Clinton, Torricelli, Pascrell win

By Natalie Waldron

Incumbent Bill Clinton (D) won nationally over Bob Dole (R) in the presidential election Tuesday.

Clinton carried Belleville with 5,846 votes compared to Dole's 3,881 votes and Ross Perot's 774 votes.

In the Senate race Bob Torricelli (D) won statewide against Dick Zimmer (R).

In Belleville Torricelli had 5,414 votes compared to Zimmer with 3,806.

Bill Pascrell (D) was elected as congressman for the eighth congressional

district despite being outpolled in Belleville by Republican incumbent Bill Martini, 4,445 to 4,134.

In the race for Essex County surrogate incumbent Joseph Brennan (D) won countywide over Peter Santana (R).

Belleville totals were 4,442 for Brennan and 3,458 for Santana.

Essex County Freeholders at large winners countywide were incumbents Joseph Di Vincenzo (D) and Patricia Sebold (D) along with Blonnie Watson (D) and Linda Lordi Cavanaugh (D).

Belleville's totals in the freeholders at

large race were Di Vincenzo (D) 5,070, Cavanaugh (D) 4,433, Dr. Joseph Scarpelli (R) 4,097, Sebold (D) 4,089; Watson (D) 3,889; Phyllis Cedola (R) 3,444; Anthony Timmons (R) 3,078 and Frances Wolf Freidman (R) 3,069.

In the first district board of freeholders election Hank Martinez won countywide over Dulce Ledesma.

Belleville's tallies showed Martinez with 2,115 votes compared to Ledesma with 1,060 votes.

At press time Louise Palagano (D) was leading by about 1,000 votes over

opponent Buddy Fortunato (R) in the Fifth District Board of Freeholders, but the race was too close to call.

In Belleville Fortunato had 2,693 votes and Palagano had 2,411 votes.

On Public Question No. 1 regarding the Development Bond Act of 1996, Belleville's totals were 3,648 votes for yes and 1,499 votes for no.

On Public Question No. 2 concerning a corporate tax used for hazardous cleanup Belleville's totals were 3,420 votes for yes and 1,530 votes for no.

Mystery program investigates missing mom case

By James Zoccoli

NBC television's "Unsolved Mysteries" conducted four days of taping last week for an upcoming TV segment on Susan Walsh, the 36-year-old Nutley mother who vanished 17 weeks ago.

The show, scheduled to air in January, will include interviews with family members, friends and local police, along with re-enactments of turning points in Walsh's life.

"It's an interesting story and that's why we did it," said Eric Taylor, director of the segment.

An actress will portray Walsh as a go-go dancer and as a patron in New York City's vampire club circuit.

"We don't presume she disappeared because of vampirism," Taylor said. "But she seemed very interested in subcultures."

Taylor said the show will leave open the question of what happened to Walsh.

But the director admitted that there may be more to the case than meets the eye.

"I'm sure there are people who have relevant information that have not come forward," Taylor said.

Nutley police were also interviewed for the television show.

For the first time, a Nutley detective publicly voiced a theory on the Walsh disappearance.

"We feel that Susan is alive and that she wants to be out there," said

BOE continues to crack down on illegal students

By Natalie Waldron

The Board of Education continues to crack down on eliminating illegal students in the district.

So far in grades seven, 11 and 12, 21 students were disenrolled for not producing correct verification.

In grades three and five, 39 students were disenrolled on Tuesday, said Board Member Frank Montagna.

These students from the third and fifth grades failed to provide appropriate documentation proving their proof of residency.

Students must produce three proofs of residency which consists of the following items: a copy of income tax return, a credit card

bill, a lease or landlord affidavit for renters, a deed for homeowners, property tax bill, a water bill with name and address, Medicaid stubs, or a welfare card.

A public service, telephone, or cable bill is not acceptable.

"They received two written notices and at least one phone call," said Michael A.Lally, superintendent of schools.

These students will only be allowed back into school if they either provide the district a proof of residency or go to the state within 21 days and ask for an appeal.

Board member Frank Montagna told the board that petitions are being sent around supporting bill

Police chief tabbed interim town manager

By Natalie Waldron

Town Council officially named Police Chief Raymond Kimble as interim town manager at a special meeting on Oct. 31.

Kimble will serve as interim manager from Nov. 1 to Dec. 31, giving town officials time to look for a permanent manager.

He will be paid \$400 a week for his services as town manager in addition to his weekly salary as police chief \$2,050, said Kimble.

"This will be the first time in four years that he will be compensated. Anytime that Cuccio was out Kimble filled in and he was never compensated," said Councilman Mario Drozd.

"Ray knows the town well and has been doing the job on and off for four years," he added.

Stephen Cuccio, the former town manager, resigned from his post in order to spend more time with his family.

Kimble is a life-long resident of the town. For 32 years Kimble has been on the town's police force,

Raymond Kimble

working his way up the ranks to his current title as police chief.

"I know the workings of the town from my years of experience here," said Kimble.

He filled in for Cuccio last

Rotarians give children the 'Gift of Life'

By Natalie Waldron

She stood in the room to tell the story of how another hand across the ocean reached out to give her the most precious gift—the gift of life.

Those Rotarians didn't know Mara Dukin when she became sick in Peru, or live in the same state or even the same country.

Dukin, one of the 220 children sponsored by this program in the state, shared with the Belleville Rotary Club last Wednesday how the "Gift of Life" program gave her another chance at life.

The program, formed by Rotary District 7470, has for several years been the angel looking over many sick children and their families who live over seas.

It serves to save children's lives

by providing open heart surgery for children afflicted with life-threatening congenital heart defects.

At six months old Mara's crib caught on fire in her Peru home.

"The only thing we know is that a candle fell into it," said Elaine Dukin, Mara's adopted mother.

It took three days to get the proper medical treatment for the burns on her legs. Then Mara's biological mother abandoned her and brother, Thor.

Because the proper medical care was not given quickly enough, Mara had to have both of her legs amputated.

Her father then put Mara and her brother into separate orphanages. Mara was placed into St. Theresa's mission in Peru.

By the age of four, doctors had

The parade will continue for one mile to Town Hall.

The line up for the parade will begin at 1 p.m. in front of the American Legion Post 105.

Kid's Place graduates 12

The Kid's Place at Clara Maass Medical Center graduated 12 pre-schoolers at a ceremony in August. Recent graduates of The Kid's Place Pre-School Graduation pictured above are Lawrence Biase, Stephen Conley, Justin Constantino, Kristin Cruz, Eric Freeman, Irena Gorski, Thomas Hogan, Amanda Lazzarotti, Anthony Pace, Leilah Peralta, Tyler Thompson, Darren Tighe, and Michael Viscel.

Police report

Theft by deception

A 39-year-old East Orange man was charged with theft by deception on Oct. 31 at First DeWitt Bank in Belleville, police report.

Ivey Caples is currently being held in lieu of \$5,000 bail.

Police allege that Caples opened a bank account under a false name and then withdrew money from the account, police allege.

Caples is also under investigation for similar incidents in surrounding towns, police report.

Arresting officers were Anthony Tucci and George Geyer and Detective Craig Mack.

Man charged

A 36-year-old North Arlington man was charged with possession of a controlled dangerous substance for an incident on Oct. 28 in the vicinity of Cleveland Street and Quintin Place, police report.

Police observed Joseph Duda take an object from his pocket and

bring it to his face, police report.

Duda then threw the object to the ground which was found to be a white powdery substance, police allege.

Detectives Capece and Giuliano made the arrests.

A 21-year-old Belleville man was charged with possession of a controlled dangerous substance for an incident on Oct. 28 on Washington Avenue, police report.

Police observed Gerald Salernitano acting in a suspicious manner.

When police approached Salernitano, he reached into his pocket and as he was taking it out police grabbed his hand, fearing he was grabbing for a weapon.

Instead he was grabbing for a piece of wax paper containing white powdery substance, police report.

The arresting officer was Dante Pasquale.

CULINARY ARTIST -- Joseph Malone of Belleville was one of 78 students to receive associate of occupational studies degrees in culinary arts during recent graduation exercises at New England Culinary Institute in Montpelier, Vt. The students completed a two-year professional chefs training program.

Clara Maass and Silver Lake plant a symbol of friendship

As a symbol of friendship between Clara Maass Medical Center and the Silver Lake Civic Association, a Cherry Blossom tree was planted on the corner of One Clara Maass Drive and Newark Avenue.

The tree will symbolize the dedication and contributions that both organizations make to beautifying the community.

"We look forward to continuing our friendship with the Silver Lake Civic Association. Our combined efforts afford residents in the community a better and healthier quality of life," said J. Brendan Farrelly, Senior Vice President for Corporate Development at Clara Maass Medical Center.

"Now as you enter Silver Lake you will see a beautiful cherry blossom tree rather than weeds and ugliness. We want to associate Silver Lake with beauty," said Marie Strumolo Burke, president of the Silver Lake Civic Association.

The Silver Lake Civic Association has a paid membership of 300 people, and focuses its efforts on preserving the image of the Silver Lake community.

The association meets at the Moose Lodge on Honiss Street.

Belleville Senior News

By Joseph Resaino

A special poem for Veterans' Day.

My Brother

With courage and with pride,
Never called himself a hero
But it cannot be denied
Through the ice and snow of winter,
He fought in the Battle of the Bulge.
But in tales of strife and struggle
He never would indulge.
A decorated soldier
Who won the Purple Heart
Can now look back in history
And know he did his part.

By Dorothea Behan

Corres. Sect. of the Tuesday Senior Citizen Club, Inc.

