## Protests fail to get athletic trainer funds

By Richard Dickon

Despite parents' protests and petitions, School Superintendent Michael A. Lally told a packed audience at the June 6th school board meeting that funds are not available for a full-time athletic trainer.

Lally and Karen Fuccello of the athletic department both said they would look for "creative" ways to meet this "glaring need."

Fuccello said she hoped to be able to formulate a plan in July that would allow for an athletic trainer that fit school budget constraints.

Lally said "The 1994-95 school budget contained the financial resources, but with the (\$250,000) cuts, all new staffing positions had to be eliminated. The board supports the inclusion of a full-time trainer's position in the 1995-96 budget," adding that "financial constraints are severe."

A group of parents brought signs calling for a trainer, and several parents said they feared for the safety of their young student athletes.

Board member Ralph Mazzuca said the district is "playing Russian Roulette" any time an athlete takes the field and urged Fuccello to find a trainer "wherever you can possibly find one."

Student government representative Albert Alves read a statement on behalf of students urging the hiring of a trainer.

## Fontoura, Graves Treffinger win; Dem exec too close

The Democratic primary race for Essex County executive was undecided late Tuesday night as incomplete returns were too close for anyone to declare victory.

With 584 of 587 voting districts reporting, only 13 votes separated county Chairman Thomas Giblin and East Orange Mayor Cardell Cooper. Giblin had 22,777 votes to Cooper's 22,764.

Another Democratic candidate, Charles Cohen, was finishing a distant third with 2,575.

The Belleville Municipal Stadium remains in disrepair, with tennis and track facilities unfit for home competitions. The Township Council continues to struggle with a lawsuit and Green Acres funding difficulties that are preventing rapid renovation of the facility.

## Green Acres changes hinder efforts...

## Lawsuit delaying stadium repairs

By Richard Dickon

Plans to renovate and refurbish the Municipal Stadium remained at a standstill after a meeting June 6 between Barbara Lawton of Bruno Associates and Township Mayor and Council failed to resolve an existing lawsuit that prevents the town from applying for Green Acres funding.

High School track and tennis teams have been forced to compete on the road, since the stadium facilities are inadequate, and complaints abound that the poor maintenance of other fields has created poor conditions for competing.

"Belleville is in exactly the same situation as last September," Lawton said, "You have to resolve the problem (the lawsuit) in order to close out the project. Once you do so, you can submit as-built plans and Green Acres will be thrilled to entertain your application."

The Township remains embroiled in litigation involving Neglia Engineers regarding structural problems in a restraining wall that is not up to code. Council and town officials said a settlement offer is on the table, but no action was taken June 6th.

Mayor Marina Perna said the wall ended up costing "in excess of \$300,000," more than the \$100,000 to \$150,000 she said it should have cost.

Councilman Jim Messina blasted the council's inaction, saying "The best deal becomes the worst

deal if we don't act on it."

Lawton also told the governing body that a change in Green Acres funding policy will favor applications for the acquisition of land, and redevelopment plans will be considered only after acquisitions, with money "leftover."

Belleville's status as an urban aid town will help its chances of getting any remaining funding, Lawton said.

Changes in the funding of Green Acres money will also hurt the Township, she said. A \$1 million application previously was allocated as 50 percent grant and 50 percent low-interest loan. Now the money is to come 25 percent grant and 75 percent loan, she said.

Lawton said that for the past several years allocation of the Green Acres funding has taken almost a year, so any funds from an application made by this October would not bring money to the town until possibly October 1995.

Township Attorney Robert Giordano said he advised the council that "filing the lawsuit was not imperative," since the governing body had years to act on such litigation.

Councilmen Thomas Spillane and Bill Cook both said the offer to settle the lawsuit should be considered.

Perna said improvements to the stadium are being completed "in phases," including improving

## Council eyes \$890g cut; surplus use to bring '94 budget to zero increase

By Richard Dickon

The Township Mayor and Council talked June 6 about cutting the Municipal Budget by about \$890,000 and using \$1.5 million in accumulated budget surplus to bring the municipal tax rate to a zero increase.

Township Manager Stephen Cuccio, who proposed the cuts, said some of the cuts may have to be reduced after discussions with department heads.

"These cuts are not firm. We have to be realistic, and make sure these are numbers department heads can live with," Cuccio said.

Already by June 7, the health department reduction of about \$53,000 was being questioned by health department officials, as was the \$250,000 cut made to the fire department.

The fire department, as a result of a restructuring of the department's hierarchy, has to pay half-salary "separation allowances" to four deputy fire chiefs who have chosen to retire rather than accept lower pay and the rank of Battalion Chief. The half salaries will cost more than \$160,000, Cuccio said.

Cuccio said he planned to complete discussions with department heads by June 10. "Then we'll have a better handle on things," he said.

An informal "straw poll" of Council members was taken. Councilman Jim Messina said he

would support using most of the budget surplus to bring the tax rate near a zero increase, but "even zero might not be good enough to please people."

Councilman Thomas Spillane said Board of Education tax increases of about \$245 put residents "in a rough situation. This puts us in a bind, but there is not much alternative."

Spillane said any additional revenue not anticipated should be applied to rebuilding some surplus.

Councilman Nick Cerami said he would prefer "about \$500,000 left in surplus," which would add about 10 tax points, a number the council had considered earlier.

Deputy Mayor Mario Drozd said he was "happy with a zero increase," after earlier opposing the hiring of five firefighters in the fire department budget.

Councilman Bill Cook said he had two concerns in trying for a zero increase. "I'm not stonewalled on zero, I would be amenable to two or three points of increase," he said, "The board of education increase is one concern, and stabilization of taxes for next year is the other."

While Cook said he would not normally favor a zero increase, since residents see only that they pay all their taxes the the town, "We are responsible."

Mayor Marina Perna said "I am

pleased to be able to present a zero increase. People took a large hit on the board of education taxes, and it is good if we can cushion the blow. This is a feather in our cap, and we should use the fruits of our labor to present a zero increase."

Perna thanked Cuccio and the council for helping reduce municipal spending.

Proposed by Cuccio at the June 6 budget work session were a \$250,000 cut in the police department's budget. Cuccio said he could save the money by replacing retiring officers at lower salaries.

The Law Department was to be cut \$30,000, while the Construction Code Department was to have \$20,000 less.

In Utilities, gasoline allotment was to be \$10,000 less, telephone and telegraph expenses were to be trimmed by \$5,000 and street and traffic light funds were to be cut by \$20,000.

Questioned were raised about whether or not the library, which is funded outside the cap, could absorb a \$77,000 reduction, and officials were to look into the budget.

Some council members have expressed worry that the township will lose \$3 million in state Revitalization Aid for distressed cities in 1995, leading to a huge budget deficit.

Multiculturalism was celebrated at St. Peter's School recently, with students dressing up, preparing foods and sharing information about life from around the globe. Older students manned tables representing the foreign land of their choice, and offering facts, food and trinkets from far-off countries.

Firefighters responded to a report of smoke coming from the upstairs window of this home on Holmes Street June 3, containing the fire and avoiding serious damage or injury.

## Delays by council may cancel town hall loans

By Richard Dickon

The Township may lose low-interest, long-term state loans to help fund the restoration of the interior and exterior of Town Hall because they failed to meet state deadlines.

The Township Council thought they had met a June 1 deadline by appointing Comito Associates as the architect to renovate the Town Hall, but Barbara Lawton of Bruno Associates informed the governing body that the state Economic Development Authority (EDA) is considering rescinding the loans to the town.

The council has approved a \$700,000 bonding ordinance for the exterior restoration of the town hall building, parts of which are crumbling, despite protests from a handful of residents about the amount being bonded. A \$500,000 bonding ordinance would renovate

the town hall's interior.

Lawton said the state was considering rescinding the loans "because of inaction."

The council was told by Township Attorney Robert Giordano it had to hire an architect by June 1 to qualify for a state EDA loan.

Township Manager Stephen Cuccio said he planned a conference telephone call among state EDA officials and Lawton on June 8 to try and rectify that the loans will come.

"We only did what we were told we had to do," Cuccio said, "We were told at a meeting that if we hired an architect by June 1st they would not pull the funding."

The architect needed to provide a time frame, including a schedule for when bid specifications could

## Aside From That

By: Howard Klausner

Probably as many people have heard of George Pataki as have heard of Putnam County, New York State.

Mr. Pataki is the obscure State Legislator from Putnam who has been given organization endorsement to have the Republican nomination for Governor. Putnam is the smallest county in New York State, population-wise giving Mr. Pataki probably the smallest voter base of any possible candidate in the state.

We certainly do not want to imply that the New York Republicans have been carried away by the Ed Rollins Syndrome, in this case being paid off by the Democrats to throw the race. But there are far more trees in Putnam County than there are voters.

That is not to say that Old Put, as it is somewhat derisively known by snooty Dutchess County and Westchester neighbors, is a stranger to political power.

It was the Putnam County Democratic organization that first put the name of Franklin D. Roosevelt on any ballot, naming him candidate to the State Assembly in 1912. He won.

It was the venerable weekly newspaper, the Putnam County Courier, that drove the Ku Klux Klan out of the county in 1932 by printing the names of every single member.

But the main power, and the county's main industry, was its own Assemblyman, D. Mallory Stephens, an owl little man who was re-elected so often that he became Chairman of the all-powerful

Ways and Means Committee. As such, he was ex-officio member of every legislative committee and had the power to move - or block - every single piece of legislation that came before the Assembly.

He used this enormous power generously, but he would always listen to reason, becoming known in time as "\$10,000-A-Vote Mallory".

He appointed every game warden in the state, and every race track official, making him the major source of employment in the county. Any contractor seeking to supply some new pavement was welcome to test it out in Putnam County, sometimes at a cost of a million dollars a mile.

Local contractors, of course, got the paving jobs. Grateful suppliers provided him with a driveway two lanes wide to his rather modest home.

He did not maintain a legislative office at Carmel, the bucolic county seat. To visit him, you went to 40 Pine Street in Manhattan. His office door was flanked by two large sign boards. One listed all the committees of which he was a member.

The other listed the corporations of which he was a director - utility companies, coal companies, fuel companies and insurance companies.

Once a week, he would meet with his Democratic counterpart, Alpha Whiton, who gave out all the jobs and contracts in Kent Township, one of the six townships that make up the county, and in a closed

## An Orechio Publication

session, they would discuss the ways of the world.

All this evolved out of a county which had less than 10,000 year-around residents, living amid tens of thousands of acres of forests, lakes and reservoirs.

After some 30 years in office, D. Mallory, as was affectionately known, announced that for reasons of health, he would no longer seek office.

Heirs to his mantle popped up all over the county. It was realized with regret that his successor would not have the patronage powers that D. Mallory had, but all that would come in time.

## Town hall loan in jeopardy

continued from page 1

be put out to bid, Cuccio said. Lawton said she was told June 6 that the state does not have all the information needed, including a full bonding ordinance passed on public hearing for the exterior renovations.

The council has scheduled a public hearing on the amended ordinance for the exterior renovations for June 14.

The loans would cover 30 percent of the costs of the renovations, at 1.5 percent interest over 20 years.

Mayor Marina Perna said town hall must be renovated, with or without EDA money.

"This has to be done to protect and preserve the history of this town, that hall is this town, and that surpasses any economics. We have made that commitment," Perna said "If we can't do it all at once, we will do it in phases."

The mayor said she resents, in general, the funding cuts coming from the state in many areas. "Is the state managing their budget by taking money away from the municipalities?" she asked.

The ordinance appropriates funds to be used to seal and point

the brick and masonry exterior of the building and to install energy efficient windows, structures and appurtenances were necessary.

An second ordinance passed at a public hearing would appropriate

\$500,000 for interior repairs and renovations to the township hall, including the redesign and relocation of offices and electrical, plumbing, heating and air conditioning renovations and upgrades.

