No adult sports at Clearman Field

The Belleville Board of Education approved a resolution Monday night prohibiting sports activity for adults, 18 years or over, at Clearman Field on Union Avenue.

The board's action is the result of a petition signed by citizens of the area who complained against sports activity by adults. The complaints stemmed from damage caused to neighboring homes by adults who used the field, particularly for baseball or softball, said Benjamin Dominguez of Union Avenue. He said damage to his home has totaled \$1,825.

Only officially sanctioned school or township recreation activities will be allowed.

Matters in Brief

Elementary dress code adopted

The Belleville Board of Education adopted a dress code for the elementary schools at its meeting Monday night.

A standardized dress code was recently established by a committee consisting of four principals and two parents from home and school associations. However, that policy, which allowed only kindergarteners to wear shorts, received opposition from parents.

Two board members, as well as two other parents, were added to the committee for changes and clarifications in the policy. The revised policy adopted by the school board allows all elementary school students to wear shorts provided they are mid-thigh length.

Clothing determined inappropriate include: pants or skirts shorter than mid-thigh; midriff shirts; studded accessories; footwear that does not grasp both the front and back of the foot (clogs, thongs and backless footwear are unsuitable); and garments with pornographic or suggested messages.

Fewsmith conducts Bible school

Fewsmith Memorial Presbyterian Church, 444 Union Ave., will conduct a Vacation Bible School from June 24-28, 9 a.m. to noon.

Cost is \$6 per child or \$8 per family. The school is available to Belleville residents in kindergarten through grade 6.

For information, call the church office at 759-6869 between 9 a.m. and noon daily.

Rent Leveling Board schedule

The Belleville Rent Leveling Board has adopted a schedule for board meetings to be conducted during the remainder of the year.

The meetings will be as follows: Thursday, June 6; Thursday, Sept. 5; Thursday, Oct. 3; Thursday, Nov. 7; and Thursday, Dec. 5. There will be no meetings in July and August.

All meetings begin at 7:30 p.m. in the meeting room, 383 Washington Ave.

Dinner honors baseball squad

The Belleville Baseball Parents and Friends Association will sponsor its first dinner in recognition of the Belleville High School Varsity Baseball Team, Thursday, June 13, 7 p.m. at the Branch Brook Manor, 13 Washington Ave.

The association is a newly-formed group which supports the varsity baseball team through fund-raising events.

Cost of the dinner is \$15 per person. Tickets are available by calling Joyce Mulhearn at 751-4334.

There will also be an installation of officers.

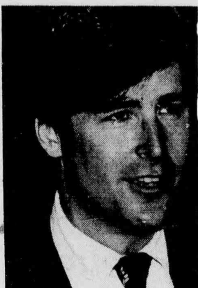

Job training program is offered

The Essex County Summer Youth Employment Training Program will be taking applications for out of school youth and college students, ages 16-21.

The program is available to Essex County residents only. Proof of residency, family income, social security card and birth certificate must be shown. Males born after Jan. 1, 1960 will need proof of Selective Service Registration.

Applications are available by calling 678-0111 for an appointment.

The service is provided by the Essex County Division of Employment Training Private Industry Council.

Peter Shapiro

3,318 voters turn out

Shapiro wins top race

Essex County Executive Peter Shapiro and incumbent Gov. Thomas Kean garnered the largest number of votes in Belleville's primary election Tuesday night to become the winners in the Democratic and Republican gubernatorial races, respectively.

Shapiro, who ran against five candidates, garnered 943 votes

as compared to Kean's 617 votes. Kean ran unopposed on the Republican Party line.

The breakdown of Democratic gubernatorial candidates is as follows: Shapiro, 943; Senate Majority Leader John F. Russo, 773; former U.S. State Attorney Robert J. DeLufo, 262; Newark Mayor Kenneth A. Gibson, 187; former

state Senator Stephen B. Wiley, 108; and Elliot Greenspan, 13.

In the general assembly race, Democratic candidates Buddy Fortunato and Stephen N. Aduvato garnered 1,462 and 1,619 votes, respectively. They defeated opponents Matthew Guice and Margaret Greenspan.

Room dedicated to Cozzarelli

By Michelle Jeannotte

The Belleville Public Library Board of Trustees dedicated the newly-renovated children's room to James R. Cozzarelli Jr. in a ribbon-cutting ceremony this past Sunday.

Township and county officials, as well as residents of

Belleville, turned out to honor Cozzarelli for his dedication and enthusiasm toward the project.

Cozzarelli, a board trustee since 1976, spent many long and hard working hours in the library's downstairs facility. He is responsible for the room's neoclassical design, including

columns and pediments, murals and marble-like walls.

"We (the library board of trustees) thought it was appropriate to dedicate the children's room to Jim," David Bryant, library director, said.

"We also wanted to dedicate it to him so that he and his family

can enjoy it. Too often a building is dedicated to someone after they have passed away. Why not be proud of it and enjoy it while they are alive."

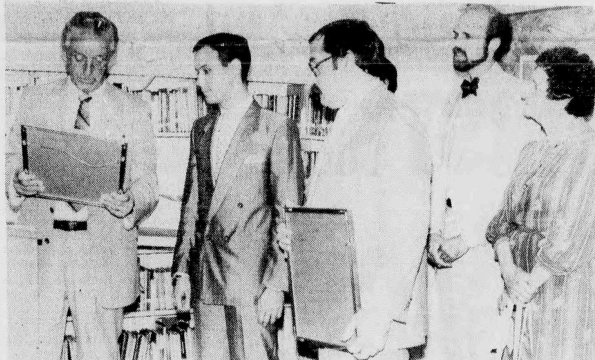

Work on the room began in January and was completed in mid-April, Bryant said. Attention was turned to the children's room after the new wing was added three years ago. Plans were then made under the direction of Gerald Hickey, then library director, and the board of trustees.

The plans, however, came to a standstill because of drainage problems affecting the room. Through the efforts of Mayor Michael Marotti, Bryant said, the water pipes were fixed and the problem was solved.

Bryant, who became library director in July of 1983, said that a bill passed by Gov. Thomas Kean provided \$8000 in state aid to the library. The monies were used as funding of the children's room project.

A major supporter of the project was the Junior Woman's Club of Belleville, which donated \$2,000 to the project. Bryant also said that monies were donated from the Friends of the Belleville Public Library and township businesses and organizations. The total cost of the project was

Township Proclamation - Mayor Michael Marotti (left) reads a proclamation signed by the Belleville Board of Commissioners honoring James Cozzarelli (center) for his efforts involving the newly-renovated children's room at the Belleville Public Library. Looking on are Commissioner Ralph DiRuggiero, David Bryant, library director, and Barry Shafter, library board trustee. Photo by Michelle Jeannotte.

Transportation policy is reviewed

A revised student transportation policy was presented to the Belleville Board of Education at its meeting Monday night.

A committee was formed a few months ago to review the present transportation policies and problems which the school district has had with enforcing them. The overall transportation policy being used by the school board involved more than one criteria. Because of this, the school board was faced with

problems concerning enforcement and financial feasibility.

"Pupil transportation on the elementary school level has been increasing at an alarming rate," John DiStasi, school board trustee, said. "Present pupil transportation policies are varied, inconsistent, inequitable and extremely difficult to administer."

"The primary objective of the committee was to establish a policy which fairly determines

student eligibility as well as one that is consistent with policies already established," DiStasi said. "We are not looking to cut costs."

DiStasi also said that a neighborhood school concept was used as a guideline for the committee's revision of the policy.

According to Edward Appleton, school board business administrator, the school board's current transportation policy in-

volves a hazard formula by which a student's eligibility is determined by mileage, the number of intersections crossed and the amount of traffic volume in the area.

Eligibility for busing is also determined by whether or not a child attends a magnet school (schools 3, 7 or 10). At this time, 61 students are bused to the academically talented program

Fun Run supports church program

The first Belleville Summer Fun Run sponsored by Bethany Lutheran Church, will take place Sunday, June 9, at Branch Brook Park. There will be two races, a 1-kilometer run at 8:30 a.m. and an 8-kilometer run at 9 a.m.

More than 100 prizes and awards will be presented in various categories. Awards will be presented to top finishers in all five-year age groups, including 5-9, 10-14, 15-19, etc. Trophies will be awarded to

top male and female finishers in the Fun Run. Winners will be categorized by age group.

A registration fee of \$10 will be accepted the day of the race. Registration fees are tax deductible. Proceeds will help to support the church's summer program which will be conducted from July 1-Aug. 9, 9:30 a.m.-3:30 p.m. for children ages 3-14.

Local merchants who have donated to the program include: Bella Casa Caterers, Belle Maid

Caterers; Belleville Hair Cutters; Bethany Lutheran Church; Bradley Tire Service; Frade's Deli & Caterers; Happy Apple School; Mickey Music; Nutley Savings and Loan Association; Plaza Chemists; Radio Shack; Scotty-Ann Liquors; The Eight Creolins Brothers; Total Image Hair Designs; and Weidman & Beisler Paper Company, Inc.

Contributions can be mailed to Bethany Lutheran Church, 188 New St., Belleville. For more information, call the church at 759-1555 or 361-7362.

Student ads published

The Belleville Times will publish free work wanted ads for high school and college students in special columns to run in the edition of Thursday, June 20.

Ads must be 15 words or less.

Copy must be delivered or mailed to The Times' office at 155A Washington Ave., Belleville, no later than Friday, June 14.

Phone calls will not be accepted.

Task force formed to stop reregulation of savings industry

Formation of a blue ribbon task force to develop pro-competitive, deregulation-oriented solutions to the savings industry's current problems was announced today by the new chairman of the National Council of Savings Institutions.

Kenneth F.X. Albers told

more than 1,000 delegates to the Council's Annual Conference here that he has asked the task force to "develop a comprehensive, integrated approach to current history problems that avoids the reregulation of the savings industry."

Said Albers, who is also

chairman of Provident Savings Bank, Jersey City, "There are solutions to the thrift industry's problems that are innovative and realistic, and that are consistent with deregulation and with the Council's pro-competitive principles. We intend to find those solutions for the good of the industry and the customers we serve."

The new Task Force on Alternatives to Reregulation will be chaired by George P. Rutland, vice chairman, California Federal Savings and Loan Association, Los Angeles. The task force will consist of highly-regarded savings executives chosen to represent all parts of the country and a broad spectrum of views, said Albers. Albers said the improved financial health of the vast majority of savings institutions presents a "window of opportunity to resolve the industry's lingering problems."

However, he said there is a "clear danger that the remaining problems facing the savings industry will lead to a vicious cycle of reregulation with ultimately self-defeating effects."

Albers said the federal financial regulatory agencies have already imposed broad restric-

tions on savings institutions in the name of protecting the integrity of the deposit insurance funds.

"In the Council's view, such actions will result not in a stronger savings industry and stronger deposit insurance funds, but the opposite: a weak industry and weak insurance funds," he said.

"This retrogressive and counterproductive approach to the industry's remaining problems, unfortunately, appears to have gained support from many in government as well as within the savings industry itself."

Albers said he has asked the task force for its final report by next February. As its first order of business, Albers said he asked the task force to develop recommendations to strengthen the deposit insurance funds, especially the Federal Savings and Loan Insurance Corporation. He said its agenda should also include the following:

— Specific methods for implementing risk-based deposit insurance premiums.

— Alternative means of strengthening the supervision and examination of institutions to permit improved oversight on an individual institution basis.

