Chamber sponsors sidewalk sale

The Belleville Chamber of Commerce will sponsor a sidewalk sale Thursday-Saturday, June 27-29.

Participating merchants include: First DeWitt Savings and Loan, Belleville Shoes, First Jersey Bank, Nanina's, Pura-Tex, Belleville Motor Lodge, Charles Jewelers, Act II, Sherman's, Fleming's Food Supply, Jovial Card Shop and Plaza Men's Shop.

The hours are as follows: Thursday, June 27, 9:30 a.m.-6 p.m.; Friday, June 28, 9 a.m.-9 p.m.; Saturday, June 29, 9:30 a.m.-6 p.m.

Matters in Brief

School 9 principal is honored

Joseph B. Grosch, retiring principal of School 9, will be honored at a dinner Wednesday, June 19, at the Branch Brook Manor, 13 Washington Ave.

Grosch, who has served in the Belleville Public School System for the past 39 years, has been the principal of School 9 for the past 10 years. He also was principal at schools 1 and 7 and taught at the high school and schools 4 and 7.

His retirement is effective June 30.

Meeting set to discuss rehab plans

Everett Shaw, executive director of Economic Development Corporation of Essex County, will discuss various plans for rehabilitation along Washington Avenue at a public meeting, Tuesday, June 18, 6 p.m., at Town Hall.

Shaw will be discussing alternatives, such as low interest loans, that are available to property owners in the area.

Mixed softball game set for June 23

For Pete's Sake of Belleville will sponsor its first Guys and Dolls Softball Game and Picnic, Sunday, June 23, at noon at Grover Cleveland Park in Caldwell.

A \$10 donation, which includes a t-shirt, will be given to the Special Olympics fund.

Food and beverage will be provided compliments of Pete Vaccarelli and Rae Romano, owners of For Pete's Sake.

Dog license fees must be paid

There are many residents of Belleville who still have not paid their annual dog license fees, a township employee said.

If dog license fees are not paid, residents will receive a \$20 summons.

License fees are as follows: \$5.20 for spade or neutered dogs; \$8.20 for those who or not.

Payments can be made at the tax collector's office at town hall during regular business hours.

Police auxiliary to sign up members

The Belleville Police Auxiliary Unit will conduct membership drives, Saturday, June 15, at the Pathmark Shopping Center on Washington Avenue, and Saturday, June 29, at the Grand Union Shopping Center on Main Street.

Both drives will be conducted from 2-6 p.m.

The auxiliary unit welcomes new members. Anyone interested in becoming a member of the unit can fill out an application at either location or call Irene Decker at 450-3344.

Republican chairman is re-elected

Angelo C. Risoli was re-elected Republican Town Chairman of Belleville at a reorganization meeting this past Monday at the Women's Club in Belleville.

Other officers elected were: Toni Marone, vice chairlady; Michele Monica, secretary; and Jerry DiNicola, treasurer.

Nine overhead traffic lights

New signals are installed

By Michelle Jeannotte

Traffic flow along Washington Avenue may be improved now that a new traffic system has been installed.

The new system, which was funded and installed by the state, provides nine overhead traffic signals along Washington Avenue from Mill Street to Overlook Avenue. A new overhead traffic signal will also be installed at the intersection of Greylock Parkway and Washington Avenue, Belleville Police Capt. Robert Russomanno of the traffic division, said.

All the intersections will now fall under state jurisdiction. Russomanno said, adding that Greylock Parkway was always maintained by the state. Only five of the nine lights are working at the present time.

Although the new system will provide a better flow of traffic along the avenue, there are still some problems that exist.

One problem, in particular, is the heavy traffic volume created in the area of the Pathmark

Shopping Center. In that area alone there are eight driveways; three for McDonald's, two for Brunswick Olympic Bowl, and four for Pathmark.

The heavy increase in the flow of traffic in that area has become the main concern of one Belleville resident, Ruth Shlissel. She believes that the area is a hazard to both motorists and pedestrians because there is no traffic light to regulate traffic.

"A lot of people have been hurt there," Shlissel said. "Someone even died there. You never know what could happen there."

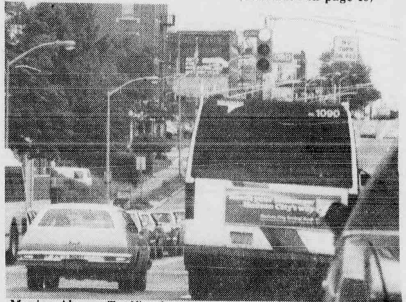

Shlissel brought her case before the board of commissioners and asked them to look into the matter. In response to Shlissel, Frank Rovell, superintendent of the Signal Division, has sent a letter to the state Department of Transportation officially requesting a traffic signal in the area.

According to Norman Deitch of the Department of Transportation, Washington Avenue (or

Route 7) is considered a state highway and falls under state jurisdiction. He said the township is following normal procedure in officially requesting a traffic signal from the state.

"There is no truth in the saying that somebody has to be killed before we put a light there," Deitch said. "All a municipality has to do is officially request a

BHS prepares for evaluation

The Belleville High School administration and staff have just about completed work on curriculum guides as part of their ongoing preparation for a four-day Middle States Evaluation this November.

In a presentation made before the Belleville Board of Education last week, Principal Joseph Ciccone described the process of establishing self-evaluation and curriculum guides.

"In every area of curriculum, a committee of teachers was put together," Ciccone said. "We had a cross-section of teachers who discussed how one program affects another and its

strengths, needs and plans."

Ciccone said that every school that is accredited by the state must undergo a 10-year evaluation by visiting out-of-state professionals. A visiting team will visit the school for three full days. It will study the school's curriculum as well as its student activities, services to students, staff and administration, maintenance and overall physical appearance of the building.

The focus of the evaluation has been the self-evaluation guides, which consist of a table of contents, philosophy and objectives of Belleville High School, major committee

reports and content area reports.

Each committee develops a report on a subject's strengths, needs and plans for improvement, Ciccone said.

"Every need has a formulated plan," he added. "A need is something we can improve upon, not a deficiency."

Once a report has been completed, it is examined by a steering committee, consisting of Ciccone, Vice Principal John Westlake, Frank Scelba, Ethel Williamson, guidance counselor, and Elsie Albertine, school nurse.

"The process is an ongoing re-evaluation," Ciccone said.

"We also established a curriculum guide format so that the guidelines are similar. Each respective guide has the same format."

