School enrollment decreases slightly

By Michelle Jeannotte

Student enrollment in the Belleville public schools has decreased slightly from June to September of this year, according to Superintendent of Schools Michael Nardiello.

The number of students enrolled in public schools has decreased from 4,226 in June of 1985 to 4,215 as of Sept. 30, 1985, Nardiello said.

"The demographic study of enrollment shows that the trend of losing 80-100 students a year is slowing," Dr. Anthony D'Agostino, school board president, said at the board's meeting Monday night.

Supporting D'Agostino's statement is the fact that nine students are now enrolled in the kindergarten class at School 9. Several months ago, the school board was faced with discontinuing a kindergarten class at the school because only four students had been registered.

As a result of objections voiced by parents of the School 9 area, the board of education unanimously approved to continue the kindergarten class.

Enrollment in kindergarten classes throughout the district are as follows: 55 students at School 3 (two morning sessions and one afternoon); 32 students at School 4; 44 students at School 5; 39 students at School 7 (10 of which are enrolled in the English as a Se-

cond Language class); nine students at School 9; and 20 students at School 10 (one afternoon session).

Total student population in elementary schools is as follows: 356 students in School 3; 199 students in School 4; 330 students in School 5; 446 students in School 7; 348 students in School 8; 120 students in School 9; and 190 students in School 10.

A decrease in enrollment was reported in all the elementary schools with the exception of schools 7 and 8. Enrollment increased from 424 students in June to 446 students as of Sept. 30 at School 7 and from 340 students in June to 348 students as of Sept. 30 at School 8.

School 7, which has the largest number of elementary school children, houses the academically-talented program as well as the English as a Second Language program. There are three classes for kindergarten through the third grade and four classes for the fourth through sixth grade.

Total number of special education students enrolled in Belleville elementary schools is 100.

The largest increase in student enrollment was reported at the high school. Enrollment there increased from 1,569 students in June to 1,605 students as of September. Forty-five of the total

High school band competes Oct. 11

By Kara Laczynski

The Belleville High School marching band will match its playing power against 12 other bands in a competition tomorrow night, Oct. 11, at 7 p.m. at the second annual Cavalcade of Bands Competition at the municipal stadium.

"We're trying to stimulate interest in the band," said Lucille Cammarato, Belleville Music Parents Association publicity chairperson.

"Music is an integral part of a well-rounded education. The band doesn't get much recognition, and we're trying to change that," she added.

Tomorrow's contest is the sponsored by the Eastern Marching Bands Associates, a group of high school bands from New York, New Jersey, and Pennsylvania to which the Belleville band belongs. It is the second competition of the season for the E.M.B.A.

Belleville won second place at the season opener, held at North Warren Regional High School Sept. 29.

"This is the first time that the band has taken any (award) this early in the year," Cammarato said.

"They were so excited; they were walking 10 feet off the

ground. "Our band works very, very hard for competitions, and everyone should be proud of them," she added, noting that the band and band front, which is the flag team, twirlers, and drum major rehearse every day from 2:30 - 6 p.m.

Trophies will be awarded for first and second place bands in three size categories - bands with fewer than 45 musicians, 45-65, and 66-85. Prizes will also be given to the best drum major, best band front, and highest scoring band of any category. All bands will receive a participation award.

Bands competing in tomorrow's contest are: David Brearley High, Kenilworth; Middletown Long Island High; North Warren High; Ramsey High; Butler High; Lyndenhurst, Long Island High; Plymouth White Marsh, Pa. High; James Caldwell High; Caldwell; Kearny High; Ramapo High; and Rutherford High.

Tickets for the competition are \$3 for adults and \$2 for students and may be purchased the night of the contest. Refreshments will be served by the Belleville Music Parents Association.

Middle school sponsors 'Back to School Night'

The Belleville Middle School will be sponsoring its annual "Back to School Night" on Wednesday, Oct. 16, at 6:30 p.m.

Parents will have the opportunity to meet with their child's teachers by following the student's daily schedule.

There will also be a presentation of new books to parents of middle school students in the library. At this time, parents will have an opportunity to discuss the library services available to their children.

Refreshments will be provided by Mrs. Fazzari's cooking classes.

Township conducts annual health fair

The Belleville Health Department will conduct its annual Mini-Health Fair on Wednesday, Oct. 16, from 9 a.m. - 1 p.m. and 6 - 8 p.m. at the Public Affairs building, 383 Washington Ave.

The programs available, for Belleville residents only, will include free flu shots, diabetic screening, blood pressure screening, podiatry screening (foot care), oral cancer screening and eye screening.

For the benefit of Silver Lake and Soho residents, a special flu clinic will be conducted Oct. 16 in the all-purpose room at School 4 on Magnolia Street from 5-7 p.m.

Senior citizens are recommended to take advantage of the flu vaccine clinic because excess mortality in influenza outbreaks occur in this age group. Commissioner Michael Pizzi said.

Flu vaccine is also recommended for adults who have

chronic conditions such as heart disease, chronic bronchopulmonary diseases, such as chronic bronchitis, bronchiectasis disease; and diabetes mellitus and other chronic metabolic disorders.

Vaccines will not be administered to pregnant women, those with a fever or acute illness, persons under 30, those who have received another vaccine within the past 14 days or anyone with an allergy to eggs, chicken or chicken feathers. Residents are advised to consult a physician regarding the vaccine.

Vaccination may also be considered for persons who provide essential community services and may be at increased risk of exposure.

For information, call the health department at 450-3394.

Municipal employees receive pay increases

An ordinance to increase the salaries of nine public works employees and the fire chief was passed on final reading at the Belleville Board of Commissioners' meeting Tuesday night.

Joseph Grande, commissioner of public works, proposed merit raises of \$1500 effective Jan. 1, 1986, for the following: assistant superintendent of motor pool, assistant superintendent of sewers and streets, assistant superintendent of water, principal engineering aide, public works superintendent and four truck drivers.

Commissioner of Public

Safety Ralph DiRuggiero, co-sponsor of the ordinance, wrote the section which provides a retroactive salary increase for the fire chief of \$5,156, bringing his salary from \$42,662 listed in the 1985 budget to \$46,928.

The salary listed in the budget was \$2,698 more than the \$39,964 salary that the fire chief received in 1984, making a total raise of \$7,854 or 19.7 percent for this year.

The ordinance also provides for two more years of increases in the fire chief's salary. He will receive \$51,621 in 1986 and \$56,783 in 1987.

'People are the best part of the job' - Mary Lou Hood

Township clerk celebrates fifth year

By Kara Laczynski

Running a township office can be a tricky balancing act between countless complaints, inquiries and personalities, but no one walks the tightrope with more finesse than Belleville's town clerk Mary Lou Hood who celebrated five years in office this September.

Hood handles everything from issuing liquor licenses to monitoring elections to soothing the worries of citizens who call.

"The people are the best part of the job," Hood said, amid the stacks of documents that crowd her small desk.

Hood receives help from two clerks, but the responsibilities of the office might be overwhelming if not for Hood's hearty sense

of humor and easy style.

"Once a guy came in here to audition for a talent show sponsored by one of the clubs in town," she said.

"Why he thought the clerk's office was the place to do this I don't know," she said "but he did a dance on roller skates right here. I thought he was a better candidate for Overbrook than for the show, but we all clapped for him at the end just the same."

Because she is the link between the township commissioners and the citizens of Belleville, Hood is close to the townspeople and must often be a psychologist as well as a clerk. She can be thought of as the town's version of the friendly

bartender who listens to your problems while managing a room full of customers.

