HUMAN TRAFFIC LIGHT PUT IN OPERATION HERE

Mayor Starts Signal At Union Avenue and Joralemon Intersection

LIGHT CHANGES AS CARS APPROACH INTERSECTION

A humanized traffic signal that works automatically as cars approach the intersection was formally dedicated yesterday afternoon at 2 o'clock at Union avenue and Joralemon street in the presence of Mayor Samuel S. Kenworthy, Freeholder Joseph King and County Engineer William A. Stickle. Mayor Kenworthy turned the key that started the signal and the keys were turned over to Patrolman Robert Anderson who represented Chief of Police Michael Flynn.

The signal is green to Union avenue traffic at all times except when an automobile approaches in Joralemon street.

MAGNET FLASHES

A sensitized magnet flashes to the control box and an amber light followed by a red light, goes on to Union avenue traffic. Only however, if the car in Joralemon street is nearer to the intersection than any car in Union avenue. If traffic is continuous in Union avenue, the Joralemon street driver will have to wait for a break.

In any event, fifteen seconds is the longest period of time that the light flashes green for Joralemon street traffic and if traffic is continuous in that street it must stop for Union avenue traffic to continue.

A button on the side of the control box will allow a traffic policeman to work the signal by hand while school is being dismissed.

WINFIELD'S SON HURT BY AUTO

In Car That Collides With Another At Greylock Parkway and Union Avenue

REPORTED TO BE IMPROVED

Walter Winfield, seventeen, son of the former Town Commission candidate Henry W. Winfield of 49 Preston street, was bruised on the head and left side last Thursday when the car in which he was riding collided with another car at Union avenue and Greylock parkway. He was treated by Dr. Herbert S. Vail and sent home where it was said Monday he was improved.

Winfield was a passenger in the car driven by Anthony Keyl of 54 Bedan avenue, Fairlawn, who was attempting a right turn into Greylock parkway. The other car was driven by Mortimer S. Cohen of 273 Hamilton avenue, Paterson. Neither driver would make a complaint, Patrolman Bush reported at headquarters.

SHARE FOR EACH TOWN WOULD BE ABOUT \$3,500; FEW MINOR EXPENSES WOULD BE DEDUCTED

Committee Fixes Price Of Mid-field Seats At \$2—Student Seats, Fifty Cents

POLICE TO OUST NON-PAYERS

Charity work in Belleville and Nutley will not be curtailed because of the lack of funds, it was indicated Friday when the committee for the post-season Belleville-Nutley football game at Park Oval, Nutley, December 6, met at Yountakah Country Club in Nutley.

Business was carried on smoothly and there was little disagreement over plans. It was agreed to begin the game at 2 o'clock and to provide seats for 10,000 persons. Admission was set at \$2 for 500

of the choice mid-field seats on either side of the oval. General admission for seats from the forty-yard lines to the goals will be \$1 and fifty cents will be charged for 1,200 student and 1,200 cheering section seats.

Wide Distribution

Each town will receive half the number of tickets. Sale will be made by high school students, Lions and Rotary Clubs of both towns, the Chamber of Commerce of Nutley and, if necessary, church societies.

Committee members announced that they will leave no stone unturned in the effort to reach a complete sell-out. If every ticket is sold it will mean a gross revenue of \$9,300 to be divided in equal shares between Belleville and

Nutley after a few minor expenses are deducted.

Takes A Hand

Expenses will be small, however. Commissioner Charles A. Sherwood of Nutley, who is in the trucking business, will cart, free of charge, Belleville's bleacher seats which have a capacity of 5,000. They will be erected at either end of the field so that it will be completely enclosed.

This arrangement is expected to be a guarantee against game crashers but an additional precaution has been taken to insure against these non-paying spectators. Tickets were printed especially large and must be worn in a prominent place.

SELECT ARTISTS FOR NEXT FREE SUNDAY CONCERT

Program For This Week Believed More Attractive Than First Effort

NO ADMISSION; TO BE HELD IN HIGH SCHOOL AUDITORIUM

The second of a series of Free Public School concerts will be held in the Belleville High School Sunday afternoon at 3 p. m. and will be featured by an ensemble consisting of nine voices conducted by William Miller, who has conducted chorus and part singing in this country and abroad for many years. Several familiar Scotch numbers will be heard as well as solos by artists of unusual ability.

A pianist, Orren Burt, will accompany this group and also contribute several piano solos. Mr. Burt is actively engaged in this work co-operating with many well-known musical organizations.

Earle Ballentine will be heard in several attractive violin solos. As a pupil of Oscar Holst, Belleville's leading violinist and teacher, Mr. Ballentine has shown unusual talent for the violin.

Since the last concert, much discussion has transpired regarding the possibility of these programs and their ultimate success. It is felt that those who attended the last concert will come again and bring their friends as it was concluded that the previous performance was educational as well as delightful and interesting.

Miller's Choral Singers comprise the following: sopranos, Lola Shurts and Helen Macintosh; altos, Marion Brash and Alice Leitch.

BIG CHRISTMAS TOY COLLECTION

Lions Club Committee Reports Hundreds of Donations Since Appeal

CAPITOL THEATRE BENEFIT

The number of toys to be given to unfortunate children as Christmas presents by the Lions Club is expected to be greatly increased this week with the announcement of a benefit performance at the Capitol Theatre. Children will be admitted to a Saturday morning show for a toy that may either be an old one that is no longer used or one that is broken. As long as it is a toy it will be counted as the full admission price. The show will start at 10 o'clock.

Members of the Lions Club Christmas Committee have already received hundreds of toys and these are being repaired by firemen at headquarters on Washington avenue.

Persons wishing to make donations are asked to call Dr. Daniel Kavanaugh at Belleville 2-3517 Charles Gerhardt, Belleville 21-2336; or Raymond Smith, Belleville 2-1286.

Boy scouts will then make collections and old toys will be repaired and freshened up with paint by the firemen who have done an exceptional job in making the toys appear almost new.

'ABRAHAM LINCOLN,' TO SHOW AT CAPITOL; BIBLE CLASS BENEFIT

A benefit showing of D. W. Griffith's "Abraham Lincoln" will be given under the auspices of Everyman's Bible Class at the Capitol Theatre during the week of December 15.

The picture reviews the high spots of Lincoln's career from the time he was a rail splitter to his assassination after becoming president. Critics praise the fine acting of Walter Huston who takes the major role.