Ciccone said that 182 curriculum guides were developed. Each contains the school's overall philosophy, objectives, course philosophy, goals, course objectives, student skills and a time frame for learning individual aspects of the course.

Some of the listed objectives of Belleville High School include:

"To prepare students for career opportunities consistent with

Tarantino is Sunbank vice president

Jaye Tarantino

Ms. Jaye Tarantino of Passaic has been named vice president of Sunbank Communications, Frank A. Orechio, president, announced today.

Ms. Tarantino, chairperson of the board of the Belleville Chamber of Commerce and owner of Tarantino's Ristorante in Belleville, began working part-time at Sunbank Communications this past February as an advertising representative.

She started in the newspaper business in 1975 as the assistant to the publisher for Garden State Nite Life, an entertainment newspaper in New Jersey. She was

also involved in advertising and production and was the author of a weekly column.

Ms. Tarantino became involved with the Township of Belleville when she bought Tarantino's Ristorante in 1979. She became a member of the Belleville Chamber of Commerce in 1981 and was elected the group's first woman president in 1982.

Her goals during her tenure as chamber president included increasing membership and revitalizing the group, both of which she accomplished. She was also responsible for the creation of the chamber's

slogan, "It's Better in Belleville."

As vice president of Sunbank Communications, Ms. Tarantino will assist Mr. Orechio with the company's operation, which includes the Nutley Sun, Belleville Times, Bloomfield Life and OBC-TV cable television.

"My priority is to establish a higher degree of communication between the press and communities," Ms. Tarantino said.

Born and raised in Union, she graduated from Union High School in 1969. She has been a resident of Passaic for the past 10 years.

Minimum Basic Skills scoring improves

The percentage of Belleville High School students meeting state requirements in Minimum Basic Skills testing has improved by more than 20 percent over an eight-year period, Dr. Benninger, director of personnel services, said.

Benninger, in a presentation made before the Belleville Board of Education, said that his study of testing scores from 1973 to 1985 has shown a 21.3 percent increase in reading scores and a

27 percent increase in math scores.

Reading scores have improved from 71.7 percent in 1978 to 93 percent in 1985, while math scores have improved from 67.6 percent to 94.6 percent.

"These figures mean more than nine out of 10 students pass the test," Dr. Anthony D'Agostino, school board president, said. "That is quite an impressive figure."

Benninger attributed the higher testing scores to an increased effort on the part of the elementary, middle and high school teachers. He also said that thorough attention has been paid to the fine points of test administration, which includes testing rooms, proctoring assignments, material distribution and make-up, by the high school guidance department.

Benninger said that a stu-

dent's environment has been found to play a major role in a student's test scores. He also said that there has been an increased effort and awareness of the test's significance on the part of students and parents.

The Minimum Basic Skills test, which counts as part of graduation requirements, will be replaced by the High School Proficiency Test (HSPT) next year. - By Michelle Jeannotte.

Art display at library features oils, pastels

The Art Association of Rutherford is presenting the works of four artists, whose 20 paintings in oils, pastels, acrylics, and watercolors are on exhibit at the Belleville Public Library, 221 Washington Ave., this month.

Heleen Bremmer of Lyndhurst works in watercolor, pastel and conte crayon. She has studied with Ferdinand Petrie and H. Westin Conant in recent years. Her formal training was at Hunter College.

Otto Mayr of Nutley pursued an art education in Germany and the United States, which led to a 35-year career in textile design and styling. Recently he attended Rutherford Adult School for three years and studied with

Charles Brandenburg.

Mildred Montolio of Lyndhurst taught watercolor and acrylic painting at the Rutherford Adult School for many years. Her early training in art was at the Fine Arts High School in Newark.

Ray Teichman of Woodbridge attended the Philadelphia College of Art and later studied at Pratt Institute and the Art Students League in New York City. He has had an extensive career in commercial art and design, which included manager of art and design for Lever Brothers.

This member show by the Art Association of Rutherford is the eighth group show by the organization during the 1984-85 year.

For 2 or 3 years I have been getting permanent from my daughter who recently became a beautician. She has a job in a beauty salon. As a good mother I need to be the beauty salon where she works to get a permanent. She ruled my hair on the rods, put lotion on it, and her boss told her to put hot clamps on my hair. She was also told to keep it in for 10 minutes and rise. When my hair dried it was so curly that my daughter couldn't comb it. What went wrong? My daughter has given me many permanent and this never happened.

The good mother: What you had done is an artificial method of giving permanent. I personally don't believe in those things. I like to use my knowledge and techniques. Those machines are used by people who have little knowledge of permanent. Those hot clamps speed the process of a permanent. In your case 10 minutes was too long. Probably you should have the lotion on for no longer than 5 minutes. What I suggest now is to get a good hairdresser to cut the ends. If you are unhappy with your perm feel free to stop in. I will check your hair and advise you.

ASTHMA AND SULFITES
Do you have asthma? Be particularly cautious about taking a trip through a restaurant's salad bar. In many restaurants, sulfites are sprayed on lettuce, avocado dips, French fries, and other foods to prevent discoloration and spoilage. These sulfite compounds may trigger an allergic reaction among approximately five percent of the eight to ten million Americans with asthma (plus an unknown number without asthma). Reactions vary from mild to those that are occasionally life-threatening. People with asthma may cough, wheeze or feel a tightness in the chest and shortness of breath. Other symptoms include shock, loss of consciousness and abdominal pain. It is suggested that you ask restaurant personnel if sulfites are used before partaking of the salad bar.

You can depend on our personnel for friendly, helpful service. When you have a prescription to be filled bring it to ROS-SMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. We are Medicare and Blue Cross approved. Don't forget us for Father's Day and graduation gifts. Times watches, greeting cards, Russell Stover candy and many other items are available. Open: 9am-10pm daily, 9am-9pm Sundays. We hope your Father's Day is a happy, relaxing one.

HANDY HINT:
People who react severely to sulfites should carry adrenaline with them. It will buy time until emergency care is available.

Nail Disorders - Part I

Disease of the nail is the most common condition seen by a Podiatrist on the entire foot.

Is it congenital, systemic, local, traumatic, Psoriasis infectious, tumorous, or a vitamin deficiency? Congenital nail deviations are errors of development that produce abnormalities such as double nail. Another such condition involves nail involvement thickening of the palms of the hand and soles of the foot. However, most nail disorders are due to local factors including trauma and fungus.

Onychia is an inflammation of the root which extends into the nail grooves. It affects the great toe most frequently where it is caused by trauma from pressure of a shoe or due to an infection.

