And the debris piles up . . .

## Layoffs stun Department of Public Works; homeowners worried about service losses

By Howard Klausner

"We prayed it would never happen," Vina Rucci, President of the Belleville Municipal Employees Association said.

"But it has."  
On Monday, the Department of Public Works released the names of 10 full-time and two part-time employees who were laid off as of Friday, as part of a move to save \$185,000 in expenses.

Township Manager Stephen Cuccio issued the layoff notices in response to a demand by the Township Council majority that payroll be cut by a flat 10 percent. The order was given without recommendations as to where the cuts should come.

Cuccio warned that it would require layoffs. He issued warning notices and then, with no U. S. Cavalry in sight to rescue the budget, the final notices came a week ago.

Whether or not the situation is related to the layoffs, uncollected solid waste has been piling up on streets throughout the township.

Some of it was supposed to be collected by the Pucillo garbage

company. Some of it was to be collected by the DPW.

For whatever reason, uncollected debris has been left by street-side throughout Belleville for more than a week, and continues to pile up.

On Friday night, one DPW worker who normally locked up the Municipal Building for the week-end asked a departing employee where he could put the keys. He would not be around Monday.

A Belleville resident chased a DPW truck, when he saw a soda can tossed out of the driver's window. When chastised for littering, the driver reportedly replied, "So what? I've been laid off."

Other employees were less demonstrative of their anger, but obviously shaken.

The working strength of the DPW was reduced to 33 members from 45.

The youngest and strongest employees were among those fired.

Surviving DPW workers declined to comment publicly on their reaction, but they disputed Cuccio's claim that the loss of one third of the department would not affect

operations.

"We could barely keep up before," one DPW man said. "How do we do it now?"

The BMEA had voted 43-to-40 against accepting a dozen proposals which would have included a \$100-per-member assessment, a halt to overtime, and the give back of numerous benefits achieved after years of negotiation.

"It was just too much to give back," one worker said. "And what would the town give in return?"

Cuccio promised to seek state aid and restore funding. He has asked for \$5 million under the Distressed Cities Act. Normally, Trenton sends \$3 million a year to Belleville under this act.

Those laid off include: Richard Boyaji, laborer; Robert Castelli, driver; Frank DeLorenzo, Recreation maintenance; John Guarino, driver; Jerry Imperato, laborer; Warren Jones, laborer; Nicholas Melillo, laborer; Wasil Soppeck, laborer; Fred Taylor, driver; Francisco Vidal, laborer; Donald Decker and Ellis Godfrey, part-time workers.

## Textbook and teacher accounts are cut

## Administrator calls budget cut 'A disaster!' \$865,000 reduction seen hurting education

By Howard Klausner

Assistant Superintendent of Schools Michael Lally called the \$865,000 budget cut ordered by the Township Council "A disaster! It will cripple the education process."

Superintendent of Schools Michael Nardiello called a meeting this week to begin the appeal process with the State Department of Education. He showed visible anger as he attacked the budget cuts.

The Council, for its part, blamed the harshness of the cuts on the "refusal" of the Board of Education to meet with the Council publicly to discuss the budget.

The Council, however, declined to meet with the Essex County Superintendent of Schools on the budget, when invited to do so by Superintendent Peter Carter.

The Council relied on the findings of John MacCormac, an auditor, to determine where cuts would

be made.

The largest single reduction was \$150,000 in the teachers' account.

The Council argued that in previous years, the Board had saved as much as \$320,000 in the teachers' salary account, mainly on account of retirement of higher paid teachers and the hiring of lower paid teachers.

School officials disputed this reasoning, stating the budget cut would mean the layoff of several teachers.

A \$50,000 reduction was ordered in the textbook account. The Council said that expenditures for textbooks had doubled over the past year, and could reasonably be reduced.

School officials disputed this vehemently, saying that new textbooks were needed urgently to replace older texts and worn-out books.

A \$100,000 cut in employee benefits was seen by the Council as correcting a "slightly excessive"

increase. School officials questioned the basis for this claim.

A reduction of \$80,000 in Social Security contributions was based on the Council's own calculations, which were that the Board's estimates were \$80,000 too high. School officials challenged the Council's reasoning.

Other reductions ordered by the Council include:

Insurance, \$22,600; telephone, \$5,000; travel, \$5,000; \$23,000, retirement contributions; \$2,500

technical services; \$8,000 general supplies; \$4,000, miscellaneous expenditures.

Also, \$45,000, general supplies; \$15,000, secretary salaries; \$5,000, supplies and materials; \$10,000, grounds and maintenance salaries; \$30,000 general supplies; \$30,000, energy, and \$30,000, salary for Athletic Trainer.

Board President Gabe Nazziola said he would fight to overturn the cuts. Lally said, "We stand by our numbers."

## Dombrowski enters race for Assembly

James Dombrowski, a life-long resident of District 36, is seeking the Democratic nomination to the General Assembly in the June 8 Primary. "I think it's time for the voters of this District to have a choice in picking their representative in Trenton," Dombrowski said. "I am tired of having the selfish party bosses telling the voters who is going to be the candidates. This selection belongs to all the people and I feel their interests can best be served by an individual without old line party baggage."

Dombrowski is a 1973 Queen of Peace High School graduate and a 1979 graduate of Rutgers University. He is employed by the Bergen County Utilities Authority as a lab technician involved in the field of environmental monitoring.

Dombrowski also works part time at Patsy's Shop Rite in Lyndhurst, a job he has held for 22 years. He is the shop steward for the store.

"The middle-class of this district

know how hard it is to make ends meet. Working two jobs is common and necessary these days just to get by. My opponents have no touch with the residents of this area," Dombrowski said.

Dombrowski's involvement in the area is long standing and diverse. He is the past secretary of North Arlington UNICO, a member of the Knights of Columbus, a fund raiser for the HANDS Organization and a Serran.

For 12 years he ran the J.D.S.L. Softball League, which fielded 88 teams and was the premiere Softball League in the Bergen, Essex and Passaic area. The league disbanded in 1990 due to enormous increases in insurance premiums. The J.D.S.L. gave area ballplayers a chance to play organized softball until the increased costs and county regulations made the league impossible to run.

"The middle-class is continually

## Aside From That

By: Howard Klausner

It's the old story of going through life, minding your own business, and suddenly you're up to your ears in cultism, voodoo, witchcraft and Caribbean curses. It happened to **Sal Casale**, who has made a respectable living all these years in real estate, and aside from watching a few "Twilight Zone" episodes on television, has been satisfied to keep his feet on the ground and leave the occult to the **Stephen Kings** of this world. He owns a number of income properties in the area, and the very first such property he ever bought was a three-family frame on Overlook Avenue, back in 1970. The investment was a good one, and you might say it became the keystone of his business. ●●●● Then, a couple of weeks ago, he began to receive strange reports from neighbors of the property. They spoke of cult worship in the basement of the building, the sound of animal cries, the appearance of burning candles and a number of other events not normally a part of the **Belleville** scene. To get a handle on the situation, he picked up a book on cultism and found it was deep going. "It is just too deep to explain or understand," he said. At the same time, he was anxious to maintain the value of his property, and the reported goings-on are not conducive to customer confidence. ●●●● What started the uproar was that a young woman tenant found a crock pot on the premises, filled with animal parts and spattered with blood. She knew it was a **Sentaria** witch doctor's curse, **Sentaria** being an Afro-Cuban belief, which is held sacred in many countries of the Caribbean. The young woman was vying for the affections of a man with another woman, who had sought out the services of the witch doctor - or so police think. Pursuing your own religious beliefs is fine with Sal, but not if it messes up the property. So now he is off on a voyage into the world of the occult, with the goal of keeping his real estate business intact, and allowing quiet to descend on Overlook Avenue again. ●●●● We had the pleasure of meeting a young **Belleville** lady - **Our Lady of Good Counsel High School, Class of 1985** - who is in the business of gathering blood. **Karen Zigmund** is employed by **Blood Line**, a company that provides blood donations to area hospitals, and she is always on the run, keeping drawing appointments. She also dabbles in other aspects of the business, but her specialty is in analyzing blood for suitability, and then getting it out of you. She is part of one industry that has known no recession - health services. Her classmates should be proud of her. ●●●● **Colonel Harold Lawson** is a former Army Chaplain who has resided in Belleville since his retirement from the military in 1972. The ordained Minister has rarely had a pulpit of his own, although he fills in occasionally for area churches, and most of ministerial work was done in the Army. He entered the Army in 1943, and was assigned to the Pacific, where he served at island bases and aboard troopships, ministering to thousands of troops. After the war, the Army was set to send him to the **Bikini Atoll** atomic bomb demonstration, but he asked for a discharge so that he could meet the baby son he had never seen. He tried a civilian ministry for a while and then accepted a bid to return to the military. His son, **Robert**, grew up and entered the **United States Naval Academy** at **Annapolis** and recently retired from the Navy as a full Commander. One benefit of reaching high military rank, Col. Lawson reports, is that when he took his grandson to visit a Naval base recently, he was the highest ranking officer there, and was put up in Admiral's quarters. He also got a nice souvenir Navy cap, which he was sporting as he arrived at Town Hall to pay his taxes. Collector **Steve Vogel** doesn't care what a taxpayer's rank is.

**Albert "Bucky" Calro**, the President of **Belleville Kiwanis**, looks trim and fit for the very good reason that he is an expert weight lifter, and he has coached Olympic teams. He has borne the banner of the **Belleville Barbell Club** to many climes, even behind the old Iron Curtain. In fact, his role as weight lifting coach has taken him to parts of the world which only recently have opened up to the usual tourist. Twenty years ago, he took a team to **Yugoslavia** and he has been in other parts of Eastern Europe since then, as well as Germany and other locations where weight lifting is taken seriously. He recalled the Yugoslavia of 20 years ago as a gray, drab place, and the current bloodshed there hasn't helped much, either. ●●●● In the electrical contracting business, his firm is called upon for high-tech installations. The most recent one is a German-owned factory which will make nicotine patches for people who want to give up smoking. The only problem is that nicotine is a deadly poison in pure form, and the factory has to be built like a cross between a hospital operating room and an explosives plant. But they expect to make millions. ●●●● Bucky, as he insists on being called, is throwing himself into Kiwanis work with the same verve and dedication that he gives to everything else he tackles. As a result, there is talk he become Lieutenant Governor of the State organization.

Our traveling Copy Cat, **Baldassaro DiVincenzo Mitten**, was in Trenton recently to watch a taping of a **Christie Whitman** campaign commercial in front of the Statehouse. "It was hot stuff, all about having the public join her in governing the state, and if the **Immigration and Naturalization Service** people hadn't picked up her Bolivian chauffeur, her Nicaraguan secretary and her Ecuadorian butler at that moment, she wouldn't have had to take a cab home." ●●●● **Fifth Ward Councilman Harry Zilch** cast his vote against the school budget last week. "I did it because so many of my supporters in the **Koolhaas Boys** wanted me to knock out the appropriation for **Truant Officer**. The guy's been dogging them for years."

