VETERANS UNITED - Belleville Veterans Day Grand Marshal Sol Khin enjoys a moment with members of the Transit Police Band of New York and the Naval Color Guard from Willow Grove, Pa. Below, the U.S. Army Armament Research, Development and Engineering Center float rides past Town Hall. Veterans marched Nov. 6 in the annual parade. See page 3 for more photos.

High school students teach youngsters...

Foreign languages expand in grades 5,6

By Richard Dickon

High School students are teaching elementary school students the rudimentary elements of French, Spanish and Italian languages as part of a program that has now expanded to seven elementary schools.

Belleville schools have slowly brought Foreign Language education to elementary schools. A pilot program was begun at School #7, and students, parents and teachers all found the experience rewarding. Then, in 1992-93 the program was expanded to School #5, and then to School #3 the following year.

Now, for the 1994-95 school year, School Superintendent Michael A. Lally has proposed expanding the program to Schools #4,8,9, and 10, making all the elementary schools participants in the study of other languages.

Speaking at a recent Board of Education meeting, Lally said the program will "utilize available resources, including the five high school language teachers. "The

teachers will oversee upper level students, who will be offering instruction to lower level students."

A major benefit of elementary school students learning foreign languages comes from the interaction between older and younger students, much like the Peers Educating Peers programs, which have older grade students teaching younger students about substance awareness.

This means younger students will be exposed to foreign language by their older peers, who are normally looked up to by younger children, meaning there is greater potential for interest being created in young students. Also, high school tutors are given a valuable activity to place on college applications or job resumes.

Training sessions will be given by teachers, and transportation will be provided for visiting students, Lally said. Teachers will evaluate the 20 to 25 sections in grades five and six that will participate.

TAKING THE OATH - Newly-elected Second Ward Councilman Joseph Scaperrotta is sworn in by Assemblywoman Marion Crecco (R-34), while Scaperrotta's mother, Marie, holds the Bible.

Fire Dept.: 4, 4.5, 4.75, BMEA: 4, 3.75, 3.5...

BMEA, Fire dept. salaries pass despite split Council's opposition

By Richard Dickon

Salary Ordinances giving raises of 4, 4.5 and 4.75 percent for the Firefighters Municipal Employees Association and increases to the Belleville Municipal Employees Association of 4, 3.75 and 3.5 percent were passed on first reading Nov. 10 despite opposition from some members of the Township Council.

The Police Department will get raises of 4, 4.5 and 4.75 percent over three years, under a salary ordinance already passed on first reading. Police Det. Mark Minichini, PBA President, Barbara Tuck, BMEA President, and Fire Department union officials have continued to reserve comment until the salary ordinances pass after a public hearing.

Newly elected Second Ward Councilman Joseph Scaperrotta, in his first meeting, tried unsuccessfully to table the BMEA salary ordinance and to have the Township Manager, Attorney, Engineer and Municipal Judge removed from the ordinance, so that their raises could be negotiated separately. Councilwoman Angie Paserchia also voted to remove the four positions, while Councilman Jerry Digori cast the other vote in favor of tabling the BMEA salary ordinance.

Deputy Mayor Thomas Spillane tried to have the non-union employees ordinance tabled, but could not get a second.

Township Manager Stephen Cuccio pleaded with the Council not to delay passing the salary contracts. "The BMEA bargained in good faith. It would be a travesty if we do not pay them before the Christmas holidays. The next negotiations will be much more difficult if we hold this up, and this is a pretty good contract," Cuccio said.

In pushing for removal of the four professional positions, Scaperrotta said, "These positions are under contract, and should not be treated as employees. They are subject to review, and renewal. Salary increases are subject to renewal of a contract. Like the CEO of a company, they are not just another employee. They have a limited term of appointment, and we either decide to rehire them or to get someone else."

Mayor Jim Messina, who favored keeping the four professionals in the salary ordinance, said, "We (the Council) work, we're employees. If we call the attorney, he has to work, he is an employee."

Spillane said "I agree with the (BMEA) basic agreement and premise that non-union employees should get the same sort of consideration. But they are contractors with the town. In my opinion, these people should be treated separately. I have never understood how they were involved in the salary ordinance. I think they should be treated constantly as separate entities."

Cuccio and the Council continued to discuss changes in the BMEA contract for several employees. Senior Citizen Program Aide, Registrar and Traffic Maintenance Foreman were all discussed, with questions raised about whether or not they were needed. In addition, the part-time clerk positions for the Zoning Board of Adjustment, the Planning Board and Rent Leveling Board were also discussed.

Other positions discussed were new positions, including a private clerk, to work temporarily, who is not a Civil Service Employee. Also new is the position of Purchasing Agent, changed to Senior Purchasing Agent, a change Cuccio said was mandated by Civil Service, adding that a Civil Service test will be open to all qualified applicants in Belleville. Also, there is the hiring of a Practical Nurse for the Health Department, which Cuccio said is already in the department's budget. A practical nurse is paid less than a registered nurse, Cuccio said, and a practical nurse is all that is required for the department.

Under the salary ordinances, passed on first reading, the following 1994 base salaries are listed: Township manager, \$83,200; Clerk, \$48,959; Attorney, \$37,440; Engineer, \$1; Director of Public Works, \$70,000; Director of Finance, \$57,330; Director of Recreation and Cultural Affairs, \$54,318; Director of Planning, \$1; Tax Collector, \$48,960; Tax Assessor, \$47,104; Assistant Township Attorney, \$32,240; Municipal Judge, \$39,328 and Neighborhood Preservation Coordinator, \$22,932.

The Fire Department salaries are as follows: Effective Jan. 1, 1994, after first year of employment, \$30,535; after second year, \$34,016; after third, \$37,496; after fourth, \$40,977 and after fifth, \$44,463. In 1995, the top salary for fifth year is \$46,464 and in 1996 the salary for first year is \$33,425 and \$37,236 for second year.

Library director honored with awards, lecture

Adrea Cohen was welcomed as the new Library Director by the Library Board of Trustees and presented awards for her twentieth year of service to the Belleville Public Library and Information Center, on Nov. 1, at a special program featuring Dr. Elliot Engel, scholar and performer, who spoke on "Scarlett Fever: The Greatness of 'Gone With the Wind.'"

Barbara Spillane, secretary of the board of trustees and president of the Woman's Club of Belleville, served as the chairperson for the celebration. She was assisted by Carol Lamin, administrative clerk, Joan Taub, reference librarian, and many members of the staff.

The board of trustees presented Cohen with a silver engraved plate for her 20 years of dedicated service. The Friends of the Belleville Public Library, who had previously honored Cohen, presented her with a Certificate of Recognition for leadership and dedication, presented by president Marge Lordi. Deputy Mayor Thomas Spillane, in the absence of the Mayor, presented Cohen with a resolution from the Municipal Council, extending its congratulations for her appointment as director and expressing its appreciation for her 20 years of service.

Presentations were also made to Cohen by the Zonta Club, an international business club; the Woman's Club of Belleville, where she is a long-time member; the Belleville Alliance for Substance Awareness, whom she has worked with; and an instructor for the English As A Second Language Course she helped bring to the library.

Cohen said, "We're not just books! We're a dedicated group of Library Board of Trustees, Friends, a Township Council who really cares about the library, and a library staff who tries to do the very best."

The library, she said, has "programs for children, adults, story

hours, pre-school mothers' programs, tax assistance programs, liaison with the B.A.S.E. Center, the Chamber of Commerce, the Woman's Club of Belleville, the Martin Luther King Jr. Commemorative Commission, the New Jersey Council for the Humanities, the Nicholas Martini Foundation, self-help and health programs, investment programs, book discussion and poetry programs, and literacy programs, and much, much more."

Cohen holds an A.A. degree from Boston University, a B.A. and M.A. degree from Montclair State

University, and an M.L.S. degree from Pratt School of Information and Library Science. She has taken graduate work at Rutgers School of Communication, and Library Studies, Harvard University, and also continuing education courses. She is a member of the Board of Directors of the Chamber of Commerce; a board member of A.A.R.P. and B.A.S.E. She has spoken at many school assemblies, to faculties, and community groups. She is a past president and exhibits chair for NJLA; a past president of Zonta International; chair of

Libraries in Focus; past public relations chair of Region III, and currently a member of the CECLIS Board. She and her husband, Roy, a New Jersey C.P.A., have two daughters, Pamela, an attorney, and Bonnie, a second year law student.

Working with the trustees and staff, Cohen said she hopes to provide the library with full disabled access, expanded computer and CD ROM services, outstanding cultural programs and bibliographies, community liaison, and bringing the library into the 21st century along the information highway.

LIBRARY DIRECTOR HONORED - Barbara Spillane, (center, right) presents Library Director Adrea Cohen (center, left) with a presentation from the Library Board of Trustees for becoming Library Director and for her 20 years of service to the library. Joseph Casale, library treasurer (left), and Paula Cummis, and Kenneth Broo (right), look on.

Town hall lot parking metered for residents only

By Richard Dickon

The Township Council has passed an ordinance for 25 cent meters in the Northside parking lot adjacent to Town Hall, that will allow only residents, not employees, to park there.

The change was made in response to complaints from residents, Township Manager Stephen Cuccio said, with municipal employees now parking in the rear of Town Hall.

Residents have complained that no parking is available in the lot, because municipal employees park there all day long and in the evening, during council

meetings.

The meters are to charge 25 cents per hour, up until 6 p.m.

Meters on Washington Avenue will still charge a nickel, until the Council authorizes funds to have the meters changed, according to Cuccio. He said he would like to make all the meters, from Mimi Street to the Nutley border on Washington Avenue 25 cents.

Parking has also been prohibited on Valley Street from Washington Avenue to Academy Street, although Cuccio said he recommended allowing parking on one side, so that workers have a place to park.

Police Blotter

On Nov. 9, an armed robbery/hijacking took place in front of the Belleville Tobacco store in the Grand Union mall on Main Street.

A commercial van, containing tobacco products and candy was parked in lot. The driver had just completed his delivery and was sitting in the driver's side of the van completing his tally sheet when an hispanic male opened the van door and stuck a gun in the driver's ribs, forcing him the floor.

He then drove the van down Main Street and onto Route 21 North. Near the junction to Route 3, the van pulled over to the shoulder, when a second Hispanic male pulled the driver out of the van and left him on the side of the road. The van then sped off onto Route 3.

The van was recovered the following day in Union City, with \$2,000 in cash and 1,700 cartons of various cigarettes reported stolen. Police Det. Mack, investigating the incident, is asking anyone with information or who witnessed the attack to call the Police Department.

On Nov. 7, Det. Robert Capece and Michael Giuliano arrested Andrew Joyner, 28, of Belleville, for possession of seven vials containing a white powder believed to be a controlled dangerous illegal substance.

Earlier, Giuliano, working undercover at the intersection of Mill and Bridge Streets, arrested Victor Nieves, 27, for selling him 20 vials of a controlled dangerous substance.

As a result of an ongoing investigation, Joseph Baulo, 33, was arrested after five packs of a controlled dangerous substance were found in his car.

Belleville Senior News

Battle Hymn of the Aging

We reach the age of sixty-five
Our golden years are here,
They tell us that the age begins
A happy new career,
From now our Uncle Sam becomes
Our permanent cashier
As we go bravely on.

Our Social Security
from Baltimore is sent,
We buy a little bit of food
and maybe pay the rent,
And after that we're stony broke
and left without a cent
But we go bravely on.

And as for checks from medicare
Will someone tell us how?
They always find some doctor bills
they sadly disallow.
And dental cost; as well we know,
They sadly disavow.
But we go bravely on.

We don't know how we make it
as we live from day to day,
With income fixed, and prices up,
There is always more to pay.
So minding our arthritis,
Let's get on our knees and pray
That we'll go bravely on.

And first of all, let's thank the Lord
That we are still alive,
The dreams we have may still come true
When we are ninety-five.
So, please, Dear Lord, give us the
Strength our troubles to survive,
As we go bravely on.

Get well wishes to Mary Catina, Margaret Rosania, Sal Bernaducci, Maria Lenzi and Millie Genovese. Remember them in your daily prayers. They will appreciate your prayers.

Speaking of seniors, there are several good rules to follow in order to stay healthy.

The National Institute on Aging suggests the following precautions to curb the likelihood of falling:

- Stand up slowly. Standing up from a sitting position can

sometimes cause dizziness.

- Light your way. Make sure your home is well-lighted. Pay particular attention to lighting by bedside tables, in halls and on stairways.

- Use handrails. Install handrails along both sides of the stairway.

- Mark steps. Stick bright, contrasting tape on the first and last steps of stairways.

- Lay secure carpeting. Cover slippery surfaces with carpets or rugs that are in good repair and firmly anchored to the floor. As an additional precaution, attach non-skid rubber backing to area rugs.

- Clear paths. Keep floor surfaces throughout the home flat and free of clutter.

- Wax your floors with care. Use a non-skid floor wax on linoleum floors.

- Tape the tub. Put non-skid adhesive strips or plastic mats in the bathtub.

- Go for grab bars. Install them on bathroom walls.

- Straighten the course. Arrange the furniture so that your path is clear and there are no obstacles to trip you up.

Clara Maass has announced that they will now charge for parking in their parking facilities. The schedule of rates are as follows: One hour - \$1.50; two hours - \$2.50; three hours - \$3.50 and \$6 for up to 24 hours. Patients for same day services will be free. Seniors attending the Supper Club are also free from 4:30 to 6 p.m. This will create a hardship on some seniors who visit the many members who are in the hospital.

Anniversary greetings to Mr. and Mrs. Lou Rinaldi and Pat and Mary Cavallo.

Also a belated happy anniversary to my daughter and son-in-law, Mr. and Mrs. Herbert Lager of Long Island, N.Y.

I am happy to announce that one of our members, John Iracane, had a terrific day fishing out of Point Pleasant two weeks ago. He and Carmen Trignano were aboard the Queen Mary under Captain John Brackett fishing for blues and caught the limit of ten fish per person. The highlight of the day was that John caught a blue weighing 20 pounds, which won the pool for the day. Congratulations to you, John!

Tid bit: Every cigarette you smoke is only another nail in your coffin, so stop smoking!

P.S. Happy birthday to my wife, Mary. May she have many more and may I be there with her to enjoy them.

THE ESSEX COUNTY UTILITIES AUTHORITY WILL BE CONDUCTING A

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

**FOR ESSEX COUNTY RESIDENTS
— SATURDAY, NOVEMBER 19th, 1994 —**

FREE OF CHARGE • MUST PRE-REGISTER

- Rid your home of household hazardous waste
- Dispose of household hazardous substances The Right Way

WHERE:

Essex County Dept. of Public Works
Fleet Maintenance Garage
99 W. Bradford Avenue, Cedar Grove, NJ
Essex County Hall of Records Parking
Garage, located behind the Hall of
Records, 465 Dr. Martin Luther King, Jr.
Blvd., Newark, NJ

WHEN:

Saturday, November 19th, 1994
From 9:00 am to 3:00 pm only.
(Please do not arrive earlier or later than the appointed hours.)

