Summer Fun program begins July 1

Bethany Lutheran Church's Summer Fun program will begin Monday, July 1 and continue through Friday, Aug. 9.

The program, offered for children ages 3-14, will be conducted Monday through Friday, 9:30 a.m.-3:30 p.m. at the church, Joralemon and New streets.

The program offers a sharing of Christian ideals, Bible study, music and community activities. Cost of the program is \$25. Family fees will be \$20 for the second child and \$15 for each additional child in the same family and household.

Program director is Jacquelyn Moore.

Matters in Brief

Ruffalo wins medals in tourney

Richard Ruffalo, a biology teacher at Belleville High School, won eight medals in the ninth annual United States Association for the Blind Athletes National Tournament at Montclair State College last week.

Ruffalo, who was competing for his second year, won a gold medal in the javelin and discus, two silvers in swimming, a silver medal for weight lifting, shot-put and the 400-meter run and a bronze medal as a member of the three-member goal ball team.

Ruffalo already holds the USABA world record in open javelin and national records in power lifting, bench press and masters shot-put, discus and 400-meter run, as well as in masters swim events.

Fourth of July activities planned

The Belleville Recreation Department will begin the Fourth of July festivities with its annual field day for youngsters, ages 6-14, Thursday, July 4, 10 a.m., at Municipal Stadium.

The events, which will be open to all young Belleville residents, will be divided into three age categories. There is a junior division for 6-8-year-olds, an intermediate division for 9-11-year-olds and a senior division for the 12-14-year-olds.

Events will include the 50- and 100-yard dashes, an agility race, a three-legged race, sack races, a girls' relay race and a boys' tug-of-war.

All activities will be supervised by members of the Belleville recreation playground staff, under the direction of Dennis Buckley. Trophies will be awarded to the winners.

A fireworks display will be presented at the stadium starting at sundown. The rain date for the field day activities will be Friday, July 5.

Bill for Palsy Center passes Senate

Legislation sponsored by Senate President Carmen Orchio, which will appropriate \$276,000 to the Cerebral Palsy Center of Essex and West Hudson in Belleville, has passed the Senate last week and moves on to the Assembly.

The funds will be used for repairs and maintenance of the center's facilities which provides services for area handicapped residents.

Free car washes offered July 4

Tip Top Car Wash of North Arlington will help Americans celebrate the Fourth of July by washing the exterior and cleaning the interior of any car on Thursday, July 4, at no cost to the customer.

Last year, Tip Top Car Wash washed more than 700 cars free of charge.

Tip Top Car Wash, located on Ridge Road, will be open from 7:30 a.m. to 5 p.m.

Junior Miss program set for Dec. 1

The 24th Annual Essex County Junior Miss Scholarship Program will be sponsored by the Nutley Jaycees Dec. 1, 3 p.m. at Nutley High School.

Any high school girl from Essex County, who will be a senior in the fall of 1985, can participate in the program. The top winners will receive scholarship grants ranging from \$100 to \$1,000.

The Junior Miss Scholarship Program is part of a nationwide program designed to recognize, reward and encourage excellence in high school senior girls. These girls are honored for their overall qualities of scholarship, talent, leadership in school and civic activities, youth fitness, noise and personality.

Interested high school seniors can contact Mike Paolino, contestant coordinator, at 667-7315 or 161 Ohlson Ave., Nutley, N.J. 07110.

Appointments available with EDC

Finance Day scheduled

A Belleville Business Finance Day will be conducted Tuesday, July 2, at Town Hall on Washington Avenue.

Business Day will provide the Belleville business community the opportunity to meet individually with staff members of

the Economic Development Corporation (EDC) on an appointment basis to discuss any business matter, ranging from starting a new business to below market interest rate financing for a wide range of improvements.

All appointments for Business Day are to be scheduled through the Town Hall by calling 450-3314.

The EDC is a private, non-profit economic development agency established in 1984 to provide a network of services and financial incentives to assist business retention and expansion within the county.

"We are committed to the enhancement of the business district and are confident that the programs the EDC has to offer will help us to meet this goal," Mayor Michael Marotti said. "I

strongly urge all business persons to schedule an appointment to explore the incentives offered by the corporation."

The EDC will act as a "no fee" consultant and will be available to discuss the procedures for filing applications for grants for exterior (facade) improvements and low interest loans. Grants are available for projects up to \$2,000 with a maximum of \$500 per storefront. Low interest loans are offered from 3-4 points below the bank rate for the renovation of commercial interiors and the purchase of machinery and equipment.

"The corporation has great flexibility in arranging loan packages and is looking to assist businesses in every possible way," Everett Shaw, executive director of the EDC, said.

Financing Available - Everett R. Shaw, executive director of the Economic Development Corporation of Essex County, explains some of the methods of financing available to business persons in Belleville. Mayor Michael Marotti, left, looks on.

School busing policy approved

The Belleville Board of Education approved a revised student transportation policy at its meeting Monday night.

The policy, which was reviewed by a committee, details a student's eligibility for busing within the township. A committee was formed a few months ago to determine ways of creating a uniform policy and expanding eligibility requirements.

The main problem with the original policy had been inconsistency. The policy was based on a number of criteria, including a hazard formula and a neighborhood school concept.

A student's eligibility based

on the hazard formula was determined by mileage, the number of intersections crossed and the amount of traffic volume in the area. The policy was such that one student living on one side of the street was bused while another living across the street was not.

The new policy sets eligibility requirements based on mileage only. The criteria is as follows:

- High School (grades 9 through 12): Students living in excess of 1.7 miles from their respective schools, said distance to be measured by the shortest walking route from home to school;
- Middle School (grades 7 and 8): Students living in excess of

1.6 miles from their respective school, said distance to be measured by the shortest walking route from home to school;

- Elementary School (grades k through 6): Students living in excess of 1 mile from their respective school, said distance to be measured by the shortest walking route from home to school;

- K through 3 Mandated: Students grades k through 3 who are removed from their neighborhood school and placed in another school by Central Registrar are automatically eligible for transportation services, irrespective of distance from home to school. This includes those youngsters from

the former School Number One and former School Number Two district areas.

• Special Education: Classified students are eligible for transportation services regardless of distance from home to school, provided transportation is recommended by the Child Study Team. This is in compliance with Title 18A:46-23.

Grosch retires from school system

By Michelle Jeannotte

After 39 years of service in the educational field, Joseph Grosch is calling it quits.

Grosch, the principal of School 9 for the past 10 years, will be officially retired from the Belleville School System on June 30.

He began his teaching career in Belleville at the high school on Washington Avenue in 1946. He taught there until he was called into the service in 1950.

Grosch did not return to Bel-

leville until 1954 when he began teaching the eighth grade at School 7. His next move came in 1957 when he was transferred to School 4.

Grosch first became principal of School 9 in 1962 and was then transferred to School 1 in 1964. He was principal of School 1 for 10 years and then served a short time at School 7. Grosch returned to School 9 in 1975 where he has been ever since.

Grosch has fond memories of

his days in Belleville and keeps pictures of School 9 activities logged in photo albums in his office.

"This school was built in 1927 with only eight classrooms and a broom closet," Grosch said. "It was built for grades 1-8. In those days, families had a large

number of children. Today, those families have moved to other parts of town and those that move in only have two or three children."

Grosch said that some of his time now will be spent with his six grandchildren. The other

Complex gets okay

The Belleville Board of Commissioners approved a \$10-million bond ordinance providing for the construction of a new municipal complex on Washington Avenue at its meeting Tuesday night.

The ordinance authorizes the township to issue \$9,520,000 in bonds or notes for financing part of the project's cost as well as advertising bids for architects, Mayor Michael Marotti said.

Marotti said the new complex would be used as a civic center and would provide meeting rooms for township departments and organizations.

Marotti said the main idea behind the new municipal complex is to concentrate all the township departments under one roof.

"When townspeople have business to take care of, they have to go to different buildings," Marotti said. "This way, they can conduct all business transactions in one building."

He said that all township departments will be incorporated in one building with the possibility of the board of education as well. He said the monies acquired from the sale of buildings no longer needed would be used to finance the project.

The building at 383 Washington Ave. will be sold, Marotti said, but the land on Cortlandt Street will continue to be used for the storage of vehicles used by the Public Works Department.

Happy Graduates - Lisa Jiosi, left, and Renee Jeannotte are all smiles as they receive their diplomas during Belleville High School's 88th commencement ceremony last week. More pictures on pages 8 and 9.

