## Columbus parade attracts thousands

More than 50 groups, including marching bands, floats and community organizations, marched along Washington Avenue in the third annual Belleville-Nutley Columbus Day Parade this past Sunday.

Despite the overcast weather, thousands of Belleville and Nutley residents lined up along the parade route to watch the approximate 5,000 marchers go by.

The assembly, led by the Belleville High School Marching Band and Grand Marshal Dr. James Orsini, included Scottish bag pipers, drum and bugle corps from as far as Morristown and the Bronx, a Christopher Columbus float complete with ship and captain and a variety of community organizations from both Belleville and Nutley.

The parade, sponsored in conjunction by the Belleville and Nutley Italian-American Civic associations, began at the Nutley Oval on Franklin Avenue at approximately 1:15 p.m. and ended up at the reviewing stand at the Belleville Town Hall two-and-a-half hours later.

"I was very happy with the turnout," Gabe Nazzola, Belleville parade chairman, said. "It just got bigger and bigger. Groups just came out of the woodwork. We had 12 groups who just showed up."

"The parade really overwhelmed us," he said.

Nazzola also said that an excellent turnout was received by the Festa Columbus which was conducted over the weekend by the Belleville Italian-American

Civic Association. Only two minor accidents were reported at the feast, he said, noting that neither one was the result of malfunctioning equipment.

"The whole weekend was just a fantastic thing," Nazzola said. "It was a community event with community people. A lot of people volunteered their time to work at the feast. We had 65 people working in shifts of 13."

"We all had a good time," he said, "but it was a lot of work."

Nazzola said that members of both Italian-American groups, as well as members of Commissioner of Public Works Joseph Grande's department, volunteered their time to help out.

"I'm just so happy that it came off," Nazzola said. "I haven't slept for three days."

According to Nazzola, the proceeds from the feast will help cover the cost of the parade which he estimated at \$9,000.

Closing out the Columbus Day festivities will be a 10-kilometer run sponsored by the Belleville Chamber of Commerce on Sunday, Oct. 27, 10 a.m., at Belleville Town Hall.

A VCR will be awarded to the male and female winners and prizes will be awarded to the top two finishing men and women in the following age categories: 14-and-under, 15-19, 20-29, 30-39, 40-49, 50-59 and 60-and-over.

For information, call the chamber office at 759-4848.

Proceeds will benefit the Belleville Chamber of Commerce Scholarship Fund.

## Leaf bags distributed to residents next week

The Department of Public Works, under the direction of Commissioner Joseph Grande, will be distributing leaf bags to residents beginning Friday, Oct. 25 through Friday, Nov. 1, with the exception of Sunday.

Leaf bags will be distributed on weekdays from 8:30 a.m. to 4 p.m. and on Saturday, Oct. 26, from 10 a.m. to noon.

For information, call 450-3412.

Parade Queen - Judith Nehila of Belleville was the Bella Signorina representing the Belleville Italian-American Association. Miss Nehila was among the 5,000 participants involved in the third annual Columbus Day Parade this past Sunday. (For more photos see pages 12 and 13.)

## Residents examined at annual health fair

By Kara Laczynski

More than 500 people were inoculated for influenza free of charge at the Belleville Health Department's annual mini-health fair last week at the department's Washington Avenue headquarters and School 4 on Magnolia Street.

Flu shots were only a small part of the free medical services provided to Belleville residents. Health care professionals checked for diabetes, oral cancer, podiatric ailments, glaucoma and cataracts.

"We got a fabulous turnout - 18 percent more than last year," Ralph Risoli, health department administrator, said.

School 4 saw an increase in the number of participants of 40 percent and the turnout at the health department was also up, according to Risoli.

Risoli credited better advertising and word-of-mouth information for the increase.

The health fair, open to all Belleville residents, drew three-quarters of its patients from the senior citizen population, Risoli said.

Three hundred and ninety-eight blood pressure tests, 391 diabetes tests, 97 oral cancer

tests, 73 podiatric examinations, and 57 eye screening tests were given free of charge, Risoli said.

A drawing for prizes donated by local merchants was held directly after the fair in the health department building. Names of all participants were entered in the drawing.

Three first prize winners, Philip Cajohn of Dewitt Avenue, R. Chasin of Smallwood Avenue and Robert Stepany of Magnolia Street, received \$100 savings bonds donated by People's Bank, Commissioner of Public Affairs Michael Pizzi and First Jersey National Bank.

Tik Werner of Greylock Avenue and John Coletta of Harrison Street won second prizes of \$50 savings bonds donated by First DeWitt Savings and Provident Savings Bank.

A \$25 gift certificate each from Pathmark's Silver Lake and Washington Avenue stores was donated as third prizes to Frank Spera of Dewitt Avenue and Angelo Cibelli of Jefferson Avenue.

Vitus Bellini of Rocco Street received a \$10 gift certificate from Grand Union as the fourth prize.

## Teachers analyze results of HSPT

By Michelle Jeannotte

An analytical interpretation of the High School Proficiency Test (HSPT) results was presented to the Belleville Board of Education at its public executive meeting Monday night.

Speaking before the board were Dr. Richard Benninger, director of student personnel services, Mrs. Sandra Gottheimer, Mrs. Paula Cummis, Mr. Michael Lemongello and Mr. Leonard Marciano.

Mrs. Gottheimer, an English teacher at BHS, informed board members about the progress and effects of a holistic scoring project which was instituted in the school district this year. The holistic scoring project will be used in to score a student's performance in writing, one of the areas covered by the HSPT.

Holistic scoring is a method by which writing samples of third, sixth and ninth graders can be read and scored on the basis of organization, sentence structure, usage and mechanic skills, Mrs. Gottheimer said.

Third graders achieved a high level of proficiency in six of the 25 skills listed, while sixth graders achieved a high level of proficiency in 10 of the skills and ninth graders achieved a high level of proficiency in 14 of the skills, according to Mrs. Gottheimer.

According to Mrs. Gottheimer, third graders did not achieve proficiencies in any one area, but they did perform well with verb and pronoun usage.

Sixth graders, she said, achieved proficiency in the area of organization skills. Most of them, she added, were able to address a topic in writing, begin writing with a general state-

ment, write conclusions, maintain unity and eliminate irrelevant details.

Ninth graders also achieved proficiency in organization skills as well as in the area of mechanics skills. Most students, she said, were able to spell correctly, use apostrophes to form contractions and capitalize correctly.

Although the holistic scoring project determines the strengths and weaknesses of the students, Mrs. Gottheimer said that the students are scored on their strengths, not their weaknesses.

Some of the weaknesses for all grades included: inability to place apostrophes correctly; lack of varied adverbs, adjectives or vocabulary; inability to organize a large piece of writing into paragraphs; and inability to avoid run-on sentences.

In the area of reading, students were tested on literal comprehension, inferential comprehension and study skills, according to Mrs. Paula Cummis, reading supervisor.

Mrs. Cummis said that 336 ninth graders were tested in these areas in March of this year. Students performed well in the areas of literal comprehension (identifying multiple-meaning words, synonyms, the main idea of a passage and cause and effect relationships) and inferential comprehension (interpreting figurative language, inferring cause and effect relationships, contrasts and making judgments).

Students performed the weakest in the area of study skills (usage of Readers' Guide to Periodical Literature, locating information by topics and subtopics, information in an

## Kelly's keynote speech recognizes contributions of Italian explorer

Before the Belleville-Nutley Columbus Day Parade stepped off for its march from the Nutley Park Oval to the Belleville Town Hall, formal dedication ceremonies were staged at the Italian-American Civic Association Clubhouse in Nutley.

John V. Kelly, president of Nutley Savings and Loan, offered Sunday's keynote address.

The text of John Kelly's keynote follows:

"Today, we celebrate a day of discovery. Today we salute a man, a remarkable man, who history tells us was a six-foot, four inch, red-haired giant of a man.

"At the age of 41, almost 500 years ago, he sailed off into a terrifying unknown:

"His dream was to chart a new course, to shape a new view of the world.

"Of course, this man of vision, this man of courage, this man of science, was Christopher

Columbus.

"To sail west to reach the east? In 1492, the conventional wisdom was that it couldn't be done. Christopher Columbus and his 40 men would surely perish, his ships would be destroyed, they said. But Columbus proved them wrong.

## State appointees feted at testimonial Oct. 27

State appointees Thomas Infusino of Nutley and Paul Alongi of Bloomfield will be honored at a testimonial dinner on Sunday, Oct. 27, at 7 p.m. at the Armando di Villa, 800 Bloomfield Ave., Nutley.

Infusino is being honored upon being appointed to the Atlantic City Casino Reinvestment Commission. He is board chairman of ShopRite's Wakefern Foods and with Vincent LoCurcio, owns the Park

# Students visit Howard Savings

Fifth graders of School 3 recently visited the Howard Savings Bank.

Their hosts were Edward Nejman, manager of the Howard's Nutley office and John Alveger, manager of the Howard's Belleville office.

**Bank Tour** - Fifth graders of School 3 were recently given a tour of the Howard Savings Bank. Here, the students learn the use of safety deposit boxes which are housed in the bank vault.

After learning about the history of the Howard, the students had a chance to see the different areas of the bank and learned how each serviced the community. At the drive-up window, the students saw how banking was made quick and easy.

The students also entered the bank vault, learned the uses of safety deposit boxes and had a demonstration of how the vault door time lock operated.

The MAC, Money Access Center, particularly attracted the students' attention. They enjoyed a demonstration of how a deposit or withdrawal can be completed through the automated teller.

Mr. Nejman and his staff treated the students to refreshments and souvenirs. Every student received information about banking that can be used in class projects in the areas of math, social studies and computer science.