IN MEMORY of New Jersey State Trooper Thomas Hanratty Jr. of Elizabeth, Governor Jim Florio recently signed a joint resolution which dedicates a portion of Route 78 in his name. The resolution authorizes the state Department of Transportation to erect signs bearing the new name along the designated route located in Springfield Township, Mountainside and Berkeley Heights. Pictured with the Governor at the State House ceremony are Trooper Hanratty's mother Nancy; Attorney General Robert DelTufo and Thomas Hanratty, his father.

## Governor dedicates highway section to Trooper Hanratty

In memory of New Jersey State Trooper Thomas Hanratty, Governor Jim Florio signed a joint resolution which dedicates a portion of Route 78 in his name.

"There's a tremendous sense of pride and loyalty on the 'Thin Blue Line.' Our men and women who wear the uniform will always carry Trooper Hanratty's memory with them," said Governor Florio, who was joined by the trooper's parents, Tom and Nancy Hanratty, and other family members. "Our people hold the state police and the entire law enforcement community in the highest regard. Thomas Hanratty was their shield against danger, the guardian of their communities, a hero their families could turn to for help any time of the day. The entire family of New Jersey lost one

of our brightest and best."

Joint Resolution No. 36 dedicates a portion of Route 78 in Union County as the "Trooper Thomas Joseph Hanratty Section of the Lightning Division Memorial Highway." Trooper Hanratty, 24, a resident of Elizabeth, was a member of the State Police for three years. He was killed on April 2, 1992, by a passing motorist on Route 78 in Summit as he walked back to his car after stopping another motorist for a violation. The driver who killed Trooper Hanratty was acquitted of manslaughter and death-by-auto charges, but was ordered to serve 10 days of community service in a local cemetery and to pay more than \$450 in fines. The judge who heard the case found the driver had an open container of

alcohol in his vehicle.

The resolution authorizes the state Department of Transportation to erect signs bearing the new name along the designated route located in Springfield Township, Summit, Mountainside and Berkeley Heights.

"State Trooper Thomas J. Hanratty was the best of New Jersey, and tragically, his life and his potential will always be an unfinished story. But this memorial will keep his spirit and devotion to duty alive," Governor Florio said. "When drivers use the Thomas Joseph Hanratty section of Route 78, we hope they will become more aware of the other people on the road. We want drivers to grasp the deadly potential of drinking and driving. We want everyone who travels the roads in our state to remember the tragic sacrifice of this brave young life for the public good."

## 'Witch doctor' faces charges

By Howard Klausner

Accused of placing a cooking crock filled with animal blood and chicken parts on the doorstep of an Overlook Avenue woman, a self-described practitioner of **Sentaria** - an Afro-Cuban cult - will be arraigned in Belleville Municipal Court on Wednesday, May 26, on a disorderly person charge.

Peter Fernandez Jr. of Hudson County allegedly placed a curse on the Belleville woman as part of a love triangle, police said.

The other woman in the triangle allegedly brought in the **Sentaria** magic to drive away her rival.

The disorderly person charge alleges "cruelty in general" to Fernandez - not because of the alleged witchcraft, but because of his sacrifice of a goat and a chicken to provide the material for the ritual.

A burning candle was also reported near the crock pot.

The screams of the terrified victim of the ritual brought neighbors to the scene.

A police ruse brought Fernandez to Belleville Police Headquarters in search of his magic potion.

Fernandez reportedly argues that he was simply practicing his religion.

The Society for the Prevention of Cruelty to Animals asked police to file charges of cruelty to animals against Fernandez, arguing that slaughtering animals for the sake of ritual is illegal.

In the meantime, Salvatore Calzone, landlord of the property where the witchcraft incident occurred, is conducting his own investigation. Conceivably, he could exorcise the evil spirits with an eviction notice, no incantations required.

## CCB meeting set tonight

Concerned Citizens of Belleville will hold a general membership meeting tonight at the Elks Hall on Washington Avenue.

The meeting will begin at 8 p.m., according to Joseph Fornarotto.

## Vamps taking propane tanks

The Belleville Fire Department will accept used propane gas tanks at the Franklin Avenue Fire Headquarters, Captain Carmen Vicari has announced.

These are tanks used for outdoor grills, and which cannot be refilled.

"After a tank is 10 years old, the suppliers will not refill them," Vicari said. "The problem is to find a place that will accept the empties."

The used tanks will be taken by the Fire Department, at no fee, Vicari said.

## OUR OPINION

### The greatest gift

Since we published a story about the life-saving transportation of a human heart and a human liver by Belleville's Reiser Courier Service recently, we have received information from other sources about the ongoing fight to save lives through the use of transplants.

In particular, we have heard of The Sharing Network, a non-profit New Jersey organization devoted to providing organ transplants in New Jersey.

According to Denise Payne, Executive Director of The Sharing Network, the number of transplant operations in New Jersey grew from 155 in 1991 to 184 in 1992.

However, there are now between 900 and 1,000 New Jersey residents awaiting a transplant.

The 1992 figures include 127 kidney transplants, 24 liver transplants, 26 heart transplants, three lung and four pancreas transplants.

Sadly, the availability of organs is actually several times the amount needed, but not enough people are aware of the importance of being donors.

It is probably the greatest donation one can give, the gift of life.

It is no greater effort than signing a Donor Card.

For further information, call 1-800-541-0075

### It's not their job

The members of the Belleville Municipal Employees Association were given the job of cutting their own throats, economically, when the Township Administration told them to come up with an alternative to firing 12 workers, in order to cut some \$185,000 from the proposed budget.

It was a confession of moral bankruptcy on the part of the Administration to make such a proposal. After all, the Township Manager is paid in excess of \$80,000 a year to provide sensible direction to the Township's operation.

In his defense, it must be said that Manager Stephen Cuccio warned the Township Council that layoffs were the only way to meet the Council's desire to look good to the public in presenting a budget, a desire stretched to the point of irresponsibility.

However, by turning to the employees and telling them the burden was on them to come up with an alternative, Mr. Cuccio abdicated his own responsibilities.

The employees do not have any overall view of the Township's affairs to afford them any sensible idea of how to reduce the budget.

So, now, 10 full-time employees and two part-time workers are without income, as of last Monday. Reportedly, they all headed to the Bloomfield office of the Department of Labor for Unemployment Compensation.

But the BMEA had to undergo the agony of voting on the firing of its own members. By a vote of 43 to 40, the employees voted against give-backs which would have lost gains that took generations to achieve.

It could only make enemies out of friends, and poison the atmosphere of future negotiations with the Township.

### Oh boy, hurricanes!

Fire Chief Walter Beresford, who is also Director of Emergency Management for Belleville, has had some disturbing news from the United States Weather Bureau.

The Bureau reports that the hurricane season may start much earlier than previously experienced.

Normally, hurricanes have not come boiling out of the South Atlantic until September or October.

Now, because of changing weather patterns, we could have them in July and August, or even earlier.

The intensity of hurricanes also seems to be increasing. Certainly, the winds that hit Florida and South Carolina went on to do billions of dollars of damage.

South Florida is still devastated, two years after the event.

Florida discovered that some of its rigid building codes, designed to meet hurricanes, had not always been enforced.

Short of rebuilding our entire housing stock, and putting storm basements under every building, the best we can do is prepare our emergency services to meet the kind of disaster brought by a hurricane.

Lives will be saved by early warnings now made possible by satellite observations. More lives will be saved if we make sure that emergency supplies and emergency procedures are available.

(Or maybe we could all chip in and irrigate the Sahara. That's the source of the heated masses of air that turn into hurricanes.)

### DAV invites public

To the editor:

On May 31, 9:30 a.m., we will honor our War Dead from Belleville and Nutley with a dedication of a new memorial sign honoring our servicemen who lost their lives in World War II, Korea and Vietnam.

It would be a great honor if you would attend for this permanent sign.

On behalf of the families of Belleville and Nutley, this dedication will mean so much to them.

### Crew thanks merchants

To the editor:

During the 1993 Crew Season, we have held two fund raisers, our annual Row-a-thon and our Kick Off Breakfast. I would like to thank the local Belleville merchants who were so generous to the Belleville Crew Team. The following are only some of the donors: Algieri's Pizza, Joey's Pizzeria, Domino's Pizza, Belleville Cards & Gifts, Ray's Classic Pizza, Alfieri's Deli, Speedy Muffler King, Not Just Roses, George's Fruit & Gourmet Baskets, and Today's Gourmet Basket. Special thanks to National Sports Wear for donating prizes for our two top rowers at the row a thon, who were Jason Clemets and Jeannie Rodriguez. A big thanks to senior Jack O'Connell Jr., for collecting \$225 in pledges for the row a thon.

The Crew parents are grateful to the above merchants listed and the many more that are not, we have and will patronize these businesses.

The people who own businesses in Belleville have not only donated to Crew but to many organizations. I have personally gone to all these businesses and experienced the problem of parking my car. I would like to ask our mayor and councilmen to do everything they can to expedite the parking problems in town. We have new stores in town and many residents don't even know about them. Why? Parking! People have told me they don't have the time to find a parking space. We have people who are helping our community and our youth, having more parking not only helps the merchant but it will help the town.

### 'Observe and honor'

To the editor:

Memorial Day should be dedicated to men and women who served in all military action from the Revolution to Desert Storm. These men and women fought under the American Flag with pride. May they and all departed comrades rest in peace.

Originally Memorial Day was observed on May 30th, however this year our nation will celebrate on Monday, May 31st, when the nation will honor its war dead with parades and Memorial Services.

It is important that cities, towns, villages and townships continue observing Memorial Day. It gives them an opportunity to remember the Veterans on this solemn occasion. With honor and respect to the valiant who gave all so our great nation may endure in strength and freedom, their spirit lives on. Their full measure of devotion and dedication. On Memorial Day, Veteran's Posts like the American Legion, VFW and Amvets and other veteran's organizations will remember their fallen heroes who fought and died for their country. Our Veterans have paid for our security and freedom with blood, sweat and toil. We owe them so much. Memorial Day is a time to pay tribute. This is a very special day. Remember and honor these fallen heroes.

### On eating disorders

To the editor:

On May 6th, Tracy Gold, a former star of the situation comedy Growing Pains, appeared on Prime Time Live. She shared the struggle she has been having with anorexia nervosa. Eating disorders such as anorexia nervosa, bulimia and compulsive overeating are epidemic and life threatening. I know this because I overcame anorexia nervosa and now work as a psychotherapist specializing in treating eating disorders. I was touched by Tracy Gold's honesty and courage. The show also showed that with treatment and support, sufferers can and do get better.

I'm writing because people need to know where to go for help. The New Jersey Eating Disorders Helpline can provide people with free information about eating disorders and their treatment. People can also get information about free support groups throughout the state.

