## Chamber sponsors sidewalk sale

The Belleville Chamber of Commerce will sponsor a sidewalk sale Thursday-Saturday, July 11-13.

Participating merchants include: First DeWitt Savings and Loan, Belleville Shoes, First Jersey Bank, Nanina's, Pura-Tex, Belleville Motor Lodge, Charles Jewelers, Act II, Sherman's, Fleming's Food Supply, Jovial Card Shop and Plaza Men's Shop.

The hours are as follows: Thursday, July 11, 9:30 a.m.-6 p.m.; Friday, July 12, 9:30 a.m.-9 p.m.; and Saturday, July 13, 9:30 a.m.-6 p.m.

## Matters in Brief

### Smoking banned at board meetings

The Belleville Board of Education unanimously approved a resolution at its Monday night meeting prohibiting smoking at all public school board meetings at whatever location they are held.

The resolution was adopted as a result of a request made by Edith DeFeo of Mt. Prospect Street. DeFeo, who reminded board members about the state law prohibiting smoking in public places, said that smoking during the meetings was not fair to those who did not.

The board members, including smokers Ernest Zoppi and Dr. Joseph Cappello, immediately acted upon DeFeo's request and approved the resolution.

### Basic skills teachers are hired

Two more teachers have been employed to the Basic Skills Improvement Summer Enrichment Program because of increased enrollment, according to Superintendent of Schools Michael Nardiello.

The Belleville Board of Education approved the employment of Carol Kane and Geraldine Riccardi, for a total of 13 and 12 days, respectively.

### Board of ed appoints summer staff

The Belleville Board of Education approved two resolutions concerning summer special education programs at its meeting Monday night.

The board approved the employment of six staff members for the Early Childhood Summer Program at School 5. The program, conducted from the beginning of July to Aug. 9, is for Belleville children, ages 3-5.

Employed to the program, started last year by Dr. Anthony Chirico, director of special services, are: Mary Ann DiGuglielmo, speech teacher; Jean Lapinski, childhood teacher; and Annette Lardieri, Theodora Dempsey, Maria Cicienia and Susan Melone, teacher aides.

The board also approved the appointment of Diane Kelleher, middle school teacher, as curriculum coordinator for the Summer Recreation Program for Handicapped Children. The program, conducted at the Little League Fieldhouse until Aug. 9, is for Belleville children, ages 6-16.

### Police may get six patrolmen

The Belleville Board of Commissioners have approved to the 1985 supplemental safe neighborhoods program. The state program, which appropriates more than \$109,000, will allow the Belleville Police Department to hire six more patrolmen.

Police Chief George Lister said that number will bring the total number of men on the force up to 91.

The program, coordinated by Lister, is the result of a state bill aimed at adding 2,000 men to police forces in the state.

Lister said residents will not see the additional men on the force until late 1985 or early 1986.

### Township issues I.D.s to seniors

The Township of Belleville has recently provided its senior citizens with identification cards.

This past week, township employees, under the direction of Mayor Michael Marotti, issued identification cards complete with picture, name, address and telephone number. The identification are used for special senior citizens events and trips, including this year's trip to Spring Lake.

Assisting in the issuing of cards were Mrs. Patricia Verian, Mrs. Terry Lynn Forrentino and Police Officers Vincent Masi and Harry Lanna.

## Four kindergarteners registered at School 9

# Class needs 10 students

By Michelle Jeannotte

The Belleville Board of Education has been faced with a big problem: What do you do with a kindergarten class that has only four students?

Well, that was the big problem discussed at the board's meeting Monday night as it announced the possibility of discontinuing a kindergarten class at School 9 for the 1985-86 school year. As of June 27, only four students have been registered for the kindergarten class, Superintendent of Schools Michael Nardiello said.

Nardiello said that if that number does not reach 10 by Sept. 1, those students who have been signed up will be transferred to another school in the district. Nardiello said that parents who have children entering kindergarten should contact him at 751-7407 as soon as possible.

A resolution, which was introduced at the meeting by Nardiello, caused some discontent among both parents and school board members. The resolution states that if the number of students signed up for the

kindergarten class at School 9 does not reach 10 by Sept. 1, they will be bused to another school. No class will be provided for less than 10 students, Nardiello said.

"I don't know what the alternatives are," Phil Linfante, opposing school board member, said. "I don't think we have given it enough thought."

Some of the alternatives discussed included an all-day kindergarten at School 9, a joint classroom with the first grade and even a pre-kindergarten session. Despite the question of a kindergarten class, School Board President Anthony D'Agostino did say that the board will be advertising for a full-time principal.

Nardiello said that a letter was sent to the parents of the four children alerting them of the situation. However, once the letter was read aloud, an objection was raised by Kathy Wesolowski, School 9 PTA president.

"That letter does not sound like a panic situation," Wesolowski said. "I came back

What Else? - School 9 has had its fair share of knocks and pings, but the possible discontinuation of a kindergarten class for the 1985-86 school year may be the straw that breaks the camel's back. Only four students have been registered for the upcoming kindergarten class. That number must reach 10 for a kindergarten class to remain at School 9. - Photo by Michelle Jeannotte.

## Volunteers aid the homebound

Dedicated Volunteers - Volunteers of the Essex County Nutrition Project prepare the meals for some 70-80 seniors who visit the Montgomery Presbyterian Church daily. By Michelle Jeannotte

Being a homebound senior citizen is frightening as it is without having to worry about how you will get your next meal.

With the help of a group of volunteers, Belleville homebound senior citizens receive one hot meal, five days a week, at little or no cost at all.

The seniors receive their meals through the Essex County Nutrition Project, which was started at the Montgomery Presbyterian Church in Belleville nearly eight years ago. Volunteers at the site deliver 45-50 meals a day. Don Freid, coordinator of the program, said, Volunteers also prepare 70-80 meals for those seniors who visit the site daily.

The meals are provided for a fee of 75 cents, but Freid said that if someone cannot afford it, they are still given meals.

Freid has been the coordinator of the program since she took over for her predecessor six years ago. Her duties include coordinating the volunteers and most of all, making sure there is

always someone to deliver the meals.

Freid said there are approximately 12 volunteers who package the meals as well as the group of volunteers who actually deliver the meals on two routes. The program begins at 10:30 a.m. and winds up about 12 p.m., she said. Only four volunteers are needed for deliveries each day - two cars with a driver and jumper.

One such pair, who has been involved with the program for a few years, is Belleville resident Evelyn Guy and her 83-year-old father, Nick Ferris of East Orange.

Guy said she offered to drive for the program because it gave her the opportunity to help another human being. Her father, who is older than most of the homebound seniors he delivers to, is the jumper of the pair. He is the one who delivers the meals to the door, getting in and out of the car at some 20 or more spots.

## Students score low in testing

The results of the High School Proficiency Test (HSPT), which were announced this past week, have caused some concern among parents and administrators in the Belleville School System.

Belleville scores, which were ranked with those of other Essex County school districts, were quite lower for the HSPT as compared to those of the Minimum Basic Skills Test (MBS). The HSPT will replace the MBS test as a requirement for high school graduation.

Scores for the HSPT, which was instituted in 1984, were as follows: 77.8 in reading; 58.6 in math; and 78.5 in writing.

Since the HSPT testing began, there has been a 27.1 change in reading scores; a 2.2 change in math; and a 6 change in writing.

"I am shocked, totally shocked," Barbara Cicalese, a parent, said at the school board's meeting Monday night. "I am shocked because I expected much higher scores than this. What gets me upset is that it looks bad for someone trying to buy a home here. The first thing they look at is the school system."

"Am I ecstatic, no," Michael Nardiello, superintendent of schools, said Monday night. "I'd be kidding you if I was. The High

School Proficiency Test is so much more difficult than the Minimum Basic Skills Test. I do have to say, though, that there has been a dramatic rise in the MBS scores."

Scores for the MBS, which was instituted in 1978, were as follows: 92.8 in reading and 94.7 in math. There was a 21.1 increase in math scores since the MBS testing began. The number of students failing the MBS graduation test as seniors was one.

According to the Star-Ledger, 11 districts statewide registered average scores in the 40s on the math section of the HSPT. Those districts, however, were

reported to be among the largest in the state and account for a large percentage of the state's school children. They include Newark, Paterson, Jersey City, Camden and Trenton.

The average score statewide of the HSPT was 79.9 percent in reading and 80 percent in writing.

Nardiello said that the ninth graders will have a chance to take the HSPT three times before they have to pass it to graduate. Graduation requirement for 10th and 11th graders is still the MBS test.

"Test scores can imply an

**TRIVIA QUESTION:** What is meant by a "Sleeping Policeman"?

My wife Joan and I have just returned from a two-week vacation in beautiful Jamaica. While there we observed "Sleeping Policeman" road signs. If anyone knows the answer send it to me c/o Sunbank Communications, 600 Bloomfield Ave., Nutley, N.J. 07110.