Paronychia is an inflammation that also affects the nail groove. However, it is rarely caused by internal or skin diseases. If prolonged shoe pressure occurs, drainage may occur in the area of the skin on the side of the nail. Characteristic of the condition is thickening and ulceration of the skin.

Mr. and Mrs. Tony DelCorsano - nee Vikki Kohler

Vikki Kohler weds Tony DelCorsano

Vikki Kohler of Towaco and Tony DelCorsano of Newark teamed up last fall to design and instruct Belleville High School's first competition winter color guard, Illusion. With their instructors cheering them on, Illusion marched on to the competition floor and never missed bringing home a trophy for Belleville.

The couple teamed up this May on a more permanent basis.

With the members of Illusion cheering them on, they marched down the aisle in St. Pius Church, Montville and were married by Monsignor Joseph Meyer.

After a honeymoon cruise in the Caribbean, the DelCorsanos are living in Newark. Both will be instructing Belleville High School's band during band competition season and Illusion during the winter.

Volunteers honored - Volunteers honored at Clara Maass' Volunteer Recognition Awards ceremony are joined by Dr. Gerard Cicalese and Robert Curtis. Front: Lola McDermott, Josephine Pleszak and Janet Daly; rear, Dr. Cicalese, Marie Schaffer and Mr. Curtis.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Malo

Mrs. A. of Belleville asks: "My 8 year old daughter has a baby tooth that the dentist wants to do a root canal on. Why not pull it out?"

The tooth in question Mrs. A. is probably a baby tooth which normally would stay another 2-4 years. Should that tooth be removed earlier than the other primary (baby) teeth could shift and obliterate that space making eruption of the permanent tooth difficult or impossible.

The other alternatives should you decide on extraction is afterwards to have a space maintainer made. As the name implies this prevents shifting of the surrounding teeth into the extracted space. Our opinion is to have the pulpotomy (root canal) done and keep nature's teeth for as long as it was intended. It will be less expensive and more comfortable than other alternatives.

The people of Nutley wish Mr. Robert Villacari a very Happy Birthday. Keep smiling.

Dad's day: A 75 year tradition

It's true! This Father's Day marks the 75th Diamond Anniversary observance of Mrs. John Bruce Dodd's dream. For it was back in Spokane, Washington, in 1910 that the first Father's Day sermons were preached to inaugurate, however humbly, one of our favorite national holidays.

This year's observance is being marked by the publication of a *Commemorative Collection*, a hard-cover book that traces, in words and pictures, many of the Fathers of the Year named over the past 50 years and the growth of the Father's Day Movement.

It was barely 50 years ago that the National Father's Day Committee was formed to generate awareness of and support for Father's Day. During the ensuing two generations, more than 500 role-model American fathers have been singled out for Father of the Year Honors. The honors list reads like a who's who of modern Americana, profiling, year by year, our goals and aspirations, as expressed through our leaders.

Over the years the honors have been bestowed on Presidents, statesmen, legislators, entertainers, scholars, writers, broadcasters, leading athletes, educators, medical authorities and "just plain Americans."

Among the many honored recipients are such famous figures as Presidents Truman, Kennedy, Ford and Reagan; Senators McClellan, Javits, Muskie, Percy, and Ted and Robert Kennedy; such leading sportsmen as Babe Ruth, Jack Nicklaus, Mickey Mantle, Roger Staubach, Johnny Unitas, Sugar Ray Leonard, Jackie Robinson, Stan Smith and Pete Rozelle; entertainers like Edie Cantor, Bob Hope, Irving Berlin, Sid Caesar, Milton Berle, Jack Benny, Dom DeLuise, Henry Fonda, and Gregory Peck; Dr. Howard DeBakey, Speaker of the House Thomas P. O'Neill, Jesse Owens and many others have also been honored.

In celebration of the Diamond Anniversary Awards Luncheon on May 21st in New York, all living Fathers of the Year have been invited to attend as guests of the National Father's Day Committee as a tribute to the 1985 Father of the Year honoree list.

Middle School presents 'You Can't Take It With You'

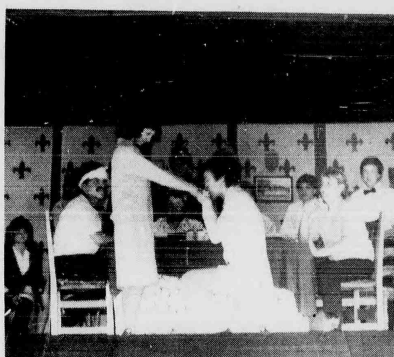

Female Roles - Preparing themselves for their roles in the Belleville Middle School's play, "You Can't Take It With You," are: (l-r) Loren Brown as Reba; Kerri Spatcher as a government agent; Kimberly Fraene as Mrs. Kirby; Chantel Hughes as a government agent; Julie Pedalino as the Grand Duchess; Jennifer Harrison as Alice; Kristina Bonacorsa as Penelope Sycamore; Loren Brown as Essie Carmichael; and Jennifer Aiello as Miss Wellington.

Male Roles - Preparing themselves for their roles in the Belleville Middle School's play, "You Can't Take It With You," are: (front, l-r) Mark Tonelli as Mr. Kirby; Michael Dias as a government agent; Nestor Hill as Ed Carmichael; Julio Rodriguez as Donald; and Frank Van Syckel as Grandpa Vanderhof. Also (back, l-r) Frank Cancro as Tony; Herbert Ingram as Mr. Henderson; Sal Taibi as Mr. Kolenkhov; Steven Tice as Paul Sycamore; and Joseph Gonnello as Mr. DePinna.

Great Accent - Taking a bow after his performance as Mr. Kolenkhov is Sal Taibi. Taibi gave a delightful performance, Russian accent and all, as the Russian ballet teacher who tried to teach Essie Carmichael how to dance.

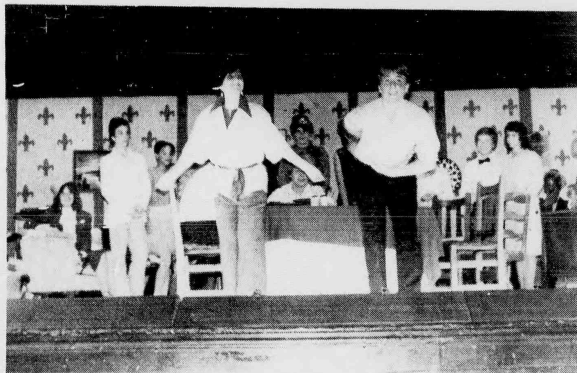

A Wedding in the Future? - There seems to be a bright future for Alice, played by Jennifer Harrison, and Tony, played by Frank Cancro, as they take a bow after their performances. The future seemed kind of rough at first, but by the end of the play, all romantic problems seemed to be resolved.

