### PARKSIDE DRIVE RESIDENTS TAKE COURT ACTION

Board Of Commissioners Notified  
That Assessment Appeal  
Has Been Filed

### FITZSIMMONS RE-APPOINTED

The Board of Commissioners was notified last night that the residents in Parkside drive had started action in Circuit Court to set aside the assessments levied against them for the improvement of that street. The property owners are represented by James F. X. O'Brien. No date has been set by the court for a hearing. Town Attorney John B. Brown was given authority to represent the town in court by a vote of three to two, Commissioners Carragher and Williams casting the dissenting votes.

This action arises out of the approval of the findings of the Board of Assessments granted four weeks ago by the Commissioners. At that time Commissioners Carragher and Williams voted against that action, the latter voting in the negative because he was of the opinion that the Board should give the matter further consideration before taking any action. At that time it was intimated that the property owners might take the matter to court.

**One Side Is Park**  
The property owners object to being assessed for fifteen feet of pavement in Parkside drive when the paved road is only nineteen feet wide. The objectors claim that they are being charged for more than one-half the road as is the custom, while the Commissioners insist that the actual road is thirty feet wide but the unpaved portion extended up to the land used as a park.

Speaking on the matter last night, Commissioner Waters said that he was of the opinion that the property owners were accorded fair treatment throughout the proceedings. He stated that it was not the fault of the town if the developers of that section so plotted.

### 'RIO RITA' FEATURE AT BENEFIT MOVIE

Bebe Daniels, Bert Wheeler and Bob Woolsey will appear at the Capitol Theatre Sunday night in Rio Rita, the outstanding comedy hit. This laugh sensation will be the feature picture at the benefit performance to be given for the Mayor's Unemployment Relief Service. At the same performance the motion pictures of the Nutley-Belleville High School benefit football game played several weeks ago will be shown. The presentation of this film was arranged with the co-operation of Hamilton D. Cherry, manager of the Fox Franklin Theatre in Nutley.

Nick Lucas is also expected to appear at the benefit in person and he will be accompanied by his inseparable companion, his guitar.

### BROWNIES AND ELVES APPEAR IN CHRISTMAS PLAY

Here are a few of the cast which appeared in the Christmas operetta at School No. 7 Friday night.

### STUDENTS SING CAROLS IN HALLS

Groups Of Singers Fill School  
Corridors With Christmas  
Tunes

### VACATION STARTS TODAY

Following the custom of a number of years, the pupils of Belleville's public schools observed the Christmas season in a particularly pleasing way. In most of the schools, including the high school, groups of the best singers gathered in the corridors yesterday afternoon a half hour before the schools closed for the Christmas recess.

In each school where this form of observance was practiced the students walked slowly through the corridors singing carols. Melodies which have symbolized Christmas for years drifted into the rooms where the other students sat, awaiting the coming of the carolers. A number of the parents visited the schools yesterday and enjoyed the caroling.

The local schools closed for the holidays yesterday. This was arranged to permit those wishing to visit their families in other cities to be at home on Christmas day. Schools will not reopen until the Monday after New Year's Day.

### LONE GUNMAN SHOOT STORE MANAGER IN ATTEMPTED HOLD-UP

Eugene Lynch of Mt. Prospect street is in City Hospital, Newark, recovering from a bullet wound in the abdomen. Lynch was shot when he attempted to resist a lone gunman who attempted to hold up the Butler chain store at Mulberry and Beach streets, Newark, late last night. Lynch is the manager of the store.

The bandit entered the store as Lynch was preparing to close and ordered his victim to turn over the day's receipts. Lynch made a move toward his assailant and the bandit fired. Patrolmen in the neighborhood were attracted by the shot and saw the bandit running away. The police gave chase but the gunman escaped in a dark alley.

### Children at School Seven Depict Christmas Customs

### NEEDY WILL GET 207 BASKETS

Families Of Unemployed Will Be  
Assisted; Will Prevent  
Duplication

### ELKS WILL PROVIDE FOR 150

At least 207 needy families will receive Christmas baskets this year and probably many more will get baskets through agencies not known to the Unemployment Relief Service. The Relief Service and representatives of five organizations which are planning to provide baskets for the poor met in the town hall Saturday afternoon and arranged for the distribution of the baskets.

Those sending representatives were the Belleville Elks, the Belleville Chapter, O. E. S., Rutherford-Newark Bus Line, Salvation Army, and Roof-tree Branch, International Sunshine Society. Mrs. Bootes, overseer of the poor, and Miss Klein of the Community Service Bureau met with Joseph Reilly, chairman of the Elks' committee in the town hall last night and made final arrangements for the distribution of the baskets.

The Elks will provide 150 baskets; Order of Eastern Star, ten; Rutherford - Newark Bus Line, twenty-five; Salvation Army, fifteen; and International Sunshine Society, seven.

The baskets will contain the usual Christmas goodies and in many cases a chicken or large roast. There will be fruit and candy in abundance and some of the more staple vegetables and bread.

### ANNUAL MEETING

The annual meeting of the members of the Community Service Bureau will be held at the Woman's Club on Thursday January 8.

### Two Little Waifs Visit Foreign Countries In Their Dreams

### PARENTS ENJOY OPERETTA

Christmas is essentially the same throughout the Christian world but the children of School No. Seven cleverly portrayed the vastly different modes of Yuletide observance in an operetta presented in the school auditorium Friday night. The cast was composed of students from the various grades and they were assisted by the school orchestra.

The story told in the operetta portrayed the adventures of Hilda and Barbara, two little waifs, lost and alone. The two tots, overcome by sleep on Christmas eve, saw beautiful visions of Christmas

### MARINUS DE JONG LIVES IN BELLEVILLE

Marinus DeJong, ice dealer with his place of business in North Newark, has asked THE TIMES to aid in correcting the impression that he resides in Bloomfield. Mr. DeJong's correct address is 15 Willet street, Belleville. He resides on the Belleville-Bloomfield line but he is a taxpayer in this town. Mr. DeJong, it will be recalled, wished to establish an ice distribution depot at William and Clinton streets on a plot of ground the Board of Commissioners plan to acquire for playground purposes.

### NOTICE

William A. Abramson, motor vehicle agent of Belleville, wishes to notify all those intending to secure licenses that his agency will close promptly at 6 p.m. on December 31. —Adv.

