## Board meeting changed again

After its public meeting last Monday, the Belleville Board of Education further discussed the change in date of its next public meeting.

Although it had been announced at the meeting that the date was changed to May 22, the board members decided to change the date to Tuesday, May 21.

The meeting will be conducted at the board complex, 190 Cortlandt St.

## Hit and run victim stabilizes

Donald Greweck, the Belleville man who was struck by a hit and run driver last Sunday morning, is reported in stable condition at University Hospital.

Greweck was listed in critical condition late last week.

The Belleville Detective Bureau is still searching for the driver of the 1982 Trans Am that injured Greweck. Anyone with information is asked to call the Belleville Police Department at 450-3333. The call will be kept confidential.

## Four firefighters face charges

Four Belleville firefighters have been brought up on charges of insubordination by the Belleville Fire Department, Township Attorney Frank Zinna said.

The men, all ambulance drivers, have been charged with refusing to transport an AIDS victim from New York to a New Jersey hospital, Zinna said.

Zinna said a departmental hearing will be conducted on the matter. No date was set as of press time.

## Vacation Bible School planned

A vacation Bible school will be conducted Wednesday, June 26 through Tuesday, July 2, from 9-11:30 a.m. at the Belleville Reformed Church, Main and Rutgers streets.

To register, call Mrs. Davenport at 759-4039 or Mrs. Schwenk at 751-2262 by May 30. The fee is \$2 per student.

Along with the Bible lessons there will be crafts, recreation, music and refreshments.

## Matters in Brief

### Grosch's retirement dinner set

A retirement dinner honoring School 9 Principal Joseph B. Grosch will be held June 19 at the Branch Brook Manor, Washington Avenue.

Grosch, principal of School 9 for the past 10 years, has served in the Belleville School System for the past 39 years. He has taught at the senior high school as well as schools 4 and 7. He was also principal of schools 1 and 7.

The cost of the dinner is \$29. A limited number of tickets are available. Anyone interested in attending can call 751-0912, 751-6962 or 759-7721 by June 7.

### Sheriff D'Alessio wins service award

Essex County Sheriff Thomas D'Alessio has been presented with the Community Service Award by the Essex Council of Jewish War Veterans. The presentation was made at the group's annual convention May 7.

The Jewish War Veterans made the presentation for Sheriff D'Alessio's "dedicated community service as a career law enforcement officer."

### Fiorente Club roasts Al LoBalbo

The Italian-Fiorentino Club of Belleville-Nutley is sponsoring a Basketball Beefsteak Dinner honoring and roasting St. John's Assistant Coach Al LoBalbo Thursday, June 6, 7:30 at 34 Carner Ave., Nutley.

For ticket information, call 751-1534 between 8 a.m.-2 p.m. or 933-1047 between 4-8 p.m. Tickets are \$17.

LoBalbo's career can be traced from St. Mary's to Belleville High School to West Point and finally to St. John's University, culminating with a March 1983 trip to the Final Four in Lexington, Ky.

### Fine arts exhibit set for June 4

The Fine and Related Arts Exhibition will be conducted Tuesday, June 4, 6-9 p.m. in the Belleville High School gymnasium.

Furniture, photographs and crafts and paintings made by students will be on display.

The Home Economic Department will supply refreshments during the exhibit.

## Truck driver killed in fiery accident

by Alex Schlosser

A Belleville woman was involved in a car accident on Route 3 westbound in Clifton last week setting off a chain reaction in which one man was killed.

Regina Podurgiel's swerved her car into another lane when she tried to avoid a plastic garbage can that was blown into her path. A car, driven by a Newark man, then crashed into the rear of Podurgiel's car.

The driver of a gasoline tanker swerved into the embankment, apparently trying to avoid the crash. The tanker overturned and burst into flames killing the driver, identified as 48-year-old William Cooper of Whitehouse Station. Cooper was trapped and burned to death in the cab of his 8,000-gallon tanker.

The tanker erupted in flames just after it overturned about 12:55 p.m. Friday. Nutley and Clifton firemen spent two hours getting the fire under control but were at the scene for about seven hours making sure the gasoline would not reignite, said Walter DeGroot, acting chief for the Clifton Fire Department.

The tanker was later identified as being owned by the Karo Enterprise Inc. of Plainfield. The truck's markings and driver's papers were destroyed in the blaze.

An eyewitness said when the truck flipped and burst into flames, it looked as if a bomb had been dropped on Route 3. He

and others had rushed up an embankment to rescue the driver. They were forced away by flames.

The accident forced officials to close Route 3 from Route 46 to Route 21 - a four-and-a-half-mile stretch. DeGroot said the highway was opened after 8 p.m.

The Nutley Fire Department was called to help extinguish the fire while the Passaic Fire Department stood by. DeGroot said the Hoffmann LaRoche Fire Department was also called with extra foam, a truck and personnel.

"Nutley gave us a tremendous hand," DeGroot said. "We had tremendous help from the Nutley chief (Ed Felrath) and Captain Fred Kingston and their men. Nutley rescue squad was also at the scene."

Charles Kucinski, executive officer of the Nutley Fire Department, said no Nutley firemen were injured while fighting the fire. Nutley Engines No. 1 and No. 3 were sent to the scene.

Nutley brought 70 gallons of foam to the fire. Some 150 gallons of foam were used to extinguish the fire, Kucinski said.

"We spent more time than necessary at the scene because of the amount of foam we had," he said. Kucinski said Nutley Fire Department has more foam than many communities because Nutley is located near highways such as Route 3 and Route 21.

**Fighting Fire With Strength** - Nutley Fire Captain Fred Kingston discusses tactics with Clifton firefighters. The accident, which involved a Belleville woman, proved fatal for the driver of a gasoline tanker which overturned on Route 3, trapping the driver inside. - Photo by Alexander Schlosser.

## Blight is rejected

The Belleville Board of Commissioners rejected the proposal of blight declaration for Washington Avenue before a standing-room-only crowd at its meeting Tuesday night.

All the commissioners voted yes with the exception of Commissioner Joseph McGreevy who abstained because of his potential conflict of interest. He owns property in the designated

blight area.

In their rejection of the blight proposal, commissioners approved a resolution authorizing the preparation of a bond ordinance for the appropriation of \$10 million for the construction of a municipal complex on Washington Avenue.

Details of the meeting will appear in next week's issue of the Belleville Times.

## Cancer Awareness Week features dance, benefit softball game and free seminar

**Ross Brittain**  
Z-100 Radio All-Star

Belleville's Third Annual Cancer Awareness Week opens with a dance this week and a free seminar on cancer next Thursday.

Cancer Awareness, Inc., founded by Barry Dunleavy of Belleville, will sponsor a "Dance Against Cancer" Friday, May 17, 8 p.m., at the VFW Hall on Belleville Avenue and Stephens Street. Music will be provided by the Fun Police disc jockeys. Tickets will be \$3 and include refreshments.

The main highlight of Cancer Awareness Week takes place Sunday, May 19, at noon, when the hot-rocking, flame-throwing

radio all-stars of Z-100 visit Clearman Field to play in a softball game against the Cancer Conquerors.

Tickets to the game, sponsored by the Home and School Association, will be \$2 for adults and \$1 for children.

The WHITZ-FM lineup will feature Ross Brittain, Jack "da Wack," Hollywood Hamilton, Diane Prior and Captain Kevin Smith. Z-shirts will be sold and there will be prizes to raffle. Monies received from the dance and game will be donated to a cancer relief fund.

After the game, the Conquerors' sponsor, Jan Fangmann, is throwing a party at her own Rosebud's Pub, 211

Darling Ave., Nutley. Everyone is welcome to attend.

Ending the week of events will be a free seminar on cancer at Belleville High School Thursday, May 23, 9:30 a.m. for students and 7 p.m. for the public. The seminar will give both parents and students a chance to talk with prominent members of the medical community.

Dr. James Orsini of Belleville will be joined by Dr. David Poplack of the National Cancer Institute in Bethesda, Md. The emphasis will be on treating cancer in the young. There will be films and pamphlets will be distributed. Dr. Poplack will appear courtesy of Lederle Pharmaceuticals.

## Nutley bridge will open after two years of repair

If all has gone as planned, the Avondale Bridge should be open to traffic this week. The bridge was to have opened on or about April 15. However, electrical problems have postponed the opening to tomorrow, according to a state Department of Transportation spokesman.

There were electrical problems with the bridge's swing mechanism and tenders had to be familiarized with the bridge's workings before it could be opened to traffic, said Randy Lithurst, the D.O.T. spokesman. He said the bridge should be opened about midday.

The Avondale Bridge was closed two years ago last April for a renovation project costing \$4 million. The project included the rehabilitation of the bridge's approaches and supports. During most of the work, the swing bridge remained in the open position to allow boats to pass.

The bridge was built in 1905. It had been labeled unsafe and decrepit before it was closed for renovations. Before the bridge could be opened, the D.O.T. had to check the operation of the bridge for safety.

Other bridges along the Passaic River have undergone or will undergo renovations similar to the rehabilitation done to the Avondale Bridge.

The Route 7 Bridge linking Kearny and North Arlington with Belleville should begin on or about September, a construction official for the D.O.T. said. The construction should take about a year and the bridge should be closed to traffic for six months to allow for construction the engineers said.

Marine traffic under the Route 7 Bridge will be limited to small crafts. The cost of the project is estimated to be \$1.2 million.

## Students offer help

**Spring Cleaning Time** - These students are only a few of those involved in the Belleville Middle School's spring cleaning project, under the direction of Bill Hollis, student council adviser. The students, who volunteer their time, are available to babysit, do outside or inside work, go shopping, walk dogs, tutor, paint, clean up or do anything else that needs to be done. Anyone interested in enlisting the aid of the students can call the school at 751-3440. - Photo by Michelle Jeannotte.

## Wallace & Tiernan adopts young Belleville violist

Harry Neugold, Jr., group president of the Wallace and Tiernan Division of Pennwalt Corporation in Belleville, travels often to the affiliate company in Gunzburg, West Germany. But this month, Neugold is sending a musical ambassador, Frank Piserchia, violist, of Belleville.

Wallace and Tiernan is "adopting" this young musician to enable him to perform in the European Youth Festival of Music in Munich. Piserchia, 16, is a member of the Montclair State College Music Preparatory Divisions' Advanced String

Ensemble, whose members will travel to Hamburg, Munich and Salzburg for this gathering.

"I think that this is a wonderful experience for these young people - to stay with German families and to really get to know the other young people by performing music with them," Neugold said. "It will definitely affect the way they see the world as they grow."

Piserchia attends the Montclair State Music Prep program on a string scholarship. He is also a junior at Belleville High School where he plays in the band and orchestra.

'Adopted' Violist - Frank Piserchia, left, has been chosen as a musical ambassador to West Germany by Wallace and Tiernan Division of Belleville. With Piserchia is Harry Neugold Jr., group president of Wallace and Tiernan.

## Disc jockey Laird appearing on WOR Channel 9 next week

Marianne Laird of Belleville, a disc jockey at WMTR (1250) AM stereo, will appear on Channel 9 (WOR-TV) with Lloyd Lindsey Young next week.

Laird, whose radio show airs from 11 a.m. 4 p.m. weekdays and from 3-8 p.m. on Saturdays, will be appearing on Young's segment covering disc jockeys in the area.

Laird, a graduate of Belleville

High School and William Paterson College, was a college radio disc jockey for five years. While at college she produced a weekly show and wrote, produced and hosted specials on Elvis Presley, the Beatles and Neil Diamond.

She joined WMTR in May of 1984 after one year at WAVP, a cable television, radio station formerly in Bloomfield.

## Theresa S. Cocco promoted by Prudential Insurance Co.

Theresa S. Cocco of Belleville has been promoted to commercial paper operations specialist in the Investment Services Department of The Prudential Insurance Company, Newark.

Cocco joined the company's Treasury Department as a financial examiner in 1979. Two years later, she transferred to the Prudential Funding area of the Investment Services Department and was promoted to cash account reviewer. In 1983, Cocco became a financial reviewer, the position she held until this promotion.

A 1978 graduate of Belleville High School, Cocco is currently pursuing her B.S. degree in administrative office management at Montclair State College.

## Anna Picone has retired

Anna Picone of Belleville recently retired from The Prudential Insurance Company, Newark, after 10 years of service.

Picone joined The Prudential's Office of Servicemen's Group Life Insurance as a part-time clerk in 1975. She was promoted to premium acceptance clerk, a full-time position, three years later. In 1984, Picone advanced to reconciliation technician, the position she held until her retirement.

## Dr. Joseph Moeller Jr. named associate provost

Dr. Joseph Moeller Jr. of Belleville has been named associate provost for computing and information systems at Stevens Institute of Technology in Hoboken.