Get well wishes to Theresa Lagree, Lucy Penitence and Sylvia Paganelli. Welcome back to Rose Quelli who is back after an illness. Get well wishes to Anthony Aranecki, who is in Clara Maass Medical Center. Hello to Provi Anuso who is still out due to illness. Also to Jerry Marone who has been out till for quite some time.

Condolences to the family of Carol Rowitz who passed away recently.

William A. Rakestraw, State Commander of the American Legion, reminds people that on Nov. 11, America will honor the men and women who have or are currently serving in the military forces of the United States of America by celebrating Veterans' Day.

He states that it is important to give pause on this special day as a sign of appreciation for the service and sacrifice of our military forces.

A number of posts throughout New Jersey will be participating in a variety of activities to honor our veterans. He would like to encourage our fellow citizens to attend these activities as a way of showing how much each of us appreciates the service of each mem-

ber of our military forces. God bless each of them and God bless America.

I have been warning you about the scams and con games being pulled on people. I just read in the paper about a person who received literature in the mail, stating that he had won a sweepstakes that guaranteed him up to \$10,000. All he had to do was call a 1-900 number to find out how much. When he called, he was told he won one dollar (\$1). He received the check but also got a bill for \$34.71 for the phone call. He called the 1-900 number and got them to reduce it to \$23.88. So, beware and play it smart.

Congratulations to my good friends, Marge and Anthony Lördi. Marge has volunteered her time as president of the Friends of the Belleville Public Library and past president of the St. Peter's Rosary Confraternity. She is active in the AARP and other organizations. Andy has also donated countless hours to the community. He is a lector at St. Peter's and membership chairperson of the Belleville Old Guard. He also is a member of the AARP. This outstanding couple has been chosen the outstanding couple for 1996 by the Belleville Chapter of the AARP. They are very deserving of this award.

Pat Rotondo, president of the Belleville Old Guard and his wife, Josephine, have just returned from a trip to the southwest. They visited Scottsdale, Arizona, then spent three nights in Las Vegas (no luck) but they had Pat's brother Armond and his wife visit them with champagne, so it wasn't a total loss. They later visited the Sonora National Forest in Tucson and went on to Flagstaff where they ran into a snowstorm. Next morning, they visited the San Francisco Peaks and then on to the Grand Canyon. Pat states, "What a sight. Fantastic." They then went on to the Hoover Dam and finally, Lake Mead, one of the great wonders of the world. They are now home and telling everyone what a wonderful time they had. Pat and Jo are trip chairpersons for the Tuesday Senior Citizen Club.

On Nov. 10, at 4 p.m., at the Cathedral Basilica of the Sacred Heart, Newark, Susan Narucki, the internationally known soprano and graduate of Belleville High School, will appear in concert in a program of classical music. The program will include music from Mozart, Haydn and chorale works of Beethoven. Susan has appeared on both sides of the Atlantic. There is a suggested donation of \$10. For info, call 484-4600. The proud mother is Vi Narucki, secretary in the Recreation Dept. (retired).

Tid bit: Everywhere is walking distance if you have the time. Aren't the Belleville leaves beautiful?

A pre-election rally

Pictured above are left to right, Dr. Phil Casale, 5th District Republican Freeholder candidate Buddy Fortunato, and Belleville Mayor Victor Canning at a pre-election rally held at Crystals on Oct. 30. It was a standing-room-only crowd in excess of 350 Fifth Freeholder District voters attending. Addressing the gathering were Essex County Executive Jim Treffinger, At-Large Freeholder candidate Dr. Joseph Scarpelli and Fifth District Freeholder candidate Buddy Fortunato. Dr. Casale was the master of ceremonies and chairman of the rally.

month after he fell down a flight of stairs at town hall and when he had

bypass surgery three years ago.

Before Cuccio was in office, Kimble filled in as interim town manager while the town searched

to fill the position.

"We are getting a quality individual for a reasonable price," said Mayor Victor Canning.

"If we had to get an outsider it may have cost \$1,000," he added.

Drozdz said this past weekend the Town Council received a package of more than 20 applicants for the position.

A1852 sponsored by Assemblyman John Kelly (R-Essex).

The bill would make parents prove in court that they can't support their child and explain why they are living with a guardian.

Montagna is aggravated by the appeal process because, "once the appeal is filed the student is allowed back in school until the case is heard."

Montagna said that is the problem because it could be many years before the case is decided, putting the cost of educating the student on the district.

Montagna also suggested having a 90 day limit on the appeal process.

In a 4-3 vote the board decided to wait on sending a letter to the athletic council to get the high school out of its current league.

Instead the athletic committee will meet with the athletic director Karen Fuccello to discuss the pros and cons of getting out of the high school's current league.

"We want to make sure we follow the appropriate procedure if we are going to petition removal from our athletic league," Lally said.

They will then make a presentation to the board.

Superintendent Michael A. Lally voiced his concern to save the Middle School Jazz Ensemble. He recommended that \$1,075 be put into the budget for the program.

Lally also suggested Glen Van Benschoten be named the advisor of the program.

"He started the pilot program and volunteered hours of his time," Lally said.

Lally explained that the item was "removed from the 1996-97 budget."

This issue will be voted upon at the next meeting on Nov. 18.

Tickets still available for auxiliary anniversary concert

The Auxiliary of Clara Maass Medical Center in Belleville will celebrate its 50th anniversary with "Wave of Joy," a concert featuring the Orchestra of St. Peter by the Sea, tomorrow, Nov. 8, at 8 p.m. in Holy Family Church, Nutley.

Tickets are \$25 and may be purchased at the door the evening of the concert.

The Orchestra of St. Peter by the Sea is a full symphony orchestra

under the direction of Rev. Alphonse Stephenson and performs an array of music from Broadway to opera.

Proceeds from the event have been earmarked toward the purchase of diagnostic equipment for the Women's Health Center at Clara Maass.

Public-school librarians cooperate for Children's Book Week

For Children's Book Week, the elementary school librarians, in conjunction with the James J. Cozzarelli, Jr. Children's Room would like to register each child in the public elementary schools for a Belleville Public Library Card.

The Children's Room will supply a handout that includes a registration form to be distributed to each student by the classroom teachers.

The form will be given out shortly before Children's Book Week, Nov. 18-24, and returned during that week.

The registration form requires the signature of a parent or guardian.

The handout will explain that if a child already has a library card, then the information supplied will be used to update the card as well as counting toward the class goal of 100 percent participation.

Each student who returns the form to the school librarian by Nov. 22, will receive a bookmark.

Each class will 100 percent participation will receive a story-telling hour in their library class by a staff member of the Belleville Public Library. These visits will be scheduled during the winter months.

Guitar and vocal concert in the Trustees Gallery

Sandy Renda will be performing a concert of Jazz Guitar and Vocal Music on Nov. 21 at 12:30 p.m. If you work in Belleville, you are welcome to bring your lunch and enjoy the concert at the library. Of course, all library patrons are invited to attend. Please call 450-3434 for reservations, or register for tickets at the library.

Renda has been performing, teaching guitar and electric bass, and recording for every twenty-five years. A resident of Belleville, and a former resident of Bloomfield, Sandy has performed on the Jackie Gleason Show, the Sergeant Bilko Show, Studio 1, Naked City, and Omnibus. He has also co-authored a book with Joe Cinderella, entitled *Chord Melody Playing for the Guitarist*. Musician Sandy Renda is also features in the Jackie Gleason book, *The Honeymooners Companion Book*. His band is entitled Sandy and the Wanderers.

Library Seeks Alternative Fundraising For Projects

The library is seeking funding to expand the number of computers on its computer network for the James J. Cozzarelli, Jr. Children's Room, as well as the Shafter Branch Library.

The library is one of the few electronic doorway libraries in New Jersey, but need additional work-stations for the many students and adults who want to use the network. In addition, the library will need extra printers.

Also, the library is seeking organizations and individuals interested in funding the concerts at the library, as well as the Eight Live

Monday Evening Performances at the library for children, young people, and adults.

In addition to those mentioned, the library is seeking funding to continue the English-for-the-foreign-born classes for 1997, as well as the individual tutorial program, which has been handled by the ESL coordinator. This year the program, which has been handled by the State Library, however, the funding is over at the end of 1996.

The final project the library is seeking alternative funding for is the establishment of book, audio, video, and CD collections.

Please contact Library Director Adrea Cohen at 450-3434, if you are interested in adopting the library, as your organizational project.

All events take place at the Belleville Public Library and Information Center, 221 Washington Avenue, unless otherwise noted.

Mystery

(continued from page 1)

Detective John Ryan. "We want her to know that there are no warrants out for her and that she's not in any trouble."

Taylor had planned to interview an amateur psychic at the OBC-TV studio, Nutley, who claims to have witnessed a startling vision of Walsh being murdered. But Taylor said that particular part of the segment was cut because the Walsh story was running over its allotted time.

The psychic, however, who wishes anonymity, remains adamant about her vision.

"It flashed in front of my eyes as I was reading a story about Susan," the psychic said.

Friends of Walsh are hanging on to reported sightings of the missing woman as evidence she is still alive.

"She has been seen by many people," said Melissa Hines, a close friend of Walsh who lives on the Belleville-North Newark border.

Hines will likely be included in the "Unsolved Mysteries" segment.

According to family members, Walsh was a recovering alcoholic. But they say she had not been drinking until she began using Xanax, a controversial prescription drug.

Walsh disappeared July 16 from her home on Washington Avenue, along the Nutley-Belleville border. She reportedly told her 11-year-old son that she would be back within a half hour. She left without taking her pocketbook and never returned.

"I just can't imagine her leaving her boy," said Floyd Merchant, Walsh's father.

Merchant believes that Walsh has fallen back into alcoholism as a result of her prescription medication.

