BOE cracks down on district's illegal students

By Natalie Waldron

Board decides to disenroll 81 students

The Board of Education unanimously passed a resolution to disenroll 81 students which failed to comply with the residency policy at Monday night's meeting.

These students from the 7th, 11th, and 12th grades failed to provide appropriate documentation proving their proof of residency.

Students must produce three proofs of residency which consists of the following items: a copy of income tax return, a credit card bill, a lease or landlord affidavit for renters, a deed for homeowners,

property tax bill, a water bill with name and address, Medicaid stubs, or a welfare card.

A public service, telephone, or cable bill is not acceptable.

"They received two written notices and at least one phone call," said Michael A. Lally, superintendent of schools.

They were warned in their second letter that by Oct. 8 they will be disenrolled. "We feel we have given the students every opportunity to comply on the residency issue," Lally said.

These students will only be allowed back into school if they either provide the district a proof of residency or go to the state within 21 days and ask for an appeal.

Board member Frank Montagna has worked hard on cracking down the number of illegal students in the district.

He often gets up at 6 a.m. to park in front of homes in the attempt to catch students who give the district the wrong address.

"This is only the beginning,"

Montagna said.

"We are not going to tolerate anyone not complying with policy," said Lally.

Montagna is aggravated by the appeal process because, "once the appeal is filed the student is allowed back in school until the case is heard."

Montagna said that is the problem because it could be many years before the case is decided, putting the cost of educating the student on the district.

In an effort to stop illegal students, Montagna urged that residents lobby for

bill A1852 sponsored by Assemblyman John Kelly (R-Essex).

The bill would make parents prove in court that they can't support their child and explain why they are living with a guardian.

Montagna also suggested having a 90 day limit on the appeal process.

Montagna said that out of approximate 60 kids caught last year there were only 3 who appealed their cases to the state. "The board has filed criminal complaints against at least a dozen of them," he added.

BOE tables paying Council for paving of playground

By Natalie Waldron

The Board of Education tabled a decision to pay \$6,607.88 to the Township for paving the School No.8 playground at its last Monday night meeting.

A majority of the board wanted additional information from the Council, before they make a decision on the issue.

"The original price quote was lower than the bill submitted by the Council to the Board last Monday," said Joseph Ciccone, assistant superintendent.

"It was initially estimated that the town would spend \$9,000 which means that our share would be \$4,500," said Edward Appleton, board secretary.

The actual cost of the project was \$13, 215.76 and the town asked the board to pay half of that which is \$6, 607.88.

"When the town approached the board with the respect to sharing the cost of the project, the board was agreeable, but they had questions regarding the scope of the project," Appleton said.

"There was a communications breakdown in that we never received a detailed plan regarding the scope of the project. The board was never advised to the change of the price," he said.

Columbus Day Parade scheduled for Oct. 13

Marone named grand marshal

By Natalie Waldron

Community service is a big part of this 40 year resident's life.

This is why Antoinette (Toni) Marone was named as the Belleville grand marshal of this year's Columbus Day Parade which will be held on Sunday, Oct. 13 at 2 p.m.

Nutley's grand marshal is Anthony Iannarone who is currently the president of the board of trustees for the Nutley Public Library. He has been active in community service for 15 years. The parade will begin at Belleville Municipal Stadium and proceed to Jordenmon Street, onto Franklin Avenue and then travel onto Chestnut Street in Nutley.

There will be more than 60 marching contingents in the parade. Participating in this year's parade is nine bands, the Suburban Sound Chorus, a D.J., the Ridgewood Opera Company along with the marching bands of

Gennifer Messina Piscatowski, Belleville, Nutley and Weehawken high schools.

"It is a great honor to be named as grand marshal and I am proud to be an Italian-American," said Marone.

Marone's father Joseph Cafone and his family came to Nutley from Calabria, Italy in 1884. Marone, who is one of 13 children, was born and raised in Nutley and graduated from Nutley High School. She con-

Gennifer Messina Piscatowski is an all-around talented Belleville resident.

She is athletic, intelligent and a beautiful young lady which makes her the perfect candidate as the Belleville's Bella Signorina for the Columbus Day parade on Oct. 13.

"I am interested in this (the position of Bella Signorina) because I am proud of my heritage and it will be a worthwhile opportunity in representing my town."

At Belleville High School, Piscatowski is a member of the foreign language club where she is active in learning and communicating with people of many different nationalities.

She also enjoys learning about the foods and traditions associated with different cultures.

Another activity of hers is the Key Club, where she works on

Council votes against site for senior housing

By Anthony Sessa

The Township Council has decided, by a 6-1 vote, not to purchase the Essex County-owned five-acre piece of property located behind the Belleville Fire Station on Franklin Avenue for \$400,000 as a site for Belleville senior citizen housing.

The decision, made at the Sept. 30 council work session, led Mayor Victor Canning to believe that the council has finally "found some direction" on this issue, although he admittedly is unsure as to whether this decision is "good or

bad at this point." But one person who is sure that the decision is bad is Fourth Ward Councilman Mario Drozd.

Drozd, the former deputy mayor, was the only member in favor of buying the land. He said that he "does not think his colleagues truly understand the value of the property."

Canning said he felt the Essex County Freeholder Board and the county counsel were not giving Belleville a break with that proper-

Columbus statue donated by local organization

Unveiling marked for Oct. 12

By Natalie Waldron

The unveiling of the Christopher Columbus Statue located in front of Town Hall is scheduled for Oct. 12 at 11 a.m.

The statue estimated to cost about \$20,000 was donated by the Belleville Italian American Civic Association to Belleville Township.

"We wanted to do something for our town," said Joseph Fornarotto, president of the Belleville Italian-American Civic Association.

Fornarotto will unveil the statue and Mayor Victor Canning will accept the statue on behalf of the town.

The words engraved on the statue are "1492-1506 dedicated in honor of Christopher Columbus who had the foresight courage and determination to venture into the unknown and discover America."

"By spending money on this

statue we are showing the township that we care," he added.

The cost of the statue is estimated to cost about \$20,000 which includes the decoration of the surrounding grounds.

"Columbus is notorized for being of the Italian heritage, coming from Genoa, Italy before he went to Spain to sail on one of Queen Isabella's ships on which he found the Americas," he said.

"We went to three monument companies before we decided to use Imbruglio and Sons in Garfield," he said.

The guest speakers will be Congressman Bill Martini, Assemblyman John Kelly, and County Executive Jim Treffering.

There will also be a presentation by the Knights of Columbus group the 4th Degree.

Police Report

Man charged

A 24-year-old Belleville resident was charged with possession of a weapon for an incident on Oct. 5 at about 5:30 p.m. at 146 Franklin Ave., Belleville police report.

Fernandes was found to be in possession of a pistol type cross bow with steel tipped arrow heads, which he was firing in close proximity to the sidewalk, police said.

Fernandes is being held in lieu of \$200 bail.

Drug possession charged

A 34-year-old Belleville resident was charged with possession of a controlled dangerous substance, Belleville police report.

Mark Zicaro was found to have six plastic vials containing a white powdery substance, police report.

Detectives Robert Capece and Michael Giuliano made the arrest.

A 21-year-old Belleville resident was charged with possession of a controlled dangerous substance for an incident on Oct. 4, at the corner of Division Avenue and Forest Street, Belleville police report.

Police originally pulled over the car for a motor vehicle violation when the passenger opened a box of cigarettes, police report.

Police observed some marijuana in the box and then placed Joseph Anthony under arrest.

A clear plastic bag containing a green leafy substance was also found, police report.

Ptmm. Gerard Corbo and Ptmm. Dante Pasquale made the arrest.

Learning about other cultures

Mayor Victor Canning presents the Key to Belleville to the leader of the short-term Youth Exchange from Japan, Tetsuro Yoshioka, in a recent tour of Japanese students to the Town Hall, sponsored by The Rotary Club of Belleville. Shirlee Sherman, Immediate Past President arranged the tour.

UNICO committee name changed

At a recent Eastern Regional meeting of UNICO National, President Leo Diana and the Executive Board, approved the name change of the Committee to Combat Defamation to the Anti-Bias Committee of UNICO National.

This newly named committee has been extremely productive when dealing with defamation because of a network of members, state, local and other national Italian-American organizations which spoke out with one united voice.

It has been UNICO National's goal to establish a one voice project

for the Italian-American community.

The Anti-Bias Committee Chairman, Dr. Emanuele Alfano, feels that with the cooperation of such organizations as NIACA, OSIA-CSJ and NIAF the dream to establish One Voice for the Italian and Italian-American community may well come to pass.

Dr. Alfano stated, "Italian and Italian-Americans can no longer sit back hoping that someone else will champion our cause."

Anyone wishing more information about the organization may call Joseph Genarelli at 759-6812.

Fugitive cop surrenders

A fugitive Newark policeman convicted of participation in a car-theft conspiracy and official misconduct surrendered in Belleville Saturday evening, a day after failing to appear for his sentencing.

Police Officer John Montella, 32, of Bloomfield turned himself in at the Belleville Motor Lodge on Washington Avenue after sheriff's officers participated in intensive talks with his brother, Newark Police Lt. Pat Montella, according to Essex County Sheriff Armando Fontoura.

Superior Court Judge R. Benjamin Cohen had issued a bench warrant for Montella in Newark the previous day when the officer failed to appear for his sentencing on 15 counts. Montella had been found guilty on the counts on June 14 at the end of an 11-day non-jury trial.

