

Court: Most GOP candidates can run

BY RICHARD DICKON
of Belleville Times

The battle for control of Belleville's Republican Party took a turn for one side, with the current chairwoman regaining six candidates for the June 3 primary but admitting she might be unseated by the challenge from a longtime former chairman. The contentious moves will likely last until Republican County Committee members are elected in the primary election.

Representatives for one slate of candidates for county committee sued the township clerk because a representative for the other faction of candidates had successfully challenged the qualifications of eight of the rival's candidates.

Now, a Superior Court judge has restored six of the eight committee nominees, and the last two will run as absentee write-in candidates, according to one of the six nominees restored.

Richard Yanuzzi, former GOP chair, challenged the petitions of the eight candidates, and Township Clerk Kelly Cavanaugh upheld all of the challenges, which would have disqualified all eight candidates.

The current Republican leader, Antoinette "Toni" Marone, took part in a lawsuit against the town clerk in Superior Court in a case decided April 23. The decision allows six of the eight candidates to correct mistakes made to their petitions, so they will be allowed to appear on the June 3 primary ballot. Plaintiffs in the case said that it is routine for errors to be found in petitions, but state election law generally requires municipal clerks to allow for sufficient time to correct them, the lawsuit states.

Whichever faction wins the majority of the 52 county committee slots in June will have control of the local Republican party.

Marone, the current GOP chairwoman, admitted that Yanuzzi's attempt to have former mayor Angie Paserchia elected chairman following the primary may suc-

ceed, but her group will battle until the outcome is decided.

"It's always a fight with him (Yanuzzi), and he won't give up, you know that," Marone said. "We've been hurt a little bit, but we'll survive. I'm an optimist. He's been trying to get me for the past 20 years. I've been doing this for the last 50 years or so, and it's something that's fun most of the time."

Yanuzzi said he has been challenging petitions for many years "and I always knock off a few, because they're always sloppy. But there's election law that evolves, and it has allowed more and more to get corrected, because they have become more and more lenient. It's designed to be interpreted liberally and give them the benefit of the doubt."

Andrew Blosschak, one of the eight challenged committee nominees, said he has known Yanuzzi for 20 years, and Yanuzzi was once his son's godfather, but the two have since fallen out and Blosschak now strongly opposes Yanuzzi's influence with the local GOP.

He called the April 23 court decision "a major defeat" for Yanuzzi. Blosschak questioned the GOP qualifications of some of the committee members being run by Yanuzzi, and Yanuzzi countered that among his candidates are former councilman Michael Melham, former school board member Judy Piscatowski and senior citizen and longtime outspoken town critic Florence Pentol.

"He (Yanuzzi) is not going to take over," Blosschak said. "He's vilified in this town by the 80 to 85 percent of people who know him. He's running out of friends."

Yanuzzi continues to accuse Marone and Blosschak of incompetence, and said that three committee slots are unfilled with candidates by the Marone faction in the First Ward, and two each in Wards Two, Three and Four.

"She has done a horrible job, the

LOSE THE HEADACHE

Headaches can range from the annoying to the agonizing. Studies have shown that chiropractic treatment is effective in easing both the frequency and intensity of headaches. Misalignment of neck or cranial bones can be at the root of some headaches. When those bones are not lined up properly, they can pinch nerves and cause headaches, including the mother of all headaches, the migraine.

A chiropractic examination that may include x-rays in addition to orthopedic/neurological examination can help determine if a misalignment is the source of the problem. If alignment is not the problem, the chiropractor then knows something else is causing the headache and will advise the patient accordingly. But if the bones are misaligned, manipulation can be effective in eliminating the cause of the headache. Remember that the key principle in chiropractic care is that the body, when functioning properly, is capable of correcting many of its ills. So, keeping the spine in line can help not only with headaches, if they are your problem, but also with a variety of other ailments.

High turnout for annual Pride Olympics

Belleville keeps getting caught in court battles

Once again Belleville has gone to court, and the outcome was for the most part not in the township's favor.

A slate of Republican candidates sued the township clerk recently because that slate was being excluded from the June 3 ballot. The clerk excluded the candidates for defects in their petitions. The GOP candidates sued because, under state law, they were entitled to try and correct those defects, a chance they say was denied them.

The township scored a partial victory when a court ruled that three candidates would be excluded, but another six candidates are to remain on the ballot. But one has to wonder if a court appearance could have been avoided alto-

gether if candidates were just given the chance, as was their right, to fix the problems themselves; it was entirely possible that the same outcome could have been the result.

This is hardly the first time Belleville has gone to court with an idiosyncratic case. Last year the township tried to upend municipal law in an attempt to remove several members of the library board, an attempt that was ultimately unsuccessful. The township, meanwhile, has racked up significant legal fees in other cases as well. The onus is on the township council to ensure that Belleville only goes to court when the circumstances warrant it and when all other options have been exhausted.

The GOP certification fight and the library

board battle share another common thread too: both times, prominent political player Richard Yanuzzi had a significant role. Yanuzzi has aided many local politicians over the years, and his critics say he has won considerable influence as a result. One has to wonder if some of these ill-conceived legal actions are being pursued not on their merits but simply because an influential player in local politics wants it that way.

A new council will be coming into power later this year, following the May 13 election. It behooves them to make sure that the people of Belleville are only going to court when there is a legitimate fight to be fought.

LETTERS

Who they're voting for

TO THE EDITOR:

In the last two years, I had the pleasure of working closely with Deputy Mayor John Notari and 2nd Ward Councilman Steve Rovell. Both men are lifelong residents of Belleville. They have shown me their commitment to serving our community. I have found them to be diligent, hard-working, practical, as well as highly educated. It is the cooperation between council and community fostered by Steve and John that have allowed us to progress more in the last four years than in the prior 30 years. Residents and developers are investing back into the community at a record rate. Belleville has been named to the Top 100 Best Places to Live in New Jersey list by a monthly magazine. Our municipal roads and buildings are being updated and maintained. For the first time in many years, our tax dollars are being reinvested directly into our community and it shows. A few examples of this can be seen in our new Communications Control Center at Police Headquarters, the Community Summer Concert Series, the new Little League baseball field, interior renovations and a new bocce court at the Senior Center. A lot has been done but there is still a lot more to do.

Although we have not agreed on every subject, we do agree that the council must work together for progress to continue. We also agree that the council should not be controlled by any one political party, political boss or by interests outside of the township. It should be made up of seven individuals from Belleville who want what is best for Belleville.

I have also known Paul J (PJ) MacDonald, the candidate run-

ning for the 3rd Ward, for many years. He is a lifelong resident of Belleville like me. I have found him to be a man who is dedicated to serving the best interest of the community. I feel he will work well with the other council members.

I fully support Steve Rovell, John Notari and Paul J. (PJ) MacDonald in the upcoming Municipal Election on May 13. Four years ago Belleville made a change for the better when they elected John Notari and Steve Rovell. Let's keep Belleville moving forward by electing these individuals to the council.

Mayor Raymond Kimble

TO THE EDITOR:

As the only woman on the Township of Belleville Council, Marie Strumolo Burke has had to work extremely hard to prove herself to her fellow council members and the people she represents. This she has done with flying colors.

Her accomplishments as councilwoman these past four years have made a tremendous impact on Belleville. She is a real dynamo. Her home phone rings all hours of the night with people asking for advice, or advising her about pot holes, tree limbs that need cutting, high property taxes and thousands of other issues. She acknowledges them all. You can be sure, if she promises she will take care of it, she does.

Her experiences have made her a strong and dedicated leader of our town. I look forward to the next four years with her as a Township of Belleville councilwoman.

Christopher Veniero
Belleville

TO THE EDITOR:

With all the campaigning going on in Belleville pertaining to the

May 13th Council Race, I would like to give my view on at least one candidate who I know well. His name is Mario Drozd, running for the Second Ward Council. He is a retired Teamster who drove a truck for many years to support his family.

When his employer closed down, he was faced with the grim prospect of an ever-shrinking job market for a middle-aged person, along with the rising cost of all consumer products and crippling property tax increase. To his credit, he didn't complain. He took courses and entered the field of real estate and financial document processing. It wasn't easy but he eventually built a network of devoted customers who recognized his integrity and ability to complete every assignment. His no-nonsense approach got the job done with speed and efficiency.

