Mayor Perna notes 'economic distress'

Council takes office in Belleville's 'new beginning'

By Anthony Buccino

The township's seven new council members were officially sworn in at noon Sunday with top voter, 26-year old attorney, Marina Perna voted mayor by her council peers.

In her address, Perna said she was "fully aware" that she was taking on the office "in a period of economic distress."

"The business of Belleville goes forward," she said, "although confronted with afflictions of substantial magnitude. We suffer, as you know, from a lack of growth in our business district. This encumbers our decisions."

"Our educational system is burdened by cutbacks from the state which shift fiscal responsibilities on to you and me as taxpayers."

"Our sick and elderly are trapped within the confines of their meager savings with no municipal housing to alleviate their pain - Worst of all," she said, "the proposed (municipal) budget is so non-functional that it depletes 100% of our surplus."

"Well," Perna continued, "the economic ills have not surfaced overnight, but they have come upon us over several years. They will not go away in days or weeks by they will go away because we will progress."

Perna won one of three 4-year at-large council seats in the May 8 special election following a voter referendum in May 1989 to change the form of government from Commissioner to Council-Manager.

Under the new form of government, Belleville's council has 3 at-large seats and 4 ward seats. A

township manager will run the day-to-day township business and carry out the policies established by the council.

The council appointed Charles G. Burns as interim township manager. Burns is retired as business administrator in Fairfield. He was reported to have been hired on a month-to-month consultant basis and is reported to earn \$2,000 per month, sources said. Burns is not interested in the full time position, but his presence allows the council to continue its search for a permanent manager.

Mario Drozd and Dr. Frank Noonan were also sworn into their two at-large council seats.

"I have seen the renewed attitude in Belleville," Drozd said, "the attitude that is productive, people are talking about the new government and the newly elected members with a confident exuberance. People are coming forward with the spirit of helping the new administration, they are willing to serve on various boards and committees."

"They are relieved," Drozd said, "that old-time politics that were self-serving rather than what was best for Belleville, is history."

"I think we can implement the will of the people because of the strong support we are receiving on the council," Drozd said.

The council also appointed 2nd ward councilman Frank Caputo as deputy mayor. The mayor and deputy mayor terms are for one year each.

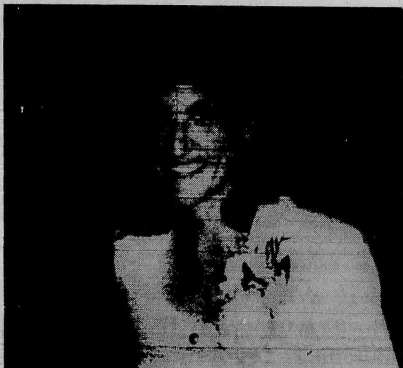

Caputo said "Today marks a new beginning, when a new government begins the task of rebuilding

and reshaping the town that is our home."

"Let us not cast blame for any unfulfillment, but look ahead to the brighter, more successful days of tomorrow, to a time when we could say we worked together to enhance the image of our town, and to

omic improvement program that will concentrate on the revitalization of Washington Ave., and providing the youth of Belleville with additional educational and recreational programs."

Dr. Frank Noonan, said in his brief speech, "we, the newly elected

Belleville's new Mayor Marina Perna.

(Photo by Anthony Buccino)

improve the quality of life for the citizens of Belleville."

Caputo said he will focus his efforts on "upgrading services and improving the general appearance of our town, addressing the needs of our senior citizens, who are often overlooked."

The deputy mayor said he will also work on "developing an econ-

council are unique in that not one of us has experience in municipal government. This lack of experience, however, is not a weakness. In my mind, it is a point of strength. We are not bound by previous mindsets, we do not feel that we can run a police department or a public works department."

"We do know what is expected of our police and public works departments, and by working with the town manager, we could arrive at the goals of a more efficient Belleville, a more responsive Belleville government, and, most important, a government that will give good services at low taxes."

First ward councilman Jim Messina thanked the audience for "giving us a vote of confidence. 'We, as much as you, are in a learning situation,'" Messina said, "We are in a working situation...hopefuly,

in the next two years, you will see the change we have all voted for."

Third ward councilman Tom Spillane thanked his wife Barbara, his father and campaign manager for helping him get through the election. "To the voters of Belleville, thank you for electing me with such a fine group of individuals, I can tell you, Belleville is in good hands."

Fourth ward councilman Bill Cook compared the town's new government to a newly planted tree that must be nurtured and watered to grow and be strong.

In return for the voters' trust, Cook said, "You have every right to expect that we honor that trust and only do what is right for the citizens of this town, devoid of personal influences or outside pressure."

"Belleville is our home," he said, "We must begin to treat it and each other with more respect, not only environmentally, but with our actions and attitudes towards each other. We will be looking towards the citizens of this town to provide ideas, committee volunteerism, and support during our tenure."

Continuing his tree analogy, Cook closed, "starting today, we have a new tree to build. Let's do it together and let's do it right. It's got to last a long time."

As mayor, Perna will chair the council meetings, executive session and conduct the meetings, according to the by-laws adopted by the council Sunday. She will preserve order and decorum and shall cause the removal of all persons who interrupt the orderly proceedings of the council. She has the right to fill vacancies occurring in the Trustees of the Public Library.

The mayor takes part in all deliberations and discussions as a member of the council, and shall vote in all matters that require a council vote. The mayor has no veto power, under the by-laws adopted by the council.

All bonds, notes, contracts and written obligations of the township shall be executed by the mayor. The mayor's powers and duties are limited to those expressly defined in N.J.S. 40:69A-87. In the absence of

the mayor, the deputy mayor shall act in the mayor's stead, according to the by-laws.

"Our new form of government beckons us onward in a period of trial and learning," Perna said, "Work awaits us to be performed with courage and with honesty. We are summoned to act in wisdom and in good conscience."

"However, in your hands, more than mine, will rest the final success or failure of the course we are about to take. The crisis we face requires you to be willing to believe in us and in our capacity to serve you. So, let us go forward towards a united and a new beginning. In God's hands, we place our trust."

The council re-appointed the sitting boards for another thirty days. Affected by the extension are the Planning Board, the Zoning Board of Adjustment, the Local Assistance Board, the Rent Leveling Board, and the Shade Tree Commission.

The council appointed Vincent J. Nuzzi as Township Attorney, and Robert J. Giordano as Assistant Township Attorney/Prosecutor, each for a term of two years.

The council also appointed council member Mario Drozd as the Class III Member of the Belleville Planning Board for a one-year term; and council member William P. Cook to represent the township to the Second River Joint Meeting.

Local attorney Robert A. Gacci-one introduced the members of the council to the assembled well-wishers. "We are witnessing a redirection of Belleville at a most critical time. We live in a complex and constantly evolving world of challenges and choices that we face every day. It is a compliment to the citizens of the township of Belleville that they have risen to the challenge by changing the form of government."

"Further, Belleville has elected an outstanding group of council people to lead our community in this new direction."

The next regular open public meeting of the council is scheduled for 8:00 p.m. July 10.

Council extends boards 30 days, citizen's participation welcome

The Belleville Town Council at their reorganization meeting Sunday extended by 30 days the tenure of office and re-appointed to the same duties all sitting boards for an additional 30 days or until the adoption of a new administrative code, whichever occurs first.

The boards affected are the Planning Board, Zoning Board of Adjustment, the Local Assistance Board, the Rent Leveling Board, and the Shade Tree Commission.

Councilman Mario Drozd has been designated by the council to accept inquiries from citizens interested in serving on any of the above boards.

Drozd said the council will establish boards, commissions and committees such as a board of ethics, an advisory health council, a building development advisory, a recreation development advisory, and an historic preservation committee.

Belleville residents interested in serving the township on any of these advisory committees should send a letter and/or a resume to Mario Drozd, 95 Bell St., Belleville, 07109.

Drozd said the council will review all applications before making any appointments. "We want to open it up to the public rather than choose from a select few. We're looking for more citizen input because we'd like to give the public an opportunity to serve."

Township Block Grant allotment funds local improvement projects

During the 13 years Belleville has participated in the Community Development Block Grant Projects, the township has had \$4,358,094.74 allocated for improvement projects throughout town. This year's total allotment for the 18 participating municipalities is \$4,776,000.

Four township projects approved for 1990 represent appropriations of \$326,400.

One allocation, for \$181,400 covers the construction of a 3-story elevator in Town Hall and installation of barrier-free restrooms providing handicap access to the entire municipal complex.

Another allocation, \$105,000 for street improvements on Valley St. and Belleville Ave., will cover the expenses for reconstruction of the streets, including widening, sidewalks, curbs, drainage, and resurfacing.

An additional \$20,000 has been allocated for the planting of approximately 40 trees, including iron gates, along Washington Ave. Two ceremonial trees set aside from the grant were planted in an Earth Day Celebration.

Residents of certain sections of the Valley, will be eligible for

portions of a \$20,000 crime prevention grant to be used for the purchase and installation of security hardware for income qualified homeowners.