WHAT TO BRING:

- Pesticides and herbicides
- Paint thinners and solvents
- Chemistry sets
- Automotive fluids: Antifreeze, motor oil, transmission, steering and brake fluids
- Gasoline
- Batteries: Lead acid type (Automotive) Household type (AA, AAA, C, D, 9V, NiCad, etc.)
- Propane tanks (Barbecue grill type)
- Oil-based paints & stains
- Pool chemicals
- Darkroom/photographic chemicals
- Household cleaning fluids

WE WILL NOT BE ACCEPTING:

- Waste from commercial or industrial sources (This program is for household waste generated by Essex County residents only.)
- Latex paints (These should be dried out and disposed of with your regular trash.)
- Empty containers (Dispose of these with your recyclables or trash in the regular manner.)
- Unlabeled or unidentifiable materials
- Explosives, munitions, ordnance or highly reactive materials
- Regulated medical waste or infectious waste
- Asbestos

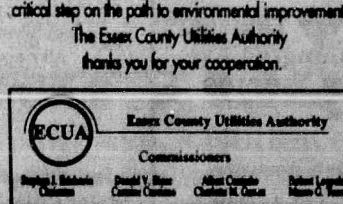

All containers must be five gallons or under or ten pounds or under. Larger or heavier containers will be rejected.

PRE-REGISTER TODAY

To participate in the Essex County Utilities Authority's Household Hazardous Waste Collection Day, Essex County residents must pre-register no later than Friday, November 18, 1994. Pre-registration enables us to estimate the volume of materials to be collected, and also ensure that all participants are Essex County residents. To pre-register or for more information, call Mr. Peter Abene at the Essex County Utilities Authority at:

201-857-2350

Proper disposal of household hazardous waste is a critical step on the path to environmental improvement. The Essex County Utilities Authority thanks you for your cooperation.

OUR OPINION

Scaperrotta joins growing Council drive to reduce township salaries

Two things were crystal clear after Joseph Scaperrotta's first meeting as Second Ward Councilman. First, he plans to keep his promise to voters about reducing spending. Second, he is not concerned with winning a popularity contest among township employees.

Scaperrotta wasted no time in demonstrating that his voice will be heard on all Council decisions. By calling for the Township Manager, Engineer, Attorney and Municipal Judge to be removed from the salary ordinance that would increase their salaries by between three and four percent per year for three years, Scaperrotta sent a clear message: nothing will be taken for granted.

Scaperrotta's argument, which has been made by Councilman Bill Cook in regard to the Township Manager's salary, is that these professional positions are separate from the regular town employees. As contracted positions, these jobs are subject to review by the Council, who decides whether or not to continue with the same professionals at the end of the contracted time period. Scaperrotta was supported by Councilwoman Angie Paserchia, who voted in favor of withholding raises and against introducing the ordinance that would provide the raises. To a lesser extent, Deputy Mayor Thomas Spillane shared the view, moving unsuccessfully to table the salary ordinance, after expressing a

desire to have the latitude to separate the professionals from the town employees. Cook was absent from the meeting.

Although the Belleville Municipal Employees Association salary ordinance and the Firefighters Municipal Benevolent Association salary ordinances both passed on first reading, precedent was set for questioning any and all salary increases. Councilman Victor Canning voted against the firefighters salaries, continuing his argument that the new Fire Department table of organization has too many lieutenants positions.

With so many residents in danger of being taxed out of Belleville, this debate over salaries is necessary, even if it is unpleasant to town employees. The salary contracts, as stated last week in this space, are a step in the right direction. With Joseph Scaperrotta joining a growing number of Council members in questioning salaries, the Council is heading in the proper direction. No rubber stamps should be accepted when spending tax dollars, and the current makeup of the Council seems more and more likely not to spend money without serious question and debate. The Council must continue on this path when moving forward on renovating and restoring Town Hall, renovating Municipal Stadium and building senior citizen housing. We'll be watching.

Early foreign language instruction promises bilingual student population

Belleville schools have slowly brought Foreign Language education to elementary schools. A pilot program was begun at School #7. Then, in 1992-93 the program was expanded to School #5, and then to School #3 the following year.

Now, for the 1994-95 school year, School Superintendent Michael A. Lally has proposed expanding the program to Schools #4, 8, 9, and 10, making all elementary schools participants in the study of other languages.

With the population of Belleville and everywhere else changing to a more ethnically diverse, multi-cultural "melting pot" than possibly ever before, fluency in another language provides Belleville students with an advantage for career and job advancement.

A second major benefit of elementary school students learning foreign languages comes from the interaction between older and younger students. Much like the Peers Educating Peers programs, which have older grade students teaching younger students about substance awareness, the foreign language instruction will come from high school

students.

This means younger students will be exposed to foreign language by their older peers, who are normally looked up to by younger children, meaning there is greater potential for interest being created in young students. Also, high school tutors are given a valuable activity to place on college applications or job resumes.

Learning rudimentary lessons while also learning English skills during elementary school just makes sense, since studies show a child learns a second language easier when they are younger and also learning English.

With the unfortunate realities of such news stories as a Juvenile Police Officer taking residence in the High School and the continuing saga of the substandard conditions at Municipal Stadium, it is more important than ever to highlight the positive things happening at Belleville schools. All in all, the expansion of Foreign Language studies to all elementary schools shows vividly that "Good Things are Happening in Belleville Schools."

YOUR OPINION

Saulino honored by faculty, staff

To the editor:

Effective administrators possess a myriad of qualities. Among them are the ability to manage, to encourage, to participate, to imagine and to be accountable.

Raffaella Saulino, Belleville School Three principal, embodies all of these characteristics.

She began her career as a primary grade teacher, then moved on to becoming a Learning Disabilities Specialist who recognized and advocated positive changes in special education curriculums. Saulino was honored with a scholarship award from the Learning Disabilities Association of America.

In 1990, Saulino took the helm as principal of School Three. Her enthusiasm and talents have proven to be a gift to students and staff.

Among the projects she has encouraged and developed are the Fine Arts Curriculum, Ecological Awareness, All-Day Kindergarten and family participation courses such as "Family Math" and "Family Science."

Faculty members will affirm that their boss is quick to praise, eager to listen and genuinely innovative.

Saulino will tell you that her staff is responsible for the success of School Three.

Raffaella Saulino -- administrator, teacher, good citizen, wife, mother, grandmother -- truly deserves the title "Best Boss!"

Faculty and Staff
School No. 3

Mazzuca applauds cooperative efforts

To the editor:

As chairman of the Building and Grounds Committee for the Belleville Board of Education, it is with pleasure and great satisfaction to inform you of a cooperative effort established between the Board of Education and our town council.

Our first meeting took place at the Municipal Stadium where we toured the entire complex. We discussed the immediate needs, such as, painting the press box, ridding the area of debris, grooming the fields, checking the score board, general lighting of the area, and cleaning lavatories and locker rooms. In only two days all of the above was accomplished at no cost other than the daily wages of town workers.

Our next meeting took place at town hall where we discussed short and long range goals. You will be informed of any final decisions.

I would personally like to thank Councilmen Jerry Digori and Victor Canning for being present and seeing fit to address these needs. I would also like to thank Karen Fucello, supervisor of athletics; Vinnie Fiscella, supervisor of maintenance and custodians; Bruce Morgan, representative from the athletic advisory council; Mary Ann Lopreato, representative of the parents' organization; all central office administrators; and board members John Notari and Barbara Cicalese.

If we combine our resources, always keeping in mind what is best for our children, we would then be able to accomplish the goals so sorely neglected for so many years. Looking forward to seeing you at our next Board of Education meeting.

Ralph B. Mazzuca, Chairman
Building and Grounds Committee

Firefighters quick response appreciated

To the editor:

On Aug. 24, somewhere around noon, I arrived home from the shore. My father Thomas J. Melillo lived with me. When I entered my house I found my father in bed. He had passed away during the night. I immediately called 911 and the police and firemen responded immediately.

The firemen showed care, sensitivity, and understanding. I also feel that they went one step over their line of duty. They reached my husband for me who was not at home when all of this was happening.

They stayed with me through all of this which was of great comfort to me. I want to thank the fire department and police department for all of their efforts and patience.

As a Belleville resident for more than thirty years, I have read many articles degrading the firemen and the police. They could not have done anything more for me (and many others) than they did.

Words cannot express my heartfelt thanks to these men who helped me in my time of need. God bless you all.

Angela Parrillo

Of All Things

By Frank Orechio
A feature of the Nutley Sun,
Bloomfield Life and
Belleville Times

• **PASSAIC** County Freeholder Bill Martini became Congressman thanks in large measure to Passaic County Republican Chairman Peter Murphy and Sheriff Eddie Englehardt. Englehardt is one of

Bill Martini

the most resourceful and successful public officials produced anywhere in the state of New Jersey over the last quarter century. A dynamic person, Englehardt was among the early birds who

endorsed Christie Whitman for Governor in last year's Primary Election. Former Republican Attorney General Cary Edwards thought he had a lock on Passaic County, but found much to his dismay that Englehardt decided to make a winner - and he did by supporting Whitman early on.

• **LAST** week, New Jersey lost one of its most valued treasures, Congressman Dean Gallo who died from cancer of the prostate. Maybe, it was his destiny. Gallo was one of the great men of our time who was urged by his friends to run for the Republican nomination for Governor in 1981, but stepped aside to permit Tom Kean to become the Republican nominee, and ended by serving eight years. At 58, he was too young to die. Gallo's death is among thousands annually of men who die from prostate cancer. In many cases, it doesn't have to be. Periodical exams and daily consumption of vitamins that strengthen the

Eddie Englehardt

Dean Gallo

Carmen A. Orechio

prostate could save thousands upon thousands of male lives if they would only take the time and trouble to visit the health store and buy the vitamins that are available in abundance - and visit their personal physician on a regular basis.

Gallo had integrity, commitment and class. He was a noble human being.

• **THE** axe finally fell at our neighbor, Hoffmann-LaRoche, Inc., that 600 workers are expected to be laid off by January 6th as part of the company's effort to downsize. The Roche office headquarters in Switzerland last month announced that it would cut about 5,000 employees over the next several months.

• **FROM OTHER PENS:**

Youth is a quality that never leaves you. "Young" is meaningless.

• **THE** Carmen A. Orechio Civic Association will be holding its annual Christmas Party on Saturday evening, December 10th at the Essex Manor, Bloomfield. Tickets are priced at \$40 per person and may be purchased before November 28th from the Civic Association's Chairperson, Barbara Hirsch. A sold-out crowd is expected, so make your reservations early!

By Richard Dickon

When DiCola read that story to the

DONKEY STOLEN - Young Nicole D'Andrea shows the place where her donkey lawn ornament used to be. On the left Nicole and her grandmother, Mary McCarthy, pose with the donkey, nicknamed "Peanuts," last Easter. The donkey was stolen earlier this month from Nicole's house on Overhill Road, and the family would like it returned, and no questions will be asked.

If you know of someone, or are yourself responsible for some of the many big or small, important good deeds done everyday and worthy of recognition in this town, let me know, because, as the this column states,, when it comes to good people, doing good things, "That's All in Belleville."

Also, four Belleville residents were named to the Spring 1994 Honors and Dean's Lists at FDU's Florham-Madison campus. Katrina Bolchune, James Guarino and Roland Romano were named to the Honor's List while Josephine Iannuzzi was named to the Dean's List.

On Saturday, Oct. 29th, St. Mary's Church, 17 Msgr. Owens Pl., Nutley, celebrated a Healing Mass. The Mass was for those physical hurts as well as those in need of spiritual and emotional consolation.

More than 200 people attended this Mass and it was a beautiful, Spirit-filled experience, according to Church officials.

The van used was handicap accessible with a wheelchair lift.

Thanksgiving Day craft

"Make a Thanksgiving Puppet" will be a special craft program featured on Nov. 21, from 3:15-4 p.m. at the Shafter Branch Library, 30 Magnolia Street. Everyone will have the opportunity to make puppets and give suggestions for a Thanksgiving play.

Registration is required. Call the Shafter Branch at 450-3438.

BOOK MARKS

Entertainment '95

The Friends of the Belleville Public Library and Information Center are selling Entertainment '95 at the Main Circulation Desk of the Library and at the Shafter Branch Library.

Entertainment '95, selling for \$40, is filled with hundreds of two-for-one and 50 percent discounts for fine, casual, and fast-food restaurants, sports, and cultural events, movie theatres, hotels, and resort services, and much more. The library is selling the Essex edition, but if you need a special one, the library will order it.

Calendar of Events

In the Trustees Gallery: A photography exhibit by the Camera Arts Group will take place through Nov. 30 in the Trustees Gallery of the Belleville Public Library and Information Center, 221 Washington Avenue. Please call in advance if you are coming from a distance to see the exhibit, as the gallery also serves as the library's meeting room.

Library Exhibits: "Noah's Ark" by Jean Tobia and "Spoons From Around the World" from Barbara Fischer's collection are on exhibit at the Belleville Public Library and Information Center.

Nov. 17 - The film "The Petrified Forest" will be shown at 1 p.m. at the Belleville Public Library and Information Center.

Nov. 18 - The Friday Musical Film Class Series features the film "Because You're Mine" at 12:30 p.m. at the Belleville Public Library and Information Center.

Nov. 19 - Bob Conrad will present a program entitled "Books Are Magic" at 2 p.m. at the Belleville Public Library and Information Center.

Nov. 20 - Part I of the film "J.F.K." will be shown at the Belleville Public Library and Information Center, as a special film class showing in memory of his assassination.

A Thanksgiving Day Craft, entitled "Make a Newspaper Pilgrim Puppet" will take place from 3:15-4 p.m. at the Shafter Branch Library, 30 Magnolia Street.

Nov. 22 - The Opera Film Class Series will feature the opera "Lucia Di Lammermoor" at 12:30 p.m. at the Belleville Public Library and Information Center.

Nov. 25 - The Musical Film Class Series will feature the film "Flower Drum Song" at 1 p.m. at the Belleville Public Library and Information Center.

Books about drugs and alcoholism

Cindy LaRue, Acquisitions and Reference librarian, has prepared a bibliography on fiction books about drugs and alcoholism, available at the Belleville Public Library and Information Center, 221 Washington Avenue, and also at the B.A.S.E. Center, 527 Joralemon Street.

Book discussion

In conjunction with the New Jersey Council for the Humanities, who has provided a matching grant, the Literature Department of the Woman's Club of Belleville, and the Belleville Public Library and Information Center, the lecture by Thomas Benediktsson on "Laughing Boy" by Oliver La Farge continues on Nov. 30, at 1 p.m.