Jamaica is a struggling third world nation, with a population of 2.4 million people. This beautiful small island has made measurable progress since its independence some 25 years ago. I spoke to many Jamaican business people including Brigadier Smith, president of the Ocho Rios Chamber of Commerce. Ocho Rios is fast becoming the tourist capital of Jamaica, taking over from Montego bay.

The people were very friendly and eager to talk about their island and the problems they face. The foremost problem is upgrading the standard of living. The average wage in Jamaica is approximately \$30 per week which caused a nation-wide two-day strike while we were there.

Virtually everything came to a halt, including power and water. We fared much better than most since our hotel was non-union.

Jamaicans are especially proud of their biggest natural resource, food, which is both plentiful and delicious. New construction is moving at a rapid pace with family dwellings and low-rise resorts. No building can be taller than a palm tree and that's the law.

Jamaica is a democracy headed by Prime Minister Seaga with a parliamentary form of government. The export industry, such as bauxite sugar and bananas, have lagged in recent years, with the exception of the garment industry which has increased by 100 percent over last year.

Despite shortcomings, the people of "Reggae-land" are a happy, spirited, and industrious people who love tourists. After many years of a lull in the tourist track, Jamaica is once again drawing a multitude of visitors to their warm friendly and unpolluted shores.

What does all this have to do with Belleville? There is virtually no apathy in Jamaica. Their problems far exceed those of Belleville's. We mustn't sit back, complain and wait for the other guy to do something. Change is brought about with action - by all of us.

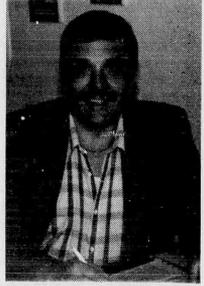

Let's start by revitalizing and rebuilding Washington Avenue. We might even start by renaming the avenue Belleville Boulevard - meaning beautiful boulevard. Support your Chamber of Commerce and we'll support you.

# Anthony D'Agostino joins Nutley realtor

Anthony D'Agostino of Belleville has joined the staff of DePiro Realtors of Nutley as a realtor-associate. The announcement was made by Ron DePiro, president.

D'Agostino, a 19-year resident of Belleville, is also the president of the Belleville Board of Education and a charter secretary of the Optimist Club of Belleville. He and his wife, the former Rose Marie Romano, have four children: Joseph, Anthony, Vincent and Michelle. D'Agostino holds a B.B.A. from Upsala College with a major in real estate and an M.A. from Seton Hall University. D'Agostino received his doctorate degree from Rutgers University in 1980. He attended N.J. Realty Institute in Garwood for his sales license.

One never knows when an accident may happen. You may end up in emergency room, unconscious and unable to give vital information to the people wanting to treat you. People suffering from a chronic disease such as diabetes must be treated differently than other people. People who are taking certain prescription drugs may have a fatal reaction if given other drugs. If you are allergic to certain drugs, such as penicillin, the medical team treating you needs to know that fact. A medical alert bracelet can give doctors vital information about your medical background. It will help them determine the fastest and safest treatment for your situation.

For fast prescription service come to ROSSMORE PHARMACY, 338 Washington Ave. 759-1968, 759-1956. # Orchestra performs in concert July 30

Danny Hope will conduct the Senior Citizens Orchestra in an afternoon of nostalgia including Pop-Big Band Hits and Dixieland Jazz at the Belleville Park Concert Tuesday, July 30, 2 p.m. at Belleville Park.

The orchestra has appeared at senior citizens affairs for the past 10 years and the type of music played at these events is the music these adults and senior citizens grew up with, the feature at the concerts are the sing-a-longs of the 1920-30 and 1940s, and the requests made by the adults and seniors who attend the concert during the request segment on each program as the orchestra knows more than 1,000 songs by memory.

Hope will include some of the Dixieland Classic he introduced on radio during the 1920s as his orchestra was the first to play on radio when WJZ was located at the Westinghouse on University Avenue and Orange Street, Newark. WJZ later moved to New York City and became the NBC network.

Hope was a daily feature on WOR when it was located in L. Bamberger's Department Store

in Newark. He has played at the Belleville Gardens on Mill Street where the Wallace Tierney Plant was located during the Prohibition days that featured the biggest names of that era including Al Jolson and Sophie Tucker.

The Senior Citizens Concerts has been made possible through a grant from the New Jersey Council on the Arts Essex County Block grant, Liz Del Tufo, director, of the Essex County Department of Parks, Recreation and Cultural Affairs.

# Girl Scouts plan activities

The Girl Scout Council of Greater Essex County is sponsoring a variety of summer activities for girls, ages 8-12.

A Red Cross baby-sitting course will be taught Thursday, July 11, 12:3 p.m., at the Girl Scout Council office, 120 Valley Road, Montclair. Cost of the course, which will also be taught July 18 and 25, is \$5.

A roller skating party will take place Tuesday, July 23, 11

a.m.-3 p.m., at the United States Roller Rink, Wayne. Cost is \$5. A day trip to Meyer Program Center, Lake Rickabaer, Kinnelon, will be offered Wednesday, July 31, 9:30 a.m.-3:30 p.m. Cost is \$10.

Bus transportation is included in the fee for each activity. For more information, call the council office at 746-8200.

# Fire Safety Tips!

## Cookouts are Fun If Done Safely

Hot dogs and burgers cooked on the grill are tastes hard to beat. Outdoor cooking can also lead to tragedy when carelessness causes serious burns. Use common sense and remember to cook safely:

- Use charcoal lighter fluid safely. Never use gasoline to start or freshen a fire. Gasoline is explosive and much too dangerous to use on grills. Be cautious with charcoal lighter fluid. Use on coals only before the fire is lit. If you try to make a fire bigger by adding more fluid, the heat of the coals can ignite the stream of liquid and burn back into the can, causing it to explode in your hands.
- Try using electric starters in place of lighter fluids.
- Place grills where they will not tip over or ignite objects above them. Do not use on balconies or under awnings.

- Never bring a grill in the home. The carbon monoxide produced by burning charcoal can be dangerous in an enclosed space.
- Have a container of water or garden hose ready to extinguish a fire.
- Keep children away from fires and grills. They may try to climb on the grill to see what is cooking.
- If anyone is burned by outdoor cooking, cool the burn with water immediately. Cover the burn with a clean cloth and seek emergency help.
- Though coals may appear cold, always soak them after cooking. Unsoaked coals can re-light a day later.
- Keep grills outside of tents and recreational vehicles.
- Keep damp or wet coals in a well-ventilated area.

During the drying process, spontaneous combustion can occur in confined areas. If a bag of charcoal gets wet, leave it outside, away from the house.

For more information on these or any other safety tips, contact Capt. Andrew Depczek, Belleville Fire Prevention officer, at 450-3374. These safety tips have been provided by the Belleville Fire Department, FMBA Local 29.

# Three residents eligible for lotto bonus drawing

Three Belleville residents will be among 170 finalists in the "Pick-6 Lotto" bonus drawing at Resorts Hotel Casino in Atlantic City Thursday, July 18. A top prize of \$1 million, payable over 20 years, will be awarded.

Mary Giangreco, Richard Sheridan and Vincent Squatrito won their way into the drawing by matching, in exact order, the five-digit bonus numbers picked

Thursday evenings as part of the televised drawings for the "Pick-6 Lotto" weekly game.

In addition to the top prize of \$1 million (\$50,000 a year for 20 years), the drawing will decide a second cash prize of \$50,000, one third prize of \$25,000, one fourth prize of \$10,000 and fifth through 10th prizes of \$2,500 each. The remaining finalists will receive \$250 consolation prizes.

## Adoration, Thanksgiving and Praise

I thank thee, God, that I have lived  
In this great world and known its many joys;  
The song of birds, the strong, sweet scent of hay  
And the cooling breezes in the secret dusk,  
The flaming sunsets at the close of day,  
Hills, and the lonely, heather-covered moors,  
Music at night, and moonlight on the sea,  
The best of waves upon the rock shore  
And wild, white spray, flung high in ecstasy;  
The faithful eyes of dogs, and treasured books,  
The love of kin and fellowship of friends,  
And all that makes life dear and beautiful.  
I thank Thee, too, that there has come to me  
A little heartache and the loneliness  
That comes with parting, and the world, "Goodbye,"  
Dawn breaking after dreary hours of pain,  
When I discovered that night's gloom must yield  
And morning light break through to me again.  
Because of these and other blessings poured  
Unasked upon my wondering head,  
Because I know that there is yet to come  
An even richer and more glorious life,  
And most of all, because Thine only Son  
Once sacrificed life's loveliness for me -  
I thank Thee, God, that I have lived.

## Joe Grosch

After starting with our school system 39 years ago, Joe Grosch has finally called it quits. Joe Grosch, the boy who "grew up in Belleville" - but according to his own words, Joe Grosch "never grew up." We think Belleville produced a boy and made the man.

A kid at heart, Joe Grosch has become a legend in his time. One of his favorite pastimes was to be a playground father - joining the students at play and being one of them.

