WRITING ABOUT EVILS — Middle School students wrote essays about drugs and the problems they cause. Standing are the winners and the presenters. Left to right: John Thomas, who along with Parkwood Pizzeria & Restaurant sponsored the contest, Leigh Ann Herschell, Domenica Grippi, Crista Trippode and Principal Mario DiMaggio. (Photo by Pat Brightman)

Mall testimony for Kidde site completed before zoning board

Testimony on a use variance on the Walter Kidde site for a shopping mall was completed at the Belleville Zoning Board meeting Tuesday night but the attorney for the applicants delayed summing up the proposal until the July 5 meeting.

Barry Osmun, representing Route 21 Associates, said he would prefer to summarize the case next month to give board members who were not present time to read the transcripts and vote in July.

If the Zoning Board approves the use variance, Route 21 Associates would still need site plan approval before construction of the 23 and one half acre property could begin.

Six witnesses testified before the board, covering all aspects of the project. Co-owner Harold Finkelstein, as well as an architect, traffic consultant, marketing representa-

tive, real estate appraiser and planner all spoke to the five member board.

Finkelstein explained since he and his brother, Jerry, had purchased the property in 1983, they have had difficulty finding a use for the extra 260,000 square feet. The two had purchased the land for the approximately 150,000 square feet needed for their tire warehouse center.

"We've been propositioned by every wrong alternative," said Finkelstein as he described how they attempted in vain to rent or sell the extra land. "We finally have something on the table that is good for me as a businessman and good for the community."

Al Newman, director of real estate for Pergament Home Centers, one of the two major stores in the proposed mall, said between the home center and Waldbaum's,

the other major store, close to 400 new jobs would be available to Belleville residents. He also said the store would have security guards and plain clothes security for customers and the store.

The traffic report filed stated Main Street has adequate space for the additional traffic and both major intersections near the site are capable of handling the extra vehicles.

105-point tax increase

Belleville receives extra \$664,798 to reduce taxes

By Pat Brightman

The town will receive over \$600,000 in additional funds from the state which will reduce the taxable portion of the Municipal Budget by approximately eight and one half points.

The Board of Commissioners passed three resolutions last week during a special meeting that will reduce the amount raised by taxes by \$664,798.57, from \$15,445,237.79 to \$14,781,439.58. One resolution dealt with Belleville receiving an additional \$403,696 in Distressed Cities Aid, one for a \$225,000 grant from the Department of Environmental Protection, and a third which revised the Municipal Budget to include the new funds.

With the reduction in tax points, the overall tax increase will be 105 points, if the School Budget cuts of \$886,641 are upheld by the New Jersey Department of Education. The Municipal Budget increased 79 points, of which 67 is attributable to Haulaway's waste removal contract and waste dumping fees. The School Budget, with the cuts, shows an increase of 37 points, while the county budget is reduced by 11 points.

Also included in this year's budget is \$95,000, which the state Department of Education restored to last year's School Budget, after the Board of Education appealed the cuts made, according to Belleville Finance Officer Isadore Padula, Jr.

Both the revision to the budget and the grant were approved unanimously but the Distressed Cities money was passed by a 4-1 vote, with Commissioner of Public Affairs Joseph Fornarotto voting against the resolution because he had legal questions regarding the resolution and Town Attorney Frank Cozzarelli was not present. Commissioner of Parks and Public Property Vincent Frantantoni had questions about the number of police and fire officers but voted for the resolution.

Padula explained under the guidelines for accepting the Distressed Cities money the town can not lay off police and fire personnel. Frantantoni asked if loss of personnel through attrition would be permissible and Padula said he was not sure but personnel figures could not be lower than 1985 numbers.

Belleville had originally requested for \$1 million in Distressed Cities money but only received \$396,304. The extra money was awarded after an evaluation of the

town by Division of Local Government Cities. The Division determined if Belleville had not received the extra funding lay offs would have happened.

"We were very lucky to attain an extra \$403,000," said Padula. "We're very appreciative."

"I'm very disappointed (in the budget)," said Frantantoni. "I've tried to hold the line and keep my budget where it was last year. The increases I did not take, you (Mayor Michael Pizzi) put in your budget. I think you should keep your budget within the five percent cap."

"My budget includes anticipated negotiations," countered Pizzi. "In the spirit of being fiscally responsible I would have to say I have to keep my budget the way it is. Money is going to have to come from somewhere." Pizzi also said other departments may not have taken into consideration future expenses.

Fornarotto agreed with Frantantoni, suggesting Pizzi should lay off some employees but Pizzi remained firm, saying he would not lay off any police or fire personnel.

Board of Ed approves Middle School repairs

Work on Belleville Middle School and asbestos removal from all town schools were approved by the Belleville Board of Education at its meeting Monday night.

The board also discussed the review by school administrators of the shortened lunch periods at the elementary level at the meeting.

NTE Corporation was awarded the contract for the exterior restoration of the middle school. According to Board Secretary/Business Administrator Edward Appleton, five bids were received for the project with NTE's bid of \$49,500 being the lowest. The money for the restoration will come from the

1988-89 school budget, Appleton said.

"I still have to meet with the architect and then make a schedule with the contractor," replied Appleton when asked when work would commence.

Three separate contracts were awarded to companies for asbestos removal and reinsulation of the schools' within the district. Nine bids were received for the job with Duall Inc., Niram Inc. and L&C Europa Inc. each awarded specific schools to work on. A total of \$305,819 will be spent on the pro-

(continued on page 5)

\$120,000 allocated

Lack of funds has stopped curbside pickup

The ever increasing cost of garbage has affected the town again as curbside pick-up has been discontinued because of lack of funding.

According to the Commissioner of Public Works Angelo Risoli and Deputy Director Chester Green the money allocated for the entire year, \$120,000, would be evaporated by July if the program were to be continued.

"We'd be glad to do it if we could," explained Risoli, "but we can't because we don't have the money." Risoli said the money remaining from the \$120,000 will be used later in the year to remove sewage waste.

"We just cleaned the yard which cost a lot of money," said Green. "(If we had kept up the clean-ups) Come July we would have to put the debris in the yard again and we would have to use 1989's money just to clean the yard up."

Green explained two years ago the town paid \$38 per truck load but because of the closing of the Hackensack Meadowlands Dump it skyrocketed to approximately \$200 last year and even further this year.

"Most trucks cost around \$400 or \$500 (a load)," said Green as he flipped through a large pile of receipts from dumping. "It varies in weight but the majority are around \$500." Green displayed the dumping schedule of the truck used exclusively for curbside clean-up. It revealed the truck, with a capacity of five tons, has made as many as five trips in one day to the dump site. A look of the complete yearly trips showed an average of approximately two to three trips per day.

Service abused

A problem has been abusing the service, according to Green. A tour of town showed some individuals with nothing to be picked up, others with small bundles, while more than a few had large piles of debris to be removed. Green and Risoli estimated that three piles seen would cost the town approximately \$3,000 to remove.

"Is it fair for someone to have \$1,000 (worth of debris) while a neighbor has nothing?" asked Risoli.

"We can see picking up small

(continued on page 2)

NOT O.K. — Piles such as this one have destroyed the curbside pick-up Commissioner Risoli said. To pick-up this pile would cost the town approximately \$1,000 according to Risoli, much more than the town can pay for a single homeowner. (Photo by Pat Brightman)

O.K. — This pile left on the curbside would be no problem to pick-up according to Department of Public Works Angelo Risoli. These piles have not caused the problem, he said. (Photo by Pat Brightman)

Belleville POLICE BEAT

By Pat Brightman

A bomb threat at K-Mart June 2 proved to be unfounded after police and fire officials checked the store for an explosive device.

A store clerk received a call at 7:15 p.m. from a male who said a bomb was in the store and it would explode in 30 minutes. Several seconds later a second call was made to the clerk with the same message. Police and fire specialists investigated the scene and found nothing.

A 19-year-old Newark man and a juvenile were charged with shoplifting in K-Mart June 2.

William Rivera and the youngster were arrested after attempting to trade-in the shoes they wore into the store for two new pairs from the shelves.

The Cee-Sam Service Center on Main Street was burglarized during the early morning hours of May 31. The owner claims \$5,000 was stolen

by the thieves, who gained entry by breaking a plastic window in the garage.

The owner said the alarm was not turned on because there had been some difficulty with the system. The case is still under investigation.

A home on Washington Avenue was broken into and ransacked May 30. The owner discovered a broken bedroom window on the second floor and the room searched. Approximately \$405 worth of items were taken, including a leather jacket, a tapestry, guitar and 20 cassette tapes.

An attempted burglary in School 8 occurred May 29 but a search of the school by police and maintenance revealed nothing was stolen by the vandals.

A call came in to police headquarters from an unknown party who notified police a metal window guard was removed and the window partially opened. The investigation revealed no materials vandalized or missing.

One thousand dollars worth of damage was done to a wooden and chain link fence on Rutgers Street. It is unknown what the cause of the damage was, but it appears either a truck or car backed into the fence or sideswiped it.

ANOTHER AWARD WINNER — Gall Davenport (right) received the Kenneth L. Zarro Scholarship from Mrs. Charles at the Awards ceremonies earlier this month. The Times will continue to show pictures of the recipients until all the award winners have been seen. (Photo by Jaye Tarentino)

Scholastic awards

The 11th annual Raymond O. Smith Scholastic Awards were presented last week in the Belleville High School Auditorium, with over 40 scholastic awards handed out to deserving students.

The ceremony lasted over two hours and was sponsored by the Belleville High School Home and School Association. A special award was given by Rutgers Uni-

versity, Newark Campus, who presented an achievement award. It was the first time the campus had ever presented an award to a student.

Pictures of the ceremony are in this issue of the Belleville Times. The remaining award winners' pictures will be shown in the weeks to come.

Flower reward offered

Nicholas Raimo, of Raimo's Liquors, has offered a \$50 reward to anyone with information pertaining to the person, or persons, who have stolen flowers from the front of his store.

Raimo said over the last two weeks, vandals have stolen flowers he planted to help beautify Washington Avenue.

Pick-up

(Continued from page 1)
amounts, we can do that," stated Green "but some people (just abuse the service)."

