FAVORS VAULT FOR ALL TOWN'S VITAL RECORDS

Acting Mayor Williams Says Law Charges Department Heads With Safety

TO CONFER WITH CARRAGHER AND ENGINEER A. S. BLANK

The necessity for a vault room in the Town Hall to keep vital records of the town safe against possible fire, was voiced at the conference of the Board of Commissioners Tuesday afternoon by Acting Mayor William H. Williams who said that he had made, with Town Treasurer T. Russell Sargeant and Town Clerk John J. Daly, a survey of taxing and assessment methods used in other towns and also their methods of keeping records.

Williams favored installation of such a room and will confer with Commissioner Frank Carragher and Town Engineer Albert S. Blank to work out plans. An idea, advanced by Commissioner Carragher, that a concrete block addition to the Town Hall be built was frowned on by Williams who declared that a low temperature of heat would cause it to crumble.

The Acting Mayor said that the law charges the director of each department with the safe keeping of the Town's records and that he did not want to stand responsible for the records of the Department of Revenue and Finance with the inadequate vault facilities now available.

SAYS JUNKMAN STOLE TIRES

Frank Little of 92 Bridge street, reported to the police Monday that an unknown junkman had entered his cellar and taken four automobile tires. He was unable to give clues but police are investigating.

BUS MEN HAIL BRIDGE OPENING

Traffic To Resume Over Belleville Pike Span Today Officials Promise

FINISHED ON CONTRACT TIME

The re-opening to traffic of the Rutgers street bridge over the Passaic River, after being closed for thirty days during the installation of new flooring, was expected to materialize this morning, or at the latest, this afternoon, according to A. F. Schneider, in charge of the job, for the Linde-Griffith Construction Company.

The west end of the bridge had been completed early this week, and the bridge might have been opened a day or two earlier except for some difficulty with a steel beam at the east end, according to Mr. Schneider, who said the construction crew had been working several hours overtime daily to speed the work along.

The anticipated re-opening of the span was hailed with joy by the bus companies which make use

L. J. HALOS UNDER \$500 BAIL WHEN AGED NUTLEY MAN DIES

Louis J. Halos of 380 Washington avenue, was held on a charge of manslaughter and turned over to Prosecutor Smith at Newark, when he was arraigned in the court of Recorder George A. Fitzsimmons Friday night, following the death from his injuries of Henry Boehmer of New street, Nutley, who was struck by the Halos car.

The prosecutor fixed Halos' bail at \$500. The accident happened at Howard place and Washington avenue July 16. The victim, who was eighty-eight years old, fought vainly to recover, but died Wednesday.

Would Follow Suit of Other Towns; Mention \$150 Charge

Subject Introduced By Williams And Other Commissioners Acquiesce

TALK OF CLOSING SUNDAYS

At the conference of the Board of Commissioners in the Town Hall Tuesday afternoon, the advisability of taxing miniature golf courses was discussed and there seems to be a likelihood that a fee of \$150 a year will be charged.

The subject was introduced by Acting Mayor William H. Williams and Commissioner William T. Clark read a newspaper clipping showing that such ordinances had been introduced in surrounding municipalities; golf course owners in East Orange paying \$300 a year and those in Bloomfield paying \$100. Commissioner Patrick Waters suggested \$150 for Belleville.

SUNDAY CLOSING

The Commissioners also discussed the advisability of ordering the courses to close on Sundays. None of the Commissioners seemed anxious to order this but Patrick Waters declared it was not consistent to order the theatre to close and allow the golf courses, which were places of amusement, to stay open.

Acting Mayor Williams pointed out that the county golf links were in full swing on Sundays and the Board agreed to say nothing more about Sunday closing until a further investigation of the need for such action.

DE CAMP FLEET IN NEW GARB

This week marks an innovation in the appearance of the great blue and gold DeCamp fleet of buses. Each bus is now equipped with attractive gray and blue slip covers. Inasmuch as these covers had to be individually tailored it represents one of the biggest jobs of its kind in the State. Over three thousand yards of material were necessary.

When interviewed by a representative of this paper Ralph DeCamp, president, stated that slip covers were just an added item for the comfort of the many DeCamp patrons. Said Mr. DeCamp: "It is not generally realized that the DeCamp patrons are recognized by bus operators as among the highest type of people in the country. They deserve the best and it is our ambition to give it."

GIVE MINIATURE GOLF PERMIT OVER PROTEST

Waters Says Board Is Not Doing Right To Break Its Own Ordinance

ADJUSTMENT BOARD FAVORS PLAN WHEN NO OBJECTIONS

Permission was given by the Board of Commissioners Tuesday night to Louis Munch, owner of property at Franklin avenue and Arthur street, to allow the building of another miniature golf course even though the section was zoned B residential, and Commissioner Patrick Waters had protested on those grounds.

Al Griek of Arthur street has leased the property for that purpose and Munch applied to the Board of Adjustment to go ahead with the plans. The Adjustment Board was in favor of the proposition if Griek would lay the course out sixty feet back from Franklin avenue so cars would not have to park on a main thoroughfare but said that the Board of Commissioners would have to give its O. K.

Acting Mayor Williams, in answer to Commissioner Waters' protest about breaking the zoning ordinance, said that a golf course would improve the appearance of the property and that, in view of the fact that nearby property owners had not protested, it would not be poor practice to grant the permit. Commissioners Clark and Carragher agreed with Williams.

NO ATTEMPT TO DEFRAUD, RECORDER FITZSIMMONS SAYS, DISMISSING CASE

Police Recorder George A. Fitzsimmons dismissed Monday night a complaint of obtaining money under false pretenses, preferred by Anthony Ortner of Nolton street against W. J. Houregan, contractor and builder of 186 William street, in which Ortner charged Houregan had deceived him in the sale of mortgaged property.

According to Ortner, he did not learn until he had closed the deal, which involved the payment of \$1,700, that there were two unsatisfied mortgages on the property. The case was given a preliminary hearing on July 30, following the arrest of Houregan by Sergeant Pearl and Officer Scott.

Recorder Fitzsimmons said the evidence showed no intent to defraud, despite Ortner's claims, and that Ortner has opportunity to settle the dispute in a civil suit now pending.

FRAUD, SUBJECT AT ROTARY CLUB

Surety Co. Speaker Tells About Tremendous Loss In Country Every Year

800 MILLIONS IN PREMIUMS

Benjamin F. Battin of the National Surety Co., speaking at the regular weekly meeting of the Rotary Club in the Nereid Boat Club yesterday noon, described the origin of the modern surety business and told of the different kinds of financial frauds.

He spoke on embezzlement, burglary and forgery, each of which exacted, according to statistics, a loss of \$800,000,000 every year. Other forms of fraud, considered more important because they resulted in an annual loss of \$1,750,000,000, were said to be misrepresented merchandise, worthless stocks and bonds, and false declarations of bankruptcy.