BLUE AND GOLD SHOULD CONQUER EAST SIDE TEAM

But Newark Team Is Erratic and May Test Full Strength Of Belleville

NUTLEY WAS RECENTLY HELD TO 6-6 TIE GAME

Belleville will wind up its scheduled season with an East Side contest Thanksgiving afternoon at Clearman Field. Last season these two teams engaged in a great battle with Belleville winning by a touchdown that was scored late in the final period.

Belleville should enter the game as favorites, but unless the locals come back to form they may find the weak East Siders taking them into camp. At any rate Belleville will be striving hard for a victory if for no other reason than that East Side recently held Nutley to a 6 to 6 tie. If Belleville can win their chances of defeating Nutley in a post season game December 6 will be much greater.

Belleville's starting lineup is still uncertain. It is no secret that Coach Erikson was bitterly disappointed at the team's showing last Saturday and a big shake-up is expected. East Side has always been known as "in and outers." They play wonderful ball one game and soft football the next game.

HOMER ZINK TELLS ABOUT ABEL COMMISSION BILLS

In the absence of the invited speaker of the evening, Judge Seigler of the Newark Juvenile Court, Homer Zink spoke about the Abel commission bills to twenty-five members and guests of the University club at the meeting held in his home Monday night. A social time followed the business meeting. The group will meet January 8 at the home of Rev. and Mrs. Peter R. Deckenbach.

Thomas was taken to St. Michael's Hospital in Newark by Charles Hardick of 282 Ralph street where he was treated for severe cuts over the right eye and upper lip. The car was driven by Philip Brady, twenty-four, of 1 Runnymede road, West Caldwell.

Two Others Hurt

Two persons were slightly injured in another accident that day at Greylock parkway and Union avenue between cars driven by Mrs. Mary Burde of 570 Union avenue, and Zigmund Costerhalz of Lambertville.

V. W. ACKERMAN DIES ON COURT

Overtaxed Himself Playing Basketball With Legion League Last Night

TWENTY - THREE YEARS OLD

Over-exerting himself while playing basketball with the American Legion league in the High School gymnasium at 8:45 o'clock last night, Victor W. Ackerman, twenty-three, of 212 DeWitt avenue, dropped to the floor and lost consciousness. He was dead a few minutes later.

Ackerman called time out in the midst of play and attempted to walk off the floor but sank. Team-mates rushed to his aid and a hurried telephone call to police was made. When Vail pronounced the youth dead, Assistant County Physician E. Dinelli ordered the body removed to Thomas J. O'Mara's funeral home in Newark where, this morning, he performed an autopsy to determine the cause of death. Funeral arrangements have yet been made.

TUBERCULOSIS SEALS SENT TO BELLEVILLE FOLKS TODAY

3,700 envelopes, each containing 200 tuberculosis seals addressed to Belleville residents, were placed in the mails today by the Department of Health. The proceeds from the sale of these seals is a direct benefit to the citizens of Belleville inasmuch as it provides a nurse to follow up cases, a clinic for early diagnosis, health work among Negroes, sends children to health camps, and provides health education that will prevent tuberculosis.

Tuberculosis, age-old enemy of life and death, each year takes some of our citizens. Last year, thirteen people died from this disease in Belleville. This is seven per cent of the deaths that occurred in Belleville. The new reported cases were twenty-four. In Essex county in 1929, there were 718 deaths from this disease and 1,500 new reported cases. The actual number of deaths occurring a few years ago was not much different from the present, but in view of the increases in population that have occurred recently, the death rate has declined within the past few years. In 1910 the Essex county rate was 217.7; in 1920, it was 125.9; and in 1929, 87.4.

of 1929, a gain of 287,135 kilowatt hours. Compared with the corresponding period two years ago sales of industrial power in 1930 showed a gain of twenty-two per cent.

**REQUIEM MASS
THIS MORNING
FOR MRS. HUDSON**

Life-Long Resident Of Belleville Dies At DeWitt Avenue Home Sunday Morning

**WAS ENERGETIC WORKER
IN ST. PETER'S ACTIVITIES**

A solemn high mass of requiem was said this morning at St. Peter's Church for Mrs. John L. Hudson, fifty-three, of 47 DeWitt avenue, who died early Sunday morning at her home. Burial was made in the Church cemetery.

Mrs. Hudson was a widow, her late husband being well known in Belleville as an employee of the town. He was inspector for the Town Hall in 1913 and prior to that, for the Soho Isolation Hospital.

Mrs. Hudson was a resident of Belleville all her life and was an active member of St. Peter's Church, belonging to four societies. She was a past president of the local lodge, Ancient Order of Hibernians, and a member of the Rosary Society, St. Peter's Social Society and the Catholic Daughters of America.

She leaves two sons, John A. of Howard place; Anthony Francis of the DeWitt avenue address; two sisters, Mrs. Rose Mongold of 21 Howard place; Mrs. Sadie Bennington of Cedar Hill avenue; and one brother, Bernard McGuire of Bridge street.

TERHUNE — DILZER

Miss Ella L. Dilzer, daughter of Mr. and Mrs. Francis C. Dilzer of Prospect street, Belleville and Horace V. Terhune, son of Mr. and Mrs. A. V. Terhune of Passaic avenue, Nutley, were married in Belleville Reformed Church at 10 o'clock Saturday, Rev. John A. Struyk officiating. Chester A. Fell, church organist, played the wedding march.

The bride was dressed in green transparent velvet with a tight fitting hat of beige and a corsage bouquet of Ophelia roses. She was attended by her sister, Mrs. Paul D. Robinson, as matron of honor. Mrs. Robinson wore a beige dress and a brown hat, with a corsage bouquet of lavender sweet peas. George Sandford of Nutley, brother-in-law of the groom, was best man.

Mrs. Terhune was born in Belleville. Both she and her husband are graduates of Belleville High School and Mr. Terhune also attended the Case School of Accounting in New York.

The bride and groom originally planned to be married in the chapel. Through the persuasion of their families they consented to having the ceremony in the church, with the understanding that only the attendants and immediate families would be present. Mrs. Robinson, the bride's sister, planned differently, with the result that seventy-five "surprise" guests witnessed the wedding. The couple left for Atlantic City immediately after the ceremony. They will live at 33 Montclair avenue, Nutley.