— Policies for dealing with

troubled institutions, including assistance programs, regulatory accounting procedures and mergers and acquisitions.

— Ways to encourage the infusion of new capital into the savings industry.

— The impact of deregulation on the ability of institutions to raise capital and on the ability of

regulators to deal with failures. Albers said the Council will continue to make the case for further deregulation and will use every means possible to protect against reregulation.

The National Council is a Washington, D.C.-based trade group representing the nation's progressive savings institutions.

James Devine returns from CPA conference

James P. Devine, certified public accountant in Belleville, recently returned from the spring Tax Division Meeting of the American Institute of Certified Public Accountants (AICPA). The meeting, in Washington, D.C., is one of two held annually by the 14,000-member division.

This year's spring meeting

focused on the Treasury Department's tax proposals and possible legislation stemming from them. The Tax Division has offered comments on the proposals which were also discussed at the meeting. Featured speakers included IRS Commissioner Roscoe Egger, Assistant Treasury Secretary Ronald Pearlman and Congressmen J. J. Duncan (R-Tenn.) and Sam Gibbons (D-Fla.), both members of the House Ways and Means Committee.

The AICPA is the national professional organization serving a membership of 235,000 CPAs in private practice, industry, government and education. AICPA sets auditing standards, provides continuing professional education, enforces the code of professional ethics and prepares and grades the Uniform CPA Examination.

Devine, in addition to being a member of the tax division of the AICPA, is also a member of the legislation committee of the New Jersey Society of Certified Public Accountants, a member of the board of directors of the Essex County Chapter of the National Association of Accountants, a member of the Rotary Club of Belleville and the Belleville Chamber of Commerce.

A WEALTH OF KNOWLEDGE

A pharmacist has great knowledge about the drug that has been prescribed for you. Pharmacists are specifically trained in pharmacology. They are the health people who best understand the use, composition and effect of drugs. They also know how they are tested for strength and purity. Most pharmacists maintain patient medication profiles which list the drugs you are taking. They can alert you and your doctor to any possible dangerous interactions. Pharmacists can explain how a drug is to be taken and what side effects can be expected. They will make you aware of the possible toxicities and when the drug is contraindicated. They also will advise you of the precautions to take while on the medication. Take the pharmacist's advice with your medication.

Remember your pharmacist is also your physician's consultant and source of information concerning many of the newest drug products. If you have a question about a drug call 759-1968, 759-1956, ROSSMORE PHARMACY, 338 Washington Ave. Look over our fine selection of gift items for Father's Day and graduation including toiletries, cameras, time watches and transistor radios. Hours: 9am-10pm daily, 9am-9pm Sundays.

HANDY HINT:
A pharmacist never discuss or dispute a doctor's diagnosis.

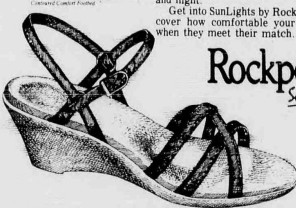

For unmatched comfort,

Making Plans - The Belleville Italian-American Association and the Belleville Public Library will co-sponsor an Italian Heritage Biography Contest. Making plans earlier this year were: Andrea Cohen, assistant library director; Vincent Carlo; David Bryant, library director; Sal Calabro; Chris Albanese; Valentino Frattaroli; and Lee Carlo. - Photo by Michelle Jeannotte.

Dr. Kenneth Blumberg elected 106th president of dental society

Dr. Kenneth Mark Blumberg, an endodontist with offices in Nutley and Rutherford, was recently installed as the 106th president of Essex County Dental Society at its annual dinner

dance.

Dr. Ralph Attanasio, outgoing president, was also honored at the event, which was attended by state and national dental leaders and representatives of New Jersey dental schools.

One of the largest components of New Jersey Dental Association, the county group has commitments to ongoing projects of public interest among which are oral cancer screening, disease prevention education, dental insurance plan review, investigation of various modes of dental services delivery, monitoring legislation and access to quality dental care for all segments of the public.

Italian-American Association co-sponsors biography contest

The Belleville Italian American Civic Association (BIACA) and the Belleville Public Library will sponsor an Italian Heritage Biography Contest for Belleville students enrolled in grades 7-12.

The purpose of the contest is to have young people with an interest in Italian achievements to research and write 500-750 word biographies of notable people of Italian descent. Entrants will be divided into two categories: grades 7-9 and grades 10-12.

Prizes in each category will include: first prize, \$200 savings bond; second prize, \$100 savings bond; third prize, \$50 savings bond and honorable mention, five winners, \$10 each.

Two meetings of a Joint Contest Committee, made up of BIACA President Chris Albanese and BIACA members Sal Calabro, Vincent and Lee Carlo, Lee Casale, Rose Simeone, Belleville Library Director David Bryant and Assistant Director Andrea Cohen and Valentino Frattaroli of the Belleville High School Italian Language Department, led to the idea of a contest for Belleville youngsters.

The Joint Committee wanted to encourage research using the collection of books donated by the BIACA to the Belleville Library in the fall of 1984.

Information about the contest, rules and judging will be distributed to all students, grades 7-12, in the Belleville Schools. Entries will be accepted at the library from September 16-24. Winners will be announced and prizes awarded by Chris Albanese at the annual Belleville/Nutley Columbus Day

Parade in October. For more information, call Chris Albanese at 759-3314 or David Bryant or Andrea Cohen at 759-9200.

Peoples Bank members appointed to state group

S. Thomas Aitken and Susan C. Dennin of Peoples Bank in Belleville were among 19 bankers from Essex County recently appointed to 1985-86 committees of the New Jersey Bankers Association.

Aitken, chairman of Peoples Bank, was appointed to the Federal Reserve Relations Committee, District 2, New York. Dennin, director of personnel

at Peoples Bank, was appointed to the Human Resources Committee.

Robert R. Ferguson Jr., chairman of First Fidelity Bank, and Richard P. Garber, president, Broad National Bank, were appointed members of the 1985-86 executive committee of the New Jersey Bankers Association.

Two Belleville residents are honored by hospital

Maria Roy and Angelina Valmores of Belleville were among the longtime employees recently honored by Montclair Community Hospital at its annual service awards dinner, held at the Robin Hood Inn, Clifton.

Thirty-nine employees were acknowledged for their contributions to the hospital by administrator Emilie M. Murphy and medical staff president

Joseph Bellino, M.D.

Mrs. Roy and Mrs. Valmores, both of the nursing department, were each recognized for five years' service.

Montclair Community Hospital honors employees after five years' service and for each five-year increment. Hospital pins and U.S. Savings Bonds were presented.

Library is Dedicated to James Cozzarelli Jr.

Belleville and Essex County officials, as well as township citizens, turned out this past Sunday to dedicate the newly-renovated children's room of the Belleville Public Library to James R. Cozzarelli Jr.

It was a dedication well deserved.

Cozzarelli, a library board trustee since 1976, was instrumental in the room's renovation. With the help of local businesses, Cozzarelli turned a dreary little room into a bright and cheerful place for the children of Belleville.

Cozzarelli, with the approval of Library Director David Bryant and the Belleville Library Board of Trustees, began working on the children's room in January and completed it in April. Working long and hard hours, Cozzarelli devoted his time and effort into a project that benefits the entire community. It was truly an unselfish task.

Cozzarelli had a vision of something that only seemed like a dream. In his mind he had seen the changes of a room - a room that had not been touched in four decades. He made that dream a reality.

Because of his unselfish endeavor, the library board of trustees thought it appropriate to dedicate the children's room

Ronald Reagan's Agenda Deals With Four Topics

President Reagan's personal agenda seems to revolve around Nicaragua, the deficit, the budget for the 1986 year and tax reform.

Reagan insists that our country furnish aid to his Nicaraguan "Freedom Fighters." We agree. If we don't furnish aid now, we may be obliged to furnish manpower - a situation we do not want to see.

The Federal budget is out of control because the authors of the budgets start with a deficit. For once in our national life, should they not start with a balanced budget? Reagan doesn't plan to.

The new budget proposed by Reagan rips apart our social pattern. It literally destroys many programs designed to aid the elderly, the sick, the poor and the destitute. There is too much money for arms and not enough arms to stretch out to the poor.

Tax reform as envisioned by Reagan is a beautiful dream - but the distance between the Reagan fantasy and political fact is too wide to breach. We may see some form of tax revision given the name of tax reform - but reform we will

never see for as long as there are 435 members of Congress and 100 members of the U.S. Senate who respond to the special interests of their constituencies. Tax reform is a noble idea; but the time for that idea is not at hand - unfortunately. Another item - hidden somewhat - in the Reagan agenda is the morale of our people. Every Reagan speech is upbeat - in his artistic way, he constantly reminds us that there is much to feel good about America - that we're in good health financially and defensively. To remain so - Reagan says, we must continue to build our defensive strategy and reduce taxes. The Reagan mirrors seem to be working - for how long no one knows.

Meanwhile, we all should join in a prayer to keep the only President we have healthy of mind and body.

More low income housing

To the editor:

I will never understand all levels of government, local, county, state and federal. What are the poor, the poor elderly and those on Social Security to do as rents are being raised every year and no other income to balance the budget?

No one will listen to the plight of the helpless. We need more and more low income housing. More homes built in this area. The fat cats are living in comfortable homes with pools and patios. They could never understand our poverty. All we keep getting is large office buildings and condos. What are we supposed to do, pitch tents on town hall lawns on White House grounds to get attention?

Every year now we hear of freezing the cost of living for Social Security recipients. My father (bless him) once said to us "These words full bellies cannot understand the feeling of an empty belly." Man, was he right!

For those in rent control apartments, every year without fail, the landlords raise the rents 6 percent whether they really need it or not. They don't believe in giving breaks to those who are struggling to stay alive. As the rent increases, the 6 percent increases sharply each year. I would like to see all tenants flood the commission meetings and the rent control board and really yell about this. The rent should be frozen for two years for those on low Social Security and other income and no savings in the bank. This way, the low income tenants get a break. The 6 percent has reached the point of being ridiculous. It should be dropped to 3 percent. If we had enough affordable housing, rent control could be dropped. Right now we do have some landlords who haven't raised rents for two or three years.

Lenny Vespucci Sr.
59 King St.

What about street paving?

To the editor:

To Mayor and Commissioners of Belleville, I would like to know when money is going to be put into paving our streets.

I have lived on Branch Brook Drive for several years and have been in contact with the engineering department regularly. Each time I have been told it is on the list. Four years later, and a petition containing 400 and some names still no street paving.

It seems funny that there is enough money to build a new town hall, but not enough to pave our streets. The commissioner in charge of Public Works told me two years ago that the street wasn't that bad, but somehow

being a one-way street and the only way out of the complex. I feel he should wake up. It has cost me \$600 in front end work on my auto due to pot holes.

All the money the tenants of Branch Brook Gardens pay in parking tickets should be more than enough to pave our street. So put off building our town hall for the time being and put our money to better use in street paving. There is nothing wrong with our present town hall, perhaps expand on to that. Get our streets paved before it's too late.

Don Phillips
Branch Brook Drive

Alternate parking law unfair

(Open letter to Commissioner Joseph Grande.)

As a resident of Belleville, I believe that the alternate side of the street parking hours should be changed.

The average person goes to work between 7:30 and 9 a.m. I live in an area where you have to be on the other side of the street by 7:30 a.m.

However, in 14 years that I have lived here, the street sweeper never came before 10 a.m.

I am sure the Belleville Police Department has more important things to do than ride around giving tickets to Belleville taxpayers.

