Property put on hold for botanical garden

By Joe Brennan

Family members disagree over lease; council rejects \$1 deal

Plans for a botanical garden in Belleville have been put on hold.

Maria Messina, president of the Belleville Botanical Garden Society, has been trying to establish a botanical garden for the past year-and-a-half on a piece of property located at the intersection of Mill and Harrison Streets.

The parcel of land, once a portion of the Morris Canal, is half owned by the town and half by family members, according to township officials.

But a change of ownership with-

in the same family has caused a disagreement over what the lease should be to the garden society.

Messina said there was a lease drawn up and sent to the town legal department. It was for the Cerami family, who used to operate the Cerami Construction Company, to lease the property to the garden society for \$1 a year.

But at a recent town council meeting, different members of the Cerami family were denied a request for an \$880 a month tax

abatement they wanted on the property in return for leasing it to the garden society.

Council members mentioned tax collection problems and were "concerned about setting a bad precedence," said Karen Smith, assistant town attorney.

"We have a real tax problem in this town," said Smith.

Messina said the original \$1 lease never left the legal department. She added that this caused confusion at the meeting when the

tax abatement subject was discussed.

"I always understood I was on the back burner. The Cerami's were never approached. It (the lease) never left the law department," said Messina.

Members of the Cerami family didn't return phone calls for comment.

Smith said when the law department received the lease they weren't asked to finalize anything. Only until the change of ownership

this spring did they receive a letter from the Cerami's attorney with revisions to the lease.

"The attorney for the Cerami's responded with certain changes. The council didn't agree with the changes," said Smith.

Smith said the mistake the garden society made was they thought the family members who brought up the \$1 a year lease were the sole owners of the property.

"The family had intentions and wanted to be generous, but weren't

the sole owners. They needed to confirm with the other owners," said Smith.

Messina said there is a vegetable garden on the property and a group involved with the Americorps program were planting white ash trees. But the society wants to expand upon the aesthetics of the land, Messina continued. There were plans drawn by a horticulturist that included the planting of herbs, flowers and a bird sanctuary.

"The Americorps group cultivated some parts of it. They planted

Vacation time analyzed

Council probes
overuse of vacation

By Joe Brennan

Town officials are taking another look at their policies regarding the accumulation of vacation time.

Employees have been allowed to accrue more vacation days than allowed by state statute, said Mayor Victor Canning.

The state law allows an accumulation of unused vacation days, because of business demands, for a one year period, said Robert Giordano, township attorney.

"Some employees had carried days from 1994 to now. They say they were given permission," said Canning.

Council members addressed the issue at a recent meeting, and debated the prospects of adopting an ordinance or modifying the state statute.

Canning advised Stephen Cuccio, town manager, to adopt a policy for employees pertaining to this problem.

"I believe it's up to you (Cuccio) to adopt a policy. Please get this done. This is vital stuff," said Canning.

Giordano gave an example of an employee who had 20 vacation days, and, because of business demands, could only take 15 days in one year. The municipality would then pay the person for the vacation days they didn't take.

Giordano said the council isn't in favor of paying for the unused vacation time at the end of the year.

"The message is saying if you have vacation days, take them. Most departments have enough coverage. Generally, there shouldn't be this problem anyway," said Giordano.

Giordano said the council could adopt an ordinance that would allow them to modify the state statute, but "I suggested adopting some revisions."

Third Ward Councilman Bill Escott said he didn't favor adopting an ordinance since most departments had enough staff to cover people while on vacation.

"I don't see why we need an ordinance. I'm not in favor of paying for vacation time," said Escott.

Canning said the state statute is

At the last Belleville Board of Education meeting, a presentation of curricula guides was made.

Nicholas Grande, department chairperson for the Industrial/Vocational Arts, said the students were thankful for the continuation of two newer industrial arts courses, Introduction to Commercial Art/Photography and Contemporary Living, for the 1996-97 school year.

"The students are shocked. We're looking for a lot of attention and award winning projects from the students," said Grande.

Grande received praise from different board members. John Notari, vice president of the board, said the guides were very thorough.

"You did a very good job on the curriculum guides," said Notari.

Board President Ralph Mazzuca said the industrial arts courses offer more to students than most people

Softball games prove successful

By Anthony Sessa

Diligence, sheer determination, unlimited support, and dedication led the Belleville Little League to success when the organization held its special softball marathon during the weekend of Friday, Sept. 6, Saturday, Sept. 7, and Sunday Sept. 8 at the Michael V. Marotti Belleville Little League Field, 92 Marotti Place, Belleville.

The three-day slow-pitch competition was held to raise funds for 9-year-old Belleville little leaguer Guillermo "Macho" Rivera, who was diagnosed with an inoperable malignant brain tumor.

Mother Nature did everything she could to spoil the event as players and fans had to endure many periods of very stormy and even dangerous weather, including blinding fog, heavy rainfalls, devastating thunder, and viscous lightning.

However, every game was played in its entirety and when the

need arose for additional players at the last minute for certain games, many people who had already played gladly came to the rescue by playing again, especially Belleville Little League PMBA Coach, Ray Williams. He participated in about five different games throughout the weekend.

Eighteen games featuring teams comprised of parents, coaches, members of local businesses, the Belleville police and firefighters, and township politicians, including Mayor Victor Canning were played.

"Macho's" parents, Kathy and Willy, also played with Willy playing in two games. "Macho" had the opportunity to serve as the special guest scorekeeper and public address announcer at various times during the event.

The marathon lasted approximately 36 hours, going from about 4 p.m. to 2 a.m. on Friday, picking

Visiting the children

By Joe Brennan

To reiterate the Republican campaign themes of cutting taxes, U.S. Rep. Susan Molinari (R-NY) and Rep. William Martini (R-NJ) visited the Sandy Lane Nursery School on Mill Street in Belleville on Monday.

Martini and Molinari toured the school and read stories to children before addressing parents and local school board members from Belleville, Nutley and Bloomfield about the \$500-per-child tax balance and Republican efforts to balance

Belleville Police Blotter

Officer John Pinto arrested John Masessie, 38, of Belleville for making terroristic threats to his wife on Sept. 20, police said.

Officer Goldrich responded to a burglary on Belmont Ave. on Sept. 20. There was no arrest and the owner couldn't determine whether or not anything was missing at the time the report was made, police said.

Officers Paterno and Pasquale responded to the K-Mart on Main Street on Sept. 19 for three males receiving stolen property. Mike Ruggiero, store security, suspects that two of the men involved are ex-employees of the company. The suspects were involved in stealing

63 cartons of cigarettes worth \$1,100. The case is under investigation, police said.

Officers Zarillo and Klein arrested Ireadus Hayes, 38, of Newark for shoplifting \$57.95 worth of sneakers and clothing from the K-Mart on Main Street on Sept. 21, police said.

Officers Zarillo and Klein arrested Rubin Torres, 19, of Newark for shoplifting \$38 worth of merchandise from the Pathmark on Washington Avenue on Sept. 22, police said.

Officers Bernardo and Paserchia arrested Misael Gonzalez, 19, of Belleville for possession of a controlled dangerous substance and

drug paraphernalia on Sept. 21.

Officers Torluccio and Simonetti arrested Sharon Palmeiri, 46, of Nutley for DWI and possession of a controlled dangerous substance on Franklin Avenue on Sept. 16, police said.

Shop classes get praise of officials

(continued from page 1)

"Too often, the majority of people think of home economics and shop as sewing, cooking and cutting wood. But we know it's much more than that," said Mazzuca.

Mazzuca went further in defending the industrial arts curriculum by making comparisons on how many students attend four-year colleges and how many go into industrial arts related fields.

"Too often, parents judge a system on how many students go to college. Seventy-five percent nationwide don't go to college. Some people that get into these trades can make more money than the professionals," Mazzuca said.

In other topics of discussion, the board will be moving ahead with the afterschool program provided by the YMWCA of Newark and Vicinity.

Superintendent of Schools Michael Lally said 73 parents have responded to requests by his office to pay \$155 a month, per child for an afterschool care program.

Lally said "elementary schools 3, 7, and 8 showed the highest number of interested parents."

"As this project moves forward, I shall inform the board," said Lally.

As for other board proceedings, 33 students have signed up for an SAT preparation course provided by the Educational Services Center of Monsey, NY.

The course offers 24 hours of total instruction for \$250 per attendant.

All costs for the afterschool program and the SAT courses will be absorbed by the parents.

Life in Silver Lake By Marie Strumolo Burke

Our 'Hero of the Month' is none other than Tom Bowers of Heckel Street. A "hero" you ask? What did he do? While walking down Heckel Street on his way to work, he noticed a lady struggling with a man who was trying to snatch her pocketbook. Tom, or shall we call him, "Courageous Tom," went to her rescue and started to run after the perpetrator...like that word? But unfortunately, the thief had his car waiting and took off. Tom was shrewd enough to get the color and the license plate of the car. I understand that the thief was captured. Wish we had more people like my Heckel Street neighbor. I guess the crooks will think twice the next time they decide to commit a crime in Silver Lake, because that's what I'll have to reckon with, you got it, Courageous "Tom"—Silver Lake applauds you. Do you hear all the cheering in the background?

While on the subject of Tom Bowers, let me extend congratulations to Judy & Tom Bowers for making their 4th Wedding Anniversary. I know you get tired of me telling you this, but I must. I was the "matchmaker" in this romance and again, let me say, boy it's a match made in heaven. Have a dance on me.

