NUTLEY SEWERS NOT DAMAGED BY BELLEVILLE MANUFACTURERS

Property Owners In Quinton Street Protest Levies For Old Work Which Was Done Before They Purchased.

Any doubt which existed that plants in the northern part of Belleville were expelling chemicals and other injurious substance into sanitary sewers, which connect with Nutley sewers, was dispelled last night when Nutley informed the Belleville Town Commission it had inspected the Nutley sewers and found them free of damage.

"This is an important letter," said Commissioner Frank J. Carragher. "It should be filed with due care by the town clerk. Ten years from now if the Nutley sewers are damaged it can not be held as a claim against Belleville."

Rumor has persisted for some time in certain parts of Nutley and Belleville that factories in Belleville near the Nutley line had been dumping acids into the Belleville sewer which enters the Nutley pipe line at King street. The Westinghouse Lamp Company asked E. R. May, Nutley town engineer, to investigate. His report was favorable and he so notified the town and company.

Why sidewalks and grading assessments in Quinton street have not been confirmed after a lapse of two years, remained unanswered at the meeting and led to some warm words regarding assessments in general.

When several property owners in the street complained against paying the assessments, saying the work was completed at least five months before they bought their properties, board members could tell them only that the assessments had not been confirmed and would not become liens probably until next week.

It appeared the assessments reposed in the files of John Daly, the town clerk, after being passed upon by the Board of Assessment Commissioners, but were never brought out for confirmation by the Town Commission. It was the duty of the finance department to check unconfirmed assessments Mr. Daly said, and draw them from the files.

The charge that William Wells, who sold the properties, had obtained postponements of confirmation, in one instance through filing of a map in order to dispose of the properties before the assessments should appear in tax searches, was made by Commissioner Patrick A. Waters.

Commissioner Frank J. Carragher defended Wells, saying: "There's no use hollering about him. It's the same thing that's being done all over town. We should be responsible. There ought to be, as I recommended five years ago, records to show that such and such an improvement is under way. Tax searches should be noted to the effect that assessments would be due at a latter date."

"The town can't assume such responsibility," Commissioner James Gibson, director of revenue and finance, objected. "That would be letting ourselves open for too much. We'd establish a precedent and put a burden on the town for everything that goes through."

"Not Honest and Fair"

Corporation Counsel John J. Brown said the property owners' complaint was with their own lawyers, who should have arranged for the assessments with Wells. He said Belleville kept all the records required by law.

"It may be the law, but it's not honest and fair," was the opinion of Commissioner Carragher. "I don't go by the laws they're making down to Trenton, you know. I don't give two cents for that bunch. Except the bill about six months' assessments, I'd like to see go through."

House bill 166, referred to by Mr. Carragher, is opposed by the board, however, to the extent that it would affect Belleville's sanitary sewer assessments, confirmation and levying of which have hung fire ten to fifteen years, according to the completion of work in various sections of the town.

Announcement that a Chicago expert would confer with the Board about assessments following the meeting was made by Mr. Gibson. While in Chicago last week Mr. Gibson sent Mr. Clark a clipping about the reassessing of Cook County. The latter wrote for details and yesterday morning Mr. Gibson was called on the telephone from Chicago, an-

nouncing the arrival of the representative to explain the system.

"The system is all right," Mr. Carragher commented, "but what we should have at the bottom of blank forms is how much a man makes a week and the size of his family. A man is taxed off his feet today.

George J. Nelson Jr. was reappointed to the Board of Assessments for three years, effective February 1.

Epidemic Threatens The Hill Section

Although located at the highest altitude in Belleville, which should by all laws of nature be free from any visitations, the very desirable residential section is in the grip of a strange and mysterious malady.

One family after another is becoming infected with the new disease which is baffling the best efforts of all the authorities. A literal wave of hysteria are the symptoms with which all the Hilltoppers are suffering. And all because of the difficulty to make all the necessary arrangements for the dance which the Belleville-on-the-Hill Improvement Association is having on April 13 at the Elks' Club.

Tickets are at a premium and those lucky enough to hold admission cards are wondering who will care for the kiddies so they may use the tickets. Every woman who was available for "kiddy-care" was engaged by the wise ones who anticipated this situation and as a result quite a number who do not want to miss the dance are in the language of the day "out of luck."

The attractions offered are enticing all of the Hill crowd and their many friends. Lucky, Number, Balloon, and other novelty dances will hold interest for all. The prizes are offered by Otis and Otis, Belleville's purveyors of artistic furniture, and George Harrison, a member of the Association. Negotiations are underway to secure several popular night club artists to entertain. In addition to the \$5.00 in gold which is being offered as a door prize the members are having a little contest among themselves to garner the gold pieces M. R. C. Stivers the president, and Mr. J. Steinmetz the founder, are offering as prizes. "Music by Price" signifies to the lovers of dancing all that may be expected for an evening. For the benefit of their many friends the Belleville-on-the-Hill Association wish to announce that the price of the tickets are 75 cents and they would appreciate receiving reports where a higher price is being asked, since it has been rumored an out-of-town speculator secured a block of tickets numbered from 1600 to 1800. If any one asks more than the advertised price of 75 cents they are purchasing tickets from speculators which will not be honored at the door.

Commissioner James Gibson, director of revenue and finance, objected. "That would be letting ourselves open for too much. We'd establish a precedent and put a burden on the town for everything that goes through."

Burglars Pay Visit To Thirteen Homes

Belleville On The Hill Raided While Families Are Away

Fourteen Belleville homes were paid a visit by jewelry and cash thieves Sunday night. The total amount of loot has not been estimated although it is thought it will reach close to \$2,000.

Bloomfield also broke into the limelight in the same line of breaks. The burglaries, all of them apparently the work of the same gang, were committed Sunday night and Saturday night, and jewelry, clothing and cash to the value of several thousand dollars were stolen. Thirteen of the robberies were in Belleville.

All the families victimized were away from home and discovered their losses upon their return. Police headquarters in both towns were kept busy receiving and investigating the reports.

