Lightning Strikes Two Homes Here Woman Stunned By Bolt; Blaze Causes \$2,000 Damage

A woman was stunned and a blaze was started that caused \$2,000 damage by lightning, which struck two homes in Belleville during storms Saturday and Sunday nights.

A house at 338 Little street occupied by C. W. Parks was set ablaze Saturday. The burning roof caused damage by smoke and water amounting to \$2,000 to furniture stored in the attic by A. Theron Durham, the owner of the property.

When a bolt struck the home of Mrs. Raymond Swope, 117 Belmore street, Mrs. Anne Hemme, 57, of Harrison was rendered unconscious for a half-hour. The Swope's, who were entertaining Mrs. Hemme at cards, were deafened temporarily by the thunderclap. The bolt struck the chimney, demolishing it and sending clouds of yellow smoke down the fireplace. A hole was torn in the roof and several rafters were splintered.

Republicans Elect Machette Chairman Committee Will Not Vote As Unit For County Leader

Harry M. Machette defeated Thomas Hartman for chairmanship of the Belleville Republican Committee by a vote of 20 to 18 at the reorganization meeting of the group Tuesday night. Machette was backed for the post by Elmer S. Hyde, retiring chairman.

On the first ballot for the post of vice chairman, Mrs. Mary Galant was tied with Mrs. Julia Alexander, 18 to 18. Mrs. Galant was elected by one vote on the second ballot, 19 to 18.

The committee decided against casting a unit vote for the election of a county committee at Central High School, Newark, next Monday night. Members of the Belleville delegation have cast individual votes for several years.

Although no poll was taken, it is believed that the majority of the local committeemen will support County Chairman Jesse R. Salmon for reelection.

"We'll be for Salmon," said Hyde after the meeting.

The party included: Skipper, Paul G. P. Scholz; ship committeeman, Alvin E. Brant; three Naval Reserve officers and Sea Scouts Edward Dunham, Walter Garabrant, Le Roy Johnson, Charles Mason, Harvey W. Mumford Jr., Raymond H. Patrick, William M. Terry and Herbert Wood.

Plans for a week-end cruise will be discussed at the meeting in the ship's cabin, 10 Oak street, this evening.

Monday evening a party of Bellevilleites attended a Sea Scout demonstration by the Forest Hill Ship, at its meeting place, the Forest Hill Presbyterian Church. The party included: Alvin E. Brant, Belleville Ship committeeman; Sea Scouts Dunham, Garabrant, Mason, Mumford, Patrick, and Mr. and Mrs. Harvey W. Mumford and daughter Miss Bertha R. Mumford.

After the demonstration, which was instructive and entertaining, three reels of motion pictures depicting life at the Sea Scout Base Camp at Sandy Hook were shown by the skipper of the Bloomfield Sea Scout Ship.

The Belleville Ship has just received a letter from Captain George Fried of the S. S. Washington, United States Lines, granting permission to the Belleville unit to name its ship George Fried.

Nebrig Resigns As Recreation Head For Second Time Edward J. Lister Named To Fill Post For One Year Starting June 1

The recreation commission last week accepted the resignation of Robert A. Nebrig as director of recreation, and appointed Edward J. Lister, former town clerk, to fill the vacancy for one year, starting June 1, when Nebrig's appointment expires.

Nebrig submitted his resignation several weeks ago, announcing that he was going to Montana to accept a position with the Billings Polytechnic Institute as physical director and counselor of a summer camp. The resignation was withdrawn at the request of civic organizations, and upon the promise of a \$500 annual increase in salary.

The director had complained that he saw no chance for advancement in Belleville, and that his work was hampered by politics.

Upon Nebrig's announcement of his intention to remain here to the Montana school, he was made a better offer, which included a five-year contract, to go to Billings, and he decided to accept it, submitting his final resignation to the commission.

Lister, who lives at 93 Union avenue, has served several years on the commission. His close contact with Nebrig's work has made his appointment to the post advisable, Henry J. Mason, president of the board, has explained. He has been engaged at a salary of \$2,000 a year.

Mr. Nebrig was honored at a farewell dinner given him by the Belleville Lions Club, of which he was a member, Tuesday night. The dinner was held at the Elks' Club. The retiring recreation director was slated as the next president of the organization.

