Class of '05 bids farewell

A jubilant Sheha Waters meets Jasmine Allen at the podium during Belleville High School's 108th commencement ceremony, held last Friday at Municipal Stadium.

■ A burglary and theft and an attempted burglary were both reported in an apartment building on Rutgers Court on June 25. Entry was gained in the burglary by pushing in an air conditioning

unit on a lower floor window. Taken were numerous items of jewelry and electronic items. The attempted burglary occurred when a window was tampered with on a lower floor.

■ A burglary and theft were reported in the 300 block of Union

Avenue on June 26. Articles of jewelry and electronic items were reported stolen. This burglary may related to the two on June 25, since the occupants were not home on June 25 and entry was gained in a similar fashion.

■ A robbery and shoplifting were committed two hours apart by the same suspect on June 21. At about 1 p.m. police were patrolling on Washington Avenue and saw a man they believed to be under the influence of illegal drugs. The manager of the CVS at 519 Washington identified him as the person who shoplifted a duffel bag full of items found on the suspect. The suspect

then complained he was sick and was taken by ambulance to Clara Maass Medical Center.

After being released from Clara Maass, the suspect committed a robbery when he punched a security guard while trying to shoplift several items at the Belmont Avenue Pathmark.

Police arrested and charged Adalberto Arroyo, 38, of Newark with robbery and shoplifting. Bail was set at \$1,000.

■ Police arrested and charged Timothy Alexander, 36, of Short Hills with driving while intoxicated, simple assault, obstruction of justice and aggravated assault after

police were called to Joralemon Street and DeWitt Avenue on word an assault was in progress on June 26. He had a strong odor of alcohol, was belligerent, and failed field sobriety tests. He was released after posting bail.

■ Police arrested and charged Alterek Harris, 30, of East Orange with robbery, after police said he grabbed a woman by the throat and stole \$464 from her near 618 Washington Ave. on June 26. After a search by police, he was found lying under a pile of leaves with the money from the robbery.

New system connects the police/public

The Belleville Police Department in conjunction with the Belleville Community Policing Unit is pleased to announce a new computer program identified as Trak II. This new technology bridges law enforcement with the private sector by enabling the Belleville Police Department to send an alert bulletin to all residents, and businesses within the township of Belleville within minutes of the critical incident. Trak II is also capable of sending photographs of potential suspects and/or missing juveniles. An additional aspect of Trak II is that it is also connected to the NJ State Police Amber Alert Program.

Trak II distributes bulletins simultaneously to e-mail addresses, fax machines and other Trak II systems.

Trak II can be used to transmit bulletins, regarding suspicious vehicles, persons, abduction attempts, terrorist related information and anything that may help secure the safety of the children, and citizens in the township of Belleville. The Belleville police are requesting that any resident, or business owner in the township of Belleville wishing to be notified of an alert submit a valid e-mail address and/or fax number along with a contact name, street address, and phone number to Detective Gary F. Souss at the Belleville Police Department 152 Washington Ave. or by e-mail at gsouss@bellevillenj.org. If any information is needed you may contact the Belleville Community Police Unit at (973) 450-3404.

Ingrown Toenails

Ingrown toenails can be painful and are caused by wearing shoes that are too tight or improper trimming of the toenail. If you trim your toenails too short and round the corners, your toenail can grow into the skin. You can avoid developing an ingrown toenail by trimming your nails straight across level with the top of your toe. If an ingrown toenail becomes red and very sore, it may be infected. Treat the infected toenail by soaking your foot in warm, soapy water a few times a day. Your doctor may prescribe antibiotics if the infection is severe.

Schools set for summer projects

BY RICHARD DICKON
of Belleville Times

As students packed up their pens and pencils, finished with another academic year, contractors and school maintenance workers were unloading their tools for some large summer projects.

Aside from finishing an approximate \$750,000 project to replace the high school roof, workers are also relocating the school's television studio. Recently, all new state of the art equipment was purchased for the studio. The equipment is much too large for the existing space, next to the library on the school's first floor, Board of Education President John McManus said.

"They're moving it from the first floor to the second floor," he said. "They will use two small rooms that will double the size of the studio."

Hi-tech mass communications supplies are being installed in the studios after voters approved a \$47,900 funding question in 2004.

The supplies provide the latest technology to the high school television station, which board members say is woefully out of date. The items include racks, a sound mixer, audio cassette decks, editing decks, recorders and monitors, basically the standard equipment for an effective studio.

