

Board Frowns On Wedding Bombs

It Looks As If This Wedding Really Will Be a "Quiet One"

Somebody's wedding which was to have been celebrated to the accompaniment of fifteen explosive bombs set off on a vacant lot opposite Stepanelli's Hall in Silver Lake on September 14, probably will take place without these pyrotechnical aids, in view of action before the Board of Commissioners at their meeting Tuesday night.

Zarrillo, fireworks manufacturer, of 181 Heckel street, who applied for a permit for the celebration, in a communication to the board, offered to touch them at 6 o'clock in the evening, so they would not disturb sleepers.

WHY NOT A BACKFIRE?

The commissioners were faced with the new state law which requires the posting of a bond in such permits, and since it cost Zarrillo \$3,000 bond to the celebration, Commissioner Zarrillo suggested that it might be as well to "have a couple of trucks brought to the scene to be used to backfire."

Now, the matter of liability for a \$3,000 bond was left to Com-

missioner W. D. Clark, to confer with Zarrillo about, with the probabilities strong that the wedding would be staged sans noise. No reference to the names of the nuptial couple arose in the proceedings.

BOY PEDDLER QUILTS

Another communication to the commissioners related to the complaint brought up last week by Mrs. Halsey Vought, who operates a roadside stand at Belleville and Franklin avenues, against competition from Esmer Peabody, thirteen-year-old boy, who conducts a traveling lemonade stand.

She said he had cut seriously into the revenues of her business, but it developed that he had a regular hawker's license, which permitted him to move about the streets. While the matter was awaiting adjudication, the communication Tuesday night told that the youth had gone to a scout camp and probably would be a competitor no more this season.

ENDURANCE SWIM IN PASSAIC RIVER STOPPED

The police took action to enforce health official's decree against bathing in the Passaic river, as involving the danger of typhoid fever, when they stopped an "endurance swim" begun by six youths Wednesday night of last

week, after it has been going on for only three and one-half hours.

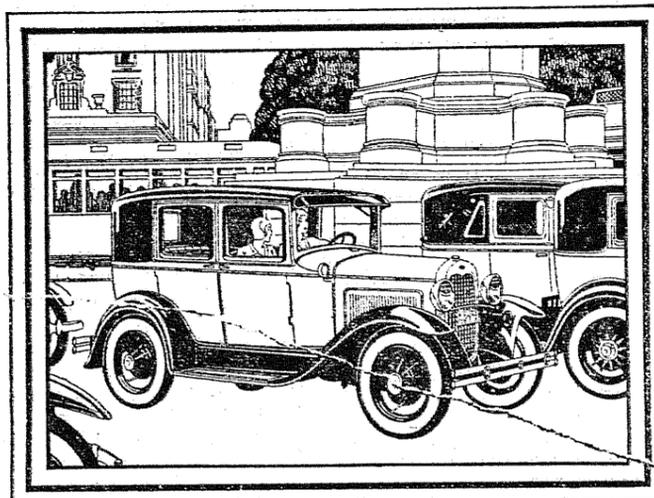

Sergeant Pearl and Patrolman John J. Flynn made the youths dress and go home.

"The water is especially bad at low tide, being filled with oil and other scum, and is bad enough at high tide," said Chief Michael A. Flynn Saturday. "The youths who risk it may suffer no ill effects at

the time, and then may be taken ill with typhoid a month later.

"We will attempt no interference with casual swimmers who go in for a dip, and come out after a reasonable time, but an endurance contest is something else, and we were compelled to act, after hearing the views of Health Officer Eugene T. Berry, that it would be dangerous to the health of the boys."

Meeting the Needs of Millions of People

The low-priced automobile has brought greater opportunity and added hours of recreation to millions of men and women.

BECAUSE the automobile is such an important factor in the lives and prosperity of so many people, the purpose of the Ford Motor Company is something more than the mere manufacture of a motor car.

There is no service in simply setting up a machine or a plant and letting it turn out goods. The service extends into every detail of the business — design, production, the wages paid and the selling price. All are a part of the plan.

The Ford Motor Company looks upon itself as charged with making an automobile that will meet the needs of millions of people and to provide it at a low price. That is its mission. That is its duty and its obligation to the public.

The search for better ways of doing things is never-ending. There is ceaseless, untiring effort to find new methods and new machines that will save steps and time in manufacturing. The Ford plants are, in reality, a great mechanical university, dedicated to the advancement of industry. Many manufacturers come to see and share the progress made.

The greatest service comes by never standing still. Today's methods, however successful, can never be taken as wholly right. They represent simply the best efforts of the moment. Tomorrow must bring an improve-

ment in the methods of the day before. Hard work usually finds the way.

Once it was thought impossible to cast gray iron by the endless chain method. All precedent was against it and every previous experiment had failed. But fair prices to the public demanded that wasteful methods be eliminated. Finally the way was found.

A better way of making axle shafts saved thirty-six million dollars in four years. A new method of cutting crankcases reduced the cost by \$500,000 a year. The perfection of a new machine saved a similar amount on such a little thing as one bolt. Then electric welding was developed to make many bolts unnecessary and to increase structural strength.

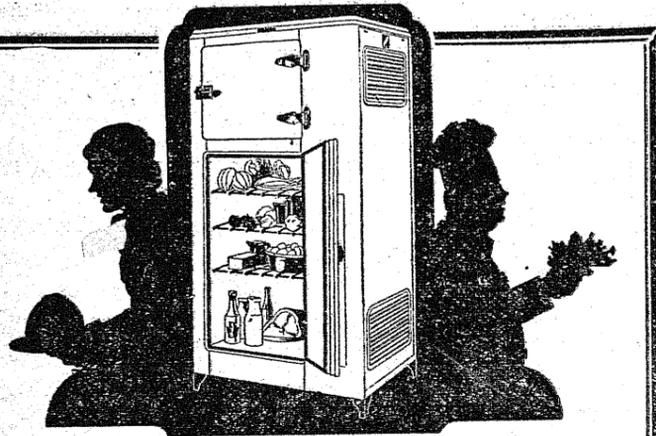

Just a little while ago, an endless chain conveyor almost four miles long was installed at the Rouge plant. This conveyor has a daily capacity of 300,000 parts weighing more than 2,000,000 pounds. By substituting the tireless, unvarying machine for tasks formerly done by hand, it has made the day's work easier for thousands of workers and saved time and money in the manufacture of the car.

All of these things are done in the interest of the public — so that the benefits of reliable, economical transportation may be placed within the means of every one.

FORD MOTOR COMPANY

Operating Cost is Low
and
Its Usefulness Invaluable

THE operating cost of the Electrolux Gas Refrigerator is only a few cents a day, but the service it performs cannot be figured in dollars and cents. It is worth much in labor saved and worry avoided. It gives much in convenience and it can always be depended upon.

The Electrolux works without making a noise. It has no moving machinery to cause vibration. Since there is nothing to jar its simple mechanism, the Electrolux will last for years and require little or no servicing and no charge is made for service calls.

Each Electrolux cabinet is constructed to give sufficient storage space for a large supply of food. Each cabinet is provided with several trays where cubes of ice are frozen or frozen desserts can be made. A Vitalizer tray goes with each model. It is just the place to store vegetables as the close fitting top keeps the moisture inside.

Electrolux models installed are priced from \$195 up

Mrs. Paul D. Robinson of Prospect street left yesterday to spend a couple of months at her cottage at Lake Mohawk.

Mrs. R. C. Whitfield, Mrs. Frances Meyer, Mrs. Clarence Stout, Mrs. John Zaun, Mrs. Stanley Co-

FAST TRIP TO CANADA
BY MISS EDNA PYPYER

Miss Edna Pyper of Van Houten place recently returned from a visit with her parents Mr. and Mrs. H. D. Pyper of Morrisburg, Ontario, Canada. Her uncle and aunt Mr. and Mrs. John Tye, with whom she makes her home, accompanied her on the trip.

Leaving Belleville at 4:30 in the morning, the party reached Montreal, a distance of 490 miles, at 8 o'clock in the evening. After a short stop for refreshments they continued to Morrisburg, another ninety miles, arriving at 1:30 a. m. Miss Pyper drove the entire distance without relief and repeated the record on the return journey, except that she cut off the last ninety miles by crossing the border to the American side at Morrisburg, coming home through the Adirondacks.

They brought back with them Mrs. Pyper and her daughter Ruth, who will be here until after Labor Day when Miss Pyper will drive them home again.

MILLER — HAMPTON

The marriage of Miss Beatrice A. Hampton, daughter of Mr. and Mrs. Daniel H. Ireland of Neptune, and George E. Miller, son of Mr. and Mrs. Frank G. Miller of Belleville avenue, took place at 7 o'clock Friday evening in Christ Episcopal Church, Rev. Pefer R. Deckenbach officiating.

The bride wore a simple gown of shell pink chiffon with hat to match. Her corsage bouquet was of pink bridal roses. Mrs. Deckenbach was her only attendant. The couple will be at home on Fairmount avenue, North Arlington, after a month's honeymoon spent traveling in the west.

SHE SAW THE CHORINES

Miss Beatrice Rumsey of Linden avenue returned a week ago Monday from a vacation trip spent in the west. She visited Miss Katherine Robbins who is connected with the R. K. O. studios in Hollywood, and Miss Mary Eaton, a motion picture actress.

While there, Miss Rumsey motored with friends to Agua Caliente, Mexico, also visiting Tia Juana, Mexico, and Coronado, San Diego, San Bernardino and Beverly Hills, California. She was guest one morning at the Hollywood Breakfast Club which meets every Thursday and was introduced to the radio audience during the broadcasting.

Thursday Miss Rumsey left again for Lake Placid where she stayed until Tuesday.

eyman, Mrs. Charles Schick and Mrs. Otto Breunich of this town were guests Monday of Mrs. George Zinkand of Glen Ridge. Mrs. Zinkand is Mrs. Stout's sister and a former Belleville resident. Bridge was played and Mrs. Schick and Mrs. Stout made high scores.

Mrs. H. O. Bird of Bremond street returned Tuesday from a month spent in Bradley Beach.

Miss Eleanor Du Puy, assistant to Business Manager J. J. Turner, of the public school system, is in Massachusetts on her vacation. She is expected to return Monday.

Mrs. Joseph Humer and children Doris and Bobby of Cedar Hill avenue have returned from spending a couple of weeks with Mrs. Rudolph Lipps of Irvington. Mr. Humer joined his family for the weekends.

Dorothy L. Crisp, of the staff in the Town Clerk's office, is spending her vacation in Spring Lake.

Mr. and Mrs. M. C. Jauss and daughter, Miss Charlotte Jauss of Clifton avenue are visiting Mr. Jauss' brother, Harry A. Gloerinsine of Chicago.

ENTERTAINS GIRL SCOUTS

Miss Florence Kelly of Washington avenue was hostess Thursday to eight girl scouts of Troop 8, of which she is captain, at her father's farm near Washington, N. J. Swimming and hiking were the chief diversions. The girls enjoying the outing were Emma Hoag, Catherine and Mary McNulty, Ruth Engel, Lorraine Shanahan, Ethel Dixon, Laura Resciniti and Marie Mermet.

CONTINE - PHILLIPS

Miss Lucy Phillips, daughter of Mr. and Mrs. Sebastian Phillips of Stephen street, was married Saturday to Salvatore Contino, son of Mr. and Mrs. Philip Contino of Newark. The ceremony was performed by Judge Fitzsimmons at the town hall, Mrs. Julia Russo of Newark and Sam Inga of Vailsburgh attending. After a short honeymoon spent at Union Beach the couple will live at 30 Roswell avenue, Belleville.

EIGHT GIRLS AT DAY CAMP

The eight girl scouts who took advantage of the day camping program Tuesday were Gladys Hogan, Ruth Hogan, Ruth Warner, Ruth Buckley, Lieslotte Goettert, Norma Virtue, Virginia Ellsworth and Anna Eberhard.

Swimming was enjoyed at the Lyndhurst pool as usual under the direction of Thomas Fleming. The camp grounds Miss Binns gave instruction in pioneer work. Trails were laid and followed by patrol and various trail signs were used. Taps were sounded by Ruth Warner.

