

Mayor's Group To Aid Jobless

KENWORTHY AND AIDES WILL LIST THOSE IN NEED

Municipal Heads Plan For Distribution Of Clothing and Secure Jobs

GAME RECEIPTS WILL BE USED

The Mayor's Unemployment Relief Service, a body organized by Mayor Samuel S. Kenworthy and the various heads of municipal departments was brought into being this week for the purpose of aiding the unemployed in Belleville. In explaining the reasons which prompted the organization of this group Mayor Kenworthy said:

"I have long felt the need of a centralized bureau to provide for Belleville's unemployed. To facilitate this we are planning to effect all unemployment aid through one centralized body under one head. The services of this group will be available to all unemployed residents of the town."

MEMBERS OF BODY

The service will function under the direct supervision of Mayor Kenworthy. He will be assisted by Mrs. Lucy Bootes, overseer of the poor; Dr. Herbert B. Vail, town physician; Mrs. Charles L. Steel, Jr.; William Wells, town forester;

BENEFIT MOVIE FOR UNEMPLOYMENT RELIEF

The Board of Commissioners granted special permission to Raymond Cohn, manager of the Capitol Theatre to open his playhouse in the evening of Sunday, December 28 for a benefit performance. The entire proceeds will be turned over to the emergency fund to aid the unemployed.

POSTPONE MEETING

The meeting of the West Belleville Improvement Association which was to have taken place at the Recreation House Monday night, has been postponed until December 22.

Santa Claus Helpers Work Overtime at Fire House

There is a Santa Claus! If any youngster in this town wants to dispute that statement just let him go to the fire headquarters or talk to the members of the Lions Club. The Lions have been busy gathering toys for Santa to deliver on Christmas eve and the firemen have been busy conditioning these toys and preparing them for delivery. Between the two groups of men a creditable job has been accomplished and old St. Nick will find little to worry him when he stops off at Belleville.

Dolls. Doll carriages. Fire engines. Scooters. Railroad trains. Games of all kinds and descriptions. Every toy imaginable. And books, too. Everything that may be found in the toylands of all the department stores may be found at the fire headquarters. A host of

Golf Course Timber To Keep Needy Warm

The needy will not go cold this winter if the town authorities and the Essex County Park Commission can help it. As long as there are dead trees there will be wood for the fire.

The County Park Commission and the Shade Tree Department are at work cutting and stacking all dead and discarded timber on the public golf course. The fairways are being cleared of those gaunt dead obstacles which have ruined many an otherwise good score.

The wood will be distributed to the needy families under the direction of Mrs. Lucy Bootes, overseer of the poor.

NUTLEY - BELLEVILLE GRID TILT MAY BE ANNUAL FEATURE

Will Nutley High School and Belleville High School resume athletic relationship? That is the question that is passing through the two towns now. Some predict in the affirmative and others are just as sure that the twain shall never meet.

Coach Stanford of the Nutley eleven has been heard to say that he is willing, in fact only too glad to see the two get together once more. Principal Charles L. Steel of Belleville echoes Stanford's statement. But whether or not the resumption of relations gets beyond the discussion stage remains to be seen.

Both schools have open dates on their football schedules for 1931 and now is the time for them to decide one way or the other. Many of the kids are anxious to see the two schools mix and so are many of the adult followers.

CHRISTMAS SEAL RETURNS

Returns from the sale of Christmas Seals in Belleville have amounted to \$832 to date. This is not up to expectations and those who have not as yet made their returns should address their check to the committee this week, using the return envelope mailed with each allotment of seals.

JOBS FOR JOBLESS SHOULD BE RULE

Commissioner Williams Questions Appointments Of Election Investigators

PARRIES THRUST WITH MAYOR

When Commissioner Frank Carragher raised the question of economy and thriftiness in municipal government at the meeting of the Commissioners Tuesday night he provided an opportunity for Mayor Kenworthy and Commissioner Williams to engage in some quick repartee. Carragher questioned the right of the town to hire election investigators and officials last May, claiming the local police could have done the job as well at a considerable saving.

"While we are on this subject," put in Commissioner Williams, "I notice that four of the men on this list of inspectors operate their own business, several are on the payroll of Belleville as town employees and I wonder what one insurance company in Newark would say if it knew one of its supervisors was working in Belleville for four days as an election investigator?"

Turning to the mayor he asked, "During this time of depression and unemployment, why weren't the unemployed given these jobs? Why did we have to use men who had jobs?"

Mayor Kenworthy smiled at the commissioner, saying, "I trust that Commissioner Williams will be as pure four years from now as he is today." "I will say this Mr. Mayor," shot back the commissioner, "I shall always try to be but I am sure that I will need tremendous powers of resistance."

JUNIOR ORDER DAY AT EVERYMAN'S BIBLE CLASS

Sunday will be Junior Order Day at Everyman's Bible Class which meets in the Masonic Temple. Members of Belleville Council No. 163, Jr. O. U. A. M. and the members of the Patriotic Order Sons of America are invited to attend. Dr. Alexander Cairns, the class leader will take as his topic, "Swimming the Ocean." The class meets at 9:30 A. M.

The class will sponsor a benefit at the Capitol Theatre Monday night. D. W. Griffith's "Abraham Lincoln" will be the picture. This is the first time in the history of the class that the organization has sponsored a benefit of any kind. W. H. Bradshaw, president of the class is hoping to see a record attendance at the performance.

ARTISTS IN JOINT RECITAL

Anson C. Depue, tenor, of 352 Washington avenue, and Arthur S. Ackerman, pianist, of 59 Malone avenue will broadcast a joint recital Tuesday afternoon between 2 and 2:30 o'clock over Station WOR. Starting tonight, the two artists will broadcast a weekly recital every Thursday night between 6 and 6:30 o'clock over Station WAAM. Mr. Depue is tenor soloist at St. Stephen's Church, New York, and Mr. Ackerman is a local musician and instructor.

Board Seeks To Acquire Site William and Clinton Streets

MOVE AIMED AT ICE DEPOT

The Board of Commissioners voted at their meeting Tuesday night to establish a playground in a vacant lot on the northwest corner Clinton and William streets. The ordinance, passed on first reading providing for the creation of a playground called for the appropriation of \$1,500. The cost of project will be borne by the town at large.

According to the terms of ordinance the plot in question is to be obtained at a price to be agreed upon by the present owners of the town and in the event that agreement is reached, condemnation proceedings will be resorted to.

PROPERTY IN DISPUTE

At the present time the property a plot thirty feet by a hundred feet, is owned by Marinus DeJong, an ice dealer with his place of business in the North Newark freighting yards. He is a resident of Belleville. DeJong has been disputing his right to erect an ice distribution depot on the site with the town.

Frank L. Kramer former bicycle champion and champion of the National Cyclists Association was selected foreman.

IMPROVERS TO ELECT

The Valley Improvement Association will have its nomination election of officers at Valley House tonight. William W. House, chairman of the committee, is in charge of the matter which will follow the meeting.

Towns Await Complete Returns of Charity Game

Although complete returns have not been made for all tickets sold for the Nutley-Belleville High School football game played last Saturday in Nutley for the benefit of the unemployed of both towns, those at the head of the affair estimate that approximately \$3,800 to \$4,000 will be realized. This does not quite come up to the expectations of the general committee but no small satisfaction is derived from the realization that this game drew greater gate receipts than any other charity game played in this section of the State last weekend.

Belleville Collected \$1,200

James J. Turner, business manager of the Belleville Board of Education and the man in charge of the funds in Belleville, has reported

that the town of Belleville expects, however, that it will turn in at least \$1,200. This sum includes the amount of 452 high school tickets and student tickets, both of which were sold for fifty cents instead of twenty cents.

Colin C. Linn, business manager of the Nutley school board and man responsible for the game in Nutley, stated yesterday that he has received approximately \$2,600. There are some tickets outstanding. This sum includes the amount paid for the 723 tickets sold in Nutley. These tickets were sold at the two booths and by the American Legion. The way of indicating just how many of these were purchased in Nutley is being

WELL-TOP GROUP ARGUES PROHIBITION

DEBATORS OFFER FACTS AND FANCY IN DISCUSSION

Thaddeus Thornton Takes Affirmative and Charles Longhi Negative Sides

BOTH SIDES WIN—APPLAUSE

A debate, "Is Prohibition Beneficial to Mankind," was the subject of discussion at the meeting of the Well-Top Improvement Association held in the Recreation House last Saturday night.

Thaddeus Thornton, arguing in the affirmative, pointed out that many organizations did not permit their personnel to drink alcoholic beverages before prohibition, and that a mind is stained, health injured, and degeneracy prevails when alcohol is indulged in. He had authoritative data that banks are recording greater savings, building and loan associations are doing a bigger business, average citizens are investing their earnings in stocks and bonds, slum sections are being wiped out and the tenements less crowded.

In a word, his contention was that prohibition has strengthened the moral, physical, financial and spiritual fibre of our national life.

PROHIBITION A MENACE

Charles Longhi, who took the negative side, said that prohibition in its present condition is a menace to our social and human life, and that the Volstead Act cannot be enforced without the consent of the masses. He quoted history as authority for the statement that idealists have never been able to impose their beliefs on any nation and that kings, dictators and regions have tottered in the attempt to do so. He spoke of its supposed failure in Canada and Sweden and declared that moderate production of alcoholic beverages would supply large numbers with employ-

ment and assist the nation in its return to prosperity.