### MAYOR'S GROUP GET JOBS FOR UNEMPLOYED

Sixty-Nine Given Work Since The  
Organization Started Last  
Week

### ODD JOBS ARE MUCH NEEDED

During the first week of its activity the Unemployment Relief Service headed by Mayor Samuel S. Kenworthy has secured jobs for sixty-nine of the town's unemployed. Of the sixty-nine a number have been put to work doing odd jobs for the town cleaning up vacant lots, renovating street signs, sweeping penetration streets and repairing sidewalks. These men are being paid at the rate of \$3 a day out of the Unemployment Relief Service fund. This, of course, saves the town \$5 a day for each man employed, thereby benefiting both the jobless and the taxpayers.

### Seek Licensed Fireman

The Service has secured one permanent position and Mayor Kenworthy is holding another permanent job for a man holding a fireman's license. The concern needing a fireman has agreed to fill the position temporarily until a man could be secured from the Mayor's list of unemployed.

Nine men and one woman have been put to work canvassing the town selling tickets for the benefit performance which will be held at the Capitol Theatre Sunday night. These are being paid on the commission basis. Others have been

# Many Visit Baby Keep Well Station

## OTHERS BRING CHILDREN FOR EXAMINATIONS

Miss Angele Chapman, Child Hygiene Nurse, Assists Mothers

## IMPROVES HEALTH OF BABIES

In a cozy, spic and span room in the basement of School No. 3 future citizens of Belleville smile at Miss Angele Chapman, the child hygiene nurse, as she places them on the scales to see whether they have gained or lost weight during the past week. Miss Chapman greets her young charges each Thursday between 2 and 4 o'clock and gives suggestions and advice that aid in keeping them well.

### Many Visit Station

For many years prior to last May, Miss Chapman maintained the baby keep well station in the Masonic Hall, but since the station moved to its new quarters the number of mothers visiting the station has increased from eight or twelve to more than thirty. The baby station is open to all mothers who seek assistance in the care of their babies.

At the station, Miss Chapman suggests nourishing foods and proper clothing for the children. With the aid of charts and samples Miss Chapman outlines individual health instructions for each child and its mother if the latter desires any personal assistance. The principal object of the station is to teach mothers how to keep their children well. It has been amply demonstrated that this service has resulted in improved health among the children and that the lives of many infants have been saved.

### Assists in Schools

On the days when she is not at the baby station Miss Chapman visits the mothers in their homes. She also spends considerable time in the schools, assisting with the annual medical examination. These efforts along health conservation lines result in a great financial saving to the parents each year.

The station is operated under the

direction of the Board of Health and with the co-operation of the Board of Education. The State Health Board also assists in the work by providing advisory service through Miss Ellen Smith, R. N., the district supervisor in this section. Thus the residents of this town are receiving up-to-date child health service and the children are being given a fair chance to live a wholesome, healthful life.

## MUSIC STUDY CLUB

Group singing, cello, piano and vocal selections comprised the program of the Music Study Club of Belleville last Wednesday afternoon, when it met at the home of its president, Mrs. H. Romayne Peck, 330 Joralemon street.

The meeting was opened with the singing of a Christmas carol by club members and guests. An interesting article, illustrating the manner in which different countries observe Christmas, was read by Mrs. Peck. Mrs. Edgar M. Compton and Mrs. Albert Blank sang anthems, accompanied by Maxine Moore, cellist, with Mrs. Peck at the piano. Mrs. Moore also played a solo. Group singing of numerous carols, with piano and cello accompaniment, completed the entertainment.

The entire gathering will then assemble in the church for a service beginning at 11 o'clock and leading over into the new year. The subject of the sermon will be, "We Spend Our Years as a Tale That is Told."

## THREE HOLD UP TRAUB

Three bandits relieved Jacob Traub, 531 Joralemon street, of \$100 when they visited his store Friday night to buy ice-cream sodas. The trio escaped in a cream-colored sedan bearing Hudson county license plates. The tallest of the three ordered Traub and his daughter, Mrs. Bertha Schlosser of Irvington to throw up their hands and while he kept his victims covered with his revolver the other two rifled the cash register. The police are trying to pick up the trail of the thieves.

## Health Officer Berry Asks Returns From Seal Sale

The sale of Christmas Seals in Belleville has not measured up to that of past years Health Officer Berry reports. The returns received thus far total \$1,389.50. Belleville's quota is \$2,000. Health Officer Eugene T. Berry realizes that existing business conditions may seriously affect the sale of seals here. He urges, however, that returns be made as promptly as possible to facilitate the final accounting of the drive.

The money derived from the sale of seals in Belleville helps to maintain a visiting nurse here and it also helps defray the expenses of sending local children to the health camp maintained by the Essex County Tuberculosis League. The cost of maintaining a clinic for the treatment of tubercular patients is also partially met with this fund.

Health Officer Berry stated that statistics indicate an increase of tubercular cases after a period of financial depression. Funds will be needed to aid in combating such an increase here and such funds are created mainly through the sale of Christmas Seals.

## MONOXIDE GAS VICTIM BURIED

Maximilian F. Hubach Failed To Respond To First Aid Treatment

RESIDENT HERE SEVEN YEARS

A solemn high mass of requiem was sung in the Sacred Heart R. C. Church, Bloomfield, Monday morning, for Maximilian Frederick

Hubach, who died Thursday afternoon, the victim of carbon monoxide gas poisoning. Mr. Hubach lived at 160 Smallwood avenue and had been a resident of this town for seven years. Every effort was made to save his life after he had been found lying on the floor of his garage in the rear of 128 Smallwood avenue by six-year-old Hugh Kettle, Jr.

Mr. Hubach told his wife Thursday morning that he was going to work on his car. When he had failed to come home for lunch and had not returned later in the afternoon Mrs. Hubach sent the little Kettle boy to call him. The child found Mr. Hubach lying on the floor and ran crying to his mother.

Use Artificial Respiration

The police were summoned and Chief Flynn and Patrolman Lukowiak hurried to the garage with the inhalator. Fireman Gilchrist

who has saved the lives of several through his knowledge of artificial respiration, also rushed to the scene. Dr. James Irwin was notified and after the men had worked over the victim for more than a half hour, ordered his removal to St. Michael's Hospital.