Many of us face similar circumstances today with the value of our dollar sinking lower each week and gas prices heading toward four dollars per a gallon. Which of us, if suddenly unemployed, could dig in and start in a whole new field, and be successful? I believe, because of the adversity that he has faced, Mario Drozd has a unique understanding and compassion for the problems of the average Belleville resident. Furthermore, I trust him to do the best job possible in finding solutions to these problems.

John Bruschetti
Belleville

TO THE EDITOR:

I am writing this letter on behalf of Belleville councilwoman, Marie Burke. I have resided in Belleville for the past 10 years and known her for four years. My acquaintance with Marie has been through monthly town hall meetings. In my judgement I believe that she is an individual who cares about her town and its residents.

Her integrity has impressed me.

In the past, on several occasions, I asked the council if I could be appointed to the rent leveling board because my concern for Belleville's tenants and their annual rent increases. Some landlords did not comply with the town ordinance. I was afforded no satisfaction in that regard. However, when I approached Ms. Marie Burke for that consideration, my request was honored and I have now been on the board for about two years.

Belleville needs people like Ms. Burke, a person who is sympathetic, understanding, willing to listen to any problem and above all, gets the job done. She is always ready to assist you regardless of what district you are a resident of. As one of many things she's credited with, Audubon Place speaks for itself. Presently, she is in the process of making a little park, on the corner of Harrison Street and Mill Street, for everyone's enjoyment.

Without hesitation, I feel that I can speak for the residents of Belleville, as well as I, in stating that we are in total support of Ms. Burke's re-election as councilwoman for the town of Belleville. I am certain that with her integrity, in congeniality and dedication to service, she will continue to be worthy of this position.

Marie E. Carroll
Belleville

TO THE EDITOR:

This letter is in support of Mario Drozd for councilman in the Second Ward. With the huge financial problems we in Belleville are facing, it would be wise to elect someone who shows some action, not just words in serving the needs of the people. Mr. Drozd has impressive credentials as a former Planning Board member, councilman, mayor and current aide to both Congressman Bill Pascrell (unpaid) and Ralph Caputo, who is our freeholder and Assemblyman.

Despite some recent comments by an opposing candidate, I can tell you, Mr. Drozd is not controlled by any political bosses from in or out of Belleville, rather, he uses his strong relationships with many elected officials to help the people of Belleville. His involvement for many years in worthwhile volunteer projects and groups such as Kiwanis and the Columbus Day Parade shows his dedication to serve wherever he is needed. If someone has a problem or a question, he will pick up a phone and get them an appointment or an answer to try and deal with it.

He is very active and knows many Belleville residents personally. In addition, he is just as willing to meet and offer assistance to newcomers in the area. His approach is simple, "what's the problem, how can I help?" I think he would be a strong advocate for

TO THE EDITOR:

Marie Strumolo Burke is a "take action" woman of her word. She doesn't just talk about getting something done, she actually gets it done.

Her take-action attitude, dedication and sincere concern about the residents are what is needed to improve our town's quality and to prevent any unwanted changes.

We strongly feel Marie is an asset to the community and the town needs more individuals like her.

Jean, Joanne and Janet Schreyer
Belleville

TO THE EDITOR:

I am seeking the position of Councilman in the 2nd Ward. I am a longtime resident, homeowner and taxpayer. I am married to Kathleen Sibilia and we are the parents of two children, Marisa and Anthony. I have been involved in our community for many years, including through the Kiwanis Club of Belleville, Columbus Day Parade Committee, Child ID program, Police Vest Fund, as a former planning board member, and I worked to bring programs like T-ball to our youth. I served on the town council from 1990-1994 and 1996-2000. I am a retired Teamster from Local 478, 408 and 384 with 32 years of service. Currently, I am a state-licensed real estate representative and a mortgage closing agent for major banks and title companies.

My pride in Belleville, however, is also the reason I am a candidate for the 2nd Ward council seat in the upcoming May 13th municipal election. I am concerned about the increasingly apparent shortcomings of the current council that are threatening

to derail our hopes of making Belleville an even better place to live and work. In recent years, the condition of our roads have deteriorated, shocking scandals in our recreation department/library board revealed an astonishing lack of accountability by the elected officials responsible for oversight. These disturbing trends have also been accompanied by a failure to bring Belleville its first senior housing development. It has been eight years since I last served. Looking at the past eight years I have found that our community has been severely over-taxed (20 percent in three years alone) and a flawed property revaluation that raised our taxes 11 percent in one year alone (not the average 6 percent). Failed developments, millions wasted on a failed stadium project, broken promises, no representation and poor services, large payoffs of lawsuits and back pay for friends. This is highly questionable, unaccountable and unresponsive government.

In representing you and our township I will: commit to work diligently to represent the interest

of all residents, control over-spending and over hiring, have a cleaner and safer community, propose laws to enforce loitering and curtail gang activity, be accessible to guarantee your concerns are recognized, fight to ensure your tax dollars are used efficiently and effectively, support policies that enhance quality service and make sure that your voice counts. From taxes to services and quality government to quality of life, you deserve better. Belleville deserves better. I will promote economic development, help improve the quality of life, support government reforms, control taxes and overspending. Stop "business as usual" for the special interests. As an administrative aide to Assemblyman/Freeholder Ralph Caputo

and a volunteer liaison to Congressman Bill Pascrell Jr. I have access to many grants and government services for the citizens of our town.

I believe that together, we can do better. As your 2nd Ward Councilman, I will reach out to new residents, as well as those who have been here for years. With your support, I will embrace the diversity and vitality of our community and ensure that all of our residents gain full and easy access to the high quality of municipal services we deserve.

As this campaign proceeds, I encourage you to learn more about me by logging onto our website, www.betterbelleville.com.

BY RICHARD DICKON
of Belleville Times

For the first in recent memory, the two newest school board members were elected board president and vice president at Monday night's board of education reorganization meeting.

Joseph Longo, who tallied the most votes in the April 15 election,

and Bill Freda, his running mate who came in second, were elected president and vice president, respectively.

Longo's election was unanimous, while Freda received four votes for vice president, edging out school board member Carmen Bucco, who garnered three votes from among the seven-member board.

A stunned Longo said after leading his first board meeting, "I was surprised. This is very interesting." He did not elaborate, and left the meeting for a celebration open to all residents.

Freda spoke of how it was a "privilege" to be elected, and even more so to be elected vice president. He had nominated Bucco to be vice president.

In the vice presidential election, Bucco, along with board members Arlene Schor, outgoing board president William Villano, and outgoing vice president Vincent Strumolo, Jr. all supported Freda, while Freda, Bucco and Longo supported Bucco. Bucco said he was not at all disappointed to lose the vice presidency by one vote, and he fully supported Freda.

In earlier interviews, the new president and vice president talked about what they expected

their roles to be on the board, and did not speak about expecting to be leading the governing body.

Longo said, "I think we bring a certain degree of change and new

perspective, since we've been involved with the band, the business and technology committee and the arts council. We've spent a lot of time around the students, and they are fresh on our mind."

Freda said, "I will be one of seven trustees, and I'm anxious to roll up my sleeves and get to work."

Asked about what the biggest issues are for the first three-year terms, Longo said, "First, there is figuring out the details of how the budget works, and how to keep spending under control. Then, we really need to address facilities and technology, and they seem to be like the third rail of this board. The facilities are not getting any younger, and we need to fix them without killing the taxpayers. Something has to be done about School 4. We need to take a serious look and find ways to upgrade our facilities and technology."

Not surprisingly, Freda had similar priorities, much as the two had during the campaign, where they ran as a duo and spoke often as "we."

"Spending wisely is crucial," Freda said. "We have some added money coming from the state, and a big fear is what should happen if the money disappears next year, and what we are going to do. Then there is infrastructure, and related buildings and grounds issues. There are roofs that still need repair, and the conditions at School 4. Those are very important. And we have a chance to upgrade all of the technology. We don't want a situation where the students have better technology at home than we have in the schools. I think if we all work together, we can get some of these things tackled."

Longo has resided in Belleville for 35 years. He has a son who graduated from BHS in 2005 and is now a corporal in the U.S. Marines, and a daughter who graduated in 2007. He is employed as an account executive for Offset Impressions Inc.