"One day a lady marched in here, dropped three loads of dirty laundry on my desk, and said, 'The water's dirty, it won't clean my clothes, and I want a check to have them cleaned,'" Hood said.

"Well, I had to convince her that I couldn't just hand over money, but that we would get on the problem right away, all the time with the dirty clothes piled high," she said. "She finally saw reason and took them back, though."

Belleville's town clerk often works 12-hour days to try to clear paperwork off her desk,

but with the constant influx of new questions and problems, it is anyone's guess what the surface of that strained piece of furniture looks like.

Still, Hood managed to find time to attend classes during the last few years and earn certification as a registered New Jersey municipal clerk from Rutgers University this May.

The educational background is not required of township clerks, but because Hood is very active in the state Association of Municipal Clerks (she is a member of the by-laws committee), she believes the additional education is important.

"I just want to be the best clerk I can be," she said.

Work Never Stops - Belleville Township Clerk Mary Lou Hood, left, and Maureen Gilbert stand behind the piles of paperwork they tackle each day in their town hall office.

Chamber sponsors business luncheon

The Belleville Chamber of Commerce will sponsor its second small business luncheon on Tuesday, Oct. 15, 11:45 a.m., at the Green Apple Cafe, 720 Washington Ave.

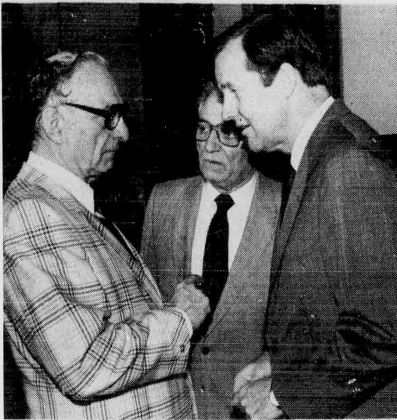

James P. Devine, C.P.A., of Belleville will be the guest speaker. He will be discussing areas of personal and corporate income taxes, estate planning, personal and corporate financial planning and accounting.

Devine has 22 years' experience in both public accounting and industry. He has lectured on taxes and financial planning before both professional and lay organizations.

He was recently appointed to the tax determination subcommittee of the tax division of the American Institute of Certified Public Accountants (AICPA) and has also been appointed vice president, professional development, for the Morris-Essex Chapter of the National Association of Accountants (NAA).

Devine is a member of the Rotary Club of Belleville and the Belleville Chamber of Commerce.

Cost of the luncheon is \$15 and may be paid in advance or at the door. To make a reservation, call the chamber office at 759-4848.

Explaining the Issue - Frank Orechio (left), owner of Orechio Publications, speaks with Gov. Thomas Kean (right) about a \$92-million bond issue sold last week by North Jersey District Water Supply Commission for temporary funding of the Wanauque South Project. Belleville stands to save \$5 million over life of bonds. Orechio also took the opportunity to urge Gov. Kean to sign a bill providing \$70 million in permanent financing if and when the N.J. Assembly acts on Sen. Carmen Orechio's legislation. North Jersey Chairman Carl Orechio looks on.

Tanis attends conference for Peoples Bank

Robert B. Tanis of Peoples Bank N.A. in Belleville will be attending a Consumer Credit Conference sponsored by the New Jersey Bankers Association this week in Atlantic City.

Workshops will focus on "Closing the Loan Off-Premise," "Telemarketing," "Balloon Payment Auto Loans," "Excellence in Bank Communications," and "Innovations in Debit and Credit Card Usage."

SINUS ACHE

People with colds often complain that their sinuses ache. A "sinus ache" is caused by membrane swelling and mucus in the sinuses. Sinus congestion usually is just an extension of a cold from the nasal passages. If so, a decongestant can often be used. However, sinus congestion may be caused by a bacterial infection of a sinus. Unlike the congestion of a cold, bacterial infections are usually more painful. The pain often localizes over one particular sinus. The skin over that sinus sometimes may be tender also. A sinus infection caused by bacteria needs to be treated with antibiotics in addition to decongestants. Consult a physician.

When your physician gives you a prescription for an antibiotic, bring it to ROSSMORE PHARMACY, 338 Washington Ave., 759-1928, 759-1955. We are Medicare and Blue Cross approved. Walkers, wheel chairs, crutches, canes and other convalescent aids are available for sale or rent. Hours: Daily 9 am-10 pm, Sundays 9 am-10 pm.

HANDY HINT:

A decongestant is all that is needed to treat the blocked nasal passages and secretions of a cold.

J. Vecchione named campaign chairman

Joseph A. Vecchione of Overlook Avenue in Belleville has been named Chairman of Communications for the United Way of Essex and West Hudson's 1986 fund-raising campaign.

The goal of this year's campaign is to raise \$10 million to support the work of more than 75 beneficiary organizations in Essex and West Hudson.

Vecchione is vice president of public relations for Prudential Insurance Company in Newark. He also serves as trustee and co-chairman of the Public Relations Committee for Clara Maass Medical Center.

Resources may help students with HSPT

By Michelle Jeannotte
A request for additional supplementary resource texts to be used in preparation for the High School Proficiency Test (HSPT) was presented to the Belleville Board of Education at its meeting Monday night.

Assistant Superintendent of Schools Michael Lally recommended four texts to be used in general and basic classes in grades 8 and 9 as supplemental resource texts in reading and math.

"I do think it (the supplemental resources) would help us in our preparation for the test," Lally said.
The HSPT, which will be a requirement for graduation next year, has been called "the most difficult assessment test in the nation."
Belleville students scored a 77.8 in reading, a 58.6 in math and a 78.5 in writing in HSPT testing last year. The scores, which were low compared to other school districts in the

county, have caused concern among parents and administrators.
Although the supplemental resource texts would be used in grades 8 and 9, board members expressed their concern about the lower grades.
"Let us not forget the lower grades or what is being done there," Dr. Anthony D'Agostino, school board president said. "I'm also concerned about teaching the test."

Zoppi also expressed concern about the HSPT.

"I was under the impression our problem was with the seventh and eighth grades when we got our scores back last year," he said. "I don't like the idea of teaching the test."

"Why do we wait until the eighth and ninth grades?" he continued. "We should start this type of project earlier. We have a good program from kindergarten through the sixth grade and then at the eighth grade. What happened to the seventh grade?"
"Don't lose that grade in between," Zoppi said.
In response to Zoppi, Lally said that administration is looking for results.
"Grade 9 is where we will have an immediate impact and then grade 8 is next," Lally said.
"If the HSPT is as difficult as has been said, even students in

Shapiro's "Tax Rate"

Essex County Executive Peter Shapiro points to a reduction of the Essex County tax rate as the greatest achievement during his seven-year administration. To listen to Peter Shapiro, one could be misled to believe that taxpayers' county tax burden has decreased by \$60 million.

Of course, this is not true. All we need do is examine our canceled checks to find that our taxes have been going up, up and up every Shapiro year!

During the seven years of Peter Shapiro's administration, the slice of county taxes to be paid by local taxpayers rose approximately \$60 million.

The tax rate basically goes down because new construction in all of the Essex communities has produced substantial rateable increases. When the rateables go up, automatically, the tax rate goes down - whether it be Peter Shapiro as Essex County Executive or St. Peter from heaven.

Hendricks Field Golf Course

Essex County Freeholder Arthur Clay is out getting petitions asking the board of freeholders to retain public ownership and operation of the three public golf courses owned by Essex County. They are not-for-profit public facilities.