Both sides were applauded and the audience was permitted to make its own decision as to the winner.

Impatience was expressed by the members at the delay of the Department of Public Safety in placing a "dead end" marker at the north end of Perry street, where it is feared a serious accident may result.

'BELLEVILLE NIGHT' AT NUTLEY THEATRE

"Belleville Night" will be observed this evening at the Fox Franklin Theatre in Nutley when pictures of the Belleville-Nutley football game played for the benefit of the unemployed at Nutley last Saturday will be shown. Members and coaches of both teams will be there accompanied by their rooters.

Manager Hamilton D. Cherry, who arranged to have the pictures "shot" invited Mayor Cook of Nutley and the commissioners of that town. He urged the Nutley mayor to have the Belleville Board of Commissioners attend as his guests. Both boards of education were also invited.

MAN GETS ONE YEAR FOR NON-SUPPORT

Recorder George Fitzsimmons sentenced Charles Tingolie, thirty, of 36 Florence avenue to the Caldwell Penitentiary for one year, in police court Monday night when Tingolie was adjudged guilty of non-support. The charge was preferred by his wife, Mrs. Ethel Tingolie of the same address. Mrs. Tingolie claimed that her husband refused to properly support her and their three small children. Officer Slater took the convicted man into custody at the Florence street address.

reported to the twenty-five members present that he has taken up the matter of resurfacing Hewitt avenue and Stevens road with the commissioners, and they advised that concrete be laid and the cost assessed to the adjoining properties. These streets, Mr. Reilly stated, are used by the freight haulers from the siding at Belwood Park station.

A letter from Town Clerk John J. Daly to Town Attorney Brown, asking for the legal status on the siding, was read. It was said this was supposed to have been put in by the Erie railroad for the Soho Hospital. In recent years hundreds of cars of all kinds of freight have been unloaded there and hauled to Belleville, Nutley and Bloomfield. Although the freight station is at Essex street, the cars come to Belwood Park siding which is an "A" zone.

FAREWELL BRIDGE FOR MRS. J. FORSYTHE McALPINE

A farewell bridge was given in honor of Mrs. J. Forsythe McAlpine at the home of Mrs. A. McEwan, 277 William street, Wednesday evening of last week. Mrs. McAlpine leaves Saturday for Toronto, Canada, where she will make her home.

The guests included Mrs. E. S. Tuthill, Mrs. C. J. Prah, Mrs. L. A. Clark, Mrs. J. McKinnon, Mrs. A. Murray, Mrs. J. VanHeun, Mrs. C. H. Feuerstein, Mrs. E. McTavish, Miss J. Wolsey, Miss H. Lachlan, Miss S. DuBois and Mrs. A. McEwan. High scores were made by Mrs. McAlpine, Mrs. Prah and Mrs. Feuerstein.

Mr. and Mrs. Fred E. Ruff of Bell street entertained Saturday night for members of a pinochle club which has been meeting for the past twenty years. Guests were Mr. and Mrs. Alfred Adler of this town; Mrs. May Baglin, Mrs. Norma Espich, Mrs. Josephine LaBar, Mrs. Anna Philhower, George Outcalt, Miss Shirley Baglin, Mrs. Helen Shaw and Edward Egyede of East Orange. Mrs. LaBar and Mr. Adler made high scores.

CHARMING CREATIONS for the HOLIDAYS ON DISPLAY AT RAE'S MILLINERY SHOPPE

Town Awaits

(Continued from Page One.)

According to Mr. Linn, the only item of expense he could account for up to yesterday was \$48 spent for straw which was used to protect the field from rain and frost before the game. The officials and others connected with the management of the game donated their services to the cause.

Whether or not doctor's bills and x-ray bills incurred by the injury to Luzzi, Nutley High star, will be deducted from the receipts was not determined. Luzzi sustained a broken nose in the first quarter, his right leg was injured in the second quarter, but it was only when his right leg was injured in the third period that he permitted himself to be withdrawn from the game. Up to the time he was taken off the field he concealed the extent of his injuries from even his teammates. The game youngster was taken to Dr. Terhune in Passaic and x-rays of the injuries made. He is confined to his bed at home.

Meeting Postponed

The members of the general committee representing both towns were supposed to have met at Nutley last night to arrange for the final distribution of the receipts but because complete returns had not been made it was decided to postpone the meeting. A complete accounting will be made public at the earliest opportunity.

Mayor Kenworthy of Belleville has created the Mayor's Employment Relief Service composed of municipal department heads and this body will distribute Belleville's share of the receipts to the needy. Nutley's share will be turned over to the Nutley Social Service Bureau for distribution among the unfortunates of that community. Both towns should realize between \$1,900 and \$2,000.

**AGED MAN KILLED
CROSSING BUSY STREET**

Lawrence Ryan, sixty, of 200 Hill street died in St. Mary's Hospital at 5:30 o'clock yesterday morning, succumbing to injuries received in an automobile accident which occurred at 6:30 o'clock Monday night at the intersection of Union and Belleville avenues. Ryan was fatally injured when he was struck by an automobile driven by Robert A. Bellante of 108 Stover avenue, North Arlington. Bellante was committed to the prosecutor's office without bail and was held on a charge of manslaughter.

The police claim that Ryan was crossing Belleville avenue against a red light when he was struck. Bellante was driving west in Belleville avenue. Patrolmen Monaghan and Anderson took the injured man to St. Mary's Hospital, where it was found that he suffered from a fractured skull.

Ryan was born in Nova Scotia, had been a resident of this town for forty years and was a carpenter. He is survived by his wife, three sons, Joseph, William and Thomas of Newark; and three daughters, Mrs. George Meyers of Belleville, Miss Agnes Ryan of Newark and Mrs. Carl Gossler of Richmond, Cal.

**LOCAL HARPIST WILL PLAY
FOR BLOOMFIELD WOMEN**

The Woman's Missionary Society of the First Italian Baptist Church will meet this afternoon at the church. Following a talk by Mrs. Benedetto Pascale, wife of the pastor, the members will engage in white cross work.

Tomorrow afternoon Mrs. Pascale will play a selection of Christmas carols on the harp at the holiday pageant to be given by the Bloomfield Woman's Club in the auditorium of the public library of that town.

Twenty-four young men of the Italian Baptist Church have given 156 hours of volunteer labor during the past week in electrical, carpenter and masonry work on Friendly House, the new gymnasium adjoining the church.

SECOND IN LUNCH SERIES

The Ladies' Guild of Christ Church will meet at one o'clock next Thursday for luncheon, preceding the regular business meeting, which will be held at 2:30. This will be the second of these luncheons, the first having been a month ago, and proving so successful that it was decided to continue. The four women who prepared and served on that occasion volunteered to continue to do so. They are Mrs. George E. Pratt, Mrs. George Schmeltz, Mrs. Walter Coups and Mrs. Herbert Mayes.

MOTHER-DAUGHTER BANQUET

The Rev. Edgar M. Compton of Wesley M. E. Church has offered to friends of the church the opportunity of dedicating parts of the new organ as memorials to their relatives or friends. Subsequently plates will be inscribed, bearing the name of the donors and the ones to whose memory the various parts are commemorated. Those interested may communicate with the pastor or any member of the official board, of which he is chairman. C. G. Hemingway is vice-chairman and Ysbrand Bregman, secretary.

The pulpit flowers last Sunday were placed by Oliver Titus in loving memory of his wife, Martha Titus, deceased December 12, 1929.

All members of the official board are urged to be present at the regular monthly meeting to be held tonight at 8:15 o'clock, when important business will be discussed.

A special program has been arranged for the mother and daughter banquet to be held at the church this evening by the Woman's Missionary Society. Mrs. Archibald N. Smith, wife of the pastor of St. Paul's Church, Newark, will speak. Arrangements are in charge of Mrs. Edgar M. Compton and Mrs. J. V. Thetford. Mrs. Christian Hansen, Mrs. W. Brand Smith and Mrs. J. Henry Stier comprise the ticket committee.

The primary and beginners' department of the Sunday School will present a play, "Jimmie's Magic Whistle," at their Christmas entertainment Friday evening, December 19. Mrs. J. Elsworth Akers and Mrs. James G. Shawger will direct the children. Other departments of the school will give their Yule-tide program Monday evening, December 22.

JUNIOR DRAMATIC CLUB

Friday evening, December 19, members of the Fewsmith Junior Dramatic Club will present a radio program. They will offer a two act comedy "Mrs. Mainwaring's Management" and a triumph is predicted, as the dramatic club has splendid talent and they have been well coached.

The play will be presented in the church school auditorium and arrangements are in charge of Miss Katherine Eska, Corbin D. Lewis and Ian Munro.

TO NEED OF CARE

Accompanying letter "A" presents his views on the dental clinic in the editor of THE TIMES: "I have read with interest the proposed dental clinic school system at an estimate of \$4,000 for the first year. Heaven knows what after the school board has not given thought to the proposal, or members would have seen the business principle and the in which the thing reeks. First place, why go to the fitting up an elaborate expensive dental laboratory and every one of our town dentists has the facilities right at hand to work? As an economist, is it not apparent that dentists could make examinations at the those children who dental attention could receive at the proper place and the dentists' offices out school hours. We have good dentists here in town to take good care of all the This clinic would of course be a good thing for the particular placed in charge and the equipment manufacturers, for the taxpayers and the Belleville dentists. In second place, while I am in favor of our children's receiving proper attention, is it wise to heap the expense of same upon the already burdened taxpayers? There course those pupils whose cannot afford to pay for service, and it would seem only that in such cases the public should assume the expense, but a great majority of instances parents could and should pay dental work for their children. If a dental clinic is established, should we not have an optician and a chiropodist with offices at the schools, to be maintained at cost to those receiving the service and no one to worry—the taxpayer? I believe that our Board of Commissioners is at present sincerely endeavoring to keep down our tax burden and has effected a number of economies with this end in view, it is necessary that the commissioners have the co-operation of the bodies who spend public money, otherwise all efforts at tax reduction will be abortive. It would seem, therefore, that the School Board should recon sider this matter carefully before spending money that might well be used for more urgent purposes. Truly yours,
A CITIZEN.