School Three students show off their "green thumbs" at the Fourth Annual Fine Arts Expo held May 27. The expo is held each year to showcase the school's designation as a fine arts satellite school.

# Life In Silver Lake

## Silver Lake Poetry; news from Heckel St.

An Ode to Silver Lake...  
By Katherine Bonavita

I was young and had a beau,  
Who lived in a place he loved so,  
It was so full of laughter and dear  
neighbors,  
Who loved each other so.  
I married my beau and we moved  
away.  
Now I'm back - He had to go,

The place he loved so,  
Is Silver Lake.  
I now understand why he loved it  
so,  
It still has a glow from a long time  
ago.  
I'd like to help keep it that way.  
So come on people let's go,  
Let's make Silver Lake glisten and  
glow,  
Even more than it did a long time  
ago.

Marie Strumolo Burke

At our last SLCA meeting I asked all the members to gather some news and be 'cub reporters' for me. When I came home from

work I found this beautiful poem. Heckel Street should be proud that they have a fine 'poet' like Katherine.....

Congratulations to a lovely Silver Laker, Natalie Contaldi of Heckel Street on her upcoming marriage to Tom on June 11th. Wishing you all the luck in the world. By the way, Natalie's father Angelo has not seen his brother in over twenty years, but will be reunited with his brother at the wedding.

Oh boy, I almost forgot again. Happy Belated Birthday to Tom Bowers of Heckel Street. He hit the 'big 47'. A birthday party

was given by his wife Judy at Pico's Tavern and the gang had a blast.

Did anyone notice that almost all my new is from Heckel Street this week? Believe me I am not biased, but Heckel Street keeps feeding me the news. Remember my column is about all of Silver Lake so come on neighbors, send in your 'street news' so that all of you can become famous by being men-

tioned in my column, 'Life in Silver Lake'.....

While on the subject of Heckel Street, let me say hello to one of the prettiest girls I have ever seen in my life. Her name is Daisy Mae Burke, our dog. She is Heckel Street's mascot. Everyone knows and loves her, so Hi Daisy....

REMEMBER, WE LOVE SILVER LAKE

### Lawsuit halts stadium repair

continued from page 1

drainage, sodding the baseball fields and building the restraining wall.

Jim Landon, a local architect, completed detailed plans for renovating the stadium area free of charge. The mayor said his plans were "a wish list of what we'd love the stadium to look like."

The town utilized Green Acres Funds for those renovations in the mid-to-late 1980s, which Perna said included "beautification" of the stadium.

The Green Acres funds ceased when the town instigated litigation about the restraining wall, and now the town must resolve the lawsuit and "trace those funds for drainage, etc.," from the 1980s, Perna said.

The tennis courts are the next phase in renovations, according to Perna, including the addition of one court and the resurfacing of the existing courts. Each phase also adds a few parking spaces for spectators in the area being renovated, she said.

With the change in Green Acres funding from 50/50 loan/grant to 75/20 loan/grant, Perna said using the funds "is really not much dif-

ferent than a bonding ordinance."

The mayor and council discussed possible actions at the June 6 meeting on the stadium area, which includes four tennis courts not being used for competitive games, a track also not being used in competition, three baseball/softball fields, two basketball courts and three paddle tennis courts, according to Lawton.

Deputy Mayor Mario Drozd said 12,000 yards of fill available to the town could be trucked into the football/soccer field to raise the level of the field.

Perna said the stadium was built on a bog, and the tons of fill will take up water that may go down hundreds of feet below the structure.

Messina, who works in the construction field, said the town "needs to be a little creative in construction" and said "inexperience" is why "the tennis courts are still a shambles."

Messina helped build varsity baseball dugouts in 1991, along with current DPW director Charles Cerami and Bruce Morgan of the town's Recreation Advisory Committee.

## OUR OPINION

### Patience wanes as senior housing, stadium, streets, etc. left undone

As a relative newcomer to long-standing, neglected problems such as the lack of senior housing, the deplorable conditions at the Municipal Stadium, and the pothole-ridden streets and damaged curbs, to name but a few, it is impossible to truly empathize with those who have battled seemingly endless bureaucratic red tape and inaction.

In a few short months, however, it has become depressingly clear just how ineffectively these and other problems were and are being dealt with by the Township Council.

For example, the Mayor and Council have been unable to complete the necessary paperwork to allow the Township to sell tax credits for the 70 to 100 proposed senior citizen housing units at the former Geriatric Hospital site at Franklin and Belleville Avenues. Granted, the governing body has secured the land, but may end up paying \$400,000 for the land, after CMMI got eight acres for one dollar to build their cancer research hospital.

They have now selected Catholic

Community Services to handle the administration of the senior housing, another positive move, but have failed to do so in time to qualify for tax credits, which would move the project along much faster.

The maddening lack of activity in fixing the municipal stadium continues to be well documented, while residents show up periodically at council meetings to yell that their streets have not been paved in 20 years.

On July 1st, yet another change will take place, with new at-large council members and a new mayor to take on these old problems. While it may seem naive to hope for better things from the three new council members, there is little alternative, other than a change of address.

With summer here, a notoriously slow season for action by municipal government, hopes falter all the more.

The actions, or more likely, the inactions of the next mayor and council will continue to be reported and critiqued on this page. Here's hoping it's not the same old story, same old song and dance.

### For those of us who never served, D-Day legacy of courage astounds

As a thirtysomething man who has never worn a military uniform or served his country in wartime, the stories and remembrances that have come across my desk in the weeks leading up to last Monday's 50th anniversary of D-Day are hard to fathom, both in the acts of courage and heroism described as well as in the horrors of war's carnage in human terms.

As Belleville resident Tony Ippolito prepares to share toasts, tears and life-defining memories with his comrades of some 50 years ago, homage must be paid, however cliched it may be, to their sacrifices. They, along with all of the 10,000 or so who never came home from the beaches of Normandy or any battle fields throughout the 20th century, are the reason we are all here in 1994.

It is easy to lose sight of the enormity of the importance of these acts of courage. My first memories of war were watching the awful pictures each night from Vietnam while I ate dinner, safe in the confines of my suburban family, but still moved by the suffering of the young men tens of thou-

sands of miles from away, who were protecting my home.

My generation was exposed to anti-war sentiments, and I questioned the logic and morality of fighting in Vietnam, but never the bravery and selflessness of those who chose to serve and not to question.

It is those sacrifices that allowed me to grow up, attend college and make my way in the world, without having to fight. Those battles for freedom had been won for me and my generation by our parents, aunts and uncles, older brothers and sisters, and neighbors before us.

The great gift of freedom is often obscured by the problems of the day, and Belleville certainly possesses more than its share of them. But in these last weeks and always, we must not lose sight of the fact that we are blessed to live in the greatest country history has ever known.

For myself and those of my generation, the hard-fought and hard-won battles of yesterday have left us with a rich legacy and potentially boundless future. These privileges must never be taken for granted.

### Tax break needed now and next year

Mayor Marina Perna has said the Township Council should apply \$1.5 million in budget surplus to this year's tax levy to flatten the tax rate. Other council members are wary of depleting the surplus, fearing that the Township will lose \$3 million in Revitalization Aid next year, leaving a huge budget deficit.

The mayor has said the council can keep spending down by negotiating smaller wage increases in salary contracts with police, fire and town employee unions.

Senior citizens living on fixed incomes are already facing nearly \$250 in new taxes from the school budget restorations and other factors that have increased the school

budget above the \$50 or so of actual increase.

The council owes it to overburdened taxpayers to offer a flat tax rate, if not a decrease, *this year*. The council can negotiate for smaller salary increases for town employees *this year*.

If both of these actions take place *this year*, then taxes can be held down next year, even if an increase becomes necessary because of lost Revitalization Aid.

So the council should stop talking about all the budget problems coming next year, and work *this year* to give residents a tax break and hold down salaries. Then, and only then, let's talk about next year.

## YOUR OPINION

### Let's keep youth on the right road

To the Editor,

It has come to my attention via the Belleville High School that one of the concerns of the school, the town, and the Belleville Police is the current danger and annoyance of the students found walking in the road after leaving the school grounds.

As dangerous as this may be to students and drivers, my concern about the students, the town and the future of those mentioned are more about smoking, drinking and drugs. Not that the "street" walking problem should not be addressed, nor does it mean that the letter received about *this* problem in any way indicates a disconcert for the above mentioned problems.

However, I recently had a conversation with a woman from the Teen Institute of the Garden State (TIGS) program, in which she explained that in this summer program, which teaches drug-prevention skills, students could be involved and then take the information back to the school to be used in the fall semester. She also explained that the school would be required minimum involvement in order for the students to be involved. I was told that the school's reply was that we're not interested because we don't have that kind of problem. I believe that *not* to be true. If they really feel that this is so, then I wonder how Belleville has become the only town that has been able to stay immune.

In regards to giving citations for students walking in the road and causing a danger to society and themselves; I feel that the real concern for danger should be focused more on the above-mentioned problems.

I feel that taking the time to send letters home to parents in regards to students who take steps out of the building and light up a cigarette and then, with their cigarettes in hand and mouth, proceed further down the road to a liquor store or to someone's house to buy drugs, is a far more pertinent reason to send out letters to parents.

Which road are we really worried about them walking on?! Yes, walking *in* the road is dangerous, but not as dangerous as the walk down the road to alcoholism, cancer, drug addiction, unemployment and crime.

There are many potholes that need fixing in our roads to also lessen the dangers to our students and drivers, but the real "holes" that need fixing are the real dangers that we've either become blind to or have given up on. Let's not give up on our future generation alive with just one wrong step. After that, we may not have to worry so much about the road our kids are walking *in*, because we'll know what road they intend to travel *on*, for life...

Kevin and Deborah Bartholf

### A Father's wish for healthy child

To the Editor,

I am a new father. My son, Cameron, was a year old in May and soon I will be celebrating Father's Day. I'm the happiest dad in the world.

Cameron was born healthy and I feel quite fortunate. As a volunteer with the March of Dimes North Jersey Chapter for nearly a decade, and its recently-named chairman, I have visited neo-natal intensive care units, and come in contact with many families and volunteers. Unfortunately, I have on occasion seen the heartache experienced by a family with a baby not born healthy.

The March of Dimes has led the fight against infant mortality and birth defects, and we have won far more battles than we have lost. Because of the work of the March of Dimes, my son was able to get a healthy start in life. This Father's Day, the March of Dimes will focus on the man's role in the health of his pregnant partner and baby. There is increasing evidence that suggests fathers have a larger impact on the health and birth of their unborn babies.

Through two educational campaigns, "Men Have Babies Too: A Guide For Fathers-to-be," and "Dad, It's Your Baby Too," the March of Dimes offers tips to men on positive steps they can take to help their partners have a healthy baby. The brochures are available free of charge by calling 882-0700.

This Father's Day our message is to new fathers and fathers-to-be. A man's contribution to making babies does not begin and end at the moment of conception. A man can have a positive influence on their partners during pregnancy and on the subsequent health of their babies. As a new father, I urge you to call your local chapter and ask for a copy of educational pamphlets. There are also many healthy, helpful tips available that fathers can take to help their partner deliver a healthy baby.

Happy Father's Day,

Matthew Rohsler

Chairman

March of Dimes

North Jersey Chapter

### Of All Things

By Frank Orechio

A feature of the Nutley Sun, Bloomfield Life and Belleville Times

• **THE** Nutley Historical Society, led by president Tracy Scheckel, is aggressively seeking to save the historic Van Riper House located on the ITT property. Scheckel says it is one of our most treasured landmarks and should not be exposed to a wrecking ball. We agree totally with Scheckel and urge action to preserve the historic landmark.

The Nutley Historical Society is planning a New Member Barbecue on June 17th. It's an event that non-members should think about attending.