In addition to the township's \$326,400 allotment, another, separate grant program has allotted \$50,000 towards the installation of a hydraulic passenger elevator between the ground floor and existing basement at the Cerebral Palsy

center located on Sanford Ave.

According to County Executive Nicholas Amato, the county applied for and received additional grants to rehabilitate existing housing stock. In Belleville, the N.J. State Balanced Housing Program will bring in \$265,000 in grants for rehabilitation.

Belleville POLICE BEAT

A 1978 Cadillac Coupe de Ville reported stolen between 6:30 pm June 28 and 8 a.m. June 29, was later recovered in Newark by the owner. The owner reported to police that someone came and told him that his car was located in a vacant lot on Summer Ave. The owner identified the car which had its steering column damaged, wheels removed and other parts stripped.

Police arrested Raymond Sanchez, 21, of Newark and charged him with driving while on the revoked list. He was stopped by police on Union Ave. at 6:30 p.m. June 30. Sanchez was released on \$250 bail and is scheduled to appear in municipal court August 22.

Donna Torlonio, 36, of Newark, was charged with being under the influence of a controlled dangerous substance at 6 p.m. July 1. Police were notified by a group of youths who said they observed a woman either asleep or ill in a vehicle. Police confronted the woman and attempted to wake her without any response. Police continued and when she awoke, police directed her out of the vehicle. She was

unable to stand and her speech was slurred, police reported. At police headquarters, she was pronounced under the influence by a physician. She was released on \$200 bail and is scheduled to appear in municipal court September 19.

Police charged Steven Del Guercio, 23, of Newark with being under the influence at about 5 a.m. on June 30. Police received a report of a man lying on the ground at the corner of Belleville Ave. and Main St. Police called an ambulance when they were unable to rouse the man. When the ambulance arrived, the subject gained consciousness. He was taken into police headquarters where he was pronounced under the influence of c.d.s. by a physician and taken for treatment to Clara Maass Medical Center. He was later released on his own recognition.

Lorenzo Alejandrino, 31, of New York City was arrested and charged with robbery at about 8:30 p.m. July 1. Store security at the Washington Ave. supermarket reported to police they observed the suspect attempting to shoplift several items. When the security guard approached the suspect, a fight ensued and both men were rolling on the floor. The store's night manager attempted to help and all three men were struggling on the floor. Police arrived and charged the suspect with robbery. He was released on \$500 cash bail and is scheduled to appear in municipal court August 22.

CMMC gets accreditation

Recently Clara Maass Medical Center was awarded a three year certificate of accreditation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Three years is the highest accreditation period given by the Joint Commission.

"The JCAHO's inspection and accreditation are voluntary. Clara Maass Medical Center has sought accreditation because it represents our accountability and demonstrates the high quality of patient care that is given to the patients at Clara Maass," said Robert Ercow, executive vice president of Clara Maass.

To become accredited, the Medical Center voluntarily submitted to on-site evaluation by JCAHO surveyors, who applied standards designed to further the objectives of quality patient care and the safety of the environment in which

that care is provided. These national standards represent a consensus among health care professionals and are periodically updated to reflect changes in health care delivery. The JCAHO survey team consists of health care professionals trained to evaluate a medical center's efforts to provide quality care.

The Joint Commission on Accreditation of Healthcare Organizations is a private not-for-profit organization created by and composed of healthcare professionals. It is governed by the American College of Surgeons, American College of Physicians, American Dental Association, American Hospital Association and the American Medical Association. A public member is appointed by the board of commissioners to represent consumer concerns.

Prezioso honored by French government

Carmen Prezioso, a French and Italian teacher at Princeton High School and a 1945 graduate of Belleville High School, was honored by the government of France for his lifelong career in teaching the French language and culture and for bettering the relationship between American and French-speaking nations.

Andre Mama, a Princeton Uni-

versity French professor and a representative of the French government awarded the medal of Les Palmes Academiques to Prezioso. Along with Princeton High School, Prezioso has taught French at Princeton University's Woodrow Wilson School of Politics, Laval University in Quebec City, Canada, and Atlantic City High School.

The Trustcompany Bancorporation announces two-for-one stock split

Siggi B. Wilzig, Chairman and President of The Trustcompany Bancorporation (T.O.C.), parent company of The Trust Company of New Jersey, announced today at the annual shareholders' meeting that the Board of Directors this morning approved a two-for-one split of the common stock of the company. This action follows a four-for-one stock split only two years ago.

Wilzig further announced that based on the Bank's increased earnings, the Board approved a 17

percent increase in the yearly dividend from \$.96 to \$1.12 per share based on the 4.9 million pre-split outstanding shares.

On Aug. 6, 1990, shareholders will receive one additional share for each share held on the record date of July 6, 1990. The increased cash dividend is payable on Sept. 4, 1990 to shareholders of record on Aug. 10, 1990.

The Trust Company of New Jersey, with assets of \$1.8 billion, has 38 branch locations throughout New Jersey.

Golden Comments

By Jim Golden

New York Governor Cuomo, whom many believe entertains hopes of becoming President of the United States at some future date, comes out extending lavish praise upon New Jersey Governor Jim Florio, even to the extent of suggesting that he be considered a presidential candidate.

Both are Democrats and it is hardly probable that the New York Governor would have been motivated by any reason other than to reflect upon the fact that the New Jersey Governor got more of what he wanted in the way of tax increases heaped upon the indignant workers of his state than Governor Cuomo wanted, but couldn't get, because of the opposition of upstate Republicans state legislators who nixed the same tax implementation; whereas, Florio with both houses of the state legislature controlled by the emblem of the donkey gave him everything he demanded, much to the chagrin of many New Jersey residents.

Let's look at one illustration: New York "knocked down" additional tax on telephone bills, already highly taxed by federal laws and regulations; whereas, the New Jersey legislators tacked on an additional 7% sales tax on telephone bills.

Let's look back to the way it used to be; the State Board of Public Utilities used to set the rate on phone bills and they still do, however, they now have to share the billing with "big brother" the federal government who gets its share of the pie with a 3% tax on the phone bills while that "Huge Monster" the Federal Communications Commission (FCC) kicks in with a hefty \$3.50 monthly "access charge" on each phone bill.

Are we being taken? Many feel that we are. Let's look at the so called sin taxes, especially on alcohol which was long taxed. At first by excise tax on gallons of beer, liquor and wines, now the 7% sales tax will be charged on all alcoholic drinks bought in package stores, taverns and restaurants to raise

\$182 million. That's a "low blow" to the average working man who enjoys the privilege of a few cold beers after a hard days work, especially if he goes home to drink it from his own refrigerator at home with his family...it's just like taking soap and paper products needed for proper sanitation in the home.

Many of these petty, unnecessary and unfair taxes are not only unjust and ruthless, but disgraceful because they even "hit" those on welfare, those least able to cope with the tragedy of poverty.

As the facts are only now coming to light of the failings of the Reagan years and the Kean reign as governor and the salary "grabs" of our legislators in government, on all levels, clearly flashes the danger signal that precautions are sorely needed to impose greater controls upon their suble doings.

Woe, the people, have been taken largely because of our indifference and lack of concern of what these "lofty" salons were "palming off" on their constituents because of our apathy.

Apathy of the public to the performance of our elected officials and the power that they arrogate to themselves has patently emboldened them to usurp privileges beyond the province of their rightful authority in too many cases.

Were it not for the Fourth Estate (the press) much of the designed clever devices duplicity of some of these knaves would go undetected and only the esoteric few of the "in crowd" would ever learn what was going on.

The apothegm "the public be damned" seems to be too often entertained by many powerful entrenched politicians who seldom hesitate to impose it upon their docile constituents when it best serves their concerns.

It is the people's incumbent responsibility to keep close surveillance upon our legislative representatives and executive officers and that we demand solid integrity on their part with proper regard for the best interest of their constituents.

SPECIAL EDUCATION CHECK - Belleville P.B.A. Local 23 President Tony Wieners presented a \$1,000 check to Belleville Special Education supervisor Dr. Anthony Chirico at the recent P.B.A. annual golf tournament.

Crecco bill increases penalties for theft of sacred objects

Legislation cosponsored by Assemblywoman Marion Crecco (R-Essex) which would upgrade the theft of certain sacred objects to a crime of the second degree was approved last week in the General Assembly by a vote of 76-0.

"Under current law, the theft of

items considered to be sacred can range from a crime of the fourth degree to a crime of the second degree," said Crecco. "However, I believe such a scurrilous action should be accorded with serious treatment, regardless of the object's monetary value. A price

The New Rowe-Manse ice cream and frozen yogurt shoppe is NOW OPEN

Seven Days a Week!

Architects are busy designing our all new ice cream and frozen yogurt shoppe in the former Bond's location, right next to Rowe-Manse Emporium on the lower level.

