Police-fire reorganization looms

By Howard Klausner

The Township Council has offered a contract to the police and fire unions which bars any raises for three years and requires give-backs in such areas as longevity pay and vacations.

Members of the Policemen's Benevolent Association and the Firemen's Mutual Benevolent Association declined comment on the Township proposals, except to say they are "under study".

The Township Council is also preparing a reorganization proposal which is aimed at reducing the number of officers in both departments.

The idea is to reduce the budget, but it has been complicated by the decision to reject the State-sponsored early retirement plan.

Under the plan, which would be partially funded by the State of New Jersey, firefighters and police would have the option of early retirement with five additional years credited to their longevity. They would have to have at least 20 years of service to qualify for the plan.

Some 15 members of the departments are eligible for the retire-

ment plan, and eight of them indicated an interest in taking early retirement, according to a report submitted to the Council by Township Administrator Stephen Cuccio.

According to Financial Officer Arthur Minsky, the salaries saved by retirement of the eight interested persons would amount to \$517,648 a year.

The vacated positions could then be kept open in order to effect the savings of half a million dollars a year.

Against this, Minsky noted, is the additional pension liability of \$826,036 which could be paid off in as long as 21 years, or in one payment.

A strong proponent of the idea was Councilman Charles Cerami, who argued that savings would make the plan worthwhile.

In the final vote, Cerami was joined by Council Members Jim Messina and Tom Spillane. Voting against the idea were Mayor Marina Perna, Deputy Mayor Mario Drozd, Council President Dr. Frank Noonan and Council Member Bill Cook.

Cook said he was concerned over

the possibility of overtime pay wiping out any savings accrued from the retirements.

In the Fire Department, Deputy Chief Gabriel Santuoso and three Fire Captains had indicated their willingness to take early retirement under the proposed plan. In the Police Department, four police captains, one sergeant, one lieutenant and two police officers were known to be eligible for early retirement. Also eligible are Police Chief Raymond Kimble and Deputy Chief Michael Petrillo.

Cuccio made no recommendation to the Council on how to vote.

With the possibility of early retirement gone, the only alternative to reduce the payroll is to reduce the number of official titles, according to Council members.

Three at-large members of the Council are up for election in May. Those whose terms are at stake are Mayor Perna, Deputy Mayor Drozd and Council President Dr. Noonan. Perna and Drozd are expected to seek re-election. Dr. Noonan has stated that he does not plan to run again, but has made no formal statement.

Here for luncheon

Governor-elect Christie Whitman is appearing in Belleville today

Governor-elect Christie Whitman is visiting Belleville today, helping local Republicans defray the costs of among other things, a hired elephant.

Mrs. Whitman has been invited to Belleville and a \$20-a-plate luncheon at the Bella Casa Restaurant by Richard Yanuzzi, chairman of the Belleville Republican Party Organization.

Yanuzzi was an early supporter of Mrs. Whitman in the Republican primary, and she paid several visits here in his company and in the company of Senator John Scott. Yanuzzi is a legislative aide to Scott.

The Belleville Republican Party Organization is separate from the Republican County Republican Committee, whose chairperson is Toni Marrone.

Yanuzzi will be master of ceremonies at the affair, which will begin at 11:15 a.m.

He said that the funds raised from the event will go to paying for some campaign costs, including the hiring of an elephant for the Columbus Day Parade.

Whitman received a majority of Belleville votes in November, 4,771 to 4,625 for Governor Jim Florio.

Tickets to the event are being sold in Nutley as well as in Belleville.

Governor-elect Christie Todd Whitman

Visits to Belleville by a New Jersey governor or governor-elect are rare.

Governor Florio made two non-campaign visits here. Governor Tom Kean was not known to have made any.

Board ratifies teachers' contract providing 5.48 percent pay hike

By Howard Klausner

Belleville's 300 teachers will receive a pay increase of 5.48 percent, retroactive to July 1, under the terms of the new contract ratified by the Board of Education in December.

The contract calls for a 5.5 percent increase the following year, and a 5.55 percent increase for the 1995-1996 school years.

In return, the teachers have agreed to pay higher fees for prescription medicine and to work longer time periods with the pupils.

The 5.48 percent increase for 1993-1994 has been figured into the current budget, so no additional appropriations will be required.

The "give-backs" include an agreement that teachers will pay \$6 for name-brand prescription drugs, instead of the current co-pay amount of \$2, and \$3 for generic drugs.

Board of Education President Gabe Nazzola said he was satisfied with the contract. "It was a good exchange," he said.

The prescription co-payment is the highest of any school district in Essex County, and the salary increase of 5.48 percent compares with the average increase of 5.64 percent in Essex County.

The teachers also agreed to pro-

vide additional teaching time. An additional 45 minutes will be provided in the High School; 60 minutes in the Belleville Middle School, and 50 minutes in the Elementary Schools.

The Belleville Education Association negotiating team was headed by President Jack Ayres.

Board of Education Trustees Dr. Anthony D'Agostino and Joseph DelGuercio negotiated for the Board. Nazzola joined the negotiations after the New Jersey Board of Ethics ruled that it was permissible for a Board member to be involved in contract negotiations, even if close relatives were employed in the school district.

The State body ruled that a Board member was disqualified if a spouse was employed in the District. A son or daughter who does not live at home and is not financially dependent on the Board member does not disqualify the Board member from negotiating, or voting on, a contract.

Nazzola's daughter and son teach in the Belleville public school system.

The negotiating teams met a dozen times, sometimes working from 6 p.m. to 1 a.m., as proposals were discussed.

The Belleville School District

employs some 300 teachers. The average starting salary of a teacher with a Bachelor of Arts degree is about \$28,000 a year. A teacher with 20 years of tenure, with a Master of Arts degree plus additional credits, could receive about \$57,000 a year.

An annual increase of 1.6 percent is mandated by law, so that the additional increase for this year was 3.88 percent.

Contracts still being negotiated are those for Administrators, Supervisors, Maintenance and Custodial employees and Secretaries.

High School to open six more classrooms

The completion of interior renovation work on the basement area - sometimes known as the Bomb Shelter - at Belleville High School will provide six additional classrooms for the Spring 1994 term.

By Jan. 1, the Guidance and Special Services administrative offices will move into new suites of offices provided by the renovation, and in February, virtually all the administrative personnel now housed in former School 1 will move into the office wing vacated by Guidance and Special Services.

Column by Joseph Restaino to feature Senior Citizens

The Belleville Times will feature a weekly column on Senior Citizen activities, written by Joseph Restaino.

Titled "The Senior Citizen", the column will stay abreast of people and events in Belleville.

"At 76, I'm starting a new career," Restaino said.

Restaino, a native of Nutley, lived in Newark before moving to Belleville 45 years ago, on his marriage to Mary Cerami.

The couple has four children, Phyllis Lager, Lois Johnson and

Joseph and Alan Restaino, and five grandchildren.

With five brothers, Restaino owned and operated Insulex Corp. in Nutley for many years. He was a machinist and tool maker by trade. When the family sold the business, Restaino retired.

"I've always belonged to organizations. I like working with people," he said.

He joined the Belleville Senior Citizens Club, Inc. in 1976 and served the first of five terms as President of the Club in 1984, and is

currently President again. The Restainos are also members of Belleville Senior Citizens Tuesday Social Club.

Restaino serves as Secretary to the Belleville Old Guard and is a member of the Holy Name Society of Holy Family Church in Nutley.

For relaxation, he enjoys gardening, social dancing, two bowling nights a week and some occasional bocce games.

"I like to stay active," Restaino said.

The Class of '63 meets again

AFTER 30 YEARS - The Belleville High School Class of 1963 celebrated its 30th Class Reunion recently at the Chandelier Restaurant. Committee members, from left, are Dennis Villano, Chairperson Angela Cuozzo-Zarro, Annette Luzzi, Richard Luzzi, Dr. Lori Ippolito, Dr. Michael Ippolito, John Resciniti and, kneeling, Patrick Ugaro. Standing is Guest of Honor Howard Cross of the New York Giants, a friend of the Luzzis. Classmates interested in the next Reunion in 2003 may write to Angela Cuozzo-Zarro, 54 Salter Place, Belleville, N.J. 07109.

Aside From That

By: Howard Klausner

Word reaches from far off Pennsylvania that Michael J. Walsh, whose distinctions include being former Football Coach and Baseball Coach at Belleville High School as well as being brother to Belleville Township Clerk Mary Lou Hood, has been named Athletic Director of Emmaus High School. With that in mind, we turn the rest of the report over to Jeff Schuler of *The Morning Call* who wrote:

"With a goal of luring more students into extracurricular activities of all kinds, Michael H. Welsh has been named the new athletic director at Emmaus High School.

"My philosophy is that education comes first, but that extra curricular activities are also very important to high school students," said Welsh, who was picked from among three finalists."

