## Senior housing still debated by township

By Joe Brennan

At its last work session, the Belleville Town Council decided to hold a special meeting to discuss the senior housing issue on Sept. 30.

A five-acre piece of Essex County owned property behind the Belleville Fire Station on Franklin Avenue and vacant School 1 on Cortlandt Street have been debated among council members as possible locations.

Belleville remains the only municipality in Essex County that doesn't provide its own senior housing. The topic was first discussed in the late '80s.

Fourth Ward Councilman Mario Drozd has met with county representatives and Riefolo Contractors of Belleville to discuss a possible project of 80 to 120 housing units on the Franklin Avenue property. The

county has given Belleville the first opportunity to purchase the land for \$400,000, but it will be going up for auction on Jan. 1, 1997.

**'I don't need a work session to tell them I don't want to pay \$400,000 for that property,'- Bill Escott, third ward councilman.**

"It's either we want senior housing or we don't," said Drozd. "If they (town officials) don't want it, then we'll close the issue," said

Drozd. Some council members expressed their opposition

to the county price tag.

"I don't need a work session to tell them that I don't want to pay \$400,000 for that property," said Third Ward Councilman, Bill Escott.

Councilwoman-at-large Angie Paserchia said she supports senior housing, but doesn't want to deal strictly with one contractor. She added that the town should perform the proper bidding techniques to ensure Belleville residents get the first share of the housing.

"I would love to get senior housing here. If we hand it over today, we have nothing to say about it. The senior citizens of Belleville will not have first take," said Paserchia.

Paserchia said she supports refurbishing School 1. "Whether it belongs to the board of education or the township, it belongs to the taxpayers of Belleville,"

she said.

But school officials have expressed interest in renovating the school to place special education students there for training. These students would normally be transported to outside districts at more cost to the taxpayers, officials said.

The council approved a bond of \$400,000 a couple of years ago specifically for senior housing. But officials haven't approved the spending of that money.

At the meeting, other town officials commented on finding out more details about how the project can best benefit the town.

"I think everybody is pro senior housing, but the question is how," said Second Ward Councilman, Amaldo Carrera. "How much is the property worth in the market? Are there any other properties we could use?"

## Schools going interactive

By Joe Brennan

As part of their five year plan for boosting technology, school officials in Belleville are preparing to have "interactive television" and Internet capabilities throughout the district.

Superintendent of Schools Michael Lally said he has been discussing interactive television programs with ACTV in New York City, and would like to have every one of the district schools "on line" by the early fall.

"This is something I would like to see become a reality. They (ACTV) seem to be able to accommodate our needs. And we're in the process of purchasing computers for every school library with modems for internet access," said Lally.

Jim Crook, executive vice president for ACTV, said the company is still exploring methods of providing interactive television for Belleville. Crook added that the town will receive a unique system.

"The key to Belleville is, we will let the district create its own program. Other districts are using already produced programs. We enable school districts to use video production capabilities and assets of their best teachers," said Crook.

The interactive television process allows students in one classroom to be instructed, via a television monitor, by a teacher in a different school, said Crook, who added that the signal would be carried by a local cable company.

"This can provide elementary students with a foreign language, by tying in with a language lesson or science lesson at the high school," said Lally.

Bob Molinaro, school official and chairman of the technology committee, said the interactive process can also produce savings for the district.

"If a school wants to teach Japanese but can't afford a Japanese teacher, the districts will pool their resources and share costs," said Molinaro.

"The Internet would give them quicker information. You always have up to date information. We are so far behind compared to other districts, it's a sin. Our kids need to be proficient with this," said Molinaro.

Crook said he will be attending a meeting with the district's technology committee at the high school library on Monday, Sept. 30 at 3:15 p.m.

## School health plans adjusted...

## Board changes health insurance

By Joe Brennan

In an effort to save \$230,000 per year, the Belleville Board of Education adopted a resolution at its last meeting to change its health insurance plan for the district.

Teachers and administrators are under the N.J. State Health Benefits Program, administered by Blue Cross/Blue Shield. The board wants to change its health carrier to U.S. Health Care, with brokers from the Madison Consulting Group of Morristown administering the plan, said Edward Appleton, board secretary.

"The co-pays and deductibles would all stay the same. We haven't switched anything. This wouldn't take place until Dec. 1," said Appleton. "Any change in benefits would have to be negotiated."

The board is under a contractual

agreement to offer an equal or better plan to district employees. The resolution passed by the board will take effect following a 60-day period, beginning with acknowledgment from the State Health Benefits Commission.

Jack Ayres, president of the Belleville Education Association, said teachers would rather keep the same health plan, but are willing to review the one by U.S. Health Care.

"We would prefer them not to change, but legally the board has the right to change the plan," said Ayres.

The problem the association is having, Ayres continued, is U.S. Health Care normally provides a Health Maintenance Organization (HMO) type of care, but the new

## Belleville teacher bikes African lands, builds homes

By Joe Brennan

Carl Johnson left for Botswana, South Africa on a philanthropic adventure last month, and has come back to share his experiences with his students.

Johnson, a math teacher for the past four years at Belleville High School, completed a three week 600 mile trek, dubbed "Bike and Build," across the desert terrain of Botswana and helped Habitat for Humanity build homes for natives.

"I liked the hospitality of the people there. We were very warmly received and did a lot of publicity for the habitat. We completed five homes by putting the finishing touches on them," said Johnson.

Habitat for Humanity became a household word 10 years ago when former President Jimmy Carter joined the organization and labored

long hours to build houses for the needy.

Johnson, a Nutley resident, wants to take his overall experience and present it to Belleville high school students. He is preparing two video productions of his trip, one for his algebra classes and one for the general student population.

"The chiefs of the tribes would welcome us. There were solid interpersonal relationships formed. In Belleville there is such a diverse population. I want to share with students anything that would make them appreciate cultural differences," said Johnson.

The first part of the trip commenced in the African city of Gaborone, on the southern part of the country. The cyclists then peddled their way to Francistown to

## Resident works overtime as volunteer

Mrs. Mary Vocaturo Ferrato, daughter of the late Bomina and Rosario Vocaturo of Belleville, has been a volunteer at Clara Maass

Medical Center in Belleville for the past 22 years, during which time she served as president of the auxiliary for many years.