**CONFIDENT OF RECOVERY
AFTER RABID DOG BITE**

Salvatore Frusteri, of 61 Salter place, bitten on the third finger of his right hand by a rabid dog Friday afternoon has been taking daily Pasteur treatments from Town Physician Herbert S. Vail and little concern is felt for his complete recovery.

The dog was found to have rabies four hours after Frusteri had been bitten when Health Officer Eugene Berry rushed the head to the Newark laboratories.

The first Pasteur treatment was given within twenty-four hours and this is considered a practical guarantee against contracting the disease.

MISS ROSELLA F. HAHN

**ASK RESIDENTS
FOR CLOTHING**

Mrs. Fitzsimmons, In Letter To Times, Makes Appeal For Needy During Winter

WILL OPEN AVENUE STORE

To the Editor of THE TIMES:

Dear Sir: I am making an appeal through your paper for clothing for which people have no further use. The thought behind the appeal is as follows:

Cold weather is almost on top of us and there are sure to be some people right here in our own town who are going to need warm clothing mightily badly before the winter is over. I am sure there are two-thirds of the people of Belleville who have clothing of some kind for which they have no further use.

If all this clothing is collected and assembled at one place and an invitation sent out to the needy to come and get whatever they require, I am sure a great deal of happiness would be felt by the giver and receiver.

We intend to occupy a store in the center of the town and open it possibly two or three afternoons or until the clothing is distributed if enough promises for clothing are received.

Men's, women's and children's clothing will be gratefully accepted. We only ask that they be reason-

ably clean and, of course, Anyone who has clothing to contribute or who would care in any way, kindly call Mrs. Fitzsimmons, Belleville 2-1093. Further details may be explained in later issues of this paper.

THE NEW CHEVROLET SIX HAS MANY IMPROVEMENTS

The introduction of the new Chevrolet Six marks the most impressive forward step in Chevrolet's twenty-year record of constant progress and improvement. For this Bigger and Better Six offers new beauty, new luxury, new completeness and new quality—yet it sells at lower prices!

In every curve and sweep of Chevrolet's modern lines—in every detail of its new Fisher bodies, you will see the fine hand of the master designer and the skillful craftsman. And the more closely you inspect it, the more deeply impressed you will be.

The improvements in the new Chevrolet Six begin at the smart new chrome-plated headlamps and extend throughout the entire car. The radiator is deeper. The lines are longer and lower, giving an air of exceptional fleetness and grace. And the interiors of the new Fisher bodies provide a new degree of comfort

and luxury: greater roominess; fine quality mohair or broadcloth upholstery; more pleasing interior fittings; and a new, completely equipped instrument panel.

The chassis of the new Chevrolet Six has also been refined and advanced in a number of different ways. The frame is heavier, deeper and stronger than before. There is a smoother operating, long lived clutch; a sturdier front axle; an entirely new steering mechanism; an easier shifting transmission. In fact, every vital feature of the new car has been made better to provide more thorough satisfaction for the owner.

And along with these improvements, Chevrolet offers the smooth performance of a 50-horsepower, six-cylinder motor—four long semi-elliptic springs—four hydraulic shock absorbers—a safety gasoline tank at the rear of the car—and an economy of operation not surpassed by any automobile.

Mr. & Mrs. Automobile Driver

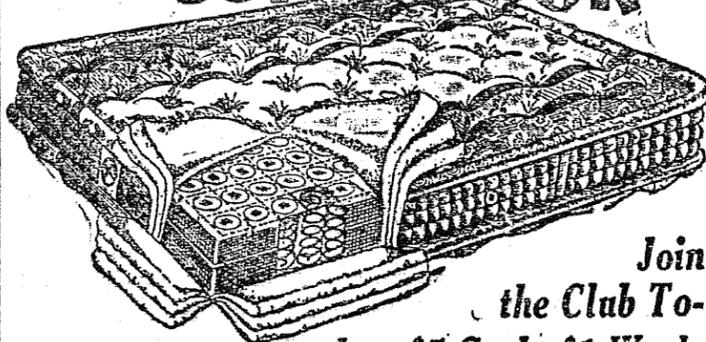

While sound restful sleep is not a guaranteed preventative of automobile accidents, however, a thoroughly comfortable, sound, restful sleep at night—a sleep that relaxes every muscle and every nerve—thereby building back into the body the muscle and the nerve energy that was used up the day before—will enable your mind to think more clearly; your muscles to function more rapidly and surely.

Many an automobile accident, many an automobile death is caused by nothing more nor less than a lack of sound, restful sleep the night before.

Remember! every car you pass—or passes you—holds in the passing a potential possibility of an automobile accident, all because either one driver or the other did not get a proper rest the night before, and therefore the mind would not function fast enough to meet the emergency.

FUNERAL HELD SUNDAY FOR REV. G. W. MC COMBE

Grace Baptist Pastor Dies At St. Barnabas Hospital After Two Weeks' Illness

SOUTH AMBOY PARISHONERS ATTEND AFTERNOON SERVICE

Funeral services were held in Grace Baptist Church at 3 o'clock Sunday afternoon for Rev. George W. McCombe, its late pastor, who died at 1:30 Friday morning in St. Barnabas Hospital, Newark, where he had been a patient since November 16.

Dr. Bruce Gilman of the First Baptist Church of New Brunswick officiated. Dr. Swaffield of the North Jersey Baptist Ministers Association gave the scripture reading, Rev. Peter R. Deckenbach of Christ Episcopal Church offered prayer as a representative of the Ministers Club of Belleville, and Rev. Otto Legler of the New Jersey Baptist Convention gave the benediction.

The church choir sang "Abide With Me" and "Lead, Kindly Light," two favorites of the late pastor. C. E. Stout was in charge of the Masonic service which followed at 3:45. Burial took place Monday at Sanford, Me.

Rev. McCombe is survived by his wife, Mrs. Effie P. McCombe; three brothers, Ross McCombe of Jersey City, Thomas and John McCombe of Sanford, Me.; and a sister, Mrs. Margaret Boyd, also of Sanford.

Came Here in 1913

Mr. McCombe first became pastor of Grace Baptist Church in 1913. He remained in that post until 1918, when he left to become pastor of the First Baptist Church, South Amboy. In September, 1929, he again became associated with the Belleville church. That he was highly regarded in South Amboy as well as locally, was attested by the large delegation present at his funeral from the former church.