Mike Welsh played football and baseball at Belleville High and was in student government and a lot of clubs before going on to St. Peter's College where he also played football. A man of both a business and an academic bent, he received a Bachelor Science in Marketing Management at St. Peter's and then a Masters degree in Educational Management from Kean College. ●●●● He taught Business at Belleville High where he stayed for eight years. He left the school to become Sales Manager for an insurance company and then a Case Manager for the Lehigh County (Pa.) Drug and Alcohol Central Intake. He is certified to be a Principal in New Jersey and Pennsylvania. ●●●● "When I was growing up, my uncle, Paul Short was an assistant A.D. at Lehigh, and I greatly admired him. Ever since then, I've always wanted to be an Athletic Director because you're involved with all sports instead of coaching just one," he is quoted. Welsh and his wife, Pat, live in Lower Macungie Township. Among the younger Welshes, Michael, 16, attends Emmaus High School; Jaclyn, 14, attends Eyer Junior High; Shannon, 11, and Kyle, 7, attend St. Ann's School in Emmaus. ●●●●

Another Pennsylvania boy, Sy Grossman, was last reported headed for Florida for a three-week vacation from the snows. Sy, a native of Scranton, spent more than 40 years as an educator in the Belleville school system, retiring as Assistant Superintendent, and serving on the Board of Education. He is still active in town, as Director of Recycling. ●●●●

The announcement by Republican leaders in Passaic and Essex Counties that they are supporting Passaic County Freeholder William Martini for Congress, to run against Herb Klein aroused recollections of Mr. Martini's late, great uncle, Nicholas Martini. The elder Martini was one-time Mayor of Passaic, serving from May 1943 to May 1947, and he was a successful lawyer. He was so successful that he became a promoter of all kinds of oil and gold mining stocks, particularly in companies prospecting in Canada. He must have been remarkably successful, because one day the Passaic police reported there had been a break-in at his office and that someone had carried off more than a million dollars in cash and securities which had been left in Mr. Martini's care, and for whose safekeeping he was responsible. In Passaic, the loss of a hundred and twenty-five dollars was considered catastrophic, and no one had words to express the enormity of Mr. Martini's loss, the assumption being he would have to hock the office furniture to make even a slight dent in the loss. But nothing of the sort happened, and Mr. Martini seemed as chipper and confident as ever, dismissing the loss with a shrug. Come to think of it, where is Bill getting the money to run for Congress? ●●●● Sharp-eyed Councilman Jim Messina actually read the calendar printed by the United States House of Representatives and distributed throughout the 8th District by Representative Herb Klein. The Councilman brought to our attention the notation for Thursday, May 5. On that day, in 1794, "John Hewitt erected first steam engine constructed in US at Belleville, NJ, waterworks." This confirms the fact that the first steam engine manufactured in the United States came from the Soho foundry established by Nicholas Roosevelt in 1789. Hewitt, was an engineer who later operated the experimental steamboat Polacca which was built in Belleville and sailed the Passaic River Oct. 21, 1798. It is further support for Congressman Klein's effort to have Belleville recognized as Birthplace of The American Industrial Revolution.

Our Copy Cat, Baldassaro DiVincenzo Mitten, says the Township Council work sessions are being held longer and longer behind closed doors and less and less in public. "Last week, they were negotiating with NJ Transit for an old trolley car, so they could hold meetings on the move. They could also pick up a little change on the run to Newark." ●●●● Fifth Ward Councilman Harry Zilch says the best form of local government would be the "Weak Council, No Mayor, Absent Administrator" type. "We have it right now, and things are about as normal as they ever are for Belleville. So let's make it official." ●●●● Zilch's organization, the Kool Kumbur Boys, tried to introduce a salary ordinance into the town budget. According to Councilman Zilch, "They want to reorganize the management so that everybody gets a chance at the perks. That would include the Manager's car, the Assessor's telephone card and the lunch tab at Three Guys restaurant."

Berkeley honors Belleville men

Pio Alberto of Belleville has been named to the President's List and Aramie Sansano of Belleville has been named to the Dean's List of Berkeley College of Business - Garret Mountain Campus for the

quarter ending Summer 1993.

Dean's List students must maintain a 3.5 average. President's List students must maintain a 4.0 average.

ON COLLEGE STAGE — Belleville resident Kittikorn Tangwongchai, left, rehearses a scene from "Carousel," the St. Peter's Prep upcoming musical production, with fellow chorus member James Pumerada of Hillside and lead female Meghan Johnson of Jersey City. The production, directed by Prep English teacher Jack Campion, will run Jan. 7 and 8 at 8 p.m. and Jan. 9 at 2 p.m. at the Roy Irving Theatre at St. Peter's College, Jersey City. Fire Department tips

By Vin Abbott

The Belleville Fire Department wishes you and yours a happy and safe holiday.

Here are some safety tips for the holidays.

When using a live Christmas tree or live branches for decoration, spray them with a fire retardant.

Always check your lights and wires for fraying or shorts before using them.

Do not overload circuits or extension cords.

Older decorations may not be

fire safe (example: older bulbs give off a lot of heat; paper decorations, etc.)

Give someone you know who needs it a smoke alarm.

When putting up or taking down decorations and using ladders or chairs, be safety conscious.

Remember, if there is a fire or medical emergency, dial 911. We are always here.

For a fire, leave the house, then call from a neighbor's. Don't try to put out the fire yourself.

Belleville Senior News

By Joseph Restaino

On Nov. 24, at the White Eagle Manor in Bloomfield, the Belleville Senior Citizen Club Inc. celebrated the 20th anniversary of the organization.

In 1973, a group of Belleville seniors petitioned the late Mayor Joe McGreevy for a town-sponsored senior citizen club. They were granted permission and held their first meeting at the Little League Clubhouse. Lois Bounapane was elected as acting president. When the group got too large, Commissioner Mike Marotti was instrumental in obtaining the use of the Amvet Hall on Newark Avenue.

On July 18, 1974, ground was broken at Mill Street and Franklin Avenue for a new senior citizen center. Under Mayor Mike Marotti and a group of volunteers, the center was completed and turned over to the Belleville Senior Citizen Club Inc., under President George Chenoweth, on Dec. 19, 1975.

George served for 10 years before retiring in 1984. Since then, presidents serving have been Joseph Restaino, Anthony Aranecki, Regina Nucci (the first woman president) and presently Joseph Restaino.

The seniors meet every Tuesday. After the meeting, Bingo is played. The members also participate in aerobics, crafts and dance classes. Many trips to various resorts are planned throughout the year. Many of the seniors look forward to these trips.

Middle school student wins geography bee

John Molnar, an eighth grade student at Belleville Middle School, won the school-level competition of the National Geography Bee on Thursday, Dec. 16 and a chance at a \$25,000 college scholarship.

The school-level Bee, at which students answered oral questions on geography, was the first round in the sixth annual National Geography Bee, which is sponsored by National Geographic World, the Society's magazine for children, and Amtrak.

The kick-off for this year's Bee was the week of Dec. 13, with

thousands of schools around the United States, the District of Columbia, and five U.S. territories participating. The school winners, including John Molnar, will now take a written test; up to 100 of the top scorers in each state and territory will be eligible to compete in their state Bee April 8.

Twenty seventh and eighth graders competed in the school Bee, which was coordinated by social studies teacher, Barbara Spillane. The National Geographic Society with its co-sponsors will provide an all-expenses-paid trip to Washington, D.C. for state champions and their teacher-escorts to bocce games.

"I like to stay active," Restaino said.

Lou Costantine new head of Board of Realtors

Lou Costantine, owner of Costantine Realty, Nutley, was installed last week as president of the Bloomfield, Glen Ridge, Nutley and Belleville Board of Realtors during the group's annual dinner dance at the Westmount Country Club, West Paterson.

Costantine was licensed and joined the local board as a realtor associate in 1979. In 1982, he opened his own firm, Costantine Realty, located on Franklin Avenue in Nutley.

During the years, Costantine has been very active in board affairs, serving as vice president in 1992 and 1993 and chairing the Membership committee for two years and the

Multiple Listing committee for five years. Other committee assignments have included Professional Standards, Million Dollar Club Review, Grievance, Membership, Merger, Entertainment, Multiple Listing and R-PAC.

A member of the NJAR, he has served on its Multiple Listing committee for the past three years. Costantine is also a director of the Garden State Multiple Listing Service which now covers most of Essex and Union counties and all of Morris County.

Named "Realtor of the Year" in 1991, Costantine lives in Lyndhurst with his wife, Susan and daughter, Suzanne.

LOU COSTANTINE, newly elected president of the Bloomfield, Glen Ridge, Nutley and Belleville Board of Realtors, is sworn into office by Karen Van Horn, second district vice president of the New Jersey Association of Realtors (NJAR).

School Three 'Earth Patrol' acquaints pupils with a planet

School Three, through its Magnet Club program, has established its "Earth Patrol" to help youngsters understand the importance of environmental issues. The "Earth Patrol" was originally planned for students in the middle grades, but youngsters in the primary grades showed acute awareness and enthusiasm for environmental issues. Principal Raffaella Saulino has encouraged all students and faculty members to recycle and respect the environment.

Students have participated in a variety of activities including a trip to the Hackensack Meadowlands Environmental Center where they visited the "Trash Museum," observed animals and birds in their natural habitats and learned how people — especially children — could impact in a positive way on their environment.

The entire student population of School Three enroll in mini-courses; these mini-courses form the basis of the Fine Arts Magnet Program. The "Earth Patrol" is one

of 23 clubs. Saulino explains that the Fine Arts concept allows faculty and students to participate with students from other grades in a cooperative effort.

The "Earth Patrol" and its advisor, Mary Ann Zizza, have worked with public agencies including Public Service Electric and Gas to present information to the school and the home. The PSE&G van was opened to the school and community during the "3rd Annual Fine Arts Expo" so that the children could share information and encourage conservation. The U.S. Department of Conservation, "Greenpeace," Reynolds Aluminum Corp. and the Humane Society have all contributed free materials and information.

The children who participate in the "Earth Patrol" are members of the "Kids in Nature's Defense Clubs," sponsored by the National Humane Society. They receive a monthly newsletter, membership cards, and an activity book which participate in the National Geography Bee national championship on May 24 and 25. The first place winner will receive a \$25,000 college scholarship; the second place winner, a \$15,000 scholarship and the third place winner, a \$10,000 scholarship.

