## New fire dept. salaries passed 4-2-1, despite council queries

By Richard Dickon

Salaries to comply with the Fire Department's new table of organization were passed by a vote of 4-2-1 Sept. 13.

The ordinance passed despite questions about whether firefighters were being paid the new salaries before the official passage of the ordinance, as well as questions about pending litigation stemming from four Deputy Chiefs demoted in the reorganization.

The table of organization now has five Battalion Chiefs, four Captains and nine Lieutenants, after four existing Deputy Chiefs were given the option of retiring at full pension or accepting a lower-paying Battalion Chief position and four firefighters were promoted to Lieutenant positions.

The ordinance offers salaries ranging from \$67,314 to \$74,766 for Fire Chief; \$58,534 to \$65,014 for Battalion Chief; \$51,162 to \$56,534 for Captain; \$45,605 for Lieutenant and \$29,361 to \$42,750 for firefighters.

Some residents and Councilman Victor Canning questioned the implementation of the new table of organization and the salaries.

"I am voting against this ordinance because I'm still questioning firefighters being paid before the ordinance was passed," Canning said, adding that he understood that the new salaries had been paid for the last two weeks, before the salary ordinance was passed.

Canning was on vacation when the table of organization was passed 4-2 in August.

Deputy Mayor Thomas Spillane, who voted against the changes and against the salaries, said "I understand that there are some substantial savings in salaries, with the chief's salary lower and the Battalion Chiefs, but with this second table of organization, we've created officers where we need firefighters."

Spillane said "We have nine Lieutenants, where we need four. This ends up making little difference, which is why I'm voting no."

An earlier table of organization, considered by the previous council,

would have contained four or five fewer Lieutenants.

The change is supposed to save about \$260,000 in salaries, according to Township Manager Stephen Cuccio. Residents, including Vincent Frantantoni, have said additional costs will be incurred through the payment of half-salary "separation allowances" to the four Deputy Chiefs, as well as any litigation that may be settled in favor of any fire officers challenging the changes.

Some audience members spoke of a grievance filed by at least one former deputy chief. The deputy chiefs had the option of retiring or

(continued on page 3)

### 30-yr.-old Silver Lake truck replaced...

## Fire engine bought despite complaints

By Richard Dickon

Residents criticized the Township Mayor and Council for passing a \$190,000 bond ordinance to purchase a new fire engine for the Silver Lake District, disagreeing with the Council's claim that the existing 1965 truck is in disrepair.

Residents questioned whether the nearly 30-year-old model needs to be replaced, and two audience members requested maintenance reports, saying a mechanic should inspect the vehicle, rather than the council simply relying on Fire Chief Robert Caruso's recommendation.

Township Manager Stephen Cuccio said the vehicle has had a steering

(continued on page 3)

## Split council vote joins prosecutor, assistant attorney

By Richard Dickon

The Assistant Township Attorney and Prosecutor's position will be combined, despite the protests of three Council members who voted against the change.

The Council voted 4-3 to combine the positions and their salaries, despite no apparent cost savings from the loss of one attorney.

Councilman Victor Canning, who voted against the change, said "There is no added cost, and two minds are always better than one."

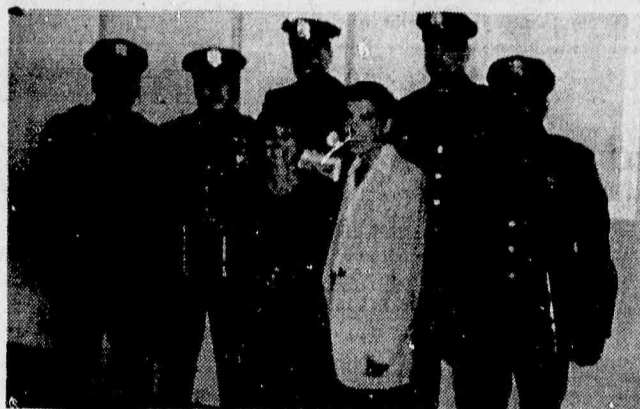

Deputy Mayor Thomas Spillane, who voted in favor of consolidating the positions, disagreed, saying, "Two positions will cost more down the line, because you're dealing with two people."

Spillane, Councilmen Jerry Digori and Bill Cook, and Mayor Jim Messina voted yes, while Canning, Councilman Nick Cerami and Councilwoman Angie Paserchia voted no.

## Columbus Ball tickets available

The Belleville/Nutley Columbus Day Parade Committee's 12th annual Columbus Ball will be held at the Chandelier, 340 Franklin Ave., on Saturday, October 1st. Tickets for the Ball are \$60 per person.

Anyone who would like to attend the Ball should contact the following: For Belleville, Kathy Drozd at 751-2277 or for Nutley, General Chairperson, Maureen La Morte at 661-0538.

**POLICE REWARDED FOR VALOR** - Lawrence and Debra Marchese thanked the five Belleville Police Officers who assisted Nutley Police in rescuing Debra from harm's way after she was wounded in the leg by a carjacker, who was shot dead by Nutley Police. The Marcheses presented commemorative plaques to (left to right), Officers William Palatella, Rory Scheumeister, Joseph Trabucco, Gerard Corbo and Frank Parrillo. (Photo By Richard Dickon)

## Council questions three of 31 board appointees

By Richard Dickon

The Township Mayor and Council planned approved resolutions to either appoint or reappoint 31 separate town board positions at the Sept. 13 public council meeting, with three appointments receiving at least one negative vote.

Joseph Scapperotta's appointment to the Zoning Board of Adjustment passed 4-2-1, with Deputy Mayor Thomas Spillane and Councilman Victor Canning voting no and Councilman Nick Cerami abstaining.

Frank Montagna, who spoke publicly against Scapperotta's appointment, received abstentions from Councilman Bill Cook and Councilwoman Angie Paserchia for his appointment to the Recreation

and Cultural Affairs Advisory Council.

Bernard "Barney" O'Conner's appointment to the Ethical Standards Board received an abstention from Spillane.

Mayor Jim Messina reacted to Montagna's criticism of the Scapperotta appointment, saying "I don't believe we have any serial killers up for boards" and, speaking directly to Montagna, said "I could say to Mr. Montagna, that people who live in glass houses should not throw stones, but I don't believe a Mayor should do that."

Spillane defended his no vote and abstention, saying "This is not a rubber stamp. If you disagree with an appointment, it is incumbent upon you to speak up."

(continued on page 5)

## '92-93 raises approved for 12 employees

By Richard Dickon

After months of discussion, a divided Township Mayor and Council voted 4-3 to give raises in the five percent range to 12 supervisory and directorial township positions for 1992 and 1993.

Mayor Jim Messina, Councilmen Nick Cerami, Jerry Digori and Deputy Mayor Thomas Spillane voted for the raises, while Councilmen Victor Canning, Bill Cook and Councilwoman Angie Paserchia voted no.

Cook said once again that an agreement was reached that salary increases would be held back in one of the past years covered by the ordinance. As he has all along, Cook again voted against the increases.

Paserchia said "Because of the taxpayers, I have to vote no," after listening to complaints from several audience members that the increases were too much.

The Council has already passed a salary ordinance that would delete raises in this year's budget for the Township Manager, Judge, Attorney, Assistant Attorney and Prosecutor.

Township Manager Stephen Cuccio has said several salaries, including those of Police Chief, Tax Assessor, Tax Collector, and Township Clerk were guaranteed raises under statute.

The earlier council vote on the Manager, Judge and attorney salaries amends the salary ordinance to delete the five positions

(continued on page 2)

## Terrorism drill simulating mayhem to test town's emergency responses

By Richard Dickon

If you plan to drive down Washington Avenue the morning of Saturday, Sept. 24, do not be alarmed if you see what appears to be a terrorist attack, with bomb threats, hostages and murdered citizens.

What you will be witnessing will be a large-scale Office of Emergency Management (OEM) drill staged on Washington Avenue to test the Township's response from emergency crews and to help police, fire and rescue squads assess what their options are and where they can find the needed resources in such a situation.

The terrorist attack will include a bomb, hostages, a hijacked bus and people caught and injured in the line of fire.

During weekly meetings, the OEM has learned that the county no longer has a SWAT team, making this drill all the more important. Officials from the local Department of Public Works, the county OEM and state police have all been involved in planning the drill.

The scenario being worked out will have a fictional terrorist group plant a bomb at 282 Washington Ave., with the escaping terrorists crashing their stolen car

into a NJ Transit bus, and then hijacking the bus.

The bus driver is shot after yelling for help to a police officer, and the bus then crashes, hitting a pedestrian.

From there, the terrorists take over a local store, holding some bus passengers as hostages.

The bomb will be detonated, knocking out telephone communications, which will mean response teams must use cellular telephones and radios, a situation that has happened, so practicing a response is a necessity, according to OEM officials.

Police and fire units from other municipalities will provide backup response to prevent any loss in response time to actual emergencies that might take place.

With a recent hostage situation and shooting in the area, the timing of the drill is right. The response to this fictional situation will be critiqued to help prepare for possible real scenarios, officials said.

Washington Avenue will be closed from Williams Street to Belleville Avenue during the exercise, and all storeowners and residents are being warned beforehand of the events.

**FIREFIGHTERS JOIN DEPARTMENT** - Five new firefighters were sworn-in by Fire Chief Robert Caruso on Sept. 16. Firefighters (left to right) Dennis Ives of 395 Union Ave., William Bruzzichesi of 89 Division Ave., Luigi Fruncillo of 14 Lake St., Anthony Palermo of 16 Fairview Place and Michael Monahan of 42 Sycamore Place were to begin attending the Fire Academy for training this week. (Photo By Richard Dickon)

## Flood tunnel opponents support state resolution

By Richard Dickon

Belleville and Nutley residents were part of a contingent of concerned citizens who testified before the state Assembly Environmental and Energy Committee in opposition of the proposed Passaic River flood tunnel, and in favor of a buyout of homeowners in the flood plain.

With the flood tunnel stalled in the design phase, Vincent Frantantoni of Belleville and Dottie Baker of Nutley, both part of local Concerned Citizens groups, told state legislators they supported Assembly Joint Resolution 44.

AJR44 proposes enacting a Passaic Flood Tunnel buyout similar to those being made in flood plains near the Mississippi and Missouri Rivers.

The resolution is sponsored by

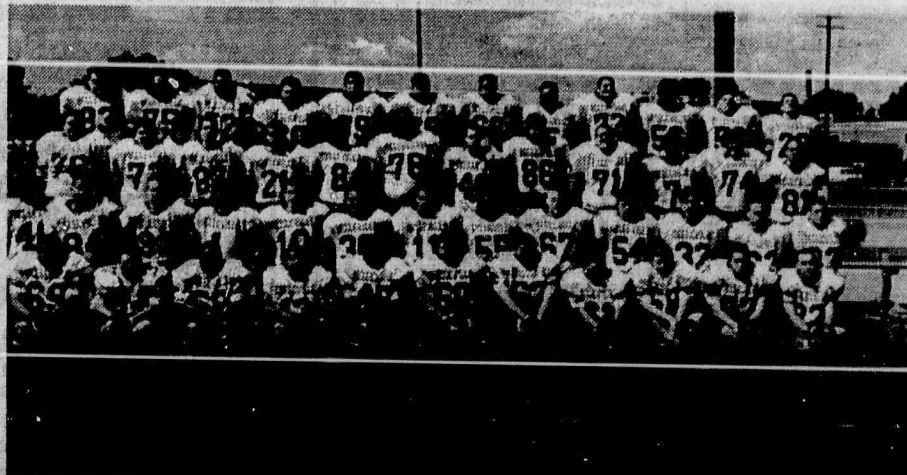

Assemblywoman Maureen Ogden and Assemblyman Paul DiGaetano, and was unanimously approved in committee. The bill next goes to the state Assembly for approval, then to the state Senate, and could eventually be approved by the U.S. Congress, according to Frantantoni.

