Remembering Pearl Harbor

Veteran's Council marches with pride

Remembering Pearl Harbor - The Veterans' Council of Belleville remembered those who perished, as well as those who survived, the attack on Pearl Harbor, Dec. 7, 1941 with a memorial parade and service this past Saturday. Leading the parade was the Spirit of Liberty group followed by members of the various township veterans' groups. Below, Stanley Zatorski, past commander of the V.F.W. 712, recounts the infamous day of Pearl Harbor in which 3,067 lives were lost. - Photos by Michelle Jeannotte.

Commissioners review bids for truck & materials

By Kara Laczynski
Bids for several items were submitted to the Belleville Board of Commissioners at its meeting Tuesday, Dec. 10.
In addition, the next meeting of the board has been rescheduled from Dec. 24 to Dec. 30 at 7 p.m. No pre-meeting conference will be held on that date.
Frank's GMC Truck Center in Lyndhurst submitted a bid for \$9,289 for one 1986 GMC half-ton, 6-foot wide truck for the Department of Parks and Public Property. No other bids were submitted and the bid was recorded to be read at the next meeting.
One bid was received for the purchase a one sewer rodding machine for the Department of Public Works from Jet Vac Inc. of Hackensack. The only bid received, it was for \$35,728. It was recorded to be read at the next meeting.
Two bids each for water sup-

plies, motor oil and greases and road materials were received and recorded. One bid each was received for building materials and supplies, tires and tubes, automotive parts and office supplies, but these bids were rejected following motions by Public Safety Commissioner Ralph DiRuggiero.
"We usually get more than one bid for these items," Mayor Michael Marotti said after the meeting. When asked why no motion was made to reject the one bid received for the truck and sewer rodding machine, DiRuggiero said, "We usually get only one bid for trucks and this is the second time bids for a sewer rodding machine have been solicited. No bids were submitted the first time."
"We want to give the merchants who usually bid (for the rejected bid items) another chance," Marotti said. "They might not have gotten around to it with the holidays."

Youth Activities Committee lends support to township's young adults

By Michelle Jeannotte
Where do young adults in Belleville go to have fun? Do they go to the movies? A teen disco? A skating rink? A canteen?
Can any of these things be found in Belleville? No. And because of this, a Youth Activities Committee has been formed to find solutions to these problems.
Finding places for teenagers to go to within the township has been a problem for more than 15 years, dating back to 1970 when a Youth Council was formed to attack the problem.
The Youth Activities Committee, formed only a few months ago by the Belleville Board of Education, has met twice to discuss the lack of activities on the middle and high school levels, parent apathy, lack of support for sports activities and poor communication between the police department and the young adults of Belleville, according to Phil Linfante, co-chairman.

Along with Ann Marie Perna, Linfante chairs a committee consisting of a high school vice principal, two teachers, two students, a social worker, parents, and representatives from the Belleville Police Department, Recreation Department and Fewsmitth Church.
According to Linfante, no definite solutions have been reached at this time, however, groups have been made to research school-sponsored events and publications of town and board ordinances. The committee has also issued a survey to students in grades 9-12.
Among the questions on the survey are: Do you go out on school nights? weekends? Do you hang out with a small or large group? Which school activities interest you? What town facilities do you use? And What suggestions do you have for student activities?
Linfante said the committee is looking into activities for Fri-

day and Saturday nights and the possible use of township facilities.
"We just want someplace to go without getting into trouble," Jackie Tillman, sophomore and committee member, said. "We usually hang out at the high school stadium, but it's getting cold."
"Even when we stayed at the stadium, parents in the neighborhood would complain," she added. "Parents don't realize that they were kids once, too. What do they expect us to do - sit in our homes every night?"
Linfante said the Youth Activities Committee will be conducting a meeting Jan. 7 to discuss the results of the survey.

Ease on down to see 'The Wiz' Dec. 12-14

If the holiday season has you running around like mad, take a break and ease on down the road this week to see "The Wiz" at Belleville High School.
Opening night for the musical production is tonight at 8. Performances will also be held tomorrow and Saturday. Tickets will be available at the door each night.
Lead roles for the "soul version" of "The Wizard of Oz" are: Monique Bowie as Dorothy; Tim Buckley as the Tin Man; Eric Nazzola as the Scarecrow; and Willie Chandler as the Cowardly Lion.
Students have been rehearsing for weeks under the direction of Bob Lefebline, director of dramatics at BHS, and Janice Lynn Lefebline, choreographer.
Although the play may last only an hour-and-a-half or so, it takes hours and hours of preparation by those both on- and off-stage.
"We've been rehearsing scene by scene, stage movement and the dance routines," Bob Lefebline said. "Eventually you start the run-through by putting various pieces together into a unified act and then by putting two acts together for a full show."
Lefebline said that more than 80 students auditioned for the 50 parts in "The Wiz."
"The audition is probably an exciting experience for the young people," Lefebline said.

"For me, it's almost terrifying. First, you are concerned that you will find the right person for the role. And you're also sympathetic to the young person who stands there in front of everyone with a script in hand and then expect them to sing, dance and act."
In the 18 years that Lefebline has been at Belleville High, all but one of the plays have been musicals.
"We produced only one non-musical in 1977, called 'The Good Doctor,'" he said, "and we found that the students were performing predominantly for the custodial staff and the police that were hired that night."
"People just aren't happy with non-musicals," he added.
Proceeds from the three performances will defray the \$3,000 cost for royalties to "The Wiz."
"People just aren't aware that high school theater is very expensive," Lefebline said. "And with the advent of the VCR, videotape and the number of programs available in the home, it's getting far more difficult to get people out to see a show, no matter how good it is."
So if you're favorite television show is on either tonight, tomorrow or Saturday night, just tape it on your VCR and go out and support the students' production of "The Wiz."
Have a problem getting there? Just follow the yellow brick road.

Santa Claus & Friends arrive Dec. 14 at noon

Santa Claus and friends will arrive in Belleville this Saturday, Dec. 14, 12 p.m., at Town Hall on Washington Avenue.
Santa Claus will be accompanied by the Belleville High School chorus who will entertain residents as it rides aboard a train through the streets of Belleville.

BOE members discuss teachers' computer course

The low number of teachers enrolled in an in-service computer course caused some worry among members of the Belleville Board of Education at their meeting Monday night.
Before board members voted on resolution 13 on the agenda, which approved an in-service course on "Intermediate Logo," John DiStasi asked how many teachers were enrolled.
Assistant Superintendent of Schools Michael Lally replied 12, adding that since the in-service computer program began two years ago, more than 100 teachers have been enrolled in courses.
"I'm concerned that only 12 out of 350 teachers in the system showed interest in the course," DiStasi said, adding that if the teachers aren't knowledgeable of computer usage, how could they teach their students.
"I think we are disillusioned by the entire program," Ernest Zoppi, board member, said. "The program is a good one, but we have to find a way to motivate our teachers, especially at the elementary level."
"I don't think it's being used properly," Zoppi added. "Every teacher who will be teaching computer courses should have the knowledge."
Lally assured board members that teachers were taking advantage of the program, despite the number of 12 enrolled in this program. He also said that the "Intermediate

Logo" course was more advanced than the courses previously taught.
"We wouldn't want more than 15 teachers in the course because there are only 12 terminals (at the high school)," Lally said, adding that more individual hands-on time would benefit the teacher as well as the system.
Lally also said that when the program began two years ago, 10 teachers enrolled in the basic computer course. One of those teachers, he said, learned enough to teach others.
"Hopefully, one of these 12 will carry on this type of in-service lesson," he said. "We realize there may be holes, but a great deal of work has been done to close it up and make sure each child gets a fair share."
Board member DiStasi continued to question Lally and asked if it was possible that the in-service computer courses be made mandatory. Board attorney Lawrence Schwartz said it could be done if the programs were offered during the school day, however, if the courses were offered afterschool, teachers would have to be compensated.
The in-service computer courses are funded by a \$48,000 Chapter 2 Block Grant awarded to the district, Lally said. Monies provide for computer instruction, software and computer curriculum.