**Bank Members** - Staff members of the Trust Co. of New Jersey join in the ribbon-cutting ceremony with Chairman Ziggi Wilzig and Miss New Jersey Toni Georgiana. The Trust Co. opened its new office in Belleville on Tuesday.

## First DeWitt offers gift to club members

First DeWitt Savings is getting the Noel season off to a gala start by offering a five-piece kitchen tool set to Holiday Club members, according to Henrik Tvedt, president and chief executive officer.

Combining beauty and practicality, the set provides multi-function cooking and baking usefulness in a warm colorful package.

Included is a handsome ceramic container which holds a sturdy wooden spatula, fork, spoon and metal whisk. The container, which is 5 1/2" deep by 3 1/2" in diameter, is a replica of an old-fashioned milk jug with a colorful farmyard design. The package is a gift of taste and usefulness for any Holiday Club member or for a cherished friend.

The association is further

sweetening the holiday season by paying generous dividends on completed clubs, according to Tvedt.

The club opens Monday, Oct. 28. Members opening \$5, \$10, or \$20 clubs will receive one kitchen set per customer. Savers are advised to come in early and receive their gift while the supply lasts.

The gifts are available at all nine First DeWitt offices, as follows: Main Office, 463 Washington Ave., Belleville; Bloomfield Center Office, 667 Bloomfield Ave., Bloomfield; Brookdale Office, Broad Street and Watching Avenue, Bloomfield; Cedar Grove Office, 532 Pom-

ton Ave., Cedar Grove; Forest Hill Office, 60 Belleville Ave., Bloomfield; Watessing Office, 20 Watessing Ave., Bloomfield; Hopatcong Office, Sharp Avenue

and Hopatcong Road, Hopatcong; Par-Troy Office, 1980 Route 10, Morris Plains; and Bricktown Office, 1161 Burnt Tavern Road, Bricktown.

## RE-ELECT SHERIFF TOM D'ALESSIO One Of The Best

The Essex County Sheriff's Office is now one of the best law enforcement agencies in the state of New Jersey. When it comes to providing safety for the citizens of our area, nothing less than the best will do.

Sheriff Tom D'Alessio, a career law enforcement professional who has a degree in criminal justice, is committed to maintaining standards of excellence for the Sheriff's Office.

Sheriff D'Alessio revitalized the Bureau of Narcotics to get drug pushers off our streets. He began a program of voluntary child fingerprinting to safeguard our children. He called for the first civil service exams for Sheriff's Officers in more than nine years. He instituted administrative improvements and the modern-

ized office procedures. Doing the best job, that's what counts.

And when it comes to making Essex County a safer place to live and to raise our families, nothing less than the best will do.

# Macri receives award at Anheuser-Busch

By Michelle Jeannotte

Ralph Macri of Belleville, an employee of Anheuser-Busch in Newark, recently received the President's Award for suggesting a more efficient electronic eye system which detects incorrectly sealed cartons.

Macri, who has been an employee in the Anheuser-Busch warehouse for the past 10 years, suggested that two electronic eyes be added to the one-eye system so that the entire packaging line could be viewed. "Because the cartons were not sealed right, boxes would fall off and we would have breakage," Macri said. "We'd lose working time because we had to stop and clean it up."

Macri said he mentioned his idea to his supervisors who thought it was worth looking into. They tried the system and it worked. Because of the success of the system, Macri was presented with a Golden Eagle Award and a color television as his merchandise prize.

Soon after, his supervisors suggested to him that he submit his idea to corporate headquarters for evaluation. With their support, Macri submitted his suggestion to the national office.

His money-saving idea was successfully tested by the national office. According to his supervisors, the system saves the Newark plant approximately \$22,000 a year.

Because of the cost-efficiency of the system, Macri was presented with the President's Award earlier this month. He selected a video cassette

recorder as his merchandise gift.

Besides receiving the award, Macri was also given a three-day, all-expense-paid trip to St. Louis where he was a guest at game one of the National League East pennant race between the St. Louis Cardinals and the New York Mets.

Macri was the guest of the president and vice president of Anheuser-Busch at the game and at a pre-game dinner.

"They win and I dine me," Macri said. "It's the best company I've ever worked for."

Macri became employed as a brewery worker when he began working for Hoffmann Beverage almost 40 years ago. He then worked at Pabst in Newark for 16 years followed by two years at Reingold. After that, he began working at Anheuser-Busch where he has been ever since.

While working at Anheuser-

Busch, Macri became shop steward and is now a union leader in the Teamsters Local 843.

"At Anheuser-Busch, they don't shirk their responsibilities," he said. "They really take good care of their employees."

Macri, who resides on Van Rennsalaer Street, has been married to his wife, Margaret, for 44 years. They have three daughters and one son.

### ADULT ACNE

Many adults suffer from lingering acne or once-a-month breakouts through their thirties and, in some cases, until menopause. Even so, most adult skins need moisturizing. As one ages, sebum production decreases, leaving skin drier. Acne medications, especially those containing benzoyl peroxide, formulated for teenagers, may irritate adult skin. They are meant to be applied daily to prevent acne. They are not to be used for the spot treatment needed for occasional adult blemishes. Instead, adults should try a cream that contains sulfur/resorcinol in a non-drying cosmetic base. It is less drying and irritating than benzoyl peroxide. These preparations are available over-the-counter.

There is a full selection of prescription and over-the-counter medications available at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. Free prescription delivery is provided and we are Blue Cross and Medicare approved. Cameras and film, Timex watches, and transistor radios are stocked. Hours: 9 am-10 pm daily, 9 am-9 pm Sundays.

## Seniors treated to dinner at Clara Maass on Oct. 30

Twenty-six Belleville senior citizens will be treated to dinner and a "show" this Wednesday, Oct. 30 at 4:30 p.m., courtesy of Clara Maass Medical Center.

A nutritious meal will be served followed by a slide presentation on the "Lifetime" emergency call system, a device worn around the neck which enables the elderly to call for medical assistance by simply pressing a button.

Georgann Hoffman, public relations director, will emcee the dinner. The Reverend Donald Blume will say grace, and Mayor Michael Marotti will give an informal speech.

The meal program will continue for the next year, with different groups of seniors from the many Belleville senior organizations receiving the service each month. Transportation to and from Clara Maass will be provided by the Belleville Health Department.

This month's dinner guests are: Fay and Romero Checheta; Kay and Sam Giaccone; Theresa and James Leonardis; Jean Tarrameo; Mary DeArmento; Harry Reynolds; Josephine Molinaro; Betty and John Barr; Eleanor and Tony Bellina; Dorothy and Ed Barling; Alice Cilli; Ann and Jack Fernicola; Rose Zappa; Marie and James Troiano; Mae and Willy Fioranante; Ann Tratta and Florence Kinner.

## Assemblyman Buddy Fortunato

In less than two weeks, voters will be asked to express their opinion of the records and promises of the four Assembly candidates.

Democrat Assemblyman Buddy Fortunato is asking voters to return him to office.

Fortunato, a Montclair native and former Montclair High School football great, is coming before the people with his record and a problem. A few months back, a State Grand Jury indicted Fortunato for allegedly accepting money in exchange for obtaining two jobs for constituents with the New Jersey Turnpike Authority. Fortunato vehemently denies the charges and states that a trial will prove his innocence. Never before has Fortunato been so charged — and for \$1,300?

An indictment is not a finding of guilt. It is an allegation. Fortunato's attorney put him through two severe truth tests. One is used almost on a daily basis by the New Jersey State Police — a polygraph test. Fortunato passed this test with flying colors. The second test involves the injection of a "truth serum" — a test which is used daily by the CIA. Fortunato passed this test with flying colors. Unfortunately, tests of this nature are never accepted in court to prove the innocence of an accused. In the Fortunato case, his attorney has petitioned the court to accept the results of the tests. The court is pondering the question and will not render a decision before Election Day, but voters will be. Obviously, Assemblyman Fortunato cannot come to trial until after Election Day. His attorney is involved in a New York trial that will take months to complete — and it's only because of the unavailability of his counsel that

Mr. Fortunato's case is still active.

If we believe in American justice — and we believe that we want people to respect the biblical directive of doing unto others as we expect others to do unto us, then we must impute to Mr. Fortunato complete innocence of the charges made against him that led to the indictment.

Assemblyman Fortunato has been a "laid-back" public relations public official. To his disadvantage, Fortunato does not capitalize on publicity opportunities by reason of his work in Trenton. For the most part, he quietly goes about the business of government — and does it well.

During his eight years service in Trenton, Assemblyman Fortunato has kept faith with the people he represents. He has been a good representative of the people. His public record has stood the test of time. A member of a prominent, highly respected Montclair family, Assemblyman Fortunato is a devoted father and loving husband. When the indictment came down the pike, Fortunato responded that he would never commit a wrongful act not only because it is in his nature to reject that type of life, but also because of the love that he has for his family and family reputation.

That's good enough for us. We have no reservation in endorsing Assemblyman Fortunato for reelection. His work in Trenton has earned the support of our voters.

## Gov. Thomas Kean

Last week, we endorsed incumbent Governor Thomas Kean for re-election. We even went out on a limb and said Tom Kean will win by a million votes. We have no problem with that prediction. The troubling aspect of Tom Kean's anticipated election and high popular standing is the possibility that hundreds of thousands of voters will not visit the polls for the simple reason that everybody — even his most vocal opponents, concede his election. That is a scary possibility. Voters who believe in Tom Kean — who believe he has earned the right to re-election, should make it their business to visit the polls Tuesday, November 5th — and only in that way can they insure the election of Tom Kean. If 3,000,000 citizens vote — Tom Kean wins by a million. Whatever the total vote — if Kean-backers vote — the result should be a Kean victory by 2 to 1.

