The greatest water balloon fight in history Macho gets his wish

By Howard Klausner

The children gathered for Macho Rivera's 10th birthday party, filling the Belleville Little League hall with the noise and laughter that makes any party a success.

There was pizza and cakes and sodas, and as adults watched quietly, the children played with Macho as they would at any other outing.

Willie Rivera, Macho's father - a small, muscular man - said, "He could have had a trip to Disney World, or even a cruise, from the Make-A-Wish people, but he decided he wanted to have something else. He wanted to have the biggest water balloon fight in history."

So Macho, under treatment for a rare disease that affects his vital organs, filled 2,000 balloons with water, and sent out invitations to the children of Belleville to join him.

They came by the scores, rather than the thousands, but their enthusiasm matched that of thousands.

His mother, Kathy, and her friends dashed about the room to provide the good things to eat.

Willy said, "I love this town. Belleville has been so good to us. When the insurance company cut us off, everyone - the police, the Council - helped us raise money."

"I drive the bus for the Senior Citizens, and I umpire at games. That's how I make my living."

"But the people have been so helpful."

He looked at Macho, a solidly built boy who moved easily among his friends as would any other birthday boy.

"He told me - 'I don't want to

Photo by Howard Klausner

IN HIS HONOR - Macho Rivera enjoys the water balloon fight he planned as high point of 10th birthday party at Little League Field.

die.' I told him, God needs good men in Heaven, and if you go there, you'll be there with the King of the world."

The party moved to the playing field as adults brought out the cases of balloons. Reds, blues, yellows, greens - every hand soon held them.

And then, in arching throws,

youngsters sent the balloons into the air. As they fell to the earth in sprays of water, others replaced them.

The late afternoon sun caught rainbows in the sprays. Macho stood among the children, enjoying the fulfillment of his wish.

It was the greatest water balloon fight in history.

and all companies worked at the scene. The fire was contained to the original area, damaging several work stations and some equipment.

Smoke was light throughout the rest of the building, and water removal was necessary to protect other equipment and raw materials. The fire was brought under control at 9:15 p.m., and all companies were back in service by 10 p.m. No injuries were reported.

Firefighters received a welcome treat of cold water from several residents of the 400 block of Cortlandt Street who watched the men work in the midst of an early summer heat wave.

House fire extinguished

Firefighters responded to a call of a house fire at 57 Bell St. on June 23, arriving on the scene to find black smoke coming from the second floor of a single-family wood-framed house.

The residents were evacuating, and telling firemen of a fire in the bedroom.

Hoselines were stretched up the stairs to extinguish the fire, while searches were made to ensure that all occupants were safely out of the house. The fire was quickly stopped and confined to the rear bedroom and the adjoining hallway.

Two engine companies, one tender company, the ambulance unit and the Battalion Chief responded, and all companies worked at the scene. Additional firefighters were called to the scene to perform sal-

It's Mario and Arnaldo, 4-3

By Howard Klausner

Fourth Ward Council Member Mario Drozd was elected Mayor Tuesday by a 4-3 vote. Second Ward Council Member Arnaldo Carrera was elected Deputy Mayor by the same margin.

Supporting Drozd and Carrera was former Mayor Victor Canning and former Deputy Mayor Jerry Digori. Opposed were Council Members Angie Paserchia, James Messina and William Escott.

The vote ended a period of maneuvering over the past three months between Drozd and Escott.

There was a national and international flavor to the evening. U.S. Representative William Pascrell

(D-8th) administered the oath of office to the new mayor and deputy mayor.

In the audience was Consul General of Brazil Marcus De Vincenzi, an old friend of Carrera, as well as the Vice Consul and other Brazilian officials.

Former Mayors Mike Marotti, Marina Perna and former Council Member Dr. Frank Noonan were also in the audience. Kenneth Sorkin, Democratic candidate for the State Assembly, attended.

In other business, the Belleville Times was renamed an official newspaper of Belleville.

Robert Giordano was reappointed Township Attorney, Leonard Schiro was renamed Assistant Township Attorney, Karen Smith

was renamed Municipal Prosecutor and Thomas M. Murphy was reappointed Public Defender.

The oaths of office were administered by Township Clerk Mary Lou Hood and Municipal Judge Frank J. Zinna.

The invocation was offered by the Rev. Joseph D. Girone, Pastor of St. Peter's R.C. Church, Belleville.

Appointed to the Planning Board were Canning, Charles Cerami, Perry Mayers and Jude Luongo.

Appointed to the Zoning Board of Adjustment were Alois E. Schmitt and Luongo.

Kevin Kennedy was made a Member of the Historic Preservation Commission.

It's easier to read - and so, easier to bill

By Howard Klausner

A new water meter that may be read both inside the home and outside is being offered to water customers in Belleville.

Tax Collector Steve Vogel showed the new meter that comes in two parts - one that can be installed outside along with the gas and electricity meters - and one that can be installed in the house.

Both allow easy reading of water use.

Vogel said several hundred families have acquired the new device, at a cost of \$100 for purchase and installation.

There are more than 7,000 metered water users in the township.

"We are just bringing them in as needed."

Called the Remote Reading Water Meter, it is made by the Badger Co. of Wisconsin.

Vogel said it would make it easier for the meter readers to obtain accurate information.

Currently, complaints about disparities between billed amounts and actual amounts have been a constant problem to township authorities. In some cases, over-billings have exceeded \$1,000.

Employees of Public Service Electric and Gas Co. do the readings. "The problem is that they have hand-held processors, which sometimes do not tell them when a meter is supposed to be read," Vogel said.

The same people who check the water and electric meters monthly are supposed to check the water meters every three months.

There is the usual problem of reading meters which are inside homes or businesses.

Previously, township employees kept books which gave them a good idea of average usage, and also let them know if billings were being skipped.

Then modern electronics entered the picture, and the devices now used are less knowledgeable about customers' water use habits than the town employees were.

Even using improved meters will not solve all the problems in water billing, Vogel said. "We found that houses which had been read in February were not read in March."

Whether the error is human or electronic has not been determined.

CORRECTION - Anthony Iannatelli, above, was misidentified as Ajmal Zadran in photo published in last week's edition. Both were members of the BHS graduating Class of 1997 and received their diplomas June 26.

HONORED ROTARIANS - Receiving the Paul Harris Fellow Medal of Rotary International are, from left, Belleville Rotary Vice President Philip Nobile, Debra Nobile, Angela Cozzarelli and Rotary President Frank Cozzarelli, whose son, Robert, succeeded him in post.

THE COMMISSIONER - Belleville Council Member-at-large Angie Paserchia takes oath of office as Commissioner of the Passaic Valley Sewerage Commission from Belleville Township Clerk Mary Lou Hood, Monday. Governor Whitman nominated her in November.

Aside from That

By Howard Klausner

Msgr. John Hourihan, Pastor of St. John's R.C. Church in Newark, the oldest Catholic parish in that city, was in the area recently to help Belleville Rotary celebrate its 75th anniversary. As usual, the Monsignor had some startling information to impart. One is that he nearly turned his Chapel over to the Mormons. . . . "Well," he said, "I was approached by a group of Mormons who were looking for a place to hold services. I said they could use our Chapel. You never saw a more surprised looking people. A Monsignor offering his church? Well, we are open to the community, but it turned out that our place was too small for their purposes. When they have a service, they really have a service, and sometimes it lasts for hours." . . . This would have displaced the home community altogether. As it is, St. John's serves far more non-Catholics than it does those of the Faith. Its soup kitchen is legendary. "We've served 3 million meals," Msgr. Hourihan said. "When I first arrived, we were just giving out sandwiches. I couldn't see how a grown man could get along all day on just a sandwich, so we started giving out hot meals. People have been generous." Winter and summer, men, women and occasionally children, gather at St. John's for a nourishing meal, with the crowd of diners spilling out into the street. So much for the safety net - although, in a real sense, Msgr. Hourihan and his benefactors are the safety net. . . . "I was a public relations man before I became clergy," Msgr. Hourihan said. "I've always had a warm spot in my heart for newspaper people." It was at the Roscommon House in Belleville that Msgr. Hourihan and the Editor spent a few conversation-filled hours, settling the problems of the world and learning about a few more of them. At the time, the Monsignor could recount four muggings in which he had been the victim. "And one was in a dentist's chair!" It seems that the perpetrator enter the office while Msgr. Hourihan was undergoing treatment. It was an ecumenical holdup. The priest was required to shell out along with the dentist and anyone else in the office. Being mugged by an armed assailant is always a risky affair, but the Hourihan was spared for better things, like Rotary dinners. . . . Another bit of information imparted by the Monsignor was that he will retire in October. Current plans call for his settlement in a house on the Jersey shore, but it is unlikely that it will be an idle retirement. He is far too young, spiritually and physically, for that.

. . . The Editor has wept a number of times in his adult life, but only rarely in the course of covering a news event. It happened as we attended the 10th birthday party of **Macho Rivera** - the story is one Page 1 - as we witnessed the outpouring of love for this brave youngster, and the greatest water balloon fight in history in his honor. We recall one other time when this happened to us. It was at a physical rehabilitation center where a young man, perhaps 21 years old, was outfitted with a motorized wheelchair that could be operated simply by blowing into tubes. Paralyzed since early childhood, he was completely dependent on the care of his family, which included a burly, loving father who tenderly lifted his son from place to place. We watched as the young man was placed in the special chair, and then, for the first time in his life, moved his body under his own command. The father burst into tears, and suddenly it hit us that a momentous event had occurred, a virtual rebirth before our eyes. We wept. . . . Years later, we were in a police headquarters in Bergen County when a well dressed business man was brought in by police. A motorist, he had been involved in a fatal accident hitting a man who had tried to cross a busy highway at night. No charges were brought against the motorist. When told he could go, the man's face suddenly contorted. "I've killed a man!" he cried out, as the realization came to him. He sobbed loudly. Then he tried to apologize for his tears. A police officer comforted him. "Don't be embarrassed," he said. "It takes a real man to cry." . . . The island of **Martha's Vineyard** off Cape Cod beckons us for the coming week. We have had friends on the island for many years and for those familiar with the place, it has a charm based on both comparative isolation - it can only be reached by boat - and considerable sophistication - its population includes a lot of noted literati, politicians and people who just love the combination of sea and rural atmosphere. . . . **Fifth Ward Councilman Harry Zilch** notes, "It's hard for real people to contest with fictional characters, whether it's **Mickey Mouse** or **Murphy Brown**. It turned out to be a bad idea for **Dan Quayle**. And it didn't help the then Vice President to denounce **Bart Simpson**. When a real organization or person tells the public to choose between it and **Looney Tunes**, it takes it chances." . . . Zilch's political supporters, the **Kool Kumbur Boys**, are opposed to televised political debates involving its own nominees. "Our last three candidates turned out to be on **America's Most Wanted** list," they complain. . . . Our Copy Cat, **Baldassaro Di Vincenzo Mitten**, says that the problem of relocating the Township offices has been solved. "The seat of government is always the office of the **Township Clerk**, and **Mary Lou Hood** is moving it to **Alaska** this summer, where she'll finally be taking her vacation."

AMONG HIS FRIENDS - Macho Rivera, in shorts, is surrounded by the children who helped him celebrate his 10th birthday party at the Belleville Little League hall. More than 100 youngsters participated.