Both Risoli and Green said a new curb side program will eventually be established but research has to be done, containers have to be purchased and it has to be organized. In the absence, Risoli hopes to re-educate the public as to what can and can not be left on the curb.

The ten Department of Public Works employees who make up the curb-side pick-up crew will be divided between the shadetree and street patching divisions. "We have almost ten years of road neglect," described Green. "People say there's potholes. We know, they're right but we don't have the manpower because they're out picking up debris from the curbs. We'll be able to fix up the streets now."

Both said trees will be trimmed on certain streets in town for not only aesthetic reasons but also to allow the illumination from street lights to reach the streets.

Trustcompany splits stock

Siggi B. Wilzig, Chairman and President of The Trustcompany Bancorporation (O.T.C.), parent company of The Trust Company of New Jersey, announced at the annual shareholders' meeting the Board of Directors approved a four-for-one split of the common stock of the Company. Bank analysts have repeatedly stressed such a split would "be of great benefit to The Trustcompany shareholders."

At the same time, based on the Bank's 40 percent increase in earnings over the last year, the Board approved a 54 percent increase in the yearly dividend from \$1.56 to \$2.40 per share based on the pre-split outstanding shares.

On August 12, 1988, shareholders will receive three additional shares for each share held on the record date of July 8, 1988. The increased cash dividend is payable on September 1 to shareholders on record on August 12.

The Trust Company of New Jersey, with assets of \$1.4 billion, has 35 branch locations throughout New Jersey.

Golden Comments

By Jim Golden

Belleville Planning Board members Chris Albanese, Frank Simeone and Kevin Kennedy expressing umbrage over commentary recently appearing in this publication which referred to their negative vote which rejected a proposed ambulatory care center for out patients for Clara Maass Hospital as "performing a disservice to the community," explaining their vote was not against such an aid center, but, rather because of the lost parking spaces the newly planned construction would reduce the already over crowded parking facility and their fear that this lack of parking would create over crowded parking of local residential streets in the area, especially since it would appear that future parking on the hospital property would entail a \$3.00 parking charge... They challenge the hospital attorney's argument that adequate parking was available to accommodate the proposed facility from their observations.

Our Belleville Commissioners and taxpayers can be grateful we have good legislative representatives in Trenton in the persons of Senator Carmen Orechio and Assemblywoman Marion and John V. Kelly Assemblyman and Nutley Mayor who played a major role in getting \$800,000 for the Township of Belleville from the State... we know our taxes will get a big hike, but, that \$800,000 windfall will help a great deal.

With so many New Jersey towns and cities suffering from garbage disposal costs which have forced up local taxes, it's sad to observe \$14.3 billion going out of the country in foreign aid...whatever happened to the adage "charity begins at home?"

Following a speech before the National Press Club, Senator Bill Bradley was asked what advice he had for the Republican presidential hopeful. He answered by telling the group a story of a candidate for office who was known as less than gifted when it came to campaigning.

The candidate, after winning a primary, approached a party elder and asked what he was to do next. The party elder pointed to a Winnebago parked nearby and told the candidate to climb aboard the vehicle and not to come out until after the election was over... "That's my advice to George Bush," Bradley said.

OUCH! It isn't official yet... but at the time of this writing we hear that, what many feared, Belleville's new tax rate will be for the 1988 total tax rate 7.92 per hundred, up 1.05 over the present 6.87 rate; an increase of \$525.00 on a property assessed at \$50,000.

We do not wish to place credence in reports, however, there is much to be said about "coming events casting a shadow ere before them." Should these huge tax increases be heaped upon elderly people living upon a fixed income, it will divest them of all their savings and most of their small pensions, if any. It is not unrealistic to presume that some may be constrained to seek welfare supplements to subsist.

A sad commentary upon a society that has caused a dichotomy which segregates people into only classes of haves and have-nots. The public sector was high salaried personnel and the private sector with lower paid and pensioned off employees caught in the maelstrom of increased costs of living, insurance, health care, transportation and taxation at every level of government imaginable.

It MUST stop now or the hopes and dreams of a whole generation of aged people who retired in the early 1970's when wages and pensions were much less than now will have been shattered.

Electrical fire destroys four N.J. Transit buses

The fire that destroyed four New Jersey Transit buses in Big Tree Garage was caused by an electrical short in one of the buses with strong winds and close proximity of the buses spreading it to the other vehicles.

Three Belleville fire engines and one Nutley engine were dispatched to the Washington Avenue bus station at 11:25 p.m. June 1 and discovered the buses in flames in the driveway on the south side of the building. The estimated loss in dollars is \$800,000.

The bus which caused the fire had a list of recent electrical problems and repairs made over the past three months. On March 9 the logic board was replaced; March 25, batteries replaced; March 30, the equalizer was replaced; April 4, exterior lights and turn signal were repaired; May 16, air conditioning repaired; May 20, turn signal repaired, and May 23, the dashboard and turn signals were reported inoperative.

An examination by Investigators Anthony DeBerto and George Ped-

alino of Belleville Fire Department and Investigators Fred Scalera and David Wilson of Nutley Fire Department revealed the fire began in the area of the driver's seat of the bus, where the electrical board is located. Further investigation showed the fire started on the floor, where the mounted turn signal switch is located. A test of the batteries found them to be dead, evidence of an electrical short.

The report stated the weather and parking, along with the make-up of the buses, aluminum and fiberglass bodies with plywood covered by fabric seats, were major factors in the fire spreading to three other vehicles. Deputy Chief Joseph Santiglia stated as long as New Jersey Transit continues to park buses bumper to bumper the possibility of fires spreading and multiple bus losses will always exist.

Last week's blaze was the second in seven months for the garage. On October 14, over 100 firefighters were required to put out a fire within the garage itself.

Annual boxing show

The Veterans Boxers Social Club of New Jersey will again sponsor an all-star amateur show Tuesday, June 14 at 7 p.m. in Belleville High School Municipal Stadium.

There will be 10 bouts, sanctioned by N.J.A.A.U., featuring the best amateur clubs in New York

and New Jersey. President Ray Spencer states outstanding world sport celebrities will attend.

All seats are \$5. Tickets can be purchased by calling 751-6200 or at the gate. All proceeds will be donated to charity. The rain date is Wednesday, June 15.

Times to publish student ads

The Belleville Times will publish free "Work Wanted" ads for high school and college students in special columns to run in the edition of Thursday, June 23rd.

Ads must be 15 words or less. Copy must be delivered or mailed to the Times office at 800 Bloomfield Ave., Nutley, no later than Friday, June 17. Phone calls will not be accepted.

TWO TONGUED — Members of the Belleville Latin Club who performed so admirably during the recent National Latin Examination.

Narucki to perform

Susan Narucki, an accomplished Lyric, returns to her roots as she will be coming home to Belleville to perform an informal recital in the Belleville High School Auditorium June 15.

The recital, where she will be joined by Thomas Finetti, a former music teacher when she attended the high school, will include selections from Opera Arias, Art Songs and pieces by Irving Berlin and Hoagie Carmichael.

Narucki will return to town June 11, after performing in San Francisco and will leave shortly after arriving, flying to Graz, Austria to audition for a tour of European Opera Houses.

A Coloratura Soprano, Narucki graduated in 1975 from Belleville High School, after being named "Class Musician." Over the last 10 years she has fine-tuned her voice, first at San Francisco State University, where she earned a Bachelor of Arts degree in music, and for the past several years in the fields of opera, oratorio and recital.

In a prepared statement, Narucki said she has always loved music and through the Belleville School System and the dedication of its fine teachers, she had the opportunity to explore instrumental and vocal music for many years.

In 1987, Narucki was a guest

artist with the Los Angeles Philharmonic and the Ojai Festival. She made a successful New York debut at Town Hall and was a scholarship student at the Blossom Music Festival School sponsored by the Cleveland Orchestra. Most recently, she was accepted into the Opera Studio at the American Institute for Musical Studies in Graz.

In the statement, Narucki said she has learned the hard way the difficulties of doing things without help, so she is planning the benefit recital.

High honors for Club

Belleville High School Latin students truly achieved extraordinary success in the 1988 National Latin Examination.

Of the students who took the examination, ten won awards ranging from gold medals to 'cum laude' certificates. Three students missed receiving an award by one point, but all scored at, or well above, the national average of 24 correct answers out of 40. This was an outstanding achievement for them and they received public recognition at the Belleville Board of Education meeting May 23, and at the high school award dinner May 25.

The names of the award and medal winners are: Summa Cum Laude/Gold Medal - John Matos, Denise Dorizas and Leonardo Puentes. Maxima Cum Laude/Silver Medal - Jean Na and Joyce Luongo. Magna Cum Laude - Anthony Rodriguez, Tracey Doyle and Christopher Krisocki. Cum Laude - Maria Ramos and Brian Villiano.

Special commendation also goes to the Latin teacher, James Donovan. The above mentioned achievement certainly attests to his own interest in and encouragement of academic excellence, his industry, enthusiasm and splendid training of his students.

OUR OPINION

Think like a Board

The problems with the budget monies and the curbside pick-up have revealed an underlying problem, a problem that is bigger than either of the two specifics. There seems to be some infighting amongst the Commissioners themselves as to not only the individual resolutions or ordinances but against policies and personalities.

It is time for the Commissioners to come together as one, not as separate entities. During conversations about the budget the commissioners talked about "your budget" or "my budget." The sum of all of "their" budgets is the Municipal Budget, which is paid for by everyone, including the Commissioners.

It is obvious that in certain situations the Commissioners must act separately, including preparing department budgets, and deal with problems without consulting the other Commissioners. What seems to be a problem is they do not always respect each others views and decisions. While the Commissioners may not always agree on matters, they should at least respect the decisions of their fellow members and not verbally attack each other.

The Board of Commissioners are behaving like the latter end of the form of government, Commissioners. Individual Commissioners, not a board. Until they act as a board, a group that works together for the good of the town, Belleville will show little or no improvement. We are not saying they are looking out for themselves at the expense of the town but we are saying the sooner they put their personal differences aside and act as a group that will work together, the sooner the town will take a turn for the better.

