Vets and spouses receive benefits

Gov. Thomas Kean recently signed into law Assembly Bill No. 837 which permits senior citizens, disabled persons and their surviving spouses, who are entitled to the \$250 property tax deduction, to also receive the \$50 deduction available to veterans and surviving spouses of veterans and service persons, where entitlement to both deductions exist.

If you qualify, contact the Belleville Tax Assessor or Tax Collector at 450-3304 or 450-3339, respectively.

Matters in Brief

High school conducts registration

The Belleville High School Guidance Office will be open for late-summer registration Aug. 20-23 and Aug. 26-30 between 8:30 a.m. and 12 p.m.

Registration is by appointment only. Please call the guidance office at 759-4338 to make an appointment.

Parents who wish to enroll their children must obtain the following documents before making an appointment:

- Proof of residence in Belleville. This must consist of at least two written proofs. Utility bills are preferred.
- A transfer card must be obtained from the former school.
- The school health records from the former school must be obtained.
- Evidence must be obtained of the student's past performance. This could be a manuscript or the final report card from the 1984-85 school year.

Hall of Fame dinner set Nov. 22

The Belleville High School Hall of Fame Dinner will be held Friday, Nov. 22, 6:30 p.m., at the Chandelier, 340 Franklin Ave.

Tickets can be purchased at the school board complex, 190 Cortlandt St. Reservations will be taken for tables of 10 only.

Applications may also be picked up at the school board complex for prospective Hall of Famers. Completed applications may be dropped off a 85 Continental Ave., Belleville.

Township streets set for paving

The Belleville Board of Commissioners recently approved an ordinance providing for the repaving and resurfacing of various streets and the construction or reconstruction of sanitary sewers, storm drains, curbs and walks.

The project, which will cost \$670,000, will include the repaving of the following streets: Adelaide Street from Greylock Parkway to the town line; Arthur Street; Beech Street from Little Street to Greylock Parkway; Belle Terrace; Bellevue Court; Branch Brook Drive; Hickory Court; Jerome Avenue; King Place; Liberty Avenue from Passaic to Franklin avenues; Linden Avenue from Joralemon to Little streets; Madison Street; Mt. Pleasant Avenue; Parkview Avenue; Perry Street; Sycamore Drive; Van Reyper Place; Walnut Street; Chestnut Street from Passaic to Franklin avenues; and Division Avenue from Washington to Union avenues.

Curbing and sidewalks, including storm drainage, will be constructed or reconstructed on Division Avenue from Washington to Union avenues.

Sanitary sewer mains and storm drainage will be constructed or reconstructed on Chestnut Street from Passaic to Franklin avenues.

Commissioner of Public Works Joseph Grande said bids for the work will be sent out this month. He said the project will begin early autumn.

Child support group has hearing

The New Jersey Child Support Commission is conducting a public hearing to determine the effectiveness of child support enforcement in New Jersey Saturday, July 20, 9:30 a.m. at the Essex County Court House, Newark.

The public is invited to testify or submit statements at the hearing.

Persons wishing to testify or needing further information should contact: Audrey Harris, IV-D Director, Department of Human Services, 6 Quakerbridge Plaza, Trenton, N.J. 08625, 633-6839.

Rubble fills burnt-out Public Works site

Clean-up plans under way

By Michelle Jeannotte

Piles of rubble - that is all that remains on the site of the

Belleville Department of Public Works on Cortlandt Street after an entire building was destroyed

by a fire this past November. The fire, which blazed for almost 90 minutes on the morn-

ing of Nov. 12, destroyed valuable records and hundreds of thousands of dollars worth of new equipment. The building housed offices as well as a garage and maintenance area, where the new equipment was being stored.

Commissioner of Public Works Joseph Grande said that a clean-up project is in the works and that bid specifications were being prepared this week. He said once a contract is awarded, the clean-up project can begin within one to two weeks.

Grande said that as part of a replacement policy, \$500,000 will be spent on a new building on the site. He said the building will house small offices for himself, a public works superintendent and engineer. There will also be a garage as well as facilities for employees.

Since the building was destroyed, some 40 employees of

Resident matches Empire State

By Michelle Jeannotte

Elmer's Glue and paper matches - that's what it took for Bill Giacobbe of Belleville to build a replica of the Empire State Building in New York City.

Giacobbe, a Linden Avenue resident, constructed the replica of the Empire State Building out of more than 90,000 paper matches. The matches, which were used with the heads, were glued together to form the 8-foot-7-inch replica.

Giacobbe, who first began working on his project 15 months ago, used pictures of the building as a model. He decided to use matches because they gave the realistic effect of steel beams. The 12 x 24 inch base, which was constructed from approximately 5,000 matches, forms two levels of the 102-story building, Giacobbe said.

When Giacobbe finished the base and a few additional stories, he called the D.D. Bean & Co. and ordered 75,000 headless matches.

"The salesman asked me why I needed the matches," Giacobbe said. "He was very curious to know why I wanted them without heads. I just told him I

was working on a project."

Giacobbe said his project cost less than \$100 - a figure which was divided among the cost of matches, oak tag paper and Elmer's Glue. Giacobbe said the total cost of the 75,000 headless matches he had ordered was only \$13. The replica, which weighs 15-20 pounds, was constructed in two sections because it was too tall to fit in his apartment, Giacobbe said.

Once Giacobbe finished with his project, he called people at the Empire State Building to see if they would be interested in exhibiting the replica.

"One of the building's engineer's came to my house and took one look at the building and said, 'That's our building,'" Giacobbe said.

Giacobbe said he is waiting for an 11-foot plexiglass case to be completed so he can transport his replica to New York City. He said once it is there, he has hopes that it may be a candidate for the Guinness Book of World Records.

Giacobbe's next projects include the George Washington Bridge, which has already been started, and the Chrysler Building in New York City.

Car plunges into Second River

Motorist is rescued

A Floyd Street resident was saved by a team of Belleville rescuers early Saturday morning after his car plunged into the Second River near Mill Street.

Steven J. Arena, 27, was driving his 1984 Chevy Camaro west on Mill Street toward Belleville Avenue at 2 a.m. July 13 when he lost control of the vehicle. His car hydroplaned on the rain-slicked street and crashed into a wall barricading the river. The car then overturned and plunged into the river behind an apartment building at 753 Mill Street.

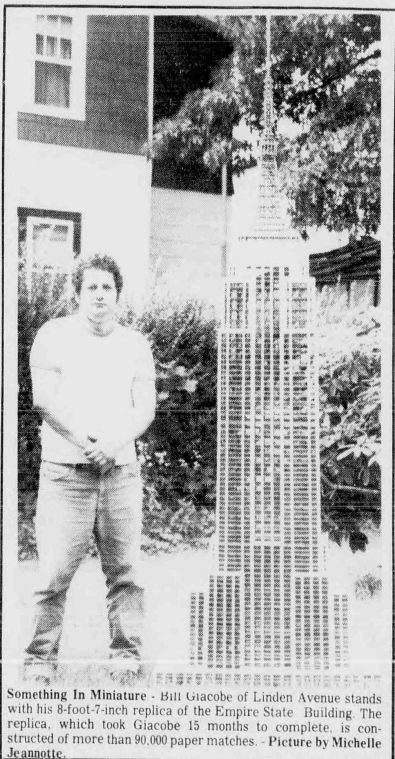

A resident of the apartment building, Frank Carotenuto, called the police when he heard Arena's car hit the wall. Resi-

dents of the building ran to the site of the crash but could not see the car.