It will be done in the usual "Rowe-Mantic" way — with a very special gourmet menu of light fare — and of course our legendary, Rowe-Manse quality.

But until they're finished...

We'll be open for breakfast and lunch with a limited menu — and of course — wonderful ice cream and frozen yogurt delicacies.

Meanwhile...

Watch for details on how to win \$2000.00 for naming our new shoppe.

OUR OPINION

The Lord is patient...

U.S. Supreme Court has ruled that, if a school offers extracurricular services to students, then "religion or religious study clubs" should be allowed, too, assuming a group of youngsters so desires.

God, prayer and the teaching of virtues had been chased from the schools — as it is well known that God, prayer and the teaching of virtues can do immense harm to young minds. But now, through a back door, so to speak, the Court says it is within the framework of our Constitution that young people may organize a club at which to read the Bible, the Talmud, the Koran or other sacred works.

Religion or religious study clubs will make no student more holy, righteous or right. But it does seem that young people should have an opportunity to learn more about God, prayer and the teaching of virtues which are otherwise disallowed in the regular school curriculum.

Marx, Freud and Malcom X are fit for the classroom — but God, the sacred books and the teaching of virtues are regulated to clubs ... outside the regular school curriculum.

The Lord must be most patient with our ways at times.

Like damn fools

A number of Americans acted like damn fools during Gorbachev's visit. Gorbomania raged, induced by just about every media outlet.

Some Americans acted like damn fools with Joe Stalin, and with Hitler, too, in his early days. We can reckon scores of other tyrants, thieves, rapists, pervers, murderers, and other dregs of the earth with whom Americans have become enamored from time to time.

Patrick Henry — remember him? — had some words to say about people who would sacrifice independence and liberty in the name of "peace." Fortunately, the Founders of our America heeded Patrick Henry and not those who would sell out Lithuania, Latvia, Estonia, Armenia, the Ukraine, and other nations still under soviet communist army occupation.

Gorbachev is a communist. He rose to power under other communists, including thugs who continued to murder fighters for liberty in the oppressed nations. Gulags still exist in Gorbachev's paradise.

The pro-communist propaganda machine has had a field day. Gorbachev, assuming he survives the wrath of his oppressed people has conned some Americans into thinking he is "Man of the Century" — as if our Founders would have chosen King George the Third their "Man of the Century!"

Oh Patrick Henry, stir in your bones and arise from your grave. Haunt these peacemakers, who would enslave others even as they become enslaved. Let these fools enthuse in Gorbachev's embrace. But for Americans, GIVE US LIBERTY OR GIVE US DEATH!

A billion dollars for fringes

So you cannot figure out how the state government budget can expand so much each year — and then demand higher taxes from you?

Public Affair Research Institute of New Jersey has come up with one of the reasons: state employee benefits (fringes) have skyrocketed by 75 percent in five years, about three times the rate of consumer prices and inflation?

State employees are not the only guilty parties, of course, as employee benefits have climbed from \$575.8 million in fiscal 1987 to about \$1 billion required for fiscal 1991, which begins this July 1.

State legislators did not object to these incredibly high giveaways, and former Governor Thomas Kean signed off on them. As with so much that is falling apart in Trenton, the origins of the fiscal mess can be traced to the Republicans, who now want to place ALL the responsibility on Jim Florio alone.

It is not Florio alone; it was not Tom Kean alone. Such arrogant redistribution of private sector taxation to public sector benefits has been integral political and ideological programs of most Democratic Party and most Republican Party leaders. Only a handful of conservative voices have been heard in protest. The media, uniformly liberal, has been happy to go along with this irresponsible spending.

No measurable increase in productivity in state government has been located. If anything, Parkinson's Law is running wild in state government. We do not have sufficient prison space for criminals. But we seem always to have sufficient space for more and more state employees.

Governor Florio has taken away a few state cars used by middle-level bureaucrats. But that employee benefit, that outrageous waste, can be measured in thousands of dollars. That \$1 billion bill for employee benefits includes a lot more than the lottery director's use of her state car to go shopping at Nieman-Marcus!

YOUR OPINION

Florio, the government and taxes

To the editor:

Some thoughts on Governor Florio's flawed tax package: First of all Congratulations Jim, in a few months, you have succeeded in not only destroying your political future, you have also reversed the pride in New Jersey we long suffering tax payers were feeling and replaced it with a bad taste in our mouths.

The disdain you showed for the people of New Jersey by ramming your inequitable tax package through the Assembly and Senate via the bogus "gag rule" imposed by you and your cohorts. You knew your proposals couldn't survive the test of logic and decency an open debate would have allowed.

We must demand from our elected officials ACCOUNTABILITY for the claims they make as to huge deficits in the budget, when not too long ago we were told there were surpluses. We should know where and why there are deficits? Where our tax money is going? What happened to our surpluses and what checks and safeguards will be put in place to ensure fiscal responsibility in the future? For a state with both a Lottery and Casino Gambling, where the revenue dollars are measured in the millions, according to our Governor we are worse off then we ever were. A simple question, where is all this money going? We already know it's not going where it was intended to go.

No one in government is answerable. Can you imagine if we operated our personal finances in this way and were not held accountable, no one would have any tax worries because no one would pay any taxes.

Consider the tax rates, the things we pay tax on, the myriad overt and hidden taxes we are assessed. This provides more than enough money to support a modern, efficient state government and all the associated agencies plus enough capital to support the essential and needed programs. The lie is in the way the taxpayers' money is spent.

Isn't it about time that government become responsible and that the people we elect be right thinking, dedicated non-partisans instead of the same hackneyed politicians we elect and re-elect ad infinitum.

What New Jersey needed was to retain a favorable business environment, that would have encouraged companies to start in or relocate to New Jersey. We have a special advantage to accomplish this due to our proximity to New York City. We should be doing the kinds of things that would entice the Wall Street Financial Institutes to give us serious consideration. One of the key comparisons we could have provided to help decision makers choose New Jersey was the tax advantage it would have been for them, but that was before Florio.

Wouldn't it be refreshing if our elected officials would consider the tax paying backbone of the state or is that too much to ask?

The whole tax package is a giant step backwards, from raising the sales tax, imposing new taxes on items now exempt, getting rid of the present homestead rebate, raising tuition, to raising the income tax rate of people with higher incomes.

After Florio's driven good, solid taxpayers from the state, there won't be anyone around to pick-up the taxes for all the deadbeats that we've supported thus far.

We must be taken seriously in our opposition to these taxes and failed programs. It's time to contact your representatives and let them know their job is on the line unless they start doing what is good for the state and the people who put them in office. Let them know that although it doesn't always seem that way they have not found a life time job.

New Jersey deserves much better then what we've gotten.

Barbara Hahn

Honor the Flag

To the editor:

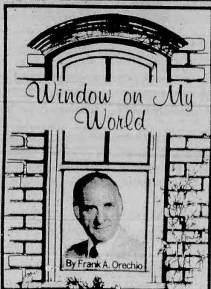

"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

This wording of the pledge varies slightly from the original, which was drawn up in 1892 in the office of The Youth's Companion magazine in Boston. It was the first used in the public schools in celebration of Columbus Day, 12 October 1892.

The pledge received official recognition by Congress in an Act approved 22 June 1942. The phrase "under God" was added to the pledge by a Congressional Act of 14 June 1954. At that time, President Eisenhower said that "in this way we are reaffirming the transcendence of religious faith in America's heritage and future; in this way we shall constantly strengthen those spiritual weapons which forever will be our country's most powerful resource in peace and war."

In a 1917 Flag Day message, President Wilson said: This flag, which we honor and under which we serve, is the emblem of our unity, our power, our thought and purpose as a nation. It has no other character than that which we give it from generation to generation. The choices are ours. It floats in majestic silence above the hosts that execute those choices, whether in peace or in war. And yet, though silent, it speaks to us — speaks to us of the past, of the men and women who went before us, and of the records they wrote upon it.

Joseph Fomartito
Veteran World War II

• PRESENTLY, garbage from this area is barged 100 miles out to sea. In nine months, government-made regulations will prohibit this economic method of ridding the earth of human-made garbage.

Incineration is the first thought in most people's minds as a handy alternative to dispose of our daily garbage. London-based British Gas Company is offering a novel technology to convert garbage to gas. Will the technology work? Last week six of us from New Jersey visited England and Scotland to inspect facilities that use a technology that converts solid matter to gas.

Listening to a lecture and reviewing reading material are no substitutes for witnessing with your own eyes the actual conversion of solid matter to gas. I was impressed. Can such a technology be used to convert our garbage to a fuel? After seeing the London and Glasgow plants in operation, I am a believer.

The upmost question that must be answered — is it economically feasible? When the cost of energy rises to a certain level, it can be sold off to recapture the entire cost of processing the garbage — which means, in effect, constructing a plant that can process garbage and have the operating costs offset with revenue derived from the sale of reventured power. Engineers project this point can be reached within 10 years.