Bloomfield College

Our community does not have a college it could call its own. Across the border to the west is an institution of higher learning that has very little visibility in our community. We speak of Bloomfield College, an outstanding educational facility, which had its origin over a hundred years ago as a Presbyterian seminary. Since its humble beginnings, it has come a long way, receiving national recognition of its academic achievements. It may not be an Ivy League university, but it leaves nothing to be desired; and its professional staff shape up among the best around. Under the leadership of its President, De. Merel Allshouse and Board of Directors' Chairman, Frank Leo, Bloomfield College is on the go and on the grow. Its academic standing is well known among college circles and that part of the public concerned with quality education.

What is less known about the college is its prowess in athletics. Last month, under the leadership of coach Nancy Bottge, a star at Nutley High School - the women's softball team won the district and regional championships and eventually made its way into the Softball College World Series. Under the

leadership of baseball coach Al Restaino, a former Nutley High School athlete, the baseball team won the Conference Championship.

Restaino was voted Baseball Coach of the Year of District 31, encompassing New Jersey and New York of the National Association of Intercollegiate Athletics. Nancy Bottge was voted Woman Coach of the Year by the same group. Mark Corino, a former Belleville athlete, is the school's basketball coach.

Every year high school students from our community graduate from Bloomfield College. We believe this college deserves adoption by the citizens of the tri-town area - Nutley, Belleville, Bloomfield. To that end, we will publish Bloomfield College news including its sports activities on a regular basis.

OBC-TV will do its part in giving Bloomfield College the television coverage it deserves.

Commercial Rehabilitation

The Essex County Economic Development Corporation, through its executive director, Everett R. Shaw, acquainted local business persons last week with the opportunity of obtaining low interest financing to improve their business properties.

This is an opportunity which Washington Avenue merchants should be quick to seize. New store fronts excite shoppers. They attract attention - and naturally, business volume increases as a result. Local banks

have agreed to cooperate in the program to insure that adequate funds are available to make the program successful.

The sums available to business persons are not enormous - but nevertheless, they do present a new start.

Young Hector Daniluk

Last week, young Hector Daniluk saved the life of 3-year-old Michael Daniluk, his kid brother.

Michael was choking on a chicken bone. Mrs. Gladys Daniluk, mother of the children, in her own way, attempted to relieve Michael of the chicken bone stuck in his throat. Young Hector told his mother she was doing it all wrong. So, Hector took over and applied procedures learned at School 8 - and as a result, according to Mrs. Daniluk, Michael is alive today.

The Belleville Board of Education appropriately took

official action this week lauding Hector for applying his life-saving technique. We join the school board in congratulating Hector for his quick thinking and quick action. The Daniluk home is full of joy - and that's as it should be - it isn't every day that a life is saved.

Shop owner thanks customers

To the editor:

On Feb. 24, 1974, I had the pleasure of opening a beauty salon in the Township of Belleville. Located at 529 Joralemon St. it was known as Deanna's VIP Hair Boutique. After 11 very successful years of business, I sold my salon on June 4, 1985 to relocate my salon and home in Southern Ocean County.

During the 11 years I operated my salon, I had occasion to use the township police, fire department and ambulance services. At this time, I would like to thank these departments for their outstanding services provided me in times of need.

Thanks also to all employees who have worked for me. Most of all, I would like to thank all of my customers, without whose devotion I would never have made it. I will miss you all. I hope I receive as much pleasure from my new customers in Southern Ocean County.

After 11 years, it's hard to say goodbye! Thank you Belleville, Nutley, Bloomfield, Newark and surrounding areas.

Letters to the Editor

Valley section inspires poem

To the editor:

The changes that have occurred in Belleville, especially in the "Valley," in the past 20 or 25 years, inspired me to pen this bit of nostalgia.

When children used to laugh and play
On their way to school each day,
When the Erie-Lackawanna snaked
through the town, And the passengers
waved
As they were homeward bound,

Pavements, then were safe to walk,
And neighbors liked to chat and talk.
Stores once lined our main street.
Now, there's nothing of which to speak -

Just a few remaining:
I hope, not in vain,
For my Valley may, someday,
Bloom again.

How good was my Valley.

Class of 1985 congratulateu

To the editor:

Congratulations to the Class of 1985. You are to be commended on the completion of your school years in Belleville.

Your parents, your teachers and administrators who have guided you over the years should be very pleased with the results of their efforts.

The class of 1985 is known for school spirit and personal pride and

both were evident during the graduation ceremony. You are a credit to Belleville.

I wish each and every one of you the very best. May you be successful in whatever endeavor you choose to pursue. Again, congratulations, - there's no stopping you now.

Deborah thanks supporters

To the editor:

We wish to thank all of the people in Belleville and Nutley for supporting our drive for the Belleville and Nutley Chapter of Deborah Hospital.

We are also very happy to announce

that we collected \$4908.08 for the month of May. We know that this will help someone in need of the services at Deborah Hospital.

Thanks again.

Golden Comments

by James R. Golden

Last November when the Treasury Department unveiled its impressive bold tax reform plan, many were impressed by its intrepid proposal. Since then, the Reagan Administration has weakened or eliminated many of the most significant proposals.

Concessions to corporations, wealthy individuals and others that the administration made while the middle class and lower income families would have to pay tax on many types of income that now escapes federal taxation, such as unemployment compensation, workmen's compensation, workmen's compensation for injuries, and miners' black-lung benefits, would be fully taxable. Likewise, employees would have to include in taxable income \$120 a year of medical insurance premiums paid by their bosses if single, \$300 if married and filing joint returns.

Furthermore, of great concern to the middle class, individuals would have to pay tax each year on the increase in cash-surrender values of new life insurance policies and on interest credited to new deferred annuities, to the extent that those exceed their premium payments. Example: if a policyholder paid \$1,000 premium on a new life insurance policy during a year in which its cash surrender value rose \$1,500, he or she would pay a tax on the extra \$500. Even death benefits paid by an employer to a worker's family would be taxed under the Reagan plan... or is it really David Stockman's plan?

The biggest tax reduction would go to the very poor and the very rich, of course, in the usual Reagan lifestyle pattern, leaving the average middleclass workers to bear the burden.

The most explosive component of the Reagan tax plan is the elimination of the deduction of state and local taxes. This pits high tax states like New York, New Jersey and California against the rest of the country. This controversial tax

reform raises an estimated \$38 billion by 1990 - and if it were eliminated in Congress, the economic basis for the whole plan would be jeopardized.

A graphic chart in Time magazine displays that estimated state and local taxes paid by a family of four with an income of \$35,000 in the following cities as: Newark, \$5,811; New York, \$4,933; Milwaukee, \$4,394; Washington, \$3,774; Chicago, \$2,796; Albuquerque, \$2,690; Denver, \$2,487; Los Angeles, \$2,207; Houston, \$1,1694; New Orleans, \$1,012; or Jacksonville, \$906.

President Reagan's tax reform plan eliminating the deduction of state and local taxes will, as proposed, well mean a large tax increase for millions of upper income Americans in high tax states including New Jersey... New York's Gov. Mario Cuomo is leading the fight against disallowance of deduction for state and local taxes. The estimate of one congressional study indicates loss of deductibility would add some \$1,600 to the average 1987 bill of New Yorkers who itemize their returns, about half of the state's taxpayers and those in New Jersey can expect the same... something to think about eh! Gov. Cuomo calls the proposal "a crushing blow" that would "cripple" the state. Let's hope that Gov. Keane has the courage to join the fight against this proposed President's tax reform that would "cripple" New Jersey.

We wonder just how many of the wealthy, rich individuals who have been singing the praises of President Reagan and his policies, feel about his policies now that he has changed course and taken a big cut out of their pockets. We don't suppose they like it, but, many of them figuratively danced with glee when he was giving the senior citizens on Social Security the axe. Now the shoe is on the other foot. How about that! Looks like old Ronnie and Dave Stockman "socked it to them" all.

COLOR

is beautiful but black and white photos reproduce much more clearly. You'll be much happier with the results. Brides: ask your photographer to provide you with a black and white picture for newspaper purposes but tell him you need one BEFORE he comes to the church.