On Thursday Miss Elizabeth Conklin will give instruction in basketry.

BIRTHS FILED THIS WEEK

The filing of the following birth certificates was announced at the office of the registrar of vital statistics for this week:

To Mr. and Mrs. Raymond Daygard of 16 Mt. Pleasant avenue, daughter Marilyn Lois, born July 29.

To Mr. and Mrs. Pasquale Speyer of 15 Heckel street, a son, Pasquale Gerado, July 27.

To Mr. and Mrs. Alfonse Salerno, 63 Heckel street, a daughter, Pompea Cristine, July 24.

To Mr. and Mrs. Tony Grosso, 515 Franklin street, a son, Daniel, July 23.

To Mr. and Mrs. Nicholas A. Scharf, 6 Hornblower avenue, a daughter, Alberta Mary, July 27.

PASSES DENTISTRY EXAMS

George P. Worthington of Holmes street was among those who passed the State examinations in dentistry which took place at Trenton in June. Mr. Worthington has studied dentistry for five years. As yet he has no plans for starting his practice. He was educated in the Belleville schools and graduated from high school in 1923.

BLUE FOR GRAY

Emerson Eush has resigned from the staff of carriers at the Belleville post office and has been appointed as patrolman in the Belleville police department.

Jacob Hoffman, Albert Kerr, Orswell Bates, Belleville letter carriers, and William Price, post office clerk at the post office, have returned from their vacations.

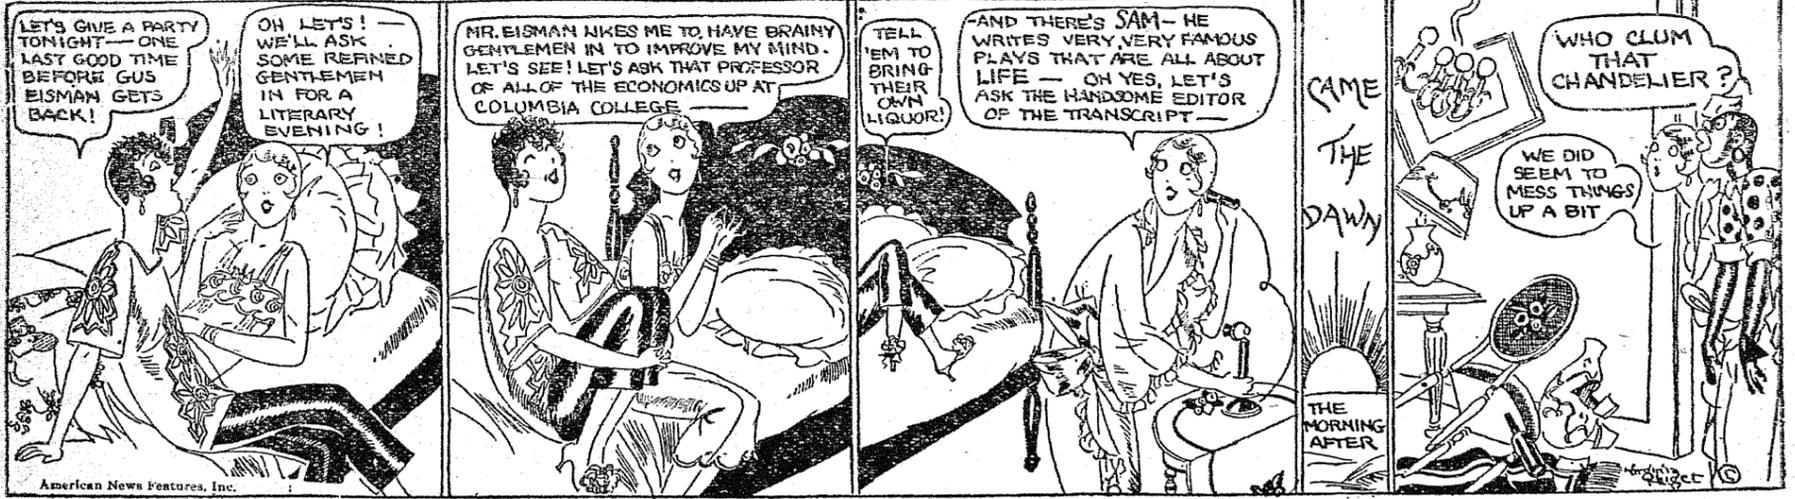

Letter carrier Joseph C. Gattuso has gone on a fifteen day vacation to South Jersey.

Letter carriers John C. Keller and Gustave M. Haberkost are on

POSTER CONTEST PLANNED BY JERSEY FLOWER SHOW

A poster contest for the cover of a Catalog-Program Book to be published by the New Jersey Florists' Association for its second annual New Jersey Flower Show to be held in the Newark Armory, November 3 to 9, has been announced by the organization. Prizes will be made for the three winning paintings—\$100 first prize, \$50 second prize, and a silver cup for third prize. Honorable mention will be given the next five winners. Judges are: Miss Beatrice ... director of the Newark ... chairman; Mrs. Daniel ...

Z. Noorian, president of the Newark Art Club; Miss Marguerite Marquart, director of art of Newark's Public Schools; Tony Sarg, widely known artist; Kenneth Daltzell, president of the Art Center of the Oranges; I. R. Hirschmann, director of sales of L. Bamberger and Co.; John C. Sipp, garden editor of the Newark Evening News; John E. Beer, city editor of the Newark Sunday Call; and A. M. Henshaw, representing the Florists' Association.

All contestants should file notice of their entry in the contest on or before August 16, with D. A. Kurk, at his office, 207 Market street, room 1212, and their paintings should be in Mr. Kurk's hands not later than October 4.

TWO WOMEN ARE INJURED IN AUTOMOBILE MISHAPS

Luhr F. Wohlke of 280 Clifton avenue, Newark, reported to the police Monday afternoon that while driving his roadster east in Franklin street, he had struck and injured Mrs. Catherine Juliano, seventy-six, of 11 Watchung avenue, Belleville.

In company with Officer Ray Demgard, he took the injured woman to Newark General Hospital, where it was reported she had suffered a possible fracture of the pelvic bone, besides other internal injuries.

Another accident was reported to the police on the same day, in which Miss Lillian Friend of 423 South Eighteenth street, Newark, suffered a slight laceration of the head, while riding in the car of James Cusack of the Newark address, who was in collision with a car driven by Frank Goldstein of 186 Washington avenue, Belleville.

The accident occurred at Washington avenue and Howard place, Miss Friend's injuries were so trivial as not to make a medical case, Sergeant Leighton at headquarters said.

A fractured rib and cuts about the neck, knees and side of the head were sustained by Mrs. Elizabeth Meyler, 15 Stephens street, in an automobile collision Monday afternoon at Bloomfield avenue and Allwood road, Passaic.

A Real Game in Miniature 18 Holes

\$16,000 TOTAL IS GOAL AGAIN FOR TOWN CHEST

October-November Period Is Announced By Committee In Charge

EXPECT LITTLE TROUBLE

The ways and means committee of the Belleville Community Chest has started to discuss plans for the campaign for funds for the coming year.

It has been decided that the campaign should continue for ten days, beginning on Wednesday, October 29, and that the "get-together meeting" of various committees will be held at a place not yet designated on Friday, October 24. It was further planned to have various committees in charge of the campaign among the social and semi-official units of the town, and to effect a thorough division of the community into districts under the leadership of a capable captain in each district, all to be under the direction of a campaign manager.

It is believed that the various organizations benefiting through the funds of the chest, will not require any more funds than this year—\$16,000—and that in two or three instances at least, larger contributions may be expected than last year. Then it was the initial effort of Belleville to have a Community Chest, and with the organization formed then and the experiences of that time it is believed that an even more successful campaign will be carried on than last year, although the first one went "over the top."

CHEVROLET TURNS OUT TWO MILLIONTH MACHINE

Flint, Mich., Aug. 6—Another automotive record toppled here when the Chevrolet Motor Company turned out its two millionth six cylinder car less than twenty full months after the introduction of this type. Just as Chevrolet led the world in four cylinder car production during the last two years that the company built that type, so now it has taken the lead in the six cylinder field by having built nearly five times as many sixes in twenty months as any other manufacturer in the history of the industry.

The brief time required by Chevrolet to build two million sixes provides an index of the rapid strides made by this organization. The

company was organized late in 1911, and there were required nearly seventeen years to turn out five million of the old four cylinder cars, while two million sixes have been placed on the streets and highways of the world since January 1, 1929, or in a total time of only nineteen months and one week.

BUS DRIVER REPORTS BEING HELD UP BY TWO MEN

The robbery of John N. Loder, twenty-six, of 47 Spruce street, Belleville, by two masked men at Sixth street and Heller Parkway, Newark, while the bus he was driving for the Public Service Co-ordinated Transport, was parked at that address at 3 o'clock Monday morning, was reported to the Newark Police Monday. The use of a cap pistol by one of the bandits, while the other had an automatic, was reported by the victim. The loot obtained was \$19.20.

PLAYWRIGHT'S FUNERAL IS HELD AT ST. PETER'S

The funeral of John H. Brown, producer, playwright and former actor, known in the theatrical world as J. Perry Brown, who died at his home, 259 Hornblower avenue, Friday afternoon, was held at St. Peter's Church at 9 o'clock Monday morning, followed by burial in East Ridgelawn Cemetery, Delawanna. The Rev. John Nelligan of St. Peter's conducted the funeral mass, and there were also Elks' services at his late home Sunday night at 8 o'clock.

Mr. Brown, who was seventy-three years old, had lived in Belleville for twenty-four years and was a native of New York City. Early in life his family moved to California and at the age of thirteen, he turned to acting as the foundation of the career in which he was in later years widely known.

It was while a member of a black-face team of comedians, styled "Perry Brothers," that he interested Brigham Young, the founder of the Mormon Church, in his future career. Young devised for him the stage name by which he was known in later life.

Besides being a member of several theatrical societies and guilds, he was a charter member of the Los Angeles Lodge of Elks.

Surviving him besides his widow are four sons, William Brown of Montclair; Maurice of 302 Union avenue, Belleville; Thomas, of Newark and George of San Francisco. He leaves also a sister, Mrs. Mary Leach of Burlingame, Calif.

NEW SCOUT ROOM IS PUT INTO USE

Patrols Of Troop 89, Reformed Church, Now Have Place Of Own

TALK OF SCOUT MUSEUM

The new room built at Belleville Reformed Church by Boy Scouts of Troop 89 was dedicated Friday night. Scoutmaster Frank Holmes says that the room is primarily for the use of patrols, so that each patrol will have a place to meet individually with its leader and make plans for inter-troop games and competition. The troop will also hold its regular meetings there and has offered the use of the room to girl scout Troop 6, which meets at the Reformed Church.

Dr. E. C. Reock has donated a table, a lamp and five chairs and Ms. William P. Adams has promised the boys an electric fan.

In the dedicatory address, Rev. John A. Struyk spoke of the unselfish and efficient service rendered by the troop by its scoutmaster. The deputy scoutmaster, Harry F. Brumbach, outlined the general activities of scouting in Belleville and of Troop 8 in particular. William MacKillop, chairman of the scout committee, was introduced to the company.

Following the dedication, re-

freshments were served in the hall upstairs. Before disbanding for the evening, the scouts repeated their oath and laws and the pledge of allegiance with the accompanying flag ceremony.

Mr. Holmes stated that eventually the troop hopes to have a museum. At present, it is in its infancy and includes various collections of silk worms, grasshoppers, turtles and snakes. The troop has on display the silver loving cup which it won for victories in the boat regattas on the Passaic river three years in succession and a 1928 pennant which was won in a circus staged by the Newark council.

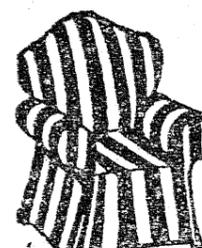

PLAN WASHINGTON TOUR

Among those who have made reservations for the Labor tour of the St. Joseph's Catholic Club to Washington and vicinity are Mr. and Mrs. Cornelius McGonigle, 128 Division avenue; Daniel Campbell, 31 Tiona avenue; Mrs. Bertha Bridge, 97 Maolis avenue, Bloerfield and Miss Cecelia Woskiewicz of the same address. Richard F. Hudson of 167 North Fourteenth street, East Orange is in charge of the party. So far about seventy reservations have been made.

