Did 'Evil Eye' turn on the Junta?

Council majority fumbles attempt to oust four officials; Mario raps Doc for trying to scuttle Silver Lake's rehab

By Howard Klausner

Council President Dr. Frank Noonan is a man of medicine and obviously disdains superstition, but how do you explain what befell him at Monday night's special session of the Township Council?

Was a "male occhio" - the Evil Eye - cast upon him when someone left a headless goat on the front lawn of his office last week? According to Domenico Malinconico, a scholar on Italian folklore, a headless goat means that the recipient is "talking through the rear end of the animal" and is deserving of ill luck.

Dr. Noonan personally drew up the agenda for the evening session, the first time he has done so since achieving the title of Council Presi-

dent.

The main item was the introduction of an ordinance to eliminate the positions of Township Engineer, Assistant Engineer, Township Planner and Neighborhood Rehabilitation Coordinator.

The ordinance was intended to cap the actions of the Council majority - Mayor Marina Perna, Deputy Mayor Mario Drozd and Councilman Charles Cerami - in first firing Township Attorney Vincent Nuzzi and then forcing the resignation of Township Manager Bertrand Kendall.

It would have meant that the goal of firing S. Stanley Stires as Engineer and Public Works Director; Vincent Vologgio as Assistant Engineer; Robert Ringelheim as

Township Planner and Building Code Enforcement Agent, and Robert Shumeyko as Neighborhood Improvement Co-ordinator would be achieved by Mayor Perna and Dr. Noonan.

Instead, the introduction of the ordinance brought immediate ridicule from Councilman Jim Messina, who has been a vocal critic of the Council majority, and the ridicule was repeated by Deputy Mayor Drozd.

Noting that eliminating the post of co-ordinator meant that Silver Lake would lose a \$100,000 rehabilitation grant, Drozd said, "I'm not giving up this grant. I only wanted to make the engineer's job part-time, not to abolish it. This ordinance is not well thought out."

No comment came in rebuttal from Dr. Noonan, Mayor Perna or Councilman Cerami.

Messina jeered Dr. Noonan, saying, "Who would replace them with? Is it Sam Papa? Point them out? Bob Shumeyko is doing a hell of a job. Who would you put in his place?"

At this point, Mayor Perna joined the opposition to the ordinance. "We need a co-ordinator," she said.

Township Attorney Robert Giordano advised the Council to retire to private session to discuss its options.

The upshot was that the Council may leave it up to the next Township Manager, whoever and whenever that may be - to evaluate the present administrators,

The Council was faced with the unusual factor of opposition to Ringelheim's ouster from both the Belleville Chamber of Commerce and the Planning Board.

The Chamber sent a letter to the Council specifically asking that Ringelheim's services be retained.

The Chamber cited Ringelheim's respect in the business community and his efforts to maintain building standards.

The Planning Board voted - with three abstentions - to ask that the Council keep the post of Township Planner. Abstaining were Mayor Marina Perna and Councilman Charles Cerami, who serve on the Planning Board, and Victor Canning. Among those voting were Chairman Sam Papa, who helped

orchestrate the ousters of Vincent Nuzzi as Township Attorney and Bertrand Kendall as Township Manager.

The statement issued by the Planning Board was:

"The Planning Board recognizes that the functioning of the Board would be severely hampered by either the elimination or the limiting of the Director position to part-time status...The Planning Board also recognizes the job functions and advice currently provided by the Director are professional and timely."

The next meeting of the Council will be on Sept. 22 at 8 p.m. in School 7. The major topic will be the presentation of the annual budget.

French firms will be 'advised' to explore Belleville location

As an outgrowth of the Josiah Hombler Day celebration on Aug. 13, when French officials were invited to attend festivities here as honored guests of the Belleville Renaissance Committee, Commercial Attache Jean-Christophe Potton has announced that preference will be given to Belleville as a possible site of investment for French businesses.

Attache Potton informed Louis Cicenia, owner of Charles Jeweler and chairman of the Renaissance Committee, that Belleville will be investments."

The availability of factory space is another important attraction,

Mr. Potton said.

He said he would advise potential investors, "Go to Belleville. Call Mr. Cicenia. Learn about Belleville."

Cicenia said that efforts are now underway to make a group visit to Washington, D.C. to meet members of Congress and pursue federal recognition of Belleville as the Birthplace of The American Industrial Revolution.

As Commercial Attache, Mr. Potton is consulted in an advisory capacity by French businesspeople who wish to establish offices in the metropolitan area, or enter into manufacturing and other

enterprises.

France is the second largest overseas investor in New Jersey, according to New Jersey Business Magazine.

Mr. Potton said that Belleville's location near the city but far from its urban problems is a strong reason to endorse it.

Perhaps as important, he said, was the welcoming attitude of the people of Belleville.

"I have met the Belleville people," Mr. Potton said, "and I have seen how they are open to considered a prime location for any French firm wishing to do business in the New York metropolitan area."

Child identification scheduled Sept. 26

Deputy Mayor Mario Drozd has announced that a free Child Emergency I.D. Program will be held 9 a.m. to 3 p.m. on Sept. 26 at the Recreation House, 407 Jerusalem St.

Drozd stated that the photo and fingerprinting session is voluntary.

Parents must sign permission slips.

The child's photograph, personal description and thumb print will be placed on an I.D. card the size of a credit card and then laminated.

The card is for the parents to place in a safe location. In case of an emergency, such as the child's disappearance, the card will aid police in their efforts to find the child.

The event is in cooperation with the Essex County Crime Prevention Officers Association, which will supply the equipment.

Belleville police and the Essex County Sheriff's office will do the fingerprinting.

Deputy Mayor Drozd said he will supply volunteers.

This is a free service offered to members of the community and to non-residents as well.

This is the seventh consecutive year that Drozd has been involved with the program.

Toni Marrone elected GOP chair

Under the supervision of retired Superior Court Judge Paul Thompson, Toni Marrone was elected Chairperson of the Belleville Republican Party, on Sept. 10.

Her opponent, former Chairman Richard Yanuzzi, did not attend the meeting of Belleville Republican County Committee members at the Belleville Elks Club.

The election was by a show of

hands, and the 32 persons present were unanimous for Mrs. Marrone.

Victor Canning, a member of the Planning Board, was elected Vice Chairman. Phyllis Frantantoni was elected Secretary, and Mary Susan Bloesch, treasurer.

Joseph Del Guercio was elected Sergeant-at-Arms.

Essex County Republican Chairman John Renna attended

the meeting.

The election was ordered by Superior Court Judge Alvin Weiss after Mrs. Marrone and other County Committee members protested an election in which Yanuzzi was elected by paper ballot, 27 to 25.

Marrone supporters claimed that they had 31 votes for Marrone, and the issue finally went before Judge Weiss.

Orechio picnic Sept. 20

Carmen Orechio

There will be lots of good food, drinks and entertainment at the annual Carmen A. Orechio Association picnic which will be held on Sept. 20 at the FIT picnic grounds on Washington Avenue in Nutley from 1 to 5 p.m., said Dorothy Quigley, a spokesperson for the group.

The Orechio Association was formed to promote charitable endeavors in Nutley and the surrounding towns while Carmen Orechio was a New Jersey State Senator, she added. "The organization, which is non-political, continues to award scholarships to graduating high school seniors and contributes to worthy causes, particularly those involving handicapped children," Quigley said.

Tickets for the September 20th event are \$12 for adults, \$6 for children ages 6 to 12, and children under 5 years are admitted free.

The picnic will be held rain or shine.

Aside From That

By: Howard Klausner

The World of The 21st Century is burbling away right here in Belleville. Just as Josiah Hornblower brought the Age of Steam to America here in Belleville, nearly 250 years ago, the Age of The Fuel Cell and Hydrogen Power is in its infancy at a local research center. H Power Corporation, founded in 1988 aims to replace the world's air polluting internal combustion machines with - in the words of the scientists - "non-polluting, highly efficient, alternative-fueled products". Oil and gasoline would be replaced by the most plentiful substance on Earth - hydrogen. Besides being plentiful because hydrogen is found virtually everywhere, in water, soil and air, hydrogen burns without leaving any appreciable pollutants behind. The problem has been to release it economically, store it and apply it. There are plenty of gasoline engines that can be adapted to burning hydrogen instead of gas, but H Power Corp. goes beyond that, developing new kinds of engines in which combustion does not occur, but energy is still released. The answer is the "proton-exchange membrane fuel cell". The PEM Fuel Cell looks like a stack of thin disks and it works in silence. The disks consist of two different metallic substances coated on opposite sides. A chemical reaction that occurs within the disk is transformed into heat energy and conveyed to various other devices to channel the energy to whatever purpose is intended. Another kind of fuel cell, using phosphoric acid to generate power, is now being readied to operate a passenger bus. The bus will operate on a huge battery which will use constantly regenerated energy from methanol, a low-pollutant. A tiny PEM Fuel Cell could operate a flashlight for a lifetime. A larger one could air-condition a house or propel a passenger liner. In time, these fuel cells could make power lines obsolete. According to Frank Mercado, the chief scientist at H Power Corporation, the comparative fuel cost of operating an automobile with hydrogen would be 40 cents a gallon. This would be under present technology, using existing gasoline engines. The use of fuel cells in future transportation would be even more economical. "And you would be doing away with the cost of pollution and clean-up and everything else that goes with petroleum fuel," Mercado said. He picked Belleville as the site of the research center because of its location. "It's an excellent place for transportation, especially for someone like me who is flying to Europe all the time. Also, it's near enough to my home so that I can bicycle to work." Mercado, a native of Brooklyn, entered the field of hydrogen fuel energy through the theater. He was a lighting director and designer in theater, and became a leading figure in the business, with a number of patents to his credit. A few of the people now working for him as computer experts came from the theater, as well. "Mike, over there, was a featured dancer in Chorus Line. 10 years ago." The leap of imagination required for the new technology may require a theatrical turn of mind. Mercado sees himself in a missionary role, bringing the new technology to a world drowning in the fumes of combustion machines. "Petroleum is a wonderful product, and it should be used to make things, not to be burned up," Mercado said.