Mayor Marotti attends meeting to discuss loan pools with ECIA

Mayor Michael V. Marotti was among 50 municipal and county officials who recently attended The Essex County Improvement Authority (ECIA) meeting to discuss Belleville's participation in a loan pool aimed at substantially reducing borrowing costs to finance capital improvements and equipment purchase.

The mechanism under discussion is the variable rate demand bond. This type of financing is an

attractive alternative to fixed rate financing since purchasers (banks or other financial institutions) can sell their bonds back to the issuer (ECIA) at frequent intervals. This liquidity makes the purchaser willing to accept a lower yield on his investment and consequently the saving is passed onto the municipality in the form of lower interest rates. As an example, variable rate debt this week carries rates of less than 5%.

"At the present time, when municipalities are hard hit by federal and state cutbacks in aid and are faced with deteriorating infrastructures, this program offers a tremendous opportunity to spend local dollars more effectively and efficiently," Essex County Executive Peter Shapiro said.

Under New Jersey law, only Improvement Authorities are permitted to form such pools. The ECIA would act as pool administrator with the firm of First Boston Corporation as underwriter and advisor. According to ECIA Executive Director Everett Shaw, the purchase of the meeting was to inform the mayor of the financing option and to determine the demands estimated by perspective pool members in order to appropriate the size of the original issuance of bonds that would be required.

In describing the program, ECIA Chairman Michael Marucci said, "This is an exciting concept in that it would be the first time variable rate debt will be made available to municipalities. It offers them not only lower interest rates, but also reduced costs of issuance, easier access to financing and no cross indemnification."

Loan proceeds can be used for equipment purchases, construction projects which can be amortized over 10 years, any other intermediate term capital needs, and certain types of refinancing.

Loan Pools — Mayor Michael Marotti, left, poses with Mayor James Ramsey of Montclair, Mayor Anthony Blasi of Irvington and Mayor Richard Leonard of Roseland at the pooled loan meeting sponsored by the Essex County Improvement Authority.

Service Award — Diane Ruhle, RN, of Belleville, in service director at West Essex General Hospital, receives a 5-year service award from medical staff member Dr. Joseph DiTolito. West Essex recently honored 18 employees with a cumulative service record of 140 years at its annual service awards dinner at the Crystal Plaza in Livingston.

INJECTION MESSAGE

It is now possible for diabetes patients who require insulin injections to improve their control over the disease. It is a relatively simple procedure. Doctors report that by massaging the injection site, patients may be able to increase the effectiveness of the insulin. The massaging action helps to reduce the pool of the drug that is usually left at the injection site. This helps the patient receive the full dose of the medication at the appropriate time. When 26 patients in a study performed the massaging for three minutes at each mealtime, the blood sugar levels dropped significantly or became lower. The benefits have continued over a two-year follow-up period.

Nick Raimo heads public relations for 'new' Dollar Savings & Loan

By Michelle Jeannotte
Nick Raimo of Belleville, public relations officer for the Dollar Savings and Loan Association, will be kept quiet busy the next few months promoting his bank's new building at 893 Franklin Ave., Newark.

Dollar Savings and Loan, founded as Engineer Savings and Loan in 1925 by Michael Breitkopf, a Newark attorney, serves North Newark, Belleville, Nutley and Bloomfield.

Breitkopf, the lightweight boxing champ in 1916, founded Engineer Savings and Loan on Fleming Avenue in Newark and served the operating engineers union of the Ironbound section of Newark.

"We were the only bank that didn't lose any money in the 1929 crash," Raimo said.

The bank remained at its Fleming Avenue address until it no longer served the operating engineers of the area, Raimo said, adding that he became involved with the bank in 1972 at Mr. Breitkopf's request.

"At that time, Mr. Breitkopf was considering relocating the bank to either Belleville or North Newark," Raimo said. "We bought a building on Franklin Avenue (present site) and converted a paint store into a bank."

Along with the change in address, came a change in name. Engineer Savings and Loan became Dollar Savings and Loan Association, and with it, a successful future began.

At the time of the move to the Franklin Avenue address, the bank's assets were \$1 million. Today, they are approximately \$13 million, according to Raimo.

The bank, which once offered only savings accounts and loans, now offers certificates of deposit (CDs), money market funds and annual Christmas clubs. Accounts have risen from 960 to 2500 since the move, Raimo said.

With the increase in bank customers and services, bank administration believed it was time to expand its facility, Raimo said. The bank continued to conduct business as a new building was being constructed behind it.

"The original building was knocked down a couple of weeks ago," Raimo said. "Most of the work in the new (two-story) building has been completed and includes a drive-up window (not yet in use)."

"We're not yet computerized," Raimo said. "Once we are, we will be able to provide more services." Dollar Savings and Loan Association, now headed by Anthony Capriglione of Nutley, employs three tellers and a vice president, Florence Aiello. David Breitkopf, the son of Michael Breitkopf, who passed away in 1982, is now the bank's attorney.

The "new" Dollar Savings and Loan Association will open its door officially with a ribbon-

cutting ceremony on Saturday, Dec. 14, at 9 a.m.

Serving Their Customers - Anthony Capriglione, president of Dollar Savings and Loan Association, 893 Franklin Ave., Newark, stands beside Josephine Caprio of Newark as Cathy Meiselman, bank teller, helps her with her banking.

Man dies from fumes in Wilbur St. home

A Belleville man died Dec. 2 and his wife was seriously affected when poisonous fumes overcame them at their 5 Wilbur St. home.

Andrew Trotta, 78, was pronounced dead Monday night, and Helen Trotta remains in the intensive care unit of Clara Maass Medical Center. An autopsy of Mr. Trotta revealed that carbon monoxide poisoning caused his death.

A clogged chimney caused the Trottas' gas furnace to emit fumes inside the house, Belleville Police Department Captain Raymond Kimble said.

Helen Trotta was taken to Clara Maass Medical Center after a neighbor discovered her semi-conscious Monday night.

"We smelled a strong odor in the house and ventilated it immediately," Capt. Kimble said. "You could also see black soot all over the walls."

The Trottas most likely did not detect the fumes because of long-term, gradual exposure and their advanced age, Capt. Kimble said.

"They were probably exposed to the gas for more than a year," he said.

Capt. Kimble advised that anyone who suspects that his chimney is clogged should have a professional cleaner clear the chimney.

"Public Service will also do it for free," he said.

Thought For Today

There are only two kinds of people on earth today
Two kinds of people, no more I say.
Not the rich and the poor, for to know a man's wealth
You must first know the state of his conscience and health,
Not the happy and sad, for in life's passing years,
Each has his laughter and each has his tears.
No, the two kinds of people on earth I mean
Are the people who lift and the people who lean.
In which class are you? Are you lifting the load
Of some overtaxed lifter who's going down the road,
Or are you a leaner who lets others share
Your portion of toil and labor and care?

New Jersey Assembly

There are three bills before the New Jersey Assembly that vitally affect the welfare and the pocket-books of our area.

Senate Bill 2376 was sent to the Assembly in May. It provides for a \$70 million loan to finance the construction of the Wanauke South water project. This money will come from a \$50 million bond issue approved by the voters in November 1981 for this specific purpose. Republicans in the Assembly are opposed to the bill for reasons best known to themselves. Democrat Assembly members favor the bill, but Monday, there were less than the 41 members present required, when the bill came up for a vote. It is now scheduled to be voted upon today, Tuesday, December 12.

There is absolutely no reason why this bill should not become law. It will save \$35 million for the taxpayers of our area — the savings resulting from a reduced interest cost — the difference between what Wall Street would charge and the interest rate to be charged by the State of New Jersey. The Democrat party can make some hay by passing this bill today.