Grand View Opens Season Tomorrow

Eleventh Year Finds Same Popular Playground Ready

Grand View Amusement Park, Northern New Jersey's favorite amusement park, will open for its eleventh gala season tomorrow, with the same policy and entertainment program that made it one of the few successful amusement parks of the country during the season of 1933. This popular playground is under the same management this year as it was last year, Albert A. Kaufman being once again at the head of the operating organization. Everything at Grand View Park will be kept within the reach of all purses again this year, with all rides, shows, attractions and dancing nominally priced.

Crews of painters, carpenters, electricians and general handy men have been at work in Grand View for the past several weeks, painting, repairing and fixing for the grand season that is expected. With things generally throughout the country on the upward trend, bigger things are planned for this popular amusement park for this season in anticipation of improved business. White and red will be the general color scheme of the park once again, with arch and all rides and concession buildings freshened up and glowing for the opening.

The same policy will be maintained this year as far as the entertainment features of the resort are concerned. There will be the same big free 20-act circus program of the world's best circus, outdoor and novelty attractions given twice daily in the Stadium. As a special entertainment feature the management hopes to install a celebrated girl's band of 10 pieces, which will play the accompaniment to the circus program and also give concerts of popular and classical music twice a day. Many other surprise novelty features are also being considered in the way of entertainment throughout the grounds.

The admission scale at Grand View Park will again be in keeping with the times, 5 cents being charged up to 6 P. M. and 10 cents in the evenings and on Sundays and holidays all day. Parking will be 10 cents for private cars and 25 cents for buses at all times. All rides, shows, attractions and food stands will be operated at reasonable prices. Several new rides are scheduled for installation in time for the opening of the season, so there'll be some added thrills this year at the park.

Grand View Park will again be the scene of many large picnics this year. Reservations are coming in fast from clubs and organizations throughout northern New Jersey and nearby New York. It's an ideal spot for picnics, what with its picnic groves, baseball and athletic field, rides for all from seven to seventy, and its many other features.

The Grand View Park Ball Room will be under the same management as last year and the same policy will be in vogue there. Dancing will be the order of the evening on Wednesdays, Saturdays, and Sundays, with roller skating holding the interest of the visitors the remaining four days of the week. Only the best known bands in this territory will be used during the season, with a Claude Hopkins Band unit supplying the dancification for the first two evenings; a dance contest between couples from New York and New Jersey will be held opening night.

"We look forward to a good season at Grand View Park during 1934," said Albert A. Kaufman, head of this popular resort. "The condition of business in the outdoor amusement world is the best mirror or conditions in the U. S. and we feel confident the tide has turned."

Dreamland Park Opens Saturday, May 26

In fact, the nickel will pay the freight on most of the park's many amusement devices.

The swimming pool has been repainted and a new large beach built with fresh sea sand. The ballroom redecorated and Leroy Golden with his fourteen piece band will be featured on opening night. A special feature starting Saturday will be the Pepper Pot Revue direct from Broadway, starring Al Pizano and cast of seventeen artists, beautiful girls, costumes and decorations.

Mr. and Mrs. David Ramsay of Daily street entertained at supper Tuesday evening for Paul Allwardt, organist of St. Luke's Lutheran Church, New York, and Leon Carson, tenor, of Nutley and New York.

The Marines are delivering body punches to the unemployment situation these days. After a long period, when but few applicants were enlisted, the famous Corps has started to accept 2,350 youths.

The minimum age is 18 years, but a few boys to learn the drum and trumpet are being accepted between 17 and 18 years. Parents' consent for those who have not reached their majority and character references are required. Enlistments are for four years.

Recruits are immediately sent to the Marine Barracks, Parris Island, S. C., upon enlistment, for training, after which they are transferred to posts where needed. Steady employment, travel, adventure, sports, free education, uniforms, and medical attention, comprise some of the features offered. The nearest recruiting station is located at 641 Washington street, New York, N. Y.

150 Funmakers With Huge Circus Will Present Largest Number Of Clowns Ever Assembled

Ringling Bros. and Barnum and Bailey Circus, truly the greatest show on earth, making its grand and glorious 1934 tour of the continent and definitely scheduled to exhibit in Newark next Monday and Tuesday, has assembled from the four corners of the earth—and points in between—the greatest aggregation of clowns in all amusement history.

