Machine guns, assault rifles and Rambo shotguns

Cops uncover major arsenal in Fairway Avenue home; Federal, state courts holding 'Quiet Man' in high bail

By Howard Klesmer

The Evidence Room at the Belleville Public Safety Building now holds more firepower than a dozen police departments. Seized from the home of Randall Notte, 39, of 71 Fairway Ave., is a cache of arms that includes five machine guns,

Some were found under mattresses, others in closets and others wherever they seem to have been thrown. Many of the weapons were fully loaded.

Police came to the house at 6 a.m., Friday, with a warrant from

Ronald Edwards. With them were agents of the ATF and the Essex County Prosecutor's office.

The machine guns included a MAC-11 with silencer, a 9 millimeter Sten gun, a Thompson 45-caliber submachine gun, and parts for two more Thompsons - the kind made famous in gangster movies of the 1930s.

An assault shotgun, the type shown in some of the Rambo movies, included a folding stock and a pistol grip, and had a clip holding 20 or more shells. State law limits the number of shells in a shotgun to three.

Handguns included revolvers and automatics of many makes.

Police said they unaware of Notte being a licensed collector, and they suspected that he was a free-lance dealer. However, neighbors said they had seen no sign of unusual activity in the Notte home.

He was described as a "quiet man" who kept to himself. None of the neighbors said they had seen weapons in his possession.

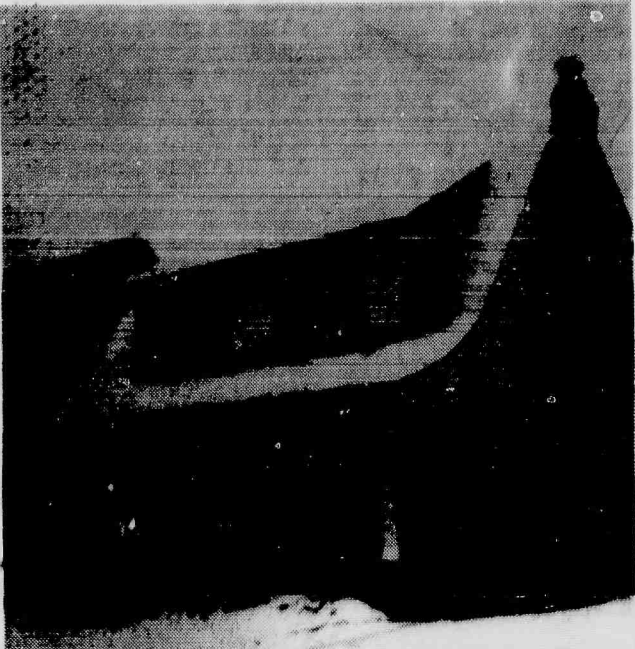

Police said that Notte, who said he was also a free lance sound engineer, had no police record to their knowledge.

What he did have, however, was an arsenal that could have supplied a small scale guerrilla force quite adequately. "Revolutions have been successful with less weapons," one observer said.

An employee at Safeguard Industries declined to comment on the owner's arrest.

Police said they had not anticipated the extent of the weaponry that lay in the Notte home.

Dominick Polifrone, Resident Agent in charge of the Fairfield office of ATF, praised the Belleville Police Department for its professionalism. "Captain William Escott did an outstanding job, as did his men," Polifrone said.

OUR OWN PICATINNY - Belleville police and federal, state and county agents found an arsenal of weapons in this house at 71 Fairway Ave., Friday.

dozens of assault rifles and souped-up shotguns, and an array of deadly handguns - to say nothing of 10,000 rounds of ammunition, including highly illegal hollow nosed bullets.

Notte, owner of Safeguard Industries, 27-29 Washington Ave., a supplier of safety and security devices, was held in \$5,000 bail on municipal charges and \$50,000 on state charges, with far higher bail expected to be set in federal court.

The weapons were found stashed in all sorts of nooks and crannies in the Notte house, police said.

the Division of Alcohol, Tobacco and Firearms of the United States Treasury Department.

Notte, who has lived in the unassuming frame Dutch Colonial house with his mother for the past two years, came to the door and allowed the police to enter. He later was "co-operative" in showing the police where the weapons and ammunition were, police said.

Belleville Detective Captain William Escott led the raid, accompanied by Sergeant Edgar Panler and Detectives Arthur Connolly and

FIGHTING SHOTGUN - Belleville Detective Captain William Escott found this assault shotgun in the home of Randall Notte, along with other weapons.

"We would look forward to working with them again."

Polifrone, a 19-year veteran of the ATF, heads a special task force which includes Newark police officers and detectives of the Bergen County Prosecutor's office.

The Firearms Task Force has been in operation in North Jersey for the past two years, and has so far found hundreds of illegal weapons, most of which seem to come from "producer" states, such as Virginia.

Polifrone said he had been working on the current investigation with Belleville police for the past month. The trail to the Notte home

began with an arrest made earlier, which had resulted from a lengthy investigation.

Polifrone said the task force was investigating other leads that might indicate that several persons were involved with Notte.

He said that these connections had not been confirmed as yet.

Polifrone said the street value of a machine gun would be \$1,500 to \$2,000.

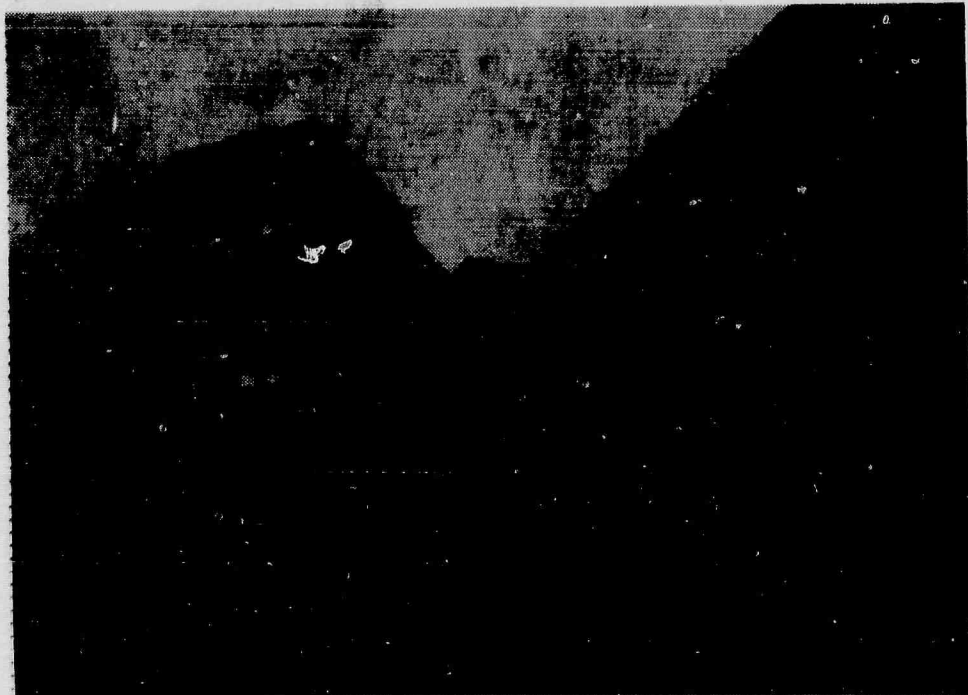

"We never know quite what we will run into in these operations," Polifrone said. "I appreciate the assistance given by the Belleville police."

Irish Society meets tonight

The Belleville Irish-American Society meets at 7:30 tonight at the Knights of Columbus Hall.

Prospective members are welcome.

Ann Bennett will teach a traditional dance, the Waves of Venice, and refreshments will be served.

A FINANCIAL TRANSFER USION - State and federal agencies are providing \$3.25 million for the rehabilitation of the top two floors of the former Geriatrics Hospital on Bellevue Avenue. It will house some 20 patients recovering from mental illness. (See Editorial, Page 4)

THE UNITED IRISH - From left, at St. Patrick's Day Parade Committee Dinner, are Jack Kane, Irishman of the Year; Grand Marshal William Jernick, Jr. and Deputy Grand Marshal William Moheit, Pastor of the First Reformed Church of Belleville.

Rev. Moheit helps lead St. Patrick's Day parade

The Nutley Irish American Association has announced that the Rev. William Moheit, minister of the Belleville Reformed Church, has been chosen as the Deputy Grand Marshal for this year's annual St. Patrick's Day parade in Nutley, scheduled for March 13 at 1 p.m.

The Rev. Mr. Moheit was born

and raised in Brooklyn, N.Y., by parents of Irish and German descent. His Irish roots can be found with the Connor family on his paternal side and the McCues and Slanes on his maternal side. His great, great grandfather, Barney Slane, was from County Cork and emigrated to the United States

during the great potato famine.

He settled in Belleville in July of 1984 when he was named pastor of the reformed church which will shortly be celebrating its 300th anniversary in Belleville.

"Soon after coming to Belleville, I learned of the Nutley Irish and joined that group to try to help

perpetuate the Irish culture. Now to be named the Deputy Grand Marshal of the parade is truly a great honor," Moheit said.

Mr. Moheit and his wife, Patricia, have two children, Brian, 9 and Lauren, 12.

Mr. Moheit also works for the State of New Jersey in child protec-

tion services and has been the Belleville Police Department chaplain for over three years in addition to his duties at the Belleville Reformed Church.

"I believe that there is hope for unity in Ireland. I have always found myself in a rather interesting position as a Protestant Irish

American, and at times have been scorned because of my religion. But I am extremely proud of my Irish heritage and truly believe that we, as Irish Americans, can make a positive statement about unity. I hope that one day both Catholic and Protestant believers will be able to dwell on their similarities

Dance benefit held for Anthony Lydon

TOGETHER AT FUND RAISER - Councilman and Mrs. Tom Spillane attended the Infernos' concert at the Branch Brook Manor, Saturday.

JUDGE AND FRIENDS - State Judge Robert Zanapino, center, and two friends at the Anthony Lydon Benefit Concert.

Sponsored by the popular band, The Infernos, a benefit was held Saturday at the Branch Brook Manor attended by more than 150 music fans.

Dennis Wells, the leader of the

Infernos, said the benefit would contribute some \$2,500 to the Belleville youngster, whose bout with leukemia is currently in remission.

Wells said that a previous benefit had been held for Anthony, and that several thousand dollars had been raised for him.

A friend of the Lydon family said he had thought only \$500 had been given from the previous benefit, but the \$500 was actually the gift of a

single donor, added to the other moneys.

The Belleville Times apologizes for any embarrassment caused to the Lydon family by the erroneous report.