Even at his tender retirement age, Joe Grosch has never lost his teenage vitality. Warmhearted, giving and unselfish, Joe Grosch is a caring, dedicated human being.

Recently, long time associates of Joe Grosch tendered him a retirement dinner. The huge crowd gave the guest of honor a deserved thunderous ovation. The evening produced a bond of brotherhood that brought tears to the eye and joy to the soul.

The record will show that Joe Grosch retired from our

school system, but the fact remains his personal stamp of character and integrity live on in the minds and hearts of the students and adults who are privileged to call Joe friend.

It's a grateful community that expresses thanks to a fine educator who dedicated his entire adult life to inspiring students to reach ever higher goals, to instill hope in the hopeless and replace night-mares with dreams.

In truth, Joe Grosch is a man among men - a man for all people - and a man for all seasons - for the young, for the middleaged and for the aging.

In your retirement, Joe Grosch, may God bless you and continue to give you good health and your deserved share of good happiness.

## New Town Hall

Recently, the Belleville Board of Commissioners approved a \$10 million bond ordinance providing for the construction of a new municipal complex which is planned to house all municipal departments of government. The new edifice will give the police department a long overdue home.

The present basement headquarters is a disgrace - and a blot upon the community. Working conditions are beyond belief. A shoehorn is needed to move in and out of different areas.

The new structure will serve

two purposes - one to centralize government departments and probably more important - give the police department a modern home and tools to do its job. Town officials should put this project in the fast lane. It will be the best money the Township has spent in a long, long time.

## Letters to the Editor

### Teacher's family sets up scholarship in his name

To the editor:

My husband, Ted S. Gabry, taught architectural drawing and drafting in Belleville High School for 38 years before retiring July 1, 1984. He passed away on June 12, 1985.

The family has decided to honor his dedication to teaching with a scholarship to be given each year to an outstanding student in this area.

My husband served as a captain in the 385th Engineers in the European

Theatre for five years. He graduated from State Teachers College in Newark, attended the Sorbonne in France and received his master's degree in education from Rutgers University.

Anyone wishing to contribute to the scholarship may send donations to: T.S. Gabry Scholarship Award, c/o Outstanding Savings, 569 Broadway, Bayonne, N.J., 07002.

Mrs. Ted Gabry

## Golden Comments

by James R. Golden

Although Gov. Thomas Kean is calling for passage of a \$18,500 minimum starting teacher's salary, delegates from throughout the state representing local boards of education expressed opposition to the proposal at the annual assembly of the New Jersey Schools Boards Association in Princeton.

Frank Belluscio, a spokesman for the group, relating the sentiments of the group's request that Gov. Kean and the Legislature temporarily halt the minimum salary plans.

The delegates, he said, instead asked Gov. Kean to appoint a state commission to study the financial and educational ramifications such a program would have and voted overwhelmingly for a resolution contending that the state should assume financial responsibility for the raises.

Legislation that would provide permanent state funding for the higher salaries was approved June 14 by the Senate Education Committee. Assemblyman Joseph Doria (D-Hudson), sponsor of the measure, disclosed the \$37 million proposal would immediately affect about 15,500 public school teachers throughout the state.

A spokesman for Gov. Kean has said the Governor may veto the measure because he is backing another funding plan under which the state initially pays the full cost of raising salaries but then reduces the portion by 10 percent every year until local districts bear the full burden.

Belluscio, spokesman for the New Jersey Schools Boards Association, said that under either proposal, local school districts would have to pay for the plan's "ripple effect" of experienced teachers wanting to get more money.

"The burden of funding would fall entirely on local school districts," he said, pointing out that the NJSBA estimated that if all teachers were given pay increases similar to those for

educators at the bottom of the pay scale, it would cost districts about \$318 million in the coming school year.

New Jersey entry-level teachers now earn a median of \$14,880 a year, according to the New Jersey Education Association, the state's largest teacher's union.

"We don't believe that more experienced teachers are going to sit back idly and not demand proportionate increases," Belluscio said. He further stated that about 300 of the state's 611 local districts now have teacher contracts that are either up for negotiation or might permit veterans to seek across-the-board raises.

He said raises for senior teachers might require local boards to cut programs and, ironically, lay off staff members. Layoffs, he said, would eliminate jobs for "the very same teachers who these minimum salary proposals are meant to attract."

The NJSBA delegates also called for the creation of a certificate for students who take job-training courses after failing the state's newly revised high school proficiency tests. Allowing the student to obtain the certificate might keep them from dropping out of school altogether.

"The test is now going to be much more rigorous and more students will probably be failing it," Belluscio said.

The new certificate, he explained, would not be a high school diploma, but it would mean the kids have stayed in school and have successfully pursued a course of study.

With federal funds for education drying up with attendant concomitant increasing school budgets, it becomes evident that local taxpayers throughout the state will be saddled with higher taxes...the very taxes President Ronald Reagan wants to eliminate as a deduction on your federal income tax return.

# Rosamilia receives Eagle Scout Award

Boy Scout Ralph Rosamilia of Troop 307, sponsored by the School Organization of Parents and Educators, was recently presented the Eagle Award, the highest award in scouting.

Only 2 percent of all Boy Scouts ever achieve such an honor.

In addition to receiving congratulatory letters from President Ronald Reagan and Vice President George Bush, Rosamilia was honored by many local elected officials and civic organizations. Two of those officials, Mayor Michael Marotti and Commissioner of Public Affairs Michael Pizzi, were on hand to present Rosamilia with a resolution from the Board of Commissioners. An aide of Rep. Robert Roe also attended, and presented the scout with several honors, including an Eagle Award of Merit from Congress.

To become an Eagle Scout, a

boy must accumulate at least 21 merit badges and then complete a specially approved Eagle Project, which required him to perform an important community service under adult supervision.

For his project, Rosamilia, a Belleville High School student active in scouting for the past nine years, devoted about 53 hours to supervising the conversion of a storage room at the Essex County Geriatrics Center into an "Activities for Daily Living Room." He was assisted by fellow scouts Berj Akian, David Rosamilia, J.R. Devincenzo, Frank Raymond, Raymond Herschell and Vito Caprio. Rosamilia had to decide what materials would be needed submit a plan and time schedule and direct the other scouts in carrying out the plan.

Rosamilia's project will greatly benefit hospital resi-

dents because through the center's "Activities for Daily Living Program," the patients receive training and reinforcement for daily life skills such as personal hygiene, hair care, cooking and etiquette. The ultimate goals are to help hospital residents take care of themselves and enable them to resume normal activities once they leave the hospital.

The project was supervised by Gail Kenney, the center's director of Therapeutic Services, who honored Rosamilia at the ceremony.

During the awards presentation, Rosamilia received an Eagle Certificate from his parents. He then presented a plaque to his father and corsage to his mother. One of the major goals of the Eagle Scout experience is to forge closer ties between scout and parent.

In his remarks, Rosamilia thanked his parents for providing guidance and his fellow scouts for allowing him to assist them in developing their skills.

Belleville District Executive Chris Bahr, himself a former Eagle Scout, said that attaining the award is a special opportunity and told Rosamilia that the memories of his achievement shall remain with him and his family for the rest of their lives.

Rosamilia is the fourth Belleville scout in recent months to receive scouting's highest award. Last December, Chris Goldrick, Jay Meglio and Jason Haines from Troop 301 all presented the award during ceremony at St. Peter's Church. Other Belleville award winners in the past have been David Haight, James Sperduto, Mark Dembrowski and Robert Cook.

**Kiwanis Cookout** - Members of the Kiwanis Club of Belleville recently sponsored a picnic for the children at the Cerebral Pals Center in Belleville. ## Seton Hall University opens comedy July 18

The Seton Hall University Summer Theatre-in-the-Round in South Orange has announced the opening of the comedy, "My Three Angels," on July 18, 19, 20, 25, 26 and 27 at 8 p.m.

"My Three Angels," a fantasy in the true Dickensian sense, is a spoof of "A Christmas Carol" with an ironic Gaelic twist. This tale of love and laughter on Devil's Island finds three convicts employed as

roofers for a blundering, though well-meaning businessman. They accused felons rise above and beyond the call of duty by performing such tasks as selling paintings and looking after girls who have fainted.

Tickets are \$6. Senior citizen and group discounts are available. For more information and reservations, call the Seton Hall University box office at 761-0100.

# Six students receive award for academic excellence at college

Six students at the Rabbinical College of America in Morristown received the Robert C. Gruhin Academic Excellence Award for memorizing the entire Talmudic Tractate of Bava Kama with Commentaries.

Robert Gruhin, an attorney in Belleville, has been a member of the Board of Trustees of the college since 1967 when the college was housed in a one-family frame house in Newark. He was instrumental in the purchase of the 15.2-acre tract in Morristown in

1971 as well as in the recent acquisition of 66 acres adjacent to the present campus for future development. In November of 1982 he was honored at the Mortgage Repayment Dinner of the college. His children initiated this Academic Excellence Award in honor of their father and his many years of active leadership at the Rabbinical College.