Dr. Moeller, who previously was dean of educational development at Stevens, is now responsible for strategic planning and management of the institute's academic computing and information systems initiatives. He also is project manager of the Stevens Personal Computer Plan, a position he has held since 1982 when Stevens became the first college in the country to require students to own a personal computer.

Dr. Moeller joined the Stevens faculty in 1970 as an instructor of electrical engineering. He was promoted to assistant professor of electrical engineering in 1975 and was also made director of the Hudson County Community College associate degree programs offered at Stevens. He was named assistant dean of educational development in 1977 and in 1983 was named dean of educational development. He also serves as the administrator of the New Jersey Business-Industry-Science Education Consortium.

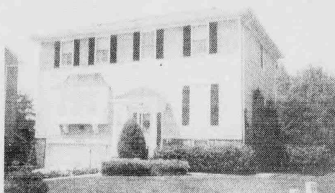

An alumnus of Stevens, Dr. Moeller received the B.Eng., M.Eng., and Ph.D. degrees from the college in 1967, 1969 and 1975, respectively. He is a graduate of Dickinson High School in Jersey City. His honors include the Freygang Award for outstanding teaching, "Outstanding Educator of America" and "Outstanding Young Man of America" by the Outstanding Americans Group and a listing in "Who's Who in the East."

He is a member of the Institute of Electrical and Electronics Engineers and Sigma Xi, the honorary research society.

Dr. Joseph Moeller

### DYING TO LOSE WEIGHT

Why do overweight adults, who are otherwise healthy suddenly die while using very low-calorie diets? A new study confirmed the long-held suspicion that heart problems are to blame. Researchers studied the deaths of 17 people who had been consuming commercially distributed liquid protein diet products offering 300 to 500 calories daily. They found that the deaths were triggered by irregular heartbeats and that the dieter's hearts had actually shrunk in size. New warning labels are now being required. The FDA ordered very low-calorie protein diet products (those below 400 calories daily) to carry labels warning that their use as a total diet without medical supervision may cause serious illness or death.

We carry a complete selection of prescription drugs in order to have them available to our customers when the need arises. Bring all your prescriptions to ROS SMORE PHARMACY, 238 Washington Ave., 755-1950, 755-1968. Our complete prescription service includes free delivery. Cameras and film, cosmetics and toiletries are stocked. Open: 9am-10pm daily, 9am-9pm Sundays.

### HANDY HINT:

# First DeWitt Savings acquires two new offices

Henrik Tvedt, president and chief executive officer of First DeWitt Savings and Loan Association, has announced that the institution has reached another milestone of steady growth with the acquisition of two new offices, one located in the Par-Troy area and one located in the Brick Town area. Both new offices were formerly branches of Statewide Savings. The timing of the acquisitions is auspicious, as First DeWitt is also celebrating its One Hundredth Anniversary during 1985.

The new Parsippany Office will increase the association's presence and capabilities in the Morris-Sussex area, joining the well-established First DeWitt office in Hopatcong. The new office is a colonial-style structure conveniently located at 1980 Route 10 (Westbound side), in Morris Plains, with a service range extending into Morris Plains, Parsippany, Morris Plains, Parsippany, Morristown, Cedar Knolls and Whippany, and including a large number of commuting customers traveling on Route 10. The office features generous parking, two-lane drive-in facilities, as well as the full range of First DeWitt's financial services.

The Brick Town Office will mark First DeWitt's arrival in the Ocean County area, featuring a location just off Parkway Exit 91 on Burnt Tavern Road, central to Brick Town, Lakewood, Laurelton, Herbert-

sville, Howell Township, and the shore towns. It's interesting to note that many of First DeWitt's former customers that moved to the shore area will now be able to again take advantage of the S & L's services.

"The acquisition of the new offices fits directly into our long term expansion plans," said Tvedt. "It's worth commenting here that First DeWitt, established in 1885, has served its customers and communities through varied economic environments, yet has never lost a penny for any of its depositors, and I'm happy to say, is now celebrating 100 years of uninterrupted dividends."

In addition to the new offices, First DeWitt has its main office in Belleville, four offices in Bloomfield, another office in Cedar Grove, and an office in Hopatcong.

# Belleville Business Bureau Chamber lauds business community

By Howard Halpern

The Belleville Chamber of Commerce is proud of the Belleville business community for its contributions to the growth of our town. The industrial, professional retail and service businesses are one of the most important ingredients towards the prosperity of Belleville.

They proved it in an outpouring of owners and company representatives at a recent business seminar, conducted by the chamber of commerce. The purpose of the seminar was to draw business leaders and commercial property owners from every part of Belleville to ask questions concerning redevelopment. There were two separate panels to answer their questions.

Representing the Belleville Redevelopment Agency, appointed by the township commission, were chamber members Joseph Dasaro, Emil Nardachone and state-appointed Gabriel Nazzola in favor of the "blight" concept of redevelopment. The other panel, representing the Belleville Revitalization Committee, an independent organization, were William Cameron and chamber members Louis Cicento and Vincent Frantantoni in favor of redevelopment without "blight."

Present in the audience, as observers only, were members of the township commission. This was a question and answer session to clear the air from misinformation, rumors and false innuendoes. Since the meeting was advertised as a business seminar, town residents were not invited. The two-and-a-half hour session accomplished what it set out to do with only one minor incident. An uninvited rowdy person had to be escorted out by security prior to the meeting.

The Belleville Chamber of Commerce has been an important tool in offering information to the community by way of television debates, the news media and seminars and will continue its efforts to make it better in Belleville.

Realizing the importance of this viable and highly visible business organization, a stream of new existing business have joined the chamber within the last three months.

The new members include: Meadowlands 1C Land Fill, Belleville Public Library, Graphic Design by Signforce, James Devine, CPA, Meyers Quality Bakery, St. Anthony Church, Nicolette Auto Body, Bee & Tee Restaurant, Sussex Barrel & Drum, Ronnie's Texaco Service, Butts & Bows, Belmont Cleaners, Victory Tool & Manufacturing, Corbo & Marbachs Deli, Frantantoni Bros., Harriets Stationery, SJS Trucking, Mr. Foamy Car Wash, Lido Auto Body, Twin Towing, Lou M. Precision Tool, P & D Service Station, James Landon, R. Violante & Son, Tobacco King, Cuzzi Motors, Econo-Car Rental Systems, B & M Machine Co., Impact Audio, Bell Liquor Stores, Bell Mill Construction, De Moo's Refrigeration, Plaza Drugs, C & J Music, Technion, Inc., Allied Elevator, Nanny D's, Toni & Ann Hair Fashions, G & G Mason Contractors, Ewal Manufacturing, Nutley Pet Center, Domenico Lupo, MD, Dominick Ligresti, MD, Joseph Rosania, James Hunt DDS, Sonia Tuason-Rufin MD, Dr. Stanley Anastasiou, McDonald's Restaurant, John Napoli, MD, Farese & Son, Gina's Beauty Salon, V.S. Gandhi, MD, Dr. Vincent Giampapa, J.L. Pedicini, MD, Bruce Gordon, MD, J.M. Landolfi, MD, Cufone Plumbing, Ralph Visco Consulting Engineer, Metric Motors, Montell Agency, Minority Instrument, and The Real Estate Store.

Welcome to all and we hope to see you at our next general membership meeting Wednesday, June 5 at 11:45 a.m. at the Chandelier Restaurant on Franklin Ave. Guest speaker will be Senate President Carmen A. Orechio.

# Pfc. English completes course

Army National Guard Pfc. Gerald A. English, son of Arlayne M. and Nicholas English of 134 Rutgers St., has completed the helicopter weapons systems repair course at the U.S. Army Transportation School, Fort Eustis, Va.

The course prepared enlisted personnel to perform maintenance on helicopter ar-

mament subsystems, specialized weapons test sets and ancillary equipment.

# Jo Ann Rizzolo chosen for television workshop

Jo Ann Rizzolo of Belleville has been selected to participate in the Advanced Religious Television Workshop at Marquette University's Institute for Catholic Media in Milwaukee, Wi., from June 3-14.

The university recently gave the Institute for Catholic Media a grant to pay the tuition and room expenses for 25 participants in the intensive seminar. The workshop is limited to people working in communications for a diocese, religious community, church agency or institution, or a religious media production house. Rizzolo is coordinator of Media/Public Relations for the Archdiocese of Newark.

The workshop will include lecture and laboratory work in field and studio production, in editing and in program design. Participants will review some current religious video productions and learn how to produce their own.

Rizzolo, who recently received a master's degree from the Colombia University Graduate School of Journalism, will be using the two-week scholarship to develop her skills in video production for use in the Archdiocese of Newark's Office of Public Affairs and Information Services.

## Prayer for Today

### Take Up Your Cross

Take up your cross and follow God  
And He will lead the way,  
To bring you hope and inner strength  
To face each new born day.

Take up your cross and follow God  
And cast aside your fear,  
For when you need a helping hand  
He always will be near.

Take up your cross and cast aside  
Your gloom and dark despair,  
For He will help to ease the pain  
That in your heart you bear.

Take up your cross, be not afraid  
However dark your plight,  
For God will see you through the storm  
And be your guiding light.

## Special Ed Week

The Belleville Board of Education unanimously passed a resolution last week designating May 12-18 as Special Education Week.

The school board, in joining the New Jersey School Boards Association and the Association for Schools and Agencies for the Handicapped, set aside time to recognize the role of special education.

In Belleville there are 400 students who receive special education instruction - instruction that is geared to their needs. The special education program in Belleville is one that has grown over the years. It has blossomed into a highly-recognized educational program - a program supported by many of the township organizations and townspeople.

One organization that deserves recognition is the

Special Education Parent and Professional Organization, otherwise known as SEPPPO. SEPPPO has sponsored a variety of activities geared for the special education students in the township. One activity, which has grown into one of the township's larger events, is the Special Olympics. This event gives the special education children a chance to show what they can do - a chance to try to be the best.

What the special education program in Belleville shows most of all is that the school administration and the people in this township care about their children - all children.

We congratulate the school board for its action and the people involved in the special education program in Belleville.

## A Child's 10 Commandments to Parents

1. My hands are small; please don't expect perfection whenever I make a bed, draw a picture, or throw a ball. My legs are short; please slow down so that I can keep up with you.

2. My eyes have not seen the world as yours have; please let me explore safely; don't restrict me unnecessarily.

3. Housework will always be there. I'm only little for such a short time - please take time to explain things to me about this wonderful world, and do so willingly.

4. My feelings are tender; please be sensitive to my needs; don't nag me all day long (You wouldn't want to be nagged for your inquisitiveness.) Treat me as you would like to be treated.

5. I am a special gift from God; please treasure me as God intended you to do, holding me accountable for my actions, giving me guidelines to live by, and disciplining me in a loving manner.

6. I need your encouragement, but not your praise, to grow. Please go easy on the

criticism; remember, you can criticize the things I do without criticizing me.

7. Please give me the freedom to make decisions concerning myself. Permit me to fail, so that I can learn from my mistakes. Then someday I'll be prepared to make the kind of decisions life requires of me.

8. Please don't do things over for me. Somehow that makes me feel that my efforts didn't quite measure up to your expectations. I know it's hard, but please don't try to compare me with my brother or my sister.

9. Please don't be afraid to leave for a weekend together. Kids need vacations from parents, just as parents need vacations from kids. Besides, it's a great way to show us kids that your marriage is very special.

10. Please take me to Sunday school and church regularly, setting a good example for me to follow. I enjoy learning more about God.

(From "Parenthood Without Hassles - Well, Almost" by Kevin Leman)

## Knights express thanks

To the editor:  
The Belleville Knights of Columbus Council 835 conducted its annual drive for funds to aid the mentally retarded for those with learning disabilities with the cooperation of brother knights, women's auxiliary SEPPPO, Mal Condon Canteen, Belleville Boy Scout Troop 364, Cub Scout Pack 377 and other volunteers.

The Belleville Knights, in further expansion of their community service programs, conducted a special fund raising drive from April 25-28. This drive will help such organizations as the Mal Condon Canteen, Belleville Boy Scout Troop 364, a special unit for boys who are mentally handicapped, the Belleville Special Olympics and Camp Fatima, a camp for retarded children staffed by qualified volunteers.

General Chairman and Past Grand Knight Frank Corbo assisted by Past

Grand Knight Tom Dillon and Grand Knight James Kiernan, wish to thank many individuals, especially brother knights and groups which helped this drive, especially The Belleville Times for news coverage, the business people, local supermarkets, banks and churches that allowed the Belleville Knights to collect at their places, and the great people of Belleville and the vicinity for their generosity in this meaningful drive.