By the end of 1995, she had amassed 29,862 hours of service to

the hospital and is still going strong, often arriving by 6 a.m. Additionally, for 18 of those years she has been a Eucharistic Minister, administering to the spiritual needs of patients as well, and assistant to the chaplain.

In 1992, Lyndhurst Mayor Lou Stello awarded Mary a plaque for exceptional senior citizen volunteer work and had her name added to the list of past honorees on a wall

plaque at the Lyndhurst Senior Citizens Center. A reception was held in her honor.

In 1985, Mary was awarded the Caritas Medal by Archbishop Gerety in recognition of her outstanding leadership and achievement in service to the people of the Archdiocese of Newark and her parish, Sacred Heart, Lyndhurst, where she assists at Mass and

build homes and completed the trek by arriving at the city of Kasane, on the northern tip of Botswana.

While in Francistown, Johnson stayed in dormitories next to the high schools. The workday would begin at 8 a.m. and last until noon. Workers had the option of continuing work in the sweltering afternoon heat, or occupy their time by taking a tour of the surrounding countryside.

"The homes we built had no plumbing or electricity. A lot of families were living in shanty town type homes. So it was an improvement," said Johnson, who added that he raised over \$2,000 for construction equipment.

"Every time a house was completed there was a dedication ceremony. We dedicated five houses," said Johnson.

The excursion for Johnson didn't go quite as planned, especially after his bicycle got lost with the luggage and was never delivered on time. This forced him to borrow a bicycle for the first week of the trip.

"The seat was just so uncomfortable. I tore up my rear end. I finally got my bike for the second part of the tour," said Johnson.

Johnson met tribal chiefs, and commented on the mixture of

Western influences and native customs practiced by the indigenous people.

"They (chiefs) were very down to earth. They dressed in western clothing. They also performed these traditional dances, and a national dance," said Johnson.

Although the natives might not have been traditional in their overall appearances, the rugged terrain and animals of the countryside caused challenges for the more than 40 cyclists who took part in the trip.

"Although the countryside was very flat, there was very strong head winds. There wasn't many tall trees, but a lot of shrubbery," said Johnson, who added that he was a scout on the trip for elephants that would cross the roads at any particular time.

"They have elephants that actually walk across the road," he said.

Johnson had been volunteering for Habitat for Humanity in Paterson and Newark since 1994. An article on Botswana caught his eye in the National Geographic magazine.

But 34-year-old Johnson didn't even purchase a bicycle until after he signed up for the trip.

"I bought the bike in March. Then I took a trip to Randolph and started biking around Nutley to prepare myself," said Johnson.

Detectives James Giuliano and Robert Capece arrested Dino Rodriguez, 36, of Belleville for possession of heroin on Sept. 2, police said.

Officers Brendan Dullaghan and Anthony Weedo arrested Joseph Hill, 27, of Bloomfield for an outstanding warrant of \$500 and possession of drug paraphernalia on Sept. 3.

Officers Joseph Bagonis and Frank Parrillo arrested Kathleen Lombardi, 22, of Nutley on Mill Street for possession of a handgun, hollow point bullets and drug paraphernalia on Sept. 3.

Officers Stephen Xenios and Frank Parrillo arrested Ruben Lisboa, 41, of Newark for shoplifting \$100 worth of clothes from the K-Mart, located on Joralemon Street in Belleville, on Sept. 7.

## New bus service starts in town

De Camp Bus Lines has announced new service in Belleville and Nutley.

There will be morning trips operating via Franklin Avenue, Joralemon Street and Main Street, Belleville, and River Road, Nutley, then via Lyndhurst and Seacaucus to New York City.

The service leaves Franklin Avenue and Franklin Street, Belleville, at 7:34 a.m., leaves

## Council at odds over housing

(Continued from Page 1)

Deputy Mayor Jerry Digori requested the results of a survey conducted in 1993.

"I would like to see the results of the survey. There's no sense in building 100 units for 400 people or 100 units for four people," said Digori.

In our Aug. 29 issue, the Belleville Times conducted its own survey concerning the need for senior housing. The result was almost two dozen responses from residents. They echoed the same sentiments and called for the town council to provide housing for the senior citizen population.

"Why is the township taking 30 years to make a decision about a project that should have long been decided upon? Every other town in

Essex has one," wrote a resident who chose to remain anonymous.

Other residents complained about the cost of living, and how much more difficult it is for seniors to cope with hard economic times.

"Many seniors find it hard to pay the high rent, or if they own their own home, they cannot keep up with the expenses and the taxes they must pay," wrote A. Gonnella.

Most of the responses favored the Franklin Avenue property, but some liked the School 1 location.

"Franklin Avenue is a great location. Also, does Belleville have a zoning board who are familiar on which parcels of land are available?," asked another resident who chose to remain anonymous. "Let's stop discussing and start planning to build."

Dr. James Muglia held his 11th annual "Open Wide" open golf outing for patients and friends Aug. 31.

Twenty four golfers enjoyed the sport which was followed by an elaborate buffet, prizes and determination to "wait until next year."

Low gross honors went to Carol Lardier and Art Muglia. Low net

honors were garnered by Joe Guerin, winner of last year's low gross, and Beth Guerin.

Longest drive honors went to Joe Guerin (about 280 yards) and Ann Sisbarro (about 240 yards).

The Nutley Sun award for closest to the pin was won by Leroy Ronan and Beth Guerin.

proposal for Belleville isn't an HMO.

"We don't have anybody we can call and ask about how it works. Any change is difficult. If the coverage remains the same we won't have any problem with it," said Ayres.

The state health plan consists of three different options. A traditional plan calls for an 80 percent co-payment by the state after a \$100 deductible is met, or a \$200 per

family deductible. Another option is an HMO, which requires the person to pay \$5 per visit, but they must choose from a list of the company's doctors. A third option is the Preferred Provider (PPO) plan, which requires a \$10 per visit payment with another list of doctors the patient must choose from, said Ayres.

The plan by U.S. Health Care doesn't offer as many options. One of them works like the traditional offer in the Blue Cross/Blue Shield. But if patients decide to choose on of the company's doctors, they pay \$2 per visit, said Ayres.

"Our concern is the list of doctors I received doesn't look that extensive," said Ayres.

Ayres said the board is having representatives from the consulting group meet with teachers this week to answer questions.

"We feel we're kind of stabbing in the dark. We're just going to have to monitor it," said Ayres.