In the case of Manny Brown, another afflicted youngster, a family member said that "over \$10,000" had been received by the family as a result of a fund raiser held in Belleville.

5th Graders hatch out 17 chicks

By Nancy San Fillipo

On December 8, 1992, 17 chicks hatched under the care of School Three's fifth graders climaxing a month's long science project that incorporated activities involving research, math and language skills.

The fifth grade students began to research and plan a project to hatch chickens early in November. Forty-eight fertile eggs were given to them by Dr. Doris White of Paterson State College. On November 17, 1992, the eggs were placed in an incubator which was closely monitored for temperature and humidity by groups of students. The students scheduled teams to turn

the eggs three times a day and enlisted the aid of faculty members and parents to care for the eggs in the evenings and on the weekends. The eggs were candled on the seventh and the fourteenth days of incubation revealing to the students that only 23 eggs held developing chicks. During the last week of incubation, the students began to plan for the arrival of the chicks by building a brooder and assembling the necessary feeding, watering and heating equipment.

Most of the chicks hatched between 9:10 a.m. and 2:15 p.m. on December 8th and the activity was video taped. The classroom was extremely busy since the fifth grad-

ers had been sharing their project throughout the month with the entire school. Every student in the school was able to witness a hatching or a newly hatched chick and observe them develop over a week's time.

The fifth graders realized how difficult raising and caring for baby animals can be. They had to deal with the harsh reality of losing three chicks despite their efforts to save them. In addition, they also had to deal with disappointment when three eggs failed to hatch.

Parents of the fifth graders were deluged with "chick tales" at home for weeks and were caught up in the excitement generated by their

Clara Maass offers free car seat safety checks

In honor of Car Seat Safety Awareness Week, Clara Maass Medical Center is offering free child car seat safety checks. The free safety checks will be held on Feb. 18 from noon to 4 p.m. behind Clara Maass Continuing Care Center.

The program will consist of a review of car seat placement in the vehicle, general proper usage, and ensuring that the seat meets federal safety requirements in light of the many recent car seat recalls. Free literature, balloons and refreshments will be available and all participants will be entered into a raffle for a child booster seat. The safety checks will be conducted by Donna Makris, RN, Clara Maass Parent Educator and Monique

Davis, MPH, Clara Maass Health Educator.

"The law in all 50 states now requires that children be securely fastened in a child restraining system," says Davis.

In addition to Clara Maass' free car seat safety check program, the Medical Center has a car seat loan program for interested residents and their out of town visitors. For more information on the car seat safety checks, or the loan program, call the Clara Maass Community Services Office at 450-2213.

Belleville native honored

Marilyn Ann (Garbely) Maloney of Spring Lake, whose Irish ancestors were immigrants to the USA, has been named Deputy Grand Marshal of Belmar's 1993 20th annual St. Patrick's Day parade March 7.

Newark native, Mrs. Maloney, who grew up in Belleville, has long been identified with Irish-American affairs in the area. She is the widow of the late veteran Newark Fire Inspector John T. Maloney Jr. and the daughter of Mary (Clark) Garbely of Spring Lake and the late Rudolph Garbely.

Her husband served for 23 years in the Newark Fire Department until his death April 25, 1992, was a charter member and treasurer of the Jersey Shore Sons of the Shillelagh, Newark's Brian Boru and Jerry Lynch Social / Civic Club, Belmar.

Among her Irish ancestors, all of whom settled in Belleville, were her great grandparents, Patrick and Ellen (Coyne) Clark of County Mayo; Thomas and Elizabeth (Hannah) McGrath of Counties Waterford and Mayo; and the Rudolph Garbely family whose Irish-European ancestry is unknown. James P. Clark, her grandfather, served for 39 years with the Essex County Sheriff's Office and Tom McGrath was a Belleville stone mason.

The new Deputy Grand Marshal was graduated from Belleville High School and served for six years as a secretary with New Jersey Realty, Newark. She also worked for 11 years at Young's, Spring Lake. She was married May 6, 1967 at St. Peter's Church, Belleville. The Maloneys met during a 1965 trip to a Notre Dame football game in Miami, sponsored by the John Cryan Organization.

Before making their home in Spring Lake, the Maloneys lived in the Oranges, Union and Vailsburg. They are the parents of three children: John, who attended Brookdale College and is now with Point Hardware, Point Pleasant; Tara, a senior at St. Rose Catholic High School, Belmar; and Megan, who is a kindergarten student at St. Catharine's School, Spring Lake. All three children will march

OUR OPINION

We await an answer

It is no surprise that the Township Council majority now claims that it never voted to pull township legal advertising from the only paid circulation newspaper published in town, the Belleville Times.

Mayor Marina Perna says her vote was "conditional", subject to the legal opinion of the Township Attorney, Robert Giordano.

Now we need a legal opinion as to whether or not a Council member's vote can be "conditional".

In normal governing bodies, a legislator who is not sure of the legality of his or her vote usually declines to vote, pending a legal opinion.

The same holds true for the entire governing body. An intelligent Township Council does not vote and then ask questions later.

Of course, it was difficult to obtain a legal opinion at the time of the vote on the resolution because the Township Attorney was not present.

Nor was the Assistant Township Attorney present.

In the case of Mr. Giordano, he was across the street from the Municipal Building, working on an important accident case. The reason for the absence of the Assistant Attorney is not clear. She simply said she wasn't going to attend the meeting.

We do not know what the niceties are of a Township Attorney declining to attend a Council meeting for personal reasons. We know that when the Council majority fired Attorney Vincent Nuzzi, it was pointed out at the time that a law firm of many experts was being replaced by a one-man shop.

Also, more than two weeks have passed without a formal legal opinion being offered by Mr. Giordano.

Township Clerk Mary Lou Hood has informed the Council that she is operating under the assumption that the resolution was passed and that she will now place legal advertising with the Newark daily, at a cost of about three times the amount for placement in the Belleville Times.

We believe that the Council majority is aware of the embarrassing fact that it passed a resolution that was both illegal and un-Constitutional, and that takes real effort to do.

It may be embarrassing for the Council to admit the flagrant illegality of its attempt to suppress the free press, but it will be a lot more embarrassing, and expensive, if it fails to do so.

Inform the public

It was some months ago that the Belleville Times published a story about Rosemary Senatore-Ciccone receiving an award from Concerned Families for Improved Mental Health for her role in obtaining the use of the former Geriatric Hospital for the housing of recovering mental patients.

There was no particular outcry of public support or protest at the time, and we cannot recall any particular action by the Township Council.

Now, in the wake of a story that appeared in the Newark Star-Ledger on Feb. 12, noting that the CFIMH has received \$2,250,000 in state and federal grants to rehabilitate the upper two floors of the old building, objections are being raised by some citizens.

Ordinarily, we would dismiss the protests as the usual ones of shortsighted people with the Not In My Back Yard syndrome.

We support any measure that brings recuperating mental patients back into society.

We also support the right of the community to be at least informed about what is going on.

Our understanding of the situation is that the patients, some 20 in number, pose no threat to anyone.

But we don't live next door to the facility.

Before millions of dollars are spent on the project - and we wonder why so large an amount is needed - the residents of Belleville need some further assurance as to who their guests will be.

We state this because the community has been given virtually no say in the matter, and has to trust to the good sense of the organization sending the patients here. With all due respect to Mrs. Ciccone and the Concerned Families, we think this is not enough.

It is not a matter of being mean spirited about helping the patients. It is a matter of being prudent.

YOUR OPINION

Constitution first — Council second

To the editor:

As a public servant, I can empathize with the sentiments of the four members of the township council, who might feel that the press has been, from time to time, too harsh in its criticisms. However, I cannot agree with their reaction. In this case, I believe the dissenters, Cook and Spillane, let cooler heads prevail.

Yes, I have had disagreements and disappointments in the past with reporters and editors of both the Belleville Times and the Belleville Post. There were times that they reported on public meetings, quoting persons who spoke before me and after me and reported nothing of what I said, as though I wasn't even there.

My method of reacting was to write letters to the editor and get what I had to say out to the public. And it worked. Yes, they printed most of my letters. Only a rare few didn't get printed. Maybe their judgement of those was better than mine, and they should not have been published.

But, by and large, I would rather have a free open press than one that could be controlled by economic pressure. Certainly, the drafters of our Constitution's Bill of Rights thought that a free and unimpaired press was essential to a democratic society. A free press provides the checks and balances

necessary to keep government in line and responsive to the needs of the public.

To attempt to stifle the criticisms of the press by withdrawing the township's public notices and the approximate \$10,000 of revenues from the Belleville Times is beneath the dignity of the Council. Too have voted to do so without the prior advice of counsel and to do so contingent on the subsequent advice of counsel demeaned the credibility of the Council.

And, further, to know that such an action would result in tripling the cost to the taxpayer to \$30,000 borders on fiscal irresponsibility. I believe that had they taken a step back in their anger and waited for advice of counsel before doing this, they probably would not have even suggested it.

My suggestion is that each of them should write, write, write to get their point across. The paper may disagree, but I think that the policy of the publisher of the Belleville Times has been and will continue to be to print those letters, even if they disagree. The editor, Howard Klausner, is interested in the truth. He is interested in seeing good responsive government in Belleville as much as he is interested in seeing a thorough and efficient educational system in our town.

On this issue, my opinion is the Constitution first, the Council second.

Gabriel A. Nazzola

Not in our backyard

To the editor:

This past week, a press release was held with the Essex County Executive and the president of concerned families who were promised property in Cedar Grove to house and care for mental and psychiatric patients and were given county property in Belleville.

The residents of Belleville, in the Smallwood section, Fairway Avenue, Franklin Avenue and Belleville Avenue and the No. 10 school area want to know how in the world can this happen when the Township Manager, the First Ward Councilman and the other six Councilmen didn't know anything about this, including our Township Mayor.

Being the county building on Belleville Avenue has been a hospital for contagious diseases for many years, I believe to have a change of use this project must come before the Planning Board, the Zoning Board and a hearing must be held for the residents in the area.

The County of Essex owns one third of Belleville and does not pay taxes on any of its property. I believe the companies who should occupy this large area should be taxpayers to our Township if we are going to supply police and fire services.

I received over 15 calls from taxpayers, property owners and real estate people who are afraid of what might happen if this deal goes through.

What bothers me is that these people were promised property in Cedar Grove, refused in South Orange, Orange, Montclair and other places. Why should Belleville be the "dumping grounds"?

The patients that were moved from So-Ho Hospital went to, I believe, Cedar Grove. If the county is going to repair the roof, the elevator, the electric system, put in a new boiler and many plumbing repairs, why didn't they do this before? Or better yet, give this building to our Belleville Senior Citizens?