The helpline number is 800-624-2268.

A feature of The Nutley Sun,  
the Belleville Times and Bloomfield Life

By Frank Orechio

● **JAMES DOMBROWSKI** called to tell us that he has filed for a Democrat Assembly seat in the 36th Legislative District which includes Nutley and Belleville. Dombrowski said he is running in the Primary specifically against Belleville Mayor Marina Perna. The Lyndhurst lad thinks he could pull it off.

● **ESSEX** County Democrat Chairman Tom D'Alessio's Line B candidates in the June Primary include the popular Bloomfield Councilwoman Louise Palagano and Freeholder Joseph DeVincenzo of Nutley who is seeking re-election. In declaring his candidacy for re-election, DeVincenzo stated, "The Line B Democrats have done more in two years to strengthen the Democrat Party than their opponents have done during their lifetimes."

Tom D'Alessio

● **THE** New Jersey Chapter Sierra Club is sponsoring a Hike-A-Thon to help preserve the Highlands region on June 5th at the Weiss Ecology Center in Ringwood, New Jersey. At the end of the hike, Congressman Bob Torricelli will receive the club's award for his interest in preserving open space.

● **THE** supermarket labor dispute is all about "Managed Health Care."

● The union has turned down a proposal by the supermarkets that requires no payroll deductions for medical, dental, vision, life and prescription coverages.

● The supermarket management is offering a million dollars worth of medi-

cal coverage for full-time employees.

● The management has offered \$300,000 of medical coverage for part-timers.

● Management offers a prescription plan that requires employees to pay only \$2 for generic prescriptions and \$6 for brand name prescriptions.

● Employees participating in "Managed Care", for a \$15 co-pay, will be able to have doctor visit and exams, Pap smears, immunizations, well baby care, injections, Hepatitis vaccines, EKG's, allergy reactions and routine physicals.

● Management offers a dental plan that provides coverage for all types of services including major restorative work.

Across the country, a failing economy is causing hundreds of thousands of people to lose their jobs. To lose a week's pay over an employment agreement doesn't serve the welfare of anybody. Talks and meaningful arbitration should continue while people are on their jobs.

● **I RETURNED** to New Jersey on Continental Flight 420, and Flight Service Manager Richard Schneider, a delightful fellow, did an excellent job looking after the needs of the passengers. Teenager Stacey Kosalko who occupied the window seat to my left shared my rating of Schneider's service. Stacey, a blonde with a magnetic personality wintered in Palm Beach and was headed back to Aurora, Ohio, pondering the selection of a college for her continuing education.

● **OVER** time, I have repeatedly stated that if one looks for gratitude, that person's desire would be fulfilled by buying a dog — a thought which reminds me of a verse I saw somewhere:

"A faithful dog will play with you and laugh with you or cry..."

He'll gladly starve to stay with you nor ever reason why...

And when you're feeling out of sorts somehow he'll understand,

He'll watch you with his shining eyes and try to lick your hand.

His blind implicit faith in you is matched by his great love

The kind that all of us should have in the Master up above.

When everything is said and done I guess this isn't odd,

For when you spell dog backward you will get the name of God..."

● **THE** Desiderio family of Nutley should be very happy seeing their son, Lenny, become mayor of Sea Isle City in Cape May County. Gerald Desiderio, the older son, is the Cape May Republican County boss. The Desiderio boys were proteges of Nutley Mayor Carmen Orechio who travelled to Sea Isle City Tuesday to see young Lenny sworn in as Mayor of his community. Lenny is the son of Leonard J. and Carmel Desiderio of Prospect Street, Nutley. The senior Desiderio is principal of Bloomfield's Oakview Elementary School.

● **THE** New Jersey State Senate Government Committee voted 3-2 against a proposed constitutional amendment which would have required the seven Supreme Court Justices to go before the voters. Atlantic County Republican Senator Bill Gormley opposed the proposal because, in his words, "The Supreme Court is patterned after the federal courts and is part of a fine democracy as envisioned by one of this nation's founding fathers, Thomas Jefferson." Although he says he sometimes disagrees with the decisions of the courts, Gormley said going to retention elections would be "a step backwards." Gormley is right on target.

● **THIS** newspaper goes to press Tuesday night, and at press time, Nutley's Softball pitcher, Kim Higgins, pitched a two-hitter and drove in a run with one of her three singles that scooted in a 10-0 victory over Paramus Catholic.

Bloomfield beat Passaic 21-0 in a one-hitter by Kristen Palumbo.

Lynne Giachetti tripled in two runs and delivered another run with one of the three singles to lead Belleville over Hackensack 13-3.

Nutley is now 15-2, Bloomfield is 12-8 and Belleville stands at 15-6.

It is probably too much to expect, but wouldn't it be wonderful if there was a play-off for the tri-town championship among Belleville, Nutley and Bloomfield? The three towns together have among their players the best in the state.

### Friends' Fun Auction

The Friends of the Belleville Public Library and Information Center will hold their Annual Fun Auction on June 2, from 12:00-2:00 p.m. Chair of the auction is Isabel Wittlinger, who urges you to bring all new or almost new items for the auction to the library from May 21 to May 27. Monies raised from the auction are used for fundraising projects for the library. In 1992, the monies were utilized, for example, for the sponsorship of "Eight Great Live Monday Evenings" at the library. In the past, the Friends purchased the library's large-screen television, which is widely used.

The newly appointed president of the Friends of the Library, Marge Lordi, urges all patrons and citizens of Belleville to join the Friends individually, as a family, or as an organization, patron, or life member. "If you are unable to stay for the entire auction," the president urges, "you may attend for part of the auction."

### Join the Opera Film Series

Each Tuesday, the Belleville Public Library and Information Center, 221 Washington Avenue, is offering a "New Opera Film Series," at the suggestion of one of its patrons, Frank Senatore. On May 25, "Tosca" will be shown; on June 1 "Il Trovatore," on June 8 "Lucia di Lammermoor," on June 15 "Cavalleria Rusticana," and the series will end on June 22, with a showing of "Pagliacci."

For further questions, call the library at 450-3434.

### Teen book discussion

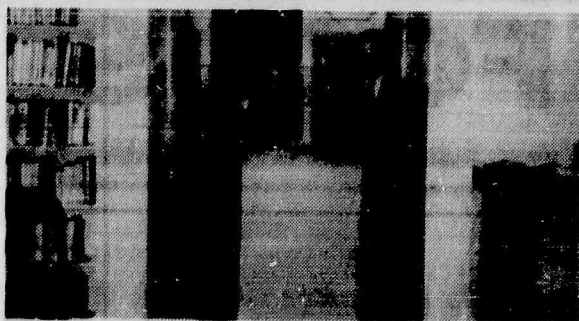

Because of the popularity of this activity, a May Young Teen Book Discussion will be held at the Shafter Branch Library, 30 Magnolia Street on May 27, from 3:15-3:45 p.m. Participants will discuss a book recently read and offer recommendations to others. Call the Shafter Branch Library at 450-3438, or come in person to register.

### Pre-retirement seminar

A pre-retirement seminar will be held on June 7 from 7 to 8:45 p.m. at the Belleville Public Library and Information Center, 221 Washington Avenue, given by Financial Management Services of Nutley. To register, call the circulation desk at 450-3434. In the seminar, the insurance consultants will try to answer the following questions: 1. How much will retirement cost? 2. Have you saved enough? 3. How do you develop a successful investment strategy? and much more.

### Famous Husbands and Wives

"Famous Husbands and Wives," is the topic that will be discussed on June 16 at 1 p.m. by Frank De Lisi at the Belleville Public Library and Information Center. If you are interested in participating, call the library at 450-3434 to register for the program.

**HONORABLE TIME** — Mayor Marina Perna, also a member of the Library Board of Trustees of the Belleville Public Library and Information Center, presents Kenneth R. Broo with the Mayoral Proclamation in honor of his 32 years as a trustee of the library at a special program recently held in his honor.

## World of Fitness opens in Bloomfield

In conjunction with National Fitness Month this May, Bloomfield has become the home to the brand new World of Fitness Health Spa, located at 437 Broad Street, (next to McDonald's Restaurant).

Walter Zaltsman, owner of Ultimate Training Center in Belleville has expanded his operations to include a beautiful new fitness center, complete with an indoor swimming pool.

Open seven days a week, the spa features programs for the entire family and for all age groups.

Weight training, aerobic classes, aquaerobics, steam room, chiropractor on-site, martial arts training, and dietician on premises (first consultation free), and a host of new and innovative fitness programs are being offered.

Students, senior citizens and affinity groups can take advantage of special membership rates for the grand opening season.

For further membership details and information, stop by or call 743-7557.

## Golf and non-alcoholic beers are "sensible" fitness trends

No pain, no gain? No way! Health and fitness trends of the '90s are skewed toward moderation. Low impact exercise and well-balanced meals are taking the place of health and fitness fanaticism. As a result, "civilized" sports, like golf, and beverage alternatives, like non-alcoholic brews, stand to reap the benefits of the "sensible" '90s.

As Baby Boomers mature, they favor moderate, recreational forms of fitness, like golf, over strenuous athletics. "Swinging the irons," instead of pumping them, fulfills a desire to keep fit, without straining or damaging muscles and joints.

Last year alone, over 2,000,000 knicker-clad newcomers hit the golf fairways. With over 23,000,000 players and 40 percent growth since 1985, the signs are clear that the 1990s will be "tee-time" in America.

The trend towards moderation can also be seen at the "19th hole," where on and off the course, Americans are seeking healthier foods and beverages. With concerns over cholesterol, saturated fats, and preservatives, Americans are reducing their intake of red meat and processed foods, opting instead for poultry, green vegetables, and foods that are high in fiber.

For refreshment, consumers are reaching for low calorie, low sodium alternatives to juices and diet soda. Since non-alcoholic brews (NABs) provide full-bodied flavor, do not interfere with athletic activities, and contain as few as 49 calories, they are quickly becoming a favorite among health and fitness conscious adults.

The category's acceptance is already evident: Last year, non-alcoholic brews enjoyed 14 percent growth while the rest of the beer market remained flat. Full-flavored, imported non-alcoholic brews, like Guinness's Kaliber, are popular choices for discriminating quaffers of the '90s.

Non-alcoholic beers also make a good base for unique, thirst-quenching drinks such as the Shandy Gaff and Kaliber Panache.

While golf and non-alcoholic brews are far from new, "lighter living" has

AN ICY COLD non-alcoholic brew and a leisurely round of golf are par for the course for the active lifestyles of health and fitness conscious consumers in the '90s. As trends toward moderation become more apparent, popularity of both is expected to surge through the year 2000.

created a ripe environment for both. So, if until now, an icy brew meant a beer belly, and "birdies and eagles" brought to mind feathered fowl, it's time to grab a NAB and buy some balls, because golf and non-alcoholic brews are par for the course in the '90s.

