Barnett blood bank set May 24 at Knights hall

The Eugene "Cappy Barnett" Blood Bank, sponsored by Belleville Council 835 Knights of Columbus, will be conducted Friday, May 24, 3-7 p.m. at the Knights of Columbus Hall, 94 Bridge St.

This drive is open to all members of the community as well as brother knights. For any additional information call Gerard Hickey, blood bank chairman at 667-2263.

Giving a pint of blood is virtually painless, but the experience is rewarding for the donor in more ways than one. You will be helping to insure yourself and your family for the future with this gift of life. Frequently the blood supply is at a

dangerously low level during the summer months when many are vacationing and there is a slump in donation to the blood bank. Just one pint of blood can go a long way towards helping others. The blood can be broken down for different medical treatments as plasma, packet cells and the clotting factors so desperately needed by hemophiliacs.

Over the year the North Jersey Blood Center, which collects and processes the blood for Belleville Knights of Columbus, have released thousands of pints of blood to help save the lives of brother knights, their families and others.

Fund Raiser - Nick Maunelle of Belleville has been selected fund raising chairman for the Belleville area for the Occupational Center of Essex County's Fourth Annual Cannister Drive to be conducted May 17, 18 and 19. The Occupational Center, located in Orange, is a private, non-profit rehabilitation facility, providing services to over 300 mentally and physically handicapped adults from the Essex County area on a daily basis. Volunteer fund raisers will carry canisters for contributions throughout the weekend's event.

## Developmentally disabled bills signed by governor

Legislation sponsored by Senate President Carmen A. Orechio establishing a Division of Developmental Disabilities in the State Department of Human Services has been signed into law by Governor Thomas Kean.

Senator Orechio explained that the new division will incorporate the existing Division of Mental Retardation and will expand the population served by the division to include all developmentally disabled persons.

Previously, the State Division of Mental Retardation was authorized to provide services only to persons who are mentally retarded or autistic. "However many other developmentally disabled persons have similar functional service needs," said Senator Orechio.

The Senate President noted that the transfer of powers and duties of the Division of Mental Retardation to the newly established Division of Developmental Disabilities will preserve all the entitlements that the mentally retarded are granted under existing law. The new division will give three years to develop plans and programs which will fully serve all developmentally disabled persons.

The new law will also upgrade the definitions of mental retardation and developmental disability to conform with current law and present standards and usage. Senator Orechio pointed out that the approximately 88,000 developmentally disabled persons in the state the vast majority do not receive services from the Division of Mental Retardation.

"With this new division established, to replace the Division of Mental Retardation, many more individuals with various developmental disabilities will be able to apply and be eligible for services," stated the Senate President.

## Spencer Savings has named four officers to new positions

Charles R. Duess, president of Spencer Savings and Loan Association, has announced several promotions.

Theresa E. Gugliotti has been named assistant treasurer as well as branch manager of the Lodi office. A graduate of Lodi High School, she is attending the Institute of Financial Education and is a member of the Women's Association of Savings and Loan Institutions.

Peter A. Wolaschek has been named assistant secretary in addition to his duties in the Collection Department.

Wolaschek, a graduate of Pope Pius XII High School has taken several courses in bookkeeping and accounting and has attended the Institute of Financial Education where he studied mortgage loan servicing. He is also involved in the CYO at St. Stephen's Roman Catholic Church and Hungarian Boy

Scouts, Troop 6.

Pauline E. Gonsisko has been named assistant treasurer, mortgage servicing supervisor, purchasing and inventory.

Gonsisko started at Spencer Savings as the switchboard receptionist in 1965 and progressed through the corporate ranks.

A graduate of Pope Pius XII High School, she attended the Institute of Financial Education and is a member of the Women's Association of Savings and Loan Institutions.

Gonsisko is a member of the Lodi PTA and secretary of the Grand Jury Association of Essex County.

Catherine Bizzarro has been named Belleville branch manager and assistant treasurer at the near \$500 million savings and loan financing institution. A graduate of Barringer High School, Newark, she is a longtime resident of Belleville.

**MORE GENERICS**

A new piece of legislation called the Drug Price Competition and Patent Term Restoration Act of 1984 has been passed. It permits the FDA to approve applications for the marketing of generic versions of brand-name drugs that have already been found to be safe and effective. What this means for the consumer is that cheaper versions of many popular prescription drugs are now expected to become available. To get generic drugs approved, firms will now have to show that the product is equivalent to an already approved drug in ingredients, mode of administration and therapeutic effect. The drug's labeling must also be the same. However, the costly testing that was needed for approval of the original drug will not have to be duplicated.

Generic drugs can save you money while providing you with the results your doctor expects. All your prescription needs can be handled at ROCKMORE PHARMACY, 338 Washington Ave., 759-1908, 759-1956. We can still help you with your Mother's Day gifts, see our selection of greeting cards, Russell Stover candy, cosmetics, transistor radios and Timex watches. Hours: 9am-10pm daily, 9am-5pm Sundays. We hope your Mother's Day is special.

**HANDY HINT:**

# Municipal Court judges honored at Law Day dinner celebration

By Karen A. Lynch

Three local municipal court judges were honored at a Law Day dinner celebration sponsored by OBC-TV (channel 36) at the Chandelier Restaurant, Belleville, May 1.

The honorees—Edward J. Abramson of Belleville, Carl Stier of Bloomfield, and Anthony S. Amoscato of Nutley—were presented with certificates of appreciation by Essex County Sheriff Thomas J. D'Alessio. The certificates cited the judges' "valuable and dedicated service rendered to this department and the citizens of Essex County."

State Assemblyman Stephen Aduato (D-30th District) presented a framed Assembly resolution in their honor.

Frank A. Orechio, president of Orechio Communications, also offered a tribute.

"We have three of the finest human beings as judges of our

three communities," he said.

"I have a deep affection for these three lawyer-judges. They're kind and compassionate and in the administration of justice, they're firm."

The judges discussed changes in and impressions of the municipal court system in their years on the local bench.

Abramson, who was first appointed to the Belleville court in 1951, said municipal court reforms throughout the years had resulted in a better system. He also said today's expert scientific testimony and improved documentation aided in rendering fair decisions.

"The overall quality of the bar has improved," he added.

A 1922 graduate of Belleville High School, Abramson was graduated from the New Jersey Law School in 1927. He was admitted to the state bar in 1928 and became a counselor in 1931.

Amoscato, who has been judge in Nutley since January 1982, explained the function and jurisdiction of municipal courts, which deal largely with traffic violations, township codes, state statutes and non-indictable criminal offenses. He noted that 364 judges serving 532 municipal courts in New Jersey hear about two million cases per year.

A 1941 Harvard Law School graduate, he is a member of the New Jersey Bar also admitted to practice in the Federal District Court of N.J. and the U.S. Supreme Court.

A past president of UNICO, the Italian-American service organization, he is a member of the Nutley Elks and Rotary.

Stier, who called Law Day "the most significant day of the year," has been judge in Bloomfield for 19 years and in Fairfield for five years.

"The municipal court is the most important court in the entire system," he said, "because it is there that the average citizen comes to grips with justice. If people are treated with courtesy, fairness and compassion, they leave with respect for the judicial system."

Stier, a 1936 graduate of Bloomfield High School, was graduated from Rutgers-Newark Law School in 1942. As a trial judge advocate with the U.S. Air Force, he was a member of a task force that prosecuted Japanese war criminals after World War II.

He practices at 551 Bloomfield Ave. and has taught business law at Upsala University and the Practising Law Institute at Rutgers. He is also the longest-serving moot court judge (15 years) at Seton Hall University.

Distinguished Honoree - Belleville Municipal Judge Edward J. Abramson talks about reforms and changes in the municipal court system during the Law Day Dinner last week at The Chandelier. Abramson, a municipal court judge in Belleville since 1951, was one of three municipal court judges honored that evening. + Photo by Karen Lynch.

## Summer day care planned at Bethany

A summer day care program will be conducted at Bethany Lutheran Church, Joralemon and New streets, from July 1-Aug. 9, Monday-Friday, 9:30 a.m. - 3:30 p.m.

Children between the ages of 3 and 14 are eligible.

Activities planned include physical activities, music enrichment, arts and crafts and Bible study. Program director is Jacquelyn Moore, director of the Dover summer program for the past two years. Moore, the daughter of Pastor Nancy Moore, is a teacher in West Morris.

Information about the sum-

mer program can be obtained by calling Bethany Lutheran Church at 759-1555.

An 8-Kilometer Race and a 1-Kilometer Fun Run will be conducted Sunday, June 9, 8:30 a.m. in Branch Brook Park to raise funds for the program. Over 100 prizes and awards will be presented in various categories. Trophies will be awarded to top male and female finishers.

T-shirts will be given to all pre-registered runners. Any businesses who wish to have their names printed on T-shirts may do so by donating shirts for the race.

## Money mart symposium is attended by Govel

Govel Realtors, a full-service real estate organization based in Belleville, recently participated in the Money Mart Symposium at Riverside Square in Hackensack.

The symposium, conducted just prior to the April 15 tax deadline, was geared towards presenting various investment opportunities to interested investors.

"The symposium attracted more than 50,000 people over a five-day period," Nicholas Gisondi, executive marketing director, said. "A substantial number of these individuals have become clients of the Govel organization. Before the sym-

posium, many people were not aware of the wide variety of marketing plans Govel Realtors tailors to reflect the needs of its investor clients."

Gisondi said that real estate investment experts are available to talk to first time and seasoned investors at the offices of Govel Realtors, 727 Joralemon St., Monday-Friday, 9 a.m.-9 p.m. and Saturday and Sunday, 9 a.m.-5 p.m.

## Prayer For Today

Keep us this night, O Lord, from all works of darkness, and whether we wake or sleep, let our thoughts and deeds be in accordance with Thy holy will. Preserve us from all dangers and terrors of the night; from restless watching and sorrowful thoughts; from unnecessary or fretful care and imaginary fears. Let us awake tomorrow renewed in strength, and cheerful in spirit; may we arise with holy thoughts, and go forth to live to Thine honor, to the service of our fellowmen, and the comfort and joy of our households.

Caspar Neumann

## Law Day

Last week, OBC-TV sponsored a Law Day Dinner to mark the occasion in a meaningful way. On May 1 in Russia, the citizens salute the Red Army and all the meanness it represents in the world. On May 1 in America, we pause to reflect upon the meaning of the criminal justice system. What a contrast!

Panelists for the OBC-TV sponsored Law Day Dinner were the Municipal Judges of the communities of Belleville, Nutley and Bloomfield.