List Kicks on Greylock Playground

PLAYGROUND IS CALLED NUISANCE

Residents Of Greylock Section List Reasons For Closing It

NOT THE FIRST PROTEST

A petition signed by fifteen nearby residents requesting the closing of the playground adjoining School No. 5 at Greylock parkway and Adelaide street, was read before the Board of Education at its meeting Monday night and referred to the building and grounds committee for investigation and report.

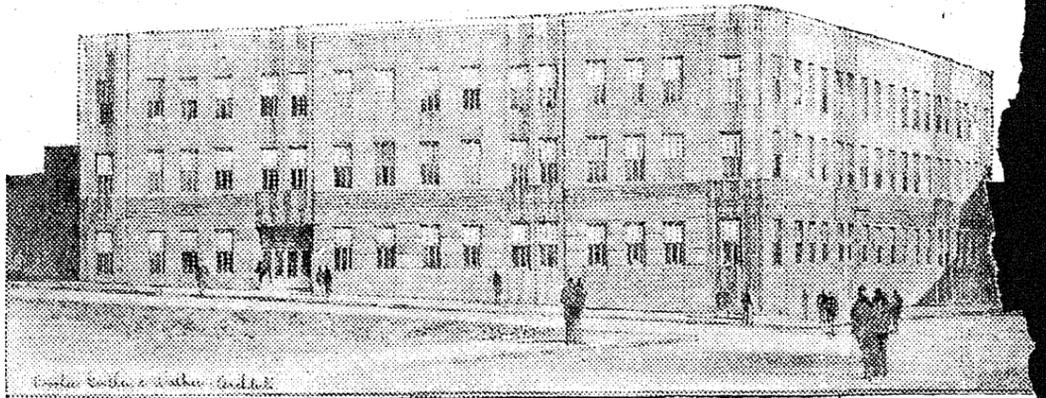

The playground was referred to

in the petition as a "nuisance," five reasons being specified, namely: poor supervision; the use of profanity, objectionable to the neighborhood with its small children; grounds not used by their own children, but by children outside the district; grass rained by boys at play crossing boundary lines; numerous windows broken in play.

The signers asked that the ground be abolished as of no use to the neighborhood, and making it less desirable for home purposes, even decreasing the value of surrounding property.

J. J. Turner, business manager of the schools, said after the meeting that he had received numerous objections to the playground in the past, and that he had received delegations in person before the petition was offered. There is no shade at the playground, an added item against it, the objectors pointed out.

NEWARK'S PROJECTED TELEPHONE BUILDING

The New Jersey Bell Telephone Company will break ground within a few days on the half-block bounded by Plane, William and Arlington streets, Newark, for the erection of one of the larger buildings in the city which will become the dial telephone center for downtown Newark.

Within two years the dial service center will be in operation, housing dial equipment to replace the present manual switchboards at 281 Washington street now serving Market 2, Mitchell 2 and Mulberry 4 subscribers. These offices by 1932 will be serving approximately 50,000 telephones, or al-

most half the total in service in Newark at that time, R. J. L. McGuire, manager for the telephone company, said yesterday.

The structure will have an initial height of three stories, but its plans and foundations will provide for an ultimate height of nineteen floors, the building being destined to meet the telephone growth of the central part of the city for twenty-five or thirty years to come. Voorhees, Gmelin and Walker, who designed the 540 Broad street headquarters of the telephone company, designed the projected William street building from specifications of telephone engineers anticipating

the need of nineteen floors to for growth in the service of the next quarter of a century.

Mental Disease Oddities

Among the patients at Edinburgh hospital for nervous diseases suffer "stereotypy" is a man who single word in the same way times without stopping. spent all his spare time for eight years shuffling and reshuffling pack of cards. A third spent eight years in the institution never asked for anything but "train fare to Carlisle."

Power, Inc.
es of the First Spiritual
of Psychic Power will be
uesday evenings at 8 o'clock
Thursday afternoons at 2
at 341 Washington avenue,
May W. Schoenburg will
speaker assisted by Ella
Messages to all.

Belleville Reformed Church

Sunday, 11 a. m., preaching ser-
vice. The sermon will be delivered
by the Rev. A. Pohlman, D. D.,
pastor of the Lutheran Temple of
Philadelphia. Everybody is cordi-
ally invited to hear this gifted
speaker. Dr. Pohlman will preach
on the following Sunday, Aug-
ust 17.

Christ Episcopal Church

Rev. Peter R. Deckenbach, rec-
tor. Eighth Sunday after Trinity.
Morning prayer and sermon at 11
o'clock. Hal W. Earl, lay reader
will preach on the subject of
"The Talents." The Community
Union Service will be held at
Christ Church on Sunday evening
at 7:30 o'clock. Rev. B. F. Dick-
isson will be in charge.

Christian Science Church

"Spirit" will be the subject of
the lesson-sermon in all Churches
of Christ, Scientist, on Sunday,
August 10. The Golden Text is:
"The Spirit is Life Because of
Righteousness," (Romans 8:10).
Among the citations which com-
prise the Lesson-Sermon is the fol-
lowing from the Bible: "This I say
then, Walk in the Spirit and ye
shall not fulfil the lust of the
flesh," (Galatians 5:16).

The Lesson-Sermon also includes
the following passage from the
Christian Science textbook, "Sci-
ence and Health with Key to
the Scriptures" by Mary Baker
Eddy: "The suppositional antipode
of divine infinite Spirit is the so-
called human soul or spirit, in
other words the five senses,—the
flesh that warreth against Spirit.
These so-called material senses
must yield to the infinite Spirit,
named God."

FUNERAL OF W. F. SCHILLING

Last rites for William F. Schil-
ling of 130 Academy street, who
died at his home early Saturday
morning, were held at his late
home at 8 o'clock Monday night,
conducted by Rev. Edward Fuhr-
man, pastor of St. Stephens Evan-
gelical Church, Newark, and also
by the Rev. Edgar M. Compton,
pastor of Wesley Methodist Epis-
copal Church, Belleville.

The two ministers conducted the
seices in German and English, in
the order named. Burial was in
East Ridgelawn Cemetery, Dela-
wanna at 10 o'clock Tuesday morn-
ing.

Mr. Schilling, who died of heart
trouble after three months' illness,
was thirty-two years old and a na-
tive of Newark, although he had
lived also in Irvington and latterly
in Belleville for nine years. He
was a member of the Irvington
Moose Lodge, and a chauffeur by
trade.

Surviving him are his mother,
Mrs. Louisa Oremus and his sis-
ter, Miss Frieda R. Schilling of the
Academy street address.

BELIEVE GUARD PREVENTED
PLAN TO BURN GROCERY

The discovery of inflammable
materials in the rear of the gro-
cery store of John Devita of 94
Franklin street, Silver Lake, evi-
dently placed with incendiary in-
tent, was under investigation by
Police Chief Michael A. Flynn and
the fire department early this week,
after a second floor tenant had re-
ported the odor of alcohol and
gasoline on the premises.

Devita told the police and fire
underwriters Tuesday that he was
in Hackettstown over the weekend.
The discovery was made at 3 a. m.
Monday by Angelo Juliano, the
overhead tenant, who had returned
from a trip to Long Branch.

Modesto Magliaro of 206 Garside
street, Newark, clerk in the store,
told police he had been in the store
as late as 9 o'clock Sunday night,
and up to that time he had discov-
ered nothing suspicious. Chief
Flynn posted a guard, composed of
Patrolmen Flynn and Gross, and
believes he thus averted the car-
rying out of a possible arson
scheme. No arrests were made,
but the investigation was con-
tinued.

HELD FOR GRAND JURY
ON HAIR PULLING CHARGE

Bald spots upon the head of one
woman, the result of a hair-pulling
match with another, in a quarrel
over their children, were exhibited
in police court Friday night, when
Mrs. Astrid Johnson of 25 Park-
view avenue appeared to press a
complaint of assault and battery
against Mrs. Katherine Conforte,
living at the same address.

Mrs. Johnson complained that
her neighbor had torn out hair by
the handful and had ripped her
dress completely off, before the
fray ended. The dispute oc-
curred Wednesday night, when the
two mothers took sides in a quar-
rel between their offspring.

Recorder Fitzsimmons agreed
that Mrs. Johnson's hair was sadly
depleted and held Mrs. Conforte in
\$500 bail for the Grand Jury. Her
husband, Perry Conforte paid the
bail and she was released.

NOTICE

NOTICE is hereby given that the fol-
lowing ordinance was introduced at a meet-
ing of the Board of Commissioners of the
Town of Belleville, held Tuesday evening,
July 29, 1930, and passed first reading
on said date, and the said Board of Com-
missioners of the Town of Belleville, have
fixed the 12th day of August, at the hour
of 8 P. M. Daylight Saving Time, in the
Town Hall, Belleville, N. J., as the time
and place when and where said ordinance
shall be further considered for final pas-
sage by said Board.

JOHN J. DALY, Town Clerk.

AN ORDINANCE PROVIDING FOR
THE CONSTRUCTION OF 7" R. C.
PAVEMENT, CONCRETE SIDEWALK
AND GRANITE CURBING AND SUB-
CONSTRUCTIONS ON SPRINGER
STREET, IN THE TOWN OF BELLE-
VILLE, FROM BALDWIN PLACE TO
LUKOWIAK PLACE, PROVIDING FOR
THE ASSESSING OF THE COST THERE-
OF ON PROPERTY BENEFITED, AP-
PROPRIATING THE SUM OF \$5,000
THEREFOR, AND AUTHORIZING THE
ISSUANCE OF TEMPORARY IMPROVE-
MENT BONDS OR TEMPORARY IMPROVE-
MENT NOTES.

The Board of Commissioners of the
Town of Belleville, in the County of
Essex, do ordain:

1. That Springer Street, in the Town
of Belleville, from Baldwin Place to Lu-
kowiak Place, be improved by the construc-
tion of 7" R. C. Pavement, Concrete Side-
walk, and subcon-

2. The cost of said improvement is
hereby estimated to be the sum of \$5,000.
The said sum is hereby appropriated to
pay said cost. For the purpose of meet-
ing such appropriation, temporary im-
provement bonds or temporary improve-
ment notes of the Town of Belleville are
hereby authorized to be issued in an
amount not to exceed the amount of said
appropriation, pursuant to the provisions
of Section 13 of Chapter 252 of the Laws
of 1916, and the acts amendatory thereof
and supplemental thereto, which bonds or
notes shall bear interest at a rate not
exceeding six per centum per annum. All
other matters in respect to said temporary
improvement bonds or temporary improve-
ment notes, shall be determined by resolu-
tion of the Board of Commissioners or by
the Director of Revenue and Finance, as
the Board of Commissioners may here-
after by resolution determine.

3. Said improvement shall constitute a
local improvement and the cost thereof
shall be assessed against the abutting
property to the extent of the benefits re-
ceived from said improvement.

4. This ordinance shall take effect
immediately.

NOTICE

NOTICE is hereby given that the follow-
ing ordinance was introduced at a meet-
ing of the Board of Commissioners of the

SHOCK THROWS MAN OFF LADDER

Police Rush Back With Inhalator When He Shows Signs Of Life

WAS BLOOMFIELD RESIDENT

Fred Wright, twenty-five, of 29 New street, Bloomfield, an electrician, was killed in a fall resulting from a shock of 110 volts while engaged in electrical work at the employees' laundry of the Atlantic & Pacific Tea Co., 253 Cortlandt street, at 3 o'clock Tuesday afternoon.

Supposed signs of life after he had been once pronounced dead brought the police department back for a second application of an inhalator which had been used without avail when they were first called.

Wright, who had recently removed from Verona to Bloomfield, was working in the laundry with two fellow electricians, William C. Dunbar of Pequannock and George McMann of Brooklyn. All are employed by Peters & Peters, electrical contractors, of 25 Broadway, New York City.