At one time he was editor of the South Amboy Citizen. During the war a munition plant exploded there but even though his church was partly demolished and everyone was leaving town, he insisted on remaining to help and ordered his church used as a barracks to house soldiers.

Dr. Keith McLeod of Livingston preached from Grace Baptist pupil November 16 and it was occupied last Sunday by a layman, Mr. Powlson of Englewood. Dr. E. Booth of the New Jersey State Convention will preach at the church until the vacancy has been supplied.

STOP-STREET ORDERS

Police Chief Michael Flynn issued an order last week to see that automobilists observed the stop-street sign in Hornblower avenue at Union avenue. He sent two patrolmen to the place. One waved violators over into a line and the second wrote out tickets.

Traffic flowed with regularity last Thursday and violations, in comparison. As a consequence, the line of automobiles waiting for tickets was long. A crowd collected, curious at the line of cars and anxious to hear the same old excuses.

To an ex-reporter coming straight up Belleville avenue, the line of cars along the curb, the crowd of curious persons on the sidewalk and the two policemen prominent in their blue uniforms, presented a picture that breathed of disaster!

THE OLD TRAINING

Goldberg was in a hurry but his old training did not fail him and he followed the strongest impulse, which was to pull over at the curb and investigate.

Alas for Goldberg! He knew not what he did. Two drivers in front of him received their tickets and went their ways. To the patrolman handing out tickets, Goldberg was just another passer of stop-street signs and the usual ticket was issued.

WISE GOLDBERG

He, of course, could not know that Goldberg came straight up Belleville avenue and was guilty of no violation. Nor could he expect to know, for Goldberg was suddenly seized with the conviction, (based on reportorial experience) that talking back to a cop would only result in a larger fine.

He wanted to say "What's this ticket for?" but caution dominated him and he rode off.

The next day Patrolman Edward Fleischauer was on school duty at that intersection. A man pulled up to the curb, alighted, and began pacing up and down the street, apparently, thought Fleischauer, to examine the vacant lot on the corner or to make some real estate transaction. Casually he watched the man. For five minutes the man seemed to ponder. Fleischauer thought, "a difficult decision."

Then Goldberg, his indignation swelling to great proportions, overcame his fear of bluecoats and

asked, "Where is there a stop street sign here? Did they take the sign away since yesterday?"

Fleischauer told him to tell his story to the Sergeant at the desk and Goldberg saved his \$2.

"How could a man with a story

like that be fined?" police are unanimous in saying.

MUSIC FOUNDATION LISTS COMING PROGRAM SERIES

Walter Gieseking, the finest of modern pianists, opened the Newark Music Foundation series with a recital in Wallace Hall, Tuesday evening at 8:15. He had chosen a delightful and varied program of Bach, Beethoven, Brahms, Debussy and Ravel.

August Geisler, Newark's own violinist and concert-master of the Symphony Orchestra of Newark, will appear as soloist with the Orchestra at the coming concert, Sunday afternoon, December 7, in the Broad Street Theatre. He has chosen the Mendelssohn "Concerto in E Minor" for violin and orchestra.

Mr. Geisler, who lives at 130 Underwood street, is a Newark son—born and bred. At the age of twelve he joined the old Newark Symphony. Later he became its concert master. He was concert master of the Festival Orchestra and now holds that important post with our new Symphony.

All his life Mr. Geisler has devoted to the violin. He has studied with Louis Ehrke for many years. He has played in every important musical group in Newark and has earned an enviable reputation as an artist and teacher.

Tickets for this concert are on sale at the office of the Foundation and at the Broad Street Theatre.

One hundred women's voices will be chosen from the Newark Music Foundation Chorus and The Contemporary Chorus to prepare Debussy's Cantata "The Blessed Damselle" for performance with the Symphony Orchestra at their concert in the Broad Street Theatre February 8. This work will be under the direction of Robert M. Crawford, musical director of the Foundation. New members may join at rehearsals which are held every Tuesday evening in the Griffith auditorium at 8.

A special group of men and women will be chosen from the Foundation Chorus to do an interesting program of Christmas music over Station WOR the week before Christmas. The chorus is also preparing Bach's "St. Matthew Passion" for performance with the orchestra in March. Tenors and basses are especially needed for this work.

Cherry, who is Chief Mickey Mouse, has asked all the children to write him giving their birthday date. A color guard was furnished for the meeting by Troop 5 Girl Scouts with Margaret Stevens as color bearer and Natalie Brown and Mary Lux acting as sergeants-at-arms.

PRE-MEETING LUNCHEON SO SUCCESSFUL THAT IT WILL BE CONTINUED

Members of Christ Church Ladies' Guild numbering twenty-four attended an informal luncheon which preceded the regular meeting of the group last Thursday. This was an innovation and proved such a success that it was decided to continue the luncheons each month.

Hostesses were Mrs. G. Edward Pratt, Mrs. George Schmeltz, Mrs. Walter Coups and Mrs. Herbert Mayes. They will continue to serve in that capacity.

The combined November and December committee, of which Mrs. Horace B. Winship and Mrs. John C. Weber are co-chairmen, held a meeting at Mrs. Winship's home, 38 Division avenue, Friday afternoon. Plans were made for an afternoon pivot card party at the parish house December 12 at 2 o'clock.

MRS. STRUYK TELLS SOCIETY OF WORK OF MISSIONS

Mrs. John A. Struyk, who was in charge of the program of the Woman's Missionary Society of Belleville Reformed Church which met in the chapel last Thursday afternoon, gave a talk about a missionary conference she attended at the Second Reformed Church, Irvington, Friday, November 7, and about various missions in Oklahoma.

Mrs. H. D. Davey and Mrs. Irving Trimmer reported on their program preparations for the coming year.

Mrs. Trimmer led the devotional service and Mrs. John Piercy served refreshments.

The next meeting will be held Thursday, December 18.

LADIES AUXILIARY TOLD OF LIFE IN PORTO RICO

Conditions in Porto Rico was the subject of an address given by Mrs. J. R. Adair of Arlington, delegate of the East New Jersey Baptist Association, before the members of the Ladies Auxiliary of Grace Baptist Church at their missionary meeting in the home of Mrs. Mary Stevens of Campbell avenue last Thursday afternoon.