History tells us over-confidence has lost elections. The most significant experience was 1948 when the man on the wedding cake — Tom Dewey — stopped campaigning two weeks before Election Day because all polls indicated a landslide victory for Dewey. Well — the impossible happened — U.S. Senator Harry Truman became the President — and Tom Dewey

became an also-ran. Closer to home — in 1978, incumbent U.S. Senator Clifford P. Case turned off the money faucet before Primary Election Day on the theory that he wanted to be frugal with funds in the Primary in order to have more available in the General Election. And, history records that a relatively unknown young Republican, Jeff Bell, walked away with the Republican nomination — defeating Senator Case in a major upset — and Case people — to this day — can't get over the defeat. It shouldn't have happened — but it did.

Can Tom Kean lose the Election November 5th? Highly unlikely — but in politics, anything is possible — and as Tom Kean well remembers from his 1981 narrow victory — every vote counts — your vote included. So — whoever you favor — do yourself a favor — insure the result by visiting the polls and casting your ballot Tuesday, November 5th.

## Federal programs deny middle class population

To the editor:

Discrimination against the middle class, for how long? It is being done constantly!

Casino funds were to be used for handicapped and senior citizens. When the gambling referendum was placed on the ballot, there were no discriminating factors. Funding is for everyone and forget the guidelines.

Bill A-1548 expanded the medical drug aid to increase the permissible income levels for qualified users to a maximum annual income of \$13,250 for single persons and \$16,250 for married couples. Couples consist of two people, so why only \$300 more for the second person or can only one person use the drug program at a time?

The governor, senators, assemblymen, county and state workers get their drugs for \$1. They make more than \$16,250 yearly, so how do they qualify? With our tax dollars!

The poor get their drugs and these programs, the wealthy don't need them, so why deny the middle class? Is this the referendum we voted for?

Every program funded from casino funds deny senior citizens and handicapped with this \$16,250 qualifier. Some of these programs funded from casino funds consist of homeowner services, nursing services, lifeline and dental programs, medicare, home energy and rental assistance and repair programs.

Now, a recently passed bill A-837, in part, states that veterans are entitled to an additional \$50 tax exemption providing their income is less than \$10,000 yearly.

My husband, the recipient of seven battle stars and ribbons, did not discriminate in battle, so why is the state discriminating against him and other veterans with income limitations.

Every veteran organization should protest and have this bill amended! I'm tired of being denied! How about you? Let your legislator know about denial.

## Girls thanked for watchful eye

To the editor:

I want to send special thanks to the two girls, Marie Delmotte and Kelly Augustine, who stayed Thursday night, Oct. 17, at the cheerleading clinic at School 3 and kept the kids there until their parents came back to pick them up.

The regular girls who teach the cheers didn't show up and no one was notified that there wasn't cheerleading. Most of the small children were just dropped off without knowing the school was locked and no instructors around.

Marie and Kelly, who were there, decided to keep the kids in the playground and do the cheers with them until 7:30 p.m., when their parents would return. The girls stayed and made sure everyone was picked up by a parent before they left.

The kids who participate range from age 6 to 12 and if Marie and Kelly weren't there, who knows what these kids would have done.

A very special thanks to Marie Delmotte and Kelly Augustine.

## Resident endorses Gov. Kean

To the editor:

Gov. Thomas Kean has been doing a remarkable job in running our state and municipalities.

When Belleville had a scare with a toxic problem, it was the Governor who came personally to inspect the area and provide the money for the clean-up. Concern, yes he was concerned for the people of Belleville.

Where was Mr. Shapiro at that time? I never saw him. What did he do to help the taxpayers of Belleville during that crisis? Now he claims his main interest is to clean the county of

toxic wastes.

There is a move now by Mr. Shapiro to lease Essex County Golf courses. Again the little people will be laid off. He has also wanted to lease the Essex County Court House. Why? What happened to the budget monies that was to be used for maintenance and repairs?

The Governor must be elected so that we can still have pride in our county and our state. I for one am proud to be in a state with a governor like Tom Kean. God bless him.

## Adubato keeps his promises

To the editor:

In this age of mounting skepticism concerning politicians, the people of Belleville are lucky enough to have an assemblyman who has kept his promise to the voters — which I feel is ample reason to re-elect Steve Adubato.

Aside from keeping his promise to be a full-time assemblyman, Steve has been a major leader in our efforts to clean up the environment and has worked closely with the Belleville Com-

mision and local citizens to solve our local problems.

Steve Adubato has a fine record of accomplishment. He has worked to clean up our water, taking on the City of Newark (who owns the system), got funding for more police, fought against the flood tunnel and has been there when Belleville has needed him. He has earned his re-election.

## Trapped By a Lie

...he that speaketh lies shall not escape - Proverbs 19:59

By The Rev. Gerald Fortunato  
Silver Lake Baptist Church

Many Americans have been shocked by the dishonesty in high places brought to light in the past few years. A lot of politicians have become increasingly clever in telling half-truths. Businessmen often engage in false advertising. "Let the buyer beware" has become a well known phrase because deceitful practices are so common today.

The Scriptures inform us that Satan, the god of this age (II Cor. 4:4) is also the father of lies (John 8:44). Therefore, the unregenerate person quite naturally follows in his footsteps. Our text reminds us, however, that he who speaks lies "shall not escape." The punishment may range from a troubled conscience to a very serious confrontation with the law. But one thing is sure, an untruth will eventually come to light - if not in this life, then someday when we stand before God and give an account of ourselves to Him.

The following item was printed in

the Search Light

Joe, the butcher, was closing the store on Saturday night when his best customer, Mrs. Brown, came in and asked for a nice roasted chicken. Joe put the last one he had on the scales.

"It's 2 pounds 4 ounces," he said. "That will be \$1.35."

That's too small, she answered. "do you have a larger one?"

He went to the cooler and then returned with the same chicken. Weighing it, he said, "Just 3 pounds. That will be \$1.80."

Still not satisfied, his customer said, "I think I'll take them both."

Joe was speechless. He had been caught, just as our text forewarns. If by God's grace we are honest in all things, we'll never be trapped by a lie.

People who tell "little white lies" soon go colorblind.

## Golden Comments

By James R. Golden

A most interesting point was raised at the Oct. 8 meeting of the township commissioners by Mrs. Louise Cordasco when she inquired why, at that meeting, the minutes of the Dec. 11, 1984, Dec. 27, 1984 and those of June 25, 1985, were being moved for adoption at such a late date.

For many years in the past the minutes of the commission meetings were transcribed from shorthand notes and recording tapes and prepared in typed form in the agenda for the next succeeding meeting.

This afforded the commissioners the opportunity to review the minutes so that they might either move for the correction, amendment or adoption of those minutes at the next following meeting.

This practice is no longer being continued, now the services of a professional stenographic recorder, engaged at a fee of \$140 per meeting, performs the services formerly done by municipal employees.

Patently, laden with a heavy work load, the transcripts of the minutes of the commission session become "backed up" delaying the submission of same, thus, preventing their approval until several township commission meetings later.

This is, we believe, grievously wrong, while there is no mandatory law requiring transcripts of government sessions be made available at the next scheduled session of such bodies, there should be. Otherwise, in some isolated incidents justice could be delayed and justice delayed is often referred to a justice denied.

The local Planning Board engages the services of a professional stenographer paid mostly from applicants fees, to transcribe their minutes which are ready for the next session of that body.

A hypothetical illustration of how a protracted delay of approval of transcript minutes of government agencies might apply, as outlined in the following imagined incident:

Mr. X is a respected mortician in Blank town. Mr. Y's wife expires after a long illness, he calls upon Mr. X to conduct the funeral arrangements which are performed in customary fashion. Upon receipt of the submitted bill, Mr. Y becomes irate believing overcharged, notwithstanding, Mr. X's showing him similar bills for the same services to others... Mr. Y, in anger, goes before the local governing body requesting they rescind Mr. X's mercantile license, calling Mr. X "a crook."

Upon learning of this "libelous slander" Mr. X engages Mr. Z, a lawyer, to institute litigation against Mr. Y. The lawyer in proper fashion goes to the town clerk to obtain a copy of the minutes of the meeting Mr. Y made his alleged "libelous slander." The town clerk advises the lawyer that, although the meeting in which the remarks were made, several meetings back, the transcripts have not yet been prepared for submission to the governing body for approval, without which they are not official... thus, JUSTICE IS DELAYED.

Legislation in Trenton by the State Legislature is urgently needed to correct this defect in delaying justice by procrastination. There is an urgent need for legislation to require mandatory preparation of government meeting sessions' minute transcripts to be made ready in time for the next scheduled public meeting date of that body... NOT SEVERAL MONTHS LATER.

### School board attorney makes good case in court

(Continued from page 4)

To the editor:

On the subject of the fee paid by the Board of Education to attorney Larry Schwartz.

I am in complete agreement with Kevin Kennedy in his recent statements to the editor of The Belleville Times.

I belonged to the Board of Ed's Advisory Council as well as the Parent Teachers Associations, plus other civic associations.

How many of you who objected to

the fee paid to Mr. Schwartz by the Board of Education have actually been present when Larry Schwartz was making his presentation on a case in court? I have seen him in action; believe me he is the best I have heard.

You, the people, are well represented and you're getting excellent service for your money.

### Kennedy Civic Association endorses Kean, Kelly, Crecco

To the editor:

The Kevin G. Kennedy Civic and Welfare Association of Belleville is proud to endorse Gov. Thomas Kean, a man who has done in four years what some governors can't do in eight. He has earned re-election.

For Assembly, John V. Kelly and Marion Crecco. These two people will

serve the best for our district.

For sheriff, Thomas D'Alessio and for county clerk, Nick Caputo.

The record speaks for itself, but whoever you want, please come out and vote on Nov. 5. Remember 1981. Every vote does count.