OF NORMAL ALUMNI**

Thomas Gryzcka, principal of School No. 9, was re-elected president of the Cortlandt, N. Y., Normal School Alumni Association at the annual luncheon held Saturday aboard the S. S. George Washington, Pier 4, Hoboken.

Arrangements to use the steamship for the re-union were made by Mr. Gryzcka with United States Shipping Commissioner Raymond A. Shea and Joseph Reilly of the Marine Midland Trust Company, who were among the luncheon guests. Other members present were Mrs. Catherine Hardwick, principal of School No. 7, who was elected treasurer, and Mrs. A. A. Buckley of Tiona avenue. Mrs. Bertha Wagner, a local high school teacher, Mrs. Frances Johnson of School No. 7, and Miss Stacey Yaskell of School No. 8 were the invited guests of Mrs. Hardwick. A musical program was enjoyed.

Accompanying Mr. Gryzcka for an inspection of the boat, but not present at the luncheon, were six boys from the seventh grade of School No. 9. They were Charles Soffel, Charles Watson, Walter Garrabrandt, Gerard Stootman, Clarence Place and Michael DiGregorio.

JOHN J. DALY, Town Clerk.
AN ORDINANCE PROVIDING FOR INCREASING THE RADIUS OF THE NORTHWEST CORNER OF WILLIAM AND CLINTON STREETS, IN THE TOWN OF BELLEVILLE, AND FOR THE RECONSTRUCTION OF SIDEWALKS AND CURBS, AND FOR REPAVING SAID INTERSECTION WHERE NECESSARY, APPROPRIATING THE SUM OF \$1,500 FOR SAID PURPOSE, AND AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT NOTES OR TEMPORARY IMPROVEMENT BONDS THEREFOR.

WHEREAS the Board of Commissioners of the Town of Belleville, in the County of Essex, deems it desirable and necessary, for the purpose of relieving traffic conditions and facilitating the flow of traffic, to enlarge the radius at the northwest corner of William and Clinton streets.

THEREFOR, the Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That the northwest corner of William and Clinton Streets be improved by the taking of the land hereinafter set forth for the purpose of enlarging the radius of said corner, and by the reconstruction of sidewalks and curbs, and the repaving of said intersection where necessary.

2. The land proposed to be taken from said corner for addition to said streets is described as follows:

BEGINNING at the intersection of the westerly line of Clinton Street with the northerly line of William Street; thence (1) along said side of William Street north 65 degrees 0 minutes west 25.40 feet; thence (2) northeasterly, curving to the left with a radius of 25 feet for a distance of 29.66 feet to the aforesaid westerly line of Clinton Street; thence (3) along said side of Clinton Street south 25 degrees 0 minutes west 25.40 feet to the point and place of BEGINNING.

3. It is hereby determined to take and appropriate for the purpose of increasing the radius of the aforesaid corner, such land and real estate as may be necessary therefor, upon making compensation to the owner or owners by purchase thereof at a price to be agreed upon, and if agreement for compensation cannot be made, then by condemnation thereof, and the payment of damages thereof, according to law, which land and real estate to be taken as aforesaid, is described above and set forth and shown on a map hereto annexed.

4. The cost of said improvement is hereby estimated to be \$1,500. Said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville are hereby authorized to be issued in an amount not to exceed the amount of said appropriation, pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes shall be determined by resolution of the Board of Commissioners or by the Director of the Department of Revenue and Finance as the Board of Commissioners may hereafter by resolution determine.

5. Said improvement shall constitute a general improvement, and the cost thereof shall be borne by the Town at large.

6. This ordinance shall take effect immediately.

NOTICE

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and third reading at a meeting of the Board of Commissioners of the Town of Belleville, held Tuesday evening December 9th, 1930, having been read in its final form at least one week prior thereto, and is therefore now a law and hereby published according to law.

JOHN J. DALY, Town Clerk.
AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF A SIX INCH WATER MAIN IN D'ELIA TERRACE, IN THE TOWN OF BELLEVILLE, FROM MAY STREET TO JORALEMON STREET, AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES, AND APPROPRIATING THE SUM OF \$1,000 THEREFOR.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That D'Elia Terrace, in the Town of Belleville, from May Street to Joralemon Street, be improved by the construction of a six inch water main therein.

2. The cost of said improvement is hereby estimated to be the sum of \$1,000. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville are hereby authorized to be issued in an amount not to exceed the amount of said appropriation pursuant to provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes shall be determined by resolution of the Board of Commissioners of the Town of Belleville or by the Director of the Department of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

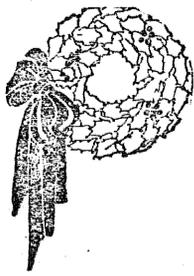

3. Said improvement shall constitute a general improvement and the cost thereof shall be borne by the Town at large.

4. This ordinance shall take effect immediately.

Passed first reading, Nov. 25th, 1930.

THE NEW CHEVROLET SIX

Strikingly beautiful, fleet and smart
—a masterpiece of Fisher styling

Never has the superiority of Body by Fisher been more strikingly exemplified than in the Bigger and Better Chevrolet Six!

With the added advantage of a lengthened wheelbase, Fisher designers have achieved in the new Chevrolet an impressive degree of smartness, comfort and luxury.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar form an unusually attractive and distinctive ensemble. Mouldings sweep back in an unbroken line to blend with the smart new body contours. And new color combinations lend a new individual-

ity. Interiors, too, are exceptional. The new mohair and broadcloth upholstery is smartly tailored. Seats are wider and more luxuriously cushioned. A deeper windshield and wider windows give better vision. And beautiful new modern fittings lend a final note of charm.

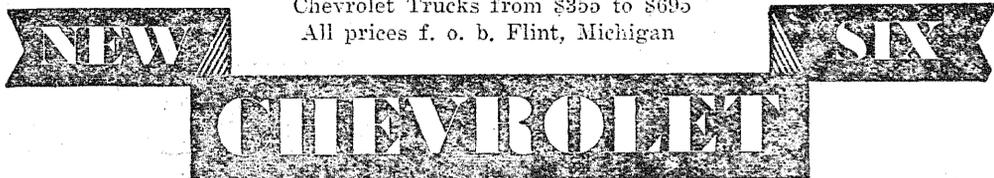

Many mechanical improvements are also evident in this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a quieter, smoother transmission; and important engine refinements.

The Bigger and Better Chevrolet Six is now on display. See it today —drive it! It is the Great American Value!

A STORM COMES OUT OF THE WEST

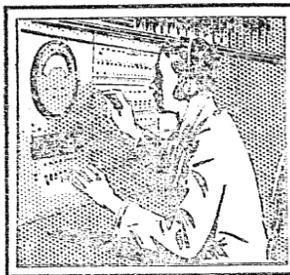

A STORM comes out of the West with gathered intensity, strikes on its way to the Ocean... and the nerves of the delicate Telephone System shudder under the impact. At his instruments in the Central Office, among his racks and wires and relays, the Wire Chief makes tests and gives orders rapidly. The line is dead! It must be restored!

THE PULSE of the community throbbing through your telephone Central Office is felt as carefully and watchfully by the Wire Chief and his men as a doctor feels and notes the pulse of his patient!

When a line is in trouble, perhaps miles away, he knows it first, from the sensitive instruments that are his eyes and ears for a whole wide territory. At his order linemen at

strategic points galvanize into action, and incredibly soon, for damage wrought, repairs are completed and calls are winging their way again over the line.

The Wire Chief is one of the key men of the Telephone Organization who, without your ever realizing it, has a big part in providing in New Jersey a telephone service that is continuously of a high standard.

FARMING IN ESSEX

The farm census of 1930 in Essex county released Tuesday by the Director of Census in Washington, D. C., gives an interesting slant on farming and agriculture in this section. The director's statement provides comparative figures for 1930 and 1925. As might be imagined, farming in Essex is on the decline. But that is to be expected.

Five years ago there were 686 farms in Essex. Now there are but 247. This may be readily accounted for when the observer notices the tremendous growth of not only Newark but the Oranges, Montclair, Bloomfield, Nutley and Belleville. New residential districts are encroaching on former farmlands. And as each of these communities must have at least one golf course more farmlands have had to be sacrificed. Although a paradox, the county's loss is the people's gain. And the people are the county.

Although the number of farms has been reduced to almost one-third in the past five years, the size of the average farm has increased. In 1925 the average farm comprised twenty-six acres but in 1930 this has been increased to thirty-one acres. The average value of land and buildings per farm in 1925 was set at \$13,821 and this was increased to \$35,174. The total value of all lands and buildings devoted to farming in 1925 amounted to \$9,480,918 and it is interesting to note that with one-third as many farms in operation in the current year, the total value of lands and buildings is placed at \$8,687,870.