General Chairman Frank Corbo announced that the money collected during this drive will be distributed after the Communion Supper Mass which will be held at the Knights of Columbus rooms, Saturday, May 18 at 5:30 p.m. In addition, awards will be distributed to winners of essay, spelling bee and free throw contests.

Peter S. Mackiewicz  
Community Activity Chairman

## NBC lauded for 'Vietnam'

To the editor:  
Congratulations to NBC Channel 4 for airing "Viet-Nam: Lesson of a Lost War" April 27.

The documentary was excellent. It covered the war on the battlefield and also the confusion in Washington. It also brought to the attention of America probably the greatest military blunder since "Custer's Last Stand," the so-called alleged "Gulf of Tonkin Incident."

An incident which until this day cannot be proven whether it happened or not. An incident that would cast this country into a 12-year war, a loss of over 50,000 American lives and a never ending nightmare which still haunts this nation and particularly its Viet-Nam veterans.

It also brought out one more fact, the fact that even though he was sur-

rounded by knowledgeable politicians and professional military men, Lyndon B. Johnson showed us, the American public, how inept he really was, and how Viet-Nam was much to much for him to handle. Despite sound advice and solutions for de-escalating, or ending the war honorably or sensibly, he continually chose to ignore the advice and continued to make all the wrong decisions.

To save his own pride, L.B.J. deceived the same people who he was elected to lead and the soldiers who he sent into battle in the first place, soldiers who were fighting and dying in an attempt to win and secure a cause that we never had a chance to achieve. May it never happen again!

Nicholas Cerreto

## Letters to the Editor

## Legion team needs funding

To the editor:

Once again it is time for summer baseball. The Belleville American Legion Baseball Team is writing this letter to ask for financial help from any source within the township. Unlike other teams which exist in the Essex County League, Belleville does not receive any financial aid from Post 105, which is located on Washington Avenue.

In the past two years, the team has been sponsored by the coaches, players, parents and several donations from within the township. Many citizens do not realize how much money it takes to run the summer

team. Some major problems the team must absorb include: entry fee, insurance, tournament fees, uniforms, baseballs, umpires and traveling expenses. For this season of baseball to be completed at least \$1,500 to \$2,000 is needed.

If the team does not find some kind of help, we are sorry to say that Belleville American Legion Baseball will not exist for our youth any longer. Any one interested in helping our team, please contact one of the coaches as soon as possible.

Thank you,  
Joe Lipoma and Dan Borgo

## Tribute to Mrs. Reynolds

To the editor:

Mrs. Helen Reynolds, wife of our president of the Friday Club passed away April 13. She was our beloved trip coordinator. I wrote this tribute to her which she so richly deserved.

Mrs. Dorothea Redding  
Our trips she planned with our hearts in mind.

Thru brochures and books until she found the right kind.  
We always enjoyed wherever we went.

And always found out that our money was well spent.

She had her health problems as you know we all do.  
But she tried to do her best for me and for you.

She suffered a lot and didn't complain.

## Kean sets tempo for New Jersey

To the editor:

Thanks to Gov. Thomas Kean, New Jersey has turned the corner from being the butt of bad jokes to having the last laugh over our neighbors.

It's a nice feeling to be able to say, "I'm proud to be from New Jersey." It seems to me that Gov. Kean's performance and enthusiasm have set the tempo for New Jersey's recent good fortune.

New Jersey leads the region economically. Businesses, sports franchises and tourists are flowing in. I think that what is special about

As we all know sometimes wue was in great pain.

So let's all remember her without any vent

The things that she did,  
The time was very well spent.

So let's all be friendly with each other you see  
Because today it might be you, tomorrow it might be me.

God called her to heaven to be with him there  
And we always look down and think she is sitting here.

And I am sure she is looking down from that heavenly place  
And wishing us well with kindness and grace.

## Golden Comments

By James R. Golden

A realistic look at the high federal budget deficits can't be explained by observing that 1982 spending on defense represented 25 percent of total federal spending. Under current projection, in 1989, 31 percent of all federal spending will be for defense.

At the same time that revenues have been reduced through reductions in corporate taxes and accelerated depreciation, spending on domestic programs - both entitlement and discretionary - has been cut by over half a trillion dollars from 1982 through 1989 even if no further changes are made. In fact, spending for Social Security under current law is slated to drop from 21 percent of federal outlays to 19 percent by 1990. Should the new Reagan-Stockman 2 percent social security cost of living freeze be enacted the average benefit in 1988 would rise only \$33 to \$483.

Thus, while domestic spending cuts have been substantial, they were offset two to one by tax cuts, especially to corporations. Greatly increased defense spending simply added further to the deficits. This debt has to be financed by further federal borrowing, adding still more red ink - particularly at high interest rates. In fact, interest on the debt is now the fastest growing component in the budget and by fiscal year 1989 will be \$124 billion annually, about the same size as Social Security.

There is little doubt, but that, the present administration would like to reduce Social Security and Medicare to a "means test" poverty level standard which would wipe off the rolls "all beneficiaries above a fixed income level arbitrarily set by the government."

Why must the entitlement programs be the target of the calloused Reagan-Stockman policies and the Republicans in the Senate who obsequiously truckle to the whim and caprice of the President? Why don't the president, vice president, cabinet members, senators and congress members all take a 15 percent salary cut? Why take it all from the aged seniors of the nation who paid their share?

Again, Social Security and Medicare is in jeopardy under the Reagan-Stockman policies; at the top of the list to reduce the federal deficits is Social Security, particularly the annual cost-of-living adjustment (COLA).

One of the quickest and largest single cuts that can be made in federal budget expenditures is to cut COLA's. For example, reducing the COLA by three points (the so-called "CPI minus 3" option) would save \$4.2 billion in 1986 and \$30.7 billion over the 1986-88 period. A one-year (1986) freeze would save \$7.4 billion in 1986 and \$27.2 billion for the 1986-88 period.

The American Association of Retired Persons (AARP) has consistently opposed cuts in COLA's, particularly because of their impact on the poorest - usually the oldest - among the elderly who have a high dependency on Social Security. For example, the CPI-3 proposal would result in 2.3 million more elderly below poverty in five years.

Medicare, unlike virtually all other areas of domestic spending, outlays continue to rise at a rapid rate, making it a prime target for reduction. The government is discussion "means testing" which distributes benefits on the basis of income for Medicare...The AARP opposes means-testing because it would convert Medicare from its current status as social insurance to a welfare program - thereby undermining support from current workers paying payroll taxes. Additionally, any form of means-testing benefits would be administratively difficult and costly.

With many in Washington hostile to Social Security and Medicare programs, it becomes incumbent upon those who need these benefits to write their senators and congress members explaining their dependency upon these programs they had previously been led to believe were inviolate.

## 'You Can't Take It..' is debuting May 31

"You Can't Take It With You," a comedy written about a family of three generations living under one roof, will be performed at the Belleville Middle School Friday, May 31.

The play, written by Moss Hart and George S. Kaufman in 1937, will begin at 7:30 p.m. in the school's auditorium. The basis of the play is the family's refusal to worry about money since "you can't take it with you." Tickets, priced at \$2 for students and \$3 for adults, will go on sale next week. They will be available in the middle school library and at the door the night of the performance.

Playing some of the major roles are: Kristina Bonacorsa as Penny; Loren Brown as Essie; Frank Cancro as Tony; Joseph Gonnello as Mr. DePinna; Jennifer Harrison as Alic; Nestor Hill as Ed; Sal Taibi as Mr. Kolenkhov; and Frank Vansyckel as Grandpa.

Other students performing in the play are: Jennifer Aiello, Michael Dias, Kimberly Fraone, Chantel Hughes, Herbert Ingram, Valerie Nesto, Julie

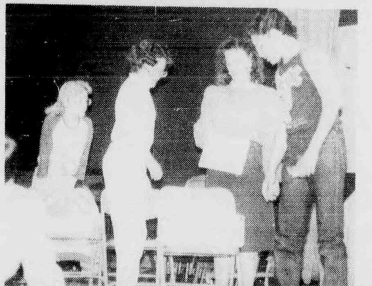

Pedalino, Julio Rodriguez, Kerri Spatcher, Steven Tice and Mark Tonelli.

Sandra Lowy, middle school librarian, is directing the play. Kathie Perkins, middle school teacher, is the technical director.

Other students involved with the play are: Susan Aufiero and Don Mastro as understudies; Susan Aufiero and Janice Galang as stage managers; David Aufiero and Billy Marshall as sound technicians; George Del Grande and Laura Nadonne as lighting technicians; Dawn Cotter and Laura Nardone as program artists; and Mickey Ann Buffone, Maria Capacco, Mark Capco, Sandy Correa, Dawn Cotter, Samantha Cotter, Paul De Lellis, Denise Engdahl, Lisset Figuero, Jennifer Jiosi, Maureen Kelleher, Andrea Lemongello, Elizabeth Morris, Don Mastro, Marisol Miranda, Delia Montalto, Georgina Murano, Melisa Muscara, Stacy Ostrowski, Kim Patton, Michelle Quick, Linda Saletta, Jennifer Salmon, Mike Senesky and Danny Yeorg, crew members.

Comedy Debut - Middle School students prepare for the May 31 debut of "You Can't Take It With You" with Sandra Lowy (above), director and middle school librarian, and Kathie Perkins (below). Photos by Michelle Jeannotte.

## Eugene Cappy Barnett blood bank open May 24

The "Eugene Cappy Barnett" Blood Bank, sponsored by Belleville Council 835 Knights of Columbus, will be conducted on Friday, May 24 from 3-7 p.m. at the Knights of Columbus Hall, 94 Bridge St.

All persons between the ages of 17 and 66 are encouraged to donate a pint of blood. Consent forms for minors will be provided. All persons donating blood will have the right to call

upon the Blood Bank should a need for blood arise.

Persons interested in giving blood can call Gerard Hickey, blood bank chairman, 667-2263.

The blood will be collected by a mobile unit of the North Jersey Blood Center located at 45 So. Grove St., East Orange, which provides equipment and a professional staff on blood bank day.

## Howard R. Rubin elected county council commander

Howard R. Rubin of Rutherford, five times commander of North Essex Jewish War Veterans of the U.S.A., Post 146, has been elected commander of the Essex County Council, Jewish War Veterans for 1985-86.

He and other newly elected officers were installed at the council's recent annual convention in Irvington by Daniel C.

Kaplan of Union, commander of the Department of New Jersey, JWV.

Post 146 was also awarded the William Marcus Membership Trophy for exceeding its membership at the time of the council's 1984 convention. Rubin accepted the trophy on behalf of the post.

## D'Alessio friends plan 'unique' event May 22

Guests at the "Friends of Sheriff Thomas J. D'Alessio" third annual fashion show will be treated to a galaxy of men's and women's clothing, courtesy of Fashions Unique and Charles Daniels of Nutley.

The May 22 event at Town & Campus, West Orange, will begin with cocktails at 6:30 p.m. and dinner at 7:30 p.m. Subscription cost is \$25. For ticket information, call 255-1830.

Fashions Unique of Nutley has selected some "unique" fashions as befits its name to be modeled by shop customers. Summer styles will feature the

new French cut swimsuits in brilliant colors, classic shorts and big tops, splashy prints and elegant dresses for day and night.

Many of the clothes shown will be one of a kind and will appeal to the woman who wants to stand out in a crowd.

Charles Daniels will bring suits of the finest Italian fabrics. Avant garde sportswear, along with the always popular designer jeans and classic LaCoste shirts, will be shown. Charles McLaughlin, owner of Charles Daniels, will be the commentator.

Planning an event - Essex County Sheriff Thomas J. D'Alessio discusses plans for the third annual "Friends of Thomas J. D'Alessio" fashion show with chairman, Mrs. Thea Greco of Verona. The popular event will be held May 22 at the Town & Campus, West Orange. Mrs. Estelle Infusino of Nutley is co-chairman.

Ellen Little

## Ellen Little engaged to wed Anthony Rosa

Mr. and Mrs. John F. Little of Belleville announce the engagement of their daughter, Ellen, to Anthony J. Rosa, son of Mrs. Domenica Rosa of Lyndhurst and the late Mr. Anthony G. Rosa.

Miss Little, a graduate of

Belleville High School, is office manager for a dentist in Roseland.

Mr. Rosa, an alumnus of Lyndhurst High School and Loyola University of Los Angeles, Calif., is president of Rosa Pen Co., Lyndhurst.

Lori Berger - Peter Micciche

## Lori Berger will marry Peter Micciche next year

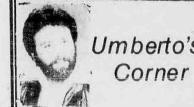

Mr. and Mrs. Richard Berger of Wayne announce the engagement of their daughter, Lori, to Peter Micciche of Belleville.

The troth was made known April 5 at Caesar's Boardwalk Regency, Atlantic City. The wedding will be held in October

of 1986.