One hundred and fifty internationally-famous funmakers cavort and caper about the seven rings and stages and the huge hippodrome track this year in the most stupendous circus presentation ever offered. Clowns have always been an important part of the circus and the amusement world was amazed and delighted when an even hundred of them were brought together for the first time by Ringling Bros. and Barnum & Bailey. But when 150 of the funniest clowns imaginable were placed on the same program in a simultaneous display this spring, the enthusiasm of circus-goers knew no bounds.

The big show, however, has a jealously guarded reputation for being the new and unheard of and there is evidence of this throughout its gigantic performances this season. Besides the clowns, there are 800 men and women arenic stars of international eminence, many of them touring the American continent for the first time.

Several of the producing clowns have introduced splendid ideas into this year's all new and greatly enlarged opening spectacle. The Durbar of Delhi in which more than 2,000 people and animals take part. The Durbar heads a list of features newly assembled that will compel the vast 1934 program to be recalled with deep pleasure for a lifetime. Among them is a great new congress of the world's foremost acrobatic champion leapers and somersaulters presented together in the most amazing athletic contest ever witnessed and a series of thrilling innovations including a startling new sensation presented by the Great Tugo.

The great combined circus will arrive on four long trains of 100 double length steel railroad cars, bringing over 1,600 people, 50 elephants, 1,000 menagerie animals and 700

LILLIAN THOMAS

Vondel, the Shakespeare of Holland, died, as he had lived, in great poverty; his coffin however, was conveyed to the grave by fourteen poets, with every demonstration of respect.... Bentivoglio, when reduced to the extreme poverty, caused by his own munificence, was actually refused admission into the very hospital he had erected... Hobbes, the deist, was a believer in ghosts and spiritual existences... Johnson evinced his nervous irritability by biting his nails to the quick, but let it be remembered, that he was once found in the most desponding hopelessness in a garret, destitute of even ink, paper, and pen with which to transcribe his lucubrations... Swift was never known to smile... Byron was a wretched misanthrope, at issue with himself, his Maker, and mankind... Hood was overcharged with sudorous brainwork, under pressure of poverty and sickness... Mepge, while science covered his head with laurels, used to cover his feet with several pairs of stockings... Pope used to brace himself up with corsets... Magliabecchi, librarian to the Duke of Tuscany, used to divert himself in intervals of leisure with teasing spiders... Rousseau amused himself with knitting lace strings... Racine was accustomed to walk the gardens of Tuileries, and recite his verses aloud with such violent gesticulations that people supposed him crazy... Lessing, the German philosopher, was so absent minded, that once he knocked at his own door, when the servant, not recognizing her master, looked out of the window and said, "The professor is not at home." "Oh, very well," replied Lessing, composedly walking away, "I will call again"... Rittenhouse, the astronomer, first calculated eclipses on his plough handle.

The new commissioners have got off to a good start. The idea of keeping the cash customers waiting while the pre-meeting conference takes place. In the future these conferences will take place on Mondays. This looks like good business.

The storm Tuesday did not keep the new commissioners from doing a good evening's work. The meeting was anything but a wash-out.

It is rumored the town clerk's office is to have a little more privacy.

Commissioner King's injury is much better. He attended last Tuesday's meeting with a cane instead of crutches. An early recovery, Joe.

The audience Tuesday night was a preponderance of district leaders, with a sprinkling of defeated candidates. Perhaps it is a case of aspiration on one hand and acclamation on the other.

It is quite a treat to find the commissioners answering the voting roll call without a dissenting vote. Commissioners King and Gerard find the town attorney a very useful person.

Commissioner George R. Gerard was noticed to have a pocket full of pens and pencils Tuesday night.

Town Attorney Keenan was wearing a big smile at last Tuesday's meeting. Won't you let us in on the secret? "Happy is the man that findeth wisdom." Perhaps it is due to the wisdom of the new commissioners.

