'We made it!'

Shade Tree Commission decides Wallace St. trees

By Anthony Buccino

Belleville's Shade Tree Commission unanimously approved a resolution Monday night to remove 17 diseased and "health hazard" trees and save 10 healthy trees on Wallace St. The decision followed closely the recommendations of Dr. Bruce Hamilton, an associate professor of landscape architecture at Cook College, Rutgers.

The Shade Tree Commission ordered trees removed at the corner of Wallace and Harrison sts. and these Wallace St. addresses: 67, 65, 33, 31, 23, 17, 16, 30, 50, 52, 56, 62, 80 and two at 37. The following trees were determined to be healthy and were ordered saved, 71, 61, 59, 55, 58, 64, 66, 68, and two at 7.

Replacement tree plantings on Wallace St., Overlook Ave. and Rutgers St. will be determined by the STC at a future meeting, according to chairman Kevin Kennedy, the ideal planting season has passed and the next best time to plant is in the fall.

The commission discussed the pros and cons of various types of trees that might be planted, including Bradford pear trees, blue beech, crab apples, and Bradford whitehouse. The commission did not decide on any specific type of tree to replace those that are removed.

"We should pick several types of trees for planting," Commissioner Don Tucci said. "The Bradford pear needs constant care, you can't miss a clipping."

"The Bradford Pear tree seems to be a lemon," Commissioner Lyle Davis said, "they have a short life expectancy, and their smooth bark subjects them to possible freezing

damage in winter."

The commission also reacted to a report by Neglia Engineering that the street be narrowed by 6'. "Forget about your street being shrunken," Kennedy said.

The commission accepted a letter from Police Chief George J. Lister which read, in part, "Any narrowing of the roadway would require the elimination of parking on either the north or south side of the street. Elimination of any existing street parking would place a burden on existing homeowners."

The chief's letter also stated "Emergency vehicles particularly fire vehicles would also have difficulty in maneuvering on a narrowed roadway."

The chief, through his letter, strongly recommended that Wallace St. not be narrowed in width.

Kennedy, who announced he was resigning from the STC and the Planning Board as of July 1, said he was proud to have served with such excellent board members on the Shade Tree Commission. The contractor and township officials "never had any intention of leaving any trees on Wallace St."

Referring comments attributed to Parks and Public Property Commissioner Vincent Frantantoni in a Sunday newspaper article, Kennedy said, "for some reason he had to make an issue of credentials. This is an excellent board. What kind of qualifications do you want? Lyle Davis works in the forestry department in Trenton, Marie Vander Zwan's family has lived in town over 100 years, Don Tucci has lived here more than 30 years, Jim Fusaro has been in charge of trees here for 40 years.

"This board never met with any preconceived idea," Kennedy continued. "We've always tried to be fair and honest with the people on Wallace St. The people in the rest of the town have to be fair to the trees also. The regular people and the cable tv installers have to cease and desist cutting town trees. The resident who has a problem with a town tree in front of his home should petition this Shade Tree Commission and state what is wrong with their tree and what they want done. Then the STC will direct the Shade Tree Dept. to deal with it."

Commissioner Frantantoni said Tuesday in his office, the whole thing was a "waste of taxpayers' money and time." He said that going to court and the professor's visit ended up with the same results as the town engineering consultant and Shade Tree supervisor James Fusaro determined.

Frantantoni said, "The engineer determined 17 trees should be removed, another five or six were questionable and another five or six trees were healthy. They then threw the decision into the lap of the (township) commission who decided that since funds were available for 31 new trees, take all the trees down. Within 5-10 years, the five or six healthy trees would be as bad as the rest. From an aesthetic point, it was better to replace all the trees to keep the look, and trouble-free for 30 to 40 years."

"This is much more than an tree issue," Frantantoni said, "I'm an environmentalist. Not only am I in favor of saving the trees, but I've

THE LAST HURRAH! — Belleville High School 1990 grads toss their caps jubilantly into the air following last week's commencement. See our supplement for additional coverage.

Town scavenger fined \$250 for truck pick-up mix-up

Providing customer service on the wrong day cost the local scavenger contractor \$250. According to Domenick Pucillo of Domenick Pucillo Disposal Inc., Hillside, when a late call came into their operations manager about two missed pickups on Friday, June 8, the dispatcher set up pickups the following Monday, June 11. The truck was observed at 6:15 a.m. on Monday "picking up a private commercial stop" at 17 Franklin St. and at "about the same time" was observed picking up gas station metal refuse "in direct violation of your scavenger contract of September 12, 1989," according to the administrative order sent June 12 by Township Health Officer Thomas J. Longo.

The administrative order and notice of administrative penalty assessment sent by Longo cites two sections of the contract which were in violation.

In Section 2.4.4, the contract stipulates that "business and commercial premises may not be collected on Monday and Sunday but may only be collected on Tuesday

through Friday.

In section 2.6-5, the contract lists prohibited activities including "collecting solid waste from its private accounts using the spare trucks or vehicles on the same day it services the municipal collection route." The contract also prohibits "commingling garbage, refuse or solid waste from any other source with garbage, refuse or solid waste collected in the township."

The third section of the letters states that commingling carries a maximum fine of \$250.00 per violation.

Pucillo said Monday that sometimes when the truck picks up as early as it does, the customer does not always have the refuse ready. When a customer calls in a missed pickup, a truck can be dispatched the same day, if it's not too late. In this case, he said, the pickup was missed on Friday, and by the time we heard about it, the first time we could get to pick it up was Monday morning. "As harmless as it was, that's exactly what happened."

Rather than hire an attorney to fight the assessment, Pucillo said he intended to "cut our losses" and pay the fine.

"Our operations people aren't familiar with the intricacies of every contract. They don't know every detail — now they know," Pucillo said.

"All we sell is service. If a customer waits until the end of the day to call in that we missed him, we won't be able to be as responsive. The customer will have to wait," Pucillo said.

Longo's letter instructed the scavenger to pay the fine within 20 days and cease the noted violations.

On Monday Longo said that commingling of recyclable refuse is a statewide problem. "The only way to curb that is to follow every truck, but that would not be cost effective. Right now, we have hit or miss patrolling. If the commingling problem continues, then we should go after the hauler. When the companies are aware they are being watched, they are more careful."

The Department of Health, Longo said, relies on a concerted local effort with citizens keeping an eye, department personnel watching and the police watching for violations.

The hauler, Longo said, is paid separately by its commercial accounts. When mixed refuse from commercial accounts is loaded onto trucks carrying town refuse, the dumping fee is charged to the town, he said.

It is the commingling violation that carries the \$250 fine per violation, Longo said.

By Anthony Buccino

Taxes to go down for most residents

By Alfred Cook

A central question for the average taxpayer in the township after all the pulling and hauling in Trenton over Governor Jim Florio's \$2.8 billion combined tax plan and the new school funding formula, will be how will it impact income and property taxes.

"The average taxpayer will be writing smaller checks when it comes time to pay his income and property taxes," said Senator Carmen Orecchio.

"Senator Orecchio sponsored legislation which will bring property tax relief through state assumption of county welfare costs," said Robert Noonan, deputy executive director of the Senate majority.

"The residents of the town will be saved over \$3.2 million in property taxes that had been used to cover county welfare costs," the Senator said. "The average homeowner whose home is assessed at \$47,780 can expect savings of over \$312 as a result of this reform."

Homeowners with property assessed at \$28,041 will save in excess of \$270.

The homestead rebate, at first dithed in the Florio package, was restored in another property tax relief measure.

Residents will receive a rebate this year of \$150, but next year a single person with an income of less than \$35,000 who owns a home can expect a rebate of at least the same amount while married homeowners with incomes between \$70,000 and \$100,000 will receive a minimum rebate of \$100.

Belleville residents will be saved \$2.7 million in property taxes previ-

ously used for welfare costs and the average homeowner with a home assessed at \$41,522 can expect to save \$239, Orecchio said.

The proposal would provide relief to taxpayers with property taxes that exceed 5 percent of their gross income.

The maximum benefit would be \$500 in the form of a rebate.

Thus a household with a \$25,000 income and paying \$2,000 in taxes would receive a rebate from the state of \$500 — the maximum. The property tax cap on that would have been \$1,250.

Five percent of a \$40,000 income comes to a property tax cap of

\$2,000. But if the actual property taxes come to \$2,300, the rebate from the state would be \$300.

In a third example, a family with a household income of \$45,000 would be capped at \$2,250 or 5 percent of that. If, however, the actual property taxes are \$2,000 the state will still pay \$150 in rebate.

A total of \$600 million will be distributed to taxpayers through this program.

Another tax measure creates caps on local, county, school and state spending while it created a special "rainy" day fund to prevent a future fiscal crisis from occurring, Noonan said.

THERE'LL BE SOME CHANGES SOON — "Welcome to Belleville" signs placed at strategic locations on main thoroughfares recently will witness the rebirth of our town.

Nares arrest Union man planning to sell cocaine

Members of Belleville's narcotics squad last Friday arrested Joseph Torneo, 34, of 471 Chestnut St., Union, and charged him with possession of a controlled dangerous substance, possession of c.d.s. with intent to distribute in a school zone, and possession with intent to distribute. He was being held on \$10,000 bail in the township jail, according to Det. Sgt. Joseph Rotonda of the Narcotics Squad.

Rotonda said based on information received they set up surveil-

ance and at 9 p.m. observed and arrested the suspect's vehicle.

Torneo was found to be in possession of 21 packets of cocaine and was subsequently arrested and charged.

The squad also seized Torneo's Oldsmobile Delta 88 and held it for forfeiture, Rotonda said.

Torneo was also charged with terrorist threats, on a warrant being held by Detective Edgar Panier Jr. of Belleville's Criminal Investigation Division.

Belleville POLICE BEAT

Officers on patrol at the intersection of Passaic Ave. and Joramelon St. at about 8:45 on June 23 observed an underage male holding a can of beer. The officers apprehended William Marshall, 19, of Joramelon St. Marshall was taken to police headquarters where he was given a summons for underage drinking. Upon leaving police headquarters, Marshall was observed crumpling and throwing the summons on the ground. He was then brought back into headquarters where he was given a summons for littering.

Police responding to a reported attempted auto theft on Newark Ave. at 4 a.m. on June 25 were told by the owner of a 1988 Chevrolet Regatta that someone was observed kicking and punching the door of

his car. Police then apprehended Brian Whitman, 28, of Watessing Ave. who they had determined had not attempted to break into the car but damaged the side door and mauling. He was charged with criminal mischief and held on \$500 bail.

Tina Benedetto, 23, of Little St. was charged with driving while on the revoked list June 23. She was held on \$200 bail.

A 1982 Mazda reported stolen from the area of Dow and Williams sts. at 12:30 a.m. on June 23 was recovered by Newark police June 25.

An attempted auto theft was reported by a Union Ave. resident at 9:30 a.m. June 23. The owner reported his 1989 Honda had received a broken steering column and broken side door lock.

An Arthur St. resident reported property valued at \$645 was stolen from his 1988 Jeep during the night June 23.

A Ralph St. business reported a break-in June 20 at 6 a.m. The office manager reported that she found the door forced open and a strong box containing cash missing.

Orechio Assn. picnic planned

The Carmen A. Orechio Civic Association will hold its annual picnic 1 to 5 p.m. July 15 at the TIT Club House picnic grounds in Nutley. Raindate is July 22.

Food, games and music will be offered. Proceeds from the picnic benefit

the association's scholarship fund for schools in the 30th legislative district, which Senator Carmen Orechio represents.

Donation is \$12 for adults and \$5 for children under 12. Tickets are available by calling 235-1166.

Belleville will get \$2 million in additional education aid

A week ago, on June 20, the New Jersey Senate approved an exceptional public school financing program which factors in income as well as property as an ingredient in the mix.

Because of that, Nutley, Belleville and Bloomfield will receive an increase in state aid amounting to \$28 million over the next seven years.

Bloomfield and Belleville each receive \$10 million.

Belleville will receive a 28 percent increase or more than \$2 million in state aid the first year, Orechio said.

Advocates of the new school funding formula say it will provide a stable and predictable source of funding for education in 1992 and

thereafter.

"The old school funding formula was only fully funded twice in the 14 years of its existence," said aid Robert Noonan. "By tying the new formula to growth in personal income, the formula will be fully funded because it will grow in relation to its funding source."

If state aid to education was not increased in 1992, proponents said, all towns would have suffered drastic cuts back in state aid far worse than the 16 percent underfunding this year.