Miss Berger, an alumna of Wayne Hills High School, is an administrative assistant with Automatic Data Processing Inc.

Mr. Micciche, a graduate of Jersey City State College, is assistant controller with Stendig International Inc.

Umberto's Corner

Q Dear Umberto, My hair is bleached and toned to silver-blond. But every time I shampoo my hair it develops a gold cast. What am I doing wrong?

Jean Comas

A Dear Jean, Use a shampoo designed for tinted and bleached hair and make sure you don't expose it to strong sunlight.

Q Dear Umberto, My hair has usually been dry, but it seems that since I became pregnant it has become oily. Does pregnancy give you oily hair and if so, why?

A Pregnant Reader

A Dear Pregnant Reader, Yes, pregnancy can make your hair oily. I am not a doctor but I believe that your glands are functioning at a different pace, which in turn may be making your hair oily. Don't worry, after your pregnancy, everything should return to normal.

Umberto

## Stork Club

John J. O'Reilly III

A first child, a son, John Joseph III, was born to Mr. and Mrs. John O'Reilly of Maplewood April 21 at Clara Maass Medical Center. Birth weight was 5 pounds, 3 ounces.

## FOOTNOTES

by Dr. Schail C. Frank D.P.M.P.A.

ADVISE FROM A PODIATRIST

WHAT ARE PLANTAR WARTS?

A wart is a benign tumor of the outer layer of the skin, caused by a virus, which can be found most frequently on the bottom of the foot.

A Podiatrist can make the diagnosis by knowing several important factors such as size, location, pressure and age factors.

Plantar warts can spread especially if found on the planter (undersurface) aspect of the foot. One wart can lead to "mosaic warts" which are surrounding satellite warts deriving their nutrition from the mother wart. There are virtually few reported cases of a wart becoming cancerous.

Podiatrists, including myself, start with conservative treatments at weekly intervals which cause only minor discomfort. Conservative treatment involves chemicals, cryo, heat, and ointments which tend to destroy the warts. The more resistant planter warts undergo surgical excision, electrical destruction, etc. If removed properly, the wart should not reappear. However, a new wart may appear at a different site at a later date.

Please do not treat them yourself! Contact your Podiatrist.

Schail C. Frank, D.P.M.P.A., 50 Newark Avenue, Belleville, New Jersey 759-6298

## Belleville Library lists upcoming May events

The Belleville Public Library, 221 Washington Ave., will be sponsoring a variety of events in the latter part of May.

A Preschool for Children, conducted by Alice Norris, will take place Thursday, May 16, 7 p.m. in the children's room of the main library. This program will also be conducted May 23, 28 and 30.

Joseph La Min will discuss, "First Aid and You," also May 16 at the main library. The public is invited to attend. Call the library at 759-9200 for time.

"Cookless Cooking" will be conducted Friday, May 17, 3:15-4 p.m. at the Silver Lake Branch Library, 30 Magnolia St.

A seminar, conducted by Anthony Ferrentino of Merrill Lynch, will take place Monday, May 20, 7:30-9 p.m. in the meeting room of the main library.

A crocheting course will be taught by Anna Rosa Mazur May 20 from 10 a.m.-12 p.m. at the main library. Call the library to register. Also, Jaye Tarantino of

Orechio Broadcasting will speak at 10 a.m.

The film, "Royal Wedding," will be shown Tuesday, May 21, at 10:15 a.m. at the main library.

On Wednesday, May 22, the Friends of the Belleville Public Library will take a bus trip to the New York Stock Exchange.

"Fun With Sign Language," a program for teens and adults, will be conducted Friday, May 24, from 3:15-4 p.m. at the Silver Lake Branch Library.

"Make a Swinging Bird," a library program for children, will be conducted Saturday, May 25, in the children's room.

On Tuesday, May 28, at 10 a.m. Gail Caltrabone and Bob Hilson of the Essex Geriatrics Center will discuss the services of the center at the main library.

A media presentation on the Statue of Liberty will be given by Adrea Cohen, assistant library director, Thursday, May 30, at 10 a.m. at the main library. The public is invited to attend.

Operatic Performance - Soprano Susan May of Belleville will star in the American premiere of "The Dragon of Wantley", being produced by the State Repertory Opera on May 18-19.

## Freeholder majority supports D'Alessio's re-election bid

Essex County Sheriff Thomas J. D'Alessio has won the support of the Democratic majority of the Essex County Board of Freeholders in his bid for re-election.

Those freeholders endorsing D'Alessio for a second term in office are Freeholder President Jerome Greco, Freeholder Vice-President Tom Giblin, Freeholders Cardell Cooper, Adrienne Davis, Joseph Parlavacchio, Pearl Beatty and John Alati.

Speaking on behalf of the Democratic county legislators, Greco said, "We have worked closely with Tom D'Alessio during his first term in office. He has proven to be a competent administrator, committed to making the Essex County Sheriff's Office the finest in the state. His record in law enforcement, especially in the fight against drug abuse, is a proud one. He is deeply

committed to public service programs, in particular those programs which help assure the safety of our children.

"We feel," continued Greco, "that the citizens of Essex County have been well served by Sheriff Tom D'Alessio. Those of us who serve in county government know his past accomplishments as well as his plans to continue the modernization of the Essex County Sheriff's Office."

Richard J. O'Malley, chairman of the Essex County PBA Conference, announced his group's endorsement of Essex County Sheriff Thomas J. D'Alessio's bid for re-election in the June 4 Democratic Primary.

The PBA Conference represents 26 local law enforcement associations throughout Essex County with more than 2,000 active and retired members.

## Susan May is starring in 'Dragon of Wantley'

Susan May of Belleville will star in the American premiere of Frederick Lampe's 1737 opera, "The Dragon of Wantley," being produced by the State Repertory Opera May 18-19 in South Orange.

"The Dragon of Wantley," a comic opera, will be joined by another American premiere, Charles Dibdin's "The Brickdust Man," written in 1772. According to SRO's artistic director, Dita Delman of South Orange, the operas will be fully staged and costumed and will be performed with full orchestra.

May has performed the soprano roles of Adele in "Die Fledermaus" with the Queens Opera, Juliet Brook in "The Little Sweep" with the Des Moines Metro Opera, Pamina in "The Magic Flute" with the Brooklyn Opera, and appeared in the New York premiere of "A Full Moon in March" with the Broque Opera. Most recently, she sang the title role in the New York premiere of "Nightingale" with The Golden Fleece Ltd., and toured with the Broque Opera as Camella in "The Ring of the Puccinies." She is a graduate of the Eastman School of Music.

Other lead roles in "Dragon" will be sung by Don Pendley of Glen Ridge, baritone, Debra Kitabjian, mezzo-soprano, Jim Blanton, tenor, and Douglas Kiddie, bass, all of New York City. Delman and William Hooven of New York City will sing "The Brickdust Man."

Alan Mann of New York City serves as stage director. He has directed plays and musical productions throughout North America and England. A graduate of the Queen's University at Kingston, Ontario, he is one of the people to receive a special diploma in directing from the London Academy of Music and Dramatic Arts. James Sawdewite, conductor of the Irvington Symphony, will conduct.

Curtain times for "The Dragon of Wantley-The Brickdust Man" are Saturday, May 18, 8 p.m., and Sunday, May 19, 3 p.m., both at South Orange Middle School, 70 North Ridgewood Rd. Tickets are \$12 standard, \$8 students and senior citizens. Reservations and information are available by calling 763-7969.

## Belleville qualifies for aid to hire additional firefighters

Belleville qualifies for \$33,616 in state aid to hire additional firefighting personnel under a measure awaiting action in the State Senate, according to Senate President Carmen A. Orechio.

The measure, designated the Municipal Firefighters Assistance Act, allocates \$8 million to municipalities across the state for additional fire services.

The funds will be distributed under the Safe and Clean Neighborhoods Act of 1979.

Orechio said. Municipalities such as Belleville that qualify under the existing standards of the Safe and Clean Program that maintain paid or part paid fire departments will share 65 percent of the \$8 million.

The money will be allocated among the program's towns to provide a uniform rate increase in the Safe and Clean funding and will be available with a local match of \$1 for every \$4 of state assistance.

# How can you tell if a supermarket is low priced?

You can look at their specials. But you buy three times as much at regular prices. Only Grand Union publishes thousands of regular prices every single week in the Price Finder; you can easily check on them. Nobody, but nobody would publish thousands of regular prices every single week unless they *knew* their prices were low.

That's how you can tell a supermarket is low priced; you can check on them.

Grand Union also shows you all the specials in the Price Finder for Specials; here's just a few of them:

U.S.D.A. Choice Fresh American Spring

## 'Bedtime' story hour at library

A special "Bedtime" story hour will be conducted every Monday evening in June from 7:30 in the Children's Room of the Belleville Public Library, 22 Washington Ave. Children ages 3-7 are welcome to attend. They may wear pajamas and carry their favorite bedtime toy if they so desire.

Such classic bedtime favorites as "Goodnight, Moon" by Margaret Wise Brown and "Harold and the Purple Crayon" by Crockett Johnson will be read

and special themes such as grandparents, friendship and reluctance to go to bed will be featured.

For information, call the Children's Room, 759-9200.

## "For Pete's Sake"

153 Belleville Avenue, Belleville  
759-1516

Owner Pete Vaccarelli and bartender John Walsh enjoying the atmosphere and friendly people at For Pete's Sake.

By Lisa Grimaldi

At this cozy Belleville Avenue eatery, the atmosphere is casual and the food is down-to-earth good eatings, just like mama used to make.

Owners Pete Vaccarelli and Rae Romano are gradually shifting "For Pete's Sake's" pub atmosphere into a more dining-oriented ambience. With these changes, the sandwich menu is still available, but there are more Italian entrees and specialties added to the bill of fare.

My dining companion and I enjoyed the seafood platter, which was recommended by owner Pete. The generous plate consisted of jumbo shrimp and sea scallops, tender and cooked to perfection. The flounder was fried in a light batter; it was deliciously crisp on the outside, and moist on the inside. All the seafood was very fresh, ("fresh from the docks that morning," according to Pete).

Both entrees were accompanied by a dinner salad, and a nice portion of spaghetti al dente, covered by a rich tomato sauce.

We were both full after that meal, but on our waitress's insistence, we tried the cheesecake. I'm glad she was persistent, because it was delicious: creamy and light, not the usual heavy cheesecake that sits like lead in your stomach.

A large bar in the center of "For Pete's Sake" draws a large crowd, and sandwiches (including Pete's famous cheesesteaks) can be ordered there. Happy Hour on Friday is something not to be missed. All of your favorite Italian dishes are served at the bar, broccoli rabe, pasta fagioli, sausage and peppers, escarole and beans are all homemade, and just a few of the Happy Hour specialties.

There's a special luncheon menu available and "For Pete's Sake" will now cater outside the premises.

"For Pete's Sake" is located at 153 Belleville Avenue. It is open 7 days a week, from 11 a.m. until 2 a.m., the kitchen closes at midnight. There are no stairs, so the restaurant is easily accessible to disabled persons. For reservations call 759-1516.

# Students, teacher return from week's visit to Paris

Mrs. Irene Richter, a foreign language teacher at Belleville High School, and 10 of her students recently returned from a seven-day visit to Paris.

During their stay, the group visited many famous monuments, spoke the language, visited museums, learned about French customs and absorbed much of the culture and history of Paris.

While on the trip, the group also visited the area of the city that bears the same name as their town - Belleville. Belleville in French means "beautiful city" and this is one of the older sections of Paris. It was from the streets of Belleville that Edith Piaf rose up to become a world famous singer and World War II heroine.

Visiting a Namesake in France - Ten Belleville High School students and Mrs. Irene Richter, foreign language teacher at BHS, recently visited the section known as Belleville in Paris. They are: (top row, l-r) Brendan Dullaghan, Mary Rose DuBoyle, Traci Galasso and Sandy Velasco; (middle row, l-r) Mrs. Irene Richter and Kecia Gonzalez; and (bottom row, l-r) Wahida Hosen, Dipika Parekh, Meru Mathai, Kelly Waldron and Cynthia Santiglia.

# Margaret Giordano earns first place in flower show

Margaret Giordano of Belleville, a Belleville High School student, was a first place winner in the New Jersey Future Farmers of America Flower Show.

She received a first place blue ribbon in oriental design and a second place ribbon in the categories of baby floral design,

dried flower arrangements and the "Keep Agriculture No. 1" competition.

Giordano will be awarded a Garden State Farmer Degree at a ceremony Saturday, May 18, at Rutgers University in New Brunswick. She plans to study horticulture at Daytona Beach Community College, Fla.

# Priore, Cordaro score high marks in Italian

Two Belleville High School seniors received high test scores in the College Board Italian Achievement Test.

