Seven out of 12 prizes to School Five Poster contest goes Belleville

By Howard Klausner

Fourth graders of School Five scored a victory in a County-wide poster contest, winning seven of the 12 prizes awarded, including First and Second Place.

The Essex division of the County Officers Association of New Jersey sponsored a poster contest on the topic - "My County" - and invited the fourth graders in each of 12 school districts to submit entries.

The students made up their own topics, after discussing what their districts had to offer. In Belleville, the dominant theme was cherry blossoms - the township being home to the largest planting of cherry blossom trees in America.

Fourth grade teachers Michele Capriglione and Cynthia Richter presented to finished works to Principal Frank Catrambone, and the posters were off to the contest.

"I was astounded," Catrambone said. "We had won seven out of 12 prizes awarded, all to one town - Belleville - and all to one school, School Five!"

Joseph Pizzi won first prize, and a \$100 savings bond, for his depiction of cherry blossoms that seemed to spill over the landscape of park and river.

Matthew Alfano won second prize, and a \$50 bond. Prizes of certificates went to John

O'Donnell, Victoria Babcock, Lauren Russell, Joseph Longo and Jennifer Tennis.

Jennifer Tennis' poster included the County Courthouse, the County Jail, the Hall of Records and School Five.

John O'Donnell blended the cherry blossoms with Sacred Heart Cathedral.

Joseph Longo showed Branch Brook Park and a flower beds.

Lauren Russell depicted cherry

blossoms along a river bank.

Victoria Babcock showed the beauty of the cherry blossoms.

The youngsters took the prizes in stride, even as their teachers were struck with wonder and delight at their pupils' achievement.

Judging the posters were Clerk Patrick McNally, Deputy Clerk Arthur Wright and Surrogate Joseph Brennan.

Planning Board accepts mall plan for Macy warehouse site

By Howard Klausner

A \$20 million project for a small shopping mall where Macy's warehouse now stands was approved by the Planning Board Thursday night, after the project owner met criticisms of traffic flow.

Two thirds of the 15-acre tract is in Bloomfield, and any final approval of the project must come from that township.

In December, the Belleville Planning Board turned down the proposed 140,000-square-foot mall by a 6-3 vote, after Bloomfield had approved the original proposal by

Newel's Realty Co. of Southport, Conn.

It was voted down by a majority that included Council Member Mario Drozd, Board of Education Member Judy Piscatowski, Mayor Victor Canning and Public Works Superintendent Charles Cerami.

It was supported at the time by Sam Papa, Planning Board chairman.

The plan which won approval includes a system of signal lights and a widening of the road at the corner of Watessing Avenue and Franklin Street, at an estimated cost of \$1 million.

Mayor votes against it Council passes budget, 5-to-2

By Howard Klausner

The Township budget was enacted into law, Tuesday, by a split vote of the Township Council.

Supporting the budget were Council Members Jim Messina, William Escott, Mario Drozd and Arnaldo Carrera.

Opposed were Mayor Victor Canning and Council Member Jerry DiGori.

Absent was Council Member Angie Paserchia, who left a letter for the Council state that if present, she would have voted against it.

She reported being hospitalized with a viral infection.

Passage of a budget requires five votes.

Canning made no comment in casting his vote against the budget, which will bring a 53-point tax increase.

DiGori said simply, "It's a little too high, I'm against it."

In supporting the budget, Drozd said it had been his previous policy to vote against any budget increases, but he saw no alternative to supporting this one.

Escott said, "It's time to bite the bullet. We kept our taxes down when the county and the schools let them go up. Now, it's our turn."

Messina argued for the necessity of the budget outlay.

The budget calls for an outlay of \$33.2 million, as compared with the 1996 outlay of \$32.1 million.

The amount to be raised by taxation is \$19.4 million, compared to \$17.1 million in the previous budget.

Because there was little surplus in the budget, there was no way to dip into that fund to keep the tax

rate done, as had been done in previous years.

Paserchia, in her letter, said she had laid out budget reductions, and included in her suggestions the reduction of a \$700,000 surplus to \$50,000, and using \$650 to reduce taxes.

"By simply keeping this year's spending at the current levels, we could easily hold the line on taxes in 1997."

Public comments ranged from a suggestion that the Council be arrested for "impersonating a council" to requests for the restoration of library funds.

Belleville Librarian Adrea Cohen made an impassioned plea for funds to keep the library from facing the danger of loss of state aid.

A Silver Lake resident, who said she was the mother of three young

children, asked for funding to prevent the closing of the Shafter Library Branch, now housed in School Four.

The Council voted a bond issue of \$5,810,000 to fund capital improvements totalling \$6,116,000.

Included was \$1,825,000 for street and sewer repair; \$190,000 for a fire engine; \$250,000 for repaving the area around the Public Safety Building; \$56,000 to complete exterior work on the Municipal Building.

Also, \$150,000 for improving Greylock Parkway; \$500,000 for the acquisition and demolition of 131-135 Washington Ave.; \$250,000 for playground equipment; \$2.3 million for the renovation of the interior of the Municipal Building, and \$425,000 for the acquisition of 265 Franklin Ave. and nearby property.

SIXTH GRADERS IN CYBERSPACE - How they are working the Internet is explained by bedazzled adult in Aside from That, Page 2.

Passaic man, 21, dies in car crash

A car heading south on Route 21 went out of control and crashed into a tree, at 2 a.m. Saturday.

A passenger, Tyshawn Ray, 21, sustained head injuries. Taken to University Hospital in Newark, he died shortly after the crash.

The driver, Tyree Oliver, 18, and two children, 8 and 7 years old, also sustained injuries.

Oliver was operating a 1982 Honda station wagon.

17 held on lewdness charges

By Howard Klausner

The Mill Street cul-de-sac in Belleville Park was the scene of 17 arrests on morals charges in a period of less than a week.

Police said that the arrests were not occasioned by social activities of gay men who frequent the area but by acts of lewdness the police say they witnessed.

In one case, police said, a 34-year-old Glen Ridge man approached a plainclothes police man and offered him \$5 to perform a sexual act.

Those arrested ranged in age from 67, for a Newark man, to 31.

Just one Belleville resident was arrested.

The others came from Newark, Orange, Bloomfield, Nutley, Harrison and Kearny.

Police have paid close attention to the park since a surge in complaints by area residents about sexual acts being performed there.

A magazine has listed Belleville Park as a place to meet gay men and similar information is given on the Internet.

Police said they had no problem with people's lifestyles.

Detective Captain Joseph Rotonda said, "We are only interested in law violations when they

are overt acts. Anyone arrested is arrested only for an overt act."

Police noted that the undercover vice squad keeping an eye on the park will stay in operation for the next few weeks.

"We expect a lot more numbers," a detective said.

Those arrested are usually released without posting bail, to await a hearing in Municipal Court.

The punishment is normally a fine.

Neighbors of the park have told police that it has become impossible for them even to walk their dogs in the area, because of the activity there, both day and night.

Aside from That

By Howard Klausner

A note from Ralph Cueman informs us that the name of **Sgt. Harry Ward, Jr.**, should be listed among the **Belleville** fallen of World War II. Sgt. Ward was in the Engineers when his ship was hit by a Kamikaze suicide bomber during the invasion of **Leyte** in the **Philippines** in 1944. Mr. Cueman married Sgt. Ward's sister, **Doris Ward**, who was in the **Belleville Finance Department** for many years until her retirement in 1982. Mrs. Cueman died in 1993. "Harry Ward was born and raised in Belleville," Mr. Cueman said. "He deserves to be remembered." Among those who awaited the liberation of the Philippines were **Roger Escorpizo** and his future wife, **Lydia**. They had lived through the Japanese invasion and occupation, and then the liberation, which made **Manila** into a battleground. As defeat came closer, Japanese soldiers massacred an estimated 100,000 civilians, whose bodies were found, their hands tied behind their backs, as they were slain methodically. The **Escorpizos** became medical workers and found their way to **America**. Their son, **Raymond Roy Escorpizo** showed brilliance and determination even as a child. He went to **Seton Hall Preparatory School**, where - among other academic honors - he won a trip overseas sponsored by the **Mercedes-Benz Corporation**. On graduation from **Seton Hall Prep**, he won acceptance to every one of the military academies, along with **Massachusetts Institute of Technology** and a host of **Ivy League** schools. He opted for the **United States Air Force Academy**, where he was awarded his diploma and his **Air Force** commission as Second Lieutenant on May 28. His parents live on **Ligham Avenue** in Belleville. **Dolores Cafone Vitiello** was among the members of the **Belleville High School Class of 1946** who planted a memorial tree in front of the high school last month. "It was a funny feeling for me, because I was born on the site of the new high school," she said. Her parents, **Dominic** and **Angelina** had a house on the land which later was used for the high school. They raised seven children and **Dolores** was one of the children who stayed in Belleville. Her husband, **Joseph Vitiello** was with the **Department of Public Works** for many years. Her brother, **Rocco Cafone**, is principal of the **Middle School**. "I get very annoyed when I hear people knock the school system. Do they think we graduated a bunch of dummies? We had doctors and lawyers and outstanding people come out of our schools. We have a lot of good things in our schools, and in Belleville. I don't ever plan to move." **New Jersey's** top military award, the

