

'Sewing the seeds of love...'

By Anthony Buccino
The colorful sixteen-panel needlepoint now hanging alongside the altar in Christ Episcopal Church took millions of needlepoint stitches placed one-by-one by loving hands in an earthly token to a heavenly God. The 8x12 panels fill two side walls and represent more than six years of hand-stitching.

The needlepoint reredos began in 1980 with an idea by the Rev. Douglas G. Scott, then rector of the St. Thomas of Canterbury Episcopal Church in Smithtown, Long Island. He thought that the needlepoint could grace a large, high space behind the altar in the church building.

Through various contacts in the church, Scott reached Shirley Luber of Phila., an experienced designer of liturgical canvases. Luber agreed to design the panels and pattern-

ed her work after Japanese Christian artist Sadao Watanabe. Watanabe was known for his simple, angular lines resembling shards of glass, as if in stained glass window panels. Viewing the completed panels is similar to the stained glass effect but the contrast is in the detailed needlepoint stitches.

The Smithtown church purchased the canvases and frames through a generous gift from the Zeitler family and a corps of dedicated needleworkers from the parish began the large scale project.

When Rev. Scott left the Smithtown church, the new pastor did not share his enthusiasm for the project and work on it stopped.

Susan Cutugno, a former St. Thomas parishioner who had worked on the project before moving to

Montville, N.J., heard of the needlepoint's work being stopped. She got permission from the new St. Thomas pastor who said she could have the canvases and the frames, but she'd have to pick them up.

Cutugno rounded up friends and relatives and a very large truck and traveled to Smithtown to retrieve the unfinished artwork. She then brought the project home to the parish in which she had been raised — Christ Episcopal Church, 383 Washington Ave.

The former Belleville resident shared the homecoming with her mother, Marie Drake who embraced the dream and became an ardent champion of the work. The project also received the "full and enthusiastic endorsement" of Christ Church's Vestry and its Rector, The Ven. Frederick Long.

Drake, with the assistance of her daughters Susan Cutugno and Elaine Brown, "picked up the threads" and began the renaissance of the needlework began three years earlier in New York.

There were times in the needlework where her fingers cramped up terribly, Drake said, but she felt the need to continue in spite of the pain. Now she looks at it and remembers every stitch she put into it. Many of the panels were half done, she said, all they had was the pattern and the yarn. And the patient persistence.

Drake and her daughters worked four years on the needlepoint reredos completing it this spring. Then each panel had to be stretched and finally mounted in their wooden frames. This work was funded by gifts given in memory of May Mertz and Frederick L. McCool Sr.

The needlepoint reredos was blessed and dedicated in Christ Church Sept. 30, in a service conducted by Rev. Long and the Rt. Rev. Walter C. Righter, Assisting Bishop of the Diocese of Newark.

The years of work by the 18 needleworkers will be enjoyed for decades by those who visit and worship at Christ Church, in our town.

school and spending several years at odd jobs, he returned to Montclair State College, where he's still pursuing a degree. During an internship program at WPLJ, Howard said he took special notice of Joe, and "took him under my wing."

Howard, on the other hand, is a seasoned professional who has worked on radio for more than 15 years. He got his unconventional start while driving a cab in Manhattan. Realizing that the weather report he had been listening to on WPLJ was less than accurate, he called the station to correct the on-air forecast.

"They told me if I thought I could do a better job, to come on up to the station and give it a shot." Howard's weather reports soon became a feature of the station's morning drive, and Howard recently signed on for another three years with WPLJ.

But both Howard and Joe agreed that there's only one road to certain success, and they urged the students to follow it. "Stay in school, and stay off drugs," they said...in stereo.

NEEDLEPOINT DEDICATION — Years and years of painstaking needlepoint work went into providing the millions of stitches necessary to complete this Needlepoint Reredos which now hangs in Christ Episcopal Church, 393 Washington Ave.

CoC searching for members

A membership drive sponsored by the Belleville Chamber of Commerce is currently underway. The goal is 100% membership for all business professionals announced Frank Marmo, vice president in charge of membership. Marmo stated that membership in the Chamber of Commerce provides ample opportunities for all businessmen and women to share their ideas and concerns as well as make valuable business contacts.

Another vice president, Tom Spillane, cited the Chamber's new discount program as an excellent means of receiving back your full membership dues in discounts alone. He explained that as a member in good standing businesses will

be given discounts on: newspaper advertising; promotional specialties; film processing; exterminating services; and parts and labor off on automobile brakes, just to name a few. These services are performed for Chamber members by other members of the Chamber of Commerce. Spillane noted an additional incentive is a job referral bank being set up to further assist local businesses.

Don't be left out! Get involved with your Chamber of Commerce. Help make Belleville a better place to live; to work; and to shop. Become a member today! For more information, contact the Chamber office at 759-4848.

Elect Tom D'Alessio Essex County Executive

Tom D'Alessio Will Fight To Hold Down Taxes.

"Trying to make ends meet for a family living in Essex County is not an easy job. I know. I've raised a family here and I pay a mortgage. I know the value of a dollar and how property taxes squeeze our family budgets. That's why my number one priority as County Executive will be running a tight county budget and holding down taxes."

Cut Out Unnecessary Programs.

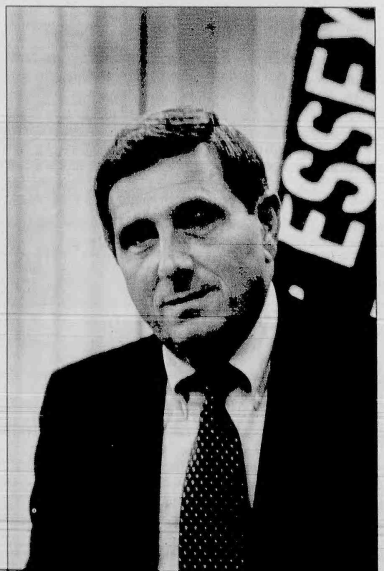

"The most important thing I can do as County Executive to hold down taxes is to run a tight ship. No tricks, no gimmicks. There is only one real way to reduce county taxes and that is to put county government on a diet."

Return Aid To Our Schools.

"We must not let the loss of teacher pension aid drive up property taxes and drive down the quality of education in our suburban communities. I will fight to restore pension aid to all our schools."

He Knows How To Fight For Tax Relief.

"I fought in Trenton as Sheriff for tougher drug laws and for a ban on assault weapons and won. I know how to get things done in Trenton. I will go back as County Executive to fight for property tax relief."

OUR OPINION

Keep kids inside and hide Cheez-Whiz

Vandalism is one of the worst things to have happen to your car. Vandalism is a middle-of-the-night act of cowardice that kicks you in the gut the first thing in the morning. You feel violated, persecuted and worse.

One of the sour traditions in our region of the country has been the wanton rites of vandalism appropriately called Mischief Night. Hoodlums for a night wreak destruction and carnage across town. No car is safe from the rampant night of wilding.

What should be done, but very likely won't, is all shopkeepers should forego their natural impulse to make a buck and refuse to sell eggs to minors for at least two days before the eve of Halloween. Also on that banned list should be shaving cream, whipped cream and Cheez-Whiz — all flavors.

Parents should take special care of where their children are on All Hallows' Eve. Keep them in for a night. The urchins could do homework, study for a big test, or have an old-fashioned chit-chat with their parents.

We all know (hope) that the police are not going to shoot a kid for soaping up a car window, and in the past our men in blue have shown considerable restraint in dealing with these buggars. It shouldn't be a policeman's problem. The police are around to fight crime, not discipline other people's children.

Next Tuesday night, parents should exercise their responsibility as parents and keep their children on a short leash. Otherwise, their kid may run into a car owner with a short fuse.

On the other hand, maybe we'll get lucky and it will rain cats and dogs. Then maybe, by Wednesday night, the little ones will have a glorious evening to parade in their colorful costumes. That's what Halloween is all about, the little kids having fun, that's where parents should impress upon them the friendship of cheerful givers.

Senior tax benefits and warming relief

Nearly one-third of Belleville's 9,000 tax line accounts receive property tax benefits in addition to a homestead rebate.

In these days of belt-tightening throughout every home, it's important for every eligible senior to get every single tax break they can.

At last look, 2,896 of the town's taxpayers received what is called a tax benefit. Under these plans, the town allows the benefit and is reimbursed by the state. Those eligible for the benefit are veterans or surviving spouses of veterans; senior citizens, disabled persons or surviving spouses; 100% disabled veterans or surviving spouses.

Belleville has about 1400 veterans, 265 surviving spouses of veterans; 1100 seniors; 68 disabled, and 63 other eligible tax exemptions.

Seniors who need more information of eligibility for property tax benefits should contact the division of taxation in Trenton.

Another benefit for our seniors who are living out their years in the homes of their choice can be gotten through PSE&G's Low Income Seal-Up. PSE&G will survey homes for its eligible senior customers, and will install up to \$250.00 worth of energy conservation measures in the home. The program is called PSE&G's Low Income Direct Weatherization Program.

PSE&G sends out its own inspector to look over the work that has to be done. They arrange the scheduling of the contractor to do the insulation work, and they send their own inspector to the senior's home to ensure the work was done as required.

If PSE&G is not satisfied with the work done by the contractor, then PSE&G will make arrangements to correct the work. The best part of it for most seniors, aside from the fact that they are not paying directly for the work, is that PSE&G supervises the contractors and the work. The homeowner doesn't have to hassle with anyone. What senior needs to hassle with anyone? Thanks PSE&G for looking after our already-strapped seniors.