Another bill that should be passed is Assembly Bill 2796 — legislation providing a \$5 million grant to build the filtration plant for the Wanauke South Project. The amortized cost of funding the filtration plant construction approximates \$18 million — an amount taxpayers will be obliged to pay if this legislation is not approved.

Newark received a \$8.2 million grant — an amount, by the way, which was in error — this past fall. Certainly, our people are entitled

to the same consideration. And here again, it appears that Republicans are dragging their feet on this very important pocket issue.

Senate Bill 1804 has been in the Assembly long enough to have a baby — and yet, it languishes in a legislative body that should have passed it long ago. This bill provides for cancellation of 1981 drought-related expenses, which the legislators of that day assessed against water purveyors of our area. The total cost which the state seeks to collect from us is approximately \$22 million.

Of the assessment, \$14 million is for actual money expended, the balance is an assessment for interest.

The state spent \$14 million in 1981 to maintain the economy of northern New Jersey. If it failed to expend the monies, the state would have lost several hundred million dollars because commerce and industry would have had to resort to a three-day work week, reducing the collection of taxes by the state and increasing unemployment benefits.

The cost of the 1981 drought-related expenses is a legitimate state expense and should not be cast upon the shoulders of the overburdened taxpayers.

The money originally used by the state was taken from unexpended grants — hence, it would be no financial burden upon the state if this legislation passed. Senate Bill 1804 was supported by both Republicans and Democrats. In fact, Senate Bill 2376 was also approved by Republicans and Democrats in the Senate.

If any one of these bills fails to pass, voters should keep a tally on the opponents — and supporters.

Money Buys Spies

The recent federal spy epidemic has been the subject of a study by the U.S. government. One of the findings is that foreign countries were able to determine that people with defense connections, in financial straits, were readily available — at a price — to exchange their country's defense secrets for cash in the bank.

The study commission found that some Americans approached foreign embassies. Foreign government spy agents also approached Americans willing to betray their country.

Whether it be peace time or war time, Americans who betray their country by selling defense secrets should receive the death sentence.

Revitalization is the way, not blight as BRA says

(An open letter to the citizens of Belleville and the Redevelopment Agency.)

At the town meeting of Nov. 26, 1985, we asked the commissioners to disband the Redevelopment Agency. It has been five years since its inception and by its own admission, it has not been able to get developers to come into our township.

Can you envision what could have happened if our commissioners had voted the way the Redevelopment Agency wanted it to and declared blight from Mill Street to Joralemon Street? It could have been a disaster for Belleville.

Businesses and people would have moved out, leaving empty buildings and lots. Who would have to pick up the tax losses if no developers came? You and I as the taxpayers would.

Thank God the commissioners, in

their wisdom, saw this possibility and opted for revitalization instead of blight.

At this same meeting, I mentioned that I had a new kitchen installed in my home since blight was turned down and Mr. Gabe Nazzola of the Redevelopment Agency, commented that revitalization was not someone having a kitchen done. Well, Mr. Nazzola, I object to that remark because revitalization comes in many forms. Any improvement, whether private home or business, interior or exterior, is certainly part of revitalization.

The Redevelopment Agency has a one-track mind — "blight." Let's stop spending our tax dollars on it and get on with what our commissioners and the taxpayers want — "revitalization."

Jingle Bells plays tune of township's situation

(Singing to the tune of Jingle Bells.)

Dashing thru the town
One was heard to say
The Town Hall's going up
We're doing it our way.

Belleville Ave's not good,
Will hide this edifice,
Santa riding by
Would surely frown on this.

Oh, Jingle Belleville, Jingle Belleville,
Jingle all the way,
Bechard, Richland architects
Will have a lot to say... ay

Jingle Belleville, Jingle Belleville,
Jingle all the way,
Ten Million Dollar Bond Issues
We somehow will repay.

A day or two ago
I thought I'd check the site.
Some properties must go
Without declaring blight.

A stranger then approached,
He didn't leave his name.
These parcels we'll acquire
By Eminent Domain.

Oh, Jingle Belleville, Jingle Belleville,
Jingle to this tune.
The shovel will be in the ground
Perhaps sometime next June.

Oh, Jingle Belleville, Jingle Belleville,
Jingle all the way,
I'll wish you now the very best —

Welfare director thanks Thanksgiving Day donors

To the editor:

Thanksgiving is the time of the year when we give special thanks to God. It is also a time when many generous and concerned citizens of our township reach out and give to those people who are less fortunate than others.

I would like to personally thank and acknowledge these special people and organizations who contributed in some way toward helping the needy.

The Belleville Welfare Department, in coordination with the follow-

ing groups and individuals, helped many families enjoy a happier Thanksgiving Day: Salvation Army, K-Mart, Columbus Day Parade Committee, Commissioner Joseph A. Grande, Order of the Eastern Star, Browne Troop 188, A.A.R.P., School 7, Commissioner Michael P. Pizzi, Daily Catering and Senior Citizens Clubs.

Remember the Other Angel's Message Also

By The Rev. Gerald Fortunato
Silver Lake Baptist Church

Angels played prominent roles in Jesus' life, both at the beginning and at the end.

We love to recall the angels who sang in the Bethlehem sky when He was born — but how many remember the angels who prophesied at His departure from the Mount of Olives?

At Christmas we should not concentrate on the first advent to the exclusion of the second. The same savior who returned to heaven after finishing His work on earth shall come again, and the time of His return may be very near.

"Unto you is born... a savior," the herald angels sang. He died on the cross to save us, and after His resurrection He returned to heaven in a cloud. As His disciples stood there on the Mount of Olives watching Him ascend, two angels in white appeared to them and said, "Ye men of Galilee, why stand ye gazing up into heaven? This same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven" (Acts 1:11).

This makes our hearts sing at Christmas. Not only did Jesus come the first time to save us from our sins, but He will come a second time to translate us into heaven where there will be no more sin, or pain, or dying. The righteous dead shall rise to meet Him and the living believers shall be caught up together with them to inhabit their eternal home.

We call this great event the Rapture of the Church. It is the Blessed Hope of which Paul spoke in Titus 2:13.

This rapture is taught in the Bible as clearly as the Resurrection. It will occur so suddenly mankind will be taken by surprise. The unconverted will not even see it happen, for it will transpire in less time than it takes to blink an eye. "We shall all be changed, in a moment, in the twinkling of an eye," the Bible says (1 Corinthians 15:51,52).

Those Christians who are "corruptible" (physically dead) shall suddenly be incorruptible and those who are "mortal" (alive, but subject to death) shall suddenly be immortal.

Which ever class of Christians we may be in at the time of Christ's return — whether living or dead — we shall all be changed in a flash and disappear from this earthly scene. Immediately we shall find ourselves in heaven, clothed in glorified bodies, enjoying Christ's wonderful presence, "and so shall we ever be with the Lord" (1 Thessalonians 4:17).

Today there is fear in the world. Questions of security cloud the future. Terrorism spreads and international tensions rise. Inflation haunts many while crime, racial strife, and the threat of nuclear contamination cause concern. Courage fails as the problems multiply.

In such a time, the angel's message, "Fear not," takes on new meaning. The apostle likewise tells us not to fear. God will not leave us in this troubled world indefinitely. "For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that, whether we wake (live) or sleep (die), we should live together with Him. Wherefore comfort yourselves together" (1 Thessalonians 5:9-11).

Maybe Christ will return before we celebrate another Christmas. What a blessed hope it is, if we are ready to meet Him!

Golden Comments

By James R. Golden

There is a very efficient gentleman in the employment of the Township of Belleville who is perhaps little known and obscurely tucked away in a small office on the second floor of the Health Building at Washington Avenue and Joralemon Street, where the employees of several of the town's departments conduct their business.