Photo by Howard Klausner

AT THE PARTY - Jamie was one of those who helped Macho Rivera celebrate 10th birthday.

Health Dept. issues tips on water safety

The Belleville Health Department is dedicated to keeping the public informed about issues concerning the safety of the community.

Now that summer is here, Health Officer Thomas Longo offers advice on keeping children safe as well as cool.

While swimming is a favorite activity for most children, careless pool behavior can have tragic consequences. Approximately 1,150 children ages 14 and under drown and an estimated 5,000 are hospitalized due to near drownings each year.

About 98 percent of pre-school drowning occur either at home or while visiting neighbors, friends or relatives. Many drownings and near-drownings can be prevented with safety measures.

Parents can help guard their child's life by following tips

offered by the National Safe Kids Campaign, American Academy of Pediatrics, National Pool and Spa Institute of the U.S. and Consumer Product Safety Commission:

- Supervise - Never leave kids alone in or around the pool even for a moment. Most drownings occur when a child is left alone for five minutes or less.

- Build a barrier - Install a four-sided fence around the pool that completely separates it from the house and yard. The fence should be at least five feet high with a gate that closes and latches automatically, with the latch above the child's reach. Bars should be vertical, no more than five feet apart, and not chain-link, which children can climb.

- Mind the poolside - Remove toys from the pool area when not in use so kids won't be tempted to each for them. Store rescue equipment, a long pole and life preserver by the pool.

- Sign kids up - Enroll children 3 and up in swimming lessons. Remember that this doesn't make kids drownproof.

- Prepare yourself - Learn cardiopulmonary resuscitation and rescue techniques.

- Act fast - If your child is missing, check the pool first. It is unlikely that splashing or screaming will alert your attention. Drownings are usually silent. Go quickly to the edge of the pool and scan the entire bottom surface and surrounding area.

Belleville Senior News

By Joseph Restaino

But Didn't

Do you ever think at close of day
Of kindly words you meant to say —
But didn't?
Do you ever think when day is done
Of errands kind you could have run —
But didn't?
Do you ever think when skies are red
Of hungry mouths you could have fed —
But didn't?
Do you ever think at dawn of night
Of letters kind you meant to write —
But didn't?
Friend, do you think at life's set of sun
You'll think of deeds you could have done —
But didn't?

Kathryn Thorne Bowsher

Sorry to hear that Elanore Bellina and Anthony Aranecki are in the hospital. Elanore had to be rushed home from her vacation at the Granit because she became ill. She is also one of the trip chairpersons of the Friday Social Club which was at the Granit on vacation at the same time. Josephine Molinaro, trip leader, informed us that the hotel declared Chapter 11 while there and all people there had to leave before time and were not reimbursed for the unused time. They were lucky that they only lost one day. This is something to talk about. In spite of this, they did have a good time while there.

A news item submitted to me last week about a scholarship given to Stephanie Brunello, a Belleville High School graduate, should have stated that it was given by American Legion Post #73 and not 70. We apologize for the error and are glad to give credit to Post #73.

Once again, it is time for the all-night vigil of the Sacred Heart of Jesus and Immaculate Heart of Mary. It will be held July 4-5 (9 p.m. to 8 a.m.) First Friday and First Saturday at Our Lady of

Mount Carmel Church, 94 Pine St., Montclair. For further information, call the parish rectory at 744-1074.

Language of Love

The language of love
Needs no words to express
The thoughts and the feelings
That you wish to stress.
A glance and a touch,
A hug and a squeeze,
The look in your eyes,
The desire to please.
This is the language
That lovers understand,
A message sent and received
Just by holding your hand.

Author unknown

Condolences to the family of Ann Boylan and Walter Silkowski who both passed away this past week. Also to Kathleen Kearny who lost her sister. May their souls rest in peace.

Sorry to hear Rose Queli is not feeling well.

I forgot to mention that Ann Boylan and Walter used to be members of the senior clubs.

A warning to people who crush their pills because they are hard to swallow. Many people do this and although this may sound fine at first, you need to use caution. Always ask your doctor or pharmacist before crushing any of your medicines. Many times they will have a warning label on the pill container that they should not be crushed. One reason is that they could be a time-released formula and crushing them will alter the effect of the medicine. Check first and be safe.

Saturday, June 28, I attended the 50th birthday celebration of my son-in-law Allen Johnson. Al is married to my daughter, Lois, and they have two children, Erica, married to Councilman Jeff Monacelli of Orange and Philip, a student at DePaul High School in Wayne. Al's parents, Rita and Allen Johnson of Lakehurst were present as well as his sister, Mrs. Jim McDermont of Sayerville, brother Stephen and friend Linda from Trenton, and brother Raymond and wife Pat. Also there were father and mother-in-law Joseph and Mary Restaino, brother-in-law Joseph and wife Lani, sister-in-law Phyllis and husband Herb Yager, brother-in-law Alan and wife Debra Restaino. Also present were the families of the relatives and other relatives and friends. The main course consisted of Chinese food and the many guests went to town on the delicious food. Many happy returns, Al.

Tid bit: The kiss of the sun for pardon, the song of the birds for mirth. One's nearer God's heart in a garden than anywhere else on earth.

More and more it seems that you need a special degree just to go shopping for food.

There are certain things you need to know in order to survive in the supermarket. There are many tricks, terms and marketing ploys that supermarkets use to entice you to buy foods you really do not need or can afford.

One of the greatest challenges is to prevent impulse buying. This means you buy food you did not intend to buy.

The first tip is to shop the parameter of the store. Most foods like vegetables, fruits, meats, milk, and bread are placed at the walls of the store.

When you shop at the walls of the store first, you are sure to buy the foods that are needed in your daily meal plan. When you shop in the aisles first, you are more likely to buy processed cakes and grain dishes with added salt.

Never go to the supermarket when you are hungry. This is a cardinal mistake.

When you are hungry and shopping, you are more tempted

to buy foods based on the hunger need and not on the nutritional or financial need.

Shopping on impulse, like when you are hungry, only serves to ruin your budget by enticing you to over-buy food.

Plan a grocery list before you go shopping and stick to it. This will save you time, money and inches on your waist.

Watch out for eye level displays with all of their catchy decorations. These displays are an attempt at luring you into buying on impulse.

Words like health food and organic are misleading. Any food that supports health is a health food (even junk food). Organic means that the food was grown in dirt!

These terms and other terms like natural (most any food is natural) are attempts at making you believe you are getting more than you really are.

Shopping in the 1990's is a tricky game. The next time you are shopping for food, try using these survival tips.

CLEAR PERSPECTIVE

How America stacks up

Eighty percent of Americans recently surveyed said that vision is their most valued sense. Yet, how many are actually well-informed about eye and vision health? The following is a partial listing of answers & explanations from our previous Healthbeat column's questions.

Dr. Walter Shurminsky Jr.
Optometrist

Check your score below and compare your answers with those of the rest of America.

The check marks indicate the correct answers.

6. Most people will have a vision problem by the age of 50. ☒ 81% ☐ 19%

True. It may well be from personal experience that most Americans know that by age 50, 90 percent of people need prescription eyewear.

True False

7. The darker the sunglasses, the more protection there is from ultraviolet radiation. ☐ 35% ☒ 65%

False. Darker lenses do not necessarily mean safer lenses. When purchasing nonprescription sunglasses, check the tag or ask the clerk about a lens' UV absorption capabilities. When ordering prescription sunglasses, look for a lens that contains a UV inhibitor. And, when choosing prescription glasses, consider a photochromic lens that changes under different lighting conditions and has a built-in UV protector.

8. Everyone should get their eyes examined every two years. ☒ 80% ☒ 20%

True or False. The fact is that everyone should get their eyes examined at least every two years. However, the time between eye examinations can range from two or three months for patients with poor eye health to two years for patients with no apparent eye concerns. You and your eye doctor can determine the right frequency for you based on your eye health history, as well as your age, race, family history of eye disease and other factors.

9. Blue or green eyes are more sensitive to light than brown eyes. ☒ 53% ☐ 47%

True. Because lighter colored eyes have a lower filtering ability than dark eyes, they are more sensitive to light.

10. Vision problems are mainly hereditary; if no one in your family had problems you won't either. ☐ 16% ☒ 84%

False. You might get those baby blues from dear old dad, but that doesn't mean you'll inherit his nearsightedness. On the other hand, while certain eye conditions are linked by heredity, you can't assume that you will not have eye problems just because no one in your family does.

If you have questions regarding the answers to this exam contact our office at 667-0331.

Mobile Meals offers service

Mobile Meals of Essex will provide up to three meals a day to homebound elderly of the West Essex area while family members are on vacation.

Carol DiCola, the program's coordinator, noted that "the summer meal program provides caregivers with peace of mind. They can get away for a week or so, knowing that, each day, a Mobile Meals volunteer will deliver freshly prepared meals and check in on their loved one."

The nutritionally balanced

meals are delivered each day before noon, and include a hot lunch, dinner and breakfast for the next morning, she said. Menus are varied and meals can be prepared in accordance with specific dietary needs, she said.

Based in Montclair, Mobile Meals of Essex services residents of Bloomfield, Glen Ridge and eight other communities.

Mobile Meals is a sub-division of Chr-ill Service, Inc., a home health-care organization serving Essex County.

Chr-ill offers in-home aides for summer

The Summer Respite Program of Chr-ill Home Health Care Services, 60 South Fullerton Ave., Montclair, provides the elderly, handicapped or chronically ill with in-home assistance while family members are away.

Chr-ill's thoroughly screened, State of New Jersey-certified home health aides are available on a daily or live-in basis, and will assist with personal care, meal preparation and light housekeeping, run errands and offer companionship.

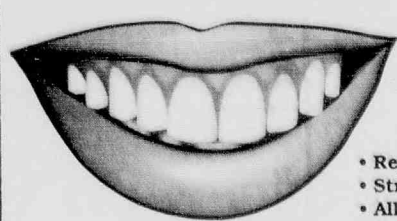

Home health aides can also

accompany the family on vacation, Chr-ill officials said.

"This type of short-term health care offers caregivers peace of mind so that they can enjoy a well-deserved break, whether it is for a couple of weeks or one night," Kathy Driscoll, R.N., director of the Home Health Aide Division of Chr-ill, said.

A United Way agency, Chr-ill serves Essex and western Hudson counties. For more information, call Sylvia Bigams, intake coordinator, at 744-8103.

Life in Silver Lake

By Marie Strumolo Burke
A feature of Belleville Times

First thing's first! Happy 57th birthday to my honey. You know who you are, don't you? O.K. It's back-to-work time.

Did I say work? Wrong, more like fun dabbling with the column. And fun we had at our fourth birthday bash of the Silver Lake Civic Association.

Would you like to hear our guest list? There were about 80 SLCA members present and accounted for, along with our scholarship winner, Fredrick Crowell, and mom Jeannie. Our other winner, Jorge Vincetty, came a bit late since he was representing his classmates at the Board of Ed meeting. Superintendent Michael Lally sent his regrets and was missed.

Ed Black, conductor of the BHS orchestra, and Ed Kramer, music director, were also on hand, cheering their students on. We had Det. Mark Minichini, who spoke on home security and our ready, willing and able - oops, "Able" was not present, but Lt. Manno and Officer Martucci were there. Officer Geyer had another commitment.