"This is a major step. The point we all made in Trenton is that homeowners in the flood plain need relief, which a buyout plan gives them immediately. There is no need for engineering plans, architectural plans, environmental studies. It just takes people out of harm's way and lets the flood plain flood," Frantantoni said.

"Not only are we critics, we have provided a viable alternative," he added.

As a trustee of the Passaic River

(continued on page 3)

**READY FOR ACTION** - The Belleville Varsity Football Team will kick off their 1994 season Friday night at 7 p.m., hosting Teaneck.

**KLEIN SUPPORTS HEALTH FAIR** - Congressman Herb Klein (D-8th Dist.) lent his support to the Clara Maass Health System, Inc. Fourth Annual Health Fair. During the event, Klein visited with Robert S. Curtis, President and CEO. The Family Health Fair was held in tents on the grounds of the hospital and contained more than 75 information booths.

## Raises approved for 1992-93

(continued from page 1)

from standard salaried positions and make the salaries negotiable.

The base salaries of positions affected are: the Police Chief, whose base salary rises to \$81,117 in 1992 and \$85,983 in '93; the

Director of Health and Human Services base salary is \$1 since the position has been dropped; Director of Recreation and Cultural Affairs base salary rises to \$49,742 and \$52,229 for 1992 and '93; Director of Planning is \$1 in '93 after rising to \$55,650 in 1992; Tax Collector base salary rises from \$42,700 in 1991 to \$44,835 and \$47,077 in '92 and '93.

Also, Tax Assessor goes from

\$41,081 in '91 to \$43,135 and \$45,292 in '92 and '93; Supt. of Public Works, a position not currently filled, rose from \$49,334 in '91 to \$51,801 and \$54,391 in '92 and '93; Supervisor of Parks goes from \$47,373 in '91 to \$49,742 and \$52,229 in '92 and '93; Supervisor of Shade Tree rises from \$34,516 in '91 to \$36,242 and \$38,054 in '92 and '93; Supt. of Maintenance goes from \$36,474 in '91 to \$38,298 and \$40,213 in '92 and '93; Supervisor of Water and Sewer increases from \$37,792 in '91 to \$39,682 and \$41,666 in '92 and '93; and Construction Officials base salary rises from \$50,627 in '91 to \$53,158 and \$55,816 in '92 and '93.

## Belleville Senior News

By Joseph Restaino

**How Wonderful!**

How wonderful to wake each morn  
To greet another day,  
And meet the challenge of the Lord  
To send you on your way.

How wonderful to wake each morn  
With gladness in your heart,  
And thank the Lord for helping you,  
And giving you a start.

How wonderful to wake each morn  
Surrounded by God's love,  
And know that He is there for you  
With guidance from above.

How wonderful to wake each morn  
After a night of rest,  
And feel the Master by your side,  
And know that you are blessed!

Hope C. Oberhelman

While the Senior Citizen Social Club was at the Pocmont Resort several interesting events took place. One of these events was the golf putting contest. After all players took their shots it wound up in a tie between Frank Cardinale and Vincent Simeone. I thought that both players should have received a prize but the management decided to have a playoff which was won by Frank Cardinale. Congratulations to the winner and runnerup for an exciting match.

I spoke to Grace Voccaro and am glad to hear that she is making a remarkable recovery.

Joe Dillon is home and doing well.

It is with regret that I report the passing of Al Symanski. Condolences to the Symanski family, especially his wife Sophie, on the loss of a great guy.

Also condolences to Ann Trotta on the loss of her sister.

It is also with regret and sadness that I write about the passing of Samuel V. Ciccarella of Nutley, the father of ten children and twenty grandchildren and husband of Jean (nee Genevrino). Sam and Jean were the leaders of the successful prayer group at Holy Family Church. He was loved by many and will be sorely missed.

Eye has not seen, ear has not heard,  
Nor has it so much as dawned on man  
What God has prepared

For those who love him!

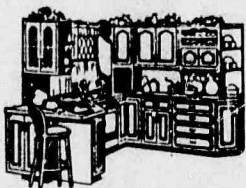

Get well wishes to Mary Sofia and Anthony Aranicki, who is home from the hospital.

On a happier note: Happy anniversary to Anthony and Madeline Aranicki. They will be celebrating their 21st anniversary. Madeline is having a double celebration as it is also her birthday. Congratulations all around.

One of our active town critics, Cornelius VanderZwan and his wife, Marie, who as a volunteer at Clara Maass has accumulated over 1,000 hours, have celebrated their 50th wedding anniversary on Sept. 3 with a Mass at Holy Family Church and a reception at the Chandelier. Congratulations to a wonderful duo.

I am disappointed with the cooperation of the Belleville residents in regards to the recycling program in Belleville. I can

see what little is being done when I walk around on pick up days. Especially the schools are very lacking in their cooperation. Why? The by product of the schools has to be paper. Why are they putting it out with the garbage. I have checked many bags and found nothing but paper. It seems to me that the department that is spending more money than any one else should try to save money where they can. Can any one answer this. Also after they seeded the renovated lawn in front of the high school, they allowed a flea market to be held there and the freshly seeded lawn was a mess. Who pays to reseed the lawn?

Tid Bit: A nudist was asked why he was wearing a beard down to his knees. "Well," he said, "Someone has to go for the coffee." (Will Jones)

## Dr. Ippolito to be Columbus day parade's grand marshal

The Belleville Parade Committee has announced that this year's selection for "Grand Marshal" to the Columbus Day Parade will be Dr. Lori Ippolito.

Dr. Ippolito's many achievements include sponsorship/involvement in such community projects as the "Sam Guiffreda" annual five-mile run, creating an annual scholarship award for children with special needs, actively supporting the "Police Vest Fund," boys and girls sporting activities and many other community functions.

Dr. Ippolito along with her husband, Dr. Michael Ippolito founded "Philmore Associates," a tutorial agency that assists children in problem areas of study, as well as a variety of social problems areas of study, as well as a variety of social problems which confront our society.

Dr. Ippolito love of children is what prompted her to enter this field of study, as many of those

Dr. Lori Ippolito

people who have come in contact with her will attest.

Belleville is proud that Lori and Michael Ippolito have chosen to remain in our community and participate actively in its endeavors, parade organizers said.

## Flood tunnel opposed

(continued from page 1)

Coalition, Frantantoni said he has seen the areas of Wayne and Lincoln Park affected by flooding, and he saw 25 percent of the homes already up for sale, and many in poor condition.

Two factors have helped sway opinion against the tunnel, Frantantoni said. First, diverting billions of gallons of water would damage the area's water supply. Secondly, he said flood tunnels in Mississippi and elsewhere have had structural failures.

The proposed flood tunnel was

approved by the U.S. Congress in 1990. The tunnel would channel water from the Passaic River basin beginning in Wayne, through a 20-mile tunnel that would end in Newark Bay.

Gov. Christine Todd Whitman has said she opposed the plan, but is allowing for further study of the tunnel, along with studies into other flood control options for the area.

A final decision on whether to continue with plans to build the tunnel was not expected until the fall of 1995.

## Silver Lake fire engine set

(continued from page 1)

mechanism fail and "is not sufficient for use by firefighters."

Councilman Victor Canning cast the only negative vote for the fire engine, repeating a complaint he has made before, that he was not given sufficient time and information to make a proper decision.

"I cannot vote in favor of this purchase because I have not had my questions answered," Canning said.

Mayor Jim Messina told Canning that a council member who has questions about equipment, or any other questions about an ordinance should take his or her own time out to investigate, by speaking to the appropriate town employees.

Messina said he has done so numerous times to find answers to his own questions regarding ordinances.

Many of the six Council members who voted to buy the engine expressed concern that the vehicle's unreliable record could cause it to break down when responding to an emergency call.

Councilman Bill Cook said he would approve the purchase even though he understood residents' concerns.

"This is not the area to try and cut," Cook said, adding that residents are in dire need of tax relief, but not at the expense of fire safety.

Councilman Nick Cerami told residents who opposed the fire engine, "It would be negligent to allow this to continue. You couldn't put a dollar amount on one life or one family."

Deputy Mayor Thomas Spillane added, "You would not want to depend on a 30-year-old fire engine when your house is on fire."

Councilwoman Angie Paserchia said "I have a problem with this because of the taxpayers' concerns, but we have to look at the safety of the public."

## Kiwanis club sponsoring child safety day program

The Kiwanis Club of Belleville is sponsoring a Child Safety Day on Saturday, September 24 from 10 a.m. to 3 p.m.

Parents can bring their children to the Belleville Little League Club House, located at 92 Montgomery Place, and receive a free Child Emergency I.D. Card along with a two-page information flyer on how to protect your children from

strangers.

The photo and fingerprinting session is voluntary, according to Mario Drozd, Kiwanis President Elect. A parent must sign a permission slip to have this service done.

The child's photograph, personal description and thumb-print will be placed on an I.D. Card the size of a credit card and then laminated.

## Fire dept. rank salaries

(continued from page 1)

taking less money as Battalion Chiefs.

Mayor Jim Messina, who again cast the deciding vote, has said he supported the change, based on what Fire Chief Robert Caruso has told him the town "has accomplished with the buyout. I think this is a step in the right direction."

Councilwoman Angie Paserchia abstained, saying taxpayer consid-

erations had kept her from voting yes.

Councilman Bill Cook voted yes, saying the ordinance only established salaries.

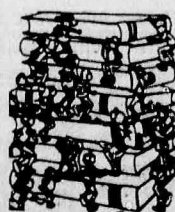

"Organizational issue have no bearing on this," he said.

Councilman Nick Cerami voted yes after voting no for the table of organization in August. Councilman Jerry Digori voted yes for both ordinances.

## OUR OPINION

### Smaller, smarter government

When Governor Christie Whitman was campaigning, she said if elected, a major goal of her administration would be to make government smaller and smarter.

Here's an idea that we would like to put on her desk to assist her in her goal of making government smaller and smarter. Whitman should take a look at the original concepts of the various state boards, agencies and commissions whose members are appointed by the Governor.

Originally, the New Jersey Highway Authority consisted of three members. Now, there are seven. Originally, the New Jersey Turnpike Commission consisted of

three members. Now there are five. Passaic Valley Sewerage Commission had original membership of five. Now there are nine. The New Jersey Racing Commission originally consisted of three members and now there are nine.

Governor Whitman could go back to the drawing board and seek to reduce the membership of all boards, agencies and commissions to the original number. Over time, such action will save millions of dollars for the taxpayers of the state and have fewer politicians tinkering with the vital boards, agencies and commissions required to serve the needs of our state residents.

### Firefighters, trucks needed, not lieutenants

There is good news and bad news for residents' fire safety this week.

The good news is that the Township Council had the good sense to retire the nearly-antique, 1965 fire engine now serving Silver Lake. The fire engine may have some life left as a back-up, but the possibility that the vehicle may break down in an emergency situation is unacceptable.

Some residents question Fire Chief Bob Caruso's credentials as a mechanic in pronouncing the engine unfit for service, but those residents do not live in Silver Lake. With only three fire vehicles in service, residents should expect that all will be able to respond promptly and safely to fire emergencies.

