TRICK OR TREAT! A crew of costumed characters gathered in front of a frighteningly festive home Halloween night. (More photo coverage on page 9).

Engineers fired over road paving dispute

By Joyce M. Steel
Neglia Engineering, the firm used by the township for more than three years, was fired recently by the Planning Board effective Jan. 1, and the council may soon follow suit.

The state last week approved a municipal aid grant in the amount of \$162,200 for a repaving project on Joramelon Street, but town officials haven't hired Neglia, or any other engineering firm, to design the plans. The town has three years to submit plans, gain approval from the state and begin the work, or the funds will be rescinded.

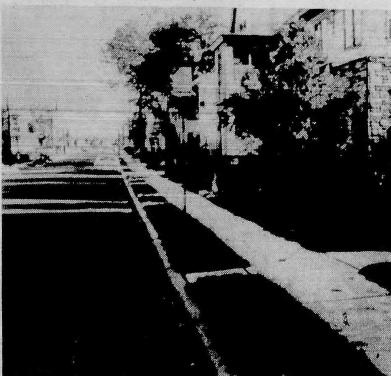

Planning Board Chairman Joseph Doyle called the ongoing dispute between the council, Neglia, and Mateus Construction, the

South River firm responsible for street and sidewalk repaving on Overlook and Wallace Streets, "a definite motivating factor" for the action.

"Neglia provided the planners

firms in place as the old regime on any level. We are looking for the most competitive firms to save the taxpayers money."

At Drozd's inquiry, Mateus replaced several concrete hand-

LOOKING OVER the workmanship on Overlook Avenue, one of two streets that received a paving and overhaul from Mateus Construction. The results were called into question recently by council members.

BPD 'DAREs' kids to say no to drugs

By Joyce M. Steel
The Belleville Police Department is about to take on a big challenge — educating students on drug abuse and how to "Just Say No."

Detective Sgt. Joseph Rotonda was recently trained as a D.A.R.E. (Drug Abuse Resistance Education) instructor at the Bergen County Police Academy, and plans are underway for him to begin a pilot D.A.R.E. program at School No. 7 in early December.

D.A.R.E. originated in Los Angeles, Ca. in 1983. The police department hoped to "get to the kids before the pushers did," and, according to Rotonda, the program was so successful that New Jersey forces began using it in 1983. It involves a number of different strategies, including role-playing, audio and visual materials, group discussions and question-answer sessions.

Rotonda said the students will spend at least two class sessions viewing actual samples of different drugs and paraphernalia, "so they know what they're up against," and receiving information on their effects. Other subjects on the agenda include self-esteem, peer pressure and even child abuse and safety. A box will be set up in the back of each classroom to facilitate anonymous questions, which will be addressed at the following meeting.

"Unfortunately, drugs and drug use have been glamorized by the

media and television," Rotonda said, acknowledging that some parts of the program are quite hard-hitting. "Now it's our job to de-glamorize it."

Rotonda said the pilot program will be offered to the four sixth-grade classes at School No. 7 one day per week, as part of their curriculum, for 17 weeks. Most districts use the program differently, paying a visit to each classroom once or twice a year.

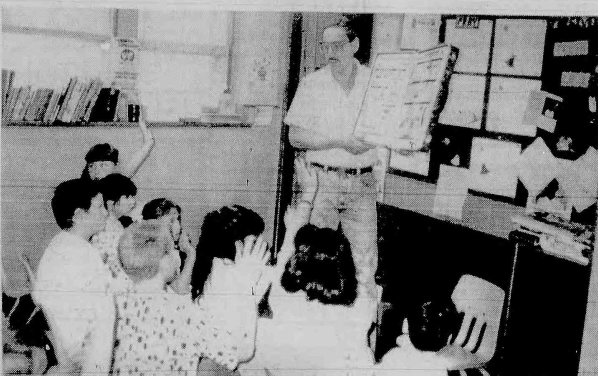

"We wanted to establish a relationship with these kids," Rotonda said of the schedule. "We didn't want it to be a one-shot deal." He called the program a group effort, because it's running in conjunction with "Here's Looking At You 2,000," a districtwide anti-drug program, and Belleville High School's BASE and PEP groups are pitching in.

The program is being funded, for

the most part, by donations. The Junior Women's Club donated "DARE Bears," stuffed bears for use in educating, and sometimes entertaining, the students. In addition, a percentage of fines levied against drug-law violators goes to fund education programs like D.A.R.E., as well as enforcement.

Rotonda said he came up with

(continued on page 3)

A "DARE-ing" guy... Belleville Detective Sgt. Joseph Rotonda, who recently completed training in drug education, will begin the district's first DARE program next month.

Billed an extravagant event, Veteran's Day parade is set

The Belleville Veterans' Council has announced the lineup for this year's parade extravaganza, to be held this Sunday afternoon.

For the first year in its history, the parade will be led by the Belleville Police Dept. Color Guard. A total of eight separate divisions, made up of eight bands, more than forty marching units and various floats and vehicles, will be escorted by Grand Marshal Michael Marrotti.

The reviewing stand dignitaries include Belleville Mayor Marina Perna, Nutley Mayor John Kelly, Senator Carmen Orechio, Assemblywoman Marion Crecco, Belleville's six councilmen, Father Holmes of St. Peter's Church and Angelo Benidite, chairman of the BVC.

The first division will consist of

the BPD Color Guard, the Belleville High School Marching Band, the grand marshal and dignitaries, Armvets Post No. 26 and Italian American Post No. 7.

The second division will feature the Fort Monmouth 38th Band, along with six vehicles from the East Orange Armory, 50th Armored Division support command. The third division will follow with the Weekway High School Marching Band, VFW and auxiliary units from Belleville and Nutley, the VFW district commander and the National Guard's Picatinny Arsenal float.

Five American Legion units and two AL auxiliaries will march in the fourth division, accompanied by the Saddle Brook Fire Dept. Band. Denville and Kearny will supply

both legionnaires and auxiliary members, while Nutley will be represented by members of Post No. 70, and Belleville by Posts 105 and 299.

The remaining divisions are slated to include the New York Transit Police, Orange High School and Son of Shellagh Marching Bands, the Crimson Kings Drum and Bugle Corps, the Knights of Columbus, Belleville Girl Scouts, Brownies, Boy Scouts, Cub Scouts and Recreation Dept. twirlers and representatives from the Essex County Sheriff's Dept., Police and Mounted Police.

The parade will kick off at noon at the American Legion, Washington Avenue in Belleville. It will wind through town and end up at Town Hall.

The flood tunnel plan controversy continues

By Joyce M. Steel

Although the Passaic River Flood Tunnel Plan, with an extension to Newark Bay, was passed more than a month ago in Congressional action, the state has yet to give its approval, and opponents of the plan are worried that an absence of funding will prompt the passage of a shorter, cheaper tunnel, emptying into the river at the Nutley/Clifton border.

Crecco to introduce bill for tunnel alternative

Assemblywoman Marion Crecco (R-Essex) said that she is drafting legislation which would direct the Department of Environmental Protection to study potentially less costly and ecologically less disruptive alternatives to the construction of a flood tunnel in the Passaic River basin.

"Since Congress insists on rushing its approval of a billion dollar spending project, and proposed buy-out provisions of homes currently affected by the severe floods in the Wayne area are not being considered, then it's important to determine what other more cost effective solutions are available," said Crecco.

The Passaic River Coalition, one of the plan's most vocal opponents, met recently with members of the Department of Environmental Protection in an attempt to urge studies into the environmental impact of the Newark Bay plan, as well as further research into a buyout of flood-prone homes.

Ella Filippone, chairwoman of the PRC, said recently that, although Congress approved the tunnel with the stipulation that it end at Newark Bay and involve no flood walls or levees along the riverbanks, there are no guarantees those measures will be feasible.

"There have been no studies done to indicate that walls, dikes and levees won't be necessary to protect our environment." Some PRC members have also expressed worry that, should the state exhaust its funds before the project is complete, adjustments will be made mid-construction to establish the outlet at Nutley/Clifton.

An informational packet mailed recently to the Belleville Times by the Army Corps of Engineers, the agency which designed and recommended the Nutley/Clifton outlet tunnel plan, indicates that it may still be lobbying for support of the original draft on the state level.

In explaining the inlet/outlet system, the fliers state that the tunnel outlet "will be located along the west bank of the Passaic River above its confluence with the Third River in Nutley." It went on to explain that the Newark Bay outlet plan was studied and determined feasible, but would "make the Flood Protection Project more expensive."

The Army Corps also contends the flood tunnel project will create more than 2,000 jobs, alleviate the

possibility of hundreds of millions of dollars in property destruction due to floods and protect wetlands in the northern New Jersey area. However, proponents of the buyout plan say it would do the same thing. While the PRC claims the tunnel bill, at an estimated \$1.2 billion, is much higher than a possible buyout, the Army Corps said a buyout would eventually cost more.

Teachers ratify

The Belleville Education Association Tuesday night ratified the tentative settlement reached between its negotiators and the school board Oct. 25. The contract passed by a vote of 228-66.

The Board of Education must still vote on the package, which reportedly gives teachers a blanket percentage raise of eight percent in 1990-91, and seven percent, with an additional two percent in February, for 1991-92 and 1992-93. Official reports of salary, benefit and working condition agreements have not been released, and neither side is willing to discuss the pact until the board passes the measure.

Board of Education members were not available at press time, so it is unknown whether or not the matter will appear on the board's next meeting agenda Nov. 12.

Golden Comments

By Jim Golden

Speaking before the annual semi- or management conference of the New Jersey Council of Savings Institutions State Banking Commissioner Jeff Connor leveled a spirited attack on the nation's chief federal regulator of savings and loan associations Timothy Ryan, director of the Office of Thrift Supervision (OTS) in Washington, as a bureaucrat out to expand his regulatory empire at the expense of the dual banking system of state and federally chartered financial institutions.

Connor told his audience of state-chartered savings bankers, "Your industry is under siege by one man who is out to redefine the concept of bureaucratic longevity, he has woven a web of public and political information crafted to play on the already raw nerves and paranoid fears of the public and our Congress."

Declaring that what is involved is "a 500-pound gorilla of an issue," Connor charged Ryan, the relatively new head of the OTS, with "launching a campaign to label state-chartered savings banks 'hybrid threats' operating in an unsafe and unsound manner."

"It defies common sense," Connor said, "for OTS to label a 150-year-old savings bank industry such as New Jersey's, one which is vastly better capitalized than the federally chartered S&L industry for which OTS is responsible, as some sort of 'loophole' created to avoid a law which is only one year old."

The law referred to by Connor is the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA), which Ryan has told Congress he wants amended to prevent New Jersey — and 17 other states with state-chartered S&Ls, if healthy and well-capitalized, to convert themselves into state-chartered savings banks. A bill to this effect, strongly backed by Connor, is moving through the state Legislature.

"Well, this is one state banking commissioner who is sure to publicly say that we cannot let Mr. Ryan have his way," Connor said. "Timothy should not be permitted to float his top-heavy bureaucracy on the back of even one viable New Jersey state-chartered institution."

"Our state's sovereignty over its state-chartered financial system cannot be placed in jeopardy because of one man's desire to protect a bloated federal fiefdom."

Our constitutional system of representative government shall not be threatened by an attempt to centralize government power away from the people and into the padded walls of a Washington bureaucracy."

Connor denied OTS charges that permitting charter changes that thrusts would lead to junk bond investing, avoidance of thrift commitment to housing, mortgage investment, relaxing of loan-to-one-borrower limitations, and increasing direct investment in housing development projects.