Freda has lived in Belleville 22 years, has a daughter who graduated from Belleville High School in 2003 and a son who graduated in 2006. He is the vice president of Pershing Technology Group in Florham Park with an information technology background.

The two defeated Barbara Lozaw and Ralph Vellon by more than 400 votes, while the school budget passed by just 45 votes, 739 to 676, despite containing a zero property tax increase. The budget includes all day kindergarten for the first time in Belleville, paid for by part of the \$4 million increase in state aid.

Library hosts 'Taste of Belleville'

BY DAVID HINRICHS
of Belleville Times

For the second straight year the Belleville Public Library held their Taste of Belleville celebration and this year there was even more food and cheer.

The event, which is sponsored by the library and took place last Friday, boasted more than 20 different restaurant-sampling booths along with wine. John Gee, who played the piano, supplied music all evening. "It was excellent. We had a great turnout, the food was delicious and this year there was enough space for everyone to sit and enjoy themselves," said Library Director Joan Taub. "The restaurants really came out in support of this and we had a lot of leftover food, which was all donated to the Christ Episcopal Church."

The event marked the end of National Library Week, a custom that Taub believes will become tradition. "It is a great way to recognize the week and bring out some

of the best food this town has to offer. We also use this time to give out our Distinguished Services Awards," said Taub.

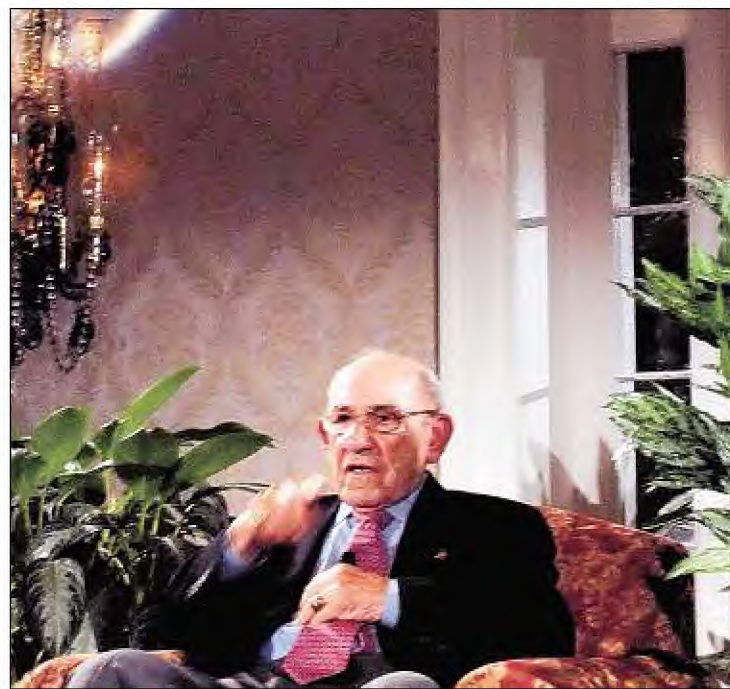

This year there were four recipients. Rev. Paul Walker and Rev. Randy Webster of the Christ Episcopal Church each received one as did Angela Cuzzo-Zarro and Michael Perrone. "All these people support the library year round. Rev. Walker and Rev. Webster have helped us decorate our Christmas tree for as long as I can remember and Angela is always giving to this library," said Taub. "Mr. Perrone has generously donated to us his nutcracker collection year in and year out to help liven up our holiday decorations. They are all great people and this was a wonderful way of thanking them."

Perrone was taken aback by the award and for the second straight year enjoyed the food and company of his fellow Belleville residents. "It was an amazing time. The selection of food was fantastic. Belleville really has a lot of

great, great restaurants. We are almost like a Montclair in that sense," said Perrone. "There really isn't anything in this town that you can't find and getting the award was just a wonderful feeling. This library does a lot of good for this town and it was nice to see so many people come out and support it."

Many members of the Belleville Township Council were in attendance as well, including Belleville Mayor Ray Kimble. "It was great to see our town officials and even county officials come out and support this. It is becoming one of our biggest traditions and we look forward to it every year," said Taub.

Plans for a third Taste of Belleville have been tentatively put in place. Also coming up for the library is the annual English Tea Party, which takes place this Sunday and is run by library board trustee Margery Lordi, who chaired the Taste of Belleville event with Tom McCrohan.

Freeholder candidate says Caputo should bow out

BY DAVID HINRICHS
of Belleville Times

Bob Russo decided to run for the 5th District Essex Freeholder seat months ago, but what he didn't expect was competition from Ralph Caputo.

Russo, a former mayor and councilman in Montclair, has called upon current 5th District Freeholder and newly elected Assemblyman Ralph Caputo to withdraw his candidacy for another term as Freeholder in the June 3rd primary. Russo believes that Caputo's candidacy for re-election to the Essex Freeholder seat is a violation of the spirit of the new law banning dual office holding.

"Ralph has served two terms on

the Essex Board of Chosen Freeholders and was elected the State Assemblyman, promising voters that he would not seek re-election this June to his county seat if he was elected to the Assembly. He is now going back on that," said Russo. "I call upon him to abide by his own stated commitment, as well as the spirit of the law, and withdraw his name from the primary ballot now. Although he may be grandfathered in through a technical loophole, the intent of the law was to discontinue the holding of two offices among legislators, and he should abide by that intent."

Russo believes that dual office holding, or "double dipping," is a very serious issue that he wants to see resolved. "I want to stress that

I am friends with Ralph. I supported him back in 2002 and I believe he has done a great job as our freeholder but I don't think it is right or reasonable to hold both the Assembly and freeholder seat at the same time," said Russo. "He has even told me and other people

that I would make a great freeholder. Why run again? I don't think it is fair to the people to not give your full commitment to your one elected office. Both of these positions are very demanding and to hold them at the same time is not the right thing to do. I believe

he should finish out his term through the remainder of 2008 and then withdraw from the election."

Russo also believes that Caputo does not give all the towns in the district, Montclair, Glen Ridge,

Pianos Bar & Grill/Broad St. Playhouse events

Karaoke nights

Pianos Bar and Grill, 36 Broad St., hosts karaoke nights at 8 p.m. on Wednesday and Sunday evenings. All performer-types are encouraged to come and sing. Singers who prefer to bring their own tracks to sing along to are welcome to do so. Singers who perform any Wednesday night will

also be considered for an upcoming Pianos variety show.

Free poker night

Pianos Bar and Grill hosts a free poker night every Tuesday evening at 7 p.m. Poker buffs can now play Texas Hold 'Em for points instead of money. Professional tables and dealers are set up. Players interest-

ed in learning how to play the game can come early at 6:30 p.m. Players who arrive early are also given extra chips to play longer.

The game is handled by the New Jersey Free Poker Association. The Association sponsors players who earn the most points within a year to play for the World

Championship of Poker. There is no cover to play, no buy-in and no drink minimum to play. All are welcome.

Jazz night

Pianos plays host to a variety of entertainment. Wednesday is Open Mic Night, Friday is Cabaret Night,

Saturday is Dueling Pianos Night and Sunday is Karaoke Night. Thursday nights at 8 p.m., however, are Jazz Nights.

In the past, Pianos has showcased such ensembles as the Pedro Rodriguez Jazz Quartet, Golden Bridge, Richard Reiter and the Tricia Slaughter Jazz Trio, the Outbridge Jazz Ensemble and Dave Arndt Jazz. Starting May 1, Pianos is presenting the Emmet Cohen Jazz Ensemble.

Although Cohen may be the youngest jazz musician to play at Pianos, he was a featured musician at this year's Grammy Awards. Patrons can see Cohen play at Pianos every Thursday in May. There is no cover charge. All jazz band buffs are welcome. A dinner menu available.

Supper club

Friday Night at Pianos is Cabaret Night. Professional Broadway and regional singers entertain and sing to bar patrons throughout the evening. Bruce Phillips of Cedar Grove accompanies the singers on piano.

Beginning May 2 (tomorrow) and every Friday night thereafter, Pianos is also presenting a "Cabaret Supper Club." Starting at 8 p.m., singers perform throughout the evening in supper club fashion. Dim lights, candlelight, a piano and illuminated singers entertain patrons.