Safety over savings

During the budget discussions it was suggested, due to the financial crush due to garbage, among other things, that the Department of Public Safety, headed by Mayor Michael Pizzi, cut its budget to ease the burden on the taxpayers. Pizzi was fairly adamant, saying he would not lay off a single individual from the Police or Fire Departments. We would have to agree with Pizzi's stand.

While it is painfully obvious the taxes are skyrocketing in town and in some cases forcing people to move out of Belleville, cutting Public Safety's budget would be a detriment to the town. The department's budget shows an increase of \$450,479.96, or approximately nine tax points. If it were to stay within the five percent cap many people have asked for, the budget would increase \$319,921, or approximately six tax points, for a savings of three tax points.

While we realize the budget must be as frugal as possible, it must be responsible. Three tax points are not enough to diminish the Public Safety Department, thereby putting the residents of town in jeopardy. Crime is a very real part of town, regardless of the fact some people refuse to believe it. If the budget was cut, the services would be reduced, thereby risking the lives and property of people in town. In our opinion, three tax points is not an equal trade-off for the safety and protection of the citizens.

A beacon of hope

By Assembly Speaker Chuck Hardwick

When the ugly vision of a garbage slick appeared off the coast of Long Beach Island May 23, it called back memories of last year's woeful summer of beach closings and lent special emphasis to the action we would take later that day on the the floor of the Assembly.

The sighting of household garbage and medical waste was merely a symbol of the herculean task that faces our state in preserving the natural beauty and environmental safety of our shores.

The coincidence of events that took place that Monday would be misunderstood if simply seen as a cruel irony. More to the point, it should be understood that the package of 18 ocean protection bills passed on that day by the Assembly represents an all-out attack on the menace such pollution poses to our shores. The package includes measures to ban dumping of sludge, develop a land based system of sludge disposal, upgrade pre-treatment of sewage, expand monitoring and surveillance of coastal sewage treatment plants, and seek voter approval of a \$120 million bonding plan to improve stormwater systems and prevent the overflow of sewage into coastal waters.

Other measures would clamp down on the discharge of sewage from watercraft, intentionally or accidentally, and increase penalties and jail terms for illegal dumping. There is also a plan for cash rewards to those who report polluters.

Another bill would initiate programs to enforce these mandates and strengthen efforts to educate the public about the dangers of ocean pollution.

Damage to the shore goes far beyond spoiling a beautiful summer playground. It also poses devastation to the state's substantial tourist industry, which is critical to tens of thousands of people from the boardwalk restaurant owner to the college student in need of tuition money from a summer job, to the gas station owner who thrives on the business of motorists traveling from points west.

It is my belief that we can overcome threats to the beauty of our shore through a determined, all-out thrust to attack the problem. The actions taken May 23 represent a beacon of hope that should ultimately lead us to a solution to the pollution problems.

YOUR OPINION

Three cheers for advisor

To the Editor:

I would like to show my appreciation to the Belleville High School cheerleading advisor, Mrs. Carol Russo. She has put a lot of time and effort practicing with the 1987-88 Belleville cheerleaders. On May 12, Mrs. Russo organized a Mother-Daughter Dinner at the Bethwood. It was a great success and I'd like to extend my sincere appreciation for a job well done. Thank you.

Mrs. Marie Alessandro

Blind eye to code

To the editor:

I have asked Mr. Frantantoni to correct the following long standing code violations which have existed within his own Department, to which he has turned a blind eye.

1. A decrepit old trailer, parked on the Valley Street side of his building on William Street, a leaky roof on the building, broken windows, facing William St., cracked sidewalks.

2. Cracked and gauged outside walks extending from Washington Avenue down Belleville Avenue, both sides, beginning at Town Hall, extending to Valley Street, around the corner. The Juvenile Building is in terrible shape and is an eye sore, needs painting. An ugly trailer, dubbed "Frantantoni's new public Safety Building" has been dumped for police use, what an insult!

An old, unusable, stripped down police car is parked back of town hall, along with old tires, rims and other debris. This area is used to fix cars!

3. The Recreation House on Joralemon Street, gouged out, cracked sidewalks all around the building, a situation so hazardous as to call for a lawsuit, should anyone be injured negotiating the holes. This building should be closed down until this hazard is attended to at once.

4. I have it on good authority that the commissioner has an old Lincoln car parked in his yard on Mt. Prospect Ave. for the last three years. Plus many, many residents have cars in their driveways. Also numerous complaints have been made to the commissioner regarding the illegal parking of tractor trailers in residential areas of town to no avail. (The owners haughtily state they know powerful people in town hall.) Much to the frustration of the residents (Greylock). The actions taken on Valley Street are so far removed from the long-standing operations of the housing inspector and of Commissioner Frantantoni, it begges description. Never has that department departed from its past practices to radically as it has in this case. It is clearly meant to intimidate me!

M. Giordano

Social Security views

To the editor:

I would appreciate your placing these comments in your next edition.

Dear Mr. Golden:

I reiterate: I read your column every week. Sometimes I agree, sometimes I do not. You have been known to distort facts in the past and will continue to do so in the future. This is your prerogative! It is also mine to question some of your facts. I take exception to your article in the Times of June 2 '88.

I quote you, "Lowering the threshold to \$18,000 - for families to determine at which Soc. Sec. would be taxable, would "reduce everyone to a poverty level of living." Fact... Are you aware, Jim, that in 1986 the median income for elderly households was \$13,845, - for households headed by persons 15-64 years of age was \$28,467.

You have constantly used articles published in the AARP News Bulletin as a source of your information on the status of Soc. Sec. Have you read their latest issue? The Special Report in the Spring 1988 News Bulletin gave me my facts. If you failed to read it and would like a copy of it I will be happy to provide you with one. The following are excerpts from it:

"In the 1983 Reform package, Congress essentially fixed the program. Reserves are to swell to \$12 Trillion by the year 2020."

"The poverty level points out, defined as 125% of poverty, for older couples is \$8,287."

You consider \$18,000 - plus \$10,512 - Soc. Sec. (average for married couples for 1988) totalling \$28,512 - as being reduced to poverty levels. How come?? You missed the points in my comments to you in my earlier letter. I never acted as an apologist for my brother in law, Mr. Vander Zwan. He is "BIG" enough to apologize for himself. He has done it in the past and will continue to do so in the future. I simply tried to explain to you, how beneficial it was for everyone to receive Soc. Sec. and pay very few tax dollars for the thousands of additional Soc. Sec. dollars they earned.

Let us back up. IF and it is a very big IF, they lower the threshold for married couples to \$18,000 - then the additional taxes would amount to a meager \$390 - on the \$10,512 - Soc. Sec. dollars. Again I ask you, Jim, would you rather receive the additional \$10,512 - and pay only an additional \$390 - or would you rather see Soc. Sec. "GO DOWN THE TUBE," as it appeared to be going during the early 1983 crisis before the Reform Package of 1983?

You missed another point of mine completely. I said you do not have to have an income of \$32,000 - for married couples to pay on Soc. Sec... I said it could be as low as \$25,000 - for married couples and still pay on part of their Soc. Sec... Look it up Jim, work it out Jim. Facts, not words, Jim!!

Finally you state it is presumptuous for Mr. Capanear to suggest how you should vote. I did not tell you how, I told you "to think how." Further, is my presumption toward you any different than your constantly telling your readers how the Reagan Administration is driving them into poverty? To you \$28,000 is poverty, to me it is a darn nice figure and to the facts supplied by AARP (YOUR BIBLE) it is well above the average!! THINK JIM!!

Michael Capanear

Remembering a teacher

To the Editor:

I read the letter last week from Bernard Evans, the elementary school music teacher. I remember with fondness this man. He had the patience of a saint, teaching me the flute, twenty years ago. I still play occasionally and I think of him. He was a great teacher and I'm sorry he won't be there to teach my daughters. Good luck in Illinois, Mr. Evans.

Fondly, an old student...

Janice (Oakley) McManus
Joralemon St.
Belleville

Finds fault in DPW

To the Editor:

Angelo (Slash Taxes) it at it again. People of Belleville do you remember the fiasco (Washington Ave. clean-up)? The Belleville Times on the word of Jay Tarantino and "Slash Taxes" Risoli cleaned all of the avenue and finished at the Nutley line at 2:30 p.m. and that "Slash Taxes" Risoli's so-called volunteers were not compensated. The clean-up crew got as far as Holmes Street and no farther and they only cleaned the eastside of Washington Avenue.

Now to "Slash Taxes" Risoli's volunteers. Each man from his department that worked was given a day off during the week — that, taxpayers, is being compensated.

Angelo "Slash Taxes" Risoli has had his home telephone number charged to the taxpayers of Belleville. This phone is not to be used for anything but town business. Hey, Angelo why are you telling us that your budget went up \$49,000? You know that's not true, you moved the engineer from your department to Frantantoni's department, at a saving of \$32,000. Now if you add a \$49,000 and \$32,000, your budget went up \$81,000, which represents close to a 10 percent increase.

If you are so concerned about the town of Belleville, why then "Slash Taxes" Risoli are you buying a brand new \$14,000 car? Instead of buying a new \$14,000 car, why don't you buy a piece of equipment and start to fix the disgraceful condition of our streets.

Finally, "Slash Taxes" Risoli it has been brought to your attention on numerous occasions that you have 4 men working in your department that do not live in the township of Belleville. We have a law in our township that clearly states "an employee must live in the town in order to work in the town." I do not want these men to lose their jobs, however you must live and obey laws.

Frank Montagna
De Witt Ave.

Homeowners without kids

To the Editor:

Very interesting to note the many letters sent to the Belleville Times by parents of children attending the Belleville school system. Concerning their fears over the anticipated school budget cuts, affecting the educational well-being of their children's education, so they state!

But let's reverse this thinking around and consider the many families who never had any children attending the Belleville school system, including the many families whose children had their education in other cities and towns, before they moved into Belleville. Let's also include the homeowners who never had children. All these different groups perhaps could amount to over 1000 families, who through the years and in the coming years, have had to pay all these school budget tax increases without getting anything in return from the school system.