# Belleville High School Band wins trophies in competition

The Belleville High School Marching Band was awarded two trophies at the Mount Olive High School Invitational Marching Band Festival on Oct. 18 in Mount Olive.

The band took third place in its class and best overall drum major was awarded to Belleville High School's drum major Susan Aschauer.

The band also performed for Gov. Thomas Kean in dedication ceremonies at Essex County College this past Monday as well as leading the Columbus Day Parade this past Sunday in Belleville.

The band will perform its halftime show at the Belleville Passaic football game this Saturday and will then perform in a band competition in Ramsey at noon on Sunday, Oct. 27.

The band competitions are open to the public. The next scheduled competitions are: Sunday, Oct. 27, Sunday, Nov. 3, noon at Wayne Hills; and Saturday, Nov. 16, 4 p.m. at Passaic Valley.

# Health department provides Halloween tips for children

The Belleville Health Department, under the directorship of health officer Thomas Longo, has provided some safety tips for parents of children who will be trick-or-treating this Halloween.

- Warn children not to eat any of their treats before they get home where you can examine them.
- Look for costumes, masks, beards and wigs labeled "flame resistant." This does not mean these items will not catch fire, but that if they do, the fire will be quickly extinguished once they are removed from the source of the flame.
- Have children carry flashlights.
- Be sure costumes are light and bright enough so motorists can see them. Reflective tape can be used on them.
- Costumes should be short so children will not trip.
- High heels are not a good idea.
- Tie hats and scarfs securely so they will not slip over children's eyes.
- Cosmetics are better than a loose fitting mask, but if a mask is worn, make sure it fits and that the eye holes are large enough to allow full vision.
- Swords, knives, etc., should be of soft or flexible material.
- Smaller children should always be accompanied by an adult.
- All children should: use the sidewalks; walk, not run; and not run between parked cars, across lawns and yards where obstacles may present dangers.
- Children should go only to homes where residents have outside lights on.
- Children should not enter homes unless accompanied by an adult.
- Those receiving trick-or-treaters should remove anything that could be an obstacle from their steps, lawns, and porches.
- Jack-O-Lanterns lit by candles should not be on doorsteps, or inside, near curtains, furniture, etc.

## Six board members attend conference

Six school board members and administrators from the Belleville School District attended Workshop '85, "Building Partnerships," a conference for the state's public school leadership in Atlantic City from Oct. 16-18.

"The conference offered nearly 150 training and informational sessions on subjects that are integral to the operations of our district's schools," Dr. Anthony D'Agostino, school board president, said.

The programs addressed discipline, curriculum planning, staff evaluation, increasing the efficiency of business operations, school law, labor relations and student absenteeism, among other topics.

Nearly 7,000 school board members, administrators and other educators attended the 34th annual workshop. This year's conference was sponsored by the New Jersey School Boards Association, New Jersey Association of School Administrators and New Jersey Association of School Business Officials.

"At Workshop '85 we also had the opportunity to exchange views and discuss educational issues with fellow board members and administrators across the state," D'Agostino said. "Our schools will definitely benefit from such an exchange."

Those in attendance at Workshop '85 from Belleville included: Dr. Anthony D'Agostino, board president; Dr. Joseph M. Cappello, Mr. John DiStasi, Mr. Seymour Grossman, Mr. Ernest Zoppi, and board members; and Mr. Michael D. Nardiello, superintendent of schools.

Expenses for attendance at Workshop '85 were approved by the board as part of the budget for the current school year, D'Agostino said.

"The monies allocated for attendance of board members at the conference are a very small part of the total district budget," he said. "The knowledge and training we gained at Workshop '85 will prove invaluable and will bring us new ideas and a better understanding of the state and national issues that affect our community's schools."

The New Jersey School Boards Association has conducted the workshop since 1952. It was joined in sponsorship of the conference by the state administrator's association in 1978 and by the school business officials organization the following year.

**Art Exhibit** - Students of Joan Samsel (pictured), a Belleville artist, will be exhibiting their works at the Belleville Public Library. Among the students are Adrea Cohen, Anna D'Angelo, Douglas Decker, Marilena D'Angelo, Anthony Calotafiore, Lorraine Kimmel, Betty Samsel and Jason Ventola.

Mr. O of Nutley asks: "Porcelain broke off my crown. Can it be repaired without removing the crown?"

There are porcelain repair materials, Mr. O, that can be treated. Our own experience indicates that they work fairly well. The repair is in a non contacting area. If the repair is on the biting surface of the crown then the repair material doesn't hold up. Most times Mr. O, the repair is for cosmetics only. The exposed metal provides the needed protection for the tooth regardless of the presence of the porcelain.

Another method used is as follows: All the porcelain is removed and the underlying material is prepared or drilled to receive a new laboratory made porcelain covering. This covering then is cemented over the prepared metal crown.

Discuss these options with your dentist.

# Belleville-Nutley Italian-American groups honor

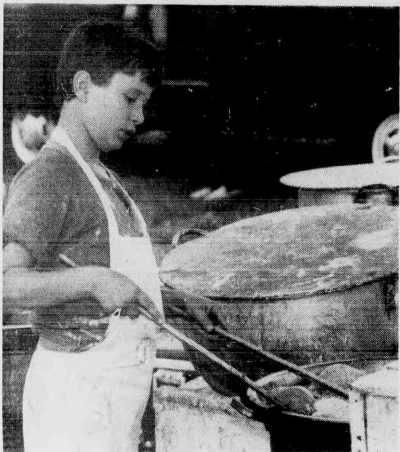

Festival Photos by Alexander Schlosser

**Ribbon-Cutting Ceremony** - Local and state officials were on hand at a ribbon-cutting ceremony last Friday, signaling the start of a three-day Festa Columbo in Belleville. Pictured are: (l-r) Belleville Deputy Police Chief Ermin Olivieri, Assemblyman Buddy Fortunato, Belleville Commissioner Joseph Grande, Belleville Mayor Michael Marotti, Belleville Town Clerk MaryLou Hood, Belleville School Board President Dr. Anthony D'Agostino, Belleville Commissioner Ralph DiRuggiero, Nutley Commissioner Peter Scarpelli, Belleville Parade Chairman Gabe Nazziola and former Assemblyman John V. Kelly. - Photo by Michelle Jeannotte.

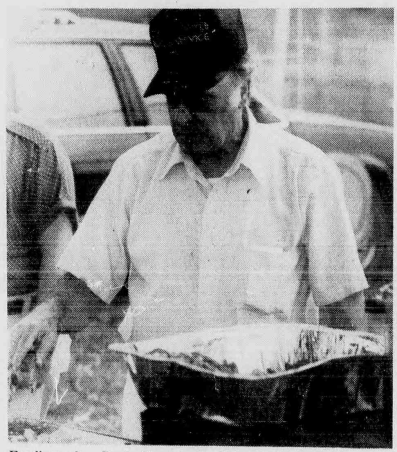

**Out for a Ride** - Five-year-old Kimberly Gilroy and 6-year-old Brian Gilroy make their way around the track on a Festa Columbo ride as attendant Jeff Perez looks on. The Gilroys attend School 5 in Belleville.

**Making calzones** - Gabe Sweeney checks if his calzones are ready for Festa Columbo visitors to eat.

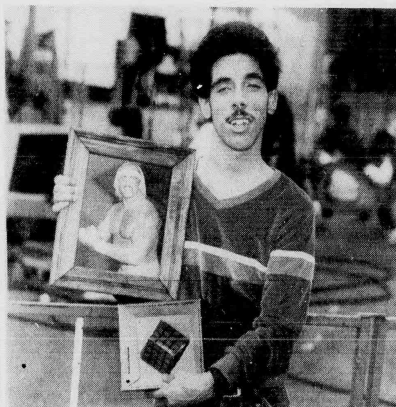

**Almost like the space shuttle** - Melissa Conti, 6, takes a rocket ship for a spin at the Festa Columbo at Belleville High School.

**Food's ready** - Dante Romagnoli of the Nutley Italian American Civic Organization stood over a hot grill preparing Italian sausages and other delicacies for Festa Columbo goers.

**Waiting for the ride to begin** - Pat Orlando, a fourth grader at Holy Family School, and Gerald Jarrett, a Washington School fifth grader, wait patiently for the ride to begin.

**Helping and having a good time** - Michael Dowd of Belleville was on hand as a volunteer to help the committee and have fun.

**Walking on air** - Eight-year-old Maureen Crawford leaps as Michelle Tully, 4, tries to gain her balance on one of the many attractions at this year's Festa Columbo.

**Time out from the rides** - Roger Luzzi, DeAnna Luzzi, Jaclyn Cancelliere, and Chris Helm took time from the Festa Columbo to smile for the camera as did Celeste Federico and Michael Cancelliere (behind strollers).

**The Band Plays On** - Members of the band, The Charge, played for the thousands of people who lined along the Columbus Day Parade route this past Sunday. They are: John Reid, bass; Gabe Nazziola, vocals; Tony Forte, guitar; Rich Tulp, drums; and Milton Entzminger.

**Under the Rainbow** - John V. Kelly, president of Nutley Savings and Loan and the Kelly Civic Association of Nutley, was among those who participated in the Belleville-Nutley Columbus Day Parade on Sunday. Along with Kelly was Uncle Sam and the Statue of Liberty, portrayed by his daughter, Regina. - Photo by Michele Suchomel.

**It Is Better in Belleville** - That's what most people believed as they watched the more than 50 groups march in the Belleville-Nutley Columbus Day Parade on Sunday. Thousands of people lined up along the parade route to watch the parade, despite the cloudy skies.