### Council and Board of Ed should work together on senior housing

There was an outpouring of responses to a survey conducted by the *Belleville Times* regarding senior housing.

Every sentence of every reaction contained the same message: Belleville needs senior housing.

The town council recently made a decision to hold a special meeting to debate whether or not they will pursue the construction of low-cost housing for its seniors.

Belleville remains the only municipality in Essex County that doesn't provide its own housing for seniors, and this simply should not be.

The two available locations remain a five-acre piece of property behind the Belleville Fire Station on Franklin Avenue, or vacant School 1 on Cortlandt Street.

But these two options might soon become one.

The Belleville Board of Education has plans for School 1 in providing a place to instruct special education students. Because the district normally has to send students out of district and absorb extra costs, this move would save the taxpayers money.

This may also mean a possible debate on purchasing the Franklin Avenue property from the county for \$400,000.

The council allocated money, in the form

of a bond for \$400,000, that could pay for the county owned property, but not any construction costs. However, they haven't "floated" the bond, or appropriated any money for the cause.

As the dilemma continues, so does the pure need for senior housing.

The topic of low-cost housing has been debated by previous councils and dates back to the late '80s. Although the council should be careful about how they obtain housing, they should make a concerted effort to acquire the dwellings.

Senior citizens have already struggled enough to make ends meet during their entire lives.

Maybe if the council and board of education worked together they could come to a consensus on other vacated buildings throughout the district. Or maybe School 1 could be shared by both seniors and children. The board is already trying to bridge that gap by having intergenerational dances.

Although it might be easier planned than done, the issue will not go away, and seniors deserve a strong effort by all town leaders, no matter what political body they represent.

Town officials and board members shouldn't become adversaries and instead work together for a common cause.

### Life in Silver Lake By Marie Strumolo Burke

I haven't done one of these columns in a long time, so I thought it would be nice to take it out of retirement.

You all know the game, but if you don't let me refresh your memory. I promise not to mention the name of ? anywhere in this article and the ? is where I come from, you don't have to be a rocket scientist to figure this one out, do you?

My husband Charlie and I went to a sweet 16 party for my cousin Chris & Raymond's daughter, Erica, at the Knights of Columbus on Bridge street and met up with that "Great Irishmen, who you all know, George Lynch, better known as that nice Irish kid. George is a "dolt" and deserves recognition, so you got it, George.

Met another good guy named John Tague from Fairway avenue who was a good friend of the late Chester Prosperi. He misses Chester dearly and remembers the "friendly spats" they engaged in.

I had another occasion to frequent the Knights again, this time it was for Tara Alamo and Melissa Sena's Graduation Party. There, I had the distinct pleasure to meet a lovely lady named Eleanor Guarini-Strollo and her husband Danny Strollo. She told me how much she enjoyed reading my column and asked if I could do her an itty-bitsy favor to help her out in her dilemma.

So, Eleanor, I'm here to please.

The 1946 Belleville High School graduates are having their 50th, yes, I said 50th, Class Reunion at San Carlo's Restaurant in Lyndhurst on Friday, Oct. 18.

Marie Strumolo Burke

There are about 55 grads that are unreachable by address—probably a little less since I spoke to Eleanor. So, all you people out there, I'm putting out a state alert to come up with the missing persons who were graduates of BHS in 1946. I know we can help out Eleanor...so get started. You can reach her at 450-4902 with any clues you have.

There are 11 people on the committee and six of them are former? or still live in ? Let me name them: Louise Ippolito Moretti (a good friend of mine) Ruth Gotto, Jean Muccigross Tamburri, Margie Calamai Delvecchio, Dolores Vitiello, Edgie Bucciarelli and Ann Steele. By the way, Margie and Pete DelVecchio, were childhood sweethearts I was told.

Eleanor, you are one of the most charming, vibrant individuals I have come across and one would never guess that you will be celebrating your 50th reunion, you look

more like you should be celebrating your 30th.

Top Cop Award

Did you know that the National Association of Police Organizations, Inc. (NAPO), have awarded six Belleville police officers the Top Cops Award? And, did you know that these are the first cops from New Jersey to receive this award? And, did you know that they will be honored at an awards ceremony on Oct. 3 at the Omni Shoreham Hotel in Washington, D.C.

Now, that you all know that, let me tell you the names of these top cops. Let's start off with Officers Vincent Masi, John Pinto, Joe Richiuso, Joe Tramaglino, Vic Linfante, and James Melillo. Credit should also be given to the Captain of these men Leonard Burrell and of course, the top of them all, Raymond Kimble, police chief, and do to deserve this prestigious award. Do you have about an hour...no just kidding, I will make it short.

They were nominated by State Delegate, Belleville p.o. Anthony Weiners while in a car chase that ended with police shooting dead Cornell Collins, who was suspected of committing three homicides. A chase ensued. Shots fired and Belleville's Finest won at the end.

Isn't it great when you know you can depend upon our able police?

So, this one's for all of you...a 20 gun salute to the finest, bravest, policemen in the county, state, and even country.

Remember we love Silver Lake and Belleville's finest, too.

### Resident supports Martini in re-election campaign

To the editor:

In a free society that allows open elections, it is extremely important that every voter research the backgrounds of the candidates.

In the 8th Congressional district we have two candidates seeking our votes, Congressman Bill Martini and State Assemblyman and Paterson Mayor Bill Pascrell.

Bill Pascrell has a long record as a public official and his results have been devastating for our state and his hometown. Bill Pascrell was the President of the Paterson Board of Education and in 1990 the state had to take control of the falling school district.

Bill Pascrell was a member of the Paterson Planning Board for several years and for ten years Pascrell was the Director of Policy for the city. Since 1990, Pascrell has been the Mayor of this once great city of Paterson. Visit the city of Paterson and witness the devastation as a result of two decades of Bill Pascrell leadership.

Bill Pascrell has been State Assemblyman since 1988. Pascrell voted for Florio's \$2.8 billion tax hike in 1990 and he is still in favor of the ill-conceived \$2.3 bill on Passaic River Flood Tunnel. Pascrell's policies have caused industries to flee his city and our state. We cannot afford to elect Pascrell to national office with this sorry record.

Congressman Bill Martini's record is one that is deserving of re-election. Martini has fulfilled his campaign pledge to oppose the Passaic River Flood Tunnel and to pursue a more prudent buy-out proposal which will give immediate relief to the flood victims. Martini voted for the welfare reform bill that the President recently signed. Martini also voted for legislation that requires members of Congress to abide to all laws that apply to the general public.