Randie Albert in the Navy

Navy Seaman Recruit Randie Albert, son of Randy Albert of Belleville, recently completed basic training at Recruit Training Command, Great Lakes, Ill. During the cycle, recruits are taught general military subjects designed to prepare them for fur-

ther academic and on-the-job training in one of the Navy's 85 occupational fields. Studies include seamanship, close-order drill, naval history and first aid. Albert joined the Navy in May 1992.

Clara Maass observes Rehabilitation Week

Clara Maass Medical Center joins hospitals across the country in recognizing National Rehabilitation Week, Sept. 13-19.

National Rehabilitation Week offers an opportunity to celebrate the determination of the more than 43 million people with disabilities in America. It is also a time to salute the dedicated health care professionals who provide rehabilitation care and an occasion to call attention to the unmet needs of our nation's citizens with disabilities.

In observance of National Rehabilitation Week the Depart-

ment of Rehabilitation Medicine at Clara Maass Medical Center will conduct a department tour, and offer free blood pressure checks, flexibility testing and speech & hearing screenings. This event will take place on Sept. 20 in conjunction with the Medical Center's 2nd Annual Family Health Fair.

Held on the upper deck of the Medical Center's parking deck the fair will also feature health lectures, medical demonstrations, fingerprinting of children and a visit from the Northstar Medevac Helicopter.

High Holy Day services set at Ahavath Achim

Hannah Ferkso, President of Congregation Ahavath Achim of Belleville, has made the following announcements:

High Holy Day services to usher in the Jewish New Year 5753 will be conducted by Rabbi Dr. Kenneth Simkes, assisted by Mitchell Radinsky. Joseph Shisles is Ritual Chairman. Mrs. David Robbins is chairman of the Seats and Rentals Committee, in charge of tickets for seats for the High Holy Day Services. Seymour Grossman is chairman for the Kol Nidrei pledges.

Mrs. Robbins has announced that there are a limited number of seats available for non-members of the Congregation. Tickets are required for all services, including Yizkor.

Following is a full schedule of High Holy Day Services:

Selichot - Saturday evening, Sept. 19, at 12 midnight.
Preceded by a General Congregation Meeting at 10 p.m. and a Coffee Hour at 11 p.m.
Rosh Hashanah - Sept. 27 at 6:35 p.m.; Sept. 28 at 8:30 a.m.; Sept. 28 at 6:40 p.m.; Sept. 29 at 8:30 a.m.; Sept. 29 at 6:40 p.m.
Kol Nidrei - Oct. 6 at 6 p.m.
Yom Kippur - Oct. 7 at 8:30 a.m.

Golden Comments

By Jim Golden

A new biography of President Harry S. Truman refutes the myth that "The office made the man"... Truman's greatness was a product of his goodness, his straight-ahead respect for the public, respect expressed in decisions briskly made and plainly explained. The man from Independence had none of Willa Cather's impulse to flee from, or Sinclair Lewis's contempt for, small town life in the middle of the nation. Truman generally felt "as good as an angel full of pie." This son of the middle border illustrated the often disorienting - although not to him - acceleration of American history. He was born into a household of Confederate sympathies in 1884, when memories of "bleeding Kansas" were still fresh. He would cause the thunder-clap that announced the nuclear age. He died three years after Americans left footprints on the moon.

In 1901, when Truman was in high school, the local paper editorialized: "The community at large need not be especially surprised if there is a Negro lynching in Independence. The conditions are favorable at this time. There are a lot of young Negro men in town who do nothing." Truman became the first President to address the NAACP. He desegregated the armed services, backed a civil rights plank in the Democratic platform strong enough to provoke the Dixiecrat revolt, and became the first major party candidate to campaign in Harlem. Of course, many liberals didn't much like him... Liberals are like Matthew Arnold, of whom, when he died, a friend said, "Matt's gone to Heaven - but he won't like God."

Like most Americans who were young when the automobile was, Truman loved roads. He built lots of them when he went into politics at the behest of Kansas City's Pendergast machine. Its breathtaking corruption made his honesty legend. He could have skimmed a million dollars from contractors, but he left office poorer than he entered it.

He left to win election to the

Senate in 1934, to serve the New Deal and his state, where 90 percent of the farms had no electricity. Roads, rural electrification - these were the stuff of governance in the bad old days. Truman was silent about "family values." Must have hated families.

The man who in 1944 engineered the replacement of Henry Wallace by Truman as FDR's running mate knew FDR was dying. So did Truman after Aug. 18, 1944, when he took lunch with FDR at the White House, beneath a magnolia tree said to have been planted by Truman's hero, Andrew Jackson. That day Truman, from the Missouri Mark Twain and Jesse James, watched FDR, from the New York of Edith Wharton and J.P. Morgan, unable to pour cream into his coffee, so badly did his hands tremble.

Truman was the last president we shall have who spent adult years handling a horse-drawn plow. He may have been the last president not educated beyond high school. However, he certainly was more learned - better read - than any subsequent president has been. He read Plato and Cato and other classics and devoured histories. The high-octane rhetoric of his 1948 campaign welled up from his passionate identification with Andrew Jackson and William Jennings Bryan. That is, it came not from pollsters and campaign consultants but from convictions (many of which may have been mistaken) rooted in long-lived American themes. Thomas Dewey's speeches were Plabium beyond caricaturing. "Our streams abound with fish." "The miners of our country are vital to our welfare."

Which brings us to another reason why so many people today are seeking the company of McCulloch's "Truman." George Bush's linguistic syntax precisely expresses his thinking. Bill Clinton's truth-shading and hairsplitting rhetoric of crafty precision is calculated to produce puffs from the maximum of factions. McCulloch's readers have retreated into "Truman" to seek relief from two Deweys.

Bela Lugosi strikes again; 'Bats' stop board session

A flurry of small, black winged creatures exploded in the meeting room of the Planning Board at 383 Washington Ave. last Thursday evening, when someone opened a window.

Planning Board Chairman Sam Papa immediately identified the intruders as bats, an action sufficient to clear the room.

Papa demanded that Health Officer Thomas Luongo fumigate

the room, and this was done. Examination of the tiny bodies found in the room indicated that the premises were not infested with bats, but with locusts.

Locusts have their detractors, but they do not rank with bats as symbols of the occult.

The next casualty was the Zoning Board which decided to cancel Tuesday night's meeting. Too many fumes, was the reason.

Klein blasts Bubba on education votes

Herb Klein, the Democratic candidate for Congress in New Jersey's Eighth Congressional District, released information today showing that State Senator Joe Bubba has consistently voted against proposals to improve the quality of education in New Jersey.

"The record is clear," said Klein. "Throughout his 11 years as a legislator, Bubba has voted time and time again to kill proposals that would have raised educational standards and generated new jobs. Whenever a measure might have offended some special interest group, he put his political career first and the interests of our school children second."

Klein noted that in 1987, Bubba cast one of the key votes against a proposed law (A2926, S1087) that would have given the New Jersey Department of Education the authority to assume control of school districts that frequently fail state inspections. The law, which was one of the major legislative initiatives of former Governor Tom Kean, was strongly opposed by teachers' unions because it placed quality of education above job security for local school officials.

"That law would have led to a huge improvement in New Jersey's education system, but the special interest groups hated it," Klein said. "So they put heavy pressure on Bubba to vote against the measure. Like the career politician that he is, Bubba immediately caved in to their demands."

Klein also criticized Bubba for holding a narrow-minded view on education expenditures. "Whenever Bubba votes against an education bill, he says he does so in order to save the State some money," he said. "What he doesn't understand is that there is a difference between saving a few dollars

now and investing money for the future. Every dollar spent on education helps make the American work force smarter, more productive and more competitive in the long run. It also creates better job opportunities for people by giving them marketable skills."

Klein said that one of his top priorities in Congress would be passage of a law guaranteeing a college education to every American who wants one. "During the last decade, most Americans have seen their incomes decrease," he stated. "At the same time, the cost of attending college has skyrocketed. For a lot of families, sending the kids to college has become an impossible dream."

The new law would replace existing student loan programs with a "National Service Trust Fund." Those who borrow from the fund would have the option of paying it back by subtracting a small percentage of their income over time,

or by performing community service as teachers, law enforcement officers or health care workers.

The current student loan program has become very bureaucratic and inequitable," Klein said. "In addition, many students never pay back their loans. This proposal would allow students to obtain college educations and give them the option of paying off their debt by doing something constructive for society. Everyone would benefit."

