AARP chapter will meet Oct. 3

The Belleville Chapter 2051 of the American Association of Retired Persons will meet Thursday, Oct. 3, 1 p.m., at the Fewsmithe Presbyterian Church, 444 Union Ave.

A representative of New Jersey Bell will be the speaker. The topic will be the 100th birthday of the Statue of Liberty. A film, "Miss Liberty 1986" will be shown. Hostesses for the meeting will be Nancy Patterson and Lillian Metcalfe.

The next official board meeting is scheduled for Friday, Oct. 4.

Matters in Brief

BHS sponsors open house Oct. 2

Belleville High School will sponsor its annual open house program Wednesday, Oct. 2, at 7 p.m.

The program is conducted annually to give parents an opportunity to meet the staff who work with their children, to see the building and to learn more about the high school program.

All parents are urged to attend.

A membership drive to the Belleville High School Home and School Association for the 1985-86 school year will also be conducted that evening.

In addition, parents are asked to bring non-perishable food donations to the meeting. They will be used for a food basket raffle for the school's card party early next year. Collection boxes for the donations will be in the school's main lobby.

Clay to appear at Hendricks Field

Freeholder Art Clay (R-Essex) will appear at Hendricks Field in Belleville Thursday, Sept. 26, at noon to encourage golfers to sign petitions against the leasing of Essex County golf courses to outside agencies.

A proposal to lease the county golf courses, including Hendricks Field, is being considered by the Essex County Board of Freeholders of which Clay is a member.

Maintenance and management of the course would be taken over by an outside agency if the plan is approved by the board. However, the plan would not take effect until next spring.

Political parties debate Oct. 2

The chairmen of Essex County's two major political parties will debate issues in the General Election campaign next Wednesday on cable's OBC-TV.

Scheduled to appear are Raymond Durkin, Democratic party chairman, and Michael Francis, Republican party chairman for Essex County.

The debate will be telecast live Wednesday at 9 p.m. by both UA-Columbia and Suburban Cablevision. OBC-TV programs including the debate are seen on Channel 36.

School board gives police raises

The Belleville Board of Education established rates of pay for Belleville police officers and supervisors who are employed for security purposes at Belleville schools' athletic events at its meeting Monday night.

The rates are as follows: Sept. 23 through Dec. 31, 1985, \$12 per hour for patrolmen and \$14 per hour for supervisors; and Jan. 1 through Dec. 31, 1986, \$13 per hour for patrolmen and \$15 per hour for superior officers.

The police officers, as well as auxiliary police officers, are employed during such events as football and wrestling which attract large audiences.

Training course offered tonight

A training program for food handlers will be offered 7-9 tonight at the Department of Public Affairs, 383 Washington Ave.

The program is offered to all Belleville restaurant owners, managers and workers.

Instructors will discuss the latest sanitary procedures that must be followed, as well as state and local laws concerning sanitation. They will also demonstrate the Heimlich maneuver.

Certificates will be awarded to all those who attend the program.

There will be a \$4 registration fee to cover the cost of the program. To register, call the health department at 450-3389.

Learning While They're Young - Hang Quan, left, and Marie Fueguieras, both first graders at School 7, are learning how to use a computer through one of the objectives set by the Belleville Board of Education for the 1984-85 school year.

Concern expressed about 'flea market'

Concern as to whether or not a "flea market" in the Valley section of Belleville would harm students attending School 9 was discussed at the Belleville Board of Education meeting Monday night.

Program aids community's homebound

By Michelle Jeannotte
The Friendly Visitors Program, a volunteer service, provides reassurance to the homebound elderly through telephone calls and occasional visits.

The program, under the direction of Barbara Purnell, began eight years ago as a service provided by the Community Mental Health Services of Belleville, Bloomfield and Nutley.

"The director of Community Mental Health Services was aware of a real need in the community for homebound people to have some contact with the out-

side of the School 9 Parent-Teachers Association, expressed her concern over the establishment of a "shopper's bazaar" near School 9.

At the board's previous public meeting on Sept. 9, board member John DiStasi made note of an application before the Belleville Zoning Board for a commercial operation on Main Street. The meeting was Sept. 17, he said, adding that he thought it would be worthwhile if someone from the area attended the meeting.

Wesolowski did attend the zoning board meeting and informed the school board on what took place. She said that the property at 525 Main St., purchased by a Mr. Al Bonadonna, was to be used for business, however, the application was tabled until the zoning board's next meeting Tuesday, Oct. 1.

She said she spoke to Bonadonna who informed her that the business, what he called a "shopper's bazaar," would only operate on the weekends and holidays.

However, Wesolowski said,

Festivities planned for Columbus Day

By Kara Laczynski
The Belleville-Nutley Columbus Day celebration will be bigger and better than ever with the founding of the first Festa Columbo, a 10-kilometer run and an Italian dinner-dance.

The Belleville-Nutley Parade Committee, sponsor of the annual Columbus Day Parade, is organizing the Festa Columbo, which will be held at the Belleville High School practice field on Oct. 18 from 7 p.m.-12 a.m., Oct. 19 from 11 a.m.-11 p.m., and on Sunday after the parade from 4 p.m. to 9 p.m.

"We are patterning the festival after the German Oktoberfest," said Gabriele Nazziola, chairman of the parade committee. "There will be kiddie rides, games of chance and, of course, lots of good Italian food."

Proceeds from the festival

will help pay for parade expenses, according to Nazziola. "Some of the bands in the parade charge hundreds of dollars to the town, so we are trying to raise money while providing a really good time for everybody."

A disc jockey will play popular tunes for dancing from 7-11 p.m. on Friday and Saturday nights, according to Nazziola.

"We want everybody, kids, teenagers, adults, and older people to come out and all celebrate Columbus Day together," he said.

The Belleville-Nutley Columbus Day Parade will take place Oct. 20 at 1 p.m. "We expect a large turnout," said Nazziola. "Between 50 and 60 different bands, groups, and individuals will be marching, so it will be a great parade."

County conducts review

Board's objectives improve schools

By Michelle Jeannotte
An analysis of results of the Belleville Board of Education's goals and objectives for 1984-85 was presented by Superintendent of Schools Michael Nardello at the board's meeting Monday night.

The analysis of results was documented by Elena J. Scambio, Essex County Superintendent of Schools. The analysis included a review of the board's action plan, the results and the implications of such objectives and goals.

Objective I established for the 1984-85 school year was that by June 30, 1986, all students in grades K-3 will have had hands-on experience with microcomputers as a result of the district's K-3 computer awareness program as measured by teacher observation.

Action plans created for Objective I included out-of-district computer in-service for 15 elementary teachers; computer workshops; five, 10-hour in-district computer exposure workshops (to date 105 staff members have participated); the increase of computers in district from 34 ('83-'84) to 65 ('84-'85); completion of a K-6 computer awareness-literacy guide (June 1984); and the implementation of 1,050 scholastic Basic Computing tests.