Mr. Battin pointed out that while \$800,000,000 is paid in premiums every year, a conservative estimate would place losses at seven and one-half billions. Preventative measures were outlined by the speaker.

PAST SACHEM'S JEWEL TO SPATTS

Cortlandt Street Man Honored At Special Meeting Of Red Bird Tribe

ALSO INAUGURATED OFFICER

At a special meeting last Monday of Red Bird Tribe No. 282, Improved Order of Red Men, Alfred H. Spatts of Cortlandt street was presented with the past sache's jewel by Deputy Great Sachem James J. McGowan of Arlington and his aide, Henry D. Riepe, Jr., of Belleville.

Mr. McGowan and Mr. Riepe also had charge of the inauguration of officers which took place at this meeting. Alfred H. Spatts and Francis Pitt of Belleville were made prophet and junior sagamore respectively; B. H. Bach, Samuel Lott and Joe Haiss of Newark became trustee, sache and senior sache, and B. H. Williams of Irvington was made keeper of wampum.

Bus Ride Next Week

The annual bus ride of the tribe to Palisades Park will take place Friday evening, August 22. Buses will leave the tribe's meeting place, 17 West Park street, Newark, at 7:30 sharp. Those desiring to make the trip should act quickly as tickets are being sold rapidly. Further particulars may be had by communicating with Henry D. Riepe, Jr., chairman and chief of records, at 23 Montgomery place, Belleville.

Members of the Great Council of the United States and of the Great Council of New Jersey will be present at a special meeting of the tribe to be held next Monday evening. Refreshments will be served.

Dickinson Describes Nuisance Of Repair Shop In Zone For Residences

'TAP-TAP-TAP' OF HAMMER

Protesting against the maintenance of an auto repair shop at 115 Carpenter street to the Board of Commissioners at their conference in the Town Hall Tuesday afternoon, C. George Dickinson of 129 Carpenter street declared that it was "A case of having to ask his neighbor when he might go to sleep at night."

He referred to the continual tap-tap of a workman's hammer on metal as a neighborhood nuisance and demanded that action be taken by the Board to stop Jacob Zandee, proprietor of the repair shop.

The section was residential, he declared, and Zandee, who is a driver for the Pittsburgh Glass Co. of Newark during

the day, conducts the business at night.

Couldn't See Violation

This fact accounted for the inability of the Building Inspector, Robert Williams, to catch Zandee at work or to find any strong evidence to show that he was breaking the zoning ordinance. The building inspector, testifying at the conference, said he had visited the place during the daytime but that there were no cars in evidence then.

Dickinson said he had also complained to the police and that they had gone there three times but that the next day after their visit, repairs would be in full swing again. He wanted the Board to take action "where the police had been powerless."

Filed Complaint

He also declared that he had filed a complaint with Recorder George A. Fitzsimmons and that the case was scheduled for a hearing Wednesday.

Watermelon's the Pet Dish of Heavor and Rose Armando

And Pie Is Just As Good To Others As Playground Contests Go On

DOLL AND PET SHOWS HELD

C. H. Ross, superintendent of playground recreation, reports continued activity and fun for the youngsters at the various play centers.

Roland Heaver and Rose Armando were awarded prizes in the watermelon contest held at the Recreation House playground August 8 for being the first boy and girl to finish. Dorothy Ferris and Leo Hood were the judges.

On the same day No. 1 School playground had a baby show. Margaret Rotenberger was adjudged the best child under one year of age, Dorothy Bush the best child between the ages of one and two, Caula Harder between two and three. Jack McBraitner was considered the best dressed boy and Theresa Antonik the best dressed girl. The judges were Mildred Joiner and Edgar Bootay.

This Was Easy

There was also a pie eating contest on Friday at No. 5 School playground, when Margaret Mason and Harry Metz acted as judges.

In the senior group the boys' prize was won by George Luzzo and the girls' by Elizabeth Rolke. Raymond Bryan and Margaret Knott were the winners in the junior group.

Still another event which took place Friday was the pet show at Silver Lake playground. Prize for the best dog went to Geraldine Torciello; best cat, Anthony Lunetta; best bird, Samuel Trabucco, and best parrot, Arthur Pico. Kathleen Ryan, Jerry Bonavita, Frank Catalano, Domenick Annabella and Philip Maioran were appointed judges. On the same day Lena Dachina and Anthony Pico won the girls' and boys' checker tournaments.

And Another

Friendly playground had a pie eating contest on August 5. Winners among the older children were James Galioto, Angelo Scavone and Mario Russo. Louise Debartola was first among the smaller ones and Rose Francis second.

At the pet show of Soho playground last Thursday Ella Bloom had the best dog; Roy Costello the best cat; Virgil Mongiello the best rabbit, Frank Rankin the best fish; Angelo Racaniella the rarest pet and Thomas Goldrick the largest number of pets. Judges were A. Caruso and Thomas Kennedy. A marble tournament was won by Felix Perkowski. Friday Ralph

Johnston, champion harmonica player of Soho entertained the children.

Silver Lake First

Scores in playground ball were as follows: Silver Lake 10, Recreation House 9; Friendly playground 6, No. 5 School 1; No. 5 School 18, No. 1 School 2.

Boys' volley ball: Silver Lake 15, 15; No. 1 School 9, 7; Friendly 15, 15; No. 1 School, 0, 4; Recreation 15, 15; No. 5 School 4, 9.

Girls' volley ball: No. 1 School 15, 15; Silver Lake 12, 9; No. 1 School 15, 15; Friendly 10, 6; Recreation 15, 15; No. 5 School 3, 7.

No. 1 School playground baseball team, coached by Edgar Bootay, visited Belleville Park and played a team representing the park, defeating them by a score of 10-4. Both teams played good ball.

SLEEPING DRIVER ESCAPES BUT FIVE OTHERS ARE HURT

Swerving his car to the left side of the road while he dozed at the wheel, George Colby of 147 Liberty avenue, Hillside, collided with another car driven by Joseph M. Pfeiffer of 62 Vroom street, Jersey City, in Belleville avenue near Laverne street Sunday, resulting in injuries to the five occupants of the Pfeiffer car. Colby was unhurt.

Those injured were the Misses Helen and May Coggens, and Mrs. A. Coggens, all of 50 Rose avenue, Jersey City, Pfeiffer and his wife, Mrs. Mary Pfeiffer, of the Vroom street address. All suffered lacerations and bruises, for which they were treated by Dr. D. E. Kavanaugh.

Colby told Officer Lukowiak that he had just finished work and was drowsy, and did not realize that he was not steering on his own side of the road until he heard the crash. Police believe that only the fact that neither car was traveling at high speed was all that saved the injured from being fatally hurt.

STORE NEW JERSEY PEACHES EXPECTING RISE IN PRICES

Trenton, N. J., August 13—The moderate prices and high quality of New Jersey freestone peaches, which are on the market in plentiful supply not only are giving them unrivaled popularity for table use, but are inducing many housewives to buy them in quantities for canning, according to the State Department of Agriculture.