According to one county spokesman, the three public golf courses - Hendricks in Belleville, Weequahic Golf Course in Newark and Francis A. Byrne Golf Course in West Orange - will earn an estimated \$1,200,000 this season. The board of freeholders budgeted \$850,000 to maintain the physical plant and golf course for the season - what happened to the other \$350,000?

Believe it or not, the Hendricks Field Golf Course is maintained by the hard work of only three workers and a supervisor - hardly enough manpower to do an adequate job to maintain a public facility.

A Flea Market ?

In our travels, we have seen flea markets - and we have seen flea markets. For Belleville - a flea market will serve no useful purpose. There must be a better use for the property.

We agree with Kathy Watkowski of School 9 PTA when she states, "We're going to fight this all the way."

Belleville Chamber of Commerce spokesman Louis Cicienia is right on target when he states, "The flea market plans are completely contrary to the Washington Avenue redevelopment plan."

School board member Gabe Nazziola properly observes that, "We feel it would endanger the children who attend School 9" - a school located less than one block from the proposed flea market.

Resident finds problems with kids 'hanging out'

To the editor:

This letter is in response to Miss Tillman's and Miss Maino's request for Mayor Marotti to help teenagers find a place to "hang out."

As a member of this community, I am concerned about this same issue, especially when I am a victim of their chosen "hang out."

Recently, my fiancée's car was brutally vandalized by the teenagers who were just "hanging out" in the Wendy's parking lot. Upon contacting the police, we were informed that there were other reports received of car vandalism in the same area.

I have witnessed the group at Wendy's parking lot who drink and litter the area, as well as harass the people who pass by them. Even more irritating is that a group of teenagers, who have been extremely disruptive, disrespectful and delinquent in their activities, have chosen the corner of my future home as a hang out.

I'm sure there are other residents who could describe their own problems, however, this does not mean to incriminate all of you who are in this area. My question to you is: What is wrong with hanging out in

your own homes? There are various teenagers nearby who stay in their own yards or "hang" in front of their own homes. Why can't your parents allow you to use their property? Why should other people give up their neighborhood if your own parents won't?

In case you did not notice, there are homes surrounding all of the areas you were being forced to leave and from my personal experience, we did not request police assistance until the noises or vocabulary became too disruptive to be able to enjoy a television program or the peace of our home.

I'm sure Mayor Marotti will try to assist you as best as he can, however, you should ask your own parents for their help in this situation, as they should be responsible for your needs. However, you could also look into the community youth groups, such as the St. Mary's Church Youth Program in Nutley. If you need any information about this group, you should contact that church at 235-1100.

Thank you for the opportunity to express my opinion.

County senior citizen clubs offer chance to meet friends

To the editor:

Happy Birthday Monday Senior Citizens Club! Being a member of the Monday Club affords one the opportunity of getting away from it all for a couple of hours each week and with friends. No "Blue Mondays."

Many of us live alone and the club makes an extra effort to give us diversion. Membership in the Monday Club keeps us young!

At the Monday Club, we put our thoughts together to make a better club. We socialize, we have the opportunity to play bingo, we plan and enjoy parties. Some of us are alone and we look forward to Monday when we can get together with members and enjoy the togetherness I have found in this club and also the understanding com-

passion with our fellow members.

Monday Club is a place where I can meet new friends and renew old acquaintances. Over the many years, meaningful friendships have grown! Going to the Monday Club is like being with one's family. It is great that Essex County has such a club. The excellent programming is great and fills the needs of senior citizens.

I thank Essex County for having senior citizens involved. Through participation in programs we have companionship, hospitality and togetherness in the Monday Club.

Rich Ruffalo thanks sponsors of his athletic competitions

To the editor:

I am writing to you once again to thank you for your support and generous sponsorship toward my athletic endeavors. This year at the U.S.A.B.A. National Championships for the Blind, held at Montclair State College from June 16-23, I had a very successful tournament.

In the field events, I took the national title in the javelin and discus. I received silver medals for the following events: shotput, powerlifting, 50-meter freestyle, 100-meter backstroke, 400-meter dash and a bronze in team goal ball.

Based on my throwing perfor-

mances at the nationals, I was fortunate enough to have been selected as a member of the All-American Track and Field Team to represent the USA at the Canadian games for the physically disabled which was held from Aug. 17-25 at Sault-St. Marie, Ontario. I am happy to report that on Thursday, Aug. 23, I competed in the shotput, discus and javelin and attained a gold medal in each event. Also, national records were surpassed in each of these efforts.

Thanks to your support, I was able to represent the USA and take home the gold with pride.

Drought!

By The Rev. Gerald Fortunato
Silver Lake Baptist Church

Drought is a terrible thing. Many places in our world have known the devastating lack of rain brings upon the earth...Africa, the Middle East, India. And just recently the state of California suffered three years in which very little rain fell.

During the height of the California drought, I flew over some of the lakes and streams of Northern California. I was amazed at what three years' lack of rainfall could do.

Strangely...God's dealings with men, as recorded in the Holy Bible, are often connected with drought...the withholding of rain from the earth by God because of the sinful actions of its inhabitants.

Man can predict the weather...But it is God who controls it.

The classic example in the Bible is the story of Elijah and the seventh King of Israel, Ahab.

It is said of King Ahab that he did more to provoke the Lord

God of Israel to anger...than all the kings of Israel that were before him. (1 Kings 15:33.)

So...it was not to be wondered at when the prophet of God, Elijah, stepped on the scene and with thundering voice proclaimed to Ahab that rain would cease to be in his kingdom...for the period of three years.

And then...Elijah took off for the wilderness of Judah and waited around for three years to see what would happen.

Not that Elijah had any doubts in his mind about the ultimate consequences simply that he didn't desire to be around when things went bad among the farmers and their crops began to fall.

Golden Comments

By James R. Golden

Two of Washington's most prominent columnists have taken to task the Reagan administration. Joseph Kraft, in commenting on the South African crisis said, "At this point the Reagan administration has tried all approaches on all parties and failed every time. It has tried to appease Botha (the South African leader) and failed. It has tried to threaten Botha and failed. It has tried to support the blacks and failed. It is now blaming the blacks - and failing once again.

"Botha now knows that American policy in southern Africa is largely anti-Communist bluster," he continued. "The blacks know it, too. Neither side has any reason to pay heed to Washington.

"At no time did this country have a strong hand to play," he said. "The U.S. is not prepared to fight for justice, nor make economic sacrifice. But why pretend otherwise?

"The answer lies deep in the national psyche. Fed up with years of trouble, the country seeks reassurance," he added. "The Reagan administration provides it in a buoyant President with a genuine talent for retreating from failed policies as if nothing had gone wrong. But later the storms gather - in the economy, in the Middle East; and even in distant South Africa."

David Broder, writing in his Capital Copeup column said, "But present government has been as flagrant in denying any sense of personal accountability as I can remember.

"This is the first administration that tolerated having an indicted person - former Secretary of Labor Raymond J. Donovan - retain a position in the Cabinet," he continued. "The list of those who fought to stay in their jobs, often with the President's indulgence, long after their unethical behavior, incompetence or chicanery had been exposed is lengthy enough to fill this page.

"President Reagan himself damaged the principle of accountability in the uniformed services by claiming personal responsibility for the deaths of the Marines in the Beirut barracks bombing," he added. "That bit of premature grandstanding on his part prevented the Marines from dealing with the incident within their own chain of command, as they would otherwise have done. It damaged the system of accountability which all the armed services believe is essential to their own discipline and performance.

"The relevance of all this to the controversy about the U.S.-Japan trade imbalance (a controversy that is sure to intensify when Congress returns next week) is evident. We cannot compete unless we get tough," he said. "And the place we must get tough first is with ourselves. Leaders must set an example. And the example now being set by leaders in the United States, both in government and in business, is just not good enough.