Klein warned voters not to be fooled by Bubba's rhetoric when they make their decisions in November. "When it comes to education, Bubba's record is pretty dismal," he said. "Anyone who has been to school in Paterson, Passaic or one of New Jersey's other major cities could tell you that. The last thing we need is another do-nothing politician in Washington voting against education. We must act now to ensure that we succeed in the future."

Just some of the staff that will make dining at El Patio a pleasurable experience — Shown from left are Marco Antonio Orozco, cook; Marion Blodgett, bartender; Jose Caomano, owner-chef; Antonio Ramos, manager; and Victor M. Paris, head waiter.

CCB sets health session

The Concerned Citizens of Belleville will sponsor an Eye Bingo Program, Sept. 24, 7:30 p.m. at the Belleville Elks Club, 254 Washington Avenue.

The Northern NJ Eye Institute has created an exciting, educational game that allows its participants to have fun and win prizes. In addition, as often as possible, one of the doctors attends the lecture and conducts a question and answer session.

The game, called Eye Bingo, is played just like regular bingo with a few exceptions. Instead of numbers, words relating to eye care and eye disease are used.

When each word is selected, a brief and informative description of how that word relates to eye care/disease is presented.

Winners are determined much like regular bingo. Food store certificates are awarded to game winners. Every May there is a drawing for a color TV.

Instruction is given to participants on how to use the take home self-administered eye tests.

All CCB members are urged to attend this presentation. A regular meeting will follow.

All Belleville residents are also invited to attend.

Christ Church to hold party

Christ Church, 393 Washington Ave., has announced that it will hold a "Welcome Back From Summer" party on Sept. 20, beginning at 5 p.m. in the Parish Hall, and featuring a special appearance by the DuBarrys. The party is free and open to the public.

There will be music, dancing, food and fun as the last fling of summer welcomes back old friends and new.

The DuBarrys will also appear that evening bringing their Mills Brothers-style music and singing to entertain you. They will perform a number of standards and "golden oldies."

The DuBarrys are led by Jimmy Dasaro, who has been seen locally at the Gondola in Nutley, the San Carlo in Lyndhurst and currently at the Branch Brook Manor in Belleville, Friday and Saturday evenings.

For more information about the party, call the church at 751-0616.

New Spanish restaurant delights

El Patio Tavern, located at 35 Harrison Street, Belleville, opened its doors on July 10, offering a great selection of Spanish cuisine.

Jose Caomano, the chef and owner, worked as chef at the Don Pepe Restaurant in Newark for eight years, where he learned his

cooking skills.

Among the items on the menu are Pacia, Shrimps in Garlic Sauce, 3 lb. Steak, Chicken in Rice, and daily Lobster and Seafood specials, just as one would find in the Spanish restaurants "Down Neck."

El Patio Tavern is open seven days a week for lunch and dinner and will make accommodations for small parties.

El Patio also offers catering for any size party, as well as gift certificates.

Wesley School starts Sept. 20

Wesley United Methodist Church, located at 225 Washington Avenue, just across from the Library, will open its Sunday school for children of all ages on Sept. 29, at 10 a.m. It is the same time as the Worship Service so that the parents can attend church.

It is important that the family attends church together. Wesley wants your children and you to become part of their church family. If you are interested in working with children or you have any ideas you would like to share please contact Carol Smith at 759-6908.

Health screening Homecare

Homecare Medical Supply will hold a Health Screening on September 19, between 10 a.m. and 4 p.m. It will be held at 345 Kearny Avenue in Kearny.

Three types of screening will be available: Cholesterol Testing, Blood Glucose Testing, Blood Pressure Testing.

Also, the Mayor is expected to visit at 10 a.m. for the Grand Opening Ribbon Cutting.

OUR OPINION

A wonderful achievement

With all the negative publicity that Belleville has been getting, due to the unconscionable power grab by the Council majority - the infamous Junta - the good things may be overlooked.

With very little participation by the town government, the Belleville Renaissance Committee created a celebration of Belleville's history with Josiah Hornblower Day.

Many asked why the French Consul in New York City, Mme Marie Charlotte Bolot, and the Trade Attache, M. Jean-Christophe Potton, had been invited to the event.

As Committee Chairman Louis Cicenia noted, the name of Belleville had been given to this community by Mr. Hornblower who recognized that France had played a considerable and even deciding role in the American Revolution.

It seemed fitting to invite the representatives of France to the occasion.

Now it seems that this gesture of friendship has been reciprocated.

Attache Potton has announced that Belleville has been designated a preferred city - possibly the preferred city - for recommendation to French investors and entrepreneurs interested in locating their organizations in the New York Metropolitan area.

M. Potton has stated that he will advise any French firm to explore the possibilities of locating in Belleville.

Much of this is basically because of Belleville's location.

It is near enough to New York City to be within a few minutes drive, and it has access to transportation by land, sea and air to make it desirable to any busy organization in touch with the world.

But even more important, in Mr. Potton's words, is the "spirit of the people of Belleville. They welcomed us."

The representatives of France saw that they were welcome visitors.

They also realized that they would be welcome residents.

Should any French enterprise come to Belleville, it will have a great impact for the good, and it will mean that the Renaissance Committee was more than justified in its efforts.

And if even no business enterprise develops, the lift it have to the township's morale was well worth the effort.

HK

The courageous Chamber

It took a great deal of courage for the Belleville Chamber of Commerce to ask the Township Council to keep Bob Ringelheim as Planner and Enforcement Officer.

Normally, businesspeople stay as far away from politics and personnel matters as possible. For one thing, there is no desire to offend any customer who might disagree with the position of the businessperson.

And more than that is the often justified fear of retaliation by a politician.

With so many regulations and certifications and approvals required by business owners, it is relatively easy to make life hard for a retailer or a service store, and particularly for any firm that requires license approval.

But the Chamber of Commerce realizes that the preservation of good government is vital to the survival of business and commerce.

Bob Ringelheim has shown how good government can work for the public.

He has been relentless in pursuing violators of building standards. He has been instrumental in the improvement of Washington Avenue and of other retail areas, as well.

Most important, his integrity has never been questioned, and he has built the faith and the confidence of people in their township government.

The businesspeople of Belleville have seen how deterioration and stagnation have damaged the township.

They saw vast improvements in Belleville over the past two years, often because they were so directly affected by those improvements.

Ringelheim is a legacy of the management provided by Bertrand Kendall. But even vocal critics of Mr. Kendall have come to appreciate the work of Bob Ringelheim, and they want to keep him on the job.

The Chamber's action was an act of good citizenship. It should be appreciated by the people - and the customers.

YOUR OPINION

Thanks to school worker

To The Editor,
 Best of luck to Mrs. Rosemarie Perna on her new job.
 I think I speak for the whole School 7 when I say we are going to miss her very much. Good luck!
 Thanks for all your help.
 Ryan DeFalco
 Student, School 7
 (Mrs. Perna has retired as school secretary.)

Warning to vandals

To the editor:
 The Belleville Public Library and other locations on Washington Avenue have been victims of a recent graffiti campaign by unknown vandals. First using wide felt-tipped markers, then turning to the inevitable aerosol spray paint for their defacing of walls, stairways, and windows, these people are costing the library money for chemicals and labor to remove the ugly graffiti from the building and surrounding walls.

At the risk of seeming naive, I am disappointed that our library, which is known throughout Belleville, the county, and state for its beauty and its friendly, service-oriented staff, would be defaced by young people whom we so eagerly welcome to use our books and services.

Belleville has long been able to serve as a model community by using its fortunate location to blend urban and suburban life into a rich mix of people, industry, retail outlets, residential neighborhoods, and parks. But this model is at risk if attackers with spray cans and markers choose to disfigure the buildings of our community.

I recently attended a lecture by the graphics designer who spent two years developing signage and logos for the Brooklyn Public Library. Regrettably, his slides of branch libraries showed ongoing defeat of the library administration in its efforts to clean the ugly work of the graffiti painters. Valuable resources that could be spent improving library collections and services were detoured to holding the line against further physical deterioration. We must try to prevent this in Belleville.

The Belleville Library Board, at its September 9 meeting, made it clear that it will prosecute graffiti vandals and try to recover repair costs to the Main Library and entry to the Shafter Branch in Silver Lake. Parents will be accountable if this defacing is the work of young people. The library means business in this crackdown. We will call the police, we will follow-up. The Library belongs to the people of Belleville, to serve readers, to serve students, and to serve as an information center. Like every other institution in Belleville it deserves to be clean, inviting, and unmarred by ugly visual decay.

David Bryant, Director
 Belleville Public Library

Fornarotto raps Kendall

To the editor:
 The public and the homeowners of Belleville have the right to know the truth and the facts about some of the reasons why our good Mayor and Councilmen accepted the resignation of the highest and the most expensive Manager in the state of New Jersey, Mr. Kendall.

Facts: The people of the Beech Street and Greylock area (4th Ward) wrote to Assemblyman Kelly about the total fire they had on their block on July 3rd. They complained to him that because of a faulty hydrant, (a Ludlow), it took more time for the firemen to hook up by going to the next nearest hydrant for water and they were worried about a second total fire.

Our Manager wrote back to Assemblyman Kelly on August 5, 1992 when found and told him that a list of hydrants were repaired (17) and at the present time there were no broken hydrants. Guess what? On August 21, 1992, a list of hydrants that didn't work, was sent to the Manager and the Fire Chief. Guess how many hydrants don't work? "54". Instead of Mr. Kendall, our Manager, hiring his out-of-town friends for \$55,000, \$65,000 and \$69,300 per year, why didn't he have the hydrants repaired or replaced?