McManus said the board has to look at how to employ the technology as opposed to what the district used to do and how it's going

to change.

The new technology is so different, the use of it must therefore be different, compared to how the older, obsolete technology was used, he said.

McManus said the board needs to improve the quality of programs with new and better graphics and digital picture quality and how the new system will link up with up with the old existing systems.

The supplies were delayed because the technology kept changing and modernizing, so they kept needing to change the order, which officials say will now be the right, up-to-date technology.

School Board Administrator Edward Appleton said the vendor is Troxell Communication of

Gibbsboro, which will be paid approximately \$51,000.

At the Belleville Middle School, every room in the entire school will be repainted before classes resume in the fall, McManus said.

Beyond that, there are many safety improvements of all different kinds to be made to each and every school, he said. The projects are small repairs. For example, sidewalks are being repaired at many schools, McManus said.

Elsewhere, nothing major is set for School 4, since officials say they are awaiting the results of an upcoming referendum that could total as much as \$70 million and would rebuild the school and include major renovations to other schools.

High school roof project finishing cheaper, but much later

BY RICHARD DICKON
of Belleville Times

The good news is that the replacement of the Belleville High School roof is costing less than anticipated. The bad news is it's a year behind schedule.

Sixty to 70 percent of the high school roof is being replaced to fix leaks that could spread water damage to the building's interior. According to Board of Education President John McManus, the roof hasn't been redone in 25 to 30 years.

"We originally thought it would cost between \$900,000 and \$1 million," said McManus. "The contractor came in at considerably less, and we were thrilled."

The costs now will be in the \$650,000 to \$750,000 range.

"We originally looked at the architect's projections, which the state (Department of Education) marks up on the district's five-year plan," he said. "They cleared the plan and final specs (specifications) came in much lower in price."

The work was funded out of the board's capital construction budget. That budget is set aside each year to fund improvements that need to be done right away.

Unfortunately, the project was to be finished in the summer of 2004, but work will instead wrap up this summer.

"They're still finishing it up," McManus said. "They're close to being finished. I didn't imagine it would take this long, but I understand they're doing a good job."

The leaks started two years ago, but officials said that it was water from a groundswell, McManus said.

Over the winter of 2004, the leaks got really bad, and officials found out it was emanating from the roof, he said.

Things were held up for a year while the architectural and engineering specifications were being finished.

Previously, there was an original roof of built-up tar with a rubber over layer, according to Edward Appleton, school business administrator.

The new roof features a membrane rubber which is more like a rubber treated roof. He likened it to a boot that doesn't allow water to penetrate.

None of the other schools have such a serious problem with a roof. School 5's roof was replaced just two years ago, and portions of School 9's roof were just repaired, McManus said. That doesn't mean major renovations are not in the future, however.

A referendum that could total as much as \$70 million is set for a vote as early as this fall, and would rebuild School 4 and include major renovations for the other schools.

## MOVIES

## Free films offered in Bloomfield

The Bloomfield Public Library is hosting "Thursday Noon Films" in July.

## July 7: 'Girl Crazy'

Rich kid Danny Churchill (Mickey Rooney) enjoys wine, women and song, but not higher education. His father ships him to an all-male college out west where there's not supposed to be a female for miles. But before he arrives he spies the dean's daughter, Ginger Gray (Judy Garland), who is more interested in keeping the financially strapped college open than

falling for Dan's romantic line. At least at first... (1943 - 100 minutes - NR - black and white.)

## July 14: 'The Five People You Meet in Heaven'

On his 83rd birthday, Eddie (Jon Voight), a war vet and a maintenance worker at the Ruby Pier Amusement Park, dies while trying to save a girl who is under a falling ride. When he awakens in the afterlife, he encounters five people with ties to his corporeal existence who help him understand the meaning of his life. (2004 - 133

minutes - NR - color.)