Joseph Fornarotto

She's for Pat

To the editor:

I normally don't get involved but, I feel this time I should. I'm a mother of four children. I like to think that I'm an

informed voter. I keep up on all the facts, so I can make an intelligent decision. Well, as I read the local newspapers, you can tell that time has come once again. This is why I felt compelled to write.

The Board of Education election will soon be here. I was glad to see Pat Pisano's decision to run again. But, as usual, when this town has someone like Pat Pisano on their side, some people would like to make that job even harder. Well, all I can say is I'm glad she's running. If this town doesn't come all out and get her re-elected, I know we will be the losers. Our children will be the losers. The taxpayers will be the losers. I know Pat Pisano has and will continue to work for us all.

To Mrs. Patricia Pisano, please don't be discouraged. There are more people like myself who vote on positions, not negatives.

Good luck.

• **ESSEX** Assemblyman Dick Codey and Republican Senator John Dimon of South Jersey are planning to introduce legislation which would enrich the owners of the five New Jersey racetracks at the expense of the state treasury. Currently, half of one percent of the take goes to the state. Under the Codey/Dimon proposal, the half of one percent which amounts to \$3.5 Million will be lost to the state treasury and put in the pockets of the private operators of Freehold, Garden State and Atlantic City Racetracks with the bulk of the proceeds benefiting the New Jersey Sports Authority. If this proposal ever becomes a legislative bill, Governor Florio should veto it.

• **BELLEVILLE** Town Hall employees have petitioned United States Attorney Michael Chertoff requesting him to investigate a charge that their civil rights were violated. Not only is there an apparent violation of the Township of Belleville employees' civil rights, but there is a clear violation of the provisions of the New Jersey Faulkner Act. The violation of the state act should invite the attention of Attorney General Robert DelTufo.

• **REPUBLICAN** gubernatorial candidates Cary Edwards and Christine Todd Whitman disagree over a proposal by Edwards that New Jersey needs an elected state auditor to "rule out waste." Christine Whitman criticizes Edwards over the proposal because, in her words, "It adds a new layer of bureaucracy."

Siding with Whitman, Governor Florio defends the current system. The Governor observes, "The beauty of the system we have is it is one that does provide for accountability."

New Jersey already has a state auditor. His name is Richard Fair, and he is appointed by the State Legislature. He conducts financial audits of state agencies on a three-year cycle. Edwards insists

an elected auditor would be more beneficial to the state. On this issue, I agree with Whitman. An elected auditor will simply increase the bureaucracy of government without any apparent benefits.

• **THE** traditional New York City St. Patrick's Day Parade on Fifth Avenue on March 17th has encountered a major obstacle. New York Mayor David Dinkins wants gays included as part of the parade.

Dinkins has the authority to award the parade permit. The 231-year-old march up Fifth Avenue was traditionally sponsored for the past 150 years by the Ancient Order of Hibernians. The Hibernians have refused to allow homosexual groups in the order of march. The Hibernians have filed suits in state and federal courts to regain control of the parade on their terms. A group awarded the permit by Mayor Dinkins recently issued a statement saying they were returning the permit to the city because the Hibernians had reasserted their 150-year-old claim on the parade.

The newly formed St. Patrick's Day Parade Committee spokesman, Larry Downes, stated, "It is time for our committee to step aside. The essential purpose for which our committee was formed — to save the parade — has been voided since the Hibernians have indicated their willingness to organize the parade." Last year, Mayor Dinkins did not march in the parade to protest the fact that homosexual groups had been banned. I guess in New York City, it's politically advisable to appeal to the lesbian and gay community.

When the gay group was banned from marching last year, it held its own pre-parade demonstration on Fifth Avenue. A trial judge subsequently decided that the Hibernians had a right to discriminate because it was a religious parade. Dinkins should keep his political finger out of what is strictly a religious undertaking.

• **SOME** area communities have been granted Urban Enterprise Zone designation which permits businesses located in those communities to reduce the sales tax from six percent to three percent. Passaic and Kearny are two communities where this is either taking place or about to take

place. There is something unfair with the law that permits these designated Urban Enterprise zones. The Enterprise zone induces Nutley and Belleville residents to go over the line into the next community and make purchases that would otherwise benefit local merchants. The Urban Enterprise Zone laws should be repealed.

• **LAST** Friday, it took me thirteen hours from the time I left my home in Nutley to the time I reached my home in Highland Beach, Florida. Normally, it's a four-hour deal. However, last week, Continental Airlines had a personnel shortage problem. The plane was on the ground, but we had to wait for the arrival of a "legal" pilot crew. Of course, the delay led to a measure of abrasiveness on the part of some waiting passengers. The fellow that turned on his charm to having the complainers end up smiling was Continental's man in charge, Orlando Ortega. I don't know how much Orlando gets paid, but it certainly doesn't cover his services last Friday. At the very least, his Continental personnel file should contain a letter of commendation. He did one hell of a job. At the other end of the line — at the Palm Beach International Airport, I had reservations to return on a 9:05 a.m., Tuesday flight. Because of the bad weather in the Metropolitan-New York-New Jersey area, flights were backed up in Palm Beach. At 9:45, we were told there was no definite and accurate information coming out of the Newark, New Jersey airport area. Those passengers who could delay the return to New Jersey were invited to cancel reservations and reschedule them for the following day. There was a number of passengers who exercised the option. I was not among them. I hung in there — and sure enough, about forty-five minutes later, the customer service agent in charge, Linda Marino, announced that she just received a clearance and passengers could begin boarding. Linda's graciousness and diplomacy were enough to calm the tempers of the most vociferous. She, too, has earned a letter of commendation for her personnel file. If your travels bring you via Continental to Newark, and Orlando is on duty, you are in good hands. Likewise, if you are departing from Palm Beach via Continental, you are in another pair of trustworthy hands with Linda Marino.

Also at Palm Beach International Airport was another able staff executive who has worked many tough flights and on duty elsewhere than the departing gate, Kevin Dalton. These Continental junior executives are caring people. Continental is lucky to have them in its employ.

Feb. 24 — A Storytime for toddlers at 9:30 a.m. and one for preschoolers at 10:30 a.m. will take place in the James J. Cozzarelli Jr. Children's Room, Main Library, and also at the Shafter Branch Library, 30 Magnolia Street.

A Friends Program, entitled "The Treason Conspiracy" will take place at 1 p.m. at the Belleville Public Library and Information, given by humanities scholar, Frank De Lisi.

"Broaden Your Reading Horizons," a program about illiteracy, will be presented by Laurie Roemmele of the Partnership Against Illiteracy, at 10:30 a.m. at the Shafter Branch Library, 30 Magnolia Street.

The Underground Railroad

Guest lecturer, Dr. Giles Wright, will offer a talk on the Underground Railroad in New Jersey on Feb. 23 at 1 p.m. at the library. Dr. Wright is the Director of Afro-American Studies at the New Jersey Historical Commission. He has written many essays and articles on African-American history and has spoken throughout New Jersey.

This lecture is part of the library's celebration of Black History Month for 1993. Dr. Wright's program is free of charge, and the public is encouraged to attend. Pre-registration is requested by telephone at 450-3434 or in-person at the Main Library or Shafter Branch.

Book marks

Giles Wright, Director, Afro-American History Program, the New Jersey Historical Commission, will offer a special lecture entitled "The Underground Railroad in New Jersey," Feb. 23 at 1 p.m. at the Belleville Public Library and Information Center. Call 450-3434 to register.

New videos at library

New best-selling videos recently acquired by the library include "The Babe," the life story of Babe Ruth, "Deceived," the story of a perfect marriage that is upset by a husband's death, "Double Impact," the story of identical twins' attempt to find their parents' murderer after 25 years of separation, "Far and Away," the trials and tribulations of a poor tenant farmer who accompanies a landlord's daughter to America, "Fried Green Tomatoes," tales woven by a woman around the Whistle Stop Cafe, "Hand That Rocks the Cradle," the story of a nanny's revenge and a desire for a family of her own, "Medicine Man," the story of a brilliant but off-beat scientist in the Amazon jungle, and "The Super," the tale of a slum landlord's sentence to a building that needs many repairs.

Thursday Film Series

On Feb. 18, the Belleville Public Library and Information Center will show the film, "The Letter," the story of the cold, calculating wife of a rubber plantation owner, who shoots her lover, played by Betty Davis. On Feb. 25, "Tomorrow Is Forever" will be shown with Orson Welles, who has disappeared for 20 years and finds out that his wife has remarried and has children by her second husband, George Brent.

Please call the library at 450-3434 to register for the films.

President's Month Programming

The well-known, but little told detailed summary of Benedict Arnold's treason act will be the focus of Frank De Lisi's lectures on Feb. 24 at 1 p.m. on "The Treason Conspiracy," one of a series of lectures for President's Month at the Belleville Public Library and Information Center. Call the Main Library at 450-3434 to register for the lecture, or register in person at the Main Library, 221 Washington Avenue.

Frank DeLisi, a history buff, is an attorney, a frequent humanities lecturer at the library and to community groups. A former English Department Head for the Newark Public Schools, DeLisi also served for 24 years as an adjunct professor, Rutgers University.

A combined summary of the lectures on "The Assassination Conspiracy" and "The Treason Conspiracy" will be given on Feb. 25 at 7 p.m. Call the library at 450-3434 to register for the evening lecture.

Friends' membership

Membership in the Friends of the Belleville Public Library and Information Center is encouraged for all library patrons. You can indicate on the membership form whether or not you would like to be active, or prefer not to be called and considered a Book Member. Membership is \$3 for individuals, \$5 for family members, \$1 for student membership, \$25 for patrons, \$25 for business, \$10 for clubs and organizations, and \$50 for Life Membership. All membership dues and contributions are tax deductible and can be mailed or brought in-person to the library.

Currently the Friends are offering many cultural programs and planning spring bus trips, which will be announced.

Children's, Parenting Books

A special talk on "What's New In Children's and Parenting Books" will be given by Cindy LaRue, Acquisitions and Reference librarian, on Feb. 23 and 25 at 10:30 a.m. Please call the Main Library at 450-3434 to register for the lecture.

Getting a Grip on Angina

Shoveling snow, climbing a flight of stairs, arguing with a spouse or colleague—all of these events can trigger angina, a sometimes frightening symptom of heart disease.

Angina can be felt as pain, pressure or discomfort that usually radiates upward and outward from the upper chest. It typically occurs when heart rate and blood pressure go up, placing an extra demand on the heart.

In a healthy person, more oxygen is delivered to the heart when the work load increases. Angina is an indication that arteries blocked by atherosclerosis are unable to deliver oxygen-rich blood quickly enough to meet the heart's needs.