His worst fears escalated recently when he experienced an unusually vivid dream about his daughter.

"I dreamt she called me on the phone and told me she was no longer in any pain," Merchant said.

Merchant's voice hesitated as he said the implication of the dream was clear to him; that his daughter is no longer alive.

Another local psychic, however, claims just the opposite.

In a recent exclusive interview with The Nutley Sun, renowned psychic Dorothy Allison offered

her insight into the baffling case.

"I don't feel any real danger for her," Allison said of Walsh.

Allison, a Nutley resident, is internationally credited for having an uncanny ability to locate missing persons. Her psychic work has received commendations from dozens of police departments throughout the United States. She has also received honors from the FBI.

In the Walsh case, Allison said she strongly feels the missing woman is not in any jeopardy.

"I do not believe she has been murdered," Allison said. "I don't get a death feeling."

Allison has offered Nutley police a few clues to the disappearance, but authorities have not disclosed if any of the leads proved fruitful.

The sightings of Walsh have been reported throughout a wide area of North Jersey, including Newark, Belleville and Midland Park.

Walsh is described as 100-110 pounds, 5 feet 6 inches tall, with blond hair and blue eyes.

The story has made national headlines following sensational stories on the disappearance appearing on the pages of New York's tabloid newspapers and on tabloid TV shows.

Walsh, a part-time exotic dancer, had reportedly been planning to enter a clinic in an effort to become a better Godmother to her best friend's baby. But the friend said she doubts that Walsh would have just taken off and told no one of her plans.

One girlfriend of Walsh has informed authorities that Walsh believed someone was out to get her.

The friend said that on more than one occasion two men dressed in expensive suits appeared to follow Walsh. The girlfriend also said the missing Nutley woman confided in her just days before her disappearance, saying that "somebody was obsessed" with her.

Walsh, whose brother-in-law is Joe Walsh of The Eagles rock group, was a freelance writer that wrote some explosive international stories about U.S. involvement in Haiti and about Russian women being brought to the United States as sex slaves.

Anyone with information is asked to call the Nutley Police Department at 284-4940.

Rotarians

(continued from page 1)

found a hole in her heart and she was getting bluer by the day.

St. Theresa's mission in Peru contacted St. Theresa's in Nutley which notified "Heal the Children." They then contacted the local Rotary Club.

Because of the Gift of Life program, Mara was flown to Newark and greeted by Rotarians and a host family.

Shortly after arriving, Mara had her heart surgery performed at the Children's Hospital in Newark.

The Gift of Life program funded the surgery which was a success.

Today Mara is in the eighth grade at St. Mary's in Wharton and she was adopted by Larry and Elaine Dukin of Dover. Ironically, Elaine is the daughter of a Shriner.

Mara said she is very thankful to all of the people who helped her.

"I consider myself lucky because my real father was able to let me go to get a better life than he knew I would have in Peru. He was able to give me up even though it hurt him a lot," she said.

Another Rotarian came to help Mara in a time of need. Dan Weiner, a Rotarian from Long Island, N.Y., told the Dukins about a procedure which could lengthen her legs, making it easier for Mara to walk with her prosthetic legs.

The doctor recommended a procedure at the Shriner Hospital which has given Mara free prostheses since she was a baby.

Weiner flew the Dukins to Seattle so Mara could get the specialized prosthesis that she has today.

In Mara's free time, she roller skates, plays the piano and clarinet, participates in horse back riding.

She also is an altar server, a Girl

Scout and a member of the International Order of Rainbow for Girls.

Recently, she was named "Ms. Gift of Life" for her Rainbow Girl project.

"As a Rainbow Girl, she was in the office of charity. It was her job to select a charity project and she chose the Gift of Life as her charity project," her mother said.

Mara sewed red hearts with white lace with a ribbon saying "sweetheart" and filled them with chocolates.

"She sold 1,388 hearts for Valentine's Day and at the Gift of Life gala ball, she presented the organization a check for \$4,266," her mother said.

"It is a really nice organization because it helps children to not die," Mara said.

As for the future, Mara says she wants to be a prosthetist—a person who builds prosthetic devices.

"Knowing that you can save a child's life makes this program worthwhile," said Shirley Sherman, past president of the Belleville Rotary Club.

Right now, the Belleville Rotary is sponsoring a child from Hungary at Schneider Children's Hospital in Long Island.

This non-profit organization is available to all children, regardless of race, color or national origin.

These children come from areas all over the world like Bosnia, Croatia, Dominican Republic, Greece, Grenada, Guyana, Haiti, Honduras, Hungary, India, Jamaica, Korea, Mexico, Nigeria, Peru, Philippines, Russia, Sri Lanka, Syria, Trinidad, and the United States of America.

Belleville Rotary President Frank Cozzarelli summed up the purpose of Rotary, "Helping others is what Rotary is all about. It's for the sake of humanity."

Life in Silver Lake

By Marie Strumolo Burke

Whistle while you work

Hey, you Silverlakers out there. Check out the new attraction on Franklin Street.

What attraction? It's officer John Martucci with his sidekick the "community policing van."

The way it works is that Officer John arrives in his 'new black & white cruiser' and hits the storefronts on Franklin Street. He parks his van and then does 'the stroll' down our Silverlake Lake Streets, while 'whistling a happy tune.'

By this time, I hope everyone knows that we will have our own mobile precinct Command Center, or better known as our mini police station. We owe a debt of gratitude to State Sen. John Scott, R-36, for coming through with his promise to have the state fund the mini-station which will be situated across from St. Anthony's Church and since it will be on wheels, our slogan should probably read: "Silver Lake 'rings' and the police 'brings'."

Now let's get back to our merry patrolman.

Community policing is somewhat of a new innovative idea whereby the police "fraternize" with the businesses and the residents of Silver Lake. In this way the patrolman becomes a friend to the community and not an enemy.

A "little bird" told me that while fraternizing with some of the storekeepers, Officer John is dabbling in how to be a "breadmaker, a shoemaker, a pharmacist, a tailor, and a pizza maker. I know they chose the right man for the job, when they selected officer "Johnny on the spot" Martucci. Why? Because he cares.

One thing is for sure...if Silverlake had any say on who the new Community Policeman should have been...the votes would all be the same...John Martucci, he's our man. If he can't do it, nobody can! And, don't forget on those cold wintery days when you see officer John shivering in the cold...offer him a hot cup of coffee or maybe some homemade soup. Because we here in Silver Lake take care of our own and you are now one of us Officer Martucci.

And don't forget to keep whistling while you walk the streets of Silver Lake.

Calling all cars, calling all cars. I was asked by our Silver Lake Inspector, Sgt. Grace Dondarski, to put this little item in the column. And when you ask Grace...I obey.

Thanks Chief Raymond Kimball, for getting the bus shelter

Marie Strumolo Burke

on Mill Street cleaned up. Grace told me she tried tirelessly for almost 4 months but no dice. But I guess she went to the right man, and like magic...pouf...it was done.

Did all of you guys notice that this shelter is not in Silver Lake? But we here in Silver Lake care about the entire town. Hey, Grace, do you travel by scooter, cause you really cover a lot of ground. Could you imagine a lot of "little Graces" running around town performing inspections? Hey, you never know.

By the way, Chief Kimball, congratulations on your new job as the interim town manager. I know there will be a change in town because you definitely get things done. If you need Silver Lake's help, just holler, 'cause we have "good ears."

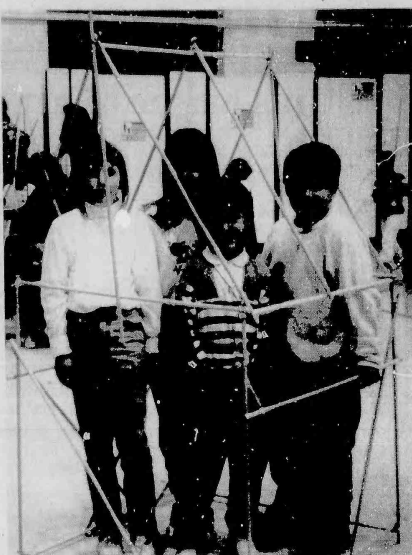

In closing let me thank the newest contributor to our "holly tree," Margaret Raimo of Frederick Street, what a sweet lady she is. Always there when you need her. Margaret, do you hear us clapping for you? Good, cause you deserve it.

Remember, we love Silver Lake, and Officer John Martucci, too.

Enrichment in science, math

Students from School 3 participate in a math/science activity. From left to right, Jessica Allen, Teresa Chen and Joseph Martinez. Front center, Daniel Chen.

School 3 hosts family math and science programs

School No. 3 is hosting family math and family science parent-child activities during the month of October.

Principal Raffaella Saulino reports that in the seven years the family programs have been scheduled, the enthusiasm of the teachers, Mary Bradley, Louisa Licameli, Nancy San Filippo and Isobel Villano has not waned, nor has the attendance since the reputation of the family programs is so positive.

A new math/science activity has become a special feature over the past several sessions. The two groups work together to apply the math and science knowledge that

they have learned.

The objective, building a structure using wooden dowels and elastic bands, was met with disbelief. However, all participants rolled up their sleeves and met the challenge.

One of the parents, Robert Cozzarelli, a local architect, delivered an impromptu discussion on "Architecture 101."

All students and parents received accolades for their ingenuity.

Another objective of the parent-child activities was achieved, which was cooperative learning while applying math-science knowledge.

OUR OPINION

In a league of her own

Making a difference in the community is something that Grace Purdue has mastered into an art form.

We should look at Purdue as an example, she let her voice be heard because she wanted to make a difference in the community.

In the past she was involved in the Belleville Board of Education from 1982 to 1985 where she served as president for two years.