He is a very helpful person, in contact for local problems to consult with their problems relating to consumer protection whether it's faulty performance of service, short weight, false or misleading advertising, overcharging and any other number of matters that bother and annoy our disgruntled consumers.

Functioning with discreet dignity and the full authority delegated by the power of local ordinance, the impact of his interest in his official capacity produces a ponderous effect on those in business who digress or deviate from the prescribed norms of business propriety.

Fortified with clever discerning powers and a subtle diagnostic acumen in conjunction with his affable persuasive powers of firmness, Belleville's man at the helm of our township's consumer protection is Mr. Edward Leonard, who is more than adequately talented in effectively discharging the delicate nuances required in adjusting delicate complaint matters with startling success.

The residents of this community are fortunate to have such a competent negotiator to resolve the vexing consumer problems that all too frequently crop up from time to time. We extend our compliments to Mr. Leonard for the exemplary professional manner in which he serves the people of our community. Thanks Eddy for a job well done.

Nutley's commissioners took a page out of Belleville's updated book of ordinances by adopting an ordinance that charges apartment owners \$35 per unit for apartment complex conversion to condominiums. When the apartments on the Belleville Nutley border were converted, Belleville gained revenue having its \$35 per unit fee, Nutley didn't at the time... now they do. Nutley attorney Anthony Drollas said Nutley's law was patterned after Belleville's which is partially based on the state Legislature's Senior Citizens and Disabled Tenancy Act which prevents landlords from evicting senior citizens for 40 years after a building is converted to condominiums.

Upon payment of the owners of the conversion fees, the township clerk notifies each tenant of the owner's intent to convert to condos. Tenants will be sent applications to determine if they meet requirements of the Senior Citizens and Disabled Tenancy Act.

Belleville's Public Works crews continue to do a very good cleanup of the fallen leaf deposits that still clutter many surrounding suburban streets.

Now that the Christmas shopping season is getting into full swing, we like to remind our Belleville shoppers of the many attractive gifts that are to be found in our local stores, boutiques and shops with realistic prices and the convenience of shopping locally, especially when it comes to those last minute painful efforts to pick up that important something that you just happened to let slip your mind.

The Thanksgiving holidays glowed with happy reunions of grandparents welcoming to the home hearth returning college-attending grandchildren who always wheeled the old-timers' affection and attention, perhaps in a vicarious attempt to rekindle memories of their bright younger days when they were the cynosure and center of attraction. Time changes many things and people, yet, the cycle of life remains very much the same... the actors change, but the scenario remains the same.

Cerami condo units denied certificates

Nine newly-built condominium complexes remain empty as problems with the Township of Belleville prevent Cerami Constuction Co. from selling the units.

First, there is the issue of an unpaid water bill. The previous owners of the Mill Street property on which the condominiums are built, Universal Foods, neglected to pay the \$365,000 owed to the Passaic Valley Water Supply Commission when they sold out to Cerami.

The township picked up the bill, but required Cerami to put the same amount in escrow as a condition of receiving building permits. Belleville sued Universal Foods for the money.

The condominiums were built, but no money was remitted to the township (the suit against Universal Foods is still pending). Fearing that the money would be lost, the board of commissioners unanimously passed a resolution at its Nov. 26 meeting that no certificates of occupancy be issued to Cerami until the money is recovered. The certificates are required for lawful sale of any housing.

"We have to be compensated one way or the other," Mayor Michael Marotti said. Cerami has not indicated that it will release the funds in escrow.

Marotti said.

But even if the building company did fork over the now more than \$400,000 owed to the township (18 percent interest has been charged to the account in the two years since Cerami opened it), no units could be sold anyway because the Belleville Zoning Board of Adjustment has ordered that the eastern-most condominium complex be moved 15 feet to comply with side-line requirements.

Residents of older River Mill West condominiums had protested that the new building was too close to them and that its proximity would encourage new residents to park in their lots.

The board agreed with the residents by sitting the violation at a special meeting on Nov. 13, and although no deadline was set for the building to be moved, board attorney Jon Campbell said that he expects that the move will take place soon.

"They're not going to prolong the expense of having their condos just sit there," he said.

But the building has yet to be moved, according to building inspector Frank DeLorenzo. Building code official Robert Domenick is on vacation and could not be reached for comment.

Waiting to Be Moved - One of nine condominium buildings constructed by Cerami Construction Co. waits to be moved a few feet in compliance with a zoning board decision.

Rent Leveling Board hears cases Dec. 19

The Belleville Rent Leveling Board will meet next Thursday, Dec. 19, at 7:30 p.m. to hear five applications.

Meetings are scheduled for the first Thursday of the month, but no meeting was conducted Dec. 5. Meetings are held at the Public Affairs Building, 383 Washington Ave. (second floor meeting room).

The Rent Leveling Board will hear three tenants' cases. They are: Frank Coppola of 53 Brighton Ave. vs. Brighton Estates of Pine Brook N.J.;

Mary and Harry Prtune of 580 Washington Ave., vs. Gelber & Gelber of Elizabeth, N.J.; and Suzanne Huhn of 306 Washington Ave. vs. Harold Tara of the same address.

Two landlords' applications will be presented at the meeting. They are: Bowden Hughes/Tirico, Partnership of Belleville, regarding its property at 102-104 Overlook Ave.; and Edward Dolores Hank of 1 Carpenter Place regarding the same address.

Snow removal ordinance aimed at homeowners

The Code Enforcement Agency of Belleville reminds homeowners of a snow removal ordinance.

The ordinance reads: "The owner of lands abutting or bordering upon sidewalks, public streets or public places in the town are hereby required to remove all snow and ice from the traveled portion of the sidewalks within 24 hours after the snow ceases."

Fines up to \$500 will be issued for non-compliance.

Belleville High School music groups perform Christmas concert Dec. 17

The Belleville High School Music Department will present a holiday concert on Tuesday, Dec. 17, at 8 p.m. in the high school's auditorium.

The performing groups participating in the program include the orchestra and chamber orchestra, under the direction of Mr. Edwin Black, and the mixed chorus and concert choir, under the direction of Mr. Thomas Finetti.

The chamber orchestra will perform well-known Christmas carols in a selection entitled "Christmas Around the World," while the first movement of W.A. Mozart's "Symphony in F," Leopold Mozart's "Sleigh Ride," and Tchaikovsky's "March of the Nutcracker" and "Toepak," from the "Nutcracker Suite," along with other selections, will be performed by the orchestra.

For the mixed chorus, Mr. Finetti has compiled a medley of professional arrangements of some of America's most popular holiday songs including "It's Beginning to Look Like Christmas," "White Christmas," "Chestnuts Roasting," and "I'll Be Home for Christmas." Other selections performed by the 154-voice chorus will include "Gloria In Excelsis Deo" by Maurice Whitney and the spiritual "Sister Mary Had A But One Child."

Student soloists will include Geraldyn Rogers, Veronica Valvano and Raul Tricoche. The chorus will be accompanied by seniors Frank Piscchia at the piano and Peter Grammatico on the drums.

In celebrating the tricentennial anniversary of J.S. Bach's birth, Mr. Finetti has programmed the German composer's famous Christmas Cantata, "For Us a Child is Born" as the featured work on the concert. This will be performed by the concert choir and the chamber orchestra.

Soloists for the Cantata will be soprano Carol Mateyka, baritone Wendell Parr, both music teachers in the Belleville elementary

schools, and tenor Curtis Watkins. The evening's concert will conclude with the traditional singing of the "Hallelujah" chorus from Handel's famous oratorio "Messiah."

A donation of \$2 will be accepted at the door.

The concert choir has already performed for the A.A.R.P. and for the Belleville Woman's Club. On Dec. 13 the choir will sing for an assembly at the Middle School and on Saturday, Dec. 14, members of the group will participate in the annual Santa Day Parade, sponsored by the Belleville

Chamber of Commerce.