Police Officers George Geyer and John Martucci reported to the scene and found Arena's car on the north side of the Mill Street Bridge. By this time, Arena's car had become completely submerged in the river which had risen to approximately 5 feet because of the rain storm that night.

"When I hit the water, I tried to open the door, but I couldn't feel or see anything," Arena said. "I started to feel the defroster on the hatchback window and then started to figure

Water restrictions cut

Gov. Thomas Kean lifted water rationing from 92 municipalities, including Belleville, last week.

Kean said he ended the water rationing because water levels have risen to 78 percent of

capacity, up from the 59 percent when the drought emergency was first declared in mid-April. He said that a combination of conservation, rainfall and interconnections of reservoirs were

Hilsen named director of Geriatrics Center

Robert M. Hilsen of West Orange has been named director of the Essex County Geriatrics Center, Belleville, by Essex County Executive Peter Shapiro.

Pending Freeholder confirmation, Hilsen will assume leadership of the county's 332-bed longterm health care facility. His salary for the position will be \$44,000.

In making the appointment, Shapiro said that Hilsen has demonstrated his sensitivity to older adults as well as his administrative ability in providing for their health care needs in a thorough and far-reaching manner.

During his tenure in West Orange, Hilsen expanded health programs to include dentistry and podiatry and thereby brought

greater benefits to senior citizens, Shapiro said.

As head of the West Orange health and welfare services for the past 14 years, Hilsen was instrumental in the township's receiving grants to establish a senior citizen health center and a senior transportation program. Among other innovative measures, he developed a town employee health program, established community education programs and initiated health education clinics for young adults and children.

Hilsen, who has had his Nursing Home Administrator's license since 1982, served his internship with the Daughters of Israel Pleasant Valley Home in West Orange where he was acting administrator.

Hilsen, 42, holds a Bachelor of Science degree from Delaware Valley College and a Master of Arts degree in health education administration from Montclair State College. He is enrolled in the Ph.D. program at Montclair State College in the Department of Urban Planning and Policy Development.

Prior to joining West Orange government, Hilsen was health consultant to the Palisades Park Board of Health, health officer in Bergenfield and was also with the Bergen County Health Department for four years. He was an instructor in health education for Essex County Vocational Schools and also taught at Montclair State College.

Hilsen's background in the

health field covers a full range of subjects. He holds membership in the Essex County Advisory Council of the Hospital and Health Planning Council of Metropolitan New Jersey; the Advisory Council for the Suburban Essex Nutrition Project for the Elderly; and Tri-County Food Managerial Training Council.

He is past president of the Essex County Health Officers Association and has chaired the Food and Drug Committee of the New Jersey Health Officers Association. He also served on the Commissioner of Health's Committee to Revise Chapter 15, which dealt with smoking in public places.

New Director - Robert M. Hilsen (second from left) of West Orange was recently sworn in as the director of the Essex County Geriatrics Center in Belleville. With him for the swearing-in ceremony were his wife, Elaine, far left; his daughter, Kimberly; his son, Jonathan; and his mother, Sylvia Hilsen, of Nutley. Judge Carl Stier, municipal judge of Bloomfield, administered the oath of office.

Calling All Runners

Belleville Chamber of Commerce President Howard Halpern has announced that the chamber will produce, organize and direct an annual Scholarship Fund Marathon Race Saturday, Oct. 12.

The race will be part of the week-long Columbus Day celebration festivities. There will be prizes galore, with two grand prizes for first place winners in the men's and women's divisions. This will be an official 6-mile race, sanctioned by the New Jersey Athletic Congress.

Belleville Commissioner of Public Safety Ralph DiRuggiero and Belleville Police Chief George Lister will map out the 6-mile course to be run through the streets of the township.

The race is open to everyone, from anywhere and the minimum age is 14 years old. The chamber of commerce strongly urges those wishing to participate either as a runner or volunteer to contact any of the following: Michele Dalbo, Belleville Chamber of Commerce, 759-4848; Joe Dasaro, Belleville Travel Service, 759-1600; Rita Troise, Troise Insurance Agency, 759-4100; Lorraine Halpern, Peoples Bank, 759-1000; Virginia Ng, Jovial Card and Gift, 759-6787; or Howard Halpern, Sunbank Communications, 667-2700.

Runners will receive official entry forms to be completed as soon as possible to avoid last minute delays. Each entrant will receive a free "scholarship race" t-shirt and number. The lowest numbers will be going to the earliest entrants. Call now for information.

Belleville residents obtain certificates

Four Belleville residents recently became certified in heavy rescue during a two-weekend course at the New Jersey State Police Heavy Rescue School in Hammonton.

Wendy Mitrow, Maria DiPaolo, Glenn McCann and Dominic Scrimo, all members of the Nutley Volunteer Emergency and Rescue Squad, were exposed to training in ropes, knots, block and tackle, constructing A frames, lowering and raising victims from

buildings and problems and situations given to them by the N.J. State Police.

Instructors of the certification program included State Police Officers Lt. J. McKillop, Sgt. J. Thompson and Sgt. R. McCartney.

The training has given the squad members an opportunity to become more familiar with heavy rescue situations and a better approach at handling these types of situations.

"The Most Wanted Man"

The story is told of a young man who stood at the bar of a court of justice to be sentenced for forgery. The judge had known him from a child, for his father had been a famous legal light and his work on the Law of Trusts and was the most exhaustive work on the subject in existence.

"Do you remember your father?" the judge said sternly, "that father whom you have disgraced?"

The prisoner answered, "I do remember him perfectly. When I went to him for advice or companionship, he would look up from his book on the Law of Trusts, and say: 'Son, run away. I am busy.' My father finished his book, and here I am."

The great lawyer had neglected his own trust, with awful results.

The most wanted man is the man who puts God's business above anything else; the man who takes his children to church rather than sending them; the man who thinks more of his Sunday School class than his Sunday sleep; and the man who is more concerned about winning souls for Jesus Christ than he is about winning worldly honor.

God is looking for the man who is willing to acknowledge his own sin and invite His Son and the Lord Jesus Christ into his life as Saviour and Lord. (St. John 1:12) When this takes place you can be the man who will be a right example to every boy you meet.

Father, take time to be with your children, and establish a Christian home with daily family Bible study and prayer.

Are you that most wanted man?

Roger Bodman

The present Commissioner of the Department of Transportation is former Secretary of Labor, Roger Bodman, a young, bright 32-year old native.

In order to serve as Commissioner of the Department of Transportation and as Secretary of Labor, Bodman was obliged to withstand the scrutiny of the New Jersey Senate Judiciary Committee comprised of a Democratic majority. In both instances, Bodman was approved by unanimous vote.

Now one hears criticism that Bodman is unqualified to serve as Commissioner of the DOT. To receive this dubious distinction, Roger Bodman offended the sensitivities of a major Democratic state leader. The two gentlemen

disagreed over budgetary matters.

The sad dimension of this incident is to observe a political attack evolve into a personal attack. If this wasn't intended, the fact remains that was the perception.

We know Roger Bodman. A dedicated, competent public servant, Bodman has been tested in the public arena and has not been found wanting.

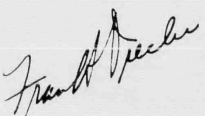

Joel Jacobson - Frank Sinatra

New Jersey Casino Control Commissioner, Joel Jacobson, recently publicly criticized the unwarranted attacks upon Frank Sinatra appearing in the comic strip that made nationwide headlines. Defense of Sinatra by Jacobson was a pleasant surprise. It wasn't too long ago that Commissioner Jacobson criticized Sinatra for his behavior at the Golden Nugget Casino — an incident that received nationwide press.