She told of the poverty and suffering of a large majority of the inhabitants, explaining that the coffee, tobacco and sugar plantations are under the control of American capitalists, who hire native labor at sixty cents a day. Women receive six cents a garment for embroidered underwear. She stated that since the hurricane two years ago most of the people have been in desperate need and some actually starving.

A clipping by Theodore Roosevelt, governor of the island, was read, in which he stated that everything possible is being done to alleviate conditions, land having been given over to the natives for raising vegetables and other produce for home consumption. Rice, which has been their main food heretofore, is expensive to import.

In speaking of the good work which the various religious denominations were doing, Mrs. Adair told of the Union Theological Seminary, where about thirty-nine students are being educated. Most school teachers are church members and the churches are largely self-supporting, with their Sunday Schools overcrowded, having a normal attendance of a thousand pupils.

Mrs. Hattie Hickok and Mrs. Parker Torrey assisted Mrs. Stevens in serving refreshments.

The next meeting will be held December 20.

WOMAN'S AUXILIARY TO ELECT

The regular monthly meeting of the Woman's Auxiliary of Christ Church will be held Monday evening in the clubroom of the parish house. The election of officers for 1931-32 will take place and a full attendance is desired. Mrs. Edward Nelson will preside.

Christian Science Church

"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced," will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, November 30, 1930.

The Golden Text is: "Be not overcome of evil, but overcome evil with good" (Romans 12:21).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand" (Ephesians 6:13).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy; "Christian Scientists, be law to yourselves that mental malpractice cannot harm you either when asleep or when awake" (p. 442).

WORLD WIDE GUILD MEETING

The Senior World Wide Guild of Grace Baptist Church will meet at the home of Mrs. Howard Ryer, 42 Tappan avenue, Monday night.

The play, "Dearies," which was to have been given by the Guild early in December, and the bazaar of the Ladies Auxiliary, have been postponed until after the first of the year, due to the death of the pastor.

BAZAAR COMMITTEE TO MEET FRIDAY; BAZAAR OPENS DEC. 3

The weekly meeting of the bazaar committee of St. Peter's Church will be held this week on Friday night, instead of Thursday. As this will be the last meeting previous to the opening of the bazaar, a full attendance is requested. The reports submitted by the various committees at the meeting last Thursday were encouraging to the general committee and to the parochial authorities.

The bazaar will open in the auditorium Wednesday night, December 3, with a dance which will be in charge of the Knights of Columbus and the Catholic Daughters. The children's bazaar will be held Thursday afternoon. Friday night will be Holy Name night, the principal feature of which will be dancing, and Saturday night all articles will be disposed of.

SOCIAL SOCIETY TO GIVE SAVINGS CLUB CHECKS AT MEETING ON FRIDAY

The regular weekly meeting of St. Peter's Social Society will be held Friday night of this week instead of Thursday. At this meeting the Savings Club checks will be distributed to the depositors. The Savings Club will reopen Thursday night, December 11.

It is with regret that St. Peter's Social Society records the death of one of its very best members, Mrs. Katherine Hudson, who passed away very suddenly Sunday morning. She was an active member of this organization since its beginning, always ready and willing to do her share towards making its various affairs a success. Even at the time of her death she was chairman of the refreshments committee for the coming bazaar.

AN EDITORIAL BY THE LIONS CLUB

Thanksgiving, the day set apart for thanking the Almighty God for those blessings bestowed upon us during the past twelve months, has arrived.

This year, in the face of a world-wide business depression, we must look forward with firm hope. The unsound man is never secure, whether in prosperity or in poverty. A little over a year ago, the unsound business man had no fear of the future; and he insisted upon riding along recklessly on the unsafe crest of a huge wave of unsound prosperity. We have seen during the past twelve months, the proven folly of such action. Today, however, we are looking at a reversal of last year's situation, and we are anxiously waiting for a marked improvement in business conditions. Are we to act unsoundly by having little or no hope; or are we to act "as men," and to put our full efforts and our smiling and uncomplaining countenances into this battle of life?

Has not God been good to us after all? Let us reflect upon those essential matters of life for which we may be thankful.

Considering that our chief purpose in life is the salvation of our immortal souls, are we at peace with God? Certainly nothing stands in our way for making such peace. For this let us be deeply thankful.

And now, what of our health? We have been free from epidemics, we have cared for much of the sick poor, and we have suffered from no serious disasters, such as floods, hurricanes, and the like, which have visited large sections of this and other countries.

Many countries are at war; we have peace.

The Federal, State, county, and local governments are receiving the co-operation of the chief businesses of the country to lessen unemployment as quickly as possible. The banks admit greatly increased deposits. Does not this speak well for the future?

The steady march of progress in the past year has been slow, but hasn't it always been slow when it has been secure?

We, the Lions Club of Belleville, urge you to thank God that our condition is no worse; and further, we ask you to plan safely and be not without hope, ever.

ANOTHER TRAFFIC CONFERENCE

The New Jersey Traffic Commission has called a conference at Trenton next Tuesday in an effort to bring about a standard practice for traffic control. One of the problems to be discussed is the driver who ignores stop-street signs, and the commission rightly says that such drivers threaten the usefulness of all traffic control which is based on public confidence in the general observance of rules and signals.

This newspaper believes, as it often has stated before, that the stop-street sign is one of the most valuable accident preventatives ever devised, but that it has been rendered not only useless, but downright dangerous by one mistake. These signs were originally placed in so many places where they obviously were not needed that the driving public refused to respect even those which were properly located. If every wrongly-placed stop sign were removed and strict observance required for the few that remained, the whole question could be solved.

What has become of pint-size golf? Why just hibernating until spring, like the bears. They will awake with an enormous appetite, and start cutting prices to provide themselves with food. Twelve hundred of these sleeping peewees are said to exist in Essex county, and they do not hibernate. Although they have moved inside, they are still hitting those incredibly dirty balls and spavined clubs at nice rates.

two fellows meeting and talking about what they went around in and finally what they were talking about was the score for the first hole.

"A small white Golf Ball rolled over the green, and was promptly picked up by Fido, the old Lady's pet dog. The next moment the Golfer came over the edge of the hill and began waving his arm and shouting to the dog, "Put it down, Fido! Here comes the Gentleman and he will knock it for you again!"