Five new firefighters are starting training at fire academy training headquarters this week, more good news for the future safety of Belleville. Dependable equipment and additional firefighters should be non-controversial, since all residents rely on the combination to provide protection from loss of property and human life.

Unfortunately, five more lieutenants coming on board as part of the new fire department table of organization cannot be similarly justified. Some fire officials have made a case for needing a second fire lieutenant on each fire tour, and we do not pretend to experts on fire personnel deployment. If, however, four deputy chiefs and 10 captains kept the township from going down in flames for years, why are there now five battalion chiefs, four captains and nine lieutenants to perform the same

duties?

Also, why are four of the most qualified, best-trained fire officers being forced out? The costs savings of about \$250,000 in salaries for the four may be offset, if not eclipsed, by the combination of separation allowances for those choosing to retire and the settlement of possible litigation that may come from the forced retirement and/or demotion of the four deputy chiefs.

Other questions of a more political nature exist, including the types of tests taken for lieutenants positions and battalion chiefs promotions, but the bottom line on all of this does not add up.

As Deputy Mayor Thomas Spillane courageously pointed out, the Council is creating officers where more firefighters are needed, and the table of organization, which was supposed to save money and manpower, is about the same as it was before the change and will likely be more expensive down the line.

The Mayor and Council and Chief Caruso have failed to properly defend, justify or explain the new table of organization, leaving themselves open to charges of political favoritism and expanding bureaucracy at a time when residents demand downsizing. What started as a seemingly sincere effort at thrifty reorganization has ended in, at least the appearance of, politics as usual.

The Council should take Gov. Whitman's smaller, smarter government credo to heart.

### Town 'raises' question, how much is enough?

Public employees are getting raises averaging about five percent per year, when raises in the private sector are averaging considerably less and inflation has been less than half of that for several years.

This particular overture is sung every single time a salary ordinance or teacher's contract is approved in Belleville. A small but vocal group of angry residents once again played that song at the Sept. 13 council meeting, when an ordinance was passed giving retroactive raises for 1992 and 1993 to several town employees, including the Police Chief, Tax Assessor, Tax Collector and Township Clerk.

The chorus grew louder when the Fire Department salary ordinance had its public hearing.

This question is particularly pertinent this fall, when binding arbitration results are awaited to bring salary contract negotiations for the police. Then the fire, department of public works and town employees, are all also to be decided.

PBA officials have said police officers are entitled to salary increases above the

rate of inflation, as have teacher representatives. Because of the dangerous and increasingly difficult nature of these occupations, some validity does exist in those statements.

However, there is a reason why private sector raises are minimal, if non-existent, for many employees. The market will simply not allow raises of five percent. This fact in no way invalidates the hard work being performed by town employees or school personnel. It is simply a question of economic reality.

So, when the Council sits behind closed doors discussing salary contract settlements, and when the School Board does the same in a couple of years, they would be well-advised to consider the economic constraints they likely face in their own work and family situations.

Belleville needs to be run more like a business, or a household. Otherwise, as one or more of the residents likes to portend, the town may face going 'out of business' before too long.

## YOUR OPINION

### Walk fights diabetes

To the editor:

Every minute of every day someone new joins the almost 14 million men, women and children with diabetes, including 460,000 New Jersey residents. While insulin and oral medications help those with diabetes live with the disease, there is no cure for diabetes.

The American Diabetes Association seeks to eradicate the disease through research, advocacy, public education and patient education programs.

Walktoberfest is the American Diabetes Association's major fund raiser for the fall. Locally, the event will take place at Bond Force Park in Roseland on October 2. The response to this year's event has been overwhelming. We anticipate over 500 participants. Additionally, area companies such as Joslin Center for Diabetes at St. Barnabas, Toys 'R' Us, Prime Hospitality, Wound Care Center at Clara Maass, Belle Mead, and Johnson & Higgins have added to the event's success through corporate underwriting.

Additionally, many area companies and groups have formed teams for the event, including AT&T, Firehouse Pub, Clara Maass Health Systems, Diabetes Treatment Center at Newark Beth Israel, Rudy's Cuties, and more! To date, twenty five teams are registered.

We invite each and everyone of you to come out on October 2 and support the American Diabetes Association's efforts. Diabetes is a devastating disease, and we need your help to stamp it out. For more information, call 1-800-254-WALK or 201-226-1022.

We look forward to seeing you on the Road to a Cure.

### What will get votes

To the editor:

Is it too much to ask that we live in a morally strong country where courageous government servants vote and promote what is right instead of what will get them votes?

Should we expect them to sacrifice themselves for the good of the country? Do they want to get back in to do more good? Or to preserve their influence and affluence? It's not easy to know which is which.

Congress under pressure has cut the budget of the ICC, an agency that has outlived most of its usefulness, but the cut isn't adequate to the need - the need is to join it to an active agency.

There are unnumbered obsolete agencies like the ICC that are protecting their outlandishly extravagant survival, doing little or nothing good for the country, adding to the obscene deficit and our taxes - because we, the people, are uncaring stewards of our government, unworthy of our trust. Do we merit nothing better than socialism or fascism?

It is time we became wise to these leaks and acted accordingly.

Ruth Keenan

### Local merchant applauds Burke

To the Editor,

As an avid advertiser in your real estate classified section, I would like to take this opportunity to commend the excellent job that Mrs. Marie Strumolo Burke has been doing on her articles about Belleville, and the Silver Lake section.

I sincerely hope she is made aware of her fine contribution to all the citizens of Belleville. Keep it up!

D. Paul Lettini

### Of All Things

By Frank Orechio  
A feature of the Nutley Sun,  
Bloomfield Life and  
Belleville Times

• **THE** Third Annual Breakfast held Saturday, September 17th, honoring Senator John Scott was a standing-room-only occasion. The main speaker extolling our Senator was Assembly Speaker Chuck Haytaian who happens to be the Republican candidate for United State Senator. I had the pleasure of sharing the breakfast table with one of Nutley's favorite people, Connie Iannicelli and her husband, Anthony. The Scott breakfasts get bigger and better every year - a deserved tribute to a fine public servant. Nutley's Commissioner John Kelly also was in attendance and sat at the VIP table. Dropping by for the customary campaign bow was Republican Essex County Executive candidate, Jim Treffinger. I was surprised that Treffinger didn't do the customary - pressing the flesh at each table - but then, maybe, that is not his campaign style. The "Nutley Republican Party Organization" group was very

much represented by its Chairman, Robert Rusignuolo, Vice Chairman, George Tellaris, Secretary, Steve Golub, and Treasurer, Joseph Rusignuolo.

• **MONDAY**, the New Jersey State Senate voted 34-2 to adopt a bill permitting domestic violence victims to register to vote without disclosing where they live. One of the two votes cast against the bill was our own State Senator John Scott. Voting no, Scott said, "I can't believe people are even imagining doing something like this." Scott is absolutely right. If the bill passes the Assembly, it should be vetoed by Governor Whitman.

Sen. John Scott

• **IT** was with sadness that I received a report that U. S. Marshall Arthur D. Borinsky died in his sleep this past Sunday. Borinsky, at 54, was too young to die. A dedicated public servant, Borinsky often dug into his own pockets to further his activities as a U. S. Marshall. New Jersey has lost an able public servant, and we have lost a good friend.

Former U. S. Attorney Michael Chertoff made an observation that all of us who were among Arthur Borinsky's friends would relate to, "Arthur was a tremendous public servant and a good friend. His death is a grave loss to the state, a grave loss to law enforcement and a grave loss to all his friends."

Arthur Borinsky

• **NUTLEY** Mayor Carmen Orechio's Health Department is sponsoring a Community Health Fair featuring health screenings, presentations and a public forum on health care reform to be held Saturday, 10 am to 2 pm in the Nutley High School Gym.

There will be various health screenings, including test for blood chemistry, cholesterol levels, blood lead, vision, glaucoma, hearing and respiratory function. Congressman Herb Klein will appear at Noon to discuss health care reform legislation and take questions from the audience.

To register for blood tests, Nutley residents are asked to call the Health Department at 284-4975. There will be a charge of \$15 for all the blood tests and an additional \$7 for the Prostate Specific Antigen test for men. My advice to men over 45 is, don't miss this opportunity to take the prostate test. It may save your life.

## Life in Silver Lake

During the Labor Day Holiday, the DeMeo family hosted a Family Reunion on Heckel St. This event has not occurred in over 30 years. Anne (DeMeo) Esposito, the oldest living member of the family, along with daughters JoAnn Nuzzo and Carol Campione organized the festivities. Could you believe that the DeMeo family are from Heckel Street since 1908. Attending were Joe (Football) DeMeo, Mario (Doc) DeMeo and Viola LaValle. Old photos were passed around and there wasn't a dry eye in the bunch. Deceased family members Theresa Ciona, Mary Pasechnik and Rose Bini are sadly missed along with the most important one of them all, Marie (Marietta) DeMeo who was the matriarch of them all. About 60 family members attended. By the way, the reunion will be a yearly Heckel Street event. Anne (DeMeo) Esposito is one of the kindest women I know. It's an honor to be her friend and neighbor.

A couple of weeks ago, I received a phone call from an Anthony Sessa of Naples Avenue. He told me that he saw my number from the column. How refreshing to see a young man with such interest in Silver Lake and civic affairs. We had a great talk and he assured me that he would be an active member

Marie Strumolo Burke

of the SLCA. He is attending William Paterson College and is majoring in communications. Hi Anthony and welcome aboard.

A former Silverlaker, Marie (Capaneer) VanderZwan, called me and told me how much she loved reading "Life in Silver Lake." Her family were former Silverlakers who lived on Franklin Street where Hess Station is now. The family still resides in Belleville. She reminisced on how she went to School No. 4 with my mother and Eleanor Porcelli. Her dad, Michael was the first young man of Italian descent to graduate from Belleville High

School and was a trustee of the Belleville Library. She made me feel good when she said she loved Silver Lake, too. Marie belongs to the Clara Maass Auxiliary. Don't let me forget to mention her husband, Cornelius. It was a pleasure to talk to this lovely woman and I hope to meet her face to face one day. (I understand from the paper that congratulations are in order for this young couple on their 50th wedding anniversary). Happy Anniversary to both of you....

Did you notice how proud everyone is when they say I'm from Silver Lake, or I used to be from Silver Lake, or I wish I lived in Silver Lake.

A big hello to our Franklin Street businesses who helped make our SCLA Block Party a huge success. Anthony's Nail Styles, Buccino's Deli, Chicken Holiday, Garside Bakery, Just Parties, Peter's Pizzeria, Scardigno Butchers, Subs & Stuff, and Violante Butchers.

Boy did Andrea Delecrezia look stunning on her first day back to School No. 4. What a lovely outfit she had on. But I shouldn't be surprised because she always looks great. God bless. I also saw her adorable sister Brianna. Andrea and Brianna are the daughters of Vinnie and Angel Delecrezia of Heckel Street. Hi gang. Hold on, I almost forgot to mention the grandparents of these girls, Frank (Schmee) and Nora Papasidero, also of Heckel Street, USA.

REMEMBER, WE LOVE SILVER LAKE.

## Aside From That

By: Howard Klausner

The State of New Jersey began in 1993 to deny the payment of \$64 a month for any baby born to a mother on welfare.

It was an idea proposed by Governor Jim Florio and since endorsed by Governor Christine Todd Whitman - an idea aimed ostensibly at reducing the tax load.