Anyone who knows Joel Jacobson is familiar with the fact that he is a good and decent man. He speaks his convictions. A man of character, he never compromises principle. That he spoke his mind as a member of the New Jersey Casino Control Commission

upset Sinatra, but Joel Jacobson said what he thought had to be said. And when the occasion arose that called for a defense of Frank Sinatra, Joel Jacobson did what anybody who knows him would expect him to do — speak out to right a wrong. We applaud Commissioner Jacobson's forthrightness and express public admiration for the quality of his integrity and character.

Board's legal fees are too high

To the Editor:

Attention Belleville taxpayers! It seems that the members of the board of education have set a new record for the town of Belleville. It's going to cost us approximately \$90,000 this year for legal fees.

I, as a businessman thought that seemed rather high, considering that only a few years ago, it was approximately half that, and in talking to some of the board members, they gave me the impression that our present board attorney, Lawrence Schwartz, is indispensable, suggesting that no one was available to replace him, making this a non-competitive position.

One of the board members assured me that it was difficult to find someone that would do it at a lesser fee. In response to this idiotic statement by this board member, I've contacted quite a few lawyers living in town and they assured me that they were never approached by any of the board members in this regard and also assured me that they were as qualified as our present board attorney. As a matter of fact, one attorney reminded me that when Larry Schwartz was first hired, he had no experience at this type of work.

I don't profess to be an expert on legal matters, but as a businessman, I would have investigated to ascertain whether or not other attorneys, presently those living in town and preferably those who might have children in our school system, would vie for this particular position, because I feel, if this attorney lives in town and especially if he has children in our school system, he might be

more inclined to be civic-minded, which could benefit us as taxpayers.

Approximately 2,000 people came out to vote in our last board of education election, which shows apathy amongst our taxpayers. This is what politicians like — when you sit home on election day. They interpret this as a mandate. In essence, what you're doing is giving them a blank check.

Some of the board members in the past, presence and also in the future have made it abundantly clear, that the reason they chose to run for the board of education is to use it as a spring board to enhance their political status and perhaps run for higher office. Some of them have had the audacity to resign their position on the board prematurely and run for town commission. This is total disregard for our children in our school system, which I regard as the most sensitive facet of any town, our school system, and of course, our children.

This abominable situation can be easily remedied, if we, at the next board of education election come out and vote for new faces, in order to break up this clique and giving a message that we don't like what's going on. Especially, for example, two years ago it cost the board of education approximately \$50,000 for legal services rendered, when today, it's costing \$90,000 and if my figures are accurate, it's approximately a 100 percent raise.

Hey, you taxpayers, come on, let's get together and get some of these clowns off the board of education.

Program still needs volunteers

To the editor:

The Essex County Nutrition Project is a lunch program in Belleville for sick and handicapped senior citizens. Many volunteers are involved packaging these meals.

Five days a week two drivers and two runners are needed to deliver approximately 20 lunches per route. There are two routes that take about 90 minutes each to deliver between 10:45 a.m. and 12:15 p.m.

I drove one day recently and I was needed to drive a second time. However, our coordinator, Dot Fried,

could not get a runner. Nineteen sick and disabled people received no lunch on one recent Thursday.

How very sad that we cannot get people to drive or run at least one day a month when needed!

This program will fail without volunteer drivers and runners. Will you call these shut-ins and tell them no more?

Please consider giving a little time to help the unfortunate. Call Dot Fried at 759-4429.

Motorist thanks his rescuers

To the editor:

On the morning of Saturday, July 13, I lost control of my car making a turn on Mill Street. The car hydroplaned and landed upside down in the Second River and began to fill with water. I could not find a way out.

The tenants of 753 Mill St. apartments heard the crash and called police. They also helped find the car.

The Belleville Police and Fire departments, township ambulance, the M.I.C.U. No. 6, and Twin Towing of Academy Street arrived shortly

and pulled me out of the water. They saved my life.

I want to thank all of you for your sure thinking and fast acting when every minute counted. You're the best.

I'd also like to thank the staff at Clara Maass Medical Center, my family, relatives and all of my friends for their moral support and being there when I needed you most.

Golden Comments

by James R. Golden

There are some 850 registered agents of foreign countries and firms that will spend more than \$150 million this year to gain concessions from Congress, the White House and key regulatory agencies of the United States government.

Billions of dollars are at stake where \$400 per hour fees are common for elite lobbyists, among them scores of former high-level U.S. officials who deliver inside access, information and results.

Foreign interests with huge sums — \$37 billion this year alone — for economic and military foreign aid and direct and guaranteed export loans. About 33 percent of this year's \$15.7 billion foreign-aid total is in the form of military-sales loans extended or guaranteed by the U.S. government. Then, there are America's tariff and other import policies, which can be critical to participants in the \$341-billion U.S. import business.

With all this money on the line, foreign governments and businesses are putting more money into lobby-

ing; observers believe more than \$42 million was expended last year by the 7,200 domestic lobbyists registered with Congress.

Many individuals covered by the law do not bother to register. There are probably 30-60 percent more unregistered agents than registered agents. The government makes little effort to enforce the registration law.

Much of the rise in lobbying by overseas interests can be traced to Congress's expanded role in managing U.S. foreign policy. Foreign governments and firms, long accustomed to doing business with America through the State Department and other formal channels, say they get quicker, often more sympathetic results by going directly to those who write the laws.

Foreign ambassadors today have become lobbyists also requesting interviews with congressional persons. When foreign governments spend millions to hire lobbyists, they can't help but influence lawmakers who are supposed to represent their constituents and not foreign nations.

Fire Safety Tips

Mower Safety is a Must

Every year over 62,000 persons are injured in lawn mower accidents. Many of these injuries are burns caused by careless use of the mower.

Before using or cleaning your mower, follow these safety tips:

• Do not smoke while fueling lawn mowers. Gasoline is explosive.

• Wait for machines to cool before refueling. Wipe up spilled fuel immediately. Never fuel a running mower.

• Store and pour gasoline carefully and keep it in an approved container with a tight-fitting lid.

• Check electric mower cords for frayed or damaged spots. Frayed insulation added to a metal mower, damp or wet grass, can cause lethal shocks or severe electrical burns.

• Leave blade sharpening and electric repairs to professionals.

• If you do your own cleaning and tune-up, disconnect the spark plug or remove it before beginning. If a blade is turned by hand, the mower can start if the spark plug is still intact.

• Never leave the mower without turning it off. It takes only a few seconds to run inside and only a few seconds for the mower to run over someone and cause serious injury.

For more information on these or any other safety tips, contact Capt. Andrew Depczek, Belleville Fire Prevention Officer, at 450-3374. These safety tips have been provided by the Belleville Fire Department, F.M.B.A. Local 29.

College presents awards to employees

Bloomfield College President Merle F. Allhouse recently presented 21 employee service awards at the college's annual Recognition Breakfast.

Carolyn Conroy of Bloomfield was awarded the Robert J. Estler Distinguished Service Award for 1985. She is the college bursar and has worked at Bloomfield College for 23 years.

The award is given annually to the employee who has established a record of outstanding perfor-

mance which exemplifies the highest qualities of professional competence and personal caring. Conroy was selected by a committee of fellow staff members.