## July 21: 'Leave Her to Heaven'

Richard Harland (Cornel Wilde), a young writer, meets a beautiful woman, Ellen (Gene Tierney), on a train. They fall in love and are married. Richard gradually comes to realize that his wife is insane with jealousy. He soon finds his life blighted when tragedies first take his brother, and then his unborn son from him. With his wife's unreasoning jealousy, he comes to suspect these events are not unconnected. This also turns her family from her, and yet another shock awaits them all, as Ellen's emotions become uncontrollable. (1945 - 110 minutes - PG - color.)

returns to his home village in North China for the funeral of his father, the village teacher. He finds his elderly mother insisting that all traditional burial customs be observed despite the fact that times have changed so much. Yusheng realizes that his mother's wishes must be respected. On the day of the funeral more than 100 of Changyu's former pupils turn up to carry the coffin - and none of them will accept payment. Before returning to the city, Yusheng symbolically honors his father's dearest wish: he spends one day teaching in the village school. (1999 - 89 minutes - G - color.)

Admission is free. For information or directions, call (973) 566-6200.

## Minimally invasive spine surgery now at Mountainside

Atlantic NeuroSurgical Specialists (ANS) are changing the face of medicine, and the transformation is taking place right in Mountainside Hospital. Patients now have access to the most ground-breaking treatments in the country, including minimally invasive spine surgery, which allows some patients to be released from the hospital on the same day.

Leading the team of experts at Mountainside is Jonathan Baskin, MD, FACS, a member of ANS for six years and one of the most sought-after neurosurgeons in the tri-state area. Baskin, who will be the chief physician practicing out of ANS's Montclair office, is a board-certified neurosurgeon who completed his residency at the world-recognized Barrow Neuro-

logical Institute in Phoenix, Arizona. He specializes in neurovascular surgery, neurovascular diseases and complex spine surgery.

The practice that continues to lead in neurosurgical innovation includes Doctors Brian D. Beyerl, MD, FACS, Edward J. Zampella, MD, FACS, Ronald P. Benitez, MD, John J. Knightly MD, Jonathan J. Baskin MD, FACS, and Jay Chun, MD, PhD. Baskin and his colleagues are proud that ANS handles more minimally invasive spine surgery cases than anyone else in the state. Minimally invasive spine surgery is a procedure involving the use of microscopic cameras designed for viewing interior portions of the body.

## Cold laser can effectively treat Carpal Tunnel Syndrome

The Microlight cold laser is a safe, painless and effective treatment for carpal tunnel syndrome (CTS). The device was approved by the FDA several years ago. The Physical Therapists at Precision Care in Bloomfield have been treating CTS sufferers for almost three years with the ML 830 low level laser. The cold laser emits a beam of light which penetrates deep within the carpal tunnel, reducing the swelling and inflammation responsible for this debilitating condition. It is an effective way to treat CTS without cortisone shots or surgery. A landmark study revealed that 72% of disabled workers were able to return to normal activities as a result of cold laser therapy.

Carpal Tunnel Syndrome is a repetitive stress injury that causes wrist and hand pain as well as numbness and a pins and needles sensation. Dr. Roy Jackson, chiropractor says "The cold laser is held against the skin at the wrist and delivers a precise and painless treatment." It targets the swollen tissues in the wrist. Relief is usually felt within 10 sessions. One study showed that 90% of patients no longer experienced the awful night-time pain, numbness and pins and needles symptoms which is characteristic of CTS.

The cold laser has also been used to treat shoulder, neck, knee and elbow pains. For more information, call Precision Care at (973) 748-3006.

### ANOTHER ASPIRIN BENEFIT

Men who are taking aspirin to guard against heart disease may also be helping themselves survive prostate cancer. A recent study provides preliminary evidence that if you have prostate cancer, aspirin and other non-steroidal, anti-inflammatory drugs (NSAIDs) may decrease its virulence. According to the study, aspirin (as well as other anti-inflammatory painkillers such as ibuprofen and naproxen) taken prior to radiation therapy for prostate cancer improved survival rates. Among patients taking the NSAIDs, 91% were alive ten years after treatment compared with 68% for men not using NSAIDs. Aspirin has previously been shown to prevent new cancers in prostate-cancer patients. Some researchers believe that prostate cancer tends to develop in areas with chronic inflammation, which NSAIDs may counteract. You expect and you get the finest of service when you bring your prescriptions to us at ROSSMORE PHARMACY, 338 Washington Avenue, (973-759-1968 or 973-759-1956). "Your Doctor Know Us-Your Doctor Trusts Us." Open: Mon. thru Fri. 9-8:30, Sat. 9-7, Sun. 9-Noon. If you are planning to travel over the July 4th holiday, please be extra careful driving.