Belleville Judge Edward Abramson, gave a scholarly account of the importance of the Municipal Court in the life and times of the average citizen. Judge Abramson underscored the fact that for most Americans, the Municipal Court is the only contact they have with the criminal justice system. The experiences people have at the Municipal Court level represents an image of

what the criminal justice system in America is all about. We are proud to have Judge Abramson administer justice in the Municipal Court. Justice Abramson is the dean of Municipal Judges in New Jersey, having served 33 years in the post - and served with the distinction that marks his tenure.

May God bless him with continued good health and permit him to continue to swing the gavel firmly and fairly, as he has for the past 33 years. In the words of Reverend Robert Schuller - God loves you and so do we.

*Frank Orechio*

## Bitburg

On April 28, representatives from veteran organizations in Nutley, Belleville and Bloomfield gathered in Temple B'nai Israel on Centre Street. The veterans attended the ninth annual Jewish War Veterans of the U.S.A., North Essex Post 146's allied veteran breakfast.

Oscar Nathans, Post 146 adjutant, read a letter written to President Ronald Reagan by Samuel Greenberg, JWV national commander. The message voiced protest against the President's then proposed visit to the German military cemetery in Bitburg. Sunday, President Reagan made the visit to the cemetery where more than 2,000 German soldiers, including 49 members of Adolf Hitler's Waffen SS are buried.

The, then proposed, visit "to memorialize those who killed American soldiers fighting to preserve the world from the onslaught of Nazi madness is an outrage," the letter stated in part. "...I urge you, in the name of our American war dead, not to cheapen their deaths by laying a wreath at the graves of their adversaries. Alliances are not made by denying what was but, rather, by acknowledging the

past, learning from it, and dedicating ourselves to a better tomorrow."

According to reports, President Reagan had his back to the SS graves while a bugle sounded during ceremonies at Bitburg. The President did not place a wreath on any grave. For that the President should be lauded. However, he might have better cemented relations among Americans by visiting a different cemetery or memorial to symbolize the reconciliation between the two nations.

To be sure, the Jewish War Veterans' anger should not be taken as hatred, nor turned into hatred. The Jewish War Veterans should be commended for their stand against hatred, against racism, against antisemitism, against all the crimes of the Nazis. The Jewish War Veterans in Essex County should also be commended for their stand for brotherhood and unity which was evident at the allied veteran breakfast.

"It is important that strong brotherhood be continued from everlasting to everlasting," said Howard R. Rubin, serving his fifth and final term as commander of Jewish War Veterans Post 146. Amen!

## Chamber did not hold homeowners' meeting

To the editor:

The Belleville Chamber of Commerce never held a meeting on redevelopment exclusively for homeowners.

Mr. Howard Halpern of the chamber of commerce implies as much when he advertised: "We have heard from the homeowners, we know what they have to say. Homeowners will not be allowed to participate in a meeting, sponsored by the chamber of commerce concerning the blight proposals, with the Belleville Redevelopment Agency. Now we want to give the business community a chance."

The contrived, stupid statement was allowed to stand as an excuse for the exclusion from a meeting of a large segment of the community on April 17. This lame-brained excuse was accepted by supposedly responsible elected officials and other people in responsible positions as a legitimate reason to bar the most active and vociferous people from participating in the meeting, effectively canceling out any viable opposition to those who support the proposals of the BRA.

The BRA is a functioning agency, created by the town commissioners and the governor of the state. It is responsible to the people of Belleville as a whole, and the elected officials. It should not lend itself to private groups for private advantages. It was the height of irresponsibility for it to accept participation in a meeting which wrongfully excluded a large segment of the population. It not only did so, but members behaved as though they were actually running the show. I believe the BRA instigated this whole plan.

Now the chamber of commerce can call any private meeting it wants to. It can exclude any one it chooses to, as long as the people it invites come from the private sector. It cannot dictate those terms when it invites a public agency which is involved in an ongoing attempt to force on the public a blight

declaration it does not want. The chamber of commerce tried and tried to enlist the support of the business community to favor blight. It met with rebuff.

The chamber of commerce recently conducted a registration drive to enlist the new members. Who these new members are we do not know. Many of them are new to us. Whether or not they are Belleville residents, we do not know. It is to these new members Mr. Halpern referred to as the ones to be given the "chance" to speak. In two years of officially called meetings, not one of these new faces ever showed. Where have they been all this time?

I believe that this meeting was concocted by the BRA in cahoots with the chamber of commerce. I believe that a conspiracy exists between the BRA and the chamber of commerce. That this plan to stack a meeting was hatched between these two groups in a desperate attempt to rescue the failed plan of the BRA in order to coerce and impress the town commissioners to vote in favor of blight. I believe that the BRA and the chamber of commerce have been blighted in this low down scheme, which more than anything, reveals the true nature of the character of the men we are dealing with. They would stoop to any level to achieve their aims.

Shamefully, Belleville was impressed to reinforce the silencing of residents. The police department was used to protect an illegal proceeding. Even more distressing is the presence of the mayor and commissioners, who by their presence gave the whole abomination stature. Not one of them is astute enough to condemn what transpired. They danced to the tune played by the BRA and the chamber of commerce. The BRA has compromised itself, its usefulness is over. All BRA members who participated in that meeting should resign immediately. They and all those in attendance have been blighted.

Michael Giordano

## Letters to the Editor

### Who's dragging their feet on 'blighting' avenue now?

To the editor:

Many months ago the planning board was told it was dragging its feet and was told to come up with its recommendations on whether Washington Avenue should be blighted or not.

It is my belief that if left alone, and not pushed into a quick decision, the board just might have determined that Washington Avenue is not blighted.

On Jan. 18, its recommendations were given to Mayor Marotti and our township commissioners. Who is dragging their feet now?

We the people, homeowners, and business people are entitled to an

answer!

Since then, there have been many meetings which I believe showed blight is not the answer - no plans, no funds, etc.

Mayor Marotti called a public meeting on March 19 to see if the people of Belleville wanted blight or not. Overwhelmingly they showed that they did not.

Why, Mayor Marotti and commissioner, are we kept on a string for so long? Our lives have been disrupted enough!

Please make a decision so we all can get back to our lives.

Joseph Cameron  
21 Quinton St.

### Reader supports sheriff in bid for a second term

To the editor:

I am writing this letter to inform your readers of some of the many goals Essex County Sheriff Thomas J. D'Alessio has implemented and accomplished.

A career law enforcement professional, Tom D'Alessio believes that education is a valuable tool in helping create a safer, crime free society. He has developed a public education program within the Essex County Sheriff's Office which sends trained officers to speak to groups of school children.

The safety of our children is the focus of many of these presentations. Our young people are being educated about the dangers of drug and alcohol

abuse. The private sector has volunteered to support his outstanding efforts against drug abuse by making funds available to implement his efforts. Preventative information about the problems of missing children and sexual abuse is also handled with great sensitivity.

Sheriff Tom D'Alessio is providing a great public service through programs such as these. I feel that he has earned the respect and support of all of us. We can show that support by voting to re-elect Tom D'Alessio the Sheriff of Essex County on June 4.

Sincerely,  
Michael Veveziano  
(Michael V)  
Prospect Street, Nutley

### Kevin Kennedy thanks residents who supported election campaign

To the editor:

I would like to take this opportunity to thank everyone who voted in the board of election election on April 2.

I would especially like to express my gratitude to all those who supported me in my campaign: those who came out to the polls, and those who took the time to hold teas. To the P.T.A.s who held the debates, a sincere thank you for inviting me. To OBC and the editor of The Belleville

Times, I extend my appreciation for their interest.

My sincere congratulations to Joe Cappello and Ernie Zoppi with my pledge to help them in whatever I may do for the children of this community.

In the future I would like to suggest ballots be mailed to registered voters so we may never have such a small turnout of voters again.

Thank you.

Kevin G. Kennedy

## Golden Comments

By James R. Golden

Senior citizens should be enlightened of the planned changes in jury duty calling that will affect them if the proposed bill is adopted, as written when passed by the 33-1 vote of the Senate.

Presently, under both federal and state law, citizens are subject to jury duty call up to the age of 70. While no change is contemplated in the federal jury duty regulations, the proposed state Assembly bill A-2589, sponsored by assemblyman Thomas Paterniti (D-Middlesex), will provide for the calling up for jury duty in New Jersey persons aged up to 75 - five years older than at present.

When we pressed several state legislators of this immediate area as to the logic of such an oppressive burden and hardship upon such aged individuals, especially, those of Essex and Passaic counties where crime and violence is so common, we were advised that many seniors sought such a change for the extra money they would get (\$5, planned to be \$10 a day) notwithstanding that, almost half of that would be consumed by travel and lunch costs. Perhaps seniors in rural areas of New Jersey, spared the trauma of big city disorders and crime, have few apprehensions, but, the aged of Essex and Passaic and other crime ridden counties should not be subjected to such a dangerous and fear-some call to jury service when over the age of 70.

We have discussed this delicate matter with Senator Carmen A. Orechio, the Senate President, and several assemblymen, all of whom seemed to recognize the devastating hardship that might be imposed upon the aged over 70 who often are victims of the ailments of age.

They seemed amenable to our suggestion that since 70 years of age had been the "cut-off" date of jury duty service and still is for federal jury service, and in view that many senior citizens in this state seek to so serve, that the proposed Jury Reform Bill be amended in conference committee to provide that jury duty service for those over the age of 70 be made optional, at the discretion of the individual 70 years of age or older as to whether they wish to serve.

We consider this to be an optimal compromise solution to a very delicate controversy that could beset many aged citizens with the inconvenience and burden of hobbling to the county sites of some of our crowded crime infested cities with fear and trepidation.

If you are a senior citizen or have compassion for the problem that would beset them, unless this option is incorporated in this Jury Reform Bill, We strongly urge everyone to write our state legislators to implore them to leave senior citizens over 70 years of age alone. They've put in their time, let a newer generation carry on.

### Sen. Orechio comments on B. Fortunato

The following statement has been issued by Senate President Carmen A. Orechio concerning allegations against Assemblyman Buddy Fortunato.

"I consider Buddy Fortunato to be an outstanding public servant who has demonstrated leadership, intelligence and sensitivity during his four terms in the Assembly.

"The residents of the 30th Legislative District are rightfully proud of the representation they have received and will continue to receive from Buddy."

"I am confident that Buddy will be cleared of these questionable allegations when the judicial system is exercised to its fullest extent."

"Meanwhile, I would like to make it known that Buddy has my full confidence and as he continues to provide his services to the residents of the 30th District and to the state as a whole in the months and years ahead."