Homes Looted

The homes of the following were robbed in Belleville: Edward J. Vogel, 347 Little street; M. E. Vanderhoof, 205 Little street; Frank C. Horstman, 17 Tiona avenue; Charles Tarbox, 37 Tiona avenue; Alwyn E. Geiser, 141 Forest street; Joseph Tedesco, 106 Adelaide street; Marcus E. Wirtz, 221 Overlook avenue; George Karrer, 408 Union avenue; Joseph Hozack, 11 Preston street; W. H. Pierson, 170 Division avenue; William Dunleavy, 9 Preston street, and William Brown, 75 Belmoor street, Mr. Lackey, 341 Little street.

All of the houses were entered through windows that were either found unlocked or, if locked, jimmied open. The robberies all occurred between 8 o'clock and mid-night. Families coming home found their homes ransacked throughout, clothing and furniture strewn about the rooms. Police had not learned the total losses of the families this morning.

Mr. Vogel reported the robbery of his home today. He said he and his family had been away from home since Friday and returned last night to find their home in confusion. A valuable diamond ring was that family's chief loss.

Home Yields \$450 Loot

Jewelry and cash to the value of \$450 was taken from the Tarbox home. The jewelry consisted of a diamond ring valued at \$250; a gold signet ring, \$10; a gold sapphire ring, \$20; three gold watches, \$75; a lady's wrist watch, \$10; a gold bracelet, \$25; and a set of gold cuff links, \$20. The cash taken amounted to \$40.

At the Pierson home the burglars got jewelry valued at \$116 consisting of a diamond ring, an aquamarine ring, a wedding ring, a rhinestone bracelet, a lodge emblem button and a pair of cuff links, but overlooked \$85 in cash in a bureau drawer, although the drawer gave evidence of having been molested.

A man's dark gray suit and a pair of cuff links were taken from the Hozack home, both articles being valued at \$75. At the Brown home a lavallier and two rings were taken, but the family declined to place a value on them.

Police believe the burglars made sure that the families they victimized were away from home before robbing them by either telephoning and receiving no reply or "spotting" the families as they left home.

The police have not been provided with itemized lists of the articles taken from the other home homes entered. It is expected that the total of the loot taken in his town will reach \$2,000.

ST. PETER'S PLANS BREAKFAST BY HOLY NAME SOCIETY ON SUNDAY, APRIL FOURTEENTH

Homey Spirit So Necessary For The Affair Is Guaranteed By The Members Of The Ladies' Social Society

The Annual Holy Name breakfast or St. Peter's Holy Name Society will be held in the school auditorium, Sunday, April 14. Members of the Holy Name Society will receive Holy Communion at the 7.30 o'clock Mass the morning of the breakfast. The homey spirit so necessary for the affair is guaranteed by the graciousness of the Social Society ladies, who, as usual, will attend the preparation and service of the breakfast.

The society guarantees the usual calibre of speakers this year. The speakers invited to these affairs are men of learning and culture and the subjects, permissible to open pres-

entation, are calculated to make for a better understanding among the people of the community and make the word of The Saviour an inspiration and a guarantee of better manhood, irrespective of creed.

Capacity audience is the order of the affair. Last year 525 attended. The initial breakfast four years ago was attended by 333 men. The purpose of the event and the character of the speakers plus the subjects presented appealed so well in past years that subsequent announcements were sufficient to guarantee increasing numbers anxious to show appreciation of the broad-mindedness of all interested.

Roll Roxy Plaque At Plant Located In Belleville

Belleville Copper Rolling Mills Gets Select Silver Job

The Belleville Copper Rolling Mills the old Hendricks Mills, in Mill street rolled out last week the silver plaque which will adorn Roxy's Theatre in York City.

The plaque when complete will have inscribed on it the names of the original 1,000 stockholders in the enterprise and features a part in the theatre's second anniversary. The Belleville concern is the only one in the east that has rollers to turn out cold rolled silver sheets such as used in the plaque.

The Company also specializes in hot rolled work, which constitutes copper rolling processes. The job was rolled by John Cunniffe of Jerome avenue. He is an uncle of Michael Devanny, Belleville's champion distance runner contribution to Olympic events.

George Turner of the company explained that the sheet weighed about thirty-five avoirdupois pounds. As was the case when the company several years ago rolled silver for a Philadelphia concern, shoes of workman and each nook and corner was carefully swept for stray particles of the dust and scraps.

American Legion Plans Ball League

Belleville Post No. 105 American Legion, Monday evening, formulated plans for a baseball league of the younger boys of Belleville and also a league for senior teams. Joseph Williams was appointed physical director of the legion to work out feasible plans for the league.

A team of players under sixteen is to be formed to represent Belleville in the National American Legion competition. Last year the Belleville team played to the semi-finals, and was only defeated by the Irvington team which reached the State of New Jersey finals. The Legion also plans to have some of the Newark Bears address the members of the teams that will compete in the Legion League some time during the month of April.

Any ball team of the town desirous of obtaining information on the plans of the League to be formed should communicate with Joseph A. Williams, 84 Columbus avenue, Belleville. The Legion also passed a resolution to award a bronze medal to the Belleville High School student who attains the highest average in American History for the present year.

SCHOOL BOARD GIVES CONTRACT TO SUPT. GEORGE GERARD

John P. Maher Forms New Majority When He Joins With Current And Hollberg Suiting Public Opinion

The Board of Education, which in February ousted George R. Gerard as superintendent of schools and principal of the high school, restored him to the superintendency at a meeting Monday night.

He will not be principal of the high school, however, but will receive as superintendent the \$8,000 annually which formerly was paid to him for both positions.

This action was taken by the board when Watson Current submitted a

SCHOOL GETS MILK BUT NO CRACKERS

Are crackers a necessary adjunct to milk for children?

This question was decided in the negative Monday night by the Board of Education by a vote of three to two, after it had threatened to upset the serenity of the board.

Superintendent of Schools Gerard reported the first week of the distribution of milk had been a success, except that the collection of bottles consumed an hour of the janitor's time.

Mrs. Judson Stickle of the board said she had been informed that children had been made ill by drinking milk without crackers.

Commissioners Maher, Current and Hollberg refused to agree with Mrs. Stickle and Commissioner De Rosset that crackers be made a part of the children's school menu.

resolution to "rescind certain resolutions" which had been adopted last month. Paul J. H. Hollberg and John P. Maher voted for the resolution, Mrs. Judson Stickle and James L. De Rosset opposed it.