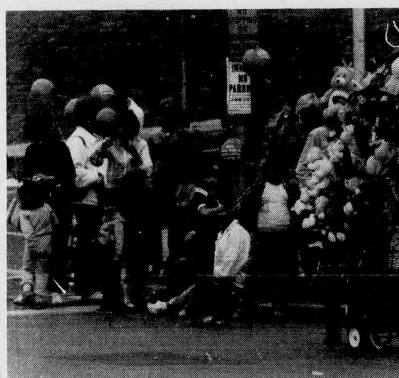

**Columbus Rides Again** - Christopher Columbus (or someone dressed like him) sailed the seas of Belleville and Nutley this past Sunday in the third annual Columbus Day Parade. The float was sponsored by the Scarpelli Civic Association of Nutley. - Photo by Michele Suchomel.

**Leading the Way** - The Belleville High School Marching Band led the way for the more than 50 groups that marched in the Belleville-Nutley Columbus Day Parade. The band played songs from "West Side Story" as they walked along the parade route.

**Riding Along** - Parade General Chairman Joseph Grande of Belleville, right, and Essex County Freeholder Art Clay ride along in Clay's '50s Thunderbird during the Belleville-Nutley Columbus Day Parade.

**Parade Watchers** - Thousands of people lined up along the parade route on Sunday to watch the third annual Belleville-Nutley Columbus Day Parade. The parade traveled from the Nutley Park Oval on Franklin Avenue, down Center Street and then onto Washington Avenue until they reached Belleville Town Hall.

**Girl Scout Troops** - Nutley Troop 208 march past the reviewing stand at Belleville Town Hall. They were one of the more than 50 groups which marched in the third annual Columbus Day Parade.

**Playing a Song** - The Nutley High School Marching Band plays a song for the dignitaries on the reviewing stand at Belleville Town Hall during this past Sunday's third annual Columbus Day Parade.

**Honoring the Grand Marshal** - Essex County Freeholder Art Clay presents a resolution passed by the board of freeholders to Dr. James Orsini, parade grand marshal, as his wife, Marie, and daughters (l-r) Lisa, Tiffany and Noelle look on. Belleville Superintendent of Schools Michael Nardiello and Belleville Mayor Michael Marotti are in the background.

**Parade Co-Sponsors** - Frank Ceres, left, and Chris Albanese of the Belleville Italian-American Civic Association (which co-sponsored the parade) carry their banner during the Belleville-Nutley Columbus Day Parade this past Sunday.

## BSA Bandits undefeated in Division 6

This week was supposed to be Part II of the Frank Fazzini story, but we'll hold off on our continuing story on Fazzini until next week. The Belleville Italian American Civic Association will be honoring Fazzini on November 9 at the Wayne Manor. On October 31, we'll have Part II, a talk with Frankie's high school coaches and a look at some of his marvelous accomplishments on the collegiate level. The week of November 7, we'll wrap it up with an interview with Fazzini and his goals for the future.

**Belleville Soccer Association**  
The young men of the Belleville Soccer Association continue to make news. The Belleville Bandits remained undefeated in Division Six of the BSA with an easy 11-0 victory over Garfield. The Bandits, sponsored by Perfection Knife Co. have scored an incredible 48 goals and have allowed just two in six games. Ed Albanese Jr., the leading scorer in the league, scored six goals and now has 24 in the Bandits first six games.

Center forward Nick Colucci added two more goals, his eighth and ninth of the year, while Aaron Stamacki had two goals, giving him five for the season. Co Captain Victor Mesce, a fine all around sweeper, closed out the Bandit scoring with his ninth goal of the season. Tom Ranucci, Jason Castelluccio and Michael Starr played a fine all around game. Goal keeper Anthony Raimo recorded his fifth shutout of the season.

### Spirit Flying High

The Spirit, sponsored by For Pete's Sake, ran its record to 4-1 with a 6-3 victory over Clifton. The Spirit, coming off a 10-0 victory of St. James, Newark, were led offensively by the high scoring combination of Chris Ricci and Angelo Bagnera with three and two goals respectively. Chris Imperatrice tallied his second goal of the season to close the scoring. Frank Tafur, Marcelo Giorlando, Mark Bianchini and Tony Kalis led the way on defense.

### Blast and Strikers are Hot

The Blast, sponsored by P.N.C., Inc., defeated St. James of Newark, 5-2 in a Division 4-A Contest. The Blast, winners of a State tourney game a week ago, remained hot with Frank Crocco and Chris Marsantonio scoring twice each. Daren Lewis scored his third goal of the season to complete the scoring.

The Strikers, sponsored by Caputo's Florist, ran its record to 4-1 with a tension filled 1-0 victory over Haledon. The Strikers lost its first game to West Paterson last week, 4-2. West Paterson came into that contest undefeated. In the 1-0 win over Haledon, Steve Collett and Joe Colucci played a fine defensive game. Jim Berg scored the winning goal, his 13th of the season. Goalie Steve Diezner recorded his third shutout of the season for the Strikers who now have taken sole possession of second place in Division 5-B.

### Breakers and Killer Bees Wrap it Up

The Breakers, sponsored by Modern Millwork, dropped its third game after two opening victories. Haledon defeated the Breakers, 7-2 while West Paterson came away with a 5-1 win. Dennis Dework scored his fifth and sixth goals of the season off assists from Mike Morgan.

The Killer Bees suffered a tough 2-0 loss to Garfield. Sponsored by Peoples Bank, the Bees were led by brothers Laurence and Marc Del Priore. Susan Donnelly, Nick Ninos and Ray Duracher played fine games. Belleville is fortunate to be the only team in the Minolta League to field two division six teams, the Bandits and Bees. The Bees might be winless, but the young team continues to play hard, determined soccer.

### Athlete of the Week

The award goes to Frank Montagna this week. The junior runner, helped by a fine performance from the offensive line, rushed for 103 yards on 18 carries to lead Belleville to a 24-6 victory at Bloomfield.

### D'Alessandro and Villano

As you know, the varsity and freshman wrestling coaches, Gene D'Alessandro and Dennis Villano have resigned their respective positions after long and illustrious careers. There will be more on these fine coaches in next week's issue, but an article just doesn't do justice to what these men meant to the youth of Belleville. Forget the wins and losses, D'Alessandro and Villano were class acts who always received the respect and admiration of their athletes and fans. Having known Dennis Villano for 16 years, I can safely say that the program is losing a legend with the departure of Villano, a great friend and coach.

### Last Week's Quiz

The last team from the NFC Central division to win a Super Bowl was the Green Bay Packers, who captured the championship way back in Super Bowl I and II.

### This Week's Quiz

With the Philadelphia Eagles starting to play good football, it brings to mind the fine Eagle teams of Dick Verneil and the late '70's and early '80's. Name the last Eagle team to finish with a winning record and the last Eagle team to make the playoffs.

### Gymnastics

Congratulations to Ray Iannuzzi and the gymnastics team on a fine effort last week. The girls finished with three very impressive scores, but were defeated by slunk entries from Clifton, Ridgewood and Montclair. Kelli Glunk, the junior marvel, continues to excel. She was outstanding in the three matches last week and continues to improve.

### Birthday Jennifer

Finally, a special birthday wish to my niece, Jennifer Marie Ferrick, who turned two years old on October 13, 1985. How time flies.

## Bucs defeat Bengals, 24-6

## Record boosts to 2-2; defense plays solid

Taking advantage of Bloomfield errors, the Belleville football team defeated its arch rival, 24-6, at Foley Field last Saturday night. The victory, Belleville's second straight, boosted the team record to 2-2.

A big game awaits the much improved Bucs this week. Belleville travels to Passaic this Saturday afternoon for a 1:30 p.m. date against the powerful Indians. Belleville has won four of the last six meetings against Passaic in this famed rivalry. For more on the Belleville-Passaic games of the past, see the accompanying story in the sports section.

Week after week, the Buccaneers have shown marked improvement. In the first week, Belleville lost, 8-2 to Don Bosco. In week two, Belleville and Bergen Catholic battled to a scoreless tie with just .06 left in regulation time. However, B.C. booted a 37 yard field goal and Belleville went home 0-2. The last two weeks have seen the Belleville offense come around. Against Eastside, it was a 12-0 win and this week, the 24 point outburst over Bloomfield.

In all four games, the Buccaneers' 'Blue Wall' defense has been solid. The statistics are startling. The defense has allowed ONE touchdown in 16 quarters of play. All told, the defense has yielded 11 points in four games, an incredible average of less than 3 points a game. All told, Belleville has allowed just 17 points to its opponent, as the specialty team was victimized in the waning moments of the Bloomfield game last week. Mike Mugnone returned a kickoff 83 yards for a TD following a Belleville score. When you consider that the one touchdown allowed by the Belleville defense came on a broken play against Don Bosco, you realize what a tremendous unit the Buccaneers have.

"Our defense is swarming to the ball," said head coach John

Senesky. "They are showing more discipline as the season progresses. When you consider that the team has little experience entering this season, you realize what a fine job this team is doing. The team is getting experience under fire."

Senesky praised the play of Anthony Pucciarello, Joe Coviello, Nick Cardillo, Dave Silletti, Dave McNeill, John Magi, Dave Long, Al Best, Joe Delle Monache, Jim Dunphy, Donald Washington and Jay Marchese on defense. The coach is also happy with the performance of his offensive line, which is beginning to make some holes for his young runners.

Center George Pravata, guards Dave Silletti and Nick Cerami, tackles Steve Linfante and Gerard Corbo and tight ends Washington and Long have been very good in the trenches.

After a scoreless first quarter, Bloomfield got a case of fumbleitis in the second quarter and the miscues resulted in two Buccaneer scores. Frank Montagna, subbing for the injured Sean Mulcahey, rushed for a three yard run, his first varsity touchdown. Montagna played a tremendous game for Belleville and should see more playing time as the season progresses. A junior, Montagna is quickly developing into a fine talent.