And for all those other invited guests who did not attend, shame on you, you missed a great time.

"The Angel" and her assistants planned the party with class. Grace Constantino, Grace Dondarski, Anthony Sessa, Paul and Donna Iannia, Joyce Risoli, Pat Bilotti and Anthony Renna did a good job in "Dishing out the grub."

And what better way to celebrate an evening than to have top-notch entertainment? And entertainment we got.

On center stage the main attraction was our Silver Lake stars, Garry Ianco of Heckel St. and Vincent Pipitone of Frederick St. Garry started us off with "Amazing

Grace," which he so ably performed on his violin. Vinny Pipitone played the keyboard and the bass on another song. On drums was Chris Nixon; bass, Shannon Brehme; and the soundman was David Hinchey. And to top is off, they brought along their teacher, Cheryl Marion, who plays a mean guitar.

Some of the songs they played were "Because the Night," and "Piano Man." They sounded like professional entertainers.

My heart skipped a beat when they lead the audience in a song that they wrote for me and the association, called "Belleville Silver Lake Blues." Copies were given to everyone to follow.

A framed copy of the song was presented to me that I will cherish forever. I knew then that the work that I and the association do is not in vain, because our youth recognized all the hard work that goes into keeping a neighborhood preserved.

Now listen up, people, and sing along with me to the "Silver Lake Blues," written by Garry Ianco, music by Vinny Pipitone and The Gizz:

"We live in Belleville, that town next to Newark

"It seems real bad, but they don't know the work

"That people like Marie Strumolo Burke

"She writes up a storm 'cause she's some kind of clerk

"I've got the blues, got the blues,

"We got crime all around us, but none within, because

"Of the mobile substation here in Silver Lake

"They try to come in, but they can't put us out

"Because we have the association, and that's what it's all about.

"Over here we got Chris on the drums, look at Vindog on the bass,

"Here we have Ms. Marion on the guitar

"We live in Belleville, that town next to Newark

"But they don't know the work, because we don't take to Newark,

"Bloomfield or Nutley,
"Go down Franklin Avenue and turn at St. Anthony's."

Sounds like an award-winning song to me, guys. Hey, you never know.

How lucky Silver Lake is to have talented, well-behaved young gentlemen like Garry Ianco and Vincent Pipitone grace our neighborhood. And to you parents of this duo, what a job you did in raising them.

And to all you pessimists who move to find a better education for your children, talk to the parents of these fine young men and ask them about the education they get at BHS. This talk may save you on your moving expenses.

And to all you entertainers, you have an open invitation anytime you want. You were super.

Remember, we love Silver Lake, Garry Ianco and Vincent Pipitone.

IN PAGEANT - Liz Ann Rizzolo of Belleville will compete in the Miss North American Scholastic Pageant July 4-6 at the Waldorf Astoria in New York. In 1995, she was crowned Miss New Jersey Teen Princess. She is a Dean's List student at Flagler College in St. Augustine, Fla.

WINS SCHOLARSHIP - Jacqueline Helfrich, Salutatorian of 8th Grade Class, St. Peter's School, has been awarded Principal Scholarship of \$500 at Queen of Peace High School.

Night tours of zoo scheduled

Tours after dark to observe the nocturnal behavior of the animals will be held on Tuesday, July 8, and Wednesday, July 30, at 8 p.m. at Essex County's Turtle Back Zoo, 560 Northfield Ave., West

Orange.

For any further information, call the zoo, a facility of the Department of Parks and recreation and Cultural Affairs of Essex County, at 731-5801 or 325-7878.

HOROSCOPES

July 6-12

ARIES — March 21/April 20

You take on the role of crusader this week, Aries, and fight to help a co-worker who is having trouble with a superior. You help a person in need without jeopardizing your standing in the company. Your love life flourishes as someone you've been dating reveals his or her true feelings for you. Gemini plays a role.

TAURUS — April 21/May 21

Your will is tested early in the week when you meet a new co-worker who is just as stubborn as you. Instead of working against him or her, combine your efforts. The two of you can make a lot of headway together. A close friend needs your support during the weekend. Be there for him or her.

GEMINI — May 22/June 21

While it may be difficult, try not to be impatient this week. Remain calm at work, even though it seems as if everyone is working against you. Stand your ground — calmly — and all will be well soon. Things are easier on the home front. Loved ones are supportive of all you do. Cancer plays an important role early in the week.

CANCER — June 22/July 22

This week, you feel bright and cheerful as everything seems to be going right. The down-in-the-dumps feeling you've had for the past few days passes, and you feel like a new person. Work goes well, and your personal life thrives. Friends you haven't heard from in a while contact you, and someone special makes a move. Say yes.

LEO — July 23/August 23

It's a good thing that you're a loyal friend, because a loved one needs your support this week. Your advice and caring is appreciated, and you gain a sense of fulfillment by helping him or her. Your love life is in full swing later in the week. Someone intriguing introduces himself or herself to you and seeks your attention. Aries plays a role.

VIRGO — Aug 24/Sept 22

There's no need for you to worry about anything this week. Things go well at work and at home. Your efforts are appreciated by your superiors from 9 to 5, and your loved ones are impressed by your efforts to maintain family harmony. A person you've been seeing wants to step up the relationship.

LIBRA — Sept 23/Oct 23

You meet a lot of interesting people at work this week, Libra. You make some new friends and a lot of connections. Even though you don't need them now, they will be beneficial in the future. Sagittarius plays an important role.

SCORPIO — Oct 24/Nov 22

The truth will set you free early in the week — even though you think it will get you in trouble. Don't lie when it comes to a problem at work, because it only will make you lose face with superiors. A family member needs your help with a child. Your input can help with a difficult situation.

SAGITTARIUS — Nov 23/Dec 21

Control your temper late in the week. A co-worker irks you with his or her attempts to steal the glory when a long-term project finally is completed. However, you will look like the bad guy if you retaliate. Talk to your superior in private to rectify the situation. That special someone asks you out for a drink. Saying yes could lead to an interesting relationship.

CAPRICORN — Dec 22/Jan 20

If you overcome your shyness this week, Capricorn, you will meet a wonderful person who can help you personally and professionally. He or she not only can advance your career, but also will introduce you to someone who just may be "the one for you." Gemini plays an important role.

AQUARIUS — Jan 21/Feb 18

Your practical nature wins out at work on Monday. While co-workers try to get you to take the easy way out when it comes to a problem, your diligent efforts, though time-consuming, get you noticed by the higher-ups. You'll be remembered when promotions come around.

PISCES — Feb 19/March 20

Your compassionate nature serves you well this week as a loved one goes through a trying time. Be optimistic to keep his or her spirits up. While this will take a lot of energy on your part, it is needed — and you will be appreciated.

'Kiss me Guido' is a riot you shouldn't miss

By Kelly Tahaney

Rating: ****

Don't let the title scare you off. "Kiss me Guido" is one of the funniest, original films to hit this year.

It is an independent movie that received raves from Robert Redford's 1997 Sundance Film Festival.

It is a movie about a straight guy from the Bronx who is struggling to become an actor.

He's a pizza man by day and wantabe Robert Deniro/ Joe Pesci by night.

"I know Deniro's a better actor but Sylvester Stallone is my favorite," Frankie Zito (played by Nick Scotti) says.

Frankie has some problems with his brother at home and decides he

needs a change of venue.

He answers a newspaper ad for an available apartment in Greenwich Village.

Frankie thinks "GWM" means guy with money when in fact it stands for gay white male.

Frankie's first encounter with his potential roommate, Warren (played excellently by Anthony Barile) starts a hilarious series of great skits between heterosexuals and homosexuals.

This film does not lean towards gays or straights and is a movie that everybody can enjoy.

Tony Vitale put together a remarkable piece of work for a first time director.

This Paramount Pictures release will open July 18 in a Jersey theater near you.

Doo wop music to be performed at Bloomfield High

Spotlight Music Productions, Inc. presents a benefit concert featuring 60's group The Vogues and Remembrance.

The Vogues will be singing "My Special Angel," "Never My Love" and "Five O'Clock World."

Remembrance is a New Jersey acappella group.

The concert is being sponsored by the Bloomfield Fireman's Mutual Benevolent Association.

The show is on July 12 at 8 p.m. at the Bloomfield High School Auditorium located at 160 Broad Street.

For tickets call 1-800-327-7617.

MOVIE TRIVIA CONTEST

Win two FREE movie passes from one of our participating theatres.

Contest Rules:

Completed entries with all 5 correctly-answered trivia questions must be received by 12 noon, Monday.

The winner will be selected in a random drawing amongst eligible entries.

Odds of winning will be determined by the number of eligible entries received.

All entries will become the property of Orechio Publications.

In the event that no one correctly answers all 5 trivia questions, winner will be determined in a random drawing of entries with the most correct answers.

Winner's name and correct answers will be published in next week's edition.

This week, win two free passes to
Clairidge Triple Cinema

Movie Trivia Contest #59

July 3, 1997

1. Thanks to Joy Penk for her help in this week's movie trivia. For the first question, what actress made her film debut in the movie, "With Six You Get Egg Roll?"

2. In the movie, "Yours, Mine and Ours," within three, how many children did Lucille Ball and Henry Fonda have?

3. In "Where Angels Go, Trouble Follows," which actress went on to star in a sitcom as a single mom living with her best friend in the '80s? What was the sitcom?

4. Which "Rocky" movie featured the song, "Eye of the Tiger?"

5. What actress played the lead in the movie, "Quarterback Princess?"

NAME _____

ADDRESS _____

PHONE # _____

Mail this completed entry to Orechio Publications, 800 Bloomfield Ave., Nutley, NJ 07110 att: Movie Trivia Contest, or fax it to (201) 667-3904.

Answers to last week's quiz:

1. Dean Martin
2. Karen Black, the flight attendant
3. Bermuda Triangle
4. Kareem-Abdul-Jabbar
5. "Morning After"

Winner of two free passes to Essex Green Cinema: Joan Cox of Belleville.

Kids!!! Kids!!! Kids!!!

Calendar of Events

In the Trustees Gallery: "In the Mountains," a photographic exhibition by Frederick Dammont, will be on exhibit.

In the library's Exhibit Cases: "Santa Clauses" by Pat Cameron will be on display.

July 3: "Be a Food Scientist" a science storytime program, will take place at 11 a.m. in the James J. Cozzarelli, Jr. Children's Room.

The Travel Film Class series will focus on "Ireland" at 1 p.m. A Sing-a-long with Frank Senatore will take place at 11:30 a.m.

July 7: "Grass Hair Planter" a summer craft for young people, teens, and adults, will be taught by Zita McGarry at 10:30 a.m. Preregistration is required.

The Eight Live Monday Nights begin with "Cowboy Roy" at 7:30 p.m. Preregistration is required. If sold out, there will only be standby to enter.

Salute to Astronomy opens at the Shafter Branch, 30 Magnolia St., followed by the video "Star Wars".

A volunteer orientation will take place at 2 p.m. in the children's room.

June 8: "Looney Birds" will be the featured crafts at 10:30 a.m. Registration is required.

"Design a Constellation" will take place at 11 a.m. at the Shafter Branch.

"Welcome to the Internet," a computer class, will take place at 2 p.m. in the children's room.