The Current faction in rescinding the February resolution sets aside the restriction that teacher's applications go first to the business manager's office and then to the board, and eventually Mr. Gerard, and that Mr. Gerard must submit reports to board members a week or two in advance of meetings.

Mrs. Stickle said the town could have been saved a lot of trouble if Mr. Gerard had resigned a couple of months ago. Every effort was made, she said, to have him cooperate in the separation of the positions. Mr. Gerard replied he had wished to protect his position in case of annexation with Newark by retaining the high school principalship and had wished to finish his career in the dual capacity he had held so long. He was asked for his resignation a few minutes before he came to the meeting, he said.

Minority Resolution

After the compromise was effected Mr. De Rosset, at the request of Mrs. Stickle, read a resolution which they said was to have been introduced. The measure deemed greater efficiency was to be found in the separation of the positions but in order to preserve harmony Mr. Gerard would be retained in his dual capacity until June 30, 1931, when he would retire from the school system. The measure imposed the condition that Mr. Gerard give the board "full cooperation."

A charge of Mr. Hollberg that the majority at previous meetings had not "committed" themselves when the question of separation of the positions was put, was answered by Mrs. Stickle. A slight interruption when she started to speak caused her to direct remarks toward the audience.

"I'm showing you people the respect of having some slight intelligence," she said, and then explained, "We consider it an advance for Mr. Gerard to be retained in one position at his salary of \$8,000 a year. We have made no reference to his inefficiency whatsoever. If we had we would have asked him to retire."

Mr. Hollberg said the resolution read by Mr. DeRosset was simply to save his face, after seeing the public was against the majority's move. Mr. De Rosset answered, saying he had

taken no step of which he was ashamed or wouldn't take again. Some one from the audience called out he "ought to be ashamed."

Mr. Current said he had no objection to the division of the positions but opposed the "arbitrary attempt" to break Mr. Gerard's "tract."

A resolution of the executive committee of the Belleville Parent-Teacher Association, approving the action of the board in separating positions, was read by R. G. Manson and put in the board minutes.

On recommendation of Mr. Gerard and approval of the teachers' committee, comprising Mr. Maher, Mrs. Stickle, Mr. Steel's salary made \$4,050, the same amount received as vice principal of the school and director of athletic

Plan Kindergartens

A motion of Mrs. Stickle to list kindergartens and hire teachers in Schools Nos. 5, 8, and 10, in addition to the one at No. 3, and ever else feasible, was passed.

A tilt between Mr. Current and De Rosset occurred about Mr. Rosset's request that power be proceeded at a cost under constructing separate offices high school for Mr. Gerard and Steel.

It was agreed finally construction, excluding furniture, would be taken care of immediately by a committee at a cost under \$500.

Enrollment last month was with an attendance of 96.1 per cent. Two pupils, eleven and thirteen, suspended indefinitely on recommendation of Mr. Gerard.

GAS

for EVERY HOUSEHOLD USE

FIRE—HEAT—and the many uses to which they are put—mark the difference between civilization and savagery. It is a sign of development and progress, that the modern Gas system puts at the command of constantly increasing millions heat in its best and most convenient form.

Take that part of New Jersey served by Public Service—in some 200 of its municipalities, Gas is available for domestic and industrial use.

For every household use, in which heat is required, from cooking to refrigeration, from hot water heating to house heating, from clothes drying to garbage incineration, Gas offers service, better and more efficient, than can be obtained from any other source, and with no more trouble than the turning of a tap and the application of a match. Gas gives you heat at any minute of the day or night, winter, summer, spring or fall.

You are not realizing the full possibilities for present day comfort and convenience, unless you have put Gas—one of the most perfectly trained of all servants—at work in your home. It will serve you well and faithfully.

Not So Easy With The "E's" This Time
The Great Number Of E's Made It Hard For Counters

Although there were many correct answers to the Golden Letter Contest, quite a number were incorrect due to the many "E's" appearing in the advertisements in the Comic Section of the Belleville News. As a result, many seekers missed a few here and there.

The first ten correct answers, who receive two tickets each to the Capitol Theatre are: Albert Evangelista, 425 Washington avenue; Gilbert Muller, 54 Campbell avenue; Margaret MacNair, 73 Preston street; Katherine Casale, 13 Mary street; Evelyn Abramson, 500 Washington ave-

Fire Threatens Garage
 Fire which started in the brush threatened for a while Wednesday afternoon to cause serious trouble at the Whiteway Garage, Washington avenue, near Little street. Quick work by local firemen, who this week also played a prominent part in the lumber yard fire at Delawanna, prevented the flames from spreading beyond the back door of the garage.

Woman's Club Plans Guest Day Monday

"Open House" Reception Is On Schedule For The Evening

"Guest Day" will be celebrated next Monday at the Woman's Club, 51 Rossmore place. The president, Mrs. W. P. Adams, will preside at the opening of the afternoon session at 2:30.

The Celest Trio, Margarite Waite Weillepp, violin; Elsa Livingston, cello, and Ruth Wunderlich Landes, piano, will play selected musical numbers.

Marjorie Taylor, soprano soloist, will sing a group of songs with Collins Buchanan, composer and accompanist at the piano.

Invited guests for the afternoon program will be presidents from the Eighth District of the State Federation of Woman's Clubs.

Open House

An "Open House" reception will be the order of the evening, with the president, Mrs. Adams, and her officers in the receiving line.

A vocal program will be presented by Nasalee Bakalian of Belleville, operatic and concert singer and radio artist. Besides a number of solos she will sing a duet from Cavalleria Rusticana, with Franco Ricciardi, baritone of Newark, accompanied at the piano by Rachel Leon of New York, who is musical director of the Operatic Art Club, of which Miss Bakalian is president.

"The Burglar" Again
 The drama department, by special request will present "The Burglar," a one-act play given very successfully by this department recently. The cast includes Mrs. A. Fitzherbert, Mrs. Harold Anderson, Mrs. William A. Manderson, Mrs. R. C. Whitfield, and Mrs. Joseph Kaden, with Mrs. J. Perry Brown, chairman, as coach. Refreshments will be served by Mrs. Dudley Drake and her committee both afternoon and evening.