Alex Trebek, host of "Jeopardy," will moderate the national finals, which will be presented by Maryland Public Television as a prime-time special on most Public Broadcasting Service stations May 25. Check local listings.

The National Geographic Socie-

ty developed the National Geography Bee in response to a growing concern about the lack of geographic knowledge among young people in the United States. A 10-country Gallup survey conducted for the Society in 1988 and 1989 found that people in the U.S. ages 18-24 — the youngest group surveyed — knew less about geography than young people in any of the other countries in the survey.

The National Geographic Society, with 9.6 million members, has as its mission the "increase and diffusion of geographic knowledge." In

addition to the National Geography Bee, the Society sponsors a number of other geography education initiatives, including summer geography institutes for teachers, the National Geographic Society Education Foundation, and the Geographic Alliance Network, which is currently working in every state, the District of Columbia and Puerto Rico.

Job placement for seniors

The Older Worker Program at Jewish Vocational has a no-cost job placement program for all Essex County residents over the age of 55 (ages 55-60, some restrictions). The available jobs vary from full and part-time positions requiring minimum skills to highly skilled and professional jobs.

There are also job seeking skills classes to help identify career goals and develop job seeking strategies. Counselors function as "matchmakers" between employers and employees.

If you are an Essex County resident over 55 interested in applying for a job, or an employer interested in listing a job order with JVS, call 674-2415 and ask for the Older Worker Program.

Knights set blood drive

A blood drawing will be held Saturday at the Knights of Columbus Hall, 98 Bridge St., from 10 a.m. to 3 p.m.

The New Jersey Blood Bank will receive the donations. Jim Kistner, Blood Bank chair-

man of the Knights, may be contacted at (201) 450-0948.

The event will be co-sponsored by the Knights of Columbus and the Belleville Policeman's Benevolent Association.

OUR OPINION

Take a very careful look

The optimistic theory that you can improve government in Belleville by changing the form is being put to the test as former Commissioners Joseph Fornarotto and Vincent Frantantoni circulate petitions to put a change back to Commission government on the May ballot.

There is also a move to put a change to Strong Mayor government on the ballot.

For all we know, there may be other forms of government that could be put to the public.

All this only adds to the chaos that currently exists at Town Hall.

The problem is not that the Township Manager is unresponsive to public needs. The problem is that the politicians have made it impossible for the Manager to respond.

The Commission form of government is what left Belleville in a state of decay and lassitude that brought about the demand for responsible government, and the Council-Manager form is just that - provided you let it function the way the Faulkner Act intended it to function.

It was back in 1951 that Mayor Bayard Faulkner of Montclair proposed that mun-

icipalities be given some other choice of government than the Commission form that ruled most of them.

One of those who went around the State of New Jersey to speak in favor of the Faulkner proposal was the Chairman of the New Jersey Young Republicans, a fellow named Frank A. Orechio.

Mr. Orechio subsequently was on the committee that helped draft the Faulkner Act.

The Belleville Times is of the opinion that instead of putting propositions for government change on the ballot, the people should select a Charter Study Commission. Let the Commission be composed of persons elected to it by the public.

Then let the Commission present its findings for public decision.

Furthermore, let it be understood that no member of the Commission, or spouse of that member, be allowed to run for office in any new form of government.

It would be highly unethical for a member of the Charter Study Commission to create it as a platform for his or her own political career.

The Governor-elect visits

It is highly unusual for a Governor of New Jersey to visit Belleville, although Governor Jim Florio made at least two visits in 1992.

On one visit, he signed the Proclamation declaring Belleville to be the Birthplace of The American Industrial Revolution.

On the other occasion, he addressed the Josiah Hornblower Day assemblage, honoring the man who brought the Age of Steam to America.

For Governor-elect Christie Whitman to visit Belleville, days before she is formally inaugurated in office, is a singular honor.

She is keeping a campaign promise that all visiting politicians make when they seek office - that of returning to the town where they are seeking votes - but in the case of

Mrs. Whitman, she is keeping that word.

Belleville can use all the help from Trenton than it can get.

There is fear in Town Hall that the funds provided by the State in the past to meet municipal needs may not be as forthcoming in the future.

Any reduction in state aid will be catastrophic for the Belleville taxpayer.

It has been many years since the Republicans controlled both the Legislature and the Governor's Office.

Mrs. Whitman received a bare majority of the votes cast in Belleville. She will receive a much larger majority in the future, if she fulfills the other promises of her campaign as she is fulfilling this one.

A word to Rudy

The television presence of New York City is so powerful in North Jersey that it is understandable that when many people refer to The Mayor, they are talking about the one on the other side of the Hudson.

Whether we like it or not, we know more about the Mayor of New York City than we do about our own Mayor, Miss Marina Perna.

But the Mayor of New York, whoever he or she may be, is the spokesperson for the urban centers of America. In his day, Fiorello LaGuardia was almost as much a

national figure as Franklin D. Roosevelt.

Ed Koch was even personified in movies - remember the Mayor in "Batman" or in "The Muppets Take New York"?

And our regional economy depends very much on the health of New York City.

So, Rudy, even if we cannot vote in New York, we hope our voice will be heard by you. There will be friendly competition between New York and New Jersey, but in the end, our mutual cooperation is vital to our mutual survival.

Good luck, Rudy. And God Bless.

YOUR OPINION

Scaperrotta's position

To The Editor,
I feel compelled to respond to the amusing and imaginative observations of Mr. Frank Montagna in last week's issue.

By profession, I am an independent public relations consultant specializing in political campaigns and have operated my own company in Belleville for over a year. I have a degree in Political Science from Rutgers University and I have five years of experience working for a State Legislator.

This past summer, I was retained to work in behalf of Kevin Kennedy to produce mailings and develop a strategy for the election of Kevin Kennedy.

I have directed many successful municipal elections. This year alone, my clients were successful in Wayne, Wallington and Bloomfield. I also assisted in several other winning efforts on the state level.

As a political professional, I strongly recommended that the recall election take place on Nov. 2, Election Day. It was then and still is my opinion that

with a large turnout, Councilman Spillane could not be successful. I warned the campaign that with a special election, the effect of campaign literature is greatly diminished because of a very low turnout.

The December election merely duplicated the results of the two previous May elections between Kennedy and Spillane. Mr. Spillane has a past history of not performing well in larger turnouts (i.e., his last Board of Education race), and the anti-incumbent sentiments felt by the average Belleville voter in November would be completely negated in a special election.

Even though the Kennedy campaign team agreed with this analysis, Frank Montagna insisted on a December election. In fact, Mr. Montagna purposely locked the recall petitions in his house, and would not allow them to be filed in time for a November election.

Frank Montagna left the campaign team for one reason only, he was not in charge. Unless Mr. Montagna is in charge, and unless he gets his way all the time, he refuses to be involved. This was most unfortunate because by doing so, Montagna betrayed Kevin Kennedy's friendship.

I know how Kevin Kennedy drove Montagna's wife to work in Bloomfield every morning. I know how Kevin Kennedy paid Montagna's mortgage when he didn't have the money, and I know how on his days off, Kevin Kennedy would drive Montagna around to do his errands.

Every day, Frank Montagna wakes up with a new problem caused by his own actions, and then pesters someone into helping him. Frank Montagna was never refused help by Kevin Kennedy, myself or any other member of the Recall Committee whenever he asked. It is Frank Montagna who does not know the meaning of the word "friend".

In the end, Kevin Kennedy performed as well as he possibly could have, although his efforts were a few votes short. The final analysis also shows that in Ward 3, District 4 (Montagna's district), Kevin Kennedy received more votes than he did in any election where Montagna supported him.

Perhaps this is evidence that local office seekers should stay away from Montagna if they hope to be successful in his neighborhood. If I learned one thing in my work, it's that no one individual wins or loses an election, and very few people have a direct impact on their outcome. If Frank Montagna honestly believes he cost Kennedy the election, then he is only fooling himself.

Suspend Constitution?

To the editor:

What the Volstead Act (Prohibition) did for booze, Bill Clinton's "crime bill" will do for guns. Like the Miranda decision, it will have the criminal lawyers dancing in the streets. Crime can only be halted by effectual prosecution. The following steps would do a great deal to solve the ever-growing problem:

1. Subject juveniles to the same penalties as adults.
2. Stop glorifying crime in the media (serial killers on talk shows, for example).
3. A national death penalty for murder.
4. Remove criminal cases from Supreme Court appeals.
5. Revoke the Miranda decision. Isn't it ridiculous for the victims of crimes to pay (as taxpayers) the salaries of attorneys, misnamed "public defenders," when they are really "criminal defenders?" Who reads the victims their "rights?"
6. Abolish plea bargaining.
7. Abolish the entire parole system, along with endless appeals.
8. Supply juries with rap sheets on all criminal defendants.
9. Give the policeman on the beat more authority.
10. Release and publicize names of juvenile criminals.
11. Execute murderers within 24 hours of conviction.

Of All Things

by
Frank Orechio

• **GOVERNOR-ELECT CHRISTIE WHITMAN** will attend a luncheon today, Thursday, January 6th, at 11:15 AM at Bella Casa Caterers, 2 Academy Street, Belleville, as the special guest of "Belleville Republican Party Organization" Chairman Richard Yanuzzi. The ticket for the event was reasonably priced

Christie Whitman at \$20 with very limited seating. Major Essex County G.O.P. leaders exerted pressure to no avail to keep Christie Whitman from attending the Yanuzzi reception. Senator John Scott was expected to introduce Whitman. Her Essex County Manager, Ralph Salerno, and Nutley's Bob Rignuolo were expected to participate in a salute to Whitman.