Conclusions are only tentative. Additional inspections are to be made of three plants located in the northwest United States. These plants convert coal to gas. In order to go forward, a commitment to make a substantial capital investment is needed.

At this point in time, the estimated capital costs are justifiable. The Passaic Valley Sewerage Commission delegation that made the visit included Chairman Donald Tucker, Commissioners Tom Cifelli, Charles Lagos, Chief Engineer Sheldon Lipke, Executive Director Carmine Perrapato, and the writer.

The American unit of British Gas is Global Energy, whose Washington representative, Joseph O'Leary, was our intelligence source and tour guide — and what a guide he was! Drawing upon his years of experience at the Pentagon,

Joe O'Leary was chiefly responsible for making the trip comfortable and worthwhile. We visited the British Gas Westfield Development Center. Our tour guide for the inspection of this facility was Plant Manager Geoff Twizell, who personally escorted the six American visitors through the many buildings that comprise the Westfield Development Center. Twizell proved to be both charming and brilliant.

The group utilized Continental Airlines for the round trip. Returning to Newark, Continental used a 747 which sports an upper deck. Being airborne 5 miles, provides no special advantage for upper deck seating.

However, the upper deck accommodations were made most comfortable and enjoyable because of the attention we received from Continental's personnel, Nan Thomason, Service Manager, and Jerri Eagles, our very efficient stewards who tended to our every whim. The boys passed a resolution expressing gratitude to Jerri Eagles and Nan Thomason for their loving, tender care.

On the flight from Edinburgh to London, I was seated next to two lovely teenagers from Cameroun, Africa. Their destination was London, to attend athletic events in which a dozen young men from Cameroun were competing. The girls, Tifu Patience and Gaourde Yaounde are college freshmen. Their college enrollment includes courses in English and French. As I was chatting with them, I was thinking about the courage it takes for two black 18-year-olds to travel from the heart of Africa to one of civilization's oldest cities, London, feeling very comfortable and relaxed.

• AN ENGLISH doctor, Dr. Tom Smith, recently returned from a seminar on prostate gland disease — an ailment in men over 50. Following is an interesting report that may capture the attention of some readers: "I'm just back from a meeting on prostate gland disease — fascinated with a simple way to treat it."

"Modern drugs may be a doctor's best friend, but let's not forget the two oldest treatments — heat and cold."

"If early results of treating prostate gland disease with heat are confirmed, it should save men the world over hundreds of thousands of operations a year."

"The prostate gland sits just under the bladder, nourishing and lubricating the sperm. Problem is, the gland tends to grow too big, and block fluid from the bladder."

"Until now the treatment has been an op to remove the extra prostate bulk. And that carries the risks and discomfort of all surgery."

"The new treatment avoids surgery: a small tube is passed in painlessly under local anesthetic. A small electric current heats up the gland — which then shrinks back to normal size. There is no damage to any other tissue and, so far, no sign of any serious side effect."

"One warning: if you have prostate trouble, don't expect to be offered this treatment immediately. Like all new proposals, it must be fully assessed before being used more widely. Another use of heat treatment hit the headlines last week. In much more skeptical about this one. Doctors in America gave an AIDS victim blood, heated to 107 degrees (the normal is 98.4).

"The idea is that the patient can stand the high temperature better than the virus can, so that the virus dies, and the patient survives."

"It's an old theory, and it was once used, for example, against syphilis and TB."

"It didn't work well, though. Some people, already very sick, actually died from it. I would wait for many more guinea pigs to be treated before I'd recommend it."

"Now from heat treatment to cold ..."

"In sports injuries, the magic treatment is a cold compress, rest, and raising the injured limb above heart level. It has to be applied quickly, and the player must rest the injury for a day or so."

• THE BELLEVILLE Shade Tree Commission voted last week to remove 17 trees from one of the community's side streets. After examination, ten additional trees were saved from the axe. Margaret Hayden, an attorney with the Rutgers Environmental Law Clinic, expressed concern because "there are a few trees that will be taken down that are perfectly healthy." If one recalls Joyce Kilmer's "Trees," then the theme should continue today — there is nothing as lovely as a tree — let's nourish them — not kill them.

• BURNING the American flag should be a crime — punishable by imprisonment. Apparently, it's alright in America to burn our flag, but there's a law against burning leaves. Figure that one out!

• UNITED STATES Senator Bill Bradley's opponent, Republican Christine Todd Whitman, is challenging Bradley's personal integrity and patriotism! This development, in and of itself, should disqualify her from holding public office.

Bradley's legislative performance has established the highest standard for personal integrity and patriotism than existed before he began his service as U.S. Senator. I like Bradley as a person — his position on international issues and knowledge of those issues have made him a leading expert in international relations. On domestic issues, Bradley has been right all the time. My vote will be cast for that All-American — Bill Bradley.

• MAYOR Marion Barry was the star of the evening's television shows last week. A former girlfriend of Barry's, facing alleged criminal charges, conspired with law enforcement agents to set up Mayor Barry in exchange for a plea bargain. If ever there was a case of entrapment, it exists in the matter of the United States vs. Marion Barry.

Zatorski art exhibit

Currently on exhibit in the Trustees' Room of the Belleville Public Library and Information Center, 221 Washington Avenue, are the oils of Michaelina Zatorski of Belleville. Zatorski has earned several awards for her oils in the Annual Belleville Public Library Art Show. In addition, she has supplied many unique displays for the library's exhibit cases. Among her oils on exhibit in the Trustees' Room are "Still Life-Vase and Balls," "Hawaii Sunset," "Waterfall," "Winter," "Red Barn," "From Long Ago," "In the Harbor," "Thoughts of Spring," "Bavarian Village," "Morning Cantor," "Rolling Hills," "Drinking Place," "The Manor," "New York Central Park," "Cabin in the Woods," "Grand Canyon," "Blossoms in the Park," and "Still Life."

The exhibit can be viewed during summer hours at the library.

Nonfiction best sellers

Nonfiction best sellers at the Belleville Public Library and Information Center include "Don't Shoot, It's Only Me," by Bob Hope, "Megatrends 2000," by John Naisbitt, "Father, Son and Company," by Thomas Watson Jr., "It Was On Fire When I Lay Down On It," by Robert Fulghum, "Barbarians at the Gate," by Bryan Burrough and John Helyar, "All I Really Need To Know I Learned in Kindergarten," by Robert Fulghum, "Liar's Poker," by Michael Lewis, and "Legacies," by Bette Rao Lord.

Paperbacks for teens

Many new paperbacks for teens have been added to the library collection. The books are located on the first floor of the library on the circular racks, when you enter the library.

Isabel Wittlinger, President of the Friends of the Belleville Public Library and Information Center, standing, works cooperatively with Lillian Westcott, Treasurer of the Friends, at the library's recently held Friends' Auction.

Crafts' programs for children grades 3 and up, teens, and adults will again be featured on Mondays, Tuesdays, and Wednesdays at 11 a.m. at the Belleville Public Library and Information Center. Register in person at the library.

Eight Great Live Monday Nights

Eight Great Live Monday Nights will be featured this summer at the Belleville Public Library and Information Center. On July 9, Robert Sapoff, who has starred in award winning commercials for Federal Express and Bazooka Bubble Gum, will cover the basics of beginning a career. Registration of 40 is limited to ages 10-adult level. The program will take place from 7:30-9:00 p.m.

On July 16, from 7:30-8:30 p.m. Kay Kato, Star Ledger cartoonist, will draw a sketch in a minute's time, of selected audience participants. On July 23, Caryl Green's Happy Times Children's Theatre will present "Happy Times Around the World," funded by a Matching Grant from the Essex County Division of Cultural and Historic Affairs. On July 30, the Raptor Trust will present a color slide presentation on owls with live owls in attendance, at 7:30 p.m. On Aug. 6, Peter the Clown will present juggling, active magic, and puppetry at 7:30 p.m. On Aug. 13, Richard Stillman's "Irish Minstrel" will present jigs and reels, Irish storytelling, bagpipes, and stompdancing at 7:30 p.m. On Aug. 20, Magician Joe Fischer will present a program of fantasy, illusion, and magic for all ages at 7:30 p.m. Finally, on Aug. 27, Kathleen Mollica, Assistant Library Director, Passaic Public Library, will present a program entitled "Meet Cockatoo Birds," also at 7:30 p.m.

Register in person for these programs, or call the library if you wish to register for one particular program.

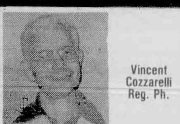

READ

This summer the Belleville Public Library and Information Center will be sponsoring an individualized reading program for teens and adults, entitled READ. For every teen or adult who reads ten books, a certificate will be awarded. For every teen or adult who reads twenty books, a paperback will be awarded. Those who read thirty or more books will have their names listed in the library's newspaper column and newsletter.

Please call Adrea Cohen at 450-3434 to register for the program, or come in person to the library.