It was evident that Mr. Hubach had felt himself being overcome and had made an effort to reach the open air. The motor of the car had been turned off and the garage door was partly open. The victim had been running the motor to locate some trouble in the ignition.

Born in Newark

Mr. Hubach was a lumber dealer and was connected with the Montgomery Lumber Co. of Irvington. He was born in Newark fifty years ago and has resided in Verona and East Orange. He is survived by his wife, a son Maximilian, Jr., three brothers, Ernest of Irvington

and Charles and Erwin of Hollywood, Cal.; and two sisters, Hedwig Griswold and Miss E. Hubach, also of Hollywood. Burial was made in Holy Sepulchre Cemetery, East Orange.

# SOUND BUSINESS — plus

THE FIRST ESSENTIAL in the policy of the Telephone Company is that its operations shall be sound from a financial point of view. Any other policy would soon prove disastrous from every standpoint.

Our policy also requires conducting the business in such a way that service shall be constantly improved, the welfare of employees properly promoted and the general interest of the communities we serve advanced. This is sound business *plus*.

The severest test of such a policy does not come in boom times, but in slack periods. During the past year our business has been materially less than that for which we had built our organization and our plant. The results of the year's work are:

1. Telephone service has been measurably improved.
2. Very few employees have been laid off.
3. There have been no reductions in wage scales.
4. Construction work on new buildings and on other projects affecting not only our own men but workers outside our organization has been undertaken wherever it could properly be done, in many cases where postponement was entirely possible from every standpoint except that of the welfare of the service and the community.
5. The efficiency of the organization has been increased.
6. The financial returns have fallen, but not to a degree inconsistent with sound business under all the conditions.

### PARTY FOR VETS AND LADIES

Special entertainment will be provided at the party to be held in the Recreation House next Tuesday night at 8 o'clock for children of the Veterans of Foreign Wars and its auxiliary. The next regular meeting of the auxiliary will be held January 12, when initiation will take place.

### INVESTITURE CEREMONY

Investiture ceremony, followed by initiation, was administered by Boy Scout Troop 50 Monday night to Scouts Fabian, Scheer and Laird. This troop showed a fine spirit in contributing \$10 to the Community Chest this year. In previous years the scouts have been among those to benefit from the fund, but more urgent needs made it advisable to use the money elsewhere this season.

### 'SPILL BEANS' AT PARTY

A party was held at the home of Mr. and Mrs. Arthur MacCarrick of Mt. Prospect avenue Saturday evening for the purpose of announcing the engagement of their daughter Miss Harriet C. MacCarrick, to Joseph E. Zipf of Perry street.

Guests included Mr. and Mrs. John Zipf, Mr. and Mrs. Frederick Zipf, Mr. and Mrs. Charles Jensen, Mr. and Mrs. Charles Ochsner and daughter Jean; Jesse Ayers and John MacCarrick of this town; Mr. and Mrs. Ernest Bogenhard, Mr. and Mrs. William Wakefield, Mrs. Hannah Francis, Harry MacCarrick and Mr. and Mrs. Clayton Scotland of Newark; Mr. and Mrs. Walter Temple of Nutley; and Mr. and Mrs. Paul Dildmark of Bloomfield.

Six-year-old Jean Ochsner was designated to pull a string which opened a package concealed in the midst of red and green streamers suspended from the living room ceiling. The contents of the package, consisting of prizes and beans, were scattered around the room. Thus "the beans were spilled" and the guest finding the prize in which the announcement was hidden, was asked to read it aloud.

Miss MacCarrick was born in Belleville and her fiancé has lived here eight or nine years. Both attended Belleville High School. During 1926 and 1927 Mr. Zipf played on the football team.

No date has been set for the wedding.

### SCOUT CHRISTMAS PARTIES

The senior division of Troop 7 will have a Christmas "gift party" Friday night at the home of Katherine Faust of Greylock parkway. The younger girls will celebrate the holidays at headquarters Monday night, December 29. Dolores Savan is in charge of the distribution of baskets for the poor.

### Airplane's Noise

Airplane noise is not due to the engine, which has been as effectively silenced as that on any car. Most of it comes from the tip of the propeller, vibrating bracing wires, and the rush of air past the wings.

## VOLUNTEER HELP WORKS ON FRIENDLY HOUSE

Friendly House, the gymnasium adjoining the First Italian Baptist Church in Silver Lake, continues to benefit by the kindness of its friends. A loan without interest has made possible the purchase of a boiler, which will be installed by volunteer labor. The front bal-

cony was made by Joseph F. in his spare time and Louis abria is donating his services as a painter. In all, 144 hours free labor have been given during the past week. Mrs. Benede Pascale, wife of the pastor, continued to serve coffee and cake the workers. Young people of church expect to install bowling-boys as the first form of amusement.

(Continued from Page One.)

given temporary jobs doing masonry, carpentry, painting and plumbing work, while thirty-eight have been kept busy doing town work. Three are soliciting newspaper subscriptions. Two women have been given housework jobs.

Mayor Kenworthy said that the Service is particularly anxious to register odd jobs for Belleville householders. Any kind of a job that will keep a man or woman busy for even a few hours will be welcomed. Automobiles may need cleaning, windows may need washing, cellars may need sweeping; any of these jobs will give some of the unemployed work and suitable compensation.

### Welcomes Cash Donations

Last week it was announced that the Relief Service was not anxious to receive cash donations. This was stated in error. The Mayor explained that the Service is not soliciting cash subscriptions but welcome any which are offered voluntarily. He does ask, however, that the residents of the town support the series of benefits which have been planned.

The public has been generous in its response to the appeal of the Relief Service for clothing. Hundreds of articles of wearing apparel have been distributed among the needy. As the men who are paid out of Service funds report for their checks, which, incidentally are signed jointly by John P. Dailey, treasurer, and Mayor Kenworthy, chairman of the Service, they are given clothing or shoes, as they may need them.

### Boy Needed Clothing

A particularly striking case was brought to the attention of the Service when a mother, accompanied by her five-year-old daughter and her son, who is twelve, appealed for clothing for the boy. The youngster was without suitable knickers and his mother had to borrow a pair from a next-door neighbor to bring him to town hall. The youngster had to be kept out of school until he was outfitted by the Mayor's committee.