Where do we fit in for any consideration in the ever increasing property tax and yet, I believe this is the first letter sent to this newspaper on the plight of these homeowners paying the same in taxes (school) to support the school system of Belleville.

Al V. Cerino
Mt. Prospect Ave.

Five minutes to speak

To the Editor:

On May 24, 1988 I attended the Town Commissioners meeting. The meeting started at 8:15 with delays on and off through the session. It ended after 11 p.m.

At approximately 9:15, consolidated chairperson Mrs. Kathleen Wesolowski was given the courtesy to speak. Any other school associations were declined time to speak at that time. The purpose of the school associations at this meeting was to protest the teacher cuts specifically resolutions No. 13 and No. 14.

On the agenda it was stated that each citizen would be given five minutes to speak. Some citizens spoke for more than 20 minutes. Thereby causing the parents with young children in attendance to leave early. With all the school associations in attendance, the maximum time we needed to speak would have been 10 minutes. Thereby, allowing us to return home to tend to our children's needs, which was the basis of why we attended the meeting in the first place.

I finally had my turn to speak at 10:50 p.m. As I did so, Mr. McGreevy and Mr. Frantantoni showed no respect. They were speaking at the same time I was. I feel that the commissioners could have and should have been more professional. After all, they are the leaders of our community. If they don't show citizens respect, they can't expect to be given any in return.

Mrs. Karen Waldon, President
School No. 9 PTA

Coming home again

To the editor:

They say you can't go home again, but we gave it our best. I went to my 50th High School Reunion last month. What a great time! I know the committee worked for months (at least) to make it so good. They took pity on their classmates and matched high school yearbook pictures with name tags to be worn on the left shoulder. What a guessing good time we had. A few hadn't changed all that much, but most of us really grew up - not older.

On the right shoulder we wore numbers to correspond to those opposite our names in the memory book. Each of us received one of those to keep as a memento. In it each classmate contacted was listed with up to date address and a few personal remarks - like number of children and grandchildren, where we'd lived, etc.

Then when they took a picture of the classmates, we wore our numbers and could be traced by number. In our memory book was also a list of "In Memoriam," our alma mater, and class song.

The tables looked lovely, the food was delicious, and I could go on and on. It was an afternoon affair, which couldn't be improved on, and held at an airport hotel, which made it so handy for travelers. My own personal thanks to Fred, Ginny, and their committee. Let's hope it is repeated, and we can meet the same lovely ladies and handsome gentlemen again.

Margaret Beresford

BOOKMARKS

The third anniversary of the dedication of the James J. Cozzarelli Jr. Children's Room of the Belleville Public Library was marked on June 2 with a day of quality children's services and a vast collection of children's books, available to Belleville youngsters and their parents.

According to library director David Bryant, "The Cozzarelli Children's Room really put Belleville on the map for children's libraries around the state. The spirit and style that Jim Cozzarelli put into the beautiful room bearing his name, serves as a reminder to children that books, ideas, reading and research are very important parts of their lives. When these ideas are first encountered, in such a serene and timeless setting, the children of Belleville will be off to a good start to face the intellectual challenges ahead."

Interim children's librarian Kathleen Mollica has planned a summer full of activities and books for Belleville children.

"Though we begin our summer reading program outside, with a balloon launch on Tuesday, June 28, the Cozzarelli Room will be the site for most of our programs and games, as well as serving as a cool oasis for Belleville children on hot days," Mollica said.

GOING ONCE... — Dorothy Charen, President of the Friends of the Belleville Public Library, and Library Director David Bryant, are shown at the June 7 Second Annual Friends of the Library Auction.

Upcoming films

June 8, 1 p.m.: "The Red Shoes," with Moira Sherar and Anton Walbrook.

June 15, 1 p.m.: "Till the Clouds Roll By," with Lena Horne, Dinah Shore, Judy Garland and Frank Sinatra.

July 6, 13, 20 and 27, at 1 p.m.: Charlie Chaplin film festival. The public is invited to attend. Coffee and cookies will be served.

Children's programs

June 19, 3:30 p.m. — Movies and popcorn at the Shafter Branch Library.

June 17, 3:30 p.m. — kickoff celebration for the summer reading program, also at the Shafter Branch Library.

June 18, 11 a.m. — Handicrafts, "Make a Father's Day Gift," at the Cozzarelli Children's Room.

Videos available

A wide variety of videos from the Garden State Film Circuit will be available through June 27. They include, to name a few:

All About Eve, Annie Hall, At the Circus, Body Snatchers,

MEMBERS OF FRIENDS — Dorothy Charen, President of the Friends of the Belleville Public Library, left, is shown with Lillian Wescott, Anna Rosa Mazur and Adrea Cohen, Assistant Library Director. Charen brought in the most Friends' members this year.

Basic Electrical Repairs, Cooking an Italian Meal, Elektra, Fourth Protocol, Heartbreak Ridge, How the West Was Won, Golf My Way (Jack Nicklaus), Labyrinth, Palm Beach Story, Red Pony, Rocky IV, Stakeout, Strike Up the Band, Summer School, Trading Places, and Unmarried Woman.

The library has a complete listing of all video cassettes.

Play-reading group forming

Under the direction of Frank DeLisi of Belleville, the Belleville Public Library is forming a play-reading group, to meet on Thursdays during the month of October.

Interested persons should call Adrea Cohen at 450-3434. The group will meet at 1 p.m. Rose Duda, Amelia Mirocco, Eleanor Smith and Michael Giordano are assisting in the planning and choice of plays to read.

Asbestos removal

(Continued from page 1)

ject, \$42,250 for Duall, \$155,420 for Niram and \$108,149 for L&C Europa.

The state has mandated all schools must be asbestos free and the district will be monitored this September with one of the qualifications that must be met being facilities. The Board of Education will receive a portion of the money spent for the removal after the work is completed.

The review of the lunch programs by the administrators stated no problem with the shortened lunch time, from 50 minutes last year to 40 minutes this year. Teachers had prepared a list of 20 problems they saw with the 10 fewer

minutes but the review, which was made up of input from principals, disputed the teachers' claims.

"My problem is that neither group has come together," said Board Member Phil Linfante. "During negotiations we asked the teachers to sit down and discuss the matter but the teachers said it was an administrative problem. We had no input from the teachers."

"All we're doing is moving further and further apart," he continued, "instead of getting closer and closer."

Morriello graduates from MSC

Eugene Morriello, son of Mr. and Mrs. Michael Morriello of Belleville, graduated from Montclair State College with a BA degree in Music Education.

Morriello is an alumni of Belleville High School. While in high school, he performed in all music programs and activities offered at Belleville High School.

He recently was a substitute music teacher, and taught in several of the Belleville grammar schools. At the present time, he is an original band, "Starzend," which will have an album out in August.

Canning receives award

Victor Canning, son of Theresa and Michael Canning of Belleville, received the Student Government Award at the Annual Student Activities Awards Banquet of Upsala College April 13.

Canning received his award for exceptional contributions to the Student Government Association as Attorney General.

Upsala College is an independent, liberal arts college with students diverse in ethnic and cultural heritage. Located in East Orange, just 15 miles from New York City, Upsala provides students with a distinctive balance between broad-based liberal arts education and career preparations.

Orechio Association picnic planned for this Saturday

The Carmen A. Orechio Civic Association will hold its annual picnic 1 to 5 p.m. June 11 at the ITT Clubhouse, Nutley. Rain date is June 12.

Chief Sal Dimichino, picnic chairman, promises lots of good food under the supervision of food chairman Frank Capalbo. Hot

dogs, hamburgers, sausage and peppers, corn on the cob, beer and soda will be served. A traditional softball game will be a highlight of the afternoon along with volleyball and tug-of-war.

There will also be games for the children and special awards.

The picnic is open to the public with a donation of \$10 for adults and \$4 for children under 12. Those attending should bring lawn chairs.

For more information, call 857-3863.

Family Chiropractic sets open house

The Family Chiropractic Office, 915 Franklin Ave., is holding open house noon to 1:30 p.m. June 11, 18 and 25. The public is invited to come in for talks with Dr. Sam Sbarra.

June 18, the doctor will present a brief chiropractic health class for interested persons. For more information, call 482-0455.

Mr. and Mrs. James Lazzarotti — nee Michelle Jeannotte

Michelle M. Jeannotte, James Lazzarotti wed

Michelle M. Jeannotte, daughter of Mr. and Mrs. George Jeannotte of Belleville, and James Lazzarotti, son of Mr. and Mrs. Salvatore Lazzarotti of Montclair, exchanged wedding vows in St. Mary's Church, Nutley.

The Rev. Richard Carlson performed the ceremony which was followed by a reception at The Bethwood, Totowa.

Escorted by her father, the bride wore a white satin gown accented with beading and lace and fashioned with a high neckline and Juliet sleeves. A sequined headpiece held her fingertip veil and she carried a cascade of silk peach roses and white carnations.

Renee Jeannotte of Belleville, sister of the bride, was maid of honor. Bridesmaids included Laura Lazzarotti of Montclair, Kathleen Murphy of Belleville and Sandra D'Alessio of Belleville.

They were attired in teal lace

evening gowns and matching bow headpieces. Bouquets were of silk peach roses and white carnations, accented with teal ribbons.

Peter Lazzarotti of Bloomfield, brother of the groom, served as best man. Ushers included Brad Diess of Cedar Grove, Donald Wilson of Montclair and Thomas Perrotta of Nutley. Michael Perrotta of Nutley served as ringbearer.

Mrs. Lazzarotti, an alumna of William Paterson College, Wayne, is coordinator of public relations and marketing at South Amboy Memorial Hospital. She is a former editor of The Belleville Times.

Mr. Lazzarotti, a graduate of Montclair High School, is a self-employed painting and general contractor in Montclair.

The couple honeymooned in San Francisco, Calif., following the Nov. 1 nuptials and have made their home in Montclair.

Holiday cruise — Lori Orefice and Suzanne Todd of Nutley and Toni Nadone and Gloria Antolini of Belleville, are shown on the deck of the Bermuda Star Line's luxury liner, S.S. Queen of Bermuda, just before sailing from the isle of Manhattan on a week's holiday cruise to Bermuda

Masotto-Vindici troth told; nuptials next May

Mr. and Mrs. John Friery of Newark announce the engagement of their daughter, Catherine J. Masotto, to Richard W. Vindici, son of Mr. and Mrs. William Vindici of Belleville.