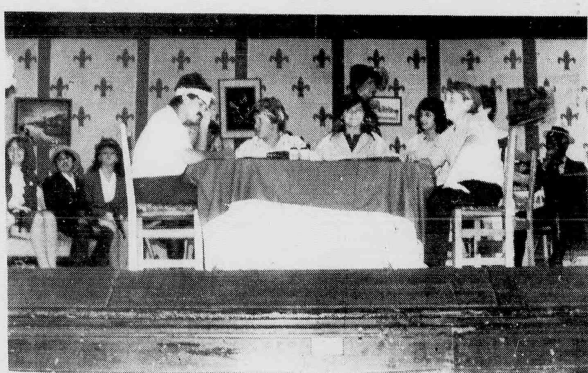

Pretty Smart for an Old Man - Frank Van Syckel takes a bow after his performance as Grandpa Vanderhof in the Belleville Middle School's comedy, "You Can't Take It With You." Poor grandpa got away with not paying any taxes for more than 30 years because the Internal Revenue Service thought he was dead.

The Sycamores - Kristina Bonacorsa and Steven Tice take a bow after their performances as Penelope and Paul Sycamore. They were the second generation of a three-generation family living under one roof during the Depression in "You Can't Take It With You."

Hollywood Here They Come - Some members of the cast of "You Can't Take It With You" are seen during their performance. They are: (l-r) Joseph Gonnello as Mr. DePinna; Frank Van Syckel as Grandpa; Kristina Bonacorsa as Penelope; Julie Pedalino as the Grand Duchess (background); Jennifer Harrison as Alice; and Steven Tice as Paul.

Helpful Helpers - Valerie Nesto and Julio Rodriguez, as Reba and Donald, take a bow after their performances as helpers to the Sycamore family. They were only two of the many who lived under the Sycamore roof.

The Married Couple - Loren Brown and Nestor Hill, as Essie and Ed Carmichael, take their bows after the performance of "You Can't Take It With You" May 31. The set used for the play was designed by Marcia Miele and painted by her art students. The set was built by Michael Hudak and his wood shop students.

Certificate of Recognition - Assemblyman Steven Aduabato (D-30) presents a certificate of recognition to Sandra Lowy, director of "You Can't Take It With You," after the performance May 31.

Richard Ruffalo receives citation from MSC Alumni Association

Richard Ruffalo, Belleville High School science teacher, was recently recognized by the Montclair State College Alumni Association.

He received a citation along with Dr. Audrey Vincentz Leaf of Mountain Lakes.

The association also honored Dr. Mary C. Bredeimeier of Somerset with the "Outstanding Faculty Award," which is presented annually to a tenured member of the faculty who has demonstrated the highest level of professional achievement and service to the college.

Bredeimeier is a professor in the college's Department of Educational Foundations.

The Alumni Citation Awards, presented to Ruffalo and Leaf, are awarded in recognition of their achievement and endeavors that benefit society as a whole and for outstanding service to the college.

Ruffalo, a 1973 MSC graduate, teaches biology at Belleville High School. He received a Bachelor of Arts degree in biology and his Master of Arts degree in 1979 from MSC.

In his senior year at the college, Ruffalo was diagnosed as having retinitis pigmentosa, a condition of the eye that eventually causes blindness. He is now blind, but his condition has not kept him from combining service to others with personal accomplishment.

Ruffalo, a native of Bloomfield, recently received the Frank G. Megaro Civic and Welfare Association "Man of the Year" award. In 1984 he received a special citation from the Belleville Board of Education in recognition of his world javelin record and the gold

medals he received at the United States Association of Blind Athletes (USABA) National Championships in St. Louis.

He also received a special citation as honorary recruiter for the U.S. Air Force. Ruffalo has been active in both academics and athletics at Belleville High School. He has assisted in revamping and developing course descriptions, organized a basic electricity class, developed a career awareness program, lectured and served on workshops and committees.

On a national level, Ruffalo holds the USABA records in low vision masters short put, open javelin, master 400-meter run, masters 50-meter freestyle swim, masters 100-meter backstroke and powerlifting bench press.

Alumni Association Awards - Donna Meade-Pendley of Montclair, (left) president of the Montclair State College Alumni Association, presents Alumni Citations to Richard Ruffalo of Belleville and Dr. Audrey Vincentz Leaf of Mountain Lakes during the association's recent Alumni Weekend on campus. Belleville Times SPORTS

Bucs loose in semi-finals

The Belleville baseball team closed out its 1985 season on a somewhat disappointing note, losing to Elizabeth, 2-5 in the semi-finals of the Group IV, Section II tourney in Elizabeth last week.

Next Week, the Times will wrap up the 1985 season for Ralph La Conte and crew.

The game was somewhat disappointing because of the way in which Belleville lost. Playing the number one team in the State, the Bucs reliable pitching staff had a bad day on the mound, yielding Belleville lost. Playing the number one team in the State, the Bucs reliable pitching staff had a bad day on the mound, yielding said La Conte, "however, we couldn't get the pitching we needed and lost control of the game. I don't think we walked 17 batters in the entire month of May. It was just one of those games. Nothing seemed to go right for us. We had them scouted well. We knew

they were a good contact hitting team, a club with not a lot of power but the ability to spray the ball around the field. I thought we had a good chance, especially with our offense, but it didn't pan out."

Elizabeth scored three times in the top of the first for a quick lead, a lead they would never relinquish. The lead off batter drilled a drive into deep right field. The runner attempted a triple, but the Bucs set up a perfect relay to get the Elizabeth runner at third for an apparent out. "It would have been a big moral boost for us," recalled La Conte. "However, it didn't work out."

It didn't work out because the umpire rules the ball was "dead" and the runner was awarded an automatic double. "He said it was in dead ball area, which I didn't argue with," La Conte said. "I was just wondering why he didn't call it at first."

Belleville scored two runs in their half of the first when Joe Mullaney singled and John Aurimma hit a two run homer. With the score 3-2, Dave Long doubles and Steve Mulhearn hit an infield single to put men on first and third. However, Long was caught on a suicide squeeze and the inning ended 3-2.