CHURCH SCHOOL

There has been a noticeable decrease in attendance in the various departments of the church school recently. This hinders the work, and the officers and teachers desire to appeal to the parents to co-operate with them to insure the attendance of their children each Sunday, which will be deeply appreciated by them and will have a good influence on the entire church school as well as the children themselves.

The committee appointed to arrange the Children's Day program of the senior department on June 10 promises an interesting one which will be presented entirely by the scholars of the department.

"Soul and Body" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 27.

The Golden Text is: "The very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless until the coming of our Lord Jesus Christ" (I Thessalonians 5:23).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God" (I John 3:1). The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The material body and mind are temporal, but the real man is spiritual and eternal. The identity of the real man is not lost, but found through this explanation; for the conscious infinitude of existence and of all identity is thereby discerned and remains unchanged" (p. 302).

P. S. Plans Exhibit On Air Conditioning

The latest improvements and developments in winter and summer air-conditioning equipment will be on display at an exhibition to be held June 4 to 9, at 70 Park place, Newark, under the auspices of Public Service Electric and Gas Company. Twenty-five of the country's leading manufacturers of air-conditioning equipment will exhibit at the show which will include as features: Talking pictures, charts, drafts and lectures describing the new science of air-conditioning and the advantages which it offers to the public. Tickets for the show can be obtained without cost at any of the Public Service commercial offices throughout the state.

All the fundamentals of air-conditioning, such as air cleaning, air humidification and dehumidification, heating, cooling and ventilation will be demonstrated by equipment in actual operation.

Growing appreciation by the public of the important part which air-conditioning is destined to play in making homes, offices, factories, restaurants and other buildings comfortable and healthful under all kinds of weather conditions, has led Public Service to arrange the show which is the first of its kind to be held in New Jersey. Air-conditioning is still such a comparatively recent development that many persons have as yet had no opportunity to see a comprehensive display of equipment in operation.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sick and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned. It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, acting when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.

Brightons Even Up With Red Wings

Newarkers Taken In Camp By 13-9 Score At Belwood Park

The Brightons avenged an earlier season defeat administered by the Newark Red Wings, by taking them into camp, 13-9, in a hard-fought tussle at Belwood Park Sunday afternoon. It was the home club's third straight win.

Bob Reed, elongated twirler, toed the mound for the home club, and got by the first two frames in big league style. It was his first regular starting assignment. Leading 3-0 going into the third, Bob, with two out and two strikes on the batter, made the fatal mistake of grooving the ball and in no time the opposition assumed a 4-3 lead, and took a big 9-3 lead in the next frame, when Stockton, who relieved Reed, was hit rather freely. That was the last scoring done by the Red Wings, and it was up to the home club to do or die.

The first inning saw the locals hop on Cortugna for three runs on hits by Gonnello, Smith and Bonny, and a pass to Peacock. In the fifth saw the deluge overcome the Red Wings, when Gonnello stroled, and successive drives by Peacock, Smith, Bonny, Delegro, Matthews, Stockton and another hit by Peacock saw a big six go up for the Brightons and the score now stood, 9-9 with Stockton going stronger as the game progressed, while Cotugna, weakened, giving up three more runs in the lucky seventh when the locals again batted around. The big guns, Gonnello, Peacock, Smith, Bonny and Delegro, coordinated to seal the casket on the visitors. The thirteenth run came in the eighth and concluded scoring activities for the day.

The locals feasted heavily on the Red Wing tossers. Bonny cracked out five safe drives, Gonnello followed with four, Delegro came through with three, and Smith garnered a like number. Peacock and Stockton had to be content with two apiece.

George Bonnefond covered center field like a big leaguer for the locals. This Sunday the Brightons play two games; the first at 10:30 A. M. when they play hosts to the Jersey City Erie Railroad ball team, and at 3:15 they face the strong Daniel Ruder A. C.

Syracuse Shares Spotlight With Bears

Memorial Day To Be Celebrated At Field By Veterans

Members of the Newark Bears and the Syracuse Chiefs will share the spotlight with various rifle and drum corps of the American Legion and Veterans of Foreign Wars, Memorial Day afternoon at Ruppert Stadium. The day has been designated as Veteran's Day in honor of the soldiers and sailors who fought for Uncle Sam.