Probably these figures will mean little to the average city dweller whose interest in agriculture lies solely in the vegetables and dairy products he finds on his plate but they do tend to indicate that the farmer's lot is possibly a better one than five years ago and certainly much better than twenty-five years ago. The higher valuations placed on his lands and buildings may cost him more in taxes but his properties will bring him a bigger price when growing urban communities finally force him out of Essex.

THE DENTAL CLINIC—A GOOD IDEA

When our town physician, our health officer, and the chairman of the health committee of our Board of Education inform us that more than fifty per cent of our school children are troubled with decayed teeth it is time for us to do something a bit more effective than shake our heads with a dismayed "tsk, tsk." It is time for direct action. The school board's proposal to establish a dental clinic in the schools is a good one and deserves the support of the entire town.

Why people are prone to neglect their teeth is beyond understanding. The neglect of children's teeth is almost criminal. And in care of the teeth as in everything, the boy is father of the man. Keeping the teeth clean and free from decay is only a matter of habit. It is so much easier to form bad habits than good.

Medical and dental sciences tell us that many of our ills have their roots in decayed teeth. Stomach ailments, heart trouble, rheumatism and in some instances, mental diseases have been attributed to oral defects. Where children's first teeth are permitted to fall out before the time arrives, as Town Physician Vail points out, the proper development of the jaw is seriously hindered. Is it fair to the children to impose such a handicap upon them? There are many men today who are wearing store molars because in their youth they were permitted to neglect the teeth nature provided.

Some parents may say that dental supervision does not fall within the province of the school authorities. Probably not. But on the other hand, if the parents themselves were one hundred per cent vigilant a school clinic would not be necessary. When the parents of 500 out of 900 children were notified that their sons and daughters suffered defective teeth and only 162 were sent to the dentist for correction, it does not seem as though all parents were willing to co-operate with the school and health authorities.

With the health of the children—all of the children—at stake, the board must take matters in its own hands and in this instance the members of that body will undoubtedly have the hearty support of all clear-thinking progressive citizens.

CREDIT WHERE IT IS DUE

Not forgetting for a minute the gallant defense that Belleville's football team made in Nutley last Saturday, credit must be given the boys from our neighboring town for rising to unprecedented heights in that game. For the first time this year the Nutley line played good defensive football and instead of a marked superiority which was confidently expected our local boys actually were on the defensive. Although some local influences were thrown in the way of the game the financial result is gratifying and justifies, we think, the wisdom of athletic relations between the two schools. It would be well if the adult portion of both towns observed the cordiality and good sportsmanship of the boys and girls of the two schools. Certainly nothing could have been finer than the way the two student bodies acted on the field and in the stands. If all of us were as sensible as the youngsters in this regard Belleville and its neighboring town would enjoy years of friendly rivalry on the athletic field.

STEEL EXPLAINS NEED FOR BALANCED TRAINING

Charles L. Steel, principal of the High School was the noonday speaker at the weekly Lions Club luncheon held in the Elks Club last Thursday. Principal Steel gave an extremely interesting talk on the relations of physical and mental education in the High School. He pointed out that the student is being burdened with a tremendous handicap if all of his education is confined to one direction. Many nervous diseases among children of high school age have been traced directly to the fact that his expression in either mental or physical lines has been suppressed. Mr. Steel pointed out that statistics show that tuberculosis is on the decline at every age except the high school age.

The participation in both physical and mental exercise in proper proportions is the only solution to the problem, said Mr. Steel. He touched briefly on the charity game played at Nutley Saturday afternoon in which the football team representing his school met the Nutley High eleven.

Other guests were C. A. Fink and E. D. VanDermark of Tau Delta Chapter, Newark. Mr. Fink spoke on co-operation and harmony.

Douglas Wadsworth was appointed to investigate conditions and report at the meeting December 22 as to the most practical way in which the chapter can give its assistance to needy families at Christmas time.

About ten members and their guests are expected to attend the closed card party to be held Saturday night at the home of Richard Enright of Malone avenue. The chapter will celebrate New Year's eve with a party at Forest Lodge, Livingston.

Mrs. Walter Lou, Mrs. Charles Waldman and Mrs. Joseph Whitehorn all of Belleville and Mrs. Charles O'Connor of Bayonne were the guests of Mrs. Paul Andree last Friday at a bridge-tee held in the Masonic Club, Jersey City by the Mary Benson Guild of Greenville Hospital. Mrs. O'Connor held high score.

Woman's Club Notes

The Woman's Club will hold annual Christmas party at the clubhouse, 51 Rossmore place, the afternoon of December 15, at 2 o'clock. Any person bringing gift suitable for a child or one of a soldier living at the Soldier Home in Kearny will be welcome. It has been suggested that this year a can of vegetables or fruit be brought also, so that those less fortunate than ourselves might enjoy a Christmas dinner through our efforts.

At this party the drama department will present a play. Mr. Harold Nelson is chairman of the department and has selected a short play entitled "Ain't Wonderful" by Herbert P. Power and the cast includes Mrs. Fitzherbert, Mrs. James Thetford, Mrs. Herbert Hardman, Mrs. P. H. Smith and Mrs. Nelson.

Refreshments will be served by the members of the board of directors.

Mrs. W. H. Ihde, Speaker

Last Monday afternoon after the regular business meeting, presided over by Mrs. R. C. Whitfield, president of the club, Mrs. James Thetford, chairman of international relations department, presented Mrs. W. H. Ihde, who has lived in Japan for quite a few years and has travelled in almost every country of the world.

Mrs. Ihde took as her topic "Singing the World Through Love" and took the members on an imaginary trip through China, India, Germany and explaining the various customs, religions and songs. The speaker made the afternoon very enjoyable by playing and singing a song from almost every country she mentioned. Mrs. Ihde also had some beautiful Japanese work on exhibition.

Will Form Chorus

Mrs. LeRoy Bunnell, music chairman, has announced that a chorus is to be formed and any person desiring information is requested to communicate with Mrs. Bunnell or a member of the music committee. The committee is composed of the following, Mrs. A. S. Blank, Mrs. Frank Brohal, Mrs. J. Brown, Mrs. E. M. Compton, Mr. Dudley Drake, Mrs. Charles Smith, Mrs. W. Y. Strange, Mrs. W. H. Stone, Mrs. J. V. Thetford and Mrs. George Weeks.

The members who attended the seventh and eighth district conference held at the Glen Ridge Woman's Club were well repaid for their interest as the affair proved to be most enjoyable.

A meeting of the civic committee was held at the home of Albert S. Blank last Wednesday afternoon, at which time the chairman, Mrs. W. F. Entekin, before the committee many interesting subjects. The next meeting is scheduled for Thursday, January 8, and is to be held at the home of Mrs. Floyd F. Bragg.

To the constantly increasing of new members the club adds names of Mrs. L. A. Noll, Frederick Idenden, Mrs. E. C. born, Mrs. C. W. Morgan, Mrs. Bell Close and Mrs. A. W. Cl

DRIVERS RENEW LICENSES

William Abramson, motor vehicle agent with offices at 500 Washington avenue, reports that applications for automobile license tags and drivers' licenses are traditionally tardy this year. Although December 15, the day Motor Vehicle Commissioner Hoffman set for the time for changing to new plates, is but four days off, a comparatively small percentage of motorists have made application for their new tags.

Mr. Abramson feels that lack of money may be causing many to hold back until the last minute. He dislikes to part with money when it is so scarce is particularly noticeable in the cases of businesses employing two or more clerks. The local agent stated that several such business houses have secured plates for one of their clerks and are delaying with the others.

The majority of the private citizens who have neglected to obtain their licenses have been dilatory in having been putting the matter until the eleventh hour. The majority of applicants almost to a man stated that they were influenced in their promptness by the lesson they learned last year when they were out of line.

Changing of the motor vehicle department requires all local agents to keep their offices open until 9 o'clock every Saturday night in December.

**CHEVROLET FINDS THAT
INDUSTRY IS HEALTHY**

Concrete evidence of improvement in the automobile industry is disclosed here today with the announcement that production of

the Chevrolet Motor Company in November set a new high record for the month.

Unit output in November was 47,257 passenger and commercial cars compared with 46,125 in the same month last year, which was the best previous November. The December schedule is set for 60,000 cars.

The November car shortage has

resulted in the December schedule being set at about 20,000 cars higher than any previous December in the company's history, according to Bray-Reed, local dealers. The company's twenty domestic production plants now have 28,500 men at work to meet the insistent clamor of dealers for cars following the highly successful introduction of the new 1931 line on November 15.

CLAN STEWART CARD PARTY

Alexander Smith, chairman of the amusement committee, is in charge of arrangements for a card party to be given at the Elks Club Wednesday night by Clan Stewart, Order of the Scottish Clan. Bridge, pinochle and whist will be played. Tickets may be procured at the door.

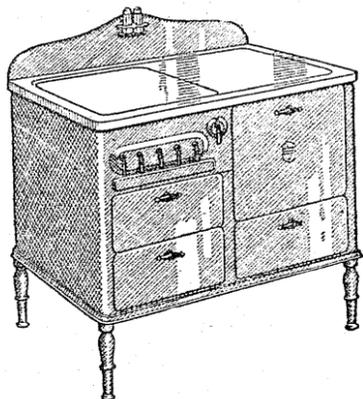

The Clan will have a Christmas tree at the Elks Home Saturday, December 27, in conjunction with Holyhood Lodge, Daughters of Scotia. Santa Claus will be there and games will be planned for the children.