### SHANDY GAFF

1 bottle Kaliber  
1 can ginger ale

Combine equal portions of Kaliber and ginger ale. Serve over ice or neat. Refreshing and crisp!

### KALIBER PANACHE

1 bottle Kaliber  
8 ounces fresh lemonade, or 1 can frozen lemonade from concentrate

Combine equal portions of Kaliber and lemonade. Serve over ice. For fun, serve over specialty golf ball ice cubes. Light and delicious!

## Heart Beat

### New pacemakers promote active lifestyles

It used to be that getting a pacemaker meant curtailing many activities that make life enjoyable. But now, a new generation of pacemakers allows those who used to be restricted to a sedentary life the freedom to lead active lives.

Earlier pacemakers were like a furnace without a thermostat—they could only operate at one setting, no matter what the physical demand. In the 1960s, pacemaker technology advanced considerably, thanks to great strides in miniaturized computer circuitry. In the 1970s, the advent of smaller batteries cut pacemaker sizes in half.

The 1970s and early 1980s also saw the advent of enhanced capabilities for pacemakers in terms of their ability to regulate the heart.

By the mid-1980s, a new breed of responsive pacemaker had emerged—the rate responsive pacemaker that regulates the heart in a way that truly welcomes activity. Rate responsive pacemakers, such as the Meta MV, are designed to "sense" the body's metabolic demands and change the heart rate accordingly.

The rate responsive pacemaker opens a whole new world to its recipients. All ranges of physical activity are now possible—from climbing to bicycling, swimming, hiking and even jogging.

Certainly you have questions about pacemakers. These are some of the most frequently asked questions about pacemakers and what they mean to your lifestyle:

• **What is a pacemaker?**  
A pacemaker consists of three parts: 1) A small device, called the pulse generator, that fits in a pocket of skin, generally

under the collar bone. 2) A narrow wire, called a lead, that runs from the pulse generator to the heart. 3) The electrode, which is attached to the tip of the lead to carry electrical impulses directly to the heart.

• **What does a pacemaker do?**  
A pacemaker stimulates the heart by converting battery powered energy into appropriately timed pulses. The pacemaker acts to stimulate the heart if it is beating too slowly.

• **Can I return to work after getting a pacemaker?**

Generally, your doctor will prescribe a period for recovery, as your body gets used to the pacemaker and your endurance improves. After that, there is generally no reason why you would not be able to return to your job.

• **Can taking a bath, shower or a swim damage my pacemaker?**

Once the surgical wound heals, there is no way water can get at the pacemaker. In addition, modern pacemakers are hermetically sealed and water resistant.

• **Can I really do everything I want in terms of activity?**

While extremely rough contact sports are not a good idea, if your general health is good, you are virtually unlimited in whatever you wish to do in terms of exercise and day-to-day activity.

• **Will I damage my pacemaker if I fall?**  
Pacemakers are designed and implanted to withstand jolts and ordinary kinds of falls.

For a brochure about pacemakers, please send a self-addressed, stamped envelope to Teletronics Pacing Systems, 7400 South Tuscon Way, Denver, CO. 80112.

## This Week At... Clara Maass Medical Center

### • A Community Benefit Standards Hospital •

• 1993 marks the 125th Anniversary of Clara Maass Medical Center. In honor of the historic celebration, Clara Maass has planned many exciting activities. One activity that has started is a poster contest with the Belleville Public Schools. The theme of the contest is "Giving and Sharing." This theme reflects the life of Clara Louise Maass, an American Army nurse from Newark who sacrificed her life to help find a cure for yellow fever. For more information on the poster contest, call 450-2213.

• James Heimann, M.D., director of Radiology at Clara Maass Medical Center displays a plaque awarded to the CMMC Radiology Department for their participation in and the development of testing the 3M Laser Imager. The 3M Laser Imager is state-of-the-art and prints radiological images for closer examination. Clara Maass was selected by 3M to test and report on the new, advanced equipment.

• The Clara Maass Volunteer Services program "One New Jersey," has been honored by the New Jersey Hospital Association with an "Applause Award." The Applause Award is presented to healthcare organizations in New Jersey with outstanding volunteer programs. "One New Jersey" links high school senior volunteers with eighth graders from inner city schools. Through a mentoring approach, the schools and Medical Center have established a volunteer component that provides support for patients and staff as well as fosters cross cultural awareness, leadership development, and intellectual, ethical and civic awareness.

• Tel-Med, the Clara Maass Medical Center free community health information line has many informative overviews on spring and summer health related topics. Tel-Med is a special collection of health information tapes provided by the Medical Center. Interested persons can call 751-7000 and ask for any tape by number and receive a brief description of the program. When the operator answers, simply give the number of the desired tape. ## Dombrowski enters Assembly race

James Dombrowski

## Our teachers are honored

Nine Belleville school system teachers are among those honored last week at the Eighth Annual Governor's Convocation on Excellence in Teaching, held in Trenton.

They are Deborah Meola, Marcia Mele, Carol Spina, Sabrina Martin, Rosalind Musmanno, Giovannina Russomanno, Kenneth Burde, Lucille D'Ambola and Joan Pennetti.

Governor Jim Florio addressed the gathering, in which 1,500 teachers from all 21 Counties were the guest of honor.

(Continued from page 1)

squeezed until we have nothing left to give," said Dombrowski.

"My opponents exemplify what is wrong with the selection process for individuals wishing to run for public office. The mayor of Belleville should concern herself with making Belleville a better place to live and work instead of becoming a puppet for the County Executive," Dombrowski said. "Another dual job holding lawyer and a politically appointed building inspector is not what the people of the 36th district deserve."

## Delaware U. lists honors

Three Belleville residents have been named to the Dean's List of the College of Arts and Sciences of the University of Delaware.

They are Thelina Yadao Espiritu, a Junior in International Relations; Frank Alphonse Pallantge, a Senior in Biological Sciences, and Christopher Robert Robe, a Junior in English.

## Student wins poster contest

A School 7 pupil will receive an award tomorrow in Trenton for an aviation poster.

Ashutosh Shukla, 12, will receive the award at the Statehouse Rotunda for his work, Aviation Yesterday and Tomorrow.

He is one of 850 entrants in the poster contest, sponsored by the National Air Space Administration and the Federal Aviation Administration on the theme of International Aviation.

The poster features an old airplane and an aircraft of the future.

## Chamber 'visits' Science City

The Belleville Chamber of Commerce was the guest of the Japanese Chamber of Commerce at the Riga Royal Hotel in Manhattan, last Friday, as part of an effort to cement relations between the United States and Japan.

President Lou Paraboschi and Executive Secretary Eileen Brown were invited by Mrs. Toyoka Allen, head of the Japanese-American Cultural Society to attend the

event, which featured a film about Osaka, Japan's Science City, which is using the technology that will become commonplace in the 21st Century.

For their part, Paraboschi and Mrs. Brown traded information on Belleville with Japanese business representatives.

Osaka is seeking participation of American firms in its lively economy.

## Sound nutritional habits prevent lead poisoning

There's no denying that a well-balanced diet is critical to a child's growth and development. But it is not common knowledge that a healthy diet can also help prevent lead poisoning, the most common environmental hazard to children.

While eliminating lead from your home is a critical step in preventing lead poisoning, you can provide additional protection with a healthy diet.

Parents can help their children by following these nutritional tips:

- Always make sure your children eat three square meals a day. The body absorbs more lead on an empty stomach.

- Give your children foods that are rich in iron. These include fish, oysters, clams, mussels, eggs, lean meats, chicken, beans (especially black and red), dried fruits such as dates, prunes and raisins, wheat germ and greens such as collards, kale, spinach and beet greens.

- Include calcium-rich foods

such as milk, yogurt, cheeses and other foods made with milk, such as pancakes, custards and muffins.

- Avoid fatty foods, which let children's bodies absorb lead at a faster rate than other foods. Use less oil, butter, lard, bacon or salt pork in cooking.

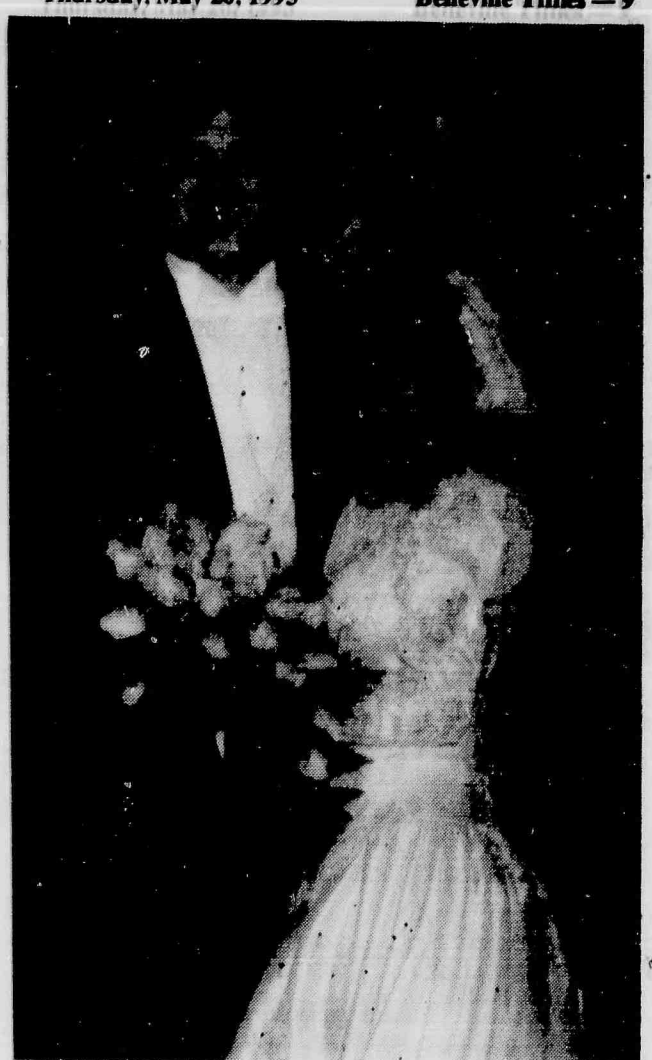

- Broil, bake or boil your foods. Avoid frying them.

- Avoid using lead-glazed dishes, cups and pots.

- Do not store canned goods in their original cans. Transfer food into glass or plastic containers.

Lead poisoning can occur when children put lead-based paint chips in their mouth, inhale lead-contaminated dust or drink water that contains lead. Even small amounts of lead can cause serious health and development problems in small children. Large amounts of lead ingested by children can cause retardation.

It's important that children between the ages of six months and six years be tested annually for lead levels in their blood. Ask your family physician about getting your child tested for lead poisoning. Your local health department can provide more information about lead.