Awards for 15 years of service were given to Merle F. Allhouse of Upper Montclair; Frances Danton of Bloomfield, mailroom supervisor; and Trude Moran of Edison, accountant.

Awards for 10 years were given to Josephine Cohn of New York City, math specialist; Lena

DeGennaro of Montclair, secretary; Marie Federico of Belleville, administrative assistant; Cynthia Heard of Newark, gifts processor; Lenore Hildebrand of New York City, director of Learning Support Program; Martha J. LaBare of New York City, assistant dean of the college; Mary Ann Pekar of Bloomfield, administrative assistant; and Regina Zink of Bloomfield, secretary.

Awards for five years were given to: Charles Cort of Irvington, custodian; James Dalvia

of Belleville, servicer assistant; Linda Geiger of Clark, student loan officer; Gloria Hintz of Glen Ridge, secretary; June Key of Montclair, secretary; Ellen Lapone of Bloomfield, switchboard operator; Janet Mariano of Rutherford, director of financial aid; Marilyn O'Neill of Clark, director of the nursing learning lab; and Lena Wilson of East Orange, housekeeper.

Bloomfield College, an independent four-year college, has served the local community for 117 years.

Library books offer tips on investments

Mr. and Mrs. Richard Hamilton - nee Mary August

Mr. and Mrs. Hamilton honeymoon in Hawaii

Wedding vows were exchanged recently in Holy Family Church by Mary August, daughter of Mr. and Mrs. Emanuel August of Belleville and Richard Joseph Hamilton, son of Mr. and Mrs. Richard Hamilton of Lyndhurst.

The Rev. Gerard Sudol performed the ceremony which was followed by a reception at Snuffy's Pantagis Renaissance, Scotch Plains.

Escorted by her father, the bride wore a white satin gown trimmed with embroidered lace and pearls. A pearl embroidered hat held her veils and she carried a cascade of phalaenopsis and pink roses.

Phyllis August of Belleville was maid of honor. Bridesmaids included Diane Hamilton of Lyndhurst, Carol Yaman of London, England, Phyllis Masucci of Ontario, Canada, Elena Iacobelli of West Caldwell and Kim Hamilton of Kearny.

The honor attendant was in a champagne pink off the shoulder gown gathered at the waist. She carried an arm spray of pink rubrims, pink carnations, roses, purple statice and babies breath. The others were similarly attired in lavender.

Joseph Hamilton of Kearny was best man. Ushering were Thomas August of Belleville, Vincent LoConte of East Hanover, Robert McAdam of Richmond, Va., Ken Yaman of London and Nick Antonicello of North Arlington.

Mrs. Hamilton, an alumna of Newark School of Fine and Industrial Arts, is a freelance artist.

Mr. Hamilton, a graduate of Montclair State College, is with Chemical Bank, New York City. The couple honeymooned in Hawaii following the April 28 wedding and have made their home in Bloomfield.

Stork Club

Caitlin J. Roach

A second child, a daughter, Caitlin Joelle, was born to Mr. and Mrs. David Roach of Belleville July 2 at Clara Maass Medical Center, Belleville. Birth weight was 7 pounds, 3 ounces. She joins Christian, eight.

Mrs. Roach, the former Kathleen Byrne, is an accounting clerk with Skyline Steel Corp. Mr. Roach is a salesman with Superior Lamp and Supply Co. Grandparents are Mr. and Mrs. John Byrne of Manahawkin and Eleanor Roach and Tom Cosgrove of Nutley.

'Dark Ride' debut - The New Actors Repertory Company at the Carlos Williams Center for the Performing Arts, is presenting Len Jenkins' "Dark Ride" 8 p.m. July 18, 19, 20, 25, 26 and 27. Area residents in the cast include Janine Burnham, Rich Del Nero, Sean Farrell, Carole Geibel, John Leyman, Rich Maciolek, Dennis Martorano, Jim Ponczek, Evelyn Salerno, Ron Sarno, Marianne Wojtko. The group welcomes new members.

Lisa Ann Coppola wed to Robert Allan Bell

Lisa Ann Coppola, daughter of Carol Ann Albanese of Nutley and Sam Coppola of Belleville, became the bride July 13 of Robert Allan Bell, son of Mr. and Mrs. Gary Bell of Nutley.

The Rev. Eugene Roberts performed the ceremony in Franklin Reformed Church, Nutley. A reception followed at Royal Hawaiian Palms, Lyndhurst.

Given in marriage by her father, the bride wore a white taffeta gown fashioned with short puffed sleeves, sweetheart neckline, pearl and lace bodice and chapel train. A matching wreath held her veil and she carried white rosebuds, carnations and daisies.

Nancy Brophy of Totowa was maid of honor. Bridesmaids included Linda Paton of Nutley, Lisa McMahon of Bloomfield and Dolores Bell of Nutley, sister of the groom. Junior

bridesmaid was Helen Bell, another sister of the groom.

The honor attendant was in a mint green taffeta cocktail length gown with Victorian neckline. She carried pink carnations. The others were in teal green taffeta.

Gary Bell of Nutley was his brother's best man. Ushering were other brothers of the couple, Thomas and Richard Bell and Sam Coppola.

Mrs. Bell, an alumna of Nutley High School and The Berkeley School, is a legal secretary.

Mr. Bell, a graduate of Nutley High School and East Carolina University, served as a sergeant in the U.S. Marine Corps and is a New Jersey state trooper.

The couple honeymooned in Jamaica and North Carolina and have made their home in Vernon.

Award winner - Geraldine Pagan, winner from Belleville High School of the 1985 Leadership Award for Future Secretaries, sponsored by Katharine Gibbs School, Montclair, is congratulated by Katharine Gibbs representative Melissa Longosz at a dinner at The Manor to honor the winners from the 120 participating high schools in New Jersey. Pagan is the daughter of Mrs. Claudio of Belleville.

Belleville Middle School donates \$1,042 to March of Dimes walk

Seventy North Jersey schools, including the Belleville Middle School, each pledged \$1,000 or more in the 1985 March of Dimes WalkAmerica to help fight birth defects.

Nine schools in Essex County raised more than \$1,000, including the middle school which raised \$1,042. Other schools include: Columbia High School, \$2,124; Grover Cleveland Junior High School, \$1,633; East Orange High School, \$1,605; Vernon L. Davey Junior High School, \$1,573; F.H. Morrell High School, \$1,449; West Essex Junior High School, \$1,297; C.J. Scott High School, \$1,216; and Montclair Kimberly Academy, \$1,185.

The 1985 WalkAmerica raised \$1 million in North Jersey. Funds collected by the North Jersey Chapter will go to research, grants at the Univer-

sity of Medicine and Dentistry of New Jersey, Jersey City Medical Center, Valley Hospital and Pascack Hospital, and

public health programs at Warren Hospital, Somerset Valley Visiting Nurse Association and Hunterdon Medical Center.

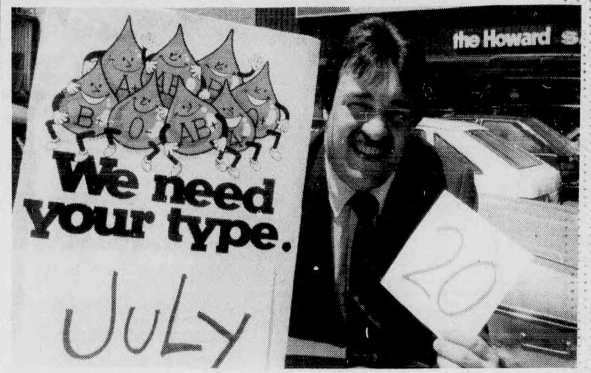

'Libraries in Focus' shows activities in local libraries

Each summer, libraries throughout the area schedule special reading clubs and programs for children. The July 'Libraries in Focus' program shows what activities a few libraries are providing for children this year.