Call the library at 450-3434 to register.

Library means business

The Belleville Public Library and Information Center has recently purchased some new business books.

They include: "The Articulate Executive: Orchestrating Effective Communication," "Equal Compensation For Woman," "Total Business Planning: A Step-by-Step Guide With Forms," "Shogun Management: How North Americans Can Thrive in Japanese Companies," "Computing Strategies for Reengineering Your Organization" and the "Secrets of the Master Sales Managers."

If you have new or almost new business books you would like to donate to the library, call Adrea Cohen at 450-3434. The library also would appreciate any donations for new titles, to keep the collection current. We will insert book plates with your name, indicating the titles you have donated.

Books Are Magic

On Nov. 19, from 2-2:45 p.m., Bob Conrad, magician, presents "Books Are Magic."

"Books Are Magic" takes a magical look at reading and all the exciting things that can be found in books — fun, adventure, mystery, magic, things you can learn and things that you can make. The audience will take part, and meet Sam, his magical talking book.

Call the library at 450-3434 to register.

TOWNSHIP ORDINANCE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Municipal Council of the Township of Belleville, N.J. held on Tuesday evening, October 25, 1994 and further notice is hereby given that the second and final reading of said ordinance will be considered by said Municipal Council at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, December 13, 1994 at eight o'clock p.m. when all objections to the passing of same will be heard and considered.

Mary Lou Hood,
Municipal Clerk

Quality & Perfection
in our
Baked
Objective

Life in Silver Lake

Do you believe that last month over 60 residents attended the SLCA meeting at the Moose. It shows one thing, that people in Silver Lake do care... They really do... Let me tell you why I keep saying "we care." Detective Pete Fraone of the Belleville Police was at the meeting to go over more details on our "Block Watch." It seems that he placed an article in the Belleville Times advising all Belleville residents who were interested in starting a "Watch" to be in touch with him.

Guess what... We are No. 1 again. The only residents he heard from were Silverlakers. So, when you hear me praise Silver Lake, you know I know what I am talking about. So come on Bellevillites, get on the bandwagon and start a block watch in your neighborhood, and then all of Belleville can sing, and you all know I like to sing... Be a Block Watcher, be a Block Watcher, Watching all the Time... great song. So will all Silverlakers please stand and take a bow and accept the award for "caring about your neighborhood." And also will Det. Peter Fraone take a bow for coordinating this watch. Hip, hip

Marie Strumolo Burke

hooray.

We can always use more volunteers for block watchers. I was told by Det. Fraone that these "watchers" do deter crime. So come on people call Joseph Marra at 759-6397 and give him your name to help out our neighborhood.

Lots of other issues were discussed and resolved. For those of you who could not make the meeting I will try to hit on a few important ones.

The President of the Kiwanis

Club of Belleville, Mario Drozd, made a presentation to the members asking that we join in and help sell raffles or donate a vest for new bullet proof vests for the Belleville Police. A discussion followed and a motion was approved by the Association to donate \$450 to purchase one vest in the name of the SLCA. Lydia Salzano would coordinate the selling of the raffles.

Also at the meeting a big thank you was given to Mary Ann Alamo and Rita Charles for their efforts in securing over 900 signatures for a mini police station in Silver Lake.

I once again ask anyone who is not a member of the Silver Lake Civic Association to do so. You won't be sorry, because all good things are happening in Silver Lake. Send \$5 per membership to Marie Strumolo Burke, 69 Heckel St., Belleville.

I met up with a niece of mine, Joanne Conte of Lake Street. No matter where you see this beautiful young lady she greets you with a smile and respect. There's a song that reminds me of Joanne called "Personality." And she has plenty of that. She is the daughter of Dolores and Joe Conte of Lake

Street. Boy did they raise her right. While on the subject of nieces, let me say hello to Donna Fede of More Than Cards on Franklin Street. She made me feel good when she told me that the first thing she does when she opens up the Belleville Times is to read my column. Boy, she makes this "old" gal feel good. (I mean semi-old gal.)

Let me leave you with a very important message. Tickets are

going fast for the SLCA holiday party to be held on Friday, November 25, at the Branch Brook Manor. Tickets are priced at \$25 each and our chairperson, Angela Cuzzo Zarro is waiting to hear from you. Call her at 759-2703. I understand that Sebastian (Sam) Papa, our co-chair, has a surprise program slated that night. Don't miss it. We will be honoring Silverlakers, Sabrina Sena for being

the 1994 valedictorian of Belleville High School and Nicole Gammaro for being selected the Bella Signorina that night.

Remember, this is for all Silverlakers, former Silverlakers and people who want to associate with Silverlakers. This is becoming the event of the year, so don't miss out.

REMEMBER, WE LOVE SILVER LAKE.

TRAFFIC SAFETY SQUAD - Parents from School #3 have volunteered their time to act in a traffic safety program, with the assistance and cooperation of the Belleville Police Department. The parents are stationed outside all entrances to the school so children can be dropped off and ushered into school safely, in specially designated "Drop Off Zones."

TOWNSHIP ORDINANCE
PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Municipal Council of the Township of Belleville, N.J. held on Thursday evening, November 10, 1994 and further notice is hereby given that the second and final reading of said ordinance will be considered by said Municipal Council at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, December 13, 1994 at eight o'clock p.m. when all objections to the passing of same will be heard and considered.

Mary Lou Hood,
Municipal Clerk

"AN ORDINANCE TO AMEND AN ORDINANCE CREATING PERMANENT POSITIONS AND ADOPTING RECLASSIFICATION AND COMPENSATION PLANS PROMULGATED IN THE NEW JERSEY DEPARTMENT OF PERSONNEL IN AND FOR THE TOWNSHIP OF BELLEVILLE, COUNTY OF ESSEX," ADOPTED SEPTEMBER 12, 1966, AS AMENDED.
BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF BELLEVILLE, NEW JERSEY:

SECTION I. That Section I of the above entitled Ordinance be and the same is hereby amended to set forth after the titles listed opposite said title:

FIRE DEPARTMENT

Firefighters - Effective January 1, 1994 (4%)	
Commencing first year of employment	\$30,535.
Commencing second year of employment	\$34,016.
Commencing third year of employment	\$37,496.
Commencing fourth year of employment	\$40,977.
Commencing fifth year of employment	\$44,458.
Firefighters - Effective January 1, 1995 (4.5%)	
Commencing first year of employment	\$31,910.

Essay contest for Girl Scouts

The Girl Scout Council of Greater Essex County has announced that it will sponsor a Cadette and Senior Girl Scout essay contest as part of its third annual Women of Distinction Luncheon. Contest winners will be announced at the April 6, 1995 luncheon, which honors women whose character exemplifies the Girl Scout Promise and Law.

According to Charlotte Coffin, president of the Girl Scout Council of Greater Essex County, "This essay contest is a tremendous opportunity for young girls to interact with women who have distinguished themselves through their accomplishments. These women serve as role models at an important time in the lives of Cadette and Senior Girl Scouts who are in their teenage years."

Cassandra Savoy, chairwoman of the Women of Distinction Luncheon Committee, noted that the luncheon, in its third year, has been a very successful event for the Greater Essex Council.

"Although girls have been involved in the luncheon each year as part of the opening ceremony and awards presentation program, this is a unique opportunity to challenge the girls' imagination through an essay contest, as an additional way to interact with women who are community leaders," she said.

Jan Lilien, executive director of the council, encouraged Cadette and Senior girls to take part in the essay contest.

All contestants will be notified of contest results, in writing, no later than Jan. 16, 1995.

For contest entry forms, rules or additional information on the third annual Women of Distinction Luncheon, contact Catherine Willis at 746-8200.

School #3 parents, Police Dept. join for traffic safety patrols

The Home and School Association of Belleville #3, in cooperation with school principal Raffaella Saulino, has devised a creative way of dealing with the traffic congestion problems that besiege the school every morning.

They recently instituted a Parent Safety Patrol which has requested assistance and guidance from the Belleville Police Department. Traffic Commander Lt. Joseph Tortorello has designated Traffic Specialist, Patrolman Paul Long, as official representative of the department to address the problem.

Officer Long was invited to attend the School #3 Open House in October as a guest speaker. He explained various traffic and parking ordinances to all in attendance by using diagrams and his own expertise in this area. He also fielded many questions from the audience.

The major concern of the parents is dropping off children for school in the morning. Long tried to appease the group with valid suggestions and a sincere offer to help remedy the situation, according to school officials.

The concept of the Parent Safety Patrol is to have volunteer parents outside all entrances to the school so children can be dropped off and ushered into school safely. There are specially designated "Drop Off Zones" for this purpose, thus eliminating the need for double parking and other traffic infringements.

Mark Muro, father of a first grade student, is in charge of the patrol, which comprises a wonderful group of School #3 parents, according to Saulino. To help make these parents more identifiable, Police Det. James Giuliano, also a School #3 parent, arranged for safety vests to be donated by the Belleville Police Department.

The School #3 Home and Association and Mrs. Saulino are proud to announce that since its inception in September, the Safety Patrol has been quite effective and seems to be accomplishing its goal. A safer traffic environment and a sense of security and peace of mind for parents has been achieved, Saulino said, adding that parents are able to send their children off to school in the morning knowing that responsible adults will be waiting for their children.

LEARNING MATH TOGETHER - Parents and students at School #3 work together to solve a math problem at a recent Family Math Night. The Family Math and Family Reading programs in Belleville Elementary Schools continue to expand and become more successful. Here, parents and children put their heads together to try and construct the tallest tower out of cut paper and paper clips.

Middle school students collect \$175 for UNICEF

Students at Belleville Middle School collected more than \$175 for UNICEF this Halloween. Volunteers solicited contributions while enjoying trick or treating.

The project was conducted through the Student Council and advisor William Hollis and Social Studies teacher Barbara Spillane.

The \$175 collected was sent to UNICEF to help the children of the world less fortunate than American youngsters in terms of education and medical care.

"This worthwhile project provides the students the opportunity to think globally and make a contribution to less fortunate children," Mrs. Spillane said.

Resident earns college degree

David Redden of Belleville was awarded a bachelor of arts degree

in social science/history recently at Thomas Edison State College in Trenton.

Redden is a salesperson with Dean Floor Covering in Belleville.

Tutoring services offered for middle school students

Tutoring is now available to all Belleville Middle School students, on Wednesday evenings from 6 to 8 p.m.

The Woman's Club of Belleville and the Belleville Alliance for Substance Education (BASE) will offer tutorial services on Wednesdays at the CHASE Center, 527 Joralemon St., Belleville.

The program is being staffed by Woman's Club members. All Middle School students are welcomed. Drop in with a friend to study or for extra assistance with a subject.

Parents with questions may call the CHASE Center at 751-0809.

AARP Christmas concert has School #10 on Dec. 1

The Annual Christmas Concert of the Belleville A.A.R.P. Chapter #2051 will feature the School #10 School Choir, conducted by Ms. Jackie Iozzi, Elementary Vocal Teacher and Director for the Belleville Public School System.

The program, arranged by Joseph Kraemer, Supervisor of Performing Arts, is to take place on

Thursday, Dec. 1 at 1 p.m. at the Fewsmith Memorial Presbyterian Church. Terry Brunn, Second Vice-President of A.A.R.P., arranged the concert.

"We look forward to the musical talents of the students and those of Ms. Iozzi," Joseph De Fabbio, President of the A.A.R.P. recently stated.

Local actress featured in play

Montclair State University's Studio Theatre Series will open its 1994-95 season with Shakespeare's battle of the sexes, "The Taming of the Shrew" on the university campus. Performances are through Nov. 12 with a 2 p.m. matinee Nov. 11 in the Studio Theatre.

The cast surrounding the embattled couple include Bernadette Cerami of Belleville as Bianca.

Tickets are \$5 standard; \$4 for senior citizens; and \$3 for students. All seating is by general admission.

For tickets, more information or a season brochure, call the Montclair State University Box Office at 655-5112, Monday through Friday, 10 a.m. to 5 p.m., and on Saturday between 12 p.m. and 5 p.m.

Montclair State University is located at the intersection of Valley Road and Normal Avenue in Upper Montclair. The campus is one mile south of the junction of routes 3 and 46.

Chinese inspect commission's dam

The United Peoples Republic of China sent a delegation of construction and design engineers to the Monksville Reservoir in Ringwood recently.

"China is planning to construct a dam similar in design, but on a much larger scale than the one at Monksville," Robert Rubino, chairman of the North Jersey District Water Supply Commission, said.

"The dam in China will be the largest in the world and will utilize the construction techniques perfected when the Monksville Reservoir dam was built in 1986," Rubino said.

During the past 10 years, the Monksville dam has been visited by engineers from virtually every nation, although the recent inspection was the first by a delegation from China.

The roller-compacted construction technique used in the Monksville dam has been copied in nearly all the world's major river dams built since the late 1980s.

"We saved nearly \$6 million in construction, including two years in labor costs, because of the efficiencies offered by the roller-compacted concrete design," Rubino told the group.

The visit by the Chinese includ-

ed a detailed presentation in Wanaque where engineers from the North Jersey District Water Supply Commission showed construction films and reviewed the actual blueprints used as the Monksville dam was built.

"The idea of sharing knowledge and specific experiences gained during the Monksville project with the People's Republic of China 10 years ago would have been unheard of. New Jersey ought to be proud of the goodwill and international understanding which has resulted from the visits and interest in the Monksville Reservoir project," Michael Restaino, the commission's executive director, said.

The Chinese engineers especially were concerned with how the North Jersey Commission dealt with the limited temperature range required to bond the roller-compacted concrete into a permanent bond.

Another concern of the visitors was learning how the North Jersey Commission controlled the seepage from the Monksville dam. Roller-compacted concrete dams, by design, have large volumes of seepage when first filled. The Chinese group spent more than an hour inspecting seepage controls inside an eerie, damp tunnel that runs the

2,200-foot length of the Monksville dam.

The planned Chinese project is designed not for drinking water supplies, but for hydroelectric power generation, downstream river navigation and flood control. The dam will be located just upstream from the Pearl River, an important commercial waterway in the Hunan province.

The Monksville Reservoir dam, built as part of the Wanaque South Project, is 150 feet high, compared to the 710 feet planned for the structure on China's Hongshui River.

"Monksville was designed to drought-proof Northern New Jersey during those years of below-average rainfall," Frank Orechio, the Wanaque South Project manager, noted.

"We haven't had a shortage since Monksville was built. The project has proven its worth to New Jersey and has inspired similar projects around the world," Orechio said.

The North Jersey District Commission operates the largest water supply system in New Jersey. Nearly 2.5 million Garden State residents get all or a portion of their water from the North Jersey system based at the Wanaque Reservoir.