For whatever reason, the only segment of the Right to Life movement to raise objections to the idea was the Catholic Church, which argued that babies were being punished because their parents were poor. The argument was ignored.

The rest of the Right to Lifers have remained silent. Possibly it is consistent with the attitude that abortion is evil but the death penalty is fine, and family planning is wrong but the well-to-do can do what they want.

Thus, it is all right to make it illegal for a welfare mother or a teen-ager to end an unwanted pregnancy, but it perfectly legal for the state to deny aid to the result of the pregnancy.

Carrying the idea further along, free public education could be denied to the children of the poor - but funerals might be provided for reasons of public health.

The argument is made that women on welfare are getting a free ride from the taxpayers every time they take an additional \$64 a month from the state treasury. Some ride!

The Constitutionality of the ban on child support payments is now being tested by a joint lawsuit filed by the American Civil Liberties Union, the National Organization of Women and an organization representing 10 welfare mothers.

The State of New Jersey will presumably argue that the cost of one welfare baby may be \$64 a month, but the cost of tens of thousands of welfare babies is a lot

higher. Governor Whitman stated that the ban is a way of helping welfare parents to organize their personal lives better.

You can also encourage people to be more alert to paying their rent by evicting them, and to paying the utility company by turning off their electricity.

It then turns out to be cheaper to subsidize their rent rather than put them into welfare hotels, or let them have electricity rather than have fires from untended candles.

People who have not had to worry about their next meal, regardless of the economy, are often the loudest in advising the poor on how to organize their lives.

A Mayor of Paterson was once asked at a public meeting attended by angry taxpayers about what brought the poor in large numbers to that industrial city. Wasn't it welfare?

Pat Kramer replied, "They come here for the same reasons that anyone else is here, to find jobs, educate their children and make homes. They don't come to go on welfare."

And babies, of course, do not make any decision at all about coming here.

If we do not want to make every baby welcome - and a lot of people do not - then let us be honest about it.

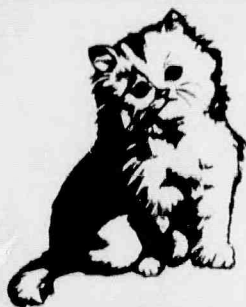

In fact, we are being honest about it.

The State of New Jersey is telling the babies of welfare mothers that they are not welcome here.

The idea that the fault may lie with us for not fixing our economy and getting back some of those jobs we have shipped overseas, or creating new ones by investment in research and education, does not seem to be popular with us.

It may be easier to keep on punishing the poor, but it is not nobler.

# The Pet Galleria

This is our Maggie who is a constant companion to the two of us. We love her very much as does she love us. She loves to ride in a car, so we take her motoring every day. She is 2 1/2 years old. Born March 17th, St Patty's Day  
Sincerely,  
Frieda McHugh

This is Monster. He is my friend since my husband died 16 months ago. I talk to him everyday and I really believe he listens. He sleeps near me, sits and watches me read and loves to sit on my lap. He is a constant companion.

### Best Doctors in America

Recently added to the reference collection of the Belleville Public Library and Information Center is "The Best Doctors in America," the 1994-95 edition. The book is organized alphabetically by the field of expertise. General fields of expertise are then subdivided into more specific areas. Within each field, the entries are arranged alphabetically by the last name. Each entry includes the doctor's name, areas of further specialization, academic titles, and hospital and other affiliations. The book is available in Reference, 610.25 of the library.

## Our Solution to the Health Care Crisis...

Exercise • Eat Right • Get Enough Sleep • Reduce Stress • Have Some Fun & Stay Healthy !!!

Everyone agrees that a fit life style results in healthier people. Even research has now proven that if you are active and treat yourself right, you are less likely to get sick and die prematurely. Logic should follow that if we all did this, it would reduce health care costs. Agree?!

So come in and start doing *your part* today! We'll do our part by starting you off with a money-saving membership program called the "Health Care Crisis Membership Special". Every BODY wins with this one!

Call the Club today

Mr. and Mrs. Gary O'Connell — nee Margaret Hannon

## Margaret Hannon bride of Gary A. O'Connell

Margaret Anne Hannon, daughter of Mr. and Mrs. Edward Hannon, Jr. of Nutley, became the bride April 30 of Gary A. O'Connell, son of Mr. and Mrs. Richard O'Connell, also of Nutley.

The Rev. Msgr. Joseph Beggans, great uncle of the bride, performed the ceremony in St. Mary's Church, Nutley. A reception followed at the Regency House Hotel, Pompton Plains.

Escorted by her father, the bride wore a traditional gown of silk shantung, accented with pearls and sequins and fashioned with a cathedral train. A crown of pearls and sequins held her cathedral length veil and she carried white roses and babies breath.

Patricia Hannon of Nutley was her sister's maid of honor. Bridesmaids included another sister, Mary Dilenno of North Haledon, Donna DeFrank and Erin Maguire of Nutley and Lucy Coppola of Belleville. Flower girl was the groom's niece, Amanda O'Connell of Nutley.

They were in floor length taupe two-piece suits and carried pink-tipped white roses and babies breath.

Peter Russamano of Nutley

## Women's health series to be presented

Inspirational speaker and seasoned family counselor Rosemarie Poverman, M.S.W., A.C.S.W., will be the keynote speaker at the first of four health promotion programs targeted to women this fall in "For Her, For Health," a special series sponsored by The Healthcare Institute at Mountainside Hospital in Glen Ridge.

The series will kick off on Oct. 12 with "Maximizing Your Potential," featuring Poverman's unique, humorous perceptions about family life, stress management, the workplace and other women's issues. Participants will learn practical strategies for minimizing conflicts and meeting the demands of life in the '90s.

Following the program, all will be invited to "Dessert with Rosemarie" for an opportunity to talk with other participants and spend time with the dynamic speaker.

"For Her, For Health" continues with "Menopause: Reality vs. Myth," to be presented by Mountainside physicians Dr. Marie Badaracco, M.D., and Dr. Anthony Caggiano Jr., M.D., on Oct. 19; "Building Your Confidence and Self-Esteem," to be presented by Margaret Snyder, Ph.D., on Oct. 25; and "Food for Thought: A Woman's Guide to Smart Eating," to be presented by Jane Dixon, R.D., on Nov. 1.

Each program will begin at 7 p.m. The fee for the series is \$15, or \$5 for individual programs.

To register or for additional information, call the hospital's Health Promotion Department at 429-6856.

## MaryAnn Britton, Joseph Pascucci engaged

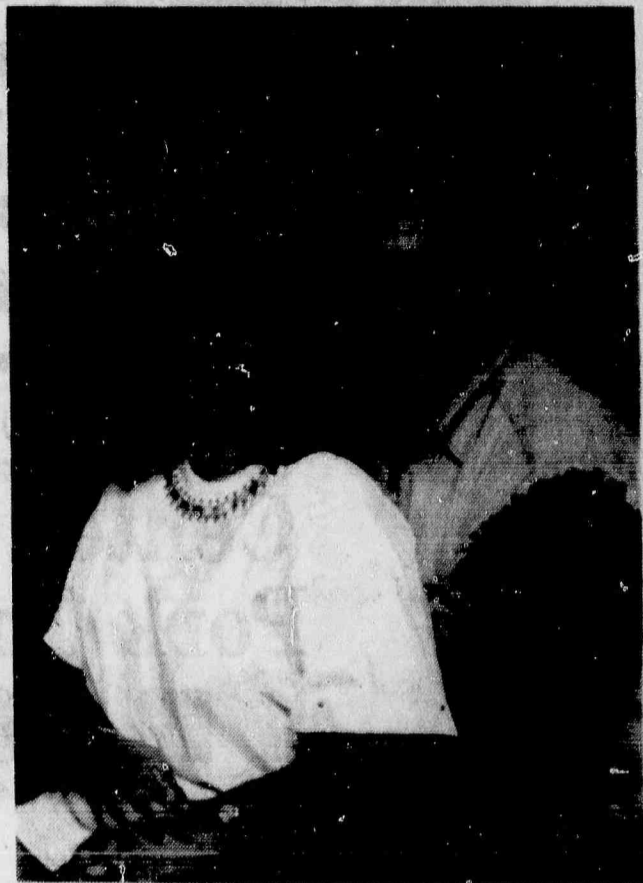

Mr. and Mrs. Robert Britton of Nutley announce the engagement of their daughter, MaryAnn, to Joseph A. Pascucci, son of Mrs. Gale Murray and stepson of Walt Murray of Nutley.

The wedding is planned for May

10, 1996.

Miss Britton, an alumna of Nutley High School, is with MultiTech, Clifton.

Mr. Pascucci, also a Nutley High School graduate, is with A.D.T. Security, East Rutherford.

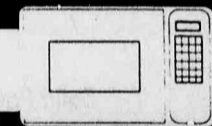

MaryAnn Britton — Joseph Pascucci

## cooking

## DELICIOUS DIFFERENT SALADS

## the microwave way

(DM)—Finding delicious and different side dishes often presents a greater challenge in meal planning than deciding on the main dish. For an alternative to tossed greens or fruit gelatin, Whirlpool Corporation home economists suggest Summery Orange Rice Salad to serve with grilled chicken or broiled fish. It is prepared ahead and chilled, allowing the cook time to attend to other meal preparation details.

Brown rice, with added dates, dried cranberries or cherries, is conveniently prepared using the microwave oven, then flavored with lemon and honey. Tangy mandarin orange segments and creamy whipped topping are stirred in just before chilling. Easy, fast, delicious and different, this salad would also make a good choice for a get-together when the occasion calls for a dish to pass.

### SUMMERY ORANGE RICE SALAD (6 servings)

- 1 cup instant brown or white rice
- 1/2 cup chopped dates or dried cranberries or cherries
- 1 can (11 oz.) mandarin orange segments, drained, reserving syrup
- 2 tablespoons lemon juice
- 1 tablespoon honey
- 3/4 cup whipped topping

1. Combine rice and dates in 1 1/2-quart glass casserole. Add water to reserved orange syrup to measure 1

cup. Stir into rice mixture. Cover and microwave at HIGH (100%) for 4 minutes or until mixture comes to full boil. Let stand 5 minutes.

2. Combine lemon juice and honey and stir into rice mixture. Cover and refrigerate until cooled, 1 to 2 hours. Gently stir in mandarin oranges. Fold in whipped topping. Chill until serving time.

### Nutrition Information (per serving)

## Note to Council:

### Don't worry about me, do something about Municipal

Word around town these days is that certain members of the Belleville Township Council aren't too thrilled with my recent columns about Municipal Stadium.

Which part annoyed you the most? Was it the "litter box" track, the tennis courts with cracks and grass, the moon craters on the JV baseball/soccer fields or the wonderful condition of the exterior of Municipal Stadium (see graffiti)?

This is just typical of what goes on here. Instead of wasting your time being critical of me and my supposed negativity, perhaps those same energies can be applied to doing something about the stadium.

My negativity is out of total frustration. And it's not directed at those Council members that took office on July 1, 1994. You can't be blamed for the Marina Perna fiasco of -an- administration.

But, you did know when you ran for office that the subject of Municipal Stadium was becoming more alarming and that, despite the fact that you didn't create the problem, you were going to be asked to provide rather quick answers, since the school year doesn't stop because of a new change of administration.