Host Jim Thomas from the Verona Public Library talks with Sharon DeSante of the Woodbridge Public Library, Leah Wagner of the South River Library, Betsy Diamant of the Metuchen Library, Margaret

Clark of the Roselle Public Library, and Barbara Shallit of the Roselle Park Library about their cooperative program, "Read to the Beat."

'Libraries in Focus,' the cable group for libraries in Essex and Union counties airs each Monday at 8:05 p.m. on Suburban Cablevision's Channel 32. Adrea Cohen, Belleville assistant library director, is chair of the group.

Give Blood - The North Jersey Blood Center will be conducting a blood drive Saturday, July 20, 10 a.m.-4 p.m. at the Pathmark Shopping Center on Washington Avenue. Nurserymen give tips on planting during droughts

In a drought situation, you can successfully plant flowers, shrubs, plants and shade trees around your property as long as you take steps to protect your soil and improve its water holding capability.

The New Jersey Association of Nurserymen is providing these tips on how to prepare your soil and to gauge watering.

A good way to improve moisture retention is to add peat moss or shredded bark to the soil, according to Peter Vermeulen, a Neshanic Station nurseryman.

The mixture formula will vary by soil type, so ask your nurseryman for help. The average mixture is one-third sand, one-third peat and one-third soil. In general, annuals will need a mixture base of 6-8 inches deep, while large shrubs and plants such as azaleas and Rhododendrons will require a mixture base just a little bit lower than the root ball.

There are products on the

market which will help the soil retain water, Vermeulen added. One such product can be added to the soil to allow water to penetrate better to the root zone, while the other, when mixed into the soil, actually collects water when it is offered and releases it later when the plant needs it.

Don't ignore wind and sun screens, which help prevent evaporation, Vermeulen said. Mulching also will prevent water loss.

A "green thumb" rule to remember when planting is do not overwater. After planting, the first soaking is critical, Vermeulen said. The soil's texture must allow water to penetrate down to the roots for a thorough soaking.

After the initial watering, a good soaking once a week should be enough, Vermeulen said. A broadleaf shrub or shade tree may need an earlier watering, he added.

Belleville Legion Baseball team clinches playoff spot with 3 wins

The Belleville Legion Baseball team clinched a playoff spot with three big victories last week, losing only to first place Millburn in a game called because of darkness last Monday.

The legion team took a 9-5-1 record into Irvington last Tuesday. The team concludes the regular season with a home game against Newark tomorrow night, starting at 6 p.m. from Belleville High.

Belleville upended Nutley, Verona and Caldwell before bowing to Millburn last Monday evening. Jim Landon's team was back at it again, stealing 10 more bases on the week to increase the team total to 35 on the summer.

Versus Nutley, Belleville came away an 8-4 winner as Jim Dunphy went all the way on the mound. The upcoming junior on Belleville High was aided by homers from John Auriemma, Steve Mulhearn and Nelson Landon. Dave Long and Al Best cracked doubles to help the Belleville cause.

The big inning in this game was the fifth when Belleville scored five times. Auriemma and Mulhearn drilled two-run homers each to break open a close game.

Against Verona, Belleville won, 4-2 as Tom Reid went the

distance for the win. The just-graduated senior from Belleville scattered just two hits and helped his own cause with 2-3 at the plate and three runs batted in.

The Caldwell contest was a big victory for Belleville because it came off of Silvio Bonvini, one of the best pitchers in the area. Back in May, Bonvini shutout Belleville, 6-0, in the Greater Newark Tournament quarterfinals, eliminating the Buccaneers from the GNT.

Although the circumstances were somewhat different this time, the victory was just as exciting. Dunphy pitched for Belleville and he came through with another strong effort. Dunphy allowed just seven hits and recorded 11 strikeouts. Belleville stole six bases in the game, including two double steals in a dramatic fifth inning.

Belleville trailed, 2-1 in the fifth, but some key Belleville hits (all singles) coupled with some Caldwell errors and very alert base running by the locals, accounted for four runs and a 5-2 lead.

Auriemma also helped out with a solo homer in the first inning for the first Belleville run of the game.

"That was a real big win for us," said Landon. "We were up

against one of the best pitchers in the county and pulled off a big win. Going into the playoffs, that is a big boost for us."

The victory streak ended against Millburn in a rain marred, 7-4 loss. Reid took the loss for Belleville, despite four more stolen bases for the local team. Landon and Auriemma contributed RBIs for Belleville, but the game was somewhat hampered by dark rain clouds and a wet field, courtesy of a driving rain storm shortly after the game started.

The loss could have been more costly than expected. Auriemma injured his knee on the slick field and he could be out for a game or two. With the playoffs quickly approaching, this is not the time to lose one of the most consistent bats in the lineup.

NOTES: Landon was hoping that Auriemma could be ready for the playoffs, which begin this weekend. As of press time, the date and location of the playoffs was not known. A meeting is set for this evening to determine the pairings. The playoffs are a two-game elimination tourney with the top two teams advancing to state competition. Sometimes, the top three teams will advance. All told, the top eight teams in the legion make the playoffs.

Belleville Braves snap 15-game losing streak against Millburn

Despite a losing record, the Belleville Braves are playing exciting baseball in the Essex County baseball league.

Anthony Coco's team took a 3-22 record into last night's game with the Union Jays. The Braves are home to the N.J. Cubans tonight, starting at 6 p.m. from Belleville High. On Saturday, the annual all star game will be played at Parsippany.

The Braves dropped games to Montclair, 15-4, Union, 4-3, Millburn, 12-11 and Parsippany, 11-4. Belleville snapped a 15 game losing streak last Sunday by defeating Millburn, 9-1.

"The team is playing pretty good ball," said Coco. "It's just we're not getting the timely hit. We're involved in a lot of close games, but in the late innings, it's the other team that gets the big hit."

Such was the case in the Montclair game. Belleville took a 2-0 lead after three innings and

were involved in a two all contest after four innings. However, Montclair broke it wide open with six runs in the fifth and another seven in the sixth to make the contest appear a laugher.

Belleville went with two non-pitchers, Tim Duvan and Gary Cook. Both men did a pretty good job for the Braves, but excessive walks and some Brave errors led to a late inning demise.

The Belleville offense was led by Mike Cavaluzzi and Scott Wohlrab, both of whom cracked homers. Ed Grzybowski was 2-3 with a triple and Coco was 2-2.

In the game against the Union Rams, Belleville lost, 4-3 with Rich Michaels taking the loss. Michaels pitched the first 2-3 innings before yielding to Calvin Fisher who pitched the rest of the way. Union scored three times off Michaels in the second inning with just one hit,

taking advantage of walks and errors.

The Braves tallied twice in the fourth on a Grzybowski triple, driving home Wohlrab and a ground out that brought in Grzybowski.

In the seventh, the Braves cut the lead to 4-3 when Mark Grillo tripled and scored on a ground out by Dan O'Grady.

The game with Millburn was, according to Coco, "one of the most exciting games I've ever played in."