You never know who you're gonna meet. My husband Charlie went to Joe's Barber Shop on Franklin Street to get a haircut. This man said to him, boy do you look familiar and Charlie said, oh, I'm Marie Burke's husband. I guess Charlie thinks I'm some kind of celebrity and that everyone knows me. The person he met is a friend and retired firefighter for over 12 years, Tom Caruso. Tom, you have to be the 'best looking' retired firefighter around.

As everyone probably guessed, I don't work in Town. I travel to Cedar Grove. To me it's like the other side of earth. My son laughs when he hears me say it takes me so long to get to work... almost 20 minutes. For some reason, I keep meeting people either at the Cedar Grove Foodtown or Newberries Shopping Center. While I was putting my groceries in the car, this

man pulls up in a cute white Volkswagen and embraces me. Who was this handsome dude? Retired Deputy Chief, Michael Petrillo. Boy did he look good, well rested and happy. We didn't have a lot of time to talk because I was on lunch. But anyway, Michael it was good to see you. Hey Mike, let's do Newberries one day?

Again at the famous Foodtown in Cedar Grove, I strike up a conversation with the checker and find out that she's the daughter of my friends, Joe & Sue Carnevale of Joralemon Street. Their daughter's name is Rosemarie Carnevale Vespucci who lives on Franklin Avenue with her husband Anthony. Mrs. Brown... I mean Joe & Sue, you have a lovely daughter.

Oops, again I made a mistake. Boy am I losing it. Remember, that

charming lady Eleanor Guarino Strollo, from Chestnut Street, who is planning that BHS 50th Year Class Reunion. You do, good, cause I forgot to mention 2 members of her committee. And the best part is they both were former Silver Lake residents. First is Don Capanear who doesn't live in The Lake anymore but is still a Bellevillite. How could I forget Don when he is the brother of a wonderful lady named Marie Capanear Vanderswan. Shame on me. The other person I forgot was Angie Chimento Thomas.

Happy Belated Birthday to my good friend Rita Charles of Naples Avenue. We fight a lot and sometimes she makes me so mad, as I make her. But deep down, she is a friend and I wish you the best.

Remember, we love Silver Lake.

Beauty

Beauty is in everything around us

A baby's smile

A bird in flight

A tree in full bloom

A glorious sunrise

A golden sunset to light the evening sky.

On a clear night, one could almost count the stars and marvel as the moon moves on its journey across the sky.

"Beauty is in the eye of the beholder," they say.

How true this is!

Each one of us has the ability to see

The beauty in things great and small.

Look closely at a tiny creature and you'll see beauty.

A new born baby, a new bride

A rosebud waiting to unfold

The morning dew on the lawn.

How wonderful it is to have such beauty around us!

We are all beautiful for God made us all

And everything He made is beautiful!

Condolences to the family of Joe Venditti who passed away two weeks ago. Joe was one of our regular bowlers until he became ill. May his soul rest in peace.

The Old Guard group of Belleville returned from its trip to the Villa Roma in the Catskills. They arrived at the Senior Center Friday in the middle of a rainstorm, but that did not deter from what I heard was a fantastic vacation. Credit must be given to trip coordinator Nick Maucelle who did his usually outstanding job.

While on the subject of the Belleville Old Guard, I must report that Barbara Lewis, a representative of the St. Barnabas Hospital Burn Unit, paid a visit to our Senior Center and gave a talk on burns and how to take care of them. She warned us not to put butter or others such as this on burns but to run cool water on the burns until proper personnel arrive. She also gave a smoke alarm to all members present and promised to supply enough for the members who were not present. This she did and President Pat Ronda thanked her and also sent her a letter acknowledging the outstanding presentation by her.

The trip committee at the Friday Social Club, Jo Molinaro, Eleanor Belina and Geri Trimarco report that their two-day trip to the Hampton Inn was a success. While there they visited the casinos and as usual, there were some winners and some losers but they all had a ball.

Congratulations to my niece, Lisa Cerami, who became engaged to Scott Hulley. They expect to wed in February of 1997. Good luck!

Mark this date on your calendar, Oct. 12, 1996. On this date, a statue of Christopher Columbus, donated to the Township of

Belleville by the Belleville Italian American Civic Assn., Inc., will be dedicated. It will be unveiled at a spot in front of town hall. Time: 11 a.m. I received a letter from President Joseph Formaroto personally inviting me to be present and you can bet your boots I'll be there so please join me there.

My good friend Camille Hoffman had a pretty busy August. Her birthday was Aug. 5. Happy birthday. Her daughter, Carol Hoffman, had a birthday Aug. 15. Her son-in-law Warren Drellock's birthday is Aug. 21. Her daughter Barbara and Rocco Agostino's wedding anniversary is Aug. 26 and daughter Arlene and Warren Drellock's anniversary is Aug. 16. I got tired just writing about these activities.

Beware of medical health fraud. People come to believe that there is a cure for everything. The media proclaim medical breakthroughs daily, making people believe that all health problems will be solved sooner or later. The elderly are especially prone to fads and fraud. Most items with a secret formula are usually frauds. Legitimate scientists usually share their knowledge. Most legitimate products don't advertise only in the backs of magazines. Most results of serious studies are advertised in medical magazines. Watch out for amazing or miraculous breakthroughs.

Watch out for promises of easy weight loss. For most people, the only way to lose weight is to eat less and exercise more.

white ash trees and transplanted the trees to the Passaic River bed," said Messina.

Not every resident of Belleville is in favor of establishing a botanical garden.

Vinnie Frantantoni, member of the Concerned Citizens of Belleville, said the volunteers working with the garden society can give the town a facelift without having the garden.

"There are many things they can do. They can plant trees; they can work in front of town hall and our library to do landscaping," said Frantantoni.

Frantantoni said he would rather see the property sold to increase the tax rateable base. He added that there is a conspiracy surrounding the sale of certain lots contained in the property.

A piece of property located at 214 Brighton Ave., Frantantoni believes, was illegally subdivided and sold to Anthony F. and Lena Valse of 691-693 Mill St.

Frantantoni said the town took out an illegal ad for a private sale of that property in Aug. of 1991. He said a private sale can only be held if it's a vacant piece of property and allows only contiguous owners to bid on the land.

After the council voted yes to hold the private sale, Frantantoni went to the state Attorney General at the time, Robert Del Tufo.

"The council decided to hold the sale and sold it to Valse. But they never cashed the check," said Frantantoni.

Frantantoni added that this lot

has been paved for a parking lot and conflicts with an ordinance passed by the council. The rule states that private property shouldn't have any capital improvements before a sale is completed.

"Why is this man on this property? He's there illegally. I've been

bringing this up every couple of months for four years," said Frantantoni.

Frantantoni added that if the botanical garden becomes a reality, the town will say there is no use for the property that was illegally sold and not investigate properly.

OUR OPINION

Philanthropy a measure of survival in Belleville

For reasons that one can only hypothesize, Belleville has a multitude of families struggling with the illness of a loved one.

The names have been printed in newspaper articles and press releases and should sound familiar. Guillermo "Macho" Rivera, Andrew Idenden, Jamie Conway, and Samantha Imperiale are just the ones the *Belleville Times* has reported about, but there could possibly be more.

The question becomes whether or not this is all coincidence or are there environmental reasons for all the illnesses.

While most of us can ponder the implications of all the possible reasons, the families are faced with not only the emotional turmoil, but financial hardships as well. Fortunately for them, they live in Belleville.

For every family member who has told the sad story of how they are dealing with the illness of a son, daughter or sibling, there are volunteer organizations formed to help them cope with the harsh realities.

It seems as though for every illness the benevolence becomes stronger. For every family who grieves, there are friends and even strangers who empathize an support them in their time of need. This is something that Belleville should be very proud of.

But while the praise should fall on the shoulders of those volunteers who work

countless hours to help these families, there are some federal departments whose bureaucratic ideology should be rethought, replanned and refocused.

Both Kathy Rivera and Joanne Conway have been denied funding from federal agencies. Rivera has been denied by the Social Security Insurance (SSI) plan and Conway has been fighting with Blue Cross/Blue Shield for her to finance some of the clinic bills for her daughter, Jamie.

Although the arguments of the federal groups might be somewhat justified, it seems pretty ironic that the agencies that are supposed to help all people who need assistance are pushed to the wayside.

Could it be that these people need too much assistance and the agencies can't afford to pay them? If this is the case, then what was the original premise of these organizations anyway?

Families shouldn't have to struggle to receive help when the assistance supposedly is there for them. And the federal agencies shouldn't be creating a false smokescreen of protection that offers false hope.

However, fortunately for the families in Belleville, there are many good people willing to lend a helping hand and raise funds for massive medical expenses incurred by too many families in town.

Eileen Brown: The eyes and ears of Belleville and the Chamber

As the old saying goes, behind every great man there is a woman. To take that a step further, behind every town there is a person who is undoubtedly the eyes, ears, and sometimes throat of the community.

In Belleville, the person who fits this mold is none other than Eileen Brown.

For those of you who don't know who Eileen is, all you have to do is visit the Belleville Chamber of Commerce on Washington Avenue.

Eileen is the epitome of someone who wears many hats, and she wears them all with confidence. She is truly an asset to the community and deserves the utmost respect from the politicians, school board members, personnel and citizenry.