She was also a member of the Belleville Alliance for Substance Education, the Special Education Parent and Professional Organization and a member of the Essex County Services Commission.

Purdue was also a charter president of the Belleville High School Home and School Association and a charter member of the

Belleville Music Parents Association.

She also served on the Board of Directors for Community Mental Health and was a member of the rent leveling board.

In 1992, she was the first woman to be accepted into the Kiwanis Club of Belleville, and last year she served as the organization's first woman president. Today there are three women in the organization.

Currently, she is a member of the Clara Maass Auxiliary.

It is no wonder why Purdue was honored by the Belleville Chamber of Commerce as Woman of the Year in the past.

Purdue is a true role model because she puts her ideas for improving the community into reality.

Understanding teens

Youth fights leave residents searching for solutions

Parents and officials are straining to understand why teenagers from Nutley and Belleville recently began engaging in bitter and violent confrontations.

Nutley High School students claim that large Belleville gangs randomly attacked them on the weekend of Oct. 11-13. Two NHS students were sent to Clara Maass Hospital as a result of the confrontations.

Since the series of incidents began, rumors have abounded about what started the fights and how serious the confrontations have been.

Many parents and students have become besieged with fear. Mothers say their children often ask for rides home from school; they previously preferred to walk home with their friends.

Longtime residents of both towns say Nutley and Belleville have always been rivals, but the residents say the recent violence is far worse than anyone can remember.

The fact that the problem is not confined to Nutley and Belleville — that teenage violence is on the increase nationwide — is little comfort to parents and local officials.

One concerned mother recently asked the Board of Commissioners to set up a special panel to find an answer to the violence. That

suggestion has already been initiated.

Nutley Mayor Garry Furnari has taken another step that may offer teenagers a refuge from hanging out on the streets. The mayor sent a letter to NHS teens asking them what type of programs they would like to see implemented; more than 800 responses have been returned.

As director of Parks and Recreation, Furnari hopes that student input will help make any new programs successful.

Other measures are also being considered and undertaken.

Nutley Police Chief Robert DeLitta has assigned regular police patrols to areas where teens congregate, such as the public library and local parks.

It should comfort many parents and residents to know that weekends since the initial outburst of violence have been quiet, virtually no fights were reported. Still, answers must be sought.

Today's fast-paced world offers less and less time for families to share their thoughts on matters of concern. These most recent street fights, however, demand that parents and their children sit down and talk about what's going on.

YOUR OPINION

An open door policy

To the Editor:

For the past two years I have had the honor of serving as a trustee on the Belleville Board of Education. I have come to understand that communication with citizens and parents is the most important part of my job.

Many parents and taxpayers have taken the time to inform me about the issues and problems that effect our town and school system.

The insights gained by speaking with these parents and citizens has allowed me to be a more effective trustee. The beginning of each school year brings new concerns about the future of our school system.

Unfortunately with the cancellation of the open houses, I feel that a great opportunity to discuss these concerns was lost.

I would like to take this opportunity to invite anyone with a concern, question or suggestion to contact me. My home phone number is 450-9620.

the 10th annual Child Safety Day a success, once again. On Saturday, Sept. 21, approximately 100 children attended this event. The program could not have been a success without the interest of the parents who brought their children and the volunteers who donated their time.

I must thank all of the following: Belleville Police Chief Raymond Kimble and Sheriff Armondo Fontoura for 10 years of support in providing the officers annually. Detective Reinhardt from the Montclair Police Department who donates the use of the equipment. Ron Gregorec, of Tenco Enterprises for the donation of the Barney Moonwalk, which was a big hit with the youngsters. Belleville, Detective Tom Agosta and Sheriff's Officer Dominic Palmieri, the fingerprint experts. Belleville Fire Chief Robert Caruso, Firefighters Pat Dunn and Vincent Abbott who distributed fire-safety literature and balloons.

Thanks to the Belleville Little League for the use of the field house. We also had help from the National Honor Society, Jeannie Rodriguez, Laurel Dunn, Michael Dribnack, Jessica Rotino, Lou Pallante and Anthony Corino.

Thanks to our Kiwanis members, Vinnie Sorrentino, Nino Buciarelli, Dominic Tabaldi, Bob Cassin, Mike Marotti, Dina Borelli, Tom Grolimond, Mike Daukis, Al Demaio, Anthony Drozd, Mike Meigue and his daughter Christina.

Finally, our big hit of the day, former football Giants star running back, O.J. Anderson. O.J. spent over two hours with the youngsters giving out autographs and posing for photos. Our thanks to all who make this event possible every September.

• **THE** Glen Ridge Civic Conference Committee, has served a very useful purpose over the years. However, some of its rules may be archaic. For example, it limits incumbents to two terms. Shouldn't the limits be left to the discretion of the voters' fingers in the booth? If a council person serves two terms, isn't she or he a better asset to the community because of the experience gained?

The Glen Ridge Civic Conference Committee includes representatives from practically every organization in the community as well as Citizens-At-Large. It endorses candidates for the Council and the Board of Education. This doesn't mean that citizens can't become candidates without the Civic Conference Committee's blessings. In fact, incumbent Councilman, Carl Bergmann, won election without the endorsement of the Committee. Bergmann is one of the best-ever citizens to serve on the Council.

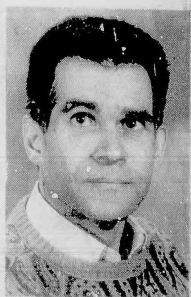

• **ROWE-MANSE EMPORIUM'S** Carmen Maggio has time and again demonstrated his skills as a merchandiser. Currently, he is in the process of creating a state-of-the-art humidor salon marketing cigars of every nature and description. To predict his success in this new endeavor is like predicting that day will follow night. A pocket guide for the use of cigar aficionados is a very interesting compilation of facts and the history of cigar manufacturing. We learned from this pocket guide there are seven colors of tobacco.

There is a head and a foot to a cigar. Cigars originate from Brazil, Canary Islands, Cuba, Dominican Republic, Honduras, Jamaica, Mexico, Nicaragua, Panama, Philippines and the United States.

• **IF** Buddy Fortunato pulls it off and wins over incumbent Fifth District Freeholder Louise Palagano, some of the credit should go to Dr. Phil Casale. Last week, on his own, Dr. Casale rounded up a few friends and hosted a reception at Lyndhurst's Crystals Restaurant. It was a standing-room-only crowd that attracted the interest of Essex County Executive Jim Treflinger, Assembly Majority Leader Paul DiGaetano, Assemblyman Jack Kelly, Belleville Mayor Victor Canning, At-Large Freeholder candidate Dr. Joseph Scarpelli, Nutley Commissioner Peter Scarpelli, Nutley Board of Education President Bob Rusignuolo, and the list goes on and on.

* CONGRATULATIONS

are in order to Bloomfield Board of Education member Anthony Petrillo in casting his vote with four others of his colleagues in rescheduling the Bloomfield Board of Education meetings from Monday to Tuesday. The Township Council meets on Monday as does the Board of Education. The taxpayers were ill served when both the Board of Education and the Township Council scheduled meetings at the same time and the same Mondays. The vote for the change was 5-4. Those who served the public interest by voting on the change are Anthony

Anthony Petrillo

Petrillo, Charles Nankivell, Michael Fede, Dr. Nicholas Rizzitello and Gregory Burnett. You, gentlemen, have served the public interest as elected officials should.

This was a fruitful exercise in democracy. Now taxpayers no longer need to choose. Interested citizens are now able to attend Monday meetings of the Township Council and the Tuesday meetings of the Board of Education. Bloomfield voters will want to remember the men who have made this possible — Nankivell, Fede, Rizzitello, Burnett and Petrillo.

What are the other banks thinking about?
Don't Get Fooled Ever Again!

Turn to American Savings Bank for all your checking account needs... plus a healthy dose of honesty.

We recently came across another bank's ad for a checking account that promises no monthly service charge. That's a good deal for bank customers. Then we looked a little closer and found that you have to keep an average monthly banking balance of \$4,000 to avoid those fees. \$4,000! We shudder to think what else exists within the "fine print."

At American Savings Bank, we don't think that's a fair way to treat customers. We offer a Totally Free Checking plan to customers over 50 years of age, to those who use our direct deposit for their social security/pension/payroll checks, and to those who have a loan or deposit relationship with us. That's it. No fine print. No outrageous minimum balances.

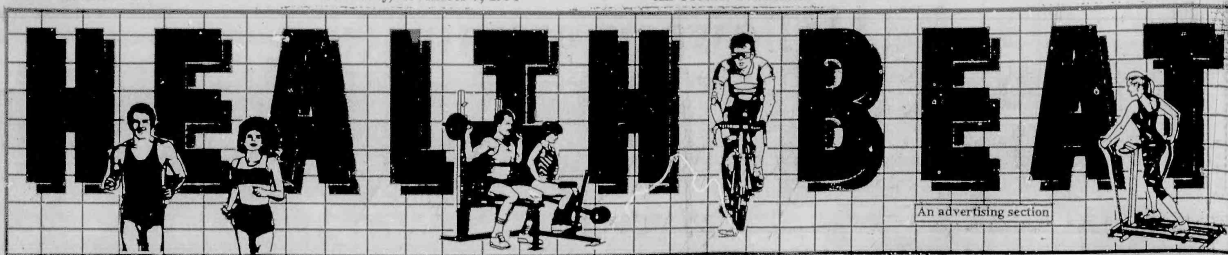

Sign Up Today for American's TOTALLY FREE CHECKING.
It's a better way to bank.