The appropriateness of buying for canning at this time is shown by indications that peach prices are approximately at the lowest level they will reach this season, information from the department reveals. So generally are the indications accepted that dealers in various parts of the country are storing the fruit in large quantities in preparation for rising prices.

Miss Gretchen Cadiz of Cortlandt street returned from a recent motor trip with Mr. and Mrs. David Boyd and son Jack of Essex street. They drove through the Green Mountains, the Berkshires and over the Mohawk Trail. In the White Mountains they drove up Mount Washington. They also visited Lost River.

Explains Son's Escapade In Vain, Father Fined \$25

Facing charges that he had allowed an unlicensed minor to drive the family car, Salvatore Condito of 26 Edison street explained in vain how it happened that Patrolman Raymond Demgard found the two Conditos in the front seat and the younger behind the wheel when the case was heard in traffic court a week ago Wednesday night. Recorder George A. Fitzsimmons imposed a fine of \$25.

Condito said that he was not aware of his son's designs to take the car out until he saw it being driven past the house as he happened to look out of the window. He told the court of rushing to the street and jumping on the running board in an effort to stop the car, but Patrolman Demgard said that the two were not involved in an argument and that the elder Condito did not seem to be angry with his son at the time of being stopped.

The driving license of John C. Floyd of 133 Sixteenth street, Paterson, was suspended for ninety days and he was fined \$5 in the same court. The charge was speeding, made by Patrolman Fred McArt.

ONE ARMED DRIVER FACED THREE CHARGES LAST NIGHT

Cruising about on his motorcycle Sunday, Patrolman Kenneth Smith felt a rush of air and the hum of a motor tearing past him nobody's business, but he did have just time to see the driver steering with one arm while a pretty girl at the driver's right was enfolded in the other, according to Smith.

Following the car, he clocked its speed at fifty-two miles an hour, he said, and then handed a summons to Richard Irwin of 16 Grand place, Arlington, whom he charged with speeding, driving without license and reckless driving.

Patrolman Smith also issued summonses to two other alleged speeders, Frank Westcott of 26 Oak avenue, Irvington, doing forty-three miles and Charles H. Schlenz of Wyckoff avenue, Midland Park, doing forty-five, both records according to Smith's "clocking."

The three cases were booked for appearance in traffic court last night, too late for this week's issue of THE TIMES.

Judge Berates Stop Sign Violators

Works Overtime On Cases That Flood Traffic Court

But More Than Two-Thirds Of Number To Be Heard Are Postponed

'STOP' MEANS WHAT IT SAYS

The second week of the police crusade against motorists who disobey full stop signals, or pass red lights on Washington avenue, resulted in such an overflow in traffic court on Wednesday night of last week, that only a portion of the cases were reached, and the rest put over for a week. Those who were heard, about twenty-five, paid fines varying from \$2 to \$5. About fifty remained to be heard.

Recorder George A. Fitzsimmons said Saturday that he is prepared to revoke licenses for second offenses. The police are keeping a close check on those who have already been fined.

Those who were penalized were lectured by Recorder Fitzsimmons, who said in substance:

TO PREVENT ACCIDENTS

"The purpose of the stop sign is to prevent accidents at intersections. The streets you were approaching were generally busy state or county highways and motorists upon such highways assume they have the right-of-way, because the law gives it to them, and of course they are usually going at a moderately fast pace, and are unprepared to make sudden stops for drivers coming out of side streets, as you were.

"When someone fails to respect these rules, as you did, it involves the risk of serious accidents, often with one or more persons going to the hospital. Some motorists give, as an excuse, that they slow down, but this is not sufficient. 'Stop' means all the word implies, although at some streets where there is a good unobstructed view, there are 'slow' signs, to help keep traffic moving without delay.

"The sooner all motorists realize that stop signs were erected in the interests of all who use the highways, the better, and the highways will be made safer. Unless there is a let up, some of you will be having your licenses revoked."

WOMEN IN URGENT NEED OF WORK, SAYS MISS KLINE

Miss Bertha Kline, executive secretary of the Social Service Bureau sends out the following appeal.

"When vacations are over and families resume their normal mode of living once more, if there is anyone who needs a woman for housework or caring for children by the week, day or hour, please phone the Community Service Bureau at Belleville 2-2686.

We have several women who are anxious to get this kind of work. Some are widows with small children dependent upon them or women whose husbands are suffering from a chronic illness."

GIRL SCOUTS OF TROOP 11 ON OUTING TO BLOOMFIELD

Under the leadership of Mrs. Sadie Ellsworth of Newark and Mrs. George Peterson of High street, Belleville, girl scout troop 11 hiked to Clark's Pond, Bloomfield, last Saturday. After a short time spent in the water they enjoyed a picnic lunch on the lawn of Mrs. Parker's residence, Besida street, who took the girls' pictures.

The trip was taken principally to study flowers and trees for nature lore work. The girls of this newest troop have taken their tenderfoot tests but have not as yet received their scout pins.

Their next meeting will be Friday at the home of Mrs. Peterson. They will not meet after that until September, when they will assemble at their regular meeting place in the U. A. M. E. Church, Stephens street.

TO VISIT PENITENTIARY

Members of the Belleville Republican Club who will visit the Essex county penitentiary at Caldwell August 24 are expected to number seventy-five, Walter P. Weiss announced Tuesday night. Those going are to meet at the Town Hall at 9 o'clock in the morning.

A second event of the season in which the club will take part will be an outing to Seidler's Beach the second or third week in September. A shore dinner will be served. George E. Stewart, Jr., chairman, will furnish additional details at a later date.

CHEVROLET AUTO PARADE

Eight new Chevrolet passenger cars were paraded through the streets of Belleville and Nutley Monday night from 7 to 8 o'clock to show the new models with wire wheels which will be offered at no increase of prices, it was announced at the Bray-Reed Chevrolet Co. Washington avenue, Belleville.

Snowball Fight In Rockies, Described By Bechtoldts

Mr. and Mrs. George Bechtoldt of DeWitt avenue have returned from a two months' trip in the West. They visited Cincinnati, Dayton, Toledo, Columbus, Grand Rapids, Milwaukee, Minneapolis, Kansas City, Omaha, Colorado Springs and Denver. Three days were spent in the Rockies.

A trip was made to the Garden of the Gods and to Echo Lake, which Mrs. Bechtoldt describes as an exceptionally beautiful place, and they had dinner at Echo Lake Lodge. They climbed part way up Pike's Peak and nearly to the summit of Mount Evans, the highest point in the Rockies.

The latter mountain, 14,280 feet above sea level, or ninety feet higher than Pike's Peak, was scaled on July 15 to an altitude of 13,500 feet, where they had a battle with snowballs. They returned by way of Chicago, where they spent three weeks, going from there to Indianapolis and then home.