Mr. and Mrs. Emerico Vespucci — nee Francine Pici

## Francine Pici bride of Emerico Vespucci

Francine Pici, daughter of Mr. and Mrs. Giove Pici of Belleville was married March 13 to Emerico D. Vespucci.

Father Patrick performed the ceremony in St. Anthony's Church, Belleville. A reception followed at Snuffy's Pantages Renaissance, Scotch Plains.

Escorted by her father, the bride wore a very detailed long sleeve gown, open to V in back. A hat was worn with a veil and she carried a white rose bouquet with some coral roses to match the girls' gowns.

Lisa J. Parrillo of Bloomfield was maid of honor. Bridesmaids were Sandy Kelly of Belleville, Lisa Lanteri of Little Ferry, Rommy Gomez of Clifton and Desiree Benat of Belleville. Jamie Puleo of Harrington Park was the flower girl.

The maid of honor wore a peach gown and bridesmaids wore coral

gowns and carried bouquets of roses.

Marc Anthony Vespucci of Belleville served as best man. Ushers were Cory Cenci of Bloomfield, Dave DeBacco of Belleville, Guy Lanigan of Belleville and Anthony Arpaio of Newark. Ringbearer was Christopher Puleo of Harrington Park.

The bride's mother wore a jade gown with beads on sleeves and shoulders.

Mrs. Vespucci, a graduate of Belleville High School and Fairleigh Dickinson University, is a mortgage underwriter at First DeWitt Savings, West Caldwell.

Mr. Vespucci, presently attending Rutgers University of Newark for Law, is a plumber's assistant.

The couple honeymooned on a cruise to the Western Caribbean on the Ecstasy Boat Carnival Cruises.

## Clara Maass School of Nursing holds alumni luncheon

Clara Maass Medical Center School of Nursing alumni gathered together recently to celebrate the 100th anniversary of the Medical Center's School of Nursing. Graduates dating back as far as 1958 were on hand to renew old friendships and catch up on the most recent

accomplishments of the Medical Center.

Held at the Landmark II in East Rutherford, the event attracted alumni from as far away as Norway. Highlights of the program included greetings from Robert Curtis, president and CEO, and Kathleen Scoble, vice president of Nursing, Clara Maass Medical Center; a tribute to Anne Knox, former director of the School of Nursing; and a history of the nursing school.

In greeting the alumni Curtis spoke of the collective efforts of all of the nursing alumni and how their efforts have made Clara Maass a

regional health care facility. He went on to praise the quality of work and commitment they (alumni members) have brought to the Medical Center.

In noting their contribution to the Medical Center, Scoble remarked on how she shared something in common with the alumni in that she also graduated from a hospital based school of nursing. "I have found that the nursing education you have from the Clara Maass School of Nursing has given you distinctive and unique characteristics that you bring to your patients and staff," said Scoble.

## Friendly Visitors thanks volunteers

The Friendly Visitors Program of Community Mental Health Services is a volunteer placement program. It is able to operate because of the commitment of volunteers who give their time to senior citizens. Hundreds of hours are donated to providing assistance to senior citizens.

The Friendly Visitors Program matches volunteers for assistance in grocery shopping, friendly companionship visits and telephone reassurance. New volunteers register for an orientation before being matched to a senior citizen.

The staff of Friendly Visitors Program would like to thank all the volunteers for their community service. Any man or woman interested in volunteering, call 450-3135.

The Annual Recognition Dinner for Friendly Visitors Program Volunteers will be held on May 27 from 6 to 8 p.m. at Fewsmith Presbyterian Church, 444 Union Avenue, Belleville.

# Belleville

# SPORTS

The Belleville Junior Legion baseball team will conduct tryouts for the 1993 season this Sunday, May 23, at the Belleville High School varsity baseball field. Tryouts begin at 10:30 a.m.

Coach **Chris Cantarella** announced that all applicants must be between the ages of 13 and 16.

## CITARELLA AND HARVEY

Here are two more reasons to be proud of being a Belleville resident.

### Jennifer Citarella and Brian Harvey.

The two scholar-athletes have represented our township and their school in such a positive manner over the past four years. Both were honored at the Mayfair Farms in West Orange last Monday as Belleville's Scholar-Athletes of the year at the annual dinner which pays homage to all the fine athletes at every high school in Essex County.

Citarella, who will be attending Montclair State next fall, has excelled in two varsity sports, indoor track and softball.

Last winter, she was the first Belleville athlete to make it to the all group championships in head coach **John Tosato's** ten year reign. In addition, she is the first runner to make it to the all groups in at least 20 years, if not more.

Citarella ended the indoor campaign by competing in the prestigious Eastern championships in Boston, Massachusetts. The meet is by invitation only and rewards those athletes on the east coast that have excelled at the highest level.

In Boston, she finished seventh overall (in a field of 24) in the 300 meters, running the event in 39.97. She missed sixth place by 3/100 of a second. Citarella also won her qualifying heat and was the third athlete from the State of New Jersey to cross the line in the finals.

"She had a tremendous season for us," Tosato said. "She worked hard and earned all the recognition. I can't be happier for her that she was named to the scholar-athlete dinner."

When the winter ended, Citarella traded her running shoes for a softball glove. She has been the leadoff hitter for **Carl Corino's** Lady Bucs, who are once again enjoying a successful season.

Citarella is hitting near .500 this season and has been the catalyst for many rallies.

In the field, her play at second base has been near flawless. On the basepaths, she leads the team in stolen bases.

When the season ends, Citarella should earn all league and county honors and could be a candidate for all state accolades in June.

No matter what, Jennifer Citarella has earned all world in terms of representing her township and achieving excellence. A top student, she will compete in track and softball next year at Montclair State.

Brian Harvey is also a standout in two varsity sports, football and outdoor track.

During the football season, he was a top wide receiver, defensive back and holder for point after attempts and field goals.

"He was one of the most intelligent players we had," head coach **John Senesky** said. "Brian knew what he was doing out there and was a key performer on our speciality teams."

"Our kicking game was pretty good last season. **Mike (Mundy)** became a legitimate field goal threat, but it was important to have Brian holding on the kicks. He was very consistent."

Harvey was a standout wide receiver and had some crushing hits in the secondary when playing defense.

This spring, he has been a standout half miler for the Bucs. At the county championships last weekend, he ran the event in 2:12.7. In a recent dual meet against Paramus Catholic, Harvey completed a very difficult double, winning the 400 meter hurdles and taking second in the half mile.

If you're familiar with track and field, then you know that the 400 meter hurdles is a tough enough event to train for on its own. Adding the gruelling half mile to the agenda just shows what a fine athlete Harvey is.

In the classroom, Harvey has been equally outstanding. He ranks in the top two percent and will attend Dartmouth College in the fall.

"He hopes to play football there," Tosato said. "He'll be able to do whatever he puts his mind to. He has all the ability."

## Sansano, Mannion, Piscatowski outstanding

# Nutley wins title in thriller

By Mike Lambert

There was plenty of hype leading into last Saturday's softball county championship game between Belleville and Nutley.

Cross town rivals, the top two seeds in the county, NNJIL rivals and friendships developed between some of the players on the opposing teams.

There was one local newspaper that ventured a final score prediction in its edition prior to last Saturday's game. That article was used as bulletin board material by some of the Lady Buc players.

Sometimes pre game hype leads to a letdown once the game commences. That was not the case last weekend as Belleville and Nutley staged a beauty of a softball game, with Nutley winning 2-1 before over 1,000 people at Pulaski Park.

The defeat was especially difficult for Belleville (17-8), because the girls had been eliminated by Roxbury in the state tourney earlier last week. Consequently, Carl Corino's team will finish the 1993 season this week, with a game at Clearmon Field tomorrow afternoon at 4 p.m. marking the season finale. Earlier this week, the team faced Paramus Catholic and Nutley in NNJIL games.

The NNJIL title is still up for grabs, with Belleville, Nutley, Paramus and Immaculate Heart all within one game of each other.

Since Belleville plays Paramus, Immaculate Heart and Nutley this week, the Lady Bucs have some control over their destiny in an attempt to win a second straight NNJIL Pacific Division crown.

"At this stage of the year, moral victories don't cut it," a disappointed Corino said after the county title game. "It was a great game and I'm real happy with the effort: our kids put out. They gave it everything and battled hard."

Belleville pitcher Kim Piscatowski hurled a masterful game. Ironically, in defeat, Piscatowski might have pitched the best game of her high school career thus far. The junior, who won 20 games last season, allowed two unearned runs and gave up just three hits. She was practically unhittable after the third inning, giving up just a single in the top of the seventh.

Belleville, the home team by virtue of a coin toss prior to the game, threatened in the last of the first. Lead off batter Jen Citarella bunted safely for a single and stole second. Lynn Giachetti hit a shot down the right field line which was just foul. The crowd noise was such that Giachetti had already reached second base and Citarella scored before the umpires ruling could be understood.

Nutley pitcher Kim Higgins took advantage of the foul ball and came back to strike out the hard hitting

Giachetti. With Piscatowski at the plate, Citarella stole third, but Higgins fanned her opposing number and after Colleen Mannion popped out, Nutley had dodged a bullet.

Nutley scored its two runs in the top of the third. The first two batters reached safely on throwing errors. The third Nutley hitter sacrificed the runners to second

and third via bunt. With one out, Piscatowski threw a perfect pitch and got the Nutley hitter to pop out.

With two outs and runners on second and third, Piscatowski jumped out to an 0-1 count against Nutley's big hitter, Lindsay Hill.

At that point, Corino made a trip to the mound.

# Bucs defeat Teaneck, fall to Nutley

By Mike Lambert

At this stage of the season, the goal is now a .500 or better record and a possible run at the state tournament.

The Belleville baseball team was eliminated from the Greater Newark Tournament last Saturday by Nutley, 16-0. The Bucs also lost to Hackensack 9-2 and Paramus 9-8 and defeated Teaneck 15-4 in NNJIL action.

## Crew team to race at Natl's this weekend

By Mike Lambert

It was a rough week on the waters for the Belleville crew team at the Stotesbury Regatta.

Dennis Villano's team advanced one boat to the finals and two to the semis during a very competitive weekend in Philadelphia.

The Bucs will be at St. Andrew's in Delaware this weekend for the national championships. This is the final weekend of the '93 crew season.

"The kids rowed hard, I can't fault the effort," Villano said. "We have a group of kids that know when they've done well and know when they can do better. We faced some tremendous competition in Philly, and like I said, we rowed hard, but we didn't row as smart as we could have."

The mens straight four, which is a shell without a coxswain, took fifth in the finals after earning a third place in the semis.

The lightweight womens "A" team took third in the qualifying heat and sixth in the semis. The womens junior four won its qualifying race and then finished fourth in the semis, just missing a berth in the finals.

The junior four men, senior four women, lightweight "B" team and the pairs missed a shot at the semis after the qualifying round.