While the Bears and the Chiefs will engage in a doubleheader in the afternoon at 2 o'clock, the ball players will not strut their stuff until the different posts have completed their maneuvers in a competitive drill. The foremost drill teams in the State of New Jersey have been invited to participate, for which suitable cash prizes have been donated. The ceremonies, which will be the most colorful that have ever been held at the home of the Bears, will commence at 12:30 o'clock sharp.

With the return of the Bruins after a successful road trip, the high spot being a clean sweep of four games at Rochester, local fans will see a number of new faces on the Newark team. Pitcher Charles Devens and Catcher Norman Kies along with Infielder Fred Muller have been turned over to the Bears by the New York Yankees. The addition of these men has greatly strengthened the team. Devens and Kies were with club last year and did excellent work. Devens is ready to take his regular turn in the box and Manager Bob Shawkey is counting on him to be a consistent winner. Kies has already proved his ability as a receiver and will alternate behind the bat with talky Joe Glenn. Muller made his name with Seattle in the Pacific Coast League last year where he hit .327 and was the leading second baseman of the league.

The posts invited to take part in the drill are Sergeant Pat Riley Post, Orange; Alexander Hamilton Post, Paterson; Bayway Post, Elizabeth; East Orange Drum and Bugle Post 73, East Orange; American Legion Post No. 20, Bloomfield; Irvington Post 16, Irvington; Frobisher Post 99, Kearny; Nutley Post 70, Nutley; Perth Amboy Post 45, Perth Amboy; Verona Post 183; Montclair Post 34, and Moristown Post. The Blue and Gray Veterans of Newark will act as a guard of honor to the various organizations.

The judges will be Colonel Clyde E. Winterton, Captain George E. Murphy, Captain Joseph Kunze and Captain Robert Pritchard of the 113th Infantry. The teams will be judged on uniforms, general appearance, cadence, general marching, intervals, distances, files and ranks, in step. Music: Position of instrument, execution, ensemble, expression and rhythm.

Grace Baptist Wins Special Bowling Series With The Nomads

Pin Team Closes Its Season With A Timely Victory

The Grace Baptist representatives in the Church Bowling League made their final gesture of the year, last week, by turning back the Nomads, in two out of three games, in the third and deciding match of a post-season series.

Johnnie Dear's 201 for the Baptist boys was a prime factor in his team's winning that one and deciding the match. Willard Bryan smashed the pins for a 202 in the second game.

The match concluded the league's activities for the season.

Saucer Splinters

Franco Georgetti the flying effortless Italian motor-paced star added another victory to his growing list Sunday at the Nutley Velodrome, Harry Mendel's seat of learning for bike riders. But this victory was not as easily annexed as previous ones. Franco had a tough job to get around Tino Reboli, Newark star, who set the pace for twenty miles, only relinquishing the lead after he had lost his pace. When Franco forced Tino, Charley Jaeger swept into second place. Jaeger finished there, pushing Georgetti all the way with Reboli right up in the swim. Alf Letourner, it is feared, has had too much six-day racing and finished way back. Paul Croley, who dropped back, furnished the thrill of the race with his sprint around the field, only to drop back when the riders put on the steam. Popular Jimmie Hunter was back on his iron choo-choo following the bad automobile accident which kept him out of last year's races.

Torchy Peden, the flaming topped youth from Victoria, B. C. and Cecil Walker of Australia, hooked up in one of the prettiest Australian pursuit races seen since Hector was a pup—and that it a long while ago. Torchy won in 8 minutes after covering three miles, five and one half laps. Cecil started off and crawled up a little on Torchy but the big boy gradually drew up on Cecil to win. Ewald Wissel, the little German flyer, whose helping hand is always out for some unfortunate brother rider, won a popular verdict in a medley match with Louis Cohen, Brooklyn. Ewald took the first heat in a one-mile match, riding from the front and opening up a commanding lead with one lap to go. The second heat, Australian pursuit style, also fell to Ewald's lot.

As a week ago, the ten-mile open paced professional race was the spark plug of the day. The pace makers in this race were A. No. 1 and kept the bikers stepping on the gas all the way. Only nine in a large field passed the five-mile post, where Torchy Peden dropped out. Walker, usually in to the finish, was out at two miles. Six riders were whirling away at six miles, including Wissel who was up in second place, but who took an unfortunate tumble from his wheel at seven miles. Fred Kugler slowed up a bit at seven miles, lost a lap, but was given a place although called off the track. Willie Grimm, who has been 'going places' this year, copped the race.