• **IF** you're in south Florida in the Delray Beach area and you have a problem with your teeth, I hasten to recommend the Riota Brothers, John and Teddy, both of whom migrated from South Orange to Delray Beach, Florida. Their father continues his practice in South Orange. I have had a couple of emergency problems over the last year, and they more than satisfied me.

• **COUNCILWOMAN-ELECT** ANGIE PASERCHIA had quite a victory reception last Thursday night at Belleville's Antonio's Restaurant. Senator John Scott was among the notables who paid homage to a very fine lady. Angie becomes Councilwoman with clout when she is sworn in on July 1st.

• **A MEMORANDUM** from Memorial Sloan-Kettering Cancer Center under the subject of "Recent Advances" is very exciting. The National Cancer Institute and the Gynecology Oncology Group, a national research organization, have chosen Memorial Sloan-Kettering to conduct a pilot study of taxol

administered directly to the peritoneal cavity. According to the MSK people, this is one of the most important studies of this promising new therapy now in progress in the United States.

MSK also has opened a new Prostate Cancer Diagnostic Center, and their researchers have expanded efforts to identify early genetic markers of prostate cancer to evaluate other markers for early detection such as PSA (prostate-specific antigen). Sloan-Kettering Cancer Center has been in the forefront of cancer research for decades.

• **THE** New Jersey Legislative Correspondents' Club which gave up its annual dinner last year because of alleged conflicts of interest has gone back to its annual fun night held last Wednesday. As you would expect, Governor Christie Whiteman was roasted. But she was a good sport and led a finale closing chorus group captivating the audience of 1,500 people that attended.

• **FORMER** chairman and

chief executive of Hoffmann-LaRoche, Irwin Lerner, has recently been appointed first distinguished executive-in-residence at the Graduate School of Management and School of Management at Rutgers Newark campus. Irwin Lerner's experience as chief executive at one of the world's leading pharmaceutical companies eminently qualifies him for this exceptional recognition.

Irwin Lerner

• **Commissioner** Louis A. Cuccinello of Haledon recently nominated Robert C. Rubino of West Caldwell as Chairman of the North Jersey District Water Supply Commission. Rubino was re-elected by unanimous vote. Both Rubino and Cuccinello have been active in the effort to purchase and protect the Sterling Forest Tract in New York, a critical area because it's on the headwaters of the watershed feeding New Jersey's reservoir system.

Louis A. Cuccinello and Robert C. Rubino

## Calendar of Events

**IN THE TRUSTEES GALLERY:** The art of Marcia Miele is currently on exhibition in the Trustees Gallery of the Belleville Public Library and Information Center, 221 Washington Ave. The opening reception will be held on Saturday, June 11, from 1-4 p.m. The exhibition is open during Library hours; however, please call in advance, as the gallery also serves as the Library's Meeting Room, to see that it is open to the public.

**LIBRARY DISPLAYS:** The "Shell Collection" of Allison Haar and "Library Crafts" by Zita McGarry are currently on exhibit at the library during library hours, on the second floor.

**JUNE 9:** The Thursday Film Class Series features "Driving Miss Daisy" at 1 p.m. as part of the Comedy Film Class Series.

**JUNE 10:** The Friday Musical Film Class Series features the film "Grease" with John Travolta and Olivia Newton John at 12:30 p.m.

**JUNE 11:** "Reptile Day" will take place at 10:30 a.m. in the James J. Cozzarelli Jr. Children's Room.

**JUNE 13:** A Wrestling Contest will take place at 3:15 p.m.

**JUNE 14:** The Friends of Belleville Public Library and Information Center present a Fun Auction from noon to 2 p.m. You can stay as long as you wish.

**JUNE 15:** "Celebrate the Heritage of the U.S.A. - Boston," a travel video will be shown as part of the Wednesday travel film class series at the Library.

**JUNE 16:** "Crocodile Dundee" will be shown at 1 p.m. as part of the Thursday Film Class Series.

## Auctioneer Back by Popular Request

Joan Taub, Reference librarian, is back by popular request as auctioneer at the Friends of the Belleville Public Library and Information Center's Fun Auction on Tuesday, June 14, from noon to 2 p.m. Isabel Wittlinger, auctioneer, has requested that all gifts that are donated or gift certificates should be brought to the Main or Shafter Branch libraries from May 31 to June 8, so that they can be properly marked.

Monies raised from the auction have been donated to the Library for the purchase of the bookcases in the Main Lobby, for computer access from home and for the large screen televisions used for numerous programs and for cultural programming. Refreshments will be served at the auction.

## BOOK MARKS

### June Art Exhibit features Marcia Miele

A unique exhibit of printmaking and papermaking techniques are featured in the June Art Exhibit by Marcia Miele, Belleville artist, at eh library, in the Trustees Gallery.

"These mediums are vehicles for expression in color and black and white," Ms. Miele comments about her work. "Line, form, and shape interact to achieve the artist's statement."

A product of the Belleville Public School System, Marcia Miele attended Marietta College, where she received her degree in Art Education at Montclair State University, where she obtained her Master's Degree in Printmaking. Her works have been shown in juried shows throughout the state. Her most recent course of study has been at the National Gallery of Art in Washington D.C.

Presently, she is employed by the Belleville Board of Education, teaching art at the Belleville Middle School.

"My work derives its form from some mysterious innate pleasure. The shapes and color serve as vehicles which speak in visual terms. Spirals and convolutions express the ongoingness of life which is universal. Through the prints and drawings I have designed, I hope to elicit a response from the viewer," Miele stated.

### Friday Musical Film Class Series

If you enjoy the art of musical films, you might enjoy the attending the Friday film class series. The series will continue throughout the spring and summer months and continue in the fall. On June 17, "Let's Make Love", starring Marilyn Monroe, Yves Montand, Tony Randall, and Frankie Vaughn will be shown. On June 24, "Sweeney Todd" starring Angela Lansbury and George Hearn will be shown. For further information, please call Adrea Cohn at 450-3434.

## Library to hold Mini-Booksale

Bring your own books to the beach, to the mountains, to Europe, or wherever you vacation this summer with purchases made at the Belleville Public Library and Information center's Friends and Staff Mini-Booksale, which will be held from Tuesday, June 21 through Friday, June 24, during select hours, because of previously arranged Library programs. Cindy LaRue and Leighan White of the Belleville Public Library and Information Center staff will coordinate the Mini-Booksale for the Friends and the Library. The hours are as follows: Tuesday, June 21, 9 a.m. - 12:30 p.m. & 3:45 p.m. - 8:45 p.m.; Wednesday, June 22, 9 a.m. - 1 p.m. & 3 - 8:45 p.m.; and Friday, June 24, from 9 a.m. - 12:30 p.m. & 3 - 4:45 p.m.

Hardcover books will sell for \$1 and paperbacks will sell for 25 cents. The last day of the sale, there will be special rates; however, if you wish to get a choice selection, come early.

The Library is located at 221 Washington Ave. and the sale will be held in the Trustees Gallery. Please remember to bring paper bags, or shopping bags with you, if you wish to purchase a large selection of books.

For further information, please call Cindy LaRue, Head of Acquisitions, at 450-3434, during the day, or Leighan White, afternoons, at the same number.

## Teachers, students named Math/Science scholars

Two high school teachers and six students have nominated for certificates in the Tandy Technology Scholars program awards.

Charles V. Eccles and Jonathan Cummings of Belleville High School have been nominated for Certificates as Outstanding Math/Science/Computer Science Teacher in School.

Nominees for Top Two Percent Certificates are seniors Bernadette Marie Bini; Sandip Arun Desai;

Christina Kimberly La; Sabrina Anne Sena; Ashlesha Shah and Christopher Michael Tedesco.

The academic top two percent of graduating seniors are eligible to receive certificates recognizing their academic achievement. Each certified school also may nominate an outstanding teacher in mathematics, science or computer science. These teachers receive a certificate of recognition and are eligible to compete for one the 100 \$2,500 cash awards given annually.

## University offers student grants

Teikyo Post University, recognizing the plight of paying for a college education, is establishing Middle Income Family (MIF) grants for prospective students in the Belleville area.

Students who wish to apply for a MIF grant should contact the Office of Admissions by July 1st at 1-800-345-2562 or can write to the admissions office at 800 Country Club Road, Waterbury, CT, 06723-2540.

Teikyo Post enrolls students from 35 foreign countries and across the United States, as part of an international education consortium.

Other scholarships are also offered, and information can be obtained by calling the school.

## Resident gets 10-year honor

Claire Dougherty of Belleville received a service pin for 10 years of employment with New Jersey Institute of Technology.

Dougherty is head clerk in the university's enterprise development center.

## Primary race too close to call

(Continued from Page 1)

county executive, Verona Mayor and Essex County Freeholder James Treffinger easily defeated Frank Marmo and Anthony Montanelli for the GOP nomination. Treffinger had 8,798 votes countywide to Marmo's 994 and Montanelli's 828.

In the only two other county-wide contests, Essex County Sheriff Armando Fontoura won renomination in the Democratic primary with 22,538 votes, defeating Henry Martinez, who had 21,198 votes; Richard Gennaro, with 2,443, and E.T. Gaines, with 2,494.

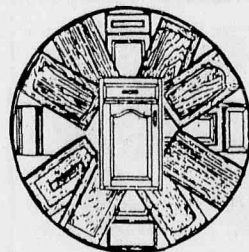

In the contest for the Democratic nod for register, Carole Graves was the winner, garnering 24,774 votes to Nancy Sivilli's 18,379 and Harry Lauer's 2,425.

Rocco Malanga and Marion Crecco were unopposed for the Republican nominations for sheriff and register, respectively.

All results were unofficial as of Tuesday night.

# YOU'RE INVITED TO A GRAND OPENING CELEBRATION Spencer Savings Bank 375 Franklin Avenue, Nutley SATURDAY, JUNE 18th, 9 a.m. - 2 p.m.

## FREE HIDE-A-BAG FOR NEW SAVINGS DEPOSITS

Open a new savings account with \$100 or more, or a new certificate of deposit with \$1,000 or more any time through July 16th and this handy travel bag is yours FREE.

There's a one gift limit per account while supplies last. The qualifying deposit must remain in the account for one year or a charge for the gift will be assessed. Regulations prohibit the transfer of funds from one existing account at Spencer Savings Bank for the purpose of obtaining a gift. The gift is in addition to the interest paid on your account.

## OPEN A NEW CHECKING ACCOUNT GET A FREE HIDE-A-BAG AND A PACKET OF 50 SPECIAL IMPRINTED CHECKS FREE

You can't beat the Spencer Savings Bank NOW Account. Open with just \$100, you'll earn interest on your account, pay no monthly maintenance fee and no per check charge. Should your balance fall below \$100, you'll be charged just \$10 for that month. Easy-to-read statements and all canceled checks are sent to you each month.

## MEET MR. SPENCER... WIN A 19" COLOR TV

For the first week of our celebration as you enter our new office you'll be greeted by Mr. Spencer, our mechanical instant replay machine. You could win a tote bag, a solar calculator, or a mini flashlight, plus you automatically are entered in our sweepstakes to win a 19" color TV. Insert your entry and Mr. Spencer will tell you if you're a winner. Remember, no one's a loser because your entry will be included in our TV sweepstakes in which 5 TV's will be awarded, one each on June 18th, June 25th, July 2nd, July 9th and July 16th at our new office.

One entry per person. Spencer employees, members of their families and Spencer agencies and suppliers are not eligible. Winners need not be present, no deposit is necessary. Winners will be solely responsible for reporting and paying taxes on prizes won wherever applicable. Prizes are non transferable and may not be exchanged.

## MEET THE CLOWNS & THE PURPLE DINOSAUR... GET A FREE BALLOON

As a special treat for the kids, "Boxcar Billy" and his clown friends and the Purple Dinosaur will be on hand from 10 a.m. to 1 p.m. Don't forget to bring the camera. And, as a special treat, helium filled balloons will be given out, while supplies last, to kids of all ages.