Over 100 teams competed in the prestigious Stotesbury Regatta.

"I'm proud of the way we raced," Villano said. "The Canadian teams were there and let me tell you, they're awesome. It was good experience for our team."

"Hopefully, we can carry that over this weekend in Delaware. We'll go back to the drawing board this week and work on technique. We worked hard last weekend, but we didn't row our best. Our team should be able to correct that for the nationals."

Nick Grande's team was 9-10 heading into a state game with Montclair earlier this week. The Bucs had a rematch slated with Nutley yesterday and a game at Don Bosco tomorrow afternoon. Because of the state tournament, the games might be altered to accommodate schedules.

Grande didn't have much to say after the Nutley game last week at Verona.

"We fell behind 3-0 in the first but then Mike (Mundy, the starting pitcher) kept us in the game. It was still 3-0 until the sixth, when we just fell apart. We just didn't have the intensity and made entirely too many mistakes."

Mundy hurled the first six innings before giving way to Ken and, later, Kevin Johansen. Nutley scored five times in the sixth and eight more in the seventh to win convincingly.

Prior to that game, Belleville played one of its better contests in stopping Teaneck 15-4.

"After the Teaneck game, I felt pretty good about Nutley," Grande said. "We didn't commit any errors and the kids were enthusiastic. They played the type of game I know they're capable of."

The Bucs jumped out to a 3-0 first inning lead. Jim Landon walked, Kevin Johansen singled and Mundy walked to load the bases. Ken Johansen hit a sac fly to score one run and Mike Puleo doubled home two more.

Teaneck rallied for four in the second, but Belleville came back with four in its half of the same inning.

Jerry Turi walked and Landon was hit by a pitch. Kevin Johansen doubled home both runners and went to third when Mundy sacrifice

ed. Ken Johansen doubled home Kevin and Puleo hit a long sacrifice fly that scored Ken.

In the third, Belleville went ahead 9-4. Mike Morgan singled. With two outs, Landon doubled home Morgan. Kevin Johansen singled Landon to third and Mundy singled in the ninth run.

In the fifth inning, Jim Napolitano walked. With two outs, ("we seem to respond better with two outs," Grande said later), Kevin Johansen doubled home Napolitano. Morgan singled to score Kevin and Ken Johansen singled home Morgan.

Finally, Belleville scored three more in the sixth. Joe DePeri

walked and Morgan singled. Anthony Caruso reached on an error to load the bases and Turi hit into a fielders choice, 6-4, that scored DePeri. Landon hit a sac fly to score Morgan and Kevin Johansen singled in Caruso.

The beneficiary of the offensive performance was Chris Imperatrice, who was making his varsity pitching debut. He hurled a complete game, allowing four runs and seven hits while striking out five and walking three.

Kevin Johansen led the way with four hits. Mundy and Ken Johansen had two hits each, Puleo drove in

## Alvarado finishes 3rd in County

By Mike Lambert

John Alvarado attained excellence at the NNJIL and county track championships last week with tremendous field performances.

Alvarado, a senior, placed third in the county by throwing the discus 139'10".

Alvarado earned two second place finishes in the NNJIL championships, throwing the javelin 144'5" and the discus 142'4".

He also took third in the shot put with an excellent toss of 45'11 1/4".

In a dual meet with Paramus Catholic, Alvarado broke the school record in the triple jump with a leap of 40'1 1/2". It's the first

time, ever, that a Belleville athlete has hit the 40 foot mark in the triple jump.

"He's having a real strong season," head coach John Tosato said. "He competes in all three field events and the triple jump. This weekend, he'll be going to Plainfield for the sectionals and if he does well there, John will compete in the all groups."

In that Paramus Catholic meet, Alvarado won the shot and discus. Even though his triple jump set a new Belleville school record, he finished second in the event.

Brian Harvey is also doing well. The senior ran the half mile in

2:12.7 at the county championships. In the P.C. meet, he won the 400 meter hurdles and was second in the half mile.

Denny Hoogendyke took second place in the high jump and intermediate hurdles and placed third in the high hurdles against Paramus Catholic.

Rich Romano was third in the discus and Ketan Chauhan finished third in the 400 meters.

The Bucs ended the regular season last Tuesday at Bloomfield. This weekend, as mentioned, Alvarado will compete in the sectional championships at Plainfield.

## RECREATION ROUNDUP

### Jr. Bucs cheerleading registration

The Belleville Recreation Department has announced that applications for tryouts for the Junior Bucs Cheerleading squads or enrollment in the Recreation Pom Pom Squads are available at the Recreation Department office on Joralemon Street. Three Jr. Bucs Cheerleading squads will be selected according to the girls' grade in school, one each for the "C", "B" and "A" traveling football teams. Cheerleading clinics for the Jr. Bucs Cheerleading / Pom Pom Squads will begin on May 24 with the registration deadline for tryouts/enrollment being May 21. Birth certificates will be required of all applicants and everyone intending to tryout for the Jr. Bucs Cheerleading squads or enrollment in the Pom Pom squads must register by the May 21 deadline. Girls who will be in grades 3-8 during the 1993-94 school year are eligible, and all returnees must re-apply.

For other information, contact the Recreation Dept. office at 450-3422.

# Curran hit lifts Belleville past Paramus, 5-4

Continued from Page 11  
ing Hill," the coach explained later. "We didn't want her to have anything to hit, especially with first base open."

Piscatowski's next pitch was a called strike. Ahead 0-2, she came in with a good fast ball, but Hill met the challenge and hit a triple into the gap in right center.

Hill attempted to score on the play, but the relay was perfect as Nicole Gibbons threw to Citarella who threw to catcher Danielle Brodo who tagged Hill out at the plate despite a major collision.

It was a marvelous play by Brodo, a freshman catcher, and ended the inning. Instinctively, she showed the umpire the ball after the collision and the out call was made. The play also gave Belleville some momentum despite the two runs.

The game remained 2-0 until the last of the sixth. With two outs, Piscatowski hit a single up the middle that barely eluded Hill. Up to the plate stepped Mannion, and the senior responded with a triple into right center field. Piscatowski easily scored on the play.

Nutley led 2-1 with Mannion on third and Gibbons at the plate. Higgins worked the count to 2 and 2. On her next pitch, Gibbons hit a long fly to left field that sent the crowd into momentary delirium on the Belleville sideline. However, Nutley outfielder Kim Gacione was in good position and hauled down the drive to end the inning.

Higgins retired Belleville in order in the last of the seventh and Nutley captured its first county title in its first appearance in the county title game.

"We had our opportunities," Corino said, "but you have to hand it to Nutley and Higgins. They battled too, and came up with the big plays."

Christine Sansano, Belleville's designated hitter, led the Belleville offense with two hits.

Earlier in the week, Belleville won NNJIL games against Hackensack 13-3, Paramus 5-4 and Teaneck, 21-5. The victories kept the Lady Bucs in the pennant chase for the conference crown.

Against Hackensack, Piscatowski hurled a complete game, giving up six hits and striking out three while walking two.

Giachetti was 4 for 6 and drove in three while Andrea Curran was 2 for 3 with two ribbies.

Belleville put the game out of reach early, scoring nine times in the top of the first.

Against Paramus, Belleville avenged an earlier conference loss by rallying for a 5-4 win.

Belleville went ahead 2-0 in the second when Liz Ramirez singled and scored on a Kristin Galioto triple. Curran then grounded out to score Galioto.

Paramus scored three in the fourth and one in the fifth to take a 4-2 lead, but Belleville responded with three in the last of the sixth.

Gibbons singled and was replaced on the base paths by Natalie Cruise. Sansano followed with a single and she, too, was replaced for a runner by Gina Conte.

Ramirez reached on an error to load the bases and a passed ball moved all the runners one base, Cruise scoring on the play.

With the score 4-3, Curran set the stage for a dramatic victory. After falling behind in the count 0-2, "A.C." laced a single that scored two runs and gave Belleville the lead for good, 5-4.

It was the second year in a row that Curran had a key hit in a conference game. Last season, in the conference finale, Curran delivered the game winning hit, also with two strikes, to lead Belleville to a win and the NNJIL title.

Curran led the Belleville attack with three ribbies.

Piscatowski got the win, striking out three and walking three while giving up five hits. She pitched a complete game in improving her record to 13-5.

The winning streak was interrupted by a loss to Roxbury in the Group IV, Section II state tournament. Roxbury scored four runs in the top of the third, but Belleville came back with five runs in the last of the inning.

Ramirez started the inning with a homer. Galioto reached on an error and Curran doubled to score Galioto. Citarella singled home Curran and then stole second base.

Giachetti singled to score Citarella with the tying run. Mannion singled and Gibbons singled to bring in Giachetti with the go-ahead tally.

Roxbury answered with solo runs in the fourth and fifth innings and held on for a 6-5 victory.

Piscatowski (13-6) struck out a

season high seven batters, but allowed 11 hits. She walked just one.

Mannion and Curran led the Belleville attack with two hits each.

In leading up to the county title game, Belleville breezed by Teaneck 21-5.

Keri Wendling improved her record to 4-1 by pitching a complete game. She struck out three and walked two.

Belleville scored twice in the first. Citarella reached on an error and Giachetti tripled her home. Mannion then hit a sac fly to score Giachetti.

In the third, Belleville broke a two all tie with 12 runs. The girls had ten hits in the inning. Sansano and Ramirez hit two run homers in the inning.

Offensively, Citarella had three hits and Mannion, Sansano, Giachetti and Curran had two hits each.

**NOTES:** Ramirez, who has been hitting very well of late, made a spectacular catch at first base to end a Nutley rally in the fifth inning of the county championship game.

Mannion was outstanding in centerfield in the Nutley game.

This was the fourth time that Belleville has lost the county title game by one run. However, Belleville is by far the team with the most appearances in the county championship game, now with ten.

Nutley was without the services of second baseman Sarah Clarke, who broke her thumb earlier in the week. Clarke, a gutsy competitor, tried to warm up with a cast on her glove hand, but she wasn't able to play.

Lynn Giachetti is about to throw to first base for an out in the second inning of county championship game with Nutley last Saturday.

Andrea Curran fields fly ball at her third base position last Saturday at Pulaski Park. "A.C." had the key hit in a conference win over Paramus earlier in the week.

Lynn Giachetti takes swing against hard throwing Nutley pitcher Kim Higgins. Giachetti played a solid game at shortstop and had a near double in the first inning. The ball was just foul down the first base line.

# Baseball team hoping to end '93 season above .500 plateau

three runs and Landon had two ribbies.

Against Paramus, Belleville fell behind 5-0 in the first, then staged a rally in the late innings.

"We spotted them a big lead, then came back but fell short," Grande said. "Needless to say, it was frustrating. Earlier this year, we lost to them 1-0. Now we score eight and lose by one run."

Dan Brunello made his first varsity start and pitched well, allowing five earned runs in four innings. He gave up eight hits, struck out four and walked one.