Falls From Ladder

While standing on a ladder, Wright received the shock which caused him to topple off and land on his head. It was believed his neck was broken, for the shock he received was relatively minor and of itself could not have caused his death, according to physicians.

Police were called with an inhalator, and the victim was worked upon in turn by Patrolmen Edward Fleischauer, John F. Flynn, Robert Anderson and Motorcycle Officer Kenneth Smith. Dr. Rubin of Belleville pronounced him dead after twenty-five minutes application of the inhalator.

Apparently showing signs of revival, the police, who had sent the inhalator back to headquarters, sent for it again, and for twenty minutes more they worked, and this time Dr. Smith of Soho Isolation Hospital, who by this time had arrived in an ambulance, pronounced him dead for the second time.

The body was removed to Huelssenbeck's morgue, Newark, and police communicated with Wright's uncle, Irwin Castle of 11 Prospect street, Belleville, who reported that the victim's father C. M. Wright was in Elberon. A telegram was sent by Mr. Castle advising him of the fatal accident, and word was also conveyed to his home in Bloomfield where a wife survives him.

Weight of Honey Bees

Honey bees weigh about 5,000 individuals to the pound. So the average weight of a honey bee would be a little less than one three-hundredths of an ounce.

Intense Magnification

Living organisms now can be studied through a microscope that magnifies as much as 12,500 diameters as the result of a heat filter to prevent the strong light that has to be used from killing the specimens.—Popular Mechanics Magazine.

GARDEN BOOKLETS FREE

Readers of this paper can get any of the following illustrated booklets by filling out the blank spaces below and checking the booklets in which you are interested. Pie Eating Contest and Other Stunts Amuse Playground Youngsters During Hot Spell

The various playgrounds continue to be the source of much activity. Prize winners in the kite contest at the new Soho playground on July 30 were as follows. Solo flight, Stanley Dopart; best homemade kite, Thomas Goldrick; kite longest in air, Louis Deleagro. The instructor, Thomas Kennedy, acted as judge.

Friendly playground held a baby parade on July 31, when Concetta Galioto was adjudged the best child, Jennie Montalbano second best and Anthony Longo, third. Marie LaMonica was awarded the best baby prize, Samuel Giambone the prize for the best boy's costume and Jean Russo for the best girl's costume. The judges in this contest were Mrs. Eleanor Petrucio, Mrs. Mario Longo and Mrs. Carrie Longo.

The boys' checker tournament at the same playground was won by Franklin De Jura, Jerry Buccinio coming in second. James Torre carried off the honors in the boy's horseshoe tournament, with James Bruno second. The winner in the girls' horseshoe tournament was Lillian Wright, Virginia Arena, second. Concetta Franzi and Marie De Jura were first and second winners in the jack tournament.

HEAVY FEEDERS

In the pie eating contest at Silver Lake playground on August 1, Henry Cataldo and Rose Dachino were the winners among the senior boys and girls, while Marco Cieri proved to have the biggest appetite among the junior group. Miss

Catherine Watters, Jerry Bonavita and Frank Catalano were the judges.

No. 1 school playground held a doll show August 1. Prize for the best baby doll went to Olive Delaporte, best dressed doll, Catherine Wood, most original costume, Helen Kaluzer, best homemade doll, Martha Miller, oldest doll, Julia Bosiak. Those who passed judgment were the Misses Emma Hogg, Gemma Del Grosso and Ella Miller.

Both the girls' checker tournament and jack tournament at this playground were won by Viola Murrin. Helen Kaluzer was second best in checkers and Emma Hogg in jacks.

AWARDS IN PET SHOW

Awards in the pet show held August 1 at No. Five School playground were as follows: smallest pet, Eleanor Nappa; largest pet, Harriet Anderson; prettiest dog, Anna Di Pasquale; prettiest cat, Elizabeth Rolke; rarest pet, Warren Everson; homeliest pet, Walter Watson.

Recreation House playground held a similar show on the same day with the following results: best dog, George Martin; best

puppy, Ruth Boutillette; best cat, Anna Ross; best turtle, William Miller; best butterfly, Peggy Mayers; best white mouse, Raymond Heaver; best bird, Sophie Madler; best fish, Claude Miller.

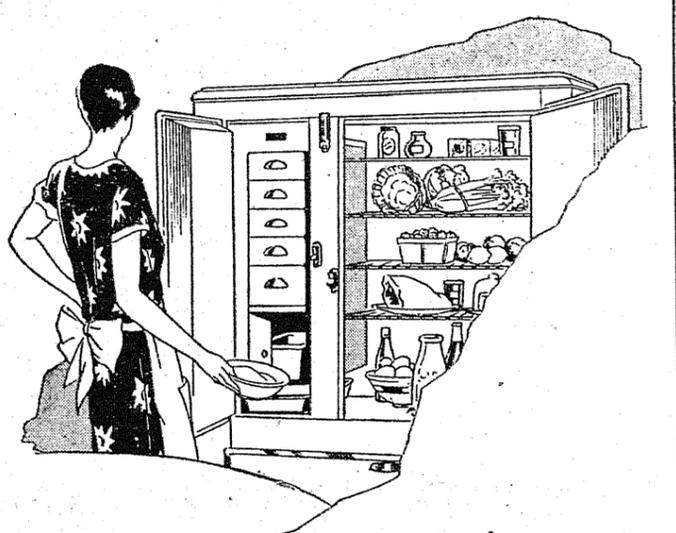

In the interplayground activities playground ball scores were: No. 5 School playground 18; recreation house 8; No. 1 School 0; Silver Lake 12; No. 5 School 5, Silver Lake 7 (11 innings); Friendly playground 14, recreation house 12.

Scores in boys' volley ball were: Friendly 9, 9, recreation 15, No. 5 school 9, 11, Silver Lake 15; recreation 9, 14, Silver Lake 15, 15; No. 5 school 15, 15, No. 5 school 1, 4.

Kelvinator Electric Refrigeration

—the easy way to keep foods fresh

THE KELVINATOR safeguards the health of the household. There is little danger of tainted foods—even in the hottest spells—when the food supply is kept in the dry cold atmosphere of the Kelvinator.

Each Kelvinator cabinet has trays where ice cubes are frozen. Some of these trays make the cubes in specially quick time. Higher priced Kelvinator cabinets have a special compartment, shut off by a separate door, where frozen dishes or other foods will keep for long periods.

Every home needs the convenience and safety of automatically operated refrigeration. The Kelvinator is an excellent choice. The models with four separate temperatures sell from \$395 up and the models with three temperatures sell from \$215 up.

Our Exhibit at the American Fair, Municipal Auditorium, Atlantic City, shows the Industrial Advantages of New Jersey. When in Atlantic City pay us a visit.

PUBLIC SERVICE

THOR Electric Washer

—the easy way to do a washing

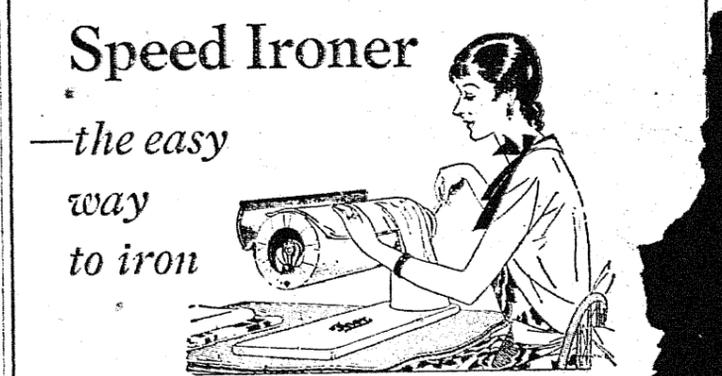

THE clean soapy water is sent through each article again and again until all the dirt is removed. There is force enough in the swirling water to loosen and take out the dirt, but there's no mechanism in the washer that can tear or injure fine fabrics. The rollers are made of soft rubber so that fasteners are not torn from a garment

\$99.75 cash or
\$105.75 on terms of
\$5 down
and 18 months
to pay balance

PUBLIC SERVICE

THOR Electric Speed Ironer

—the easy way to iron

THE ironer heats quickly and with its long roll you can press articles flat and thus reduce your ironing time. Even dresses with frills and pleatings can be ironed successfully on the Thor. The ironer is small enough to move easily and can be operated on any electric outlet.

\$79.50 cash and \$84.25 on terms of
\$5 down and eighteen months to pay.

PUBLIC SERVICE

MORE PRIVATE CARS, BUT FEWER COMMERCIAL AUTOS

Motor Vehicle Department statistics for the first six months of the year, released today by Commissioner Harold C. Hoffman, show substantial increases in the number of licensed drivers and passenger vehicles in the State of New Jersey, but a decrease of two per cent in commercial registrations for the same period in 1929.

In the first six months of 1930, the department has issued 649,103 passenger registrations, whereas in the same period in 1929, there were issued 617,468 passenger registrations. This is an increase of one and one-tenth per cent over the preceding year.

For the same period in 1930 this department issued 121,654 commercial registrations, whereas for the same period in 1929, there were issued 121,957 commercial registrations, a decrease of two-tenths of one per cent.

cial registrations, whereas for the same period in 1929, there were issued 121,957 commercial registrations, a decrease of two-tenths of one per cent.

INSURANCE BUSINESS GOOD

Fred M. Hulsart, special representative in Belleville, for the Jefferson Standard Life Insurance Company, says the insurance business and his company in particular made great strides in the first six months of the year, according to the reports from the semi-annual meeting of the directors which has recently been held at the home office in Greensboro, N. C.

President Julian Price and the other officers of the company reported a gain of \$2,067,000 in assets in the six-months period, for

a new total of \$50,813,000 and new business of \$28,653,700 for upwards of \$370,000,000 insurance in force in twenty-five states in which the company operates.

Angus W. McLean, former Governor of North Carolina, member of the board of directors, joined the officers in forecasting improved business in the immediate future.

RECORDER RELENTS WHEN HE LEARNS OF LOST JOB

Believing that the loss of his job was sufficient punishment, Recorder George A. Fitzsimmons gave a suspended sentence to Charles Shereck, twenty-nine, of 35 Beacon avenue, Jersey City, De Camp bus driver, when he appeared in court last Friday night to answer a charge of disorderly conduct, involving a fight with a Public Service truckman at William street and Washington avenue last Tuesday.

The complainant was John A. Pures of 183 Highland avenue, Kearny. Recorder Fitzsimmons heard Shereck's recital of how sorry he was the altercation occurred, resulting in his dismissal, and found both the drivers guilty of being disorderly, then freed them with a reprimand.

The dispute resulted when the De Camp bus stopped with a flat tire in front of Pures' truck, without allowing him room to pass, according to the truckman.

Friendships

I do not wish to treat friendships daintily, but with roughest courage. When they are real, they are not glass threads or frostwork, but the solidest thing we know.—Ralph Waldo Emerson.

LEAVES \$1,000 TO TRAIN YOUTH FOR PRIESTHOOD

A bequest of \$1,000 by which some worthy young man may be assisted in his education for the priesthood is provided in the will of Delia Theresa Murphy of Belleville and DeWitt avenues, who died July 18 at her home, it was revealed when the will was filed on Thursday of last week with the Surrogate's office in Newark.

The will provides that John A. Breen shall be executor and that Rev. E. J. Field of St. Peter's Church shall select the young man to receive benefit of the legacy. Father Field said Saturday that he had given no thought to the naming of this beneficiary as yet.

The residue of the estate is bequeathed to St. Peter's Church, after small bequests to relatives.

SWINGING INTO THE FALL

The summer season is half through. Torpor is giving way to energy. Merchants and business men listed on this page are getting ready for an active season ahead. They are making ready to end a seasonal period of inaction.

New stocks will be placed on the shelves—new values will be available to the shoppers—new services will be ready for everyone. Get on the band wagon. The time is at hand to swing into the fall season with these progressive men.

“PATRONIZE THESE MEN.”

Greylock Rapid Shoe Repairing

Repairing shoes is the business of Stanley Gieranoski, owner of the Greylock Rapid Shoe Repairing store at 584 Washington avenue, but so well does he do his job that customers continue to patronize him if they have to follow him out of town.