Yanuzzi was one of the Primary Election campaign leaders recruited by Whitman's Primary Election Chairman Ralph Salerno to aid Whitman in her campaign to win the nomination. It is also known that Republican Senator John Scott who earned political clout with Whitman because of Primary Election support, personally reached out for Christie Whitman to insure that she would keep her luncheon date with the Yanuzzi group. In the Columbus Day Nutley/Belleville Parade, Whitman marched with the Richard Yanuzzi group.

• **NEWARK'S** North Ward Democrat Steve Aduabato has teamed up with Dick Codey reportedly in opposition to the leadership of Essex County Democrat Chairman Tom Giblin. Freeholder Jim Cavanaugh

was slated to become Chairman of the Freehold Board this week but instead, incumbent Freeholder Sara Bost was re-elected despite the commitment to Cavanaugh. Bost, supported by Aduabato, took the position that this is no time to replace a black woman as leader of the Essex County Board of Freeholders. Essex County G. O. P. Chairman John Renna reportedly sided with Aduabato and Codey.

Speculation among Democrats is that Dick Codey will seek the Democrat Essex County Executive nomination and East Orange Mayor Cardell Cooper will remain as Mayor and seek the Codey senate seat.

• **AT** the New Year's Day Bloomfield reorganization meeting, the selection of a town attorney ended up in a tie vote with Louise Palagano abstaining. The vote was to reappoint the incumbent town attorney Vincent Pirone. The vote was 3-3 with Louise Palagano abstaining. Since the vote was taken, Councilwoman Palagano received a report that Pirone made a very uncomplimentary comment about the Councilwoman who has since decided to vote against Pirone's confirmation.

BOOK MARKS

Giles Wright featured lecturer honoring Dr. Martin Luther King, Jr.

Giles Wright, director of Afro-American Studies, New Jersey Historical Commission, will speak 1 p.m. Jan. 19 in a lecture honoring Dr. Martin Luther King, Jr. The lecture is part of a matching grant, sponsored by the Dr. Martin Luther King, Jr. Commemorative Commission Grant program, honoring Dr. King and entitled, "A Celebration of Dr. Martin Luther King, Jr. and Black History."

In addition to being director of Afro-American Studies for the New Jersey Historical Commission, which promotes an interest in and knowledge of New Jersey Afro-American history, Wright has been a lecturer for the Department of History, Rutgers University, and has taught an introductory course on Afro-American history. He has also been a lecturer and instructor for the Department of Labor Studies, Rutgers University, teaching labor studies courses.

Among his publications are "New Jersey Ethnic Life Series" and "Afro-American in New Jersey: A Short History."

Wright has also served as a consultant to the African-American Labor Center in New York City and as a program officer for the Fund for International Social and Economic Education.

January photographic exhibit

The first solo photographic exhibit by Filipino-born Felino Nebiar will be on exhibit in the Trustees Gallery of the library through Jan. 29. The exhibit, entitled "In the Eyes of the Beholder," features the photographer's 23 images in Type-C prints of his humble beginnings in photography from July 1992 to the present. The images are landscapes, touches of history and unique qualities of New Jersey, New York City, Cozumel and Montreal.

A conscientious photographic hobbyist, who seeks beauty in nature, Felino is self-taught and has read more than 40 books on the subject of photography. He exhibited twice with SINAG, a Filipino-American Photo Club in New York City, and once with the Tri-County Camera Club in New Jersey. He belongs to both clubs.

The exhibit may be viewed during regular library hours, 9 a.m. to 9 p.m. Monday, Tuesday and Thursday; 9 a.m. to 5 p.m. Wednesday, Friday and Saturday. As the gallery is also the library's meeting room, please call ahead to see if the room is free to view the exhibit when coming from a distance. The library's phone number is 450-3434.

Audrey Hepburn Film Series

In memory of the renowned Audrey Hepburn, the Thursday Film Class series in January at 1 p.m. will be devoted to her films. Jan. 6: "Wait Until Dark"; Jan. 13: "Roman Holiday"; Jan. 20: "Breakfast at Tiffany's"; Jan. 27: "Sabrina."

Audrey Hepburn played the happily truant princess in "Roman Holiday" for which she earned an Academy Award. In 1993, she posthumously received the Jean Hersholt Humanitarian Award at the Academy Award ceremonies.

King: Montgomery to Memphis

For the celebration of Dr. Martin Luther King, Jr. and Black History, the library will be showing the film, "King: Montgomery to Memphis." The film, 103 minutes in length, is the most popular film made about the life of Dr. Martin Luther King, Jr. It records the turbulent history of the civil rights movement and follows Dr. King's career through newsreel and television coverage.

The film, which will be shown on Wednesday, Jan. 26 at 1 p.m., is being sponsored by the library and the Martin Luther King, Jr. Commemorative Commission.

AARP free tax assistance at the library

The Belleville Public Library and Information Center will be a site 10 a.m. to 3 p.m. Tuesdays and Wednesdays from Feb. 1 through April 13 for tax preparation for seniors. Because demand for this service increases each year, the library requires registration for an appointment, in person or by calling the library's circulation desk at 450-3434.

Once you have an appointment, gather all forms, records, cancelled checks, and any material needed. BE SURE TO BRING IT ALONG.

If you have received tax forms from the IRS and the State of New Jersey, bring them with you. Finally, do not forget to bring last year's 1992 federal and N.J. tax returns.

Tax counseling for the elderly is sponsored by the American Association of Retired Persons (AARP), in cooperation with the Internal Revenue Service (IRS). Tax-Aide volunteers are trained in cooperation with the IRS and are knowledgeable about federal income taxes as well as state and local taxes.

Letters to the Editor

Banished in Belleville

To the editor:

The athletic director of Belleville High School exercised poor judgment in moving the home matches from Thursday evenings at the high school to Saturday mornings at the middle school. She obviously doesn't realize the pride the young wrestlers have when they show their skills in the same arena as our top 20 high school wrestling team.

The statement, "The high school is for high school students," sends a negative message to these fine young athletes.

Keep pets warm

To the editor:

The Humane Society of the United States would like to warn your readers never to leave their dogs or cats outdoors when the temperature drops dramatically. Very young or old pets should always be kept inside since their bodies can't regulate temperature efficiently.

If you have an outdoor dog, check to make sure its house is weatherproofed. New Jersey residents are required by law to provide proper shelter for their dogs, cats or any other animal in their care. Residents who don't comply with the law could face stiff fines, a possible jail term, or both.

Chemicals such as antifreeze can be fatal to pets. Make sure that all chemicals are out of reach of dogs, cats, and wildlife, and clean up any spills. Also, since some animals like to bask in the warmth of a car's engine, check underneath your car and bang on the hood before you start your engine.

If your pet suffers from frostbite, contact your veterinarian immediately. Allow the pet to warm up slowly, and do not massage the affected area. Take your pet's temperature every 15 minutes while immersing the frostbitten areas in warm water.

If you feed the birds regularly, don't stop during the winter months and make sure they have water as well.

Keep it a happy, healthy holiday season for pets as well as people.

AWAITING THE SHOW - Youngsters at School 5 sat patiently for the opening of the annual Christmas Pageant in the school auditorium.

School Three students contact Bellevilles

Communication and geography have been integrated in School Three. Last year, when Linda Damora's class wanted to write to pen pals, they requested assistance from Raffaella Saulino, principal. The children sent letters out to every town named Belleville in the United States after locating them through research (there are nine). Saulino agreed that this project was

a great motivator for developing communication skills. Students in Belleville, Wisconsin and Belleville, Illinois, responded and the children have been corresponding ever since.

In many ways, the three Bellevilles are very different: Belleville, Illinois, is an urban community of 46,000 people near St. Louis, Missouri; Belleville, Wisconsin, is a

farm community surrounded by pastures and livestock. The students, however, seem to share common interests: sports, pets, TV shows and computer games.

Recently, Belleville, New Jersey, students joined the Wisconsin students in a "Say No to Drugs" campaign. Through their encouragement, Marilyn LoCoco's and Fedela Raimondo's classes

mailed letters and colorful, creative, hand-drawn "Say No To Drugs" posters to all 50 states. When one of the posters is received by a school, that school will then send out 50 letters and posters of their own, returning one to us. The students look forward to receiving the letters and posters from all over the country.

Women career bankers promoted at Provident

Brenda G. Cox, Gail P. Godesky and Donna L. Volante were promoted to the office of assistant vice president of the Provident Savings Bank, according to an announcement from Paul M. Pantozzi, bank president and CEO.

Brenda Cox of Union City, a career banker, worked for the First National Bank of Toms River and the Trust Company of New Jersey prior to joining the Provident as assistant treasurer. She holds an associate degree in finance management from Thomas Edison State College, attended Jersey City State College and is a New Jersey licensed real estate associate, assigned to Provident's Commercial Lending Division.

Gail Godesky of Bayonne joined Provident in 1988 as a member of the Management Potential Team.

She served the bank as an administrative assistant, project manager and assistant secretary of Special Projects, and presently heads the Provident's Academic Loan program. Godesky graduated summa cum laude from St. Peter's College with a bachelor of science in management.

Donna Volante of Bricktown joined Provident as a teller and served the bank in several capacities,

including senior staff auditor, assistant branch manager, assistant secretary and sales administrator prior to her promotion. Volante attended the American Institute of Banking and William Paterson College.