Congressman Bill Martini wrote the law tightening the death penalty and he voted to give the President line item veto. Both of these bills have been signed into law. Congressman Martini is the author of a bill that makes lying to Congress a crime and Martini also wrote the bill to save Sterling Forest, a pristine area that is a major source of drinking water for north Jersey.

When voters analyze the records of the two candidates, it becomes very clear that Congressman Bill Martini deserves re-election as our 8th District representative. The future of our state and our nation require leaders with the characters responsibility, and leadership abilities of Bill Martini.

### Reaction to letter given by resident

To the editor:

I am extremely upset that a letter was published last week regarding Patty Pisano with my name attached to it. That letter was not written or signed by me. I do not even know Mrs. Pisano or Mr. Yanuzzi. I am a mother of four children, one of which was in the special education program. I would never criticize another person just to get a point across.

I also want to make it clear that I never attended any meetings at Mr. Montagna's house, or Board of Education meetings, and therefore would never know if Mrs. Pisano ever attended any or not. As a 30 year resident of Belleville, I find constant attacks disgusting and believe they should be stopped. Although I took no part in the printing of that letter, I regret the negative publicity the incident has generated to all parties concerned.

### Resident supports Dole

To the editor:

Republican presidential candidate Bob Dole wants America to return to the values of the past — the values that make America great.

I'm a baby-boomer. I've come through several political campaigns and I've consistently wanted to believe what the candidates said. "Said" is the key word.

I want to elect a man this year who would do what he says he'll do, I'm tired of broken promises. I'm tired of "fat cats" who use our money to further their power in an office given to them by the people.

I know "baby boomers" are a large slice of the voting pie. This year let us stop believing the lies, stop being naive and vote into office a man of honor.

Dole wants America to return to the values of the past. Well, I want that too. And what better way can we return to the values of the past than to believe and support a man who exemplifies these values today.

• **I'M** one of the Social Security "Noth Victims" — those persons born between 1917 and 1921. In response to legislation that would right the wrong, Congressman Mark Neumann, Republican, has introduced House Resolution 2930 entitled, "The Notch Fairness Act of 1996". What's significant about Neumann's sponsorship is the fact that he has the reputation of standing in the front ranks of conservative Republican deficit hawks, so much so in fact, that his "balance the budget at all costs" stance has tested the patience of even GOP leadership.

• **THE** League of Women Voters of the Nutley Area has scheduled a dinner for Thursday, September 26th, at its 65 Church Street headquarters with the main subject, "Campaign Finance Reform". Cost of the dinner is \$10. Interested citizens can make reservations by calling

Republican, Missouri, sponsored a similar bill, H.R. 240 and was joined by twenty sponsors. The list did not include our own Congressman Bill Martini. Since introducing the bill, Congressman Emerson died June 22nd of lung cancer.

• **NEXT** Wednesday, September 18th, at 1:00 at the Highfield Lane mansion of Superior Court Judge Stanley and Ruth Bedford, the September Social Committee of the Nutley Family Service Bureau holds its annual love-in. The event has become one of the highlights in the life and times of Nutley.

• **HONORABLE** mention for civic interest above and beyond the call of duty is due Katherine and Steve Denkwitz and Dot Greengrove who conduct children's tours of the Kingsland Manor. The kids love it and express their appreciation with thank you notes. For 24 years, a small number of Kingsland Committee members have participated in the annual

• **KIWI AIRLINES** — one of my favorites — manned primarily with men and women formerly of Eastern Airlines, is celebrating its 4th anniversary. And the joy of the celebration is that Kiwi offers a 10 percent discount for a "senior plus companion" and Commuter Books. For selected dates in September, one-way fares are \$44. The commuter books contain ten prepaid tickets for the price of nine. The \$44 one-way fare is to all non-stop destinations except Bermuda and valid on September 10, 11, 17, 18, 24 and 25. The 10 percent off bargain for seniors includes a companion of any age. The regular rate for peak travel days between New York and Florida costs \$115 one way. Travel agents also are benefitting during the month of September, a period that Kiwi will pay 14 percent to the travel agent. Kiwi Commuter Book tickets are transferable to any other senior and companion of any age. Commuter Books purchased with a senior discount are not transferable to those under the age of 62. Kiwi serves New York, Chicago, Atlanta, Tampa, Orlando, West Palm Beach, Bermuda and Las Vegas. Kiwi started flying September 21, 1992 and has a perfect flying record since. Reservations are available through local travel agents.

• **BLOOMFIELD CHAMBER OF COMMERCE** re-elected Richard Bzdek to a second term as its president. The second agenda item of most concern to the membership was Christmas lighting at Bloomfield center. A committee was formed to research the problem and present a recommendation to the Mayor and Council. The Chamber is committed to making every effort to light up the center for the holiday. It won't be done without thousands of dollars from the business community.

A weekly feature of The Nutley Sun, Belleville Times, Bloomfield Life, Glen Ridge Voice

September 5 marked a day of celebration at Park Manor Nursing Home in Bloomfield as residents, families and staff inaugurated a new deck and internal renovations at the facility. After a sumptuous bar-b-que, served by Park Manor's Dietary Services Director Janet Veith, residents danced to the sounds of jazz, provided by Leon DeVose, II, husband of Park Manor's admissions coordinator. For more information about new programs and services at Park Manor, call 743-7772.

## A message from the president

Our 1996-97 year will be starting this month. We are planning a banner year with some interesting programs already scheduled.

Sept. 26: Dr. Ruffalo will speak on stress management in the workplace.

Oct. 24: A smoking clinic for those who want to stop smoking.

Nov. 28: Turkey shoot.

Dec. 19: Annual Christmas luncheon.

Good programs have already been planned for 1997. Please try to join us at as many meetings as possible, and be a part of the camaraderie that exists. I'm sure you will also enjoy the meetings and perhaps receive some benefit from them.

Our executive committee is working very hard to continue the tradition of generating interesting programs and good fellowship for this fine organization. I'm proud to say I'm your president.

A warm, sincere welcome to our newest members:

- Resurrection Business Consultants, Inc.
- Met-Speed Label Corp.
- Spector & Ehrenworth
- Printing Techniques

REMEMBER, NEW MEMBERS ARE ALWAYS WELCOME!!!

