### Howard Relocation Group will provide services to government agency personnel

The New Jersey-based Howard Relocation Group (HRG) has been awarded a government con-tract to provide relocation services in 14 northeastern states to the personnel of a number of federal agencies

personnel of a number of National agencies. The Howard Relocation Group is a subsidiary of the \$3.7 billion asset Howard Savings Bank of New Jersey.

New Jersey. The group's president, Edward B "Arch" Kennedy, suid the con-tract, awarded by the General Ser-vices Administration (GSA), basically covers relocation of per-sonnel employed by five govern-ment units, the Department of Agriculture, Department of Com-merce, Office of Personnel and Management, the Smithsonian In-stitution, and the Health and Human Services Department of the US Public Health Service

Kennedy pointed out, however, that under the terms of the con-tract several other federal agencies may avail themselves of the relocation services provided if they choose to do so. He estimated that the contract would involve some 1.300 moves annually. The contract, one of five regional garact present

1.300 moves annually The contract, one of five regional pacts recently a warded by the General Services Administra-tion, covers the Mid Atlantic and New England areas and north eastern states west to Michigan, as well as Puerto Riso. The north eastern regions in the largest of the five in terms of projected moves.

Todal Tripucka, Howard Relocation, Group's director of governmental services, noted that his organization's responsibilities under the contract are nationwide in scope in the sense that it will handle all the details of relocations organizing in the northeastern region. The contract entails relocating northeastern transferees

Express your gratitude. Worship your God. Gladden the heart of a child. Take pleasure in the beauty and wonder of the earth. Speak your love. Speak it again. Speak it still again. Speak it still once more. more

#### Urban ambush

They came down from Bergen on a mission of goodwill, and they were ambushed. There were three of them --

a male guitarist, a female singer and a helper. They had just finished a benefit perfor-mance at Studio I, a nightclub near Washington Avenue, one block south of the Belleville

line. Through their volunteer efto send three children with cancer to DisneyWorld this summer.

summer? They entered our area via Route 21, taking the Mill Street exit to Washington Avenue, ex-pecting to use the same route to return home. However, being unfamiliar with Essex, the trio was un-aware that in order to get to 21 North, one must first drive back into Newark, past some of the most crime-ridden housing projects in the county.

the most crime-ridden housing projects in the county. At about 4 a.m. near the cor-ner of Grafton Avenue and Mc-Carter Highway, a carload of suspects pulled out in front of the trio's vehicle, cutting them off just before the Route 21 eptrance ramp.

entrance ramp. Then, according to Newark Police, a second carload of suspects blocked them from the rear, preventing any chance of escape.

that eight suspects armed with baseball bats pulled them out, stealing their money, jewelry, equipment, and finally their

The male victims were club-bed senseless, suffering in-juries ranging from cuts and bruises to a mild concussion, while the female victim, thank

while the female victim, thank God, was merely robbed and al-lowed to flee. Later, they were treated at Clara Maass Medical Center and released. The good news is that another trio of good samaritans witnessed the crime and provided Newark Police with names and statements. Six of names and statements. Six of the suspects have since been apprehended.

apprehended. This incident, not the first say officers at Newark's North District Precinct, represents a new level of organized street crime, a carefully planned urban ambušh in which suspects, using stolen cars, lay in wait to literally "head them off at the pass." Until such criminal activity in that area, less than a mile from our border, can be effec-tively corralled, we urge that all Belleville signs for Route 21 be changed to redirect traffic to

be changed to redirect traffic to the Main Street ramps, one mile north and safely within our township

## What this town needs is more ratables now

To the editor: When we give some politicians too much power, we are asking for trouble. This came to light in New York and New Jersey and other entires, methading Belleville. It's a disease they enjoy at tappaver's expense. The new municipal complex created a storm of protest by the people and an at mosphere of distrust for the commu-sioners and outside politicians who may also be involved. It should be discarded You do not spend over \$10 million-mones you do not have for a new com-plex we do not need and put the town in debt for many years to come. A debt for town is a blessing like a home tree nortage en tag yeas the people peace of mut.

The most as a constraint for a more property of the second star and second second star and second star and second star and second star and sta

Newark. Many of us retired entrems are using a part of our Social Security check to pay our tases. If they go any higher, we could lose our homes. This has been done in some cities in Texas. Many peo-ple lost them homes by default. They could not pay the expenses and the barks are also tholding the bag with many homes they cannot sell at any price.

The second secon

Believille The new municipal complex is a sciolus mistake. Thave a better plan that could solve the problem. We have four wards in Believille For better polse pro-torston, each ward should have its own polse station. There will be no increase in the police department. Each station will have the same amount of police. Pathinark an Belmont Avenue would be a good place to build one in the Fourth ward. Phat plan will save the town millious of dollars. Albert Guideadi.

Seniors fight back

The Senior Citizens Club of Belleville, along with other county groups, is fighting to keep down health care costs for the elderly.

According to a recent study, According to a recent study, the elderly are spending 15 per-cent of their incomes - an average of \$1,660 per person in 1985 - for health care costs. And the costs continue to rise." Senior citizens are one of our

provide younger generations with a wealth of knowledge and yet sometimes, they are treated like lower-class citizens. It is a shame that after

citizens. It is a shame that after putting in their years of service in the workplace and at home, senior citizens are subjected to such atrocities. The senior citizens in Essex County are supporting legisla-tion which requires physicians, including dentists, optometrists and chiropractors to name a few to accept a Medicare As-

signment program - a program whereby Medicare pays for 80 percent of an elderly patient's bill. Unfortunately, only one out of three doctors nationwide ac-cepts the Medicare Assignment program.

Senior citizens are providing an incentive for more physi-cians to join the Medicare As-signment program by putting the names of those doctors who accept the program into senior accept the program into senior CITIZENS newStetters throughout the county. Appeal-ing to the egocentricity of physicians seems to be one of the ways senior citizens can fight their battle. We urge physicians throughout the county to think about our senior citizens. Con-sider the problems they may encounter when they cannot

encounter when they cannot pay a bill because they had to use their Social Security check to pay the rent or buy a bag of groceries.