Scheduled Supper Club singers in May include George Adamo of Essex County, George Aline of Jersey City, Jodi Chekofsky of Nutley, Mimi Francis of South Jersey, Brian Grace of Clifton, Laura Iacometta of Essex County, Rachel Menconi of Central Jersey and Leanne Weiss of Clifton.

The Supper Club is presented in the back room at Pianos. Reservations are a must. Tables are limited. There is a \$5 cover charge. Large parties are welcome. For more information or to RSVP, call Pianos at 973-743-7208.

Dueling pianos

"Dueling Pianos" takes place every Saturday night. This event is unlike other dueling piano shows that might be seen in Las Vegas or Orlando. These pianos are a bit more old-fashioned and, perhaps, more interactive. Two highly entertaining, singing piano players, Joe Regan and Steven Lowenthal, play face-to-face on two upright studio pianos. They reach out to every age group in song as they enter the bar. Regan and Lowenthal, both currently playing the piano bar circuit in New York, play simultaneously, taking requests from patrons and covering tunes from American standards to 50s, 60s, 70s, Country and Broadway. Patrons are encouraged to sing along. There is also a microphone made readily available by soundman Gary Brown of Bloomfield for anyone interested in singing one of his or her favorite songs.

Regan and Lowenthal begin playing at 8:30 p.m. There is no cover charge. Come for dinner or have a drink. Dinner service begins at 5 p.m. Tables are limited. Reser-

ATLANTIC CITY
By Ellen Burke Rawls

Julio Iglesias at Caesars, Dolly Parton at Borgata

The stars will be shining brightly at the casinos this weekend! Julio Iglesias has added Caesars Atlantic City to his 2008 World Tour, where he will perform two shows Friday and Saturday nights. Easily the most popular recording artist in the world, Julio has sold more than 250 million albums, scoring more than 2,600 Platinum and Gold records, an unmatched achievement in the music industry - with a spot in the Guinness Book of World Records for selling more records in more languages (Spanish, German, English, French, Italian, Portuguese, Tagalog and Japanese) than any other musical artist in history. His shows at Caesars this weekend promise to bring us a rich mix of his hits, with the accent on his iconic romanticism.

Showtimes at Caesars Circus Maximus are Friday at 10 p.m. and Saturday at 9 p.m., and ticket prices range from \$50 to \$125.

Showboat and the House of Blues will be celebrating Cinco de Mayo over four days, Friday through next Monday, with colorful Mariachi parades and specialty food and beverage carts and strolling entertainers throughout the property. All of the restaurants will feature Latin specialties and gala Latino entertainment. There'll be a Fiesta Slot Tournament on Saturday, and visitors will have a shot at the Cinco de Mayo Pinata Cash Sweepstakes.

Across town at Borgata, Dolly Parton arrives Saturday, resuming her "Backwoods Barbie Tour," interrupted for medical reasons earlier this year. Arguably the most successful female country artist in history, the multi-platinum Grammy award winning singer/songwriter, actress and author has racked up 25 #1 singles (a record for a female country artist) and 41 Top-10 country albums (a record for any country artist). Aside from her storied musical career, Parton has also acted in movies and television, with her most famous roles being in the films "9 to 5" and "The Best Little Whorehouse in Texas." Dolly has appeared on TV in cameo roles as herself, on the Disney Channel series Hannah Montana. Her role as "Aunt Dolly" mirrors her real-life relationship to the show's star, Miley Cyrus, her real-life goddaughter.

Dolly Parton's show at Borgata is part of her world tour known as the "Backwoods Barbie Tour," celebrating her latest album released in February. Her show will feature selections from the new album, as well as a collection of the greatest hits over her four-decade career.

Showtime at the Borgata Event Center is Saturday at 8 p.m. Tickets are \$65, \$85, \$95, and \$125. (All tickets for the cancelled March 8 performance will be honored.)

Saturday, May 10, Resorts will host a star-spangled tribute to the veterans of World War II - America's "Greatest Generation." The benefit to fund a NJ WWII Memorial, will feature Jersey's own Joe Piscopo, with a bevy of USO entertainers, present a musical celebration of the war years and recollections of "Camp Boardwalk," when the US War Department requisitioned 45 AC hotels and the famed Convention Center, and the beachfront resort was transformed into a basic training and medical care center.

The celebration will be held at Resorts Superstar Theater at 8 p.m. with a dessert reception to follow. Tickets are \$125 for show & dessert reception, \$75 for show only and \$60 for veterans. For more info on tickets contact the Greater Atlantic City Chamber at www.acchamber.com and click on WWII event or call 609-345-4524.

Mosaic ready to dazzle

Mosaic Dance Theater Company (MDTC), in association with the Bloomfield College Westminster Arts Center, is presenting "Dances of Time and Tradition," a dazzling array of dance works celebrating the rich dance traditions of the Near East.

From the ancient to the contemporary, from the folkloric to the interpretive, vibrant, original choreographies in the program offer a combination of new works and existing pieces from the repertoire. New works include "Red Desert," an interpretive work that explores a woman's conflicting emotions in a restrictive society

where women are permitted little freedom; and "The Boating Party," also a new interpretive dance work inspired by an ancient Egyptian text from the Old Kingdom (4,000 B.C.). Raks Assaya (Cane Dance) and Raks al Sagat (Cymbal Dance) highlight folkloric traditions of Upper Egypt.

"Dances of Time and Tradition" features Samara as the choreographer and star performer. An internationally respected teacher and performer, Samara was a protégé of the late, celebrated choreographer Ibrahim Farrah, an award-winning innovator in ethnic dance. Performances for MDTC's

"Dances of Time and Tradition" are scheduled at 7:30 p.m. on Friday and Saturday, May 2 and 3, and at 2 p.m. on Sunday, May 4. The Westminster Arts Center is located at the corner of Franklin and Fremont streets, Bloomfield. Tickets are \$20 for general admission and \$13 for senior citizens.

For ticket reservations and information, call the Westminster Arts Center at 973-748-9008, ext. 279.

ventions are a must. Large parties are welcome. There is also a party room in the back.

Honoring local heroes

Pianos is planning to honor local Essex County heroes every week. Every Tuesday night, Pianos welcomes police, firefighters and city officials from surrounding towns to enjoy half-price beverage tabs all night. Pianos owner Rick Hathaway, a former policeman himself, wants to remember those who protect and serve. Hathaway also invites mayors and city officials from local municipalities. Local heroes are asked to present formal identification to the bartenders. All are welcome. There is no cover charge to enter.

Open Mic Night

Pianos is seeking a variety of talent for Open Mic Night, held every Wednesday night. Sign-up begins at 8 p.m. A live piano accompanist is available for singers, while karaoke is available for singers who prefer to sing with track music. Victoria Steele of Glen Ridge serves as emcee, and Bruce Phillips accompanies singers on piano. Gary Brown spins the karaoke tunes.

All types of talent are welcome, including comics, poets, singers, guitarists, magicians, belly dancers and more. The most versatile Open Mic Night performers are expected to participate in an upcoming variety show at the Broad Street Playhouse. The best singers will also be considered for Cabaret Night, held Friday evenings at Pianos. Cash prizes for best performances. Dinner and drinks are served. No cover.

Charity events sought

Pianos general manager Christopher Budinich is reaching out to the community in hopes of hosting more charitable and fundraising events at the venue.

HOPING FOR A HOME

Hello, I'm Patches, a pretty Calico. I'm sorry I look so sad, but you see, I've been at the shelter in a cage for all of my life (4 years) and I'm starting to give up hope of ever finding a home. I am very sad. Oh, they treat me real nice here, but I want a home of my own. I want to be able to stretch my legs and chase a toy mouse. I'm spayed and ready to move into your home. I promise to be your loyal companion if you'll just give me a chance. Please stop by and meet me.

LIFE IN SILVER LAKE
CHARLES BURKE

Hey guys, check out the Star Ledger on Thursday. Silver Lake will be spotlighted in the "Neighborhood News" in the back section. They are discontinuing this section, but left us to last since we are in being 15 years.