Distinguished Service Medal, will be presented today to **Anthony T. Paglucci**, who served in World War II as a Sergeant and Squad Leader with the Engineers, seeing service in **Africa** and **Europe**. Wounded in service, he received the **Purple Heart** and the **Bronze Star**. If any friends of his know more about his story, we should be happy to hear from them, or from Mr. Paglucci, for that matter. We had a trip into Cyberspace with the most likely people to navigate it, a trio of Sixth Graders from **School Three**. They were **Krystle Blanchard**, **David Cavallo** and **Logan Williams**, and they were members of the championship **Stock Market Club**, which is one of the reasons they are interested in computer information. "What's **Microsoft** selling at?" David asked. Logan hit a key and got the answer. "What was the last time it was announced?" David asked. Logan found that it the price was current at 12:45 p.m. The financial wonders knew that stocks could change quickly. Their club had come in second in a state-wide stock market contest, in which they made a paper profit of \$11,688 on a \$100,000 investment - in a week of mad action. Try that with your broker some time. Logan reported that he was playing the stock market for real, now, through his dad, who made the transactions for him. But learning how to lose your shirt in the stock market is only one of the wonderful things available to the children at **School Three**. Teacher **Maryann Zizza** is the computer guru who has shown the children how to make contact with the world, as part of the school's program to make the little ones into computer literate people able to access the **Internet** with an ease that will terrify their parents, who even now have difficulty setting the clocks for **Daylight Saving**. "They have literally browsed the **Louvre Museum** in **Paris** and seen the **Sistine Chapel** in **Rome**. They have also made contact with the **White House**, receiving in return an e-mail message from **President William Jefferson Clinton**. "We must work together to ensure that every eight-year-old is able to read, every 12-year-old is able to log on to the **Internet**, every 18-year-old is able to go to college, and every adult American is able to keep on learning for a lifetime." President Clinton stated. We are happy to report that **Steve Vogel** is back at work in **Town Hall** as our sterling **Tax Collector**, after having come through a quadruple-bypass heart operation. While the experience may be akin to being run over several times by a truck, **Steve** seems to have come through in good shape, and is now set to share a flock of birthdays with the grandchildren. **Fifth Ward Councilman Harry Zilch** sees the need for more grants. "After they scatter the town offices while the renovation of **Town Hall** goes on, we'll need reward money to find them." **Zilch's** political supporters, the **The Kool Kukumber Boys** want to funding to establish a **New Jersey School of Medicine** strictly to treat **New Jersey** diseases. "We'll work on the **Jersey Cough**, the **Jersey Sneeze** and the **Jersey Blink**, which becomes very prevalent after driving three hours on the **Turnpike**."

THE ENRICO TAMBURRI MEMORIAL FOUNDATION'S May 25 fundraiser was a huge success, thanks to all the supporters and attendees. Over 400 people attended the event which grossed over \$10,000 for children in our community suffering from serious illness. Pictured above, **Nutley Mayor Garry Furnari** and **Gina Tamburri**, president of the foundation. Mayor **Furnari** praised Mrs. **Tamburri** and the members of the foundation for their dedication and devotion to the organization and also spoke of the importance of the foundation to the community.

B.A degree earned

Catherine Pignataro, daughter of **Frank Pignataro** of **Nutley** and **Kathleen Muraca** of **Belleville**, was awarded a bachelor of art degree at **Seton Hall University's** recent commencement.

Pignataro, who majored in sociology, was awarded membership in **Alpha Kappa Delta**, the **Sociology Honor Society**. **Catherine** was also vice president of the **Sociology Club** and a member of **Phi Alpha Delta**, **National Pre-Law Society**.

Pignataro was a graduate of **Belleville High School** where she was also involved in many activities including vice president of her senior class of 1993 and managing editor of the yearbook.

Health Department advisory offered on osteoporosis

By Cindy Mizelewski

The **Belleville Health Department** is actively involved in increasing public awareness on various health topics of interest to the community. The **Belleville Health Department** would like to take his opportunity to inform the public about osteoporosis.

Osteoporosis is a disease in which the bones become fragile and more likely to break. If not prevented or left untreated, osteoporosis can progress painlessly until a fracture occurs. These fractures typically occur in the hip, spine, or wrist.

Fractures in the vertebrae can result in loss of height, or stooped posture. Hip fractures can limit an individual's mobility and can lead to a loss of independence. Complications from surgery to correct hip fractures can sometimes result in death.

While women are five times as likely to develop osteoporosis, it can also affect men.

Several factors can increase your risk of developing osteoporosis. They are as follows:

- Thin, small boned frame;
- Family history of broken bones, or stooped posture in older family members, especially women;
- Early menopause before age 45, either natural or resulting from surgical removal of ovaries;
- Advanced age;
- Diet low in calcium;
- Inactive lifestyle;
- Caucasian or Asian women are at highest risk;
- Cigarette smoking;
- Excessive use of alcohol; and
- Prolonged use of certain medications including glucocorticoids, excessive thyroid hormones, and some anti-seizure medications.

Osteoporosis leads to 1.5 million fractures per year. Approximately one in three women over age 50 will suffer a vertebrae fracture, more than 300,00 hip fractures occur per year due to osteoporosis and as many as 50,000 of

these people die a year as a result of hip fractures.

Although osteoporosis is a very debilitating illness, much can be done to prevent it or arrest its progress. Calcium plays an important role in maintaining bone. Many women consume less than one-half of the recommended amount of calcium. Vitamin D also plays an important role in the absorption of calcium. Vitamin D is synthesized in the skin through exposure to sunlight. Vitamin D production decreases in the elderly who are homebound and during the winter months.

Ideally, daily calcium requirements should come from calcium-rich foods such as dairy product and dark green leafy vegetables like broccoli and collard greens. Many people, however, need to supplement their diets with other sources.

Exercise can be helpful in building and maintaining strong bones. Weight bearing exercises such as walking and jogging are beneficial. Other exercises which are helpful include tennis, aerobic dance and stair climbing.

To determine if you have osteoporosis or are at risk, ask your doctor. If you are found to be at risk, you doctor may recommend bone density studies. These tests are simple, and painless test which use minimal radiation.

Since estrogen is so important for maintaining bone in women, many physicians prescribe estrogen replacement for women at menopause. Estrogen may help protect bone during the years of rapid bone loss following menopause. There are certain risks as well as benefits to estrogen therapy which must be discussed with a physician.

There are many medications now available to help slow the rate of bone loss and help relieve bone pain.

For a list of organizations which offer information on osteoporosis call **Cindy Mizelewski**, health educator, at 450-3395.

ARC seeking teen counselors

The **ARC** of **Essex County** is seeking teenagers for Counselor-in-Training volunteer positions at **Camp Hope**.

Camp Hope is a seven-week summer day camp program located in **East Hanover**. It serves developmentally disabled children and

young adults, ages 6 to 21 years ago.

CIT volunteer positions are available to boys and girls, 13 years and older, for a 3 to 7 week period. Daily hours are from 9 a.m. to 3 p.m., Monday through Friday, and transportation may be available from **Essex County**.

Applicants must be available for orientation the week for **June 23** from 9 a.m. to 5 p.m., Monday through Friday. The camp season is from **June 30** to **Aug. 15**.

Those interested may call **Mary Hart**, camp director at 535-1181, extension 1240, to request an application.

A Little Bit of Heaven
There's a little bit of Heaven
in every child of God
And every seed of kindness sown
is sown in fertile sod.
There's a little bit of Heaven
within the Christian heart,
For once the Spirit dwells there,
it becomes a work of art.
There's a little bit of Heaven
in every answered prayer,
For once a prayer is answered
you know the Lord is there!
There's a little bit of Heaven
in every hymn we sing,
For when we sing His praises,
it's a many splendored thing.
There's a little bit of Heaven
in every passing day,
For the Father loves His children,
and keeps in touch that way.

Clay Harrison

I am very sorry to hear that Janet Zdiebko will be moving to Ohio to live near her son. Janet is probably the hardest working member of the Tuesday and Friday Senior Citizen clubs. She is one of the finest persons it has been my privilege to know. I know that she will be missed by the members of both clubs. Janet, we wish you well and may God be with you wherever you go.

Welcome back to Camille Hoffman and Fran Alfio who have been out ill for some time. Clair Oaks, who will be 97 soon, is in the hospital.

Sam LaSala, who had a fall, is in the hospital. Arthur Keenan is out of the hospital and recuperating at home. Louise DiGiovanni is recuperating from a fall that gave her a broken shoulder. Carmella D'Arc fell and injured herself at home. I understand that Carmella Scanzilli is also hospitalized in Clara Maass Hospital. Wow! What is going on with all these falls and illnesses?

Sorry to hear that Adolph Vecchione, vice president of the Concerned Citizens of Belleville, lost his sister.

Let's put all that bad news behind us and let me give you some good news. Happy birthday to my wonderful friend, Dorothea Behan.

"I do my thing, and you do your thing. I am not in this world to live up to your expectations — and you are not in this world to live up to mine. You are you and I am I. And, if by chance, we find each other, it's beautiful." By Frederick S. Perls.

Happy birthday to Provi Anuso, membership chairperson of the Friday Seniors; Pat Rotonda (on Flag Day), parliamentarian of the Tuesday and past president of the Belleville Old Guard; Anthony Amico who is chaplain of the Belleville Old Guard; Phil Conte, Herman Hage, Emily Trimarco and Winnie DePas.

Happy 50th wedding anniversary to John and Mary Caruso who held their celebration at the Branch Brook Manor. Also happy anniversary to Madelain and Michael Vitello, John and Ann Gualtieri, Bill and Phyllis Grainger, Phil and Ann Livechi (Ann is the sunshine gal of the Tuesday Seniors and does a terrific job), the Phil Cannivinas (musician extraordinary of the Belleville Old Guard), the Arnold Salernos, the Sal Calabros and my good friends,

Carmine and Lucy Urso.

Pat and Jo Rotonda celebrated their anniversary on June 5 and Pat told me that when they got married on June 1, 1963, it was a beautiful sunny day. Some memory. I am all out of breath from all these announcements.

At the May 22 meeting of the Concerned Citizens of Belleville, Dr. Ella Filippone, noted environmentalist, was guest speaker. Introduced by Vincent Frantantoni, Dr. Filippone gave the members and guests the latest information on the flood tunnel. It seems that Governor Whitman is still playing hanky panky about killing the flood tunnel bill. She has not taken a firm stand on this issue and we must be wary of what goes on or they will bring back the flood tunnel. Dr. Filippone also spoke on several other topics and introduced fellow environmentalist Rich Isaac, and Pete Russo of Lyndhurst, who at the age of 82 was elected commissioner of Lyndhurst and is out helping clean up the Passaic River every Saturday and Sunday. As president of the Concerned Citizens of Belleville, I thank Dr. Filippone and her guests for a very fulfilling evening. These are the people who are leading the battle against the pork barrel schemes of our politicians. I commend them and urge them to continue, with our help. I know they will keep us posted on the latest news from Washington.