Tina Priore and Mario Cordaro, fourth year students of Italian, were among other BHS seniors who took the test. It was the first time such a test was administered to the students.

Priore, who came to the United States at the age of 6,

hardly received any formal schooling in Italy. Cordaro, who was born in this country, has never lived in Italy. They received scores of 740 and 690, respectively.

The College Board Achievement Test consisted of a 20-minute listening comprehension section and a 40-minute reading comprehension section.

Distinguished Recipient - George Nucera, left, teacher/administrator in the Belleville School System for 30 years, was recently honored with the "Vince Lombardi Award." This award, being presented by Belleville High School Principal Joseph Ciccone, is given to a select group across the United States for "Outstanding Community Service and Dedication."

Tina Priore

Mario Cordaro

# Justine Ernst winner in N.J. poetry contest

Justine Ernst, a sixth grader at School 7, was among 87 young New Jersey poets, ranging from first graders to college students, who were recognized for their work at the recent New Jersey Writers Conference sponsored by New Jersey Institute of Technology.

The student authors were winners of the Eighth Annual New Jersey Poetry Contest, held in conjunction with the writer's conference.

Ernst received an honorable mention award in the elementary division for her poem, "I Would Not Mind..."

More than 3,000 poems were entered in four categories: elementary school, junior high, high school and college. The first, second and third place winners in each category were invited to read their poetry at the conference, where they and honorable mention winners received certificates of recognition.

# Annette DeCeglie finalist in recent teen-ager pageant

Annette DeCeglie

Annette DeCeglie, a junior at Belleville High School, was selected one of the 33 finalists in the Miss Northern New Jersey Teen-Ager Pageant, Feb. 22-25, at the Hyatt Regency Hotel in New Brunswick.

DeCeglie, sponsored by Belleville Construction Corporation, was voted Miss Hospitality 1985 and will participate in the state finals. She received several prizes which included a trophy, a crown and a monetary award. She was also selected to award the Miss Northern New Jersey Teen-Ager Pageant crown to next year's winner.

# Summer reading program institutes two major changes

Two important changes are being made in the Summer Reading Program conducted annually by the Children's Room of Belleville Public Library, said Alice Norris, children's Librarian.

Children must return all overdue books and pay all outstanding fines before they may register in this year's summer reading program, "The Belleville Monster?!", which is based upon actual Belleville history. These regulations have been made necessary by the fact that

the Children's Room has lost over 2,000 books in the last three years by children borrowing books and never returning them.

The second change being made this year in the summer reading program is that all programs will begin promptly at 10 a.m. No late comers will be accepted after 10:10 a.m. at the latest out of fairness to those children and their parents who arrive on time.

For information, call the library at 759-9200.

## Crew wins Goodwill Regatta for third time in four years

Leaving no doubt as to who is number one on the Passaic River this spring, the Belleville crew team took home the Goodwill Regatta championship for the third time in four years.

Sam Giuffrida's crew will soon travel to Philadelphia this weekend for the Stotesbury Regatta. Always one of the toughest races in the land, the Stotesbury features some of the best crews in the country. Belleville will field five shells in the race. The following weekend, the Bucs take part in the National championships in Delaware.

Giuffrida was elated with the victory. "It was a big win for us," he said. "The kids came through. They have been working for this all season long and did a fine job. I'm very proud of them. We took nine of eleven races overall and everyone played a part in the victory."

Belleville took the team title with 160 points, followed by boatmates Kearny (116) and Nutley. (6). There were many bright spots, but Giuffrida was especially happy with the performance of his boys senior four.

"I've been waiting for them to come around. I knew they had the ability to win the big race. They row so well in practice, but they have just missed in some of the races. This was a big win for them and it got the entire team psyched. I think it was the turning point of the race. Without that win, we might not have won the Regatta."

The boys senior four, made up of Rick Albanese, Bob Charles, John Apicella, Steve Linfante and Jim Conklin posted a seven second victory over a tough Kearny boat and a ten second win against Nutley. It was the first time all season that the Belleville boat defeated Nutley.

The boys junior four was victorious, as was the girls senior eight, the girls senior four, the girls junior four, the boys junior eight, the novice boys, freshman boys and freshman girls. The boys senior eight shell was second in a close race to Kearny and the girls junior eight was second to a strong team from Nutley.

Giuffrida expressed pride in the girls senior four, which

finished undefeated over four years in the Goodwill Regatta. "All these kids amaze me," he said of the entire team. "They only want to row the best. They're leaders. They have taken on the toughest crews we could find all season long. They would rather row an excellent crew and lose rather than row a weaker team and win. To beat these kids, you have to row at your best."

Giuffrida is also happy with his teams unity. "Every year,

we have a close team, but this year is just unbelievable. They just encourage each other so much. It is a very special team."

With the Stotesbury now approaching, Giuffrida will bring the boys junior and senior four shells, the girls senior four, the freshman boys and the girls lightweight eight. The girls senior four will look for a third national title over four years as the seniors in that shell bid farewell after four memorable years. The girls marvelous

career will conclude with the nationals on Memorial Day weekend.

"It's been a good season already," Giuffrida said. "Winning the Goodwill and doing well in the City championships is a good start. The Stotes are going to be tough, no doubt. It gets tougher and tougher from here on in, but these kids will be ready for the challenge. I'm very proud of this team, they have worked hard all season long and it has paid off."

Members of the Belleville softball team - round up their gear following the victory over Eastside last Monday. Sherri Sorrentino (in front) and Donna Brooks (No. 7) lead the team back to the bench. Girls play for county title on Saturday night against Livingston.

## Lady Bucs lose heartbreaker 3-2, but get revenge

Just one night after losing a heartbreaker to arch rival Bloomfield, the Belleville softball team returned the favor to the Lady Bengals, and in the process, advanced the Essex County championship game for the fourth straight year.

Belleville will battle Livingston for the championship of Essex County on Saturday night, starting at 7:30 p.m. Belleville and Livingston met in the 1982 contest with the Lady Bucs winning, 8-0. The local girls had won consecutive titles in 82 and

83, but were upset in the '84 final by Cedar Grove. This will also mark the fifth time in the last six years that Belleville has advanced to the county finals. In 1980, the girls lost to Cedar Grove in the championship game.

"I'm very happy with this accomplishment," said an elated Carl Corino last weekend. "This team has stuck together all season long. I don't think too many people expected us to do this well this season. We had lost an all state battery and had a lot

of question marks."

Nevertheless, the 1985 Lady Buccaneers have done it with smart defense, good hitting and some heads up base running. "The thing that has killed us this year has been the walk," Corino said. "We're starting to get better in that area, but it has hurt us in certain games this year."

It was a wild week of action for the girls, now 18-3. Last Monday, the team breezed by Eastside, 18-0. Last Saturday, Belleville was a 17-14 winner over Bloomfield in the county semis.

## Baseball team heads towards league title by winning four games

Winning some very critical ball games, the Belleville baseball team put itself into the hunt for a county and conference crown by winning four games last week.

The Bucs task gets no easier this week. On Monday, the team traveled to Paterson to battle Eastside. Yesterday, the Bucs hosted Montclair and tomorrow, the team is off to Passaic for a 4 p.m. start. On Saturday, it's round two of the Greater Newark Tournament, at Belleville, with the opposition a formidable foe in Caldwell. The game is set for 2:30 p.m. Next Monday, the Bucs host Nutley at 4 p.m. and next Wednesday, Belleville goes back to Paterson, this time to face Kennedy, also at 4.

When the week had started, head coach Ralph La Conte called the five games "critical" toward the teams overall success. Based on the results, it's safe to say that Belleville passed with flying colors. The Buccaneers, now 12-5-2, defeated Kennedy, 2-1. Nutley, 11-1. Bloomfield, 5-4 and West Essex in round one of the GNT, 12-6. The only set back was an 8-6 loss to Clifton.

"Our defense and pitching came through again," La Conte said. "We have been receiving excellent pitching all season long and our defense has done the job. This was a big week for us. We're looking for conference and county honors and this week was crucial toward those goals."

The week started with the win over Kennedy. La Conte ex-

pected a tough go and the Buccaneers certainly received just that. Kennedy scored in the first inning and Belleville tallied twice in the fourth to win the game. Jim Caponi reached safely on an error and Dean Sternik tripled him in to tie the game at one. Joe Perna, just called up from the junior varsity, then singled in Sternik to give Belleville a 2-1 lead.

That was enough for pitcher Tom Reid as the senior scattered four hits in a complete game victory. He struck out eight and walked just two. For Reid, it was his third win of the year against one loss.

The next day, Belleville battled arch rival Nutley and came away with a big win. The Buccaneers came alive, scoring twice in the first, third and fifth innings, then putting the contest away with five runs in the seventh. Dave Long cracked a two run homer in the second and Joe Mullaney hit a bases loaded single in the seventh to drive home two more runs. Belleville tallied twelve hits on the afternoon and made life easy for pitcher Jim Dunphy. The sophomore was impressive once more, pitching a complete game, striking out seven and walking three. He held the Nutley bats to just three hits. John Aueremma had two hits for Belleville and Mullaney was two for five with two runs batted in.

With its record at 10-4-2, Belleville tallied Clifton and sub-

By Mike Lamberti

## Freshman baseball team own best mark

A great deal has been said of the success of the Belleville varsity baseball team and the tremendous season turned in by the softball team. What has been overlooked this year is the excellent play of the freshman baseball team, which held a 12-1 record entering this weeks action.

The team is coached by former BHS alumni Dan Borgo, Michael Nicosia and Joe Lipoma. The coaches are very happy with the teams excellent attitude and enthusiasm toward the '85 season.

The freshman pitching has also been tremendous, with a 1.67 team ERA entering the week. The staff is led by Eugene Dancheck. He boasts a 5-0 record, with an ERA of 0.67. Dancheck has allowed three earned runs in 33 innings and has struck out 32 batters. The Bucs will be competing in the Clifton tournament this Saturday and will need a good performance from their ace.

The pitching staff also features Ernie Brodie, a young man with back to back shutouts and 2-0 record. Jay Marchese is 2-1, his only setback a three 3-2 loss versus Teaneck. All three Teaneck runs were unearned, one of the few times the Belleville defense did not pull through. When Belleville needs relief, it looks to Jeff Spishbury. He has won one game in relief and saved two more.

On offense, Marchese has been outstanding. He leads the club in every category. The righty was hitting .545, with three homers and 20 runs batted in.

Dawson Bloom, a fine catcher, was hitting over .300 and has impressed the coaches with his handling of the

pitchers. He has an excellent arm and is trouble for the opposing base stealer. Jerry Iabelli also sees time behind the plate and has done a good job.

Sharing the duties at first base are Vin Orre and Anthony Lastella. Both men are hitting close to .300. At second base are Billy Sypher and Steve Guillian. The remainder of the infield is led by Marchese, Dancheck and Nicky Keykurun.

In the outfield, Paul Grande leads the way in right field. Grande was hitting .375 and had 12 RBI's. Brodie was hitting .333. Gary Villano, .333. Jerry Padula, .307, and Mike Di Biase, .333. Steve Amato and Donald Tuosto have also been effective in the outfield. The coaches have been using a lefty-righty platoon system and all 18 players have been seeing playing time.

Centerfielder George Speer overcame a mid season slump and has his average over .300. Speer is the teams defensive specialist and is vital to the teams success.

The Bucs have upcoming home games at Belleville High on May 17, 22 and 24th and the team would appreciate your support as the season winds down.

Back in 1981 and 1982, he was called the "Bear" by his teammates. A standout football and baseball player, the "Bear" set many school records on the diamond and football field. As a running back, this young man broke the 1,000 yard mark as a junior and led Belleville to the Group IV, Section II championship game. The following year, he rushed for over 900 yards and led the county in scoring.

On the diamond, he was even bet-

ter. As a junior, he hit over .500 and cracked ten homers, many of which were tape measure jobs. His play led the Buccaneers to the Greater Newark tournament championship. In 1982, as a senior, the "bear" was somewhat hampered by a pulled hamstring, but still batted over .400 and was named all state by the Star Ledger.

"I'm sure you all know that the 'bear' was Frank Fazzini, the Belleville High School Athlete of the Year for 1982. One of the most dedicated athletes to ever wear a Belleville uniform, Fazzini was a well respected competitor. He was an all state second baseman as a junior and when George Zanfini needed a catcher in Fazzini's senior year, the bear did not hesitate. He accepted the challenge of a new position and did an outstanding job.

Zanfini called Fazzini the best player he ever coached, no easy statement considering the excellent talent that Belleville has boasted over the last decade. Upon graduation, Frank had a number of schools interested in his services for the next four years. He chose Florida State University and it's been an excellent choice.