Proponents of the new formula argue that the fears of the teachers about their pensions are unfounded as it will be fully guaranteed by the state. Growth in state aid will be sufficient to cover growth in pension costs.

Fireworks safety warned

More than 9,500 fireworks-related injuries are treated in hospital emergency rooms each year, and thousands more are treated by private physicians, according to the New Jersey State Safety Council.

Nearly 70 percent of the injuries occur during the Fourth of July holiday period, and many of the victims are young males ages 5-14 who suffer severe burns, loss of fingers, broken bones, cuts and eye damage.

The Safety Council says, while most disabling injuries occur with mega firecrackers such as M-80s and Quarter Sticks, burns and lacerations are usually caused by "backyard" fireworks such as bottle rockets, roman candles, and small aerial displays.

Even the so-called "harmless" sparklers are responsible for a surprisingly large number of injuries to children. The sulfur-coated wire of the sparkler can reach temperatures as high as 2000 F — and just

the afterglow of the wire can cause burns and clothing fires.

On the basis of studies made by the US Product Safety Commission and the National Fire Protection Association, most injuries seem to occur in the following ways — a firecracker is held in the hand too long after lighting the fuse — throwing a lighted firecracker at another person — exploding one or more firecrackers stuffed inside a pipe or some other object — taking a firecracker apart and lighting the powder.

Parents who find these dangerous toys in their home are advised to immerse them in water or dampen them with a hose and then drop them off at the local police or fire department.

The Council reminds users of fireworks that it doesn't matter where you get them, fireworks are illegal in New Jersey, except for public displays authorized by state and/or local agencies.

Golden Comments

By Jim Golden

Excerpted from the editorial page of US News & World Report by Mortimer B. Zuckerman, Editor-in-Chief titled The Bad Guys of the S&L Fiasco we offer his cogent views... he writes as follows:

You were robbed — and you are still being robbed. You were conned — and you are still being conned. And some of the politicians, bankers and businessmen who did it to you are still around. I refer to the biggest single financial scandal in this country has ever known, the savings and loan fiasco, and I come back to it because its history is one of continuing deception and cowardice.

Had the politicians faced the reality of the blunder in 1982, it would have cost \$20 billion; in 1984, the costs had doubled to \$40 billion; in 1985-89, they more than doubled again. Now, we are looking at between \$50 billion and \$1 trillion, not including the untold tens of billions we all will pay indirectly through generally higher interest rates. It is hard to focus on a monster like this. It does not lend itself to TV sound bites, and the costs to the average citizen are indirect. But this kind of defen-

dering at all costs approach to government will cost everyone about \$2,500 in taxes or forgone government services. And it is the honest, hard-working people who will have to pick up the costs for the high rollers, the thieves and the incompetents.

Yet even now, top Bush administration officials, many of them responsible for the most remarkable regulatory lapse in history, are fumbling around. Typically, they recognized a big problem and proposed a small solution, creating new bureaucratic agencies that added billions to the cost and compounded the usual infighting.

The origin of the scandal, of course, was the 1982 Garn-St. Germain Act that legalized much higher deposit insurance and freer S&L investment opportunities. It would have been risky even if accompanied by tighter supervision, but the Reagan administration did the opposite. It turned down the plea for more examiners and auditors. In Texas, where there are more S&L collapses than anywhere else, the number of S&L regulators was cut from 54 to 12 between 1981 and 1985. The owners of S&Ls either learned to be high rollers or were bought out by men who were. These were men temperamentally and morally suited to exploit financial

privileges without financial responsibility, who engaged in mismanagement and outright fraud. Everyone should know what his tax money is going to pay for.

* Shopping centers in the desert. New towns where nobody would live. Office buildings in the boondocks. Home loans made to builders so incompetent that some of their projects had to be bulldozed for public safety.

* Land flips, where investors acquired land at low prices and sold it back and forth among themselves at progressively higher prices with inflated appraisals to justify bigger loans from friendly S&Ls they never intended to repay. This was a specialty of organized crime, which laundered the money in foreign bank accounts. One New York mobster turned up in deals at 300 thirds, of which 125 failed.

* Cash-for-trash, where a borrower got cash for one loan and agreed to take out a second loan to buy trash, real estate owned by the S&L, at inflated values. Silverado S&L, where President Bush's son, Neil, was a board member, was into this game of covering up its poor assets — and regulators did nothing when it was obviously in trouble in 1983. Sixteen such deals could cost the taxpayers \$278.5 million.

* High living of the kind celebrated by Charles Keating at his Lincoln S&L, where he paid his 26-year-old son almost \$1 million a year. Or at Vernon S&L, where Donald Dixon billed his company for thousands of dollars during a lavish tour of France because, he said, they needed a chef as a consultant for restaurant investments. Or at Sunbelt S&L, where they spent \$1.3 million on Halloween and Christmas parties in 1984 and 1985 alone. Or Centrust, which provided a yacht and \$30 million of art for the home of its chairman.

How can we ensure this will not be repeated? Begin by remembering key names. Those congressmen who participated in the legislation for who stepped in on behalf of insolvent S&Ls. George Bush, in charge of the task force on deregulation for the Reagan administration. Jim Baker, chief of staff and then Secretary of the Treasury when all this took place. President Reagan, who ducked responsibility. One can only wonder for whom he was speaking as he signed the 1982 deregulation act which made it all possible: "All in all," he said, "I think we have hit the jackpot."

Crecco opposes rules changes in Assembly

Stating that new rules approved recently in the General Assembly are "contradictory to the concept of free and open government," Assemblywoman Marlon Crecco (R-Essex) announced that she voted against these changes which were passed along party lines.

Crecco explained that the paramount reason for her opposition was the limiting of floor debate to two hours, one hour for each party. "This will stifle debate next week when we (the Assembly) will be debating Governor Florio's proposed budget," said Crecco. "This budget is the largest tax increase in the history of New Jersey and the Democrats do not want to afford the Republicans an opportunity to point out the dangerous affects this proposal will have on millions of New Jersey citizens."

Another rule change also allows each member to speak only once, as opposed to the three times under the former rules. Each member was also allowed to speak for a total of 30 minutes.

D.P.W. Yard cleanup now underway

Within a week of being cited as a fire hazard, the recycling debris accumulated at the Public Works yard at 560 Cortlandt St. was reported in the process of being removed. The sorting and hauling away began Monday according to Domenick Pucillo of Domenick Pucillo Disposal Inc., the township's trash hauler.

A township commissioner said Tuesday that the hauler had only bid on the clean-up project Monday. He also said that Middlebush Compost Inc., of Somerset had removed 200 yards of stumps beginning June 18 through the 22nd.

Speaking about the present condition of the Public Works Yard, the commissioner said, "two months ago, the yard wasn't like that. It never was a problem before. Now, it's a problem because we can't take the leaves and grass to the dump. The quantity of leaves this year is 5-6 times the quantity as last year."

The commissioner said he was "glad to see everybody doing his job" in reference reports of the Health Dept. and Fire Dept. keeping on top of the D.P.W. yard. "Unfortunately, when everybody does his job, you don't become popular politically." The commissioner stressed that he was not criticizing the Dept. of Public Works, just that the problem has gotten out of hand.

Public Works Commissioner Angelo Risoli confirmed that Pucillo was hauling leaves away from the D.P.W. yard for composting. In addition, he said, town trucks are also now permitted to haul debris to authorized dumps.

The clean-up has been in progress for at least three weeks, Risoli said. He added that the Health Department and the Fire Department are both aware of the situation.

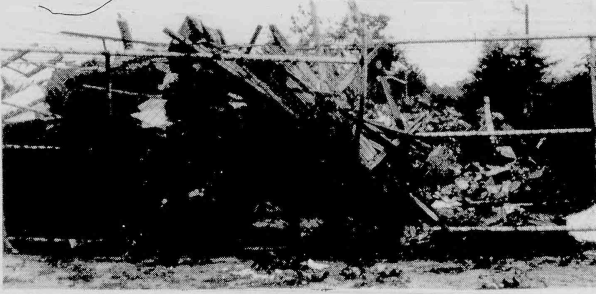

Risoli said that since the scavenger contract does not cover recyclables, "it is now our responsibility. Other municipalities have better systems, they've been doing it longer."

Part of the problem, Risoli said, "July is just around the corner, people are still putting leaves at the curb. We're still getting people with bags and bags. The leaves fell in October, where have they been keeping them, in their basements?"

Township fire official Captain Andrew Depczek issued a citation June 18 giving the township until June 29 to clear the violations at the Public Works facility. Copies were sent to Public Works Commissioner Angelo Risoli and Mayor Michael Pizzi as the agent for the township.

Depczek said that the leaves decomposing on the site make their own heat and "could be burning down there right now."

The debris piles, according to the citation, were "dangerous conditions which are liable to cause or

DEBRIS IS BUSTING OUT ALL OVER — The Department of Public Works yard is over-run with recyclable refuse. Private contractors and township trucks are working on the clean-up.

PILES OF TIRES — and other debris have grown too much for the township to handle alone. Fire and health officials are keeping an eye on the clean-up.

contribute to the spread of fire in or on said premises." Accumulated rubbish was also cited in the complaint.

Under the Uniform Fire Code, "if the occupant of a building creates the conditions in violation of the code..." the occupant can be held responsible for the abatement of said hazardous conditions."

In simple terms, that means that if the occupant must clean up the site, and if a fire breaks out before the clean up is complete, the occupant could be assessed the cost of fighting the fire.

This case would be transferring money from one township till to another township till, a fire department spokesman said.

Domenick Pucillo said Monday that the town "just hired us to move that stuff out." He said that leaves collected in plastic bags must be ripped open and separated before the hauler can bring it to one of several composting facilities.

Pucillo estimated the clean up could take "a week or more to complete."

Earlier this month, Fire Chief Walter Beresford received a letter

from a resident requesting action against "an illegal transfer station." Subsequent inspections of the facility led to the fire code citations.

Township Health Officer Thomas Longo said, "The magnitude of the problem is beyond the capabilities of the present staff and the size of the yard. You'd be surprised at how much white goods and grass clippings comes out of such a small community."

"We've gotten containers to store white goods to get enough for the pick up to be cost effective," Longo said. "When the bins are filled, the DPW calls the appropriate pick up company to haul it off."

"In the past, the DPW has had to straighten out the yard and clean it up. It's going to be a continuous problem, from time to time it's going to get unsightly, as long as it's not a health or fire hazard," Longo said.

"They may have to get their pickups faster," Longo said, "from time to time there's going to be a glut."

Longo said it boils down to a logistics problem, too many recyclables and not enough room to store them before they are carted off. He and other members of his department have discussed the problem with the DPW, Longo said.

By Anthony Buccino

Kane interns at Rutgers

Heather Kane of Belleville will spend her two-month summer vacation working on laboratory and field projects at the Environmental and Occupational Health Sciences Institute, a joint project of Rutgers and the University of Medicine and Dentistry of New Jersey.

"The goal is to encourage students to consider careers in science," said Victoria Leyton, program director. "The summer internship gives participants a taste of what scientific research is all about."

Students will contribute to research projects conducted by EOHHS's senior research scientists, many of whom are internationally recognized experts in their fields.

Bui and Ciccone on Felician list

Thanh Bui and Barbara Ciccone, of Belleville, were named to the Dean's List for the spring semester at Felician College in Lodi. A 3.5 average or above is required to make the list.

Fourth of July festivities planned

As many flock to the shore to escape the heat and chaos of city life at holiday time, many other Bellevillites will stay home to experience the traditional ceremonies of the Independence Day celebration here in town.

To begin the festivities on Wednesday, July 4, the Recreation Department will hold its annual field day for youngsters in grades K-8 at the Municipal Stadium starting at 10 a.m.

The events, which will be open to all young Belleville residents, will be divided into three categories. There is a junior division for kindergarten to second graders, an intermediate division for third to fifth graders, and a senior division for the 6th to 8th graders.

Events will include the 50 and 100 yard dashes, an agility race, a three-legged race, sack races, a girl's relay race and a boys' tug-of-war.

All activities will be supervised by the members of the Belleville Recreation playground staff under the direction of Superintendent Dennis Buckley. Patches will be awarded to the winners and all will share in slices of watermelon.

On Wednesday night, July 4, a spectacular fireworks display will be presented at the stadium starting at sundown. The rain date for these events will be Thursday, July 5. In all, it promises to be an exciting holiday and Bellevillites young and old are invited to share in the glitter of our country's historic day.