This is born out by the fact that Mr. Gieranoski, a former shoe repair man of Nutley, still counts on a large number of Nutley residents to come to his store on Washington avenue. Previously located at 196 Chestnut street, that town, he moved to Belleville in October, 1929. Last week two of his Nutley patrons brought shoes to him for repair.

There is a good reason why this is so. Mr. Gieranoski has spent many years in the business. He specializes in his work—is a master craftsman—and turns out work that restores shoes to a condition comparable with new ones.

Individual tastes are catered to by the Greylock repairman. If children's shoes are to be fixed he uses a special quality of sturdy leather that pleases parents with long wear. The same leather is used for work shoes and he has developed a reputation that cannot be captured by competitors.

Yet even though his repair work on heavy shoes has won for him the confidence of patrons, his work on feminine footwear is more to be praised. The delicate shapes and weights of shoes that come to Mr. Gieranoski are retained. Women find a pleasant surprise in store for them when they get their shoes repaired at this shop.

The quality of his work has had its results. Work has been plentiful and has continued to increase since he came to Belleville.

THE REASON FOR OIL WASTE

The overproduction crisis in the petroleum industry results from the fact that in one important particular the industry differs from others. An oil field is jointly owned by a number of operators. However, there is no such division of ownership in the oil pool underground. A single producer, owning but a small share of the land, could, if the others curtailed production, entirely drain the field, depriving others of their property.

Therefore, when one producer drills, all who have an interest in the field must likewise drill, regardless of the law of supply and demand. A single irresponsible producer, representing only a small minority interest in a field, can thus make inoperative all the efforts of the major producers to achieve conservation.

But one workable solution to the problem of competitive drilling drainage has been found, in the opinion of many experts—the unit system of operation. Under this system, control of a field is vested in a committee representing all the interests. The committee produces only as much oil as is needed to supply the market, keeping the balance underground in natural storage until called for by public demand.

Our petroleum resources, no matter how large, are irreplaceable. They must be intelligently used. To allow waste is economic folly and the public will take the consequences unless it is stopped.

NOT ENTIRELY FAIR

Two bus companies in this section claim that they are spending needlessly \$150 a day or more on extra mileage caused by the closing of the Belleville bridge over the Passaic river. That is a serious drain on any business and when coupled with the loss of passengers because of an increased running time it is little wonder that the bus people are bitter.

Of course nobody encouraged the bus companies to invest their money in that particular form of transportation; nobody promised them that bridges would be kept open. But they are furnishing an ever-growing percentage of the passenger transportation in this vicinity, which means that anything which bothers them bothers large sections of the public, and it is a further fact that they are heavily taxed for the use of public roads and bridges.

In justice to everybody a bridge as vital as the one in Belleville should be repaired at unusual speed and put into service again.

JUST REGISTERING DISSATISFACTION

Canada has voted out the Liberals and the principal reason, so the leading newspapers of the Dominion say, is the present business depression. It is possible, of course, that Canada hasn't heard that the United States elected Hoover to perpetuate Coolidge prosperity. But it is more likely that the Canadian people do know that changing parties will have little or nothing to do with prosperity. They simply are dissatisfied and the only way they know to express it is to vote the controlling party out of power. Futile, perhaps, but at least it registers a protest.

THIS IS NO SOLUTION

So far as we are concerned we haven't the slightest doubt that a substitute for alcoholic drink which would have the "lift" of alcohol without its after effects can be discovered by chemists as is suggested by Viscount d'Abernon. Fully as unusual things have been done. But we are also quite sure that such a harmless substitute wouldn't be a solution for our liquor problem. There are those on the side of prohibition who are there because of the undoubted ill effect which over-indulgence in alcohol has on the human family. But the leadership always has come from the reform class who want nothing on earth such as to force other people who are different from them to conform.

If the liquor question disappeared tomorrow this section of the community would not rest until it had fastened on some other method of carrying those who thought differently.

JUST HUMANS

Do not only contend with evil thoughts or inclinations of the will, but get thyself earnestly engaged with a good thought for purpose, until those evil thoughts vanish.—Anselm.

Will Rogers Pick A Story For This Spot

By WILL ROGERS

THERE was some folks out Oklahoma that got them a oil well, and they didn't know to do with all their dough, so hired a smart fellow to look their ancestors.

"Spend all the expense dough y like," says the oil man to the lege prof that he hired. And go the old country and look through all the cemeteries and everything. Then when you get a book full o

stuff, I'll pay you extra for get it printed, and I'll send copie all the editors in the country."

So the professor went away a year, and when he came bac the oil guy says:

"Well, here's the rest of y wages, and you turn in your pense account for the last mon and we'll look after it. And ne how much do you want about t book?"

"Oh, it'll take about a hundr thousand."

"That's a lot of dough, ain't it I never thought it'd cost that much to get this stuff published."

"Twouldn't. This is to keep it from being published. And when show you the stuff I've dug up of your ancestors, you'll think a hund red thousand is mighty cheap."

Win Free "Movie" Tickets in Times-Capitol Contest

THERE ARE 9 MISTAKES IN THIS PICTURE

LAST WEEK'S WINNERS

First, Harland Maxwell, 370 Union avenue, who found eleven of the twelve mistakes; second, Elizabeth Brown, 70 Division avenue, who found ten of the twelve mistakes; third, Dorothy Walton, 47 Mt. Prospect avenue, who found eight of the twelve mistakes.

LAST WEEK'S ANSWERS

- 1.—"Prescriptions" misspelled.
- 2.—Carbon monoxide not sold.
- 3.—Drug stores do not handle hardware.
- 4.—Castile soap made in Spain.
- 5.—Aitar of roses not sold for 75 cents a bottle of size shown.
- 6.—Table has only two legs.

Name

Address

- 7.—Oliver Twist and Moby Dick not late fiction.
- 8.—Life of Lincoln not fiction.
- 9.—A franc is a French coin.
- 10.—Rag rugs not used in drug stores.
- 11.—Marcel waving not done in drug store.
- 12.—One square on floor unshaded.

HOW TO TAKE PART

The contest is open to adults as well as boys and girls. Names of the winners will be announced at the Capitol Wednesday evenings. Winners may secure tickets at THE TIMES office. Write answers on blank provided and sign name and address. All answers must be in THE TIMES office by 9 a. m. Monday.

K. of C.

(Continued from Page One.)

Montclair, marked the first meeting at the new home. Officers present from out of town included: Grand Knights J. E. Egan of Montclair Council; Edward O'Neil, Newark Council; Frank Boland, Orange Council; Bernard Dann of Bloomfield Council, captain of Monsignor Doane Assembly, fourth degree color guards.

Past Grand Knight James E. Specht was re-appointed district deputy. William J. Byrnes Sr., chairman of the athletic committee, announced plans for a senior basketball team for the coming season. It is proposed to enter a team in the Hudson and Bergen County Bowling League and in the Belleville American Legion League.

Refreshments were served by the entertainment committee of which Mr. Specht is chairman. He was assisted by Mr. Byrne, Leslie Whitfield, Henry Novakowsky and Alexander Derbyshire.

No Alterations

The new home of the order is of frame, two and a half stories high, and it will be occupied without alterations for the present. It was given a housewarming at Monday night's meeting.

The members and visitors found the new home already equipped with a spacious front room for club purposes. There are five rooms on each floor and also ample space in the attic. The property has a footage in front of fifty feet and a depth of 165 feet.

World's Danger

Whenever education and refinement grow away from the common people, they are growing toward selfishness, which is the monster evil of the world.—Henry Ward Beecher.

City Facilities for All

When Americans want things they usually get them. Today there are few houses so isolated that to a greater or less extent they cannot have the facilities that formerly were to be found only in the cities. The dweller on "acreage" and the summer camper are alike blessed by invention.

DAYS OF SUFFERING NOW QUICKLY ENDED
 The next time you start one of these days, see the instant relief you get with Dillard's Aspergum. Almost before you know it the pain disappears, your nerves suddenly relax. With Aspergum you chew the pain away. For it is the finest aspirin obtainable, put up in chewing gum form. Now you can take aspirin any time, any place. No water. No bitter taste. No choking sensation. Because your cheap Dillard's Aspergum the aspirin mixes thoroughly with the saliva so that all its soothing qualities are effective quickly, continuously. It brings quick relief from aching heads, toothache, the pains of neuritis, neuralgia, even rheumatism. If your druggist does not have Dillard's Aspergum, send for a free sample to Health Products Corporation, Dept. A, 113 North 15th Street, Newark, N. J.

School Board Members Come from Summer Homes to Meet

96 YEARS OLD, BUT TEACHES

Mrs. George Cole of Overlook avenue returned home Monday from a week's vacation spent in Leonardo at the summer home of Mrs. Frederick Ruff of Bell street. Other guests were Mrs. Ruth Lang and her daughter Ruth, who brought with them two friends. One of them was a French countess ninety-six years old who supports herself by teaching the French language, going to the homes of her pupils to give her lesson.

Every week during the summer an average of two or three ladies recommended by Miss Lang as in need of an outing are welcomed to Mrs. Ruff's home.

NOTICE

PUBLIC NOTICE IS HEREBY GIVEN that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, August 5th, 1930, and further notice is hereby given that second and third reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, August 19th, 1930, at 8 o'clock P. M. when all objections to the passing of the same will be heard and considered.

JOHN J. DALY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF A WATER MAIN IN THE EASTERLY SIDE OF FRANKLIN AVENUE, IN THE TOWN OF BELLEVILLE, FROM HILTON STREET TO ARTHUR STREET, AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES, AND APPROPRIATING THE SUM OF \$9,500.00 THEREFOR.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That the easterly side of Franklin Avenue, in the Town of Belleville, from Hilton Street to Arthur Street, be improved by the construction of a water main therein.

2. The cost of said improvement is hereby estimated to be the sum of \$9,500.00. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville, are hereby authorized to be issued in an amount not to exceed the amount of said appropriation pursuant to provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes shall be determined by resolution of the Board of Commissioners of the Town of Belleville or by the Director of the Department of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

3. Said improvement shall constitute a general improvement and the cost thereof shall be borne by the Town at large.

4. This ordinance shall take effect immediately.

NOTICE

PUBLIC NOTICE IS HEREBY GIVEN that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, August 5th, 1930, and further notice is hereby given that second and third reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, August 19th, 1930, at 8 o'clock P. M. when all objections to the passing of the same will be heard and considered.

JOHN J. DALY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF A WATER MAIN IN MAY STREET, IN THE TOWN OF BELLEVILLE, FROM SOUTH WILBER STREET EAST APPROXIMATELY 880 FEET, AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES, AND APPROPRIATING THE SUM OF \$3,000 THEREFOR.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That May Street in the Town of Belleville, from south Wilber Street east approximately 880 feet, be improved by the construction of a water main therein.

2. The cost of said improvement is hereby estimated to be the sum of \$3,000.00. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville, are hereby authorized to be issued in an amount not to exceed the amount of said appropriation pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes shall be determined by resolution of the Board of Commissioners of the Town of Belleville or by the Director of the Department of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

3. Said improvement shall constitute a general improvement and the cost thereof shall be borne by the Town at large.

4. This ordinance shall take effect immediately.

The school calendar for the coming year was approved by the Board of Education at its meeting Monday night, providing for the re-opening of the schools for teachers on September 2, and for pupils on the following day.

The Board, which acted upon recommendations of Supervising Principal George R. Gerard, accepted plans for the first twenty-week term to run till January 30, including in it ninety-seven school days, and the second term, beginning February 2 and ending June 26, will have 100 days.

Holidays as usual will be Thanksgiving, Christmas, Washington's and Lincoln's birthdays. The Christmas vacation runs from December 23 to January 5 under the schedule adopted, and the spring vacation from March 27 to April 6.

Miss Brennan Resigns

The Board accepted the resignation of Miss Kathryn Brennan as teacher in the high school effective as of August 1. Mrs. Francis Graw Levine, who was recently married, after a term of service in the schools, applied for a year leave of absence, which was refused.