Hydrants that don't work can cost many lives. Mr. Kendall, our ex-Manager, told me a few meetings ago that they started flushing hydrants nights and there wasn't any hydrants that did not work (not true). Mr. Kendall, you lied. A Councilman agreed with Mr. Kendall also at that same meeting.

A savings of over \$600,000 to the taxpayers by our ex-Manager and his supporters could have happened, but it didn't. By not hiring a 2nd planner at \$55,650, and engineer \$69,300 when we have many engineering consultants. A pickup truck for the engineer, a new Jeep, furniture for the engineer (still unused), an engineering assistant - a total of \$168,000 plus a fire engine for over \$400,000 which I hear can't go through small streets.

With the people who retired, I believe we could save the salaries in half, by only replacing half of the amount. Then the employees that didn't have 15 years of service to receive their hospital benefits when they went back to work with a salary. This was a joke. Now they are receiving a salary plus their benefits - costing the township more.

We're off to a good start by saying good bye to our ex-Manager by saving about \$92,000 plus the goodies. I told you so 2 years ago.

Joseph Fornarotto
 Former Commissioner

(Editor's Note: The previous administration managed to spend far more to achieve much less. The Commissioners had 25 years in which to upgrade the water pressure system, and did nothing about it. Mr. Kendall's departure was not because of expenditures, but because he refused to let politicians siphon off those expenditures as was normally done in the past. HK)

• **HERE** are some statistics about the Nutley school system worth preserving: Nutley is a member of the statewide G group consisting of thirty school districts. For the school year ending June, 1992, based upon the average of school children taking the test, Nutley was first in math, first in writing and tied for second in reading. By the time this issue goes to press, the third grade problem in Spring Garden School should have been resolved.

• **HAVING** been a member of a politically active family for more than a half century with two brothers at one time or another running for public office - and winning, I have developed a sensitivity over negative campaign tactics. More often than not, negative campaign tactics involve faceless to sassing, much in the category of the hit-and-run driver. It's just as bad when negative campaigning is engaged in by campaigners who disclose their identities.

The Bush surrogates, almost on a daily basis, losing the election on its merits, are hammering away at what they perceive as Bill Clinton's weaknesses. The fate of a generation hangs in the balance with the results of the 1992 presidential race. Millions of people go to sleep hungry. Millions of Americans are undernourished and living in poverty. In the real, everyday world, the current recession/depression is worse than the Depression of the 1930's. I lived and grew up in that earlier Depression. I have memories of that era - despite the economical condition of the nation, people were relatively happy. Because of a "connection", upon graduation from Nutley High School, I was able to obtain a laborer's job rolling chemical drums from the outdoors to the manufacturing department. What I learned in a year in 1935, I am able to realize in a day in 1992. It may be hard to believe, the world that I was a part of in the 30's was a happier place than in the world in which I find myself today.

Today, people are worse off under the Reagan-Bush leadership. If you are worse off today than you were at any time during the last twelve years, the inevitable choice is for change. A guy or girl with wrinkles in his or her belly is compelled to

vote for Bill Clinton, his weaknesses notwithstanding.

It is during George Bush's watch that the economy is severely depressed. Families have lost their homes due to foreclosures. Unemployed have already exhausted unemployment benefits, received twice - and now only have welfare to look to. Instead of hope, we find people preoccupied with despair. The current college graduates - for the first time in modern times - are worse off than their mothers and fathers. It used to be - the old fashioned way - that parents worked to make life better for their children. In today's world, this vision no longer exists.

• **AT** this writing, national polls indicate that Governor Bill Clinton is leading President George Bush 52 to 37. As time goes on, the split gets more favorable for Clinton. And as the trend continues, the Bush campaign is increasing its negative attacks upon Clinton.

Mort Pye

• **WITH** the recent retirement announcement of the Star Ledger editor, Andy (Henry) Stasiak, the spotlight intensifies upon the chair of the publisher, Mort Pye, who sits at the desk with the sign borrowed from Harry Truman, "The buck stops here." For 35 years, Mr. Pye has managed the Star Ledger in a way that it has become the dominant newspaper for the state of New Jersey and the news and literary quality among the best in the country.

One observer of the scene complains

the Ledger looks "drab and old-fashioned, a jumble.... it's not reader-friendly."

The reader must have had some other newspaper in mind because, while I may not be an expert, with 35 years of newspaper ownership, I find the Star Ledger to be lively, up to date, and its stories are neat and tidy. I have found the Ledger to be reader-friendly. Especially do I appreciate its single issue presentations. Very instructive, very timely and, obviously, very expensive to produce. From my reading of the Ledger over all the years that Mr. Pye has been its publisher, its readers and advertisers, having been so well served, should arrange to toast Mr. Pye at a testimonial dinner in his honor.

• **THE** N. J. State Commission of Investigation has been requested by the N. J. Board of Education to investigate charges that Lyndhurst received a state grant of \$1.45 Million to replace the same amount which was rescinded by Education Commissioner John Ellis. Former Senator Gabe Ambrosio claims Ellis decided to pull the grant under pressure from Republicans, an action that Ambrosio blames for his defeat last year by Republican John Scott. When the town received the money, instead of using it for education, it was applied to reduce the Lyndhurst real estate taxes. The probe now under way by the SCI is intended to determine if any laws were violated, whether any criminal acts were committed, or in the alternative, clear all parties of any wrongdoing or illegal intentions. Of special interest is the N. J. Department of Community Affairs grant to Lyndhurst of \$15 Million which local officials turned over to the Board of Education to repay the commission's grant.

In my judgment, Ambrosio lost the election - like many other competent Democrats - he fell victim to the merciless campaign against Jim Florio's last program. Ambrosio was a lead actor in that drama.

Ambrosio

THEIR MAJESTIES — Christina Lovelace, left, and Michael Mateyka, right, are the newly crowned Queen and King of the Discover New Worlds Reading Club, selected at the Awards Ceremony August 24 at the Shafter Branch Library.

Italian book discussion

In order to provide the working people with the opportunity of attending the Italian Heritage Book Discussion, the Belleville Public Library and Information Center will be offering two evening book discussions with Humanities scholar Frank De Lisi. On Oct. 19, the discussion will be on "Petrarch's Selections From the Canzoniere and Other Works," while on Oct. 26, the discussion will be on "The Decameron," by Giovanni Boccaccio. The time is from 7 to 8:30 p.m. Call the library at 450-3434 to register. You can pick up your books in person at the library prior to the discussion.

Nonfiction best sellers

Nonfiction best sellers at the Belleville Public Library and Information Center, include "The Silent Passage," by Gail Sheehy, the psychological and social significance of menopause for today's women, "Truman," by David McCullough, a biography of the 33rd President, "The Last Tsar," by Edward Radzinsky, the life of Nicholas II, his family, and their assassination in 1918, "Earth in the Balance," by Al Gore, the Vice-Presidential candidate's discussion of factors affecting the environment, and "Sam Walton: Made in America," the autobiography of the man who became the richest American by creating the Wal-Mart store chain.

Book marks

Calendar of Events

Sept. 17 — A lecture on "The Indian Lore of New Jersey" will be given by Dr. Angus Gillespie, Rutgers University, at 1:00 p.m. to the Friends of the Belleville Public Library and the public, after a brief Friends meeting at 1 p.m. Please call the library at 450-3434 to register for the lecture.

Sept. 18 — The reading of Freaky Friday will take place from 3:15-3:30 p.m. at the Shafter Branch Library, 30 Magnolia Street.

Sept. 19 — An Italian class with Filomena del Olmo will take place from 10:00-11:15 a.m. at the Belleville Public Library and Information Center, 221 Washington Avenue. Preregistration is required.

Sept. 21 — A Crocheting Class for adults will take place from 2:00-3:00 p.m. at the Shafter Branch Library, 30 Magnolia Street. Please call the Branch at 450-3438 to register.

Sept. 22 — A Storyhour for toddlers at 9:30 a.m. and one for preschoolers at 10:30 a.m. will take place in the James J. Cozzarelli Jr. Children's Room, 221 Washington Avenue.

A lecture, entitled "Protect Yourself," with Detective Fred Puleo, Belleville Police Department, will be given at 10:30 a.m. at the Belleville Public Library and Information Center, 221 Washington Avenue. Call 450-3434 to register.

A Retirement Seminar will be held from 7:00-8:45 p.m. with Bob Laterza at the Belleville Public Library and Information Center, 221 Washington Avenue. Please call the library at 450-3434 to register.

Sept. 23 — A Storytime for Toddlers at 9:30 a.m. and one for preschoolers at 10:30 a.m. will take place at the Shafter Branch Library, 30 Magnolia Street.

A program on Hair Care with Diane Zukowsky will be given at 10:30 a.m., by Diane Zukowsky, Educational Supervisor, Wilfred Academy.

Sept. 24 — A Storytime for Toddlers at 9:30 a.m. and one for Preschoolers at 10:30 a.m. will take place in the James J. Cozzarelli Jr. Children's Room, 221 Washington Avenue.

"Protect Yourself," a lecture by Detective Fred Puleo of the Belleville Police Department, will be given at 10:30 a.m. at the Belleville Public Library and Information Center, 221 Washington Avenue.

The film "Moonstruck" will be shown at 10 a.m. as part of the Italian film festival.