Mr. and Mrs. Gerard Patrizio III - nee Darlene Palazzolo

Darlene Palazzolo wed to Gerard Patrizio III

Darlene Palazzolo, daughter of Mr. and Mrs. Daniel Palazzolo of West Paterson, became the bride April 14 of Gerard Patrizio III, son of Mr. and Mrs. Gerard Patrizio of Belleville.

A reception was held at Richfield Regency, Verona, following the ceremony in Our Lady of Pompei Church, Paterson.

The bride wore a white lace gown accented with pearls and sequins and fashioned with bouffant sleeves. A diamond tiara held a cathedral veil and she carried an array of silk flowers.

Linda Conti was maid of

honor for her sister. Bridesmaids included Frances Patrizio, sister of the groom, Jeanine Guinta and Tammy Scott.

The honor attendant was in a fuchsia gown with puffed sleeves while the others wore pink. All carried silk flowers.

Michael Patrizio, brother of the groom, served as best man. Ushering were Jim Palazzolo, brother of the bride, Steve Conti and Peter Ciano. Chris Treman was ringbearer.

The couple honeymooned in Hawaii.

Judith Marie Perna engaged to marry Glenn Tunkavigs

Memorial Meeting - The Kiwanis Club of Belleville recently held its annual memorial meeting honoring deceased members. Pictured are: (l-r) Seymour Grossman; Mrs. Vincent Vitty; John Iannuzzi, president; and Frank L. Pitt.

Kiwanians host annual memorial

The Kiwanis Club recently sponsored its second annual memorial meeting. This idea of the meeting was established by John Iannuzzi, club president, and the purpose of the dedication of the meeting is to commemorate deceased members of the club which was chartered in 1955.

A program of music was presented by Joseph and Madeline Chusano, a recitation by Seymour Grossman and a eulogy delivered by member Frank L. Pitt. The meeting was attended by club members' wives and widows of the deceased members.

Umberto's Corner

For 8 or 9 years I have been getting permanent hair. From my daughter who recently became a beautician. She has a job in a beauty salon. As a good barber I went to the beauty salon where she works to get a permanent. She called my hair on the radio. Our kid on it...and her hair told her to get her hair done on my hair. She was also told to keep it on for 10 runs and rise. When my hair dried it was so curly that no daughter could cut it. What went wrong? My daughter has given me many permanent and has never happened.

Dear mother:

What you had done is an artificial method of giving permanent. I personally don't believe in these children. I like to use my knowledge and technique. These machines you used to use people who have little knowledge of permanent. In your case it seems to be too long. Probably you should have the hair cut for no longer than 3 runs. What I suggest now is to get a good haircut to cut the ends. If you are unhappy with your hair feel free to stop in. I will check your hair and advise you.

School 9 Principal Joseph Grosch retires after 39 years

(Continued from page one)
time, he said, will be deciding whether to do something or not. "I'm looking forward to a vacation in September," Grosch said. "I've never had time off in September. I'm sure I'll miss the activity because I've always

been with the kids. I've always had fun doing things with the kids and watching them grow up."

Grosch reminisced about some of the students he's known in the past, adding that he always tries to keep informed on what they are doing. He said he remembers most of the students he's known, maybe not at first, but just give him something to associate with and he'll give you the student's name and a little history along with it.

In fact, this reporter only had to mention that she attended School 1 for a short time and Grosch was giving names of students and teachers and

remembering some of the school activities, especially the plays.

"Not everyone can get an A in reading and mathematics," Grosch said, "but they always remember the plays. That is something anyone can do. I always enjoyed seeing the kids get involved."

Grosch said that he will miss the children the most.

"I always went out to the corner in the morning and afternoon and greeted the children," Grosch said. "I enjoyed getting to know all of them. As you can see, my office is wide open, no door. The kids could come in here anytime. I enjoyed being with them. I always tell people, I

grew up in Belleville, but I never grew up."

Lucky for the kids of Belleville that he didn't.

There's Reason to be Proud of Mary's

By Lisa Grimaldi

For a restaurant with origins dating back to Revolutionary times, Proud Mary's in Bloomfield does a fine job of keeping up with the times. This restaurant caters to two distinct appetites: Those who enjoy a traditional full course dinner to those who prefer a lighter, more novel-style meal.

The first floor of Proud Mary's is the dining area, which is rich with wood, deep tones and candlelight. The waiters and waitresses were all young, very friendly, and - a mark of distinction - had a full knowledge of menu and bar items. This was observed on several visits to Mary's.

The lighter menu features salads (including unusual items like Mary's bean and tuna salad, or the cold pasta salad), omelettes, oversized deli and club house sandwiches, and 12 different burgers, which are, according to Mary's menu, the biggest and best ever tasted.

The appetizer menu is also varied, and can be ordered as a prelude to a meal, or alone, as a snack with drinks. The Mexican pizza is a delicious, spicy combination of melted cheese, refried beans, tomatoes, and lettuce, served on a flat tortilla. It is definitely a unique and scrumptious new member of the currently vogue Mexican snacks.

The entree menu offers a variety of interesting meals, all served with that special Proud Mary's touch. Veal, steak, fettuccine, seafood, ribs, and four chicken dishes are on the dinner menu, which is served after 5 p.m. They are accompanied by a tossed salad, potato, and vegetable. The Chicken Terriaki is a delicious dish consisting of marinated chicken, snow peas, and rice, and one of the more unusual offerings.

On Saturday and Sunday, Proud Mary's has a special menu offering of complete prime rib dinners for two.

Homemade cakes, pies, and hagen dazs ice cream are the delicious finales for Proud Mary's meals. There is also a large bar menu, and a special lunch menu, also. On Fridays and Saturday nights, there is live entertainment in Proud Mary's piano bar upstairs, which is popular with both young and older adults.

Proud Mary's is located at 409 Franklin Street in Bloomfield. The phone number is 429-9246 and the hours are Monday through Saturday, 11:30 a.m. - 2 a.m., and on Sundays, brunch is served 10:30 a.m. - 2:30 p.m. and dinner 4 p.m. - midnight.

Library plans events for Monday nights

Every Monday evening in the summer, the Belleville Public Library, 221 Washington Ave., will be offering special "Monday Evening Happenings."

Joan Samel, a Belleville artist, will offer a "How to Draw Workshop," on July 1. Prizes will be awarded to the three best judged drawings.

She will also conduct a "Learn How to Paint in Watercolors" program on July 8.

Joe Fischer will provide a Family Night Magic Show July 15, 7 p.m., at the main branch library.

On July 22, Cindy LaRue, reference librarian, will conduct a program, "London in Slides," at 7 p.m.

A feature film night will be conducted July 29. The film, "Godzilla vs. the Bionic Monster" will be shown at 7

p.m.

"Contemplation and Salad Making" with Jean Heiberg, author of the book, will take place Aug. 5 at 7 p.m.

For bird lovers, Kathleen Mollica, Silver Lake branch librarian, will present an introduction to Cockatoo Birds on Aug. 12 at 7 p.m.

For those interested in astrology, Kores Rothausen will present an "Introduction to Astrology" on Aug. 19 at 7 p.m.

The films, "The Art of French Cooking," "Chinese Cooking," "Seafood Specialties," and "Meals in a Half Hour," will be shown on Aug. 26. This will be the last summer program offered.

Registration is required for all of these programs. Register in person at the library or call the circulation desk at 759-9200.

Cancer Update

Chewing and dipping smokeless tobacco seems to be having a renewed popularity among young males, even as young as grade school students.

Chewing calls for a golf ball-size wad of quid of tobacco to be placed in the pouch of the cheek and sucked. Dipping is the process of placing a pinch of tobacco (snuff) between the lower lip and teeth where it stimulates the flow of saliva and mixes with it. The saliva must either be swallowed or spat out frequently.

Smokeless tobacco doesn't carry the health hazard warning that cigarettes do, but it should. It's tobacco just the same and is habit-forming.

Habitual use of chewing tobacco and snuff means you face certain health hazards.

- Leukoplakia, leathery white patches inside the mouth that are the result of direct contact with, and continued irritation by, tobacco juice. Approx. 5 percent of diagnosed cases develop into oral cancer.
- Less sense of taste and the ability to smell. The result: more need to salt and sugar food, both of which are unhealthy if used a lot.
- Dental problems such as receding gums, greater wear on tooth enamel and more tooth decay.

Silieti and Worley are scholar-athletes

Michael Silieti and Debra Ann Worley, both seniors at Belleville High School, were recently recognized by the New Jersey State Interscholastic Athletic Association and the Educational Testing Service (ETS) as "New Jersey Scholar-Athletes."