MUST IMPROVE TO BEAT EAST

Belleville Team Functions Poorly In Loss To Orange

Coach Erikson's Notre Dame Strategy Is Ineffective Against Orangemen

DAILY ALONE FIGHTS THROUGH

Belleville High dropped another football game last Saturday afternoon at Clearman Field when they were humbled by a mediocre Orange eleven 13 to 0. The smallest crowd of the season watched Belleville outplayed by a lighter but harder hitting team.

Orange's strong aerial attack was the deciding factor of the game. A series of passes late in the second quarter led to the touchdown. A twenty-five yard heave from Mauriello to Iallegio brought the ball to the five-yard line. O'Donaghue then plunged over.

In the first period Belleville had the ball on the Orange thirty but that was as close as Belleville came to the goal. All afternoon the Belleville offensive seemed to lack punch. They tried a Notre Dame stunt in the second half by inserting the second team. It proved a poor move and Orange swept the ball scrubs off their feet.

SECOND TOUCHDOWN

In the middle of the second quarter a pass, Mauriello to Mechalakos, brought the ball to the Belleville four-yard line. O'Donaghue again plunged for a touchdown through the center of the line. Mauriello added the extra point by line plunge.

Coach Erikson sent his first team into the game in the final quarter. They held Orange scoreless but again showed the lack of a finished offensive. Mac Lamb saw away once for a fifteen yard gain around end but beyond this the locals did nothing.

Although the showing of the Belleville eleven was a big disappointment, there was one youngster who was outstanding. Bill Daley, recently promoted to the varsity, played a wonderful defensive game all afternoon. Time after time he broke through the Orange line to drop opposing backs in their tracks.

PLAYED WHOLE TIME

Daley was the only Belleville player to play the entire game. The second stringers were started he was the only varsity player still in the game. Harold also played a bang-up game. Mauriello's fine forward passing captured for Orange. Iallegio also had a splendid game and O'Donaghue was especially adept at hitting the line. Mechalakos played a good game at his wing post.

Belleville's fans were keenly disappointed at the showing of the Belleville eleven and the opinion is general that unless Belleville improves they will receive a drubbing in the post-season game with Orange. They also must wake up if they want to beat East Side tomorrow at the local field. Tomorrow's game will mark the last game of the season. The line-up:

Belleville	Orange
C. Plenge	Mechalakos
Daley	Calhoun
Udansky	Iannone
Brand	Doer
Bade	Roche
Estelle	Clemons
Casale	Franklin
Westra	Mauriello
F. Plenge	Quinn

Leadbeater	Iallegio

Orange	0	6	7	0-13

ing touchdowns—O'Donaghue. Point after touchdown—(line plunge). Belleville substitutions—Ryder for Westra, Massimo for Lamb, N. Bonavita for F. Plenge, J. Bonavita for S. Suliss for Brand, Vu-

no for Udansky, McMaster for Vuono, Lussiano for Estelle, W. Bade for B. Bade, Estelle for Lussiano, Bade for McMaster, Lamb for N. Bonavita, Brand for Suliss, Westra for Ryder, Goodrich for C. Semi-Final Pin Match Of Short Season Leaves Outcome Decided

OWLS ARE IN SECOND PLACE

Lions Club pinners went into the home stretch of their short league season last Thursday night at the Elks Club alleys with little excitement and everyone resigned to the eventual outcome which places the Eagles in front by a wide margin and the Owls in second place if they win one or two of their games the week after Thanksgiving.

Third place is still in doubt with the Crows and Starlings disputing supremacy in a strong-armed way. The Starlings are still one game ahead of the Crows, having copped two games of their four game match.

Individual Scores

Individual scores were low except for Charrier's and Jeffery's. Both these men rolled consistently good. Charrier rolled a 172 in the second game, a comparatively good game, while Jeffery was good all night. His scores were 207, 181, 189 and 171.

Vic Hart of the Eagles dropped 'way down, probably because little opposition was furnished by the Owls due to the absence of Brasher. Locher, who has been downing the maples in good style all year, saved himself from physical punishment and rolled low scores.

FRANKIE CORSE HAMMERS WAY TO COSTAGNA DRAW

Frankie Corse, hard-hitting Silver Lake featherweight, and Chick Costagno of Newark fought a sensational four-round draw at the Empire A. C. last Thursday night before a capacity crowd. Both boys hammered each other furiously and kept the house in a continuous uproar.

Castagna is an old-timer and has fought for the past five years. He is the most popular boxer in the minor clubs of Newark.

Fewsmith Men's Club retained its lead in the Church League by winning two out of three from the strong Christ Reformed quintet Thursday night while Fewsmith Presbyterian kept within a game of the lead by humbling Montgomery in two out of three.

Christ Episcopal kept up its good work by taking Grace Baptist over the hurdles twice. The battle for the cellar between Italian Baptist and Dutch Reformed found the former quintet victorious, thereby creating a deadlock for last place.

The Men's Club pinners were in rare form in their series with Christ Reformed. The league leaders had scores of 890 and 968 in the first two games which they won easily. Reformed came back in the final to win by fifty-eight pins.

Gets a 225 Score

"Butcher" Woodruff, with scores of 181, 225 and 183, George Cox and Eckersley were instrumental in the Men's Club victories. The latter hit 226 in the second game. Corwin was outstanding for Christ Reformed.

Fewsmith Presbyterian had an easy time with Montgomery, winning twice. Smith was best for Fewsmith with Mitchedan outstanding for Montgomery.

Christ Episcopal continued its good work by taking the highly touted Grace Baptist quintet in two out of three games. "Garry" Garbrant, fresh from a two weeks' vacation in Bermuda, was outstanding for Christ Episcopal. John Ray rolled three fine games for Episcopal with Copeland best for the losers.

Dutch Reformed, after winning the first game, slumped in the next two to drop into a tie for the cellar berth. Neither team rolled any good scores. Al Cappetta, youthful Baptist anchor man, was outstanding in this match.

TROOP 7 ACTIVITIES

Girl Scout Troop 7 held its regular meeting at Grace Baptist Church Wednesday night instead of Thursday as usual. Following the manikin parade at the church, the Court of Honor met at the home of the captain, Mrs. Lorena Clarke of Arlington, where they closed the evening with a party.