The ensemble will continue a very old tradition by performing at the World Trade Center and the New York Bus Terminal Dec. 18. The choir's seasonal performances will conclude with an assembly for the high school students on Dec. 20.

Folk Artists - Belleville residents Guiseppe and Raffaella DeFranco, natives of the Calabria area of Italy, are masters of various forms of traditional Italian accordion music, folk singing, story telling and dancing. The couple has been interviewed by a folklorist researching folk culture for the Essex Area Folk Arts in Education program.

Folk Arts program offered to teachers

A Folk Arts in Education program will be available to Essex County area schools within the next few months.

The project, which offers teacher training in folk arts and folklife to Essex area folk artists in school residencies, is sponsored by the Arts Council of the Essex Area, the New Jersey State Council on the Arts and the National Endowment for the Arts in cooperation with Montclair State College/School of Fine and Performing Arts.

Teachers participating in the project will study "Folklife in the Curriculum," a three-credit graduate course accredited by Montclair State College beginning in January 1986.

The course, which will be an introduction to folklife and fieldwork techniques, will be taught by Rita Moonsammy, a professional educator and folklorist on the staff of the N.J. State Council on the Arts.

The course will also incorporate a series of workshops with a wide variety of Essex area folk artists, including Guiseppe and Raffaella

DeFranco of Belleville. Working in tandem with a folk artist of his choice, each teacher will develop an individualized folk arts program for his classroom, which will culminate in a four-day residency by the folk artist.

The folk artist who will collaborate with the educators represent the diverse cultural and ethnic populations of the region. These folk artists are community members who possess special mastery of culturally significant arts and skills that are as varied as shoemaking, Gospel singing, bread baking, weaving, fiddling, piping and dancing.

An illustrated slide lecture on the Folk Arts in Education program and Essex area folk artists will be presented on Thursday, Dec. 12, at 4 p.m. in the College Art Gallery of Montclair State College.

Teachers, school administrators, PTA representatives and all interested persons should contact the Arts Council of the Essex Area at 744-1717.

JE-DOMS For Hair

With all the hustle and bustle of holiday celebration many of us are undecided about what to get as a "good idea gift." Je-Doms offers our Holiday Gift Certificates for all our services, such as manicures, pedicures, facials, haircutting and perms, plus many more. So why not stop in and see what we have to offer. We also have many stocking stuffers to choose from for those last minute shoppers and wouldn't you forget we carry a variety of cosmetics for that special someone. Our Cosmetician will help you decide what's best for her.

Season's Greetings from Je-Doms for Hair — and make your Christmas complete.

Susan Santiglia appearing with Garden State Chorale

Soprano Susan Santiglia of Belleville will be a featured soloist with the Garden State Chorale in its pre-Christmas concert 6 p.m. Dec. 14 at St. Peter's Episcopal Church, 271 Roseland Ave., Essex Fells. David Butterfield will direct with Dr. Gaylord French as guest organist.

The program features Vivaldi's "Gloria" and sacred and secular music of the season. Other soloists include Adelaide

Bull, Donald Boos, Marshall Jones and Micheline Manno. Santiglia will be heard with Bull in the Vivaldi and in solo performance of Mozart's "Ave Maria." She gave a Town Hall recital in June and is the first prize winner in the 1985 NICA Young Artists Competition.

Santiglia has also sung at Lincoln Center, on CBS television, at the Garden State Arts Center and at Italy's Teatro Garibaldi.

Admission to the concert is \$5, \$3 for seniors and students.

Gundry returns to BHS as an assistant coach

This is a story of a young lady, who has made it all the way back. It's the story of a lady who has had enough struggles in her young life to last a lifetime. But now, the struggles are behind her and she is lending her support to a school in which the memories were bright and the good times, plenty.

Barbara Gundry is the assistant track coach for the Belleville indoor track team this winter. That might not be earth shaking news, but for anyone who knows her, you could only feel happiness and joy for this bright young woman.

One year ago, Barb Gundry was staging a fight that was literally, for her life. Gundry was diagnosed with cancer and she went through a year of agony. Chemotherapy, long hours of discomfort, a lot of anticipation. Barb Gundry has been through the trials and tribulation and now, she is back to enjoying life. It's a story with a very happy ending.

"I'm feeling very good," Gundry said last week. "I'm really happy to be coaching. It's a nice opportunity for me. I found out about the opening from Mr. Ruffalo and now I hope to help the track program continue to get better."

Gundry first came on the scene at Belleville High School in 1980. As a sophomore, she grabbed the attention of her coach, Karen Fuccello.

"Barbara was always a pleasure to coach," said Fuccello. "She was easy to work with and a super person to be around."

Gundry competed for the basketball and track teams in 1980, then added cross country for her junior year. Playing all three sports, Gundry made a name for herself as a hustling, spirited athlete that gave everything to her sport. She never took second best and always gave 100 percent.

A story that best exemplifies Gundry came in the spring of 1981. Gundry was a member of the mile relay team. In a late season meet, one of the girls could not run the lead off position because of an illness. Gundry was set to run the anchor leg that day, but because a replacement could not be found for the opening leg, Gundry volunteered to run both the lead off and anchor positions. P.S., she did a good job in both positions and Belleville won the race.

In 1981-82, Gundry was named captain of the cross country and basketball teams. Her basketball season was riding along quite nicely until an evening in Kearny, when everything came crashing down. Early in the first quarter, Gundry went up for a rebound, but her leg was not in good position to land. She came down hard on her ankle and a loud scream could be heard right away.

She was carried off the floor in a stretcher and taken to a near by hospital. Barbara was somewhat embarrassed by all the attention and was grateful when she learned the leg was not broken. However, the ligaments in the ankle were torn and a fiberglass cast was put on her leg. She would miss the remainder of the season.

The heartbreak of this young lady was evident the next day. She cried for a week after learning she could not play basketball any more in her senior year, then cried even more when her coach suggested she sit out the track season in an effort to rest her leg.

Basketball was one thing, track a totally different subject. Gundry was NOT going to miss her final track season. So, after wearing the cast for three weeks, she began the painful return to track. By the opening match, she was back in the lineup, and although her ankle gave her problems, she was determined to compete. She could have given up. Everyone would have understood. She had nothing to prove. Barbara Gundry would not hear of it. You can label different athletes with different titles. Label Barb Gundry, 'tough'.

After graduation, Gundry chose Montclair State College to continue her education. She is currently a first semester senior at MSC, where she hopes to graduate in December of 1986. In the meantime, she is now coaching at her alma mater, and enjoying it very much.

"I want to coach the same way I competed," Gundry said. "All I want from the athletes is 100 percent and dedication. That's really important, dedication. You have to have that in order to be successful."

Fuccello was also very happy to see Barbara coaching at Belleville.

"Athletes like Barbara Gundry make it worthwhile to be coaching," she said. "I'm glad to see her coaching, she'll do a great job."

On a personal note, welcome home, Barbara. As the song, "Hello Dolly" says, "It's so nice to have you back where you belong."

Gerry Faust

One of Gerry Faust's former players said of the coach, "he represented everything Notre Dame stood for, he just didn't win enough football games." It just goes to show how big college football has become. Sometimes, character and class is not enough in the big business world of Division I-A College Football. All you hear about Faust is what a fine, classy man he is. He just didn't win enough games.

Giants and Jets

Will there be an all New Jersey Super Bowl? The Jets and Giants both have big games this weekend, and if they win, could take a giant step toward the ultimate prize. The Jets play host to Chicago, where they will be a slight underdog. I think the Jets will be up for a big game and might win by two touchdowns. Although Chicago is not about to lie down, the Bears have clinched the home field advantage for the entire NFC playoffs and they're not about to risk an injury in this game. The Giants have a big game, as well, in Dallas and the stakes are much higher. Both teams need the game, desperately. I like the Giants to pull the big win, beating Dallas on their home field for the second straight year.