Give us a break!

Name withheld by request

Golden Comments

by James R. Golden

Much fuss and confusion about Social Security Cost-of-Living Adjustments (COLAs) on the federal budget has been "cleared up" in a letter prepared by the American Association of Retired Persons (AARP). It explains the impact of the Social Security program on the budget.

COLAs have an effect on the budget because they increase Social Security expenditures, which have been included in the unified budget since 1968. It was decided then that the budget would be more complete in its presentation of federal taxing and spending if it included Social Security.

The association explained that since Social Security now is included in the budget, reducing Social Security expenditures has the effect of reducing federal outlays while an increase in payroll taxes actually increases total federal revenues. However, federal law prevents Social Security taxes from being used for other programs in the federal budget.

Mr. Cyril F. Brickfield, the association's executive director, forcefully stresses the point that no proposal to reduce national deficit can possibly be effective if it doesn't deal with the primary causes of the deficit.

In a bold no punches pulled statement, he said, "It's no secret that the two primary causes of the deficit are the huge drop in tax revenues caused by the 1981 tax cut and sharp increase in defense spending."

He attacks many in Congress who seem content to concentrate on freezing Social Security and cutting Medicare, Medicaid, student loans and other domestic programs, while doing little about the defense budget and nothing about the erosion of the tax base.

He stresses the point that there are two problems with that approach to debt-reduction. First, it can't possibly work. No proposal to reduce the deficit can possibly be effective if it doesn't deal with the primary causes of the deficit.

Secondly, Brickfield declares, it

isn't fair...At the same time some members of Congress and the administration continue to advocate cuts in programs for older Americans, working families and the poor, the government is spending billions to subsidize major corporations and the nation's wealthiest individuals.

He stresses the point that while most Americans must pay higher interest rates and face reductions in necessary public benefits because of the budget deficit, major corporations with billions of dollars in profits are paying little or no taxes.

The executive director of AARP cites some specifics. During the past three years, five of the nation's largest corporations paid no corporate income taxes whatsoever on combined profits of \$13.1 billion. In fact, these same corporation received tax rebates totalling more than \$1 billion during the past three years.

In a concerned bid to prevent the proposed cuts in Medicaid benefits for the nation's poor, Brickfield suggests that even if we were to merely halt these rebates and bring the tax rates let alone making them pay some sort of minimum tax - we would off-set Medicaid costs of the poor.

He calls upon Congress to freeze these generous tax benefits to corporations before considering a freeze on Social Security (which isn't adding one dime to the current budget deficit). He adds, "If, as some people claim, a freeze in Social Security cost-of-living adjustments isn't really a benefit cut, then a freeze on tax subsidies to corporations shouldn't be considered a tax increase."

Brickfield indicates AARP surveys show that the administration considers reducing the deficit to be its primary economic concern for the country, but you expect - as well it should - that any solution to this problem be fair, and what we've seen from this administration and Congress isn't at least up to this point.

Clarification

In last week's issue of The Belleville Times, a letter to the editor was published erroneously.

The signature of the letter titled, "Taxpayer asks whether or not Kennedy works for township," was forged according to Jackie Rega, whose name and address appeared at the end.

Rega told The Times in a telephone interview that he did not sign the letter.

The Times' Letters to the Editor column is an open forum for issues, not a vehicle for vengeful letter writers and forgers.

All letters must be signed and include the address and telephone number of the writer in order to be considered for publication. Letters which deal with specific, topical issues of local interest receive priority on the editorial page.

The Times is sorry for any inconvenience the letter may have caused.

F. Kovats is first state resident named designated instructor

Frank W. Kovats, formerly of Belleville, is the first New Jersey resident and among the first individuals in the country to be named a Designated Real Estate Instructor (DREI) by the Real Estate Educators Association.

President and director of the real estate and insurance schools headquartered in Paramus which bear his name, Kovats has 23 years of experience in realty instruction.

The New Jersey real estate educator is one of 34 to achieve the distinction after demonstrating expertise in classroom instruction, passing a written real estate examination and meeting established criteria

covering educational and teaching experience and service to the industry. He is author of "Principles and Practices of New Jersey Real Estate" and the cassette series, "A Thesaurus of Real Estate Exam Terms."

Kovats is a past vice president of the Real Estate Educators Association, which is an international not-for-profit association founded in 1980 to increase the competence of real estate instructors and to improve communication and cooperation among members of the profession. The association now has more than 800 members in the United States, Canada and Australia.

Mary Boas earns distinguished certified health designation

Mary Boas of Belleville, senior manager of Group Relations for Blue Cross and Blue Shield of New Jersey, has earned the distinguished Certified Health Consultant (CHC) designation by successfully completing an intensive training program that certifies Blue Cross and Blue Shield Plan

marketing representatives as leaders in their field.

Boas has worked at Blue Cross and Blue Shield of New Jersey for seven-and-a-half years.

"Mary Boas has exhibited an extraordinary personal and professional commitment to excellence by achieving the CHC designation," said John Wider, vice president of marketing. "The 'CHC' represents the high standards and depth of knowledge in health care financing that is required of us by our

accounts."

The CHC program, sponsored by the Blue Cross and Blue Shield Association, stresses a practical and comprehensive approach to strengthen knowledge of health care financing and selling skills. The program consists of three parts: a self-paced instruction series; a two-session school of marketing; and two national examinations for the Certified Health Consultant designation. The certification is the first of its kind in the health insurance industry.

Volunteers lead drive

Volunteers from the Mutual Benefit Life Insurance Company have taken the lead in the Greater Newark Chamber of Commerce 1985 membership drive. M. Linda Sweeney, senior vice president of the Chamber, said the Mutual Benefit team is the first to achieve 50 percent of its team goal in attracting new members to the organization.

The Mutual Benefit team has produced 25 percent of the 91 new companies which have joined the Chamber to date during the drive, making it the leading sales team.

Stephen J. Mango of Belleville and Roy W. Tasney of Bloomfield, two members of the team also lead the list of top sales people in the drive. Mango is a staff associate in the company's Purchasing Department. He's also sold more members than any other volunteer in the membership drive. Tasney, a group sales associate, holds second place and was named "Salesperson of the Week" for the week ending May 10.

Gangrene and the Diabetic Foot

Gangrene is a bacteria which produces substances that kill cells. It can destroy blood cells, skin, muscle, etc. The germ is found in dead or extremely weak tissues.

Treatment involves exposing the foot to the air (oxygen) and it is protected by a foot cradle with careful cushioning of the heel. Remember, prolonged pressure on the skin of the heel results in a pressure ulcer leading to gangrene. Antibiotic therapy is required and is based on the exact bacteria causing the infection. Internists will sometimes use drugs that cause temporary increases in blood supply as well as pain medication.

Dry gangrene is painless and spreads quite slowly. Sometimes one can see amputation (falls off by itself) of the diseased part ending the disease. Therefore, we always try to keep gangrene dry in the course of treatment.

Moist gangrene is extremely painful and spreads like lightning. Diabetic ulcers tend to be moist and infected. It is this foot that requires fast skilled treatment.

Mr. and Mrs. William Dougherty - nee Andrea Paolino

Mr. and Mrs. Michael Complitano - nee Donna Vangieri

Mr. and Mrs. Keith Dixon - nee Maryjo DeSantis

Andrea Paolino bride of William Dougherty

Wedding vows were exchanged April 13 in Holy Family Church, Nutley, by Andrea Paolino, daughter of Mr. and Mrs. Michael Paolino of Nutley and William Dougherty, son of Mr. and Mrs. Herbert Dougherty of North Arlington.

The Rev. Gabriele Genovese performed the ceremony which was followed by a reception at The Palace Restaurant, Lyndhurst.

The bride was escorted by her father. Her gown featured a bodice of illusion and chantilly lace accented with beading, slightly puffed satin sleeves, satin skirt with lace hemline and cathedral train.

Her headpiece was a matching hat and she carried a cascade of white pom-poms, roses and babies breath.

Valerie Ann Zinni of Sayreville was her sister's matron of honor. Bridesmaids included Anna Mannaetta of Nutley and Lisa Hillmuth of Columbus, Ohio, cousin of the bride.

They were in raspberry taffeta gowns with matching hats. The honor attendant carried a cascade of lilies, pink roses and babies breath while the others had lilies, palm and babies breath.

Thomas T. Tuholski of Rutherford was his cousin's best man. Ushers included the bride's brother, George M.

Paolino of Nutley and Orlando Macchia of Nutley, cousin of the groom.

Mrs. Paolino chose a fuchsia chiffon tea length dress with satin sash while the groom's mother was in a plum chiffon tea length dress.

Mrs. Dougherty, a graduate of Nutley High School and the Berkeley School, is with King's Court, Lyndhurst.

Mr. Dougherty, an alumnus of Nutley High School, attended CPI, Paramus and is a computer operator-programmer with Medical Data Technology, Roseland.

The couple honeymooned in Bermuda and have made their home in North Arlington.

'Make Today Count' program offers assistance at Maass

"Make Today Count," the program designed to help patients and families with cancer and other life-threatening diseases cope with their lives, continues to give support at Clara Maass Medical Center. The sessions are held every Monday evening at 7 p.m. in the third floor dining room of the Continuing Care Center.

The program, which began at Clara Maass in 1981, is open to anyone in neighboring com-

munities who is afflicted with a life-threatening illness.

The self-help program is run by patients and friends themselves and focuses on two important aspects: dealing with treatment and dealing with life. The members of the group seek to discuss experiences and changes in their lives.

The Clara Maass "Make Today Count" group is one of many local chapters throughout the country. For more information, call 450-2230.

The Rev. Francis Blake performed the ceremony which was followed by a reception at the Chandelier Restaurant, Belleville. Vocalist at the ceremony was Monica Guarino, cousin of the bride.

Escorted by her father, the bride wore a chiffon gown fashioned with an illusion bodice accented in Venice lace and pearls. Camelot sleeves and a full skirt falling into a chapel train.

Donna Marie Vangieri, daughter of Mr. and Mrs. Salvatore Vangieri of Belleville and Michael N. Complitano, son of Mr. and Mrs. Nove Complitano, also of Belleville, exchanged wedding vows March 23 in Holy Family Church, Nutley.

The Rev. Francis Blake performed the ceremony which was followed by a reception at the Chandelier Restaurant, Belleville. Vocalist at the ceremony was Monica Guarino, cousin of the bride.

Escorted by her father, the bride wore a white illusion gown with applied illusion necklines and caplet sleeves. Bouquets were of peach cymbidium orchids, miniature white carnations, stephanotis and babies breath.

Frank Complitano of Belleville was his brother's best man. Ushering were Bobby Vangieri of Belleville, brother of the bride, Anthony Lombardo of Parlin and Angelo and Joseph Spinola of Bridgewater, all cousins of the groom.

Mrs. Vangieri chose a copper chiffon gown accented with sequins and had a cymbidium orchid corsage. The groom's mother, in a blue silesta gown trimmed with sequins, wore a corsage of white gardenias.

Mrs. Complitano is a graduate of Belleville High School. Mr. Complitano, an alumnus of Bloomfield High School, is with A. Veniero Trucking Co., Belleville.

The couple honeymooned in Florida and have made their home in Belleville.

Dixon-DeSantis rites held in St. Anthony's

St. Anthony's Church was the setting for the marriage of Miss Maryjo DeSantis, daughter of Mr. and Mrs. Anthony DeSantis of Belleville, to Keith William Dixon, son of Mr. and Mrs. William Dixon, also of Belleville.