The card party held last evening at the club house was conducted by Mrs. W. V. Irvine, Chairman; assisted by Mrs. J. Claude Powers, Mrs. F. Kenneth Mase, Mrs. W. P. Adams, Mrs. Charles H. Kelly, Mrs. Russell Sargeant and Mrs. Edward L. Huska.

There will be a meeting of the drama department at the club house this afternoon, with Mrs. J. Perry Brown, chairman, presiding. Mrs. A. Fitzherbert will be hostess of the day.

A luncheon will be given in honor of the out-going and in-coming presidents Mrs. W. P. Adams and Mrs. R. C. Whitfield respectively, on Easter Monday, April 1 at 12:30 p. m. at the club house. The chairman, Mrs. J. V. Thetford, announces that tickets will be limited, as not more than twenty-two tables, eighty seats, persons may be accommodated. Early application for tickets is advised.

Services Held For Two Brothers Who Drowned In Passaic

Ryder Brothers, 3 and 5, Fell In Water at Avondale Bridge

Funeral services for Richard and Robert Ryder, five and three-year-old sons of Mr. and Mrs. Carl Ryder, of 151 River road, Nutley, who drowned in the Passaic River near their home Friday, were held at the home Tuesday morning at 10 o'clock.

The children fell in the river while playing on the bank and throwing stones into the water near the dock of Bianchi and Smith, contractors.

The bodies of the two children were taken to their home in the police ambulance late Friday afternoon after Dr. Frank Carrigan pronounced them dead.

Among those who worked to recover the bodies was the father of the boys, who took his place in the bow of the boat and grappled desperately in the black waters of the river for the bodies of his sons.

On the bank stood his wife, stoically watching the work of grappling and finally watching the bodies of both of her boys hauled out to the bank where other policemen and firemen applied the prone method of resuscitation.

Note of Tragedy A sharp note of tragedy was struck when it was observed that Harry, nine-year-old brother of the drowned boys, took his place with those who worked over the body of Robert, the first recovered, and in complete silence sat rubbing the wrist of his dead brother, adding his small efforts to restore respiration and circulation.

He was still aiding in the vain effort to revive Robert when the body of Richard was retrieved and brought up on the river bank. By that time, an inhalator had been brought to the scene of the tragedy and was applied to both of the boys at once.

As soon as the body of Robert had been recovered Mrs. Ryan left for her home across the street to await the arrival of the bodies. She was later joined by her husband, who did not remain at the river bank to watch the efforts of those attempting to revive the boys.

Other Children Home At home, when Ryder arrived, were the other four children, Fred, 11; Harry, William, 6, and Mildred, 1.

Dry eyed and without a whimper, they watched Chief of Police William Brown and four of his men bear into the kitchen of the 170-year-old house which is their home, the bodies of both their brothers on one stretcher. Laid out feet to feet, the boys who not more than four hours before had left the house to romp and play at the river's edge were back in the house blue and cold looking, brought there by those who made every effort to save them. Hardly a word was spoken as the bodies were tenderly cared for and the work of putting the house in order was begun immediately by the aged grandmother, Mrs. Ida Amderberg.

It was she who noted the boys' failure to respond to her call, and, after a hasty search, concluded that they had fallen to their death off the bulkhead near the Avondale bridge over the Passaic river at the foot of Park avenue.

Fish and Game Chairman To Address Nutley Men

Captain Harry J. Burlington, chairman of the Fish and Game Commission will be the speaker at a meeting of the Men's Club of Franklin Reformed Church, tonight. He will speak on the work of the commission with which he has been associated many years.

Delegates from other men's organizations in the town have been invited. John T. Kenter, chairman of the entertainment committee, is in charge.

Falcons Hold First Meeting Of Season

The Nutley Falcons, who were well represented on the diamond last year intend to repeat this year with views of greater success. Following are the new officers: W. Kellott, president; R. Day, secretary; and L. Hopp, treasurer.

The Falcons intend to join the Nutley Junior Baseball League if any vacancy exists. Up to date several games have been booked with junior nines from Newark, and the Falcons would like to hear from all strong teams in Belleville and Nutley. For games write to Harold Fitzpatrick, Willow place, Nutley.

Fined On Cruelty Charge

Edward Peyseur of 58 Grace street was found guilty of cruelly beating a dog by Recorder William A. Smith on Monday night, and fined \$6.50. The charge was made by John Nesler, an agent of the S. P. C. A., who said he intervened as Peyseur beat the dog about the head several weeks ago.

GIRL IS KILLED TWO INJURED IN NUTLEY CRASH

Bloomfield Child Victim At Dangerous Crossing; Mother Hurt

Mildred Nolin, 5, of Passaic road, Bloomfield, was instantly killed early Monday morning and two women were injured in an auto collision at Passaic avenue and Center street. The girl was a passenger in a car driven by her brother, Harry, 20, of the same address.

The injured women were Mrs. Ethel Nolin, mother of Mildred and Harry, who received lacerations of the scalp and knees, and Miss Mary Ferguson of 77 Bleeker street, Newark, passenger in the other machine involved in the collision, which was driven by Robert Bromley, of 470 Franklin avenue, Belleville. She received deep lacerations of the right leg.

They were treated at the office of Dr. Harry Cheshore of Center street, who found that the girl had been instantly killed by a skull fracture.

Harry Nolin and Bromley escaped injury in the crash, as did William D. Preston of 263 Broadway, Newark, another passenger in Bromley's car. Bromley was driving his auto south on Passaic avenue and nolin was driving west on Center street when the collision occurred, one of the cars crashing into the side of the other. There is a "stop" sign on Passaic avenue at this point, one of the most dangerous intersections in town.

Bromley and Nolin were arraigned before Recorder William Smith Monday on a technical charge of manslaughter.

At the police station, Nolin was near collapse from shock and worry over the death of his sister.

TRIO STEALS \$231 IN NUTLEY STORE

Two Clerks Locked In Room As Bandit Loots Register

Three young robbers rifled the cash register of a branch store of the New York Stores Company at 95 Washington avenue, Saturday and took \$127.50 in cash and \$104.55 in checks after they held up the manager and locked the two clerks in a back room.