Eight earn degrees at FDU Rutherford

Eight Belleville residents received their degrees from Fairleigh Dickinson University in Rutherford. Caroline Acker received her B.S. in nursing. John Byrnes received his MBA in Management. Gerald Stota received his MBA in Finance. Brian DeFuria received his B.S. in Management. Felicia Del Duca received her B.S. in Management, cum laude. Susan Del Duca received her B.S. in Management. Valeria Sliger received a B.S. in Management. Mara Baturay received a B.S. in Economics/Finance.

SIMPLE ADVISE FOR WOMEN

Women who experience diarrhea and cramping with the onset of menstruation may want to turn to ordinary ibuprofen for relief. This over-the-counter aspirin substitute may deal with these menstrual-related symptoms faster than any other non-prescription medication. According to researchers at the Women's Medical Center in Bethpage, New York, ibuprofen is so effective because it limits the manufacture of prostaglandins. These are the hormones that cause the smooth muscle fibers in the intestines and uterus to contract. In addition, ibuprofen is effective in combating nausea, vomiting, and various aches that often accompany menstruation.

You'll find a wide selection of over-the-counter and prescription medication always available at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. For your convenience we stock a wide variety of items including gifts, greeting cards, baby needs, cameras, film, cosmetics and toiletries. Open: 9am - 10pm daily, 9am - 9pm Sundays.

HINT: Those who are sensitive to aspirin should also avoid using ibuprofen.

OBITUARIES

Anthony Marchione

A Mass for Anthony Marchione of Holmdel was offered June 30 in the Holmdel Funeral Home, Holmdel.

Mr. Marchione died June 26 in the Bayshore Medical Center, Holmdel.

He was a warehouseman for Wakefern Foods in Elizabeth for 30 years.

He was a Navy veteran of World War II and served in the Marine Corps during the Korean Conflict. He was a member of the St. Joseph's Church Council of the Knights of Columbus in Keyport, Post 5918 of the Veterans of Foreign Wars in Holmdel and Local 863 of the Teamsters Union in Mountaineer.

Born in Belleville, Mr. Marchione lived in Nutley before moving to Holmdel 25 years ago.

He is survived by his wife, Florence; three sons, Michael, Kenneth and Glenn; a brother, Salvatore, and two sisters, Mrs. Rose Borne and Ms. Geraldine Marchione.

Thomas J. Cullen, 77, of Belleville died June 26 in the Clara Maass Medical Center, Belleville.

A Mass was offered June 29 in St. Mary's Church, Nutley, after the funeral from the S.W. Brown & Son Funeral Home, Nutley.

Mr. Cullen had been a truck driver with the P. Ballantine & Sons brewery in Newark for 38 years before retiring 16 years ago.

He was a member of the St.

Mary's Council of the Knights of Columbus and of the Teamsters' Local 843 of Union.

Born in Newark, he moved to Belleville 49 years ago.

Mr. Cullen is survived by his wife, Margaret; two sons, Thomas J. 3d and John P.; a daughter, Mrs. Patricia Neitz; a brother, John; a sister, Mrs. Marie Lear, and two grandchildren.

Dorothy Crorken

Services for Mrs. Dorothy Crorken of Nutley were held June 28 in the Johnese Nutley Home for Funerals, Nutley.

Mrs. Crorken died June 25 in the Francis Asbury Manor, Ocean Grove.

She was a member of the Women's Club, the United Methodist Women of Vincent

United Methodist Church and the American Association of Retired Persons Chapter 202 in Nutley. Born in Belleville, Mrs. Crorken lived in Nutley for 60 years.

Surviving are a daughter, Mrs. Dorothy H. Graziano; a son, Andrew H.; four grandchildren and four great-grandchildren.

Charles Juliano, 56

A Mass for Charles G. Juliano, 56, of Belleville was offered July 2 in St. Mary's Church, Nutley, after the funeral from the S.W. Brown & Son Funeral Home, Nutley.

Mr. Juliano died June 27 in the Mountaineer Hospital, Glen Ridge. He had been a produce clerk with a Pathmark Supermarket on Staten Island for 29 years.

He served in the Army during

World War II. Born in Newark, Mr. Juliano lived in Nutley before moving to Belleville three years ago.

Surviving are three sons, Donald A., Charles G. 3d and Michael J.; eight sisters, Mrs. Mildred Patty, Mrs. Rose Colombria, Mrs. Yolanda LaRusso, Mrs. Ann Gravante, Mrs. Grace Urbano, Mrs. Adeline Fede, Mrs. Geraldine Murphy and Mrs. Nancy Urbano; a brother, Carmine, and two grandchildren.

Funds available locally

(continued from page 1)
vides grants to low and moderate income homeowners who live in the Valley section of Belleville. The \$265,000 in funding will come from the New Jersey Department of Community Affairs.

The grant eligibility requires that homes must be 1-4 family and owner-occupied. Homeowners must use the grants to alleviate substandard housing conditions. Under this grant, low income homeowners may receive up to \$15,000 as a direct grant. Moderate income homeowners may receive up to \$15,000.

The program's goal for 1990 is to assist 20 homeowners in Belleville. For additional information on this program, call 509-9887.

The Rental Rehabilitation Program, funded directly by HUD, provides matching grants to investor-owners to rehabilitate multi-family apartment buildings.

Investor-owners can receive up to \$8,500 per dwelling unit with an equal match from the owner.

The Rental Rehabilitation Program, administered through the Division of Housing and Community Development, plans to rehabilitate 85 units in Orange, Belleville, Montclair, South Orange, and West Orange. For information on the Rental Rehabilitation Program, call 509-9887.

Amato noted, "While certain agencies are being investigated, Essex County is receiving additional HUD funds."

This year, Amato said, the 18 town consortium will receive "almost \$5 million to build, create, fix, heal bodies and minds. If we had three times that, it would not be enough."

"Since its inception, Essex County's Community Development Block Grant Program has expanded to provide greater opportunities for our municipalities. Ultimately, what that means to our citizens is expanded services such as street improvements, counseling services, home improvement loans and overall, improving the quality

RELIGIOUS VIEWPOINT

Gerald Fortunato, Pastor
Silver Lake Baptist Church

One Nation Under God

At the close of the solemn pledge to our flag, there is a small and simple phrase. Its words are often stated without much thought, but these words run deep into the founding and forging of our nation. This phrase is "...one nation under God".

It is hard for us today, living in our routine and organized society, to imagine the struggle and sacrifices our forefathers made. A driving force that compelled them to carry on was their deep faith in God and the close ties of their families.

As we look back to the first settlers of the continent, we find the basic principles of liberty brought over with them. These simple people pulled up their roots and journeyed to an unknown land to escape the oppression of their government. Their reason was to be able to worship their God as they wished. Even their first contract of government, the Mayflower Compact, was signed "In the name of God, Amen".

As we follow the development of our nation, we see this spirit maintained throughout many trials. Even in revolution our faith was never broken, for the Declaration of Independence was concluded "with a firm reliance on the protection of Divine Providence".

Today, I feel America's prosperity can be attributed to the hand of God. The greatest strength of American democracy lies not in its economics, but in the morals and ethics of her people. As people, we consider each other as God's greatest creation and not just an instrument to be used for the benefit of the government like Communism does. Communism is spreading throughout the world reducing its victims to mere puppets whose strings are pulled by the government. This menace is attempting to enter American society, today. We must all realize the importance of adhering to one's morality, for the primary goal of Communism is to convince the people to turn away from these basic principles. I do have faith in the American people and do believe as John Hancock stated before signing the Constitution, "The powers reserved by the people (under the Constitution) render them secure, and until they themselves become corrupt, they will always have able and upright leaders."

We should all take time to reflect on our good fortune and appreciate the fact that we are a great nation, and God is watching over us. With these principles in our hearts, I feel America will sustain liberty, justice and greatness forever as long as she abides by God's great Truth.

F.J. Carragher

A Mass for Frank J. Carragher, 74, of Belleville was offered July 2 in St. Peter's Church, Belleville, after the funeral from the Kiernan Funeral Home, Belleville.

Mr. Carragher, who died June 26 in the home of his son, Frank J. of Phoenix, Ariz., had been the secretary to the supervisor of elections in Essex County for 13 years, retiring eight years ago. Earlier, he was the purchasing agent for Electrons of Fairfield for 20 years.

Mr. Carragher was the former

president of the Mary V. Senator Association and a former Democratic district leader for 12 years, both in Belleville. He was president of the Belleville High School Class of 1937.

Born in Jersey City, he lived in Belleville for many years.

Also surviving are his wife, Ellen; a brother, William; three sisters, Mrs. Elizabeth Moniot, Mrs. Frances Berke and Teresa, and two grandchildren.

Middle Schoolers ready for summer

PROMOTION EXERCISES — Included a song by Joanna DuHaime, accompanied by Bob Gizzi, B.M.S. music teacher.

ON TO NEW CHALLENGES — William Addis addresses the newly promoted 8th grade class at B.M.S. Ceremonies were attended by many Board of Education officials as well as parents.