Deacon Lou Accella performed the ceremony which was followed by a reception at Governor Morris Inn, Morristown.

Escorted by her father, the bride wore a white illusion gown with pearls and lace. She carried white roses, ivy and pink babies breath.

Margrace Valvano of Belleville and Maria LaBadia of Green Pond were honor attendants. Bridesmaids included Diane Lembo and Diane Dixon of Belleville and Lorraine Halpern of Clifton.

They wore pink taffeta gowns with matching jackets.

Ed Bowman of Cedarville was best man. Ushering were Dan DeSantis of Old Bridge, Anthony Broccoli of North Brunswick, Joseph Glociewicz of West Milford and Jeff Halpern of Clifton.

Mrs. DeSantis chose a gray satin gown with flounced hemline and sleeves while the groom's mother was in lavender georgette.

Mrs. Dixon, a graduate of Rutgers College of Pharmacy, is with Pathmark Pharmacy, Montclair.

Mr. Dixon earned his bachelor's and master's degrees at Rutgers University and is with Geophysical Fluid Dynamics Laboratory, Princeton.

The couple honeymooned in Hawaii following the Oct. 7 nuptials and have made their home in Edison.

Stork Club

Jennifer A. Salzano

A first child, a daughter, Jennifer Ann, was born to Mr. and Mrs. Alan Salzano of Belleville May 21 at Clara Maass Medical Center. Birth weight was 9 pounds, 1 ounce.

Mrs. Salzano is the former Lisa Marie Bocchino, daughter

of Mrs. Gloria Bocchino of Belleville and the late Mr. Anthony Bocchino. Mr. Salzano, son of Mrs. Patricia Ann Capanear of Belleville, is in furniture delivery with Cucuzza Decorators, Belleville. Great grandparents are Mr. and Mrs. Ralph A. Salzano.

High school students receive scholarships and awards

Photos by Michelle Jeannotte

Van Dyk & Company Scholarship - Jacqueline Mele, right, salutatorian of the Belleville High School Class of 1985, received the Van Dyk & Company scholarship. The scholarship was presented by Lorraine Bartholomew. Mele was also the recipient of the Belleville Crew Parents Association scholarship, a Challenge Team certificate, Lions Club scholarship, Sal LoCoco Memorial scholarship, Rocco H. Saletta scholarship and the Bausch & Lomb medal.

Junior Women's Club Awards - Christina Hallam and Brian Tice were the recipients of the Belleville Junior Women's Club awards. Standing with them is Belleville High School Principal Joseph Ciccone. Hallam was also the winner of the Century II Leadership Contest.

Vac U Max Scholarship - Carla Dente, a member of the National Honor Society, received the Vac U Max scholarship. With Dente is Belleville High School Science Supervisor Beth Efstathiou. Dente was also awarded the School 4 Home and School scholarship along with Robert Charles, the Foreign Language Department Italian award, a Challenge Team certificate and a Belleville Foundation grant.

Metropolitan Technical Institute Award - Juana Martinez was the recipient of the Metropolitan Technical Institute Award. With her is Beth Efstathiou, BHS science teacher. Other awards winners in the science field included: Dipika Parekh, International Telephone & Telegraph Company award; Edward Stangle, RETS Annual Herman Knuppel scholarship; and Nicholas Romano, RETS Electronic School scholarship.

School 5 A.J. Gallombardo Achievement Award - Belleville High School Home and School Association members AnnMarie Perna and LeeAnn Galioto present Cheri Tillman (center) with the School 5 A.J. Gallombardo Achievement Award. Tillman is a member of the National Honor Society.

Belleville High School Theater Awards - Janice Lynn Lefelbine and Robert Lefelbine presented the BHS Theater Awards to Sherri Bowie (second, left), Eric Arvidson and Bernadette Daidone. Missing from the photo are Michael Morodan, Joseph Cahill and Linda Pissott.

Armed Forces Citizenship Award - Debra Worley and Robert Mozeika were the recipients of the Armed Forces Citizenship Award. Worley was also the recipient of the Belleville Education Association Scholarship. Mozeika was also the recipient of the BHS High School Football Coaches Scholarship.

BHS Home and School Association Scholarship - Donna Musmanno (fifth from right) was awarded the BHS Home and School Assoc. Scholarship. With Musmanno are: Barbara Cicalese, Susan Iannini, AnnaMarie Puglio, LeeAnn Galioto, Catherine Woods and Fran Davies. Musmanno, co-valedictorian of the BHS Class of 1985, was also a recipient of a Challenge Team certificate and Lloyd Engineering Award.

Hoffmann-La Roche, Inc. Award - BHS science teacher Bruce Kernitz presented these students with the Hoffmann-La Roche, Inc. Award. They are: (l-r) Anthony Torromeo, Debra Worley, Mario Cordaro, Maria Elena Moccia and Elmeron Reyes. A full listing of scholarship and award winners will appear in next week's issue of The Times.

William Hands has been selected 'Who's Who Among Students'

By Michelle Jeannotte

William Hands, a fourth grader at School 7, has been selected as one of 10 outstanding students of Essex County to receive a "Who's Who Among Essex County's Gifted Elementary School Students" award.

The award, sponsored by Instructions Experiences Exposures (IEE) of Newark, will be presented at a ceremony Wednesday, June 12, at Essex County College. Nationally known television personality

Steve Haskerville of the "CBS Morning News" program will be the master of ceremonies.

Hands, a student in Mrs. Betty Follansbee's fourth grade, qualified for the Academically Talented Program at School 7 when he was a third grader. He is currently studying robotics and microelectronics in a Saturday academically talented class at Montclair State College.

Hands, who is a Cub Scout, recently served on an academic

team which won a Commodore computer on a televised quiz show. According to Mrs. Follansbee, Hands is very creative. He recently taught himself Indian picture language and made a large mural demonstrating the use of that language.

Follansbee also said that Hands has the largest French vocabulary in his class and has a unique ability in debating.

He is the son of William and Judy Hands of Division Avenue.

Optimist Club sponsors its third olympics

The Optimist Club of Belleville is sponsoring its Third Annual All Elementary Olympics Thursday, June 6, at Belleville Municipal Stadium.

The six events planned for the day include the 50-yard dash, 100-yard dash, running long jump, standing long jump, ball throw and shuttle relay.

Students from all Belleville elementary schools in grades 4-6 will compete for medals which are donated by the Optimist Club of Belleville.

Chairman of the event is Pat Forte, principal of School 4 as well as an Optimist Club member. He will be assisted by Ann Aulisi, Joe Cancellieri, Sabrina Martin, Al LoBalbo and John Tosato, all staff members of the Belleville School System.

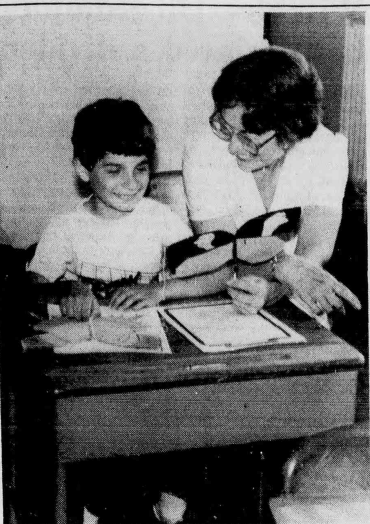

Members of the Optimist Club will also be on hand for the event. They will prepare and serve refreshments to all of the participants and award medals to all winners and present a trophy to the school scoring the highest number of points for the day.

Rain date for the event is Saturday, June 22.

Kiwanis Club to install 18 new members

The Kiwanis Club of Belleville will sponsor its "Membership Night," Thursday, June 6, 6:30 p.m. at San Carlo Restaurant in Lyndhurst.

Eighteen prospective members will be installed as Kiwanis Club members.

In A Class By Himself - William Hands, a fourth grader, has been selected one of 10 recipients of a "Who's Who Among Essex County's Gifted Elementary School Students" award. Here, Hands goes over some of his work with his teacher, Mrs. Betty Follansbee. Hands is enrolled in the Academically Talented Program at School 7. - Photo by Michelle Jeannotte.

Library will offer variety of programs this summer

The Belleville Public Library, 221 Washington Avenue, will be providing diversified programs for children, teens, and adults this summer.

These will be highlighted with a Family Night Program Friday, June 7, at 7 p.m. with the Whole Theatre Company Teen Dance Group, the Summer Reading Club Outdoor Village Fair at 10 a.m. Thursday, June 27, a Family Night Magic Show with Joe Fischer Monday, July 15, at 7 p.m. and Monday Night Happenings at 7 p.m. throughout the summer.

A complete listing of summer programs will be provided in future articles and through the library's newsletters which can be obtained at the library.

A retirement dinner honoring School 9 Principal Joseph B. Grosch will be held June 19 at

the Branch Brook Manor, Washington Avenue.

Grosch, principal of School 9 for the past 10 years, has served in the Belleville School system for the past 39 years. He has taught at the senior high school as well as schools 4 and 7. He was also principal of schools 1 and 7.

Programs will be available at the branch library, 30 Magnolia St., as well as the main branch. For information call the main branch at 759-9200 or the Silver Lake branch at 759-8822.

The cost of the dinner is \$29. A limited number of tickets are available. Anyone interested in attending can call 751-6962 or 759-7721 by June 7.

Pictured are: (top, l-r) Joshua James, Melissa Hetzel, Natalie McGuire, Jessica Palumbo, Mrs. Carol Trippodi, assistant, David Robb and Peter VanderFliet. Also (bottom, l-r) Joseph LaConti, David Ranucci, Jason Ciccone, Moeller, Renee Spencer, Jenna Russo, Lisa Ricciardi and Patrick Honsinger.

Congregation Ahavath plans joint installation

The joint installation of officers and trustees of Congregation Ahavath Achim, Sisterhood and Men's Club will take place during services Friday, June 7, 8:30 p.m. at the congregation, 125 Academy St.

Hannah Fersko will be the installing officer. The officers for the congregation for the 1985-86 year are: Leonard Miller, president; Seymour Grossman, first vice president; Martin Resnick, second vice president; Evelyn Fischer, financial secretary; Leona Schreier, recording secretary; and Anna Belin, corresponding secretary.

The trustees for the 1985-86 year are: Irving Berkowitz, Frieda Berkowitz, Henry Creditor, Bessie Denner, Seymour Fischer, Sam Fuchs, Robert Gruhin, Sydney Lane, Sam Panansky, Ruth Robbins, David Robbins and Leo Taubin. Representatives from the Sisterhood are Clara Creditor, Hannah Fersko and Miriam

Novik. Representative from the Men's Club is Joseph Shlissel.

Sisterhood officers for the 1985-86 year are: past presidents, presidium; Lillian Panansky, corresponding secretary; Leona Schreier, recording secretary; Evelyn Fischer, treasurer; and Anna Belin, financial secretary.

Men's Club officers for the 1985-86 year are: Sam Panansky, president; Joseph Shlissel, vice president; Henry Creditor, treasurer; and Morris Cohen, financial secretary.

Mrs. Elinore Zuckerman of Belleville will be honored at the services for her many years of service to the Jewish community as a representative to the sick at Clara Maass Medical Center.

Congregation Ahavath Achim a Conservative Synagogue affiliated with the United Synagogue of America. Sabbath Services are conducted every Friday at 8:30 p.m. and Saturday at 9 a.m.