# Clinical Pastoral Education Program benefits patients, staff at Clara Maass

A young boy in the hospital, for an appendix operation, expresses feelings of great anxiety and needs to talk to someone. Down the hall, a terminally ill man wants to speak with somebody so he can discuss his feeling of fear, guilt and anger.

These are examples of the many situations handled by participants in the Clinical Pastoral Education (CPE) Program at Clara Maass Medical Center. Through "hands-on" experience, CPE students of all faiths, both male and female, learn about pastoral care in a clinical setting. Since its inception in 1968, more than 150 students have graduated from the Clara Maass program. To graduate, a student must complete 400 hours of supervised educational experience, where he or she assumes responsibility for a variety of pastoral care activities. Many seminars and denominations require clinical pastoral education for graduation and ordination.

According to Clara Maass' Director of Chaplaincy Services, Donald E. Blume, this program benefits the Medical Center and its staff in numerous ways. The Chaplain pointed out, "These types of educational programs generate many new ideas and open the channels of

dialogue with all involved in the patient's health care."

In addition, according to the Chaplain, staff members can help the students through what he described as "a reciprocal learning process."

"Chaplains in this program and the Medical Center staff are in an excellent position to interact with each other. The staff and students learn from each other as they address the patients' total health care needs."

The primary concern of the Clara Maass Chaplaincy Department and the CPE Program still remains to minister to the patients and their families.

"A good deal of chaplaincy work involved helping a family deal with a crisis that may have developed suddenly," stated CPE student Laura Smith of Summit. "What matters is a crisis situation is that you represent the religious community and show that you care."

Chaplain Blume noted that, "The CPE Program enhances a student's sensitivity, religious insight and deep understanding of people's needs. Students learn to cast aside stereotypes and presuppositions about people and their beliefs. They learn to draw upon the patient's unique religious resources during a

ministry encounter."

Hospital chaplaincy work also involved difficult tasks such as helping terminally ill patients and pleasant tasks such as helping new mothers.

"Helping a pregnant woman who is about to have a baby is a great experience," Sister Rosemary Facendo of Newark pointed out.

Chaplain Marion Beckett of Englewood believes that the scope of the CPE Program extends far beyond the hospital. "Referring to the 'personal growth' process in a CPE student experiences," Chaplain Beckett said, "I feel more in touch with patients' needs and I have learned to be more sensitive with people in general."

In fact, most CPE students do not pursue hospital chaplaincy work as a career. Rather according to Chaplain Blume, they use their experiences to help them minister more effectively to members in their own congregations. Because of this, the Chaplain pointed out, "Most seminars realize the value of a chaplaincy educational program even for these students who do not intend to become hospital chaplains."

Chaplain Blume can be reached in the Chaplaincy Department at Clara Maass Medical Center, Belleville, at 450-2066 to discuss enrollment and obtain further information on the Clinical Pastoral Education (CPE) Program at the Medical Center.

Generous Donation - The Clara Maass Medical Center Medical Staff has donated \$10,000 to the Medical Center earmarked for the second Mobile Intensive Care Unit. Pictured above, Gerard Cicalese, M.D., (left) Medical Staff president, presents the gift to Robert Curtis, Clara Maass president.

Reviewing Notes - Donald Blume, director of chaplaincy services and Clinical Pastoral Education Program coordinator, and CPE students Sister Rosemary Facendo, Chaplain Mario Beckett and Chaplain Laura Smith review their notes about the program.

# Events in the Area

## 'Dinner is Served' tomorrow

"Dinner is Served," sponsored by the Kingsland Trust for the benefit of the Kingsland Manor restoration, will be held 6:30 tomorrow at the Parks and Recreation Building, 44 Park Ave., Nutley. The dinner is prepared through Luncheon Is Served Inc., using many of the products carried by Grand Union and other supermarkets.

The Red Cross Youth Council will serve. Tickets at \$5 can be purchased from any Trust member. For information, call the Parks Department at 667-2800 or 667-1134.

## Charity bazaar at Nutley Elks

Nutley Elks Lodge, 242 Chestnut St., will hold a charity bazaar 7 to 12 p.m. May 17, 2 to 12 p.m. May 18 and 2 to 8 p.m. May 19. Proceeds will benefit all charitable committees. Admission is free.

## Outdoor art show May 11, 12

The Clifton Association of Artists will hold an outdoor art show May 11 and 12 at Jubilee Park, Clifton Avenue and Allwood Road. Rain dates are May 18 and 19.

The show is open to all artists 18 years and over. For entry forms, contact Dorothy Nieradka, 31 Elm Hill Road, Clifton, 07013.

## Art exhibit May 11 to June 8

The Art Association of Rutherford will present an art exhibit May 11 through June 8 at William Carlos Williams Center (former Rivoli Theater). A reception will be held 2 to 4 p.m. May 12. The public is invited.

## Dinner, fashions May 16 at Fiesta

Radcliffe School PTA has planned its second annual dinner fashion show 6:30 p.m. May 16 at The Fiesta, Woodridge.

Tickets are \$16 and are available through the school, 379 Bloomfield Ave., Nutley.

## Trip for blind athletes planned

The Association of Blind Athletes of New Jersey is sponsoring a one-day trip to the Amish country in Pennsylvania May 11.

Donation of \$30 includes coffee, rolls etc. at Our Lady of Mount Carmel Church cafeteria prior to departure at 8 a.m., bus transportation, guided tour and supper at the Good and Plenty Restaurant. Free time will be allowed at the Farmers' Market.

Call Rose Ruffalo at 743-8688 for information.

## St. Mary's flea market May 18

St. Mary's School and Home Association will hold its spring indoor flea market 9:30 a.m. to 4 p.m. May 18 in the church hall.

Table rental is \$15. For information, call 235-1100 or 284-1186.

## St. Mary's registering students

St. Mary's Church, Nutley, will register students for religious education classes for the 1985-86 school term through May 15. Classes are held Sunday mornings 9 to 10:15 a.m. for grades one through eight. The school term runs from September through May.

To register a child or for further information, contact the religious education office at 667-8239 Monday through Friday 9 a.m. to 3 p.m.

## Benefit dinner, dance May 18

Zarro Civic and Welfare Association of Bloomfield will hold a dinner and dance May 18 at Spring Byrn Inn, Springfield, to benefit the Susan Arms Fund.

For tickets and information, call John Gagliano, president, at 746-5570. Ann Restaino, secretary, at 743-5423 or the Zarro Funeral Home at 743-3433 or 748-2231.

Tickets are \$50 per person and will include live entertainment, cocktail hour, dinner and dancing.

## 'Night at the Races' June 5

Clara Maass Medical Center is sponsoring a "Night at the Races" June 5 at the Meadowlands Racetrack.

The fundraising event will benefit the Clara Maass Medical Center Maternity Care Program.

For tickets and further information, call the Clara Maass Medical Center Development Office at 450-2277.

## Drug information hotline open

Integrity Inc. has established a confidential substance abuse information and referral telephone line, "Unhooked."

For information about substance abuse and treatment programs in New Jersey, call 643-5050, noon to 7 p.m., Monday through Friday.

## Crafts fair May 11 in Clifton

The Barns Museum-Workshop committee is sponsoring a crafts fair, May Promenades, 10 a.m. to 5 p.m. May 11 on the grounds of Clifton City Hall.

Funds raised will be used to develop two structures on the site into an arts and sciences cultural center.

One hundred locations are available at \$25 each. Provide your own table. To reserve space and for further information, call Flo Nibbling at 546-1833 or Rita Cadornin at 777-4600, ext. 255.

## Rotary flea market May 18

The Rotary Club of Bloomfield is holding an outdoor flea market 10 a.m. to 4 p.m. May 18 in the Board of Education parking lot, Broad Street at Belleville Avenue.

Dealers are wanted. Space is \$15 for one, \$10 for each additional space. Call 997-9226 evenings or 743-2077 for more information.

## Class of 1940 planning reunion

Bloomfield High School, Class of 1940, is making plans for a 45th reunion this September. Send names and addresses of class members to C. Anthony, 53 Hickory Place, Livingston, N.J., 07039.

## Uncle Floyd Show set May 10

Boy Scout Troop 38 presents the 2nd annual Uncle Floyd Show 8 p.m. May 10 at St. Francis Xavier Church auditorium, 243 Abington Ave., Newark. Donation is \$6 for adults and \$3 for children under 10. Refreshments will be sold.

Tickets are available at the church rectory or by calling Dr. Thomas Malanga at 483-5167.

## Boy Scout flea market May 18

The Mothers' Association of Boy Scout Troop 2, Bloomfield, will hold an indoor flea market 10 a.m. to 4 p.m. May 18 at the Presbyterian Church on the Green, Broad Street.

Table rental is \$15. Call Audrey at 239-7279 or Maryann at 748-0968.

Mrs. Delgado is the former Lori Pickett, daughter of Mr. and Mrs. John Pickett of Belleville. She is an accountant at ITT, Nutley. Mr. Delgado, son of Mr. and Mrs. John Delgado of Belleville, is a senior computer operator at ITT.

## Friends of D'Alessio plan annual dinner-fashion show

"Friends of Sheriff Thomas J. D'Alessio" will hold their third annual dinner-fashion show May 22 at the Town and Campus, West Orange.

The evening will begin with cocktails at 6:30 followed by dinner at 7:30.

More than 800 guests attended the event last year and ticket sales have already surpassed the 500 mark this year.

Mrs. Thea Greco of Verona is chairman with Mrs. Estelle Infusino of Nutley as co-chairman.

The theme of the evening's entertainment is "Once Upon A

Berkeley in Bermuda - Among students from The Berkeley Schools who participated in Bermuda College Week as guests at the Elbow Beach Surf Club are Maria Caruso of Belleville, Christina Minardi of Totowa Boro, Karen Olejar of Rahway and Leslie Hyacinthe of Wayne. All are enrolled in the automated office technology program at The Berkeley School of Garret Mountain.

## Mignelli-Hallak troth announced

Mr. and Mrs. Michael R. Mignelli of Belleville announce the engagement of their daughter, Michele Ann, to John-Claude Hallak, son of Mr. and Mrs. Joseph J. Hallak of Paramus.

Miss Mignelli, an alumna of Mt. St. Dominic Academy and Villanova University, is assistant manager of Monarch Resources, New York.

Mr. Hallak, a graduate of Paramus High School and Rutgers Graduate School, New Brunswick, is vice-president of Hallak & Sons, Hackensack.

The wedding will be held April 11, 1986.