FULL HOUSE PROMOTION - Parents filled the room as B.M.S. 8th graders were officially promoted to B.H.S. Freshmen. Celebrations ranged from the small (corsages and boutonnieres) to extravagant (like limo rides home).

EIGHTH GRADERS READY - Belleville Middle School Auditorium was the site of promotion exercises at the close of the school year. Students were decked out in their 'Sunday best.'

FIELD DAY - B.M.S. 7th graders were treated to a picnic lunch, enjoying food, fun and sun.

JUST IN CASE - Belleville Middle School Nurse Noreen Curcio checks 7th grader, Michele Popola at the B.M.S. picnic at the Municipal

END OF SCHOOL TREAT - It was a lovely sunny day when B.M.S. 7th graders had their picnic. The students enjoyed sub sandwiches, watermelon, lemon ice and other tasty treats.

M.S. HELPERS - Mothers from the B.M.S. Home and School Association volunteered to serve the 7th graders picnic lunch in Belleville Municipal Stadium.

Belleville's new Council sworn in

Fourth Ward councilman Bill Cook

At-Large Councilman Frank Noonan

At-Large Councilman Mario Drozd

Judge Thomas Zampino swears in Tom Spillane as his father holds the Bible.

Ready for Resolutions — Spillane, Mayor Perna, and Dr. Noonan.

Judge Frank Zinna swears in 2nd Ward Councilman Frank Caputo as his sons look on.

Judge Zinna swears in Councilman Frank Noonan as his family looks on.

Judge Zinna swears in First Ward Councilman Jim Messina with his family on hand.

Judge Zampino swears in Mayor Marina Perna while her dad holds the Bible.

Judge Zinna swears in At-Large Councilman Mario Drozd as his family watches with pride.

Judge Zinna swears in Township Assistant Attorney/Prosecutor Rober Giordano while his daughter holds the Bible.

Local attorney Robert Gaccione introduces the new council.

Gwen Nicolette to wed Patrick Buccino in June

Mr. and Mrs. Nicholas Nicolette of Belleville announce the engagement of their daughter, Gwen, to Patrick Buccino, son of Mr. and Mrs. Charles Buccino, also of Belleville.

The wedding is planned for June 8, 1991.

Miss Nicolette, an alumna of Belleville High School, is a cashier at Little Falls Shop-Rite.

Mr. Buccino, a graduate of Belleville High School, is an automotive and equipment mechanic with Department of Public Works, Nutley.

Gwen Nicolette — Patrick Buccino

Sheri Ann De Piro, David Norton engaged

Mr. and Mrs. Ronald De Piro of North Caldwell announce the engagement of their daughter, Sheri Ann, to David Norton, son of Mr. and Mrs. Joseph Norton of Belleville.

The couple was engaged Feb. 24 at Shanghai Reds, Weehawken. A party in their honor was held May 13 at Bella Casa Caterers, Belleville.

Miss De Piro, an alumna of

Belleville High School and Caldwell College, is a senior banking representative at Chemical Bank, New Jersey.

Mr. Norton, also a Belleville High School alumnus, attends Essex County College and is also a senior banking representative at Chemical Bank.

The wedding is planned for Oct. 12, 1991.

Sheri Ann De Piro — David Norton

Catholic Daughters award scholarships to students

The Catholic Daughters of the Americas Court Santa Maria 61 of Belleville, has awarded scholarships to three students.

Children or grandchildren of Court Santa Maria members entering higher education are eligible for the annual scholarships. Membership in the group is open and new members are always welcome. To join, contact Josephine Hoffmann.

Juan Miranda and Bridget

Dzendera from St. Peter's School were also presented awards for English.

Children or grandchildren of Court Santa Maria members entering higher education are eligible for the annual scholarships.

Membership in the group is open and new members are always welcome. To join, contact Josephine Hoffmann.

Mr. and Mrs. Paul De Nicolas — nee Lorraine Taylor

Lorraine Taylor bride of Paul De Nicolas

Lorraine Theresa Taylor, daughter of Mr. and Mrs. Elmer F. Taylor of Absecon, was married recently to Paul De Nicolas, son of Mr. and Mrs. Joseph De Nicolas of Belleville.

Rev. Howard B. Day performed the ceremony at Montgomery Presbyterian Church. A reception followed at The Fiesta, Wood-ridge.

Diane McTigue was her sister's matron of honor. Bridesmaids

included Barbara Taylor, Angela Ranucci and Angela De Nicolas. Flower girl was Christine Ranucci.

Vincent De Nicolas served as his brother's best man. Ushering were Brian McTigue, Thomas Ranucci and Joseph De Nicolas. Ringbearer was David Ranucci.

The couple honeymooned in Las Vegas and California following the Sept. 29 nuptials and have made their home in Bloomfield.

Christine Nenninger earns nursing diploma, awards

Christine Nenninger of Belleville was one of 30 student nurses graduated from The Mountinside Hospital School of Nursing during the school's 96th commencement June 14. She was also named winner of the New Jersey League for Nursing Award and the Forty and Eight Award.

Exercises were held in the Bloomfield Presbyterian Church on the Green, presided over by Bernard G. Koval, president and chief executive officer.

Mountinside's School of Nursing, founded in 1892, is approved by the New Jersey Board of Nursing and the National League for Nursing.

Christine Nenninger

STORK CLUB

Toni-Ann Veniero

A third child, a daughter, Toni-Ann, was born to Mr. and Mrs. Anthony Veniero of Cedar Grove June 21 at Clara Maass Medical Center, Belleville. Birth weight was 8 pounds, 1 ounce. She joins Melissa and Shanna Lee.

Mrs. Veniero is the former Laura La Vacca, daughter of Mr. and Mrs. Gerald La Vacca of Bloomfield. Mr. Veniero, son of Mr. and Mrs. Lefty Veniero of Belleville, is a truck driver and diesel mechanic with A. Veniero & Sons Trucking, Inc., Belleville.

MEDICALLY SPEAKING

HOARSENESS

- Q:** What is hoarseness?
A: Hoarseness is an alteration in the normal production of the voice by the vocal cords.
- Q:** What are the causes of hoarseness?
A: Most cases are caused by infection (laryngitis). Some others are related to voice abuse, environmental exposure, or smoking, which can cause vocal cord nodules and polyps.
- Q:** Who should have an examination by a throat specialist?
A: Anyone who has hoarseness persisting for two weeks.
- Q:** Have there been recent advances in the diagnosis of hoarseness?
A: Yes. With the FLEXIBLE FIBEROPTIC LARYNGOSCOPE, a complete examination of the voice box can be done in the office without discomfort.
- Q:** What if I need surgery?
A: Surgery can be done under general anesthesia on an outpatient (same day) basis. All removed tissue is sent for a biopsy study. Modern techniques such as the OPERATING MICROSCOPE and, in indicated cases, LASER, allow accurate and precise surgery. Recovery is rapid with patients able to resume most activities the next day.

Belleville Times SPORTS

BUC SHOTS

By Mike Lamberti

He's done it well for so long that it's almost become normal. **Rich Ruffalo** is back at it again, excelling in blind competition at the National championships at Colorado Springs.

The nationals were held from June 16-24. In addition to Ruffalo's heroics, **David D'Notaris** continued his marvelous work and Ruffalo's brother, **Joe**, did very well.

D'Notaris competed in the 148 pound weight lifting class and broke all the world records in that weight category. He gained a national title in the process.

He squatted 330 pounds, bench pressed 242 pounds and dead lifted 408 pounds for a 980 pound total. That marked eclipsed the old record by 47 pounds. He took two gold medals and was named best lightweight lifter of the tournament.

Joe Ruffalo won a gold medal in the masters 220 pound weight class for weight lifting. He totalled 871 pounds, with a squat of 309, a bench press of 187 and a dead lift of 375 pounds.

Joe also took a bronze medal in the shot put in the masters field. Rich Ruffalo, of course, was not without his share of gold medals. Ruffalo won golds in the shot put, discus and javelin for the open title for the totally blind championships.

Ruffalo's next competition will be in Holland at the World Championships for the Blind. Those competitions will be held from July 12-26.

Ruffalo's life has been quite a success story. Even though he lost his sight ten years ago, he has gained a perspective on life that far exceeds the gift of sight. He and his wife **Diane** recently welcomed a new baby to the world and Ruffalo still serves as an assistant track coach at Belleville High.

His inspirational talks have served as quite an uplifting experience to young students and athletes in surrounding schools and, of course, in Belleville, where he continues to serve as a science teacher at the High School. Ruffalo has been a teacher at Belleville since the Fall of 1974.

BOMBERS WIN CHAMPIONSHIP

Coached by **Ray Aballo**, the Bombers once again won the Belleville Recreational Junior League championship, beating the previously undefeated Cardinals 4-0 in the World Series game. (It's nice to know that a team named the Cardinals can still make the World Series.)