I'll say it for about the 40th time. My only concern in this issue is that we have athletes who, now write this down, *can't compete at home because the facilities in the Township are terrible!*

If our kids can *all* compete at the Municipal Stadium complex, safely of course, then you won't be hearing from me. There was a time when *all* of our athletes were able to call the Municipal Stadium complex home, but that was three United States Presidents ago, back when the Cabbage Patch Doll was a big item in the stores.

It's my understanding that the Municipal Stadium complex was going to be looked at again, supposedly last Monday evening. Instead of dramatic pictures of local officials pointing to what has to be done, maybe we'll hear a specific date when the tennis courts will be fixed.

Maybe we'll hear some definite plans.

What you'll probably hear is that the proverbial committee will review the inspection and get back to us.

We had a committee discuss Municipal Stadium *for three years!!!* and you want to know the result?

Nothing! Except that the committee members got so discouraged that they resigned the committee and since that happened, a new committee will probably have to be re-formed and that takes time, right?

Time is what our kids don't have. Every year that goes by, more athletes can say "I never could compete at home because our tennis courts, or our track, was in terrible condition and it wasn't safe for competition."

And then, the young man or woman will say, "boy, do our parents pay a lot of taxes in Belleville. It's too bad we couldn't have a nice place to compete in, like Nutley does."

So, save your breath, Council members. I really don't care if you don't like what I'm writing. Use your energies for something more important, like doing something about Municipal Stadium.

#### Opening Day

The 1994 Belleville football team will open its season tomorrow evening, at Doc Ellis Field, against Teaneck.

The game will mark the beginning of John Senesky's 18th season as varsity head coach. I thought this would be a good time to look back at past openers during the Senesky era.

**1977:** In Senesky's first game, the Bucs are dominated by a powerful Livingston team, 40-0. The Bucs would finish 2-6-1 that year.

**1978:** Bucs host Livingston and jump out to a 21-6 lead en route to a stunning 28-14 victory. Belleville would finish 6-3 on the year.

**1979:** Belleville eases past Livingston, 35-8 and eventually, earned a post season berth.

**1980:** Bucs start year with a lopsided 36-12 loss to Livingston, but the defeat would propel Belleville to nine straight victories and a spot in the Group IV, Section II title game.

**1981:** The rivalry with Livingston comes to an end as Belleville beats the Lancers, 31-8. The Bucs finish 7-2 and miss a playoff berth by one half game.

**1982:** In their first game as a member of the NNJIL, the Bucs blast Passaic Valley 27-0 at Montclair State College. The Bucs would go on to advance to the playoffs for the third time in four seasons.

**1983:** Belleville and Nutley kick off the season and the Bucs win, 12-6 at the Oval. Belleville finished the year 6-3.

**1984:** On a blistering hot day in Ramsey, the Bucs blank Don Bosco 14-0 in the first meeting, ever, between the two teams. The '84 Bucs would earn a playoff berth and finish 6-4.

**1985:** An inexperienced group of Bucs fall to Don Bosco, 8-2 at Municipal Stadium.

**1986:** Bucs rally, but fall to Paramus 9-6. Belleville would eventually right the ship and finish 6-3 on the year.

**1987:** Craig Jackowski scores the games only TD and the Bucs blank Paramus, 7-0. Sadly, it's the first game when the stadium is known as Doc Ellis Field, in memory of the beloved Belleville trainer, Doc Ellis who had passed away.

**1988:** At Passaic, the Bucs fall 27-0. It would be the last game in a long and fabled series between the Bucs and Indians.

**1989:** Belleville wins its only game of the season, blanking

(Continued on page 12)

## Nick Colucci scores twice

# Bucs rout Raiders with late rally, 5-1

By Steve Patchett

Gino DePinto's squad didn't exactly come storming out of the gate on Friday.

In fact, for the first half of their home opener, the team looked like they were still enjoying their summer vacation.

The Belleville boys' soccer team fell behind to Nutley, 1-0, at the intermission, but fortunately, they decided to get down to business in the second half. The Bucs erupted for five unanswered goals and handed Nutley a convincing 5-1 defeat at Clearmon Field.

"(Nutley's) first goal was a stupid goal," said coach DePinto. "In the second half we were not as nervous and we were in better shape than Nutley."

Although Nutley wasn't generating much offense, the Raiders got on the board first in the opening minutes of play as a Buc player was called for interference and March Marra fired a penalty kick into the right side of the net.

Nutley held the lead into the intermission despite some good scoring opportunities by the Buc forwards. Belleville's Joe Colucci narrowly missed two goals as a couple of breakaway shots sailed wide right. Joe Cotugno also had a chance for a goal, but the play was called offside.

In the second half, the Bucs came out looking like a completely different team as they began dominating the midfield. Belleville put constant pressure on the Nutley defense and it eventually paid off. The Bucs scored their first goal of the day on a Nutley miscue as a Raider defender accidentally headed a corner kick into his own net.

The second Belleville goal was

also scored thanks to a Nutley miscue as a defensive breakdown resulted in Nick Colucci's corner kick goal.

Midway through the half, the Bucs put the game out of reach as Mike Guzman broke through the defense and fired a bullet past Nutley's Jason Price for a 3-1 lead.

Not finished yet, however, Belleville's lead increased to 4-1 as Nick Colucci recorded his second goal of the day, scoring on a breakaway.

After a number of near misses, Joe Colucci finally netted his first goal of the season with six minutes left in the game. Colucci bulled his way through the defense and slipped a shot past Price for the final 5-1 tally.

Anthony Rasczyk, Mike Corino and Frank Toledo played solid defense for Belleville, and goalkeeper Natale Guagliardi had a relatively easy day as a result, making four saves on the day.

"Today we're pleased, but we have some tough games coming up," said DePinto.

**Corner Kicks:** In a game of radical momentum shifts, the only real constant was the rough play. You could count on plenty of yellow cards, injuries and controversy as these two teams collided.

"Belleville - Nutley is always physical," said DePinto.

The Belleville boys' soccer team will play St. Joe's on the road today (Thursday, September 22). They will return home to play the Hackensack Comets on Tuesday, September 27. Starting time is 4 p.m.

The team played Don Bosco last Tuesday, but results were unavailable at press time.

Joe Colucci (right) weaves his way through the Nutley defense in the first half of play. Colucci scored a goal in Belleville's 5-1 win. (Photo by Steve Patchett)

Belleville's Tom Ranucci (right) moves the ball into scoring position against Nutley's Mike Wilson.

# Bucs open '94 football season tomorrow

By Mike Lamberti

After months of preparation, months of weight room training and never ending laps around the litter box (better known as the BHS track), the Belleville football team will get down to serious business tomorrow night.

John Senesky begins his 18th season as Buccaneer coach when Belleville takes on NNJIL rival Teaneck tomorrow evening, beginning at 7 p.m. from Doc Ellis Field.

The Bucs and Highwaymen have met seven times since the two became members of the NNJIL. During that span, Belleville holds a slight 4-3 advantage. This is the first time the two teams have met in a Belleville season opener. (More on past Buccaneer openers in this week's Buc Shots).

Senesky has been pleased with his teams performance in the pre season. The Bucs finished the exhibition season last Friday at Livingston and the coach came away satisfied with the results.

"It was a good test for us, Livingston usually is," Senesky said. "I feel we got a real good idea of what the kids can do, and now, we have four days to prepare solely for Teaneck, without worrying about any more scrimmages."

"The linemen are working at their positions, and we've given them a number of different looks during the pre season. With (Brian) Pasierchick hurt (knee injury, will probably miss the opener), our other linemen have been seeing action at new positions. Overall, it's helped."

Senesky is particularly pleased with the backfield.

"We have more depth there than we've had in a while, especially quarterback," the coach said.

Senior Sal Berardi, who has been a halfback the past few seasons, will get the starting QB nod tomorrow evening.

"Sal has shown a good arm,

good accuracy and is running well," Senesky said. "He has picked up the position well."

Berardi can hand off to Ed Miranda, Dave Paladino and Donnell Graham, among others. Those three should be the starters in the backfield tomorrow.

Also expected to see action out of the running back positions are Tyrone Fitts, Dino Durante, Rob Romano, Edwin Garcia and Efrain

Mercado.

If the Bucs decide to go to the air, Berardi can pass to a core of talented receivers.

Anthony Frantantoni returns from last season, as does Michael Loney and Tom Escott. Also doing well at the split end/tight end positions are Angelo Gabriel and Jeff DePeri.

"We're very pleased with the performances of the ends in prac-

tice and in scrimmages," Senesky said. "There's a lot of versatility and talent there."

On the offensive and defensive lines, look for Ed Molina (guard/center), Frank Marrero (tackle/center), Ray Kuebler (tackle), Tom D'Elia (center) Dave Chulanandana (guard) and Amir Darwish to see action.

"The guards will be expected to

(Continued on page 12)

# Forlenzo leads B Team, 12-0

As the Belleville varsity football team prepares for its season opener tomorrow evening, the future stars of the Belleville gridiron have already begun their campaign.

The Junior Bucs had a good weekend, with two squads posting victories over Clifton.

The Junior Buc "B" team downed Clifton, 12-0, to even its mark to 1-1 on the season.

Joe DeRiggi's team, which lost a heartbreaker to Bloomfield 6-0 in the season opener, will take on talented Nutley this weekend.

Against Clifton, Mike Forlenzo scored on a 55 yard run off tackle for Belleville's first score. On the day, Forlenzo gained 135 yards on 11 carries.

Belleville's second score came from Bo Bernard, a 20 yard run off left tackle. For the game, Bernard picked up 75 yards on seven carries.

Pete Velardi had 40 yards rushing in the game and Billy Bretzger paced the offense at the quarterback position.

DeRiggi credited the offensive line for the victory. Ray Donnerstag, Ray Pizzano, Mike San Phillip, Kenny Gerish, Jonathan Capaccio, Gary Ferruggia and Shaun Horst all did well on the line.

Ends Danny Lally, Mike Spiga and Rob McConnon also performed well.

Defensively, Belleville held Clifton to just two first downs in the game. The Bucs had four sacks, two interceptions and two fumble recoveries.

Defensive standouts included Capaccio (one interception, two QB sacks), Hector Benitez (one sack), Lally (interception), Kyle McDuffie (fumble recovery) and Ferruggia (sack).

Nathan Myers, Brian Rafferty, Joey Martin, Anthony Bello and Todd Duffly also paced the defensive effort.

"It was a very important win for us this week, coming off a very tough loss in Bloomfield," DeRiggi said. "The boys were kind of down and we needed to boost them up a little. We worked real hard this week in practice and it really paid off for us. This years team is one of the most talented teams we have coached, and the kids are learning real fast."

"Next week, we go up against a real tough Nutley squad, so there is a lot of work to be done this week. I'm very confident we will play them tough."

**"B" Pirate Team Wins**  
In their season opener, the "B" Pirate team defeated Clifton 12-6.

Coached by Dennis Sheridan, the Pirates were paced by quarterback James Risoli, who threw for over 100 yards, including a clutch 55 yard TD pass to Hector Mendoza in the closing seconds to secure the win.

Belleville also scored on a 30 yard touchdown run from Ryan Sheridan. Sheridan also came up with a key interception late in the game to seal the win.

The defense was led by Louis Chumalas, who had a sack and two tackles. George Chumas had several tackles, including some big hits on fourth down to stop potential Clifton drives.

Outstanding play by the front five on defense limited Clifton's running game to zero yards rushing.

The defensive line effort was led by Jason Mundorf, Dave Bambrick, Mike Radice, Eric Ferriol and Bryan Pearson.