HINT: NSAIDs may also inhibit certain enzymes and thereby discourage prostate-cancer tumor growth.

# Cuzzi center stage at stadium

Few rivalries in Major League Baseball match the intensity of the six games played between the Yankees and Mets, and last weekend was no exception.

Belleville native Phil Cuzzi, who is in his seventh season as a Major League umpire, worked his first Yankees-Mets series at Yankee Stadium last weekend and was the plate umpire in Friday night's game, won by Pedro Martinez and the Mets, 6-4.

Cuzzi, a 1973 graduate of Belleville High who today resides in Nutley with his wife Gilda, has had an impressive major league career after toiling for nearly 15 years as an umpire in the minor leagues. He was officially named a full time umpire in the big leagues in the summer of 1999 and has been good enough to be assigned to the playoffs the past two years. In 2003, he worked in both National League Divisional rounds, including the decisive game between Florida and San Francisco, won by Florida in four games and a day later, the deciding fifth game in the Chicago-Atlanta series, won by Chicago.

Last fall, Cuzzi worked all five games of the Atlanta-Houston divisional round, won by Houston.

This year, Cuzzi is once again a member of crew chief Jerry Crawford's crew. When Cuzzi was promoted in 1999, Crawford was his crew chief. After working with Tim McClelland's crew in 2000 and with Bruce Froemming in 2001, Cuzzi was assigned to Crawford's crew again in 2002 and the two have worked together uninterrupted since.

"I enjoy working with Jerry," Cuzzi said. "I've learned a lot from him, as I have from Tim and Bruce. Umpiring is a tight fraternity, and every crew has its own dynamics. I've been fortunate enough, every year, to be working with some good guys."

Crawford's umpiring background is extensive. He has over 20 years of major league experience and has worked three World Series, most recently in 2002. He was also assigned the 2000 Series between the Yankees and Mets.

In addition to Crawford, Cuzzi's crewmates this year include C.B. Bucknor and veteran umpire Ed Rapuano. Cuzzi and Rapuano have been friends for nearly 20 years. The two worked together on McClelland's crew late in the 2000 season and are reunited this year for an entire season. Rapuano has worked two World Series, including the legendary 2001 matchup between the Yankees and Arizona Diamondbacks, played just six weeks after Sept. 11. Rapuano was also an umpire in the 2003 World Series between the Yankees and Florida Marlins and has been assigned multiple league championship series.

**BUC SHOTS**  
MIKE LAMBERTI

Bucknor was recently selected to this year's All Star game, a big honor for any umpire and, like a playoff assignment, symbolic of outstanding work in regular season games.

As for last weekend's Subway Series at Yankee Stadium, Cuzzi took it all in stride.

"When I was a kid, obviously I loved baseball," Cuzzi said. "But now that I'm an umpire, it's my job and I really don't look much into who's playing, and where the game is. Obviously, being home for a few days is great, and I get to see my family and friends. But when it comes to the game, it's business. I was on the plate for Fri-

day's game, and that was exciting because of the electricity the game provides, but once it starts, it's another game."

Cuzzi's schedule is indeed hectic. After last weekend's series, he boarded a flight to Tampa for a series between the Devil Rays and Toronto. After three days in Tampa, it's off to Kansas City this weekend for the Royals and Los Angeles Angels. He'll get a week off, plus a few days for the All-Star break, before hitting the road again on July 14, starting in Oakland.

"It gets hectic, but I enjoy it," Cuzzi said.

As for his successful life, he wouldn't change anything.

"We have a really good crew, no doubt about it," Cuzzi said. "I have a great job, working with some tremendous umpires who really know the game. What else can I ask for?"

## BUCS

FROM PAGE 14

striking out three and allowing four earned runs. Belleville rallied from 2-0, 4-3 and 6-4 deficits to win the game, striking for five runs in the last of the sixth to take the lead for good.

Cristina Corino played a solid game at second and shortstop and Tiffany Muschio played well behind the plate.

The Belleville offense was led by Stephanie Gomez, Alyssa Frank, Corino, Kelly Blair, Daphanie Feliciano, Muschio and Tiffany Deeubol.

Trailing 2-0 in the third, Belleville scored three times, with

Frank, Gomez and Corino delivering key RBI hits. Down 6-4 in the sixth, Muschio started the five-run rally with a leadoff triple and scored on Deeubol's sacrifice fly. Blair, Feliciano, Gomez and McNally followed with run-scoring hits to give Belleville a 9-6 lead.