EVERY woman who likes to cook, who is proud of her culinary masterpieces, wants a fine, up-to-date range to cook on, and here are two fine examples.

This is the Model K Estate, a gas range, cupboard and kitchen table, all in one. The legs of the range can be adjusted to suit the height of the woman who cooks.

One turn of the Thermostate (oven heat regulator) lever lights the oven and sets the temperature at the degree wanted. Model K has the Fresh Air Bake Oven, with uniform heat throughout, and an adjustable Rigidraw Broiler that looks like a cabinet drawer and slides in and out as easily.

At the turn of a handle, the broiler pan can be adjusted to any thickness of meat or fish. The top burners on Model K light as the gas is turned on. Kitchen utensils and seasoning containers come with the range, and drawer space is specially designed for them. Price \$169.50 cash connected, or \$188 on terms of \$5 down and 18 months to pay balance.

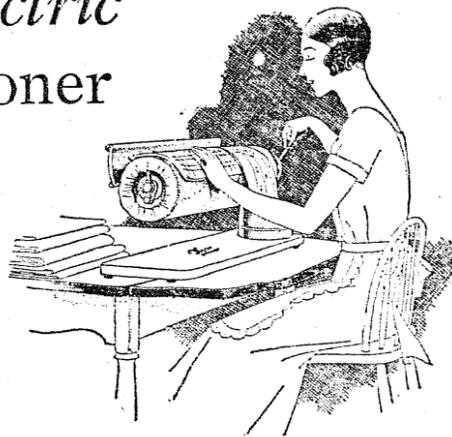

More conservative in design is the Economic—a smart compact gas range finished in enamel inside and out. It has many conveniences including top burner lighter and oven heat regulator. Cash price \$63.10 connected or \$67.40 on terms of \$5 down and \$5.20 a month.

Former Music Critic Lauds Quality of Public Concerts

The accompanying communication was addressed to THE TIMES office by Mrs. George W. Carter Jr. of 35 Franklin avenue. In her letter Mrs. Carter comments enthusiastically on the series of public school concerts sponsored by the Board of Education. Mrs. Carter says:

To the Editor of THE TIMES:
Dear Sir: I attended the free public concert on Sunday afternoon November 30, at the High School and wish to inform your paper that this concert was interesting, educational and high class in every respect.

It is my desire to express my thanks to the individual or group of individuals conducting this work and also to your paper for sponsoring such an enterprise, as it is

in my opinion one of the few things in Belleville conducted purely with a civic objective in mind.

I notice an article in Thursday's BELLEVILLE TIMES to the effect that the Board of Education voted three to two to provide the means of securing a piano to be used in these concerts. How members of this board can call themselves progressive and at the same time refuse to vote for such a need is beyond every conception that I possess.

As an art student and former critic permit me to inform you that these concerts would be nothing unless reinforced by such a background. It is well however, that the incidental expense incurred was voted for by the progressive members of the board who

have without a doubt the interest of the people of Belleville in mind.

The people are seldom given anything free of charge and it would therefore seem that from this view a real unanimous cooperative effort should be made to provide a winter series of concerts yearly, securing the best talent available at a nominal expenditure. Very truly yours,

MRS. ELSIE A. CARTER.

GIRL SCOUTS COLLECT SOUP FOR CHRISTMAS BASKETS

Open house at girl scout headquarters will be held Saturday, December 20. Each girl is asked to bring a can of soup to be turned over to the Community Service Bureau for Christmas distribution. It is estimated they will receive at least 200 cans. Mrs. Walter Warrick and Mrs. Raymond Dixon are in charge of arrangements.

All of the troops are now busy dressing the dolls that were taken in at the benefit performance for the kiddies given by the Lions Club at the Capitol Theatre recently. Other troops are working as individual units in filling Christmas stockings and baskets, all of which will be distributed by the Social Service Bureau.

The home nurse class which has hitherto met in conjunction with the first aid group on Monday night, will meet hereafter on Wednesday evening.

Miss Edith Binns, local director, will be at headquarters every Monday, Tuesday and Thursday, with the exception of Christmas day, until the first of January.

MRS. CATHERINE STEFANELLI

Mrs. Catherine Del Guercio Stefanelli of 85 Franklin street, Silver Lake passed away at her home Wednesday morning of last week. She was in her sixty-fourth year. Funeral services were held Saturday morning at St. Anthony's R. C. Church. Burial was made in Holy Sepulcher, Newark. Mrs. Stefanelli, who came from Italy forty-five years ago was the widow of Anthony Stefanelli, "Mayor of Silver Lake," who died six years ago.

Mrs. Stefanelli is survived by six sons, Louis, Joseph, Alfred, Ernest, Anthony and Arthur and two daughters, Miss Albina Stefanelli and Mrs. Ella DeRigatis, all of this town. One brother, Joseph Del Guercio of 77 Franklin street, Silver Lake, survives his sister.

MRS. LAURA GROSSE

The Rev. Oscar E. Braune, pastor of St. John's Lutheran Church of Newark, officiated at the funeral services for Mrs. Laura Grosse, held in Heilmann's Funeral Home, Clinton avenue, Newark, Sunday afternoon. Mrs. Grosse, who had been a resident of the hill section of Newark for forty-seven years, passed away at the home of her son, William Grosse of 473 Washington avenue, Thursday. Burial was made in Fairmount Cemetery.

Mrs. Grosse was born in Germany sixty years ago and came to this country at an early age. Until two weeks prior to her death she had been a resident of Newark and had been active in a number of German societies. She was stricken at the home of her son two weeks ago.

Three sons, William and Raymond of Belleville and Irwin of Irvington; and one daughter, Miss Iris Grosse of Irvington, survive her.

Commissioners

(Continued from Page One.)

Commissioners since last July when he bought the property.

According to the owner, he applied to Building Inspector Robert Williams for a permit to erect such a structure. The permit was granted, work started and many complaints were filed by residents of that section. Work was temporarily halted while the Zoning Board considered the matter and finally upheld the Building Inspector in his action in granting the permit.

THREATENED SUIT

When more complaints were filed, the commissioners halted the work, contending that Williams should not have issued a permit to a business which they claim falls under an industrial classification. The commissioners refused to allow DeJonge to proceed and the latter engaged Lawyer Donald B. Munsick of Newark to institute court proceedings.

The playground apparently is the commissioners' answer to the threat.

Christian Science Church

"God the Preserver of Man," will be the subject of the Lesson-Sermon in all churches of Christ, Scientist, on Sunday, December 14.

The Golden Text is: "Withhold not thou thy tender mercies from me, O Lord; let thy loving kindness and thy truth continually preserve me" (Psalms 40:11).

Among the citations which comprise the lesson-sermon is the following from the Bible: "The Lord shall preserve thee from all evil; he shall preserve thy soul..."

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

**COMMISSIONER SHOWS
LADIES TOWN PROPERTY**

Commissioner Frank J. Carragher reported to the commissioners at their meeting Tuesday night that he had conducted a delegation of local women through the town hall recently, pointing out the many interesting features of the town government. The ladies called primarily to advocate a detention room for women prisoners taken by the police.

The group went to police head-

quarters and the Commissioner asked the sergeant on duty how many women prisoners were confined in the local jail on the average each year.

"About two," replied the sergeant.

"You see there are not enough to worry about," the commissioner explained to the ladies.

Kenworthy

(Continued from Page One.)

Frank Fuselle, inspector of combustibles; Matthew J. Richards, clerk of the building department and Mrs. C. W. Morgan of 4 Belmore street.

Mrs. Bootes will direct the poor relief and she will be assisted by Mrs. Morgan, who will also aid in the collection and distribution of clothing. Mr. Vail will be in charge of sick relief and Mrs. Steel, assisted by the Visiting Nurses Association will be in charge of nursing. Mr. Wells will check the applications for relief received from the colored people and Mr. Fuselle will do a similar work among the Italian residents. Mr. Richards will supervise the distribution of shoes and clothing among the needy.

TO GIVE AID AND JOBS

The object of the service is two-fold. Primarily it will give immediate relief to those in distress and then it will endeavor to find work for them to do. Mayor Kenworthy is communicating with all industrial concerns in town, asking that any help engaged during the period of depression be secured through the service. He also expressed the hope that any individual having odd jobs to be done about their homes communicate with the unemployment board and competent workers will be assigned at once.

The Service is arranging to make collections of old and discarded clothes and shoes. Residents of the town are urged to send any old clothing to the relief group. The Greylock Cleaners and Dyers have agreed to clean and sterilize all clothing sent to the Town Hall at no cost to the town.

WILL USE GAME RECEIPTS

Contributions are solicited and those desiring to lend such assistance may mail their checks to the Mayor, made payable to the "Emergency Relief Fund." Belleville's share of the proceeds accruing from the Nutley-Belleville football game will be deposited in this fund. It is hoped that benefits will be held from time to time and that the proceeds of such benefits will be directed toward the fund.

The money thus raised will not be used solely for the relief of those families whose breadwinners are out of employment, but as far as possible it will be used to give employment to those who have dependents. A statement of receipts and expenditures of the fund will be published in the local papers once each month.

High School Notes

A large attendance is expected at the annual senior play to be held Friday and Saturday nights in the High School auditorium. As last year, a different cast will appear each night, thus providing a chance for more students to participate.

No one can afford to miss this play as it is to be the best ever. It is a mystery play entitled "In the Next Room" and is to be coached

and the casts are improving at every rehearsal.