July 9: A storytime for toddlers and preschoolers will take place at 9:30 a.m. at the Shafter Branch, and 10 a.m. in the children's room of the main library.

"Computers Work & Help" will take place from 2-4 p.m. in the children's room.

A family concert with Guitar Bob will take place at 7 p.m. Call for reservations at 450-3434.

July 10: "Be a Botanist" at 2 p.m. in the children's room. Bring a single flower or a vegetable.

A Sing-a-long with Frank Senatore will take place at 11:30 a.m.

"Browsing the WWW through Netscape," an introduction to the internet, will take place at 3:30 p.m. at the library.

BOOK MARKS

The Travel Film Class features "Travel Tips: Athens, Rome and Venice" at 1 p.m.

Donations of books for special occasions

Do you have a child receiving confirmation, a daughter or a son graduating, a special anniversary, or a special birthday? Has a friend passed away to whom you wish to have remembered?

Please consider a donation of a new book, audiocassette, video, or CD-ROM to the Belleville Public Library and Information Center. You might also consider establishing a book collection in honor of, or in memory of an individual. Book collections by organizations, which will have book plates, are encouraged.

The library director will be glad to come to your organization to discuss book donations, or will be available to answer questions. Please call Adrea Cohen at 450-3434. If she is not in, as to speak to the assistant library director, Dr. Ming Bao.

Explore science at the library

The James J. Cozzarelli, Jr. Children's Room and the Shafter Branch Library have adopted a unique theme this summer, titled "Explore Science @ the Library."

Children can join the science at the library summer reading club and keep track of everything that is read and win prizes too.

On Opening Day, there will be a wildlife extravaganza. Children can come dressed as animals. There will be face painting and other activities.

Science storytimes will take place once a week at 11 a.m. There will be stories and activities about animals and weather, as well as about dinosaurs and other items.

There will be computer classes, so that the children can get some familiarity with the Internet and with computers. There will also be an opportunity to be a scientist, to explore, to experiment, and to invent.

There will be weekly exhibits, so that you can get a hands-on

with science teasers and many other projects.

The Belleville Library Players will perform animal stories of all sorts that are rehearsed and performed at one of the Live Monday Nights.

There will be the Eight Live Monday Evenings at the library, eight in a row.

Remember to register. Volunteers should remember that anyone who is finishing fifth through eighth grade can become a volunteer and help out with their choice of activity.

Pick up the notebook in the James J. Cozzarelli, Jr. Children's Room, titled "Explore Science @ the Library."

Library helps with computer literacy

The Belleville Public Library & Information Center has reached out to hundreds of young people, adults and seniors by means of introductory lessons on the Internet.

Many of the senior have never had the opportunity to sit down and even touch a computer before they attended a class at the library. Library patrons attend one session or all 12 of the sessions, which will be offered through Aug. 20, by Cindy LaRue, Joan Taub, and Dr. Ming Bao.

"I am very proud of the accomplishments of the staff of the library in providing this training and trying to help the library patrons become computer literate and to adopt the information age of the 21st century," said library Director Adrea Cohen.

The training is also important for students of all ages. Every student attending college today must know how to use a computer, and may students bring their own computers to college, similarly to the days when their parents brought their typewriters to the dormitory, to do their research papers.

Cohen is also proud of the staff's accomplishments in helping the unemployed find jobs on the Internet. The library's Computer LAN is a model for libraries in New Jersey, which was established through the hard work of Dr. Ming Bao, assistant library director, working with the direction of Cohen.

The next classes are: Thursday, July 10, at 3:30 p.m.; Tuesday, July 15, at 2 p.m.; Wednesday, July 23, at 2 p.m.; Wednesday, July 30, at 2 p.m.; Thursday, Aug. 7, at 2 p.m. on Tuesday, Aug. 12 at 2 p.m., and on Wednesday Aug. 20 at 2 p.m.

Please register for each class at the library.

Note: All events unless otherwise noted take place at the Belleville Public Library and Information Center, 221 Washington Ave.

Health Department advises bicyclists to wear helmets

Now that warm weather is here, more and more people are bicycling.

While bicycle riding is fun and great exercise, it poses certain risks, advises the Belleville Health Department.

Every year, 400 to 500 children in the United States die as a result of bicycle injuries - most within blocks of their home. Most of these deaths and numerous injuries are the result of brain trauma.

When children fall off their bikes, they have a good chance of

hitting their heads, which is the most fragile body part. If a child's head strikes the pavement even at a slow speed, permanent brain injury can result.

Helmets can prevent 85 percent of serious head injuries.

Riding a bike is a balancing act for everyone who rides. It only takes a moment's inattention for an injury to occur. Scraped knees and broken bones can heal, but a head injury can result in permanent disability.

Parents need to set a good

example by wearing a helmet themselves when they ride. Wearing a helmet should be a condition for riding a bike, not an option.

Consistency is very important. If a parent allows a child to ride their bicycles on some occasions without a helmet, they will not believe the message about the importance of wearing them.

When purchasing a helmet, look for a Snell and/or ANSI certification sticker. These mean the helmet meets basic safety standards.

The helmet should be comfortable, should fit snug, and should have limited movement from front to back and side to side. The strap should be secure and should always be fastened when riding.

New Jersey was the first state to pass legislation requiring children under 14 to wear bicycle helmets.

Compared to the cost of head injuries, bicycle helmets are inexpensive insurance. While getting your child to wear a helmet may seem like a problem, so is having a child with a serious brain injury.

OUR OPINION

The extraordinary Fourth

It takes a nation of immigrants to really appreciate what America means to humanity.

Most who were born elsewhere know what it is like to live in fear, hunger and tyranny. Even those who knew relative stability or freedom know that opportunity is greater here than anywhere else.

July Fourth is one of the few national holidays that can be celebrated and appreciated world wide.

The Chinese who raised their hands for democracy in Tienamen Square in 1989 carried American symbols with them - a model of the Statue of Liberty, even American flags.

Our country has become so emblematic of human freedom and human dignity - with all our failings - that it nourishes the dream of liberty throughout the world.

Yet there are people holed up in tiny enclaves around the country who hate and fear democracy. There are people living in luxury which their ancestors never dreamed possible who also hate the American dream.

There are those who can with justice show they are and have been victims of injustice, but few, if any, of these talk in terms of leav-

ing America for some better place.

The Declaration of Independence was only the first step toward freedom. There was a long, bloody and debilitating war to be fought. There was a period of near-anarchy to follow that. And then there was the creation of the Constitution.

We can only marvel at the confluence of great minds and noble spirits that existed just at that time in history, and just in this corner of the world, that could create this remarkable charter for free government.

There were slaveholders among those who crafted the Constitution. They set into motion, wittingly or not, the forces that would destroy slavery.

And who could conceive of a nation that would for more than a century open its doors to all.

The great question of whether a nation "so conceived and so dedicated may long endure" remains with us.

So far, the system has worked, and it has worked wonderfully well.

May there be a millenium of July Fourth celebrations before us.

Hey, a free port?

In the commentary on the turn over of Hong Kong from a rule of law to a rule of hugs, mention was made that one of the major assets of the island city is that it is a free port.

A free port means that no duties are imposed on imports, but the money lost by the lack of import taxes is more than made up by the manufacturing and processing of goods that a free port has.

In the case of Hong Kong, the ability to bring in goods to be processed and shipped out again has provided the local economy with not tens of billions of dollars, but hundreds of billions.

You do not have to be a Crown Colony to be a free port, or even a port. Mount Olive in New Jersey is a lot further away from Port Newark than Belleville is, but it is a free port.

It is a major shipping center, with plenty of firms operating in its tax free confines.

The difference between Belleville and

Mount Olive can be summed up in one word - Rockefeller.

Rockefeller money created Mount Olive, and possibly bought the legislators to make it possible.

Is the idea of a free port feasible for Belleville, which actually is bounded by three rivers, all of them feeding ultimately into Newark Bay?

We don't know, but with available locations like the old Kidde plant and the Wallace and Tiernan property, all close to the river, perhaps it is something to be investigated.

There was actually a serious effort to make East Rutherford into a deep water port. It came to an abrupt end when the Turnpike Extension was built over Berry's Creek.

Perhaps a port may not work out, but it would provide us at least with a base for one other money making operation. Piracy.

Look, it worked for John Jacob Astor. Why not for us?

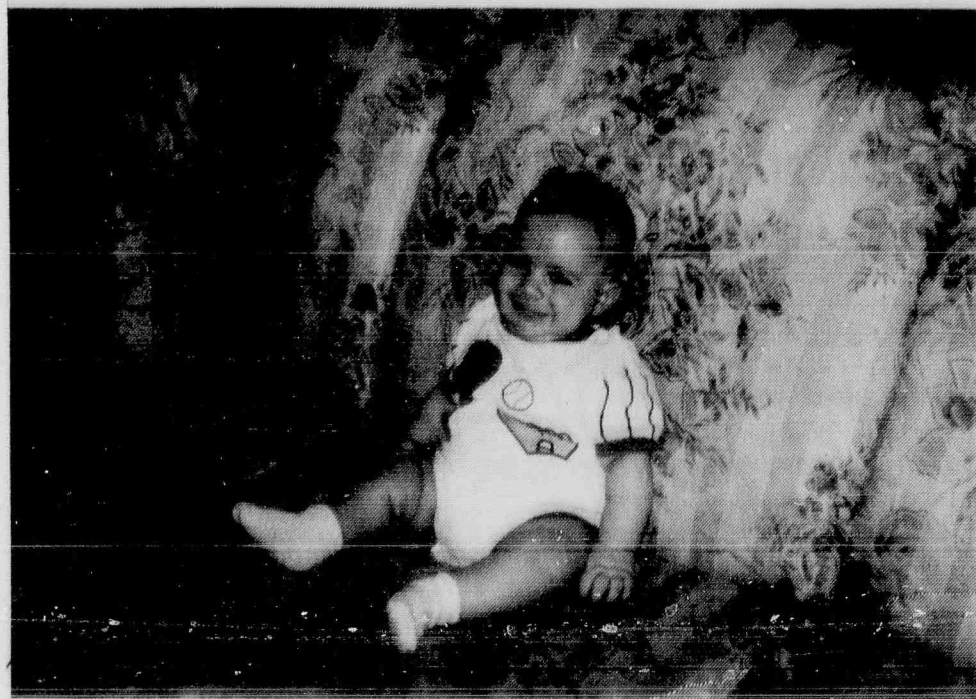

Photo by Howard Klausner

THE FUTURE - Nicholas Joseph Clark, son of Daniel and Ann Bonomo Clark of Emmet Street is three months old and a happy addition to the citizenry of Belleville. And he enjoys healthy appetite.

YOUR OPINION

On public smoking

To the editor:

Let us give our children and neighbors a smoke break. Yes, let's request, with the assistance of the government, that those who enjoy smoking not force the non-smokers to inhale their secondary smoke. As we ride around Belleville and other towns, we see signs to protect our youngsters. "Belleville Has Many Children, But None To Spare - Drive Carefully," "Drug-Free Zone," "Don't Drink and Drive," etc. Yet when it comes to smoking, little is done.

The Liggett Tobacco Company has finally admitted that nicotine is addicting and is placing that fact on its cigarette packs.