FORMER RESIDENT HERE DIES AT RUTHERFORD HOME

Thomas McLoughlin, former resident of Belleville, died at his home, 307 Sylvan street, Rutherford, on Tuesday, August 5. Mr. McLoughlin lived at 44 Linden avenue, Belleville, for a number of years, and held office as Belleville Fire Commissioner for some time. He was a charter member of the Belleville Lodge of Elks. Heart failure caused his death, after an illness of two weeks.

Mr. McLoughlin is survived by his wife, Mrs. Ellen McLoughlin, five sons, Thomas, James, Walter, Edward and Frank, and three daughters, Mrs. Ann Martin and the Misses Eleanor and Alice McLoughlin.

ASBURY PARK POLICE SAY THEORY OF VIOLENCE IN HOEY DEATH IS UNFOUNDED

Mystery which at first surrounded the drowning of John J. Hoey, Jr., twenty, of Asbury Park, a former resident of Belleville, was dispipated early this week by the Asbury Park police, who investigated reports that his death was due to violence. His body was washed ashore at Loch Arbour Beach, that city, early Sunday morning. Members of his family, including his mother, Mrs. Theresa M. Hoey, live at 14 Wilson place. They attended the requiem mass offered at Holy Spirit Church, Asbury Park, at 9 o'clock yesterday morning. Burial took place in Jersey City, where the youth's father was buried.

Hoey, who was born in Indianapolis, had lived in Asbury Park for eight years, although his family had lived in Belleville most of that time. He was a member of Company G, 114th Infantry, N. J. N. G. Besides his mother, a sister, Miss Gertrude Hoey, a brother, Bernard and a grandmother, Mrs. Mary Brady, live at the Wilson place address. He also leaves another sister, Mrs. Mary Pace, of Neptune.

CHEVROLET TRUCK OUTPUT INCREASED DURING 1930

An increase of twenty per cent in production of light delivery trucks during the first half of this year over the same period in 1929 was announced today by Sidney Corbett, manager of the commercial car division of the Chevrolet Motor Company.

Figures for the comparable periods were 27,236 units as against 22,613 to July 1 last year.

This production increase Mr. Corbett attributed to the need for light delivery trucks in federal, state, municipal and public utility construction projects now under way, and to the growing use of the light truck in rural sections.

TREATED FOR DOG BITE

Mrs. A. Fried of 35 Hornblower street, reported to the police Saturday that her ten-year-old daughter had been bitten by a dog owned by Charles Payne of 893 Broadway, Newark. The girl was treated by Dr. E. A. Flynn.

Defendant Gets a Relapse of "Summer Cold" In Court

It was a case of having a bad summer cold and having had to take "Creoturpin," a medicine with 25% alcoholic content to break it up, that caused Henry Brucker of Harrison to drive zig-zag in Washington avenue July 7, the defendant explained to Recorder George A. Fitzsimmons in traffic court Wednesday night of last week.

But if Brucker had a bad summer cold on July 7, when he was given a summons by Patrolman Kenneth Smith and declared by Acting Town Physician Daniel Kavanaugh to be unfit to drive because of intoxication, he must have had a colder chill down his back when he heard the recorder pronounce the penalty.

He was fined \$200 and his license was revoked for two years. Testimony offered by Brucker's own physician, that a good "swig" of the prescribed medicine would be enough to put the defendant in an intoxicated condition seemed to carry little weight with the presiding judge in view of the statement made by Dr. Kavanaugh, who examined Brucker. The statement read "By every test known, I find Henry Brucker intoxicated and unfit to drive an automobile." The document was dated July 7.

Notice of appeal was filed by the defendant.

VISIT GIRL SCOUT FRIENDS AT BLAIRSTOWN ENCAMPMENT

Miss Florence Kelly of Washington avenue and Ruth Engel, a member of girl scout troop 8, of which Miss Kelly is captain, motored to Camp Kalami at Blairstown recently to visit Grace Martling of troop 3 and Edna Baum of troop 8, who spent a couple of weeks at the camp there. This past week Edna Baum has been the guest of Mary Tims at the farm of Charles Kelly near Washington. Dorothy and Ruth Wuest of troop 8 have returned from a three weeks' stay at Camp Wakoda in Central Valley.

JUST GOT IN WAY OF KNIFE; WOULD NOT MAKE COMPLAINT

Michael Connors, thirty-two, colored of 224 Mill street, notified the police Sunday that he had been wounded with a knife wielded by Eddie De Groot, colored, at De Groot's home on Stephens street, where he said he got in the way of a weapon that was aimed at De Groot's wife, when he attempted to interfere in a quarrel. He said he did not want to make a complaint, however and police took no action. Connors was treated by Dr. D. E. Kavanaugh.

BOEHMER DIES AT 88; KILLED BY AUTO JULY 22

Funeral services for Henry Boehmer, eighty-eight years of age, who died Wednesday evening at the home of his daughter, Mrs. William Lawrence of 127 William street, will be held tomorrow morning at 8:30 at his home followed by a requiem mass at St. Mary's Church at 9 o'clock with Rev. James J. Owens officiating. Interment will be in Holy Sepulchre Cemetery, Newark.

Born in Germany in 1842, Mr. Boehmer had been a resident of Nutley for thirty-three years. On July 22, while attempting to board a trolley in Belleville, he was struck by an automobile driven by Louis J. Halos of 580 Washington avenue, Belleville. He was taken to his home in Nutley by Mr. Halos where he was in a critical condition until the time of his death. An autopsy performed yesterday is said to have revealed a fracture of the skull.

Surviving are the daughter with whom he made his home, Mrs. William Lawrence of 127 William street, and two sons, Joseph of the William street address, and Frederick of 55 Church street, and a step-son Richard C. Darvill of Prospect street, Nutley; a daughter, Mrs. Michael Carragher of 27 Bridge street, and a son John Boehmer of Lincoln terrace, both of Belleville, and a son Matthew Boehmer of Newark.

"Soul," will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, August 17, 1930.

The Golden Text is: "My soul shall be satisfied as with marrow and fatness; and my mouth shall praise thee with joyful lips" (Psalms 63:5).

Among the citations which comprise the Lesson-Sermon is the fol-

lowing from the Bible: "Bless the Lord, O my soul, and forget not all his benefits; Who forgiveth all thine iniquities; who healeth all thy diseases" (Psalms 103:2, 3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If Spirit, Soul, could sin or be lost, then being and immortality would be lost, together with all the faculties of Mind; but being cannot be lost while God exists" (p. 215).

THIRD LADIES AUXILIARY EXCURSION AT MANASQUAN TO RAISE ACTIVITY FUNDS

Mrs. Mary Stevens will be hostess to members of the Ladies Auxiliary of Grace Baptist Church on Wednesday at the summer home of her daughter, Mrs. Helen Randolph of Manasquan. About twenty members are expected to be present. Any others desiring to make the trip should get in touch with Mrs. G. W. Weirich of 206 Linden avenue.