Wallace Street trees

(continued from page 1)

been planting trees all over town. Here, these two projects, Overlook Ave. and Wallace St. could have been completed by the middle of April. This created a lot of confusion. The paving had nothing to do with the trees."

On "continuity," Frantantoni said he was "very concerned this thing was a stall tactic. I hope this wasn't a political issue. I hope there's continuity by a Shade Tree Commission being maintained. If they're going to enforce the ordinance, I want to see them continue."

"We are the laughing stock of the county and the state," Frantantoni said. "The shade tree commission doesn't normally have all this power. There's more trees here at stake. Suppose the STC had authorized the narrowing of the street, and then a fire truck couldn't get into fight the fire. We would have

saved a tree but lost a life.

The controversy over the Wallace St. tree removal began when residents were riled at the clear-cutting of trees on Overlook Ave. and Rutgers St. Area residents presented a petition March 27 to the township board of commissioners requesting that the trees be saved.

Other residents in the area protested the petition saying that they were not informed when they signed the petition that new trees would be planted for each tree removed.

Prior to the removal of all trees on Wallace St. a lawsuit was brought against the township on behalf of the trees, and a decision in Superior Court in Newark directed the mayor to appoint a Shade Tree Commission to resolve the dispute locally.

Spero promoted at DeWitt

Vincent A. Spero has been promoted to Commercial Loan officer announced Michael J. Quigley III, chairman and chief executive officer of First DeWitt Savings.

Spero recently held the position of Senior Credit Analyst for First DeWitt Savings. Prior to joining the thrift, Spero worked as a credit analyst for Midland Bank and Trust Company, and a financial representative for Massachusetts Mutual Life Insurance Company.

Spero holds a bachelor of science degree in business from Wagner College, and is currently pursuing

his MBA degree at Fairleigh Dickinson University. Spero, a graduate of Bergen Catholic High School in Oradell, and a lifelong resident of Paramus, is an active member of the Fairfield Kiwanis Club.

First DeWitt Savings, a First State Financial Services Company, is headquartered in West Caldwell, with ten offices serving Northern and Central New Jersey. First DeWitt Savings has assets of over \$460 million, and a strong Capital-to-Asset Ratio (almost double the current requirements set by thrift regulators).

NUTLEY ASSEMBLY OF GOD

Presents

Book of Revelation Seminars

Pastor Bruno will teach most every Thursday night on such present day subjects as:

- THE SPIRIT WORLD AND YOU
- FALLEN ANGELS RULE OUR WORLD
- DEMONISM - INNOCENT OR REAL
- CAN A DEMON LIVE IN YOUR HOUSE OR HEART
- WHERE ARE THE DEAD
- HELL - REAL OR FALSE
- WHEN IS JESUS COMING BACK

AND MUCH, MUCH MORE

Bring your Bible and notebook as we study the Bible together.

THURSDAYS - 7:30 p.m.

OUR OPINION

Good luck, grads!

We want to take this opportunity to congratulate the Belleville High School Class of 1990, and with that herald our graduation insert.

Our intent was to provide our readers with some final views, sights they would not find in the yearbook, but which can be kept in the year book for future reference. Congratulations and good luck!

Accumulated sick time

When Fire Chief George Sbarra was forced to retire by state order in February 28, he put in his papers for his retirement benefits. In forty-one and a half years of service to the township of Belleville, he had accumulated 490 unused sick days.

When a chief is out sick, a deputy chief moves up to chief's pay for a day, and a captain moves up to deputy chief's pay for a day. So not only does the town pay the chief for being sick, it also pays his underlings to cover for him in a higher responsibility.

We must realize that every time Chief Sbarra came to work when he was sick, he saved the township money. Now that he's put in all those years of service, guiding the firefighters, protecting our town, enforcing fire regulations, and most of all being there when the people in the township needed him, his training and expertise, now the town fathers turn their backs on him when he requests a half-year salary in lieu of the unused sick time.

Instead of paying Chief Sbarra \$31,230.42 which he is due, they first put his request off at several public meetings. Then they decide to pay him only \$12,000 for all his unused sick time. Is this anyway to treat someone who has worked diligently for our town for more than forty years?

Other township employees, we could name at least seven since the Jimmy Burns case was settled, have retired recently at half-year salary for their unused sick time — without having to go through a township commission meeting to obtain it. They simply were paid out through their payroll checks. No muss, no fuss, and very few people in town even noticed.

But when it comes to Chief Sbarra, the town fathers act altogether differently. Following the recently settled salary arbitration Chief Sbarra was the only one of 178 police and firefighters who did not receive a raise. If fact, after the deal settled, Chief Sbarra was earning \$6,000 less than his deputy chiefs. The fire chief's last raise was in 1987.

Those recently settled contracts come up for negotiation soon. As hard as the council will try to hold the line, there will be some kind of raise for our police and firefighters. But what they've got to be aware of is that one of these days they are going to have to pay the present fire chief more than his deputies, and when they do, Chief Sbarra will be standing nearby with his lawyer. And rightly so.

You don't discriminate against a man who has worked for you for more than forty years by tossing him aside and ignoring his pleas for fairness. You don't discriminate against him in salary negotiations because he is part of a class action suit against forcing him to retire. And most of all, you don't discriminate against him because he's lived all his life in our town.

The commissioners at their meeting June 12 denied Chief Sbarra his \$31,230.42 and instead proffered \$12,000. Then they decided not to talk to him because the whole situation could end up in court.

Word gets out quickly in our little town. And what we've got to be aware of is that this town is loaded with many employees who have accumulated very much sick time. If they all started taking their sick time tomorrow, Belleville would very much resemble a ghost town.

The commissioners at that meeting, after they refused to pay Chief Sbarra his due, then voted to change the resolutions in regard to paying township employees for unused sick time. A little too late, we think.

The new council should restructure the salary and benefits ordinances to reward those employees who have accumulated much of their sick time by staying healthy through years and years of service.

They should also adjust the rate of accumulation as the Board of Ed now has. For the first ten years, BOE employees get 10 sick days, which accumulate if they are not used. After ten years of service, the employees get 15 days sick time, the first ten are used up or accumulated, the second five are only used up after the first ten and cannot be carried over.

The new plan doesn't have to be that simple, but a new plan better be forthcoming, otherwise the town could be dealing with a lot of flu soon.

WE WELCOME LETTERS of interest to our local area. They should be short and to the point, they must be signed for attribution and contain the address and telephone number for verification.

YOUR OPINION

Library dedication

To the editor:

The Belleville Public Library and Information Center dedicated its new Trustee Room on Sunday, June 10. The celebration, under the guidance of the President of the Library Board of Trustees, Joseph T. Casale, included beautiful chamber music played by Belleville High School students Debby Pedone, Erika Gomez, Frank Brunello, Noel Domine, and Julie Pedalino, directed by Edwin Black.

On the walls of the beautiful new gallery/meeting room hung the art of Marsha Miele, a Belleville resident. Remarks by Senator Carmen Orechio, Assemblywoman Crecco and Assemblyman Kelly, the members of Belleville's Council-elect, Frank Caputo, William P. Cook, Mario Drozdz, James Messina, Frank Noonan, Marina C. Perna and Thomas J. Spillane as well as Assistant Township Attorney Robert Giordano placed emphasis on the positive educational and cultural role the Belleville Public Library has played in community life.

Library Trustee James J. Cozzarelli Jr., who designed the dazzling new space on Washington Avenue, spoke of the inspirations for the remarkable Trustees Room. Former Trustees George F. Kiernan and Mayor Michael V. Marotti were recognized for their contributions to the library. Presently serving Trustees Kenneth R. Broo, Michael D. Nardiello, Frederick Long and Marie Shaffer were commended for their dedicated commitment to Belleville's Library with Trustee Casale sadly noting that Mrs. Shaffer, who would have enjoyed the dedication more than anyone, was unable to attend because of illness.

We want the beautiful new Trustees Room to stand as a welcoming public space on Washington Avenue. We also want our library to serve as proof of former San Francisco Mayor, Dianne Feinstein's statement, "A great library is a measure of a great city."

David Bryant
Library Director

B.A.S.E. thanks all

To the editor:

On behalf of the Belleville Alliance for Substance Education Inc. (B.A.S.E.) committee, I would like to take this opportunity to thank with grateful appreciation Mr. George Lynch and the Knights of Columbus who generously donated their hall and soda to our Project Graduation party for all the Belleville High School seniors. Also, the Apicella Family at the Chandelier Caterers who accommodated us by catering the party at the Knights of Columbus Hall, with the same great service we would have had received at their establishment.

Many thanks go to the Awareness Committee, chaired by Mrs. Donna Branca. This committee worked very hard this year to raise the funds needed. Through various fund raising projects and by receiving donations from the parents of our seniors, parent/school organizations, community service organizations, PBA and business in our township. The committee's work enabled us to meet our goal set this year for Project Graduation.

To the staff of Belleville High School, Miss Meola our Substance Awareness coordinator whose work is tireless and is a constant support in all that the B.A.S.E. committee does, we truly appreciate all that you do. Mr. Ciccone, Mr. Mc Grath and all the teachers at Belleville High School, we thank you, not only for chaperoning the seniors that evening, but always being there to help in any way you can.

To our new councilmen, their wives, board of education members and all our B.A.S.E. members who helped chaperone the evening, I thank you. A special thanks to Anthony Bucino, editor of the Belleville Times, who has always given us support.

Dear readers, words cannot express what my heart feels as I write this letter and what pride I feel for our community. A total community spirit has joined us together making not only this night a success but all the work being done through B.A.S.E. committee. Together we are working towards a substance free community, the future of our children and township. We thank you all and may God bless you.

Barbara Cialese, Chairperson
Belleville Alliance for Substance Education

No parking

To the editor:

Last year, the form of government in Belleville was changed by a group of individuals who used deceptive and malicious tactics. Having successfully changed the form of government, and getting several of their group elected to the new council, you would think their malicious and false statements would end. But, NO WAY!

In the June 14, 1990 issue of the Belleville Times, the Reverend Gerald Fortunato stated in a letter to the Editor, "a request was made to Commissioner Frantantoni for permission to use the Rev. Benedetto Pascale Friendly House lot for parking."

I was extremely shocked to see a false statement like this come from a "man of the cloth." First of all, I did not receive such a request. Secondly, the only "lot" at the Friendly House is a fenced-in grass playground, with children's play equipment. There is NO parking lot.

Several months ago, in an effort to assist the Silver Lake Baptist Church parking situation, I suggested to a member of their congregation to contact the owner of a large and seldom used lot directly across from the church and perhaps he would allow them to use the lot for their special services.

Also, in the June 14, 1990 issue of another newspaper, Vincent Nuzzi, attorney for the change of government group, was attributed as saying "the criminal complaint initiated by Commissioners against CBB members was frivolous." The record should also show that this statement was incorrect. The Board of Commissioners did not initiate any lawsuit. The fact is that the CBB initiated the lawsuit against the Commissioners. When their "frivolous charges" achieved their desired goal of creating a negative atmosphere to win the change of government election, they dropped their unfounded charges.

It is also interesting to note that Mr. Nuzzi was a partner in the firm of Schwartz, Pisano, & Nuzzi, formerly of Belleville. Is this the same Mr. Schwartz who was the Belleville Board of Education attorney? Is this the same Mr. Pisano who was the past chairman of the Belleville Zoning Board? Did Belleville really get a change in government?

Will the new Council hire an attorney for a fixed fee, as is the current practice, or will they hire one for a "retainer plus"?

I will be interesting to see the cost of legal fees incurred by the new Council, especially after all their campaign rhetoric about excessive legal fees.

Commissioner Vincent J. Frantantoni

Blight, again!

To the editor:

An open letter to all councilpersons:

From former Councilman at large candidate Michael Giordano.

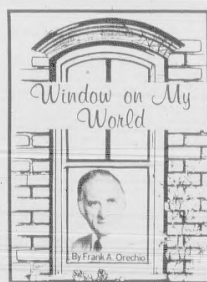

One of the best of my recollection, I don't recall ever having seen any one of you involved in town activities, especially in the matter of the "blight."

This was a struggle of almost five years duration and we had to be on our toes constantly because the scheming politicians were ever trying to slip this resolution through at every turn. It was a long, hard, struggle that sapped the strength of all of us involved in fighting against the declaration. We finally won. We could now relax. The issue is dead and buried. It is all behind us.