A recent Harvard study indicated "that regular exposure to other people's smoking at home or work almost doubled the risk of heart disease." Each year, 400,000 people die due to smoke-related illnesses, according to the government. The cigarette companies had admitted to internal documents targeting children as potential customers as 90 percent of smoker begin when they are under 18 years of age.

I was shocked to see a few parents smoking at School No. 3 in a way that their smoke was going into the bodies of children waiting to go into school. Upon reporting this danger to Raffaella Saulino, principal of School No. 3, I was told there was a law that there was to be no smoking on school property. She sent out a memo to all of the parents that same day asking for their cooperation.

It would seem the Board of Education needs to post signs at all of its outdoor facilities reminding smokers that smoking is not allowed there. It is indeed a shame that parents or guardians can't wait until they leave school grounds to smoke. It would appear that these guardians are also setting a poor example for their own children as they are their children's prime role models, and literally are clouding their children's futures with their smoke.

The main reason for writing this letter was for signs to be placed at the high school stadium bleachers and all of the other town and little league outdoor bleachers indicating smoke is not allowed. Smoker could still light up away from those sitting in the bleachers and from participants in activities. It is hoped that local police could remind offenders not to smoke in restricted areas and that announcements be made over loudspeakers. Thus, when we attend the Fourth of July celebration, little league and school sport events, we and our children will not be poisoned slowly. There are many considerate smokers who are careful where they smoke; unfortunately, there are a few who are so obsessed that they fail to understand the concerns of others. Smoking is not even allowed in Yankee Stadium - an outdoor event - nor is it allowed in retail stores, schools, airports, etc. Why shouldn't events which cater to youngsters, sponsored by the town, have similar restrictions?

While those under 18 years of age are prohibited from buying cigarettes, it is appalling to see these children smoking at the Fourth of July celebration in the stadium and at sporting events. Let us give our children and neighbors a smoke break! Please contact the four councils and the Board of Education.

David Harris

Have a safe Fourth

To the editor:

As the celebration of our nation's birthday, Independence Day, nears, I would simply like to take this opportunity to wish everyone a happy and safe Fourth of July.

During all the festivities, we should recognize the importance of safety, especially with fireworks.

The best way to avoid injury with fireworks is to simply not use them. Go see a professional fireworks show instead. The worst place to celebrate Independence Day is in the emergency room.

Although Independence Day is a time of parades and picnics, friends and families, let us all reflect on the solemn meaning of this, our oldest holiday. July fourth represents the genesis of the American way of life, and of the liberty we treasure so dearly. We must remember the brave patriots who gave their lives to create this great nation, and to never take our freedom for granted.

Bill Pascrell Jr.
Congressman
Eighth Congressional District

Thanks from BASE

To the editor:

Once again, the Belleville Alliance for Substance Education is proud to report to the Township of Belleville that the 1997 celebration of Project graduation was a huge success.

This year we were pleased to host and chaperone 210 students from Belleville High School to a moon-lit Manhattan skyline cruise.

This drug- and alcohol-free night went off without incident. Every student was cooperative, polite and well-behaved, which is an honor and a tribute to both their parents and to the educators of Belleville High School.

The BASE Committee would like to thank the teachers and administrators of our district, specifically Deborah Perri, the substance awareness coordinator, and Vice Principal Victor De Pauw for their participation and hard work. Also, many thanks to the 20 chaperones who provided a safe environment for our kids to dance the night away.

Finally, the night would not have been as safe or as successful had it not been for the Belleville Police Department. From the oversight of the parking lot, to the escort to the docks, officers Greg MacDonald, Grover Lewis, Pete Fraone and Jerry Campanella made every one of the kids and adults feel like we were in good hands, and we were.

BASE is proud to have sponsored this event and invites anyone from our community who would like to be involved to join us next year as we are already preparing for Project Graduation 1998.

Joyce Donnelly
Marie Della Volpe
Bill Lynch

Annual carnival fundraiser

To the editor:

The Belleville Baseball/Softball Commissions would like to take this opportunity to thank everyone who was involved in this year's Carnival Fundraiser that was held at the Belleville High School stadium on June 4 through June 8.

We would like to thank Belleville's finest who also donated their time and volunteered their police services for the boys and girls who are involved in our Belleville baseball and softball recreation programs.

Our appreciation and thanks also goes to all the families, friend and coaches who helped and volunteered their time and support to run the games and booths at the carnival.

Also, to Councilman Mario Drozd and his wife, we thank you for running one of our booths, and we would also like to thank our sponsors.

This carnival would not have been possible if we did not have the support of over 350 people who had volunteered. This only showed that if we work together as a team, we can make a difference in our children's programs and in our town.

We hope everyone had a great time and that this even brought fun and laughter to our families and friends.

Thanks for your help and your participation, which was greatly appreciated.
The Belleville Baseball & Softball Commissions

The real Bizzarro

To the editor:

I would like to request a correction to be made regarding your Thursday, June 26 edition of The Belleville Times.

I am referring to the letter on the opinion page written by Ms. Angela Cuozzo-Zarro, where she thanks the volunteers for making the Feast of St. Anthony's a success.

My father, Bill Bizzarro, was incorrectly identified as Bill "Pizzano." This year the feast was a great success, due to the efforts of all the committee members who began organizing the festivities in August 1996. I know my dad volunteered a huge portion of his time to the events, and would like to see him get the recognition he deserves.

I have a subscription to your publication, and look forward to its arrival every Thursday. Thank you for keeping me informed.

Christine Bizzarro

PRIZE WINNER - Matthew Alfano receives his award of \$50 savings bond from Essex County Clerk Patrick McNally. Matthew, a pupil at School Five, created poster on theme 'My County'. It depicted his favorite walkway through the cherry blossoms of Branch Brook Park. Seven School 5 pupils won awards.

Michelle Kathryn Bakka

A second child, a daughter, Michelle Kathryn, was born to Mr. and Mrs. Ken Bakka of Belleville June 8 at Clara Maass Medical Center, Belleville. Birth weight was 7 pounds, 9 ounces. She joins Bryan, 4.

Mrs. Bakka is the former Kathy Weidele, daughter of Mr. and Mrs. Richard Weidele of West Caldwell. Mr. Bakka, son of Mr. and Mrs. Frank Bakka of Nutley, is a field service technician with Minolta Business Systems.

Regina Marie Peters

A daughter, Regina Marie, was born to Regina Critchley and Robert Peters of Bloomfield May 1 at St. Barnabas Medical Center, Livingston. Birth weight was 7 pounds, 10 ounces. She joins Bobby, 2 1/2.

Grandparents are Joseph and Dorothy Critchley of East Hanover and Stella Peters of Belleville.

Caitlyn Elizabeth Critchley

A daughter, Caitlyn Elizabeth, was born to Kevin and Natalie Critchley of Metuchen April 2 at Robert Wood Johnson Hospital, New Brunswick. Birth weight was 7 pounds, 15 ounces.

Grandparents are Joseph and Dorothy Critchley of East Hanover and Art and Lee Rago of Chatsworth.

BABY lost a dog fight between two unneutered males and no one cared enough to treat his wounds. He was near death when rescued by Adopt A Pet. His battered puppyhood is behind him but he has a long medical road to go and hopefully will find a special home so he will forget while people stop and stare at him. Funds are desperately needed to help with his continuing medical care. Donations may be sent to Adopt A Pet, P.O. Box 6384, Freehold, NJ 07728. And thanks for your help.

Nutley High School Class of 1967, 30-year reunion Nov. 29, Crystals at King's Court, Lyndhurst. To report address change or whereabouts of classmates, call Barbara Panza Hudnett at 661-2460 or Donna Luongo Lewis at 759-6247.

Belleville High School Class of 1957, 40-year reunion, Nov. 29, Chandelier, Belleville. For info or to report address change or whereabouts of classmates, call Marie Marinaro Kimble at 759-3912.

Bloomfield High School Class of 1952, Sept. 26, Wayne Manor, Wayne. \$59, For reservations and info, call Dick Bingham at 857-7171.

Bloomfield High School Class of 1956, reunion weekend Oct. 31-Nov.

2. School brunch and tour, Foley Field football game, dinner dance at Saddle Brook Marriott, compilation of memorabilia book updating lives of classmates. For more info, call 743-1714.

Queen of Peace Class of 1947, seeking alumni for 50th reunion August 30 at Quality Inn, Rt. 37, Toms River. Call the high school, Joan Silk Prekaza at 908-240-6551, Marie Frotton McPhail at 908-830-5437 or Mary Fahey Dibble at 908-449-2432; Central (Newark) Class of June 1948, Jean Zazzarino Tubello at 386-1495 or Marie Vara Carollo at 743-2798; Weequahic, Newark, Class of 1972, November. Names, addresses to (908) 815-1413 or FAX (908) 499-0848; East Orange, Class of 1947, 6 p.m. Oct. 12, Crystal Point Yacht Club, Point Pleasant. Belleville SPORTS

BUCC SHOTS

By Mike Lamberti

Galioto will do good job with Twins

I remember **Jamie Galioto** as a stand out athlete at Belleville High School. In his senior year, he was a starting wide out for the Buc football team. In the third game of the 1986 season, he made some phenomenal catches that helped the then 0-2 Bucs stun Montclair, 21-20 at Municipal Stadium.

Galioto and his friend, Buc quarterback **Jeff Spilsbury**, along with a host of talented players, went on to help the '86 Bucs to a 6-3 record. Without question, that victory over Montclair was the turning point in 1986. Had the Bucs lost that game, they would have been 0-3 and off the heels of a 2-7 mark in 1985, the confidence level of the team would have been at an all time low.

Galioto was also a fine baseball player for the Bucs. He helped the '87 team to the G.N.T. semi finals and a championship in the NNJIL Atlantic-Pacific Division.

It's hard to believe that Galioto has been out of high school for ten years, but the time has passed. Galioto is now doing well in business and will be married next month.

He has also stayed close to baseball. Jamie had a stand out college career and was one of the dominant players for the Verona Twins in the Essex County Baseball League for many years.

In 1995, the Twins moved to the more prestigious Metropolitan League and Galioto continued to hit well. Last year, he "returned" to Belleville, playing for the E.C.B.L.'s Belleville Bulldogs.

Following the end of the '96 season, the E.C.B.L. folded after over 50 years of service. While this would have normally meant the end of Belleville's participation in summer baseball, a stroke of luck gave our township the chance to continue hosting baseball on the semi pro level.

The Verona Twins needed a new facility to play in and since Belleville High School's field was available, a marriage was made. Verona moved to Belleville and became the Belleville Twins of the Metropolitan League.

Galioto was named team manager and has been working with a younger group of players this season. The Twins were 7-10 in the Met League through last week's play.

"No question, the level of talent here is much tougher than in the E.C.B.L.," Galioto said. "There isn't a day off here. You've got to be ready to play every time out."

Galioto, Spilsbury and another former Belleville standout, **Dave Long**, helped make the Twins a powerhouse in the late 80's and early 90's in the E.C.B.L. Those Twins teams were a veteran group. This time, the new manager wants to do things a little differently.

"I guess I can call it a farm league team for college players," Galioto said. "I want the guys on this team to get their work in during the summer months and get ready for the next college season."

"We've got some veteran players on the team, but for the most part, we're fairly young."

The Twins are just starting what is their longest home stand of the '97 season. The team plays 35 games all together and the season ends in early August.