Coach enters 14th year

Young team prepares for girls' basketball

It now seems light years since Jennifer Apicella was flirting with, and later, breaking the state scoring record. Jenny is now a sophomore at Holy Cross University and a host of young girls are looking to make their marks in the annals of Belleville High School girls basketball.

Head coach Karen Fuccello, entering her 14th year of coaching, is coming off a 9-13 mark last season. To make matters worst, Belleville is without Donna Brooks, the star center of the past four years. Brooks is now at Montclair State College, having graduated BHS last spring.

Only three players return this year with varsity experience. Senior Desiree Johansen, junior Laura Caruso, and sophomore Judy Nehlia saw playing time last year, although Nehlia and Caruso didn't start playing consistently until the later portion of the 84-85 season.

"We have a lot of youth on the team," Fuccello said. "I'm not going to hesitate in using freshman and sophomores this year. I'm looking for players who are dedicated to the program and looking to work. A lot of the young players seem to fill that bill."

Johansen, a senior, has been a member of the team for four years now. Last season, she led the team in scoring, with a 10.9 ppg average. This year, she will probably pick up more of the offensive burden, now that Brooks has graduated.

Fuccello is hoping that Johansen will get some help from Nehlia, a sophomore guard who has excellent fundamental skills. Nehlia is quick to learn

the complicated offenses and showed good signs last year. If she settles in quickly, then Belleville will be in decent shape on the offense.

Caruso also saw playing time last season and can play forward or center.

"We'll be working with a three forward, two guard offense," explained Fuccello. "Sometimes, we might have three guards and two forwards. There are a number of combinations I might try."

Seniors Dina De Medici and Tracy Delaney should also see playing time. Freshman guard Laurie Dondarski has looked very good in practice while another freshman, Maria Longobardi, a forward, could see varsity time quickly. Also looking good in practice have been Raquel Melson, Simone Edwards, Nicole Wright, Lynn Bove and Danielle Pizzi. Edwards and Pizzi are freshmen, Melson and Wright are sophomores and Bove is a junior.

The girls, who open the 1985-86 season against Columbia on December 20, at home, scrimaged Walkill Valley last Friday and battled Bayonne last Monday. The team hosts Long Branch tomorrow and plays Orange, also at home, next Monday in scrimages.

"The scrimages have been a chance to try the offense and see what works," Fuccello said. "We haven't worked on our defense yet and time is running out. We only have 15 working days from the first day of practice to the first regular season game. Basketball is such a com-

Indoor track team works on running the distance

The Belleville indoor track team is practicing every day, getting ready for its first invitational, set for December 21, at East Stroudsburg.

Head coach John Tosato has an assistant coach this season, a new, but familiar face to Belleville High School. Assisting Tosato is Barbara Gundry, a 1982 BHS grad and one of the finest female track athletes to graduate BHS. For more on Gundry, see Buc Shots.

"Right now, we're trying to get people who did not run cross country, into shape," explained Tosato. "The cross country runners come in in pretty good shape. The others will take

longer. Right now, every one is working on distance. The hurdlers are learning the fundamentals now and should be working regularly in another week."

Gundry will work with the runners while Tosato will take charge of the field events, the hurdles and high jump.

Three seniors highlight the running attack. Nick Compitiano, Willie Chandler and J.R. Di Vincenzo return with experience and should do well. Compitiano will concentrate on the quarter mile and the hurdles. He had a fine cross country

Experienced players return to '86 squad

By Michael Lamberti

First the bad news. The Belleville football team was 2-7 this year, having scored just 38 points and suffering six shut outs. At first glance, you might think, 'what could possibly be good'.

Now the good news, and despite the sub par record, there are good things on the horizon. The Buccaneers return a host of players from this years team, players that now have varsity experience. It's a big difference from the beginning of this year, when head coach John Senesky said that just about every position was up for grabs.

Senesky, who now has a career coaching mark of 53-27-1 (for regular season play), and his coaching staff had a big 'teaching' year. Wins were not easy to come by and the younger players that will return in 1986 should have plenty of incentive to rebound with a vengeance.

"The key to the season was inexperience at key positions," Senesky said. "Our backfield was all underclassmen, with the exception of Sean (Mulcahey, senior running back). The offensive line was rebuilt (from '84) and our defense was basically new. A lot of younger players got a chance to play."

All told, 17 juniors and four sophomores saw extended playing time. The players showed a good deal of potential. Especially pleasing was the defense, which allowed just 85 points over nine games, an average of just 9.4 ppg.

"The defense was certainly pleasing," the coach said. "In other years, with a defense like that, we would have been in the playoffs. This year, the breaks didn't come. In previous years, we would get a break, or two. This season, we couldn't capitalize on our chances."

The biggest disappointment, according to Senesky, was the teams inability to score over the last five games.

Boys' basketball coach says teams needs work

Last summer, Rocco Colucci was very happy to announce that his Buccaneers would compete in the prestigious Elizabeth summer basketball league. His team would get the chance to play top state competition and get a jump to the '85-86 season.

Now, three and one half months later, Colucci is not taking like a coach whose team is vastly improved over the '84-85 campaign. He is disappointed in the early signs his team has shown in practice this fall.

The Bucs (2-20 last year) open the season, on the road, at Bergen Catholic, on December 20. Tip off is set for 7:30 p.m., but the coach is not thinking that far ahead. Right now, consistency in practice and a good attitude is essential.

"We're no where near where I'd like to be," the coach said last Monday. "A lot of things need to be worked on. Concentration. Responsibility. It's all in their (the players) hands. I'm a little behind schedule at this point as far as preparation is concerned."

There are players who return from last year that show a great deal of potential. But, Colucci warns, potential will not make a team a winner.

"I'm expecting a lot of certain players," the coach said. "It's up to them to come through."

Senior Donald Washington and sophomores Ted Schacki and Leon Puentes were starters on last years team and should be

"After a while, it became more mental than physical," Senesky said. "The kids just couldn't find a way to get into the end zone."

After defeating Bloomfield, 24-6 in week four, the Bucs were blanked by Passaic, Clifton, Kennedy, Montclair and Nutley. In all five games, Belleville hung tough, but couldn't capitalize on opportunities.

"We could have set a state record for scoreless ties this year," Senesky said, referring to the Bergen Catholic, Clifton and Kennedy games.

In all three games, Belleville was scoreless late in the game, then made a key error to allow the opponent to win. Versus Bergen Catholic, a field goal with :06 left in regulation time was the down fall. Against Clifton, a penalty in the late stages of the game set the Mustangs with a 6-0 win. Later, against Kennedy, a bomb in the fourth quarter caught a surprised Buc defense and Kennedy won, 7-0.

With just a few breaks, the Bucs could have been 3-3. The Don Bosco loss, an 8-2 setback on opening night, saw the Bucs lose on a broken play, long bomb that fell down in the third quarter. Belleville was winning, 2-0, at the time.

On offense, Mulcahey will graduate this spring after a good career at BHS. The senior was a good runner and played excellent defense this season. He's also a class person who should do well after his high school years.

Senior Dave Long, an all NN-JIL and All Area selection at linebacker, excelled on the gridiron. Long also played tight end, scoring a touchdown in the Bloomfield game and leading the team in receptions.

On defense, seniors Dave Silletti, Bob Ferucci and Donald

(Continued on page 14)

in the opening night lineup. Washington, a strong forward, should be effective under the boards. Schacki, a forward, has a good shooting touch and should be the offensive leader of the team. Puentes, a guard, will run the point position.

"Leon has to show leadership every day," Colucci said. "It has to come naturally. He has to come to practice, ready to run the offense every day."

While Colucci is not looking at the NNJIL schedule he has to face, it should be mentioned. In addition to Bergen Catholic, the Bucs slate is dotted with powerhouses Montclair, Paterson Eastside, Paterson Kennedy, Passaic, Nutley, Bloomfield, Don Bosco Prep, Teaneck and Paramus. Belleville will also compete in the Tri County Christmas tourney, joining North Arlington, Kearny and Queen of Peace at North Arlington High School. The tourney starts on December 27, with Belleville playing Queen of Peace and North Arlington taking on Kearny.