Columbus Hospital sponsors free diabetes screening program

In celebration of National Diabetes Month, Columbus Hospital's SHIP (Senior Health Improvement Program) will sponsor "Diabetes Health Day" on Saturday, Nov. 9 from 8:30 a.m. to 12 noon at the hospital, located at 495 North 13th Street in Newark; and also on Saturday, Nov. 16 from 8:30 a.m. to 12 noon at Columbus Health Center, 66 Somme Street in Newark's Ironbound section.

The program will include a blood test to check the blood sugar level, a vision screening, and a podiatry screening. Podiatrists and ophthalmologists will be on hand to perform the vision and podiatry screenings. Participants should fast after midnight.

The screenings are free and open to the entire community. Advanced registration is required. To schedule an appointment, call 268-1467.

Columbus Hospital's SHIP is a free membership program for seniors, age 55 or over. The program offers seniors free resources to help them look and feel their best. Members are entitled to free and low-cost screenings, free seminars on health care issues that are of interest to them, a free newsletter, social events, complimentary parking and discounts at the hospital's coffee and gift shops.

To join SHIP, or to receive a free calendar of events, call 268-1467.

One stop shopping for your family's medical needs

Clifton Urgent-Family Care

What is the future of medicine? By the year 2000, medical care will take on a new face. Studies have shown that consumers want convenience in all aspects of life — including health care. By choosing a health care facility which enables you to receive comprehensive treatment in one location, treatment becomes more convenient and less expensive.

Clifton Urgent-Family Care, located at 1117 Route 46 East in Clifton (next to Fette Ford) provides one stop for all your medical and surgical needs. X-ray, lab and diagnostic equipment are on premises. Routine and emergency medical treatment are available 7 days a week, 24 hours a day. At Clifton Urgent-Family Care, time and money is saved without compromising personalized, quality care.

Other services that are available include the Clifton Surgery Center, adjacent to Clifton Urgent-Family Care. Clifton Surgery Center is a fully equipped same-day surgical unit utilized by surgeons of almost any specialty. Emergency and standard surgical procedures are handled without the wait and confusion of a hospital or a hospital emergency room. This "extra" benefit differentiates Clifton Urgent-Family Care from other area family care and urgent care facilities.

Before you choose a family doctor, have you stopped to answer some important questions?

Are "Wellness and/or Prevention" programs offered? Early detection and prevention is another

factor which should be considered when choosing a family doctor. The ability to study cancer has evolved over the past 20 years. It is critically important to detect problems early. By offering screenings for skin cancer, prostate cancer and breast cancer, early detection can save lives. At Clifton Urgent-Family Care, board certified physicians emphasize early detection and recommend screenings as part of your annual health care program.

"Wellness programs have been instituted at our facility because we believe that they lead to healthier lifestyles," commented Dr. Ray Silen, director of Clifton Urgent-Family Care.

"By obtaining pertinent information, a health plan can be formulated to prevent disease or physical injury and promote better health," he further added.

What experience is offered? What experience does my doctor offer me and my family?

Dr. Silen, a board certified general surgeon, has been practicing medicine for over 20 years in private practice and on staff at several local hospitals. In 1983, Dr. Silen implanted the first Porto catheter in New Jersey. A visionary, Dr. Silen founded Clifton Urgent-Family Care to offer his patients the convenience of affordable medical care.

As a primary care physician, what types of health plans does my doctor participate in?

Clifton Urgent-Family Care is contracted with several major health care plans and is currently pending contracts with many of the newer managed care organizations. As primary care physicians, you can elect Clifton Urgent-Family Care as your family doctor.

Can Clifton Urgent-Family Care provide me and my family with convenience and quality health care?

"We have everything you need for your family's health care. We are truly one stop shopping for all of your medical and surgical needs," states Dr. Silen.

As part of the "Medical Alert" campaign, Clifton Urgent-Family Care offers FREE seminars during the month of November. On Saturday, Nov. 9 at 10 a.m., a topic discussion on "The Importance of a Wellness Program and Preventive Medicine" will be offered by Ray Silen, M.D. All family members are welcome to attend and refreshments will be served. For more information or to obtain a current HMO listing, please call 779-4242.

Area children participate in the "Celebrate Safe" Halloween party held at the Job Haines Home. Trick-or-treaters stand in line for a chance to peer into the crystal ball of Lorraine Krug, social worker/fortune teller.

JHH hosts "Celebrate Safe" Halloween party

Residents of the Job Haines Home hosted the second annual "Celebrate Safe" Halloween party for area children. Festivities included trick-or-treating, party games and refreshments. Invitations to the party were issued following a random drawing of those who signed up at the Home's Harvest Fest booth. Thirty-seven children attended the event.

The 94-year-old building was decorated with creepy cobwebs and glowing jack o' lanterns, while appropriate party music greeted the young guests. Children were permitted to "trick-or-treat" from the residents at various candy stations throughout the building. A party was held in the Home's assembly room, where children played "Pin the Nose on the Pumpkin" and created Halloween faces with an individual craft kit provided by the

Home. Lorraine Krug, social worker, entertained the children as a gypsy fortune teller and provided a peek into the future with her crystal ball.

Says Jacqueline Kerr Harold, executive director, "This party provides an opportunity for us to offer the children a safer alternative to traditional trick-or-treating. The safety of the children of Bloomfield is important to all of us at the Job Haines Home."

The Job Haines Home is a residential health care facility and nursing home for people over 65 years of age. It has been in business since 1897 and is currently in the process of developing an assisted living program. For more information about the Job Haines Home or assisted living in general, please contact Ann Merrill, assistant administrator, at 743-0792.

CLEAR VISION

Dr. Walter Shurminsky Jr.
Optometrist

Eye care and eye wear

This is the first of a series of articles about eye care and eye wear. Over the next few months, I plan on writing some informative pieces discussing various aspects of the eye care field. I will cover areas of eye health as well as the different means of correcting vision, such as contacts and eyeglasses lenses. I also plan on discussing purchasing frames to put those lenses in. The purpose of this series is to give some simple explanations to people about eye care. Too often, things are not explained properly to people or they are not given the appropriate options for their needs. Hopefully, after reading my articles, you'll be better informed so you can understand and make the correct choices.

Throw away those ugly glasses

The hottest topic in eye care these days is the procedure known as photorefractive keratectomy or PRK. This is the laser that corrects your vision. This is different from the previous procedure, radial keratotomy, in that RK uses a knife to cut the eye instead of the laser.

The laser works by zapping tissue from the front of your eye until enough is evaporated to correct the desired vision. After the procedure, which takes 30-60 seconds is over, and the eye heals again, most people will achieve enough clear vision to drive and play sports, etc. without vision correction.

The person choosing PRK must fall within the guidelines set by the FDA at this time. You must have none of the contraindications that would prohibit the procedure. It will correct near-sightedness and a mild amount of astigmatism. Those who are far-sighted and/or in the category of those using reading glasses only are not eligible.

The reasons I am in favor of this procedure rather than RK is simple. I feel the laser is more accurate because it's computer driven and relies less on human skills. It's safer in that the doctor is not using a knife to cut the eye. This helps in preserving the overall health of the eye without creating scars. Infections are about the only major side effect and even that is prevented by pre- and post-treatment with eye drops.

The end result of PRK is a person free of glasses or contact lenses for most activities provided he/she is not in the reading glass age (43 up). Using glasses for minor activities like driving at night or reading small print may very well still be needed. Realistic expectations are needed for anyone wishing to have this done.

The cost of PRK is approximately \$2250 per eye and to my knowledge may or may not be reimbursed by insurance. Anyone wanting further information about this procedure or to have a free evaluation for PRK can contact my office or 20/20 Laser Center at 796-4466.

Are You Experiencing Any Of These Symptoms?

Some common vision conditions

Nearsightedness (Myopia). You see close objects more clearly than those at a distance.

Farsightedness (Hyperopia). You see far objects more clearly than close ones.

Astigmatism. You see blurry or distorted objects at all distances, because the front part of your eye (cornea) is slightly irregular in shape.

Presbyopia. A natural part of aging begins to blur your reading and near vision by about age 40-45 and gradually worsens.

Glaucoma. A build-up of excess fluid in your eye, causing internal pressure and damage to the optic nerve. Can result in severe vision loss and even blindness.

Cataracts. A clouding of the clear lens of your eye that distorts entering light, causing blurred or hazy vision. Can lead to blindness if not diagnosed and treated.

If so, you may need vision help.

Spa Lady in Lyndhurst celebrates expansion with new membership special

Bea Schaffer, director of operations at Spa Lady, has announced that Spa Lady's Lyndhurst facility is offering a special \$99 initiation fee to highlight its upcoming expansion, which is expected to be completed early in 1997. Schaffer notes that, by doubling its size, the Lyndhurst Spa Lady will be able to

add Nautilus equipment and extend the exercise area, as well as offering a separate room for "spinning."

Spinning, which adds new dimensions to stationary bike workouts, recreates the experience of outdoor biking by utilizing guided imagery provided by an instructor, music for motivation, and

resistance to simulate uphill riding. It is an increasingly popular way of intensifying the workout for both mind and body.

In addition to spinning, the Lyndhurst Spa Lady will continue to provide a wide range of classes, such as Step, Pump & Funk,

Boxercise and Yoga. It also offers state-of-the-art equipment, tanning, personal trainers and an outstanding child care program. The \$99 Membership Special, which expires 11/30/96, is available to new participants at the Lyndhurst facility only. Monthly dues are not included. For more information, call the Lyndhurst Spa Lady at 935-2555. For information about other Spa Lady facilities, call West Paterson at 890-0777 or Fairfield at 882-9211.