I forgot to mention that Charlie Caracciola is celebrating his 86th birthday. Got it in, Charley. And Richard and Helen Koch are celebrating their anniversary as well as the Frank Candolaras. Wow! Happy birthday Dennis Gualtieri.

Tid bit: True worth is in being, not seeming, in doing each day that goes by, some little good, not in dreaming of great things to do by and by.

Yes! Belleville is beautiful, so keep it that way.

A feature of Belleville Times

Come one, come all, to the Feast of St. Anthony's.

You all know the dates, June 13, 14 and 15 - and the place, right here on Heckel Street. The "Angel" tells me that everything is on target, so mosey on down and enjoy.

I promise you will eat well, or is it eat good? Whatever. And I promise that you will have a darn good time and meet up with people you haven't seen in many years.

And when Sunday rolls around, you're in store for a treat - the statue of St. Anthony being wheeled around our Silver Lake streets wrapped and wrapped with our ribbon donations.

And then, Sunday evening, you're invited to Benny's Hideaway.

Where's Benny's Hideaway? In front of 74 Heckel Street. Your hosts are Benny DeMauro and Nicki Caselda.

Remember to wear your "boogie shoes," 'cause we're gonna dance the night away.

For you listening pleasure, Benny and his "paisanos" (friends) have donated the Acquario Sound Band with D.J. Tony DeFelice and Jerry Caputo, the leader. Also featured will be an opera singer, Fernando Ponti, from Argentina.

And to top it off will be the Desiderio Band, along with their singer. Headline attractions, don't you think?

So, as soon as evening rolls in, come down to the Hideaway and we will all "dance under the stars."

Birthdays, birthdays, and more birthdays.

Happy birthday to Rose Renna of North 11th Street. Everyone knows "Bingo Rose." She's the caller at St. Anthony's.

Her hubby, Anthony (Babbers) Renna, is one of the best painters I know and one of the hardest fundraisers in the SLCA.

A 50th birthday party was given to Debbie Cuzzo by her gracious and generous husband Tony Cuzzo. The event was held at the Chandelier Restaurant on June 6. A 50-gun salute is coming your way, Debbie.

And to Angelina Cuzzo of Salter Place, happy 90th. You know who she is, don't you? She's the mom of Grace Constantino and "the Angel."

Angelina's not in good health, but how can she go wrong with daughters like she has?

A little bird told me that Inspector Grace Dondarski, our neighborhood complaint lady, will celebrate her birthday on June 15. I bet grace wonders who the little bird is. I won't tell.

And beware, because the inspector is always on the job. If you don't keep your property up, or place your garbage out on the wrong day, or anything that makes Silver Lake look bad, beware, because Grace will get you. That's a promise, not a threat.

Now, let's all sing: "Happy birthday to you, happy birthday to you, happy birthday inspector Grace Dondarski, happy birthday to you."

Remember, we love Silver Lake, and St. Anthony's Feast, too.

Scout council changes name

Members of the Girl Scout Council of Greater Essex County has voted to change the council's name to the Girl Scout Council of Greater Essex and Hudson Counties.

The vote occurred during the organization's annual meeting and recognition program on May 13.

The name change comes approximately a year and a half after the Girl Scout Council of Hudson County joined the Girl Scout Council of Greater Essex County, according to Jan Lilien, the council's executive director.

"The two councils were officially joined as one at a 'bridging ceremony' in November 1995, and Greater Essex's jurisdiction was expanded to include all of Hudson County," Lilien explained. "However, our name did not reflect the change."

According to Lilien, members of the council were asked to submit name suggestions in the fall of 1996. The top three selections were presented and voted on at the annual meeting and the Girl Scout Council of Greater Essex and Hudson Counties was selected as the winner.

The new name goes into effect immediately, according to Lilien.

The Girl Scout Council of Greater Essex and Hudson Counties serves a membership of 11,000 girls and adults throughout Essex and Hudson counties, as well as in Summit and New Providence in Union County.

For additional information, contact the council at 120 Valley Rd., Montclair, New Jersey 07042. Call 746-8200 or fax the council at 746-4163.

Children write on patriotism

"What does the American flag mean to you?" This was the question Belleville's School 3 Home and School Association recently asked its students. According to Sue Cozzarelli, chairperson, 230 students ranging from kindergarten to sixth grade participated in the 50-word essay contest.

Under the coordination of Barbara Tuck from the Belleville Veteran's Council, the essays were read and judged by local veterans. The winners were announced at a special school assembly on May 23. They are as follows:

First place winners: kindergarten, Thomas Cook; first grade, Rebecca Cozzarelli; second grade, Jenna Olesky; third grade, Jonathan Flynn; fourth grade, John Clemente; fifth grade, Keri Bauer, and sixth grade, Steve Kusiak.

Honorable mentions: Omair Akbar, kindergarten; Matthew Kaminski, first grade; Robert Cozzarelli, Jr., second grade;

Ashley Miele, third grade; Anthony Falce, fourth grade; Dominique Morel, fifth grade, and Miguel Trabal, sixth grade.

The winners read their essays at the assembly and each received an American flag on a stand. All participants received a certificate of participation and flag pin from the Home and School Association.

The veterans were pleased and emotionally moved by all the essays. As a special token of appreciation and friendship, the veterans gave all participating students an American flag. The winners were also invited to read their essays during the Memorial Day services and school 3 has been asked to march in November's Veteran's Day Parade.

Rae Saulino, principal, said, "I am very proud of my students' participation and I am pleased that so many of them are aware of their heritage."

James Messina, chairperson of

the Veterans' Council added, "The veterans Council was very pleased to participate in this project that helped to make students aware of the meaning of Memorial Day. I'd like to see other schools get involved and follow the fine example that School 3 has begun."

Kindergarten, Thomas Cook, winner: "My country, 'tis of thee, sweet land of liberty, of thee I sing, land where my fathers died, land of the Pilgrims' pride. This is what the American flag means to me!"

Omair Akbar, honorable mention: "The American flag means that we love our country. We are proud of our country. That is why we salute the flag."

First grade, Rebecca Cozzarelli, winner: "Every time I look at the American flag I think about all the people in the Army that fought for us to make the world a better place. I ask my Daddy questions about the people in the Army and how they fought for us. I feel sad that they lost their lives just for us so that we could have a good time in our lives. I think of all the soldiers that fought for us at night and pray for their families. Their families must be proud of them...I am too!"

Matthew Kaminski, honorable mention: "Our flag means the home of the brave and the land of the free. My Daddy was a soldier during the Vietnam War and my Pop-Pop was a soldier during World War II. They were brave to fight so we can be free and fly our flag."

Second grade, Jenna Olesky, winner: "The American flag to me means freedom. White stands for purity. Red stands for strength. Blue stands for freedom. Freedom of choice. It stands for liberty, and freedom of speech."

Robert Cozzarelli, Jr., honorable mention: "When I salute the American flag I think of the people who fought in the war for freedom for all of us so we can be free. When I look at the flag waving in the air, I think of all the people who waved goodbye for us and went to heaven for our freedom."

Third grade, Jonathan Flynn, winner: "The flag of the United States of America means a lot to me. It gives me good feelings of friendship, freedom and peace. Its colors show strength purity and truth. I see a promise of love, loyalty and togetherness with God, our country and each other."

Ashley Miele, honorable mention: "Red, white and blue our country flag flies for you and me. The American flag means so much to me. The soldiers carried it through war for us so we could have freedom and hope. I am proud of our flag."

Fourth grade, John Clemente, winner: "To me the American flag means honesty, faith and pride. There are some people out there that don't have faith and pride in themselves. The American flag made those people have faith, pride and honesty. Because of the American flag people have the freedom to do what they want. World War I and II was about symbolizing the American flag and freedom. A lot of soldiers died to symbolize the American flag, that showed a lot of faith, pride, courage and bravery. The 50 stars on the American flag stands for the 50 states. God made us to be free, not to be tortured. So if anybody is ever sad or thinks they are useless, just look up at the American flag and you will find faith, pride and honesty."

Anthony Falce, honorable mention: "The American flag means many things to many people. To me the flag of my country makes me feel proud and safe. It represents the freedom that many men and women fought and died to defend. I felt really proud when my Cub Scout Troop picked me to carry the flag in the Memorial Day Parade in Belleville last year. That day I will never forget. We should all be proud of our flag; it's the greatest flag in the world."

Fifth grade, Keri Bauer, winner: "The American flag means a lot to me. The stars mean freedom and justice. The red may be for the

blood that was shed in the war. The clue for the sky and water. The most important thing is the remembrance of the people who died in the wars."

Dominique Morel, honorable mention: "The American flag is a symbol of freedom, honor, respect, freedom of speech, liberty and justice for all Americans. Every day in my class the first thing I do is salute the flag with honor and pride, by singing "The Star-Spangled Banner" and thanking God for making this country as wonderful as can be."

"When I went to a hockey game to see the Devils play the first thing we all did was to stand up and salute the American flag by putting our hand on our heart and saluting the flag and singing "The Star-Spangled Banner." Every time when I salute the flag by singing "The Star-Spangled Banner" I feel

this strong feeling inside me. I am so proud of being an American and everyone should be proud of this great country for which this flag stands for which is freedom. God bless America!"

Sixth grade, Steve Kusiak, winner: "The American flag reminds me of all the brave soldiers who fought in all the wars. That showed a real commitment. A commitment that would help this country as much as they could. They risked their lives for their country. The flag is a remembrance of all American soldiers."

Miguel Trabal, honorable mention: "When I stand up to say the Pledge of Allegiance, I look at the flag. I think about brave people that took place in wars. I think about how people risk their lives to save another. I think about my parents and how they love me. That flag means honor."

Registration is required, therefore, call the library at 450-3434 to register. There will be seven other classes in July and August. Pick up a listing on your next library visit and remember to register.