The two organizations recognized two scholar-athletes, one male and one female, from each of NJIAA's 431 member schools which include almost all of New Jersey's public, parochial and private secondary schools.

The "New Jersey Scholar-Athlete" program was unveiled by Gov. Thomas H. Kean in a June 6 State House press conference.

Each of the scholar-athletes will receive a certificate of recognition issued jointly by the sponsoring organizations.

To qualify for the award, students are required to have won a

American Legion team starts summer season on right foot

The Belleville American Legion baseball team is off to a fast start this summer, jumping out to a 2-0-1 pace by defeating Vailsburg and Irvington last week.

The Legion team was in Cedar Grove on Tuesday and will be in Caldwell tomorrow evening, starting at 6 p.m. This evening, Belleville takes part in the Meadowlands Tournament, to be held at Breslin Field in Lyndhurst. Belleville plays Wallington in the first round and will continue in the double elimination tournament on Saturday evening when it battles the North Arlington-Vailsburg winner commencing at 7 p.m. If Belleville wins that game, it will compete in the championship game on Sunday night, also starting at 7 p.m. from Breslin Field.

The head coach of the team is Jim Landon. The club is high on offense, witnessed by its 26 runs in the first three games. Belleville started the season by tying Livingston, 4-4, then defeated Vailsburg, 9-7 and Irvington, 13-11.

There are a lot of familiar names to the Belleville roster. At first base is Steve Mulhearn. He just completed his senior year at Belleville High and had a marvelous fielding percentage at first base. Mulhearn also has good power and should be a leader on this summer's team.

Over at second is Nellie Landon, a sophomore at Fairleigh Dickinson University. Landon has good power and should be a big help in the infield.

The shortstop is Allan Ruopp, a standout on this year's varsity team. At third base is Jeff Spilsbury, a young man that Belleville fans should hear a great deal about over the next three years. Spilsbury just completed his freshman year and is a very good baseball player.

The outfield sees Jim Dunphy in left, Dave Long in center and Jim Caponi over in right. All three men were vital ingredients to this year's 18-8-2 record compiled by the varsity baseball team. Dunphy is a good hitter, but he is noted for his outstanding pitching. Long and Caponi both have excellent

power and should provide a lot of zip to an already impressive lineup.

Behind the plate is John Auriemma, a standout on the varsity over the past two seasons. Auriemma will be entering his senior year at BHS this fall and has a great deal of talent.

The pitching is led by Dunphy, Dan Ruggiero, Tom Reid, Al Best and Ruopp. All those men have varsity experience behind them and should be very effective as the summer continues.

Other players expected to see playing time are Vito Caprio, a catcher, Mike Thomson, a pitcher, P.J. Grande, outfield, Vin Orrei, first base, Dean Mauro, second base, Jaime Galiotti, pitcher and Jay Marchese, pitcher.

In the Livingston tie, the Belleville bats were paced by Long, Caponi and Landon. Long had three hits, Caponi had a double and Landon had two ribbies with two hits.

In the Vailsburg contest, Mulhearn had a three run homer in the bottom of the fifth inning and Dunphy picked up the win on the mound.

The game with Irvington was a big victory for Belleville. The locals trailed, 11-6 in the last inning. Auriemma hit a solo homer to cut the deficit to four runs. With two outs, Belleville loaded the bases and Dunphy hit a grand slam homer to tie the game. After Ruopp singled, Landon hit a two run homer to win the game, 13-11.

"The one thing I learned about this team," said manager Landon, "is that they are very determined. The Irvington game showed that. We were down by four runs in the last inning with two outs and no one on. It was a big game for us."

After the Meadowlands tournament over the weekend, Belleville will play host to West Orange on Monday evening, starting at 6 p.m. from Belleville High School. The home games are played on the varsity diamond. The Times will cover the Legion team on a weekly basis.

Braves look to get back on winning track at 2-9

It was not a memorable week for the Belleville Braves and Anthony Coco. The team lost four games in four tries and saw its season record dip to 2-9.

The Braves looked to get back on the winning record when it visited Parsippany for a double header last Tuesday. Yesterday, the team bottled the Union Rams. Tonight, Belleville visits Milburn, in a 6 p.m. start. Tomorrow night, the Braves travel to Newark Riverbank Park to face the N.J. Cubans starting at 6 p.m. On Sunday, Belleville travels to Union to face the Jays, game time at 5 p.m. Looking ahead to next week, the Braves continue its long road trip with a game in Verona, starting at 6 p.m.

It was a lost week of action for the Braves last week as the team was defeated by the Union

Rams, 9-2. Montclair, 8-4. Verona, 7-1 and Parsippany, 6-4. Despite the scores, the games were much closer than the final count might indicate. In three of the games, Belleville was involved in a tight contest, but fell in the final innings.

"We're not getting the key hits," said Coco. "We're getting guys on base, but not getting the big hit to bring them home. Our pitching has been pretty good, even though we're allowing about seven runs a game. What's hurting us now is the lack of the big hit."

In the loss to the Rams, Belleville trailed, 2-1, in the sixth inning when Union exploded for seven runs to put the contest out of reach. "I wasn't too happy with the officiating in that

Buc hoopsters in summer league big step for basketball program

In what has to be termed a major achievement in Belleville High basketball, head coach Rocco Colucci announced that the Buccaneers will take part in two basketball leagues this summer, the traditional Bloomfield summer league and the prestigious Elizabeth Summer league that kicks off this Monday evening.

The Times will offer weekly coverage of the Buccaneers in both the Bloomfield and Elizabeth leagues. The Bloomfield league, which Belleville has taken part in since 1982, commences the week of July 8 and will last six weeks.

"Getting into the Elizabeth league is a big step for our program," Colucci said last week. "We were 2-21 last

season, so any step has to be upward. This will give us the opportunity to play some of the best teams in the state. There is some tremendous talent in that league and playing against these kids will really help us this fall."

Colucci, under state rules, will not be allowed to coach the team, but he will be at both leagues as a very interested observer. "It's better this way," he said. "The kids are going to hear my voice from November through February any way. This way, the team doesn't get stale. They will get used to different coaches and by the time November comes around, I'll be a new look for the kids."

Don Roll, the assistant coach for the last two seasons and Dave Boyd, a 1984 graduate of

Belleville High, will handle the coaching chores. Roll will coach the team in Elizabeth and Boyd will take the reins in Bloomfield. Boyd coached the Buccaneers to a 6-2 mark in the 1984 summer version of the Bloomfield league.

The Elizabeth league runs on Monday and Wednesday evenings from the Thomas Dunn Arena in Elizabeth. The Bloomfield league, which Belleville has done very well in over the last three years, takes place on Tuesday, Wednesday and Thursday evenings from Pulaski Park.

"We have 25 kids on the roster this summer," Colucci said. "Having the extra league will be a big step for us. If we

Buccaneers winning ways continue from winter through spring season

Continuing our look at the 1984-85 sports year at Belleville High, the attention now focuses to the winter sports, which had its share of ups and downs during the long, cold winter.

We start with the girls basketball team, under the direction Karen Fuccello. The 1983-84 team had posted a 22-7 mark, advancing to the county and sectional finals. That season, of course, marked the senior campaigns of such notables as Jennifer Apicella, Dina De Aquino, Tracy Buono and Loreli Wells. Fuccello expected a rebuilding season in 84-85, but the girls pulled through with some impressive victories in the early stages of the season.

At one stage, the girls were 7-6, having defeated Clifton twice and battling powerful Nutley to two memorable decisions. The first game, at Belleville, saw the girls lose in overtime despite some fantastic play from Angel Greco. The point guard showed some fine offensive prowess in that game and since she was only a sophomore, good things are expected from her over the next two seasons.

In the rematch later in the season, Belleville staged one of the most remarkable comebacks in high school history. Trailing by 22 points in the fourth quarter with just six minutes left, Belleville made a furious rally, headed by senior Donna Brooks and a group of underclassmen. The girls lost by one point, but it was a morale victory for the team gave the girls some

confidence for the remainder of the season.

You can't say enough about Donna Brooks. The senior had another tremendous season, averaging over ten points a game and giving Belleville so many threats. She could lead the fast break, pass off or take the jump shot. She is a young lady with a tremendous amount of confidence and talent. Her exciting play will be hard to replace. A classy young athlete, people like Brooks do not come along often and having a player like Donna on our side for the last four years can only be termed memorable.