BHS Guidance Department will stay open over dinner hour

The Belleville High School Guidance Department will be

open over the dinner hour, 3-7 p.m. Wednesday, June 12 and 19. The entire staff will be available for conferences each day. Call the guidance office at 759-4338 to make an appointment. It will also be possible to complete summer school registration at this time.

This service is made available for any student or parent who cannot visit the office during regular hours.

Wilshire Oil Company has declared a dividend

Wilshire Oil Company of Texas (NYSE) announced at its annual shareholders' meeting that based on the company's strong financial condition, it has declared a dividend. The Board declared a \$0.05 per share cash dividend payable July 12, 1985 to shareholders of record on June 14, 1985.

A record number of shareholders voted at the annual meeting, with 99 percent voting in favor of the directors elected today.

The meeting was dominated by the news of the company's major Swan Hills Reef discovery oil well. Wilshire has a 25 percent interest in the well and in 10,000 adjacent acres. With a

125 foot pay zone and production at a flow rate "in excess of 1,000 barrels of oil per day," the well should result in a significant increase in revenues and earnings for the company.

Nathan White, chairman and president of Wilshire said, "The company will substantially expand its oil and gas operations through exploration and acquisitions." In 1984, the company reported a record increase of 73 percent in earnings and expects another good year in 1985.

From my daughter who recently became a beautician. She has a job in a beauty salon. As a good mother I want to see the beauty salon where she works to get a permanent. She styled my hair on the radio, put lotion on it, and her boss told her to put hot clamps on my hair. She was also told to keep it on for 10 mins. and rise. When my hair dried it was so curly that my daughter couldn't comb it. What went wrong? My daughter has given me many permanent and this never happened.

The good mother Dear mother,

What you had done is an artificial method of giving permanent. I personally don't believe in these gaudes. I like to use my knowledge and technique. These machines are used by people who have little knowledge of permanent. Those hot clamps need the process of a permanent. In your case 10 mins. was too long. Probably you should have the lotion on for no longer than 10 mins. What I suggest now is to get a good haircut or cut the ends. If you are unhappy with your perm feel free to stop in. I will check your hair and advise you.

Students will attend four-week program

Maria Garcia and Claudia Hartman, both Belleville High School students, will be among 100 scholars attending the New Jersey Governor's School at Monmouth College June 29-July 27.

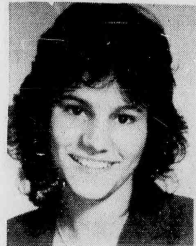

Candidates for the Monmouth College School, which conducted the inaugural session of the Governor's School in 1983, were nominated by their schools and school districts through the Office of the County Superintendent of Schools in each of the state's 21 counties. Only those completing their junior year were eligible.

In addition to proven academic achievement, such qualities as leadership and organizational ability, inquisitiveness, eagerness to explore new ideas and to develop new relationships, involvement, fluency in written and verbal ex-

pression or in the arts and strong moral and social concerns were looked at in identifying candidates.

During their four-week session, students will meet six evenings a week to hear debates led by visiting speakers on urban development, the oceans, ethics and public policy and nuclear arms; participate in simulation games and strategies; master techniques for creative problem solving and pursue a film series exploring the theme of human development.

Students will also participate in integrative seminars, the central focus of the curriculum, in which they will be able to draw together the entire range of academic and human issues as they emerge in the course of the four-week program.

Dr. Susan Guarino D.C.

BHS Visits Washington, D.C. - Members of the Belleville High School Marching Band and Squads recently took a trip to

Washington, D.C. The group traveled to historical landmarks in the surrounding area, including the Smithsonian Museum.

Sen. Orechio supports water supply project

Senate President Carmen A. Orechio has secured passage of bills to finance the Monksville Reservoir-Wanaque South Water supply project and to allow senior citizen clubs to obtain free municipal raffle licenses.

"These measures are important to the water supply needs of people in Montclair, Bloomfield and Glen Ridge as well as to seniors throughout New Jersey," said Orechio, who represents the 30th Legislative District.

Both bills passed the Senate May 13 without opposition. They now advance to the assembly for consideration in the lower house.

The water supply bill, S-2376, would appropriate \$70 million to the Department of Environmental Protection from the Water Supply Fund for loan to the North Jersey District Water Supply Commission to fund the agency's share of the Monksville Reservoir project.

The commission also supplies water to Newark, Paterson, Kearny, Passaic and Clifton.

The funds will be made available from the 1981 Water Supply Bond Act.

The senator's proposed amendment to the state's Raffles Licensing Law would permit senior citizen associations and clubs to conduct raffles under municipal permits issued without charge for two-year period.

"The senior citizens of this state deserve the same consideration for conducting raffles as that bestowed on other groups such as religious, charitable and service organization," Orechio said.

The bill, S-2517, would authorize senior groups to conduct raffles which are solely for the amusement and recreation of their members and for which the prizes are nominal.

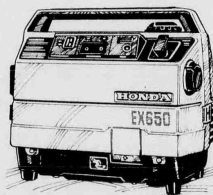

The bill reflects the will of the New Jersey voters last year when they decided to extend raffle rights to senior citizen groups by a margin of nearly 6 to 1.

"This legislation results from the approval by voters of the amendment to the state Constitution which permits raffles by the senior groups," Orechio said.

Special Prices are good if Regular Prices are low.

You buy three times as much groceries at regular prices as at special prices. It doesn't do much good to buy a few good specials, and give it all back on everything else you buy at regular prices.

That's why it's important to shop at Grand Union, where the regular prices are consistently low. Grand Union checks thousands of prices every week to make sure they are. Grand Union proves their low prices every week in the Price Finder, helps you check on them. And gives you all the specials in the Price Finder for Specials.

These Specials are just samples of the hundreds in the Price Finder for Specials!

Belleville Times SPORTS

CAUGHT IN A PICKLE — Not much of a chance for this Buc baserunner to avoid being tagged out in the run-down, as players come at him from all angles.

Bucs ready for States Clashing with Number One Elizabeth

It was only one game, but it was a very big win for the Belleville baseball team. Now that the state tournament is here, every game is important. One loss and the season is history and last week, Ralph La Conte's team opted not to go home for the summer without some more baseball.

The team battled the number one ranked club in New Jersey, Elizabeth, last Tuesday in Elizabeth in the semi finals of the Group IV, Section II playoffs. A Belleville victory would send the team to the sectional finals opposite the Union-Morrisstown winner tomorrow afternoon. Check the local newspaper for more details of that

game. If Belleville lost, then the 1985 season would be concluded.

Elizabeth defeated Newark Eastside, 32, at Belleville last week, needing eight innings against a tough Eastside team. The victory boosted the Bucanier record to 18-7-2, the finest mark at BHS since the 1981 club that went 22-7. "Getting this far (the semi finals of the sectionals) is a big step for the program," La Conte said. "Playing the number one team in the state is a big thing for our players. We're looking forward to the challenge. We feel that our offense is capable of playing with just about anyone. I think we can give Elizabeth a good run."

In defeating Eastside, Belleville used the reliable arm of sophomore Jim Dunphy. The sophomore won his seventh game of the season, with a set-back, with eight strong innings, allowing just five hits and striking out nine. The Belleville bats connected for eleven hits on the afternoon, but managed just three runs.

In the first inning, Belleville struck quickly, scoring a run as Allan Ruopp singled, Joe Mulaney singled and John Auriemma lofted a sacrifice fly to bring in Ruopp.

Eastside got the run back in the third inning and Belleville regained the lead with a run in

(Continued on page 14)

Westfield edges Lady Bucs 1-0 Super season finishes with 24-6 record

Battling to the last out, the Belleville softball team was eliminated by powerful Westfield in the championship game of the Group IV, Section II playoffs last Friday afternoon in Cranford. The loss put the final touches on a super season for the girls, a campaign in which the team finished 24-6.

Next week, the Times will wrap up the 1985 season.

It was an exciting week of action for Carl Corino's team. Belleville had advanced to the championship game of the sectional tournament by upsetting top seeded Union, 2-1 at Union last week. It was a heart stopping affair, a game in which Belleville scored two runs in their final at bat, with a freshman driving home the winning run with two down in the last inning.

"We were very pleased with the outcome," Corino said. "Union is a solid team, they had a tremendous record (25-2 entering the game) and were the top seed in the sectionals. This was a very big win for us, the biggest all season long because we were able to defeat such a good team. The last couple of years, they defeated us in the states, so this was a big win."

Union had defeated Belleville earlier this season as well, a 9-6 contest in April that spelled the first defeat of the season for the Lady Bucs. This time, however, the team was determined. Union scored first, pushing home a run in the third inning and the Lady Farmers held that margin until the seventh inning. It looked like Union would win the 1985 game in similar fashion to the '84 contest in which Union won, 1-0. Belleville had different ideas. Laura Caruso started off the final frame with a walk. Trish Tramutola then drilled a double to score Caruso and tie the game at one.

Tramutola advanced to third on a passed ball, but when the next two Belleville hitters were retired, it appeared that extra innings were in order. A freshman, Jeanine Luzzi, put that notion out the window when she drilled a single to score Tramutola and send the Belleville contingent into a happy frenzy. The win set up a Belleville-Westfield final, a matchup of freshman Michelle Calderone against senior Nancy Kosko of Westfield. In the Union game, Calderone was marvelous, allowing just one run

and hurling a complete game.

Versus Westfield, Kosko was too much for the Belleville offense, holding the Lady Bucs to two hits, a single by Desiree Johansen in the fourth and a single by Sue Schuster in the fifth. The only Belleville threat came in the fifth when Schuster singled and Danielle Walker came in to pinch run. Walker went to second on a sacrifice by Tramutola and advanced to third on a wild pitch. However, she was stranded there as Kosko struck out the next two Belleville batters to erase the threat.

On the afternoon, Kosko struck out seven and earned the praise of coach Corino. "I've seen some good ones (pitchers)," he said, "but she (Kosko) is the best. I couldn't believe her velocity and control. She was an excellent pitcher."

The same could be said of Calderone, who once more pitched a fine ball game. The freshman allowed just four hits and was involved in a 1-0 game through six innings. "It was much closer than 3-0," Corino said, referring to the two runs Westfield scored in the seventh.

Corino once again expressed praise to his ball club, which

SCORE — Another Buc runner comes across the plate as Belleville mounts up some runs, while the opposing catcher from Newark Eastside looks on helplessly.

went above and beyond expectations this spring. "The attitudes on this team were incredible," he said. "Everyone pulled for each other. It was a very nice atmosphere. We got contributions from everyone, from freshman through seniors. Our infield did the job defensively and the outfield was very consistent. Calderone (8-4 on the season) was super down the stretch. We also got a fine performance from (Debbie) Paterno in some big games during the middle of

the season. Everyone helped on this team."

It was indeed a marvelous season for a team that was looking to rebuild after losing an all state battery in 1984. "We have some good players coming back next season," Corino said.

For softball fans at Belleville, you could see more of the same in 1986.

NOTES — In the Westfield game, Donna Brooks led off with a long drive in the gap, "a possible triple," Corino later said, but

the Westfield outfielder made a tremendous catch to stop an early threat. Corino now has a career coaching record of 131-33-2 at BHS since he took over in 1980. In the Union game, Tramutola was 2-3 with a double and RBI, ditto for Luzzi. Four Belleville players named to the NNJIL first team, led by Calderone and Cheri Tillman.

All told, six girls named to NNJIL team.