In New Jersey, the commissioner said, thrifts as well as commercial banks regulated by the state are restricted on size of loans as against their assets. Savings banks don't own junk bonds, and never have, and they observe a 60 percent requirement of mortgages as part of assets in order to obtain tax advantages, he said. They may not place more than 3 percent of assets in direct investing.

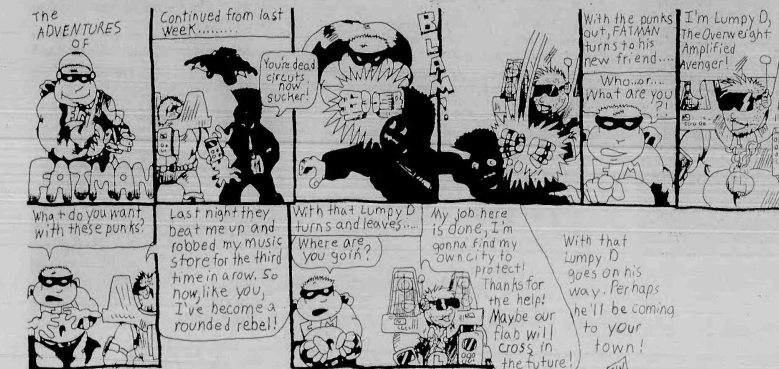

"The motivation for an S&L in New Jersey to flip to a savings bank is not to gain runaway powers," he said. "The real motivation is simply to escape a third layer of overzealous re-regulation which itself threatens safety and soundness by draining institutions of much needed capital through outrageous assessments."

The three expensive and duplicative layers imposed on state-chartered S&Ls are in the form of examinations by the OTS, the state Banking Department and the Federal Deposit Insurance Corp., Connor said.

As a result, a \$2 billion-asset S&L which pays the state about \$96,000 a year for examinations, also has to pay the OTS \$449,000 for the same service. This in addition to insurance fees paid to the FDIC which cover examination costs.

CCB elections

The membership of the Concerned Citizens of Belleville, Inc. will elect the new slate of officers for calendar year 1991. Joseph Celio, the president of C.C.B. urges all members to attend this meeting, which will be held on Nov. 15, starting at 8 p.m. at the Elks Club Building, 254 Washington Avenue. The nominating committee will present their slate to the membership for a vote. In addition, nominations may be made from the floor.

Clara Maass employees learn to be more

Clara Maass Medical Center's new "Learn More, Be More" program has witnessed an overwhelming response from employees seeking to improve their reading, writing and communication skills. Approximately 100 employees have signed up to take part, more than doubling original projections.

"I'm thrilled with the great response," said training and developing coordinator Laurie Roemmele.

"People are living the value of the program and realize they have the opportunity to take classes for their own improvement and development right here at the Medical Center."

"Learn More, Be More" classes are taught by educators from Union County College and are free to all Clara Maass employees. The program gives students the opportunity to pursue personal goals in small classes with individualized attention.

"People hope this program will be a stepping stone for something bigger," Roemmele explains. "Every person has a personal goal. My goal is to help them achieve those goals."

Better reading, comprehension, writing and English speaking are among the goals cited by employees.

Many are also hoping to use the experience as an opportunity to work towards a high school equivalency diploma or a college degree.

"Learn More, Be More" is a team effort as evidenced by the cooperation of managers and supervisors who let their staff members take classes during normal work hours. Students are paid their regular hourly rates for classes that meet during their scheduled shifts. This type of teamwork only adds to the program's success. According to Roemmele, "It's been exciting to see the support of the management staff. That's been a major factor in the overwhelming response so far."

The program received a funding grant from the N.J. Dept. of Education, Division of Adult Education, resulting in the addition of new programs. They include: math and computer literacy and a high school diploma preparation course.

"The program has been enthusiastically received by our employees, and as a result Clara Maass has become not only a place of employment, but a learning institution," said Robert Curtis, president and CEO of Clara Maass.

Pictured are Laurie Roemmele, training and development coordinator at Clara Maass Medical Center with Union County College educators Joanne LaPerla (center) and Hanna Praport.

BHS grad makes the team

Paul Santinelli Jr., son of Paul and Antonia Santinelli, of Belleville, was assigned to the Sudbury Wolves of the California Senior Hockey Association on Oct. 19.

Santinelli, a senior at Emerson College in Boston, is currently residing in Los Angeles, Cal., finishing his bachelor's degree on the Emerson-funded program. He is expected to return to Boston in the winter to complete his studies and his hockey career at Emerson. Last year, Santinelli tallied a total of 17 points and led the Lions in penalty minutes with 143.

The Wolves have moved up a Division, facing more competition this year, Santinelli was noticed at a

power skating clinic in North Hollywood by team members. The Wolves are currently 0-1 and are striving for improvement.

"I was flattered when asked to play for the Wolves. I don't know what to expect, but I'm sure it will be a learning experience," Santinelli said. Ed Reid, first line center for the Wolves said, "I think we've found the missing link. Paul will surely be a key asset to this squad."

Santinelli, a 1987 graduate of Belleville High School, has stated his return to California in the spring and is said to be playing the remainder of the 1990-91 season with the Wolves.

Church sponsors day of song

Youth Challenge International from Sunbury, Pa. will be presenting the New Born Singers at the Belleville Assembly of God, located at 174 Holmes St. Sunday, Nov. 11, at 10:45 a.m. This representative musical team is comprised of students from a special missionary training school near Sunbury, Pa.

The Singers will be sharing about this specialized educational community and sharing contemporary gospel music, personal accounts of their experience with God and deliverance from life-impairing problems like drugs, alcohol, and childhood traumas and teenage rebellion. Ninety percent of the student body are from life-impaired life styles, and 62 percent are from minority backgrounds. The Singers will be talking about the school, the national drug problem and sharing contemporary gospel music. The students will be sharing their faith in God and deliverance from drug and alcohol abuse, childhood trauma and teenage rebellion.

Youth Challenge International was founded by the Rev. David

Wilkinson, author of the 17-million-copy best seller, "The Cross and the Switchblade."

Pastor Anthony Di Quattro will be introducing the New Born Singers. For more information call 759-2527 or 667-6483.

Parents invited to school

The administration and staff of Belleville Middle School cordially invite the parents of Belleville Middle School students to visit the school during American Education week which is Nov. 12-16.

Appointments may be made for Nov. 13, 14, or 15 between the hours of 9:30 a.m. and 11:30 a.m. Call 450-3532.

These days are set aside for parents to become acquainted with

Belleville Middle School. Parents may follow a portion of their child's daily schedule. They will visit the actual classes in session and become aware of the specific course objectives.

One of the goals of this week is to strengthen parental involvement and foster good teacher-parent interaction. A good turnout is anticipated.

(continued from page 1)

street, and more than two dozen trees were slated to be removed and replaced as part of the renovations, but Mateus was not involved in that phase.

New anti-drug program to start

(continued from page 1)

the notion of introducing D.A.R.E., on a probationary basis, to the Belleville schools, and Chief George Lister and the Board of Education approved it. Along with encouraging students to say no to drugs, Rotonda hopes to instill a sense of trust in them for police officers.

"We want to establish that the police are their friends, and we're here to help them whenever they have a problem."

The construction firm was required to put forth a performance bond before starting the job. The town keeps that money as insurance for two years following completion, and should faults in the workmanship arise during that time, Mateus would have to repair or replace the damaged areas. In addition, two percent of the total bill is held back by the town until the work is done as an added safeguard.

"I should think that is enough of an insurance policy that the work will be done up to standard," Sutherland said. However, Dronz said the construction firm would have to resubmit its voucher for payment, and prove the job has been done to the specifications, before the council will remit any monies. The voucher is expected to appear on tonight's payment of bills list at the council meeting.

OUR OPINION

THOUGHT FOR THE DAY

It is hard: to forget, to apologize, to save money, to be unselfish, to avoid mistakes, to keep out of a rut, to begin all over again, to make the best of all things, to keep your temper at all times, to think first and act afterwards, to maintain a high standard, to keep on keeping on, to shoulder the blame, to be charitable, to admit error, to take advice, to forgive. But it pays!

And nothing but the truth...

This week could figure big in the future of Belleville's new government. Bertrand Kendall, an established and experienced manager formerly employed in Montclair and Ridgewood, is bringing his talents here.

While we want to extend our welcome and best wishes to Mr. Kendall, we also want to put forth some tough questions, and elicit some answers.

Mr. Kendall's predecessor, interim manager Charles Burns, instituted a policy not too long ago forbidding anyone who works for the town to comment, positively or negatively, to the press. Not because we received erroneous information, and not because we printed anything biased or untrue. But because we knew of and wrote about a situation unfamiliar to him. Subsequently, he was asked about it and drew a blank. He was embarrassed.

Officials in Belleville cringe when they hear the policy referred to as a "gag-rule," but no one has been able to offer up a more suitable term. For all intents and purposes, it requires all information about the town to be issued through the manager's office. But no one can know all the details of every fact that makes up municipal government. If that were the case, taxpayers would need to pay only one person's salary. So even after silencing the rest of Town Hall, Mr. Burns was still caught off-guard on several occasions, and had to grant permission for more informed people within the specific departments to answer questions.

The problem with this policy lies inherently in perception. Perhaps, as Mayor Marina Perna has stated in its defense, the policy's purpose is to ensure that the right information gets to the public. But the truth is more often found by sifting through many different sources and accounts than by complacently taking one person's word for it. And whatever the truth may be regarding this policy, it is being perceived as an attempt to control what the people of Belleville know about their local government.

Ms. Perna, being an attorney, must realize two basic principles here: The rule abridges freedom of speech and freedom of the press, both of which are guaranteed by the very constitutional law she has sworn to uphold, and hearsay is never considered credible.

We appeal to Mr. Kendall now to repeal this order and usher in a sense of openness with his administration. Taxpayers deserve to know the good and the bad, not watered-down, second-hand reports from someone who is almost always removed from the circumstances and would rarely be able to offer an eyewitness account to any news event.

Of course any responsible news organization always seeks confirmation of its news reports before printing or broadcasting them. That is this paper's policy, and it means confirming a story with at least three independent sources before including it. One of those sources is bound to be the town manager in a majority of circumstances. We want to ensure the truth gets to the taxpayers, too, but we don't want it to be one man's truth as he understands or interprets it.

It's a pretty safe bet that the majority of people who participated in the referendum to abolish our past commission, as well as the vote to establish our relatively new mayor and council, did so because they were dissatisfied in one way or another. Even the mayor and council themselves must have had a vision of a better Belleville.

One of the most desirable qualities in local government — or any government, for that matter — is accountability. If you are elected by the people, and pledge to do a job, be accountable for your actions in trying to carry out that pledge. If you are appointed to a position within the government, be accountable to the people who are paying your salary.

It's really quite simple: The people of Belleville know there are problems at Town Hall, and they know the time has come to stop casting blame. No one expects a group of people with little or no government experience to waltz in like gangbusters and make the troubles that have accumulated over years disappear. What they do expect is honesty, forthrightness and an effort to live up to the responsibility with which they've entrusted the new regime.

We deserve that much.

YOUR OPINION

Columbus Day

To the editor:

On behalf of the Parade Committee, I would like to thank Mr. Oregio for his kind editorial remarks relating to what was our Eighth Annual Belleville-Nutley Columbus Day Parade. As was evident in the parade itself, much hard work went into the planning, coordination and fund-raising aspects of what has become a tremendous annual event for our two towns, all of Essex County and beyond.