Cantarella was pleased with the effort and his team's cohesiveness.

"Everyone got to play, and I was really happy with the way the kids encouraged each other," the coach said. "We have 22 kids on the team and it's important for them to work together. We've got a tough schedule this summer and we'll only get better by playing and learning from our mistakes. This was a good first step."

# Belleville Times to feature stories recalling Belleville's greats of the past

BY MIKE LAMBERTI  
for Belleville Times

With the 2004-2005 high school sports campaign officially over, it's time to focus on summer and the Belleville Times sports section is dedicated to keeping its readers up to date on our athletes' successes. In that regard, we'll have weekly coverage of Belleville's junior and senior legion baseball teams, along with the softball team, which

is playing in a very competitive league. The summer also provides the opportunity to write features and look back on some of the great games in Belleville's storied athletic history. Starting in next week's issue, look for a weekly summer feature on a great game, or individual performance from past years. It can go as far back as the 1930s, or as recent as the past five years.

This year marks the 30th anniversary of a great Belleville baseball game played in May of 1975. Thirty years ago, the Belleville High School track got a school record performance from the mile relay team. Ten years later, that mark was eclipsed and the record still stands today. Twenty years ago, the Belleville girls crew team completed a monumental run by winning its third national title in four years. Five

years ago, the boys' cross country team started a run of three straight winning seasons and this summer, we'll look back at that 2000 team. This fall will mark the 25th anniversary of one of the greatest Belleville High School football teams, ever. The 1980 Buccaneers finished 9-2 and advanced to the North Jersey, Section 2, Group 4

championship game against West Essex at Giants Stadium. We'll use the summer to look back at the 1980 season and I would love to hear from former players and coaches who were a part of that team 25 years ago. If you have a story idea, please feel free to write me at mike051893@aol.com.

Hildreth, 35, pleaded guilty to assaults on five of the victims. He

In exchange for his guilty plea, Freier said she recommended that Hildreth be sentenced to no more than 15 years in prison for the Belleville charges, with no parole eligibility for seven and a half years. The Nutley charges and fed-

He was already in Passaic County Jail on federal child pornography charges. The state charges culminated an extensive investigation jointly conducted over the past several months by the Essex County Prosecutor's Office Child Abuse Unit, the Belleville and Nutley police departments.

Hildreth is charged with having committed similar acts upon three of the children in Belleville including confining one of the children in a locked room while he videotaped the sexual abuse. His charges in Belleville include kidnapping and

Hildreth admitted to fondling or raping at least nine children in the past 16 years, according to an affidavit filed in federal court, the Star Ledger reported.

WORSHIP NOTES

# Christ Episcopal Church

## "21st Century Broadway" is coming July 29

Christ Church will host "21st Century Broadway," a concert of musical works from Broadway shows which have opened between 2000 and 2005, on Friday, July 29 at 8 p.m. The concert will feature the talents of over a dozen University and High School students from Belleville and Nutley. Selections will include material from "Wicked," "Hairspray," "Avenue Q," and many others. The ticket donation is \$7 and can be obtained by calling the church at (973) 751-0616.

The concert was organized and is being produced by the students in response to the Great Easter Flood which produced a large amount of damage to the basement of the church and destroyed a large amount of supplies for both the Care Closet and Mary and Martha's Soup Kitchen. Proceeds from the concert will benefit those two organizations.

## Summer fair and flea market

Christ Church has announced its Summer Fair and Flea Market for Saturday, July 9 to be held on the Great Lawn of the church. The rain date is set for Saturday, July 16. Individuals or groups wishing to register as vendors are asked to contact the church at (973) 751-0616. Spaces are \$25.

The parish is also receiving gifts for their own flea market tables. Persons wishing to make donations are asked to bring them to the church.

## Gay, Lesbians and Friends Barbecue

Gay, Lesbian and Friends Community will hold a Fourth of July barbecue Sunday, July 2 at 6:30 p.m. at the Vicarage of the church. For more information, call the church.

The next Contemporary Folk Mass at the church, which is sponsored by Gay, Lesbian and Friends Community Fellowship will be Saturday, July 16 at 6:30 p.m.