This is the third excursion of its kind which the auxiliary has had during the summer for the purpose of raising funds for its various projects. Twenty-six women visited the summer cottage of Mrs. Hally Hickok at Indian Lake and the second trip was to the summer place of Mrs. Douglas Clark at Pequannock on July 16. Those furnishing cars for the outings were Mrs. Hickok, Mrs. William Glenck, Mrs. George Karrer, Mrs. Elwood Russell, Mrs. Howard Ryer and Parker Torrey.

BELLEVILLE TEACHER GETS B. S. DEGREE FROM RUTGERS

Eighty-six students, most of them from New Jersey, received degrees Friday from Rutgers University at the fourth annual summer school convocation in Kirkpatrick Chapel. The exercises concluded the eighteenth annual summer session which enrolled a record number of 1,960 students.

Most of those receiving degrees are teachers in New Jersey's public schools and have completed requirements for their degrees by taking during the year courses offered by the School of Education. Sixty-eight of the eighty-six degrees conferred by Dr. John M. Thomas, president of the University, were for completion of work in the School of Education.

Among those from this vicinity who were honored was Lillian E. Bechtoldt of 133 Union avenue, Belleville, B. S. in Education.

ELKS GIVEN A 15 TO 5 DRUBBING

Former League Champs Look and Before Hard A. A. Drive

Trample All Over Elks and Get
Four Runs In Each Of
Three Frames

COEYMAN MISSES SHUTOUT

The Belleville A. A. practically killed all chances of the Elks winning the pennant in the senior league as a result of their 15 to 5 victory over the former champions a week ago Wednesday night. The Elks played the most ragged ball they have shown in their two years of league competition.

Teddy Coeyman, A. A. southpaw was in rare form, in fact in far better form than the score would indicate. He limited the Elks to three hits, but four costly errors prevented him from getting a shut-out. Jim Mallack, on the other hand, was touched for twelve hits.

PLENTY OF EXCITEMENT

It was a ragged game to watch, but the big crowd had plenty of thrills. The A. A. got off to a flying start by scoring three runs in the opening frame. Teddy Skidmore's double, singles by McDaniels and Mac Lamb, and two Elk errors gave the A. A. three count-ers.

The Elks came back with a run in the second when Coeyman hit two batters. This, coupled with an error, produced a run. The slug-ging A. A. troupe made three more runs in the second. A base on balls, an error and doubles by Skidmore and McDaniels and a single by Polfisch produced the scores.

EYES BULGED OUT

The crowd became tense after the first half of the third inning. In this frame the Elks tallied four times on only one hit. Arty Lamb reached first safely on an error after Zimo Flynn had fanned. John Mallack hit one to right center which McDaniels dropped after a long run.

Kastner hit a hot one to Bob Andrews and when the latter fumbled, Lamb scored. Jim Mallack fanned, but Jim Dunleavy hit a pop fly which Coeyman muffed and John Mallack came romping home. Tommy Dunn walked and the stage was set for Jimmy Dunn. Jimmy responded with a clean single to center field, scoring Kastner and Dunleavy.

ANOTHER FOUR RUNS

The A. A. were retired in order in their half of the third and it looked like anybody's game. However, the Elks went on another erring spree in the fourth. When the scorer checked up it was found that the A. A. had tallied four times again on only one hit. This proved to be more than enough to win as the Elks could do nothing with Coeyman for the remainder of the game.

To show their disregard for the Elks reputation the A. A. nine went out in the fifth and scored another run and followed it up with four more in the sixth. Teddy Skidmore, Johnny Lawlor, McDaniels and Schleckser each had a brace of hits apiece for the win-ners. Johnny Leonard was the fielding star of the day. The score:

BELL-NUTS EASY FOR ST. ANTHONY'S

Winners Roll Up Nine Runs
While Losers Are Powerless
Against Gallagher

MISSING MEN IS THEIR ALIBI

St. Anthony's ran roughshod over the Bell-Nuts Thursday night in a Legion League contest at Clearman Field. The score was 9 to 1 and the Bell-Nuts were badly outplayed. The Saints battered Garrison, Bell-Nut twirler, for eleven hits, seven of which were doubles.

The Bell-Nuts took the field with four regulars missing. Bill Kearney, Bill Buttons, Alex Baykowski and Pint Sentner, all of whom are main cogs in the Bell-Nut machine, were missing. Gallagher, youthful St. Anthony pegger, was in rare form. He held the Bell-Nuts to three scattered hits, two of which came in the opening frame.

Five Runs in Opener

The Saints scored five runs in the opening inning. Three doubles, two singles and a fielder's choice accounted for the Saints' scores in this inning. The winners scored two runs in the third and two more in the fourth.

Jerry Bonavita and Biase, with two doubles apiece and Lew Solomon with a brace of singles, led the batting attack for the winners. Derrico starred in the field for the winners. Jack Kellet accounted for two of the three Bell-Nut hits while Whitey Stager did some nifty fielding for the losers.

FREDDY IN HEAVY TRAINING

Freddy Polo will return to the ring Monday at the Velodrome arena in a titular ten-round con-test against Johnny Oakley of Trenton. Polo left for Madame Bey's training camp Tuesday of last week, where he will go through heavy daily workouts.

A victory over Oakley is expected to bring young Corbett to New-ark to box Freddy. Oakley is one of the best welterweights in the State. His two performances in Newark ended in victories. He beat both Abie Bain and Doe Con-rad, two of Newark's best fighters.

Polo also has a good record, hav-ing scored knockouts over Pal Sil-vers, Mike Dempsey and Jack Mc Farland.

CLINTONS MOVE INTO THE LEAD

Take 1 To 0 Decision From St.
Anthony Nine As Byrnes
Scintillates

COZZI ROBBED OF GLORY

Tommy Byrnes pitched an un-beatable brand of ball Saturday afternoon at Clearman Field and the Clintons took a 1 to 0 decision from the St. Anthony Jrs. Before game time, the teams were tied for the leadership of the junior league, but the Clintons now hold a one-game lead over the Cardinals and St. Anthony's.

Byrnes had the Saints complete-ly under control with his southpaw slants, only two hits being regis-tered from his delivery. Pat Cozzi, the Saints' twirler, certainly de-served a better fate. He held the Clintons to three hits, but two of these were bunched in one inning and a run was scored.

How It Was Made

It was in the fifth that the Clin-tons put the winning run across. Scotty Travers started by singling. Johnny McGuire forced him at sec-ond. Dbrowski sacrificed McGuire to second. Then Dave Connelly shot a double down the third base line scoring McGuire with the only run of the game.

The Clintons gave Byrnes great support. Not a single error was chalked against the league leaders and in the seventh frame they pulled a double play, Travers, Dbrowski to McGuire. Dbrowski, Travers and Connelly were the only Clinton players to get hits with Cieri and Biase hitting safely for the losers.