New Jersey books donated

As a result of the donation from Wilfred Yudin's family and friends, the following books on New Jersey have been donated to the library: "The Encyclopedia of New Jersey," second edition; "New Jersey Biographical Dictionary, 1997-98," over 1,000 entries of people of all times and all places who have been important to the history of the state; and "Dictionary of New Jersey: Historic Places." Each book contains a nameplate, indicating the donation.

"We appreciate very much the contribution that the family of Mr. Yudin has made to the library, and provided much needed books," said Library Director Adrea Cohen.

Note: All events unless otherwise noted take place at the Belleville Public Library and Information Center, 221 Washington Ave.

DiGaetano and Kelly to co-sponsor property relief

Assembly Majority Leader Paul DiGaetano and Assemblyman John V. Kelly, R-36th, have announced they will serve as co-sponsors of legislation that will permanently freeze tax payments at the current levels for over 200,000 needy seniors and disabled Garden State residents - 50,000 of which reside in Bergen, Essex and Passaic counties.

The legislation, to be introduced when the Assembly returns on June 5, requires the recipient to be at least 65 years of age or disabled, a homeowner, a resident of the state for at least 15 years, and qualify for enrollment in the state Pharmaceutical Assistance for the Aged and Disabled (PAAD) Program. PAAD eligibility requires singles, widows and widowers not to exceed a maximum income of \$17,550. The requirement for married couples is \$21,519.

"This legislation will give additional breathing room to those in dire need of such assistance. This is a tremendous opportunity to help people who have worked hard all their life. We owe it to them to provide some security and peace of mind for their retirement," said DiGaetano.

As it stands, the income limit for enrollment in the property tax freeze program would rise correspondingly with the cost of living adjustments to the PAAD program.

The bill also allows potential recipients to stay in the freeze program for one year should their income exceed PAAS limits. After two consecutive years of exceeding those limits, individuals would no longer be eligible for the freeze program.

Assemblyman Kelly said, "Regardless of the increase in local property taxes, seniors and the disabled who are eligible for the freeze program would not have to pay any more than they are already paying now."

"Although they would continue to pay the full amount they owe in property taxes, those who are eligible would receive a check reimbursing them for the difference," added DiGaetano.

The freeze program to be administered through PAAD is under the jurisdiction of the Department of Health and Senior Services, and will be financed through the casino tax revenue fund. However, the state will reimburse the casino fund from the general fund for the cost of the program.

The Breast Service at the Women's Health Center at Clara Maass.

Working to make women healthier.
Working to make families more informed.

You've heard the statistics before. In New Jersey, one out of eight women will develop breast cancer at some point in her life. About 75 percent of those women are over the age of 50. And the risk of developing breast cancer increases for a woman whose mother, sister or daughter has had the disease before menopause.

These statistics and other risk factors for developing breast cancer are the reasons the Breast Service, part of the Women's Health Center at Clara Maass, was developed. The Breast Service provides fully-integrated care for women - those with breast disease as well as those at risk - who are interested in maintaining good breast health.

Within the privacy and convenience of a single facility, located on the campus of Clara Maass Medical Center, women can obtain answers to their questions in a friendly, respectful environment. The mission of the Breast Service is to encourage and guide women through the complicated process of diagnosing and treating breast disease, and ensure that they are confident that they will be taken care of every step of the way.

Because all services are conveniently located in comfortable, diagnostic surroundings, patients at the Breast Service undergo tests and see physicians without having to travel or juggle several days of appointments.

Services available include:

- Physical breast examinations and instruction in self-breast examination.
- Diagnostic procedures including mammography, ultrasound and stereotactic breast biopsy.
- Breast-conserving surgery that removes the tumor as well as its margins, and tests for spread of disease.
- Breast reduction and cosmetic reconstruction during or after cancer surgery.
- Counseling and support groups for both patients and family members.
- Post-operative therapy including a lymphedema clinic.
- Information seminars on breast health and a Resource Center available within the Women's Health Center.

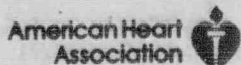

Patients benefit from an experienced surgical staff - physicians as well as support personnel - and receive the quality care that is synonymous with Clara Maass. With a professional team of breast specialists directly communicating and consulting with each other about their patients, time between diagnostics, test results and treatment is shortened.

The Breast Service at the Women's Health Center at Clara Maass... a place where women can receive emotional support, combined with the finest medical attention and educational resources. For additional information, please call 1-888-WOMEN-00.

OUR OPINION

What a century!

This month, the 100th Senior Class of Belleville High School will be graduated.

The transformation of American life that has taken place since June 1897 has been incredible, and yet there have been certain things that have remained constant.

The system of free public education up to the college level actually came into being late in the 19th century, and at its outset it was considered a daring experiment.

We might imagine that there were those in Belleville who questioned the necessity of spending money on a high school education that would be wasted on all those immigrants.

In 1897, a high school diploma was not something taken for granted. A bank or a major corporation might hope that an applicant for a position have a high school diploma, but it was not a requirement.

Most prominent Americans, from Mark Twain to Andrew Carnegie did not have a high school diploma.

For a working man, or a working man's child, to have a diploma was a major achievement. And, unless you wished to pursue a particular profession or skilled trade, it was not a necessary achievement.

If a dozen young people in the community completed high school, that was considered enough. The number who would go on to college would be a handful.

The courses taught in high school a century ago were not that much different from those taught today.

There might have been a greater emphasis on English and mathematics, and a really progressive school would have courses in chemistry and biology.

It is only the past decade that remarkable changes in curriculum have occurred, and that is because of the advent of the computer.

A school, after all, is a repository of information. The ability to gather information in 1897 was limited to the number of books that could be acquired, and the scope of the teachers who interpreted those books.

The explosion of information that has occurred in recent years may be such as to make our present schools obsolete.

Even now, students can receive instruction and information in their homes far beyond that available in classrooms.

Classrooms are being transformed into discussion centers, as students take information off their computer screens and share it with their class mates.

When youngsters can be put into direct conversation with astronauts in space, and with scientists and statesmen - or women - they have travelled far beyond the confines of their school house.

Our own opinion is that teachers and schools will be more important than ever, as the flow of information increases.

The principles of education laid down more than a century ago in our schools are still valid. Educated people are needed to educate the learners, and we are all learners.

Education may not mean wisdom, or virtue, but it a necessity if we hope to cope with an ever more complex world.

The social experience of learning in a classroom or school environment is as important as the facts and skills provided.

Missing today is the discipline and respect for teachers that existed in the school of 1897. Present today is an element of freedom and free inquiry that might have been less welcome in the school of a century past.

But one thing is the same - the wonderful experiment in education for democracy goes on.

YOUR OPINION

DARE picnic praised

To the editor:

As a parent and an educator, I am writing this letter to thank and congratulate the DARE officers of our town in response to the DARE picnic that they were responsible for coordinating for the sixth-grade children of Belleville. What a wonderful day the children had!

In culmination of the DARE classes they have experienced this year, what better ending could they have than to join with each other, from all the schools in town, to socialize, play sports and games, sing, dance, and even eat during their barbecue at the high school field. They were given the opportunity to apply skills that were introduced and reinforced in the program.

Your program works. It makes the children realize that there are "others," besides their families and teachers, who really care about them.

I'm sure that every child who participated in the DARE program and the DARE picnic joins with me in saying, "Thank you." The DARE officers teach the children that they are special. They should know that they are, too!

For Macho Rivera

To the editor:

Evelyn, Patti and Marge Rivera wish to thank all of you for the generosity, support and love that you have shown the Rivera family during this trying time.

It has made us feel so good to see the overwhelming response to our call for help.

The coming together of so many on such short notice was a sight to behold. You hear so much about the negative aspects of human nature that we are proud to have experienced the positive side.

A special "thank you" to Robert Molinaro for making sure so many found out about this on such short notice, to Mayor Garry Furnari of Nutley for his generosity and caring, to Jo-Lee Nursery, in particular Mr. Pete Scarpelli and Mr. Michael Corino for opening up their hearts and taking it upon themselves to participate by having a collection can at their store and by asking nurseries in the surrounding towns to contribute.

Mr. Corino also provided the centerpieces for the evening. Finer men we cannot find. To Andrew Idenden, a young man who knows what problems are, thank you for your generosity and for being there for Macho and his family, you are an inspiration to us all.

To Kathy, Willie, Eddie, Hector and Anthony, our wish is for all your wishes to come true, and, to

Macho, you have shown us that heroes come in all sizes; we marvel at your strength and courage.

Lastly, to Rudy, Anthony and Rich for just being you and allowing three nuts to do their thing. We couldn't do it without you.

Thank you.

School Four tribute

To the editor:

School Four Home and School Association would like to take this time to say goodbye and good luck to two very special people.

First, our principal, Mr. Harvey. We are sorry to see you go, but we wish you the best of luck in School Eight. We will always remember your kindness and compassion with the children in School Four. We thank you for that!

Second, our secretary, Mrs. Pat Marzella. School Four will not be the same. Pat, you will be missed very much. You were like a mother and a nurse to our children and a friend to us! We wish you the best and hope you enjoy your retirement.

Mr. Harvey and Pat, we thank you for helping to make School 4 a pleasure to be at.

Best of luck to you both.

School 7 event

To the editor:

The O.P.E. of School 7 recently held a tricky tray in April at the Essex Manor.

We would like to thank everyone who helped to make this evening a great success. The local businesses that were very generous with their donations, ShopRite for supplying the trays, and our principal, Mrs. Hawthorne, for the very generous donation and support.

Thank you so much to the children, parents and faculty of School 7 for the creativity and generosity they used in filling their trays, and to the parents who gave their time setting up and working that evening.

We thank all of the people who attended for their support. Because of the help and participation of all of these people and businesses, everyone had an enjoyable evening. I apologize if any names were omitted, but please know that we are very grateful for your support.

• **THE** 1997 Nutley Sun-Family Service Camp Fund campaign is under way. The 1996 drive resulted in 39 children attending camp last summer. Please consider a tax-deductible donation to the Camp Fund in order to provide a camp experience to many of Nutley's children. Donations may be sent to The Camp Fund, 15 Chestnut St., Nutley, NJ 07110.