Silver Lake is in mourning! We have lost the pillar of our commu-

nity, Anthony Cuomo, manager of The Belmont Tavern & Restaurant in the Lake. Doesn't ring a bell? Well, let's try "Cowboy"! I bet you all know who I'm talking about now. Cowboy was a life-long resident of Belleville before moving to Toms River in 2002. He was the husband of the late Josephine (Ippolito) Cuomo, loving brother of John and his wife, Renee, Danny and Angelina Zaccane, and cherished uncle of Jimmy, John, JoAnn and Rosemary. What can we say about this great man? Well for starters everyone near and far knew of

him. He was a kind and considerate person always willing to help whomever needed him. He was the mainstay of our neighborhood. He loved my wife and my wife loved him back. When he was still in Belleville he would often visit her and ask if she needed anything.

The Belmont Tavern is famous for its Chicken Savoy by Stretch. The restaurant is one of a kind like Cowboy. Once you sat down you made friends with the people on your right or left because the tables are close together. It's like dining with your

family. One thing that makes this place unique is that when your food is ready, the waitress hears this loud cowbell telling her to come and get it. Many celebrities have passed through and dined at The Belmont, such as Frankie Valle, Joe Pesci and many football and baseball stars with pictures along the walls to prove it. The only thing that people have been asking for years is how Anthony

Cuomo came to be known as Cowboy. I guess we will never know.

Anthony Cuomo is now in Heaven and he has passed the reins over to his loving nephew Jimmy Cuomo, who we know will fill in for him. His family will miss him and Silver Lake will too. So, to you, our Silver Lake Cowboy, we bid you adieu until we all meet again.

BHS TRACK AND FIELD

Running road warriors faring well

BY MIKE LAMBERTI
for Belleville Times

The Belleville High track team began its 22nd straight season as a road-only entry this spring, and there's no end in sight.

Because of substandard facilities, the Bucs last hosted a varsity track meet in the spring of 1986. That's right, 1986, the same year the Mets last won a World Series, the Chicago Bears were doing the Super Bowl shuffle, the Boston Celtics were NBA champs and Ronald Reagan was President.

Over the past eight years, the team hasn't been able to even practice at home, because the track was taken away during repair work on the stadium.

It's gotten so bad that a second generation of runners will soon, if not already, be enduring this fiasco. And despite the fact that the team practices mostly in the school parking lot or the hallways there have been some outstanding results.

On April 26, the boys and girls competed at the Millburn Relays on the campus of Millburn High. The highlight of the meet for Belleville was the girls 4 x 400 team of Victoria Barrett, Sherry Tirgrath, Adriana Tandazo and Vanessa Ackon, who won the event in a time of 4:26.2.

The 4 x 1600 girls team of Tandazo (6:12), Tirgrath (6:16), Rhea

Nigli (6:24) and Samantha Soto (6:08) set a new school record of 25 minutes, breaking the old mark of 26:55 which was set last year. The 4 x 100 team of Barrett, Ackon, Rebecca Cozzarelli and Sherece Shabazz finished sixth with a time of 54.3 seconds.

The girls sprint medley team of Soto, Tirgrath, Ackon and Opeymi Alade finished third with a time of 4:58.1

The varsity girls 4 x 200 team of Shabazz, Barrett, Tandazo and Cozzarelli also finished third with a time of 1:51.8.

The 4 x 200 relay team of Soto, Tirgrath, Alade and Ackon won a fourth place medal with a time of 2:01.4.

In the field events, the girls shot put team of Allison Hogan (33') and Taylor Cameron Clarke (19'2") combined for a throw in excess of 50 feet while the discus team of Hogan and Cameron Clarke combined for a distance of nearly 136 feet.

For the boys, the 4 x 800 relay team of Terrance Boyce, Dennis Rubio, Fernando Soto and John Boyle finished fifth in 9:19.6. The 4 x 400 team of Boyce, Cedric Hall, Manny Antonio, and ZeeShawn Khan finished fourth in 3:46.8.

On April 19, the team participated in the Hudson County Relay Carnival at Secaucus High. At that meet, the girls broke four school records, including a few that stood

back in what now seems the prehistoric days of when Belleville actually hosted meets.

Barrett, Ackon, Shabazz and Cozzarelli ran 53.5 in the 400 meter relay, taking third place and setting a new school mark. The old record was 55.2, set 28 years ago by Franchette Polite, Barbara Gundry, Doreen Pennetti and Cecelia Graham.

That same foursome came back to run 1:50.8 in the 800 meter relay, which was good for third place and, again, established a new school record. The old mark was 1:57.1 was also set by Polite, Gundry, Pennetti and Graham in 1980.

Barrett, Ackon, Shabazz and Tandazo ran 4:42.2 in the sprint medley, a new school record and good for fourth place in the meet. The old record of 4:43.8 was set 10 years ago. Alade and Joelle Viscardo took fifth place in the long jump relay in 55'11", setting a new school record.

Other medal winners for Belleville included the distance medley team of Chelsea Rodriguez, Nigli, Yanel Delgado and Tirgrath, which was fourth in 15:54.2, the 4 x 400 team of Rodriguez, Nigli, Alade and Tirgrath (5:18.9) which was fifth and the boys discus relay team of Brian Antonio and Neemit Desai (198' 7 1/2") which was also fifth.

Catholic comes to town for a 4:15 p.m. game.

Sorce noted his team faces a big week if it hopes to qualify for the NJSIAA tournament.

"We lost two tough games last week to Hackensack and Lyndhurst," Sorce said.

"We're 6-8 now and if we want to qualify for the states, we need a big week."

Against Hackensack, Belleville freshman Gabe Rivera pitched a tremendous game, striking out five, walking two and allowing just four hits in a complete game effort.

"He pitched great," Sorce said of Rivera. "Hackensack's pitcher was also tremendous. It was a very good game."

The following day, Belleville had its hitting shoes on in a big way, downing West Essex, 11-3. Angel Gaud had four hits while Robbie

Vocaturro had three. Jon Suchdolski pitched a complete game for the Bucs, striking out seven and walking four.

"Jon gave us an excellent game and we got a good win against a solid team," Sorce said.

Last Saturday, Belleville was eliminated from the GNT by Bloomfield, 15-1. The following day, Belleville jumped out to a 6-0 lead against Lyndhurst at Yogi Berra Stadium on the campus of Montclair State, but poor fielding cost the Bucs as Lyndhurst rallied to win, 9-8.

"We made 10 errors in the game," Sorce said. "That was disappointing, because we'd been playing good defense up to that game."

Suchdolski had two hits, including a homer and double, and drove in four runs for Belleville.

BHS SOFTBALL

Winning streak hits 10 games

BY MIKE LAMBERTI
for Belleville Times

Things have been going so well of late that even when they don't put in a strong performance, the girls of Belleville's softball team have found a way to win. Last week, the Bucs won three games, rallying from 7-2 down to defeat Vernon, 8-7, then rolling past Hackensack, 12-0, and Newark East Side in the first round of the Essex County Tournament, 16-0, last Saturday.

Belleville took a 13-1 mark into a game with Teaneck last Monday. A big game awaited the Bucs yesterday in Clifton and on Saturday, it's off to Pulaski Park to face Bloomfield in an ECT quarterfinal game at 3 p.m. On May 6, it's off to Paramus Catholic in a 4 p.m. start.

Belleville coach Chris Cantarella was pleased with last week's effort, but did note that the Vernon game was not one of his team's better efforts.

"We didn't come to play early on in that game, and that hadn't happened this year," Cantarella said. "But to our credit, we found a way to win."

A day after a big win over Paramus, Belleville took a long bus ride to the beautiful Vernon High campus for a rare 1 p.m. game. Early on, Vernon was the better team, taking a 7-2 lead through four innings. In the fifth, the Bucs scored twice, with Kelly Blair's

two-run triple the key hit. Blair was the catalyst in the seventh inning as well, lining a two-run double that tied the game.

After Victoria Andreola, a freshman, drew a key walk that loaded the bases, Briana Rary hit a high hopper over the pitcher's head that allowed Gabby Chimento to score the go-ahead run.

Chimento, the winning pitcher in relief, had six strikeouts and allowed just two hits in 3 1/3 innings of work. Chimento also had a big day at the plate, with three hits and three runs scored. Blair finished 3 for 4 with five RBI.