A substitute teacher to meet vacancies on teachers' visiting days was named. She is Miss Leonora V. Miller. New teachers named were the Misses Roberta Merritt, Lucille Joseph, Myrtle Isaacson. In addition, the Board reappointed Miss Bertha Wagner, a former teacher who had lost some time due to illness.

New text books were adopted for the high school classes in Spanish, for general science, and for business training.

The financial report from Business Manager J. J. Turner showed the per capita cost of education in the year closed to have been \$86.81, based on an enrollment of 5,496, and \$89.93, based on an attendance of 5,311, the average number. This was an increase of \$1.18 and \$1.11 over a year ago.

The cost of replacing damaged or ruined equipment in the recent fire at School No. 7, Joralemon street and Passaic avenue, will be approximately \$2,400, according to Mr. Turner's figures. The loss was fully covered by insurance and the repair work is to proceed with the school to be made ready in time for the fall opening.

Courts Nearly Ready

Tennis courts on Clearman Field are almost complete, the Board was told by the building and grounds committee. The courts will be fenced off from the ball field at the upper end of the grounds, a necessity overlooked in the original specifications.

Rules and regulations governing the courts are to be drawn up by this committee, and it will be decided whether the courts may be opened to the use of the public after school hours.

The June report of Mr. Gerard was filed, showing a total enrollment of 5,543 for the month, an increase of 393 over June 1929. There were sixty-seven cases of tardiness during the month, and Schools Nos. 2 and 3 had none whatever.

Twelve members of the high school class attempted and passed examinations for entry in the Montclair Teachers' College, or the Newark State Normal School. Examinations in the grammar schools showed 4,129 passing, while 340 failed, a percentage of 92.4.

All members attended the meeting except Watson Current who is ill at his home. Mrs. C. A. Stickel came from Bloomingdale and William W. Steward from Budd Lake where both were vacationing, and whether they returned after meeting. President John Maloney the Board had just returned from a vacation at the shore. Board will not meet again until, but has set the date after Labor Day as the next session.

PUBLIC NOTICE IS HEREBY GIVEN that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, August 5th, 1930, and further notice is hereby given that second and third reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, August 19th, 1930, at 8 o'clock P. M. when all objections to the passing of the same will be heard and considered.

JOHN J. DALY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF A WATER MAIN IN SPRINGER STREET, IN THE TOWN OF BELLEVILLE, FROM BALDWIN PLACE TO LUKOWIAK PLACE, AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES, AND APPROPRIATING THE SUM OF \$1,000 THEREFOR.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That Springer Street, in the Town of Belleville, from Baldwin Place to Lukowiak Place, be improved by the construction of a water main therein.

2. The cost of said improvement is hereby estimated to be the sum of \$1,000.00. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville, are hereby authorized to be issued in an amount not to exceed the amount of said appropriation pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes shall be determined by resolution of the Board of Commissioners of the Town of Belleville or by the Director of the Department of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

3. Said improvement shall constitute a general improvement and the cost thereof shall be borne by the Town at large.

4. This ordinance shall take effect immediately.

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and third reading at a meeting of the Board of Commissioners of the Town of Belleville, held Tuesday evening August 5th, 1930, having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law.

JOHN J. DALY, Town Clerk.

AN ORDINANCE AMENDING, REGULATING AND CONTROLLING A PAID FIRE DEPARTMENT IN THE TOWN OF BELLEVILLE, IN THE COUNTY OF ESSEX, TO FIX THE SALARIES, REGULATE AND CONTROL THE APPOINTMENT, REMOVAL AND DEMOTION OF OFFICERS AND MEMBERS THEREOF, AND TO REPEAL CERTAIN ORDINANCES," adopted January 23, 1923.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That section 3 of an "Ordinance to Establish, Regulate and Control a Paid Fire Department in the Town of Belleville, in the County of Essex, to fix the Salaries, regulate and Control the Appointment, Removal and Demotion of Officers and Members thereof, and to repeal certain ordinances," adopted January 23, 1923, be amended to read as follows:

Section 3. No person shall become a member of such Department unless he shall have a good moral character, be sound in mind and body, shall submit to a physical examination by the Department surgeon and shall be not less than twenty-three, nor over thirty-five years of age, and a citizen of the United States, a resident of the Town of Belleville, for at least two years next prior to his appointment and be able to read and write the English language intelligently.

Section 2. This ordinance shall take effect immediately.

Passed first reading July 22, 1930.
 Passed second reading August 5th, 1930.
 Passed third reading August 5th, 1930.

ADOPTED: August 5th, 1930.

WILLIAM H. WILLIAMS,
 WILLIAM D. CLARK,
 PATRICK A. WATERS,
 FRANK J. CARRAGHER,
 Commissioners.

ATTEST: JOHN J. DALY, Town Clerk.

The Woman Citizen

By ANNE E. GILSON

The second session of the Seventy-first Congress adjourned just at the dawn of the Fourth of July. A few hours later the Senate was called into special session, and after fiery speeches against the supposed "disarmament" of the United States, the friends of the London naval treaty, who had kept watch all through the long, fitful forty-eight-week session, were finally relieved when the treaty passed. In the passing of the treaty, the League of Women Voters count two victories in its legislative program. The other victory was the amending of the Cabel Act, which restores two important rights to women citizens, who married aliens before 1922.

The original Cabel Act merely provided changes for women who married aliens after 1922. Under the new provision women, who lost their citizenship by marrying aliens before 1922 and who now wish to be repatriated may do so without the long, tedious naturalization process. The amended act also prevents the "presumed forfeiture of citizenship" by American women who marry foreigners and who live for two years or more outside the United States.

* * *

From the "Woman Voter," a page edited by the National League of Women Voters in the *Woman's Journal*, we get the following summary of nation legislation in which women are interested:

Maternity and Infancy

Facing a very complicated situation the League of Women Voters and other women's organizations supporting the work done under the former Shepard-Towner Act, persists to the very end to obtain legislation for its continuance. Seven bills were introduced in all, two in the senate, and five in the house. Senate Bill 225 providing specifically for a maternity and infancy hygiene program finally arrived as far as first place on the "referred calendar" where it remained in spite of its undisputed right to immediate consideration. In the meantime H. R. 12995 and companion Senate Bill S. 4738 "promoting the welfare and general health of the rural population of the United States and the care and hygiene of mothers and children" were introduced.

This measure was much wider in scope than those preceding it and provided for large expenditures for an expanded Public Health Service as well as appropriations for a maternity and infancy program under supervision of the Children's Bureau. Both remained on the committees to which they were referred. Throughout the session the League of Women Voters held out for continuance of maternity and infancy work administered under the Children's Bureau.

Moone's Instant Relief from Bunion Pains and Soft Corns

Efficiently Reduces the Swelling—Soft Corns Dry Right Up and Can Be Picked Off

Apply a two-ounce bottle of Moone's Instant Relief (full strength) today. Every swollen and soreness disappears. A few applications at regular intervals and the swelling reduces.

For soft corns, a few applications each night at bed time and they just shrivel right up and scale off. Moone's Instant Relief Moone's Emerald Foot Troubles or money

In so far as the new measure provides for such a program, it has the support of the league,

Muscle Shoals Blocked

Once again another session of the Congress has "come and gone," leaving idle the great public investment at Muscle Shoals which can be of such great service to our people. Early in April a measure providing for the government operation of Muscle Shoals and similar to the one which received the "pocket veto" from President Coolidge, passed the senate.

In the house the bill was so amended as to provide for the leasing of Muscle Shoals to private interests and passed. Since the two bills were in almost direct opposition to each other conferees were appointed but they were unable to come to a compromise. The senate conferees were willing to accede to the desires of the house to lease the nitrate and fertilizer plants to private corporations but remained firm on the provisions of the Norris resolution to leave the generation and sale of electric power in the hands of the United States Government under conditions which would provide a real test of the proper costs of electric current to the consumer.

The League of Women Voters supports the measures providing for the government operation and development of Muscle Shoals, even though it does not endorse the principle of government ownership in general. It wishes to utilize the laboratory already owned to make experiments in the development of cheap power, thereby giving the public a "yard-stick" by which standards of rates may be gaged.

Lame Duck Amendment

A senate joint resolution proposing a constitutional amendment which would shorten the period between the election and the commencing of the terms of the President, Vice-President and members of congress passed the senate on June 7, 1929. This proposed amendment would make it possible for the elected representatives of the people to come into their offices soon after election and prevent legislation by repudiated 'lame duck' members of congress in the short session. The resolution was sent to the house but remained for eleven months on the speaker's desk. In the meantime another bill incorporating the senate resolution was introduced in the house, reported out of committee, but remained on the house calendar.

Other Measures

The joint resolution to grant the right of federal suffrage to the people of the District of Columbia which was introduced in May, 1929, is still in the house and senate committees to which it was referred. The house Judiciary Committee, however, tabled it on June 19, 1930.

The measures much desired by Hawaiian women making them eligible for jury service passed the house. It was sent to the senate and referred to the committee on Territories and Insular Affairs where no action was taken on it.

The Wagner Unemployment Bill (S. 3061) to provide statistics on employment to aid in solving the problem of unemployment which was indorsed by the league passed both the house and the senate.

Proverbs

Not all proverbs hold wisdom. Some, such as "All's fair in love and war," hold clotted nonsense. Conscience—knowing what is right and doing it—is a better guide to conduct than proverbs.

Appropriate Tag

Ice cream has been shipped successfully by parcel post. It should be tagged: "If not delivered in five days, never mind!"

Appropriate Name

Plants that can exist for months without water are sometimes called camel plants.

Punishment by Ostracism

Ostracism was introduced in Greece by Clisthenes about 510 B. C. Aelian says that Clisthenes was the first to be ostracized. In 488-487 B. C., Hipparchus was exiled and a few years later Nanthippus and Aristides were banished in this fashion.

Historic Virginia

Virginia has more than 100 "gardens of romance," in historic spots. Many of them still nurture plants that grew in the days of Washington.

Where Montcalm Died

One of the landmarks of Lower Town (the old part of the city of Quebec) is the little cigar store on St. Louis street, once the residence of a Doctor Arnous, where the French commander, Montcalm, mortally wounded in the battle of the Plains of Abraham, was brought, and where he died. His remains were buried in a hole in the wall of the Ursuline convent chapel.

Words in Old Testament

The Old Testament contains 5,612 different words.

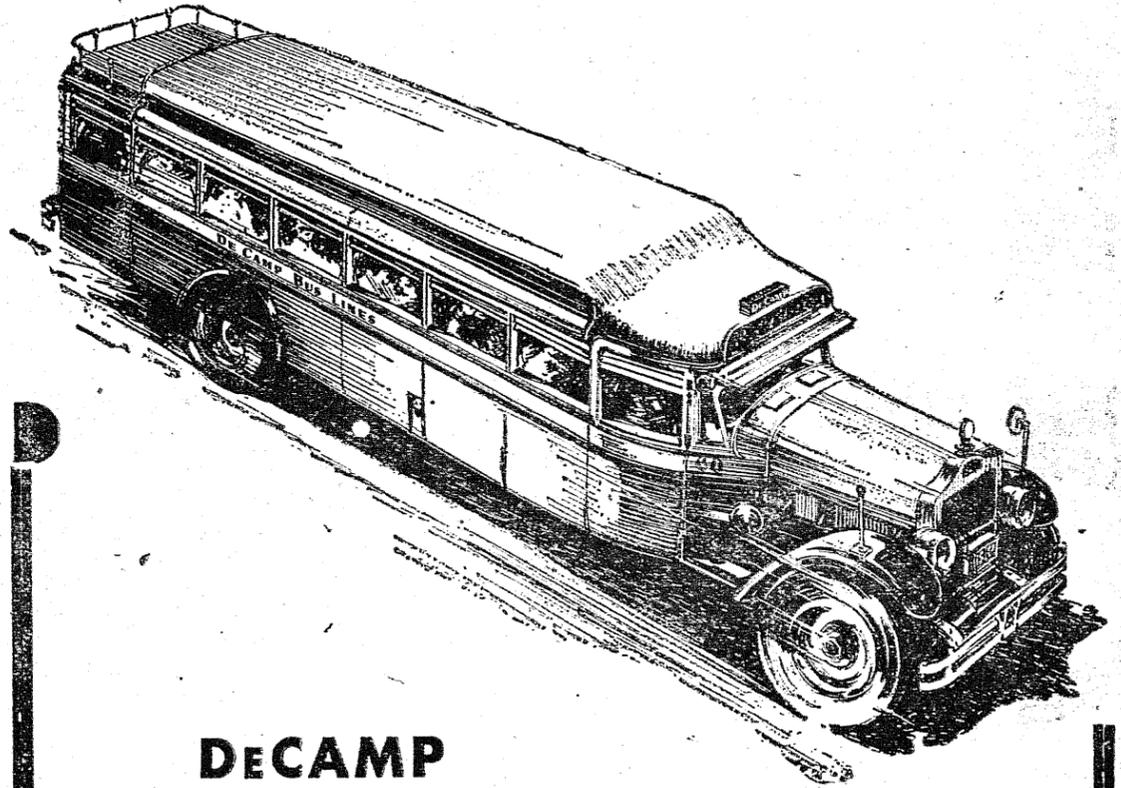

Women as Chattels

Behind the question: "Who gives this woman to be married to this man?" was the one-time accepted belief that a woman was a "chattel," like furniture.