Coach Sheridan also expressed thanks to the fans who turned out at Clifton for the game. The coach estimated over 100 people from Belleville showed up and gave their support.

# Berardi starts at quarterback

(Continued from page 11)

lead the sweeps," Senesky said, "and so far, they've done a good job there."

The linebacking corps will be paced by Artie Settembrino, who returned from an injury last Friday night and performed well at Livingston.

Darwish and Rob Caputo are also leading candidates to be starting at linebacker tomorrow night.

The defensive ends are Loney, Gabriel, Brian McIntosh, Tom Dyer and Mike McCusker.

In the secondary, Frantantoni, Escot and DePeri are among the leaders.

"Depth is our primary concern at a number of positions," Senesky said. "We have some good talent out there, but the number of experienced players now is limited. A lot of sophomores could be seeing varsity action as the year progresses."

The Bucs will get a good early season test with Teaneck.

The Highwaymen opened their regular season last Saturday afternoon, dropping a 7-3 decision to North Bergen, traditionally one of the better teams in North Jersey.

"North Bergen has a lot of talent,

as usual," Senesky said. "But Teaneck went into their place and did very well. As usual, Teaneck has good size, some backs who can break away in the open field and a quarterback who can run and throw effectively."

"We're used to playing them later in the season. This will definitely be a good test for us, going up against a physical, quick team."

**NOTES:** Bucs have won two straight and three of the last four games with Teaneck. Highwaymen's lone victory over the past four games with Belleville came in 1991, a 14-12 game at Doc Ellis Field.

Bucs will take on Clifton next Friday (September 30) at Clifton. It's the first meeting between the two schools since 1987 and the first team they've played at Clifton since 1986. Bucs have not lost at Clifton since moving to the NNJIL in '82. Bucs won at Clifton in '82, '84 and '86. Clifton's victories in the series came in '85 and '87, both in Belleville.

Pasterchick, listed as doubtful for the Teaneck game, could be activated in time for the Clifton contest

# Zarro scores two TD's, "A" team beats Clifton

The Belleville Junior Buc "A" team continued to impress, downing Clifton, 13-6 last weekend.

Bill Abrams' team takes a 2-0 record into *THE GAME* this weekend at Nutley.

"It's definitely going to be a big test for us," Abrams said. "Our kids will be looking forward to it. Nutley has a tremendous team and a tremendous program."

Last week, the Bucs totalled over 200 yards in offense in wearing down the Mustangs.

Frank Zarro scored both Belleville touchdowns on runs of six and ten yards. For the game, Zarro had 93 yards on the ground.

Herb Bolante scored a point after attempt and Gene Pizzaro had two receptions from quarterback Marquis Talmadge, totalling 40 yards.

Defensively, Mike Biase and Anthony Marcantuono had interceptions. Luke Melendez had two quarterback sacks and Talmadge, Mark Casarella and Joe Morgan excelled on defense.

"We felt this would be more of a rebuilding year," Abrams said. "But these kids have really surprised us. They play with a lot of intensity."

# R. Anderson among returnees for x-country

**By Mike Lamberti**

It's a right of fall.

The runners return to the course, in this case, the Belleville cross country team returns to Nutley Park for the 1994 season.

John Tosato's team opened the season last Tuesday with a home match against league rivals and powerhouses Don Bosco Prep and Hackensack.

This Tuesday (September 27), the Bucs are "home" to Nutley and St. Joe's in a tri meet.

The reason why the Bucs are "home" to Nutley is that while the race is held in Nutley, the course is the one designed for the Belleville runners and varies, slightly, from the Nutley High School course.

The Raiders have long used Nutley Park as their home site. In the mid 1980's, Belleville switched from their long used site at Belleville Park to Nutley Park.

"The turnout this year has been small," said Tosato, who enters his 13th season as varsity cross country mentor.

"We have six boys, which is enough to field a varsity team, but we have just one girl on the team, which means more individual goals than team accomplishments there."

The returning Lady Buc this fall is senior Rachel Anderson. Tosato has a lot of optimism about Anderson's chances of excelling in league and county races.

"Rachel has worked hard and has put in four years into the program," the coach said. "I'm expecting a good year from her. She has a lot of talent and the experience of running in the past will really help."

In the history of womens cross country at Belleville High School, there have been some outstanding runners.

Sue Smith was the first standout in the Fall of 1977, the first season of womens cross country here.

Following Smith, Dana Caruso excelled from '78-80. Caruso eventually broke Smith's record in the half mile during the spring track season.

Barbara Gundry was another standout for the Lady Bucs from '79 to '81. Following Gundry, Patty Bliss was the standout runner at BHS.

Bliss was followed by Joyce Luongo, who was graduated from BHS in 1988.

Since Luongo's graduation, there hasn't been a standout cross country runner at BHS until Anderson this season.

The boys team will be led by seniors Brad Koch and Carlos Sagbay. Both men have done well in practice.

Junior Anthony Marchionne should be a solid contributor, as should sophomores Mike Matos and Phong Nguyen. Freshman Peter Santora has moved up through the elementary school track programs and is fitting in well on the high school level.

"Most of the kids have competed in indoor track and outdoor," Tosato said. "They have an idea of what the sport is all about, even if they haven't run cross country before."

The coach knows that the NNJIL Pacific Division will present some tremendous talent.

"Don Bosco won the state crown last year, Hackensack, Teaneck, St. Joe's, Nutley, they're all tremendous programs," Tosato said.

"We're just going to work hard and hopefully, get a few more kids out of the team as the season progresses."

The Times will have photo coverage of next Tuesday's home meet with Nutley and St. Joe's in the October 6 issue.

# Rec announces fall programs

The Belleville Department of Recreation and Cultural Affairs has announced the start of its fall activities schedule.

**Girls' Twirling** will be held on Mondays at School 10 beginning September 19. Girls in grades 1-6 will meet 6:30 to 7:30 p.m. on Mondays at the no. 10 School session. Girls must provide batons for this activity. Twirling will also be offered on Wednesday nights at School no. 7, beginning September 21 as follows: grades 1-4 at 6:30 p.m., grades 5-8 at 7:30 p.m.

**The Girls' Cheerleading** program will take place on Thursdays at School no.3 as of September 22. Girls in grades 1-4 should report from 6:30 to 7:30 p.m. and girls in grades 5-8 should report from 7:30 to 8:30 p.m. Cheerleading is also offered on Tuesday nights at School no.8, beginning on September 20, for girls in grades 1-6 from 6:30 to 7:30 p.m.

**Intramurals** for children in the Middle School grades 7-8 will be held on Tuesdays and Wednesdays in the JHS boys' gym from 3 p.m. to 4 p.m., beginning September 27.

**Adult Open Volleyball** will start on Wednesday, October 5, from 6:30 to 9 p.m. at School no.3 for men and women.

For more information on upcoming programs, please call 450-3422.

# Buc Shots

(Continued from page 11)

Paramus Catholic, 21-0.

1990: The Bucs embark on a winning season, but the opener is not pleasant. Hackensack roars, 34-0.

1991: In the first night game, ever, at Hackensack, the Bucs lose a heartbreaker, 13-6.

1992: Belleville blanks Don Bosco at Doc Ellis Field, 12-0. The '92 Bucs played a brutal schedule and fared pretty well.

1993: At Don Bosco, the Bucs win a thrilling night game, 14-13. The '93 Bucs finished the year at the .500 mark (4-4-1).

So, another season will begin tomorrow, and with it, more memories in the long and storied history of Belleville football.

## Teens invited to enroll in NJSA fall program

The New Jersey School of the Arts is accepting applications from teenagers for the fall program at Montclair State University.

Courses are being offered in creative writing and visual art. Classes will meet on Saturdays beginning Oct. 8.

For more information and an application form, contact NJSA at 655-5179, or write to New Jersey School of the Arts, CN500, Trenton, NJ 08625-0500. Interested students should submit a letter of recommendation and a copy of their work with their applications. Students may register by mail through Sept. 30.

The Creative Writing course will meet on Saturday mornings from 10 a.m. to 1 p.m. Students will explore writing as creative process with two

professional authors. Poetry, prose and drama will be developed and critiqued.

Two courses will be offered in the visual arts. During the morning session, from 10 a.m. to 1 p.m., students may enroll for the studio art class, which will provide experiences in drawing, painting, printmaking and sculpture. A class in painting is offered during the afternoon session from 1 p.m. to 4 p.m. In this workshop, students will create original paintings using acrylic colors on canvas.

NJSA was created by an act of the State Legislature to provide advanced training in the arts for secondary school students throughout New Jersey. Professional artists, who are also experienced educators, teach all NJSA courses.

## Scholarship program seeks candidates

The New Jersey Junior Miss program is now seeking candidates who will graduate with the high school class of 1995 to participate in the state finals in January 1995.

A total of \$8,100 in cash scholarships was awarded to New Jersey's Junior Miss and the runners-up in January 1994. In lieu of the cash scholarships, the winners may choose one of the four-year, full-tuition scholarships offered in New Jersey by the College of St. Elizabeth or Caldwell College and from 17 other colleges and univer-

sities in Alabama, Maryland, Minnesota, Missouri, South Carolina, Rhode Island and Virginia.

Candidates must be bona fide high school seniors graduating with the Class of 1995, be a U.S. citizen, have scholastic ability, leadership in school, talent, poise and fitness.

For a free brochure on how to participate in this scholarship program, please write to New Jersey Miss, Inc., P.O. Box 246, Dept. N., Audubon, NJ 08106-0246.

## Acting classes to begin next week

The Acting Lab, offering complete training in audition, improvisation, drama, situation comedy, voice and diction, will begin its fall season next week at 8 Park St., Montclair.

Registration will be held Saturday, Sept. 24. The class schedule is Mondays from 4:30 p.m.-6:30 p.m. for children ages 10-14, Wednesdays from 4:30 p.m.-6:30 p.m. for children ages 15-18, and Thursdays from 7 p.m.-10 p.m. for adults.

For more information, call 744-3256 during business hours or 484-7280 evenings.

## Wanted: Computer volunteers

The Essex Unit of the American Cancer Society is in need of volunteers experienced in data entry.

The society's office in West Orange is open Monday through Friday, 9 a.m.-5 p.m. Schedules are tailored according to the volunteer's availability.

Call 736-7770 for more information.

Purchase tickets within 3 days of holding reservations, travel by Nov. 16. Changes are subject to \$25 fee; refunds to \$50 fee.

## Fair seeks participants

The Essex County Department of Parks, Recreation and Cultural Affairs announced that a "Heritage and History Fair" will be held on Oct. 21, 22 and 23, at Tulip Springs in South Mountain Reservation.

The three-day fair is intended to focus on the history of Essex County and will attempt to bring history to life with various military camps from different periods including the French and Indian War, the American Revolution, the Civil War, and the time of the fur traders. There will be a re-enactment of the lifestyles of settlers of the period and actual trading of

equipment, supplies, and antiques will take place.

Organizations and vendors are encouraged to participate in the "Heritage and History Fair" to help educate citizens about the important role that Essex County played in the history of our nation. Food and merchandise concessionaires are being recruited. Closing date for registration is Sept. 28. Interested participants are invited to obtain registration information by contacting Tom Willard of the Department of Parks, Recreation and Cultural Affairs at 857-8530.

## Frank L. Bruno, 71

A Mass for Frank L. Bruno, 71, of Lakehurst, formerly of Belleville, was offered Sept. 20 in Holy Family Church, Nutley, following the funeral from the S.W. Brown & Son Funeral Home, Nutley.