Frankie Costanza hurled a marvelous game, striking out 14 batters and allowing just one hit. **Tyree Huffin**, **Natale Guagliardi**, **Matthew Marinelli**, **Jesus Maldonado** and **Thomas Esposito** all starred in the hit parade for the Bombers.

Other key members of the Bomber team included **Bobby Rosetti**, **Michael Maisto**, **Joseph Ruffalo**, **Scott Horst**, **Corey Vines** and **Neal DeLuca**.

Coach Aballo expressed thanks to his team for making the pre season dream come true.

Congratulations to the Bombers for winning another championship.

BSA NEWS

Just a reminder that the Belleville Soccer Association will be conducting a clinic at Doc Ellis Field, Belleville High School. The clinic will run from July 17 to August 2 and will be held on Tuesday's, Wednesday's and Thursday's. It will be begin at 6 p.m. and will last until 8 p.m.

There is no charge for the clinic and it's open to young men and women between the ages of 5 and 18. If anyone has questions, they should contact **Carmen Goglia** at 751-7560.

BASEBALL NEWS

As this edition hits the newsstands, I'll be flying from San Francisco to San Diego to continue my annual west coast swing to see the St. Louis Cards attempt to play major league ball. You've got to be a real fan to spend eight and one half days watching these guys play. Of course, hanging out in California isn't all that bad, either.

The Mets are really playing good ball, all kidding aside. How many people are interested in starting a fund for **Rickey Henderson**? The Athletics leftfielder is miffed that Jose Canseco just signed a new contract that will pay him nearly \$5 million a year. Rickey is making just \$3 million a year after inking a contract just four months ago for a mere \$9 million over three years.

No wonder Henderson is so upset. How can he expect to make ends meet when he's making just \$3 million a year? And why should he be expected to honor a contract that he just signed? The A's have a lot of nerve to pay a guy more money than Henderson without checking with Rickey first, don't they?

Mike **Francesca** and **Chris Russo** of WFAN were commenting on the Canseco issue and Francesca said that Henderson could point out that he's "underpaid". The stolen bases might not come as frequently, Francesca said. The sad part is, that statement could be true.

Speaking of Francesca and Russo, I've got to wonder, again, about the talk show version of their radio show. Russo went into one of his tirades about boycotting golf courses that might discriminate and challenged Francesca to not make a speech at a country club the following week.

Russo's speech lasted a good half hour on the June 27 show. Meanwhile, people are sitting on hold, trying to get on the air to talk to these two guys. I'd love to see some of the phone bills for a 30 minute wait. Of course, once the fan gets on the air, they're told to hurry up because there isn't much time.

If this is supposed to be a talk show, let the fans talk. If not, then do the interviews with the various sports figures. The two guys do conduct some very good interviews and their show is interesting. I had the chance to meet **Don Mattingly** of the Yankees the other day and found him to be a class act in every aspect. He took time to sign an autograph for one of my employees and was a very down to earth person. The guy is a class professional that made a big impact on those of us he spoke with.

THIS WEEK'S QUIZ

With the All Star game coming up next week, let's look back at a previous All Star game. In 1971, the American League ended a drought, beating the National League in an exciting game, 6-4. The American League then went into another dry spell. When was the next time the American League won an all star game after that '71 game? Who was the manager for the AL and NL teams? Where was that All Star game played? Finally, what event occurred in that All Star game for the first time?

Silvestri's 'good times at BHS'

He has said so-long, but not good-bye. For **Jim Silvestri**, the relationship with Belleville High School has been too long, too good for a simple good-bye.

The athletic director at Belleville High School since 1976, Silvestri announced his retirement in September of '89, effective at the end of the '89-90 school year. He will be replaced by **Karen Fucello**, who has been a coach and teacher at Belleville since 1968.

"It's hard to say good-bye," Silvestri said. "It (retiring) hasn't really set in. It was just like a normal school closing this week. Don't forget, being a teacher, I'm used to having July and August off anyway. I don't know what it will be like come September though."

Silvestri said all of his memories are those of good times at Belleville High School.

"All I remember is the good times," he said. "Coaching, teaching, athletic director, Giants Stadium, those were the good times. The relationship with the kids, working with the faculty, it was just great."

He recalls his days as wrestling coach most fondly.

"At my retirement dinner, I saw a lot of the guys who wrestled for me, and even though a lot of them have kids of their own, those guys seemed 16 years old to me again. It's hard to believe all of those years have gone by."

His last year as wrestling coach was the 1975-76 campaign, a year in which the Bellboys posted a 13-1 record. It's only loss was a 25-20 setback to Essex Catholic. By far, his biggest victory was a win over Pascack Hills in the regular season

finale in late February.

The 29-25 Belleville victory snapped a 56 match winning streak for Pascack Hills that dated back four years previous. What made the match so exciting was that Belleville trailed by scores of 23-8 and 25-10 before winning the final four matches to prevail.

In the previous year, Silvestri's team was 13-2. One of the victories in that '74-75 season was a 25-24 win over Essex Catholic, when **George D'Allesandro**, then a sophomore heavyweight wrestler, pinned his Essex Catholic opponent to cap the win. Going into that heavyweight match, Belleville trailed 24-19 and the only way the Bellboys could win was with a D'Allesandro pin.

Silvestri recalls that Essex Catholic match as perhaps the biggest win in his illustrious career. Later in that season, he was named the Region 2 Coach of the Year.

"They were all great guys," Silvestri said of his wrestlers. "Guys like (Carl) Arlt, (Vinnie) Mustachio, I just can't tell you what they meant to our programs."

As the A.D., you could always find Silvestri on the sideline, rooting on the Bellboys/Bucs. As a writer, I'll never forget his tirade at a referee during the '79 Belleville-Nutley game at the Oval. Silvestri was so angry at a bad call that he turned sheet white and called the official a "homie". This was at the height of his anger. Another words, the man was a class act. He didn't need to swear at someone.

"Homie" was good enough for him. Silvestri tells some great stories about past football games, both at

Summer sports coverage continues weekly in the Times

Summer is here in all its glory, with plenty of hot weather, lots of baseball and other activities during these warm days and nights.

Here at the Belleville Times, the summer schedule isn't as busy as the school year, but there is plenty to report on.

We'll have weekly coverage of the two Belleville American Legion baseball teams and hopefully, weekly coverage of the Belleville boys' basketball team. As you might know, the Bucs aren't in a league this season, but the team has scheduled a number of scrimmages and head coach **Don Roli** will be coaching in the Garden State Games this summer. Hopefully, a few Belleville basketball players will be on that roster.

The weekly "flashback" series returns in the July 12 issue. This has become a popular summer series since its inception back in 1983. Each week during the summer months, we'll reprint a sports story from a particular Belleville sport-

ing event that appeared in the Belleville Times in years gone by.

Last summer, we really hit the archives, recalling the 1941 Belleville football team, the '55 baseball team and different sporting events from the 30's right through the mid 1980's. Many athletes who took part in those events enjoyed reading about their heroics once again.

It's also interesting to note the different writing styles used during the eras and noting the tremendous enthusiasm for Belleville sports over the past 50 years.

We're hoping that representatives from the Belleville Little League will keep us posted on the results of their games. Also, if you, the fans, have any additional items you'd like us to know about, just give a phone call.

You can contact **Mike Lamberti** at 759-3200. The best day is Monday, usually between the hours of 6 and 9 p.m. You can also write Mike at 800 Bloomfield Avenue, Nutley, N.J. 07110.

Spilsbury does well at Iona baseball

He first made scene as a varsity athlete at Belleville High School back in October of 1985. In a Belleville-Passaic football game at Passaic High, head coach **John Senesky** inserted a sophomore quarterback late in the game in an effort for that player to gain some varsity experience.

It was evident early on that this player would be a standout. He showed savvy on the field and the ability to read an opposing defense. In the Spring of '86, that same athlete showed outstanding promise as a high school baseball player.

For the next two years, **Jeff Spilsbury** provided the fans at Belleville High School some memorable moments. As a quarterback for the Bucs, he guided the '86 Bucs to a 6-3 record and opened up the passing game with his rollout style.

As a baseball player, he anchored the infield on some very good teams in 1987 and '88, playing shortstop. Now, he is a fine player at Iona College, having moved over to second base.

Recently, Spilsbury was selected to play at the North-South College

All Star game at Yankee Stadium. A series of rainouts cancelled the game, but it didn't cancel Spilsbury's excellent sophomore season.

Spilsbury guided Iona to a school record 23 victories in 1990. That schedule included two games each against powerful schools such as Oklahoma State, Georgia Tech, Creighton, Wright State, Hawaii and three games each against conference rivals Fordham, Holy Cross, Manhattan and LaSalle.

Spilsbury hit 325, with two homers and 20 RBI's. He stole 13 bases and put together an impressive .492 on base percentage.

Spilsbury led the Gaels in runs scored (41), triples (4), walks (36) and times reaching base (90). He was also the toughest player to strike out, having k'd just six times all season. He also had the best fielding percentage on the team, with a .990 clip.