The troth was made known May 12 at the Windows of the World, World Trade Center, New York. The wedding will take place May 20, 1989.

Miss Masotto, an alumna of Queen of Peace High School, North Arlington and Fairleigh Dickinson University, is a registered nurse at Clara Maass Medical Center, Belleville.

Mr. Vindici, a graduate of Essex Catholic High School and New Jersey Institute of Technology, is a senior industrial engineer for Allied-Bendix Aerospace.

Foot Facts

by Paul A. Caputo, D.P.M.

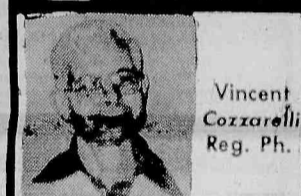

ALL WALKS OF LIFE

One controversy between walkers and joggers stems from the idea that one form of exercise is more beneficial than the other. Because they cover ground about two-and-a-half times faster than fitness walkers, joggers and runners believe their form of exercise to be superior. However, cardiologists at the Toronto Rehabilitation Center find that this is not necessarily true. The doctors found that runners and walkers each lower their overall cholesterol levels by equal amounts as long as they covered the same distance. The exercisers also increased the proportion of high-density lipoprotein (HDL, the good "cholesterol") in their bloodstreams. The key to improving health through walking/running is covering at least 12 miles per week, regardless of how fast.

The main advantage of walking is that nearly everyone can do it. If you have pre-existing problems with your back or feet, running may not be advisable. Consult your physician before beginning any exercise program. When you need a podiatrist, call DR. PAUL A. CAPUTO at 759-6560. When professional foot care is needed, see your podiatrist a day too soon, not a day too late! Offices at 345 Washington Ave., Belleville. Office hours by appt.

Hint: During each step, the heel bears 60 percent of the weight, while the forefoot bears 28 percent.

Pharmacy Footnotes

Vincent Cozzarelli
Reg. Ph.

PRESCRIPTION FOR SAFETY

People who frequently need prescriptions filled are wise to bring them all to the same pharmacist. By carrying a complete listing on all of a patient's prescriptive needs, the pharmacist can spot poor drug interactions at a glance. Even a physician is not always aware of drug incompatibilities. This is especially true if the prescriptive medicines are given out by more than one doctor. In this case, only the pharmacist will have a complete up-to-date listing of the patient's drug history. A profile will also point out individual allergic responses. It is the pharmacist's job to be current on all drugs, their side effects and interactions with other drugs. All a patient needs to do is ask.

We're here to handle all your prescription needs. Whenever you have a question on a medication give us a call at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. Convalescent aids are available for sale or rent including crutches, canes, walkers and wheel chairs. There is still time to pick up greeting cards, Russell Stover candy/cameras, Timex watches and other gifts for graduations or Father's Day. Hours: Daily 9am - 10pm, Sundays 9am - 9 pm. Hope you Father's Day is a happy one.

HANDY HINT: Ask the pharmacist if a less expensive generic drug may be substituted for a prescription.

"Serving The Community For 40 Years"

OBITUARIES

Marion Hennessy, 81

Services for Mrs. Marion A. Hennessy, 81, of Belleville, who died June 1 in Clara Maass Medical Center, Belleville, were held June 4 in the Johnesee Nutley Home for Funerals (S.W. Brown & Son Funeral Home), Nutley.

Mrs. Hennessy was a timekeeper for 28 years with the Hoffmann-LaRoche Pharmaceutical Co., Nut-

ley, retiring 16 years ago.

She was a member of the Baptist Home Auxiliary of Newark, the Women's Club of Belleville, the Zeta Sigma Tau Sorority of Irvington, the Hoffmann-LaRoche Retirees of Nutley, and the Dorcus Circle and the Altar Guild of the Bethany Lutheran Church of Belleville.

Nicholas Masucci, 75

Nicholas Masucci, 75, of Belleville died June 5 in the Clara Maass Medical Center, Belleville.

A Mass was offered June 8 in St. Peter's Church, Belleville, after the funeral from the Kiernan Funeral Home, Belleville.

Mr. Masucci was a truck mechanic for Mack Motors in Hillside for 24 years before retiring in 1977. He was a member of the International Brotherhood of

Teamsters, Chauffeurs Warehousemen and Helpers of America Local 478 in Newark.

Born in Newark, he lived in Belleville for 20 years.

Surviving are his wife, Florence; three sons, Thomas, John and Al; four sisters, Mrs. Ann DeMaio, Mrs. Edith Schultz, Mrs. Lee Gesumaria and Mrs. Joan Pollito; a brother, Ralph; 10 grandchildren and three great-grandchildren.

George Villano, 66

George Villano, 66, of Belleville and West Coast, Fla., retired as a fireman in Belleville, died June 6 in his Belleville home.

A Mass was offered June 7 in St. Mary's Church, Nutley, after the funeral from the S.W. Brown & Son Funeral Home, Nutley.

Mr. Villano had been a fireman for 28 years with the Belleville Fire Department before his retirement.

nine years ago.

He was a World War II Army veteran. Mr. Villano was a member of the Belleville Italian-American Club.

Born in Newark, he lived in Belleville for many years. Mr. Villano maintained a home in Florida for the past eight years.

Surviving are his wife, Josephine; five sons, Dennis G., Joseph G., George A., Kenneth G. and William G.; a brother, William R., and three grandchildren.

RELIGIOUS VIEWPOINT

Gerald Fortunato, Pastor
Silver Lake Baptist Church

Ten Commandments to make yourself miserable

- I. I must be liked by everybody for everything I do or say.
 - II. I cannot be happy unless everything is exactly the way I want it to be.
 - III. All unhappiness I suffer is always caused by external events or other people, and I am only the victim.
 - IV. It is wiser for me to avoid life's difficulties than to face them and deal with them.
 - V. I should be thoroughly knowledgeable and competent in all situations or I am a failure in life.
 - VI. Because a negative experience happened to me at one time in my life, I shall forever be defeated by it.
 - VII. I must have certain and complete control over all people and events in my life, or chaos will result.
 - VIII. I must put my happiness and comfort at the top of my priority list in order to live a fulfilled life.
 - IX. I must compare and contrast myself with other people in order to know if I'm successful or not.
 - X. I must have certainty of success before I ever attempt anything.
- The Gospel of God's grace to us in Jesus Christ is the antidote to all these "commandments."

Are you a guest Christian?

A guest Christian waits until other people have done all the work, then steps in to enjoy the blessing of their labor. He receives while others give. Others may serve the Lord with gladness; others may pay the church's bills; others may sacrifice to worship each week; but guest Christians congratulate themselves on getting by without doing any of this work themselves. They are guests who enjoy the fruits and labors of others.

People who depend on the church for the religious and moral instruction of their children should support the church by their presence as well as their means. Otherwise they become guests, enjoying what others provide but failing to help in any way themselves. Guest Christians attend church only on special occasions and contribute only when special services are rendered. The rest of the time they receive the benefits of the church without supporting it in any way.

"Follow Me", calls for active discipleship, but many people want the blessings of discipleship without the cost. Jesus calls for workers, not guests.

Belleville Times SPORTS

With the Belleville baseball team defeating the Bloomfield Bengals last Monday and capturing a share of the NNJIL title, the 1987-88 sports year is now officially in the books.

The spring sports, once again, turned in some excellent performances. There was the heroics of the baseball team, the continued success of the softball team and the crowning of a new national champion in Belleville crew. The tennis team performed well in the NNJIL this year, even though it had to play all of its matches on the road.

The track team had some good individual performances and the golf team, once again, was outstanding on the links.

We begin our look at the '88 spring season by turning to the golf team. The Buccaneers, under coach **Gene D'Allesandro**, won its second straight NNJIL championship. The Bucs were undefeated in league play (7-0) and posted an outstanding record of 18-3 overall.

Belleville defeated Montclair by 26 strokes in the league finale that clinched the championship. Both the Bucs and Mounties were 6-0 in the league entering that pivotal match, and Belleville came out comfortably on top.

While the team certainly has a great deal to be proud of, the Bucs also fared very well in the individual aspect of the game. At

Buc Shots

By Mike Lamberti

the NNJIL individual championships at the Farmstead Country Club, **Joe Cerreto** won the championship of the league when he fired a 79 over 18 holes. Cerreto was the top golfer in the Essex-Passaic Division of the league.

Staying right with Cerreto was teammate **Michael Dasaro**. He also shot a 79 over the 18 holes, but was awarded the number two position after the tie breaking method in golf.

Nonetheless, to have the top two golfers in the league coming from Belleville is simply an outstanding accomplishment. The golf team doesn't often get the notoriety that some of other sports in town get, but the results more than speak for themselves.

During the decade of the 80's, the team has won three NNJIL titles (the Bucs also won the crown in 1985 under **Rocco Colucci**). They have posted a winning season now for the past eight seasons. This year's team will be hard to top, however. The Bucs faced a difficult schedule and still managed to win 18 of 21 matches, including perfection in the league.

Next week, a more in depth look on the golf team will be featured in the sports section. In the meantime, congratulations to coach **D'Allesandro** and Company on a tremendous 1988 season.

BASEBALL TEAM GAINS SECOND STRAIGHT NNJIL CROWN

Although the Belleville baseball team was playing under its third coach in three seasons, the results were once again impressive. **Nick Grande** took over the reigns as baseball coach this year after **George Zanfini** stepped down as coach after the '87 campaign. The Bucs won the NNJIL crown in 1987 and came back to share the title with Montclair in 1988.

Belleville was 11-3 in conference play and finished 17-10 overall. The Bucs won its final four games of the season to gain a share of the conference championship.

The heroes were many for the Bucs in '88. **Jay Marchese** was outstanding at the plate and the field. **Michael Finan** contributed some key hits and was on a roll until a late season thumb injury curtailed his playing time. **Mike Thompson** did an excellent job on the mound for the Bucs, as did **Frank Orrei**.