## Kiwanis will hold 'Memorial Night'

The Belleville Kiwanis Club will hold "Memorial Night" 7 p.m. May 30 at the San Carlo Restaurant, Lyndhurst, in memory of deceased members. Attendance is by invitation only.

Summer" and men's and women's fashions will be shown by "Fashions Unique" and the Charles Daniels Men's Store, both of Nutley.

"It promises to be an exciting evening," said Mrs. Greco. "The clothes shown will give everyone an idea of what's new in fashion for the upcoming summer season and we'll also be presenting marvelous gifts throughout the evening."

Subscription cost is \$25. Ticket information may be obtained by calling 235-1830.

## Sisterhood Ahavath Achim plans Chinese auction May 15

The Sisterhood of Congregation Ahavath Achim will hold a Chinese auction 7:30 p.m. May 15 in Sisterhood Hall, 123 Academy St., behind the Belleville Public Library.

Gifts, household items and a white elephant booth will be featured and refreshments will

be available. Tickets are being sold at Atlantic Uniform, 444 Washington Ave. and Michael's Mens and Boys Wear, 138 Washington Ave.

Freida Berkowitz is chairing the event.

## Historical Society dinner May 17 at Reformed Church

The Belleville Historical Society will hold its annual dinner 6:30 p.m. May 17 in fellowship hall of the Reformed Church, Main and Rutgers streets.

Tickets are \$7. Call 759-2207 for reservations.

The Society meets at the clubhouse, 155 Main St., the first Tuesday of each month. New members are welcome.

## Trivia contest winners named at middle school

Winners in the Belleville Middle School Trivia Contest have been announced by Sandra Lowy, middle school librarian. Tied for first place were Mrs. Betty Glendenning, secretary at the school, and Kimberly Fraone, a seventh grader. Both were awarded a walkman radio donated by the Middle School Home and School Association. Second place winners were Sue Aufiero, Kristina Bonacorsa, George Del Grande, Janice Galang, Matt Goldrich, Subodh Lal, Tom Spillane, Michael Turano and Joey Viscido. All received the U.S.A. for Africa record "We Are the World."

Two faculty members, Mrs.

Kathy Mazur and Scott Fabian, and a middle school parent, Mrs. Bernice Di Vincenzo, received special citations.

## Evening of Dance scheduled Monday at public library

"An Evening of Dance," performed by Daniels' Universe of Dance, Nutley, will be presented Monday, May 13, 7 p.m. in the newly-renovated children's room in the Belleville Public Library, 221 Washington Ave. There will be performances by ballerinas and jazz dancers. Pre-registration is required. Call 759-9200 for information.

## Cancer Update

Prevention and early detection are among our best defenses. Working with the concept "no one knows your body better than you," the Essex County Unit of the American Cancer Society has a Program Department, headed by Joan McIntyre, that can bring health awareness programs to schools, clubs, businesses, churches and neighborhoods. These programs are free of charge, or have a minimal charge to cover the cost of materials used.

Programs have been designed with audiovisual aids and speakers are available with advance notice.

Programs for use in health education classes in school systems cover grades K-12. They work best in groups of 40 students or less and include free educational kits. There are individual programs for grades K-3, 4-6, 7-9, and 10-12.

FreshStart is a participation program to help smokers quit. It is run by ex-smokers and designed for groups of 30 people or less. There is a \$25 registration fee for the four sessions, with a \$20 refund at the end of the course, if requested.

Chris Jones and Bob Califano will be conducting a FreshStart program at Clara Maass Medical Center beginning June 4.

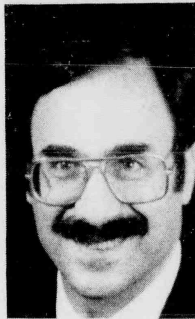

BSE (breast self-examination) is a participation program conducted by trained speakers. This is one session, available to any size group, free of charge.

TSE (testicular self-examination) is a participation program conducted by trained speakers. This is one session, available to any size group, free of charge.

Awareness programs are available on lung, uterine and colorectal cancer. They include films, literature and/or a trained speaker. These are each one session, free of charge.

For additional information, write Joan McIntyre, American Cancer Society, Essex County Unit, P.O. Box 610, East Orange, N.J. 07019, or call 678-1990.

## Evangelist will speak at Belleville Assembly

Larry Feldman

Evangelist Larry Feldman will be the guest speaker at the Belleville Assembly of God, 174 Holmes St., Wednesday, May 15, at 7:30 p.m.

Feldman will speak on the subject "Israel in Prophecy." This message deals with Israel in prophecy; proving Messiah from the Old Testament. This will be a Gospel message in the Old Testament and showing God's plan for Israel.

Besides giving Christians insight into Jewish tradition, it is believed that this service will create understanding to help Jewish people of the community to know more about the Messiah and to help Christians to appreciate the Jewish heritage.

The public is invited to attend.

## Take Mom out to Dinner on Her Day!

It's a wonderful way to top off her holiday! After the gifts are opened, and all the cards are read, she'll especially enjoy a relaxing dinner here on Mother's Day. We'll treat Mom royally, with a sumptuous array of fine food.

After all, doesn't she deserve the very best?

## James Cagle commissioned lieutenant in U.S. Air Force

James G. Cagle, son of Blanch R. Cagle of 19 Terrace Place, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officer Training School at Lackland Air Force Base, Texas.

The 12-week course trained selected college graduates to ap-

ply communicative skills, professional knowledge, leadership and management in positions of responsibility.

Cagle, a 1982 graduate of Southern Illinois University, will now be assigned at Shaw Air Force Base, S.C.

## Diabetes symposium focuses on research

The American Diabetes Association will present a symposium entitled, "New Directions in Diabetes - 1985" at Clara Maass Medical Center tonight in the Medical Center's School of Nursing Auditorium. The program will begin at 7:30 p.m. and will focus on current research for people with diabetes and their families.

Guest speaker for the evening will be Dr. Sheldon J. Bleicher, chairman, Department of Medicine, Brooklyn Hospital.

After the formal presentation, a panel discussion and question and answer period will

take place with Dr. Bleicher; Dr. Venkat Gandhi, endocrinologist, Clara Maass Medical Center, and vice president of the Essex County Chapter of the American Diabetes Association, and Dr. Robert Rapaport, director, Division of Pediatric Endocrinology and Metabolism, Children's Hospital of UMDNJ-University Hospital.

The program is free and open to the community. For further information, contact Dr. Gandhi, at the Clara Maass Professional Building, 759-1111.

## Jill Cavallo will head D'Alessio's campaign

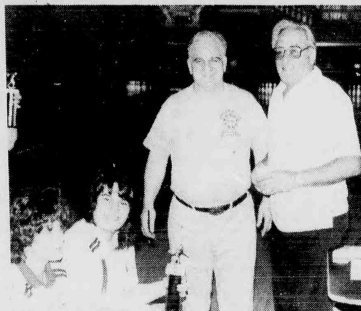

Jill Cavallo of Adelaide Street has been selected to head up the Belleville re-election campaign of Sheriff Thomas J. D'Alessio.

"We are very proud to be working for the re-election of Tom D'Alessio," Cavallo said along with Belleville Democratic Chairman Chester Prosperi. "He has proven himself an effective administrator and a committed law enforcement professional. We believe that the citizens of Essex County have and will con-

tinue to benefit from his hard work as Essex County Sheriff." Sheriff D'Alessio expressed his enthusiasm about the selection of Jill Cavallo as his campaign coordinator in Belleville and emphasized the importance of Belleville in his re-election plans. He pledged to run an aggressive, effective campaign for re-election to a second term.

The D'Alessio countywide campaign headquarters is at 1 Town Hall Square in Nutley, telephone 667-1444.

## Special ed children bowl in tournament

**Taking a Break** - Nino Bucciarelli, left, and Vin Sorrentino, both members of the Belleville Kiwanis Club, take a break in between scorekeeping duties last Saturday at the special education bowling tournament sponsored by the Young American Bowling Alliance. With them are Pamela Catena and Tina Naso.

**Future Bowling Stars** - The Belleville Special Education Little Stars received trophies for their participation in the state special education bowling tournament held at Brunswick Olympic Bowl in Belleville. Pictured are Jaime Goldstein (left, front), Diane Roskiewicz, Danielle Bresee and Christina Guerin (left, back), Pamela Catena, Tina Naso, Edward Schroeller and Kimberly Hosking.

**Tough Bowler** - Tina Naso prepares to take her turn on the alley. This is the first time Belleville's special education children participated in a state tournament. Scores are based on pins over average. Trophies were provided by Olympic Bowl.

**His Turn** - Jaime Goldstein gets ready to approach the alley once again after taking a short break. The children also received patches for bowling in the tournament. Keeping score for this group is Vin Sorrentino. - Photos by Michelle Jeannotte.

## High blood pressure questions are answered

May has been designated High Blood Pressure Month and because of this the Belleville Health Department has answered some of the questions people have about the disease. The following are common questions:

1. What is high blood pressure? Your blood pushes against your blood vessels as your heart beats. Sometimes this push is too great. Then high blood pressure results. High blood pressure can cause a stroke, a heart attack or kidney disease.

2. How can you get high blood pressure? High blood pressure is a common problem. Anybody can have it. Young and old, men and women, relaxed people and tense people...anybody. If you are over 40, you have a bigger chance of having high blood pressure.

3. How can you tell if you have it? You can't tell by yourself if you have it. You can feel good or feel bad. But the way you feel does not tell you. There is only one way to find out. Have a doctor or nurse check your blood pressure.

4. Can you control high blood pressure? High blood pressure usually cannot be cured. But you can control it. You can bring your blood pressure down to normal. How? By treatment - every day. Then you can lead a normal, active, healthy life.

If you have high blood pressure, see a doctor. The doctor can help you control your blood pressure. You may be given pills to take every day. The doctor may ask you to do other things such as losing weight and using less salt.

The doctor may also ask you to stop smoking or maybe to exercise more. Be sure you know just what the doctor asks you to do. Ask questions to be sure. Millions of people control their blood pressure. You can, too.

If you have additional questions about high blood pressure, call the Belleville Health Department at 450-3389 and ask for our booklet on high blood pressure.

# Belleville Times SPORTS

## Goodwill Regatta pits Bucs against Nutley, Kearny crews

For Sam Giuffrida and crew, the preliminaries are over, it's now time for the main event. After a very successful month of April, Giuffrida, Belleville's answer to Mr. October, is looking toward the month of May with high anticipation.