## FREE GIFTS FOR EARLY BIRDS - FREE SOUVENIRS

If you're among the first 100 adults on line on Saturday, June 18th, you'll get a FREE New Jersey instant lottery ticket. In addition, every visitor will be given a FREE souvenir while supplies last. It's our way of saying hello to our new neighbors.

## FREE CARICATURES

While you're enjoying the opening day festivities, take a few minutes to have a caricature sketched. Our artist will be available from 9:30 a.m. to 1:30 p.m.

## DIXIELAND MUSIC

As part of our opening day celebration, the "Ragtime Rhythm Rascals" will entertain you with those great sounds of Dixieland from 9:30 a.m. to 1:30 p.m.

# 17th Annual Award Ceremony honors

Captain Leonard Burrell, Chairman of The Police Honor Board, stands proudly with his son Tommy.

Officer Patrick Goldrick, who received the "A" Award, Medal of Honor, stands with his very proud daughter Jade.

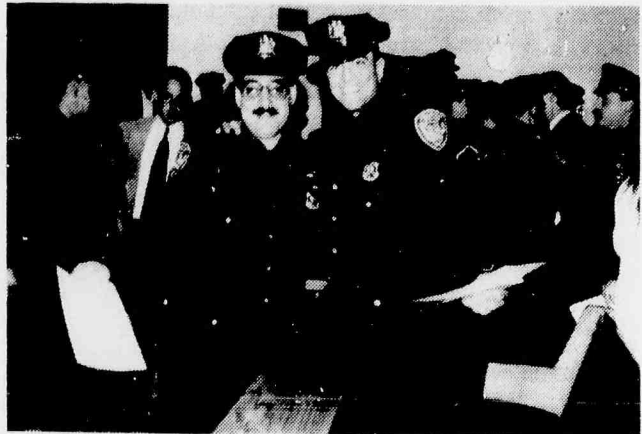

After receiving their awards, (from left) Officer Joseph Trabucco, Detective Michael Giuliano and Officer Gerard Corbo grab a few cups of coffee and a lot of smiles.

Detective Michael Giuliano, a recipient of the "D" Award, Command Citation, is congratulated by his son Mike Giuliano Jr.

Detective Sergeant James DelGrosso waves goodbye with his son Jimmy.

Award-winning Officers Gregory Gianetti (left) and Joseph Trabucco are smiling with pride after the ceremony.

Not all of the honorees that night were police officers- Luigi Fruncillo and Rae Carlucci receive their Civilian Awards from Chief Kimble.

## Best Wishes & More To The Class of '94'!

They worked hard all year long and made the grade. Now let them know how proud you are by publishing a CONGRATULATIONS GREETING!

Mr. and Mrs. Richard M. Smith, Jr.

## Karin Fiore bride of Richard Smith, Jr.

Wedding vows were exchanged in St. Francis Xavier Church, Newark, by Karin Christine Fiore, daughter of Mr. and Mrs. Nicholas Fiore of Nutley, and Richard Michael Smith, Jr., son of Mr. and Mrs. Richard Smith of Newark.

The Rev. Ben Piazza performed the ceremony which was followed by a reception at The Westwood, Garwood.

Escorted by her father, the bride wore an off-the-shoulder gown fashioned with a satin and Alencon lace bodice accented with sequins and pearls, sweetheart neckline, puff sleeves with cabbage roses, and a tulle skirt and train trimmed with lace and sequins.

A crown of pearls and crystals held her veil and she carried white bridal roses with babies breath, lily of the valley and white silk roses.

Jodi Balestrieri of Cedar Grove was her cousin's matron of honor. Bridesmaids included Tracy Rosenberg of Freehold, Denise da Luzi of Nutley, Dara Sacripanti of Iselin and Sheila D'Almeida of Newark.

They were attired in off-the-

shoulder royal blue crepe gowns with tulip skirts and carried mixed bouquets of pink and lavender wild flowers.

Bernie Lalley of Newark served as best man. Ushering were Nick Fiore of Nutley, brother of the bride, Edward Smith of Newark, brother of the groom, John Rodriguez of Newark and Matthew McKeon of Colonia.

Mrs. Fiore chose a tea length cobalt dress with beaded tunic bodice and chiffon skirt, while the groom's mother was in a floor length black skirt with a black and white beaded top. Wristlets were of white roses.

Mrs. Smith, an alumna of Montclair State College, is a probation officer with the County of Essex, Newark.

Mr. Smith also attended Montclair State College. He is a detective with the Essex County Sheriff's Office, Newark.

The couple honeymooned in Aruba after the Sept. 18, 1993 ceremony. They have made their home in Colonia.

# Stork Club

## Daniel Joseph Serafini

A first child, a son, Daniel Joseph, was born to Mr. and Mrs. Joseph Serafini of Belleville May 19 at Clara Maass Medical Center, Belleville. Birth weight was 9 pounds, 5 ounces.

## Belleville Senior News

Both of the Senior Citizen Clubs, the Tuesday and Friday clubs, installed their new officers. Mayor Marina Perna installed the officers of the Tuesday club. They are: President Jerry Sansone; Vice President Anthony Nigro; Past President Joseph Restaino; 2nd Vice President Jean Torremeo; Recording Secretary Dorothy Barbic; Corresponding Secretary Dorothea Behan; Parliamentarian Pat Rotondo; Trustees Josephine Rotondo, Yvette Santoro & Mary Melchione; Treasurer Helen Heisenreddy and Sergeant at Arms Chris Rotonda.

In the Friday club the officers had the honor of being sworn in by the Honorable Judge James Triona who is the son of President James Triona. This must have been a proud moment for both the Judge and President James Triona. Looking on and proud as a peacock was the wife of President Triona and mother of the Judge, Maria. You can be sure that this was a very proud ceremony for the Triona family. The other Friday officers are as follows: Vice President Betty Barr; Recording Secretary Theresa Leonardis; Corresponding Secretary Edith DeFeo; 2nd Vice President Fran Zoppa; Treasurer Ann Kondreck; Parliamentarian Alphonse Vechione; Trustees Josephine Molinaro, Andy Cassese & Elenore Hreska and Sergeant at Arms Joe Dillon.

Welcome back to Alice Chili and Betty Barr.

I see where the pupils from the middle school have come up with a program to help town residents, especially senior citizens, with their springtime chores. They will babysit, mow lawns, clean yards and basements, do shopping and other chores around the house. This is a worthwhile program and should continue all year. There will be a nominal charge and residents can call the middle school at 450-3532.

To Dorothea Behan on her 80th Birthday:

You must have lots of memories  
of moments that were shared

With family and with special friends  
who've shown you how much they cared.

But if you add up all the joy  
each year has brought your way,

It would match the happiness  
you're warmly wished today!

Have a very happy birthday!

Also, Happy Birthday to John Mc Cune.

Met former mayor Mike Mariotti and he is looking very fit and playing some golf.

Also met Gerry Digori Sr., Councilman Gerry Digori Jr.'s father, and we talked about the old days in North Newark.

Tid bit:

We may give without loving, but we cannot love without giving.

## Re: Municipal Stadium Township Citizens are getting very frustrated

For two months, this column has pretty much dedicated itself to the subject of Belleville's Municipal Stadium.

The original purpose of this was to determine why the Belleville High School track and tennis programs had to compete solely on the road because the facilities in our township were inadequate for competition on the varsity level.

That was the original purpose of this, but during weeks of investigation, people have begun to speak about not only the absurdity of the track and tennis programs, but about the entire stadium complex, how the baseball field has continually been neglected, how the sprinkler system annually explodes because proper maintenance has not been administered, etc., etc.

It seems the word maintenance always comes back when discussing the stadium and its upkeep. Not too long ago, the Municipal Stadium had a decent (not great, but more than acceptable running track) and *not one, but two sets of excellent tennis courts.*

We're talking just a decade ago. The original set of tennis courts that are parallel to the stadium were built in the mid 1970's, thus the inauguration of the varsity tennis program in the Spring of 1977. Two years later, new courts were built in the high school parking lot.

By the early 80's, the Belleville tennis program could host varsity and JV matches. The kids could compete at home, parents could watch them play and it was a nice place to visit.

I've discussed the track with you on numerous occasions. To summarize that, track meets were *always* held at Belleville. And, once again, let me repeat that the track was not the perfect place, there were the traditional sand traps, but it was good enough to host varsity track meets during the Big 10 days, the subsequent independent years and the early NNJIL era.

The facilities were not perfect, but they were workable places to compete. Time was placed in maintaining them. Oh sure, we wish the track was a little quicker, and I would guess the tennis players might have wanted a different surface, but in retrospect, at least they had a place to play in back then.

I'm not going to bore you with the same story about what the facilities look like today, because we've been down the road a million times.

What can be done, you might wonder? Well, there is the funding called **Green Acres**. It is paid for by *your tax dollars*, and if applied properly those dollars could be used for the renovation of the stadium and the refurbishing of what used to be a very popular place to enjoy recreation.

Okay, you might say, that's great but doesn't it require a major set of plans from a certified architect? Green Acres isn't just going to give you the money. They want to see a detailed proposal. That would take time and money, right?

Yes, that is correct, but in this case, the *work has already been done*. The one thing I will tell you from my years of living in Belleville is that this is a **major sports township**.

Passion for sports in this area is tremendous. Parents and townspeople will not hesitate in jumping in and trying to make something better, even if it means spending their own money to do so.

Ask for a volunteer and you'll probably get ten. In the fall of 1991, some dedicated people, including Councilmen **Jim Messina** and **Charles Cerami** along with **Bruce Morgan** and others, went out and built the dugouts for the varsity baseball field.

They were built, basically, over a weekend. It was done because some of the people had expertise in doing this and some just wanted to help. There was no fanfare, no "me-me-me" philosophy. It was done because dugouts are a good thing to have on a varsity baseball field.

Another words, people took time out of their busy schedule, devoted some hard work and knowledge and the end result was an improvement to the facility.

Morgan, along with six other people, became involved when the new form of Belleville government convened a council to better the recreation facilities in our township.

They did it because they care, not because of a political agenda.

Another man in town who cared and, wanted to improve the facility was **Jim Landon**, the aforementioned architect who designed a set of plans to renovate the entire stadium.

The plans were brought, in **open meetings and discussion**, to the Township Council on not one, but two different occasions.

"The Council really liked the plans," Morgan said. "On a vote of 6-1, they allocated \$75,000 to begin phase one of the Landon Plan. That was over three years ago."

According to Morgan, those funds were never used and today, they are not in the Township budget.

**Victor Canning**, who was recently elected to the Township Council and will take office on July 1, feels those funds must still be in the budget.

"Everything has a line item," Canning said. "The money can't just disappear."

It is the desire of myself, along with others, to determine how those monies were spent and why they haven't been placed into the needs of the stadium.

Getting back to Green Acres, you'll be interested in learning why our Township cannot apply for funds under this grant. Next week, I'll tell you about the litigation our Township has been a part of for the past few years.

You should know that any litigation will preclude the discussion of funds. You'll be mildly amused at the amount of this litigation and how this issue has just gone on and on and on to the total deterioration of the complex.

And I'll also discuss the last time Belleville did receive Green

(Continued on page 16)

## Piscatowski, Curran lead way, 14-1

# Lady Bucs snap Raider jinx

By Mike Lamberti

Senior pitcher Kim Piscatowski concluded a marvelous high school pitching career in top performance as the Lady Bucs beat Nutley 14-1 last week.

Cheryl Marion's team finished the season at 15-11, the 17th straight year that the softball program has posted a winning mark.

We'll have a complete wrap up of the team in an upcoming issue.

Piscatowski earned her 14th victory of the year against Nutley and 53rd in a four year career. Piscatowski finished one victory short of Dina DeAquino's record for most wins by a Lady Buc pitcher. DeAquino pitched for Belleville from 1981-84.