One mother, one grandmother and two visitors were present at the investiture service last Thursday night. Alice Shepard won the story contest, "Why I Think It Is Good To Be A Girl Scout," and as a result each member of her patrol will be given ten extra points. The second lieutenant, Jessie Kraeutler, and the visitors acted as judges.

AL ROSSI WINS AT NEW HAVEN

Gives Sound Thumping To Georgie Day In Eight Round, One-Way Bout

HELD STATE'S AMATEUR TITLE

Al Rossi, aggressive Silver Lake lightweight, traveled to New Haven, Conn., last Thursday night and punched out an eight-round decision over Georgie Day, New Haven's pride, at the arena of that city.

Rossi fought on the offensive and took six of the eight rounds. He had Day in trouble in the seventh round but Georgie managed to hold through until the gong.

This was Al's first appearance in New Haven as a professional. He fought there as an amateur two years ago. Incidentally, he held the amateur featherweight title of that State before coming to New Jersey.

He made such a great impression on the fans that he is likely to box another outstanding opponent there within the next month.

TROOP 75 TO PROVIDE THANKSGIVING BASKET

With the announcement this week from Newark scout headquarters that each troop should try to provide at least one Thanksgiving basket for some needy family, Troop 75 reported that it had already secured enough pledges of food to fill one basket. Other Belleville troops are being urged ahead in this movement.

At the scout leaders' fall kick-off a week ago last Wednesday night in the Hotel Douglas, Newark, Mr. Moore, scoutmaster of Troop 90, Belleville, was elected vice-president of the organization.

TO GIVE FOOTBALL DANCE

The spirit of the football season will be created by the Young People's Fellowship of Christ Church for its dance to be held in the parish house, Washington avenue and Essex street, December 5, it was announced Monday. Decorations will be unique and there will be novelty dances which are expected to surprise and interest those attending.

Music will be furnished by the radio famed Royal Crest orchestra. Edgar Williamson, president, is in charge of the committees.

NEGRO ATTACKS ANDERSON

Samuel Anderson of 361 Main street was on the losing side of a scuffle with an unidentified Negro in the yard of his home Monday, who, without provocation so far as police learned, suddenly attacked him with a club. Anderson received a bad bruise on the left side of his face. He was treated by Town Physician Herbert S. Vail.

Take First Two Of Three Games At Local Alleys; Lose Last By 101 Pins

MAC NAIR'S AVERAGE CRASH

The fast-stepping Belleville Elks won their fourth consecutive series Thursday night at the Elks alleys with the Montclair A. C. Belleville won the first two games without much trouble but the Mac made a good comeback in the final to defeat Belleville by 101 pins.

"Dutch" Faust, regarded in the Morris and Essex circuit as one of the league's leading bowlers, turned in a good night's work with scores of 191, 232 and 181. Charly Waldie was also in form with an average of 195. Faust's 232 could be high score for the evening. Steel, rolling for the Macs, had a 226 score in the final. Crane had games of 200, 200 and 179.

Tom MacNair, who was averaging 206-7 until Thursday night, rolled three poor games and his average tumbled. He had a flock of "holes" and seemed unable to get going.

Bill Bechtoldt finally hit his stride in the last two games when he hit scores of 196 and 192. Bob Whitten came through with another double century score in the second game, making it five consecutive series that he has rolled at least one score over 200.

Newark Boy Will Give Silver Lake Fighter Scrap Of His Career

BOTH ARE KNOCK-OUT KING

Freddy Polo, Silver Lake's fighting machine, will resume hostilities Monday night at Laurel Gardens when he will box the feature go ten rounds against Floyd Hybert of Newark.

Hybert is a clever boxer with a heavy punch. He has boxed leading welterweights in the country and his record shows five with "Farmer" Joe Cooper, my Baker, Pal Silvers and Goldstein.

A Hybert-Polo fight last would have been the best weight match in the country boys having long strings of outs. Today it is the top fight of Polo's career and Freddy has boxed most of the circles is that he is a "kill" Polo is training each day new Parkview ringside. dicta another kayo.

The Belleville Elks featured Monday night bowling in the American Legion League. The "Hello Bills," who have been in a slump all season, suddenly came back to form to win three games from the Veterans of Foreign Wars.

The Elks rolled three games over 900 and topped the evening's performance with a 1,005 count in the final. Tommy Dunn created a new high score mark for the season by rolling 257 in the final.

The Republican Club retained its lead by winning three games from the Bachelors but they are still hard pressed by the Knights of Columbus, the latter team also scoring a clean sweep over the fast-slipping Moose pinners.

FURNISHED UPSETS

Junior Order and St. Peter's furnished upsets, the former winning the odd game from the Belleville A. A. and the Saints taking two from the Hoople Club. In the other match of the evening the El Club won the odd game from the Parks.

Tommy Dunn, besides shooting a 257 also came through with scores of 205 and 168. John "Unk" Mallack had a good night by recording scores of 198, 199 and 212. Charley Beam, Junior Order star, was in rare form and murdered the maples for scores of 216, 183 and 230.

Bill Knowles, veteran mainstay of the G. O. P. team was not far behind Tommy Dunn. He hit a 255 in the opener and followed with 157 and 200.

"Mac" McCarthy had a good series for the Bachelors. Russ Stout and Charles Caruso were both in excellent form, for the El Club. Higgins featured for the Hooples. The scores:

Here and There

by Harry Metz

The crowd at Saturday's game with Orange was the smallest to witness a game this season at Clearman Field. Crowds, it seems, like winners.

One fan declared "Belleville will have to be at least fifty per cent better if they hope to have any chance with Nutley." He is probably right. At any rate, George Stanford and his Nutley team, also seeing the game, seemed to go awl with a lot of confidences for the post-season battle.

Just why Belleville should be so weak this season is a mystery.

The line, which should be strong in view of the fact that most of the linemen are veterans, has been a disappointment. They have not looked so bad on the defense, but are very weak on the offensive. The lack is an aerial attack and aerial defense.

Erikson has been lecturing on this, but it seems to have little effect. Every long run made by Belleville this season has been made through the individual ability of the runner or to poor tackling on the part of the opposing eleven.

A player like Mac Lamb, given a little interference, would be hard to stop.

Another thing which the locals lack is an aerial attack and aerial defense.

Stanford-coached teams can throw passes, so here's a little tip to the boys to brush up on this part of the game.