Words From the Wise

The most wonderful and the strongest things in the world, you know, are just the things that no one can see.—Charles Kingsley (1819-1875). "The Water Babies."

THREE-WAY BREEZES

DECAMP DEPENDABILITY

RIDING a DeCamp Bus, you get the full breeze from the front, of course. But in addition you are cooled by a breeze from each side. Unlike railway windows, the DeCamp bus windows can be opened by a child—from the top down! Plenty of air on hot days and evenings. Just another instance of DeCamp comfort, which is always comparable with DeCamp convenience and safety.

A BUS IS NO BETTER THAN ITS DRIVER

HERBERT COHRS

Herbert Cohrs was born in Orange, N. J., and is now a resident of Livingston, where the DeCamp Bus Lines headquarters are located. Nine of his eleven years of bus driving have been spent at the wheel of DeCamp buses. His total driving experience dates back to 1912. When you consider his clean service record over eighteen years, there is little doubt that Mr. Cohrs can be called a DeCamp veteran.

Legion Team Drops Pitcher's Duel

Rotondi's Freak Delivery Keeps Locals Swinging at Corner Cutting Balls

The Belleville American Legion nine lost their first home game of the season Saturday afternoon when they dropped a 2 to 0 decision to the Broadhursts at Clearman Field. It was an old-fashioned pitching duel between Jim Mallack of the locals and Rotondi, the Broadhurst ace.

The Broadhursts scored both of their runs in the fourth inning. Stevens, former Princeton star, led off this inning by beating out an infield hit. He stole second and scored a moment later on Richie Veasey's double down the third base line. Clark hit to Johnny Lawlor who threw the former out at third. Kastner then threw to third in an attempt to get Veasey, but the throw was wild and Veasey scored. Mallack struck out the next two batters so the rightful score should have been 1 to 0.

Freak Delivery

Rotondi's queer delivery had the locals baffled. He was throwing practically every ball knee high and he cut the corners with unusual skill. At that the locals out-hit the Broadhursts six blows to four, but with men on base Rotondi was invincible. Jim Mallack was throwing a slow ball which had some of the Broadhurst batters nearly breaking their backs.

Although Jim Mallack lost a tough pitching duel he had the distinction of leading his mates at bat with a double and a single. Richie Veasey had two hits for the winners. Blake, Broadhurst shortstop, did some spectacular fielding. He robbed Johnny Lawlor of what appeared to be a sure hit in the second inning by making a one-hand stab and then throwing his man out at first. Art Lamb and Fazzini also did some neat fielding. Fazzini made two neat running catches in the same inning.

BARBARA TATE WINNER AT LAKE WATER CARNIVAL

Miss Barbara Tate, daughter of Mr. and Mrs. Charles W. Tate of Belmoor street, was one of the winners in the annual junior aquatic sports of the Lake Hopatcong Yacht Club recently. Miss Tate was presented with a medal by Commodore Edward B. Meyer for having carried off the honors in three events. She is a pupil at Belleville High School and spends every summer at Lake Hopatcong with her mother and brother Billy.

LEGION JUNIORS BREAK EVEN IN PAIR OF LOOSE GAMES

The Belleville American Legion junior nine broke even in a pair of Essex County League contests. Wednesday afternoon at Belleville Park they were defeated by the Newark team by a score of 12 to 3. Saturday afternoon at Belleville Park the locals shellacked the East Orange nine to the tune of 17 to 0.

Catalano and Schmidt were hit hard in the Newark fray and their teammates were weak with the stick. Saturday's game, however, was a different story. Harold Baschman on the mound for the locals was unbeatable. He pitched a no-hit, no-run game for four innings and then gave way to Catalano who held the East Orange nine hitless and runless for two more innings. The game was cut to six innings because of the hour.

Baschman also treated himself to a homer and a double to take slugging honors for the locals. Calabrese had a triple and a double while Dbrowski clouted a homer. Score of Saturday's game:

PARKS COME NEAR WINNING A GAME

But Bachelors Profit By Errors, However, and Win 9-8

MICK DONNELLY IS ERRATIC

The Parks came nearly winning their first game of the season last Thursday night, but their tendency to make errors at critical moments cost them the game. It was one of those free slugging affairs, the final score ending 9 to 8.

Mick Donnelly on the hillock for the Bachelors twirled a most unusual game. He was hit freely in the first inning, which combined with an error and a couple of walks found the Parks scoring six runs. Then for the next five innings he was invincible and the Parks failed to score a run until the seventh frame when their two run rally fell one run shy of victory.

De Work was hit freely by the Bachelors, the latter nine pounding out eleven hits from his delivery. A five run rally in the fifth inning clinched the game for the Bachelors. The Bachelors followed their fifth inning outburst by scoring two more runs in the sixth frame. It was well they did for the Parks, as mentioned before, had two runs in the seventh.

Johnny Johnston and Jim Kinneally led the Bachelor onslaught with a couple of hits apiece. Jim Clark, the Bachelor's ball hawk, was the only Bachelor player who failed to get a hit. Murphy, with a pair of doubles was outstanding for the Parks.

Cardinals Do the Usual To Panthers, But Unions Hand Them a Surprise

The Cardinals gave the lowly Panthers another trimming Thursday night at Belleville Park, the final score ending 9 to 5, but on Saturday afternoon the Unions tumbled back the Cards with a neat 3-0 score.

The Cards started out as if they were going to make a runaway on Thursday, but the Panthers got their bats working later on and at one stage they were tied with the former league leaders. Buddy Ryan tried his hand at pitching for the Cardinals and did a fairly good job considering it was his first game of the year. The Cardinals got off to a flying start by scoring a run in the opening frame and following it up with another counter in the second. The Panthers tied matters up in the third by scoring twice, but the Cardinals went them one better by scoring a trio of tallies in their half of the third.

PANTHERS TIE SCORE

Not discouraged by this turn of affairs the Panthers went out in their half of the fifth and tied up the score at all thanks to a home run clout by Dick Bruegman. The Cardinals forged in the lead by scoring a run in the last half of the fifth.

Ryan then bore down the remaining two innings and the Panthers were troublesome no longer. Johnny Leonard's terrific clout to left center with two men on base brought across three more Cardinal runs in the sixth frame.

Charley Christell and "John McGraw" Dunn each had a pair of hits for the winners. "Rajah" Crowning, Jay Suderley, and Dick Bruegman led the attack for the losers. Johnny Leonard featured afield.

THIS WAS AN UPSET

The Unions scored a surprising upset in the junior league by hand-

ing the highly touted Cardinals a 3 to 0 defeat Saturday afternoon at Clearman Field. It seems as though the Unions have the Indian sign on the Cardinals as two out of three defeats handed to the Cardinals have been by this Union nine.

Still the victory was no fluke because the Cardinals were practically helpless before the slants of Andy Colannino. Andy pitched a masterpiece, allowing the Cards but two scattered hits and at no time was he in serious trouble.

Mac Lamb was in the box for the Cards and his performance was nearly as fine as Colannino's. Mac held the Unions to three hits but one was a fluky infield hit which took a bad hop and caused two runs.

Neither team scored until the fourth, when Andy Colannino's sacrifice sent Costa home with the first run. Eddie O'Neil made a brilliant catch, but he was too far out to throw home, however, he threw to first for a double play.

WILD HEAVES HELP

In the seventh the Unions scored two more, although it was no fault of theirs. Colannino reached first safely on Leonard's error. Shannon was hit by a pitched ball. Bakavan sacrificed, placing Colannino on third and Shannon on second. Calabrese also bunted, at least he tried to bunt and when Christell came running in the ball sailed over his head. Leonard was covering third on the play and the ball rolled to the outfield for a fluke hit. Under ordinary circumstances Calabrese's bunt would have been converted into a double play.

Mac Lamb and Turk Byrnes, both Belleville High stars, secured the only hits for the Cardinals. Calabrese, Del Grosso and Costa were the white haired boys for the Unions.

The defeat suffered by the Cardinals hurts their pennant chances considerably. They must win their remaining games from St. Anthony's and the Clintons, if they are to remain in the running until the Unions can help them out by defeating either of these teams.

PEOPLE WHO PUT YOU TO SLEEP—NUMBER THIRTY-SEVEN

By RUBE GOLDBERG

DO YOU THINK I'D LOOK WELL WITH MY HAIR BOBBED? YOU KNOW, LEONARD THINKS MY HAIR IS ONE OF THE MOST BEAUTIFUL THINGS ABOUT ME, BUT HE SAYS HE'D LOVE ME JUST AS MUCH EVEN IF I CUT IT OFF—I'VE BEEN TOLD THAT MY FACE IS JUST THE TYPE FOR BOBBED HAIR, BUT I HEARD THEY'RE LETTING THEIR HAIR GROW AGAIN OVER IN PARIS—OF COURSE, BOBBED HAIR IMPROVES SOME GIRLS' LOOKS, BUT LEONARD SAYS I'M PERFECT JUST AS I AM.

THEN, THERE'S THE QUESTION OF CATCHING COLDS—AND IT'S HARD TO FIND THE RIGHT BARBER—I COULD HAVE IT DONE NEXT FRIDAY BUT THAT'S A DAY TO TAKE CARE OF THE DOG—THEY SAY BOBBED HAIR IS GOOD FOR HEAD-ACHES.

THE GIRL WHO IS TRYING TO HAVE HER HAIR BOBBED BUT HASN'T THE NERVE.

Elks Win Three Games In Row

Antler Team Wins Two Legion League Tussles and One From Negro Team

The Elks continue to keep in the thick of the fight for the American Legion senior league pennant. Monday night they defeated the Bachelors in a hard fought game by the score of 4 to 2. Due to a shortage of pitchers Manager Tommy Dunn found it necessary to use himself on the mound.

The fiery manager turned in a nifty performance and had the Bachelors shut out up until the seventh and last inning. In the seventh the Bachelors pounded Dunn for four hits and two runs. With two out and two men on base Dunn signalled to Jim Mallack to twirl. Jim pitched to one batter and it was all over as the batter struck out.

Early Scoring

The Elks scored all of their runs in the first two innings. In the first frame Zimo Flynn led off with a walk. Arty Lamb sent a neat single to right field, placing Flynn on third. Fitzpatrick's error on John Mallack's ground ball allowed Flynn to score. Kastner was hit by a pitched ball, filling the bases. Jim Mallack sent a hoister to Clarke and it was good for a sacrifice fly scoring Arty Lamb with the second. Beliski then settled down and forced the next three men to retire.

Gene Gelschen started the second inning off by flying out to center field. Tommy Dunn singled and Zimo Flynn fled out to left field. Arty Lamb hit a roller to Pat Dunn, but the usually reliable Pat fumbled and all hands were safe. Art Lamb stole second and scored with Tommy Dunn a moment later on Kastner's single.