The tractate, which is 238 pages, deals with intricate Jewish laws concerning the respon-

sibilities and compensations for civil and criminal damages. The awardees are: Eli Barber, David Flinkenstein and Yosef Showitz of Brooklyn, Shmuel Laufer and David Bisk of Israel and Yisroel Fired of Buffalo, N.Y.

Yosef Garelick of Italy, Mendel Herson of West Orange, Eliezer Lazaroff of Houston, Texas, and Pesach Scheiner and Eli Kreiman both of New York, received honorable mention for memorizing more than half of the tractate. Barber and Showitz received the same award last year for memorizing Bava Basra - the largest tractate of the Talmud.

Academic Excellence Award - Six students of the Rabbinical College of America received the Robert C. Gruhin Academic Excellence Award. Pictured are: Shmuel Laufer; David Flinkenstein; Dr. Albert Cook; Attorney Stephen Gruhin; Harry Cook; Attorney Robert C. Gruhin; Rabbi Meyer Greenberg; Yosef Showitz; David Bisk; Eli Barber; and Yisroel Fired.

Keeping a Watchful Eye - Students in Mrs. Palumbo's fourth grade at School 7 enjoy watching the week-old ducklings take their first swim. Shown here are: (l-r) Michael Nicosia, Felicia Friedlander, Tara Galloto, Lika Shimokawa and Denise Cafone.

# STARTING JULY 8th, TAKE THE NJ TRANSIT MEADOWLANDS PARK 'N RIDE EXPRESS TO NEW YORK CITY.

**FOLLOW THIS SIGN TO NEW YORK CITY**  
If you're looking for the fast way to midtown Manhattan, follow the signs to the new NJ TRANSIT Meadowlands Park 'N Ride.

**CONVENIENT**  
The Meadowlands is centrally located. It's easy to reach by major roadways - such as Route 3, Route 17, Route 20 and the New Jersey Turnpike.

**LIFE IN THE FAST LANE**  
Simply park your car at lot No. 13 and hop on an NJ TRANSIT express bus. You'll be whisked along the exclusive bus lane - by-passing the auto traffic congestion as you approach the Lincoln Tunnel. On board you can relax, read the newspaper, or prepare yourself for the business day.

**UNLIMITED FREE PARKING**  
You'll never be turned away. The frustrations of an overcrowded parking lot will never be experienced at the Meadowlands Park 'N Ride. Whatever time you arrive, there will always be a parking space for your car at this expansive facility.

**AFFORDABLE**  
Only \$3.75 roundtrip. No tolls, no added wear and tear on your car, no parking fees. Tickets may

be purchased at the Meadowlands Park 'N Ride lot or the Port Authority Bus Terminal.

**MONDAY TO FRIDAY**  
This new No. 322 Park 'N Ride service operates Monday to Friday serving the Port Authority Bus Terminal (PABT) at 41st and 8th in midtown Manhattan. During the rush hour, buses depart PABT Platform #54 approximately every ten minutes. Mid-day and evenings, service is hourly from PABT Platform #174 (line #164).

**FREE RACE TRACK ADMISSION**  
You'll be a winner! Ride NJ TRANSIT from the new Meadowlands Park 'N Ride during the introductory period, July 8-19, 1985. Along with the benefits of a fast, convenient, affordable bus service to Manhattan, you'll receive a ticket for free admission to the Clubhouse at the Meadowlands Race Track.

**FREE BROCHURE**  
Follow the signs to the Meadowlands and start relaxing on your way to Manhattan. Write for a free Meadowlands Park 'N Ride schedule brochure or call NJ TRANSIT at (201) 762-2411 from 6 a.m. to midnight.

# Religious Viewpoint

By the Rev. Robert Paul  
Grace Baptist Church

Have you ever wondered what happened to those men who signed the Declaration of Independence?

Five signers were captured by the British as traitors and tortured before they died. Twelve had their homes ransacked and burned, two lost their sons in the Revolutionary Army and another had two sons captured. Nine of 56 fought and died from wounds or the hardship of the Revolutionary War.

What kind of men were they? Twenty-four were lawyers and jurists, 11 were merchants, nine were farmers and large plantation owners, men of means and well educated. But they signed the Declaration of Independence knowing full well the penalty would be death if they were captured. They signed and then pledged their lives, their fortunes, and their sacred honor.

Carter Braxton of Virginia, a wealthy planter and trader, saw his ships swept from the seas by the British navy. He sold his home and properties to pay his debt and died in rags.

Thomas McKean was so hounded by the British that he was forced to move his family almost constantly. He served in Congress without pay and his family was kept in hiding. His possessions were taken from him and poverty was his reward.

Vandals or soldiers, or both, looted the properties of Ellery, Clymer, Hall, Walton, Dwinnett, Heyward, Rutledge and Middleton. Francis Lewis had his home and property destroyed. The enemy jailed his wife and she died within a few months.

At the Battle of Yorktown, Thomas Nelson, Jr., noted that the British General Cornwallis had taken over the Nelson home for his headquarters. The owner quietly urged General George Washington to open fire, which was done. The home was destroyed and Nelson died bankrupt.

Such were the stories and sacrifices of the American Revolution. These were not wide-eyed, rabble-rousing ruffins. They were soft spoken men of means and education. They had security, but they valued liberty more.

On the other hand, God's Son, the Lord Jesus Christ, the sinless, spotless Lamb of God, died on Calvary's cross for the sin of the entire world. He who had no sin, became sin for us, that we might be set free from the penalty and power of sin. "If the Son therefore shall make you free, you shall be free indeed." (St. John 8:36.) Have you considered the price the Son of God paid for your freedom from sin? (St. John 5:24.) Invite the Lord Jesus Christ to come into your life today.

**DENTALLY SPEAKING**  
By Drs. James D. Muglia and Paul N. De Malo

Miss R. of Newark asks: "My teeth have no cavities but are gray brown and don't like the way they look. Is there any kind of cosmetic paint that can be put on?"

At present Miss R. the only cosmetic coverings are either crowns (caps) or bonding. Since you mentioned you have no decay, we would suggest porcelain veneers as a possible solution. Porcelain veneers are finger-like casings made of a porcelain color of your choice that goes on the front side surface of your teeth. Very little removal of tooth structure is needed. After the laboratory makes the covering under the direction of your dentist they are then fitted to your teeth. Upon your approval a special bonding procedure then adheres them to your teeth and the cosmetics you desired are achieved. Some care must be taken to keep the bond intact but it's minimal. Consult your dentist for further information and have a great summer.

# Volunteers aid seniors through meals program

(Continued from page one)

It is the program's procedure for volunteers to report any unusual incidents that they come across during their routes. Freid said that if a senior does not answer the door when a volunteer arrives, it is reported to her. She then makes a phone call to them to find out if anything serious has happened. If she does not get a response, she then calls the police.

Freid said that on separate instances, police found two people dead.

"Some of the people, particularly those who do not have families, feel more comfortable knowing that someone will be coming around, even if it is once a day," Mrs. Freid said.

"They are just so glad to see someone," Bill Freid, Dot's husband, added. "They develop a friendship thing with the volunteers. They just need someone to say hello to."

Mrs. Freid said that she even gets phone calls from the seniors because they have no one else to talk to.

"We're determined to keep this site open," Bill Freid said, "despite the lack of volunteers. We try to get people from Belleville because they know the roads, but we just can't seem to get enough of them involved."

If you or anyone you know is interested in volunteer work, contact Dot Freid at 759-4429. Maybe you can make a difference in someone's life.

from my vacation to see who our new principal was and instead, I hear about this. I wasn't prepared for this at all.

"I've talked with some parents and I know they are concerned," she continued. "Because of this situation, some parents have opted not to send their children to School 9. We've had our fair share of harassment over the years. It's about time you (the board) did something to benefit School 9."

Wesolowski referred to the bad press the School 9 area has received, including the toxic chemical scare, the possible closing of the school and the desegregation issue.

"We don't get too much,"

Wesolowski said. "School 10, which is a magnet school, is busting at the seams. Couldn't School 9 be another magnet school? Do we even have a dis-dormant and get or don't get whichever student. We do not want our kids bused out. Don't kill us, help us."

After a long discussion between what seemed to be only Wesolowski and the board, the resolution was read. Opposing the resolution were Ernest Zoppi, Phil Linfante and Anthony D'Agostino.

"I feel very strongly about this," Linfante said as he cast his vote. "I will fight this until the very end."

Change in Leadership - The Belleville Rotary Club recently installed Emil Butchko, left, as president for the coming year. Handing over the gavel to Butchko is former president, Norman Thompson. One of the club's most notable accomplishments was its sponsorship, under the Gift of Life program, of a Korean boy who required heart surgery.

awful lot," Nardiello said. "We will be taking an item by item analysis to see where the problems lie."

Board of Education President Anthony D'Agostino said that there seems to be a problem with the state and communities matching curriculum to the

testing. He said the schools are not teaching the students what the state Department of Education decides to test them on.