The cast Friday night will include: Norma Byles, Francis Gibson, Filamena Calichio, Robert Haythorne, Charles Perry, Willard Wharton, James Kerr, Gordon Brown, Tony Giordano, Joseph Tambara and William Lennen. Saturday's cast is composed of Jeanette Granatelli, Alfred Cocks, Matilda de Nave, Assunta Pomponio, Hyland McIlvain, Fred Ford, Wallace Winchell, Gilbert Freeman, Charles Cummings, William Lennen and Tony Giordano.

The attendance statistics for November of 1929 and 1930 record an increase. Last year, for the month of November, with students numbering 754, the total attendance was 97.9 per cent, while this year, with 881 students, the average is 98.1 per cent. The number of tardy marks for September, October and November have increased from forty-six of last year to forty-seven for this year.

This November the seniors led the school with an average of 98.9 per cent. The freshmen came next with 98.5 per cent, the sophomores next, with 98.62 per cent and the juniors last with 98.3 per cent.

H. M. Kelly, of the Pace Institute, spoke to the students of Belleville High last Friday on "Relations that Build." He immediately won the attention of the students by stating he hadn't as yet been to Nutley and also complimented the students on their singing ability. Mr. Kelly spoke mainly about the three principles of becoming effective. These three, he impressed upon the students are personality, training and initiative.

JOINT ORDINANCE

annual salary of \$2,100. The telephone operator is also appointed for a term of two years at an annual salary of \$1,300.

Commissioner Carragher claimed that the ordinance was drawn with the sole intention of removing from his control his one assistant and claimed the move to be "petty politics."

ASKS FOR SPECIFIC VOTING

Commissioner Williams explained his objection as being based on the fact that the board would not be voting on a specific proposition but in order to pass on one motion the commissioners were forced to pass both.

He maintained that the whole proceeding savored of the type of politics the State is spending a considerable sum to do away with. He characterized the economy argument as subterfuge, asking, "Aren't we raising one salary more than we are reducing the other?"

When a vote was called, Williams arose and exclaimed:

"This thing is not creditable to you, Mr. Mayor. You are too big." The ordinance passed its final reading by a vote of three to two.

Here and There

by Harry Metz

There seems to be quite a few alibis for the recent 2 to 0 football defeat suffered by the Belleville High eleven at the hands of Nutley last Saturday. Some say it was the officials, others say Nutley was playing "over their heads," and then there are some who take the stand that Belleville simply had an off day.

Our honest opinion is that if you combine the three above mentioned reasons you will strike the nail on the head. Even the most ardent of Nutley rooters will admit that Belleville did not get the best of breaks from the officials. Still one should not be too harsh on those officials. Don't forget they were donating their services. Yet, even though they were donating their services they might have at least called their decisions, looking at the situation from both angles.

Coach Erikson and Assistant Coach McBride, both of whom know their rules in football, claim that the play which was called a safety should have been ruled a touchback. Their opinion is that on a forward pass if a player catches a ball just in front of the goal line and then is thrown back by the team which threw the pass the play goes as a touchback. Just to make sure "Mac" McBride consulted his rulebook Monday and, believe it or not, fans, he was right. If the State championship hinged on such a play it's dollars to doughnuts the game could be protested, but as long as charity is the only party which benefits here, what's the use of kicking?

However, that's not the point. Anyone officiating every Saturday as those officials do, would know right away what the ruling should be. By the way, when some of the Belleville lads asked the officials what several of the penalties were all about they were told in not too polite a manner, "shut up or out of the game you go." So you see ye Belleville rooters, you have a just kick coming.

Then on the other hand, there's no denying the fact that Belleville was outplayed at least offensively. The Belleville lads seemed to lack the pep. They weren't functioning nearly as smoothly as in the East Side game. There wasn't the least bit of deception in their attack and during the entire game they tried only three or four passes.

Then again, Nutley was playing over their heads. We were told this by some Nutley rooters who have witnessed the Maroon and Gray in every game this season. If this is true they deserve credit. They knew the whole town of Nutley was pulling for them and for a team to play their best football in the most important game of the season shows a spirit which cannot be denied. Even though Coach Stanford is not the most popular man in the world as far as Belleville is concerned, one must give the sly Nutley coach credit for priming his boys for the game.

Well, perhaps if Belleville plays Nutley again the breaks will go the other way. We said that last week, but it looks as though Stanford and his Maroon and Gray will keep getting the drop. At any rate, if Belleville and Nutley get together on the gridiron, maybe Lady Luck will smile the other way.

ATTEND BANQUET

Twenty-eight guests and members of the Belleville Rod and Gun Club attended a banquet at the Mosque ballroom Tuesday night with members of the State Conservation League.

The Men's Club of Christ Episcopal Church will have an "Old Timers' Night" at their meeting Monday evening. It is being arranged by Stewart A. MacAleese. Among the speakers engaged are Mayor Samuel S. Kenworthy and Dr. B. A. Jacobson. The latter will give a talk on "Folk Lore of the Teeth." All men are invited to attend.

Tiffanys rolled themselves into a first place tie by taking the Atlas Fence quintet into camp in two out of three last Friday night at Ferrara's alleys. Martin-Dennis, a team which has been leading the league practically all season, lost two games to the Hanlon and Goodman five.

Wallace and Tiernan scored somewhat of an upset by taking the fast stepping Sweeney five into camp in two out of three games. Other matches resulted as follows: Jeffery and Mayer won all three games from International Ticket. Hoyt Brothers scored a clean sweep over Sonneborns, and Thomsons dropped two to Federal Leather.

As a result of the matches Friday night the league race is the closest in years. Two games separate the first four teams and the fifth and sixth place teams are still in the running. Jeffery, of Jeffery and Mayer quintet copped

high score prize for the night with a 228 mark in the opener. Tommy Dunn, anchor man for Hanlon and Goodman, had a good series with two double century scores to his credit. Art Mayer and Ernie Watson had three good games for Jeffery and Mayer. John Hood rolled well for Thomsons. Trimmer also rolled well for the Thomsons. Bert Mooney and Morrall packed in three nice games for Hanlon and Goodman.

The race in the Church League for top honors probably rivals any league hereabouts. Fewsmith Men's Club and Fewsmith Presbyterian are tied for first place with fourteen wins and seven defeats. Following these two teams is another deadlock with Grace Baptist and Christ Reformed tied for second place with thirteen wins and eight losses. Then there is Christ Episcopal trailing Grace and Christ Reformed by one game and but two games out of first place.

Reformed Springs Upset

Dutch Reformed pulled the big upset last Thursday night by winning two out of three from Fewsmith Men's Club. The defeats sent the Men's Club back into a tie with Fewsmith Presbyterian and enabled the Reformed pinner to vacate the cellar position. Belden with a 232 in the second game and two other fairly good scores was a thorn in the side of the Men's Club. Van Riper also helped matters along for Dutch Reformed.

Fewsmith came out of their slump to win two out of three from Grace Baptist to tie the Men's Club for first place. The Presbyterian pinner came nearly winning all three games, the Grace five only winning the second game by a mere four pins. Captain Bruegman rolled three fine games for the Fewsmith quintet. Gene Wilson was best for the Grace five.

Christ Reformed had an easy time winning three games from Italian Baptist. In fact they had such an easy time some of the members of the Reformed team were rolling left handed at times. Bill Williams was outstanding for Christ Reformed in this match.

Christ Episcopal Wins

Christ Episcopal won their fifth straight series by taking Montgomery into camp for two out of three games. Montgomery made sure of the last game by rolling 919. Garrabrant and Dan Mayer were in rare form for the Episcopal quintet. Claude Harris averaged over 190 for Montgomery.

In a postponed match last Friday night the Grace Baptist team went into a tie for second place by winning all three games from Montgomery. Gene Wilson, Copeland and Pop Kliebe rolled well for Grace in this match.

IDEAL GIFT FOR THE BOY
 What glorious adventures boys between the ages of ten and twenty have reading The American Boy Youth's Companion! As if by magic, this well-known magazine carries boys to distant parts of the world, introduces them to strange people, lets them experience queer customs and revel in the adventures of foreign lands.
 In a single issue, a boy will battle the frozen northland with sled and dog team, cross Indian haunted plains in a prairie schooler, zoom over war-torn lands in an army plane or on dangerous routes with a U. S. mail pilot, hunt wild animals in Africa atop the swaying back of an elephant, go cruising in a battleship, fight Arab raiders with the Foreign Legion and participate in many other thrilling experiences that come to readers of The American Boy Youth's Companion.
 It is such experiences as these that sharpen a boy's wits, kindle his imagination, strengthen his character, develop his understanding of the world in which he lives and of the people that inhabit it. Here, indeed, is the ideal gift—that boy in whom you are interested—that son, nephew, cousin, neighbor, or, perhaps, the son of a business associate. An attractive gift card bearing your name will be sent to the boy if you request it with your order. Every time the mailman brings a magazine to his door, the boy will think of you gratefully.
 Subscription prices are only \$1 for one year and \$3 for two years. Mail your order direct to The American Boy—Youth's Companion, 550 W. Lafayette Street, Detroit, Michigan. Service your subscription will start with the ever issue you specify.

MARION SCORES THIRTEENTH WIN

Silver Lake Heavy Floors Trenton Boy In Fifty Seconds Of First Round

LOCALS IN CHARITY SHOW

After a lay-off of four months, Jack Marion, Silver Lake's heavy-weight sensation, returned to the ring Friday night and knocked out Manus Hartman of Trenton in fifty seconds of the first round. The contest was scheduled to go eight rounds at the Asbury Park Arena. A terrific right hand punch to the heart dropped the Trentonian for the full count. This was Marion's thirteenth knockout in fourteen fights.