There is a long line of people who should give their thanks to Eileen for being a "community minded" person. Her efforts with the Belleville Alliance for Substance Abuse (BASE) program has given graduating seniors for the past six years a night-time cruise around New York Harbor. Also, her involvement in past years with Home

and School Associations deserve another round of applause.

But Eileen's participation within the town goes a few steps further. As the executive secretary of the chamber, Eileen keeps tabs on the proceedings of Belleville Town Hall, directly across the street from the chamber.

While other residents of the town choose to be very vocal about how they feel during town meetings, Eileen keeps a low profile. But the subtle attitude shouldn't fool anyone.

Eileen is one of the most fair-minded and insightful people this *Belleville Times* editor has ever met. Even though some people may criticize the town, they certainly shouldn't criticize the great people involved with the community.

Eileen deserves a lot of recognition. And the most intriguing aspect of her personality is her modesty. She would be the first to say that other people deserve the thanks. But we just want her to know we thought of her first.

YOUR OPINION

Parent responds to library removal

To the editor:

With my work schedule conflicting with most board meetings, it makes it virtually impossible for me to attend. Most of the time I do not have any problems with your decisions, but upon learning today that my children's school (#10) no longer has a library, I have to ask myself, "What are you people thinking of?"

This is a K-6 grade school. The elementary school is the foundation for learning and reading, and the library is taken away and replaced by a 6th grade class! How do the first graders develop their reading habits without a library? Was this elimination a surprise for you? Are you going to try and tell me that you were not aware of this problem months ago? I know for a fact that the principal has been warning you for years that the school is getting too small and a problem of this nature would happen.

I would like to know how you could let this happen?

How many illegal students are attending School #10? Knowing the loss of the library was going to happen, the problem of illegal students should have been addressed last May or June and maybe the need for another class was not warranted.

If it turns out that the illegal student problem is minimal, are you going to try and tell me that some "fat" in the budget could not have been transferred to secure a temporary building to house either the 6th grade or the library?

I deal with million-dollar budgets every year and there is always room!

When I read in the paper about people who are complaining that the taxes are too high, it bothers me because these people could stop you from purchasing the items you need to better educate my children. Other neighboring towns have much higher taxes and not that much better of a school system. But when my taxes go up and the services to my children go down, that's when I have a right to say that you failed!

I know some of you personally. In fact, I voted for every one of you. I have faith in you and I know that you will correct this problem immediately. And I don't mean that a librarian coming once a week with books to each classroom is correcting the problem. Putting the library back is correcting the problem!

It's bad enough that our schools do not teach anything about computers, the key to the future. But

to also take away the library, a tool which students need to have any kind of a future, is an outrage!

If this problem is not corrected, mine will be another house of many that are already for sale.

Resident supports Dole for president

To the editor:

Without our glorious past, this country would have no future. When Bob Dole speaks of a bridge to the past, he's talking about bringing the best of the past with us into the future. When he says he's been there and he knows, he is so right and on target that it's amazing that everyone cannot see it!

Many of us, along with the Senator, remember such a time. Just think and compare for yourselves our lives today with a time when you could leave your home with doors left unlocked and walk or take public transportation to your destination and never fear that you wouldn't reach that destination safely, or that you wouldn't find everything intact at home when you returned. That was the past, certainly not today.

It was a past when it was a treat to go to the nearest big city for shopping, entertainment and fine dining. By comparison, today, going to a big city is a dreaded experience to be avoided and city shopping has been replaced by large sprawling shopping malls where the parking lots are rapidly becoming as unsafe as the city streets.

Our past was a time when children attended school safely with no need for metal detectors; with no worry about lunch money or coats or sneakers being stolen before the end of the school day; a time when they could learn and study and teachers could teach because the worst thing that anyone would be accused of was chewing gum in class!)

In today's society, we have been forced to accept lawlessness and violence as the standard and peace and harmony as the exception. There is something definitely wrong with this picture when victims and law abiding citizens are the ones who have to explain why they put themselves in "harm's way."

Based on his experience, patriotism, leadership, character and integrity, I'm counting on Bob Dole to draw on his vast experience from the past and correct the picture to make the criminal and not the victim accountable for the crime.

• **CLARA MAASS HOSPITAL FOUNDATION** is sponsoring a 1996 golf invitational at the Ridgewood Country Club, Paramus, September 30. Participation in the golf outing has a price range to meet anyone's pocketbook, from \$125 to \$10,000 which includes four golfers and cocktail reception sponsorship. If one doesn't play golf but would like to support the foundation, souvenir advertising space is available from \$2,000 on the back cover to a patron listing up to \$100.

• **FRIENDS** of former Essex County Republican Chairman John Renna gave him a splendid retirement dinner recently at Mayfair Farm. Toastmaster for the event was Steve Adubato, Jr. The welcome address was delivered by Sen. President Donald DiFrancesco, and former Governor Tom Kean was the principal speaker who lauded Renna's 18-year chairmanship that was spread over a period between 1977 and 1996.

• **COULD** it be, "Bye-bye, Billy"? The Tuesday daily newspapers published an account of Bob Dole indicating that Dole has removed New Jersey from his priority list. The reason is that polls show Clinton leading Dole by 28 points. In neighboring Pennsylvania, Clinton leads Dole by 18 points; and in neighboring New York, Clinton leads Dole by more than 25 points. Another major state with tremendous electoral votes is California which Dole has practically ceded to Clinton this early in the race because polls have shown

Clinton consistently leading Dole by 15 points or more for the past three months.

Democrats in the 8th Congressional District are now chanting, "Bye-bye, Billy." If polls are to be taken seriously, one-term Congressman Bill Martini is at risk. What makes Martini particularly vulnerable is the Gingrich problem. Two years ago, the euphoric Gingrich "Contract with America" was embraced lock, stock and barrel by Martini. In two years, Newt's Contract with America went from the top of the heap to the bottom. In fact, national Republican leaders frequently omit Gingrich from photo opportunities and from major speech opportunities. This is due to polls that show Gingrich in a not unfavorable light. In the November Election, one wonders how much space Martini can develop between himself and Gingrich. Some Republicans I know believe Martini's best shot at winning re-election is to completely embrace Gingrich and the conservative values that brought him to power. At the outset of

his term, Martini was a down-the-line supporter of Gingrich. But as the second year of his term came into view, and the sun was beginning to set on the Gingrich plans, Martini took measures to remove himself from under the Gingrich umbrella. Democrat polls show Clinton carrying the 8th District big time. An 18,000-20,000 majority from Paterson may insure the election of Paterson Mayor Bill Pascrell. The Congressional district in Essex County includes Nutley, Belleville, Bloomfield, Cedar Grove, Glen Ridge, part of Knapfield, part of Montclair. In Passaic county, it includes Clifton, Haledon, Little Falls, part of North Haledon, Passaic, Paterson, Pompton Lakes, Prospect Park, Totowa, Wayne and West Paterson.

• **FORMER** Governor Jim Florio and former Congressman Herb Klein have joined the prestigious Roseland-based law firm of Hanoach Weisman as its Washington, D.C. representatives.

• **FRIENDS** of Freeholder Nicholas Rolli are sponsoring a re-election cocktail reception for him Monday, October 7th, 7:00 PM at the Women's Club of Caldwell. Contributions are \$250 per person and RSVP is by October 2nd. Rolli is the only Republican member of the Essex County Freeholder Board.

• **THE** Historic Restoration Trust, the Nutley Historical Society and the Woman's Club of Nutley are jointly sponsoring this year's Champagne Brunch to be held at Crystals, Lynbrook, on Sunday, November 10th at 11:30 AM. This joint effort is directed at restoring the Kingsland Manor, replacing the roof of the Museum and restoration to the Vreeland Homestead. Your support is urged for these three historic structures.

Another date to remember is October 5 and 6 when the Museum will hold a special exhibit of Nutley artists from 2:00-5:00 PM.

Fire department holds Open House

On Saturday, Oct. 12, the Belleville Fire Department will be holding its annual Open House at Fire Headquarters, located at 275 Franklin Ave.

This event will bring Fire Prevention Week, Oct. 6-12 to a close. During Fire Prevention Week the Department will be going to local schools and give talks to the

students on fire safety.

At the open house there will be a demonstration on fire safety and other emergency situations such as motor vehicle accidents, medical emergencies, gas leaks, etc.

The open house will be from 1 p.m. till 4 p.m. Also, there will be refreshments and door prizes.

Councilman holds meeting

Councilman Mario Drodz will hold his monthly 4th Ward meeting on Wednesday, Oct. 2, at 7:30 p.m. at the Recreation House located at 407 Jorammon Street in Belleville. All are welcome to attend.

up at noon and running again until 2 a.m. on Saturday, and concluding on Sunday, Sept. 8 with action from 10 a.m. to 10 p.m.

One of the most exciting games of the weekend was between "The Dream Team" and "The Red Hot Mamas" as those charismatic ladies battled to an 8-8 tie. Other interesting games saw the Belleville Firefighters top the Belleville Police 6-2 in nine innings. Also, a team representing the Ricciardi Bros. of Belleville defeated a team of Belleville Little League coaches, led by Elks Manager, Dennis Sheridan, 5-4 in 11 innings.