Three excellent examples of the sad cases being brought to the attention of the committee are presented herewith:

### Typical Cases

A man, fifty-eight years of age, has been out of work for some time. His wife died recently and he was left with four children of school age. He is a laborer, has lived in Belleville for twelve years and will do any kind of work.

A man, forty-five years old, who is a baker by trade and who has been out of work for some months, must support his wife and seven children.

A man, forty-eight, sixteen years a resident of this town, is seeking any kind of work. He has four children and his oldest daughter recently lost her position.

### MRS. GEORGE H. HOER

Succumbing to an illness which lasted only three days Mrs. Emelie A. Hoer, wife of George H. Hoer, business manager of THE BELLEVILLE TIMES passed away at her home Monday evening. Mrs. Hoer, who was born in Germany sixty-three years ago, resided at 91 Lincoln place, Irvington.

Mr. and Mrs. Hoer were married in Newark forty-three years ago and resided in that city throughout their married life with the exception of the past two years during which time they lived in Irvington. Mrs. Hoer leaves her husband, four daughters, Mrs. Florence Racicot of Newark, Mrs. Edna Hall and the Misses Emeline and Lillian Hoer of Irvington; and four sons, Clarence of Lancaster, Pa. and Fred, Harold and Herbert of Irvington.

Funeral services will be held at 8 o'clock Thursday night at the Pfeil Funeral home in Irvington. Burial will be made in the Fairmount Cemetery at 10 o'clock Friday morning.

SERVICE BUREAU GETS TREASURY BALANCE OF IMPROVEMENT GROUP

Recently the Belleville-On-the-Hill Improvement Association voted to disband and turn over the \$158.41 in the association's treasury to the Community Service Bureau. The trustees, J. W. Steinmetz, J. English and S. C. Summerfield addressed a communication to the bureau addressed by Mr. Steinmetz appraising the charity organization of the donation. Both this letter and the Community Service Bureau's reply are published herewith and are self-explanatory.

Community Service Bureau. Gentlemen: In accordance with our recent conversation with Miss Kline, we enclose herewith our check of \$158.41. This amount represents our treasury balance after liquidation, and in accordance with the wishes of our members we understand you will distribute money to the deserving poor in line with your usual procedure without charging any overhead expense against it. In winding up our affairs it is a pleasure for us to handle this balance in this manner, and we appreciate your courtesy in this matter. We also desire to express our appreciation to Miss Kline for having given so generously of her time in explaining the operation of your bureau to us. With best wishes in your work we remain, Yours very truly,

BELLEVILLE-ON-THE-HILL IMPROVEMENT ASSOCIATION. (Signed) J. W. STEINMETZ.

My dear Mr. Steinmetz: At a recent meeting of our board of trustees your letter inclosing check of \$158.41, balance in your treasury after liquidation was read and I was instructed by our board to convey to you our appreciation of the association's faith in our bureau by their generous action, and to state that the bureau through Miss Kline will endeavor to carry out the wishes of the association in its distribution. We are grateful for such substantial faith and support and trust that the worthy work of the bureau in Belleville will inspire much co-operation and support from those who feel civic responsibility. Most sincerely yours,

HELEN M. DE GRAW, Secretary of the Community Service Bureau.

NEWARK MAN HELD AS A HOLD-UP SUSPECT

Samuel Giordano of Newark but up to recently a resident at 515 Franklin street was sent to the county jail for six months by Recorder George Fitzsimmons yesterday morning when he was found guilty on a charge of malicious mischief. It was charged that when ordered to vacate the Franklin street premises Giordano took a sledgehammer and wrecked the kitchen range, walls and doors. He was also charged with flooding the floors with water and causing the ceilings of the first floor apartment to fall.

Giordano was held in default of \$50,000 bail by Recorder Fitzsimmons Monday night when he was brought up on a charge of participating in the holdup at the store of Jacob Traub, 531 Joralemon street last Friday night at which time Traub was robbed of \$100 by three bandits.

Giordano was released from the Rahway reformatory nine months ago and was placed on probation for a period of two years some time ago by the Newark authorities.

Julian Era

The Julian day is a device of chronological reckoning often used by astronomers to avoid the complication due to months and years of unequal length. The days are numbered consecutively beginning with the so-called Julian era, January 1, 4713 B. C. For example, January 1, 1930, was Julian day, 2,425,579.

Trains on Wooden Rails

Wooden rails were used on railways in the colliery district of England in the early part of the Eighteenth century, flat iron bars making their appearance in 1735.

Children at School

(Continued from Page One.)

as it is observed in other countries in their dreams.

Visit Foreign Countries

The first country they visited was Holland where Santa Claus is known to the children as Kris Kringle. The two waifs saw the little Dutch children placing their wooden clogs out on the steps, to be filled by jolly old Kris Kringle. From Holland the two were carried to Norway in their slumbers and thence to England where Christmas is the time of great festivities which include bringing in Yule log for the fireplace.

As Barbara and Hilda slept in the front of the stage the supporting cast enacted the visions seen by the waifs. The elves and brownies, known to the little children in foreign countries, danced about the stage performing their wonderful works and the Fairy Godmother took good care of her godchildren as she does in the story books.

A chorus of twelve girls sang eighteen Christmas carols at appropriate intervals. The girls sang the carols which are particularly popular in the three foreign countries portrayed and a number of those sung in the United States.

Beautiful Tableaus

Then Barbara and Hilda saw the shepherds in the fields watching their flocks and marveling at the beautifully bright Star of Bethlehem. The three Wise Men passed before the waifs on their way to the stable where the Savior was born. And the last scene depicted the Nativity with Mary, Joseph and the Babe surrounded by the farm animals and angels. All of these scenes were done in tableau and as the finale the children all knelt before the manger while the choir sang "O Come All Ye Faithful."

The operetta was written by Margaret J. McElroy who is known for her children's plays. Miss Dorothy Wadsworth, a teacher at School No. Seven, coached the sixty children who took part. Miss Wadsworth was assisted by Miss Indra Bryant, music supervisor, and other teachers of the school faculty. Mrs. Catherine H. Hardwick, principal of the school, reported that a tidy sum was derived from the presentation and this will go toward the school fund.