Letters Welcome

YOUR OPINION

Salary clarification

To the editor:

We Belleville educators feel that a teacher salary clarification is now necessary. In Mr. Ippolito's letter to the editor, he uses \$47,000 as the base with which to compute a projected salary for the 1992-1993 school year; however, this base salary is a misleading one. Unfortunately, there is always a public fallacy which is created by statements of this nature. The resulting false assumption is that the average salary for Belleville teachers is \$47,000. Because more than 50% of our teachers are at the B.A. level, maybe the base salary used should have been \$30,987, the average salary for that level, a salary which takes FOURTEEN years to attain! However, because it is not this writer's attempt to be misleading or to misinform, maybe the base salary used should have been \$35,781, the average district-wide salary.

Next, let us examine what is necessary in order for someone to earn that elusive \$47,000. This conscientious and well-educated individual would have to work in this district for TWENTY years, would have attained a master's degree, and would have a minimum of 32 graduate credits beyond their M.A. This level designated M.A. plus 32 requires a total of 65-78 or more credits, a coursework equivalency of many doctoral and/or law programs. Furthermore, this advanced schooling would require approximately thirteen semesters or six and a half years of graduate work at a cost of approximately \$100 to \$300 per credit. Finally, prior to the 1987-1988 contract many educators did not receive any compensation whatsoever for this considerable cost!

It is not this writer's intent to negotiate our contracts through the media; therefore, a state and/or county salary comparison will not be given. However, it should be understood that despite the quality education we offer in Belleville, our salaries are not at parity or equal to other county districts in terms of dollars or "common" benefits such as a family dental plan or a prescription plan.

We have a right to negotiate, don't we? We deserve a fair salary and fair benefits, don't we? We do, after all, raise families and pay taxes too! Thank you, Mr. Ippolito, maybe \$47,000 should be the norm, rather than the ideal!

Far greater threat

To the editor:

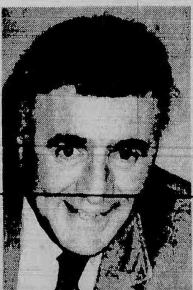

It is sad indeed, and a crying shame — that, during the 1980's, Ronald Reagan, George Bush, and Oliver North and Company, did not recognize the ambitious, brutal ruler of Iraq, Saddam Hussein, as being a far greater threat to the well-being of their Country — than was that little dictator, Daniel Ortega, of Nicaragua.

• THREE and a half months ago, Anthony M. Petaccio, founder and owner of Educational Systems Publications was discovered stabbed to death with a knife in his chest in the parking lot of People's Bank on Washington Avenue, Belleville. A \$15,000 reward is still out there for anyone with information that will help detectives find the killer. Petaccio was a kind and decent individual with no known enemies. SHERIFF TOM D'ALESSIO'S campaign to succeed Nick Amato as Essex County Executive is going very well despite the negative campaign being conducted by his opponent, Michael

Vernotico of Millburn. Vernotico earns his money as a banker. When he accepted the Republican nomination, Ver-

notico said he expected a "blood bath" primary election between Tom D'Alessio and County Executive Nick Amato. The Republican candidate was counting on a contest between D'Alessio and Amato to split the vote, hence he expected to benefit with the division of the Democrat party to pick up votes that might make him a winner.

With the common sense approach of Amato and the resourcefulness of Essex County Democrat Chairman Ray Durkin, a Democrat Primary Election for County Executive was avoided; thus Sheriff Tom D'Alessio became the Democrat County Executive candidate, absent a Primary contest.

Mr. Vernotico is a member of the Millburn Council, which increased the real estate tax levy in 1990 by 26 percent, resulting in a \$352 increase in municipal taxes on the average Millburn home. In the four years he voted for Millburn budgets, the municipal tax increased by 68 percent. His work experience includes a seven-year stint in Saudi Arabia, thus making him somewhat of an expert on the Mideast. His experience apparently better qualifies him for a job in Saudi Arabia — and we need very badly knowledgeable Americans out in that troubled area. D'Alessio on the other hand, has spent his entire life in Essex County and doesn't even care to visit Saudi Arabia, even at the government's expense.

In these financially troubled times, we don't have the luxury of permitting a candidate to receive academic job training after being elected to office. D'Alessio has interfaced with the County Executive's job all of the years in his service as the chief Essex County law enforcement officer.

By and large, D'Alessio's opponent has conducted a negative campaign — and that's normal for a candidate who's trying to replace an incumbent — but it doesn't help educate the voter.

The daily press brings us news about troubles throughout the savings and loan and banking business. Today, banking experience is not much of a recommendation for the job of running Essex County government.

D'Alessio was the first public official to concentrate a direct attack upon the drug problem. The lies about Tom

To the editor:

Our representatives, elected to rule and administer our affairs, mirrors the Soviet Union "B.G." (Before Gorbachev) "You can vote, but only for those predestined."

Two cases in point here. I am told time and time again, to stop dreaming and "face reality." Senator Bill Bradley is "predestined" to be reelected. He has accumulated a \$15 million or so war chest, the cumulative "reward" of contributions by primarily "out of State" benefactors.

But during a recent debate between the Senator and Mrs. Christine Todd Whitman, the Republican candidate for his seat, on the issue of the obscene \$2.8 billion in new taxes, Mrs. Whitman expressed her (negative) opinion on that issue. Sen. Bill Bradley flatly refused to respond to the question, "explaining" that this is a local (New Jersey) issue, and he operates on the Federal level, and for that reason he cannot express his opinion. Did you ever???

Next, we have the municipal Democratic chairman of Nutley, Sheriff Thomas D'Alessio. He became a sheriff's officer in 1970. During the course of a recent interview, he stated regarding his job as Essex County Sheriff, "This is what I love to do. This job has become my life." There is no doubt, anyone enjoying his work, will be better at it than an individual who hates to go to work, doing the same job.

My question is, why should we take his job away from him and make him the Essex County Executive, strictly a managerial and administrative position. He has no experience as such. When you pull the lever, remember what could happen to your Essex County taxes by placing an inexperienced executive in charge, no doubt doing what others (the ones backing his election) will be telling him to do. When Mr. D'Alessio became a sheriff, he completed a high school equivalency program (the dropped out of school at age 16) and earned an Essex County college "associate" degree.

Mr. Michael Vernotico on the other hand is a Princeton University graduate. For six years he was the project manager, supervising construction of an airport in Saudi Arabia. Since 1984 he has been a vice president at National Westminster Bank USA, managing a \$750 million investment portfolio.

If you are free to vote for whoever you feel is the best qualified candidate for Essex County Executive, knowing you will be paying his salary, there should be no question at all. Of course, while we are supposed to be "free," there are some of us, who will virtually be "forced" to vote the "Party line" like in "B.G." And this is exactly how we have been blessed with the \$2.8 billion in new taxes, we will be paying from now on forever, unless we send a "real message" to the Democrats, with their 100 percent voting the party line, mandated by our Governor Jim Florio, by getting rid of a good number of them. July 1st was Governor Florio's day, November 6th will be ours.

Cornelis P. Vander Zwan
Belleville

D'Alessio's public record are already being mailed to voters. For example, his opponent accuses D'Alessio of favoring sales tax increases. That's a lie. His opponent charges D'Alessio with supporting increased income taxes — that's another lie, etc. etc. etc.

• RECENTLY we noted the passing of August Pfefferle. Mr. Pfefferle was the owner of Pfefferle's Upholstery in Nutley for a couple of decades. He was a 65-year resident of Nutley. We knew him well. He was our family upholsterer. Mr. Pfefferle was known for his honesty and unexcelled skills in his profession. He was a gentle, lovable soul. In all his 65 years in Nutley, never was an unkind word uttered about Mr. Pfefferle. He lived a noble life with complete dedication to his family. He enriched the lives of those fortunate to call him friend. He served us professionally, but my wife and I cherished his friendship. May his soul rest in peace.

• ARTHUR REGO's mother called to tell us that she received a telephone call from her Marine son, stationed in Saudi Arabia who briefed her on the trials and tribulations of an American serviceman stationed in an Arabian country. He informed his mother that it was great to read news from home, and equally important is the knowledge that he shares the Nutley Sun with his Marine buddies. I'm happy that we could bring to him a piece of home — even if it is only the Nutley Sun. My wish is for God to keep him safe during his stay in Saudi Arabia, and hopefully, Artie will come home soon.

Fire Dept. visits School 9

The Belleville Fire Department visited School 9 on Friday, Oct. 12. Helping to educate our students during Fire Prevention Week were Captain Andy Depcynk and Captain Bob Caruso.

During the assembly, more than 100 students in grades K-6 eagerly listened and watched the presentation. The audience let out an exclamation of "oohs and aahs" as the fire truck, Engine No. 2, and emergency ambulance pulled into the school yard.

Aboard were Captain Rick Triano, Jack Willie, Victor Melillo, Dave Murnock, Pat

Nufrio and Joe Troise, all from the Belleville Fire Department.

As part of the demonstration, fireman Joe Troise modeled a protective uniform that is used by firemen during a fire. The children toured each truck, while the firemen explained the different types of equipment. The firemen answered all questions.

Before leaving, the firemen invited to students to participate in a poster contest, themed "Make your place safe, hunt for home hazards," which will be judged in December.