Fazzini earned a starting job in his freshman year and now, as a junior, he is lighting up the scoreboard, looking for a chance to be selected in the major league draft. In a Florida State victory over Memphis State, Fazzini blasted two homers to lead the way to a 7-2 win. His first homer broke a scoreless tie in the sixth inning and gave FSU a 2-0 lead. After Memphis State tied the game, Fazzini's second homer gave FSU the lead for good.

Fazzini's excellent play is just one of the reasons why Florida State boasts a winning percentage of well over .600. He has an excellent chance of being selected in the draft this June. Whether he chooses to play next season or try the draft, should he be selected, Fazzini will be a winner in what ever he does. Congratulations to this young man on a fine career in college.

The Belleville golf team battled for the championship of the NNJIL last Tuesday. The Bucs, 6-6 on the season, were 4-1 in the NNJIL and faced Nutley and Clifton in a tri match last Tuesday. Head coach Rocco Colucci figured that the winner of the match would take the NNJIL title. The Buccaneer linksters have been impressive over the last three weeks after a slow start. After the tri match, the Bucs will battle Caldwell this afternoon at Mountain Ridge Country Club in Caldwell. The team faces Kearny next Monday at Branch Brook Park, starting at 4 p.m. Next Tuesday, the Bucs are away at Paramus Catholic. On May 21, the linksters will compete in the NNJIL championships.

Good luck to the Belleville softball team in its championship game with Livingston this Saturday. The game will decide the champion of Essex County and Belleville is looking for its third title over the last four years. Carl Corino's team is 18-3 this year and are also vying for the conference crown.

Once again, a reminder that the Italian Fiorente of Belleville and Nutley will sponsor a roast for Al Lo Balbo, the standout basketball coach from Belleville. Currently an assis-

stant at St. John's, Lo Balbo is a defensive wizard and has worked with some of the best coaches in the country. The roast is scheduled for 7:30 p.m. on June 6 at the Italian Fiorente Club, 34 Carner Avenue in Belleville. Tickets are \$17.00 each and information about them can be obtained by calling 751-1534 (between 8 a.m. and 2 p.m.) and 933-1047 (between 4 p.m. and 8 p.m.).

The Belleville high school athlete of the week is Trish Tramulosa of the softball team. Trish drove home five runs in the wild 17-14 Belleville victory over Bloomfield in the county semi finals in Pulaski Park last Saturday. Tramulosa has done a good job for the girls this season and should be a big help in the county championships. The entire team has been marvelous this season.

Here is the answer to last weeks quiz. The question was, name the last time the Philadelphia Flyers won the Stanley Cup and whom they defeated. The answer: The Flyers last won in 1975, defeating Buffalo in six games. The last time the Flyers were in the Stanley Cup finals was 1980, when they lost to the Islanders in six games.

For this week, for all you Celtics and Sixers fans, since Dr. J. arrived on the scene for Philly in 1976-77, the Celtics and Sixers have played four times, not counting this year, for the eastern finals. Name the results of the previous encounters and the team that eventually won the NBA title those years.

# SPRING HOME IMPROVEMENT

## Manufactured housing can bridge affordability gap

Traditionally, the American family has expected to own a home of their own, and social observers say this expectation is as strong as ever. But many American families are finding their plans frustrated by rising mortgage and home costs.

The affordability gap created by the difference between the median affordable home price and the median actual home price has left some potential homebuyers thinking they can't buy a home of their own. But increasingly, families are finding they can bridge the affordability gap with a manufactured home.

These homes, available in a wide variety of sizes and styles, are typically substantially less expensive than conventional site homes, yet often are constructed with many of the same features and high quality building materials. Builders of manufactured homes are able to trim costs through high quantity, controlled production facilities located throughout the country.

And, as the number of families priced out of the conventionally built home market increases, so builders of manufactured homes say the market for higher quality and larger manufactured homes, particularly in the multi-section category, is growing. In 1982, multi-section homes accounted for 21 percent of mobile/manufactured home sales. It is estimated that approximately 300,000 of these larger homes will be produced in 1984.

Thus, manufacturers are able to offer consumers homes in virtually any size that are affordable, attractive and energy efficient.

One important message perceived by builders of manufactured homes is that consumers today, not only want

an attractive and affordable home, they demand energy efficiency and comfort as well. Manufacturers are able to build comfort and energy efficiency into their homes with a variety of products, including Manville Gold fiber glass insulation.

These Manville insulation products are the same high quality materials used in the home building and general construction industry for many years. They are provided to manufacturers in a variety of sizes, thicknesses and densities to suit different climates and building techniques.

By making manufactured homes thermally efficient, builders not only make the home more comfortable through temperature control and noise absorption, they also make them more economical to heat and cool, allowing for smaller mechanical systems and smaller utility bills.

An additional feature which makes any home more distinctive is a single roof, and more and more manufactured homes include shingles rather than a metal roof for noise control, aesthetics and fire resistance. Manville fiber glass shingles are offered in a variety of heights and textures to meet the needs of homebuyers, manufacturers and wind and fire resistance ratings of Underwriters Labs.

## Increase aesthetic value: new roof could sell home

The best time to re-roof isn't always when the old roof has worn out. If you're thinking of putting your home up for sale and the roof is middle-aged or older, a new roof might help it sell.

Another reason for re-roofing prior to the old roof's demise is aesthetics. Some people just want to change the look of the roof they have. Old-age, in roofing terms, may be as little as 15 years or less, depending on the existing roof covering.

Homeowners have learned that the color and style of a roof can change the image of a home in many ways. A dark color on a steeply roofed or tall home, says the Asphalt Roofing Manufacturers Association, makes such a house seem less towering. A light colored roof on a low, single-story home will give it stature.

Roof color can also be used to give a home color and prestige. Espe-

cially popular today is a new generation of asphalt shingles, including

fiber glass-based and organic-based, that offer homeowners good value, eye-appeal and fire safety.

They are available in a range of handsome colors including subdued earth-tone shades of browns and beiges that blend or contrast with the other exterior color elements of a home. Many of these asphalt shingles are designed to last up to 25 years or more, yet require minimal maintenance.

Manufactured to meet the fire resistance standard of Underwriters Laboratories, asphalt shingles bearing the U.L. Class C or the higher Class A label have been thoroughly tested against fire exposure.

They will not ignite easily, contribute to the spread of flame over the roof area or emit burning brands that might touch off new fires.

WHEN SELECTING CARPET always keep in mind the use and amount of traffic of the room in which it will be used. Children's rooms are generally heavy-traffic areas where level loop or dense pile carpet is best suited.

## Seven tips for intelligent and easy carpet buying

Once considered a luxury item, carpeting is now a basic necessity for many households. It is also one of the longest lasting items in a home. Research shows that carpeting is replaced on an average of once every nine years at a cost of approximately \$800.

The time and money that goes into this investment necessitates a wise carpet buying decision. Here are some tips to help you make the best choice:

• **Examine carpet color in the light in which it will be seen.** Showrooms often change the appearance of carpeting. Try to take a sample of the carpet home to get a better idea of how it will look in the room. If this is not possible, at least take the sample to a showroom window or door to examine its color in natural light. Also, always take color samples of your room furnishings with you when you shop to help you coordinate colors and picture how everything will look together.

• **Choose carpeting with the amount of room traffic in mind.** Show, dense piles and level loop carpets stand up well in heavy traffic areas like hallways and stairways, while plushes and velvets are better in low traffic areas like the master bedroom.

• **Check for fiber features that improve the performance of the carpet.** An example, carpets of Du Pont Antron® nylon are stain and soil-resistant and feature a lifetime anti-static guarantee.

• **Research before you buy.** Collect and study as much information as you can before you make your decision. Some carpet manufacturers and fiber producers offer free booklets that will help you make a knowledgeable choice. One example is Du Pont's "The Complete Book of Carpeting," which can be

obtained by writing to:

Du Pont Company  
Room G-41024  
Wilmington, DE 19880

Also, always read the label on the back of the carpet sample. It gives important information on fiber content and carpet price. After you purchase your carpet, save the label for future reference when you are having it cleaned or replaced.

• **Consider the total value of the carpeting and not just its initial purchase price.** Comparison shop the different brands carried by a carpet retailer and look for good construction at a reasonable price per yard. Remember, less expensive carpet is no bargain if it doesn't meet your family's needs.

• **Choose carpet fiber that suits your lifestyle.** Nylon is the largest-selling carpet fiber, on the market today, and is responsible for about 55 percent of all carpet sales. It is made into carpets that are tough and long-wearing, as well as luxurious and attractive. Natural carpet fibers like wool, which have been in the market longer and are highly respected, are not as durable as nylon.

• **Buy from a reputable carpet dealer.** Make sure your dealer has a trained sales staff that can answer your questions knowledgeably. Also be sure to clarify exactly what you will receive for the carpeting's total price so you won't be disappointed with your purchase later. Total price should include carpeting, padding and installation. Be sure to ask if there are any extra charges and what they are for.

Take the time to research, study and sample what you've learned before you make your carpet purchase. It's time well spent to ensure that you get the best value on a household investment you will be pleased with for years to come.

## SUGGESTIONS FOR FALL FIRE SAFETY ROUTINES

As the heating season gets under way, this is a good time for all of us to remind ourselves of special fire safety habits we should practice throughout the year.

- **Keep trash in covered containers and dispose of it regularly.**
- **Store paints, paint thinners and other flammable materials in their original containers away from fire sources.**
- **Have a clean-up session following each do-it-yourself project.**
- **Have wiring checked by an electrician—this should be done periodically—to make sure it isn't faulty. Don't overload circuits or use frayed electrical extension cords.**
- **Use only fuses and circuit breakers bearing the Underwriters Laboratories (UL) label or that of another recognized testing laboratory.**
- **Clean attics, basements, closets and garages often.**
- **Check batteries in smoke detectors to make sure each unit is working properly. Every home should have at least one smoke detector in the hallway leading to the bedroom. Consider adding smoke detectors, especially if your home has more than one level.**
- **Sketch the layout of each floor, including windows, doors and stairs. Every family member should be familiar with the layout. Decide on two escape routes from each room and mark them clearly on the sketch.**
- **Have family fire drills frequently, including some at night, so that everyone will know what to do and be able to react quickly in an emergency.**

# Lawn Gone?

## Time to call Lawn King

All lawns need an annual program of lawn care and every program must contain both granular and spray. Some chemicals work better when applied in a granular form, and others, like weed control and post emergent crab grass controls, work better in a liquid form. All lawns also require periodic aeration and seed, but only Lawn King gives all these via **LAWN COMBINE & SPRAY**—THE BETTER WAY! WE KNOW IT'S THE ONLY WAY!!

**LAWN KING ANNUAL PROGRAM**

1. Balanced Fertilization Broadleaf Weed Control Pre-emergent Crab Grass Control Control	2. Balanced Fertilization Broadleaf Weed Control Chinch Bug Control Nutsedge Control Sod Webworm Control Crab Control	3. Balanced Fertilization Broadleaf Weed Control Mites Chinch Bug Control Sod Webworm Control Seed In (lb. 1000) Lime	4. Power Aeration Power Rolling Broadleaf Fertilization Broadleaf Weed Control Post Emergent Crab Grass Control Seed In (lb. 1000) Lime	5. Fertilization Weed Control Lime
--	---	--	--	--

We are chemical applicators, not miracle workers. We know what your lawn needs and when it needs it. What you see in the program, is what you get. Top quality chemicals used—only the best that all we use. There's no such thing as specially formulated for drought.

Aeration, seed and lime are part of our program. Pumps control and grub control have always been part of our program, not optional extra cost when you need them. By the time you know you need them it's too late anyway.

## Baseball team looks for title

(Continued from page 13)  
fired a tough conference defeat. The Mustangs proved to be a tough foe, taking advantage of some key hits and using good pitching to hold on. Clifton led, 4-0 in the bottom of the fifth when Belleville tallied three runs to get back in the game. Mullaney doubled and scored on a single by Auriemma. Steve Mulhearn then cracked his second homer of the season to cut the deficit to 4-3.

Lou Lu Cante started for Belleville and the sophomore exited in the sixth inning in favor of Mulhearn. The Mustangs came back in the sixth, tallying four more runs to take a seemingly comfortable lead, 8-3. "These kids never quit," La Conte praised. "We were down by five runs in the seventh inning and made a nice comeback."

In the last inning, the Bucs loaded the bases on a single by Mullaney, a walk to Al Best and an infield hit by Long. Mulhearn then doubled in two runs and Caponi hit a sacrifice fly that almost cleared the centerfield fence. "Their outfielder made a game saving catch," La Conte said. Clifton then got the final out and held on.

The Bucs had to forget about the Clifton game quickly because powerful Bloomfield was awaiting. Earlier in the season the Bengals had won, 5-4 in a thriller at Bloomfield. This game had all the earmarks of another exciting contest.