Later, in February, Belleville will have the rare honor of playing in the Meadowlands Arena, against Kearny, prior to a New Jersey Nets game. That should be a big night, not only for the players, but for the entire program.

While the season is still in the scrimage stage, Colucci is hoping his team can get ready for the rigorous schedule that awaits them.

Palsy Center offers daily food program

The Cerebral Palsy Center of Essex & West Hudson has announced that low cost, nutritious school lunches and/or breakfasts are available to all children enrolled. In addition, meals will be provided free or at a greatly reduced price to children from households whose gross incomes are at or below those shown for their household size on the income scale below. Applications for Free and Reduced Price Meals were sent to the households of all children enrolled in the schools.

Foster children are often eligible for free or reduced price meals. Application forms are available at your school and application can be made at any time during the school year. If a household member becomes unemployed, or the family size or income changes during the school year, parents should contact the school so that all children receive the proper benefits.

For the school officials to determine eligibility, the household must provide the following information listed on the application: names of all household members; social security numbers of all adult household members or a statement that the household member does not possess one; total household income listed by the amount received by each household member and the type of income it is; and the signature of an adult household member certifying that the information provided is correct. Households are required to report increases in household income over \$50 per month or \$600 per year and decreases in household size.

The information provided by parents on the application will be kept confidential and will be used only for the purpose of determining eligibility.

The school will advise parents of their child's eligibility within 10 working days of receipt of the application. Any parent dissatisfied with the eligibility determination may contact the school to request an informal conference or may appeal the decision by requesting a formal hearing. A hearing can be arranged by calling or writing Phyllis A. Burgess at 7 Sanford Avenue, Belleville, N.J. 07109. (201) 751-0200.

Parents may call Kenneth Watson at 751-0200 for further information on the program. Once determinations are completed, school officials are required to verify a minimum of three percent of the approval free and reduced price applications on file.

In the operation of Child Nutrition Programs, no child will be discriminated against because of race, sex, color, national origin, age, or handicap. Also, the names of those receiving free or reduced price meals will be kept private. Children who receive free or reduced price meals are treated the same as children who pay for meals. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

Bucs end season with 2-7 record; young players return to '86 squad

(Continued from page 13) Washington were outstanding. Silletti was a fine defensive end, Ferucci played well in the secondary and Washington, a fine all around athlete, did a very good job at end.

Nick Cerami was a leader on the defensive line, as was Anthony Pucciarello. Joe Delle Monache, a senior, led the secondary with six interceptions.

Returning next season, in the backfield, will be juniors Frank Montagna, Jim Dunphy, Dan Senesky, Dan Harrington and Lou Lucante. Sophomores Jay Marchese and Jeff Spillsbury should also be solid additions. Marchese was excellent in the backfield, both offensively and defensively. Spillsbury ended up as the starting quarterback and has an excellent arm.

Montagna, Dunphy and Lucante are all excellent runners, with good athletic ability. Senesky and Harrington also know the offense now and should be a big part of the '86 team.

Jon Nardichone did well at tight end this season and Jaime Galioto, a junior, will be back at split end. Galioto could be one of the best receivers in the conference next year, if he keeps working on his skills.

On defense, junior John Magi was outstanding at linebacker. It seems that Belleville is the Penn State of local high school football. When one linebacker graduates, another is there to fill the bill. Previous outstanding linebackers include Anthony Santinelli, Rick Racioppi, Phil Cerza, Craig Mack, Rich Mozeika, Long and now, Magi.

Corey Wells started the season on the defensive line, but a serious knee injury in the opener has his status questionable for '86. Juniors Joe Coviello, Nick Cardillo, Gerard Corbo, Dave McNeill, Al Best and Dunphy, along with Marchese, will be back to spearhead the '86 defensive attack.

Goldrick, Cook are named to All-IAC teams

Liz Goldrick of Belleville was recently named first team All-Women's Intercollegiate Athletic Conference (WIAC) for her performance on the New Jersey Institute of Technology's women's volleyball team.

The Highlanders won the championship of the WIAC, capturing the university's first women's championship. The team's season record was 14-6.

In addition, Brian Cook of Belleville was named All-Intercollegiate Athletic Conference for his performance as goalie on the New Jersey Tech's men's soccer team.

The team's season record was 7-11-1.

New assistant track coach helps indoor team with running skills

(Continued from page 13) season and did very well last spring for the outdoor team. Chandler had a marvelous season last spring and will be a sprinter this winter. He could also see time in the half mile. Di Vincenzo, who competes for cross country, indoor and outdoor track, will work in the quarter mile and sprinting events.

Working with the shot put are Jon-Paul Lenczuk and Paul San-

tinelli. In the distance events are John Zurlo and Larry Leyson, both juniors and sophomores. Greg Moriello and Bob Schiebel.

For the girls, Joyce Loungo, a sophomore, and Donna Lee Daudelin, a junior, will work in the middle to upper distance events. Lisete Colon, a junior transfer student, will compete in the middle distance events. Senior Lisette Rodriguez will take part in the high jump.

Sandy Cotter, a senior, has looked good in the shot put and middle distance events.

The indoor season is basically one for invitational meets. There are no dual matches, so it's a good time for the athletes to round into shape for the outdoor campaign.

Get rid of your snow shovel.

If you're tired of clearing snow with shovel power, try horsepower. Honda's 7HP snowblower is self-propelled and comes with tracks or wheels. It's powerful enough to cut through snow that's days old as well as freshly fallen snow, and throw it 39 feet. And with three forward speeds and reverse, Honda's snowblower lets you work at your own pace.

Two teams share lead in men's volleyball

Two undefeated teams share the lead in the Belleville Recreation Men's Volleyball League.

Personal Fitness Center is 3-0 after defeating Valenza Optimists in two straight games, 15-6, 15-6.

B.F.D. Heat (3-0) also remained undefeated by topping

Mystery, 15-6, 9-15 and 15-9.

V. Sylvestro's stands in second place at 2-1 after setting back M.D.A. and Co., 15-1, 6-15 and 15-1.

Belleville Political and Social Club earned its first victory by sweeping the Oldtimers, 15-9, 15-6.

Basketball league is forming for children in grades 3-8

The Belleville Recreation Department is forming a basketball league for children in grades 3-8.

The league will be conducted for boys and girls on Monday nights at the Belleville Middle

School boys' gym from 6:30-8:30 p.m.

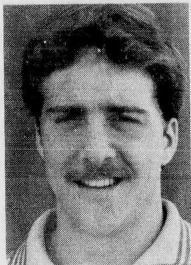

Interested players should pick up application forms at the recreation office, 407 Joramemon St., no later than Friday, Dec. 20.

Woods named to third team in conference

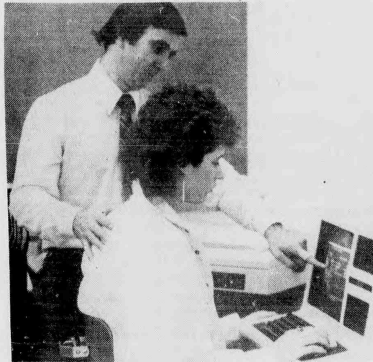

Brian Woods of Belleville, a member of the Trenton State soccer team, has been named to the New Jersey Athletic Conference third team.

Woods, one of four seniors on the team, tallied one goal and had three assists while starting 19 of the Trenton State Lions' 20 games.

He is a graduate of Belleville High School.

New computer course incorporated at BHS

Microcomputers have become an integral part of the technological age that has arrived at Belleville High School.

Key punch machines and instruction will soon be replaced with microcomputer instruction. The new curriculum, entitled "Introduction to Data Processing," will be available to 11th and 12th graders and will include instruction on TRS/80 microcomputers with printer.