In a report prepared by

Michael Lally, assistant superintendent of schools, he stated that a dramatic effort to enhance the district's computer program, K-6, has been witnessed, adding that additional examinations and recommendations were being made.

This goal has been directed toward the ninth and 10th grade students for the 1985-86 school year, according to a report presented to the board before the start of the new year.

Responding to the results of Objective I, Scambio noted that all goals were completed as planned and that the district should be commended for doing so.

The results of Objective I, according to Scambio, is to develop a student's knowledge of the parts of the computer, knowledge of elementary aspects of the programming languages in Logo and Basic and the ability to write simple programs, as well as to integrate the traditional methods of instruction in reading, writing and mathematics with computers.

Scambio also noted that Objectives II and III have been reached and that action plans should be prepared for the continuation of these objectives.

Township employees awarded merit raises

By Kara Laczynski

An ordinance which awards merit raises of \$1500 to nine Public Works employees was passed on first reading at the Belleville Board of Commissioners' meeting Tuesday night.

Public Works Commissioner Joseph Grande voted in favor of the ordinance, along with Mayor Michael Marotti, and Commissioners Joseph McGreevy and Ralph DiRuggiero. Public Affairs Commissioner Michael Pizzi voted against the ordinance.

Raises would not take effect until Jan. 1, 1985, when the new

budget is implemented. The ordinance increases the maximum allowable salaries of the affected employees. In practice, these workers are paid the maximum, according to Grande.

"These raises are being given in accordance with a reorganization of my department that I implemented more than a year ago," Grande said. "The salaries are being increased to make Belleville more competitive."

"Our truck drivers were making between \$2,000 and

Sylvestro's Market celebrates 6th year

Vito Sylvestro's Garden Market, 166 Garden Ave., is celebrating its sixth anniversary the week of Sept. 29.

Vito's customers include the professionals, clergy and the housewives who realize the importance of serving their families a nutritious variety of home-cooked meals.

At any given time it is not unusual to see Vito helping a customer plan that very special dinner. He takes the time to suggest different recipes and ways of cooking the selected meats.

The Garden Market also carries selected Italian cheeses, tomatoes, macaroni, oils and appetizers.

Fresh fruit and vegetables, coffee, canned foods, Italian bread,

frozen foods, dairy products, cake and a variety of cold cuts make one-stop shopping at Vito's Garden Market a convenience.

Freezer plans for the busy person who likes to shop ahead are also available. You may choose a plan for two, three, four, five or six people. Meats are freezer-wrapped and marked for your convenience.

Stop by the week of Sept. 29 and wish Vito and his staff a happy sixth anniversary. While you're there, ask for a copy of his famous "yamaha stew" recipe. If you like chicken, beef, broccoli and rice, you'll enjoy trying the new recipe. Enjoy drinks and coffee on the house.

THE TRANSDERMAL PATCH
The transdermal patch offers an innovative approach to taking medicine. The patch looks like an adhesive bandage and sticks to the skin. A membrane controls the gradual release of medicine through the skin and directly into the bloodstream for prolonged periods. The patches make many prescription drugs safer, more effective and easier to take. When medication is swallowed, it is quickly released then followed by a frequent to less-than-therapeutic levels. Dosage may have to be frequent to maintain optimum levels. Drugs taken medicine must also pass through the gastrointestinal tract and liver. The liver metabolizes and destroys all or part of the drug's action before it can reach targeted organs or tissues. Larger doses, which encourage side effects, are thus required.

We offer you fine service. For all your prescription needs stop at ROSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. The sale and rental of convalescent aids are handled including walkers, wheel chairs, crutches and canes. We also have a full line of toiletries and cosmetics. Hours: 9 am-10 pm daily, 9 am-9 pm Sundays.

HANDY HINT:
Transdermal patches cannot be used with every drug or for all patients.

Board of ed saves \$192,000 in school maintenance repairs

By Michelle Jeannotte

Almost \$200,000 was saved in maintenance costs within the Belleville schools this past year.

In a presentation made before the board of education at its meeting Sept. 9, Edward Appleton, board administrator, reported that approximately \$192,725 was saved in labor and material costs during the period of April 1 through Sept. 3, 1985.

The savings, he said, were gained because the work was completed by board of education grounds crews, under the director of Joseph Grande.

The workload completed by Grande's crew included carpentry, electrical, masonry, painting and plumbing work.

A new board of education meeting room was completed at

the board complex between June 24 through Sept. 3. Work included paneling, plastering, new floor and air conditioning. Labor and materials cost the board of education \$7,000 for four weeks, whereas it would have cost \$16,000 is contracted to an outside agency.

Total estimated savings were reported at \$9,000. Other carpentry work completed included new air conditioners, door and windows and a new driveway at the high school; removal of lexan and installation of wire glass at schools 5 and 8; and repair of all emergency exit doors throughout the district. All repairs were completed under regular work orders.

Electrical work completed at

the high school included: removal of 52 incandescent fixtures and installation of 52 mercury vapor fixtures and installation of new scoreboard in the high school gym (approx. five weeks); floor outlets for electrical typewriters (three weeks); installed ceiling exhaust fans in the high school cafeteria kitchen (three days); and installed seven vandal lights on the exterior of the high school (two weeks).

Electrical work completed throughout the district included installation of wiring for computers (five days).

Total estimated savings for electrical work during this period was \$54,925.

Masonry and painting work

during the time frame of April 1 through Sept. 3 included: repairing of stairs and painting of corridors at School 4 (seven weeks); paving and extension of parking lot and removal of tree stumps and trimming of all trees at School 5 (16 days); paving new driveway (and painting parking lines) and painting of hallways, stairways and doors at

the high school (10 weeks); and new steps at the south side of the middle school (three days).

Total estimated savings was \$86,300 for masonry work and \$21,500 for painting.

Plumbing work included: repair of piping on heating unit at the high school (four weeks); installation of copper tubing at School 4 (one week); and instal-

lation of thermostatic valves at the middle school and school 7 (five weeks).

Total estimated savings was \$21,000.

Most of the work completed at the high school was performed to prepare the physical appearance of the building for the Middle States Evaluation coming up in November.

Volunteers aid the homebound

(Continued from page one)

side community," Purnell said. "She contacted the Red Cross initially to see if they had some volunteers who would be willing to go into homes of seniors and visit them on a regular basis."

A year later, Purnell said, it became sort of an ad hoc program. The director of Community Mental Health Services then obtained funding from the Division on Aging to set up the Friendly Visitors Program.

"They hired a director initially," Purnell said, "along with two outreach workers and one part-time worker. They got the program rolling."

When the three-year grant from the Division on Aging expired, Purnell said, partial funding was obtained from that organization as well as funding from the United Way of Essex

and West Hudson, the United Way of Bloomfield and from community groups.

At this point, the Friendly Visitors Program services approximately 110 "home friends," Purnell said. However, that number changes, she said, because some of them enter nursing homes or pass away.

The only requirements of becoming a "home friend" is that they live in one of the three towns and that they be at least 60 years of age, Purnell said.