On the most serious count, Montella, then a member of Newark's auto squad, was convicted of stealing three luxury cars — a 1991 Infiniti Q45, a 1990 Infiniti M30 and a 1991 Nissan 300ZX —

from a car importer in Port Elizabeth.

Newark Police Lt. Charles Dughi was named in the indictment as Montella's co-conspirator. Dughi's attorney was expected to meet this week with Cohen to schedule his trial.

After Cohen issued his warrant for Montella, sheriff's officers and Bloomfield police searched Montella's apartment and found a note from the officer indicating that he did not expect to return.

In addition, his off-duty 9mm gun was not found in the apartment, police said.

A nationwide alarm was then teletyped to Newark police headquarters, stating that Montella was believed to be armed and could be dangerous, according to Fontoura.

However, the sheriff said that when Montella surrendered the next day, he was unarmed and he told authorities where they could find the missing gun.

FOR CONGRESS

There's a big difference between...

BILL MARTINI VERSUS **BILL PASCRELL**

Former federal prosecutor. Newcomer to Congress. New generation of public servant committed to our interest, not self-interest.

- ✔ Brought meaningful reforms to Congress. Voted to cut congressional spending by \$67 million.
- ✔ Voluntarily cut over \$200,000 in spending in his own congressional office.
- ✔ Voted for term limits for Congressmen.

Mayor of Paterson and NJ Assemblyman...both! Life's good for Pascrell, but tough for the people of Paterson.

- ✘ Old-style politician Pascrell collects two government paychecks totalling over \$93,000.
- ✘ Pascrell forced Paterson taxpayers to pay over \$12,000 for his cellular phone bills. \$12,000 is more than the average Patersonian makes in an entire year.

THE **Martini** DIFFERENCE IS...
Bill Martini does what's best for us.
He's your Congressman.

New Friends and Old Friends
Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test —
Time and change — are surely best.
Brow may wrinkle, hair grow gray,
Friendships never know decay.
For 'mid old friends, tried and true,
Once more we our youth renew.
But old friends, alas, may die;
New friends must their place supply.
Cherish friendship in your breast,
New is good but old is best.
Make new friends, but keep the old;
Those are silver, these are gold.

Don't forget the dedication of the Columbus statue in front of the town hall on Oct. 12, at 11 a.m. This statue was donated by the

When picking up a prescription, take a minute and ask the pharmacist these questions:

What does this medicine do?
Should I take this medicine with food or on an empty stomach?
Are there any foods I should avoid while taking this medicine?
Should I avoid drinking alcohol?
What should I do if I forget to take a dose at the recommended time?

How will this medicine interact with other drugs I am taking?
Are there any side effects when using this medicine?
How should I store this medicine? Some may have to be refrigerated and all should be kept away from heat and dampness. A bath-

room medicine cabinet may not be the best place to store your medicine.

Last week, I attended the 50th wedding anniversary of my brother- and sister-in-law, Mr. and Mrs. Carmine Cerami of Lincoln Terrace, Belleville. His wife is the former Ann Sarecchia of Nutley. Present were her four children, Marie, Theresa, Carmine and Millie with their spouses and children. But the center of attraction was the 94-year-old mother of Ann. She was the hit of the party and loved every minute of it. Bravo, Mildred!

With the cool weather here, you should check your heating system. If your pilot light is on, turn your thermostat up five degrees above room temperature. Your heater should come on. If your pilot light is off, follow the directions to light it and follow the previous instructions. If this does not work, call PSE&G. Do this now before the cold weather sets in.

The Health Department should be thanked for the good job they performed in giving the flu shots at the Senior Center at Mill St. and Franklin Ave. The personnel did a professional and courteous job and should be congratulated.

Thanks to Marie and Jim Troiano for opening the Center for their use.

Jazz concert with Derek Smith

In a concert sponsored by the Nicholas Martini Foundation, Derek Smith, famous jazz pianist, will be performing in concert on Sunday, Oct. 20, at 2 p.m. at the Belleville Public Library & Information Center, 221 Washington Avenue. Please call the library at 201-450-3434 for reservations, which are required.

Probably the world's most recorded commercial/jazz pianist, Derek Smith may be heard on recordings ranging from the popular Burt Bacharach/Dionne Warwick and Steve Lawrence' Eddie Gorme tracks, recorded in the 1960s to jazz albums with Dizzie Gillespie, Buddy de Franco, Louis Bellson, Milt Hinton, and Clark Terry. The material that Smith has recorded also included movie soundtracks, such as Woody Allen's "Hannah and Her Sisters," "Crimes and Misdemeanors," and Martin Scorsese's "The Age of Innocence."

Smith began his career in his native England, playing his first job for when he was 14. Over his parents' protestations, he joined John Dankworth's band, when Cleo Laine was the female vocalist. Smith also began performing and recording for the British Broadcasting Corporation (BBC), but soon realized the place for him professionally was America.

He came to the United States with no job awaiting him. Fourteen days after arriving in New York, he recorded with the Modern Jazz Quartet. One of his first engagements was working with his trio opposite Mel Torme and Ella Fitzgerald at Basin Street in New York. He joined the Benny Goodman Band in 1961 and was a pianist on "Benny Goodman-The

Derek Smith

Swing Era, released by Time/Lit. Records.

He met Doc Severinsen when both were contracted to play a society gig. Later, when Severinsen was named leader of the NBC Orchestra, the "Tonight Show" Band, he called Smith to be the pianist.

Smith played with the band seven years while continuing to record daily in New York studios and work with Benny Goodman. When the "Tonight Show" moved

to the west coast, Smith opted to stay in New York and to continue his career as a "first call" studio musician.

Smith led his own band on NBC's "Musical Chairs" game show after he left the "Tonight Show." After "Musical Chairs" was cancelled, he began concentrating on jazz performances while continuing to record.

Smith's trio album, "Love For Sale" was nominated for a Grammy Award in 1989. Smith has 20 albums as leader to his credit in the United States and Japan. Described by critics as fiery and passionate and having an "evil left hand," he is a frequent headliner at jazz festivals around the world.

The roster of notables with whom Smith has performed includes a who's who of show business from Sinatra to Paravotti, from Placido Domingo to Robert Palmer. Lyricist Sammy Cahn, a good friend until his death, comedian Steve Allen, and many other performers call upon his accompanying and conducting skills.

Remember to call the Belleville Public Library and Information Center at 201-450-3434 for reservations for the concert.

Scholarship program offers cash

Young women who are between the ages of 17 and 24 and live, attend school or work in Essex County full-time, can earn scholarship money through the Miss New Jersey Scholarship Foundation.

All future winners of the state program will win a \$10,000 cash award and full four-year payment of their college tuition.

In 1996, the Miss New Jersey Scholarship Foundation awarded

over \$38,000 in cash scholarships to young women across the state.

The local franchise of the state and national program is the Miss Essex County Scholarship Organization. In order to win state level awards, women must first enter the local scholarship program. Awards will also be given to outstanding candidates in community service and interviewing skills.

The national Miss America office also offers scholarships to women who compete at local levels. In 1996, approximately \$30 million will be awarded at the national, state and local level.

Those interested can obtain more information by calling Christopher Rovenmike, executive director of the Miss Essex County Scholarship Organization, at (908) 686-2005 or write to P.O. Box 1806, Bloomfield, NJ 07003.

Seven new Fire Department recruits begin their first day of duty. From left are Eric Hochstuhel, Glenn Jones, Ralph Chimanto, Scott Dupont, Thomas Bini, Michael McGreevy and Richard Cavanagh.

Seven new firefighters appointed

The Belleville Fire Department, with the appointment of seven new firefighter recruits at a ceremony held at Town Hall on Tuesday, Sept. 3, is addressing the ever-growing needs of providing fire protection, suppression and emergency medical care to the township. These men were drawn from a list of applicants that successfully passed all of the written and physical tests administered by the Department of Personnel.

The recruits, all township residents, scored high enough to rank in the top percentile to be chosen for the title of firefighter. They are Scott Dupont, Thomas Bini, Ralph Chimanto, Richard Cavanagh, Glenn Jones, Michael McGreevy and Eric Hochstuhel.

The men will attend the Middlesex County Fire Academy Firefighter I Training Program, in Sayreville because the county of Essex does not operate a fire academy. It is a six week course of classroom and fire simulator teaching. They will receive training in all aspects of fire science and behavior, ladder and hose techniques, fire safety, hazardous materials identification, physical conditioning and fire prevention and investigation. Upon completion of the fire academy, they will return to the firehouse for several weeks of in-house training to learn the operations of the fire department.

Within six months, they will attend the New Jersey Department of Health's Emergency Medical Technician course for ambulance operation. It is 140 hours of training in pre-hospital emergency medicine, injury assessment, specialized rescue, cardiac and respiratory care, including CPR, and lifting and moving patients.

The new recruits will boost the departments' total manpower from 65 to 72 men. In 1987, the department and a total of 84 firefighters,

but over the last ten years, it has lost many men due to retirements and one death.

This is the first hiring since Sept. 1994, and will help fill the gap that occurred over the years. It is the culmination of a long planning process between the fire department and the town Council as they evalu-

ated the fire and emergency medical needs of the township.

The addition of the new firefighters will provide the department with the much needed manpower to better serve the citizens of Belleville with enhanced emergency services.