Mr. Bruno died Sept. 16 in Mountinside Hospital, Glen Ridge.

He had been the owner of Vee Bee Exxon in Belleville for 25

years before his retirement 23 years ago. Mr. Bruno served in the Army Air force during World War II.

Born in Newark, he lived in Belleville for many years, moving to Paterson before moving to Lakehurst two years ago.

Surviving are his wife, Rose; a son, Robert; two daughters, Geraldine Bujalkowski and Linda Badgley, and seven grandchildren.

## Joseph Gober, 58

A Mass for Joseph G. Gober, 58, of Belleville was offered Sept. 20 in St. Peter's Church, Belleville, following the funeral from the Kiernan Funeral Home, Belleville.

Mr. Gober died Sept. 17 in his home.

He had been a printer for the Deluxe Check Printers of Clifton for 25 years, retiring seven years ago.

He served in the Army during

the Korean War. Mr. Gober was a member of the Athenia Veterans Post of Clifton and a volunteer with the Nutley First Aid Squad.

Born in West Mahoney, Pa., he lived in Clifton before moving to Belleville 15 years ago.

Surviving are two daughters, Susan Belford and Nancy Kolodziej; two brothers, George and Robert, and three grandchildren.

## Obituaries

### Victor Muti, 76

Victor A. Muti, 76, of Belleville died Sept. 14 in the Clara Maass Continuing Care Center, Belleville.

A Mass was offered Sept. 17 in St. Michael's Church, Union, following the funeral from the McCracken Funeral Home, Union.

Mr. Muti had been chief electrician for the City of Newark for 30

years, retiring in 1991. He served in the Marine Corps during World War II.

Born in Newark, he moved to Belleville in 1958.

Surviving are two daughters, Amelia L. Marchese and Victoria Cecire; a brother, Elmer, and four grandchildren.

### Anna Baldassarre, 83

A Mass for Mrs. Anna Baldassarre, 83, of Belleville was offered Sept. 14 in Sacred Heart Church, Bloomfield. The funeral was from the Megaro Memorial Home, Belleville.

Mrs. Baldassarre died Sept. 8 in the Clara Maass Medical Center, Belleville, from injuries received

in an auto accident on Franklin Avenue in Nutley.

She was a bank teller for 21 years with the Nutley Savings and Loan before retiring 18 years ago.

Born in Newark, she lived in East Orange before moving to Belleville in 1967.

### Paul A. Rogers, 69

Paul A. Rogers, 69, of Cedar Grove died Sept. 14 in the Mountinside Hospital, Glen Ridge.

A Mass was offered Sept. 17 in the St. Catherine of Siena Church, Cedar Grove, after the funeral from Shook's Cedar Grove Funeral Home, Cedar Grove.

Mr. Rogers had been an elec-

tronic worker for Lear-Sigler Inc. in Fairfield for 25 years before retiring nine years ago. He was a volunteer at the Mountinside Hospital.

Born in Newark, Mr. Rogers lived in Belleville and St. Louis before moving to Cedar Grove 40 years ago.

Surviving are two sisters, Wanda Gausepohl and Irene Autenrieth.

## Bruno Szymanski, 74

Bruno A. Szymanski, 74, of Belleville died Sept. 15 in West Hudson Hospital, Kearny.

Mr. Szymanski had been a driver for the Zalkins Lumber Co. in Kearny for 20 years, until 1981. For the past eight years, he was employed part-time as a clerk for Grand Union in Belleville.

Mr. Szymanski served in the Navy during World War II.

He was a member of Local 464 of the United Food and

Commercial Workers International Union, the American Legion, the Senior Citizens Club and the Senior Citizens Social Club of Belleville. Mr. Szymanski was also a member of the Knights of Columbus in Union.

Born in Newark, he lived in Belleville for 13 years.

Surviving are his wife, Sophie; a son, Alfred; a brother, Joseph, and three sisters, Ceil Stys, Estelle Rostiac and Sophie Short.

## Margaret Strigari, 70

Mrs. Margaret Strigari, 70, of Belleville died Sept. 17 in the St. Barnabas Medical Center, Livingston.

A Mass was offered Sept. 20 in the Holy Family Church, Nutley, following the funeral from the Biondi Funeral Home of Nutley.

Mrs. Strigari was a directory supervisor for New Jersey Bell, now Bell Atlantic, Glen Ridge.

where she worked for 38 years before retiring eight years ago. She was a member of the Telephone Pioneers of America.

Born in Newark, Mrs. Strigari moved to Belleville many years ago.

Surviving are a brother, Anthony Ciccone, and two sisters, Geraldine Marsiano and Lucy Palmieri.

## James J. Kadian, 47

A Mass for James J. Kadian, 47, of Lyndhurst, formerly of Belleville, was offered Sept. 19 in Sacred Heart Church, Lyndhurst, after the funeral from the Ippolito-Stellato Funeral Home, Lyndhurst.

Mr. Kadian, who died Sept. 15 in Plains, Pa., while on a business trip, was a regional sales manager for the last six years with Easy Heat Inc., Carlisle, Ind.

Mr. Kadian was a 1976 graduate of Rutgers University.

He served in the Navy from 1966-1970 and was a member of the Tin Can Sailors. Mr. Kadian was also a member of the Elks Lodge 1992 in North Arlington.

Born in Jersey City, he lived in Belleville before moving to Lyndhurst 17 years ago.

Surviving are his wife, Marilyn A.; a brother, David, and two sisters, Arlene Sadowski and Debra Leiner.

## Teach youngsters early about bus safety

Riding to school on the yellow bus is an exciting activity for a new student, but parents should stress safety from the beginning, says the AAA New Jersey Automobile Club Foundation for Safety in Florham Park.

Although more than 22 million pupils nationally ride school buses each day, being transported to

school generally poses few dangers. However, AAA warns it's not completely without risk. During the 1991-92 school year (the latest national statistics available), an estimated 110 persons, including 35 pupils were killed in school bus accidents. Another 8,300 students were injured. Statewide, there were 605 injuries in 1993.

Knowing where to stand and being alert to traffic while waiting for the bus, behaving while riding and exiting safely can make an important difference in a student's life.

"Students are most often injured when the school bus approaches or leaves a loading area," said Paul Kielblock, AAA's safety manager. "Incidents usually occur when children near the bus move out of the driver's line of sight. This might happen when they bend down to pick up a dropped article, or walk behind the bus where they can't be seen by the driver."

To ensure that the ride to and from school is as safe as possible, Kielblock offers these safety tips for parents of first-time school bus riders:

- Make sure your child leaves home early enough to arrive at the bus stop on time.
- See that your child waits for the bus in a safe place well off the roadway and remains quiet and orderly. Remind him or her that horseplay can cause someone to fall or be pushed into the path of the bus or another vehicle.
- Tell youngsters to remain seated while the bus is in motion.
- Stress the importance of keeping aisles clear at all times. Bookbags or lunch boxes should never be left where someone might trip over them.
- Make sure your child knows the dangers of throwing things inside the bus or out the window. An object might hit the school bus

driver or another motorist who might lose control and cause a collision.

• Let children know the importance of keeping their head and arms inside the bus at all times.

• When exiting, remind your child to avoid snagging backpack straps, drawstrings or loose clothing on bus handrails. If they need to cross the street, tell them to do so well in front of the bus where they can see the bus driver. This way, there's a good chance the driver can see them, too.

Kielblock also offers tips for motorists who drive through school zones or on roads traveled by

school buses:

- Obey posted limits in school zones.
- Be alert to directions from school crossing guards.
- When a school bus is loading or unloading children, motorists must stop and remain stopped until the bus driver turns off the stop lights and the bus resumes movement, or the bus driver signals you to proceed.
- Stay back at least four to six feet when following a school bus.

Getting new students off to a safe start is the smart way to begin a new school year.

### STRANGE, BUT TRUE

People may associate the development of new medicines with test tubes and laboratories, but the fact is that some new medications come from unlikely sources. Remember that penicillin was born of moldy bread. According to the Journal of the National Cancer Institute, many promising anticancer medications are emerging from equally novel sources. Mistletoe, for example, has been discovered to yield a substance that is currently being used to treat cancers of the lung, mouth, and kidneys. Sea sponges found off the coast of New Zealand's South Island have a chemical potent enough to destroy melanomas in mice in doses as low as one-millionth of a gram.

You will find friendly, helpful service when you come to ROSSMORE PHARMACY, 338 Washington Avenue (759-1968, 759-1956). We have been serving the Belleville area for many years. Cameras and film, Timex watches, transistor radios, cosmetics, and toiletries are always available. Stop by and see us from 9am - 10pm daily, 9am - 9pm Sundays.

HINT: Moldy yarns have been discovered to yield a substance now being tested as a treatment for lung cancer.

## NOTICE

NOTICE is hereby given that the Municipal Council of the Township of Belleville, New Jersey, at a meeting held on Sept. 13, 1994 in the Municipal Building, did adopt Ordinance No. 2641 entitled:

"Bond Ordinance Providing for the Acquisition of a Fire Engine By the Township of Belleville, In the County of Essex, State of New Jersey; Appropriating \$190,000 Therefor and Authorizing the Issuance of \$180,000 Bonds or Notes to Finance Part of the Cost Thereof."

Mary Lou Hood, Municipal Clerk

## STATEMENT

The bond ordinance published herewith has been finally adopted and the 20-day period of limitation within which a suit, action or proceeding questioning the validity of such ordinance can be commenced, as provided in the Local Bond Law has begun to run from the date of the first publication of this statement.

Mary Lou Hood, Township Clerk

**BOND ORDINANCE PROVIDING FOR THE ACQUISITION OF A FIRE ENGINE BY THE TOWNSHIP OF BELLEVILLE, IN THE COUNTY OF ESSEX, STATE OF NEW JERSEY; APPROPRIATING \$190,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF \$180,000 BONDS OR NOTES TO FINANCE PART OF THE COST THEREOF.**

BE IT ORDAINED AND ENACTED BY THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF BELLEVILLE, IN THE COUNTY OF ESSEX, STATE OF NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring), AS FOLLOWS:

SECTION 1. The improvement described in Section 3 of this bond ordinance is hereby authorized as a general improvement to be undertaken by the Township of Belleville, in the County of Essex, State of New Jersey (the "Township"). For the said improvement or purpose stated in Section 3, there is hereby appropriated the sum of \$190,000, said sum being inclusive of all appropriations heretofore made therefor and including the sum of \$10,000 as the amount of down payment for said improvement or purpose required by law and now available therefor by virtue of provision in a previously adopted budget or budgets of the Township for down payment or for capital improvement purposes.

SECTION 2. For the financing of said improvement or purpose and to meet the part of said \$190,000 appropriation not provided for by application hereunder of said down payment, negotiable bonds of the Township are hereby authorized to be issued in the principal amount of \$180,000 pursuant to the Local Bond Law of the State of New Jersey (the "Local Bond Law"). In anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose, negotiable notes of the Township in a principal amount not exceeding \$180,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Bond Law.

SECTION 3. The improvement hereby authorized and purpose for the financing of which said obligations are to be issued is the acquisition of a fire engine including all apparatus and equipment necessary therefor and all work or materials useful, convenient or incidental to aforesaid purpose.

a. The estimated maximum amount of bonds or notes to be issued for said purpose is \$180,000.

b. The estimated cost of said purpose is \$190,000, the excess thereof over the said estimated maximum amount of bonds or notes to be issued therefor, being the amount of \$10,000, is the down payment for said purpose.