The Buccaneers begin the "Regatta Month" with a big race on the Passaic River this weekend. It's the annual Goodwill Regatta, featuring boathouse mates Nutley, Kearny and Belleville. The competition between the three teams is always fierce and 1985 should be no exception. "It's the one regatta where anything goes," the coach said. "I've never seen more upset than in the Goodwill. There is a lot of emotion involved and the kids really seem ready for this race."

In 1982 and 83, Belleville won the team trophy in the Goodwill, but Kearny turned the trick in 1984 and the Bucs are anxious to turn that around. "It should come down to ourselves and Kearny again," predicted Giuffrida. "Kearny has a strong crew and should be a big race. Nutley is also going to be in the hunt. You can't count anyone out in this race."

In order to prepare for the big races in May, Belleville used the Mainy Flick races, known to most crew fans as the "flicks," as a prelude to the May championships. The Bucs were a big success, scoring consistently in

the flicks and last weekend, competing in the Philadelphia City championships and taking home two first place medals.

The senior four girls boat, a shell made up of defending national champions of 1982 and 84, took home the gold in the city championships. The girls were joined by the boys junior four shell, a crew of men that are high school juniors and continue to improve with each race. The boys junior four is made up of Dave Silletti, Steve Pisaro, Garmon Fortunato, Sean Mulcahey and Dennis Ives. The team captured first place in the championships and appear ready for a big month.

Giuffrida is optimistic about his senior four boys shell. The team has been racing well, according to Giuffrida, but have not been as consistent as the coach would have liked. Giuffrida was happy with the fact that all the Belleville entries cleared the qualifying heats and made it to the finals of the city championships.

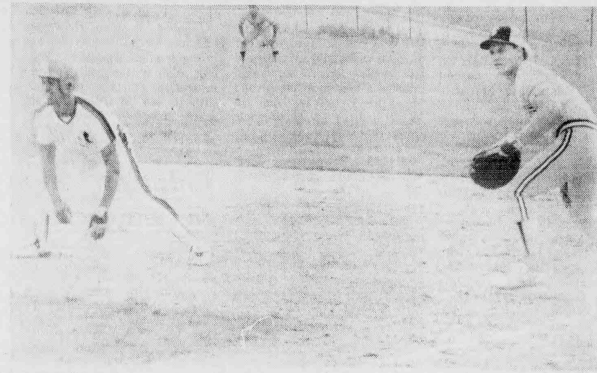

Earlier in the week, Belleville had a duel match with Poughkeepsie and Nutley on the Passaic River. Poughkeepsie brought with them a proud tradition of crew and featured a defending national champion in the senior four boys shell. The Buccaneers four battled the strong Poughkeepsie shell to the end, losing by just 5 seconds. Giuffrida gave his younger

athletes a chance to row the older Poughkeepsie shell in the boys eight race. Using a junior eight shell, Belleville lost to Poughkeepsie by just 2.5 seconds and beat Nutley by four seconds. The Poughkeepsie girls defeated the Belleville girls in all three races.

"We're going for the gold now," Giuffrida said in anticipation of the Goodwill and future regattas. "We started off well in the city championships and now we're looking to the Goodwill. It gets tougher after that with the stakes (Stotesbury Regatta) and the national championships on Memorial Day weekend. The team is healthy, in shape and ready. If another team is going to beat us, they will have to row their best, because this team is ready. We've set our goals and now is the time to try and achieve them."

Following the Goodwill, Belleville takes part in the prestigious Stotesbury Regatta on May 18 and the National championships on May 25 in Middletown, Delaware. It's the three weeks of the year that the boys and girls have been working for with vigor since the early days of March.

NOTES: The Goodwill Regatta begins on Friday afternoon with the four shells competing. The competition concludes on Saturday, starting at 1 p.m. with the eight shells racing.

Keepin' close - Buc first baseman Steve Mulhearn holds close this Passaic runner in Monday's 2-1 Belleville win at the stadium. Not too many runners got past first as each team managed only four hits.

## Bucs defeat Passaic and lose a pair

It wasn't quite the week Ralph La Conte had hoped for. His Buccaneers, in the midst of a hot streak, had the proverbial ice bucket poured over its head in losses to Montclair and Caldwell. The team did manage to defeat Passaic and boost its record to 8-4-2 on the '85 season.

La Conte considers this week crucial to his teams chances of moving up. The Bucs hosted Paterson Kennedy on Monday and were in Nutley on Tuesday for a make up game. Yesterday, the team hosted Clifton and tomorrow afternoon, will host Bloomfield in a big game at Belleville High. La Conte calls that game a "very intense matchup". On Saturday, the Bucs will host the winner of West Orange-Sessex Catholic in round one of the prestigious Greater Newark Tournament. Belleville drew a bye in the first round of the tourney, the first time they have done that since the 1981 season. Next Monday, the Buccaneers will be in Paterson to face Eastside, starting at 4 p.m. Next Wednesday, Belleville will host Montclair, also at 4 p.m.

The reason for the crucial tag on this weeks schedule is that Belleville is vying for NNJIL honors, county and later, state honors. The Bucs entered the week with a 2-2 log in NNJIL play and needed a big week to move up in the conference standings. The GNT is one shot

deal. If you lose, then the tournament is history. Of course, if Belleville wins on Saturday, it will continue on for a second round game, also to be played in Belleville the following Saturday. Also, the cutoff for the state tournament is this Friday, so the Bucs need a good week of action to assure a good seed in the states.

Last week was an off week for Belleville. The team was upended by a good Montclair squad, 6-4, defeated Passaic, 10-5 and then lost to Caldwell in a surprise, 5-0. "We had all our offense in one game," La Conte said, referring to the ten run upsurge in the Passaic victory. "We had our chances in both losses, but we didn't drive in the key runs. We left too many men on base and in the Montclair game, fell behind early."

Indeed, Belleville dug itself into a hole quickly against the Mounties. With TV-3 looking on, Belleville trailed, 5-0 after one inning. Mark Palumbo had started for the Buccaneers, but he was hampered by a groin injury, an ailment that could keep him out for two weeks. "I didn't know about the injury until the game started," La Conte said. "By the time I found out, he had extended the pull a little more and now, it will be a day to day thing until he comes back."

The Bucs scrapped back. With Palumbo facing an early exit, Jim Dunphy, a sophomore,

came in to hold the Mounties and he did a fine job. Dunphy would allow just one run over the next five innings and Belleville began to chip away. The team tallied twice in the fourth inning when John Auriemma singled, went to second on a single by Jim Caponi and moved to third when Sam Zamlot walked to load the bases. Dean Sternik sacrificed one run in and Dunphy singled home another man.

In the sixth, Belleville scored two more, with Joe Mullaney and Dave Long driving home Sternik and Dunphy. It was as close as Belleville would come the rest of the way. Montclair shut the door in inning seven and went home a winner.

"Jimmy" Dunphy did a solid job for us," La Conte said. "He kept us in the game. That was the highlight of the game."

Belleville regrouped against Passaic, although the early stages of that game appeared to be a repeat of Montclair. The Indians, who always play Belleville tough, scored two in the first inning off Steve Mulhearn, who was making his varsity debut on the mound. Mulhearn calmed down after a shaky start and the Belleville bats came alive in the second inning. The Bucs tied the game in the second when Sternik singled home Caponi and Joe Feith. In the third, Belleville went to the long ball as Auriemma

(Please see "Caldwell" on page 12)

Play to first — The Bucs week wasn't as good as they planned, though they defeated Passaic 10-5, they lost to Montclair 6-4 and lost to Caldwell 5-2.

### Buc Shots

By Mike Lamberti

## Cindermen in midst of turning track program around

It is now beginning to take shape. After years of frustration on the varsity cinders, the Belleville boys track team appears to be in the midst of turning it around. There are some talented athletes on the team this spring and the Bucs have come through with some good performances against solid competition.

John Tosato, in his third season as head coach, is molding quite an impressive program at Belleville High. It all starts with the cross country season in September, a campaign that lasts until the early stages of November and gives the athlete plenty of long distance work. Cross country, however, is just the first step.

The next phase is indoor track, an opportunity for the athlete who does not like long distance running to dabble with the other events. This is where the athlete gets his first look at the upcoming track season. The indoor team takes part in various invitational and just about every running event is covered.

The final step is outdoor track, the season which lasts from March through June. For many of these athletes, it is the final leg of a long haul on the cinders. Runners like Bob Hutchinson, Bill Huamani and J.R. Di Vincenzo take part in all three levels of the program and are very consistent in all sports.

Over the last ten years, there have been some very good runners at Belleville High. Since 1976, Tom Graham, Mark Hahn, John Carlo, John Vaccaro, Anthony Guarino, Dean Santulli and the late Michael Graham have electrified the Belleville tracks with some excellent performances. However, the teams did not have depth and consequently were defeated in many dual matches.

The Buccaneer weight teams for many seasons did the brunt of the scoring, but this year, the roles are reversed. For the first time in ten years, there is a good balance of runners in the various events. Belleville has had more first place finishes this season than the last two seasons combined. There are new names to the team, athletes that are anxious to turn the fortunes of the program around.

A good example is senior Mike Silletti. He started the season off with a bang and has been very impressive ever since. Entering this weeks action, the senior hurdler and jumper had accumulated 92.75 points and was looking to break the 100 point mark for the season. That's something that hasn't been done in many years. It seems a cinch that Silletti will break the century mark this week and could break the single season records held by Kenny Drake in 1975 and Carlo two years later.

An up and coming athlete is junior

Willie Chandler. After a slow start, Chandler has been unbelievable the last three weeks. He took a pair of first place medals against West Essex, then was victorious in three events (100, 200 and long jump) versus Nutley. Tosato is very optimistic about Chandler for the remainder of this season and for 1986.

Sophomore Craig Burden has been turning heads since coming out for the cross country team in his freshman year. Burden has a lot of natural talent and mixes that with hard work on the cinders. The result is a young man who easily breaks the five minute mark in the mile in just his sophomore year. Anyone who knows track realizes that is no easy feat.

Hutchinson, a senior, is a hard worker who specializes in the two mile. "Hutch" started a trend by attending track camp over the last two summers. It's something that Tosato hopes other athletes decide to do this summer. Hutchinson will be closing out a fine career shortly.

Junior Nick Compitiano is also working hard in the 400 meters and mile relay. He appears to be a very bright prospect for next year. Sophomore Loung La is leading the way in the long and triple jumps. Another sophomore, Vince Trupia, is making believers with his work in the pole vault. Trupia has cleared the ten foot mark and could challenge the

school record by his senior year.

Divincenzo is a good sprinter and quarter miler. The junior also sees time in the 200 meters. Tosato is receiving a good performance from senior Larry Boiscano in the weight events as well.