Mail from Saudi Arabia

Seventh grade middle school students are anxiously arriving home each day and checking the mail. The reason is that several students have received replies from members of the Armed Forces stationed in Saudi Arabia as part of "Operation Desert Shield."

The middle schools' English teachers, in conjunction with the Star Ledger, participated in a letter-writing campaign to service members who are overseas. The students were given paper and envelopes, but brought in their own stamps, one for sending their letters and one to enclose so that the service man or woman could write a reply. They wrote the letters in English classes under the guidance of the English department. The students updated the service members about things going on here at home, sports scores, weather and personal information about fam-

ilite teams, foods, and more. They also asked questions about the person getting the letter such as age, interests and home town.

The servicemen have responded to the students' questions, quite frankly. After giving some background information about themselves, the servicemen told about their life in the Persian Gulf.

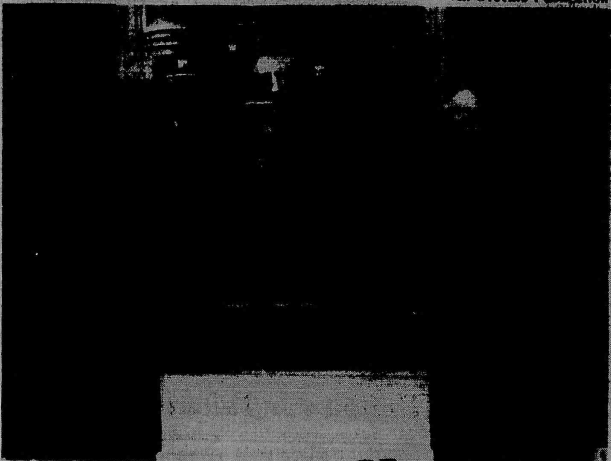

Some of them live in "hooches" (aluminum huts) with air conditioning. They have also commented on the extreme climatic controls. Besides the intense sunlight, temperatures range from 70 degrees to 99 degrees.

Staff Sergeant Jim Rice, a father of two sons from Tennessee, has responded to several students. He states, "Well to answer your questions, I'll begin with this answer. Being sent to Saudia Arabia is no big deal to me, in very minute ways.

Chief John J. Golba of the Newark Police Department, president of the association, released the unanimous endorsement of the 22 municipal police chiefs in the county. Pictured (from left) are East Orange Chief Harry Harman, Irvington Chief Bernard DeLucia, Newark Chief John Golba, Glen Ridge Chief Thomas Dugan, Montclair Captain Thomas Oates, Sheriff Thomas J. D'Alessio, Nutley Captain Paul Moscola, and Nutley Chief Robert Delitta.

Chiefs of Police endorse D'Alessio

The Chiefs of Police Association of Essex County announced this week that they are endorsing Sheriff Thomas J. D'Alessio for Essex County Executive in the November 6 general election.

According to Newark Police Chief John Golba, President of the Chiefs Association, this marked the first time the group, which represents 22 municipalities, has ever endorsed a political candidate.

"The Chiefs of Police throughout Essex County have known and worked closely with Tom D'Alessio for many years. We know firsthand the dedicated leadership he has provided to the law enforcement community. We are confident that he will be an innovative and effective county executive," said Golba.

"Tom D'Alessio knows how to bring agencies together, how to combine our resources and how to provide top quality law enforcement services on a regional basis."

"The Sheriff's Office has been a partner in anti-drug task forces along with the federal DEA, the New Jersey State Police and local police departments," Golba added.

Golba cited the Sheriff's educational programs about drug abuse and child abuse prevention and AIDS awareness that are available to schools throughout the county. He also noted the specialty squads such as the Sheriff's Bomb Squad and K-9 teams that are available to assist all municipal police agencies.

"Tom D'Alessio is an experienced administrator who knows how to provide maximum services with

limited resources. We are confident that he will bring those same management skills to the office of Essex County Executive. I know that I speak for all his law enforcement colleagues who are proud to join together in support of Tom D'Alessio," Golba said.

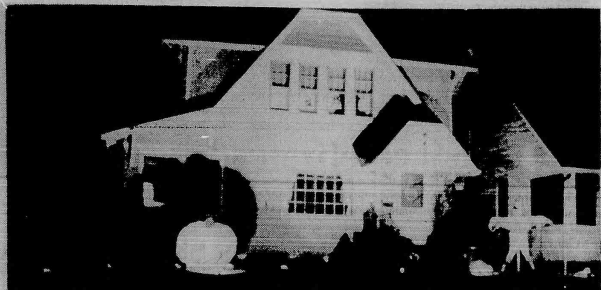

Sheriff D'Alessio said that he was "honored to accept the support of my colleagues in law enforcement."

"If I am elected County Executive, I will work to create a unified approach to law enforcement problems and bring the entire law enforcement community together. I know the problems we face in Essex are great. But I believe that together, we can begin a new era in law enforcement in Essex County."

Summer well spent for science student

By Colleen Coppola

Heather Kane, a senior at Belleville High School, was selected by the Science Tech Center at Liberty State Park for the Partners in Science Program which is under the direction of Dr. Dana Levine, outreach coordinator. This research mentorship program, which was held during the summer months, in cooperation with the New Jersey Academy of Science, offers gifted and motivated students the opportunity to research a particular scientific topic of interest to them. Students from many schools throughout N.J. were nominated for this program by the science department of their respective schools. Kane was one of the 48 students who was selected from a group of 164 applicants. Kane syn-

thesized an organic compound under the direction of Dr. Arthur Greenberg at Cook College in New Brunswick. For eight weeks in July and August, Kane gained experience in utilizing the newest in scientific technologies, writing and presenting scientific papers, and working with experienced professional scientists. She attended skills workshops and seminars and received career and college counseling at Rutgers University. Participation in this program was made possible through the efforts of Bess Efstathiou, Science Supervisor—Grades K-12 in the Belleville School District.

Support for this program was provided by the Junior Women's Club, School 5, School 7, and the High School.

Belleville High School News

The BHS Italian American Club recently got together to kick off this year's activities. According to the officers and members, it's going to be a fun-filled year, and everyone's welcome to join!

Italian Club meets

The first meeting of the Belleville High School Italian Club took place Sept. 20. The 70 members of this year's club wasted no time in preparing an agenda for the fall. President Denise Zecca demonstrated her usual enthusiasm as a veteran club leader, in presenting for approval by the membership, plans for a bake sale at the student talent show Oct. 26, a breakfast on Oct. 17, and a club excursion in November.

Zecca called for another meeting within a week's time and noted that she would continue the tradition of seeing one of school's largest clubs grow more involved with each passing year. Judging by her role as club treasurer last year, the members were confident that Zecca would carry through on her promises.

Joining Zecca as leaders of this year's Italian Club are vice president Lisa Petracca, treasurer Gina Del Guercio, secretary Denise Ferrara, and SGO representative Patricia Ferrara. All officers are club veterans and have worked tirelessly in raising funds for club scholarships and planning club activities. The officers invite all students of Belleville High School to join the club whether they study Italian or not.

Zecca echoed the words of club advisor, Jules Palmieri, and all the members of the club, by wishing everyone "buona fortuna e divertimento per l'anno 1990-1991."

Student tutoring available

By Denise Zecca

This year, the Belleville High School chapter of the National Honor Society will once again sponsor tutoring for any student who needs academic assistance in any discipline. Beginning on Oct.

10, tutoring will be conducted on Mondays and Wednesdays at 2:30 p.m. in room 167. Any student who needs assistance in any subject area should contact his/her guidance counselor to arrange for a tutoring appointment.

Cosmetology students pass NJ Board exam

By Kim Krug

Adrienne Basile, Michelle Festa, Amy Kasmar and Donna Torsello, former Belleville High School students, have successfully passed the New Jersey State Board examination in cosmetology.

To obtain a cosmetology license a student must train for 1,000 hours. Belleville High School offers in the fall a cosmetology program for all interested students, under the guidance of Lucille Cerreto and Sandy Giordano. During the first year, a student studies the rudiments of hair, skin, and nail care. During the second year, a student obtains prac-

tical training in the school's salon. Following this program, a Belleville graduate is fully prepared to take the state examination. Basile, Festa, Kasmar, and Torsello took the state exam on Aug. 20. This exam consists of three sections: a 100-question written test, an oral exam, and a practical demonstration of a candidate's work, such as roller sets, perms, haircuts and much more.

As a result of passing the state exams, the former BHS students are now licensed cosmetologists and are fully qualified to work in the field of cosmetology.

Halloween Talent Show set

By Michael Miele

Belleville High School will host a Halloween Student Talent Show in the Belleville High School Auditorium Oct. 28 at 8 p.m. Mr. Silvera, a math teacher at the Belleville Middle School, will be the master of ceremonies. Various acts on the agenda include singing, dancing,

gymnastics, rock groups, and solo guitarists. Ms. Nazzola will choreograph the show. Students are reminded to bring their ShopRite register receipts in order to participate. Tickets will be \$5 but the cost is reduced to \$3 for anyone coming to the show in full costume.

Mr. Droste teaches math

Belleville Middle School welcomes George Droste to the Mathematics Department. Droste, who resides in Lodi, is a graduate of Suffern High School in New York and the University of Buffalo. He graduated from college with a bachelor of science degree in electrical engineering but returned

to college to earn certification to teach mathematics.

Droste did his student teaching at Northern Highlands Regional High School, Passaic County Technical and Vocational High School, and Lakeland Regional High School in Wanaque.