TAKING UP WHERE THE PHYSICIAN LEFT OFF

By their own admissions, doctors do not do the whole job of educating their patients about prescription medications. According to one researcher, in only about one case in five does a physician talk to a patient at all about a new prescription. When the drug was discussed, only one patient in three was told why it was prescribed, while fewer than one in five was told how to use it. Thus, it is little news that, according to one poll, three doctors in four admitted that they leave drug education to the pharmacist. And, the pharmacist is certainly equal to the task. Pharmacists view it as their job to review each prescription for dosage errors, look for potential drug interactions, and check for drug allergies. In addition, the pharmacist should suggest lower-cost drugs of equal safety and effectiveness, whenever possible.

Our pharmacist will take whatever time is necessary to fully explain any concerns you have about a medication your doctor has prescribed. We provide complete prescription service, including free delivery, at ROSSMORE PHARMACY, 318 Washington Avenue (739-1968, 739-1956). Greeting cards and Russell Stover candies are available for Thanksgiving and other occasions. Hours: Sun-10pm daily, Mon-9pm Sunday.

HINT: The pharmacist should make patients aware of any potential side effects that may accompany the taking of a drug.

Mr. and Mrs. Michael Byers — nee Takako Murota

Takako Murota bride of Michael Byers

Wedding vows were exchanged Oct. 4 by Takako Murota of Tokyo, Japan, and Petty Officer Second Class Michael Byers, son of Mr. and Mrs. Ronald James Byers of Kearny, formerly of Belleville.

The ceremony took place on Guam where the groom is stationed until next April.

Attending the ceremony were Hisako Murota, mother of the bride, her sister, Reiko and friends.

The couple honeymooned on

the islands of Saipan and Rota. They will be in the United States next May for three weeks before going to Japan where Petty Officer Byers will be stationed until 2001. The couple was previously wed in a civil ceremony June 12, 1995 on Guam.

The groom is a graduate of Belleville High School. He enlisted in the Navy after graduation and was assigned to the USS Blue Ridge in the Pacific Fleet.

Caldwell College students given top honor

The 1997 edition of *Who's Who Among Students in American Universities and Colleges* will include the names of two Caldwell College students from Belleville who have been selected as national outstanding leaders.

The students are Rachel DeFalso and Lynne M. Giachetti.

Students must maintain a grade point average of at least 3.5, to participate in leadership and extracurricular and community service activities and submit three letters of recommendation from friends, faculty or staff, to be considered for this top honor.

These students join an elite group of students selected from more than 1,900 institutions of

higher learning in all 50 states, the District of Columbia and several

HOROSCOPES

November 10-16

ARIES — March 21/April 20

An introduction to a new work associate could make a difference in the near future. Opportunity for advancement is near. If finances are an issue this week, you may want to devise a budget that works for you. Being realistic is the way to go. Romance highlights the weekend.

TAURUS — April 21/May 21

Don't be afraid to say "no" or you could find yourself being spread too thin. It may be time to bury the hatchet in a strained but meaningful friendship. If you let pride stand in the way, you may live to regret it. Your drive for success will make it especially hard to relax this weekend.

GEMINI — May 22/June 21

Take a firm stand and your opinion will be respected. Showing any form of self-doubt could be detrimental to your goals. A quiet family weekend helps ease the tension of the week. There's nothing wrong with putting your feet up and taking a break. Steer clear of Leo's advice.

CANCER — June 22/July 22

Domestic affairs take priority early in the week. You may have to put work and social activities on the back burner. Later in the week, a rare opportunity could come your way. Be sure to act quickly or it will be lost. An introspective mood leads you to solutions for a long-term problem.

LEO — July 23/August 23

Stand up for your rights when it comes to your career. Don't be afraid to point out your accomplishments and contributions. Counting all your chickens before they're hatched is a big move with finances. Tuck enough cash away for a rainy day. On Friday, don't let emotions rule your day.

VIRGO — Aug 24/Sept 22

Don't let things you can't control get the better of you. A positive attitude gets you through. Taking a stand in an unfair situation makes the difference. If work projects seem overwhelming, don't be afraid to ask for help. Scorpio's behavior may be the source of aggravation later in the week.

LIBRA — Sept 23/Oct 23

If your nerves feel frayed lately, it could be time to treat yourself to a weekend getaway. Forget about work and the daily grind and do something for yourself. Look to Cancer for some ideas. Is there an important date you're forgetting? Be check the calendar. Scorpio asks your advice on an important matter.

SCORPIO — Oct 24/Nov 22

Find a polite way to say "no" to an overly-demanding boss. You need to set a limit to the time and effort you're willing to give. A change of heart could put you in a strange position on Wednesday. Think before you act out on a whim. Friday is a good day to start new projects.

SAGITTARIUS — Nov 23/Dec 21

Facing the truth may be hard, but it's the only way to solve a problem in a troubled relationship. Give it a try. If you've been unusually forgetful lately, it could be a sign of stress. Meditation and/or exercise can help you achieve peace. Avoid risky financial ventures this week.

CAPRICORN — Dec 22/Jan 20

If you're a typical Capricorn, you probably don't like change, but if you welcome it this week, it could be of benefit. You have a lot to gain. Unexpected interruptions could cause delays at work. You may have to work extra hard to catch up — especially if you deal with deadlines.

AQUARIUS — Jan 21/Feb 18

A project you thought would require a great deal of time and effort turns out to be a snap. Celebrate by doing something for yourself. A difference of opinion with Libra could lead to World War Three if you're not careful. Keep an open mind when discussing controversial issues.

PISCES — Feb 19/March 20

Stop worrying and start taking action. Don't be pulled down by your deep, dark side. Look towards positive ventures and realistic goals. A Taurus who you've known for some time will do something totally out of character. Perhaps the Bull is full of more surprises than you know.

Royal Twin Theatre in Bloomfield, NJ rolls back admission price

A new admission policy was recently instituted at the Royal Twin Theatre in Bloomfield under the direction of its new manager, Ricardo Farfan.

General admission is now \$5 for all shows with a \$3 reduced rate for senior citizens, children and first show matinees on Saturday

and Sunday.

The newly-renovated, clean, family-oriented Royal is the restoration project of Farfan, who believes strongly in the Bloomfield Center area. He hopes Bloomfield residents will support a theatre which is so rich in Bloomfield history.

Wizards getting ready for state tournament

A late season slump, of sorts, has not hindered Grace Worley's volleyball team from optimism as the state Group IV tournament commences next week.

"The time off has helped," Worley said. "We haven't played in a week, and it's good to get the kids some quality practice time. I think the team lost some focus and concentration as the year progressed. It will be good to start the states next week. The kids can get the chance to regroup."

The tournament will start next week, but whom the team will play in the first round was yet to be decided.

For the regular season, the team posted a 19-8 record, but Worley was concerned about the teams play in the last two weeks of the campaign.

The Lady Bucs ended the season playing, in essence, .500 volleyball. The team lost a three set match to Barringer late in the season, falling 15-13 in the first set, winning the second 15-2, then falling in the deciding set, 15-10.

"There's no reason to play like that," Worley said. "It's inconsistency, and they (the team) knows that. In a way, it was good that we lost a match like that. It shows the kids that you can't take anything for granted."

Belleville finished 5-7 in the NNJIL Pacific Division, losing twice each to powerhouse Paramus Catholic, Hackensack and Immaculate Heart. The team split two games with Paramus and swept the season series from Teaneck and Nutley. Outside the league, the team was an impressive 14-1.

"In our second match with Paramus Catholic (a 15-9, 15-9 loss) I thought we played very well. We finished our season by beating a tough team from Wayne Valley. So, I am pretty optimistic about the states."

20 victories for the season is something the team is striving for.

"I look at our season so far and can say we could easily be 23-4 now," Worley said. "But the bottom line is we're 19-8 and ready for the states. Winning 20 would be nice, especially for the seniors. They've worked hard for it."

The team will enter the post season in good shape, injury wise.

"Thankfully, we've avoided injuries this year," Worley said. "That's a big part of our success."

College Football Top 25

My Air Force Falcons did a nose dive last week. They were beating Colorado State 41-14 in the third quarter and ended up losing, 42-41.

That knocks them out of the Top 25, and this week, they'll take on Army, who is undefeated, at West Point. The Cadets haven't played the toughest of schedules, but they will be very difficult to beat on their home field.

So, here's my new Top 25 for this week.

1-Nebraska (7-1), 2-Florida State (7-0), 3-Ohio State (8-0), 4-Florida (8-0), 5-Arizona State (9-0), 6-Tennessee (6-1), 7-North Carolina (7-1), 8-Michigan (7-1), 9-Colorado (7-1), 10-LSU (6-1), 11-Alabama (7-1), 12-Wyoming (9-0), 13-Penn State (8-2), 14-Northwestern (7-2), 15-Kansas State (8-1), 16-Notre Dame (5-2), 17-South Mississippi (8-1), 18-BYU (9-1), 19-Syracuse (5-2), 20-Miami (6-2), 21-Army (8-0) 22-Virginia (6-2) 23-Auburn (6-2) 24-Washington (6-2), 25-East Carolina (5-2).

Notes

Believe it or not, we'll be running the winter sports schedules in a few weeks. What happened to summer?

Nicole is definitely the coolest, even though she doesn't like Bob Dole.

Congratulations to Melanie on winning the Homecoming Queen accolades for Nutley High School. (I'll make sure I keep the picture by my computer).

Special congratulations to Nutley High School head football coach Rich SanFilippo. Last Saturday, his team took on powerful St. Joe's of Montvale at Nutley. At the end of the first quarter, if you can believe it, his team trailed 30-0.

But the Raiders never stopped battling. They lost, but by a rather respectable score of 42-20. If you're a fan of high school football, it's good to see kids not giving up despite tough odds.

This weeks upset special: Tampa Bay over Oakland.