Belleville started the final week of the season with a 7-3 loss at Immaculate Heart.

In this game, Belleville trailed 1-0 heading into the third. There, the Lady Bucs tied the game when Andrea Curran singled and went to second when Lynn Giachetti reached on an error.

Curran then stole third base and scored on a sacrifice fly by Jackie Cerami.

I.H.A. broke the game open with five runs in the fifth. Belleville countered with solo runs in the sixth and seventh innings.

Curran, a junior third baseman who led the team in hitting this year, collected two hits. Daniele

Brodo had a double to help the Belleville attack.

Against Nutley, Belleville broke a five game losing streak to their arch rivals which dated back to May of 1992.

"It was good to end the year with a win, especially against Nutley," Marion said. "We've lost some tough games to them over the years."

Belleville had the upper hand in this series until a fateful game at Clearmon Field two year years ago. That game, for the Group III, Section II championship, had Belleville leading 3-2 with two outs in the seventh inning.

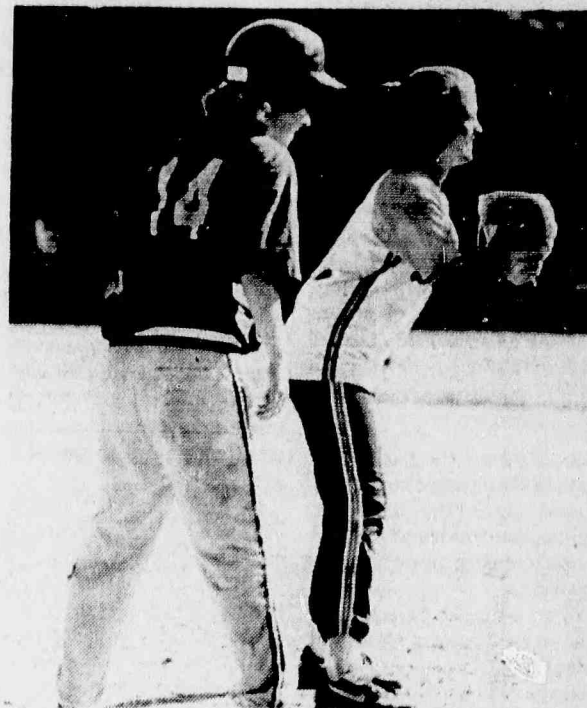

Nutley capitalized on its last scoring opportunity, and scored three times in the seventh to post a stunning 5-3 win.

The victory propelled Nutley to the Group III title and gave the program tremendous momentum. Last year, Nutley won the Essex County championship, beating Belleville 2-1 in the title game.

The Raiderettes, who had lost three times to Belleville in the '92 season prior to the sectional game, beat Belleville three times last season and posted a 7-6 triumph earlier this year.

But this game was all Belleville. "The kids really wanted it," Marion said. "They were ready when they got off the bus."

Belleville scored once in the first, then tallied three in the fourth,

Andrea Curran gets ready for a possible play at third base during season finale at Nutley. A.C. hit close to .500 this season and earned first team NNJIL honors. (Photo by Steve Patchett)

two in the fifth and eight in the seventh to break the game wide open.

Piscatowski (14-11) allowed just one run, in the fifth, and pitched her 25th complete game of the year.

Curran and Cerami had two hits each to lead the Lady Bucs.

The NNJIL has announced its post season awards and, not surprisingly, Curran and Piscatowski earned first team honors.

Giachetti (designated hitter) and senior outfielder Kristin Galloto were named to the second team.

Brodo, a sophomore catcher, was selected Honorable Mention.

## Summer will be busy time at Belleville

By Mike Lamberti

It's hard to believe, but the 1993-94 school year is just about complete.

The final day of school is rather late this year, because of all the snow days we endured from January of March. But the Winter of 1994 is now just a distant memory and while it was safe to say we definitely had winter this year, we are also enjoying a marvelous spring.

With the school year winding down, we thought we would let our readers know of the summer schedule that, hopefully, will be enjoyable reading for everyone.

First off, the school year will not be complete until we complete the wrap ups of the spring sports. Baseball, softball, track, tennis, golf and crew will be reviewed in the next few weeks. (Since graduation is not until June 30 this year, we have a few more weeks than normal to wrap up spring sports).

The Belleville Varsity Club held its annual dinner to honor senior athletes from the winter and spring seasons and we'll have complete photo coverage of that event in an upcoming issue.

Once the high school agenda is

complete, the Summer of 1994 campaign will take center stage.

We'll have weekly coverage of the Belleville Bruins playing in the Essex County Baseball League (ECBL). Actually, coverage of the Bruins began in the June 2 issue and will continue through mid August.

If you haven't been to a Bruins game, try and take the time to see them play this summer. The Bruins play their home games at the varsity baseball field at Belleville High School. They have a number of weekend contests and the games during the week are contested at 6 p.m.

This is an exciting team. Coached by Bill Ingraham and Mike DiBiase, the Bruins are off to a fast start as they look to match, or improve on, last years 25-15 regular season mark, 27-18 counting the playoffs.

The schedule for the team appeared in last weeks issue and is again listed this week. Admission to the games is free and you will see some quality baseball played.

The Bruins top relief pitcher is former major league hurler Paul Mirabella.

Jim Landon, a star catcher for the Belleville High School baseball

team this year, is on the '94 Bruins roster and he should see some playing time.

When Landon isn't playing Bruin ball, you'll see him play American Legion baseball.

Once again, Belleville will field two teams in Legion ball. The Senior Legion team, for players 15-18 is coached by Jim Landon, Sr. while the Junior Legion team, for players 12-15, will be led by Charlie Giachetti.

We'll begin coverage of the legion teams in next weeks issue.

The Belleville boys' basketball team will be competing in league play this summer and we'll have coverage of Don Roll's squad as they begin preparation for the 1994-95 season that begins, officially, in late November.

"Flashback" returns for its 12th summer, space permitting. "Flashback" is a re-print of sports articles from past issues of the Belleville Times, highlighting some of the exciting events in Belleville High School history.

This feature has been met with a lot of nostalgia as former athletes can read, once again, of their heroics from years past. We have gone back to the archives as far as 1941 to relive some key sports

moments in BHS history.

We'll continue coverage of the Recreation activity and, hopefully, will have photo coverage from the Belleville Little League. A few feature stories will also be in store.

**And, don't forget, the subject of Municipal Stadium will be a paramount issue this summer.**

**This is something that will not go away until the tennis and track teams can have home meets.**

July 1 marks a change in Belleville government as three new councilmen/women take the oath of office. It should be an interesting summer as we see what is going to be done about the deteriorating facilities at Municipal Stadium.

Finally, the Belleville football team will have its annual lift-a-thon in June and we'll provide coverage of that event during the summer.

So, we should have some fun this summer. Hope everyone enjoys the summer months. Lord knows, we all deserve it after the monstrous winter that kept us shoveling and freezing for three straight months.

## Baseball team falls to Elizabeth, Nutley

By Mike Lamberti

There was plenty of irony in how the Belleville baseball team ended its 1994 campaign.

The Bucs were eliminated in the state tournament by eventual sectional champ, Elizabeth 6-5, losing for the eighth time this year by one run. The team then lost to Nutley, 8-4 in extra innings. In this game, the Bucs had a 4-0 lead in the fourth inning and led in the seventh with two outs, 4-3.

The two defeats end Belleville's season at 15-12. It's the best performance by a Belleville baseball team in seven years, but head coach Chuck Martin wasn't in

much of a conciliatory mood.

"Eight games by one run," Martin said after talking about the Elizabeth game. "A few key hits, a missed sign on a hit and run, it was the story of our season. We played well, the kids battled hard, but we just missed out on being a dominant team."

"We got off to a real good start (4-0) and I think the kids felt they would always find a way to win. Then we lost a few heartbreakers (to Clifton and Bloomfield) and it was a roller coaster type of year."

The two losses last week were real tough to swallow. Against Elizabeth in the sectional semi finals, Belleville held a 5-3 lead in

the sixth, thanks to a ballistic home run by senior Bob Dona.

Elizabeth chipped away, scoring a run in the last of the sixth, but Belleville's starting pitcher, Dan Brunello, was still in control in the last of the seventh.

Elizabeth had a runner on third with two outs in the seventh and Belleville leading 5-4.

"We were one out away," Martin said, "and the umpire called a balk on Danny. It was a good call and it forced home the tying run. It was a tough break, especially for Dan, who threw a tremendous ball game. He pitched his heart out."

Elizabeth won the game with a run in the eighth, and once again,

the run scored with two outs. This time it came on a equibler hit down the first base line which the batter beat out, allowing the runner on third to score the winning run.

Versus Nutley, the Bucs held a 4-0 lead in the fourth inning. Mike Mundy, the ace of the Buccaneer staff was pitching, so the game looked pretty safe.

But Nutley began a comeback against Mundy, scoring twice in the fifth and once in the sixth. Then, with two outs in the seventh and a runner on second, Nutley tied the game on a double into the gap. The runner on second slid into home,

(Continued on page 16)

## Belleville recreation round-up

### 1994 Playgrounds open:

The Belleville Recreation Department's summer playground program will begin July 5 and will continue through August 12.

The five playground sites are located at School no. 9, the Municipal Stadium, the Recreation House, Clearmont Field, and the Friendly House. The special education playground is set up at the Belleville Little League Field.

The playgrounds will be open daily to all Belleville residents in grades K-9 from 9 a.m. to noon and 1-4 p.m. Playgrounds are closed 12 to 1 p.m. for lunch and when it rains.

An adult director will be on hand at each playground to organize games, parties and other activities and an arts and crafts supervisor will travel from site to site.

Tentatively, tennis lessons, "open swim" and special tournaments are planned throughout the summer. These programs are all pending the hiring of qualified instructors/supervisors.

Applications for all summer program participants must be completed and signed by a parent. Registration forms are available at the Rec House office and at all playgrounds.

There will also be a special event for all children in grades K-8 on July 4 at 10 a.m. at Municipal Stadium.

### Junior Bucs Cheerleading Registration 1994:

The Belleville Recreation Department has announced that applications for the Junior Bucs Cheerleading squads will be available as of May 31, at the Rec Department office at 407 Joralemon Street.

Three Jr. Bucs Cheerleading Squads will be selected, one each for the "A", "B", and "C" traveling football teams. Registration deadline for enrollment is June 24. Birth certificates will be required of all applicants. Girls who will be in grades 3-8 during the 1994-95 school year are eligible. All returnees must re-apply.

For further information, call the Rec Department at 450-3422.

### Pre-School Registration:

The Belleville Department of Recreation and Cultural Affairs is accepting registration for the pre-school play program for 4-year old children. The program consists of games, stories, songs, art, outside play when weather permits, short rest periods, and occasional holiday parties especially designed for pre-school children.

A session is from 9 a.m. to 11 a.m. or 12:45 to 2:45 p.m., five days a week with class limited to a maximum of 23 students in each session. The cost of the 32-week session is \$125. The mothers of the children accepted must participate by serving one duty day about

every eight or nine days according to a published schedule. School will begin on Monday, September 19, 1994, and will run through May, 1995.

Children born between October 1989 and September 1990 who will enter Kindergarten in September 1995 are eligible. Participants must be Belleville residents. Since there are a limited number of openings, applications will be accepted on a first-come, first-served basis only.

Children must be able to speak and understand English in order to participate. Children enrolled in the morning program can not also be enrolled in the afternoon program and vice versa. A \$25 deposit is required to hold your spot in the program.

For further information, contact the Belleville Recreation Department at 450-3422 as soon as possible, Monday - Friday, 8:30 a.m. to 4 p.m.

### Junior Bucs Football Registration 1994:

There will be registration for the Belleville Recreation Department's 1994 "Jr. Bucs" tackle football program at the Rec House, 407 Joralemon Street, now through August 5. Boys who will be 8 years old before September 1 and who will not be 14 before September 1 are eligible.