The final count was 12-11 as Belleville took a 5-0 lead after three innings, trailed, 6-5 after four, led 9-6 after six, then trailed, 10-9, entering the final inning. It was there that the dramatics took over. With two outs, Dan Gardner belted a triple and Mike Cavaluzzi drilled a two run homer to give the Braves an 11-10 lead.

Summer basketball team wins first game with 71-50 victory

The Belleville basketball team picked up its initial victory in summer basketball action, defeating Oratory, 71-50 in the Bloomfield league last week.

The Bucs played immaculate in the Bloomfield league last Tuesday. In the Elizabeth league, the Bucs battled Columbia last Monday and faced St. Patrick's of Elizabeth last night. Belleville will play Irvington at 6:15 p.m. next Monday and battles Elizabeth next Wednesday, starting at 7:15 p.m. All games are held at the Thomas Dunn Arena.

Dave Boyd is the teams coach in Bloomfield and Don Roll handles the assignment in Elizabeth. Both coaches agree that a lot of work is needed for the young players.

"The team needs a lot of work," said Boyd. "The kids are getting used to different situations and are learning, but we still need more time and work. In Bloomfield, we're working with basically the junior varsity team. Those kids are inexperienced, but we're seeing some good talent developing."

Boyd is happy with the play of

Steven Schwed, Anthony Rodriguez, Ray Zamlot and Chris chiarrmonte.

"The kids are young," Boyd pointed out. "They are playing with a lot of intensity, it just takes time to jell and work together."

Against oratory, Belleville had a full team, as players from the Elizabeth league took part in the game. The Bucs won handily as sophomore Ted Sochaki tallied 25 points.

Iacullo leads teammates in lift-a-thon; Nardachone breaks fund-raising mark

John Senesky likes to call July a relaxing month.

"It's a good time for the kids to spend with their families, to be on vacation and to generally enjoy being a kid. We don't stress football during the month of July. We had a successful lift-a-thon in June and now we want the kids to enjoy the summer. The season will be here before you know it, so they might as well relax and enjoy the nice weather."

The annual Belleville lift-a-thon, an event that Senesky started in 1977, was once again a big success.

"We didn't have the numbers we usually do," the coach said, "but the kids who came out did a very good job. There were some good performances and the players made some good money that goes toward equipment and shirts."

Jon Nardachone became the first player ever to break the \$2000.00 mark for his effort in the event. Other athletes that finished in the \$100.00 range were, Dawson Bloom, \$135.00, Jon-Paul Lenczuk, \$119.00, Carmine Iacullo, \$112.00, Joe Domenick, \$110.00, and Craig Jakowski, \$108.00.

In the bench press, Iacullo led the way with a lift of 335 pounds. Nick Cerami cleared 315, Anthony Pravata, 300. Dave Long and Lenczuk, 230. Ray Torella, Gerard Corbo, Vincent Filippone, Frank Pacheco and Steve Reilly, 225. While Dan Senesky finished at 210 and Steve Linfante, 200.

Senesky stressed that this time is more for the coaches, than the players.

"We're (the coaches) working on different things, planning the season on paper. The kids might be running in the evenings, or lifting, but for the most part, they should be enjoying their free time. Football has to be fun, because if the athlete does not enjoy the game, he won't be effective at it. We have a young team this year. It's a small senior class, so a lot of positions will be open."

Senesky noted that the coaching staff will be intact from the 1984 season. Returning are Joe D'Ambola, Genaro Russo, Mike Welsh, Russ Pagano and Phil Galotti. The only positions that are questionable at this time are the freshman coaching slots, where Senesky has candidates ready, but has not received final word on their approval.

The Bucs open the 1985 season at home this year against Don Bosco Prep. Don Bosco will be led by a new coach this fall, Jackie Moore, formerly the head man at Marist High School. Don Bosco has won two straight Parochial A crowns and lost to Belleville, 14-0 in the opener last fall at Ramsey.

Belleville will play just four games at the friendly confines of Municipal Stadium. The schedule will be the same as last season, with only the locations reversed. Belleville will

play host to Don Bosco, Paterson Eastside, Clifton and Paterson Kennedy. The team travels to Bergen Catholic, Bloomfield, Passaic, Montclair and Nutley.

While we're on the subject of Belleville football, Senesky made a point that was omitted in last week's article about the annual North-South football game at Rutgers University. Belleville has had a player compete in the game for the last seven years now. It all started in the 1979 classic when Angelo Santinelli represented Belleville High.

In 1980, it was Russ Pagano, followed by John Mellillo in '81, Phil Cerza in '82, Dave Grant in '83, Mike Murphy in '84 and, of course, Mark Walsh this past game.

Santinelli, the co-captain of the 6-3 team in 1978 that started the Belleville turnaround in football, currently is active in the business world following his graduation from Fordham University. He was always a top student and his all around play inspired the Buccaneers to that big season.

Pagano, an awesome lineman for the 1979 Bucs that traveled to the Meadowlands, is now a teacher and football coach at Belleville High. His knowledge of the game and the system at BHS makes him a fine addition to an already impressive staff.

Grant, entering his sophomore year at West Virginia, is projected as a future All American and has an ex-

cellent freshman season as a starter at the Division I school. Walsh, of course, will be entering the University of Maryland in a couple of weeks and has all the tools to be a good player on the Division I level.

Turning from football to baseball, congratulations is extended to Sal Garilli on his appointment as the new baseball coach at Jersey City State College. Garilli, known in these parts as the coach of the Belleville Braves, has an excellent baseball mind and should do very well in his new appointment.

Some of his previous work included scouting for the Chicago White Sox and Pittsburgh Pirates, coaching at Kean College and the head coaching position at Somerset County College.

"This is a big opportunity for me," Garilli said of the JSC appointment. "The program has been down for a couple of years, so it's wide open. There are a lot of freshman who could come here and start play right away. The conference that we play in is probably the best of any Division III conference. I'm really looking forward to the opportunity."

Jersey City State has 23 games scheduled for the fall, with 40 games set for spring baseball, along with a trip to Florida in March. It is a good opportunity for the Belleville based Garilli.

"The only disappointment for me is the lack of success the Braves have

had this summer," Garilli said. "Anthony Coco is doing a very good job as coach, but the team lost a lot of players from last season. He is going to make a good coach one day and this is a good opportunity for him to break in."

Despite the 3-22 record this summer, Coco has done a nice job. The Braves are very competitive, playing in a number of one run games. They just haven't gotten the big break that is so vital to win those close games. The team has 15 games left on the '85 slate and you can be sure it will play them with enthusiasm and determination.

Here is the answer to last week's quiz. The question was, name the finalists in the 1980 Wimbledon mens final. The answer: John McEnroe and Bjorn Borg. Borg won in five thrilling sets. McEnroe avenged the loss with a victory in the '81 Wimbledon finals over Borg.

For this week, other than the 1983 victory, name the last time the A.L. won the All-Star game and the opposing managers in the game. Also, name the park that that summer classic was played in.

Watermelon parties and games head up playground activities

The second week of the Belleville Recreation Department's playground activities continued with all the playgrounds finding good participation and good weather.

At School 10, all the children contributed to a watermelon party. The leftover watermelon was given to the winners of a wiffle ball game. They were: Kenny and Kevin Johansen, Mark Della Volpe, Keith Voltre and George Speer.

The School 8 Junior Softball team improved its record to 2-0 by defeating Fairway Park, 7-6. J.J. Johnson hit a home run and Peter Nielsen hit the game-winning R.B.I. for the winners.