Further, I agree with all who say that our parade has become the finest parade in this area, for we don't bulk it up with unnecessary vehicles or stall it to extend the overall time that it takes to complete. 'What you see is what you get,' and it is no accident that our celebration of the great Italian explorer Christopher Columbus is first class and balanced from beginning to end.

In the parade, Grand Marshal Frank Vincent and all of the dignitaries looked great and were most welcome. In addition, our local high school bands were outstanding, as were all of the fifteen bands that participated. Adding to the festivities, were a dozen floats, many boy and girl scout organizations, civic groups and heritage clubs, such as the Nutley Italian American Civic Association and the Belleville-Nutley Italian Fiorente Society and their Ladies Auxiliaries, and several local UNICO chapters, as well as representatives from UNICO National. The Knights of Columbus Fourth Degree members in full regalia certainly added to the respect of the occasion.

Also, there were fire trucks from Nutley and Belleville and rescue squad vehicles. There were many, many young people and adults, alike, marching proudly in a variety of different marching units. There were representatives from the military, from all levels of government and there were clowns, balloons, flags, and vendors, which brought smiles to all. In total, over 1,500 participants and more than 50 assorted antique and other vehicles were part of this magnificent display of pride and affection.

Special thanks to the Nutley and Belleville municipal governments and boards of education for their cooperation, to Nutley Mayor John Kelly and the Nutley Savings Bank for their warm hospitality, and to all who helped to make this day the great day that it was.

Bob Rusignuolo
General Chairman

Give credit where it's due

To the editor:

This letter is written to thank Assistant Supervisor of Public Works, Township of Belleville, Mr. James Soldo, and his hard-working crew for removing a badly damaged tree from my property.

Too often Belleville Township officials receive only criticism. I believe in giving credit where credit is due and so I thank Mr. Soldo.

Mrs. N.F. Todish

Still struggling...

To the editor:

I would like to express my thanks to the Belleville Times and Ms. Joyce Steel for her article concerning my plight. Everyone who read it considered the story to be fair and honest. As for me, I'm still struggling to make an honest living, which I gather isn't allowed. Since I lost my original location, my business continues to falter and I will have to give up by the end of the year. Unless some miracle occurs, my loss of income will not allow me to service the public. It's a shame when a person cannot sell hot dogs and support his family, but those making a dishonest living can do so unobstructed.

I hate to be bitter or depressed, but it's not easy to be positive minded when one is in this situation. I thank God for my health and also for the newspaper for publishing this letter. Thank the Lord for the free press to keep all people informed on all issues.

I implore and ask the Board of Commissioners to rescind all laws which do harm to people who are seeking to work for a living and impede the citizens right to purchase a product which is reasonably priced. Sometimes laws are unfair and an impediment to the very people they were meant to help.

Once again, I thank all my customers, friends, and people who have wished me well. God Bless You.

John Drzymkowski

We want a playground!

To the editor:

Belleville needs Washington Avenue.

Silver Lake needs a playground.

Every day there is some type of comment as to the needs of children... but the kids in the "Lake" area are starving for a play area. Some place where they can throw or kick a ball around after school or in the early evening. Some children are too young to cross Franklin Street and others may fear walking home from there in the evening. Their needs are small; the rewards are great.

Some thought should be given to this idea at one of the council meetings.

Ann M. Donatiello

Praying for a miracle

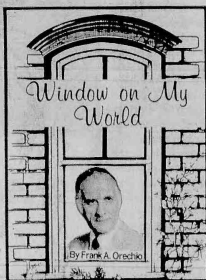

To the editor:

I want to make a request for your prayers for our boys and a plea to bring back prayer in schools. As of now our children cannot say one prayer for our boys and women who are there also.

We can stop this from turning into another Vietnam. I remember back in the sixties when it started most people thought it was nothing serious. Prayer can change anything. We have a big election coming up. Find out how the candidates feel about prayer in school before you vote.

Mrs. Charles Buccino

Ed. Note: Mrs. Buccino's son, Senior Airman Robert Buccino, is stationed in the Persian Gulf participating in U.S. Operation Desert Shield.

• THE Township of Belleville hired Town Manager Bertrand Kendall at a beginning salary of \$83,607. The contract includes a salary raise of 5 percent per year (for the next three years, beginning January 1, 1991).

Belleville is 3.3 square miles, and according to the 1990 Census, its population is approximately 38,000.

This week, neighboring Wayne Township Council has hired a professional Township Business Administrator at \$65,000. Wayne's physical area is 7 square miles. Its population is approximately 50,000.

Six months ago, we thought the Township of Belleville should have been able to hire a competent manager for an annual salary of \$60,000. The Town Council acted with greater generosity. Obviously, the Wayne Council acted more prudently in engaging its Township Business Administrator.

• OVER the weekend, President Bush declared, "I am more determined than ever in my life to force Iraqi troops out of Kuwait." It looks like American combat troops will be in action after the holidays. Secretary of State Jim Baker is making the rounds in the Midwest; and from this corner, it looks like Baker is lining up support for an armed conflict which must result in the permanent disability of Iraq to wage a war. This nation has no second choice.

• NUTLEY High School can be very proud of one of its alumni who was an outstanding baseball pitcher for the N.H.S. Nine and an outstanding end on one of Nutley's most successful football teams.

Ron Fraser, one of Nutley High School's most famous graduates has earned an international reputation over the past 28 years as the successful

baseball coach of the University of Miami. Ron recently accepted an offer to coach the 1992 United States Olympic Team after the U.S. Olympic Committee agreed he could pick his own coaching staff. Fraser is the first Olympic head coach to be named. Coaches for the other sports will be chosen in February.

Ron Fraser

Baseball will be a medal sport at the 1992 Olympics in Barcelona, Spain, for the first time. The United States Olympic Committee and Baseball Federation wanted Fraser so badly that they strayed from tradition. The Committee allowed Fraser to select his own assistants, fearing it might lose Fraser, (the only coach the committee wanted), if he was forced to choose from a pre-approved list of Division I head coaches.

Fraser was offered the Olympic job a year ago, but held out until this week because he wanted his own assistants. Dick Case, the Executive Director of the U.S. Baseball Federation, said, "We've always wanted the best, and that's Ron Fraser. We had to change a lot of people's minds but we decided to give him his way with the assistants. We think the world of this man."

Fraser will invite 82 of the nation's best sophomores to a Florida tryout in November 1991. He expects major-league baseball to cooperate by letting players remain amateurs by not paying them until after the Olympics.

In 1960, the year he started his international coaching career, Fraser, who was living in the Netherlands after his graduation from Florida State, led the Dutch team to the European title in, ironically, Barcelona. Since then, he has

won two national championships at UM and compiled a 1,170-411-9 record. Fraser hasn't been back to Barcelona. Should fans expect the same kind of success he had 30 years ago?

"We're going to try to have that first gold medal here in the United States," Fraser said. "Where it belongs."

• NEIGHBORING Passaic, Garfield and Paterson last week received a report card from state authorities who found the three school districts have serious problems in common — lack of leadership, poor financial management, and run-down buildings. In Paterson, state officials concluded the school board failed to exert leadership because it was "caught up in political and personal feuds."

Garfield suffers from "overcrowded classes, limited course offerings and shabby buildings." "There are too few English as a Second Language programs for a district with an influx of non-English-speaking families."

In the City of Passaic, the welfare of teachers and administrators was a priority item over the welfare of the students.

What is even more disconcerting is the fact that all three school districts are among the 30 troubled special-needs schools that stand to collect extra aid.

How lucky are we that the school systems of Nutley, Bloomfield and Belleville do not experience the ills of Passaic, Paterson and Garfield. Our results are a tribute to the school boards and the professionalism of the teaching staff, not for one minute forgetting the necessary leadership of the able school superintendents.

• NEWARK's Mayor Sharpe James — ever so sharp — when told that crime was on the increase since Sharpe became Mayor replied, "Burglaries are up now because before I became Mayor, there was nothing to steal."

• SHERIFF D'Alessio will be elected Essex County Executive because the times call for new leaders with fresh ideas who have the guts to dare to be different by raising the performance of public service to a higher standard. If there is any one person in Essex County who could make a difference to benefit our country and its people, that person is Tom D'Alessio.

• SOME people indicate that the increase of crime at highway shopping malls can be best solved by beefing up security.

We have a better idea. Our readers' personal welfare and financial benefit are best served when they stay off the highways and shop locally.

CHOP, CHOP! The karate students pictured above picked up trophies, awards and kudos at a State Championship recently.

Karate state champs

Eight students of the Belleville Karate Dojo on Union Ave. competed Oct. 28 in the juvenile division of the New Jersey State Karate Championships at the Wayne P.A.L. Participants, ranging in age from 6 to 13, competed in kata (drills) and kumite (sparring).

The students competing were: Joey Alfano, Alicia Gambino, Ricky Gonzalez, George Marinelli, Angelo Martucci, Alex

Rodriguez, Jason Sack and Jennifer Wasacz.

Trophies were awarded to: Gambino, 1st - kata, 2nd - kumite; Rodriguez, 2nd - kata; Sack, 1st - kumite, 2nd - kata; and Wasacz, 1st - kumite.

Sensei John Gambino and Sensei Ottavio Mattio were with their students throughout the competition and very proud of their performances.

Local resident honored

Tony DeSent, of the New Providence District of the Prudential will be honored at a luncheon on Sept. 28. DeSent also received from the Prudential 20 Silver Achievement awards at a business conference in Virginia Beach, Va. and Hilton Head, S.C. for outstanding sales performance. He is also the recipient of the National Quality Award five times and the National Sales Achievement Award fourteen times as presented by the National Association of Life Underwriters Association of which he is a member of the Newark Chapter.

In 1987 he was conferred with the designation of Life Underwriting Training Council Fellow, by the Life Underwriting Training Council and the National Association of

Life Underwriters in Washington, D.C. He is a Registered Representative holding a General Securities license issued by the National Association of Securities Dealers.

DeSent, a former resident of Nutley for 19 years and a graduate of Holy Family School and Essex Catholic High School, is now a resident of Belleville for the past 13 years with his wife Evelyn, his mother and brother. He is a member of St. Peter's and a Guard of Honor, a member of Belleville Council 835 Knights of Columbus and a member of Msgr. Doane Knights of Columbus since 1981 and as a Fourth Degree member served as a Corpman of Color Corp Company D Msgr. Doane for five years.

Tony DeSent, a former resident of Nutley who currently resides in Belleville, was thanked recently by Prudential.

Cerebral Palsy Center adults plan 6-day trip to Florida

The Adult Travel Group from the Cerebral Palsy Center in Belleville will go on a 6-day trip to Orlando, Florida, to visit the key tourist attractions there on December 26.

"While we provide travel arrangements for physically handicapped people, others who are not physically handicapped often travel with us," said Phyllis Burges, executive director of the center. "Anyone who wants to travel with a group is welcome to join us."

Travel plans include round-trip air fare, five nights at the hotel, plus three meals daily, transportation to and from airports and all

tourist attractions, as well as admission fees.

The itinerary includes the Kennedy Space Center, Walt Disney World, Epcot Center, Cypress Gardens and MGM Studios.

This "Winter Holiday in Florida" is part of the Cerebral Palsy Center's extensive adult travel program, which continues all year and makes well-planned and well organized trips part of the activities for physically handicapped adults.

The public is encouraged to join the group. Reservations should be made promptly to assure a place on the trip. Call 751-0200 for further information.

GLADD Kids meeting

On Wednesday, Nov. 14 at 7:30 p.m., GLADD Kids (Guiding & Loving Attention Deficit Disorder Kids) will hold a special meeting to view a videotape entitled "How Difficult Can This Be?"