Library fines increased

Because of the increasing costs of the maintenance of the library's collection, the fine structure at the Belleville Public Library and Information Center has been increased by the library Board of Trustees, effectively immediately, from 5 cents per book, magazine and cassette per day to 10 cents per book, magazine and cassette per day. The maximum fine has been raised from \$5 to \$10 for overdues.

In the Children's Department, the overdue fines have been raised from 2 cents per book, magazine per day to 5 cents per book, magazine per day with a maximum fine of \$1. Books, videos and cassettes that are lost are replaced at the retail price of replacement plus a \$5 processing fee.

COLUMBUS VISITS — Joe Laufer, as Christopher Columbus, presented the audience at the Shafter Branch Library with the daring accounts of Christopher Columbus' exploits at the Shafter Branch Library's salute to the Christopher Columbus Quincentennial.

Discovery of Italian literature

The New Jersey Committee for the Humanities lecture series continues at the Belleville Public Library and Information Center, 221 Washington Avenue, Sept. 16 at 1 p.m. with a lecture and discussion of "The Betrothed," by Alessandro Manzoni, with Dr. Paolo Possiedi, Montclair State College, as part of the "Discovery of Italian Literature: A Literary Celebration for the Christopher Columbus Quincentennial."

On Sept. 30, also at 1 p.m., Dr. Edward Huberman, Professor Emeritus of English and American Literature, Rutgers University, will present a lecture on "Naked Masks," by Luigi Pirandello. Call the library at 450-3434 to register for these two lectures and the series. The brochure is available at the library.

Terry Jetton — Ann-Marie Tighe

Ann-Marie Tighe, Terry Jetton engaged

Mr. and Mrs. Domenick Alessio of Belleville announce the engagement of their daughter, Ann-Marie Tighe, to Terry L. Jetton III, son of Mrs. Annette Jetton of Belleville.

The troth was made known July 18. The wedding is planned for Sept. 17, 1994.

Miss Tighe, an alumna of Belleville

High School, attended the American Institute of Banking. She is an assistant controller with First DeWitt Savings.

Mr. Jetton, a graduate of Belleville High School and Plaza School of Drafting, is an estimator and project manager with Triangle Glass.

Clara Maass cautions parents about poisons in the home

Parents of young children should take precautions when storing toxic substances in the home, advise medical professionals at Clara Maass Medical Center, who note that approximately 40,000 children in New Jersey may be accidentally poisoned this year.

The Pediatric Department at Clara Maass urges parents to inspect storage areas to ensure that medications are secure and out of the reach of small children. To reduce the possibility of poison consumption, the department suggests:

- Place poisonous substances in locked cabinets.
- Products should be kept in original containers; never transfer items into milk cartons or juice bottles which may be easily confused by children.
- Place rock salt in a safe location. Children may mistake it for "rock candy."
- Never tell a child that medicine is candy; they may eat the pills as though they are candy.
- Keep purses which may contain medications, perfumes and cosmetics out of the reach of children.
- Do not keep house plants within the reach of young hands because many plants are toxic.
- Constantly supervise young children; they learn by tasting and touching.

Clara Maass Medical Center is providing free poison information packets for children. The packets

that include educational coloring books and stickers may be obtained by calling 1-800-CLARA MAASS.

If a child swallows or comes in contact with a poisonous substance, parents should contact the New Jersey Poison Information and Education System immediately for instructions. The toll-free number is 1-800-962-1233. A physician should also be consulted for proper treatment.

The seventh largest hospital in New Jersey, Clara Maass Medical Center is a non-profit 475-bed acute care voluntary general facility located at One Franklin Avenue, Belleville. Among the Clara Maass family of healthcare services are the Family Center for Maternal/Child Health, Medical Oncology Care, Cardiac Rehabilitation, Same Day Surgery and Community Services.

Mr. and Mrs. Rocco Gonnella — nee Katherine Baron

Renee Baron bride of Rocco Gonnella

Renee Katherine Baron, daughter of Mr. and Mrs. Edward Monaco of Ringwood, became the bride June 14 of Rocco Gonnella, son of Mr. and Mrs. Rocco Gonnella of Newark.

The Rev. Benjamin Piatsa performed the ceremony in St. Francis Xavier Church, Newark. A reception followed at Wayne Manor, Wayne.

Escorted by her father, the bride wore a high necked gown accented with Alencon lace. A wreath held her cathedral length veil and she carried ruben lilies and stephanotis.

Lisa Taglieri Osborne of Mahwah was the matron of honor. Bridesmaids included Darlene Rosetti of Newark, Laura Zicaro of Nutley, Anna Marie Mandio of Newark and Edith Gonnella of Newark. Caitlin Osborne of Mahwah was flower girl.

The attendants wore two piece off the shoulder gowns accented with rhinestone buttons, the

matron of honor in fuchsia and the others in light pink. The flower girl wore an off the shoulder pink gown. They carried ruben lilies and babies breath.

Joseph Gonnella of Belleville was the best man. Ushering were Armando Mustica, Vincent Gonnella, Patrick Gonnella and Gerardo Capozzoli of Newark.

Mrs. Monaco chose a black beaded short sleeved gown with trumpet skirt while the groom's mother was in a two piece peach gown.

Mrs. Gonnella, an alumna of Belleville High School, is a secretary and billing assistant with Diagnostic & Clinical Cardiology, West Orange.

Mr. Gonnella, a graduate of Bloomfield Technical School, is an ironworker with the Essex County Dept. of Parks, Newark.

The couple honeymooned in Jamaica and have made their home in North Arlington.

Court Sancta Maria awards scholarship to members' kin

Court Sancta Maria 61, Catholic Daughters of the Americas, awarded their yearly scholarships to the grandchildren of members.

This year's awards went to Dawn Mae Price, granddaughter of Mrs. Ann Skidmore of Belleville; Christopher Graham, grandson of Mary Nucci of Belleville; Karen Marowchek, granddaughter of Mrs. Ida Hovspan of Belleville.

All members are eligible to submit names of grandsons or granddaughters for the awards. Five new members were inducted into the court at the May meeting of the group. They include Mrs. Pauline Bower, Mrs. Elizabeth Cacarea, Mrs. Patricia Nichols, Mrs. Emma Gilbert and Mrs. Susan Gingerelli.

The Catholic Daughters meet every second Tuesday and enjoy a planned meeting at the Knights of Columbus Hall, 98 Bridge St. New members are always welcome. For information on joining the organization, call Mary Dillon at 759-2880 or Fran Kudrak at 759-1566.

SPORTS

Don Bosco visits next Friday night

Bucs getting ready for season opening game

By Mike Lambert

Slowly, but surely, the picture is starting to take focus for the 1992 Belleville football team.

Head coach John Senesky has watched his team play two scrimmages in preparation for the regular season opener next Friday night.

The Bucs open the season at Doc Ellis Field, taking on Don Bosco starting at 7 p.m. In the meantime, the Bucs will travel to Livingston tomorrow night for the pre season finale. Kickoff there is 7 p.m.

"We're starting to get a clear picture of who will play where," Senesky said. "We did a pretty good job in the scrimmages, but there is plenty of work still to do."

Belleville kicked off the pre season last week at Scotch Plains,

then took on Columbia last Saturday. Both games were controlled scrimmages.

"The Columbia scrimmage was a real good test for us," Senesky said. "They had good size and speed. We made our share of mistakes, but it was a good scrimmage. This is the time to make mistakes and learn."

Depth is a key factor at this point in the season. While Senesky is pretty sure of some of the starters, competition is steady for backup players. Also, the coach would like to keep down the number of players who would play on both offense and defense.

Offensively, Mike Mundy returns to quarterback. The junior made an immediate impact last fall

when he took over the starting roll against powerful Morris Knolls and led Belleville to a stunning 20-14 win.

Mundy is receiving competition this season from Jim Berg, also a junior.

At running back, John Alvarado and Anthony Caruso lead the way. Alvarado, a senior, started last season at QB, then moved to running back and did quite well. Caruso has excellent speed and is perhaps the team's best breakout runner.

Other candidates in the backfield include Sal Berardi, Spencer Schued, John Spina, Jorge Hernandez, Jayson DiCosta, Anthony DiMeco and Dave Chulanandana.

Ricky Costantino leads the full-back contingent. Others at that position are Edmundo Miranda, Joe Citarella and Amir Darwish.

At center, John Engdahl is the returnee. Other center candidates include Cliff Mann, Frank Marero, John Valli and Peter Isp.

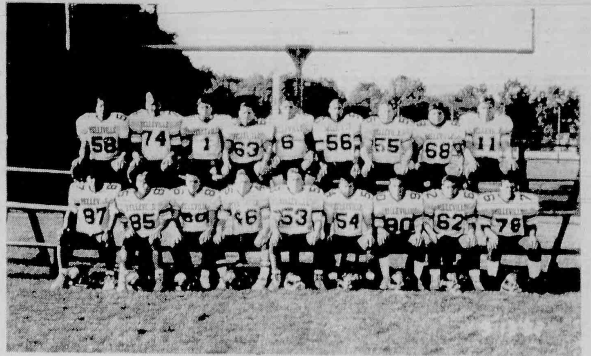

At guard, Mike Citarella, Phil Avello and Joe DeRiggi lead the way. Rich Romano, Brian Dena and Herman Gonzalez are also top candidates for the guard spot. All of the players have varsity experience.