At School 9, the game of the week was softball.

Nok-hockey was the game of the week at the stadium. The competition was fierce, but Bobby Roselli emerged as the champ. In ping-pong, Sandra D'Alessio was heads above the field in winning her games. Linda Wujcik won the weight throwing contest beating all competitors with fine tosses with 5- and 10-lb weights.

Participation in the Friendly House activities has been good. Daily activities include wiffle ball, nok-hockey, and this week's favorite, "out," a game similar to hand ball.

The Senior League softball team, led by John Cerza and P.J. Olivio, led all hitters with a 19-0 win over School 9.

Ping-pong was the game of the week of Fairway Park. Many players proved to be evenly matched and will make for a good tournament later in the summer. Wiffle ball continued to be popular. Andy Cueva is still the home run leader with 49. Bill Van Sockle has 32 and Mike Lolia is next with 28 home runs.

Tigers win Junior Division

Cubs win first place in boys' recreation league

The Cubs took first place in the senior intermediate division of the Recreation Boys' Baseball League.

The Cubs (12-1) were coached by Nick Turano, Ron De Piro and Bob Marion. Players for the Cubs were: Ronnie Caprigione, Robert Caskin, John Cerza, Michael Chieffo, Gerard Cimolo, Manuel Correa, Ron De Piro,

Eric Faragi, Vincent Lipsky, Kevin Marion, Tony Narciso, Tim Paseko, Sal Taibi, Nicholas Turano Jr. and Robert Fallon.

Taking second place in the division were the Giants, coached by John Spezzaferra.

In the junior division of the Recreation Boys' Baseball League, the Tigers defeated the Bombers in the championship series, two games to none.

The first game was a nip and tuck game with the Tigers prevailing, 9-6.

The Tigers also prevailed in the second game, 12-8. The team, coached by Tony Goergen, finished the season with an 11-1 record.

Players for the Tigers included: Frank Botti, Ely Daoud, David Diamond, Anthony Ezekian, Robert Gauthier, Thomas Klena, Anibal Rodriguez, Rocco Russo, Sal Stralace, Jamie Zigarelli, Edward Lindwall and Joseph Balistracci.

The Bombers, who finished in second place, were coached by Ray Aballo. The Bombers were 9-5 for the season.

Soccer Champions - The Belleville Breakers of the Belleville Soccer Association recently captured the championship of the fifth division conference against reigning champion, Harrison, 3-0. Pictured are members of the team.

Breakers win Mayors Cup, 3-0

Taking the Mayors Cup in classic style, the Belleville Breakers of the Belleville Soccer Association defeated Harrison, the defending champion, 3-0 for the championship of the fifth division conference.

Belleville's first goal came from Dennis Dework, who scored in the 20th minute of the first half. The count at intermission was 1-0, but the Breakers came out firing in the second half and tallied twice more.

Chris Ricci scored both second half goals with assists from Mike Morgan and Brian Harvey.

The Belleville offense was paced by team captain Robert Cetrulo, with fine play from Dework, Ricci, Morgan, Harvey, Chris Imperatrice, and Michael Janicelli.

The Breaker defense, led by goalie Jason Ventola, turned back several Harrison scoring drives. Bill Zigmund, Tony Suffness, Brian Davis, John Engdahl, Carmine Esposito and Carmen Pizzano also led the Breaker defense in the championship effort.

Earlier this year, the Breakers won the fifth division

conference title in the Minolta Suburban Youth Soccer league with an undefeated record, al-

lowing just one goal all season. The team is sponsored by Modern Millwork of Belleville.

Belleville Braves break 15-game losing streak

(Continued from page 11)

Wohlrab the previous inning, pitched the bottom of the seventh, but walked two batters to start the frame. Belleville then committed two errors, the second driving home the winning run and giving Milburn a 12-11 win.

"I couldn't eat after that one," recalled Coco. "I thought we had it, we rallied twice to take the lead, then lose in the last inning without giving up a hit."

The Braves had 12 hits on the game, with Coco cracking a two run homer to centerfield. "It was a bunt," Coco said of the homer, adding a little humor to the game.

Lou Colon had two ribbies and Mike Caliendo drove home three runs. Coco was the losing pitcher, yielding a grand slam homer in the sixth when he relieved Wohlrab with the bases loaded.

Against Parsippany, the Braves and Grzybowski lost an 11-4 game. Once again, the opposition took advantage of a big inning to break the game open. Parsippany scored six runs in the sixth inning to break open a 5-3 lead.

Finally, Belleville rebounded against Milburn and posted an 9-1 victory. Cavaluzzi went all the way for the victory, allowing just five hits.

"This time," Coco said, "we took advantage of the big inning. We wanted this game, especially after the last game with Milburn."

Belleville scored seven times in the sixth inning to cruise to victory. Coco, Caliendo and Gus Boisset had two ribbies in the big inning and Mark Roll drove home a run. Earlier in the game, Wohlrab had a double for a ribbie and Grzybowski singled home a run.

HOW TO TREAT SPORTS INJURIES
One of the most popular ways to spend spare time is participating in sports. The U.S. Bureau of Outdoor Recreation reports over 118 million people participate in some form of outdoor sport. Over 10 million use bicycles, 4 million play tennis, and 30 million play other outdoor games.
Such activities are necessary to stay physically fit. However, many times, pain and injury can result in spinal misalignments called "Subluxations." A subluxation injury can produce a force of several thousand pounds to be absorbed and absorbed through the neck. Accidents and trauma can cause subluxations due to traffic, sports and martial arts. These injuries often cause significant damage to the spine.
In baseball, outfielders are likely to suffer from shoulder and pitcher from shoulder. In the NFL, a player's case is often because the neck is often twisted and strained to hold a ball. In the pitcher's case, it is because the wind up is completed and the ball is delivered with great force, which often causes a low back problem or a shoulder or arm injury. In golfers, subluxations are most common in the mid back region or low back.
As a result, most athletes are among the most regular patients of chiropractors.
Always do preliminary warm up exercises before engaging in sports. Should you suffer a sports injury, visit the back in action fast with expert chiropractic care. Manipulation of the spine for dislocated joints may also be a major factor in preventing post-traumatic arthritis, a common sequela of many injuries. Don't underestimate the importance of proper care of your spine — the lifetime of the body.

ORPHAN DRUGS
The Department of Human Services set up its orphan drug program in 1982. "Orphan drugs" are products that are of little commercial interest. This is usually because the diseases that they are intended to treat are relatively obscure. As part of our effort to keep the public informed, we would like to announce one of the newest of these orphan drugs. It treats severe cases of Tourette syndrome. The drug, pimozide, was shown in clinical trials to decrease the involuntary muscular movements and uncontrollable vocal sounds that characterize this rare neurological disorder. This new drug is for patients who do not respond to, or cannot tolerate, haloperidol. Haloperidol is a drug that has been used for years to treat cases of Tourette syndrome.

As part of the complete service to our customers, we try to handle the newest drugs on the market in order to have them available when you need them. If we don't have what you want in stock we can get it for you quickly through our many sources. Bring your prescriptions to ROSSA-ORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. Hours: Daily 9am-10pm, Sundays 9am-9pm.

HANDY HINT:
Tourette syndrome is a debilitating that the benefits of pimozide are considered to outweigh its potential risks.

which way the car had landed. I found an air pocket back there, so I stayed there. It all happened so fast, I really don't remember what happened next.