Provident, a member of the FDIC, was founded in 1839. It operates 31 offices in 10 counties throughout New Jersey.

Drama Club presents 'A Christmas Carol'

The students of the Belleville Middle School Drama Club presented "A Christmas Carol" to their fellow students in a holiday assembly.

Under the direction of advisor Eileen Albrecht, student tryouts were held in September. Since then, the students prepared at least twice weekly for the performance.

The cast and crew consisted of Ramiro Perez, Ramon Garcia, Joe Ruffalo, John Molnar, Anjali

Doshi, Odalis Polanco, Lisa Riccardi, Ashutosh Shukla, Bethanie Weinowitz, Jennifer Spano, Kim Taylor, Lauren Rosenfeld, Tiffany Perez, Christina Zuletta, Frank Kohler, Jason Sack, Dana Rasczak, Courtney Dyer, Amanda Price and Eric Ives.

The performance was enjoyed by the students and faculty. The cast is to be commended for their successful play.

First DeWitt parent profits

Michael J. Quigley, III, chairman and CEO of First State Financial Services, holding company of

First DeWitt Savings Bank F.S.B., reported that the institution accelerated its upward earnings trend during fiscal 1993, resulting in the declaration of a quarterly dividend of five cents per share.

Net income for the year was \$2.3 million or \$.72 per common share on a fully diluted basis compared with \$1.0 million or \$.33 per common share for the equivalent 1992 period.

The improvement in core earnings and operating efficiency is clearly evident, Quigley stated.

"Our performance benefited from the combined effects of growth in revenue, reduction in expenses, lower credit costs and a strong spirit of customer-focused teamwork on the part of our personnel. This concludes the eighth consecutive profitable quarter for First State and First DeWitt," he said.

First DeWitt experienced a number of positive changes during 1993. A new branch was opened in Englishtown, filling a financial services void in that community, and the institution applied for and was awarded a new federal charter. First DeWitt's new federal status allows the bank to decrease regulatory costs, increase operating efficiency and complete the comprehensive nature of personal and commercial services offered.

"It gives me pleasure to make this announcement," continued Quigley. "Our board of directors heartily approved the action and voted to pay the dividend effective Jan. 11, 1994, to stockholders of record as of Dec. 28, 1993. This event is both an indication of First DeWitt's skill and strength, as well as an acknowledgment of the efforts of our employees on behalf of the institution and its stockholders."

First DeWitt Savings Bank is based in West Caldwell and services 11 community markets with offices in Essex, Morris, Sussex, Ocean and Monmouth counties.

First Financial Services, Inc. is traded on the NASDAQ market under the symbol "FSFI."

Bowling volunteers

Essex County Executive Thomas J. D'Alessio has announced that Essex County Special Olympics Area 9 will hold a bowling competition on Tuesday, Jan. 25, and Wednesday, Jan. 26, at the Bell Clair Lanes, 691 Bloomfield Ave., Montclair. Competition will begin at 9:30 a.m.

Volunteers will be on hand to assist in score keeping, helping the participants and providing encouragement and support to the athletes. The event is open and the public is encouraged to come out and cheer the athletes on.

Special Olympics is the world's largest program of sports training and competition for mentally handicapped children and adults. Created in 1968 by the Joseph P. Kennedy Jr. Foundation, the organization has grown to involve more than one million participants throughout the nation and in more than 90 countries around the world.

Special Olympics accommodates competitors at all ability levels by assigning them to "competition divisions" based on age and actual performance. Even athletes in the lowest divisions may advance to the International Games.

For more information on Area 9 Special Olympics and the events that they sponsor, contact Colleen Kunz at 228-2210.

Interest rate is variable for credit lines established by March 31, 1994. The interest rate varies monthly on the first business day of each calendar month based on the highest Prime Rate as published in the Wall Street Journal on the last business day of the previous calendar month ("The Wall Street Journal Prime"). For the first twelve months the Annual Percentage Rate is based on the Wall Street Journal Prime minus 1 percentage point. Thereafter the Annual Percentage Rate is based on the Wall Street Journal Prime plus 1 1/2%. There is a 3 1/2% annual rate cap for the first year and a 2% annual rate cap for every year thereafter. Maximum Annual Percentage Rate is 18%. Rates effective as of January 5, 1994. Rates subject to change without notice. Rates quoted are for 1-4 family, owner-occupied primary residences. Condominiums have other restrictions. Not available for cooperatives. \$5,000 minimum Home Owner's Credit Line. Offer available to new Home Owner's Credit Line customers only.

Belleville

SPORTS

BUC SHOTS

By Mike Lambert

We begin this week with news from the Belleville Soccer Association. This past Sunday, the '94 indoor season began for the Belleville Cobras. The Cobras, sponsored by Viola Brother's Hardware, are the Division One team for the BSA. Competing in the United Youth Invitational Indoor Tournament at William Paterson College, the Cobras came away with an impressive 2-1 win over the Wayne Sportsfriends.

The game started out in a defensive mode, as both teams played tentatively. Just before halftime, Wayne scored the games first goal. Belleville regrouped, with **Anthony Rasczyk** moving to the forward position. Rasczyk's speed and determination helped him punch a loose ball into the net, tying the game at one.

Belleville then won the game when **Stan Saja** beat the Wayne goalie with just eight minutes left in regulation time.

Giuseppe Mannella played a solid game for Belleville and barely missed scoring two goals. **Nikolay Castro**, **Christian Castro**, **Mike Corino** and **Marcello Giorlando** all had good scoring opportunities.

Defensively, **Mike Percio** did a solid job in goal while **Diego Paredes**, **Santiago Salme** and **Anthony Vitella** excelled on the backline.

PART 2, '74-75 BOYS' BASKETBALL TEAM

The pre season was now complete and the '74-75 Belleville boys' basketball team prepared for its season opener. The game was played on December 13, 1974 at Belleville High and the opponent was Garfield.

To this day, I still think the performance by **Abdel Anderson** that evening was unbelievable. Abdel, a senior who would go on to earn All American status, dominated like few centers can dominate a game on the high school level.

He scored 36 points, connecting on 16 of 17 shots and going a perfect 4 for 4 at the free throw line. About the only thing Abdel did wrong that night was foul out, but he did so with only three minutes left in regulation time and Belleville well ahead.

A sell out crowd paid Abdel the ultimate tribute, giving him a long standing ovation as he left the floor. Abdel would see and hear many more loud ovations before his career at BHS would be over.

Abdel led the Bellboys to a 68-44 victory that night over the Boilemakers. But he didn't win the game by himself. **Doug Jackson** and **Joe Dunn** played well at forward, **Michael Meagher** performed well at the small forward and two guard spot, **John Megna** and **Bob Tosi** were effective at guard and forward respectively and **Alan Amlano** came off the bench to score some key points.

The Bellboys were 1-0, but the Big 10 schedule was ahead of this team and a key test would be the following Tuesday, with a road game at Irvington.

Back in the mid 1970's, Irvington High School's nick name was the Campers. And December 17, 1974, the Campers were the better team. **Mark Stevens**, a talented point guard, scored 35 points and Irvington wore down the Bellboys in the second half. When it was said and done, the Campers had prevailed 56-45 and Belleville quickly found out that no game in the Big 10 would be easy.

The next game was played on December 19, and the opponent was none other than powerful East Orange High School. The game was played at Belleville High and Belleville head coach **Dan Grasso** knew that this would be the ultimate test of how far his team had advanced.

East Orange was a machine. They were ranked number one in the state, were the defending Essex County tournament and state champs and were, in a word, unbelievable.

The Panthers had two outstanding players in **Cleveland Eugene** and **Mike Booker**. They had a sophomore point guard named **Clyde Bradshaw**, who would later go on to DePaul and have a stellar career. This team had all the tools and Grasso felt that if his team could win, they would have to keep the tempo down. There was no way the Bellboys could win a running game with this team.

East Orange, coached by the legendary **Bob Lester** also had the best cheerleaders in the county, bar none. I still remember the one cheer which they always seemed to use in key stretches of a game. "E.O. gonna blow, your, mind."

And folks, this team would blow your mind. In the third quarter, with Belleville hanging in there, Lester pulled his entire starting team out and replaced them with five new players who could no doubt start for just about any other team in Essex County.

The change in the lineup only wore down the Bellboys more, and when Lester put Mr. Eugene, Mr. Booker and company back in the game, East Orange was in full command. When it was over, the Panthers had won, 80-58, but Grasso's team had garnered a certain amount of respect. The two teams would play later in the season at East Orange, then would hook up one more time in an unexpected matchup in the Essex County tournament.

At 1-2, the Bellboys stayed home to play Kearny and Anderson led the way to victory. The next game, at Bloomfield, would be another key test. The Bengals of '74-75 had a mammoth center named **T.K. Tripucka** and a sophomore forward who didn't start, but had great potential. His name was **Kelly Tripucka**, and most basketball fans know what an impact he made on the high school, collegiate and professional levels down the road.

This game, played a few days after Christmas, was a classic. A sellout crowd watched the Bellboys and Bengals go at each other for 32 minutes. Anderson dominated T.K. Tripucka in the pivot, outscoring him 36 to 15. But Kelly Tripucka came off the bench and played well. Grasso countered Tripucka's scoring with a sophomore of his own, **Ron Krych**.

Playing his first varsity game, Krych did a good job against Tripucka and the game went down to the wire. Tosi made a steal late in regulation and hit a layup that appeared to tie the game. But the official ruled that Tosi traveled and the Bengals ended up winning, 69-67.