Assemblyman Pascrell selected for Outstanding Governance award

The New Jersey Chamber of Commerce has awarded its 1996 Outstanding Governance Award to Assemblyman and Paterson Mayor William J. Pascrell, Jr.

He was one of the four recipients.

In selecting Pascrell, the Chamber Vice President of Government Affairs, Jim Leard cited the Assemblyman's work on behalf of the Business Retention Act a 1992 law that exempted business manufacturing equipment from local property taxes. "It was a real challenge in 1992, and if it were not for his leadership and support this year have been vital," Pascrell was the sponsor of the Business Retention Act in 1992.

Leonard also cited Pascrell's efforts to find a funding source other than the employment insurance fund to solve the charity health care problem and to extend permits granted to builders and developers

William Pascrell

as additional reasons for recognition.

as additional reasons for recognition.

"Assemblyman Pascrell has worked with us on a wide range of business climate issues," continued Leonard. "We are proud to recognize him and the other recipients for what they are doing for jobs and the economy of New Jersey."

Inaugurated in 1995, the Outstanding Governance Award is presented annually to four lawmakers — a Republican and a Democrat in both the Senate and the Assembly — who have distinguished themselves as business advocates.

This year's awards were given out on Sept. 19 at the State Chamber's annual legislative dinner at Caesars Atlantic City. Senators Joseph Kyriillos and Raymond Zane and Assemblyman Richard Bagger were also selected.

The award winners were selected by the State Chamber with input from several Trenton-based organizations.

OUR OPINION

Lousy postal service

Our postal service is deteriorating rapidly. Nutley and Belleville are both branches of the Newark postal system. The bottleneck is Newark.

It's about time the U. S. Postal Service delivered mail directly to Belleville and Nutley instead of filtering it through Newark.

Direct distribution would save thousands of hours for businesses and individuals in Nutley and Belleville who rely upon the U.S. Postal system.

Because of archaic methods and failure to keep up with the computer revolution, the

U. S. Postal system has lost millions of dollars in business to private entrepreneurs.

This is a job for Congressman Bill Martini to tackle now that he is aware of our problem. Nutley High School alumnus, U.S. Senator Frank Lautenberg, should be of help. The support of retiring U. S. Senator Bill Bradley will add to the importance of the appeal — the sooner the better.

Our local elected officials can get the ball rolling by passing a resolution demanding an independent Post Office for the community. Why should we be second class to Newark? — F. A. O.

Working together

Government and the people can reach productive ends

Examples of government and the private sector working together are beginning to occur more frequently.

Last week, officials from Essex County and Nutley, along with members of the local business community, attended the grand opening of MCP Properties, a beautiful new office building located on Franklin Avenue, Nutley.

Marina Perna, former Belleville mayor and owner of the building, had purchased the once-dilapidated structure about two years ago. She then applied for a \$525,000 low-interest loan from Essex County. The loan will be repaid within 24 months.

Following some creative architectural changes and the addition of artistic furnishings, the building is no longer an eyesore but a jewel in downtown Nutley.

The building is two stories high and boasts marble floors, high ceilings, arched windows and an exceptionally beautiful decor. Even the front parking lot is paved with elegant bricks.

Essex County Executive Jim Treffinger was right in calling the joint venture "real progress," and that "it offers hope for the economic progress of the whole county."

Numerous full- and part-time jobs have

also been created by the building, which houses medical offices and Perna's own law office.

This venture is but a small part of what government and the private sector can accomplish.

For instance, rather than allow neighborhoods elsewhere to continue on their downward spiral, state and federal governments should increase their low-interest loan programs for the rehabilitation of entire city blocks, both in residential and business areas.

Likewise, enterprise zones are an effective means to bring industry back to urban neighborhoods, while also acting to halt American businesses from migrating elsewhere.

It was just six months ago that it looked like Turtle Back Zoo might be closed permanently. But then an energetic effort was launched to search for corporate sponsors to save the zoo. That undertaking now looks promising and the zoo will likely remain open for years to come.

There are many, many creative endeavors that can be launched by productive agreements between government and the private sector.

It only takes a dream and a willingness to work together.

YOUR OPINION

Parents thank coaches

To the editor:

My husband and I would like to publicly thank Maryann and Matt Lopreato, Bob Crescenzi and Justin Meyer for their hard work, their endless hours and their dedication to the young girls of Belleville.

Their tireless efforts, their constant encouragement and their abilities to coach did not go unnoticed nor unappreciated by us.

As parents and also as a teacher here in Belleville, we realize how fragile a child's self esteem is.

This coaching staff was careful with constructive criticism and encouraged the girls to "do their best." The win was never their top priority.

Coaching is a thankless job and it's quite difficult to satisfy all parents, but we honestly feel that all the girls were treated fairly and with respect.

It was a great All-Star Summer, filled with the thrill of victory and the agony of defeat.

It was our pleasure to share a great season with 15 talented softball players, their parents and the coaches.

Pascrell defended

To the editor:

I am writing in response to the Sept. 12 letter submitted by Vincent J. Frantantoni of Belleville.

In his letter, Mr. Frantantoni stated that Paterson Mayor William Pascrell's long record has been devastating to the state and to Paterson, and that Congressman Bill Martini's record is one to be commended.

A close look at the facts will present a far different picture.

This year, Bill Pascrell has been named Mayor of the Year by the Conference of mayors and also received the Governance Award from New Jersey Chamber of Commerce for his work as mayor and state assemblyman.

During his tenure as a Congressman, Bill Martini voted to cut student loans by \$70 billion. That amount to increased costs of \$2,000 for undergraduate students and between \$6,000 and \$38,000 for graduate students.

Our congressman didn't limit his assault to higher education. He also voted to drastically cut Head Start, eliminate Goals 2000, and take away monies already set aside for youth employment and drug-free schools. Such a cut would jeopardize the safety of 94 percent of America's schools.

In contrast, Mayor and Assemblyman Pascrell wrote the New Jersey CLASS Act, which in fiscal year 1997 will make it easier for 18,000 middle-class families to pay for college. He also helped to develop the largest DARE drug awareness program for students in his state.

While Bill Martini was voting with House Speaker Newt Gingrich to not fund 100,000 new cops on our streets, Bill Pascrell fought in the Assembly to hire 2,000 new police for New Jersey and has led a city where the crime rate has dropped 36 percent.

While Bill Martini talked about welfare reform in Washington as a much-needed step, Bill Pascrell had already written New Jersey welfare reform bills in the Assembly, before the polls said it was popular. There has been a 16 percent reduction in welfare rolls since his efforts were made by law.

While Bill Martini has received failing grades of 33 percent from the AFL/CIO, 27 percent from the Committee to Preserve Social Security and Medicare, and 18 percent from the National Education Association, Bill Pascrell has received the endorsement of the New Jersey Education Association and has a 100 percent rating and the endorsement of the AFL/CIO.

Bill Martini voted in Congress against the Clean Water Act and to cripple the Environmental Protection Agency with a \$1.5 billion cut.

Bill Pascrell, in contrast, has received the endorsement of the Environment Federation, the largest environmental group in his state, for his support of New Jersey's Clean Water Enforcement Act and his efforts to defeat an incinerator project in Passaic County.

Mr. Frantantoni also wrote about how essential character is in a representative. He failed to mention, however, that when the Republicans decided to shut the government down twice while Bill Martini was in Washington, while thousands of hard-working federal employees were made into pawns for political gain, our Congressman nonetheless chose to take his own pay.

In contrast, upon taking office as Mayor of Paterson, Bill Pascrell froze his own pay and took a \$3,000 pay cut, which has saved his city just under \$20,000. To me that is what character is.

Clearly Mr. Frantantoni's letter was politically motivated and lacking a basis in the facts.

I would agree wholeheartedly the choice for the Eighth District this Nov. 5 is a clear one. It is clear Bill Pascrell must be elected our next Congressman, and Newt Gingrich and company must be given a one-way ticket home from Washington.

If you're interested, advance ticket sales number is 667-7487. This volunteer squad is among Nutley's most precious possessions and should be supported at any cost.

• **ESSEX County** Democrat Chairman Tom Giblin is looking for Essex County to produce a 90,000 plurality for the Clinton-Gore-Torricelli A team. "Stakes are high," declares Tom Giblin, "No Democrat can afford the luxury of sitting on the sidelines in the 1996 General Election." It's not inconceivable that Giblin can produce the result he seeks, especially so since the latest polls indicate New Jersey voters are strong for Clinton.

• **NEWARK Councilman** Hank Martinez will soon have another job as a Democrat District Freeholder. His campaign committee sponsored the first annual golf classic at the Francis A. Byrne Golf Course in West Orange. The facility could only accommodate 144 golfers, and the event was oversubscribed. Golf was followed by a 5-star buffet at Verona's Richfield Regency. Chairman for the event was Neil Katchen.

• **THE New Jersey Anti-Defamation League, UNICO National and Bloomfield College** have joined to present a convoc-

tion and dialogue featuring the film, "*A Debt to Honor*." The emotional documentary recounts the horrors of the Holocaust and the heroism of the Italian community during World War II. The event is scheduled for Wednesday, November 13th at the Robert V. Van Fossan Theatre in Bloomfield. The program is free and open to the public. Seating is limited, reservations required. For reservations or more information, call Dr. Joseph Volker, 669-9700 or Dr. Emanuele Alfano, 429-2818. The program will include:

1. "A Debt to Honor" screening
2. Panel discussion among Jewish survivors and their Italian rescuers
3. Reception and opportunity to dialogue.
- **WELL**, next to the World Series, the great event of 1996 will be the presidential election. As in the past, the candidates of

the two major parties have scheduled two debates. One took place Sunday night. Who won? Nobody. It was a standoff. Senator Dole did what he had to do, and President Clinton did no less. Post debate polls indicate that the viewing public voted 2-1 claiming Clinton the victor. I didn't see it that way. I thought there was no winner and no loser. The burden was upon Dole primarily. He was under obligation to hit a home run, which according to the public reaction, he did not do.