A big moment of the 1985 season came when the mile relay team broke the ten year old school record of 3:35.3. It happened in the Essex County Relays at Columbia High School. The relay team is made up of Chandler, Di Vincenzo, Compitiano and Silletti. Chandler started the record breaking race off with a sizzling time of 50.7 in the first quarter. When it was all over, a new record of 3:34.1 had been established. Tosato has to be optimistic that that record could fall soon. Only Silletti graduates from that foursome this spring and the outlook certainly is promising.

It is good to see a program in the stages of revitalization. For the Belleville track team, the new look is certainly welcome and gives hope for a bright future.

As you might know, the Italian Fiorente Club of Belleville and Nutley is giving a roast for former Belleville High School basketball coach, Al Lo Balbo. The roast will be held on Thursday, June 6 at 7:30 p.m. at the Italian Fiorente Club, 34 Carner Ave., Belleville. Lo Balbo, in addition to his tenure at Belleville, was the

head basketball coach at St. Mary's, was an assistant to Bobby Knight at West Point, the head basketball coach at Fairleigh Dickinson University and currently is an assistant at St. John's University. The Redman were entries in the Final Four this past March, losing to Georgetown in the semis.

The roast will be a beefsteak, and tickets are \$17 each. Some notable coaches and sports figures will be on hand to honor Al. It should be a nice night and people are encouraged to call 751-1534 (between 4 p.m. and 2 p.m.) or 833-1082 (between 4 p.m. and 8 p.m.) if they would like tickets. Sales are limited, so you shouldn't wait until the last minute.

The Belleville High School athlete of the week is Donna Brooks of the softball team. The senior had a fine week of action for the 15-1 Lady Bucs and has been a stalwart in centerfield all season long.

For this weeks quiz, name the last time the Philadelphia Flyers won the Stanley Cup the year it happened and the team the Flyers defeated for the Cup. Also, name the last time the Flyers were in the Stanley Cup Finals and whom they lost to in the finals.

# Lady Bucs record 15-1 as winning ways continue

Finding new ways to win almost every time out, the Belleville softball team continued its victorious trend, stopping four more opponents and boosting its team record to an amazing 15-1. Only Union early in the season, has prevented Belleville from a perfect record.

Carl Corino's crew faced a difficult week of competition. On Tuesday, the team hosted Nutley. Yesterday, the girls were in Clifton to face a Mustang team that was 13-2 entering the week. Tomorrow night, Belleville will travel to Palaski Park to battle Bloomfield in an NJIIL contest. Game time is set for 8 p.m. Deja vu strikes the following evening, when Belleville and Bloomfield go at it again, this time for the semi finals of the Essex County tournament. The winner of that contest goes to the county finals to battle the winner of Livingston-Caldwell. The county finals are set for next Saturday, at Palaski Park. Game time for the county game with Bloomfield was not set at press time, so please check the local newspaper for further details this week. On Monday, the Lady Bucs host Paterson Eastside and Wednesday, the girls visit Montclair, starting at 4 p.m.

Last week, the girls upended Montclair, 13-3. Passaic, 18-13, Columbia, 16-1 and Paterson Kennedy, 8-0. "We're struggling a little," Corino said. "We're giving up runs and making our share of errors. But this team has a way of coming around, get-

ting up for the big games. They find different ways to win. We're in the county semis for the fifth time in five years, so that's a nice accomplishment."

Versus Montclair, Belleville jumped quickly, leading 1-0 after two innings and 8-0 after three. The Lady Bucs got only five hits, but took advantage of eight Mountie walks and six errors to win easily. Sherri Sorrentino cracked a homer in the second inning for Belleville. Dina De Medici had two hits and senior Donna Brooks continued her torrid show with three more ribbies. Debbie Paterno earned her seventh victory of the season with a complete game.

The following day, Belleville and Passaic took part in a wild contest. Thirty one runs crossed the plate and the two teams combined for 28 hits. Paterno did not have her better stuff in this game and gave way to Desiree Johansen after 1-13 innings. Johansen, an all county infielder, did the job on the mound, keeping the Indians somewhat at ease. Donna Brooks was 4-4, scoring six runs. Sue Schuster scored four runs for Belleville. The contest was wild from the first inning. Belleville tallied four runs and Passaic came back with three. Belleville boosted the lead to 7-3 in the second, but Passaic came back with six runs in their half of the second to lead, 9-7. Both teams scored once in the third and Passaic added two runs in the fourth to extend their lead to 12-8.

Not to be outdone, Belleville came alive in the fifth inning, scoring five runs to take the lead, 13-12. Passaic tied the game in their half of the fifth, but Belleville pulled away with two in the sixth and three more in the seventh to win, 18-13.

Against Columbia, Belleville had an easier time, winning 16-1 in five innings. The girls tallied four runs in the second, five more in the fourth and six in the fifth to put the game out of reach. Brooks was 2-3 with four runs batted in. Despite scoring 16 runs, Belleville had just five

hits. The Lady Bucs took advantage of 15 Cougar walks. Paterno got the victory to extend her mark to 8-0 for the season.

Last Monday, Corino inserted freshman Michelle Calderone to pitch against Kennedy and the results were very encouraging. Calderone pitched a complete game shutout, striking out two, walking two and allowing just two hits. Belleville scored once in the first, four times in the fourth and three more in the seventh to win, 8-0. Sophomore Laura Caruso had two hits, Sorrentino was 2-4 and Cheryl

Marion finished 2-3 with an RBI. It seems that Belleville finds every possible way to win. They can outslug teams, and when the offense is not 100 percent, the

girls take advantage of the opponents weaknesses. All tolled, it's been a very good season for the team with some big games coming up.

## Coach at St. John's to speak at UNICO meeting next week

Al Lo Balbo, assistant basketball coach at St. John's University, will speak to Unico members Thursday, May 16, 8 p.m. at Armando Di Villa Restaurant, 800 Bloomfield Ave., Nutley.

Lo Balbo, an expert on defensive basketball, will speak on "Coaching the College Athlete." A successful high school and college coach, Lo Balbo was recently honored by the New Jersey Interscholastic Coaches Association for his contribution to New Jersey's athletes. He has coached at West Point, assisting the famous Bobby Knight, at Fairleigh Dickinson, at St. Mary's in Elizabeth and B.

leville High School. In addition, Lo Balbo has spoken at many national workshops and conventions on basketball strategies.

Unico welcomes anyone interested in a community organization dedicated to charitable causes on the local and national level.

For membership information, call James Blanda at 661-1531 or Frank Biancola at 751-3892.

## Caldwell, Montclair prove too much for Buccaneer bats

(Continued from page 11)

ma and Mulhearn cracked back to back homers to give the Bucs the lead for good. Later in the inning, after a single by Caponi, sophomore Al Best slammed a homer to h'ghlight a four run inning and give Belleville a 6-2 lead. For Best, the homer came on his initial varsity plate appearance. "I never saw a runner run the bases on a homer like Al," La Conte said. "He must have set a record running the bases."

The Bucs continued the onslaught with two runs in the fourth, courtesy of a Dave Long two run homer. In the fifth, two more runs scored when Mulaney drilled a two run round tripper with Allan Ruopp on board. All tolled, Belleville had 15 hits, with five homers. Mulhearn picked up the win, hurling four innings. Ruopp pitched the final three to preserve the win.

The bats cooled against Caldwell last Saturday. The Bucs were limited to two runs on five hits in the game and Caldwell benefited from some timely hitting to post a 5-2 win. Brian Tice pitched the first four innings for Belleville, doing a

fine job. He turned the ball over to Tom Reid and the senior was effective in his stint. "We just didn't come through with the offense," La Conte said. "The kids weren't up for this game the way they are for the others. Tice did the job we needed, but we couldn't score for him."

Belleville's only runs came in the fourth on consecutive doubles by Mulaney, Mulhearn and Caponi. At the time, the barrage tied the game at two, but Caldwell tallied twice in the fifth and once more in the sixth to ice the game.

Thus, it has come down to a big week of action for the local boys. By next Saturday, La Conte and Company will know where they stand for the 1985 season.

NOTES: Belleville was seeded fourth for the GNT, behind top ranked Milburn (defending champ), Seton Hall Prep and Bloomfield. Bucs won the GNT in 1981, stopping Glen Ridge, 10-4. Glen Ridge eliminated Belleville in 1982 and Essex Catholic did the trick in 1983, stopping Belleville in round two. Milburn stopped Nutley last year in the GNT finals by scoring four times in the last inning to win, 4-3. Bucs contest this weekend starts at 2:30 p.m. following Weequahic-Central game.

**CHIRO NEWS**  
TORTICOLLIS-SUBLEXATION OR "WRY NECK"  
Torticollis is a contracted state of the neck muscles producing twisting of the neck, and an unnatural position of the head.  
Chiropractic adjustment procedures correct this condition, often within a few hours, and in mild cases, spontaneously. Have!"  
Torticollis, or wry neck, is an extremely painful condition of the neck. It is due to anatomical malposition and locking of the vertebrae making it impossible to turn the neck to the right or left, forward or backward. It causes rotation of the vertebrae of the neck, wedging of the spinal disc, and the nucleus of the disc has shifted to one side. Many patients mistake this condition for a severe muscle spasm, but how can a patient have this muscle spasm for 3 days, go to a chiropractor and receive immediate relief, if it were due to muscle spasm?

Medical authorities have recognized this subluxation. The head is locked like a robot listening for a word. There is lateral bending of the head and neck to the right and rotation of the head to the left. This causes pain in the capsules and ligaments of the joints in the neck, and this in turn causes pain in the muscles of the neck. This condition may come on spontaneously from a quick turn of the head, holding your head in an awkward position for prolonged periods of time, wrong sleeping habits, a draft against the neck, or simply bending over.  
If you have ever had a wry neck, you can remember it as one of the most painful experiences you have ever dealt with. If it ever happens, think of chiropractic, the most effective treatment for this condition known.

## Linksters will meet tough teams next week as they face Nutley, Clifton in title match

Having competed in the Essex County championships, the Belleville golf team now turns its attention to the NNJIL and some critical matches this week.

Rocco Colucci's team hosted Montclair last Monday and were at Kennedy on Tuesday. Tomorrow, Belleville goes to Irvington and next Monday, will travel to Passaic. On Tuesday, Belleville battles Clifton and Nutley in a tri match at Hendricks Field, a match that could decide the NNJIL title.