Clara Maass booklet available

A booklet about Clara Louise Maass, the heroic nurse for whom Clara Maass Medical Center was named, is now available from the Clara Maass Foundation.

The 16-page booklet covers the life and times of Clara Louise Maass—from her childhood, to her years as a nurse, to her participation in Cuba in the yellow fever

inoculation experiments during which she lost her life.

The Clara Louise Maass booklet is offered free of charge by the Clara Maass Foundation. Anyone wishing a copy of the booklet can pick one up at the Medical Center's gift shop in the main lobby or may call (201) 450-2277.

Looking inside a computer

A computer was torn apart "bit-by-bit" in the computer classes of Kathy Partus and Anita Sbarra at Belleville High School on Sept. 20. Fortunately, this was not a destructive process but rather the focus of the presentation, "Inside the Computer," given by Dr. Mary Hesselgrave from AT&T Bell Laboratories.

The students had just recently completed their studies on the

history, development and parts of a computer. Hesselgrave, who is a representative from "Women and Mathematics," reinforced these studies by distributing computer parts such as chips, circuit boards, floppy disk materials and silicon wafers.

The presentation concluded with each student being given the opportunity to help put the components back into the computer.

Rev. Welsh celebrates

The Guild of St. Joseph the Worker is commemorating the Golden Jubilee of the Rev. Msgr. Aloysius J. Welsh with a Mass at St. Peter's Church, at 11 a.m. on Oct. 27, followed by a luncheon reception at 1 p.m. at Town & Campus, West Orange.

The Most Rev. Walter W. Curtis, Bishop of Bridgeport, Connecticut, The Most Rev. J.T. McHugh, Bishop of Camden and The Most Rev. Peter L. Gerety, former Bishop of Archdiocese of Newark will be among those in attendance

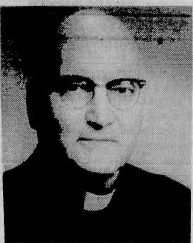

at the Mass, along with many priests, nuns and laity, among them many Union members and leaders.

A native of Belleville, Msgr. Welsh graduated from St. Peter's School there and St. Benedict's Preparatory School, Newark. His college course was pursued at Seton Hall University and Immaculate Conception Seminary, Darlington.

Selected for higher studies in Rome, his Seminary training there was at the North American College, while his Theology course was at the Pontifical Gregorian University in the Eternal City.

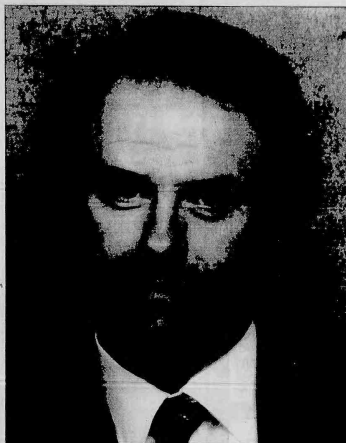

World War II forced a return to the United States. On Dec. 20, 1940, he was ordained a priest for the Archdiocese of Newark at the National Shrine of the Immaculate Conception, Washington, D.C. He obtained his doctorate in Theology from Catholic University of America, also in the nation's capital.

For eighteen years, Msgr. Welsh was resident professor of Moral Theology and Sociology at Newark's Major Archdiocesan Seminary of the Immaculate Conception, Darlington.

Holding the Line on County Taxes

"The challenge of government is to deliver essential services while holding the line on taxes."

"As Vice-President of the Board of Freeholders, my top priority has been to legislate matters of county government, while keeping the interests of our hard pressed taxpayers foremost in my mind."

"From 1987 to 1989—three straight years—there were no county tax increases. Not one dime increase in the tax levy."

"In fact, for the past four years—1987, 1988, 1989 and 1990—when county taxes all across New Jersey were increasing an average of 34%, Essex County's total increase was only 3.5%."

"During my service on the Board of Freeholders, Essex County has had the lowest rate of increase in taxes of any county in the State of New Jersey. My commitment remains firm... to make sure that Essex County government continues to meet the

challenges of the future and hold the line on taxes."

Church to honor longtime pastor

A Mass honoring the Most Reverend Bishop Michael A. Salterelli will be celebrated at Holy Family Church, Nutley, on Oct. 28 at 12:30 p.m.

Bishop Salterelli was appointed Auxiliary Bishop of the Archdiocese of Newark by Pope John Paul II on July 30, 1990. Present Holy Family Pastor, Monsignor Louis Fimiani served as an assistant priest during Bishop Salterelli's ordination.

A 1956 graduate of Seton Hall University, Bishop Salterelli attended Immaculate Conception Seminary and was ordained into the priesthood in 1960 by Archbishop of Newark, Thomas A. Boland. Bishop Salterelli served at Holy Family Church for seventeen years (1960-1977).

The priests and community of faith of Holy Family Church invite all to join in our Mass celebration in honor of Bishop Salterelli on his

Bishop Michael Salterelli

appointment by our Holy Father, Pope John Paul II to the faithful of the Archdiocese of Newark as Auxiliary Bishop.

A reception will follow in the school auditorium.

Rev. Long retirement

On Oct. 23, at 10 a.m., Dr. Frederick Long will celebrate his final service as rector of Christ Episcopal Church, 393 Washington Avenue.

Reverend Long will bring to a close some 32 years of service to the church and the community as he celebrates the 24th anniversary of Christ Church. Aside from serving the church as rector, Long has served as chaplain for the Belleville Fire Department and has been a long-time member of the Belleville Library Board of Trustees. When School 3 was destroyed by fire in 1975, Long immediately offered the use of the church buildings for classes. Long and his wife, Virginia, will be retiring to Florida.

Also on the 28th, John Markoe will play his last service as the organist for Christ Church, a posi-

tion he has held for more than 50 years. When the new church was built in 1957, the organ for the church was built and installed by Markoe.

The public is invited to attend this service and to join with the congregation for coffee afterward, to bid farewell to these two faithful servants.

CMMC names director

Kerri Johnston of Montclair has been appointed director of Professional Services at Clara Maass Medical Center.

Johnston joined the Medical Center in 1987 as Community Relations Coordinator. Most recently, she was managing director of Healthcare Evaluation.

As director of Professional Services, she is responsible for the departments of Radiology, Laboratory, Social Service, Medical Records, Rehabilitation Medicine, Non-Invasive Cardiology, Respiratory Services, and the Domestic Violence Shelter.

Johnston earned her bachelor of science degree in business administration from the University of Scranton in Pennsylvania, and her masters in health service administration from George Washington University, Washington, D.C.

She is a member of the Society for Healthcare Planning and Marketing, and the American Society for Healthcare Marketing and Public Relations.

EASIER TO STOMACH
Most people who experience mild forms of stomach upset control their levels of stomach acid by taking a traditional over-the-counter antacid. These with more severe problems with stomach-acid buildup often turn to the prescription medications called H₂ antagonists, or famotidine. These medications belong to a group known as H₂-receptor blockers, which have proven to be quite effective. Now, however, a new drug for stomach-acid suppression has come onto the market which is so effective that the FDA recommends its use only in cases of severe esophagitis or gastritis.

PREZPROSE works by stimulating the enzyme which is responsible for pumping acid particles (hydrogen ions) into the stomach. A single dose can wipe out acid secretions for 24 hours until the body can synthesize a new supply of enzyme.

A complete selection of prescription and over-the-counter medications is always available at **ROSSMORE PHARMACY**, 338 Washington Ave., 758-1968, 758-1956. We are Blue Cross and Medicare approved. Free prescription delivery provided. See us, too, for gift items, baby needs, cosmetics and toiletries. Open 9am - 10pm daily, 9am - 6pm Sundays. Protect your Halloween Trick or Treaters by having an adult accompany them and being sure they wear light colored costumes or ones with reflecting tape.

NOTE: Because a certain level of stomach acid must be maintained to defend against bacteria in food, the dosage of **PREZPROSE** must be carefully monitored.

A "reel happy" guy

Sandy Renda, veteran entertainer, musician, songwriter and music teacher from Belleville is a very happy guy these days! Besides the fact that his new Warner Brothers guitar instruction book has been on the international market, he is delighted that his long time colleague and friend Walt Gollender has once again uncovered a 1950s TV film clip in which he had a featured part. This time, young Sandy Renda appeared in a Phil Silvers "Bilko" show entitled "Chuckles Ernie," dealing with an Indian theme.

The entire family and lots of Renda's many friends have been dropping by his home and music studio to watch his show on video. Sandy is also more than proud to throw several other key tapes on his VCR, all miraculously discovered by Gollender through his "never fail" world searches.

Bearing happily as his friends watch his appearances on a rare 1957 Jackie Gleason "Honey-mooners" one-hour show, Renda is quick to point out that he also did a host of 1950s TV commercials, but these are too hard to locate, even for Gollender, unless the guys can come up with actual products and dates.

Besides the national TV shows like "Omnibus," "Studio One," "Playhouse 90," and "Naked City," Sandy, then 10 years of age, also was the star of a Catholic charities film entitled "Gift of A Name" which was recently reclaimed from the Catholic Mission's vaults in Washington, D.C., truly a miracle!

Renda and his music group "The Wanderers," have been entertaining audiences for many years. So, we can say that Renda has been a star of stage, screen and TV since a youngster.