• **DEMOCRAT** state leaders are targeting the 36th legislative district which is Nutley, Belleville, Passaic on this side of the river. The seats are currently held by Republicans - Senator John Scott, Assemblyman John Kelly and Assemblyman Paul DiGaetano, who presumably will seek re-election.

• **THE Yankees** did it again. They came from behind in both games in Texas where they weren't supposed to win. Well, this surprised not only the folks in Texas, but even those in the metropolitan area by winning where they were least expected to win. It thrilled a lot of us Yankee folks who waited a long time for a winner. Now comes the heavy work of beating Baltimore and then going on to winning the World Series.

YOUR OPINION

Pascrell attacked

To the editor:

Mayor Victor Canning's endorsement of Paterson Mayor Bill Pascrell for the Eighth District Congressional seat was surprising and not in the best interests of Belleville residents.

Canning said he believed Pascrell would better represent the needs of Belleville citizens than Congressman Bill Martini, R-8. Let's examine the facts:

Victor Canning has opposed the Passaic River flood tunnel, which would have a negative impact on Belleville. Pascrell, a state assemblyman, is a staunch supporter of the tunnel plan. Congressman Bill Martini fulfilled his campaign pledge to oppose the tunnel and pursue the more economical buyout proposal.

Assemblyman Pascrell, as the mayor of Paterson, was recently chastised for ringing up over \$10,000 in cell-phone bills.

Pascrell voted for Florio's \$2.8 billion tax increase in 1990. He voted to increase the income tax and the sales tax. Is this what Mayor Canning considers the best interests of Belleville residents?

Congressman Bill Martini has directly assisted Belleville residents and Mayor Canning (who lives adjacent to a flood plain) by stopping the Passaic River flood tunnel.

Martini voted to decrease federal spending for the first time in over two decades. Martini succeeded in having Congress pass his bill to preserve Sterling Forest, a 20,000-acre area that provides drinking water for more than two million New Jersey residents.

Martini has voted on many other issues that benefit residents of blue-collar communities like Belleville, as a continuance of medical-care coverage upon changing jobs and increased tax deductions for health premiums of the self-employed. Martini has accomplished much in less than two years in office.

Mayor Canning's choice, Pascrell, has been a

state assemblyman for almost a decade, and what has he given us? Higher taxes, higher auto insurance premiums, increased fees, and more government regulations. Pascrell and his fellow legislators have failed to establish a school funding plan, and have refused to give New Jersey citizens the right to initiative and referendum.

Does Mayor Canning want a man with a record like this to represent us in Congress? Why?

I would like to take this opportunity to thank the children of School # 7.

Without their tremendous efforts in raising funds last year, the Organization of Parents and Educators would not have been able to purchase the sign in front of the school.

For those of you who thought it was bought with taxpayer's money, it was not!

The children raised these funds to beautify our school. We are very proud of our sign and especially of our students.

Life in Silver Lake By Marie Strumolo Burke

Jerry Domenick, il presidente of the Jim Messina Civic Association, tells me that the association is running a fundraiser for the family of Guillermo "Macho" Rivera, an 11-year-old Belleville boy who has been stricken with a grave illness.

The affair, "Joe and Mary's Irish-Italian Wedding," will be held on Friday, Nov. 1 at the Chandelier Restaurant. The proceeds will benefit both the Rivera family and the Messina Civic Association on a 50/50 basis.

I understand that it is a "comical" wedding that the audience participates in.

So, ladies, go out and buy yourself a new dress and you gets, a new suit, 'cause we're going to a "wedding." RSVP to Maria Messina at 751-5890. I'm not sure if she's from the bride's or groom's family — but call her. Don't worry if you can't make the church, just be at the reception. And don't be late.

Heckel Street resident marks 91 years. No, you didn't read it wrong. One of our oldest living residents in Silver Lake, Mary Alverso of Heckel Street, reached "inviata anni," which means, in Italian, 91 — I hope, on Sept. 29.

Mary, unfortunately, broke her leg and was hospitalized. But she's home and doing fine. So let's all sing to her: "Happy birthday to you, Happy birthday to you, Happy birthday, Mary Alverso, Happy birthday to you."

This month's youngest community-minded individual, The SLCA needed a volunteer in delivering flyers, so Katherine Bonavita of Heckel Street secured the services of her neighbor, David Williams.

David is a 6th grade student at School #4.

I give this child much credit. When I offered him a tip, he flatly refused. So, my husband gave him a soda and some chips and I rewarded him with a small token of our appreciation.

So, David Williams of Heckel Street, the SLCA is sending you our thanks. It's coming your way, so reach out and catch it!

Get well wishes to my friend, Ralph Salzano, on his recent operation. Knowing him, I'm sure he will be up and around. Ralph, you can't keep a good man down.

The SLCA extends to the family of Dolores

Inaugurating of Lake Street is his deepest sympathy on her recent passing. She was a good person and cared about her community and had the sense to be a member of our SLCA. Rest in peace, Dolores.

What a woman! Remember when I told you that Marion Veniero of North Belmont Avenue promised to donate \$25, when she got her Christmas club check, towards the tree we planted in St. Anthony's yard in memory of Joseph Zarro? O.K., well, she's a woman of her word.

I opened the mail the other day and "bingo," there was the check. And Marion, when we have our ceremony, you can be sure you will be first in line because you started the ball rolling.

God bless you because you're some kind of lady. Silver Lake's census mounts. On Aug. 26, a bundle of joy, Colin Brian Armstrong, was brought into the world. The proud parents are Cindy and Brian Armstrong of Heckel Street.

Grandma Joe Cordasco and my buddy, John Delli Santi, are equally happy.

This heavyweight weighed in at a whopping 9 pounds, 3 ounces. His big brothers, Ryan and Brandon, are thrilled.

Hey, Daddy Brian, two more kids and you can start your own basketball team. Hey, you never know.

Remember, we love Silver Lake.

Low cost flu shots available from WECHS

Once again West Essex Community Health Services, Inc., in cooperation with the VNA Coalition, is offering low-cost flu shots in Belleville. Public health nurses from WECHS will be at CVS, 512 Franklin Ave., on Nov. 8 from 12:30 to 2:30 p.m.

The shots are free to anyone

bringing his/her Medicare B card; otherwise, there is a nominal charge of \$10.

Every year, more than 10,000 Americans die from complications related to the flu. The flu vaccine is a dead virus, and it cannot give you the flu. Side effects are minimal and very rare. Last year, WECHS

gave out 1,300 shots and plans on 2,700 this year. Since it usually takes two weeks after receiving the shot to become immune and the flu's major season runs from December through April, the prime time for immunization is October and November.

Contrary to popular belief, the

flu does not affect only high-risk individuals. Anyone fighting an acute infection with antibiotics should put off getting a flu shot; however, a mild illness such as a cold will not interfere with the production of flu antibodies.

MEDICAL RESEARCH

Age spots? New research project may help

Some news for people bothered by "age" or "liver spots".

People who work outdoors or sunbathe without sun protection can develop various skin problems. The sun can cause large freckles called "age spots" or "liver spots". These flat, brown spots are medically referred to as "lentigines". They have nothing to do with the liver, they are caused by

the sun and usually appear on the face, arms and hands. Most commercial "fade" creams will not make lentigines disappear.

Dr. Manuel R. Morman of Rutherford is conducting a research study on a medication being developed to lighten these areas of sun damage.

Qualified participants receive the following at no

charge: Physical exam and laboratory work; Study product; A stipend of \$20 per visit for travel related expenses.

If you are at least 30 years of age (females must not be of child bearing potential) do not have a history of skin cancer and would like more information, please call the study coordinator at 460-7362

ly after the township assisted the county in the development of the new cancer center, CMMI, that is going to be put on another portion of that land. A project that reportedly will earn the county approximately \$5 million in revenue, but nothing in tax rateables for Belleville, Canning said.

"They (county officials) should be offering those five-acres to us for a lot less than \$400,000, if not to notify the county as to what it is."

Members of the freeholder board were not immediately available for comment.

Whether the decision is good or bad for the township may depend on the outcome of the council's next move on the senior housing project. Critically examining other vacant properties that the township owns to see if any may be suitable for senior citizen housing is what the council plans to do next, the mayor said.

"Later this month, we will be meeting with the tax assessor to go over all the properties that

Belleville owns," said Canning. "If we find any of the vacant ones that we feel may be suitable for senior citizen housing, then we will see what we can do. With the ones that are not suitable, we are going to look into putting those properties up to bid or possibly offer them first to adjacent landowners. If we can sell those properties, then we can relieve the taxpayers of the burden of having to help the town pay the county taxes on them. That would then become the responsibility of the new owners."

Drozdz does not see the council for free," said Canning.

"They were threatening to put the property up to the highest bidder if we did not make a decision soon and so now we have our decision and, by resolution, we intend being able to find a more appropriate piece of property to provide for Belleville seniors than the five-acre piece of land that was once part of the old So-Lo Hospital."