An angina attack is usually short-lived, typically lasting from 30 seconds to five minutes, and is often relieved by stopping the activity that brought it on or by taking medication. Although

an angina episode is not a heart attack, it is a sign of heart disease and a warning that a heart attack could occur at some unspecified time in the future.

Diagnosing Angina

If you have experienced chest pain while exercising or under stress and the pain is relieved with rest, you should consult your physician who can determine whether or not your pain is caused by angina. A medical history and physical examination can provide your physician with a great deal of information.

Treatment Options

The treatment your doctor prescribes for angina will depend on your age, other medical conditions you might have and the severity of your angina. Treatment options include medication, lifestyle changes and more invasive options such as bypass surgery or angioplasty.

Medication is usually the first line of defense against angina. Physicians can choose from a number of old and new drugs, depending on individual symptoms.

Angioplasty, a less expensive and less invasive procedure than bypass surgery, is increasingly used to treat angina. A study published in the New England Journal of Medicine (January,

1992) found that after six months, 64 percent of a group of patients treated with angioplasty were free of angina symptoms compared with 46 percent for patients treated with medication.

Regardless of whether your angina is treated with medication or surgery, it's important to become an active participant in your treatment. Talk to your doctor about any lifestyle changes you can make to better manage your condition. Suggestions for angina sufferers include:

- if you smoke, stop;
- avoid activities that bring on attacks;
- engage in regular, moderate exercise below the level that will trigger an angina attack;
- avoid stress as much as possible;
- practice relaxation or meditation to control stress;
- lose weight if you're overweight;
- avoid excess food and alcohol;
- dress warmly in cold weather;

Dr. Sylvia Irwin stresses children's dental health

February is Children's Dental Health month, and I would like to take this opportunity to share some tips with you for a cavity-free child.

Clean your baby's gums and teeth after each feeding. Before the teeth erupt, use a washcloth or gauze pad. Thereafter, use a soft-bristled toothbrush.

Begin dental visits early — certainly by age two to two and a half. At this time, the dentist will check for cavities and developmental problems, clean the teeth and administer a fluoride treatment.

Do not put your child to sleep with a bottle filled with milk or juice. Prolonged contact with sugars contained in these liquids can cause teeth to decay and discolor.

Be sure your child is getting enough fluoride. Fluoridated vitamins, toothpaste, rinses and professional fluoride treatments all act together to help strengthen your child's teeth.

Encourage good eating habits. Minimize sweets and eating between meals. Teach your child to eat a well-balanced diet.

Teach your child how to brush and brush with your child. Children under the age of seven frequently do not have the dexterity to brush all the areas of their mouth adequately alone. By the age of eight, children should begin to floss their teeth.

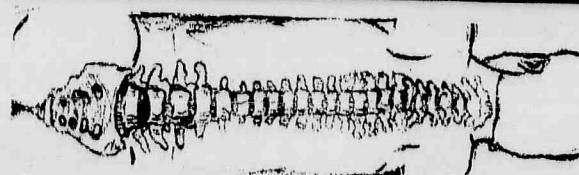

Make dental visits positive — encourage a good attitude. The dentist is here to help you and your child.

Protect your child's teeth with pit and fissure sealants. These are clear plastic coatings applied by the

dentist to the chewing surfaces of back teeth. They are nearly 100% effective in preventing decay in the sealed surfaces.

Remember — nearly 50% of American children ages five to 17 have no decay in their teeth.

Mary Fugazzi bride of Paul J. Fenui

Mary Catherine Fugazzi, daughter of Mr. and Mrs. Joseph Fugazzi of Nutley, was married recently to Paul Joseph Fenui, son of Mr. and Mrs. Harry Fenui, also of Nutley.

Rev. Chris Hynes performed the ceremony in St. Mary's Church. A reception followed at Essex Manor, Bloomfield.

Escorted by her father, the bride wore a satin beaded gown. A beaded crown held her veil and she carried white roses.

Donna Ferraro of Nutley was matron of honor. Bridesmaids included Barbara Doerflein of Tobyhanna, Pa., Michele Ducaler of Wayne, Amy Parisi of Nutley, Anna Nilsson of Nutley and Kelly Sullivan of Nutley.

They were attired in amethyst satin and lace tea length gowns and carried white carnations with purple flowers.

Barry Place of Nutley served as best man. Ushering were Harry Doerflein of Tobyhanna, Ralph Duesler of Wayne, Ferry Ferraro of Nutley, Pete Hilkene of Nutley and Jeff Quinn of Nutley.

Mrs. Fugazzi chose a plum tea length dress with beaded neckline. Her corsage was of pink carnations. The groom's mother was in a turquoise beaded tea length dress and had a corsage of white and silver carnations.

Mrs. Fenui, an alumna of Nutley High School, is with Township of Nutley Parks and Recreation Dept.

Mr. Fenui, also a Nutley High School graduate, served in the United States Army. He is with Garden State Paper, Garfield.

The couple honeymooned in Aruba following the Oct. 24 nuptials. They have made their home in Nutley.

Donald Franklin — Roseann Pinto

Pinto-Franklin troth told; wedding next year

Mr. and Mrs. Raoul Pinto of Belleville announce the engagement of their daughter, Roseann, to Donald Franklin, son of Mr. and Mrs. Russell Franklin of South Orange.

The troth was made known Dec. 31. The wedding is planned for April 15, 1994.

Miss Pinto, an alumna of Essex County Vocational and Technical High School and Berdan Institute

for Health Professionals, is a medical secretary with Dr. DeCorso in Bloomfield and a beautician at Shear Shack Haircutters, Nutley.

Mr. Franklin, a graduate of Columbia High School, Maplewood/South Orange and Seton Hall University, South Orange, attended Kean College, Union. He is a certified tree expert with the Township of South Orange.

Mr. and Mrs. Paul Fenui — nee Mary Fugazzi

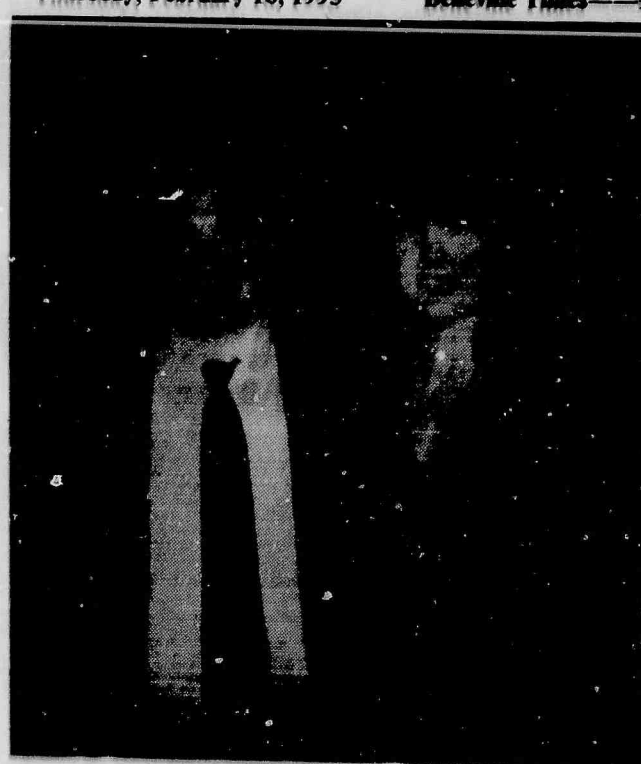

Barney and basketball benefit 'Friends of Baby Lou'

Alumni of John Walker's 1968 sixth grade class at Washington School, Nutley, will sponsor a round robin basketball tournament 9 a.m. to 6 p.m. Feb. 21 at Nutley High School. Barney the Dinosaur, a television character well known to and very popular with the "younger set" will be there from noon to 5 p.m.

The event will raise funds for a local charity, the "Friends of Baby Lou." For a small fee, children can have their pictures taken with Barney. Refreshments will be for sale in the cafeteria and the basketball players will chip in a participation fee.

"Baby Lou" Riccardi is a 4-year-old Nutley resident who was born with spina bifida, a crippling condition that requires a lifetime of expensive treatment and therapy. "Friends of Baby Lou" is an organization that was formed shortly after Lou was born to raise funds to help defray his substantial medical bills.

Direct donations to the "Friends of Baby Lou" may be made by contacting Judy Trimontana at 661-2246. For more information about the round robin basketball tournament, contact Carmine Alessio at 667-5296.

Dr. Vincent Rullo Jr. — Dr. Nancy Ritschel

Dr. Nancy Ritschel to wed Dr. Vincent Rullo Jr.

Announcement has been made of the engagement of Dr. Nancy Joan Ritschel, formerly of Belleville, to Dr. Vincent Rullo Jr., son of Mr. and Mrs. Vincent Rullo Sr.

Dr. Ritschel is the daughter of the late Catherine Ritschel and Charles Ritschel. A graduate of Belleville High School, Stockton State College, Pomona and New

York Chiropractic, she is employed at Bethany Chiropractic, Hazlet.

Dr. Rullo, an alumnus of West Essex High School, Fairfield, Kean College, Union and New York Chiropractic, is also employed at Bethany Chiropractic Center.

The couple plan a Nov. 7 wedding.

George D. Hagerter feted on 95th birthday

George D. Hagerter, former Belleville resident, was feted at the Lake Mohawk Country Club Feb. 13 to celebrate his 95th birthday.

The honoree was born in Brooklyn, N.Y. At the age of 13, he joined the Neil O'Brien Minstrels, touring the United States until he was 16. At age 18, he married the former Florence Wilson and moved to Belleville where he lived for 60 years. He moved to Andover Town-

ship 10 years ago where he lives with his daughter, Virginia Foley. His wife and two daughters, Dorothy Barton and Florence Meehan are deceased.

Mr. Hagerter worked for Wallace & Tieman in Belleville for 48 years, retiring in 1963. He entertained for many years with the Pinedale Trio in and around Essex County night spots.

Stork Club

Michele Ashley Mattia

A second child, a daughter, Michele Ashley, was born to Mr. and Mrs. Sal Mattia of Belleville Feb. 3 at Clara Maass Medical Center, Belleville. Birth weight was 8 pounds, 14 ounces. She joins Nicole Alyson, eight.

Mrs. Mattia is the former Debbie Dohrenwend, daughter of Patricia Dohrenwend of Matawan. She is assistant director of credit with Revlon, Edison. Mr. Mattia, son of Mr. and Mrs. Ennio Marcantunio of Newark, is a fire protection engineer with F&G Mechanical, Secaucus.