Those wishing to play tackle football must weigh a minimum of 60 pounds and a maximum of 140 pounds, and no one above 8th grade can play. Players will be broken down into three teams according to specific age/weight requirements as set by the Suburban Twin County Football League.

To register, players must obtain an application from their school or the Recreation Department office. All completed applications with parent approval must be brought to the Rec House by August 5, with two passport size photos of the player and a copy of his birth certificate.

All returning players from last year's team must re-apply. Practices will begin around August 1. Players who choose to participate in tackle football can not also play soccer or touch football in the same season.

### Recreation Soccer & Touch Football Applications:

Applications for the Belleville Recreation 1994 Fall Sports Programs are now available in the schools and at the Recreation Department. Boys and girls ages 7-14 may participate in recreation soccer. Belleville resident children who will be 7 by December 31 and who will be no older than 14 on December 31 1994 are eligible. Nobody above 8th grade can play, and all returning players must re-apply.

Boys ages 8-10 can play touch football. Belleville boys who will be 8 by December 31 and who will be no older than 10 on December 31, 1994 are eligible. All returning players must re-apply.

For both soccer and touch football, all completed applications must be returned to the Rec House, 407 Joralemon Street, with birth certificates. The registration deadline for soccer is August 5, and the deadline for touch football will be August 26. Children are advised not to register for more than one fall sport since soccer, football, and touch football games and practices conflict.

### Tennis Instructor Needed:

The Belleville Recreation Department is presently seeking a young adult to teach tennis lessons three mornings per week during the summer at the Municipal Stadium courts.

Lessons are offered to children ages 8-16 from 9 to 11 a.m. for six weeks, July 6 - August 12. Call 450-3422 for more information or to apply.

### Soccer Coaches Needed:

The Belleville Recreation Department is seeking persons interested in coaching its 7-14 year old soccer league. The league is separated into several divisions according to specific age groups.

The children learn the basics of soccer and all those attending regular practices play in all games. Games are played on Saturday and Sunday afternoons, beginning in late September. All volunteer coaches will be required to attend a certification clinic by the NYSCA before the season begins.

Those interested in coaching may call the Recreation Department at 450-3422 weekdays before 4 p.m.

### Men's Softball Leagues:

Monday "A":  
Printing Techniques 5-3-1  
Park Ave. Chiropractic 3-5-1  
Michael's Roscommon I 5-4

Auriemma Electric 4-2-1  
Veniero Trucking 2-3-1  
Wiggles 1-4

## B.S.A. nears end of season

As spring nears its end, so too does the 1994 spring season of the Belleville Soccer Association.

As some of the teams prepare for the playoffs, the two older teams wind down their regular season. It should be mentioned that both teams, the Division I Cobras and the Division II Vipers faced action during Memorial Day weekend. Both teams were in the Cougar Invitational Tournament and while neither team was able to take a championship, both were competitive.

This past weekend the regular season continued. The Cobras again avenged an earlier loss and beat the Summit Stags, 3-0. This increased their record to 5-3 and assured them of a sixth consecutive season of finishing the year with at least a .500 record.

Against Summit, Belleville played perhaps its best game of the season. Captain Stan Saja led the way, scoring his team-leading sixth and seventh goals of the year. Saja's second goal was set up by a fine pass from Matt Kastner. Victor Guevara finished the scoring, putting in a headball that was chipped to him by Diego Paredes.

Goalkeeper Mike Percio turned away nine shots to record his third shutout of the year. In front of Percio, the defense was paced by Anthony Rasczyk, Anthony Vitella, Frank Toledo, Santiago Salme, and Mike Corino. The midfield led by Giuseppe Mennella, Frank Tafur, Chris Castro, and Nikolay Castro,

played solid the entire game.

Next week, the Cobras wrap up their regular season, playing games on both Saturday and Sunday. On Saturday, Belleville will play the only other team to beat them, the Iselin Phantoms. Game time is set for 2 p.m. at Municipal Stadium.

Meanwhile, the Vipers concluded their season on a positive note. Playing the role of spoiler in the season's final week, Belleville knocked off previously unbeaten Woodbridge.

Woodbridge's loss deprived them of the chance to finish in first place. Belleville concluded their campaign with a record of 5-3-1 for coaches Doug Thatcher and Rich Pollack. Sal Aguiar collected another hat trick (three goals) and finished the season leading the team in goals. Aguiar was assisted on one of his goals by midfielder Danny Bartosiewicz. Reserve goalkeeper Jeff Lahm stepped into the starting role and played tremendously, turning away 15 of a17 shots. Congratulations to all members of the Vipers for a fine season.

In the 5th Division, the Bucs have had a strong season. In their past four games, they have been victorious in two, beating Butler, 10-0, and Wanaque, 1-0. Against Butler, Kyle Dunleavy, Gerard Adams, John McCalvey, and Fazi Tadros scored their first goals of the year. Against Wanaque, Steve Massoud scored the lone goal for Belleville.

## Tennis team wins two

By Mike Lamberti

They've been on the road since Ronald Reagan was President, and, since no one in the current Government plans on doing anything about it, the Belleville tennis team will continue its road show.

Tony Salese's team did a good job in its final week of action, beating Barringer and Paramus Catholic and losing a tough match to league rival Teaneck, 3-2.

The Bucs ended its season with a 4-14 record, but their performance in last week's action gave Salese a lot of optimism.

"They did a real good job," the coach said. "Most importantly, we've shown steady improvement during the season."

The Bucs were shutout in its first match at Teaneck earlier this season. In its return match (of course at Teaneck) Belleville lost a 3-2 decision.

Tomas Wozniak prevailed at first singles, 6-4, 2-6, 7-6 (8-6 in the tie breaker) and Oscar Benavides won in straight sets, 6-1, 7-6 (7-2 in the tie breaker).

Versus Paramus Catholic, Belleville avenged an earlier loss to the Paladins, prevailing 3-2.

Once again, Wozniak was victorious, winning in straight sets,

6-4, 6-2. Benavides rallied after dropping the first set and won in three, 4-6, 7-5, 6-0.

Third singles Tuan Bui, a junior, also needed three sets to prevail. His scores were 6-2, 3-6, 6-4.

The Bucs were in high gear in its season finale, blanking intra conference rival Barringer, 5-0.

Wozniak began the match with a 6-0, 2-0 victory at first singles. Wozniak's opponent retired during the second set.

Benavides prevailed 6-3, 6-2 and Bui won, 6-0, 6-1.

The first doubles team of Martin Skis and Dai Nguyen prevailed 6-0, 6-1 and the second doubles of Lenny Chinchankar and Drew Hore won in straight sets, 6-1, 6-0.

We'll have a complete wrap up of the '94 tennis season in an upcoming issue.

In the meantime, the continuing saga of whether this team will get a home match sometime before Bill Clinton leaves office is of pressing concern.

"We can only hope," Salese, who has been a class act through this entire ordeal, said. "The kids deserve the chance to play at home. I think they would really enjoy it."

Another season is in the books, and the same conditions exist.

## Clara Donini, 87

A Mass for Clara Donini, 87, of Toms River, formerly of Belleville, was offered Monday in Holy Family Church, Nutley, after the funeral from the Biondi Funeral Home, Nutley.

Mrs. Donini died June 2 in the Community Medical Center of

Toms River.

Born in Bloomfield, she lived in Belleville before moving to Toms River 25 years ago.

Surviving are a son, Clement; a daughter, Mary Reciniello; four grandchildren and six great-grandchildren.

## Alberta M. Marino, 75

Mrs. Alberta M. Marino, 75, beloved wife of the late Anthony J. Marino, died Friday, May 27 in Clara Maass Medical Center.

Mrs. Marino was in the Customer Relations Department of Macy's, formerly Bamberger's, in Newark for 25 years, retiring in 1984.

She was a member of the Immaculate Conception Senior Citizens of Newark.

Born in Wilkes-Barre, PA, she lived in Newark for 45 years.

Surviving is a sister, Mrs. Constance Kaska; two daughters, Ms. Maria C. Marino and Mrs. Deborah M. Berendt; and a grandchild, Vanessa M. Berendt.

Services were June 1 in Grace Episcopal Church, Nutley, after the funeral from Zarro Funeral Home, 145 Harrison Street, Bloomfield.

## Henry M. McCann, 82

Henry M. McCann, 82, of Belleville died June 5 in Mountainside Hospital, Glen Ridge.

McCann had been a maintenance man for Kimberly-Clark, Newark, for 28 years before retiring in 1972.

He was a World War II Navy veteran. Born in Chicago, McCann moved to Belleville 50 years ago.

Surviving are his wife, Loretta; a brother, Raymond; and a sister, Ruth Mague.

A mass was offered June 8 in the Holy Family Church, Nutley, followed by a funeral from S.W. Brown & Son Funeral Home, Nutley.

## William Casale, 38

William Casale, 38, died May 31 in St. Vincent's Hospital in New York City.

Casale was an accounts representative for two years with Jad Jewelry Co. in New York.

Born in Kearny, he lived in Belleville for 38 years.

Surviving are his parents, Anthony and Louise Casale; a sister, Mrs. Vicky Alden, and a brother, Caesar.

A service was held June 3 in Holy Family Church, Nutley. The funeral was from the Megaro Memorial Home, Belleville.

## Obituaries

## Ann M. Barbara, 64

Mrs. Ann M. Barbara, 64, of Belleville died June 1 in her home.

A Mass was offered June 4 in Holy Family Church, Nutley. The funeral was from the Biondi Funeral Home of Nutley.

Mrs. Barbara was a sales person for the Children's Department of J.C. Penney Inc. in the Willowbrook Mall in Wayne.

Born in Newark, she moved to Belleville 25 years ago.

Surviving are her husband, Alexander; two daughters, Mrs. Kathleen Spera and Mrs. Marianne Gargiulo; a son, Robert; three sisters, Mrs. Rose Rendezo, Mrs. Marie Baker and Mrs. Doris Blydenburgh; a brother, George Balderose, and four grandchildren.

## Edward Wolfmuller, 93

Edward F. Wolfmuller, 93, died May 16. Born in Newark, he had been living in Belleville for 28 years, after leaving Newark.

He was a Brewer for P. Ballentine & Sons Brewery in Newark for 30 years, retiring 31 years ago.

Wolfmuller is survived by his wife, Emma Miller Wolfmuller; one daughter, Mrs. Ruth Gebhard;

two grandchildren; three great grandchildren and one great, great grandchild.

The funeral was from S.W. Brown & Son Funeral Home, 267 Centre St., Nutley on May 19. Funeral service was at Bethany Lutheran Church in Belleville. Internment was at Glendale Cemetery in Bloomfield.

## Josie Ver Linden, 92

Mrs. Josie Ver Linden, 92, died May 31 in the Clara Maass Medical Center.

She was a seamstress for many years with the International Ladies Garment Worker's Union in Newark, before retiring 25 years

ago. Born in Newark, she moved to Belleville 22 years ago.

A Mass was offered June 3 in St. Mary's Church, Nutley. The funeral was from the Megaro Memorial Home, Belleville.

## Memorial Service held for Newmeyer

A memorial service was held on Saturday, May 28 at St. Joseph's Cemetery, Hackensack in Honor of Bill Newmeyer, Commander of the American Legion Post 105, Washington Ave., Belleville.

Members of the V.F.W. Post 493, Nutley provided the Honor Guard. Also in attendance were members of the American Legion Post 105, Belleville; members of the Special Forces (Green Berets), and members of his family and friends to honor the passing of Bill Newmeyer.

## West Essex pain specialists offering hope to patients

For home health specialists, dealing with the pain of cancer and other serious illnesses is a daily struggle.

Renee Pevour, R.N., M.S., Oncology Clinical Nurse Specialist at West Essex Community Health Services (WECHS), a non-profit home care/hospice agency in Verona, sees education as an important weapon in this struggle.