And if all this show biz activity were not enough, Renda has been spending oceans of time in various local recording studios, either arranging songs for performers, playing guitar and bass, or supervising many sessions. From time to time, he has been asked to lend his mellow, but powerful baritone to lead or background tracks. Sandy is waiting for the release of several new records that he has been instrumental in producing, arranging and coordinating for top area talent.

Walt Gollender, veteran talent promoter and producer from Irvington, is anxiously awaiting the release of several new records of artists that he has discovered and are being produced by world famous song writer, Irwin Levine, who is responsible for having co-written all the super gold hits of Tony Orlando and Dawn, Levine, holder of nine gold records, is another top music personage from the Garden State.

Walt Gollender gives the high sign as the Renda Family joins in to celebrate the Bilko Show "discovery," featuring young Sandy Renda in 1958. Shown from left are Gollender, Santo Renda Jr., Lisa Marie and Sandy himself.

Attending Monday's swearing-in of Michael Chertoff, U.S. Attorney, were Alde Cotlis, a principal Chertoff booster, Chertoff, and Frank Orechio, publisher of this newspaper. Thirteen federal court justices appointed Chertoff to the highest Justice Department office in the State of New Jersey. It is expected that Chertoff will receive permanent appointment to the post by President George Bush. In his acceptance speech, Chertoff vowed "equal justice for all."

Hood said that the other three proposed constables were renewals. Listed in addition to Carr were Richard Goldrich of Forest St., Gérard A. Ceraso of Division Ave., and Lorenzo Marchese of DeWitt Ave.

The resolution approved no more than 21 constable appointments, a one-year term beginning Nov. 1, and a \$50.00 annual fee.

Council appointed seven members to the Historic Preservation Commission. Named to the group were Joseph B. Grosch, 5 Nollon St., 4-years; Joseph N. Hatch, 98 Hill St., 4-years; Bernard E.

O'Connor, 116 Belleville Ave., 3-years; Margaret A. Marren, 725 Joralemon St., 3-years; John Caruso, 53 Mt. Pleasant Ave., 2-years; Isabel Wittlinger, 16 Rutgers St., 2-years; and Lawrence Walsh, 85 Franklin St., 1-year.

Postal hints offered for 'Desert Shield'

Kenneth Benaquista, manager of the Belleville Carrier Annex (Belleville/Nutley delivery areas) offers some helpful hints for Americans mailing parcels or packages to military personnel deployed to Operation Desert Shield.

• Following these guidelines, "your packages will get there promptly and efficiently."

• Use a sturdy carton, large enough to accommodate the contents.

• Use some form of cushioning to protect the articles inside.

• Seal the parcel securely and use pressure-sensitive tape. Avoid using brown wrapping paper, cord or string on the outside.

• Print the service member's

name and address on the lower right portion of the package on one side only. It should include the service member's name, rank and service number, military organization or unit and the APOFPO address, which should be available from that service member's base in the United States.

• Put your return address in the upper left hand corner of the package. Also, include your return address on a piece of paper on the inside of the package.

"Remember the hot temperatures and heat of the Saudi Arabian climate when considering what to send to the troops there," Benaquista said.

"Temperatures in the desert exceed 100 degrees regularly."

Scouts' food drive opens Nov. 10

The Essex Council of the Boy Scouts will conduct a "Scouting for Food" drive Nov. 10 and Nov. 17 with scouts in all 23 municipalities of Essex County collecting bags of canned goods to feed the hungry.

Bags will be distributed to homes in the area on Nov. 10 and filled bags will be collected Nov. 17. Laura Trimmings of East Orange, principal of Vernon D. Davey Junior High School in East Orange, has been named chairperson of the drive.

The Essex Council of the Boy Scouts serves about 21,000 boys and girls in varied programs that include scouting, exploring and special programs for the handicapped.

While the Belleville Times always appreciates the submission of photos for its social pages, we reserve the right to determine if they are suitable to be printed. Fuzzy, out-of-focus, too dark or too light pictures will not be used.

MEDICALLY SPEAKING

HOARSENESS

- Q: What is hoarseness?
A: Hoarseness is an alteration in the normal production of the voice by the vocal cords.
- Q: What are the causes of hoarseness?
A: Most cases are caused by infection (laryngitis). Some others are related to voice abuse, environmental exposure, or smoking, which can cause vocal cord nodules and polyps.
- Q: Who should have an examination by a throat specialist?
A: Anyone who has hoarseness persisting for two weeks.
- Q: Have there been recent advances in the diagnosis of hoarseness?
A: Yes. With the FLEXIBLE FIBEROPTIC LARYNGOSCOPE, a complete examination of the voice box can be done in the office without discomfort.
- Q: What if I need surgery?
A: Surgery can be done under general anesthesia on an outpatient (same day) basis. All removed tissue is sent for a biopsy study. Modern techniques such as the OPERATING-MICROSCOPE and, in indicated cases, LASER, allow accurate and precise surgery. Recovery is rapid with patients able to resume most activities the next day.

Mr. and Mrs. Peter Scheuplein

Patricia Palmara bride of Peter J. Scheuplein

Patricia Palmara, daughter of Mr. and Mrs. Frank Palmara, became the bride June 3 of Peter Joseph Scheuplein, son of Mr. and Mrs. Peter W. Scheuplein of Belleville.

Rev. Carey performed the ceremony in Star of the Sea Church, Lake Hopatcong. A reception followed at Perona Farm, Andover.

Escorted by her father, the bride wore a gown fashioned with lace sleeves and lace trimmed train. A pearl headpiece held her veil and she carried silk spring flowers.

Barbara Lafr of Andover was maid of honor. Bridesmaids included the groom's sisters, Marianne Ross and Joanne Scheuplein.

They were attired in sea foam green silk gowns, wore flowers in their hair and carried spring bouquets.

Paul W. Scheuplein of Belleville served as his brother's best man. Ushering were Paul Ross of Bloomfield and Michael and Mark Richardella of Belleville.

Mrs. Palmara chose a gray chiffon gown accented with beads and pearls. She had a rose corsage. The groom's mother was in a pink Schiffl lace gown with a beaded bodice.

Mrs. Scheuplein, a graduate of Jefferson High School, is assistant bookkeeper at Supermarket General Pathmark.

Mr. Scheuplein, an alumnus of Belleville High School and Ramapo College, is a customer service manager at Supermarket General Pathmark.

The couple honeymooned in Aruba and St. Maarten and have made their home in Mt. Olive.

Teens, seniors join forces in Grandparents' program

Clara Maass Continuing Care Center residents and Clara Maass Medical Center teen volunteers recently "discovered" each other when they participated in the Grandparent program at Clara Maass Medical Center.

The Clara Maass Volunteer Department created the Grandparent program to clarify for teenagers the stereotypes about the elderly and nursing homes. "Through the program, the teen volunteers discover articulate, loving, giving, humorous elderly people who, by virtue of illness, disability or age are no longer able to live on their own."

"I really like the program," said Mrs. Bergeron, a resident of the long term care facility. "It's fun," said teen volunteer Sahar Samala. "It's great. I really enjoy being in the program," she added.

Seniors benefit from the regular consistent visits of the teen volunteers who have time to listen to their

stories. The program provides a link to a different generation for the teen volunteers. It makes for a happy time for all and gives the long term care residents something to look forward to.

Teens who expressed an interest in the one-to-one commitment attended a one hour class preparation for the experience. Together with Marlene French, managing director of Volunteer Service at the medical center, the teens explored the facts and fallacies about aging. "The experience has been gratifying for young and old," said Mrs. French. "The program makes the teens feel important and enhances their self-image and brightens the day of many of the long term care residents."

There is always a need for teen and adult volunteers at Clara Maass. To become a volunteer at Clara Maass Medical Center, call the volunteer office at 450-2150.

Belleville Times SPORTS

BUC SHOTS

By Mike Lamberti

I'm not going to get into a long dissertation about the pros of living in Belleville. However, last weekend was one of those weekends that I quite proud to be a member of this township. It's not that I normally don't enjoy living in Belleville, but there was something special about last weekend.

I started with the Belleville football game at Paramus last Saturday afternoon. Throughout the years, covering football has always been an enjoyable experience, because the players have been a pleasure to deal with and the coaching staff has always been professional.

However, this season has been extra special. Our township is represented by some tremendous young men and women athletes who wear the Blue and Gold of Belleville High School.

This group of football players has a tremendous desire to win, especially the senior contingent. However, they deal with defeat in a classy style and when they do win, they do it with a level of professionalism symbolic of its head coach, John Senesky.

Well, last Saturday, the Bucs played at Paramus and this game turned out to be one of the most exciting contests in the history of Belleville football. It was two 1-3 clubs playing each other and a playoff berth wasn't on the line. But the Bucs and Paramus played it like a state championship was on tap for the winner and neither team would give an inch.

Belleville came back to win, 19-18, rallying from an 18-7 fourth quarter deficit. The Bucs did it despite the fact that two touchdowns were called back on the eventual game-winning drive. That could have totally discouraged most players, it didn't for this group of Bucs.

There were so many stories inside the major story of the Buc win. There was Art Caruso, showing his senior leadership and never panicking despite the situation. There was Carmen Spina, who caught the winning TD pass in a mass of players, then had the ability to find the end zone, without stepping out of bounds.

There was Carl Harris, who chased the Paramus quarterback all over the field and played his best varsity game to date. There was John Alvarado, a sophomore who was inserted into the game as quarterback for a 4th and 30 situation with a little over a minute left to play in the game.