Leonard Pombillio, the manager, of Hughes avenue, New York, told police that about 10 o'clock three young men came into the store and asked for some cheese and macaroni. After he had cut the required amount he said, he started to put the cheese back on the shelf and one of the young men, who was tall and slim, jumped over the counter and stuck a revolver into his back.

At the same instant his two companions who he describes as short and stout, drew revolvers and ordered the store clerks, Tony Libori, 30 King street, Belleville, and John DeMarco, 34 Hancox avenue into the back room. Libori and DeMarco were then locked in the room.

The two young robbers, while their companion was guarding the manager, looted the cash register. The three then fled.

Pombillio told the police that the tall young man who held him up wore a light overcoat and hat. One of the others had on a soft brown suit and dark hat, but did not have an overcoat. The third wore a blue suit, but no hat.

NUTLEY WOMAN'S CLUB PAYS HONOR TO NEW AND RETIRING PRESIDENTS

The Woman's Club of Nutley gave its presidential luncheon Thursday at Franklin Reformed Community House as a tribute to Miss Emma L. Mott, retiring president, and Mrs. William J. Vail, the new president.

Miss Mott has served the club for a number of terms as chief executive officer and through her leadership many things have been accomplished.

The luncheon was held in the Reformed Church, where spring flowers and greens made attractive decorations. About 100 members were present.

Mrs. G. R. Livingston served as toastmistress and presented the guest of honor and speakers. Miss Mott spoke on the work undertaken during her administration, and Mrs. William J. Vail, the newly-elected president, talked of the future of the club.

Another of the principal speakers was Mrs. Sara H. Prol, first president of the club and former president of the State Federation of Women's Clubs, who spoke of the founding of the organization.

Short talks were given by Mrs. Wil H. Mitchell, Mrs. Fred Young and Mrs. J. H. Harnett.

The afternoon also included an entertainment program which was presented by Mrs. F. M. Pendreigh, reader, and Miss Constance Carr, soprano, accompanied by Miss Vera Kerrigan. The literary section of the Woman's Club of Nutley met Monday afternoon. "Hungary as I Saw It" was discussed and impressions were given by Miss Jessie D. Coe and Miss Rose Fuerlicht. "The Hungarian Nobob," by Mauriss Jokai, was reviewed by Mrs. Henry Woodcock and his biography given by Mrs. Robert L. Black.

"Peru and Chile" was the topic of a paper yesterday afternoon by Mrs. Edwin C. Sharp before the League of Women Voters and International relations committee of the club. Mrs. Frederic H. Sandford presided.

Republicans Oppose Amending Lien Act

The Nutley Republican Club Monday night adopted a resolution opposing amendment of the mechanics lien act, a bill for which is pending in the Legislature. The resolution was drawn by Arthur R. Carr at a meeting in the Nutley Woman's Club.

J. W. Strahan of Newark, spoke on the origin of political parties and the derivation of the major political parties of today. Mr. Carr announced six new election districts had been established in the town, bringing the total to seventeen.

Nutley-Belleville College Students Win University Honors

Miss Mae Livingston of 124 Rutgers street, Belleville, is one of the sixty-two seniors at the New Jersey College for Women who won first honors in undergraduate scholastic standing at the New Jersey College for Women during the past academic year. First honors are awarded those whose grade average is 1.9 or above, and honors are given those whose grades average 2.3 or above. Miss Livingston stands fifteenth among the first-honor seniors.

In addition to maintaining a high scholastic standing, Miss Livingston is active in the musical life of the college. She is a member of Delta Mu, the honorary musical society.

Miss Marjorie Larwill of 233 Prospect street, Nutley, is also a member of the honors group on the senior class.

Mark Andrews Writes Song For New Jersey

Anna Case Will Sing New Anthem At State Chamber Six-City Dinner On April 4.

Mark Andrews, composer, whose home is in Montclair, has written a song for New Jersey, which in the 153 years of its existence has never officially had one. Anna Case, New Jersey girl and America's leading concert soprano, will sing the song for the first time April 4, at the six-city Greater New Jersey Dinner of the State Chamber of Commerce and New Jersey Bell Telephone Company.

The song for which Mark Andrews is perhaps best known is his arrangement of the old English hunting song "John Peel," which is part of the repertoire of practically every glee club in America, but he has written many others and has composed besides some forty anthems, two organ sonatas and three cantatas, including the famous "Highwayman."

An effort is to be made to have his song for New Jersey described as a "vocal march," adopted as the official New Jersey song.

Miss Case's voice will carry the song to the sectional dinners in Newark, Camden, Trenton, Paterson, Jersey City and Atlantic City over the telephone wire and public address system which will make the dinners one as to program, and will broadcast the song over the all-Jersey network of radio stations which include WOR, Newark; WPG, Atlantic City and WCAM, Camden.

Miss Case will sing at the key meeting of the seven to be jointly held in the six cities, the key meeting to be in the auditorium of the new State Telephone Headquarters at 540 Broad street, Newark, which is to be dedicated at the meeting as a symbol of New Jersey's new era of development and importance.

It is probable that Mark Andrews will be Miss Case's accompanist in presenting the song for the first time. Others of his songs include "By the Sea," "The Wild Ride," "The Joy of the Hill," "The Splendor Falls," "The Lady of Shalott," "Sleep Sweetly Tender Heart," "Mopsa," "Snowflakes," "The Clock," "Now Sleeps the Crimson Petal," "A Bowl of Roses," "At the Mermaid Inn," "My Love's Like a Red, Red Rose," and "Trees."

Nutley Church Affairs

Rev. Allan Whatley of Trinity Cathedral, Newark, spoke Monday afternoon at children's Lenten service at Grace Episcopal Church. The junior choir, directed by Mrs. A. M. Slaughter sang.

"Satan, the Hero of Paradise Lost" was the topic of Miss Elizabeth Timlow's lecture Tuesday morning. After luncheon was served at noon by unit 2, of which Mrs. Helen D. Cramer is chairman. Mrs. Robert Bowden, in charge of the sewing group of the Woman's Auxiliary, held a meeting Tuesday afternoon.