NOTICE TO ABSENT DEFENDANTS (I.S.) STATE OF NEW JERSEY TO JOHN C. ARNOLD
YOU ARE HEREBY SUMMONED AND REQUIRED TO serve upon FEDERMAN AND PHELAN, P.C., plaintiff's attorney whose address is Suite 505, Sentry Office Plaza, 216 Haddon Avenue, Westmont, New Jersey 08108, an answer to the Amended Complaint filed in a civil action in which First Union Mortgage Corporation is the plaintiff and John C. Arnold, et als, are defendants pending in the Superior Court of New Jersey, Chancery Division, Atlantic County and bearing Docket No. F-5995-93

within thirty-five (35) days after November 17, 1994 exclusive of such date. If you fail to do so, judgment by default may be rendered against you for the relief demanded in the Amended Complaint. You shall file your answer and proof of service in duplicate with the Clerk of the Superior Court of New Jersey, Hughes Justice Complex, CN-971, 24 Market Street, Trenton, New Jersey 08625, in accordance with the rules of civil practice and procedure. This action has been instituted for the purpose of (1) foreclosing a mortgage dated May 12, 1992 made by John C. Arnold, an unmarried man, as mortgagor given to Federal Mortgage Company of America and recorded on October 23, 1992 in book

6118 of Mortgages for Essex County, page 677. Said mortgage was assigned to First Union Mortgage Corporation, the plaintiff herein. Said assignment recorded on October 23, 1992 in book 687 of Assignments of Mortgages for Essex County page 682; and (2) to recover possession of, and concerns premises commonly known as 30 Gladstone Avenue, Newark, New Jersey 07106. If you are unable to obtain an attorney you may communicate with the New Jersey State Bar Association by calling 609-394-1101. You may also contact the Lawyer Referral Service of the County of venue by calling 201-798-2727. If you cannot afford an attorney, you may communicate with the

Legal Services office of the county of venue by calling 201-792-6363.

YOU, John C. Arnold, are named as a party defendant to this foreclosure action because you are the record owner of the mortgaged premises, because you executed the bond and mortgage being foreclosed herein and may be liable for any deficiency thereon, and for any right, title, claim or interest you may have in, to or against said mortgaged premises.

Lending officer appointed

Glenn H. Shell of Ridgewood was appointed senior lending officer of the Provident Savings Bank, according to an announcement from

Glenn Shell

the board of managers of the bank.

Paul M. Pantozzi, bank president and chief executive officer, said that Shell will be chief lending officer responsible for all operations of the mortgage, consumer and commercial lending and loan servicing departments of the bank.

Shell graduated from Brown University with a bachelor of arts degree, received a master of arts degree in banking from Washington University, and graduated from Columbia University's School of Banking. A career banker, Shell commenced his career with Irving Trust Company and became the youngest chief credit analyst in the bank's history.

Later he served with Citizens First National Bank as chief lending officer and senior vice president and as chief credit officer and bank president with Dauphin Deposit Bank and Trust Company in Harrisburg, Pa.

Prior to joining Provident, Shell held the position of commercial mortgage lending officer with Valley National Bank. He holds membership with the New Jersey and Pennsylvania Banker's Associations.

Provident, the oldest savings bank in New Jersey and a member of the FDIC, maintains 32 offices in eight counties throughout the state, with assets of over \$1.6 billion.

Provident has branches in Bloomfield and Belleville.

Members of the Diamond Jubilee Gala Committee for Columbus Hospital are, standing from left, Carmen Palomino, Cathie Padovano, Christine Anelle, Samuel Martino, Louise Stefanelli, Peter Albano, Joseph Marchesano and Marianne Lilore; and seated, from left, Gene Scavuzzo, Dr. Richard Guarino and Jeanne Iuliani. Not pictured are Dr. Enio Calluori, Grace Ciccone, Mauro Checchio and Walter Ricciardi.

National Federation of Blind Chapter has grand opening

Do you know a blind or visually-impaired person who needs help or information? Perhaps he or she

is newly-blinded and having trouble adjusting to the loss of sight. Maybe he or she does not know about all the services that are available, such as Social Security benefits, rehabilitation, or library services.

Whoever it is -- a newly-blinded person, a senior citizen with failing eyesight, a blind child or infant, the National Federation of the Blind would like to try to help by inviting you to attend the Grand Opening of the Metro Suburban Chapter of NFB.

The National Federation of the Blind is an organization where the blind and sighted persons can come together to plan and carry out programs, to improve the quality of life the blind; to provide a means of collective action for parents of blind children; to promote the vocational, cultural and social advancement of the blind; to achieve the integration of the blind into society on a basis of equality with the sighted; and to take action

which will improve the overall condition and standard of living of the blind," according to Joe Ruffalo of NFB.

The grand opening is from 10:30 a.m. to noon on Saturday, Dec. 3rd, at Clara Maass Health Systems, Inc., 1 Clara Maass drive, in the Griefinger Lecture Hall, ground floor. For more information, 450-3030.

Students honored for college work

Day DeCou, daughter of Janet DeCou of Harrison Street in Belleville was named to the spring 1994 Dean's List at the University of Massachusetts at Amherst.

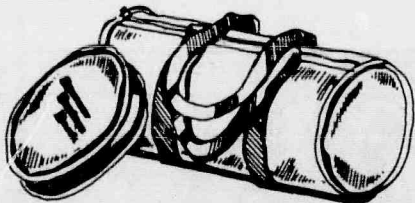

Undergraduate students who receive a 3.5 grade point average or better on a four-point scale. DeCou is a member of the Class of 1996 majoring in Psychology at the University.

Sandra Brownstein to wed Douglas Fine

Mr. and Mrs. Leonard Brownstein of Marlboro announce the engagement of his daughter, Sandra Eve of Bloomfield, to Douglas Craig Fine, son of Clifton, son of Mr. and Mrs. Marvin Fine.

The wedding is planned for next July.

Miss Brownstein, daughter also

of the late Dora Brownstein, is a cum laude graduate of Rutgers College, New Brunswick. She is a teacher in Montclair.

Mr. Fine, a cum laude graduate of the University of Delaware and Seton Hall University School of Law, is an in-house counsel with Universal Bonding Insurance Co.,

Brian Neville — Maureen Melnick

Melnick-Neville troth told; June wedding

Romayne Melnick of San Diego, California, announces the engagement of her daughter, Maureen Emily, to Brian Joseph Neville, son of Geraldine Neville of Nutley and the late Donald Neville.

The wedding is planned for June 24, 1995.

Miss Melnick, daughter also of the late Peter Melnick, is an alumna of the University of Scranton and a teacher in New York City.

Mr. Neville, also a Scranton University graduate, earned a juris doctor from New York Law School. He is an attorney with Prudential Securities Inc.

Stork Club

Jessica Marie Leming

A first child, a daughter, Jessica Marie, was born to Mr. and Mrs. Edward Leming of Totowa, formerly of Belleville, Nov. 1 at Chilton Memorial Hospital, Pompton Plains. Birth weight was 8 pounds.

Mrs. Leming is the former Margaret Agresti. She is assistant branch manager with Lakeview Savings, West Paterson. Grandparents are Mr. and Mrs. Dominick Agresti and Mildred Agresti, all of Wayne. Mr. Leming, son of Mr. and Mrs. Gus Leming of Belleville, is a special orders receiver with Home Depot, Clifton.

Daniel Gerard Sasso

A second child, a son, Daniel Gerard, was born to Mr. and Mrs. Mark Daniel Sasso of Nutley Oct. 18 at St. Barnabas Medical Center, Livingston. Birth weight was 6 pounds, 14 ounces. He joins Mark Daniel, Jr., two and a half.

Mrs. Sasso is the former Susan Francisco, daughter of Mr. and Mrs. Jerry Francisco of Nutley. She is dental assistant to Dr. Michael K. Deenihan, Montclair. Mr. Sasso, son of Catherine Sasso of Nutley and the late Daniel Sasso, is a printer with Deluxe Check Printers, Mountain Lakes.

Zachary Joseph Yenish

A second child, a son, Zachary Joseph, was born to Mr. and Mrs. John Yenish of Belleville Oct. 26 at The General Hospital Center at Passaic. Birth weight was 5 pounds, 13 ounces. He joins Jonathan Philip, two.

Mrs. Yenish is the former Helen Savoia, daughter of Mr. and Mrs. Joseph Savoia of Nutley. Mr. Yenish is the son of Vivian Yenish of Belleville and the late John Yenish.

Michael Gerard Marchese

Mr. and Mrs. Samuel C. Marchese of Manalapan, formerly of Nutley, announce the birth of their second child, a son, Michael Gerard, July 14. Birth weight was 7 pounds, 1 ounce. He joins Samuel Robert, seven.

Mrs. Marchese is the former Marianne Salvatore, daughter of Mary Salvatore of Freehold Township and the late Robert Salvatore. Mr. Marchese, son of Mr. and Mrs. Vincent Marchese of Nutley, is an accounting manager with MBL Life Assurance Corp. Paternal great grandparents are Mr. and Mrs. Sam Marcotrigiano of Belleville.

Ashley Brianna Mongiello

A fourth child, a daughter, Ashley Brianna, was born to Mr. and Mrs. Anthony Mongiello of Belleville Oct. 19 at Mountainside Hospital, Montclair. Birth weight was 8 pounds, 8 ounces. She joins Austin Blake, five, Brandon Louis, two and Amanda Brittany, one.

Mrs. Mongiello is the former Barbara Liebman, daughter of Mr. and Mrs. William Liebman of Bayonne. Mr. Mongiello, son of Mr. and Mrs. Tony Mongiello of Newark, is a self-employed optician with Eye to Eye Vision Center, Bloomfield, The Eye Connection, Newark and Convenience Eyewear, Dover.

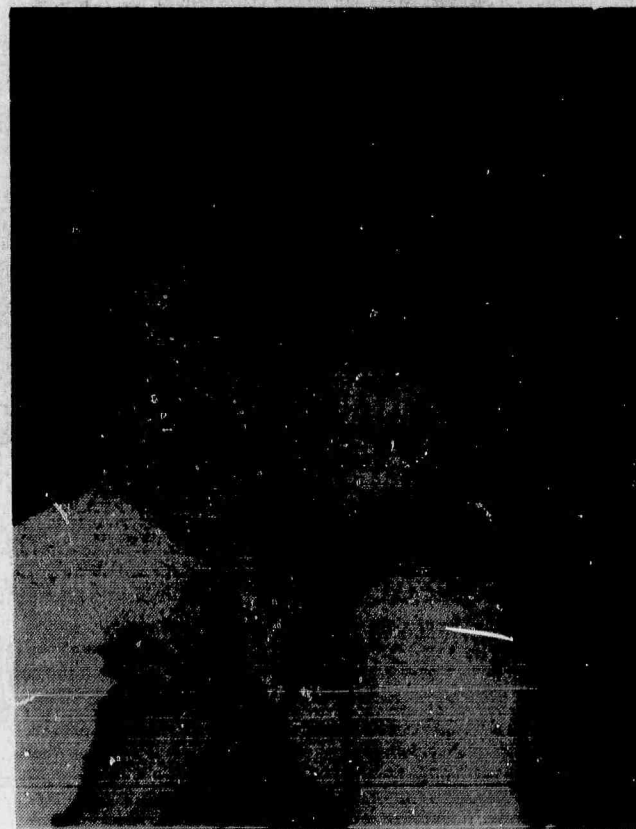

Loughlin-Guancione troth announced

Robert Loughlin of Belleville and Carolyn Stanziale of Bloomfield announce the engagement of their daughter, Carolyn Janeen, to Ralph Guancione, son of Mr. and Mrs. Ralph Guancione of Belleville.

The wedding is planned for October 1996.

Miss Loughlin, an alumna of Belleville High School, is an administrative assistant at Plastic Surgery Center, Montclair.

Mr. Guancione, also a graduate of Belleville High School, is a forklift operator with White Rose Dairy, Woodbridge.

Ralph Guancione — Carolyn Loughlin

International Foods

Tips On Turning Out Perfect Pasta

(NAPS)—Pasta is not only increasingly popular, it's also good tasting, good for you, easy to digest and easy to prepare. Here, from the experts at Barilla, Italy's leading premium pasta now available in the U.S., are hints to help you have palate-pleasing pasta.

- Drain pasta as soon as it's "al dente." Overcooked pasta is less digestible.
- When pasta is ready, add a glass of cold water to the boiling pot to avoid overcooking.
- Save two tablespoons of the cooking water to add to the sauce.
- NEVER leave pasta drained and standing in a colander or bowl without adding oil or sauce or it will become a cold, soggy, sticky mass.
- You don't have to add oil when cooking pasta if you use the correct amount of water and the right timing.
- Use thick pasta with spicy sauces, thin pasta with delicate ones.
- If you're adding vegetables, julienne those that go with thin pastas such as capellini, cut them into chunks for penne or rigatoni.
- Use a heavy pot with a wide bottom to spread the pasta evenly and a high rim to reduce the risk of boiling over.
- Use one quart of water for every 1/4 pound of pasta. Add the pasta when the water reaches a full, rolling boil. Add short pasta all at once, long pasta in batches, one after the other, spreading it out so it doesn't stick.
- Stir frequently. Use a large wooden spoon for short pasta, a long wooden fork for long pasta.

You can use these tips to make the dishes in a free recipe booklet from Barilla. For a copy, just send your name and address to: Barilla Pasta Recipes, P.O. Box 2473, Westport, CT 06880. But first, try this recipe for Barilla Rigatoni with Sweet Peas:

Barilla Rigatoni with Sweet Peas

- 1/4 cup unsalted butter
- 1 pound fresh sugar snap peas, trimmed or 2 boxes (9 ounces each) frozen sugar snaps or 2 cups frozen small green peas, thawed

- 1/2 cup thin sliced scallions
- 1 cup heavy cream
- 6 thin slices prosciutto di Parma, cut into slivers
- Salt and freshly ground black pepper
- 1 box (16 ounces) Barilla rigatoni
- Grated Parmesan cheese, to taste

Melt butter in a medium skillet; add peas and scallions. Cook, uncovered, over low heat, until tender, about 5 minutes. Add cream and ham; cook (do not boil) until heated through, about 5 minutes. Add salt and pepper to taste.

Meanwhile cook the Barilla rigatoni in plenty of boiling salted water until firm to the bite, about 15 minutes. Drain. Toss with the sauce and serve sprinkled lightly with Parmesan cheese. Serves: 4

Belleville

SPORTS

Win 7-0. Team now gets ready for *THE GAME*

Frantantoni, Escott lead Bucs

By Mike Lamberti

Defense was the order of the evening as the Belleville Bucs blanked Paramus 7-0 last Friday night at Doc Ellis Field.

The victory was the second in the last three games for John Senesky's team. It was also Belleville's fifth straight win over Paramus, spanning from 1990 to '94.

The Bucs, now 2-6, will get ready for *THE GAME*, against Nutley, on Thanksgiving Day, beginning at 11 a.m. We'll have much more on this heated rivalry in next week's issue.