The Belleville Baseball Commission and the Belleville Girl's Softball Commission assisted the Belleville Little League in planning and coordinating the marathon as all three groups spent countless hours meeting with each other to form, register, and schedule teams to play as well as collaborating through their respective coaches to get donations for the Guillermo "Macho" Rivera Fund.

Thanks to the generosity of many local businesses, the Belleville Little League's concession stand featured a variety of delicious foods. Those businesses included the Franklin Steak House, Michael's Roscommon, Algeri's Pizzeria, Napoli Pizzeria, Frades Deli, Buccinos Deli and DePaolo's Bakery.

The Belleville Little League, the Belleville Baseball Commission and the Belleville Girl's Softball Commission wish to thank all of those businesses as well as everyone who participated in the marathon, especially the teams and the various league officials who spent an extraordinary amount of time running the concession stands. They also want to thank the coaches who spent time raking the field during the event.

Public Notice

The Township of Belleville Municipal Clerk's Office will be open for "Voter Registration" for the purpose of the General Election to be held on Tuesday, Nov. 5, 1996 on the following dates:

- * Thursday, Oct. 3, 1996 4 p.m. to 9 p.m.
- * Friday, Oct. 4, 1996 4 p.m. to 9 p.m.
- * Monday, Oct. 7, 1996 4 p.m. to 9 p.m.

"Voter Registration" will take place in the Municipal Clerk's Office, located on the third floor of Town Hall, 152 Washington Avenue, Belleville.

"We couldn't have had a better crew of people helping us out," said Tony Caputo, manager of the league's FMBA team that "Macho" played on and who spearheaded the fundraiser.

"I especially want to thank Johnny Morgan. He was our rock in the kitchen. He was the one who was there everyday early in the morning to set up and was there every night to clean up. Everybody was superb, including people outside the community who contributed. I just hope the money that we raised does some good in helping the Rivera Family."

Within the next week, "Macho" is expected to complete the radiation treatments that he has been undergoing at Newark's University Hospital. Doctors then will evaluate the size of his Brain Stem Glioma tumor for a period of 30 days.

"If they (the doctors) feel they have the tumor under control and if the swelling on the brain has gone down after the 30 days, then we are beating the odds they tell us," said Willy.

"Macho's" parents were speechless when asked to comment on the outpour of effort and devotion that everyone showed. The best way they could summarize their feelings was to echo what was written on a special sign that was hung on top of the field's press box, which read "Thank You For Helping Macho."

The Guillermo "Macho" Rivera Fund is still open and donation can still be made. When a final total of the funds has been reached, it will be publicly announced. Checks should be made payable to the Guillermo "Macho" Rivera Fund and can be sent to Joseph Messina, CPA at 73 Park Avenue, Bloomfield NJ, 07003.

the budget.

"We've (Republicans) been able to cut \$53 billion of wasteful government spending. It's a chance to put more money in parent's pockets and less money in Uncle Sam's pockets," said Martini, adding that this was done besides two vetoes by President Clinton.

"It's a matter of degree and making sure the money sent to Washington is spent wisely," added Martini. "Spending money wisely will reduce the deficit."

Molinari repeated the central themes of middle class families suffering under the burden of excessive taxation.

"At a certain point Republicans in Congress said enough is enough. People just couldn't pay anymore in taxes," said Molinari.

Molinari said that although taxes would be cut, social services would still exist for those in need.

"We want to still make sure its (social programs) there for those who need it," Molinari said.

Molinari also made a parallel to the consequences of not balancing the budget and passing on the debt of the country to the younger generations.

"Imagine saying you don't get to have your dreams; you have to pay off the bills," she said.

Martini took the time to compare his record with the challenger

clear enough to deter any future infraction of the law.

"The town doesn't need to adopt a resolution when the state statute is clear. As far as I'm concerned it's a clear cut case," said Canning.

Giordano added that the revisions in the rule would be included in the Policeman's Benevolent Association (PBA) contracts.

for his Eighth Congressional District seat, state Assemblyman and Paterson Mayor, Bill Pascrell.

"My opponent's record, on the other hand, confirms what we all know. He believes in more taxes and more spending. As mayor of Paterson, he's raised taxes 47 percent, he also championed the 1990 Florio \$2.8 billion tax hike, and even lobbied for President Clinton's \$245 billion tax increase, the largest tax increase in world history," said Martini.

Angie Pascheria, Belleville councilwoman-at-large, and Thomas Fuscaldo, Belleville Board of Education member were in attendance at the school and lent their support for Martini.

"The congressman has done an outstanding job and I want to see him re-elected," said Pascheria.

FOR CONGRESS

There's a big difference between...

BILL MARTINI

VERSUS

BILL PASCRELL

He's the independent Congressman who votes to cut taxes. Martini has NEVER voted for a federal tax increase.

✔ Voted for the \$500 family tax credit so we can keep more of what we earn.

✔ Voted to end the marriage penalty for couples filing jointly.

✔ Voted for tax credits on up to \$2,500 in interest on student loans and \$1,000 for home care for the elderly.

Two paychecks for him...higher taxes for you. As both Mayor of Paterson and NJ Assemblyman, Pascrell supports HUGE tax hikes.

✔ Paterson Mayor Pascrell increased property taxes in Paterson by 47%.

✔ NJ Assemblyman Pascrell voted to raise your sales, income and gasoline taxes.

✔ Pascrell voted for Florio's \$2.8 billion state tax hike and supported Clinton's \$260 billion federal tax increase.

THE **Martini** DIFFERENCE IS...
Bill Martini understands our priorities.
He cuts taxes. He's our Congressman.

MEDICAL RESEARCH

Age spots? New research project may help

Some news for people bothered by "age" or "liver spots".

People who work outdoors or sunbathe without sun protection can develop various skin problems. The sun can cause large freckles called "age spots" or "liver spots". These flat, brown spots are medically referred to as "lentigines". They have nothing to do with the liver, they are caused by

the sun and usually appear on the face, arms and hands. Most commercial "fade" creams will not make lentigines disappear.

Dr. Manuel R. Morman of Rutherford is conducting a research study on a medication being developed to lighten these areas of sun damage.

Qualified participants receive the following at no

charge: Physical exam and laboratory work; Study product; A stipend of \$20 per visit for travel related expenses.

If you are at least 30 years of age (females must not be of child bearing potential) do not have a history of skin cancer and would like more information, please call the study coordinator at 460-7362

Call to register at 450-3434.

Belleville Health Department
offers free immunizations

Thomas Longo, Belleville health officer, encourages parents to get their children vaccinated on time. Nearly 25 percent of American children under the age of 2 go unprotected against life-threatening, yet preventable childhood diseases every year because they are not immunized, Longo said.

"The back-to-school season is a time most parents take their school aged children to be immunized before returning to school. Many parents don't realize vaccinations should begin between birth and two

months old. Before age two, children need most of their immunizations. Often several immunizations can be given at one office visit," Longo said.

Childhood vaccines can prevent 10 deadly diseases: polio, measles, diphtheria, mumps, whooping cough, rubella, tetanus, spinal meningitis, hepatitis B and chicken pox, Longo said.

The Belleville Health Department provides Belleville residents with free immunizations for infants through school age. For more information or immunizations or this free program, please call 450-3393.

October 3-Dr. Michael Aaron Rockland, American Studies Department, Rutgers University, will discuss his book, *Snowshoeing Through Sewers: Adventures in New York City, New Jersey, and Philadelphia*, at the Belleville Public Library & Information Center, 221 Washington Avenue, at 1 p.m.

Exploring Company Information On the Internet will be discussed by Dr. Ming Bao at 3:45 p.m. at the Belleville Public Library & Information Center, 221 Washington Avenue.

Can Family Values and Computers Co-exist will be discussed by Elizabeth Burns, Counselor, at 10:30 a.m. at the Belleville Public Library & Information Center, 221 Washington Avenue.

Ask a Lawyer Series

The Ask a Lawyer Series, sponsored by the Essex County Bar Foundation, will continue on September 30, when Wills, Trusts, and Estates will be discussed, followed by Lifetime Planning for Aging, Illness, and Long-Term Health Care on October 7. On October 21 Dealing With The Problems of Divorce will be the subject addressed at 7:30 p.m. Call the Library at 201-450-3434 to register for any or all the topics in the series. All the lectures commence at 7:30 p.m.

New Jersey Authors Series

This fall, the Belleville Public Library and Information Center is cooperating with the New Jersey Historical Society and Rutgers University in a special book discussion series, entitled *New Jersey Authors Discuss Their Books*.

On September 26, at 1 p.m., Dr. Marc Mappen, Associate Dean, University College, will discuss *Murder and Spies, Lovers and Lies: Settling the Great Controversies of American History*, at the Belleville Public Library and Information Center. On October 3, also at the Belleville Public Library and Information Center, Dr. Michael Rockland, Faculty, American Studies, Rutgers University, will discuss *Snowshoeing Through Sewers: Adventures in New York City, New Jersey and Philadelphia*. On October 7 at 3:30 p.m. at the Belleville Public Library and Information Center, Dr. David Oshinsky, Faculty, History Department, Rutgers University, will discuss *Worse Than Slave Parchman Farm and The Ordeal of Jim Crow Justice*. Fina on October 17, at 1 p.m., John Bailey Lloyd, Master Library Science, Rutgers University, will discuss his book *Eighteen Miles of History on Long Island Beach*. To register call the Library at 450-3434. For further information, ask Andrea Cohen, Director of the Belleville Public Library Information Center, also at 450-3434.