Vincent Gerard Biase

A first child, a son, Vincent Gerard, was born to Dr. and Mrs. Joseph Biase of New York, N.Y. Nov. 29 at Beth Israel Medical Center, New York. Birth weight was 8 pounds, 10 ounces.

Mrs. Biase is the former Donna Chirico, daughter of Mr. and Mrs. Charles Chirico of Belleville. Dr. Biase, son of Mr. and Mrs. Agostino Biase of Belleville, is a resident in urologic surgery at Beth Israel Medical Center.

Belleville earns top seed in Sectionals

Bengal rally stuns Bucs

By Joe Piegare

"Wait 'til next year." That is the new rallying cry around Belleville High School nowadays.

Our Bucs had all the chances in the world this past week, but came home with an empty basket.

After opening the week with a 44-22 pasting of Montclair, BHS faced St. Joseph's of Montvale for the NNJIL Pacific Division championship. Our Bucs pulled out all the stops but came up short as they wound up on the short end of a 29-26 score.

Once again the lack of a true heavyweight hurt the Bucs as Mike Capezio, normally a 189 pounder, was moved up a weight class to try and pull the iron out of the fire. Mike was pinned by Greg Karcich at 3:34 of the second period, ending the home town's dreams of an NNJIL title for 1993.

Although Belleville lost to St. Joe's, they put out a great effort, but just didn't have the manpower to get the job done.

Two days after the loss to St. Joseph, BHS lost a 33-25 heartbreaker to Bloomfield. The Bucs had the manpower to win this one, but the Bengals wanted it more, much more.

Although the final score was only an eight point difference, Bloomfield showed itself to be a far better team, at least on Saturday afternoon.

Except for the first three weight classes, Sam Fusaro's boys were far better on their feet than anyone in the Buc lineup. The Bengals were much more aggressive, much more determined and were relentless on the attack as offensive wrestlers.

Even the Bloomfield fans intimidated the hometowners. Bengal

Joe McNish battles hard during match against Bloomfield Bengals. McNish and company took on Union in the state sectionals yesterday. (All wrestling photos by Jerry Mattia)

rooters were at a fever pitch all afternoon. Buc boosters were quiet all day except for brief bursts during the 119, 160 and 171 pound matches.

While the meet with Bloomfield carried no significance as to league standings, the far reaching effects could be disastrous. There is still a chance for both teams to win the Region 4 crown.

The Bengal winsure puts them in the driver's seat. Eight Bloomfield wrestlers won on Saturday, only five Bucs. When the districts arrive in two weeks, all eight of those boys will be ranked ahead of Belleville

wrestlers because of the head to head rule in seeding meetings.

Then there is the pride factor. Bloomfield has taken over from Nutley in recent years as Belleville's fiercest and most competitive rival. This one was for bragging rights in the local gyms and playgrounds. The Bengals won those rights, in convincing fashion.

Although the team did not fare well last week, certain individuals shone brightly for the Bucs.

Sophomore 103 pounder John Perna established himself as a state caliber wrestler this past week

when he decisioned long time nemesis Damion Logan of St. Joseph's, 10-7.

Logan had been Perna's tormentor during their recreation years, beating John every time they faced each other. Most of those wins were quite one sided, always in Logan's favor. But Perna has matured, and improved. John controlled Logan, and the match, and was never in danger as he got rid of a very heavy monkey off his back. Now at 22-0 for the year, Perna has a chance to break the record at BHS for most

Boys fall to St. Joseph's, Teaneck

By Mike Lamberti

Injuries leading to a lack of depth led to a disastrous fourth quarter and the Belleville boys' basketball team ended the week with two losses, falling to NNJIL rivals Teaneck 67-54 and St. Joe's of Montvale, 71-59.

Don Roll's team was 8-10 heading into last Tuesday's game with Paramus. This afternoon, Clifton comes to town for a 4 p.m. game. Next Thursday, it's off to Livingston for the final regular season game of the year. Tip off time is 4 p.m. The Bucs will then battle Bloomfield in the first round of the state tourney.

"We gave Teaneck a good game, but in the St. Joe's game, we were decimated by injuries. By the fourth quarter, we were without three of our starters and it showed."

Belleville appeared headed to a victory against St. Joe's, a team the Bucs had stopped earlier in the season on the road. St. Joe's led 12-11 after one quarter and 31-28 at halftime. But in the third quarter, the Bucs played solid defense and hit key baskets to outscore St. Joe's 15-6 and take a 43-37 lead into the final eight minutes.

In retrospect, Roll must have hoped for a power failure that would have negated those final eight minutes. St. Joe's outscored the Bucs 34-16 in the final quarter. The visitors shot 15 for 21 from the foul line alone in that quarter.

"Everything caught up to us," Roll said. "We were without Kevin Johansen, Frank Means and Mike Mundy. Those are three quality players and the lack of experience hurt us."

Mundy went down in the first quarter with a severely sprained ankle. He could miss two weeks of action.

"Mike is a smart player," Roll said of Mundy. "He takes good shots and not having him slows down our offense."

Dennis DeWork continued his good season, leading all scorers with 27 points. Ken Johansen had 11, Jason Albert tallied ten, Mike Christy had five, SungBok Lee scored four and Mike Molina had two.

Against Teaneck, the Bucs played well on the road against one of the stronger teams in the NNJIL Atlantic Division.

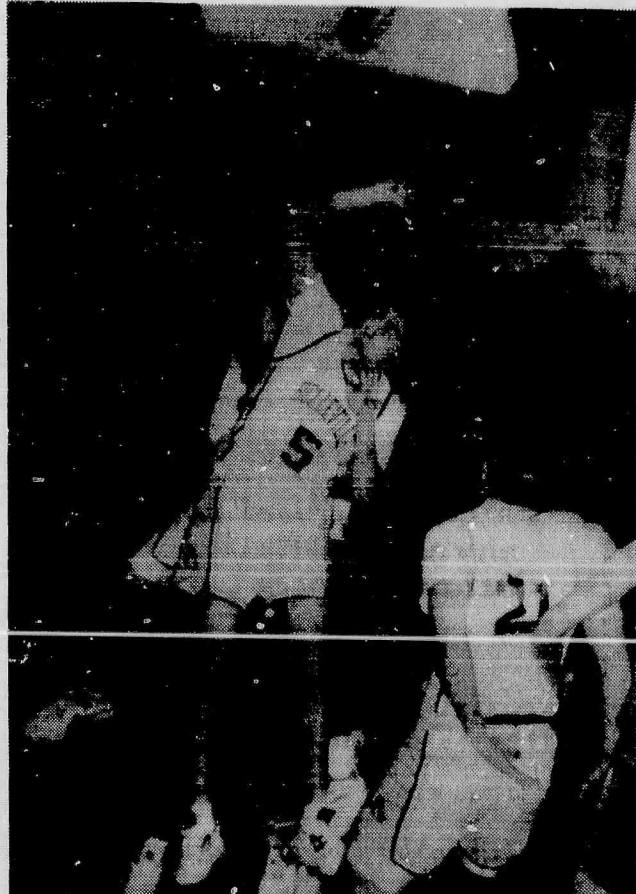

Teaneck led 14-8 after one quarter and 32-24 at halftime. Belleville stayed close in the second half, but the Highwaymen pulled away in

the final quarter and won the game by 13 points.

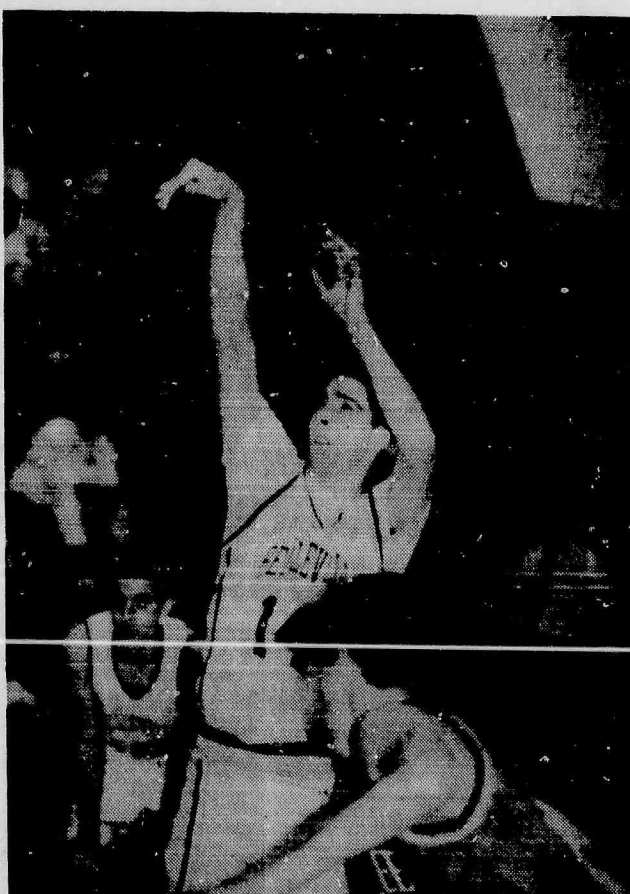

DeWork was the games high scorer once again, this time with 24 points. No other Belleville player was able to score in double digits, however. Molina had nine, Ken Johansen, seven, Mundy scored six, Christy and Frank Means had four each.

Teaneck was led by Corey Goodall, who scored 17. Giovanni Hernandez had 14, Demar Bonnemere had 13 and Maurice Williams tallied 11.

As for the upcoming state tournament, the Bucs drew Bloomfield. Ironically, Belleville started the regular season by hosting the Bengals at Buccaneer Garden. Now, the team will look to extend its season by battling the Bengals at Bloomfield High in early March.

Mike Mundy (5) works for rebound during game against Glen Ridge. Mundy sustained an ankle sprain last week and he could be lost from the lineup until late February.

Ken Johansen follows through with foul shot during tournament game against Glen Ridge. A senior point guard, Johansen has been playing very well over the past three weeks.

By Mike Lamberti

The annual Belleville Hall of Fame Dinner is set for next Friday, February 26 at the Chandelier. The dinner will commence at 7 p.m. and a full slate of activities is planned. Eight individuals, plus one team will be inducted into the Hall.

Carolann Salerno, Dave Rothwell, Richard Rufalo, Brian Cook, Destree Johansen, Mike Gibbons, Laura Caruso and the late William Bennett will be inducted. Also, the 1982 girls' crew team will be inducted as a team, marking the second time in the history of the Belleville Hall of Fame that a team will be inducted. The first team was the '76 boys' crew team, which went in to the Hall in 1985.

If you have not obtained tickets, contact Belleville Athletic Director Karen Fuccello at the high school during regular business hours. If you cannot get in touch with Fuccello, a member of the Belleville Athletic Council can help you as well.