"To try to explain it in more details would only cause more problems," D'Agostino said. "We do have to develop a closeness with what we are teaching and what we are being tested on."

Nardiello said that once the problem areas are determined, curricular adjustments would be made. He also discussed ways of preparing students for the HSPT, adding that four Belleville High School teachers will be attending a seminar on the HSPT this summer.

## Belleville American Legion baseball team displays 'Landon Ball' style in 6-4-1 season

In St. Louis, they call it "White Ball". Back in the early '80's, the fans of the Oakland A's called it "Billy Ball". Here in Belleville, the fans of the American Legion baseball team can refer to their team's style of play as "Landon Ball".

The Local Legionaires took a 6-4-1 record in this weeks action. The team hosted Nutley on Monday and Verona last night. On Saturday, the local team visits Caldwell for an 8 p.m. start and on Monday, will host Millburn at 6 p.m. from Municipal Stadium.

"Landon Ball", like Billy Ball and White Ball is the fast paced baseball which fans generally enjoy. The 1985 Belleville Legion team has been stealing bases with reckless abandon this summer, having swiped 25 bases. "The kids are really running," said Landon in perhaps an understatement.

"The team is playing very aggressively. We have a good team here and I think the other teams in the legion know that. We usually are up against the other teams best pitcher. Word gets around pretty quick when a team is going well. We've had to

work for our wins lately."

The team started off 3-0-1 on the season, having defeated Wallington for the third win in the first round of the Meadowlands Tournament. In the second round, the Legion team bowed to Vailsburg, but the club rebounded in the third place contest to stop Bloomfield and earn a trophy for their hard work.

Against Wallington, Steve Mulhearn went the distance to earn the win. The just graduated senior at Belleville High had plenty of help in the offensive department. Nelson Landon was 4-4 with a triple, double and two singles. Landon drove home three runs on the night. Allan Ruopp, the leader of Landon Ball, had one hit, walked twice and stole four bases. Dave Long had two hits and Mulhearn helped himself with an RBI double as Belleville won, 8-4.

Getting back to Ruopp, he leads the base stealing action with an incredible 14 stolen bases through the first ten games. "He makes the most of his opportunities," said Landon. Against Vailsburg, Tom Reid took the loss for Belleville as the local team lost, 8-3. Belleville

was limited to two hits by a very strong pitcher.

In the third place game, Belleville rebounded for an 8-4 win. Dan Ruggiero was the winner, hurling the distance for the victory. "Danny is not a power pitcher," explained Landon. "He gets the job done with control and forces a lot of ground balls."

Long had two hits, a double and triple, along with three ribbies, to lead the way for Belleville.

The hitting assault continued in a 13-2 win over West Orange. Ruopp and Jim Dunphy slammed homers for Belleville and Mulhearn, the ace of the staff thus far, earned his third victory of the season. In addition to Ruopp's homer, the Belleville High star collected three more hits and stole four bases. Landon stole three bases and Dunphy drove home three runs. In the game, Belleville stole an incredible 13 bases.

Things weren't as cozy in games against Millburn and Bloomfield. Belleville lost both, by counts of 10-6 and 5-2. Dunphy was the loser in the Millburn game as Belleville collected ten

hits and turned two double plays behind the strong infield combo of shortstop Ruopp, second baseman Landon and first-sacker Mulhearn. What hurt the locals was the walk as Millburn took advantage of ten Belleville safeties to score ten runs.

Against Bloomfield, Reid took the loss, despite pitching well. "We hit the ball well in that game," recalled Landon. "We just didn't get the timely hits. We collected our share, but couldn't put them together when we needed them."

Finally, the team lost to South Orange, 7-3. Once again, Belleville hit the ball well, as John Aurienma led the way. Aurienma hit a two run triple and Al Best was 2-3. Ruggiero was the losing pitcher, hurling the first six innings before turning it over to Ruopp for the final frame.

Despite the slump at the end of last week, Landon is looking forward to this weeks action. He feels confident that the club can turn it around. The Belleville hitting has been strong and the pitching, for the most part, has been effective.

## Belleville Braves lose 2 games to Union; season of high hopes turns sour at 2-18

What had started off as a season of high hopes and good fortune, has turned into a summer of nightmares and disappointment for the Belleville Braves.

The local entry in the Essex County baseball league took a 2-18 record in this weeks action. The club was in Montclair on Tuesday and Union last night. Tonight, the Braves are in Millburn for a 6 p.m. start. On Saturday night, the Braves travel to Parsippany for an 8:15 p.m. game. Then, on Sunday, the Braves face off against Millburn, away, for a 5 p.m. start.

The last week was another disappointment for coach Anthony Coco and company. The Braves lost a doubleheader to the Union Jays, 5-4 and 7-0, were

stopped by Verona, 6-2 and lost a twin bill to Cranford, 5-0 and 10-0. To make matters worst, the Braves turnout for some of the games has been minimum, to say the least. In a game against Millburn last week, the Braves had to forfeit because of a lack of players. Should Belleville forfeit another game this summer, the Braves will be terminated from the league.

"It hasn't been the summer we expected," said Coco last week. "After last season (a 20-17-2 mark and playoff appearance) the team was up for this season. But injuries and jobs have gotten in the way. Some of our best players haven't been able to make the games for various reasons. A few of them are hurt and some of them have

different jobs and have to work nights."

On a lighter note, Coco then replied, "If we go 18-2 for the second half of the season, we could make the playoffs."

When a season is somewhat rocky, sometimes a sense of humor is the best remedy. The Braves have been extremely limited this summer. Greg Weber, who led not only the team, but the league, in homers last season, has seen very little playing time. Weber's job conflicts with a lot of the games. He was hitting .353, but that's with just 17 at bats.

Scott Wohlrab had missed five games, but is hitting .324. Dom Vazzano is carrying a .400 average, but he has missed a number of games. Tim Daven

had a .563 batting average, but has been to bat just 16 times.

The highlights of last weeks action came against the Union Jays in the first game of the doubleheader. Calvin Fisher took the loss for Belleville, hurling the entire game. The Braves connected for ten hits on the game and led, 4-3 in the sixth inning. Ed Grzybowski had three hits, including a triple, Mike Cavaluzzi was 2-4 and Mark Roll, 2-4.

In the second game, Union won, 7-0 although it was a 1-0 game in the fifth inning. "We're lacking intensity," admitted Coco. "When you lose games like we have been, it gets you down. We've played some close

During the summer months, Mark Walsh would dedicate himself to being a solid football player. His hard work led to high recognition from newspapers and magazines following his senior year at Belleville High.

Walsh, a 1985 graduate of Belleville High, was in high demand from a number of division one colleges. After visiting various schools, Walsh decided on the University of Maryland to continue his academic and athletic career.

"I'm really happy with my decision to attend Maryland," Walsh said. "It's a great opportunity for me. The facilities there are excellent to begin with and they're re-doing a lot of them. They're adding about 20,000 new seats to the stadium and the practice fields are being up dated. It's a big opportunity for me to take part in the program."

Maryland is being highly ranked by a number of major periodicals this fall. One has the Terrapins ranked as high as third in the nation.

"They want me to come in as a red shirt this season," Walsh said. "They told me they wouldn't hesitate in using me should the opportunity arise. If not, then I'll get a chance to learn the system and be ready for the following season."

Academically, Walsh plans on majoring in criminology, although he says he is undecided at present.

Although he begins a new and exciting career at Maryland, Walsh does not forget the times he had at Belleville High. Fans will remember him as the quarterback of the Belleville offense from November, 1982 through Thanksgiving Day, 1984. At 6-3, 195 pounds, Walsh had the ability to see

## Mark Walsh proves dedication leads to success and recognition among peers

over defenders and find the open receiver. Last season, he threw touchdown passes against Passaic and Clifton on successive weeks to lead the Bucs to two very exciting victories, 7-0 and 7-3.

"I remember that Clifton game well," Walsh said. "It was probably my best all around game. I was able to run a lot and set up the pass. That was a really big win for us, especially after the Passaic game the week before."

Where Walsh really excelled, however, was on defense. He played defensive safety for John Senesky from the first game of the 1982 season. On Recently, Walsh competed in the annual North-South All Star game at Rutgers University and turned in a solid job.

"I enjoyed that game," he said. "I was a little out of shape, but we worked together a week before the game and everyone was pretty familiar with each other. I felt pretty good hitting and I'm looking forward to college ball."

With Walsh playing in the prestigious all star game this season, it marked the third straight year that a Belleville football player has taken part in the game. Dave Grant played in 1983 and Mike Murphy appeared in the '84 contest.

In order to get ready for a huge program like Maryland, Walsh has been working hard over the summer.

"(My Maryland) sent me a running and lifting program. I've been good on the bench press (averaging 350

pounds) and feel pretty strong."

Walsh leaves for Maryland this Sunday to start four weeks of prep school. He returns home on August 2 for five days, then heads back to school to begin football practice.