It didn't start that way, however. Bloomfield benefited from a grand slam homer in the first inning off of Allan Ruopp

and before the first hot dog was served, the Bengals led, 4-0. To make matters worse, the Bengal hurler had a no hitter for 5-2-3-innings. "We were in trouble," La Conte remembered. "We're down four runs and we can't get a hit."

With time running out, the Buccaneers came through with a big sixth inning. Mullaney and Lu Cante walked and Auriemma socked a three run homer to cut the gap to one run, 4-3. Auriemma's shot brought back memories of the Buccaneers' thrilling 7-6 victory over Ridgewood last year when Belleville trailed, 6-1 in the last inning.

In the seventh inning, the Bucs took advantage of an infield single by Ruopp and a bunt from Caponi. "We didn't get the ball out of the infield," said La Conte of the seventh inning, "but we had the winning runs on base."

Sternik was then hit by the pitch, loading the bases for Joe Feith. The senior did not disappoint, drilling a single that brought home Ruopp and Caponi and sent the Buccaneers into a frenzy. Belleville had won, 5-4, reversing an earlier loss to the Bengals and cutting Bloomfield's lead in the NNJIL to one game.

Finally, Belleville used a good offense to stop West Essex, 12-6, in round one of the Greater Newark Tourney. The Buccaneers collected 16 hits on the day and used a big seven run seventh inning to put away the stubborn West Essex team. "It was much closer than the final

score would indicate," La Conte said.

Tom Reid started for Belleville and he lasted until the sixth inning when a bases loaded, no out jam brought in Mr. Dunphy. Once again, the sophomore pulled through, getting out of the jam without allowing a runner to cross home. At the time, the game was tied at five and the fine relief work by Dunphy set the stage for the big seventh inning. "That pretty much turned it around," La Conte said. "When we held them without a run in the sixth, it gave us momentum."

In the seventh, the Bucs collected six hits and a walk to pull away. Dunphy had two ribbies in the inning and Feith and Caponi helped out with one each.

The victory sends Belleville into the quarter final round of the GNT on Saturday at Belleville. The Bucs will face Caldwell, a team that defeated them, 5-2 two weeks ago. It should be a big test for the team, which appears to be making good progress with the big games coming up.

## Boys track lose to Clifton

The Belleville boys track team was defeated by Clifton, 82-49 and took part in the NNJIL championships last weekend.

The Bucs will host Livingston in a co-ed match, starting at 4 p.m. This weekend, the Bucs will travel to South Orange for the Essex County championships, starting at 10 a.m. Next Tuesday, a tentative co-ed match with Kennedy is set at Hingcliff Stadium, starting at 4.

In the Clifton match, Belleville received some good performances from its runners. Junior Willie Chandler took first in the 100 meters (11.2) and 200 (23.5). Chandler was second in the long jump with a leap of 18'6".

Senior Mike Silletti broke the 100 point mark for the season with a first place in the 400 meter hurdles (60.0).

Nick Compitiano, a junior, won the 100 meter high hurdles with a personal best of 15.7. He was second in the 400 meter intermediate hurdles with a time of 1:05.0.

(Continued on page 16)

# Lady Bucs lead league despite loss to Bloomfield, but get revenge

(Continued from page 13) with two hits.

In the Clifton game, Paterno was the losing pitcher, dropping her first contest of the season. The junior had a 1-0 lead entering the fourth inning when Clifton tallied four runs to take the lead for good. Belleville came as close as 4-3, but the Lady Mustangs scored once

more in the sixth to seal the win. Donna Brooks and Laura Caruso each had, two hits to lead the Bucs.

The Bloomfield game, Part One, featured a fine pitching performance from freshman Michelle Calderone for Belleville. "She did a great job for us," praised Corino. "That was a great game. It's too bad

someone had to lose."

In this case, the "someone" was Belleville, but it only served to fuel a wild game the following night.

Last Saturday, the clubs met again and this time the final score was far from a pitchers duel. Paterno started for Belleville, but she was wild and Calderone came in after just 2-3 of the first inning. The freshman kept Bloomfield somewhat at bay, but this was a game that would come down to the final out.

Bloomfield led, 5-1 after two innings but Belleville erupted for 11 runs in the top of the third to assume a 12-5 lead. Bloomfield answered right away, scoring five times in their half of the third to cut the lead to 12-10.

Belleville increased the lead to 13-10 in the fourth, but Bloomfield scored once in the fourth, fifth and sixth innings to tie the game at 13 and forge extra innings since neither team scored in the seventh. In the eighth inning, Belleville tallied four big runs. Sue Schuster singled home Cheri Tillman and Cindy Ruggiero and later, Schuster and

Caruso would score on a key single by Trish Tramutola. On the night, Tramutola would drive home five runs. Calderone allowed just one run in the bottom of the eighth and the marathon was finally over with Belleville winning by a field goal.

Johansen was 4-6, with three ribbies. In the big third inning, she collected two hits, a triple and single, and had two ribbies. Tramutola had a walk and single in the third inning, driving home three runs.

Following the big victory, Belleville had an easier time with Eastside, winning by an 18-0 count. The girls scored seven times in the first, nine more in the second and added solo runs in the third and fourth to notch victory number 18.

Schuster had three runs batted in, Tramutola added three more ribbies and Johansen, Cheryll Marion and Caruso had two runs batted in to lead the charge.

Paterno got the victory, her tenth of the season versus just one loss.

NOTES: Livingston is

coached by Tony Hope and has been red hot of late. The Lady Lancers started the season 0-5, but have won 13 of the last 16 games to advance to the county finals. The Lancers defeated Union, Caldwell in the county semis. Morris Knolls and maybe Roxbury could be seeded ahead of Belleville. Union was one of just three teams to defeat the Lady Bucs this year.

the Group IV, Section II state tournament. "There are a lot of good teams in the section," he said. "We will probably be ranked fourth or fifth in the seedings." Westfield, Union, Morris Knolls and maybe Roxbury could be seeded ahead of Belleville. Union was one of just three teams to defeat the Lady Bucs this year.

College weekend - Three members of American Legion Post 105 attended Legion College Weekend April 26 at Fort Dix. From left, Ray Brown, bass; Ray Weller, advance and Tony Cerniglia, service officer school.

**DENTALLY SPEAKING**  
By Drs. James D. Muglia and Paul N. De Maio

Mrs. R. of Nutley writes: "I'm concerned about oral cancer. Is there any self-examination I can do?"

Excellent question Mrs. R. The self-examination you can and everyone should do is as follows. Tilt your head and feel around your neck area for any unusual lumps. Grasp your upper lip between your thumb and index finger and moving along your lips feel for any type of mass. Then do the same on the lower lip. Using the same technique grasp your right cheeks between the two fingers and again feel for any lumps. Do the same on your left cheek. Finally grasp your tongue against feel for any lumps. This technique requires some supervision initially so have your dentist go over this self-examination technique with you.

**CHIRO NEWS**  
HOW TO TREAT SPORTS INJURIES

One of the most popular ways to spend leisure time is participating in sports. The U.S. Bureau of Outdoor Recreation reports over 18 million persons participate in some form of outdoor sport. Over 22 million hunt, 16 million ride bicycles, 4 million play tennis, and 35 million play other outdoor games.

Such activities are necessary to stay physically fit, however many times jars and jolts can result in spinal misalignments called "Subluxation." A whiplash injury can produce a force of several thousand pounds to be dissipated and absorbed through the neck. Accidents and trauma can cause lameness, disc trouble, lacerations and neuritis. These injuries may occur without notice or severe pain.

In baseball, outfielders are likely to suffer from headaches and pitchers from sciatica. In the out-fitter's case, it is because the neck is often twisted and cranked to locate a ball. In the pitcher's case, it is because the wind-up is completed and the ball is delivered with great force, which often causes a low back problem or a shoulder or arm injury. In golfers, subluxations are most common in the mid back region or low back.

As a result, most athletes are among the most regular patients of chiropractic. There's a fundamental law. If you don't use it, you lose it, but don't abuse it. Always do preliminary warm-up exercises BEFORE engaging in sports. Should you suffer a sports injury, you'll be back in action fast with expert chiropractic care. Manipulation of the spine for displaced joints may also be a major factor in preventing post-traumatic arthritis, a common source of many injuries.

### Boys track lose to Clifton 82-49

(Continued from page 15)

J.R. Di Vincenzo, a junior, won the 400 meters with a time of 56.8. Senior Robert Hutchinson was second in the two mile with a time of 11:08. Joe Speer took a pair of third place finishes in the 100 meters and 200 meters. His times were

1:15.5 and 2:44 respectively. Vince Trupia paced third in the 400 meters, (60.9) and sophomore Loung La was third in the triple jump with 35' 4 1/2". The mile relay team of Chandler, Leon Puentes, Complitano and Di Vincenzo won in a time of 4:00.

## People-to-People Service

# This G stands for gas line, not graffiti!

Adario DiMatteo, Street Inspector

## "Call before you dig" prevents accidents

### Marking service lines beforehand

I'm out here marking the pavement because this area is going to be excavated shortly. These yellow marks are our way of letting contractors know there's a gas line below. Then it won't be disturbed or damaged and possibly cause an accident or interruption of service.

### Call 1-800-272-1000

By state law, excavators are required to call that special central toll-free number 72 hours in advance to notify utility companies and municipalities that digging will take place. Member companies with underground facilities in the area are alerted so they can mark their lines prior to start-up of digging in the area.

### You can call, too

If you see any excavating activity in your immediate area, you can call the number, too, to be sure that everyone

involved has been notified. In all likelihood, the companies already have done it. And if you are planning any digging on your property (other than routine gardening) such as a swimming pool installation or grading, play it safe and call the central number.

By checking you'll have the peace of mind that there is no danger of accident or interruption of your service. And the service is absolutely free of charge, of course.

### That's people-to-people service

Working to prevent accidents is just one way we try to help you use energy more wisely. Look for our "Seal-Up and Save" energy conservation messages with your bill or in your local newspapers.

## YOUR CHILDREN DESERVE THE BEST!

Dr. DeKenipp's  
Important Health Information

We all love our children. When they get hurt, we hurt. When they are sick, we feel just as sick. When they are in pain, we can feel the same pain. Dr. DeKenipp states, "Children are our future, they will be the you and me of tomorrow." Little slips and falls that hurt for a moment when they happen are often brushed off by the child and the parent. However, these falls may and often do cause spinal misalignments, subluxations which may interfere with the child's normal growth pattern, destroying their health potential. Sometimes the symptoms appear immediately, others go unnoticed for long periods of time, even years.

All children should have a spinal examination performed by a chiropractor. The earlier a problem is detected, the quicker it can be corrected. Have your child's spine examined today! Most insurances accepted. Call 661-1444.

## Joan Samsel exhibit open at library

The works of artist Joan Samsel are on exhibit this month at the Belleville Public Library, 221 Washington Ave.

Samsel is a figurative artist specializing in portraits and the study of the human body and natural form. She has done commissioned portraits, including the well-known Italian singer Claudio Baglioni.

She has been in group exhibits at the Banco di Roma, Milan, a student exhibition at the Fine Arts Academy, Rome, and has been a member of the jury panel for the National University Art Show in Newark. Samsel has also served as a judge at the library's indoor Art Show and is a member of the library's Cultural Arts Committee for the annual art show.

Samsel received her associate's degree from the Academy of Fine Arts, Rome, Italy, in 1976. She also attended the Brera Fine Arts Academy in Milan, Italy and received her bachelor of arts degree from Rutgers University.

She has recently opened an art studio in Belleville where she will be teaching private and group lessons.

## Religious Viewpoint

By The Rev. Robert Paul  
Grace Baptist Church

### "An Example To Follow"

One of the most unusual mothers in all history was Mrs. John Wesley. Her ideas of training children were so modern that we are just beginning to catch up with them, yet, they were old-fashioned enough to include well-controlled discipline and the teaching of Christianity as the Bible reveals it. As a result, her children never departed from the truth of the holy scriptures taught at their mother's knee.

Mrs. Wesley managed the entire training and education of her children. From the speaking of infant prayer to respectful and courteous manner of speaking to servants, nothing was neglected. She faithfully had family prayer three times every day — morning, noon and night. She took time each day to separate herself from her children and spent one hour behind a locked door in secret prayer and devotion.

Throughout her correspondence her emphasis seemed to be on the consecrated life as stated in Romans 12:1,2. She wrote her son John, "In good earnest resolve to religion, the business of your life; for, after all, that is the one thing that, strictly speaking, is necessary. I heartily wish you would now enter upon a strict examination of yourself, that you may know of salvation by Jesus Christ."

The Bible teaches, "For by grace are you saved through faith; and that not of yourselves, it is the gift of God: not of works, lest any man should boast" (See Ephesians 2:8,9.)