Others like **George Speer**, **Jeff Spilsbury**, **Anthony Rodriguez**, **Gary Villano**, **Paul Grande** and **Steve Tice** made key contributions in big moments. There wasn't one hero to this team, everyone seemed to contribute.

Grande had the Bucs running a good deal this season. The aggressive base running often forced opposing pitchers to throw balls away in an attempt to keep runners close to the bag. The running also set up a number of scoring opportunities that might not have been there without the extra base.

Perhaps Belleville's most exciting game of the year came in a victory over Barringer in GNT play. The Bucs rallied from a 6-0 deficit to beat the Bears in 13 innings, 9-8. Belleville was eliminated in the GNT by Cedar Grove and in the state tourney by Bloomfield. However, the conference crown was still in sight as the final week of the year began and the Bucs never took its eyes off the title.

CREW TEAM BRINGS HOME NATIONAL TITLE

In the early 80's, the Belleville girls crew team made headlines by winning national titles in 1982, '84 and '85. Now, in 1988, the boys have hit the big time by taking a national championship in the midweight four classification.

Head coach **Scott Fabian** was very pleased with the performance, but gave credit to the midweight's coach, **Bob Cassin**, for the title. Nonetheless, the entire coaching staff (Cassin, Fabian, **Dennis Villano** and **Maureen Russo**) deserves credit for another excellent campaign.

"Our entire staff is unique, because we were all involved in the crew program during our high school days," said Fabian. "It's a home grown staff and we really enjoy working with each other."

Fabian gave special credit to the seniors who were so vital to this year's team. **Vin Colaninno**, **Carolyn Giuffrida**, **Len Linfante**, **Mike Mc Guire**, **Sue O'Donnell**, **Jerry Russo** and **Kim Trefsgar** will all be missed by the program next spring. They did an outstanding job, both as athletes and team leaders.

Next week, we'll continue our look at the athletes and teams that made the 1988 spring season at Belleville High so successful. The summer months are also rapidly approaching, but that doesn't mean that sports will be at a lull in town.

The Belleville basketball teams should be active in summer leagues and Belleville Legion baseball team should do well. There will be the weekly Flashback stories, a look back at some of the outstanding performances and memorable games of the past 35 years of Belleville sports. We're planning a feature on the evolution of female athletics at Belleville High, and where the program is going over the next five years.

LAST WEEKS QUIZ

When the Mets beat the Orioles in Game Four of the '69 World Series, the Oriole pitcher was **Pete Richert**. The Met at second base, who scored the winning run on the errant throw was **Wayne Garrett**. The Met who laid down the bunt which led to the errant throw was **J.C. Martin**.

Program continues to shine

Buc crew team caps off excellent season by capturing national midweight title

Once again, the Belleville crew program has put together an excellent campaign. The year was highlighted by the national championship that was captured by the boys midweight four two weeks ago. However, head coach **Scott Fabian** credits the entire program for the excellent 1988 season.

"We were very pleased with the season," said Fabian. "Some of our younger kids showed excellent improvement and our senior rowers were just outstanding. We will definitely miss them. They were a big part of our success."

Fabian refers to seniors **Vin Colaninno**, **Carolyn Giuffrida**, **Len Linfante**, **Mike Mc Guire**, **Sue O'Donnell**, **Jerry Russo** and **Kim Trefsgar** as outstanding leaders and excellent rowers. O'Donnell, Russo and Mc Guire were a part of the midweight four shell that won the national title.

The midweight four posted a perfect record of 23-0 against midweight competition. Overall, the shell was 33-3, including races in the senior four categories when

there were no midweight races. In addition to O'Donnell, Russo and Mc Guire, **Brian Villano** and **Tom Eccles** rounded out the shell, which was coached by **Bob Cassin**.

Ironically, Mc Guire and Russo are now a part of a championship family. Mc Guire and Russo had older sisters that were a part of Belleville national championship teams in the early 1980's. **Karen Mc Guire** was a part of the '82 championship team and **Maureen Russo** rowed for the '82 and '84 girls championship teams. Maureen is now a coach for the current team and has been a coach in the program for the past three years.

"We were very pleased with the performances in the big regattas," said Fabian. "The Big Four are the Mid Hudson, Stotesbury, Upper Merion and Nationals and we took three first place medals, two second places and one third. That's a good performance."

Fabian also noted that his team lacked the numbers of some of the bigger schools, where crew is practi-

cally an institution.

"We saw crews during the regattas that had 150 to 160 rowers in the program," Fabian said. "We're not even close to those numbers. Our kids just give it everything they have. I can't say enough about their attitude and desire. All the work they put in for a five to six minute race is incredible."

The novice boys team was coached by **Dennis Villano** this year and did a good job.

"Dennis started the team as an eight shell, and worked it down to a junior four by regatta season," explained Fabian. "They ended up third in the Mid Hudson Regatta and performed well. Racing in the flicks was good experience for them."

The novice girls was headed by Russo. The team was a combination of eighth and ninth graders and the girls got a good deal of experience on the waters this spring.

Fabian was pleased with the performances of **Daniele Grouling**, **Christine Capozzi**, **Justine Ernst**, **Stephanie Dalton** and the

coxswains, **Pam Santora** and **Kim Dullaghan**. Two eighth graders, **Jennifer Towner** and **Jennifer Apruzese** also did well.

The boys senior four consisted of **Dale Watkowski**, **Linfante**, **Gus Leming**, **Colaninno** and **Heather Apruzese**. The girls junior four was made up of **Denise Ives**, **Charlene Santora**, **Liz Morris**, **Sue Aufiero** and **Jessica Nappi**. The girls senior four featured **Kristine Villano**, **Joyce Burke**, **Laura Nardone**, **Trefsgar** and **Giuffrida**. Villano is a freshman and Burke and Nardone are just sophomores, so they should give the 1989 team a good deal of experience.

Fabian also expressed gratitude to the Crew Parents Organization for their continued support and enthusiasm.

"They helped us out so much," the coach said. "They donated a new shell and some much needed equipment. They followed us around the Atlantic seaboard and gave us a good deal of support. I can't thank them enough."

11-3 conference mark

Four game winning streak gives Bucs share of conference title with Montclair

The objective was simple. The Belleville baseball team HAD to win its final four games of the regular season if it had any hopes of garnering another conference title.

The objective was simple. Putting it into action isn't always as easy. But the Buccaneers were up to the challenge, and consequently, they have won a share of the conference championship along with Montclair.

The Bucs finished 11-3 in the conference race and defeated Kennedy, 7-5, Kennedy again, 9-1, Passaic, 5-3 and Bloomfield 12-8 last week to gain the portion of the title. It's the second straight season that Belleville has finished on top of its conference. Last year, the Bucs won the crown by one game over Clifton. Overall, Belleville was 17-10 this year.

"It was a good way to end the year," said an obviously elated coach **Nick Grande**. "The kids did the job. They knew what had to be done. It was just a matter of doing it."

Belleville's victory over Bloomfield last Monday was the most satisfying of the season, because it was the game that assured the conference co championship. The Bucs jumped out to a 12-1 lead after 4 1/2 innings, then held on as the Bengals made a late run.

"We started off playing with a lot of intensity," said Grande. "But after a while, we seemed to lose a little of it. I can't blame the kids, though. They did the job, and that's all that counts."

The Bucs broke the game open in the top of the first inning, by scoring six runs. That was more than enough of a cushion for winning pitcher **Jay Marchese**, who was playing the final game of an outstanding varsity career.

The Bucs started the first inning rally when lead off hitter **Paul Grande** walked. **Jeff Spilsbury** walked and **Jay Marchese** sacrificed both runners one base. With runners on second and third, **Steve Tice** lined a single, scoring Grande. **Anthony Rodriguez** singled to score Spilsbury and **George Speer** hit a single that drove home Tice.

With runners on first and second, **Gary Villano** singled home Rodriguez with the fourth run and **Mike Thompson** singled to re load the bases. **Mike Di Biase** then doubled down the line to bring home Speer and Villano with the final two runs of the inning.

The Bucs added a run in the third when Villano tripled and Thompson singled. After Bloomfield tallied a solo run in the bottom of the fourth, Belleville put the game out of reach with five runs in the top of the fifth.

Villano and Thompson singled to start the rally and Di Biase nailed

a triple to score two runs. Spilsbury hit a sacrifice to score Di Biase with the third run of the frame. Marchese then doubled and Tice singled him home. Rodriguez drove home Tice with a double.

Marchese pitched the first 5 2/3 innings. The senior hurler allowed five runs on five hits while striking out five. **Ernie Brodie** came in to save the game, pitching the final 1 1/3 innings and allowing three runs. The late Bloomfield surge produced two runs in the fifth, four in the sixth and one in the seventh inning.

Offensively, Belleville tallied 19 hits. Marchese, Tice, Rodriguez and Speer had two hits each. Villano, Thompson and Di Biase finished with three hits each. Di Biase had 4 RBI in the contest.

Belleville battled Kennedy twice last week, beating the Knights by counts of 9-1 and 7-5. In the 9-1 game, Tice was the winning pitcher,

hurling a complete game in his varsity debut as a pitcher.

The junior allowed just two hits and walked three in six innings of work. The game was called because of rain after the sixth inning.

Belleville scored twice in the second inning, the highlight a solo homer by Villano. In the third inning, the Bucs tallied three runs, with Marchese, Rodriguez and Villano scoring. The big hit of that inning was a two run single by **Eric Faragi**.

The Bucs scored twice in the fourth, with Marchese and Rodriguez driving in the runs. In the sixth, two more runs scored, with Spilsbury hitting a solo homer and Speer singling home Marchese.

In the 7-5 victory over Kennedy, the Bucs jumped out to a 5-0 lead after four innings, but the Knights rallied to scored three in the fifth and two in the seventh to tie the

game. Belleville broke the tie with two runs in the bottom of the seventh.

Ernie Brodie pitched the first three innings of the game, allowing no runs. Grande elected to remove Brodie after three to get his staff some much needed work.

Thompson hurled the next two innings and allowed three runs. Marchese hurled the final two, giving up two runs and gaining the victory.

