Can ya dig it?

Locals plan excavation of historic Belleville yard Page 5

JOHN MONTALVO/BELLEVILLE TIMES

Local history buff Mike Safer has uncovered quite a collection of historical items in Belleville, including an old tavern, and glassware from the 1700s. Some of those wares will be on display at the Belleville Public Library, starting this week. Safer plans to dig next behind one of Belleville's oldest standing structures, the Rose Cottage on Main Street.