"I have been involved in real estate on a part-time basis for about nine years and I believe that I have more knowledge and experience about it than they (his colleagues on the council) do," said Drozdz,

who was a councilman at large back in 1990 when he initially undertook this project.

"I hear the complaints from many citizens just by walking around my neighborhood. I don't think the rest of my colleagues are in enough touch with the public about this issue as I am. No way is it possible to buy a five-acre piece of property for \$400,000 in Belleville," Drozdz said.

"It's simple math," he said. "Yes, we would be paying that amount up front, but then we would lease it to a non-profit organization for approximately \$15 to \$20,000 and that money would be applied to our mortgage on the property so we would not be actually spending \$400,000 in the long run."

"Plus, with about eight lots available on each of the five acres, if each lot was sold for \$50,000, you end up with eight two-family homes on one acre which comes to \$400,000 and there's still four acres left. Construction and maintenance costs on another piece of property would go way beyond \$400,000," Drozdz said.

Drozdz further explained that Belleville would still not acquire

any tax revenue when the county eventually sells those five acres.

Canning was also indifferent towards the county because he feels the freeholders may be forgetting that "Belleville residents are part of their constituents, too." If after Township Attorney Robert Giordano determines that the \$400,000 bond cannot be legally applied to another suitable piece of property for senior housing, then, according to Canning, an elimination of that bond could reduce taxes as well.

The council may also look into the property located on the corner of Mill Street and Franklin Avenue as a possible site for senior housing. That same property was defeated by the Belleville Zoning Board in 1978 for senior citizen homes.

"If they (his colleagues) can find another way, I'll support it," Drozdz said. "I strongly feel that Belleville needs senior housing, but I have to deal with the majority decision right now. I am only one person. I'll just wait for the rest of my colleagues to come up with the answer. The hall is in their court now."

Canning stated that a public

hearing will take place on Friday, Nov. 8 at 7:30 p.m. in Town Hall, when county officials are slated to listen to comments about the sale of the complete 23-acre property. CMMI is already looking for additional space and may want to purchase the rest of the land, Drozdz said.

Belleville is one of nine municipalities in Essex County that does not provide housing for its senior citizen population.

Frank Cozzarelli, Jr., Center, the President of Rotary, represents the Belleville Rotary Banner to Joyce Cougle, District Governor Nominee of Rockaway, and District Governor Chuck Abbate of Roseland.

HOROSCOPES

October 13-19

ARIES — March 21/April 20
What seems complicated on Monday will become crystal clear by Friday. Patience is the key to keeping your cool. Something you say to a work associate could cause problems for you later on. Think twice before divulging your secrets to those you don't totally trust.

TAURUS — April 21/May 21
Temper may flare at home early in the week. Try to keep a low profile or you could end up in the middle of a battle zone. Midweek, you'll be given a second chance at an opportunity you passed up weeks ago. Maybe it's time to go for it. A change in a Virgo friend provides food for thought.

GEMINI — May 22/June 21
Concentration is the name of the game at work on Monday. Keep a close watch on details or you could miss something important. You need to have fun and your limited cash flow aren't a good combination this weekend. Creative thinking is key to peace of mind.

CANCER — June 22/July 22
Feeling crabby than usual, Cancer? It could be that you're in need of some rest and relaxation. If you've been burning the candle at both ends, it's probably time to take a break. Romantic moments await if you're willing to let your guard down. A "catch 22" situation arises.

LEO — July 23/August 23
Even though you tend to be a team player, this week you'll be better off working solo. Difficulties may arise at home, but a little patience is all you'll need to make things right. Think twice before making a big financial investment. Be sure to read all the fine print before signing.

VIRGO — Aug 24/Sept 22
Don't lose sight of your priorities this week. Giving in to distractions will only make things tougher for you later on. At work, don't be afraid to express your ideas. Now is a good time to take on bold new adventures. A love relationship needs some special attention: Leo needs your help.

LIBRA — Sept 23/Oct 23
Watch your spending this week, especially if you're saving for something big. Only buy what you really need. A family member's news will have a big effect on you. You may be headed for change. Being in the right place at the right time could help you figure out a long-term problem. An in-law shows you a different side of him/herself.

SCORPIO — Oct 24/Nov 22
A loved one who is in an irritable mood could add a rough texture to the week. Be patient and try to stay out of his/her way. A new adventure later in the week will be a reminder of your past. A desire for more free time may mean giving up some work responsibility.

SAGITTARIUS — Nov 23/Dec 21
Lose the lax attitude and assert yourself, Sagittarius. If you continually go with the flow, you'll never gain the respect you deserve. Think again if a new work associate may call on your guidance and expertise. On Friday, a little kindness goes a long way. A cancer plays a major role at a social event this weekend.

CAPRICORN — Dec 22/Jan 20
It's time to bury the hatchet in a broken friendship. If you let pride stand in the way, you may live to regret it. A new work associate may call on your guidance and expertise. On Friday, a little kindness goes a long way. A cancer plays a major role at a social event this weekend.

AQUARIUS — Jan 21/Feb 18
Instead of getting stressed out about all you have to do, just go ahead and do it. Focus your energies in a constructive way. An unexpected social invitation adds spice to the week. You'll find yourself doing something you don't normally do. An old friend pays a surprise visit.

PISCES — Feb 19/March 20
Watch what you say during moments of anger or you could end up hurting someone. On Tuesday, something will happen that will make you grateful for what you have. You'll realize that you're pretty lucky. A family member going through changes will be the focus of the weekend.

Have a clean home for the holidays

It is that time of year again, the hustle and bustle of the holiday season will be upon us. Squeaky Clean Carpet and Upholstery Cleaning is here to help you enjoy the holidays without trying about messy carpets or furniture. Art Velotti, the owner, will do the work himself. Before, the best job possible is every time. He is an experienced professional carpet and upholstery cleaner who is honest, dependable and willing to work on a budget.

Art was raised in Bloomfield and now resides in Glen Ridge. He is the vice-president of the Glen Ridge Athletic Association, which is a volunteer-based organization that provides sporting events for children from pre-k through the 8th grade. Art Velotti is known in his town as a volunteer with a heart of gold. He started his carpet cleaning business to service the needs of all the communities that are being ripped off by the large companies that advertise a base price, then add to it with expensive services you

may or may not need.

Squeaky Clean is right up on the table with his prices. Unlike his competition, Art advertises his pricing and sticks to it with "no hidden charges whatsoever." Also, Art shampoos AND steam cleans for the same price or cheaper than his competition. This process deep cleans the carpets better than steam cleaning alone. Squeaky Clean offers a satisfaction guarantee in that if you are not satisfied, he will come out again free of charge. Squeaky Clean also offers a 10% discount to all seniors and seniors.

So sit back and enjoy the holidays in a clean home and with reasonable prices that are advertised on this page. Again, there are "no hidden charges whatsoever." And that is a quote from Art Velotti. So keep Squeaky Clean in mind for all your carpet and upholstery cleaning needs, especially for pre-and post-holiday dinner parties. Give Art or his wife, Donna, a call for a free estimate or appointment at 743-1122. Enjoy the holiday season.

Manufacturers' & Businesses' Association of North Jersey

A message from the president

A meeting at the G.R.C.C. on Sept. 26 kicked off our 1996-97 year. The program on "Stress Management in the Workplace" was a total success. We had a great turnout and our guest speaker, Dr. Ruffalo, was extremely interesting.

We are forecasting another interesting program for our October meeting. The subject is "A Smoking Clinic for Those Who Want to Stop Smoking." If you or any of your friends want to kick the habit but are having a hard time doing it, you must attend and invite them as your guest. It might be rewarding. The meeting will take place Oct. 24 at the G.R.C.C.

For those of you who don't know, Orechio Publications has

introduced "The Member of the Month" segment which includes a brief resume of company or business. Philips Lighting was featured in the September issue.

I'd like to say thank you to my officers and committee chairpersons for the superb job they are doing. Proof of this is shown in the increase in membership and the entertaining programs. Good job by all.

We want to welcome our newest member:

• The Aztec Corporation
Membership is important to any organization. All potential new members are welcome.

Your president
Anthony Bilotta, Sr.

Local firm completes Salvation Army fundraising materials

Mercurio Associates of Glen Ridge recently completed all fundraising materials for the Salvation Army's National World Services Effort in partnership with Dorothy Post, writer and editor of Summit.

This marks the third year of their involvement with this project. Production of these materials requires extensive research into Salvation Army human services in 102 countries and targeted graphic design of support material.

With last year's donations topping \$21,000,000, the Salvation Army in the United States continues to show increased financial support of its worldwide services. This reflects continuing concern for world needs on the part of Army members and supporters.

Mercurio Associates and Dorothy Post collaborate in the development of fundraising and planned giving materials for other projects.

SONICLEAN INC.

Ultrasonics for Clean Living

(201) 566-0141

Technology in the maintenance industry has taken a dramatic turn with ultrasonics. Modern ultrasonics use large anti-magnetic, stainless steel tanks of various sizes.

Powerful generators and immovable transducers charge the solution with billions of tiny bubbles that implode and gently lift away years of nicotine, pollen, dust, and cooking grease.

Window blinds of any material plus numerous other items come out looking and smelling new. The rinse process applies an anti-static protective coating that minimizes further dust accumulation and lubricates mechanisms.