Rev. William Griffin Jr. of Paterson preached last night at Lenten service. Holy Communion will be celebrated at 9:30 o'clock tomorrow morning. The study group of Fraser's "The New Africa," will continue their class with Mrs. Elton W. Fortner at the home of Mrs. Ernest Pulsford of Vreeland avenue at 10:30 o'clock.

The White Church League of Franklin Reformed Church met Monday evening. The pastor continued his talk on "Comparative Religions" last evening at church night gathering. Captain Harry T. Burlington, president of the State Fish and Game Commission, will speak tonight at the meeting of the Men's Association. An entertainment will also be given.

The senior confirmation class of Holy Trinity Lutheran Church met Tuesday night at the home of the pastor. There was a meeting of the Men's Bowling Club Tuesday night.

The Woman's Auxiliary met yesterday afternoon at 2 o'clock. "Why Are We Baptized?" was the pastor's topic last evening at the mid-week service.

Circle I of Vincent Methodist Church met Monday afternoon at the home of Mrs. Daniel W. Lamoureaux of Bloomfield avenue. Mrs. A. F. Jackson was in charge. Circle 3 held a luncheon today at the home of Mrs. G. L. Ashmore of Alexander avenue. A business meeting was held after the luncheon with Mrs. R. M. Scott in charge. The Women's Foreign Missionary Society met Tuesday afternoon at the home of Mrs. Perley A. Prior of Grant avenue.

The Woman's Christian Temperance Union held their annual dues paying luncheon today at the Community House. Mrs. Walter Ings presided. A small play was presented after the luncheon.

HIGH SCHOOL OPENS AT OVAL WITH EAST SIDE ON APRIL 18

"Chief" George Stanford Gets Fifty-Two Fence Busters Out For Initial Baseball Practice In Gym.

"Chief" Stanford, Nutley High mentor, issued a call for candidates for the base-ball team last week and no less than fifty-two lads turned out for first day gym practice. This is the largest number that ever has come out for any sport since Mr. Stanford has been coaching at the school.

Prospects for this year's team are very promising as "Chief" has a veteran team on hand and many capable substitutes to try out. This season's team will be composed of players, who have had two year's experience with the high school team.

The pitchers are, Capt. Gibney, Baykowski and Kellett. In the infield Stanford has "Hank" Stager at first, "Pint" Sentner, second; "Bert" Crawford, short, and probably "Jim" Sentner to cover the hot corner. Jacques is the only regular outfielder but either of the three pitchers will fill in when they are not on the mound. Jones is another seasoned veteran who will probably be placed on the team in some position.

Following is the list of candidates out for the team and the positions they are trying for: Youngs, second base; Van Winkle, first base; Stender, out-fielder; Conover pitcher; Brewster, second base; Tatum, first base; T. Kellett, out-fielder; Johanson, catcher; "Ace" Vaughan, out-fielder; Gladstone, catcher; Frobose first base; Zetka, out-fielder; Hutchinson, out-fielder; Van Horn, out-fielder; Johnston, catcher; Flaherty, pitcher; Buckley, catcher; Roller, short stop; Thoma, pitcher; Natural, second base; Dolan, third base; Sweeney, third base; Voght, out-fielder; Paxton, out-fielder; Meith, catcher; Lang, first base; Mackey, third base; Sherwood, catcher; Meyer, pitcher; Hartman, catcher; Fendrich, pitcher; Allison, pitcher; Jeffery, second base; Connors, third base; Hohenstein, third base; Romano, second base; Luzzi, third base; Maurillo, out-fielder; Mitchell, third base; Faith, pitcher; Brown, pitcher and Dunkinson, O. F.

The Schedule Nutley High has a tough schedule calling for fifteen games and there are two open dates which coach Stanford expects to fill with some college freshmen teams. There are nine contests at home and six games to be played away.

The Schedule April 13—East Side of Newark at Nutley. April 17—Open. April 20—St. Benedicts at Nutley. April 23—East Orange at East Orange. April 27—Lincoln at Jersey City. May 1—Demarest of Hoboken at Nutley. May 4—Ridgewood at Nutley. May 8—Open. May 11—Kearny at Nutley. May 14—Bloomfield at Bloomfield. May 18—South Orange at Nutley. May 22—Plainfield at Plainfield. May 25—Asbury Park at Nutley. May 30—St. Peter's Prep at Nutley.

June 1—Kearny at Kearny. June 3—Central at Newark. June 8—Newton at Nutley.

Past Masters' Night Held By Nutley Masonic Lodge

Nutley Lodge, F. and A. M., celebrated past masters' night with a banquet at Franklin Reformed Community House and services at Masonic Hall Monday night. Twenty-five attended the dinner and about 200 went to the hall.

Fourteen past masters of the Nutley Lodge and six from neighboring lodges attended the ceremonies. The big event of the evening was the raising to the order of Frank Robert Forrester, youngest son of Past Master Robert Forrester.

Mrs. Anna Crocker

Funeral services for Mrs. Anna Crocker of 304 Hillside avenue who died Sunday at Passaic General Hospital, were held yesterday afternoon at 2:30 in Stratt's funeral parlors, 361 Franklin avenue. Rev. Charles W. Popham of Grace Episcopal church, Rutherford, officiated. Burial was in Ridgelawn Cemetery.

Mrs. Crocker was sixty-four years old. She leaves her husband, Charles Crocker, a son Richard, and a daughter, Mrs. Richard Lawrence of Macon, Ohio.

Two Alarm Blaze Starts In Sawdust

Nutley Fire Causes \$3,000 Loss Taking Two Hours To Quell.

A fire for which two alarms were sounded Monday night caused \$3,000 damage to a two-story brick building and its contents at 551 Franklin avenue.

The fire started from spontaneous combustion in a pile of sawdust in the basement of Fred Kurz's butcher shop. It gained headway rapidly and when firemen arrived flames were raging between the walls on first floor. It required more than two hours to get the blaze under control.

The fire was discovered by Willie Shooey, tenant of one of the apartments. He smelled smoke shortly after 9 o'clock and found a wood partition in the cellar ablaze. Shooey was slightly burned trying to get out the flames. He called police headquarters where Sergeant J. Wender turned in the alarm.