• **THE** only New Jersey State Senator seeking re-election to lose last week was Passaic County's Joe Bubba. In Bloomfield, he lost 2-1; Glen Ridge turned in the same 2-1 margin and Passaic County Republicans voted 2-1 against the 15-year state senator. Bubba accused "Passaic County Republican bosses" of beating him. He was referring to Eddie Englehardt, probably the most popular sheriff in New Jersey, and Peter Murphy, the young, successful Passaic County Republican Chairman. Bubba refused to be a team player although year after year relied upon the organization to win re-election. He was very much a part of the county organization which he condemned in the recent Primary Election simply because they opposed his nomination.

• **SENATOR JOHN SCOTT** won despite opposition from his own Republican Assemblymen Paul DiGaetano and Nutley's John Kelly.

• **A STAR LEDGER** poll this week, found Governor Christie Whitman leading a relatively unknown Democrat chal-

lenger, James McGreevey by 6 points. Whitman received 44% and McGreevey 38% with 18% undecided. Of the voters polled, 25% said they will not change their minds and will vote for McGreevey while only 22% will stick with Whitman. It's clear that Whitman has her work cut out. It also means Republican Senators running for re-election

• **A BIG** loser in last Tuesday's Primary Election was Nutley Republican Chairman Jim Piro. He opposed the renomination of incumbent John Scott. At the same time, he worked for the renomination of Senator Joe Bubba in Passaic County. Scott won, Bubba lost and Passaic County Republican leaders are angry that Piro stepped out of his legislative district to aid a candidate opposed by the Passaic County Republican Organization.

• **REPLACING** Bubba as the Senate Republican nominee is Freeholder Norman Robertson who had to endure some of the dirtiest campaign tactics this veteran has observed over the last

55 years. In a post election comment, Passaic County Sheriff Eddie Englehardt said, "We did the right thing. We should have done it years ago. We have been getting more and more complaints from people about Bubba every year."

Governor Christine Whitman will, no doubt, be looking around for a new state chairman to lead her re-election campaign. In her quest for new and young blood, she would be well advised to take a second look at PETER MURPHY.

• **THE** prestigious North Jersey Herald News editorially commented, "The GOP voters' rejection of Senator Bubba is a good thing. Senator Bubba will now be forced to return to the private sector where he works as a financial consultant. Having been thrown out of office, he will no longer be able to arm-twist for potential investors and clients. This is also good news for anyone seeking an appointment in the 34th District. There will no longer be a price tag attached. The residents of 34th District won Tuesday with the defeat of this bombastic bully."

• **TAKING** it on the chin for backing loser Joe Bubba are Bloomfield Mayor Jim Norton and his colleagues, Councilpersons Dennis DeCarlo, Martha Skinner and Tim Kane. Former Bloomfield Councilman Gary Iacobacci opposed Bubba and went with the winner, Republican Senate nominee Norman Robertson. At the top of the list of winners along side Englehardt and Murphy is our own Essex County Sheriff Armando Fontoura who beat five opponents for his renomination to a third term. Newark's Democrat Senator Ronnie Rice was able to withstand the opposition of the powerful North Ward leader, Steve Aduato to win renomination. That surprising result has to go down as a major loss for Steve Aduato and his current associate, Mayor Sharpe James.

Five Gold Award Girl Scouts

To the editor:

We are writing this letter in response to an article which appeared on the front page of the May 22 edition of the Belleville Times.

In this article, you mistakenly gave Suzanne Walsh the credit for being the first Girl Scout in Belleville to earn the Gold Award.

In January 1990, five young women from Belleville earned this honor with the support of Troop 952 leader Jan Hill. These young women were Jennifer Salmon, Alexandria Lukowiak, Heather Kane, Genny Andrews and Jennifer Cerca.

Knowing how difficult it is to earn this award, our intention is not to invalidate Miss Walsh's efforts. Being Gold Award Scouts ourselves, we would like to be recognized for our achievement as well.

In January 1990, we were honored by the recognition which we received by being featured in the Belleville Times. We must admit that we were a bit disheartened that our achievement now goes unnoticed by your publication.

In closing, we would like to once again congratulate Suzanne Walsh on this prestigious honor and to thank you for recognizing the positive accomplishments of Belleville's youth.

Trials of a tryout

To the editor:

On Monday night, my daughter, along with many other young (7-year-old) girls, was waiting for her cheerleading tryout, a wait that lasted well over three hours.

These young girls were expected to wait for three

hours and more, yet, still be judged on appearance and enthusiasm. How would you expect a young girl who is up past her bedtime to be enthusiastic?

It is my opinion that the Belleville Recreation Department did a very poor job when they put this program together.

When I left with my daughter after 9 p.m., there were still at least 10 girls from the "C" squad, and the entire "A" squad left to try out.

Now, bear in mind that the "A" squad was scheduled to be tryouts at 7:30 p.m. I would think that someone should have been able to figure out that if there are 50-plus girls from the "C" squad and each girl has a 5-minute tryout, it would take at least 250 minutes, or 4 hours, to try out.

How could they have possible scheduled tryouts from 6 p.m. to 7:30 p.m., and expect to see all 50-plus girls? Impossible!

I truly hope that the entire cheerleading staff learns a lesson from this mistake that they made.

I understand the necessity of tryouts, but let's remember, these are seven- and eight-year olds.

Nicholas Condito

Thank you for support

To the editor:

I would like to thank Mayor Garry Furnari, Tom Pandolfi and the Nutley Parks and Recreation Department, Chief Robert DeLitta and the Nutley Police Auxiliary, Congressman Bill Pascrell, Monsignor Louis Fimiani and Sister Romilda Chiega of Holy Family Church, and Michael Patrizio of Best Shot Productions for their support of our recent fundraiser for the Enrico Tamburri Memorial Foundation.

A very special thank you to all the committee members for their efforts and the business owners in our community for their continued support.

• **THE** only New Jersey State Senator seeking re-election to lose last week was Passaic County's Joe Bubba. In Bloomfield, he lost 2-1; Glen Ridge turned in the same 2-1 margin and Passaic County Republicans voted 2-1 against the 15-year state senator. Bubba accused "Passaic County Republican bosses" of beating him. He was referring to Eddie Englehardt, probably the most popular sheriff in New Jersey, and Peter Murphy, the young, successful Passaic County Republican Chairman. Bubba refused to be a team player although year after year relied upon the organization to win re-election. He was very much a part of the county organization which he condemned in the recent Primary Election simply because they opposed his nomination.

• **SENATOR JOHN SCOTT** won despite opposition from his own Republican Assemblymen Paul DiGaetano and Nutley's John Kelly.

• **A STAR LEDGER** poll this week, found Governor Christie Whitman leading a relatively unknown Democrat chal-

lenger, James McGreevey by 6 points. Whitman received 44% and McGreevey 38% with 18% undecided. Of the voters polled, 25% said they will not change their minds and will vote for McGreevey while only 22% will stick with Whitman. It's clear that Whitman has her work cut out. It also means Republican Senators running for re-election

• **A BIG** loser in last Tuesday's Primary Election was Nutley Republican Chairman Jim Piro. He opposed the renomination of incumbent John Scott. At the same time, he worked for the renomination of Senator Joe Bubba in Passaic County. Scott won, Bubba lost and Passaic County Republican leaders are angry that Piro stepped out of his legislative district to aid a candidate opposed by the Passaic County Republican Organization.

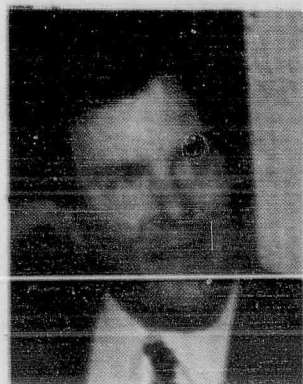

• **REPLACING** Bubba as the Senate Republican nominee is Freeholder Norman Robertson who had to endure some of the dirtiest campaign tactics this veteran has observed over the last

55 years. In a post election comment, Passaic County Sheriff Eddie Englehardt said, "We did the right thing. We should have done it years ago. We have been getting more and more complaints from people about Bubba every year."

Governor Christine Whitman will, no doubt, be looking around for a new state chairman to lead her re-election campaign. In her quest for new and young blood, she would be well advised to take a second look at PETER MURPHY.

• **THE** prestigious North Jersey Herald News editorially commented, "The GOP voters' rejection of Senator Bubba is a good thing. Senator Bubba will now be forced to return to the private sector where he works as a financial consultant. Having been thrown out of office, he will no longer be able to arm-twist for potential investors and clients. This is also good news for anyone seeking an appointment in the 34th District. There will no longer be a price tag attached. The residents of 34th District won Tuesday with the defeat of this bombastic bully."

• **TAKING** it on the chin for backing loser Joe Bubba are Bloomfield Mayor Jim Norton and his colleagues, Councilpersons Dennis DeCarlo, Martha Skinner and Tim Kane. Former Bloomfield Councilman Gary Iacobacci opposed Bubba and went with the winner, Republican Senate nominee Norman Robertson. At the top of the list of winners along side Englehardt and Murphy is our own Essex County Sheriff Armando Fontoura who beat five opponents for his renomination to a third term. Newark's Democrat Senator Ronnie Rice was able to withstand the opposition of the powerful North Ward leader, Steve Aduvato to win renomination. That surprising result has to go down as a major loss for Steve Aduvato and his current associate, Mayor Sharpe James.

YOUR OPINION

Five Gold Award Girl Scouts

To the editor:

We are writing this letter in response to an article which appeared on the front page of the May 22 edition of the Belleville Times.

In this article, you mistakenly gave Suzanne Walsh the credit for being the first Girl Scout in Belleville to earn the Gold Award.

In January 1990, five young women from Belleville earned this honor with the support of Troop 952 leader Jan Hill. These young women were Jennifer Salmon, Alexandria Lukowiak, Heather Kane, Genny Andrews and Jennifer Cerca.