The Belleville Fire Department was also called to the scene. Martucci, Fire Captain Walter Beresford and Firefighters George Pedalino and Paul Melchione went into the water and secured a rope to the rear axle of Arena's car. As they were pulling the car out, they discovered Arena signaling to them that he was okay.

Arena was then taken to Clara Maass Medical Center where he was treated for bruises to his face and arms. He was also treated for hypothermia and released.

Burnt-out Public Works site awaits complete clean-up plan

(Continued from page one)

The Public Works Department have been working out of trailers on the site. Grande said there is no running water or toilet facilities. Employees have been dealing with a construction site atmosphere, Grande said.

"My men have been very courageous," Grande said. "They have done a tremendous job under adverse conditions. I'm very proud of them."

Grande said that most of his equipment has been replaced, including dump trucks, sweepers

and salting equipment. Once the insurance is settled, Grande will be getting a root cutter, another sweeper and a water truck. He said he would also like to get a pressure truck for his department.

As far as department records are concerned, Grande said the contractors who had copies of records, had duplicates made for him. He also said that the township had insurance which would take care of replacing valuable records. That policy

has not been settled either, Grande said.

"I would like to at least get some kind of shelter for my men before the winter," Grande said. "They already went through one winter. We also need more garage space for the equipment because most of it is diesel and they have to be pre-heated. Some equipment is hydraulic and the cold weather would cause it to freeze up."

Until a new building is constructed, Grande has had his office and secretaries housed in the Public Affairs Building at 383 Washington Ave. He said that if a new municipal complex is built to house all township departments, he will maintain an office there as well as one on the Cortlandt Street site.

Gov. Kean cuts water rationing; some restrictions still in effect

(Continued from page one)

responsible for the rise in water levels.

Although water rationing has been suspended, Kean stressed that some restrictions are still in use. They include a ban on watering lawns and washing cars.

Other restrictions still in effect are as follows:

- Plants and shrubs can be watered only by bucket, watering can or a hand-held hose with a nozzle that shuts off automatically when dropped;
- Water can only be served in a restaurant at the request of the customer;
- Swimming pools can only be filled once during the season;
- Streets, driveways and paved areas can only be washed if non-potable water is used;
- Water cannot be used in ornamental fountains or pools;
- Commercial and industrial water users have to reduce their use to levels that will not affect

employment;

- Sod farms, nurseries and golf courses have to restrict their watering; and
- All non-residential water users have to install conservation methods and fixtures.

Belleville residents were given five to six summonses a week, according to police reports. However, there were no

reports of residents going over the 50-gallon per day, per person rationing, Steve Vogel, tax collector, said. He said that in the last three-month meter reading period, which was in May, no surcharges were issued.

Vogel also added that no surcharges were issued to larger water users, whose meters are checked once a month.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Miss R. of Newark asks: "My teeth have cavities but are grayish brown and I don't like the way they look. Is there any kind of cosmetic paint that can be put on?"

At present Miss R. the only cosmetic coverings are either crowns (caps) or bonding. Since you mentioned you have no decay we would suggest porcelain veneers as a possible solution. Porcelain veneers are fingernail-like casings made of a porcelain color of your choice that goes on the front side surface of your teeth. Very little removal of tooth structure is needed. After the laboratory makes the covering under the direction of your dentist they are then fitted to your teeth. Upon your approval a special bonding procedure then adheres them to your teeth and the cosmetics you desired are achieved. Some care must be taken to keep the bond intact but it's minimal. Consult your dentist for further information and have a great summer!

CHINA GARDEN

306 Main Avenue
Clifton, NJ 07014
773-7633

By Lisa Grimaldi

The China Gardent Restaurant on Main Avenue in Clifton is truly a garden of delights. The food and service of this Chinese restaurant are impeccable.

Every time a water glass was even a 1/4 empty, a waiter quickly filled it up; and all the help are very familiar with every menu item.

To get a cross-section of the many types of dishes offered, I tried the evening buffet, which is available Monday through Wednesday. This was no bland, run-of-the-mill Chinese smorgasboard. Many fine gourmet dishes were part of the fare. There were several seafood, meat and chicken dishes, along with several hot appetizers, which all tasted fresh and well-prepared. Soup came with the buffet, and my hot and sour soup was the best I'd ever had; just hot and spicy enough.

All the main course dishes were delicious, but I especially liked the shrimps with cashews, and the chicken and zucchini, which was delicately flavored with ginger.

For dessert, there was a delicious fresh fruit salad, some tarts, cake and of course, fortune cookies.

All the dishes on the buffet are regular menu items, and are available for takeout. There are also luncheon specials.

China Garden is located on 306 Main Avenue in Clifton, just over the Nutley border. Reservations are accepted at 773-7633.

Waiting for income tax refunds can give a person more worries

Most people thought that April 15 signaled the end to last year's tax headaches. After all, all the forms were signed, sealed and mailed on time and all the worries were now over. The only thing to do now was to sit back and wait for the refund check to arrive.

Many people have been receiving their refund check. The problem is that many of the checks differ in amount than the refund shown on the return. In the majority of cases where checks differ, the amount of refund is lower than expected. However, there are a few cases where the amount is actually

short while for an explanation sheet. This is usually a computerized sheet that will explain where the IRS believe an error was made and a recalculation of the tax liability. The tax return should then be rechecked against the printout. If no error can be found, the sheet has a phone number and an address at the top of the page.

Tobia indicated that some taxpayers are being incorrectly billed for penalties for underpayment of estimated tax, even when the 2210 Form and excep-

tion worksheet were properly filed with the tax return. This is a problem that existed with the 1983 filing period due to a computer problem.

H & R Block will be available to review IRS correspondence and offer assistance of anyone with a problem free of charge. It is suggested that anyone needing assistance contact the office at 345 Clifton Ave., Clifton, between 10 a.m. and 5 p.m. Monday - Friday at 365-0111 or at 191 Bloomfield Ave., Newark, between 10 a.m. and 5 p.m., Monday - Friday at 464-8287.

More than 100 graduate from Sandy Lane Nursery

The Sandy Lane Nursery School, 634 Mill St., recently held its graduation ceremonies for children entering kindergarten and first grade this fall.

Parents, relatives and friends attended the ceremonies, which marked the 12th year of the school's existence.

A graduation ceremony for 54 pre-school and pre-kindergarten students was conducted Monday, June 10. Attending the ceremony was Belleville Commissioner

Joseph Grande.

A graduation ceremony was conducted Wednesday, June 12, for the daycare pre-kindergarten children and the kindergarten students. Thirty children were graduated from the pre-kindergarten program, while 14 children were graduated from the kindergarten program.

One student, Jonathan Meravi, was the third child in the Meravi family to have been graduated from Sandy Lane Nursery School.

Medal Winners - A total of 12 people were recently inducted into the Spur Society, the St. Peter's College evening division honor society, at the group's annual Spur Dinner Dance. Receiving Gold Medals were (l-r) Loretta M. Burnett of North Bergen, Dr. James S. Nolan, evening advisor and a professor in the Education Department, Rutherford; Irene Simpson of Belleville; and Elaine Archer, a professor in the Public Policy Program.

One Plus One Equals Three
New Math? No! This is simply a way of describing a drug-drug interaction. Since most drugs can cause side effects of varying degree it's not surprising that one person may be using two drugs with similar side-effects, such as a cold remedy and a cough syrup, each with the capability of causing drowsiness. Instead of a simple additive effect, each may intensify the other so that the two together are more than twice as potent as either alone.