All chemicals used to clean, deodorize, sanitize and lubricate are environmentally safe. Additionally, our machines are both UL-listed and FCC-approved.

More amazing than the cleaning capability of ultrasonics is the assortment of items which can be safely restored through the process. Items previously thought impossible to clean can be returned to like-new condition. Electric fans, toasters, blenders, mixers, lamps, computer keyboards and many more items can be cleaned, motor and all, with no damage to electric or electronic components.

Insurance companies and insurance adjusters are showing great interest in ultrasonics for fire restoration. The system can remove

smoke, soot, and odor from many items and save settlement dollars.

Doctors, schools and hospitals have also realized the health value of ultrasonic cleaning and are among the client list of SONICLEAN, Inc. of Bloomfield.

If you'd like to enjoy the benefits of the ultimate clean in your home and office, please contact Ed Petty, owner/operator of SONICLEAN, INC., the area's only business dedicated solely to ultrasonic cleaning with portable tanks.

SONICLEAN and Ed Petty may be reached by calling (201) 566-0141.

Ed Petty moved to Glen Ridge from New York City seven years ago and is currently residing in Bloomfield.

A former military corpsman, he is now well-known to many area residents through his work with the Glen Ridge Volunteer Ambulance Unit.

Ed researched the science of ultrasonics for two years and checked every manufacturer of machines in the United States before deciding on the system he currently owns - the "Rolls Royce" of the industry.

Ed's son, Benjamin, attends the Glen Ridge Middle School and is often seen helping his father distribute information for SONICLEAN.

BUC SHOTS

ATTN: B.H.S. Class of '76, Time is running out!!!

If you were graduated from Belleville High School in 1976, and you're interested in attending the 20th reunion on November 30 and haven't paid for the party, time is running out.

If you lost the original invitation and are interested in attending, call me at (201) 661-0113, or mail your payment to 47 Washington Avenue, Nutley, N.J. 07110, attention Mike Lamberti. We must hear from you by Friday October 25, 1996.

The Belleville tennis team moved to 3-5 for the season (3-3 in the NNJIL) with victories over Barringer and Hackensack last week.

Tony Salese's team will be home to Bloomfield tomorrow afternoon, beginning at 4 p.m. Next Monday, Clifton comes to town, also at 4 p.m. Next Wednesday, it's off to Kennedy for a league match, beginning at 4.

Belleville was battling the element of time in trying to qualify for the state tournament. The team needed to be .500 or better by last Friday, but two losses in the county tournament set the team back.

"Even with losing in the county tournament," Salese said, "we had a chance to qualify if we beat Nutley. But it didn't happen. The kids played well. We just didn't qualify."

In beating Barringer, Christine DeJesus won at first singles, 6-2, 6-1, Fatima DeJesus prevailed at second singles, 7-6 (7-5), 6-3 and Shalimar Arcelo won in straight sets at third singles, 6-1, 6-4.

In doubles play, Marinel Equiban and Darlyn Malunda won, 6-1, 6-2 and the second doubles was forfeited to the Lady Bucs.

Belleville stopped Hackensack 4-1, with Christine DeJesus leading the way with a 6-1, 6-3 victory at first singles. Fatima DeJesus won at second singles, 6-3, 6-3 and the first doubles team of Equiban and Malunda won 6-1, 6-2.

The second doubles of Marta Skis and Quyan Tran played a pro set and prevailed, 8-4.

In the county tournament, Belleville lost in the first round to Livingston, 5-0, then lost in the qualifying round to Caldwell by the same count.

"I thought the kids played well in the county tournament," Salese said. "The competition was very strong, as expected. We lost 5-0, but the kids battled for all the points. It was very competitive."

The key match was against Nutley, and the Lady Bucs battered the defending NNJIL champions well, but lost, 3.5-1.5.

The first doubles team of Equiban and Malunda won for Belleville in impressive fashion, 6-1, 6-0. The second doubles earned a tie.

Belleville's week was wrapped up with a 5-0 loss to a surprisingly good Teaneck team.

"They have one of their better teams this year," Salese said of Teaneck. "They could be pretty tough in the league standings."

Cards and Yanks continue in playoffs

If somehow, the St. Louis Cardinals and New York Yankees ever get to play each other in the World Series this fall, it would certainly be interesting.

I'm about as big a Cardinal fan as there is and the Yankees will certainly have a huge fan base in this area. It could certainly lead to some fun as Yankee fans tell me how bad their team will beat my team.

But first, the Cards have to get by Atlanta, which will be no easy chore and the Yankees, who are favored to do so, must stop Baltimore.

As far as the Yankees, reality says they should win and play Atlanta in the series. But beware, Yankee fans, remember the 1988 New York Mets. They dominated the Los Angeles Dodgers in the season series, winning 11 of 12. But when the National League championship series arrived, the Dodgers won the series.

The same thing happened in 1983, when Philadelphia beat Los Angeles in the N.L.C.S. after L.A. completely dominated Philly during the regular season.

Pitching generally wins playoff series. The Braves have the best starting pitching in the game and the Yankees have the best bullpen, by far.

Finally, congratulations to Grace Worley and the Lady Buc volleyball team on its excellent start this fall.

Showdown with P.C. looms next Tuesday

10-0 Wizards stun Paramus

By Mike Lamberti

Displaying a powerful front line offense, the Lady Buc volleyball team stunned state power Paramus last Friday in straight sets, improving the teams overall record to 10-0.

Grace Worley's 'Wizards' also posted wins over Paterson Eastside, Hudson County Prep, Teaneck and Wayne Valley last week. But without question, the 15-6, 15-5 win over Paramus last week was the highlight.

"They're the number three ranked team in the state," Worley said of Paramus. "It was a great win for our program against a solid team. Our kids have been playing very well. I can't say enough about their effort."

"The front line offense was the key to the game. We did a great job of putting the ball where it had to be. (Kim) Mahoney was outstanding. She played a dominant game."

The coach noted that the team executed kills and dinks with tremendous precision.

"It was a tenacious effort. The kids reacted well. They never let them get into the flow of the game."

Belleville's veteran starting lineup of Deana Addis, Manoney, Fran Sanzone, Kolleen Myers, Paula Lappas and Chrissie Scassera enjoyed a dominant week in which the team did not drop a set.

Belleville beat Eastside 15-9, 15-13, Hudson County Prep, 15-2, 15-1, Teaneck 15-12, 15-9 and Wayne Valley, 15-6, 15-4.

"It was a good win, obviously, but we need to keep it going," Worley said. "We can't be based on this game. We have a busy schedule ahead of us."

The team will be host to University this afternoon, beginning at 4 p.m. Tomorrow, it's off to Nutley and next Tuesday, Paramus Catholic comes to town for what should be a showdown in the NNJIL Pacific Division.

Next Wednesday, Clifford Scott comes to Belleville. All of this week's games begin at 4 p.m.

Bucs fall in home opener to Teaneck, 29-6

By Mike Lamberti

When John Senesky took a look at the 1996 NNJIL Pacific Division schedule his team would encounter this fall, he echoed what appeared to be familiar words.

"It's always a tough league," the coach said. "But this year, it's really something. The quality of opponents is unbelievable. There are teams this year that will be right in the mix, teams that weren't there in years past."

One of those teams that Senesky feels will be in the Pacific Division race is Teaneck. And last Friday, he found out first hand that the '96 Highwaymen are a legitimate team capable of breaking into the Top 20 in the state.

The Bucs (1-2) lost to Teaneck in its home opener last Friday night, 29-6.

Tomorrow evening, Belleville remains home for its annual Homecoming Game and this time,

the opposition is another powerhouse, Paramus Catholic. Kickoff time is 7 p.m.

"It's incredible the amount of talent that Teaneck has this year," Senesky said. "There's at least three Division I prospects on the roster, maybe more. By far, it's the best team they've had in many, many years."

Teaneck, which improved to 2-0 with the victory, established control on the opening kickoff, returning Edwin Garcia's boot for a touchdown.

The Belleville defense did a credible job for the rest of the half, but a late Highwaymen score gave Teaneck a comfortable 22-0 lead at the intermission.

"What hurts us in these type of games is overall team speed," Senesky said. "They had so much size and speed on the front line that eventually, it wore us down. Their defensive front was dominant. Our

kids played hard, and I have to give them a lot of credit because they never gave up."

Offensively, Belleville received a solid running game from Donnell Graham, who has tallied close to 500 yards rushing in his first three games.

Graham scored Belleville's only touchdown on a 58 yard scamper in the third quarter. On the play, he avoided numerous hits and then

showed excellent open field speed to cut run the Teaneck secondary.

Senior Chris Zarro turned in a solid effort on both sides of the ball. On offense, he made some good runs in the first half that gave Belleville a few shots at the end zone.

On defense, he was all over the field, providing key hits and some

Homecoming game tomorrow

The annual Belleville Homecoming ceremonies will be held tomorrow night, prior to and during the halftime of the Belleville-Paramus Catholic football game.

The event, sponsored by the Kiwanis Club of Belleville, will feature a parade of the candidates for Homecoming Queen and King,

beginning at 5 p.m. from Town Hall and advancing to Doc Ellis Field.

At halftime, the candidates will be driven onto the stadium track, where the winners will be announced.

This always promises to be a well attended event, and 1996 should be no exception.

Colucci, Almeida, Rispoli help Bucs win 2

By Mike Lamberti

Nick Colucci tallied four goals and three assists, leading the Buc soccer team to a resounding 9-1 victory over Good Council last week.