Mountainside presents free financial planning series

Three five-session financial planning series will be offered free to the public by the Mountainside Hospital Foundation, with the assistance of the Alliance Financial Group. Each series will explain how to develop a comprehensive financial plan, covering such areas as insurance, investments, taxes and estate planning.

The public is welcome to attend any of the three series, taking place on Monday mornings from 8 to 9 a.m. Sept. 30, Oct. 14, 28, Nov. 11; Wednesday afternoons from noon to 1 p.m. Oct. 2, 23, 30, Nov. 13; and Thursday evenings from 7:30 to 8:30 p.m. Oct. 3, 17, 31, Nov. 14.

The public is encouraged to attend all five sessions of the course, although each session is a self-contained topic and may be attended individually. The courses are held in the Mountainside Hospital auditorium, Bay and Highland avenues, in Montclair, with refreshments served a half hour before the program begins. Parking is free to all participants.

and an optional workbook is available for \$10.

Session 1 in each course will present an overview of financial planning, then will focus on how to save when buying insurance and determining insurance needs. Investment planning is covered in Session 2, with experts explaining how to minimize risk and maximize returns in stocks, bonds, mutual funds and other investments. Advanced tax planning is addressed in Session 3, covering ways to defer or even eliminate taxes on earnings from investments, business or wages. Session 4 will show how careful planning can protect individuals from potentially catastrophic costs of long-term medical care. The final session will explain estate planning techniques and how to avoid probate, preserve assets and lower estate taxes.

Anyone interested in attending one of these financial planning series should contact the Mountainside Hospital Foundation at 429-6130 to reserve a place.

Center for Hospice Care provides services for terminally ill, families

The Center for Hospice Care, located on High Street in Glen Ridge, is another organization that receives funding from the Community Fund. Residents of this and surrounding communities benefit from the wonderful services the hospice provides.

Patients suffering from any terminal illness and of any age from infancy on up are eligible for hospice care either in their home or nursing home. Along with the care of the terminally ill, the hospice provides bereavement counseling for loved ones once the patient has passed on. There are several groups or programs available for surviving children and adults.

For the adults, there are two programs available: educational and group sessions. The educational program is a ten-week seminar dealing with death and how to cope with the loss of a loved one. The group session, which is open-ended, is a discussion format where members can freely discuss their difficulties in dealing with their loss.

The Center for Hospice Care also offers a child-parent bereavement program called Silver Linings. Children who have experienced the loss of a parent meet weekly either with a social worker or art therapist in age appropriate groups. At the same time, the surviving parent meets with a social worker in a group setting to discuss issues in dealing with their feelings and their child's.

During 1995, Hospice provided services for 811 clients. These services include periodic nursing visits from a member of the paid staff, visits from a social worker to provide external emotional support,

clergy visits as requested, and volunteer visits.

If anyone would like to make a contribution to Hospice, volunteer their time, inquire about services or receive a copy of the center's newsletter, call 429-0300 or write to the Center for Hospice Care, 3 High Street, Glen Ridge.

Have a clean home for the holidays

It is that time of year again. Soon, the hustle and bustle of the holiday season will be upon us. Squeaky Clean Carpet and Upholstery Cleaning is here to help you enjoy the holidays without worrying about messy carpets or furniture. Art Velotti, the owner, does all the work himself. Therefore, the best job possible is done every time. He is an experienced professional carpet and upholstery cleaner who is honest, dependable and willing to work flexible hours.

Art was raised in Bloomfield and now resides in Glen Ridge. He is the vice-president of the Glen Ridge Athletic Association, which is a volunteer-based organization that provides sporting events for children from pre-K through the 8th grade. Art Velotti is known in his town as a volunteer with a heart of gold. He started his carpet cleaning business to service the needs of all the communities that are being ripped off by the large companies that advertise a base price, then add to it with expensive services you

may or may not need.

Squeaky Clean is right up on the table with his prices. Unlike his competition, Art advertises his pricing and sticks by it with "no hidden charges whatsoever." Also, Art shampoos AND steam cleans for the same price or cheaper than his competition. This process deep cleans the carpets better than steam cleaning alone. Squeaky Clean offers a satisfaction guarantee in that if you are not satisfied, he will come out again free of charge. Squeaky Clean also offers a 10% discount to all seniors and senioritas.

So sit back and enjoy the holidays in a clean home and with reasonable prices that are advertised on this page. Again, there are "no hidden charges whatsoever." And that is a quote from Art Velotti. So keep Squeaky Clean in mind for all your carpet and upholstery cleaning especially for pre- and post-holiday dinner parties. Give Art a free estimate, a call for a free estimate, appointment at 743-1122. Enjoy the holiday season.

Breast cancer spokesperson makes Clara Maass appearance

National Breast Cancer Awareness Month will begin on Oct. 1, and Oct. 18 marks National Mammography Day.

In conjunction with National Breast Cancer Awareness Month and National Mammography Day, Clara Maass Medical Center in Belleville will be holding grand opening events for its new Women's Health Center at Clara Maass.

Marking her only New Jersey appearance, National Spokesperson Susan Ford Bales — daughter of Former President Gerald Ford and Betty Ford — will serve as keynote speaker of the Clara Maass grand opening event on Wednesday, Oct. 9.

Ford Bales — the daughter of a woman who had breast cancer and a high-risk candidate for the disease — has served as National Spokesperson for National Breast Cancer Awareness Month since the campaign was founded in 1985.

Clara Maass will also host a

Women's Health Screening on Oct. 26, from 9 a.m. to noon. Free breast exams and reduced fee mammograms will be available.

Clara Maass Medical Center, a division of Clara Maass Health System, is a 465-bed facility which provides an unparalleled continuum of care to residents in northern New Jersey. Staffed by more than 400 physicians and 1,700 full- and part-time employees, Clara Maass offers an array of community programs, acute and sub-acute care, and rehabilitative and long-term care services.

Clara Maass' centers include a Women's Health Center* two long-term care residential facilities; a home health care program, which includes a certified hospice; a comprehensive nuclear medicine and diagnostic imaging program; extensive oncology services; and maternal/child health programs.

For more information on Clara Maass programs and services, please call 1-800-CLARA MAASS.

Audiences enjoy the many concerts that the Belleville Public Library and Information Center have already provided. The next concert, funded by the Woman's Club of Belleville and The Nicholas Martini Foundation, will take place on Sunday, Oct. 20 at 2 p.m. with celebrated jazz pianist, Derek Smith. Call the library's circulation desk at 450-3434 for reservations. The concerts are free and light refreshments are served following the performances.

Girl Scout council

seeks adult volunteers

The Girl Scout Council of Greater Essex County is seeking adult volunteers to lead troops, conduct training, act as chaperones and be consultants for a variety of programs ranging from the arts to sciences, health and safety, camping and outdoor skills and leadership development.

Time commitments vary for the volunteer position that is held. Typically, leading a troop requires 2-3 hours a week of preparation/activity time. However, scheduling meetings is up to the volunteer so length and frequency are flexible. Troops meet weekly, bi-monthly or monthly and many Greater Essex troops meet at night or on the weekends. All volunteers receive training appropriate to the age level or activity they will be involved in.

The Girl Scout Council of Greater Essex Counties and Summit and New Providence in Union County. If you are interested in volunteering your time to Girl Scouts, please call the Girl Scout Council of Greater Essex County at 746-8200.

Vincent Gerrard will teach workshops at The Dance Place

Vincent Gerrard will be teaching two six-week workshops, "Auditioning for the Actor," at The Dance Place, 48 North View Ave., Upper Montclair.

The first will run 8 p.m. Fridays, Oct. 4 to Nov. 15 with Oct. 18 off. The second will be held 8 p.m. Fridays, Nov. 22 to Jan. 3 with Dec. 27 off.

The first five sessions include picture and resume evaluation;

casting yourself in the right role; working material that best fits your type; taking control of the audition (body language, attitude adjustment, immediate impression); and bringing in as well as leaving a pleasant experience.

The sixth session is an actual audition for one New York theatrical agency and one New York commercial agency.

The six-week session is \$200,

including personal evaluation materials. Prepare one brief monologue for the first class. There is a 15 person maximum per workshop.

For more info or to reserve a space, call (917) 688-0266.

Gerrard started his career in 1980 under the teaching of Olympia and Apollo Dukakis at the Whole Theatre Co., going on to become the couple's artistic assistant at the Whole Theatre for the 1981-82 season.

He also studied at the Neighborhood Playhouse under Sanford Meiser and Philip Gubee and was later asked to join the Actor's Group of New York by Joanne Woodward. He trained and performed there for three years.

Vincent Gerrard

In 1990, Gerrard toured in "Tony and Tina's Wedding," which led to television pilots in Los Angeles where he has been living for the past five years. His credits also include "Friends."

HOROSCOPES

September 29-October 5

ARIES — March 21/April 20

A friend's dilemma will be a reminder of your past. You'll look back on a different phase of your life on the way home. You'll feel a lot more cheerful when you're done. Spitefulness is detrimental to a strained friendship. A heart-to-heart talk is the way to work things out.