Alvarado's assignment was easy. Just complete a 30 yard pass with a blurring defense in your face. And, by the way, he has thrown two passes all season long.

No problem, said Alvarado, who stepped into the pocket and drilled a 30 yard pass (exactly 30 yards folks) to Jim DuHaime, who when not playing tight end could audition for most soap operas after his whacky game last Saturday. And, to make matters more interesting, Alvarado, the sophomore in his first key situation as a quarterback, didn't even know it was fourth down when he threw the pass. (You can't make this stuff up).

There was DuHaime, who appeared to have caught the winning TD pass just before Alvarado's jam, only to have the official rule that he trapped the ball. So, after the play was called incomplete and the Bucs were tacked an additional 15 yards for having the nerve to be emotional on such an unimportant play, DuHaime became the recipient of Alvarado's pass.

After DuHaime caught the ball, he fumbled, (the official ruled it a forward lateral), Caruso picked up the loose ball and ran into the end zone. The official said no TD and placed the ball at the chain then took what seemed to be two years to determine if the ball was good enough for a first down.

You can go on and on. J.V. Faliveno was marvelous on both sides of the ball. Ditto for Mike Citarella and Jim Mastropalo, Hector Daniluk and Scott Mayers. Jason Nardachone caught his first TD pass. Billy Prosperi continues to play well at split end. Ryan Wells played despite an injury and did very well. Sean Kimball was totally exhausted at the end of the game, having played so well on both offense and defense. Anthony-Papaniolo continues to do a very steady job at center.

The Belleville fans also lenteds its support, very vocally, to the Belleville effort. They really backed their team and made the game that much more exciting.

The cheerleaders stood by the fence, asking me after each down if we could hold on and win this game after Spina's score. Paramus got the ball back with :49 left and it seemed like an eternity before the final gun sounded. This game was truly, as Yogi once said, not over until it was over.

After the game, the Belleville contingent drove down the Garden State Parkway in seven buses. The cheerleaders yelled and the band played and it was like the Bucs were the number one team in the state. As far as I'm concerned, they are.

At the high school after the game, cheerleading co-captain Michelle Pizzi said to me, "you'll have a lot to write about this week." That, Michelle, is an understatement.

This game was a classic. There might not be another one for five years, or it may be next week. That's what is fun about covering these games. You never know what will happen.

Most of the coaches in the high school all say the same thing about this years group of athletes. Every coach is having a great time coaching this year. We have a super group of athletes. They might not win every game on the scoreboard, but in the game of life, they'll always be winners.

LAST SUNDAY, the Sam Giuffrida Memorial Run was held at Belleville High School. During the five mile race, an unfortunate incident occurred, when a runner collapsed after the race and went into cardiac arrest.

Immediately, four Belleville firemen who were in the race were at the scene, along with Dr. Frank Noonan, Bruce Morgan and a nurse named Jill Booth. The quick action of the group, along with the Belleville Police who were at the race prevented a real tragedy.

The firemen who responded so quickly and with such professionalism are Jimmy Caponi, Gary Johnson, Vincent Abbott and George Puddalino. Most of those guys are Belleville High School grads. I remember Caponi as a hard nosed football player for the 1984 Bucs. Today, he serves our township in a life saving role.

It was the total commitment of the people of our township and the quick way in which they responded that deserves special mention.

The race itself was very successful. If Sam Giuffrida could have talked to us after the race, he would have been proud of the turnout and the fine people who represent Belleville. Especially noteworthy was the turnout of rowers that competed for Giuffrida throughout the years. Michael O'Connor and Mike Davis, Hall of Fame rowers from that great '76 boat, were both key contributors to the success of the race.

Caruso pass with :55 left beats Paramus, 19-18

Bucs win on miracle finish

By Mike Lamberti
There have been some memorable football games at Belleville High School throughout the years. The '82 game with Passaic comes to mind right away. Ditto for the '79 Seton Hall contest and the '80 game with Morris Knolls in the state playoffs.

However, it will be difficult to match the game played last Saturday at Paramus High School for pure excitement. The Belleville Bucs beat Paramus, 19-18 in a game every bit as thrilling as the final score would indicate.

John Senesky's team will take a 2-3 record into Morris Knolls this Saturday. Game time is 1:30 p.m. from Morris Knolls. The Bucs will have their hands full as M.K. is 5-0, the defending Group IV, Section II champs and a team loaded with speed.

"This was a great victory for our team," an emotionally spent Senesky said after the final gun. "For our kids to overcome so many odds near the end of the game and win, it's just incredible. I can't remember the last time a Belleville team came back from an 11 point deficit and won."

The last time Belleville trailed by 11 points or more in a game and came back to win was in 1977, Senesky's first year as head coach.

In a game against Essex Catholic, Belleville came back from 12-0 and 18-6 deficits to beat the Eagles, 26-18. Frank Pizzi led the Belleville attack in that game with three rushing touchdowns.

This time, it was two Art Caruso touchdowns passes in the fourth quarter that wiped out an 18-7 Paramus lead. The go-ahead touchdown pass went to Carmen Spina with just :55 left in the game. The pass culminated a see-saw ride of emotions for the Bucs and their

fans, who saw no less than two touchdowns called back by the officials in that eventual scoring series.

The winning drive started when Jim DuHaime, who would be in the center of some unbelievable action later in the series, recovered a fumble at the Paramus 35.

Spina picked up one yard and Caruso passed to DuHaime for nine yards and a first down at the 25. A five yard penalty against the Bucs moved the ball back to the 30, and after an incomplete pass, Belleville faced a third and 15 situation.

Caruso took the snap, rolled out to his right and threw to DuHaime, who was open in the end zone. DuHaime dove for the ball and

appeared to make a beautiful catch. The official on the play, however, ruled the pass incomplete with no hesitation.

"I don't know if he (the official) had the best of angles," Senesky said. "I thought he had it."

So did the Belleville players, coaches, fans and DuHaime himself, who lay on the field in disbelief.

ief. To compound matters, the officials flagged the Bucs for unsportsmanlike conduct, a 15 yard infraction that moved the ball to the Paramus 45.

The situation was simple enough, but almost impossible to fulfill. The Bucs had a fourth and

Harriers running hard against tough opponents

The Belleville cross country team is running hard with a very young team in the competitive NNJIL.

John Tosato's team has raced in nine meets. Currently, there are eight runners, with two on the disabled list.

The Bucs raced in the league championships last Tuesday. Tomorrow, the team takes on Barringer at Branch Brook Park, commencing at 4 p.m. Next Tuesday, the Bucs run at West Essex and next Friday, it's back to Branch Brook Park, this time for the county championships.

"I'm really encouraged by these kids," Tosato said last week. "We've got a very young team, but the kids are improving steadily and are enjoying themselves."

Senior Brian Doyle leads the way for Belleville. His best time, thus far was a 20:10 for a 3.1 mile course. That performance came in the Essex Catholic Invitational.

Doyle also ran a 20:41 in the Teaneck race.

Freshman David Luongo has a

personal best of 22:33 for a 3.1 mile race so far this season. That performance came in the Bloomfield race, when he placed fifth overall.

Another freshman, Roger Hanos, ran a 23:57 in both the Hackensack and Paramus Catholic races.

Freshman Sung-Bok Lee's best time so far this season is 24:27, that coming in the Nutley race.

Sophomore Huy Bui ran 24:45 against Teaneck and he continues to improve with each race.

Tosato is also encouraged by the performance of yet another freshman, Anthony LaRocca. So far, his best time is 24:58 (in the Nutley race).

Senior Joe Lozano is injured right now and has only ran in a few races. Freshman Sandip Desai has a knee injury that will probably keep him out for the remainder of this season.

Sophomore Robert Montalvo is showing steady improvement and should be a key runner for future teams.

Lady Buc gymnasts stopped by Mounties, face Clark next

The Belleville gymnastics team dropped an NNJIL match to Montclair, 90.9 to 68.25 last week. The defeat dropped the team record to 1-5.

The Lady Bucs competed in the NNJIL championships last Tuesday. Tomorrow, the girls are at Clark in a 4 p.m. match. The final match of the 1990 campaign will be on November 5, at Kearney.

Montclair, who was favored to win the NNJIL championships last Tuesday, had too many guns for the young Belleville squad.

"They were real strong," head coach Gina Lemongello said. "I was happy with our score. We'd like to hit the 70 point mark by the end of the season."

Belleville didn't place in any of the four events, but received some good performances nonetheless.

In the vaulting exercise, Lori

Aiello led Belleville with a 6.8. Also competing in the event were Kim Piscatowski (6.45), Danielle Groeling (6.35) and Venessa Rodriguez (6.05).

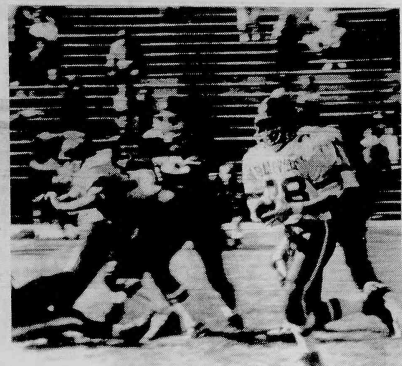

Groeling led Belleville in the uneven parallel bars, with a good score of 5.85. Dawn Simonetti had a 4.7, Renee Coppola tallied a 4.6 and Jennifer Kastner finished with a 3.45.

Belleville's team score in the uneven parallel bars was its best for a dual match so far this season.