There are a number of ways to look at last Friday nights game.

On the heels of a marvelous performance against powerful Hackensack the week prior, it was only natural that the Bucs would not be nearly as intense, especially in the early going last Friday night.

Despite that, the Bucs were able to find a way to win, something this team would not have done a month ago.

"No way would this team have won a game like this last month," Senesky said. "We weren't as good offensively last Friday as we were at Hackensack, but our defense came through with a tremendous performance."

"Whereas before we would have found a way to lose a game, this time we compensated by playing a much stronger defensive game. I thought the kids responded and showed continuing signs of improvement in their overall play and composure."

Not only did the defense excel, it

also accounted for the only touchdown of the game.

Senior defensive back Tom Escott picked off a pass in the first quarter and rambled 70 yards down the sidelines for a touchdown. Sal Berardi added the point after attempt and the Bucs led 7-0.

The Belleville defense would bend at times, but the Bucs would not break, making the key plays at the most opportune times.

"Frank Marrero continues to get better," Senesky said, "as does D.C. (Dave Chulanandana) and our defensive secondary."

"Escott was outstanding back there and Jeff DePeri and Anthony Frantantoni were also solid."

"We expected Paramus to use a lot of play action on offense, and we were able to contain it for the most part."

Frantantoni had a marvelous game on both sides of the ball. The senior did the job in the defensive secondary and on offense, he caught five Berardi passes.

Frantantoni also recovered a fumbled Paramus punt, which was a key play in giving Belleville additional possession time in the third quarter.

"He was excellent," Senesky said of Frantantoni. "Some of his catches were really top grade."

Chulanandana batted down two passes from his defensive line position to negate possible big gains for Paramus.

Marrero, a junior, is quietly developing into a dangerous defensive lineman. He created havoc in the Paramus backfield and had a number of unassisted tackles.

Offensively, the Bucs had a few sustained drives, but were not able to convert them into touchdowns.

Tyrone Fitts had another good game from his halfback position. Most impressive was a 19 yard run on third and 19 on a draw play that gave the Bucs a much needed first down.

Following Frantantoni's fumble recovery, Berardi hit Frantantoni with a 15 yard pass to the Paramus 43. Fitts gained seven yards on the next two plays and then Dino Durante picked up six for a first down at the 32.

Berardi hit Durante with a 14 yard pass to the 18 and the drive moved to the 15 before a costly penalty cost the Bucs 15 yards and, eventually, the drive stalled.

Buc quarterback Sal Berardi will lead his team against Nutley on Thanksgiving Day. Berardi was praised by Raider coach Nick SanFillipo for his passing skills and ability to elude the rush.

Buc head coach John Senesky gives instruction to senior wideout Anthony Frantantoni. Bucs will close out '94 season on Thanksgiving morning.

"Durante made some good catches," Senesky said of his senior running back. "And don't forget the job (Dave) Faladino did."

Paladino, a junior running back, had some good runs off scrimmage and also was a key with his effective punting.

"Dave's kicking was a big plus," the coach said. "He got us out of trouble on a few occasions."

The shutout was Belleville's first since September of 1992. On that occasion, Belleville blanked Don Bosco, 12-0 on opening night.

The defense has allowed just 42 points in the past three games, 28 of those coming from powerful

Hackensack. Don't forget that in an earlier three game span, the Bucs allowed 108 points in losses to St. Joe's, Paramus Catholic and Mendham.

"The kids could have decided to mail in in after the Mendham game," Senesky said, referring to the 24-6 loss in Morris County that lowered the team record to 0-5.

"But as I've said all year long, these kids have worked hard. They don't quit and they decided to make something positive out of this season. They came back with a win against Don Bosco, a good effort against Hackensack and then, a win

(Continued on page 16)

There's a reason why it's *THE GAME*

Until you've been through it a few times, you don't really appreciate the meaning of a Belleville-Nutley football game.

I've been going to *the game* since 1970 (I was just 12 years old then) but it took a while until it became *THE GAME*.

I haven't missed a Belleville-Nutley game since that '70 game (which Nutley won by a 23-8 decision at Municipal Stadium). And, needless to say, a lot has happened in my life since that game 24 years ago. I went to high school, started writing for the Belleville Times, went to college, began my career in banking, got married, got divorced, met Tina Valentine, (never of course, having the guts to tell her how I really felt about her) and, in essence, have lived a pretty normal life.

For many years, it appeared that the Belleville-Passaic rivalry began to take over as the big contest for Belleville football fans. There was the marvelous 3-2 game in 1982 that the Bucs won despite incredible odds. There were great games in 1979, '80, '81, '84 and '86.

But, the bottom line was that Belleville-Nutley would provide a certain intensity that, no matter how you tried, could not be duplicated by anything else local high school football could offer.

It's the rivalry that transcends time. You can look two miles down Belleville Avenue where the town of Bloomfield is, and yet, a Belleville-Bloomfield game doesn't stir the fire quite the same.

Maybe it's because Belleville and Bloomfield have had their rivalry interrupted a few times. The teams didn't meet from 1977 to 1981, renewed their rivalry from 1982 to 1991 but haven't meet since '91.

Bloomfield football-goers will probably say Montclair is their big game. Old time football followers will say that East Orange and Barringer epitomizes New Jersey football. Paramus and Paramus Catholic is a big rivalry. So is Teaneck and Hackensack.

But if you're a Belleville High School football player, Nutley is the game you want to win. Or should I say it's *THE GAME*.

"Forget the records," Buc head coach John Senesky said. "We've had real good teams throughout the years, and yet we've struggled with Nutley when we were supposed to win easily. The same could be said of them. They've been favored to beat us handily a few times and the game went down to the wire."

Senesky is almost an historian of this series. He played for Belleville High School from 1961-1963. He starred for the '62 Bellboys when they rolled past Nutley 33-12. Senesky scored a touchdown in that game.

A year later, Senesky broke his leg in the Nutley game, and in essence, his senior season was pretty much finished.

As a coach, Senesky holds a distinction that not too many Belleville football coaches do. He has a winning lifetime record against the Raiders (8-7-2).

For most of this series, which spans some 54 games (Nutley holds a 33-17 lead with four ties), Belleville and Nutley played on the third week of the regular season.

"In '62, we were supposed to play them in week three," Senesky said, "but there was a hurricane that week and the game was pushed back to the week before Thanksgiving. We had a real good team that year, we finished 8-1, losing our season opening game at East Orange and then going on a roll."

In 1982, Belleville and Nutley moved into the NNJIL and the game moved to week five. The following year, it was held on the first week of the season, at the Oval.

The following season, 1984, the contest was moved again, this time to Thanksgiving. Chances are, it will stay as a Thanksgiving Day (or weekend) series for years to come.

"That's when it should be played," Senesky said. "It's the perfect setting for the game."

While Thanksgiving is supposed to be the day the game is played, it doesn't always occur on the holiday. Rain pushed it back to the Saturday after the holiday in '85 and '86. In 1989, a surprise snowstorm blanketed the area on Thanksgiving morning and the game was played the Saturday after the holiday.

Nutley made the playoffs in 1991 and '92, so the game was played the Saturday before in '91 and the Saturday after Thanksgiving in '92. Last year, it went back to Thanksgiving and, weather permitting, it will be a holiday matchup this year.

The emotion of the game is intense, and that emotion usually dictates strange results. In 1979, Belleville was a two touchdown favorite at Nutley. The Bucs had crushed the Raiders in '78, 31-0 and appeared to have a much stronger squad in '79.

But Nutley played a marvelous contest and the Bucs had to hold on for a 7-0 victory.

I remember Senesky telling me after the game, "we should have executed better. There were a lot of things we didn't do right." But then, he said the key words. "But it's a win against Nutley and we'll take it."

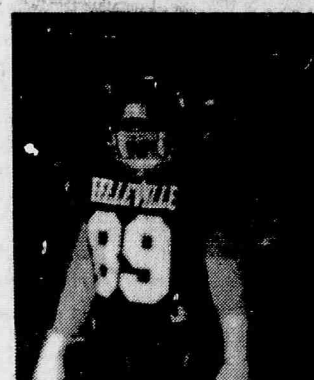

In 1980, the scenarios were pretty much the same. Belleville, who eventually made it to the Group IV, Section II championship game, needed a late touchdown by quarterback John Melillo to escape with a 13-7 win.

The '84 Bucs needed a win over Nutley to clinch the NNJIL championship. But Nutley, who had not beaten Belleville since 1977, stunned the Bucs 19-6 at Municipal Stadium.

The '89 Maroon Raiders were a playoff team while the Bucs had won just once. But the teams hooked up in a hard hitting game at the Oval on a bitterly cold day and it took a late Raider score to salvage a 6-0 victory.

In 1992, Nutley would win the Group III, Section II title. But the Raiders would meet a fierce challenge in Belleville. The Bucs were 3-5 coming into that game while Nutley was 7-1-1. The teams played 48 minutes of very intense football, and when it ended, the scoreboard read 7-7.

(Continued on page 16)

Senior linebacker Artie Settembrino looks to sideline for defensive instructions. Settembrino will play his final varsity game on Thanksgiving morning.

By Mike Lamberti

A heartbreaking 2-1 loss to Westfield in the state sectional semi finals didn't take away from a marvelous season for the Buc soccer team.

Gino DePinto's squad ended the '94 campaign as co-champions of the NNJIL Pacific Division. The Bucs finished with an overall mark of 12-2-5 and were 9-1-4 in league play.

Belleville and Don Bosco both compiled 22 points in the conference. The teams split the two games they played against each other, thus the tie is more than fitting.

Entering last week's action, Belleville had an 11-2-5 mark. One of the losses was to Newark Eastside in the quarterfinals of the Essex County tournament. However, it was noted last week that Eastside used an ineligible player in that game, thus Belleville was awarded the victory.

"It was tough for us, because it cost us a chance to advance in the county tournament," DePinto said. "If the error had been noticed sooner, maybe we could have continued playing in the tourney."

But because the error was picked up after the tournament ended, Belleville gains a victory in the win column but cannot advance in the

ECT.

Last Wednesday, the Bucs dropped a 2-1 decision to Westfield in the Group IV, Section II semi finals. The loss ended Belleville's season, but didn't take away from the accomplishments.

"Not a lot of people expected much from this season," DePinto said. "We lost some good players from last year's team (which finished 12-5-4) and I wasn't too sure how strong we would be, especially offensively."

In the loss to Westfield, the Bucs scored quickly as Frank Tafur found the net, off an assist from Joe Colucci.

Westfield tied the game ten minutes later, then took the lead before halftime.

"We had our chances in the second half," the coach said. "We just couldn't find the net. Our kids outplayed Westfield in the second half. Westfield was better in the first half. It was a real good effort. What can you do?"

Natale Guagliardi was outstanding in net again for Belleville.

DePinto noted the balanced attack from the 1994 team.

"Last year, you sort of knew that Greg (Groeling) would be our go-to guy. This year, we received scoring from a number of sources. Nick

(Colucci, a sophomore) was the leading scorer, but we had a lot of guys who were able to put the ball in the net."

NOTES: The soccer program at Belleville High School is beginning to compile some eye popping numbers.

From 1991-1994, Belleville has a record of 52-15-13. The records from '91-94: 14-4-2, 14-4-2, 12-5-4 and this years 12-2-5.

The NNJIL championship was the first for Belleville under the Pacific Division format.

We'll have a complete wrap up of the 1994 Belleville soccer season in an upcoming issue.

Congratulations also to the JV soccer team, under the direction of coach George Tortoriello.

Rocco Constantino will have a wrap up of that team in an upcoming issue.

Nick Colucci looks for opening during state game with Westfield last week. Colucci and his teammates finished season with 12-2-5 record, winning a share of the NNJIL championship in the process. (Photo by Steve Patchett).

Buc defense outstanding in 7-0 victory

(Continued from page 15)

last Friday night." And now, it's time to begin preparing for **THE GAME** on Thanksgiving Day.

"That's a story in itself," Senesky said. "But I'll tell you this much about Nutley."

"They're good."

"Real good."

NOTES: Nutley leads the overall series by almost a 2-1 margin (33-17-5). However, during the Senesky era, (1977-present), Belleville holds an 8-7-2 advantage. The two ties, of course, came the past two seasons. (7-7 in 1992 and 14 all last year).

Belleville's last victory in this series was in 1990, a 21-6 triumph at Doc Ellis Field. Nutley last won in 1991, 27-6 at the Oval.

Belleville's eight victories over Nutley during Senesky's tenure came in '78-83 (six straight wins), '86 and '90. Bucs are 3-5-1 at the Oval and 5-2-1 at Municipal Stadium against Nutley during the past 17 seasons. Belleville has three shutouts in the series, Nutley four over the aforementioned 17 seasons. Since the series moved to Thanksgiving Day in 1984, Nutley holds a 6-2-2 advantage.

Senesky was a standout running back for Belleville High School in

1962 and '63. In those two seasons, the Bellboys split with the Raiders, winning in '62 and losing the next season. Senesky scored a TD in the '62 contest and broke his leg in the '63 Nutley game.

Raider head coach Rich SanFillippo is a Belleville High School grad. While a member of the Bellboy football teams, SanFillippo's teams were 1-1-1 in the series with Nutley.

Nutley High School Athletic Director Joe Zarra is also a Belleville High School grad. He is a member of the Belleville High School Hall of Fame.

We'll have recaps of the past 17

games and plenty of pre game info for the '94 renewal in the November 23 issue.

On the injury front, junior line-backer Robert Caputo has a shoulder and neck injury, but he's hoping to be in the lineup for the Nutley game.

Cheerleading captain Lisa DeSimone is out for the year with a serious knee injury.

We'll have a feature on the '94-95 cheerleading squad in next weeks issue.

Pirate 'B' team headed to finals

The Belleville Pirate "B" team defeated Nutley, 25-7, in the playoffs and will now meet Garfield in the final.

Hector Mendosa fired up the defense, which only allowed a single touchdown. The defense was so outstanding that they held Nutley from scoring in two separate drives with first downs inside the five yard line. Nutley's only score came on their first possession with a 40-yard pass play.

Other defensive standouts for Belleville were Lonnie Lawson, Roberto Caneri, David and Mark Williams, and Joe Kowalic.

The Pirate offense continued its dominant rushing game, running for a total of 225 yards and accounting for 19 points. Scoring came from Jason Mundorf, on two separate occasions, and a strong carry by Eric Feriol up the middle for eight yards.

Quarterback Jim Risoli connected with Hector Mendosa over the middle for a 40-yard touchdown. The only extra point was scored by Risoli on a bootleg.

The offensive line, David Bambrick, Lou Aurechio, center Anthony Caban, Mike Radice, and Gary Farrugia have been providing the lanes and protection needed to execute, while Gary McDonald and George Chumas cleared them as blocking backs.