The month of December ended with Belleville beating Passaic by 15 points. Anderson and Jackson led the way and Belleville ended the month with a 3-3 record.

January of 1975 would provide some stellar games. We'll continue our look back at that team of 20 seasons ago in next weeks issue.

Cardinale, McNish capture gold

Perna selected tourney MVP

By Joe Piegara

Well children, what did we learn this past week at the 30th Annual Bloomfield Holiday Wrestling Tournament?

Umm, let's see...we learned that John Perna is every bit as good as his press clippings say he is. We learned that **Isaiah Cardinale** has a vision quest, one that is targeted for a state title at year's end.

We learned that **Joe McNish** is going to be a big winner this year, even if he does continue to "win ugly." We learned that **John Spina** is a bonafide varsity wrestler and is not going to be moved from his 130-pound spot in the lineup.

We also learned some things that didn't make us quite so happy. We learned that the first five weight classes are the only ones using takedowns as a part of their repertoire. From 135-pounds on up, everyone is notoriously weak on their feet. Such obvious weaknesses are a death knoll for teams trying to stay in the top 20.

We learned that **Keith Hands**, despite being a wonderfully talented competitor, may be losing his battle to keep the 103-pound slot because of difficulty holding the weight. We learned that the upper weights, with the possible exception of **Tom Haverick**, are not yet ready to carry the load in a top 20 lineup.

All these pros and cons resulted in a second place finish for the Bucs, runner-up to surprising **Caldwell** in a tournament filled with upsets and surprises.

As stated, **Caldwell** won the event with 184 points, BHS was second with 160 and a half, followed by **Passaic Valley** with 154, **Nutley** with 145 and a half, **Bloomfield** with 136, **West Essex** with 95, **Cranford** at 75, and **Montclair** with 74.

Belleville had three winners, one second, two thirds, two fourths, and two fifth place finishers.

The Bucs' first champion was 112-pounder **John Perna**. Our magnificent junior drew a bye in the opening round, then pinned **Cranford's Steve Crosby** at 1:48 to advance to the finals. There, Perna

improved his season's log to 5-0 by scoring an 18-3 technical fall over **Mike Grant** of **Passaic Valley**.

Johnny's impressive wins earned him the tournament's Outstanding Wrestler Award.

Our next champ was 125-pound senior **Isaiah Cardinale**. Using a physical, punishing style of wrestling reminiscent of such past greats as **Mike Iuliano** and **Mondo Nardone**, **Isaiah** breezed through a fairly competitive field. **Cardinale** decked **Mike Sarno** of **Bloomfield** in the opening round in only 1:15. He then decisioned **Caldwell's Bob Garretson** 12-4 in the semis. The final round lasted only 59 seconds for **Nutley's Andy Cifelli** as **Isaiah** ran his record to 6-0 with five pins.

Belleville's final winner was senior 145-pounder **Joe McNish**. Joe's awkward, herky-jerky style is certainly not pretty, but the results are indisputable. A 6-1 victory over **Sal Marra** of P.V. in the opening round was followed by a 5-3 decision over **Cranford's Dan Hudson**. **McNish** won his first holiday tournament title by dominating **Nutley's Anthony Bellucci**, 10-2, in the final round. Like **Cardinale**, **McNish** is now 6-0 on the season to lead the Buc team in victories.

Junior **John Spina** was the Bucs' only second place finisher as he lost in the finals to **Tom Caprio** of **Caldwell**. **Spina** was down by only a point late in the match when he "got caught" and was pinned at 5:28. **Spina** had pinned his way to the finals, first over **Dave Litteri** of **Cranford** in 1:50, then at 3:45 over **Nutley's Marchello Capra**. **John** is now 4-1 for the season.

Finishing third for Belleville were 119-pounder **Luke Cardinale** and 140-pound senior **Mark Bianchini**.

Cardinale, only a sophomore, was clearly the second best wrestler in the division, but drew a bad seed and had to face **John Cuccolo**, the tourney champ in the semifinal round. **Luke** lost a 7-3 decision, but had **Cuccolo** sucking wind in the last minute of the bout. **Cardinale** had scored a 16-2 decision over **Bloomfield's Phil Maiorana** in the opening round, then beat **Anthony**

John Perna, recipient of the Outstanding Wrestler Award at the Bloomfield Wrestling Tournament, poses for a picture with the Belleville coaching staff.

Marinello of **Nutley**, 13-3, in the consolation round.

At 140-pounds, **Mark Bianchini** drew a bye in the opening round, then lost a 5-2 decision to **JoJo**

Miskiewicz of **Bloomfield** in the semis. It was the same old story for **Bianchini** as he lost yet another match to someone who was better on their feet. **Mark** recovered in the consolations to pin **Luke Hannon** of **Cranford** at 3:18. **Bianchini** is now 4-1 for the season.

Fourth place finishers for BHS were 135-pounder **Jorge Hernandez** and 160-pound senior **Aris Cruz**. For both boys it was their worst performance on the mat in almost two years. **Hernandez** is now a disappointing 3-3 on the year, while **Cruz** is now 3-2.

Keith Hands, seeded first, was upset in the first round by **Caldwell's Bill Buckley**. It was obvious the loss was attributable to weight loss more than talent, but that was of little consolation for **Hands**. He eventually finished fifth in the wrestlebacks.

Belleville's final place finisher was 189-pound junior **Tom Haverick**. With a pin in the wrestlebacks over **Caldwell's Scott Ric-**

cadelli, **Haverick** earned a fifth place medal. Somehow, **Tom** had the misfortune of being seeded last in the division after placing third in last year's districts. He lost by a fall in the opening round to champion **Erik Kornacki** of **West Essex**.

Mark Sharon won one bout in the wrestleback before being eliminated, while **Pete Iap** and **Brian Pasterchick** lost both of their respective matches.

BUC NOTES: The complete list of winners in the tourney: 103 - **Bill Buckley**, **Caldwell**; 112 - **John Perna**, **Belleville**; 119 - **John Cuccolo**, **Cranford**; 125 - **Isaiah Cardinale**, **Belleville**; 130 - **Tom Caprio**, **Caldwell**; 135 - **Dan Pena**, **Bloomfield**; 140 - **Jason Caruso**, **Passaic Valley**; 145 - **Joe McNish**, **Belleville**; 152 - **Pete Foster**, **Bloomfield**; 160 - **John Yanuzzelli**, **Nutley**; 171 - **Mike Rosiak**, **Caldwell**; 189 - **Erik Kornacki**, **West Essex**; 275 - **Anthony Casciano**, **Caldwell**.

Wrestler of the Week goes to **Johnny Perna** for his O.W. performance in the tournament... **Isaiah Cardinale** continues to climb on the all-time lists. Now with 64 career wins, he is in 15th place. One more win ties him with **Vinnie DeSimone** for spot no. 14.

Lady Bucs finish third in Tri-County

By Mike Lambert

The Tri County Holiday tournament pretty much lived up to its pre game billing, at least as far as the Lady Bucs were concerned.

Cheryl Marion's team lost in the first round to a good **Plainfield** squad, 45-26, then rebounded to beat **Clifton** 43-39 in the consolation game the next day.

The girls were 3-2 entering last Tuesday's tough game with **Nutley**. Tomorrow, the team plays at **Paramus Catholic**, beginning at 7:30 p.m. Next Tuesday, **Teaneck** comes to town for a 4 p.m. start.

Plainfield is a team that possesses good speed and aggressiveness. Combined, those factors were too

much for a young Lady Buc team that appeared tentative in the early going.

"They got to the ball before we did," **Marion** said. "By that, I mean they were a step quicker and certainly tougher on the boards. While we went after a loose ball, they dived on the ball. They went after a pass, we waited for the pass to come to us. It's something the younger kids have to learn. This game is played for 32 minutes and has to be played with intensity."

Plainfield was never in trouble, leading 14-4 after one quarter and 23-8 at the half. It was 35-16 after three, with the final score a 19 point win, 45-26.

Liz Ramirez was, in essence, the entire offensive team. She scored 22 of Belleville's 26 points. **Marie Acuna** had two and **Deanna Addis** scored two.

The next day, the team battled **Clifton** in the consolation game. **Clifton** had lost in the opening round to a gritty **Kearny** squad and was looking to finish the tourney on an up note.

The game went back and forth, with Belleville taking leads of 11-7 after one frame and 19-12 at the half. **Clifton** narrowed the lead to 27-24 after three before the Lady Bucs took control in the last eight minutes and won by four points, 43-39.

Ramirez was once again dominant. The senior forward tallied 23 points and is averaging over 25

points a game in the first five contests. **Andrea Curran**, who sprained her ankle in the **Plainfield** game, came back to score eight points. **Christie Scassera** tallied five, **Addis** had three and **Acuna** and **Kim Mahoney** scored two each.

The girls will begin the **NNJIL Pacific Division** season in earnest this week. The game with **Nutley** promised to be a difficult test while tomorrow's game at **Paramus Catholic** should provide a good barometer of where the team is headed in 1994.

Veltre, Johansen excel in Salad Bowl

By Mike Lambert

Salad Bowl IV, played in the sub zero wind chill at **Doc Ellis Field** on December 27, 1993, saw **Hibinski's** defeat **Romano's** 49-28. It was the third straight win by **Hibinski's** in this rivalry, which began in 1990.

Salad Bowl is a tackle football game, played without pads, between former **Belleville High School** football players and former **Belleville High** athletes that didn't play varsity football in high school.

The game was first played on December 8, 1990, with **Romano's** (the team with the Buc football players) winning 35-21. Since then, **Hibinski's** has held the upper hand, capturing the '91 game 35-28, the '92 contest 56-42 and winning last week by three touchdowns.