He enjoyed the closeness of his teammates during the Belleville High days. "We did everything together. It was a close team, especially in my senior year. There were 25 seniors on the '84 team and we all had played together has freshman."

Walsh first made the varsity scene in September of 1982, when Belleville opened the season against Passaic Valley at Montclair State College. A sophomore, he started in the Belleville secondary and quickly showed the fans he would be a mainstay for years to come.

It was late in the '82 season when the fans found out more about his character. In the playoff game against Union, Walsh was cast in an unfamiliar role.

"John Borrello (starting quarterback for Belleville) got hurt in the Union game and I was suddenly put in at quarterback. I had not taken a snap all season long, but I didn't have time to think about it."

Belleville was trailing, 12-0 and Walsh was up against a solid all around team. The sophomore did not panic. He led the Bucs to a late third quarter touchdown, then directed a late drive that took the Bucs to the Union 20 yard line. With the fans on their feet, Belleville appeared set to score the go-ahead touchdown. It

wasn't meant to be, however, because Belleville fumbled and the Farmers recovered. Moments later, the game was over, but the raves were just starting about the sophomore from Belleville who almost pulled off a miracle.

Walsh started his first game at quarterback on Thanksgiving Day, 1982, and led Belleville to a 33-6 rout over Kearny. He never left the helm after that.

"The team of 1982 was probably the most talented team I played on," he said. "They really made me feel welcome from the first day, on the seniors, like Craig Mack, Dave Grant and Jim Castelli were tremendous leaders. (Mike) Murphy was a junior that season. It was a really good team."

"The coaches were also great. We all learned a great deal from them. It was a great experience playing at Belleville."

Walsh leaves for Maryland with a lot of good memories of his days at Belleville High. He goes to a solid program, both in academics and athletics. The Terrapin coach, Bobby Ross, has built a solid foundation at Maryland and Walsh should excel on the collegiate level.

"I'm going to try like hell to make the pros," he said. "That would really be the highlight of my football career."

Certainly, best wishes are extended to Mark Walsh as he endeavors on a new career. While number ten will no longer rove the fields of Bel-

leville High, he should be very successful on the collegiate level, both as an athlete and person.

The Belleville Soccer Association wishes to announce that applications for the 1985-86 season are available for students, age 6-18. An applicant must be at least six by December 31, 1985 and no older than 18 by that date in order to be eligible. Applications can be obtained by calling Ron De Piro at 667-0006. Also, you can call Frank Koch at 751-6579.

Here is the answer to last weeks quiz. The question was, name the participants in the 1981 World Series and how they got there. The answer: the Dodgers and Yankees played, with L.A. winning in six games. The Yanks beat Milwaukee in the divisional playoff, then stopped Oakland in three straight for the A.L. title. The Dodgers beat the Houston Astros in the divisional playoff and upended Montreal in five games for the N.L. title. The 1981 season was the year of the major league strike, so the teams had to play divisional playoffs.

For this week, name the finalists in the 1980 Wimbledon mens final and the winner.

# Belleville basketball team loses first 3 games of summer play

Despite playing some solid competition, coach Dave Boyd is not making any excuses about his team's play in the rugged Elizabeth basketball league.

The Bucs have dropped its first three games of the summer season, losing to Elizabeth, East Orange and Weehauk. This week, the team battled Don Bosco last night and will be back in Elizabeth for a 7:30 p.m. game next Monday evening. All games in the Elizabeth league are on Monday and Wednesday evenings from the Thomas Dunn Arena.

Boyd cited a lack of intensity for his teams slow start this summer. "It is a good league," he admitted. "However, we could have won all three games. We're not shooting the ball well and not taking advantage of the opportunities that we get. What the league is showing, right now, is that we have a lot of work to do. We're not playing defense the way it has to be done. Coach Colucci has seen our games and I think he knows the story as well. We have to take advantage of the opportunities now."

Boyd is referring to the Bucs

ability to play with the quicker teams and to score the baskets when the opportunities present itself. This is a good time to learn because mistakes are not as costly in the summer time. It's a learning experience for the team and the Bucs hopefully will gain a good deal of knowledge in the league.

Belleville lost by counts of eight, 13 and five points to Elizabeth, East Orange and Weehauk respectively. Ted Sochaski and Leon Puentes, as expected, are providing a good deal of the Belleville offense. "We're only scoring about 40 points a game," said Boyd. "We're not going to win many games with that type of scoring."

With the Elizabeth league now in full gear, the Bloomfield league now takes shape. The Bucs began play in the league last night with a game against the Bloomfield "B" team and battle Oratory High tomorrow night at Pulaski Park. The games at Bloomfield will be played at Bloomfield High and Pulaski Park this summer. The schedule in that league is in dis-

array right now because two teams, Nutley and Clifton, are not competing this summer. "I think they're still looking for another team for the Bloomfield league," said Boyd. "It's going to take another week or so before everything is set."

After the game with Oratory, Belleville battles Montclair Immaculate next Wednesday at Bloomfield High, starting at 7:30 p.m.

Boyd sees some good things with the younger players that will make up the Bloomfield league. "They have had more time to practice. They seem ready, but we don't have the experience that the players in the Elizabeth league have. These are very young, inexperienced players that will compete in the Bloomfield league. It should be a good experience for them."

One thing is for sure: The Belleville basketball players of 1985 will be very busy during the summer months. Coach Colucci and his staff have made a full dedication to a big improvement for the 1985-86 season and the opening stages of that improvement starts now.

# Girls' Suburban Softball team wins championship game, 8-1

The Belleville entry in the seventh-eighth grade Girls Suburban Softball League are the 1985 Champs! By defeating Nutley and Millburn in the semifinal and championship rounds respectively, the Belleville Buccanettes won their first league crown in their short three year existence in the league.

Before starting playoff action, the squad ended their regular season by dropping a close 4-3 decision to West Caldwell, and rebounding for a 15-3 win over Cedar Grove. In the Caldwell game, Belleville held a 3-1 lead going into the seventh inning, thanks to Stacy Johansen's two run single in the third inning but in the bottom of the seventh, West Caldwell pulled the game out by combining three hits, two walks, and some critical fielding and mental errors on Belleville's part. It was the Buccanettes' first loss of the season and would turn out to be their last.

Three nights later, the girls defeated Cedar Grove 15-8 on the road. As usual, the winners jumped out to an early lead and coasted from there. Laurie Don-

darski, Marilyn Zamora, Stacey Johansen, Cheri Vales, and Petty Moyer chipped in with two RBI's. On the mound, Johansen won her eleventh game of the year by firing a one-hitter while striking out ten batters. A brief spell of wildness by Stacey in the sixth inning accounted for most of Cedar Grove's runs.

In the playoffs, Nutley came to town in the semifinal round and gave Belleville all they could handle before dropping a close game by the score of 3-1. The Buccanettes bunched six of their ten hits in the fourth inning to score all three of their runs. Johansen doubled and Vales singled her home then Linda Moyer, Kellie McNamara, Shannon Corris, and Denise Ives all singled to close out the scoring. Nutley scored their lone run in the sixth inning on their only hit in the game, a stolen base, and an error. Johansen hurled another one-hit game while striking out 12 batters. The defensive play of the game occurred in the fifth inning when McNamara threw out a Nutley runner at first base from her right field position.

The following night at a neutral field in Verona, Belleville defeated Millburn 8-1 in the championship game. The winners scored three runs in the top of the 1st inning and never looked back. Dondarski singled leading off the game, and Zamora walked. Johansen then tripled over the right fielder's head for two runs and later stole home. Belleville added single runs in the second and fourth innings, and then clinched the game with three runs in the fifth. Lberti singled and McNamara singled her home. Walks to Shannon Corris, Carol Morrison, Denise Ives, and Laurie Dondarski accounted for the other two runs in the inning. Defensively, Johansen pitched her third consecutive one-hitter, walking three and striking out 10. The Buccanettes played errorless ball with Zamora and Corris making fine defensive plays in the outfield.

After a very noisy bus ride home, the coaches simply "thank-ed" the victorious girls for a beautiful game and season, and later thanked the parents and friends who supported the team all season long.

## Belleville children participate in annual Track and Field Day

The Belleville Recreation Dept. held its annual Track and Field Day on July 4 with several events so that each participant could demonstrate his or her skills. The age groups were broken down into three different divisions. Junior, Intermediate and Senior so that each contestant would be participating against people in their own age category.

The 50-yard dash for the boys was won by Mark Biachini and the girls division was won by Kristen Galio. The Intermediate girls division was won by Melissa Gianella for the girls and Jaime Zigarelli won for the boys. The 100-yard dash for the girls was won by Danielle Groeling and the boys was won by Nick Turano. The girls Senior division relay race was won by the group of Daniele

Groeling, Sang Mi Batoff, Soo Mi Batoff and Jennifer Murphy.