There is a schedule printed on page 11 of this weeks issue. If you have the time, stop by and see this team play. You'll see a high level of baseball, coached by one of Belleville's better athletes.

B.B.C. to host breakfast

The Belleville Baseball Commission will host its third annual awards breakfast on Sunday, July 13 at the Chandelier.

The event begins at 9 a.m. and lasts to noon. This years honorees include current Belleville Board of Education Vice President **Louis Pallante**, who spent close to 25 years as a coach in the Belleville Peanut League and Little League and was a member of the B.B.C.'s first Executive Board back in 1993.

Joining Pallante this year is **Paul Disporto**, **Dr. Michael Ippolito**, **Dr. Lori Ippolito** and the **Apicella family**, owners of the Chandelier, for their many years of support and dedication to Belleville youth sports.

We'll have more on this breakfast in next weeks issue.

Tickets for the event are \$15 for two, or \$25 for adults and \$7.50 for kids. Call **Bruce Morgan** at (201) 759-1663 or **John Kusiak** at (201) 759-4726 if you're interested in tickets.

Long home stand continues this weekend

Galioto's Twins gaining momentum

By Mike Lamberti

Baseball will take center stage in Belleville over the next month as the Belleville Twins continue their quest for a playoff spot in the Metropolitan Baseball League.

Coached by former Belleville High School product Jamie Galioto, the Twins, who moved to Belleville, from Verona before the start of the '97 season, were 7-10 heading into this weeks action.

There is a full schedule in this weeks issue. The Twins are in the midst of their longest home stand of the season. The team is home to Ridgefield Park this Sunday, beginning at 1:30 p.m. Next Wednesday, Secaucus comes to town.

The Metropolitan Baseball League is one of the most prestigious leagues in the state. The Verona Twins were a powerhouse in the now defunct Essex County Baseball League. In 1995, the Twins decided to upgrade their level of competition and joined the Met League.

In Belleville, the Bruins/Bulldogs had played in the E.C.B.L. from 1993-96 with some success. When the E.C.B.L. folded after last season, Belleville was without a team, but had the necessary facilities to compete in organized baseball.

Verona needed a new place to play and thus, the marriage of Belleville into the Met League was established.

"Without question, it's a step up from the E.C.B.L.," Galioto said. "The talent level in this league is very tough. You have to be ready to play every game here. There's no day off."

The league is made up of players who play college baseball on the highest levels and some players who were once in minor league baseball.

Games played during the week are seven innings. Weekend games go the full nine innings.

The Twins have been competitive, but Galioto knows they can do better.

"We're coming around," the coach said. "But we should be a lot better. We're not as good defensively as I would have liked."

Galioto wants his team to be more aggressive and feels that will

be accomplished as the summer progresses. The team was just about half way through the scheduled heading into this week. The Twins are scheduled to play 36 games this summer.

Nick Franklin, the Bloomfield

native, plays first base for the Twins. John Bravette, a Belleville native and graduate of Seton Hall Prep, is the second baseman. According to Galioto, Bravette has been the teams M.V.P. so far this season.

The shortstop is George Gallagher, a talented, young player. At third base is Steve Serafin, one of the veteran players on the roster. The catcher is Matt Keller.

(Continued on Page 12)

Belleville Twins

1997 Metropolitan Baseball League Schedule and Results thru June 29

Date	Opponent	Result
May 18	at Clifton	Lost, 8-3
May 28	Paterson	Won, 4-3

July 24	Paterson	Home, 5:45 p.m.
July 27	At Hackensack	1:30 p.m.
July 29	Saddle Brook	Home, 5:45 p.m.
July 30	At Paterson	5:45 p.m.
August 3	Secaucus	Home, 1:30 p.m.
August 4	At Ridgefield Park	5:45 p.m.
August 9	Moonachie	Home, 5:45 p.m.

NOTES: Team was 7-10 following loss at Saddle Brook on June 29. Twins are coached by Jamie Galioto, Charlie Giachetti and Mark Maione. Games during the week are seven innings, games played on weekends are nine innings. Home games are played at Belleville High School.

All Star 12 and under team wins tourney

The Belleville 12 and under girls softball all stars took home first place from the Rockaway Tourney, which was held during the Memorial Day weekend.

In the semi finals of the tourney, Belleville stopped Jefferson, 8-7. This was a rematch of last years final, won by Jefferson.

This time, it was Belleville's turn and Jennifer Caputo showed tremendous poise under pressure on the mound.

With the bases loaded, Caputo bore down and struck out the last two batters.

Caputo then led off the last of the seventh with a walk. Allison Lopreato singled her to second. Lopreato then stole second and scored the winning run on a hit by Lorena Ruiz.

In the final, Megan Talbot pitched a two hitter to lead Belleville past Montville, 9-2. Talbot had hurled an amazing game the day before in the pouring rain, holding Rockaway Boro to just one hit.

Melissa Gabriele had three ribbies on the day. Talbot had a bases loaded triple. Other noteworthy performances were turned in by catcher Nicole D'Ademo and shortstop Stephanie Brodo.

Following the win over Montville, the tourney season moved to Rutherford. There, Belleville lost a tough 4-3 decision to Edison in the finals.

In Rutherford, Lopreato had two ribbies in the final and Lucia Trumble tripled in a run.

The pitching was divided amongst Talbot, Caputo and Gabriele.

Cathleen Nyegaard pitched a one hitter in the semi final win over Guttenberg. Nyegaard also had a homer and two triples in the tourney.

Nicole Rodriguez had an out-

standing tourney in center field. At the plate, she had three doubles.

The team will continue playing in tourneys at Wayne, North Bergen and North Brunswick.

Belleville All Stars: front row, left to right, Stephanie Brodo, Nicole D'Ademo, Melissa Gabriele, Lucia Trumble, Devin Servidio. Second row, left to right, Coach Lou Servidio, Cathleen Nyegaard, Matt Lopreato, Megan Talbot, Lorena Ruiz, Jennifer Caputo, Allison Lopreato, Alexa Siroy, Marissa Radice, Dan Brodo and Vinnie DeLucrezia. Sitting up front is Brittany Servidio.

As many flock to the shore to escape the heat and chaos of the city life at holiday time, many other Bellevilleites will stay home to experience the traditional ceremonies of the Independence Day celebration here in town.

To begin the festivities on Friday, July 4, the Recreation Department will hold its annual field day for youngsters, ages 4-12 at the Municipal Stadium starting promptly at 10 a.m.

The events, which will be open to all young Belleville residents, will be divided into three categories. There is a junior division for ages 4-6, an intermediate division for ages 7-9, and a senior division for ages 10-12.

Events will include the 25, 50 and 100 yard dashes, an agility race, a three-legged race, sack race, a girl's tug-of-war and a boy's tug-of-war.

All activities will be conducted by the members of the Belleville Recreation Department playground staff under the supervision of Recreation Director Dennis

Buckley. Ribbons will be awarded to the first, second and third-place finishers and all will share in slices of watermelon.

On Friday night, July 4, a spectacular fireworks display will be presented at the stadium starting at sundown (approximately 9:15 p.m.). The rain date for these events will be Friday, July 5.

On July 4th, there will also be a Pre-Fireworks show beginning at 6:30 p.m. at the Municipal Stadium. This year's entertainment will include continuous music by a disc jockey, as well as the following performances:

Puppet Show, 6:45 - 7:30 p.m.
Children Variety Artist, 7:30-8:15 p.m.
Magician, 8:15 - 8:55 p.m.

Face painting, sand art and spin art will also be offered for a nominal fee, as well as refreshments/concessionaires.

In all, it promises to be an exciting holiday and Bellevilleites young and old are invited to share in the glitter of our country's historic day.

Fall Applications Available

Applications for the Belleville Recreation 1997 Fall Sports programs are now available in the schools and at the Recreation office. Boys and girls, ages 6-14, may participate in Recreation Soccer. Belleville resident children who will be 6 by December 31 and who will be no older than 14 on December 31, 1997 are eligible. Nobody above 8th grade can play, and all returning players must re-apply.

Boys ages 7-10 can play touch football, if they so choose. Belleville boys who will be 7 by December 31 and who will be no older than 10 on December 31, 1997 are eligible. All returning players must re-apply.

For both soccer and touch football, all completed applications must be returned to the Recreation Department, 407 Joralemon Street, with birth certificates. The registration deadline for soccer is August 1, and the deadline for touch football will be August 22. Children are advised not to register for more than one fall sport since football, soccer and touch football games and practice schedules conflict.

For the convenience of persons unable to register during daytime office hours, registration will also take place at the Recreation office on Wednesday nights, 6-8 p.m., from June 11-August 6.

Call 450-3422 for other information.

Junior Bucs Football Registration

There will be registration for the Belleville Recreation Department's 1997 "Jr. Bucs" tackle football program at the Recreation House, 407 Joralemon Street, now through August 1. Boys who will be 7 years old before September 1 and who will not be 15 before December 31 are eligible. Those wishing to play tackle football must weight a maximum of 145 pounds, and no one above 8th grade can play. Players will be broken down into three teams according to specific

age/weight requirements as set by the All-County Youth Football League.

To register, players must obtain an application from their school or the Recreation Department office. All completed applications with parental approval must be brought to the Recreation House by August 1, with two recent passport size photos of the player and a copy of his birth certificate. All returning players from last year's team must re-apply. Practices will begin around July 28. Children are advised not to register for more than one fall sport since football, soccer and touch football games and practice schedules conflict.

For the convenience of persons unable to register during regular daytime office hours, registration will also take place at the Recreation office on Wednesday nights, 6-8 p.m., from June 11-August 6, 1997.

Call 450-3422 for other information.

Pre-School Registration

The Belleville Department of Recreation and Cultural Affairs is accepting registration for the pre-school play program for 4 year old children. The program consists of games, stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 9 a.m. to 10:45 a.m. or 12:45 p.m. to 2:30 p.m., five days a week with class limited to a maximum of 23 students in each session. The cost of the 32 week program is \$150.00 The mothers of the children accepted must participate by serving one duty day about every 8 or 9 days according to a published schedule. School will begin on Monday, September 15, and will run through May, 1998.

Children born between October 1992-September 1993 who will enter kindergarten in September 1998 are eligible. Participants must be Belleville residents. Since there are just a limited number of openings, applications will be accepted on a first come, first served basis only.

Children (and their parents) must be able to speak and understand english in order to participate. Children enrolled in the morning program cannot also be in the afternoon program, or vice versa. A \$25.00 deposit is required to hold your spot in the program.

For further information and enrollment, contact the Belleville Recreation Department at 450-3422, as soon as possible, Monday through Friday, 8:30 a.m. to 4 p.m.

Volunteers needed

Volunteer cheerleading coaches/advisors are needed for the 1997 programs.

Programs are being run from grades 3 through 8.

Practices will be run during July and August. There will be games starting September and will run through November.

If interested, please call the Recreation Department, 450-3422, any time between 8:30 a.m.-noon and 1-4 p.m.

Soccer Coaches Needed

The Belleville Recreation Department is seeking persons interested in coaching its 6-14 year old soccer league. The league is separated into several divisions according to specific age groups.

The children learn the basics of soccer and all those attending regular practices play in all games. Games are played on Saturday and Sunday afternoons, beginning in mid-September. All volunteer coaches will be required to attend a Certification Clinic before the season begins.