The New Jersey Economic Development Authority is fighting the Reagan administration's tax proposal that could destroy the most popular economic program in the state...it would eliminate the tax-exempt status of municipal and state bonds which help to finance projects to build and improve essential services.

Without the tax exemption government bodies would have to pay higher rates of interest to attract prospective buyers to compensate for the taxes the bond holders would have to pay on their interest income from the bonds.

Polls indicate the public wants tax reform that aids the average income wage earner, but the administration tax plan is getting battered around from all sides because there are too many hidden "takeaways" that will hurt more than help the average taxpayer...only the wealthy and extremely poor would benefit.

Basic skills for parochial students will be taught in trailer at St. Peter's

A resolution providing parochial students with a basic skills program in a public school has been reversed according to Superintendent of School Michael Nardiello.

The resolution, which was approved in September, stated that the board would abide by the Supreme Court's decision to provide Chapter 1 services to parochial school children in public school facilities. The decision was reversed because parents did not agree with the policy, Nardiello said.

According to the resolution, students from St. Peter's School on William Street, would be bused to School 4 on Magnolia Street in the Silver Lake section of Belleville.

"Parents did not like the idea of having their students bused," Nardiello said. "They thought that too much time would be spent on the road rather than in the classroom."

Since the Basic Skills Improvement Program began almost 10 years ago, teachers from the Belleville school system taught the program in classrooms at St. Peter's, Nardiello said.

However, because of the Supreme Court's decision, school systems are now required to teach

the basic skills program in public facilities.

Monies used for the basic skills program are provided by an \$857,918 grant from the state and federal government, Nardiello said.

The monies for the program, which is offered to students who need remedial instruction, are divided among the compensatory education program required by the state and the Chapter 1 services required by the federal government.

Busing for the parochial school children would have been funded by the grant, Nardiello said. No costs would have been incurred upon the board of education.

Nardiello said that parochial school children will now be taught

the basic skills program in a trailer behind the St. Peter's School building.

"Because of the Supreme Court's decision, we needed to find a neutral site for the program," Nardiello said. "Since the parents did not like the idea of having their children attend School 4, we had to choose an alternate site. We have leased a piece of land behind the Knights of Columbus Hall on Bridge Street and will be putting a trailer on the spot."

Nardiello said that students are now being tested for the program and that the program should begin in about a week. Teaching the program will be Patrice Hermes and Josephine Ritacco.

Mr. and Mrs. Doug Long - nee Jackie Lazaro

Mr. and Mrs. Doug Long honeymoon in Hawaii

Jackie Lazaro, daughter of Mr. and Mrs. Philip Lazaro Sr. of Belleville and Doug Long, son of Mr. and Mrs. William Long of Bloomfield exchanged wedding vows June 22 in Bloomfield Presbyterian Church on the Green.

The Rev. Ironside performed the ceremony which was followed by a reception at White Eagle Manor, Bloomfield.

Given in marriage by her father, the bride wore a Victorian gown of taffeta fashioned with a lace trimmed embroidered yoke, leg-o-mutton sleeves and chapel train. Her headpiece was a modified picture hat of lace and she carried a colonial cascade of white roses and Stephanotis.

Cathy Lazaro of Belleville was her sister's maid of honor. Bridesmaids included Patricia DeCroce of Belleville, cousin of the bride, Marlene Ortega of Belleville, Sherrie and Laura Long of Bloomfield, sisters of

the groom and Ceil Fuentes of Wayne. Flower girls were Sharon Ceres of Belleville, cousin of the bride and the groom's nieces, Nicole Provencier of Bayville and Sara Long of Kearny.

The honor attendant was in a dark lavender taffeta gown with bolero jacket. She wore babies breath in her hair and carried lavender and purple flowers. The others were similarly attired in light lavender.

Joseph Yani of Bloomfield was best man. Ushers were Philip Lazaro Jr. of Newark and Eddie Lazaro of Belleville, brothers of the bride, Kenny Long of Kearny and Gary Long of Clifton, brothers of the groom and James Dee of Belleville, Ringbearer was Gary Ceres of Belleville, cousin of the bride.

Mrs. Lazaro chose a jade green georgette crepe gown with matching jacket. The groom's mother was in a dark rose gown trimmed in pearls. Wristlets were of white orchids.

Mrs. Long, a Belleville High School graduate and Mr. Long, a Bloomfield High School alumnus, are with Seifer Distributors, Belleville.

The couple honeymooned in Hawaii and San Francisco and have made their home in Belleville.

Lisa Marie Monar engaged to marry Christopher Post

Mr. and Mrs. Robert Monar of Belleville announce the engagement of their daughter, Lisa Marie, to Christopher J. Post, son of Mr. and Mrs. Edward Post of Belleville.

Miss Monar, an alumna of Belleville High School and Montclair State College, is a paralegal with Brach, Eichler & Assoc.

Mr. Post, an alumnus of Belleville High School and Kean College, Union, is accounts manager at Stilwell-Hansen Inc., Roselle Park.

The wedding will be held June 14, 1986.

United Way awards grant for shelters

The United Way of Essex and West Hudson has made a Special Project Grant of more than \$50,000 available to provide shelter for the abused in Essex County.

The grant, to be administered by Clara Maass Medical Center in Belleville, is aimed toward providing temporary shelter for the abused and their families. Included in the shelter's services would be: diagnosis and treatment of physical injuries; evaluation of clients' problems; determination of necessary legal action; information and referral; and support and crisis counseling.

The week of Oct. 6-12 has been designated National Domestic Violence Awareness Week in an attempt to heighten public awareness about this widespread problem.

The problem of domestic violence is far reaching and is evident among the rich and middle class as well as the poor. It is the most underreported crime in the U.S. and statistics indicate that the majority of abused victims are women.

Approximately 2.6 million women are annually beaten by their husbands or boyfriends and

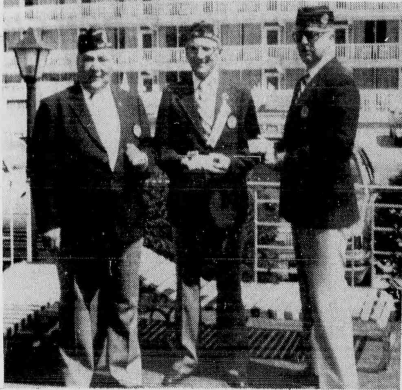

between 2,000 and 4,000 of them are actually beaten to death, according to the National Coalition Against Domestic Violence.

Official records for New Jersey indicate that law enforcement officers responded to 25,000 calls of domestic violence in 1983. From Sept. 1, 1982 through June 30, 1984, 5,467 complaints were filed with the Essex County court system.

"The problem of domestic violence is widespread and affects more people than one might realize," Luna Mishoe II, chairman of the United Way's Community Planning and Development Committee, said.

"Often the problem is overlooked and the abused are treated like criminals themselves. This grant is a first step toward assisting people in dire need and letting them know there is someone out there who cares."

To get help or report a problem of abuse, call 1-800-322-6092 or 484-4446 anytime. Assistance is also available through the New Jersey Coalition for Battered Women at (609) 695-1758. Strictest confidence is assured in all cases.

Life Members - Russel King (left) and Joe DeLuca (center) of Belleville and Bill Leicht of Irvington were recently awarded life memberships to the East Orange Post 73 of the American Legion. DeLuca is post commander and Leicht and King are past post commanders. The life membership symbolizes many years of service to the post.