The program was conceived by Richard La Voie, director of the Eagle Hill School Outreach Program in Greenwich, Conn. This video puts the viewer in the "shoes" of a learning disabled child. Parents and teachers are en-

couraged to attend this free meeting to be held at Vincent United Methodist Church, 100 Vincent Place, Nutley.

GLADD Kids is a non-profit support and information network dedicated to the understanding of Attention Deficit Disorder. For further information on GLADD Kids or this meeting contact GLADD Kids at P.O. Box 62, Nutley 07110, or call 235-0942.

Belleville High School News

Named young leader

By Dawn Rafferty

Vincent DeBenedetto, a senior at Belleville High School, was selected along with 350 students across the nation to attend the 1990 National Young Leaders Conference. Because of his academic achievements, leadership, and citizenship he will be spending Nov. 27-Dec. 2, in Washington D.C. Vincent will meet with NJ Senators Bill Bradley and Frank Lautenberg and NJ Representative Robert Roe.

The theme of this conference will be "Leaders of Tomorrow." Since 1965 the Congressional Youth Leadership Council has sponsored this non-profit, non-partisan educational organization. Vincent is involved in such school activities as the marching band, Challenge

Vincent DeBenedetto team, National Honor Society, and Mass Communications, and is a recipient of the annual Roch Washington Workshops Scholarship.

Charity offers scholarship

By George Wallace

NEAVS, one of America's oldest charities, is expanding a nationwide effort to honor students as part of a campaign to promote research modernization and animal rights. A cash scholarship of \$5,000 will be awarded to students for contributions in two areas: community activism and creative arts.

A Student Leadership cash scholarship of \$3,000 will be awarded to students who have made contributions to the animal rights movement in their communities. These contributions must be initiated

between Jan. 1, 1989 and Dec. 1, 1990. The scholarship application must be completed and postmarked by Feb. 20, 1991 and winners will be notified by April 10, 1991.

A second scholarship is offered to students for literary, visual, and audio-visual entries focusing on creative expression of animal rights. Entries must be postmarked by June 1, 1991 and winners will be notified by Aug. 20, 1991.

Students and teachers may receive more information and a set of rules for both scholarships by sending a self addressed stamped envelope to R.S. Kimball, Director of Education, NEAVS, 333 Washington Street, Suite 850, Boston, MA 02108 or calling (617) 523-6020.

BHS student attends summer conference

By Jennifer Best

The New Jersey Governor's School in the Sciences at Drew University spanned four weeks from July 23 to August 18. The 100 scholars stayed in one dormitory on campus. The dormitory was staffed by ten college counselors of diverse scientific majors. They served as teaching assistants in the classroom. Four days of each week were devoted to classroom and laboratory work. All classes were taught by college professors, some from schools other than Drew University. In the morning, we attended three core courses on subjects not normally offered in most high school curriculums. The three courses that I took included "The Biology of Membranes," "Twentieth Century Physics," and "An Introduction to Pascal."

In the afternoon, we performed lab courses two days a week and our team project labs two days a week. In my biology lab, we explored wonders such as fertilizing sea urchin eggs, growing and experimenting on bacteria cultures, staining root tips to make permanent slides, and observing these slides for the different stages of cell division. We also dissected various species of marine life, such as sharks, eels, and rays, to gain clues about diet and existence of these organisms.

The team projects were made up of ten students, a professor, and a teaching assistant. The science topics ranged from biology and chemistry to psychology and computers. The team project I was in was titled "Nerve Action Potentials." Each of the team projects was required to produce a scientific research paper on our findings to be published in a special journal. We were also expected to give a twenty minute presentation on our research at the end of the school to all of the scholars and professors. The team projects took up most of our time.

As the end of governor's school drew near, we spent as many as 12 hours a day in the lab to complete the project. Members of my team were assigned to different jobs, such as technician, dissection, or data interpretation. Former Governor Thomas Kean, now the Presi-

Former Gov. Tom Kean with BHS student Jennifer Best

dent of Drew University, also visited the team projects to inquire about our experimentation.

Two nights of the week, we attended two elective classes a week. My electives included "Forensic Science" and "Unexpected Applications of Mathematics." Both courses were different from the regular classroom lecture because they were about topics that were new and were both intriguing and fun. Our forensic science class even took a field trip to the State Police Lab in Trenton where we observed the chemistry and ballistics labs and the museum which housed the evidence from the Lindbergh kidnapping.

When we weren't in the classroom, we took various field trips to places such as AT&T Bell Labs, Schering Plough Pharmaceuticals, and the Raptor Trust Bird Aviary in the Great Swamp. The corporations welcomed the scholars openly and gave special presentations.

At the end of the governor's school, we attended a formal banquet at which awards were given to all of the scholars for their hard work and long hours of study. Overall the Governor's School in the Sciences was an experience that I will never forget. I learned so many new things about the study of life, and it has further stimulated my interest to pursue a career in the biological sciences.

Yearbook sales go on

By Kristine Villano

During the week of November 12, the journalism classes of Belleville High School will conduct its second specialized week of yearbook selling. This week will be "Sophomore Yearbook Week." At this time, only sophomores will be allowed to purchase a yearbook. The price of the two volume book is forty-five dollars, but this year only a ten dollar deposit is required at

the time of purchase.

Students are encouraged to purchase yearbooks. Awards include the following: a free sweatshirt, 20 free boosters, a free yearbook, a free 18" page ad, and a free buddy picture.

"Freshman Yearbook Week" was a huge success. The journalism classes hope to be even more successful with future sales.

BY THE THROAT

Anyone with a sore throat should think twice before reaching for the mouthwash. According to an assistant professor of otolaryngology at UCLA, the therapeutic effect of gargling for sore throat is nearly nil. His opinion is based on a study of 15 men and women, aged 22 to 47, who gargled with a radio-opaque liquid. Afterwards, each received a throat X-ray. "These pictures showed that no fluid ever reached the vocal cords. To make matters worse, the sound and vibration of gargling actually traumatized and irritated the already sore vocal cords. A better course of action for sore throat is to drink plenty of water and use glycerin-based throat lozenges, which lubricate sore throats."

For all your prescription needs see us at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. We are Medicare and Blue Cross approved. Our stocks include Russell Stover candies, greeting cards, gift items, baby needs, cameras and film. Check our column in the upcoming weeks for various topics and health and medications. Open Daily 9am - 10pm, Sundays 9am - 3pm.

HINT: Whimpering with a sore throat actually puts more of a strain on vocal cords than does a normal conversational tone.

THE AWARD WINNING Belleville High School Band practices long and hard before competitions and halftime shows.

BHS Marching Band tops in competition

The Belleville Buccaneer Marching Band and Color Guard swept their division, taking top honors in all categories in the recent marching band competition, held in Bloomfield.

The Belleville Band, under the direction of Joseph Kraemer and assisted by Glen Van Benschoten, and the Color Guard, with advisor Carol Kane, competed against the Montclair and Nutley High School

bands. There were three categories for competition — the color guard, the percussion section and overall band performance. Belleville was awarded first place trophies for each of these. In addition, they placed third, overall, out of eight bands.

The Belleville band is comprised of musicians from the middle school and the high school. The guard is selected by competitive tryouts at the high school level.

Key Club TurkeyWalk

By Cyndee Rodriguez

On Sunday, October 28, the Belleville High School Key Club held a raise money for the American Heart Association by walking the annual TurkeyWalk in Verona. Students collected pledges and donations from friends and family

to help fight one of the biggest killers of today, heart disease. Though the cold weather was against them, the students endured the walk and a good time was had by all. The participating students walked 4 miles around Verona Park and raised \$300.

Belleville artist exhibit

Currently exhibiting at the Belleville Public Library and Information Center in the Trustees' Room is Belleville artist, Concepcion Canosa, whose nickname is Pituca. Born in Carmen de Patagones, Provincia de Buenos Aires, Concepcion came to the United States in 1964, working in different odd jobs, rather than her profession as a piano teacher, because of her language barrier.

Because of her passion for the arts, she decided to take up painting and has studied with Gladys Sherman, Belleville art teacher, since 1987.

"I love what I do and hope to better my art with time," she has stated. "I like flowers, landscapes, and semi-abstracts and hope to attend college in the future to study art. I feel peaceful and happy with color when I paint flowers and landscapes."

Canosa has a daughter Lia de Marco of Cranford and a son, Carlos Canosa of Belleville. She lives in Belleville with her husband Roque Canosa.

Among her art on exhibit are "Mother and Child," "Mount Fuji," "Tulip," "Pensamientos," "Chucanena," "The Swan," "My Garden," "Inspiration," "Poppy," "Sunset," "Sunset in Sicily," "Lac Helene," "Orum in Argentina," "Soledad," "Black Forest," "Flamenco," "Challenger," "Illusion," and "Extravaganza."

Her oils and acrylics can be viewed during regular hours in the Trustee Room of the library.

Children's programs

During November, special programs on Saturdays have been planned in the James J. Cozzarelli Jr. Children's Room. On Nov. 10 at 2 p.m., "The Dying" will take place. Participants in The Dying Workshop are asked to bring their own white tee shirt. On Nov. 17 at 2 p.m., a Thanksgiving Craft will be offered. Also on Saturday at 10:30 a.m. there will be a special holiday make-over for mothers and daughters. Girls are asked to bring their mothers for a special holiday make-over with a Mary Kay representative. Registration is Nov. 16.

Don't forget also to take out books and read during Children's Book Week, from Nov. 12-16, and all year round.

Silk flower display

Belleville Public Library and Information Center Reference librarian Joan Stahl is responsible for the exhibit case of "Silk Flower Arrangements," currently on display at the library. Stahl made most of the baskets in a course that she took at the Interior Design Institute. The display can be viewed during regular library hours.

BOOKMARKS

A Read-A-Thon will take place from 3:15-5 p.m. at the Shafter Branch, in honor of National Young Reader's Day, to draw attention to "1990-International Literacy Year," and to stimulate a love of reading among young people. This is also in honor of National Children's Book Week, Nov. 12-18.

Nov. 15 — "Holly Hobby Decoupage" will be taught by Zita McGarry and Lucy Trotta at 10:30 a.m. at the Belleville Public Library and Information Center, 221 Washington Avenue. Call the library at 450-3434 to register.

Books for the business-minded

New books for the business community added to the Belleville Public Library and Information Center include "Creativity in Business: A Practical Guide for Creative Thinking," by Carol Kinsey Goman, "Risk Taking: A Guide for Decision Making," by Herbert Kindler, "Self-Managing Teams: Creating and Maintaining Self-Managed Work Groups," "Your First Thirty Days: Building a Professional Image in a New Job," and "Wellness in the Workplace." The books are available in the New Books Section of the Library.

D'Alessio supports restoration of pension aid

Sheriff Thomas D'Alessio at a meeting of school board members from several suburban Essex County communities, indicated his strong support for measures that would return to the State responsibility for paying teacher pension costs. D'Alessio said that he supported legislation such as Assembly bill A-377L, sponsored by Assemblymen Mazur and McEnroe, that would phase back aid over a 5 year period.

D'Alessio commented: "We must not let the loss of teacher pension aid drive up property taxes and drive down the quality of education in our suburban com-

munities. We must provide quality education for all the children of Essex County."

On his position of pension restoration, D'Alessio pointed out that he was disagreeing with Governor Florio on this issue. He explained, however, that his support for a 5 year phase back of State responsibility for teacher pensions would allow for the transition to take place without causing a major disruption of the State's finances.