The volunteers in the program are of all ages, she added. Volunteers presently in the program range in ages from 14 to 94.

Most of the people who become involved in the program hear about the Friendly Services through other volunteers or the outreach workers who regularly visit various organizations in the

community which might be interested in volunteering, she said.

"Volunteers in the program provide telephone reassurance in most cases," Purnell said. "This is a daily phone call to a homebound older adult. Some volunteers visit older people in their homes."

"We have people in the program who have several volunteers," she continued. "They may have somebody who calls them and they may also have people who visit them."

Sometimes a phone friend turns into a visiting friend."

To become a volunteer in the program or to find out more about it, contact Purnell at 450-3135 or attend the group's monthly volunteer meeting Thursday, Sept. 26, 6:30 p.m., at the Fewsmith Presbyterian Church, 444 Union Ave.

School Bus Housing

Recently, the Belleville Board of Education devoted much time to discuss the safe housing of its 10 buses. Originally garaged in the board complex parking lot, vandalism forced the board to house the buses at the fenced-in Public Works site on Cortlandt Street.

The question of garaging school buses should have been an administrative decision and not take up the valuable time of school board members. What should have been considered at the meeting were options produced by the administrative staff.

However, part of the time spent by the board involved the need for a communication system between the buses and

the board complex. There should be an on-going communication connection between the buses and the school board - or at the very least - the police department radio.

What if an emergency occurs to a student riding the buses? With 10 buses on the street, we're talking about 200 to 300 students. It comes as a shock to learn that there is no communication with the school buses. This is an oversight that should be immediately addressed.

Pet Cemetery

It is clear by this time that the Blairstown Pet Cemetery operation leaves much to be desired.

A meeting was sponsored by the undersigned in an effort to obtain answers for heartbroken pet owners who utilized the Blairstown Pet Cemetery facilities.

Unfortunately, the answers were not forthcoming - it's apparent that satisfactory answers will not be forthcoming until legal procedures compel witnesses under oath to testify. A class action law suit initiated by the undersigned is going forward. A meeting of pet owners interested in the problem is scheduled at the Franklin School on Franklin Avenue in Nutley for Wednesday, October 23 at 8 p.m. Interested pet lovers willing to volunteer their aid are invited

to write to the undersigned at 800 Bloomfield Avenue, Nutley, NJ 07110.

The Blairstown Pet Cemetery experience is not the only problem confronting pet lovers. Legislation is pending which will strengthen our laws concerning pets - their rights - and the need to perpetuate pet cemeteries. At the moment, there is no law that requires a pet cemetery to exist in perpetuity. A greedy pet cemetery owner could convert the land for any other purpose. So - we need new laws to protect the rights of bereaved pet owners as well as maintain the dignity of a buried pet.

No AIDS - No Problems

The Belleville Board of Education wisely closed the book on adopting a policy concerning a student who may have AIDS.

Since there are no known students who have AIDS, the board asks - why then establish a policy?

Scientific evidence is still coming in with respect to the problems involved in the transmission of AIDS from one person to another.

Absolute, positive proof of

how AIDS is contracted remains for the future to determine. Medical scientists have been unable to develop a medical answer to the problem. The board of education's decision should be applauded. Why create trouble when none exists.

Kelly thanks OBC-TV for candidates' debate

To the editor:

I want to thank you for the opportunity to participate in the OBC-TV candidate's debate last night, Wednesday, Sept. 18.

Your live broadcast was an opportunity for the four candidates for the General Assembly to intelligently discuss the issues of tax and education reform, the appropriate solutions for Bloomfield's water quality problems

and the principles of local representation in state government in Trenton.

The idea of a live debate, on camera, was a good choice, I believe, for the viewing public to help make their choice of the best qualified candidates for this very important election on Nov. 5. Thank you again.

Golden Comments

By James R. Golden

The strange taciturn silence of the media in neglecting to comment about the state Department of Environmental Protection's rejection of the Township of Belleville's bid to become a member of the Wanauke South water combine, which would have redounded to Belleville's great advantage, require "looking into" to determine the reason for rejection of the previous submitted application of Belleville's seeking membership with that group.

An inquiry put to the spokesman of the North Jersey District Water Supply Commission elicited the cautiously guarded reply that requested forms had not been submitted to the Department of Environmental Protection agency. The suggestion was offered that the township attorney be consulted.

A diligent attempt was made to converse with the attorney to no avail. Twice his office was called without being able to speak with the gentleman and a request made to his secretary that he return the call, leaving the phone number...no response from him within a week.

There would have been many advantages to the people and taxpayers of this community had Belleville been admitted into Wanauke South both in a better quality and quantity of potable water and at lower rates for consumption.

This is the second time, within a few years, the Belleville application to become a member of the projected Wanauke South has been spurned by the Department of Environmental

Protection under what appears bizarre circumstances.

It would appear that on both occasions the Department of Environmental Protection found justification to turn down Belleville's bid for entry in Wanauke South because they claim requested forms were not submitted or were received after a fixed deadline. Could they be concerned about Newark's losing a customer? Belleville buys its water from Newark and frequently charges more for its water to Belleville.

We are displeased by the way in which this matter has been sloughed off in what appears an esoteric shroud of the occult that is begging for an explanation and answer.

If, as intimated, requested forms were not submitted to the DEP; why were they not so submitted? Surely, there should be some answer forthcoming to explain why. The township attorney is too competent a lawyer to have permitted such an oversight to have occurred. Could there have been another answer to the Department of Environmental Protection's rejection of Belleville's application to become a Wanauke South participant? The people have a right to know.

Should our commissioners be in possession of any information regarding the strange twist of events which accompanied this peculiar development which barred Belleville's membership in Wanauke South, let them come forth now and explain it to the citizens of this community.

Silver Lake Baptist Church

You have probably experienced the feeling of utter exhaustion that comes at the end of a long day of tedious summer travel. After long hours behind the wheel of a car, you literally ache for rest and relaxation.

Even more exhausting than such physical strain is emotional fatigue. A family sorrow or a tragedy, a wrenching personal experience, or a devastating business reversal can leave us feeling completely drained. The inner pain is intense and the whole being cries out for relief and rest.

In the tensions of our time, some people have sought relief in drugs or alcohol - only to realize that those "remedies" compound the problem and introduce new ones.

The pace of life, its uncertainties and forebodings and the accumulation of

personal and cosmic pressures have intensified the tension and fatigue that engulf us. You may feel a chronic weariness - a helplessness while pleading for answers and direction.

In that predicament, the invitation and promise of Jesus suddenly become relevant and deeply personal. His welcome words bring inner peace to all who receive Him as Savior: "Come to me and I will give you rest - all of you who work so hard beneath a heavy yoke." (Matthew 11:28.)

The rest that He promises to those who come to Him is not a temporary "high." Nor is it merely another prop such as alcohol or drugs.