Your president  
Anthony (Tony) Bilotta, Sr.

## State Fair's Halloween Super Store opening Sept. 12

The world's largest Halloween Super Store will have its grand reopening Thursday, Sept. 12, featuring only Halloween merchandise.

The Halloween Super Store just got bigger by adding 50% more floor space for the '96 season. The additional space will allow for an even greater variety of Halloween merchandise and more convenience for customers.

The Halloween Super Store offers the largest selection of children's and adult costumes in the entire state. If the costume is made, you will find it at State Fair's Halloween Super Store.

Accessories, accessories and more accessories — everything the Halloweeners need to decorate their home inside or out, make their party extra special and exciting or add to their favorite costume.

The selection of masks (over 400) includes Bill and Hillary Clinton and most of your favorite politicians, Beavis and Butt-head and other cartoon characters, as well as the scariest and ghoulis types of real-looking masks. The selection of wigs allows you to be anyone and as beautiful or as ghoulis as you want.

Inside the store is a 25-foot animated display featuring a witch who stirs her cauldron, a ghost that does flips, a pumpkin that talks and all the weird sounds associated with Halloween. The display, enjoyed by the entire family, is another special feature of State Fair's Halloween Super Store.

The store is easy to get to off of Route 21, heading south at Exit 7 or heading north at Exit 6.

Hours are Monday thru Saturday, 10 a.m. to 9 p.m., and Sunday, 11 a.m. to 6 p.m.

Phone number is 450-1070.

## Blue Cross and Blue Shield of New Jersey hosts Senior Health Fair in Bloomfield

Event to feature senior lifestyle presentations, fitness demonstrations and free health screenings

The Medicare Blue division of Blue Cross and Blue Shield of New Jersey (BCBSNJ) will host a Senior Health Fair in Bloomfield Tuesday, Sept. 17 at the Essex Manor, 41 Broughton Ave. from 9:30 a.m. to 3 p.m. Seniors from throughout the area are invited to attend. There is no charge.

Among the program's activities will be presentations on senior lifestyle interests, fitness demonstrations, and free health screenings. More than two dozen exhibitors, representing both local and national groups, are expected to participate.

There will be numerous door prizes, giveaways from exhibitors and area retailers and complimentary refreshments.

"This event is designed to help area seniors take better care of their health," said Tom Sosin, director of health services for Medicare Blue. "People have opportunities to interact directly with health professionals and learn about many varied areas of health and fitness."

Throughout the event, BCBSNJ representatives will also provide information on the company's

Medicare Blue insurance plan, a new Medicare coverage offering full health benefits with "no premiums" to seniors who use the BCBSNJ hospital, physician and provider networks.

The plan covers all basic Medicare benefits plus a range of other services, placing strong emphasis on preventive medicine.

For more information on the health fair, area seniors should contact Dian Molloy at 1-800-275-2767.

Blue Cross and Blue Shield of New Jersey is the state's largest health insurer, providing coverage to over 1.9 million New Jerseyans. In 1993, BCBSNJ began implementing a strategy to become a total managed-care company, creating hospital, dental, pharmacy and physician networks, and introducing HMO Blue as its premier managed-care coverage.

The company recently announced plans to consolidate with Blue Cross Blue Shield of Delaware and to merge with Anthem, Inc., a Fortune-500 health services company based in Indianapolis, Indiana.

## Chorus of Communities

### 'Messiah' Sing-Along Sept. 22

The Chorus of Communities will sponsor its third annual "Messiah" Sing-Along, 3 p.m. Sept. 22 at Bethany Lutheran Church, corner of New and Joralemon streets, Belleville.

All are invited - newcomers, intermediate and advanced singers, sight readers and those who do not read a note.

Soloists may let their voices be heard and organists and choir directors may play or direct at least one piece. Soloists, organists and choir directors must call 895-4563 to arrange who will do what.

Each participant must bring his/her own copy of the "Messiah," preferably the edition by G.

Schirmer or a similar music publisher. A free will offering will be taken to defray the cost of refreshments.

The Chorus of Communities is an ecumenical, inter-faith chorus from over 23 surrounding areas towns including Belleville, Bloomfield, Glen Ridge and Nutley. It is sponsored by local ministeriums and contributes to local charities including Clara Maass Medical Center. Rehearsals will begin Oct. 3 for its Christmas performance, slated for Dec. 15.

For more information about the Chorus of Communities or the Sing-Along, call William Moore, director, at 895-4563.

### Haunted Halls alumni invited to join in 25th anniversary spook house

Alumni are being sought to participate in the 25th anniversary of Haunted Halls at St. Paul's Congregational Church, Nutley.

The annual "spook house" will be held Oct. 23 and 25. It is run by the combined Senior and Junior High Youth Groups, under the direction of advisors Stephanie Sutton, Michele Marra and Brian

Helms.

Thirty percent of monies raised this year will go to a community charity, 30% to St. Paul's Church and 40% to the youth groups for their programs.

Interested alumni are asked to contact Sutton at 994-0809 or Marra at 667-5539.

### MISS RITA NEEDS A HOME

People for Animals, a non-profit animal welfare organization, desperately needs foster or permanent homes for many cats and kittens. Among the cats available is Miss Rita, a pretty and perky female who is spayed and declawed. She is a gray and black striped tabby who likes to play. This "indoor only" cat is current with her vaccinations, friendly and affectionate. Other cats include Thomas, a large white and orange neutered male; Noir, a black long-haired spayed female; plus many kittens of all colors. For more information, please call (908) 688-1073.

### Retirees explore second career with free H&R Block income tax course

Thousands of retirees can take the first step towards a second career by enrolling in the H&R Block income tax preparation course.

H&R Block, the world's largest income tax preparation firm, will be offering this course beginning Sept. 23 in selected location. Class material is presented in a user-friendly style.

Classes will meet twice per week from 9 a.m. to 12 noon and are being offered in the Nutley, Bloomfield and Clifton H&R Block offices.

The course provides excellent training for people who want to continue working after they retire or who are retired and wish to return to work. An experienced H&R Block instructor guides students through various aspects of income tax preparation. Classwork includes discussion, practice problems and hands-on preparation of individual income tax returns.

The course will be offered free

of charge to retirees for a limited time only in the selected locations previously mentioned. All textbooks will be furnished as part of the course. Graduates receive certificates of achievement and continuing education units (CEUs).