New computer course offered at high school

The Mathematics Department of Belleville High School has introduced a new computer course, "Computer Awareness and Application," for the ninth and 10th grade students.

With the introduction of this course, the Belleville School District now offers computer courses for all students from kindergarten through the 12th grade.

The curriculum for the computer course was written by Mrs. Josephine Montemurro, Miss Kathy Partus and Mr. Louis Scanzillo. It will emphasize calculator mode in the area of mathematics, programming in the area of computer science, word processing in the area of composition and data structures.

These topics will be taught in

the computer language, Basic, and applications of these topics will be taught on the PET and SUPERPET computers.

Teaching the computer course will be Miss Anita Tortorelli, a 1985 graduate of Upsala College. She has a bachelor's degree in mathematics and eight credits in the field of computer science.

Pack 350 cubs are awarded

Cub Scout Pack 350 began another season of scouting with an awards ceremony.

Before the awards ceremony, Pack 350, which is led by Cub Master Tom Balsamo and Den Leader Jeannette Frano, welcomed Jason Criscione, Jason Dunn and Brian Slattery into the group.

Crossing the bridge into Webelos were Robert Allen, Edward Friend, David Fowles, Thomas Fowles, Edward Ne-jman and Amol Shah.

Achievement awards were given to the scouts for their accomplishments. John Durr, Kenneth Durr, David Fowles and Thomas Fowles were given sports awards for the participation in a basketball program.

Silver arrows were awarded to Kenneth Durr and Michael Idenden. Kevin Anderson and Bill Hands were awarded their den chief cord and patch for completing the requirements in the sports category.

Keith Domanowski, who entered the Boy Scouts, was awarded his Webelo badge, while John Durr received the arrow of light, a special award for outstanding achievement in completing all 15 of the Webelo activities.

Recognition was also given to the parents for their time and service to the Pack 350 Committee. Thomas and Marion Fowles were given their two-year service award, while Pat and Kevin Slattery were given their four-year service award.

Tom Balsamo was recognized by the group for 17 years of service and Bill Hands received thanks for his service as cub master for the past two years.

Pack 350 meets the fourth Friday of every month at the Fewsmith Presbyterian Church, 444 Union Ave. The next pack meeting will be the group's Halloween party on Oct. 25.

Gymnastics team wins two matches

Slowly, but surely, the Belleville gymnastics team is on its way. Head coach Ray Iannuzzi, in his second year, has "inherited" some good talent in 1985 and the coach is very optimistic about his young team.

"I don't want to jump on the bandwagon," Iannuzzi said. "I didn't develop all the talent that some of the girls have. They came to me with the talent. I would like to think that I helped them, but they came to me with a lot of ability."

The team is off to its best start ever, winning two matches last week and taking a 2-1 mark into this week's action. The girls battled Teaneck last Tuesday night at Belleville High and will be in Bloomfield tomorrow afternoon in a 4 p.m. start. Next Tuesday, the girls face Ridgewood and Clifton in a difficult tri match at Clifton, also at 4 p.m.

"That tri match is going to be difficult," Iannuzzi said. "Both Clifton and Ridgewood are very good teams, but who knows, anything can happen."

This season, the girls have shown marked improvement. In 1984, Iannuzzi's first as varsity coach, the team posted a 2-9 record. To make matters worst, two of the top athletes on the '84 squad, Linda Wujciak and Gina Lemongello, graduated last spring. Iannuzzi was faced with a young and inexperienced team this season.

"Losing Linda and Gina was tough," the coach said. "They were super people, in addition to being super athletes. It would have been great to have those girls back, along with the team we have this season. I thought about what our team would be like with Linda and Gina this year, but it keeps me up at night. You can't dwell on what might have been."

The gymnastics program at Belleville High is in its sixth year of varsity competition. Carol Gufrida was the first coach of the team, leading the way from 1980-83. She did a tremendous job of starting the program and promoting interest in gymnastics. It's a sport that takes a great deal of dedication, patience and endurance. Finding good gymnasts is not easy, but Gufrida's hard work helped to lead to the success of the program in the early years.

Wins were not easy. Entering this season, the girls have never won more than two matches in one season. "Wins aren't as important as overall improvement," said Iannuzzi. "Last week, we broke the 80 point mark for the first time in team history."

Just a couple of years ago, breaking 60 points was a big happening for the young team. Now, the goal is to stay in the 80 point range.

Last week, the team put together two impressive victories. Belleville upended Hackensack, 80.1-62.35 and stopped Hasbrouck Heights, 80.05-76.55. Two weeks ago, the girls lost its opener to a very good team from Clark.

In both victories, leading the way was junior Kelli Glunk. Won Seven of Eight Events

Glunk has been nothing short of amazing over the last week. The junior won all four events in the Hackensack match and took three of four against Hasbrouck Heights. Her only "loss" in the Hasbrouck Heights match was a second place showing in the uneven parallel bars.

"When the season started, I knew she was something special," Iannuzzi said. "We wanted to keep it somewhat quiet, because she had not competed in gymnastics in two years and you don't want to give expectations right away. But now, you can see her potential."

Against Hackensack, Glunk won the uneven parallel bars with a score of 7.5. Alise Davies, a junior with good experience, was second in 7.0 and Jill Lillis, the only senior, finished third with 5.75.

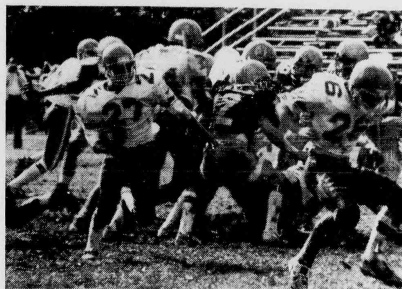

In the balance beam, Glunk was victorious at 7.55. Danielle Lyman, a junior, scored a 6.0 and Joell Veltre, a freshman, finished at 5.2. In the floor exercise, Glunk was first again, followed by a Hackensack performer in second and Veltre in third. Glunk's score in the floor exercise was an amazing 8.35.

Hasbrouck Heights was more of the same. Glunk won the vaulting, balance beam and floor exercise. Davies took third in the vaulting and uneven and Glunk was second in the uneven parallel bars.

Needless to say, it was an unbelievable performance. Super Athletes, Super People

"Glunk is a super kid," Iannuzzi said. "You can't help but (Continued on page 14)

Bucs suffer defeat, 3-0

Lots of Action - Despite hard running and good passing, the Belleville Buccaneers lost a tough game to Bergen Catholic this past Sunday. Bergen Catholic scored a field goal with 6 seconds left on the scoreboard. - Photo by Michelle Jeannotte.

Bergen Catholic scores field goal to win game

During last Sunday's Buccaneers' football game with powerful Bergen Catholic, a few assessments could be made about this 1985 Belleville team that is low on experience but high with enthusiasm.

The first is that Belleville CAN play with the big boys, as witnessed by a 3-0 heartbreaking defeat to state ranked B.C. on a muddy field in Oradell. The second is that the 1985 Belleville football team will take a backseat to no one. What can also be learned is that this team does not get down on itself and has a lot of confidence.

For the record, Belleville lost by a field goal to Bergen Catholic, dropping the team record to 0-2. It's the worst start, record wise, for a Belleville football team since John Senesky's rookie season, 1977, when the team went 0-4 before beating Irvington.

The Bucs will try and pick up its initial victory on Saturday afternoon when Paterson Eastside provides a stiff test at Municipal Stadium. Kick off is set at 1:30 p.m. and if you think Eastside will be a break this season, think again. The Ghosts are 1-0-1, having romped past Hackensack, 40-6 on opening day. You could ask, "how good is Hackensack?" Jim Silvestri, the Belleville A.D. put it best when he answered, "I don't care what (Hackensack) they have, Eastside scored 40 points, and that's a lot in any league."