At tackle, Billy Zigmund returns for his senior year. He will be joined by Carmen Pizzano, Ed Neiman, Ray Kuebler, Brian Pasterchick, Stanford Cosenzo, Robert Dena, Damian Safonte and Ed Molina.

The wide receivers are Brian Harvey, Joe DePeri, Jason Christy, Angelo Gabriel, Anthony Frantautoni and Raul Londono.

At tight end, Mike Christy, Sam Marino, Louis Camacho, Dave Hibinski, John Kuebler, Art Settembrino and Bill Gallego are battling for starting berths.

"We're still getting our defense in order," Senesky said. "We'll have a better idea of where we stand defensively after the Livingston scrimmage."

Varsity Football

Date	Opponent	Place	Time
Sept. 25	Don Bosco	Home	7 p.m.
Oct. 3	Hackensack	Away	1 p.m.

Nov. 14	St. Joseph	H	1 p.m.
Nov. 26	Nutley	H	11 a.m.

Volleyball team gearing towards season opener

By Mike Lambert

A good mix of seniors and underclassmen give veteran volleyball coach Grace Worley optimism for the 1992 campaign.

The Lady Bucs open their season tomorrow afternoon with a home match against Montclair. Tip off time is set for 4 p.m. Next Monday, the team is home to Eastside and next Wednesday, it's off to Bloomfield. Both of those matches start at 4 p.m.

"The turnout of players was good," Worley, beginning her 15th year as head coach, said. "Some of our younger kids went to volleyball camp this summer and that will help them. We have some good all around athletes on the team, too."

Three seniors will lead the Lady Bucs this season. Colleen Mannion begins her fourth year on the varsity, as do Melanie vanDam and Mary Campbell.

"They have the varsity experience and they all work well together on the court," Worley said of her three seniors.

Juniors on the team include Michele Pzonka and Jessica Gonzalez. There is a large sophomore contingent on the squad this fall.

Andrea Curran begins her first year on the team. Natalie Bonacorsa will start her second year with the program.

Sophomore Lisa Jablonski is a newcomer to the program. Three more sophs, Jessica Nicotia, Jennifer Palumbo and Michele Scanzillo

all attended volleyball camps this summer.

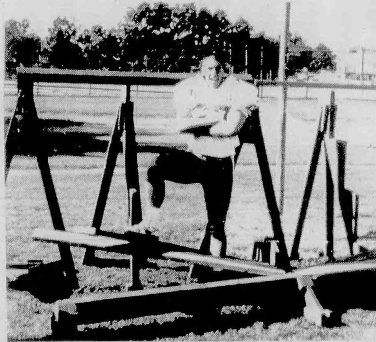

"What I'm hoping for is a rebuilding effort for the future but at the same time a very competitive team this fall," Worley said. "The seniors want to win and with a good nucleus of young players, we can have a very good team in the upcoming seasons."

Worley feels the '92 team has a chance to play .500 or better on the varsity level.

"This is a good group of players," the coach said. "We're in a very tough league, no doubt. Paramus Catholic is loaded, Paramus will be very tough and I think Hackensack is going to be a much improved team. Teaneck also has a lot of talented players."

Worley is familiar with talented teams, also. The coach has been at the helm of the Belleville volleyball program since its inception in the late 1970's. In the early 1980's, the team began to develop a winning program and from 1982-89, the Lady Bucs posted some marvelous records. Two of Worley's teams made it to the state semi-finals.

Over the past few seasons, Belleville has had to regroup with younger players against a very tough NNJL schedule. The coach feels that the '92 team is one that will be very competitive right away and at the same time will build a strong nucleus for the next two years.

3rd annual Giuffrida run set for October 4

By Mike Lambert

With most of its corporate sponsors in place, the 1992 Sam Giuffrida Run is beginning to take shape.

The race is scheduled for Sunday, October 4 at Belleville High School. The festivities will begin with a one mile fun run at 9:30 a.m., followed by a five mile run through Belleville commencing at 10 a.m.

This is the third annual run. The first race, held in late October 1990, attracted about 150 runners. Last year's race, also held in late October, almost doubled the '90 run in terms of fan participation.

The race is held in memory of Sam Giuffrida, the beloved teacher and crew coach at Belleville High School. Giuffrida coached crew for 22 years and taught in the school system for 24 years. He passed away in May, 1989 to a heart attack.

Race director Tonya Moore announced that all runners will receive tee shirts. Plaques and awards will be given to runners who finish in the top three in their respective age groups and in the top three overall in the race.

Jiffy Lube will once again be one

of the top sponsors of the race. Philmore Associates is also a top corporate sponsor.

Major sponsors for the race include Motorcycle Mall, Tom Spillane, Bill Cook, Joe's Shell Station, Golds Gym, Dr. Len Russo and a group entitled Friends of the Giuffrida Family.

A large banner announcing the race is now posted along Washington Avenue, near the McDonalds and Pathmark.

"I'd like to thank the Belleville Fire Department for its help in getting the banner up," Lorraine Leming, one of the race coordinators, said. "Everyone has been very cooperative."

Runners who are interested in competing should fill out an application at any of the sponsors just mentioned. They can also contact Leming through the Belleville High School offices.

The race will be held, rain or shine. The first two years produced magnificent weather for the race. Let's hope 1992 continues that positive trend.

Cross country team seeks 'recruits' for '92 team

By Mike Lambert

The Belleville cross country team opens its 1992 season this week with a lot of questions.

Head coach John Tosato begins his tenth season as cross country mentor with a promising girls' team but with a lot of questions surrounding the boys squad.

"Things are progressing slowly," Tosato said. "We're scheduled to race Teaneck on Tuesday, but that race might be postponed a few weeks."

If the Teaneck race does not come off as scheduled, the Bucs will open its season this afternoon against powerful Ridgewood. The race will be held on Belleville's "home" course at Nutley Park. Race time is 4 p.m.

"Ridgewood is rated by most papers as number one in the state," Tosato said. "Needless to say, they're a very talented team."

Next Tuesday, the Bucs face Don Bosco and Immaculate Heart in a tri meet at Nutley. Race time there is also 4 p.m.

For the boys, Dave Loungo, a junior, leads the way. This will be Loungo's third year on the varsity and he is the only runner with cross

country experience.

"We have some freshman who are coming around," Tosato said. "But right now, Dave is our only runner with any experience on the track."

The girls team is led by Kim O'Mara, Jennifer Citarella, Christine Rykowski and Rachel Anderson.

"We're pretty well set with our girls team," Tosato said. "We have four experienced runners and there are some freshman on the team who could really help us."

The coach noted that the team is still looking for runners.

"There's some heavy recruiting going on now," Tosato said. "We're hoping a few more kids will come out for the team."

The NNJL will feature some very good teams. Ridgewood, an Atlantic Division member of the league, has been mentioned as the top team in the state. In Belleville's division, the Pacific, Paramus Catholic is the class of the division.

Teaneck and Hackensack should also boast talented teams and you can never count out Nutley when it comes to talent on the cinders.

C.H.A.S.E. sponsors event

The C.H.A.S.E. Center is sponsoring its first annual softball event. The games are set for Sunday, September 27, 1992 at Belleville High School's varsity baseball field.

In game one at 10:30 a.m., the Township of Belleville employees will take on the F.M.B.A. In game two, scheduled to start at about 11:30 a.m., the Teachers Association will play the P.B.A.

The winners of the two games

will then play in the championship game at 1 p.m.

Refreshments will be served at the games.

The objective of the C.H.A.S.E. Center is to offer substance awareness and other important issues to the Belleville community.

C.H.A.S.E. is a project of the Belleville Alliance for Substance Education.

RECREATION ROUNDUP

Basketball permits required

Effective Aug. 15, basketball permits will be required of all persons wishing to play basketball on the Rec House courts.

Use of these courts will be restricted to Belleville residents only and will be monitored by a Recreation Dept. and/or Police Dept. representative. Non-residents will not be permitted to play and will be asked to leave.

To obtain a permit, you must visit the Recreation Department office weekdays during regular hours (8:30-12:00 or 1:00-4:00).

All applicants/players must furnish:

1. Positive identification with photo.
 2. Proof of Residency
 - a. If age 17 or older, only a valid driver's license will be accepted.
 - b. If school age, a High School I.D. Card or current report card will be accepted.
- Permits must be in person's possession in order to play. Through October 31, ball playing on the Rec House courts will be permitted only until 9:30 p.m.

Football coaches needed

The Belleville Recreation Department is presently taking names of people who would be interested in coaching for either the Junior Bucs or Touch Football programs. Volunteers who are interested should contact the Recreation Department at 450-3422.

Fall programs

The Belleville Department of Recreation & Cultural Affairs has announced the start of its fall activities schedule.

The Girls' Cheerleading Program will take place on Thursdays at School 3, as of Sept. 17. Girls in grades 1-4 should report from 6:30-7:30 and girls in grades 5-8 should report from 7:30-8:30. Cheerleading is also offered on Tuesday nights at School 8 for girls in grades 1-6 from 6:30-7:30 p.m.

Intramurals for children in the Middle School grades 7-8 will be held on Tuesdays and Wednesdays in the JHS Boys Gym from 3:00-4:00 p.m. beginning Sept. 22.