In the balance beam, Coppola led Belleville with a 5.5. Nancy Matthews finished at 5.25, Denise Wujciak scored a 5.1 and Cristina Ferrera finished at 4.5.

The floor exercise saw MaryAnne Ferrera lead the way for Belleville with a 6.4. Wujciak scored 5.85, Cristina Ferrera 5.4 and Aiello, 5.15.

Bucs break through, win two conference games

By Mike Lamberti

After weeks of frustration, the Belleville soccer team finally got it together, beating Teaneck 4-2 and Paramus Catholic 2-1 in NNJIL action.

Gino DePinto's club took a 4-9 record into a game with Nutley last Tuesday. This afternoon, the Bucs are home to Don Bosco in a 4 p.m. start from Clearman Field. On Saturday, Belleville is host to Hawthorn in an 11 a.m. kickoff, also from Clearman. Next Monday, the regular season comes to an end with a game against Paramus. That contest kicks off at 3:30 and will be at Clearman Field.

"This was an enjoyable week," DePinto said. "The kids finally got a few goals and we were able to turn them into victories."

Versus Teaneck, Belleville played a solid game. The Bucs never trailed, although the Highwaymen did tie the game at one and then two.

However, the Bucs wouldn't be denied, as Greg Groeling scored the go-ahead goal in the third quarter and Franco Vitello wrapped up the contest with a penalty kick. Belleville's first penalty score in three years.

Groeling scored twice in the game, including the first of the game. Steven Vogel also scored for the Bucs.

Richard Preto assisted on both

Groeling goals and Enzo Vian picked up an assist on Vogel's tally. Rocco Constantino played most of the game in goal for the Bucs. Preto finished up the final five minutes in the nets.

Against Paramus Catholic, Preto scored both goals to lead the Belleville attack. His first tally, off an assist from Groeling, gave the Bucs a 1-0 lead.

P.C. tied the game at one and it stayed that way until midway through the fourth quarter, when Preto scored his second goal unassisted for the win.

Constantino played the entire game in goal for the Bucs. Emanuel Arujo, who also plays goalie, was used in the Belleville midfield as DePinto worked with a small varsity lineup. The coach was without the services of injured forward Frank Crocco.

DePinto was hoping that Crocco would be back sometime this week.

In J.V. action, the Bucs won two games, beating Teaneck 2-1 and Paramus Catholic 1-0. Versus Teaneck, Diego Peredes and Jeff Vogel scored for the Bucs. The goalkeeper was Michael Percio.

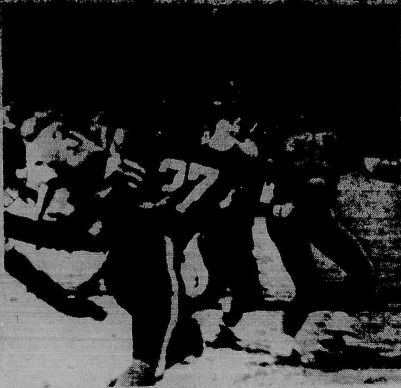

In the P.C. game, Percio picked up a shutout and the Bucs only goal came from Nicolai Castro.

The two wins boosted the JV record to a very good 4-4-2.

DuHaime, Alvarado lead Bucs past Paramus, visit MK on Sat.

(continued from page 13)

30. To make matters even more interesting, Senesky inserted John Alvarado, a sophomore who has excelled on specialty teams and on defense, into the quarterback position.

"John is a little taller than Arty and has a good arm," Senesky said. "We felt he could get it downfield quicker."

Caruso stayed in the game, playing split end, a position he played a good deal last season. The ball was snapped to Alvarado, who was lined up in a shot gun formation. The sophomore scooped up the low snap, then was rushed as he looked downfield. He spotted DuHaime and hit the senior tight with a beautiful pass. DuHaime hauled the pass in at the 15, then appeared to fumble. The loose ball was picked up by Caruso, who was trailing the play and Caruso went in with what appeared to be another Belleville score.

Once again, the officials said no, but this time gave Belleville the yardage it earned on DuHaime's catch. The reception was just good enough for the first down, as the ball just eluded the stretched chains.

The score was negated because the official ruled that DuHaime's fumble was a forward lateral, which of course is not allowed.

Alvarado's pass had a touch of Hollywood attached to it. The sophomore, who is loaded with talent, had no idea that it was fourth down when he came in to take that one snap.

"I didn't know until I went back to the sideline after the play," Alvarado said afterward.

With new life, a first and 10 at the Paramus 15, Caruso wasted no time. Back in at quarterback, he rolled out after taking the snap and passed to Spina in traffic, at the one yard line. Spina caught the ball, then bulldozed over for the go-ahead tally. He just barely stayed in bounds as he went into the end zone.

The Belleville stands exploded with joy and this time, there was no penalty flag on the play. The Bucs attempted a two point conversion, but the attempt failed.

Paramus tried one last gasp with three long bombs, but the Belleville defense was more than ready this time.

The game started rather innocently. The Bucs won the opening kickoff and moved downfield impressively. Starting from its own 38, Belleville used the ground game well. Spina picked up 25 yards on three carries and Caruso passed six yards to Bill Properi. Bill Salvatore gained 12 yards to the Paramus 11 and a penalty on Paramus moved the ball to the 8.

From there, Caruso hit Properi with a sixyard pass and then Caruso finished the drive with a two yard keeper. Mike Kimball hit the point after conversion and Belleville led 7-0.

The Buc defense came out fired up and harassed the Paramus passers. Carl Harris applied excellent

pressure on the quarterback, as did DuHaime and sophomore Mike Citarella. Also playing well on defense was Hector Daniluk and J.V. Faliveno, both of whom are juniors.

However, Paramus got its offense in order and scored twice before halftime, the second score coming on a "Hail Mary" pass just before the half, and took a 12-7 lead into the intermission.

The lead increased to 18-7 late in the third quarter on another sustained drive and things appeared bleak, as the Bergen County team, coached by former Nutley mentor Pete LaBarberia, had the momentum and the home crowd on its side.

But early in the fourth quarter, following the final Paramus score, Belleville came to life. After the Paramus kickoff, Belleville came through with a solid offensive attack. Spina returned the kickoff to the Paramus 48 and the running game, paced by Spina, Sean Kimball, Salvatore and Ryan Wells went to work.

The runners moved it to the Paramus 15 and then Caruso went to the air, hitting Jason Nardach one with a touchdown pass. The TD cut the lead to 18-13 and set the stage for the late game heroics.

"This is one of the best games we've ever had here," assistant coach Joe D'Ambola said afterward. "We came back against a good team, one that was really up to play us."

As for DuHaime, who ended up with a sensational day on both sides of the ball, he was candid in discussing his "catch" in the end zone.

"I had it," he said. "I know I caught it. Fortunately, we won the game."

Now, Belleville will take its new found momentum into Morris Knolls this weekend.

"They are a team with excellent discipline," Senesky said. "They have tremendous speed and are very well coached."

Morris Knolls has run the veer offense for the past decade, with excellent success. The team is led by veteran coach Bill Regan, Jr., who was the M.K. coach when Belleville and Morris Knolls last met, back in the 1980 playoffs at Giants Stadium. In that contest, the Bucs won 14-7.

NOTES: The news wasn't all good for Belleville after the Paramus game, however. Daniluk, the teams fine defensive end, suffered a broken thumb and he will be out for the rest of the year.

The Bucs are hoping to have the services of Rich Ferruggia this weekend. The senior center, who suffered a cracked bone in his shoulder after the Hackensack game in week one, is hopeful for this weekends contest.

Bucs are now 2-2 in the Pacific Division of the NNJHL. This weeks game, of course, is a non conference game. After Morris Knolls, Belleville will be at Teaneck. The team then comes home for the final two games with Don Bosco and Nutley.

First Sam Giuffrida Memorial

(continued from page 1)

Moore continued, "and, of course, I have to thank the Belleville Police, who did a magnificent job in setting up the course and providing so much assistance. I'd also like to thank Michael O'Connor for his work with the sound system. Gus Leming was such a big help in getting us access to the school, and of course, Superintendent of Schools Michael Nardiello was also very cooperative."

"I'd also like to thank my husband, Ed, for his tireless effort. So many people helped to celebrate the kind of man Sam was. I think it was time to have a different type of memorial to what Sam lived for."

There were to races, a one mile health run and a five mile run. Some runners, including Buckaneer football player Jim DuHaime, ran in both races.

Another man who ran in both races was Mario Bastos, who won both races. His one mile time was 5:25 and the five mile performance was a very impressive 27:46.

Steven Vogel of Belleville was second in the mile run with a time of 6:30.6. Ted Rajnes, also from Belleville, was third in the mile at 6:56.8.

Kristen Iwanski was the first female to cross the line in the mile run. Her time was 7:45. Andrea Mendez was second in 8:04 and BettyAnn Cozzarelli placed third at 8:34.

In the five mile run, Bastos, as

mentioned was first. Gary Peters placed second (28:30) and Jose Pais finished third (28:35).

The first woman across in the five mile run was Roberta Anthes in a very strong 29:28. Susan Pash finished second (33:23) and Maggie Taggart was third (35:45).

Among special mention was the performance of Sam Giuffrida, Sr., the father of the late school teacher whom the race is in memory of Sam Giuffrida Sr., earned a medal for his performance in the one mile run.

Michael Giuffrida, the son of Sam Giuffrida, Jr., ran the five mile race. Sam's wife, Carol and daughter, Carolyn were on hand for this very special day.