SECTION 4. In the event the United States of America, the State of New Jersey, and/or the County of Essex make a contribution or grant in aid to the Township for the improvement and purpose authorized hereby and the same shall be received by the Township prior to the issuance of the bonds or notes authorized in Section 2 hereof, then the amount of such bonds or notes to be issued shall be reduced by the amount so received from the United States of America, the State of New Jersey, and/or the County of Essex. In the event, how-

ever, that any amount so contributed or granted by the United States of America, the State of New Jersey, and/or the County of Essex shall be received by the Township after the issuance of the bonds or notes authorized in Section 2 hereof, then such funds shall be applied to the payment of the bonds or notes so issued and shall be used for no other purpose.

SECTION 5. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the Township, provided that no note shall mature later than one (1) year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer of the Township shall determine all matters in connection with the notes issued pursuant to this bond ordinance, and the signature of the Chief Financial Officer upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time in accordance with the provisions of N.J.S.A. 40A:2-8(a). The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchaser thereof upon receipt of payment of the purchase price and accrued interest thereon from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this bond ordinance is made. Such report must include the principal amount, the description, the interest rate, and the maturity schedule of the notes so sold, the price obtained and the name of the purchaser.

SECTION 6. The capital budget of the Township is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith. In the event of any such inconsistency, a resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital programs as approved by the Director of the Division of Local Government Services will be on file in the office of the Clerk and will be available for public inspection.

SECTION 7. The following additional matters are hereby determined, declared, rected and stated:

a. The purpose described in Section 3 of this bond ordinance is not a current expense and is an improvement which the Township may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

b. The period of usefulness of said purpose within the limitations of said Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is ten (10) years.

c. The supplemental debt statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the Township and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this bond ordinance by \$180,000, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

d. An amount not exceeding \$20,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purpose or improvement herein before described.

SECTION 8. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Township and the Township shall be obligated to levy ad valorem taxes upon all the taxable real property within the Township for the payment of the obligations and the interest thereon without limitation as to rate or amount.

SECTION 9. The Township reasonably expects to reimburse any expenditures

toward the costs of the improvement or purpose described in Section 3 of this bond ordinance and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. No funds from sources other than the bonds or notes authorized herein has been or is reasonably expected to be reserved, allocated on a long-term basis or otherwise set aside by the Township, or any member of the same "control group" as the Township, within the meaning of Treasury Regulations Section 1.150-1(f), pursuant to their budget or financial policies with respect to any expenditures to be reimbursed. This Section 9 is intended to be and hereby is a declaration of the Township's official intent to reimburse any expenditures toward the costs of the improvement or purpose described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulations Section 1.103-13(j) or 1.148-9(g) to avoid, in whole or in part, arbitrage yield restrictions or arbitrage rebate requirements. The proceeds of any bonds or notes authorized herein used to reimburse the Township for any expenditures toward the costs of the improvement or purpose described in Section 3 hereof will not be used directly or indirectly (i) to "refund" an issue of governmental obligations within the meaning of Section 148 of the code, (ii) to create or increase the balance of a "sinking fund" within the meaning of Treasury Regulations Section 1.103-13(g) with respect to any obligation of the Township, or to replace funds that have been, are being or will be used for sinking funds purposes, (iii) to create or increase the balance in a "reserve or replacement fund" within the meaning of Treasury Regulations Section 1.103-14(d) with respect to any obligation of the Township or to replace funds that have been, are being or will be so used for reserve or replacement fund purposes, or (iv) to reimburse the Township for any expenditure or payment that was originally paid with the proceeds of any obligation of the Township (other than borrowing by the Township from one of its own funds or the funds of a member of the same "controlled group" within the meaning of Treasury Regulations Section 1.150-1(f). The bonds or notes authorized herein to reimburse the Township for any expenditures toward the costs of the improvement or purpose described in Section 3 hereof will be issued in an amount not to exceed \$180,000. The costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. This provision will take effect immediately, but will be of no effect with regard to expenditures for costs paid outside the permitted reimbursement period set forth in Treasury Regulations Section 1.103-18(c) (ii).

SECTION 10. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by the Local Bond Law.

## We the People

## Hispanic Americans

Every 10 years, Uncle Sam takes a census, or counts the people. (These figures are from 1990.)

**Total U.S. population:**  
248,700,000

Uncle Sam also asks people to name their heritage, or where their ancestors came from.

**22,400,000 people said they were of Hispanic heritage.**

Hispanic people make up the second largest minority group in the country.

Blacks are the largest minority group.

The number of Hispanic people is growing faster than any other minority group. Since the last time Uncle Sam counted people (1980), the number of Hispanic people grew by 53 percent.

Uncle Sam projects that by the year 2010, Hispanic Americans will number 40,525,000.

### Who are the Hispanic Americans?

According to the U.S. Census Bureau, Hispanics are people from Spain or areas once settled by Spain. Many have both Spanish and Indian ancestors. They are also called Latinos.

Hispanics come from many different backgrounds. They often trace their roots back to a certain country. Here are some of the leading ones:

**1. Mexico, 13,393,008**  
Mexicans are the largest Hispanic group.

**2. Puerto Rico, 2,651,000**  
Puerto Ricans are the second largest.

**3. Cuba, 1,053,000**

**Central Americans, 1,323,830**  
Mainly from:

**4. El Salvador, 565,000**

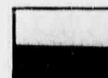

**5. Guatemala, 268,779**

**6. Nicaragua, 202,658**

**South Americans, 1,035,600**  
Mainly from:

**7. Colombia, 378,726**

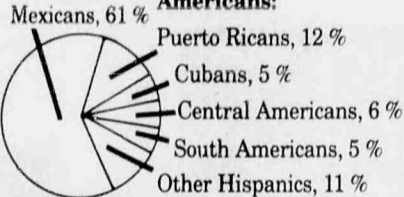

**8. Ecuador, 191,198**

**9. Peru, 175,035**

### Background percentages of Hispanic Americans:

Where do the Hispanics get their name? In ancient times, Romans once ruled the area that is now Spain. They called it *Hispania*. Columbus named the first island where he landed in the New World "*Hispaniola*."

Hispanic festivals are big celebrations in many parts of our country. Music by mariachi bands is popular. The musicians play violins, guitars and trumpets.

### Spanish sayings

<b>MUCHAS GRACIAS</b> (MOO-CHAS GRAN-SEE-ANS) THANK YOU.	<b>DE NADA</b> (DEN NAA-DAA) YOU'RE WELCOME.	<b>BUENOS DIAS</b> (BWAY-NOS DE-ANS) GOOD MORNING.	<b>BUENAS NOCHES</b> (BWAY-NAS NO-CHAYS) GOOD NIGHT.
Por favor (pour fah-VOHR) Please	Hola (OH-la) Hello	Adiós (ah-dee-OHS) Goodbye	¿Dónde? (DOHN-day) Where?
¿Cómo le va? (KO-mo lay VAH) How do you do?	¿Cuándo? (KWAN-doh) When?	¿Cómo está usted? (KO-mo ace-TAH oos-TAYD) How are you?	Muy bien, gracias (moo-e be-AYN, GRAH-see-ahs) Very well, thank you

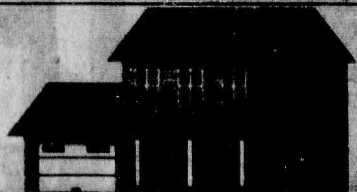

### PETER PENGUIN'S PUZZLE LE-DO

Fit these words of Spanish origin into the puzzle.

## American Standard Decorated Ware

Meandering ivy stencil designs, a basket of tempting trompe l'oeil fruit, and color splashed wall paper borders are just a few of the ways consumers have been personalizing their living spaces in the '90s. Add to that mix three complementary designs on decorated ware from American Standard, and style conscious consumers have never had more choices for the kitchen and bath.

Steeped in tradition, Ivy evokes tranquil English gardens, while Fruit bursts with the warm hues of autumn harvests. For more contemporary tastes, Brush Strokes adds a subtle but lively splash of color. Each is available on two models of American Standard sinks and lavatories, and on one bathing pool and whirlpool.

"America has always had a love affair with hearth and home," said Gary Uhl, group design manager.

"We've tried to capture some of that passion in our new spirited designs."

Available exclusively on Americast products, the in-fired designs are applied during the porcelain enameling process for high durability.

"Our decorations are in-fired and thus an integral part of the Americast process," said Jeannette Long, product manager - enameled products. "With this manufacturing process, designs cannot be rubbed off or marred through regular wear."

Ivy and Fruit designs are available on the Silhouette 25" single bowl and 33" double bowl kitchen sinks. Ivy and Brush Strokes are available on Acclivity and Affinity lavatories and on the five-foot Cambridge whirlpool and bathing pool. All three decorations are offered on White and Bone products only.

## Appliances Should Be Certified To National Safety Standards

Natural gas appliances and equipment should be certified to national operating and design standards, according to the American Gas Association.

Consumers should look for the Blue Star Design Certification Seal from the A.G.A. Laboratories or a similar seal from another nationally recognized testing agency, A.G.A. says.

The A.G.A. Blue Star is an assurance from the manufacturer that the design of the national gas appliance complies with safety standards adopted by the American National Standards Institute, A.G.A. says.

Many local government building codes and standards require A.G.A. certification on natural gas appliances and equipment.

The A.G.A. laboratories have tested nearly 60,000 pieces of equipment submitted by more than 500 manufacturers since 1925.

## New Spouts Added To Cadet And Cadet Prestige Faucet Line

Fans of American Standard's popular Cadet and Cadet Prestige faucets now have more styles from which to choose. The Crescent spout introduces a stylish, contemporary aesthetic to the faucet family, while the understated lines of the Conventional spout are suitable for any decor.

With a shape reminiscent of its name, the affordable Crescent boasts a softly curving arc that delivers water in style. The spout is available for

widespread, minispread and deck-mount tub installations.

Best noted for its clean, simple lines, the Conventional spout is available for widespread and deck-mount tub installations.

Both feature NuSeal valving and are backed with a limited lifetime warranty against drips. The low-lead, cast brass spouts are available in Polished Chrome, Polished Brass and White.

As a convenience to the buyer, monthly payments are included in our ads. For purchase prices up to \$600,000, monthly mortgage payments (principal + interest) quoted in our ads are for qualified buyers, based upon a 20% downpayment and a conventional 30-year fixed rate loan at 6.50% interest. For purchase prices over \$600,000, monthly payments are based upon a 20% downpayment and a conventional 30-year fixed rate loan at 6.50% interest. An example of a \$600,000 loan would mean \$500 monthly payments of \$2,044.57. Figures herein are approximate and do not include property taxes, hazard insurance, or homeowners association dues for a condominium purchase. Interest rates quoted are as of September 1, 1994, and subject to change. Not responsible for typographical errors; while information is believed accurate, we request that the payment be verified with a mortgage provider prior to purchase.

### PERSONAL NOTICES

PRAYER TO THE BLESSED MOTHER (never known to fail) Oh, most beautiful flower of Mt Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me & show me, herein you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand your power. Oh, Show me herein you are my mother, Oh Mary, conceived without sin, pray for us who have recourse to thee (3x). Holy Mother, I place this cause in your hand (3x). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the Divine gift to forgive and forget all evil against me and that in all instances in my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want be separated from you in Eternal Glory. Thank you for your mercy toward me and mine. The person must say the prayer 3 consecutive days. After 3 days the request will be granted. This prayer must be published after the favor is granted. S.M.