Buc Shots

By Mike Lambert

Braves experience could pay off

Question: When does baseball season officially begin? Some might answer in early March, when the exhibition season starts down in Florida. Others might say in April, with the opening pitch of the regular season. If you answered either of the above, then you're wrong, because the baseball season doesn't start until the Belleville Braves begin play in the Essex County baseball league.

While everyone might get a good laugh out of that last statement, the Belleville Braves are down to the serious business of baseball for the Summer of 1985 and its head coach, Sal Garilli, is optimistic about his teams chances.

Before we go much further, let it be known that Garilli is the type of man that gets optimistic very easily in the sport of baseball. He is the "Chuck Tanner" of county baseball, a man who thinks the highest and shoots for the best. In 1983, when Belleville made a return to the ECBL after a four year layoff, Garilli was thinking league title, despite the fact that his team lost its first six games.

Belleville rallied in the second half of the season and finished with a 17-20-1 record, just missing the playoffs. The team played its best baseball over the last three weeks and Garilli was looking with enthusiasm toward the '84 season.

Last year, Belleville started the season on a strong note, faltered in the mid summer and then rallied in the late stages of the campaign to finish three games over .500 and earn a playoff berth. The team defeated Parsippany in round one, then fell to defending champion West Orange in the second round. It was a good season

for the Braves, with high hopes for 1985.

"We have some returning players, plus some new ball players," Garilli said. "Experience is the key this summer. I think we have a good chance to win our division. We are up against some good teams, such as Verona and Parsippany, but I feel we have a good shot at winning it."

Garilli will pin his hopes on a strong pitching staff and with that, Anthony Coco is expected to be the ace of the staff. The third year player has improved every season. This past spring at Kean College, Coco posted a 7-3 record and earned a place on the College All Star team. Many local Belleville baseball fans will remember that Coco was the catalyst of the 1981 Buccanier team that went 22-7 and won the Greater Newark Tourney. Coco is the second most winnigst pitcher in Belleville history.

Another returning pitcher, Scott Wohlrab, is expected to join Coco as a workhorse this summer. Wohlrab was very good last summer and is very familiar with the talent in the ECBL. He should be effective right away.

Greg Weber, the teams catcher, will add punch to the lineup. Last season, he led the ECBL in home runs with 13 and his power at the plate will be vital to the teams success.

At third base should be Steve Karlick, replacing Joe Corbalis, who will miss the '85 season with a knee injury. Last season, Corbalis was a main factor in the Braves winning season. He was also a big n in the 1981 Belleville baseball team winning the Greater Newark Tourney. "He'll be missed," Garilli said, "because he did so many things for us. He played a

steady third base and came through with a lot of hits. Losing a player of his potential will not be easy."

Dan Gardner will return to the outfield and Mark Roll is back at second base. Dominick Vazzano is the first baseman and Luis Colone is a new comer at shortstop. Garilli will also look for pitching help from Calvin Fisher, Glen Dickey, Rich Michael, Anthony Principato, Mike Steffanelli and Joe DiMuro. Charlie Addison will see time in the outfield, while Anthony Squeglia and Robbie Robinson will play in the infield.

Garilli, currently the head baseball coach at Somerset County College, is riding a busy schedule these days. In addition to a new baby that he and his wife welcomed last summer and the coaching job at Somerset, Garilli is scouting with the Pittsburgh Pirates. He will be turning over a good deal of the coaching duties to Coco and Weber. "The team should do okay," Garilli said. "The main thing is continuity, having the same players playing every day. We're looking to match, if not improve, last seasons output."

Belleville will compete in a division that includes perennial power Verona, Parsippany and Montclair State College. Last season, West Orange and Irvington made it to the finals, with Irvington winning the tourney. This year, both teams have folded from the ECBL, so the competition should be wide open.

The Braves will play its home games at Municipal Stadium over the course of the summer. The Times, as usual, will cover the team during the summer and will provide a list of upcoming games. The Braves schedule

and current standing in the ECBL will be posted in the Star Ledger, under the "Summing Up" section of the sports page. Garilli and Company would love your support this summer, so if you have the opportunity to stop by and see a game, the team would enjoy your attendance. Good luck to the Braves on its third summer of competition.

The annual Belleville football lift-a-thon will be held at the Belleville Municipal Stadium, in the weight room, this Saturday morning starting at 9:30 a.m. There are more details of this annual event in the sports section. The public is more than encouraged to come and watch the future Belleville stars compete. Head football coach John Senesky is expecting a large turnout of athletes for the competition.

Lakers fans have got to be brimming with confidence over their teams success in the first three games. Although I'm a big Celtic fan, can't help but believe that L.A. is invincible this time around. The Lakers have that fast break working with such extraordinary success that it seems the Lakers can score whenever they want. Many people will say the Lakers should have won it all last season, but the Celtics muscle and finesse was the difference. The Lakers seem to be tougher under the boards this season, and that could prove deadly to Boston's chances of repeating the title.

Congratulations to the Belleville baseball team on a marvelous season thus far. Ralph La Conte's team battled the states number one club, Elizabeth, last Tuesday in Elizabeth in the semi final round of the Group IV, Section II playoffs. The Bucs went

into the contest with an 18-7-2 record, giving La Conte a 42-33-5 mark in three years at Belleville. Not bad considering his first year was an 8-17-1 mark, good for last place in the NNJIL. This year, the Bucs tied for the championship of the conference. What a difference three years make.

While we pour accolades, how about our softball team, which finished 24-6, losing in the Group IV Section II finals to powerful Westfield, 3-0. This, after a stunning 2-1 win over Union, the number one seed, in the sectional semis. It was a marvelous season for Carl Corino's team, especially when you consider that the club was supposedly rebuilding this spring.

We'll have the Belleville High School athlete of the month for May. The Belleville High School athlete of the week is Cheri Tillman of the softball team. The senior first baseman was named to the first team, NNJIL, for her time play, both defensively and at the plate this season. Tillman, also an excellent tennis player, is a top student with a very bright future in store. She continues the long line of Belleville firstbasemen, such as Mona Stampe, Lois De Luccio and Denise Giuliano.

The answer to last weeks quiz. The question was, which team did Moses Malone break in with following his high school graduation. The answer: The Utah Stars of the ABA. Malone was named Rookie of the Year in the 1974-75 season. It seems that Moses has been playing basketball forever, but he's only 29.

Bucs ready for States Face number one team

(Continued from page 13)
the bottom of the sixth. Auriemma clouted a homer that appeared to give the Buccaneers a victory without benefit of extra innings. However, Eastside had a different idea in the seventh and quickly tied matters with a leadoff homer off Dunphy.
It was the first time this season that Dunphy allowed a round tripper, but the sophomore came back to retire the remaining batters. In the bottom of the seventh, the Bucs loaded the bases with none out, but couldn't push home the winning run. A muffed suicide squeeze at home plate helped to send the contest to extra innings.
After Dunphy retired Eastside in the eighth, Belleville made sure it would not ruin another scoring chance again. Auriemma started it off with a walk and Dave Long singled him

to third base. Long then stole second and Jim Caponi, a senior, lined a single to score Lou Lu Cante, who was pinch running for Auriemma. On the afternoon, Caponi was 2-3. Long was 2-4, Auriemma scored two runs and drove home two while Dean Sternik connected for two hits.
The Buccaneers entered the Eastside game with a .340 team batting average, a figure that figured to go up following the eleven hit barrage. The next round was a mammoth task against powerful Elizabeth, long noted to be a baseball powerhouse. It certainly was a big challenge for the local diamondmen. Either way, it was a very successful season for Belleville, with a co-conference championship and the best record at BHS in four years.

Lift-a-thon shows kids muscles

Annual football team event expects good turnout

In what has become an annual event at Belleville High, the varsity football team lift-a-thon will be held in the Municipal Stadium weight room this Saturday morning, commencing at 9:30 a.m. and lasting until noon.
Head football coach John Senesky expects a good turnout for the annual event. "We had about 80 players come out on candidates night," the coach said. "It was a good turnout. There is a lot of optimism toward the season. This is a good way for the kids to see where they have to work for the summer months. You can't start a program in August, because other teams will be too far ahead of you. You have to act before the summer begins, so the kids know what to do over the sum-

mer to get ready for the fall."
This is the fourth year for the lift-a-thon and people interested in sponsoring a Belleville athlete can come to the weight room on the morning of the competition. Sponsors can donate a penny a pound and the boys will be working on bench presses, with three repetitions.
"It gives the kids a chance to show the people what they can do," Senesky said. "The public is more than welcome to come to the weight room and see the team work out."
Senesky also announced that the football team will begin practice on August 28 this season, starting with the annual deatholun. "There is a new rule this year that states a team can have 30 calendar days before the

first game," Senesky said. "We Clippers open the regular season on September 27 and have Expos scheduled four scrimmages."
The Bucs open the regular season against Don Bosco, under the lights, at Municipal Stadium. It is the first opener under the lights since the 1980 contest with Livingston. Speaking of Livingston, Belleville has scheduled a game scrimmage with the Lancers one week before the start of the regular season. Other scrimmages are slated with Morris Knolls, Bailey Eiland and a tri scrimmage with West Essex and Madison Borough.
The Bucs will graduate 26 seniors later this month and Senesky is expecting a young team to fill the Belleville uniforms next fall.

Royals edge Desperados 12-8

The Belleville Royals upped their record to 4-0 by defeating the West Paterson Desperados 12-8. The Royals lead Division A in the 32 team four division James Dombrowski Softball League Non-Umpiring Divisions.
Ron Pinneti lead the Royals with a homer and three RBI's. Tom Graham had four hits and one RBI while Joe Oberio picked up his fourth victory and Jerry Long earned his fourth save.

The Royals won week one 29-18 over Fairview, week two saw the Royals crush the Blue Angels of Westwood 20-3 and game three had them romping Nutley Plumbing 27-10.
The Nutley Ducks lost for the first time dropping a close game to the Boston Contractors 10-8. D&M Printing updated their record to 3-1 with a 15-3 lashing of the Animal II of Jersey City.

Legion tryouts begin Saturday

Ralph La Conte, the head baseball coach at Belleville High, announced that tryouts for the Belleville Legion baseball team will be held this weekend at the varsity baseball field, Municipal Stadium.
Tryouts begin on Saturday morning at 8:30 a.m. and continue on Sunday. The tryouts are open to any Belleville boy, age 15-18 (a player whose 19th birthday falls before August 1 is not eligible) and a potential player does not have to be a member of the current baseball team at BHS. Those interested should report to Municipal Stadium on Saturday and see Jim Landon.

Crew team reaches their goal

Concluding a marvelous season on the river, the Belleville crew team took two shells to the Canadian Nationals last weekend, coming away with two fourth place finishes.

Next week, the Times will wrap up the 1985 season for Sam Giuffrida's team.

Giuffrida was very happy with the performance of his two boats at the Canadian Nationals, held in Ontario last weekend. "I was very proud of both teams, there was a lot of pressure on them to do well. Only the best teams from the United States were invited to compete and we were up against some solid com-

petition from Canada and British Columbia. Our goals were to reach the Canadians this year and we were able to do that."

It was competition from the word go, as an extraordinary amount of shells took part in the competition. "Races started on Saturday at 8 a.m.," Giuffrida said, "and they had a race every seven minutes until nine that night. That's a lot of shells and a lot of races."

The girls senior four, which won a third national title on Memorial Day weekend, won its qualifying heat and took second in the semi finals. In the finals,

the girls were ousted by teams from Canada and British Columbia. They were the top team from the United States to cross the wire.