Knowing how difficult it is to earn this award, our intention is not to invalidate Miss Walsh's efforts. Being Gold Award Scouts ourselves, we would like to be recognized for our achievement as well.

In January 1990, we were honored by the recognition which we received by being featured in the Belleville Times. We must admit that we were a bit disheartened that our achievement now goes unnoticed by your publication.

In closing, we would like to once again congratulate Suzanne Walsh on this prestigious honor and to thank you for recognizing the positive accomplishments of Belleville's youth.

Jennifer Salmon and Genny Andrews

Trials of a tryout

To the editor:

On Monday night, my daughter, along with many other young (7-year-old) girls, was waiting for her cheerleading tryout, a wait that lasted well over three hours.

These young girls were expected to wait for three

hours and more, yet, still be judged on appearance and enthusiasm. How would you expect a young girl who is up past her bedtime to be enthusiastic?

It is my opinion that the Belleville Recreation Department did a very poor job when they put this program together.

When I left with my daughter after 9 p.m., there were still at least 10 girls from the "C" squad, and the entire "A" squad left to try out.

Now, bear in mind that the "A" squad was scheduled to be tryouts at 7:30 p.m. I would think that someone should have been able to figure out that if there are 50-plus girls from the "C" squad and each girl has a 5-minute tryout, it would take at least 250 minutes, or 4 hours, to try out.

How could they have possible scheduled tryouts from 6 p.m. to 7:30 p.m., and expect to see all 50-plus girls? Impossible!

I truly hope that the entire cheerleading staff learns a lesson from this mistake that they made.

I understand the necessity of tryouts, but let's remember, these are seven- and eight-year-olds.

Nicholas Condito

Thank you for support

To the editor:

I would like to thank Mayor Garry Furnari, Tom Pandolfi and the Nutley Parks and Recreation Department, Chief Robert DeLitta and the Nutley Police Auxiliary, Congressman Bill Pascrell, Monsignor Louis Fimiani and Sister Romilda Chiega of Holy Family Church, and Michael Patrizio of Best Shot Productions for their support of our recent fundraiser for the Enrico Tamburri Memorial Foundation.

A very special thank you to all the committee members for their efforts and the business owners in our community for their continued support.

Gina Tamburri

HOROSCOPES

June 15-21

ARIES — March 21/April 20

While you may feel like a snitch, you have to report a co-worker for an insubordinate act. Don't let it affect the quality of your work — and don't let it get you down. Your fellow employees support you. Your help is needed with a family problem later in the week. Try to be objective. Cancer and Capricorn play important roles.

TAURUS — April 21/May 21

Even though you usually don't let your temper get the best of you, you feel like you're going to explode this week. Take some time off of work to relax and clear your mind — and don't feel guilty about it. Loved ones also will try your patience. Even though it may be difficult, don't let your family's opinions upset you. Think of yourself first.

GEMINI — May 22/June 21

Up and down, up and down — that's how your emotions will be this week. One minute, you'll be fine, and the next, you'll be livid. Even though you've been under a lot of pressure recently, you should try to remain calm. Your anger only will get you in trouble at work and hurt the ones you love. Leo plays an important role.

CANCER — June 22/July 22

You get the attention you've been craving at work this week. Cancer. After a co-worker drops a project in your lap, you pick up the ball and run for a touchdown. The higher-ups are impressed with your efforts. A loved one asks for your opinion about a relationship. Be objective, not judgmental.

LEO — July 23/August 23

You are Leo — hear you roar! All of your efforts seem to pay off at work and at home this week. You receive well-deserved praise from superiors at the office, and your family spoils you with affection. That special someone lets you know that he or she reciprocates your feelings. Don't be shy now.

VIRGO — Aug 24/Sept 22

You have to overcome your fear of crowds this week, because you're surrounded by people no matter where you go. At work, you have to give a presentation to several co-workers and higher-ups; at home, you're put into the middle of a family debate. Even though you feel uncomfortable, you'll succeed if you remain calm.

LIBRA — Sept 23/Oct 23

While you hate to be rude, it is the only way that you'll get people to listen to you this week. Co-workers are wrapped up in long-term projects, and loved ones have problems of their own. Take a stand if you want to get noticed.

SCORPIO — Oct 24/Nov 22

You let your emotions show this week, and it feels good. You finally have had enough of taking a backseat to co-workers who don't have as much talent as you. Superiors understand your feelings. A friend of a friend calls you up to get together. Seize the opportunity. Taurus plays a role.

SAGITTARIUS — Nov 23/Dec 21

Your optimism is the driving force at work early in the week. While others are letting some bad corporate news upset their performance, your outlook sets everyone back on track. A loved one involves you in a family argument. Don't take sides; just get those involved to listen to each other.

CAPRICORN — Dec 22/Jan 20

When it comes to getting what you want this week, don't be shy. Let others know what you desire. Nobody looks out for you like you do. Don't let a mishap at work stand in your way. A special relationship takes a turn for the worse, but don't get upset. It's only a temporary setback.

AQUARIUS — Jan 21/Feb 18

Try to keep the peace at work this week, even when your co-workers turn their backs on you. You're not alone — your manager is on your side. You won't feel alone at all when it comes to family. Loved ones are there to support you through this rough time. You meet someone who piques your interest. Don't shy away from him or her.

PISCES — Feb 19/March 20

Everything is coming up roses at work this week, and you're enjoying it. However, don't get greedy for rewards; it's not like you. You make a lot of progress when it comes to repairing a relationship with a friend. While it is hard work, it is worth it.

'Some Music' to jazz up Christ Church

The improvisational jazz group, "Some Music" will play at Christ Church of Glen Ridge and Bloomfield on June 25.

The group was active on the New York loft jazz scene in the early 80's.

They have returned to the New York area to present a concert in the spiritual environment of the church.

This will be the first appearance

her by ex-patriot Berlin saxophonist Mack Goldsby in six years.

Along with the first local performance by Chicago drummer Charles Braugham in 10 years.

They will be joined by bassist, composer Derwyn Holder.

A donation of \$10 is being asked for the June 25, 8p.m. show.

The church is located at 74 Park Avenue.

Belleville SPORTS

BUCS SHOTS

By Mike Lambert

Victory over Union ranks with all time best

(Fourth in a Series)

It was, on paper, a tremendous season. The 1987 Lady Bucs were working on a 20 plus victory season and had advanced to the Essex County finals.

But the 3-2 loss to Caldwell in those finals was a very difficult defeat, mainly because Belleville held a 2-0 lead in the seventh inning and ended up losing without a ball, literally, leaving the infield.

Head coach **Carl Corino** didn't feel his team needed any motivational speeches for the remainder of the season.

"Those kids were mentally tough," Corino said. "It was just a matter of getting ready for the state tournament and having a shot at the league title."

The first round of the state tourney would be against Barringer, and Belleville won easily 7-0. **Janine Luzzi** was the winning pitcher, striking out nine batters.

While the state tournament was beginning, the NNJIL battle was just about concluded. Belleville and Clifton ended up tied for the NNJIL Essex-Passaic championship. Both teams ended with 13-1 league marks, the only losses for both teams coming against each other.

Following a victory over Montclair, Belleville had advanced to the Group IV, Section II championship game, opposite powerful Union.

Belleville and Union had some history in softball. The teams had usually met once during the regular season and Union had beaten Belleville a few times in prior state tournaments.

Entering the '87 sectional finals, Union boasted a very impressive 25-1 mark, good for the number six ranking in the state.

"They had beaten us a few times in prior state tournaments," Corino recalled. "Union had a great team ten years ago. This was going to be a big step for us."

The team was scoreless in the fifth when Belleville struck first. **Carol Morrison** and **Trisha Tramultola** singled and Luzzi got the key hit, a single that drove home two runs.

Belleville would get another run and Luzzi held Union to one run. The Lady Bucs would win, 3-1, for Belleville's first state sectional championship in the history of the softball program.

"After the county tournament, this was huge," Corino said. "Luzzi gave up just five hits and we didn't commit any errors. It was a championship effort against a quality team."

The win moved Belleville into the Group IV semi finals, where they would play North Bergen, the champion in Group IV, Section I. The game was played at Madison High School. The winner would get a trip to the Group IV final.

Belleville would win this game, for the teams 28th win of the season, 6-3. Belleville collected ten hits and Luzzi was once again the winning pitcher.

The victory put Belleville into the Group IV finals against Edison.

On June 6, 1987, Belleville and Edison played for the state title and Edison won, 6-0. The Lady Bucs would end the season with a 28-4 record, the best mark in the lofty history of the Belleville High School softball program.

"The loss to Edison was tough, but you have to give them the credit," Corino said. "They hit the ball and their pitcher completely shut us down. They were a dominant team."

Edison would end up with the Star Ledger trophy in 1987 and Belleville would finish in the top five in the state.

Ending the season with a loss was certainly not the way the team had hoped for, but you can't take away the incredible season the girls put together.

Next week, we'll wrap up the season with some statistics from 1987 and a few closing comments from Corino and hopefully, a member, or two, of that 1987 Lady Buc team.

Getting ready for summer

The school year is just about completed. We'll begin full summer coverage in two weeks, once our Quad Town teams are completed. If you have any stories you'd like to submit during the next two months, give me a call at the newspaper.

Bucs' Chinchanker earns honorable mention on quad-town tennis team

All-star tennis team laden with Nutley, Glen Ridge players

The Nutley and Glen Ridge high school tennis teams had successful seasons, and it is reflected in this year's Orechio Publications quad-town all-star boys' tennis team, as the squad is laden with players from both teams.

The team is comprised of talented players from the high schools covered by The Nutley Sun, Belleville Times, Bloomfield Life and Glen Ridge Voice.

Belleville senior Lenny Chinchanker was selected as an honorable mention.

Playing in the Northern New Jersey Interscholastic League is never easy for a first singles player, and Chinchanker faced very tough opponents. The Bucs top player finished with an 8-12 record.

Both the Ridgers and Raiders played tough schedules but each managed to finish over the .500 mark, ending the season at 12-6 and 14-8, respectively.

Nutley last year managed six wins, as Glen Ridge also had a mediocre year.