D'Alessio explained that he favored the increase in aid provided to the urban and some of the suburban schools in Essex County under the new State funding formula and

would oppose any attempt to roll it back. Some suburban schools, however, could suffer a significant loss of State aid in the next 5 years because of a phase out of pension aid. He favored restoring this aid.

"Both urban and suburban schools would benefit from the restoration of direct State pension aid. The State had paid for teacher's pension costs since 1953 and should not have placed this burden back on local districts."

He noted that under the new school funding formula some districts received increased aid to cover the cost of pensions. Other districts would lose all aid to cover

pensions over a 5 year period. All districts would benefit from the return of this responsibility to the State because they would be insulated from the growth in pension costs.

Annette D'Angelo, president of the Bloomfield Board of Education, who hosted the meeting, commented, "I appreciated Tom D'Alessio meeting with us on this very important issue."

OBITUARIES

Marie Buccino, 75

A Mass for Mrs. Marie Buccino 75, of Belleville was offered Nov. 5 in the Holy Family Church, Nutley, after the funeral from the Irvine-Cozzarelli Funeral Home, Belleville.

Mrs. Buccino died Nov. 2 in the Passaic General Hospital.

Born in Newark, she lived in Bloomfield before moving to Belleville 4 1/2 years ago.

She is survived by a son, Anthony, the former editor of the Belleville Times; a daughter, Mrs. Lucille Gustafson, and four grandchildren.

Michael Burns, 78

Michael D. Burns, 78, of Whiting, formerly of Belleville, died Nov. 1 in his home.

A Mass was offered Nov. 5 in the St. Elizabeth Ann Seton Church, Whiting. Arrangements were by the Manchester Memorial Funeral Home, Whiting.

Mr. Burns was a pharmacy assistant for the Essex County Geriatric Hospital in Belleville for 12 years before retiring in 1977. He had been a welder for the Special Steel Corp. in Newark for 20 years before that.

Mr. Burns was a member of the American Association of Retired

Persons in Manchester, the Old Guard and the Residents Club, both in Pine Ridge.

Born in Newark, he lived in Belleville for many years before moving to Pine Ridge at Crestwood in 1978.

Surviving are his wife, Mary L.; a son, Donald; two daughters, Mrs. Mary Lynn Uzzalino and Mrs. Catherine Metzler; a stepson, John Colglazier; three stepdaughters, Jacqueline Colglazier, Mrs. Helen Cecere and Mrs. Betty Ferris; a brother, Thomas; a sister, Mrs. Mary Klein; 14 grandchildren and a great-grandchild.

Harold Dunning, 52

Harold Dunning, 52, of Belleville died October 28 in St. Michael's Medical Center, Newark.

Born in Scranton, Pa., he lived in Belleville for 24 years.

He is survived by his wife, Helen (nee Ogurkis); three

daughters, Cindy Inglis, and Helen and Evelyn Dunning, both of Belleville; and two sisters, Joan Jones of Scranton, Pa., and Theresa Davies of Nutley.

Arrangements were by the Biondi Funeral Home, Nutley.

John J. Walsh

John J. Walsh of Belleville died Nov. 1. Survivors include his mother, Anne (nee Flynn); his daughter, Dana, and four sisters, Mary Walsh, Mrs. Sally Anne Mehl, Mrs. Margaret Lake and Mrs. Catherine Buono.

Arrangements were by the S.W. Brown & Son Funeral Home, Nutley. The family would appreciate memorial donations to the American Liver Foundation, 998 Pompton Ave., Cedar Grove, N.J.

THE WHEELS ARE SPINNING... School No. 7 students were taught how to spin yarn, dye cloth and card wool recently, thanks to a presentation by Ann Follansbee.

Getting crafty with yarn

Demonstrating spinning and natural dying, Ann Follansbee of Oakton, Virginia fascinated fourth and fifth graders of School Seven.

In an interdisciplinary study combining arts and crafts with New Jersey history, art teacher Fran D'Agostino and fourth grade Academically Talented teacher Betty Follansbee presented "Text and Textile: Sheep to Shawl." Mrs. Follansbee's daughter Ann, a teacher going for a second master's in applied history, applied her knowledge of history along with artistic skills, showing garments

made of yarn spun, dyed and otherwise prepared by herself. Children were able to dye cloth, to use a drop spindle, and to card wool straight from the fleece.

Children learned the true meaning of the word "spinster" and watching Ann's 3 year old, Ben, pump the pedals of the wheel for his mother, realized that even small children played an important part in maintaining the family.

"School Seven enjoys having community members present such programs," Principal Marilyn Hawthorne added.

Letting their hair down

By Danielle Italiano

On Monday, October 22, the cosmetology students of Belleville High School took a trip to the Garden State exhibit center for a hair show. The students learned many different techniques including coloring and advanced hair cutting. A senior cosmetology student, Nicole Fitzgerald, was brave enough to let one of the profession-

al hairstylists try a modern technique to style her hair. After attending many exhibits, the students observed some different products.

The students are under the direction of Lucille Cereto and Mrs. Giordano. "I am happy to have the opportunity to expose the girls to professional hairdressers and I only wish we had more time at the exhibit," Cereto stated.

Belleville School News

School 3 monster mash

There were creatures from all walks of life and death at School 3's first annual Halloween Party. Even a nine-foot tall Frankenstein made a surprise appearance at this beautifully decorated gala event. Frankie made a monstrous hit with the children.

Refreshments were served and plenty of fresh baked goodies were in hand for the little goblins. They played games, did the limbo and heard scary ghost stories in the dark. But the fun really started when the whole school broke out in the "Transylvania twist." "Sister Linda's conga line was a big hit. And when they "mashed," School 3 began to bowl.

Home and School Association

proudly introduced their new principal, Mrs. Raffaella Saulino. She was chilled to the bone that so many families came to share in this special spooky night.

Mrs. Saulino welcomed all and asked that everyone continue to show strong support for School 3. All the lions and tigers and bears then followed as she led the Halloween parade. On stage each group of children paused so that parents could snap pictures of their little devils.

Mrs. Saulino and the Home and School Association would like to thank everyone for making this a safe and happy Halloween for all of their ghouls and ghousties. The party was a scream!

FRANKENSTEIN & CO. came out in force for this year's Halloween Party at School No. 3.

Pizza party raises dough

By Rosemarie Gencarelli

Take a few hundred pounds of cheese, forty gallons of sauce, mounds of pepperoni and sausage, followed by endless rows of large bread racks of pie shells, add aprons and plastic gloves to about forty students, and mix with precise directions, patience, and result is a successful fund raiser.

The BHS Pizza Factory was held on Oct. 27, in the high school cafeteria. Under the supervision of

Mr. Salese, the yearbook advisor, journalism students were dressed in aprons and gloves ready to become authentic pizza makers. The student pizza makers produced a total of 380 pies. Nine inch and 16 inch pies were prepared with cheese, sausage, pepperoni, or a combination of all three ingredients, commonly known as the "BHS Deluxe Pizza." The students worked diligently to produce the quality pies and had a lot of fun in the process.

Resident speaks against drugs

To introduce Drug Free School Week at School 9, Joe Fischer, a Belleville resident spoke to the children.

Fischer was a magical approach to make an attack on drug and alcohol abuse which children can relate to.

Educating and entertaining is a method that has proven successful for Joe Fischer's audiences. The information conveyed is retained for a greater period of time because

he creates a warm, exciting atmosphere.

The program was geared for all the grades involved. The audience was always involved. Many children were brought onto the stage. This gave the students an opportunity to role play. Students at Number 9 cheered and laughed at the performance.

Fischer speaks to more than 300 schools in the state of New Jersey. Thanks to the PTA at School 9, the program was able to be presented.

Students see Shakespeare

Over 200 seventh graders recently attended the ballet performance of "A Midsummer Night's Dream" by the Garden State Company. The production was at Essex County College in Newark.

As a preliminary to the show, Dawn Buccino, a seventh grade English teacher, introduced the students to ballet at an assembly. In her presentation, Buccino illustrated the elements of the ballet; body

movement, costumes, staging, music and the story in her lecture.

"A Midsummer Night's Dream" is based on a play by William Shakespeare put to music by Felix Mendelssohn.

Students commenting on the production used accolades such as "The young ballet students were magnificent." "The production was thrilling with superb scenery."

Antoinette Mancini coordinated the reservations for the field trip.

Students tutor each other

By Colleen Coppia

During the month of October, the National Honor Society conducted tutoring on Mondays and Wednesdays after school in all math areas. This allowed the members to earn service points for their service time. The program will be continued twice a week with a

possible schedule change. Not only will NHS students be offering tutoring in math, they will also be tutoring in history and Spanish. For further information on this program, please contact Mrs. Winslip through the math service center or stop by room 167 after 2:30 p.m. on a Monday or Wednesday.

Bloomfield meet"

Mr. and Mrs. Malgieri honeymoon in Poconos

The Packanack Community Church of Wayne was the setting Sept. 23 for the marriage of Jami Anne Cohen, daughter of Mr. and Mrs. Leon H. Cohen of Clifton, formerly of Nutley, to Robert W. Malgieri of Belleville, son of Mr. and Mrs. Johann Schreier of Suffern, N.Y.

The ceremony was performed by Rev. Robin Leisey, associate pastor of the church, and Rabbi Roy Rosenberg of Brooklyn, N.Y. A reception followed at Bella Casa Caterers, Belleville.

Emily Andalara of Belleville was matron of honor. Bridesmaids included Jane Hollenstein of Oak Ridge, Diane Malgieri and Kathy Warburton of Washingtonville,

N.Y.

James Malgieri of Ringwood served as best man for his brother. Ushers were brothers of the couple, Todd Cohen of Clifton and Steven and Kenneth Malgieri of Washingtonville. Robert W. Malgieri Jr. was ringbearer. Soloist was Marc Cohen of Milwaukee, Wis., brother of the bride.

Mrs. Malgieri, an alumna of Nutley High School, is a secretary with Mead Ford, Belleville.

Mr. Malgieri, a graduate of Indian Hills High School, Oakland, is a landscaper with Lawn-A-Mat, Paterson.

The couple honeymooned in the Poconos and have made their home in Belleville.

SIX DECADES — Laura and Al Kleiner of Whiting, formerly of Belleville, celebrated their 60th wedding anniversary Sept. 13. Following a service at St. Paul's Methodist Church, Bricktown, they enjoyed a dinner party with family and friends at The Old Time Tavern, Toms River. The couple has two daughters, Carole MacTherson who lives in Toms River and Janice who resides in Linden. They also have three grandchildren and four great grandchildren.

Mrs. Santa will join kids for lunch at Christ Church

Mrs. Santa will arrive for her annual luncheon at Christ Church, 393 Washington Ave., 11:30 a.m. to 12:30 p.m. Nov. 17.

The luncheon costs \$3.50 per person and includes a choice of a hot dog or hamburger, beverage and a gift for each child from Mrs. Santa. Children can also bring their lists for Santa and Mrs. Santa will be happy to deliver them. Pictures of the children with Mrs. Santa or picture buttons will also be available.

The luncheon is held as part of

"Christmas on Candy Cane Lane," the annual fair held by the church. There will be plenty of bargains available at the fair, including baked goods, hand-made wooden decorations and Christmas ornaments. The church will also hold its annual roast beef dinner 5 to 6:30 p.m. Tickets are \$8 for adults; \$7 for seniors and \$5 for children under 12. Reservations are suggested and may be made by writing to the church and sending your check. For more information, call 751-8820.

Look for the BSA bag by your door.