So we thought! Now we discover that one of the prime issues of the newly elected council is to reprise the "blight" issue. We are back on that slippery slope which will drain much time and energy from more important, critical issues. Since this issue seems to be of prime concern for the newly elected council, one cannot wonder why it was that none of them ever mentioned this issue during their campaign for election. I dare say, had they done so, the outcome might have been a little different.

Another wonderment is: The change of government was brought about by a small band of hard working, dedicated people. It would have been nice to have honored them by inviting them all to the inauguration of the newly elected town council. How sad they were not.

Michael Giordano

• BIRTHDAY congratulations are in order to a veteran public servant, former Mayor Harry Chenoweth as he celebrates his 80th birthday — with half a life devoted to improving the quality of life in Nutley. Thanks, Harry, for your contribution in making Nutley a better place for all of us in which to live and work.

• JOHN CARDINAL O'CONNOR of New York has threatened excommunication for any Catholic who persists in supporting a woman's right to abortion. In a recent statement, Cardinal O'Connor said, "Catholics in public office must also have this commitment to serve the state but service to God must always come first." New York Governor Mario Cuomo reacting to the Cardinal's edict spoke for freedom of communication was "profoundly disconcerting, but it's not going to change anything." As Cuomo so aptly pointed

out in his statement, he observes, "This is the kind of subject people would rather not deal with; they want to hear about taxes, drugs, jobs." Amen.

An old friend has decided to quit politics. Senator Wayne Dumont of Warren County, Wayne was elected State Senator in 1951, beating incumbent Senator Bob Meyner by sixty votes. The photo below was taken Election Night at 4 a.m. I was campaign coordinator for Dumont who is shown seeking confirmation of his "landslide" win from the Warren County Clerk. A victory smile is on my face, while Wayne's face reflects a mixture of concern and relaxation.

Frank Orechio and Wayne Dumont in 1951

• A PATERSON teenager drowned Sunday at the Garrett Mountain Reservation in Passaic County while attempting to rescue a friend who also drowned.

ed. This recalls to mind an event that almost cost me my life as a teenage youngster. In the Delawanna section of Clifton, a tributary of the Passaic River was used as a swimming hole by some of us. I'm not much of a swimmer, — in fact, I just about am able to stay above water.

In the Big Tree section of Belleville lived a young chap whose name was "Bootebaker," who was one of the chaps among the group who decided to go in for a swim. Suddenly, I heard "Bootebaker" calling for help. I dove in the water and grabbed him. As I started to swim to shore with "Bootebaker" in tow, he suddenly lurched forward, grabbed me, and pushed me down into the water. Instantly, I experienced some unwanted swallows of contaminated water. I rose to the surface twice, and at that point "Bootebaker" gave me a shove which put me under water again. I flailed my arms frantically, moving my legs with as much strength as I could summon; and for one instant, I accepted and resigned myself to the idea that I would drown.

The Lord above must have smiled on me for a second or two. Moments later I rose to the surface one more time and immediately swam to shore in a direction away from the person whose life I saved.

It was probably one of the most memorable instances in my lifetime. I never came any closer to losing my life. That memory will be with me until the day I die. So I could, in a way, identify with the Passaic County incident that cost two lives.

(continued on page 5)

OBITUARIES

William Davis, 69

William Davis, 69, of Harrison, formerly of Belleville, died June 18 in West Hudson Hospital, Kearny. A Mass was offered June 21 in Holy Cross Church, Harrison, following the funeral from the Mulligan Funeral Home, Harrison.

Mr. Davis had been a foreman for Crucible Steel, Harrison, where he worked for 29 years, retiring in 1969. He was a corporal in the Army during World War II and was a prisoner of war for nine months in 1945.

Mr. Davis was a member of the Disabled American Veterans, Kearny, and the Veterans of Foreign War Post 340, Harrison. Born in Newark, he lived in Belleville for 20 years before moving to Harrison 49 years ago.

He is survived by his wife, Malvin; two daughters, Mrs. Margaret Shaw and Mrs. Mary Fox; a son, William M.; two sisters, Mrs. Theresa Winters and Mrs. Lillian Malcolm, and four grandchildren.

Elizabeth Bellis, 76

Mrs. Elizabeth Bellis, 76, of Belleville died June 18 in the Water-view Convalescent Home, Cedar Grove.

A Mass was offered June 21 in St. Peter's Church, Belleville, following the funeral from the Kiernan Funeral Home, Belleville.

Mrs. Bellis had been an inspector for Tiffany Engraving Co., Newark, for 15 years, retiring in 1984. She earlier was a clerk for eight

years with the Prudential Insurance, Newark. She was a member of the Belleville chapter of the Missionary Servants of Most Holy Trinity.

Born in Newark, she lived in Garfield for 15 years before moving to Belleville in 1952.

She is survived by two daughters, Mrs. Maureen Albaghi and Mrs. Barabanne Wilkins, and four grandchildren.

Christina Ciallella, 88

A Mass for Mrs. Christina Ciallella, 88, of Bricktown, formerly of Belleville, was offered June 21 in St. Peter's Church, Belleville, after the funeral from the Berardinelli Forest Hill Memorial.

Mrs. Ciallella died June 22 in the King Manor Nursing Home, Nep-

tune.

Born in Italy, she lived in Newark, Belleville and Barnegat before moving to Brick Township last year.

Surviving are three sons, Anthony, Armando and Carmine; 17 grandchildren and seven great-grandchildren.

Joseph Pevarnik, 67

A Mass for Joseph Pevarnik, 67, of Belleville was offered June 25 in St. Peter's Church, Belleville, following the funeral from the Megaro Memorial Home, Belleville.

Mr. Pevarnik, who died June 21 in the Clara Maass Medical Center, Belleville, had been a laborer with the Sherwin Williams Paint Co. in Newark for 40 years, retiring five

years ago. He served in the Army during World War II.

Born in Newark, he lived in Belleville for 20 years.

Surviving are a stepdaughter, Mrs. Shirley Haberkost; two sisters, Mrs. Mary Rischman and Mrs. Rose Luciw; two brothers, John and Michael; four grandchildren and four great-grandchildren.

William Beer, retired bank executive, 89

Services for William Beer, 89, of Lakewood, retired as a bank vice president, were held June 25 in the Weatherhead Young Funeral Home, Bricktown.

Mr. Beer died June 20 in the Kimball Medical Center, Lakewood.

He had been a vice president for the Bank of New York, Manhattan, where he worked for 45 years, retiring in 1965. He had also served as secretary and director of the Fifth Avenue Bank Safe Deposits Vaults for many years.

Mr. Beer was a member for 60 years and a master mason of the Belleville Lodge 108 F&AM and the Masonic Square Club of Leisure Village, Lakewood. He served as the director of the original Leisure Village Foundation and Health Center, Lakewood. He was also a member of the Travel Club and Choral Group, both of Lakewood.

Born in Belleville, he lived in Nutley before moving to Lakewood 20 years ago. Mr. Beer leaves his wife, Emily and a sister, Mrs. Esther Saul.

Mary M. Nichols, 75

Mrs. Mary M. Nichols, 75, of Roseland, formerly of Belleville, died June 11 in St. Barnabas Medical Center, Livingston.

A Mass was offered June 12 in St. Catherine of Siena Church, Cedar Grove, following the funeral from Shook's Cedar Grove Funeral Home.

Mrs. Nichols had been a person-

nel employee for 25 years with Hahne's Department Store, Newark, before retiring in 1979.

Born in Dixon City, Pa., she lived in Belleville before moving to Roseland in 1979.

Surviving are a daughter, Mrs. Louise Sylvestro; a son, Robert; seven grandchildren and four great-grandchildren.

Pasquale Palmieri, 59

Pasquale A. Palmieri, 59, of Belleville died June 23 in the Clara Maass Medical Center, Belleville.

A Mass was offered June 26 in St. Peter's Church, Belleville, after the funeral from the Biondi Funeral Home, Nutley.

Mr. Palmieri was a warehouse supervisor with the Apparel Industries in Carlstadt for three years. Earlier, he had been employ-

ed in the same capacity with Adornance Apparel in Secaucus.

Mr. Palmieri served in the Army during the Korean Conflict. Born in Brooklyn, he lived in Belleville for 18 years.

Surviving are his wife, Louise; two daughters, Mrs. Tina Gosker and Sandy; five brothers, two sisters and four grandchildren.

A. Camacho, 48

Aristides Camacho, 48, of Belleville died June 23 in the Clara Maass Medical Center, Belleville.

A Mass was offered June 27 in St. Francis Xavier Church, Newark, following the funeral from the Zoro Funeral Home, Bloomfield.

Mr. Camacho was a machine operator for A. Horowitz and Son, Fairfield, for the past 15 years.

Born in Peru, he lived in Newark before moving to Belleville last year.

He is survived by his wife, Edelmira; his mother, Mrs. Carmen Camacho; a son, Louis; a daughter, Marie Elena; two brothers, Jose and Alejandro; and a sister, Mrs. Maria Rosales.

RELIGIOUS VIEWPOINT

Gerald Fortunato, Pastor
Silver Lake Baptist Church

How to be a healthy Christian

Requirements for spiritual health

In a frantic quest for good health, many people spend hundreds of dollars on health foods and vitamins. They purchase memberships in spas. They submit to routine physical examinations. Yes, people generally want to be healthy — and they are working harder and spending more money to achieve it than ever before.

Yet in spite of the tremendous advances made in medical science, a large portion of our population is chronically ill. And many people die before they reach age 70. Some, of course, have physical problems over which they have no control. But a number are in bad health because of non-physical factors, such as an anxiety neurosis. Many doctors, however, are saying that more emphasis should be placed on psychosomatic medicine.

Now this concept is nothing new or revolutionary, for the idea has been around for centuries. The Greek philosopher Plato, for example, criticized the physicians of his day for taking care of the body but forgetting about the soul. He said, "Many diseases escape them, as they never see the whole." Yes, good health involves the soul, the mind and the body — the whole person.

Let us look at that which we call "the spiritual part" of man. That should be the starting point to good health. A person who knows the Lord and who is living in fellowship with Him has a special advantage. As a spiritually healthy Christian, he enjoys certain benefits that have an impact for good on the mental, emotional, and even the physical elements of his being.

Spiritual health, like almost everything else that is worthwhile in life, is not obtained in a hit-or-miss fashion. To experience it, a person must follow definite guidelines. In order for a Christian to be spiritually healthy, he must:

- read God's Word
- talk to the Lord
- identify with a church
- be active in service

As we consider these four (4) guidelines, my prayer is that you will enjoy better spiritual, mental, emotional and physical health.

Theresa Beldon, 87

Mrs. Theresa Beldon, 87, of Little Falls, formerly of Belleville, died June 25 in her home.

Services were private under the direction of the Anderson and Campbell Funeral Home, Whiting.

Mrs. Beldon had been the office manager for the Hanson Manufacturing Corp., Belleville, for 17

years, retiring in 1967.

Born in Newark, she lived most of her life in Newark and Belleville before moving to Whiting in 1972 and to Little Falls several years ago.

She is survived by a daughter, Mrs. June Docherty; a brother, Albert Wermuth, and a sister, Mrs. Eleanor Potter.

Dr. Filipek interning at V.A.

Richard E. Filipek received a Doctor of Podiatric Medicine degree from the New York College of Podiatric Medicine.

During his four years at NYCPM, Dr. Filipek served as president of his class of 130, was a member of the Student Chapter of the American College of Foot Surgeons, Sports Medicine Club and participated at the first aid station set up in the New York City Marathon and the March of Dimes

Walkathon. He is presently serving his residency at the Veterans Administration Medical Center in East Orange.

Dr. Filipek is the son of Theodore and Jean Filipek of Belleville. A 1975 Belleville High School graduate, he completed studies at Fairleigh Dickinson University in Teaneck in 1979 before entering NYCPM.

Filipek, who lives in Bloomfield, is married to the former Dorothy Steffens of Garfield. The couple has a two-year old son, Erik Jason.

Dr. Richard E. Filipek

PUBLIC NOTICE

TOWNSHIP OF BELLEVILLE

PLEASE TAKE NOTICE THAT RAJESHREE PATEL has applied to the Planning Board of the Township of Belleville for minor subdivision approval so as to permit the subdivision of an existing lot upon which currently exists a one-family residential dwelling. The property, which is the subject of this application, is located at 2 Croyer Place, Belleville, New Jersey, and more particularly described as Lot 12 in Block 49, as shown on the Tax Maps of the Township of Belleville.