The coaches would like to thank coach Vinnie Strumolo for his help and support and the large turnout and support of the Belleville fans.

Buc Shots

(Continued from page 15)

Last year, the teams tied for a second straight year, this time 14-14. In the '93 game, played at the Oval, Belleville rallied in the second half from a 14-0 deficit.

We'll have a recap of the series from 1977 to the present in next weeks column. We'll also throw in some memories of the past 17 games.

Suffice it to say, Belleville-Nutley 1994 should be a great game. Or should I say, **THE GAME**.

DelTufo honored

Metro Newark Commissioner Angelo R. Frannicola (left) presents Amateur Softball Association Hall of Fame Award to inductee Les DelTufo. DelTufo lives in Belleville and has played softball in the Nutley and Belleville area.

JV football team falls to Comets, 20-6

By Rocco Constantino

The Belleville junior varsity football team dropped its second straight game last Monday in Hackensack.

Coach John Apicella's squad was shut down offensively and let up three rushing touchdowns in their second straight loss, 20-6.

Center Scott Rafferty summed up the game in one statement, "We just got outplayed. They were a good team and we tried hard, didn't quit, but lost."

Rafferty also mentioned that team morale is still very high, and expressed confidence in the team when asked about the next game (Monday against Paramus).

In the Hackensack game, Belleville played with intensity and seemed to keep Hackensack from making the big play. However, the Comets were able to ground out three touchdowns to build a 20-0

lead over the course of the game.

Belleville's lone score came on the last play of the game. With the clock winding down and Belleville at the 50-yard line, quarterback Rich DeFalco called a timeout. He told his offense in the huddle to put everything they had into this one play, to make it work at all costs.

The call was for an end-around to Tiaree Huffin, and with some nifty moves at the line and some good downfield blocking, Huffin gutted out 48 tough yards and went in for the score.

The extra point failed, and the game ended at 20-6. However, from that final play, Belleville learned that if they work together as a team they can work wonders. The team is extremely anxious to display this teamwork against their final two opponents: Paramus and Nutley.

Few gifts actually improve with age. Your bank sells one of them.

Belleville recreation round-up

November and December Fall/Winter Programs: The Belleville Department of Recreation and Cultural Affairs has announced its November and December schedule of fall/winter programs, which have something for everyone.

There will be **Adult Open Volleyball** for men and women on Monday nights, 6 p.m. to 9 p.m. at the Friendly House beginning November 7. Participation will be restricted to Belleville residents only and photo I.D. cards will be required by the gym supervisor in order to gain admission. I.D. cards can be obtained at the Rec Office on Wednesday nights, 6 p.m. to 8 p.m. Proof of residency and a \$2 fee are required.

Wrestling for boys ages 6-14 started on Monday, November 7 at the high school cafeteria. Ages 6-9 will meet from 6:15 to 7:15 p.m. while ages 10-14 will meet from 6:15 to 8:15 p.m. Wrestling is conducted on Mondays, Tuesdays and Thursdays, and participants must pre-register by completing an application in the Rec Office.

Both the **Mens' and Women's Volleyball Leagues** began on November 8. The Men's League will be from 6:15 to 9:45 p.m. on Tuesdays at the Friendly House. Women's Volleyball League will run from 6:15 to 9:45 p.m. on Tuesdays at School No. 3. There will also be a Men's League on Thursdays at the Friendly House.

The Men's Basketball League will play Thursdays from 6:15 to 9:45 p.m. at the Middle School beginning November 10. Adults who would like to play in the Men's and Women's Volleyball or Men's Basketball Leagues could call the Recreation Office to put their names on a waiting list.

The Junior Basketball Clinics began on Monday, November 14 and Tuesday, November 15 at the Middle School boys' gym. Grades

3-4 will meet at 6 p.m., grades 5-6 at 7 p.m. and grades 7-8 at 8 p.m. League play will be scheduled to begin in December on weeknights and/or on Saturdays.

Interested participants should register by completing an application before participating in the clinics. Clinics are for boys and girls. The League registration deadline is November 18 and "performance clinics" for player selection are on November 21 for boys and November 22 for girls.

For more information on upcoming programs like gymnastics and Men's Open Basketball on Saturdays, call 450-3422 between 8:30 a.m. and 4 p.m. Monday through Friday.

Rec Office open for Registration/Photo I.D.s: The Belleville Recreation Department office on Joralemon Street will be open on Wednesday nights, 6 p.m. to 8 p.m. for basketball/wrestling registration and for photo I.D.s, beginning October 12.

Photo I.D.s are required for all adults and children participating in the Open Basketball and Open Volleyball programs in the schools and at the Friendly House. A \$2 fee and proof of residency is required when applying for I.D. cards. Belleville residents only will be admitted into the gyms with their Recreation I.D. cards.

Basketball Coaches Needed: The Belleville Recreation Department is presently seeking adults to volunteer as coaches for its Junior Basketball League for boys and girls. Games are played on weeknights and Saturdays. If interested, call the recreation office at 450-3422.

Registration For Rec Wrestling: Applications for Rec Wrestling are now available at the Belleville Recreation Department at 407 Joralemon Street between 8:30 a.m. and noon, and 12:30 - 4 p.m., Monday through Friday.

The Belleville Rec Wrestling program introduces boys, ages 6-14, to the fundamentals of the sport. Basic technique, moves, and strategy are taught to beginners as well as to the more advanced wrestlers. In competition, the boys are matched against opponents of the same weight class.

Rec Wrestling will be conducted on Monday, Tuesday, and Thursday evenings from 6:15 p.m. to 8:15 p.m. in the high school cafeteria, beginning November 7. Tentatively, ages 6-9 will be given basic instructions from 6:15 - 7:15 p.m., while the 10-14 year olds are prepared for league competition between 6:15 - 8:15 p.m.

Boys can register for the activity by completing an application at the Recreation office before participating. Birth certificates are required for all first-time applicants, who must be Belleville residents and can not be above eighth grade.

For further information, call 450-3422.

Basketball Leagues For Grades 3-8: The Belleville Recreation Department is forming basketball leagues for children in grades 3-8, and applications are now available at the Rec Office.

In preparation for the leagues, basketball clinics will be conducted at the Middle School Boys' Gym. Clinics will be held on Monday, November 14 and Tuesday, November 15 as follows: Grades 3-4 from 6-7 p.m.; grades 5-6 from 7-8 p.m.; and grades 7-8 from 8-9 p.m. Boys and girls shall attend these clinics together. "Performance clinics" for player assignments will be held November 21-22.

Interested players should pick up application forms at the Rec House, 407 Joralemon Street, and return them with birth certificates before participating. The registration deadline for the basketball leagues is Friday, November 18.

Mrs. Calabrese, who died Nov. 8 in Clara Maass Medical Center, Belleville, was a member of the

Watessing Senior Citizens and the Columbiettes of Bloomfield.

Born in Newark, she lived in Belleville before moving to Bloomfield in 1960.

Surviving are a daughter, Teresa; a sister, C.J. Forte, and one grandchild.

Helen DiMassimo, 78

Helen DiMassimo, 78, of Belleville died Nov. 10 in the Clara Maass Medical Center, Belleville.

Services were held Nov. 17 in the LaMonica Memorial Home, Bloomfield.

Mrs. DiMassimo was a member of the Friday Senior Citizens of

Belleville.

Born in Harrison, she moved to Belleville in 1954.

Surviving are three daughters, June Coppolino, Susan Nardiello and Patricia Jablonski; a son, Kenneth; nine grandchildren and two great-grandchildren.

Rose Bovine, 80

Rose M. Bovine, 80, of Belleville died Nov. 10 in Columbus Hospital, Newark.

A Mass was offered Nov. 12 in St. Thomas the Apostle Church, Bloomfield, after the funeral from the O'Boyle Funeral Home, Bloomfield.

Mrs. Bovine was a saleswoman for Bamberger's in Newark for 25

years before retiring 12 years ago.

Born in Newark, she lived in Bloomfield before moving to Belleville seven years ago.

Surviving are five sisters, Agnes Casper, Anna Rosamilia, Geraldine Briante, Minnie Marino and Dolores DePersio, and three brothers, Thomas, Salvatore and Anthony DiDomenico.

Obituaries

Virginia Maioran, 85

A Mass for Virginia Maioran, 85, of Lehigh Acres, Fla., formerly of Belleville, was offered Nov. 12 in St. Anthony's Church, Belleville, after the funeral from the Megaro Memorial Home, Belleville.

Mrs. Maioran died Nov. 8 in East Pointe Hospital, Lehigh Acres.

She was a secretary with John J. Ryan Inc. in West Orange for 15 years before retiring in 1977. Earlier, Mr. Maioran had been a secretary with the General Electric

Corp. in Bloomfield.

She was a member of the American Association of Retired Persons and the Quarter Century Club of General Electric.

Born in Boiano, Italy, Mrs. Maioran settled in Orange and lived in Belleville before moving to Lehigh Acres three years ago.

Surviving are two sisters, Jean F. Miller and Palmina DiGiore, and a brother, Salvatore Francescone.

David Kaminski, 64

Private services were held for David Kaminski, 64, of Lyndhurst, who died Nov. 7 in the Bergen Pines Hospital, Paramus. Arrangements were by the Nazare Memorial Home, Lyndhurst.

Mr. Kaminski was a machinist with the RCA Corporation in Harrison. He served in the Army

during the Korean War.

Born in Detroit, Mr. Kaminski lived in Belleville before moving to Lyndhurst 26 years ago.

Surviving are his wife, Catherine; a daughter, Diane Dostalick; two sons, David D. and Martin, and a grandchild.

Elizabeth Ciccone, 80

A Mass for Elizabeth Ciccone, 80, of Belleville was offered Nov. 10 in St. Anthony's Church, Belleville. Arrangements were by the Megaro Memorial Home, Belleville.

Mrs. Ciccone, who died Nov. 7 in the Clara Maass Medical Center, Belleville, was a member of the Belleville Senior Citizens.

Born in Italy, she lived in Newark before moving to Belleville five years ago.

Surviving are her husband, Joseph; a son, John; three daughters, Madeline Racioppi, Jean Garr and Joanne Esposito; two brothers, Joseph and Frank Sigari; a sister, Margaret Gabriele; 11 grandchildren and eight great-grandchildren.

Leonard Guancione Sr.

A Mass for Leonard R. Guancione Sr., 79, of Belleville was offered Nov. 11 in Holy Family Church, Nutley, after the funeral from the S.W. Brown & Son Funeral Home, Nutley.

Mr. Guancione, who died Nov. 8 in St. Michael's Medical Center, Newark, was a postal supervisor with the Newark Post Office, where he worked for 30 years before retiring.

He served in the Army during

World War II. Mr. Guancione was a member of the Prayer Group in Holy Family Church and the Blue Army of Washington, N.J.

Born in Newark, he lived in Belleville for 39 years.

Surviving are a son, Leonard R. Jr.; a brother, Jack, and two grandchildren.

Specializing In Fat Reduction

“It’s All in the Wrist”

by Dr. Robert J. LaBruzza, D.C.

Repetitive hand and wrist motion (typing, working on a computer, playing a musical instrument, gardening, etc.) puts strain on the wrist, frequently resulting in carpal tunnel syndrome. Carpal tunnel syndrome is a condition that results from pressure on and trapping of a nerve in the wrists. Symptoms include pain, numbness of the affected hand and fingers, and unusual sensations, such as tingling.

Carpal tunnel syndrome, although quite common, is uncomfortable, painful, and even disabling, often bringing people to doctors' offices, drugstores, and even hospitals.

There are several treatments for carpal tunnel syndrome. A number of people even have surgery to release the impinged nerve. However, many of these people are distressed to find a recurrence of symptoms after surgery. In fact, the Chicago Tribune's Good Health Magazine reported in its April, 1992 edition: "Carpal tunnel surgery has become the most common operation among people claiming worker's compensation. However, a 1991 study of 60 people with CTS presented at the annual meeting of the American Academy of Orthopedic Surgeons showed that more than half of those who had undergone tunnel operations reported a return of symptoms, usually pain, starting an average of two years after surgery.

Of these, 30 percent rated their results as "poor to fair."

Obviously, surgery is not an ideal solution.

Many people with carpal tunnel syndrome are turning to chiropractic to alleviate their symptoms. A Chiropractor is specially trained to treat conditions such as carpal tunnel syndrome, without drugs or surgery, and usually at a fraction of the cost. A Doctor of Chiropractic can make the necessary corrections by adjusting the cervical (neck) spine to relieve pressure on the inflamed nerves. Unlike surgery—which leaves permanent changes to the wrist and may or may not relieve the symptoms—chiropractic permits natural healing. Furthermore, studies have shown that regular spinal checkups can lead to early detection of carpal tunnel syndrome, resulting in as much as an 85% decrease in the disorder.

Free workshops on carpal tunnel syndrome—focusing on the latest research results and safe, effective therapies you can use at home—are offered during the month of November. These workshops will be held on Wednesday evenings at 7:00 PM at my office, 3 Edgewood Road, Bloomfield, NJ. Seating is limited, and reservations are required; there is no obligation to those who attend. For reservations or further information, please call (201) 429-2225.

Prostate cancer forum planned

Prostate cancer affects thousands of lives each year. To find out more about this illness, plan to attend a free informational program at the Clifton Memorial Library on Piaget Avenue in Clifton on Tuesday, Nov. 29, at 7 p.m. The program is open to anyone interested in learning more about prostate cancer.

The forum is sponsored by the "Us Too" prostate cancer support group and The General Hospital Center at Passaic.

Light refreshments will be served. To register, call 1-800-252-2234.

Sweater sale planned for Nov. 28

The Women's Guild of The General Hospital Center at Passaic will sponsor a sweater sale Monday, Nov. 28 from 9 a.m. to 4 p.m. in the hospital's main lobby.

Sweaters for men, women and children in many colors, sizes and styles will be sold. Cash and checks will be accepted. Free parking will be available in the Oak Street parking lot.

TECHNOLOGY WITH COMPASSION

Get Off the Diet Rollercoaster Once and For All!

by Anna Marie Natale, Certified Nutritionist

Let's face it, almost all of us have been a victim of some kind of weight reduction diet. Approximately one in every four Americans is riding on the diet rollercoaster and there are about 34 million Americans who are overweight.

Sadly enough, only about 5% of dieters have been able to maintain their weight. So what happens to the remaining 95% of the population? They regain all the weight they have lost and sometimes more. This is not a very encouraging situation to be in and it's no wonder people who are obese get discouraged and run the risk of developing serious health risks such as hypertension, high cholesterol, diabetes, coronary heart disease and cancer.

Why don't diets work? There are many factors that contribute to the failure of conventional dieting and one of them is the fact that most diets do not cater to an individual's goals and needs. Here are some others to think about:

1. The Set-Point Theory: Each individual has an internal mechanism that regulates body fat and metabolism. If we are programmed to have a certain amount of body fat and we fall below this "set-point", our bodies will fight back

and try to regain the weight that has been lost to get back to this regulated point.