B.S.A. INDOOR ACTION

The Belleville Soccer Association completed another weekend of action in the United Youth Indoor Soccer Tournament at William Paterson College.

The Devils split two games in Division 3, beating Clifton 5-1 and losing a hard fought game to Glen Ridge, 2-1. In Division 4, the Bobcats came away with a tie and a loss. The Bobcats finished in a 4 all tie with Glen Ridge and dropped a 5-0 count to an aggressive team from Clifton.

The Killer Bees lost two games in Division 5. The team was stopped by Ironbound and Ramsey by scores of 5-0 and 3-0 respectively. In Division 1, the Cobras continued its winning ways by taking a 3-1 victory.

In DSA Division 6 action, the "A" team held on to first place by posting a 5-0 win over the Tornados. There is a three way tie for second place between the Chiefs, Green Hornets and the Thunder. The Chiefs defeated the Rockets 2 zip while the Thunder blanked the Strikers 9-0.

The Green Hornets kept pace by beating the Jets 7-2 and the the Bulldogs edged the Sting Rays 3-2 in OT.

MIKE RUBAS EXCELS IN COLLEGE FOOTBALL

Belleville native Mike Rubas was selected to the 1992 Eastern Athletic Conference (ECAC) Division III Southern all star team.

A junior defensive back, Rubas finished second on the team with 114 total tackles (65 first hit, 49 assisted). He led the team with six pass breakups and four interceptions. The ten game starter added one fumble recovery and one blocked extra point.

Rubas, a graduate of Seton Hall Prep, also earned Centennial Conference all star honors. During high school, Rubas was an all conference football player and wrestler.

Besides playing defensive back, he also played some wide receiver. Rubas is known as a hard hitting defensive back and has received numerous accolades from his opponents for his aggressive style of play.

Good luck to Mike Rubas in his senior year. Congratulations for all the accomplishments achieved on the football field thus far.

TID BITS

Quick, who is "cute and quick on the court"? I'll give you a hint. She plays for the Belleville girls' basketball team and, she wears number 24. More on this quiz in next weeks issue.

Speaking of the girls' basketball team, who is Dave?

I'm a diehard St. Louis Cardinals fan, have been since 1967. I've seen a lot of trades during the years and I haven't always agreed with them. I didn't like the deal in '83 when Keith Hernandez was dealt to the Mets for Rick Ownbey and Neil Allen. But I later learned that Whitey Herzog dealt Hernandez for basically nothing because of Hernandez' off the field dealings.

Anyway, getting back to the present, the deal last week that sent Felix Jose to Kansas City for Gregg Jeffries is a total mystery. Jeffries, at one time a New York Met cult hero, is a lousy defensive player. The Cards say they want to play him at first base this

RECREATION ROUNDUP

Pre-school registration

The Belleville Department of Recreation & Cultural Affairs is accepting registration for the pre-school play program for 4 year old children. The program consists of games, stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 12:45 p.m. to 2:45 p.m. five days a week with class limited to a maximum of 23 students. The cost of the 32 week session is \$125. The mothers of the children accepted must participate by serving one duty day about every other 8 or 9 days according to a published schedule.

School will begin on Monday, Sept. 20, and will run through May 1994.

Children born between Oct. 1988 - Sept. 1989 who will enter kindergarten in September 1994 are eligible. Participants must be Bel-

leville residents. Since there are just a limited number of openings, applications will be accepted on a first come - first served basis only.

Children must be able to speak and understand English in order to participate. A \$25 deposit is required to hold your spot in the program.

For further information and enrollment, contact the Belleville Recreation Department at 450-3422 as soon as possible - Monday-Friday 8:30 a.m. to 4 p.m.

A.S.A. Umpire tests

The Belleville A.S.A. Umpire's Association will be conducting the A.S.A. Softball Umpire's Test on Thursday, April 1, at 7 p.m. at the Rec House, 407 Joralemon Street. Any adult, male or female interested in taking the test should call the Belleville Recreation Department at 450-3422 to obtain an application for the test. There is a \$30 non-refundable exam fee that must accompany your application.

Persons who register for the test can attend the A.S.A. Softball Rules Clinic, to be given on March 16, 23 and 30 at 7 p.m. at the Belleville Recreation Department. These clinics are designed to prepare all potential umpires for the test on April 1. The clinics will be conducted by Frank Dario and Tom Ucci, two of Belleville's most

experienced umpires.

The registration deadline will be March 19. The course and test are open to all persons, 18 years of age and older. A 70% passing grade will be required. Successful applicants will then be qualified to umpire A.S.A. softball after paying their membership dues, and will be responsible for securing their own work assignments.

Baseball/softball applications

The Belleville Recreation Department has announced that applications for all recreation baseball and softball programs are available in all public and parochial school offices and at the Recreation Department office.

Boys ages 8-9 can play Peanut League baseball; 10-12 year old boys can play Junior League baseball, and 13-15 year old boys are eligible for Senior League baseball. Boys and girls ages 6-7 can sign up for Tee-Ball. Girls ages 8-14 can apply for all levels of recreation softball, including the Suburban team. Specific league structure/age breakdown for girls' softball will be determined after the registration deadline. In order to qualify for any league, the child must reach the minimum age before Aug. 1, and he or she cannot exceed the maximum

age by July 31.

All leagues are for Belleville residents only.

High school freshmen or JV team players, or Suburban league team players (7th and 8th grade) are not eligible for the Rec leagues. All applications must be returned to the Rec House with birth certificates by March 19. Players trying out for the previously mentioned teams should complete Rec applications before the deadline in case they get cut.

In all cases, the applications must be completed in full and signed by a parent, and all returning players must re-apply. Applications accepted after the March 19 deadline will be considered late and will be treated accordingly. Late applications cannot be guaranteed entry into the league. The Rec House (407 Joralemon Street) hours for registration are Monday-Friday, 8:30 a.m.-12 noon and 1 to 4 p.m. The office will also be open one night each week (dates/times to be announced) for registration. All children attending required practices will play in every game. Our leagues stress sportsmanship, basic skills and fun.

League director needed

The Belleville Department of Recreation & Cultural Affairs is seeking one adult to serve as League Director for its Tee-Ball League. The part-time position entails supervision of league games / personnel and re-scheduling rainouts.

Anyone interested would preferably reside in Belleville and must be available Saturdays and Sundays. Qualified applicants must be sports-minded, responsible and must work well with people. This position would also be good experience for a college student majoring in recreation / physical education. For further information or to apply, call the Recreation Department at 450-3422.

Recreation Track

The Belleville Recreation Department will be offering a recreation track program for boys and girls in grades 6, 7 and 8. The program will tentatively be conducted Mondays, Wednesdays and Fridays at the Stadium from 4 to 6 p.m. Scheduled to begin on April 2, the program will be designed to introduce aspiring runners to the fundamentals of track and field. Participation, rather than competition will be stressed. Training will consist of instructions and fun activities, instead of intense physical workouts. This year's program instructor will be Donna Lee Daudelin, a former runner for the Belleville High School Track team.

Children in grades 6, 7 and 8 who reside in Belleville are eligible. Those children who will be playing baseball or softball should not take part in this program, however, since practices and schedules will conflict. To register, come to the Recreation Department office at 407 Joralemon Street between 8:30 - 4:00, Monday - Friday, with your birth certificate.

season, even though he's never played first.

In addition, playing first on artificial turf will be a big challenge. In losing Jose, the Cards got rid of a solid .300 hitter who is developing into a good power hitter as well. He has good speed and plays good defense. Why in the world the Cards traded this guy is beyond me.

Once again, the Cardinals are looking for a first baseman. It's the **Jack Clark** curse. Since Clark left St. Louis after 1987, the Cards have gone through at least six first basemen.

Unless there is more to this trade, perhaps a future deal in the works, this trade could be the worst the Cardinals have made since they dealt Steve Carlton to the Phillies for Rick Wise.

Who do you like in the upcoming NCAA mens' basketball tourney? It looks wide open to me. Kentucky, Indiana, Kansas and either Duke or North Carolina will probably get the top seeds in a few weeks. But there isn't a clear cut dominant team, like there was in past years with UNLV and Duke.

Speaking of college hoops, what's wrong with Seton Hall? Everyone expected the Pirates to dominate this year, but the team is struggling and seems to lack an identity.

Perhaps Seton Hall will rise to the next level before the tourney begins. In the past few years, Seton Hall has done well in the late stages of the season.

LAST WEEKS QUIZ

In 1968, the Baltimore Colts finished 13-1-0. The only team to beat Baltimore in the regular season was Cleveland, who won 30-20. The Buffalo Bills, Oakland Raiders and Denver Broncos beat the New York Jets in 1968. The Jets finished 11-3-0. The Heidi Bowl game was played in Oakland, with the Jets losing 43-32 to the Raiders. That was the game in which the Jets led 32-29 late in regulation time. NBC had scheduled to air Heidi at 7 p.m. and promptly went to the movie at 7. The Raiders scored two late TD's after the game was taken off the air in the local market.

In 1967, the Baltimore Colts went undefeated for the first 13 weeks of the season. The team was 11-0-2 entering the final week of the regular season. In that final week, Baltimore played the 10-1-2 Los Angeles Rams and lost, 34-10. The Rams and Colts, who both played in the same division back then, the NFL's Coastal Division, finished 11-1-2 each. Since there was no wild card back then, the Rams won the division on the basis of tie breaker and the Colts, despite losing just one game in 14 tries, missed the '67 playoffs all together.

Helen Capalbo Richmond

Mrs. Helen Capalbo Richmond, 82, of Durham, North Carolina, died on Monday, February 8, at the University of North Carolina Hospital in Chapel Hill, North Carolina.

Born in Belleville, Mrs. Richmond resided in Nutley for many years before moving to Middletown, New Jersey, in 1958, and returning to Nutley in 1980. She moved to Durham in 1989.

While residing in Middletown, Mrs. Richmond was a Real Estate Salesperson in the Monmouth County area from 1958 to 1980.

Mrs. Richmond was recognized for her baking skills. She was featured in an article in the Newark News for her international cookie baking.

She received a Gold Medal from Deborah Heart and Lung Institute in Browns Mills, New Jersey, for her volunteer work with the Red Bank Chapter of Deborah.

Mrs. Richmond was also a volunteer in the Nutley Family Service Thrift Shop from 1980 to 1989.

Surviving are her son, Robert A. Richmond, and her brother, Albert Capalbo.

A Funeral Mass was offered on Thursday, February 11, at St. Mary's Church in Nutley, following the funeral service from the S. W. Brown and Son Funeral Home in Nutley.