Qualified graduates of the course may be offered job interviews with H&R Block but are under no obligation to accept employment, nor is H&R Block under any obligation to offer employment.

If hired, graduates of the course can profit from a practical skill they can put to use at convenient locations in Essex and Passaic counties. Work may be scheduled during the hours and days that best suit their needs.

Those interested in more information may stop by the registration center at 345 Clifton Ave., Clifton, during regular business hours for a free brochure, or by calling 1-800-TAX-2000.

# HOROSCOPES

September 15-21

**ARIES** — March 21/April 20  
If you're looking to change jobs — or even careers — this could be your lucky week. A meeting on Wednesday could open new doors for you. Just make sure you know what you want. Relish any free time you get early in the week — it won't last. A new associate makes an impression.

**Taurus** — April 21/May 21  
Pay attention to details or you could make a careless mistake. Schedule important meetings later in the week when your energy level will be higher. A heart-to-heart conversation will get problems out in the open in a troubled friendship. Don't be afraid to express your true feelings.

**GEMINI** — May 22/June 21  
A little white lie now and then isn't such a bad thing — especially if it means sparing someone's feelings. A sudden change at work could be a sign of things to come. Be aware of upcoming opportunities. Listen carefully for Libra's hidden message. A special treat comes this weekend.

**CANCER** — June 22/July 22  
Is something troubling you lately, Libra? If you've been feeling crabby rather than usual, it may be something you're not totally aware of. Take some time to get in touch with your feelings. Meditation could be a helpful and relaxing way. A Libra of the opposite sex has a surprise.

**LEO** — July 23/August 23  
It's time to give up on a failing romance, Leo. If you're putting forth all the emotional effort and getting nothing in return, you owe it to yourself to hit the road. A realistic look at finances helps you plan a smart budget. Exercise helps to relieve stress. A Scorpio offers good advice.

**VIRGO** — Aug 24/Sept 22  
Don't break promises you made to yourself last week. You'll only beat yourself up for it later on. Could it be a fear of failure (or success) that's holding you back? The answers can be found within yourself. If traveling is on your agenda for the weekend, be sure to get an early start.

**LIBRA** — Sept 23/Oct 23  
Butting into a friend's business will only lead to resentment. Some people need to learn by their own mistakes. Weekend plans may be cancelled at the last minute. You may want to think up an alternate plan. Perhaps there's something you've been wanting to try. Go for it. Friday is a good day to call old friends.

**SCORPIO** — Oct 24/Nov 22  
Discipline will get you through a busy work week. Procrastination, on the other hand, will only get you into trouble. A midweek break from routine will provide a pleasant diversion. A Libra from your past will come to mind later in the week. Maybe it's time to get back in touch.

**SAGITTARIUS** — Nov 23/Dec 21  
A problem that seems overwhelming on Monday will be history by Friday, so don't let it get to you. A friendship with an Aquarius may be under some strain. Do your best to clear the air as soon as possible. Why do you hide from lasting love when it's beating down your door?

**CAPRICORN** — Dec 22/Jan 20  
It will take a lot of convincing to get what you want in a business deal. Think creatively and you may get your way. Someone you thought of as a friend will do something to disappoint you. Before you get too upset, try to identify the root of the problem. It may be deeper than you think.

**AQUARIUS** — Jan 21/Feb 18  
A difference of opinion with family could cause a great deal of tension. With some diplomacy on your part, you can keep the peace while still holding your argument. An adventurous mood could lead you to an interesting place this weekend. Don't be afraid to explore the unknown.

**PISCES** — Feb 19/March 20  
Step back from a problem and you'll be better able to handle it. Time to yourself is the key to peace of mind this week. Good news regarding a recent financial investment will brighten your budget. Something you've been wanting will now seem much more affordable. Enjoy!

## BUG SHOTS

By Mike Lamberti

### New era in girls soccer ready to begin

After spending two seasons on the J.V. level, the Lady Buc soccer program is ready to make the jump to the "big time".

Coached by Arlene Mueller, the team will kick off its inaugural varsity season next Monday, with a game at home against Clearmon Field. Kickoff time is set for 4 p.m.

The Lady Bucs will use Clearmon Field as its home base, just like the boys team.

"It's a big step for the program," Mueller said, "but the kids are looking forward to it. We have a young team, and it's going to take time, but we're ready to go."

Girls soccer came into existence at Belleville High School in the fall of 1994. It was decided that the program would play a J.V. schedule for the first two seasons in an attempt to get the players used to high school competition.

"I was definitely the best thing for us," Mueller said. "Playing J.V. those first two seasons was good for us."

Mueller has been the head coach of the team since its inception. She feels she has some talented players on the '96 roster.

There are just two seniors on the team, Susan Donnelly and Joelle DellaVolpe, and both are team captains for this year. This is Donnelly's third year on the team. DellaVolpe is playing her second year of soccer on the high school level.

Both girls will be in the starting lineup, Donnelly starting on defense and DellaVolpe expected to anchor the midfield.

The goalie is expected to be freshman Anabelle Rodriguez, while junior Kristin Putterbaugh will get a starting defensive assignment, along side Donnelly. Two other starting defensive positions were still to be determined.

In the midfield, DellaVolpe and sophomore Stephanie Curran will start. The forwards consist of sophomore Maierie Clarke-Cameron and juniors Jillian Ernst and Jessie Santiago.

"We have some starting positions that aren't decided yet," Mueller said last Monday evening. "I'll pretty much know the starting lineup by the end of this week."

Clarke-Cameron was the team's top scorer last year and she should be the "go-to" player this fall.

All told, 15 girls came out for the team this year, so while there is a varsity unit for the first time in school history, there is no J.V. team.

It should be an interesting campaign for the team. Soccer is, without question, the most popular sport among young people, nationwide. Thus, the program should draw good interest in the years to come.

The boys varsity soccer program kicked off in 1975 after a year of J.V. competition in the Fall of '74. It took seven seasons before the program started to establish consistency, and of course, today it is one of the most successful teams at Belleville High School.

Good luck to Mueller and her squad as they begin a new era next Monday.

#### Volleyball team very optimistic

Grace Worley begins her 19th season as head coach of the Lady Buc volleyball team. Call her the "Tom Landry" of Belleville High School. She's the only coach the program has known since its inception in the 1978-79 school year.