Shooey, whose three children live at the apartment of a neighbor, Frank Hovespian, across the hall, called his wife and neighbor and hurried the children to the street. Hovespian carried his two children out.

Frederick A. Kurz, whose market is at that address, said after 9 o'clock and found a wood partition in the cellar ablaze. Shooey was slightly burned trying to get out the flames. He called police headquarters where Sergeant J. Wender turned in the alarm.

Chairman Harold Whittle will be assisted by the following committee advertising, William B. Ruffner; entertainment, Frances Rausch, Peter McGee and Thomas Lafferty; publicity, J. Shafer, John Schiek and E. Whitmore; printing, Andrew P. W. C. Scheid and Joseph Fenness.

Remodeled Bank Building In Belleville Is Open

The First National Bank Building remodeled and enlarged at an expense of \$75,000, was opened to the public Saturday afternoon. From 2:30 to 9 visitors kept the bank forces busy showing them around.

Palms, ferns and cut flowers were the decorations. The interior is designed after the Roman manner, with walls and grained ceiling of travertine marble.

A feature is the absence of telephones, the idea being to permit intimate contact between employees and patron.

Remodeling of the building does its former capacity, although only eight feet wider. Economy of space was obtained by doing away with janitor apartments in the basement and by creating a mezzanine floor at back for use as storage room.

Charles G. Jones of Belleville planned the original building, the architect.

Released after Transfusion Charles Coups of 83 Floyd street was dismissed from St. Barnabas Hospital, Friday, after undergoing blood transfusion. Patrolman Elmer Leighton gave the blood. He is the only one of three local patrolmen tested at the hospital recently who registered the type necessary.

FANS CLAMORING FOR LEAGUE OF NUTLEY-BELLEVILLE TEAMS

Leagues seem to be a common occurrence nowadays. But there is one exception of the State that one never hears of such a contraption and that one sport is the town of Belleville. Yes, folks we are hinting towards forming a baseball league between Nutley and Belleville. There are something like three or four outfits in Belleville and a like number in Nutley. The forming of a baseball league should not be such a difficult proposition as there are six teams, already formed, that can be founded as a nucleus. The teams are the Cardinals, Clintons and Parks of Belleville, the Collegiates, Pleasure Club and Hill-sides of Nutley. All that is needed is for one individual to start the ball rolling and another to lend their support. The former is willing to cooperate in any way possible to make this league a reality. Information can be received from Macaluso at the News office or from Tim Kinneally, Bachelor Club, street, Belleville. If you, managers and fans, let us know your opinions on this matter.

Nutley Girls Tie Boonton In Last Game

Playing under a handicap the Nutley High School girls last week travelled to Boonton where they tied the girls' team of that school. The Maroon and Gray team had to be shifted around as Capt. Molly Ames, jump center, was sick and unable to participate in the contest. The Nutley girls deserve a great deal of credit for the showing they put up against a well balanced team such as Boonton's. Going into the last quarter the Nutley lassies trailed by eight points. At this stage a spirited rally brought them within two points of the leaders and when Mill Quinby made good her two foul tries the score was tied, just as the whistle blew, terminating the game. As girls' rules do not call for an extra period the game had to remain as tie 30 all. The Nutley team as a whole played an exceptionally fine game with Miss Stoddart and Quinby doing the scoring. For the Boonton girls Miss Gueyton and Spreen played best. There is a possibility of the girls playing the Alumni this Friday night.

Belleville Elks Lose To Newark In Tourney Tilt

The Belleville Elks lost a total pin match to the Newark A. C. pinners in the Elks' State Tourney. The locals took the first game by a good margin but fell down poorly in the second which cost them the contest, as the final tilt ended at 875 all. The match ended with the Newark quintet winning 2573-2548.

St. Pauls "A" Takes Lead With Centuries

The three-man tournament is now under way at the Hamilton Alleys. Showing the way with five wins and one defeat are both St. Pauls A and the Centuries closely followed by the Pastimes and the Hunt & Fishing Club. The high team score is held by the Reformed A who hit 636 in one game. Krayl of the St Pauls A has a 244 for individual high score. Six games are bowled between the teams every Monday night.

FREDDIE POLO

Many Belleville folks will journey tonight to Madison Square Garden to see Freddie Polo, Silver Lake boxing star, clash with Joe Lagrey. This is Freddie's golden opportunity to step up in his boxing career with the big timers and he is going to take each opening he gets. Angelo Domenick is boosting Freddie's stock. He will be accompanied to the fight with Police Chief Michael Flynn. Others who have signified their intention to witness the bout are Recorder George A. Fitzsimmons, James L. Waters and Thomas W. Fleming. Cars will leave Belleville at 7 o'clock. Freddie's list of knockouts in part are Jackie Horner, Jake McFarland, Irish Fagan, Joe Sherman, Jake Reesler and Pal Silvers. He has fought draws with Philly Krug and Meyer Cohen.

St. Mary's Loses Again As Grace Wins Nutley Antlers Close Their Season

Grace now rests on top in the church league as a result of a win while St. Marys lost to St. Pauls. Grace had things their own way throughout their contest but St. Marys had to fight an uphill battle all the way and finally lost out to St. Pauls rally in the closing minutes of play. In the Grace-Vincent game the leaders took an early lead and were never in danger. Jack Bauman had a big night scoring no less than seventeen points for Grace while Forresta and Stager were high scorers for Vincent. St. Marys had a nine point lead going into the last quarter and were well on their way to victory but several long shots soon put the teams on even basis and a two pointer from past the foul line by Gibney gave St. Pauls the game. Gibney and Jones featured St Pauls attack. For St. Marys "Fred" Macaluso stood out.

All-Scholastics Take Court Game At Montclair

The All-Scholastics of Nutley, a team composed of present and former high school players, journeyed to Montclair and defeated the Grace Big five at the Grove street school. The Grace team got away to an early lead and were out in front of the Nutley five till the final quarter. The score at half-time stood 24-17 with the Montclair team certain of victory. In the last two quarters the Nutleyites showed new life and not only overtook the Grace team but also added an extra five point advantage to their total. Mull stood out for the Montclair team scoring a total of twenty points being a continual menace to the Nutley five. For the Scholastics the scoring was equally divided, each man playing a good offensive game.