The cast was composed of the following: Hilda and Barbara, two little waifs, Anna Adamwicz and Elvira Lugano; Fairy Godmother, Anna Kull; Ole Shut-eye (Sandman), William Reich; nurse, Bernice McCann; grandmother, Eleanor Lukowiak; Angel, Sophie Madler; Mommers, Rocco Freda, Charles Schumacher, Jack McCann, Frederick Sisbarro and Leo Chipanski.

Chorus: Virginia Fernicola, Palma Bucci, Clara Lukowiak, Mary Cerami, Lydia Hamer, Filomena Milano, Nancy Cammaratta, Lida Kozubovich, Helen Izzo, Etta Rinkert, Joyce Schumacher and Virginia McMullen.

The Christmas Elves, Little Children, Grandchildren and children in tableaux were pupils from all grades.

SHRINE TO BACH IS  
DESCRIBED TO JUNIOR  
MUSIC STUDY CLUB

Reading from Bach and a discussion of this musician featured the meeting of the Junior Music Study Club of Belleville at the home of the counsellor, Eleanor Bacon-Peck of Joralemon street, Saturday afternoon. Piano selections were given by Miss May Livingston who played a waltz by Chopin; Miss Janet Miller, who gave a rendition of "To Spring" by Greig; and Miss Betty Shurts who entertained with the selection "Narcissus," by Meirns.

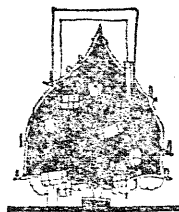

Miss Jean Tallman prepared a paper, using for its subject her visit to a Bach room on the third floor of Frank Taft's home in Montclair. Miss Tallman described the room as small and quaint with portraits of Bach covering the walls. On a table in the center of the room, covered with glass for its protection, was Bach's first manuscript, written on parchment and consisting of Christmas carols. A book about Bach's compositions by a German writer lay open on an altar, with candles on either side. There was also a harpsichord that had belonged to the musician.

Following the program refreshments were served.

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The calm, strong currents of true spirituality, the manifestations of which are health, purity and self-immolation, must deepen human experience, until the beliefs of material existence are seen to be a bald imposition, and sin, disease and death give everlasting place to the scientific demonstrations of Divine Spirit and to God's spiritual, perfect man" (p. 99).

## The Christmas Story

AND it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed.

2. (And this taxing was first made when Cyrenius was governor of Syria.)

3. And all went to be taxed, every one into his own city.

4. And Joseph went up from Galilee, out of the city of Nazareth, into Judea, unto the city of David, which is called Bethlehem, (because he was of the house and lineage of David,)

5. To be taxed with Mary, his espoused wife, being great with child.

6. And so it was, that, while they were there, the days were accomplished that she should be delivered.

7. And she brought forth her firstborn son, and wrapped Him in swaddling clothes, and laid Him in a manger; because there was no room for them in the inn.

8. And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

9. And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

10. And the angel said unto them, Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people.

11. For unto you is born this day in the city of David, a Savior, which is Christ the Lord.

12. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

13. And suddenly there was with the angel a multitude of the heavenly host praising God and saying,

14. Glory to God in the highest, and on earth peace, good will toward men.

The Gospel according to St. Luke: Chapter II, Verse 1-14.

## Special Christmas Music at Saint Peter's Tonight

Ninety Choir Boys Will Sing  
Carols—Will Repeat  
Jubilee Mass

### SERVICE STARTS AT MIDNIGHT

The invitation of the Christ Child to participate in the incense of Divine adoration is abroad today, and the economy of Christian belief, the substance of the principle upon which this government was conceived and dedicated, and the hope of its continuity, is predicated in proportion to the spirit of activity as evidenced by the people of this country in the observance of Christmas. These days of holiday, invoked in measures of gratitude to principle or individual, have much to do with the keeping alive of the incidents upon which the observance of the holidays was initiated.

The people of the Twentieth Century are more interested and concerned about the full measure of the meaning of Christmas than those of other years because the necessity of the Christ Child's influence is demanded and needed in our condition of mind and security.

### BEAUTIFUL CEREMONY

The Midnight Mass at St. Peter's Church, as usual, will be the magnet attracting the churchgoer tonight. The beauty of color and ceremonial, plus the engaging program of music will be the acme of effort, expressive of Christmas joy and belief in the principle of celebration. The chancel choir of ninety boys, augmented by the adult choir, which confirmed their reputation as artists at the recent Jubilee Mass, will be a revelation of musical artistry and the challenge of criticism is politely suggested to the lovers and admirers of classical rendition.

Professor R. Francis Ball has conceded the second presentation of the Jubilee Mass, and the choir is anxious to repeat its success so widely and favorably commented upon. The support of Professor Joseph Basile's orchestra has been secured, and the musical feature is assured. The gowns recently secured for the chancel choir will be worn, and the blending of color, lights and vestments will suggest a background inviting and restful.

### WILL SING FARMER'S MASS

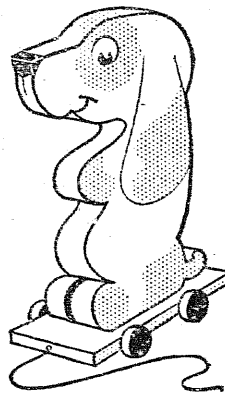

Farmer's Mass in B Flat will be sung by the adult choir with organ and orchestra accompaniment. During the Offertory, "Softly the

Night is Sleeping," by Gilbert and "Adeste Fidelis" will be sung. Preceding the Mass English Christmas Hymns will be sung by the choir in its entirety. During the procession of the Chancel Choir the boys will sing "Holy Night, Silent Night," and they will also give the responses in Latin.

The adult choir is composed of the following: Mrs. Frank Broo, Mrs. George Lonergan and Miss Frances Connolly, sopranos; Mrs. Thomas Dillon and Mrs. Charles McCann, altos; Richard Flanagan and Leo Harrington, tenors and James Clark and Charles Gelsheim, bass. They will be assisted by the ensemble as follows: Mrs. Michael O'Keefe, Mrs. Margaret Gormley, Mrs. Frederick Trost, Miss Anita Reilly, the Misses Josephine and Mary Fassio, Paul O'Connell and John Gilchrist.

The Midnight Mass will be the first of several to be celebrated. Subsequent masses will be offered at 6, 7:30, 9:30 and 11 o'clock. All are invited to attend.