While Worley will be retiring from the Belleville High School system this year, she does not plan on leaving her beloved "Wizards".

"I enjoy working with the kids too much," Worley said. "I'll continue coaching."

This year, the team will look to improve on its performance last year, when the Lady Bucs had a winning record and qualified for the playoffs.

"We've got some experienced players," Worley said. "We had a great turnout (81 kids came out from freshmen through seniors) and with the freshman program, a lot of the younger kids can start playing right away."

The freshman team, coached by Joe Oese has 11 games on its schedule this fall, and Worley is hoping that number will increase as the season gets underway.

Returning on the varsity from last year are senior captains Chrissie Scassera, Deanna Addis, Kim Mahoney, Paula Lapas and Fran Sanzone.

"They're my quint captains," Worley said of the five players. "They've all played extensive amounts of time on the varsity."

Worley is also optimistic with the play of Danielle Line, Marinelle Tilton and Karen Perez.

"Perez is most effective on the back line," Worley said. "Our front line should be one of our strengths this season. We have some tall girls with varsity experience there. I think it will definitely help us."

The first test will be next Friday, September 20, when the Lady Bucs welcome Bloomfield to Belleville High School for a 4 p.m. start.

"You know how it is when we play Bloomfield," Worley said. "It's always a competitive match. We've had some great games with them in the past. It will be a good way to start the season."

All told, the Lady Bucs will play 26 games for the 1996 season, excluding the state playoffs. Qualifying for the states is Belleville's top priority, and it can only be attained with a .500 or better record by the mandated cut off in mid October.

"We're looking forward to a good season," Worley said. "We've got some talented kids here."

### Final tune up this Saturday at P. Hills

## Season opener nearing for Bucs

By Mike Lamberti

It will be a senior dominated Buccaneer football team that takes the field for the season opener next Saturday at Scotch Plains.

Head coach John Senesky noted that nearly 20 seniors will be on the roster for opening day.

"It's the biggest senior class we've had in many years," the coach said. "Last year, we had only nine seniors. This year, we'll have seniors starting and seniors backing them up."

The Bucs opened the pre season two weeks ago against Essex Catholic. Last Saturday, the scrimmages continued in a tri battle with Cedar Grove and Bergenfield. This Saturday, the Bucs close out the pre season by playing at Parsippany Hills, beginning at 10 a.m.

"We were much more competitive in last Saturday's scrimmage," Senesky said. "We've got most of the offense and defense in. Sometimes I think we've got too much in. We want to find out what the kids can do best and to develop some depth before the season starts."

The key position of quarterback is being contested by Rich DeFalco and Greg Sheridan.

"Both players lack game experience," Senesky said, "which is why the scrimmages are important. DeFalco played some last year, and both kids have done well so far this year."

The offensive line features wide receivers Edwin Garcia and Tristyn Kvetkus, tackles Nick Muscara and

Ernie Compasano and guards Rick Neiman and Richard Shenton. The center will be Robert Shenton.

Tom Dyer and Brian McIntosh are working at the tight end position.

In the backfield, DeFalco and Sheridan are vying for the quarterback position. The full back is Chris Zarro, the tailback is Donnell Graham while the slot backs are Edwin Mercado and Tyree Huffin.

Joe Means has done well at guard, Dave Linfante could see time at the center position and Phong Nguyen has done well at the slot back position.

Defensively, the front four features Dyer, Compasano, Richard Shenton and Neiman. The linebackers are DeFalco, McIntosh and Zarro.

In the secondary, look for Garcia, Mercado, Nguyen, Kvetkus, Huffin and Ricci Bello to see playing time.

Garcia has also done a good job in the kicking game and should be doing the place kicking for the opener at Scotch Plains.

NOTES: The coaching staff features Joe D'Amola, Gennaro Russo, John Apicella, Dave Silletti, Russ Pagano and Nick Cafaro. D'Amola, Apicella, Silletti and Pagano all played high school football for Belleville High School, the latter three all playing for Senesky.

Bucs played pre season game at J.P. Stevens last Tuesday.

Thankfully, no injuries to report so far this pre season.

Members of the 5.0 power index club. Sitting, left to right, are Joe Paladino, Luis Cortes and Anthony Marcantunio. Kneeling, left to right, are Edwin Garcia, Efrain Mercado, Juan Cruz, Ricky Neiman and Tristyn Kvetkus. Standing, left to right, are Brian McIntosh, Nick Muscara, Tom Dyer, Tommy Barbella and John Farina.

The 1,000 point scorers in the Buc football decathlon, are, from left to right: Efrain Mercado, Donnell Graham, Tom Dyer, Brian McIntosh and Rich DeFalco.

We'll have more on Scotch Plains in next weeks issue. Bucs have never played there before.

"I should have some films on

them by next weekend," Senesky said. "I'm sure they'll be scouting us this Saturday in Parsippany Hills."

## Wanted: A J.V. team for Lady Buc tennis

By Mike Lamberti

Having gained a great deal of momentum in 1995, the Lady Buc tennis team enters this season with a fair amount of expectations.

Tony Salese's team opens its season next Wednesday, when Montclair comes to town. The match will begin at 4 p.m.

When we last left the team last November, the girls had put together an 8-12 record, including a stunning victory over perennial powerhouse Ridgewood.

More importantly, the team was very competitive in the tough NNJIL Pacific Division. Many of the losses came by the 3-2 variety.

This year, the team returns a good nucleus from the '95 squad. Salese lost just one senior from last

years team, and a good turnout this fall gives his plenty of optimism.

"We had 18 girls come out for the team," the coach said. "We could really use a J.V. team. The demand is there. It gives the younger kids a chance to play competitively while they wait for the chance to play varsity."

The program has been on the rebound for the past few years. As most fans know, the tennis program, both girls and boys, had to endure eight years of road-only competition, because the facilities at Belleville High School were inadequate.

Last year, the town finally got its collective act together and the result was a beautiful set of tennis courts. Now, with the continued increase in

players coming out for the team, the question of J.V. competition seems a natural one.

As for the '96 season, the lineup is somewhat set. Playing at first singles will be senior Christine DeJesus. Her younger sister, Fatima, will occupy the second singles position.

Five players are battling for the final five positions, with the only determination to be who will play where.

Alicia Stabile, a senior, Shalimar Arcelo, a sophomore, Mariel Malunda, Darlyn Equiban and Marta Skis, all with experience from last years team, are vying for the third singles and first and second doubles position.