Desiree Johansen had a fine season for the girls, leading the team in scoring. Greco, Laura Caruso, Sherri Sorrentino, Cheryl Marion and freshman Judy Nehila also made some good contributions to the team. The girls finished 9-13 and look forward to a strong performance next season.

Rocco Colucci found out he was the head boys basketball coach in late October, then had to scurry to get his club ready for the opener in mid December. It was truly a rebuilding year for the Bucs. The team won just two games, but Colucci played a very young team, featuring a good deal of freshmen and sophomores. There were some senior leaders, led by Steve Kimble, Nick Sotomayer, Dan Rjordan and Mike Sochaski. Juniors Donald Washington and Dom Mastro did a good job for the team while freshman Ted Sochaski and Leon

Puentes gained experience in their first year of varsity competition.

Colucci expected a tough season in the NNJIL, but is optimistic about the future. "We are competing in two summer leagues this year," the coach said. "Getting into the Elizabeth summer league is a big step for the team. I think the strong competition will help us for the next season."

The coach also expressed gratitude to the seniors who put in four very dedicated years. "The can't say enough about those guys. They really put everything they could into the program. Replacing kids like that will be very difficult."

The Buccaneer wrestling team continued to excel. The Bucs came into the 1984-85 season with a 15-0-1 mark attained the previous season. The Bucs continued the infamous "Streak" by winning the first eleven matches before losing to Phillipsburg in the Group IV, Section II tournament. The Bucs bowed to Clifton in the finale of the season, but rallied back to win the District 7 crown to cap off a tremendous season. The Bucs barely defeated Kearny for the crown, winning by 2 1/2 points.

Michael Gibbons, Dom Cerreto and Ralph Zarro led the way in 1985. All three men advanced to the state finals, with Gibbons traveling as far as the state semis before losing for the first time all season. Gibbons ended up fourth in the 188 pound class. Overall, he was the second most win-

ningist grappler in BHS history. The number one winner was Cerreto, who surpassed Chris Musmanno this season.

Gibbons, Cerreto and Zarro all captured district crowns while Mondo Nardone, Vince Capriglione, Cam Rispoli and Marc Criscione took second in the district. Joe Cerreto, a freshman, took third and Tim Buckle was fourth. Belleville suffered a major loss when Luke Silletti suffered a knee injury that kept him out of the remaining matches.

Head coach Gene D'Alessandro has 99 victories at Belleville High since taking over in 1976-77. He has led Belleville to seven district seven crowns over a nine year period. Before arriving at BHS, D'Alessandro led Essex Catholic to 103 mat victories and has coached 39 district champs, three region champions and one state champ, that being Musmanno in 1980. Needless to say, the Belleville wrestling team had a marvelous campaign once again.

The indoor track team competed in various invitations, but were somewhat hampered by the cold weather and snow. John Tosato received some good performances from his runners and weight men. The bowling team, under Mike Early, finished a rebuilding campaign with a young team and should be pretty strong next winter.

Next week, we'll finish up the sports season at BHS for 1984-85, with

a look at the very successful spring season turned in by our talented athletes.

In other news, the Belleville Royals became the only remaining undefeated team in the Non-Umpiring League of the James Dombrowski Softball league by stopping Big Bambo 13-7 last week.

Steve Gatti, the Royals coach, had three hits including a homer, triple and four ribbies. Gerry Long picked up the win with Joe Oberto earning a save. Mark Cammarato helped the winning cause with two hits and three ribbies.

The Dombrowski league will battle the WNEF-BM softball team in a game to benefit HANDS, an organization dedicated to helping the handicapped. The game will be held on July 10 at 8 p.m. at Breslin Field, Riverside Avenue, Lyndhurst. A \$1.00 donation is requested. For more information, please call 997-2689.

For this weeks quiz, name the number of times that the expansion teams of 1969 have been to the post season playoffs. A clue: Every team has been to the playoffs, but none have won a World Series.

Record doesn't show team's improvement

Okay, the record was 1-10. But there was a lot more behind the scenes that does not show up in the record for the 1985 version of the Belleville track team.

Head coach John Tosato was very happy with the performance of his young team this spring. "It was one of the hardest working teams I've ever had," (Bob) Hutchinson and (Mike) Silletti were excellent team captains. They really fulfilled their roles this season and were fine team leaders. I have to give credit to the seniors for their fine performance this season."

Tosato noted that the Bucs were involved in a number of close meets. Belleville lost by eight points to Bloomfield, seven to Nutley and a heartbreaking

three point setback to West Essex. "The record is deceiving," said Tosato. "We started to come around in the later stages of the season."

Silletti was the team leader in points this year. The senior compiled an incredible 139.25 points, missing the school record by 21 points. Overall, Silletti competed in the hurdling events, the mile relay and the high jump. His versatility was remarkable. He earned NNJIL honorable mention for his work in the 400 meter hurdles and advanced to the state finals in that event.

In the sprinting events, juniors Willie Chandler, Joe Speer and J.R. Di Vincenzo led the way. Tosato was very happy with the performance of his

sprinters and is looking forward to a strong year from the runners next season. Chandler scored 85.5 points this season, even more impressive when you consider he missed the first four meets of the season. Chandler earned NNJIL third team honors in the 200 meters and Heard News honors for his work in the 100 meters. Chandler was on the third team for the Heard News.

In the 800 meters, Silletti led the way once more, running a 2:09 to lead the way. Sophomore Craig Burden had a personal best of 2:12 and John Zurlo, another sophomore, looks to be shaping up for next season.

The mile run featured Burden with a personal best of 4:49.5. Hutchinson ran a 4:59 and William Huamani, a senior, came through with a 4:50. Huamani really came on strong in the later stages of the season.

In the two mile, Hutchinson ran a personal best of 10:33.9. He was a fine all around performer and will be sorely missed next season. The same can be said of Huamani in the long distance events.

The mile relay team of Chandler, Di Vincenzo, Nick Compitanto and Silletti set a school record of 3:34.1, breaking

the old mark of 3:35.3, set back in 1975. Three of those runners return to the 1986 team.

Silletti and Compitanto led the way in the hurdling events. In the high hurdles, Silletti ran a 15.4 and Compitanto, a 15.7. The low hurdles featured Silletti with a school record, 56.7 and Compitanto a personal best of 59.8.

Silletti led the way in the high jump with a jump of 5'10". Vince Trupia was the top pole vaulter with a jump of 10 feet. In the long and triple jump, Loung La, a sophomore, paced the way with a 20-14 and 36'6" respectively. The weight events were led by seniors Larry Boiscano and Frank Trupia. Boiscano had personal bests of 34.9½ in the shot, 105-5 in the discus and 138-3 for the javelin. Trupia concentrated on the discus and had a personal best of 102-6. "Frank really improved in the discus," said Tosato.

Rounding out post season honors, Compitanto was cited by the Heard News for his work in the 100 meter hurdles. All told, it was a very good year for the undermen. There were a number of good performances turned in and Tosato is very optimistic about the 1986 season.

Braves drop four this week; look to rebound vs. Millburn

(Continued from page 15) game." Coco said. "I mean, there was a pitch out and the umpire calls it a strike."

Scott Wohlrab took the loss for Belleville. He had a three hitter through five innings before suffering through a tough sixth inning. Mike Cavaluzzi had two hits, Dom Vazzano drilled a double and Ed Gryzbowski had a double and an RBI.

In the game against Montclair, Belleville jumped out to a 3-0 first inning lead, but fell to a strong rally in the late innings. Greg Weber had a first inning double that scored Tim Duva and Vazzano's double brought home Mark Grillo and Weber. Coco started the game for Belleville, but he lasted just one inning because of a sore elbow. Coco yielded to Calvin Fisher who later yielded to Rich Michaels. It was Michaels who took the loss for Belleville, although he pitched rather well.

The Verona contest was one that Belleville was never in.

Cavaluzzi was the losing pitcher for Belleville and Wohlrab had two hits, but the Belleville bats were limited to just four hits in the game and Verona had a fairly easy time.

The Parsippany game was the Mark Grillo show as the Nutley native drove in two runs with two homers, a single and double. "He played a great game," praised Coco. "He has a lot of talent."

Grillo had a homer in the first inning and drilled another round tripper in the seventh frame. Scott Levinson had an RBI single in the fifth and Mark Rold contributed an RBI single in the sixth, driving home Joe Corbali, who was hit by a pitch.