In the field day activities the Junior girls division winner in the sack race was Kristen Galio. The boys winner was Paul Aiello. In the Intermediate division, Terry Wica was the girls winner and Tom Pontrella was the winner for the boys division. In the Senior division the girls division winner was Sang Mi Batoff while Chris Talbot was the boys' winner. The agility race junior girls' winner was Kristen Galio and Paul Aiello was the boys' winner. The Intermediate girls division was won by Melissa Gianella and the boys was won by Jamie Zigarelli. The Senior boys division was won by Brian Schweer and Nicole Zelina was the winner of the girls division. The three legged race in the Junior girls divi-

sion was won by Vikki Luzzi and Kristen Galio while the boys junior winners were Carmen Corin and Mark Bianchini. In the Intermediate division Renee Coppola and Kristen Brower were the girls winners while Jimmy Landon and Brian Davis were the boys winners. In the Senior Division, Laurie Dondarski and Shannon Corris were the girls winners and Steve Glogozia and Frank Van Syckel were the boys winners. In the Senior boys tug-of-war No. 10 playground beat all the competition with Brian Reddie, Steve Glogozia, Steve Tice, Vito and Jerry D'Alessio and George Speer all participating.

At the conclusion of the Track and Field Day all participants were treated to watermelon.

## Braves post 2-18 record

(Continued from page 13) games, but we can't seem to win them."

In the Verona game, Belleville led, 2-0 until the fourth inning when Verona scored three runs. Coco hurled the entire game for Belleville. The Braves offense was limited to four hits, three in one inning.

Needless to say, it has not been a very successful season for the Belleville Braves. Coors is hoping that the club can stay together for the remainder of the summer. "A lot of the players, including myself, played a Kean this spring and we set a record for most team wins. We were really looking forward to the summer."

Unfortunately, it hasn't worked according to plan.

HOW TO TREAT SPINAL INJURIES

One of the most popular ways to spend leisure time is participating in sports. The U.S. Bureau of Outdoor Recreation reports over 118 million persons participate in some form of outdoor sport. Over 10 million ride bicycles, 8 million play tennis, and 50 million play other outdoor games.

Such activities are necessary to stay physically fit. However, they can also result in spinal misalignments called "Subluxations." A misalignment can produce a force of several thousand pounds to be displaced and absorbed through the neck. Accidents and trauma can cause herniation, disc trouble, sprains and strains. Such injuries may occur without notice or severe pain.

In baseball, outfielders are likely to suffer from such injuries many times a year. In the pitcher's case, it is because the wind-up is completed and the ball is thrown with great force, which often causes a low back subluxation as most rotation in the mid back region or low back.

As a result, most athletes are among the most frequent patients of chiropractors.

Always do preliminary warm up exercises BEFORE engaging in sports. Should you suffer a sports injury, you'll be back in motion with expert chiropractic care. Manipulation of the spine or displaced joints may also be a major factor in preventing post-traumatic arthritis, a common sequela of sports injuries. Don't underestimate the importance of proper care of your spine - the lifeline of your body.

# Mental health services may get long-range plan

A long-range plan for providing mental health care services in New Jersey would be developed by a 21-member commission under a measure recently approved without opposition by the New Jersey Senate.

"The time has arrived to piece together the various services for mental health care into a cohesive, unified system of delivery," Senate President Carmen A. Orechio, sponsor of the bill, said.

The measure, which passed 39-0 and now goes to the Assembly, would appropriate \$250,000 for developing a mental health care services plan for the next 10 years.

The commission would assess the relationships among state, county and local governments in delivering mental health care services and how the public and private sector should work together for funding purposes," Orechio (D-Essex) said.

The members of the commission would include the commissioners of Human Services and Health, the public advocate, two members of the Senate, two members of the Assembly, six public members appointed by the Legislature and eight public members appointed by the Governor.

Poster Contest Winner - Carmine Pizzano, a student at School 7 in Belleville, stands behind his entry in the Turtle Back Zoo's Wildlife Poster Contest. The theme of the contest was "Bears... Live or Stuffed."

"Oh Boy" - James Ciccone of Belleville, lead guitarist and lead vocalist for the band. "Oh Boy," recently began a summer long engagement at the Aspen Hotel on Route 46 in Parsippany. "Oh Boy" is a seven-piece group with a three-piece horn section. Their repertoire includes music from Top 40 to the Big Bands and an hour-long tribute to the group "Chicago."

## Cancer Unit at Mountainside makes strides in patient care

At a weekly meeting in The Mountainside Hospital's cancer unit, caregivers discuss how each patient is progressing. Physicians and nurses outline diagnoses, treatment and plans for discharge. A dietician discusses special nutritional needs of a patient undergoing chemotherapy. A chaplain reports on the teenaged children of one patient and their difficulty in accepting their parent's disease. A social worker responds that she will invite the children to join the unit's family support group.

"Our team approach helps us to better understand and tend to the total needs of each individual patient and his family," explained Oncology Coordinator Florence McAlvanah, R.N., who runs the weekly meetings. The multidisciplinary aspect of this approach also reflects the hospital's commitment of comprehensive cancer care.

McAlvanah continued, "Cancer is a chronic disease which often must be treated over long periods of time. Consistency of treatment and care are important. At Mountainside, patients not only receive excellent care but benefit from being treated in their home environment."

Available at the hospital, Ultrasound produces pictures through use of sound waves, while nuclear medicine uses radioactive isotopes to show abnormalities in tissue and organs. McAlvanah explained that cancer treatment usually involves some combination of surgery, radiation therapy and/or chemotherapy. Radioactive implants, which eliminate the need for radical surgery and spare organs, are also done. Advances in medical technology have made it possible for cancer patients to receive minor surgery and some kinds of radiation and chemotherapy on an outpatient basis. "The advantage at Mountainside is that we offer all types of treatment in one place, patients can come here and still see their family doctor. They are not isolated from family and friends as they might be if they had to travel some distance to a major regional or national facility."

In keeping abreast of medical advances, the hospital recently received a Certificate of Need from the State which grants permission to install the revolutionary SL 25 - linear accelerator - one of the most sophisticated radiation therapy

tools available today. The system is capable of prescribing precision treatment plans. Using a combination of x-rays, data from physician exams, previous diagnoses and computerized mathematics, it can identify the location of the problem and the exact amount of area that needs to be treated.

The new accelerator will be housed in an expanded radiation therapy department which is included in the Second Century Building Program. The new area has been designed with the cancer patient in mind. A separate entrance will provide privacy, convenience and easy access to patients coming for radiation treatment.

McAlvanah pointed out that while technology has made great strides in improving cancer care, the capabilities of the hospital depend on the skill of its staff. "Oncology is a highly specialized field which requires intensive training and a great deal of commitment. We are fortunate to have an outstanding team."

She feels that the unit's team approach is what makes Mountainside's cancer program unique.

### Photo I.D. badges used at hospital

The Mountainside Hospital is issuing photo identification badges to be worn by all personnel while on the hospital grounds. Media Coordinator Kathleen Durland and assistant Nancy Hill are in the process of photographing the nearly 3,000 people involved with the hospital on a weekly basis. These include 1,700 employees, plus the medical and dental staff, volunteers, residents and students enrolled in the hospital's training schools. The project is expected to be completed soon.

The badges are being issued in the interest of patient and employee safety and security. They will also help the hospital's Security staff to monitor the flow of people through the hospital while construction and renovation of the Second Century Building Program takes place.

# DeBacco Bros. win men's softball league

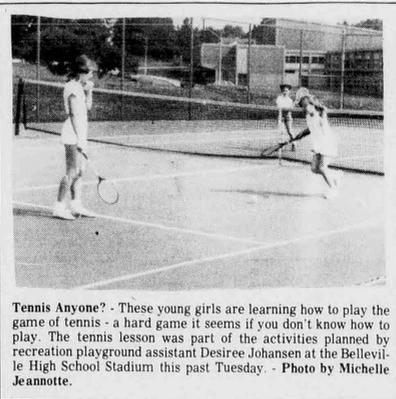

DeBacco Brothers (13-2) nailed down another championship in the Belleville Recreation Men's Wednesday "A" Softball League, as they defeated Michael's Roscommon House 3-1 but fell to Rosmore Pharmacy 9-8. DeLorenzo Construction (11-4) finished in second place, topping Michael's 7-1 and falling to Quick Copy 6-3. Quick Copy (7-8) shut out Eastern Molding 8-0, before Eastern Molding rebounded to earn their only victory of the season, a 4-3 decision over Rosmore Pharmacy (8-7). Michael's Roscommon House ended the season at 5-10.

Suppa's Bar (10-1) holds a two game lead in the Monday "A" League standings after beating second-place For Pete's Sake 7-2 and Nu Plas 16-3. For Pete's Sake (8-3) shut out Champion Bumpers 5-0 while third place Printing Techniques (7-4) swept a pair of games from

Champion Bumpers 8-6 and J&R Insulation 4-0. J&R was victorious for the first time this year as they beat Nu Plas II by a 6-2 margin. Champion Bumpers is 4-7 and Nu Plas II is 3-8.