A public hearing has been scheduled for Thursday, July 12th, 1990, at 7:30 p.m., at the Health Building, 2nd floor, 383 Washington Ave., Belleville, New Jersey, at which time you may appear either in person, or by agent, attorney, and present any objections which you may have to the granting of this application. He advised that plans and supporting documentation have been filed with the Belleville Planning Board and are available for public inspection during regular working hours.

Be further advised that this application was previously granted by the Belleville Planning Board on May 14th, 1987, but due to the failure to record the subdivision plot, requires the relief herein sought.

This notice is sent to you by the applicant, by order of the Belleville Planning Board.

Respectfully,

RAJESHREE PATEL

Eight great live Monday nights

Looking for what to do this summer with your family? The Belleville Public Library and Information Center is providing eight great live Monday nights, beginning with "How To Get Into TV Commercials" at 7:30 p.m. July 9, followed by the program "New Lightning Likenesses" with Star Ledger cartoonist Kay Kato July 16 at 7:30 p.m. For a complete listing of the Monday evening programs, request a copy on your next library visit. Registration is required for all programs.

Joseph T. Casale, President of the Library Board of Trustees, hosted the dedication ceremonies of the Trustees' Room at the Belleville Public Library and Information Center, which was well-attended by governmental officials, library patrons, members of the library board of trustees, and people in the arts.

New at the library

Reading non-fiction can provide you with a wealth of information and prove to be entertaining also. Among the new titles available at the Belleville Public Library and Information Center are "Barbarians at the Gate," by Bryan Burrough and John Heleyar, the story of the fall of RJR Nabisco, "The Black Watch: The Men Who Fly America's Secret Spy Planes," by Ernest K. Gann, "The Earliest Relationship," by T. Berry Brazelton and Bertrand G. Cramer, the story of parents, infants, and the drama of early attachment, "FoxBase (Mac Simplified)," by Michael Masterson, an effective tool for learning MAC, "Governors and Legislatures-Contending Powers," by Alan Rosenthal, the first full examination of the dynamics between the states' governors and their legislatures, "Planning for Long-term Health Care," by Harold Evensky, "The Population Explosion," by Paul Ehrlich and Anne H. Ehrlich, a book dealing with global warming to rain forest destruction, famine, air and water pollution and why overpopulation is our environmental problem, "Preserving the World Ecology," by Steven Anzovin, a Reference Shelf title, and "When She Was Dead," by Shana Alexander, the story of Bess, Hortense, Sukreet, and Nancy. These books are available in the New Books' Section of the library.

Comedy films in July

Comedy films will be shown on Wednesdays at 1 p.m. at the Belleville Public Library and Information Center. Among the featured stars will be Laurel and Hardy, Charlie Chaplin and the Three Stooges.

Sandy Zampino, left, and Leigha White, staff of the James J. Cozzarelli Jr. Children's Room, are planning to have the children of Belleville tour the world this summer with a special reading program, entitled "Around the World With Books." Flags of many nations are on display in the James J. Cozzarelli Jr. Children's Room.

Marcia Miele, Belleville Middle School art teacher, explains the techniques of printmaking to her students, as exemplified by her art on exhibit during the month of June at the Belleville Public Library and Information Center. Over one hundred students visited the exhibit from the Belleville Middle School.

At the beach or in the car

If you enjoy dramatizations of the written word, whether at the beach, on vacation, jogging, walking, or in the car to fill the long void of travelling, you may enjoy taking out the following audiotapes available at the Belleville Public Library and Information Center. They include: "Born on the Fourth of July," "The Bourne Supremacy," "Cold Harbour," "Eighty Million Eyes," "The First Deadly Sin," "Hamlet," "Heiress," "The Man From St. Petersburg," "The Postman Always Rings Twice," "Odds Again," "Red Storm Rising," "State Scarlet," and "Valley of Wild Horses," to name a few. Perhaps you may decide to read the book also, or vice-versa.

David Bryant, Library Director, acted as auctioneer at the recent Friends of the Library Fun Auction that helped raise monies for Friends' projects, such as the recent large screen television for the showing of movies at the library.

An abundance of books

You don't have to have a home overflowing with books to give your children the experience of reading. In the James J. Cozzarelli Jr. Children's Room, there is an abundance of books, plus many other valuable resources.

Helping your children enjoy reading is one of the most valuable things that you can do as a parent. Visit the James J. Cozzarelli Jr. Children's Room this summer and all year long. In addition, tour the world this summer with a special summer reading program, "Around the World With Books." A new country will be featured each week.

If you live in the area of the Shafter Branch Library, 30 Magnolia Street, you also have access to a wealth of books and resources too. They also have a summer reading program, entitled "Around the World With Books."

Events forthcoming

June 28 — Final Session of the Playreading Class at 1 p.m. at the Belleville Public Library and Information Center, 221 Washington Avenue. Call the library at 450-3434 to register.

Checkers' Games from 11 a.m. to 12 p.m. at the Shafter Branch, 30 Magnolia Street.

July 2 — "Game of Belleville" at 9 a.m. at the Shafter Branch, 30 Magnolia Street.

Checker's Tournament at 10:45 a.m. at the Shafter Branch, 30 Magnolia Street.

July 3 — "Make a Tie-Dyed African Wall Hanging" at 10 a.m. in the James J. Cozzarelli Jr. Children's Room, 221 Washington Avenue.

"Parade of the Nations" at 10:45 a.m. at the Shafter Branch Library, 30 Magnolia Street, and film, "Dreams of Distant Shores" at 11:15 p.m., also at the Shafter Branch Library.

July 5 — Secret Movie at 2 p.m. in the James J. Cozzarelli Children's Room, 221 Washington Avenue.

Storytime for toddlers at 9:30 a.m. and preschool at 10:45 a.m. at the Shafter Branch, 30 Magnolia Street.

O'Hara honored

Recent Rutgers graduate Kevin O'Hara of Belleville is a recipient of a Yolande Rubianes Memorial Award for outstanding achievement and personal courage.

Established in 1982 by Vivian Rubianes in honor of her twin sister, who died of cancer after completing 103 credits at the college, the award is given to students who demonstrate courage in overcoming personal adversity.

Joanna Tamburri wed to Anthony W. Heaton

Joanna Tamburri, daughter of Mr. and Mrs. Alex Tamburri of Belleville, exchanged wedding vows in Holy Family Church, Nutley, with Anthony William Heaton, son of Mr. and Mrs. Kenneth Heaton of Myrtle Beach, SC and Dover.

Rev. James Cafone of Seton Hall University, South Orange, performed the ceremony. A reception followed at The Chanticleer, Short Hills.

Escorted by her mother and father, the bride wore a long sleeved white satin gown with a full tulle skirt. It was trimmed in sea pearls and iridescent sequins. An Austrian crystal tiara held her veil and she carried white tulips, roses and freesia.

Maria Reid of Belleville was matron of honor. Bridesmaids included Kathleen Tamburri of Bloomfield, Maria and Denise Ferrara of Belleville and Daniela Zichella of West Paterson.

They were in crimson gowns fashioned with wide v-necks and straight skirt. Headpieces were

pillbox hats and they carried tulips and freesia.

Kenneth A. Heaton Jr. of Bedminster served as his brother's best man. Ushering were Enrico Tamburri of Bloomfield, Mark Broderick of Convent Station, Michael Salamone of Verona and Richard King of Livingston.

Mrs. Tamburri chose an emerald green satin gown with clusters of bugle beads and appliques. The groom's mother was in a blue chiffon tea length ensemble accented with sequins.

Mrs. Heaton, an alumna of Belleville High School and Seton Hall University, South Orange, is an account manager with NCR Corp., Parsippany.

Mr. Heaton, a graduate of the University of South Carolina, earned a master's degree from Seton Hall University. He is a financial analyst with AT&T, Morristown.

The couple honeymooned in St. John, U.S. Virgin Islands, following the March 25 nuptials and have made their home in Nutley.

Mr. and Mrs. Andrew Babij

Golden wedding day for Mr. and Mrs. Babij

Mr. and Mrs. Andrew Babij of Toms River, formerly of Belleville, celebrated their 50th wedding anniversary May 25. A party in their honor was held May 27 at Seven Hills, Bloomfield. In attendance were members of the wedding party, Jeanne Klimas of Toms River, Bernice Walejeski of Edison and Helen Brown of Florida.

Mr. Babij and the former Stephanie Kania of Scranton, PA, were married in St. Peter and Paul Church, West Scranton and lived in Belleville for 23 years before moving to Toms River 11 years ago. Mr. Babij retired from Tastykake in 1979 and belongs to the Holy Name

Society. The couple has just returned from a trip to Florida.

The party was hosted by their six children, their spouses and children. They are Thomas and Helena Babij and daughter Veronica of Iowa; Christine and Fred Alexander and children Jennifer Michele Babij and children Vincent and Nicole of Belleville; Bernadette and Hank Rollins and children Daniel and Andrew of Somerset; Kathy and Gary Cholet and son Michael of Michigan and Andrew and Laurie Babij and daughter Rachel of West Orange.

Laura Pullara — Ronald Madeo

Laura Pullara to wed Ronald Madeo this fall

Mr. and Mrs. Anthony Pullara of Little Falls announce the engagement of their daughter, Laura, to Ronald M. Madeo, son of Mrs. Mary Madeo of Nutley and the late Romeo Madeo.

The troth was made known May 1. The wedding will be held Nov. 24. Miss Pullara, an alumna of

Montclair State College, is with the Division of Youth and Family Services.

Mr. Madeo, a graduate of Nutley High School, attended Connecticut School of Broadcasting. He is a courier for Roche Biomedical Laboratories, Nutley and is also in the limousine for hire business.

Mr. and Mrs. Torrese honeymoon in Bermuda

Lori Blank, daughter of Mr. and Mrs. Eugene Blank of Nutley, and Michael Torrese, son of Mr. and Mrs. Michael Torrese, also of Nutley, were married May 12 in St. Mary's Church, Nutley.

Rev. Francesco performed the ceremony which was followed by a reception at George's, Moonachie.

Escorted by her father, the bride wore a white French lace and silk gown accented with sequins and pearls and fashioned with long sleeves, an illusion neckline and chapel train. Pearled and sequined rosettes trimmed the shoulders and bustle.

A headband of sequined leaves, rosettes and pearl sprays held her veil and she carried white roses, gardenias and stephanotis.

Pam Korkala-Gabreile of Nutley was matron of honor. Bridesmaids included Jill Blank of Nutley, cousin of the bride, Lisa Torrese of Nutley, sister of the groom, Meredith Blank of Belleville, Cindy Blank of Georgia and Mary Coppola of Belleville.

The honor attendant was in a seafair green gown of faille moire, fashioned with a straight skirt, v-back, puffed sleeves and peplum. Her headpiece was of sequined leaves and pearls and she carried a round bouquet of roses, freesia, stephanotis and babies' breath. The bridesmaids were similarly attired in coral.

Best men were Scott J. Impariello and John Ferrara, both of Nutley. Ushering were the bride's brothers, Paul Blank of Belleville and Steve Blank of Georgia, John De Sordi of Caldwell and Steve Bruno of West Orange.

Mrs. Blank chose an ice pink lace and crepe gown and jacket ensemble. Her corsage was of white roses with ice pink netting. The groom's mother's gown was a black and white sequined bodice with a white satin skirt. Her corsage was of white roses with silver netting.

Mrs. Torrese, a graduate of Nutley High School and Berkeley Secretarial School, is a secretary with ITT Defense, Clifton.

Mr. Torrese, an alumnus of Nutley High School and Rutgers University, is a representative of Prudential Financial Services, Woodbridge.

The couple honeymooned in Bermuda and have made their home in Aberdeen.

Mr. and Mrs. Michael Torrese — nee Lori Blank

Tel-Med program offers tips for summertime months

The month of July is filled with summertime activities. To learn how to treat or prevent summertime ills and spills, contact the Clara Maass Medical Center Tel-Med program. It can help you obtain more information on important health related topics. To hear the tape you want, call 751-7000 and give the number.

Summertime tapes include 118, First Aid for Animal Bites; 121, First Aid for Bee Stings; 195, Bee Stings Can Cause Death; 111, First Aid for Choking; 108, Fainting; 98, First Aid for Health Injuries; 102,

Mouth to Mouth Resuscitation (for child and babies); 103, Mouth to Mouth Resuscitation (for adults); 91, First Aid for Severe Bleeding; 94, First Aid for Shock; 99, First Aid for Sprains; 110, When You Find Someone Unconscious; 1173, Lyme Disease.