In the county championships, Belleville placed 12th in a field of 18. Newark Academy of Livingston was the winner of the

match, with Nutley taking second place. "We're getting some improvement from our younger players," Colucci said. "Joe

The coach is also optimistic that senior Greg Simone will get Tower, Tim Nielsen and Joe Ceretto have been doing a good job for us since the season started."

his game in top gear for the big matches coming up. Junior Brian De Furia will be a key man in the number two position and Frank Riker, a three year member of the squad, should help in the NNJIL matches.

The Bucs, 3-5 on the season, did post NNJIL victories over Eastside and Bloomfield.

Against Eastside, Belleville was victorious by some 25 shots. Versus Bloomfield, the Bucs came away with a 16 point victory. Despite a sub par record, Belleville is 2-0 in the conference and Colucci feels that his club might have a shot at a top spot in the conference if his players continue to improve.

He does note that Nutley is the team to beat, but the coach is not taking anything for granted. "We have to play our best games now," he said. "Nutley seems to be the elite of the group, but who knows, anything can happen in this game."

## Belleville five named to list

Thirty-one Essex County students have been named to the dean's list for academic excellence for the fall semester at Stevens Institute of Technology in Hoboken.

Five of those students are Belleville High School graduates. They are: Robert De Prizio, Mark Dombrowski, George Dulski, John Oliveto and Patrick Velardo.

David W. Schoner Jr. of Belleville was one of 29 Essex County residents named to the dean's list for the fall semester at Jersey City State College.

## Variety is the Word at

## Willies

By Lisa A. Grimaldi

Willies in Bloomfield has an amazing variety of food, (I counted over 300 items on their menu!) whether you go there for breakfast, lunch, or dinner; a meal or a snack, Willies is sure to please all. It is open 24 hours a day, seven days a week, and the quality of the food and service never varies.

Willies full meal specialties include fresh seafood, charbroiled steaks, and home made pastas and Italian dishes, such as shrimp and eggplant parmigiana.

For those who want a lighter meal, lunch or snack, Willies has a full line of tasty sandwiches (club, hot, or cold), hamburgers (eight varieties), and a generous selection of cold salads.

Breakfast is served anytime at Willies. There are 16 types of omelettes to choose from, and a variety of griddle specialties: fruit pancakes, Belgian waffles, and thick cut Chalah bread French toast.

There are several special menus, including childrens menu, a dieter's menu, and a complete dessert and fountain menu. One would be hard pressed to find something that could not satisfy their appetite, no matter what size, or what time, at Willies.

Willies is located at 9 State Street in Bloomfield center. The phone number is 748-7417. All menu items are available for takeout. There is a convenient ramp at the entrance so it is very accessible to handicapped persons.

FOR SPRING GARDENERS

### In the dark about skylights? This booklet will shed light

Skylights, those overhead windows that let in the sunshine, are home improvements that often pay for themselves by boosting home resale values, studies have shown.

Besides, a plain old-fashioned ceiling can be boring. With a skylight, you trade some white plaster for an ever-changing pattern of sunlight, starlight, and moonbeams.

To help homeowners select and install skylights, Wasco Products Inc. has published a full-color handbook, available free of charge. The company is the nation's largest maker of premium-grade skylights for home use.

The 36-page handbook provides photos showing how skylights can be used for dramatic decorating effects. There's a guide for selecting the shape,

color, and size of skylight.

For do-it-yourselfers, there are step-by-step installation instructions, beginning with measuring and marking the ceiling location for the skylight. Each step is illustrated with a how-to photo. There's even a checklist of necessary tools.

The focus is on factory assembled skylights, which are easier to install and offer built-in features—such as an insulating curb on which the window rests—that otherwise have to be constructed separately. Ready-made units are considered to be the most weather-tight and energy efficient.

To obtain a copy of the free handbook, write to Wasco Products Inc., Dept. HB, Box 351, Sanford, ME 04073.

### FREE DIRECTORIES LIST NAMES OF KITCHEN/BATH SPECIALISTS

Want help in remodeling or planning a new kitchen or bathroom? Write to the National Kitchen & Bath Association, 124 Main Street, Hackettstown, NJ 07840, for the names of kitchen/bath specialists.

#### For the asking

The NKBA has two directories, both free and yours for the asking. One lists firms that are members of the association, throughout the country. The other lists, also nationwide, the names of individuals who are Certified Kitchen Designers.

To belong to the NKBA, a kitchen/bath retailer must maintain an up-to-date showroom where products can be examined in complete settings.

#### A professional touch

To be a CKD, one must have passed a rigid examination and submitted samples of design work and specifications deemed worthy of professional accreditation.

### QUALITY AND PERFORMANCE FOR THE HOME

Whenever you consider buying anything, you naturally look beyond face value to that item's quality and performance. That's what determines true value.

When you decide to buy carpet, whether you are replacing old carpet or making a first-time purchase, you know it's a big investment.

Although you may have a specific color or texture in mind, it is vital to look beyond that for the carpet's quality and performance.

This means investigating the carpet fiber. There are two types of fibers—natural and man-made—each serving different carpet needs.

Nylon, invented by Du Pont, provides the best performance of all man-made fibers. Du Pont Antron® is the number one selling nylon brand in America. It resists static and soiling better than ordinary nylon.

#### Carpet fibers

Other man-made carpet fibers include polyester, polypropylene and acrylic. Polyester carpets feel soft and airy but are not as durable as nylon. They are best suited for low traffic areas.

### Two-career families often require expanded kitchens

The two-career family has had a profound influence upon kitchen design, it's observed by the Certified Kitchen Designers who are the profession's leading practitioners.

What's happening, they say, is that people are spending more, not less time in the kitchen. Therefore, the room frequently described as "the heart of the home" is growing larger, not smaller, as more and more women are working outside the home.

With two people employed, two people frequently are cooking. So instead of one cooking center, many of today's kitchens have two. Many also have two sinks, so the salad chef doesn't get in the way of the main supervisor of food preparation.

Because more men are cooking, more kitchens have cooktops that barbecue, and other multi-functional appliances for which they're willing to spend money because they more fully appreciate their use: microwave ovens that both defrost and prepare food, ovens that combine conventional with convection techniques, ranges capable of being programmed to function when nobody's home.

It's not only because more couples and teenagers are cooking together, say designers, that kitchens are growing larger. There are other reasons.

One is that people are shopping less frequently, and buying more food in larger quantities at one time, so more storage space is required.

They're washing dishes less often, so a larger dishwasher is required, and it must be one with a rinse-and-hold cycle.

They're cooking larger and perhaps more elaborate meals on weekends, so a refrigerator with a freezer compartment is needed to store the "plan-

THE TWO-CAREER FAMILY has had a profound effect upon kitchen design. With two people employed, two people frequently are cooking and they're entertaining, as well, in the kitchen. Thus a popular appliance is the barbecue cooktop that can be installed in an island or peninsula counter and has a downdraft vent system so it requires no hood. Optional accessories include motorized rotisserie and non-stick griddle. Photo courtesy Whirlpool.

## Lawn Gone?

### Time to call Lawn King

All lawns need an annual program of lawn care and every program must contain both granular and spray. Some chemicals work better when applied in a granular form, and others, like weed controls and post emergent crab grass controls, work better in a liquid form. All lawns also require periodic aeration and seed. But only Lawn King gives all these via LAWN COMBINE & SPRAY — THE BETTER WAY! WE KNOW IT'S THE ONLY WAY!!

#### LAWN KING ANNUAL PROGRAM

1. Balanced Fertilization Broadleaf Weed Control Pre-emergent Crab Grass Control Control	2. Balanced Fertilization Broadleaf Weed Control Crab Bug Control Sod Webworm Control Grub Control	3. Balanced Fertilization Broadleaf Weed Control Moss-Nutrients Crab Bug Control Sod Webworm Control	4. Power Aeration Power Rolling Balanced Fertilization Broadleaf Weed Control Post Emergent Crab Grass Control Seed (1 lb./1000) Lime	5. Fertilization Weed Control Lime
---	---	---	--	--

We are chemical applicators, not miracle workers. We know what your lawn needs and when it needs it. What you see in the program, is what you get. Top quality chemicals and seed — only the best that's all we use. There's no such thing as specially formulated for drought.

Aeration, seed and time are part of our program. Fungus controls and grub controls have always been part of our program — not options at extra cost when you need them. By the time you know you need them it's too late anyway.

Someone will call to discuss the lawn with you. There's a one time charge if you need any extra like a preparatory service, extra seed or additional time. We'll tell you what you need. We may not be the cheapest lawn service around but we are the only ones who give your lawn everything it needs at a price you can afford to pay. You can figure your costs from the chart below. No contracts to sign, no guarantees, no promises, and no nonsense. Pay from service to service or prepay for the year and we'll give you a 5% discount too!

If you compare our program and prepay with any other company, you'll find that either they are charging too much, or we are not charging enough! Look at it real close and you may even arrive at the conclusion that not only is it better to do business with us — it's cheaper too!

#### OPTIONAL PREPARATORY SERVICE

Double Power Aeration Double Power Rolling Double Weed Control Double Crab Control (Granular) 1¢ PER SQUARE FOOT (min. 3,000 sq. ft.)

SQUARE FOOTAGE	QUARTERLY INSTALLMENT	TOTAL ANNUAL COST
3000	36.25	145.00
4000	42.24	168.96

# Bucs mile relay team retires decade old Belleville record

"The Record", so to speak, might not have the significance of Hank Aaron's home run record, nor the following of Pete Rose "Chasing Ty Cobb" but for the Belleville cindermen of 1985, "The Record" which looked so invincible at one time, fell at the Essex County relays in South Orange last week. The record with all the acclaim was the mile relay mark held at Belleville High School since 1975. The historic moment capped a good week of individual action for the Belleville harriers.

Back in the spring of '75, the Belboys ran a 3:35.3 mile relay in the Essex County championships at Nutley. It was a mark that was not seriously challenged throughout the next

decade. However, the class of '85 had different ideas. Almost ten years to the day, the Buccanier mile relay team of Willie Chandler, J.R. Di Vincenzo, Nick Comptano and Mike Siletti ran a 3:34.1 mile relay, taking second in their respective heat. "It was a big accomplishment," said head coach John Tosato. "We finished second overall in the mile relay and second in our heat. It was a nice step for our program."

The Bucs lost two dual matches last week by very narrow margins. Versus Nutley, Belleville was on the short end of a 69-62 margin. Against West Essex, the margin was even tighter, with the final count 67-64. In both meets, Belleville had

the share of first place honors, but couldn't repeat this on the second and third place sprints. Belleville was also outperformed in the 1600 event.