Against Hackensack, Chimento tossed a five-inning shutout, yielding just two hits while fanning six. Nicole Velardi, who has been outstanding in the leadoff role, was 2 for 2 with three runs scored and an RBI.

"Nicole has been doing a great job in getting on base and setting the table our three, four and five hitters," Cantarella said of the sophomore second baseman.

Mariah Lucena, a junior shortstop, was 3 for 4 with three RBI. Alexa Veniero continued her impressive hitting by driving in two more runs while Chimento and Crystal Cruz had two hits each.

"We played a very solid game after a so-so effort the day before,"

BHS BASEBALL

Suchdolski pitches complete game in win over West Essex

BY MIKE LAMBERTI
for Belleville Times

The Belleville baseball team dropped three games - to Hackensack, 1-0, Bloomfield, 15-1 in a first round Greater Newark Tournament contest and Lyndhurst, 9-8 - while defeating West Essex of North Caldwell, 11-3, last week.

Joe Sorce's team took a 6-8 mark into a game with Teaneck last Monday.

Yesterday, the Bucs hosted Clifton and today, it's off to West Orange for a 7 p.m. game. The Bucs were slated to play Kearny in a makeup game this Saturday, but the game might have to be moved to Kearny since Belleville's field is hosting two games in the GNT quarterfinals that day. Next Monday, the Bucs host Nutley in a 7 p.m. start and on May 6, Paramus

BHS CREW

Busy weekend in Camden

BY MIKE LAMBERTI
for Belleville Times

The Belleville crew team had a busy weekend on the Cooper River in Camden, competing in the New Jersey State Regatta last Saturday and the Cooper Cup on Sunday.

Gail Lahm's team will take part in the City Championships this Sunday in Philadelphia.

"It was a long weekend, but we had some good results," Lahm said. "We qualified two boats for the nationals and we're very proud of that."

The JV girls four and the JV boys four shells each qualified for the nationals after placing in the top five at the state regatta. The nationals will be held in Oak Ridge, Tennessee on Memorial Day weekend.

The girls shell consisted of Lisa Lorenz, Caitlyn Vreeland, Nadine Marte, Jann Abrenica and coxswain Olga Boldero. The boys team was led by Canberk Nacir,

John Bui, Mark Lorenz, Will Rosales and coxswain Reyna Salvatore.

Also doing well at the states were the varsity four girls, which was third in the petite finals and the lightweight four boys, which just missed out on a berth in the finals.

The Bucs were back on the water the following morning and the novice four boys team finished first in its race. Abdullah Alhorani, Erik Cueva, Mike Bell, Danny Campos and coxswain Jeffrey Chacon made up the winning boat.

"They did a tremendous job," Lahm said. "The competition was strong and our kids responded well."

The varsity boys 4A team finished third while the 4B team was fifth. The lightweight boys four and the boys JV four both finished fourth. For the girls, the varsity eight shell took third and gained a bronze medal. The JV eight and novice four shells both took third.

Baseball field to be named in honor of Zanfini on May 16

The only coach to lead the Belleville baseball team to the Greater Newark Tournament championship will receive a high honor on May 16 when the varsity baseball field is renamed in his honor.

George Zanfini, a very popular teacher and coach at Belleville for nearly 40 years, will have his name permanently affixed to the field where he led the program for a decade of excellence. From 1975 through 1982 and again in 1987, Zanfini guided Belleville to a GNT title in 1981, an NNJIL crown in '87, a pair of Big 10 titles in '76 and '78 and nine straight winning seasons.

Before becoming head coach in 1975, Zanfini had a long run of success as the freshman coach at Belleville High.

Councilman Mike Nicosia, who played varsity baseball for Zanfini from 1978 through 1980, had announced the field would be named in Zanfini's honor at a party last spring celebrating Zanfini's retirement as a teacher at Belleville High.

It was indeed an emotional moment for the coach and now, the official naming of the field on May 16 should provide that same nostalgia.

"I'd like to thank the Mayor and my fellow council members for helping to make this night possible," Nicosia said last week. "Councilman Steve Rovell and myself felt it would be a good thing and the full council concurred. It should be a great night."

The ceremony will begin at 6 p.m. in the high school cafeteria with a reception. At about 6:30, everyone will proceed to the varsity field, where the sign bearing Zanfini's name will be displayed. The event precedes a 7 p.m. varsity game between Belleville and Watchung Hills.

"I spoke to George last Friday to tell him and he seemed very happy," Nicosia said. "We're hoping that a lot of former players will be able to attend the event. Coach Zanfini was a big part of our high school days. I know how much he meant to me and how he continues to be a big part of my life today."

There will be plenty more on Zanfini in this paper, starting next week, as we look back on his magnificent career in leading up to the festivities of May 16.

For listings of upcoming events, fundraisers, organization meetings, trips, support groups, check the Events in the Area section of this newspaper.

SOFTBALL

FROM PAGE 14

Cantarella said of the Hackensack game. "Defensively, our infield was solid and outfield play was very good. We played a stretch of 8 games in 10 days and really only had the one bad effort so I am very pleased with how the team has performed and how they have put pressure on the other team right from the start."

Having drawn the second seed in the Essex County Tournament, Belleville played 15th seeded Newark East Side in the first round last Saturday. Chimento tossed a one-hit shutout with nine strikeouts for her ninth win of the season. Chimento also hit a two-run double in an eight-run second inning.

NOTES: Mount St. Dominic was the top seed for the ECT while Cedar Grove was seeded third and Nutley, fourth. The other quarterfinal games this Saturday, all of which will be played at Pulaski Park, feature Nutley vs. Montclair Kimberley at 5 p.m. and a 7 p.m. game between Cedar Grove and Livingston. On Sunday, Mount St. Dominic takes on Montclair in a 7 p.m. game.

Bloomfield, Nutley and Belleville, equal representation. "I think some of the towns have been slighted. Bloomfield in particular I feel has been neglected and I want to bring an equal voice to all the towns," said Russo. "I have ties with each town in this district and I will fight for them all. I believe that Ralph leans heavily on Belleville."

In addition to his Montclair ties, Russo also spent a lot of time in Bloomfield while growing up and started an education initiative in Belleville along Washington Avenue to help kids reach college. "I have history with every town and I want to bring a voice to all of them, I don't think anyone can match my experience with each of these towns," said Russo. "My mother lived in Nutley for years, I was mayor of Montclair, I worked in Belleville and spent weekends as a kid in Bloomfield. I know all these towns and I want to help the residents of these great places."

One of Russo's main issues of concern is cutting costs and taxes, something he believes he can do effectively based on his past accomplishment when he negotiated the Glen Ridge firefighter contract with Montclair, where Montclair now provides fire protection for both towns. Russo wants to

bring a similar mentality of shared services to neighboring municipalities. "These towns could save a lot of money and lessen the tax burden by consolidating and merging some of their services and purchasing," said Russo. "We could also lessen the tax burden by talking to our county representatives. That is where taxes need to be cut. We can't cut our school funding and we are at the bare minimum on the municipal level. I support Essex County Executive Joseph DiVincenzo's efforts to have the state take on the cost of the Essex County Prosecutor's Office. That is a burden that should not fall on the local residents."

Russo has also stated that he will forfeit half of the earned salary he would make if elected to Freeholder. "I pledge to donate half of my salary to charity, approximately \$15,000. I am doing this because I want people to know this is not about the money for me. I am looking to serve the people, not to be recognized," said Russo. "I ran for this position back in 1978 and lost by less than 50 votes on a recount. In that year I was going to be paid \$15,000 for my services so in recognition of that I will only take on that much money this time around if elected. I am not looking to be in office forever. I want to run for one term and then see where it takes me."

Tour cycles back to Belleville

BY DAVID HINRICHS
of Belleville Times

It has been over 30 years since Belleville hosted the Tour de Belleville Championship but last Sunday, that hiatus came to an end.

Sponsored by the Belleville Recreation Department and Premiere Cycling Promotions, the bicycle race made its return to Belleville and Newark despite rainy conditions and was as strong as it has ever been. "We had over a hundred cyclists show up and there were riders from all over the place including Virginia, Pennsylvania and Connecticut. It is awesome to see how much traveling some of these riders are willing to do to partake in a race that has so much history like this one," said Raymond Smith, president of Premiere Cycling. "The cooperation we got from the town and the local police departments was also exceptional. Town Manager Victor Canning was great as was everyone involved really. It is a big project to block off that much road in an area as congested as

Essex County but we did it without a problem."