DePiri hurled two innings in relief, giving up no earned runs and five hits while walking one.

Trailing 5-0 in the third, Belleville scored once on a two out rally. Kevin Johansen walked, stole sec-

ond and scored on a Puleo single.

In the fifth, with Paramus leading 7-1, Belleville had another two out rally. Landon reached on a fielders choice, Kevin was hit by a pitch and Puleo singled home Landon.

With the count 9-2 in the sixth, the Bucs scored twice. DePeri walked and stole second. Brunello singled home DePeri. Turi reached on an error and Caruso hit into a fielders choice, with Brunello out at third. Morgan walked and Landon grounded into a fielders choice, Turi scoring on the play.

The Bucs made it interesting with a four run rally in the last inning. Puleo walked, Ken Johansen singled and DePeri walked to load the bases. Mundy singled home two runs and Turi singled to score DePeri. Caruso walked and

Landon hit a sac fly that brought in Mundy.

Puleo had two hits and two ribbies. Mundy drove in two runs and Landon had two RBI's.

The week started with a 9-2 setback to Hackensack.

"I would have to say that Hackensack has the best team in our

division," Grande said. "Their pitching is excellent, especially (Duane) Eason. He has all the pitches and he kept us off balance."

"We did hit the ball, but we hit it right at people. They made excellent plays in the field."

Morgan and Landon had two hits each for Belleville.

Kevin Johansen started and pitched the first four innings, giving up nine hits and five walks while striking out four.

Brunello pitched the last three innings in relief and fared well, striking out five and giving up just one hit. He walked one batter.

"We have Montclair (last Mon-

day) in the first round of the states, and if we win, we play at Randolph probably (today). I'll have to wait and see which team shows up. If it's the team that beat Teaneck, then I think we can be competitive."

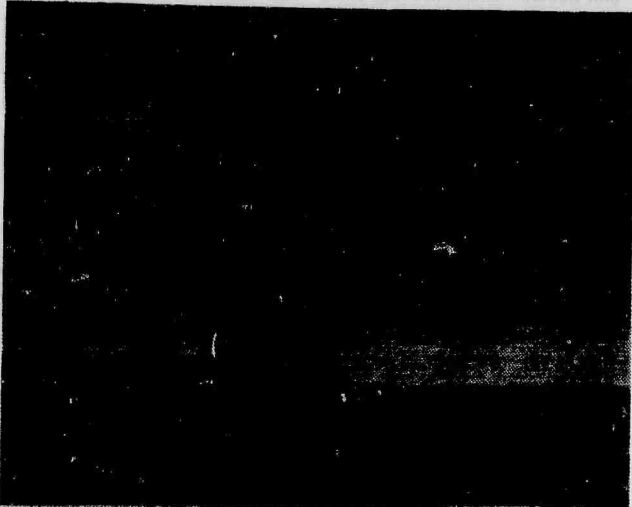

"But if we play the way we did against Nutley, it will be a long week."

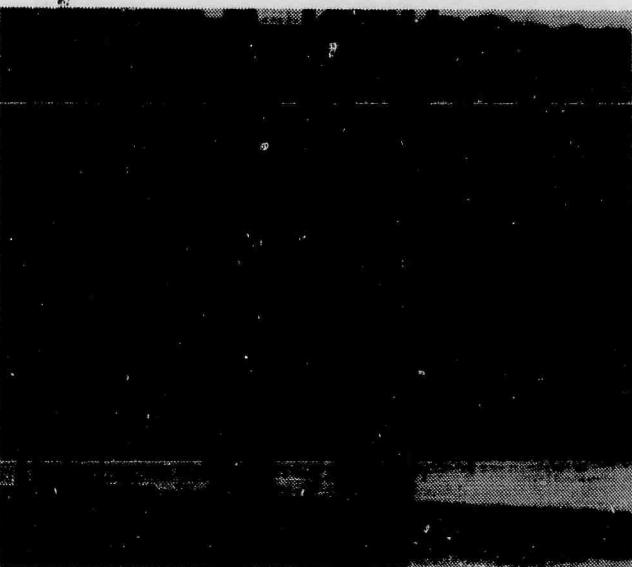

Mike Mundy confers at first base with coach P.J. Grande. Mundy pitched well for the Bucs but didn't receive much help offensively.

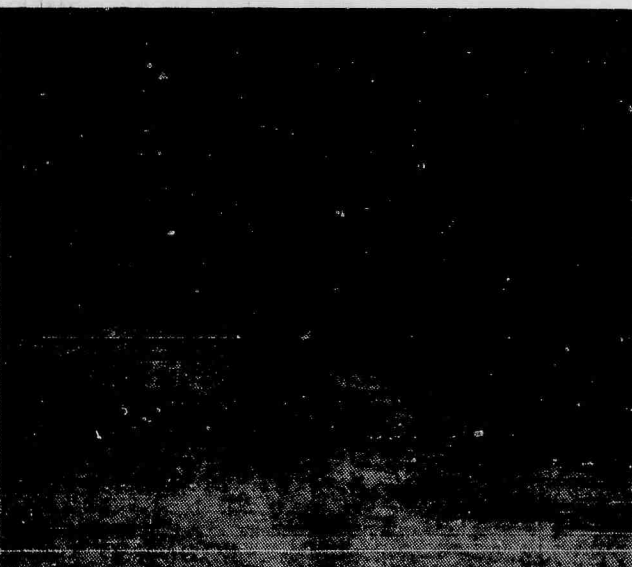

Kevin Johansen takes a pitch from Nutley ace Larry Mohs. Johansen and the rest of the Bucs didn't have much success against Mohs as Nutley won 16-0.

Ken Johansen makes throw after fielding bunt in seventh inning of game last Saturday at Verona.

Pitcher Ken Johansen listens to coach P.J. Grande as catcher Jim Landon listens. The Bucs had a tough day on the diamond against Nutley.

Buc players converge on foul ball in right field. Neither player was able to catch up with ball on this play.

Mike Mundy gets ready to pitch during fifth inning of county game with Raiders. Mundy and his teammates will be playing in the state tournament this week.

## Wolfe Tones, balladeer Paddy Reilly highlight Irish Festival

The Wolfe Tones, Ireland's rebel troubadours, and popular balladeer, Paddy Reilly will headline a host of performers at the 23rd annual Irish Festival on June 27 at the Garden State Arts Center.

"We'll have some of Ireland's best known personalities and about a dozen other Irish entertainers, many of them from New Jersey," said Jerry Lenihan, of Roseland, general chairman.

"It will be a great show and a great day. Traditionally there has been fine weather on festival day, but the show will go rain or shine — I have planned to have a big tent available in case the rains come," he added.

Among the other musicians on the festival agenda are balladeer Joe Finn, of Avon, band leader Willie Lynch of Whitehouse Station, Ian Gallagher, Dennis Doyle, Keith Delaney, County-Monaghan-born Bernie Mullen, Celtic Cross, featuring the Vesey Family of Union, and Emerald City.

Essex County Surrogate Tom Giblin, a past festival chairman, will be master of ceremonies for the show which will also feature the Schilling School of Irish Dancing and Seton Hall University's Celtic Theater Company.

The thespians from Seton Hall will present "Come Back to Erin." The ensemble headed by Timothy Smith and Mary-Claire Havas will offer songs and stories reflecting Irish and Irish American experiences. The show was presented in South Orange last fall after the troupe returned from a tour of

Ireland.

The all day festival gets underway at 9 a.m. and activities will continue till 6 p.m. Most Rev. Theodore E. McCarrick, archbishop of Newark, will be the main celebrant of a Mass at 10:30 a.m. in the amphitheater. Archbishop McCarrick will also be homilist at the Mass which will be dedicated to the memory of former general chairman George McCormack of Sea Girt and former finance chairman Jack McGarry of Kearny, who both died within the past year.

The gala Celtic celebration, which annually draws upwards of 25,000 people, will also feature an Irish football match, a cultural exhibit in the Reception Center, a children's workshop and demonstrations of traditional ceili dancing.

Moreover, there will be an Irish food court and a competition along with a mass march by more than 12 Irish pipe bands.

Thomas A. Callahan of West Orange is co-chairman of the festival.

Tickets are \$5 in advance and \$7 on the day of the festival. Children under 10 are free.

Tickets can be ordered by calling Helen Burns Washington at (908) 449-3713.

### Carmen Lorenzo in Honor Society

Delta Mu Delta, national honor society in business, has inducted Carmen Lorenzo of Belleville into the local chapter on the Fairleigh Dickinson University Rutherford campus.

Dr. Paul Lerman, Dean of Samuel J. Silberman College of Business Administration, and Professor Richard Panicucci, TriCounty Associate Dean for Student Service, officiated at the annual induction ceremony.

Inductees receive a 3.5 average upon the completion of 64 credits at the undergraduate level and 3.8 average upon completion of 21 credits at the graduate level.

## Thomas Pontrella on assault ship

Navy Airman Recruit Thomas A. Pontrella, son of Patsy J. and Helen S. Pontrella of Belleville, recently returned aboard the amphibious assault ship USS Tripoli, homeported in San Diego from a six-month deployment to the Western Pacific as part of the USS Tripoli Amphibious Ready Group.

While deployed, USS Tripoli participated in Operation Restore Hope, the largest humanitarian

relief effort ever. Pontrella spent 56 days off the coast of Somalia and was among the first U.S. military presence in the area.

Additionally, the ship conducted amphibious training exercises in Kuwait and rescued two Kuwaiti fishermen who had been stranded in their boat for over 24 hours. USS Tripoli and her crew also participated in Operation Southern Watch, enforcing the U.N. sanctioned "no-

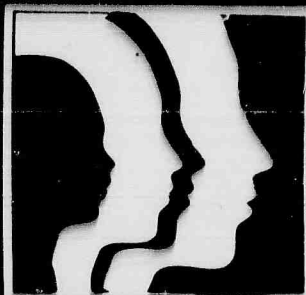

fly" zone in Southern Iraq.

The deployment exemplified the Navy and Marine Corps' strategy entitled "...From the Sea," which emphasizes the mobility, flexibility, and capability of a forward-deployed Navy and Marine Corps team.

The 1991 graduate of Belleville Senior High School joined the Navy in February 1992.

## Lead detection test tomorrow

A lead detection program, designed to detect elevated lead levels in children under age 5, will be held by the Belleville Health Department, on May 21 at 10 a.m. Parents who would like to have their children tested may call the Health Department at 450-3394 to make an appointment.

Thomas Longo, Director of Health and Human Services, says that lead poisoning is the number one environmental threat to American children and can be a serious condition. However, since the year 1978, the law has not allowed the use of lead in household paints. Before 1978, lead was used in these paints.

Longo also states that as many as 20 percent of the homes in the United States have elevated levels of lead in their water because of lead pipes and those copper pipes that are fitted with lead solder. Children under age 5 pose the greatest risk in this case.