Belleville Shoe (8-3) won two games last week to dart into sole possession of first place in the Tuesday "B" League, defeating Belleville Political and Social Club 14-4 and Megaro Memorial Home 6-5. Megaro (7-4) edged Guy's Auto Salvage 10-9 while All Guard Insurance (6-3) shut out BPSC 12-0. Roselli's Amoco (5-6) surprised All Guard with a 9-1 win. BPSC is 5-5 while Guy's stands at 0-10.

No games were played on Thursday, July 4 due to the holiday but the final night of regular season play for the Thursday "B" League is scheduled for tonight. Barring bad weather, the post-season playoffs in both divisions should commence on July 17.

## Township playgrounds start summer activities

Opening week of the playgrounds jump off to a rousing start with each playground lending itself to outstanding attendance. At the Rec House wiffleball was the game of the week with participation being good, and everyone enjoying themselves.

At the stadium running jump tournament was held with Kim Smith taking first place and there was a three-way tie for second place with Denise Wujciak, Alkies Lapas and Brian Smith all placing. A Nok-hockey tournament was also held with Alkies Lapas taking 1st place. This week at No. 9 school playground various games were played such as football, softball, pool and Nok-hockey. The Nok-hockey tournament was won by Nello Pepe and Marcello

Hochrieter. At No. 10 school kickball, boxball and softball were the games of the week. Participation was good and the Junior League team has been practicing all week under the guidance of their playground directors. At Fairway Park wiffleball was the game of the week and was received with excellent participation. All other children who attended played in the many games held. The children also keep track of their home runs. Andy Cueva led with 42, Bill Van Sytle was second with 27, Mike Lolia third with 25. In a Jr. Nok-hockey contest that was held, Bill Prosperti was the winner with Mike Prosperti taking second place. Wiffle ball was the game of the week at the Friendly House with Lauri Dondarski, John Cerza, and Joe Dente all participating.

## Rec department accepts children for pre-school

The Belleville Recreation Department is now accepting registration for the pre-school play program for four-year-old children. The program consists of games, stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 9:15 a.m. to 11:15 a.m. five days a week with class limited to 25 students. The cost of the 15 week session is \$45.

The mothers of the children accepted will serve one duty day according to a published schedule.

School will begin again in September under the leadership of Mrs. Susanne Iannini.

For further information and enrollment, contact the Belleville Recreation Department at 450-3422 as soon as possible - Monday - Friday 8:30 a.m. - 4 p.m.

## CHINA GARDEN

By Lisa Grimaldi

The China Gardent Restaurant on Main Avenue in Clifton is truly a garden of delights. The food and service of this Chinese restaurant are impeccable.

Every time a water glass was even a 1/4 empty, a waiter quickly filled it up; and all the help are very familiar with every menu item.

To get a cross-section of the many types of dishes offered, I tried the evening buffet, which is available Monday through Wednesday. This was no bland, run-of-the-mill Chinese smorgasboard. Many fine gourmet dishes were part of the fare. There were several seafood, meat and chicken dishes, along with several hot appetizers, which all tasted fresh and well-prepared. Soup came with the buffet, and my hot and sour soup was the best I'd ever had; just hot and spicy enough.

All the main course dishes were delicious, but I especially liked the shrimps with cashews, and the chicken and zucchini, which was delicately flavored with ginger.

For dessert, there was a delicious fresh fruit salad, some tarts, cake and of course, fortune cookies.

All the dishes on the buffet are regular menu items, and are available for takeout. There are also luncheon specials.

China Garden is located on 306 Main Avenue in Clifton, just over the Nutley border. Reservations are accepted at 773-7633.

# Cancer Update

The Essex County Unit of the American Cancer Society offers programs and services to all cancer patients.

"Road to Recovery" provides transportation to and from chemotherapy and radiation treatments. This service is done by volunteer drivers. Due to the large volume of requests, advance notice for this service is necessary. New volunteer drivers are urgently needed for this service.

"Reach to Recovery" is a support group of volunteers who have undergone breast surgery. This hospital visitation program is done only with the doctor's approval. Following breast surgery there are often many questions that can be answered by these volunteers because at one time they, too, were asking the same questions.

"Nu-Voces" is a support group of volunteers who are laryngectomees. They have a hospital visitation program that is done with the doctor's approval. They have also organized a social club that meets the fourth Wednesday of each month at the American Cancer Society headquarters in East Orange.

Ostomy Association of New Jersey, Inc. is an independent group working with the American Cancer Society. All volunteers have had ostomy surgery and this hospital visitation program works with colostomy, ileostomy and urostomy patients.

"About Lymphedema" is a support group for cancer patients and their families.

Through the Essex County Unit office, services are available for financially needy patients. Sick room equipment is loaned and bandages and dressings are given free of charge.

For further information on the above programs, write JoAnn Luciano, director of service and rehabilitation, American Cancer Society, Essex County Unit, P.O. Box 610, East Orange, 07019, or call 678-1960.

## TOWNSHIP ORDINANCE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Township of Belleville held on Tuesday evening, June 25, 1985, and further notice is hereby given that the second and final reading of said ordinance will be considered by said Board of Commissioners at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, August 6, 1985, at eight o'clock p.m. when all objections to the passing of the same will be heard and considered.

Many Low Hood Township Clerk  
AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED "AN ORDINANCE AUTHORIZING THE RENT LENDING BOARD TO ACT AS AN ADMINISTRATIVE AGENCY TO DETERMINE PROTECTED TENANCY STATUS IN CONDOMINIUM CONVEYANCES AND CREATING A PROTECTED TENANCY APPEAL BOARD." Adopted June 11, 1985. BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE TOWNSHIP OF BELLEVILLE, NEW JERSEY:

SECTION 1. Ordinance Number 2209 Adopted June 11, 1985 is hereby amended as follows: Section IV shall be amended by adding the following language:  
"The Owner of a building or structure seeking the convention shall pay to the Township of Belleville, along with the other required payments, the sum of \$35.00 (Thirty Five Dollars) per unit to be converted."

This Ordinance being necessary for the welfare of the Township of Belleville and its inhabitants shall be literally construed to effectuate the purpose thereof. All other ordinances and parts of Ordinances in conflict or inconsistent with the Ordinance hereby repealed, but only to the extent of such conflict or inconsistency.

SUPERIOR (CHAN) D-90

SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-6214-84 PENN FEDERAL SAVINGS BANK, PLAINTIFF vs. JAMES WADE AND ANN ELIZABETH WADE, his wife et al, DEFENDANTS. Execution For Sale of Mortgaged Premises.

By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Auction, in SHERIFF'S OFFICE, Essex County Court Building in Newark, on Tuesday, the 16th day of July next, at one-thirty P.M., (Prevaling Time) all the following tract or parcel of land and premises hereinafter particularly described situate, lying and being in the City of Orange, County of Essex and State of New Jersey:

BEGINNING at a point in the west side of Seven Oaks Road distant hereon along the various courses 74.61 feet south from the corner, formed by the intersection of said Seven Oaks Road with the south line of Highland Avenue with both lines being produced; thence 1) North 60 degrees 45 minutes 10 seconds west 125.17 feet; thence 2) South 20 degrees 25 minutes 45 seconds west 74.80 feet; thence 3) South 60 degrees 45 minutes 10 seconds east 126.09 feet to the west line of Seven Oaks Road; thence 4) in a northerly direction along the west line of Seven Oaks Road on a curve to the right having a radius of 993.34 feet on an arc distance of 75.12 feet to the point and place of BEGINNING.

Being known as Lot 7.C. in Block 166A on Revised Map of Addition to Seven Oaks Park North, City of Orange, New Jersey, Freeman & Winston, Engineers and Surveyors dated June 10, 1960, revised September 26, 1960, and filed in the Register's Office of Essex County as Map #2244.

KNOWN as 447 Seven Oaks Road. BEING the same premises conveyed to the said mortgagor by deed bearing even date and to be recorded simultaneously herewith, the principal of this mortgage having been used in part payment of the purchase price, this being, therefore, a purchase-money mortgage.

This above description is in accordance with a survey made by Theodore R. Freund, Surveyor, dated July 12, 1976. Also known as Lot 7.C. Block 166A on the Tax Map of the City of Orange, New Jersey.

The approximate amount of the Judgment to be satisfied by said sale is the sum of THIRTY EIGHT THOUSAND SEVEN HUNDRED SEVENTY DOLLARS AND EIGHTY EIGHT CENTS (\$38,770.88), together with the costs of this sale.

The Sheriff reserves the right to adjourn the sale from time to time as provided by Law. Newark, N.J. July 10, 1985

**One Plus One Equals Three**  
 New Math? No! This is simply a way of describing a drug-drug interaction. Since most drugs can cause side effects of varying degree it's not surprising that one person may be using two drugs with similar side-effects, such as a cold remedy and a cough syrup, each with the capability of causing drowsiness. Instead of a simple additive effect, each may intensify the other so that the two together are more than twice as potent as either alone.