Joe De Vito by a garrison finish took the last sprint in the three-mile invitation point race to win after Guy Ricci and Lou Rush, a protege of Torchy Peden had battled in each sprint for the lead. Lou rode a scorching race and finished second in a tie with Ricci. Bob Silver, who is also stepping on the gas, was fourth with Bill Unkert and Otto Petri tied for fifth. The riders covered the three miles in six minutes, twenty-three seconds.

Martin Journey, local star, showed good judgment in the Australian pursuit race open, amateur, by trailing Bullivant while Lipssett chased Del Vecchio out of the race. When this occurred Martin eliminated Bullivant and set sail to overtake Lipssett.

Silver copped the four-sevenths mile handicap, professional, but Willie Honeman, whose popularity is growing in leaps and bounds, took second in a sweeping ride. Silver had a sixty yard handicap and Willie rode from scratch.

Blackie, one of Harry Mendel's seconds, is Tino Reboli's best rooster. Blackie follows Tino from the crack of the gun until the finish. There may be four other riders in the race but Blackie never sees them. Tino has been burning up the boards so much of late that the smoke has gotten in Blackie's eyes. At least that is the reason someone gave us for Blackie sporting a new pair of sun goggles Sunday.

Has anyone got a rabbit's foot? We need it for a good friend of ours, Carmine Bilotti, Harry Mendel's assistant. All last season and so far this Carmine has tried to name the winner of the motor paced race and failed. We will give away a brass ring good for one ride on any merry-go-round in China to the person who will help out Carmine.

And was it cold, or was it cold on Wednesday night. The bird who was selling coffee knew his onions.

Willie Honeman rode rings around sprint champion George Dempsey in their match and took two straight heats.

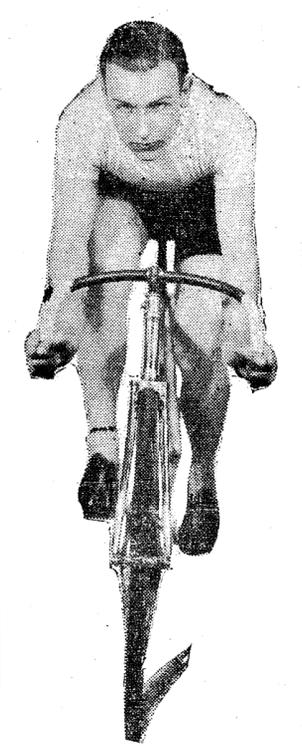

Joe Fogler walked in with a cane. Alf Letourner and Martinietti occupied box 19.

There were spills galore. Ewald Wissel took a nasty tumble near the last turn and was carried to training quarters. When a large lamp broke and spattered the track the races were held up a few minutes until

7 Features Booked At Nutley Saucer

30-Mile Motor-Paced Race Will Provide Excitement For Bike Fans

Seven attractive looking races are booked for the Nutley Velodrome bicycle saucer for Sunday afternoon. The feature race will be a thirty-mile motor-paced event which will bring together Franco Georgetti, the Italian champion; Alfred Letourner, the American champion; Gerard Debats, premier rider of Belgium; Tino Reboli, the Newark youth and Jackie Sheehan, of New York. Last Sunday the fans witnessed the greatest race of the season when Georgetti defeated Charley Jaeger, Tino Reboli, Paul Croley and Alfred Letourner in the order named. Georgetti only won after a sensational battle with Jaeger and Reboli.

BILL HONEMAN

Cecil Walker, nine times all-around champion of America and thrice the sprint title holder, who lost a hard fought Australian pursuit race to Torchy Peden, the Canadian Giant last Sunday, has asked for a return match and Manager Harry Mendel will put Peden and Walker back on again this Sunday afternoon. Peden took three miles, five and one-half laps to catch Walker in the race last Sunday, but Walker says he is confident he will beat Peden this Sunday.