But Nutley came up big this year, winning some big matches during the middle of the season.

Nutley's Jon Azpiroz, in his first year of varsity tennis, was a big part of the Raiders' success and has been named Player of the Year.

While guiding his team to a complete reversal of last year, Nutley coach Vincent Turturiello was given the Coach of the Year honors.

Jon Azpiroz

This was Azpiroz' first and last year as a high school varsity tennis player, as he attended Nutley as an exchange student. After the school year ends, he will return home to Spain.

Azpiroz, who played in the first singles spot throughout the season, will be sorely missed, as he posted a 17-4 record this past season against some of the NNJIL's toughest players.

Stephen Pelaia

The likely choice to replace Azpiroz in Nutley's top spot, Pelaia finished the season with a multitude of wins and finished the campaign at 12-8 in the third singles position.

Pelaia came on strong during the midway point of the season and numerous times was jumped up by Turturiello into the second singles position.

Pelaia, a junior, will likely be a good fit in the Raiders' top spot next year because of a good forehand stroke and a deceptive backhand. But next year definitely will be a bigger challenge for Pelaia.

Matt Batastini

Batastini was the mainstay in the singles department for Glen Ridge.

On a team that usually won matches by 3-2 margins, he often was the only Ridger singles players to win his match and finished the season at 12-6.

In a tough league like the Colonial Hills, Batastini didn't face too many of the league's top-ranked players, but nonetheless, went up against stiff competition as a junior third singles player.

Next year, Batastini will return to the team, and it is likely he will play in one of the Ridgers' top spots.

David Boyle and Paul Lazlo

The Glen Ridge doubles tandem of Boyle and Lazlo played very nicely as a team throughout most of the season, securing a 12-6 record in the top doubles spot.

First doubles teams generally go up against another team's top doubles team, and it was Boyle and Lazlo who often came up with a victory to pull their team even in a match.

Honorable Mention, singles: Vaughan Machado, Nutley; Brian Sullivan, Joe Fetterly, Bloomfield; Len Chinchanker, Belleville; **doubles:** Ron Cabiltes and Peter Ching, Nutley.

Ridgers' went into the doubles matches down 2-1, and Boyle and Lazlo would equalize. This pairing will get split up next season and Boyle may be asked to fill a singles spot in the lineup.

Rob Fuller and Spencer Miles

This tandem was crucial for the Ridgers all season long. On a Glen Ridge squad that often went into the final match even with other teams at 2-2, Fuller and Miles were the clutch players and usually came up with a win to give their team a victory.

Fuller and Miles finished the season with a 13-5 record, and on a team that faces a lot of tough teams throughout the season, that is a worthwhile accomplishment. And this team was a valuable part of the Ridgers' success.

If Lazlo gets jumped up to singles next year, these two will probably move up to the first doubles

spot next season.

Vincent Turturiello

Yes, Azpiroz is from Spain and already was a good tennis player when he joined this team. But it was Turturiello who needed to help the Spaniard adjust to quite a few things here in northern New Jersey.

Competition was extremely tough in the first singles spot, and when things were rough, Turturiello helped Azpiroz.

Turturiello also helped shape Pelaia into a well-rounded player, and constantly encouraged the junior to put his opponents away when he had them on the ropes.

And even with a little help from his players, any coach that can turn a team around like he had done with the young Raider squad this season, deserves quite a bit of credit.

This team faced some awfully tough competition throughout the season and to win a dozen matches is quite good.

News from Lacordaire Academy

Tricia Iannuzzi, Mary Ann Bravette, Jill Hartuk enjoy outstanding seasons

Tricia Iannuzzi of Belleville capped her senior year with two sports awards from Lacordaire Academy in Upper Montclair.

Iannuzzi shared the Players' Player Award in tennis, and was named the M.V.P. in basketball.

A doubles player, Iannuzzi also served as a captain of the tennis squad. She played point guard on the Lions' basketball team.

Iannuzzi will be heading to Rutgers University in the fall.

This summer, Lacordaire is holding two sports camps for girls in grades 5-11. Volleyball takes place July 7-11, and basketball July 14-18.

For more information on these and other summer activities at Lacordaire, call 744-1156.

Bravette Family

Too bad this double-play combo can never get together on the same diamond. But you may see it someday on the professional field.

John Bravette, entering his junior year at Seton Hall University, plays second base on the baseball team there.

His younger sister Mary Ann plays shortstop at Lacordaire Academy. Recently, both received one of the highest honors a school can offer.

Both athletes are also interested in careers where their paths might cross. John is thinking of entering criminal law, while Mary Ann is pondering a career in law enforcement.

Mary Ann recently received Lacordaire's Student-Athlete of the

Year award, having played three sports and maintaining high academic standards. She was also recognized as the Most Improved Player and M.V.P. of the tennis team. She won the Players' Player award, voted by her softball teammates.

Jill Hartuk of Belleville also won an award, capping her third straight year as a sports standout at the school. A speedy leadoff hitter, the third baseman was named the M.V.P. of the softball team.

Hartuk was also a member of the

Lacordaire volleyball team. Her strong service game helped the Lions to a 13-5 record, not including the championship of the Rutgers Prep Spikers Tournament and a trip to the semi finals of the state tournament.

Rec Round up gets ready for summer

Applications for the Belleville Recreation 1997 Fall Sports programs are now available in the schools and at the Recreation office. Boys and girls, ages 6-14, may participate in Recreation Soccer. Belleville resident children who will be 6 by December 31 and who will be no older than 14 on December 31, 1997 are eligible. Nobody above 8th grade can play, and all returning players must re-apply.

Boys ages 7-10 can play touch football, if they so choose. Belleville boys who will be 7 by December 31 and who will be no older than 10 on December 31, 1997 are eligible. All returning players must re-apply.

For both soccer and touch football, all completed applications must be returned to the Recreation Department, 407 Joralemon Street, with birth certificates. The registration deadline for soccer is August 1, and the deadline for touch football will be August 22. Children are advised not to register for more than one fall sport since football, soccer and touch football games and practice schedules conflict.

For the convenience of persons unable to register during daytime office hours, registration will also take place at the Recreation office on Wednesday nights, 6-8 p.m., from June 11-August 6.

Call 450-3422 for other information.

Junior Bucs Football Registration

There will be registration for the Belleville Recreation Department's 1997 "Jr. Bucs" tackle football program at the Recreation House, 407 Joralemon Street, now through August 1. Boys who will be 7 years old before September 1 and who will not be 15 before December 31 are eligible. Those wishing to play tackle football must weight a maximum of 145 pounds, and no one above 8th grade can play. Players will be broken down into three teams according to specific

age/weight requirements as set by the All-County Youth Football League.

To register, players must obtain an application from their school or the Recreation Department office. All completed applications with parental approval must be brought to the Recreation House by August 1, with two recent passport size photos of the player and a copy of his birth certificate. All returning players from last year's team must re-apply. Practices will begin around July 28. Children are advised not to register for more than one fall sport since football, soccer and touch football games and practice schedules conflict.

For the convenience of persons unable to register during regular daytime office hours, registration will also take place at the Recreation office on Wednesday nights, 6-8 p.m., from June 11-August 6, 1997.

Call 450-3422 for other information.

Pre-School Registration

The Belleville Department of Recreation and Cultural Affairs is accepting registration for the pre-school play program for 4 year old children. The program consists of games, stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 9 a.m. to 10:45 a.m. or 12:45 p.m. to 2:30 p.m., five days a week with class limited to a maximum of 23 students in each session. The cost of the 32 week program is \$150.00. The mothers of the children accepted must participate by serving one duty day about every 8 or 9 days according to a published schedule. School will begin on Monday, September 15, and will run through May, 1998.

Children born between October 1992-September 1993 who will enter kindergarten in September 1998 are eligible. Participants must be Belleville residents. Since there

are just a limited number of openings, applications will be accepted on a first come, first served basis only.

Children (and their parents) must be able to speak and understand English in order to participate. Children enrolled in the morning program cannot also be in the afternoon program, or vice versa. A \$25.00 deposit is required to hold your spot in the program.

For further information and enrollment, contact the Belleville Recreation Department at 450-3422, as soon as possible, Monday through Friday, 8:30 a.m. to 4 p.m.

Volunteers needed

Volunteer cheerleading coaches/advisors are needed for the 1997 programs.

Programs are being run from grades 3 through 8.

Practices will be run during July and August. There will be games starting September and will run through November.

If interested, please call the Recreation Department, 450-3422, any time between 8:30 a.m.-noon and 1-4 p.m.

Soccer Coaches Needed

The Belleville Recreation Department is seeking persons interested in coaching its 6-14 year old soccer league. The league is separated into several divisions according to specific age groups.

The children learn the basics of soccer and all those attending regular practices play in all games. Games are played on Saturday and Sunday afternoons, beginning in mid-September. All volunteer coaches will be required to attend a Certification Clinic before the season begins.

Those interested in coaching may call the Recreation Department at 450-3422, weekdays before 4 p.m. To obtain an application for a coaching position, call league director Carmen Goglia at 751-7560.

Football Coaches Needed

The Belleville Recreation Department is seeking persons

interested in coaching its 7 to 10 year old touch football league. Coaches are also needed for the Junior Bucs traveling tackle team, ages 7 to 14.

The children learn the basics of football and all those attending regular practices will participate. Games are played on Saturday and Sunday, beginning in mid-September. All volunteer coaches will be required to attend a Certification Clinic before the season begins.

Those interested may call the Recreation Department at 450-3422 to obtain an application.

1997 Playgrounds Open

The Belleville Recreation Department's summer playground program will begin June 30 and will continue through August 8.

Under the supervision of the Dept. of Recreation and Cultural Affairs, the five playground sites are located at School No. 9, the Municipal Stadium, the Recreation House, Clearmon Field and the Friendly House. The special education playground is set up at the Belleville Little League field.

The playground will be open daily to all Belleville residents from grades Kindergarten through 9 from 9 a.m. to noon and 1 p.m. to 4 p.m. Playgrounds are closed noon to 1 p.m. for lunch and when it rains.