Coach feels bye week was beneficial

Bucs visit Eastside on Saturday

By Mike Lamberti

Following a rare week off, the Buccaneer football team gets back to work this Saturday when it travels to Paterson Eastside for a 1 p.m. kickoff.

John Senesky's team is trying to break a five game losing streak following an opening day win at Scotch Plains.

The "bye" week, courtesy of opening the season a week earlier in September, was well received by Senesky and his players.

"I think it's something the state should look into for all teams," Senesky said. "To get that break in the middle of the season can only help a team."

"It gets the kids that are hurt some time to heal and the chance to work on some things for the remainder of the season."

The '96 Bucs opened the season with high hopes, following a 33-13 win at Scotch Plains. In that contest, Donnell Graham rushed for nearly 300 yards, thanks to a good offensive line and Graham's ability to dominate the open field.

The Bucs entered the second

week of the season, at Paramus, with a lot of confidence, but the momentum did not carry over. Paramus shut out Belleville for the second straight year and it's been a struggle since.

The Bucs lost at home to Teaneck, 29-6, then followed with a home loss to Paramus Catholic 40-19 and a road loss versus St. Joe's, ranked second in the state, 41-6.

Two weeks ago, the Bucs were stopped by undefeated Hackensack, 34-6.

The quality of opponents, needless to say, has been outstanding. Hackensack and St. Joe's will meet this weekend in a battle of unbeaten.

Paramus Catholic and Teaneck are highly rated in Bergen County. Teaneck is still vying for a possible berth in the Group IV, Section I playoffs.

"It's been a matter of our kids playing hard, but losing to very good teams," Senesky said. "I've said all along that this league is among the best in the state this year."

Senesky gave his players a few days off during the bye week. He doesn't plan on any major changes heading into this weeks game.

"Basically, we've cut the length of practice at this stage," the coach said. "We're trying to keep the kids concentration level up. With three games left in the season, they know the system, it's just a matter of keeping the team sharp."

In Eastside, the Bucs will face a team that has good speed and some size on the front line.

"We've seen Eastside a few times," Senesky said. "They've battled a tough schedule in their league (the NNJIL Atlantic Division) and they've been pretty competitive."

"They've got good athletes, excellent speed and some strength up front. I think our kids will be very competitive with them, but we have to be wary of their passing game. Their quarterback throws and runs well."

The Bucs and Eastside will be playing each other for the first time since 1989, when Eastside won a 7-6 decision at Hinchcliff Stadium.

The Bucs were pretty successful

against the Ghosts for most of the 80's, winning four of six games.

This Saturday's game will also be a unique experience for most of the Buc players as they compete on artificial turf for the first time.

Eastside and Paterson Kennedy both play at Hinchcliff Stadium and the turf was added prior to the 1984 season.

The Buc players had problems with it that first year, experiencing numerous ankle and knee injuries. Since then, however, the team has played pretty well on the turf.

NOTES: Bucs will be at Don Bosco next Friday night. The team will then be off until the Thanksgiving Day finale at Doc Ellis Field against Nutley.

The Maroon Raiders were 2-4 heading into this weeks action, but don't let that record deceive you. Nutley has played well for head coach Rich SanFilippo. They were beaten last Saturday by powerful St. Joe's, but in their other three losses, the team held leads in two of the games and were driving for the winning score in a third.

Bucs blank Paramus 5-0 on goals by Colucci, Brown, Auerbach and Almeida

By Mike Lamberti

For the sixth straight season, the Buccaneer soccer team has clinched a winning season.

Gino DePinto's team accomplished that feat with a 5-0 victory over Paramus last week in an NNJIL Pacific Division battle.

Belleville (10-6-1, 8-5) took on Irvington yesterday in a Group IV, Section II first round playoff game.

Should the Bucs win, they would take on top seeded Randolph in the next round of the sectional playoffs. A loss would eliminate the Bucs from the states, but the team still has a league game to make up against Don Bosco. The date and time of that contest has yet to be decided.

"It's nice to have another winning season," DePinto said. "If you told me that we would hit double digits in victories this year, I would have been very happy."

In the win over Paramus, Nick Colucci continued his banner campaign by scoring two goals. Entering this weeks action, Colucci had 27 goals.

Mike Brown, Dave Auerbach

and Dan Almeida tallied the other goals for the Bucs in the Paramus game.

The Bucs dominated the game, taking a 5-0 lead at the half. The second half of the game was shortened due to darkness.

The Bucs lost a conference game to undefeated Hackensack, 3-0.

"I thought our kids did a good job in that game," DePinto said. "The game was scoreless at halftime. We played well, we just couldn't get on the board."

Hackensack tallied three goals in a nine minute span in the second half to clinch the victory.

As for the state game with Irvington, DePinto expects a tough outing.

The Bucs beat Irvington in the season opener, 4-3, rallying from a 3-2 second half deficit to win.

"I thought it was one of our best games of the season," DePinto said of the first game with Irvington. "I said then that they had a real good team, and now we'll have to try and beat them again on their home field."

Buc player looks for control of ball during league game. Soccer team began play in state tournament yesterday. Team still has league game with Don Bosco to make up next week. Hopefully, the team will continue in state journey, as well.

'A' team wins, 29-0, Benitez, Mendosa, offensive line stars

The Belleville Junior Buc "A" squad ended its regular season with a sound 29-0 thrashing of a good Bloomfield team, last Saturday at Foley Field.

With the win, the Bucs wrapped up a successful 7-2 regular season campaign. The team will battle Garfield this weekend in the first round of the playoffs.

In the win over Bloomfield, the offense was paced by the running of Hector Benitez (89 yards, two touchdowns) and Hector Mendosa (136 yards receiving, two touchdowns).

The offensive line played its most physical game of the season, led by Lance Abrams, Chris Hernandez, Mike SanFilippo and Kyle McDuffie.

Jim Risoli and Brian Rafferty also contributed timely passes. The mighty Bucs defense forced three fumbles and two interceptions.

Danny Lally also contributed by intercepting a Bloomfield pass deep in Buc territory. Bloomfield finished with negative yardage for the night in total offense.

Also playing well on defense for Belleville was Mike Spiga, Jeremy Lastra, Mike Fortunato, Anthony Maldonado, Jay Ambrosino, Roberto Canero, Hernandez and Bo Bernard.

The highlight of the game was a spectacular interception by Mendosa, who returned the pass for a touchdown, breaking eight tackles on the way to the score.

"B" team drops finale

The Belleville Junior Buc "B" team lost its final game of the season to playoff bound Bloomfield.

The Buc defense played its best game of the season, led by Lawrence Fusco, David Sheridan, Sean McQuillan, Carlos Gonzalez and Dan Paladino.

The "B" team finished the season with a 1-8 record. The Bucs were hurt by injuries to key players Pete Velardo and Nick Galante, both of whom were hurt in the season opener.

Facing an uphill battle for the rest of the season, the "B" team played well, but lost some tough games.

"C" team wins 5th straight

The Belleville "C" team won its fifth straight game, beating Bloomfield 21-7.

The victory improved Belleville's record to 7-2 and set the team up for the first round of the playoffs this weekend.

Should Belleville win in the playoffs this weekend, they will move on to the Super Bowl, November 17 at Kearny.

The Bucs scored three times in the first half. Leading the way was Mike Barnes, who scored on runs of 40 and 60 yards.

Joe Troise added the third score with a 55 yard run and Angelo Silletti added two extra points along with Joe Banda, who scored the third extra point.

Pacing the running game with good efforts from the line were Steve Taylor, Joe Droz, Frank Salera, Jose Hernandez and Gerard Garilli.

Defensive standouts, especially on the goal line state late in the game were Anthony Giordano, Joe

Pizzi, Pete Maccarone and Tommy Rafferty.

Pirate "A" team falls to Garfield

The Pirate "A" team lost a 20-0 decision to Garfield last Friday night.

The game was sparked by Lard hitting defense from both sides.

Leading the way for the Bucs on defense were Eric Ferriol, George Chumas, Anthony Belli, Autiyou Caban, Mike Williams, Anthony Malanga, Brian Rosenfield, Lonnie Lawson and Dennis Clay.

Ferriol and Caban were also standouts on the offense.

Belleville Elks holding

'Hoop Shoot' on Nov. 29

The Belleville Elks #1123 will be holding their competition for the 25th Annual Elks Hoop Shoot, "the national free throw shooting contest for youngsters age 8 through 13, will be held at the Middle School on Friday, November 29th at 8 a.m."

Over three million youngsters from throughout the country entered last year's competition for boys and girls in age categories 8-9, 10-11, and 12-13. Each contestant has 25 shots at the hoop. The boy and girl in each age group with the

best scores advance through four tiers of competition to qualify for the national finals in Springfield, Massachusetts.

Local winners will compete against other contestants in New Jersey later this year. Names of the national winners will be inscribed on the Elks National "Hoop Shoot" plaque, on permanent display in the Neismith Memorial Basketball Hall of Fame in Springfield, Massachusetts.

REC NEWS

League Director Needed

The Belleville Recreation Department is in need of one adult to coordinate and supervise its Youth Basketball clinics and leagues for boys in grades 3-8. Beginning in November, these activities take place on weeknights and Saturdays at the Middle School and at other locations, to be announced.

The part-time position entails supervision of league games/personnel and recruiting volunteer coaches for teams. Anyone interested must reside in Belleville and qualified applicants must be sports minded, responsible and must work well with people. This position would also be good experience for a college student majoring in recreation/physical education.

Please call the Recreation office at 450-3422 if interested.