Belleville scored twice in the second, with Speer and Villano crossing the plate. In the fourth, the Bucs tallied three runs. Faragi had the big hit in the frame, a two run homer that scored Thompson. Spilsbury scored the third run of the frame thanks to an RBI single by Rodriguez.

The winning runs in the last of the seventh were scored by Steven

(continued on page 12)

Lady Bucs adjust and win 20

At first look, you would think it was just another ultra successful season for the Belleville softball team. A 20 plus victory season, another trip to the county finals. Players earning post season accolades. It's become sort of a softball ritual at Belleville during the 80's.

However, the 1988 team had to endure a little more than your average excellent softball team at Belleville. Yes, the girls had a good season, 21-8 is nothing to sneeze at and yes, the team did advance to the county finals for a record seventh straight season. But head coach **Carl Corino** had to make more

adjustments than normal this year because of injuries and the end result was some young players gaining valuable experience.

"It certainly was an up and down year," the coach said last weekend. "It was a roller coaster season. We had some tough injuries, and lost key players like **Stacey (Johansen, knee and leg)**, **Carol (Morrison, knee)** and **Simone Edwards (broken nose, out for two weeks)**. We had to make adjustments, but our younger kids responded and played determined softball."

"I just can't say enough about their effort. The job (Anne) Car-

lucci and (Michele) Milano did in their first year on the team. (Jennifer) Bridge was excellent at shortstop and I can't say enough about the play of (Laurie) Moyer behind the plate. Tricia Donnelly was outstanding on the mound. Everyone seemed to chip in."

Of course, there were the established stars, standouts like **Laurie Dondarski**, and **Natalie La Bella**, who were a part of the '87 team that finished 28-4 and won the state sectionals. But overall, the 1988 club was completely overhauled.

(continued on page 12)

Softball team makes adjustments during season

(continued from page 11)

ed. A look at the individuals who helped make 1988 such a good year for Belleville High softball.

NATALIE LA BELLA: The senior captain enjoyed a solid campaign. She hit .241, with 19 hits and 2 triples. La Bella started the year in the outfield, but because of the injury to Morrison, moved to first base in early May. She was named second team, NNJIL.

"Her defense was outstanding," Corino said of La Bella. "She had an excellent attitude and was a good leader of the team."

ANNE CARLUCCI: A senior, Carlucci came out for the team for the first time in '88 and did very well. She won a job in pre season and collected 12 hits while playing solid defense.

"She responded to the challenge," said Corino of Carlucci. "Defensively, she did the job and was a pleasure to coach."

MICHELE MILANO: Like Carlucci, Milano was a first year senior on the '88 club. She was a versatile athlete who played all three outfield positions and third base. She was also the back up at shortstop, second base and first base. Milano led the team in walks, with 23, and had 17 stolen bases.

"She was a tough competitor," Corino said of Milano. "I think she could have played every position, with the exception of pitcher. She really helped this team."

LAURIE DONDARSKI: What more can you say about this talented athlete? She put together some awesome numbers at the plate in 1988 and was superb at second base. Dondarski hit .456 with 47 hits. She led the team in hits, average, on

base percentage (.554), at bats and runs scored. Dondarski collected 16 RBIs and had 4 doubles. She also stole 27 bases. Dondarski was named first team, NNJIL.

"I think she has a good shot at all county and all area, too," Corino said. "She was the catalyst of the team. She got us going. She should be one of top players in the area next year."

SIMONE EDWARDS: Edwards, a junior, came out for the team for the first time and hit .333. She stole 24 bases, tied Morrison for the team lead in home runs with three and drove in 15 runs. Edwards scored 15 runs and had 3 doubles and one triple. She was named second team, NNJIL. A broken nose kept her out of the lineup for two weeks during the season.

"She did a nice job for us," said Corino. "She didn't come out for the team until late in March, but Simone played a big part on this team. She did well in the outfield, also."

STACEY JOHANSEN: The sophomore was supposed to have a big year in 1988, but injuries took its toll. Johansen started the season on the disabled list with a knee injury incurred during basketball season. She managed to come back in late April and pitched one game. In that game, a Belleville victory over Good Council in the first round of the ECT, Johansen allowed just one hit and struck out 10 batters. She didn't walk a batter. The game was also Corino's 200th career victory.

Two days later, she was out again, this time with a broken leg. Johansen slid hard into second base during a game with Clifton and suffered the injury. She is hopeful

of returning at 100 percent in 1989.

"She'll be back," said Corino. "Stacey is a tough kid, and she hasn't let the injuries this year get her down."

CAROL MORRISON: Morrison had put up some impressive numbers before a serious knee injury ended her season in late April. Morrison, a junior, had collected three homers and already had 12 RBIs. She was hitting .282 and was doing a good job at first base.

"Her injury was serious," said Corino. "She had major surgery and now is on rehabilitation. We're hopeful of having her back next year. She's a great kid and I wish her the best in her come back."

LAURIE MOYER: When the season began, Corino was concerned about the catching position, and rightfully so. He had lost his all state catcher, Laura Caruso, to graduation last spring and had inexperience behind the plate this year. Not to worry, as Moyer, a sophomore, did an outstanding job. She played solid defense and contributed heavily at the plate.

Moyer hit .338, with 17 RBIs, 14 runs scored and 24 hits. She was named second team, NNJIL.

"She was just outstanding," Corino said of Moyer. "She really did the job and was very good at throwing out opposing runners. I think she'll have a very good career here."

Moyer has the potential to join the list of outstanding Belleville softball catchers. Denise Zarra (1977-79) earned all state and recently was inducted to the Belleville Hall of Fame. Tracy Buono (1981-84) was brilliant as the team catcher and should be a member of the Hall

in 1989, her first year of eligibility. Caruso (1985-87) also made a number of post season honors and should become a member of the elite Hall in the early 1990's.

JENNIFER BRIDGE: Bridge was phenomenal in her first year of varsity competition. The sophomore shortstop improved steadily the entire season and became one of the top hitters on the team. Bridge ended up batting in the number three slot in the lineup. She hit .369, with 31 hits, 23 RBIs and 19 runs scored. Her 23 ribbies led the team. She stole 30 bases, which also led the team. Bridge hit a big homer in a late season victory over Nutley. She was named Honorable Mention, NNJIL.

"She came into her own at a very tough position," Corino said.

"Bridge became a very solid fielder at short and was a very reliable hitter. I'm lookin for good things from her for the next two years."

TRICIA DONNELLY: With Johansen out for the year, the pitching responsibilities went to Donnelly, a sophomore, and she responded well. Donnelly was 10-3, with a stingy ERA of 1.25. She allowed 68 hits, 35 walks and 19 earned runs. She struck out 48 in 90 2/3 innings of work.

"She was excellent," Corino said of Donnelly. "Her performances in the ECT showed what she could do under pressure. I think we'll have a strong staff next year with Tricia and Stacey on the mound."

DIANE DI VINCENZO: Di Vincenzo, a sophomore, played well in her first year of varsity competition.

She had a big hit in the win over Verona in the quarterfinals of the ECT. The experience of this season should help Di Vincenzo to a strong 1989 campaign.

Corino also praised the excellent performances turned in by Denise Lusnia, Melissa Marcuto, Shannon Corris and Amalia Fabiano.

As for the team, the 20 plus victories in 1988 marked the seventh straight season that Belleville won more than 20 games. The team advanced to the county finals for the seventh straight year and lost to Caldwell. Caldwell has defeated Belleville in the championship game the past three seasons. The girls were beaten in state tournament action by Union and finished second in the NNJIL to Clifton.

Bucs tie for conference title

(continued from page 11)

Iannuzzi and Di Biase. The runs scored on a throwing error by the Kennedy shortstop after a grounder by Villano.

The Bucs defeated Passaic, 5-3, rallying from a 3-1 deficit with four runs in the bottom of the sixth inning. Belleville scored once in the third when Grande walked and scored on a Spillsbury double.

That tied the game at one, but Passaic scored solo runs in the fifth and sixth innings to gain a 3-1 advantage.

Belleville was six outs away from losing any chance at the conference title when the Bucs came to the plate in the last half of the sixth.

Steve Tice started the winning

rally with walk. He advanced to second on a passed ball. Grande walked and a second passed ball advanced Tice and Grande one base. With runners on second and third, Spillsbury walked to load the bases and Marchese hit a key single that drove home two runs. Iannuzzi then singled home Spillsbury to put Belleville ahead, 4-3.

Marchese added the fifth Belleville run when he stole home as the Passaic pitcher was throwing to first

base in an effort to keep Iannuzzi close.

Frank Orrei was the winning pitcher. He allowed seven hits, struck out five and walked one.

Thus, the Bucs won a share of the conference championship with the Mounties of Montclair. Belleville also shared the title in 1985 when it tied Bloomfield for the honors. The Bucs lost the title by one game in 1986 to Bloomfield.

Landolfi graduates from college

Joseph C. Landolfi, son of Geneva and Joe Landolfi of Belleville, was awarded a Bachelor of Science degree in biology at Seton Hall

University's recent Commencement, May 21. Landolfi graduated with academic honors of magna cum laude; received a three-year scholarship from the Women's Guild; was a member of the Pre-medical Honor Society - Alpha Epsilon Delta, and was accepted into U.M.D.N.J. School of Osteopathic Medicine in Piscataway, New Jersey.

SHERIFF'S SALE

SUPERIOR (LAW) Q-217
SUPERIOR COURT OF NEW JERSEY, LAW DIVISION, ESSEX COUNTY, DOCKET NOS. L-041425-85, L-4063-87 BROWNELL, KRAMER, WALDOR AGENCY, PLAINTIFF vs. BEH CONSTRUCTION and ANTHONY BIUNNO, Individually, DEFENDANTS ALIAS Execution

RECREATION ROUNDUP

Playground applications available

The Belleville Recreation Department announces that applications for Summer Playground Director positions are available. The positions are open to students who will have completed their first year of college by the summer of 1988, preferably majoring in recreation, physical education, teaching and psychology.

Persons wishing to apply should call the recreation office at 450-3422 to obtain an application.

Belleville residency is required and applicants must be able to work for seven straight weeks, June 27 to Aug. 12.