Singles by McCabe, Clark and Beliski, and a double by Fitzpatrick gave the Bachelors their two runs in the seventh. Fitzpatrick had a big night with the willow, the bespectacled star banging out four hits in four trips to the plate. He was the only player on either team to secure more than one hit. Arty Lamb starred afield for the Elks and robbed several Bachelor players of hits.

A Case of Revenge

The Elks avenged a recent defeat at the hands of St. Peters by trouncing the latter team to the tune of 7 to 0 Wednesday night in an American Legion League contest at Clearman Field. A week or so ago the Saints handed the Elks an 8 to 3 defeat so they claim their 7 to 0 victory is ample revenge.

Jim Mallack, twirling for the Elks, was in superb form. He got into a tough hole the first inning when Biddy Carragher and Sugar

Flynn singled with one out, but Jim pulled out of this tough spot. For the remainder of the game Mallack pitched practically perfect baseball as not a St. Peter's man went further than second. Jerry Lilori after getting hit with one of Mallack's fast ones, stole second, but that was as far as he got.

Ral Flynn, the same Ral who had the Elks bewildered in their last meeting, was in the box for the Saints. Whether it was an off night or whether the Elks were in a hitting mood one cannot say. At any rate Ral was given to some rough treatment by the Elks who hammered him for seven hits and a like number of runs.

Score With Two Out

The Elks started the scoring in the second with two out. Tommy Dunn reached first safely on Taylor's bad throw. Another member of the Dunn tribe by the name of James sent a single to right center placing Tommy on third. Jim stole second and both he and Tom scored a moment later on Gene Gelschen's single to center field.

This was all the scoring until the fifth inning when the Elks went on another rampage only this time they scored five runs. Joe Flynn fanned for a starter. Arty Lamb drew a pass. John Mallack was safe on a fielder's choice. Kastner walked, filling the bases. Dunleavy shot a single to right scoring Lamb and John Mallack. Tommy Dunn doubled scoring Kastner and Dunleavy. Jimmy Dunn singled to score brother Tom with the final counter of the night.

The Elks gave Jim Mallack some fine support. Jimmy Dunleavy pulled off several nice running catches in right field and Jim Dunn did the same in left field. Rosy Ryan featured afield for the Saints. Jimmy Dunn was the only player on either team to get more than one hit.

Heavy Hitting

The Elks fattened their batting averages Friday night at the expense of the Colored Giants. The "Hello Bills" hammered out thirteen hits for a total of twelve runs whereas the Giants were held scoreless.

Butch Kastner and Tommy Dunn divided the pitching assignment for the Elks and needless to say they both turned in fine performances. It was Manager Tommy's first appearance on the mound this season and his underhand ball was working to perfection. Kastner of course was practically invincible to the Colored nine.

With the exception of Gene Gelschen and Art Lamb every man in

Colored Giants Win Comedy Game With Six Runs In Opener

RELIEF PITCHERS DO WELL

In what might be termed a "comedy of errors," the Belleville Colored Giants defeated the Parks 9 to 3 Tuesday night at Clearman Field in a senior league contest. The teams were battling for the honor, yes, we said honor, of not finishing in last place and it now appears as though the Parks are once more destined to finish last.

The Giants sewed up the game by scoring six runs in the first inning. Three hits, three errors, three walks, and a couple of wild pitches gave the Giants their six counters. The Parks played like a grammar school team, but nevertheless the crowd seemed to enjoy the comedy.

Hardaway and Crawford divided pitching honors for the Giants and between them they allowed only two hits. Lefty Flanagan started in the box for the Parks, but he was wild and after the Giants scored six runs he was relieved by Andy Colannino. The latter did fairly well considering the brand of support he received.

PLEASURE CLUB TO PLAY SUNDAY AT WOODBRIDGE

The Nutley Pleasure Club's scheduled game with the South Amboy Club Sunday at South Amboy was cancelled because of financial difficulties within the latter organization, and as a result the P. C. was idle over the weekend. Manager Zucker being unable to book a game on such short notice.

The Woodbridge B. B. C. will be the locals' opponents Sunday at that town. In their last meeting the P. C., with DeBellis on the mound, was victorious 1-0 in a thirteen-inning struggle. DeBellis will probably toe the slab Sunday, with Gelschen behind the plate. In the infield Butch Kastner will guard the gateway to the sacks; Joey Romano will be at second and Johnny Lawlor at third. Dei Plato rounds out the inner defenses at short. Luzzi, Curley and Doian will be seen in action in the outer garden.

Early American Church

The first Protestant church built in America was the brick church built at Jamestown, Va., by the earliest English colonists, who landed in 1607. The church was dedicated in 1617 and was built of brick brought from England. It was destroyed by fire and rebuilt and was afterward destroyed. At the present time only a part of the original tower remains. The island of Jamestown is preserved for the benefit of the entire American people.

Error Robs Suderley of Shut-Out In Clinton-Panther Game

The Clintons made it two shut-out victories in a row by taking the Panthers into camp Monday night at Belleville Park by a 6 to 0 score. Scotty Travers, a third baseman by trade, twirled for the Clintons and turned in a mighty fine exhibition. He limited the Panthers to three scattered hits and at the same time was given sensational support by his teammates.

The game was a pitching duel until the fourth inning with Jay Suderley opposed to Travers. Suderley pitched fine ball, but a bad error by Petrie in the fourth let in a run. This incident seemed to unnerve Suderley and he was touched for three runs in the next frame and two more in the final.

Dbrowski Scintillates

Shorty Dbrowski played a brilliant all-round game for the Clintons. He hammered out two hits and walked twice for a perfect average. Besides this he turned in several snappy plays from his shortstop post. Schwartz and Jim Manning also had two hits apiece for the losers. Golden featured afield for the losers.

The Clintons have a good chance to take the lead in the pennant chase providing they defeat the St. Anthony Jrs., Saturday afternoon.

Tommy Byrnes, of no-hit, no-run fame will toss them up for the Clintons. He will be opposed by either Gallagher or Pat Couzzo. The game will start at 1:30 and will be followed by the weekly All-Star game.

MARION DROPS SULLIVAN

Jack Marion stopped John "Al" Sullivan of South River in two minutes and ten seconds after the fourth round had started last Thursday night at the Motor Parkway Arena in Plainfield. The contest was scheduled for six rounds, but Marion had Sullivan in a bad way from the opening canto. When the South River man was knocked down by Marion he got up and split Marion's nose. This is the first time that Marion has appeared in the ring for two months following an operation on his nose.

OFF OF STILL CASE

The case of the still explosion on Tuesday night of last week at 427 Greylock parkway, where police were summoned, but found no one to accuse, has been turned over to the office of the Prohibition Administrator in Newark, and Belleville police will take no further action. Agents Brady and Dwyer of the Newark office were assigned to the case.

HARMON WINS TWICE BY KNOCKOUT ROUTE

Len Harmon, who hails from Mt. Pleasant avenue, put away Lou Spatora of Harrison at the Adelpia Athletic Club of Elizabeth last week. The fight was so one-sided that the referee stopped it in the third round, giving Harmon a technical knockout. Spatora weighed 141 pounds against Harmon's 136.

Larry Corbett, who is steering Harmon around, carded him with Al Capone of Paterson for a fight which occurred Monday night. This was stopped in the third round after Capone delivered several blows which looked suspiciously like deliberate fouls. Capone's manager objected to stopping the fight, which resulted in a knockout for Harmon in the following round.

Harmon will be seen in action Monday night against an opponent as yet to be selected at the Veleddrome. His opponent probably will be either Tony Lambert, Nick Abato, Nat Arno or Jackie Shupack.

Harmon is training every morning between 5 and 6 a. m. in Belleville Park, after which he takes up his day's work at the Belleville Copper Rolling Mills.

VACCARELLI AND PATERSON MATCHED AT CARLSTADT

Joey Vaccarelli and Willie Paterson, both Belleville boxers in the featherweight division have been matched to meet and settle their grudge at the Carlstadt A. C. on its next card of bouts to be held in the near future. Both these boys have been hurling challenges at each other for the past year, so Doc Stanford, matchmaker for the Carlstadt A. C., has agreed to let them to settle their feud by meeting in a four-round bout at his next show.

Vaccarelli is being handled by Joey Dorando, former New Jersey junior lightweight champion and Dorando says his charge will be in excellent condition and will win by a knockout, while Paterson's trainer, Sam Vuono, also predicts a kayo victory for his boy.

JOCKO HOPES TO TURN GOLF PROFESSIONAL SOON

Anthony Carchio, better known as Jocko, hopes to turn golf professional in the near future. Since 1927, when he finished tenth in the Forest Hill caddies' tournament he has won the same tournament in 1928 with a 78 and tied for first place in the caddie masters' tournament the same year in Ridgewood. He lost this event in the play-off by two strokes. In 1929 he won the caddies' tournament at Forest Hill with a 73 and after going to work for the Standard Oil Company in Newark romped away with an employees' tournament with a card of 78.

Presidential Succession

There is no provision in the Constitution for another Vice President when the office becomes vacant through the death of the Vice President or because of the Vice President becoming President. The duties, however, are cared for by the president pro tem of the senate and the succession to the Presidency is arranged for.

Elks Win Three

(Continued from Page Fifteen.)

the Elks' line-up had at least one hit. However, Lamb and Gelschen fielded in their usual spectacular style. The Elks started right out in the first inning to make a run-away of the game by pounding out four runs.

Poor Base Running

The Giants filled the bags with none out in the first frame, but foolish base running cost them possible runs. They also had a chance in the third inning, but Kastner tightened up and averted any chance of scoring.

The Elks after being held scoreless in the second came back in the third to score two runs. They failed to score in the fourth, but just for safety's sake they hammered out three runs in the fifth and a like number in the sixth.

Jimmy Dunleavy, the league's leading hitter last season, banged out three hits and fattened his rather slim average considerably. John and Jim Mallack and the Dunn brothers Tommy and Jim each had a pair of safeties apiece. Jim Mallack tried his hand at first base and showed quite some skill at that position.

Gould and Steppes led the batting attack for the losers with two bingles apiece. Bert Crawford, Giants' crack shortstop, pulled the fielding feature of the night by racing in back of second base on Zimo Flynn's grounder and forcing Kastner at second with a back hand toss to Steppes. Tommy Washington, veteran sandlotter of twenty years ago made his initial appearance for the Giants and had the stands in an uproar with his continual chatter.

Four enemies are fighting the home, according to Edward Sapir of Chicago university: The cramped modern dwelling, the motor car, the independence of woman and labor saving devices. He should add the neighbor's radio and the fellow who distributes dodgers.—Los Angeles Times.

NOTICE

NOTICE is hereby given that the following ordinance was introduced at a meeting of the Board of Commissioners of the Town of Belleville, held Tuesday evening, July 29, 1930, and passed first reading on said date, and the said Board of Commissioners of the Town of Belleville, have fixed the 12th day of August, at the hour of 8 P. M. Daylight Saving Time, in the Town Hall, Belleville, N. J., as the time and place when and where said ordinance shall be further considered for final passage by said Board.

JOHN J. DALY, Town Clerk.
AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF 7" R. C. PAVEMENT, AND GRANITE CURBING, TOGETHER WITH SUBCONSTRUCTIONS ON SOUTH WILBUR STREET, IN THE TOWN OF BELLEVILLE, FROM JORALEMON STREET TO MAY STREET, PROVIDING FOR THE ASSESSING OF THE COST THEREOF ON PROPERTY BENEFITED, APPROPRIATING THE SUM OF \$6,000 THEREFOR, AND AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That South Wilbur Street, in the Town of Belleville, from Joralemon Street to May Street, be improved by the construction of 7" R. C. Pavement, and granite curbing, together with subconstructions, thereon.

2. The cost of said improvement is hereby estimated to be the sum of \$6,000. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville are hereby authorized to be issued in an amount not to exceed the amount of said appropriation, pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes, shall be determined by resolution of the Board of Commissioners or by the Director of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

3. Said improvement shall constitute a local improvement and the cost thereof shall be assessed against the abutting property to the extent of the benefits received from said improvement.

4. This ordinance shall take effect immediately.