More facts on lead in drinking water can be obtained by calling the Health Department, and requesting a brochure on the subject.

## Third graders create settings for stories

The third grade class at School Three, under the direction of their teachers, Mrs. Nadine Janik and Ms. Jill Stampone, created dioramas based on a "fairy tale" theme as part of a recent reading project. Mrs. Raffaella Saulino, principal, explained that the reading project is part of a pilot reading program that will assist teachers in selecting a new reading series for the district.

The "fairy tale" theme was carried on throughout the reading unit. Several activities included cooperative learning groups, exploring the fantasy world of "never-never" land, writing unique versions of favorite fairy tales using classmates or themselves as characters and designing dioramas to depict a scene from a favorite fairy tale.

The theme integrated the academic areas of reading, language arts and art. Most of the children selected stories that had long been favorites since childhood when their parents read the fairy tales to the children at home.

To commemorate this event, the Clara Maass Continuing Care Center will hold a community awareness workshop on Senior Services for the Older Adult, May 13, from 6:30 to 8 p.m. The workshop will take place in the Senior Medical Day Care Center at the Clara Maass Continuing Care Center, Belleville.

The workshop includes a slide presentation. Guest speakers include a senior services healthcare professional, a nursing home resident, and a family member. Healthcare professionals will also be on hand to answer questions regarding services at the Center.

There is no admission charge to the workshop, however registration by phone is required. For more information or to register call 450-2900.

#### SUNSCREENS, FROM A TO B

With summer approaching, outdoor enthusiasts begin to pay particular attention to the application of sunscreens to protect their skin. The better formulations protect against both UVA and UVB, the two forms of ultraviolet light. Some sunscreens protect the skin only from the well-known UVB rays, which are at their strongest between 10AM and 3PM. The lesser-known UVB rays also pose a significant risk. These longest of ultraviolet rays are at full strength all day long, and prolonged and repeated exposure can lead to photaging and even skin cancer. Sunscreen ingredients that provide UVA protection include: Oxybenzone, Dioxibenzene, Eusolex 6300, Eusolex 8020, Parsol 1789, 2-Ethylhexyl, 2-Cyano-3, 3-Diphenylacrylate, Sulisobenzene, Red Petrolatum, and Titanium Dioxide.

The best protection for your skin is to limit the amount of exposure to the sun. When you are out of doors it's important to be protected with one of the excellent sunscreen now on the market. We'll be happy to answer any questions on skin protection at ROSS-MORE PHARMACY, 338 Washington Ave., 759-1968, 759-1056. Walkers, wheel chairs, crutches, canes and other convalescent aids are rented or sold. Open: Daily 9am-10pm, Sundays 9am-9pm.

HINT: Apply sunscreen 30 minutes prior to going outdoors in order to allow ingredients to be absorbed by the skin.

### Psychic Fair in Belleville

The Belleville Craftsman Club No. 405, a division of the Belleville Masonic Lodge, will be hosting a Psychic Fair to raise money for the much needed repairs on the Belleville Masonic Temple on May 22 from 11 a.m. to 5:30 p.m. and on May 23 from 1:30 to 5:30 p.m.

Bill Martin, Master of the Lodge, said that past Psychic Fairs were very successful in aiding to renovate the old building. He went on to say that the Fair has proven to be much fun for all participants. "Each time we run this event, the number of people attending grows. The last time we had 150 readings." It is strongly recommended that people come early to the event for their readings.

Spellbound Metaphysical Shop, located at 480 Washington Avenue, co-sponsors the event, providing ten psychics, tea leaf readers, astrologers and tarot card readers and several vendors. Most of the readers are well known in the tri-county area.

The fair is to be held at the Belleville Masonic Temple, located at 126 Joralemon Street, near the corner of Washington Avenue.

Donations for the readings are \$20. There is no charge for admission.

If you have any questions, call Spellbound at (201) 450-4696.

### Annual Blood Bank June 5

A resident community Blood Drive will be held on June 5 from 10 a.m. to 3 p.m. at the Knights of Columbus Hall, located at 94 Bridge St.

Giving a pint of blood is virtually painless. The experience is rewarding for the donor in more ways than one. You'll be helping to insure yourself and your family for the future with this gift of life.

Frequently the blood supply available reaches a dangerously low level during the summer months when many are vacationing and there is a slump of donations in our blood bank area.

A complete physical will be given before you can donate blood. The drive is open to all area residents including firemen and the police department.

For further information, call Blood Bank Chairman G.K. Tom Doeffinger at 751-7144.

### Lori Michaud at math seminar

Lori Michaud of Belleville, a teacher of mathematics in the Passaic school system, recently joined other elementary school teachers and New Jersey mathematics specialists in a discussion of advancing

change in mathematics education in the state.

The teachers were all Graduate Fellows of Montclair State's Project for Resourceful Instruction of Mathematics in the Elementary

School (PRIMES).

PRIMES involves a three-week, all-day summer institute followed by monthly meetings for another year.

### High School to present its Annual Spring Concert

The Belleville High School Music Department announces its annual Spring Concert on May 25 at 7:30 p.m. in the high school's auditorium. The performing groups participating in the program include the Chorus, Orchestra and Symphonic Band.

The program will begin with select members of the Mixed Chorus, under the direction of Dr. Finetti, with an interesting setting of Paul's famous letter to the Corinthians entitled Corinthians 13 by William Mc Crae. Adapted from one literature's greatest texts on the theme of love, this musically eclectic work incorporates chanting, various harmonic styles, a familiar child's tune, speech improvisation, and an early 20th-century vocal technique of "sprechgesang" which can be described as inflected speech.

The string section of the Orchestra, under the direction of Mr. Black, will perform Georg Philipp Telemann's Viola Concerto with senior Danielle Buchanan as viola soloist. This will be followed by the "Allegro" movement of Mozart's popular Eine Kleine Nachtmusik.

The winds and percussion students will then join forces with the strings to create a full orchestra performing an arrangement of three of Liadov's Russian Folksongs, a medley of hits from popular musical comedies entitled Broadway Tonight, and selections from Andrew Lloyd Webber's Cats.

For the 125 member Mixed Chorus, Dr. Finetti has programmed two exciting and intricate a cappella arrangements of African-American spirituals, Daniel, Daniel, Servant of the Lord, and Ezekiel Saw De Wheel, selections from the Broadway musical, The Secret Garden, and an exhilarating John Rutter arrangement of variations on the theme, When The Saints Go Marching In, accompanied by an instrumental combo including piano, clarinet, drums, baritone horn, and trombone.

The Symphonic Band, under the direction of Mr. Kraemer, will perform an arrangement of the soundtrack from the movie, Batman, the theme from the film J.F.K., Canticle for Solo Clarinet by Curnow and featuring eleventh grader, David Nixon, Glen Miller In Con-

cert arranged by Scott, selections from The King and I, and Habitat (Visions of a Fragile Planet).

This concert will be dedicated to Frank Scelba, recently retired Director of Performing Arts, who will be in attendance to accept tributes and honors from the faculty, students, and the Belleville Music Parents Association. A reception in the high school cafeteria will immediately follow the concert.

A donation of \$2 will be accepted at the door.

Brian Harvey will be an ivy leaguer in the fall. He will be a Belleville standout for years to come.

### SUBURBAN GIRLS' SOFTBALL

The Suburban girls' softball team is off to a 6-1 start this season. Led by coach Bob Crescenzi, the teams only loss so far has been to Florham Park. Belleville will try and avenge that defeat in the playoffs.

Belleville opened the season by defeating Verona 10-6. Christina Crescenzi pitched and did well at the plate. Kim Mahoney hit a homer and was assisted offensively by Jessica Rotino and Joelle Della Volpe.

The biggest win of the year has been against Bloomfield, 9-8. Crescenzi pitched and the defense was led by Della Volpe, the captain and Rotino, who play shortstop and third base respectively.

Mahoney did a good job at first while second base is platooned by Nicole Lopreato and Nicole Cassella.

Mahoney and Lopreato have also seen time on the mound, with Lopreato earning a victory against South Orange and Mahoney picking up the win against Maplewood, Springfield and West Orange.

The outfield is patrolled by Geanine Gialanella in left, Susan Donnelly in right and Michelle Morgan in short field. Centerfield players include Cathy Wengryn, Dawn Fornarato and Christine Ranucci.

Also contributing to the team are Nikki Coviello, Addriady Parra and Angela Pizapio.

These seventh and eighth grade players have displayed enormous talent and determination. Coach Crescenzi and his assistants, Tom Gialanella, Bruce Morgan and Matt Lopreato hope the girls can continue their fine play throughout the playoffs.

### LAST WEEKS QUIZ

In 1975, the Washington Bullets upset the Boston Celtics in six games for the Eastern Conference championship. The Bullets were coached by former Celtic player and later Celtics coach, K.C. Jones. Jones would lead the '84 and '86 Celtics to championships.

## College places Co-op student

Saint Peter's College in Jersey City has placed Elsa Lopez of Belleville in a job with Viacom as part of the college's cooperative education-internship program.

A co-op student earns a salary and academic credits in a full-time or part-time job, receiving valuable work experience and familiarity with career-related work.

The college places 89 students at 101 corporations, financial organizations, business and government offices last spring with total earnings of more than \$573,000.

The Board of Realtors of Bloomfield, Belleville, Nutley and Glen Ridge will sponsor a Murder-Mystery Dinner for a three-year-old Bloomfield boy who was born with spinal bifida, it was announced today by board president Ron DePiro.

The dinner, to be held June 5 at the Fiesta, will benefit little Ricky

## Murder Mystery Dinner to benefit Bloomfield boy

DiModica, as the Board raises money for a van which is badly needed by the DiModica family.

"Ricky DiModica was born with spinal bifida and will feel the positive effects of our efforts for many years to come -- he's a great little kid," said DePiro.

"The Board thought this was truly a worthwhile cause and illustrates our need as a responsive body to give something back to the community. The people living in our Board covered towns, as well as outside areas, would be greatly surprised at just how much their

local realtors care and do for them," said DePiro.

DePiro added, "This is not just a dollars and cents business. It's a people business and by trying to raise money for Ricky DiModica certainly shows our interest in people."

DePiro announced that the chairperson of the Realtor Community Relations Committee, Nina Kaeser, would spearhead this drive along with various members of her group.

"Our goal is to make life just a little easier for a little boy who was born with this terrible affliction," said Kaeser.

"Tickets will go on sale immediately at \$45 per ticket. This will include a Murder-Mystery participation production as well as a dinner (benefit) that the Fiesta is famous for hosting."

Tickets will be available for purchase at Board member offices, of the Board of Realtors of Bloom-

field, Belleville, Nutley and Glen Ridge.

"We expect to easily sell our goal of 400 tickets," said DePiro. "and all are promised a good time."