Those interested in coaching may call the Recreation Department at 450-3422, weekdays before 4 p.m. To obtain an application for a coaching position, call league director Carmen Goglia at 751-7560.

Football Coaches Needed

The Belleville Recreation Department is seeking persons interested in coaching its 7 to 10 year old touch football league. Coaches are also needed for the Junior Bucs traveling tackle team, ages 7 to 14.

The children learn the basics of football and all those attending regular practices will participate. Games are played on Saturday and Sunday, beginning in mid-

September. All volunteer coaches will be required to attend a Certification Clinic before the season begins.

Those interested may call the Recreation Department at 450-3422 to obtain an application.

Tennis Lessons

The Belleville Recreation Department announces that tennis lessons will be provided free of charge to all Belleville youngsters ages 8 to 15.

Tennis lessons will be given at the Belleville Municipal Stadium on Monday, Tuesday and Wednesday mornings beginning June 30, for six weeks (last day, August 6). Participants must wear sneakers and provide own racquet and balls. The schedule is as follows:

Ages 8-11, 9 to 10 a.m.
Ages 12-15, 10 to 11 a.m.

Registration will take place at the courts. There will be no lessons when there is rain.

1997 Playgrounds Open

The Belleville Recreation Department's summer playground program will begin June 30 and will continue through August 8.

Under the supervision of the Dept. of Recreation and Cultural Affairs, the five playground sites are located at School No. 9, the Municipal Stadium, the Recreation House, Clearmon Field and the Friendly House. The special education playground is set up at the Belleville Little League field.

The playground will be open daily to all Belleville residents from grades Kindergarten through 9 from 9 a.m. to noon and 1 p.m. to 4 p.m. Playgrounds are closed noon to 1 p.m. for lunch and when it rains.

While there are no restrictions as to which area a person must attend, generally youngsters attend the closest playground to their home.

An adult director will be on hand at each playground to organize athletics, games, tournaments, parties and other activities; and an arts and crafts supervisor will travel from site to site to do special projects with the children one day each week.

BELLEVILLE AMERICAN LEGION BASEBALL SCHEDULE, SUMMER 1997

DATE	OPPONENT	LOCATION	TIME
July 3	West Orange	Belleville H.S.	5:45 p.m.
July 7	Bloomfield	Belleville H.S.	5:45 p.m.
July 8	Vailsburg	Belleville H.S.	5:45 p.m.
July 11	Minutemen	Newark Academy	5:45 p.m.
July 12	Nutley	Belleville H.S.	11 a.m.
July 14	Montclair	Belleville H.S.	5:45 p.m.

NOTES: All Belleville home games are played at Belleville H.S. Playoffs begin July 19 and 20.

Tentatively, tennis lessons, "open swim" and special tournaments are planned throughout the summer. These programs are all pending the hiring of qualified instructors/supervisors and pending the availability of adequate facilities.

Applications for all summer programs participants must be completed and signed by a parent. Registration forms will be available at the Rec House office and at all playgrounds. No pre-registration will be required; however, parents must accompany their children to m playground on the first day so that application forms may be signed before participation.

There will also be a special event for all children ages 4-12 on July 4 at the Municipal Stadium.

For further information, call 450-3422. Special education playground information may be obtained by calling 450-3494.

Recreation Soccer & Touch Football Applications

Applications for the Belleville Recreation 1997 Fall Sports programs are now available in the schools and at the Recreation Office. Boys and Girls ages 6-14 may participate in recreation soccer. Belleville resident children who will be 6 by December 31 and who will be no older than 14 on December 31, 1997 are eligible. Nobody above 8th grade can play, and all returning players must re-apply.

Boys ages 7-10 can play touch football, if they so choose. Belleville boys who will be 7 by December 31 and who will be no older than 10 on December 31, 1997 are eligible. All returning players must re-apply.

For both soccer and touch football, all completed applications must be returned to the Recreation Department, 407 Joralemon Street, with birth certificates. The registration deadline for soccer is August 1 and the deadline for touch football will be August 22. Children are advised not to register for more than one fall sport since football, soccer and touch football games and practice schedules conflict.

Twins home this Sunday

(Continued from Page 11)

Galioto says he's the player with the most experience on the team.

The outfield features Dan Keller, Dan Pena, Nick Agoghia and Joe DeLauro. John Pein is the designated hitter.

"Pena is the quickest player in the Met league," Galioto said. "He's hard to keep out of the lineup."

Former Bulldog John Rodriguez is a utility player with the Twins and has done well.

The pitching staff is anchored by John Probst, who plays at Seton Hall University. The rotation also features Keith Connolly, John Gonzalez, Jason Quintana and Joe Chorb.

Pat Henning pitched a solid game last Sunday against Saddle

Brook, hurling eight innings. Galioto feels he could move into the starting rotation soon.

David Levine and Hector Torrez are middle relievers and Jason Schuchard is the closer.

"I think we'll become more consistent over the next few weeks," Galioto said. "We've got good players here. When I took over the team, I wanted to go with a younger team, kids who play college ball and need the work to help their game."

NOTES: Charley Giachetti, a B.H.S. graduate, is the third base coach.

"He's invaluable to us," Galioto said.

The pitching coach is Mark Maione. Galioto relies on him to set the rotation and gives him full autonomy in handling the pitchers.

Anne Boylan

A Mass for Anne Boylan, 91, a lifelong Belleville resident, was offered June 26 in St. Peter's Church, Belleville, following the funeral from the Kiernan Funeral Home, Belleville.

Miss Boylan, who died June 18 in Clara Maass Medical Center,

Belleville, was a clerk with A&P Laundry Co., Belleville, for many years before retiring.

She was a member of the Rosary Society, the Senior Citizens Club and the Santa Maria Catholic Daughters, all of St. Peter's Church.

Helen Kearney

A Mass for Helen M. Kearney of Bloomfield was offered Friday in St. Valentine's Church, Bloomfield, after the funeral from the Kiernan Funeral Home, Belleville.

Mrs. Kearney died June 25 in her home.

She was an elementary school

teacher at St. Mary's School, Nutley, for 10 years before retiring in 1982.

Born in Newark, she lived in Belleville before moving to Bloomfield many years ago.

Surviving are a son, James; a daughter, Marian DeFeo, and a brother, Jack Malcolm.

Telbina Roman

Telbina Roman, 68, of Franklin Lakes died June 29 at home.

Services were held yesterday in the Vander Plaats-Vermeulen Memorial Home, Franklin Lakes.

Mrs. Roman was the head teller and personnel manager for United Savings Bank, Newark.

She was a member of the Franklin Lakes Seniors and the

Franklin Lakes Community Center.

Born in Newark, she lived in Belleville before moving to Franklin Lakes in 1983.

Surviving are her husband, Elias; two sons, Robert and Emilio Santin; a stepson, Alan; a brother, Alfonse Pinal; a sister, Eleanor DeBurgos, and five grandchildren.

Obituaries

Walter Silkowski

A Mass for Walter J. Silkowski, 91, of Toms River was offered Saturday in St. Peter's Church, Belleville, following the funeral from the Irvine-Cozzarelli Memorial Home, Belleville.

Mr. Silkowski died June 25 at home.

He was employed by G.M.-Hyatt Roller Bearing in Harrison

for 30 years before retiring in 1965.

Mr. Silkowski was a member of the Belleville Senior Citizens Club.

Born in Passaic, he lived in Belleville before moving to Toms River two months ago.

Surviving are his wife, Anna; a daughter, Joan Prekaza; a sister, Lucille Wozniak; two grandchildren and five great-grandchildren.

Albert Vinci

A Mass for Albert A. Vinci, 77, of Belleville was offered Saturday in Holy Family Church, Nutley, following the funeral from the Berardelli Forest Hill Memorial, Newark.

Mr. Vinci, who died June 25 in Clara Maass Medical Center, Belleville, owned and operated Brill & Vinci Television Repair, Bloomfield, for 32 years before

retiring in 1984.

An Army veteran of World War II, he was a member of American Legion Post 70, Nutley.

Born in Orange, he lived in Newark before moving to Belleville 40 years ago.

Surviving are his wife, Dorothy; a son, Aian, and a sister, Enza Rapasardo.

Eleanor Bowden

A Memorial service for Eleanor J. Bowden, 98, a lifelong resident of Belleville, was held yesterday in the Irvine-Cozzarelli Memorial Home, Belleville.

Mrs. Bowden, who died June 26 in Fairview Hospital, Great

Barrington, Mass., was a member of the Order of the Eastern Star Chapter 121, Nutley.

Surviving are a daughter, Eleanor Shiels; six grandchildren and 10 great-grandchildren.

Ruth Mitchell

Ruth V. Mitchell, 77, of Montclair died June 29 at home.

Services were held yesterday in the First Baptist Church of Nutley. Arrangements were by the Kiernan Funeral Home, Belleville.

Mrs. Mitchell was a nurse's aide for the Orange Memorial Hospital for 25 years before retiring in 1977.

She was a member of the Grey Panthers Club of the First Baptist Church and the Bible Club and the

Fellowship of the First Montclair House, Montclair.

Born in Orange, she lived in Belleville before moving to Montclair in 1994.

Surviving are her husband, Leroy; six daughters, Beverly Bobbit, Marjorie Wicks, Lynn Wells, Ruth Mitchell, Gerrie Carr and Jody Copes; 12 grandchildren, seven great-grandchildren and a great-great-grandchild.

George Fortier

George R. Fortier, 67, of East Hanover died June 25 in St. Barnabas Medical Center, Livingston.

A Mass was offered Saturday in St. Rose of Lima Church, East Hanover, following the funeral from the Spinelli-Scura Home for Funerals, Orange.

Mr. Fortier was a tool and die maker for the Automatic Switch Co., Florham Park, where he worked for 40 years before retiring 10 years ago.

Born in Belleville, he lived in Orange before moving to East Hanover three years ago.

Surviving are his wife, Roxie; two sons, George and James; three daughters, Roxanne Darcy, Eleanor

Fortier-Raiken and Michelle Bursese; a sister, Connie Palmeri, and eight grandchildren.

NEW DIABETES DRUGS

Insulin is the hormone that aids in the transfer of sugar (glucose) from the bloodstream to the body's tissues where it is utilized for energy. The problem with many diabetics is that they produce insulin, but their bodies do not use it efficiently and they require more insulin in the form of an injection. Now, the FDA has approved a new diabetes drug, named troglitazone, that bolsters the body's ability to use insulin, thereby making smaller amounts of the hormone more effective. Clinical research with the new drug reveals that it allowed a significant number of people to go from 3 injections per day to one. Some were able to discontinue their insulin shots altogether. Troglitazone is most effective with type II diabetics.

If you would like information on troglitazone and other new medications, come by and talk to our pharmacist at ROSSMORE PHARMACY, 338 Washington Avenue (759-1956, 759-1968). Walkers, wheelchairs, crutches, canes, and other convalescent aids are rented or sold. Hours: Daily 9am-10pm, Sunday 9am-9pm. Enjoy the July 4th holiday, but please remember - Don't Drink and Drive!

RECENTLY, Troglitazone is expected to help 1/3 of the 3 million Americans with type II diabetes who currently take insulin injections.