The enduring nature of His relief is guaranteed: "He gives power to the tired and worn out and strength to the weak. Even the youths shall be exhausted and the young men will all give up. But they that wait upon the Lord shall renew their strength. They shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint." (Isaiah 40:29-31.)

Would you like to exchange chronic exhaustion and helplessness for that inner peace and serenity? Jesus invites you to come to Him and find rest.

When you come in faith to Him and trust Him as Savior and Lord, He gives you inner assurance and strength in the midst of life's tension, pressure and fatigue.

Veterans honor Oscar Nathans

By Karen A. Lynch

Oscar Nathans, adjutant, quartermaster and past commander of North Essex Post 146, Jewish War Veterans of the U.S.A., will be honored at a testimonial breakfast 9:30 a.m. Sept. 29 at the White Eagle Manor, 41 Broughton Ave.

Post 146 includes veterans from Bloomfield, Belleville and Nutley.

Special guest for the event is Harvey S. Friedman, who was elected JWV national commander at the group's recent annual convention in Orlando, Fla.

Nathans, an Army veteran of World War II, served in North Africa, Sicily, and other parts of southern Italy as an aircraft and engine mechanic. He was discharged with the rank of staff sergeant in August 1945.

Oscar Nathans

Upon returning to civilian life he worked briefly in an advertising agency and with an auto battery manufacturing firm before settling in the automobile field, where he worked 29 years.

Nathans joined the Belleville post of Veterans of Foreign Wars at the end of the war and JWV Post 146 in 1946.

He became a member of Bloomfield VFW Post 711 in 1978 and Bloomfield American Legion Post 448 in 1986.

He has been active with the Bloomfield Joint Memorial Committee as liaison officer for approximately 10 years and is involved with the Memorial Day parade, flagging of veterans' graves at Glendale Cemetery, and Veterans Day and Pearl Harbor Day functions. He also attends monthly parties for patients at the East Orange Veterans Administration Hospital.

In addition, Nathans is a charter member of the Northeast Division of the Yankee Air Force, based at Essex County Airport in Fairfield. The group maintains a museum and library that house many V.W. II memorabilia, including a flying L-2B airplane of the era for visitors to see and touch.

Friedman served in the Navy during the Korean Conflict and has been a member of the JWV for 25 years.

Harvey S. Friedman

He has served three terms as chairman of the organization's National Action Committee, spearheading JWV campaigns to combat racism and antisemitism, and has been a member of the national executive and policy committees and the board of directors of the JWV-USA National Memorial.

Friedman was also elected JWV Man of the Year in 1962, 1968 and 1976 by state and local units.

A resident of Oakhurst, he is a life member of the Disabled American Veterans and the American Legion and has served the past three years as executive secretary of the Allied Council of N.J. Veterans Organizations.

Board of ed opposes tax reform proposal

By Michelle Jeannotte

The Belleville Board of Education recently approved a resolution opposing President Ronald Reagan's tax reform proposal.

The resolution, which was approved at the board's meeting Sept. 9, was in opposition to President Reagan's tax reform proposal because it would affect the schools in the long run, Superintendent of Schools Michael Nardiello said.

Nardiello said that the passage of President Reagan's tax reform proposal would affect the voters' willingness to pass the school budget in the future.

In the tax reform proposal, the deductibility of state and local taxes would be eliminated from federal income tax forms.

In a press release sent to all public school boards, the New Jersey School Boards Association (NJSBA) stressed the importance of local school boards opposing President Reagan's tax reform proposal.

"This loss (of the deductibility), coupled with severe restrictions proposed on the tax-exempt status of school bonds and certain other financial matters, would have a severe impact on the ability and willingness of voters to finance public schools in New Jersey," the NJSBA said.

"Your board should act soon to convey to President Reagan, your member of Congress and New Jersey's United States Senators Bradley and Lautenberg your opposition to this aspect of the administration's tax reform

plan," NJSBA continued. "A formal resolution adopted by your board at a public meeting and forwarded to these officials would be the most effective form of communication."

The NJSBA stated such arguments against the loss of deductibility of state and local taxes as follows:

- It is estimated that in Fiscal 1987, people who itemize on their federal income tax returns would pay an additional \$41 billion to the federal government if the deductibility provision is eliminated. Education funding is particularly vulnerable because schools rely so heavily on local property taxes and because school budgets are the only ones submitted to the voters for approval. Therefore, voters who find they can no longer deduct their local property taxes will vent their dissatisfaction on the only budget within their control — the local school budget.

- Double taxation — a tax on tax — is unfair to taxpayers.

- This proposal would strike middle-class homeowners; it is not primarily a benefit for the wealthy. Among all taxpayers who earn under \$30,000, 62 percent take this deduction.

- It is unfair to remove state and local resources for education while at the same time, year after year, reducing direct federal aid to schools.

In addition to approving the resolution, school board members agreed to inform Senators Bradley and Lautenberg of their opposition to the tax reform proposal.

Mr. and Mrs. Raul Martinez - nee Yvette Montalvo

St. Francis Xavier Church site of Martinez-Montalvo nuptials

Wedding vows were exchanged Aug. 4 in St. Francis Xavier Church, Newark, by Yvette Montalvo, daughter of Mr. and Mrs. Hiller Montalvo of Belleville and Raul Enrique Martinez, son of Mr. and Mrs. Raul Martinez of Roseland.

The Rev. Sullivan performed

the ceremony which was followed by a reception at Panagis Renaissance, Scotch Plains.

Escorted by her father, the bride wore an off-the-shoulder candlelight gown fashioned with full puff sleeves and accented with lace appliques, sequins and beads. A wreath of petals, sequins and beads held her veil and

she carried white and sonia roses.

Matrons of honor were Betty Ann Montalvo and Madeline Padilla of Newark. Bridesmaids included Rosemary Maya of Gillette, Cecilia Kowalczyk of Roseland, Mary Ann Rocco of Glen Ridge and Maria Pereda of Harrison.

The honor attendants were in peacock gowns, the others in aqua.

Hiller Montalvo and Octavio Padilla served as best men. Ushering were Wilson Maya of Gillette, John Ross of Elmwood Park, Walter Kowalczyk of Roseland and George Pereda of Harrison.

Mrs. Montalvo chose a gown of dusty rose while the groom's mother was in deep blue.

Mrs. Martinez, an alumna of Seton Hall University, is with Applied Information Technologies, Roseland.

Mr. Martinez, an alumnus of Jersey College Prep, is with Marking Development Corp., Hillside.

The couple honeymooned in Hawaii and have made their home in Belleville.

Zarro Civic Assoc. sponsors 'Caring for Christopher'

Personal Gift - Joseph Zarro of the Zarro Funeral Home in Bloomfield presents a personal donation of \$500 to Christopher Rodriguez during his group's flea market held to raise funds for Christopher.

Christopher Rodriguez, a 9-year-old boy, is suffering from a rare neurological disease called "Charcot Marie," a form of muscular dystrophy.

To help with Christopher's medical expenses, the Zarro Civic and Welfare Organization of Belleville and Bloomfield has sponsored a number of benefits, including a flea market which raised \$1,000.