The East Side game is one more

Belleville Lions captured two out of three games with the Bloomfield club's pin team at Rogers' Recreation center in Bloomfield a week ago tonight but they were hard pressed in the final and deciding game. A single pin was the winning margin.

Camisa of Bloomfield, who substituted for Gardner in the second and third games, tried hard to win the game and got a strike in the final game but could not overcome the handicap created by Ivner, who got a hole in the last frame.

WAS SWEET REVENGE

The double win for Belleville was not significant in the league standing since they were well out in front, but it constituted revenge for the last meeting between these two clubs when Bloomfield walked off with two games. Also, it created a wider gap between first and second place in the league.

Individually, Mayer still is the most consistent bowler of the local club. His three scores of 197, 152 and 177 did not do any damage and his average for twenty-seven games is 176.9.

Victor Hart has a higher mark but has only rolled twelve games. John Dailey, rolling every game since the league started is at the bottom of the pack in the averages with a mark of 155-13.

BAND PLAYS FOR STUDENTS

The High School band, comprising twenty boys, entertained members of the student body Friday morning in assembly. They were directed by Carl A. Erikson, who also coaches the football squad.

Sophomores had charge of assembly Tuesday morning. Letitia Codner read the Bible and Ruth Engel led the singing. Audrey Epler amused with exhibitions of lariat swinging while Robert Cocks played several harmonica selections.

Tiffanys rolled themselves into a tie for first place in the Manufacturers League at Ferrara's alleys Friday night by chalking up three victories over International Ticket.

Martin-Dennis won two out of three from Atlas Fence and created a deadlock for first place. Sweeneys kept plugging along and held their third place position by winning two from Federal Leather.

Wallace and Tiernan kept a step ahead of Jeffery and Mayer by winning two from Sonneborns. Jeffery and Mayer took the odd game from Hanlon and Goodman. In the other match of the evening Thomsons received an unexpected setback at the hands of Hoyt Bros.

Dave Lyman and Ted Skidmore led the Tiffany attack, the former rolling two double century scores. Payne and Struble were instrumental in the Martin-Dennis victories.

Brogan continued his sensational pining for Sweeneys with two double century scores including a 245 in the second game. Charley Fritz rolled well for Federal Leather. Champior was best for Wallace and Tiernan. Ernie Watson was outstanding for Jeffery and Mayer, with Tommy Dunn best for Hanlon and Goodman. Phillips had a good night for Hoyt Brothers and Trimmer was Thomsons' best bet.

Motion To Make Homer C. Zink Town Attorney Fails, Two Votes To Three

CARRAGHER LOSES CONTROL

Tax Collector Roy W. Brooks will retire December 1 in favor of William C. Knapp of 40 Malone avenue, former accountant in the Waldrich bleachery, Delawanna, who was appointed by Director William H. Williams, former employee of the same plant.

Other appointments were: Town Treasurer T. Russell Sargeant, four years at the "salary in vogue at the present time"; Town Counsel John B. Brown for one year after a motion made by Commissioner Frank Carragher that Homer C. Zink be named for the post had failed, two votes to three.

Recorder George A. Fitzsimmons received a \$300 raise and now gets \$2,100 a year, while Town Switchboard Operator Miss Dorothy Crisp suffers a cut of \$5 a week in her salary. She was formerly paid \$30 a week. Control of her activities also passed from Commissioner Carragher to the entire Board by a three to two vote.

MAYOR BALKS AT THREATS

"I could save the town \$25,000 a year," declared Commissioner Frank Carragher.

"Yes, and then you would spend \$50,000," retorted Mayor Kenworthy in a verbal battle between the two at last night's Commission meeting at the Town Hall, immediately following the passage of a resolution taking away the control from Commissioner Carragher of the town switchboard operator.

This was followed by Carragher's assertion, "I'll come out with facts about the money you've wasted and it will knock you off your chair."

"I've taken those threats from you four years. I've listened to your bunk and heard about the rubber pocket full of evidence that you say will bear out your assertions, and now I openly challenge you, Commissioner, to give some facts that will throw me out of my chair."

"But I want to point out something about your administration. What about the \$1,000 you squandered repairing the floors of the Town Hall and the additional money you spent covering these same floors with linoleum a few weeks later? What about the \$84 you spent to put a few nuts and bolts in the lavatory? Charity begins at home, Commissioner! I challenge you to cite one instance where I have been extravagant in my department."

Carragher defended, "The floors were repaired in accordance with plans submitted by the architect."

Later, as he was leaving the Commission room to get a drink of water he explained, "My throat is dry. If I was in form, I'd knock the Mayor off his chair."

One of the high spots of the night was furnished by Carragher as he said to the Mayor: "I made you what you are today—you're an ungrateful man."

"Dead Men Tell No Tales" they do not pay bills. And so, course, Barney Yudin, hardware and paint dealer of 114 Washington avenue cannot collect from Joseph Sloane, deceased, formerly of 258 Sixth street, Clifton.

Sloane paid two years ago for paint and varnish he had received, with a check for \$125. The check bounced back. Yudin notified police and Recorder George A. Fitzsimmons issued a warrant for his arrest.

But local police found that he was being held in Passaic on a similar charge and elected to wait until he was released. Months passed and finally he was put on probation.

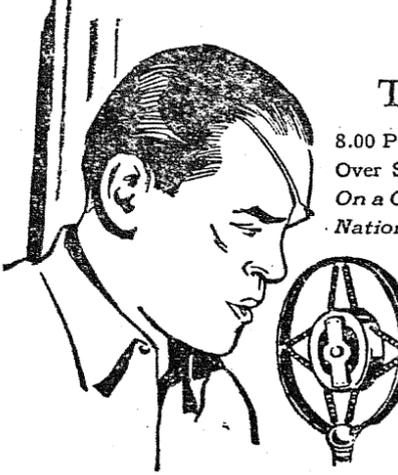

Local police hesitated to press Yudin's charge, believing that the probation release would demand that Sloane toe the mark and that he would be forced, eventually, to pay his obligation to the local paint dealer.

When Yudin received no money and no word from the Clifton floater, police went after him, armed again with a warrant signed by Recorder Fitzsimmons. Sergeant Schurr and Patrolman Kenneth Smith went to Clifton Tuesday but found that the house formerly occupied by Sloane was deserted. Clifton police were visited and it was learned that Sloane was killed last July in an automobile accident.