Later in the quarter, following a second Bengal fumble, Dave Long took a pass from quarterback Dan Senesky and took three Bengals with him into the end zone. Long's score came on a fourth and goal situation from the 13. He caught the pass at the five, then proceeded to drag three would be tacklers into the end zone for his first varsity score. It was also the first TD pass of the '85 season for Belleville.

Belleville scored once in the third quarter when Dunphy scored from 7 yards following a

## BHS volleyball team splits four matches

First, the good news. The Belleville volleyball team has a record of 11-4 and is assured of a winning record for the fourth straight year. So far, so good.

Now, the bad news. The girls are slumping, badly, and coach Grace Worley is hoping her wizards can find that old magic and get back into form by state tourney time in early November.

Belleville battled Benedictine Academy and Passaic earlier this week. The later match was considered crucial by coach Worley. Tomorrow, the girls are in Nutley and on Monday, will host Teaneck. Tuesday, Belleville hosts Kennedy and next Friday, will host Clifton in a rematch of an earlier Belleville loss. The Clifton match is also the last regular season match of the '85 campaign. The girls have already clinched a spot in the state tourney.

"Our offense is not playing well," Worley said last week. "We're playing too defensively and against the good teams, that can be trouble. We can't win matches if we're not aggressive. I'm hoping we can turn that around this week, because we're in trouble if we don't."

Belleville split four matches last week, losing to Bloomfield, 3-15, 5-15 and Ridgewood, 9-15, 11-15. The girls did defeat Neuman Prep, 15-7, 15-9 and Montclair, 15-7, 15-9.

Against Bloomfield, Worley was not at all happy with her team's effort. The loss to the

Bengals was the worst of the '85 campaign for Belleville.

"It was especially disappointing because we beat Bloomfield earlier in the season," Worley said. "Bloomfield has improved greatly since that earlier match, but we played terrible."

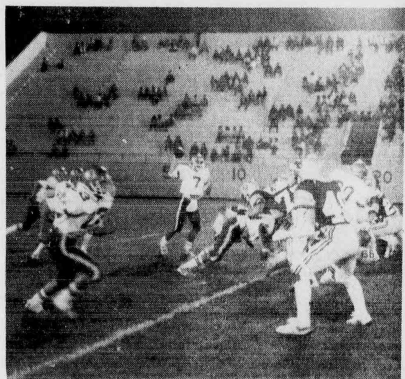

The Ridgewood match was trouble from the outset. A problem with the team bus resulted in Belleville not arriving at Ridgewood until 4:30, a half hour after the match was scheduled to start.

"That started things off on a bad note," said Worley. "We played pretty well against them, but it wasn't enough. Ridgewood is a solid team, as usual."

Worley was happy with the play of junior Eileen Kelleher, who did well in her first varsity match. Kelleher had good service and kept Belleville close against a traditional powerhouse in Ridgewood.

Worley is also happy with the play of senior Sheri Phelps, who has been a model of consistency all year long.

"We need to get Trish (Tramutola) the ball in better position," the coach said. "Trish is our setter, but she can't do the job if the passes aren't there. Hopefully, our service and offense will improve this week. It's been a good season, and I think we can overcome this slump. We have a lot of work to do, however, to get ready for the states and to finish out the regular season."

## Gymnastics squad breaks even at 4-4

It was a case of winning the battle but losing the war for the Belleville gymnastics team. Ray Iannuzzi's club posted some incredible scores, but the competition was up to the challenge and Belleville dropped three matches last week.

The girls, now 4-4, travel to Fair Lawn tomorrow afternoon for a 4 p.m. start. The girls will compete in the NNJL championships next Friday afternoon.

Despite losing three, Iannuzzi was far from disappointed with his team's effort. "We fell just short," the coach said. "We certainly held our own against some very good teams. Our girls have starting to come of age. They know they can compete with the strong gymnastics teams. I couldn't be happier with their performances."

The week started with a tri match against powers Clifton and Ridgewood. The girls from Clifton prevailed, with a score of 87.65. Ridgewood was second in 87.45 and Belleville a close third in 86.65.

As has been the case for the last month, Kelli Glunk, a junior, has been outstanding. Glunk took third in the vaulting exercise, scoring an impressive 8.3. When a score of 8.3, on the high school level, is good enough for third place, you can imagine the talent of the athletes that

took first and second place.

In the uneven parallel bars, Glunk was third in 7.6. The balance beam featured a second place performance from Miss Glunk, this time with a score of 8.3. Glunk concluded a fine afternoon by winning the floor exercise with an 8.50.

Iannuzzi received a good performance from Joell Veltre, who scored a 7.8 in the floor and Alise Davies, who finished with 6.75 in the uneven parallel bars.

Versus Montclair, Belleville set a new team record for points in a match, but the girls from Montclair were equal to the challenge. The final score was 93.3-89.9. Montclair, and afterward, Iannuzzi expressed pride in his team's valiant effort.

"We're getting very close to that 90 point mark," the coach said. "The girls had some super routines. Give Montclair credit, also. They have an outstanding team."

Since Belleville finished with 89.9 points against Montclair, Iannuzzi didn't have to be reminded that that score would have won the tri match with Ridgewood and Clifton.

"I'm just glad that we're able to compete on a regular basis with the good teams."

The vaulting exercise was led by Glunk, with an 8.2. That mark

(Continued on page 17)

## Tennis team posts 4-8 season record

The Belleville tennis team has found the going rough against some excellent competition. Karen Pucciarello's team has dropped four of its last six matches and saw its team record drop to 4-8.

Last Monday, the team battled Nutley and on Tuesday, battled Passaic. Yesterday, the team hosted Teaneck and this afternoon, will play host to Kennedy, starting at 4 p.m. Next Monday, Clifton will come to Belleville for a 4 p.m. start.

Pucciarello, who has been coaching tennis at BHS since 1977, is happy with her team's effort but notes that the team is up against very strong competition.

"We played well against Montclair and Bloomfield, but it wasn't enough," she said. "We're playing better, but we are losing to 'tennis teams'. We haven't reached that level yet."

Belleville lost to Clifton, 2-3 and to Bloomfield, Montclair and Patanus by 5-0 counts. The girls did post some victories, defeating Eastside, 5-0 and Kennedy, 5-0.

Fucello's lineup for a good part of the season has been Desiree Johansen at first singles, Janet Reinman at second and Jackie Tillman playing third. The doubles team features Renee and Darleen Guiliano at first doubles and Dina De Medici and Lori Tirrell, along with Sara Mellinger at second.

"We're an up and down team," the coach said. "We seem to play better against the real good teams. Against Bloomfield we lost 5-0 but each match went three sets. The Montclair girls, who is one of the best first singles in the state, praised Desiree on her improved play. The team is improving, we just haven't reached the level of Montclair and Bloomfield, yet."

A match with Ridgewood was postponed because of rain and a second match, with Passaic, was cancelled because the Indians did not show up. Fucello was working out the details with Belleville A.D. Jim Silvestri in an attempt to reschedule those matches.

# Belleville-Passaic football games always bring out the fans

By Michael Lamberti

It's that time of year again. The leaves are starting to turn colors, the weather is cooler and the Passaic Indians are coming to town.

Actually, the Indians will wait for the Buccaneers this year, as Belleville travels to Passaic Stadium this Saturday afternoon to renew a rivalry that is becoming one of the best in the state.

When you think of high school football rivalries, you think of Barringer-East Orange, Montclair-East Orange, Belleville-Nutley, Passaic-Clifton, Union-Westfield and Seton Hall-Essex Catholic.

Over the last nine years, Belleville and Passaic have developed an intense rivalry, one that has brought fans by the thousands to the respective ball parks to witness a tremendous game.

You have to look back to 1977, when Passaic was beginning to emerge as a football power. Tom Elsassar had taken the

reigns two years previous, when the Passaic football program was at the bottom.

By '77, the Indians were a team to reckon with. At the same time, Belleville was just starting to rebuild its program, under rookie coach John Senesky. The Indians held the upper hand in the '77 game, with Passaic coming out victorious, 36-12.

In 1978, the results were about the same. Although Belleville had showed marked improvement, the Indians were a solid football team. They had a junior quarterback named Mark Stevens, who could run and throw as well as any passer in the state. The final count in 1978 was 38-13.

However, 1979 would be different. That was the year that the Belleville-Passaic series neared up, with great intensity. The Bucs had started the season shaky, taking a 2-1 mark into the big game. Passaic was unbeaten, with Stevens back for his

final year.

Most fans who attended that game at Municipal Stadium remember Ralph De Pasquale making an unbelievable interception of a Stevens pass in the end zone. Bob La Bruzza ran for over 100 yards and the Bucs won, 26-14. About the only negative aspect of the contest was that running back Mike Nicosia suffered a knee injury that would keep him out of the remainder of the season.

In 1980, at Passaic, the scene was similar. Belleville was 2-1, albeit shaky, and Passaic was breezing along at a 4-0 clip. The Bucs tried a new wrinkle in this game.

Frank Fazzini, the teams junior running back, was switched from halfback to full back for this contest. The switch proved to be the turning point of the Buccaneer football season. Fazzini rambled for over 100 yards and John Melillo hit Paul Scheuplein with the game winning TD as Belleville won, 13-9. Fazzini also scored in that game, his first score as a varsity runner. It certainly would not be his last.

In 1981, another classic, this time at Municipal Stadium. Passaic, which was favored to win the state title, featured senior runner Melvin Ross, junior quarterback Mike Volpe and sophomore, Craig Heyward. Belleville countered with Fazzini, Phil Cerza, Craig Mack, John Borrello and Eugene Cancelliere. The Indians scored early in the second quarter, on a run by Volpe and led, 7-0 mid way through the fourth quarter. Borrello, who was playing his first big game, hit Cancelliere with what appeared to be a 35 yard touchdown. However, the official ruled that Cancelliere stepped out of bounds at the 21 yard line.