Al Rossi, Silver Lake's most promising lightweight, traveled to New Haven, Conn., last Thursday night and dropped an eight-round decision to Jimmy Birgges of New Haven in the arena of that city. Rossi, according to his enthusiasts on the first five rounds rather easily, then he slipped. The sixth round was even, but the New Haven youth won the seventh and eighth and was awarded the decision, which was disapproved by a majority of the fans.

After a lay-off of five days, Rossi resumed training at the Parkview Ringside, for a proposed fight with Tony Lambert or Bennie Levine, at the Laurel Garden next Monday, December 15.

Three of Silver Lake's foremost boxers will be seen in action tonight at the Newark Armory on record of all star bouts. The boxing card is for the benefit of Newark's unemployed. Of the fighters, Jack Marion will meet a rugged boxer in Jack Lawrence, Ironbound fighter. The contest is scheduled to go eight rounds.

In another eight, Johnny Nelson, lightweight, will take on Jimmy Lips of Bernardsville.

A special six-rounder Ernie Miller, windmill featherweight, will stack against Mickey Summers of Newark.

NO NOX BOWLERS MEET

Nox Bowling Club scores last week were as follows: Mrs. Milford Rifman, 180; Mrs. Alvin W. Smith, 167; Mrs. George Hunkele, 162; Mrs. Clifford Faust, 162; Mrs. Edna Wieland, 141; Mrs. William Smith, 138. In last week's issue it was stated that Mrs. Clifford Faust was given a trophy by members of the club. She is past president.

Eleventh Hour Safety Saves Game For Stanford's Maroon Machine

Santamassimo Intercepts Nutley Pass and Is Thrown Behind Line

ONLY FOUR MINUTES TO GO

With Belleville playing below their usual form and Nutley showing perhaps the best football of the whole season, the Blue and Gold lost last Saturday's charity game by a scant two points. About 5,000 saw the game—far fewer than the Thanksgiving day game with South Side—but what the crowd lacked in size it made up in pep.

Although Nutley had the edge throughout the contest the score would have been a tie if little Matts Santamassimo, second string half back, hadn't forgotten his football for just a few seconds at just the wrong time. Standing on his own goal line he caught a forward heaved by Sherwood instead of slapping it down. This gave Nutley the scant two points and victory.

Although Belleville was playing below form they showed brilliant flashes on the defense and successfully stopped two of Nutley's drives which should have resulted in touchdowns. On the other hand, Nutley supporters felt that the Stanford clan simply lacked punch when they got near the goal line. At one time the Maroon had the ball on Belleville's three-yard line with three downs to take it over. They couldn't make it. Again they had seven yards to go and four downs to do it in, but Belleville held. In fact three other Nutley threats, but not so dangerous as this pair, came to nothing either through fumbles, bad judgment or simply inability to gain through the Belleville defense.

With but four minutes to play in the final quarter Bonavita, Belleville's backfield star of the game, fumbled, and Porky Brown recovered for Nutley on the Blue and Gold twelve-yard stripe. Sherwood essayed a forward pass on the second play and heaved to the right side of the gridiron.

THREE INCHES ONLY!

Santamassimo intercepted the pass a yard behind his own goal line, but before he could swing into a stride he was hit by Struble and Kellett, who dropped him in a half-forward position so that the pigskin was but a scant three inches behind the goal line. Result, a safety for Belleville and a win for Nutley.

The Stanford eleven showed a

Henry Winfield Presents Flag

A fifteen-foot American flag was presented by Henry Winfield of 49 Preston street, Belleville, to the winning team directly after the game. Coach George Stanford received it and it will be hung in the high school. Mr. Winfield had intended to give a cup to the winner of the inter-town game, but decided at the last minute that a flag would be more appreciated.

He says that before the two towns play again next year he will put up a cup to be known as the Winfield trophy which will be held by the winning team each year and become the permanent property if won by either team two years in succession.

definite superiority throughout with eleven first downs as against five for the Blue and Gold and the fight was waged consistently in Belleville's territory. Whenever the ball went into Nutley territory Nutley had it.

Three times during the affair Nutley was on the verge of a score, once actually within three yards of it. On this occasion the Belleville line turned to stone and not only held, but sent the Maroon back at least three yards. A placement off the boot of Connors went awry on the fourth down to give Belleville possession of the ball on their twenty-yard stripe. Nutley didn't have the scoring punch at all.

Connors took a low kickoff at the game's outset and tore back to the Nutley forty-yard mark. Three plunges brought on a first down and Blasi ripped off another with a gallop of eleven yards around left end. Sherwood fumbled, however, and Belleville recovered on their own forty-yard line. Mac Lamb started on an end run, but was stopped four yards behind the line of scrimmage, Bonavita carrying on with two successive plunges, which coupled with a five yard Nutley penalty for offside, gave the Blue and Gold a first down. Lamb again tried his sweeping end runs which have been a powerful factor in the Belleville attack this year, but his two attempts netted a scant three yards, and Belleville kicked on the third down.

Nutley was penalized fifteen yards for holding and set back to

their thirty yard line and Sherwood in booting turned in his longest punt of the season, a high twisting spiral that traveled sixty yards and then rolled to the Belleville twenty-yard mark. Bonavita and Plenge plugged out a first down on a trio of plunges but the Nutley line held and Plenge got off a poor punt to the Maroon's forty-two yard mark.

Sherwood heaved one of his long passes down the field. Kellett, catching it on the seven-yard line, after two Belleville men partially checked its flight. Connors, over-anxious, fumbled on the first play and Bade pulled Belleville out of a hole by recovering. Bonavita booted out of danger as the first quarter ended.

Nutley started an attack as the second quarter opened that carried the ball to the Belleville sixteen-yard mark. They moved up to the ten-yard stripe on three downs but Sherwood's forward on the fourth down was grounded over the goal line and another scoring possibility went aglimmering.

PULLS PRETTY PLAY

Jerry Bonavita pulled Belleville's prettiest play of the game with a fake kick on the second down and ripped through the line of scrimmage for eight yards before he was downed. A plunge through center netted a first down, but the Maroon held and Bonavita was forced to punt in earnest.

Connors reversed nicely for ten yards and a first down and Sherwood squirmed through the line for a pair of four-yard gains, but with two yards to go for another first down Nutley elected to kick, Sherwood placing a pretty punt outside on Belleville's four-yard mark. Bonavita immediately returned a boot to Blasi on Belleville's thirty-eight yard line and Nutley swung into a series of forwards as the half was drawing to a close. Only one of the four was successful, and that only a short one, Belleville taking the ball and also making a frenzied effort to tally via the forward route before the half ended. Plenge tossed a short pass to Westra for a seven-yard gain, but the whistle sounded before anything further could be accomplished.

Galluba's kickoff to start the second half was short, Mackenzie,

ROD AND GUN CLUB WILL FISH FOR COD

Intertown Sportsmen Will Invade Habitat Of Finny Tribe December 21

LAWSON WINS TRAP SHOOT

A cod fishing trip will be held by the Intertown Rod & Gun Club, Sunday, December 21. Anyone wishing to enjoy a good trip can do so by getting their tickets from the Gedney Sport Store, at 234 Washington avenue or from E. King, 17 Campbell avenue.

The club has hired one of the largest fishing boats available. There are only fifty tickets being printed to assure every one who takes the trip, the pleasure of fishing as fishing should be done.

The club held a trap shooting contest Sunday at Long Valley, where Oscar Lawson again proved his ability by the good score of forty-six out of fifty. President Ray Beckett was runner up with forty-five out of the same number. J. Rue was third with forty-two; E. King came next with forty, followed by Eugene Baker, who won the Championship of his family with thirty-nine out of a possible fifty, beating his father, John Baker, who had thirty-eight.

The next meeting of the club will be held at the home of R. Beckett, 194 Greylock parkway, this evening.

ELKS PRODUCE RED-HOT FIGHT SHOW

ACTION APLENTY WHEN AMATEURS SWAP PUNCHES

National Turner Star Wins Decision In Slam Bang Contest

BELLEVILLE'S ENTRY LOSES

Although the crowd was somewhat below expectations and the Belleville Elks amateur boxing tournament was a "financial flop" the bouts held Friday night offered interesting competition. A crowd of 350 witnessed the bouts which were held at the Elks Home.

The feature bout of the evening brought together Ed Andahage, National Turner star and Frank Sitch. Andahage, a powerfully built fighter had by far the better of the argument and lived up to all the nice things said about him. The bell in the third round saved Sitch from a knockout and there was no question that Andahage deserved the decision.

OLD FASHIONED SLUGFEST

For good old fashioned slugging the Austin-Nolan bout was the best of the night. Both boys were willing mixers and slugged toe to toe for the three rounds. They were given a draw at the end of the third round and the decision was apparently a popular one. In the extra round Austin was disqualified for pushing, but both boys got a generous round of applause for their willingness.

In another interesting bout Nanny Tillman of Newark and Joe Skilkia of Newark fought hammer and tongs for four rounds before Tillman finally got the decision.

BELLEVILLE ENTRY KAYOED

In a special 115 pound bout Teddy Baldwin, only Belleville entry was knocked to sleep by Jack Kittel, popular little National Turner fighter. Kittel had too much experience for Baldwin and it was just a matter of time before Baldwin took the count.