"We look forward to playing the game," said one of the bowls founders, **Rich Romano**. "We take it seriously. It was really tough this year. The ground was frozen and

there were a lot of guys hurting the next day."

Romano led the wounded players. He broke his nose in the second quarter of the game when he ran into an inadvertent elbow. He did not return to the contest, but did stay to see the final half.

This year, **Hibinski's** was led by a member of the '93 Buc football team, **Jason Christy**. The BHS senior threw five touchdown passes, all in the second half. He finished with 217 yards passing.

Kevin Johansen, a 1993 graduate of **Belleville High**, threw for 346 yards and two touchdowns, most in the first half, to help **Hibinski's**.

For **Romano's**, **Rock Constantino** passed for 181 yards, connecting on 10 of 14 passes. **Rob Cetrulo** was 11 for 24, 169 yards and **Dan Constantino** was 5 for 11 and 89 yards.

For **Hibinski's**, **Keith Veltre** had 140 yards receiving, **Mike Nicosia** collected 103 yards in receptions, **Christy** had 100 yards receiving, **Johansen** 95, **Joe Clay** 94 and **Dave Hibinski** 61.

Mike Morgan had 160 yards in receptions, **Cetrulo** finished with 75, **Dan Constantino** 62, **Brian Harvey** 47 and **John Engdahl** 45.

On the ground, **Cetrulo** gained

40 yards on four carries, **Christy** had 16 yards on one carry and **Bill Zigmund** finished with ten yards on one carry.

Hibinski led his team with three touchdowns. **Johansen**, **Nicosia**, **Clay** and **Veltre** scored one TD each.

For **Romano's**, touchdowns were scored by **Morgan**, **Cetrulo**, **Harvey** and **Zigmund**.

Defensively, **Morgan** and **Ni-**

osia had two interceptions each while **Clay** and **Johansen** recorded one interception a piece. **Cetrulo** and **Endahl** each had a quarterback sack.

Herman Gonzalez played a stand-out game at offensive and defensive tackle for **Hibinski's**.

Salad Bowl IV was tied at seven at the half. **Christy** then lit up the scoreboard for **Hibinski's** in the second half, passing for five touchdowns. In the game, **Christy** accounted for 333 total yards.

And now, the anticipation begins for the 1994 **Salad Bowl**, which will probably be played on December 26, at **Doc Ellis Field**.

"Right now, I'm pretty sore," **Romano** said. "But you know that in a few weeks, we'll all start talking about next years game. And I'm sure we'll all be playing next December."

In the meantime, **Hibinski's** has the bragging rights for another year.

RECREATION ROUNDUP

The Belleville Dept. of Recreation and Cultural Affairs is accepting registration for the pre-school play program for 4-year-old children. The program consists of games, stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 9 a.m. to 11 a.m. or 12:45 to 2:45 p.m., five days a week with class limited to a maximum of 23 students in each session. The cost of the 32 week session is \$125. The mothers of the children accepted must participate by serving one duty day about every 8 or 9 days according to a published schedule. School will begin on Monday, September 19, 1994 and will run through May 1995.

Children born between October 1989 and September 1990 who will enter kindergarten in September 1995 are eligible. Participants must be Belleville residents. Since there are just a limited number of openings, applications will be accepted on a first come, first served basis only.

Children must be able to speak and understand English in order to participate. Children enrolled in the morning program can not also be in the afternoon program or vice versa. A \$25. deposit is required to hold your spot in the program.

For further information and enrollment, contact the Belleville Recreation Department at 450-3422 as soon as possible - Monday through Friday 8:30 a.m. to 4 p.m.

Recreation Softball Clinic: The Belleville Recreation Department will again be sponsoring a Girls' Softball Clinic for resident Belleville girls who are students in grades 7-12. This program will be held on Fridays at the Middle School Girls' Gym from 6 to 8 p.m. on the following dates: January 7, 14, 21, 28; February 4, 18; and March 4. The intent of this clinic is to prepare girls who plan to try out for the Suburban Girls' and/or the high school girls' softball teams.

Each session will be supervised and an aspect of the game will be demonstrated and practiced. The

focus will be on throwing, catching, running and pitching (No hitting). This clinic will provide all interested girls with an opportunity to better learn the game of softball. Participants must provide their own gloves and must wear sneakers. No advance registration is required.

Roll fumes as Bucs fall to Clifton, Kearny in Tri-City

By Mike Lambert

Don Roll ran the table of emotions last week. He started out with the enthusiastic pep talk before the first game of the Tri County Holiday tournament. By halftime, it had somewhat deteriorated to "why aren't we beating this team?" By the second day of the tournament, after the Buc basketball team had lost the consolation game, Roll resorted to the quiet tactic, basically questioning his teams desire.

It was that kind of holiday week, as the Bucs lost to Clifton 49-47 in the first round of the tourney, then dropped a 60-49 decision in a very poor showing against Kearny in the consolation game.

The Bucs were 1-4 entering its game with Nutley earlier this week. Tomorrow, the team plays host to Paramus Catholic and next Tuesday, it's off to Teaneck for a 4 p.m. game.

Roll was thoroughly annoyed following the loss to Kearny.

"I told the team that they would have (last) Thursday off. The next practice is (last) Friday at 9 a.m. It's up to them whether they decide to be there, or turn in their uniform. We can't keep playing like that. We're not working as hard as we did before the start of the regular season.

"We practiced hard, and the result was a good win at Bloomfield to start the season. But we haven't been nearly as intense since then, and it has showed in our record."

The game with Clifton was a roller coaster affair, with each team taking a big lead, then falling behind. The Mustangs led 12-9 after one quarter and 20-18 at the break. After a halftime "discussion", the Bucs came out with intensity, scoring the first ten points and taking a 28-20 lead.

Clifton called a time out, and when play resumed, the Mustangs took control, outscoring the Bucs 20-8 for the remainder of the third quarter. Belleville regrouped in the fourth quarter and held a three point lead, 47-44, with 1:25 left in regulation time.

The Mustangs tied it with a three, and after a Buccaneer turnov-

er, Clifton converted a field goal to win by two points.

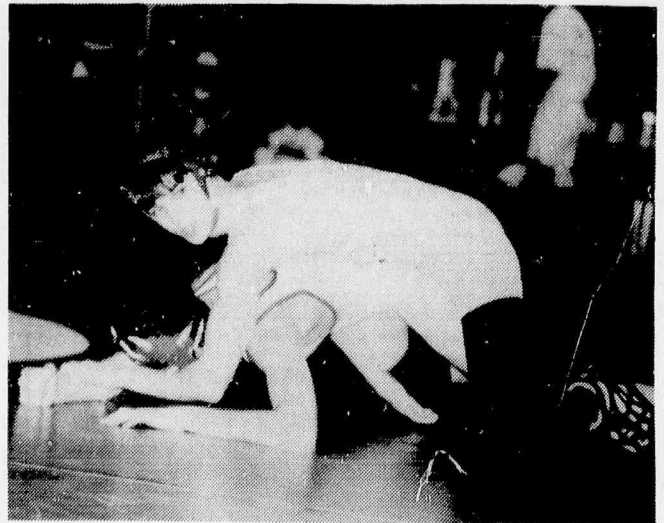

Mike Molina, a junior point guard, led the Bucs with 18 points. Jason Albert scored 13, Tyree Sumter had eight, Frank Means scored six and Michael Loney finished with two points.

The game with Kearny the next day was not a contest that will go in the yearly highlight film. The Bucs played a lackluster game, especially in the second half. Belleville held a 21-19 halftime lead, but were outscored 20-10 in the third and 21-18 in the fourth quarter.

Sumter led the Bucs with 16 points. Molina finished with 15, Albert had 12, Means scored four and Dan Montalvo closed out the scoring with two points.

"Our kids have the ability," Roll said. "But they have to work hard every day. You can't let up. Hopefully, we'll learn something from this."

A WARNING ABOUT ASPIRIN AND PREGNANCY

On the recommendation of its Advisory Review Panel on Over-The-Counter Internal Analgesic and Antirheumatic Drug Products, the FDA now requires a statement warning pregnant women not to take aspirin products during the last trimester without a doctor's advice. This recommendation comes on the heels of a data evaluation that shows that women who take aspirin late in their pregnancies may experience adverse effects on fetal circulation and uterine contractions. As a result, problems could arise during the delivery which may cause harm to the baby. Likewise, a warning now accompanies products which contain ibuprofen, a pain reliever which displays an effect similar to that of aspirin.

If you are concerned about taking an over-the-counter medication you should consult with your physician. If you have questions on whether or not to take one medication with another, or with food, ask our pharmacist at ROSS-MORE PHARMACY, 338 Washington Avenue, 759-1968, 759-1956. Jan. 1-31 is National Volunteer Blood Donor Month, which honors volunteer blood donors and educates the public in donating to prevent January shortages. Hours: 9am-10pm daily, 9am-9pm Sundays.

HINT: Pregnant women and nursing mothers should not take any drug without first consulting with their doctors.

Winners at Westminster

Top Junior Handlers

since it started. The first one was held in 1877.

This year it will take place Feb. 14 and 15 in New York City.

The Westminster

The Westminster Kennel Club Show is the top dog show in the country.

Next to the Kentucky Derby, it is the oldest sporting event that has been held every year

since it started. The first one was held in 1877.

This year it will take place Feb. 14 and 15 in New York City.

Junior showmanship

At most dog shows, the judges look at the dogs and judge them.