Nutley Inter-City Takes Two Meets

The Nutley-Inter City team took two meets in the past week. In the first set of games they defeated the New Nutley Athletic Club in three games. Taking a lead of seventy pins in the first game the Inter-City five was never in danger and won the match handily, 2708-2618. In the other meet the Nutleyites took three games from Whirlwinds of Union City who are leading the K. of C. League of Hudson County. The scores were low and uninteresting.

Nutley Suburbans Lose To Newark

The Suburban quintette lost a hard fought game to the Newark A. C. Separates at the Park Place gymnasium Friday evening. A last minute shot by Heller of the "Naas" sent the local courtsters home defeated. Both outfits presented a strong defense and the few field goals were made at infrequent intervals. The homsters had a 12-8 lead at half time, but the Nutleyites rallied and were in the van during the second cant until Heller dribbled the length of the court and sank the ball from the side of the floor. "Arch" Scotland played a good defensive game for the losers, while Heller and Weiss did the best work for the winners.

Howard To Take Field On April 7

Plans are being formed for the strong light semi-pro nine which will result from a combination of the Valley Social Club and the Bachelor Club. Jim Clark has been selected as manager, and is dickering with the strongest teams in this section of the State for games. New uniforms will be the equipment of the nine which will be known as the "Howards." A captain and coach have not been selected up to this writing but the management expects to take the field by April.

Laundry Route Man Enjoined By Court

Benjamin Schulman, a former route
salesman for the Belleville Laundry
Company of Ralph street, has been
enjoined by Vice Chancellor Berry
of the Court of Chancery from sol-
iciting for another concern in Nutley,
Belleville, Kearny and other towns
in Essex County.

Schulman, who lives at Hunterdon
street, Newark, so the Belleville
concern says, agreed if he left the
company not to solicit for any other
laundry firm for a specified time af-

Residents Ask For Different Protection At Passaic Avenue

Stop Street Sign Is Not
Sufficient At Center
Street

Eighteen property owners in Pas-
saic avenue and Center streets, peti-
tioned the Town Commission Tues-
day night to provide protection for
motorists and pedestrians at the in-
tersection of those streets, which they
termed a "death trap." The petition
referred to three accidents there last
week, one of which resulted in the
death of a five-year-old child.

The petitioners suggest a police-
man or traffic beacon at the corner,
stating the stop-street sign was not
clearly visible. It is another argu-
ment against the use of Passaic ave-
nue by express buses, the petitioners
declared. The matter was referred
to the Department of Public Safety.

Two petitions for zoning changes
were received. Colton & Hare, New-
ark law firm, recommended Park ave-
nue be changed to an apartment zone
throughout in view of the proposed
widening of the street. It was refer-
red to the Department of Public Af-
fairs.

William N. Becker, Newark law-
yer, representing owners of property
on the east side of Bloomfield avenue
between Stager street and Kingsland
road, asked that it be changed from
residential to industrial zone. There
are factories in the immediate neigh-
borhood. The petition was referred
to the Zoning Board of Adjustment.
Would Restrict Handbills
Mayor Ernest P. Cook presented
an amendment to the out-door ad-
vertising ordinance to prohibit dis-
tribution of handbills without license

from the Department of Public Safe-
ty. The license would cost \$1 and
expires in one week. Violators would
be subject to a fine of \$10 for every
offense. The Mayor presented an-
other ordinance fixing salary increas-
es of paid firemen. The maximum
for the captain is \$2,700 and for the
lieutenant \$2,500, which both now
receive. Housemen's salaries would
be increased \$100 each year of serv-
ice \$2,000 to \$2,300 maximum. Both
ordinances were passed for hearings
April 2.

Three improvement ordinances, op-
ening the spring program, were pass-
ed for hearings April 2. They pro-
vide for concrete pavement, curb and
sidewalk in Melvina street at an es-
timated cost of \$7,500, installation
of sanitary sewer in Nutley, avenue,
east of Whitford avenue, \$700, and
fifteen-inch storm sewer in Hancock
avenue and St. Mary's place, to cost
approximately \$7,000.

By Commissioner Charles A. Sher-
wood's resolution H. Inman Furlong,
C. J. VanWinkle, Irving Brown and
C. P. Crocker, architects who sub-

mitted competitive bids for the
proposed police and fire
building in Chestnut street, will be
awarded \$100 for their work. The
plans of W. T. L. Armstrong were
approved two weeks ago.

Chief of Police William Brown re-
ported investigation of a complaint
of the North End Improvement Asso-
ciation that buses of the Nutley-North
Newark Line were made uncomfort-
able by exhaust fumes. He said or-
ders had been issued to have exhaust
pipes of the buses continued to the
rear of the machines. He reported
four "no parking" signs had been
placed in Kingsland road near the
railroad crossing, also in response to
a petition of this organization, and
recommended that dogs at large be
muzzled. The West Hills Improve-
ment Association had reported a wo-
man suffered a nervous ailment as a
result of an attack by a stray dog.

Five Bloomfield avenue property
owners protested that drivers of

Nutley-North Newark bus-
es for favored passengers
others. The matter was referred to
the Department of Public Affairs.

World's Easiest Driving Control

NO OTHER CAR in all the world
controls quite so easily—with
such complete lack of effort—as the
new Nash '400'.
Nash engineers have developed a
new steering mechanism to achieve
this result. An ingenious arrangement
of roller bearings and a roller-tooth
traveling in a worm gear, reduces fric-
tion to a minimum hitherto thought
impossible.
Women drivers find new help and
gain new confidence in parking. Little
effort is needed to bring the "400"
up to, or away from, the curb.
Gear shifting is just as easy. The
"400" clutch pedal depresses at a
touch, scarcely resisting the weight of
your foot. The conveniently placed
shifting lever moves smoothly, easily
from one speed to another.
If you ever find that driving a car
tires you, try driving a Nash '400'.
It will give you an entirely new con-
ception of how effortless, how plea-
surable, motoring can be!

The New NASH '400'
Leads the World in Motor Car Value

IMPORTANT "400" FEATURES—NO OTHER CAR HAS THEM ALL