Nancy Carsillo

A Mass for Nancy Carsillo, 74, of Newark was offered Saturday in St. Aloysius Church, Caldwell.

The funeral was from the Zarro Funeral Home, Bloomfield.

Mrs. Carsillo died June 25 in Clara Maass Medical Center, Belleville.

Born in Belleville, she lived in Newark for 49 years.

Surviving are her husband, Joseph Sr.; two sons, Joseph Jr. and Michael; a daughter, Toni Bunk; three brothers, Joseph, Tony and Sam; four sisters, Rose Zarillo, Angela Squiteri, Mary Esposito and Rita Squiteri, and eight grandchildren.

TOWNSHIP ORDINANCE
PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Municipal Council of the Township of Belleville, N.J., held Tuesday evening, June 24, 1997 and further notice is hereby given that the second and final reading of said ordinance will be considered by said Municipal Council at a meeting held at the Town Hall, Washington Avenue and Belleville Avenue, on Tuesday evening, August 12, 1997 at eight o'clock p.m. when all objections to the passing of same will be heard and considered.

Kelly A. Nash
Deputy Municipal Clerk

BOND ORDINANCE
PROVIDING FOR THE CONSTRUCTION OF THE MUNICIPAL STADIUM PROJECT IN THE TOWNSHIP OF BELLEVILLE AND APPROPRIATING \$3,370,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF \$2,185,000 BONDS OR NOTES OF THE TOWNSHIP TO FINANCE THE COST OF AND FOR MAKING THE DOWN PAYMENT FOR SAID IMPROVEMENT AUTHORIZED TO BE UNDERTAKEN IN AND BY THE TOWNSHIP OF BELLEVILLE IN THE COUNTY OF ESSEX, NEW JERSEY.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF BELLEVILLE, NEW JERSEY: IN THE COUNTY OF ESSEX, NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring), AS FOLLOWS:

Section 1. The improvement and purpose described in Section 3 of this bond ordinance is hereby authorized as general improvement to be made or acquired by the Township of Belleville, County of Essex, New Jersey (hereinafter referred to as the "Township"). For said improvement or purpose stated in Section 3 of this bond ordinance, there is hereby appropriated \$3,370,000 being inclusive of all appropriations heretofore made therefore and including the sum of \$1,000,000 as the aggregate down payment from the Capital Improvement Fund or from other legally available funds of the Township. The down payment is hereby appropriated and is now available by virtue of a provision in the currently adopted capital budget or a previously adopted capital budget of the Township and currently available for down payment or capital improvement purposes, as required by the Local Bond Law of New Jersey, N.J.S.A. 40 A:2-1, et seq. (the "Local Bond Law").

Section 2. For the financing of said improvement or purpose and to meet the part of the \$3,370,000 appropriation not otherwise provided for hereunder, Negotiable bonds of the Township are hereby authorized to be issued in a principal amount not to exceed \$2,185,000 pursuant to the Local Bond Law. In anticipation of the issuance of said bonds, negotiable notes of the Township in a principal amount not exceeding \$2,185,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Law. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed \$2,185,000, the moneys raised by the issuance of said bonds shall, to not less than the amount of excess, be applied to the payment of such notes then outstanding, at maturity. Each bond anticipation note issued pursuant to this

ordinance shall be dated on or about the date of its issuance and shall be payable not more than one (1) year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within the limitations prescribed by the Local Bond Law. Each Township and attested as permitted by Law. The appropriate Township officers are hereby authorized to execute the notes and to issue the notes in such form as they may adopt in conformity with law. The power to determine all matters in connection with this ordinance and also the power to sell the notes is hereby delegated to the Chief Financial Officer of the Township (the "Financial Officer"), who is hereby authorized to sell the notes either at one time or from time to time in the manner provided by law, and the Financial Officer's signature upon the notes shall be conclusive evidence as to all such determinations. The Financial Officer is authorized and directed to reports in writing to the governing body at the meeting next succeeding the date when any sale or delivery of notes pursuant to this ordinance is made, such report is to include the principal amount, description, interest rate and maturity of the notes sold, the price obtained and the name of purchaser.

Section 3. The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is:

Improvement/Acquisition: Construction of a Municipal Stadium, including demolition of existing structures; drainage improvements; lighting, ballfields; track; field house; stands and all improvements, costs, equipment and appurtenances related thereto and be necessary therefor.
Maximum Estimated Cost: \$3,370,000; Green Acres Grant: \$185,000; Capital Improvement Fund/Grant: \$1,000,000 (Green Acres Grant for Project 0701-94-057); Bonds or Notes: \$2,185,000; Useful Life (Years): 15.

Section 4. The following additional matters are hereby determined,

declared, recited and stated:
(a) The purpose described in Section 3 of this bond ordinance is not a current expense and is the property or an improvement which the Township may lawfully acquire or make as a general improvement, and no part of the cost thereof has been, or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of said purpose is within the limitations of the Local Bond Law taking into consideration the amount of the said obligations authorized for said purpose, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, and for said purpose, as set forth in Section 3 hereof, the period of usefulness is 15 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Township Clerk and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such Statement shows that the gross debt of the Township determined as provided in said Law is increased by this bond ordinance by \$2,185,000 and obligations authorized hereunder will be within all debt limitations prescribed by said Law.

(d) Amounts not exceeding \$675,000 in the aggregate for interest on said obligations, costs of issuing said obligations, engineering costs, legal fees and other items of expense listed and permitted under N.J.S.A. 40 A:2-20 of the Local Bond Law may be included as part of costs of said improvement and are included in the foregoing estimates thereof.

Section 5. Any grant or other moneys received for the purpose described in Section 3 hereof in addition to the grant expressly appropriated herein, shall be applied either to direct payment of the cost of the improvement or to payment of the obligations authorized herein for such purposes shall be reduced accordingly.

Section 6. The governing body of the Township hereby covenants on

behalf of the Township to take any action necessary or refrain from taking the action in order to preserve the tax exempt status of the debt obligations authorized hereunder as is required under the Internal Revenue Code of 1986, as amended, including compliance with said code with regard to the use, expenditure, investment, timely reporting and the rebate of investment earnings as may be required thereunder.

Section 7. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance.

Said obligations shall be direct, unlimited obligations of the Township, and, unless paid from other revenues of the Township, the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the Township for the payment of said obligations and interest thereon without limitation as to rate or amount.

Section 8. The capital budget of the Township is hereby amended to conform with the provisions of the ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board of the New Jersey Department of Community Affairs showing full detail of the amended capital budget and capital program as approved by the Director of the Division of Local Government Services, is on file with the Township Clerk and is available there for public inspection.

Section 9. The Township reasonably expects to reimburse any expenditures towards the costs of the improvement or purpose described in Section 3 of this ordinance and paid prior to the issuance of any bonds or notes authorized by this ordinance with the proceeds of such bonds or notes. No funds from sources other than the bonds or notes authorized herein has been or is reasonably expected to be reserved, allocated on a long-term basis or otherwise set aside by the Township, or any member of the same "control group" as the Township, within the meaning of Treasury Regulations

Section 1. 150-1, pursuant to their budget or financial policies with respect to any expenditures to be reimbursed. This Section is intended to be and hereby is a declaration of the Township's official intent to reimburse any expenditures towards the costs of the improvement or purpose described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulations Section 1.150-2, and no action (or inaction) will be an artifice or device in accordance with Treasury regulation 1.148-10 to avoid, in whole or in part, arbitrage yield restrictions or arbitrage rebate requirements.

Section 10. The provisions of this ordinance are severable to the extent any clause, phrase, sentence, paragraph or provision of this ordinance shall be declared invalid, illegal or unconstitutional, the remaining provisions shall continue to be in full force and effect.

Section 11. To the extent that any previous ordinance or resolution is inconsistent with or contradictory hereto, said ordinance or resolution is hereby repealed or amended to the extent necessary to make it consistent herewith.

Section 12. The bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by said Local Bond Law.

AN ORDINANCE TO AMEND CHAPTER XII OF THE CODIFIED ORDINANCES "BUILDING AND HOUSING", SECTION 12-4.3 "FEES", BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF BELLEVILLE, NEW JERSEY:

That the Codified Ordinances of the Township of Belleville, Chapter XII, Building and Housing, Section 12.3 "Fees" be and is hereby amended.

23-17.2 Regulations on Fences:
J. The fee for a permit to erect a fence shall be \$25.00

AN ORDINANCE TO ABOLISH THE RENT LEVELING BOARD AS DEFINED IN CHAPTER 2-8.6 OF THE ADMINISTRATIVE CODE OF THE TOWNSHIP OF BELLEVILLE AND CHAPTER 12-12 OF THE CODIFIED ORDINANCES OF THE TOWNSHIP OF BELLEVILLE, NEW JERSEY:

WHEREAS, the governing body of the Township of Belleville has determined that heretofore acknowledged housing crisis no longer exists within the Township of Belleville; and WHEREAS, as such, the governing body has determined that regulations of rents within the Township of Belleville are no longer necessary

NOW THEREFORE, BE IT ORDAINED that Chapter 12-12 of the Codified Ordinances and Chapter 2-8.6 of the Administrative Code of the Township of Belleville is hereby amended as follows:

1. The Rent Leveling Board established by the governing body in 1974 is and shall be abolished and repealed; and be it further ordained that

2. Ordinance 1922, 1948, 1923, 2087, 2098, 2110, 2175, 2609 and 2619 outlining rules and regulations governing the administration of the Rent Leveling Board are also hereby abolished and repealed.

All other Ordinances and parts of Ordinances in conflict or inconsistent with this Ordinance are hereby repealed, but only to the extent of such conflict or inconsistency.

This Ordinance shall take effect immediately following passage and publication in accordance with law.

A clear sky after a day of threatening weather

The bittersweet moment of graduation - a day many had believed would never come - happened under a cloudless sky.

This would be the last of the 'small' classes as the population surge will bring in ever larger numbers of students.

Faculty members were pleased at the academic achievements of the Class of 1997, reflecting a greater emphasis on study.

SUMMER SAFETY TIPS FOR YOUR CHILDREN

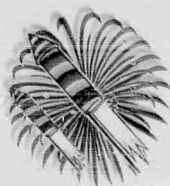

SUNBURN: Avoid unprotected or prolonged exposure to the sun. Sunscreen should be worn at all times, applied 30 minutes prior to exposure, and reapplied every 3 to 4 hours. Be sure to apply to the most sensitive areas: lips, ears, nose, cheeks, and shoulders.

TICKS/TICK BITES: Wear long clothing and tuck ends of pants into socks, whenever hiking in tick infested areas, such as trails, woods and grassy areas. Ticks are not only found in wooded areas, due to increased population of deer, ticks are also found in urban grassy areas. Perform a tick check after being outdoors, checking thoroughly the scalp and neck. Removing ticks promptly may prevent infection from a bite. Remove a tick by pulling it out with a tweezer or fingers. Never squeeze the body, this may cause the poison to be released, thereby causing infection. If you are unable to remove the tick, contact your pediatrician.

BIKING/ROLLERBLADING: Safety equipment should be worn at all times. Helmets, knee pads and elbow pads will prevent most injuries. Be sure reflective clothing is worn, when engaging in such sports after dark.

AVOID FIREWORKS: They may cause serious and permanent injury.