The race began and ended at the corner of Union Avenue and Mill Street and wound through Belleville and into parts of Newark where racers of all different skill levels competed. "This was fun because they set up so that people of all different abilities and competitiveness could compete. I know I am not going to win any awards for my bicycle racing but I enjoy a good race so I was able to partake in a recreational race," said Brad Mellon, a local New Jersey resident who took part in one of the races Sunday. "I think the weather might have scared off some of the people from coming because I know this race was getting a good amount of hype."

There were two amateur races that took place before the professional race for riders 35 and older and 45 and older. The main event winner received a check for \$500 and a total of over \$3,000 in prize money was given out. "The race was competitive and it was great to see the racers compete like

that," said Smith. "We had a fair planned too which would have made this even more family inclusive but because of the weather we had to cancel. Still, we did have people at Nanina's sitting on the balcony, drinking and socializing while watching the race. It was a great atmosphere even with the rain and clouds."

Smith added that he is already planning to bring the race back again next year and has also scheduled a race for September in Nutley, where there has not been a race in seven years. "People change, the organizers leave the area and the interest disappears but I think it is back now. This is a really nice area and I want to bring the excitement of bike racing back to it," said Smith. "This is definitely not the last time you will see us around here."

This year's race was won by Lisban Quintero of New York, who edged out Rafael Meran of Fort Lee. For a complete listing of the race winners, go online to www.racelistings.com and click on Tour de Belleville.

Owners say salacious billboard is coming down

BY TERRENCE T. MCDONALD
of Belleville Times

A racy Bloomfield billboard that has angered residents may soon be removed.

The billboard – advertising Wet, a strip club on Belleville Avenue – appeared last week, and caused a furor almost instantly.

Bloomfield Mayor Ray McCarthy said his office has been inundated with phone calls and e-mails from residents expressing outrage over the billboard, which sits near Brookside Park.

The billboard originally featured a picture of a scantily-clad female, though days after it went up, an unknown person defaced it, ripping off a portion featuring the model.

Steven Janosko, whose mother owns the billboard, said Wet has leased the billboard for one year, at a cost of \$1,000 per month. Janosko, an assistant prosecutor for Ocean County, said he didn't

believe the picture on the billboard was much more salacious than a Victoria's Secret advertisement. He added that he understands why some would prefer a different advertisement altogether.

Jonasko, who said he thinks residents are more upset about the name of the strip club than about the picture, said he is amenable to changing the billboard if another renter foots the bill.

"If I can interest someone else in leasing it, that would be fine and dandy," he said.

Thomas Verlingo, owner of Wet, said the billboard, which was erected twice and defaced twice, will not be placed a third time.

"We filed a couple of police reports, but we're taking it down," Verlingo said. "We don't want any trouble, and clearly the people don't want it there."

Richard Dickon contributed to this report.

New technology promises more efficiency in tax office

BY DAVID HINRICHS
of Belleville Times

Belleville Township Manager Victor Canning announced that the town has acquired new technology to be placed in the tax assessor's office that will put Belleville ahead of the curve.

The announcement came at Tuesday's township council meeting, much to the delight of Belleville residents. "The computer equipment that you guys gave me the go ahead to purchase has been bought and will be at our tax assessor's disposal soon. This technology we are bringing in will be some of the most advanced stuff in Essex

County," said Canning. "We did very well with our tax appeals this year and with the addition of this new technology we can bring faster and even more efficient results to our residents."

This year, Belleville had a total of 90 tax appeals filed out of a possible 9,747 and the town assessor handled 18 while private attorneys addressed 40 with the remainder being handled by the property owners. "We had a real good ratio with our appeals this year, one of the lowest in the county. This is the kind of thing we are looking to improve upon and I believe that bringing this equipment into the mix will make us the best in the

county, or at least one of the best," said Canning.

Belleville hired Kevin Esposito as the new tax assessor back in January of this year and his first priority was to upgrade town technology. "This is the kind of job where the technology you have at your disposal is absolutely critical. This new equipment we are getting will not only make my job easier, but it will also make the tax revaluation process much less worrisome for our residents," said Esposito in a prior interview with the Belleville Times.

Some residents were troubled by how the last tax revaluation was handled and were pleased to hear

"This is great news.

I can't remember the last time Belleville was state of the art in anything. This is very exciting."

Bob Rugnatio
Belleville resident

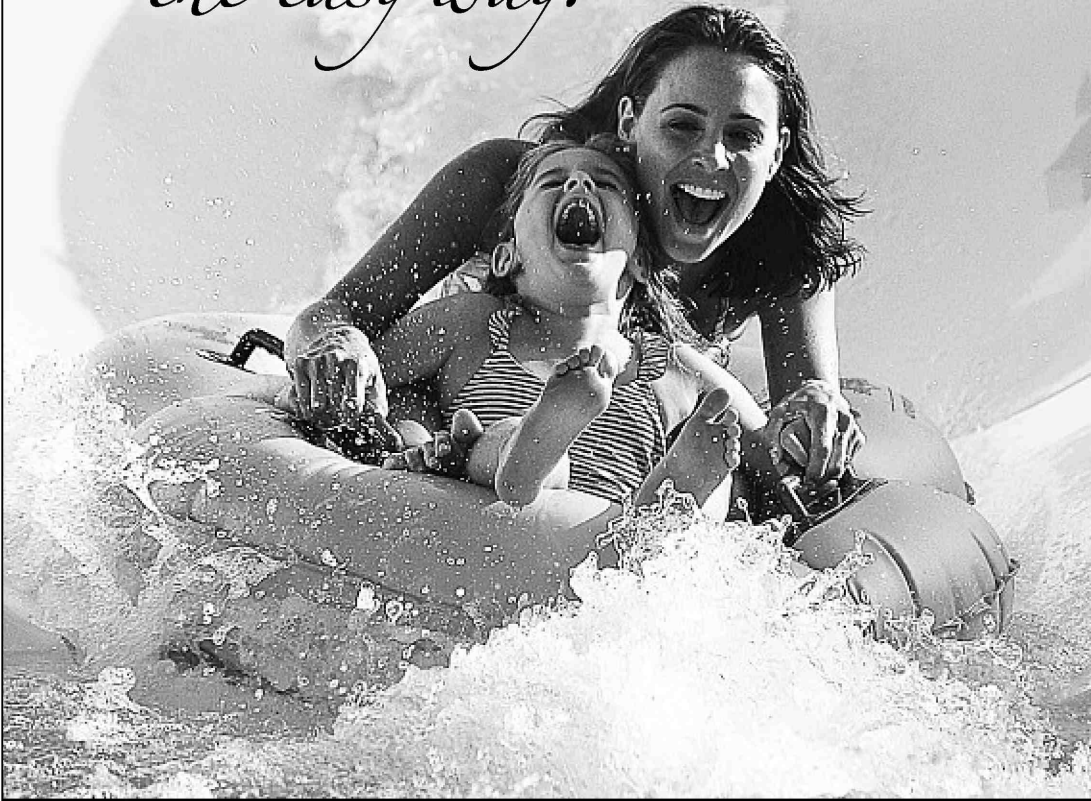

of the new technology. "This is great news. I remember hearing a while back that this was coming but you never know with this town. Now that we have this new technology it looks like Belleville might actually be ahead of the times for once instead of years

behind," said Bob Rugnatio, a Belleville resident who was at the last council meeting. "I can't remember the last time Belleville was state of the art in anything. This is very exciting."

Canning also stated to the audience that plans have been put in motion for the upcoming summer concert series. "We have booked the same bands that we had last year to return again. I felt they did a fabulous job and they showed interest in coming back. It was a real no-brainer," said Canning. "The concerts will be held on July 17th, July 31st and August 14th this year and we are very excited to bring this tradition back to the town."

The next scheduled Township Council meeting is set for May 27th.

party is built on nothing, and is involved in electing no one, and it needs energy and revised leadership," Yanuzzi said.