FOOD FOR THOUGHT — Mrs. Laura Trimmings of East Orange, center, talks with Explorer Marquita Merritt, 17, left, of East Orange and Scout Kevin Fox, 16, of Nutley about the November Scouting for Food drive. Trimmings, principal of the Vernon D. Davey Junior High School in East Orange, is chairperson of the food drive. The Essex Council boys and girls will distribute bags on Nov. 10 and then collect the food-filled bags on Nov. 17 for distribution to the needy. Last year, more than 50,000 cans of food were collected by members of the Essex Council, which covers all of Essex County.

Denise Anne DeCroce, Michael Calvitto wed

Denise Anne DeCroce, daughter of Mr. and Mrs. Anthony DeCroce of Belleville, and Louis Calvitto, son of Michael Calvitto Jr. of Belleville and the late Connie Calvitto, were married May 12 in Holy Family Church, Nutley.

Rev. Bill Sheraton performed the ceremony which was followed by a reception at Biase's Restaurant, Newark.

Escorted by her father, the bride wore a sweetheart gown fashioned with long lace sleeves and illusion neckline and accented with pearls and iridescent sequins. A matching headband held her veil.

Maria DeCroce of Belleville was maid of honor and Stacey DeCarlo of Monmouth was matron of honor. Bridesmaids included Patricia Muro of Belleville Toni Ann Scherer of Rockaway, Michele Innorella of Fairfield, Vicki Calvitto of Belleville, Diane Calvitto of Belleville, Ella Mobilio of Belleville, Cara Clemente of Belleville and Jill McTaggart of Florida. Erica Lon-

gaker was flower girl.

They were attired in peach gowns accented with lace and carried fans adorned with peach roses and satin flowers.

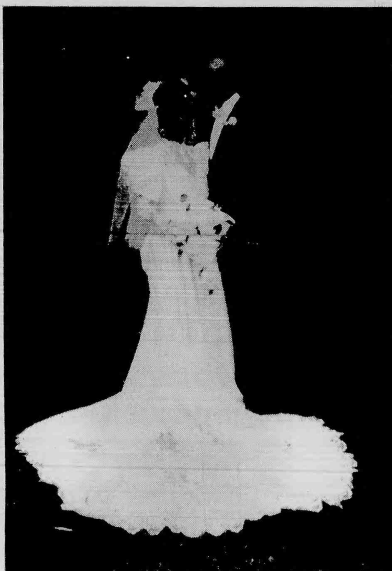

Brian Carpenter and Dominic Calvitto were best men. Ushers were Jerry Verrioco of Nutley, Stephen Calvitto, Philip Lazaro Jr. and Mark Muro of Belleville, Douglas Scheer of Rockaway, John Milici and George Malizia of Belleville and Frank Turi of California. Anthony J. Muro of Belleville was ringbearer.

Mrs. DeCroce chose a black and light blue satin jump suit for her daughter's wedding.

Mrs. Calvitto, an alumna of Belleville High School, is attending real estate school.

Mr. Calvitto, a graduate of Belleville High School and Lincoln Tech, is an HVAC tech with Tri Temp, Middletown.

The couple honeymooned on a cruise to the Virgin Islands and have made their home in Belleville.

Mr. and Mrs. Louis Calvitto — nee Denise Anne DeCroce

Former Belleville resident wins on 'The Price Is Right'

Kelly Ann Morano, formerly of Belleville, married recently and went to California and Hawaii for her honeymoon.

While in California, she was a contestant on The Price Is Right

where she won close to \$19,000 worth of prizes, including a baby grand piano, a grandfather clock, carpeting and a living room set.

The show will be telecast Nov. 21.

Lauren Marie Feola

A first child, a daughter, Lauren Marie, was born to Mr. and Mrs. Anthony Feola of Belleville Oct. 15 at Passaic General Hospital. Birth weight was 6 pounds, 11 ounces.

Mrs. Feola is the former Maria Pasqua, daughter of Dr. Vincent Pasqua of Newark. She is a senior claims adjuster with All State Insurance Co., Wayne. Mr. Feola, son of Mr. and Mrs. Gerald Mansfield of Belleville and Anthony Feola of Linden, is a claims adjuster with Continental Insurance Co., Piscataway.

Jessica Marie Baker

A first child, a daughter, Jessica Marie, was born to Mr. and Mrs. George Baker of Newark Oct. 19 at Clara Maass Medical Center, Belleville. Birth weight was 7 pounds, one ounce.

Mrs. Baker is the former Tracey Oliver, daughter of Mr. and Mrs. Nelson Oliver of Belleville. She is assistant billing supervisor with The Haagen-Dazs Company. Mr. Baker, son of George Baker of Kearny and the late Doris Baker, is the owner of C&D Deli, Belleville.

Amanda Emily Smith

A first child, a daughter, Amanda Emily, was born to Mr. and Mrs. Kevin Smith of Belleville Oct. 16 at Clara Maass Medical Center, Belleville. Birth weight was 6 pounds, 15 ounces.

Mrs. Smith is the former Maribeth Moran, daughter of Mr. and Mrs. John Moran of Belleville. She is an x-ray technician with David Greifinger, M.D. Mr. Smith, son of Thomas Smith of Belleville and Alice Smith of Naples, Fla., is a Belleville police officer.

MEDICALLY SPEAKING

HOARSENESS

Q: What is hoarseness?

A: Hoarseness is an alteration in the normal production of the voice by the vocal cords.

Q: What are the causes of hoarseness?

A: Most cases are caused by infection (laryngitis). Some others are related to voice abuse, environmental exposure, or smoking, which can cause vocal cord nodules and polyps.

Q: Who should have an examination by a throat specialist?

A: Anyone who has hoarseness persisting for two weeks.

Q: Have there been recent advances in the diagnosis of hoarseness?

A: Yes. With the FLEXIBLE FIBEROPTIC LARYNGOSCOPE, a complete examination of the voice box can be done in the office without discomfort.

Q: What if I need surgery?

A: Surgery can be done under general anesthesia on an outpatient (same day) basis. All removed tissue is sent for a biopsy study. Modern techniques such as the OPERATING MICROSCOPE and, in indicated cases, LASER, allow accurate and precise surgery. Recovery is rapid with patients able to resume most activities the next day.

Belleville Times SPORTS

BUC SHOTS

By Mike Lambert

We start this week by reminding all fans that the football Homecoming Game is this Saturday. That, of course, entails a pre game parade and then a halftime show in which the 1990 King and Queen are crowned. The Bucs and Don Bosco will play at Doc Ellis Field, kicking off at 1:30 p.m. The homecoming game is always an enjoyable event and a memorable day for those who participate.

GOOD NEWS from the Belleville Soccer Association. Two teams moved into the final round of the playoffs last Sunday with impressive wins.

In Division 3, the Strikers, sponsored by the Junior Womens Club of Belleville, came away with a 1-0 win against a strong Pompton Lakes squad.

The lone goal of the game was made by Joe Sabatino, off an assist from Nick Colucci.

Tony DeCarlo, Joe Colucci and Santi Salme all played well in the midfield for the Strikers. The defense was led by Steve Colletti and Steve Duryugez. Vic Mesce played another outstanding game in goal, registering his fifth shutout of the season. Sunday's win brought the Striker season record to 8-0.

The Devils, sponsored by Bill Murray Auto Parts, beat Pequanock 3-1. Goals were scored by Joe Goglia, Lawrence Martin and John Diaz. Ernie Sclar led the midfielders while Joe Emmalo and Chris Adamo put in a strong game defensively. Justin Mahren played a great game in goal and made several key saves to hold back the Pequanock offense.

Other games included a 5-1 defeat by the Bandits, against Wayne. The Bandits are sponsored by Nardachone and Colavito, Esq. Dan Bartolowicz scored the Bandits' only goal.

AND THE BAND KEEPS MARCHING ON.

They aren't going nearly enough credit, but the Belleville High School band turned in another stellar performance in the high school band competition, held recently in Bloomfield. The Bucs were voted the best band in that competition. A week later at the Wayne Hills competition, the team placed second.

In the next few weeks, we'll be doing a more in depth story, with pictures, of this very talented group. But for now, congratulations to coach Joe Kraemer and the Buccaneer band.

If you attend the weekly football games, then you know what an entertaining show the band puts on, either in pre game or half time. The Bucs are home this weekend, so you'll see a good old fashion show.

HALL OF FAME NEWS

The Belleville High School Hall of Fame Dinner will be held next Friday, November 16, at the Chandelier. There is much more on the dinner on page 16 of this weeks issue.

The Essex County chapter of the National Football foundation and Hall of Fame will hold its annual "Sports Nut Night" on Thursday, January 17, 1991. The affair will be at the Mayfair Farms in West Orange. The buffet dinner starts at 6:30 p.m. and the cost of the tickets is \$25.00 each. Reservations can be made by sending a check, payable to Essex County Chapter N.F.F. to Mr. Peter Horn, 265 Prospect Avenue, West Orange, New Jersey 07052. Or, you can contact Peter at 731-4400 or Bill Smith at 731-2726.

This popular event includes a sports trivia contest, with prizes for the winning table and a sports forum chaired by Robert Casciola, Executive V.P. of the New Jersey Nets.

Some of the sports figures who will participate will be Yogi Berra, Jerry Izenberg, Alan Levy, team doctor for the New York Giants, Rutgers' head football coach Doug Graber and other sports notables.

ATHLETES OF THE WEEK

Finally, we have some extra space, so we can dedicate a little more to our fine athletes, who have been outstanding this fall.

This week, we recognize Ricky Constantino and J.V. Faliveno of the Buc football team.

Constantino rushed for over 100 yards last Saturday as Belleville beat Teaneck 9-6. In the fourth quarter of the game, with Belleville trailing 6-3, Constantino broke a 50 yard run to the Highwaysmen four yard line. That set up the winning score was as sure handed Carmen Spina ran four yards for the winning TD on the next play.

Faliveno has been a stand out on both sides of the ball this season. On offense, he is a key member of the line. On defense, he continues to excel at the linebacker position.

Faliveno is a junior and Constantino is in his sophomore year.

VINCE CARNEVALE

I received a phone call last Tuesday from Mrs. Frantantoni to inform me that her uncle, Vince Carnevale, the 74 year old Masters runner, is doing well after suffering a heart attack at the Sam Giuffrida run back on October 21.

She also wanted me to know that it was Mountaineer Emergency who provided so much aid to her uncle and helped save his life. Inadvertently, I did not mention them when the story first was reported a few weeks ago, and I apologize for that. Suffice it to say, we're very happy to hear that Vince is getting better. Our very best to him for a full recovery.

BUCS PLAYING WELL

"Did you see the Belleville Bucs play last Saturday at Teaneck? It was a typical 1990 football game for Belleville, great defense and an improving offense that is gaining confidence weekly.

This weekend, John Senesky's troops come home for the first time in three weeks to play Don Bosco. This is a big game against a very good club. If Belleville can upset Don Bosco, it can go into the Nutley game with a 4-4 record and a shot at a winning record.

But, win or lose, anyone who watches this team will agree. The 1990 Bucs have provided so much entertainment this fall. They have represented themselves with so much determination and class. Everyone associated with the program should be especially proud of this group.

THIS WEEKS PICKS

Okay, here is the weeks upset, right off the bat. The Giants will go into Los Angeles and lose to the Rams, let's say 24-20. Miami 21 Jets 10, Chicago 28 Atlanta 7, New England 10 Indianapolis 9 (who cares?), Minnesota 27 Detroit 23, Buffalo 28 Phoenix 14, Kansas City 23 Seattle 14, New Orleans 20 Tampa Bay 3, San Diego big over Denver 26-10, LA Raiders 17 Green Bay 16, San Francisco 24 Dallas 14 and on Monday night, Philadelphia 28 Washington 27.