Girls' Twirling will be held on Mondays at School 10 beginning Sept. 21. Girls in grades 1-4 will meet 6:30-7:30 on Mondays and grades 5-8 will meet 7:30-8:30 at the School 10 session. Girls must provide their own batons for this activity. Twirling will also be offered on Wednesday nights at School 7 at the same times, beginning Sept. 23.

Adult Open Volleyball will start on Wednesday, Oct. 7 from 6:30-9:00 p.m. at School 3 for men and women.

For more information on upcoming programs like basketball, volleyball leagues and wrestling, call 450-3422 between 8:30-4:00, Monday through Friday.

Basketball and Wrestling applications for children will be available at the Recreation Dept. office, 407 Jorammon Street, by early October.

Basketball team needed

The Belleville Recreation Department is presently seeking teams to play in its Over 30 Men's Basketball League beginning in November. The league plays on Wednesday nights at the Middle School, using primarily high school rules. There is a residency requirement, mandating that three-quarters of the team be Belleville residents. For other information or if interested, call the Recreation office at 450-3422.

Obituaries

Alfonso Insano, 75

A Mass for Alfonso Insano, 75, of Belleville was offered Sept. 14 in St. Peter's Church, Belleville, after the funeral from the S.W. Brown & Son Funeral Home, Nutley.

Mr. Insano died Sept. 11 in Clara Maass Medical Center, Belleville.

He worked for Peerless Tube Co. in Bloomfield for 35 years

before retiring as a supervisor 13 years ago. He was a member of the Belleville Senior Citizens.

Born in Providence, R.I., he moved to Belleville 65 years ago.

Surviving are his wife, Patricia; two sisters, Mrs. Henrietta Martucci and Edith, and two brothers, John and Anthony.

Vita J. Imbesi, 83

Mrs. Vita J. Imbesi, 83, of Belleville died Sept. 8 in the Clara Maass Medical Center, Belleville.

A Mass was offered Sept. 10 in Our Lady of Mt. Carmel Church, Nutley, after the funeral from the S.W. Brown & Son Funeral Home,

Nutley.

Surviving are her husband, Frank C.; two daughters, Mrs. Ann M. Lehterger and Mary A.; two sons, Dr. Joseph T. and Charles F.; a brother, Frank Giardina, and seven grandchildren.

Belleville resident wins J.D. degree

Colleen M. Skinner, daughter of Joanne and Ronald Skinner of Belleville, was among the 410 graduates at New York Law School's 100th commencement exercises in New York.

Skinner, a graduate of Douglass College at Rutgers University, received the Juris Doctor degree at the school's graduation ceremony at Avery Fisher Hall at Lincoln Center for the Performing Arts.

New York Law School, one of the nation's leading independent law schools, was founded in 1891. For over 100 years, NYLS, which is located in lower Manhattan, has been at the heart of New York's legal community.

TOWNSHIP OF BELLEVILLE COUNTY OF ESSEX, NEW JERSEY NOTICE OF \$100,000 GENERAL IMPROVEMENT BOND SALE BOOK ENTRY BONDS

SEALED PROPOSALS will be received by the Director of Finance of the Township of Belleville, in the County of Essex, New Jersey at the Township Hall, 152 Washington Avenue, Belleville, New Jersey on September 25, 1992 until 1:00 p.m., at which time they will be publicly opened and announced for the purchase of the following Bonds of the Township due (without option of prior redemption) on October 1st as follows:

Year	Principal Amount	Year	Principal Amount
1993	\$304,000	2001	\$500,000
1994	\$320,000	2002	\$525,000
1995	\$345,000	2003	\$550,000
1996	\$355,000	2004	\$575,000
1997	\$395,000	2005	\$600,000
1998	\$420,000	2006	\$600,000
1999	\$445,000	2007	\$600,000
2000	\$475,000	2008	\$600,000
		2009	\$600,000
		2010	\$600,000
		2011	\$600,000
		2012	\$600,000

All bidders for the Bonds must be participants of The Depository Trust Company, New York, New York or affiliated with its participants. The Bonds will be issued in the form of one certificate for the aggregate principal amount of the Bonds maturing in each year and will be payable to both principal and interest in lawful money of the United States of America. Each certificate will be registered in the name of Code & Co., as nominee of The Depository Trust Company, New York, New York, which will act as Securities Depository. The certificates will be on deposit with The Depository Trust Company. The Depository Trust Company will be responsible for maintaining a book entry system for recording the interests of its participants or the transfers of the interests among its participants. The participants will be responsible for maintaining records regarding the beneficial ownership interests in the Bonds on behalf of the individual purchasers. Individual purchases may be made in the principal amount of \$1,000 or any multiple thereof through book entries made on the books and the records of The Depository Trust Company and its participants.

The Bonds will be dated October 1, 1992 and will bear interest at the rate per annum specified by the successful bidder thereafter in accordance herewith, payable on the first days of October and April in each year until maturity by payment of money to The Depository Trust Company or its authorized nominee. The Depository Trust Company will credit payments of principal and of interest on the Bonds to the participants of The Depository Trust Company as listed on the records of The Depository Trust Company as of each next preceding September 15 and March 15, respectively, (the "Record Dates").

Each proposal must specify:

a. a single rate of interest for each maturity that the Bonds are to bear, in a multiple of 1/8 or 1/20 of 1%;

b. the principal amount of the Bonds the bidder will accept, which shall be \$100,000 or any lesser amount that is a multiple of \$1,000, the Bonds accepted being the first to mature; and

c. the price the bidder will pay, which shall not be less than \$100,000 nor more than \$100,000.

The Bonds will be sold to the bidder specifying the lowest rate of interest. As between such proposals specifying the same rate of interest, the Bonds will be sold to the bidder who offers to accept the least amount of Bonds. If two or more such bidders offer to accept the same amount of Bonds, then the Bonds will be sold to such bidder offering to pay the highest price. If two or more such bidders offer to pay the same price, then the Bonds will be sold to one of such bidders selected by lot from among all such bidders. The purchaser must also pay an amount equal to the interest on the Bonds accrued to the date of payment of the purchase price.

The right is required to reject all bids, and any bid not complying with the terms of this notice will be rejected.

The bidder is required to deposit a certified, treasurer's or cashier's check payable to the order of the TOWNSHIP OF BELLEVILLE for \$200,180 drawn upon a bank or trust company, and such check must be enclosed with the proposal. When the successful bidder has been ascertained, all such deposits will be promptly returned to the person making them, except the check of the successful bidder, which will be applied in part payment for the Bonds or to secure the Township from any loss resulting from the failure of the bidder to comply with the terms of its bid. Award of the Bonds to the successful bidder or rejection of all bids is expected to be made promptly after opening of the bids, but such successful bidder may not withdraw its proposal until after 1:00 p.m. of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

The Bonds will be delivered and paid for on or about October 8, 1992 at the offices of the Township's bond counsel, Robinson, St. John & Wayne, Newark, New Jersey or at such other place as may be agreed upon with the successful bidder. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

Each proposal must be enclosed in a sealed envelope and should be marked on the outside "Proposal for Bonds." If mailed, proposals should be addressed to or in care of the undersigned at the Township Hall, 152 Washington Avenue, Belleville, New Jersey 07003.

The successful bidder may at its option refuse to accept the Bonds if prior to their delivery any change in the Internal Revenue Code of 1986 shall provide that the interest thereon is taxable or shall be taxable at a future date for federal income tax purposes. In such case the deposit made by the bidder shall be returned and it will be relieved of its contractual obligations arising from the acceptance of its proposal.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

It is anticipated that CUSIP Identification numbers will be printed on the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the issuer, provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the purchaser.

The obligation hereunder to deliver and to accept the Bonds shall be conditioned on the availability and the delivery at the time of delivery of the Bonds of (a) the approving opinion of the law firm of Robinson, St. John & Wayne, Newark, New Jersey, which will be furnished with the proposal, and (b) the approval of the Township Board of Education in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds. (c) certificates in full of the Township of Belleville, New Jersey, which will be delivered with the Bonds, the receipt of payment therefor and the compliance with the requirements of the Code necessary to preserve tax exemption; and (d) a certificate, in form and tenor satisfactory to that law firm and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds. Copies of the approving opinion will be delivered with the Bonds.

The successful bidder will be required to certify the initial offering prices to the public (excluding bond houses and brokers) at which a substantial amount of the Bonds of each maturity were sold.

The Township has authorized the distribution of a preliminary official statement deemed final for purposes of Rule 15 (c) 2-12 of the Securities and Exchange Commission.

Final official statements will be delivered to the purchaser of the Bonds within the earlier of seven business days following the sale of the Bonds or to accompany the purchaser's confirmation that request payment for the Bonds.

Letters to the Editor

Get the car thieves

To the editor:

This is my solution to the car theft problem in the Belleville area.

1) The police should be able to use whatever force they want to stop the stolen car. These kids, (average age seems to be 17), have to learn that we adults work hard for our money and go into serious debt to buy a car.

2) Convicted felons will serve a mandatory jail sentence, not based on months or years, but rather, on how long it takes them to earn a high school diploma and either a class B mechanic license, or pass a course in auto body repair.

These kids seem to like cars and, with a little education they can join the legitimate work force. Obviously, most of them are unemployable right now. Anyone who has ever used an auto body shop knows as I do that these guys are making a very good living!

3) Following their "graduation" I recommend 2 years probation during which time the "graduate" will submit his "job search records" to his probation officer, similar to what unemployment recipients are required to do in order to receive benefits.