"This week will pretty much determine our starting lineup," the coach said. "It should be interesting. We have some talented kids and they're all battling for good positions."

The coach feels his team will surprise a few clubs this season.

"We've got some talented play-

ers," Salese said. "Most importantly, they've been playing for a few years and are excited about the start of the season."

NOTES: Salese was very happy with the attitude of this years team. "They're a great bunch of kids," the coach said. "You look forward to working with this group. They make your job very enjoyable."

The coach also noted that four freshmen on the team have been doing a good job in practice and could challenge for varsity playing time.

"That's why it's important to have a J.V. team," the coach said. "Those kids could use the work."

Salese feels that every team in the NNJIL Pacific Division will be solid this season.

"It's hard to pick a dominant team. Nutley has won it the past few seasons. Immaculate Heart will be tough, so will Paramus Catholic. We'll hopefully be competitive in the division. It should be interesting."

## '96 X-Country team looking for .500 record

By Mike Lamberti

Over the past two seasons, the Buccaneer cross country program has shown a steady improvement.

As the 1996 season approaches, head coach John Tosato, beginning his 15th season in that capacity, is very optimistic about his team.

The Bucs open the season next Tuesday, with a tri meet against Don Bosco, Immaculate Heart and Teaneck.

"We have nine guys on the team," Tosato said. "Five are defi-

nite for the opener. I'm hoping we'll have our team in place by the opening race."

The '94 Bucs posted a 5-6 mark, the five victories the most for the program since the 1975 team won five races. Last year, the team was 4-6. In both seasons, the Bucs lost its finale against Bloomfield.

"The guys are shooting for a 500 or better record," Tosato said. "They remember how close they

#### HELP FOR MIGRAINE SUFFERERS

Those migraine sufferers who are able to relieve their pain through self-injections of sumatriptan now have a new option. Sumatriptan is now available in tablet form. The pill is most effective when taken at the warning signs of migraine (usually first become apparent, but it can be taken at any time during the course of the headache). The recommended dose of this prescription drug is 25 milligrams, and a second dose may be taken after two hours. The maximum single recommended dose is 100mg, and no more than 300mg should be taken in a 24-hour period. In clinical trials, forty-five percent of those patients who took a 25-mg dose felt less or no pain within 60 to 90 minutes. Sumatriptan is prescribed only for those people who cannot attain relief by their headaches with acetaminophen, aspirin, or other oral relievers.

When a prescription drug is recommended for headache relief, prompt service is available from an at ROSSMORE PHARMACY, 318 Washington Avenue (793-1908, 793-1950). Free prescription delivery is provided and we are Blue Cross and Medicare approved. Hours: 9am-10pm daily, 9am-5pm Sundays.

HINT: Sumatriptan is not recommended for those with cardiovascular disease or high blood pressure.

## Runners open next Tuesday

(Continued from Page 9)

got the past two seasons."

Should the Bucs hit the .500 mark, it would be the first time a Belleville cross country boys team did that since the '74 team, which finished 7-5. The girls team eclipsed .500 in 1981.

Leading the way will be senior Dan Kirk. Senior Mike Dribnak, who competed in indoor and outdoor track last season, should be a key component to the success of the team.

Another senior, Angelo Chavez, has running experience. Sophomore Jose Moreno, who did a tremendous job for the track team in the two mile as a freshman last spring, will be in the lineup this fall, as will freshman Jim Ruffalo.

"We have more experience on this years team (than last)", Tosato said. "Kirk has been running very well. Moreno did a good job in the distance events last spring and the other runners have been doing a good job in practice."

The coach expects the NNJIL Pacific Division to be very tough. "I think Don Bosco will be the class of the division, with Paramus Catholic right there with them. It's going to be very competitive."

NOTES: Once again, the Bucs will use Nutley Park as their home course. The home course is 3.1 miles long.

Bucs home opener this season is set for next Thursday, when Bloomfield visits for a 4 p.m. start.

## Pre-school registration 1996-97

The Belleville Department of Recreation and Cultural Affairs is accepting registration for the pre-school play program for 4-year-old children.

The program consists of games, stories, songs and art. Outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 9 a.m. to 10:45 a.m. or 1:45 p.m. to 2:30 p.m., five days a week, with class limited to a maximum of 23 students in each session. The cost of the 32 week session is \$150.

The mothers of the children accepted must participate by serving one duty day about every eight or nine days according to a published schedule. School will begin on Monday, Sept. 16 and will run through May 1997.

Children born between Oct. 1991 and Sept. 1992 who will enter kindergarten in Sept. 1997 are eligible. Participants must be Belleville residents. Since there are just a limited number of openings, applications will be accepted on a first come, first served basis only.

Children must be able to speak and understand English in order to participate. Children enrolled in the morning program cannot also be in the afternoon program or vice versa. A \$25 deposit is required to hold your spot in the program.

For further information and enrollment, contact the Belleville Recreation Department at 450-3422 as soon as possible, Monday through Friday, 8:30 a.m. to 4 p.m.

## Library concerts need donations

This summer, 16-year-old pianist, Jack Bender, performed at the Belleville Public Library and Information Center.

The Library has established a Concert Fund, if you wish to make a donation, or your organization wishes to sponsor a concert.

To sponsor a concert, an organization should donate between \$200 and \$1000. Individuals' donations are also accepted.

Make checks payable to the Belleville Public Library and Information Center. Contact Library Director Adrea Cohen if you would like her to speak to your organization on the concert fund.

### Ribbon-cutting ceremony planned at Cambridge Heights at Clifton

Cambridge Heights at Clifton, the spectacular community of 140 townhome style condominiums, will be launched with a ribbon-cutting ceremony this Friday, Sept. 13 at 11 a.m.

Clifton Mayor James Anzaldi and James Bovino, CEO of Town & Country Developers, will lead the ceremony, which will be attended by several dignitaries and members of the press.

The event is to celebrate the community's official grand opening on Saturday and Sunday, Sept. 14

and 15. Cambridge Heights at Clifton has already garnered a 50 percent sell-out, and promises to generate enormous buying interest as two furnished models will be unveiled for the first time.

For more information, contact Joe DiBernardo at Town & Country Developers at 782-9700 or in the evening 666-2288.

Town & Country Developers is the builder who is planning the construction of an upscale gated community for the ITT site in Nutley.