Pevour lectured on pain assessment and intervention to the Morris County Visiting Nurses Association in May in Morristown.

WECHS officials said Pevour has been instrumental in establishing WECHS as a leader in pain management. She works with the nurses and hospice staff at the agency to deepen their understanding of pain management and improve their ability to threat patients with pain symptoms.

According to Pevour, the first step in dealing effectively with pain involves identification of three pain types: bone, tissue, and nerve. Each type looks different, and can be treated differently. Early and proper assessment of pain types leads to more effective treatment and relief for the patient.

Pevour described the difference between acute and chronic pain, noting that its often difficult to differentiate them.

Acute pain is short-term, often caused by an operation or other procedure, while chronic pain is very long-term, often the result of a protracted illness or condition. Although the two types of pain are quite different, they are difficult to identify because of their effects on the patient.

Patients suffering from chronic pain show few outward signs, having assimilated the discomfort into their lifestyles. These patients often appear depressed, and their complaints of pain sometimes go ignored.

The lecture also dealt with pain intervention by nurses, focusing on what medications can be used to treat different pain types. "With education," Pevour said, "We can help nurses quickly identify pain types and get onto the business of pain relief."

Pevour has taken her message to different groups, including the New Jersey Hospice Organization, where she recently spoke on pain symptom control for hospice patients.

Although her audiences are trained health professionals, Pevour notes, education on pain management is always helpful. "Usually there's information they haven't heard before," she said.

## Woman's Club attends state federation club convention

Five members of the Woman's Club of Belleville recently attended the New Jersey State Federation of Women's Clubs at the Brunswick Hilton. This convention marked 100th birthday of the federation.

Representing the club for the entire week as a reporting delegate was Marie Drake, who also serves as NJSFWC Headquarters Chairperson. Attending the Wednesday evening banquet "100th Anniversary Dinner" was President Barbara Spillane and members Carol Casale, Carol Giuffrida and Pauline Paraboschi.

This centennial convention celebrated the New Jersey Federation's contributions to the General Federation, state, country and world. As part of the commemora-

tion of a book entitled "A Century of Challenge" was published. President Barbara Spillane and Marie Drake are noted on several pages in the book for their contributions as clubwomen.

Also recognized at the convention were members with the longest continued service. The Woman's Club of Belleville submitted the names of Lorena Clark, 76 years and Virginia Streeter, 57 years for the program booklet.

A highlight of the convention was the announcement of the funds raised for the state project, a Resuscitation Critical Response Room at the Children's Hospital. The total amount raised by New Jersey clubwomen was more than \$138,000. Included in this was a

\$500 contribution by the Belleville club.

The members of the club received for their work on various departments. A first place was received in International Affairs and a second place in Arts/Creative Department.

In September the Woman's Club of Belleville will begin their 73rd year in the NJSFWC and as a service organization in Belleville. The club meets at their clubhouse, 51 Rossmore Place, the second Monday of the month from September to June. Perspective members are always welcome. For more information call Membership Chairman Bea Clinton at 759-8770. The club year will convene with a year end dinner on June 9th.

## Pharmacy Footnotes

Vincent Cozzarelli Reg. Ph.

### REALITY CHECK

During the last presidential campaign, then-candidate Clinton was asked by an ordinary citizen if he knew what a gallon of milk cost. To his credit, the candidate had a general idea of one of the expenses that most of us must meet every day. The implication, however, remains clear: Are you so far removed from the everyday reality of the common person that you have lost touch with rising prices? When a professor of pharmacy administration at the University of Missouri-Kansas City School of Pharmacy asked physicians to guess the prices of 25 of the most frequently prescribed medications, the doctors' estimates were up to 70 percent lower than the actual price. In light of this survey, patients are encouraged to work with their pharmacists who know precisely what medications cost.

To help save money, ask your physician to prescribe generically. We have quality generic drugs available for you at ROSSMORE PHARMACY, 338 Washington Avenue (759-1956, 759-1968). Many gift items and greeting cards are available for Father's Day and graduation. These include cameras, Timex watches, and transistor radios. Hours: Daily 9am-10pm, Sundays 9am-9pm.

**HINT:** The physicians in the above-mentioned survey estimated that birth control pills cost \$10 per month, when they actually average \$24 per month.

## Bucs finish yr.15-12

(Continued from page 13)

just beating the throw from centerfielder Anthony Pace.

"Anthony made a good throw, it was a close play at the plate," Martin said.

With the game tied at four, Belleville threatened in the last of the seventh, loading the bases with two outs.

"We had our best hitter, (Brian Dena) at the plate," Martin said. "It was the situation we wanted."

Dena hit a shot that seemed destined for the outfield and a sure game winner. But the Raider shortstop made a beautiful play on the ball, diving to his right, fielding the ball and throwing to second for the force out.

Nutley won the game with four runs in the ninth and, once again, the runs scored after there were two outs.

Buc pitcher Mike Mundy throws a pitch against the Raiders in the season finale at Belleville.

## Stallions advance to championship

This past Sunday, the N.J. Stallions blanked the Polish Americans, 2-0.

The game was played under sunny skies but windy conditions. The teams tested each other for the whole first half of the game, with the Stallions having the best opportunity of scoring. Still, the game remained scoreless.

In the second half, the Stallions looked very fresh, determined, and dictated the tempo of the game. The first goal was scored in the 58th minute of the game when Jean Francis took a loose ball in the midfield and went through the

Mundy had two hits to pace the Belleville attack. He pitched the first seven innings and did not figure in the decision.

The news was not all bad for the Bucs last week. Three players earned first team, NNJIL Pacific Division Honors. Mundy, Bob Dena and Brian Dean were selected first team while sophomore Carl Piscatowski made the second team. Jim Landon was selected Honorable Mention.

"It's a compliment to our team to have three guys make the first team," Martin said. "We had the most players on the first team. Carl did a real good job in making the second team as a sophomore. I was happy Jimmy made the team, too. He worked hard."

We'll have a complete wrap up in an upcoming issue on the 1994 baseball season.

## Rec softball reaches midway point

The Belleville Recreation Girls' Softball program is at its midway point. The program is broken down into three leagues where the girls are experiencing a very high level of competition.

In the Pee Wee League, for girls 8-9 years old, the Aces are currently in first place. The Aces boast a 4-0 record and are led both offensively and defensively by Gianna Immersi, Shareen Medina, Lucia Trumble, and Melissa Amorosi.

The Aces are followed closely by both the Bombers and the Expos who each sport 3-2 records. The Bombers are led by Danielle Spera, Megan Talbot, Stephanie Brodo, and Adrienne Price, while Christina Barbosa is the hot batter for the Expos.

The Clippers depend on Jackie Velardi, Nicole D'Adamo, and Alicia DeMedici and they could very well be the spoiler team in that division. Both the Tigers and the Astros have very young rosters and hope to keep improving behind the leadership of Melissa Gabriele, Natalie Ottaino (Tigers) and Amy Mundorff and Krystal Sanhudo (Astros).

The Pigtail League is led by the returning champion Royals where newcomer Jolene Rocco has the hot bat. Christina Kirwin has proved to be a dominating pitcher in the league and is helped both defensively and offensively by Colleen Spano, Gianna Lopreato, and Cherie Cuzzi. The Giants also have an outstanding pitcher in Christine Varacallo and she is helped by teammates Nicole Mullen and Nicole Andreola. The Mets look to Tiffany Bolivar for leadership as well as Andrienne Butler, Andrea De Santis, and Alicia Sant'Angelo.

Both the Reds and Cubs are fairly young teams but are looking to make a move behind Angie Cavallo, Christina Elkins, and Danielle Green (Reds) and Meghan Branca, Katie Dunn and Gena Gamaro (Cubs).

The Angels are on a two-game winning streak behind Kristin Wilson, Jennifer Roberts, Lauren DeMaio, and Jodi Mozeika. The Yanks are looking for their leadership from Shauna McGowan, who can be dominating on the mound

and the Pedicini sisters (Melissa and Jennifer) can get the offense going.

The Pirates are still looking for their first win, but they are a very young team and Dana Jusino, Jackie Larcara and Elisa Linfante tighten up the offense on the left side of the field.

The Junior League is in the midst of a hot contest between BASE and Camara Chiropractic, who both sport 4-0 records. BASE is led by Dawn Mullen on the mound and Mary Ann Bravette, Lauren Rosenfeld, and Angie Fernandez spark the offense. Camara is a very talented team with Nicole Russell and Dara Bocchino both able to throw heat from the mound. Gina Sant'Angelo, Vince Donatiello and Solange Martin all contribute to the offense.

Pathmark is a very young team led by Christine Wengryn on the mound and a very solid defense led by Danielle Smeraldo, Christine DeMaio, and Anabel Rodriguez. Stefaneli Chiropractic is led by Nicole Branca, Jennifer Wolfe, and Jen Stone is starting to pound away with the bat.

School Craft Studios is led by veterans Alexis Lepore, Nicole Timpanaro, and Jennifer Carnevale, but their young, determined players like Dana Lopreato, Jessica Touw and Rachel Corus are starting to play like veterans. Kentucky Fried Chicken is also a young team and is led by Jessica Palumbo, Stephanie Curran and India Bowers.

Neither Megaro Memorial nor Philmore Associates has won a game yet, but both teams continue to improve their talented young players. Suzanne sanPhilip, Tiffany Cubellis, and Brandie Tortorelli look to take leadership of Megaro, while Jessica Giordano, Kristin Trainor, and Dana Del Rosso look to help veterans Johnna Giordano and Lauren Dodd.

All divisions look forward to the upcoming playoffs and tournament play.

(Continued from page 13)

Acres funding (that's part of the current litigation) and where those monies were applied.

It's just a continuing story that is sure to make our taxpayers even more annoyed with the way the government in our Township works.

I also have a source that has given me some very interesting information about the continued do-nothing philosophy that has been running rampant in these parts.

And, finally, in the next few weeks, there will be an interview with a Green Acres representative in Trenton, discussing further, how the area could have been properly re-done and how the Landon plan could easily have been a part of that refurbishing.

Oh, and one more thing.

**THE BELLEVILLE GIRLS' VARSITY TENNIS TEAM IS SET TO OPEN THE 1994 SEASON IN JUST THREE SHORT MONTHS.**

**ARE THEY GOING TO BE ON THE ROAD AGAIN NEXT FALL?**

Be assured that if our athletes continue to get the short end of the stick on this issue, more questions and issues will be focussed on to find out why no one seems to care.

## Sound Bites

"L.T. plays golf like a line-backer. He tries to kill everything in his way. He must have dropped 10 squirrels when we were out here last year." - Lee Trevino, on Lawrence Taylor's golf game.

"Philadelphia fans would boo funerals, an Easter egg hunt, a parade of armless war vets, and the Liberty Bell." - Bo Belinsky, Phillies pitcher.

"A critic once characterized baseball as six minutes of action crammed into two and one-half hours." - Ray Fitzgerald, sports-writer.

"Anybody can win, unless there happens to be a second entry." - George Ade.

## Caruso named All-IAC

Belleville's Art Caruso, a junior second baseman at New Jersey Institute of Technology, was named to the All-Independent Athletic Conference baseball team.

Caruso was second on the team in batting (.341), tied for the lead in hits (31), and was the team leader in stolen bases (15).

## Lift-a-thon set for Saturday

By Mike Lamberti

It's early June, the weather is warming up and the thoughts of a nice summer fill most of our minds.

So, with the stage set, what better topic to discuss than football?

Buccaneer football coach John Senesky announced that the 13th annual lift-a-thon will be held this Saturday, between the hours of 9:30 a.m. and 11:30 a.m. at the Belleville High School weight room.

"It's an opportunity to get the kids together before the start of the summer and to get a united effort in

anticipation of our season," Senesky said.

The lift-a-thon will have the usual format. Prospective players will obtain pledges for the total amount of weight they lift.