Lifeguard needed

The Recreation Department is seeking a lifeguard for the summer "Open Swim" program, which will run for approximately seven weeks, beginning the week of June 27 at the Friendly House.

Qualified applicants must possess either an Advanced Life-saving or a Water Safety Instructor certificate issued by the American Red Cross. Call the Recreation Department at 450-3422 for an application.

There will not be an Open Swim program if no lifeguard is present.

Coaches sought

The Belleville Recreation Department has applications available for men interested in volunteering their time to coach in the recreational football programs.

The "Junior Bucs" tackle program consists of three traveling teams, competing in the Metropolitan Junior Football League, Midget Junior Varsity and Varsity divisions. The Touch Football program for boys ages 8 to 10 provides instruction of the fundamentals of football, while eliminating heavy body contact.

Interested candidates for coaching positions should have previous football playing experience or coaching experience and must have good organizational skills. All applications will be screened before the final selection of the 1988 staff is made. Returning coaches must re-apply. Coaches will also be required to attend the NYSCA certification clinics.

For further information or to obtain an application, call the Recreation Department at 450-3422 weekdays.

Persons interested in coaching soccer are also encouraged to call for more information.

Fall sports applications

Applications for the Belleville Recreation Fall Sports programs are now available in the schools and at the Recreation Department office.

Boys and girls ages 7 - 14 may participate in Recreation Soccer.

Nobody above 8th grade can play and all returning players must re-apply.

Boys ages 8 - 10 can play touch football.

For both soccer and touch football applications must be returned to the Recreation Department, 407 Joralemon Street, with birth certificates. Registration dateline for soccer is Aug. 12 and for touch football Sept. 2.

Children can play in only one fall sport.

Junior Bucs Football

Registration for the Belleville Recreation Department's "Junior Bucs" tackle football program is taking place through Aug. 12 at the Recreation House, 407 Joralemon St.

Boys who will be 8 years old before Sept. 1 and not be 15 before

Jan. 1 are eligible. Boys must weigh a minimum of 60 lbs and a maximum of 145 lbs. No one above 8th grade can play. Players will be broken down into three teams according to specific AGE/weight requirements set by the Metropolitan Junior Football League.

Completed applications with parents approval must be brought in with a passport size photo and a copy of birth certificate. All returning players must re-apply. Tryouts will begin August 8.

DENTALLY SPEAKING

By Drs. James D. Muglia and Paul N. De Maio

Mrs. A. of Belleville asks: "My 8-year-old daughter has a baby tooth that the dentist wants to do a root canal on. Why not pull it out?"

The tooth in question, Mrs. A., is probably a back tooth which normally would stay another 2-4 years. Should that tooth be removed, the other primary (baby) teeth could shift and obliterate that space, making eruption of the permanent tooth difficult or impossible.

The other alternative, should you decide on extraction, is to have a space maintainer made afterwards. As the name implies, this prevents shifting of the surrounding teeth into the extracted space. Our opinion is to have the pulpotomy (root canal) done and keep nature's teeth for as long as it was intended. It will be less expensive and more comfortable than other alternatives.

The people of Nutley wish Mr. Robert Villacari a very Happy Birthday. Keep smiling!

Resolution of the Town of Belleville, N.J. Date of Adoption February 9, 1988.

"RESOLUTION THAT NEGLIA ASSOCIATES HAS PROPOSED TO PROVIDE ENGINEERING AND PROFESSIONAL SERVICES FOR THE IMPROVEMENT OF PASSAIC AVENUE AND DIVISION AVENUE."

RESOLVED BY THE BOARD OF COMMISSIONERS OF BELLEVILLE, N.J.

WHEREAS, by Resolution AT-214 of the Township of Belleville, New Jersey, adopted September 3, 1986, Priority 2 Application was authorized to be made to the Commissioner of Transportation of the State of New Jersey under the Municipal Aid Program under the New Jersey Transportation Trust Fund Authority Act; and

WHEREAS, the Township of Belleville made application for aid for the improvement of that section of road known as Passaic Avenue from Joramelon Street to the Belleville/Nutley Town line; and WHEREAS, on August 6, 1987, the Commissioner of Transportation advised the Township of Belleville that a discretionary allotment in the amount of \$200,000.00 was approved for the improvement of Passaic Avenue; and

WHEREAS, in accordance with the grant application filed, the Township of Belleville agreed to engage the services of a Professional Engineer registered in the State of New Jersey; and

WHEREAS, under Resolution T-213 of the Township of Belleville adopted September 3, 1987, Priority Application was authorized to be made to the Commissioners of Transportation of the State of New Jersey under the New Jersey Transportation Trust Fund Authority Act Municipal Aid Program; and

WHEREAS, the Township of Belleville made application for aid for the improvement of that portion of Division Avenue for Union Avenue to Passaic Avenue; and WHEREAS, on October 23, 1987 the Commissioner of Transportation advised the Township of Belleville that a grant in the amount of \$150,000.00 was approved for said Division Avenue, improvement project; and

WHEREAS, in accordance with said grant application, the Township of Belleville agreed to engage the services of a Professional Engineer registered in the State of New Jersey; and WHEREAS, Neglia Engineering Associates, has proposed to provide such engineering and professional services for both the above referred street improvement projects by a letter of proposal of January 12, 1988, (a copy of which is attached hereto)

NOW, THEREFORE BE IT RESOLVED that the proposal of Neglia Engineering Associates is herewith accepted to provide such services in the essential terms outlined in the letter proposal of January 12, 1988, and be it further resolved that said Engineer shall be notified to submit an AIA Standard Form of Agreement for Professional Engineering Services embodying the proposal of January 12, 1988, and be it further resolved that upon approval of the form of agreement as to its legality by the Township Attorney, that the Mayor and Township Clerk shall be authorized to execute same on behalf of the Township of Belleville.

THE HOW

of home equity loans

AND WHY

you'll get more with a Howard Powered HERO.

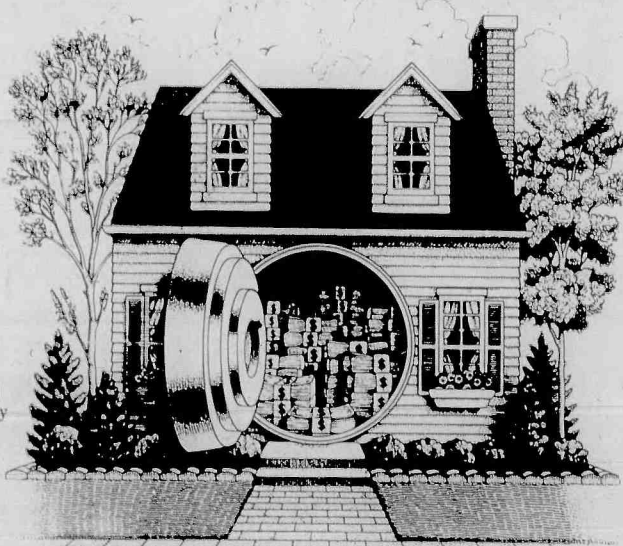

If you own your home, let a Howard banker show you HOW to use the equity in your home for home improvements, bill consolidation, automobile purchases, education expenses and personal investments.

Your home is your financial castle.

We'll show you WHY a Howard Powered HERO® (Howard Equity Reserve Option) can free up your home equity to qualify you for a line of credit from \$5,000 to as much as \$500,000. With a HERO you can have up to 75% of your home's appraised value (less any outstanding mortgages or liens), to spend on whatever you need most.

The tax benefits of a HERO.

Under the new tax law, interest paid on HERO home equity loans and your existing mortgage balance remains deductible, provided that the loan is on your principal or second residence, in an amount up to the purchase price of your home plus improvements. Interest on additional home equity borrowing for education and medical expenses also is deductible.

Call for current low rate!*

That makes a HERO even more valuable to you, since consumer interest deductions on personal loans, credit cards and other borrowing are being phased out. It's another way you're better off, Howard Powered!

It's easy to be a HERO.

It makes sense to apply for a HERO today, so you'll have your equity available whenever you need it. When your application is approved,

your HERO money is at your fingertips — all you do is write a check.

Unlike some other home equity credit lines, the Howard charges *no application fee, no points, and no closing costs*, and, until you use your HERO, *no minimum monthly payment* is required.

Find out more about HOW you can tap your home equity and WHY so many New Jersey residents are getting more out of life with a Howard Powered HERO. Call toll-free and let the Howard give you more credit for living.

1-800-4-HOWARD

(1-800-446-9273)

8am-6pm Monday thru Friday, 9am-1pm Saturday

the Howard SAVINGS BANK®
It's Great to be Howard Powered.

Equal Opportunity Lender Member FDIC

Serving you locally at 726 Washington Avenue, Belleville.

*The APR as of 2/18/88 was 10.4%. The APR on your HERO loan will be the APR in effect when your line of credit is approved. Your interest rate may change. However, the Howard will give notice at least 30 days prior to the rate change. Monthly requirements are as little as 1/180th of the outstanding balance or \$100, whichever is greater, plus the accrued interest for the month. Or, you may repay any amount over the minimum up to your outstanding balance. And, you only pay interest on the money you use. All principal payments automatically replenish your line of credit. HERO is available to New Jersey property owners only.

The Home Front

By Nina Kaeser

Did You Know??

Very old is in. Going beyond the neoclassic Greek columns and Roman arches, designers are choosing objects that recall ancient Etruscan and Pompeian civilization. Original designs are given the patina of antiques.

Outdoor furniture will last longer if well maintained. Check nuts, bolts, screws and other fasteners regularly, and replace any that are corroded.

If you get a notice that your mortgage has been sold and monthly payments should go to another party, investigate. There are reports of scam operations using this ploy. Check with your original lender.

Safety rules: electrical mowers should be used on dry grass only; gasoline-powered mowers are to be filled outdoors when the engine is cool.

With less disposable income for yuppie pursuits, more people will be staying home this year. And, according to exhibitors at a recent Housewares Exposition, they're making home as comfortable as possible.

Want to get cozy in a home of your own? We'll help you find one that feels really comfortable and just right for you. Talk to the househunters at Century 21 Stanford Agency, 86 Union Ave., Nutley. 235-9000.