*Christ Church is an inclusive community church in the Anglican tradition, located at 393 Washington Ave., between Joralemon and Essex streets, in the Township of Belleville. For more information, call the church at 751-0616.*

# River of Life Assembly of God

## Holy Land Jerusalem Marketplace

River of Life Assembly of God church in Belleville will hold its Vacation Bible School July 25 to July 29 from 6:30 to 9:30 p.m. The sessions will be led by children's Pastor Joe Rodriguez from 6:30 to 9:30 p.m.

The program is free and open to children from six to 12 years of age. Some of the activities include: traveling back 2000 years; becoming an apprentice at a variety of marketplace shops; helping the baker make bread; grinding herbs and spices at the Spice Shop; creating jewelry at the Jewelry Shop; playground games; building a toy or musical instrument, carpentry, costumes and live stories.

To register, visit the church at 174 Holmes St. or call 973-759-0726.

# Christian Apostolic Church

## Bible studies and other events

Christian Apostolic Church of Belleville offers two Bible studies every Tuesday at 7:30 p.m. One led

by Rev. Grace Alfieri is for adults; the other is led by the youth pastor and youth group leaders. On Wednesdays, the church opens at 9:30 a.m. for a prayer meeting. The first and third Thursday of the month is Bible Study 101 at 9:30 a.m. and 7:30 p.m. The church offers a free luncheon for seniors over 55 every first Thursday. Youth group meets Friday nights at 7:30 p.m. First Friday prayer service at 7:30 p.m.; third Fridays, Fabulous Friday dinner 6 to 7:30 p.m. for children 4 to 11. The Sew 'Sow meets every fourth Friday at 6 p.m. and makes projects for various organization worldwide.

# Bethany Lutheran Church

## Men in Mission

Bethany Lutheran Church will host the monthly meeting of Men in Mission Tuesday, July 5 at 7:30 p.m. in the church hall. The men enjoy fellowship and work to bring new ideas and energy to the church. Newcomers are welcome! Call (973) 759-1555 for more information.

## Healing Prayers

Pastor Nancy Moore of Bethany Lutheran Church (corner of Joralemon and New Streets, Belleville)

will administer healing oil to all interested worshippers during prayers following each worship service on Sunday, June 5. This brief, special practice is held at Bethany on the first Sunday of every month directly after the regular 9:00 a.m. and 10:15 a.m. worship services. Everyone is welcome to attend. Please call (973) 759-1555 for further information.

## 'New Kids' graduate

The New Kids Day School located at Bethany Lutheran Church, (corner of Joralemon and New Streets) will hold its graduation ceremony Thursday, June 30, at 6 p.m. on the church grounds.

*Bethany Lutheran Church is a "Reconciling in Christ" parish of Lutherans Concerned, welcoming and including gay and lesbian persons. It is the stated policy of this congregation to welcome and fully include persons of every race, age, gender, marital status, ability and sexual orientation. Worship services are held at 9 a.m. and 10:15 a.m. year-round. Child care is available. Sunday School begins at 9 a.m. Call the church at (973) 759-1555 for further information.*

# The righteous should stand up and be counted

I believe the words one of the Founding Fathers of this nation, Patrick Henry: "It cannot be emphasized too strongly or too often that this great nation was founded not by religionists but by Christians, not on religions but on the Gospel of Jesus Christ" and resound in the hearts of those who yet believe the Gospel of Jesus Christ in the year of our Lord, 2005.

Look at the state of affairs in this great country, we have left the godly principles it was founded on, the Word of God. Far too long we haven't spoken the truth for fear of offense and reprisal, but when will the righteous and just stop being offended and stand up because this nation was founded on the Gospel of Jesus Christ?

King Solomon's words resound loudly and continually: "Right-

eousness exalts a nation but sin is a reproach to any people" (Proverbs 14:34). When will the "righteous" stand up and be counted? Will God continually wink at our sins of silence and avoidance as we allow those who stand for nothing righteous to bring a reproach to the people of God? We are not religionists who want prayer put back in the institutions we call learning, or want purity in our children and

not sex, and drugs crazed, or sex objects to simple-minded; or want to see this nation thrive again because it is "In God We Trust."