The group will sponsor a bus ride to Atlantic City on Nov. 2. For information and tickets, call Anita Mongiello at 759-7499.

A dinner-dance will be held on March 8 at the Birchwood Manor in Whippany. Anyone wishing to attend should contact the Zarro Funeral Home, 145 Harrison St., Bloomfield, 07003 or call 748-2231.

Traffic Bunny - Marie Beivenato, the bunny, directed traffic during the Zarro Civic and Welfare Association of Belleville and Bloomfield's flea market, which raised \$1,000 for "Caring for Christopher."

More Friends - Standard bearer of the Zarro Civic and Welfare Association of Belleville and Bloomfield, Joseph Zarro, center, takes time out for a picture with Christopher and friends.

Anyone for a Hot Dog? - Blackie Gammara hands a hot dog over to Christopher during a flea market sponsored for the 9-year-old who suffers from a rare neurological disease.

Family and Friends - Christopher Rodriguez, who suffers from a rare neurological disease, is surrounded by his mother, Diane, left, and Anita Mongelli and Louise and Joe Russo.

Happy Faces - These two smiling ladies show off the happy face t-shirts available from "Caring for Christopher." To purchase a t-shirt, call Anita Mongelli at 759-7499.

Taking a Break - Volunteers who helped during the Zarro Civic and Welfare Association's flea market take time out for a break. They are (l-r) Tara Le Gates, Karen Haug, Audrey Foster, Louise Russo and Tiffany Pesci.

Caring Children - These children, along with adults, volunteered their time to help out with a flea market sponsored by the Zarro Civic and Welfare Association of Belleville and Bloomfield.

Group Picture - Volunteers and members of the Zarro Civic and Welfare Association of Belleville and Bloomfield pose for a picture together during the group's flea market held to raise funds for Christopher Rodriguez (standing, front). The group will be sponsoring a bus trip to Atlantic City on Nov. 2 and a dinner-dance at the Birchwood Manor in Whippany on March 8, 1986.

School 4 celebrates Hispanic-American Week

By Kara Laczynski

Movies, music and food were all part of the fun of School 4's celebration of National Hispanic-American Week, held Sept. 16-20.

Students enjoyed films, sang songs and sampled ethnic foods aimed at promoting an understanding of Hispanic culture with fun.

School 4 Principal Pat J. Forte and special education teacher Michele Fugazzi organized the program. Forte and Fugazzi are both members of the Affirmative Action Committee, a federal agency which promotes non-biased educational and hiring practices.

"Affirmative action is something that is implemented through teachers indirectly on a day-to-day basis," Fugazzi said, "and through special programs such as Hispanic-American Week."

"Sadly, we are often fighting prejudice from home," she continued. "We want the kids to know that people who are different are no better or worse, just different."

This year is School 4's first observance of Hispanic-American Week, according to Fugazzi. However, School 4 has already implemented such programs as Afro-American Awareness on Martin Luther King Day, Italian-American programs on Columbus Day and discussions of Jewish culture during Hanukkah.

"We try to choose programs that are appropriate to the elementary level," Fugazzi said. "Long lectures about culture would not be meaningful to the kids, so we set up things they can enjoy and learn from."

Included in the Hispanic-

American Week festivities was a cooking demonstration by Maria Olga Perez, whose daughter, Maria, and son, Ramiro, attend School 4.

Mrs. Perez prepared the Spanish dish, "chocolate con

churros," which is a fried pastry dipped in chocolate milk.

Students in Mary Lou Mele's kindergarten classes and Marie Rinaldi's first grade class donned baker's hats and sampled the dessert.

Time To Eat! - Fifth grader Tracy Donafrio (standing) passes out the snack to happy first graders.

Photos By Kara Laczynski

Looks Pretty Good, eh? - Chef Perez prepares the chocolate milk in which the churros are dipped. Four hungry first graders wait patiently for their share. From left to right, they are: Daniel Forlenzo; Freddie Crowell; Robert Carselda; and Joseph Velez.

OPEN SUNDAYS

Good morning, Belleville.

There's no community quite like yours.

Belleville is a wonderful place, with people and pride like no other town in New Jersey. The Howard is proud to be part of your community, with our office at 726 Washington Avenue. And we pride ourselves on being able to

offer you hometown convenience and friendly service, with the strength and professionalism of a \$3.6 billion financial organization.

We're happy to be part of the growth and prosperity of your fine community.

We've made a commitment to the people who live here.

The Howard's commitment is reflected in the homes and schools of Belleville, on the streets, and in local businesses.

That's because the Howard has supported your community through mortgages, HERO® home equity lines of credit, education

loans, personal loans, business and auto loans. Our commitment extends to you, too. We invite you to see us when you need to borrow. That's one of the reasons we're here, after all.

We're a phone call away.

Our Customer Service Center, a new addition to our financial network, is your direct line to all your accounts at the Howard. One convenient, toll-free phone call to the Howard's Customer Service Center puts you in touch with the answers to almost every question, from investment needs to account renewals.

1-800-4-HOWARD (1-800-446-9273)

There's an easy way to save that's right for you.

From Money Market Checking to short- and long-term CD's, there's a Howard account that's right for you.

The Howard bankers in your community are prepared to discuss the many ways we can make your money work its hardest.

Visit the Howard.

We're nearby when you need us — right at 726 Washington Avenue. And we encourage you to stop in to discuss your financial needs and plans with Branch Manager John Alviggi, and his staff of Howard bankers.

You'll always find a welcome smile and a hometown hello at the Howard, along with a level of professionalism that means you're banking with the best.

Our banking hours.

You'll find our doors open for full service banking when you need us most.

Four new teachers added to school staff

The Belleville Middle School has four new teachers on its staff this year.

Monica Villanueva holds a joint position between the middle school, where she teaches French, and Belleville High School.

Ms. Villanueva, who taught at Nutley High School last year, received her B.A. from Rutgers and is certified to teach Spanish and French.

Beth Flaherty teaches in the resource room. She replaces Wanda Davis who is now at the high school. Ms. Flaherty received her B.A. at William Paterson College and her M.A. from Kean College.

She is certified in elementary teaching, English as a Second Language and teacher of the handicapped.

Ms. Flaherty, who taught at

Neptune Senior High School last year, is entering her seventh year of teaching.

Angela M. Longo will be teaching social science at the middle school this year. She replaces Kathy Mazur who is on a maternity leave for the year.

Ms. Longo, a graduate of Montclair State College, has taught the eighth grade at St. Michael's in Newark for the past three years. She has been teaching for 12 years.

Joanne B. Maiorca, who taught SCE math and reading at School 5, will be teaching at the middle school this year.

Ms. Maiorca, a graduate of Rutgers University and William Paterson College, attends Montclair State College where she is working toward certification in counseling.

School lunch program offered at St. Peter's

A low-cost, nutritious lunch program is available to all students enrolled in St. Peter's School in Belleville.