I understand this program will cost the tax payer some money but, wouldn't it be better than just confining this trash for a while and then turning them loose on us again?

If stealing cars is their only job skill, we cannot expect a simple jail term to change their lives or our own.

Joan Ballin

P.S. In the days of the "Wild West," horse thieves were "hung by the neck until dead." Stealing a man's transportation was a more serious crime than armed robbery, rape, arson or anything else.

Praise for Chief

To the editor:

I have nothing but praise for Chief Ray Kimble. It's good to finally see a Chief who supports his men. You can see the change in the department already. His stand on the stolen car issue is right on target. He is not afraid to stand up against his counterparts from other towns. I just want Ray to know he has the backing of many citizens in the town and if he needs us we will rally to his cause. Keep up the great work for the town and the department.

ANTIBIOTIC NEWS

A new prescription for the benefit of only having to be taken in a single dose to wipe out certain infectious diseases. Azithromycin has proven itself effective in knocking out chlamydia with a single oral dose. Chlamydia, a sexually transmitted disease that may lead to pelvic inflammatory disease and infertility, may otherwise be treated with doxycycline with two doses a day over a period of a week. Azithromycin is more expensive, but takes no adverse side effects. The one-dose regimen may encourage the chlamydia infection to persist. Azithromycin has also gained approval for the treatment of respiratory tract infection, as well as skin and soft tissue infections. Those illnesses require daily doses of the antibiotic for up to five days. We offer complete prescription service plus a full selection of other products at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. "Your Doctor Knows Us." Your Doctor Trust Us". Russell Stover candies, baby needs cosmetics, toiletries, greeting cards and gifts are carried. Hours: 9am-10pm daily, 9am-7pm Sundays.

HINT: Chlamydia infects three million Americans annually.

Your Other Address

1600 Pennsylvania Avenue

Where do you live?
Write your address below.

Today, the White House is a part of a big complex in Washington. This view shows the South Lawn.

There is also a house in Washington, D.C., that is yours. It belongs to you and all other U.S. citizens. It's the White House.

George Washington named it the President's House. Every president except Washington has lived there.

While the White House belongs to all of us, it's the president who actually lives there.

This is an important year for the White House.

On Nov. 3, we will vote to decide who will live there for the next four years.

HAPPY BIRTHDAY, DEAR WHITE HOUSE!

Oct. 13 is also the White House's 200th birthday!

Look through your newspaper for news about people who live or will live in the White House.

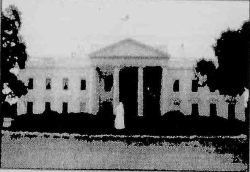

To find out more about the White House, let's see what it might be like to live there.

Your address would be:

(Write your name here)
1600 PENNSYLVANIA AVE.
WASHINGTON, D.C. 20550

Your telephone number would be:
202-456-1414

(The White House receives about 50,000 calls a day!)

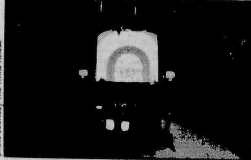

The North Entrance would be where you might receive visitors. It has a portico, or front porch. It faces Pennsylvania Avenue.

The South Entrance overlooks your back yard. It has a double-deck porch. You would hold the Easter Egg Roll on the South Lawn.

The White House is a busy, busy place. If you were president, you would use it to:

Live in

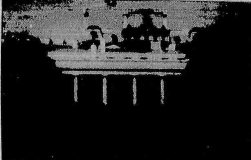

You and your family would live on the second and third floors. Here you would have a place to relax. You could decorate it as you wished.

Work in

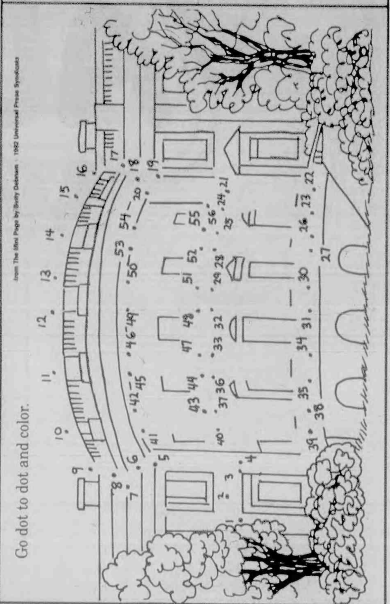

The Oval Office is in the West Wing, a section that has been added on. You also would have an office in your living quarters.

Hold meetings in

You would hold many important meetings inside and outside. On a pretty day, you might have a ceremony in the Rose Garden outside your office.

Open doors to Columbia with The Mini Page Columbus Door Poster. This beautiful, large (28" x 22") full-color poster features a famous Columbus door in the U.S. Capitol that depicts important events in the life of the great explorer. Perfect for studying the quincentennial of Columbus' voyage. To order, send \$4.50 plus \$1.00 postage and handling to Columbus Door Poster, P.O. Box 419150, Kansas City, MO 64141.

Go dot to dot and color.

THE WHITE HOUSE TRY 'N FIND

Words about the White House are hidden in the block below. Some are hidden backward and diagonally. See if you can find: WHITE HOUSE, WASHINGTON, PRESIDENT, OVAL OFFICE, ROSE GARDEN, GUARDS, VISITORS, SOUTH, NORTH, LAWN, FAMILIES, GATES, LIVING, MEETINGS, HOME.

MAYBE YOU CAN VISIT YOUR WHITE HOUSE SOMEDAY.

If You Lived in the White House

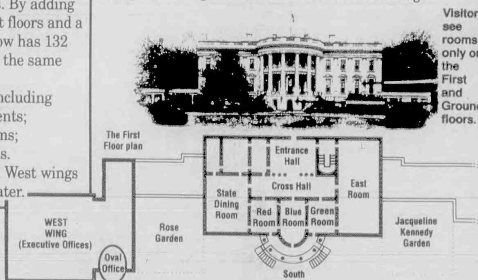

When the original White House was built, it had 36 rooms. By adding two basement floors and a top floor, it now has 132 rooms within the same walls. It has:

- six floors, including two basements;
- 34 bathrooms;
- 11 bedrooms.

The East and West wings were added later.

You usually would not see the visitors nor would they see you.

Your house would be a very unusual place. The White House is the only home of a head of state that is open on a regular basis to visitors free of charge.

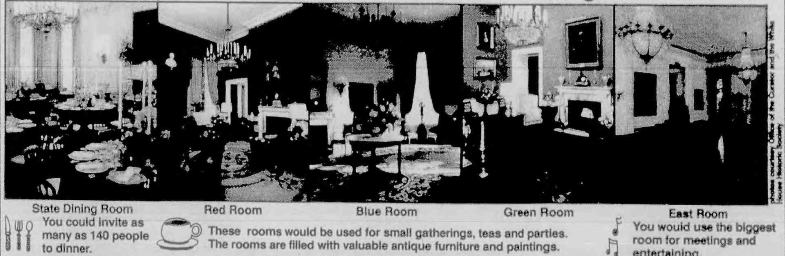

Visitors see rooms only on the First and Ground floors.

More than a million visitors each year get to see only part of the house (seven rooms) on Tuesday through Saturday.

Here's how you would use some of the rooms after visiting hours were over.

State Dining Room
You could invite as many as 140 people to dinner.

Red Room
These rooms would be used for small gatherings, teas and parties. The rooms are filled with valuable antique furniture and paintings.

East Room
You would use the biggest room for meetings and entertaining.

Underground

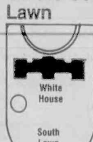

Every inch of the White House and its grounds are important. Many workers, such as the florists, work underground. They make the many beautiful arrangements that the White House is famous for.

Security

The Secret Service would protect you and your family. You would have very little privacy.

On the South Lawn

Your children and grandchildren might enjoy a special garden just for them. A maintenance worker checks on the goldfish.

The entire White House grounds take up 18 acres. You might enjoy these outdoor activities on the South Lawn. We have placed a small circle in the area where these are.

You could play tennis on your own court.

You could swim in your heated outdoor pool.

Only presidents can live in the White House. The Constitution says they must be at least 35 years old. How many years before you can run?

35

your age
years to go!

The Home
Front
By Nina Kaeser

DID YOU KNOW?

Nothing dresses up a boring expanse of front lawn or dull backyard
like a tree. Plant this fall so roots are well established before cold
weather. For an established look, buy the biggest tree you can.

It's not too soon to have the heating system checked so the house is
ready for the first cold snap.

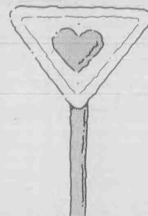

Double your closet space with an automatic carousel -- like the dry
cleaner's rotating rack -- that brings you the outfit you want at the
touch of a button.

When aluminum siding gets scratched or corroded, it can be touched
up with paint. Sand the area with 00- grade steel wool until smooth, the
wash and dry. Apply latex exterior house paint to match the siding. If
bare metal is exposed, prime it first.

Smart idea: one homeowner showcased a small oriental rug under a
framed glass tabletop. It serves as a permanent table covering instead
of tablecloths that have to be laundered.

Smart idea: list your home-for-sale with the experienced real estate
pros at Century 21 Stanford Agency, 86 Union Ave., Nutley. Call 235-
9000.

OBSERVE THE
WARNING SIGNS.

If you have chest pain lasting two
minutes or more, see a doctor.