ONE SMART MOVE

The monthly mortgage payments quoted in this ad are to qualified buyers buying a single family owner-occupied residence, based upon a 20% downpayment. The payments are calculated using a 3-1 interest only adjustable rate mortgage loan (ARM) with an initial interest rate of 3.875%, with 2.5 points, and an initial A.P.R. 4.775%. Payments are interest only for the first 10 years, and from year 11 through maturity, amortization is based on 20 years. The interest rate is based on an index plus a margin, with a loan amount of \$500,000. The payment is fixed for the first 3 years, and because the interest rate may change after 3 years, the payment shown may change at the 4th year and annually thereafter subject to applicable margins and/or caps. At each adjustment, the interest rate is set at 2.5% above the index (margin) and it may not decrease or increase more than 2 percentage points (cap), and over the life of the loan, it may not increase or decrease more than 6 percentage points (lifetime cap). Figures used herein are approximate and do not include property taxes, or hazard insurance. Interest rates quoted are as of 8/19/04 and subject to change. As an example, on a \$500,000 30-year loan with an initial interest rate of 3.875%, the maximum amount that the interest rate can rise under this loan program is 6 percentage points to 9.875%, and the estimated monthly payment for the first 3 years is \$1614.58 to a maximum interest payment of \$1979.17 thru year 10 (Based on a Truth in Lending Disclosure Estimate) and a maximum principal and interest payment of \$3231.12 after 30 years.

One of the questions on the SLCA application is "Tell Us Why You Love Silver Lake?" Her answer, "Silver Lake is a great place to live. Growing up, there was a wonderful elementary school (#4 James Shawger) and the Friendly House. Also Clara Maass Hospital, a fire depart-

ment, St. Anthony's Church and many places to shop and eat are in the area."

Next on deck is Kenneth Fleming, who also graduated from School #4 in 1999. His dream is to attend Wyotech in Blairesville, Pa., and be an automotive technician. He was a member of the sophomore and junior BHS Marching Band. Kenneth's answer to the question, "Why Do You Love Silver Lake?" "I love Silver Lake because of the cultural diversity. Maria and Kenneth, never ever forget that you came from Silver Lake. Your school memories will always be with you. And as Kenneth Fleming so eloquently put it, "By living in Silver Lake and experiencing the diversity, you can be prepared for what lies

ahead and "There is an amazing vibe in Silver Lake."

I know it is early, but as the winners of the 2005 SLCA Scholarship, it entitles the two of you to be our guests at our 'New Years in November on Saturday, November 12, 2005, at the

Branch Brook Manor, where we can "show the both of you off".

And don't forget to pay a visit to our signboard on Franklin Street, where you can see Anna Maria and Kenneth's name in lights. You will think that you were on Hollywood Boulevard.

Again, lots of luck on your graduation from Belleville High School and we here in Silver Lake wish that all your dreams come true.

And remember, we love Silver Lake.

## Thinking about new windows?

### 3 questions contractors don't want you to ask!

Windows need replacing now...in the next few months? They're drafty, hard to open, or look terrible? Here are 3 questions to ask before you buy.

I'm Randy Leeds; the owner of Thermo-Tite, the largest window replacement company in the tri-state area. What makes us unique is how we answer these questions. Ultimately it's why our customers save money and avoid common problems.

#### Do you only install windows?

Most contractors do siding, roofs, and now windows. **At Thermo-Tite we only do windows!** A recent government study said for a window to meet the Energy Star ratings, it must be installed correctly. It must be exactly square in the frame and carefully insulated. Are your wood frames perfect? Any rot? That's why you want an expert installer.

#### Do you use your own installers?

Most "window" contractors, even respected home improvement chains, use low cost labor who get paid by the number of houses. At Thermo-Tite **our installers are factory trained and receive a bonus based on satisfaction.** We come to your home with everything we need to do the job right the first time.

**Bays • Bows • Double Hung • Casement • Tilt & Slide**

#### Will you guarantee I'll save 35% off my next energy bill?

Today, everyone claims that you'll save energy by installing their windows. But only I guarantee, if you buy Thermo-Tite windows, you'll save 35% off your next energy bill, or **I'll write you a check for the difference!**\*\*

How can I make this offer? Over the past years, I've had to write a few checks. Most because of leaky front doors... but a promise is a promise! Still, the odds are in my favor because we manufacture the best replacement windows and have only the best installers...so I'm willing to take the risk!

**If a "window" company doesn't have experienced installers and won't back up their guarantee with a check, doesn't that tell you something?**

#### Call for a **FREE** in-home estimate.

This week take an additional **\$79 off each window installed.** Just doing some research? Let us send you a FREE CD to help you make the right decision.