Bill Jackson, 147 pound boxer from Bayonne knocked out Jim Marion, southpaw from Newark, in the first round. In another 147 pound bout Bill Ash of Elizabeth was kayoed by Larry Franks of Newark in the first round. In the final of the 147 pound class Larry Franks was outboxed by Bill Jackson after the fight had gone an extra round. Jackson's punishing body blows did the trick.

DOCTOR STOPS FIGHT

Andres Logindice, 118 pound National Turner star, kayoed Joe Brown of Newark in the third round. The final in the 118 pound class was called off because of the refusal of the doctor to allow Nolan to continue.

The Vaughn-Suggs affair in the 138 pound class was an interesting bout with Vaughn finally receiving the decision. In the final of the 128 pound championship Tillman defeated Stops. Stops previous to this had kayoed Harrison with a left to the jaw. Vaughn fought his way to the final by outboxing Joe Barese of Bayonne. Vaughn and Barese were both clever with Vaughn having a little the better of the argument.

The Suggs-Vitello bout was a case of "Suggs slugging" with Suggs finally winning after a bitter battle. The National Turner fighters fared very well in Friday night's bouts. Ed Andahage won his bout with ease, Vaughn won in his class and Logindice won the 118 pound championship.

right guard for Nutley, taking it on the run to midfield. Belleville's line stiffened and Sherwood again placed his kick outside, crossing over the line at Belleville's twelve-yard mark.

NUTLEY GETS A BREAK

After several exchanges of kicks and a fifteen yard penalty against Belleville, Sherwood shot a long forward down the center of the field. To the stands it appeared that Jerry Bonavita had snared the ball and that Chief Luzzi of Nutley had fastened his hands on it, a fraction of a second later. However, when the pile was unangled Luzzi was found in possession of the ball and a completed pass was allowed.

Belleville again tightened its defense and Sherwood was forced to punt. Luzzi downing the ball on Belleville's six-yard line. Another penalty on this play cost Belleville fifteen yards and Nutley took possession of the ball on Belleville's twenty-yard marker.

Connors crashed for a pair of two-yard gains and Sherwood augmented the total with four more, Blasi getting first down with a fake pass that carried the ball to the five-yard line of the Blue and Gold. Connors clicked off half the distance as the quarter ended and the brief respite was evidently just what Belleville needed for although Sherwood gained a yard, the Blue and Gold line charged through and smeared Hohenstein for a three-yard loss.

Connors took a chance on a placement from the fifteen-yard line, but the ball went low and far to the left of the posts, giving Belleville possession on the twenty-yard line. Before Nutley could get set Bonavita had smashed along for two six-yard gains, hitting first right tackle and then left to net a first down.

The Maroon forced him to boot and Sherwood on the second down flipped a pass that Westra took on the run to be downed on his twelve-yard line. The ball changed hands as fast as a flea in a dog fight, for on the first play Bonavita fumbled and Brown recovered for Nutley.

NUTLEY SCORES

Then, after Hohenstein had taken a one-yard loss, came the forward that was to prove so disastrous to Belleville's hopes for a tie—Sherwood's heave that was taken by Santamassimo behind his own goal.

The ball stayed in Belleville territory during the remaining minutes of play and the game ended with Sherwood intercepting Bonavita's pass on the Blue and Gold's twenty-yard line.

Luzzi, Brown and Van Horn stood out for Nutley on the line, with all of the forward wall turning in a fine performance, particularly in the effective battling of Mac Lamb, whose usually effective end runs were stopped before they were fairly underway. Blasi gained most of the yardage on the line plays for the locals although Connors and Hohenstein each contributed heavily. Sherwood's booting was the best seen on the Oval in a long time.

Jerry Bonavita, despite his costly fumble was the star of the Belleville backfield and was the only Blue and Gold ball runner able to penetrate the Maroon defense for any consistent yardage. On the line Capt. Galluba was a tough spot and Bade also showed up to good advantage. Belleville lost heavily on the penalties, taking an eighty-yard setback for the afternoon as against twenty-five for Nutley. The line-up:

Republicans Still Lead Legionnaires' Circuit

G. C. P. Pinner Hit Sticks For A Big 900—El Club Erratic

Bachelors	4	21

The Republican Club show no signs of flinching in the American Legion bowling league. The G. O. P. pinner kept right on going Monday night to win three games from the Parks and increase their lead to three full games over the second place Knights of Columbus quintet.

As was expected the K. of C. and the Elks had an interesting match Monday night with the K. of C., still keeping in the running by winning two out of three from the "Hello Bills." Other matches resulted as follows, the El Club won the odd game from the Moose; Hoople Club scored a clean sweep over the erratic Junior Order five; Belleville A. A. won two from the Veterans of Foreign Wars and St. Peter's won two from the Bachelors.

ROLL THREE OVER 900

The Republicans rolled three games over the 900 mark and had an easy time with the Parks. Major Tate again was outstanding for the C. O. P. five. Tate averaged 199 for the evening. McGinnis also pounded the maples for a high average. Pasture was best for the Parks.

The K. of C. pinner barely eked out two wins over the Elks. In the first game the Knights edged the Elks out by eleven pins. The "Hello Bills" came back in the second to win by a good margin, but the K. of C. took the final game by twenty-one pins. Whitfield, Byrnes Jr. and Donnelly all rolled well for the Knights. Johnny Mallack and Will Klemz led the attack for the Elks.

EL CLUB ERRATIC

The El Club was very erratic Monday night. In the first game they hit 966 against the Moose. Then they dropped back to 792 in the second, but in the final they hit on all "five" to roll 916. Charley Caruso was in good form for the El Club, the veteran having two double century scores. Bill Buttons also had a good night for the winners. "Big Phil" Taylor was outstanding for the Moose Club.

The Belleville A. A., a team which has been going poorly of late returned to form to win two games from the Veterans of Foreign Wars. Howard, a newcomer to the A. A. ranks made his presence felt by stacking in three well rolled

games. Franson was best for the Moose and was just one pin shy of a 200 average.

The Hoople Club kept up their consistent form from the week previous and easily won three games from the Junior Order quintet. Bill Williams and "President Red" Kant had a good series for the Hooples.

BACHELORS OUT OF SLUMP

The Bachelors failed to win their series from their bitter rivals the St. Peter's quintet, but the Bachelors nevertheless won their first game in five weeks. Brogan and Lefty Burkhardt were instrumental in the Saints two wins. Dave Connelly and Art Lossner were best for the Bachelors. The scores:

H. S. FIVE MEETS ALUMNI PASS

Coach McBride Whips Q Into Shape In Pre-Season Game

GRADS MAY USE 1929 TEAM

Although the Belleville High basketball team does not open season officially until the first week in January a pre-season game has been scheduled by Coach Albert McBride with the Alumni for Friday night, December 19.

Last year's Alumni game was a corker. It went three extra periods and practically the same team will be out for the melee a week from tomorrow night. The High School team will probably include the following players: Stanley Goodrich at center, Ray Smith and Mac Lamb at forwards and the Bonavita brothers, Nick and Jerry at the guard posts. However, this is not official, as there are several other youngsters who are making strong bids for the first team. Among these are Lou Westra, Eddie Mutch, Ralph Casale, Fred Pascale, Eddie O'Neil, Charlie Christell, Dan Bride and Joe Robertson.

OTHER LIKELY CANDIDATES

Then there are a number of candidates who will prove promising material for the second team, among whom are several football stars of this season, Captain Lou Gallucci and Homer Estelle, Belleville's husky tackles, Art Leader, sophomore fullback.

Other candidates are John Ryder, George Anderten, Gene Dacy, Henry Bohrer, Larry Brook, Griffin, Milt Weinfeldt, Ambrose Culklin, Len Hodgkinson, Lou Glenn, Robert Cocks, Harry Knabb, Tom Patterson, Ed Burke, Dave Aker, Sam Brown, Ralph Jannarone, Nick Gardi, Albert Pascale and Fred McQuilken.

ALL THE LANKY ONES

Coach McBride has a plan in mind to develop a second team that will be hard to beat. He is picking all the tall lads from his gym classes and inducing them to take up the court game. Most of these tall boys are sophomores and juniors who have had little training in basketball and are verdant material. Among these embryo basketneers are Larry Brooks, Estelle, Dacy, Bohrer, Knabb and Glenn. Practice which started Monday consisted mainly in getting used to handling the ball and passing.

The Alumni team, which is being captained by Harry Metz of the class of 1926 includes the following players: Bob Mutch, captain of the 1925 quintet, Harold Robert, captain of the 1927 five, Tony Pascale, stellar guard of the 1925 quintet, Les Armour, star forward in 1928 and others who have featured on the High School court in bygone years.

Crime Prevention

H. E. Barnes says: "First step in preventing crime is to see that the human individual is well born; second, adequate education; third, sufficient manual or vocational education to provide means of making a living; fourth, efficient methods of aiding backward children who might become victims of criminal suggestions."

In a Nutshell

They are never alone that are accompanied with noble thoughts.

Right This Way Folks!—Join Our 1931 Christmas Savings Club

EVERY YEAR at this time, faces . . . both familiar and strange greet us. They're folks who have learned or heard of what a surprisingly large sum of Gift Money can be accumulated in a year through insignificant weekly deposits in our Christmas Savings Club!

If impending bills or empty pockets kept you from doing the Christmas-giving you would have liked to this year, you're just the person who ought to join. Come in.