The boys junior four had a super day of rowing, as well. Led by Rick Albanese in bow, Steve Pisaro, Mark Walden, Steve Linfante and coxswain Jeff Conklin, the boys won its qualifying and semi final race. In the finals, the boys junior four placed fourth.

"The difference between first place and sixth place was three seconds," Giuffrida said. "We were right in that race."

Walden was subbing for Carmen Fortunato, who had

rowed in the nationals in Delaware, but was sidelined in the Canadians with an injury. The only team from the United States that defeated the Belleville junior four came from Buffalo, a shell that captured a national title in Delaware.

"Our kids conducted themselves with class and pride," praised Giuffrida. This was a nice finish to a fine season for our team. We attained all our goals this season and this was the climax."

Three-way tie in men's div. for league lead

Three teams share first place in the Belleville Men's Recreation Thursday "B" Softball League with a 4-1 record. Garden State Pet (4-1) swept a doubleheader, defeating Eastern Sales 11-6 and Campbell Tools 15-3. Rosebuds Pub (4-1) won two games as they beat Valco Contractors 9-5 and Nu Plas 7-5. Valco Contractors (4-1) also topped Eastern Sales 9-7. Nu Plas (3-1) won an 11-8 decision over Campbell Tools (0-5). Eastern Sales is also winless.

DeBacco's stands atop the Wednesday "A" League with a perfect 5-0 mark after defeating Quick Copy 14-1 and Eastern Molding 14-5. DeLorenzo Construction and Michael's Roscommon House share second place with identical 3-2 records.

Michael's defeated Rossmore Pharmacy 4-2 but lost to Quick Copy 12-8. DeLorenzo shut out Eastern Molding 6-0 but fell to Rossmore Pharmacy 10-0. Quick Copy is now 2-3 while Rossmore Pharmacy and Eastern Molding both stand at 1-4.

The Monday "A" League did not play last week due to observance of the Memorial Day holiday and the Tuesday "B" league was rained out.

Buccanettes keep on winning Stretch win streak to 10 games

Continuing their winning ways, the Belleville entry in the seventh-eighth grade Girls Suburban Softball League posted three wins last week to stretch the current winning streak to ten games. In the first game, the Buccanettes defeated Nutley 29-5. The girls scored 10 runs in the first two innings and coasted from there on in. Cheri Valsee paced the offense with four hits and eight RBI's. Lauri Dondarski, Marylyn Zamora, Lori Moyer and Carol Morrison had three hits apiece in helping the team collect 21 hits. Stacey Johansen hurled a one-hitter on the mound for the winners.

In the return game with Nutley, the homebased Buccanettes prevailed by the score of 21-1. Stacey Johansen hurled her second no hitter of the year in this game. She walked six and struck out eight to continue her strong pitching. Belleville broke the game open in the second inning by scoring 13 runs to lead the score 16-0. Strong hitting and very aggressive baserunning

highlighted the inning. The big hits in the inning were two run singles by Zamora, Shannon Corris, and Denise Ives, and a big two run triple by Peggy Liberti. The bottom part of the batting order hit well and also received numerous walks which led to runs. Diane Di Vincenzo saved the no hitter by running down a line drive to right field and then throwing to first base to complete the double play.

Finally, Belleville shut out Millburn 9-0 to complete the three-game week. Once again, the club scored early, running out to an 8-0 lead after two innings. Johansen belted a grand slam home run and triple to pace the offense. Ives, Morrison, Dondarski, Kellie McNamara, and Joyce Burke also collected hits for the winners. Johansen allowed only two hits and struck eleven batters in pitching the shutout, while Dondarski, Cheri Valsee, and Lori Moyer played well defensively. Moyer, incidentally, has developed into a fine catcher, being just a seventh grader.

Buc JV squad ends year beats Nutley & Kennedy

The Belleville JV's ended their regular season with two wins against Nutley and Paterson Kennedy and a loss to Clifton this past week. The Jr. Bucs, coached by Nick Grande, enjoyed a very successful season with a 16-8-1 mark.

The Nutley Raiders were the Bucs' first victim in a see-saw battle that ended 16-15. The game saw Belleville take an early lead, then fall behind, tie it up, fall behind, and then go ahead for the win. Bucs contributing key hits and RBI's were Joe DeLeonachon, Dean Mauro, Anthony Pucciarello, Al Best, Dave McNeil, and Phil Zamlot. Bob Hutchinson picked up the victory in relief.

Belleville then traveled to

Paterson Kennedy for a 6-3 victory. Vito Caprio drove in the Bucs' first runs. Jamie Galioto drove in the winning RBI with a double to left. Gerard Buono, Michael DiDonato, and Jon Nardachone also contributed hits and RBI's, the winning pitcher was Dave McNeil, with three innings of relief from Rich Sigari.

The Clifton Mustangs ended Belleville's regular season with a loss. Clifton combined strong pitching, long drives, and some timely hits for a 9-3 victory. Those bucs getting hits for Belleville were John View, Vinnie Vollero, Jamie Galioto, and Dave McNeil, with View and Vollero hits driving in the Bucs runs.

NNJIL team loaded with Bucs

For the entire season, the Belleville baseball and softball teams thrilled its fans with exciting competition. The baseball team captured a share of the NNJIL, Essex-Passaic crown with a 10-4 record in the conference. The Bucs, under coach Ralph La Conte, took an 18-2 mark into the state sectional semi finals earlier this week.

The softball team, under coach Carl Corino, also had a marvelous campaign, finishing 24-6 and advancing to the finals of the Essex County tournament and the sectionals. It was the third straight season in which Belleville was in the sectional finals and the fourth year in a row the team advanced to the county finals. The team has won 20 or more games four years in a row and continues to be a power in the area.

With so much success, the credit, in addition to the coaching, goes to the young men and women who helped to make the seasons so exciting. Last week, the NNJIL recognized a number of Belleville athletes to the first, second and honorable mention teams.

In baseball, three Buccanettes were named to the first team. Sophomores Jim Dunphy and seniors Dean Sternik and Joe Mulaney were chosen. Dunphy, a fine pitcher, was 7-0 entering last week's action and was a big find for La Conte. Needless to say, he will be a key addition to next year's team.

Sternik, completing his third year of varsity competition, was a solid second baseman for the Buccanettes. He also hit over .300 and was a solid all around

competitor all season long for the Bucs.

Mulaney also had an excellent campaign. Playing shortstop, Mulaney replaced the graduated Joe Borrello and continued the trend of fine Belleville shortstops. Past names include Chipper Bialore, Scott Osche, Ken Constantino and Borrello. Mulaney was an excellent hitter and gave his team strong defense all season long.

On the second team were Tom Reid, Steve Mulhearn, Dave Long and John Aurierma. Many could argue that these men were good enough for first team honors, but that goes to show the level of talent in the NNJIL this year. Reid was named for his contributions on the pitchers mound. The senior has been a steady performer for three years.

Mulhearn, a junior, broke into the lineup this season and made a quick impact. He had some key hits and played solid defense. Long, a junior, has been a solid hitter since he broke into the lineup last season. Dave will be a key element to next year's team. He hits for a high average and can supply a lot of power.

Aurierma, the team catcher, also has excellent power. He cracked a homer in the victory over Eastside last week and is capable of getting the big hit in a crucial situation (see: Ridgewood, 1984).

Senior outfielder-pitcher, Allan Ruopp was named honorable mention for his excellent contribution to the team.

In softball, the accolades were just as strong. Four girls were named to the first team, starting

with freshman pitcher Michelle Calderone. She came up in mid season and promptly added stability to the Belleville pitching corps. Teaming with Debbie Patierno, Calderone helped Belleville to some big victories down the stretch. She finished with an 8-4 record and earning first team as a freshman is quite an accomplishment.

Junior Desiree Johansen was named for the third year. A fine hitter and marvelous defensive player, Johansen has all the tools to be a tremendous player. She is an excellent athlete with a world of potential. Senior Donna Brooks, to no ones surprise, earned first team for her play in center field. Brooks is one of the best athletes ever to compete at Belleville High.

Rounding out the team is senior Cheri Tillman, the teams first baseman. Tillman did the job on offense and was an excellent defensive player. Corino had high praise for her hard work and improvement throughout the years.

On second team was Patierno, who won ten games this year and kept the girls afloat with her steady pitching in the middle of the season. Honorable mention went to Sue Schuster for her steady play in the outfield. Although she did not make the NNJIL team, special accolades to Trish Tramullola who did a super job at third base this season. She helped to signify the infield, along with Cheryl Marion at second base.

Congratulations is extended to all the players on a super season.

Special Mother's Day - Fourteen students from the Belleville High School Cosmetology Program volunteered their services to make Mother's Day a special day for the residents at the Geriatrics Center in Belleville. The students spent a morning there giving manicures to the center's female residents. The event was coordinated by Bob Hilsen, division director at the center, and Victor De Pau, related arts supervisor at BHS. Hilsen presented Certificates of Recognition to the students for their participation in this event.

Spring Musicales - Third and fourth graders of School 4 recently presented a "Spring Festival Musicales," highlighting important events which occur during the spring months. Special attention was given to Mother's Day and Father's Day. Here, the students demonstrate kite flying and April showers. - Photos by Michelle Jeannotte.

Library room named after J. Cozzarelli

(Continued from page one)

\$25,000, he said.

"It was quite an undertaking," Bryant said. "The space was added as part of the library in the mid-1940s. It has hardly been touched since then, except maybe for new carpet and paint touch ups."

Most of the physical work was completed by Cozzarelli with the help of John Branigan and Nick Berrigan, who did the carpentry and electrical work, and Page Lyndroth, who painted two murals, D & D Millwork in Silver Lake also completed some of the carpentry work, Bryant said.

"We'd like to think that this room shows a public commitment," Bryant said.

"This room suggests a sense of place for our children - a sense of permanence," James Cozzarelli Jr. said. "It's America. There is a sense of informality."

Cozzarelli said that his ideas for the room came from his study of psychology and how images affect behavior.

"Aggressive, receptive figures stimulate viewers," Cozzarelli said. "It gives viewers a sense of well-being. It will give them thought to stimulation of imagination of our children. It is a porthole to adventure."

Although the main emphasis on the children's room is the children of Belleville, Bryant said he will deny no one the use of the facilities.

"As someone said at the ceremony on Sunday, this room is not only for children, but for parents of those children and grandparents. Theuge group here is from preschool to 105 years of age."

Future plans for the James R. Cozzarelli Jr. Children's Room include a new collection of books and card catalog. Bryant said that programs offered for children will be unchanged.

Shapiro takes Belleville votes; D'Alessio beats Zizza by 764

(Continued from page one)

with a total of 277 votes, and Michael Giordano of Belleville, with 199 votes.

In the Republican race for the general assembly, former Assemblyman John V. Kelly and Marion Crecco ran unopposed. They garnered 512 and 485 votes, respectively.

Essex County Clerk Nicholas V. Caputo, who ran unopposed on the Democratic Party line, garnered 1,424 votes. Republican candidate Samuel J. Angelo defeated his opponent, Frances Ford, by a 498-162 vote margin.

Essex County Sheriff Thomas D'Alessio garnered the largest number of votes in the Democratic race for sheriff, with 1,475 votes. His main opponent, Charles Zizza, garnered 711 votes. Robert M. Wesser and Lewis N. Miles, two other Democratic candidates gar-

nered 53 and 30 votes, respectively.

In the Republican race for Essex County Sheriff, Bob Cottle garnered 348 votes, while opponent Peter A. Iadarola garnered 161 votes.