Jim Dunphy (7-1) started for Belleville and lasted until the fourth inning. The sophomore was relieved by senior Tom Reid who pitched until the sixth. Lou Lu Conte came in to pitch an inning and Allan Ruopp hurled the final frame. Elizabeth scored once in the second, twice in the third and fourth, three times in the fifth, five times in the sixth and six more in the seventh frame to put the lights out on any Belleville rally.

The Bucs tallied two runs in the fifth and one more in the sixth. In the fifth, Long walked and Mulhearn singles. A fielders choice and groundout scored the

two men with the third and fourth Belleville runs of the day. In the sixth, Joe Feith reached safely when he was hit by a pitch. Feith went to second on a single by Ruopp and to third on a single by Mullaney, who finished 3-5 on the day. Long hit a sacrifice fly to bring home Feith with the final Belleville run of the day, and the season.

"It was a very good season," La Conte said of his teams 18-8-2 record. "You can't take that away from them. The kids had an excellent season. This was just one of those games where nothing seemed to go right."

NOTES: Belleville had eight hits in the game. The loss was Dunphy's first this season. Bucs hit .340 this season, as compared to .318 last year and .220 in 1983. Elizabeth played Kearny last Monday in the semi-finals of the State tournament. Cedar Grove won the Greater Newark Tourney over Caldwell, 2-1 in nine innings.

KEY PITCHING — The Buc baseball team finished the season 18-8-2 with some fine pitching. They also got excellent hitting as the team batted .340 for the year.

Lady Bucs rebuilding season turned into unexpected big hit

After a 24-5 season in 1984, Carl Corino figured his team would be in for a slight rebuilding job in 1985. His team had lost all 24 state performers in Dina DeAquino and Tracy Buono and since pitching usually determines how good a team would be, Corino was somewhat concerned about his 1985 team.

Well, after two months and another 24 victories, Corino need not be concerned any more. The girls of 1985 put to rest any questions that the team could not win effectively without the big names of recent years. With new players like Trish Trumitola, Sue Schuster, Cheri Tillman and the added veterans like Donna Brooks and Desiree Johansen, the girls posted a 24-6 record in 1985, advancing to the finals of the Essex County tournament and also advancing to the Group IV, Section II championship.

Belleville's only losses this season came to Union (9-6),

Clifton, twice (5-3 and 2-1), Bloomfield (3-2), Livingston (4-3) in the county finals and Westfield (3-0) in the sectional finals. The girls scored 284 runs, allowing just 129. Belleville cracked an impressive 257 hits, while allowing 135. On 13 occasions this year, the girls scored ten or more runs. The pitching staff posted three shutouts and the team was shutout only once, that coming to Westfield in the final game of the season.

Belleville was second in the conference to Bloomfield, losing a shot at winning the NNJIL when the team lost a controversial 3-2 decision to the Lady Bengals on May 10. The following night, Belleville came back to defeat Bloomfield, 17-14, in the county semi-finals at Paluski Park. The following weekend, the girls were upset by upstart Livingston, 4-3, in the finals. It was the fourth straight year that Belleville had advanced to the

finals, but the second straight season in which the girls had lost the title game.

Perhaps the two biggest victories of the season was the 4-3 victory over Edgewood on April 12 and the come from behind 2-1 upset over top seeded Union in the semi-finals of the Group IV, Section II tourney. Union had defeated Belleville earlier in the season and had also stopped the Lady Bucs in the state tournaments of 1983 and 84.

Individually, senior Donna Brooks was incredible. She hit a robust 506, with seven homers and 40 runs batted in. She had a slugging percentage of .832, a fielding ratio of .918 and an on base percentage of .642. She drilled 48 hits, setting a new club record for most career hits in the process, and struck out just three times all season long. Brookside committed just six errors all season long. The senior will be attending Montclair State

College in the fall. "Brookside did the job for us," Corino said. "She hit for us, ran the bases well and anchored the outfield. She is just a great athlete and will be very hard to replace."

Senior Liz Goldrick was hampered by an early ankle injury and batted just six times. She hit .500, with three hits and three ribbies. Second baseman Cheryl Marion hit just .228, but here contribution came in the field, where she played a solid defensive game. Marion, along with shortstop Desiree Johansen, sewed up the middle defense for the Lady Bucs.

Johannes hit .337, with one homer and 23 ribbies. Johannes had an early season injury, but came around with the bat in the latter stages of the season. Her defense, as usual, was excellent all throughout the campaign.

Crew team wins third consecutive national title

Since the spring of 1965, Sam Guifrida has been coaching crew at Belleville High School. He has had some good teams. The crew of 1978 was one of his best teams, winning a number of regattas and bringing back fond memories throughout the years. However, Guifrida will be hard pressed to top the performance turned in by the 1985 Belleville crew team.

"We set our goals and accomplish them," the coach said, referring to a third national championship, the return of the Goodwill Regatta trophy and advancement in the Flick races at Philadelphia. "Our girls senior

four had a tremendous career. To win one national championship is a coaches dream. But to win three in a four year period is just unbelievable. I don't know of any other team that was able to do that. I've been around for a long time, but don't think I've seen a team that had that type of chemistry. The girls weren't great athletes, but they were so determined. Everyone on that boat just gave everything they could, which was the story of everyone on this year's teams. There weren't a lot of numbers, but everyone did the job. We had

Baseball and Softball: Winners

This past season was certainly successful for the varsity baseball and softball teams. The baseball team, under coach Ralph La Conte, posted an 18-8-2 record, winning a share of the NNJIL conference and advancing to the sectional semi finals before losing to powerful Elizabeth.

The softball team boasted a 24-6 record, advancing to the finals of the county tournament for the fourth straight year and finishing as finalists in the sectional tourney. The Lady Bucs had a good talent of experience and youth and coach Carl Corino certainly can be proud of the accomplishments of his team.

The future for both La Conte and Corino also looks solid. The reason for this comes from men like Nick Grande and Tony De Aquino. They are behind the scenes coaches, people who do not get the recognition they deserve, but get the job done just the same.

Grande and De Aquino are the junior varsity coaches of the baseball and softball teams respectively. Both men had plenty to be proud about concerning their teams this spring. The boys JV team finished with a 17-9-1 mark, advancing to the finals of the Belleville Junior Varsity tournament while the girls posted a 13-9 record.

What you have to remember about junior varsity sports is that the moment an athlete starts to come around, he or she is called up to see varsity action. Grande likes to refer to it as the revolving door method of coaching. What we all have to respect is that despite the large turnover and different lineups, the coaches still produced winning records. Credit it to

talent on the part of the athletes and good coaching on the part of Grande and De Aquino.