What our nation needs above everything else are mothers like Susanna Wesley who will devote time to bring up their children in the way of righteousness by teaching them the holy scriptures daily.

Will you be like Susanna Wesley who searched the scriptures daily? Remember, "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." (St. Matthew 4:4). Begin today by studying the 27 books of the New Testament. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (2nd Timothy 2:15.)

## Obituaries

### Mrs. Mary Sansone, 86, was dress seamstress

A Mass for Mrs. Maria Sansone, 86, was offered May 11 in Immaculate Conception Church, Newark, following the funeral from the Megaro (Belleville) Memorial Home.

Mrs. Sansone died May 6 in Clara Maass Medical Center. Born in Italy, she lived in New Jersey for many years before moving to Belleville several years ago.

Mrs. Sansone had been a seamstress for 25 years with the

Cee and Dee Dress Co., Newark, retiring 18 years ago. She was a member of the International Ladies Garment Workers Union and the St. Anthony's Society, both of Newark.

Surviving are three sons, Jerry, Michael and Gene; three daughters, the Misses Florence and Adele and Mrs. Anna Galante; a sister, Mrs. Christina Rivelli and three grandchildren.

Interment was in Holy Cross Cemetery.

### Vincent M. Cardone, at 63; retired Bell Labs designer

Vincent M. Cardone of Pequannock died May 5 at home following a long illness. He was 63.

Born in Newark, he lived in Pequannock for 27 years. He retired this year as a designer at Bell Labs, Whippany, where he had been employed for 25 years. Mr. Cardone was a member of Knights of Columbus, Bishop Navagh Council, Lincoln Park.

Surviving are a daughter, Mrs. Judith Molinaro of West

Orange; a son, Robert of Pequannock; two brothers, Anthony of Livingston and Mathew of Belleville and two sisters, Emily Andreano of Belleville and Marie Pallitto of East Hanover.

Services were held May 8 in Holy Spirit Church, Pequannock, following the funeral from the Biondi Funeral Home, Nutley. Interment was in Holy Rood Cemetery.

### Burtis W. Appleton, at 69; retired Bloomfield detective

Burtis W. Appleton of Bloomfield, a retired Bloomfield detective and father of Belleville Board of Education business administrator Edward J. Appleton, died May 10 at home. He was 69.

A Mass was offered May 13 in St. Thomas the Apostle Church, Bloomfield, following the funeral from Frank Halpin's Brookdale Funeral Home, Bloomfield.

Mr. Appleton was a member

of the Bloomfield Police Department for 33 years, 21 as a detective. He retired five years ago. Born in Montclair, he moved to Bloomfield 53 years ago and served in the Marine Corps during World War II.

Other survivors include his wife, Helen; another son, Joseph; two sisters, Mrs. Caroline Venello and Mrs. Helen Pipitone and two grandchildren.

### Louise Durante succumbs; was with Criminal Justice

Miss Louise Durante, 71, of West Orange, died May 10 in St. Michael's Hospital, Newark.

A Mass was offered May 13 in Our Lady of Mount Carmel Church, Orange, following the funeral from the Paul Ippolito Memorial, Orange.

Miss Durante had been a secretary in the office of Criminal Justice Planning in Belleville for four years before retiring six years ago. She

formerly was executive secretary to Louis Tonti, executive director of the Garden State Parkway for 11 years.

Born in Orange, she moved to West Orange in 1964.

Surviving is a brother, Frank.

### Mrs. Mary Renna

Mrs. Mary Renna, wife of the late John (Bull) Renna, died May 6.

A high Mass of requiem was offered May 10 in St. Anthony's Church following the funeral from the Zarro Funeral Home, Bloomfield. Interment was in Glendale Cemetery.

Surviving are a son, John; a daughter, Marie Elena; a brother, Jake Catamia; five sisters, Jennie Bonanno, Rosie Pipitone, Vita Cerrato, Sadie Sadoti and Frances Roccosanto and three grandchildren.

### Mary Donnamaria

Mrs. Mary Donnamaria, 79, of Newark, died May 10 in Clara Maass Medical Center.

A Mass was offered May 14 following the funeral from the S.W. Brown & Son Funeral Home, Nutley.

Mrs. Donnamaria was born in Italy and settled in Newark 55 years ago.

Surviving are four sons, Louis, Anthony, Carmine and Ralph; 10 grandchildren and two great-grandchildren.

## Dental Society honors Dr. Ralph Attanasio

The Essex County Dental Society, component of the New Jersey Dental Association and of the American Dental Association, recently sponsored its Annual Dinner Dance to honor its outgoing president, Dr. Ralph Attanasio, a general practitioner with offices in Newark and Nutley.

In addition to members, friends and relatives who attended the affair, there were state and national leaders of the dental profession including First Vice-President American Dental Association and Vice President American College of Dentists Dr. H. Curtis Hester; New Jersey Dental Association President Dr. Harmon Katz; New Jersey Dental Association Past President and Trustee of New Jersey University of Medicine and Dentistry Dr. James Palmisano; Fairleigh Dickinson University Dental School Director of Development and Alumni Services Dr. Anthony Piccozzi; New Jersey University of Medicine and Dentistry Dental School Acting Dean Dr. Leroy Parker.

Dr. Ralph Attanasio

Fauchard Dental Society New Jersey Chapter President Dr. Joseph Di Stefano; and American College of Dentists New Jersey Section Secretary Dr. Anthony La Forgia.

With the completion of his term as the 105th president of one of the largest components of the New Jersey Dental Association, Dr. Attanasio has provided the society with a leadership that this past year has dealt with some of the most difficult internal state issues in the history of the organization and his words of praise for the membership's cooperation is without end. Dr. Attanasio identified the growth of Essex County Dental Society with its many public oriented interests. The group is involved in on-going efforts to provide oral cancer screening and the public education of dental disease prevention and access to quality dental care for every segment of the public.

During his 22 years of active membership he had given dedicated service as a member of several county and state committees, executive board, delegate body and rose through the ranks of all officer posts to the presidency. A graduate of Barringer High School, he received his B.S. degree from New York University Dental School after which he served for two years in the United States Air Force. Active for many years in the N.J. Fauchard Society, he is a past president and, presently, an executive board member.

Installed as new officers for the coming year are: Dr. Kenneth Blumberg of Nutley, president; Dr. Carmine LoMonaco of West Caldwell, president-elect; Dr. Joel Gelberman of West Orange, vice president; Dr. Richard Bloomstein of Livingston, treasurer; Dr. Jay Weiss of Caldwell, editor.

## Drug and Alcohol Committee is sponsoring poster contest

The Belleville Drug and Alcohol Abuse Committee is sponsoring a poster contest open to Belleville youngsters, grades 4 to 12, enrolled in township schools.

Children in grades 4 to 6 will make posters around the theme of the effects of drugs on the body. Middle and high school students will make posters on the general theme of preventing drug abuse.

A \$50 savings bond will be presented to the winner in each school. The bonds are gifts of the parent teacher associations in each school. Deadline is May 20.

All entries must be brought to the student's school.

Judges include Mayor Michael V. Marotti, Commissioner Ralph DiRuggiero, Chamber of Commerce President Howard Halpern, Superintendent of Schools Michael J. Nardiello, Rev. Al Stone of Fewsmit Memorial Presbyterian Church and David Bryant, director of the Belleville Public Library. Posters will be judged at the library. Winners will be announced and prized awarded during Belleville's Drug Awareness Week, May 26 to June 1.

**PUBLIC NOTICE**  
The following Ordinance was passed on second and final reading at a meeting of the Board of Commissioners of the Township of Belleville, held on Tuesday evening, May 14, 1985 having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law.  
Comm. Ralph J. DiGiuggero Yes  
Comm. Joseph A. Grande Yes  
Comm. Michael P. Pizzi Yes  
Mayor Michael V. Marotti Yes  
Passed First Reading, April 23, 1985  
Passed Second Reading, May 14, 1985  
Adopted: May 14, 1985  
Attest: Mary Lou Hood, Township Clerk  
**BOND ORDINANCE PROVIDING FOR THE ACQUISITION AND INSTALLATION OF A NEW SEWER PUMP IN FAIRWAY AVENUE AND BY THE TOWNSHIP OF BELLEVILLE, IN THE COUNTY OF ESSEX, NEW JERSEY, APPROPRIATING \$95,000.00 THEREFORE AND AUTHORIZING THE ISSUANCE OF \$90,000.00 BONDS OR NOTES OF THE TOWNSHIP FOR FINANCING PART OF THE COST THEREOF AND AMENDING ORDINANCE ADOPTED AUGUST 14, 1984.**  
BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE TOWNSHIP OF BELLEVILLE, NEW JERSEY:  
Section 1. The improvement described in Section 3 of the Ordinance adopted as a general improvement to be made or acquired by the Township of Belleville in the County of Essex, New Jersey, Ordinance adopted April 14, 1984, for said improvement or purpose stated in said Section 3, there is hereby appropriated the additional sum of \$45,000.00 which sum amounts to the aforementioned Ordinance to an authorization of \$95,000.00.  
Section 2. For the financing of said improvement or purpose and to meet the costs and expense therefor, there is hereby appropriated the additional sum of \$45,000.00 as additional down payment for said improvement or purpose required by law and now available therefor by virtue of provisions in a previously adopted Budget or Budgets of the Township.  
Section 3. (a) The improvement hereby authorized and purpose for the financing of which the bonds are to be issued is the Acquisition and installation of a New Sewer Pump in Fairway Avenue, all as shown on and in accordance with specifications hereon on file in the office of the Township Clerk and hereby approved.  
(b) The estimated maximum amount of bonds or notes to be issued for said purpose is \$90,000.00.  
(c) The purpose of the bonded notes authorized is to finance commitments that may be incurred from time to time of adoption of this bond ordinance.  
Section 4. The following additional matters are hereby determined, declared, recited and stated:  
(a) The said purpose described in Section 3 of this bond ordinance is not a current expense; said is a property or improvement which the Township may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or will be specially assessed on property specially benefited thereby.  
(b) The period of usefulness of said purpose within the limitations of said local Bond Law, according to the responsible life thereof computed from the date of the said bonds authorized by this bond ordinance, is 3 years.  
(c) The supplemental debt statement required by said law has been duly made and filed in the office of the Township Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs, of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in said law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$42,500.00, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said law.  
(d) An aggregate amount not exceeding \$9,000.00 for interest on said obligations, costs of issuing said obligations and the items of expense listed in and permitted under Section 4.20 of said Law may be incurred as part of the cost of said improvement and is included in the foregoing estimate thereof.  
Section 5. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the Township for the payment of said obligations and interest thereon without limitation of rate or amount.  
Section 6. The capital budget of the Township is hereby amended to conform with the provisions of this ordinance to the extent of any discrepancies hereafter.  
Section 7. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by said local Bond Law.  
TOWNSHIP CLERK

**Cancer Update**

A major problem facing cancer patients and their families is: What happens after their recovery when there is job or health insurance discrimination? To better cope with this problem, the American Cancer Society, New Jersey Division, Inc., in cooperation with the New Jersey Public Advocate Office, has established a toll-free hotline. The number is 1-800-972-8600.

We hope that with your help by reporting these instances we will be able to identify or establish resources for the benefit of New Jerseyans affected by cancer. In addition to this number if you have any questions contact your local Unit of the American Cancer Society.

New developments in improving one's physical and psychological recovery from breast cancer surgery will be featured at the American Cancer Society's 16th Annual Reach to Recovery Workshop. The program, sponsored by the ACS New Jersey Division, will take place Wednesday, May 22, at the Town and Campus on Pleasant Valley Way in West Orange, from 9 a.m.-3 p.m.

The keynote address will be presented by Barbara L. Rabinowitz, R.N., M.S.W., administrator of the Rutgers Medical School's Comprehensive Breast Center.

Workshop sessions will deal with the roles of chemotherapy and radiation therapy, nutrition, breast reconstruction and sexuality. A registration fee of \$12.50 includes lunch.

For additional information, write the American Cancer Society, Essex County Unit, P.O. Box 610, East Orange, 07019, or call 678-1990.

## Is Your Child Really Safe?

Most children carry no form of identification. Without I.D.s, parents are difficult to locate, especially if children are unconscious or otherwise unable to communicate. To help in the event that tragedy strikes, ShopRite is working with the Crime Prevention Officers Association in N.J. to provide Emergency Alert Cards free to more than 2 million children in New Jersey. Emergency Alert Cards are available free at all of our stores. The plastic, non-tearable tags attach permanently to children's shoes and are virtually indestructible, even in the washing machine. Cards are also available by mail by writing "Emergency Alert Card" ShopRite Supermarkets, Department of Consumer Affairs, 600 York St., Elizabeth, New Jersey 07201.