"We plan to get several more printers," Mr. Ernest Musmano, supervisor of the Business Department, said. "Then we can further update the daily instruction utilizing the microcomputers more extensively."

Software and supporting supplementary materials have been purchased and the course is now operational. Instructors for the course will be Mr. Daniel Grasso and Mr. Michael Welsh.

Willies

By Lisa A. Grimaldi

Willies in Bloomfield has an amazing variety of food, (I counted over 300 items on their menu!) whether you go there for breakfast, lunch, or dinner; a meal or a snack, Willies is sure to please all. It is open 24 hours a day, seven days a week, and the quality of the food and service never varies.

Willies full meal specialties include fresh seafood, charbroiled steaks, and home made pastas and Italian dishes, such as shrimp and eggplant parmigiana.

For those who want a lighter meal, lunch or snack, Willies has a full line of tasty sandwiches (club, hot, or cold), hamburgers (eight varieties), and a generous selection of cold salads.

Willies is located at 9 State Street in Bloomfield center. The phone number is 748-7417. All menu items are available for takeout. There is a convenient ramp at the entrance so it is very accessible to handicapped persons.

Rec preschool program holds registration

The Belleville Recreation Department is conducting registration for its preschool play program for 4-year-old children. The program, which begins Jan. 27, consists of games, stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for preschool children.

The cost of the 15-week session is \$45. Sessions are conducted from 9:15-11:15 a.m. five days a week, under the direction of Mrs. Suzanne Ianni.

Mothers of the children attending will serve one duty day about every eight or nine days according to a published schedule.

For information and enrollment, call the recreation department at 450-3422, Monday-Friday, 8:30 a.m. - 4 p.m.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

"Tis the Season to be Jolly"

Mrs. R. writes: "I was very nervous when my dentist told me I needed a root canal. Friends of mine told me I would be in pain, swell, and I should have the tooth out. Well, I had the root canal done and it was painless. I had no problems at all."

Thank you Mrs. R. I think there's a handful of people that go around and try to scare everyone who wants to save their teeth via root canal. The great majority of time root canal proceeds with little or no problem. Merry Christmas Mrs. R. I'm glad you received an early surprise present.

Belleville students enjoy Thanksgiving festivities

Holiday Feast - These fourth grade girls at School 7 recently enjoyed a Thanksgiving celebration complete with Pilgrim food and Indian games.

Young Pilgrim - This little girl was among the kindergarten, first and second grade students who enjoyed a Thanksgiving feast at School 4.

In Any Language - Fourth grade students and those in the English As A Second Language program at School 7 recently celebrated the Thanksgiving holiday by singing a song of thanks in different languages. The program was coordinated by Mrs. Roxanne Flocke, Mrs. Betty Follansbee, Mrs. Martha Carson, Mrs. Isabelle Villano, Miss Pam Siroock, Mrs. Mae Hoey and Mrs. Michele Addis. School photos were taken by Fran D'Agostino and Alison Procar.

Photos by Michelle Jeannotte

Horn of Plenty - Kindergarten, first and second grade students at School 4 ate an abundance of food at a Thanksgiving feast. The menu included turkey, stuffing, cranberry bread, corn muffins, fruit, nuts and apple cider. Coordinating the program were Miss MaryLou Mele, Miss Marie Rinaldi, Mrs. Bush and Mrs. Lucille D'ambola.

Row of Pilgrims - These young Pilgrims took time out of their school day to participate in a Thanksgiving feast at School 4.

Harvest Time - Families of students at School 4 recently donated trays filled with different items which were displayed in the school auditorium and later raffled off. The "Tacky Tray" committee included: Nicki Ann D'Andrea, Toni Gammato, Doreen Sena, Marie Catenacci, Maria Williams, Sue Scanzillo, Michelle McIntosh, Donna Fede, Claudia DiModica, Carol Landosca and Linda Jeannotte.

TAX SALE

NOTICE OF SALE OF PROPERTY FOR NON-PAYMENT OF TAXES, ASSESSMENTS AND OTHER MUNICIPAL LIENS

PUBLIC NOTICE IS HEREBY GIVEN that the undersigned, Collector of taxes of the Township of Belleville, in the County of Essex, will sell at public auction in the Council Chambers in the Township Hall of said Township on

TUESDAY, JANUARY 7, 1986

at 11:00 A.M. the following described lands:
Said lands will be sold to make the amount of municipal liens chargeable against the same on the first day of July, 1985 as computed in the following list together with interest on said amount from the first day of July to the date of sale and costs of sale.
Said lands will be sold in fee to such persons as will purchase the same subject to redemption at the lowest rate of interest, but in no case in excess of eighteen per centum annum. The payment for the sale shall be made before the conclusion of the sale or the property shall be resold.
Any parcel of real property for which there shall be no other purchase will be struck off and sold to the Township of Belleville in fee for redemption of eighteen per centum, and the municipality shall have the same remedies and rights as other purchasers, including the right to foreclose the right to redemption.

The sale is made under the provision of an act of the Legislature entitled, "An Act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the creation and enforcement of liens thereon." (R.S. 54-5 to 54-5-111).
At any time before the sale the undersigned will receive payment of the amount due on any property, with the interest and costs incurred up to the time of payment.

The sale is made under the provision of an act of the Legislature entitled, "An Act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the creation and enforcement of liens thereon." (R.S. 54-5 to 54-5-111).
At any time before the sale the undersigned will receive payment of the amount due on any property, with the interest and costs incurred up to the time of payment.

Given under my hand this second day of December 1985

A Grand Union improvement that helps you pick the ground beef best for you.

Grand Union Four-Way ground beef gives you Guaranteed Lean Beef Content. Four-Way Ground Beef from 75% Lean (guaranteed 75% lean beef), to 80% Lean, to 85% lean, to 90% Lean (guaranteed 90% lean beef) gives a choice for different cooking purposes, for different diets, for different budgets.

On a low-fat diet? Go for the 90% Lean. Broiling or barbecuing? A little more fat will keep hamburgers from becoming dryburgers. Watching the budget? You'll still get very good nutrition in the 75% Lean, save the most \$\$\$.

**EVEN A BORN ATHLETE
SHOULDN'T START
WALKING IN SNEAKERS.**

When learning to walk, an infant may actually be better off in leather-soled shoes from Stride Rite® than in sneakers. Because for one thing, the shoes have soft, flexible soles that are much less likely to "catch" on rugs or tile. So they're less likely to cause a forward fall.* The sneakers come later, after a proper and healthy gait has been developed.

From Dec. 16 to 23
Open Evenings
til 8 p.m.

StrideRite®

*As indicated by research, infant shoe-sole design, under roll-in time, 3 years is said to coincide with normal gait quality. At 3 years old, 90% of infants are walking on tiptoes, according to a study of 100 children. It's also said that only 50% are walking.

Every car we sell gives us a chance to strut our stuff.

We at Crown Chevrolet want to take time during this holiday season to wish our many friends and customers Seasons Greetings.

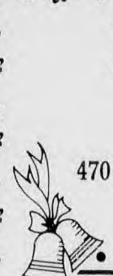

At Crown Chevrolet our 30 dedicated, experienced employees work hard to give you the best possible service and selection at the lowest possible price.

Our sales staff represents over 81 years of automotive experience. This expertise helps them tailor a lease or purchase plan to suit each individual's needs. Whether you purchase a new or used car; whether you lease or finance, our sales staff is here to help make everything go right for you.

After you take delivery of your car the hard work, skill and experience of our service technicians will assure you continued excellent service at low prices.

Lassale.
 New definition of elegance.

The most elegant timekeeping, bar none, endowed with a handsome titanium finish and a heritage of peerless performance. Created for two in a rare, smoky grey coupled with gold-tone, with the dash of a black dial. Lassale. The heritage is obvious.