TAURUS — April 21/May 21

Your moodiness will not be welcomed by loved ones. Spare your loved ones some grief and stop at the gym on the way home. You'll feel a lot more cheerful when you're done. Spitefulness is detrimental to a strained friendship. A heart-to-heart talk is the way to work things out.

GEMINI — May 22/June 21

Think twice before asking a financial favor of a friend. It could be more trouble than it's worth. A new work associate of the opposite sex wants to get to know you better. Go for it, but proceed with caution if you're dealing with Scorpio. Solidify travel plans or you may find yourself stranded.

CANCER — June 22/July 22

Before you pursue a new job or career, make sure you're ready to make a change. Jumping into something blindly could make for a very crabby Cancer. Having trouble sleeping lately? Stress could be the culprit. Give meditation a try as a way to relax. A Leo friend gives a call.

LEO — July 23/August 23

Watch what you wish for, Leo, you may just get it! And once it's yours, you may realize that it's not what you want. A Virgo is involved. If there's tension at home, you'd be better off addressing the problem sooner rather than later. A Cancer offers bad advice. Don't take it.

VIRGO — Aug 24/Sept 22

Acting on impulse could get you into a heap of trouble. Work through your problems and figure out how to take control. The answer are there for you. Virgo, you just have to find them. At work, try and keep a low profile. You will be the topic of an important conversation on Thursday.

LIBRA — Sept 23/Oct 23

Prepare for delays when working on an important project. Leaving everything until the last minute is a bad move. If you happen to be involved with a Cancer, prepare for a very romantic weekend. The Crab has something special in store for you. Be reasonable when it comes to spending — especially if you're saving for something big.

SCORPIO — Oct 24/Nov 22

Patience will be needed to get through a family dispute early this week. Losing your cool will only lead you to say something you'll regret. A new procedure at work may seem tedious now but will save you lots of time in the long run. Give it a chance. Say "yes" to new romance.

SAGITTARIUS — Nov 23/Dec 21

A frustrating situation early in the week may seem like the end of the world, but in just a few days it will all be forgotten. Be patient. Take advantage of any free time that comes your way. It's time to catch up on all those chores and projects you've been meaning to get to.

CAPRICORN — Dec 22/Jan 20

Equipment failure could cause delays in your work schedule. Planning ahead is the best way to avoid problems. A visit from out-of-town friends adds some spice to the weekend. You'll finally get a chance to let your guard down. A Leo friend may ask for your assistance.

AQUARIUS — Jan 21/Feb 18

Don't let pride get in the way of a valued friendship. Admitting that you're wrong — especially when you really are — isn't such a bad thing. A few obstacles in the workplace could be a blessing in disguise. You could have a chance to show off your skills. Dress your best on Friday.

PISCES — Feb 19/March 20

Don't let feelings of self-doubt keep you from reaching a new level of success. Believe in yourself and you can accomplish anything. A realistic look at finances will help you plan for the future. Pay attention to details at work, especially if a role deal with numbers. Diet plays a role

A NEW STOP-SMOKING AID

Smokers who are looking for help in their quest to stop smoking may be interested to know that the FDA has recently approved the first nicotine nasal spray to help adults quit their cigarette habits. The approval, which came in March of this year, was made on the basis of the result of studies with 730 patients who were given various doses of the nasal spray or placebo. All the patients in the study received other supportive therapy to help them quit, such as counseling. Almost 54 percent of the patients given the nicotine nasal spray stopped smoking for six weeks, versus 27 percent in the placebo group. And, about one-quarter of the patients receiving the drug quit the smoking habit for one year, as opposed to 15 percent in the placebo group. These results make the effectiveness of the nasal spray comparable to other smoking-cessation aids, such as nicotine gum or patches.

You may be interested to know that our complete service includes free prescription delivery, the filling of Medicare and Blue Cross prescriptions, and providing convenient advice on a sale or rental basis. ROSSMORE PHARMACY is located at 333 Washington Avenue. Our telephone numbers are 759-1956 and 759-1968. Hours: Daily 9am-10pm Sundays 9am-5pm.

HINT: The nicotine nasal spray is not recommended for children.

Lady Buc volleyball, Jr. Buc football and Rec news

The Lady Buc volleyball team opened the 1996 season with an impressive 15-11, 15-12 victory over Bloomfield last Friday.

Grace Worley's team will be home to Kennedy this afternoon, beginning at 4 p.m. Tomorrow, Montclair comes to town, also at 4 p.m. This Saturday, the team will compete in the Bloomfield Tournament, beginning at 9 a.m. from Bloomfield High School.

Next Monday, the girls return home to play Eastside and next Wednesday, Teaneck comes to town. Both of those matches begin at 4 p.m.

"It was a nice win," Worley said of the victory over Teaneck. "It's obviously a rivalry and our kids were ready for the match. It was a good way to start the season, because we knew it wouldn't be an easy game."

"It was a good match all around. The officiating was good, the kids played hard. Both teams played well."

Worley has a veteran squad this fall. Her starters are Kim Mahoney, Deanna Addis, Chrissie Scassera, Paula Lappas, Karen Perez and Fran Sanzone.

"We had good hitting and the kids played well on the back line," Worley said. "The back line play was the key to winning the match. Fran and Paula did a good job setting, too."

The J.V. team lost its opening match, but the freshman were victorious.

Jr. Buc "C" and "D" teams

The Belleville Junior Buc "C" team opened its season with a hard fought 12-0 win over Kearny on September 8.

Michael Barnes led the way for Belleville, scoring on an electrifying run of 40 yards on the last play of the first half. The run gave Belleville a 6-0 lead.

In the fourth quarter, Angelo Silletti scored on a 60 yard run off a fullback drawn to close out the scoring. Silletti finished with 125 yards rushing on ten carries. The blocking of Joe Drozdowicz, Gerard Garilli, Steven Taylor and Edward Stack set up the Belleville running game.

The defense was led by Joe Banda and Jose Hernandez.

The "C" team moved to 2-0 on September 14, beating Lyndhurst 14-0. Leading the way for Belleville was Barnes, who scored on a punt return in the first half. Taylor threw a key block that set up the scoring run. Silletti ran for the extra point.

In the third period, Joe Toyse ran 40 yards for the second score of the game. Silletti ran for the extra point to close the scoring.

Defensive standouts included Pete Campisi, Tom Henry and Joe Drozd.

Last Sunday, the team lost its first game of the year in a driving rainstorm in Montville, 13-0. Belleville's offense was led by Bob Rafferty, Anthony Giordano and Billy Healy. The defense was paced by Nick Riggi, Barnes and Banda.

The newly formed "D" team opened its first season with a 27-6 win over Montville last Sunday.

Leading the way for Belleville was Joe Muraglia who scored three touchdowns and Mike Biasi who added a fourth score. Scoring extra points for Belleville were Anthony Rivera and Anthony Yaneski.

The offensive line, which played very well, consisted of Henry DeFrance, Brian DeNapoli, Mike Capaccio, Matt McLaughlin and Mike Marco.

A stingy defense, led by Pete Maccaroni, Charles DeTres, George Kupinevich and Dante DeRogatis shut down a good Montville attack.

Flag football set to begin season

The Belleville Flag Football Association is accepting applications for the upcoming season. Boys age 10-14 are eligible to play in the league. The league will hold a clinic and draft on September 25, 1996, at 4:30 p.m. at the Recreation Department on Joramelon Street. Late applications will be accepted until tomorrow afternoon. All late applications will be assigned to team on Friday and be eligible to play in the first game.

Applications can be picked up at school, the Recreation Department building on Joramelon Street, and the offices of DeMeo & LaVista at 318 Greylock Parkway.

Games are played on Sunday mornings and will begin the week-end of October 6, 1996. Practices will be held after school and on Saturday, at the discretion of the individual coaches. All applicants will be drafted and placed on a team, and every player will play in each game.

For more information, please contact Alfonso De Meo at 844-9110 or Sam Renna at 759-9412.

Rec Fall Programs

The Belleville Department of Recreation & Cultural Affairs has announced the start of its fall activities schedule. GIRLS TWIRLING will be on Fridays this year, at School #7, beginning this Friday, September 27. Grades 1-4 will be at 6:30 p.m. and Grades 5-8 will be at 7:30 p.m. Girls must provide their own bats for this activity.

The GIRLS CHEERLEADING CLINIC will take place on Thursdays at School #3, beginning tonight. Girls in grades 1-8 should report from 6:30-7:30 p.m. CHEERLEADING is also offered on Tuesday nights at School #8, beginning last Tuesday, for girls in grades 1-8, from 6:30-7:30 p.m. These instructional clinics are designed for beginners, as well as for those girls who want to try out for the 1997 Junior Buc Cheerleading squads in May.

ADULT OPEN VOLLEYBALL will start on Wednesday, October 9, from 6:30 to 9:00 p.m. at School #3 for men and women. Photo I.D.'s are required of all participants, who must be Belleville residents.

For more information on upcoming programs in basketball, volleyball and wrestling, call 450-3422, between 8:30 a.m. and 4 p.m.

Graham rushes for 286 yards, scores 4 TD's VICTORY!

By Mike Lambert
They did it with style and emotion.

They did it with class, symbolic of its coach.

Most importantly, they did it.

The Belleville Buccaneer football team put on an impressive ground show, downing Scotch Plains 33-13 last Saturday in Scotch Plains in the season opener for both clubs.

The Bucs will play at Paramus tomorrow evening at 7:00 p.m. Belleville will look for its first 2-0 start since 1983 in that game.