Gino DePinto's team also posted a league victory over St. Joe's, 4-1 and lost to Hackensack, 3-1.

The Bucs were 5-3-1 heading into last Tuesday's game with Paramus. This afternoon, the Bucs play at Teaneck. This Sunday, Belleville will begin play in the Essex County Tournament. The opponent was not known as of press time, but the game will be at Clearmon Field, beginning at 2 p.m.

Next Tuesday, Paramus Catholic comes to Clearmon for a 4 p.m.

kickoff.

"We were the eighth seed for the county tournament," DePinto said. "That should get us a home field. The kids played well last week, but this week will be the key for us. We have some tough league games and the cut off for qualifying for the state tournament is October 25."

The Bucs beat St. Joe's last week, with Dan Rispoli scoring twice to lead the Belleville offense. Mike Brown and Dan Almeida tallied one goal each.

Colucci assisted on two of the goals.

"St. Joe's has a small field, it's always a tough game up there,"

DePinto said. "It was a good league win for us."

The Bucs led 2-1 at the half and never looked back.

In the Hackensack game, the Bucs were up against an undefeated team, one regarded by DePinto as the best in the NNJIL Pacific Division this year.

"Their overall team speed was the difference," the coach said of Hackensack. "We were down 1-0 at the half. It thought the kids played well, but they were an excellent team."

Joe Emmolo scored Belleville's lone goal in the second half to avert the shutout.

The Bucs broke loose offensively

last Friday, downing Good Council 9-1.

Colucci, who leads the Bucs in scoring, was dominant, tallying four times and assisting on three others.

Almeida had two goals while Brown, Dave Auerbach and Jason Alfano had one goal each.

Mike DiPrimo played well in net in both the Hackensack and Good Council games.

NOTES: The J.V. team won its first game of the season, beating St. Joe's, 4-3. The team lost to Hackensack, 3-0.

The freshman team dropped both its league games last week.

Soccer coach Gino DePinto gives encouragement to goalie Mike DiPrimo during recent game at Clearmon Field. Bucs were 5-3-1 heading into this weeks action.

Bucs host Paramus Catholic tomorrow

(Continued from Page 15)
touchdown saving tackles.

"Our down linemen were very good," Senesky said. "They gave it a good effort. We need to improve our play at the linebacker position, which would give our defense more versatility."

Whatever adjustments Senesky plans to make, they will be needed tomorrow night when Paramus Catholic comes to town.

The Paladins have been a solid team for most the '90's, and this year, they boast once again a very powerful offense and an opportunistic defense.

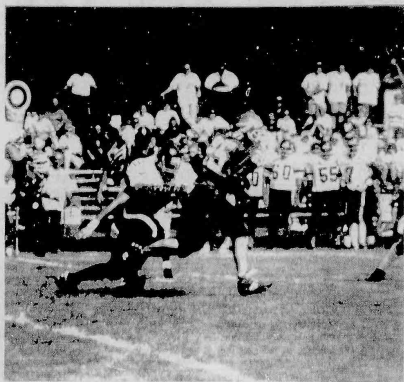

"As usual, they've got tough kids, hard nosed kids," Senesky said. "They have that strong passing game, but this year, I think they're relying more on the run to set up the pass. They've got a good running game. Their backs are power runners with speed."

Paramus Catholic will bring a 3-1 record into tomorrow night's Homecoming game. The Paladins, ranked in the Top 20 in the state, lost its first game to league rival and traditional power St. Joe's last weekend.

"They played St. Joe's very well," Senesky said of P.C. "But (Cooper) Rego (St. Joe's marvelous running back) was just too much. He's too much for anyone. Wait until you see this guy play. He's incredible."

The Bucs will get that opportunity next Saturday, when they travel to St. Joe's to face Rego and the undefeated Green Knights.

But first things first, and the

Linebacker Brian McIntosh closes in on running back during recent game. Bucs will look to get back on winning track tomorrow evening against Paramus Catholic.

Bucs must get ready for the Paladins tomorrow evening.

NOTES: Paramus Catholic has beaten Belleville the past two years and three of the last four. Overall, the Paladins lead the series, 3-3. Belleville's last victory came in 1993 (40-25). The Bucs other two wins came in '89 and '90.

Last year, Belleville held a 19-6 lead over Paramus Catholic in the fourth quarter, but the Paladins rallied in the last eight minutes and won, 20-19.

Getting back to the NNIL Pacific Division, consider this. Bucs place staff ranked Paramus

Catholic this weekend. Next Saturday, they're at St. Joe's, currently ranked third in the state. Last year, they won the overall state crown.

Following St. Joe's the Bucs will take on Hackensack, a team that is ranked in the top five in the state and a program that has won four straight Group IV, Section I championships.

Nutley, despite an 0-2 start, is a young team that is playing well against strong competition. The Raiders lost at Paramus Catholic in its season opener, 25-20, falling in the final '45.

Cross Country team drops close meet to West Essex

By Mike Lambert

Despite dropping four meets last week, cross country head coach John Bolkas was 17th in 19:59.

John Tosato was 17th in 19:59. Mike Dribnak finished 19th (20:38). Angelo Chavez took 21st (21:10) and Edgar Herrera finished in 25th place, with a time of 24:43.

In the girls race, Ariel Lane was seventh overall in a time of 24:45.

Tosato was without the services of Dan Kirk and Dribnak, both of whom were sick, for the West Essex/Manchester race. Kirk was also out of the Paramus race.

Nonetheless, the team ran well, losing by one to West Essex and five to Manchester.

Moreno took second overall in the race, with a time of 17:53.

Bolkas was fifth in 19:19. Chavez took ninth (19:50). Madison was 12th (21:14) and Herrera finished 15th in a time of 22:36.

For the girls, Lane was third overall in 24:44 and Melissa Anderson finished fourth (24:55).

"It was a positive effort," Tosato said of the West Essex race. "We put our top five guys out there and they did a good job. You can't ask for more."

In the Paramus/Paramus

Catholic race, Jose Moreno took eighth overall in a time of 18:28. John Bolkas was 17th in 19:59. Mike Dribnak finished 19th (20:38). Angelo Chavez took 21st (21:10) and Edgar Herrera finished in 25th place, with a time of 24:43.

Junior Bucs playing well on all levels in early going of '96 season

The Junior Buc football programs have been very busy, and in the early going, pretty successful.

The "A" team opened its season with an impressive 33-6 win over Kearny. Belleville was led by Hector Mendosa, who had two interceptions and three touchdowns. Brian Rafferty threw for one score and Bo Bernard ran for 100 yards as Belleville showcased many weapons.

Leading this stingy defense was Mike Spiga, Anthony Maldonado and Mike SanFilipp.

The "A" team won its second in a row over Lyndhurst, 38-6. Leading the way for Belleville in that game was Bernard, who rushed for 175 yards and two touchdowns.

Belleville's offensive line played an outstanding game, led by Jeremy Lastra, SanFilipp, Lance Abrams, Dennis Clay and Chris Hernandez. Rafferty added two more touchdowns, Spiga added a TD off an interception and Belleville had its second victory.

Defensive standouts included Jimmy Risoli, Hector Benitez and Mendosa.

The team lost its first game of the season in a driving rainstorm at

Montville, 14-0.

Rafferty and Mendosa played well for Belleville on offense. Defensively, Danny Lally, Benitez and Spiga excelled.

On September 28, the "A" team won its third game, beating Garfield.

After a scoreless first half, the Bucs went ahead on a halfback option from Bernard to Mendosa. Belleville's other scoring strike came on a Bernard five yard touchdown run after a Garfield fumble.

This game featured some of the hardest hitting of the year and the defense was led by Hernandez, Maldonado, Mike Fortunato and Lally.

The "C" team lost to a good Garfield squad, 19-6.

Playing perhaps its finest football of the season, the Bucs took a 6-0 lead in the first quarter on a 50 yard touchdown run by Mike Barnes.

Belleville held its lead until the 20 mark in the first half, when Garfield scored and converted the point after to take a 7-6 lead into the lockerroom.

The second half was a defensive struggle, until Garfield scored on a

punt late in the third quarter. Garfield scored a late TD in the fourth to wrap up the win.

Leading the defensive unit for Belleville was Jose Hernandez, Joe Pizzi, Paul Sisti, Steve Soriano and Joe Banda.

Leading the offense were Gerard Garilli, Ed Stack, Tommy Rafferty and Joe Troise.

Many thanks to the Junior Buc cheerleaders for braving the weather and cheering for all three teams.

The "D" team won its second game of the season, blanking a tough Livingston team, 13-0.

Leading the way for Belleville was Anthony Rivera, who scored on TD runs of 15 and 70 yards.

Scoring the lone extra point was Pete "The Fridge" Maccaroni. Belleville's running game was in high gear behind excellent blocking by David Caruso, Tommy "Gun" Yanuzzi, Wilfredo Perez and Matt McLaughlin.

Defensive standouts included Mike Capaccio and Maccaroni, who combined for seven sacks. Also playing well were Rocco Rispoli, Matt DeTres, Ray Nicolas, Ryan Polukord and Anthony Echevarcia.

Barnes, Siletti help 'C' team win; Rafferty, Mendoza pace 'A' victory

By Anthony Sessa

Two touchdowns by Mike Barnes and one by Angelo Siletti led the Belleville Jr. Buc "C" team to a 21-6 victory over the Wanaque Warriors last Sunday at Doc Ellis Field.