The junior showmanship classes are different. The judges look at who is on the other end of the leash. They judge the junior handlers, the kids 10 to 18.

For a junior to win at Westminster is a great honor.

It is outstanding even to qualify to be there. In the year before the show, each junior must have won at least eight first-place junior showmanship ribbons at dog shows approved by the American Kennel Club (AKC).

The AKC is the group that sets the standards for dogs and dog shows.

Junior Showmanship Ribbons

The best junior ribbon is rose and green.

The Mini Page went to the 1993 show to find out more about it for our readers.

While holding the leash and keeping a careful eye on the judge, David Loebs bites off a piece of cooked liver. He will give it to Goldie as a treat. This is called "baiting." Handlers often do this to get a dog's attention so they will look alert.

The youngest winner

At age 13, David Loebs of Amissville, Va., was the youngest junior showmanship winner for 1993. He won fourth place. David won with his dog, Goldie, a miniature Doberman pinscher, or "minpin."

Someday David would like to be a professional handler. Pro handlers are paid to take dogs into show rings or other sporting events.

David "stacks" his dog, or moves her legs so she will have a more pleasing profile.

Stacy Duncan, 17, of Woodinville, Wash., won the Westminster junior showmanship class with an English springer spaniel called "Moo."

Top junior winner

Stacy Duncan took top junior honors. She has been showing dogs since she was 10. Her father is a professional handler.

Stacy runs with Moo in the show ring.

When the dogs are being shown, they must run so judges can study their gait, or how they move. In junior showmanship classes, the judge studies the handler, not the dog. It is important that a handler never get between the judge and the dog.

Rookie Cookie's Recipe Dog Biscuits

Surprise your pooch with a home-baked treat.

You'll need:

- 2 cups whole wheat flour
- 2 cups all-purpose flour
- 3/4 cup cornmeal
- 4 tablespoons vegetable oil
- 2 cups boiling water
- 4 bouillon cubes
- if desired, garlic, crisp bacon strips, bacon drippings or your dog's favorite flavor

What to do:

1. Combine first four ingredients. Mix well.
2. Dissolve bouillon cubes in boiling water.
3. Add bouillon to flour mixture. Mix to make a stiff dough.
4. Roll onto a floured surface. Cut out shapes with cookie cutter or glass.
5. Bake in a preheated, 300-degree oven for 30 minutes.

Behind the Scenes at the Westminster

Bow WOW!

To be a show dog and get to the Westminster Kennel Club Show is AWESOME.

You can't just pack your crate and go. You have to qualify by winning enough points at other dog shows.

Soon, 2,500 top show dogs will be packed in their crates and taken to New York City's big coliseum called Madison Square Garden.

While what goes on in the show rings is important, it's what happens behind the scenes that draws the crowds.

At most dog shows, the dogs go to the show ring, do their thing and leave. They don't hang around.

Not at Westminster. It is one of the few "benched" shows around.

On the day they are to compete, each breed is assigned special benches set up behind the scenes.

Dogs can leave their area only when they are in the ring.

This gives dog fanciers a close look at the top dogs.

Here is some of what The Mini Page saw at last year's show.

Appause... appause for the top dog!

How nice "Robert," an English springer spaniel, looked in the ring when he won Best in Show in 1993. Like all show dogs, he has a fancy full name: Ch. Sallin's Condor. Only dogs with 15 points can put the Ch. (for "Champion") before their name.

This year more than 148 different breeds will show at the Westminster Kennel Show. Can you identify the ones we've pictured here? What might they be thinking?

Dogs in crates

Show dogs are trained to be happy and ride for miles and miles in their crates. They must learn to rest as they travel.

Dogs being groomed

Show dogs must learn to relax while being brushed, bathed and clipped. This can take as long as four hours for some dogs!

Dogs out of crates

Dogs bring along their exhibitors, who proudly sit close by to answer questions.

Next week read about tennis star Arthur Ashe and one of his ideas.

"REALTOR OF THE YEAR"

Lucietta (Lu) Monteleone, Past President of the Bloomfield, Glen Ridge, Nutley, Belleville, Board of Realtors was selected by her Board members as "Realtor of the Year" 1993. This award was presented to her by the N.J. Association of Realtors' President, Eugene Azzalina at the State convention in Atlantic City in December. Each

Lucietta (Lu) Monteleone

year a Realtor is selected by their Board members who has done an exceptional job for the real estate industry and the community. Mrs. Monteleone chaired the #7 School Area Committee in March and convinced the County representatives and the Freeholders that the Geriatrics property on Belleville Avenue was not the place to erect a mental facility because of its proximity to the #10 grammar school.

Mrs. Monteleone is Broker/owner of the Montell Agency, 336 Franklin Ave., Belleville, NJ. She and her staff have serviced the area since 1965. Her office wall displays two other "Realtor of the Year" awards for past services that have won both State and National recognition. She looks forward to a productive year in 1994 in serving her future sellers and purchasers. Stop in and say, "hello", her office is open every day.

Lou Costantine new head of Board of Realtors

Lou Costantine, owner of Costantine Realty, Nutley, was installed last week as president of the Bloomfield, Glen Ridge, Nutley and Belleville Board of Realtors during the group's annual dinner dance at the Westmount Country Club, West Paterson.

Costantine was licensed and joined the local board as a realtor associate in 1979. In 1982, he opened his own firm, Costantine Realty, located on Franklin Avenue in Nutley.

During the years, Costantine has been very active in board affairs, serving as vice president in 1992 and 1993 and chairing the Membership committee for two years and the

Multiple Listing committee for five years. Other committee assignments have included Professional Standards, Million Dollar Club Review, Grievance, Membership, Merger, Entertainment, Multiple Listing and R-PAC.

A member of the NJAR, he has served on its Multiple Listing committee for the past three years. Costantine is also a director of the Garden State Multiple Listing Service which now covers most of Essex and Union counties and all of Morris County.

Named "Realtor of the Year" in 1991, Costantine lives in Lyndhurst with his wife, Susan and daughter, Suzanne.

LOU COSTANTINE, newly elected president of the Bloomfield, Glen Ridge, Nutley and Belleville Board of Realtors, is sworn into office by Karen Van Horn, second district vice president of the New Jersey Association of Realtors (NJAR).

Now's The Time To Replace Drafty Old Windows

New sash replacement kits make it faster and less expensive to replace drafty old windows with modern, energy-efficient, genuine wood windows. ZapPack™ sash replacement kits from Caradco tilt in for easy cleaning.

Replacing old, drafty windows with modern, energy-efficient windows is a great way to feel more comfortable this winter. And now it's faster and easier than ever before.

Recently, window makers have in-

troduced genuine wood sash replacement kits, such as the ZapPack™ sash replacement system from Caradco. ZapPack consist of two wood sash units—that's the part that moves—and a pair of vinyl tracks for

the sash to run in. The sash are the same type of units used in windows for new construction.

Replacing the old, ill-fitting sash makes sense because they are usually the cause of leaks and drafts. ZapPack is precision-manufactured and has full weather stripping, so it seals out drafts and water. When properly installed, sash replacement kits are as weather-tight as a new window of the same type.

Most sash replacement kits can be ordered with energy-efficient insulated glass and with low-E coated glass, which keeps heat out in the summer and holds heat in during the winter.

Sash replacement kits slide right into your existing window opening, so they are simple to install. Since you don't have to tear out the old window frame, there is no risk of damage to adjoining plaster or woodwork.

That means installation is fast. An experienced remodeler usually can replace an entire window in less than an hour from inside the house without removing any woodwork except the stops that hold the sash in place. That keeps installation costs down.

In addition to the warmth and beauty of naturalwood, ZapPack sash replacement kits also offer many of the other options and benefits home owners expect in modern windows, such as tilt-in sash for easy cleaning and a variety of exterior finish options, including maintenance-free aluminum cladding in a choice of colors to complement your home's exterior.

If you have always wished you could replace the drafty, old windows in your home, sash replacement kits might be the solution you've been waiting for. For information about ZapPack sash replacement kits, call Caradco at 800 238 1866. Please ask for extension 9817.

No Funny Cracks About High Winter Heating Bills

Replacing old leaky windows like this can help tame winter heating bills.

When this winter's high heating bills hit home, you may be surprised to know that cold air may be leaking in (or warm air out) through a hole in your wall as large as a medium-size TV screen.

That mysterious hole adds up from all the cracks that may exist around the frames of your old windows. For example, a one-sixteenth inch wide crack around a standard 3-foot by 5-

foot window adds up to 12 square inches (a hole about the size of a brick) for each window. If you have, say 15 such windows in your home, there's your TV-size hole.

Air leakage around the perimeter of windows and doors is known as "infiltration", and it can add a significant spin to your utility meter.

Caulking can help, but if your windows are too old, warped or loose-fitting, replacing them with new, thermally-efficient aluminum windows may be the best answer — and an investment that will soon pay for itself from energy savings.

Most homeowners know that double-glazed or double-pane glass helps save energy, but it's only part of the story. The frames must be tight-fitting to minimize air leakage and must be made to stay tight-fitting over years of

assault by wet weather and excessive heat. That's where aluminum shines! Aluminum is "dimensionally stable", meaning it won't change shape over time by warping, rotting, bending or softening like other materials. Gaps and leaks simply don't have a chance to form. And, aluminum frames with insulating thermal barrier frames minimize heat loss due to conduction.

Tight-fitting aluminum windows and sliding glass doors can help you plug that leak in your walls — and in your wallet.

For more information, write to the Aluminum Extruders Council, 1000 No. Rand Road, #214, Wauconda, IL 60084.