To add to those impressive numbers, Spilsbury led the team with 20 turned double plays and made only two errors in over 200 chances. He also collected 90 assists.

"He had a super year," current Belleville coach **Nick Grande** said of Spilsbury. "He made the move to

OUTGOING A.D. — Retiring Belleville athletic director **Jim Silvestri** (left), receives a plaque from **Wayne Worley** of the varsity club. Silvestri served as athletic director at Belleville High School for 14 years and was a coach for 10 years.

Belleville and during his playing days at Kearny. He loves the story about the officiating crew at the Belleville-Livingston game in 1980 and the yellow flag that was thrown by "the non relative".

He'll tell you about his high school days at Kearny and his blocking for **Alex Webster**, who later gained fame as a running back and coach for the New York Giants. He loves the story about the Kearny-Montclair game.

"The papers would not predict a score," Silvestri said of that game. "All the article said was 'Montclair will score at will'. Well, we won the

game, 13-8. It just goes to show that the determination and desire of a kid can go a long way. We weren't even supposed to be on the same field as Montclair, but we won."

Even though his official capacity is now completed, Silvestri will remain a very big fan.

"I've been at the high school building since it opened," he said. "It's not that easy just to leave. I'll be at the games and rooting for the kids."

In closing, he used his famous saying, and it is appropriate to end this story.

"See you on the field."

Tenth anniversary nears of BHS's great football season

Has it really been ten years since the Olympic Hockey team stunned the world and won a gold medal at Lake Placid? Has it really been ten years since the Islanders won their first Stanley Cup? Has it really been ten years since the Belleville football team had that memorable year which resulted in an appearance in the state title game?

The answer to all of the above questions is a resounding yes. Here at Belleville, the 1980 football team will be celebrating an anniversary this fall, and the Times would like to help in that celebration.

We could use some help from the fans and hopefully, the players who participated on that team. The format isn't complete, but we're hoping to get some pictures from some of the games and hopefully,

interviews from the players and what they're doing today.

The 1980 football team provided some great memories. The big game at Passaic in week four, the victory over Montclair in the driving rain, the stunners over Marist and Seton Hall Prep, the win over Clark to gain the playoffs and the 14-7 triumph over Morris Knolls in the first round of the playoffs at Giants Stadium.

If you have ideas for the tenth anniversary celebration for the '80 Bucs, write or call Mike Lamberti at the Belleville Times. The address is 800 Bloomfield Avenue, Nutley, N.J. 07110 and the phone number is 759-3200. We're hoping to run the anniversary article sometime in September or early October.

second base in college after playing shortstop in high school and has done very well."

The way Spilsbury is going, he

could end up continuing his baseball career past college when the amateur baseball draft is conducted in a couple of years.

Jeff Spilsbury

RECREATION ROUNDUP

Tennis lessons

The Belleville Recreation Department announces that tennis lessons will be provided free of charge to all Belleville youngsters ages 8 to 16. Tennis lessons will be given at the Belleville Municipal Stadium on Wednesday and Thursday mornings beginning June 27 for 6 weeks (last day: Aug. 2). Participants must wear sneakers and provide own racket and balls. The schedule is as follows: Ages 8-11 - 9 to 10 a.m.; Ages 12-16 - 10 to 11 a.m. Registration will take place at the courts.

Playgrounds open

The Belleville Recreation Department's summer playground program will begin June 25 and will continue through Aug. 10.

The four playground sites are located at School 10, the Municipal Stadium, the Recreation House, and the Friendly House. The special education playground is set up at the Belleville Little League Field.

The playgrounds will be opened daily to all Belleville residents ages 6 through 16 from 9 a.m. to noon and 1-4 p.m. Playgrounds are closed 12 to 1 for lunch and when it rains. A college director will be on hand at each playground to organize games, parties and other activities and an arts and crafts supervisor will travel from site to site.

Tentatively, tennis lessons, "Open Swim" and special tournaments are planned throughout the summer. These programs are all pending the hiring of qualified instructors/supervisors.

Summer "Sports Camps" in 1990 will tentatively be held as follows: Soccer - week of June 26-29 at Stadium; Baseball/Softball - week of July 2 and 23 at Stadium; Basketball - week of July 9 and 30 at Rec. House; Football - week of July 16 and Aug. 6 at Stadium.

These sport camps will be offered free of charge and transportation is not provided. Boys and girls ages 8-11 can attend camps between 9-12 daily, while ages 12-15 can attend afternoon sessions from 1-4 p.m.

Applications for all summer program participants must be completed and signed by a parent. Registration forms are available at the Rec. House office and at all playgrounds.

Soccer & touch football applications

Applications for the Belleville Recreation 1990 Fall Sports programs are now available in the schools and at the Recreation office. Boys and girls ages 7-14 may participate in recreation soccer. Belleville resident children who will be 7 by Dec. 31 and who will be no older than 14 on Dec. 31 are eligible. Nobody above 8th grade can play, and all returning players

must re-apply.

Boys ages 8-10 can play touch football, if they so choose. Belleville boys who will be 8 by Dec. 31 and who will be no older than 10 on Dec. 31 are eligible. All returning players must re-apply.

For both soccer and touch football, all completed applications must be returned to the Recreation Department, 407 Joramelon Street, with birth certificates. The registration deadline for soccer is Aug. 10 and the deadline for touch football is Aug. 31. Children are advised not to register for more than one fall sport since tackle football, soccer and touch football game and practice schedules conflict.

Junior Bucs' football

There will be registration for the Belleville Recreation Department's 1990 Junior Bucs' Tackle Football Program at the Recreation House, 407 Joramelon Street, now through Aug. 10. Boys who will be 8 years old before Sept. 1 and who will not be 14 before Sept. 1 are eligible. Those wishing to play tackle football must weigh a minimum of 60 pounds and a maximum of 130 pounds, and no one above 8th grade can play. Players will be broken down into three teams according to specific age/weight requirements as set by the Suburban Twin County Football League.

To register, players must obtain an application from their school or the recreation department office. All completed applications with parent approval must be brought to the Recreation House by Aug. 10, with two passport size photos of the player and a copy of his birth certificate. All returning players from last year's team must re-apply.

PEE-WEE CHAMPS — From left: Stephanie Fasulo, Jessica Palumbo, Amanda Marquez, Jennifer Sica, Kimberly Dena, Nicole Russell, Tara Martinelli, Brandie Tortorelli, Jessica Laracante, Jessica Tow, Jill Scasera, Gena Figliuzzi, Nicole Cordasco, Julian Smith, Michelle Schmitt and Lisa Cavallo.

Clippers are Pee Wee champs

The Clippers won the Pee-Wee League Championship by defeating the Aces 9-7. The Clippers

played their usual strong defensive game and produced key hits throughout their batting order.

The playoff champs finished their season with a fine record of 9-2.

Tryouts will begin around Aug. 6. Players who choose to participate in tackle football cannot also play soccer or touch football in the same season.

Pre-school registration

The Belleville Recreation Department is now accepting registration for the pre-school play program for 4 year old children. The program consists of games,

stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 9 a.m. to 11 a.m. five days a week with class limited to 25 students. The cost of the 32 week session is \$100. The mothers of the children accepted must participate by serving one duty day about every 8 or 9 days according to a published schedule.

School will begin Sept. 17 under

the leadership of Mary Anne Lopreato, and will run through May 1991.

Children born between October 1985 - September 1986 who will enter kindergarten in September 1991 are eligible. Participants must be Belleville residents. Since there are just a limited number of openings, applications will be accepted on a first come - first served basis only!

For further information and enrollment, contact the Belleville Recreation Department at 450-3422 as soon as possible - Monday-Friday 8:30 a.m. to 4 p.m.

Men's softball results

(through June 14) Three teams now share the lead in the Monday "A" Men's Softball League. Burlew's (7-2) defeated Ritacco Bros. 5-4 and Belleville Construction 14-4. Ritacco Bros. (7-2) edged Printing Techniques 4-3, and Printing Techniques (2-2) won 7-0 over Andros Farms (0-9). Park Ave. Chioprac (4-5) topped Andros 16-13, but fell to (2-7) Belleville Construction 7-6.

Roselli's (11-2) maintains a two game lead in the Tuesday "B" League after outlasting Belleville Political and Social Club in nine innings 4-3. Larry's Park Service (9-4) won two games, beating (3-10) BPCS 10-8 and Five Brothers Carting 9-8. Palmer Video (6-5) topped Roselli's 3-2 and Wallace & Tiernan 13-0. Five Bros. (7-6) also won 11-8 over W & T (1-12).

Megaro clings to a half game lead in the Wednesday "A" League with a 9-4 record after winning 10-7 over the Aces and 3-2 over Michael's Roscommon House.

FUNGUS CREAM STUDY

Patients are needed for a study of a new cream for fungus infections of the groin ("jock itch").

The study will consist of several visits to a dermatologist and application of the cream. At the conclusion of the study volunteers will be paid \$100.