Meals will be provided free or at a greatly reduced price to children from households whose gross incomes are at or below those shown for their household size on the income scale below.

The scale is as follows:

HOUSEHOLD SIZE	Annual	Gross Income Monthly	Weekly
1	9,713	810	187
2	13,043	1,087	251
3	16,373	1,365	315
4	19,703	1,642	379
5	23,033	1,920	443
6	26,363	2,197	507
7	29,693	2,475	572
8	33,023	2,752	636
Each Additional Household Member	+3,330	+278	+65

Applications for free and reduced price meals were sent to households of all children enrolled in the school. Foster children are also eligible for free or reduced price meals.

Application forms are also available at the school and can be made at any time during the school year.

If a household member becomes unemployed or the household size or income changes during the school year, parents should contact the school so that all children receive the proper benefits.

Skin screening offered at Clara Maass Oct. 2

Clara Maass Medical Center will sponsor a free skin screening Wednesday, Oct. 2, from 12-8 p.m. in the Continuing Care Center lobby.

The screening will be sponsored in conjunction with the medical center's Cancer Care Committee and the American Cancer Society.

Skin screening participants will have an opportunity to spend several minutes speaking with a dermatologist (a physician who limits his/her practice

to diagnosis and treatment of skin disorders) about possible skin disorders.

Joseph Eastern, M.D., and Dominick J. Ligresti, M.D., have volunteered to participate.

For more information about the skin screening, call the medical center's Public Relations Department at 450-2267.

Sisters of Charity end anniversary celebration

The Sisters of Charity of St. Elizabeth will officially close its 125th anniversary year with a special Mass on Saturday, Sept. 28, 5:30 p.m., at Sacred Heart Cathedral, Newark.

The Sisters of Charity have been involved in St. Peter's Church, Belleville, for many years.

The public is invited to attend.

Eye health screening sponsored by Maass

Clara Maass Medical Center, Belleville, will conduct an "Eye Health Screening Program," Wednesday, Oct. 16, 14 p.m. in the Continuing Care Center's main lobby entrance.

The screening program is in response to Gov. Thomas Kean's declaration of the week of Oct. 14 as "Eye Health Week" and is open to all persons over the age of 35 who are not already receiving ophthalmological care.

All screenings will be performed by an ophthalmologist, a licensed medical doctor who specializes in eye care. In addition to testing one's vision and the measurement of the intraocular pressure, an examination of the external and internal eye will be performed. Refractions for eyeglasses and contact lens fitting will not be included.

The purpose of the screening is to detect evidence of any eye disease or any systemic disease reflected in the eyes which should have treatment or follow-up by a licensed physician. Eligible members of the public are urged to have their eyes screened.

Two major causes of blindness are glaucoma and cataracts. Blindness from both conditions can usually be prevented. Glaucoma, if detected in the early stages, can be controlled. However, surgery is the only known possible cure for cataracts, but it has been perfected to a point where it is safe and effective.

It should be emphasized that the vision screening of this type is not a substitute for a regular complete eye examination by an ophthalmologist.

For information about the eye health screening program, call the Clara Maass Medical Center Public Relations Department at 450-2267.

Kelly & Crecco Assembly '85

John Kelly and Marion Crecco, candidates for the State Assembly, firmly believe that state government should represent the interests of the people of our area and that our townspeople should feel good about our Assembly representatives in Trenton.

Our legislators should be in step with our interests—property tax relief, safe streets, a clean environment and much needed auto insurance reform.

John Kelly, an accountant and a businessman, knows the value of hard work. His first job, at the age of 16, was on the loading docks in Jersey City. After service with the Army in the Philippines in World War II, John earned his college degree on the GI Bill. He studied days and worked nights. He raised and educated his four children in

local schools and he now serves as President of Nutley Savings and Loan.

Marion Crecco, president of an advertising sales firm, has managed to blend a business career, an active life in community service and a warm home life with her husband, Bloomfield Councilman John Crecco and their two children. Marion has given years of service to civic and charitable causes, having served as past chairperson for the March of Dimes and service with the Leukemia Society of Essex County, among others.

John Kelly and Marion Crecco are convinced that having roots in the community, experience in business and community service, and a first hand knowledge of the problems of hardworking, tax-paying citizens are sorely needed qualities for Assembly representatives in Trenton.

BHS cross country team defeats first opponent

(Continued from page 13)
0 entering a difficult week of action.

John Tosato's team will host Eastside at Yanticum Park in Nutley, starting at 4 p.m. On Saturday, the team will travel to Elizabeth to compete in the Stewart Memorial, starting at noon. Next Tuesday, the Bucs travel to Brookdale Park to battle the powerful Montclair.

"I was very pleased with the start," said head coach John Tosato. "The kids know they have a lot of work to do, but it's always nice to start with a victory. The kids are excited about the win, though."

It was a team victory for the young Buccaneers. Junior Craig Burden led the way, finishing second on the Brookdale Park course in a time of 18:40. A Bloomfield runner was the top athlete across, finishing with a marvelous time of 17:07.

Senior Nick Compitiano was the second Buc to finish, taking third overall in a time of 19:12. John Zurlo, a junior, was next,

placing fifth in a time of 20:06. Right behind Zurlo, sophomore Leon Puente, was clocked at 20:09. In eighth place, the fifth Buccaneer runner was Greg Moriello. J.R. Di Vincenzo was ninth and Bob Scheibel closed out the scoring with a tenth place showing.

In the girls race, Joyce Loungo was first in a time of 25:17. Loungo, a sophomore, had a fine freshman campaign and has started her sophomore year on a strong note, winning her initial varsity race. Freshman Denise Ives was second in 25:38, a fine debut for the young athlete.

"The girls race was not scoring," explained Tosato, "because each team only had four girls. We have a few of the girls out with injuries and I'm hoping they will be ready in a week or so."

Overall, it was a fine way to start a new season. The Buccaneers won its opener and defeated a long time nemesis. Who knows what the team will do for an encore.

team confidence as the season progresses.

"We gave away points in the first game," Worley said of the 15-13 victory. "We lost six serves and trailed at one point. 7-2. Our service hurt us in that game. Their (Bloomfield's) big girl hurt us in the early going. We were a little on the sloppy side. In the second game, we put things together and played a much better game."

The final score was 15-13, 15-6 in favor of Belleville. Phelps led the way with 12 points in the second game, doing a fine job in the service area.

"She hits the ball just hard enough," Worley said of Phelps. "Last year, she was a little inconsistent, but so far this year, she is looking good."

The general consensus around the gym is that the Wizards are once again a solid entity. The girls are averaging 15 wins a year over the last three seasons and Worley is hoping the club can continue that tradition this season. Despite the fact that Belleville lost some talented seniors to graduation, the prognosis appears promising.

NOTES: The junior varsity team is also 2-0 and Worley is happy with the play of the younger athletes. All told, there are 17 players on the JV roster. Worley is looking for a tough outing from Passaic in the varsity match next Wednesday.