THIS WEEKS QUIZ

When did Roger Staubach play his last NFL game? Who did Dallas play in that game? What was the result? When did Staubach gain entrance into the NFL's Hall of Fame.

Defense is superb. Constantino run sets up winning TD

Bucs win 'highway' war, 9-6

By Mike Lambert

In their continuing attempt to give all its fans premature gray hair, the Belleville Bucs took its "cardiac" show to Teaneck last Saturday and came away with a hard fought, thrilling 9-6 victory. The win was Belleville's third of the year and improved the Bucs record to 3-2 in the NNJIL Pacific Division. Overall, John Senesky's team is 3-4 heading into this Saturday's game.

The Bucs are finally back home after playing three straight on the road. Belleville will host Don Bosco at 1:30 p.m. on Saturday in the annual Homecoming game.

Senesky took a big sigh of relief after last Saturday's game at Teaneck, played in unusually warm November weather.

"We knew going in that Teaneck was a team with excellent size and outstanding speed. Anyone who saw the game knows that the size factor was quite evident. Teaneck has been very competitive with every team in this league. They lost to St. Joe's by a field goal and took Hackensack to the wire.

"Our concern increased early in the game when we lost (Rich) Ferruggia and Billy (Salvatore). We went in without Sen (Kimball), so we were missing some valuable seniors."

Berardi, Escott lead 'A' team to 15-12 win

Sal Berardi and Tom Escott scored first half touchdowns to lead the Belleville Jr. Bucs "A" Team to a 15-12 victory over Paterson in the season finale for both teams.

We'll be wrapping up the season for the "A" team in a future edition. Like the "B" team, the "A" squad jumped out quickly, then held on in the second half. Berardi started the scoring, with a 16 yard run in the first quarter. Art Settembrino threw a key block on the scoring run. Frank Tortorella ran for the extra point and the Bucs led 7-0.

In the second quarter, Berardi threw a 70 yard scoring strike to Escott. Berardi then kicked the extra point, which is good for two points.

Paterson made things interesting in the second half, scoring twice in the last five minutes of the game.

Head coach Bill Abrams saw his team play a good defensive game. Berardi recorded an interception and Anthony Moccia recovered a

C.C. team runs in county race

The Belleville cross country team ended its season last Friday by running in the Essex County championships.

We'll be wrapping up the '90 cross country season in an upcoming issue.

The Bucs finished 18th in the county race and received some good individual performances.

Brian Doyle was the first Buc across, with a time of 21:00 on the 3.1 mile Branch Brook Park course. Dave Luongo ran a personal best 21:57. Huy Bui also ran a personal best of 21:53. Sung-Bok Lee ran the course in 23:42 and Anthony LaRocca finished in 24:18.

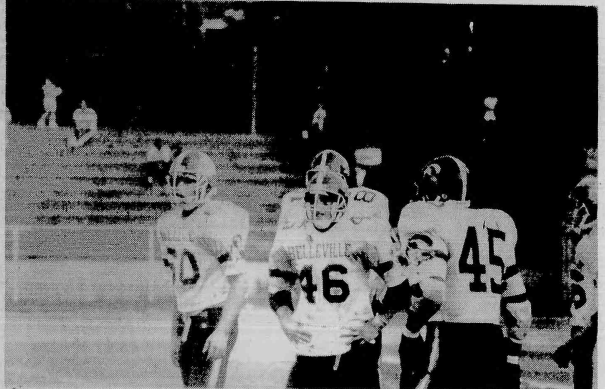

The Bucs finished the regular season earlier last week, falling to West Essex 15-50. Doyle was Belleville's first runner across, finishing eighth overall in 20:57. Luongo placed 10th at 21:39. Roger Hanes was 11th (21:51). Bui placed 13th (22:34). Lee finished 14th with a time of 23:45 and LaRocca, Robert Montalvo and Joe Lozano closed out the Buc scoring with times of 23:55, 24:56 and 26:21 respectively.

Lozano, a senior, was coming back from a series of injuries.

"We have a lot of young kids that should continue with the indoor program," head coach John Tosato said. "Dave Luongo ran very well in the last couple of races and Doyle did a solid job all year long.

"I'd also like to thank the parents, who were so supportive at the races. They were a big help."

M.L.

Buc defenders Scott Meyers (60), Ricky Constantino (46) and Carl Harris (45) await next play during last Saturday's game at Teaneck. Bucs won, 9-6. Team will be home this Saturday to Don Bosco on Homecoming Day.

Ferruggia, who had been out since the Hackensack game with a cracked bone in his left shoulder, quickly departed the Teaneck

game with a separated right shoulder. The senior center will be lost for the duration of the season.

"It's a tough break for Rich," Senesky said. "He worked hard to come back and then early in the game, he damages the other shoulder. Fortunately, he should be okay."

Salvatore, a senior fullback and defensive end, suffered a severely sprained ankle in the second quarter. There was some concern amongst the medical staff that the injury could have been a break, but Salvatore was at Municipal Stadium after the game, on crutches, his leg in an air bandage.

"I don't know how long Billy will be out," Senesky said. "A sprained ankle is real tough to come back from right away. First you have to walk, then jog, then get back into practice and start cutting on the field. It's not an easy thing to do."

Kimball, a halfback and defensive safety, has a back problem and

is listed as hopeful for this weekend.

Despite the injuries, the young Buccaneers responded with a solid effort, especially on the defense.

The Bucs held Teaneck to a first quarter touchdown, then played a bruising, crashing defense the rest of the way.

In the first quarter, a Belleville fumble deep in its own territory gave Teaneck a first and goal. However, the defense forced a Highwaymen fumble and Carmen Spina recovered near the 12 yard line. The Bucs were unable to move the ball and after a short punt, Teaneck drove 27 yards in five plays for the first score of the day.

The Belleville offense picked up some momentum in the second quarter. Quarterback Art Caruso, who once again played a marvelous game, hit Jim DuHaine with a pass to the Belleville 40. Caruso then

(continued on page 14)

Varsity, JV soccer finish year with impressive NNJIL games

By Mike Lambert

As far as Belleville soccer coach Gino DePinto is concerned, the season has ended too soon. His Bucs played very well in the second half of the season and the team concluded the '90 campaign with a solid 1-1 tie against a strong Paramus team.

The Bucs ended the year at 5-1-1. The JV team had a very good year, finishing with a 6-5-3 record. Next week, we'll wrap up the soccer seasons.

"It's too bad the season had to end," DePinto said last weekend. "We were having a good time out there. The kids were really coming

around. I'm optimistic about next year, however. We have a lot of kids coming back."

The Bucs rallied in the late stages of last week's game with Paramus to tie. Trailing 1-0 with five minutes left in the fourth quarter, Belleville came back when Matt Kasner scored off a corner kick from Enzo Vian.

Rocco Constantino played the entire game in goal for Belleville, playing very well.

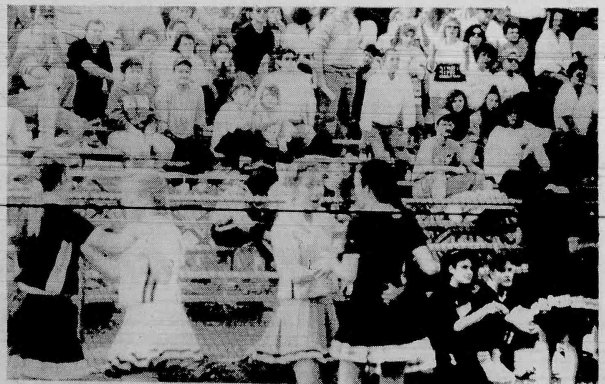

The junior varsity team stopped Paramus 1-0, with Greg Delnotte scoring the lone Belleville goal. Goalie Michael Percio was credited with the shutout. Sweeper Chris

Imperatrice played a solid game for the Belleville defense.

The JV season ended with a 2-2 tie against St. Joe's. Belleville led 2-0 on goals from Nicolai Castro and Diego Peredes, but St. Joe's came back in the second half to tie the game.

Percio was the goalie once again. "It was a family atmosphere on the team this year," DePinto said. "We had fun, and I told the kids that's the most important aspect. The victories will come, but they should enjoy playing the game first."

Murphy, Pizz lead celebration

Cheerleading captain Jenna Murphy (2nd from left) and co-captain Michelle Pizzi (1st to her friends) find dance partners after Belleville scored winning touchdown in 4th quarter at Teaneck.

Hall of Fame will honor 11 next Friday

By Mike Lambert
The annual Belleville Hall of Fame Dinner will be held next Friday, November 16, at the Chandelier. Tickets can be purchased at the main office of Belleville High School, 100 Passaic Avenue, Belleville. The dinner will commence at 7 p.m.

This year's inductees are Donna Stone, Donna Brooks, Michael Murphy, Galo Calvache, Santiago Borja, Frederick Riccio, Dominic Ceretto, Karen Portuese, Joseph Catalano, Joseph Zarras and Joseph Troise.

This week, we'll begin to profile the inductees in the first of a two part series.

JOSEPH ZARRA: A 1969 graduate of Belleville High, Zarras was an outstanding wrestler for coach Jim Silvestri in the early days of the program from 1966-69.

After graduation, Zarras started and coached Belleville's Recreation wrestling program from 1971-79. During those years, the team produced one national champion,

two state champions, two state runners up and over 100 District champs.

Many of these young wrestlers went on to star on the Belleville varsity. Most notable are state champs Chris Musmanno and Mondo Nardone.

Zarras served as an assistant wrestling coach at Belleville High from 1974-78, coaching for Silvestri and then Gene D'Allesandro.

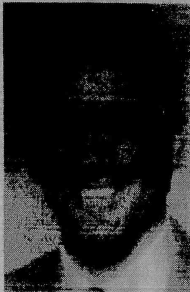

After a stellar coaching career at Belleville, Zarras moved on to Seton Hall Prep, then became the head coach at Lyndhurst.

In 1982, Zarras was named the head coach at Nutley and helped that program into prominence. The Raiders became a consistent winner, producing many all league, district and regional champs. In 1985 and again in '87, Zarras was named District coach of the year.

At Nutley, Zarras is a member of the Special Education department and also is an assistant football and crew coach.

Zarras has worked numerous

wrestling camps and clinics and serves as an officer of the New Jersey Wrestling Coaches Association and was an assistant coach of the New Jersey team against the Polish and Japanese School Boy National teams.

Joseph Zarras

Zarras was graduated from Montclair State with a Bachelor's Degree. He later attained his Master's from Seton Hall University.

Joe is married to the former Donna Cervasio. He has two daughters, Erica, age 8 and Jessica, 4.

Zarras' brother-in-law, Alan Cervasio, was inducted into the Hall of Fame three years ago.

DOMINIC CERETTO: A 1985 graduate of Belleville High School, Ceretto was an outstanding wrestler for coach Gene D'Allesandro.

Ceretto, who comes from a fine wrestling family, won 81 matches at Belleville during his varsity career. After graduation, he moved on to Rutgers University, where he won an incredible 114 matches in a four year career.

At Montclair High, Ceretto won district and regional titles.

KAREN PORTUESE: A 1979 graduate of Belleville High, "Port" was an outstanding basketball and track performer.

In basketball, she was named second team, all county in 1979. She also earned Honorable Mentions from the local newspapers from 1976 through '79. Portuese was named the MVP of the 1978 Christmas Tournament.

In track, she won a bronze medal in the javelin at the Essex County Invitational in 1979. She threw the javelin 103'9". In dual and triangular competitions, Portuese finished in first place 26 times. She was second five times and third twice.