Parsippany won the game in eight innings, spoiling Grillo's fine performance. Overall, it was one of those weeks where nothing went right for the Belleville Braves. Hopefully, next week will spell better results for the team.

only play in one league, it is very difficult to play all the kids. With two leagues, more players will get the playing time. I'll be able to use the more experienced players in Elizabeth and take the kids with not so much playing time and use them in Bloomfield. This way, just about everyone will play."

The Elizabeth League features an awesome roster of teams. Heading the list is none other than Elizabeth High, the defending state champions of 1985. Elizabeth defeated Camden in the Group IV finals last March and once more will feature a solid team for 1985-86. Belleville opens its summer campaign with Elizabeth on Monday, starting at 6:15 p.m.

In addition to Elizabeth, St. Patricks (Elizabeth), Don Bosco Tech, East Orange, Irvington and Rahway will take part in the league. All of those schools boasts traditionally powerful basketball programs. When he was first learning the game, Kelly Tripucka, now a star forward with the Detroit Pistons, raved about his summers in the East Orange league, playing against some solid competition. He felt that was one of the main reasons why he was so successful on the high school level. Of course, Tripucka put a lot of time into his game, which is something that Colucci is stressing to his players.

"I've programmed a running and lifting series for the summer. The kids know what they have to do to be ready for November. We were very fortunate to be in the Elizabeth

League. I called Ben Candelino (Elizabeth head coach and director of the league) when I heard of an opening in the league and we signed up right away. We have the opportunity to make some big strides in this league."

The Bloomfield league will feature traditional rivals Bloomfield, Nutley, Essex Catholic, Glen Ridge, Kearny and Immaculate. Belleville has posted a winning record in every summer that they have participated in the league.

The Bucs will be paced by upcoming sophomores Ted Sochaski and Leon Puentes, along with some strong returning players in Donald Washington, Bob Hutchinson, Dom Mastro, Frank Morel, and Loung La. "We're still a very young team," Colucci said. "I'm hoping for a lot of improvement this November. The first step starts now."

First Female Finisher - Cathy Paz was the first female runner to cross the finish line of an 8-kilometer race sponsored by Bethany Lutheran Church. Her time was 32:25.

Statewide softball weekend taking place

The 6th Annual Easter Seal Softball Weekend has been scheduled to take place at fields located throughout New Jersey on Saturday Aug. 24, and Sunday Aug. 25, by Don Mattingly, Honorary Chairman of the event.

The popular Yankee first baseman and outfielder personally invites teams throughout the state of New Jersey to join him in making this annual event the most successful ever. Honorary Chairman for the second year, Mattingly says that "I'm proud to do something personally significant for disabled children and adults."

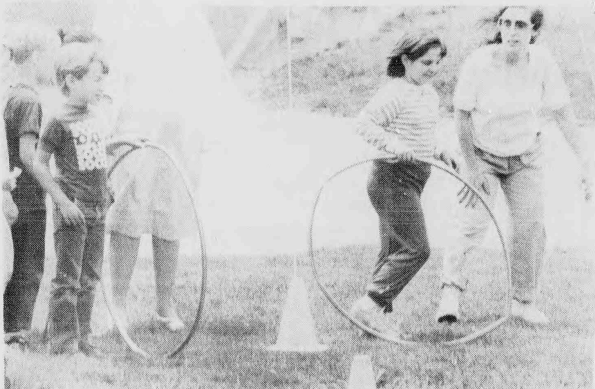

All male, female and coed teams that sign up receive cases of beer; special incentives such as T-shirts, softball caps, Dudley bats and balls, trophies and prizes are available thanks to the generous sponsorship of Miller Brewing Company.

WPLJ-FM is designated as the official radio station, and will offer softball information on the air between now and the event. The top fundraising team in the state will receive "beer for a year" from Miller along with a special commemorative trophy.

Time slots are reserved on a first-come, first-serve basis. The minimum goal for each team to participate is \$150.00. "This can be raised through a sponsor, from friends, relatives, local organizations and bars," says Easter Seal's Director of marketing, Loretta Haberman.

"In the many years that we have been doing this event," Ms. Haberman says, "response has always been enthusiastic in that we are raising funds for children and adults with disabilities in New Jersey," adding "Teams singing up by June 15 will receive three cases of Miller Lite beer, instead of two as a special bonus."

For softball information, please call the Easter Seal Society at (201) 247-8353 and go to bat for Easter Seals.

More of Fun Day - This group of youngsters look on as two of their classmates participate in one of the games recently scheduled for Fun Day at School 8. Other games included: 50-yard dash, sack race, ring toss and bubble gum blowing contests. - Photo by Michelle Jeannotte.

Annual field day set for the fourth

The Belleville Recreation Department will begin the Fourth of July festivities with its annual field day for youngsters, ages 6-14, Thursday, July 4, 10 a.m., at Municipal Stadium.

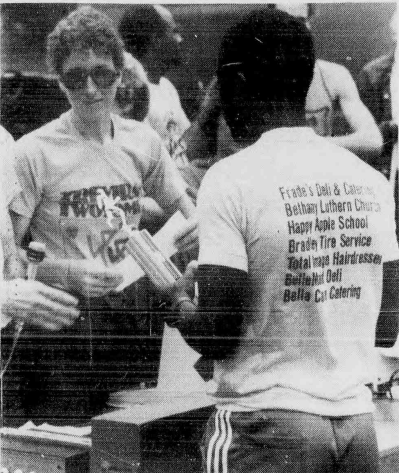

The events, which will be open to all young Belleville residents, will be divided into three age categories. There is a junior division for 6-8-year-olds, an intermediate division for 9-11-year-olds and a senior division for the 12-14-year-olds.

Events will include the 50-

and 100-yard dashes, an agility race, a three-legged race, sack races, a girls' relay race and a boys' tug-of-war.

All activities will be supervised by members of the Belleville recreation playground staff, under the direction of Dennis Buckley. Trophies will be awarded to the winners.

A fireworks display will be presented at the stadium starting at sundown. The rain date for the field day activities will be Friday, July 5.

Getting His Trophy - Jacquelyn Moore, the director of Bethany Lutheran Church's summer program, presents a trophy to Marcus Hill (right), the winner of an 8-kilometer race held earlier this month. His time was 27:51. Sponsors of the race are displayed on Hill's t-shirt.

Yudin Print Added to Collection - Members of the Artist Equity of New Jersey Inc. and Artists Educational and Welfare Inc. recently presented a print by Carol Yudin of Yudin's in Belleville to the Belleville Public Library. Pictured are board members and Belleville Library Board of Trustee Joseph Casale (fourth from left) and Library Director David Bryant (fifth from left).

Film series features choreographer Fred Kelly and World War II film

Noted choreographer Fred Kelly will be the featured guest at Nutley Savings & Loan's Spring Film Series on Tuesday evening July 2. Kelly, younger brother of the famed dancer

Gene Kelly, will screen the 1943 musical "This is the Army." The showing will take place in Nutley Savings' Community Room at 371 Franklin Avenue, Nutley at 7:30 p.m. Admission is

free and refreshments will be provided.

Kelly heads the Fred Kelly Dance Studio in Oradell and teaches tap and modern dance at Pace University. He was a featured dancer on Broadway in such hits as "The Time of Your Life" and "Follies." He co-starred with his brother Gene in MGM's "Deep in My Heart" and has the distinction of having directed three hundred soldiers, the largest Broadway cast ever assembled, in "This is the Army." He introduced the Mambo to the United States, staged the largest edition of Ice Capades ever to play Madison Square Garden and directed twenty-four telethons for Cerebral Palsy. He has also choreographed numerous television shows.

Kelly developed the idea for "This is the Army" while in the service during World War II. He assembled 300 talented military personnel and directed and choreographed the show which opened on Broadway with a score by Irving Berlin in 1942.

Artist Equity presents Yudin print to library

Board members of the Artist Equity of New Jersey Inc. and Artists Educational and Welfare Inc. Alex Adler, Beth Futer, Vivian Matz, Rook Miller, Riva Helfond, and Liza Hestevold, presented a print by Carol Yudin to the Board of Trustees of the Belleville Public Library.

Ms. Yudin had exhibited on many occasions at the library and had lectured on "The Art of Printmaking." In addition, she had made a tape with the Belleville Public Library on "The Art of Printmaking," with Adrea Cohen, assistant library director, which appeared on Libraries in Focus on Suburban Cablevision, Channel 3.