Tel-Med has over 325 tapes available on a variety of health related topics. To receive a free brochure of the tapes, send a self-addressed stamped envelope to the Clara Maass Public Relations Dept., One Franklin Ave., Belleville, 07109 or call 450-2116.

STORK CLUB

Tyler David Tedesco

A second child, a son, Tyler David, was born to Mr. and Mrs. Charles Tedesco of Belleville April 26 at Mountsinclair Hospital, Montclair. He joins a brother, Chas.

Mrs. Tedesco is the former Anita Del Mistro, daughter of Mr. and Mrs. Ralph Del Mistro of Nutley. Mr. Tedesco is the son of Mr. and Mrs. Tony Tedesco of Nutley.

Cory Charles Steele

A second child, a son, Cory Charles, was born to Tina Ann Bambo and Charles Steele of Belleville June 17 at Clara Maass Medical Center, Belleville. Birthweight was 7 pounds, 1 ounce. He joins Felisha Else, 13 months.

Ms. Bambo is the daughter of Frederick Bambo of Nutley and the late Angelo Bambo. Mr. Steele, son of Charles Steele of Kearny and Carol Vassallo of West Orange, is a lube technician with Jiffy Lube.

MEDICALLY SPEAKING

SINUS DISEASE

- Q: What is sinus disease?
- A: Sinus disease is an inflammation of the air containing cavities of the nose, face, and forehead.
- Q: What are the symptoms of Sinus Disease?
- A: Chronic sinusitis can include nasal congestion, pain or pressure of the eyes and forehead, nasal obstruction or nasal drip, or simply the sensation of a cold that doesn't go away.
- Q: How is sinus disease treated?
- A: Most sinus disease resolves with medical treatment, which includes antibiotic and allergy therapy.
- Q: What about sinus disease that does not respond to treatment?
- A: In more severe cases with chronic blockage or polyps, surgery may be indicated.
- Q: Are there recent advances in the diagnosis of sinus disease?
- A: Yes. With fiberoptic examination of the nose and sinuses in the office and advanced CT scan imaging, doctors are able to accurately diagnose sinus disease.
- Q: Are there any recent advances in sinus surgery?
- A: Yes. Recently introduced endoscopic sinus surgery is a major breakthrough in the treatment of sinus disease. This surgery makes use of micro-teleoscopic techniques with no external incisions. These new techniques allow the surgeon to perform safer and more effective surgery. Most often the surgery can be performed with anesthesia on an outpatient basis. Recovery time is usually rapid, with patients returning to their normal activities within days.

Belleville Times SPORTS

BUC SHOTS

By Mike Lamberti

Wanted: A summer basketball league for the Belleville Bucs to participate in. Since 1982, the Bucs have been playing summer ball, either in Bloomfield or Elizabethtown, or in some instances, both leagues in the same summer.

Head coach Don Roll had entered the team in the Bloomfield league, only this summer. The purpose of that was simple. Bloomfield is a lot closer to Belleville than Elizabethtown and generally, the teams in the Bloomfield league are from the NNJIL, the conference which the Bucs play in during the winter months.

However, in early June, Roll was informed that the Bloomfield league is not going to operate this summer. The coach tried to enter his team in the Elizabethtown league, but rosters have already been formed and it's doubtful the Bucs can play in that league this summer.

"We're hoping we can get into a league," Roll said. "But, truthfully, it doesn't look good. So we've begun to make some alternate plans." The plans include two camps at the Belleville recreation house. The first is scheduled for the week of July 9-13. It will be divided into two sessions. The first, from 9 a.m. to noon will be for younger ball players who have not begun high school.

The second session, from 1 p.m. to 4 p.m. will be for the upcoming and returning high school players.

The camp will be repeated the week of July 30-August 3, according to Roll, who will direct the camp, in cooperation with the Belleville Recreation Department.

"This will be a good opportunity for the kids to work on fundamentals," Roll said. "With this camp, and the various basketball camps for the kids to attend this summer, there should be plenty of opportunity."

In addition to the fundamentals, Roll reported that games will be played every day at the rec house. There will also be free throw competitions and one on one tournaments.

Roll has also scheduled a few scrimmages for his team. The first will be held on July 10, at Parsippany. The second will also be at Parsippany and is slated for July 19. Both games begin at 7 p.m. and will be at the Parsippany PAL.

Roll is looking for other scrimmages for the summer," Roll said. "We're looking for as much competition as possible."

Roll will also be busy this summer coaching in the Garden State Games. Roll will be the assistant coach to Mike Tierney, the head coach at Bloomfield High School during the winter.

The Garden State Games will be made up of a team from Hudson/Essex County, a team from Union County and a few teams from Southern New Jersey. There will be a series of games with an eventual playoff system.

Roll and Tierney will be coaching the Hudson/Essex entry.

"Our home court will be at Bloomfield High," Roll said. "This is another opportunity for the kids to play against some good competition. Right now, we're in the tryout stage. The games will begin in a few weeks."

So, even though the Bucs will not be playing in a set league, there appears to be basketball on the summer horizon. With that resolved, Roll is now hoping that his returning JV and varsity players will take advantage of the playing time.

B.S.A NEWS

You've got to hand it to the Belleville Soccer Association. They're constantly busy either league play or clinics.

The annual BSA soccer clinic will begin on July 17 at Belleville High School's Don Ellis Field. The clinic will run from July 17 to August 2 on Tuesday's, Wednesday's and Thursdays. The clinic will end at 6 p.m. and should last until about 8 p.m.

There is no charge for the clinic. It's open to young men and women between the ages of 5 and 18. If anyone has questions, they can contact Carmen Goglia at 751-7560.

While we're talking about the BSA, congratulations to the Belleville Spirit, who captured a co-league title last week. The team tied Pompton Lakes at two, so both clubs were awarded the championship.

BASEBALL NEWS

I head out to Los Angeles tomorrow morning for a nine day west coast trip to see the Cardinals. Three days in L.A., three in San Francisco and the final three in San Diego. Like I said a few weeks ago, I'm hoping for good weather because the Cardinals haven't been providing much entertainment.

Did you hear what Dave Stewart of the Oakland A's said about the Chisox had swept the A's last Sunday afternoon.

Basically, Stewart said the A's were Sox don't know how to win with class and that with the exception of a few veterans, no one on that team could carry his "laundry." (He used a different word than laundry). He also said the Chisox were throwing him and tight at some of the A's hitters, but didn't try that the day Stewart was pitching because the Sox knew what they would get in return.

Hey, how about those Mets? The line must be around the block now for playoff tickets. I'm surprised Pittsburgh and Montreal haven't forfeited the rest of the season. The Mets might be the first team in major league history to win six games in a row and 13 out of 15. Even though they're not in first place, it's just a matter of time, right?

How about those San Francisco Giants? Didn't they win 15 of their last 16 games recently? Hey, someone other than the Mets are on a hot streak. It must be a fluke.

Bill Robinson, formerly a Mets coach and now an announcer for ESPN said the rest of the league had better brace for the Mets. He pointed out that the team does well in even numbered years: 1984 (sorry, Bill, but the Mets didn't win a division title that year), 1986 and 1988 (tell us about the NL playoffs, Bill). Based on Robinson's insight, this has to be the Mets' year.

LAST WEEKS QUIZ

In that tremendous '86 AL championship series between the Angels and Red Sox, game five was the ultimate thriller. The Angels led, 5-2 heading into the top of the ninth at Anaheim Stadium. The Angels also had a 3 games to 1 lead in the series and were just three outs away from winning the AL championship.

The Angels pitcher when the top of the ninth started was starting pitcher Mike Witt. In the ninth inning, Don Baylor hit a two run homer to cut the lead to 5-4. Witt was removed and Gary Lucas came in to pitch to one batter, Rich Gedman. Lucas hit Gedman with the pitch and the Angels brought in Donnie Moore, to pitch to Dave Henderson. In what turned out to be a tragic moment, Henderson homered off of Moore to give the Sox a 6-5 lead.

The Angels tied the game at six in the bottom of the ninth and had the bases loaded with just one out. A sac fly would have won the pennant for California. But the Angels couldn't get the go-ahead run in. A few innings later, the Red Sox scored two runs and won 8-6. The Sox went on to win the final two games at Fenway Park and captured the AL pennant in seven games.

Most fans will remember that Donnie Moore committed suicide last summer. Many people who knew him attributed Moore's depression to that homer in the sixth game of the AL championship series.

Sternik, De Guia pace Bucs

Outstanding individual performances highlighted the 1990 outdoor track season at Belleville High School. Head coach John Tosato was pleased with the effort of the entire team. There were four senior letter winners and some talented athletes on the underclassmen level give the coach optimism for the 1991 season.

The four senior letter winners were led by John Sternik, who led the team in scoring. Remember, an athlete is awarded five points for winning an event, three points for taking second and one point for third.

JOHN STERNIK: An outstanding athlete, Sternik scored 81.5 points this year to lead all Buc runners. His best time in the 100 meters was 11.3 and in the 200 meters, his personal best was 23.3. Sternik anchored a mile relay team that was outstanding in 1990. His best time in the 400 meters was a blistering 53.4.

For his outstanding season, Sternik was named third team, all NNJIL in the spirit events.

Sternik will be attending Liberty College, where he hopes to continue both his football and track careers. During his high school football days, Sternik was a fine running back. He had outstanding speed, especially in the open field.

DOUG HOOGENDYKE: The senior scored 20.75 points in 1990 and was a very versatile athlete. His best time in the 800 meters was 2:19.2. Hoogendyke also competed in the triple jump (33'5") and the long jump (17'1 1/2"). He also ran on the very successful mile relay team.

Hoogendyke was also a steady basketball player for coach Don Roll. He played forward for three years on the varsity.

MARCELO DI GIANO: Tosato called this senior one of the hardest working athletes on the team. This

was DiGiano's first year on the track team and he came through with some impressive numbers. His best time in the 100 meters was 12.3 and in the 200 it was 25.0. DiGiano also ran the mile relay, with his best 4:00 time of 57.4.

In addition, DiGiano ran the 400 meter hurdles, with a personal best of 70.1. Like Sternik and Hoogendyke, DiGiano also played another varsity sport. He was a fine soccer player for coach Gino DePinto during the fall months.

BRYAN ROCK: Tosato praised this senior athlete as one of the most versatile performers on the varsity.

"Bryan did just about anything we asked of him," Tosato said. "He raced against some good competition. He always asked where we

needed him and he did a good job."

Rock's best time in the 100 was 12.5. In the 200, his best was 28.4 and in the 800, he came through with a time of 2:38. The senior also competed in the 3200 meters (14:40) and in the 400 meter hurdles (1:22.0).

If you know high school track, you know that running events from the sprints, to the intermediate hurdles and then a distance event takes a great deal of determination.

There were three letter winners in the junior class, led by Emilio DeGuia, a talented hurdler and jumper.

EMILIO DE GUIA: The junior had personal bests in the high hurdles of 17.3 and the low hurdles, 65.4 seconds. In the triple jump, DeGuia had an outstanding per-

formance of 37' 1/4" in a meet at Don Bosco.

"Emilio was looking forward to the triple jump at the league and county races," Tosato said, "but that event wasn't on the program." DeGuia scored 48 points for the Bucs this spring. He was also a fine long jumper, with a personal best of 16'5". He should be one of the leaders of the '91 squad.

STEVE CAPONI: A junior, Caponi was excellent in the three weight events this spring. In the shot put, his best throw was 43 feet. In the discus, Caponi had a personal best of 113'7" and in the javelin, 138'9".

Caponi finished sixth in the shot put at the NNJIL championships. He was named Honorable Men-

JV baseball shows potential

base and he could be a big performer for the varsity next season.

Chris Marcantunno led the team with ten stolen bases and played well at shortstop. At the plate, he hit a solid .390.

He saw varsity action later in the season when Art Caruso went down with mononucleosis.

Marcantunno responded well to the varsity game, playing a consistent shortstop.

Mike Chirichello led the pitching staff with a 5-2 record. He struck out 36 batters, also a team high.

"We brought Mike up late in the season and he pitched an inning of

(continued on page 17)

year. "A lot of the kids went to camp in Florida before the season began in March and some of them should be going to camp this summer. Those things really help."

Offensively, the JV team had a batting average of .305 and averaged six runs a game. That attack was led by John McAloon, who hit .450 and drove home 17 runs.

"John was a real consistent hitter," Grande said. "He had an arm injury which kept him in the designated hitter spot for a good part of the year. But he was very impressive at the plate."

McAloon did see time at third

base and he could be a big performer for the varsity next season.