CORSE THRASHES PAT MORRATTI

Wins Every One of Six Rounds
In Night's Thriller At
Long Branch

MATCHED WITH JIMMIE RIVERS

Frankie Corse, speedy Silver Lake featherweight, scored a sen-sational win Friday night over Pat Morratti of Long Branch at the Oceanview A. C. in that city. Corse won every one of the six rounds, giving Morratti a sound thrashing. He used a right to the jaw and a left to the stomach.

The contest was the best showing of the night. Immediately after the fight the promoter matched Corse with Jimmie Rivers of Tren-ton for tomorrow night in a special six-rounder.

Rossi Loses

Al Rossi, popular Silver Lake lightweight, dropped his first fight in twenty-two starts at the Dream-land Park Arena a week ago Wed-nesday night. His opponent was Al Fisher, Newark's kayo artist. Rossi started like a whirlwind, taking the first three rounds easily. But he began to weaken in the fourth and fifth and Fisher rolled up points. From the fourth on Fisher used his right hand to Rossi's stomach and won every round until the eighth, when Rossi made a slight come-back. It was too late, however. Fisher already had the fight won.

JACK COOGAN GIVES PRIZES

Miniature golf is no longer the pastime for amateurs. Profession-als are turning their talents to the "little game." Four of them play-ed to a gallery of 500 at the Jackie Coogan Model Golf Course at Union avenue and William street Friday night, in a two-team, thirty-six hole match.

Alex Milne, designer and builder of the course and his son, George, professional at the Penbrooke Country Club, won three up and two to go, over the brothers, Maurice and Tom O'Connor, pros at the Branchbrook course.

It was match play, otherwise the O'Connor boys would have won as their combined score was 184 to the combined score of 185 for the Milne team. Low individual score however, was won by the younger Milne with a nice 82.

In the first round his score was forty, two under par, and his sec-ond round was just par. His father made 103 for both rounds and the other scores were ninety-three for Maurice and ninety-one for Tom O'Connor.

Prizes were awarded by Jack Coogan Jr., proprietor, who boasts of having a course that tests actual golfing technique. Today he has invited members of the Lions Club to play.

GREAT PITCHING BY BYRNES IN UNION DEFEAT

Single In Second, Only Thing
That Keeps Him From A
No-Hit Game

RETIRES THREE BATTERS AS THREE MEN ARE ON BASE

The Clintons retained their lead-ership in the Junior League by taking the Unions into camp 4 to 3 Monday night at Belleville Park. Tommy Byrnes pitched his second game in three days for the Unions and except for a slight loss of con-trol in the first inning he pitched a masterful brand of ball.

Marco DiGiovanni's single in the second inning robbed Byrnes of a no-hit game. Andy Colannino lim-ited the Clintons to three hits and, as usual, turned in a fine perform-ance. Byrnes kept up his remark-able strikeout record by fanning fourteen Union batters in six in-nings.

Gets Out of Hole

The Unions put across a run in the first inning when Byrnes walked the first three batters to face him. He then uncorked a wild pitch and Costa ambled in with the only Union run. This left two men on base with none out, but Byrnes calmly struck out the next three batters.

Shorty Dbrowski, first Clinton player at bat, smashed the second pitched ball for a home run to left center. Another run was scored in the third when Tommy Byrnes doubled to left field, took third on a wild pitch and then scored on an infield out.

Played Safe

Just to make matters safe, the Clintons added two more markers in the fifth. McGuire flied out, but Irving reached first safely on Costa's error. Manning tripled to right field, scoring Irving. The former scored a moment later on another Union error.

Two of the Clintons' three hits went for extra bases. Dbrowski hit a home run, Manning a triple, and Byrnes a single. Byrnes, Man-ning, McGuire and Dbrowski were the only Clinton players to have assists and putouts. The reason for this was that Byrnes fanned fourteen of the twenty-four men to face him. Herman Paul did some brilliant fielding for the Un-ions.

WHAT IS A BOOSTER?

Webster's dictionary says that "boost" means to lift or push from behind; to raise; to assist over obstacles one is endeavoring to climb; and that is precisely what can be said of the merchants and business men whose advertisements appear

on this page. They are pushing Belleville, attempting to put this town in the front ranks of municipalities in the state; assisting it over the obstacles that impede its progress. They are boosters and need the co-operation of other resident boosters.

NOTICE

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and third reading at a meeting of the Board of Commissioners of the Town of Belleville, held Tuesday evening, August 12th, 1930, having been read in its final form at least one week prior thereto, and is therefore now a law and hereby published according to law.

JOHN J. DALY, Town Clerk.
AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF 7" R. C. PAVEMENT, CONCRETE SIDEWALK AND GRANITE CURBING AND SUBCONSTRUCTIONS ON SPRINGER STREET, IN THE TOWN OF BELLEVILLE, FROM BALDWIN PLACE TO LUKOWIAK PLACE, PROVIDING FOR THE ASSESSING OF THE COST THEREOF ON PROPERTY BENEFITED, APPROPRIATING THE SUM OF \$5,000 THEREFOR, AND AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That Springer Street, in the Town of Belleville, from Baldwin Place to Lukowiak Place, be improved by the construction of 7" R. C. Pavement, Concrete Sidewalk, and granite curbing, and subconstructions thereon.

2. The cost of said improvement is hereby estimated to be the sum of \$5,000.

The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville are hereby authorized to be issued in an amount not to exceed the amount of said appropriation, pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes, shall be determined by resolution of the Board of Commissioners or by the Director of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

3. Said improvement shall constitute a local improvement and the cost thereof shall be assessed against the abutting property to the extent of the benefits received from said improvement.

4. This ordinance shall take effect immediately.

Passed first reading July 29th, 1930.

Reductions In 379 Cases; Are Less Than Last Year

While discussion and publicity about tax assessments in Belleville during the last period was relatively less than the previous year, there was still an imposing number of appeals made as the following list will show.

Former Assessor James L. Davidson recommended reductions in 322 cases and these amounted to \$160,100. He contested fifty-seven other appeals, but the County Board, after hearing the cases, granted reductions totaling \$35,100 making a grand total of \$195,200 in remissions. Last year remissions amounted to almost \$1,000,-

000. Value of property on which appeals were made, both to the former assessor and the County Board was consequently reduced from \$2,087,500 to \$1,892,300.

Acting Mayor William H. Williams, who is the director of Revenue and Finance was not satisfied with Davidson's work during the past year and appointed John F. Coogan Jr. as acting assessor. Mr. Coogan will have to better Mr. Davidson's record to justify Mr. Williams' appointment. Following is the complete list of remissions allowed:

of it, as well as the general public, all of whom have been compelled to detour at a heavy loss of time and money. The transportation companies have had to Avondale bridge in Nutley and Newark bridges.