When it recently became known to the Artist Equity Board that Ms. Yudin was ill, it decided to honor her dedication to other artists by purchasing one of her fine prints and presenting it as a gift to the library in her community. Artists Equity hopes to purchase a work of art each year from a New Jersey artist of merit who has given outstanding dedication to the art scene.

David Bryant, library director, and Joseph T. Casale, library board president, accepted the donation from Artist Equity of New Jersey Inc.

Ms. Yudin was co-founder of the Printmaking Council of New Jersey and was adviser of the National Association of Women Artists as well. She acted as vice president in charge of graphics for The Audubon Society and held the title as past president of The Painters and Sculptors Society of New Jersey. She is listed in "Who's Who in American Art" and is in the permanent collections of the Trenton State Museums, Jersey City Museum, St. Peter's Col-

lege, Miniature Art Society of New Jersey, and has also exhibited internationally, as well as in 16 states of the union.

Her artwork can be seen on the second floor of the library.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Mrs. R. "I'm deathly afraid of dentists but need work done. What shall I do?"
Mrs. R. statistically only 10 percent of the population seek dental care. The other 90 percent, it is thought, are too fearful. So you are in the majority because the entire dental profession is very sympathetic towards your feelings and you, be it feared to know it, has made great efforts to reduce fear.

The most significant is that the numbing substance (vibrocaine) is a strong pain reliever. Also the method of giving an injection is more improved and in many instances patients don't even feel the injection. Another advance is the use of tranquilizers and/or gas to calm patients psychologically and prior to the anesthetic. Often patients may be asked to put three head sets on again in an attempt to make them relax. Of course the dentist knows one of his responsibilities is to calm you by his charismatic mannerism, along with his staff.

Be confident Mrs. R. that you should take that step into dentistry now. You'll be pleasantly surprised. Thank You.

Do You Have SINUS TROUBLE???

Sinusitis is an inflammation of the mucous membrane of one or more of the eight nasal sinuses. The sinuses are a part of nature's intricate "pollution control" system designed to keep foreign substances from entering your lungs. This system is like a series of progressively finer screens, starting with the hair just inside the nostrils which filters out the larger particles and going through a complex maze of channels which include the moist sinus cavities as a vital part of the function. That is why keeping the sinuses open and clear of infection is so essential to your overall health, to say nothing of preventing the misery and pain which are common symptoms of sinusitis.

Symptoms of sinusitis are numerous. Forehead, cheeks or face tender to the touch; deep seated ache over the eyes; increased nasal secretion; ringing in the ears; sharp pain between the eyes; feeling of general illness; inability to sleep; nasal passages often clogged with a head cold. A tendency to head colds that hang on and on is a major symptom of chronic sinusitis.

Good general health habits, exercise and diet are essential in preventing sinus attacks. However the underlying cause of sinusitis is a constitutional, systemic disease attributed to a failure of the assimilation and elimination functions of the body. This is often brought on by faulty nerve energy supply caused by misalignments in the spine. This is why quick relief lasting benefits, and even complete elimination of sinusitis is a regular occurrence with Chiropractic. If you have the symptoms of sinusitis try Chiropractic today.

A total of 485 students at William Paterson College, Wayne, have been named to the dean's list for the spring semester.

Among those are Belleville residents Susan L. Catalano, Michelle M. Jeannotte, Donnamarie Jones, Maureen Monahan, Deborah C. Neubert, Andrew R. Pascale, and Lisa A. Siniscal.

In order to qualify for the dean's list, a student must carry a minimum of 12 credits for the semester and earn a grade point average of 3.45 or better.

Dean Kenneth T. Vehrkens of Fairleigh Dickinson University has announced that 57 students have been named to the honors and dean's list at the Saturday College of Edward Williams College, a two-year liberal arts college.

Clorinda Fochesato and Maureen Remmer, both of Belleville, were named to the honors and dean's list, respectively.

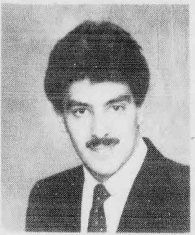

To qualify for the honors list, a student must have a grade point average of 3.5 or higher. To qualify for the dean's list, a student must have a 3.2 average or higher.

Twenty-one Belleville residents were among those recently graduated from Rutgers University in Newark.

They are: Patricia M. Bradley, Michael Calabrese, Stephen P. Drake, Nicholas J. Exarhos, Patricia J. Hill, Jeffrey E. Hollinger, Lori Ippolito, Loring Lincoln, Daniel A. Maiullo, Jenny Maxwell, Thomas L. Melchione, Cheryl A. Muhaw, Anthony J. Pope, Mary F. Post-Rielly, Douglas J. Riitschel, Arthur M. Scorticola, Kenneth D. Smith, Daniel P. Sullivan, Hung H. Tsang, Walter R. Weiss and William J. Ziemer.

Enrico Tamburri, son of Mr. and Mrs. Alessio Tamburri of Belleville, was awarded the Bachelor of Science degree at Seton Hall University's commencement ceremony.

Tamburri, who majored in business administration, will

begin work with Midlantic National Bank in Edison while pursuing his master's degree at Seton Hall.

Tamburri, a 1981 graduate of Belleville High School, is a member of the American Society for Personnel Administration and the John V. Kelly Civic Association.

Sharon McKibben of Belleville recently received a Bachelor of Arts degree from the University of the Pacific, Stockton, Calif.

UOP was founded in 1851 as the first chartered institution of higher education in California. It is comprised of a liberal arts college and professional schools in music, pharmacy, education, engineering, business and public administration and a graduate school.

Trushar A. Sheth of Belleville was the recipient of the Malcolm Ewing Medalion for Excellence in Classical Language at commencement exercises at Seton Hall Preparatory School in South Orange June 8.

Sheth will attend the New Jersey Institute of Technology in the fall.

Other Belleville residents receiving diplomas from the Prep and the colleges they will attend include: Joseph Chicala, Rutgers University; Joseph M. Corbo, Franklin Pierce College; Marc D'Antonio, Rutgers University; and Edward Zazzali, Mount St. Mary's College.

Four Belleville residents were recently inducted into the Montclair State College Chapter of Phi Kappa Phi, a national honor society.

Among those inducted into the honor society were: Rosanne Asero, an English major; Carla C. Cioni, a Spanish major; Dawn Pompeo, an Environmental Studies major; and Michael G. Lupo, a Computer Science major.

The honor society encourages scholarship in all academic disciplines and recognizes service to the community. Chapters elect no more than the upper 10 percent of a graduating class and bring together representatives from different disciplines in the interest of broadening the base of all education.

Peter Hui-Mun Pak of Academy Street received his Bachelor of Arts degree, Phi Beta Kappa, from The John Hopkins University in Baltimore, Md.

He was also awarded departmental honors in biology for maintaining a grade point average greater than 3.7. Pak is the son of Mrs. Marianne Y. Pak and the late Chrysostom C. Pak.

Pak was graduated from Queen of Peace High School in North Arlington where he finished at the top of his class, earning the outstanding graduate award.

Pak will be attending Harvard Medical College in Boston, Mass., where he is eligible for the prestigious M.D.-Ph.D. program co-sponsored by The Massachusetts Institute of Technology.

Kenneth Smith of Belleville, 1985 graduate of Rutgers University's Newark College of Arts and Sciences (NCAS), has been cited by the school for his senior honors project.

Smith was among 33 seniors selected to participate in the program. Selection is based upon the students' academic records.

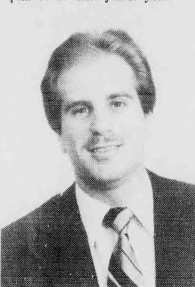

Smith's project was entitled: "Music Therapy: An Overview of its Theory and Application."

Eric Wong, son of Mrs. Simon Wong of Branch Brook Drive, Belleville, has been accepted into the Phi Beta Kappa chapter and Alpha Society of Hiram College, Hiram, Ohio.

Phi Beta Kappa is an honor

society which recognizes excellent scholarship in the liberal arts. Students are selected on the basis of overall grade point average in the liberal arts courses, recommendations by the professors who have worked closely with the candidates, and other scholarly achievements, such as special papers and research projects.