The girls junior varsity team is brand new to Belleville High. "When I first started coaching softball (in 1980), there was not a junior varsity or freshman program," recalled Corino. "It took a lot of years for us to get a JV program and now, we have three levels of high school ball. We also have the suburban softball league for seven and eighth graders, so the move to varsity ball is not as sudden. The players have been competing and know our system."

This years team had a strong offense. The girls outscored its opponent, 363-182. As a team, the Lady Bucs hit .400, with every player on the team hitting over .300. Belleville averaged 16 runs a game, giving up eight.

Pitching was led by freshman Michele Calderone, but most fans know that the frosh was called up in mid season by Corino and went on to earn NNJIL first team honors for her outstanding pitching on the varsity. Calderone has excellent control and pitched in some very critical ball games. "She did a great job for us, F Corino said. "Michele gave us the control pitcher we needed this season."

Another freshman, Jeanne Luzzi, also earned a varsity letter for her performance on the mound for Corino this season. On the jayvee, Luzzi did a fine job and next season, should be a big part of Corino's plans.

Racquel Melson. Samantha Russomanno and Sandy Brew also saw time on the pitching mound. Those three girls earned varsity letters in

addition to their contributions to the varsity and are only freshman.

Behind the plate was Danielle Walker and Phylis Bindi while Brew and Kim Carrera played first base. Over at second was Cindy Ruggiero (varsity letter winner) and Janet Reiman. The shortstop position was shared by Carlene Hahn and Russomanno. In left field were Melson and Renee Petinoe, the centerfielders were Ellen Kempksi and Daneen Rock while Tracy Delaney and Susan Friend played in right field.

At the plate, the averages were astronomical. Hahn hit .404, Friend, .541, Russomanno, .615, Carrera, .315, Kempksi, .436, Bindi, .400, Brew, .342, Delaney, .371, Melson, .539, Walker, .627, Mac Arthur, .454, Calderone, .481, Hahn, .444, Reiman, .431, Ruggiero, .529 and Luzzi, .560.

Some of the scores of the girls games give an idea of the hitting potential the team possesses. Belleville beat Queen of Peace, 15-6, Bayonne, 28-5, Nutley, 24-11, Passaic, 37-3, Paterson Eastside, 27-6 and Montclair, 29-11. The team also lost some heartbreakers, like a 21-19 setback to Immaculate Heart, a 5-2 loss to a good Union team, an 8-5 loss to Paramus and a 9-8 setback at the hands of Clifton.

For the boys, the final record of 17-9-1 was culminated with an appearance in the JV baseball tourney, sponsored by the Belleville Optimists and played at Belleville High. Seven teams took part in the tourney this year, with rivals Belleville and Nutley taking part in the finals. The Maroon won, 4-3 with a homer in the seventh inning that broke a 3 all tie. In the

semi finals of the tourney, the Bucs had to defeat Columbia and needed 16 innings to do so. It was an exciting back and forth affair that saw Bob Hutchinson pitch the first 7-13 innings for Belleville, Lou Lu Conte hurl the next five and Jaime Galioto finish up and earn the win. John Veltel baited a two run homer to help the Belleville cause and the winning run was scored by Lu Conte on a wild pitch.

"We had tremendous responses from the parents and coaches on the tournament," said Grande. "Next year, we're hoping for 18 teams in the tourney. Many people felt that this was a good thing for junior varsity baseball. It gives the players some recognition and brought a lot of interest."

Al Best of Belleville capped the tournament by being named the Most Valuable Player. Best was cited for his outstanding play on both sides of the field.

"I'm proud of the entire team," said Grande. "We made a lot of strides this season, everyone played a part in our success. I'm very optimistic about the baseball program at Belleville for the next couple of years. We had a good freshman team (the frosh finished 16-3) and the varsity won 18 games. I think the program is in good shape."

It was indeed a fine, all around season for the baseball and softball programs at Belleville High. A lot of the names mentioned in this column could be in the headlines for the next couple of years.

Turning a minute to major league baseball, the players should think very seriously about this strike plan

for the all star break. Back in 1981, the strike was not popular and it took the fans a season to generate a lot of enthusiasm. It left a bad taste in everyone's mouth. Now, four years later, the players have this idea that a strike is in order. They are citing things like pensions and free agency as part of their problems with the owners. What they might be forgetting is that without the fans, there is no baseball. The average player earns around \$250,000 a season. A fan, typically a hard working middle class individual, with an average salary of \$25,000, is not going to take lightly to the players striking. The fans of today are very knowledgeable in the world of business and sports. They are very aware of what the players earn and will find it hard to understand why they want to strike. If the fans don't support the team, then forget the team. Just ask the Cosmos of the now defunct NASL. They went under because of lack of fan support. Baseball might not go under, but another strike could be very serious to the future of the game on the professional level.

For this weeks quiz, name the Celtics starting five in 1969, the year they won a second straight NBA title. Also, name the team the Celtics beat in the finals and how many games it went.

a great mix of kids this year." The big story, once more, was the performance of the girls senior four shell. As freshman in 1982, the team won a title in the junior eight. After placing third in the 1983 nationals, the team came back to win the nationals in the junior four last year and culminated a tremendous career with a second straight title in the senior four shell this season. "The girls were a great team," Giuffrida said. "You can't say anything more than that. They have represented Belleville so well, they have put us on the map in crew and have helped to

make us a well respected crew school."

Giuffrida was also very pleased with the boys team this year. The boys senior four pulled off a big victory in the Goodwill Regatta, defeating Nutley and assuring a Belleville victory. "If they don't win that race," the coach said, "then forget the Goodwill. That was the determining race and the boys did the job. They hadn't defeated Nutley all season long, but in this race, they won by ten lengths."

Continuing, Giuffrida said, "the boys senior four was a hard working shell. They just had a lot of hard luck this season. The competition was solid throughout the year in the senior four shells and our boys had to work hard in every race. They did a very good job for us."

The coach was very optimistic with the performance of the boys junior four shells. "We have both shells back next year. Our junior four boys team won 45 races this year, which is a new school record. They were second in the Stotesbury Regatta and did a good job in the nationals. All told, we lost just

three seniors to graduation and return eight varsity crew members next season."