Interment was at St. Joseph's Cemetery in Lyndhurst.

Roche on AIDS

To the editor:

As a research-based health care company committed to fighting AIDS, we would like to update you on the role that Hoffmann-La Roche is playing in this area and to inform you of our views concerning our company's relationships with members of the AIDS activist community.

In 1992, Roche created a Community Advisory Board (CAB) consisting of individuals actively involved in the AIDS community who meet with representatives of our company to discuss issues pertaining to the development, testing and availability of AIDS treatments.

While extremely useful, our CAB interactions have been difficult at times. Disagreements have arisen over expectations regarding the manner, method and timetable of our studies, as well as over the degree of involvement CAB members should have in our drug development and clinical testing decision-making process.

A recent CAB meeting was disrupted by an aggressive and disorderly demonstration by certain AIDS activists, further straining our relationships with community board members. The CAB members have temporarily suspended their activities with Roche. We hope this situation will be resolved quickly and constructively. Certain members of the AIDS activist community recently demonstrated against Roche. We believe this will not only further damage relations between Roche and the AIDS community, but also cause disruption that can only delay ongoing research, as well as discourage other companies that are involved in or contemplating AIDS drug research.

Freeholder meetings

To the editor:

County government often seems distant and disinterested to the needs of the taxpayers. Oftentimes there is much truth to this perception. Most of the meetings of the Board of Chosen Freeholders are held in Newark in the afternoon, hardly convenient for those who work during the day.

Recently, the President of the Board released a schedule for public budget hearings, all of which have been scheduled in Newark. Although I have asked that these be changed to include participation from the suburbs, nothing has been changed. It is unfortunate that the Board of Freeholders seems to have no interest in hearing from the public on such an important matter.

I would like to announce, however, that the Freeholders will be holding a public meeting in my district on Feb. 24. I and my colleague James Treffinger will have several resolutions before the Board, including one calling for the full re-instatement of the County Police. Such re-instatement, which has been the subject of several special meetings in my district, will not incur an additional cost to the taxpayers since the County Police have the capability of generating their own revenue.

The public will have the chance to address the Freeholders on this or any other topic, including the budget and its \$7.3 million tax increase. I encourage all residents of Essex County to take this rare opportunity to tell the Freeholders what you think. The meeting will be held on Feb. 24 at 8 p.m. in the Montclair Town Hall.

Sebastian Phillips, 73

Sebastian Phillips, 73, of Nutley died on Friday, February 12, at Clara Maass Medical Center in Belleville.

Born in Belleville, Mr. Phillips resided in Nutley for the past 27 years.

He was a Carpenter with Hoffmann-La Roche in Nutley for 14 years, retiring eight years ago.

Mr. Phillips served in the United States Army Air Force during World War II.

Surviving are his wife, the former Isabel Payne; his son, William Phillips; his daughter, Mrs. Linda Rose; his sister, Mrs. June Sim, and four grandchildren.

A Funeral Mass was offered on Tuesday, February 16, at Our Lady of Mount Carmel Church in Nutley, following the funeral service from the S. W. Brown and Son Funeral Home in Nutley. Interment was at Holy Cross Cemetery.

Klein visits White House

Congressman Herb Klein (D-NJ) was invited to the White House Friday to discuss economic policy with President Bill Clinton. Klein gave his recommendations about proposed budget changes and Clinton's State of the Union address, scheduled for Feb. 17.

"I am taking the concerns of northern New Jersey business directly from the mouths of the Chamber of Commerce, to the ears of the president," said Klein. Klein was scheduled to be at the Northern New Jersey Chamber of Commerce breakfast just hours before he met Clinton.

"As the senior freshman on the House Banking, Finance and Urban

and Affairs Committee, I will recommend to the President that his economic package address the credit crunch and help our small businesses get loans," said Klein.

BATTLING THE NAUSEA OF CHEMOTHERAPY

Nausea and vomiting are likely to be problems for the estimated 300,000 cancer patients who undergo chemotherapy each year. Recently, however, the Food and Drug Administration approved a drug called ondansetron which controlled these symptoms in up to 75 percent of the chemo patients tested. The only reported side effect of the drug was a mild headache. To understand how ondansetron works, one must start with the fact that chemotherapy seems to trigger nausea and vomiting by stimulating cells in the brain and stomach to release excessive amounts of a chemical called serotonin. This chemical causes nerve endings to begin the vomiting reflex. For its part, ondansetron binds with the nerve endings to inhibit serotonin's effect.

Mannion 27 propel Lady Bucs

By Mike Lambert
Cheryl Marion had a "diplomatic" conversation with her team during halftime of last week's game against Teaneck. Whatever the coach said must have worked, because the Lady Bucs regrouped in the second half to win the game, then won a big road game at Newark Eastside despite missing a few starters.

Belleville was 6-11 heading into last Tuesday's game with Paramus. This afternoon, the girls are at Clifton. The varsity game tips off at 5:30 p.m. Next Tuesday, it's off to Barringer for a 4 p.m. game. The season ends next Thursday when Passaic comes to Buccaneer Garden.

Marion was far from happy with

her team's first half performance against Teaneck.

"A few words were spoken during halftime," Marion said in an understatement. "I was not very happy with our intensity and execution. This was a home game and we're losing to a young, inexperienced team."

Belleville led 13-8 after one frame, but the Lady Bucs managed just four points in the second quarter and trailed Teaneck 20-17 at the intermission.

"It's one thing to be outplayed by a better team," Marion said. "But we weren't playing well and we were letting them take it to us."

The speech had an immediate impact as Belleville outscored Teaneck 10-4 in the third quarter to

retake the lead, 27-24. In the final quarter, Belleville used key shooting by Liz Ramirez and Andrea Curran to pull away to a seven point win.

Ramirez and Curran led the Belleville scoring attack with 17 and 15 points respectively. The incomparable Colleen Mannion was limited to just five points, but the senior forward would dominate the next game. Adrienne Walsh had four points and Kristin Caputo tallied two.

Last Thursday, Belleville took to the road to play a tough Newark Eastside team. Entering that game, Belleville was without the services of Ramirez, point guard Marie Acuna and Caputo. All three were out with illnesses and Marion said

The Belleville Junior Buc wrestling team had a fine season, winning another county title. The Bucs will be at Maplewood on February 28 for the post season county championships.

Jr. Bucs capture championship

The Belleville Junior Buc wrestling team won its fourth consecutive Essex County championship and fifth in the last six years. The team has compiled a 52-1 record over that span. This year, the team wrapped up the title by romping past Caldwell 54-22 and Maplewood, 86-6.

Against Maplewood, pins were recorded by Tim Hands, Marc Casella, Anthony Conte, Lawrence Martin, Mike Biase, Mike Gonzalez, Greg Ilaria and Chris Zarro.

In the final match against Caldwell, Mike Palo led the way with a pin. Also recording pins were Dave Ilaria, Hands and Greg Ilaria. Two of Belleville's star light weight wrestlers, Conte and Frank Zarro won tough decisions over two of Caldwell's more experienced wrestlers. Jim Palo, Ed Garcia and Chris Zarro later finished up the victory by winning impressively. Congratulations to coaches Lou

Riccardi and Mike Conte for the excellent season. The hard work will continue as the team gets ready for the Essex County League tournament on February 28 at Maplewood.

Also, a big thank you to P.O.W. for their dedication and hard work all season. A special thanks to the Belleville High School custodians, Gus and Al, for the help and attention they have the program all year.

SPECIAL NOTE: Tri captains Tim Hands, Jim Palo and Chris "The Enforcer" Zarro ended their Essex County league career on a high note as they pinned all their opponents in the last league match at Caldwell. These young men have been standouts as Junior Bucs and will be welcome additions to the Belleville High School program next year.

Tim Hands (72 pounds) is undefeated in his three year Essex Coun-

ty league career with a sterling 24-0-13 (pin) record. Tim has been the hardest worker on the team and has been one of the top wrestlers throughout the state in each division he has wrestled.

Jim Palo (112 pounds) has garnered a 19-5-10 pin record within the league over the last three years. Each year, Jim has shown excellent improvement and is now one of the most feared wrestlers in the county. He should be a plus for the high school team next year.

Chris Zarro (135 pounds) has been a dominant force in the county and the state over the past four years. His record is 29-3, with 20 pins. Chris took on all opponents in upper weight classes and did very well.

Varsity coach Joe Nisivoccia should be looking forward to these talented wrestlers next season and beyond.

Belleville cheerleaders lend their support during basketball game. The girls are preparing for cheerleading competition, which will be held this month.

Bengals nip Buccaneers

(continued from page 11)

wins by a 103 pounder. Older brother Joey (remember those days?) set the mark of 27 in the 1986-87 season as a senior.

Senior co-captain Joshua Cardinale also avenged an early season loss as he hammered Anthony Frezza of Bloomfield. The score was 10-2 and it was every bit as lopsided as it appears.

Josh used a pancake combination to put Frezza on his back early in the first period for a five point move and the Bengal star never recovered. Cardinale was better in every aspect of the match. Earlier in the season, Frezza had pushed Josh around in a 15-7 victory in the Bloomfield Holiday Tournament finals.

Now owning a 21-1 season record, Cardinale is slowly creeping up the ladder on the all time BHS win list. With 82 career wins, Josh is currently No. 7 on the list,

but No. 6, Dom Cerreto, has 83 wins and should be passed during the districts.

The middle Cardinale brother, Isaiah, also made his mark this past week. With a 19-3 Technical Fall win over Dave Fischkelt of St. Joe's, and a pin over Bloomfield's Phil Naorana, Cardinale improved his record to 22-0. Lifetime he has 49 wins, allowing him to break into the all time Top 20. Isaiah is tied with John "Boff" Mustacchio and Mike Conte for Spot No. 20.

One positive note did arise last week for the Buc team and that is their selection to compete in the State Sectionals. The strength of the Belleville schedule got them seeded No. 1 in North Jersey, Group 4, Section 2. The No. 2 seed is Randolph, No. 3 is Bloomfield, and No. 4 is Union.

BHS will wrestle Union at home on Wednesday, February 17 at 7:00 p.m.

If the Bucs do upset powerful Union (and it would be a major upset) they would then face the Randolph-Bloomfield winner at home the very next evening.

This is the twelfth consecutive year Belleville has qualified for the State Sectional Championships, more than any team in Essex County.