The Bucs made it as far as the 9, but Passaic held on for a 7-

0 victory. Despite the loss, it was a tremendous game.

In 1982, what is perhaps the greatest game in Belleville football history took place at Municipal Stadium. Passaic came into the game a huge favorite. The Indians had Heyward, recognized as one of the best runners in the state, and Volpe back. They had compiled an 11-0 mark in 1981 and had not lost a regular season game since the Belleville contest in 1980, a total of 15 games.

The Buccaneer defense, with Mack, Dave Grant, Robbie Cancelliere and Ray Kimble leading the way, were up to the challenge. In an absolutely incredible game, the Bucs won, 3-2 as Cancelliere booted a 36 yard field goal in the second quarter. Belleville blanked the potent Indian running game, allowing a safety late in the contest when Cancelliere stepped out of the end zone instead of punting deep in his own territory.

In 1983, Passaic had another awesome team, with Heyward now a senior. In the first quarter, Heyward ran 75 yards with a handoff for a TD, the only time in his four year career that he would score a touchdown against Belleville. Mike Murphy led the Belleville attack, but Passaic, with Nate Heyward playing a key role, won 28-7 at Passaic. Nate would wrap up the game late with a 99 yard punt off scrimmage after Passaic used a goal line stand to stop Murphy.

Last season, another great contest at Municipal Stadium featured Mark Walsh, Mike Gibbons and John Olivieri leading the way to a 7-0 Buccaneer victory. Walsh hit Olivieri with a 23 yard TD pass in the first quarter and the Bucs made the lead stick, winning with a solid defensive effort.

Now, in 1985, Belleville and Passaic are getting ready to

play another game. During last years warm ups, the Passaic players chanted 'war' as they did their respective drills. That's perhaps the best way to describe the Belleville-Passaic contest. This Saturday, it could be a war once more.

NOTES: An incredible statistic. Passaic is 48-6 in regular season play since 1979, not counting this years 3-1 start. The Indians are 6-1 in post season games, having won the Group IV, Section I title from 1981-83. Passaic was 7-2 last year and did not make the playoffs. Of those six regular season losses from 1979-84, four have come against Belleville. Also, in that

period, Passaic has outscored the Bucs, 60-56. There have been two shutouts, both 7-0, by Passaic in '81 and Belleville last year.

was good for second place. Alise Davies tied for third place in 7.85.

Glunk led the way in the uneven bars, placing third at 7.6. You know who won the balance beam with an incredible 8.9. Senior Jill Lillis had a 7.25, good for fourth place.

"Both girls had super routines," said Iannuzzi of Glunk and Lillis. "Kelli's performance was just outstanding, what more can you say."

Glunk won the floor exercise in 8.75, capping another incredible week of action.

The girls are looking for its first winning campaign in team history. Tomorrow, the girls battle Fair Lawn and will close the season in two weeks against Kearny and Passaic Valley. Obviously, Belleville would love to

## Jets & Cowboys score victories in rec league

In the touch football league, sponsored by the Belleville Recreation Department, the Jets defeated the Giants by a score of 33-12.

Jerry Turi, the quarterback for the Jets, was responsible for two scores, one by running and another with a pass to wide receiver Ernie Zoppi.

Patrick O'Brien and Nickey Mastropalo added scores for the Jets. John Alvarado scored twice for the Giants.

In other action, the Cowboys defeated the Chiefs by a score of 32-0.

Jeff Raibick scored five touchdowns, two with interception returns.

## Supervisor is needed for rec basketball

The Belleville Recreation Department is looking for a man to supervise its three basketball leagues which play Tuesday, Wednesday and Thursday nights at the Belleville Middle School. The leagues begin in early December.

Duties include supervision of personnel, coordinating the programs and public relations.

For information, contact the recreation department at 450-3422.

## Stefenon plays college soccer

Union County College's men's soccer team dropped a pair of games to Ulster, N.Y. Community College and Keystone, Pa., Junior College.

The Owls wasted goals by Jack DaSilva of Rahway and Ossie Stefenon of Belleville.

Union dropped to 4-3-1 on the season, losing a Region XIX, National Junior College Athletic Association (NJCAA) battle to LaPlume, Pa., 2-0.

short Bengal punt. They closed out the scoring in the fourth when Lou Lucante tallied his first varsity score on a 17 yard run.

Montagna led the Belleville rushers with 103 yards on 18 carries, the first time this season that a Belleville runner rushed for over 100 yards. The performance should certainly give the young team confidence for the big game with Passaic.

"Passaic has a very good football team," said Senesky. "Hinton (Sterling, the starting

quarterback) is outstanding. They have an excellent backfield and excellent size on the line. They're bigger this season than in previous years. It's going to be a big assignment for us."

Hinton did not play in last years encounter because of a broken thumb. He has a tremendous arm and can run very well. He hands off to Troy Giles, a runner that Senesky compares favorably with former Passaic great, Craig Heyward. Another runner, Sims, a 6-2, 220 pound fullback, will be a handful for

the Buccaneer defense.

Passaic is 3-1 this year, having lost a 20-10 game to Nutley from Kennedy.

two weeks ago. Last week, Passaic stopped a stubborn group from Kennedy.

Theodore T. Bonkowski, 70, of Belleville died Oct. 16 in the Veterans Administration Hospital, East Orange.

A Mass was offered Oct. 18 in St. Peter's Church, Belleville, following the funeral from the Kiernan Funeral Home, 101 Union Ave., Belleville.

Mr. Bonkowski was a mechanical engineer with the Curtiss-Wright Co. in Wood-Ridge for 24 years before retiring 10 years ago. He served in the Navy during World War II and was a member of the Younginger-

Alden Veterans of Foreign Wars, Post 275, of Belleville.

Born in Nanticoke, Pa., he lived in Irvington before moving to Belleville, 33 years ago.

Surviving are his wife, Helen; a son, Robert; three daughters, Mrs. Judith Lessard and the Misses Susan and Janet; three brothers, Rudolph Bonkowski and August and Frank Bond; two sisters, Mrs. Genevieve Maher and Mrs. Lorraine Ash, and a grandchild.

Entombment was in Holy Cross Mausoleum.

### Michael Adubato, at 69; was retired carpenter

Michael Adubato, 69, of Nutley died Oct. 13 in the Clara Maass Medical Center, Belleville.

A Funeral Mass was offered Oct. 15 in St. Mary's Church, Nutley, following the funeral from the S.W. Brown & Son Funeral Home, Nutley. Interment was in the Glendale Cemetery, Bloomfield.

Mr. Adubato was a carpenter for Wodnick Floor Installers, Union, for 20 years. He retired in 1970.

Born in Newark, he lived in Belleville for many years before moving to Nutley 11 years ago.

Surviving are his wife, Caroline Lento Adubato; seven sisters, Mrs. Agnes Orgel, Mrs. Emily Mondacci, Mrs. Ann Hickox, Mrs. Lee Pickering, Mrs. Viola Eliff, Mrs. Irene Wilson and Mrs. Lorraine Groh and two brothers, Thomas and Norman. He also was the brother of the late Katherine Fletcher and John Adubato.

### Columbus honored in keynote address

(Continued from page one)

cording to most historians, he was proud of his native city, proud of his culture, proud to call Italy his homeland...and well he should have been.

"Christopher Columbus was an explorer. He was a conqueror.

"His forebears, the Romans, conquered the ancient world. Columbus discovered the new world.

"The story of Christopher Columbus has always fascinated me.

"I think it was his raw courage to set sail into an unknown. It was his fortitude. His independence.

"I think it's that link to the past, the knowing from where we come, that gives order and understanding to where we are going, that helps us make sense of the world around us.

"Our knowledge of the past gives meaning to the present. It challenges our future. It's the link that binds us all together.

"Italians have a heritage, a history that the world celebrates, and not just on Columbus Day.

"It is a fitting tribute to a great man, to a great culture, to a proud heritage. To a heritage that I am proud to say is my heritage.

"It was my mother, Mrs. Mary Sylvestri Kelly, who taught me to learn, to open my eyes to the world.

"It was through her eyes that I learned to appreciate life, to come to understand our Italian culture.

"My mother's story is like so many other women of Italian heritage.

"It's a story of overcoming adversity, both personal and ethnic. It's important to remember that at one time it wasn't easy to be Italian in America.

"That's why it's always struck me as ironic that we call England our mother country when many of us come from Italy, Ireland, Poland and so many other places.

"In 1938, my mother was widowed. I was 12. My sister Theresa was only eight. The world was on the brink of war. We grew up in Jersey City, the sons and daughters of the huddled masses.

"And I often remind myself that it was from poverty that we came, and I always tell myself never to forget it. I never will.

"My mother's story is the story of millions of Italian women who struggled for a decent life, for an education for their children, for a piece of the American dream.

"And what a dream it was. For our parents to have even imagined that, someday, Italian women would sit at the head of corporations. That an Italian woman would sit on the New Jersey Supreme Court, that an Italian woman would stand proudly before the American people as a candidate for the presidency of the United States.

"So we come here today to celebrate discovery. To celebrate a great man - Christopher Columbus.

"But I come before you to also celebrate the proud Italian culture, to celebrate the men and women who have given so much to our great state and this great land of ours.

"Christopher Columbus was a special man. He has a unique place in history.

"His inspired thinking, his courage, his dream of the future brought about a new world.

"He stands as a symbol for a sense of purpose, for determination, for bravery.

"That's what Christopher Columbus means to me.

"By honoring him today, we pay tribute to his great deeds, the discovery of a new world.