The coach is looking for a big year in the boys season next year. "With a little luck, we could be very strong in the boys boats next year. Of course, you have to hope that everyone stays healthy, but we should be in real good shape for next season. There was a great attitude, which started with the seniors and filtered down to the lower levels. The team now expects to be in the nationals and to make a good run at the big schools. This season was a team effort. Everyone did the job and everyone deserves all the good things that happened this year."

The coach plans no major changes for next season. The Bucs will still compete in the Manny Flick races and in the various regattas. "We are looking to race against the best competition, you only get better against the good teams."

Giuffrida also expressed praise toward the coaches, Scott Fabian, Tom Apicella and Bob Cassin. "I did a tremendous job all season long. I can't say enough about their help and their enthusiasm. This was indeed, a total team effort."

NOTES: Girls team finished with an unbelievable record of 129-20 during their four year career. Giuffrida was also very proud of the freshman and novice boats, which showed a lot of potential during the season. Seniors Stephanie Aiello, Jackie Mele and Diane Black all won three national titles during their four year career.

Rec playground program to begin

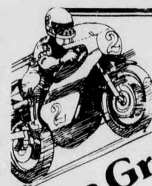

The Belleville Recreation Department's summer playground program will begin on Monday, June 24.

Playground sites are located at School 8 (Clearman Field), School 9, School 10, the Municipal Stadium, the Recreation House, Fairway Park, the Friendly House. The Kelly Field playground on William Street will be opened upon completion of re-furbishing there. The Special Education playground will be at the Belleville Little League Field beginning July 1.

The playground will be open to all Belleville residents ages 6-16 from 9 a.m. to noon and 1-4 p.m. Monday through Friday until August 16.

A college director will be on hand at each playground to organize games, parties, and other activities and an arts and crafts supervisor will travel from site to site.

Learn-to-swim classes, tennis lessons and special tournaments will be held throughout the summer. The playground season will wind up with the Recreation Department's annual decathlon.

DeBacco suffers first loss of season but still leads Wednesday "A" League at 6-1

DeBacco's still leads the way in the Belleville Recreation Men's Softball Wednesday "A" League standings, despite suffering their first loss of the 1985 campaign last week. DeBacco's (6-1) defeated Quick Copy 8-0 before losing a 12-0 decision to DeLorenzo Construction. DeLorenzo (5-2) also defeated Eastern Molding 6-3, and Eastern Molding (1-6) lost to Michael's Roscommon House 10-6. Roscommon Pharmacy swept a doubleheader to improve to 3-4,

beating Quick Copy 5-4 and Michael's 7-0. Michael's Roscommon House is now 4-3 while Quick Copy stands at 2-5. Garden State Pet and Rosebud's Pub are knotted at 6-1 to lead the Thursday "B" League standings. Garden State Pet topped Nu Plas 10-6 and shut out Eastern Sales 8-0. Rosebud's Pub edged Eastern Sales 13-12 and bested Valco Contractors 8-1. Valco (5-2) defeated Campbell Tools 13-1, then Campbell Tools drubbed Nu Plas 14-2 for their

first victory of the season. Nu Plas is 3-4 and Eastern Sales is 0-7. In the Tuesday "B" League, All Guard Insurance edged rivals Megaro Memorial Home 4-3 to knot those two same teams in first place with like 4-1 records. All Guard also defeated

Belleville Shoes 9-1 while Megaro set back Roselli's Amoco 6-4. Roselli's (3-3) defeated Belleville Political and Social Club 6-4, the BPSC (2-3) rebounded for a 10-8 decision over Guy's Auto Salvage. Belleville Shoes (3-2) edged Guy's Auto Salvage 8-7. Guy's is 0-6.

corner of Mill St. & Union Ave.

By Lisa A. Grimaldi

When dining at Lee's Hawaiian Islander on the corner of Stuyvesant Ave. and River Road in Lyndhurst, it is easy to imagine that you are in an exotic Polynesian locale, with its subdued, romantic atmosphere of secluded tables, volcanic rock walls, water fall, outrigger canoe, and Hawaiian masks hanging on the walls.

Stanley Din wants everyone to know that he is back at Lee's Hawaiian Islander in Lyndhurst, and he is ready to serve all his friends. This affable gentleman was hosting at the Lee's in Clifton, until recently, but now he is back to stay.

Lee's has been popular for many years now for its fine Oriental and Polynesian dishes. I decided to try the Chinese Smorgasboard that is a popular feature of Lee's, and is available every Monday, Tuesday, and Wednesday, 5 - 10 p.m.

There were three soups, eight appetizers, eight entrees, and three desserts at the smorgasboard. I had the Wonton Soup, which was delicious. For appetizers, I tried the shrimp toast, boneless spareribs, an egg roll (which was crisp and not greasy). There were also fried shrimp and vegetables which my companion tried, and found very good. The entrees were all scrumptious: I sampled the roast pork with broccoli, the pork fried rice, the chicken with orange sauce (my favorite buffet item), and vegetarian's delight. In addition, Stanley had us try one of the house specialties, on the regular menu, called love nest. It was one of the most delicious Oriental dishes I've ever tasted. It consisted of shrimp, beef, and chicken cooked with vegetables, and served in a unique "nest" of thin potato strands.

Lee's has many other specialty items on their menu. There is also a full selection of exotic tropical drinks, and a special luncheon menu, plus a very popular take-out service.

Lee's is located at 768 Stuyvesant Ave. It is open from 11:30 a.m. until 1 a.m. daily, and until 2 a.m. on Friday and Saturdays. They are open 7 days a week. There is a seating capacity of 175, and reservations accepted at 939-3777. There is a party room available upstairs. It is easily accessible for disabled persons.

An Open Letter to the Editor:

In response to your article entitled, "Clarification," the clarification of an alleged forgery, I do agree that anyone who forged someone else's name should forfeit the right to voice his opinion. However, what I disagree with, is the part where you wrote that it was an erroneous letter pertaining to a letter signed by Jackie Rega.

I, on numerous occasions had business in the Town Hall and did see that Mr. Kevin Kennedy was sitting in a chair with his feet relaxing on the desk in the town clerk's office. This, I feel is not proper.

If he is employed there, he should be working, and if he's not, then he should get the heck out of there. I feel that whoever is in charge of that department should remedy the situation immediately. I don't believe that it looks right for the taxpayers to walk in and see Mr. Kevin Kennedy who, I am sure must be disrupting township business, sitting there.

Commissioner McGreevy, I understand that you are in charge of this department. If you are, would you kindly remedy this situation. Thank you.