Head coach John Senesky is also aware of the much improved Eastside team.

"They can beat you in a way that Don Bosco or Bergen Catholic (the Bucs first two opponents) could not," Senesky

said, "and that's with speed. You miss a tackle with one of their runners and he's gone. They have a talented young quarterback and an outstanding tailback. We will be in for a tough test."

In previous years, Belleville has fared well with Eastside. Last season, the Bucs won 26-0 and in 1982, were 30-0 victors. This year, things could be a lot tougher.

As for the Bergen Catholic game, the Buccaneers defense once again put on a stimulating effort. The defense held on a few occasions, but would not break. The only score of the day came with :06 left in regulation time when Brian Dunn booted a 37 yard field goal that left the Buccaneers contending in shock and the B.C. crowd in a wild celebration at mid field.

"In all my years here," Senesky said, "I don't think I've ever had a loss as tough as that. I can't say enough about our kids. They played a tremendous game. It was a great effort. This team has formed itself. We could have folded on a few instances, but these kids came through with a tremendous effort. We have some good talent here and these two games should help the teams confidence as the season progresses."

The Buc defense has allowed just one touchdown in eight quarters, that coming on a desperation 67 yard bomb versus Don Bosco on opening night. The 'Big D' has permitted just 11 points, an average of 5.5 per game. The team also used a spirited goal line stand in the first quarter to change the

Volleyball team wins three games in a row

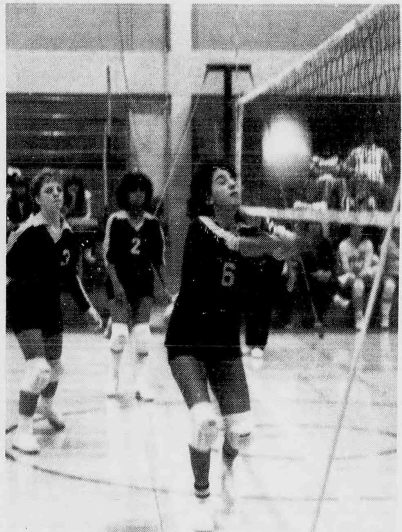

Facing its first test of the '85 season, the Belleville volleyball wizards passed with flying colors, stopping three good opponents and boosting its team record to a very impressive 8-0. The excellent start ties the '83 squad, which also jumped out 8-0 before losing its first match.

Grace Worley's team will continue to face a difficult road, however. Last Monday, the girls battled Kennedy and on Tuesday, faced off with Paramus. Paramus has a very good team and will present the girls with a good test. Tomorrow afternoon, Belleville faces an undefeated

team in Clifton, starting at 4 p.m. Next Tuesday, the opponent is Bloomfield, also on the road and on Wednesday, the girls return home to battle Eastside, starting at 4 p.m.

Belleville's latest victim's were Immaculate Heart, Passaic, Montclair and Nutley. Against B.H. Belleville breezed 15-0, 15-2. As usual, the team had its hands full against Passaic. The final scores of 11-15, 15-11 and 15-13 are indicative of the type of games Belleville and Passaic normally play.

Against Montclair, the (Continued on page 15)

Tennis team defeats Nutley in 3-2 match

Beating Nutley is always a big win and the Belleville tennis team accomplished that feat last week, downing its arch rival in a tough match, 3-2.

Karen Fucello's squad faced a busy week of action. The girls took its 23rd record into a match with Clifton last Monday. On Tuesday, the girls battled Eastside and yesterday, faced off with Bloomfield. This afternoon, the girls were scheduled to face either Paramus at home or Kennedy on the road, depending on the make up schedule due to the hurricane. Next Tuesday, the team is off to Ridgewood to battle one of the states best and on Wednesday, visit Bloomfield.

The girls defeated Nutley because of the fine play of the Belleville singles. Desiree

Johansen won at the first singles by scores of 7-5, 6-4.

Janet Reiman was victorious at second by scores of 4-6, 6-3 and 6-1. Jackie Tillman took third honors by winning, 6-1, 6-3. The doubles team of Renee and Darlene Juliano, both freshmen, lost a tough three set match, 6-2, 3-6, 4-6. At second doubles, Lori Tirrell and Fara Mellinger also lost a tough one, 6-3, 3-6, 2-6. Mellinger, a freshman, was substituting for Dina De Medici, out with an illness.

"It was a good win for us," said Fucello. "Hopefully, we can beat them later in the season at Nutley. It's not often when we can defeat Nutley twice in one season."

admire her. She started in gymnastics at a young age, then went away from it for a while. She took about two years off from the sport but decided to come back this season. Needless to say, I'm glad she did."

Iannuzzi is happy with the spirit of his entire team. He had a very good turnout this season and is happy with the support of the fans, which gets better with each meet.

Lillis is the only senior on this year's team. She is a four year member of the squad and team captain.

"Nothing comes easy for Jill," Iannuzzi said. "She is just a hard worker, a pleasure to have on the team. She is also a very good leader."

Lyman, a junior, has shown marked improvement this season. Davies enjoyed a fine sophomore campaign in 1984 and Iannuzzi feels she is just starting to find her good form this season. Veltre, just a freshman, has a world of potential. If she continues to work at the sport, she will be a real good one.

The Future is Good

"I'm hoping to schedule more night meets for next season," Iannuzzi said. "The night meets are better because more parents can come to see us perform. A lot of fans, who would miss us during the day meets, can get a chance to see us at night. I'm really happy with the performance of the team so far. We have a lot of young performers and our future looks pretty good."

They might have lost Wujciak and Lemongello, truly fine athletes, but the Belleville gymnastics team is on the right track. If you get a chance, come watch this exciting young team in action. You'll be glad you did.

Last Weeks Quiz

The last team to win 100 games but not win a division title was the Baltimore Orioles of 1980, who finished 100-62, but lost to the Yankees, which finished 103-59.

momentum of the contest. At the time, B.C. appeared to have the upper hand, but the stand put Belleville back into contention. Normally, a defensive effort like that would be enough to win, but the newly revamped Buc offense, having lost many key members from the past two seasons, is having some problems scoring.

"The offense will get better," Senesky said. "We didn't have the maturity, yet, to get the ball over against Bergen Catholic. There were some good signs, however."

One of those good signs was the impressive performance of sophomore Jay Marchese.

"Jay played an outstanding game," praised Senesky. "He was around the ball all game. He is a natural athlete. He's going to be a good one for this team."

Marchese was the center of some of the scoring opportunities. In the second quarter with B.C. threatening, Marchese intercepted a Jamie Mc Bride pass in the end zone and scampered 61 yards down field to the B.C. 31. In the third quarter, the Crusaders attempted a field goal, but the Buc

defense blocked the kick and Marchese picked the ball up and headed toward the end zone. He got as far as the B.C. 34, a run of 46 yards before being tackled.

In the fourth quarter, Belleville had B.C. in tough field position. Dave Long, who has been marvelous in the punting department this year, drilled a punt that landed inside the B.C. one yard line. The Buc defense allowed no first downs and Belleville was presented with the ball on the B.C. 25 and later, the 18. The Bucs could not penetrate the opponents' end zone, however.

A big chance for Belleville came mid way in the fourth quarter. Mc Bride attempted a short pass, which was deflected and nearly intercepted by Jamie Galioto at the B.C. 11 yard line. The Crusaders punted and got out of poor field position.