Don Bosco last year, Nutley 12-6 in 1983, Passaic Valley 27-0 in '82 and Livingston, 33-8 in the 1981 opener. The last opening loss came, ironically, on a Friday night at Municipal Stadium.

a 36-12 setback to Livingston in 1980. That was the last opener held at night. The Bucs won the '79 and '78 openers, 31-8 and 28-14 respectively over Livingston, making it six wins over the last seven years.

Jim Apple remembered at dinner set for Oct. 3

The Jim Apple Memorial Dinner will be held on Thursday, October 3, 1985 at the Chandelier, 340 Franklin Ave., Belleville.

Apple, a graduate of Belleville High School, died suddenly on July 21. He was a well known amateur champion golfer and played in the AFL for the New York Titans, a team that later became the Jets.

Apple worked for the Essex County Prosecutor's Office, who will be sponsoring the dinner. Tickets for the event can be purchased by contacting Mary O'Brien at (201) 621-4755 or by picking up tickets at the door the night of the event.

Proceeds from the tickets will benefit Apple's family. Apple left his wife, four sons and a daughter. He was 47 years old.

St. Peter's School track team schedules 3 meets

St. Peter's School in Belleville has 68 students, grades K-8, participating in fall track this year.

The three track meets scheduled are as follows: Saturday, Oct. 5; Saturday, Oct. 12;

and Saturday, Oct. 26.

All meets begin at 9 a.m. Events include the broad jump, running jump, softball toss, 50-meter race, 100-meter race, 250-meter race and a relay.

Roller skating party set

St. Peter's School will sponsor a roller skating trip to the Livingston Roller Rink on Sunday, Sept. 29, from 11:30 a.m. to 1:30 p.m.

The cost is \$4 per person and \$15 for a family of four or more.

Interested persons should call 759-7239.

Pennant Races

I took a trip to St. Louis this past weekend to see the Cardinal-Expo series. You wouldn't believe the electricity that the city of St. Louis has toward its beloved Cardinals. The Red Birds rallied in all three games to sweep the Expos and take a three game lead over the Mets, who were losing two games to Pittsburgh at Shea Stadium. It seems the Mets play better when their backs are to the wall. Certainly, they have their backs to the wall now. They started a ten game road trip last Monday, concluding the trip in St. Louis for what could be a show down for the division title. The fans of St. Louis could make a difference, just like the Shea crowd did when the two clubs met at New York in early September. It should be quite a finish to an unbelievable season for major league baseball.

Jim Apple Jr. Dinner

The Jim Apple Memorial Dinner, in memory of Jim Apple Jr., who passed away last summer, will be held at the Chandelier on October 3. Tickets are available at the door the night of the event. There is more on this important affair in this week's sports page.

Moutainside sponsors 4-week program, 'Living With Cancer'

The Mountainside Hospital will sponsor a four-week education and discussion for cancer patients, their families and interested others.

Entitled, "Living With Cancer," the program will be offered on Wednesday evenings from 7 to 9 p.m. in The Mountainside Hospital School of Nursing building.

Speakers for the series will include Dr. Robert Zager, medical oncologist and chairman of the hospital's cancer committee; Anne Carter, staff dietitian; Ilene Runo, on-

cology social worker, and representatives of various self-help organizations for cancer patients.

Some of the topics to be included are advances in the diagnosis and treatment of cancer, cancer research at the community hospital level, coping with side-effects of treatment, emotional aspects of serious illness and community resources for cancer patients.

The program is part of Mountainside's comprehensive cancer program and has been offered several times in the past.

"We have always gotten a very positive response from patients and families who find the program both helpful and hopeful," commented Florence McAlvanah, oncology coordinator, who is co-director of the series.

The program is free of charge and does not require advance registration. Further information can be obtained from McAlvanah at 429-6218 or Runo at 429-6140.

Festivities planned for Columbus Day

(Continued from page one)

The parade will commence at the Nutley football field, follow Centre Street to Washington Avenue, and end at Belleville Town Hall. This year will be the third in which the two towns have co-sponsored the parade.

A pre-Columbus Week dinner-dance is also being sponsored by the Parade Committee. Scheduled for Friday, Oct. 11, the dance will be held at the Chandelier Restaurant, 340 Franklin Ave. A family-style Italian dinner, complete with red or white wine, will be served, after which the Misty Five dance band will entertain guests. Tickets are \$35 per person. For information, contact Commissioner Joseph Grande at 751-7242.

The Belleville Chamber of Commerce is sponsoring a 10 kilometer run on Oct. 12. Starting and finishing point is the Belleville Town Hall, and a VCR will be awarded to the male and female winners. Prizes will also be given to the top two finishing men and women in the following age categories: 14-and-under, 15-19, 20-29, 30-39, 40-49, 50-59, and 60-and-over. Registration is \$6 for Belleville residents and \$8 for non-residents. Proceeds will benefit the scholarship fund of the Chamber of Commerce. For more information, contact the Chamber at 155 Washington Ave or phone 759-4848.

Judith Nehila of Fairview Place has been chosen "Bella Signorina" for the annual Belleville-Nutley Columbus Day Parade, Oct. 20.

Miss Nehila, a sophomore at Belleville High School and member of the girls' varsity basketball team, was selected to represent the Belleville Italian-American Civic Association (BIACA) in the group's annual parade.

Miss Nehila, the daughter of JoAnne and the late Robert Nehila, represents five genera-

tions of the Veneziano family in Belleville.

Her grandfather, Angelo Veneziano, is a BIACA member.

Township employees awarded merit raises

(Continued from page one)

\$2,500 less than drivers in Nutley," Mayor Marotti said. Henry Chazewski of Joramemon Street voiced concern over the increased expenditure.

"If the Department of Public Works gets merit raises, soon everyone will be asking for more money," he said. "Where will it end?"

Employees to receive merit raises include: assistant superintendent of the motor pool; assistant superintendent of sewers and streets; assistant superintendent of water; fire chief; principal engineering aide; public works superintendent; and three truck drivers.

In other business, a resolution to accept the lowest bidder of six for the resurfacing of streets was passed unanimously by the Board of Commissioners.

Little Ferry Asphalt Corp., Little Ferry, outbided five competitors with its bid of \$190,249.20. Other bids were from lowest to highest: Mount Hope Rock Products, Warren, \$191,417.40; Dell Construction Co., Paterson, \$193,564.00; Tilcon Inc., Haledon, \$194,495.40; DiTillo Construction, Nutley, \$199,706.20; and ABC Paving Co., Orange, \$222,548.60.

We call our Zero Base Certificate a Pussy-cat because it's so easy to buy and so easy to take. There are no fees and no risks. The maturity value is guaranteed by The Provident and each depositor is insured by the FDIC to \$100,000. It's PURR-FECT.

Our Zero Base Certificate locks in a compounded rate at today's yields. It's ideal

for low tax-bracket custodial accounts such as a child's education fund, your daughter's future wedding plans and for tax-deferred accounts such as IRAs and Keoghs. Corporate and private pension plans. Think of it, too, for that new kitchen, or that great vacation trip!