Chris Marcantunno led the team with ten stolen bases and played well at shortstop. At the plate, he hit a solid .390.

He saw varsity action later in the season when Art Caruso went down with mononucleosis.

Spirits gain share of crown finish in tie with Pompton L.

The Belleville Spirit, a Division 3 team in the Belleville Soccer Association, was declared co-champions along with Pompton Lakes after last week's exciting 2-2 tie in the championship game of the Jersey Hill's League Playoffs in Newton.

The Spirit had advanced to the title game by stopping Vernon 3-0 and West Milford 6-1.

Greg Groeling opened the scoring against Pompton Lakes with a breakthrough goal midway through the first half. Pompton Lakes came back to tie the game at one just before the half.

Groeling scored his second goal of the game late in the second half,

but Pompton Lakes came back to tie the game and force a 20 minute overtime session.

The overtime was a defensive battle and neither team was able to tally. Thus, the league awarded both teams a share of the title.

The Spirit finished the year with a record of 7-2-4. Groeling and Frank Tafur led the team in scoring. Defensively, Chris Imperatrice, Joe Golucci, Dom Arduino and goalie Mike Percio were outstanding.

Coaches Jim Imperatrice and Dom Arduino were very happy with the season and the effort put forth by all the players.

Belleville wins title in Suburban League play

It's been well documented that the Belleville softball team has put together an outstanding record over the past 11 years. The team has averaged 23 wins a season since 1980 and has captured numerous league and county honors.

It's essential for a program of this success level to have a good feeder system. The Belleville junior suburban team has accomplished this, winning a championship in the suburban league this spring.

Good pitching, solid defense and excellent hitting accounted for the championship.

The team, coached by Angela Ventrella and Carl Piscatowski, started the season slowly. After beating Millburn 22-10, Belleville hit a slump, losing four of its next five games. The team was stopped by Verona 12-7, Nutley 6-4 and Bloomfield 22-14. Belleville defeated Maplewood 14-4, then lost to Florham Park 11-5.

With its record at 2-4, the girls turned it around, not losing for the remainder of the year. The team beat South Orange 14-12, Springfield 20-5, West Orange 20-12, Cedar Grove 6-4 and Caldwell, 11-10 to end the regular season with a 7-4 record.

In the playoffs, that momentum continued, even though the team had to play all of its games on the

road. Belleville defeated South Orange in the first round, 15-0, then won a thriller over Cedar Grove, 5-4 to advance to the semi final game. There, it defeated Caldwell again, this time 12-6.

The victory moved Belleville into the finals, where it would meet arch rival Bloomfield for the title. Remember, earlier in the year Bloomfield had beaten Belleville by eight runs.

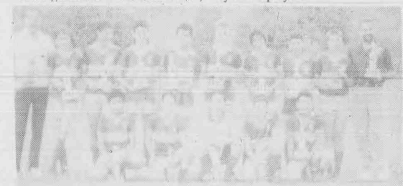

It was an exciting game and Belleville held on for a 5-4 victory at Bloomfield to clinch the championship.

The team roster for 1990 featured Tara Casella in leftfield, Jacquelyn Cerami in right field, Gina Conte at first base, Andrea Curran, a pitcher and second baseman, Kristen Gallito, a right and centerfielder, Lynne Giachetti, shortstop, Nicole Gibbons in left field, Nikki Ann Goscinski, a left and centerfielder, catcher Nikki Luzzi, second baseman Janine Mazzuca, pitcher/second baseman Kimberlee Piscatowski, third baseman Michelle Pzonka and rightfielder Elizabeth Ramirez.

For the season, the team was 11-4 and finished the year with nine straight wins. Congratulations to the Junior Suburban League champs.

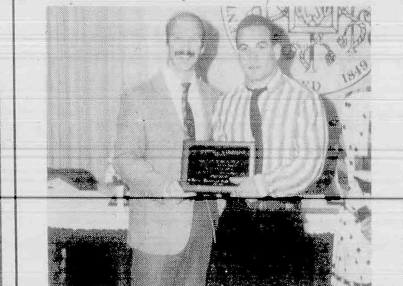

SUBURBAN LEAGUE SOFTBALL CHAMPS — Front row: Andrea Curran, Kristen Gallito, Lynne Giachetti, Nikki Luzzi, Gina Conte, Nikki Ann Goscinski, Janine Mazzuca. 2nd row: Michelle Pzonka, Tara Casella, Nicole Gibbons, Kimberlee Piscatowski, Elizabeth Ramirez, Jacquelyn Cerami. Back row: Assistant coach Carl Piscatowski and head coach Angela Ventrella.

BELLEVILLE SPIRIT — standing, left to right: coach Jim Imperatrice, Dom Arduino, Steve Collett, Chris Imperatrice, Diego Paredes, Greg Groeling, Mike Guzman, Tony DiCarlo, Ljubisa Prvolovic, coach Dom Arduino. Front, from left: Frank Toledo, Ivan Martin, Mike Percio, Joe Colucci and Frank Tafur.

Gibbons finishes 29-2

Michael Gibbons, a senior wrestler at Central Connecticut State University, is shown here receiving his senior award from coach Ken DeStefanis at a recent awards ceremony. Gibbons, a Belleville native, was 29-2 overall and 14-2 in dual matches this season for Central. He is a four-time New England champion. Gibbons, one of four Blue Devil captains, competed in the 1989 NCAA Championships. He wrestled at 167 most of the season, while wrestling at 177 his previous three seasons.

Absent

"Notice is hereby given that the Budget and Tax Resolution was approved by the Board of Commissioners of the Township of Belleville, County of Essex, on June 12, 1990.
A Hearing on the Budget and Tax Resolution will be held at the Municipal Building, on July 10, 1990 at 8:00 o'clock p.m. at which time and place objections to said Budget and Tax Resolution for the year 1990 may be presented by taxpayers or other interested persons.

EXPLANATORY STATEMENT SUMMARY OF CURRENT FUND SECTION OF APPROVED BUDGET

	Year 1990
General Appropriations For:	
1. Appropriations within "CAPS":	
(a) Municipal Purposes (N.J.S.A. 40A:4-45.2)	\$13,679,686.27
2. Appropriations excluded from "CAPS":	
(a) Municipal Purposes (N.J.S.A. 40A:4-45.3 as amended)	8,870,976.09
(b) Local District School Purposes in Municipal Budget	8,870,976.09
Total General Appropriations excluded from "CAPS"	1,550,329.58
3. Reserve for Uncollected Taxes - Based on Estimated 95.5 Percent of Tax Collections	24,500,991.94
4. Total General Appropriations	9,608,339.54
5. Less: Anticipated Revenues Other Than Current Property Tax	
(i.e. Surplus, Miscellaneous Revenues and Receipts from Delinquent Taxes)	1,489,652.40
6. Difference, Amount to be Raised by Taxes for Support of Municipal Budget (as follows):	
(a) Local Tax for Municipal Purposes Including Reserve for Uncollected Taxes	14,892,652.40
(b) Addition to Local District School Tax	

SUMMARY OF 1989 APPROPRIATIONS EXPENDED AND CANCELLED

	General Budget	Water Utility
Budget Appropriations - Adopted Budget	23,551,926.02	1,328,571.06
Budget Appropriations Added by N.J.S.A. 40A:4-7	\$2,431.50	
Emergency Appropriations		
Total Appropriations	23,604,359.52	1,328,571.06
Expenditures:		
Paid of Charged (Including Reserve for Uncollected Taxes)	22,477,745.96	1,333,309.3
Reserved	1,224,191.89	50,212.45
Unexpended Balances Cancelled	844.68	225.00
Total Expenditures and Unexpended Balances Cancelled	23,706,782.43	1,383,747.40
Overexpenditures	103,922.91	55,176.34

*See Budget Appropriation Items so marked to the right of column "Expenditures 1989 Reserved."

The 1990 Municipal Budget presented herewith, indicates an estimated 1990 Local Tax Rate of \$3.16 per \$100.00 of assessed valuations, which is the same tax rate as that of 1989.

The following schedule compares the estimated components of the 1990 levy with those of 1989 for Township purposes only:

	1990	1989	Estimated	Actual	1990	1989
	Estimated	Actual	Estimated	Actual	Estimated	Actual
For All Municipal Purposes	\$12,942,322.82	\$13,003,634.04	\$(611,311.22)	\$2.75	\$2.75	
For Reserve for Uncollected Taxes	1,550,329.58	1,919,095.67	312,333.91	41	41	
Total Local Tax for Municipal Purposes	\$14,892,652.40	\$14,922,729.71	\$(30,077.31)	\$3.16	\$3.16	
Assessed Valuations	\$471,748,000.00	\$472,335,100.00	\$(587,100.00)			

The above comparisons deal only with Municipal Purposes. While County and School tax levies and rates cannot be accurately forecast at this time, the amounts for these purposes used in establishing the "Reserve for Uncollected Taxes" or the so-called "Cash Basis Overlay" conform to mandatory provisions governing the preparation of the Local Municipal Budget. The County Budget and its distributive effect on our Township has not been determined as of this date and the amount to be raised by taxation for School Purposes will not be determined until a later date. When School and County Taxes are finally determinable their effect on the 1990 tax rate will be made known to the public.

Chapter 68, Public Laws of 1976, as amended by Chapter 49, Public Laws of 1983, places limits on certain municipal expenditures. The limit for 1990 is 5%. The following schedule, subject to review and approval by the Division of Local Government Services in the State Department of Community Affairs, shows the compilation of the maximum amount of increase allowable in the Budget for 1990 over that of the 1989 Adopted Budget for the Appropriations:

"CAP" Calculations	
Total 1989 Appropriations	\$23,604,359.52
Less Reductions:	
State and Federal Programs	\$831,792.91
Other Operations:	
Pension Increase Act	\$341,568.49
Construction Official	251,000.00
Sewage Disposal	843,986.00
Public Assistance - State Aid Agreement	20,000.00
Decrease in Federal Revenue Sharing	794,173.00
Sale of Municipal Assets	69,500.00
Purchase of Police Cars	66,740.00
Maintenance of Free Public Library	474,151.00
Fixed Asset Accounting Systems	8,500.00
Insurance	1,137,164.00
Garbage Disposal	3,111,880.00
Occupational Safety and Health Act	27,690.00

Capital Improvements	\$5,000.00
Debt Service	\$95,890.00
Reserve for Uncollected Taxes	1,919,095.67
Deferred Charge	\$3,000.00

Amount on Which 5% CAP is Applied	12,973,228.45
5% CAP	648,661.42
Allowable Operating Appropriations before Modifications	\$13,624,567.03

Modifications:	
Assessed Value of New Construction \$3,479,900.00 x Local Purpose Tax \$3.16 per Hundred	\$109,964.84
Uniform Fire Safety Fees:	
1989	\$15,981.00
1990	17,687.00
	1,706.00
	111,670.84
Total 1990 Allowable General Appropriations for Municipal Purposes within "CAP"	\$13,736,237.87

Total General Appropriations for Municipal Purposes within "CAPS" as indicated on Sheet 18, is the sum of \$13,679,686.27, which is \$53,674.44 under the statutory "CAP" limitation. This amount can be brought forward for the next two years as a "CAP" bank.