Membership to Alpha Society is limited to juniors and seniors who have completed a minimum of 30 credit hours at Hiram College and have attained a cumulative grade point average of at least 3.5 by the second quarter of their junior year.

Michael DeFeo

Michael Joseph DeFeo, son of Victor and Joan DeFeo of Belleville, was graduated from Ross University School of Medicine June 10.

Dr. DeFeo received his undergraduate degree from Fairleigh Dickinson University in Rutherford in 1981. As a medical student, he completed his clinical rotations at Robinson Memorial Hospital in Ravenna, Ohio, and at St. Elizabeth Hospital in New Jersey.

Dr. DeFeo is currently seeking a pediatrics residency.

Fairleigh Dickinson University's Rutherford Campus inducted 55 graduate and undergraduate students into the Gamma Lambda Chapter of Delta Mu Delta, the national honor society in business administration.

Eligibility for membership is based on a cumulative grade point ratio of 3.5 or better for undergraduate and 3.0 for graduate students.

Among the inductees were Belleville residents: Michele Bottita, Anthony Calabrese, Frank Giordaneli, Toni Ann Giordano, Thomas McCormick and Anthony Sasso.

NOTICE

Sensible suggestions for traveling with kids

FINDING YOUR WAY to that remote vacation spot is not the only challenge of the road. Keeping active children entertained can also put mom and dad to the test.

Introducing the 4 - Zinger Give Your Kids The Runaround

Introducing the 4-Zinger! It looks like a small pick-up truck, but it's a kid-sized four-wheeler with full size features designed to help your child learn. It's a fun way to introduce your children to the excitement of off-road riding.

Powered by a sleek two-stroke engine, it comes complete with a one-speed automatic transmission, exclusive start/run switch, adjustable throttle stop, and removable exhaust restrictor for power control and a tether cord so you can hold the reins while your child learns. There's also built-in foot guards, padded handlebars, and extra seat padding.

Traveling in a car with kids for extended periods of time can stretch one's patience to levels even Job would flinch at.

Short of setting your kids in plaster of Paris, you can count on some trying times while riding with them in an automobile, with the noise and commotion level being directly proportional to the number of children along for the ride.

There are some things you can do, none of which involves the purchasing of handcuffs or thumb screws, to make this time more enjoyable for everyone. The key to as peaceful a ride as possible with kids is to keep them occupied. One way is with games.

Some of the more popular ones to play are:

- Car bingo:

• Who can spot the greatest number of different states' license plates (either by state or color) in an allotted amount of time;

• If you are traveling through the countryside, see who can spot the most different types of animals;

• I Spy (making sure the spyer spies the spyee inside the car and not on an object six miles past);

• Take along a piece of wood approximately 2' x 2' so the kids can play their favorite card or board game.

Counting games can also make time go by pretty fast. Favorite items to count are bridges, billboards, trucks, certain color cars, police cars, even disabled cars.

Another time-passing game is looking for designated colors, numbers or letters in signs, license plates or wherever these items can be spotted.

After exhausting both your supply

of games and the kids' attention span (with a little luck this could stretch as far as 25 miles into your day's journey), you can sing songs, tell riddles and stories (the same stories you loved as a child, or let them make up their own, or add key parts to the ones you're telling), read books or comics, color or draw (preferably not on the car seat or each other), or even write letters to grandma and grandpa.

If you've gone through all this and are getting desperate, don't forget the old stand-bys—the-tac-toe and rock-paper-scissors. Only as a last resort is it suggested you break into a chorus of "100 Bottles of Beer On The Wall."

"Learning the ropes" a good idea

A century ago a man wasn't a sailor until he had "learned the ropes."

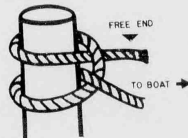

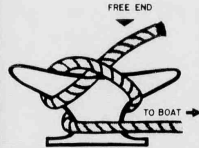

Today we refer to the ropes used in boating as "lines," and learning about them is a lot less complicated. But it's still a good idea to "know the ropes," advise the Mariner Outboards boating experts.

Useful knots

Two of the most useful knots for the small boat skipper to know are the cleat hitch and the clove hitch, because they enable you to do something essential—to tie up your boat securely at the dock.

Both are shown in the accompanying illustration, with the cleat hitch on top.

To tie the cleat hitch, first take a single turn with the line around the base of the cleat. Then drop an inverted loop around the horn of the cleat, as shown in the illustration.

Religious Viewpoint

"I May Be Dead Tomorrow"

By Rev. Robert Paul
Grace Baptist Church

An earnest born-again Christian doctor one day called to see an old man whom he had frequently visited before. Many a time had Dr. S. spoken faithfully to old John and his wife about their soul's salvation and the necessity of being born-again as taught in St. John 3.

Old John listened attentively and tacitly agreed to the truth set before him, but he seemed always to avoid coming to the point of making a personal decision for the Lord Jesus Christ. (St. John 1:12.)

He would willingly admit that he was a sinner and that he needed God's free salvation by faith in Jesus Christ. He intended to prepare for heaven some day, but put it off until what seemed to him a more convenient season. (Proverbs 27:1.)

Old John was suffering from an attack of bronchitis. He life was not in danger, but he felt painfully weak and ill.

Dr. S. made the necessary inquiries and after promising to get some medicine ready, he was about to say goodbye when John's wife inquired, "When must John take this medicine?"

"I will put the directions on the label," Dr. S. said. Then with a smile, the doctor turned to the sick man and said, "Let me see, you are not seriously ill. Suppose you begin to take the medicine some day next month. Is that too soon?"

"Too soon? Why sir, I may be dead then," John said.

"That is true, but you must remember, you really are not very bad yet," Dr. S. said. "Still, perhaps you had better begin to take it in a week."

"Doctor, I may be dead tomorrow," John said.

"Begin today by all means," Dr. S. said. "I only wanted to show you how false your own reasoning is. When you put off taking the medicine which the Great Physician, the Lord Jesus Christ has provided for your sin-sick soul."

Just think how long you have neglected the remedy Christ has provided for you. (St. John 14:6.) God's offer is for today. "Now is the accepted time, behold now is the day of salvation. Boast not thyself of tomorrow; for thou knowest not what a day may bring forth." (Proverbs 27:1.)

Christ stands ready now to receive all who call upon Him in faith for personal salvation. "For whosoever shall call upon the name of the Lord shall be saved." (Romans 10:13.)

Dorothy Davies, at 70; belonged to Elks Lodge

Services for Mrs. Dorothy Davies, 70, of Berkeley Township, who died June 16 in her home, were held June 18 in the Anderson & Campbell Funeral Home, Toms River.

Mrs. Davies worked for 16 years as a purchasing agent for the Eveready Label Co., Belleville, prior to her retirement in 1967. She had been a member of

the Elks Lodge 1875 Auxiliary in Toms River.

Born in Belleville, she moved to Holiday City 13 years ago.

Surviving are her husband, Robert W.; two sons, Edward and Robert Hearn; two stepdaughters, Claudette Gialanella and Joyce Mastrantonio; 10 grandchildren and two great grandchildren.

Morris Goldman, at 85

Morris Goldman, 85, died June 7 in Morristown Memorial Hospital, Morristown.

Born in Jersey City, he lived in Newark before moving to Belleville 15 years ago. Mr. Goldman was a glass blower with the Hudson Lamp Co., Kearny, for 25 years before retiring 13 years ago. He was a

member of the Foresters of America, Newark.

Surviving are his wife, Edith; a son, Philip, of Hillside, a daughter, Rochelle Kaplan of Hallandale, Fla. and six grandchildren.

Services were held June 9 at Menorah Chapels at Millburn, Union.

Elsie D. Hansen succumbs at 89

Elsie D. Hansen succumbed June 11 in the White House Nursing Home, Orange. She was 89.

Born in New York, she lived in Newark before moving to Belleville many years ago. She was retired from the accounting department of Kresge Department Store, Newark.

Surviving are a nephew, Roger Hansen of Illinois and a sister-in-

law, Catherine Hansen of Nutley.

Services were held June 14 in the E. Donald Harrison & Son Funeral Home, Nutley. Interment followed at Hollywood Memorial Park, Union.

J. Maniscalco succumbs at 74

A Mass for James Maniscalco, 74, a lifelong resident of Belleville, was offered June 5 in St. Anthony's Church following the funeral from the Zarro Funeral Home, Bloomfield.

Mr. Maniscalco died June 1 in Clara Maass Medical Center.