Out of Belleville's 16, 998 registered voters, only 3,318 went to the polls.

"It's a shame people don't go to the polls," Michael Marotti said. "It doesn't take much to vote. It seems people only come out to vote when they have an issue."

Some of the election results were not final. Township Clerk Mary Lou Hood said, because there were some problems with the machines. Tallies did not include results from Ward 2, District 1.

Expert Sewer - Demonstrating her sewing skill is Michelle Naso (right), an eighth grader. With her is Mrs. Cocuzza, middle school teacher.

School board reviews revised student transportation policy

(Continued from page one)

at School 7; 79 students are bused for the English as a Secondary Language program; and 21 students are bused to schools 3 and 10 for the fine arts and basic skills program, respectively.

Students attending a magnet program, academically talented or bilingual program must live more than 1 mile in order to be bused, he said. Students from kindergarten through the sixth grade are eligible if they meet the criteria.

Appleton said this policy would be consistent with the neighborhood school concept because 1 mile is the furthest distance which an elementary school student is required to walk to his neighborhood school.

One other criteria used for busing eligibility included former students of schools 1 and 2 in kindergarten through the second grade who are now bused to other schools in the district.

A revision in the policy increases eligibility for these students from kindergarten through

the third grade. It also includes those students attending a bilingual program living outside of the School 7 district and those children being reassigned to another school due to other considerations, Appleton said.

Policy recommendations were also made for middle school and high school students. Transportation would be provided for students who live more than 1.7 miles from the high school and 1.6 miles from the middle school.

According to the policy, this would allow services to basically the same students who currently receive them, particularly those from the School 2 and School 4 areas and the southeastern corner of the valley. Additional students would also be eligible from the area of St. Peter's Church and on the Nutley border on Main Street.

Because of the change in this area of the policy, an additional 25 students would be in need of busing. The committee reports states that an additional school bus would be needed.

The number of middle school students in need of busing would be unchanged. A revision, however, has been made to include those students on the Nutley border on Main Street.

The greatest change in figures comes from the change in the elementary school policies. There are 41 students currently attending the academically talented program at School 7 who live less than a mile. They would no longer be afforded transportation services, Appleton said.

Additionally, there are some 16 other students, grades 4 through 6, currently attending ESL or magnet programs or being transported based on the hazard formula, who would be ineligible based on the new criteria, he said. However, he added, there would be an additional 30 third-grade students eligible for busing under the new policy. The total decrease in students eligible for busing would be 27 - a drop from a total 342 students to 315 students.

There will be no changes in busing eligibility for special education students. The state mandates that the township must bus all special education students.

By Michelle Jeannotte

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Mr. O. of Nutley asks: "Porcelain broke off my crown. Can it be repaired without removing the crown?"

There are porcelain repair materials Mr. O. that can be treated. Our own experience indicates that they work fairly well if the repair is in a non contacting area. If the repair is on the biting surface of the crown then the repair material doesn't hold up. Most times Mr. O. the repair is for cosmetics. Only the exposed metal provides the needed protection for the tooth regardless of the presence of the porcelain.

Another method used is as follows: All the porcelain is removed and the underlying metal is prepared or drilled to receive a new laboratory made porcelain covering. This covering then is cemented over the prepared metal crown.

Discuss these options with your dentist.

CHIRO NEWS

DON'T SETTLE FOR "MIGRAINE" HEADACHES

Although many tend to think of migraine as a fairly recent affliction brought on, perhaps, by the stress of modern living, the first descriptions of the condition we now know as migraine was written shortly after the death of Jesus Christ by Aristeus, a physician of Cappadocia.

Aristeus, called the condition "beteirocrania." He accurately described the one-sided headache, effect, visual disturbances and nausea that are typical of migraine and recorded that "The patients, moreover are weary of life and wish to die."

Of all the 3,000 years worth of published medical theories about the cause and cure of migraine, the one that most interests me was published in the New York Daily News of May 13, 1961. Dr. Murray Aronson, an orthopedic surgeon, who had applied his specialty to the study of migraine, believed that most migraines can be traced to trouble with the cervical vertebrae - the bones of the neck at the top of the spine.

"Displacement of the discs between the bones, by injury, poor posture, muscle tension or work position interfere with the nerves branching out of the spinal cord between these bones. The irritation of one set of nerve fibers can be communicated to another which serves as an entirely different function. The cervical (neck) nerves are connected with the cranial (head) nerves directly or indirectly through the sympathetic nervous system."

Belleville residents graduate college, make dean's list

Rachel Guerrero of Belleville will be among the graduates at The Winifred B. Baldwin School of Nursing of The Hospital Center of East Orange commencement exercises Friday, June 7.

The keynote address will be given by Dr. Rodney Felder, president of Upsala College.

The school was named in honor of one of its benefactors, Mrs. Winifred B. Baldwin of South Orange. The school is the oldest continuously operating nursing school for registered nurses in the state.

Montclair State College conferred 3,050 undergraduate and graduate degrees during commencement ceremonies May 23.

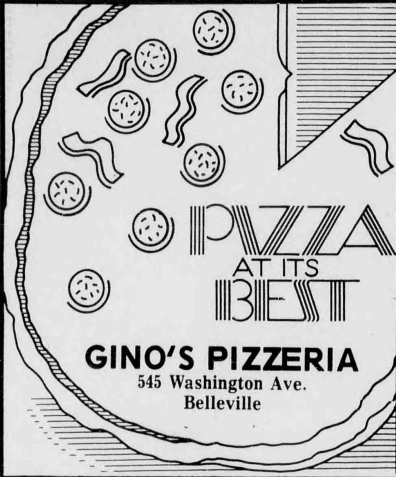

Bachelor's and master's degrees in more than 40 different areas of study were awarded.

Belleville residents who received degrees are as follows:

George Bostory, B.A. in psychology; Dana Caruso, B.A. in home economics; Paula Casale, B.S. in business administration; Carla Cioni, B.A. magna cum laude in Spanish; Pauline Davey, B.A. in history; Dina DelMauro, B.S. in business administration; Karen DeRose, B.A. magna cum laude in fine arts; Colette Domiano, B.S. in allied health services; Robert Donald, B.S. magna cum laude in business administration; Karen Ferriero, B.S. in business administration; Susan Melone, B.S. in communication science/disorders; and Gloria Morriello, B.S. in business administration.

Also, Judith Paoletta, M.A. in counseling, human services and guidance; Dawn Pompeo, M.A. in environmental studies; Susan Raczyński, B.A. cum laude in English; Kim Rom, M.A. in social sciences; Camille Spacavento, B.A. in fine arts; Patricia Thornton, B.S. in business administration; Michael Trabucco, B.A. in psychology; Elsie Winslip, M.A. in mathematics; and Ruby Theodos, B.S. in computer science.

Saychuk.
To be eligible for the dean's list, a student must achieve a 3.45 average.

7 days a week

By Lisa A. Grimaldi

Yesterday's, located on 70 Main Avenue in Clifton, is a comfortable spot for lunch, dinner, snacks and drinks.

The menu features many different sandwiches, burgers, salads, and munchies. My companion and I tried sandwiches on one occasion, and hamburgers on another lunchtime excursion.

I tried Yesterday's special combination sandwich, which is three ingredients, out of a choice of 10, in bread with lettuce and Russian dressing. My sandwich consisted of roast beef, corn beef and swiss cheese. The sandwich was huge; piled high with the lean meat, it must have weighed 1/2 a pound. It might be a good idea to share that with someone, if you don't have a big appetite. It comes with cole slaw and chips.

My companion had the hot turkey sandwich, which he claims is his favorite Yesterday's menu item. The gravy on the open-faced sandwich is delicious; and that was served with steak fries.

Yesterday's hamburgers are good sized, and always grilled to order. They are served in a unique way; on an english muffin, which make a nice change of pace. The burgers are available in a variety of ways, and can also be ordered deluxe, with french fries and cole slaw.

After hours, Yesterday's has a full bar, and snacks to go along with drinks including nachos, fried vegetables, and fried mozzarella cheese. The same menu is available for lunch and dinner, and after hours the atmosphere is relaxed; you can feel comfortable here in either jeans or a business suit.

Yesterday's is located 70 Main Avenue in Clifton, right over the Nutley border. It is open from 11:30 a.m. until 3 a.m., with the kitchen closing at midnight, 7 days a week.

Herbert A. Hanneman; security guard at W&T

Services for Herbert A. Hanneman, 69, were held May 22 in the Megaro (Belleville) Memorial Home. Interment was in Cresthaven Cemetery, Clifton.

Mr. Hanneman died May 19 in Columbus Hospital, Newark. He had been a security guard with Wallace & Tiernan Corp.,

Belleville, for 15 years before retiring 10 years ago. He served in the Army during World War II.

Born in Germany, he lived in Florida and East Orange before moving to Belleville six years ago.

Surviving are his mother, Mrs. Paula Hanneman and a sister, Miss Irma.

Mrs. Mary Carlough dies at 78

Mrs. Mary Carlough, 78, died May 21 in her home. Services were held May 23 in the Kierman Funeral Home, Belleville. Interment followed in Glendale Cemetery.

Mrs. Carlough was born in Newark and lived in Belleville for 33 years. Surviving are her husband, Arthur H. and a brother, Robert H. Crum.

Obituaries

Mrs. Helen Reock, 87; involved in town group

Services for Mrs. Helen Reock, 87, of Red Bank, were held May 23 in the Irvine-Cozzarelli Memorial Home, Belleville.

Mrs. Reock, who had been a secretary with the Church of the Crossroads, East Orange, for 11 years before retiring in 1968, died May 20 in the Navesink House, Red Bank. Mrs. Reock was president of the Contemporary Association, secretary to the board of trustees of the Visiting Nurses Association and a member of the board of trustees of the Eighth Avenue Play Nursery in

Newark. She was a trustee with the Woman's Club, secretary to and a member of the board of trustees of the Family Service Bureau and a member of the Areme Chapter 73. Order to the Eastern Star in Belleville.

She was also district vice president and program assistant chairwoman for the New Jersey State Federation of Woman's Clubs. Born in Newark, she lived in South Orange and Belleville before moving to Red Bank 13 years ago.

Surviving are a son, Ernest C. Jr.; three grandchildren and a great-grandson.

Mildred A. White, at 63; Legion Post 70 member

Services for Mrs. Mildred A. White, 63, of Belleville, were held April 24 in the Johnese Nutley Home for Funerals.

Mrs. White died April 19 in Veterans Administration Hospital, Perryville, Md. She had served with the Women's Army Corps during World War II and was a member

of the American Legion Post 70 auxiliary, Nutley. Born in Nutley, she lived in Belleville for many years.

Surviving are her husband, George E.; a daughter, Marilyn Patrick; a son, Brother Richard White; a sister, Mrs. Elizabeth Sattler and four grandchildren.

St. Peter's Mass held for Mrs. Mary Torsiello, 74

A Mass for Mrs. Mary Torsiello, 74, was offered May 30 in St. Peter's Church following the funeral from the Nazare Memorial Home, Lyndhurst. Mrs. Torsiello died May 25 in her son's home in Belleville.

Born in Italy, she lived in Garfield before moving to Bel-

leville 60 years ago. Surviving are two sons, James and Nicholas; five daughters, Mrs. Mary Gauthier, Mrs. Angie Weitzel, Mrs. Ann Allegro, Mrs. Theresa Ludwith and Mrs. Carol Maney; 16 grandchildren and a great-grandchild.