The choir will repeat the Midnight Mass music Sunday morning.

## Here and There

By Harry Metz

During the past three basketball seasons the Belleville High basketball quintets have been what may be termed "in and outers." They have looked good at times, and then have fallen by the wayside in other contests which they should have won.

This season, however, they look like a sure bet to win the majority of their games. It has been a long time since any Belleville High team played the brand of ball that the Blue and Gold did Friday night. Their playing was not so sensational, but it was their smooth passing attack which impressed us.

The pleasing part about the situation is that the High School passers have only been drilling for two weeks and a few odd days. It usually takes at least a month to get a high school quintet clicking properly, hence that is the reason for our saying the team should be

one of the best ever turned out at the local school.

Coach McBride was well pleased with his team's showing Friday night and don't forget "Mac" is a hard man to please. Another pleasing thing which we noticed about the team's showing was their knowledge of the inside tricks of the game. The boys "feinted," pivoted and passed better than we have ever seen any Belleville High team do in the past.

The biggest or perhaps we should say the most pleasing phase this year is the spirit. There are no so-called "big timers" on the squad. Everyone is working in harmony which means fifty per cent of the battle is won. Let's hope the boys can have a good season this year, not only for the prestige it will add to the school's name, but also for the sake of Coach McBride who is a hard worker and incidentally one of the best liked physical training teachers to ever teach at the local school.

It seems the pinning in the American Legion League improves every Monday night. Last season if we remember correctly, the only team to pin over the coveted 1,000 mark was the Burkes Colts, who now perform under the name of the Belleville Elks.

Quite different this year. The Republicans, Belleville Elks, Junior Order, Moose, Knights of Columbus, and the Veterans of Foreign Wars have all turned in one or more games over the 1,000 mark. It merely proves that bowling is rapidly becoming one of the most popular sports.

Bowling is quite different from other games, that is in some respects. It is a game for the young and old alike and unlike other sports does not require the best

physical condition. Of course, one cannot be sickly and bowl, but if you take notice all of the best bowlers are veterans of years experience. Some of those who are a way up in the averages are well over the thirty-five mark. They would have been "washed out" years ago if they were playing baseball, basketball or football.

Now that Christmas is here we are going to send a letter to Santa and ask for several things. First of all, of course, we want a Community House for the town; next on the program is a State championship for the Belleville High football team next fall, or if this is not possible, a team which will win all but one or two games. Next thing, (Santa will have to be big-hearted to do this), a winning baseball team for the Parks. Oh, yes, a winning baseball team at Belleville High School; five bowling balls for the Bachelors; five basketball players for the Panthers; another team for the American Legion Basketball League; bigger clubhouse for the Hoople Club; less arguments for the town commissioners; more jobs for the vast army of unemployed; an undefeated season for Belleville High's basketball quintet; bigger crowds at the Saturday afternoon baseball games; a couple of bowlers for "Spivits" Noonan, and last of all a letter of appreciation for the splendid work of Joe Williams and Larry Keenan for their untiring efforts in American Legion athletic activities.

### AMERICAN LEGION WILL HOLD THIRD BANQUET AT ELKS CLUB JAN. 21

The Belleville Post 105, American Legion will hold its third annual banquet at the Elks' Home the evening of January 21. The committee in charge fully expects to make this the biggest banquet ever held by a local post. Enter-

tainment will begin promptly 7 o'clock and will continue throughout the dinner.

A feature of this year's affair will be a program and menu card on which will be printed the names of the ex-service men and their friends attending the banquet. Reservations are being made and the committee asks those contemplating attending the banquet to make their intentions known at the earliest possible date.

## DRIVING ON LEFT CALLED MYSTERY

Commissioner Hoffman Knows No Explanation For Law Violation

### CUSTOM IS OLD AS DRIVING

By Harold G. Hoffman

State Com. of Motor Vehicle Driving on the wrong side of the road is a prolific motor vehicle accident. Over the factors involved in this cause stands out prominently. It is surprising that such disregard for a very fundamental rule of the road is so widespread, yet the fact remains that there are few accident causes which take so high a toll of life or result in as many serious injuries or damage to property.

### Practice Is Unexplained

Why driving on the wrong side of the road should be practiced to such an extent is somewhat baffling, since habit if not might be expected to keep where he belongs. Long arrived at our present highly developed traffic codes, this the road was laid down as the essentials of safe driving.

How a driver should pass coming traffic has been regulated by custom or law for many years. In this country, the practice of passing to the right is an inheritance from the horse and carriage. It was continued when the automotive era began and in the first city traffic regulations, adopted by New York more than a quarter of a century ago, we find it laid down as one of the few rules believed necessary at that time.

I cite this history of the regulation not as an argument that passing on the right is the best practice. We have found it satisfactory in this country and there is no need to debate its wisdom. My aim is rather to show the importance which has been attached to the need for having a regulation of this sort. The necessity should be rather obvious, yet statistics show that this point is not so well recognized by a large number of motorists.

### Third Cause of Accidents

Information in this connection, compiled from reports to the National Safety Council by certain police departments and motor vehicle bureaus, place driving on the wrong side of the road third in the list of causes of motor vehicle accidents resulting from bad driving. Out of 107,000 accidents reported, there were 16,842 ascribed to this single cause. The difference between it and the second cause on the list, exceeding the speed limit, was but approximately 700. Disregard of the right of way accounted for the greatest number, 34,197.

These figures should impel any motorist to pause and reflect. And he will find it difficult to assign a single good reason for this situation. He must see that it is imperative that he remain on the proper side of the road. If it is on a straightaway, the chances are that oncoming traffic is approaching at a high rate of speed. And there is the additional absence of an excuse in that each driver can see the other. If one is approaching a curve or a blind intersection, self-preservation should dictate driving far to the right.

There is no gainsaying the fact that the violation of this fundamental rule is mystifying, but that does not free motorism from the duty of solving the mystery for itself.

### WILL DISPLAY MOTOR BOATS AT NEWARK AUTO SHOW

A still further expansion of the 1931 Newark Automobile Show was announced today by Manager Claude E. Holgate, who revealed that for the first time the annual Newark exposition, which will open January 10, will include a motor boat display.