Pet of the Week

Snoopy

This is Snoopy. She was born on May 9, 1978. Snoopy got her name because of always snooping around and getting into everything when she was a puppy. She sure is a great companion to have around. It seems when you talk to her she understands you, almost as if she knew what you were saying. Sometimes it seems in her own way, either the way she looks at you or the way she acts, she tries to help you feel better or cheer up and smile.

Snoopy loves children, as long as they don't tease or throw things at her.

All I have to say is, whoever wrote: "A dog is a man's best friend," they must have had Snoopy in mind.

A Gift to the AMERICAN CANCER SOCIETY MEMORIAL PROGRAM

will help in the war against cancer.

WHAT IS A SLIPPED DISC?

Slipped disc is a stock American phrase that people use for almost every back pain. Actually, the term is incorrect because a disc does not slip or go out of place. There are three types of disc problems that develop: Degenerative disc, protruded disc, and ruptured disc. An actual rupture of a spinal disc accounts for less than 3 percent of the most severe cases.

In a serious back problem, the pain may not be continuous or severe but it never really goes away. It may only strike when you rise from a chair, move suddenly, or attempt to lift a heavy object. You can stand for very long and long rides in an automobile may leave you temporarily crippled. Many people only have back pain from bed in the morning. At first it only lasts a few minutes and fades away as you move about, but as time goes by the pain becomes chronic throughout the day.

The true diagnosis of back problems locates the specific cause and it demands expertise beyond the capabilities of the average medical doctor. Powerful drugs that can relieve pain are dangerous and deceptive. They interfere with the body's own recuperative processes, mask useful diagnostic signs and hide the fact that destructive processes are continuing unabated.

Chiropractors have the special knowledge, training and skill needed to eliminate the causes of back pain in more than 95 percent of the common back pain problems. Call for a check-up today.

traffic signal from the state. Once we get a letter, we send people there to check out traffic volume as well as other aspects."

Deitch said that the state also conducts delay studies to see how long a car must wait to continue moving whether there is a signal or not. The state will observe traffic randomly over a period of several weeks, he said.

"We (the state) have installed signals at intersections where there have been no accidents and even turned down ones where there have been accidents," Deitch said. "We look for the potential of accidents happening."

Deitch also said that the state receives input from the municipality in discussing problems in the area, such as ac-

cidents.

"Signals prevent right angle accidents and pedestrian injuries," Deitch said. "while no signals cause same direction accidents and left angle accidents."

Deitch said, however, that a traffic signal in this particular area may not be the cure. Because of the number of driveways, it would have to be determined which driveway to signal. That could also cause problems, he said.

If the state does approve a traffic signal there, it would be the responsibility of either the commercial developer or the municipality, Deitch said. He said the area does not fall under state jurisdiction because the driveways provide access to commercial business and does not serve all the moving public.

"We also have to look at the number of traffic signals in a given area," Deitch said. "We have to have reasonable space in between. If we put a light anywhere there is a driveway, we would decrease the capacity of the roadway."

Deitch added by saying that putting up a traffic signal takes time. He said that a plan has to be approved, designed and funded as well as the completion of a state highway accident analysis and other studies.

their capabilities, aptitudes and desires:

- To promote the understanding of the rights and responsibilities of citizenship in a democratic society.
- To develop and promote the knowledge and skills necessary for the effective use of leisure time;
- To provide programs geared to the educational and vocational goals of the students;
- To develop the student's abilities to think critically through experimentation, evaluation, interpretation, analysis and synthesis; and
- To develop and promote positive understanding and com-

munication in human interpersonal relationships.

Ciccone said that the visiting team will be shown a videotape, produced by BHS teacher Marilyn Mango, that will give them an overall view of the township as well as the school itself.

In his presentation, the second of three reports, Ciccone said that the focus of the preparations will turn to the repair of the interior and exterior of the building. He said that most of the painting of the rooms and maintenance of the building will be completed over the summer. - By Michelle Jean-

Sen. Orechio named Legislator of the Year

Senate President Carmen A. Orechio has been named Legislator of the Year - North East Region by the National Rehabilitation Association.

The Association presented the award at its annual convention held recently in Atlantic City. The private non-profit group represents professional rehabilitation and medical personnel, as well as rehabilitation facilities and community organizations in the north east area.

Senator Orechio was cited for his work concerning the needs of the physically and mentally disadvantaged.

A member of the Board of Directors of the New Jersey Association for Retarded Citizens - Essex Unit, Senator Orechio sponsored a recent law establishing a Division of Developmental Disabilities in the Department of Human Services. He also authored the law that prohibits local zoning from interfering with the siting of

group homes for special children and adults.

The Senate President has recently called for the formation of a special commission to study New Jersey's Mental Health system and is moving legislation to provide funds for the Essex-West Hudson Cerebral Palsy Center and the West Essex Rehabilitation Center for repairs, renovations, and service expansion.

Police Blotter

A man wanted for an armed robbery and stolen vehicle in Passaic was apprehended by Belleville Police last week on Route 21 South.

Officers Anthony Romanodetto and Charles Hood made the arrest after checking out the license plates of the vehicle.

Kenneth Forbes of Iselin was taken to the Passaic Police Department.

An Irvington woman, the alleged driver of a vehicle that struck and critically injured pedestrian Donald Grewcock of Belleville, turned herself in to Belleville Police last week.

Laura Ann Biancone was released on \$250 bail after being charged with assault with an automobile.

The Belleville Detective Bureau discovered that Biancone was the owner of the Trans Am involved in the accident when they were tipped off by an anonymous caller. The accident occurred more than a month ago.

A 77-year-old man was arrested last week for allegedly leaving the scene of an accident and for driving while intoxicated.

Officers Al Ciccone and Victor Mesce arrested Frank Brush of Nutley. He was released after a court date was set.

Two Belleville men were arrested last week in back of 550 Washington Ave. after police investigated a report of two suspicious men.

Officers Anthony Romanodetto and John Hood arrested David Haggerty on charges of drug possession and Raymond Audette on charges of possessing drug paraphernalia.

They were both released after a court date was set.

Tyrone Solomon, the man who was held by Belleville Police on rape charges since last Sunday, was transported to the Essex County Jail in Newark this past Friday.

He is still being held in lieu of \$10,000 bail. He allegedly raped a woman near the Grand Union Shopping Plaza on Main Street last week.

The Traffic Division of the Belleville Police Department reported that many people are still ignoring the parking restrictions for alternate side of the street parking.

The street parking regulation was put into effect last week when street cleaning resumed. Police issued more than 300 summonses to parking violators since last Monday.