Late in the game, the Bucs tried an option pass, with Jim Dunphy looking down field. His pass looked good, but the Buc-caneer receiver was down. (Was it interference?) B.C. picked off the pass and with Mc Bride using the clock well, drove his team down to the Buc 20. With :06 left, Dunn kicked the winning field

goal and the Crusaders had escaped with a 3-0 win.

NOTES: Two injuries going into the B.C. game, Anthony Pravata has a knee problem, an injury originally incurred on the astro turf at Eastside last October. He will probably miss three weeks. Pravata reinjured the knee against Don Bosco. Corey Wells, also hurt in the Don Bosco game, was scheduled for arthroscopic surgery and will probably miss the entire season with a knee problem. Bucs will travel to Bloomfield next Saturday night for a big contest against a much improved Bengal squad. Senesky pointed out that

there are no breaks on the schedule this year. "Everyone is improved, there is no let up in the schedule."

Cross country team loses to Montclair

The Belleville cross country team had a quiet week of action, due to the rain, racing only Montclair and losing, 17-44.

John Tosato's team was hoping for better weather, and results, this week. The Bucs battled Nutley last Tuesday and will be in West Essex this afternoon, starting at 4 p.m. Belleville will compete in the Essex Catholic Invitational on Saturday morning at Branch Brook Park. The Bucs will host powerful Paterson Kennedy next Tuesday, starting at 4.

"Montclair had a strong team, as usual," Tosato said last weekend. "We didn't get too much work in last week because of the rain. Hopefully it will be better this week."

Craig Burden turned in a

good effort for the Bucs, (now 1-1) by placing fourth in the Montclair race with a time of 18:42 on the Brookdale Park course. Nick Compitanto was seventh in a time of 19:13. Sophomore Joyce Longo improved her time from the opening meet when she ran 24:30 on the Brookdale Park course. Belleville had opened the season at Brookdale when it upset Bloomfield two weeks ago.

Tosato was looking forward to the Nutley challenge. Belleville has not defeated Nutley in the last 15 years in cross country and the coach felt his team had a legitimate shot in this year's race. If the Bucs can run as effectively as they did against Bloomfield, that dream could become reality.

Blast enters tourney; first in BSA history

The Belleville Blast, a division four team of the Belleville Soccer Association, made history by becoming the first BSA team to enter a New Jersey State Soccer Tourney.

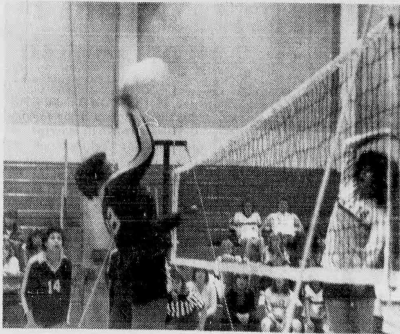

Competing against teams from South Jersey, the Blast made its entrance in dramatic fashion by defeating the Ocean Spartans of the Ocean Township Soccer club by a 2-1 count in double overtime. The Blast will now battle the Evesham Red Devils of Marlton, N.J. on October 19 at Belleville.

Daren Lewis scored the Blast's first goal on an assist from Frank Croico. The Spartans tied the contest in the second half and the game remained that way until the second overtime. Billy Kimball made Belleville a winner when he scored off an assist from Jim Wandley. John De Mauro played a fine game in goal. The Blast is sponsored by PNC, Inc. Congratulations to this team and

good luck on October 19 in the next hurdle for the state cup.

While the Blast was making history, the Belleville Bandits, sponsored by Perfection Knife, continued its winning trend by stopping previously undefeated North Bergen, 4-0 in a Mirota Division six contest. Not only did North Bergen come in undefeated, it had not allowed a goal the entire season.

Nick Colucci changed that for Belleville with his fourth goal of the season, off an assist from Chris Di Tommaso. Co captain Victor Mesce scored his sixth goal on a penalty shot. Another co captain, Ed Albanese, Jr., scored the final two goals to close the Bandit scoring. Tom Murchio and Damian Arduino played a fine game, but goalie Anthony Raimo received the game ball for recording his third shutout in four games. Raimo had five good saves on some very difficult shots by North Bergen.

BHS volleyball team wins 3 games, record now 8-0

(Continued from page 13)

Wizards had it a little easier, winning, 15-4, 15-6. Versus Nutley, the final count was 15-5, 15-10.

"The Immaculate Heart match was a good warmup for the Passaic match," Worley said. "Passaic is a very good team, which I expected. In the first game (the first set Belleville has lost this year) we couldn't stop their big girl. We also missed five serves, which gives them five more chances to score. You can't do that against a team like Passaic. In the second and third sets, we didn't miss as many serves and were able to win."

In the third game, it appeared Belleville had things under control. The girls were leading, 13-2, but had to hold on to win, 15-13.

"We made a lot of mistakes after taking that big lead," Worley said of the third set.

Versus Montclair, the

Wizards received a good service game from Quynh Mai, good hitting from Sheri Phelps and a good back line game, as usual, from Renee Pettinone.

Against Nutley, Phelps led the way again. Her service in the second game avoided a disastrous situation and led a big Belleville comeback. Nutley had jumped out to a 9-0 lead in the second set, but Phelps came through with some big serves to put Belleville back in. The girls eventually won, 15-10.

"Overall, we're playing well," Worley said. "We're working hard in practice and trying to get over the inconsistencies. Our junior varsity team (undefeated in seven matches) is also playing well."

This week, especially the match with Paramus, will be a further indication of how good the 1985 Belleville volleyball team is. So far, the reviews have been staggering.

Handling the Ball - Members of the Belleville Blast show how they handle the soccer ball during one of their matches last week. The team is the first in the Belleville Soccer Association's history to enter a state tourney. - Photo by Frank L. Duracher.

BHS graduates lead college volleyball team

Allison Burden and Faith Adams, both Belleville High School graduates, will be starting members of the East Stroudsburg University (Pa.) women's volleyball team this fall.

Both will be playing the net position.

Last year's squad posted a 21-12 record and finished as the Pennsylvania Conference runner-up.

The Warriors, who have placed first or second in the conference five of the last six years, will play seven weekend tournaments and one dual match at home against Army.

Goldrick leads N.J. Tech team

Liz Goldrick, a 1985 graduate of Belleville High School, was among those leading the way for the New Jersey Institute of Technology's women's volleyball team in the college's first 15-team women's volleyball tournament.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Mrs. K asks, "Why are my teeth sensitive after I have fillings done?" When decay is removed from a tooth, the nerve inside the tooth is stimulated or woken up. As teeth decay, the decay acts as a protective layer in between the nerve and the outside. No pain is felt till the decay gets very close to the nerve. When this "protective layer" is removed and a fresh filling is put in its place, temperature changes are felt more easily, at least for a few weeks afterward. After a while, depending on how large the filling is the nerve settles down and the sensitivity will go away. If however, the sensitivity does not go away in a few weeks there may be a problem, so it is very important to contact your general dentist as soon as possible. If there are any further questions that you're unsure of, just give us a call.

BHS marching band wins second place

The Belleville High School Marching Band (Cops, Wins or Takes) placed second in its first band competition of the 1985-86 season.

North Warren Regional High School provided the setting for the band's first competition on Sept. 29. Competing bands included Bridgeton High School, Delaware Valley Regional High School, David Brearley High

School; Mahopac Cavaliers; Phillipsburg Catholic High School; Terrier Marching Band, and the Blue Streak Marching Band.