In the West Essex dual, Willie Chandler was first with 14:02.1 at place in the 100 meters, 11.27 and the 300 meters, 23.41. Chandler also helped out in the long jump taking third with a leap of 16.11. Senior Mike Siletti continued his overall campaign. Finishing 10th in the 100 meters, 30.95, he was running the 1600 point mark for the season (1:10:27.75 points) and is working to challenge the marks of Jayce Thacker, 1:07:55, and John Lewis, 1:07:50. Thacker and Lewis averaged the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

Senior John Lewis, who was second in the 100 meters, 11.27, and the 300 meters, 23.41, and the 1600 point mark for the season (1:07:50). A working high jumper and a long jumper, Lewis was second in the 100 meters, 11.27, and the 300 meters, 23.41.

# Florham Park demolished as Buccanettes post 33-7 win

The Belleville entry in the seventh-grade Suburban Softball League opened its third season last week with two successive victories. In the first game of the year, the Buccanettes traveled to Florham Park and defeated the home team by a score of 33-7. The game was won early when the girls scored eight runs in the first inning and 10 more in the second. Wildness on the part of the Florham Park batters had a great deal to do with the scoring. However, the Buccanettes still smacked 17 hits in the game led by Laurie Dondarski with a perfect 4-for-4 and seven runs. Cheri Gans, Peggy Linetti and Kim Patton also hit well for the winners with Valese clubbing a two-run homer in the last inning.

Senior boys softball league now being formed by town

The Belleville Recreation Department is presently forming its 1985 Senior Boys Softball League for Belleville residents in grades 9-12. The league plays its games on weekday afternoons beginning at 3 p.m. at the Stadium and Cleburn Field. Opening day this year will be on May 26.

Only the first eight teams to apply will be admitted into the league. High school varsity, j.v. and freshman players are not eligible to play in this league. To obtain a roster, call the recreation office (456-8422) or stop by between 8:30 a.m. - 4 p.m., Monday - Friday.

Laurie Dondarski, who incidentally reached base 11 consecutive times in the first two games, a double by Marilyn Zamora, a triple by Johansen and a single by Cheri Valese, all in succession.

This year's team members include Laurie Dondarski, Marilyn Zamora, Stacey Johansen, Cheri Valese, Peggy Linetti, Lori Moyer, Carol Morrison, Diane Divincenzo, Jennifer Bridge, Kim Patten, Shannon Corbis, Denise Lusnia, Mary Gibbons, Joyce Burke, Denise Ives and Nellie McManara. The team is coached by Phyllis and Bob Trezz.

The big hits in the inning were a bases clearing triple by

**DENTALLY SPEAKING**  
By Drs. James D. Muglia and Paul N. De Malo

Mrs. R. of Nutley writes: "I'm concerned about oral cancer. Is there any self-examination I can do?"

Excellent question Mrs. R. The self-examination you can and everyone should do is as follows: Tilt your head and feel around your neck area for any unusual lumps. Grasp your upper lip between your thumb and index finger and moving along your lips feel for any type of mass. Then do the same on the lower lip. Using the same technique grasp your right cheeks between the two fingers and again feel for any lumps. Do the same on your left cheek. Finally grasp your tongue, again feel for any lumps.

Look at your gums and mouth area for any discoloration or unusual marking. Observing these areas follow by feeling for any lumps that may be under the skin's gum surface. This technique requires some supervision initially so have your dentist go over this self-examination technique with you.

# Cancer Awareness Week features softball game, seminar and dance

Scheduled events for Belleville's Third Annual Cancer Awareness Week include a dance, a benefit softball game and a free seminar on cancer.

There will be Dancing Against Cancer, Friday, May 17, 8 p.m. at the VFW Hall on Belleville Avenue and Stephens Street. Tickets will cost \$3. "D.J. P.J." of the Fun Police will be playing the dance hits.

Next Sunday, May 19 at noon, the radio all-stars of Z-100 will visit Clearman Field to play softball against the local Cancer Conquerors. The game is sponsored by the Home and School Association. Tickets to the game will be \$2 for adults and \$1 for children.

The WHTZ-FM lineup features Ross Britain, Jack "da Wack," Hollywood Hamilton,

Diane Prior and Captain Kevin Smith. Z-shirts will be sold and there will be prizes to raffie.

Monies received from the game and dance will be donated to the Community Oncology Program of Newark's Bel Israel Center. Proceeds from the past two years have helped to purchase a computer system to maintain results of ongoing research.

After the Z-100 game, the Conquerors' sponsor, Jan Fangmann, is throwing a party at her own Rosebud's Pub at 211

Darling Ave., Nutley. Everyone is invited to join in the festivities.

The free seminar on cancer will be conducted at the high school, Thursday, May 23, 9:30 a.m. for students and 7 p.m. for the general public. The seminar will give both parents and students a chance to talk with prominent members of the medical community.

Dr. James Orsini of Belleville will be joined by doctors from the National Cancer Institute in Bethesda, Md. The emphasis will be on treating cancer in the young.

## Scholarship deadline nears

All applications for the Suburban Cablevision Scholarship Fund must be received by Wednesday, May 15.

Suburban Cablevision offers four scholarships for a maximum of four years, entitling the recipient to \$2,000 per year. Scholarships are renewable each year after review by Suburban Cablevision's Scholarship Selection Committee.

An applicant must be a full-time student in a public or private high school with the cable system's area and reside in one of the cable system's franchised New Jersey municipalities.

Umberto Corner

Q. Dear Umberto,  
My hair is bleached and turned silver-blond, but every time I shampoo my hair it develops a gold ring. What am I doing wrong?  
Jean Corner

A. Dear Jean,  
Use a shampoo designed for time and bleached hair and make sure you don't expose it to strong sunlight.

Q. Dear Umberto,  
My hair has usually been dry, but seems that since I became pregnant it has become oily. Does pregnancy make you oily hair and if so, why?

A. Pregnant Reader,  
Yes, pregnancy can make your hair oily. I am not a doctor but I believe that your glands are functioning at a different pace, which in turn may be making your hair oily. Don't worry after your pregnancy everything should return to normal.  
Umberto

**SHERIFF'S SALE**  
**SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-4828-84 FEDERAL NATIONAL MORTGAGE ASSOCIATION, a Corporation organized by an Act of Congress, PLAINTIFF v. GENNIE RODGERS, et al, DEFENDANTS. Execution For Sale of Mortgaged Premises.**  
By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Auction, in SHERIFF'S OFFICE, Essex County Courthouse Building in Newark, on Tuesday, the 4th day of June next, at one-thirty P.M., (Prevaling Time).  
Property to be sold is located in the City of Newark, County of Essex and State of New Jersey.  
Premises is known as: 437 S. 17th St. Apt. 1, File #6600  
Box lot #23 Block #321  
Approx. Dimensions: 25 x 100  
Nearest Cross Street: 14th Avenue  
A Complete description can be found in the Essex County Register's.  
The approximate amount of the Judgment to be satisfied by said sale is the sum of SEVENTEEN THOUSAND AND NINE HUNDRED THIRTY SEVEN DOLLARS AND NINE CENTS (\$17,137.09), together with the costs of this sale.  
The Sheriff reserves the right to adjourn the sale from time to time as provided by law.

Plus 4 "GENERIC DRUGS"

Question: What is a generic drug?  
Answer: A medication that is labeled by a chemical name.

Question: Are all generic drugs just as good as all brand name drugs?  
Answer: No. As with anything else, man-made quality varies with the manufacturer and the facilities he uses.

Question: How do I know I am getting a good quality generic?  
Answer: It is our responsibility to provide generic drugs produced by reputable manufacturers; drugs which meet all the physical criteria of drug quality, e.g. tablet firmness, color uniformity, filled capsules, proper odor, etc.

## Favorite Mother's Day celebrations, traditions to mark mom's special day

Mother's Day is more than just a day. Mother's Day is a national holiday that has become a tradition after just 77 years!

Like all holidays, it's observed and celebrated in almost as many diverse ways as there are diverse families in the country.

A reigning favorite is to "get mom out of the kitchen." Children often have her over for a special Sunday dinner. In some areas of the country, it's warm enough for a family cook-out. But perhaps the essence of treating mother "right" is to take her out to a fine restaurant. That way, you get her out of the kitchen and give her a treat that she probably doesn't get all that often. (Just as a matter of interest, after Thanksgiving Day, Mother's Day is the biggest "eating out" day of the year, according to the National Restaurant Association.)

"Reaching out" to mother seems to be an almost universal passion. If you've ever tried to get a long distance call through to Mom on "her" day, be prepared for delayed dial tones, area code busy signals, and long waits.

Only Christmas compares to Mother's Day, say the telephone companies. And now, with discount long distance phone service available, calling your mother will be even cheaper than ever before. (One tip: Call after five o'clock, when the rates go up, and you'll find getting through a little easier.)

### Family get-togethers

Family get-togethers of one sort or an-

other are also characteristic of Mother's Day — everything from the aforesaid Sunday dinner for mom to casual visits from the children and the grandchildren. About two out of every three respondents to a recent survey said they made a visit a high priority on their Mother's Day activity list.

And, of course, as a nation of shutterbugs, more than half the people will be taking pictures of mother and the family to record the event for posterity — and family snapshot albums.

In a society as mobile as ours, mothers and their families are often separated. There was a time (as when Miss Anna Reeves Jarvis conceived of Mother's Day), that the entire family was within a few blocks of the homestead. But no longer! Because of migrations to the South, the Southwest and the Far West, people now find themselves separated from their mothers by hundreds or even thousands of miles. That's why those within easy traveling distance (and there are still many of us), make a special visit to mother on Mother's Day.

### A day of great importance

Mother's Day comes on May 12, and you're right to do your own thing, but a word to the wise: Do it in harmony with mother's expressed preferences.

Spring  
Extravaganza

A black and white photograph showcasing a variety of jewelry. At the top, a necklace with a large, ornate pendant is displayed. Below it, a ring with a large, multi-faceted stone is shown. To the right, a brooch with a circular, textured design is visible. In the foreground, several earrings are arranged, including a large, round, textured earring and several smaller, round earrings. The jewelry is set against a dark, textured background.

## Can you name these famous mothers?

Ever since the first Outstanding Mother Awards were presented by the National Mother's Day Committee in 1979, the Honors recognized role model mothers, effective not only in their own homes, but influential in millions of other families from coast to coast.

Just for the fun of it, can you match the names and photographs of a few of the Outstanding Mothers?

Here is the Honors List, of all the Outstanding Mothers, named by the National Mother's Day Committee since its establishment in 1979:

Barbara Bush, Bette Davis, Geraldine Ferraro, Anne Jackson, Coretta Scott King, Joan Lunden, Jane Muskie and Patricia Schroeder.