2. Basal Metabolic Rate: This is the amount of energy our bodies require at rest and actively. Whenever we go on a diet, the body sends a signal that there is a deficit and, in turn, the body lowers its metabolic rate so that it only burns what is taken in and not much more. This is what we commonly call a plateau and the body refuses to let go any more weight so weight loss becomes even more difficult. In addition to this, gaining weight is much easier once we are off the diet because our metabolic rate has been lowered and our bodies are not equipped to handle the extra calories.

3. Lean Body Mass (LBM): Whenever we diet, we lose both fat and LBM. LBM is the fat-free active tissue, such as muscle, that determines the metabolic rate and energy and nutrient needs. It accounts for almost all of the energy consumption in our bodies. So if we're losing both fat and muscle, guess what, our BMR is lowered once again.

So how do we find a solution to a seemingly complicated problem? CLASSIC ATHLETIC CLUB has incorporated a revolutionary new

approach to weight management by utilizing the latest techniques such as modifying undesirable food behavior through behavior modification, nutritional assessments, fitness evaluations, and moderate weight training. Our team of personal trainers and our certified nutritionist will customize a personalized fitness and nutritional plan to help you reach your goals.

We will give you the support, guidance and motivation needed to succeed. ALL YOU need to do to get started is call Anna Marie Natale, Nutritionist, at 933-4100.

Quick, effective pain relief

Dr. Robert Ruffalo combines both chiropractic and physical therapy techniques for quick, effective pain relief.

Every journey begins with a first step. The path to pain relief and better health at A.T.E.A.M. Approach Chiropractic and Physical Therapy Center is a process that is the result of three phases of care designed to bring you to your destination (well-being) as quickly and effectively as possible. These phases are:

1. Relief
2. Rehabilitation
3. Maintenance and Prevention

Relief: Reduction of all symptoms such as pain, inflammation and limited motion.

The importance of the relief phase is to have you feel better as quickly as possible. We achieve this goal through a comprehensive evaluation and individualized treatment program.

Rehabilitation: Restoration of a normal healthy back and upper and lower extremity functions.

The goal of this phase of care is to facilitate the body's natural abilities to heal and stabilize itself.

Personalized exercise program: When the body suffers from injury or prolonged pain, it needs to be restored to its previous level of flexibility, strength, and endurance. Manipulation alone is usually not sufficient to achieve this goal. Dr. Ruffalo, who is also a licensed physical therapist, realizes the importance of exercise at this stage and incorporates it into your treatment program through a personalized exercise program.

At A.T.E.A.M. Approach, we are fully equipped to rehabilitate

your body to its original levels. We have the LifeStep, LifeCycle, Free weights, Thera-bands, wrist & ankle weights, and the Isolator Rehabilitator on premises which are combined to develop a progressive therapy regime. Dr. Ruffalo will work closely with you during this phase to provide support and guidance which in turn maximizes the effects of therapy.

Dr. Ruffalo will also include an at-home exercise program (walking, stretching, etc.) which will keep you active and on the forward path to recovery.

Maintenance and Prevention:

Sustaining Healthy back and upper and lower extremity functions through preventive measures that reduce the risk of re-injury.

The value of this phase is to maintain the progress already made, to support ongoing healing, and to prevent future health problems.

Prevention is the key to success.

In this final phase, you the patient - must take your health care into your own hands. Dr. Ruffalo will teach you techniques that will minimize the chance of re-injury and help you to maintain your well-being. These techniques focus on proper body mechanics, posture, as well as improved work methods.

Remember: Prevention is a T.E.A.M. effort!

What is A.T.E.A.M. Approach?

The vital elements of a T.E.A.M. Approach stand for:

- T herapeutic
- E xercise
- A nd
- M anipulation

The T.E.A.M. Approach utilizes chiropractic techniques in conjunction with physical therapy to treat and rehabilitate the individual. Emphasis is placed on prevention of re-injury and subsequent pain. Dr. Ruffalo will work closely with you on the adjustments that need to be made in your Lifestyle in order to avoid future problems. For more information, please call (201) 429-3001.

Rabbi Sholom B. Gordon, second from left, blesses the newly renovated Newark Beth Israel Medical Center Voluntary Inpatient Psychiatric Unit located on the medical center's F-5 Wing, while Lester M. Bornstein of West Orange, far left, president of Newark Beth Israel Medical Center, explains the symbolic meaning of the posting of the mezuzah. With them are, from right, Kathy Crescenzi, R.N., M.S., C.N.A.A. of Mountainside, the medical center's inpatient administrator, and Stuart Rosenthal, M.S., M.D. of Short Hills, the medical center's director of the Department of Psychiatry and Community Mental Health Center. The F-5 renovation is part of a \$2.1 million, three-unit project for the Department of Psychiatry, which will include the creation of the first children's psychiatric unit in Essex County. It is the largest expansion of the department since its inception in 1974.

Sunglasses - Are They Seasonal

Sunglasses are an important item for many of us. We use them for protection from the sun and for fashion, during the summer months we see sunwear on almost everyone. This is a normal occurrence.

Sunglasses have two main purposes. First, they provide protection from the ultra violet light which ages our eyes. The primary cause associated with cataracts is exposure to U.V. light. Retinal

problems and eye inflammation can also be due to U.V. light. Second, the reduce glare and reflections that prohibit normal comfortable vision. People experience problems driving as well as

doing other activities in bright sunlight. The use of sunglasses can prevent strain and discomfort when light reflects off of surfaces into the eyes.

The effects of sunlight are just as annoying in the winter. Snow can cause additional problems such as glare and poor contrast. People who participate in snow sports are particularly aware of this. They wear special goggles to protect their eyes and improve contrast.

Do yourself a favor and keep wearing your U.V. protective sunglasses this winter. And if you don't have a pair, prescription; non-prescription sunglasses are available at the office of Dr. Walter Shurminsky, 204 Franklin Ave., Nutley or call him at 667-0331.

COLUMBUS HOSPITAL'S UROLOGIC SURGERY SERVICES ...

Add Up The Benefits
For Yourself!

At Columbus Hospital, we're proud to offer complete urology services and state-of-the-art facilities. This allows us to assure patients who require kidney, ureter, bladder, prostate or other type of urology surgery that they'll receive the most effective, safe, and convenient treatment possible.

CONSIDER THESE PLUSES:

- ✦ **ULTRA-MODERN LASER TECHNOLOGY** FOR SAFE, HIGHLY-EFFECTIVE TREATMENT WITHOUT THE DRAWBACKS ASSOCIATED WITH TRADITIONAL SURGERY.
- ✦ **STATE-OF-THE-ART FACILITIES** THAT INCREASE EFFICIENCY AND CONVENIENCE FOR PATIENTS.
- ✦ **SPECIALIZED SUPPORT** PROVIDED BY NURSES WITH EXPERTISE IN UROLOGIC SURGICAL PROCEDURES FOR AN ADDED MEASURE OF CARE.

Together they equal the kind of advanced, effective urologic services that allow many of our patients to enter the Hospital, have surgery and leave for home—all in 24 hours or less for most procedures. Our Urology Department is one more reason we are able to say Columbus Hospital's surgical services are among the finest in North Jersey.

WHY SUFFER WITH PAIN?

We don't feel you should. Through gentle chiropractic adjustments many of our patients have found relief and you may too. Here is a few of the types of symptoms that Chiropractic care has been successful in treating.

Back Pain

The sad truth is that most people will suffer an incapacitating backache some time in their life. And once stricken, there is a 60% chance of a relapse within two years. Chiropractic has proven itself effective in treating low back injuries without using drugs or surgery.

Carpal Tunnel Syndrome

Misalignments of the cervical spine may result in a pinching of the nerves that send impulses to the wrist and fingers. Regular chiropractic adjustments can relieve the pressure on these nerves, reducing the symptoms or pain in the affected area. And, unlike surgery, which leave permanent changes in the wrist, chiropractic permits the body to heal naturally.

Headaches

A study conducted on people suffering from chronic, recurring headaches found many of them to have one or more subluxations of the cervical (neck) area. Of those people, 85% of the females and 50% of the males were relieved of their headaches or their condition was improved with gentle Chiropractic care.

Chances are, you're covered!

Chiropractic care is covered under most types of insurance. If you're not sure whether your insurance covers chiropractic care, please let us know. Our staff is knowledgeable about insurance and can answer your questions. We'll even help you process your insurance paperwork.

SHOWCASE OF FINE HOMES

CENTURY 21 - Homes Thru Us, Inc. Hosts free real estate career seminar

CENTURY 21 - Homes Thru Us, Inc. will hold a free career seminar on Saturday, November 12, 1994 from 10:30 am to 12:30 pm at 549 Washington Avenue to explore the rewards and challenges of selling residential real estate. Individuals considering a change of career or re-entering the workforce are encouraged to contact Bruno Marino or John Gomez to learn more about real estate careers and reserve a place at the upcoming career seminar. There is no fee or obligation and everyone is welcome to attend this two hour seminar.

"There is always a need for quality real estate professionals," says Mr. Marino. "This is a special opportunity for people to find out how they can realize their professional, financial and personal goals in a flexible work environment. A real estate career gives you the chance to be paid what you're worth, not what someone else thinks you are worth."

As the industry leader, CENTURY 21 system offers many resources to help its sales associates build an exciting, rewarding career including comprehensive performance development programs, a nationwide and international referral system and extensive marketing support.

"Last year, thousands of people participated in CENTURY 21 Career Seminars," says Mr. Gomez. "Many of them are now

enjoying successful careers as CENTURY 21 sales associates and have been able to put into practice many of the key lessons learned, such as the importance of quality customer service."

Quality service is the number one priority throughout the CENTURY 21 system and the organization has instituted a number of programs to ensure broker and agent commitment to this philosophy.

A real estate license obtained in the state of New Jersey is a requirement to sell real estate. CENTURY 21 Homes Thru Us, Inc., will provide information about pre-license training courses to help interested individuals fulfill this requirement.

For more information about the free career seminar contact Bruno Marino or John Gomez at CENTURY 21 Homes Thru Us, Inc. at (201) 751-8800.

CENTURY 21 Homes Thru Us,

Inc. is a wholly owned subsidiary of Metropolitan Life Insurance Company. The CENTURY 21 system is the world's largest real estate sales organization, with presence in 15 countries and territories: the United States, Puerto Rico, Guam, Canada, Mexico, Japan, Hong Kong, France, the United Kingdom, Australia, New Zealand and Papua New Guinea, and franchise agreements for broker office development in Belgium, the Netherlands and Luxemburg.

Weichert Realtors launches 16th annual toy drive

James M. Weichert, president, has announced the kick-off of the Weichert, Realtors' 16th annual Toy Drive to benefit needy or underprivileged children. He is pictured here with Santa Claus and Betty Robinson, chairperson of the toy drive. Robinson, who has successfully chaired the event since its beginning, is manager of Weichert, Realtors' Caldwell/West Orange office.

Weichert, Realtors' offices will be collecting new toys through Friday, December 9. To participate call a local Weichert, Realtors

office for information, or drop off new, wrapped toys marked for a boy or girl and appropriate age, at any local office. Donated toys collected by the more than 215 Weichert, Realtors offices will be distributed during the holidays to local charities which aid financially and/or physically disadvantaged children.

According to a national report, Weichert, Realtors is the largest independent real estate company in the country with 7,500 sales associates in 215 offices from Connecticut through Virginia.

HINTS FOR HOMEOWNERS

Create a New-Home Look At The Same Address Through Kitchen And Bath Remodeling

(NAPS)—If your home is like most, the rooms that get the greatest use—the kitchen and bathroom—are also the most likely targets for remodeling jobs.

Because some think it's tough to re-do these rooms without breaking the bank, Sterling—a company long known for quality kitchen and bath fixtures at reasonable prices—now has a free booklet suggesting quick, easy and economical spruce-up tips.

For example:

- Anti-scald tub and shower faucets assure constant water temperature regardless of water pressure changes, and are a must if you have children.

- The single most important faucet feature is drip-free performance, so a washerless design is your best bet.

- Those concerned about water purity should consider one of the new, lead-free faucet designs, which are also highly corrosion-resistant.

- New 1.6-gallon low consumption toilets are not affected by changes in water pressure, and save water and money, with one-flush performance.

- Today's affordable composite sinks offer contemporary, "designer" looks, yet are stain-, chip- and scratch-resistant—a blessing in hectic households.

REAL ESTATE

Appraisers Look at Your Home's Hidden Faces

News USA

(NU) - You've signed the contract for the house you and your family have been dreaming about.

But before the loan approval and closing, a real estate appraiser is brought in to estimate the fair market value of the house you are purchasing.

With more than a little anxiety, you wonder exactly what the appraiser will be looking at when inspecting the property and whose interests will be served.

First, a professional real estate appraiser has one primary goal—the determination of a numerical result which is objective and unrelated to the desires, wishes, or needs of the client who engages the appraiser to perform the work.

Second, appraising is the act of or process of estimating value at any given time.

So, what are some of the things the appraiser will look for when inspecting the house you are buying?

According to the American Society of Appraisers, real estate appraisers look for those sometimes hidden faces or characteristics that tell a story about the house they are appraising.

Appraisers look for things like stains on the ceiling that suggest a possible roof leak. Doors that swing open or close by themselves suggest other structural problems. Rotting wood around windows indicates waterproofing materials have broken down and need replacement.

A real estate appraiser knows that an exterior inspection is just as important as the interior inspection. In areas where soil is known to contain deposits of clay, experienced appraisers look for tell-tale signs of set-

tlement that often surfaces in cracks along the foundation or cracks between bricks.

If interior doors close by themselves, an appraiser will usually detect a foundation problem by examining the exterior walls. This inspection may reveal signs of significant stress that could ultimately lead to more serious problems.

While appraisers are not building and construction experts, they are experienced in searching for defects that might affect the property's market value.

When choosing an appraiser, ask about the many other important variables involved in real estate appraising and be sure the appraiser possesses credible credentials and a track record that includes strict adherence to the Uniform Standards of Professional Appraisal Practice.

Look for the designation "ASA" or "AM" following the appraiser's name. ASA means the appraiser has been awarded the designation of accredited senior appraiser. AM means the appraiser is an accredited member of the society. Both are members in good standing of the American Society of Appraisers.

A primary objective of the American Society of Appraisers is to build and maintain appraiser qualifications and require strict adherence to the Principles of Appraisal Practice and Code of Ethics to protect the client.

For more information on hiring a professional, independent real estate appraiser near you, call the ASA toll-free at 1-800-ASA-VALU and ask for Dept. NU. Or write to the American Society of Appraisers, International Headquarters, Dept. NU, P.O. Box 17265, Washington, DC 20041.