"We're very excited about next year's race already," Leming said. "I had talked to a lady who is handicapped a day after the race. She said it was one of the best courses she had run in a long time. She complimented our police for making her feel safe and confident that the traffic wouldn't be a problem in the race. She has a hearing handicap and it's so important for her to know that there aren't any obstacles in the race."

The top finishers in the age categories, starting with the one mile.

10 AND UNDER BOYS AND GIRLS: Jonathon Ball (7:05), Rogelio Mendez (8:36), Jim Cozzarelli (9:23). Top female runner in this age group was Lauren Pignatello (10:06).

Peter Rubas chosen for St. Benedict's Hall of Fame

Peter Rubas of Belleville, a St. Benedict's Prep Class of '54 graduate, is one of 11 alumni who will be inducted into the St. Benedict's Prep Hall of Fame.

Rubas starred in several sports at St. Benedict's, earning eight varsity letters in football, baseball, basketball and track. He was named All-Metropolitan in football, and All-County and All-State Prep and Parochial in baseball. He also made the All-State Prep track team in 1952.

At Upsala, he lettered in football, basketball and track. He was leading rusher in 1958 and made the All-collegiate conference

baseball team.

Rubas is a social studies teacher at East Side, Newark, and recreation director at Ann Street School. He is also an assistant football coach at Seton Hall Prep.

He and his wife, Theresa, have a son, Michael, now attending and playing football at Muhlenberg College.

The St. Benedict's Prep Hall of Fame dinner will be held Nov. 14 at Mayfair Farms in West Orange, beginning with a cocktail reception at 6:30 p.m. Reservations at \$50 a person may be made at the school's alumni office 643-4800, ext. 410.

RECREATION ROUNDUP

Applications for Recreation Wrestling are now available at the Belleville Recreation Department at 407 Jorammon Street between 8:30-12 and 1-4, Monday-Friday. The Belleville Recreation Wrestling Program introduces boys, ages 6-14, to the fundamentals of the sport. Basic techniques, moves and strategy are taught to beginners as well as to the more advanced wrestlers. In competition, the boys are matched up against opponents of the same weight class.

Recreation wrestling will be conducted on Monday, Tuesday and Thursday evenings from 6-8 p.m. in the high school cafeteria, beginning Nov. 12. Ages 6-8 are given basic instructions from 6-7 p.m., while the 9-14 year olds are prepared for league competition between 6-8 p.m.

Boys can register for the activity by completing an application at the recreation office before participating. Birth certificates are required for all applicants, who must be Belleville residents and cannot be above eighth grade. For further information call 450-3422.

Basketball leagues for grades 3-8

The Belleville Recreation Department is forming basketball leagues for children in grades 3-8 and applications are now available at the recreation office.

In preparation for the leagues, basketball clinics will be conducted at the middle school boys' gym. Boys' clinics will be held on Nov. 19 and 26 as follows: Grades 3-4 from 6-7 p.m.; grades 5-6 from 7-8 p.m.; and grades 7-8 from 8-9 p.m. Girls' clinics will be held on Nov. 20 & 27, at the same time listed.

Interested players should pick up application forms at the Recreation House, 407 Jorammon Street, and return them with birth certificates before participating. The registration deadline for the basketball leagues is Nov. 30.

Football officials needed

The Belleville Recreation Department is presently seeking adults to work as officials for its Touch Football program. The Touch Football League plays its games on Saturday mornings, 9 a.m.-12 noon, at the Little League Field beginning Sept. 22. Qualified applicants need only be familiar with football rules - no formal certification or training is required. If interested, please call the Recreation office at 450-3422 for more information.

Basketball officials needed

The Belleville Recreation Department is seeking adult men/women to officiate games in its Junior Basketball Leagues for children ages 8-14. No formal training or officiating experience is necessary, however, a knowledge of basketball rules is desirable. This paid position would be ideal for college students, as games are played on weeknights and Saturdays. If interested, call 450-3422 for more information.

Scorekeepers needed

The Belleville Recreation Department is presently seeking boys and girls age 16 or older to work as scorekeepers/timers in its basketball leagues. The leagues play their games on weeknights and Saturdays at the Middle School. Workers will be paid a minimum of \$5 per game. If interested, call the recreation office at 450-3422.

Basketball coaches needed

The Belleville Recreation Department is presently seeking adults to volunteer as coaches in its Junior Basketball Leagues for boys and girls. Games are played on weeknights and Saturdays. If interested, call the recreation office at 450-3422.

League directors needed

The Belleville Recreation Department is in need of two adults to coordinate and supervise its Youth Basketball clinics and leagues for boys and girls. Beginning in November, these activities take place on weeknights and Saturdays at the Middle School and at other locations, to be announced. Please call the Recreation office at 450-3422 if interested.

The recreation department is also seeking one adult man to serve as league director for its Men's Basketball leagues. The part-time position entails supervision of league games/personnel, assigning referees to specific games and writing press releases. Any interested must reside in Belleville and be available on Wednesday and Thursday nights. Qualified applicants must be sports-minded, responsible and must work well with people. This position would also be good experience for a college student majoring in recreation/physical education. For further information or to apply, contact the Recreation

Department at 450-3422.

Fall/Winter programs

The Belleville Department of Recreation & Cultural Affairs has announced its November and December schedule of Fall/Winter programs, which has something for everyone.

Wrestling for boys ages 6-14 will start on Nov. 12 at the high school cafeteria. Ages 6-8 will meet from 6-

An Orechio Publication

7 p.m. while ages 9-14 will meet from 6-8 p.m. Wrestling is conducted on Mondays, Tuesdays and Thursdays, and participants must pre-register by completing an application at the Recreation office.

Both the Men's and Women's Volleyball League are scheduled to begin on Nov. 13. Men's volleyball league will be from 6-10 p.m. on Tuesdays at the Friendly House. Women's volleyball league will run from 6:15-9:45 p.m. on Tuesdays at

Thursday, October 25, 1990

No. 3 School. There will also be a Men's League on Thursday at the Friendly House.

The Men's Over 30 Basketball League is slated to begin on Nov. 14, and will play on Wednesday evenings at the Middle School, 7-9 p.m. The Men's Basketball League will play Thursdays 6:45-9:45 p.m. at the Middle School, beginning Nov. 15. Adults who would like to play in the Men's & Women's volleyball or basketball leagues could call the Recreation office to put their names on the waiting list.

Belleville Times—17

The Junior Basketball Clinics will begin on Nov. 19 and 20 at the Middle School - Boys' Gym. Grades 5-6 will meet at 6 p.m.; grades 5-6 at 7 p.m.; and grades 7-8 at 8 p.m. If there is sufficient interest, league play will be scheduled to begin in December or January on week nights and/or Saturdays. Interested participants should register by completing an application before participating in the clinics. Monday clinics are for boys; Tuesday clinics are for girls. The registration deadline is Nov. 30.

**IF IT'S DIRTY
IT'S DANGEROUS!**

If you have used your chimney for at least two seasons,
without having it cleaned, it probably has first stage
creosote buildup.

DON'T LET IT GET WORSE!

Every year, thousands of fires are caused by dirty chimneys with
creosote buildup. Be safe and have it cleaned and inspected now!

We also install Chimney Caps and do Minor Repairs.

Our high-powered vacuum is the latest in technology. It is so powerful
that it virtually eliminates the dirt and fuss associated with cleaning a
chimney.

DON'T TAKE CHANCES! A CLEAN CHIMNEY IS A SAFE CHIMNEY.

We also professionally clean Carpet and Furniture!

NOVENA TO ST JUDE
This novena has never been known to fail. This novena must be said for 9 consecutive days. Publication cannot be promised. O holy St. Jude, Apostle and Martyr, great in stature and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depths of my heart and humbly beg your good power to come to my assistance. Help me in my present arduous petition. In return I promise to make your name known and call you to be invoked. St. Jude, pray for us all who invoke your aid. Amen. Say 3 Our Father, 3 Hail Mary and 3 Glorias.

Prayer of Application to the Holy Spirit

Holy Spirit who solve all problems, who light all roads so I can attain my goal. You who give me the Divine gift to forgive and to forget all evil against me and that in all instances of my life you are with me. I want this short prayer to thank you for all things and to continue once again that I never want to be separated from you, even in spite of all material losses I wish to be with you in eternal Glory. Thank you for your mercy toward me and mine. The person must say this prayer for 3 consecutive days. After 3 days the favor will be granted even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials should appear at the bottom. AM

Halloween alert: carved pumpkins are very perishable, but they'll last a little longer if you spray them with household disinfectant.

When a room looks too big, you can make it more comfortable by creating "mini-rooms" within the larger space. Use special lighting fixtures and effects to separate areas without the closed-in feeling that comes with hard-wall construction.

Silicone spray is the lubricant of choice for many around-the-house applications. Use it to keep hinges and door and window latches working smoothly. Apply sparingly and work parts back and forth.

Don't let rubber gloves come in contact with silver while you're polishing; they can mark or tarnish the metal. Wear an old sock — even a gardening glove — on bare hands or over thin rubber gloves.

Median home prices have risen during the past year in every region of the country, really sources report. Nationally, the median price rose from \$91,900 in March '89 to \$96,100 in March of this year.

Before prices rise any more, get yourself a home of your own. We'll help you find the right one at Century 21 Stanford Agency, 86 Union Ave., Nutley. 235-9000.