On what was a beautiful fall day, the "C" team improved to 2-2 on the season while Wanaque, who got a TD pass from Matt Shirhal to James Haberstroh in the second quarter, fell to 3-2.

Fumbles hurt the Belleville Jr. Buc "B" team in its 24-7 setback to Wanaque.

Two of the Bucs four fumbles led to Wanaque scores. Running back Matt McLaughlin scored twice for Wanaque as the "B" team, described by assistant coach Al Fusco as "young and inexperienced," saw its mark fall to 1-4.

Carlos Gonzalez had the "B" squads only touchdown, when he returned a punt in the fourth quarter for a score.

Quarterback Brian Rafferty and captain Hector Mendoza starred as the Belleville Jr. Buc "A" team blanked Wanaque, 34-0.

Mendoza made two spectacular

catches off two superb passes by Rafferty, the first in which he leaped to grab the second when he dove to snatch it in the end zone.

Running back Bo Bernard, also a team captain, had two touchdowns of his own. He could have had three, but one was called back in the second quarter because of a clipping penalty.

Kicker Jay Ambrosino added

four points by successfully converting two two-point kicks in three attempts.

The "A" team now has an impressive 4-1 record in the '96 season.

All three squads will face their respective rivals from Nutley this Sunday. The games will be played at Nutley, with the "C" team beginning play at noon.

Roller hockey tryouts

The Belleville In-Line Association will be holding tryouts for its traveling team on Sunday, Oct. 20, at the roller hockey rink located behind School #9 on Stephens Street.

The times of the tryouts are: Bantam (Grades 4-6), 1 p.m. to 2 p.m.; Junior (Grades 7-9), 2:15 p.m. to 3:15 p.m.; and Senior (Grades 10-12), 3:30 p.m. to 4:30 p.m.

An additional tryout date is tentatively scheduled for Saturday, Oct. 26, at the same times.

The following equipment is

mandatory for play in the league and is also mandatory for the tryout sessions: hockey helmet with full face shield, elbow pads, shin guards, hockey gloves, mouth piece, hockey stick and roller blades. Each player must supply their own equipment.

Any player not selected to play on the traveling team will be assigned to a team in the Belleville In-Line Hockey League.

Applications are available at the Belleville Recreation Department on 407 Jaramela Street. For information, call 759-2265.

The Deacons' Bench
By Frank Santamassino

Bloomfield College
A feature of The Nutley Sun,
Belleville Times and Bloomfield Life

Bloomfield College's women's volleyball team beat Philadelphia Pharmacy 3-1 on Saturday to boost its record to 13-2.

It was a satisfying win for the ladies because Pharmacy had been playing real well entering the game, having just come off a victory over Cooper Union, one of the strongest teams in its conference.

The first two games were indicative of just how strong the Lady Deacons are capable of playing, as they topped the Blue Devils 15-8 and 15-6 in the first and second games.

Some Bloomfield miscommunication problems allowed Philadelphia to claw back and recapture some pride by taking the third game 15-13, but the Lady Deacons corrected the problem to win the fourth game 15-10 for the victory.

Christina Prestianni and Olisa Small turned in solid performances to lead the Deacons, combining for 21 kills and 27 digs between them.

The Lady Deacons will face Jersey City State today, Oct. 10, in Bloomfield and Stevens Tech on Saturday, Oct. 12, in Hooker.

In a shocker, the Bloomfield College men's soccer team was upset 2-1 in double overtime by Fairleigh Dickinson University-Madison on Saturday.

This was the second loss of the season for Bloomfield but the Deacons' record remained a respectable 9-2.

Countless missed opportunities, two lapses on defense and FDU-Madison's tireless effort were the reasons behind the Deacon defeat.

Musa Manned converted a penalty kick in the first half for Bloomfield's lone goal of the game.

The Deacons travelled this week to face Dominican College on Tuesday and then will visit Holy Family of Philadelphia today, Oct. 10.

The Lady Deacons' women's soccer team lost to Rowan 6-0 on Saturday night, as a powerful Lady Profs squad shut down the Bloomfield offense.

The Bloomfield women's record is 2-5-1.

The Lady Deacons played Centenary College on Tuesday at home and will travel to Connecticut to face Teikyo Post on Saturday, Oct. 12.

WATCHING WHAT YOU EAT

Not only can certain medications affect the way that other drugs are taken up by the body (how a drug is absorbed), but certain foods can also interfere with drugs' effectiveness and even cause harmful side effects. Take, for instance, the antacid medication, theophylline which may cause those who take it to become dizzy if they eat too much fat. Why? Fat speeds the metabolism of the drug. The existence of these and other drug-nutrient interactions led University of Iowa researchers to conduct a recent study on the subject. What they found was that only 12 percent of health professionals regularly counsel their patients about drug-nutrient interactions. In fact, many do not even have the information at their fingertips. In light of this information, patients are encouraged to ask their pharmacists about this and other matters concerning the medicines they take.

Our pharmacy is available to answer your questions concerning medications, whether or not to take with food, what foods to avoid and what side effects might occur. Complete prescription service is available from us at ROSS MORE PHARMACY, 218 Washington Avenue (759-1968, 759-1950). This includes free delivery. Hours: 9am-10pm daily, 9am-9pm Sundays.

HINT: When getting your prescription filled, make it a habit of asking the pharmacist if there are any foods that you should avoid.

Weichert's Donna Piro earns office award

James M. Weichert, president, announced that Donna M. Piro, a sales associate with Weichert, Realtors' Upper Montclair office, has earned the office award for the greatest number of listings in August.

Piro joined Weichert upon earning her real estate sales license ear-

lier this year. She previously owned Dana Lynn Chocolate and Gifts. She is a longtime resident of Nutley, an active member of St. Thomas the Apostle Church in Bloomfield, the Nutley Republican Club and Nutley Family Service Bureau.

Proper Insulation Makes House Home-ier, Improves Resale Value

(NAPS)—One of the easiest ways to make your house more comfortable and increase its resale value is often the one that's most overlooked.

Know what it is? Here's a hint. It's the most preferred insulation on the market today.

It's fiber glass and contractors say it offers a wealth of energy efficient benefits. It is also thermally efficient, noncombustible and it won't settle or deteriorate with age.

Whether you're remodeling a family area or building an addition, insulation can be the most important ingredient in making that room more comfortable. There's also a payback as it is relatively inexpensive and will improve your home's energy efficiency by lowering monthly utility bills.

Maintaining proper insulation can also make your home more attractive to potential buyers. In fact, most buyers list energy efficiency as a prime consideration. The reason? Buyers know they can buy a more expensive home with heating and cooling bills that can be kept down.

When adding insulation, it's important to look at the attic, sidewalls and the crawlspaces in your floor or garage.

Here are a few suggestions:
* First, use a vler in your attic to measure the amount of insulation currently installed. If you have six inches or less, you need more.

Maintaining a proper insulation level in your home will not only make it more comfortable for you, it will make it more attractive to buyers.

* To check sidewalls press your hand on the wall. If it feels cold in the winter and hot in the summer, it may need more insulation.

* Check under the floors and in unheated spaces. If the floor above feels cold to bare feet in the winter, adding insulation will make the room more comfortable.

Finally, whether you are doing the work yourself or through a contractor, it pays to familiarize yourself with all the recommended R-values for your region and insulate accordingly.

For a free booklet: *A Guide to Selecting Fiber Glass Insulation Products for New Home Construction and Remodeling*, write North American Insulation Manufacturers Association, 44 Canal Center Plaza, Suite 310, Alexandria, VA 22314.

Weichert helps homeless

Sales associates at Weichert, Realtors' Upper Montclair office recently raised funds and volunteered time to provide a barbecue for the homeless at St. John's Church in Newark.

For the past 24 years, St. John's has been providing meals for people in need. Between 450 and 1,000 people are served each day, six days a week, with volunteer help from the community. Sales associates at the Upper Montclair office have been donating time

once a month since last spring, and collected donations to make an extra visit in September to serve the barbecue meal.

Weichert's Upper Montclair office, located at 272 Bellevue Ave., has been serving the community since 1983.

Weichert, Realtors has 7,500 sales associates in 200 offices in Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia and Washington, D.C.

Weichert's Caldwell/West Orange area office continues sales growth in July

Weichert, Realtors' Caldwell/West Orange area office continued to surpass its 1995 sales and listing figures in 1996, recording dramatic increases over the same period in 1995.

Through the end of July, the office recorded 52 percent more sales, for an increase in dollar volume of 63 percent, compared to the first seven months of 1995, according to Ron DePiro, branch manager.

In terms of revenue units, the office's sales figures were up 34

percent over 1995, for an increase in unit dollar volume of 39 percent.

Company-wide, sales are \$1 billion ahead of 1995.

"Our hard working sales associates are demonstrating the difference that top quality service makes," said DePiro.

Weichert, Realtors has 7,500 sales associates in 200 offices in Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia and Washington, D.C.

This Novena has been known to fail. This novena must be said for 9 consecutive days, publication must be promised.

O Holy St. Jude, Apostle and Martyr, great in virtue and in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need to you I have recourse from the depth of my heart and humbly beg to whom God has given great power to come to my assistance, help me in my present urgent petition. In return, I promise to make your name known and call you to be invoked. St. Jude, pray for us all who invoke your aid. AMEN Say 3 Our Father's, 3 Hail Mary's & 3 Gloria's. JAF