In the Group IV, Section II tournament, Portuese finished in fourth place with a javelin throw of 106'. That throw is still a girls' track record at Belleville High.

Portuese is also an excellent coach at Belleville. She has been the freshman girls' basketball mentor since 1983. In 1988, she also began coaching the JV team and she has been the assistant track coach at Belleville since 1984.

SANTIAGO BORJA: A 1984 graduate of Belleville, Borja enjoyed a tremendous high school soccer career.

He captained the 1983 squad which posted the best record in Belleville soccer history to date. In 1982, he was named second team, all NJUIL, second team all county and Honorable Mention, all area.

In '83, Borja was selected first team all NJUIL, first team all area, first team, all county and second team all county by the Star Ledger.

Borja was also selected as one of the top 33 players in the state and was selected to the National Regional team by the State Coaches Assn.

Borja went on to a stellar collegiate career in 1984 at the University of Connecticut. He participated in several Big East tournaments and several tournaments on the national level.

The New York Cosmos of the North American Soccer League drafted Borja on the fourth round of the '84 draft.

At Belleville, Borja scored 48 career goals, including 22 in that banner '83 campaign. In attained the "hat trick" on three occasions during his high school career.

Borja is the younger brother of "Chico" Borja, who was graduated from Belleville in 1977 and later starred for the Cosmos. Chico is now a standout player in the Major Indoor Soccer League.

DONNA BROOKS: A 1985 grad, Brooks enjoyed a marvelous athletic career. In softball, Brooks was named all county for three years and all area for one year. She attained all state honors in her

senior year and played for two county championship teams in 1982 and '83.

Brooks played volleyball, basketball and softball at Belleville. She had outstanding leaping ability and even though she is 5'7" tall, quite often coach Karen Fucello would use Brooks in the pivot.

After graduation, Brooks moved on to Montclair State College, where the accolades continued.

She earned first team, Division III honors and was an All American outfielder. Brooks holds many school hitting records and is known as one of the best to ever play at Montclair State College.

GALO CALVACHE: A 1980 Belleville grad, Calvache was an outstanding soccer player for coaches Tony Cahill and Tony DeAquino.

In 1977, Calvache earned Honorable Mention honors for the Big 10 conference. In 1978, he was named to the All County team and in '79, Calvache was named first team all county, first team all area, second team, Group IV, Section II and second team, All Group IV. Calvache was the captain of the '79 team, also.

In 1980, Calvache played with the New Jersey Gunners state championship team.

JOSEPH TROISE: A 1973 Belleville High grad, Troise starred for some good Bellboy football teams.

In 1971, he led the team in scoring and touchdowns. Troise had 15 receptions for 337 yards.

In '72, he once again led the Bellboys in scoring.

After graduation, Troise moved on to Keon College, where he enjoyed a stellar career. In '74, he finished first in the nation in punt returns with a 28.5 yard average. He was also selected first team NJAC All Conference for kick returns and second team for running backs.

In '75, Troise rushed for 640 yards, setting a new Keon College record. He was named first team, NJAC running back.

In 1976, he finished third in the nation for kick returns. Troise was selected first team NJAC All Conference for kick returning and running back.

In his senior campaign, Troise enjoyed similar statistics, including

Joseph Troise

being ranked third in the nation for kick returns.

He is a current NCAA Division 3 record holder for punt returns with a 28.5 yard average for 342 yards set in 1974.

In a game against Trenton State in 1977, Troise totaled 321 yards, with 145 rushing, 150 in kick returns and 26 yards in receptions. During his college career he had eight games of 100 or more yards rushing.

Troise played semi pro football for the New Jersey Rams of the Mid East Football Conference. In 1979 and '80, he was selected the MVP of the team and was selected to the All League team.

Troise also had tryouts with the NFL's Cleveland Browns, New York Giants and Kansas City Chiefs.

Next week, we'll take a look at the remaining inductees.

A member of the Belleville Band gives a natural pose during last Saturday's football game at Teaneck. Band has been nothing short of marvelous this year, under the direction of band leader Joe Kraemer. Recently, the band won a competition at Bloomfield. We'll have a feature story on the band in an upcoming issue.

Belleville linebacker Mike Citarella takes a well deserved break during last Saturday's hot game at Teaneck. Sitting by Citarella are John Alvarado and Carl Harris. All three men have been excellent on defense this year.

TAX SALE
NOTICE OF SALE OF PROPERTY FOR NON-PAYMENT OF TAXES, ASSESSMENTS AND OTHER MUNICIPAL LIENS.
PUBLIC NOTICE IS HEREBY GIVEN that the undersigned, Collector of Taxes of the Township of Belleville, in the County of Essex, will sell at public auction in the Council Chambers in the Town Hall of said Township on
TUESDAY, DECEMBER 4, 1990
at 11:00 A.M. the following described lands:

Said lands will be sold to make the amount of municipal liens chargeable against the same on the first day of July, 1990 as computed in the following list together with interest on said amount from the first day of July to the date of sale and costs of sale.

Said lands will be sold in fee to such persons as will purchase the same subject to redemption at the lowest rate of interest, but in no case in excess of eighteen per centum annum. The payment for the sale shall be made before the conclusion of the sale or the property shall be resold.

Any parcel of real property for which there shall be no other purchase will be struck off and sold to the Township of Belleville in fee for redemption at eighteen per centum, and the municipality shall have the same remedies and rights as other purchasers, including the right to bar or foreclose the right to redemption.

The sale is made under the provision of an act of the Legislature entitled, "An Act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the collection thereof by the creation and enforcement of liens thereon." (R.S. 54:5-10 to 54:5-11.)

At any time before the sale the undersigned will receive payment of the amount due on any property, with the interest and costs incurred up to the time of payment.

The said lands so subject to sale are described in accordance with the tax duplicate, including the name of the owner as shown on the last tax duplicate and the aggregate of taxes and assessments which were a lien thereon the first day of July, 1990, exclusive, however, of the lien for taxes for the year 1989 are listed below:

Given under my hand this First day of November, 1990.

Refuse collection rules outlined

Knowing where and when to place trash is half the battle in keeping Belleville clean. Here, according to the Health Department, are the most common collection problems, and the regulations defining who is responsible for what in the township waste stream.

A. GARBAGE COLLECTOR is responsible for:

1. All Household Waste
2. Rags cut in 4 ft. lengths tied in bundles not more than 40 lbs.
3. Furniture and Bedding.
4. Bulk Items: NOT more than one bundle per pick-up will be collected at curbside. The bundle must be securely tied, not weighing more than 40 lbs.

B. DEPARTMENT OF PUBLIC WORKS:

1. White Goods: Refrigerators, stoves, water heaters, washing machines and dryers may be placed at the curb for pick-up by the Department of Public Works. Call 450-3412 to arrange for pick-up.
2. Garden Debris, Brush and Grass Clippings: Must be placed in separate containers not weighing more than 40 lbs. per container. Brush must be tied in bundles not more than 4 ft. in length, not more than 40 lbs. per bundle. All of these items must be separated from household garbage, and must be placed on the curb, not in the street. The Department of Public Works will collect these items on your FIRST scheduled garbage collection day.
3. Discarded Tires: Tires may be brought to the Department of Public Works at 560 Cortlandt Street for disposal. No tires will be picked up at curbside. Resident identification is required.

C. HOMEOWNER:

CONSTRUCTION Debris: The removal and disposal of debris generated by home improvement projects is the sole responsibility of the property owner. All plumbing fixtures are classified as construction debris and will NOT be picked up if placed at the curb. Proper disposal is the responsibility of the homeowner.

Planning helps home buyers buy wisely

It's not an exaggeration that the purchase of a home is the biggest investment most of us make. It would be an exaggeration to suggest that we must approach the process with the thought and analysis that such an investment should justify.

The extra effort is well worth it. While long term home ownership is a profitable investment for most Americans, responsibilities come with the investment. For some the lower maintenance of a townhome or condo is an alternative. Prospective buyers should sit down and do some careful life style analysis before making a

commitment which usually carries significant penalties for those who change their mind quickly. *The Home Buyers Plan*, published by the American Homeowners Foundation, offers exercises to help those considering the decision determine whether home ownership is right for them.

Financing is explained as are the pros and cons of various types of loans such as ARMs and graduated payment loans.

The book also contains helpful exercises to help buyers gauge the relative importance of various features they might desire in their home.

The chapter on negotiation is particularly helpful to home buyers. Real estate brokers and listing agents represent the sellers. In most cases the real estate agent who is working with the buyer is required by his or her professional association to represent the seller. He or she must divulge to the seller pertinent information provided by the buyer which will help the seller get the best price.

Buyers may think some of their remarks of this type will be kept in confidence, but they won't. This leaves buyers outnumbered four to one (one buyer versus one seller, the buyer's agent, the seller's agent, and a broker). Under such circumstances buyers need to learn the art of negotiating, particularly since there is so much experience in the seller's corner.

In addition to five work sheets, the 85 page book also includes a glossary which explains the many real estate terms home buyers will be dealing with in the process of buying a home.

Established in 1984, the American Homeowners Foundation represents American homeowners, prospective homeowners, and home sellers. It is dedicated to helping them make the wisest and well informed decisions regarding what for most Americans is their greatest financial investment. The American Homeowners Foundation is an independent non-profit educational and research organization.

The Home Buyers Plan is 85 pages and costs \$9.95. It may be ordered from the American Homeowners Foundation, Dept. W, 1724 South Quincy Street, Arlington, Virginia 22204.

WASTED YOUTH.

The Home Front

By Nina Kaeser

Did You Know??

When planning a sunroom or gree house, it's best to choose a location with a southern or western exposure, to get as much sunlight as you can. On a water front, an eastern exposure might work, too.

When buying a paintbrush, inspect the tips of the bristles. On a better brush, the tips will be "flagged" — slightly frayed. Flagged brushes hold more paint and lay it down more smoothly.

Ceiling too high? No need to install an expensive dropped ceiling. Just add a simple molding at an eight-foot height and paint the walls above it a different color.

How to find wall studs for installing paneling or other home repairs: drill small holes in the walls, once you locate one stud, look for others at 16-inch intervals around the room.

Successful decorating "rule" — living room or other social seating should be arranged so that no seat is more than eight feet from another. For large rooms, consider several groupings.

Successful home selling "rule" — list your property with the real estate pros with a top reputation, like the folks at Century 21 Stanford Agency, 86 Union Ave., Nutley. 235-9000.

The switch is on to gas heat

- Today's gas costs less than it did 6 years ago!
- Gas is convenient — as much as you need, always there!
- Gas is reliable
- Gas is natural — burns clean and efficiently!
- We're gas conversion specialists, with years of experience!

Now's the perfect time to make the switch, and it costs less than you think.

PERSONAL NOTICES

PRAYER OF APPLICATION TO THE HOLY SPIRIT

Holy Spirit who solve all problems, who light all roads so that I can attain my goal. You who give me the Divine gift to forgive and to forget all evil against me and that in all instances of my life I never want to be separated from you, even in spite of all material illusion. I wish to be with you in eternal Glory. Thank you for your mercy toward me and mine. The person must say this prayer for 3 consecutive days. After 3 days the prayer request will be granted even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor, or your initial should appear at the bottom.

BOY SCOUTS OF AMERICA

SCOUTING FOR FOOD

A National Program Conducted by The Boy Scouts

To Help Fight Hunger In America

On Saturday, November 10, Boy Scouts will be knocking on doors of homes throughout America. They will explain this program and ask for canned food donations. We ask for your generous support of this worthy effort. Please contact your local Boy Scout Council for more information.