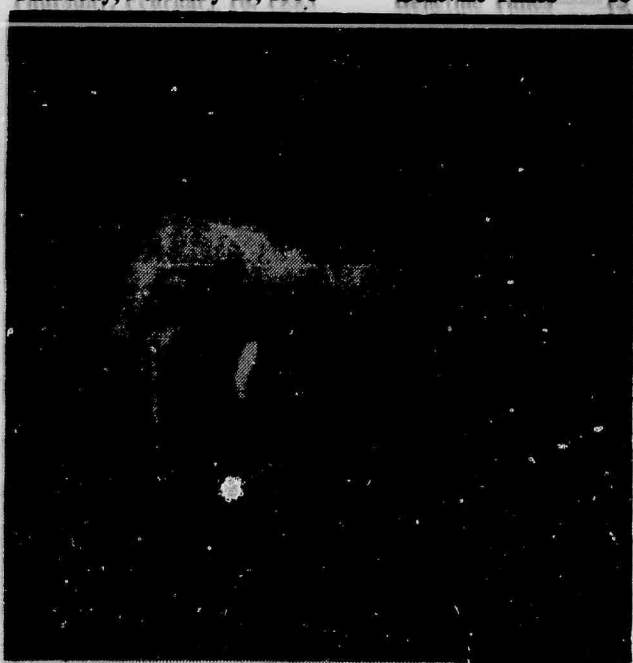

THIS & THAT: Wrestler of the Week is a tie between John Perna and Joshua Cardinale. Both boys

got even against great opponents in a week which turned out to be great for individual payback... Congrats to refs Lou Del Monte and Phil Portuese for the great job they did in the Bloomfield match. These two refs ran a clinic on how a bout should be handled — no unnecessary stall calls, great judgment, calm under fire — all the things you would want every official to have... The Saturday match with

Bridgewater has been nixed because of conflicts with the Sectionals. Coach Nisivoccia is trying to schedule another opponent, possibly Seton Hall or Irvington, to fill in the time spot... Great job Coach Iuliano and the Buc JV squad! With only ten wrestlers, Belleville walked away with the team trophy in the Kearny Tournament with six wrestlers winning gold medals... See ya next week!

Isaiah Cardinale battles for position during the big match with Bloomfield last week. Cardinale prevailed, but Bucs lost to Bengals, 33-25.

John Perna is in control of his 103-pound match against Bloomfield last week. Perna has been dominant this season and should be a favorite in the districts and regional championships.

Renaissance asks support

Lou Ciconia, Chairman of the Belleville Renaissance Committee, has issued a call to the entire community to support House Concurrent Resolution 35, seeking federal recognition of Belleville as the Birthplace of The American Industrial Revolution.

The Resolution has been submitted to the House Postal and Commemorative Committee by Representative Herbert Klein.

It is the first legislative proposal offered by the new Congressman.

Ciconia, owner of Charles Jewellers, said, "Congressman Klein needs a demonstration of our support for this Resolution."

"The recognition of Belleville for its historic role in creating modern America would be the best thing that has happened to Belleville in generations."

"Now is the time to show where we stand. Are we for the better future of Belleville, or are we against?"

"Will we ever have a better opportunity to establish the good name of this community?"

Ciconia urged organizations and citizens and write letters and make telephone calls to Klein's office, (201) 523-5152. "Let Congressman Klein know we are backing him 100 percent," Ciconia said.

Bob Reiser, President of the Washington Avenue Merchants Association, said his group is strongly behind the Congressman, as well.

"Belleville needs to appreciate its own greatness. When we have respect for ourselves, so will the rest of the world," Reiser said.

Five charged with gambling

Three Belleville men were among five persons indicted on federal charges of gambling and conspiracy, last week.

According to the indictments, the defendants operated a multi-million dollar sports-betting operation in New York State.

All entered not guilty pleas.

Those charged included Michael Perna, 50; his brother, Ralph Perna, 48, and James Fede, 38 - all of Belleville. Also charged were Joseph Licata, 51, of Florham Park and Steven Franks, 51, of Roseland.

Michael Perna is serving a State Prison term on a gambling conviction, and has been indicted for alleged involvement in a kickback scheme with employees of the Newark Division of Sanitation.

Federal authorities claim that Franks and the Pernas are associates of the Lucchese crime family.

Trial in federal court has been set for April 5.

Woman's Club plans auction

Attention, art lovers!

The Woman's Club of Belleville will hold its art auction on March 17 at School 7.

The preview will be at 7 p.m. and the sale will begin at 8 p.m., Barbara Spillane of the club said.

Works of art will include paintings that will be matted and framed, ready for hanging, starting at \$35 each, Mrs. Spillane said.

Marlin Art of Long Island will conduct the sale, and admission will be \$5.

For further information, call Mrs. Spillane at (201) 759-0219.

More good economic news...

Home sales up 14 % in 4th quarter 1992

The state's housing affordability index increased for the fourth straight quarter, from 108.5 in the fourth quarter of 1991 to its current level of 115.2. The housing affordability index is based on current median incomes, median housing prices and average mortgage interest rates. Using those guidelines, a New Jersey family earning the state's median income of \$47,660 actually earned \$6,286 more than the amount required to purchase a medium priced home of \$146,700 with 20% down and a 30-year mortgage of 8.01%.

For the 4th quarter of 1992, 22 out of 25 NJAR local board of Realtors reporting sales figures reported sales increases. The most dramatic increases were: Sussex County, 48.5%; Cape May, 47.5%; Hudson 35.5%; Burlington, 33.4%; and Passaic and Oranges and Maplewood Board hovering just over 30%.

The median sales price of an existing single-family home in New Jersey decreased slightly from \$150,600 in the third quarter of 1992 to \$146,700 in the fourth. The median sales price during that same period in Northern New Jersey decreased from \$190,800 to \$180,800.

The New Jersey Association of Realtors is a non-profit organization serving the professional needs of over 38,000 real estate agents. NJAR and its 32 member boards of Realtors, are part of the National Association of Realtors, the largest trade association in the United States with more than 750,000 members.

Existing single-family home sales in New Jersey for fourth quarter 1992 increased 17% over the same quarter the previous year, the New Jersey Association of Realtors (NJAR) reported recently.

In addition, NJAR figures show an increase of 10.6% for sales in 1992 over 1991, reaching their

highest level since 1988. Association officials say the best is yet to come.

"We expect Clinton to propose in his economic address an \$8 to \$10 billion fiscal stimulus package which should calm the fears of Wall Street, causing inflation to stay low and pushing interest rates on a trend downward," said Gene Azzalina, NJAR President. "This, coupled with rising consumer confidence levels, will make 1993 the time to buy or sell a home in New Jersey."

"The economic recovery in the Garden State has begun. Household balance sheets and incomes are returning to satisfactory conditions, and most New Jerseyans are feeling more comfortable participating again in the marketplace," said Azzalina, broker/owner of Century 21 Centennial Real Estate in Elmwood Park. "We are crossing on a national level what many housing economists consider the 'economic threshold,' the point at which home resales make a definitive impact on the economy in terms of job creation and spin-off sales in related industries. Hopefully, we can cross this threshold in New Jersey in 1993."

According to NJAR, the non-seasonally adjusted annual rate or the actual unit volume of existing homes sold for the year 1992 is 131,400, the highest in New Jersey since 1988, when the figure was 133,600. For the fourth quarter of this year, the seasonally-adjusted rate is 133,100, up 17% from the 113,700 a year earlier.

Regionally, the seasonally adjusted annual rate for existing home sales during the same period in Northern New Jersey increased 20%, from 50,500 to 60,700; increased 9% in Central from 35,300 to 38,500 and increased 21% in the Southern part of the state from 27,800 to 33,800.

We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status, or national origin.

GEORGE T. BOWES

YOUR NUTLEY REALTOR SINCE 1953

Mr. and Mrs. George Bowes at awards ceremony, shown with Board President Ron DePiro.

George T. Bowes honored as 'Realtor Emeritus'

At the annual Installation Dinner of the Board of Realtors of Bloomfield, Belleville, Nutley and Glen Ridge, held on December 16, 1992, at Nanina's Restaurant, a special award was given to one of Nutley's first Realtors, George T. Bowes.

Ron DePiro, current president of the board, presented Mr. Bowes with an award certifying him for Realtor Emeritus status, celebrating Bowes' 50 years as a member of the National Association of Realtors.

Mr. Bowes started in Real Estate in 1927 with the office of Frank H. Taylor in East Orange. In 1933, he came to Nutley with the old Nutley Mortgage Company. Then, in 1939, he moved his entire family to Nutley, where he still

resides with his wife, Gerri, of 63 years.

By 1940, Bowes had opened an office on Chestnut Street and in that same year, helped establish the multiple listing service for the current Board of Realtors. In 1953, he moved that office to 675 Franklin Avenue, only to renovate a two-family house and move again to 681 Franklin Avenue in 1975, where his office is currently located.

Mr. Bowes, the eldest member of the Board of Realtors of Bloomfield, Belleville, Nutley and Glen Ridge, accepted the award from DePiro and gave his sincere thanks for the recognition.

Here's to another 50 years, George!

Board of Realtors installs officers

The Board of Realtors of Bloomfield, Glen Ridge, Nutley and Belleville held its annual dinner Dec. 16 at Nanina's in the Park, Belleville and installed new officers for its 1993 committees.

Officers of the board include Ronald DePiro, president; Louis Costantino, first vice president; Nicholas P. Yanzuzi, secretary and Dennis DeCarlo, treasurer.

Directors at large for 1993 include Jay J. Baumgardner, William D. Bowes, Angela IlGrande, Nina Kaeser, Camille Maas, George MacMunn and Margaret Monaco. The NJAR delegate is Lucetta Monteleone.

In attendance at the dinner were

most of the real estate salespeople on the board roster as well as board secretaries, various banking personnel and area attorneys. Also in attendance was NJAR treasurer Joe Harrigan.

District II vice president for the New Jersey Association of Realtors, Gloria Costello, officiated at the swearing-in ceremonies and spoke briefly.

President DePiro spoke to an audience that clearly felt not only the excitement of a new administration in Washington but a new level of consumer confidence. DePiro clearly demonstrated his expectations for 1993 as well as thanking his audience for a job well done in 1992.

Tax Filing Reminders

- ✓ Write your correct social security number clearly on your tax return to avoid delay of your refund check.
- ✓ Be sure your completed tax form has enough postage.
- ✓ Double-check your math before mailing your return.
- ✓ Use the proper tax table for your income and filing status.
- ✓ Use both the peel-off label and envelope (if provided) from your tax package. Make needed address changes on the label.
- ✓ Sign and date your tax return (if filing jointly, your spouse also signs).

Windheim Plumbing and Heating has been in business in Nutley since 1911. To my knowledge we have advertised in the Nutley Sun since that time. Since a good percentage of our customers are in Nutley and the surrounding towns, I can say that advertising in your Service Directory has been very beneficial to our business.