• Tub and shower stalls designed for do-it-yourself installation can save you hundreds of dollars. Look for VIKRELL® multi-piece units that snap together easily, and have structural ribs for added support and longevity.

By following a few simple tips, do-it-yourselfers can save money on remodeling work like the installation of a FreeStyle® shower door system.

• Ready to replace those shower curtains with the latest in shower doors? Think FreeStyle®, which allows complete access to every inch of the tub or shower, has no tracks to collect dirt and mildew, and is easy to clean.

For additional information on the FreeStyle® trackless shower door system or a free tips booklet, call 1-800-895-4774, or write to: Sterling Plumbing Group, 2900 Golf Road, Rolling Meadows, IL 60008, attention "Sterling Fundamentals".

New Products Help You Save Energy

By Jeff Keller
News USA

(NU) - Have you been saving money by saving energy?

Reducing energy is a year-round activity. It benefits snowbelt households and those in more tropical climates.

One of the best ways to save energy is to properly weatherstrip and seal your home. Weatherstrip around doors, windows, patio doors and garages. Seal ducts, pipes, and wall and window air conditioners.

"Consumer demand for easy-to-use products that save energy continues to grow," says Matt Storey of 3M, which created the window insulator kit 14 years ago. "We have responded by expanding our offering of sealing and insulating products. We have expertise in adhesives,

tapes and films. Our job-specific products work effectively to cover all areas of the home."

Among 3M's new products:

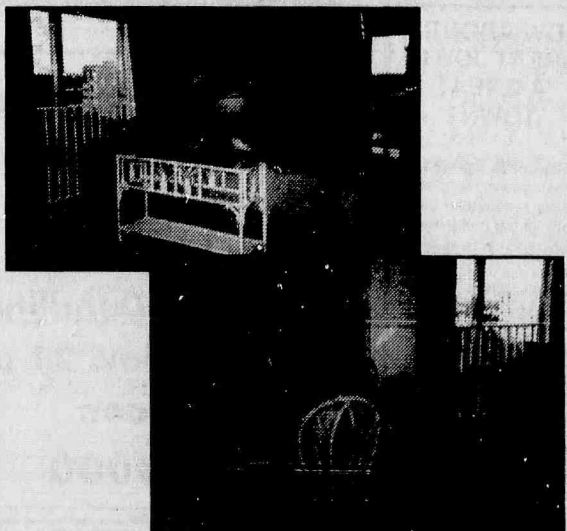

- Adjustable vinyl "U" door sweep for storm doors. The U-shaped door bottom fits storm doors between 1 and 1 1/2 inches thick. It includes three vinyl fins and is available in brown and white.

- Patio door weatherstrip kit is a four-piece adhesive-backed kit that seals top, bottom and sides of average patio doors.

Begin immediately to locate energy leak zones around your home and seal them with quality weatherstripping, tapes and films.

Jeff Keller can be heard nationwide every Saturday morning on the "Mr. Handyman" show. Check local radio listings for time and station.

As a convenience to the buyer, monthly payments are included in our ads. For purchase prices up to \$200,000, monthly mortgage payments (principal + interest) quoted in our ads are for qualified buyers based upon a 20% down payment and a conventional 30-year fixed rate loan with a 3.0% interest rate. For example, on a \$100,000 loan with a 3.0% interest rate, the monthly payment would be \$404.62. For purchase prices from \$200,000 to \$299,999, the monthly payments are to qualified buyers based upon a 20% down payment and calculated at 8.125% with 3 points on a "jumbo" 30-year fixed rate mortgage with an APR of 8.472%. An example of a \$200,000 loan would mean 360 monthly payments of \$4,008.10. Figures herein are approximate and do not include property taxes, hazard insurance, or homeowners association dues for a condominium purchase. Interest rates quoted are as of November 1, 1994, and subject to change. Not responsible for typographical errors; while information is believed accurate, we request that the payment be verified with a mortgage provider prior to purchase.

Treasure the Magic of the

SWAROVSKI

From Our Cover

Childhood Treasures

A toy train brings back childhood memories of holidays past. From "When We Were Young", 3 pc. Train Set, \$290.00. Also available separately: Locomotive \$190.00, Tender \$55.00, Tipping Wagon \$95.00, Petrol Wagon \$85.00 and Wagon \$85.00.

And Snowflakes Bright

Mark this holiday season with the 1994 Swarovski Holiday ornament. Each finely crafted snowflake shimmers with radiant beams of light - no two could possibly sparkle the same. \$37.50.

Enchant With Memories

Of Pure Delight

Cuddle up with adorable Kite Bear, his festive green and red bow tie beckons the brightest of holiday cheer. Also from "When We Were Young", \$75.00.

The Birds and The Bees

Celebrate the rites of spring with visitors from "Among Flowers and Foliage". (a) Bumblebee \$85.00, (b) Hummingbird, \$195.00 and (c) Butterfly on Leaf, \$75.00. Or from "In A Summer Meadow" (d) Mini Butterfly, \$42.50. From "Beauties of the Lake", indulge in the fanciful whimsy of the (e) Frog \$49.50. Or escape to the southern shores with an amazing bird - the (f) Pelican. First in the "Feathered Friends" series, \$37.50.

Star Light, Star Bright

What gift could be more dazzling? You'll set hearts aflame this holiday season when you choose the enchanting Swarovski Silver Crystal Star Candleholder as that very special gift. From "Our Candleholders", the (g) Star (medium), \$250.00 each.

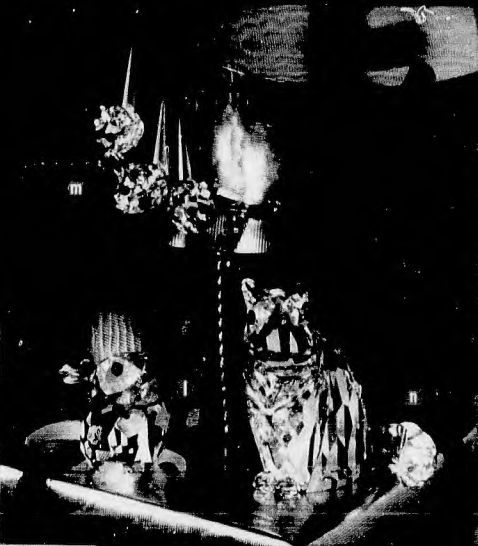

THE PERFECT HOLIDAY GIFT.

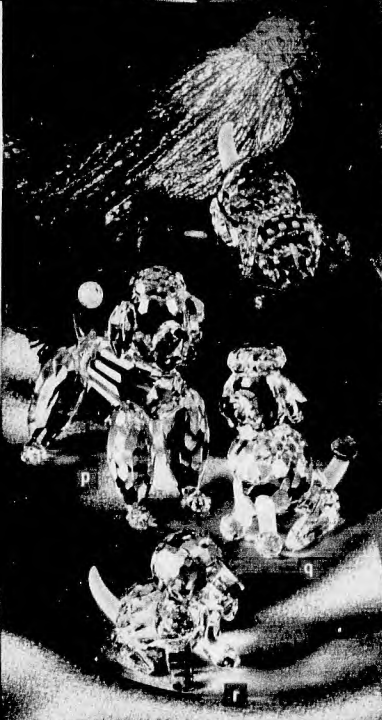

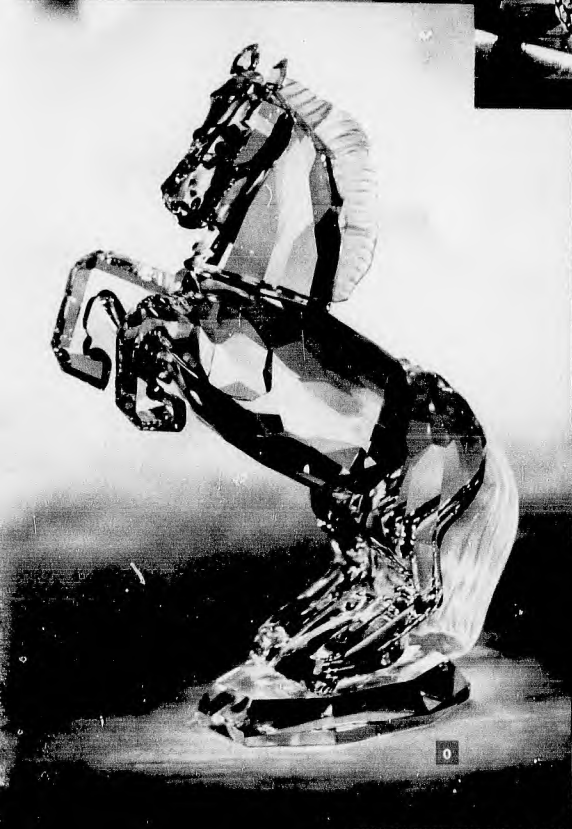

Just in time for holiday gift giving, we are pleased to present this exquisite collection of Swarovski Silver Crystal. Designed with elegance and sparkling brilliance, these pieces will be treasured now and for generations to come.

SWAROVSKI
SILVER CRYSTAL

Rock, Steak, Omelet
 Perched in the lampyard antics of
 Mother Kangaroo and her three
 mischievous progenies, aptly named
 Rock, Steak, and Omelet. From
 the "Rocky Road" set. (h) Mother
 Kangaroo \$25.95, (n) Rock,
 (o) Steak, (m) Omelet \$17.95 each.

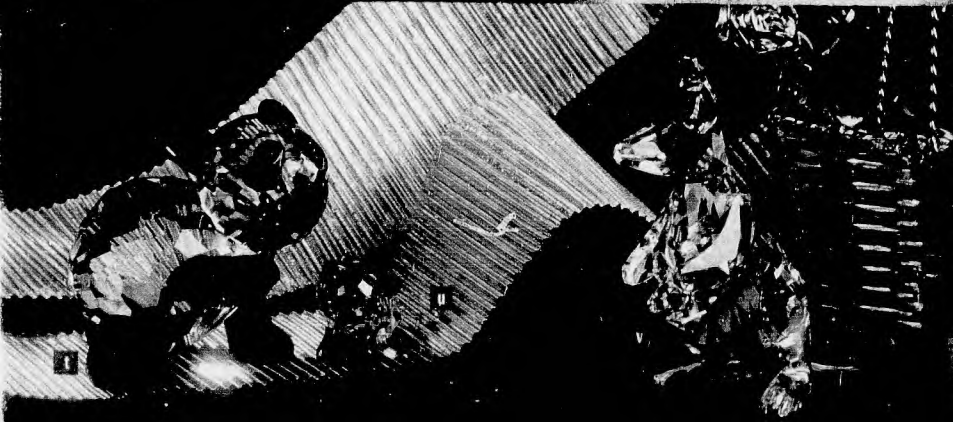

Make the Cat's Alley
 The actor will play! These mis-
 chievous field mice born "In a
 Whimsical Mood" will charm even
 the sturdiest of cats. (p) Field Mouse
 \$19.95, (q) Field Mouse (Set of 3)
 \$52.95, (r) Whimsical Cat from "Peb-
 Cornet", \$75.95.

Steady in Motion
 The magnificent performer cap-
 tures the very essence and regal
 beauty of the majestic Lighthouse
 Steadfast. From "Horses On Parade"
 set. White Steadfast \$250.00.

Oh, Hello - And Oh So Close
 These Porcelain Goddesses sparkle
 with the subtle elegance of their
 craftsmanship. From "Por-
 celaine" set. (s) Goddess \$25.95, and
 (t) Goddess \$25.95. And
 playing paper dolls and play all
 day! (u) Porcelain Puppets and
 (v) Porcelain Puppets \$49.95 each.

Go Home - Oh, Hello
 From magnificent far and wide -
 these Porcelain Goddesses reach out
 and touch your heart. From
 the "Porcelain Goddess" set. (w) Mother
 Kangaroo \$25.95, (x) Baby Panda
 \$25.95, (y) Mother Kangaroo
 \$25.95.

Raindrops on Roses

Enjoy the beauty of the rose forever in full bloom, glistening with morning dew. From "Exquisite Accents", (w) The Rose, \$190.00.

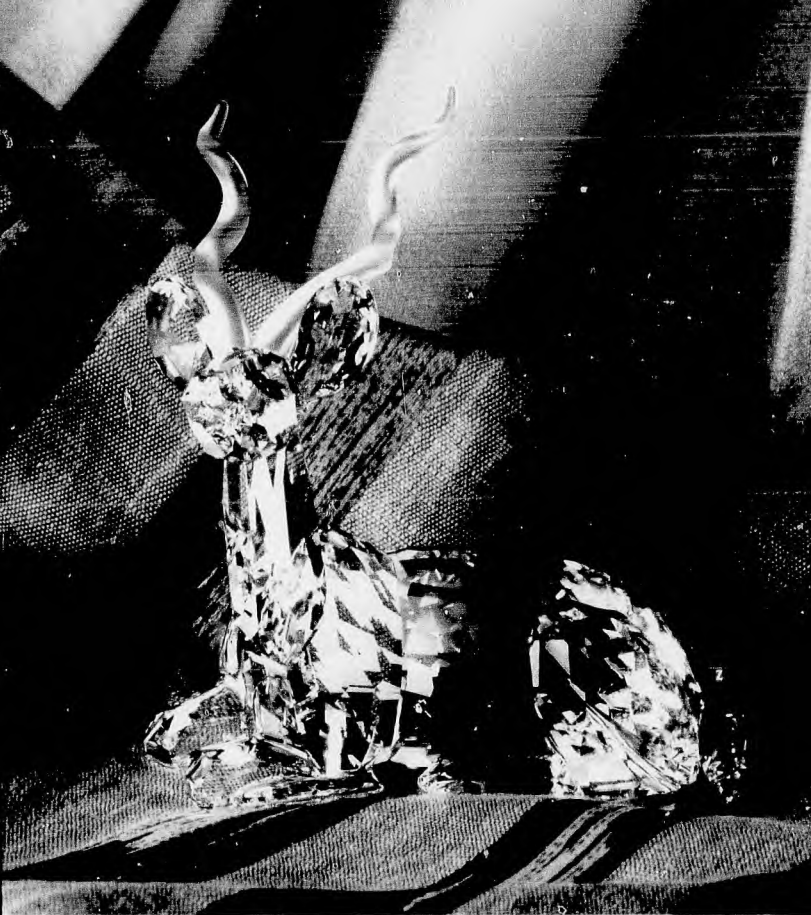

Bear Your Soul

To these two lovable cubs! From "Woodland Friends" series, (x) Small Bear, \$75.00 and (y) Large Bear, \$95.00.

THE COLLECTORS SOCIETY

The Swarovski Collectors Society presents its new collection, (z) "Inspiration Africa" - the Kudu, \$295.00. The second in an exquisite three-piece series, it captures the elegant grace of the animal itself on the African Plains.

The Kudu is exclusively available to members of the Swarovski Collectors Society. Contact your Swarovski Retailer for membership information.