Ten crack teams will battle in a two mile tandem race. Some of the best riders will be on the tandems and the fans look forward to a thrilling race. The professional riders will also compete in a four-sevenths mile handicap with the stars on scratch and a miss and out invitation event.

The amateurs on Sunday will ride a miss and out open and a four-sevenths mile handicap. Manager Harry Mendel is also planning a big card of races for next Wednesday night, Memorial Day. The prices at the Nutley saucer are fifty cents, seventy-five cents, and one dollar with children admitted for twenty-five cents.

For further information about games phone Belleville 2-1617 or call at 22 Greylock avenue, Belleville. Mike Di Gregorio, book-keeping manager.

The glass was removed from the boards. Martin Journey was given a large basket of flowers from his friends and then went out and got second in the two-mile open, amateur.

Torchy Peden who seems to be the works in the Australian pursuit races added Grimm as another victim to his fast growing list.

Grosso Pitches Els To 4-3 Win Over St. Anthony's

A big third inning enabled the El Club to capture its first victory of the local American Legion League campaign, Monday night, as St. Anthony's were handed a 4-3 set-back at Clearman Field.

Doubles by Ben Perkowski and Marty Mallack, plus singles by Grosso and Jerry Fazzini featured the El Club third inning attack that saw them score all four of their runs to sew up the game.

Ralph Grosso, a new El Club flinger with an odd delivery, got off to a bad start, being rapped for three hits and as many runs in the very first inning. Thereafter, he had things well in control, blanking the Saints with two hits for the final six innings and striking out eleven.

Rain Halts Weequahic Tilt At 2-2 Here On Tuesday

The Belleville High School tennis team failed to win a match over the week-end, although they did manage to tie Weequahic, 2-2, Tuesday afternoon at the Clearman Field courts. Bloomfield's netmen previously on Friday afternoon had subdued the Bell-boys, 4-1, at the Bloomfield courts.

Johnny Manger, co-captain with Don Gauss of the Bell-boys, and playing in No. 2 position, accounted for the lone Belleville victory in the Bloomfield match, turned back S. Farrand, 10-12, 6-2, 6-4.

The doubles combination of Manger and Gauss had turned back Glass-Newman of Weequahic, 6-0, in the fifth and deciding match when rain curbed activities for the afternoon.

Bell-boys Hit Hard In 11-1 Conquest Of Newark

The Belleville High baseball second-stringers accomplished something that their varsity brothers have been unsuccessful in doing all season, winning a ball game. The hard-hitting Jayvees smothered Barringer High's seconds, 11-1, Thursday, at Clearman Field.

Elmer "Red" VanDermark starred with the willow for the local sluggers, pounding out a triple, two doubles and two singles in five trips to the platter. His sensational batting performance may earn him a varsity berth.

Andy Depart, youthful Bell-boy flinger, let down the visitors with four hits, and was never in danger, as his mates sewed up the game with seven hits and as many runs in the first inning.

Belleville County League Team Breaks Even After Losing To Verona

The Belleville tossers in the Essex County Baseball League split even in games over the week-end, coming back Sunday to trounce Montclair, 15-2, after having absorbed an 11-4 beating by Verona at Clearman Field, Saturday.

The lawlormen showed a complete form reversal at Montclair, Sunday. The batters hit, Jim Mallaek pitched in his old-time form (which is mighty good), and the team played errorless ball.

The Belleville nine had a total of fourteen hits to their credit against an assortment of three Montclair twirlers. The hitting reached its peak in the fourth inning, when the whole side batted around, and nine runs scurried across the plate.

Ned Dunn, present Belleville High performer, featured this inning, batting in four runs with two hits in the single frame. Dunn got another bingle later to raise his ante to three for the game. Bill Stevenson, new Belleville outfielder, and Jim Mallaek, also collected a trio of safeties for the Bell-boys.

Mallaek, out there on the mound, finished under wraps, scattering Montclair's nine bingles nicely. A good-sized crowd turned out at the Clearman Field diamond, Saturday, only to see Belleville receive an 11-4 trimming at the hands of the league-leading Verona nine.

Ed Shorter, though reached for eleven hits by the Belleville combine, had the mound situation well in hand most of the time, especially in view of the enthusiastic batting support accorded his efforts.