While there are no restrictions as to which area a person must attend, generally youngsters attend the closest playground to their home.

An adult director will be on hand at each playground to organize athletics, games, tournaments, parties and other activities; and an arts and crafts supervisor will travel from site to site to do special projects with the children one day each week.

Tentatively, tennis lessons, "open swim" and special tournaments are planned throughout the summer. These programs are all pending the hiring of qualified instructors/supervisors and pending the availability of adequate facilities.

Applications for all summer programs participants must be completed and signed by a parent. Registration forms will be available at the Rec House office and at all playgrounds. No pre-registration will be required; however, parents must accompany their children to m playground on the first day so that application forms may be signed before participation.

There will also be a special event for all children ages 4-12 on July 4 at the Municipal Stadium.

For further information, call 450-3422. Special education playground information may be obtained by calling 450-3494.

Lifeguard is needed

The Belleville Recreation Department is currently seeking a lifeguard for its 1997 "Open Swim" program. The program will run for approximately six weeks, beginning the week of June 30 at the Friendly House.

Qualified applicants must possess either an Advanced Lifesaving or Water Safety Instructor certificate issued by the American Red Cross. If interested, please call the Recreation Department at 450-3422 between 8:30 a.m. and 4 p.m., Monday through Friday.

There will not be an open swim program if no lifeguard is present.

Robinson's daughter, Thompson highlight "Out of the Ballpark"

By Mike Lamberti

Bloomfield College President John F. Noonan moderated a 90 minute discussion entitled "Out of the Ballpark" this past February 23 at the Katonah Museum of Art in Armonk, New York.

Highlighting the event were Sharon Robinson, the daughter of baseball immortal Jackie Robinson and former New York Giant great Bobby Thompson, who hit the famous "shot heard 'round the world" in 1951 against the Brooklyn Dodgers at the Polo Grounds.

Also appearing and giving an eloquent presentation of Robinson's arrival on the baseball scene and his trials and tribulations toward breaking the color line in major league baseball was Dr. Arnold Rampersad of Princeton University.

Rampersad was a student of Noonan when he was an undergraduate. He is coming out with an authorized biography of Jackie Robinson that should be on the book stands in early July.

When Thompson and Sharon Robinson first saw each other prior to the start of the discussion, the two embraced, and then Thompson laughed and said, "50 years ago, you would have never seen a Dodger and Giant hugging. Never."

Thompson, now 72 years of age, has always down played his dramatic homerun off of Ralph Branca in the 1951 playoff game.

"People have made that bigger than I ever imagined," he said. "I hit other homers in my career. They

remember that one. Back when I played, we were there for the fans. We didn't make a lot of money then. We played for the love of the game."

As for his relationship with Robinson, Thompson called it strictly business.

"He played for the Dodgers, I played for the Giants. We were competitors. Skin color never mattered. We were there to play."

The discussion pertained mostly to the 50th anniversary of Robinson playing major league baseball. Sharon Robinson, who recently wrote a book about growing up with her dad, spoke of his enduring endless racism in the early days of playing major league ball. She also spoke of his tireless work in the civil rights movement after his retirement from baseball in 1955.

There is a story that Robinson had retired from the game rather than be traded to the rival New York Giants. But his daughter disputed that.

"My dad got an offer from Chock Full 'O Nuts to represent their company," Sharon said of the coffee mogul. "He felt it was too good an opportunity."

She also spoke of her dad's relationship with former Dodger great Roy Campanella.

"My dad and Roy didn't get along well at first," she said. "It took a while for them to be friends. They were always good teammates, though."

A crowd of 150 watched the discussion, then were invited to participate in a question and answer session with the panel.

Obituaries

Sabatina Montefusco

Sabatina Montefusco, 72, of Belleville died June 4 in Clara Maass Medical Center, Belleville.

A Mass was offered Saturday in St. Valentine's Church, Bloomfield, after the funeral from the Levandoski Funeral Home, Bloomfield.

Mrs. Montefusco owned Sally's Place, a restaurant in Newark, for 10 years.

Born in Boston, she lived in Newark and Nutley before moving to Belleville 11 years ago.

Surviving are a daughter, Linda Luckenbach, and a grandson.

Josephine Vuono

A Mass for Josephine L. Vuono, 88, of Berkeley Township was offered Saturday in St. Joseph Church, Toms River.

Mrs. Vuono, who died June 4 in the Community Medical Center, Toms River, owned and operated the Garden Meat Market, Belleville, for more than 40 years before retiring in 1972.

She was a members of the St.

Joseph Senior Citizens Club and the Rosary Altar Society of Holy Family Church, Nutley.

Born in Italy, Mrs. Vuono settled in Newark in 1912 and lived in Belleville before moving to Berkeley Township in 1972.

Surviving are a son, Joseph; a daughter, Carole Tamini; a sister, Mary Ruggiero; two grandchildren and two great-grandchildren.

Catherine Meola

Catherine L. Meola, 66, of Piscataway died June 9 at home.

A Mass will be offered at 11 a.m. today in Sacred Heart Church, South Plainfield, after the funeral from the McCriscin Home for Funerals, South Plainfield.

Mrs. Meola and her husband, Silvio, owned the former S.E.N. Box Co., Orange, for many years before retiring in 1981.

HINTS FOR HOMEOWNERS

Maintain Your Cool In Summer

(NAPS)—Here are some surprising facts that may save you some time, grief and money.

Did you know that when building a home, you should photograph everything that goes underground like pipes and wires to make repairs easier? Did you know that a dirty pair of men's work boots outside a front door can dissuade would-be burglars? And did you know that insulation helps a home not only stay warmer in winter, but cooler in the summer?

These time, money and grief-saving hints are important to keep in mind—particularly the third one, as warmer than normal temperatures are predicted for this summer in 13 of the 16 regions across the U.S. by the 1995 Farmer's Almanac. If you were planning to reinsulate your home in the fall, to bring it to today's energy standards, you should reconsider doing it now.

Why? Because by reinsulating to today's recommended R-Values for your geographic area, you can save money on your electric bills this cooling season and have a more comfortable home to boot.

In today's busy world, you're probably thinking that you don't have the time to tackle a project like this—but you don't have to. Local professional insulation contractors are trained to do this type of work. To locate an insulation contractor, simply look in the Yellow Pages of your telephone

directory, ask friends and neighbors for recommendations or call the local contractor's association.

An insulation contractor will conduct an audit of your home and recommend ways to bring it up to today's energy standards. When your contractor recommends insulation, ask for a high-quality, thermally-efficient material, which will cover all nooks and crannies in an attic and entirely fills wall cavities, such as Insul Safe III® Blown-in Fiber Glass. This type of insulation will help to ensure that cooled air stays within a home. In addition, it is noncombustible throughout the life of a home, is noncorrosive to pipes and wires and does not promote vermin or pests.

For more information on hiring an insulation contractor or which insulation materials to use, write to the CertainTeed Home Institute, P.O. Box 860, Valley Forge, PA 19482 or call 1-800-782-8777.

Weichert records increases in first quarter

Figures at Weichert, Realtors' Caldwell/West Orange Area Office for the first quarter of 1997 reflected significant increases in the number of new listings and revenue units over the same period a year ago.

The number of new listings rose 33 percent, with an increase in dollar volume of 29 percent. The number of revenue units rose 50 percent while revenue unit dollar volume rose 58 percent.

The merger of Glista Realtors with Weichert six months ago has benefited both the buying and selling public and the sales associates. With the addition of an office location at 1081 Bloomfield Avenue in West Caldwell, Weichert's state-of-the-art marketing capabilities

are even more accessible to western Essex County residents.

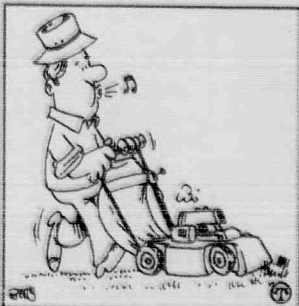

Managing the West Caldwell location is Karen Glista, who was broker of record before the company joined Weichert.

Weichert, Realtors has 7,500 sales associates in 200 offices in Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia and Washington, D.C. Weichert handles both residential and commercial real estate, and offers a full array of time-efficient, one-stop shopping services, including mortgages, insurance, rentals, relocation, new homes and land, estate marketing, title services, property management and moving services.

Power Tools Today

(NAPS)—Ready, set, go! It's time to rev up your power tools for backyard chores. Be prepared for this time of year with some tips from the experts.

Before operating your power tools this spring and summer, make sure you perform the necessary maintenance tasks first.

1. If there is left over gasoline in the can from last fall, don't use it. Dispose of it properly, but don't put it into your lawn and garden equipment. Storage over the winter causes something called "phase separation" along with some condensation. The leftover gas can mean hard starting, stalling and poor running.

2. If you did not drain your equipment last fall, do it now. Most likely, the gas left over from last year has gummed up and may cause problems. Drain and clean everything, especially the carburetor.

3. Whether you're filling up with a new reformulated gasoline or conventional gas, regular 87

octane should be your choice. The new, environmentally-friendly fuels work fine in small engines, as well as in your car.

4. In many cases, the manufacturer's owner's manual will have helpful recommendations on the use and storage of gasoline for their products. Many retail stores specially recommend the use of reformulated gasoline in all of the engine products they sell.

For more information about reformulated gasolines, call toll-free 1-800-468-6734.

PERSONAL NOTICES

PRAYER TO THE HOLY SPIRIT Oh, Holy Spirit, thou who are all knowing, who brightens every path that I may reach my ideal, thou who giveth me this divine gift of forgiving and forgetting wrongs done unto me and who in every instance of my life art with me, I'd like in this short dialogue to affirm my gratitude for all your blessing and affirm once again that I never want to part from thee though the illusion of material things abound. My desire is to be with thee and all my loved ones in perpetual grace. Thank You for your mercy on me and mine. (Persons should pray 3 consecutive days without revealing petition. Within 3 days grace will be attained regardless of how difficult the petition may be.) Publish this prayer once grace is attained. Grateful for grace attained. M.P.