Marone, who just finished a stint as an elected school board member, said there are slots not filled for the primary, but bristled at the claims made by Yanuzzi that she has failed to hold meetings.

"We have had meetings three times a year," Marone said. "We've had all the potential candidates meet the district leaders so that the leaders could decide who to support."

Marone countered that Yanuzzi's Belleville Republican Party, Inc., located at 165 Franklin Ave., will not win control of the local GOP.

Yanuzzi claimed he forced another four candidates to withdraw.

Bloschak said his side will work to convince Yanuzzi candidates not to align themselves with the former chair.

The candidates restored are Daniel and Eleanor Strollo; Andrew Bloschak; Alois and Joan Schmitt and Stephanie Toczylowski. George McManus and Mary Susan Ringail-Bloschak were not restored, and will now be run as absentee ballot write-in candidates, Bloschak said.

The United States Senators representing Belleville in Washington are Robert Menendez, 201-558-0800, and Frank Lautenberg, 973-639-8700. Congressman Bill Pascrell may be reached at 973-523-5152. State Senator Ronald Rice is at 973-371-5665. State Assemblyman Craig Stanley is at 973-399-1000. The other Assembly seat is currently vacant.

Dr. Donna A. Pontoriero

Pontoriero Chiropractic Center

299 Franklin Ave., Nutley • 973-235-9393

Most people see a chiropractor when other medical treatment has failed, such as for back pain. A typical patient might have seen other doctors or therapists and may have been treated with medication or perhaps had surgery recommended to them. Once the medication has worn off, or the surgery has been performed with less than satisfactory results, the problem returns. The problem is often one requiring not just a quick fix, but a long term approach. Chiropractors treat the patient, not just the problem.

The nervous system controls all our movements, and our overall health. When the spinal vertebrae become misaligned through trauma or repetitive injury, two health issues manifest themselves: pain, and illnesses such as headaches, arm and

shoulder pain, sciatica, numbness and tingling in arms and legs. Quite often, most of these have no known cures only temporary remedies. Chiropractic theory says the interruption of nerve flow can eventually lead to pain, disability, and an overall decrease in the quality of life. Conversely, the removal of that interference has been shown to have significant, lasting health benefits. Chiropractic is a drug-free, non-surgical science.

Dr. Pontoriero takes a detailed health history, including X-rays, if needed, and takes the time to meet with you to find out what you really expect of your treatment. She'll discuss not only her treatment, but also ways you can take charge and empower your own health. For instance, children can be shown how to properly carry their

backpacks and school bags. A busy Mom can learn another way of holding her baby, while a sports fanatic can benefit from adjustments to a weary body not used to the rigors of athletics. Dr. Pontoriero views each patient as an individual, not just a symptom, and you'll find that her relaxed office atmosphere will contribute to your overall well-being.

Dr. Pontoriero has received many prestigious awards, including The Nutley Jaycees Distinguished Service award for Outstanding Young Adult, as well as various civic awards. Among others, she was selected by the Consumer's Research Council of America as one of America's Top Chiropractors and has been accepted as a life member of the National Registry of Who's Who. Currently she serves as

the president of the Nutley Chamber of Commerce and serves as committee member on several Nutley community service committees.

If you want to improve your health and really enjoy your quality of life, schedule an appointment with Dr. Pontoriero. You have nothing to lose except aches, pains and illnesses that detract from enjoying your life. You'll have everything to gain, including improved health and well-being.

Dr. Pontoriero is available to speak on various health topics for your church, organizations, employees or clubs.

IS IT ALL IN THE TIMING?

Recent research suggests that some high-risk individuals may benefit from taking their blood pressure medication at bedtime instead of in the morning. This simple timing switch may normalize blood pressure patterns among patients who are at extra risk from heart and kidney diseases. This finding is based on the fact that, in normal people, blood pressure dips by 10%-20% at night, probably to provide the arteries with some rest. For people with hypertension, those whose high blood pressure does not dip at night fare worse than other people with hypertension. Moreover, because heart and kidney disease fuel one another, those with chronic kidney disease are most prone to "non-dipping." Taking medications at night transformed nearly 90% of non-dippers into dippers.

It is important to consider when you take your medication. At ROSSMORE PHARMACY, our pharmacists can assist you with your medication, including when the best time to take your medication would be. We also carefully monitor the medications you are taking to prevent possible harmful interactions. Come see us at 338 Washington Avenue today if you have queries regarding blood pressure medication and when best to take it. Our phone number is 973-759-1968 or 973-759-1956.

HINT: Some cholesterol-lowering "statin" drugs work best if taken at bedtime because they target an enzyme that is most active at night.

BELLEVILLE CLERGY ALLIANCE

Appreciating the most precious gift: Life

The fear of death is a universal phenomenon. No matter where you go in the world, you will always find large numbers of people who are afraid of dying. The reason for fearing death is obvious: Death is the greatest mystery of all. But the sign of emotional and spiritual maturity is the willingness to confront our own mortality. It is death that makes us realize how precious life is.

There once was a young man named Fyodor Dostoyevsky, a Russian author, who was dragged before a firing squad for being a political subversive. He was blindfolded, ordered to make his confession, say one last prayer and then wait for the bullets. He literally had only minutes to live. Fyodor heard the officer telling the

soldiers to ready their guns. Then he heard the order to fire. He heard the shots ring out in the air. But he felt nothing. Miraculously, he was still alive. The guns had been loaded with blanks. The czar had brought the young revolutionary to the brink of death only to let him know, through this emotionally devastating experience, that his life had been spared in those last few moments before the gunfire rang out. In the moments that he thought were his last his senses were intensely receptive to the thousands of sounds and smells all around him. For the first time he was really alive to God's world.

Upon reflection, Fyodor Dostoyevsky considered this experience one of the most blessed

things that ever happened to him. He had gone through the whole process of dying without having died, and this allowed him to appreciate life even more. He understood then that all of life comes from God. Life is a gift from God. The sad thing is that we appreciate life most when we are faced with the reality of death.

As Christians we do not live our lives to the fullest. We simply go through the emotions of living in our hectic day to day world. All of us fall so easily into the trap of merely existing. How about we wake up and see the gift that we have all been so graciously given: the gift of life.

The names shown are as they appear in the Tax Duplicate and do not necessarily mean that the parties are the present owners of the property. Following the tax sale, the property continues to be assessed in the name of the owner. The reason for this is that a tax sale certificate does not give the purchaser thereof title to the land and does not divest the tax delinquent owner of this title. The tax certificate merely gives the purchaser of the certificate an interest in the property and the right to foreclose pursuant to established statutes. Said lands to be sold in fee to such persons that will purchase the same subject to redemption of the same at the lowest rate of interest but in no case in excess of eighteen per cent per annum. This payment for sale shall be made before the conclusion of the sale, or the property will be resold. PAYMENT MUST BE MADE IN FULL BY CERTIFIED CHECK, MONEY ORDER OR CASH. (Chapter 237, P.L. 1918). No letters of credit or wire transfers will be accepted. Any parcel of real property for which there shall be no purchaser will be struck off and sold to the municipality in fee for redemption of not more than eighteen per cent per annum.

The Tax Sale is made under the provisions of an Act of Legislature entitled "AN ACT" concerning unpaid taxes, special assessments, water, sewer, or municipal charges on real property and providing the collection thereof by the creation and enforcement of liens, thereon and any Supplemental or Amendments thereon. Industrial Properties may be subject to the Spill Compensation and Control Act (NJSA 58:10-23.11 et seq.), the Water Pollution Control Act (NJSA 13:1K-6 et seq.). In addition, the municipality is precluded from issuing a tax sale certificate to any prospective purchaser who is or may be in any way connected to the prior owner or operator of the site. Parcels are to be sold subject to rollback taxes under the Farmland Assessment Act of 1964, improvement assessment installments not yet due and any omitted or added assessments for improvement as provided in NJSA 54:1-63.2 and 54:4-63.3.1. At any time during regular office hours, BEFORE MAY 29, 2008, the undersigned will accept payment of the amount due on any property with interest and fees incurred up to the date of payment plus all interest due on any subsequent delinquencies which are not included on this list. PAYMENT MUST BE MADE IN FULL BY CERTIFIED CHECK, MONEY ORDER, OR CASH.