Set your goal and tell us when you'll need the money. We'll tell you how to

invest a little now and get a lot later.

*Illustrations shown are for 10 year maturity based on 10.24% annual yield before taxes on a 9.75% annual rate compounded daily. Zero base certificates are available for 5 to 10 year periods in maturity values of \$3,000 to \$100,000. Interest rates may fluctuate and actual interest rates are quoted at time of deposit. FDIC requires a substantial penalty for withdrawals prior to maturity on time deposits.

To put a pussycat into your portfolio, IRA, KEOGH, corporate or private pension plan or custodial account, please call toll-free in New Jersey, 1-800-624-2806.

lished that by June 30, 1985, 90 percent of the students in grades K-12 will equal or exceed state prescribed percentile scores in reading and math on standardized commercial tests. That objective has been extended to June 30, 1986.

Action plans for completion of Objective II included the completion of the "K-7 Developmental Reading Score and Sequence Guide," developed by 15 staff members and one reading supervisor, as well as the completion of the "K-6 Language Arts Exposure Guide" and the accompanying "K-6 Language Arts Activity Guide."

The guides were designed to highlight the specific assessment instrument to be used for each grade level skill.

Test-taking strategies were also examined, including an in-service program entitled, "Better Utilization of Test Results." A second in-service program

was also conducted for staff members.

Several projects, according to the report prepared by Assistant Superintendent of Schools Michael Lally, are still being focused on, including a "Mathematics and Science Exposure and Activity Guide" and a "Writing Guide." Both projects are addressed in the board's 1985-86 objectives and action plan.

According to that report, grades K-6 are meeting the objective. The percentage of students meeting prescribed percentile scores in reading increased from 81.4 percent in 1984 to 84.0 percent in 1985. However, math scores in the same grade level remained the same (76 percent).

Grade 8 students reflected a decline in students meeting prescribed percentile scores in reading. That number dropped from 79 percent in 1984 to 75 percent in 1985. Mathematics scores,

however, increased from 76.1 percent to 77 percent.

In grades 9-12, 93 percent of the students passed the Minimum Basic Skills test in reading and 94.6 percent in math.

Objective III of the board's 1984-85 objectives and goals stated that by June 30, 1986, students in grades 3, 6 and 9 will demonstrate growth in clear written expression as a vital form of communication for a variety of purposes as demonstrated by writing samples.

Action plan activities proposed for Objective III included the implementation of a writing guide, "Content Writing Across the Curriculum Grades 7-

8." The guide is the result of the efforts of three middle school staff members, two supervisors and central office personnel.

Several writing in-service workshops were also conducted for staff members, according to the report.

The establishment of a holistic writing and scoring committee was also created. Five phases of the program include: training representative staff in evaluating writing samples holistically; administering of writing samples to students in grades 3, 6 and 9; holistically evaluating the writing samples; analyzing the results of the samples; and using these findings to develop a writing guide which is applicable to the district.

Concern expressed about 'flea market'

(Continued from page one)

the days of operation have included Thursdays as well, from 5-10 p.m. on Thursdays and Fridays and all day on Saturdays, Sundays and holidays. She also said that Bonadonna informed her that he already had 70 dealers committed to him, which included the sale of jewelry, men's and women's clothing and fur and leather goods.

Wesolowski also said that she was told there would be an international restaurant built in front of the establishment.

"You could imagine the amount of garbage that will be there," she said.

Wesolowski's main concern, however, is the effect the establishment will have on the children attending School 9, which is across the street. She said that there are approximately 148 parking spaces available to the public, 70 of which would be taken up by the dealers involved.

She also said that Bonadonna gave her no guarantee that there

would be no deliveries made during school hours.

In response to Wesolowski's expression of concern, DiStasi recommended that a member of the administrative staff attend the zoning board's next meeting.

The school board also directed its attorney, Lawrence Schwartz, to express the board's opposition to the creation of such an establishment to the zoning board lawyer.

"There's nothing wrong with flea markets in the right place," board member Ernest Zoppi said. "However, it is not good for us as a board of education to have one across from a school."

Lawn Gone?

All lawns need an annual program of lawn care and every program must contain both granular and spray. Some chemicals work better when applied in a granular form, and others, like weed controls and post emergent crab grass controls, work better in a liquid form. All lawns also require periodic aeration and seed, but only Lawn King gives all these via LAWN COMBINE & SPRAY - THE BETTER WAY! WE KNOW IT'S THE ONLY WAY!!

LAWN KING ANNUAL PROGRAM

We are chemical applicators, not muscle workers. We know what your lawn needs and when it needs it. What you see in the program, is what you get. Top quality chemicals and seed - only the best - that's all we use. There is no such thing as specially formulated for drought.

Aeration, seed and lime are part of our program. Plungers controls and crab controls have always been part of our program - not optional extras you want when you need them. By the time you know you need them it's too late anyway.

Someone will call to discuss the lawn with you. There's a one time charge if you need any extra like a preparatory service, extra seed, or additional time. We'll tell you what you need. We may not be the cheapest law service around, but we are the only one who gives you your lawn everything it needs at a price you can afford to pay. You can figure your costs from the chart below. No contracts to sign, no guarantees, no promises, and no nonsense. Pay for service to service or prepay for the year and we'll give you a 5% discount too!

If you compare our program and prices with any other company, you'll find that either they are charging too much or we are not charging enough! Look at it real close and you may even arrive at the conclusion that not only is it better to do business with us - it's cheaper too!

ShopRite Is The LOW PRICE LEADER

IS YOUR CHILD REALLY SAFE?

Most children carry no form of identification. Without IDs, parents are difficult to locate, especially if children are unconscious or otherwise unable to communicate. To help in the event that tragedy strikes, ShopRite is working with the Crime Prevention Officers Association in N.J. to provide Emergency Alert Cards free to more than 2 million children in New Jersey. Emergency Alert Cards are available free at all of our stores. The plastic, non-tearable tags attach to children's shoes and are virtually indestructible, even in the washing machine. Cards are also available by mail by writing "Emergency Alert Card", ShopRite Supermarkets, Department of Consumer Affairs, 600 York St., Elizabeth, New Jersey 07207.

First Aid Tips

- Bites or Stings-Insect: For minor bites or stings apply cold compresses and soothing lotions such as calamine. For bee stings remove stinger with tweezers and apply cold compresses. For tick bites, cover tick with a heavy oil to close its pores. If the tick does not disengage, leave oil on for 30 minutes. Carefully remove all parts with tweezers. Wash area thoroughly with soap and water. Consult doctor immediately if any reactions occur such as hives, rash, pallor, weakness, nausea, vomiting, collapse or tightness in chest, nose or throat.
- Animal or Human Bites: Thoroughly wash wound with soap and water. Cover with a sterile dressing and consult doctor. (Note: Every effort should be made to restrain any animal to observe for rabies. Notify police or health officer.)