Registration for Rec Wrestling

Applications for Recreation Wrestling are now available at the Belleville Recreation Department at

407 Joramelon Street between 8:30-12:00 and 12:30 p.m. to 4 p.m., Monday-Friday. The Belleville Recreation Wrestling Program introduces boys, ages 6-14, to the fundamentals of the sport. Basic techniques, moves and strategy are taught to beginners as well as to the more advanced wrestlers. In competition, the boys are matched up against opponents of the same weight class.

Recreation wrestling will be conducted on Monday, Tuesday and Thursday evenings from 6:15-8:15 p.m. in the High School cafeteria, beginning November 4. Tentatively, ages 6-9 will be given basic instructions from 6:15-7:15, while the 10-14 year olds are prepared for league competition between 6:15-8:15.

Boys can register for the activity by completing an application at the Recreation office before participating. Birth certificates are required for all first-time applicants, who must be Belleville residents and cannot be above eighth grade. For further information, call

450-3422.

Basketball Leagues

The Belleville Recreation Department is forming basketball leagues for children in grades 3-8 and applications are now available at the Recreation office.

In preparation for the leagues, basketball clinics will be conducted at the Middle School Boys' Gym. Clinics will be held Monday, November 11 and Tuesday, November 12 as follows: Grades 3-4 from 7:00-8:00 p.m.; Grades 5-6 from 8:00-9:00 p.m.; Boys and girls shall attend these clinics together. "Performance Clinics" for player assignment will be held November 18 (Girls) and November 19 (Boys).

Interested players should pick up application forms at the Recreation House, 407 Joramelon Street, and return them with birth certificates before participating. The registration deadline for the basketball leagues is Friday, November 15, 1996.

The Recreation office on Joramelon Street will be open for registration on Wednesday nights, 6:00-8:00 p.m., beginning October 2.

Basketball Coaches Needed

The Belleville Recreation Department is presently seeking adults to volunteer as coaches in its Junior Basketball Leagues for boys and girls. Games are played on weeknights and Saturdays. If interested, call the Recreation office at 450-3422.

Execution for Sale of Mortgaged Premises

The Deacons' Bench
By Frank Santamassino
Sports Information Director
Bloomfield College
A feature of The Nutley Sun, Belleville Times and Bloomfield Life

The Bloomfield College volleyball team won the championship of the Central Atlantic Collegiate Conference Tournament at St. Thomas Aquinas College in Sparkhill, N.Y., last weekend.

At the same time, the Lady Deacons made history by being the first Bloomfield College volleyball team in the school's 100-year existence to capture the conference crown.

They also now own the college's record for volleyball victories in a season with 25 wins, surpassing last year's win total of 24.

Bloomfield College was in splendid form as the Lady Deacons rolled over Nyack, 15-7, 15-3; St. Thomas Aquinas, 15-1, 15-3; and Dominican, 18-16, 15-9.

Bloomfield's Otisa Small, Teresa Dewera, Lora Tuncezer and Kathy Cardona made the all-tournament team roster, while fellow teammate Melissa Prestiani was named Most Valuable Player of the tourney.

Bloomfield is now seeded second in the Independent Group and will play tomorrow, Nov. 8, at Wilmington College in Delaware. The Lady Deacons are pitted with Dominican and Philadelphia Pharmacy, with the other pool consisting of Wilmington, St. Thomas Aquinas and Columbia Union.

The top two teams from each group will advance to the semifinals on Saturday, Nov. 9. Let's hope the Lady Deacons put forth more of the same battling spirit when they lock horns tomorrow.

The Bloomfield College men's

soccer team (13-7) finished the regular season on a strong note last week, pumeling Dominican 6-1 as center midfielder Pablo Budna was the wonderman of the match, connecting for five of the six goals.

This victory sent strong signals around the league that the Deacons, who have been inconsistent most of this season, were slipping into high gear just as the crucial single-elimination conference matches arrived.

But, the guys spluttered and tumbled out of the tournament with a 2-0 loss to Tekylo Post on Saturday.

Injuries to key players and the flu bug decimated the Deacons and weakened a usually strong bench for the Tekylo Post game, resulting in a listless overall performance from the Bloomfield side. Passes were not sharp and movements upfield were not crisp. Loose balls in midfield were not collected and distributed as they should have been.

Tomaz Mocznicki, wallowed by the flu, was forced to sit and watch and the Deacons missed the attacking midfielder's gutsy, enigmatic style.

Also, Edefenature Sodje, Ian Walters and Antonio DiFiore operated on half-power with nagging muscle strains and pulls, and stopper Rob Connaghan was sidelined after receiving stitches to the mouth a few days earlier.

Said injuries were the main culprit of the lackluster display put forth by Bloomfield, allowing Tekylo Post the chance to travel to Vermont to lock horns with Green Mountain College in the NAIA tournament next week instead of the Deacons.

against you for the relief demanded in the Complaint. You shall file your answer and proof of service in duplicate with the Clerk of the Superior Court of New Jersey, Hughes Justice Complex, CN-971, 24 Market Street, Trenton, New Jersey 08625, in accordance with the rules of civil practice and procedure. This action has been instituted for the purpose of (1) foreclosing a mortgage dated August 16, 1994 made by James R. Ross, a married man, as mortgagors and given to Countrywide Funding Corporation under the name of James R. Ross, as a plaintiff and JAMES R. ROSS, et al, are the defendants, pending in the Superior Court of New Jersey, Chancery Division, Essex County and bearing Docket No. F-9452 within thirty-five (35) days after NOVEMBER 7, 1996 exclusive of this date. If you fail to do so, judgement by default may be rendered

you may communicate with the New Jersey State Bar Association by calling 908-249-5000. You may also contact the Lawyer Referral Service of the county of venue by calling (201) 622-9297. If you cannot afford an attorney, you may communicate with the Legal Services Office of the county of venue by calling (201) 622-1513. This is an attempt to collect a debt and any information obtained will be used for that purpose. YOU, SPIROS KARPIDINOS, are named as a party defendant to this foreclosure action for any lien, claim or interest you may have in, to or on the mortgaged premises, by virtue of the following judgement

Weichert, Realtors raises \$95,000 for March of Dimes Phonathon

Weichert, Realtors' sales associates raised more than \$95,000 for the March of Dimes Campaign for Healthier Babies during the 1996 Phonathon.

By volunteering their time to contact previous donors, Weichert sales associates solicited pledges of \$95,567 during call nights at local sales offices. Last year was the fourth consecutive year that Weichert, Realtors participated in the Phonathon. The four-year total was \$402,067.

The Campaign for Healthier Babies supports programs aimed at preventing birth defects and infant deaths through medical research, community services, advocacy and health education.

"I'm very proud of the effort our sales associates have made on behalf of this worthy cause," said James M. Weichert, president. "What better investment can we make in our future than in helping to assure the health of our children."

"Weichert is an important partner in the March of Dimes Campaign for Healthier Babies. Your efforts to raise significant dollars and to inform the community are the success formula in action," said Franklin Desposito, M.D., chairman of the North Jersey Chapter of the March of Dimes. "We appreciate your ongoing commitment of time and talent."

Weichert, Realtors has 7,500 sales associates in 200 offices in Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia and Washington, D.C. Weichert handles both residential and commercial real estate and offers a full array of time-efficient, one-stop shopping services, including mortgages, insurance, rentals, relocation, new homes and land, estate marketing, title services, property management and moving services.

Weichert, Realtors begins annual toy drive

James M. Weichert, president, has announced the launch of Weichert, Realtors' 18th annual Toy Drive. Each of the company's 200 sales offices will collect toys for distribution to financially and/or physically disadvantaged children within the local community.

Weichert offices will accept donations of new toys through Friday, Dec. 6. Local charities which aid needy or underprivileged children will deliver the toys during the holidays. Last year, more than 17,700 toys were distributed by charitable and service organizations in the communities Weichert serves.

To make a donation, drop off a new, wrapped toy at a local Weichert, Realtors office. Toys should be marked to specify the appropriate age of the recipient and whether the gift is for a girl or a boy. For more information, contact a local Weichert office.

Weichert, Realtors has 7,500 sales associates in 200 offices in Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia and Washington, D.C.

James M. Weichert and Santa prepare for Weichert, Realtors' 18th Annual Toy Drive.

Use Your PRICE PLUS® Card To Earn A...
FREE TURKEY

Shop at ShopRite from Oct. 13th thru Sat., Nov. 9th. Spend a TOTAL of \$250.00 or more during that time period and get your FREE ShopRite Grade "A" Frozen All Natural Turkey. (up to 20 lbs.)

IT'S AS EASY AS...

1. Just present your Price Plus® card every time you shop at ShopRite starting SUNDAY OCTOBER 13th thru SAT., NOVEMBER 9th.
2. We will automatically add your receipts for each shopping trip. No register tapes to save, or cards to punch each week! It all happens automatically with your Price Plus® card at ShopRite.
3. Spend \$250.00* or more in total at ShopRite by Saturday, Nov. 9th, and you're entitled to receive a FREE ShopRite Grade "A" Frozen All Natural Turkey (up to 20 lbs.). We'll mail a certificate to you for your free turkey, in time for your Thanksgiving Dinner.

*Only purchases scanned with your Price Plus® card at a ShopRite Supermarket from Oct. 13 thru Nov. 9, 1996 are eligible. You must use the same Price Plus® card on each shopping trip in order to receive credit for your purchases on your Price Plus® account number. Receipts not accepted. Total purchases are calculated before taxes and after coupon deductions. Limit one Free ShopRite Grade A Frozen All Natural Turkey up to 20 lbs. per household. Offer excludes pharmacy dept., purchases, gift certificates and postage stamp sales, mail, tobacco and other items prohibited by law. No cashback for specific turkey weights will be issued if product up to 20 lbs. is available. See store for details.