Increased motor boating opportunities for residents of the Newark area have stimulated interest in the water sport and transport in this region and in recognition of this a heavy demand for display space in the Newark Auto Show, by the motor boat interests, has resulted in the show management allotting a section of the balcony area for this purpose.

After receiving the reports of their intentions from distributors of motor boats and motor boat supplies, Mr. Holgate was able to

announce that the display will include runabouts and other craft of that approximate size, and a variety of outboard motors and hulls.

### RECORDER REVOKES GIRL DRIVER'S LICENSE

Police Recorder George Fitzsimmons revoked the license of Miss Dorothy E. Smith of 547 Argyle street, Wednesday of last week. Miss Smith was charged with reckless driving and having no registration card in her possession. According to Patrolman Nourse, she struck a parked car and swerved into another on December 9. Miss Smith said it was due to a fainting spell.

Miss Smith's car hit the parked car of Harry Goldberg at 329 Union avenue, Belleville, and then swerved into the auto of Reuben Appel of 339 Hamilton avenue, Paterson.

### ARE LOCAL CHURCHES SAFE AGAINST FIRE ASKS 'SAFETY FIRST'

To the Editor of THE TIMES:  
Dear Sir: The destruction by  
fire of the Presbyterian Church on  
Washington street, Newark, De-  
cember 1, has caused me to wonder  
whether the officials of all of our  
churches, clubhouses and public  
meeting places are sure that the  
conditions in these places in Belle-  
ville are safe as far as possible  
against fire. Given half a chance,  
a raging fire will leave the church  
or clubhouse a mass of smouldering  
ruins in a very few minutes. An  
inspection of such places by these  
committees might reveal some  
needed changes. "A stitch in time  
saves nine." Yours for  
"SAFETY FIRST"

### MOTORCYCLE STOLEN

Belleville's first theft of a motor  
vehicle bearing 1931 plates oc-  
curred last Wednesday evening  
when the motorcycle owned by  
Thomas Petzel of 52 Wallace street  
was stolen.

A Christmas tree salesman near  
the Capitol Theatre saw two young  
men come along on a motorcycle  
and one jumped off and rode away  
with the parked cycle, going up  
Rossmore place. The police have a  
description of the youths.

## High School News

Ena Holden, a junior, gave an  
amusing speech Friday morning in  
behalf of debating. The high  
school has been a little backward  
in this line but hopes to improve  
this year by having more of the  
students really interested in debat-  
ing. Ena especially urged the  
freshmen to go out for debating,  
holding the freshman class of last  
year as an example. This class  
had more students try for the class  
team than any other. That  
team included Adell Peck, Letitia  
Codner, Dorothy Gardner and Cecil  
Haslam. Miss Holden also an-  
nounced that a debate meeting  
would be held after school and  
urged everyone to attend.

The coaches for the various class  
teams have not as yet been elected.  
The band surprised Mr. Erikson  
Friday morning by calling him to  
the platform and presenting him  
with a much-needed baton. Paul  
Dowe made the presentation in be-  
half of the band. With his new  
baton Mr. Erikson led the band in  
several selections.

Mr. Gerard has asked the stu-  
dents of the high school to bring  
all their old clothes to school so  
that he may give them to those  
who are in need. All the needy,  
he said, are to come to him  
privately and he will give them  
what he can. The transactions will  
be confidential.

The race is still close in the Manufacturers League. Tiffany's retained their lead by trouncing Thomson Machine in two out of three games and Sweeneys crept up into a deadlock for second place by taking Martin-Dennis for two games. The fast-stepping Jeffery & Mayer quintet who are in fourth place gained a game on the league leaders by scoring a clean sweep over the last-place Atlas Fence five. Wallace & Tiernan held on to fifth place by winning two out of three from Federal Leather.

### HOYT BROS. IN BEST FORM

Hoyt Bros. rolled in their best form of the season Friday night to easily win three games from International Ticket. Hanlon & Goodman continued to slump, dropping two games to the weak Sonneborn five.

Excitement and thrills the Thomson match was a each of the three games decided in the tenth frame. Tiffany's winning the first by five pins. Thomsons won the second by thirteen pins, but the "Jewelers" came back in the third to win out by the close margin of three pins. "Happy" Skidmore, veteran of many a bowling campaign, featured for Tiffanys with Wendling best for Thomsons.

The Sweeneys continued their fine bowling by winning two from the strong Martin-Dennis pinners. Sweeney's rolled well in all three games and only lost the final by twenty-six pins. Zimo Flynn was in rare form for the Lithographers with Olsey and Merz also rolling well. Hopper and Kuebler led the pack for Martin-Dennis with the also doing some hectic pin-

### ATLAS FENCE OVERWHELMED

Jeffery & Mayer overwhelmed Atlas Fence in all three games, going their opponents by more than a 100 pins in each contest. Mayer fattened his average in match with scores of 201, 200 and 175. Ernie Watson also hammered the maples in impressive style. Miller did the best work for cellar occupants. Wallace & Tiernan kept plugging and after dropping the opener the "Tiernamen" came back with scores of over 900 in the two games. Mueller, Keyes, and Champion all rolled well for Wallace & Tiernan. Charley Van Riper was outstanding as usual, was outstanding as usual, was outstanding as usual.

and Goodman, a team which has been in the league stand- ing, continued to show improvement as a result of dropped games to the Sonneborns. No outstanding team was in fact individual scores although Larson rolled in two games for Son-

in the opener, falling shy by only thirteen pins. B. Phillips topped the maples for a towering 256 in the opener with Ulanski also ringing in a 227 in this game. Blume rolled well for the Ticketmakers. The scores:

## COMMONWEALTHS BOW TO ELKS 5

**Belleville Bills Take Crack Montclair Pinners Two Out Of Three**

**THIRTEEN '200' GAMES**

The Belleville Elks returned to winning form Thursday night in a Morris and Essex League match at the Elks alleys when they trimmed the crack Commonwealth Club of Montclair in two out of three games. The local Antlers dropped the first game by more than 100 pins, but they came back strong in the next two contests to win by good margins.

In the second game of the night Belleville "hit on all five" to register a 1016 count. Dutch Faust and Bob Whitten were the big guns in the local attack. Faust hammered the maples for scores of 204, 216 and 179 while Whitten continued his sensational pinning with scores of 204, 200 and 181. Charley Waldie and Tom MacNair also had a pair of double century scores apiece.