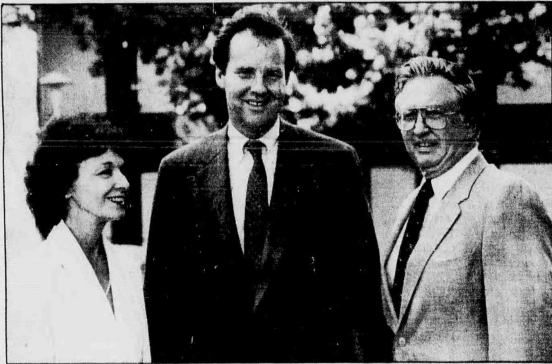

"But, we also pay tribute, by our parade today, to the many millions of Italian heritage who followed Christopher Columbus and in their own courageous way forged a new path for the greatness of America.

"As we of Italian heritage and all our friends march in honor of Christopher Columbus today, let us remember our humble origins and that we, as a nation, have shown the world the way."

On the Campaign Trail - John V. Kelly, Republican candidate for State Assembly in the 30th District, took time out during a walking tour of Belleville last week to pose with Lillian Wescott at her Cortlandt Street home. Mrs. Wescott, who is president of the Belleville Historical Society, is supporting Kelly's bid for election. (Submitted by former Assemblyman John V. Kelly.)

### Kelly says Aduгато uses negative campaign style

(The following press release was received from former Republican Assemblyman John V. Kelly.)

John Kelly, Republican candidate for the State Assembly Nov. 5, today dismissed charges by one of his opponents, Stephen Aduгато, as a desperate attempt by an incumbent to take attention away from his own record, the real issues of the campaign and the serious differences between the candidates.

"Aduгато is a tool of special interests and he's trying to masquerade it," Kelly said.

"Stephen Aduгато is beginning to sound like a broken record, much like his running mate, Peter Shapiro's one issue candidacy," Kelly said, adding, "I think the voters are beginning to see through Mr. Aduгато's negative campaign style."

In a reference to Aduгато's claim about environmental issues, Kelly pointed out that Aduгато wasn't even in the legislature when the Right-To-Know bill was voted on.

"Steve Aduгато runs around telling people he's the choice of environmental lobbies but he fails to tell people he was endorsed before he got to Trenton and that these same groups have contributed \$22,000 to his campaign coffers. "No wonder he does what they want, they made an investment in Steve Aduгато," Kelly said.

Kelly pointed out that his legislative initiatives in Trenton were singled out for acclaim.

Kelly said his bill that requires mandatory jail sentences for toxic waste polluters, no parole, was widely acclaimed by his colleagues in the Assembly and the bill passed the Assembly 73-0.

"Every newspaper in the 30th district endorsed my candidacy because of legislative initiatives for job training and toxic waste control," Kelly said, "and that's something Mr. Aduгато can't say."

"Even Steve Aduгато's uncle, the Assemblyman from

neighboring Newark, got up on the floor of the General Assembly and saluted my performance in the legislature," Kelly said.

"Steve Aduгато is trying to fool the voters. Why doesn't he take his name off some controversial legislation he proposed, like A-1721, the bi that would give homosexuals and lesbians the right to teach in our schools," Kelly said.

## Crecco says: we need better ways to fund programs

(The following press release was submitted by Republican Assembly candidate Marion Crecco.)

"Taxpayers worry as much about spending by the Democrat controlled State Assembly as they do about taxes," says Marion Crecco, Republican candidate for Assembly in the 30th District. The 30th District includes Belleville, Bloomfield, Cedar Grove, Glen Ridge, Montclair, Nutley and Verona.

"What voters are saying is that we need to concentrate on solving our problems without making our taxpayers poorer every year," said Crecco.

"Our present representatives are part of an Assembly majority which tried to spend \$1.25 billion more than the State budgeted last year. That averages \$53 million every time the Assembly met. If they had succeeded, they would have spent the whole \$600 million State surplus, and added 2 percent to the sales tax," she said.

"Campaigning throughout our district has renewed my faith in the intelligence of our citizens. They know what causes our runaway taxation," said Crecco.

"In Montclair, Belleville and Nutley just last Saturday scores of people mentioned the subject. At least a dozen started sidewalk

conversations to explain their concern to me. If they took time out to talk about it, they sure must be tired of having their concerns about taxes ignored," she said.

"Like most people, I've learned about what the experts call fiscal responsibility the hard way. There are no free lunches. You have to pay for what you get. The more you spend, the more money you need.

"In the case of government, that means taking more money away from the taxpayers, the people who pay all the bills," said Crecco.

"We need responsible approaches to spending the taxpayers money. We must set realistic priorities for programs which respond to the needs of our citizens in all walks of life. We must plan for the future, and spend wisely to prevent our education, our environment and our public facilities from crumbling away through neglect.

"Most of all, we need good plans for ways to fund programs without bankrupting the taxpayers. Just throwing larger amounts of money at our problems every year does not make them go away. That's very well," she said.

"During this campaign, our

Assemblymen have boasted about the State money they've brought us from Trenton. Speaking realistically, there's no such thing as State money. We must not forget that all government money comes from what we pay

in direct and hidden taxes. We in the 30th District send a huge amount of money to the County and the State. Only a very small part of what we send makes the round trip back home," said Crecco.

## Staff reviews HSPT results with board

(Continued from page one) index and selecting words from specific dictionary pages).

"Some of the items are strengths and weaknesses because the questions are asked in different ways," Mrs. Cummins said. "We must prepare students for both types of questions."

According to Mrs. Cummins, a strength is defined by a score of at least 80, which means 80 percent of the questions were answered correctly. A weakness is defined by a score of less than 69.

Some of the recommendations posed to the board by Mrs. Cummins were having students read longer passages and answering more questions about content.

In the area of math, students were tested in seven areas: computation with fractions; computation with decimals; computation with percents; number concepts; measurement and geometry; pre-algebra; and problem solving.

Some of the strengths cited by Michael Lemongello, math supervisor included: subtracting and dividing fractions; dividing a decimal by a decimal; changing a percent to a decimal; and solving a proportion.

Some of the weaknesses included: dividing a decimal by a power of 10; dividing a decimal by a decimal in fraction form; finding a percentage of a number; conversion of fractions, decimals and percents; adding, subtracting, multiplying and dividing measurements; and solving problems involving area, money, time and/or temperature.

Lemongello told board members that he devised a booklet by which teachers can learn how to use a teaching mechanism to teach the proper skill. He said that if students see how they solve problems incorrectly, they can better solve it the next time.

According to Lemongello, students are being taught the skills necessary to pass the HSPT. He said that the HSPT test books should be distributed to all ninth grade teachers so that they can begin teaching those skills.

Lemongello stressed to the board that teachers within the district should be made aware of the test results and informed about which skills need to be reinforced.

"The responsibility of teaching math does not lie only with math teachers," he said, adding that math concepts can be incorporated into other subject areas such as architectural drawing and the vocational shops.

In the area of writing, 396 students were tested on sentence structure, organization of ideas and editing which included proofreading and identifying mechanical errors.

Some of the strengths cited by Mr. Leonard Marciano, English supervisor, included: combining ideas into well-constructed sentences, identifying run-on sentences, selecting the main idea, recognizing sets of sentences into logical order, using homonyms and correct usage of apostrophes.

Some of the weaknesses included: identifying a sample as being correct, selecting a detail that supports the main idea, identifying the possessive case of the word and identifying the correct spelling of a word.

Italian Tribune, Sept. 14, 1979, Alexia Rosa:  
"Must dine list!"

### New Jersey celebrity reveals her favorite dining spot

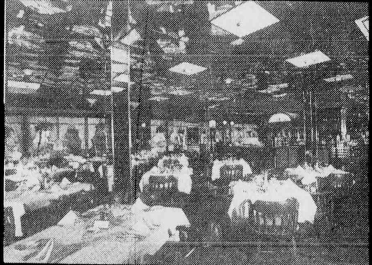

Sara Lee Kessler, anchorwoman, WOR-TV Channel 9 News: "Number One on my restaurant list is Armando DiVilla. Onofrio and Armando make a number of really fine dishes — and the best zabaglione this side of Italy! The restaurant has an atmosphere that I'd call sophisticated, but never stuffy. It's comfortable and warm. Also, there's an extensive wine cellar, with a good selection at every price."

**NOVENA TO ST. JUDE**  
This novena has never been known to fail. This novena must be said for 9 consecutive days. Prayers must be pronounced. O Holy St. Jude, Apostle and Martyr, grant in virtue and aid in our needs to us. I have recourse from the depths of my heart and humble heart from God has given great power to come to my assistance. Help me in my greatest urgent petition. In return, I promise to make your name known and call you to be invoked. St. Jude, pray for us all and make your voice heard. Amen. See: Old Father's 13th Martyrs and 50 Prayers.

This novena has never been known to fail. This novena must be said for 9 consecutive days. Prayers must be pronounced. O Holy St. Jude, Apostle and Martyr, grant in virtue and aid in our needs to us. I have recourse from the depths of my heart and humble heart from God has given great power to come to my assistance. Help me in my greatest urgent petition. In return, I promise to make your name known and call you to be invoked. St. Jude, pray for us all and make your voice heard. Amen. See: Old Father's 13th Martyrs and 50 Prayers.

# FREE TURKEYS

## HERE'S HOW IT WORKS:

Use our special envelope for saving your register receipt tapes. Each time you shop at ShopRite, put your register tapes in the envelope and enter the date and amount on the back of the envelope. Once you've collected the total amount required, bring the envelope with the register tapes to the courtesy counter (or designated area) at your local ShopRite, and you will receive a certificate for a FREE ShopRite Turkey.

This offer is our way of saying "Thank you" to our loyal customers, by helping to make your Thanksgiving Dinner a little more special this year.