General Revenues have been estimated for 1990 at near maximum levels, in the sum of \$9,608,339.54 as compared to \$8,581,629.81 in 1989, an increase of \$926,709.73, detailed as follows:

	1990	Increase or (Decrease) over 1989
Surplus Anticipated	\$600,000.00	
Miscellaneous Revenues:		
State Revenue Sharing	(131,284.81)	
Interest on Investments and Deposits	175,000.00	
Police and Firemen's Retirement System Prior Year Pension Reimbursement	250,023.65	
Public Employees' Retirement System Prior Year Pension Reimbursement	166,170.29	
Proceeds from Sale of Township-Owned Property	(69,500.00)	
State and Federal Programs	(68,747.40)	
Intergovernmental Accounts Receivable	59,468.00	
Other Revenue	459,709.73	
Receipts from Delinquent Taxes	(133,000.00)	
	\$926,709.73	

Appropriations for "Municipal Purposes," exclusive of the "Reserve for Uncollected Taxes" show an increase in 1990 over 1989, in the sum of \$855,398.51 as indicated in the following tabulations:

	1990		1989		1990 Increase (Decrease)
Appropriation**	Amount	Percentage	Amount*	Percentage	Amount
Operating:					
Salaries and Wages	\$11,180,767.72	49.58%	\$10,680,756.00	49.26%	\$550,010.92
Other Expenses	8,730,613.00	38.72	8,292,390.41	38.19	448,222.59
	19,911,380.72	88.30	18,953,147.21	87.45	948,233.51
	55,000.00	.24	55,000.00	.25	
Capital Improvements					
Mandatory Appropriations:					
Municipal Dept Service	\$77,040.00	2.56	\$95,890.00	2.75	(18,850.00)
Deferred Charges and Statutory Expenditures	2,007,241.54	8.90	2,071,226.64	9.55	(63,985.00)
	\$22,550,662.36	100.00	\$21,685,263.85	100.00	\$865,398.51

* Adjusted for Transfers

** Combines all Segments of Appropriations within CAP and Excluding CAP.

The decrease in the estimated tax levy for Municipal Purposes (excluding the Reserve for Uncollected Taxes) for 1990, in the sum of \$61,311.22, appearing above in the comparative table of levies and tax rates, can be summarized as follows:

Increase in General Revenues Anticipated in 1990 over 1989 \$926,709.73

Less: Increase in 1990 Appropriation for Municipal Purposes over 1989 865,398.51

Net Decrease \$ 61,311.22

Certain functions have been split in this Budget, whereby their costs appear in several segments of the document. In order to comply with statutory and regulatory requirements, those appropriations are tabulated below:

Appropriation	Amount within CAPS	Amount Excluded from CAPS	Total 1990 Appropriation
Police:			
Salaries and Wages	\$3,663,208.00	\$350,708.27	\$4,013,916.27
Other Expenses	243,280.00	68,705.00	311,985.00
Municipal Court:			
Salaries and Wages	175,520.00	1,648.72	177,168.72
Fire:			
Salaries and Wages	3,260,117.00	36,000.00	3,296,117.00
Other Expenses	103,305.00	37,112.50	140,417.50
Financial Administration:			
Other Expenses	35,890.00	8,500.00	44,390.00
Streets and Sewers:			
Other Expenses	67,695.00	38,328.50	106,023.50
Insurance	1,022,437.00	1,197,319.00	2,219,756.00
Health:			
Salaries and Wages	289,116.00	28,786.00	317,902.00
Other Expenses	93,231.00	23,383.00	116,614.00
Building and Ground Maintenance:			
Other Expenses	95,271.00	13,000.00	108,271.00
Contributions to:			
Public Employees' Retirement System	351,966.48	67,384.13	419,350.61
Consolidated Police and Firemen's Pension Fund	73,861.56	48,159.17	122,020.69
Police and Firemen's Retirement System of New Jersey	49,570.24	874,365.13	923,935.37
Social Security System	\$2,086.46	352,793.98	405,792.44
	\$9,586,954.74	\$3,147,026.36	\$12,733,981.10
Decrease in Federal Revenue Sharing		\$794,173.00	
Purchase of Police Cars		68,105.00	
Insurance		197,319.00	
Other Federal and State Programs		694,432.52	
Other Operations		392,994.84	
		\$3,147,026.36	

After deliberations on the details of departmental requests, operating appropriations have been set at minimum levels to continue to provide needed services. In this connection it is pointed out that a substantial portion of operating expenses is determined by contractual obligations for both salary and other expense elements, over which the Governing Body has little or no control.

The Board of Commissioners urges all taxpayers to attend the hearing on the Budget for the year 1990 to be held at the Municipal Building on July 10, 1990.

The Board of Commissioners
Township of Belleville

Current Surplus Anticipated in 1990 Budget 2,500,900.00
Surplus Balance Remaining 509,827.70

1990 CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET — A plan for all capital expenditures for the current fiscal year. If no Capital Budget is included, check the reason why:
Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund.
Capital Line Items and Down Payments on Improvements.
No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM — A five-year plan for all planned capital projects, including the current year.
Check appropriate box for number of years covered, including current year:
1 year.
3 years. (Platitudes under 10,000)
5 years. Over 10,000 and all county governments)
X 1 year.

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program for the Township of Belleville is presented herein. The capital projects planned for 1990 are detailed on "Sheet No. 2" of the Township of Belleville, exclusive of the Board of Education, does not contemplate any capital projects beyond 1990. Should the need arise, the Capital Budget can and will be revised accordingly.

The Board of Commissioners

Relay team unbeaten

(continued from page 13)

tion, NNJIL. For the season, the junior scored 40 points.

BRIAN DOYLE: Running in the distance events, Doyle scored 11 points and should be the lead runner for the cross country team this fall. Doyle's best time in the 1600 meters was 5:26 and in the 3200, he came through with a time of 12:20.

The final letter winner was a freshman with outstanding potential for the future.

JOHN ALVARADO: What a year for Alvarado. In just his freshman year, he scored 18.25 points and excelled in a wide variety of events.

He ran the 100 meters in 12.3 and the 400 meters in 57.7. He was a member of the mile relay team. Alvarado then threw the shot put, with a personal best near 40 feet. He threw the discus 102'5" and also competed in the javelin.

Alvarado won the freshman league championship in both the shot put and javelin and finished

second in the discus at the freshman league championships.

The really promising aspect of Alvarado's performances was the wide range of excellence. It's not often that a shot put, discus and javelin thrower excels in the sprint events, too.

Finally, the mile relay team of Hoogendyk, Alvarado, DeGuia and Stiernik had an excellent year. The foursome's best time was 3:45, and the team was undefeated in dual meet competition. The Buc mile relay team finished fifth at the league championships, the first time a Belleville mile relay team placed at the league race.

Overall, it was a good year for the Bucs. The team placed two athletes on the all NNJIL team. Its mile relay team was unbeaten and a freshman placed first in two events at the league freshman championships.

Hopefully, that momentum can carry over to the cross country season, which commences this September.

JV Bucs finish year 9-8

(continued from page 13)

shutout ball against one of the best teams in the state (Paramus Catholic)," Grande said.

Chirichello didn't allow a hit in that inning against P.C. He could be a starting pitcher on the '91 varsity team.

Peter Fabiano was the starting centerfielder and played very well. The sophomore didn't commit an error in 17 games. He also did well at the plate and could be a varsity candidate next spring.

First baseman **Raju Gadhook** made a key adjustment in the middle of the season and did very well.

"Raju needed glasses," Grande said. "As soon as he got them, his offensive numbers really picked up."

Mike Kimball, a third baseman and pitcher, hit .410 this spring. Catcher **Richard Quine** showed outstanding potential behind the plate.

Sal Straface, a second baseman batted .380 this season. Straface was moved up to the varsity late in the season and looked good in brief action.

Strong defensive efforts were turned in by **Mike Trupla**, an outfielder and **Charles Glacchetti**, a first and second baseman.

Other players who did well were **Doug Cancelliere**, a third baseman and outfielder and **Rocco Constantino**, a third baseman and a pitcher with a very lively arm, according to Grande.

Most of the JV players will be playing baseball this summer on the legion and junior legion teams at Belleville High School.

"The legion experience should help the kids," Grande said. "They'll be up against teams that will be a little older and the experience will be good."

638 Mill St., Belleville-Block 470, Lot 45 which is within 200 feet of property owned by you. This appeal is now No. 158 on the Clerk's Calendar and a public hearing has been ordered for July 12, 1990, at 7:30 P.M. in the Meeting Room, 383 Washington Ave., Belleville, N.J., at which time you may appear either in person or by agent, or by attorney, and present any objection which you may have to the granting of this appeal. Plans for the above may be reviewed by the public at 383 Washington Avenue between 9:00 a.m. and 4:00 p.m.

This notice is sent to you by the appellant, by order of the Planning Board.

No. B90-269

RESOLVED by the Board of Commissioners of Belleville, N.J.:
WHEREAS, a portion of Block 408 and Lot 24 owned by the Township of Belleville is subject to a public hearing;

WHEREAS, the portion of this lot consists of a strip of land consisting of approximately 125 feet by 125 feet (irregular); and
WHEREAS, it is in the best interest of the Township of Belleville to advertise this property for leasing to the highest bidder;

WHEREAS, the real property is subject to certain underground rights of way across a portion of the property owned by the City of Newark, North Jersey District Water Supply Commission and Passaic Consolidated Water Company.

NOW, THEREFORE, BE IT RESOLVED as follows:
1. The above property (an irregular lot consisting of approximately 10,125 square feet along the Northernly Side of the lot and as more particularly set forth on the annexed diagram) shall be advertised for public leasing pursuant to all requirements and procedures set forth in the Local Lands and Building Law (N.J.S.A. 40A:12-1 et seq) subject to the following conditions:

(a) Bids shall be received by the Tax Assessor on July 6, 1990 at 11:00 A.M. in the Township Tax Assessor's Office, Township of Belleville, N.J., in the manner of an Auction by sealed bid, in accordance with procedures to be announced by the Township Tax Assessor.

(b) Notice of this offering shall be published in accordance with law, and
(c) All bids shall be referred to the Governing Body for review and final approval pursuant to Law. The Township of Belleville reserves the right to accept the highest bid or to reject any and all bids received and shall make its decision known by Resolution, after bids are received.

(d) Bids shall be for a lease for a term of one (1) year with a minimum bid of \$300.00 per annum paid once annually.

(e) Use of premises is restricted to residential purpose and is subject to sublease rights.

SHERIFF'S SALE

SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-9041-89 CHRYSLER FIRST FINANCIAL SERVICES CORPORATION, A New Jersey Corporation, PLAINTIFF vs. BRUCE W. TAYLOR, Single, DEFENDANTS Execution For Sale of Mortgaged Premises

By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Auction, in SHERIFF'S OFFICE, Essex County Courts Building in Newark, on Tuesday, the 3rd day of July 1990, at one-thirty P.M. (Prevaling Time).

The property to be sold is located in the Township of Montclair in the County of Essex, New Jersey commonly known as 36 Munson Place, Montclair, New Jersey, Tax Lot 4, Block 402.

Dimensions of Lot: constituting approximately a rectangular shape 47.50 by 150.00 by 47.72 by 150 feet.

Nearest Cross Street: Lincoln Street, 265.77' north of the northerly intersection of Lincoln Street and Willowdale Avenue.

All legal description can be found in the Office of the Register of Essex County. A DEPOSIT OF 20% OF THE BID PRICE IN CASH OR CERTIFIED FUNDS IS REQUIRED AT THE TIME OF SALE.

The approximate amount of the Judgment to be satisfied by said sale is the sum of ONE HUNDRED FORTY-THREE THOUSAND SIX HUNDRED NINETY THREE DOLLARS AND EIGHTY CENTS (\$143,693.80) together with the costs of this sale.

The Sheriff reserves the right to adjourn the sale from time to time as provided by Law.

Prudential Leo, Diaz and Pica offers free home guide

BLOOMFIELD — "Making your new house your home," a special four-page guide that contains hints and advice for homeowners on everything from interior design to finding the right child care service, is being made available to consumers at no cost through The Prudential Leo, Diaz and Pica, Realtors.

The guide, which was put together with the aid of 11 national agencies, also contains money saving tips on eight other topics important to homeowners such as how to hire repairmen; preparing for winter and spring; and how to make the move "smoother" for school age children.

In addition to obtaining free copies of the guide, consumers who stop by The Prudential Leo, Diaz and Pica, Realtors between now and the end of August will also be given a chance to win a \$20,000 "Dream Kitchen Sweepstakes." Entries for the sweepstakes are available at the office.

For further information, copies of the guide or entry blanks for the contest, you can stop at The Prudential Leo, Diaz and Pica, Realtors, 256 Broad Street, Bloomfield or call 743-3700.

The Home Front

By Nina Kaeser

Did You Know??

Rooms will look wider if you turn chairs and tables onto the diagonal. For a more spacious look, place the furniture grouping away from the walls.

Wicker may dry out in sunlight and become brittle. Best cure is to spray with water and allow the piece to dry naturally in the shade. But don't spray too often; it may damage fibers and joints.

Here's a garden path that doesn't need professional construction: spread a weed mat along the chosen route and cover with shredded bark. Flank with flowers and a rock border if you wish.

If you're painting over old paint — more than 20 years old — it may be lead-based. Have a chip analyzed before scraping or removing; there may be a health hazard.

How much energy are you using? A 24,000-BTU central air conditioner uses about 2,400 watts an hour; a 6,000-BTU window unit, 860 watts; and a window fan 200 watts. What would you need for comfort?

How much energy must you spend to find a comfortable home for your family? Not much, with the help of the knowhow people at Century 21 Stanford Agency, 86 Union Ave., Nutley, 235-9000.

OWNER MUST SELL