The victory was Belleville's first since November of 1994 and snapped a ten game losing streak for the team.

"It was a good effort for our team," head coach John Senesky said. "The kids were positive and played hard. It meant a lot to our entire program."

Donnell Graham, a senior running back, was the story for the Bucs. Graham provided shades of Frank Fazzini, circa 1980, with his slashing, dominant open field running.

He rushed for 286 yards and scored four touchdowns behind a dominant and experienced senior offensive line.

Graham took control of this game from the outset. He carried eight times in the Bucs first possession of the game following the opening kickoff and scored the first touchdown of the season.

"Obviously, Donnell was a key factor in the game," Senesky said. "He learned a lot from last year, as did most of our kids. Today, he was able to find the holes and once he got some room, he was outstanding."

Following a short Scotch Plains punt in the second quarter, the Bucs tallied again, taking six plays and a Graham run into the end zone to extend to a 13-0 lead. That was the margin at halftime.

Senesky anticipated that Scotch Plains would open up its offense in the third quarter after a rather conservative game plan in the first half.

But before Scotch Plains began to pass, Belleville tallied its third score in the third quarter, thanks to a long run by Graham, who broke a tackle five yards off scrimmage and was never headed.

It was the type of run that

Graham had made rather routine last season. Once in the open field, he's almost impossible to track down.

Scotch Plains, down 19-0, scored its first touchdown late in the third quarter; but the Bucs responded in the fourth thanks to an interception by senior Tyree Huffin and another long run by Graham.

Leading 26-6, the Bucs appeared to be in good shape, but Scotch Plains struck quickly mid way through the fourth to narrow the deficit to 26-13.

When the Union County school recovered the onside kick, there appeared to be new life. But Belleville responded, forcing a fumble three plays later that Huffin recovered.

Belleville went back to its ground game to run the clock down and capitalized when fullback Chris Zarro took a handoff from quarterback Rich DeFalco and ran 44 yards for the insurance tally.

As Senesky said, the offensive line took control of their game early. Center Richard Shenton, guards Robert Shenton and Ricky Neiman and tackles Ernie Compusano and Nick Muscara, along with tight end Tom Dyer, were outstanding.

"You can practice all you want," Senesky said, "but it all comes down to game experience and these kids have that. They were able to block well and were pretty confident out there."

Senesky also praised the play of his defensive line, Compusano, Rob Shenton, Dyer and Neiman, for controlling the line and keeping the Scotch Plains running game under control.

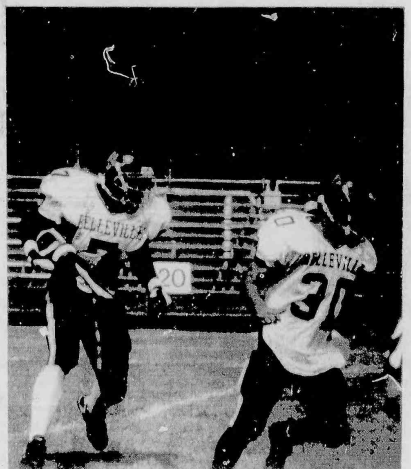

Belleville's pass defense was also good, although Scotch Plains did move the ball through the air somewhat effectively in the second half.

"We went to a three man line-backing and four in the backfield to guard against the pass and be more effective," Senesky said. "We were able to cover the pass pretty well and Tyree was able to pick off two passes."

Senesky was pleased with the secondary of Phong Nguyen, Ricci Bello, Huffin and Efrain Mercado, who played the second half with a hand injury.

"Efrain gives us speed in the second half."

(Continued on Page 14)

Donnell Graham (7) looks for running room as Chris Zarro (30) sets up to block. Graham was tremendous, rushing for 286 yards and scoring four touchdowns.

Colucci helps soccer team to 3-0 start

By Mike Lambert

In their first three games, the Buccaneers soccer team has shown versatility.

They've displayed the ability to come back, they've shown they can play less than their best and win and they've displayed offensive

provers.

The result is a 3-0 record in the early going for Gino DePinto's team. The Bucs stopped Irvington 4-3, Teaneck 3-1 and Paramus Catholic, 7-0.

Belleville (2-0 in the NNJL Pacific Division) faces a tough

week. The team battled Nutley earlier this week. This afternoon, powerful Don Bosco visits Clearmont Field, beginning at 4 p.m. This Saturday, a good Emerson team will be at Clearmont, starting at 11 a.m. Next Tuesday, the Bucs visit St. Joe's of Montvale, starting at 4 p.m.

In the season opener against Irvington, the Bucs jumped out to a 1-0 lead in the first half on a Nick Colucci goal.

Colucci tallied his second goal of the game early in the second half, giving the Bucs a 2-0 lead. But Irvington scored three quick goals in a seven minute span to take a 3-2 lead.

"We just came apart a little," DePinto said. "I give our kids credit because they didn't let it get to them. They played well and won the game."

Dan Almeida scored Belleville's third goal, tying the game and Mike Brown tallied the game winner, off an assist from Colucci.

The Bucs won its first league game last week, downing Teaneck 3-1 at Clearmont Field. After a scoreless first half, the Bucs went ahead 1-0 on an Almeida goal.

Colucci gave Belleville a 2-0 lead three minutes later. Teaneck closed to within 2-1 90 seconds later, but Belleville ensured the win on Colucci's second goal of the game four minutes later.

"We didn't play as well as I think

we could have," DePinto said. "But we're young and the kids found a way to win. We were without (midfielder) Lawrence Martin (who missed the game due to illness) and he's a big part of our offense."

Mike DiPrimo started in goal and played well. Robert Swiatkowski replaced DiPrimo midway through the second half and also did well.

The offense was in high gear last Friday when the Bucs won its first road game, blanking Paramus Catholic 7-0.

"Paramus Catholic played tough for the first 20 minutes," DePinto said. "They're a young team. Once we got a few goals on the board, we were able to take control of the game."

Almeida and Colucci both registered a hat trick in the game while Dan Olaya scored his first varsity goal of the season.

Brown and Vin Mennella both had two assists in the game.

"Vin has been playing well," DePinto said of Mennella, a sophomore midfielder. "He's had five assists in the first three games."

NOTES: The freshman team has played one game so far, losing to Teaneck. The J.V. team has yet to play a game this year. Irvington was just a varsity game and Paramus Catholic did not field a J.V. team. The Bucs were not able to play a J.V. game against Teaneck because there was not a field available in Belleville for the kids to play on.

Lady Buc tennis team splits first two matches

By Mike Lambert

The Belleville girls tennis team split its first two matches of the '96 season, losing to Montclair 5-0 and blanking Eastside, 5-0.

Tony Salese's team will compete in the Essex County Tournament today, beginning with a first round match against Livingston. All matches will be played at Branch Brook Park.

Tomorrow, the team is host to Hackensack, commencing at 4 p.m. Next Monday, the Lady Bucs play at Nutley and next Wednesday, Ridgewood visits. Both of those matches begin at 4 p.m.

Salese noted that Montclair could be a major player in the upcoming county tournament.

"They are ranked fourth in the seedings," the coach said. "I think they'll be very competitive."

Although Montclair swept past Belleville, Salese was happy with his team's performance.

"We were very competitive," he said. "We had some good rallies. They're just a little ahead of where we are now."

Vexus Eastside, Belleville won by shutout. Christine DeFesus was victorious at first singles, 4-6, 6-4, 6-3, Fatima DeFesus won at second singles, 6-3, 6-2 and Shalimar Arcelo was impressive at third singles, winning 6-1, 6-0.

The first doubles team of Marinel Equiban and Darlyn Malunda prevailed in straight sets, 6-1, 6-0 and the second doubles of Maria Skis and Quyan Tran dominated their opponents, winning 6-0, 6-0.

Right now, the Lady Bucs are concentrating on qualifying for the state playoffs.

"The cut off date is October 2," Salese said. "So the next few matches will be very important if we are able to qualify."

Bucs travel to Paramus tomorrow night

(Continued from Page 13)
ondary, and that helps us defensively," Senesky said. "He was one of the players that helped us win."

Brian McIntosh led the linebacking corps, along with DeFalco. Mike Abidelli also provided some big hits at linebacker.

The players were notably emotional after the victory, but stayed within themselves. Many of them were saying "it's one of nine" meaning it's one victory in a nine game season.

With that in mind, the Bucs will now prepare for Paramus this Friday evening.

The Bucs last played in Paramus last November, in the eighth game of the '95 season. It was there that the Bucs played, without question, its worst game of the season, losing by a 20-0 decision.

"We didn't play well there last year," Senesky said. "We felt we had a chance to beat them last year. We showed up physically but not mentally."

It's something that the Bucs do not plan to repeat this year.

"We expect a tough game with them," Senesky said of Paramus. "They've got their quarterback back and some good speed in the backfield."

For Belleville, the first game of the '96 season was indeed something special.

"It's a new era here," said McIntosh after the game. "It's just the start."

NOTES: Bucs held 7-3 lead over Paramus in season series, which started back in 1986. Bucs had won five straight in this series prior to last years debacle.

Some records in this game. The 33 points were the most by the Bucs in a road game since the '82 team beat Kearny 33-6 on Thanksgiving Day. Belleville's 20 point victory was its largest margin of victory since the '91 team beat Bloomfield 28-0.