The players will bench press three repetitions. Those interested in sponsoring a player can pledge as little as a penny a pound for each pound lifted.

Funds earned in the lift-a-thon will be used for the Belleville Football Scholarship Fund, along with obtaining team apparel.

"We have a large senior class coming up this fall," Senesky said. "Last year, we only had 11 seniors. This year, it could be 18 to 20, depending on who comes out. The numbers are increasing in the program as a whole, and that's encouraging, especially when it comes to building depth."

The schedule was also announced, and once again, it will be interesting.

The Bucs open the season at home on September 23, facing Teaneck in a 7 p.m. kickoff. On September 30, the team will renew an old rivalry when it travels to Clifton for a 7 p.m. game. The Bucs and Mustangs last met in 1987 and Belleville hasn't played at Clifton since the 1986 team posted a 26-6 victory. Belleville has never lost at Clifton during the Senesky era.

The schedule is somewhat crazy this year. After the opener against Teaneck, the team plays its next four games on the road. There's Clifton, then St. Joe's on October 8 at 1 p.m., Paramus Catholic on October 15 at 1 p.m. and a 1:30 p.m. contest at Mendham on October 22. This will be the first meeting between Belleville and Mendham in varsity football.

On October 28, the team finally returns home, facing Don Bosco at 7 p.m. The road show then continues on November 5, with a 2 p.m. contest against powerful Hackensack.

The final two games are home, against Paramus on November 12 at 1 p.m. and Nutley, on Thanksgiving Day, November 24, at 11 a.m.

"It's a tough schedule," Senesky said. "Mendham is the Iron Hills team we play for our out-of-conference game and they went all the way to the state finals last year."

"The teams in our league will be strong and Clifton will present a tough challenge. But our kids will be looking forward to that challenge and there's a long summer ahead to get ready."

## H&R Block offers five week income tax course

Learn the most commonly encountered items on personal income tax returns. H&R Block is offering an income tax preparation course beginning Monday, June 13th. Morning, evening and Saturday classes are available.

In five weeks, you can learn the most commonly encountered items on personal tax returns from the world's largest income tax preparation service, H&R Block. Learn tax law theory and application from Block's experienced instructors. Classroom discussion and practice problems provide you with a thorough understanding of each tax topic included.

Learn how to save money on your own income tax situation and prepare yourself for a career. You can do both for a small fee. Textbooks and supplies are included. Graduates receive certificates of achievement and continuing education units (CEU's). Qualified graduates of the course may be offered job interviews with H&R Block but are under no obligation to accept employment.

For more information and free catalog, Call 1-800-TAX-2000 or visit the H&R Block office located at 345 Clifton Ave., Clifton, NJ 07011. Office hours are 9am to 5pm Monday-Friday.

## "Essex Digest" reviews art center plans

The New Jersey Performing Arts Center, now under construction in the heart of Newark, is the focus of the June edition of the "Essex Digest," the television show produced by the Essex County Department of Planning and Development.

The massive arts development project, which will rival New York City's Lincoln Center, is destined to dramatically change forever not only the city's downtown skyline but also the nightlife habits and daytime activities of Newark and Essex County residents, planners say.

Speaking with program host Rich Leonard, NJPAC vice president M. John Richard said, "The arts and entertainment complex will include a 2,700 seat multi-purpose hall, a 500-seat studio theater and a 2,400-seat concert hall which will be built on a 12-acre site between Military Park and the Passaic River. Our master plan also calls for the creation of an arts center commercial district, new residential development and a waterfront marketplace."

"Richard pointed out that the Essex County business community and others have demonstrated a 'tremendous deal of confidence' in the arts complex."

"We are more than two-thirds of the way towards our Phase One development goal of \$150 million. Forty-four of the area's leading corporations have already pledged \$100,000 gifts to our success," Richard said.

NJPAC is scheduled to open its doors with the beginning of the 1996-97 season. It is estimated that NJPAC will attract and annual audience of 650,000 patrons.

Pamela Fischer, vice president of the New Jersey Automobile Club, is also featured on "Essex Digest". The association, which is the world's largest federation of motorists and is a not-for-profit service organization, provides members with a wide variety of travel, safety and towing services.

"Essex Digest" airs every Sunday at 3:30 p.m. on Suburban Cablevision, every Wednesday at 9:30 p.m. on Cablevision of Newark and every Thursday at 6:30 p.m. and every Sunday at 10:30 a.m. on Orechio Broadcasting.

## A Hot Author for Summer Reading

# Whooooo's R.L. Stine?

Many kids already know. In fact, his readers have made him one of the top-selling authors in the country.

In March, he appeared at a book signing in his hometown of Columbus, Ohio. More than 1,000 kids showed up. He signed books for five hours!

"I caused my first traffic jam," the surprised author told us.

### Getting started

Bob Stine (nobody calls him R.L.) knew he wanted to be a writer at age 9. He has always written for kids, ever since he graduated from Ohio State University and headed for New York.

"I have never written one word for adults," he told us.

At one time, he wrote and edited a kids' humor magazine.

"I bet you can write funny children's books," a book editor told him. He started writing in the 1970s under the name of Jovial Bob Stine.

### Scary books

To date, R.L. Stine has written more than 200 books. His big hits, though, are not his funny books, but his scary books — his horror books.

Five years ago he started a thriller series for older readers called "Fear Street." The

"One Day at Horrorland" is one of 19 books in the "Goosebumps" series. He has signed a contract to write one a month for the next three years.

In his spare time, R.L. Stine enjoys reading funny English novels, watching old movies and doing things with his son, Matt. He also spends time answering 600 fan letters a week!

characters in these books are about 15 years old.

Two years ago he started the "Goosebumps" series for younger readers. Those are his really BIG hits.

"Goosebumps" books are about kids who are around 12 years old. The author calls these books "fantasies." Nobody ever dies in "Goosebumps" books. However, they are scary... and many kids like to be scared.

In solving the mystery of R.L. Stine, we discovered the following:

**Family:** His wife, Jane, is in the publishing business. She is also the editor of his series for older readers.

His son, Matt, 13, is in the eighth grade. From Matt, Bob gets his ideas about what interests kids, what they wear and talk about. He gets the names for his book characters from Matt's school directory.

**Studio:** A room in his apartment serves as his studio. A skeleton and a tribal mask hang on the wall. (Sounds scary!)

**Daily schedule:** He often works from 9 in the morning to about 4:30 six days a week, with about 15 minutes for lunch. He also takes time off, about one week every month.

**Writing steps:** First he comes up with a title. Then he figures out what big surprise will come at the end. Then he does a chapter-by-chapter outline. This takes a few days.

He then spends about 10 days to two weeks writing the book. He turns out two scary books a month, one for older readers and one for younger readers.

**Advice to kids who want to be writers:** "Read as much as you can. Read as many different writers as you can. Soak up the styles. You can learn all kinds of ways to say things."

Sounds like good summer reading advice, too!

### MIGHTY FUNNY'S Mini Jokes

### PETER PENGUIN'S PUZZLE LE-DO

Fit the names of these signs of summer into the puzzle.

ACROSS:

1. 2. 3. 4. 5. 6.

DOWN:

1. 2. 3. 4. 5. 6.

Answers: Across 1. sun, 2. ice cream, 3. swimming pool, 4. beach ball, 5. seashell, 6. baseball bat. Down 1. umbrella, 2. sandcastle, 3. sun, 4. ice cream, 5. swimming pool, 6. beach ball.

### Rookie Cookie's Recipe

#### Yummy Yogurt

You'll need:

- 1 cup vanilla yogurt
- 1/2 teaspoon cinnamon
- 2 tablespoons raisins
- 1 banana, thinly sliced
- 1 tablespoon nuts, chopped

What to do:

1. Combine yogurt and cinnamon in a medium bowl. Mix well.
2. Stir in remaining ingredients.

Serves 2.

## Homeowners Should Have Air Conditioners Checked Now Before Summer

Homeowners should have their air-conditioning system checked now—before the peak cooling season—by a qualified contractor or service technician to make sure their system will work efficiently this summer, according to the Air-Conditioning and Refrigeration Institute (ARI).

If your air conditioner is no longer cooling properly, it could involve something as simple as replacing a fuse, resetting a circuit breaker or checking to see if the thermostat is set properly. If an electrical problem isn't the cause, the refrigerant may be low if the system still runs but doesn't cool enough. However, if the problem involves any major part, such as the compressor, says ARI, you would hear strange noises similar to those of mechanical equipment not running correctly.

When your air-conditioning system

starts giving you more problems than seem cost-effective to fix, you should consider replacing your system. Because newer equipment usually is much more energy efficient than older central air-conditioning or heat pump systems, you might actually save money by replacing your old system before it completely wears out. In some cases, the money you save in reduced utility costs might pay back your purchase price of a new system years earlier than you might think.

For more information about the basic rules to follow for keeping cool this summer at minimum cost, send for ARI's free pamphlet "How to Keep Your Cool and Save Cold Cash." Send a stamped self-addressed business envelope to ARI, Dept. 94/U1, 4301 N. Fairfax Drive, Suite 425, Arlington, VA 22203. No phone orders are accepted.

**James M. Weichert, president of Weichert, Realtors, once again is asking Weichert sales associates to participate in the Weichert, Realtors/March of Dimes Phonathon so that "all babies can be born as healthy as Connor Smith."**

## Weichert's second year in The March Of Dimes Phonathon

Morris Plains, New Jersey, June 1, 1994--James M. Weichert, president, has announced that Weichert, Realtors sales associates will once again be putting their telephone skills to work when they participate in the Weichert, Realtors/March of Dimes Phonathon for the second consecutive year. Weichert raised \$100,000 last year and plans to exceed that figure this June.

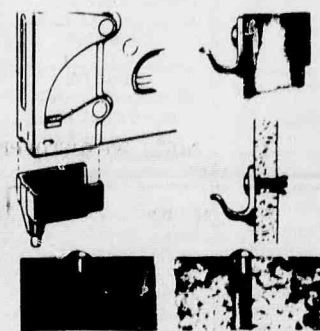

Weichert associates will be calling previous March of Dimes donors and others to gather contribution pledges to support March of Dimes programs aimed at preventing birth defects and infant deaths. The "Campaign for Healthier Babies" includes medical research, community services, advocacy and health education programs.

The Weichert President, stated, "As professionals whose daily lives are so involved with helping families realize their dreams, we appreciate

how much the March of Dimes does for our children. Our children are the heart of the American family and the future of our country. It is a privilege to once again lend support."

According to a national report, Weichert, Realtors is the largest independent real estate company in the country, with 7,500 sales associates in 215 offices from Connecticut through Virginia.

## Anchor Fastener Staple Gun Shoots Into Masonry Metal And Wood

Arrow Fastener Co., Inc. now have an attachment for their staple gun models T-50, T-50M and T-55 that make it a multi-purpose fastening tool. It shoots a tight gripping Xpando anchor fastener into wood, masonry, metal, hollow doors and drywalls. An Xpando anchor securely fastens almost anything using the same attachment. The attachment slips on the front of the staple gun and gives you a multipurpose fastening tool. Arrow's Xpando fasteners are made in two basic styles: one designed mainly for use in solid materials such as concrete, brick and wood (1/8", 1/4", 3/8", grip range) and the 1/2", 3/4" HD and 1" HD grip range mostly for use in the hollow walls like board where regular expansion type anchors would normally be used.

For additional tool information, write to Arrow Fastener Company, Inc., 271 Mayhill Street, Saddle Brook, NJ 07662.

## INSTRUCTION

**COLLEGE PLANNING  
& TUTORING SERVICE**  
Avoid some of the major  
hassles of choosing the  
right college. Get help  
with your transcript,  
selecting the best  
school for you, & the  
application process.  
It's never too early  
to plan your most  
important four years!  
Tutoring also available  
For information call  
Alex D'Amico at  
667-4543 or 667-4189