When complaints regarding losses in revenue were made by bus companies, with a result night crews to speed the work was pointed out by the companies that owing to the precise of the job, operations and electric spotlights would not be possible.

DELAYED AND ADVANCED

Charles E. Ryan, vice-president of the Linds-Griffith company, of the installation of new steel beams had delayed the job slightly, but on the other hand, the use of a new type of cement on floor had hastened it, and if re-opening is effected today as expected, the job will have been completed in contract time.

Workmen were busy hoisting the concrete blocks which the counterweight floor lift is filled, so as to have tail in readiness by the time floor job was completed.

The flooring is a new type asphalt plank, one and one-half inches thick, a material which said to have been tried out with great success elsewhere. In addition to its durability, it has added advantage of reduced noise.

EAST LONG BRANCH OUTING SUNDAY FOR 'LAKE' CLUB

The St. Anthony Field Club Silver Lake will sponsor its annual excursion Sunday to Long Branch. Trains will leave the New Jersey Central railroad Broad street at 9 o'clock and leave East Long Branch at 8:15. A majority of the members reported that the tickets are sold rapidly and a big crowd is expected. Each year the ride has financial and social success, refreshments will be served on the train while members of the club will entertain with music dancing.

HUPP STRAIGHT EIGHT TOO FIRST PRIZES SINCE 1919

Detroit, Mich. — The last years have seen some changes and developments in automobile design. Today there is one large producer in the four-cylinder field. Most manufacturers passed to the six cylinder field and three years ago.

The last eighteen months brought another decided change this time to the eight cylinder field. Not only has this trend to the field pioneered by Hupp, but so concentrated has cylinder production become that room is left for those six cylinder cars priced above the \$1,500 — thus fulfilling a prediction two years ago by Hupp.

Ten years ago Huppmobile a period of intensive experimentation in the field of the straight eight engine. It was the year following the first straight eight triumph in the gruelling 500 mile race on the Indianapolis Speedway. Curiously enough, it has been straight eight engine, especially built for racing, that has each year won first place since 1919.

First Italian Baptist Church

Rev. Benedetto Pascale, pastor Sunday school, 10 a. m. Morning worship, 11 a. m. Sermon in English. Evening worship in Italian at 7 p. m. Young people's meeting at 8 p. m.

Rev. Pascale reports that the building of the gymnasium adjacent to the Friendly Playground continues to progress and that the enthusiasm of the volunteer workers is undiminished. The walls of the first floor are up and the floor is now being laid. Large numbers of visitors come every day to watch the men at their work.

English Is Foreign Tongue In Canada, Say Rorabachs

Mr. and Mrs. C. T. Rorabach and Rorabach's parents, Mr. and John Woodley of Joralemon recently returned from a automobile tour through Canada and the New England States. They visited Lake George and Lake Champlain, thence to Montreal and along the St. Lawrence river to Quebec, where they spent two days. They made a trip to St. Ann's

Shrine just above Quebec and also visited the old fort, now known as the citadel, where the British and French generals, Wolf and Montcalm were both killed in combat in 1759. The fort was originally built by the British, captured by the French and re-captured by the British. About a hundred soldiers are stationed there. In the fort is a little cannon captured by the British at the Battle of Bunker Hill and beside it stands one of the

enormous guns taken from the Germans in 1917.

300 Feet Above Water

Of interest to Mr. Rorabach also was the old wall surrounding Quebec and the Chateau Pontenac built on the edge of the river 300 feet above the water and overlooking the Gulf of St. Lawrence. The tourist lodge where they stayed while in Quebec had once been a fine old French home, much of the furniture being more than 150 years old.

Mr. Rorabach said that practically no English is spoken in the little Canadian towns along the St. Lawrence river and that when he stopped at a garage to get a "flat" fixed he could not make his wants understood until another traveller happened along who spoke some French.

Dog Carts Common

In a little Indian village which they visited just outside of Quebec, he stated that dog carts are in common use and that the inhabitants are living in as primitive a manner as their ancestors of 200 years ago. He also reported that the roads in this section as well as elsewhere were in splendid condition, the farms prosperous and that there were many interesting old French homes.

They returned home through Portland, Me., and Boston, making a complete circle. They visited Cape Cod and spent a day and a half at Narragansett Pier.

THREE JEFFERS INJURED IN MONDAY CAR CRASH

Three persons were injured in an auto collision at Union avenue and William street Monday, when a car driven by J. Jeffers of 90 Columbus avenue, Belleville, crashed with one driven by Austin J. Waldron of 82 Berkley avenue, Newark.

Those hurt were Mrs. Mary Jeffers, Julia Jeffers and Joseph Jeffers, the latter nine years old, all of the Columbus avenue address. Patrolmen Fleischauer and Nourse took the injured to Dr. D. E. Kavanaugh for treatment for lacerations and abrasions.

Christ Episcopal Church

Rev. Peter R. Deckenbach, rector. Ninth Sunday after Trinity. Morning prayer and sermon at 11 o'clock. Hal W. Earl, lay reader, will preach on "Racial Relationships." This sermon will be especially interesting to women and girls. A week from Sunday, August 24, Mr. Earl has chosen for his sermon topic, "Work, A Christian Duty." There will be no service in Christ Church August 31. Special attention is called to the community union services for that day. They will be held at Grace Baptist Church at 11 a. m. and at the Reformed Church at 7:30 p. m. On the evening of August 17 the union service will be at the Reformed Church also and on the evening of the 24th, it will be held at Christ Church. Rev. B. F. Dickisson is in charge of these services.

NOTICE

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and third reading at a meeting of the Board of Commissioners of the Town of Belleville, held Tuesday evening, August 12th, 1930, having been read in its final form at least one week prior thereto, and is therefore now a law and hereby published according to law.

JOHN J. DALY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF PAVEMENT, CURBING AND SIDEWALK, TOGETHER WITH SUBCONSTRUCTIONS, ON MINKER PLACE, IN THE TOWN OF BELLEVILLE, FROM BALDWIN PLACE TO LUKOWIAK PLACE, PROVIDING FOR THE ASSESSING OF THE COST THEREOF ON PROPERTY BENEFITED, APPROPRIATING THE SUM OF \$4,000 THEREFOR, AND AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That Minker Place, in the Town of Belleville, from Baldwin Place to Lukowiak Place, be improved by the construction of pavement, curbing and sidewalk together with subconstructions, thereon.

2. The cost of said improvement is hereby estimated to be the sum of \$4,000. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville are hereby authorized to be issued in an amount not to exceed the amount of said appropriation, pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof.

and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes, shall be determined by resolution of the Board of Commissioners or by the Director of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

3. Said improvement shall constitute a local improvement and the cost thereof shall be assessed against the abutting property to the extent of the benefits received from said improvement.