Belleville plays a single league game this week-end, taking on the last place Glen Ridge nine at Clearman Field, Saturday afternoon.

Homer By McDaniels Pulls Game Out Of Fire For The Elks

Young Hank Sullivan Almost Pitches Woodhouse To Victory

A long homer over the center field fence by "Mac" McDaniels saved the championship Elks from the ignominy of a surprise defeat at the hands of youthful Hank Sullivan and the Woodhouse Association in Friday night's American Legion League's game at Clearman Field.

The game at the outset had all the earmarks of the surprise package of the young season. Young Hank Sullivan, of the high school nine, with no previous experience that we know of, stepped to the mound, and completely quelled the fearsome Elk bats for the first six innings.

Jim Mallaek's fourth inning triple and a double by McDaniels in the fifth accounted for the three Elk runs in that stretch, and were the only events to disturb the masterful mound performance being turned in by young Sullivan.

In the meanwhile, the Woodhouse club was nicking the offerings of big "Lefty" Kintzing rather freely, and with the start of the seventh were on the long end of a 4-3 tally. "With the shades of night falling fast" at the start of the seventh, the Woodhouse managed to push across an additional run, but the Elks were equal to the occasion, scoring four times to win the game, Tommie Dunn's double and Derrico's single, preceded McDaniels' long distance wallop.

Belleville High Nine Tosses Away Another Irvington, Outhit 7-12, Defeats Bell-boys, 7-3

Here The Belleville High School baseball nine booted away another game that they should have won, Tuesday afternoon, permitting Irvington High's tossers to walk off the Clearman Field diamond with a 7-3 verdict.

That strange drama of "outhitting but under scoring the opposition" was, through long experience, expertly enacted again by the Bell-boys. It took twelve hits of their manufacture to accumulate their meager 3 runs total, while the Campowners made seven hits count for as many runs.

Belleville's lone threat occurred in the eighth inning. With Irvington in possession of a sizeable 4-1 margin going into the frame, the Bell-boy sluggers landed on the offerings of the Irvington flinger, Kern, knocking him out of the box. Ned Dunn's single with the bases full scored the two runs that Belleville finally did manage to get across.

Irvington then came back in the first of the ninth to score three more runs and put the game on ice. Hank Sullivan was the slugging hero for the Bell-boys, grabbing himself a triple, double and pass in four trips to the platter.

Bell-boy Ball Players Drop Sixth Straight Kearnyites 13-7 Victors In Free Hitting Contest

The Belleville High School baseball varsity dropped its sixth game in succession, Friday afternoon, at Clearman Field, as Kearny pounded out a 13-7 victory, its second of the season over the local lads.

The Bell-boys, as usual, slammed the pellet to all corners of the lot, landing on a pair of the visitors' twirlers for fifteen safeties. On the other side of the ledger, however, eight errors, plus some very ineffectual hitting, did lots of damage.

Kearny got to work in a hurry, holding a 10-1 lead as early as the fourth inning, and sewing up the game. Hank Sullivan, Bell-boy catcher, smacked out a double and two singles to lead the Belleville batters.

Four Belleville People Arrested In N. J.

Two local women, Mrs. H. Watson of 571 Washington avenue and Mrs. Minnie Barnikow of 100 Overlook avenue, are facing sentences of fifteen days each in the county jail for failure to observe a town ordinance while distributing religious tracts in Nutley recently.

Mr. and Mrs. Fred Slaughter of 257 Main street, together with twenty-three other "Witnesses of Jehovah," who distribute publications of the Watch Tower Bible and Tract Society of Brooklyn, were arrested.

The charge against Mr. Slaughter was dismissed Wednesday, while Mrs. Slaughter was found guilty but received a suspended sentence because of her seven-weeks-old child.

Members of the society maintain that they are not bound by man-made laws in the distribution of their tracts, but only have to follow the laws of Jehovah. If arrested, they refuse to pay fines and accept jail sentences in protest.

Ten of the "Witnesses" who were found guilty by Recorder Young of Nutley Wednesday were given the alternative of paying a \$25 fine or spending fifteen days in the county jail. They have been paroled in the custody of their counsel, Jacob S. Karkus of Perth Amboy, to await further consideration of the case.