The Belleville High School Marching Band is a member of the Eastern Marching Band Associates (EMBA). The band will participate in six more competitions throughout October and November.

By Karen A. Lynch
Oscar Nathans, adjutant, quartermaster and past commander of North Essex Post 146, Jewish War Veterans of the U.S.A., was honored recently at a testimonial breakfast at the White Eagle Manor. Post 146 includes veterans from Bloomfield, Belleville and Nutley.
Keynote speaker for the event was Harvey S. Friedman, JMW national commander, who commented on sales of advanced weaponry to countries in the Far

East by the United States and England.
Among other gifts, Nathans was presented with a paperweight depicting five chairs, the Hebrew symbol for 18, in recognition of the JMWV's 90th anniversary. The group is reportedly the oldest active war veterans' organization in the nation.
Other distinguished guests included Nathans' wife Zita and son Roy; Howard R. Rubin, past Post 146 commander and current commander of Essex County; Sophie Ruderman, president of the Ladies' Auxiliary, Department of N.J.; Michael Berman, commander of the Department of N.J.; Albert L. Cohen, national inspector; Mort Eisenberg, current Post 146 commander; Tom Giordano, who represented the Bloomfield Joint Memorial Committee, and Manny Zwering, a 99-year-old veteran.

high classes should be involved," Seymour Grossman, school board member, said.

Lally said he would like to see the supplementary resources extended to the higher level classes in those grades, however, he believed the general and basic levels would benefit the most from the additional texts.

The texts, Lally said, would be taught within the confines of the subject matter and that they would be incorporated into the

existing curriculum. Lally also added that every guide developed within the system the past few months details those proficiencies identified in the HSPT for each grade.

The supplemental texts requested by Lally include: a Mathematics Review Text (125 copies) and six teacher's editions; and a Reading/Writing Review Text (115 copies and six teacher's editions) by Project Rally for grade 9; and a Reading Comprehension in Varied Sub-

ject Matter (150 copies and three teacher keys) and a Modern Reading Skilltext Series Book 2 (65 copies and one teacher edition) for grade 8.

Total costs of the books would be \$2,554.70 - an amount funded by the school board's curriculum account.

Three residents compete for top prize in drawing

Two Belleville residents will be competing for a top prize of \$1 million in the New Jersey Lottery's 50th "Pick-6 Lotto" bonus drawing on Thursday, Oct. 10, at the Moorestown Hall in Moorestown.

William J. Napoliello and Helen Urweider are among the 170 finalists in the drawing.

In addition to the top prize of \$1 million (\$50,000 a year for 20 years), the Moorestown Mall drawing will decide a second cash prize of \$50,000; one third prize of \$25,000; one fourth prize of \$10,000; and fifth through 10th prizes of \$2,500 each.

The remaining finalists will receive \$250 consolation prizes.

Legislation appropriates \$300,000 for police HQ

Assemblyman Steve Adubato (D-30th) has introduced legislation to appropriate \$300,000 to Belleville for the construction of a new police station.

Adubato had earlier introduced a supplemental budget resolution which passed both houses of the Legislature but was then vetoed by Gov. Thomas Kean.

"This legislation will supplement the monies that will be received from the issuance of \$10 million in bonds which was approved during the summer by the board of commissioners," Adubato said. "This is all part of our effort to redevelop and revitalize the Washington Avenue business district with a new municipal complex and the transformation of town hall into

a civic center for the residents of Belleville."

Adubato was given a tour of the police headquarters with Police Commissioner Ralph DiRuggiero and Deputy Chief Mundy during the summer and noted the overcrowded conditions.

"The \$300,000 appropriation is very important because it allows us to take some of the pressure off of taxpayers and for us to do some of the capital improvements that are a necessary part of this revitalization," Commissioner DiRuggiero said.

Adubato, together with Mayor Michael Marotti and the commission saved Belleville \$65,000 in police and fire aid last year.

J. Kelly asks Assembly to defeat Gay Rights Bill

John V. Kelly of Nutley, Republican candidate for the Assembly, called for the defeat of Assembly Bill A-1721, now in the Assembly Judiciary Committee and commonly referred to as the Gay Rights Bill.

Kelly further called on Democratic Assemblyman Stephen Adubato Jr., a sponsor of the gay rights legislation, to renounce his support of the bill and further charged that this legislation is another indication of "Adubato being completely out of touch with the interests of our area."

"How could Steve Adubato, in good conscience, take a leadership position on a bill that gives special rights to homosexuals and lesbians among them to teach in our schools while openly practicing homosexuality and lesbianism," Kelly said.

"I would never advocate the curtailment of any individual's civil rights," Kelly continued. "But this bill is unnecessary and just another example of Mr. Adubato's inclination to pander to special interest groups and vocal

minorities."

Kelly went on to point out that the legal ramifications of such legislation could be devastating and cited examples of particular importance for the state's school children.

"The bill, as written, clearly precludes school boards from declining to hire teachers of our children who are openly practicing homosexuality and lesbianism," Kelly said. "Teachers by profession are expected to exert substantial influence on our young people. This sort of dictate from Trenton is an affront to local control of community schools."

Decrease in disposal costs earmarked by legislation

Sewerage disposal costs for Belleville would be reduced over the next several years as the result of legislation introduced by Assemblyman Buddy Fortunato (D-30th).

Fortunato's bill extends the boundary lines of the Passaic Valley Sewerage district to include Little Falls and Wyckoff and the entire area of the Jersey City Sewerage Authority.

As more municipalities begin to use the Passaic Valley facility, the rate for Belleville will decrease with the increase in clients on the same system, Fortunato said.

The Passaic Valley Sewerage Commission (PVSC) increased its rate to Belleville earlier this

year as the result of extensive capital improvements to its facilities. However, the commission's expanded facilities will now allow it to service additional municipalities while decreasing individual townships' rates.

Fortunato's bill has passed both houses of the Legislature and Gov. Thomas Kean has indicated that he will sign the measure.

The Jersey City Sewerage Authority must connect with the PVSC by July of 1988. The fees to Belleville would initially decrease by \$120,000 and the costs to the town will continue to decrease as other municipalities begin to use the PVSC.

THE CHINA GARDEN
By Lisa Grimaldi
The best luncheon buffet in the area is at The China Garden. On Mondays, Tuesdays and Wednesdays each week, a sumptuous selection of Chinese dishes is available. There are four appetizers and eight hot dishes, as well as fried rice and lo mein noodles, on the buffet. The luncheon special also comes with a choice of soup.
On a recent visit, exotic dishes like baby shrimp with garlic sauce, hot and spicy chicken, chicken and broccoli, were on the buffet, as well as the standard oriental fare like pepper steak, egg rolls, and spareribs.
If you have any room left, after sampling all that, there is also a dessert table (not often found at luncheon buffets!) It features two kinds of ake, and, of course, fortune cookies, on the day I visited.
Service was very attentive at lunchtime — there are plenty of efficient waiters who keep refilling teapots, and clearing used plates.
There is also a dinner buffet on the same days the luncheon buffet is served. On the other days, a regular menu is available for both lunch and dinner.
The China Garden is located at 306 Main Avenue in Clifton. The phone number is 773-7633.

• Burns and Scalds—Minor (when skin has not been broken) DO NOT APPLY OINTMENT OR GREASY SALVE. Immerse burns in cold water (not ice water) until pain subsides. If necessary, apply dry, sterile dressing, if blisters develop, do not break. Consult doctor.
• Extensive—Do not remove adhered particles of charred clothing. Cover burns with thick sterile dressings. Do not immerse in cold water as this may intensify the shock reaction. Transport to hospital as quickly as possible.