4. This ordinance shall take effect immediately.

IMITATION may be the sincerest form of flattery, but it sometimes causes discomfort. That is why DeCamp Buses now have the name DECAMP on the front of the bus illuminated at night for your protection. Other devices may be copied, but there is only one organization that can use the name DECAMP. Now you can be sure, day or night, that an approaching bus is a DeCamp Bus. And you can board it secure in the knowledge that there is no more courteous, comfortable or prompt transportation service anywhere.

DECAMP DEPENDABILITY

Leave Belleville, daily, Washington and Belleville Avenues, 7.55, 8.00, 8.15, 8.30, 8.45 a.m., then every 15 minutes on the hour, 15, 30 and 45 minutes after the hour until 11.30 p.m.

Leave New York, daily, Herald Square Bus Station, 36th Street and 6th Avenue, for Belleville 8.45 a.m., and every 15 minutes until 12.30 a.m.

A BUS IS NO BETTER THAN ITS DRIVER

HARRY AYERS

Mr. Ayers has been driving buses for seven years, and motor vehicles in general for fifteen years. He became a DeCamp driver on the strength of a fine record for courtesy, courage and skill both as helmsman and mechanic. Mr. Ayers was born in Iowa, but now lives at Great Notch, N. J. His career is proof of the DeCamp rule that "A Bus Is No Better Than Its Driver."

JUSTICE FOR MIDGET GOLF COURSE OWNERS

It takes a little while for the public to make up its mind about anything as new as the midget golf course. In Belleville it is being argued that the proposed \$150 license fee is too high. In Summit some people think the \$100 fee is not high enough. The question of Sunday operation is still unsettled.

Most of these courses are on leased ground, and it may be that an attempt on the part of the tax assessor to tax them in the regular way would transfer the burden to the owner of the land, who has leased his property at a rate which includes no margin for such a charge. The operator of the course might escape and the owner of the lot would be penalized. Opinion being still in a state of flux, our belief is that all municipalities should approach the question with the idea of giving the little courses as good a break as possible. They assuredly are interesting a lot of people, and except in rare cases are neither a detriment nor an annoyance.

One by-product of their popularity is of distinct value. That is that thousands of vacant lots which a few months ago were a tangle of weeds and a dumping place for refuse, now have been cleaned up and in some cases made really beautiful.

CONFERENCES DON'T BRING RAIN

The extent to which we are still at the mercy of the elements, despite the many ways in which man has discovered how to overcome or get around nature's more annoying phases, is no secret. But we seldom think about it until something like the present drought forces it on our attention.

President Hoover has cancelled his vacation to be on hand for executive control or relief measures. Railroads are cutting rates to get food to stricken areas or remove livestock to other regions. Conferences are being held, and investigations made, but it is the simple truth that there is no substitute for rain.

In a bygone day the farmers got together in such emergencies and paid out what was left of their meagre store of dollars to some fakir who shot off fireworks and sent up kites with appropriate hokus pokus. Sometimes, of course, it rained after these ceremonies and sometimes it didn't. Our notion is that they were just about as effective as anything Mr. Hoover may do to bring about drought relief.

MORE THOMAS FOOLISHNESS ABOUT THE RIVER

Passaic bought fifty millions of gallons of water from a water company and poured it into the Passaic river this week in an effort to "flush" the stream and get rid of the fearful stench which it gives off. Investigation is said to have shown that it did a little good, but not much.

This leads us to remark once more that the dilatory way in which the purification of the river has been handled is one of the most conspicuous blots on the administration of public affairs in New Jersey in recent years. The history of the Passaic river for the last two decades has been one of delay, excuses, expense and lack of results.

If the job is so difficult that it can't be done the very least that the highly-paid members of the Passaic Valley Sewer Commission could have done was to say so years ago with all the vigor and publicity which they could command so that the problem could be attacked anew by the State and the municipalities affected. To fool along for twenty years with utterly no results for the expenditure of millions of dollars simply isn't excusable even in the field of public affairs where the average American seems to be contented with service which he would not tolerate for an instant from any private business house.

Will Rogers Picks A Story For This Spot

By WILL ROGERS

A SCOTCH soldier was in bad for not saluting an officer or something serious like that, and a court martial ordered him to be taken right out and shot. The Scotchman asked for time out to count his

money before he handed over his personal effects to be sent to his parents.

Well, they say that the last fellow that told this story had a Scotchman in his audience, and the Scotchman didn't laugh. He got up and said, "That's nae a true tale!"

So the story-teller told him no offense was meant and all that, and the Scotchman says, "Nay, it's nae the offense I'm mindin', but the story is false! Any Scotchman would know how much money he had wi-out pausin' to count it."

Commemorates Victories

One of the interesting sights in Quebec is a small church—Notre Dame des Victoires—so called because it was erected to commemorate the defeat of one English fleet under the command of Sir William Phipps, sent to capture the city, and the destruction of another formidable British flotilla by a terrific storm in the Gulf of St. Lawrence in 1711.

NICE PICTURE FOR THIS TIME OF THE YEAR

Cool off as you eat. Salads to tempt you—desserts that are flavorful and cooling. A menu that suits the hot weather and a service that is breezy and polite.

POSSIBLE TIE IN BALL LOOP

St. Peter's Sure Of First Place But May Share Honors With A. A.

ELKS AIM FOR SECOND PLACE

Delegates from the different teams in the American Legion Senior Twilight League met in the Town Hall Tuesday night. A schedule for postponed games was mapped out. Plans for a banquet on or around September 20 were also discussed. It was also agreed that in the event of a tie for first place, one game would be played between the teams deadlocked on Saturday, September 6.

The chances are that there is likely to be a play-off for either first or second place. St. Peters, providing they defeat the Parks, can do no worse than tie for first place. The Belleville A. A. nine are also still in the running and if that team triumphs over the Elks it would be tied with the Saints. If, on the other hand, the Elks defeat the A. A. and win their remaining games, the "Hello Bills" would be tied with the A. A. for second place. In that event the A. A. and the Elks will battle it out for second place on Saturday, September 6.

Schedule for Postponed Games

Aug. 13—St. Anthonys vs. Parks.
Aug. 14—Giants vs. Bachelors.
Aug. 15—Parks vs. Elks.
Aug. 18—Elks vs. Giants.
Aug. 19—Parks vs. Bachelors.
Aug. 20—St. Anth. vs. Bell-Nuts.
Aug. 21—Parks vs. St. Peters.
Aug. 22—Elks vs. St. Anthonys.
Aug. 23—Bachelors vs. Bell-Nuts.
Aug. 25—Open date.
Aug. 26—St. Anthonys vs. Parks.
Aug. 27—Elks vs. Belleville A. A.
In case of rain on August 27, the Elks-Belleville A. A. game will be played Thursday, August 28.

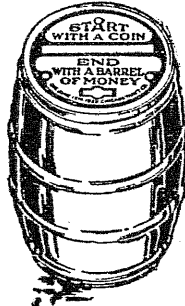

Too Much Trouble