Calvin had a big night for the visitors. He rolled 235 in the opener, slumped to 149 in the second, but came right back with a big 220 in the final. Bergi, anchor man for the Commonwealths averaged over 200 for the Mountaineers. The scores:

The fast stepping Community Tigers from Silver Lake scored their first impressive victory of the year last Wednesday night at the Bloomfield High School gymnasium where they trimmed the Brookdale Rovers of Bloomfield to the tune of 14-11.

Riccio, forward for the local quintet, was the scoring hero, registering twelve points. Long also played a brilliant game for the locals, while Blance and Cooke were the outstanding players for the Rovers, scoring five and four points respectively. The scores:

The up and coming Veterans of Foreign Wars quintet furnished the feature in the weekly Monday night matches of the American Legion League at Ferrara's alleys. The Vets won all three games from the Moose, rolling a 1013 game and two other games well over the 900 mark. The Republican Club kept right on going by winning two out of three games from the Belleville A. A.

In other matches Monday night the third place El Club triumphed over the Hoople Club, Knights of Columbus took the odd game from the Junior Orders, Belleville Elks scored a clean sweep over the Bachelors and St. Peter's won three from the Parks.

### BIG LEAGUE STUFF

Although the Veterans of Foreign Wars are recognized as a strong team, never have they rolled so sensationally as they did Monday night. They started off with 1013, fell just five pins shy of the 1,000 mark in the second game and finished up with 926 in the third. Framseron, Malizia and Quirk rolled in big league style for the Vets. The former had three double century scores, Malizia crashed the maples for scores of 243, 200 and 173 and Quirk averaged over 200. Phil Taylor was outstanding for the Moose pinners.

The Republicans as usual rolled three games over the 900 mark. They won the first and the third game and had the misfortune to lose the second game by a lone pin. Maginnis, Dickerson and Coburn all rolled well for the G. O. P. quintet. Fergus and Osinski rolled well for the A. A. team.

The Belleville Elks returned to winning form Monday night by recording three easy victories over the lowly Bachelor quintet. Johnny Mallack and Gene Gelshen were best for the "Hello Bills." Art Loesner and Dave Connelly continued to shine for the Bachelors.

### EL CLUB WINS

The El Club rolled three consistent games in their match with the Hoopes, winning the first and third and dropping the second by a score of 946 to 927. Bill Buttons kept up his average for the Club by rolling two double century scores. J. Caruso was off to a bad start in the opener with a mediocre 145 score, but came back in the next two to hit 238 and 202. Red Kant, stately president of the Hoople Club, was outstanding for the "William Streeters."

St. Peter's kept up their good pinning of the past three weeks to win all three games from the hard luck Park quintet. Joe Comesky and Lefty Burkhardt rolled well for the Saints. "Specs" Fitzpatrick was in rare form for the Parks.

The Knights of Columbus got off to a flying start in their match with the Junior Order five by easily winning the first two games, but the Knights slumped to 796 in the final to lose by twenty-three pins. Connelly fattened his average with

Knights. Charley VanRiper was outstanding for the Juniors. The scores:

# Blue and Gold Five Trounces Alumni

## Schoolboys Outclass Grads From All Angles

### Superior Passing Of Youngsters Leads To A 23-14 Score

#### MAC LAMB LEADS SCORING

The Belleville High basketball team opened their season Friday night in an auspicious manner by spanking the Alumni to the tune of 23 to 14. It was a clear cut and well deserved victory for the High School and the general opinion of those who saw the game is that Belleville will have one of the best court teams in the history of the school this season.

The Alumni led at the end of the first quarter by a 6 to 4 score, but from the second period on the old timers were never in the running. Once the Blue and Gold five began to click the Alumni were lost. Not only did the schoolboys play a wonderful passing game, but on the defense they were practically impregnable.

#### WELL BALANCED TEAM

It was a well balanced team which Coach McBride presented on the floor Friday night. Mac Lamb, Ray Smith looked good at the forward positions, each had carried his assignment almost to perfection. Stan Goodrich did everything one could expect of a high school center. He got consistently outplayed his and gave a great defensive exhibition. The Bonavita brothers, Nick and Jerry, played great games at the guard positions and were uncanny in their passwork.

The Alumni quintet was rusty in their passing, but in justice to the High School lads it must be said that every member of the Alumni team was outplayed and when one considers the fact that some of these men received All-State mention in years gone by this is quite an achievement for the varsity. Both teams fought hard from the starting whistle, but at the end the superior condition of the High School boys clearly showed its effect.

#### MAC LAMB LEADS SCORING

Mac Lamb, Belleville's football hero of the past season led the Blue and Gold in the scoring with four field goals. Ray Smith with three field goals and a foul was next in line. It was Smith's first game as a member of a Belleville High team and he apparently has clinched a position for the season. Stan Goodrich, towering center, followed right on Smith's heels with six points for his night's work. Les Armour led the Alumni team in the scoring with seven markers. Bob Mutch was held to a lone field goal by Goodrich and Harry Metz was held scoreless from the field by Nick Bonavita.

A fairly large crowd witnessed

the game, but future night games will probably see a capacity crowd at the contests as there is no doubt that if the locals play as they did Friday night they will give any high school team in the state a battle.

In a preliminary game between boys on the second and third teams the "Reds" defeated the "Whites" by a 17 to 15 score. Wittish and Roberti did the bulk of the "Reds" scoring with seven points apiece with Culklin outstanding for the losers. The scores:

The race in the Church Bowling League is now closer than ever. Fewsmith Club dropped two games last Thursday night while Christ Reformed was winning two from Montgomery thus creating a deadlock for first place. In the meantime Thursday night Fewsmith Presbyterian was not idle, this quintet scoring a clean sweep over Italian Baptist and drawing up to within one game of first place. In the other match of the evening Dutch Reformed sprang a surprise by defeating Christ Episcopal in two out of three games.

Grace Baptist deserves credit for winning its match with the Men's Club. After these teams had split the first two games and were in the ninth frame of the third game it was found out that the Baptist pinners were sixty pins in the van. However, the Baptist team did not give up and a series of strikes and spares enabled them to win the final by thirteen pins. "Pop" Struble and Kliebe were outstanding for the Grace pinners.