Belleville's 33 points on opening day was its most since the '79 team tallied 35 against Livingston.

This was Belleville's first road

victory of any sort since the '93 team won at Don Bosco on opening night.

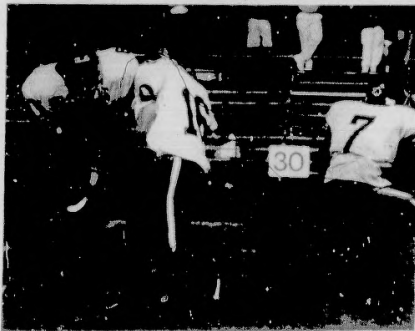

Edwin Garcia kicked three point after attempts for the Bucs in the win over Scotch Plains last Saturday.

Senesky noted that once again, the NNJL Pacific Division will be very tough.

"Teaneck beat North Bergen and Paramus Catholic beat St. Peters (both last Saturday)," Senesky said. "We play those teams early this season. It just shows that our conference is going to be very strong this year, as usual."

Tomorrow's game will be Paramus' season opener.

Bucs return home next Friday to play Teaneck, starting at 7 p.m. Thankfully, no serious injuries to report from last Saturday's game.

Quarterback Greg Sheridan hands off to Tyree Huffin on reverse play during season opening win over Scotch Plains last Saturday. Bucs will be in action tomorrow evening in Paramus, beginning at 7 p.m.

Gymnasts off to good start following win over Blmfd.

By Mike Lamberti

Off to its best start in ten years, the Lady Buc gymnastics team won two of its first three matches last week.

Donna Richardi's team lost a close match to Bergenfield, then came back to beat Indian Hills and Bloomfield.

Belleville was 2-1 heading into today's match at Ridgewood, beginning at 4 p.m. Next Thursday, the team will be at Montclair, also at 4 p.m.

"The kids are very excited," Richardi said of the good start to the season. "We need to improve our overall team score, but we're young and the improvement will be there as the year goes on."

Against Bergenfield, Belleville lost a 68.85-62.10 decision. Lizzie Noonan took third in the vaulting balance beam and Carissa Johnson was second in the uneven parallel bars.

Dina Elhew was second in the balance beam and Stephanie Brunello placed third in the floor exercise.

The Lady Bucs stopped Indian

Hills in its first home match of the season.

In vaulting, Elhew took first while Janelle Romano and Lindsey Giordano, both freshmen, tied for second place.

Johnsen took first in the uneven parallel bars and Brunello was first in the balance beam while Noonan took second in the beam.

In the floor exercise, Brunello was first while Nicole Russomano finished third.

Belleville's biggest win in the early part of the season came last Thursday against Bloomfield. Elhew once again won the vaulting exercise while Giordano and Johnsen tied for third.

In the uneven parallel bars, Johnsen took first and Noonan finished second.

Belleville swept the balance beam, with Noonan taking first, Brunello second and Elhew third.

Finally, in the floor exercise, Brunello was first and Russomano took third.

Richardi praised the performance of freshman Jennifer Constantino in the Bloomfield match.

"She's another freshman who has done well so far," Richardi said. "For her first varsity match her performance was very encouraging."

Fall Clean Up Time? Check Your Windows, Too!

If your fall clean-up plans include washing and installing storm windows, you may want to take the process one step further this year. Extreme temperatures and continuous exposure to the elements may have taken their toll on your windows. A simple inspection while installing storm windows or washing windows will tell you whether they are working properly.

"Windows are more than just cut glass in a frame that let you see the outside," says Daniel Reinbold, district manager for Larmco Windows in Cleveland. "They are very carefully engineered building components. They suffer damage over time, and if they don't work properly, they cost you money and potentially cause damage to your home and its contents."

Reinbold recommends a number of things to inspect to determine whether your windows may need repair or replacement.

Faded Drapes And Furniture - Fabrics may fade naturally over time, but your windows may be largely to blame, especially if they are older. Newer windows are made with specially coated glass, called Low-E glass, to reduce the amount of damaging ultraviolet light that passes through, not only protecting

fabrics but also reducing heat build-up in the summer. Low-E glass also helps reflect radiant heat back into the home during the winter.

Cracks - Extreme temperatures may have caused the glass to crack, particularly in the lower corners. Aside from being unsightly, cracks reduce the energy efficiency of the window. A reputable glass dealer can help with replacement of cracked panes.

Damaged Drywall - Condensation and ice from the window, especially on metal-framed windows, can cause damage to the surrounding drywall. The drywall can be replaced, but the source of the problem - condensation from the win-

dows - can only be eliminated by replacing the window.

Peeling paint - Peeling paint inside or outside the window indicates moisture around the window. Leaving the wood beneath the paint unprotected will lead to warping of the frame.

Warped frame - If the wooden frame itself is warped, the window has been exposed to excess moisture in the form of condensation, which results when cold air outside leaks into your warm home, or from activities such as cooking, bathing and showering.

"Once you've noticed the signs of excess condensation, such as peeling paint, rotting wood and warping, you may need to consider replacing the window itself," Reinbold said. "Some people try to prolong replacement by repainting or restaining the frame, but the underlying problem can only be corrected by replacing the entire unit."

It's important to select windows that are designed to correct the problems of the old windows, Reinbold said. Dual-pane replacement windows made with Low-E glass and argon gas to insulate between the panes are available in a variety of styles. The sealant used in the window unit is one of the most important aspects of its construction.

Many leading window manufacturers use Swiggle® Seal, an insulating glass spacer manufactured by Tremco, Inc., a BF Goodrich company. Swiggle Seal is made with moisture-sealing, heat-resistant polymers that reduce the flow of heat from around the window and increase its energy efficiency by up to 10 percent.

It is designed to inhibit condensation or fogging between the panes, extending the life of the windows.

"Windows impact not only the beauty of a home, but also the value and energy efficiency," said Ric Jackson, marketing manager at Tremco. "Consumers should arm themselves with the facts before they shop for replacement windows."

The Great Weather Debate: Preventing Ice Dams This Winter

Last year, homeowners from the Great Lakes to New England and throughout the Mid-Atlantic States experienced leaks caused by the heavy snowfall and ice build-up making the winter prosperous perhaps only for contractors. The aftermath of the Winter of '96 has everyone wondering what the Winter of '97 will bring weatherwise.

If you experienced a problem last year with build-ups of ice and the formation of icicles on the base of your roof, otherwise known as ice dams, there are several areas you can check to protect your dwelling this year.

First, what are ice dams? Ice dams are formed when heat from the inside of a home escapes into the attic and through the roof decking. Snow then melts on the upper roof and runs down toward the eaves as water. When it reaches the cold eaves and gutters, however, it refreezes and ice builds up. The result is water backing up under the roof shingles where it can soak through the roof decking and into the attic causing damage to ceilings and walls.

Luckily, there are steps that can be taken to avoid ice dams.

Check Your Attic

First, check the insulation in your attic and, secondly, check your ventilation. Why? Because a well-insulated attic - to today's energy standards - minimizes heat escaping through the ceiling - greatly reducing the possibility of snow melting and refreezing at the base of your roof. And then, since it is impossible to keep all heat from escaping into your attic, the least lost can be drawn up and out of the home if you have adequate ventilation. This prevents the underside of the roof deck from be-

Photo illustrates Insul Safe III® Blow-In Fiber Glass Insulation. Insul Safe is thermally-efficient, noncombustible and noncorrosive for the life of a home.

coming heated, causing snow to melt and refreeze causing ice dams.

The CertainTeed Home Institute suggests having a professional insulation contractor look at your home this fall. To find a contractor, ask friends and neighbors, look in the Yellow Pages or call the local contractors association. A contractor will determine how much insulation you currently have in your home and what you may need to bring it up to today's energy standards. Look for quality insulation materials like Insul Safe III® Blow-In Fiber Glass Insulation, which is thermally efficient, noncombustible and noncorrosive for the life of a home. In addition, it won't settle with age. A contractor can also determine if you have enough ventilation and make sure everything is working properly.

Further Protection

If you plan to build a house or re-roof an existing home, there is another protective step you can take in addition to proper insulation and ventilation. Ask your builder to use water-proofing shingle underlayment before the roof shingles are installed. One type of underlayment, WinterGuard™, completely resists roof water leakage. It is a last line of defense against leaks, preventing backed-up water from getting into your home.

If you'd like more information, write for the free "What You Should Know About Ice Dams and Your Home" pamphlet from the CertainTeed Home Institute, P.O. Box 860, Valley Forge, PA 19483, or call 800 782-8777. Also, visit us on the Internet at <http://www.certainteed.com>.

PRAYER TO THE HOLY
SPIRIT Holy Spirit &
St Jude. Who you make
me see everything & who
show me the way to
reach my ideals. You
who give me the divine
gift to forgive & forget the
wrong that is done to me.
You who are in all the in-
stances of my life with
me. I in this short dis-
cussion want to thank You
for everything & confirm
once more that I never
want to be separated from
You no matter how great
the material desire may
be. I want to be with
You my loved ones in
Your perpetual glory.
Amen. Thank You for
your love toward me &
my loved ones. You must
pray this prayer 3 con-
secutively "dash" without
stopping your wish, after
3rd day your wish will be
granted, no matter how
difficult it may be, then
promise to publish this
advice as soon as you
favor has been granted.
